A BILL

To amend section 3313.471 of the Revised Code 1
regarding the presentation of career information 2
to students. 3

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3313.471 of the Revised Code be 4
amended to read as follows: 5

Sec. 3313.471. (A) As used in this section, "armed forces" 6
means the Ohio national guard, the Ohio naval militia, the Ohio 7
military reserve, and the active and reserve components of the 8
United States army, navy, air force, marine corps, and coast 9
guard. 10

(B) No school district board of education shall impose any 11
restriction on the presentation of career information to 12
students that is not uniformly imposed on representatives of the 13
armed forces, skilled trades, institutions of higher education, 14
business, industry, charitable institutions, and other 15
employers, and institutions of higher education or prohibit the 16
presentation of information or recruitment of students by those 17

representatives for employment, employment training, or 18
education on the district's campus. The board shall provide 19
equal access to any of the district's employment or placement 20
services to all of the entities described in this division. 21

(C) The district board shall provide any entity described 22
in division (B) of this section with at least two opportunities 23
per school year to present information in person to all students 24
in grades nine through twelve individually or in a group setting 25
and shall provide students with the opportunity to speak in 26
person with the entities that participate in those 27
opportunities. This requirement may be satisfied by providing 28
common area access for presentation of information materials or 29
by providing a scheduled educational or career fair. 30

(D) To the extent permitted by federal law and in 31
accordance with this section, the district board may develop an 32
application process for entities that wish to access school 33
property for the purpose of presenting information to students. 34
The board may develop standards of conduct and require entities 35
to adhere to those standards as a condition of continued access 36
and presentation of information materials. 37

Section 2. That existing section 3313.471 of the Revised 38
Code is hereby repealed. 39
