planning information, of publicly funded agencies that are 895
available to assist in family planning, and of public and 896
private agencies and services that are available to assist her 897
through the pregnancy, upon childbirth, and while the child is 898
dependent, including, but not limited to, adoption agencies. The 899
materials shall be geographically indexed; include a 900
comprehensive list of the available agencies, a description of 901
the services offered by the agencies, and the telephone numbers 902
and addresses of the agencies; and inform the pregnant woman 903
about available medical assistance benefits for prenatal care, 904
childbirth, and neonatal care and about the support obligations 905
of the father of a child who is born alive. The department shall 906
ensure that the materials described in division (C) (1) of this 907
section are comprehensive and do not directly or indirectly 908
promote, exclude, or discourage the use of any agency or service 909
described in this division. 910

(2) Materials that inform the pregnant woman of the 911
probable anatomical and physiological characteristics of the 912
zygote, blastocyte, embryo, or fetus at two-week gestational 913
increments for the first sixteen weeks of pregnancy and at four- 914
week gestational increments from the seventeenth week of 915
pregnancy to full term, including any relevant information 916
regarding the time at which the fetus possibly would be viable. 917
The department shall cause these materials to be published only 918
after it consults with the Ohio state medical association and 919
the Ohio section of the American college of obstetricians and 920
gynecologists relative to the probable anatomical and 921
physiological characteristics of a zygote, blastocyte, embryo, 922
or fetus at the various gestational increments. The materials 923
shall use language that is understandable by the average person 924
who is not medically trained, shall be objective and 925
nonjudgmental, and shall include only accurate scientific 926
information about the zygote, blastocyte, embryo, or fetus at 927
the various gestational increments. If the materials use a 928
pictorial, photographic, or other depiction to provide 929
information regarding the zygote, blastocyte, embryo, or fetus, 930
the materials shall include, in a conspicuous manner, a scale or 931
other explanation that is understandable by the average person 932
and that can be used to determine the actual size of the zygote, 933
blastocyte, embryo, or fetus at a particular gestational 934
increment as contrasted with the depicted size of the zygote, 935
blastocyte, embryo, or fetus at that gestational increment. 936

(D) Upon the submission of a request to the department of 937
health by any person, hospital, physician, or medical facility 938
for one copy of the materials published in accordance with 939
division (C) of this section, the department shall make the 940
requested copy of the materials available to the person, 941

hospital, physician, or medical facility that requested the 942
copy. 943

(E) If a medical emergency or medical necessity compels 944
the performance or inducement of an abortion, the physician who 945
will perform or induce the abortion, prior to its performance or 946
inducement if possible, shall inform the pregnant woman of the 947
medical indications supporting the physician's judgment that an 948
immediate abortion is necessary. Any physician who performs or 949
induces an abortion without the prior satisfaction of the 950
conditions specified in division (B) of this section because of 951
a medical emergency or medical necessity shall enter the reasons 952
for the conclusion that a medical emergency or medical necessity 953
exists in the medical record of the pregnant woman. 954

(F) If the conditions specified in division (B) of this 955
section are satisfied, consent to an abortion shall be presumed 956
to be valid and effective. 957

(G) The performance or inducement of an abortion without 958
the prior satisfaction of the conditions specified in division 959
(B) of this section does not constitute, and shall not be 960
construed as constituting, a violation of division (A) of 961
section 2919.12 of the Revised Code. The failure of a physician 962
to satisfy the conditions of division (B) of this section prior 963
to performing or inducing an abortion upon a pregnant woman may 964
be the basis of both of the following: 965

(1) A civil action for compensatory and exemplary damages 966
as described in division (H) of this section; 967

(2) Disciplinary action under section 4731.22 of the 968
Revised Code. 969

(H) (1) Subject to divisions (H) (2) and (3) of this 970

section, any physician who performs or induces an abortion with 971
actual knowledge that the conditions specified in division (B) 972
of this section have not been satisfied or with a heedless 973
indifference as to whether those conditions have been satisfied 974
is liable in compensatory and exemplary damages in a civil 975
action to any person, or the representative of the estate of any 976
person, who sustains injury, death, or loss to person or 977
property as a result of the failure to satisfy those conditions. 978
In the civil action, the court additionally may enter any 979
injunctive or other equitable relief that it considers 980
appropriate. 981

(2) The following shall be affirmative defenses in a civil 982
action authorized by division (H)(1) of this section: 983

(a) The physician performed or induced the abortion under 984
the circumstances described in division (E) of this section. 985

(b) The physician made a good faith effort to satisfy the 986
conditions specified in division (B) of this section. 987

(3) An employer or other principal is not liable in 988
damages in a civil action authorized by division (H)(1) of this 989
section on the basis of the doctrine of respondeat superior 990
unless either of the following applies: 991

(a) The employer or other principal had actual knowledge 992
or, by the exercise of reasonable diligence, should have known 993
that an employee or agent performed or induced an abortion with 994
actual knowledge that the conditions specified in division (B) 995
of this section had not been satisfied or with a heedless 996
indifference as to whether those conditions had been satisfied. 997

(b) The employer or other principal negligently failed to 998
secure the compliance of an employee or agent with division (B) 999

of this section. 1000

(4) Notwithstanding division (E) of section 2919.12 of the Revised Code, the civil action authorized by division (H)(1) of this section shall be the exclusive civil remedy for persons, or the representatives of estates of persons, who allegedly sustain injury, death, or loss to person or property as a result of a failure to satisfy the conditions specified in division (B) of this section. 1001
1002
1003

(I) The department of job and family services shall prepare and conduct a public information program to inform women of all available governmental programs and agencies that provide services or assistance for family planning, prenatal care, child care, or alternatives to abortion. 1008

1010
1011

Sec. 2919.171. (A) (1) A physician who performs or induces or attempts to perform or induce an abortion on a pregnant woman shall submit a report to the department of health in accordance with the forms, rules, and regulations adopted by the department that includes all of the information the physician is required to certify in writing or determine under ~~sections~~ section 2919.17 ~~and, section~~ 2919.18, divisions (A) and (C) of section 2919.192, division (C) of section 2919.193, division (B) of section 2919.195, or division (A) of section 2919.196 of the Revised Code~~±.~~ 1013

(2) If a person other than the physician described in division (A)(1) of this section makes or maintains a record required by sections 2919.192 to 2919.196 of the Revised Code on the physician's behalf or at the physician's direction, that person shall comply with the reporting requirement described in division (A)(1) of this section as if the person were the physician described in that division. 1023

1029

(B) By September 30 of each year, the department of health 1030
shall issue a public report that provides statistics for the 1031
previous calendar year compiled from all of the reports covering 1032
that calendar year submitted to the department in accordance 1033
with this section for each of the items listed in division (A) 1034
of this section. The report shall also provide the statistics 1035
for each previous calendar year in which a report was filed with 1036
the department pursuant to this section, adjusted to reflect any 1037
additional information that a physician provides to the 1038
department in a late or corrected report. The department shall 1039
ensure that none of the information included in the report could 1040
reasonably lead to the identification of any pregnant woman upon 1041
whom an abortion is performed. 1042

(C) (1) The physician shall submit the report described in 1043
division (A) of this section to the department of health within 1044
fifteen days after the woman is discharged. If the physician 1045
fails to submit the report more than thirty days after that 1046
fifteen-day deadline, the physician shall be subject to a late 1047
fee of five hundred dollars for each additional thirty-day 1048
period or portion of a thirty-day period the report is overdue. 1049
A physician who is required to submit to the department of 1050
health a report under division (A) of this section and who has 1051
not submitted a report or has submitted an incomplete report 1052
more than one year following the fifteen-day deadline may, in an 1053
action brought by the department of health, be directed by a 1054
court of competent jurisdiction to submit a complete report to 1055
the department of health within a period of time stated in a 1056
court order or be subject to contempt of court. 1057

(2) If a physician fails to comply with the requirements 1058
of this section, other than filing a late report with the 1059
department of health, or fails to submit a complete report to 1060

the department of health in accordance with a court order, the 1061
physician is subject to division (B) ~~(41)~~ (44) of section 4731.22 1062
of the Revised Code. 1063

(3) No person shall falsify any report required under this 1064
section. Whoever violates this division is guilty of abortion 1065
report falsification, a misdemeanor of the first degree. 1066

~~(D) Within ninety days of the effective date of this~~ 1067
~~section, the~~ The department of health shall adopt rules pursuant 1068
to section 111.15 of the Revised Code to assist in compliance 1069
with this section. 1070

Sec. 2919.19. (A) As used in this section and sections 1071
2919.191 to ~~2919.193~~ 2919.1910 of the Revised Code: 1072

~~(A)~~ (1) "Conception" means fertilization. 1073

(2) "Contraceptive" means a drug, device, or chemical that 1074
prevents conception. 1075

(3) "DNA" means deoxyribonucleic acid. 1076

(4) "Fetal heartbeat" means cardiac activity or the steady 1077
and repetitive rhythmic contraction of the fetal heart within 1078
the gestational sac. 1079

~~(B)~~ (5) "Fetus" means the human offspring developing 1080
during pregnancy from the moment of conception and includes the 1081
embryonic stage of development. 1082

~~(C)~~ (6) "Gestational age" means the age of an unborn human 1083
individual as calculated from the first day of the last 1084
menstrual period of a pregnant woman. 1085

~~(D)~~ (7) "Gestational sac" means the structure that 1086
comprises the extraembryonic membranes that envelop the fetus 1087

and that is typically visible by ultrasound after the fourth 1088
week of pregnancy. 1089

~~(E)~~ (8) "Intrauterine pregnancy" means a pregnancy in 1090
which the fetus is attached to the placenta within the uterus of 1091
the pregnant woman. 1092

(9) "Medical emergency" has the same meaning as in section 1093
2919.16 of the Revised Code. 1094

~~(F)~~ (10) "Physician" has the same meaning as in section 1095
2305.113 of the Revised Code. 1096

~~(G)~~ (11) "Pregnancy" means the human female reproductive 1097
condition that begins with fertilization, when the woman is 1098
carrying the developing human offspring, and that is calculated 1099
from the first day of the last menstrual period of the woman. 1100

~~(H)~~ (12) "Serious risk of the substantial and irreversible 1101
impairment of a major bodily function" has the same meaning as 1102
in section 2919.16 of the Revised Code. 1103

~~(I)~~ (13) "Spontaneous miscarriage" means the natural or 1104
accidental termination of a pregnancy and the expulsion of the 1105
fetus, typically caused by genetic defects in the fetus or 1106
physical abnormalities in the pregnant woman. 1107

(14) "Standard medical practice" means the degree of 1108
skill, care, and diligence that a physician of the same medical 1109
specialty would employ in like circumstances. As applied to the 1110
method used to determine the presence of a fetal heartbeat for 1111
purposes of section ~~2919.191~~ 2919.192 of the Revised Code, 1112
"standard medical practice" includes employing the appropriate 1113
means of detection depending on the estimated gestational age of 1114
the fetus and the condition of the woman and her pregnancy. 1115

~~(J)~~ (15) "Unborn human individual" means an individual 1116
organism of the species homo sapiens from fertilization until 1117
live birth. 1118

(B) If any provision of this section or sections 2919.171 1119
or 2919.191 to 2919.1910 of the Revised Code is held invalid, or 1120
if the application of such provision to any person or 1121
circumstance is held invalid, the invalidity of that provision 1122
does not affect any other provisions or applications of this 1123
section and sections 2919.171 and 2919.191 to 2919.1910 of the 1124
Revised Code that can be given effect without the invalid 1125
provision or application, and to this end the provisions of this 1126
section and sections 2919.171 and 2919.191 to 2919.1910 of the 1127
Revised Code are severable as provided in section 1.50 of the 1128
Revised Code. In particular, it is the intent of the general 1129
assembly that any invalidity or potential invalidity of a 1130
provision of this section or sections 2919.171 or 2919.191 to 1131
2919.1910 of the Revised Code is not to impair the immediate and 1132
continuing enforceability of the remaining provisions. It is 1133
furthermore the intent of the general assembly that the 1134
provisions of this section and sections 2919.171 and 2919.191 to 1135
2919.1910 of the Revised Code are not to have the effect of 1136
repealing or limiting any other laws of this state, except as 1137
specified by this section and sections 2919.171 and 2919.191 to 1138
2919.1910 of the Revised Code. 1139

Sec. 2919.191. (A) The general assembly hereby declares 1140
that it finds, according to contemporary medical research, all 1141
of the following: 1142

(1) As many as thirty per cent of natural pregnancies end 1143
in spontaneous miscarriage. 1144

(2) Less than five per cent of all natural pregnancies end 1145

in spontaneous miscarriage after detection of fetal cardiac activity. 1146
1147

(3) Over ninety per cent of in vitro pregnancies survive the first trimester if cardiac activity is detected in the gestational sac. 1148
1149
1150

(4) Nearly ninety per cent of in vitro pregnancies do not survive the first trimester where cardiac activity is not detected in the gestational sac. 1151
1152
1153

(5) Fetal heartbeat, therefore, has become a key medical predictor that an unborn human individual will reach live birth. 1154
1155

(6) Cardiac activity begins at a biologically identifiable moment in time, normally when the fetal heart is formed in the gestational sac. 1156
1157
1158

(7) The state of Ohio has legitimate interests from the outset of the pregnancy in protecting the health of the woman and the life of an unborn human individual who may be born. 1159
1160
1161

(8) In order to make an informed choice about whether to continue her pregnancy, the pregnant woman has a legitimate interest in knowing the likelihood of the fetus surviving to full-term birth based upon the presence of cardiac activity. 1162
1163
1164
1165

(B) Sections 2919.192 to 2919.195 of the Revised Code apply only to intrauterine pregnancies. 1166
1167

Sec. ~~2919.191~~ 2919.192. (A) A person who intends to perform or induce an abortion on a pregnant woman shall determine whether there is a detectable fetal heartbeat of the unborn human individual the pregnant woman is carrying. The method of determining the presence of a fetal heartbeat shall be consistent with the person's good faith understanding of 1168
1169
1170
1171
1172
1173

standard medical practice, provided that if rules have been 1174
adopted under division ~~(C)~~ (B) of this section, the method 1175
chosen shall be one that is consistent with the rules. The 1176
person who determines the presence or absence of a fetal 1177
heartbeat shall record in the pregnant woman's medical record 1178
the estimated gestational age of the unborn human individual, 1179
the method used to test for a fetal heartbeat, the date and time 1180
of the test, and the results of the test. 1181

~~(B) (1) Except when a medical emergency exists that 1182
prevents compliance with this division, no person shall perform 1183
or induce an abortion on a pregnant woman prior to determining 1184
if the unborn human individual the pregnant woman is carrying 1185
has a detectable fetal heartbeat. Any person who performs or 1186
induces an abortion on a pregnant woman based on the exception 1187
in this division shall note in the pregnant woman's medical 1188
records that a medical emergency necessitating the abortion 1189
existed and shall also note the medical condition of the 1190
pregnant woman that prevented compliance with this division. The 1191
person shall maintain a copy of the notes described in this 1192
division in the person's own records for at least seven years 1193
after the notes are entered into the medical records. 1194~~

~~(2) The person who performs the examination for the 1195
presence of a fetal heartbeat shall give the pregnant woman the 1196
option to view or hear the fetal heartbeat. 1197~~

~~(C) (B) The director of health may ~~promulgate~~ adopt rules 1198
pursuant to section 111.15 of the Revised Code specifying the 1199
appropriate methods of performing an examination for the purpose 1200
of determining the presence of a fetal heartbeat of an unborn 1201
individual based on standard medical practice. The rules shall 1202
require only that an examination shall be performed externally. 1203~~

~~(D)~~ (C) A person is not in violation of division (A) ~~or~~ ~~(B)~~ of this section if that person has performed an examination for the purpose of determining the presence of a fetal heartbeat ~~in the fetus of an unborn human individual~~ utilizing standard medical practice, that examination does not reveal a fetal heartbeat or the person has been informed by a physician who has performed the examination for a fetal heartbeat that the examination did not reveal a fetal heartbeat, and the person notes in the pregnant woman's medical records the procedure utilized to detect the presence of a fetal heartbeat.

~~(E)~~ Except as provided in division (F) of this section, no person shall knowingly and purposefully perform or induce an abortion on a pregnant woman before determining in accordance with division (A) of this section whether the unborn human individual the pregnant woman is carrying has a detectable heartbeat. The failure of a person to satisfy the requirements of this section prior to performing or inducing an abortion on a pregnant woman may be the basis for either of the following:

~~(1)~~ A civil action for compensatory and exemplary damages;

~~(2)~~ Disciplinary action under section 4731.22 of the Revised Code.

~~(F)~~ Division (E) of this section does not apply to a physician who performs or induces the abortion if the physician believes that a medical emergency exists that prevents compliance with that division.

~~(G)~~ The director of health may determine and specify in rules adopted pursuant to section 111.15 of the Revised Code and based upon available medical evidence the statistical probability of bringing an unborn human individual to term based

~~on the gestational age of an unborn human individual who~~ 1233
~~possesses a detectable fetal heartbeat.~~ 1234

~~(H) A woman on whom an abortion is performed in violation~~ 1235
~~of division (B) of this section or division (B)(3) of section~~ 1236
~~2317.56 of the Revised Code may file a civil action for the~~ 1237
~~wrongful death of the woman's unborn child and may receive at~~ 1238
~~the mother's election at any time prior to final judgment~~ 1239
~~damages in an amount equal to ten thousand dollars or an amount~~ 1240
~~determined by the trier of fact after consideration of the~~ 1241
~~evidence subject to the same defenses and requirements of proof,~~ 1242
~~except any requirement of live birth, as would apply to a suit~~ 1243
~~for the wrongful death of a child who had been born alive.~~ 1244

Sec. 2919.193. (A) Except as provided in division (B) of 1245
this section, no person shall knowingly and purposefully perform 1246
or induce an abortion on a pregnant woman before determining in 1247
accordance with division (A) of section 2919.192 of the Revised 1248
Code whether the unborn human individual the pregnant woman is 1249
carrying has a detectable heartbeat. 1250

Whoever violates this division is guilty of performing or 1251
inducing an abortion before determining whether there is a 1252
detectable fetal heartbeat, a felony of the fifth degree. A 1253
violation of this division may also be the basis of either of 1254
the following: 1255

(1) A civil action for compensatory and exemplary damages; 1256

(2) Disciplinary action under section 4731.22 of the 1257
Revised Code. 1258

(B) Division (A) of this section does not apply to a 1259
physician who performs or induces the abortion if the physician 1260
believes that a medical emergency exists that prevents 1261

compliance with that division. 1262

(C) A physician who performs or induces an abortion on a pregnant woman based on the exception in division (B) of this section shall make written notations in the pregnant woman's medical records of both of the following: 1263
1264
1265
1266

(1) The physician's belief that a medical emergency necessitating the abortion existed; 1267
1268

(2) The medical condition of the pregnant woman that assertedly prevented compliance with division (A) of this section. 1269
1270
1271

For at least seven years from the date the notations are made, the physician shall maintain in the physician's own records a copy of the notations. 1272
1273
1274

(D) A person is not in violation of division (A) of this section if the person acts in accordance with division (A) of section 2919.192 of the Revised Code and the method used to determine the presence of a fetal heartbeat does not reveal a fetal heartbeat. 1275
1276
1277
1278
1279

Sec. ~~2919.192~~ 2919.194. (A) If a person who intends to perform or induce an abortion on a pregnant woman has determined, under section ~~2919.191~~ 2919.192 of the Revised Code, that the unborn human individual the pregnant woman is carrying has a detectable heartbeat, the person shall not, except as provided in division (B) of this section, perform or induce the abortion until all of the following requirements have been met and at least twenty-four hours have elapsed after the last of the requirements is met: 1280
1281
1282
1283
1284
1285
1286
1287
1288

(1) The person intending to perform or induce the abortion shall inform the pregnant woman in writing that the unborn human 1289
1290

individual the pregnant woman is carrying has a fetal heartbeat. 1291

(2) The person intending to perform or induce the abortion 1292
shall inform the pregnant woman, to the best of the person's 1293
knowledge, of the statistical probability of bringing the unborn 1294
human individual possessing a detectable fetal heartbeat to term 1295
based on the gestational age of the unborn human individual or, 1296
if the director of health has specified statistical probability 1297
information pursuant to rules adopted under division (C) of this 1298
section, shall provide to the pregnant woman that information. 1299

(3) The pregnant woman shall sign a form acknowledging 1300
that the pregnant woman has received information from the person 1301
intending to perform or induce the abortion that the unborn 1302
human individual the pregnant woman is carrying has a fetal 1303
heartbeat and that the pregnant woman is aware of the 1304
statistical probability of bringing the unborn human individual 1305
the pregnant woman is carrying to term. 1306

(B) Division (A) of this section does not apply if the 1307
person who intends to perform or induce the abortion believes 1308
that a medical emergency exists that prevents compliance with 1309
that division. 1310

(C) The director of health may adopt rules that specify 1311
information regarding the statistical probability of bringing an 1312
unborn human individual possessing a detectable heartbeat to 1313
term based on the gestational age of the unborn human 1314
individual. The rules shall be based on available medical 1315
evidence and shall be adopted in accordance with section 111.15 1316
of the Revised Code. 1317

(D) This section does not have the effect of repealing or 1318
limiting any other provision of the Revised Code relating to 1319

informed consent for an abortion, including the provisions in 1320
section 2317.56 of the Revised Code. 1321

(E) Whoever violates division (A) of this section is 1322
guilty of performing or inducing an abortion without informed 1323
consent when there is a detectable fetal heartbeat, a 1324
misdemeanor of the first degree on a first offense and a felony 1325
of the fourth degree on each subsequent offense. 1326

Sec. 2919.195. (A) Except as provided in division (B) of 1327
this section, no person shall knowingly and purposefully perform 1328
or induce an abortion on a pregnant woman with the specific 1329
intent of causing or abetting the termination of the life of the 1330
unborn human individual the pregnant woman is carrying and whose 1331
fetal heartbeat has been detected in accordance with division 1332
(A) of section 2919.192 of the Revised Code. 1333

Whoever violates this division is guilty of performing or 1334
inducing an abortion after the detection of a fetal heartbeat, a 1335
felony of the fifth degree. 1336

(B) Division (A) of this section does not apply to a 1337
physician who performs a medical procedure that, in the 1338
physician's reasonable medical judgment, is designed or intended 1339
to prevent the death of the pregnant woman or to prevent a 1340
serious risk of the substantial and irreversible impairment of a 1341
major bodily function of the pregnant woman. 1342

A physician who performs a medical procedure as described 1343
in this division shall declare, in a written document, that the 1344
medical procedure is necessary, to the best of the physician's 1345
reasonable medical judgment, to prevent the death of the 1346
pregnant woman or to prevent a serious risk of the substantial 1347
and irreversible impairment of a major bodily function of the 1348

pregnant woman. In the document, the physician shall specify the 1349
pregnant woman's medical condition that the medical procedure is 1350
asserted to address and the medical rationale for the 1351
physician's conclusion that the medical procedure is necessary 1352
to prevent the death of the pregnant woman or to prevent a 1353
serious risk of the substantial and irreversible impairment of a 1354
major bodily function of the pregnant woman. 1355

A physician who performs a medical procedure as described 1356
in this division shall place the written document required by 1357
this division in the pregnant woman's medical records. The 1358
physician shall maintain a copy of the document in the 1359
physician's own records for at least seven years from the date 1360
the document is created. 1361

(C) A person is not in violation of division (A) of this 1362
section if the person acts in accordance with division (A) of 1363
section 2919.192 of the Revised Code and the method used to 1364
determine the presence of a fetal heartbeat does not reveal a 1365
fetal heartbeat. 1366

(D) Division (A) of this section does not have the effect 1367
of repealing or limiting any other provision of the Revised Code 1368
that restricts or regulates the performance or inducement of an 1369
abortion by a particular method or during a particular stage of 1370
a pregnancy. 1371

Sec. 2919.196. (A) A person who performs or induces an 1372
abortion on a pregnant woman shall do whichever of the following 1373
is applicable: 1374

(1) If the reason for the abortion purportedly is to 1375
preserve the health of the pregnant woman, the person shall 1376
specify in a written document the medical condition that the 1377

abortion is asserted to address and the medical rationale for 1378
the person's conclusion that the abortion is necessary to 1379
address that condition. 1380

(2) If the reason for the abortion is other than to 1381
preserve the health of the pregnant woman, the person shall 1382
specify in a written document that maternal health is not the 1383
purpose of the abortion. 1384

(B) The person who specifies the information in the 1385
document described in division (A) of this section shall place 1386
the document in the pregnant woman's medical records. The person 1387

guilty of attempting to commit, conspiring to commit, or 1399
complicity in committing a violation of any of those sections; 1400

being performed or induced in violation of any of those 1402
sections. 1403

in violation of division (A) of section 2919.193 or division (A) 1408
of section 2919.195 of the Revised Code; 1409

(2) A woman on whom an abortion was performed or induced 1410
who was not given the information described in divisions (A)(1) 1411
and (2) of section 2919.194 of the Revised Code or who did not 1412

the Revised Code. 1414

(B) A woman who prevails in an action filed under division 1415
(A) of this section shall receive both of the following from the 1416

an amount determined by the trier of fact after consideration of 1420
the evidence at the mother's election at any time prior to final 1421
judgment subject to the same defenses and requirements of proof, 1422
except any requirement of live birth, as would apply to a suit 1423
for the wrongful death of a child who had been born alive; 1424

(2) Court costs and reasonable attorney's fees. 1425

(C) A determination that division (A) of section 2919.193 1426

2919.195 of the Revised Code is unconstitutional shall be a 1429
defense to an action filed under division (A) of this section 1430
alleging that the defendant violated the division that was 1431
determined to be unconstitutional. 1432

(D) If the defendant in an action filed under division (A) 1433

of this section, there is hereby created the joint legislative 1453
committee on adoption promotion and support. The committee may 1454
review or study any matter that it considers relevant to the 1455
adoption process in this state, with priority given to the study 1456
or review of mechanisms intended to increase awareness of the 1457
process, increase its effectiveness, or both. 1458

(C) The committee shall consist of three members of the 1459

successor has been appointed, notwithstanding the adjournment 1468
sine die of the general assembly in which the member was 1469
appointed or the expiration of the member's term as a member of 1470
the general assembly. Any vacancies occurring among the members 1471
of the committee shall be filled in the manner of the original 1472
appointment. 1473

(D) The committee has the same powers as other standing or 1474

ensure that the physicians or other persons who perform 1478
abortions at that facility are in compliance with the reporting 1479
requirements under section 2919.171 of the Revised Code. The 1480
facility shall make the medical records available for inspection 1481
to the department of health but shall not release any personal 1482
medical information in the medical records that is prohibited by 1483
law. 1484

Sec. 3701.701. (A) (1) Notwithstanding section 3701.243 and 1485
any other section of the Revised Code pertaining to 1486
confidentiality, any individual, public children services 1487
agency, private child placing agency, or agency that provides 1488
services specifically to individuals or families, law 1489
enforcement agency, or other public or private entity that 1490
provided services to a child whose death is being reviewed by 1491
the director of health pursuant to guidelines established under 1492
section 3701.70 of the Revised Code, on the request of the 1493
director, shall submit to the director a summary sheet of 1494

information. 1495

(a) With respect to a request made to a health care 1496
entity, the summary sheet shall contain only information 1497
available and reasonably drawn from the child's medical record 1498
created by the health care entity. 1499

(b) With respect to a request made to any other individual 1500
or entity, the summary sheet shall contain only information 1501
available and reasonably drawn from any record involving the 1502
child that the individual or entity develops in the normal 1503
course of business. 1504

(c) On the request of the director, an individual or 1505
entity may, at the individual's or entity's discretion, make any 1506
additional information, documents, or reports available to the 1507
director. 1508

(2) Notwithstanding section 3701.243 and any other section 1509
of the Revised Code pertaining to confidentiality, in the case 1510
of a child one year of age or younger whose death is being 1511
reviewed by the director, on the request of the director, a 1512
health care entity that provided services to the child's mother 1513
shall submit to the director a summary sheet of information 1514
available and reasonably drawn from the mother's medical record 1515
created by the health care entity. Before submitting the summary 1516
sheet, the health care entity shall attempt to obtain the 1517
mother's consent to do so, but lack of consent shall not 1518
preclude the entity from submitting the summary sheet. 1519

(3) For purposes of the review, the director shall have 1520
access to confidential information provided to the director 1521
under this section or division ~~(H)~~(I)(4) of section 2151.421 of 1522
the Revised Code, and the director shall preserve the 1523

confidentiality of that information. 1524

(B) Notwithstanding division (A) of this section, no 1525
person, entity, law enforcement agency, or prosecuting attorney 1526
shall provide any information regarding the death of a child to 1527
the director pursuant to guidelines established under section 1528
3701.70 of the Revised Code while an investigation of the death 1529
or prosecution of a person for causing the death is pending, 1530
unless the prosecuting attorney agrees to allow the review. 1531

Sec. 4731.22. (A) The state medical board, by an 1532
affirmative vote of not fewer than six of its members, may 1533
limit, revoke, or suspend an individual's certificate to 1534
practice or certificate to recommend, refuse to grant a 1535
certificate to an individual, refuse to renew a certificate, 1536
refuse to reinstate a certificate, or reprimand or place on 1537
probation the holder of a certificate if the individual or 1538
certificate holder is found by the board to have committed fraud 1539
during the administration of the examination for a certificate 1540
to practice or to have committed fraud, misrepresentation, or 1541
deception in applying for, renewing, or securing any certificate 1542
to practice or certificate to recommend issued by the board. 1543

(B) The board, by an affirmative vote of not fewer than 1544
six members, shall, to the extent permitted by law, limit, 1545
revoke, or suspend an individual's certificate to practice or 1546
certificate to recommend, refuse to issue a certificate to an 1547
individual, refuse to renew a certificate, refuse to reinstate a 1548
certificate, or reprimand or place on probation the holder of a 1549
certificate for one or more of the following reasons: 1550

(1) Permitting one's name or one's certificate to practice 1551
to be used by a person, group, or corporation when the 1552
individual concerned is not actually directing the treatment 1553

given; 1554

(2) Failure to maintain minimal standards applicable to 1555
the selection or administration of drugs, or failure to employ 1556
acceptable scientific methods in the selection of drugs or other 1557
modalities for treatment of disease; 1558

(3) Selling, giving away, personally furnishing, 1559
prescribing, or administering drugs for other than legal and 1560
legitimate therapeutic purposes or a plea of guilty to, a 1561
judicial finding of guilt of, or a judicial finding of 1562
eligibility for intervention in lieu of conviction of, a 1563
violation of any federal or state law regulating the possession, 1564
distribution, or use of any drug; 1565

(4) Willfully betraying a professional confidence. 1566

For purposes of this division, "willfully betraying a 1567
professional confidence" does not include providing any 1568
information, documents, or reports under sections 307.621 to 1569
307.629 of the Revised Code to a child fatality review board; 1570
does not include providing any information, documents, or 1571
reports to the director of health pursuant to guidelines 1572
established under section 3701.70 of the Revised Code; does not 1573
include written notice to a mental health professional under 1574
section 4731.62 of the Revised Code; and does not include the 1575
making of a report of an employee's use of a drug of abuse, or a 1576
report of a condition of an employee other than one involving 1577
the use of a drug of abuse, to the employer of the employee as 1578
described in division (B) of section 2305.33 of the Revised 1579
Code. Nothing in this division affects the immunity from civil 1580
liability conferred by section 2305.33 or 4731.62 of the Revised 1581
Code upon a physician who makes a report in accordance with 1582
section 2305.33 or notifies a mental health professional in 1583

accordance with section 4731.62 of the Revised Code. As used in 1584
this division, "employee," "employer," and "physician" have the 1585
same meanings as in section 2305.33 of the Revised Code. 1586

(5) Making a false, fraudulent, deceptive, or misleading 1587
statement in the solicitation of or advertising for patients; in 1588
relation to the practice of medicine and surgery, osteopathic 1589
medicine and surgery, podiatric medicine and surgery, or a 1590
limited branch of medicine; or in securing or attempting to 1591
secure any certificate to practice issued by the board. 1592

As used in this division, "false, fraudulent, deceptive, 1593
or misleading statement" means a statement that includes a 1594
misrepresentation of fact, is likely to mislead or deceive 1595
because of a failure to disclose material facts, is intended or 1596
is likely to create false or unjustified expectations of 1597
favorable results, or includes representations or implications 1598
that in reasonable probability will cause an ordinarily prudent 1599
person to misunderstand or be deceived. 1600

(6) A departure from, or the failure to conform to, 1601
minimal standards of care of similar practitioners under the 1602
same or similar circumstances, whether or not actual injury to a 1603
patient is established; 1604

(7) Representing, with the purpose of obtaining 1605
compensation or other advantage as personal gain or for any 1606
other person, that an incurable disease or injury, or other 1607
incurable condition, can be permanently cured; 1608

(8) The obtaining of, or attempting to obtain, money or 1609
anything of value by fraudulent misrepresentations in the course 1610
of practice; 1611

(9) A plea of guilty to, a judicial finding of guilt of, 1612

or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(10) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Violation of the conditions of limitation placed by the board upon a certificate to practice;

(16) Failure to pay license renewal fees specified in this chapter;

(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service or business;

(18) Subject to section 4731.226 of the Revised Code,

violation of any provision of a code of ethics of the American 1641
medical association, the American osteopathic association, the 1642
American podiatric medical association, or any other national 1643
professional organizations that the board specifies by rule. The 1644
state medical board shall obtain and keep on file current copies 1645
of the codes of ethics of the various national professional 1646
organizations. The individual whose certificate is being 1647
suspended or revoked shall not be found to have violated any 1648
provision of a code of ethics of an organization not appropriate 1649
to the individual's profession. 1650

For purposes of this division, a "provision of a code of 1651
ethics of a national professional organization" does not include 1652
any provision that would preclude the making of a report by a 1653
physician of an employee's use of a drug of abuse, or of a 1654
condition of an employee other than one involving the use of a 1655
drug of abuse, to the employer of the employee as described in 1656
division (B) of section 2305.33 of the Revised Code. Nothing in 1657
this division affects the immunity from civil liability 1658
conferred by that section upon a physician who makes either type 1659
of report in accordance with division (B) of that section. As 1660
used in this division, "employee," "employer," and "physician" 1661
have the same meanings as in section 2305.33 of the Revised 1662
Code. 1663

(19) Inability to practice according to acceptable and 1664
prevailing standards of care by reason of mental illness or 1665
physical illness, including, but not limited to, physical 1666
deterioration that adversely affects cognitive, motor, or 1667
perceptive skills. 1668

In enforcing this division, the board, upon a showing of a 1669
possible violation, may compel any individual authorized to 1670

practice by this chapter or who has submitted an application 1671
pursuant to this chapter to submit to a mental examination, 1672
physical examination, including an HIV test, or both a mental 1673
and a physical examination. The expense of the examination is 1674
the responsibility of the individual compelled to be examined. 1675
Failure to submit to a mental or physical examination or consent 1676
to an HIV test ordered by the board constitutes an admission of 1677
the allegations against the individual unless the failure is due 1678
to circumstances beyond the individual's control, and a default 1679
and final order may be entered without the taking of testimony 1680
or presentation of evidence. If the board finds an individual 1681
unable to practice because of the reasons set forth in this 1682
division, the board shall require the individual to submit to 1683
care, counseling, or treatment by physicians approved or 1684
designated by the board, as a condition for initial, continued, 1685
reinstated, or renewed authority to practice. An individual 1686
affected under this division shall be afforded an opportunity to 1687
demonstrate to the board the ability to resume practice in 1688
compliance with acceptable and prevailing standards under the 1689
provisions of the individual's certificate. For the purpose of 1690
this division, any individual who applies for or receives a 1691
certificate to practice under this chapter accepts the privilege 1692
of practicing in this state and, by so doing, shall be deemed to 1693
have given consent to submit to a mental or physical examination 1694
when directed to do so in writing by the board, and to have 1695
waived all objections to the admissibility of testimony or 1696
examination reports that constitute a privileged communication. 1697

(20) Except when civil penalties are imposed under section 1698
4731.225 or 4731.282 of the Revised Code, and subject to section 1699
4731.226 of the Revised Code, violating or attempting to 1700
violate, directly or indirectly, or assisting in or abetting the 1701

violation of, or conspiring to violate, any provisions of this 1702
chapter or any rule promulgated by the board. 1703

This division does not apply to a violation or attempted 1704
violation of, assisting in or abetting the violation of, or a 1705
conspiracy to violate, any provision of this chapter or any rule 1706
adopted by the board that would preclude the making of a report 1707
by a physician of an employee's use of a drug of abuse, or of a 1708
condition of an employee other than one involving the use of a 1709
drug of abuse, to the employer of the employee as described in 1710
division (B) of section 2305.33 of the Revised Code. Nothing in 1711
this division affects the immunity from civil liability 1712
conferred by that section upon a physician who makes either type 1713
of report in accordance with division (B) of that section. As 1714
used in this division, "employee," "employer," and "physician" 1715
have the same meanings as in section 2305.33 of the Revised 1716
Code. 1717

(21) The violation of section 3701.79 of the Revised Code 1718
or of any abortion rule adopted by the director of health 1719
pursuant to section 3701.341 of the Revised Code; 1720

(22) Any of the following actions taken by an agency 1721
responsible for authorizing, certifying, or regulating an 1722
individual to practice a health care occupation or provide 1723
health care services in this state or another jurisdiction, for 1724
any reason other than the nonpayment of fees: the limitation, 1725
revocation, or suspension of an individual's license to 1726
practice; acceptance of an individual's license surrender; 1727
denial of a license; refusal to renew or reinstate a license; 1728
imposition of probation; or issuance of an order of censure or 1729
other reprimand; 1730

(23) The violation of section 2919.12 of the Revised Code 1731

or the performance or inducement of an abortion upon a pregnant 1732
woman with actual knowledge that the conditions specified in 1733
division (B) of section 2317.56 of the Revised Code have not 1734
been satisfied or with a heedless indifference as to whether 1735
those conditions have been satisfied, unless an affirmative 1736
defense as specified in division (H) (2) of that section would 1737
apply in a civil action authorized by division (H) (1) of that 1738
section; 1739

(24) The revocation, suspension, restriction, reduction, 1740
or termination of clinical privileges by the United States 1741
department of defense or department of veterans affairs or the 1742
termination or suspension of a certificate of registration to 1743
prescribe drugs by the drug enforcement administration of the 1744
United States department of justice; 1745

(25) Termination or suspension from participation in the 1746
medicare or medicaid programs by the department of health and 1747
human services or other responsible agency for any act or acts 1748
that also would constitute a violation of division (B) (2), (3), 1749
(6), (8), or (19) of this section; 1750

(26) Impairment of ability to practice according to 1751
acceptable and prevailing standards of care because of habitual 1752
or excessive use or abuse of drugs, alcohol, or other substances 1753
that impair ability to practice. 1754

For the purposes of this division, any individual 1755
authorized to practice by this chapter accepts the privilege of 1756
practicing in this state subject to supervision by the board. By 1757
filing an application for or holding a certificate to practice 1758
under this chapter, an individual shall be deemed to have given 1759
consent to submit to a mental or physical examination when 1760
ordered to do so by the board in writing, and to have waived all 1761

objections to the admissibility of testimony or examination 1762
reports that constitute privileged communications. 1763

If it has reason to believe that any individual authorized 1764
to practice by this chapter or any applicant for certification 1765
to practice suffers such impairment, the board may compel the 1766
individual to submit to a mental or physical examination, or 1767
both. The expense of the examination is the responsibility of 1768
the individual compelled to be examined. Any mental or physical 1769
examination required under this division shall be undertaken by 1770
a treatment provider or physician who is qualified to conduct 1771
the examination and who is chosen by the board. 1772

Failure to submit to a mental or physical examination 1773
ordered by the board constitutes an admission of the allegations 1774
against the individual unless the failure is due to 1775
circumstances beyond the individual's control, and a default and 1776
final order may be entered without the taking of testimony or 1777
presentation of evidence. If the board determines that the 1778
individual's ability to practice is impaired, the board shall 1779
suspend the individual's certificate or deny the individual's 1780
application and shall require the individual, as a condition for 1781
initial, continued, reinstated, or renewed certification to 1782
practice, to submit to treatment. 1783

Before being eligible to apply for reinstatement of a 1784

divisions (A) and (B) of this section shall be taken pursuant to 1922
an adjudication under Chapter 119. of the Revised Code, except 1923
that in lieu of an adjudication, the board may enter into a 1924
consent agreement with an individual to resolve an allegation of 1925
a violation of this chapter or any rule adopted under it. A 1926
consent agreement, when ratified by an affirmative vote of not 1927
fewer than six members of the board, shall constitute the 1928
findings and order of the board with respect to the matter 1929
addressed in the agreement. If the board refuses to ratify a 1930
consent agreement, the admissions and findings contained in the 1931
consent agreement shall be of no force or effect. 1932

A telephone conference call may be utilized for 1933
ratification of a consent agreement that revokes or suspends an 1934
individual's certificate to practice or certificate to 1935

special meeting under division (F) of section 121.22 of the 1937

Revised Code. 1938

If the board takes disciplinary action against an 1939
individual under division (B) of this section for a second or 1940
subsequent plea of guilty to, or judicial finding of guilt of, a 1941
violation of section 2919.123 of the Revised Code, the 1942
disciplinary action shall consist of a suspension of the 1943
individual's certificate to practice for a period of at least 1944
one year or, if determined appropriate by the board, a more 1945
serious sanction involving the individual's certificate to 1946
practice. Any consent agreement entered into under this division 1947
with an individual that pertains to a second or subsequent plea 1948
of guilty to, or judicial finding of guilt of, a violation of 1949
that section shall provide for a suspension of the individual's 1950
certificate to practice for a period of at least one year or, if 1951
determined appropriate by the board, a more serious sanction 1952
involving the individual's certificate to practice. 1953

(D) For purposes of divisions (B)(10), (12), and (14) of 1954
this section, the commission of the act may be established by a 1955
finding by the board, pursuant to an adjudication under Chapter 1956
119. of the Revised Code, that the individual committed the act. 1957
The board does not have jurisdiction under those divisions if 1958
the trial court renders a final judgment in the individual's 1959
favor and that judgment is based upon an adjudication on the 1960
merits. The board has jurisdiction under those divisions if the 1961
trial court issues an order of dismissal upon technical or 1962
procedural grounds. 1963

(E) The sealing of conviction records by any court shall 1964
have no effect upon a prior board order entered under this 1965
section or upon the board's jurisdiction to take action under 1966
this section if, based upon a plea of guilty, a judicial finding 1967

of guilt, or a judicial finding of eligibility for intervention 1968
in lieu of conviction, the board issued a notice of opportunity 1969
for a hearing prior to the court's order to seal the records. 1970
The board shall not be required to seal, destroy, redact, or 1971
otherwise modify its records to reflect the court's sealing of 1972
conviction records. 1973

(F) (1) The board shall investigate evidence that appears 1974
to show that a person has violated any provision of this chapter 1975
or any rule adopted under it. Any person may report to the board 1976
in a signed writing any information that the person may have 1977
that appears to show a violation of any provision of this 1978
chapter or any rule adopted under it. In the absence of bad 1979
faith, any person who reports information of that nature or who 1980
testifies before the board in any adjudication conducted under 1981
Chapter 119. of the Revised Code shall not be liable in damages 1982
in a civil action as a result of the report or testimony. Each 1983
complaint or allegation of a violation received by the board 1984
shall be assigned a case number and shall be recorded by the 1985
board. 1986

(2) Investigations of alleged violations of this chapter 1987
or any rule adopted under it shall be supervised by the 1988
supervising member elected by the board in accordance with 1989
section 4731.02 of the Revised Code and by the secretary as 1990
provided in section 4731.39 of the Revised Code. The president 1991
may designate another member of the board to supervise the 1992
investigation in place of the supervising member. No member of 1993
the board who supervises the investigation of a case shall 1994
participate in further adjudication of the case. 1995

(3) In investigating a possible violation of this chapter 1996
or any rule adopted under this chapter, or in conducting an 1997

inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board.

(a) Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for

or the holder of a certificate issued under this chapter, 2028
service of the subpoena may be made by certified mail, return 2029
receipt requested, and the subpoena shall be deemed served on 2030
the date delivery is made or the date the person refuses to 2031
accept delivery. If the person being served refuses to accept 2032
the subpoena or is not located, service may be made to an 2033
attorney who notifies the board that the attorney is 2034
representing the person. 2035

(d) A sheriff's deputy who serves a subpoena shall receive 2036
the same fees as a sheriff. Each witness who appears before the 2037
board in obedience to a subpoena shall receive the fees and 2038
mileage provided for under section 119.094 of the Revised Code. 2039

(4) All hearings, investigations, and inspections of the 2040
board shall be considered civil actions for the purposes of 2041
section 2305.252 of the Revised Code. 2042

(5) A report required to be submitted to the board under 2043
this chapter, a complaint, or information received by the board 2044
pursuant to an investigation or pursuant to an inspection under 2045
division (E) of section 4731.054 of the Revised Code is 2046
confidential and not subject to discovery in any civil action. 2047

The board shall conduct all investigations or inspections 2048
and proceedings in a manner that protects the confidentiality of 2049
patients and persons who file complaints with the board. The 2050
board shall not make public the names or any other identifying 2051
information about patients or complainants unless proper consent 2052
is given or, in the case of a patient, a waiver of the patient 2053
privilege exists under division (B) of section 2317.02 of the 2054
Revised Code, except that consent or a waiver of that nature is 2055
not required if the board possesses reliable and substantial 2056
evidence that no bona fide physician-patient relationship 2057

exists. 2058

The board may share any information it receives pursuant 2059
to an investigation or inspection, including patient records and 2060
patient record information, with law enforcement agencies, other 2061
licensing boards, and other governmental agencies that are 2062
prosecuting, adjudicating, or investigating alleged violations 2063
of statutes or administrative rules. An agency or board that 2064
receives the information shall comply with the same requirements 2065
regarding confidentiality as those with which the state medical 2066
board must comply, notwithstanding any conflicting provision of 2067
the Revised Code or procedure of the agency or board that 2068
applies when it is dealing with other information in its 2069
possession. In a judicial proceeding, the information may be 2070
admitted into evidence only in accordance with the Rules of 2071
Evidence, but the court shall require that appropriate measures 2072
are taken to ensure that confidentiality is maintained with 2073
respect to any part of the information that contains names or 2074
other identifying information about patients or complainants 2075
whose confidentiality was protected by the state medical board 2076
when the information was in the board's possession. Measures to 2077
ensure confidentiality that may be taken by the court include 2078
sealing its records or deleting specific information from its 2079
records. 2080

(6) On a quarterly basis, the board shall prepare a report 2081
that documents the disposition of all cases during the preceding 2082
three months. The report shall contain the following information 2083
for each case with which the board has completed its activities: 2084

(a) The case number assigned to the complaint or alleged 2085
violation; 2086

(b) The type of certificate to practice, if any, held by 2087

the individual against whom the complaint is directed; 2088

(c) A description of the allegations contained in the 2089
complaint; 2090

(d) The disposition of the case. 2091

The report shall state how many cases are still pending 2092
and shall be prepared in a manner that protects the identity of 2093
each person involved in each case. The report shall be a public 2094
record under section 149.43 of the Revised Code. 2095

(G) If the secretary and supervising member determine both 2096
of the following, they may recommend that the board suspend an 2097
individual's certificate to practice or certificate to recommend 2098
without a prior hearing: 2099

(1) That there is clear and convincing evidence that an 2100
individual has violated division (B) of this section; 2101

(2) That the individual's continued practice presents a 2102
danger of immediate and serious harm to the public. 2103

Written allegations shall be prepared for consideration by 2104
the board. The board, upon review of those allegations and by an 2105
affirmative vote of not fewer than six of its members, excluding 2106
the secretary and supervising member, may suspend a certificate 2107
without a prior hearing. A telephone conference call may be 2108
utilized for reviewing the allegations and taking the vote on 2109
the summary suspension. 2110

The board shall issue a written order of suspension by 2111
certified mail or in person in accordance with section 119.07 of 2112
the Revised Code. The order shall not be subject to suspension 2113
by the court during pendency of any appeal filed under section 2114
119.12 of the Revised Code. If the individual subject to the 2115

summary suspension requests an adjudicatory hearing by the 2116
board, the date set for the hearing shall be within fifteen 2117
days, but not earlier than seven days, after the individual 2118
requests the hearing, unless otherwise agreed to by both the 2119
board and the individual. 2120

Any summary suspension imposed under this division shall 2121
remain in effect, unless reversed on appeal, until a final 2122
adjudicative order issued by the board pursuant to this section 2123
and Chapter 119. of the Revised Code becomes effective. The 2124
board shall issue its final adjudicative order within seventy- 2125
five days after completion of its hearing. A failure to issue 2126
the order within seventy-five days shall result in dissolution 2127
of the summary suspension order but shall not invalidate any 2128
subsequent, final adjudicative order. 2129

(H) If the board takes action under division (B) (9), (11), 2130
or (13) of this section and the judicial finding of guilt, 2131
guilty plea, or judicial finding of eligibility for intervention 2132
in lieu of conviction is overturned on appeal, upon exhaustion 2133
of the criminal appeal, a petition for reconsideration of the 2134
order may be filed with the board along with appropriate court 2135
documents. Upon receipt of a petition of that nature and 2136
supporting court documents, the board shall reinstate the 2137
individual's certificate to practice. The board may then hold an 2138
adjudication under Chapter 119. of the Revised Code to determine 2139
whether the individual committed the act in question. Notice of 2140
an opportunity for a hearing shall be given in accordance with 2141
Chapter 119. of the Revised Code. If the board finds, pursuant 2142
to an adjudication held under this division, that the individual 2143
committed the act or if no hearing is requested, the board may 2144
order any of the sanctions identified under division (B) of this 2145
section. 2146

(I) The certificate to practice issued to an individual 2147
under this chapter and the individual's practice in this state 2148
are automatically suspended as of the date of the individual's 2149
second or subsequent plea of guilty to, or judicial finding of 2150
guilt of, a violation of section 2919.123 of the Revised Code. 2151
In addition, the certificate to practice or certificate to 2152
recommend issued to an individual under this chapter and the 2153
individual's practice in this state are automatically suspended 2154
as of the date the individual pleads guilty to, is found by a 2155
judge or jury to be guilty of, or is subject to a judicial 2156
finding of eligibility for intervention in lieu of conviction in 2157
this state or treatment or intervention in lieu of conviction in 2158
another jurisdiction for any of the following criminal offenses 2159
in this state or a substantially equivalent criminal offense in 2160
another jurisdiction: aggravated murder, murder, voluntary 2161
manslaughter, felonious assault, kidnapping, rape, sexual 2162
battery, gross sexual imposition, aggravated arson, aggravated 2163
robbery, or aggravated burglary. Continued practice after 2164
suspension shall be considered practicing without a certificate. 2165

The board shall notify the individual subject to the 2166
suspension by certified mail or in person in accordance with 2167
section 119.07 of the Revised Code. If an individual whose 2168
certificate is automatically suspended under this division fails 2169
to make a timely request for an adjudication under Chapter 119. 2170
of the Revised Code, the board shall do whichever of the 2171
following is applicable: 2172

(1) If the automatic suspension under this division is for 2173
a second or subsequent plea of guilty to, or judicial finding of 2174
guilt of, a violation of section 2919.123 of the Revised Code, 2175
the board shall enter an order suspending the individual's 2176
certificate to practice for a period of at least one year or, if 2177

determined appropriate by the board, imposing a more serious 2178
sanction involving the individual's certificate to practice. 2179

(2) In all circumstances in which division (I)(1) of this 2180
section does not apply, enter a final order permanently revoking 2181
the individual's certificate to practice. 2182

(J) If the board is required by Chapter 119. of the 2183
Revised Code to give notice of an opportunity for a hearing and 2184
if the individual subject to the notice does not timely request 2185
a hearing in accordance with section 119.07 of the Revised Code, 2186
the board is not required to hold a hearing, but may adopt, by 2187
an affirmative vote of not fewer than six of its members, a 2188
final order that contains the board's findings. In that final 2189
order, the board may order any of the sanctions identified under 2190
division (A) or (B) of this section. 2191

(K) Any action taken by the board under division (B) of 2192
this section resulting in a suspension from practice shall be 2193
accompanied by a written statement of the conditions under which 2194
the individual's certificate to practice may be reinstated. The 2195
board shall adopt rules governing conditions to be imposed for 2196
reinstatement. Reinstatement of a certificate suspended pursuant 2197
to division (B) of this section requires an affirmative vote of 2198
not fewer than six members of the board. 2199

(L) When the board refuses to grant or issue a certificate 2200
to practice to an applicant, revokes an individual's certificate 2201
to practice, refuses to renew an individual's certificate to 2202
practice, or refuses to reinstate an individual's certificate to 2203
practice, the board may specify that its action is permanent. An 2204
individual subject to a permanent action taken by the board is 2205
forever thereafter ineligible to hold a certificate to practice 2206
and the board shall not accept an application for reinstatement 2207

of the certificate or for issuance of a new certificate. 2208

(M) Notwithstanding any other provision of the Revised 2209
Code, all of the following apply: 2210

(1) The surrender of a certificate issued under this 2211
chapter shall not be effective unless or until accepted by the 2212
board. A telephone conference call may be utilized for 2213
acceptance of the surrender of an individual's certificate to 2214
practice. The telephone conference call shall be considered a 2215
special meeting under division (F) of section 121.22 of the 2216
Revised Code. Reinstatement of a certificate surrendered to the 2217
board requires an affirmative vote of not fewer than six members 2218
of the board. 2219

(2) An application for a certificate made under the 2220
provisions of this chapter may not be withdrawn without approval 2221
of the board. 2222

(3) Failure by an individual to renew a certificate to 2223
practice in accordance with this chapter or a certificate to 2224
recommend in accordance with rules adopted under section 2225
4731.301 of the Revised Code shall not remove or limit the 2226
board's jurisdiction to take any disciplinary action under this 2227
section against the individual. 2228

(4) At the request of the board, a certificate holder 2229
shall immediately surrender to the board a certificate that the 2230
board has suspended, revoked, or permanently revoked. 2231

(N) Sanctions shall not be imposed under division (B) (28) 2232
of this section against any person who waives deductibles and 2233
copayments as follows: 2234

(1) In compliance with the health benefit plan that 2235
expressly allows such a practice. Waiver of the deductibles or 2236

copayments shall be made only with the full knowledge and 2237
consent of the plan purchaser, payer, and third-party 2238
administrator. Documentation of the consent shall be made 2239
available to the board upon request. 2240

(2) For professional services rendered to any other person 2241
authorized to practice pursuant to this chapter, to the extent 2242
allowed by this chapter and rules adopted by the board. 2243

(0) Under the board's investigative duties described in 2244
