Good Afternoon, Committee Chair Burke and Members,

My name is Memory Royal. My partner, Recale Lewis, is on Medicaid due to Medicaid Expansion. For many years he was uninsured. Medicaid has helped him get his teeth taken care of and to be able to see a doctor. He has gotten a lot of necessary work done since receiving his Care Source card in 2014. He has had several eye surgeries. I am asking you to keep Medicaid Expansion in the State Budget for Ohio. Thank you.
