Sec. ~~5119.50~~ 5119.70. The "interstate compact on mental health" is hereby ratified, enacted into law, and entered into by the state of Ohio as a party thereto with any other state which has legally joined in the compact as follows:

INTERSTATE COMPACT ON MENTAL HEALTH

The contracting states solemnly agree that:

Article I

The party states find that the proper and expeditious treatment of the mentally ill and mentally retarded can be facilitated by cooperative action, to the benefit of the patients, their families, and society as a whole. Further, the party states find that the necessity of and desirability for furnishing such care and treatment bears no primary relation to the residence or citizenship of the patient but that, on the contrary, the controlling factors of community safety and humanitarianism require that facilities and services be made available for all who are in need of them. Consequently, it is the purpose of this compact and of the party states to provide the necessary legal basis for the institutionalization or other appropriate care and treatment of the

mentally ill and mentally retarded under a system that recognizes the paramount importance of patient welfare and to establish the responsibilities of the party states in terms of such welfare.

Article II

As used in this compact:

(a) "Sending state" shall mean a party state from which a patient is transported pursuant to the provisions of the compact or from which it is contemplated that a patient may be so sent.

(b) "Receiving state" shall mean a party state to which a patient is transported pursuant to the provisions of the compact or to which it is contemplated that a patient may be so sent.

(c) "Institution" shall mean any hospital or other facility maintained by a party state or political subdivision thereof for the care and treatment of mental illness or mental retardation.

(d) "Patient" shall mean any person subject to or eligible as determined by the laws of the sending state, for institutionalization or other care, treatment, or supervision pursuant to the provisions of this compact.

(e) "After-care" shall mean care, treatment and services provided a patient, as defined herein, or convalescent status or conditional release.

(f) "Mental illness" shall mean mental disease to such extent that a person so afflicted requires care and treatment for his own welfare, or the welfare of others, or of the community.

(g) "Mental retardation" shall mean mental retardation as defined by appropriate clinical authorities to such extent that a person so afflicted is incapable of managing himself and his affairs, but shall not include mental illness as defined herein.

(h) "State" shall mean any state, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

Article III

(a) Whenever a person physically present in any party state shall be in need of institutionalization by reason of mental illness or mental retardation, he shall be eligible for care and treatment in an institution in that state irrespective of his residence, settlement or citizenship qualifications.

(b) The provisions of paragraph (a) of this article to the contrary notwithstanding, any patient may be transferred to an institution in another state whenever there are factors based upon clinical determinations indicating that the care and treatment of said patient would be facilitated or improved thereby. Any such institutionalization may be for the entire period of care and treatment or for any portion or portions thereof. The factors referred to in this paragraph shall include the patient's full record with due

regard for the location of the patient's family, character of the illness and probable duration thereof, and such other factors as shall be considered appropriate.

(c) No state shall be obliged to receive any patient pursuant to the provisions of paragraph (b) of this article unless the sending state has given advance notice of its intention to send the patient; furnished all available medical and other pertinent records concerning the patient; given the qualified medical or other appropriate clinical authorities of the receiving state an opportunity to examine the patient if said authorities so wish; and unless the receiving state shall agree to accept the patient.

(d) In the event that the laws of the receiving state establish a system of priorities for the admission of patients, an interstate patient under this compact shall receive the same priority as a local patient and shall be taken in the same order and at the same time that he would be taken if he were a local patient.

(e) Pursuant to this compact, the determination as to the suitable place of institutionalization for a patient may be reviewed at any time and such further transfer of the patient may be made as seems likely to be in the best interest of the patient.

Article IV

(a) Whenever, pursuant to the laws of the state in which a patient is physically present, it shall be determined that the patient should receive after-care or supervision, such care or supervision may be provided in a receiving state. If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state shall have reason to believe that after-care in another state would be in the best interest of the patient and would not jeopardize the public safety, they shall request the appropriate authorities in the receiving state to investigate the desirability of affording the patient such after-care in said receiving state, and such investigation shall be made with all reasonable speed. The request for investigation shall be accompanied by complete information concerning the patient's intended place of residence and the identity of the person in whose charge it is proposed to place the patient, the complete medical history of the patient, and such other documents as may be pertinent.

(b) If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state and the appropriate authorities in the receiving state find that the best interest of the patient would be served thereby, and if the public safety would not be jeopardized thereby, the patient may receive after-care or

supervision in the receiving state.

(c) In supervising, treating, or caring for a patient on after-care pursuant to the terms of this article, a receiving state shall employ the same standards of visitation, examination, care, and treatment that it employs for similar local patients.

Article V

Whenever a dangerous or potentially dangerous patient escapes from an institution in any party state, that state shall promptly notify all appropriate authorities within and without the jurisdiction of the escape in a manner reasonably calculated to facilitate the speedy apprehension of the escapee. Immediately upon the apprehension and identification of any such dangerous or potentially dangerous patient, he shall be detained in the state where found pending disposition in accordance with law.

Article VI

The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the patient, shall be permitted to transport any patient being moved pursuant to this compact through any and all states party to this compact, without interference.

Article VII

(a) No person shall be deemed a patient of more than one institution at any given time. Completion of transfer of any patient to an institution in a receiving state shall have the effect of making the person a patient of the institution in the receiving state.

(b) The sending state shall pay all costs of and incidental to the transportation of any patient pursuant to this compact, but any two or more party states may, by making a specific agreement for that purpose, arrange for a different allocation of costs as among themselves.

(c) No provision of this compact shall be construed to alter or affect any internal relationships among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

A written statement shall be given to such hospital by the transporting psychiatrist, licensed clinical psychologist, licensed physician, health officer, parole officer, police officer, chief of the adult parole authority, parole or probation officer, or sheriff stating the circumstances under which such person was taken into custody and the reasons for the psychiatrist's, licensed clinical psychologist's, licensed physician's, health officer's, parole officer's, police officer's, chief of the adult parole authority's, parole or probation officer's, or sheriff's belief. If to conduct the examination requires that the person remain overnight, the hospital or ~~agency services provider~~ shall admit the person in an unclassified status until making a disposition under this section. After the examination, if the chief clinical officer of the hospital or ~~agency services provider~~ believes that the person is not a mentally ill person subject to hospitalization by court order, the chief clinical officer shall release or discharge the person immediately unless a court has issued a temporary order of detention applicable to the person under section 5122.11 of the Revised Code. This section does not apply to the hospitalization of a person pursuant to section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code.

The affidavit shall contain an allegation setting forth the specific category or categories under division (B) of section 5122.01 of the Revised Code upon which the jurisdiction of the court is based and a statement of alleged facts sufficient to indicate probable cause to believe that the person is a mentally ill person subject to hospitalization by court order. The affidavit may be accompanied, or the court may require that the affidavit be accompanied, by a certificate of a psychiatrist, or a certificate signed by a licensed clinical psychologist and a certificate signed by a licensed physician stating that the person who issued the certificate has examined the person and is of the opinion that the person is a mentally ill person subject to hospitalization by court order, or shall be accompanied by a written statement by the applicant, under oath, that the person has refused to submit to an examination by a psychiatrist, or by a licensed clinical psychologist and licensed physician.

Upon receipt of the affidavit, if a judge of the court or a referee who is an attorney at law appointed by the court has probable cause to believe that the person named in the affidavit is a mentally ill person subject to hospitalization by court order, the judge or referee may issue a temporary order of detention ordering any health or police officer or sheriff to take into custody and transport the person to a hospital or other place designated in

section 5122.17 of the Revised Code, or may set the matter for further hearing.

The person may be observed and treated until the hearing provided for in section 5122.141 of the Revised Code. If no such hearing is held, the person may be observed and treated until the hearing provided for in section 5122.15 of the Revised Code.

(C) The person who filed the affidavit;

(D) Any one person designated by the respondent; but if the respondent does not make a selection, the notice shall be sent to the adult next of kin other than the person who filed the affidavit if that person's address is known to the court or can be obtained through exercise of reasonable diligence;

(E) The respondent's counsel;

(F) The director, chief clinical officer, or the respective designee of the hospital, board, ~~agency~~ community mental health services provider, or facility to which the person has been committed;

Sec. 5122.13. Upon receipt of the affidavit required by section 5122.11 of the Revised Code, the court shall refer the affidavit to the board of alcohol, drug addiction, and mental health services or ~~an agency~~ community mental health services provider the board designates to assist the court in determining whether the respondent is subject to hospitalization and whether alternative services are available, unless the ~~agency~~ services provider or board has already performed such screening. The board or ~~agency~~ services

provider shall review the allegations of the affidavit and other information relating to whether or not the person named in the affidavit or statement is a mentally ill person subject to hospitalization by court order, and the availability of appropriate treatment alternatives.

The person who conducts the investigation shall promptly make a report to the court, in writing, in open court or in chambers, as directed by the court and a full record of the report shall be made by the court. The report is not admissible as evidence for the purpose of establishing whether or not the respondent is a mentally ill person subject to hospitalization by court order, but shall be considered by the court in its determination of an appropriate placement for any person after that person is found to be a mentally ill person subject to hospitalization.

The court, prior to the hearing under section 5122.141 of the Revised Code, shall release a copy of the investigative report to the respondent's counsel.

Nothing in this section precludes a judge or referee from issuing a temporary order of detention pursuant to section 5122.11 of the Revised Code.

(3) If the respondent is not represented by counsel, is absent from the hearing, and has not validly waived the right to counsel, the court shall

appoint counsel immediately to represent the respondent at the hearing, reserving the right to tax costs of appointed counsel to the respondent, unless it is shown that the respondent is indigent. If the court appoints counsel, or if the court determines that the evidence relevant to the respondent's absence does not justify the absence, the court shall continue the case.

(4) The respondent shall be informed that the respondent may retain counsel and have independent expert evaluation. If the respondent is unable to obtain an attorney, the respondent shall be represented by court-appointed counsel. If the respondent is indigent, court-appointed counsel and independent expert evaluation shall be provided as an expense under section 5122.43 of the Revised Code.

(5) The hearing shall be closed to the public, unless counsel for the respondent, with the permission of the respondent, requests that the hearing be open to the public.

(6) If the hearing is closed to the public, the court, for good cause shown, may admit persons who have a legitimate interest in the proceedings. If the respondent, the respondent's counsel, or the designee of the director or of the chief clinical officer objects to the admission of any person, the court shall hear the objection and any opposing argument and shall rule upon the admission of the person to the hearing.

(7) The affiant under section 5122.11 of the Revised Code shall be subject to subpoena by either party.

(8) The court shall examine the sufficiency of all documents filed and shall inform the respondent, if present, and the respondent's counsel of the nature and content of the documents and the reason for which the respondent is being detained, or for which the respondent's placement is being sought.

If the respondent is indigent and the transcript and record is made, a copy shall be provided to the respondent upon request and be treated as an expense under section 5122.43 of the Revised Code.

(15) To the extent not inconsistent with this chapter, the Rules of Civil Procedure are applicable.

(B) Unless, upon completion of the hearing the court finds by clear and convincing evidence that the respondent is a mentally ill person subject to hospitalization by court order, it shall order the respondent's discharge immediately.

(C) If, upon completion of the hearing, the court finds by clear and convincing evidence that the respondent is a mentally ill person subject to hospitalization by court order, the court shall order the respondent for a period not to exceed ninety days to any of the following:

(F) During such ninety-day period the hospital; facility; board of alcohol, drug addiction, and mental health services; ~~agency services provider~~ the board designates; or person shall examine and treat the individual. If, at any time prior to the expiration of the ninety-day period, it is determined by the hospital, facility, board, ~~agency services provider~~, or person that the respondent's treatment needs could be equally well met in an available and appropriate less restrictive environment, both of the following apply:

(H) If, at the end of the first ninety-day period or any subsequent period of continued commitment, there has been no disposition of the case, either by discharge or voluntary admission, the hospital, facility, board, ~~agency~~ services provider, or person shall discharge the patient immediately, unless at least ten days before the expiration of the period the attorney the board designates or the prosecutor files with the court an application for continued commitment. The application of the attorney or the prosecutor shall include a written report containing the diagnosis, prognosis, past treatment, a list of alternative treatment settings and plans, and identification of the treatment setting that is the least restrictive consistent with treatment needs. The attorney the board designates or the prosecutor shall file the written report at least three days prior to the full hearing. A copy of the application and written report shall be provided to the respondent's counsel immediately.

The court shall hold a full hearing on applications for continued commitment at the expiration of the first ninety-day period and at least every two years after the expiration of the first ninety-day period.

Hearings following any application for continued commitment are mandatory and may not be waived.

Upon request of a person who is involuntarily committed under this section, or the person's counsel, that is made more than one hundred eighty days after the person's last full hearing, mandatory or requested, the court shall hold a full hearing on the person's continued commitment. Upon the application of a person involuntarily committed under this section, supported by an affidavit of a psychiatrist or licensed clinical psychologist, alleging that the person no longer is a mentally ill person subject to hospitalization by court order, the court for good cause shown may hold a full hearing on the person's continued commitment prior to the expiration of

one hundred eighty days after the person's last full hearing. Section 5122.12 of the Revised Code applies to all hearings on continued commitment.

If the court, after a hearing for continued commitment finds by clear and convincing evidence that the respondent is a mentally ill person subject to hospitalization by court order, the court may order continued commitment at places specified in division (C) of this section.

(I) Unless the admission is pursuant to section 5120.17 or 5139.08 of the Revised Code, the chief clinical officer of the hospital or ~~agency~~ services provider admitting a respondent pursuant to a judicial proceeding, within ten working days of the admission, shall make a report of the admission to the board of alcohol, drug addiction, and mental health services serving the respondent's county of residence.

(J) A referee appointed by the court may make all orders that a judge may make under this section and sections 5122.11 and 5122.141 of the Revised Code, except an order of contempt of court. The orders of a referee take effect immediately. Within fourteen days of the making of an order by a referee, a party may file written objections to the order with the court. The filed objections shall be considered a motion, shall be specific, and shall state their grounds with particularity. Within ten days of the filing of the objections, a judge of the court shall hold a hearing on the objections and may hear and consider any testimony or other evidence relating to the respondent's mental condition. At the conclusion of the hearing, the judge may ratify, rescind, or modify the referee's order.

(K) An order of the court under division (C), (H), or (J) of this section is a final order.

(L) Before a board, or ~~an agency~~ a services provider the board designates, may place an unconsenting respondent in an inpatient setting from a less restrictive placement, the board or ~~agency~~ services provider shall do all of the following:

(1) Determine that the respondent is in immediate need of treatment in an inpatient setting because the respondent represents a substantial risk of physical harm to the respondent or others if allowed to remain in a less restrictive setting;

(2) On the day of placement in the inpatient setting or on the next court day, file with the court a motion for transfer to an inpatient setting or communicate to the court by telephone that the required motion has been mailed;

(3) Ensure that every reasonable and appropriate effort is made to take the respondent to the inpatient setting in the least conspicuous manner possible;

(4) Immediately notify the board's designated attorney and the respondent's attorney.

At the respondent's request, the court shall hold a hearing on the motion and make a determination pursuant to division (E) of this section within five days of the placement.

(M) Before a board, or ~~an agency~~ a services provider the board designates, may move a respondent from one residential placement to another, the board or ~~agency~~ services provider shall consult with the respondent about the placement. If the respondent objects to the placement, the proposed placement and the need for it shall be reviewed by a qualified mental health professional who otherwise is not involved in the treatment of the respondent.

Sec. 5122.17. Pending ~~his~~ removal to a hospital, a person taken into custody or ordered to be hospitalized pursuant to this chapter may be detained for not more than forty-eight hours in a licensed rest or nursing home, a licensed or unlicensed hospital, a community mental health ~~agency~~ services provider, or a county home, but ~~he~~ the person shall not be detained in a nonmedical facility used for detention of persons charged with or convicted of penal offenses unless the court finds that a less restrictive alternative cannot be made available.

Sec. 5122.18. Whenever a person has been involuntarily detained at or admitted to a hospital, community mental health ~~agency~~ services provider, or other facility at the request of anyone other than the person's legal guardian, spouse, or next of kin under this chapter, the chief clinical officer of the hospital, ~~agency~~ services provider, or other facility in which the person is temporarily detained under section 5122.17 of the Revised Code shall immediately notify the person's legal guardian, spouse or next of kin, and counsel, if these persons can be ascertained through exercise of reasonable diligence. If a person voluntarily remains at or is admitted to a hospital, ~~agency~~ services provider, or other facility, such notification shall not be given without ~~his~~ the person's consent. The chief clinical officer of the hospital, ~~agency~~ services provider, or other facility shall inform a person voluntarily remaining at or admitted to a hospital, ~~agency~~ services provider, or other facility that ~~he~~ the person may authorize such notification.

Sec. 5122.19. Every person transported to a hospital or community mental health ~~agency~~ services provider pursuant to sections 5122.11 to 5122.16 of the Revised Code, shall be examined by the staff of the hospital or ~~agency~~ services provider as soon as practicable after ~~his~~ arrival at the hospital or ~~agency~~ services provider. Such an examination shall be held within twenty-four hours after the time of arrival, and if the chief clinical

officer fails after such an examination to certify that in ~~his~~ the chief clinical officer's opinion the person is a mentally ill person subject to hospitalization by court order, the person shall be immediately released.

Sec. 5122.20. The director of ~~mental health~~ mental health and addiction services or the director's designee may transfer, or authorize the transfer of, an involuntary patient, or a consenting voluntary patient hospitalized pursuant to section 5122.02 or sections 5122.11 to 5122.15 of the Revised Code, from one public hospital to another, or to a hospital, community mental health ~~agency services provider~~, or other facility offering treatment or other services for mental illness, if the medical director of the department of ~~mental health~~ mental health and addiction services determines that it would be consistent with the medical needs of the patient to do so. If such a transfer is made to a private facility, the transfer shall be conditioned upon the consent of the facility.

Before an involuntary patient may be transferred to a more restrictive setting, the chief clinical officer shall file a motion with the court requesting the court to amend its order of placement issued under section 5122.15 of the Revised Code. At the patient's request, the court shall hold a hearing on the motion at which the patient has the same rights as at a full hearing under section 5122.15 of the Revised Code. The hearing shall be held within ten days after the date on which the respondent was transferred to the more restrictive setting or on which the motion was filed, whichever is earlier. On the motion of the respondent, the respondent's counsel, or the chief clinical officer, or on its own motion, and for good cause shown, the court may order a continuance of the hearing for up to ten days.

Whenever an involuntary patient is transferred, written notice of the transfer shall be given to the patient's legal guardian, parents, spouse, and counsel, or, if none is known, to the patient's nearest known relative or friend. If the patient is a minor, the department, before making such a transfer, shall make a minute of the order for the transfer and the reason for it upon its record and shall send a certified copy at least seven days prior to the transfer to the person shown by its record to have had the care or custody of the minor immediately prior to the minor's commitment. Whenever a consenting voluntary patient is transferred, the notification shall be given only at the patient's request. The chief clinical officer shall advise a voluntary patient who is being transferred that the patient may decide if the notification shall be given. In all such transfers, due consideration shall be given to the wishes of the patient, and the relationship of the patient to the patient's family, legal guardian, or friends, so as to maintain the relationship and encourage visits beneficial to the patient.

When a voluntary patient whose medical or psychological needs are found by the chief clinical officer to warrant a transfer refuses to be transferred to an alternate facility, the chief clinical officer may file an affidavit for a hearing under section 5122.11 of the Revised Code.

Sec. 5122.21. (A) The chief clinical officer shall as frequently as practicable, and at least once every thirty days, examine or cause to be examined every patient, and, whenever the chief clinical officer determines that the conditions justifying involuntary hospitalization or commitment no longer obtain, shall discharge the patient not under indictment or conviction for crime and immediately make a report of the discharge to the department of ~~mental health~~ mental health and addiction services. The chief clinical officer may discharge a patient who is under an indictment, a sentence of imprisonment, a community control sanction, or a post-release control sanction or on parole ten days after written notice of intent to discharge the patient has been given by personal service or certified mail, return receipt requested, to the court having criminal jurisdiction over the patient. Except when the patient was found not guilty by reason of insanity and the defendant's commitment is pursuant to section 2945.40 of the Revised Code, the chief clinical officer has final authority to discharge a patient who is under an indictment, a sentence of imprisonment, a community control sanction, or a post-release control sanction or on parole.

(B) After a finding pursuant to section 5122.15 of the Revised Code that a person is a mentally ill person subject to hospitalization by court order, the chief clinical officer of the hospital or ~~agency~~ community mental health services provider to which the person is ordered or to which the person is transferred under section 5122.20 of the Revised Code, may grant a discharge without the consent or authorization of any court.

Upon discharge, the chief clinical officer shall notify the court that caused the judicial hospitalization of the discharge from the hospital.

Sec. 5122.23. The chief clinical officer of a public hospital shall immediately report to the department of ~~mental health~~ mental health and addiction services and the board of alcohol, drug addiction, and mental health services serving the patient's county of residence the removal, death, escape, discharge, or trial visit of any patient hospitalized under section 5122.15 of the Revised Code, or the return of such an escaped or visiting patient to the department, the probate judge of the county from which such patient was hospitalized, and the probate judge of the county of residence of such patient. In case of death, the chief clinical officer also shall notify one or more of the nearest relatives of the deceased patient, if known to ~~him~~ the chief clinical officer, by letter, telegram, or telephone. If the place of

residence of such relative is unknown to the chief clinical officer, immediately upon receiving notification the probate judge shall in the speediest manner possible notify such relatives, if known to ~~him~~ the probate judge.

The chief clinical officer of a public hospital, upon the request of the probate judge of the county from which a patient was hospitalized or the probate judge of the county of residence of such a patient, shall make a report to the judge of the condition of any patient under the care, treatment, custody, or control of the chief clinical officer.

Sec. 5122.25. Upon the request of a hospital, person, board, ~~agency~~ community mental health services provider, or facility who has custody of a patient hospitalized pursuant to section 5122.15 of the Revised Code, or on the order of the court, such patient may be called for a rehearing at such place within the county of ~~his~~ the patient's residence or the county where such patient is hospitalized as the court designates. The hearing shall be conducted pursuant to section 5122.15 of the Revised Code.

Sec. 5122.26. (A) If a patient is absent without leave, on a verbal or written order issued within five days of the time of the unauthorized absence by the department of ~~mental health~~ mental health and addiction services, the chief clinical officer of the hospital from which the patient is absent without leave, or the court of either the county from which the patient was committed or in which the patient is found, any health or police officer or sheriff may take the patient into custody and transport the patient to the hospital in which the patient was hospitalized or to a place that is designated in the order. The officer immediately shall report such fact to the ~~agency~~ entity that issued the order.

The chief clinical officer of a hospital may discharge a patient who is under an indictment, a sentence of imprisonment, a community control sanction, or a post-release control sanction or on parole and who has been absent without leave for more than thirty days but shall give written notice of the discharge to the court with criminal jurisdiction over the patient. The chief clinical officer of a hospital may discharge any other patient who has been absent without leave for more than fourteen days.

The chief clinical officer shall take all proper measures for the apprehension of an escaped patient. The expense of the return of an escaped patient shall be borne by the hospital where the patient is hospitalized.

(B)(1) Subject to division (B)(2) of this section, no patient hospitalized under Chapter 5122. of the Revised Code whose absence without leave was caused or contributed to by the patient's mental illness shall be subject to a charge of escape.

(2) Division (B)(1) of this section does not apply to any person who was hospitalized, institutionalized, or confined in a facility under an order made pursuant to or under authority of section 2945.37, 2945.371, 2945.38, 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code and who escapes from the facility, from confinement in a vehicle for transportation to or from the facility, or from supervision by an employee of the facility that is incidental to hospitalization, institutionalization, or confinement in the facility and that occurs outside the facility, in violation of section 2921.34 of the Revised Code.

Sec. 5122.27. The chief clinical officer of the hospital or the chief clinical officer's designee shall assure that all patients hospitalized or committed pursuant to this chapter shall:

(6) The right to be free from unnecessary or excessive medication;

(7) Freedom from restraints or isolation unless it is stated in a written order by the chief clinical officer or the chief clinical officer's designee, or the patient's individual physician or psychologist in a private or general hospital.

If the chief clinical officer of the hospital is unable to provide the treatment required by divisions (C), (E), and (F) of this section for any patient hospitalized pursuant to Chapter 5122. of the Revised Code, the chief clinical officer shall immediately notify the patient, the court, the Ohio protection and advocacy system, the director of ~~mental health~~ mental health and addiction services, and the patient's counsel and legal guardian, if known. If within ten days after receipt of such notification by the director, the director is unable to effect a transfer of the patient, pursuant to section 5122.20 of the Revised Code, to a hospital, community mental health ~~agency services provider~~, or other medical facility where treatment is available, or has not received an order of the court to the contrary, the involuntary commitment of any patient hospitalized pursuant to Chapter 5122. of the Revised Code and defined as a mentally ill person subject to hospitalization by court order under division (B)(4) of section 5122.01 of the Revised Code shall automatically be terminated.

(B) No patient shall be subjected to any of the procedures listed in divisions (A)(4) to (6) of this section until both the patient's informed, intelligent, and knowing consent and the approval of the court have been obtained, except that court approval is not required for a legally competent

and voluntary patient in a nonpublic hospital.

(C) If, after providing the information required under division (A) of this section to the patient, the chief clinical officer or attending physician concludes that a patient is physically or mentally unable to receive the information required for surgery under division (A)(1) of this section, or has been adjudicated incompetent, the information may be provided to the patient's natural or court-appointed guardian, who may give an informed, intelligent, and knowing written consent.

If a patient is physically or mentally unable to receive the information required for surgery under division (A)(1) of this section and has no guardian, the information, the recommendation of the chief clinical officer, and the concurring judgment of a licensed physician who is not a full-time employee of the state may be provided to the court in the county in which the hospital is located, which may approve the surgery. If no spouse or next of kin can reasonably be contacted, or if the spouse or next of kin is contacted, but refuses to consent, the surgery may be performed upon the written authorization of the chief clinical officer or, in a nonpublic hospital, upon the written authorization of the attending physician responsible for the patient's care, and after the approval of the court has been obtained. If the surgery is authorized without court approval, the chief clinical officer or the attending physician who made the authorization and the physician who performed the surgery shall each execute an affidavit describing the circumstances constituting the emergency and warranting the surgery and the circumstances warranting their not obtaining prior court approval. The affidavit shall be filed with the

court with which the request for prior approval would have been filed within five court days after the surgery, and a copy of the affidavit shall be placed in the patient's file and be given to the guardian, spouse, or next of kin of the patient, to the hospital at which the surgery was performed, and to the Ohio protection and advocacy system as defined in section 5123.60 of the Revised Code.

(iii) The department determines the individual has needs that the residential facility can meet.

(b) Provide the residential facility with information about the individual identified under division (C)(2)(a) of this section that the residential facility needs in order to determine whether the facility can meet the individual's needs.

(4) If the department completes the actions specified in divisions (C)(3)(a) and (b) of this section not later than ninety days after the date of the commitment and except as provided in division (D) of this section, the residential facility does all of the following not later than ninety days after the date of the commitment:

(a) Evaluates the information provided by the department;

(b) Assesses the identified individual's needs;

(c) Determines that the residential facility cannot meet the identified individual's needs.

(5) If the department completes the actions specified in divisions (C)(3)(a) and (b) of this section not later than ninety days after the date of the commitment and the residential facility determines that the residential facility can meet the identified individual's needs, the individual, or a parent or guardian of the individual, refuses placement in the residential facility.

(D) The department may reduce under division (B) of this section the number of residents for which a residential facility is licensed even though the residential facility completes the actions specified in division (C)(4) of this section not later than ninety days after the date of the commitment if all of the following are the case:

(1) The department disagrees with the residential facility's determination that the residential facility cannot meet the identified individual's needs.

(2) The department issues a written decision pursuant to the uniform procedures for admissions, transfers, and discharges established by rules adopted under division (H)(9) of section 5123.19 of the Revised Code that the residential facility should admit the identified individual.

(3) After the department issues the written decision specified in division (D)(2) of this section, the residential facility refuses to admit the identified individual.

~~(F) The department of developmental disabilities may notify the department of job and family services of any reduction under this section in~~

~~the number of residents for which a residential facility that is an intermediate care facility for the mentally retarded is licensed. On receiving the notice, the department of job and family services may transfer to the department of developmental disabilities the savings in the nonfederal share of medicaid expenditures for each fiscal year after the year of the commitment to be used for costs of the resident's care in the state-operated intermediate care facility for the mentally retarded. In determining the amount saved, the department of job and family services shall consider medicaid payments for the remaining residents of the facility in which the resident resided.~~

Sec. 5123.38. (A) Except as provided in division (B) of this section, if an individual receiving supported living or home and community-based services funded by a county board of developmental disabilities is committed to a state-operated ~~intermediate care facility for the mentally retarded~~ ICF/IID pursuant to sections 5123.71 to 5123.76 of the Revised Code, the county board is responsible for the nonfederal share of medicaid expenditures for the individual's care in the state-operated ~~facility~~ ICF/IID. The department of developmental disabilities shall collect the amount of the nonfederal share from the county board by either withholding that amount from funds the department has otherwise allocated to the county board or submitting an invoice for payment of that amount to the county board.

(B) Division (A) of this section does not apply under any of the following circumstances:

(1) The county board, not later than ninety days after the date of the commitment of a person receiving supported living, commences funding of supported living for an individual who resides in a state-operated ~~intermediate care facility for the mentally retarded~~ ICF/IID on the date of the commitment or another eligible individual designated by the department.

(2) The county board, not later than ninety days after the date of the commitment of a person receiving home and community-based services, commences funding of home and community-based services for an individual who resides in a state-operated ~~intermediate care facility for the mentally retarded~~ ICF/IID on the date of the commitment or another eligible individual designated by the department.

(3) The director of developmental disabilities, after determining that circumstances warrant granting a waiver in an individual's case, grants the county board a waiver that exempts the county board from responsibility for the nonfederal share for that case.

(F) Any person having reasonable cause to believe that a person with mental retardation or a developmental disability has suffered or faces a substantial risk of suffering abuse or neglect may report or cause a report to be made of that belief to the entity specified in this division. Except as provided in section 5120.173 of the Revised Code or as otherwise provided in this division, the person making the report shall make it to a law enforcement agency or the county board of developmental disabilities. If the person is a resident of a facility operated by the department of developmental disabilities, the report shall be made to a law enforcement agency or to the department. If the report concerns any act or omission of an employee of a county board of developmental disabilities, the report immediately shall be made to the department and to the county board.

(G)(1) Upon the receipt of a report concerning the possible abuse or neglect of a person with mental retardation or a developmental disability, the law enforcement agency shall inform the county board of developmental disabilities or, if the person is a resident of a facility operated by the department of developmental disabilities, the director of the department or the director's designee.

(2) On receipt of a report under this section that includes an allegation of action or inaction that may constitute a crime under federal law or the law

of this state, the department of developmental disabilities shall notify the law enforcement agency.

The superintendent or individual shall notify the department of developmental disabilities when it receives any report under this section.

(4) When a county board of developmental disabilities receives a report under this section and believes that the degree of risk to the person is such that the report is an emergency, the superintendent of the board or an employee of the board the superintendent designates shall attempt a face-to-face contact with the person with mental retardation or a developmental disability who allegedly is the victim within one hour of the board's receipt of the report.

(H) The superintendent of the board may designate an individual to be responsible for notifying the law enforcement agency and the department when the county board receives a report under this section.

(I) An adult with mental retardation or a developmental disability about whom a report is made may be removed from the adult's place of residence only by law enforcement officers who consider that the adult's immediate removal is essential to protect the adult from further injury or abuse or in accordance with the order of a court made pursuant to section 5126.33 of the Revised Code.

(J) A law enforcement agency shall investigate each report of abuse or neglect it receives under this section. In addition, the department, in cooperation with law enforcement officials, shall investigate each report regarding a resident of a facility operated by the department to determine the circumstances surrounding the injury, the cause of the injury, and the person responsible. The investigation shall be in accordance with the memorandum of understanding prepared under section 5126.058 of the Revised Code. The department shall determine, with the registry office which shall be maintained by the department, whether prior reports have been made concerning an adult with mental retardation or a developmental disability or other principals in the case. If the department finds that the report involves action or inaction that may constitute a crime under federal law or the law of this state, it shall submit a report of its investigation, in writing, to the law enforcement agency. If the person with mental retardation or a developmental disability is an adult, with the consent of the adult, the

department shall provide such protective services as are necessary to protect the adult. The law enforcement agency shall make a written report of its findings to the department.

If the person is an adult and is not a resident of a facility operated by the department, the county board of developmental disabilities shall review the report of abuse or neglect in accordance with sections 5126.30 to 5126.33 of the Revised Code and the law enforcement agency shall make the written report of its findings to the county board.

(K) Any person or any hospital, institution, school, health department, or agency participating in the making of reports pursuant to this section, any person participating as a witness in an administrative or judicial proceeding resulting from the reports, or any person or governmental entity that discharges responsibilities under sections 5126.31 to 5126.33 of the Revised Code shall be immune from any civil or criminal liability that might otherwise be incurred or imposed as a result of such actions except liability for perjury, unless the person or governmental entity has acted in bad faith or with malicious purpose.

(L) No employer or any person with the authority to do so shall discharge, demote, transfer, prepare a negative work performance evaluation, reduce pay or benefits, terminate work privileges, or take any other action detrimental to an employee or retaliate against an employee as a result of the employee's having made a report under this section. This division does not preclude an employer or person with authority from taking action with regard to an employee who has made a report under this section if there is another reasonable basis for the action.

(M) Reports made under this section are not public records as defined in section 149.43 of the Revised Code. Information contained in the reports on request shall be made available to the person who is the subject of the report, to the person's legal counsel, and to agencies authorized to receive information in the report by the department or by a county board of developmental disabilities.

(N) Notwithstanding section 4731.22 of the Revised Code, the physician-patient privilege shall not be a ground for excluding evidence regarding the injuries or physical neglect of a person with mental retardation or a developmental disability or the cause thereof in any judicial proceeding resulting from a report submitted pursuant to this section.

Sec. 5123.86. (A) Except as provided in divisions (C), (D), (E), and (F) of this section, the chief medical officer shall provide all information, including expected physical and medical consequences, necessary to enable any resident of an institution for the mentally retarded to give a fully

informed, intelligent, and knowing consent if any of the following procedures are proposed:

- (1) Surgery;
- (2) Convulsive therapy;
- (3) Major aversive interventions;
- (4) Sterilization;
- (5) Experimental procedures;
- (6) Any unusual or hazardous treatment procedures.

(B) No resident shall be subjected to any of the procedures listed in division (A)(4), (5), or (6) of this section without the resident's informed consent.

(C) If a resident is physically or mentally unable to receive the information required for surgery under division (A)(1) of this section, or has been adjudicated incompetent, the information may be provided to the resident's natural or court-appointed guardian, including an agency providing guardianship services under contract with the department of developmental disabilities under sections 5123.55 to 5123.59 of the Revised Code, who may give the informed, intelligent, and knowing written consent for surgery. Consent for surgery shall not be provided by a guardian who is an officer or employee of the department of ~~mental health~~ mental health and addiction services or the department of developmental disabilities.

If a resident is physically or mentally unable to receive the information required for surgery under division (A)(1) of this section and has no guardian, then the information, the recommendation of the chief medical officer, and the concurring judgment of a licensed physician who is not a full-time employee of the state may be provided to the court in the county in which the institution is located, which may approve the surgery. Before approving the surgery, the court shall notify the Ohio protection and advocacy system created by section 5123.60 of the Revised Code, and shall notify the resident of the resident's rights to consult with counsel, to have counsel appointed by the court if the resident is indigent, and to contest the recommendation of the chief medical officer.

(D) If, in the judgment of two licensed physicians, delay in obtaining consent for surgery would create a grave danger to the health of a resident, emergency surgery may be performed without the consent of the resident if the necessary information is provided to the resident's guardian, including an agency providing guardianship services under contract with the department of developmental disabilities under sections 5123.55 to 5123.59 of the Revised Code, or to the resident's spouse or next of kin to enable that person or agency to give an informed, intelligent, and knowing written

consent.

If the guardian, spouse, or next of kin cannot be contacted through exercise of reasonable diligence, or if the guardian, spouse, or next of kin is contacted, but refuses to consent, then the emergency surgery may be performed upon the written authorization of the chief medical officer and after court approval has been obtained. However, if delay in obtaining court approval would create a grave danger to the life of the resident, the chief medical officer may authorize surgery, in writing, without court approval. If the surgery is authorized without court approval, the chief medical officer who made the authorization and the physician who performed the surgery shall each execute an affidavit describing the circumstances constituting the emergency and warranting the surgery and the circumstances warranting their not obtaining prior court approval. The affidavit shall be filed with the court with which the request for prior approval would have been filed within five court days after the surgery, and a copy of the affidavit shall be placed in the resident's file and shall be given to the guardian, spouse, or next of kin of the resident, to the hospital at which the surgery was performed, and to the Ohio protection and advocacy system created by section 5123.60 of the Revised Code.

(E)(1) If it is the judgment of two licensed physicians, as described in division (E)(2) of this section, that a medical emergency exists and delay in obtaining convulsive therapy creates a grave danger to the life of a resident who is both mentally retarded and mentally ill, convulsive therapy may be administered without the consent of the resident if the resident is physically or mentally unable to receive the information required for convulsive therapy and if the necessary information is provided to the resident's natural or court-appointed guardian, including an agency providing guardianship services under contract with the department of developmental disabilities under sections 5123.55 to 5123.59 of the Revised Code, or to the resident's spouse or next of kin to enable that person or agency to give an informed, intelligent, and knowing written consent. If neither the resident's guardian, spouse, nor next of kin can be contacted through exercise of reasonable diligence, or if the guardian, spouse, or next of kin is contacted, but refuses to consent, then convulsive therapy may be performed upon the written authorization of the chief medical officer and after court approval has been obtained.

(2) The two licensed physicians referred to in division (E)(1) of this section shall not be associated with each other in the practice of medicine or surgery by means of a partnership or corporate arrangement, other business arrangement, or employment. At least one of the physicians shall be a

psychiatrist as defined in division (E) of section 5122.01 of the Revised Code.

(F) Major aversive interventions shall not be used unless a resident continues to engage in behavior destructive to self or others after other forms of therapy have been attempted. Major aversive interventions shall not be applied to a voluntary resident without the informed, intelligent, and knowing written consent of the resident or the resident's guardian, including an agency providing guardianship services under contract with the department of developmental disabilities under sections 5123.55 to 5123.59 of the Revised Code.

(G)(1) This chapter does not authorize any form of compulsory medical or psychiatric treatment of any resident who is being treated by spiritual means through prayer alone in accordance with a recognized religious method of healing.

(d) If the exiting operator is a partnership, dissolution of the partnership;

(e) If the exiting operator is a partnership, a change in composition of the partnership unless both of the following apply:

(i) The change in composition does not cause the partnership's dissolution under state law.

If an ICF/IID provider required by section 5124.10 of the Revised Code to file a cost report for the ICF/IID fails to file the cost report by the date it is due or the date, if any, to which the due date is extended pursuant to division (E) of that section, or files an incomplete or inadequate report for the ICF/IID under that section, the department of developmental disabilities shall provide immediate written notice to the provider that the provider agreement for the ICF/IID will be terminated in thirty days unless the provider submits a complete and adequate cost report for the ICF/IID within thirty days. During the thirty-day termination period or any additional time allowed for an appeal of the proposed termination of a provider agreement, the provider shall be paid the ICF/IID's then current per medicaid day payment rate, minus the dollar amount by which ICFs/IID's per medicaid day payment rates are reduced during fiscal year 2013 in accordance with division (A)(2) of section 5111.26 of the Revised Code (renumbered as section 5165.10 of the Revised Code by H.B. 59 of the 130th general assembly) as that section existed on the day immediately preceding the effective date of this section. On the first day of each July, the department shall adjust the amount of the reduction in effect during the previous twelve months to reflect the rate of inflation during the preceding twelve months, as shown in the consumer price index for all items for all urban consumers for the midwest region, published by the United States bureau of labor statistics.

Sec. 5124.107. (A) Except as provided in division (B) of this section and not later than three years after an ICF/IID provider files a cost report with the department of developmental disabilities under section 5124.10 or 5124.101 of the Revised Code, the provider may amend the cost report if the provider discovers a material error in the cost report or additional information to be included in the cost report. The department shall review

the amended cost report for accuracy and notify the provider of its determination.

(B) An ICF/IID provider may not amend a cost report if the department has notified the provider that an audit of the cost report or a cost report of the provider for a subsequent cost reporting period is to be conducted under section 5124.109 of the Revised Code. The provider may, however, provide the department information that affects the costs included in the cost report. Such information may not be provided after the adjudication of the final settlement of the cost report.

Sec. 5124.108. The department of developmental disabilities shall conduct a desk review of all cost reports it receives under sections 5124.10, 5124.101, and 5124.522 of the Revised Code. Based on the desk review, the department shall make a preliminary determination of whether the reported costs are allowable costs. The department shall notify each ICF/IID provider of whether any of the reported costs are preliminarily determined not to be allowable costs, the medicaid payment rate determined under this chapter as a result of the determination regarding allowable costs, and the reasons for the determination and resulting rate. The department shall allow the provider to verify the calculation and submit additional information.

Sec. 5124.109. (A) The department of developmental disabilities may conduct an audit, as defined in rules adopted under section 5124.03 of the Revised Code, of any cost report filed under section 5124.10, 5124.101, or 5124.522 of the Revised Code. The decision whether to conduct an audit and the scope of the audit, which may be a desk or field audit, may be determined based on prior performance of the provider, a risk analysis, or other evidence that gives the department reason to believe that the provider has reported costs improperly. A desk or field audit may be performed annually, but is required whenever a provider does not pass the risk analysis tolerance factors.

(B) Audits shall be conducted by auditors under contract with the department, auditors working for firms under contract with the department, or auditors employed by the department.

The department may establish a contract for the auditing of ICFs/IID by outside firms. Each contract entered into by bidding shall be effective for one to two years.

(C) The department shall notify a provider of the findings of an audit of a cost report by issuing an audit report. The department shall issue the audit report not later than three years after the earlier of the following:

- (1) The date the cost report is filed;
- (2) The date a desk or field audit of the cost report or a cost report for a

subsequent cost reporting period is completed.

(D) The department shall prepare a written summary of any audit disallowance that is made after the effective date of the rate that is based on the cost. Where the provider is pursuing judicial or administrative remedies in good faith regarding the disallowance, the department shall not withhold from the provider's current payments any amounts the department claims to be due from the provider pursuant to section 5124.41 of the Revised Code.

(E)(1) The department shall establish an audit manual and program for field audits conducted under this section. Each auditor conducting a field audit under this section shall follow the audit manual and program, regardless of whether the auditor is under contract with the department, works for a firm under contract with the department, or is employed by the department. The manual and program shall do both of the following:

(a) Require each field audit to be conducted by an auditor to whom all of the following apply:

(i) During the period of the auditor's contract, firm's contract, or auditor's employment with the department, the auditor or firm does not have and is not committed to acquire any direct or indirect financial interest in the ownership, financing, or operation of ICFs/IID in this state.

(ii) The auditor does not audit any provider that has been a client of the auditor or the auditor's firm.

(iii) The auditor is otherwise independent as determined by the standards of independence included in the government auditing standards produced by the United States government accountability office.

(b) Require each auditor conducting a field audit to do all of the following:

(i) Comply with applicable rules prescribed pursuant to Title XIX;

(ii) Consider generally accepted auditing standards prescribed by the American institute of certified public accountants;

(iii) Include a written summary as to whether the costs included in the cost report examined during the audit are allowable and are presented in accordance with state and federal laws and regulations, and whether, in all material respects, allowable costs are documented, reasonable, and related to patient care;

(iv) Complete the audit within the time period specified by the department;

(v) Provide to the provider complete written interpretations that explain in detail the application of all relevant contract provisions, regulations, auditing standards, rate formulae, and departmental policies, with explanations and examples, that are sufficient to permit the provider to

calculate with reasonable certainty those costs that are allowable and the rate to which the provider's ICF/IID is entitled.

(2) For the purpose of division (E)(1)(a)(i) of this section, employment of a member of an auditor's family by an ICF/IID that the auditor does not audit does not constitute a direct or indirect financial interest in the ownership, financing, or operation of the ICF/IID.

Sec. ~~5111.224~~ 5124.15. (A) Except as otherwise provided by sections ~~5111.20~~ 5124.151 to ~~5111.334~~ 5124.154 of the Revised Code and by division (B) of this section, the ~~payments~~ total per medicaid day payment rate that the department of ~~job and family services~~ developmental disabilities shall ~~agree to make pay to the~~ an ICF/IID provider of an intermediate care facility for the mentally retarded pursuant to a provider agreement for ICF/IID services the provider's ICF/IID provides during a fiscal year shall equal the sum of all of the following:

(1) The per medicaid day payment rate for capital costs determined for the ICF/IID under section 5124.17 of the Revised Code;

(2) The per medicaid day payment rate for direct care costs determined for the facility ICF/IID under section ~~5111.23~~ 5124.19 of the Revised Code;

(2)(3) The per medicaid day payment rate for indirect care costs determined for the ICF/IID under section 5124.21 of the Revised Code;

(4) The per medicaid day payment rate for other protected costs determined for the facility ICF/IID under section ~~5111.235~~ 5124.23 of the Revised Code;

(3) The rate for indirect care costs determined for the facility under section ~~5111.241~~ of the Revised Code;

(4) The rate for capital costs determined for the facility under section ~~5111.251~~ of the Revised Code.

(B) The department shall adjust the total rate otherwise determined under division (A) of this section as directed by the general assembly through the enactment of law governing medicaid payments to ICF/IID providers of intermediate care facilities for the mentally retarded.

(C) In addition to paying an ICF/IID provider the total rate determined for the provider's ICF/IID under divisions (A) and (B) of this section for a fiscal year, the department, in accordance with section 5124.25 of the Revised Code, may pay the provider a rate add-on for pediatric ventilator-dependent outlier ICF/IID services if the rate add-on is to be paid under that section and the department approves the provider's application for the rate add-on. The rate add-on is not to be part of the ICF/IID's total rate.

Sec. ~~5111.255~~ 5124.151. (A) The department of job and family services shall establish initial rates for an intermediate care facility for the mentally

~~retarded with a first date of licensure that is on or after January 1, 1993, including a facility that replaces one or more existing facilities, or for an intermediate care facility for the mentally retarded with a first date of licensure before that date that was initially certified for the medicaid program on or after that date, total per medicaid day payment rate determined under section 5124.15 of the Revised Code shall not be the initial rate for ICF/IID services provided by a new ICF/IID. Instead, the initial total per medicaid day payment rate for ICF/IID services provided by a new ICF/IID shall be determined in the following manner:~~

~~(1) The initial rate for capital costs shall be determined under section 5124.17 of the Revised Code using the greater of the new ICF/IID's actual inpatient days or an imputed occupancy rate of eighty per cent.~~

~~(2) The initial rate for direct care costs shall be determined as follows:~~

~~(a) If there are no cost or resident assessment data for the new ICF/IID as necessary to calculate determine a rate under section 5111.23 5124.19 of the Revised Code, the rate shall be determined as follows:~~

~~(i) Determine the median cost per case-mix unit calculated under division (B)(4) of that section 5124.19 of the Revised Code for the relevant new ICF/IID's peer group for the calendar year immediately preceding the fiscal year in which the rate will be paid, multiplied;~~

~~(ii) Multiply the amount determined under division (A)(2)(a)(i) of this section by the median annual average case-mix score for the new ICF/IID's peer group for that period and;~~

~~(iii) Adjust the product determined under division (A)(2)(a)(ii) of this section by the rate of inflation estimated under division (B)(3)(D) of that section 5124.19 of the Revised Code. This rate shall be recalculated to reflect the facility's actual quarterly average case-mix score, in accordance with that section, after it submits its first quarterly assessment data that qualifies for use in calculating a case-mix score in accordance with rules authorized by division (E) of section 5111.232 of the Revised Code. If the facility's first two quarterly submissions do not contain assessment data that qualifies for use in calculating a case-mix score, the department shall continue to calculate the rate using the median annual case-mix score for the peer group in lieu of an assigned quarterly case-mix score. The department shall assign a case-mix score or, if necessary, a cost per case-mix unit under division (D) of section 5111.232 of the Revised Code for any subsequent submissions that do not contain assessment data that qualifies for use in calculating a case-mix score.~~

~~(b) If the facility new ICF/IID is a replacement facility ICF/IID and the facility ICF/IID or facilities ICFs/IID that are being replaced are in~~

operation immediately before the ~~replacement facility~~ new ICF/IID opens, the rate shall be the same as the rate for the replaced ~~facility~~ ICF/IID or ~~facilities~~ ICFs/IID, proportionate to the number of ICF/IID beds in each replaced ~~facility~~ ICF/IID. ~~If one or more of the replaced facilities is~~

~~(c) If the new ICF/IID is a replacement ICF/IID and the ICF/IID or ICFs/IID that are being replaced are not in operation immediately before the replacement facility new ICF/IID opens, its proportion the rate shall be determined under division (A)(1)(2)(a) of this section.~~

~~(2)(3) The initial rate for indirect care costs shall be the maximum rate for the new ICF/IID's peer group as determined for the fiscal year in accordance with division (C) of section 5124.21 of the Revised Code.~~

~~(4) The initial rate for other protected costs shall be one hundred fifteen per cent of the median rate for intermediate care facilities for the mentally retarded calculated ICFs/IID determined for the fiscal year under section 5111.235 5124.23 of the Revised Code.~~

~~(3) The rate for indirect care costs shall be the applicable maximum rate for the facility's peer group as specified in division (B) of section 5111.241 of the Revised Code.~~

~~(4) The rate for capital costs shall be determined under section 5111.251 of the Revised Code using the greater of actual inpatient days or an imputed occupancy rate of eighty per cent.~~

~~(B) The (1) Except as provided in division (B)(2) of this section, the department shall adjust the rates established a new ICF/IID's initial total per medicaid day payment rate determined under division (A) of this section at both of the following times:~~

~~(1) Effective effective the first day of July, to reflect new rate calculations determinations for all facilities ICFs/IID under sections 5111.20 to 5111.331 of the Revised Code;~~

~~(2) Following the provider's submission of the facility's cost report under division (A)(1)(b) of section 5111.26 of the Revised Code this chapter.~~

~~The department shall pay the rate adjusted based on the cost report beginning the first day of the calendar quarter that begins more than ninety days after the department receives the cost report.~~

~~(2) If the department accepts, under division (A) of section 5124.101 of the Revised Code, a cost report filed by the provider of a new ICF/IID, the department shall adjust the ICF/IID's initial total per medicaid day payment rate in accordance with divisions (D) and (E) of that section rather than division (B)(1) of this section.~~

Sec. 5124.152. (A) The total per medicaid day payment rate determined

under section 5124.15 of the Revised Code shall not be paid for ICF/IID services provided by an ICF/IID, or discrete unit of an ICF/IID, designated by the department of developmental disabilities as an outlier ICF/IID or unit. Instead, the provider of a designated outlier ICF/IID or unit shall be paid each fiscal year a total per medicaid day payment rate that the department shall prospectively determine in accordance with a methodology established in rules authorized by this section.

(B) The department may designate an ICF/IID, or discrete unit of an ICF/IID, as an outlier ICF/IID or unit if the ICF/IID or unit serves residents who have either of the following:

(1) Diagnoses or special care needs that require direct care resources that are not measured adequately by the resident assessment instrument specified in rules authorized by section 5124.191 of the Revised Code;

(2) Diagnoses or special care needs that are specified in rules authorized by this section as otherwise qualifying for consideration under this section.

(C) Notwithstanding any other provision of this chapter, the costs incurred by a designated outlier ICF/IID or unit shall not be considered in establishing medicaid payment rates for other ICFs/IID or units.

(D) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

(1)(a) The rules shall do both of the following:

(i) Specify the criteria and procedures the department will apply when designating an ICF/IID, or discrete unit of an ICF/IID, as an outlier ICF/IID or unit;

(ii) Establish a methodology for prospectively determining the total per medicaid day payment rate that will be paid each fiscal year for ICF/IID services provided by a designated outlier ICF/IID or unit.

(b) The rules adopted under division (D)(1)(a)(i) of this section regarding the criteria for designating outlier ICFs/IID and units shall do both of the following:

(i) Provide for consideration of whether all of the allowable costs of an ICF/IID, or discrete unit of an ICF/IID, would be paid by the rate determined under section 5124.15 of the Revised Code;

(ii) Specify the minimum number of ICF/IID beds that an ICF/IID, or discrete unit of an ICF/IID, must have to be designated an outlier ICF/IID or unit.

(c) The rules authorized by division (D)(1)(a)(i) of this section regarding the criteria for designating outlier ICFs/IID and units shall not limit the designation to ICFs/IID, or discrete units of ICFs/IID, located in large cities.

(d) The rules authorized by division (D)(1)(a)(ii) of this section regarding the methodology for prospectively determining the rates of designated outlier ICFs/IID and units shall provide for the methodology to consider the historical costs of providing ICF/IID services to the residents of designated outlier ICFs/IID and units.

(2)(a) The rules may do both of the following:

(i) Include for designation as an outlier ICF/IID or unit, an ICF/IID, or discrete unit of an ICF/IID, that serves residents who have complex medical conditions or severe behavioral problems;

(ii) Require that a designated outlier ICF/IID or unit receive authorization from the department before admitting or retaining a resident.

(b) If the director adopts rules authorized by division (D)(2)(a)(ii) of this section regarding the authorization of a designated outlier ICF/IID or unit to admit or retain a resident, the rules shall specify the criteria and procedures the department will apply when granting the authorization.

Sec. 5124.153. (A) To the extent, if any, provided for in rules authorized by this section, the total per medicaid day payment rate determined under section 5124.15 of the Revised Code shall not be paid for ICF/IID services that an ICF/IID not designated as an outlier ICF/IID or unit provides to a resident who meets the criteria for admission to a designated outlier ICF/IID or unit, as specified in rules authorized by section 5124.152 of the Revised Code. Instead, the provider of an ICF/IID providing ICF/IID services to such a resident shall be paid each fiscal year a total per medicaid day payment rate that the department shall prospectively determine in accordance with a methodology established in rules authorized by this section.

(B) The director of developmental disabilities may adopt rules under section 5124.03 of the Revised Code to implement this section. The rules may require that an ICF/IID receive authorization from the department before admitting or retaining a resident who meets the criteria for admission to a designated outlier ICF/IID or unit. If the director adopts such rules, the rules shall specify the criteria and procedures the department will apply when granting the authorization.

Sec. ~~5111.291~~ 5124.154. ~~Notwithstanding sections 5111.20 to 5111.331 of the Revised Code~~ The department of developmental disabilities is not required to pay the total per medicaid day payment rates determined under section 5124.15 of the Revised Code for ICF/IID services provided by developmental centers. Instead, the department of ~~job and family services~~ may ~~compute~~ determine the rate ~~medicaid payment rates~~ for ~~intermediate care facilities for the mentally retarded operated by the department of~~

~~developmental disabilities or the department of mental health centers~~ according to the reasonable cost principles of Title XVIII.

~~Sec. 5111.251~~ 5124.17. (A) ~~The~~ For each fiscal year, the department of job and family services ~~developmental disabilities shall pay a provider for determine each of the provider's eligible intermediate care facilities for the mentally retarded for its reasonable capital costs, a ICF/IID's per resident per medicaid day payment rate established prospectively each fiscal year for each intermediate care facility for the mentally retarded for reasonable capital costs.~~ Except as otherwise provided in sections ~~5111.20 to 5111.331~~ of the Revised Code ~~this chapter, the an ICF/IID's rate shall be determined prospectively and based on the facility's ICF/IID's capital costs for the calendar year preceding the fiscal year in which the rate will be paid.~~ ~~The~~ Subject to section 5124.28, an ICF/IID's rate shall equal the sum of the following:

(1) ~~The facility's ICF/IID's desk-reviewed, actual, allowable, per diem cost costs of ownership for the immediately preceding cost reporting period, limited as provided in divisions (B) and (C) and (F) of this section;~~

(2) ~~Any efficiency incentive determined under division (B) of this section;~~

(3) ~~Any amounts for~~ The ICF/IID's per medicaid day payment for the ICF/IID's per diem capitalized costs of nonextensive renovations determined under division (D)(1) of this section if the ICF/IID qualifies for a payment for such costs as specified in division (D)(2) of this section;

(4) ~~Any amounts for~~ (3) The ICF/IID's per medicaid day efficiency incentive determined under division (E) of this section;

(4) Until fiscal year 2015, the ICF/IID's return on net equity determined under division (H)(F) of this section.

~~Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using the straight line method over a period designated by the director of job and family services in rules adopted under section 5111.02 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department of job and family services. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in costs of ownership or renovation unless that part of the payment under sections 5111.20 to 5111.331 of the Revised Code is used to reimburse the government agency.~~

~~(B) The department of job and family services shall pay to a provider for each of the provider's eligible intermediate care facilities for the mentally retarded an efficiency incentive equal to fifty per cent of the difference between any desk-reviewed, actual, allowable cost of ownership and the applicable limit on cost of ownership payments under division (C) of this section. For purposes of computing the efficiency incentive, depreciation for costs paid or reimbursed by any government agency shall be considered as a cost of ownership, and the applicable limit under division (C) of this section shall apply both to facilities with more than eight beds and facilities with eight or fewer beds. The efficiency incentive paid to a provider for a facility with eight or fewer beds shall not exceed three dollars per patient day, adjusted annually for the inflation rate for the twelve-month period beginning on the first day of July of the calendar year preceding the calendar year that precedes the fiscal year for which the efficiency incentive is determined and ending on the thirtieth day of the following June, using the consumer price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics.~~

(D)(1) Beginning January 1, 1981, regardless of the original date of licensure, the ~~department of job and family services shall pay a payment rate for the per diem capitalized costs of nonextensive renovations to intermediate care facilities for the mentally retarded made after January 1, 1981, to a qualifying ICF/IID, shall not exceeding exceed~~ payment rate for the per diem capitalized costs of nonextensive renovations to intermediate care facilities for the mentally retarded made after January 1, 1981, to a qualifying ICF/IID, shall not exceed six dollars per ~~patient~~ patient ~~medicaid~~ medicaid day using 1980 as the base year and adjusting the amount annually until June 30, 1993, for fluctuations in construction costs calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift. The payment rate shall be further adjusted in accordance with division (G) of this section. The payment provided for in this division is the only payment that shall be made for ~~the an ICF/IID's~~ an ICF/IID's capitalized costs of a nonextensive ~~renovation of an intermediate care facility for the mentally retarded renovations.~~ renovations. ~~Nonextensive renovation costs~~ Costs of nonextensive renovations shall not be included in ~~cost~~ costs of ownership; and a ~~nonextensive renovation~~ shall not affect the date of licensure for purposes of division (B) or (C) of this section. This division applies to nonextensive renovations regardless of whether they are made by an owner or a lessee. If the tenancy of a lessee that has made nonextensive renovations ends before the depreciation expense for the ~~renovation~~ renovations costs of nonextensive renovations has been fully reported, the former lessee shall not report the undepreciated balance as an expense.

~~For a nonextensive renovation to qualify~~ (2) An ICF/IID qualifies for a payment under this division, both for costs of nonextensive renovations if all of the following conditions must be met apply:

~~(1)(a)~~ (a) Either of the following applies:

(i) The ICF/IID has more than eight beds and either the department approved the nonextensive renovation before July 1, 2013, or the nonextensive renovation is part of a project that results in the ICF/IID becoming a downsized ICF/IID or partially converted ICF/IID.

(ii) The ICF/IID has eight or fewer beds.

(b) At least five years have elapsed since the ICF/IID's date of licensure or date of an extensive renovation of the portion of the facility ICF/IID that is proposed to be nonextensively renovated, except that this condition does not apply if unless the nonextensive renovation is necessary to meet the requirements of federal, state, or local statutes, ordinances, rules, or policies.

~~(2)(c)~~ The provider has obtained prior approval from the department of job and family services. The provider shall submit of the ICF/IID does both of the following:

(i) Submits to the department a plan that describes in detail the changes

in capital assets to be accomplished by means of the nonextensive renovation and the timetable for completing the project. ~~The time for completion of the project, which shall be no not more than eighteen months after the nonextensive renovation begins;~~

(ii) Obtains prior approval from the department for the nonextensive renovation. The

(3) The director of ~~job and family services~~ developmental disabilities shall adopt rules under section ~~5111.02~~ 5124.03 of the Revised Code that specify criteria and procedures for prior approval of nonextensive renovation and extensive renovation projects. No provider shall separate a project with the intent to evade the characterization of the project as a nonextensive renovation or as an extensive renovation. No provider shall increase the scope of a project after it is approved by the department of ~~job and family services~~ unless the increase in scope is approved by the department.

(E)(1) Subject to division (E)(2) of this section, an ICF/IID's per medicaid day efficiency incentive payment rate shall equal the following percentage of the difference between the ICF/IID's desk-reviewed, actual, allowable per diem costs of ownership and the applicable limit on costs of ownership payment rates established by division (B) of this section:

(a) In the case of an ICF/IID with more than eight beds, the following percentage:

(i) Fifty per cent for fiscal year 2014;

(ii) Fifty per cent for fiscal year 2015 and each fiscal year thereafter if the provider of the ICF/IID obtains the department's approval to become a downsized ICF/IID and the approval is conditioned on the downsizing being completed not later than July 1, 2018;

(iii) Twenty-five per cent;

(b) In the case of an ICF/IID with eight or fewer beds, fifty per cent.

(2) The efficiency incentive payment rate for an ICF/IID with eight or fewer beds shall not exceed three dollars per medicaid day, adjusted annually in accordance with division (G) of this section. For the purpose of determining an ICF/IID's efficiency incentive payment rate, both of the following apply:

(a) Depreciation for costs paid or reimbursed by any government agency shall be considered as a cost of ownership;

(b) The applicable limit under division (B) of this section shall apply both to ICFs/IID with more than eight beds and ICFs/IID with eight or fewer beds.

(F) An ICF/IID's return on net equity shall be determined at the rate of

one and one-half times the average of interest rates on special issues of public debt obligations issued to the federal hospital insurance trust fund for the cost reporting period. In determining an ICF/IID's rate for return on net equity, the department shall use the greater of the ICF/IID's inpatient days during the applicable cost reporting period or the number of inpatient days the ICF/IID would have had during that period if the ICF/IID's occupancy rate had been ninety-five per cent. No ICF/IID's rate for return on net equity shall exceed one dollar per medicaid day. No ICF/IID's rate for capital costs shall include a rate for return on net equity beginning July 1, 2014.

(G) The amounts specified in divisions (B), (C) ~~and~~, (D), and (E) of this section shall be adjusted beginning July 1, 1993, for the estimated inflation rate for the twelve-month period beginning on the first day of July of the calendar year immediately preceding the calendar year that immediately precedes the fiscal year for which rate will be paid and ending on the thirtieth day of the following June, using the consumer price index for shelter costs for all urban consumers for the ~~north-central~~ midwest region, as published by the United States bureau of labor statistics.

~~(F)(1) For facilities of eight or fewer beds that have dates of licensure or have been granted project authorization by the department of developmental disabilities before July 1, 1993, and for facilities of eight or fewer beds that have dates of licensure or have been granted project authorization after that date if the providers of the facilities demonstrate that they made substantial commitments of funds on or before that date, cost of ownership shall not exceed eighteen dollars and thirty cents per resident per day. The eighteen-dollar and thirty-cent amount shall be increased by the change in the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift, during the period beginning June 30, 1990, and ending July 1, 1993, and by the change in the consumer price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics, annually thereafter.~~

~~(2) For facilities with eight or fewer beds that have dates of licensure or have been granted project authorization by the department of developmental disabilities on or after July 1, 1993, for which substantial commitments of funds were not made before that date, cost of ownership payments shall not exceed the applicable amount calculated under division (F)(1) of this section, if the department of job and family services gives prior approval for construction of the facility. If the department does not give prior approval, cost of ownership payments shall not exceed the amount specified in division (C) of this section.~~

~~(F)~~(H) Notwithstanding divisions (C) and (D) and (F)(1) and (2) of this section, the total payment rate for cost costs of ownership, cost of ownership efficiency incentive, and capitalized costs of nonextensive renovations, and the efficiency incentive for an intermediate care facility for the mentally retarded ICF/IID with eight or fewer beds shall not exceed the sum of the limitations specified in divisions (C) and (D) of this section.

~~(G)~~ Notwithstanding any provision of this section or section 5111.241 of the Revised Code, the director of job and family services may adopt rules under section 5111.02 of the Revised Code that provide for a calculation of a combined maximum payment limit for indirect care costs and cost of ownership for intermediate care facilities for the mentally retarded with eight or fewer beds.

~~(H)~~ The department of job and family services shall pay a provider for each of the provider's eligible proprietary intermediate care facilities for the mentally retarded a return on the facility's net equity computed at the rate of one and one half times the average of interest rates on special issues of public debt obligations issued to the federal hospital insurance trust fund for the cost reporting period. No facility's return on net equity paid under this division shall exceed one dollar per patient day.

In calculating the rate for return on net equity, the department shall use the greater of the facility's inpatient days during the applicable cost reporting period or the number of inpatient days the facility would have had during that period if its occupancy rate had been ninety five per cent.

(I)(1) For the purpose of determining ICFs/IID's medicaid payment rates for capital costs:

(a) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department.

(b) Components and equipment shall be depreciated using the straight line method over a period designated by the director of developmental disabilities in rules adopted under section 5124.03 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department.

(2) Any rules authorized by division (I)(1) of this section that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in costs of ownership or costs of nonextensive renovations unless that part of the payment under this chapter is used to reimburse the government agency.

~~(J)~~(1) Except as provided in division ~~(H)~~(J)(2) of this section, if a provider leases or transfers an interest in ~~a facility~~ an ICF/IID to another

provider who is a related party, the related party's allowable ~~cost~~ costs of ownership shall include the lesser of the following:

(a) The annual lease expense or actual cost of ownership, whichever is applicable;

(b) The reasonable cost to the lessor or provider making the transfer.

(2) If a provider leases or transfers an interest in ~~a facility~~ an ICF/IID to another provider who is a related party, regardless of the date of the lease or transfer, the related party's allowable cost of ownership shall include the annual lease expense or actual cost of ownership, whichever is applicable, subject to the limitations specified in divisions (B) to ~~(H)(I)~~ of this section, if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) In the case of a lease, if the lessor retains any ownership interest, it is, except as provided in division ~~(H)(J)(2)(d)(ii)~~ of this section, in only the real property and any improvements on the real property;

(c) In the case of a transfer, the provider making the transfer retains, except as provided in division ~~(H)(J)(2)(d)(iv)~~ of this section, no ownership interest in the ~~facility~~ ICF/IID;

(d) The department ~~of job and family services~~ determines that the lease or transfer is an arm's length transaction pursuant to rules adopted under section ~~5111.02~~ 5124.03 of the Revised Code. The rules shall provide that a lease or transfer is an arm's length transaction if all of the following, as applicable, apply:

(i) In the case of a lease, once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division ~~(H)(J)(2)(b)~~ of this section, the ~~facility~~ ICF/IID itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a lessor.

(ii) In the case of a lease, the lessor does not reacquire an interest in the ~~facility~~ ICF/IID except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the ~~facility~~ ICF/IID in this manner, the department shall treat the ~~facility~~ ICF/IID as if the lease never occurred when the department ~~calculates~~ determines its ~~reimbursement rates~~ payment rate for capital costs.

(iii) In the case of a transfer, once the transfer goes into effect, the provider that made the transfer has no direct or indirect interest in the provider that acquires the ~~facility~~ ICF/IID or the ~~facility~~ ICF/IID itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a creditor.

(iv) In the case of a transfer, the provider that made the transfer does not

reacquire an interest in the ~~facility~~ ICF/IID except through the exercise of a creditor's rights in the event of a default. If the provider reacquires an interest in the ~~facility~~ ICF/IID in this manner, the department shall treat the ~~facility~~ ICF/IID as if the transfer never occurred when the department ~~calculates~~ determines its ~~reimbursement rates~~ payment rate for capital costs.

(v) The lease or transfer satisfies any other criteria specified in the rules.

(e) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor or provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same ~~facility~~ ICF/IID, allowable cost of ownership was determined most recently under this division.

~~Sec. 5111.23~~ 5124.19. (A) ~~The~~ (1) ~~For each fiscal year, the department of job and family services developmental disabilities shall pay a provider for determine each of the provider's eligible intermediate care facilities for the mentally retarded a ICF/IID's per resident per medicaid day payment rate for direct care costs established prospectively for each facility. The department shall establish each facility's rate for direct care costs quarterly as follows:~~

(a) Multiply the lesser of the following by the ICF/IID's annual average case-mix score determined or assigned under section 5124.192 of the Revised Code for the calendar year immediately preceding the fiscal year for which the rate will be paid:

(i) The ICF/IID's cost per case-mix unit for the calendar year immediately preceding the fiscal year for which the rate will be paid, as determined under division (B) of this section;

(ii) The maximum cost per case-mix unit for the ICF/IID's peer group for the fiscal year for which the rate will be paid, as set under division (C) of this section;

(b) Adjust the product determined under division (A)(1)(a) of this section by the inflation rate estimated under division (D)(1) of this section and modified under division (D)(2) of this section.

(2) Except as otherwise directed by law enacted by the general assembly, the department shall determine each ICF/IID's rate for direct care costs prospectively.

~~(B) Each facility's rate for direct care costs shall be based on the facility's cost per case-mix unit, subject to the maximum costs per case-mix unit established under division (B)(2) of this section, from the calendar year preceding the fiscal year in which the rate is paid. To determine the rate, the department shall do all of the following:~~

~~(1) Determine each facility's an ICF/IID's cost per case-mix unit for the calendar year immediately preceding the fiscal year in which the rate will be~~

paid by ~~dividing~~, the facility's department shall divide the ICF/IID's desk-reviewed, actual, allowable, per diem direct care costs for that calendar year by its annual average case-mix score determined under section ~~5111.232~~ 5124.192 of the Revised Code for the same calendar year.

~~(2)(a)~~ Set (C)(1) For each fiscal year for which a rate will be paid, the department shall set the maximum cost per case-mix unit for each peer group of ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with more than eight beds ~~specified in rules adopted under division (F) of this section~~ at a percentage above the cost per case-mix unit ~~of determined under division (B) of this section for the facility ICF/IID in the peer group that has the peer group's median number of medicaid day days for the calendar year immediately preceding the fiscal year in which the rate will be paid, as calculated under division (B)(1) of this section, that is.~~ The percentage shall be no less than the percentage calculated under division (E)(2) of this section above the cost per case-mix unit determined under division (B) of this section for the ICF/IID that has the median number of medicaid days for calendar year 1992 for all ICFs/IID with more than eight beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid days for such ICFs/IID for calendar year 1992.

~~(b)~~ Set (2) For each fiscal year for which a rate will be paid, the department shall set the maximum cost per case-mix unit for each peer group of ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with eight or fewer beds ~~specified in rules adopted under division (F) of this section~~ at a percentage above the cost per case-mix unit ~~of determined under division (B) of this section for the facility ICF/IID in the peer group that has the peer group's median number of medicaid day days for the calendar year immediately preceding the fiscal year in which the rate will be paid, as calculated under division (B)(1) of this section, that is.~~ The percentage shall be no less than the percentage calculated under division (E)(3) of this section above the cost per case-mix unit determined under division (B) of this section for the ICF/IID that has the median number of medicaid days for calendar year 1992 for all ICFs/IID with eight or fewer beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid days for such ICFs/IID for calendar year 1992.

~~(c)~~ (3) In ~~calculating~~ determining the maximum cost per case-mix unit under divisions ~~(B)(2)(a)~~ (C)(1) and ~~(b)~~ (2) of this section for each peer group, the department shall exclude from its ~~calculations~~ determinations the cost per case-mix unit of any ~~facility~~ ICF/IID in the peer group that

participated in the medicaid program under the same ~~operator~~ provider for less than twelve months during the calendar year immediately preceding the fiscal year in which the rate will be paid.

~~(3) Estimate~~ (4) The department shall not reset a peer group's maximum cost per case-mix unit for a fiscal year under division (C)(1) or (2) of this section based on additional information that it receives after it sets the maximum for that fiscal year. The department shall reset a peer group's maximum cost per case-mix unit for a fiscal year only if it made an error in setting the maximum for that fiscal year based on information available to the department at the time it originally sets the maximum for that fiscal year.

~~(D)(1) The department shall estimate the rate of inflation for the eighteen-month period beginning on the first day of July of the calendar year preceding the fiscal year in which the a rate will be paid and ending on the thirty-first day of December of the fiscal year in which the rate will be paid, using the index specified in division (C) of this section. If the estimated inflation rate for the eighteen-month period is different from the actual inflation rate for that period, as measured using the same index, the difference shall be added to or subtracted from the inflation rate estimated under division (B)(3) of this section for the following fiscal year.~~

~~(4) The department shall not recalculate a maximum cost per case-mix unit under division (B)(2) of this section or a percentage under division (E) of this section based on additional information that it receives after the maximum costs per case-mix unit or percentages are set. The department shall recalculate a maximum cost per case-mix units or percentage only if it made an error in computing the maximum cost per case-mix unit or percentage based on information available at the time of the original calculation.~~

~~(C) The department shall use the following index for the purpose of division (B)(3) of this section:~~

~~(1) The (a) Subject to division (D)(1)(b) of this section, the employment cost index for total compensation, health ~~services~~ care and social assistance component, published by the United States bureau of labor statistics;~~

~~(2)(b) If the United States bureau of labor statistics ceases to publish the index specified in division (C)(D)(1)(a) of this section, the index that is subsequently published by the bureau and covers ~~nursing facilities'~~ the staff costs of ICFs/IID.~~

~~(D) Each facility's rate for direct care costs shall be determined as follows for each calendar quarter within a fiscal year:~~

~~(1) Multiply the lesser of the following by the facility's average case-mix score determined under section 5111.232 of the Revised Code for~~

~~the calendar quarter that preceded the immediately preceding calendar quarter:~~

~~(a) The facility's cost per case-mix unit for the calendar year preceding the fiscal year in which the rate will be paid, as determined under division (B)(1) of this section;~~

~~(b) The maximum cost per case-mix unit established for the fiscal year in which the rate will be paid for the facility's peer group under division (B)(2) of this section;~~

~~(2) Adjust the product determined under division (D)(1) of this section by the inflation rate estimated under division (B)(3) of this section.~~

~~(E)(1) The department shall calculate the percentage above the median cost per case-mix unit determined under division (B)(1) of this section for the facility that has the median medicaid day for calendar year 1992 for all intermediate care facilities for the mentally retarded with more than eight beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid days for such facilities for calendar year 1992.~~

~~(2) The department shall calculate the percentage above the median cost per case-mix unit determined under division (B)(1) of this section for the facility that has the median medicaid day for calendar year 1992 for all intermediate care facilities for the mentally retarded with eight or fewer beds that would result in payment of all desk-reviewed, actual, allowable direct care costs for eighty and one-half per cent of the medicaid days for such facilities for calendar year 1992.~~

~~(F)(2) If the estimated inflation rate for the eighteen-month period specified in division (D)(1) of this section is different from the actual inflation rate for that period, as measured using the same index, the difference shall be added to or subtracted from the inflation rate estimated under division (D)(1) of this section for the following fiscal year.~~

~~(E) The director of job and family services developmental disabilities shall adopt rules under section ~~5111.02~~ 5124.03 of the Revised Code that specify peer groups of ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with more than eight beds and ~~intermediate care facilities for the mentally retarded~~ peer groups of ICFs/IID with eight or fewer beds, based on findings of significant per diem direct care cost differences due to geography and facility bed-size. The rules also may specify peer groups based on findings of significant per diem direct care cost differences due to other factors which may include case-mix.~~

~~(G) The department, in accordance with division (D) of section ~~5111.232~~ of the Revised Code and rules adopted under division (F) of that~~

~~section, may assign case-mix scores or costs per case-mix unit if a provider fails to submit assessment data necessary to calculate an intermediate care facility for the mentally retarded's case-mix score in accordance with that section.~~

Sec. 5124.191. Each calendar quarter, each ICF/IID provider shall compile complete assessment data for each resident of each of the provider's ICFs/IID, regardless of payment source, who is in the ICF/IID, or on hospital or therapeutic leave from the ICF/IID, on the last day of the quarter. A resident assessment instrument specified in rules adopted under section 5124.03 of the Revised Code shall be used to compile the resident assessment data. Each provider shall submit the resident assessment data to the department of developmental disabilities not later than fifteen days after the end of the calendar quarter for which the data is compiled. The resident assessment data shall be submitted to the department through the medium or media specified in rules adopted under section 5124.03 of the Revised Code.

Sec. 5124.192. (A) Except as provided in division (B) of this section, the department of developmental disabilities shall do both of the following:

(1) For each calendar quarter, determine a case-mix score for each ICF/IID using the resident assessment data submitted to the department under section 5124.191 of the Revised Code and the grouper methodology prescribed in rules authorized by this section;

(2) After the end of each calendar year and in accordance with rules authorized by this section, determine an annual average case-mix score for each ICF/IID using the ICF/IID's quarterly case-mix scores for that calendar year.

(B)(1) Subject to division (B)(2) of this section, the department, for one or more months of a calendar quarter, may assign to an ICF/IID a case-mix score that is five per cent less than the ICF/IID's case-mix score for the immediately preceding calendar quarter if any of the following apply:

(a) The provider does not timely submit complete and accurate resident assessment data necessary to determine the ICF/IID's case-mix score for the calendar quarter;

(b) The ICF/IID was subject to an exception review under section 5124.193 of the Revised Code for the immediately preceding calendar quarter;

(c) The ICF/IID was assigned a case-mix score for the immediately preceding calendar quarter.

(2) Before assigning a case-mix score to an ICF/IID due to the submission of incorrect resident assessment data, the department shall permit the provider to correct the data. The department may assign the

case-mix score if the provider fails to submit the corrected resident assessment data not later than forty-five days after the end of the calendar quarter to which the data pertains or later due date specified in rules authorized by this section.

(3) If, for more than six months during a calendar year, a provider is paid a rate determined for an ICF/IID using a case-mix score assigned to the ICF/IID under division (B)(1) of this section, the department may assign the ICF/IID a cost per case-mix unit that is five per cent less than the ICF/IID's actual or assigned cost per case-mix unit for the immediately preceding calendar year. The department may use the assigned cost per case-mix unit, instead of determining the ICF/IID's actual cost per case-mix unit in accordance with section 5124.19 of the Revised Code, to establish the ICF/IID's rate for direct care costs for the fiscal year immediately following the calendar year for which the cost per case-mix unit is assigned.

(4) The department shall take action under division (B)(1), (2), or (3) of this section only in accordance with rules authorized by this section. The department shall not take an action that affects medicaid payment rates for prior payment periods except in accordance with sections 5124.41 and 5124.42 of the Revised Code.

(C) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

(1) The rules shall do all of the following:

(a) Prescribe a grouper methodology to be used when determining the case-mix scores for ICFs/IID;

(b) Specify the process for determining the annual average case-mix scores for ICFs/IID;

(c) Establish procedures under which resident assessment data is to be reviewed for accuracy and providers are to be notified of any data that requires correction;

(d) Establish procedures for providers to correct resident assessment data and, if necessary, specify a due date for corrections that is later than the due date specified in division (B)(2) of this section.

(e) Specify when and how the department will assign a case-mix score or cost per case-mix unit to an ICF/IID under division (B) of this section if information necessary to calculate the ICF/IID's case-mix score is not provided or corrected in accordance with the procedures established by the rules.

(2) Notwithstanding any other provision of this chapter, the rules may provide for excluding case-mix scores assigned to an ICF/IID under division (B) of this section from the determination of the ICF/IID's annual average

case-mix score and the maximum cost per case-mix unit for the ICF/IID's peer group.

Sec. 5124.193. (A) The department of developmental disabilities may, pursuant to rules authorized by this section, conduct an exception review of resident assessment data submitted by an ICF/IID provider under section 5124.191 of the Revised Code. The department may conduct an exception review based on the findings of a medicaid certification survey conducted by the department of health, a risk analysis, or prior performance of the provider.

Exception reviews shall be conducted at the ICF/IID by appropriate health professionals under contract with or employed by the department. The professionals may review resident assessment forms and supporting documentation, conduct interviews, and observe residents to identify any patterns or trends of inaccurate resident assessments and resulting inaccurate case-mix scores.

(B) If an exception review is conducted before the effective date of an ICF/IID's rate for direct care costs that is based on the resident assessment data being reviewed and the review results in findings that exceed tolerance levels specified in the rules authorized by this section, the department, in accordance with the rules authorized by this section, may use the findings to redetermine individual resident case-mix scores, the ICF/IID's case-mix score for the quarter, and the ICF/IID's annual average case-mix score. The department may use the ICF/IID's redetermined quarterly and annual average case-mix scores to determine the ICF/IID's rate for direct care costs for the appropriate calendar quarter or quarters.

(C) The department shall prepare a written summary of any exception review finding that is made after the effective date of an ICF/IID's rate for direct care costs that is based on the resident assessment data that was reviewed. Where the provider is pursuing judicial or administrative remedies in good faith regarding the finding, the department shall not withhold from the provider's current payments any amounts the department claims to be due from the provider pursuant to section 5124.41 of the Revised Code.

(D)(1) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section. The rules shall establish an exception review program that does all of the following:

(a) Requires each exception review to comply with Title XIX;

(b) Requires a written summary for each exception review that states whether resident assessment forms have been completed accurately;

(c) Prohibits each health professional who conducts an exception review from doing either of the following:

(i) During the period of the professional's contract or employment with the department, having or being committed to acquire any direct or indirect financial interest in the ownership, financing, or operation of ICFs/IID in this state:

(ii) Reviewing any provider that has been a client of the professional.

(2) For the purposes of division (D)(1)(c)(i) of this section, employment of a member of a health professional's family by an ICF/IID that the professional does not review does not constitute a direct or indirect financial interest in the ownership, financing, or operation of the ICF/IID.

~~Sec. 5111.233~~ 5124.194. The costs of day programming shall be part of the direct care costs of an ~~intermediate care facility for the mentally retarded~~ ICF/IID as off-site day programming if the area in which the day programming is provided is not certified by the director of health as an ~~intermediate care facility for the mentally retarded~~ ICF/IID under Title XIX and regardless of either of the following:

(A) Whether or not the area in which the day programming is provided is less than two hundred feet away from the ~~intermediate care facility for the mentally retarded~~ ICF/IID;

(B) Whether or not the day programming is provided by an individual who, or organization that, is a related party to the provider of the ~~intermediate care facility for the mentally retarded~~ ICF/IID.

~~Sec. 5111.241~~ 5124.21. (A) ~~The~~ For each fiscal year, the department of job and family services developmental disabilities shall pay a provider for determine each of the provider's eligible intermediate care facilities for the mentally retarded a ICF/IID's per resident per medicaid day payment rate for indirect care costs established prospectively each fiscal year for each facility. The ~~Except as otherwise provided in this chapter, an ICF/IID's rate shall be determined prospectively. Subject to section 5124.28 of the Revised Code, an ICF/IID's rate for each intermediate care facility for the mentally retarded shall be the sum of the following, but shall not exceed lesser of the individual rate determined under division (B) of this section and the maximum rate established determined for the facility's ICF/IID's peer group under division (B)(C) of this section.~~

(B) An ICF/IID's individual rate is the sum of the following:

(1) The ~~facility's~~ ICF/IID's desk-reviewed, actual, allowable, per diem indirect care costs from the calendar year immediately preceding the fiscal year in which the rate will be paid, adjusted for the inflation rate estimated under division ~~(C)~~(D)(1) of this section;

(2) ~~Am~~ If the ICF/IID has more than eight beds, an efficiency incentive in the following amount:

(a) For fiscal years ending in even-numbered calendar years:

~~(i) In the case of intermediate care facilities for the mentally retarded with more than eight beds, year 2014,~~ seven and one-tenth per cent of the maximum rate established for the facility's ICF/IID's peer group under division (B)(C) of this section;

~~(ii) In the case of intermediate care facilities for the mentally retarded with~~ (b) For fiscal year 2015, the following amount:

(i) The amount calculated for fiscal year 2014 under division (B)(2)(a) of this section if the provider of the ICF/IID obtains the department's approval to become a downsized ICF/IID and the approval is conditioned on the downsizing being completed not later than July 1, 2018;

(ii) One-half of the amount calculated for fiscal year 2014 under division (B)(2)(a) of this section if division (B)(2)(b)(i) of this section does not apply to the ICF/IID.

(c) For fiscal year 2016 and each fiscal year thereafter ending in an even-numbered calendar year, the following percentages of the maximum rate established for the ICF/IID's peer group under division (C) of this section:

(i) Seven and one-tenth per cent if the provider of the ICF/IID obtains the department's approval to become a downsized ICF/IID and the approval is conditioned on the downsizing being completed not later than July 1, 2018;

(ii) Three and fifty-five hundredths per cent if division (B)(2)(c)(i) of this section does not apply to the ICF/IID.

(d) For fiscal year 2017 and each fiscal year thereafter ending in an odd-numbered calendar year, the amount calculated for the immediately preceding fiscal year under division (B)(2)(c) of this section.

(3) If the ICF/IID has eight or fewer beds, an efficiency incentive in the following amount:

(a) For each fiscal year ending in an even-numbered calendar year, seven per cent of the maximum rate established for the facility's ICF/IID's peer group under division (B)(C) of this section;

(b) For each fiscal years year ending in an odd-numbered calendar years year, the amount calculated for the immediately preceding fiscal year under division (A)(2)(B)(3)(a) of this section.

~~(B)(C)(1) The maximum rate for indirect care costs for each peer group of intermediate care facilities for the mentally retarded ICFs/IID with more than eight beds specified in rules adopted under division (D) of this section~~

shall be determined as follows:

(a) For each fiscal ~~years~~ year ending in an even-numbered calendar ~~years~~ year, the maximum rate for each such peer group shall be the rate that is no less than twelve and four-tenths per cent above the median desk-reviewed, actual, allowable, per diem indirect care cost for all ~~intermediate care facilities for the mentally retarded with more than eight beds~~ ICFs/IID in the peer group; (excluding facilities ICFs/IID in the peer group whose indirect care costs for that period are more than three standard deviations from the mean desk-reviewed, actual, allowable, per diem indirect care cost for all ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with more than eight beds;) for the calendar year immediately preceding the fiscal year in which the rate will be paid, adjusted by the inflation rate estimated under division ~~(C)~~(D)(1) of this section.

(b) For each fiscal ~~years~~ year ending in an odd-numbered calendar ~~years~~ year, the maximum rate for each such peer group is the peer group's maximum rate for the previous fiscal year, adjusted for the inflation rate estimated under division ~~(C)~~(D)(2) of this section.

(2) The maximum rate for indirect care costs for each peer group of ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with eight or fewer beds ~~specified in rules adopted under division (D) of this section~~ shall be determined as follows:

(a) For each fiscal ~~years~~ year ending in an even-numbered calendar ~~years~~ year, the maximum rate for each such peer group shall be the rate that is no less than ten and three-tenths per cent above the median desk-reviewed, actual, allowable, per diem indirect care cost for all ~~intermediate care facilities for the mentally retarded with eight or fewer beds~~ ICFs/IID in the peer group; (excluding facilities ICFs/IID in the peer group whose indirect care costs are more than three standard deviations from the mean desk-reviewed, actual, allowable, per diem indirect care cost for all ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with eight or fewer beds;) for the calendar year immediately preceding the fiscal year in which the rate will be paid, adjusted by the inflation rate estimated under division ~~(C)~~(D)(1) of this section.

(b) For each fiscal ~~years that end~~ year ending in an odd-numbered calendar ~~years~~ year, the maximum rate for each such peer group is the peer group's maximum rate for the previous fiscal year, adjusted for the inflation rate estimated under division ~~(C)~~(D)(2) of this section.

(3) The department shall not ~~recalculate~~ redetermine a maximum rate for indirect care costs under division ~~(B)~~(C)(1) or (2) of this section based on additional information that it receives after the maximum rate is set. The

department shall ~~recalculate~~ redetermine the maximum rate for indirect care costs only if it made an error in computing the maximum rate based on the information available to the department at the time of the original calculation.

~~(C)~~(D)(1) When adjusting rates for inflation under divisions ~~(A)~~(B)(1), ~~(B)~~(C)(1)(a), and ~~(B)~~(C)(2)(a) of this section, the department shall estimate the rate of inflation for the eighteen-month period beginning on the first day of July of the calendar year immediately preceding the fiscal year in which the rate will be paid and ending on the thirty-first day of December of the fiscal year in which the rate will be paid. To estimate the rate of inflation, the department shall use the following:

(a) ~~The~~ Subject to division (D)(1)(b) of this section, the consumer price index for all items for all urban consumers for the ~~north-central~~ midwest region, published by the United States bureau of labor statistics;

(b) If the United States bureau of labor statistics ceases to publish the index specified in division ~~(C)~~(D)(1)(a) of this section, a comparable index that the bureau publishes and the department determines is appropriate.

(2) When adjusting rates for inflation under divisions ~~(B)~~(C)(1)(b) and ~~(B)~~(C)(2)(b) of this section, the department shall estimate the rate of inflation for the twelve-month period beginning on the first day of January of the fiscal year immediately preceding the fiscal year in which the rate will be paid and ending on the thirty-first day of December of the fiscal year in which the rate will be paid. To estimate the rate of inflation, the department shall use the following:

(a) ~~The~~ Subject to division (D)(2)(b) of this section, the consumer price index for all items for all urban consumers for the ~~north-central~~ midwest region, published by the United States bureau of labor statistics;

(b) If the United States bureau of labor statistics ceases to publish the index specified in division ~~(C)~~(D)(2)(a) of this section, a comparable index that the bureau publishes and the department determines is appropriate.

(3) If an inflation rate estimated under division ~~(C)~~(D)(1) or (2) of this section is different from the actual inflation rate for the relevant time period, as measured using the same index, the difference shall be added to or subtracted from the inflation rate estimated pursuant to this division for the following fiscal year.

~~(D)~~(E) The director of ~~job and family services~~ developmental disabilities shall adopt rules under section ~~5444.02~~ 5124.03 of the Revised Code that specify peer groups of ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with more than eight beds; and peer groups of ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with eight or

fewer beds, based on findings of significant per diem indirect care cost differences due to geography and facility bed-size. The rules also may specify peer groups based on findings of significant per diem indirect care cost differences due to other factors, including case-mix.

~~Sec. 5111.235~~ 5124.23. (A) ~~The~~ For each fiscal year, the department of ~~job and family services~~ developmental disabilities shall ~~pay a provider for~~ determine each of the provider's ~~eligible intermediate care facilities for the~~ mentally retarded a ICF/IID's per resident per medicaid day payment rate for other protected costs ~~established prospectively each fiscal year for each facility.~~ Except as otherwise provided in this chapter, an ICF/IID's rate shall be determined prospectively. An ICF/IID's rate for each facility shall be the facility's ICF/IID's desk-reviewed, actual, allowable, per diem other protected costs from the calendar year immediately preceding the fiscal year in which the rate will be paid, all adjusted for the estimated inflation rate for the eighteen-month period beginning on the first day of July of the calendar year immediately preceding the fiscal year in which the rate will be paid and ending on the thirty-first day of December of that fiscal year. The department shall estimate inflation using the index specified in division (B) of this section. If the estimated inflation rate for the eighteen-month period is different from the actual inflation rate for that period, the difference shall be added to or subtracted from the inflation rate estimated for the following year.

(B) The department shall use the following index for the purpose of division (A) of this section:

(1) ~~The~~ Subject to division (B)(2) of this section, the consumer price index for all urban consumers for nonprescription drugs and medical supplies, as published by the United States bureau of labor statistics;

(2) If the United States bureau of labor statistics ceases to publish the index specified in division (B)(1) of this section, the index that is subsequently published by the bureau and covers nonprescription drugs and medical supplies.

Sec. 5124.25. (A) Subject to division (D) of this section, the department of developmental disabilities may pay a medicaid rate add-on to an ICF/IID provider for outlier ICF/IID services the ICF/IID provides to qualifying ventilator-dependent residents on or after the effective date of this section, if the provider applies to the department of developmental disabilities to receive the rate add-on and the department approves the application. The department of developmental disabilities may approve a provider's application if both of the following apply:

(1) The provider submits to the department of developmental disabilities

a best practices protocol for providing outlier ICF/IID services under this section and the department of developmental disabilities determines that the protocol is acceptable;

(2) The provider and ICF/IID meet all other eligibility requirements for the rate add-on established in rules authorized by this section.

(B) An ICF/IID that has been approved by the department of developmental disabilities to provider outlier ICF/IID services under this section shall provide the services in accordance with both of the following:

(1) The best practices protocol the department of developmental disabilities determined is acceptable;

(2) Requirements regarding the services established in rules authorized by this section.

(C) To qualify to receive outlier ICF/IID services from an ICF/IID under this section, a resident of the ICF/IID must be a medicaid recipient, be under twenty-two years of age, be dependent on a ventilator, and meet all other eligibility requirements established in rules authorized by this section.

(D) The department of developmental disabilities shall negotiate the amount of the medicaid payment rate add-on, if any, to be paid under this section, or the method by which that amount is to be determined, with the department of medicaid. The department of developmental disabilities shall not pay the rate add-on unless the department of medicaid has approved the amount of the rate add-on or method by which the amount is to be determined.

Sec. 5124.28. Notwithstanding any provision of section 5124.17 or 5124.21 of the Revised Code, the director of developmental disabilities may adopt rules under section 5124.03 of the Revised Code that provide for the determination of a combined maximum payment limit for indirect care costs and costs of ownership for ICFs/IID with eight or fewer beds.

~~Sec. 5111.263~~ 5124.29. Except as otherwise provided in section ~~5111.264~~ 5124.30 of the Revised Code, the department of ~~job and family services~~ developmental disabilities, in determining whether an ~~intermediate care facility for the mentally retarded's~~ ICF/IID's direct care costs and indirect care costs are allowable, shall place no limit on specific categories of reasonable costs other than compensation of owners, compensation of relatives of owners, and compensation of administrators.

Compensation cost limits for owners and relatives of owners shall be based on compensation costs for individuals who hold comparable positions but who are not owners or relatives of owners, as reported on ~~facility~~ ICFs/IID's cost reports. As used in this section, "comparable position" means the position that is held by the owner or the owner's relative, if that

position is listed separately on the cost report form, or if the position is not listed separately, the group of positions that is listed on the cost report form and that includes the position held by the owner or the owner's relative. In the case of an owner or owner's relative who serves the ~~facility~~ ICFs/IID in a capacity such as corporate officer, proprietor, or partner for which no comparable position or group of positions is listed on the cost report form, the compensation cost limit shall be based on civil service equivalents and shall be specified in rules adopted under section ~~5111.02~~ 5124.03 of the Revised Code.

Compensation cost limits for administrators shall be based on compensation costs for administrators who are not owners or relatives of owners, as reported on ~~facility~~ ICFs/IID's cost reports. Compensation cost limits for administrators of four or more ~~intermediate care facilities for the mentally retarded~~ ICFs/IID shall be the same as the limits for administrators of ~~intermediate care facilities for the mentally retarded~~ ICFs/IID with one hundred fifty or more beds.

Sec. 5124.30. Except as provided in section 5124.17 of the Revised Code, the costs of goods, services, and facilities, furnished to an ICF/IID provider by a related party are includable in the allowable costs of the provider at the reasonable cost to the related party.

Sec. 5124.31. The department of developmental disabilities shall adjust medicaid payment rates determined under this chapter to account for reasonable additional costs that must be incurred by ICFs/IID to comply with requirements of federal or state statutes, rules, or policies enacted or amended after January 1, 1992, or with orders issued by state or local fire authorities.

Sec. 5124.32. The department of developmental disabilities shall not reduce an ICF/IID's medicaid payment rate determined under this chapter on the basis that the provider charges a lower rate to any resident who is not eligible for medicaid.

Sec. 5124.33. No medicaid payment shall be made to an ICF/IID provider for the day a medicaid recipient is discharged from the ICF/IID.

Sec. ~~5111.33~~ 5124.34. Reimbursement to a (A) The department of developmental disabilities shall pay an ICF/IID provider of an intermediate care facility for the mentally retarded under sections 5111.20 to 5111.331 of the Revised Code shall include payments to the provider, at a rate equal to the percentage one hundred per cent of the per resident total per medicaid day rates that the department of job and family services has established payment rate determined for the provider's facility ICF/IID under sections 5111.20 to 5111.331 of the Revised Code for the fiscal year for which the

~~cost of services is reimbursed, this chapter~~ to reserve a bed for a resident who is a medicaid recipient during a temporary absence under conditions prescribed by the department, to include hospitalization for an acute condition, visits with relatives and friends, and participation in therapeutic programs outside the facility, when the if all of the following apply:

(1) The recipient is temporarily absent from the ICF/IID for a reason that makes the absence qualified for payments under this section as specified in rules authorized by this section;

(2) The resident's plan of care provides for such the absence and federal;

(3) Federal financial participation in the payments is available for the payments. The

(B) The maximum period during which medicaid payments may be made to reserve a bed shall not exceed the maximum period specified under in federal regulations; and shall not be more than thirty days during any calendar year for hospital stays, visits with relatives and friends, and participation in therapeutic programs.

Recipients programs. However, a resident shall not be subject to a maximum period during which payments may be made to reserve a bed in an intermediate care facility for the mentally retarded if prior authorization of the department is obtained for hospital stays, visits with relatives and friends, and participation in therapeutic programs. The

(C)(1) The director of job and family services developmental disabilities shall adopt rules under section 5111.02 5124.03 of the Revised Code establishing as necessary to implement this section, including rules that do the following:

(a) Specify the reasons for which a temporary absence from an ICF/IID makes the absence qualify for payments under this section;

(b) Establish conditions under which prior authorization may be obtained for the purpose of division (B) of this section.

(2) The rules authorized by division (C)(1)(a) of this section shall include the following as reasons for which a temporary absence from an ICF/IID qualifies for payments under this section:

(a) Hospitalization for acute conditions;

(b) Visits with relatives and friends;

(c) Participation in therapeutic programs outside the ICF/IID.

Sec. 5124.35. Medicaid payments may be made for ICF/IID services provided not later than thirty days after the effective date of an involuntary termination of the ICF/IID that provides the services if the services are provided to a medicaid recipient who is eligible for the services and resided in the ICF/IID before the effective date of the involuntary termination.

Sec. 5124.37. The department of developmental disabilities shall make its best efforts each year to determine ICFs/IID's medicaid payment rates under this chapter in time to pay the rates by August fifteenth of each fiscal year. If the department is unable to calculate the rates so that they can be paid by that date, the department shall pay each provider the rate calculated for the provider's ICFs/IID under those sections at the end of the previous fiscal year. If the department also is unable to calculate the rates to make the payments due by the fifteenth day of September and the fifteenth day of October, the department shall pay the previous fiscal year's rate to make those payments. The department may increase by five per cent the previous fiscal year's rate paid for any ICF/IID pursuant to this section at the request of the provider. The department shall use rates calculated for the current fiscal year to make the payments due by the fifteenth day of November.

If an ICF/IID's medicaid payment rate paid under this section is lower than the rate calculated for it for the current fiscal year, the department shall pay the provider the difference between the two rates for the number of days for which the provider is paid the lower rate. If an ICF/IID's medicaid payment rate paid under this section is higher than the rate calculated for it for the current fiscal year, the provider shall refund to the department the difference between the two rates for the number of days for which the provider is paid the higher rate.

Sec. 5124.38. (A) The director of developmental disabilities shall establish a process under which an ICF/IID provider, or a group or association of ICF/IID providers, may seek reconsideration of medicaid payment rates established under this chapter, including a rate for direct care costs redetermined before the effective date of the rate as a result of an exception review conducted under section 5124.193 of the Revised Code. Except as provided in divisions (B) to (D) of this section, the only issue that a provider, group, or association may raise in the rate reconsideration is whether the rate was calculated in accordance with this chapter and the rules adopted under section 5124.03 of the Revised Code. The provider, group, or association may submit written arguments or other materials that support its position. The provider, group, or association and department shall take actions regarding the rate reconsideration within time frames specified in rules authorized by this section.

If the department determines, as a result of the rate reconsideration, that the rate established for one or more ICFs/IID is less than the rate to which the ICF/IID is entitled, the department shall increase the rate. If the department has paid the incorrect rate for a period of time, the department shall pay the provider of the ICF/IID the difference between the amount the

provider was paid for that period for the ICF/IID and the amount the provider should have been paid for the ICF/IID.

(B)(1) The department, through the rate reconsideration process, may increase during a fiscal year the medicaid payment rate determined for an ICF/IID under this chapter if the provider demonstrates that the ICF/IID's actual, allowable costs have increased because of any of the following extreme circumstances:

(a) A natural disaster;

(b) A nonextensive renovation approved under division (D) of section 5124.17 of the Revised Code;

(c) If the ICF/IID has an appropriate claims management program, an increase in the ICF/IID's workers' compensation experience rating of greater than five per cent;

(d) If the ICF/IID is an inner-city ICF/IID, increased security costs;

(e) A change of ownership that results from bankruptcy, foreclosure, or findings by the department of health of violations of medicaid certification requirements;

(f) Other extreme circumstances specified in rules authorized by this section.

(2) An ICF/IID may qualify for a rate increase under this division only if its per diem, actual, allowable costs have increased to a level that exceeds its total rate. An increase under this division is subject to any rate limitations or maximum rates established by this chapter for specific cost centers. Any rate increase granted under this division shall take effect on the first day of the first month after the department receives the request.

(C) The department, through the rate reconsideration process, may increase an ICF/IID's rate as determined under this chapter if the department, in the department's sole discretion, determines that the rate as determined under those sections works an extreme hardship on the ICF/IID.

(D) When beds certified for the medicaid program are added to an existing ICF/IID or replaced at the same site, the department, through the rate reconsideration process, may increase the ICF/IID's rate for capital costs proportionately, as limited by any applicable limitation under section 5124.17 of the Revised Code, to account for the costs of the beds that are added or replaced. If the department makes this increase, it shall make the increase one month after the first day of the month after the department receives sufficient documentation of the costs. Any rate increase granted under this division after June 30, 1993, shall remain in effect until the effective date of a rate for capital costs determined under section 5124.17 of the Revised Code that includes costs incurred for a full calendar year for the

bed addition or bed replacement. The ICF/IID shall report double accumulated depreciation in an amount equal to the depreciation included in the rate adjustment on its cost report for the first year of operation. During the term of any loan used to finance a project for which a rate adjustment is granted under this division, if the ICF/IID is operated by the same provider, the provider shall subtract from the interest costs it reports on its cost report an amount equal to the difference between the following:

(1) The actual, allowable interest costs for the loan during the calendar year for which the costs are being reported;

(2) The actual, allowable interest costs attributable to the loan that were used to calculate the rates paid to the provider for the ICF/IID during the same calendar year.

(E) The department's decision at the conclusion of the reconsideration process is not subject to any administrative proceedings under Chapter 119, or any other provision of the Revised Code.

(F) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

Sec. 5124.40. If an ICF/IID provider properly amends a cost report for an ICF/IID under section 5124.107 of the Revised Code and the amended report shows that the provider received a lower medicaid payment rate under the original cost report than the provider was entitled to receive, the department of developmental disabilities shall adjust the provider's rate for the ICF/IID prospectively to reflect the corrected information. The department shall pay the adjusted rate beginning two months after the first day of the month after the provider files the amended cost report.

If the department finds, from an exception review of resident assessment data conducted pursuant to section 5124.193 of the Revised Code after the effective date of an ICF/IID's rate for direct care costs that is based on the resident assessment data, that inaccurate resident assessment data resulted in the provider receiving a lower rate for the ICF/IID than the provider was entitled to receive, the department prospectively shall adjust the provider's rate for the ICF/IID accordingly. The department shall make payments to the provider using the adjusted rate for the remainder of the calendar quarter for which the resident assessment data is used to determine the rate, beginning one month after the first day of the month after the exception review is completed.

Sec. 5124.41. (A) The department of developmental disabilities shall redetermine a provider's medicaid payment rate for an ICF/IID using revised information if any of the following results in a determination that the provider received a higher medicaid payment rate for the ICF/IID than the

provider was entitled to receive:

(1) The provider properly amends a cost report for the ICF/IID under section 5124.107 of the Revised Code;

(2) The department makes a finding based on an audit under section 5124.109 of the Revised Code;

(3) The department makes a finding based on an exception review of resident assessment data conducted under section 5124.193 of the Revised Code after the effective date of the ICF/IID's rate for direct care costs that is based on the resident assessment data.

(B) The department shall apply the redetermined rate to the periods when the provider received the incorrect rate to determine the amount of the overpayment. The provider shall refund the amount of the overpayment. The department may charge the provider the following amount of interest from the time the overpayment was made:

(1) If the overpayment resulted from costs reported for calendar year 1993, the interest shall be not greater than one and one-half times the current average bank prime rate.

(2) If the overpayment resulted from costs reported for a subsequent calendar year:

(a) The interest shall be not greater than two times the current average bank prime rate if the overpayment was not more than one per cent of the total medicaid payments to the provider for the fiscal year for which the incorrect information was used to determine a rate.

(b) The interest shall be not greater than two and one-half times the current average bank prime rate if the overpayment was more than one per cent of the total medicaid payments to the provider for the fiscal year for which the incorrect information was used to determine a rate.

Sec. 5124.42. In addition to the other penalties authorized by this chapter, the department of developmental disabilities may impose the following penalties on an ICF/IID provider:

(A) If the provider does not furnish invoices or other documentation that the department requests during an audit within sixty days after the request, a fine of not more than the greater of the following:

(1) One thousand dollars per audit;

(2) Twenty-five per cent of the cumulative amount by which the costs for which documentation was not furnished increased the total medicaid payments to the provider during the fiscal year for which the costs were used to determine a rate.

(B) If an exiting operator or owner fails to provide notice of a facility closure or voluntary termination as required by section 5124.50 of the

Revised Code, or an exiting operator or owner and entering operator fail to provide notice of a change of operator as required by section 5124.51 of the Revised Code, a fine of not more than the current average bank prime rate plus four per cent of the last two monthly payments.

Sec. 5124.43. For the purposes of sections 5124.41 and 5124.42 of the Revised Code, the department of developmental disabilities shall determine the current average bank prime rate using statistical release H.15, "selected interest rates," a weekly publication of the federal reserve board, or any successor publication. If statistical release H.15, or its successor, ceases to contain the bank prime rate information or ceases to be published, the department shall request a written statement of the average bank prime rate from the federal reserve bank of Cleveland or the federal reserve board.

Sec. 5124.44. (A) Except as provided in division (B) of this section, the department of developmental disabilities shall deduct the following from the next available medicaid payment the department makes to an ICF/IID provider who continues to participate in medicaid:

(1) Any amount the provider is required to refund, and any interest charged, under section 5124.41 of the Revised Code;

(2) The amount of any penalty imposed on the provider under section 5124.42 of the Revised Code.

(B) The department and an ICF/IID provider may enter into an agreement under which a deduction required by division (A) of this section is taken in installments from payments the department makes to the provider.

Sec. 5124.45. The department of developmental disabilities shall transmit to the treasurer of state for deposit in the general revenue fund amounts collected from the following:

(A) Refunds required by, and interest charged under, section 5124.41 of the Revised Code;

(B) Amounts collected from penalties imposed under section 5124.42 of the Revised Code.

Sec. 5124.46. All of the following are subject to an adjudication conducted in accordance with Chapter 119. of the Revised Code:

(A) Any audit disallowance that the department of developmental disabilities makes as the result of an audit under section 5124.109 of the Revised Code;

(B) Any adverse finding that results from an exception review of resident assessment data conducted for an ICF/IID under section 5124.193 of the Revised Code after the effective date of the ICF/IID's medicaid payment rate for direct care costs that is based on the resident assessment

data:

(C) Any medicaid payment deemed an overpayment under section 5124.523 of the Revised Code;

(D) Any penalty the department imposes under section 5124.42 of the Revised Code or section 5124.523 of the Revised Code.

Sec. 5124.50. An exiting operator or owner of an ICF/IID participating in the medicaid program shall provide the department of developmental disabilities and department of medicaid written notice of a facility closure or voluntary termination not less than ninety days before the effective date of the facility closure or voluntary termination. The written notice shall be provided to the department of developmental disabilities and department of medicaid in accordance with the method specified in rules authorized by section 5124.53 of the Revised Code.

The written notice shall include all of the following:

(A) The name of the exiting operator and, if any, the exiting operator's authorized agent;

(B) The name of the ICF/IID that is the subject of the written notice;

(C) The exiting operator's medicaid provider agreement number for the ICF/IID that is the subject of the written notice;

(D) The effective date of the facility closure or voluntary termination;

(E) The signature of the exiting operator's or owner's representative.

Sec. 5124.51. (A) An exiting operator or owner and entering operator shall provide the department of developmental disabilities and department of medicaid written notice of a change of operator if the ICF/IID participates in the medicaid program and the entering operator seeks to continue the ICF/IID's participation. The written notice shall be provided to the department of developmental disabilities and department of medicaid in accordance with the method specified in rules authorized by section 5124.53 of the Revised Code. The written notice shall be provided to the department of developmental disabilities and department of medicaid not later than forty-five days before the effective date of the change of operator if the change of operator does not entail the relocation of residents. The written notice shall be provided to the department of developmental disabilities and department of medicaid not later than ninety days before the effective date of the change of operator if the change of operator entails the relocation of residents.

The written notice shall include all of the following:

(1) The name of the exiting operator and, if any, the exiting operator's authorized agent;

(2) The name of the ICF/IID that is the subject of the change of

operator:

(3) The exiting operator's seven-digit medicaid legacy number and ten-digit national provider identifier number for the ICF/IID that is the subject of the change of operator;

(4) The name of the entering operator;

(5) The effective date of the change of operator;

(6) The manner in which the entering operator becomes the ICF/IID's operator, including through sale, lease, merger, or other action;

(7) If the manner in which the entering operator becomes the ICF/IID's operator involves more than one step, a description of each step;

(8) Written authorization from the exiting operator or owner and entering operator for the department of medicaid to process a provider agreement for the entering operator;

(9) The names and addresses of the persons to whom the department of developmental disabilities and department of medicaid should send initial correspondence regarding the change of operator;

Sec. 5124.52. (A) On receipt of a written notice under section 5124.50 of the Revised Code of a facility closure or voluntary termination, on receipt of a written notice under section 5124.51 of the Revised Code of a change of operator, or on the effective date of an involuntary termination, the department of developmental disabilities shall estimate the amount of any overpayments made under the medicaid program to the exiting operator, including overpayments the exiting operator disputes, and other actual and potential debts the exiting operator owes or may owe to the department and United States centers for medicare and medicaid services under the medicaid program, including a franchise permit fee.

(B) In estimating the exiting operator's other actual and potential debts to the department and the United States centers for medicare and medicaid services under the medicaid program, the department shall use a debt estimation methodology the director of developmental disabilities shall establish in rules authorized by section 5124.53 of the Revised Code. The department's written notice shall include the basis for the estimate.

Sec. 5124.521. (A) Except as provided in divisions (B), (C), and (D) of this section, the department of developmental disabilities may withhold from payment due an exiting operator under the medicaid program the total amount specified in the notice provided under division (C) of section 5124.52 of the Revised Code that the exiting operator owes or may owe to the department and United States centers for medicare and medicaid services under the medicaid program.

(B) In the case of a change of operator and subject to division (E) of this section, the following shall apply regarding a withholding under division (A) of this section if the exiting operator or entering operator or an affiliated operator executes a successor liability agreement meeting the requirements of division (F) of this section:

(1) If the exiting operator, entering operator, or affiliated operator assumes liability for the total, actual amount of debt the exiting operator owes the department and the United States centers for medicare and medicaid services under the medicaid program as determined under section 5124.525 of the Revised Code, the department shall not make the withholding.

(2) If the exiting operator, entering operator, or affiliated operator assumes liability for only the portion of the amount specified in division (B)(1) of this section that represents the franchise permit fee the exiting operator owes, the department shall withhold not more than the difference between the total amount specified in the notice provided under division (C) of section 5124.52 of the Revised Code and the amount for which the exiting operator, entering operator, or affiliated operator assumes liability.

(C) In the case of a voluntary termination or facility closure and subject to division (E) of this section, the following shall apply regarding a withholding under division (A) of this section if the exiting operator or an affiliated operator executes a successor liability agreement meeting the requirements of division (F) of this section:

(1) If the exiting operator or affiliated operator assumes liability for the total, actual amount of debt the exiting operator owes the department and the United States centers for medicare and medicaid services under the medicaid program as determined under section 5124.525 of the Revised Code, the department shall not make the withholding.

(2) If the exiting operator or affiliated operator assumes liability for only the portion of the amount specified in division (C)(1) of this section that represents the franchise permit fee the exiting operator owes, the department shall withhold not more than the difference between the total amount specified in the notice provided under division (C) of section 5124.52 of the Revised Code and the amount for which the exiting operator or affiliated operator assumes liability.

(D) In the case of an involuntary termination and subject to division (E) of this section, the following shall apply regarding a withholding under division (A) of this section if the exiting operator, the entering operator, or an affiliated operator executes a successor liability agreement meeting the requirements of division (F) of this section and the department approves the successor liability agreement:

(1) If the exiting operator, entering operator, or affiliated operator assumes liability for the total, actual amount of debt the exiting operator owes the department and the United States centers for medicare and medicaid services under the medicaid program as determined under section 5124.525 of the Revised Code, the department shall not make the withholding.

(2) If the exiting operator, entering operator, or affiliated operator assumes liability for only the portion of the amount specified in division (D)(1) of this section that represents the franchise permit fee the exiting operator owes, the department shall withhold not more than the difference between the total amount specified in the notice provided under division (C) of section 5124.52 of the Revised Code and the amount for which the exiting operator, entering operator, or affiliated operator assumes liability.

(E) For an exiting operator or affiliated operator to be eligible to enter into a successor liability agreement under division (B), (C), or (D) of this section, both of the following must apply:

(1) The exiting operator or affiliated operator must have one or more

valid provider agreements, other than the provider agreement for the ICF/IID that is the subject of the involuntary termination, voluntary termination, facility closure, or change of operator;

(2) During the twelve-month period preceding either the effective date of the involuntary termination or the month in which the department receives the notice of the voluntary termination or facility closure under section 5124.50 of the Revised Code or the notice of the change of operator under section 5124.51 of the Revised Code, the average monthly medicaid payment made to the exiting operator or affiliated operator pursuant to the exiting operator's or affiliated operator's one or more provider agreements, other than the provider agreement for the ICF/IID that is the subject of the involuntary termination, voluntary termination, facility closure, or change of operator, must equal at least ninety per cent of the sum of the following:

(a) The average monthly medicaid payment made to the exiting operator pursuant to the exiting operator's provider agreement for the ICF/IID that is the subject of the involuntary termination, voluntary termination, facility closure, or change of operator;

(b) Whichever of the following apply:

(i) If the exiting operator or affiliated operator has assumed liability under one or more other successor liability agreements, the total amount for which the exiting operator or affiliated operator has assumed liability under the other successor liability agreements;

(ii) If the exiting operator or affiliated operator has not assumed liability under any other successor liability agreements, zero.

(F) A successor liability agreement executed under this section must comply with all of the following:

(1) It must provide for the operator who executes the successor liability agreement to assume liability for either of the following as specified in the agreement:

(a) The total, actual amount of debt the exiting operator owes the department and the United States centers for medicare and medicaid services under the medicaid program as determined under section 5124.525 of the Revised Code;

(b) The portion of the amount specified in division (F)(1)(a) of this section that represents the franchise permit fee the exiting operator owes.

(2) It may not require the operator who executes the successor liability agreement to furnish a surety bond.

(3) It must provide that the department, after determining under section 5124.525 of the Revised Code the actual amount of debt the exiting operator owes the department and United States centers for medicare and medicaid

services under the medicaid program, may deduct the lesser of the following from medicaid payments made to the operator who executes the successor liability agreement:

(a) The total, actual amount of debt the exiting operator owes the department and the United States centers for medicare and medicaid services under the medicaid program as determined under section 5124.525 of the Revised Code;

(b) The amount for which the operator who executes the successor liability agreement assumes liability under the agreement.

(4) It must provide that the deductions authorized by division (F)(3) of this section are to be made for a number of months, not to exceed six, agreed to by the operator who executes the successor liability agreement and the department or, if the operator who executes the successor liability agreement and department cannot agree on a number of months that is less than six, a greater number of months determined by the attorney general pursuant to a claims collection process authorized by statute of this state.

(5) It must provide that, if the attorney general determines the number of months for which the deductions authorized by division (F)(3) of this section are to be made, the operator who executes the successor liability agreement shall pay, in addition to the amount collected pursuant to the attorney general's claims collection process, the part of the amount so collected that, if not for division (H) of this section, would be required by section 109.081 of the Revised Code to be paid into the attorney general claims fund.

(G) Execution of a successor liability agreement does not waive an exiting operator's right to contest the amount specified in the notice the department provides the exiting operator under division (C) of section 5124.52 of the Revised Code.

(H) Notwithstanding section 109.081 of the Revised Code, the entire amount that the attorney general, whether by employees or agents of the attorney general or by special counsel appointed pursuant to section 109.08 of the Revised Code, collects under a successor liability agreement, other than the additional amount the operator who executes the agreement is required by division (F)(5) of this section to pay, shall be paid to the department of developmental disabilities for deposit into the appropriate fund. The additional amount that the operator is required to pay shall be paid into the state treasury to the credit of the attorney general claims fund created under section 109.081 of the Revised Code.

Sec. 5124.522. (A) Except as provided in division (B) of this section, an exiting operator shall file with the department of developmental disabilities

a cost report not later than ninety days after the last day the exiting operator's provider agreement is in effect. The cost report shall cover the period that begins with the day after the last day covered by the operator's most recent previous cost report filed under section 5124.10 or 5124.101 of the Revised Code and ends on the last day the exiting operator's provider agreement is in effect. The cost report shall include, as applicable, all of the following:

(1) The sale price of the ICF/IID;

(2) A final depreciation schedule that shows which assets are transferred to the buyer and which assets are not transferred to the buyer;

(3) Any other information the department requires.

(B) The department, at its sole discretion, may waive the requirement that an exiting operator file a cost report in accordance with division (A) of this section.

Sec. 5124.523. If an exiting operator required by section 5124.522 of the Revised Code to file a cost report with the department of developmental disabilities fails to file the cost report in accordance with that section, all payments under the medicaid program for the period the cost report is required to cover are deemed overpayments until the date the department receives the properly completed cost report. The department may impose on the exiting operator a penalty of one hundred dollars for each calendar day the properly completed cost report is late.

Sec. 5124.524. The department of developmental disabilities may not provide an exiting operator final payment under the medicaid program until the department receives all properly completed cost reports the exiting operator is required to file under sections 5124.10 and 5124.522 of the Revised Code.

Sec. 5124.525. The department of developmental disabilities shall determine the actual amount of debt an exiting operator owes the department and the United States centers for medicare and medicaid services under the medicaid program by completing all final fiscal audits not already completed and performing all other appropriate actions the department determines to be necessary. The department shall issue an initial debt summary report on this matter not later than sixty days after the date the exiting operator files the properly completed cost report required by section 5124.522 of the Revised Code with the department or, if the department waives the cost report requirement for the exiting operator, sixty days after the date the department waives the cost report requirement. The initial debt summary report becomes the final debt summary report thirty-one days after the department issues the initial debt summary report unless the exiting

operator, or an affiliated operator who executes a successor liability agreement under section 5124.521 of the Revised Code, requests a review before that date.

The exiting operator, and an affiliated operator who executes a successor liability agreement under section 5124.521 of the Revised Code, may request a review to contest any of the department's findings included in the initial debt summary report. The request for the review must be submitted to the department not later than thirty days after the date the department issues the initial debt summary report. The department shall conduct the review on receipt of a timely request and issue a revised debt summary report. If the department has withheld money from payment due the exiting operator under division (A) of section 5124.521 of the Revised Code, the department shall issue the revised debt summary report not later than ninety days after the date the department receives the timely request for the review unless the department and exiting operator or affiliated operator agree to a later date. The exiting operator or affiliated operator may submit information to the department explaining what the operator contests before and during the review, including documentation of the amount of any debt the department owes the operator. The exiting operator or affiliated operator may submit additional information to the department not later than thirty days after the department issues the revised debt summary report. The revised debt summary report becomes the final debt summary report thirty-one days after the department issues the revised debt summary report unless the exiting operator or affiliated operator timely submits additional information to the department. If the exiting operator or affiliated operator timely submits additional information to the department, the department shall consider the additional information and issue a final debt summary report not later than sixty days after the department issues the revised debt summary report unless the department and exiting operator or affiliated operator agree to a later date.

Each debt summary report the department issues under this section shall include the department's findings and the amount of debt the department determines the exiting operator owes the department and United States centers for medicare and medicaid services under the medicaid program. The department shall explain its findings and determination in each debt summary report.

The exiting operator, and an affiliated operator who executes a successor liability agreement under section 5124.521 of the Revised Code, may request, in accordance with Chapter 119. of the Revised Code, an adjudication regarding a finding in a final debt summary report that pertains

to an audit or alleged overpayment made under the medicaid program to the exiting operator. The adjudication shall be consolidated with any other uncompleted adjudication that concerns a matter addressed in the final debt summary report.

Sec. 5124.526. The department of developmental disabilities shall release the actual amount withheld under division (A) of section 5124.521 of the Revised Code, less any amount the exiting operator owes the department and United States centers for medicare and medicaid services under the medicaid program, as follows:

(A) Unless the department issues the initial debt summary report required by section 5124.525 of the Revised Code not later than sixty days after the date the exiting operator files the properly completed cost report required by section 5124.522 of the Revised Code, sixty-one days after the date the exiting operator files the properly completed cost report;

(B) If the department issues the initial debt summary report required by section 5124.525 of the Revised Code not later than sixty days after the date the exiting operator files a properly completed cost report required by section 5124.522 of the Revised Code, not later than the following:

(1) Thirty days after the deadline for requesting an adjudication under section 5124.525 of the Revised Code regarding the final debt summary report if the exiting operator, and an affiliated operator who executes a successor liability agreement under section 5124.521 of the Revised Code, fail to request the adjudication on or before the deadline;

(2) Thirty days after the completion of an adjudication of the final debt summary report if the exiting operator, or an affiliated operator who executes a successor liability agreement under section 5124.521 of the Revised Code, requests the adjudication on or before the deadline for requesting the adjudication.

(C) Unless the department issues the initial debt summary report required by section 5124.525 of the Revised Code not later than sixty days after the date the department waives the cost report requirement of section 5124.522 of the Revised Code, sixty-one days after the date the department waives the cost report requirement;

(D) If the department issues the initial debt summary report required by section 5124.525 of the Revised Code not later than sixty days after the date the department waives the cost report requirement of section 5124.522 of the Revised Code, not later than the following:

(1) Thirty days after the deadline for requesting an adjudication under section 5124.525 of the Revised Code regarding the final debt summary report if the exiting operator, and an affiliated operator who executes a

successor liability agreement under section 5124.521 of the Revised Code, fail to request the adjudication on or before the deadline;

(2) Thirty days after the completion of an adjudication of the final debt summary report if the exiting operator, or an affiliated operator who executes a successor liability agreement under section 5124.521 of the Revised Code, requests the adjudication on or before the deadline for requesting the adjudication.

Sec. 5124.527. The department of developmental disabilities, at its sole discretion, may release the amount withheld under division (A) of section 5124.521 of the Revised Code if the exiting operator submits to the department written notice of a postponement of a change of operator, facility closure, or voluntary termination and the transactions leading to the change of operator, facility closure, or voluntary termination are postponed for at least thirty days but less than ninety days after the date originally proposed for the change of operator, facility closure, or voluntary termination as reported in the written notice required by section 5124.50 or 5124.51 of the Revised Code. The department shall release the amount withheld if the exiting operator submits to the department written notice of a cancellation or postponement of a change of operator, facility closure, or voluntary termination and the transactions leading to the change of operator, facility closure, or voluntary termination are canceled or postponed for more than ninety days after the date originally proposed for the change of operator, facility closure, or voluntary termination as reported in the written notice required by section 5124.50 or 5124.51 of the Revised Code. A written notice shall be provided to the department in accordance with the method specified in rules authorized by section 5124.53 of the Revised Code.

After the department receives a written notice regarding a cancellation or postponement of a facility closure or voluntary termination, the exiting operator or owner shall provide new written notice to the department under section 5124.50 of the Revised Code regarding any transactions leading to a facility closure or voluntary termination at a future time. After the department receives a written notice regarding a cancellation or postponement of a change of operator, the exiting operator or owner and entering operator shall provide new written notice to the department under section 5124.51 of the Revised Code regarding any transactions leading to a change of operator at a future time.

Sec. 5124.528. (A) All amounts withheld under section 5124.521 of the Revised Code from payment due an exiting operator under the medicaid program shall be deposited into the medicaid payment withholding fund

created by the controlling board pursuant to section 131.35 of the Revised Code. Money in the fund shall be used as follows:

(1) To pay an exiting operator when a withholding is released to the exiting operator under section 5124.526 or 5124.527 of the Revised Code;

(2) To pay the department of medicaid or department of developmental disabilities, and United States centers for medicare and medicaid services, the amount an exiting operator owes the department of medicaid or department of developmental disabilities and United States centers under the medicaid program.

(B) Amounts paid from the medicaid payment withholding fund pursuant to division (A)(2) of this section shall be deposited into the appropriate fund.

Sec. 5124.53. The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code to implement sections 5124.50 to 5124.53 of the Revised Code. The rules shall specify all of the following:

(A) The method by which written notices to the department required by sections 5124.50 to 5124.53 of the Revised Code are to be provided;

(B) The forms and documents that are to be provided to the department under sections 5124.511 and 5124.512 of the Revised Code, which shall include, in the case of such forms and documents provided by entering operators, all the fully executed leases, management agreements, merger agreements and supporting documents, and fully executed sales contracts and any other supporting documents culminating in the change of operator;

(C) The method by which the forms and documents identified in division (B) of this section are to be provided to the department.

~~If an exception review is conducted before the effective date of the rate that is based on the case mix data subject to the review and the review results in findings that exceed tolerance levels specified in the rules adopted under this division, the department, in accordance with those rules, may use the findings to recalculate individual resident case mix scores, quarterly average facility case mix scores, and annual average facility case mix scores. The department may use the recalculated quarterly and annual facility average case mix scores to calculate the facility's rate for direct care costs for the appropriate calendar quarter or quarters.~~

~~(D) The department shall prepare a written summary of any audit disallowance or exception review finding that is made after the effective date of the rate that is based on the cost or case mix data. ~~(F) The department shall adjust the rates calculated under sections 5111.20 to 5111.331 of the Revised Code to account for reasonable additional costs that must be incurred by intermediate care facilities for the mentally retarded to comply with requirements of federal or state statutes, rules, or policies enacted or amended after January 1, 1992, or with orders issued by state or local fire authorities.~~

The decision whether to conduct an audit and the scope of the audit, which may be a desk or field audit, may be determined based on prior performance of the provider, a risk analysis, or other evidence that gives the department reason to believe that the provider has reported costs improperly. A desk or field audit may be performed annually, but is required whenever a provider does not pass the risk analysis tolerance factors.

(B) Audits shall be conducted by auditors under contract with the department, auditors working for firms under contract with the department, or auditors employed by the department.

~~(C) The total rate determined under division (B) of this section shall not be paid for nursing facility services provided to low resource utilization residents. Instead, the total rate for nursing facility services that a nursing facility provides to low resource utilization residents shall be one hundred thirty dollars per medicaid day.~~

~~(D)~~(B) In addition to paying a nursing facility provider the nursing facility's total rate determined under division ~~(B)~~ or ~~(C)~~(A) of this section for a fiscal year, the department shall pay the provider a quality bonus under section ~~5111.245~~ 5165.26 of the Revised Code for that fiscal year if the provider's nursing facility is a qualifying nursing facility, as defined in that section, for that fiscal year. The quality bonus shall not be part of the total rate.

Sec. ~~5111.254~~ 5165.151. (A) ~~The department of job and family services shall establish initial rates for a nursing facility with a first date of licensure that is on or after July 1, 2006, including a facility that replaces one or more existing facilities, or for a nursing facility with a first date of licensure before that date that was initially certified for the medicaid program on or after that date, total per medicaid day payment rate determined under section 5165.15 of the Revised Code shall not be the initial rate for nursing facility services provided by a new nursing facility. Instead, the initial total per medicaid day payment rate for nursing facility services provided by a new nursing facility shall be determined in the following manner:~~

(1) The initial rate for ancillary and support costs shall be the rate for the new nursing facility's peer group determined under division (D) of

section 5165.16 of the Revised Code.

(2) The initial rate for capital costs shall be the rate for the new nursing facility's peer group determined under division (D) of section 5165.17 of the Revised Code;

(3) The initial rate for direct care costs shall be the product of the cost per case-mix unit determined under division (D) of section 5111.231 5165.19 of the Revised Code for the new nursing facility's peer group and the new nursing facility's case-mix score determined under division (B) of this section. For the purpose of division (A)(1) of this section, the nursing facility's case-mix score shall be the following:

(a) Unless the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the replacement nursing facility begins participating in the medicaid program, the median annual average case-mix score for the nursing facility's peer group;

(b) If the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the replacement nursing facility begins participating in the medicaid program, the semiannual case-mix score most recently determined under section 5111.232 of the Revised Code for the replaced nursing facility as adjusted, if necessary, to reflect any difference in the number of beds in the replaced and replacement nursing facilities.

(2) The rate for ancillary and support costs shall be the rate for the facility's peer group determined under division (D) of section 5111.24 of the Revised Code.

(3) The rate for capital costs shall be the rate for the facility's peer group determined under division (D) of section 5111.25 of the Revised Code.

(4) The initial rate for tax costs shall be the median rate for tax costs for the new nursing facility's peer group in which the nursing facility is placed under division (C) of section 5111.24 5165.16 of the Revised Code.

(5) The quality incentive payment shall be the mean payment made to nursing facilities under section 5111.244 5165.25 of the Revised Code.

(B) For the purpose of division (A)(3) of this section, a new nursing facility's case-mix score shall be the following:

(1) Unless the new nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the new nursing facility begins participating in the medicaid program, the median annual average case-mix score for the new nursing facility's peer group;

(2) If the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the new nursing facility begins participating in the medicaid program, the semiannual

case-mix score most recently determined under section 5165.192 of the Revised Code for the replaced nursing facility as adjusted, if necessary, to reflect any difference in the number of beds in the replaced and new nursing facilities.

(C) Subject to division ~~(C)~~(D) of this section, the department shall adjust the rates established under division (A) of this section effective the first day of July, to reflect new rate calculations for all nursing facilities under ~~sections 5111.20 to 5111.331 of the Revised Code~~ this chapter.

~~(C)~~(D) If a rate for direct care costs is determined under this section for a new nursing facility using the median annual average case-mix score for the new nursing facility's peer group, the rate shall be redetermined to reflect the ~~replacement~~ new nursing facility's actual semiannual average case-mix score determined under section ~~5111.232~~ 5165.192 of the Revised Code after the new nursing facility submits its first two quarterly assessment data that qualify for use in calculating a case-mix score in accordance with rules authorized by ~~division (E) of section 5111.232~~ 5165.192 of the Revised Code. If the new nursing facility's quarterly submissions do not qualify for use in calculating a case-mix score, the department shall continue to use the median annual average case-mix score for the new nursing facility's peer group in lieu of the new nursing facility's semiannual case-mix score until the new nursing facility submits two consecutive quarterly assessment data that qualify for use in calculating a case-mix score.

Sec. 5165.152. The total per medicaid day payment rate determined under section 5165.15 of the Revised Code shall not be paid for nursing facility services provided to low resource utilization residents. Instead, the total rate for such nursing facility services shall be one hundred thirty dollars per medicaid day.

~~Sec. 5111.258~~ 5165.153. (A) ~~Notwithstanding sections 5111.20 to 5111.331 of the Revised Code (except section 5111.259 of the Revised Code), the director of job and family services shall adopt rules under section 5111.02 of the Revised Code that establish a methodology for calculating the prospective rates that will be paid each fiscal year to a provider for each of the provider's eligible nursing facilities and intermediate care facilities for the mentally retarded, and discrete units of the provider's nursing facilities or intermediate care facilities for the mentally retarded, that serve residents who have diagnoses~~ The total per medicaid day payment rate determined under section 5165.15 of the Revised Code shall not be paid for nursing facility services provided by a nursing facility, or discrete unit of a nursing facility, designated by the department of medicaid as an outlier nursing

facility or unit. Instead, the provider of a designated outlier nursing facility or unit shall be paid each fiscal year a total per medicaid day payment rate that the department shall prospectively determine in accordance with a methodology established in rules authorized by this section.

(B) The department may designate a nursing facility, or discrete unit of a nursing facility, as an outlier nursing facility or unit if the nursing facility or unit serves residents who have either of the following:

(1) Diagnoses or special care needs that require direct care resources that are not measured adequately by the applicable resident assessment instrument specified in rules authorized by section 5111.232 5165.191 of the Revised Code, or who have diagnoses;

(2) Diagnoses or special care needs specified in the rules authorized by this section as otherwise qualifying for consideration under this section. The facilities and units of facilities whose rates are established under this division may include, but shall not be limited to, any of the following:

(1) In the case of nursing facilities, facilities and units of facilities that serve medically fragile pediatric residents, residents who are dependent on ventilators, or residents who have severe traumatic brain injury, end-stage Alzheimer's disease, or end-stage acquired immunodeficiency syndrome;

(2) In the case of intermediate care facilities for the mentally retarded, facilities and units of facilities that serve residents who have complex medical conditions or severe behavioral problems.

The department shall use the methodology established under this division to pay for services rendered by such facilities and units after June 30, 1993.

(C) Notwithstanding any other provision of this chapter (except section 5165.156 of the Revised Code), the costs incurred by a designated outlier nursing facility or unit shall not be considered in establishing medicaid payment rates for other nursing facilities or units.

(D) The medicaid director shall adopt rules under section 5165.02 of the Revised Code as necessary to implement this section.

(1)(a) The rules authorized by this division shall specify do both of the following:

(i) Specify the criteria and procedures the department will apply when designating facilities and units that qualify for calculation of rates under this division a nursing facility, or discrete unit of a nursing facility, as an outlier nursing facility or unit;

(ii) Establish a methodology for prospectively determining the total per medicaid day payment rate that will be paid each fiscal year for nursing facility services provided by a designated outlier nursing facility or unit. The

(b) The rules authorized by division (D)(1)(a)(i) of this section regarding the criteria for designating outlier nursing facilities and units shall do both of the following:

(i) Provide for consideration of whether all of the allowable costs of ~~the~~ a nursing facility, or discrete unit of a nursing facility, would be paid by rates established a rate determined under sections 5111.20 to 5111.331 section 5165.15 of the Revised Code, and shall establish a:

(2)(a) The rules may require do both of the following:

(i) Include for designation as an outlier nursing facility or unit, a nursing facility, or discrete unit of a nursing facility, that serves medically fragile pediatric residents; residents who are dependent on ventilators; residents who have severe traumatic brain injury, end-stage Alzheimer's disease, or end-stage acquired immunodeficiency syndrome; or residents with other diagnoses or special care needs specified in the rules;

(ii) Require that a designated outlier nursing facility designated under this division or containing a unit designated under this division receive authorization from the department to admit before admitting or retain retaining a resident to the facility or unit and.

(b) If the director adopts rules authorized by division (D)(2)(a)(ii) of this section regarding the authorization of a designated outlier nursing facility or unit to admit or retain a resident, the rules shall specify the criteria and procedures the department will apply when granting that authorization.

~~Notwithstanding any other provision of sections 5111.20 to 5111.331 of~~

~~the Revised Code (except section 5111.259 of the Revised Code), the costs incurred by facilities or units whose rates are established under this division shall not be considered in establishing payment rates for other facilities or units.~~

~~(B) The director may adopt rules under section 5111.02 of the Revised Code under which the department, notwithstanding any other provision of sections 5111.20 to 5111.331 of the Revised Code (except section 5111.259 of the Revised Code), may adjust the rates determined under sections 5111.20 to 5111.331 of the Revised Code for a facility that serves a resident who has a diagnosis or special care need that, in the rules authorized by division (A) of this section, would qualify a facility or unit of a facility to have its rate determined under that division, but who is not in such a unit. The rules may require that a facility that qualifies for a rate adjustment under this division receive authorization from the department to admit or retain a resident who qualifies the facility for the rate adjustment and shall specify the criteria and procedures the department will apply when granting that authorization.~~

Sec. 5165.154. (A) To the extent, if any, provided for in rules authorized by this section, the total per medicaid day payment rate determined under section 5165.15 of the Revised Code shall not be paid for nursing facility services that a nursing facility not designated as an outlier nursing facility or unit provides to a resident who meets the criteria for admission to a designated outlier nursing facility or unit, as specified in rules authorized by section 5165.153 of the Revised Code. Instead, the provider of a nursing facility providing nursing facility services to such a resident shall be paid each fiscal year a total per medicaid day payment rate that the department of medicaid shall prospectively determine in accordance with a methodology established in rules authorized by this section.

(B) The medicaid director may adopt rules under section 5165.02 of the Revised Code to implement this section. The rules may require that a nursing facility receive authorization from the department before admitting or retaining a resident who meets the criteria for admission to a designated outlier nursing facility or unit. If the director adopts such rules, the rules shall specify the criteria and procedures the department will apply when granting the authorization.

~~Sec. 5111.225~~ 5165.155. (A) As used in this section:

~~"Dual eligible individual" has the same meaning as in section 1915(h)(2)(B) of the "Social Security Act," 124 Stat. 315 (2010), 42 U.S.C. 1396n(h)(2)(B).~~

The rules may specify the extent to which, if any, of the provisions of ~~section 5111.258~~ sections 5165.153 and 5165.154 of the Revised Code are to apply to the centers of excellence component. If such rules are adopted, the nursing facilities that provide nursing facility services to medicaid recipients participating in the centers of excellence component shall be paid for those services in accordance with the method established in the rules ~~notwithstanding anything to the contrary in sections 5111.20 to 5111.331~~ instead of the total per medicaid day payment rate determined under section 5165.15 of the Revised Code.

~~Sec. 5111.24~~ 5165.16. (A) As used in this section:

(1) "Applicable calendar year" means the following:

(a) For the purpose of the department of ~~job and family services'~~ medicaid's initial determination under division (D) of this section of each peer group's rate for ancillary and support costs, calendar year 2003;

(b) For the purpose of the department's rebasings, the calendar year the department selects.

(2) "Rebasing" means a redetermination under division (D) of this section of each peer ~~groups'~~ group's rate for ancillary and support costs using information from cost reports for an applicable calendar year that is later than the applicable calendar year used for the previous determination of such rates.

(B) The department of ~~job and family services~~ medicaid shall ~~pay a provider for~~ determine each of the ~~provider's eligible~~ nursing facilities ~~a facility's per resident per medicaid day payment rate for ancillary and support costs determined for the.~~ A nursing facility's peer group rate shall be the rate determined under division (D) of this section for the nursing facility's peer group. However, for the period beginning October 1, 2013, and ending on the first day of the first rebasing, the rate for a nursing facility located in Mahoning or Stark county shall be the rate determined for the following:

(1) If the nursing facility has fewer than one hundred beds, the nursing facilities in peer group three:

(2) If the nursing facility has one hundred or more beds, the nursing facilities in peer group four.

(C) For the purpose of determining nursing facilities' ~~rate~~ rates for ancillary and support costs, the department shall establish six peer groups.

~~Each~~ (1) Until the first rebasing occurs, the peer groups shall be composed as follows:

(a) Each nursing facility located in any of the following counties shall be placed in peer group one or two: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group one. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group two.

(b) Each nursing facility located in any of the following counties shall be placed in peer group three or four: Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, Lorain, Lucas, Madison, Marion, Medina, Miami, Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, Sandusky, Seneca, Summit, Union, and Wood. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group three. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group four.

(c) Each nursing facility located in any of the following counties shall be placed in peer group five or six: Adams, Allen, Ashland, Athens,

Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group five. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group six.

(2) Beginning with the first rebasing, the peer groups shall be composed as they are under division (C)(1) of this section except as follows:

(a) Each nursing facility that has fewer than one hundred beds and is located in Mahoning or Stark county shall be placed in peer group three rather than peer group five.

(b) Each nursing facility that has one hundred or more beds and is located in Mahoning or Stark county shall be placed in peer group four rather than peer group six.

(D)(1) The department shall determine the rate for ancillary and support costs for each peer group established under division (C) of this section. The department is not required to conduct a rebasing more than once every ten years. Except as necessary to implement the amendments made to this section by Am. Sub. H.B. 153 and Sub. H.B. 303, both of the 129th general assembly, the rate for ancillary and support costs determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. To determine a peer group's rate for ancillary and support costs, the department shall do all of the following:

(a) Subject to division (D)(2) of this section, determine the rate for ancillary and support costs for each nursing facility in the peer group for the applicable calendar year by using the greater of the nursing facility's actual inpatient days for the applicable calendar year or the inpatient days the nursing facility would have had for the applicable calendar year if its occupancy rate had been ninety per cent;

(b) Subject to division (D)(3) of this section, identify which nursing facility in the peer group is at the twenty-fifth percentile of the rate for ancillary and support costs for the applicable calendar year determined under division (D)(1)(a) of this section;

(c) Multiply the rate for ancillary and support costs determined under division (D)(1)(a) of this section for the nursing facility identified under division (D)(1)(b) of this section by the rate of inflation for the

eighteen-month period beginning on the first day of July of the applicable calendar year and ending the last day of December of the calendar year immediately following the applicable calendar year using the following:

(i) Until the first rebasing occurs, the consumer price index for all items for all urban consumers for the north central region, published by the United States bureau of labor statistics, as that index existed on July 1, 2005;

(ii) Effective with the first rebasing and except as provided in division (D)(1)(c)(iii) of this section, the consumer price index for all items for all urban consumers for the midwest region, published by the United States bureau of labor statistics;

(iii) If the United States bureau of labor statistics ceases to publish the index specified in division (D)(1)(c)(ii) of this section, the index the bureau subsequently publishes that covers urban consumers' prices for items for the region that includes this state.

(d) Until the first rebasing occurs, increase the amount calculated under division (D)(1)(c) of this section by five and eight hundredths per cent.

(2) For the purpose of determining a nursing facility's occupancy rate under division (D)(1)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity unless the nursing facility also removes the beds from its licensed bed capacity.

(3) In making the identification under division (D)(1)(b) of this section, the department shall exclude both of the following:

(a) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(b) Nursing facilities whose ancillary and support costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem ancillary and support cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(4) The department shall not redetermine a peer group's rate for ancillary and support costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for ancillary and support costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

Sec. ~~5111.25~~ 5165.17. (A) As used in this section:

(1) "Applicable calendar year" means the following:

(a) For the purpose of the department of ~~job and family services'~~ medicaid's initial determination under division (D) of this section of each peer group's rate for capital costs, calendar year 2003;

(b) For the purpose of the department's rebasings, the calendar year the department selects.

(2) "Rebasing" means a redetermination under division (D) of this section of each peer ~~groups'~~ group's rate for capital costs using information from cost reports for an applicable calendar year that is later than the applicable calendar year used for the previous determination of such rates.

(B) The department of ~~job and family services~~ medicaid shall ~~pay a provider for~~ determine each of the ~~provider's eligible~~ nursing facilities ~~a facility's per resident per medicaid day payment~~ rate for capital costs ~~determined for the~~. A nursing facility's peer group rate shall be the rate determined under division (D) of this section. However, for the period beginning October 1, 2013, and ending on the first day of the first rebasing, the rate for a nursing facility located in Mahoning or Stark county shall be the rate determined for the following:

(1) If the nursing facility has fewer than one hundred beds, the nursing facilities in peer group three:

(2) If the nursing facility has one hundred or more beds, the nursing facilities in peer group four.

(C) For the purpose of determining nursing facilities' ~~rate~~ rates for capital costs, the department shall establish six peer groups.

~~Each~~ (1) Until the first rebasing occurs, the peer groups shall be composed as follows:

(a) Each nursing facility located in any of the following counties shall be placed in peer group one or two: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group one. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group two.

(b) Each nursing facility located in any of the following counties shall be placed in peer group three or four: Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, Lorain, Lucas, Madison, Marion, Medina, Miami, Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, Sandusky, Seneca, Summit, Union, and Wood. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group three. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group four.

(c) Each nursing facility located in any of the following counties shall be placed in peer group five or six: Adams, Allen, Ashland, Athens,

Auglaize, Belmont, Carroll, Columbiana, Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, Lawrence, Logan, Mahoning, Meigs, Mercer, Monroe, Morgan, Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, Stark, Trumbull, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, and Wyandot. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group five. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group six.

(2) Beginning with the first rebasing, the peer groups shall be composed as they are under division (C)(1) of this section except as follows:

(a) Each nursing facility that has fewer than one hundred beds and is located in Mahoning or Stark county shall be placed in peer group three rather than peer group five.

(b) Each nursing facility that has one hundred or more beds and is located in Mahoning or Stark county shall be placed in peer group four rather than peer group six.

(D)(1) The department shall determine the rate for capital costs for each peer group established under division (C) of this section. The department is not required to conduct a rebasing more than once every ten years. Except as necessary to implement the amendments made to this section by Am. Sub. H.B. 153 and Sub. H.B. 303, both of the 129th general assembly, the rate for capital costs determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. To determine a peer group's rate for capital costs, the department shall do both of the following:

(a) Determine the rate for capital costs for the nursing facility in the peer group that is at the twenty-fifth percentile of the rate for capital costs for the applicable calendar year;

(b) Until the first rebasing occurs, increase the amount calculated under division (D)(1)(a) of this section by five and eight hundredths per cent.

(2) To identify the nursing facility in a peer group that is at the twenty-fifth percentile of the rate for capital costs for the applicable calendar year, the department shall do both of the following:

(a) Subject to division (D)(3) of this section, use the greater of each nursing facility's actual inpatient days for the applicable calendar year or the inpatient days the nursing facility would have had for the applicable calendar year if its occupancy rate had been one hundred per cent;

(b) Exclude both of the following:

(i) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(ii) Nursing facilities whose capital costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem capital cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(3) For the purpose of determining a nursing facility's occupancy rate under division (D)(2)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity after June 30, 2005, unless the nursing facility also removes the beds from its licensed bed capacity.

(4) The department shall not redetermine a peer group's rate for capital costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for capital costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

(E) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using the straight-line method over a period designated in rules adopted under section ~~5111.02~~ 5165.02 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in capital costs unless that part of the payment under ~~sections 5111.20 to 5111.331 of the Revised Code~~ this chapter is used to reimburse the government agency.

(F) The capital cost basis of nursing facility assets shall be determined in the following manner:

(1) Except as provided in division (F)(3) of this section, for purposes of calculating the rates to be paid for facilities with dates of licensure on or before June 30, 1993, the capital cost basis of each asset shall be equal to the desk-reviewed, actual, allowable, capital cost basis that is listed on the facility's cost report for the calendar year preceding the fiscal year during which the rate will be paid.

(2) For facilities with dates of licensure after June 30, 1993, the capital cost basis shall be determined in accordance with the principles of the medicare program ~~established under Title XVIII~~, except as otherwise

provided in ~~sections 5111.20 to 5111.331 of the Revised Code~~ this chapter.

(3) Except as provided in division (F)(4) of this section, if a provider transfers an interest in a facility to another provider after June 30, 1993, there shall be no increase in the capital cost basis of the asset if the providers are related parties or the provider to which the interest is transferred authorizes the provider that transferred the interest to continue to operate the facility under a lease, management agreement, or other arrangement. If the previous sentence does not prohibit the adjustment of the capital cost basis under this division, the basis of the asset shall be adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time that the transferor held the asset.

(4) If a provider transfers an interest in a facility to another provider who is a related party, the capital cost basis of the asset shall be adjusted as specified in division (F)(3) of this section if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) Except as provided in division (F)(4)(c)(ii) of this section, the provider making the transfer retains no ownership interest in the facility;

(c) The department ~~of job and family services~~ determines that the transfer is an arm's length transaction pursuant to rules adopted under section ~~5111.02~~ 5165.02 of the Revised Code. The rules shall provide that a transfer is an arm's length transaction if all of the following apply:

(i) Once the transfer goes into effect, the provider that made the transfer has no direct or indirect interest in the provider that acquires the facility or the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a creditor.

(ii) The provider that made the transfer does not reacquire an interest in the facility except through the exercise of a creditor's rights in the event of a default. If the provider reacquires an interest in the facility in this manner, the department shall treat the facility as if the transfer never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The transfer satisfies any other criteria specified in the rules.

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (F)(4) of this section or actual, allowable ~~cost of ownership~~ capital costs was determined most recently under division (G)(9) of this section.

(G) As used in this division:

"Imputed interest" means the lesser of the prime rate plus two per cent or ten per cent.

"Lease expense" means lease payments in the case of an operating lease and depreciation expense and interest expense in the case of a capital lease.

"New lease" means a lease, to a different lessee, of a nursing facility that previously was operated under a lease.

(1) Subject to division (B) of this section, for a lease of a facility that was effective on May 27, 1992, the entire lease expense is an actual, allowable capital cost during the term of the existing lease. The entire lease expense also is an actual, allowable capital cost if a lease in existence on May 27, 1992, is renewed under either of the following circumstances:

(a) The renewal is pursuant to a renewal option that was in existence on May 27, 1992;

(b) The renewal is for the same lease payment amount and between the same parties as the lease in existence on May 27, 1992.

(2) Subject to division (B) of this section, for a lease of a facility that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(3) Subject to division (B) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that is initially operated under a lease, actual, allowable capital costs shall include the annual lease expense if there was a substantial commitment of money for construction of the facility after December 22, 1992, and before July 1, 1993. If there was not a substantial commitment of money after December 22, 1992, and before July 1, 1993, actual, allowable capital costs shall include the lesser of the annual lease expense or the sum of the following:

(a) The annual depreciation expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis;

(b) The greater of the lessor's actual annual amortization of financing costs and interest expense at the inception of the lease or the imputed interest expense calculated at the inception of the lease using seventy per cent of the lessor's historical capital asset cost basis.

(4) Subject to division (B) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that was not initially operated under a lease and has been in existence for ten years, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the entire historical capital asset cost basis of one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(5) Subject to division (B) of this section, for a new lease of a facility that was operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual new lease expense or the annual old lease payment. If the old lease was in effect for ten years or longer, the old lease payment from the beginning of the old lease shall be adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

(6) Subject to division (B) of this section, for a new lease of a facility that was not in existence or that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of annual new lease expense or the annual amount calculated for the old lease under division (G)(2), (3), (4), or (6) of this section, as applicable. If the old lease was in effect for ten years or longer, the lessor's historical capital asset cost basis shall be, for purposes of calculating the annual amount under division (G)(2), (3), (4), or (6) of this section, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

In the case of a lease under division (G)(3) of this section of a facility for which a substantial commitment of money was made after December 22, 1992, and before July 1, 1993, the old lease payment shall be adjusted for the purpose of determining the annual amount.

(7) For any revision of a lease described in division (G)(1), (2), (3), (4), (5), or (6) of this section, or for any subsequent lease of a facility operated under such a lease, other than execution of a new lease, the portion of actual, allowable capital costs attributable to the lease shall be the same as before the revision or subsequent lease.

(8) Except as provided in division (G)(9) of this section, if a provider leases an interest in a facility to another provider who is a related party or

previously operated the facility, the related party's or previous operator's actual, allowable capital costs shall include the lesser of the annual lease expense or the reasonable cost to the lessor.

(9) If a provider leases an interest in a facility to another provider who is a related party, regardless of the date of the lease, the related party's actual, allowable capital costs shall include the annual lease expense, subject to the limitations specified in divisions (G)(1) to (7) of this section, if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) If the lessor retains an ownership interest, it is, except as provided in division (G)(9)(c)(ii) of this section, in only the real property and any improvements on the real property;

(c) The department of ~~job and family services~~ determines that the lease is an arm's length transaction pursuant to rules adopted under section ~~5111.02~~ 5165.02 of the Revised Code. The rules shall provide that a lease is an arm's length transaction if all of the following apply:

(i) Once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division (G)(9)(b) of this section, the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a lessor.

(ii) The lessor does not reacquire an interest in the facility except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the facility in this manner, the department shall treat the facility as if the lease never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The lease satisfies any other criteria specified in the rules.

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (F)(4) of this section or actual, allowable capital costs were determined most recently under division (G)(9) of this section.

(10) This division does not apply to leases of specific items of equipment.

Sec. ~~5111.231~~ 5165.19. (A) As used in this section:

(1) "Applicable calendar year" means the following:

(a) For the purpose of the department of ~~job and family services'~~ medicaid's initial determination under division (D) of this section of each peer group's cost per case-mix unit, calendar year 2003;

(b) For the purpose of the department's rebasings, the calendar year the department selects.

(2) "Rebasing" means a redetermination under division (D) of this section of each peer ~~groups'~~ group's cost per case-mix unit using information from cost reports for an applicable calendar year that is later than the applicable calendar year used for the previous determination of such costs.

~~(B) The Semiannually, the department of job and family services medicaid shall pay a provider for determine each of the provider's eligible nursing facilities a facility's per resident per medicaid day payment rate for direct care costs determined semiannually by multiplying the cost per case-mix unit determined under division (D) of this section for the facility's peer group by the facility's semiannual case-mix score determined under section 5111.232 5165.192 of the Revised Code by the cost per case-mix unit determined under division (D) of this section for the facility's peer group. However, for the period beginning October 1, 2013, and ending on the first day of the first rebasing, the rate for a nursing facility located in Mahoning or Stark county shall be determined semiannually by multiplying the facility's semiannual case-mix score determined under section 5165.192 of the Revised Code by the cost per case-mix unit determined under division (D) of this section for the nursing facilities in peer group two.~~

(C) For the purpose of determining nursing facilities' ~~rate~~ rates for direct care costs, the department shall establish three peer groups.

~~Each~~ (1) Until the first rebasing occurs, the peer groups shall be composed as follows:

(a) Each nursing facility located in any of the following counties shall be placed in peer group one: Brown, Butler, Clermont, Clinton, Hamilton, and Warren.

(D)(1) The department shall determine a cost per case-mix unit for each peer group established under division (C) of this section. The department is not required to conduct a rebasing more than once every ten years. Except as necessary to implement the amendments made to this section by Am. Sub. H.B. 153 and Sub. H.B. 303, both of the 129th general assembly, and H.B. 59 of the 130th general assembly, the cost per case-mix unit determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. To determine a peer group's cost per case-mix unit, the department shall do all of the following:

(a) Determine the cost per case-mix unit for each nursing facility in the peer group for the applicable calendar year by dividing each facility's desk-reviewed, actual, allowable, per diem direct care costs for the applicable calendar year by the facility's annual average case-mix score determined under section ~~5444.232~~ 5165.192 of the Revised Code for the applicable calendar year;

(b) Subject to division (D)(2) of this section, identify which nursing facility in the peer group is at the twenty-fifth percentile of the cost per case-mix units determined under division (D)(1)(a) of this section;

(c) Calculate the amount that is two per cent above the cost per case-mix unit determined under division (D)(1)(a) of this section for the nursing facility identified under division (D)(1)(b) of this section;

(d) Using the index specified in division (D)(3) of this section, multiply the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable calendar year and ending the last day of December of the calendar year immediately following the applicable calendar year by the amount calculated under division (D)(1)(c) of this section;

(e) Add the following to the amount calculated under division (D)(1)(d) of this section:

(i) Until the earlier of January 1, 2014, or when the first rebasing occurs, add one dollar and eighty-eight cents to the amount calculated under division (D)(1)(d) of this section;

(ii) Unless the first rebasing occurs before January 1, 2014, beginning January 1, 2014, and until the first rebasing occurs, eighty-six cents.

(f) Until the first rebasing occurs, increase the amount calculated under division (D)(1)(e) of this section by five and eight hundredths per cent.

(2) In making the identification under division (D)(1)(b) of this section, the department shall exclude both of the following:

(a) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(b) Nursing facilities whose cost per case-mix unit is more than one standard deviation from the mean cost per case-mix unit for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(3) The following index shall be used for the purpose of the calculation made under division (D)(1)(d) of this section:

(a) Until the first rebasing occurs, the employment cost index for total compensation, health services component, published by the United States bureau of labor statistics, as the index existed on July 1, 2005;

(b) Effective with the first rebasing and except as provided in division (D)(3)(c) of this section, the employment cost index for total compensation, nursing and residential care facilities occupational group, published by the United States bureau of labor statistics;

(c) If the United States bureau of labor statistics ceases to publish the index specified in division (D)(3)(b) of this section, the index the bureau subsequently publishes that covers nursing facilities' staff costs.

(4) The department shall not redetermine a peer group's cost per case-mix unit under this division based on additional information that it receives after the peer group's per case-mix unit is determined. The department shall redetermine a peer group's cost per case-mix unit only if it made an error in determining the peer group's cost per case-mix unit based on information available to the department at the time of the original determination.

Sec. 5165.191. Each calendar quarter, each nursing facility provider shall compile complete assessment data for each resident of each of the provider's nursing facilities, regardless of payment source, who is in the nursing facility, or on hospital or therapeutic leave from the nursing facility, on the last day of the quarter. A resident assessment instrument specified in rules authorized by this section shall be used to compile the resident assessment data. Each provider shall submit the resident assessment data to the department of health and, if required by the rules, the department of medicaid. The resident assessment data shall be submitted not later than fifteen days after the end of the calendar quarter for which the data is compiled. If the resident assessment data is to be submitted to the department of medicaid, it shall be submitted to the department through the medium or media specified in the rules.

(C) If the rules specify that nursing facility providers must submit the resident assessment data to the department, specify the medium or media through which the data is to be submitted.

Sec. ~~5111.232~~ 5165.192. (A)(1) The Except as provided in division (B) of this section and in accordance with the process specified in rules authorized by this section, the department of job and family services medicaid shall do all of the following:

(a) Every quarter, determine the following two case-mix scores for each nursing facility:

(i) A quarterly case-mix score that includes each resident who is a medicaid recipient and is not a low resource utilization resident;

(ii) A quarterly case-mix score that includes each resident regardless of payment source.

(b) Every six months, determine a semiannual ~~and annual~~ average case-mix ~~scores~~ score for each nursing ~~facilities~~ facility by using ~~all of the following:~~ quarterly case-mix scores determined for the nursing facility pursuant to division (A)(1)(a)(i) of this section;

(c) After the end of each calendar year, determine an annual average case-mix score for each nursing facility by using the quarterly case-mix scores determined for the nursing facility pursuant to division (A)(1)(a)(ii) of this section.

(2) When determining case-mix scores under division (A)(1) of this section, the department shall use all of the following:

(a) Data from a resident assessment instrument specified in rules ~~adopted under~~ authorized by section ~~5111.02~~ 5165.191 of the Revised Code pursuant to section 1919(e)(5) of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 1396r(e)(5), as amended, for the following residents:

~~(c) Except as modified in rules authorized by division (A)(2)(e) of this section, the grouper methodology used on June 30, 1999, by the United States department of health and human services for prospective payment of skilled nursing facilities under the medicare program established by Title XVIII.~~

~~(2) The director of job and family services may adopt rules under section 5111.02 of the Revised Code that do any of the following:~~

~~(a) Adjust the case-mix values specified in division (A)(1)(b) of this section to reflect changes in relative wage differentials that are specific to this state;~~

~~(b) Express all of those case-mix values in numeric terms that are different from the terms specified by the United States department of health and human services but that do not alter the relationship of the case-mix values to one another;~~

~~(c) Modify the grouper methodology specified in division (A)(1)(e) of this section as follows:~~

~~(i) Establish a different hierarchy for assigning residents to case-mix categories under the methodology;~~

~~(iv) Make other changes the department determines are necessary.~~

~~(B) The department shall determine case-mix scores for intermediate care facilities for the mentally retarded using data for each resident, regardless of payment source, from a resident assessment instrument and grouper methodology prescribed in rules adopted under section 5111.02 of the Revised Code and expressed in case-mix values established by the department in those rules.~~

~~(C) Each calendar quarter, each provider shall compile complete assessment data, from the resident assessment instrument specified in rules authorized by division (A) or (B) of this section, for each resident of each of the provider's facilities, regardless of payment source, who was in the facility or on hospital or therapeutic leave from the facility on the last day of the quarter. Providers of a nursing facility shall submit the data to the department of health and, if required by rules, the department of job and~~

Also except as provided in division (D) of this section, the department, after the end of each calendar year, shall calculate an annual average case mix score for each intermediate care facility for the mentally retarded using the facility's quarterly case mix scores for that calendar year. The department shall make the calculations pursuant to procedures specified in rules adopted under section 5111.02 of the Revised Code.~~

~~(D)(1) If a Subject to division (B)(2) of this section, the department, for one or more months of a calendar quarter, may assign to a nursing facility a case-mix score that is five per cent less than the nursing facility's case-mix score for the immediately preceding calendar quarter if any of the following apply:~~

~~The department may use a quarterly average case mix score assigned under division (D)(1) of this section, instead of a quarterly average case mix score calculated based on the provider's submitted information, to calculate the facility's rate for direct care costs being established under section 5111.23 or 5111.231 of the Revised Code for one or more months, as~~

~~specified in rules authorized by division (E) of this section, of the quarter for which the rate established under section 5111.23 or 5111.231 of the Revised Code will be paid.~~

~~(2) Before taking action under division (D)(1) of this section assigning a case-mix score to a nursing facility due to the submission of incorrect resident assessment data, the department shall permit the provider a reasonable period of time, specified in rules authorized by division (E) of this section, to correct the information data. In the case of an intermediate care facility for the mentally retarded, the department shall not assign a quarterly average case-mix score due to late submission of corrections to assessment information unless the provider fails to submit corrected information prior to the eighty first day after the end of the calendar quarter to which the information pertains. In the case of a nursing facility, the~~ The ~~department shall not~~ may ~~assign a quarterly average~~ the ~~case-mix score due to late submission of corrections to assessment information unless if~~ the ~~provider fails to submit~~ the ~~corrected information prior to~~ resident assessment data not later than ~~the earlier of the forty sixth~~ forty-fifth ~~day after the end of the calendar quarter to which the information data pertains or the deadline for submission of such corrections established by regulations adopted by the United States department of health and human services under Titles~~ Title XVIII and Title XIX.

~~(2)(3) If, for more than six months in a calendar year, a provider is paid a rate determined for a nursing facility calculated using a quarterly average case-mix score assigned to the nursing facility under division (D)(B)(1) of this section for more than six months in a calendar year, the department may assign the nursing facility a cost per case-mix unit that is five per cent less than the nursing facility's actual or assigned cost per case-mix unit for the immediately preceding calendar year. The department may use the assigned cost per case-mix unit, instead of calculating determining the nursing facility's actual cost per case-mix unit in accordance with section 5111.23 or 5111.231 5165.19 of the Revised Code, to establish the nursing facility's rate for direct care costs for the following fiscal year immediately following the calendar year for which the cost per case-mix unit is assigned.~~

~~(3)(4) The department shall take action under division (D)(B)(1) or (2), or (3) of this section only in accordance with rules authorized by division (E) of this section. The department shall not take an action that affects rates for prior payment periods except in accordance with sections 5111.27 5165.41 and 5111.28 5165.42 of the Revised Code.~~

~~(4)(f) Establish procedures for providers to correct resident assessment data and specify a reasonable period of time by which providers shall submit the corrections. The procedures may limit the content of corrections by providers of nursing facilities in the manner required by regulations adopted by the United States department of health and human services under Titles Title XVIII and Title XIX.~~

~~(5)(g) Specify when and how the department will assign case-mix scores or costs per case-mix unit to a nursing facility under division (D)(B) of this section if information necessary to calculate the nursing facility's case-mix score is not provided or corrected in accordance with the procedures established by the rules. Sec. 5165.193. (A) The department of medicaid may, pursuant to rules authorized by this section, conduct an exception review of resident assessment data submitted by a nursing facility provider under section 5165.191 of the Revised Code. The department may conduct an exception review based on the findings of a medicaid certification survey conducted by the department of health, a risk analysis, or prior performance of the provider.

Exception reviews shall be conducted at the nursing facility by appropriate health professionals under contract with or employed by the department. The professionals may review resident assessment forms and supporting documentation, conduct interviews, and observe residents to identify any patterns or trends of inaccurate resident assessments and resulting inaccurate case-mix scores.

(B) If an exception review is conducted before the effective date of a nursing facility's rate for direct care costs that is based on the resident assessment data being reviewed and the review results in findings that exceed tolerance levels specified in the rules authorized by this section, the department, in accordance with those rules, may use the findings to redetermine individual resident case-mix scores, the nursing facility's case-mix score for the quarter, and the nursing facility's annual average case-mix score. The department may use the nursing facility's redetermined quarterly and annual average case-mix scores to determine the nursing facility's rate for direct care costs for the appropriate calendar quarter or quarters.

(C) The department shall prepare a written summary of any exception review finding that is made after the effective date of a nursing facility's rate for direct care costs that is based on the resident assessment data that was reviewed. Where the provider is pursuing judicial or administrative remedies in good faith regarding the finding, the department shall not withhold from the provider's current payments any amounts the department claims to be due from the provider pursuant to section 5165.41 of the Revised Code.

(D)(1) The medicaid director shall adopt rules under section 5165.02 of

(b) Requires a written summary for each exception review that states whether resident assessment forms have been completed accurately;

(c) Prohibits each health professional who conducts an exception review from doing either of the following:

(1) ~~In the case of a payment to reserve a bed for a day during calendar year 2011, set the per diem rate at an amount not exceeding fifty per cent of the per diem rate the provider would be paid if the recipient were not absent from the nursing facility that day;~~

(2) ~~In the case of a payment to reserve a bed for a day during calendar year 2012 and each calendar year thereafter, set the per diem medicaid day payment rate at an amount equal to the following:~~

~~Sec. 5111.224 5165.37. The department of job and family services~~ medicaid shall make its best efforts each year to calculate nursing facilities' medicaid payment rates under ~~sections 5111.20 to 5111.331 of the Revised Code~~ this chapter in time to ~~use them to make pay the payments due to providers rates~~ by the fifteenth day of August of each fiscal year. If the department is unable to calculate the rates so that they can be paid by that date, the department shall pay each provider the rate calculated for the provider's nursing facilities ~~and intermediate care facilities for the mentally retarded~~ under ~~those sections~~ this chapter at the end of the previous fiscal year. If the department also is unable to calculate the rates to ~~make the payments due~~ pay the rates by the fifteenth day of September and the fifteenth day of October, the department shall pay the previous fiscal year's rate to make those payments. The department may increase by five per cent the previous fiscal year's rate paid for any nursing facility pursuant to this section at the request of the provider. The department shall use rates calculated for the current fiscal year to make the payments due by the fifteenth day of November.

If the rate paid to a provider for a nursing facility pursuant to this section is lower than the rate calculated for the nursing facility for the current fiscal year, the department shall pay the provider the difference between the two rates for the number of days for which the provider was paid for the nursing facility pursuant to this section. If the rate paid for a nursing facility pursuant to this section is higher than the rate calculated for it for the current fiscal year, the provider shall refund to the department the difference between the two rates for the number of days for which the provider was paid for the nursing facility pursuant to this section.

~~Sec. 5111.29 5165.38. (A) The~~ medicaid ~~director of job and family services~~ shall adopt rules under section ~~5111.02~~ 5165.02 of the Revised

The

~~(1) Except as provided in divisions (A)(2) to (4) of this section, the only issue that a provider, group, or association may raise in the rate reconsideration shall be whether the rate was calculated in accordance with sections 5111.20 to 5111.331 of the Revised Code~~ this chapter and the rules adopted under section ~~5111.02~~ 5165.02 of the Revised Code. ~~The rules shall permit a provider, group, or association to~~ may submit written arguments or other materials that support its position. ~~The rules shall specify provider, group, or association and department of medicaid shall take actions regarding the rate reconsideration within time frames within which the provider, group, or association and the department must act specified in rules authorized by this section.~~ If

If the department determines, as a result of the rate reconsideration, that the rate ~~established~~ determined for one or more nursing facilities ~~of a provider~~ is less than the rate to which the nursing facility is entitled, the department shall increase the rate. If the department has paid the incorrect rate for a period of time, the department shall pay the provider the difference between the amount the provider was paid for that period for the nursing facility and the amount the provider should have been paid for the nursing facility.

~~(2) The rules shall provide that during a fiscal year, the department, by means of the rate reconsideration process, may increase the rate determined for an intermediate care facility for the mentally retarded as calculated under sections 5111.20 to 5111.331 of the Revised Code if the provider of the facility demonstrates that the facility's actual, allowable costs have increased because of extreme circumstances. A facility may qualify for a rate increase only if the facility's per diem, actual, allowable costs have increased to a level that exceeds its total rate. The rules shall specify the circumstances that would justify a rate increase under division (A)(2) of this section. The rules shall provide that the extreme circumstances include natural disasters, renovations approved under division (D) of section 5111.251 of the Revised Code, an increase in workers' compensation experience rating of greater than five per cent for a facility that has an appropriate claims management program, increased security costs for an inner city facility, and a change of~~

~~ownership that results from bankruptcy, foreclosure, or findings of violations of certification requirements by the department of health. An increase under division (A)(2) of this section is subject to any rate limitations or maximum rates established by sections 5111.20 to 5111.331 of the Revised Code for specific cost centers. Any rate increase granted under division (A)(2) of this section shall take effect on the first day of the first month after the department receives the request.~~

~~(3) The rules shall provide that the department, through the rate reconsideration process, may increase an intermediate care facility for the mentally retarded's rate as calculated under sections 5111.20 to 5111.331 of the Revised Code if the department, in the department's sole discretion, determines that the rate as calculated under those sections works an extreme hardship on the facility.~~

~~(4) The rules shall provide that when beds certified for the medicaid program are added to an existing intermediate care facility for the mentally retarded or replaced at the same site, the department, through the rate reconsideration process, shall increase the intermediate care facility for the mentally retarded's rate for capital costs proportionately, as limited by any applicable limitation under section 5111.251 of the Revised Code, to account for the costs of the beds that are added or replaced. The department shall make this increase one month after the first day of the month after the department receives sufficient documentation of the costs. Any rate increase granted under division (A)(4) of this section after June 30, 1993, shall remain in effect until the effective date of a rate calculated under section 5111.251 of the Revised Code that includes costs incurred for a full calendar year for the bed addition or bed replacement. The facility shall report double accumulated depreciation in an amount equal to the depreciation included in the rate adjustment on its cost report for the first year of operation. During the term of any loan used to finance a project for which a rate adjustment is granted under division (A)(4) of this section, if the facility is operated by the same provider, the provider shall subtract from the interest costs it reports on its cost report an amount equal to the difference between the following:~~

~~(a) The actual, allowable interest costs for the loan during the calendar year for which the costs are being reported;~~

~~(b) The actual, allowable interest costs attributable to the loan that were used to calculate the rates paid to the provider for the facility during the same calendar year.~~

~~(5) The department's decision at the conclusion of the reconsideration process shall not be subject to any administrative proceedings under Chapter 119, or any other provision of the Revised Code.~~

~~(B) All of the following are subject to an adjudication conducted in accordance with Chapter 119. of the Revised Code:~~

~~(1) Any audit disallowance that the department makes as the result of an audit under section 5111.27 of the Revised Code;~~

~~(2) Any adverse finding that results from an exception review of resident assessment information conducted under section 5111.27 of the Revised Code after the effective date of the facility's rate that is based on the assessment information;~~

~~(3) Any medicaid payment deemed an overpayment under section 5111.683 of the Revised Code;~~

~~(4) Any penalty the department imposes under division (C) of section 5111.28 of the Revised Code or section 5111.683 of the Revised Code.~~

Sec. ~~5111.28~~ 5165.40. (A) If a nursing facility provider properly amends ~~its~~ a cost report for the nursing facility under section ~~5111.261~~ 5165.107 of the Revised Code and the amended report shows that the provider received a lower medicaid payment rate under the original cost report than ~~it~~ the provider was entitled to receive, the department of ~~job and family services~~ medicaid shall adjust the provider's rate for the nursing facility prospectively to reflect the corrected information. The department shall pay the adjusted rate beginning two months after the first day of the month after the provider files the amended cost report. ~~If~~

If the department finds, from an exception review of resident assessment ~~information~~ data conducted pursuant to section 5165.193 of the Revised Code after the effective date of ~~the~~ a nursing facility's rate for direct care costs that is based on the resident assessment ~~information~~ data, that inaccurate resident assessment ~~information~~ data resulted in the provider receiving a lower rate for the nursing facility than it was entitled to receive, the department prospectively shall adjust the provider's rate accordingly ~~and~~. The department shall make payments to the provider using the adjusted rate for the remainder of the ~~calendar quarter~~ six-month period for which the resident assessment ~~information~~ data is used to determine the rate, beginning one month after the first day of the month after the exception review is completed.

~~(B) If the provider properly amends its cost report under section 5111.261 of the Revised Code, the department makes a finding based on an audit under section 5111.27 of the Revised Code, or the department makes a finding based on an exception review of resident assessment information conducted under section 5111.27 of the Revised Code after the effective date of the rate for direct care costs that is based on the assessment information, any of which results in a determination that the provider has~~

~~received a higher rate than it was entitled to receive, the department shall recalculate the provider's rate using the revised information. The department shall apply the recalculated rate to the periods when the provider received the incorrect rate to determine the amount of the overpayment. The provider shall refund the amount of the overpayment.~~

~~In addition to requiring a refund under this division, the department may charge the provider interest at the applicable rate specified in this division from the time the overpayment was made.~~

~~(1) If the overpayment resulted from costs reported for calendar year 1993, the interest shall be no greater than one and one half times the average bank prime rate.~~

~~(2) If the overpayment resulted from costs reported for subsequent calendar years:~~

~~(a) The interest shall be no greater than two times the average bank prime rate if the overpayment was equal to or less than one per cent of the total medicaid payments to the provider for the fiscal year for which the incorrect information was used to establish a rate.~~

~~(b) The interest shall be no greater than two and one half times the current average bank prime rate if the overpayment was greater than one per cent of the total medicaid payments to the provider for the fiscal year for which the incorrect information was used to establish a rate.~~

~~(C) The department also may impose the following penalties:~~

~~(1) If a provider does not furnish invoices or other documentation that the department requests during an audit within sixty days after the request, no more than the greater of one thousand dollars per audit or twenty five per cent of the cumulative amount by which the costs for which documentation was not furnished increased the total medicaid payments to the provider during the fiscal year for which the costs were used to establish a rate;~~

~~(2) If an exiting operator or owner fails to provide notice of a facility closure, voluntary termination, or voluntary withdrawal of participation in the medicaid program as required by section 5111.66 of the Revised Code, or an exiting operator or owner and entering operator fail to provide notice of a change of operator as required by section 5111.67 of the Revised Code, no more than the current average bank prime rate plus four per cent of the last two monthly payments.~~

~~(D) If the provider continues to participate in the medicaid program, the department shall deduct any amount that the provider is required to refund under this section, and the amount of any interest charged or penalty imposed under this section, from the next available payment from the department to the provider. The department and the provider may enter into~~

~~an agreement under which the amount, together with interest, is deducted in installments from payments from the department to the provider.~~

~~(E) The department shall transmit refunds and penalties to the treasurer of state for deposit in the general revenue fund.~~

~~(F) For the purpose of this section, the department shall determine the average bank prime rate using statistical release H.15, "selected interest rates," a weekly publication of the federal reserve board, or any successor publication. If statistical release H.15, or its successor, ceases to contain the bank prime rate information or ceases to be published, the department shall request a written statement of the average bank prime rate from the federal reserve bank of Cleveland or the federal reserve board.~~

Sec. 5165.41. (4) The department makes a finding based on a post-payment review conducted under section 5165.49 of the Revised Code.

(B) The department shall apply the redetermined rate to the periods when the provider received the incorrect rate to determine the amount of the overpayment. The provider shall refund the amount of the overpayment. The department may charge the provider the following amount of interest from the time the overpayment was made:

(1) If the overpayment resulted from costs reported for calendar year 1993, the interest shall be no greater than one and one-half times the current average bank prime rate.

(2) If the overpayment resulted from costs reported for a subsequent calendar year:

(a) The interest shall be no greater than two times the current average bank prime rate if the overpayment was no more than one per cent of the total medicaid payments to the provider for the fiscal year for which the overpayment was made.

(b) The interest shall be no greater than two and one-half times the current average bank prime rate if the overpayment was more than one per cent of the total medicaid payments to the provider for the fiscal year for which the overpayment was made.

(2) Within ten working days after it receives the notice under division (E)(1) of this section, the department of health shall conduct a follow-up survey that focuses on the cited deficiency or deficiencies, unless the department is able to determine, on the basis of documentation provided by the facility, that the facility has completed the applicable action described in

Neither the department nor the contracting agency shall issue public notice of an order under section ~~5111.46 5165.72, 5111.47 5165.73, or 5111.48 5165.74~~ of the Revised Code denying payment to a nursing facility for medicaid eligible residents with specified diagnoses or special care needs; public notice is not required for such an order to take effect.

(C) The amount subject to division (B) of this section shall be the product of multiplying two dollars and fifty cents for each day the fine is in effect by the total number of licensed nursing home beds or certified beds, whichever is greater, in the facility as of the date the deficiency or cluster of deficiencies that is the reason for the fine was cited.

(D)(1) The department of ~~job and family services~~ medicaid or contracting agency shall not impose on a facility, at any one time, more than four fines as a result of any one survey.

(2) The department of ~~job and family services~~ medicaid or contracting agency shall not impose more than one fine based on a deficiency or cluster of deficiencies. However, if the department of health, in a follow-up or other

subsequent survey, finds a change in the scope or severity of the deficiency or cluster of deficiencies, the department of ~~job and family services~~ medicaid or contracting agency may increase or decrease the fine in accordance with division (B) of this section to reflect the change in scope or severity. The department or agency shall give the facility written notice of the change in the amount of the fine. The change shall take effect on the date the follow-up or other subsequent survey is completed.

If the department of health finds that a deficiency is a repeat deficiency, the department of ~~job and family services~~ medicaid or contracting agency may impose a fine that is one hundred per cent greater than the fine specified in division (B) of this section for the deficiency.

(E) The total amount of fines the department of ~~job and family services~~ medicaid or contracting agency may impose on a facility in a single calendar year shall not exceed five hundred dollars for each licensed nursing home bed or certified bed, whichever is greater in number, in the facility.

The department or agency shall inform the nursing facility in that statement that the fine will not be imposed if the deficiency or cluster of deficiencies is substantially corrected within the twenty-day period.

(2) If a nursing facility has substantially corrected a deficiency or cluster of deficiencies within six months after the exit interview of a survey that was the basis for citing a deficiency or cluster of deficiencies, but after correcting it has been cited for the same deficiency or cluster of deficiencies by the department of health on the basis of a subsequent survey conducted during the remainder of the six-month period, the department of ~~job and family services~~ medicaid or contracting agency may impose a fine beginning on the date of the exit interview of the subsequent survey.

(G) Whenever a facility believes that it has completed implementation of the plan of correction it submitted under section ~~5111.43~~ 5165.69 of the Revised Code and substantially corrected the cited deficiency or cluster of deficiencies that is the basis for a fine, it may give written notice to that effect to the department of health. After receiving the notice, the department shall conduct a follow-up survey of the facility that focuses on the deficiency or cluster, unless the department is able to determine, on the basis

of documentation provided by the facility, that the facility has substantially corrected the deficiency or cluster. If, based on the follow-up survey, the department establishes that the facility had not completed implementation of the plan of correction at the time the department received the notice, any fine based on the deficiency or cluster shall be doubled effective from the date the department received the notice. A facility that complies with this division shall not be considered to have admitted the existence of the deficiency or cluster that is the basis for the fine.

(H) Except for a fine imposed under division (C) of section ~~5111.46~~ 5165.72 of the Revised Code and as provided in division (F)(2) of this section, the department of ~~job and family services~~ medicaid or contracting agency shall impose a fine only if the facility fails to give notice under division (G) of this section within twenty days after it receives the statement required by division (B) of section ~~5111.49~~ 5165.75 of the Revised Code or if the department of health determines, based on a follow-up survey, that the deficiency or cluster of deficiencies for which the fine is proposed has not been substantially corrected within the twenty-day period. The fine shall be imposed effective on the twenty-first day after the facility receives the statement under division (B) of section ~~5111.49~~ 5165.75 of the Revised Code. The fine shall remain in effect until the earliest of the following:

(1) The date the department of health receives notice under division (G) of this section, unless the department determines, on the basis of a follow-up survey, that the deficiency or cluster of deficiencies that is the basis for the fine has not been substantially corrected as of that date;

(2) The date on which the department of health makes a determination, on the basis of a follow-up survey, that the deficiency or cluster of deficiencies has been substantially corrected;

(3) The date the facility substantially corrected the deficiency or cluster, as subsequently determined by the department of health on the basis of documentation provided by the facility.

(I) Any fine imposed by the department of ~~job and family services~~ medicaid or contracting agency under this section is subject to appeal under Chapter 119. of the Revised Code. If the facility does not request a hearing under Chapter 119. of the Revised Code and either pays or agrees in writing to pay the fine when payment becomes due under division (J) of this section, the department or agency shall reduce the fine by fifty per cent. The department or agency may compromise any claim for payment of a fine under sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of the Revised Code.

(J) The department of ~~job and family services~~ medicaid or contracting agency shall collect interest on fines, at the rate per calendar month that

equals one-twelfth of the rate per year prescribed by section 5703.47 of the Revised Code for the calendar year that includes the month for which the interest charge accrues. Payment of a fine is due, and interest begins to accrue on the unpaid fine or balance, on the thirty-first day after the department or agency issues a final adjudication order imposing the fine. If the deficiency or deficiencies on which the fine is based have not been corrected when the final adjudication order is issued, the payment is due, and interest begins to accrue on the unpaid fine or balance, on the thirty-first day after the deficiency or deficiencies are corrected and the department or agency mails a notice specifying the amount of the fine to the facility.

(K) The department of ~~job and family services~~ medicaid or contracting agency shall collect fines and interest imposed under this section through one of the following means:

(1) A lump sum payment from the provider;

(2) Periodic payments for a period not to exceed twelve months, in accordance with a schedule approved by the department or agency;

(3) Appropriately reducing the amounts of medicaid payments made to the facility for ~~care~~ nursing facility services provided to medicaid eligible residents for a period not to exceed twelve months following the date on which payment of the fine becomes due under division (J) of this section. An amount equal to the amount by which each payment is reduced shall be deposited to the credit of the residents protection fund in accordance with section ~~5111.62~~ 5162.66 of the Revised Code.

Sec. ~~5111.57~~ 5165.84. (A) The department of ~~job and family services~~ medicaid or a contracting agency shall issue an order denying ~~payment~~ medicaid payments to a nursing facility for all medicaid eligible residents admitted to the facility on or after the effective date of the order, if the facility has failed to substantially correct within ninety days after the exit interview a deficiency or cluster of deficiencies in accordance with the plan of correction it submitted under section ~~5111.43~~ 5165.69 of the Revised Code, as determined by the department of health on the basis of a follow-up survey.

(B) The department of ~~job and family services~~ medicaid or contracting agency shall issue an order denying ~~payment~~ medicaid payments to a nursing facility for all medicaid eligible residents admitted to the facility on or after the effective date of the order, if during three consecutive standard surveys conducted after December 13, 1990, the department of health has found a condition of substandard care in a facility.

(C) An order issued under division (A) or (B) of this section shall take effect on the later of the date the facility receives the order or the date the

public notice required under division (F) of section ~~5111.55~~ 5165.82 of the Revised Code is published. The order is subject to appeal under Chapter 119. of the Revised Code; however the order may take effect prior to or during the pendency of any hearing under that chapter. In that case, the department or agency shall provide the facility an opportunity for a hearing in accordance with section ~~5111.60~~ 5165.87 of the Revised Code.

Sec. ~~5111.58~~ 5165.85. (A) If a nursing facility notifies the department of ~~job and family services~~ medicaid or a contracting agency, at any time during the six-month period following the exit interview of a survey that was the basis for citing a deficiency or deficiencies, that the deficiency or deficiencies have been substantially corrected in accordance with the plan of correction submitted and approved under section ~~5111.43~~ 5165.69 of the Revised Code, the department of health shall conduct a follow-up survey to determine whether the deficiency or deficiencies have been substantially corrected in accordance with the plan.

(B) The department of ~~job and family services~~ medicaid or a contracting agency shall terminate a nursing facility's participation in the ~~medical assistance~~ medicaid program whenever the facility has not substantially corrected, within six months after the exit interview of the survey on the basis of which it was cited, a deficiency or deficiencies in accordance with the plan of correction submitted under section ~~5111.43~~ 5165.69 of the Revised Code, as determined by the department of health on the basis of a follow-up survey.

(C) Unless the facility has substantially corrected the deficiency or deficiencies in accordance with the plan of correction, as determined by the department of health on the basis of a follow-up survey, the department of ~~job and family services~~ medicaid or contracting agency shall deliver to the facility, at least thirty days prior to the day that is six months after the exit interview, a written order terminating the facility's participation in the ~~medical assistance~~ medicaid program. The order shall take effect and the facility's participation shall terminate on the day that is six months after the exit interview. The order shall not take effect if, after it is delivered to the facility and prior to the effective date of the order, the department of health determines on the basis of a follow-up survey that the facility has corrected the deficiency or deficiencies.

An order issued under this section is subject to appeal under Chapter 119. of the Revised Code; however, the order may take effect prior to or during the pendency of any hearing under that chapter. In that case, the department of ~~job and family services~~ medicaid or contracting agency shall provide the facility an opportunity for a hearing in accordance with section

~~5111.60~~ 5165.87 of the Revised Code.

(D) Except as provided in division (E) of this section, whenever the department of ~~job and family services~~ medicaid or a contracting agency terminates a facility's participation in the ~~medical assistance~~ medicaid program pursuant to this section, the provider shall repay the department the federal share of all medicaid payments made by the department to the facility ~~under the medical assistance program~~ during the six-month period following the exit interview of the survey that was the basis for citing the deficiency or cluster of deficiencies. The provider shall repay the department within thirty days after the department repays to the federal government the federal share of medicaid payments made to the facility during that six-month period.

(E) A provider is not required to repay the department of ~~job and family services~~ medicaid if either of the following is the case:

(1) The facility has brought an appeal under Chapter 119. of the Revised Code of termination of its participation in the ~~medical assistance~~ medicaid program, except that the provider shall repay the department of ~~job and family services~~ medicaid within thirty days after the facility exhausts its right to appeal under that chapter.

(2) The facility complied with the plan of correction approved by the department of health and the obligation to repay resulted from the department's failure to provide timely verification to the United States department of health and human services of the facility's compliance with the plan of correction.

(F) If a provider's obligation to repay the department of ~~job and family services~~ medicaid under division (D) of this section results from disallowance of federal financial participation by the United States department of health and human services, the provider shall not be required to repay the department of ~~job and family services~~ medicaid until the federal disallowance becomes final.

(G) Any fines paid under sections ~~5111.35~~ 5165.60 to ~~5111.62~~ 5165.89 of the Revised Code during any period for which the facility is required to repay the department of ~~job and family services~~ medicaid under division (D) of this section shall be offset against the amount the provider is required to repay the department for that period.

(H) Prior to a change of ownership of a facility for which a provider has an obligation to repay the department of ~~job and family services~~ medicaid under division (D) of this section that has not become final, or has become final but not been paid, the department may do one or more of the following:

(1) Require the provider to place money in escrow, or obtain a bond, in

If the notice, statement, or order is mailed, it shall be addressed to the administrator of the facility as indicated in the department's or agency's records. If it is hand delivered, it shall be delivered to a person at the facility who would appear to the average prudent person to have authority to accept it.

The department shall assess all hospitals uniformly and in a manner consistent with federal statutes and regulations. During any program year, the department shall not assess any hospital more than two per cent of the hospital's total facility costs.

(2) Yield funds that, when combined with intergovernmental transfers and federal matching funds, will produce amounts for distribution to disproportionate share hospitals that do not exceed, in the aggregate, the limits prescribed by the United States health care financing administration under ~~subsection (f) of section 1923 of the "Social Security Act," 49 Stat. 620 (1935)~~ section 1923(f), 42 U.S.C.A. 1396r-4(f), ~~as amended~~.

(3) The director may adopt rules under section ~~5112.03~~ 5168.02 of the Revised Code establishing alternate schedules for hospitals to pay assessments under this section in order to reduce hospitals' cash flow difficulties.

Sec. ~~5112.07~~ 5168.07. The department shall not require transfers in an amount that, when combined with hospital assessments paid under section ~~5112.06~~ 5168.06 of the Revised Code and federal matching funds, produce amounts for distribution to disproportionate share hospitals that, in the aggregate, exceed limits prescribed by the United States health care financing administration under ~~subsection (f) of section 1923 of the "Social Security Act," 49 Stat. 620 (1935)~~ section 1923(f), 42 U.S.C.A. 1396r-4(f), as amended.

The preliminary determination of a hospital's assessment shall be calculated for a cost-reporting period that is specified in rules adopted under section ~~5112.03~~ 5168.02 of the Revised Code.

The department shall consult with hospitals each year when determining the date on which it will mail the preliminary determinations in order to minimize hospitals' cash flow difficulties.

If no hospital submits a request for reconsideration under division (B) of this section, the preliminary determination constitutes the final reconciliation of each hospital's assessment under section ~~5112.06~~ 5168.06 of the Revised Code. The final reconciliation is subject to adjustments under division (D) of this section.

(B) Not later than fourteen days after the preliminary determinations are mailed, any hospital may submit to the department a written request to reconsider the preliminary determinations. The request shall be accompanied by written materials setting forth the basis for the reconsideration. If one or more hospitals submit a request, the department shall hold a public hearing not later than thirty days after the preliminary determinations are mailed to reconsider the preliminary determinations. The department shall mail to each hospital a written notice of the date, time, and

place of the hearing at least ten days prior to the hearing. On the basis of the evidence submitted to the department or presented at the public hearing, the department shall reconsider and may adjust the preliminary determinations. The result of the reconsideration is the final reconciliation of the hospital's assessment under section ~~5112.06~~ 5168.06 of the Revised Code. The final reconciliation is subject to adjustments under division (D) of this section.

(C) The department shall mail to each hospital a written notice of its assessment for the program year under the final reconciliation. A hospital may appeal the final reconciliation of its assessment to the court of common pleas of Franklin county. While a judicial appeal is pending, the hospital shall pay, in accordance with the schedules required by division (B) of section ~~5112.06~~ 5168.06 of the Revised Code, any amount of its assessment that is not in dispute into the hospital care assurance program fund created in section ~~5112.18~~ 5168.11 of the Revised Code.

When adjusted, the assessment rate or rates must comply with division (A) of section ~~5112.06~~ 5168.06 of the Revised Code. An adjusted intergovernmental transfer must comply with division (A) of section ~~5112.07~~ 5168.07 of the Revised Code. The department shall notify hospitals of adjustments made under this division and adjust for the remainder of the program year the installments paid by hospitals under sections ~~5112.06~~ 5168.06 and ~~5112.07~~ 5168.07 of the Revised Code in accordance with rules adopted under section ~~5112.03~~ 5168.02 of the Revised Code.

The department shall establish a formula to distribute the remainder of the funds. The formula shall be consistent with ~~section 1923 of~~ the "Social Security Act," section 1923, ~~42 U.S.C.A. 1396r-4, as amended,~~ and shall be based on any combination of the indicators of indigent care listed in division (B) of this section that the director considers appropriate.

Nothing in this section shall be construed as preventing a home from requiring a resident with financial need to apply for any applicable financial assistance or requiring a home to retain a resident who willfully refuses to pay for services for which the resident has contracted even though the resident has sufficient resources to do so.

(C)(1) If a corporation, unincorporated nonprofit association, or trust described in division (B)(1)(b) of this section is granted a certificate of need pursuant to section 3702.52 of the Revised Code to construct, add to, or otherwise modify a nursing home, or is given approval pursuant to section 3791.04 of the Revised Code to construct, add to, or otherwise modify a residential care facility or residential facility and if the corporation, association, or trust submits an affidavit to the tax commissioner stating that, commencing on the date of licensure and continuing thereafter, the home or facility will be operated in accordance with the requirements of divisions (B)(1)(a) to (e) of this section, the corporation, association, or trust shall be considered to be operating a "home for the aged" within the meaning of division (B)(1) of this section, beginning on the first day of January of the year in which such certificate is granted or approval is given.

(d) The license to operate the home or facility is not granted by the director of health within four years following the date upon which the certificate or approval referred to in division (C)(1) of this section was granted or given;

(e) The home or facility is granted a license to operate as a nursing home, residential care facility, or residential facility.

(3) Upon the occurrence of any of the events referred to in divisions (C)(2)(a), (b), (c), (d), and (e) of this section, the corporation, association, or trust shall no longer be considered to be operating a "home for the aged" pursuant to division (C)(1) of this section, except that the tax commissioner, for good cause shown and to the extent the commissioner considers appropriate, may extend the time period specified in division (C)(2)(c) or (d) of this section, or both. Nothing in division (C)(3) of this section shall be construed to prevent a nursing home, residential care facility, or residential facility from qualifying as a "home for the aged" if, upon proper application made pursuant to division (B) of this section, it is found to meet the requirements of divisions (A) and (B) of this section.

If the amount to be recovered would exceed twenty-five per cent of the next distribution of that tax, fee, wireless 9-1-1 charge, or other amount, the commissioner may spread the recovery over more than one future distribution, taking into account the amount to be recovered and the amount of the anticipated future distributions. Sec. 5703.37. (A)(1) Except as provided in division (B) of this section, whenever service of a notice or order is required in the manner provided in this section, a copy of the notice or order shall be served upon the person affected thereby either by personal service, by certified mail, or by a delivery service authorized under section 5703.056 of the Revised Code that notifies the tax commissioner of the date of delivery.

(2) In lieu of serving a copy of a notice or order through one of the means provided in division (A)(1) of this section, the commissioner may serve a notice or order upon the person affected thereby through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail as provided in division (F) of this section. Delivery by such means satisfies the requirements for delivery under this section.

(B)(1)(a) If certified mail is returned because of an undeliverable address, the commissioner shall first utilize reasonable means to ascertain a new last known address, including the use of a change of address service offered by the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code. If, after using reasonable means, the commissioner is unable to ascertain a new last known address, the assessment is final for purposes of section 131.02 of the Revised Code sixty days after the notice or order sent by certified mail is first returned to the commissioner, and the commissioner shall certify the notice or order, if applicable, to the attorney general for collection under section 131.02 of the Revised Code.

(b) Notwithstanding certification to the attorney general under division (B)(1)(a) of this section, once the commissioner or attorney general, or the designee of either, makes an initial contact with the person to whom the notice or order is directed, the person may protest an assessment by filing a petition for reassessment within sixty days after the initial contact. The certification of an assessment under division (B)(1)(a) of this section is prima-facie evidence that delivery is complete and that the notice or order is served.

(2) If mailing of a notice or order by certified mail is returned for some cause other than an undeliverable address or if a person does not access an electronic notice or order within the time provided in division (F) of this section, the commissioner shall resend the notice or order by ordinary mail. The notice or order shall show the date the commissioner sends the notice or

order and include the following statement:

"This notice or order is deemed to be served on the addressee under applicable law ten days from the date this notice or order was mailed by the commissioner as shown on the notice or order, and all periods within which an appeal may be filed apply from and after that date."

Unless the mailing is returned because of an undeliverable address, the mailing of that information is prima-facie evidence that delivery of the notice or order was completed ten days after the commissioner sent the notice or order by ordinary mail and that the notice or order was served.

If the ordinary mail is subsequently returned because of an undeliverable address, the commissioner shall proceed under division (B)(1)(a) of this section. A person may challenge the presumption of delivery and service under this division in accordance with division (C) of this section.

(C)(1) A person disputing the presumption of delivery and service under division (B) of this section bears the burden of proving by a preponderance of the evidence that the address to which the notice or order was sent was not an address with which the person was associated at the time the commissioner originally mailed the notice or order by certified mail. For the purposes of this section, a person is associated with an address at the time the commissioner originally mailed the notice or order if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the notice or order was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the notice or order was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.

(2) If the person elects to protest an assessment certified to the attorney general for collection, the person must do so within sixty days after the attorney general's initial contact with the person. The attorney general may enter into a compromise with the person under sections 131.02 and 5703.06 of the Revised Code if the person does not file a petition for reassessment with the commissioner.

(D) Nothing in this section prohibits the commissioner or the commissioner's designee from delivering a notice or order by personal service.

(E) Collection actions taken pursuant to section 131.02 of the Revised Code upon any assessment being challenged under division (B)(1)(b) of this section shall be stayed upon the pendency of an appeal under this section. If

a petition for reassessment is filed pursuant to this section on a claim that has been certified to the attorney general for collection, the claim shall be uncertified.

(F) The commissioner may serve a notice or order upon the person affected by the notice or order through secure electronic means only with the person's consent. The commissioner must inform the recipient, electronically or by mail, that a notice or order is available for electronic review and provide instructions to access and print the notice or order. The recipient's electronic access of the notice or order satisfies the requirements for delivery under this section. If the recipient fails to access the notice or order electronically within ten business days, then the commissioner shall inform the recipient a second time, electronically or by mail, that a notice or order is available for electronic review and provide instructions to access and print the notice or order. If the recipient fails to access the notice or order electronically within ten business days of the second notification, the notice or order shall be served upon the person through ~~one of~~ the means provided in division ~~(A)(1)~~(B)(2) of this section.

(G) As used in this section:

(1) "Last known address" means the address the department has at the time the document is originally sent by certified mail, or any address the department can ascertain using reasonable means such as the use of a change of address service offered by the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code.

(2) "Undeliverable address" means an address to which the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code is not able to deliver a notice or order, except when the reason for nondelivery is because the addressee fails to acknowledge or accept the notice or order.

(A) "Tax" includes only those taxes imposed on tangible personal property listed in accordance with Chapter 5711. of the Revised Code and taxes imposed under Chapters 5733., 5736., 5739., 5741., 5747., and 5751. of the Revised Code.

(B) "Taxpayer" means a person subject to or potentially subject to a tax including an employer required to deduct and withhold any amount under section 5747.06 of the Revised Code.

(C) "Audit" means the examination of a taxpayer or the inspection of the books, records, memoranda, or accounts of a taxpayer for the purpose of determining liability for a tax.

(D) "Assessment" means a notice of underpayment or nonpayment of a tax issued pursuant to section 5711.26, 5711.32, 5733.11, 5736.09, 5739.13, 5741.11, 5741.13, 5747.13, or 5751.09 of the Revised Code.

(E) "County auditor" means the auditor of the county in which the tangible personal property subject to a tax is located.

The notice shall be sent to the address shown on the application unless the applicant notifies the commissioner of a different address. The applicant shall have sixty days from the date the commissioner mails the notice to provide additional information to the commissioner or request a hearing, or both.

(B) If the applicant neither requests a hearing nor provides additional information to the tax commissioner within the time prescribed by division (A) of this section, the commissioner shall take no further action, and the refund or compensation amount denied becomes final.

(C)(1) If the applicant requests a hearing within the time prescribed by division (A) of this section, the tax commissioner shall assign a time and place for the hearing and notify the applicant of such time and place, but the commissioner may continue the hearing from time to time as necessary. After the hearing, the commissioner may make such adjustments to the refund or compensation as the commissioner finds proper, and shall issue a final determination thereon.

(2) If the applicant does not request a hearing, but provides additional information, within the time prescribed by division (A) of this section, the commissioner shall review the information, make such adjustments to the refund or compensation as the commissioner finds proper, and issue a final determination thereon.

(3) The commissioner shall serve a copy of the final determination made under division (C)(1) or (2) of this section on the applicant in the manner provided in section 5703.37 of the Revised Code, and the decision is final, subject to appeal under section 5717.02 of the Revised Code.

If the total amount of any such tax shown to be due on a return, amended return, or notice does not exceed one dollar, the taxpayer shall not be required to remit the amount due. If the total amount of a taxpayer's overpayment of any such tax does not exceed one dollar, the tax commissioner shall not be required to refund the overpayment.

Sec. 5703.76. Any payment or distribution of money that the tax commissioner is required by law to make to a political subdivision of this state, an officer thereof, or a political party shall be made by electronic funds transfer. The commissioner shall promulgate any rules necessary to administer this section.

The commissioner shall issue the assessment in accordance with any other provision of the Revised Code applicable to assessments for the tax for which the person to be assessed is liable.

Sec. 5703.91. (A) If any corporation, wherever organized, that is required by law to file any report or return or to pay any tax or fee as a corporation organized under the laws of the state for profit, or as a foreign corporation for profit doing business in this state or owning or issuing a part or all of its capital or property in this state, fails to file the required report or return or to pay the required tax or fee for ninety days after the time prescribed by law for filing or payment, the tax commissioner shall certify the failure with the secretary of state.

The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election.

When the electors of a subdivision or, in the case of a qualifying library

levy for the support of a library association or private corporation, the electors of the association library district, have approved a tax levy under this section, the taxing authority of the subdivision may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.

Sec. 5705.192. (A) For the purposes of this section only, "taxing authority" includes a township board of park commissioners appointed under section 511.18 of the Revised Code.

(B) A taxing authority may propose to replace an existing levy that the taxing authority is authorized to levy, regardless of the section of the Revised Code under which the authority is granted, except a school district emergency levy proposed pursuant to sections 5705.194 to 5705.197 of the Revised Code. The taxing authority may propose to replace the existing levy in its entirety at the rate at which it is authorized to be levied; may propose to replace a portion of the existing levy at a lesser rate; or may propose to replace the existing levy in its entirety and increase the rate at which it is levied. If the taxing authority proposes to replace an existing levy, the proposed levy shall be called a replacement levy and shall be so designated on the ballot. Except as otherwise provided in this division, a replacement levy shall be limited to the purpose of the existing levy, and shall appear separately on the ballot from, and shall not be conjoined with, the renewal of any other existing levy. In the case of an existing school district levy imposed under section 5705.21 of the Revised Code for the purpose specified in division (F) of section 5705.19 of the Revised Code, or in the case of an existing school district levy imposed under section 5705.217 of the Revised Code for the acquisition, construction, enlargement, renovation, and financing of permanent improvements, the replacement for that existing levy may be for the same purpose or for the purpose of general permanent improvements as defined in section 5705.21 of the Revised Code.

The resolution proposing a replacement levy shall specify the purpose of the levy; its proposed rate expressed in mills; whether the proposed rate is the same as the rate of the existing levy, a reduction, or an increase; the extent of any reduction or increase expressed in mills; the first calendar year in which the levy will be due; and the term of the levy, expressed in years or, if applicable, that it will be levied for a continuing period of time.

The sections of the Revised Code governing the maximum rate and term of the existing levy, the contents of the resolution that proposed the levy, the adoption of the resolution, the arrangements for the submission of the question of the levy, and notice of the election also govern the respective provisions of the proposal to replace the existing levy, except as provided in

divisions (B)(1) to (3) of this section:

(1) In the case of an existing school district levy that is imposed under section 5705.21 of the Revised Code for the purpose specified in division (F) of section 5705.19 of the Revised Code or under section 5705.217 of the Revised Code for the acquisition, construction, enlargement, renovation, and financing of permanent improvements, and that is to be replaced by a levy for general permanent improvements, the maximum term of the replacement levy is not limited to the term of the existing levy and may be for a continuing period of time.

(2) The date on which the election is held shall be as follows:

(a) For the replacement of a levy with a fixed term of years, the date of the general election held during the last year the existing levy may be extended on the real and public utility property tax list and duplicate, or the date of any election held in the ensuing year;

(b) For the replacement of a levy imposed for a continuing period of time, the date of any election held in any year after the year the levy to be replaced is first approved by the electors, except that only one election on the question of replacing the levy may be held during any calendar year.

The failure by the electors to approve a proposal to replace a levy imposed for a continuing period of time does not terminate the existing continuing levy.

(3) In the case of an existing school district levy imposed under division (B) of section 5705.21, division (C) of section 5705.212, or division (J) of section 5705.218 of the Revised Code, the rates allocated to the municipal school district and to partnering community schools each may be increased or decreased or remain the same, and the total rate may be increased, decreased, or remain the same.

(C) The form of the ballot at the election on the question of a replacement levy shall be as follows:

"A replacement of a tax for the benefit of (name of subdivision or public library) for the purpose of (the purpose stated in the resolution) at a rate not exceeding mills for each one dollar of valuation, which amounts to (rate expressed in dollars and cents) for each one hundred dollars in valuation, for (number of years levy is to run, or that it will be levied for a continuous period of time)

	FOR THE TAX LEVY	"
	AGAINST THE TAX LEVY	

If the replacement levy is proposed by a municipal school district to replace an existing tax levied under division (B) of section 5705.21, division (C)(1) of section 5705.212, or division (J) of section 5705.218 of the Revised Code, the form of the ballot shall be modified by adding, after the phrase "each one dollar of valuation," the following: "(of which mills is to be allocated to partnering community schools)."

If the proposal is to replace an existing levy and increase the rate of the existing levy, the form of the ballot shall be changed by adding the words "..... mills of an existing levy and an increase of mills, to constitute" after the words "a replacement of." If the proposal is to replace only a portion of an existing levy, the form of the ballot shall be changed by adding the words "a portion of an existing levy, being a reduction of mills, to constitute" after the words "a replacement of." If the existing levy is imposed under division (B) of section 5705.21, division (C)(1) of section 5705.212, or division (J) of section 5705.218 of the Revised Code, the form of the ballot also shall state the portion of the total increased rate or of the total rate as reduced that is to be allocated to partnering community schools.

If the tax is to be placed on the tax list of the current tax year, the form of the ballot shall be modified by adding at the end of the form the phrase ", commencing in (first year the replacement tax is to be levied), first due in calendar year (first calendar year in which the tax shall be due)."

The question covered by the resolution shall be submitted as a separate proposition, but may be printed on the same ballot with any other proposition submitted at the same election, other than the election of officers. More than one such question may be submitted at the same election.

(D) Two existing levies, or any portion of those levies, may be combined into one replacement levy, so long as both of the existing levies are for the same purpose and either both are due to expire the same year or both are for a continuing period of time. The question of combining all or portions of the two existing levies into the replacement levy shall appear as one ballot proposition before the electors. If the electors approve the ballot proposition, all or the stated portions of the two existing levies are replaced by one replacement levy.

(E) A levy approved in excess of the ten-mill limitation under this section shall be certified to the tax commissioner. In the first year of a levy approved under this section, the levy shall be extended on the tax lists after the February settlement succeeding the election at which the levy was approved. If the levy is to be placed on the tax lists of the current year, as

specified in the resolution providing for its submission, the result of the election shall be certified immediately after the canvass by the board of elections to the taxing authority, which shall forthwith make the necessary levy and certify it to the county auditor, who shall extend it on the tax lists for collection. After the first year, the levy shall be included in the annual tax budget that is certified to the county budget commission.

If notes are authorized to be issued in anticipation of the proceeds of the existing levy, notes may be issued in anticipation of the proceeds of the replacement levy, and such issuance is subject to the terms and limitations governing the issuance of notes in anticipation of the proceeds of the existing levy.

(F) This section does not authorize a tax to be levied in any year after the year in which revenue is not needed for the purpose for which the tax is levied.

Sec. 5705.21. (A) At any time, the board of education of any city, local, exempted village, cooperative education, or joint vocational school district, by a vote of two-thirds of all its members, may declare by resolution that the amount of taxes which may be raised within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide an adequate amount for the necessary requirements of the school district, that it is necessary to levy a tax in excess of such limitation for one of the purposes specified in division (A), (D), (F), (H), or (DD) of section 5705.19 of the Revised Code, for general permanent improvements, for the purpose of operating a cultural center, for the purpose of providing for school safety and security, or for the purpose of providing education technology, and that the question of such additional tax levy shall be submitted to the electors of the school district at a special election on a day to be specified in the resolution. In the case of a qualifying library levy for the support of a library association or private corporation, the question shall be submitted to the electors of the association library district. If the resolution states that the levy is for the purpose of operating a cultural center, the ballot shall state that the levy is "for the purpose of operating the (name of cultural center)."

As used in this division, "cultural center" means a freestanding building, separate from a public school building, that is open to the public for educational, musical, artistic, and cultural purposes; "education technology" means, but is not limited to, computer hardware, equipment, materials, and accessories, equipment used for two-way audio or video, and software; and "general permanent improvements" means permanent improvements without regard to the limitation of division (F) of section 5705.19 of the

Revised Code that the improvements be a specific improvement or a class of improvements that may be included in a single bond issue.

A resolution adopted under this division shall be confined to a single purpose and shall specify the amount of the increase in rate that it is necessary to levy, the purpose of the levy, and the number of years during which the increase in rate shall be in effect. The number of years may be any number not exceeding five or, if the levy is for current expenses of the district or for general permanent improvements, for a continuing period of time.

(B)(1) The board of education of a municipal school district, by resolution, may declare that it is necessary to levy a tax in excess of the ten-mill limitation for the purpose of paying the current expenses of the district and of partnering community schools and that the question of the additional tax levy shall be submitted to the electors of the school district at a special election on a day to be specified in the resolution. The resolution shall state the purpose of the levy, the rate of the tax expressed in mills per dollar of taxable value, the number of such mills to be levied for the current expenses of the partnering community schools and the number of such mills to be levied for the current expenses of the school district, the number of years the tax will be levied, and the first year the tax will be levied. The number of years the tax may be levied may be any number not exceeding ten years, or for a continuing period of time.

The levy of a tax for the current expenses of a partnering community school under this section and the distribution of proceeds from the tax by a municipal school district to partnering community schools is hereby determined to be a proper public purpose.

(2) The form of the ballot at an election held pursuant to division (B) of this section shall be as follows:

"Shall a levy be imposed by the (insert the name of the municipal school district) for the purpose of current expenses of the school district and of partnering community schools at a rate not exceeding (insert the number of mills) mills for each one dollar of valuation (of which (insert the number of mills to be allocated to partnering community schools) mills is to be allocated to partnering community schools), which amounts to (insert the rate expressed in dollars and cents) for each one hundred dollars of valuation, for (insert the number of years the levy is to be imposed, or that it will be levied for a continuing period of time), beginning (insert first year the tax is to be levied), which will first be payable in calendar year (insert the first calendar year in which the tax would be payable)?

	FOR THE TAX LEVY	"
	AGAINST THE TAX LEVY	

(3) Upon each receipt of a tax distribution by the municipal school district, the board of education shall credit the portion allocated to partnering community schools to the partnering community schools fund. All income from the investment of money in the partnering community schools fund shall be credited to that fund.

Not more than forty-five days after the municipal school district receives and deposits each tax distribution, the board of education shall distribute the partnering community schools amount among the then qualifying community schools. From each tax distribution, each such partnering community school shall receive a portion of the partnering community schools amount in the proportion that the number of its resident students bears to the aggregate number of resident students of all such partnering community schools as of the date of receipt and deposit of the tax distribution. For the purposes of this division, the number of resident students shall be the number of such students reported under section 3317.03 of the Revised Code and established by the department of education as of the date of receipt and deposit of the tax distribution.

(4) To the extent an agreement whereby the municipal school district and a community school endorse each other's programs is necessary for the community school to qualify as a partnering community school under division (B)(6)(b) of this section, the board of education of the school district shall certify to the department of education the agreement along with the determination that such agreement satisfies the requirements of that division. The board's determination is conclusive.

(5) For the purposes of Chapter 3317. of the Revised Code or other laws referring to the "taxes charged and payable" for a school district, the taxes charged and payable for a municipal school district that levies a tax under division (B) of this section includes only the taxes charged and payable under that levy for the current expenses of the school district, and does not include the taxes charged and payable for the current expenses of partnering community schools. The taxes charged and payable for the current expenses of partnering community schools shall not affect the calculation of "state education aid" as defined in section 5751.20 of the Revised Code.

(6) As used in division (B) of this section:

(a) "Municipal school district" has the same meaning as in section 3311.71 of the Revised Code.

(b) "Partnering community school" means a community school

established under Chapter 3314. of the Revised Code that is located within the territory of the municipal school district and that either is sponsored by the district or is a party to an agreement with the district whereby the district and the community school endorse each other's programs.

(c) "Partnering community schools amount" means the product obtained, as of the receipt and deposit of the tax distribution, by multiplying the amount of a tax distribution by a fraction, the numerator of which is the number of mills per dollar of taxable value of the property tax to be allocated to partnering community schools, and the denominator of which is the total number of mills per dollar of taxable value authorized by the electors in the election held under division (B) of this section, each as set forth in the resolution levying the tax.

(d) "Partnering community schools fund" means a separate fund established by the board of education of a municipal school district for the deposit of partnering community school amounts under this section.

(e) "Resident student" means a student enrolled in a partnering community school who is entitled to attend school in the municipal school district under section 3313.64 or 3313.65 of the Revised Code.

(f) "Tax distribution" means a distribution of proceeds of the tax authorized by division (B) of this section under section 321.24 of the Revised Code and distributions that are attributable to that tax under sections 323.156 and 4503.068 of the Revised Code or other applicable law.

(C) A resolution adopted under this section shall specify the date of holding the election, which shall not be earlier than ninety days after the adoption and certification of the resolution and which shall be consistent with the requirements of section 3501.01 of the Revised Code.

A resolution adopted under this section may propose to renew one or more existing levies imposed under division (A) or (B) of this section or to increase or decrease a single levy imposed under either such division.

If the board of education imposes one or more existing levies for the purpose specified in division (F) of section 5705.19 of the Revised Code, the resolution may propose to renew one or more of those existing levies, or to increase or decrease a single such existing levy, for the purpose of general permanent improvements.

If the resolution proposes to renew two or more existing levies, the levies shall be levied for the same purpose. The resolution shall identify those levies and the rates at which they are levied. The resolution also shall specify that the existing levies shall not be extended on the tax lists after the year preceding the year in which the renewal levy is first imposed, regardless of the years for which those levies originally were authorized to

be levied.

If the resolution proposes to renew an existing levy imposed under division (B) of this section, the rates allocated to the municipal school district and to partnering community schools each may be increased or decreased or remain the same, and the total rate may be increased, decreased, or remain the same. The resolution and notice of election shall specify the number of the mills to be levied for the current expenses of the partnering community schools and the number of the mills to be levied for the current expenses of the municipal school district.

A resolution adopted under this section shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided for in the notice of election. A copy of the resolution shall immediately after its passing be certified to the board of elections of the proper county in the manner provided by section 5705.25 of the Revised Code. That section shall govern the arrangements for the submission of such question and other matters concerning the election to which that section refers, including publication of notice of the election, except that the election shall be held on the date specified in the resolution. In the case of a resolution adopted under division (B) of this section, the publication of notice of that election shall state the number of the mills to be levied for the current expenses of partnering community schools and the number of the mills to be levied for the current expenses of the municipal school district. If a majority of the electors voting on the question so submitted in an election vote in favor of the levy, the board of education may make the necessary levy within the school district or, in the case of a qualifying library levy for the support of a library association or private corporation, within the association library district, at the additional rate, or at any lesser rate in excess of the ten-mill limitation on the tax list, for the purpose stated in the resolution. A levy for a continuing period of time may be reduced pursuant to section 5705.261 of the Revised Code. The tax levy shall be included in the next tax budget that is certified to the county budget commission.

(D)(1) After the approval of a levy on the current tax list and duplicate for current expenses, for recreational purposes, for community centers provided for in section 755.16 of the Revised Code, or for a public library of the district under division (A) of this section, and prior to the time when the first tax collection from the levy can be made, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy to be collected during the first year of the levy.

(2) After the approval of a levy for general permanent improvements for a specified number of years or for permanent improvements having the purpose specified in division (F) of section 5705.19 of the Revised Code, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy remaining to be collected in each year over a period of five years after the issuance of the notes.

The notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(3) After approval of a levy for general permanent improvements for a continuing period of time, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy to be collected in each year over a specified period of years, not exceeding ten, after the issuance of the notes.

The notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed ten years, and may have a principal payment in the year of their issuance.

(4) After the approval of a levy on the current tax list and duplicate under division (B) of this section, and prior to the time when the first tax collection from the levy can be made, the board of education may anticipate a fraction of the proceeds of the levy for the current expenses of the school district and issue anticipation notes in a principal amount not exceeding fifty per cent of the estimated proceeds of the levy to be collected during the first year of the levy and allocated to the school district. The portion of the levy proceeds to be allocated to partnering community schools under that division shall not be included in the estimated proceeds anticipated under this division and shall not be used to pay debt charges on any anticipation notes.

The notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(E) The submission of questions to the electors under this section is subject to the limitation on the number of election dates established by section 5705.214 of the Revised Code.

Sec. 5705.217. (A) The board of education of a city, local, or exempted

village school district, at any time by a vote of two-thirds of all its members, may declare by resolution that the amount of taxes that can be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the present and future requirements of the school district; that it is necessary to levy an additional tax in excess of that limitation for the purposes of providing funds for current operating expenses and for ~~the acquisition, construction, enlargement, renovation, and financing of general~~ permanent improvements as defined in section 5705.21 of the Revised Code; and that the question of the tax shall be submitted to the electors of the district at a special election. The tax may be levied for a specified number of years not exceeding five or, ~~if the tax is for current operating expenses or for general, on-going permanent improvements~~, for a continuing period of time. The resolution shall specify the proposed tax rate, the first year the tax will be levied, and the number of years it will be levied, or that it will be levied for a continuing period of time. The resolution shall apportion the annual rate of the tax between current operating expenses and permanent improvements. The apportionment may but need not be the same for each year of the tax, but the respective portions of the rate actually levied each year for current operating expenses and permanent improvements shall be limited by the apportionment.

The resolution shall specify the date of holding the special election, which shall not be earlier than ninety days after certification of the resolution to the board of elections and shall be consistent with the requirements of section 3501.01 of the Revised Code. The resolution shall go into immediate effect upon its passage, and no publication of it is necessary other than that provided in the notice of election. The board of education shall certify a copy of the resolution to the board of elections immediately after its adoption. Section 5705.25 of the Revised Code governs the arrangements and form of the ballot for the submission of the question to the electors.

If a majority of the electors voting on the question vote in favor of the tax, the board of education may make the levy at the additional rate, or at any lesser rate in excess of the ten-mill limitation. If the tax is for a continuing period of time, it may be decreased in accordance with section 5705.261 of the Revised Code.

A board of education may adopt a resolution to renew one or more existing levies imposed under this section, or to increase or decrease the rate of a tax levied under this section, for the purpose of providing funds for either current expenses and general permanent improvements or solely for general permanent improvements.

(B)(1) After the approval of a tax for current operating expenses under this section and prior to the time the first collection and distribution from the levy can be made, the board of education may anticipate a fraction of the proceeds of such levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the tax to be collected during the first year of the levy.

(2) After the approval of a tax ~~under this section~~ for general permanent improvements having a specific purpose levied under this section for a specified number of years, the board of education may anticipate a fraction of the proceeds of such tax and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the tax remaining to be collected in each year over a specified period of five years, not exceeding the number of years for which the tax was levied, after issuance of the notes.

(3) After the approval of a tax for general, ~~on-going~~ permanent improvements levied under this section for a continuing period of time, the board of education may anticipate a fraction of the proceeds of such tax and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the tax to be collected in each year over a specified period of years, not exceeding ten, after issuance of the notes.

Anticipation notes under this section shall be issued as provided in section 133.24 of the Revised Code. Notes issued under division (B)(1) or (2) of this section shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance. Notes issued under division (B)(3) of this section shall have principal payments during each year after the year of their issuance over a period not to exceed ten years, and may have a principal payment in the year of their issuance.

(C) The submission of a question to the electors under this section is subject to the limitation on the number of elections that can be held in a year under section 5705.214 of the Revised Code.

Sec. 5705.218. (A) The board of education of a city, local, or exempted village school district, at any time by a vote of two-thirds of all its members, may declare by resolution that it may be necessary for the school district to issue general obligation bonds for permanent improvements. The resolution shall state all of the following:

- (1) The necessity and purpose of the bond issue;
- (2) The date of the special election at which the question shall be submitted to the electors;
- (3) The amount, approximate date, estimated rate of interest, and

maximum number of years over which the principal of the bonds may be paid;

(4) The necessity of levying a tax outside the ten-mill limitation to pay debt charges on the bonds and any anticipatory securities.

On adoption of the resolution, the board shall certify a copy of it to the county auditor. The county auditor promptly shall estimate and certify to the board the average annual property tax rate required throughout the stated maturity of the bonds to pay debt charges on the bonds, in the same manner as under division (C) of section 133.18 of the Revised Code.

(B) After receiving the county auditor's certification under division (A) of this section, the board of education of the city, local, or exempted village school district, by a vote of two-thirds of all its members, may declare by resolution that the amount of taxes that can be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the present and future requirements of the school district; that it is necessary to issue general obligation bonds of the school district for permanent improvements and to levy an additional tax in excess of the ten-mill limitation to pay debt charges on the bonds and any anticipatory securities; that it is necessary for a specified number of years or for a continuing period of time to levy additional taxes in excess of the ten-mill limitation to provide funds for the acquisition, construction, enlargement, renovation, and financing of permanent improvements or to pay for current operating expenses, or both; and that the question of the bonds and taxes shall be submitted to the electors of the school district at a special election, which shall not be earlier than ninety days after certification of the resolution to the board of elections, and the date of which shall be consistent with section 3501.01 of the Revised Code. The resolution shall specify all of the following:

(1) The county auditor's estimate of the average annual property tax rate required throughout the stated maturity of the bonds to pay debt charges on the bonds;

(2) The proposed rate of the tax, if any, for current operating expenses, the first year the tax will be levied, and the number of years it will be levied, or that it will be levied for a continuing period of time;

(3) The proposed rate of the tax, if any, for permanent improvements, the first year the tax will be levied, and the number of years it will be levied, or that it will be levied for a continuing period of time.

The resolution shall apportion the annual rate of the tax between current operating expenses and permanent improvements, if both taxes are proposed. The apportionment may but need not be the same for each year of the tax, but the respective portions of the rate actually levied each year for

current operating expenses and permanent improvements shall be limited by the apportionment. The resolution shall go into immediate effect upon its passage, and no publication of it is necessary other than that provided in the notice of election. The board of education shall certify a copy of the resolution, along with copies of the auditor's estimate and its resolution under division (A) of this section, to the board of elections immediately after its adoption.

(C) The board of elections shall make the arrangements for the submission to the electors of the school district of the question proposed under division (B) or (J) of this section, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in the district for the election of county officers. The resolution shall be put before the electors as one ballot question, with a favorable vote indicating approval of the bond issue, the levy to pay debt charges on the bonds and any anticipatory securities, the current operating expenses levy, the permanent improvements levy, and the levy for the current expenses of a municipal school district and of partnering community schools, as those levies may be proposed. The board of elections shall publish notice of the election in a newspaper of general circulation in the school district once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, prior to the election. If a board of elections operates and maintains a web site, that board also shall post notice of the election on its web site for thirty days prior to the election. The notice of election shall state all of the following:

- (1) The principal amount of the proposed bond issue;
- (2) The permanent improvements for which the bonds are to be issued;
- (3) The maximum number of years over which the principal of the bonds may be paid;
- (4) The estimated additional average annual property tax rate to pay the debt charges on the bonds, as certified by the county auditor;
- (5) The proposed rate of the additional tax, if any, for current operating expenses and, if the question is proposed under division (J) of this section, the portion of the rate to be allocated to the school district and the portion to be allocated to partnering community schools;
- (6) The number of years the current operating expenses tax will be in effect, or that it will be in effect for a continuing period of time;
- (7) The proposed rate of the additional tax, if any, for permanent improvements;
- (8) The number of years the permanent improvements tax will be in effect, or that it will be in effect for a continuing period of time;
- (9) The time and place of the special election.

(D) The form of the ballot for an election under this section is as follows:

"Shall the school district be authorized to do the following:

(1) Issue bonds for the purpose of in the principal amount of \$....., to be repaid annually over a maximum period of years, and levy a property tax outside the ten-mill limitation, estimated by the county auditor to average over the bond repayment period mills for each one dollar of tax valuation, which amounts to (rate expressed in cents or dollars and cents, such as "36 cents" or "\$1.41") for each \$100 of tax valuation, to pay the annual debt charges on the bonds, and to pay debt charges on any notes issued in anticipation of those bonds?"

If either a levy for permanent improvements or a levy for current operating expenses is proposed, or both are proposed, the ballot also shall contain the following language, as appropriate:

"(2) Levy an additional property tax to provide funds for the acquisition, construction, enlargement, renovation, and financing of permanent improvements at a rate not exceeding mills for each one dollar of tax valuation, which amounts to (rate expressed in cents or dollars and cents) for each \$100 of tax valuation, for (number of years of the levy, or a continuing period of time)?

(3) Levy an additional property tax to pay current operating expenses at a rate not exceeding mills for each one dollar of tax valuation, which amounts to (rate expressed in cents or dollars and cents) for each \$100 of tax valuation, for (number of years of the levy, or a continuing period of time)?

	FOR THE BOND ISSUE AND LEVY (OR LEVIES)	"
	AGAINST THE BOND ISSUE AND LEVY (OR LEVIES)	

If the question is proposed under division (J) of this section, the form of the ballot shall be modified as prescribed by division (J)(4) of this section.

(E) The board of elections promptly shall certify the results of the election to the tax commissioner and the county auditor of the county in which the school district is located. If a majority of the electors voting on the question vote for it, the board of education may proceed with issuance of the bonds and with the levy and collection of the property tax or taxes at the additional rate or any lesser rate in excess of the ten-mill limitation. Any securities issued by the board of education under this section are Chapter

133. securities, as that term is defined in section 133.01 of the Revised Code.

	For the Tax Levy
	Against the Tax Levy

(C) If the levy is to be in effect for a continuing period of time, the notice of election and the form of ballot shall so state instead of setting forth a specified number of years for the levy.

If the tax is to be placed on the current tax list, the form of the ballot shall be modified by adding, after the statement of the number of years the levy is to run, the phrase ", commencing in (first year the tax is to be levied), first due in calendar year (first calendar year in which the tax shall be due)."

If the levy submitted is a proposal to renew, increase, or decrease an

existing levy, the form of the ballot specified in division (B) of this section may be changed by substituting for the words "An additional" at the beginning of the form, the words "A renewal of a" in case of a proposal to renew an existing levy in the same amount; the words "A renewal of mills and an increase of mills to constitute a" in the case of an increase; or the words "A renewal of part of an existing levy, being a reduction of mills, to constitute a" in the case of a decrease in the proposed levy.

(D) A levy voted in excess of the ten-mill limitation under this section shall be certified to the tax commissioner. In the first year of the levy, it shall be extended on the tax lists after the February settlement succeeding the election. If the additional tax is to be placed upon the tax list of the current year, as specified in the resolution providing for its submission, the result of the election shall be certified immediately after the canvass by the board of elections to the taxing authority, who shall make the necessary levy and certify it to the county auditor, who shall extend it on the tax lists for collection. The

resolution shall conform to section 5705.19 of the Revised Code, except that the tax levy may be in effect for no more than five years, as set forth in the resolution, unless the levy is for the payment of debt charges, and the total number of mills levied for each dollar of taxable valuation that may be levied under this section for any tax year shall not exceed one mill. If the levy is for the payment of debt charges, the levy shall be for the life of the bond indebtedness.

The resolution shall specify the date of holding the election, which shall not be earlier than ninety days after the adoption and certification of the resolution to the board of elections. The resolution shall not include a levy on the current tax list and duplicate unless the election is to be held at or prior to the first Tuesday after the first Monday in November of the current tax year.

The resolution shall be certified to the board of elections of the proper county or counties not less than ninety days before the date of the election. The resolution shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided in the notice of election. Section 5705.25 of the Revised Code shall govern the arrangements for the submission of such question and other matters concerning the election, to which that section refers, except that the election shall be held on the date specified in the resolution. If a majority of the electors voting on the question so submitted in an election vote in favor of the levy, the board of directors may forthwith make the necessary levy within the boundaries of the impacted lake district at the additional rate in excess of the ten-mill limitation on the tax list, for the purpose stated in the resolution. The tax levy shall be included in the next annual tax budget that is certified to the county budget commission.

(B) The form of the ballot in an election held on the question of levying a tax proposed pursuant to this section shall be as follows or in any other form acceptable to the secretary of state:

"

(C) On approval of the levy, notes may be issued in anticipation of the

collection of the proceeds of the tax levy, other than the proceeds to be received for the payment of bond debt charges, in the amount and manner and at the times as are provided in section 5705.193 of the Revised Code, for the issuance of notes by a county in anticipation of the proceeds of a tax levy. The lake facilities authority may borrow money in anticipation of the collection of current revenues as provided in section 133.10 of the Revised Code.

(D) If a tax is levied under this section in a tax year, no other taxing authority of a subdivision or taxing unit, including a port authority, may levy a tax on property in the impacted lake district in the same tax year if the purpose of the levy is substantially the same as the purpose for which the lake facilities authority of the impacted lake district was created.

Sec. 5709.17. The following property shall be exempted from taxation:

(A) Real estate held or occupied by an association or corporation, organized or incorporated under the laws of this state relative to soldiers' memorial associations, monumental building associations, or cemetery associations or corporations, which in the opinion of the trustees, directors, or managers thereof is necessary and proper to carry out the object intended for such association or corporation;

primarily for meetings of and the administration of the fraternal organization, except real estate held by such an organization for the production of rental income in excess of thirty-six thousand dollars in a tax year, before accounting for any cost or expense incurred in the production of such income. As used in this division, "rental income" has the same meaning as in division (B) of this section, and "fraternal organization" means a domestic fraternal society, order, or association operating under the lodge, council, or grange system that qualifies for exemption from taxation under section 501(c)(5), 501(c)(8), or 501(c)(10) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 1, as amended; that provides financial support for charitable purposes, as defined in division (B)(12) of section 5739.02 of the Revised Code; and that has been operating in this state with a state governing body for at least one hundred years.

Sec. 5709.40. (A) As used in this section:

(1) "Blighted area" and "impacted city" have the same meanings as in section 1728.01 of the Revised Code.

(2) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined under section 1.14 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Improvement" means the increase in the assessed value of any real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of an ordinance adopted under this section were it not for the exemption granted by that ordinance.

(5) "Incentive district" means an area not more than three hundred acres in size enclosed by a continuous boundary in which a project is being, or will be, undertaken and having one or more of the following distress characteristics:

(a) At least fifty-one per cent of the residents of the district have incomes of less than eighty per cent of the median income of residents of the political subdivision in which the district is located, as determined in the same manner specified under section 119(b) of the "Housing and Community Development Act of 1974," 88 Stat. 633, 42 U.S.C. 5318, as amended;

(b) The average rate of unemployment in the district during the most recent twelve-month period for which data are available is equal to at least one hundred fifty per cent of the average rate of unemployment for this state for the same period.

(c) At least twenty per cent of the people residing in the district live at

or below the poverty level as defined in the federal Housing and Community Development Act of 1974, 42 U.S.C. 5301, as amended, and regulations adopted pursuant to that act.

(d) The district is a blighted area.

(e) The district is in a situational distress area as designated by the director of development under division (F) of section 122.23 of the Revised Code.

(f) As certified by the engineer for the political subdivision, the public infrastructure serving the district is inadequate to meet the development needs of the district as evidenced by a written economic development plan or urban renewal plan for the district that has been adopted by the legislative authority of the subdivision.

(g) The district is comprised entirely of unimproved land that is located in a distressed area as defined in section 122.23 of the Revised Code.

(6) "Project" means development activities undertaken on one or more parcels, including, but not limited to, construction, expansion, and alteration of buildings or structures, demolition, remediation, and site development, and any building or structure that results from those activities.

(7) "Public infrastructure improvement" includes, but is not limited to, public roads and highways; water and sewer lines; environmental remediation; land acquisition, including acquisition in aid of industry, commerce, distribution, or research; demolition, including demolition on private property when determined to be necessary for economic development purposes; stormwater and flood remediation projects, including such projects on private property when determined to be necessary for public health, safety, and welfare; the provision of gas, electric, and communications service facilities; and the enhancement of public waterways through improvements that allow for greater public access.

(B) The legislative authority of a municipal corporation, by ordinance, may declare improvements to certain parcels of real property located in the municipal corporation to be a public purpose. Improvements with respect to a parcel that is used or to be used for residential purposes may be declared a public purpose under this division only if the parcel is located in a blighted area of an impacted city. For this purpose, "parcel that is used or to be used for residential purposes" means a parcel that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the parcel as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the

improvements are located, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation for a period of not more than ten years. The ordinance shall specify the percentage of the improvement to be exempted from taxation and the life of the exemption.

An ordinance adopted or amended under this division shall designate the specific public infrastructure improvements made, to be made, or in the process of being made by the municipal corporation that directly benefit, or that once made will directly benefit, the parcels for which improvements are declared to be a public purpose. The service payments provided for in section 5709.42 of the Revised Code shall be used to finance the public infrastructure improvements designated in the ordinance, for the purpose described in division (D)(1) of this section or as provided in section 5709.43 of the Revised Code.

(C)(1) The legislative authority of a municipal corporation may adopt an ordinance creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (F) of this section, exempt from taxation as provided in this section, but no legislative authority of a municipal corporation that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt an ordinance that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the municipal corporation that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the municipal corporation for the preceding tax year. The ordinance shall delineate the boundary of the district and specifically identify each parcel within the district. A district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. An ordinance may create more than one such district, and more than one ordinance may be adopted under division (C)(1) of this section.

(2) Not later than thirty days prior to adopting an ordinance under division (C)(1) of this section, if the municipal corporation intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the legislative authority of a municipal corporation shall conduct a public hearing on the proposed ordinance. Not later than thirty days prior to

the public hearing, the legislative authority shall give notice of the public hearing and the proposed ordinance by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed ordinance.

(3)(a) An ordinance adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The ordinance also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the ordinance. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes. Except as otherwise permitted under that division, the service payments provided for in section 5709.42 of the Revised Code shall be used to finance the designated public infrastructure improvements, for the purpose described in division (D)(1) or (E) of this section, or as provided in section 5709.43 of the Revised Code.

An ordinance adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.42 of the Revised Code and received by the municipal corporation under the ordinance shall be used for police or fire equipment.

(b) An ordinance adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.42 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the ordinance also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The ordinance shall designate the parcels within the district that are eligible for housing renovation. The ordinance shall state separately the amounts or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the general purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this

section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D)(1) If the ordinance declaring improvements to a parcel to be a public purpose or creating an incentive district specifies that payments in lieu of taxes provided for in section 5709.42 of the Revised Code shall be paid to the city, local, or exempted village, and joint vocational school district in which the parcel or incentive district is located in the amount of the taxes that would have been payable to the school district if the improvements had not been exempted from taxation, the percentage of the improvement that may be exempted from taxation may exceed seventy-five per cent, and the exemption may be granted for up to thirty years, without the approval of the board of education as otherwise required under division (D)(2) of this section.

(2) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval under this paragraph of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvement exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting an ordinance under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the legislative authority shall deliver to the board of education a notice stating its intent to adopt an ordinance making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvement that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The notice regarding improvements to parcels within an incentive district under division (C) of this section shall delineate the boundaries of the district, specifically identify each parcel within the

district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvement in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation. If an agreement is negotiated between the legislative authority and the board to compensate the school district for all or part of the taxes exempted, including agreements for payments in lieu of taxes under section 5709.42 of the Revised Code, the legislative authority shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) The board of education shall certify its resolution to the legislative authority not later than fourteen days prior to the date the legislative authority intends to adopt the ordinance as indicated in the notice. If the board of education and the legislative authority negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for the number of years specified in the ordinance or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. In either case, if the board and the legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board fails to certify a resolution to the legislative authority within the time prescribed by this division, the legislative authority thereupon may adopt the ordinance and may declare the improvements a public purpose for up to thirty years, or, in the case of exemption percentages proposed in

excess of seventy-five per cent, for the exemption percentage specified in the ordinance. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority, or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board and the legislative authority.

(4) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of exemptions by the board is not required under division (D) of this section. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under division (D) of this section fewer than forty-five business days prior to the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days prior to such adoption as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(5) If the legislative authority is not required by division (D) of this section to notify the board of education of the legislative authority's intent to declare improvements to be a public purpose, the legislative authority shall comply with the notice requirements imposed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(E)(1) If a proposed ordinance under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the ordinance the legislative authority of the municipal corporation shall deliver to the board of county commissioners of the county within which the incentive district will be located a notice that states its intent to adopt an ordinance creating an incentive district. The notice shall include a copy of the proposed ordinance, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the legislative authority intends to

adopt the ordinance.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the legislative authority. In no case shall the compensation provided to the board exceed the property taxes forgone due to the exemption. If the board of county commissioners objects, and the board and legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance adopted under division (C)(1) of this section shall provide to the board compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the legislative authority not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the legislative authority may adopt the ordinance, and no compensation shall be provided to the board of county commissioners. If the board timely certifies its resolution objecting to the ordinance, the legislative authority may adopt the ordinance at any time after a mutually acceptable compensation agreement is agreed to by the board and the legislative authority, or, if no compensation agreement is negotiated, at any time after the legislative authority agrees in the proposed ordinance to provide compensation to the board of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to an ordinance creating an incentive

district under division (C)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.42 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community mental retardation and developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(G) An exemption from taxation granted under this section commences

with the tax year specified in the ordinance so long as the year specified in the ordinance commences after the effective date of the ordinance. If the ordinance specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the ordinance. ~~Except~~ In lieu of stating a specific year, the ordinance may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the ordinance. With respect to the exemption of improvements to parcels under division (B) of this section, the ordinance may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the ordinance as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the municipal public improvement tax increment equivalent fund established under division (A) of section 5709.43 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the ordinance, if the legislative authority and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (D)(2) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) Additional municipal financing of public infrastructure improvements and housing renovations may be provided by any methods that the municipal corporation may otherwise use for financing such improvements or renovations. If the municipal corporation issues bonds or notes to finance the public infrastructure improvements and housing renovations and pledges money from the municipal public improvement tax

increment equivalent fund to pay the interest on and principal of the bonds or notes, the bonds or notes are not subject to Chapter 133. of the Revised Code.

(I) The municipal corporation, not later than fifteen days after the adoption of an ordinance under this section, shall submit to the director of development a copy of the ordinance. On or before the thirty-first day of March of each year, the municipal corporation shall submit a status report to the director of development. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the funds created under section 5709.43 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a legislative authority from declaring to be a public purpose improvements with respect to more than one parcel.

(K) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

Sec. 5709.73. (A) As used in this section and section 5709.74 of the Revised Code:

(1) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(2) "Further improvements" or "improvements" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under this section were it not for the exemption granted by that resolution. For purposes of division (B) of this section, "improvements" do not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (F) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the township for the preceding tax year. The district shall be located within the unincorporated area of the township and shall not include any territory that is included within a district created under division (B) of section 5709.78 of the Revised Code. The resolution shall delineate the boundary of the district and specifically identify each parcel within the district. A district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. A resolution may create more than one district, and more than one resolution may be adopted under division (C)(1) of this section.

(2) Not later than thirty days prior to adopting a resolution under

division (C)(1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution.

(3)(a) A resolution adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.74 of the Revised Code and received by the township under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.74 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the

incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the board of township trustees shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The notice regarding improvements made under division (C) of this section to parcels within an incentive district shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of

township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to

approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (D) of this section. If a board of education has adopted a resolution allowing a board of township trustees to deliver the notice required under division (D) of this section fewer than forty-five business days prior to adoption of the resolution by the board of township trustees, the board of township trustees shall deliver the notice to the board of education not later than the number of days prior to the adoption as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of township trustees. If the board of education rescinds the resolution, it shall certify notice of the rescission to the board of township trustees.

If the board of township trustees is not required by division (D) of this section to notify the board of education of the board of township trustees' intent to declare improvements to be a public purpose, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive the notice.

(E)(1) If a proposed resolution under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of township trustees shall deliver to the board of county commissioners of the county within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board of township trustees intends to adopt the resolution.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the

improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the board of township trustees. In no case shall the compensation provided to the board of county commissioners exceed the property taxes foregone due to the exemption. If the board of county commissioners objects, and the board of county commissioners and board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (C)(1) of this section shall provide to the board of county commissioners compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board of county commissioner's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district

under division (C)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.74 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community mental retardation and developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or families;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(G) An exemption from taxation granted under this section commences

with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. ~~Except~~ In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (B) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section 5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public

infrastructure improvements and housing renovations made pursuant to this section. The notes shall be signed by the board and attested by the signature of the township fiscal officer, shall bear interest not to exceed the rate provided in section 9.95 of the Revised Code, and are not subject to Chapter 133. of the Revised Code. The resolution authorizing the issuance of the notes shall pledge the funds of the township public improvement tax increment equivalent fund established pursuant to section 5709.75 of the Revised Code to pay the interest on and principal of the notes. The notes, which may contain a clause permitting prepayment at the option of the board, shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development a copy of the resolution. On or before the thirty-first day of March of each year, the township shall submit a status report to the director of development. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that the exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.75 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with the expenditures; and a quantitative summary of changes in private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a board of township trustees from declaring to be a public purpose improvements with respect to more than one parcel.

If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

(K) A board of township trustees that adopted a resolution under this section prior to July 21, 1994, may amend that resolution to include any additional public infrastructure improvement. A board of township trustees that seeks by the amendment to utilize money from its township public improvement tax increment equivalent fund for land acquisition in aid of industry, commerce, distribution, or research, demolition on private property, or stormwater and flood remediation projects may do so provided that the board currently is a party to a hold-harmless agreement with the board of education of the city, local, or exempted village school district

within the territory of which are located the parcels that are subject to an exemption. For the purposes of this division, a "hold-harmless agreement" means an agreement under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue that the school district would have received from further improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

Sec. 5709.75. (A) Any township that receives service payments in lieu of taxes under section 5709.74 of the Revised Code shall establish a township public improvement tax increment equivalent fund into which those payments shall be deposited. If the board of township trustees has adopted a resolution under division (C) of section 5709.73 of the Revised Code, the township shall establish at least one account in that fund with respect to resolutions adopted under division (B) of that section, and one account with respect to each incentive district created by a resolution adopted under division (C) of that section. If a resolution adopted under division (C) of section 5709.73 of the Revised Code also authorizes the use of service payments for housing renovations within the incentive district, the township shall establish separate accounts for the service payments designated for public infrastructure improvements and for the service payments authorized for the purpose of housing renovations.

(B) Except as otherwise provided in division (C) or (D) of this section, money deposited in an account of the township public improvement tax increment equivalent fund shall be used by the township to pay the costs of public infrastructure improvements designated in or the housing renovations authorized by the resolution with respect to which the account is established, including any interest on and principal of the notes; in the case of an account established with respect to a resolution adopted under division (C) of that section, money in the account shall be used to finance the public infrastructure improvements designated, or the housing renovations authorized, for each incentive district created in the resolution. Money in an account shall not be used to finance or support housing renovations that take place after the incentive district has expired.

(C)(1)(a) A township may distribute money in such an account to any school district in which the exempt property is located in an amount not to exceed the amount of real property taxes that such school district would have received from the improvement if it were not exempt from taxation. The resolution establishing the fund shall set forth the percentage of such maximum amount that will be distributed to any affected school district.

(b) A township also may distribute money in such an account as

follows:

(i) To a board of county commissioners, in the amount that is owed to the board pursuant to division (E) of section 5709.73 of the Revised Code;

(ii) To a county in accordance with section 5709.913 of the Revised Code.

(2) Money from an account in a township public improvement tax increment equivalent fund may be distributed under division (C)(1)(b) of this section, regardless of the date a resolution was adopted under section 5709.73 of the Revised Code that prompted the establishment of the account, even if the resolution was adopted prior to March 30, 2006.

(D) A board of township trustees that adopted a resolution under ~~division (B)~~ of section 5709.73 of the Revised Code ~~before January 1, 1995,~~ and that, with respect to property exempted under such a resolution, is party to a hold-harmless or service agreement, may appropriate and expend unencumbered money in the fund to pay current public safety expenses of the township. A township appropriating and expending money under this division shall reimburse the fund for the sum so appropriated and expended not later than the day the exemption granted under the resolution expires. For the purposes of this division, a "hold-harmless agreement" is an agreement with the board of education of a city, local, or exempted village school district under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue the school district would have received from improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(E) Any ~~incidental surplus~~ unencumbered money remaining in the township public improvement tax increment equivalent fund or an account of that fund upon dissolution of the account or fund shall be transferred to the general fund of the township.

Sec. 5709.78. (A) A board of county commissioners may, by resolution, declare improvements to certain parcels of real property located in the unincorporated territory of the county to be a public purpose. Except with the approval under division (C) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation, for a period of not more than ten years. The resolution shall specify the percentage of the improvement to be exempted and the life of the exemption.

A resolution adopted under this division shall designate the specific

public infrastructure improvements made, to be made, or in the process of being made by the county that directly benefit, or that once made will directly benefit, the parcels for which improvements are declared to be a public purpose. The service payments provided for in section 5709.79 of the Revised Code shall be used to finance the public infrastructure improvements designated in the resolution, or as provided in section 5709.80 of the Revised Code.

(B)(1) A board of county commissioners may adopt a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (E) of this section, exempt from taxation as provided in this section, but no board of county commissioners of a county that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the county that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the county for the preceding tax year. The district shall be located within the unincorporated territory of the county and shall not include any territory that is included within a district created under division (C) of section 5709.73 of the Revised Code. The resolution shall delineate the boundary of the district and specifically identify each parcel within the district. A district may not include any parcel that is or has been exempted from taxation under division (A) of this section or that is or has been within another district created under this division. A resolution may create more than one such district, and more than one resolution may be adopted under division (B)(1) of this section.

(2) Not later than thirty days prior to adopting a resolution under division (B)(1) of this section, if the county intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board of county commissioners shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The board also shall provide the notice by first class mail to the clerk of each township in which the proposed incentive district will be located.

(3)(a) A resolution adopted under division (B)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (B)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (B)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.79 of the Revised Code and received by the county under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (B)(1) of this section may authorize the use of service payments provided for in section 5709.79 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (D) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (C) of this section.

(C)(1) Improvements with respect to a parcel may be exempted from

taxation under division (A) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (B) of this section, for up to ten years or, with the approval of the board of education of each city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to the approval of a board of education under this division, the board of county commissioners shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (A) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of county commissioners intends to adopt the resolution. The notice regarding improvements to parcels within an incentive district under division (B) of this section shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of county commissioners intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of county commissioners and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

(2) The board of education shall certify its resolution to the board of county commissioners not later than fourteen days prior to the date the board of county commissioners intends to adopt its resolution as indicated in the notice. If the board of education and the board of county commissioners negotiate a mutually acceptable compensation agreement, the resolution of the board of county commissioners may declare the improvements a public purpose for the number of years specified in that resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of county commissioners fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of county commissioners within the time prescribed by this section, the board of county commissioners thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of county commissioners may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of county commissioners, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of county commissioners. If a mutually acceptable compensation agreement is negotiated between the board of county commissioners and the board of education, including agreements for payments in lieu of taxes under section 5709.79 of the Revised Code, the board of county commissioners shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under division (C) of this section fewer than forty-five business days prior to approval of the resolution by the board of county commissioners, the board of county commissioners shall deliver the notice

to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(D)(1) If a proposed resolution under division (B)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of county commissioners shall deliver to the board of township trustees of any township within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board intends to adopt the resolution.

(2) The board of township trustees, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of township trustees objects, the board of township trustees may negotiate a mutually acceptable compensation agreement with the board of county commissioners. In no case shall the compensation provided to the board of township trustees exceed the property taxes forgone due to the exemption. If the board of township trustees objects, and the board of township trustees and the board of county commissioners fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (B)(1) of this section shall provide to the board of township trustees compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the township or, if the board of township trustee's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the township on the portion of the

improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of township trustees shall certify its resolution to the board of county commissioners not later than thirty days after receipt of the notice.

(3) If the board of township trustees does not object or fails to certify a resolution objecting to an exemption within thirty days after receipt of the notice, the board of county commissioners may adopt its resolution, and no compensation shall be provided to the board of township trustees. If the board of township trustees certifies its resolution objecting to the commissioners' resolution, the board of county commissioners may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees. If the board of township trustees certifies a resolution objecting to the commissioners' resolution, the board of county commissioners may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of county commissioners in the proposed resolution to provide compensation to the board of township trustees of fifty per cent of the taxes that would be payable to the township in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(E) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (B)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (D) of section 5709.79 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (B) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community mental retardation and developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(F) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. Except in lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With

respect to the exemption of improvements to parcels under division (A) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the county can no longer require annual service payments in lieu of taxes under section 5709.79 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of commissioners and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (C)(1) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(G) If the board of county commissioners is not required by this section to notify the board of education of the board of county commissioners' intent to declare improvements to be a public purpose, the board of county commissioners shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive such a notice.

(H) The county, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development a copy of the resolution. On or before the thirty-first day of March of each year, the county shall submit a status report to the director of development. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.80 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with such expenditures; and a quantitative

summary of changes in employment and private investment resulting from each project.

(I) Nothing in this section shall be construed to prohibit a board of county commissioners from declaring to be a public purpose improvements with respect to more than one parcel.

(J) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

The payments reflected in the schedule, plus all other taxable premiums, are subject to the annual franchise tax due to be paid in 2010.

(B) The gross amount of premium rate payments or premiums used to compute the applicable tax in accordance with division (A) of this section is subject to the deductions prescribed by section 5729.03 of the Revised Code for foreign insurance companies. The objects of such tax are those declared in section 5725.24 of the Revised Code, to which only such tax shall be applied.

(C) In no case shall such tax be less than two hundred fifty dollars.

Sec. 5725.33. (1) For the purpose of calculating the amount of qualified low-income community investments held by a qualified community development entity, an investment shall be considered held by a qualified community development entity even if the investment has been sold or repaid, provided that, at any time before the seventh anniversary of the issuance of the qualified equity investment, the qualified community development entity reinvests an amount equal to the capital returned to or received or recovered by the qualified community development entity from the original investment, exclusive of any profits realized and costs incurred in the sale or repayment, in another qualified low-income community investment within twelve months of the receipt of such capital. If the qualified low-income community investment is sold or repaid after the sixth anniversary of the issuance of the qualified equity investment, the qualified low-income community investment shall be considered held by the qualified community development entity through the seventh anniversary of the qualified equity investment's issuance.

(2) The qualified low-income community investment made in this state shall equal the sum of the qualified low-income community investments in each qualified active low-income community business in this state, not to exceed two million five hundred sixty-four thousand dollars, in which the qualified community development entity invests, including such investments in any such businesses in this state related to that qualified active low-income community business through majority ownership or control.

The credit shall be claimed in the order prescribed by section 5725.98 of the Revised Code. If the amount of the credit exceeds the amount of tax otherwise due after deducting all other credits in that order, the excess may be carried forward and applied to the tax due for not more than four ensuing years.

By claiming a tax credit under this section, an insurance company waives its rights under section 5725.222 of the Revised Code with respect to the time limitation for the assessment of taxes as it relates to credits claimed that later become subject to recapture under division (E) of this section.

(C) The amount of qualified equity investments on the basis of which credits may be claimed under this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code shall not exceed the amount, estimated by the director of development, that would cause the total amount of credits allowed each fiscal year to exceed ten million dollars, computed without regard to the potential for taxpayers to carry tax credits forward to later years.

(D) If any amount of ~~the~~ a federal tax credit allowed for a qualified

equity investment for which a credit was received under this section is recaptured under section 45D of the Internal Revenue Code, or if the director of development services determines that an investment for which a tax credit is claimed under this section is not a qualified equity investment or that the proceeds of an investment for which a tax credit is claimed under this section are used to make qualified low-income community investments other than in a qualified active low-income community business, all or a portion of the credit received on account of that investment shall be paid by the insurance company that received the credit to the superintendent of insurance. The amount to be recovered shall be determined by the director of development services pursuant to rules adopted under division (E) of this section. The director shall certify any amount due under this division to the superintendent of insurance, and the superintendent shall notify the treasurer of state of the amount due. Upon notification, the treasurer shall invoice the insurance company for the amount due. The amount due is payable not later than thirty days after the date the treasurer invoices the insurance company. The amount due shall be considered to be tax due under section 5725.18 of the Revised Code, and may be collected by assessment without regard to the time limitations imposed under section 5725.222 of the Revised Code for the assessment of taxes by the superintendent. All amounts collected under this division shall be credited as revenue from the tax levied under section 5725.18 of the Revised Code.

(E) The tax credits authorized under this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code shall be administered by the ~~department of development services~~ agency. The director of development services, in consultation with the tax commissioner and the superintendent of insurance, pursuant to Chapter 119. of the Revised Code, shall adopt rules for the administration of this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code. The rules shall provide for determining the recovery of credits under division (D) of this section and under sections 5726.54, 5729.16, and 5733.58 of the Revised Code, including prorating the amount of the credit to be recovered on any reasonable basis, the manner in which credits may be allocated among claimants, and the amount of any application or other fees to be charged in connection with a recovery.

(F) There is hereby created in the state treasury the new markets tax credit operating fund. The director of development services is authorized to charge reasonable application and other fees in connection with the administration of tax credits authorized by this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code. Any such fees collected shall be credited to the fund. The director of development services shall use money

in the fund to pay expenses related to the administration of tax credits authorized under sections 5725.33, 5726.54, 5729.16, and 5733.58 of the Revised Code.

Sec. 5725.34. (A) As used in this section, "certificate owner" has the same meaning as in section 149.311 of the Revised Code.

(B) There is allowed a credit against the tax imposed by section 5725.18 of the Revised Code for an insurance company subject to that tax that is a certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code. The credit shall equal twenty-five per cent of the dollar amount indicated on the certificate, but the amount of the credit allowed for any company for any year shall not exceed ~~five~~ ten million dollars. The credit shall be claimed in the calendar year specified in the certificate and in the order required under section 5725.98 of the Revised Code. If the credit exceeds the amount of tax otherwise due in that year, the excess shall be refunded to the company but, if any amount of the credit is refunded, the sum of the amount refunded and the amount applied to reduce the tax otherwise due in that year shall not exceed three million dollars. The company may carry forward any balance of the credit in excess of the amount claimed in that year for not more than five ensuing years, and shall deduct any amount claimed in any such year from the amount claimed in an ensuing year.

(C) An insurance company claiming a credit under this section shall retain the rehabilitation tax credit certificate for four years following the end of the year in which the credit was claimed, and shall make the certificate available for inspection by the tax commissioner upon the request of the tax commissioner during that period.

Sec. 5726.20. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any person that fails to file a return or report or pay any tax as required by this chapter. The reporting person for a taxpayer shall file the annual report required under section 5726.02 of the Revised Code and remit the tax imposed by this chapter. Each person included in the annual report of the taxpayer is jointly and severally liable for the tax imposed by this chapter and any penalties and interest thereon. If the reporting person fails, for any reason, to file and remit any tax, the amount due may be collected by assessment against the reporting person and against any or all other persons required to be included in the annual report of the taxpayer ~~in the manner provided by this section~~ as provided in section 5703.90 of the Revised Code. The commissioner shall make the assessment in the manner provided in this section. The commissioner shall give the person assessed written notice of

the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on the manner in which to petition for reassessment and request a hearing with respect to the petition.

(B) No assessment shall be made or issued against a person under this section more than four years after the later of the final date the report subject to assessment was required to be filed or the date such report was filed. Such time limit may be extended if both the person and the commissioner consent in writing to the extension or if an agreement waiving or extending the time limit has been entered into pursuant to section 122.171 of the Revised Code. Any such extension shall extend the four-year time limit prescribed in division (A) of section 5726.30 of the Revised Code for the same period of time. There shall be no bar or limit to an assessment against a person that fails to file a report subject to assessment as required by this chapter, or that files a fraudulent report.

(C) Unless the person assessed, within sixty days after service of the notice of assessment, files with the tax commissioner, either in person or by certified mail, a written petition for reassessment signed by the person or the person's authorized agent having knowledge of the facts, the assessment shall become final, and the amount of the assessment is due and payable from the person assessed to the treasurer of state. A petition shall indicate the objections of the person assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If a petition for reassessment has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(D)(1) After an assessment becomes final, if any portion of the assessment, including any accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the person resides or has its principal place of business in this state, or in the office of the clerk of court of common pleas of Franklin county.

(2) Immediately upon the filing of the entry, the clerk shall enter judgment for the state against the person assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled, "special judgments for the financial institution tax" and shall have the same effect as other judgments. Execution shall issue upon the judgment at the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

(3) ~~The portion of~~ If the assessment is not paid in its entirety within

sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date the tax commissioner issues the assessment until the date the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(E) If the tax commissioner believes that collection of the tax imposed by this chapter will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the person liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (D) of this section. Notice of the jeopardy assessment shall be served on the person assessed or the person's authorized agent in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed shall be immediately due and payable, unless the person assessed files a petition for reassessment in accordance with division (C) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment shall not prejudice the commissioner's consideration of the petition for reassessment.

(F) The tax commissioner shall immediately forward to the treasurer of state all amounts the commissioner receives under this section. Such amounts shall be considered as revenue arising from the tax imposed by this chapter.

(G) If the tax commissioner possesses information indicating that the amount of tax a taxpayer is required to pay under this chapter exceeds the amount the reporting person for the taxpayer paid, the tax commissioner may audit a sample of the taxpayer's gross receipts over a representative period of time to ascertain the amount of tax due, and may issue an assessment based on the audit. The tax commissioner shall make a good faith effort to reach agreement with the taxpayer in selecting a representative sample. The tax commissioner may apply a sampling method only if the

commissioner has prescribed the method by rule.

(H) If the whereabouts of a person subject to this chapter is not known to the tax commissioner, the secretary of state is hereby deemed to be that person's agent for purposes of service of process or notice of any assessment, action, or proceedings instituted in this state against the person under this chapter. Such process or notice shall be served on such person by the commissioner or by an agent of the commissioner by leaving a true and attested copy of the process or notice at the office of the secretary of state at least fifteen days before the return day of such process or notice, and by sending a copy of the process or notice to such person by ordinary mail, with an endorsement thereon of the service upon the secretary of state, addressed to such person at the person's last known address.

Sec. 5726.52. (A) As used in this section, "certificate owner" has the same meaning as in section 149.311 of the Revised Code.

(B) A taxpayer may claim a refundable credit against the tax imposed by this chapter for each person included in the annual report of a taxpayer that is a certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code. The credit shall equal twenty-five per cent of the dollar amount indicated on each certificate, but shall not exceed ~~five~~ ten million dollars for each certificate.

The credit shall be claimed for the calendar year specified in the certificate and in the order required under section 5726.98 of the Revised Code. If the credit exceeds the amount of tax otherwise due in that year, the excess shall be refunded to the taxpayer, provided that, if any amount of the credit is refunded, the sum of the amount refunded and the amount applied to reduce the tax otherwise due in that year shall not exceed three million dollars. The taxpayer may carry forward any balance of the credit in excess of the amount claimed in that year for not more than five ensuing years, and shall deduct any amount claimed in any such year from the amount claimed in an ensuing year. A taxpayer may claim against the tax imposed by this chapter any unused portion of the credit authorized under section 5725.151 of the Revised Code, but only to the extent of the five-year carry forward period authorized by that section.

(C) A taxpayer claiming a credit under this section shall retain the rehabilitation tax credit certificate for four years following the end of the year to which the credit was applied, and shall make the certificate available for inspection by the tax commissioner upon the request of the commissioner during that period.

Sec. 5726.54. (A) Any term used in this section has the same meaning as in section 5725.33 of the Revised Code.

(B) A taxpayer may claim a nonrefundable credit against the tax imposed by this chapter for each person included in the annual report of the taxpayer that holds a qualified equity investment on a credit allowance date occurring in the calendar year immediately preceding the tax year for which the tax is due. The credit shall be computed in the same manner prescribed for the computation of credits allowed under section 5725.33 of the Revised Code.

By claiming a tax credit under this section, a taxpayer waives its rights under section 5726.20 of the Revised Code with respect to the time limitation for the assessment of taxes as it relates to credits claimed under this section that later become subject to recapture under division (D) of this section.

A taxpayer may claim against the tax imposed by this chapter any unused portion of the credits authorized under sections 5725.33 and 5733.58 of the Revised Code, but only to the extent of the remaining carry forward period authorized by those sections.

The credit shall be claimed in the order prescribed by section 5726.98 of the Revised Code. If the amount of the credit exceeds the amount of tax otherwise due after deducting all other credits preceding the credit in the order prescribed in section 5726.98 of the Revised Code, the excess may be carried forward for not more than four ensuing tax years.

(C) The total amount of qualified equity investments on the basis of which credits may be claimed under this section and sections 5725.33, 5729.16, and 5733.58 of the Revised Code is subject to the limitation of division (C) of section 5725.33 of the Revised Code.

(D) If any amount of ~~the~~ a federal tax credit allowed for a qualified equity investment for which a credit was received under this section is recaptured under section 45D of the Internal Revenue Code, or if the director of development services determines that an investment for which a tax credit is claimed under this section is not a qualified equity investment or that the proceeds of an investment for which a tax credit is claimed under this section are used to make qualified low-income community investments other than in a qualified active low-income community business, all or a portion of the credit received on account of that investment shall be paid by the taxpayer that received the credit to the tax commissioner. The amount to be recovered shall be determined by the director pursuant to rules adopted under section 5725.33 of the Revised Code. The director shall certify any amount due under this division to the tax commissioner, and the commissioner shall notify the taxpayer of the amount due. The amount due is payable not later than thirty days after the day the commissioner issues the

notice. The amount due shall be considered to be tax due under section 5726.02 of the Revised Code, and may be collected by assessment without regard to the limitations imposed under section 5726.20 of the Revised Code for the assessment of taxes by the commissioner. All amounts collected under this division shall be credited as revenue from the tax levied under section 5726.02 of the Revised Code.

Sec. 5727.26. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any natural gas company or combined company that fails to file a return or pay any tax, interest, or additional charge as required by sections 5727.24 to 5727.29 of the Revised Code. The commissioner shall give the company assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition. A penalty of up to fifteen per cent may be added to all amounts assessed under this section. The tax commissioner may adopt rules providing for the imposition and remission of the penalty.

(B) Unless the company assessed, within sixty days after service of the notice of assessment, files with the tax commissioner, either personally or by certified mail, a written petition signed by the company's authorized agent having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the company assessed to the treasurer of state. The petition shall indicate the objections of the company assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination.

If a petition for reassessment has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment, including accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the natural gas company's or combined company's principal place of business is located, or in the office of the clerk of court of common pleas of Franklin county.

Immediately on the filing of the entry, the clerk shall enter judgment for the state against the company assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled, "special judgments for the public utility excise tax on natural gas and combined companies," and shall have the same effect as other judgments.

Execution shall issue upon the judgment at the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

~~The portion of~~ If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the tax commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) If the tax commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the company liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the company assessed or the company's authorized agent in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the company assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(E) The tax commissioner shall immediately forward to the treasurer of state all amounts that the tax commissioner receives under this section, and such amounts shall be considered revenue arising from the tax imposed by section 5727.24 of the Revised Code.

(F) No assessment shall be made or issued against a natural gas company or combined company for the tax imposed by section 5727.24 of the Revised Code more than four years after the return date for the period in which the tax was reported, or more than four years after the return for the period was filed, whichever is later.

Sec. 5727.75. (A) For purposes of this section:

(1) "Qualified energy project" means an energy project certified by the director of development services pursuant to this section.

(2) "Energy project" means a project to provide electric power through the construction, installation, and use of an energy facility.

(3) "Alternative energy zone" means a county declared as such by the board of county commissioners under division (E)(1)(b) or (c) of this section.

(4) "Full-time equivalent employee" means the total number of employee-hours for which compensation was paid to individuals employed at a qualified energy project for services performed at the project during the calendar year divided by two thousand eighty hours.

(5) "Solar energy project" means an energy project composed of an energy facility using solar panels to generate electricity.

(B)(1) Tangible personal property of a qualified energy project using renewable energy resources is exempt from taxation for tax years 2011; ~~2012, 2013, and 2014~~ through 2016 if all of the following conditions are satisfied:

(a) On or before December 31, ~~2013~~ 2015, the owner or a lessee pursuant to a sale and leaseback transaction of the project submits an application to the power siting board for a certificate under section 4906.20 of the Revised Code, or if that section does not apply, submits an application for any approval, consent, permit, or certificate or satisfies any condition required by a public agency or political subdivision of this state for the construction or initial operation of an energy project.

(b) Construction or installation of the energy facility begins on or after January 1, 2009, and before January 1, ~~2014~~ 2016. For the purposes of this division, construction begins on the earlier of the date of application for a certificate or other approval or permit described in division (B)(1)(a) of this section, or the date the contract for the construction or installation of the energy facility is entered into.

(c) For a qualified energy project with a nameplate capacity of five megawatts or greater, a board of county commissioners of a county in which property of the project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting an application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

(2) If tangible personal property of a qualified energy project using renewable energy resources was exempt from taxation under this section beginning in any of tax years 2011, 2012, 2013, ~~or 2014~~, 2015, or 2016, and the certification under division (E)(2) of this section has not been revoked, the tangible personal property of the qualified energy project is exempt from taxation for tax year ~~2015~~ 2017 and all ensuing tax years if the property was placed into service before January 1, ~~2015~~ 2017, as certified in the construction progress report required under division (F)(2) of this section. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation. An energy project for which certification has been revoked is ineligible for further exemption under this section. Revocation does not affect the tax-exempt status of the project's tangible personal property for the tax year in which revocation occurs or any prior tax year.

(C) Tangible personal property of a qualified energy project using clean coal technology, advanced nuclear technology, or cogeneration technology is exempt from taxation for the first tax year that the property would be listed for taxation and all subsequent years if all of the following circumstances are met:

(1) The property was placed into service before January 1, ~~2019~~ 2021. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation.

(2) For such a qualified energy project with a nameplate capacity of five megawatts or greater, a board of county commissioners of a county in which property of the qualified energy project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting the application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

(3) The certification for the qualified energy project issued under division (E)(2) of this section has not been revoked. An energy project for which certification has been revoked is ineligible for exemption under this section. Revocation does not affect the tax-exempt status of the project's tangible personal property for the tax year in which revocation occurs or any prior tax year.

(D) Except as otherwise provided in this section, real property of a qualified energy project is exempt from taxation for any tax year for which the tangible personal property of the qualified energy project is exempted

under this section.

(E)(1)(a) A person may apply to the director of development services for certification of an energy project as a qualified energy project on or before the following dates:

(i) December 31, ~~2013~~ 2015, for an energy project using renewable energy resources;

(ii) December 31, ~~2015~~ 2017, for an energy project using clean coal technology, advanced nuclear technology, or cogeneration technology.

(b) The director shall forward a copy of each application for certification of an energy project with a nameplate capacity of five megawatts or greater to the board of county commissioners of each county in which the project is located and to each taxing unit with territory located in each of the affected counties. Any board that receives from the director a copy of an application submitted under this division shall adopt a resolution approving or rejecting the application unless it has adopted a resolution under division (E)(1)(c) of this section. A resolution adopted under division (E)(1)(b) or (c) of this section may require an annual service payment to be made in addition to the service payment required under division (G) of this section. The sum of the service payment required in the resolution and the service payment required under division (G) of this section shall not exceed nine thousand dollars per megawatt of nameplate capacity located in the county. The resolution shall specify the time and manner in which the payments required by the resolution shall be paid to the county treasurer. The county treasurer shall deposit the payment to the credit of the county's general fund to be used for any purpose for which money credited to that fund may be used.

The board shall send copies of the resolution by certified mail to the owner of the facility and the director within thirty days after receipt of the application, or a longer period of time if authorized by the director.

(c) A board of county commissioners may adopt a resolution declaring the county to be an alternative energy zone and declaring all applications submitted to the director of development services under this division after the adoption of the resolution, and prior to its repeal, to be approved by the board.

All tangible personal property and real property of an energy project with a nameplate capacity of five megawatts or greater is taxable if it is located in a county in which the board of county commissioners adopted a resolution rejecting the application submitted under this division or failed to adopt a resolution approving the application under division (E)(1)(b) or (c) of this section.

(2) The director shall certify an energy project if all of the following circumstances exist:

(a) The application was timely submitted.

(b) For an energy project with a nameplate capacity of five megawatts or greater, a board of county commissioners of at least one county in which the project is located has adopted a resolution approving the application under division (E)(1)(b) or (c) of this section.

(c) No portion of the project's facility was used to supply electricity before December 31, 2009.

(3) The director shall deny a certification application if the director determines the person has failed to comply with any requirement under this section. The director may revoke a certification if the director determines the person, or subsequent owner or lessee pursuant to a sale and leaseback transaction of the qualified energy project, has failed to comply with any requirement under this section. Upon certification or revocation, the director shall notify the person, owner, or lessee, the tax commissioner, and the county auditor of a county in which the project is located of the certification or revocation. Notice shall be provided in a manner convenient to the director.

(F) The owner or a lessee pursuant to a sale and leaseback transaction of a qualified energy project shall do each of the following:

(1) Comply with all applicable regulations;

(2) File with the director of development services a certified construction progress report before the first day of March of each year during the energy facility's construction or installation indicating the percentage of the project completed, and the project's nameplate capacity, as of the preceding thirty-first day of December. Unless otherwise instructed by the director of development services, the owner or lessee of an energy project shall file a report with the director on or before the first day of March each year after completion of the energy facility's construction or installation indicating the project's nameplate capacity as of the preceding thirty-first day of December. Not later than sixty days after June 17, 2010, the owner or lessee of an energy project, the construction of which was completed before June 17, 2010, shall file a certificate indicating the project's nameplate capacity.

(3) File with the director of development services, in a manner prescribed by the director, a report of the total number of full-time equivalent employees, and the total number of full-time equivalent employees domiciled in Ohio, who are employed in the construction or installation of the energy facility;

(4) For energy projects with a nameplate capacity of five megawatts or greater, repair all roads, bridges, and culverts affected by construction as reasonably required to restore them to their preconstruction condition, as determined by the county engineer in consultation with the local jurisdiction responsible for the roads, bridges, and culverts. In the event that the county engineer deems any road, bridge, or culvert to be inadequate to support the construction or decommissioning of the energy facility, the road, bridge, or culvert shall be rebuilt or reinforced to the specifications established by the county engineer prior to the construction or decommissioning of the facility. The owner or lessee of the facility shall post a bond in an amount established by the county engineer and to be held by the board of county commissioners to ensure funding for repairs of roads, bridges, and culverts affected during the construction. The bond shall be released by the board not later than one year after the date the repairs are completed. The energy facility owner or lessee pursuant to a sale and leaseback transaction shall post a bond, as may be required by the Ohio power siting board in the certificate authorizing commencement of construction issued pursuant to section 4906.10 of the Revised Code, to ensure funding for repairs to roads, bridges, and culverts resulting from decommissioning of the facility. The energy facility owner or lessee and the county engineer may enter into an agreement regarding specific transportation plans, reinforcements, modifications, use and repair of roads, financial security to be provided, and any other relevant issue.

(5) Provide or facilitate training for fire and emergency responders for response to emergency situations related to the energy project and, for energy projects with a nameplate capacity of five megawatts or greater, at the person's expense, equip the fire and emergency responders with proper equipment as reasonably required to enable them to respond to such emergency situations;

(6) Maintain a ratio of Ohio-domiciled full-time equivalent employees employed in the construction or installation of the energy project to total full-time equivalent employees employed in the construction or installation of the energy project of not less than eighty per cent in the case of a solar energy project, and not less than fifty per cent in the case of any other energy project. For the purposes of this section, an emergency levy that existed in 1998 in the case of the electric company tax value loss, and 1999 in the case of the natural gas company tax value loss, continues to exist in a year beginning on or after January 1, 2007, but before January 1, 2017, if, in that year, the board of education levies a school district emergency levy for an annual sum at least equal to the annual sum levied by the board in tax year 1998 or 1999, respectively, less the amount of the payment certified under this division for 2002.

(2) The total taxable value in tax year 1999 less the tax value loss in each school district, joint vocational school district, and local taxing unit multiplied by one-fourth of one mill.

If the amount computed under division (H) of this section for any school district, joint vocational school district, or local taxing unit is greater than zero, that amount shall equal the fixed-sum levy loss reimbursed pursuant to division (F) of section 5727.85 of the Revised Code or division (A)(2) of section 5727.86 of the Revised Code, and the one-fourth of one mill that is subtracted under division (H)(2) of this section shall be apportioned among all contributing fixed-sum levies in the proportion of each levy to the sum of all fixed-sum levies within each school district, joint vocational school district, or local taxing unit.

(I) Notwithstanding divisions (D), (E), (G), and (H) of this section, in computing the tax value loss, fixed-rate levy loss, and fixed-sum levy loss, the tax commissioner shall use the greater of the 1998 tax rate or the 1999 tax rate in the case of levy losses associated with the electric company tax value loss, but the 1999 tax rate shall not include for this purpose any tax levy approved by the voters after June 30, 1999, and the tax commissioner shall use the greater of the 1999 or the 2000 tax rate in the case of levy losses associated with the natural gas company tax value loss.

(J) Not later than January 1, 2002, the tax commissioner shall certify to the department of education the tax value loss determined under divisions (D) and (E) of this section for each taxing district, the fixed-rate levy loss calculated under division (G) of this section, and the fixed-sum levy loss calculated under division (H) of this section. The calculations under divisions (G) and (H) of this section shall separately display the levy loss for each levy eligible for reimbursement.

(K) Not later than September 1, 2001, the tax commissioner shall certify the amount of the fixed-sum levy loss to the county auditor of each county in which a school district with a fixed-sum levy loss has territory.

Sec. 5727.89. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any natural gas distribution company, electric distribution company, self-assessing purchaser, or qualified end user that fails to file a return or pay any tax, interest, or additional charge as required by sections 5727.80 to 5727.95 of the Revised Code.

When information in the possession of the tax commissioner indicates that a person liable for the tax imposed by section 5727.81 or 5727.811 of the Revised Code has not paid the full amount of tax due, the commissioner may audit a representative sample of the person's business and may issue an

assessment based on the audit. The commissioner shall give the person assessed written notice of the assessment in the manner provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

The tax commissioner may issue an assessment for which the tax imposed by section 5727.81 or 5727.811 of the Revised Code was due and unpaid on the date the person was informed by an agent of the tax commissioner of an investigation or audit of the person. Any payment of the tax for the period covered by the assessment, after the person is so informed, shall be credited against the assessment.

A penalty of up to fifteen per cent may be added to all amounts assessed under this section. The commissioner may adopt rules providing for the imposition and remission of penalties.

(B) Unless the party assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment signed by the party assessed or that party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due and payable from the party assessed to the treasurer of state. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment, including accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the party assessed resides or in which the party's business is conducted. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state against the person assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for the distribution excise taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment at the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

~~The portion of~~ If the assessment is not paid in its entirety within sixty

days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the tax commissioner issues the assessment until the day the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) If the tax commissioner believes that collection of the tax imposed by section 5727.81 or 5727.811 of the Revised Code will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the person liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the party assessed or the party's legal representative within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the party assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(E) All money collected by the tax commissioner under this section shall be paid to the treasurer of state, and when paid shall be considered as revenue arising from the taxes imposed by sections 5727.81 and 5727.811 of the Revised Code.

Sec. 5728.10. (A) If any person required to file a fuel use tax return by sections 5728.01 to 5728.14 of the Revised Code, fails to file the return within the time prescribed by those sections, files an incomplete return, files an incorrect return, or fails to remit the full amount of the tax due for the period covered by the return, the tax commissioner may make an assessment against the person, based upon any information in the commissioner's possession, for the period for which the tax was due.

No assessment shall be made against any person for any tax imposed by this chapter more than four years after the return date for the period for

which the tax was due or more than four years after the return for the period was filed, whichever is later. This section does not bar an assessment against any person who fails to file a fuel use tax return as required by this chapter, or who files a fraudulent fuel use tax return.

A penalty of up to fifteen per cent may be added to the amount of every assessment made pursuant to this section. The commissioner may adopt rules providing for the imposition and remission of penalties added to assessments made under this section.

The commissioner shall give the party assessed written notice of the assessment in the manner provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the party assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment, signed by the party assessed, or by the party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due and payable from the party assessed to the treasurer of state. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the party's place of business is located or the county in which the party assessed resides. If the party maintains no office in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state of Ohio against the party assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state fuel use tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

~~The portion of~~ If the assessment is not paid within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section

5703.47 of the Revised Code from the day the commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) All money collected by the tax commissioner under this section shall be paid into the state treasury in the same manner as the revenues deriving from the taxes imposed by section 5728.06 of the Revised Code.

Sec. 5729.03. (A) If the superintendent of insurance finds the annual statement required by section 5729.02 of the Revised Code to be correct, the superintendent shall compute the following amount, as applicable, of the balance of such gross amount, after deducting such return premiums and considerations received for reinsurance, and charge such amount to such company as a tax upon the business done by it in this state for the period covered by such annual statement:

(1) If the company is a health insuring corporation, one per cent of the balance of premium rate payments received, exclusive of payments received under the medicare program ~~established under Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended,~~ and exclusive of payments received pursuant to the medical assistance medicaid program ~~established under Chapter 5111. of the Revised Code~~ for the period ending September 30, 2009, as reflected in its annual report;

The payments reflected in the schedule, plus all other taxable premiums, are subject to the annual franchise tax due to be paid in 2010.

(B) Any insurance policies that were not issued in violation of Title XXXIX of the Revised Code and that were issued prior to April 15, 1967, by a life insurance company organized and operated without profit to any private shareholder or individual, exclusively for the purpose of aiding educational or scientific institutions organized and operated without profit to any private shareholder or individual, are not subject to the tax imposed by this section. All taxes collected pursuant to this section shall be credited to the general revenue fund.

(C) In no case shall the tax imposed under this section be less than two hundred fifty dollars.

(B) There is hereby allowed a nonrefundable credit against the tax imposed by section 5729.03 of the Revised Code for a foreign insurance company holding a qualified equity investment on the credit allowance date occurring in the calendar year for which the tax is due. The credit shall be computed in the same manner prescribed for the computation of credits allowed under section 5725.33 of the Revised Code.

The credit shall be claimed in the order prescribed by section 5729.98 of the Revised Code. If the amount of the credit exceeds the amount of tax otherwise due after deducting all other credits in that order, the excess may be carried forward and applied to the tax due for not more than four ensuing years.

By claiming a tax credit under this section, an insurance company waives its rights under section 5729.102 of the Revised Code with respect to the time limitation for the assessment of taxes as it relates to credits claimed that later become subject to recapture under division (D) of this section.

(C) The total amount of qualified equity investments on the basis of which credits may be claimed under this section, section 5725.33, and section 5733.58 of the Revised Code is subject to the limitation of division (C) of section 5725.33 of the Revised Code.

The amount to be recovered shall be determined by the director

of development services pursuant to rules adopted under section 5725.33 of the Revised Code. The director shall certify any amount due under this division to the superintendent of insurance, and the superintendent shall notify the treasurer of state of the amount due. Upon notification, the treasurer shall invoice the insurance company for the amount due. The amount due shall be considered to be tax due under section 5729.03 of the Revised Code, and may be collected by assessment without regard to the time limitations imposed under section 5729.102 of the Revised Code for the assessment of taxes by the superintendent. All amounts collected under this division shall be credited as revenue from the tax levied under section 5729.03 of the Revised Code.

(b) A corporation shall subtract from the amount calculated under division (G)(2)(a)(ii), (iii), (iv), or (v) of this section any qualifying pass-through entity tax credit described in division (A)(30) and any refundable credits described in divisions (A)(31) to (35) of section 5733.98 of the Revised Code to which the corporation is entitled. Any unused qualifying pass-through entity tax credit is not refundable.

(c) For the purposes of computing the amount of a credit that may be carried forward to a subsequent tax year under division (G)(2) of this section, a credit is utilized against the tax for a tax year to the extent the credit applies against the tax for that tax year, even if the difference is then

multiplied by the applicable fraction under division (G)(2)(a) of this section.

(d) References in division (G)(2) of this section to section 5733.98 of the Revised Code is to that section before its amendment by H.B. 59 of the 130th general assembly.

(3) Nothing in division (G) of this section eliminates or reduces the tax imposed by section 5733.41 of the Revised Code on a qualifying pass-through entity.

Sec. 5733.06. For tax years prior to tax year 2014, the tax hereby charged each corporation subject to this chapter shall be the greater of the sum of divisions (A) and (B) of this section, after the reduction, if any, provided by division (J) of this section, or division (C) of this section, after the reduction, if any, provided by division (J) of this section, except that the tax hereby charged each financial institution subject to this chapter shall be the amount computed under division (D) of this section:

(A) Except as set forth in division (F) of this section, five and one-tenth per cent upon the first fifty thousand dollars of the value of the taxpayer's issued and outstanding shares of stock as determined under division (B) of section 5733.05 of the Revised Code;

(B) Except as set forth in division (F) of this section, eight and one-half per cent upon the value so determined in excess of fifty thousand dollars; or

(C)(1) Except as otherwise provided under division (G) of this section, four mills times that portion of the value of the issued and outstanding shares of stock as determined under division (C) of section 5733.05 of the Revised Code. For the purposes of division (C) of this section, division (C)(2) of section 5733.065, and division (C) of section 5733.066 of the Revised Code, the value of the issued and outstanding shares of stock of an eligible corporation for tax year 2003 through tax year 2007, or of a qualifying holding company, is zero.

(2) As used in division (C) of this section, "eligible corporation" means a person treated as a corporation for federal income tax purposes that meets all of the following criteria:

(a) The corporation conducts business for an entire taxable year as a qualified trade or business as defined by division (C) of section 122.15 of the Revised Code, as that section existed before its repeal by H.B. 59 of the 130th general assembly.

(b) The corporation uses more than fifty per cent of the corporation's assets, based on net book value, that are located in Ohio solely to conduct activities that constitute a qualified trade or business as defined by section 122.15 of the Revised Code, as that section existed before its repeal by H.B. 59 of the 130th general assembly.

(c) The corporation has been formed or organized not more than three years before the report required to be filed by section 5733.02 of the Revised Code is due, without regard to any extensions.

(d) The corporation is not a related member, as defined in section 5733.042 of the Revised Code, at any time during the taxable year with respect to another person treated as a corporation for federal income tax purposes. A corporation is not a related member if during the entire taxable year at least seventy-five per cent of the corporation's stock is owned directly or through a pass-through entity by individuals, estates, and grantor trusts, and the individuals, estates, and grantor trusts do not directly or indirectly own more than twenty per cent of the value of another person treated as a corporation for federal income tax purposes that is conducting a qualified trade or business.

(D) The tax charged each financial institution subject to this chapter shall be that portion of the value of the issued and outstanding shares of stock as determined under division (A) of section 5733.05 of the Revised Code, multiplied by the following amounts:

- (1) For tax years prior to the 1999 tax year, fifteen mills;
- (2) For the 1999 tax year, fourteen mills;
- (3) For tax year 2000 and thereafter, thirteen mills.

(E) No tax shall be charged from any corporation that has been adjudicated bankrupt, or for which a receiver has been appointed, or that has made a general assignment for the benefit of creditors, except for the portion of the then current tax year during which the tax commissioner finds such corporation had the power to exercise its corporate franchise unimpaired by such proceedings or act. The minimum payment for each corporation shall be as follows:

(1) One thousand dollars in the case of a corporation having gross receipts for the taxable year equal to at least five million dollars from activities within or outside this state or in the case of a corporation employing at least three hundred employees at some time during the taxable year within or outside this state;

- (2) Fifty dollars in the case of any other corporation.

The tax charged to corporations under this chapter for the privilege of engaging in business in this state, which is an excise tax levied on the value of the issued and outstanding shares of stock, shall in no manner be construed as prohibiting or otherwise limiting the powers of municipal corporations, joint economic development zones created under section 715.691 of the Revised Code, and joint economic development districts created under section 715.70 or 715.71 or sections 715.72 to 715.81 of the

Revised Code in this state to impose an income tax on the income of such corporations.

(F) If two or more taxpayers satisfy the ownership or control requirements of division (A) of section 5733.052 of the Revised Code, each such taxpayer shall substitute "the taxpayer's pro-rata amount" for "fifty thousand dollars" in divisions (A) and (B) of this section. For purposes of this division, "the taxpayer's pro-rata amount" is an amount that, when added to the other such taxpayers' pro-rata amounts, does not exceed fifty thousand dollars. For the purpose of making that computation, the taxpayer's pro-rata amount shall not be less than zero. Nothing in this division derogates from or eliminates the requirement to make the alternative computation of tax under division (C) of this section.

(G) The tax liability of any corporation under division (C) of this section shall not exceed one hundred fifty thousand dollars.

(H)(1) For the purposes of division (H) of this section, "exiting corporation" means a corporation that satisfies all of the following conditions:

(a) The corporation had nexus with or in this state under the Constitution of the United States during any portion of a calendar year;

(b) The corporation was not a corporation described in division (A) of section 5733.01 of the Revised Code on the first day of January immediately following that calendar year;

(c) The corporation was not a financial institution on the first day of January immediately following that calendar year;

(d) If the corporation was a transferor as defined in section 5733.053 of the Revised Code, the corporation's transferee was not required to add to the transferee's net income the income of the transferor pursuant to division (B) of that section;

(e) During any portion of that calendar year, or any portion of the immediately preceding calendar year, the corporation had net income that was not included in a report filed by the corporation or its transferee pursuant to section 5733.02, 5733.021, 5733.03, 5733.031, or 5733.053 of the Revised Code;

(f) The corporation would have been subject to the tax computed under divisions (A), (B), (C), (F), and (G) of this section if the corporation is assumed to be a corporation described in division (A) of section 5733.01 of the Revised Code on the first day of January immediately following the calendar year to which division (H)(1)(a) of this section refers.

(2) For the purposes of division (H) of this section, "unreported net income" means net income that was not previously included in a report filed

pursuant to section 5733.02, 5733.021, 5733.03, 5733.031, or 5733.053 of the Revised Code and that was realized or recognized during the calendar year to which division (H)(1) of this section refers or the immediately preceding calendar year.

(3) Each exiting corporation shall pay a tax computed by first allocating and apportioning the unreported net income pursuant to division (B) of section 5733.05 and section 5733.051 and, if applicable, section 5733.052 of the Revised Code. The exiting corporation then shall compute the tax due on its unreported net income allocated and apportioned to this state by applying divisions (A), (B), and (F) of this section to that income.

(4) Divisions (C) and (G) of this section, division (D)(2) of section 5733.065, and division (C) of section 5733.066 of the Revised Code do not apply to an exiting corporation, but exiting corporations are subject to every other provision of this chapter.

(5) Notwithstanding division (B) of section 5733.01 or sections 5733.02, 5733.021, and 5733.03 of the Revised Code to the contrary, each exiting corporation shall report and pay the tax due under division (H) of this section on or before the thirty-first day of May immediately following the calendar year to which division (H)(1)(a) of this section refers. The exiting corporation shall file that report on the form most recently prescribed by the tax commissioner for the purposes of complying with sections 5733.02 and 5733.03 of the Revised Code. Upon request by the corporation, the tax commissioner may extend the date for filing the report.

(6) If, on account of the application of section 5733.053 of the Revised Code, net income is subject to the tax imposed by divisions (A) and (B) of this section, such income shall not be subject to the tax imposed by division (H)(3) of this section.

(7) The amendments made to division (H) of this section by Am. Sub. S.B. 287 of the 123rd general assembly do not apply to any transfer, as defined in section 5733.053 of the Revised Code, for which negotiations began prior to January 1, 2001, and that was commenced in and completed during calendar year 2001, unless the taxpayer makes an election prior to December 31, 2001, to apply those amendments.

(8) The tax commissioner may adopt rules governing division (H) of this section.

(I) Any reference in the Revised Code to "the tax imposed by section 5733.06 of the Revised Code" or "the tax due under section 5733.06 of the Revised Code" includes the taxes imposed under sections 5733.065 and 5733.066 of the Revised Code.

(J)(1) Division (J) of this section applies solely to a combined company.

Section 5733.057 of the Revised Code shall apply when calculating the adjustments required by division (J) of this section.

(2) Subject to division (J)(4) of this section, the total tax calculated in divisions (A) and (B) of this section shall be reduced by an amount calculated by multiplying such tax by a fraction, the numerator of which is the total taxable gross receipts attributed to providing public utility activity other than as an electric company under section 5727.03 of the Revised Code for the year upon which the taxable gross receipts are measured immediately preceding the tax year, and the denominator of which is the total gross receipts from all sources for the year upon which the taxable gross receipts are measured immediately preceding the tax year. Nothing herein shall be construed to exclude from the denominator any item of income described in section 5733.051 of the Revised Code.

(3) Subject to division (J)(4) of this section, the total tax calculated in division (C) of this section shall be reduced by an amount calculated by multiplying such tax by the fraction described in division (J)(2) of this section.

(4) In no event shall the reduction provided by division (J)(2) or (J)(3) of this section exceed the amount of the excise tax paid in accordance with section 5727.38 of the Revised Code, for the year upon which the taxable gross receipts are measured immediately preceding the tax year.

Sec. 5733.11. (A) If any corporation required to file a report under this chapter fails to file the report within the time prescribed, files an incorrect report, or fails to remit the full amount of the tax due for the period covered by the report, the tax commissioner may make an assessment against the corporation for any deficiency for the period for which the report or tax is due, based upon any information in the commissioner's possession.

No assessment shall be made or issued against a corporation more than three years after the later of the final date the report subject to assessment was required to be filed or the date the report was filed. Such time limit may be extended if both the corporation and the commissioner consent in writing to the extension or if an agreement waiving or extending the time limit has been entered into pursuant to section 122.171 of the Revised Code. Any such extension shall extend the three-year time limit in division (B) of section 5733.12 of the Revised Code for the same period of time. There shall be no bar or limit to an assessment against a corporation that fails to file a report subject to assessment as required by this chapter, or that files a fraudulent report.

The commissioner shall give the corporation assessed written notice of the assessment in the manner provided in section 5703.37 of the Revised

Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the corporation assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment, signed by the ~~corporations~~ corporation's authorized agent having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the corporation assessed to the treasurer of state. The petition shall indicate the corporation's objections, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the corporation has an office or place of business in this state, the county in which the corporation's statutory agent is located, or Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment against the corporation assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state corporate franchise and litter taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

~~The portion of an~~ If the assessment is not paid within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the tax commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

(D) All money collected under this section shall be considered as revenue arising from the taxes imposed by this chapter.

(E) The portion of an assessment that must be paid upon the filing of a

petition for reassessment shall be as follows:

(1) If the sole item objected to is the assessed penalty or interest, payment of the assessment, including interest but not penalty, is required;

(2) If the corporation assessed failed to file, prior to the date of issuance of the assessment, the annual report required by section 5733.02 of the Revised Code, any amended report required by division (C) of section 5733.031 of the Revised Code for the tax year at issue, or any amended report required by division (D) of section 5733.067 of the Revised Code to indicate a reduction in the amount of the credit provided under that section, payment of the assessment, including interest but not penalty, is required;

(3) If the corporation assessed filed, prior to the date of issuance of the assessment, the annual report required by section 5733.02 of the Revised Code, all amended reports required by division (C) of section 5733.031 of the Revised Code for the tax year at issue, and all amended reports required by division (D) of section 5733.067 of the Revised Code to indicate a reduction in the amount of the credit provided under that section, and a balance of the taxes shown due on the reports as computed on the reports remains unpaid, payment of only that portion of the assessment representing the unpaid balance of tax and interest is required;

(4) If the corporation assessed does not dispute that it is a taxpayer but claims the protections of section 101 of Public Law 86-272, 73 Stat. 555, 15 U.S.C.A. 381, as amended, payment of only that portion of the assessment representing any balance of taxes shown due on the corporation's annual report required by section 5733.02 of the Revised Code, as computed on the report, that remains unpaid, and that represents taxes imposed by division (C) of section 5733.06, division (C)(2) of section 5733.065, and division (C) of section 5733.066 of the Revised Code, together with all related interest, is required;

(5) If none of the conditions specified in divisions (E)(1) to (4) of this section apply, or if the corporation assessed disputes that it is a taxpayer, no payment is required.

(F) Notwithstanding the fact that a petition for reassessment is pending, the corporation may pay all or a portion of the assessment that is the subject of the petition. The acceptance of a payment by the treasurer of state does not prejudice any claim for refund upon final determination of the petition.

If upon final determination of the petition an error in the assessment is corrected by the tax commissioner, upon petition so filed or pursuant to a decision of the board of tax appeals or any court to which the determination or decision has been appealed, so that the amount due from the corporation under the corrected assessment is less than the portion paid, there shall be

issued to the corporation, its assigns, or legal representative a refund in the amount of the overpayment as provided by section 5733.12 of the Revised Code, with interest on that amount as provided by section 5733.26 of the Revised Code, subject to section 5733.121 of the Revised Code.

Sec. 5733.55. (A) As used in this section:

(1) "9-1-1 system" has the same meaning as in section ~~5507.04~~ 128.01 of the Revised Code.

(2) "Nonrecurring 9-1-1 charges" means nonrecurring charges approved by the public utilities commission for the telephone network portion of a 9-1-1 system pursuant to section ~~5507.18~~ 128.18 of the Revised Code.

(3) "Eligible nonrecurring 9-1-1 charges" means all nonrecurring 9-1-1 charges for a 9-1-1 system except both of the following:

(a) Charges for a system that was not established pursuant to a plan adopted under section ~~5507.08~~ 128.08 of the Revised Code or an agreement under section ~~5507.09~~ 128.09 of the Revised Code;

(b) Charges for that part of a system established pursuant to such a plan or agreement that are excluded from the credit by division (C)(2) of section ~~5507.18~~ 128.18 of the Revised Code.

(4) "Telephone company" has the same meaning as in section 5727.01 of the Revised Code.

(B) Beginning in tax year 2005, a telephone company shall be allowed a nonrefundable credit against the tax imposed by section 5733.06 of the Revised Code equal to the amount of its eligible nonrecurring 9-1-1 charges. The credit shall be claimed for the company's taxable year that covers the period in which the 9-1-1 service for which the credit is claimed becomes available for use. The credit shall be claimed in the order required by section 5733.98 of the Revised Code. If the credit exceeds the total taxes due under section 5733.06 of the Revised Code for the tax year, the tax commissioner shall credit the excess against taxes due under that section for succeeding tax years until the full amount of the credit is granted.

(C) After the last day a return, with any extensions, may be filed by any telephone company that is eligible to claim a credit under this section, the commissioner shall determine whether the sum of the credits allowed for prior tax years commencing with tax year 2005 plus the sum of the credits claimed for the current tax year exceeds fifteen million dollars. If it does, the credits allowed under this section for the current tax year shall be reduced by a uniform percentage such that the sum of the credits allowed for the current tax year do not exceed fifteen million dollars claimed by all telephone companies for all tax years. Thereafter, no credit shall be granted under this section, except for the remaining portions of any credits allowed

under division (B) of this section.

(D) A telephone company that is entitled to carry forward a credit against its public utility excise tax liability under section 5727.39 of the Revised Code is entitled to carry forward any amount of that credit remaining after its last public utility excise tax payment for the period of July 1, 2003, through June 30, 2004, and claim that amount as a credit against its corporation franchise tax liability under this section. Nothing in this section authorizes a telephone company to claim a credit under this section for any eligible nonrecurring 9-1-1 charges for which it has already claimed a credit under this section or section 5727.39 of the Revised Code.

Sec. 5733.58. (A) Terms used in this section have the same meaning as in section 5725.33 of the Revised Code.

(B) There is hereby allowed a nonrefundable credit against the tax imposed by section 5733.06 of the Revised Code for a financial institution holding a qualified equity investment on the credit allowance date occurring in the calendar year immediately preceding the tax year for which the tax is due. The credit shall be computed in the same manner prescribed for the computation of credits allowed under section 5725.33 of the Revised Code.

By claiming a tax credit under this section, a financial institution waives its rights under section 5733.11 of the Revised Code with respect to the time limitation for the assessment of taxes as it relates to credits claimed that later become subject to recapture under division (D) of this section.

The credit shall be claimed in the order prescribed by section 5733.98 of the Revised Code. If the amount of the credit exceeds the amount of tax otherwise due after deducting all other credits in that order, the excess may be carried forward and applied to the tax due for not more than four ensuing tax years.

(C) The total amount of qualified equity investments on the basis of which credits may be claimed under this section and sections 5725.33 and 5729.16 of the Revised Code is subject to the limitation of division (C) of section 5725.33 of the Revised Code.

(D) If any amount of ~~the~~ a federal tax credit allowed for a qualified equity investment for which a credit was received under this section is recaptured under section 45D of the Internal Revenue Code, or if the director of development services determines that an investment for which a tax credit is claimed under this section is not a qualified equity investment or that the proceeds of an investment for which a tax credit is claimed under this section are used to make qualified low-income community investments other than in a qualified active low-income community business, all or a portion of the credit received on account of that investment shall be paid by

the financial institution that received the credit to the tax commissioner. The amount to be recovered shall be determined by the director of development services pursuant to rules adopted under section 5725.33 of the Revised Code. The director shall certify any amount due under this division to the tax commissioner, and the commissioner shall notify the financial institution of the amount due. The amount due is payable not later than thirty days after the day the commissioner issues the notice. The amount due shall be considered to be tax due under section 5733.06 of the Revised Code, and may be collected by assessment without regard to the limitations imposed under section 5733.11 of the Revised Code for the assessment of taxes by the commissioner. All amounts collected under this division shall be credited as revenue from the tax levied under section 5733.06 of the Revised Code.

Sec. 5733.98. (A) To provide a uniform procedure for calculating the amount of tax imposed by section 5733.06 of the Revised Code that is due under this chapter, a taxpayer shall claim any credits to which it is entitled in the following order, except as otherwise provided in section 5733.058 of the Revised Code:

(1) For tax year 2005, the credit for taxes paid by a qualifying pass-through entity allowed under section 5733.0611 of the Revised Code;

Sec. 5735.012. ~~Amounts~~ With respect to liquid motor fuel other than liquid natural gas, amounts of motor fuel reported under this chapter shall be measured in gross gallons, except that amounts reported for terminal to terminal transactions shall be measured in net gallons and amounts reported for terminal to Ohio licensed dealer transactions shall be measured in both net gallons and gross gallons. Amounts of liquid natural gas shall be measured in gallon equivalents as described in section 5735.013 of the Revised Code.

Sec. 5735.013. For the purposes of this chapter, if the national conference on weights and measures has adopted a diesel gallon equivalent standard for liquid natural gas, that standard shall be the equivalent of one gallon of motor fuel. No assessment shall be made against any motor fuel dealer for taxes imposed by this chapter more than four years after the date on which the report on which the assessment was based was due or was filed, whichever is later. This section does not bar an assessment against any motor fuel dealer who fails to file a report required by section 5735.06 of the Revised Code, or who files a fraudulent motor fuel tax report.

A penalty of up to fifteen per cent may be added to the amount of every assessment made under this section. The commissioner may adopt rules providing for the imposition and remission of penalties added to assessments made under this section.

The commissioner shall give the party assessed written notice of the assessment in the manner provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the party assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment in writing, signed by the party assessed or that party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due and payable from the party assessed to the treasurer of state. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the party assessed resides or in which the business of the party assessed is conducted. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state against the party assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state motor fuel tax," and shall have the same effect

as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

~~The portion of~~ If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) All money collected by the tax commissioner under this section shall be paid to the treasurer of state, and when paid shall be considered as revenue arising from the tax imposed by this chapter.

(E) If the tax commissioner determines that the commissioner has erroneously refunded motor fuel tax to any person, the commissioner may make an assessment against the person for recovery of the erroneously refunded tax.

Sec. 5735.27. (A) There is hereby created in the state treasury the gasoline excise tax fund, which shall be distributed in the following manner:

(1) The amount credited pursuant to divisions (B)(2)(a) and (C)(2)(a) of section 5735.23 of the Revised Code shall be distributed among municipal corporations. The amount paid to each municipal corporation shall be that proportion of the amount to be so distributed that the number of motor vehicles registered within the municipal corporation bears to the total number of motor vehicles registered within all the municipal corporations of this state during the preceding motor vehicle registration year. When a new village is incorporated, the registrar of motor vehicles shall determine from the applications on file in the bureau of motor vehicles the number of motor vehicles located within the territory comprising the village during the entire registration year in which the municipal corporation was incorporated. The registrar shall forthwith certify the number of motor vehicles so determined to the tax commissioner for use in distributing motor vehicle fuel tax funds to the village until the village is qualified to participate in the distribution of the funds pursuant to this division. (2) The amount credited pursuant to division (B) of section 5735.26 of the Revised Code shall be distributed among the municipal corporations within the state, in the proportion which the number of motor vehicles registered within each municipal corporation bears to the total number of motor vehicles registered within all the municipal corporations of the state during the preceding calendar year, as shown by the official records of the bureau of motor vehicles, and shall be expended by each municipal corporation to plan, construct, reconstruct, repave, widen, maintain, repair, clear, and clean public highways, roads, and streets; to maintain and repair bridges and viaducts; to purchase, erect, and maintain street and traffic signs and markers; to purchase, erect, and maintain traffic lights and signals; to pay costs apportioned to the municipal corporation under section 4907.47 of the Revised Code; to pay the principal, interest, and charges on bonds and other obligations issued pursuant to Chapter 133. of the Revised Code or incurred pursuant to section 5531.09 of the Revised Code for the purpose of acquiring or constructing roads, highways, bridges, or viaducts or acquiring or making other highway improvements for which the municipal corporation may issue bonds; and to supplement revenue already available for these purposes.

(3) The amount credited pursuant to divisions (B)(2)(b) and (C)(2)(c) of section 5735.23 of the Revised Code shall be paid in equal proportions to the county treasurer of each county within the state and shall be used only for the purposes of planning, maintaining, and repairing the county system of public roads and highways within the county; the planning, construction, and repair of walks or paths along county roads in congested areas; the planning, construction, purchase, lease, and maintenance of suitable buildings for the housing and repair of county road machinery, housing of

No obligation against the funds shall be incurred unless plans and specifications for the improvement, approved by the county engineer, are on file in the office of the township fiscal officer, and all contracts for material and for work done by contract shall be approved by the county engineer before being signed by the board of township trustees. The board of township trustees of any township may pass a resolution permitting the board of county commissioners to expend the township's share of the funds, or any portion of it, for the improvement of the roads within the township as may be designated in the resolution.

All investment earnings of the fund shall be credited to the fund.

(B) Amounts credited to the highway operating fund pursuant to divisions (B)(2)(c) and (C)(2)(d) of section 5735.23 and division (A) of section 5735.26 of the Revised Code shall be expended in the following manner:

(1) The amount credited pursuant to divisions (B)(2)(c) and (C)(2)(d) of section 5735.23 of the Revised Code shall be apportioned to and expended by the department of transportation for the purposes of planning, maintaining, repairing, and keeping in passable condition for travel the roads and highways of the state required by law to be maintained by the department; paying the costs apportioned to the state under section 4907.47 of the Revised Code; paying that portion of the construction cost of a highway project which a county, township, or municipal corporation normally would be required to pay, but which the director of transportation, pursuant to division (B) of section 5531.08 of the Revised Code, determines instead will be paid from moneys in the highway operating fund; and paying the costs of the department of public safety in administering and enforcing the state law relating to the registration and operation of motor vehicles.

(C) For purposes of this section, "entire business" means substantially all of the seller's assets determined without regard to any then existing mortgages, liens, security interests or other encumbrances attaching to those assets. The tax shall be levied at a rate of six and five-tenths mills for each dollar of the supplier's gross receipts.

All revenue from the tax shall be distributed as follows:

(1) All revenue from the tax as measured by gross receipts derived from the sale of motor fuel used for propelling vehicles on public highways and waterways shall be used for the purposes of maintaining the state highway system, funding the enforcement of traffic laws, and covering the costs of hospitalization of indigent persons injured in motor vehicle accidents on the public highways.

(D) The tax commissioner may collect any penalty or interest imposed by this section in the same manner as the tax imposed under this chapter. Penalties and interest so collected shall be considered as revenue arising from the tax imposed under this chapter.

(E) The tax commissioner may abate all or a portion of any penalties imposed under this section and may adopt rules governing such abatements.

(F) If any tax due is not timely paid in accordance with this chapter, the taxpayer shall pay interest, calculated at the rate per annum prescribed by section 5703.47 of the Revised Code, from the date the tax payment was due to the date of payment or to the date an assessment was issued, whichever occurs first.

Sec. 5736.06. (A) No person subject to the tax imposed by section 5736.02 of the Revised Code shall distribute, import, or cause the importation of motor fuel for consumption in this state without holding a supplier's license issued by the tax commissioner to engage in such activities.

(b) If the applicant engages in activities in addition to those described in division (B)(3)(a) of this section, one thousand dollars.

If an applicant timely submits an application under division (B)(1) of this section on or after the first day of September of any year, the fee that would apply to the applicant under division (B)(3)(a) or (b) of this section shall be reduced by one-half.

(4) The failure to apply to the commissioner for a supplier's license does not relieve a person from the requirement to file returns and pay the tax imposed by this chapter.

(C) The tax commissioner may refuse to issue a license to any applicant

under this section in the following circumstances:

(1) The applicant has previously had any license canceled for cause by the commissioner.

(2) The commissioner believes that the application is not filed in good faith or is filed as a subterfuge in an attempt to procure a license for another person.

(3) The applicant has violated any provision of this chapter.

(D) If the tax commissioner refuses to issue a license to an applicant under this section, the applicant is entitled to a refund of the application fee in accordance with section 5736.08 of the Revised Code. (B) Upon the request of a person that is no longer subject to the tax imposed by this chapter, the tax commissioner may cancel the supplier's license issued to the person under section 5736.06 of the Revised Code. The cancellation shall become effective at the time determined by the commissioner. No license shall be canceled upon the request of any person unless, prior to the date of cancellation, the person has paid to the state all taxes payable by such person under the laws of the state, together with any interest and penalties.

Sec. 5736.08. (A) An application for refund to the taxpayer of the amount of taxes imposed under this chapter that are overpaid, paid illegally or erroneously, or paid on any illegal or erroneous assessment shall be filed by the taxpayer with the tax commissioner, on the form prescribed by the commissioner, within four years after the date of the illegal or erroneous payment of the tax, or within any additional period allowed under division (F) of section 5736.09 of the Revised Code. The applicant shall provide the amount of the requested refund along with the claimed reasons for, and documentation to support, the issuance of a refund.

(B) On the filing of the refund application, the commissioner shall

determine the amount of refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and treasurer of state for payment from the tax refund fund created under section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

(C) Interest on a refund applied for under this section, computed at the rate provided for in section 5703.47 of the Revised Code, shall be allowed from the later of the date the tax was paid or when the tax payment was due.

(D) Except as provided in section 5736.081 of the Revised Code, the commissioner may provide for the crediting against tax due for a tax period the amount of any refund due the taxpayer under this chapter for a preceding tax period.

Sec. 5736.081. If a taxpayer entitled to a refund under section 5736.08 of the Revised Code owes any debt to this state, the amount refundable may be applied in satisfaction of the debt. If the amount refundable is less than the amount of the debt, it may be applied in partial satisfaction of the debt. If the amount refundable is greater than the amount of the debt, the amount remaining after satisfaction of the debt shall be refunded. This section applies only to debts that have become final. For the purposes of this section, a debt becomes final when, under the applicable law, any time provided for petition for reassessment, request for reconsideration, or other appeal of the legality or validity of the amount giving rise to the debt expires without an appeal having been filed in the manner provided by law.

Sec. 5736.09. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any person that fails to file a return or pay any tax as required by this chapter. The commissioner shall give the person assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on the manner in which to petition for reassessment and request a hearing with respect to the

petition.

(B) Unless the person assessed, within sixty days after service of the notice of assessment, files with the commissioner, either personally or by certified mail, a written petition signed by the person or the person's authorized agent having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the person assessed to the treasurer of state. The petition shall indicate the objections of the person assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination.

If a petition for reassessment has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C)(1) After an assessment becomes final, if any portion of the assessment, including accrued interest, remains unpaid, a certified copy of the commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the person resides or has its principal place of business in this state, or in the office of the clerk of court of common pleas of Franklin county.

(2) Immediately upon the filing of the entry, the clerk shall enter judgment for the state against the person assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled, "special judgments for the motor fuel receipts tax" and shall have the same effect as other judgments. Execution shall issue upon the judgment at the request of the commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

(3) If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until it is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) If the commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment

against the person liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the person assessed or the person's authorized agent in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the person assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(E) The commissioner shall immediately forward to the treasurer of state all amounts the commissioner receives under this section, and such amounts shall be considered as revenue arising from the tax imposed under this chapter.

(F) Except as otherwise provided in this division, no assessment shall be made or issued against a taxpayer for the tax imposed under this chapter more than four years after the due date for the filing of the return for the tax period for which the tax was reported, or more than four years after the return for the tax period was filed, whichever is later. The time limit may be extended if both the taxpayer and the commissioner consent in writing to the extension or enter into an agreement waiving or extending the time limit. Any such extension shall extend the four-year time limit in division (A) of section 5736.08 of the Revised Code for the same period of time. Nothing in this division bars an assessment against a taxpayer that fails to file a return required by this chapter or that files a fraudulent return.

(G) If the commissioner possesses information that indicates that the amount of tax a taxpayer is required to pay under this chapter exceeds the amount the taxpayer paid, the commissioner may audit a sample of the taxpayer's gross receipts over a representative period of time to ascertain the amount of tax due, and may issue an assessment based on the audit. The commissioner shall make a good faith effort to reach agreement with the taxpayer in selecting a representative sample. The commissioner may apply a sampling method only if the commissioner has prescribed the method by rule.

(H) If the whereabouts of a person subject to this chapter is not known to the commissioner, the commissioner shall follow the procedures under section 5703.37 of the Revised Code.

Sec. 5736.10. If any person liable for the tax imposed under this chapter

sells the trade or business, disposes in any manner other than in the regular course of business at least seventy-five per cent of assets of the trade or business, or quits the trade or business, any tax owed by such person shall become due and payable immediately, and the person shall pay the tax under this section, including any applicable penalties and interest, within forty-five days after the date of selling or quitting the trade or business. The person's successor shall withhold a sufficient amount of the purchase money to cover the amount due and unpaid until the former owner produces a receipt from the tax commissioner showing that the amounts are paid or a certificate indicating that no taxes are due. If a purchaser fails to withhold purchase money, that person is personally liable up to the purchase money amount, for such amounts that are unpaid during the operation of the business by the former owner.

The commissioner may adopt rules regarding the issuance of certificates under this section, including the waiver of the need for a certificate if certain criteria are met.

Sec. 5736.11. If any person subject to this chapter fails to report or pay the tax as required under this chapter, or fails to pay any penalty imposed under this chapter within ninety days after the time prescribed for payment of the penalty, the attorney general, on the request of the tax commissioner, shall commence an action in quo warranto in the court of appeals of the county in which the person has its principal place of business to forfeit and annul its privileges or franchise within this state. If the court finds that the person is in default for the amount claimed, it shall render judgment revoking the person's privileges or franchise within this state and shall otherwise proceed as provided in Chapter 2733. of the Revised Code.

Sec. 5736.12. The tax commissioner may prescribe requirements for the keeping of records and other pertinent documents, the filing of copies of federal income tax returns and determinations, and computations reconciling federal income tax returns with the returns and reports required by section 5736.04 of the Revised Code. The commissioner may require any person, by rule or notice served on that person, to keep those records that the commissioner considers necessary to show whether, and the extent to which, a person is subject to this chapter. Those records and other documents shall be open during business hours to the inspection of the commissioner, and shall be preserved for a period of four years unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. If such records are normally kept by the person electronically, the person shall provide such records to the commissioner electronically at the commissioner's request.

Sec. 5736.13. (A) For the purpose of receiving, accounting for, and distributing revenue received from the tax imposed by section 5736.02 of the Revised Code, the following funds are hereby created in the state treasury:

(1) The motor fuel receipts tax fund;

(2) The motor fuel receipts tax administration fund. All amounts credited to the motor fuel receipts tax administration fund shall be used solely for the purpose of paying the expenses of the department of taxation incident to the administration of the tax imposed by section 5736.02 of the Revised Code.

(3) The motor fuel receipts tax public highways fund.

(B) All money collected from the tax imposed by section 5736.02 of the Revised Code shall be deposited into the motor fuel receipts tax fund.

(C) From the motor fuel receipts tax fund, the director of budget and management shall place to the credit of the tax refund fund established by section 5703.052 of the Revised Code amounts equal to the refunds certified by the tax commissioner pursuant to section 5736.08 of the Revised Code.

(D) Not later than the last day of March, June, September, and December of each year, the director of budget and management shall provide for the transfer of the balance of the motor fuel receipts tax fund as of the last day of the preceding month, excluding any amounts required to be transferred as provided in division (C) of this section, as follows:

(1) To the motor fuel receipts tax administration fund, one per cent;

(2) To the motor fuel receipts tax public highways fund, an amount that bears the same ratio to the balance in the motor fuel receipts tax fund, after subtracting the amount transferred under division (D)(1) of this section, that (a) the gross receipts attributed to motor fuel used for propelling vehicles on public highways and waterways as indicated by returns filed by the last day of the preceding month, bears to (b) all gross receipts as indicated by those returns;

(3) To the general revenue fund, the amount remaining after the transfers required by divisions (D)(1) and (2) of this section.

Sec. 5736.14. (A)(1) If any person, regardless of organizational form, required to file reports and to remit taxes imposed under this chapter fails for any reason to file such reports or pay such taxes, any employees of the person having control or supervision of, or charged with the responsibility of, filing reports and making payments, or any officers or trustees of the person responsible for the execution of the person's fiscal responsibilities, are personally liable for the failure.

(2) The dissolution, termination, or bankruptcy of a person shall not

discharge a responsible officer's, shareholder's, member's, manager's, employee's, or trustee's liability for failure of the person to file reports or remit taxes. The sum due for the liability may be collected by assessment in the manner provided in section 5736.09 of the Revised Code.

(B) If more than one individual is personally liable under this section for the unpaid tax of a person, then the liability of all such individuals shall be joint and several.

Sec. 5736.99. (A) Any person that files a fraudulent refund claim under section 5736.08 of the Revised Code shall be fined the greater of not more than one thousand dollars or the amount of the fraudulent refund requested or imprisoned not more than sixty days, or both.

(B) Except as provided in this section, whoever violates any section of this chapter, or any rule adopted by the tax commissioner under this chapter, shall be fined not more than five hundred dollars or imprisoned not more than thirty days, or both.

(C) Any person that is subject to the tax imposed by this chapter and that is found to be engaged in distributing, importing, or causing the importation of motor fuel for consumption in this state without a license as required by section 5736.06 of the Revised Code shall be fined not more than one thousand dollars or imprisoned not more than one hundred eighty days, or both.

(D) The penalties provided in this section are in addition to any penalties imposed by the tax commissioner under section 5736.05 of the Revised Code.

Sec. 5739.01. As used in this chapter:

An "affiliated group" means two or more persons related in such a way that one person owns or controls the business operation of another member of the group.
