Director of Budget and Management to transfer 3
funds from the Adult and Juvenile Correctional 4
Facilities Bond Retirement Fund to any fund 5
created in the state treasury administered by 6
the Department of Rehabilitation and Correction 7
or the Department of Youth Services, to create 8
the Community Programs Fund, and to authorize 9
the conveyance of state-owned real property. 10

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 5120.092 be amended and section 11

Sec. 5120.092. There is hereby created in the state 13

the sale of state adult or juvenile correctional facilities. 16
Investment income with respect to moneys on deposit in the fund 17
shall be retained by the fund. No investment of moneys in, or 18

transfer of moneys from, the fund shall be made if the effect of 19
the investment or transfer would be to adversely affect the 20
exclusion from gross income of the interest payable on 21
obligations previously issued for state adult or juvenile 22
correctional facilities. Upon receipt of one or more opinions of 23
nationally recognized bond counsel that the transfer of such 24
moneys will not adversely affect the exclusion from gross income 25
of the interest payable on such obligations, the director of 26
budget and management may direct that moneys in the fund be 27
transferred to one or more of the general revenue fund, any fund 28
created in the state treasury administered by the department of 29
rehabilitation and correction or the department of youth 30
services, the adult correctional building fund, or the juvenile 31
correctional building fund. ~~Upon completion of such transfers,~~ 32
~~the adult and juvenile correctional facilities bond retirement~~ 33
~~fund shall be abolished.~~ 34

Sec. 5120.80. There is hereby created in the state 35
treasury the community programs fund. The department of 36
rehabilitation and correction shall use the moneys in the fund 37
to do the following: 38

181

The foregoing description may be adjusted by the Department of Administrative Services to accommodate any corrections necessary to facilitate recordation of the deed. 182
183
184

(B) (1) The conveyance of the facility includes any improvements and chattels situated thereon. The conveyance is 185
186

subject to all easements, covenants, conditions, and 187
restrictions of record; all legal highways and public rights-of- 188
way; zoning, building, and other laws, ordinances, restrictions, 189
and regulations; and real estate taxes and assessments not yet 190
due and payable. As used in this section, "facility" has the 191
meaning defined in section 9.06 of the Revised Code. 192

(2) The deed may contain restrictions, exceptions, 193
reservations, reversionary interests, and other terms and 194
conditions the Director of Administrative Services determines to 195
be in the best interest of the state, including restrictions 196
prohibiting the purchaser from occupying, using, or developing, 197
or from selling, the real estate, or the facility thereon, 198
except in conformance with the restrictions, or if the use, 199
development, or sale will interfere with the quiet enjoyment of 200
the neighboring state-owned land. The deed shall contain a 201
restriction that the use of the facility is limited to a 202
correctional institution for the housing of inmates under the 203
Department of Rehabilitation and Correction. 204

(3) Subsequent to the conveyance, any restriction, 205
exception, reservation, reversionary interest, or other term and 206
condition contained in the deed may be released by the state 207
without the necessity of further legislation. 208

(C) (1) The Director of Administrative Services shall 209
conduct a sale of the real estate by sealed proposal, sealed bid 210
auction, or public auction. If the sale is conducted by sealed 211
proposal, discussions may be conducted with responsible offerors 212
who submit proposals determined to be reasonably susceptible of 213
being selected for award for the purpose of ensuring full 214
understanding of, and responsiveness to, solicitation 215
requirements, and to negotiate terms of the contract including 216

reimbursement of the reasonable costs associated with ownership 217
of the facility. Offerors shall be accorded fair and equal 218
treatment with respect to any opportunity for discussion 219
regarding any clarification, correction, or revision of 220
proposals. No disclosure of any information derived from 221
proposals submitted by competing offerors shall occur when 222
discussions are conducted. Award may be made to the offeror 223
whose proposal is determined to be the most advantageous to the 224
state, taking into consideration factors such as price and the 225
evaluation criteria set forth in the request for proposals. If 226
sold by sealed bid auction or public auction, the real estate 227
shall be sold to the highest responsive and responsible bidder 228
at a price acceptable to the Directors of Administrative 229
Services and Rehabilitation and Correction. The Director of 230
Administrative Services shall advertise the sealed proposal, 231
sealed bid auction, or public auction by publication in a 232
newspaper of general circulation in Marion County, once a week 233
for three consecutive weeks before the date on which the sealed 234
proposals or bids are to be opened or the auction takes place. 235
The Director of Administrative Services shall notify the 236
successful offeror or bidder in writing. The Director of 237
Administrative Services may reject any or all bids. 238

(2) The purchaser shall pay a deposit of ten per cent of 239
the purchase price to the Director of Administrative Services 240
not later than five business days after receiving a notice that 241
the purchaser's proposal or bid has been accepted, and shall 242
enter into a real estate purchase agreement in the form 243
prescribed by the Department of Administrative Services. The 244
purchaser shall pay the balance of the purchase price at 245
closing, which shall occur not later than sixty days after 246
execution of the purchase agreement. Payment shall be made by 247

certified check made payable to the Treasurer of State. A 248
purchaser who does not satisfy the conditions of the sale as 249
prescribed in this section shall forfeit as liquidated damages 250
the ten per cent deposit paid to the state. If a purchaser fails 251
to complete the purchase, the Director may accept the next 252
highest bid, subject to the foregoing conditions. If the 253
Director rejects all proposals or bids, the Director may repeat 254
the sealed proposal, sealed bid auction, or public auction. 255

(3) The sale of the facility, real estate, its 256
improvements and chattels, shall be "as-is, where-is, with all 257
faults" in its present condition. The state reserves the right 258
to house inmates, and operate and manage the facility as a 259
correctional institution, either with its own employees or 260
through an operations and management contract. If the facility 261
is operated and managed through an operations and management 262
contract, the contract shall not be awarded to the purchaser of 263
the property without the state having rebid the operating and 264
management contract for a term commencing after any then-current 265
term expires. Any bid that seeks to combine the purchase of the 266
facility with the right to operate and manage the facility 267
through an operations and management contract shall stipulate 268
and be conditioned upon the operations and management contract 269
not becoming effective until the expiration of the current 270
operations and management contract. In exchange for the right to 271
house, operate, and manage the facility, the state shall 272
negotiate and execute a contract with a successful purchaser for 273
reimbursement of the reasonable costs associated with ownership 274
of the facility. The contract and conveyance of the real estate 275
shall be subject to an existing operation and management 276
contract for the facility, dated August 31, 2011, with the 277
Management and Training Corporation and the Department of 278

Administrative Services, on behalf of the Department of 279
Rehabilitation and Correction, or any successor operation and 280
management contract for the facility, pursuant to section 9.06 281
of the Revised Code. 282

(4) If the Directors of Administrative Services and 283
Rehabilitation and Correction convey the real estate to a 284
grantee, the real estate purchase agreement shall include at 285
least the following terms and conditions: 286

(a) An agreement for the sale to the purchaser of the 287
state's right, title, and interest in the facility; 288

(b) Notwithstanding any provision of the Revised Code, 289
authorization for the transfer to the purchaser of any supplies, 290
equipment, furnishings, fixtures, or other assets of the state 291
located at the facility considered necessary by the Directors of 292
Rehabilitation and Correction and Administrative Services for 293
the continued operation and management of the facility. Any such 294
supplies, equipment, furnishings, fixtures, or other assets 295
shall not be considered supplies, excess supplies, or surplus 296
supplies as defined in section 125.12 of the Revised Code; 297

(c) A binding commitment that irrevocably grants to the 298
state a right, upon the occurrence of any triggering event 299
described in division (C) (4) (c) (i) or (ii) of this section, and 300
in accordance with division (C) of this section, to repurchase 301
the facility. The triggering events and the procedures for a 302
repurchase under the irrevocable grant described in this 303
division are as follows: 304

(i) Before the purchaser, or the purchaser's successor in 305
title, may resell or otherwise transfer the facility that is to 306
be transferred under the purchase agreement, the purchaser or 307

its successor or assign first must offer to the state the 308
opportunity to repurchase the facility for a price not greater 309
than the purchase price paid by the purchaser to the state for 310
the facility, less depreciation from the time of the conveyance 311
of the facility, to the purchaser or its successor or assign, 312
plus the depreciated value of any capital improvements to the 313
facility, that were made to it and funded by anyone other than 314
the state subsequent to the conveyance to the purchaser. The 315
repurchase opportunity described in this division shall be 316
offered to the State of Ohio not less than one hundred twenty 317
days before the purchaser or its successor or assign intends to 318
resell or otherwise transfer the facility. After being offered 319
the repurchase opportunity, the state has the right to 320
repurchase the facility that is to be resold or otherwise 321
transferred for the price described in this subdivision. 322

(ii) Upon the purchaser's, or the purchaser's successor's 323
or assign's, default of any financial agreement for the purchase 324
of the facility, or upon the purchaser's, or the purchaser's 325
successor's or assign's, financial insolvency or inability to 326
meet its contractual obligations, the state shall have the right 327
to repurchase the facility for a price not greater than the 328
purchase price paid by the purchaser to the state for the 329
facility, less depreciation from the time of the conveyance of 330
the facility to the purchaser or its successor, plus the 331
depreciated value of any capital improvements to the facility 332
that were made to it and funded by anyone other than the state 333
subsequent to the conveyance to the contractor. 334

(d) A requirement that the purchase agreement is subject 335
to the existing operation and management contract, under section 336
9.06 of the Revised Code, between the Management and Training 337
Corporation and the Department of Administrative Services. If 338

that contract is terminated, then the operation and management 339
responsibilities shall be transferred to the Department of 340
Rehabilitation and Correction unless it decides to competitively 341
solicit such responsibilities to another contractor under 342
similar terms and conditions that applied to that contract. The 343
purchase agreement shall be subject to the right of the 344
Department of Rehabilitation and Correction to operate and 345
manage the facility or competitively solicit that right with a 346
contractor unless the department decides it no longer needs to 347
so use the facility. The Department of Rehabilitation and 348
Correction or new contractor, whichever is applicable, is 349
authorized to enter into an agreement with the Management and 350
Training Corporation to purchase their equipment, supplies, 351
furnishings, and consumables. 352

(5) The Department of Rehabilitation and Correction shall 353
pay advertising costs incident to the sale of the real estate. 354

(D) The real estate shall be sold as an entire tract and 355
not in parcels. 356

(E) The purchaser shall pay all costs associated with the 357
closing and the facility conveyance, including at least title 358
evidence, title insurance, transfer costs and fees, recording 359
costs and fees, taxes, and any other fees, assessments, and 360
costs that may be imposed. 361

(F) The proceeds of the conveyance of the facility and 362
real estate shall be deposited into the state treasury to the 363
credit of the Adult and Juvenile Correctional Facilities Bond 364
Retirement Fund, and shall be used in accordance with section 365
5120.092 of the Revised Code. 366

(G) Upon payment of the purchase price, the Auditor of 367

State, with the assistance of the Attorney General, shall 368
prepare a deed to the real estate. The deed shall state the 369
consideration and the terms and conditions. The deed shall be 370
executed by the Governor in the name of the state, countersigned 371
by the Secretary of State, sealed with the Great Seal of the 372
State, presented in the Office of the Auditor of State for 373
recording, and delivered to the grantee. The grantee shall 374
present the deed for recording in the office of the Marion 375
County Recorder. 376

(H) This section expires three years after its effective 377
date. 378

Section 4. (A) The Governor may execute a deed in the name 379
of the state conveying to the purchaser, its heirs, successors, 380
and assigns, as determined in the manner provided for in 381
division (C) of this section, all of the state's right, title, 382
and interest in real property referred to as the halfway house 383
facility and also known as the Turtle Creek Center, located at 384
5332 State Route 63, City of Lebanon, County of Warren, State of 385

description and survey to be prepared prior to closing. 389

The foregoing description may be adjusted by the Director 390
of Administrative Services to accommodate any corrections 391
necessary to facilitate recordation of the deed. 392

(B) (1) The conveyance of the facility shall include any 393
improvements and chattels situated thereon. The conveyance is 394
subject to all easements, covenants, conditions, and 395
restrictions of record; all legal highways and public rights-of- 396

way; zoning, building, and other laws, ordinances, restrictions, 397
and regulations; and real estate taxes and assessments not yet 398
due and payable. As used in this section, "halfway house 399
facility" has the meaning defined in section 5120.102 of the 400
Revised Code. 401

(2) The deed may contain restrictions, exceptions, 402
reservations, reversionary interests, and other terms and 403
conditions the Director of Administrative Services determines to 404
be in the best interest of the state, including restrictions 405
prohibiting the purchaser from occupying, using, or developing, 406
or from selling, the real estate, or the facility thereon, 407
except in conformance with the restrictions, or if the use, 408
development, or sale will interfere with the quiet enjoyment of 409
the neighboring state-owned land. 410

(3) Subsequent to the conveyance, any restriction, 411
exception, reservation, reversionary interest, or other term and 412
condition contained in the deed may be released by the state 413
without the necessity of further legislation. 414

(4) Pursuant to division (C) of section 5120.104 of the 415
Revised Code, the Director of Rehabilitation and Correction may 416
sell the facility that is owned by the state for the use and 417
benefit of the Department, if the Department does not need the 418
property for its purposes. The Department shall convey the real 419
estate upon terms that it determines, subject to approval by the 420
Governor. 421

(C)(1) The Director of Administrative Services shall 422
conduct a sale of the real estate by sealed bid auction or 423
public auction, and the real estate shall be sold to the highest 424
bidder at a price acceptable to the Directors of Administrative 425
Services and Rehabilitation and Correction. The Director of 426

Administrative Services shall advertise the sealed bid auction 427
or public auction by publication in a newspaper of general 428
circulation in Warren County, once a week for three consecutive 429
weeks before the date on which the sealed bids are to be opened 430
or the auction takes place. The Director of Administrative 431
Services shall notify the successful bidder in writing. The 432
Director of Administrative Services may reject any or all bids. 433

(2) The purchaser shall pay a deposit of ten per cent of 434
the purchase price to the Director of Administrative Services 435
not later than five business days after receiving notice that 436
the purchaser's bid has been accepted, and shall enter into a 437
real estate purchase agreement in the form prescribed by the 438
Department of Administrative Services. The purchaser shall pay 439
the balance of the purchase price at closing, which shall occur 440

conditions of the sale as prescribed in this division shall 444
forfeit as liquidated damages the ten per cent deposit paid to 445
the state. If a purchaser fails to complete the purchase, the 446
Director may accept the next highest bid, subject to the 447
foregoing conditions. If the Director rejects all bids, the 448
Director may repeat the sealed bid auction or public auction. 449
