**BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:**

**Section 1.** That section 3901.381 be amended and sections 13  
3938.01, 3938.02, 3938.03, 3938.04, 3938.05, 3938.06, 3938.07, 14  
3938.08, 3938.09, and 4123.324 and new section 2323.44 of the 15  
Revised Code be enacted to read as follows: 16

**Sec. 2323.44.** (A) As used in this section: 17

(1) "Health care provider-sponsored organization" means an 18  
entity that is sponsored by hospitals, physician groups, other 19  
licensed health care providers, or any combination of hospitals, 20  
physician groups, or other licensed health care providers that 21  
are affiliated through common ownership or control and share 22  
financial risk for the purpose of delivering health care 23  
services. 24

(2) "Injured party" means any person who claims any 25  
injury, death, or loss to person in a tort action or an estate 26  
that makes a survivorship claim due to injury, death, or loss to 27  
person, but not including a derivative claim, a claim made by a 28  
beneficiary in a wrongful death action pursuant to section 29  
2125.02 of the Revised Code, or a claim for punitive damages 30  
arising from a person's claim of injury, death, or loss to 31  
person. 32

(3) "Recovery" means the amount obtained from a third 33  
party in a tort action or the amount obtained for a claim in 34  
connection with uninsured or underinsured motorist coverage. 35

(4) "Third party" means any individual, automobile 36  
insurance company, or public or private entity against which a 37  
person or estate has a tort action. 38

(5) "Subrogee" means any of the following: 39

(a) An insurance company doing business in this state; 40

(b) A self-funded plan providing health, sickness, or 41  
disability benefits; 42

(c) A health care provider-sponsored organization; 43

(d) Any person or entity that claims a right of 44  
subrogation by contract or common law. 45

(6) "Tort action" means a civil action for injury, death, 46  
or loss to person. "Tort action" includes any claim for damages 47  
for injury, death, or loss to person, whether or not a lawsuit 48  
is pending, or a claim in connection with uninsured or 49  
underinsured motorist coverage, but does not include a civil 50  
action for breach of contract or another agreement between 51  
persons. 52

(B) Notwithstanding any contract or statutory provision to 53  
the contrary, the rights of a subrogee or any other person or 54  
entity that asserts a contractual, statutory, or common law 55  
subrogation claim against a third party or an injured party in a 56  
tort action shall be subject to both of the following: 57

(1) If less than the full value of the tort action is 58  
recovered for comparative negligence, diminishment due to a 59  
party's liability under sections 2307.22 to 2307.28 of the 60  
Revised Code, or by reason of the collectability of the full 61  
value of the claim for injury, death, or loss to person 62  
resulting from limited liability insurance or any other cause, 63  
the subrogee's or other person's or entity's claim shall be 64  
diminished in the same proportion as the injured party's 65  
interest is diminished. 66

(2) If a dispute regarding the distribution of the 67  
recovery in the tort action arises, either party may file an 68  
action under Chapter 2721. of the Revised Code to resolve the 69  
issue of the distribution of the recovery. 70

**Sec. 3901.381.** (A) Except as provided in sections 71  
3901.382, 3901.383, 3901.384, and 3901.386 of the Revised Code, 72  
a third-party payer shall process a claim for payment for health 73  
care services rendered by a provider to a beneficiary in 74  
accordance with this section. 75

(B) (1) Unless division (B) (2) or (3) of this section 76  
applies, when a third-party payer receives from a provider or 77  
beneficiary a claim on the standard claim form prescribed in 78  
rules adopted by the superintendent of insurance under section 79  
3902.22 of the Revised Code, the third-party payer shall pay or 80  
deny the claim not later than thirty days after receipt of the 81  
claim. When a third-party payer denies a claim, the third-party 82  
payer shall notify the provider and the beneficiary. The notice 83  
shall state, with specificity, why the third-party payer denied 84  
the claim. 85

(2) (a) Unless division (B) (3) of this section applies, 86  
when a provider or beneficiary has used the standard claim form, 87  
but the third-party payer determines that reasonable supporting 88  
documentation is needed to establish the third-party payer's 89  
responsibility to make payment, the third-party payer shall pay 90  
or deny the claim not later than forty-five days after receipt 91  
of the claim. Supporting documentation includes the verification 92  
of employer and beneficiary coverage under a benefits contract, 93  
confirmation of premium payment, medical information regarding 94  
the beneficiary and the services provided, information on the 95  
responsibility of another third-party payer to make payment or 96  
confirmation of the amount of payment by another third-party 97  
payer, and information that is needed to correct material 98  
deficiencies in the claim related to a diagnosis or treatment or 99  
the provider's identification. 100

Not later than thirty days after receipt of the claim, the 101  
third-party payer shall notify all relevant external sources 102  
that the supporting documentation is needed. All such notices 103  
shall state, with specificity, the supporting documentation 104  
needed. If the notice was not provided in writing, the provider, 105  
beneficiary, or third-party payer may request the third-party 106

payer to provide the notice in writing, and the third-party 107  
payer shall then provide the notice in writing. If any of the 108  
supporting documentation is under the control of the 109  
beneficiary, the beneficiary shall provide the supporting 110  
documentation to the third-party payer. 111

The number of days that elapse between the third-party 112  
payer's last request for supporting documentation within the 113  
thirty-day period and the third-party payer's receipt of all of 114  
the supporting documentation that was requested shall not be 115  
counted for purposes of determining the third-party payer's 116  
compliance with the time period of not more than forty-five days 117  
for payment or denial of a claim. Except as provided in division 118  
(B) (2) (b) of this section, if the third-party payer requests 119  
additional supporting documentation after receiving the 120  
initially requested documentation, the number of days that 121  
elapse between making the request and receiving the additional 122  
supporting documentation shall be counted for purposes of 123  
determining the third-party payer's compliance with the time 124  
period of not more than forty-five days. 125

(b) If a third-party payer determines, after receiving 126  
initially requested documentation, that it needs additional 127  
supporting documentation pertaining to a beneficiary's 128  
preexisting condition, which condition was unknown to the third- 129  
party payer and about which it was reasonable for the third- 130  
party payer to have no knowledge at the time of its initial 131  
request for documentation, and the third-party payer 132  
subsequently requests this additional supporting documentation, 133  
the number of days that elapse between making the request and 134  
receiving the additional supporting documentation shall not be 135  
counted for purposes of determining the third-party payer's 136  
compliance with the time period of not more than forty-five 137

days. 138

(c) When a third-party payer denies a claim, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim. 139  
140  
141  
142

(d) If a third-party payer determines that supporting documentation related to medical information is routinely necessary to process a claim for payment of a particular health care service, the third-party payer shall establish a description of the supporting documentation that is routinely necessary and make the description available to providers in a readily accessible format. 143  
144  
145  
146  
147  
148  
149

Third-party payers and providers shall, in connection with a claim, use the most current CPT code in effect, as published by the American medical association, the most current ICD-910 code in effect, as published by the United States department of health and human services, the most current CDT code in effect, as published by the American dental association, or the most current HCPCS code in effect, as published by the United States health care financing administration. 150  
151  
152  
153  
154  
155  
156  
157

(3) When a provider or beneficiary submits a claim by using the standard claim form prescribed in the superintendent's rules, but the information provided in the claim is materially deficient, the third-party payer shall notify the provider or beneficiary not later than fifteen days after receipt of the claim. The notice shall state, with specificity, the information needed to correct all material deficiencies. Once the material deficiencies are corrected, the third-party payer shall proceed in accordance with division (B) (1) or (2) of this section. 158  
159  
160  
161  
162  
163  
164  
165  
166

It is not a violation of the notification time period of 167  
not more than fifteen days if a third-party payer fails to 168  
notify a provider or beneficiary of material deficiencies in the 169  
claim related to a diagnosis or treatment or the provider's 170  
identification. A third-party payer may request the information 171  
necessary to correct these deficiencies after the end of the 172  
notification time period. Requests for such information shall be 173  
made as requests for supporting documentation under division (B) 174  
(2) of this section, and payment or denial of the claim is 175  
subject to the time periods specified in that division. 176

(C) For purposes of this section, if a dispute exists 177  
between a provider and a third-party payer as to the day a claim 178  
form was received by the third-party payer, both of the 179  
following apply: 180

(1) If the provider or a person acting on behalf of the 181  
provider submits a claim directly to a third-party payer by mail 182  
and retains a record of the day the claim was mailed, there 183  
exists a rebuttable presumption that the claim was received by 184  
the third-party payer on the fifth business day after the day 185  
the claim was mailed, unless it can be proven otherwise. 186

(2) If the provider or a person acting on behalf of the 187  
provider submits a claim directly to a third-party payer 188  
electronically, there exists a rebuttable presumption that the 189  
claim was received by the third-party payer twenty-four hours 190  
after the claim was submitted, unless it can be proven 191  
otherwise. 192

(D) Nothing in this section requires a third-party payer 193  
to provide more than one notice to an employer whose premium for 194  
coverage of employees under a benefits contract has not been 195  
received by the third-party payer. 196

(E) Compliance with the provisions of division (B) (3) of 197  
this section shall be determined separately from compliance with 198  
the provisions of divisions (B) (1) and (2) of this section. 199

(F) A third party payer shall transmit electronically any 200  
payment with respect to claims that the third party payer 201  
receives electronically and pays to a contracted provider under 202  
this section and under sections 3901.383, 3901.384, and 3901.386 203  
of the Revised Code. A provider shall not refuse to accept a 204  
payment made under this section or sections 3901.383, 3901.384, 205  
and 3901.386 of the Revised Code on the basis that the payment 206  
was transmitted electronically. 207

Sec. 3938.01. (A) This chapter may be cited as the 208  
"Certificates of Insurance Act." 209

(B) As used in this chapter: 210

(1) "Certificate of insurance" means a document or 211  
instrument, regardless of how titled or described, that is 212  
prepared or issued by an insurer or insurance agent licensed 213  
under Chapter 3905. of the Revised Code to verify the existence 214  
of property or casualty insurance coverage. "Certificate of 215  
insurance" includes a document issued to a person as 216  
verification of the existence of coverage under a master policy. 217  
"Certificate of insurance" does not include a policy of 218  
insurance, insurance binder, policy endorsement, or automobile 219  
identification card, or any document used to provide proof of 220  
financial responsibility for purposes of Chapter 4509. of the 221  
Revised Code. 222

(2) "Certificate holder" means any person, other than a 223  
policyholder, that requests, obtains, or possesses a certificate 224  
of insurance. 225

(3) "Person" has the same meaning as in section 1.59 of 226  
the Revised Code and includes a limited liability company, the 227  
state, and all political subdivisions, authorities, agencies, 228  
boards, and commissions of the state. 229

Sec. 3938.02. A certificate of insurance is not a policy 230  
of insurance and does not affirmatively or negatively amend, 231  
extend, or alter the coverage afforded by the policy to which 232  
the certificate of insurance refers. A certificate of insurance 233  
shall not confer to any person new or additional rights beyond 234  
what the referenced policy of insurance expressly provides. 235

Sec. 3938.03. (A) A certificate of insurance shall not 236  
include language that does either of the following: 237

(1) Is unfair, misleading, or deceptive or that violates 238  
public policy; 239

(2) Violates any law or any rule adopted by the 240  
superintendent of insurance. 241

(B) A certificate of insurance shall not guarantee that 242  
the policy of insurance referenced in the certificate complies 243  
with the requirements for a policy of property or casualty 244  
insurance under Title XXXIX of the Revised Code. The inclusion 245  
of a contract number or policy description in a certificate of 246  
insurance is not proof of such a guarantee. 247

Sec. 3938.04. No person shall do either of the following: 248

(A) Prepare, issue, request, or require a certificate of 249  
insurance that contains any false or misleading information 250  
concerning the policy of insurance referenced in the certificate 251  
of insurance; 252

(B) Prepare, issue, request, or require a certificate of 253

insurance that affirmatively or negatively alters, amends, or 254  
extends the coverage provided by the policy of insurance 255  
referenced in the certificate of insurance. 256

Sec. 3938.05. A certificate holder shall be entitled to 257  
notice of cancellation or nonrenewal or any similar notice 258  
concerning a policy of insurance only if the certificate holder 259  
is named within the policy or any endorsement to the policy and 260  
the policy or endorsement requires notice to be provided to the 261  
certificate holder. The terms and conditions of the notice, 262  
including the required timing of the notice, are governed by the 263  
policy of insurance and cannot be altered by a certificate of 264  
insurance. 265

Sec. 3938.06. The provisions of this chapter shall apply 266  
to all certificates of insurance issued in connection with 267  
property and casualty risks located in this state, regardless of 268  
where the policyholder, insurer, insurance agent, or person 269  
requesting the certificate of insurance is located. 270

Sec. 3938.07. A certificate of insurance that is issued in 271  
violation of this chapter shall be void. 272

Sec. 3938.08. (A) No person shall fail to comply with 273  
sections 3938.01 to 3938.07 of the Revised Code. If the 274  
superintendent of insurance determines that any person has 275  
violated sections 3938.01 to 3938.07 of the Revised Code, the 276  
superintendent may take one or more of the following actions: 277

(1) Issue an order requiring the person to cease and 278  
desist from the actions constituting the violation; 279

(2) Assess a civil penalty not to exceed one thousand 280  
dollars per violation. 281

(B) The superintendent may investigate the activities of 282

any person the superintendent reasonably believes has engaged in 283  
or is engaging in an act or practice prohibited by this chapter. 284

(C) Before imposing a penalty under division (A) of this 285  
section, the superintendent shall give the person notice and 286  
opportunity for a hearing as described in Chapter 119. of the 287  
Revised Code. 288

(D) The superintendent shall deposit any penalties 289  
assessed under division (A) of this section into the state 290  
treasury to the credit of the department of insurance operating 291  
fund created in section 3901.021 of the Revised Code. 292

**Sec. 3938.09.** The superintendent of insurance may adopt 293  
rules in accordance with Chapter 119. of the Revised Code as 294  
necessary to implement this chapter. 295

**Sec. 4123.324.** (A) The administrator of workers' 296  
compensation shall adopt rules, for the purpose of encouraging 297  
economic development, that establish conditions under which any 298  
negative experience to be transferred to the account of an 299  
employer who is successor in interest under division (B) of 300  
section 4123.32 of the Revised Code may be reduced or waived. 301

(B) The administrator, in adopting rules under division 302  
(A) of this section, may not permit a waiver or reduction in 303  
experience transfer if the succession transaction is entered 304  
into for the purpose of escaping obligations under this chapter 305  
or Chapter 4121., 4127., or 4131. of the Revised Code. 306

**Section 2.** That section 2323.44 and existing section 307  
3901.381 of the Revised Code are hereby repealed. 308
