The property may be donated to an eligible nonprofit 122  
organization that is located in this state and is exempt from 123  
federal income taxation pursuant to 26 U.S.C. 501(a) and (c) (3). 124  
Before donating any property under this division, the board 125  
shall adopt a resolution expressing its intent to make unneeded, 126  
obsolete, or unfit-for-use school district property available to 127  
these organizations. The resolution shall include guidelines and 128  
procedures the board considers to be necessary to implement the 129  
donation program and shall indicate whether the school district 130  
will conduct the donation program or the board will contract 131  
with a representative to conduct it. If a representative is 132  
known when the resolution is adopted, the resolution shall 133

provide contact information such as the representative's name, 134  
address, and telephone number. 135

The resolution shall include within its procedures a 136  
requirement that any nonprofit organization desiring to obtain 137  
donated property under this division shall submit a written 138  
notice to the board or its representative. The written notice 139  
shall include evidence that the organization is a nonprofit 140  
organization that is located in this state and is exempt from 141  
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3); 142  
a description of the organization's primary purpose; a 143  
description of the type or types of property the organization 144  
needs; and the name, address, and telephone number of a person 145  
designated by the organization's governing board to receive 146  
donated property and to serve as its agent. 147

After adoption of the resolution, the board shall publish, 148  
in a newspaper of general circulation in the school district or 149  
as provided in section 7.16 of the Revised Code, notice of its 150  
intent to donate unneeded, obsolete, or unfit-for-use school 151  
district property to eligible nonprofit organizations. The 152  
notice shall include a summary of the information provided in 153  
the resolution and shall be published twice. The second notice 154  
shall be published not less than ten nor more than twenty days 155  
after the previous notice. A similar notice also shall be posted 156  
continually in the board's office. If the school district 157  
maintains a web site on the internet, the notice shall be posted 158  
continually at that web site. 159

The board or its representatives shall maintain a list of 160  
all nonprofit organizations that notify the board or its 161  
representative of their desire to obtain donated property under 162  
this division and that the board or its representative 163

determines to be eligible, in accordance with the requirements 164  
set forth in this section and in the donation program's 165  
guidelines and procedures, to receive donated property. 166

The board or its representative also shall maintain a list 167  
of all school district property the board finds to be unneeded, 168

conspicuous location in the board's office, and, if the school 171  
district maintains a web site on the internet, the list shall be 172  
posted continually at that web site. An item of property on the 173  
list shall be donated to the eligible nonprofit organization 174  
that first declares to the board or its representative its 175  
desire to obtain the item unless the board previously has 176  
established, by resolution, a list of eligible nonprofit 177  
organizations that shall be given priority with respect to the 178  
item's donation. Priority may be given on the basis that the 179  
purposes of a nonprofit organization have a direct relationship 180  
to specific school district purposes of programs provided or 181  
administered by the board. A resolution giving priority to 182  
certain nonprofit organizations with respect to the donation of 183  
an item of property shall specify the reasons why the 184  
organizations are given that priority. 185

Members of the board shall consult with the Ohio ethics 186  
commission, and comply with Chapters 102. and 2921. of the 187  
Revised Code, with respect to any donation under this division 188

of a board member's family, or any business associate of a board 190  
member is a trustee, officer, board member, or employee. 191

auctions of district property under division (A) of section 404  
3313.41 of the Revised Code. Only the entities that notified the 405  
district treasurer pursuant to division (B) of this section are 406  
eligible to bid at the auction. 407

(3) If no governing authority or board of trustees 408  
notifies the district treasurer of its intention to purchase the 409  
property pursuant to division (B) of this section, the district 410  
may then offer the property for sale in the manner prescribed 411  
under divisions (A) to (F) of that section 3313.41 of the 412

**Sec. 3318.02.** (A) For purposes of sections 3318.01 to 562  
~~3318.32~~ 3318.20 of the Revised Code, the Ohio school facilities 563  
commission shall periodically perform an assessment of the 564  
classroom facility needs in the state to identify school 565  
districts in need of additional classroom facilities, or 566  
replacement or reconstruction of existent classroom facilities, 567  
and the cost to each such district of constructing or acquiring 568  
such additional facilities or making such renovations. 569

(B) Based upon the most recent assessment conducted 570  
pursuant to division (A) of this section, the commission shall 571  
conduct on-site visits to school districts identified as having 572  
classroom facility needs to confirm the findings of the periodic 573  
assessment and further evaluate the classroom facility needs of 574

the district. The evaluation shall assess the district's need to 575  
construct or acquire new classroom facilities and may include an 576  
assessment of the district's need for building additions or for 577  
the reconstruction of existent buildings in lieu of constructing 578  
or acquiring replacement buildings. 579

(C) (1) Except as provided in division (C) (2) of this 580  
section, on-site visits performed on or after May 20, 1997, 581  
shall be performed in the order specified in this division. The 582  
first round of on-site visits first succeeding the effective 583  
date of this amendment, May 20, 1997, shall be limited to the 584  
school districts in the first through fifth percentiles, 585  
excluding districts that are ineligible for funding under this 586  
chapter pursuant to section 3318.04 of the Revised Code. The 587  
second round of on-site visits shall be limited to the school 588  
districts in the first through tenth percentiles, excluding 589  
districts that are ineligible for funding under this chapter 590  
pursuant to section 3318.04 of the Revised Code. Each succeeding 591  
round of on-site visits shall be limited to the percentiles 592  
included in the immediately preceding round of on-site visits 593  
plus the next five percentiles. Except for the first round of 594  
on-site visits, no round of on-site visits shall commence unless 595  
eighty per cent of the districts for which on-site visits were 596  
performed during the immediately preceding round, have had 597  
projects approved under section 3318.04 of the Revised Code. 598

(2) Notwithstanding division (C) (1) of this section, the 599  
commission may perform on-site visits for school districts in 600  
the next highest percentile to the percentiles included in the 601  
current round of on-site visits, and then to succeeding 602  
percentiles one at a time, not to exceed the twenty-fifth 603  
percentile, if all of the following apply: 604

(a) Less than eighty per cent of the districts for which 605  
on-site visits were performed in the current round, and in any 606  
percentiles for which on-site visits were performed in addition 607  
to the current round pursuant to this division, have had 608  
projects approved under section 3318.04 of the Revised Code; 609

(b) There are funds appropriated for the purpose of 610  
sections 3318.01 to 3318.20 of the Revised Code that are not 611  
reserved and encumbered for projects pursuant to section 3318.04 612  
of the Revised Code; 613

(c) The commission makes a finding that such available 614  
funds would be more thoroughly utilized if on-site visits were 615  
extended to the next highest percentile. 616

(D) Notwithstanding divisions (B) and (C) of this section, 617  
in any fiscal year, the commission may limit the number of 618  
districts for which it conducts on-site visits based upon its 619  
projections of the moneys available and moneys necessary to 620  
undertake projects under sections 3318.01 to ~~3318.32~~3318.20 of 621  
the Revised Code for that year. 622

**Sec. 3318.024.** In the first year of a capital biennium, 623  
any funds appropriated to the Ohio school facilities commission 624  
for classroom facilities projects under this chapter in the 625  
previous capital biennium that were not spent or encumbered, or 626  
for which an encumbrance has been canceled under section 3318.05 627  
of the Revised Code, shall be used by the commission only for 628  
projects under sections 3318.01 to 3318.20 of the Revised Code, 629  
subject to appropriation by the general assembly. 630

In the second year of a capital biennium, any funds 631  
appropriated to the Ohio school facilities commission for 632  
classroom facilities projects under this chapter that were not 633

spent or encumbered in the first year of the biennium and which 634  
are in excess of an amount equal to half of the appropriations 635  
for the capital biennium, or for which an encumbrance has been 636  
canceled under section 3318.05 of the Revised Code, shall be 637  
used by the commission only for projects under sections 3318.01 638  
to 3318.20, ~~3318.32~~, 3318.351, 3318.364, 3318.37, 3318.371, 639  
3318.38, and 3318.40 to 3318.46 of the Revised Code, subject to 640  
appropriation by the general assembly. 641

Sec. 3318.036. (A) For purposes of this section: 642

(1) "Eligible school district" is a city, local, or 643  
exempted village school district that satisfies both of the 644  
following conditions: 645

(a) The district resulted from one of the following that 646  
became effective between July 1, 2013, and June 30, 2018: 647

(i) A transfer of all of the territory of one school 648  
district to another school district in accordance with section 649  
3311.22, 3311.231, 3311.24, or 3311.38 of the Revised Code; 650

(ii) The merger of two or more districts in accordance 651  
with section 3311.25 of the Revised Code; 652

(iii) The creation of a new local school district from all 653  
of one or more local school districts in accordance with section 654  
3311.26 of the Revised Code; 655

(iv) The consolidation of two or more school districts 656  
under section 3311.37 of the Revised Code. 657

(b) The district has demonstrated to the Ohio school 658  
facilities commission an efficient use of facility space, 659  
including a reduction in the number of buildings used by 660  
students and administrative staff. 661

(2) "Basic project cost" and "required percentage of the 662  
basic project cost" have the same meanings as in section 3318.01 663  
of the Revised Code. 664

(B) Notwithstanding anything to the contrary in this 665  
chapter: 666

(1) If the commission determines that a district is an 667  
eligible school district, the commission shall give that 668  
district first priority for funding for a project under sections 669  
3318.01 to 3318.20 of the Revised Code as such funds become 670  
available, regardless of the district's percentile rank under 671  
section 3318.011 of the Revised Code. If the district results 672  
from a transfer, merger, consolidation, or creation of a new 673  
local district that takes effect prior to the effective date of 674  
this section, the district's portion of the basic project cost 675  
shall be the required percentage of the basic project cost based 676  
on the percentile ranking of the district that was transferred, 677  
merged, consolidated, or existed prior to the creation of the 678  
new district that has the lowest three-year average adjusted 679  
valuation per pupil, as calculated under section 3318.011 of the 680  
Revised Code, on the date that the transfer, merger, 681  
consolidation, or creation of the new district became effective. 682

(2) If an eligible school district is given priority under 683  
division (B)(1) of this section, the commission may reduce that 684  
district's portion of the basic project cost by twenty-five 685  
percentage points from the portion determined under section 686  
3318.032 of the Revised Code or, if the district results from a 687  
transfer, merger, consolidation, or creation of a new local 688  
district that takes effect prior to the effective date of this 689  
section, from the portion determined under division (B)(1) of 690  
this section. At no time, however, shall that district's portion 691

of the basic project cost be less than five per cent. 692

(3) If an eligible school district is given priority under 693  
division (B) (1) of this section, the commission may reduce that 694  
district's portion of the basic project cost by ten percentage 695  
points from the portion determined under section 3318.032 of the 696  
Revised Code or, if the district results from a transfer, 697  
merger, consolidation, or creation of a new local district that 698  
takes effect prior to the effective date of this section, from 699  
the portion determined under division (B) (1) of this section, if 700  
the district's project satisfies the following conditions: 701

(a) The project involves construction of a building on 702  
land owned by a state institution of higher education, as that 703  
term is defined in section 3345.011 of the Revised Code, and the 704  
commission approves the project. 705

(b) The district and the state institution of higher 706  
education enter into a written agreement regarding the continued 707  
use of the institution's land by the district, and the 708  
commission approves the agreement. 709

(c) On the date that the district and the state 710  
institution of higher education enter into the written agreement 711  
described in division (B) (3) (b) of this section, the state 712  
institution of higher education is participating in the college 713  
credit plus program established under Chapter 3365. of the 714  
Revised Code. 715

At no time, however, shall that district's portion of the 716  
basic project cost be less than five per cent. 717

The reduction of the district's portion of the basic 718  
project cost described in division (B) (3) of this section may be 719  
in addition to a reduction of the district's portion of the 720

basic project cost under division (B) (2) of this section. 721

(C) Except as provided in division (B) of this section, a 722  
district's project undertaken pursuant to this section shall be 723  
subject to all other requirements in sections 3318.01 to 3318.20 724  
of the Revised Code. 725

**Sec. 3318.08.** Except in the case of a joint vocational 726  
school district that receives assistance under sections 3318.40 727  
to 3318.45 of the Revised Code, if the requisite favorable vote 728  
on the election is obtained, or if the school district board has 729  
resolved to apply the proceeds of a property tax levy or the 730  
proceeds of an income tax, or a combination of proceeds from 731  
such taxes, as authorized in section 3318.052 of the Revised 732  
Code, the Ohio school facilities commission, upon certification 733  
to it of either the results of the election or the resolution 734  
under section 3318.052 of the Revised Code, shall enter into a 735  
written agreement with the school district board for the 736  
construction and sale of the project. In the case of a joint 737  
vocational school district that receives assistance under 738  
sections 3318.40 to 3318.45 of the Revised Code, if the school 739  
district board of education and the school district electors 740  
have satisfied the conditions prescribed in division (D) (1) of 741  
section 3318.41 of the Revised Code, the commission shall enter 742  
into an agreement with the school district board for the 743  
construction and sale of the project. In either case, the 744  
agreement shall include, but need not be limited to, the 745  
following provisions: 746

(A) The sale and issuance of bonds or notes in 747  
anticipation thereof, as soon as practicable after the execution 748  
of the agreement, in an amount equal to the school district's 749  
portion of the basic project cost, including any securities 750

authorized under division (J) of section 133.06 of the Revised 751  
Code and dedicated by the school district board to payment of 752  
the district's portion of the basic project cost of the project; 753  
provided, that if at that time the county treasurer of each 754  
county in which the school district is located has not commenced 755  
the collection of taxes on the general duplicate of real and 756  
public utility property for the year in which the controlling 757  
board approved the project, the school district board shall 758  
authorize the issuance of a first installment of bond 759  
anticipation notes in an amount specified by the agreement, 760  
which amount shall not exceed an amount necessary to raise the 761  
net bonded indebtedness of the school district as of the date of 762  
the controlling board's approval to within five thousand dollars 763  
of the required level of indebtedness for the preceding year. In 764  
the event that a first installment of bond anticipation notes is 765  
issued, the school district board shall, as soon as practicable 766  
after the county treasurer of each county in which the school 767  
district is located has commenced the collection of taxes on the 768  
general duplicate of real and public utility property for the 769  
year in which the controlling board approved the project, 770  
authorize the issuance of a second and final installment of bond 771  
anticipation notes or a first and final issue of bonds. 772

The combined value of the first and second installment of 773  
bond anticipation notes or the value of the first and final 774  
issue of bonds shall be equal to the school district's portion 775  
of the basic project cost. The proceeds of any such bonds shall 776  
be used first to retire any bond anticipation notes. Otherwise, 777  
the proceeds of such bonds and of any bond anticipation notes, 778  
except the premium and accrued interest thereon, shall be 779  
deposited in the school district's project construction fund. In 780  
determining the amount of net bonded indebtedness for the 781

purpose of fixing the amount of an issue of either bonds or bond 782  
anticipation notes, gross indebtedness shall be reduced by 783  
moneys in the bond retirement fund only to the extent of the 784  
moneys therein on the first day of the year preceding the year 785  
in which the controlling board approved the project. Should 786  
there be a decrease in the tax valuation of the school district 787  
so that the amount of indebtedness that can be incurred on the 788  
tax duplicates for the year in which the controlling board 789  
approved the project is less than the amount of the first 790  
installment of bond anticipation notes, there shall be paid from 791  
the school district's project construction fund to the school 792  
district's bond retirement fund to be applied against such notes 793  
an amount sufficient to cause the net bonded indebtedness of the 794  
school district, as of the first day of the year following the 795  
year in which the controlling board approved the project, to be 796  
within five thousand dollars of the required level of 797  
indebtedness for the year in which the controlling board 798  
approved the project. The maximum amount of indebtedness to be 799  
incurred by any school district board as its share of the cost 800  
of the project is either an amount that will cause its net 801  
bonded indebtedness, as of the first day of the year following 802  
the year in which the controlling board approved the project, to 803  
be within five thousand dollars of the required level of 804  
indebtedness, or an amount equal to the required percentage of 805  
the basic project costs, whichever is greater. All bonds and 806

perform all the powers and duties given to it by ~~sections~~ 981  
~~3318.01 to 3318.32 of the Revised Code~~ this chapter, but it does 982  
not have and shall not exercise the power of eminent domain. In 983  
its discretion and as it determines appropriate, the Ohio school 984  
facilities commission may delegate to any of its members, 985  
executive director, or other employees any of the Ohio school 986  
facilities commission's powers and duties to carry out its 987

be members of different political parties. 999

Nonvoting members shall serve as members of the Ohio 1000  
school facilities commission during the legislative biennium for 1001  
which they are appointed, except that any such member who ceases 1002  
to be a member of the legislative house from which the member 1003  
was appointed shall cease to be a member of the Ohio school 1004  
facilities commission. Each nonvoting member shall be appointed 1005  
within thirty-one days of the end of the term of that member's 1006  
predecessor. Such members may be reappointed. Vacancies of 1007

original appointments. 1009

Members of the Ohio school facilities commission shall 1010

Two voting members of the Ohio school facilities 1029  
commission constitute a quorum, and the affirmative vote of two 1030  
members is necessary for approval of any action taken by the 1031  
Ohio school facilities commission. A vacancy in the membership 1032  
of the Ohio school facilities commission does not impair a 1033  
quorum from exercising all the rights and performing all the 1034  
duties of the Ohio school facilities commission. Meetings of the 1035  
Ohio school facilities commission may be held anywhere in the 1036
