3. Conclusion
 - 3.1. This was just a random sampling of districts around my area
 - 3.2. There are numbers all over the place that are hard to wrap heads around
 - 3.3. My thoughts are that you should give x dollars to each school district per pupil so that there are no gray areas anymore
 - 3.4. There needs to be ample time for this situation
 - 3.5. Why are F's getting more than A's
 - 3.5.1.Real Life Example
 - 3.5.2.The appearance is that we're spending the most money on the lowest ranked districts
 - 3.6. Thanks for the time/consideration to this matter
 - 3.7. Once again my name is Zackory Langin and I am an eighth grader if you have any ? contact through principal Mrs. Loper (440-949-4228)
