employees of the political subdivision. A certified audited 681
financial statement and a report of aggregate amounts so reserved 682
and aggregate disbursements made from such funds, together with a 683
written report of a member of the American academy of actuaries 684

fiscal year of the entity for which the report is provided for 690
that fiscal year, in the office of the program administrator 691
described in division (C)(3) of this section. 692

The report required by division (C)(1) of this section shall 693

this section shall make the report required by this division 699

person, shall make copies of the report available at cost within a 702
reasonable period of time. The program administrator shall further 703

5705.12 of the Revised Code. An agency or instrumentality shall 713
reserve the funds necessary for an individual or joint 714
self-insurance program in a special fund established pursuant to a 715
resolution duly adopted by the agency's or instrumentality's 716
governing board. The political subdivision may allocate the costs 717
of insurance or any self-insurance program, or both, among the 718
funds or accounts established under this division on the basis of 719

relative exposure and loss experience. 720

(3) A contract may be awarded, without the necessity of 721
competitive bidding, to any person, political subdivision, 722
nonprofit corporation organized under Chapter 1702. of the Revised 723
Code, or regional council of governments created under Chapter 724

terms and conditions. The disclosure shall include, at a minimum, 728
a statement listing all representations made in connection with 729
any possible savings and losses resulting from the contract, and 730
potential liability of any political subdivision or employee. The 731
proposed contract and statement shall be disclosed and presented 732
at a meeting of the political subdivision not less than one week 733
prior to the meeting at which the political subdivision authorizes 734
the contract. 735

A contract awarded to a nonprofit corporation or a regional 736
council of governments under this division may provide that all 737

basis of their relative exposure and loss experience. 754

(6) An individual self-insurance program may allocate the 755
costs of funding the program among the funds or accounts 756
established under this division to the political subdivision that 757
established the program. 758

(7) Two or more political subdivisions may also authorize the 759
establishment and maintenance of a joint health care cost 760
containment program, including, but not limited to, the employment 761
of risk managers, health care cost containment specialists, and 762
consultants, for the purpose of preventing and reducing health 763
care costs covered by insurance, individual self-insurance, or 764
joint self-insurance programs. 765

(8) A political subdivision is not liable under a joint 766
self-insurance program for any amount in excess of amounts payable 767
pursuant to the written agreement for the participation of the 768
political subdivision in the joint self-insurance program. Under a 769
joint self-insurance program agreement, a political subdivision 770
may, to the extent permitted under the written agreement, assume 771
the risks of any other political subdivision. A joint 772
self-insurance program established under this section is deemed a 773
separate legal entity for the public purpose of enabling the 774
members of the joint self-insurance program to obtain insurance or 775
to provide for a formalized, jointly administered self-insurance 776
fund for its members. An entity created pursuant to this section 777

property taxes, and may also issue notes in anticipation of such 782
bonds, pursuant to an ordinance or resolution of its legislative 783

authority or other governing body for the purpose of providing 784

subdivision's portion of the cost of establishing and maintaining 787
an individual or joint self-insurance program or to provide for 788
the reserve in the special fund authorized by division (C)(2) of 789
this section. 790

In its ordinance or resolution authorizing bonds or notes 791
under this section, a political subdivision may elect to issue 792
such bonds or notes under the procedures set forth in Chapter 133. 793
of the Revised Code. In the event of such an election, 794
notwithstanding Chapter 133. of the Revised Code, the maturity of 795
the bonds may be for any period authorized in the ordinance or 796
resolution not exceeding twenty years, which period shall be the 797
maximum maturity of the bonds for purposes of section 133.22 of 798
the Revised Code. 799

Bonds and notes issued under this section shall not be 800
considered in calculating the net indebtedness of the political 801
subdivision under sections 133.04, 133.05, 133.06, and 133.07 of 802
the Revised Code. Sections 9.98 to 9.983 of the Revised Code are 803
hereby made applicable to bonds or notes authorized under this 804
section. 805

programs created solely by municipal corporations as defined in 824
section 5705.01 of the Revised Code. 825

adopting the programs throughout the state. 1089

The committee shall prepare a report of the results of each 1090

review and evaluation it conducts, and shall transmit the report 1091
to the general assembly under section 101.68 of the Revised Code. 1092

particular date, the committee, upon a majority vote of its 1095
members, may modify the scope and due date of the study to 1096
accommodate the availability of data and resources. 1097

Sec. 103.46. The joint education oversight committee may 1098
review bills and resolutions regarding education that are 1099
introduced or offered in the general assembly, and may prepare a 1100
report of its review. The committee shall transmit its report to 1101
the general assembly under section 101.68 of the Revised Code. The 1102

or resolution has no effect on the general assembly's authority to 1106
act on the bill or resolution. 1107

Sec. 103.47. The joint education oversight committee may 1108
employ professional, technical, and clerical employees as are 1109

committee shall not conduct an inspection under this section 1138
unless the joint education oversight committee chairperson grants 1139
prior approval for the inspection. The chairperson shall not grant 1140
approval unless the committee, the president of the senate, and 1141
the speaker of the house of representatives authorize the 1142
chairperson to grant the approval. Each inspection shall be 1143
conducted during the normal business hours of the office being 1144
inspected, unless the chairperson determines that the inspection 1145
must be conducted outside of normal business hours. The 1146
chairperson may make such a determination only because of an 1147
emergency circumstance or other justifiable cause that furthers 1148
the committee's mission. If the chairperson makes such a 1149
determination, the chairperson shall specify the reason for the 1150
determination in the grant of prior approval for the inspection. 1151

Sec. 103.50. The joint education oversight committee shall 1152

In appointing members from the minority, and in designating 1177
ranking minority members, the president and speaker shall consult 1178
with the minority leader of their respective houses. 1179

The committee shall meet at the call of the chairperson. The 1180
chairperson shall meet not less often than once each calendar 1181

particular month. 1184

Notwithstanding section 101.26 of the Revised Code, the 1185

before the committee at a time and place designated in the 1196
subpoena to testify. A subpoena duces tecum may require witnesses 1197
or other persons in any part of the state to produce books, 1198
papers, records, and other tangible evidence before the committee 1199
at a time and place designated in the subpoena duces tecum. A 1200
subpoena or subpoena duces tecum shall be issued, served, and 1201
returned, and has consequences, as specified in sections 101.41 to 1202
101.45 of the Revised Code. 1203

remain vacant. 1227

(E) The board shall do all of the following: 1303

(1) Have sole authority to coordinate and approve any 1304

capitol square. The improvements shall include, but not be limited 1306

the state underground parking garage constitute available receipts 1346
as defined in section 154.24 of the Revised Code, and may be 1347
pledged to the payment of bond service charges on obligations 1348
issued by the treasurer of state pursuant to Chapter 154. of the 1349

established by the bond proceedings shall be transferred by the 1366
treasurer of state to such fund, whether or not it is in the 1367
custody of the treasurer of state, without necessity for further 1368

appropriation. 1369

(G)(1) Except as otherwise provided in division (G)(2) of 1370
this section, all fees, receipts, and revenues received by the 1371

garage operating fund, which is hereby created, to be used for the 1374
purposes specified in division (F) of this section and for the 1375

section and for the operation and maintenance of the garage, the 1420
board may request the director of budget and management to 1421
transfer from the underground parking garage operating fund to the 1422

(K) As the operation and maintenance of the capitol square 1427
constitute essential government functions of a public purpose, the 1428
board shall not be required to pay taxes or assessments upon the 1429
square, upon any property acquired or used by the board under this 1430
section, or upon any income generated by the operation of the 1431

square. 1432

auditor determines a fiscal emergency declaration is necessary to 2898
prevent further decline. 2899

Sec. 118.04. (A) The existence of a fiscal emergency 2900
condition constitutes a fiscal emergency. The existence of fiscal 2901
emergency conditions shall be determined by the auditor of state. 2902
Such determination, for purposes of this chapter, may be made only 2903
upon the filing with the auditor of state of a written request for 2904
such a determination by the governor, by the county budget 2905
commission, by the mayor of the municipal corporation, or by the 2906
presiding officer of the legislative authority of the municipal 2907
corporation when authorized by a majority of the members of such 2908
legislative authority, by the board of county commissioners, or by 2909
the board of township trustees, or upon initiation by the auditor 2910
of state. The request may designate in general or specific terms, 2911

but without thereby limiting the determination thereto, the 2912
condition or conditions to be examined to determine whether they 2913
constitute fiscal emergency conditions. Promptly upon receipt of 2914
such written request, or upon initiation by the auditor of state, 2915
the auditor of state shall transmit copies of such request or a 2916
written notice of such initiation to the mayor and the presiding 2917

supplemental reports, which shall be filed with the mayor, fiscal 2922
officer, and presiding officer of the legislative authority of the 2923
municipal corporation, or with the board of county commissioners 2924
or the board of township trustees, and with the treasurer of 2925
state, secretary of state, governor, director of budget and 2926
management, and county budget commission, within thirty days after 2927
the request. The auditor of state shall so file an initial report 2928
immediately upon determining the existence of any fiscal emergency 2929
condition. 2930

(B) In making such determination, the auditor of state may 2931
rely on reports or other information filed or otherwise made 2932
available by the municipal corporation, county, or township, 2933
accountants' reports, or other sources and data the auditor of 2934
state considers reliable for such purpose. As to the status of 2935
funds or accounts, a determination that the amounts stated in 2936
section 118.03 of the Revised Code are exceeded may be made 2937
without need for determination of the specific amount of the 2938
excess. The auditor of state may engage the services of 2939
independent certified or registered public accountants, including 2940
public accountants engaged or previously engaged by the municipal 2941
corporation, county, or township, to conduct audits or make 2942
reports or render such opinions as the auditor of state considers 2943
desirable with respect to any aspect of the determinations to be 2944

made by the auditor of state. 2945

(C) A determination by the auditor of state under this 2946
section that a fiscal emergency condition does not exist is final 2947
and conclusive and not appealable. A determination by the auditor 2948
of state under this section that a fiscal emergency exists is 2949
final, except that the mayor of any municipal corporation affected 2950
by a determination of the existence of a fiscal emergency 2951
condition under this section, when authorized by a majority of the 2952
members of the legislative authority, or the board of county 2953
commissioners or board of township trustees, may appeal the 2954
determination of the existence of a fiscal emergency condition to 2955
the court of appeals having territorial jurisdiction over the 2956
municipal corporation, county, or township. The appeal shall be 2957
heard expeditiously by the court of appeals and for good cause 2958
shown shall take precedence over all other civil matters except 2959
earlier matters of the same character. Notice of such appeal must 2960
be filed with the auditor of state and such court within thirty 2961
days after certification by the auditor of state to the mayor and 2962
presiding officer of the legislative authority of the municipal 2963
corporation or to the board of county commissioners or board of 2964
township trustees as provided for in division (A) of this section. 2965
In such appeal, determinations of the auditor of state shall be 2966
presumed to be valid and the municipal corporation, county, or 2967
township shall have the burden of proving, by clear and convincing 2968
evidence, that each of the determinations made by the auditor of 2969
state as to the existence of a fiscal emergency condition under 2970
section 118.03 of the Revised Code was in error. If the municipal 2971
corporation, county, or township fails, upon presentation of its 2972
case, to prove by clear and convincing evidence that each such 2973
determination by the auditor of state was in error, the court 2974
shall dismiss the appeal. The municipal corporation, county, or 2975
township and the auditor of state may introduce any evidence 2976
relevant to the existence or nonexistence of such fiscal emergency 2977

conditions at the times indicated in the applicable provisions of 2978
divisions (A) and (B) of section 118.03 of the Revised Code. The 2979
pendency of any such appeal shall not affect or impede the 2980
operations of this chapter; no restraining order, temporary 2981
injunction, or other similar restraint upon actions consistent 2982
with this chapter shall be imposed by the court or any court 2983
pending determination of such appeal; and all things may be done 2984
under this chapter that may be done regardless of the pendency of 2985
any such appeal. Any action taken or contract executed pursuant to 2986
this chapter during the pendency of such appeal is valid and 2987
enforceable among all parties, notwithstanding the decision in 2988
such appeal. If the court of appeals reverses the determination of 2989
the existence of a fiscal emergency condition by the auditor of 2990
state, the determination no longer has any effect, and any 2991
procedures undertaken as a result of the determination shall be 2992
terminated. 2993

(D) All expenses incurred by the auditor of state relating to 2994
a determination or termination of a fiscal emergency under this 2995
section, a fiscal watch under section 118.021 of the Revised Code, 2996
or a fiscal caution under section 118.025 of the Revised Code, 2997
including providing technical and support services, or for 2998
conducting a performance audit under section 118.041 of the 2999
Revised Code, shall be reimbursed from an appropriation for that 3000
purpose. If necessary, the controlling board may provide 3001
sufficient funds for these purposes. 3002

Sec. 118.041. The auditor of state, on the auditor of state's 3003
initiative, may conduct a performance audit of a municipal 3004
corporation, county, or township that is under a fiscal caution, a 3005
fiscal watch, or a fiscal emergency. 3006

Sec. 119.12. Any party adversely affected by any order of an 3007
agency issued pursuant to an adjudication denying an applicant 3008

admission to an examination, or denying the issuance or renewal of 3009
a license or registration of a licensee, or revoking or suspending 3010
a license, or allowing the payment of a forfeiture under section 3011
4301.252 of the Revised Code may appeal from the order of the 3012
agency to the court of common pleas of the county in which the 3013
place of business of the licensee is located or the county in 3014
which the licensee is a resident, except that appeals from 3015
decisions of the liquor control commission, the Ohio casino 3016
control commission, the state medical board, the state 3017
chiropractic board, and the board of nursing shall be to the court 3018
of common pleas of Franklin county. If any party appealing from 3019
the order is not a resident of and has no place of business in 3020
this state, the party may appeal to the court of common pleas of 3021
Franklin county. 3022

Any party adversely affected by any order of an agency issued 3023
pursuant to any other adjudication may appeal to the court of 3024
common pleas of Franklin county, except that appeals from orders 3025
of the fire marshal issued under Chapter 3737. of the Revised Code 3026
may be to the court of common pleas of the county in which the 3027
building of the aggrieved person is located and except that 3028
appeals under division (B) of section 124.34 of the Revised Code 3029
from a decision of the state personnel board of review or a 3030
municipal or civil service township civil service commission shall 3031
be taken to the court of common pleas of the county in which the 3032
appointing authority is located or, in the case of an appeal by 3033
the department of rehabilitation and correction, to the court of 3034
common pleas of Franklin county. 3035

This section does not apply to appeals from the department of 3036
taxation. 3037

Any party desiring to appeal shall file a notice of appeal 3038
with the agency setting forth the order appealed from and stating 3039
that the agency's order is not supported by reliable, probative, 3040

and substantial evidence and is not in accordance with law. The 3041
notice of appeal may, but need not, set forth the specific grounds 3042
of the party's appeal beyond the statement that the agency's order 3043
is not supported by reliable, probative, and substantial evidence 3044
and is not in accordance with law. The notice of appeal shall also 3045
be filed by the appellant with the court. In filing a notice of 3046
appeal with the agency or court, the notice that is filed may be 3047
either the original notice or a copy of the original notice. 3048
Unless otherwise provided by law relating to a particular agency, 3049
notices of appeal shall be filed within fifteen days after the 3050
mailing of the notice of the agency's order as provided in this 3051
section. For purposes of this paragraph, an order includes a 3052
determination appealed pursuant to division (C) of section 119.092 3053
of the Revised Code. The amendments made to this paragraph by Sub. 3054
H.B. 215 of the 128th general assembly are procedural, and this 3055
paragraph as amended by those amendments shall be applied 3056
retrospectively to all appeals pursuant to this paragraph filed 3057
before ~~the effective date of those amendments~~ September 13, 2010, 3058
but not earlier than May 7, 2009, which was the date the supreme 3059
court of Ohio released its opinion and judgment in *Medcorp, Inc.* 3060
v. Ohio Dep't. of Job and Family Servs. (2009), 121 Ohio St.3d 3061
622. 3062

The filing of a notice of appeal shall not automatically 3063
operate as a suspension of the order of an agency. If it appears 3064
to the court that an unusual hardship to the appellant will result 3065
from the execution of the agency's order pending determination of 3066
the appeal, the court may grant a suspension and fix its terms. If 3067
an appeal is taken from the judgment of the court and the court 3068
has previously granted a suspension of the agency's order as 3069
provided in this section, the suspension of the agency's order 3070
shall not be vacated and shall be given full force and effect 3071
until the matter is finally adjudicated. No renewal of a license 3072
or permit shall be denied by reason of the suspended order during 3073

the period of the appeal from the decision of the court of common 3074
pleas. In the case of an appeal from the Ohio casino control 3075
commission, the state medical board, or the state chiropractic 3076
board, the court may grant a suspension and fix its terms if it 3077
appears to the court that an unusual hardship to the appellant 3078
will result from the execution of the agency's order pending 3079
determination of the appeal and the health, safety, and welfare of 3080
the public will not be threatened by suspension of the order. This 3081
provision shall not be construed to limit the factors the court 3082
may consider in determining whether to suspend an order of any 3083
other agency pending determination of an appeal. 3084

The final order of adjudication may apply to any renewal of a 3085
license or permit which has been granted during the period of the 3086
appeal. 3087

Notwithstanding any other provision of this section, any 3088
order issued by a court of common pleas or a court of appeals 3089
suspending the effect of an order of the liquor control commission 3090
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 3091
suspends, revokes, or cancels a permit issued under Chapter 4303. 3092
of the Revised Code or that allows the payment of a forfeiture 3093
under section 4301.252 of the Revised Code shall terminate not 3094
more than six months after the date of the filing of the record of 3095
the liquor control commission with the clerk of the court of 3096
common pleas and shall not be extended. The court of common pleas, 3097
or the court of appeals on appeal, shall render a judgment in that 3098
matter within six months after the date of the filing of the 3099
record of the liquor control commission with the clerk of the 3100
court of common pleas. A court of appeals shall not issue an order 3101
suspending the effect of an order of the liquor control commission 3102
that extends beyond six months after the date on which the record 3103
of the liquor control commission is filed with a court of common 3104
pleas. 3105

Notwithstanding any other provision of this section, any order issued by a court of common pleas or a court of appeals suspending the effect of an order of the Ohio casino control commission issued under Chapter 3772. of the Revised Code that limits, conditions, restricts, suspends, revokes, denies, not renews, fines, or otherwise penalizes an applicant, licensee, or person excluded or ejected from a casino facility in accordance with section 3772.031 of the Revised Code shall terminate not more than six months after the date of the filing of the record of the Ohio casino control commission with the clerk of the court of common pleas and shall not be extended. The court of common pleas, or the court of appeals on appeal, shall render a judgment in that matter within six months after the date of the filing of the record of the Ohio casino control commission with the clerk of the court of common pleas. A court of appeals shall not issue an order suspending the effect of an order of the Ohio casino control commission that extends beyond six months after the date on which the record of the Ohio casino control commission is filed with the clerk of a court of common pleas.

Notwithstanding any other provision of this section, any order issued by a court of common pleas suspending the effect of an order of the state medical board or state chiropractic board that limits, revokes, suspends, places on probation, or refuses to register or reinstate a certificate issued by the board or reprimands the holder of the certificate shall terminate not more than fifteen months after the date of the filing of a notice of appeal in the court of common pleas, or upon the rendering of a final decision or order in the appeal by the court of common pleas, whichever occurs first.

Within thirty days after receipt of a notice of appeal from an order in any case in which a hearing is required by sections 119.01 to 119.13 of the Revised Code, the agency shall prepare and

certify to the court a complete record of the proceedings in the 3138
case. Failure of the agency to comply within the time allowed, 3139
upon motion, shall cause the court to enter a finding in favor of 3140
the party adversely affected. Additional time, however, may be 3141
granted by the court, not to exceed thirty days, when it is shown 3142
that the agency has made substantial effort to comply. The record 3143
shall be prepared and transcribed, and the expense of it shall be 3144
taxed as a part of the costs on the appeal. The appellant shall 3145
provide security for costs satisfactory to the court of common 3146
pleas. Upon demand by any interested party, the agency shall 3147
furnish at the cost of the party requesting it a copy of the 3148
stenographic report of testimony offered and evidence submitted at 3149
any hearing and a copy of the complete record. 3150

Notwithstanding any other provision of this section, any 3151
party desiring to appeal an order or decision of the state 3152
personnel board of review shall, at the time of filing a notice of 3153
appeal with the board, provide a security deposit in an amount and 3154
manner prescribed in rules that the board shall adopt in 3155
accordance with this chapter. In addition, the board is not 3156
required to prepare or transcribe the record of any of its 3157
proceedings unless the appellant has provided the deposit 3158
described above. The failure of the board to prepare or transcribe 3159
a record for an appellant who has not provided a security deposit 3160
shall not cause a court to enter a finding adverse to the board. 3161

Unless otherwise provided by law, in the hearing of the 3162
appeal, the court is confined to the record as certified to it by 3163
the agency. Unless otherwise provided by law, the court may grant 3164
a request for the admission of additional evidence when satisfied 3165
that the additional evidence is newly discovered and could not 3166
with reasonable diligence have been ascertained prior to the 3167
hearing before the agency. 3168

The court shall conduct a hearing on the appeal and shall 3169

give preference to all proceedings under sections 119.01 to 119.13 3170
of the Revised Code, over all other civil cases, irrespective of 3171
the position of the proceedings on the calendar of the court. An 3172
appeal from an order of the state medical board issued pursuant to 3173
division (G) of either section 4730.25 or 4731.22 of the Revised 3174
Code, ~~or~~ the state chiropractic board issued pursuant to section 3175
4734.37 of the Revised Code, ~~or~~ the liquor control commission 3176
issued pursuant to Chapter 4301. or 4303. of the Revised Code, or 3177
the Ohio casino control commission issued pursuant to Chapter 3178
3772. of the Revised Code shall be set down for hearing at the 3179
earliest possible time and takes precedence over all other 3180
actions. The hearing in the court of common pleas shall proceed as 3181
in the trial of a civil action, and the court shall determine the 3182
rights of the parties in accordance with the laws applicable to a 3183
civil action. At the hearing, counsel may be heard on oral 3184
argument, briefs may be submitted, and evidence may be introduced 3185
if the court has granted a request for the presentation of 3186
additional evidence. 3187

The court may affirm the order of the agency complained of in 3188
the appeal if it finds, upon consideration of the entire record 3189
and any additional evidence the court has admitted, that the order 3190
is supported by reliable, probative, and substantial evidence and 3191
is in accordance with law. In the absence of this finding, it may 3192
reverse, vacate, or modify the order or make such other ruling as 3193
is supported by reliable, probative, and substantial evidence and 3194
is in accordance with law. The court shall award compensation for 3195
fees in accordance with section 2335.39 of the Revised Code to a 3196
prevailing party, other than an agency, in an appeal filed 3197
pursuant to this section. 3198

The judgment of the court shall be final and conclusive 3199
unless reversed, vacated, or modified on appeal. These appeals may 3200
be taken either by the party or the agency, shall proceed as in 3201

the case of appeals in civil actions, and shall be pursuant to the 3202
Rules of Appellate Procedure and, to the extent not in conflict 3203
with those rules, Chapter 2505. of the Revised Code. An appeal by 3204
the agency shall be taken on questions of law relating to the 3205
constitutionality, construction, or interpretation of statutes and 3206
rules of the agency, and, in the appeal, the court may also review 3207
and determine the correctness of the judgment of the court of 3208
common pleas that the order of the agency is not supported by any 3209
reliable, probative, and substantial evidence in the entire 3210
record. 3211

The court shall certify its judgment to the agency or take 3212
any other action necessary to give its judgment effect. 3213

(2) To consider the purchase of property for public purposes, 3404
or for the sale of property at competitive bidding, if premature 3405
disclosure of information would give an unfair competitive or 3406
bargaining advantage to a person whose personal, private interest 3407
is adverse to the general public interest. No member of a public 3408
body shall use division (G)(2) of this section as a subterfuge for 3409
providing covert information to prospective buyers or sellers. A 3410

purchase or sale of public property is void if the seller or buyer 3411
of the public property has received covert information from a 3412
member of a public body that has not been disclosed to the general 3413
public in sufficient time for other prospective buyers and sellers 3414
to prepare and submit offers. 3415

If the minutes of the public body show that all meetings and 3416
deliberations of the public body have been conducted in compliance 3417
with this section, any instrument executed by the public body 3418
purporting to convey, lease, or otherwise dispose of any right, 3419
title, or interest in any public property shall be conclusively 3420
presumed to have been executed in compliance with this section 3421
insofar as title or other interest of any bona fide purchasers, 3422
lessees, or transferees of the property is concerned. 3423

(3) Conferences with an attorney for the public body 3424
concerning disputes involving the public body that are the subject 3425
of pending or imminent court action; 3426

(4) Preparing for, conducting, or reviewing negotiations or 3427
bargaining sessions with public employees concerning their 3428
compensation or other terms and conditions of their employment; 3429

(5) Matters required to be kept confidential by federal law 3430
or regulations or state statutes; 3431

(6) Details relative to the security arrangements and 3432
emergency response protocols for a public body or a public office, 3433
if disclosure of the matters discussed could reasonably be 3434
expected to jeopardize the security of the public body or public 3435
office; 3436

(7) In the case of a county hospital operated pursuant to 3437
Chapter 339. of the Revised Code, a joint township hospital 3438
operated pursuant to Chapter 513. of the Revised Code, or a 3439
municipal hospital operated pursuant to Chapter 749. of the 3440
Revised Code, to consider trade secrets, as defined in section 3441

1333.61 of the Revised Code; 3442

(8) To consider confidential information related to the 3443
marketing plans, specific business strategy, production 3444
techniques, trade secrets, or personal financial statements of an 3445
applicant for economic development assistance, or to negotiations 3446
with other political subdivisions respecting requests for economic 3447
development assistance, provided that both of the following 3448
conditions apply: 3449

~~(1)~~(a) The information is directly related to a request for 3450
economic development assistance that is to be provided or 3451
administered under any provision of Chapter 715., 725., 1724., or 3452
1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 3453
5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of 3454
the Revised Code, or that involves public infrastructure 3455
improvements or the extension of utility services that are 3456
directly related to an economic development project. 3457

~~(2)~~(b) A unanimous quorum of the public body determines, by a 3458
roll call vote, that the executive session is necessary to protect 3459
the interests of the applicant or the possible investment or 3460
expenditure of public funds to be made in connection with the 3461
economic development project. 3462

If a public body holds an executive session to consider any 3463
of the matters listed in divisions (G)(2) to (8) of this section, 3464
the motion and vote to hold that executive session shall state 3465
which one or more of the approved matters listed in those 3466
divisions are to be considered at the executive session. 3467

A public body specified in division (B)(1)(c) of this section 3468
shall not hold an executive session when meeting for the purposes 3469
specified in that division. 3470

(H) A resolution, rule, or formal action of any kind is 3471
invalid unless adopted in an open meeting of the public body. A 3472

resolution, rule, or formal action adopted in an open meeting that 3473
results from deliberations in a meeting not open to the public is 3474
invalid unless the deliberations were for a purpose specifically 3475
authorized in division (G) or (J) of this section and conducted at 3476
an executive session held in compliance with this section. A 3477
resolution, rule, or formal action adopted in an open meeting is 3478
invalid if the public body that adopted the resolution, rule, or 3479
formal action violated division (F) of this section. 3480

(I)(1) Any person may bring an action to enforce this 3481
section. An action under division (I)(1) of this section shall be 3482
brought within two years after the date of the alleged violation 3483
or threatened violation. Upon proof of a violation or threatened 3484
violation of this section in an action brought by any person, the 3485
court of common pleas shall issue an injunction to compel the 3486
members of the public body to comply with its provisions. 3487

(2)(a) If the court of common pleas issues an injunction 3488
pursuant to division (I)(1) of this section, the court shall order 3489
the public body that it enjoins to pay a civil forfeiture of five 3490
hundred dollars to the party that sought the injunction and shall 3491
award to that party all court costs and, subject to reduction as 3492
described in division (I)(2) of this section, reasonable 3493
attorney's fees. The court, in its discretion, may reduce an award 3494
of attorney's fees to the party that sought the injunction or not 3495
award attorney's fees to that party if the court determines both 3496
of the following: 3497

(i) That, based on the ordinary application of statutory law 3498
and case law as it existed at the time of violation or threatened 3499
violation that was the basis of the injunction, a well-informed 3500
public body reasonably would believe that the public body was not 3501
violating or threatening to violate this section; 3502

(ii) That a well-informed public body reasonably would 3503
believe that the conduct or threatened conduct that was the basis 3504

of the injunction would serve the public policy that underlies the 3505
authority that is asserted as permitting that conduct or 3506
threatened conduct. 3507

(b) If the court of common pleas does not issue an injunction 3508
pursuant to division (I)(1) of this section and the court 3509
determines at that time that the bringing of the action was 3510
frivolous conduct, as defined in division (A) of section 2323.51 3511
of the Revised Code, the court shall award to the public body all 3512
court costs and reasonable attorney's fees, as determined by the 3513
court. 3514

(3) Irreparable harm and prejudice to the party that sought 3515
the injunction shall be conclusively and irrebuttably presumed 3516
upon proof of a violation or threatened violation of this section. 3517

(4) A member of a public body who knowingly violates an 3518
injunction issued pursuant to division (I)(1) of this section may 3519
be removed from office by an action brought in the court of common 3520
pleas for that purpose by the prosecuting attorney or the attorney 3521
general. 3522

(J)(1) Pursuant to division (C) of section 5901.09 of the 3523
Revised Code, a veterans service commission shall hold an 3524
executive session for one or more of the following purposes unless 3525
an applicant requests a public hearing: 3526

sections 5901.01 to 5901.15 of the Revised Code; 3528

(b) Discussing applications, statements, and other documents 3529
described in division (B) of section 5901.09 of the Revised Code; 3530

(c) Reviewing matters relating to an applicant's request for 3531
financial assistance under sections 5901.01 to 5901.15 of the 3532
Revised Code. 3533

(2) A veterans service commission shall not exclude an 3534

applicant for, recipient of, or former recipient of financial 3535
assistance under sections 5901.01 to 5901.15 of the Revised Code, 3536
and shall not exclude representatives selected by the applicant, 3537
recipient, or former recipient, from a meeting that the commission 3538
conducts as an executive session that pertains to the applicant's, 3539
recipient's, or former recipient's application for financial 3540
assistance. 3541

(3) A veterans service commission shall vote on the grant or 3542
denial of financial assistance under sections 5901.01 to 5901.15 3543
of the Revised Code only in an open meeting of the commission. The 3544
minutes of the meeting shall indicate the name, address, and 3545
occupation of the applicant, whether the assistance was granted or 3546
denied, the amount of the assistance if assistance is granted, and 3547
the votes for and against the granting of assistance. 3548

Sec. 121.36. (A) As used in this section, "home care 3549
dependent adult" means an individual who resides in a private home 3550
or other noninstitutional and unlicensed living arrangement, 3551
without the presence of a parent or guardian, but has health and 3552
safety needs that require the provision of regularly scheduled 3553
home care services to remain in the home or other living 3554
arrangement because one of the following is the case: 3555

(1) The individual is at least twenty-one years of age but 3556
less than sixty years of age and has a physical disability or 3557
mental impairment. 3558

(2) The individual is sixty years of age or older, regardless 3559
of whether the individual has a physical disability or mental 3560
impairment. 3561

(B) Except as provided in division (D) of this section, the 3562
departments of developmental disabilities, aging, job and family 3563
services, medicaid, and health shall each implement this section 3564
with respect to all contracts entered into by the department for 3565

the provision of home care services to home care dependent adults 3566
that are paid for in whole or in part with federal, state, or 3567
local funds. Except as provided in division (D) of this section, 3568
each department shall also require all public and private entities 3569
that receive money from or through the department to comply with 3570
this section when entering into contracts for the provision of 3571
home care services to home care dependent adults that are paid for 3572
in whole or in part with federal, state, or local funds. Such 3573
entities may include county boards of developmental disabilities, 3574
area agencies on aging, county departments of job and family 3575
services, and boards of health of city and general health 3576
districts. 3577

(C) ~~Beginning one year after September 26, 2003, each~~ Each 3578
contract subject to this section shall include terms requiring 3579
that the provider of home care services to home care dependent 3580
adults have a system in place that effectively monitors the 3581
delivery of the services by its employees. To be considered an 3582
effective monitoring system for purposes of the contract, the 3583
system established by a provider must include at least the 3584
following components: 3585

(1) When providing home care services to home care dependent 3586
adults who have a mental impairment or life-threatening health 3587
condition, a mechanism to verify whether the provider's employees 3588
are present at the location where the services are to be provided 3589
and at the time the services are to be provided; 3590

(2) When providing home care services to all other home care 3591
dependent adults, a system to verify at the end of each working 3592
day whether the provider's employees have provided the services at 3593
the proper location and time; 3594

(3) A protocol to be followed in scheduling a substitute 3595
employee when the monitoring system identifies that an employee 3596
has failed to provide home care services at the proper location 3597

and time, including standards for determining the length of time 3598
that may elapse without jeopardizing the health and safety of the 3599
home care dependent adult; 3600

(4) Procedures for maintaining records of the information 3601
obtained through the monitoring system; 3602

(5) Procedures for compiling annual reports of the 3603
information obtained through the monitoring system, including 3604
statistics on the rate at which home care services were provided 3605
at the proper location and time; 3606

(6) Procedures for conducting random checks of the accuracy 3607
of the monitoring system. For purposes of conducting these checks, 3608
a random check is considered to be a check of not more than five 3609
per cent of the home care visits the provider's employees make to 3610
different home care dependent adults within a particular work 3611
shift. 3612

(D) In implementing this section, the departments shall 3613
exempt providers of home care services who are self-employed 3614
providers with no other employees or are otherwise considered by 3615
the departments not to be agency providers. ~~The~~ At times selected 3616
by the departments, the departments shall conduct a study on how 3617
the exempted providers may be made subject to the requirement of 3618
effectively monitoring whether home care services are being 3619
provided and have been provided at the proper location and time. 3620
~~Not later than two years after September 26, 2003, the~~ The 3621
departments shall prepare a report of their findings and 3622
recommendations. The report shall be submitted to the president of 3623
the senate and the speaker of the house of representatives. 3624

(E) The departments of developmental disabilities, aging, job 3625
and family services, medicaid, and health shall each adopt rules 3626
as necessary to implement this section. The rules shall be adopted 3627

The agreement shall specify one of the departments represented on the council as the department responsible for housing and supervising the office. The agreement shall include the recommendation of the council for funding the office.

(C) The office established pursuant to the agreement entered into under this section shall review rules governing the certification and licensure of substitute care providers and determine which of the rules can be made substantively identical or more similar in order to minimize the number of differing certification and licensure standards and simplify the certification or licensure process for substitute care providers seeking certification or licensure from two or more of the departments represented on the council. The office shall provide county family and children first councils, substitute care

providers, and persons interested in substitute care providers the 3659
opportunity to help the office with the review and determination. 3660
The office shall report its findings to the council. Each of the 3661
departments represented on the council that has adopted rules 3662
governing the certification or licensure of substitute care 3663
providers shall review the report and amend the rules as that 3664
department considers appropriate, except that no rule shall be 3665
amended so as to make it inconsistent with substitute care 3666
provider certification or licensure procedures and standards 3667
established by federal or state law. A department shall give 3668
priority to amendments that will not increase the department's 3669
administrative costs. In amending a rule, a department shall 3670
comply with Chapter 119. or section 111.15 of the Revised Code, as 3671
required by the Revised Code section governing the adoption of the 3672
particular rule. 3673

(D) In accordance with section 124.27 of the Revised Code, 3674

established pursuant to the agreement entered into under this 3676
section. The coordinator shall be in the classified service. In 3677
addition to overseeing the office, the coordinator shall perform 3678
any other duties the council assigns to the coordinator. The 3679

the commission on the progress of those activities. The executive 3713
director shall do all things necessary for the efficient and 3714

responsibility for the proper performance of the requirements of 3718
this section. 3719

(C) The commission or its designee shall do all of the 3720
following: 3721

this chapter shall be construed as eliminating or interfering with 3731

its control, and to discharge any duty imposed upon it by law. The 3739

same manner as other state expenses. For that purpose, the 3741
commission shall prepare and submit to the office of budget and 3742
management a budget for each biennium according to sections 3743
101.532 and 107.03 of the Revised Code. The budget submitted shall 3744

of any duty imposed upon the commission by law. The commission 3746
shall not delegate any authority to obligate funds. 3747

(4) Pay its own payroll and other operating expenses from 3748
line items designated by the general assembly; 3749

The fiscal agent shall be responsible for all the commission's 3796

which a game will be held, that is directly attributable, as 3843
determined by the director, to the preparation for and 3844

presentation of the game. The director shall determine the 3845

5739.02 of the Revised Code by using a formula approved by the 3847
destination marketing association international for event impact 3848
or another formula of similar purpose approved by the director. 3849
The local organizing committee, endorsing municipality, or 3850

only if the projected incremental increase in receipts from the 3852
tax imposed under section 5739.02 of the Revised Code, as 3853
determined by the director, exceeds two hundred fifty thousand 3854
dollars. The amount of the grant shall be not less than fifty per 3855
cent of the projected incremental increase in receipts, as 3856
determined by the director, but shall not exceed five hundred 3857
thousand dollars. The director shall not issue grants with a total 3858
value of more than one million dollars in any fiscal year, and 3859
shall not issue any grant before July 1, 2013. 3860

(B) If the director of development services approves an 3861
application for a local organizing committee, endorsing 3862
municipality, or endorsing county and that local organizing 3863
committee, endorsing municipality, or endorsing county enters into 3864
a joinder agreement with a site selection organization, the local 3865
organizing committee, endorsing municipality, or endorsing county 3866
shall file a copy of the joinder agreement with the director. The 3867
grant shall be used exclusively by the local organizing committee, 3868
endorsing municipality, or endorsing county to fulfill a portion 3869
of its obligations to a site selection organization under game 3870
support contracts, which obligations may include the payment of 3871
costs relating to the preparations necessary for the conduct of 3872
the game, including acquiring, renovating, or constructing 3873
facilities; to pay the costs of conducting the game; and to assist 3874
the local organizing committee, endorsing municipality, or 3875
endorsing county in providing assurances required by a site 3876

selection organization sponsoring one or more games. 3877

(C) For the purposes of division (A) of this section, the 3878
director of development services, in consultation with the tax 3879
commissioner, shall designate the market area for a game. The 3880
market area shall consist of the combined statistical area, as 3881
defined by the United States office of management and budget, in 3882
which an endorsing municipality or endorsing county is located. 3883

(D) A local organizing committee, endorsing municipality, or 3884
endorsing county shall provide information required by the 3885
director of development services and tax commissioner to enable 3886
the director and commissioner to fulfill their duties under this 3887
section, including annual audited statements of any financial 3888
records required by a site selection organization and data 3889
obtained by the local organizing committee, endorsing 3890
municipality, or endorsing county relating to attendance at a game 3891
and to the economic impact of the game. A local organizing 3892
committee, an endorsing municipality, or an endorsing county shall 3893
provide an annual audited financial statement if so required by 3894
the director and commissioner, not later than the end of the 3895
fourth month after the date the period covered by the financial 3896
statement ends. 3897

(E) Within thirty days after the game, the local organizing 3898
committee, endorsing municipality, or endorsing county shall 3899
report to the director of development services about the economic 3900
impact of the game. The report shall be in the form and substance 3901
required by the director, including, but not limited to, a final 3902
income statement for the event showing total revenue and 3903
expenditures and revenue and expenditures in the market area for 3904
the game, and ticket sales for the game and any related activities 3905
for which admission was charged. The director shall determine, 3906
based on the reported information and the exercise of reasonable 3907
judgment, the incremental increase in receipts from the tax 3908

imposed under section 5739.02 of the Revised Code directly 3909
attributable to the game. If the actual incremental increase in 3910
such receipts is less than the projected incremental increase in 3911
receipts, the director may require the local organizing committee, 3912
endorsing municipality, or endorsing county to refund to the state 3913
all or a portion of the grant. 3914

(F) No disbursement may be made under this section if the 3915
director of development services determines that it would be used 3916
for the purpose of soliciting the relocation of a professional 3917
sports franchise located in this state. 3918

(G) This section may not be construed as creating or 3919
requiring a state guarantee of obligations imposed on an endorsing 3920
municipality or endorsing county under a game support contract or 3921
any other agreement relating to hosting one or more games in this 3922
state. 3923

(H) The director may make grants under this section from the 3924
major sporting events site selection fund created in section 3925
4301.46 of the Revised Code or from any other money appropriated 3926
or allocated for that purpose. 3927

(2) "~~Baseline income tax revenue~~ payroll" means ~~income tax~~ 3941
~~revenue~~ Ohio employee payroll, except that the applicable 3942
~~withholding~~ measurement period is the twelve months immediately 3943
preceding the date the tax credit authority approves the 3944
taxpayer's application or the date the tax credit authority 3945
receives the recommendation described in division (C)(2)(a) of 3946
this section, whichever occurs first, multiplied by the sum of one 3947
plus an annual pay increase factor to be determined by the tax 3948
credit authority. 3949

(3) "Ohio employee payroll" means the total taxable income 3950
paid by the employer during the employer's taxable year, or during 3951
the calendar year that includes the employer's tax period, to each 3952
employee employed in the project who is a resident of this state, 3953
as defined in section 5747.01 of the Revised Code, or to each 3954

minimum wage under 29 U.S.C. 206. 3968

(6) "Full-time equivalent employees" means the quotient 3969
obtained by dividing the total number of hours for which employees 3970

were compensated for employment in the project by two thousand 3971
eighty. "Full-time equivalent employees" excludes hours that are 3972
counted for a credit under section 122.171 of the Revised Code. 3973

(7) "Metric evaluation date" means the date by which the 3974
taxpayer must meet all of the commitments included in the 3975
agreement. 3976

(B) The tax credit authority may make grants under this 3977
section to foster job creation in this state. Such a grant shall 3978
take the form of a refundable credit allowed against the tax 3979
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 3980
5747.02 or levied under Chapter 5751. of the Revised Code. The 3981
credit shall be claimed for the taxable years or tax periods 3982
specified in the taxpayer's agreement with the tax credit 3983
authority under division (D) of this section. With respect to 3984
taxes imposed under section 5726.02, 5733.06, or 5747.02 or 3985
Chapter 5751. of the Revised Code, the credit shall be claimed in 3986
the order required under section 5726.98, 5733.98, 5747.98, or 3987
5751.98 of the Revised Code. The amount of the credit available 3988
for a taxable year or for a calendar year that includes a tax 3989
period equals the excess ~~income tax revenue~~ payroll for that year 3990
multiplied by the percentage specified in the agreement with the 3991
tax credit authority. ~~Any credit granted under this section~~ 3992
~~against the tax imposed by section 5733.06 or 5747.02 of the~~ 3993
~~Revised Code, to the extent not fully utilized against such tax~~ 3994
~~for taxable years ending prior to 2008, shall automatically be~~ 3995

~~Code for tax periods beginning on or after July 1, 2008, provided~~ 3998
~~that the person to whom the credit was granted is subject to such~~ 3999

~~which the remaining taxable years specified in the agreement end.~~ 4001

(C)(1) A taxpayer or potential taxpayer who proposes a 4002

project to create new jobs in this state may apply to the tax 4003
credit authority to enter into an agreement for a tax credit under 4004
this section. 4005

An application shall not propose to include both home-based 4006
employees and employees who are not home-based employees in the 4007
computation of ~~income tax revenue~~ Ohio employee payroll for the 4008
purposes of the same tax credit agreement. If a taxpayer or 4009
potential taxpayer employs both home-based employees and employees 4010
who are not home-based employees in a project, the taxpayer shall 4011
submit separate applications for separate tax credit agreements 4012
for the project, one of which shall include home-based employees 4013
in the computation of ~~income tax revenue~~ Ohio employee payroll and 4014
one of which shall include all other employees in the computation 4015
of ~~income tax revenue~~ Ohio employee payroll. 4016

The director of development services shall prescribe the form 4017
of the application. After receipt of an application, the authority 4018
may enter into an agreement with the taxpayer for a credit under 4019
this section if it determines all of the following: 4020

(a) The taxpayer's project will increase payroll ~~and income~~ 4021
~~tax revenue~~; 4022

(b) The taxpayer's project is economically sound and will 4023
benefit the people of this state by increasing opportunities for 4024
employment and strengthening the economy of this state; 4025

(c) Receiving the tax credit is a major factor in the 4026
taxpayer's decision to go forward with the project. 4027

(2)(a) A taxpayer that chooses to begin the project prior to 4028
receiving the determination of the authority may, upon submitting 4029
the taxpayer's application to the authority, request that the 4030
chief investment officer of the nonprofit corporation formed under 4031
section 187.01 of the Revised Code and the director review the 4032
taxpayer's application and recommend to the authority that the 4033

taxpayer's application be considered. As soon as possible after 4034
receiving such a request, the chief investment officer and the 4035
director shall review the taxpayer's application and, if they 4036
determine that the application warrants consideration by the 4037
authority, make that recommendation to the authority not later 4038
than six months after the application is received by the 4039
authority. 4040

(b) The authority shall consider any taxpayer's application 4041
for which it receives a recommendation under division (C)(2)(a) of 4042
this section. If the authority determines that the taxpayer does 4043
not meet all of the criteria set forth in division (C)(1) of this 4044
section, the authority and the development services agency shall 4045
proceed in accordance with rules adopted by the director pursuant 4046
to division (I) of this section. 4047

(D) An agreement under this section shall include all of the 4048
following: 4049

(1) A detailed description of the project that is the subject 4050
of the agreement; 4051

(2)(a) The term of the tax credit, which, except as provided 4052
in division (D)(2)(b) of this section, shall not exceed fifteen 4053
years, and the first taxable year, or first calendar year that 4054
includes a tax period, for which the credit may be claimed; 4055

(b) If the tax credit is computed on the basis of home-based 4056
employees, the term of the credit shall expire on or before the 4057
last day of the taxable or calendar year ending before the 4058
beginning of the seventh year after September 6, 2012, the 4059
effective date of H.B. 327 of the 129th general assembly. 4060

(3) A requirement that the taxpayer shall maintain operations 4061
at the project location for at least the greater of seven years or 4062
the term of the credit plus three years; 4063

(4) The percentage, as determined by the tax credit 4064

authority, of excess ~~income tax revenue~~ payroll that will be 4065
allowed as the amount of the credit for each taxable year or for 4066
each calendar year that includes a tax period; 4067

(5) The pay increase factor to be applied to the taxpayer's 4068
baseline ~~income tax revenue~~ payroll; 4069

(6) A requirement that the taxpayer annually shall report to 4070
the director of development services ~~employment, tax withholding~~ 4071
full-time equivalent employees, payroll, Ohio employee payroll, 4072
investment, the provision of health care benefits and tuition 4073
reimbursement if required in the agreement, and other information 4074
the director needs to perform the director's duties under this 4075
section; 4076

(7) A requirement that the director of development services 4077
annually review the information reported under division (D)(6) of 4078
this section and verify compliance with the agreement; if the 4079
taxpayer is in compliance, a requirement that the director issue a 4080
certificate to the taxpayer stating that the information has been 4081
verified and identifying the amount of the credit that may be 4082
claimed for the taxable or calendar year; 4083

(8) A provision providing that the taxpayer may not relocate 4084
a substantial number of employment positions from elsewhere in 4085
this state to the project location unless the director of 4086
development services determines that the legislative authority of 4087
the county, township, or municipal corporation from which the 4088
employment positions would be relocated has been notified by the 4089
taxpayer of the relocation. 4090

For purposes of this section, the movement of an employment 4091
position from one political subdivision to another political 4092
subdivision shall be considered a relocation of an employment 4093
position unless the employment position in the first political 4094
subdivision is replaced. 4095

(9) If the tax credit is computed on the basis of home-based employees, that the tax credit may not be claimed by the taxpayer until the taxable year or tax period in which the taxpayer employs at least two hundred employees more than the number of employees the taxpayer employed on June 30, 2011.

(E) If a taxpayer fails to meet or comply with any condition or requirement set forth in a tax credit agreement, the tax credit authority may amend the agreement to reduce the percentage or term of the tax credit. The reduction of the percentage or term may take effect in the current taxable or calendar year.

(F) Projects that consist solely of point-of-final-purchase retail facilities are not eligible for a tax credit under this section. If a project consists of both point-of-final-purchase retail facilities and nonretail facilities, only the portion of the project consisting of the nonretail facilities is eligible for a tax credit and only the excess ~~income tax revenue~~ payroll from the nonretail facilities shall be considered when computing the amount of the tax credit. If a warehouse facility is part of a point-of-final-purchase retail facility and supplies only that facility, the warehouse facility is not eligible for a tax credit. Catalog distribution centers are not considered point-of-final-purchase retail facilities for the purposes of this division, and are eligible for tax credits under this section.

(G) Financial statements and other information submitted to the development services agency or the tax credit authority by an applicant or recipient of a tax credit under this section, and any information taken for any purpose from such statements or information, are not public records subject to section 149.43 of the Revised Code. However, the chairperson of the authority may make use of the statements and other information for purposes of issuing public reports or in connection with court proceedings concerning tax credit agreements under this section. Upon the

request of the tax commissioner or, if the applicant or recipient 4128
is an insurance company, upon the request of the superintendent of 4129
insurance, the chairperson of the authority shall provide to the 4130
commissioner or superintendent any statement or information 4131
submitted by an applicant or recipient of a tax credit in 4132
connection with the credit. The commissioner or superintendent 4133
shall preserve the confidentiality of the statement or 4134
information. 4135

(H) A taxpayer claiming a credit under this section shall 4136
submit to the tax commissioner or, if the taxpayer is an insurance 4137
company, to the superintendent of insurance, a copy of the 4138
director of development services' certificate of verification 4139
under division (D)(7) of this section with the taxpayer's tax 4140
report or return for the taxable year or for the calendar year 4141
that includes the tax period. Failure to submit a copy of the 4142
certificate with the report or return does not invalidate a claim 4143
for a credit if the taxpayer submits a copy of the certificate to 4144
the commissioner or superintendent within ~~sixty~~ thirty days after 4145
the commissioner or superintendent requests it. 4146

(I) The director of development services, after consultation 4147
with the tax commissioner and the superintendent of insurance and 4148
in accordance with Chapter 119. of the Revised Code, shall adopt 4149
rules necessary to implement this section, including rules that 4150
establish a procedure to be followed by the tax credit authority 4151
and the development services agency in the event the authority 4152
considers a taxpayer's application for which it receives a 4153
recommendation under division (C)(2)(a) of this section but does 4154
not approve it. The rules may provide for recipients of tax 4155
credits under this section to be charged fees to cover 4156
administrative costs of the tax credit program. The fees collected 4157
shall be credited to the business assistance fund created in 4158
section 122.174 of the Revised Code. At the time the director 4159

gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(J) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report required under division (D)(6) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(K)(1) If the director of development services determines that a taxpayer who has received a credit under this section is not complying with the ~~requirement under division (D)(3) of this section~~ requirements of the agreement, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the tax credit authority may require the taxpayer to refund to this state a portion of the credit in accordance with the following:

~~(1)(a)~~ If the taxpayer fails to comply with the requirement under division (D)(3) of this section, an amount determined in accordance with the following:

(i) If the taxpayer maintained operations at the project

location for a period less than or equal to the term of the 4192
credit, an amount not exceeding one hundred per cent of the sum of 4193
any credits allowed and received under this section; 4194

~~(2)~~(ii) If the taxpayer maintained operations at the project 4195
location for a period longer than the term of the credit, but less 4196
than the greater of seven years or the term of the credit plus 4197
three years, an amount not exceeding seventy-five per cent of the 4198
sum of any credits allowed and received under this section. 4199

(b) If, on the metric evaluation date, the taxpayer fails to 4200
substantially meet the job creation, payroll, or investment 4201
requirements included in the agreement, an amount determined at 4202
the discretion of the authority; 4203

(c) If the taxpayer fails to substantially maintain the 4204
number of new full-time equivalent employees or amount of payroll 4205
required under the agreement at any time during the term of the 4206
agreement after the metric evaluation date, an amount determined 4207
at the discretion of the authority. 4208

(2) If a taxpayer files for bankruptcy and fails as described 4209
in division (K)(1)(a), (b), or (c) of this section, the director 4210
may immediately commence an action to recoup an amount not 4211
exceeding one hundred per cent of the sum of any credits received 4212
by the taxpayer under this section. 4213

(3) In determining the portion of the tax credit to be 4214
refunded to this state, the tax credit authority shall consider 4215
the effect of market conditions on the taxpayer's project and 4216
whether the taxpayer continues to maintain other operations in 4217
this state. After making the determination, the authority shall 4218
certify the amount to be refunded to the tax commissioner or 4219
superintendent of insurance, as appropriate. If the amount is 4220
certified to the commissioner, the commissioner shall make an 4221
assessment for that amount against the taxpayer under Chapter 4222

5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the amount is certified to the superintendent, the superintendent shall make an assessment for that amount against the taxpayer under Chapter 5725. or 5729. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the commissioner or superintendent, as appropriate, shall make the assessment within one year after the date the authority certifies to the commissioner or superintendent the amount to be refunded.

(L) On or before the first day of August each year, the director of development services shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax credit program under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the project that is the subject of each such agreement, and an update on the status of projects under agreements entered into before the preceding calendar year.

(M) There is hereby created the tax credit authority, which consists of the director of development services and four other members appointed as follows: the governor, the president of the senate, and the speaker of the house of representatives each shall appoint one member who shall be a specialist in economic development; the governor also shall appoint a member who is a specialist in taxation. ~~Of the initial appointees, the members appointed by the governor shall serve a term of two years; the members appointed by the president of the senate and the speaker of the house of representatives shall serve a term of four years. Thereafter, terms~~ Terms of office shall be for four years. ~~Initial appointments to the authority shall be made within thirty days after January 13, 1993.~~ Each member shall serve on the authority

until the end of the term for which the member was appointed. 4255
Vacancies shall be filled in the same manner provided for original 4256
appointments. Any member appointed to fill a vacancy occurring 4257
prior to the expiration of the term for which the member's 4258
predecessor was appointed shall hold office for the remainder of 4259
that term. Members may be reappointed to the authority. Members of 4260
the authority shall receive their necessary and actual expenses 4261
while engaged in the business of the authority. The director of 4262
development services shall serve as chairperson of the authority, 4263
and the members annually shall elect a vice-chairperson from among 4264
themselves. Three members of the authority constitute a quorum to 4265
transact and vote on the business of the authority. The majority 4266
vote of the membership of the authority is necessary to approve 4267
any such business, including the election of the vice-chairperson. 4268

The director of development services may appoint a 4269
professional employee of the development services agency to serve 4270
as the director's substitute at a meeting of the authority. The 4271
director shall make the appointment in writing. In the absence of 4272
the director from a meeting of the authority, the appointed 4273
substitute shall serve as chairperson. In the absence of both the 4274
director and the director's substitute from a meeting, the 4275
vice-chairperson shall serve as chairperson. 4276

(N) For purposes of the credits granted by this section 4277
against the taxes imposed under sections 5725.18 and 5729.03 of 4278
the Revised Code, "taxable year" means the period covered by the 4279
taxpayer's annual statement to the superintendent of insurance. 4280

(O) On or before the first day of March of each of the five 4281
calendar years beginning with 2014, each taxpayer subject to an 4282
agreement with the tax credit authority under this section on the 4283
basis of home-based employees shall report the number of 4284
home-based employees and other employees employed by the taxpayer 4285
in this state to the development services agency. 4286

(P) On or before the first day of January of 2019, the 4287
director of development services shall submit a report to the 4288
governor, the president of the senate, and the speaker of the 4289
house of representatives on the effect of agreements entered into 4290
under this section in which the taxpayer included home-based 4291
employees in the computation of income tax revenue, as that term 4292
was defined in this section prior to the amendment of this section 4293
by H.B. 64 of the 131st general assembly. The report shall include 4294
information on the number of such agreements that were entered 4295
into in the preceding six years, a description of the projects 4296
that were the subjects of such agreements, and an analysis of 4297
nationwide home-based employment trends, including the number of 4298
home-based jobs created from July 1, 2011, through June 30, 2017, 4299
and a description of any home-based employment tax incentives 4300
provided by other states during that time. 4301

(Q) The director of development services may require any 4302
agreement entered into under this section for a tax credit 4303
computed on the basis of home-based employees to contain a 4304
provision that the taxpayer makes available health care benefits 4305
and tuition reimbursement to all employees. 4306

(R) Original agreements approved by the tax credit authority 4307
under this section in 2014 or 2015 before the effective date of 4308
this division may be revised at the request of the taxpayer to 4309
conform with the amendments to this section and sections 4310
5733.0610, 5736.50, 5747.058, and 5751.50 of the Revised Code by 4311
H.B. 64 of the 131st general assembly, upon mutual agreement of 4312
the taxpayer and the development services agency, and approval by 4313
the tax credit authority. 4314

(S) Upon the request of a taxpayer subject to an agreement 4315
approved under this section before the effective date of this 4316
division, including agreements effective under this section as it 4317
existed before October 16, 2009, the tax credit authority shall 4318

amend the agreement as follows: 4319

(1) The percentage of excess income tax revenue allowed as 4320
the amount of the credit shall be increased by the same percentage 4321
that the income tax rates prescribed by section 5747.02 of the 4322
Revised Code have decreased since June 29, 2013, or the effective 4323
date of the agreement, whichever is later. The tax credit 4324
percentage shall thereafter be annually adjusted to account for 4325
any decreases in such income tax rates applicable to subsequent 4326
taxable years. 4327

(2) If the agreement requires the taxpayer to attain a 4328
threshold excess income tax revenue, as that term was defined in 4329
this section before its amendment by H.B. 64 of the 131st general 4330
assembly, the threshold shall be decreased by the same percentage 4331
that the income tax rates prescribed by section 5747.02 of the 4332
Revised Code have decreased since June 29, 2013, or the effective 4333
date of the agreement, whichever is later. The threshold shall 4334
thereafter be annually adjusted to account for any decreases in 4335
such income tax rates applicable to subsequent taxable years. 4336

Agreements amended under this division shall otherwise remain 4337
subject to this section as it existed before the amendment by H.B. 4338
64 of the 131st general assembly. Amendments authorized under this 4339
division apply to taxable years and calendar years ending on or 4340
after the effective date of the amendment. This division does not 4341
preclude a taxpayer from requesting that an eligible agreement be 4342
revised under division (R) of this section. 4343

tax levied under Chapter 5751. of the Revised Code for tax periods 4481
beginning on or after July 1, 2008, provided that the person to 4482
whom the credit was granted is subject to such tax. The converted 4483

taxable years specified in the agreement end.~~ 4485

If a nonrefundable credit allowed under ~~division (B)(1) of 4486
this section for a taxable year or tax period exceeds the 4487
taxpayer's tax liability for that year or period, the excess may 4488
be carried forward for the three succeeding taxable or calendar 4489
years, but the amount of any excess credit allowed in any taxable 4490
year or tax period shall be deducted from the balance carried 4491
forward to the succeeding year or period.~~ 4492

(C) A taxpayer that proposes a capital investment project to 4493
retain jobs in this state may apply to the tax credit authority to 4494

director of development services shall prescribe the form of the 4496

management, the tax commissioner, and the superintendent of 4499
insurance in the case of an insurance company, ~~and the director of 4500

recommendations described in division (C) of this section, the tax 4512
credit authority may enter into an agreement with the taxpayer for 4513

complete the proposed capital investment project. 4519

decision to begin, continue with, or complete the project. 4524

~~(5) If the taxpayer is applying to enter into an agreement~~ 4525
~~for a tax credit authorized under division (B)(3) of this section,~~ 4526
~~the taxpayer's capital investment project will be located in the~~ 4527
~~political subdivision in which the taxpayer maintains its~~ 4528
~~principal place of business or maintains a unit or division with~~ 4529
~~at least four thousand two hundred employees at the project site.~~ 4530

(E) An agreement under this section shall include all of the 4531
following: 4532

(1) A detailed description of the project that is the subject 4533
of the agreement, including the amount of the investment, the 4534
period over which the investment has been or is being made, the 4535

number of full-time equivalent employees at the project site, and 4536

generated. 4538

(2) The term of the credit, the percentage of the tax credit, 4539
the maximum annual value of tax credits that may be allowed each 4540
year, and the first year for which the credit may be claimed. 4541

(3) A requirement that the taxpayer maintain operations at 4542
the project site for at least the greater of (a) the term of the 4543
credit plus three years, or (b) seven years. 4544

(6) A requirement that the director of development services 4571
annually review the annual reports of the taxpayer to verify the 4572
information reported under division (E)(5) of this section and 4573
compliance with the agreement. Upon verification, the director 4574
shall issue a certificate to the taxpayer stating that the 4575
information has been verified and identifying the amount of the 4576
credit for the taxable year or calendar year that includes the tax 4577
period. In determining the number of full-time equivalent 4578
employees, no position shall be counted that is filled by an 4579
employee who is included in the calculation of a tax credit under 4580
section 122.17 of the Revised Code. 4581

(7) A provision providing that the taxpayer may not relocate 4582

which the employment positions would be relocated. 4587

For purposes of this section, the movement of an employment 4588
position from one political subdivision to another political 4589
subdivision shall be considered a relocation of an employment 4590
position unless the movement is confined to the project site. The 4591
transfer of an employment position from one political subdivision 4592
to another political subdivision shall not be considered a 4593
relocation of an employment position if the employment position in 4594
the first political subdivision is replaced by another employment 4595
position. 4596

(8) A waiver by the taxpayer of any limitations periods 4597

relating to assessments or adjustments resulting from the 4598
taxpayer's failure to comply with the agreement. 4599

(F) If a taxpayer fails to meet or comply with any condition 4600
or requirement set forth in a tax credit agreement, the tax credit 4601
authority may amend the agreement to reduce the percentage or term 4602
of the credit. The reduction of the percentage or term may take 4603
effect in the current taxable or calendar year. 4604

(G) Financial statements and other information submitted to 4605
the department of development services or the tax credit authority 4606

section, and any information taken for any purpose from such 4608
statements or information, are not public records subject to 4609
section 149.43 of the Revised Code. However, the chairperson of 4610
the authority may make use of the statements and other information 4611
for purposes of issuing public reports or in connection with court 4612
proceedings concerning tax credit agreements under this section. 4613
Upon the request of the tax commissioner, or the superintendent of 4614
insurance in the case of an insurance company, the chairperson of 4615
the authority shall provide to the commissioner or superintendent 4616

of the statement or other information. 4620

(H) A taxpayer claiming a tax credit under this section shall 4621
submit to the tax commissioner or, in the case of an insurance 4622
company, to the superintendent of insurance, a copy of the 4623
director of development services' certificate of verification 4624
under division (E)(6) of this section with the taxpayer's tax 4625
report or return for the taxable year or for the calendar year 4626
that includes the tax period. Failure to submit a copy of the 4627
certificate with the report or return does not invalidate a claim 4628
for a credit if the taxpayer submits a copy of the certificate to 4629

the commissioner or superintendent within ~~sixty~~ thirty days after 4630
the commissioner or superintendent requests it. 4631

(I) For the purposes of this section, a taxpayer may include 4632
a partnership, a corporation that has made an election under 4633
subchapter S of chapter one of subtitle A of the Internal Revenue 4634

distributive share to its owners. A partnership, S-corporation, or 4636
other such business entity may elect to pass the credit received 4637
under this section through to the persons to whom the income or 4638
profit of the partnership, S-corporation, or other entity is 4639
distributed. The election shall be made on the annual report 4640
required under division (E)(5) of this section. The election 4641
applies to and is irrevocable for the credit for which the report 4642
is submitted. If the election is made, the credit shall be 4643
apportioned among those persons in the same proportions as those 4644
in which the income or profit is distributed. 4645

(J)(1) If the director of development services determines 4646
that a taxpayer that received a certificate under division (E)(6) 4647
of this section is not complying with the ~~requirement under~~ 4648
~~division (E)(3) of this section~~ requirements of the agreement, the 4649
director shall notify the tax credit authority of the 4650
noncompliance. After receiving such a notice, and after giving the 4651
taxpayer an opportunity to explain the noncompliance, the 4652
authority may terminate the agreement and require the taxpayer, or 4653
any related member or members that claimed the tax credit under 4654
division (N) of this section, to refund to the state all or a 4655
portion of the credit claimed in previous years, as follows: 4656

(1)(a) If the taxpayer fails to comply with the requirement 4657
under division (E)(3) of this section, an amount determined in 4658
accordance with the following: 4659

(i) If the taxpayer maintained operations at the project site 4660
for less than or equal to the term of the credit, an amount not to 4661

exceed one hundred per cent of the sum of any tax credits allowed 4662
and received under this section. 4663

~~(2)(ii)~~ If the taxpayer maintained operations at the project 4664
site longer than the term of the credit, but less than the greater 4665
of ~~(a) seven years or~~ the term of the credit plus three years, ~~or~~ 4666
~~(b) seven years~~, the amount required to be refunded shall not 4667
exceed seventy-five per cent of the sum of any tax credits allowed 4668
and received under this section. 4669

(b) If the taxpayer fails to substantially maintain both the 4670
number of full-time equivalent employees and the amount of Ohio 4671
employee payroll required under the agreement at any time during 4672
the term of the agreement or during the post-term reporting 4673
period, an amount determined at the discretion of the authority. 4674

(2) If a taxpayer files for bankruptcy and fails as described 4675
in division (J)(1)(a) or (b) of this section, the director may 4676
immediately commence an action to recoup an amount not exceeding 4677
one hundred per cent of the sum of any credits received by the 4678
taxpayer under this section. 4679

(3) In determining the portion of the credit to be refunded 4680
to this state, the authority shall consider the effect of market 4681
conditions on the taxpayer's project and whether the taxpayer 4682
continues to maintain other operations in this state. After making 4683
the determination, the authority shall certify the amount to be 4684
refunded to the tax commissioner or the superintendent of 4685
insurance. If the taxpayer, or any related member or members who 4686
claimed the tax credit under division (N) of this section, is not 4687
an insurance company, the commissioner shall make an assessment 4688
for that amount against the taxpayer under Chapter 5726., 5733., 4689
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 4690
any related member or members that claimed the tax credit under 4691
division (N) of this section, is an insurance company, the 4692
superintendent of insurance shall make an assessment under section 4693

5725.222 or 5729.102 of the Revised Code. The time limitations on 4694
assessments under those chapters and sections do not apply to an 4695
assessment under this division, but the commissioner or 4696
superintendent shall make the assessment within one year after the 4697
date the authority certifies to the commissioner or superintendent 4698
the amount to be refunded. 4699

(K) The director of development services, after consultation 4700
with the tax commissioner and the superintendent of insurance and 4701
in accordance with Chapter 119. of the Revised Code, shall adopt 4702
rules necessary to implement this section. The rules may provide 4703
for recipients of tax credits under this section to be charged 4704
fees to cover administrative costs of the tax credit program. The 4705
fees collected shall be credited to the business assistance fund 4706
created in section 122.174 of the Revised Code. At the time the 4707
director gives public notice under division (A) of section 119.03 4708
of the Revised Code of the adoption of the rules, the director 4709
shall submit copies of the proposed rules to the chairpersons of 4710
the standing committees on economic development in the senate and 4711
the house of representatives. 4712

(L) On or before the first day of August of each year, the 4713
director of development services shall submit a report to the 4714
governor, the president of the senate, and the speaker of the 4715
house of representatives on the tax credit program under this 4716
section. The report shall include information on the number of 4717
agreements that were entered into under this section during the 4718
preceding calendar year, a description of the project that is the 4719
subject of each such agreement, and an update on the status of 4720
projects under agreements entered into before the preceding 4721
calendar year. 4722

(M)~~(1)~~ The aggregate amount of nonrefundable tax credits 4723
issued under ~~division (B)(1)~~ of this section during any calendar 4724

tax credit authority may not exceed the following amounts: 4726

~~(a)(1)~~ For 2010, thirteen million dollars; 4727

~~(b)(2)~~ For 2011 through 2023, the amount of the limit for the 4728
preceding calendar year plus thirteen million dollars; 4729

~~(c)(3)~~ For 2024 and each year thereafter, one hundred 4730
ninety-five million dollars. 4731

~~(2) The aggregate amount of tax credits authorized under 4732
divisions (B)(2) and (3) of this section and allowed to be claimed 4733
by taxpayers in any calendar year for capital improvement projects 4734
reviewed and approved by the tax credit authority in 2011, 2012, 4735
and 2013 combined shall not exceed twenty five million dollars. An 4736
amount equal to the aggregate amount of credits first authorized 4737
in calendar year 2011, 2012, and 2013 may be claimed over the 4738
ensuing period up to fifteen years, subject to the terms of 4739
individual tax credit agreements. 4740~~

The limitations in division (M) of this section do not apply 4741
to credits for capital investment projects approved by the tax 4742
credit authority before July 1, 2009. 4743

(N) This division applies only to an eligible business that 4744
is part of an affiliated group that includes a diversified savings 4745
and loan holding company or a grandfathered unitary savings and 4746
loan holding company, as those terms are defined in section 4747
5726.01 of the Revised Code. Notwithstanding any contrary 4748
provision of the agreement between such an eligible business and 4749
the tax credit authority, any credit granted under this section 4750
against the tax imposed by section 5725.18, 5729.03, 5733.06, 4751
5747.02, or 5751.02 of the Revised Code to the eligible business, 4752
at the election of the eligible business and without any action by 4753
the tax credit authority, may be shared with any member or members 4754
of the affiliated group that includes the eligible business, which 4755
member or members may claim the credit against the taxes imposed 4756

by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02 4757
of the Revised Code. Credits shall be claimed by the eligible 4758
business in sequential order, as applicable, first claiming the 4759
credits to the fullest extent possible against the tax that the 4760
certificate holder is subject to, then against the tax imposed by, 4761
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 4762
lastly 5726.02 of the Revised Code. The credits may be allocated 4763
among the members of the affiliated group in such manner as the 4764
eligible business elects, but subject to the sequential order 4765
required under this division. This division applies to credits 4766
granted before, on, or after March 27, 2013, the effective date of 4767
H.B. 510 of the 129th general assembly. Credits granted before 4768
that effective date that are shared and allocated under this 4769
division may be claimed in those calendar years in which the 4770
remaining taxable years specified in the agreement end. 4771

As used in this division, "affiliated group" means a group of 4772
two or more persons with fifty per cent or greater of the value of 4773
each person's ownership interests owned or controlled directly, 4774
indirectly, or constructively through related interests by common 4775
owners during all or any portion of the taxable year, and the 4776
common owners. "Affiliated group" includes, but is not limited to, 4777
any person eligible to be included in a consolidated elected 4778
taxpayer group under section 5751.011 of the Revised Code or a 4779
combined taxpayer group under section 5751.012 of the Revised 4780
Code. 4781

(0) Upon the request of a taxpayer subject to an agreement 4782
approved under this section before the effective date of this 4783
division, including agreements effective under this section as it 4784
existed before October 16, 2009, the tax credit authority shall 4785
amend the agreement as follows: 4786

(1) The percentage of income tax revenue allowed as the 4787
amount of the credit shall be increased by the same percentage 4788

that the income tax rates prescribed by section 5747.02 of the Revised Code have decreased since June 29, 2013, or the effective date of the agreement, whichever is later. The tax credit percentage shall thereafter be annually adjusted to account for any decreases in such income tax rates applicable to subsequent taxable years.

(2) If the agreement requires the taxpayer to attain a threshold level of income tax revenue, as that term was defined in this section before its amendment by H.B. 64 of the 131st general assembly, the threshold shall be decreased by the same percentage that the income tax rates prescribed by section 5747.02 of the Revised Code have decreased since June 29, 2013, or the effective date of the agreement, whichever is later. The threshold shall thereafter be annually adjusted to account for any decreases in such income tax rates applicable to subsequent taxable years.

Agreements amended under this division shall otherwise remain subject to this section as it existed before its amendment by H.B. 64 of the 131st general assembly. Amendments authorized under this division apply to taxable years and calendar years ending on or after the effective date of the amendment.

Sec. 122.174. There is hereby created in the state treasury the business assistance fund. The fund shall consist of any amounts appropriated to it and money credited to the fund pursuant to division (I) of section 121.17, division (K) of section 122.171, division (K) of section 122.175, division (G)(2) of section 122.85, division (C) of section 3735.672, and division (C) of section 5709.68 of the Revised Code. of budget and management, and the tax commissioner, ~~and the~~ 4893
~~director of development services,~~ each of whom shall review the 4894
application to determine the economic impact that the proposed 4895

(D) Upon review and consideration of such determinations and 4905

agreement with the applicant and any other taxpayer that operates 4907
a computer data center business at the project site for a complete 4908
or partial exemption from the taxes imposed under Chapters 5739. 4909
and 5741. of the Revised Code on computer data center equipment 4910

used or to be used at an eligible computer data center if the 4911
authority determines all of the following: 4912

(1) The capital investment project for the eligible computer 4913

to be withheld from employee compensation pursuant to section 4915
5747.06 of the Revised Code. 4916

(2) The applicant is economically sound and has the ability 4917
to complete or effect the completion of the proposed capital 4918
investment project. 4919

(3) The applicant intends to and has the ability to maintain 4920
operations at the project site for the term of the agreement. 4921

(4) Receiving the exemption is a major factor in the 4922
applicant's decision to begin, continue with, or complete the 4923
capital investment project. 4924

(E) An agreement entered into under this section shall 4925
include all of the following: 4926

(1) A detailed description of the capital investment project 4927
that is the subject of the agreement, including the amount of the 4928
investment, the period over which the investment has been or is 4929
being made, the annual compensation to be paid by each taxpayer 4930
subject to the agreement to its employees at the project site, and 4931
the anticipated amount of income taxes to be withheld from 4932
employee compensation pursuant to section 5747.06 of the Revised 4933
Code. 4934

(2) The percentage of the exemption from the taxes imposed 4935
under Chapters 5739. and 5741. of the Revised Code for the 4936
computer data center equipment used or to be used at the eligible 4937
computer data center, the length of time the computer data center 4938
equipment will be exempted, and the first date on which the 4939
exemption applies. 4940

(3) A requirement that the computer data center remain an 4941
eligible computer data center during the term of the agreement and 4942
that the applicant maintain operations at the eligible computer 4943
data center during that term. An applicant does not violate the 4944
requirement described in division (E)(3) of this section if the 4945
applicant ceases operations at the eligible computer data center 4946
during the term of the agreement but resumes those operations 4947
within eighteen months after the date of cessation. The agreement 4948
shall provide that, in such a case, the applicant and any other 4949
taxpayer that operates a computer data center business at the 4950
project site shall not claim the tax exemption authorized in the 4951
agreement for any purchase of computer data center equipment made 4952
during the period in which the applicant did not maintain 4953
operations at the eligible computer data center. 4954

(4) A requirement that, for each year of the term of the 4955
agreement beginning on or after the first day of the twenty-fifth 4956
month after the date the agreement was entered into, one or more 4957
taxpayers operating a computer data center business at the project 4958
site will, in the aggregate, pay annual compensation that is 4959
subject to the withholding obligation imposed under section 4960
5747.06 of the Revised Code of at least one million five hundred 4961
thousand dollars to employees at the eligible computer data 4962
center. 4963

(5) A requirement that each taxpayer subject to the agreement 4964
annually report to the director of development services 4965
employment, tax withholding, capital investment, and other 4966
information required by the director to perform the director's 4967
duties under this section. 4968

(6) A requirement that the director of development services 4969
annually review the annual reports of each taxpayer subject to the 4970
agreement to verify the information reported under division (E)(5) 4971
of this section and compliance with the agreement. Upon 4972

verification, the director shall issue a certificate to each such taxpayer stating that the information has been verified and that the taxpayer remains eligible for the exemption specified in the agreement.

(7) A provision providing that the taxpayers subject to the agreement may not relocate a substantial number of employment positions from elsewhere in this state to the project site unless the director of development services determines that the appropriate taxpayer notified the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated. For purposes of this paragraph, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position unless the movement is confined to the project site. The transfer of an employment position from one political subdivision to another political subdivision shall not be considered a relocation of an employment position if the employment position in the first political subdivision is replaced by another employment position.

(8) A waiver by each taxpayer subject to the agreement of any limitations periods relating to assessments or adjustments resulting from the taxpayer's failure to comply with the agreement.

(F) The term of an agreement under this section shall be determined by the tax credit authority, and the amount of the exemption shall not exceed one hundred per cent of such taxes that would otherwise be owed in respect to the exempted computer data center equipment.

(G) If any taxpayer subject to an agreement under this section fails to meet or comply with any condition or requirement set forth in the agreement, the tax credit authority may amend the agreement to reduce the percentage of the exemption or term during

which the exemption applies to the computer data center equipment 5005
used or to be used by the noncompliant taxpayer at an eligible 5006
computer data center. The reduction of the percentage or term may 5007
take effect in the current calendar year. 5008

(H) Financial statements and other information submitted to 5009
the department of development services or the tax credit authority 5010
by an applicant for or recipient of an exemption under this 5011
section, and any information taken for any purpose from such 5012
statements or information, are not public records subject to 5013
section 149.43 of the Revised Code. However, the chairperson of 5014
the authority may make use of the statements and other information 5015
for purposes of issuing public reports or in connection with court 5016
proceedings concerning tax exemption agreements under this 5017
section. Upon the request of the tax commissioner, the chairperson 5018
of the authority shall provide to the tax commissioner any 5019
statement or other information submitted by an applicant for or 5020
recipient of an exemption under this section. The tax commissioner 5021
shall preserve the confidentiality of the statement or other 5022
information. 5023

(I) The tax commissioner shall issue a direct payment permit 5024
under section 5739.031 of the Revised Code to each taxpayer 5025
subject to an agreement under this section. Such direct payment 5026
permit shall authorize the taxpayer to pay any sales and use taxes 5027
due on purchases of computer data center equipment used or to be 5028
used in an eligible computer data center and to pay any sales and 5029
use taxes due on purchases of tangible personal property or 5030
taxable services other than computer data center equipment used or 5031
to be used in an eligible computer data center directly to the tax 5032
commissioner. Each such taxpayer shall pay pursuant to such direct 5033
payment permit all sales tax levied on such purchases under 5034
sections 5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of 5035
the Revised Code and all use tax levied on such purchases under 5036

sections 5741.02, 5741.021, 5741.022, ~~and 5741.023,~~ and 5741.024 5037
of the Revised Code, consistent with the terms of the agreement 5038
entered into under this section. 5039

During the term of an agreement under this section each 5040
taxpayer subject to the agreement shall submit to the tax 5041
commissioner a return that shows the amount of computer data 5042
center equipment purchased for use at the eligible computer data 5043
center, the amount of tangible personal property and taxable 5044
services other than computer data center equipment purchased for 5045
use at the eligible computer data center, the amount of tax under 5046
Chapter 5739. or 5741. of the Revised Code that would be due in 5047
the absence of the agreement under this section, the exemption 5048
percentage for computer data center equipment specified in the 5049
agreement, and the amount of tax due under Chapter 5739. or 5741. 5050
of the Revised Code as a result of the agreement under this 5051
section. Each such taxpayer shall pay the tax shown on the return 5052
to be due in the manner and at the times as may be further 5053
prescribed by the tax commissioner. Each such taxpayer shall 5054
include a copy of the director of development services' 5055
certificate of verification issued under division (E)(6) of this 5056
section. Failure to submit a copy of the certificate with the 5057
return does not invalidate the claim for exemption if the taxpayer 5058
submits a copy of the certificate to the tax commissioner within 5059
sixty days after the tax commissioner requests it. 5060

(J) If the director of development services determines that 5061
one or more taxpayers received an exemption from taxes due on the 5062
purchase of computer data center equipment purchased for use at a 5063
computer data center that no longer complies with the requirement 5064
under division (E)(3) of this section, the director shall notify 5065
the tax credit authority and, if applicable, the taxpayer that 5066
applied to enter the agreement for the exemption under division 5067
(C) ~~if~~ of this section of the noncompliance. After receiving such 5068

a notice, and after giving each taxpayer subject to the agreement 5069
an opportunity to explain the noncompliance, the authority may 5070
terminate the agreement and require each such taxpayer to pay to 5071
the state all or a portion of the taxes that would have been owed 5072
in regards to the exempt equipment in previous years, all as 5073
determined under rules adopted pursuant to division (K) of this 5074
section. In determining the portion of the taxes that would have 5075
been owed on the previously exempted equipment to be paid to this 5076
state by a taxpayer, the authority shall consider the effect of 5077
market conditions on the eligible computer data center, whether 5078
the taxpayer continues to maintain other operations in this state, 5079
and, with respect to agreements involving multiple taxpayers, the 5080
taxpayer's level of responsibility for the noncompliance. After 5081
making the determination, the authority shall certify to the tax 5082
commissioner the amount to be paid by each taxpayer subject to the 5083
agreement. The tax commissioner shall make an assessment for that 5084
amount against each such taxpayer under Chapter 5739. or 5741. of 5085
the Revised Code. The time limitations on assessments under those 5086
chapters do not apply to an assessment under this division, but 5087
the tax commissioner shall make the assessment within one year 5088
after the date the authority certifies to the tax commissioner the 5089
amount to be paid by the taxpayer. 5090

(K) The director of development services, after consultation 5091
with the tax commissioner and in accordance with Chapter 119. of 5092
the Revised Code, shall adopt rules necessary to implement this 5093
section. The rules may provide for recipients of tax exemptions 5094
under this section to be charged fees to cover administrative 5095
costs incurred in the administration of this section. The fees 5096
collected shall be credited to the business assistance fund 5097
created in section 122.174 of the Revised Code. At the time the 5098
director gives public notice under division (A) of section 119.03 5099
of the Revised Code of the adoption of the rules, the director 5100
shall submit copies of the proposed rules to the chairpersons of 5101

the standing committees on economic development in the senate and 5102
the house of representatives. 5103

(L) On or before the first day of August of each year, the 5104
director of development services shall submit a report to the 5105
governor, the president of the senate, and the speaker of the 5106
house of representatives on the tax exemption authorized under 5107
this section. The report shall include information on the number 5108
of agreements that were entered into under this section during the 5109
preceding calendar year, a description of the eligible computer 5110
data center that is the subject of each such agreement, and an 5111
update on the status of eligible computer data centers under 5112
agreements entered into before the preceding calendar year. 5113

(M) A taxpayer may be made a party to an existing agreement 5114
entered into under this section by the tax credit authority and 5115
another taxpayer or group of taxpayers. In such a case, the 5116
taxpayer shall be entitled to all benefits and bound by all 5117
obligations contained in the agreement and all requirements 5118
described in this section. When an agreement includes multiple 5119
taxpayers, each taxpayer shall be entitled to a direct payment 5120
permit as authorized in division (I) of this section. 5121

Sec. 122.177. (A) As used in this section: 5122

(1) "Business" means a sole proprietorship, a corporation for 5123
profit, or a pass-through entity as defined in section 5733.04 of 5124
the Revised Code. 5125

(2) "Career exploration internship" means a paid employment 5126
relationship between a student intern and a business in which the 5127
student intern acquires education, instruction, and experience 5128
relevant to the student intern's career aspirations. 5129

(3) "Student intern" means an individual who, at the time the 5130
business applies for a grant under division (B) of this section, 5131

meets both of the following criteria: 5132

(a) The individual is entitled to attend school in this 5133
state. 5134

(b) The individual is either between sixteen and eighteen 5135
years of age or is enrolled in grade eleven or twelve. 5136

(B) There is hereby created in the development services 5137
agency the career exploration internship program to award grants 5138
to businesses that employ a student intern in a career exploration 5139
internship. To qualify for a grant under the program, the career 5140
exploration internship shall be at least twenty weeks in duration 5141
and include at least two hundred hours of paid work and 5142
instruction in this state. To obtain a grant, the business shall 5143
apply to the development services agency before the starting date 5144
of the career exploration internship. The application shall 5145
include all of the following: 5146

(1) A brief description of the career exploration internship; 5147

(2) A signed statement by the student intern briefly 5148
describing the student intern's career aspirations and how the 5149
student intern believes this career exploration internship may 5150
help achieve those aspirations; 5151

(3) A signed statement by a principal or guidance counselor 5152
at the student intern's school or, in the case of a home schooled 5153
student, an individual responsible for administering instruction 5154

(C)(1) The development services agency shall review and make 5162
a determination with respect to each application submitted under 5163
division (B) of this section in the order in which the application 5164
is received. The agency shall not approve any application under 5165
this section that is received by the agency ~~more than three years~~ 5166
~~after the effective date of H.B. 107 of the 130th general assembly~~ 5167
later than June 25, 2017, or that was submitted by a business that 5168
does not have substantial operations in this state. The agency may 5169
not otherwise deny an application unless the application is 5170
incomplete, the proposed employment relationship does not qualify 5171
as a career exploration internship for which a grant may be 5172
awarded under this section, the business is ineligible to receive 5173
a grant under division (D)(1) of this section, or the agency 5174
determines that approving the application would cause the amount 5175
that could be awarded to exceed the amount of money in the career 5176
exploration internship fund. 5177

(2) The agency shall send written notice of its determination 5178
to the applicant within thirty days after receiving the 5179
application. If the agency determines that the application shall 5180
not be approved, the notice shall include the reasons for such 5181
determination. 5182

(3) The agency's determination is final and may not be 5183
appealed for any reason. A business may submit a new or amended 5184
application under division (B) of this section at any time before 5185
or after receiving notice under division (C)(2) of this section. 5186

(D)(1) In any calendar year, the development services agency 5187
shall not award grants under this section to any business that has 5188
received grants for three career exploration internships in that 5189
calendar year. The agency shall not award a grant to a business 5190
unless the agency receives a report from the business within 5191
thirty days after the end of the career exploration internship or 5192
thirteen months after the approval of the application, whichever 5193

comes first, that includes all of the following:	5194
(a) The date the student intern began the internship;	5195
(b) The date the internship ended or a statement that the student will continue to be employed by the business;	5196 5197
(c) The total number of hours during the internship that the student intern was employed by the business;	5198 5199

classification so that the positions are similar enough in duties 5916
and responsibilities to be described by the same title, to have 5917
the same pay assigned with equity, and to have the same 5918
qualifications for selection applied. The director shall, ~~by rule,~~ 5919
assign a classification title to each classification within the 5920
classification plan. However, the director shall consider in 5921
establishing classifications, including classifications with 5922
parenthetical titles, and assigning pay ranges such factors as 5923
duties performed only on one shift, special skills in short supply 5924
in the labor market, recruitment problems, separation rates, 5925
comparative salary rates, the amount of training required, and 5926
other conditions affecting employment. The director shall describe 5927
the duties and responsibilities of the class, establish the 5928
qualifications for being employed in each position in the class, 5929
and file with the secretary of state a copy of specifications for 5930
all of the classifications. The director shall file new, 5931
additional, or revised specifications with the secretary of state 5932
before they are used. 5933

The director shall, ~~by rule,~~ assign each classification, 5934
either on a statewide basis or in particular counties or state 5935
institutions, to a pay range established under section 124.15 or 5936
section 124.152 of the Revised Code. The director may assign a 5937
classification to a pay range on a temporary basis for a period of 5938
six months. The director may establish, ~~by rule adopted under~~ 5939
~~Chapter 119. of the Revised Code,~~ experimental classification 5940
plans for some or all employees paid directly by warrant of the 5941
director of budget and management. ~~The rule~~ Any such experimental 5942
classification plan shall include specifications for each 5943
classification within the plan and shall specifically address 5944
compensation ranges, and methods for advancing within the ranges, 5945

than the pay ranges established under section 124.15 or 124.152 of 5947
the Revised Code. 5948

(2) The director of administrative services may reassign to a 5949
proper classification those positions that have been assigned to 5950
an improper classification. If the compensation of an employee in 5951
such a reassigned position exceeds the maximum rate of pay for the 5952
employee's new classification, the employee shall be placed in pay 5953
step X and shall not receive an increase in compensation until the 5954
maximum rate of pay for that classification exceeds the employee's 5955
compensation. 5956

(3) The director may reassign an exempt employee, as defined 5957
in section 124.152 of the Revised Code, to a bargaining unit 5958
classification if the director determines that the bargaining unit 5959
classification is the proper classification for that employee. 5960
Notwithstanding Chapter 4117. of the Revised Code or instruments 5961
and contracts negotiated under it, these placements are at the 5962
director's discretion. 5963

(4) The director shall, ~~by rule,~~ assign related 5964
classifications, which form a career progression, to a 5965

classification series. The director shall, ~~by rule,~~ assign each 5966
classification in the classification plan a five-digit number, the 5967
first four digits of which shall denote the classification series 5968
to which the classification is assigned. When a career progression 5969
encompasses more than ten classifications, the director shall, ~~by~~ 5970
~~rule,~~ identify the additional classifications belonging to a 5971
classification series. The additional classifications shall be 5972
part of the classification series, notwithstanding the fact that 5973
the first four digits of the number assigned to the additional 5974
classifications do not correspond to the first four digits of the 5975
numbers assigned to other classifications in the classification 5976
series. 5977

the appointing authorities of the affected employees ~~thirty days~~ 5999
before a ~~hearing on~~ implementing the proposed rule modification. 6000

modification. The appointing authorities shall notify the affected 6002
employees regarding the proposed rule modification. ~~The director~~ 6003

~~rule that is adopted within ten days after adoption.~~ 6005

the service of the state so that the employee is adversely 6007
affected, the director shall give to the employee affected and to 6008
the employee's appointing authority a written notice setting forth 6009

appointing authority desiring a hearing shall file a written 6019
request for the hearing with the state personnel board of review 6020
within thirty days after receiving the notice. The board shall set 6021
the matter for a hearing and notify the employee and appointing 6022
authority of the time and place of the hearing. The employee, the 6023
appointing authority, or any authorized representative of the 6024
employee who wishes to submit facts for the consideration of the 6025
board shall be afforded reasonable opportunity to do so. After the 6026
hearing, the board shall consider anew the reclassification and 6027
may order the reclassification of the employee and require the 6028
director to assign the employee to such appropriate classification 6029

as the facts and evidence warrant. As provided in division (A)(1) 6030
of section 124.03 of the Revised Code, the board may determine the 6031
most appropriate classification for the position of any employee 6032
coming before the board, with or without a job audit. The board 6033
shall disallow any reclassification or reassignment classification 6034
of any employee when it finds that changes have been made in the 6035
duties and responsibilities of any particular employee for 6036
political, religious, or other unjust reasons. 6037

the supplement under a written policy providing for the 6048
supplement; 6049

(b) Notwithstanding any other section of the Revised Code, 6050

with the provisions of a collective bargaining agreement covering 6053
the affected employees. 6054

administrative services specified in this chapter. Officers and 6073
employees of a state university or college shall have the right of 6074
appeal to the state personnel board of review as provided in this 6075
chapter. 6076

(2) Each board of trustees shall adopt rules under section 6077

described in division (F)(1) of this section. Until the board of 6079
trustees adopts those rules, a state university or college shall 6080
continue to operate pursuant to the applicable rules adopted by 6081
the director of administrative services under this chapter. 6082

(G)(1) Each board of county commissioners may, by a 6083

division (G)(2) of this section, with respect to the employees for 6098
whom the board of county commissioners is the appointing authority 6099
or co-appointing authority. 6100

(b) Nothing in division (G)(2) of this section shall be 6101
construed to limit the right of any employee who possesses the 6102
right of appeal to the state personnel board of review to continue 6103
to possess that right of appeal. 6104

(c) Any board of county commissioners that has established a 6105
county personnel department may contract with the department of 6106
administrative services, in accordance with division (H) of this 6107
section, another political subdivision, or an appropriate public 6108
or private entity to provide competitive testing services or other 6109
appropriate services. 6110

(3) After the county personnel department of a county has 6111
been established as described in division (G)(2) of this section, 6112
any elected official, board, agency, or other appointing authority 6113
of that county, upon written notification to the county personnel 6114

(6) A county personnel department, in carrying out its 6130
duties, shall adhere to merit system principles with regard to 6131
employees of county departments of job and family services, child 6132
support enforcement agencies, and public child welfare agencies so 6133
that there is no threatened loss of federal funding for these 6134
agencies, and the county is financially liable to the state for 6135
any loss of federal funds due to the action or inaction of the 6136
county personnel department. 6137

(H) County agencies may contract with the department of 6138
administrative services for any human resources services, 6139
including, but not limited to, establishment and modification of 6140
job classification plans, competitive testing services, and 6141
periodic audits and reviews of the county's uniform application of 6142
the powers, duties, and functions specified in sections 124.01 to 6143
124.64 and Chapter 325. of the Revised Code with regard to 6144
employees in the service of the county. Nothing in this division 6145
modifies the powers and duties of the state personnel board of 6146
review with respect to employees in the service of the county. 6147
Nothing in this division limits the right of any employee who 6148
possesses the right of appeal to the state personnel board of 6149
review to continue to possess that right of appeal. 6150

(I) The director of administrative services shall establish 6151
the rate and method of compensation for all employees who are paid 6152
directly by warrant of the director of budget and management and 6153
who are serving in positions that the director of administrative 6154
services has determined impracticable to include in the state job 6155

classification plan. This division does not apply to elected 6156
officials, legislative employees, employees of the legislative 6157
service commission, employees who are in the unclassified civil 6158
service and exempt from collective bargaining coverage in the 6159
office of the secretary of state, auditor of state, treasurer of 6160
state, and attorney general, employees of the courts, employees of 6161
the bureau of workers' compensation whose compensation the 6162
administrator of workers' compensation establishes under division 6163
(B) of section 4121.121 of the Revised Code, or employees of an 6164
appointing authority authorized by law to fix the compensation of 6165
those employees. 6166

(J) The director of administrative services shall set the 6167
rate of compensation for all intermittent, seasonal, temporary, 6168
emergency, and casual employees in the service of the state who 6169
are not considered public employees under section 4117.01 of the 6170
Revised Code. Those employees are not entitled to receive employee 6171
benefits. This rate of compensation shall be equitable in terms of 6172
the rate of employees serving in the same or similar 6173
classifications. This division does not apply to elected 6174
officials, legislative employees, employees of the legislative 6175
service commission, employees who are in the unclassified civil 6176
service and exempt from collective bargaining coverage in the 6177
office of the secretary of state, auditor of state, treasurer of 6178
state, and attorney general, employees of the courts, employees of 6179
the bureau of workers' compensation whose compensation the 6180
administrator establishes under division (B) of section 4121.121 6181
of the Revised Code, or employees of an appointing authority 6182
authorized by law to fix the compensation of those employees. 6183

Sec. 124.15. (A) Board and commission members appointed prior 6184
to July 1, 1991, shall be paid a salary or wage in accordance with 6185
the following schedules of rates: 6186

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 6294
6295

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 6296
6297
6298

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. An appointing authority that appoints employees in the service of the state, with the approval of the director of administrative services and the director of budget and management, may establish payments to employees for uniforms, tools, equipment, and other requirements of the department and payments for the maintenance of them. 6299

The director of administrative services may review collective bargaining agreements entered into under Chapter 4117. of the Revised Code that cover employees in the service of the state and 6315
6316
6317

determine whether certain benefits or payments provided to the 6318
employees covered by those agreements should also be provided to 6319
employees in the service of the state who are exempt from 6320
collective bargaining coverage and are paid in accordance with 6321
section 124.152 of the Revised Code or are listed in division 6322
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 6323
the review, the director of administrative services, with the 6324
approval of the director of budget and management, may provide to 6325
some or all of these employees any payment or benefit, except for 6326
salary, contained in such a collective bargaining agreement even 6327
if it is similar to a payment or benefit already provided by law 6328
to some or all of these employees. Any payment or benefit so 6329
provided shall not exceed the highest level for that payment or 6330
benefit specified in such a collective bargaining agreement. The 6331
director of administrative services shall not provide, and the 6332
director of budget and management shall not approve, any payment 6333
or benefit to such an employee under this division unless the 6334
payment or benefit is provided pursuant to a collective bargaining 6335
agreement to a state employee who is in a position with similar 6336
duties as, is supervised by, or is employed by the same appointing 6337
authority as, the employee to whom the benefit or payment is to be 6338
provided. 6339

As used in this division, "payment or benefit already 6340
provided by law" includes, but is not limited to, bereavement, 6341
personal, vacation, administrative, and sick leave, disability 6342
benefits, holiday pay, and pay supplements provided under the 6343
Revised Code, but does not include wages or salary. 6344

(E) New employees paid in accordance with schedule B of 6345
division (A) of this section or schedule E-1 of section 124.152 of 6346
the Revised Code shall be employed at the minimum rate established 6347
for the range unless otherwise provided. Employees with 6348
qualifications that are beyond the minimum normally required for 6349

the position and that are determined by the director to be 6350
exceptional may be employed in, or may be transferred or promoted 6351
to, a position at an advanced step of the range. Further, in time 6352
of a serious labor market condition when it is relatively 6353
impossible to recruit employees at the minimum rate for a 6354
particular classification, the entrance rate may be set at an 6355
advanced step in the range by the director of administrative 6356
services. This rate may be limited to geographical regions of the 6357
state. Appointments made to an advanced step under the provision 6358
regarding exceptional qualifications shall not affect the step 6359
assignment of employees already serving. However, anytime the 6360
hiring rate of an entire classification is advanced to a higher 6361
step, all incumbents of that classification being paid at a step 6362
lower than that being used for hiring, shall be advanced beginning 6363
at the start of the first pay period thereafter to the new hiring 6364
rate, and any time accrued at the lower step will be used to 6365
calculate advancement to a succeeding step. If the hiring rate of 6366
a classification is increased for only a geographical region of 6367
the state, only incumbents who work in that geographical region 6368
shall be advanced to a higher step. When an employee in the 6369
unclassified service changes from one state position to another or 6370
is appointed to a position in the classified service, or if an 6371
employee in the classified service is appointed to a position in 6372
the unclassified service, the employee's salary or wage in the new 6373
position shall be determined in the same manner as if the employee 6374
were an employee in the classified service. When an employee in 6375
the unclassified service who is not eligible for step increases is 6376
appointed to a classification in the classified service under 6377
which step increases are provided, future step increases shall be 6378
based on the date on which the employee last received a pay 6379
increase. If the employee has not received an increase during the 6380
previous year, the date of the appointment to the classified 6381
service shall be used to determine the employee's annual step 6382

advancement eligibility date. In reassigning any employee to a 6383
classification resulting in a pay range increase or to a new pay 6384
range as a result of a promotion, an increase pay range 6385
adjustment, or other classification change resulting in a pay 6386
range increase, the director shall assign such employee to the 6387
step in the new pay range that will provide an increase of 6388
approximately four per cent if the new pay range can accommodate 6389
the increase. When an employee is being assigned to a 6390
classification or new pay range as the result of a class plan 6391
change, if the employee has completed a probationary period, the 6392
employee shall be placed in a step no lower than step two of the 6393
new pay range. If the employee has not completed a probationary 6394
period, the employee may be placed in step one of the new pay 6395
range. Such new salary or wage shall become effective on such date 6396
as the director determines. 6397

(F) If employment conditions and the urgency of the work 6398
require such action, the director of administrative services may, 6399
upon the application of a department head, authorize payment at 6400
any rate established within the range for the class of work, for 6401
work of a casual or intermittent nature or on a project basis. 6402
Payment at such rates shall not be made to the same individual for 6403
more than three calendar months in any one calendar year. Any such 6404
action shall be subject to the approval of the director of budget 6405
and management as to the availability of funds. This section and 6406
sections 124.14 and 124.152 of the Revised Code do not repeal any 6407
authority of any department or public official to contract with or 6408
fix the compensation of professional persons who may be employed 6409
temporarily for work of a casual nature or for work on a project 6410
basis. 6411

(G)(1) Except as provided in divisions (G)(2) and (3) of this 6412
section, each state employee paid in accordance with schedule B of 6413
this section or schedule E-1 of section 124.152 of the Revised 6414

Code shall be eligible for advancement to succeeding steps in the 6415
range for the employee's class or grade according to the schedule 6416
established in this division. Beginning on the first day of the 6417
pay period within which the employee completes the prescribed 6418
probationary period in the employee's classification with the 6419
state, each employee shall receive an automatic salary adjustment 6420
equivalent to the next higher step within the pay range for the 6421
employee's class or grade. 6422

Except as provided in divisions (G)(2) and (3) of this 6423
section, each employee paid in accordance with schedule E-1 of 6424
section 124.152 of the Revised Code shall be eligible to advance 6425
to the next higher step until the employee reaches the top step in 6426
the range for the employee's class or grade, if the employee has 6427
maintained satisfactory performance in accordance with criteria 6428
established by the employee's appointing authority. Those step 6429
advancements shall not occur more frequently than once in any 6430
twelve-month period. 6431

When an employee is promoted, the step entry date shall be 6432
set to account for a probationary period. When an employee is 6433
reassigned to a higher pay range, the step entry date shall be set 6434
to allow an employee who is not at the highest step of the range 6435
to receive a step advancement one year from the reassignment date. 6436
Step advancement shall not be affected by demotion. A promoted 6437
employee shall advance to the next higher step of the pay range on 6438
the first day of the pay period in which the required probationary 6439
period is completed. Step advancement shall become effective at 6440
the beginning of the pay period within which the employee attains 6441
the necessary length of service. Time spent on authorized leave of 6442
absence shall be counted for this purpose. 6443

If determined to be in the best interest of the state 6444
service, the director of administrative services may, either 6445
statewide or in selected agencies, adjust the dates on which 6446

annual step advancements are received by employees paid in 6447
accordance with schedule E-1 of section 124.152 of the Revised 6448
Code. 6449

(2)(a) There shall be a moratorium on annual step 6450
advancements under division (G)(1) of this section beginning June 6451
21, 2009, through June 20, 2011. Step advancements shall resume 6452
with the pay period beginning June 21, 2011. Upon the resumption 6453
of step advancements, there shall be no retroactive step 6454
advancements for the period the moratorium was in effect. The 6455
moratorium shall not affect an employee's performance evaluation 6456
schedule. 6457

An employee who begins a probationary period before June 21, 6458
2009, shall advance to the next step in the employee's pay range 6459
at the end of probation, and then become subject to the 6460
moratorium. An employee who is hired, promoted, or reassigned to a 6461
higher pay range between June 21, 2009, through June 20, 2011, 6462
shall not advance to the next step in the employee's pay range 6463
until the next anniversary of the employee's date of hire, 6464
promotion, or reassignment that occurs on or after June 21, 2011. 6465

(b) The moratorium under division (G)(2)(a) of this section 6466
shall apply to the employees of the secretary of state, the 6467
auditor of state, the treasurer of state, and the attorney 6468
general, who are subject to this section unless the secretary of 6469
state, the auditor of state, the treasurer of state, or the 6470
attorney general decides to exempt the office's employees from the 6471
moratorium and so notifies the director of administrative services 6472
in writing on or before July 1, 2009. 6473

(3) Employees in intermittent positions shall be employed at 6474
the minimum rate established for the pay range for their 6475
classification and are not eligible for step advancements. 6476

(H) Employees in appointive managerial or professional 6477

positions paid in accordance with schedule C of this section or 6478
schedule E-2 of section 124.152 of the Revised Code may be 6479
appointed at any rate within the appropriate pay range. This rate 6480
of pay may be adjusted higher or lower within the respective pay 6481
range at any time the appointing authority so desires as long as 6482
the adjustment is based on the employee's ability to successfully 6483
administer those duties assigned to the employee. Salary 6484
adjustments shall not be made more frequently than once in any 6485
six-month period under this provision to incumbents holding the 6486
same position and classification. 6487

(I) When an employee is assigned to duty outside this state, 6488
the employee may be compensated, upon request of the department 6489
head and with the approval of the director of administrative 6490
services, at a rate not to exceed fifty per cent in excess of the 6491
employee's current base rate for the period of time spent on that 6492
duty. 6493

(J) Unless compensation for members of a board or commission 6494
is otherwise specifically provided by law, the director of 6495
administrative services shall establish the rate and method of 6496

(D) The provisions of this section shall not preclude any minority business enterprise from competing for any other state purchases that are not specifically set aside for minority business enterprises.

(E) No funds of any state agency shall be expended in any fiscal year for any purchase for which competitive selection is required, until the director of the department of administrative services certifies to the equal employment opportunity coordinator, the clerk of the senate, and the clerk of the house of representatives of the general assembly that approximately fifteen per cent of the aggregate amount of the projected expenditure for such purchases in the fiscal year has been set aside as provided for in this section.

payments from tourism development district revenue of debt charges 9191
on the tourism development district revenue supported bonds, or, 9192
in the case of anticipation notes, projected debt charges on the 9193
tourism development district revenue supported bonds anticipated, 9194
in any calendar year in an amount exceeding tourism development 9195
district revenue in anticipation of which the bonds or 9196
anticipation notes are issued as estimated by the fiscal officer 9197
based on tourism development district revenue averaged for the two 9198
calendar years prior to the year in which the tourism development 9199
district revenue supported bonds are issued, and annualized for 9200
any increase in any tax levied pursuant to section 5739.024, 9201
5739.52, or 5741.024 of the Revised Code during such period or 9202
levied after such period. A taxing authority may at any time issue 9203
renewal anticipation notes, issue tourism development district 9204
revenue supported bonds to pay renewal anticipation notes, and, if 9205
it considers refunding expedient, issue refunding tourism 9206
development district revenue supported bonds whether the refunded 9207
obligations have or have not matured. The refunding tourism 9208
development district revenue supported bonds shall be sold and the 9209
proceeds needed for such purpose applied in the manner provided in 9210
the authorizing proceedings of the taxing authority. 9211

The maximum maturity of tourism development district revenue 9212
supported bonds shall be calculated by the fiscal officer in 9213
accordance with section 133.20 of the Revised Code, and that 9214
calculation shall be filed with the taxing authority of the county 9215
before adoption of the ordinance or resolution authorizing the 9216
issuance. If the tourism development district revenue pledged to 9217
the payment of the tourism development district revenue supported 9218
bonds has a stated expiration date, the final principal maturity 9219
date of the tourism development district revenue supported bonds 9220
shall not extend beyond the final year of collection of the 9221
tourism development district revenue pledged to the payment of the 9222
tourism development district revenue supported bonds. 9223

(C) Every issue of tourism development district revenue supported bonds outstanding in accordance with their terms shall be payable out of the tourism development district revenue received by the municipal corporation or township or proceeds of tourism development district revenue supported bonds, renewal anticipation notes, or refunding tourism development district revenue supported bonds that may be pledged for such payment in the authorizing proceedings. The pledge shall be valid and binding from the time the pledge is made, and the tourism development district revenue so pledged and thereafter received by the county shall immediately be subject to the lien of that pledge without any physical delivery of the tourism development district revenue or proceeds or further act. The lien of any pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the county, whether or not such parties have notice of the lien. Neither the resolution nor any trust agreement by which a pledge is created or further evidenced need be filed or recorded except in the records of the taxing authority.

(D) Tourism development district revenue supported bonds issued under this section do not constitute a general obligation debt, or a pledge of the full faith and credit, of the state, or any political subdivision of the state, and the holders or owners of the bonds have no right to have taxes levied by the general assembly or property taxes levied by the taxing authority of any political subdivision of the state for the payment of debt charges. Unless paid from other sources, tourism development district revenue supported bonds are payable from the tourism development district revenue pledged for their payment as authorized by this section. All tourism development district revenue supported bonds shall contain on their face a statement to the effect that the tourism development district revenue supported bonds, as to debt charges, are not debts or obligations of the

state and are not general obligation debts of any political 9257
subdivision of the state, but, unless paid from other sources, are 9258
payable from the tourism development district revenue pledged for 9259
their payment. The utilization and pledge of the tourism 9260
development district revenue and proceeds of tourism development 9261
district revenue supported bonds, renewal anticipation notes, or 9262
refunding tourism development district revenue supported bonds for 9263
the payment of debt charges is determined by the general assembly 9264
to create a special obligation. 9265

(E) The tourism development district revenue supported bonds 9266
shall bear such date or dates, shall be executed in the manner, 9267

development district revenue supported bonds or of any refunding 9271
tourism development district revenue supported bonds, not 9272
exceeding the maximum maturity certified to the taxing authority 9273
pursuant to division (B) of this section, all as the authorizing 9274
proceedings may provide. The tourism development district revenue 9275
supported bonds shall bear interest at such rates, or at variable 9276

provisions in the authorizing proceedings, be in such 9278

registration privileges, be payable in such medium of payment and 9280
at such place or places, and be subject to such terms of 9281
redemption, as the taxing authority may authorize or provide. The 9282
tourism development district revenue supported bonds may be sold 9283
at public or private sale, and at, or at not less than, the price 9284
or prices as the taxing authority determines. If any officer whose 9285
signature or a facsimile of whose signature appears on any tourism 9286
development district revenue supported bonds or coupons ceases to 9287
be such officer before delivery of the tourism development 9288
district revenue supported bonds or anticipation notes, the 9289

signature or facsimile shall nevertheless be sufficient for all 9290
purposes as if that officer had remained in office until delivery 9291
of the tourism development district revenue supported bonds. 9292
Whether or not the tourism development district revenue supported 9293
bonds are of such form and character as to be negotiable 9294
instruments under Title XIII of the Revised Code, the tourism 9295
development district revenue supported bonds shall have all the 9296
qualities and incidents of negotiable instruments, subject only to 9297
any provisions for registration. Neither the members of the board 9298
of the taxing authority nor any person executing the tourism 9299
development district revenue supported bonds shall be liable 9300
personally on the tourism development district revenue supported 9301
bonds or be subject to any personal liability or accountability by 9302
reason of their issuance. 9303

(F) Notwithstanding any other provision of this section, 9304
sections 9.98 to 9.983, 133.02, 133.70, and 5709.76, and division 9305
(A) of section 133.03 of the Revised Code apply to the tourism 9306
development district revenue supported bonds. Tourism development 9307
district revenue supported bonds issued under this section need 9308
not comply with any other law applicable to notes or bonds but the 9309
authorizing proceedings may provide that divisions (B) to (E) of 9310
section 133.25 of the Revised Code apply to the tourism 9311
development district revenue supported bonds or anticipation 9312
notes. 9313

(G) Any authorized proceedings may contain provisions, 9314
subject to any agreements with holders as may then exist, which 9315
shall be a part of the contract with the holders, as to the 9316
pledging of any or all of the municipal corporation's or 9317
township's anticipated tourism development district revenue to 9318
secure the payment of the tourism development district revenue 9319
supported bonds; the use and disposition of the tourism 9320
development district revenue of the county; the crediting of the 9321

proceeds of the sale of tourism development district revenue 9322
supported bonds to and among the funds referred to or provided for 9323
in the authorizing proceedings; limitations on the purpose to 9324
which the proceeds of the tourism development district revenue 9325
supported bonds may be applied and the pledging of portions of 9326
such proceeds to secure the payment of the tourism development 9327
district revenue supported bonds or of anticipation notes; the 9328
agreement of the municipal corporation or township to do all 9329
things necessary for the authorization, issuance, and sale of 9330
those notes anticipated in such amounts as may be necessary for 9331
the timely payment of debt charges on any anticipation notes; 9332
limitations on the issuance of additional tourism development 9333
district revenue supported bonds; the terms upon which additional 9334
tourism development district revenue supported bonds may be issued 9335
and secured; the refunding of refunded obligations; the procedure 9336
by which the terms of any contract with holders may be amended, 9337
and the manner in which any required consent to amend may be 9338
given; securing any tourism development district revenue supported 9339
bonds by a trust agreement or other agreement; and any other 9340
matters, of like or different character, that in any way affect 9341
the security or protection of the tourism development district 9342
revenue supported bonds or anticipation notes. 9343

(H) The taxing authority of a municipal corporation or 9344
township may not repeal, rescind, or reduce any portion of a tax 9345
pledged to the payment of debt charges on tourism development 9346
district revenue supported bonds issued by the county while such 9347
bonds remain outstanding, and no portion of tourism development 9348
district revenue pledged to the payment of debt charges on such 9349
bonds shall be subject to repeal or reduction by the electorate of 9350
the taxing authority while the bonds are outstanding. 9351

Sec. 133.34. (A) Upon the determination of the taxing 9352
authority that such funding or refunding will be in the 9353

subdivision's best interest, the subdivision may: 9354

(1) Issue general obligation securities to fund or refund any 9355
outstanding revenue or mortgage revenue, sales tax supported, or 9356

at such times and in such installments as determined by the taxing 9378

these refunding securities, but the last maturity of these 9380
refunding securities shall not be later than the year of last 9381
maturity permitted by law for the general obligation bonds 9382

obligation securities shall be considered to have the same status 9384
with respect to the provisions of the applicable tax limitation as 9385

the levies for debt charges on, and the refunding general 9386
obligation securities shall be considered to have the same status 9387
with respect to net indebtedness limitations as, the general 9388
obligation bonds that are refunded. 9389

(4) Issue sales tax supported securities to fund or refund 9390
any outstanding revenue or mortgage revenue or general obligation 9391

Revised Code, but their last maturity shall be consistent with 9398
division (B) of section 133.081 of the Revised Code. 9399

(5) Apply moneys from other sources to fund any outstanding 9400

bonds to fund or refund any outstanding revenue or mortgage 9406

pursuant to division (A)(6) of this section shall be payable as to 9411
principal at such times and in such installments as determined by 9412
the taxing authority consistent with division (E) of section 9413
133.083 of the Revised Code, but their last maturity shall be 9414
consistent with division (B) of section 133.083 of the Revised 9415
Code. 9416

(B) Securities issued pursuant to this section shall be 9417

considered to be issued for the same purpose or purposes as the 9418
securities that they are issued to fund or refund, and their 9419
proceeds shall be used as determined by the taxing authority 9420
consistent with their purpose. That use may include the payment of 9421
the outstanding principal amount of, any redemption premium on, 9422
and any interest to redemption or maturity on, the securities 9423
being funded or refunded, and any expenses relating to the funding 9424
or refunding or the issuance of the refunding bonds, including 9425
financing costs, all as determined by the taxing authority. 9426
Proceeds of securities issued pursuant to this section may also be 9427
used to provide additional money for the purpose or purposes for 9428
which the securities being funded or refunded, or which they 9429
funded or refunded, were issued, but section 133.21 of the Revised 9430
Code is applicable to any such portion of general obligation 9431
securities. 9432

(C) Securities may be issued and other moneys may be applied 9433
pursuant to this section to fund or refund all or any portion of 9434

be funded or refunded were issued subject to call or redemption 9436
prior to maturity or are the original securities or are themselves 9437
refunding securities. 9438

(D) Moneys derived from the proceeds of securities issued 9439

bonds, or moneys from other sources, and required for the purpose 9441
shall, under an escrow agreement or otherwise, to the extent 9442

purpose of funding or refunding the refunded general obligation 9451
bonds and shall be used, together with any other available funds 9452
as provided in this section, for that purpose. Pending that use, 9453
the moneys in escrow shall be invested in direct obligations of or 9454
obligations guaranteed as to payment by the United States that 9455
mature or are subject to redemption by and at the option of the 9456
holder not later than the date or dates when the moneys, together 9457
with interest or other investment income accrued on those moneys, 9458
will be required for that use. Any moneys in the escrow fund 9459
derived from the issuance of revenue or mortgage revenue or sales 9460
tax supported securities that will not be needed to pay debt 9461
charges on the funded or refunded general obligation bonds may be 9462
used for and pledged to the payment of debt charges on the 9463
refunding securities and on any securities issued on a parity with 9464
the refunding securities. Any moneys in the escrow fund derived 9465
from the proceeds of refunding general obligation securities and 9466
that will not be needed to pay debt charges on the refunded 9467
general obligation bonds shall be transferred to the bond 9468
retirement fund. When the subdivision has placed in escrow moneys, 9469
derived from proceeds of refunding obligations or otherwise, or 9470
those direct or guaranteed obligations of the United States, or a 9471
combination of both, determined by an independent public 9472
accounting firm to be sufficient, with the interest or other 9473

charges for the payment of debt charges on the funded or refunded 9481
general obligation bonds under this chapter, Chapter 5705., or 9482

other provisions of the Revised Code, shall not be required. For 9483
purposes of this division, "direct obligations of or obligations 9484

obligations and the interest or other investment income on those 9490

(E) The authority granted by this section is in addition to 9492
and not a limitation on any other authorizations granted by or 9493
pursuant to law or the Ohio Constitution for the same or similar 9494
purposes, and does not limit or restrict the authority of 9495
municipal corporations to issue, under authority of Article XVIII, 9496

may ask a requester to make the request in writing, may ask for 9994
the requester's identity, and may inquire about the intended use 9995

the requester may decline to reveal the requester's identity or 9998
the intended use and when a written request or disclosure of the 9999
identity or intended use would benefit the requester by enhancing 10000

records to identify, locate, or deliver the public records sought 10002
by the requester. 10003

mail or by any other means of delivery or transmission within a 10028
reasonable period of time after receiving the request for the 10029
copy. The public office or person responsible for the public 10030
record may require the person making the request to pay in advance 10031
the cost of postage if the copy is transmitted by United States 10032
mail or the cost of delivery if the copy is transmitted other than 10033

records, or the information contained in them, for commercial 10048
purposes. For purposes of this division, "commercial" shall be 10049
narrowly construed and does not include reporting or gathering 10050
news, reporting or gathering information to assist citizen 10051
oversight or understanding of the operation or activities of 10052
government, or nonprofit educational research. 10053

obtain a copy of any public record concerning a criminal 10057
investigation or prosecution or concerning what would be a 10058
criminal investigation or prosecution if the subject of the 10059
investigation or prosecution were an adult, unless the request to 10060
inspect or to obtain a copy of the record is for the purpose of 10061
acquiring information that is subject to release as a public 10062
record under this section and the judge who imposed the sentence 10063
or made the adjudication with respect to the person, or the 10064
judge's successor in office, finds that the information sought in 10065
the public record is necessary to support what appears to be a 10066

(c) As used in division (B)(9) of this section, "journalist" 10105
means a person engaged in, connected with, or employed by any news 10106
medium, including a newspaper, magazine, press association, news 10107

agency, or wire service, a radio or television station, or a 10108
similar medium, for the purpose of gathering, processing, 10109
transmitting, compiling, editing, or disseminating information for 10110
the general public. 10111

(C)(1) If a person allegedly is aggrieved by the failure of a 10112
public office or the person responsible for public records to 10113
promptly prepare a public record and to make it available to the 10114
person for inspection in accordance with division (B) of this 10115
section or by any other failure of a public office or the person 10116
responsible for public records to comply with an obligation in 10117
accordance with division (B) of this section, the person allegedly 10118
aggrieved may commence a mandamus action to obtain a judgment that 10119
orders the public office or the person responsible for the public 10120
record to comply with division (B) of this section, that awards 10121
court costs and reasonable attorney's fees to the person that 10122
instituted the mandamus action, and, if applicable, that includes 10123
an order fixing statutory damages under division (C)(1) of this 10124
section. The mandamus action may be commenced in the court of 10125
common pleas of the county in which division (B) of this section 10126
allegedly was not complied with, in the supreme court pursuant to 10127
its original jurisdiction under Section 2 of Article IV, Ohio 10128
Constitution, or in the court of appeals for the appellate 10129
district in which division (B) of this section allegedly was not 10130
complied with pursuant to its original jurisdiction under Section 10131
3 of Article IV, Ohio Constitution. 10132

If a requestor transmits a written request by hand delivery 10133
or certified mail to inspect or receive copies of any public 10134
record in a manner that fairly describes the public record or 10135
class of public records to the public office or person responsible 10136
for the requested public records, except as otherwise provided in 10137
this section, the requestor shall be entitled to recover the 10138
amount of statutory damages set forth in this division if a court 10139

determines that the public office or the person responsible for 10140
public records failed to comply with an obligation in accordance 10141
with division (B) of this section. 10142

The amount of statutory damages shall be fixed at one hundred 10143
dollars for each business day during which the public office or 10144
person responsible for the requested public records failed to 10145
comply with an obligation in accordance with division (B) of this 10146
section, beginning with the day on which the requester files a 10147
mandamus action to recover statutory damages, up to a maximum of 10148
one thousand dollars. The award of statutory damages shall not be 10149
construed as a penalty, but as compensation for injury arising 10150
from lost use of the requested information. The existence of this 10151
injury shall be conclusively presumed. The award of statutory 10152
damages shall be in addition to all other remedies authorized by 10153
this section. 10154

The court may reduce an award of statutory damages or not 10155
award statutory damages if the court determines both of the 10156
following: 10157

(a) That, based on the ordinary application of statutory law 10158
and case law as it existed at the time of the conduct or 10159
threatened conduct of the public office or person responsible for 10160
the requested public records that allegedly constitutes a failure 10161
to comply with an obligation in accordance with division (B) of 10162
this section and that was the basis of the mandamus action, a 10163
well-informed public office or person responsible for the 10164
requested public records reasonably would believe that the conduct 10165
or threatened conduct of the public office or person responsible 10166
for the requested public records did not constitute a failure to 10167
comply with an obligation in accordance with division (B) of this 10168
section; 10169

(b) That a well-informed public office or person responsible 10170
for the requested public records reasonably would believe that the 10171

conduct or threatened conduct of the public office or person 10172
responsible for the requested public records would serve the 10173
public policy that underlies the authority that is asserted as 10174
permitting that conduct or threatened conduct. 10175

(2)(a) If the court issues a writ of mandamus that orders the 10176
public office or the person responsible for the public record to 10177
comply with division (B) of this section and determines that the 10178
circumstances described in division (C)(1) of this section exist, 10179
the court shall determine and award to the relator all court 10180
costs. 10181

(b) If the court renders a judgment that orders the public 10182
office or the person responsible for the public record to comply 10183
with division (B) of this section, the court may award reasonable 10184
attorney's fees subject to reduction as described in division 10185
(C)(2)(c) of this section. The court shall award reasonable 10186
attorney's fees, subject to reduction as described in division 10187
(C)(2)(c) of this section when either of the following applies: 10188

(i) The public office or the person responsible for the 10189
public records failed to respond affirmatively or negatively to 10190
the public records request in accordance with the time allowed 10191
under division (B) of this section. 10192

(ii) The public office or the person responsible for the 10193
public records promised to permit the relator to inspect or 10194
receive copies of the public records requested within a specified 10195
period of time but failed to fulfill that promise within that 10196
specified period of time. 10197

(c) Court costs and reasonable attorney's fees awarded under 10198
this section shall be construed as remedial and not punitive. 10199
Reasonable attorney's fees shall include reasonable fees incurred 10200
to produce proof of the reasonableness and amount of the fees and 10201
to otherwise litigate entitlement to the fees. The court may 10202

reduce an award of attorney's fees to the relator or not award 10203
attorney's fees to the relator if the court determines both of the 10204
following: 10205

(i) That, based on the ordinary application of statutory law 10206
and case law as it existed at the time of the conduct or 10207
threatened conduct of the public office or person responsible for 10208
the requested public records that allegedly constitutes a failure 10209
to comply with an obligation in accordance with division (B) of 10210
this section and that was the basis of the mandamus action, a 10211
well-informed public office or person responsible for the 10212
requested public records reasonably would believe that the conduct 10213
or threatened conduct of the public office or person responsible 10214
for the requested public records did not constitute a failure to 10215
comply with an obligation in accordance with division (B) of this 10216
section; 10217

(ii) That a well-informed public office or person responsible 10218
for the requested public records reasonably would believe that the 10219
conduct or threatened conduct of the public office or person 10220
responsible for the requested public records as described in 10221
division (C)(2)(c)(i) of this section would serve the public 10222
policy that underlies the authority that is asserted as permitting 10223
that conduct or threatened conduct. 10224

(D) Chapter 1347. of the Revised Code does not limit the 10225
provisions of this section. 10226

(E)(1) To ensure that all employees of public offices are 10227
appropriately educated about a public office's obligations under 10228
division (B) of this section, all elected officials or their 10229
appropriate designees shall attend training approved by the 10230
attorney general as provided in section 109.43 of the Revised 10231
Code. In addition, all public offices shall adopt a public records 10232
policy in compliance with this section for responding to public 10233
records requests. In adopting a public records policy under this 10234

division, a public office may obtain guidance from the model 10235
public records policy developed and provided to the public office 10236
by the attorney general under section 109.43 of the Revised Code. 10237
Except as otherwise provided in this section, the policy may not 10238
limit the number of public records that the public office will 10239
make available to a single person, may not limit the number of 10240
public records that it will make available during a fixed period 10241
of time, and may not establish a fixed period of time before it 10242
will respond to a request for inspection or copying of public 10243
records, unless that period is less than eight hours. 10244

(2) The public office shall distribute the public records 10245
policy adopted by the public office under division (E)(1) of this 10246
section to the employee of the public office who is the records 10247

office has branch offices. The public office may post its public 10254

to Chapter 119. of the Revised Code to reasonably limit the number 10262
of bulk commercial special extraction requests made by a person 10263
for the same records or for updated records during a calendar 10264
year. The rules may include provisions for charges to be made for 10265
bulk commercial special extraction requests for the actual cost of 10266

fee shall not be imposed unless authorized or otherwise permitted 12312
by the rules prescribed by an agreement governing the use and 12313
acceptance of the financial transaction device. 12314

If a surcharge or convenience fee is imposed, every township 12315
office accepting payment by a financial transaction device shall 12316
clearly post a notice in that office, and shall notify each person 12317
making a payment by such a device, about the surcharge or fee. 12318

Notice to each person making a payment shall be provided 12319
regardless of the medium used to make the payment and in a manner 12320
appropriate to that medium. Each notice shall include all of the 12321
following: 12322

(1) A statement that there is a surcharge or convenience fee 12323
for using a financial transaction device; 12324

(2) The total amount of the charge or fee expressed in 12325
dollars and cents for each transaction, or the rate of the charge 12326
or fee expressed as a percentage of the total amount of the 12327
transaction, whichever is applicable; 12328

(3) A clear statement that the surcharge or convenience fee 12329
is nonrefundable. 12330

(F) If a person elects to make a payment to the county by a 12331
financial transaction device and a surcharge or convenience fee is 12332
imposed, the payment of the surcharge or fee shall be considered 12333
voluntary and the surcharge or fee is not refundable. 12334

(G) If a person makes payment by financial transaction device 12335
and the payment is returned or dishonored for any reason, the 12336
person is liable to the township for payment of a penalty over and 12337
above the amount of the expense due. The board of township 12338
trustees shall determine the amount of the penalty, which may be 12339
either a fee not to exceed twenty dollars or payment of the amount 12340
necessary to reimburse the township for banking charges, legal 12341
fees, or other expenses incurred by the township in collecting the 12342
returned or dishonored payment. The remedies and procedures 12343
provided in this section are in addition to any other available 12344
civil or criminal remedies provided by law. 12345

(H) No person making any payment by financial transaction 12346
device to a township office shall be relieved from liability for 12347
the underlying obligation except to the extent that the township 12348
realizes final payment of the underlying obligation in cash or its 12349

equivalent. If final payment is not made by the financial 12350
transaction device issuer or other guarantor of payment in the 12351
transaction, the underlying obligation shall survive and the 12352
township shall retain all remedies for enforcement that would have 12353
applied if the transaction had not occurred. 12354

(I) A township official or employee who accepts a financial 12355
transaction device payment in accordance with this section and any 12356
applicable state or local policies or rules is immune from 12357
personal liability for the final collection of such payments. 12358

Sec. 505.101. The board of township trustees of any township 12359
may, by resolution, enter into a contract, without advertising or 12360
bidding, for the purchase or sale of motor vehicles, materials, 12361
equipment, or supplies from or to any department, agency, or 12362
political subdivision of the state, for the purchase of services 12363
with a soil and water conservation district established under 12364
Chapter 1515. of the Revised Code, for the purchase of supplies, 12365
services, materials, and equipment with a regional planning 12366
commission pursuant to division (D) of section 713.23 of the 12367
Revised Code, or for the purchase of services from an educational 12368
service center under section 3313.846 of the Revised Code. The 12369
resolution shall: 12370

(A) Set forth the maximum amount to be paid as the purchase 12371
price for the motor vehicles, materials, equipment, supplies, or 12372
services; 12373

(B) Describe the type of motor vehicles, materials, 12374
equipment, supplies, or services that are to be purchased; 12375

(C) Appropriate sufficient funds to pay the purchase price 12376
for the motor vehicles, materials, equipment, supplies, or 12377
services, except that no such appropriation is necessary if funds 12378
have been previously appropriated for the purpose and remain 12379
unencumbered at the time the resolution is adopted. 12380

Sec. 505.1010. A board of township trustees may purchase real 12381
or personal property at public auction by adopting a resolution to 12382
designate an individual, officer, or employee to represent the 12383
board and tender bids at the auction. Any purchase made at a 12384
public auction shall be subject to a maximum purchase price 12385
established by resolution of the board or an appraisal obtained 12386
before the auction and approved by the board of township trustees. 12387
A purchase made under this section shall comply with division (D) 12388
of section 5705.41 of the Revised Code. 12389

Sec. 718.01. Any term used in this chapter that is not 12390
otherwise defined in this chapter has the same meaning as when 12391
used in a comparable context in laws of the United States relating 12392
to federal income taxation or in Title LVII of the Revised Code, 12393
unless a different meaning is clearly required. If a term used in 12394
this chapter that is not otherwise defined in this chapter is used 12395
in a comparable context in both the laws of the United States 12396
relating to federal income tax and in Title LVII of the Revised 12397
Code and the use is not consistent, then the use of the term in 12398
the laws of the United States relating to federal income tax shall 12399
control over the use of the term in Title LVII of the Revised 12400
Code. 12401

As used in this chapter: 12402

(A)(1) "Municipal taxable income" means the following: 12403

(a) For a person other than an individual, income reduced by 12404
exempt income to the extent otherwise included in income and then, 12405
as applicable, apportioned or situated to the municipal corporation 12406
under section 718.02 of the Revised Code, and further reduced by 12407
any pre-2017 net operating loss carryforward available to the 12408
person for the municipal corporation. 12409

(b)(i) For an individual who is a resident of a municipal 12410

corporation other than a qualified municipal corporation, income 12411
reduced by exempt income to the extent otherwise included in 12412
income, then reduced as provided in division (A)(2) of this 12413
section, and further reduced by any pre-2017 net operating loss 12414
carryforward available to the individual for the municipal 12415
corporation. 12416

(ii) For an individual who is a resident of a qualified 12417
municipal corporation, Ohio adjusted gross income reduced by 12418
income exempted, and increased by deductions excluded, by the 12419
qualified municipal corporation from the qualified municipal 12420
corporation's tax ~~on or before December 31, 2013~~. If a qualified 12421
municipal corporation, on or before December 31, 2013, exempts 12422
income earned by individuals who are not residents of the 12423
qualified municipal corporation and net profit of persons that are 12424
not wholly located within the qualified municipal corporation, 12425
such individual or person shall have no municipal taxable income 12426
for the purposes of the tax levied by the qualified municipal 12427
corporation and may be exempted by the qualified municipal 12428
corporation from the requirements of section 718.03 of the Revised 12429
Code. 12430

(c) For an individual who is a nonresident of a municipal 12431
corporation, income reduced by exempt income to the extent 12432

the Revised Code, then reduced as provided in division (A)(2) of 12435
this section, and further reduced by any pre-2017 net operating 12436
loss carryforward available to the individual for the municipal 12437
corporation. 12438

(2) In computing the municipal taxable income of a taxpayer 12439
who is an individual, the taxpayer may subtract, as provided in 12440
division (A)(1)(b)(i) or (c) of this section, the amount of the 12441
individual's employee business expenses reported on the 12442

individual's form 2106 that the individual deducted for federal 12443
income tax purposes for the taxable year, subject to the 12444
limitation imposed by section 67 of the Internal Revenue Code. For 12445
the municipal corporation in which the taxpayer is a resident, the 12446
taxpayer may deduct all such expenses allowed for federal income 12447
tax purposes. For a municipal corporation in which the taxpayer is 12448
not a resident, the taxpayer may deduct such expenses only to the 12449
extent the expenses are related to the taxpayer's performance of 12450
personal services in that nonresident municipal corporation. 12451

(B) "Income" means the following: 12452

(1)(a) For residents, all income, salaries, qualifying wages, 12453
commissions, and other compensation from whatever source earned or 12454
received by the resident, including the resident's distributive 12455
share of the net profit of pass-through entities owned directly or 12456
indirectly by the resident and any net profit of the resident. 12457

(b) For the purposes of division (B)(1)(a) of this section: 12458

(i) Any net operating loss of the resident incurred in the 12459
taxable year and the resident's distributive share of any net 12460
operating loss generated in the same taxable year and attributable 12461
to the resident's ownership interest in a pass-through entity 12462
shall be allowed as a deduction, for that taxable year and the 12463
following five taxable years, against any other net profit of the 12464
resident or the resident's distributive share of any net profit 12465
attributable to the resident's ownership interest in a 12466
pass-through entity until fully utilized, subject to division 12467
(B)(1)(d) of this section; 12468

(ii) The resident's distributive share of the net profit of 12469
each pass-through entity owned directly or indirectly by the 12470
resident shall be calculated without regard to any net operating 12471
loss that is carried forward by that entity from a prior taxable 12472
year and applied to reduce the entity's net profit for the current 12473

taxable year. 12474

(c) Division (B)(1)(b) of this section does not apply with 12475
respect to any net profit or net operating loss attributable to an 12476
ownership interest in an S corporation unless shareholders' 12477
distributive shares of net profits from S corporations are subject 12478
to tax in the municipal corporation as provided in division 12479
(C)(14)(b) or (c) of this section. 12480

(d) Any amount of a net operating loss used to reduce a 12481
taxpayer's net profit for a taxable year shall reduce the amount 12482
of net operating loss that may be carried forward to any 12483
subsequent year for use by that taxpayer. In no event shall the 12484
cumulative deductions for all taxable years with respect to a 12485
taxpayer's net operating loss exceed the original amount of that 12486
net operating loss available to that taxpayer. 12487

(2) In the case of nonresidents, all income, salaries, 12488
qualifying wages, commissions, and other compensation from 12489
whatever source earned or received by the nonresident for work 12490
done, services performed or rendered, or activities conducted in 12491
the municipal corporation, including any net profit of the 12492
nonresident, but excluding the nonresident's distributive share of 12493
the net profit or loss of only pass-through entities owned 12494
directly or indirectly by the nonresident. 12495

(3) For taxpayers that are not individuals, net profit of the 12496
taxpayer; 12497

(4) Lottery, sweepstakes, gambling and sports winnings, 12498
winnings from games of chance, and prizes and awards. If the 12499
taxpayer is a professional gambler for federal income tax 12500
purposes, the taxpayer may deduct related wagering losses and 12501
expenses to the extent authorized under the Internal Revenue Code 12502
and claimed against such winnings. 12503

As used in division (C)(3) of this section, "unemployment compensation" does not include supplemental unemployment compensation described in section 3402(o)(2) of the Internal Revenue Code.	12517 12518 12519 12520 12521 12522 12523 12524 12525 12526 12527

that compensation. 12539

charitable, religious, educational, or literary organizations or 12541
labor unions, lodges, and similar organizations; 12542

(7) Alimony and child support received; 12543

(8) Compensation for personal injuries or for damages to 12544

purposes of Chapter 5745. of the Revised Code. 12551

(10) Gains from involuntary conversions, interest on federal 12552
obligations, items of income subject to a tax levied by the state 12553

to taxation because of residence or domicile, tax on such income 12568
shall be payable only to the municipal corporation of residence or 12569
domicile. 12570

the Revised Code, the municipal corporation may continue to impose 12592
the tax on such distributive shares to the extent such shares 12593
would be so allocated or apportioned to this state only until 12594
December 31, 2004, unless a majority of the electors of the 12595
municipal corporation voting on the question of continuing to tax 12596

qualifying wages are not subject to withholding for the municipal 12619
corporation under either of those divisions. 12620

(b) The exemption provided in division (C)(16)(a) of this 12621

to withhold under division (D)(2) of section 718.011 of the 12627
Revised Code. 12628

(d) The exemption provided in division (C)(16)(a) of this section does not apply to qualifying wages if both of the following conditions apply:

(i) For qualifying wages described in division (B)(1) of section 718.011 of the Revised Code, the employee's employer withholds and remits tax on the qualifying wages to the municipal corporation in which the employee's principal place of work is situated, or, for qualifying wages described in division (E) of section 718.011 of the Revised Code, the employee's employer withholds and remits tax on the qualifying wages to the municipal corporation in which the employer's fixed location is located;

(i) The individual's base of operation is located in the municipal corporation.

(ii) The individual is a professional athlete, professional entertainer, or public figure, and the compensation is paid for the performance of services in the individual's capacity as a professional athlete, professional entertainer, or public figure. Revised Code. 12660

(c) Compensation to which division (C)(17) of this section 12661
applies shall be treated as earned or received at the individual's 12662

(d) For purposes of division (C)(17) of this section, "base 12666
of operation" means the location where an individual owns or rents 12667
an office, storefront, or similar facility to which the individual 12668
regularly reports and at which the individual regularly performs 12669
personal services for compensation. 12670

(18) Compensation paid to a person for personal services 12671
performed for a political subdivision on property owned by the 12672
political subdivision, regardless of whether the compensation is 12673
received by an employee of the subdivision or another person 12674
performing services for the subdivision under a contract with the 12675
subdivision, if the property on which services are performed is 12676
annexed to a municipal corporation pursuant to section 709.023 of 12677
the Revised Code on or after March 27, 2013, unless the person is 12678
subject to such taxation because of residence. If the compensation 12679
is subject to taxation because of residence, municipal income tax 12680
shall be payable only to the municipal corporation of residence. 12681

(19) Income the taxation of which is prohibited by the 12682
constitution or laws of the United States. 12683

Any item of income that is exempt income of a pass-through 12684
entity under division (C) of this section is exempt income of each 12685

(2) Add an amount equal to five per cent of intangible income deducted under division (E)(1) of this section, but excluding that portion of intangible income directly related to the sale, exchange, or other disposition of property described in section 1221 of the Internal Revenue Code;

(3) Add any losses allowed as a deduction in the computation of federal taxable income if the losses directly relate to the sale, exchange, or other disposition of an asset described in section 1221 or 1231 of the Internal Revenue Code;

(4)(a) Except as provided in division (E)(4)(b) of this section, deduct income and gain included in federal taxable income

to the extent the income and gain directly relate to the sale, 12722
exchange, or other disposition of an asset described in section 12723
1221 or 1231 of the Internal Revenue Code; 12724

(b) Division (E)(4)(a) of this section does not apply to the 12725

(5) Add taxes on or measured by net income allowed as a 12728
deduction in the computation of federal taxable income; 12729

regulated investment company, add all amounts with respect to 12731
dividends to, distributions to, or amounts set aside for or 12732
credited to the benefit of investors and allowed as a deduction in 12733
the computation of federal taxable income; 12734

(7) Deduct, to the extent not otherwise deducted or excluded 12735
in computing federal taxable income, any income derived from a 12736
transfer agreement or from the enterprise transferred under that 12737
agreement under section 4313.02 of the Revised Code; 12738

(8)(a) Except as limited by divisions (E)(8)(b), (c), and (d) 12739
of this section, deduct any net operating loss incurred by the 12740
person in a taxable year beginning on or after January 1, 2017. 12741

The amount of such net operating loss shall be deducted from 12742
net profit that is reduced by exempt income to the extent 12743
necessary to reduce municipal taxable income to zero, with any 12744
remaining unused portion of the net operating loss carried forward 12745
to not more than five consecutive taxable years following the 12746

accordance with section 119.12 of the Revised Code. 14469

Sec. 903.17. (A) The director of agriculture may propose to 14470
require corrective actions and assess a civil penalty against an 14471
owner or operator of an animal feeding operation if the director 14472
or the director's authorized representative determines that the 14473
owner or operator is not in compliance with section 903.08 of the 14474
Revised Code, the terms and conditions of a NPDES permit, the 14475

NPDES provisions of a permit to operate, or rules adopted under 14476
division ~~(F)~~(E) of section 903.10 of the Revised Code. However, 14477
the director may impose a civil penalty only if all of the 14478
following occur: 14479

(1) The owner or operator is notified in writing of the 14480
deficiencies resulting in noncompliance, the actions that the 14481
owner or operator must take to correct the deficiencies, and the 14482
time period within which the owner or operator must correct the 14483
deficiencies and attain compliance. 14484

(2) After the time period specified in the notice has 14485
elapsed, the director or the director's duly authorized 14486
representative has inspected the animal feeding operation, 14487
determined that the owner or operator is still not in compliance, 14488
and issued a notice of violation to require corrective actions. 14489

(3) The director affords the owner or operator an opportunity 14490
for an adjudication hearing under Chapter 119. of the Revised Code 14491
to challenge the director's determination that the owner or 14492
operator is not in compliance or the imposition of the civil 14493
penalty, or both. However, the owner or operator may waive the 14494
right to an adjudication hearing. 14495

(B) If the opportunity for an adjudication hearing is waived 14496
or if, after an adjudication hearing, the director determines that 14497
a violation has occurred or is occurring, the director may issue 14498
an order and assess a civil penalty of not more than ten thousand 14499
dollars per violation against the violator. For purposes of 14500
determining the civil penalty, each day that a violation continues 14501
constitutes a separate and distinct violation. The order and the 14502
assessment of the civil penalty may be appealed in accordance with 14503
section 119.12 of the Revised Code. 14504

(C) To the extent consistent with the Federal Water Pollution 14505
Control Act, the director shall consider technical feasibility and 14506

economic costs in issuing orders under this section. 14507

(D)(1) The attorney general, upon the written request of the 14508
director, shall bring an action for an injunction in any court of 14509
competent jurisdiction against any person violating or threatening 14510
to violate section 903.08 of the Revised Code, the terms and 14511
conditions of a NPDES permit, the NPDES provisions of a permit to 14512
operate, rules adopted under division ~~(F)~~(E) of section 903.10 of 14513
the Revised Code, or an order issued under division (B) of this 14514
section. 14515

(2) In lieu of seeking civil penalties under division (A) of 14516
this section, the director may request, in writing, the attorney 14517
general to bring an action for a civil penalty of not more than 14518
ten thousand dollars per violation in a court of competent 14519
jurisdiction against any person that has violated or is violating 14520
section 903.08 of the Revised Code, the terms and conditions of a 14521
NPDES permit, the NPDES provisions of a permit to operate, rules 14522
adopted under division ~~(F)~~(E) of section 903.10 of the Revised 14523
Code, or an order issued under division (B) of this section. For 14524
purposes of determining the civil penalty to be assessed under 14525
division (B) of this section, each day that a violation continues 14526
constitutes a separate and distinct violation. 14527

(E) In addition to any other penalties imposed under this 14528
section, the director may impose an administrative penalty against 14529
an owner or operator of an animal feeding operation if the 14530
director or the director's authorized representative determines 14531
that the owner or operator has discharged pollutants into waters 14532
of the state in violation of section 903.08 of the Revised Code or 14533
the terms and conditions of a NPDES permit or the NPDES provisions 14534
of the permit to operate issued for the operation. The 14535
administrative penalty shall not exceed five thousand dollars. 14536

The director shall afford the owner or operator an 14537
opportunity for an adjudication hearing under Chapter 119. of the 14538

Revised Code to challenge the director's determination under this 14539
division, the director's imposition of an administrative penalty 14540
under this division, or both. The director's determination and the 14541
imposition of the administrative penalty may be appealed in 14542
accordance with section 119.12 of the Revised Code. 14543

Sec. 903.25. An owner or operator of an animal feeding 14544
facility who holds a permit to install, a permit to operate, a 14545
~~review compliance certificate,~~ or a NPDES permit or who is 14546
operating under an operation and management plan, as defined in 14547
section 1511.01 of the Revised Code, developed or approved by the 14548
chief of the division of soil and water resources in the 14549
department of natural resources under section 1511.02 of the 14550
Revised Code or by the supervisors of the appropriate soil and 14551
water conservation district under section 1515.08 of the Revised 14552
Code shall not be required by any political subdivision of the 14553
state or any officer, employee, agency, board, commission, 14554
department, or other instrumentality of a political subdivision to 14555
obtain a license, permit, or other approval pertaining to manure, 14556
insects or rodents, odor, or siting requirements for installation 14557
of an animal feeding facility. 14558

Sec. 918.41. If the director of agriculture has not entered 14559
into an agreement with the United States department of agriculture 14560
in compliance with section 918.44 of the Revised Code, ~~he~~ the 14561
director shall establish and maintain a state acceptance service 14562
within the department of agriculture to examine and monitor 14563
compliance by meat and poultry vendors ~~on the list established and~~ 14564
~~maintained by the director of administrative services under~~ 14565
~~section 125.17 of the Revised Code~~ with the specifications of the 14566
state purchase contracts awarded them under section 125.11 of the 14567
Revised Code, and by establishments, as defined in section 918.01 14568
or 918.21 of the Revised Code, subject to state or federal 14569

inspection. State acceptance service shall be made available to 14570
such vendors and establishments within the state from eight a.m. 14571
to five p.m. Monday through Friday. 14572

At least forty-eight hours, excluding Saturday and Sunday, 14573
before the date on which ~~he~~ a vendor or authorized representative 14574
from such an establishment desires examination and monitoring of 14575
the production of meat products, as defined in section 918.01 of 14576
the Revised Code, or poultry products, as defined in section 14577
918.21 of the Revised Code, that ~~he~~ the vendor or establishment 14578
intends to supply to the state under a state purchase contract, a 14579
vendor or authorized representative from such an establishment 14580
shall contact the state acceptance service and request examination 14581
and monitoring. A state acceptor shall examine and monitor the 14582
production of the meat or poultry products to determine whether 14583
there is compliance with the state purchase contract 14584
specifications. The containers of products found to be in 14585
compliance shall be sealed, dated, and marked with an official 14586
mark. The state acceptor shall provide an official acceptance 14587
certificate to accompany each shipment to its destination. 14588

The director shall train and appoint as state acceptors 14589
inspectors, as defined in sections 918.01 and 918.21 of the 14590
Revised Code. 14591

Acceptance may be provided by the United States department of 14592
agriculture at the option of the vendor or authorized 14593
representative of such an establishment. 14594

Sec. 955.12. Except as provided in section 955.121 of Revised 14595
Code, a board of county commissioners shall appoint or employ a 14596
county dog warden and deputies in such number, for such periods of 14597
time, and at such compensation as the board considers necessary to 14598
enforce sections 955.01 to 955.27, ~~955.29 to 955.38,~~ and 955.50 to 14599
955.53 of the Revised Code. 14600

The warden and deputies shall give bond in a sum not less 14601
than five hundred dollars and not more than two thousand dollars, 14602
as set by the board, conditioned for the faithful performance of 14603
their duties. The bond or bonds may, in the discretion of the 14604
board, be individual or blanket bonds. The bonds shall be filed 14605
with the county auditor of their respective counties. 14606

The warden and deputies shall make a record of all dogs 14607
owned, kept, and harbored in their respective counties. They shall 14608
patrol their respective counties and seize and impound on sight 14609
all dogs found running at large and all dogs more than three 14610
months of age found not wearing a valid registration tag, except 14611
any dog that wears a valid registration tag and is: on the 14612
premises of its owner, keeper, or harborer, under the reasonable 14613
control of its owner or some other person, hunting with its owner 14614
or its handler at a field trial, kept constantly confined in a dog 14615
kennel registered under this chapter or one licensed under Chapter 14616
956. of the Revised Code, or acquired by, and confined on the 14617
premises of, an institution or organization of the type described 14618
in section 955.16 of the Revised Code. A dog that wears a valid 14619
registration tag may be seized on the premises of its owner, 14620
keeper, or harborer and impounded only in the event of a natural 14621
disaster. 14622

If a dog warden has reason to believe that a dog is being 14623
treated inhumanely on the premises of its owner, keeper, or 14624
harborer, the warden shall apply to the court of common pleas for 14625
the county in which the premises are located for an order to enter 14626
the premises, and if necessary, seize the dog. If the court finds 14627
probable cause to believe that the dog is being treated 14628
inhumanely, it shall issue such an order. 14629

The warden and deputies shall also ~~investigate all claims for~~ 14630
~~damages to animals reported to them under section 955.29 of the~~ 14631
~~Revised Code and assist claimants to fill out the claim form~~ 14632

~~therefor. They shall~~ make weekly reports, in writing, to the board 14633
in their respective counties of all dogs seized, impounded, 14634
redeemed, and destroyed ~~and of all claims for damage to animals~~ 14635
~~inflicted by dogs.~~ 14636

The wardens and deputies shall have the same police powers as 14637
are conferred upon sheriffs and police officers in the performance 14638
of their duties as prescribed by sections 955.01 to 955.27, ~~955.29~~ 14639
~~to 955.38,~~ and 955.50 to 955.53 of the Revised Code. They shall 14640
also have power to summon the assistance of bystanders in 14641
performing their duties and may serve writs and other legal 14642
processes issued by any court in their respective counties with 14643
reference to enforcing those sections. County auditors may 14644
deputize the wardens or deputies to issue dog licenses as provided 14645
in sections 955.01 and 955.14 of the Revised Code. 14646

Whenever any person files an affidavit in a court of 14647
competent jurisdiction that there is a dog running at large that 14648
is not kept constantly confined either in a dog kennel registered 14649
under this chapter or one licensed under Chapter 956. of the 14650
Revised Code or on the premises of an institution or organization 14651
of the type described in section 955.16 of the Revised Code or 14652
that a dog is kept or harbored in the warden's jurisdiction 14653
without being registered as required by law, the court shall 14654
immediately order the warden to seize and impound the dog. 14655
Thereupon the warden shall immediately seize and impound the dog 14656
complained of. The warden shall give immediate notice by certified 14657
mail to the owner, keeper, or harborer of the dog seized and 14658
impounded by the warden, if the owner, keeper, or harborer can be 14659
determined from the current year's registration list maintained by 14660
the warden and the county auditor of the county where the dog is 14661
registered, that the dog has been impounded and that, unless the 14662
dog is redeemed within fourteen days of the date of the notice, it 14663
may thereafter be sold or destroyed according to law. If the 14664

owner, keeper, or harborer cannot be determined from the current 14665
year's registration list maintained by the warden and the county 14666
auditor of the county where the dog is registered, the officer 14667
shall post a notice in the pound or animal shelter both describing 14668
the dog and place where seized and advising the unknown owner 14669
that, unless the dog is redeemed within three days, it may 14670
thereafter be sold or destroyed according to law. 14671

~~As used in this section, "animal" has the same meaning as in 14672
section 955.51 of the Revised Code. 14673~~

Sec. 955.121. (A)(1) In lieu of appointing a county dog 14674
warden and deputies under section 955.12 of the Revised Code, a 14675
board of county commissioners may appoint the county sheriff to 14676
enforce sections 955.01 to 955.27, ~~955.29 to 955.38,~~ and 955.50 to 14677
955.53 of the Revised Code. If a board chooses to appoint the 14678
county sheriff as the county dog warden, the board shall enter 14679
into a two-year written agreement with the sheriff for that 14680
purpose at the first meeting in a calendar year following a 14681
general election in which at least one of the members of the board 14682
was elected. 14683

(2) The agreement may authorize both of the following: 14684

(a) The sheriff to appoint sheriff's deputies or persons 14685
other than peace officers as deputy dog wardens; 14686

(b) The transfer of any benefits accrued by employees who are 14687
transferred as a result of the county sheriff's being appointed as 14688
the county dog warden. 14689

(B) Any dog warden and deputy dog wardens appointed under 14690
this section shall comply with both of the following: 14691

(1) Any training requirements applicable to county dog 14692
wardens and deputy dog wardens appointed or employed under section 14693
955.12 of the Revised Code; 14694

(2) The requirements established in that section. 14695

(C) If a county sheriff or a sheriff's deputies are appointed 14696
as a dog warden or deputy dog wardens under this section, 14697
references in this chapter and in Chapters 953., 956., and 959. of 14698
the Revised Code to "dog warden" and "deputy dog warden" shall be 14699
deemed to be replaced, respectively, with references to "sheriff" 14700
and "deputy sheriff." 14701

Sec. 955.14. (A) Notwithstanding section 955.01 of the 14702
Revised Code, a board of county commissioners by resolution may 14703
increase dog and kennel registration fees in the county. The 14704
amount of the fees shall not exceed an amount that the board, in 14705
its discretion, estimates is needed to pay all expenses for the 14706
administration of this chapter ~~and to pay claims allowed for~~ 14707
~~animals injured or destroyed by dogs~~. Such a resolution shall be 14708
adopted not earlier than the first day of February and not later 14709
than the thirty-first day of August of any year and shall specify 14710
the registration period or periods to which the increased fees 14711
apply. An increase in fees adopted under this division shall be in 14712
the ratio of two dollars for each year of registration for a dog 14713
registration fee, twenty dollars for a permanent dog registration 14714
fee, and ten dollars for a kennel registration fee. 14715

(B) ~~Not later than the fifteenth day of October of each year,~~ 14716
~~the board of county commissioners shall determine if there is~~ 14717
~~sufficient money in the dog and kennel fund, after paying the~~ 14718
~~expenses of administration incurred or estimated to be incurred~~ 14719
~~for the remainder of the year, to pay the claims allowed for~~ 14720
~~animals injured or destroyed by dogs. If the board determines~~ 14721
~~there is not sufficient money in the dog and kennel fund to pay~~ 14722
~~the claims allowed, the board shall provide by resolution that all~~ 14723
~~claims remaining unpaid shall be paid from the general fund of the~~ 14724
~~county. All money paid out of the general fund for those purposes~~ 14725

~~may be replaced by the board from the dog and kennel fund at any~~ 14726
~~time during the following year notwithstanding section 5705.14 of~~ 14727
~~the Revised Code.~~ 14728

~~(C)~~ Notwithstanding section 955.20 of the Revised Code, if 14729
dog and kennel registration fees in any county are increased above 14730
two dollars for each year of registration and twenty dollars for a 14731
permanent registration for a dog registration fee and ten dollars 14732
for a kennel registration fee under authority of division (A) of 14733
this section, then on or before the first day of March following 14734
each year in which the increased fees are in effect, the county 14735
auditor shall draw on the dog and kennel fund a warrant payable to 14736
the college of veterinary medicine of the Ohio state university in 14737
an amount equal to ten cents for each one-year dog registration, 14738
thirty cents for each three-year dog registration, one dollar for 14739
each permanent dog registration, and ten cents for each kennel 14740
registration fee received during the preceding year. The money 14741
received by the college of veterinary medicine of the Ohio state 14742
university under this division shall be applied for research and 14743
study of the diseases of dogs, particularly those transmittable to 14744
humans, and for research of other diseases of dogs that by their 14745
nature will provide results applicable to the prevention and 14746
treatment of both human and canine illness. 14747

~~(D)~~(C) The Ohio state university college of veterinary 14748
medicine shall be responsible to report annually to the general 14749
assembly the progress of the research and study authorized and 14750
funded by division ~~(C)~~(B) of this section. The report shall 14751
briefly describe the research projects undertaken and assess the 14752
value of each. The report shall account for funds received 14753
pursuant to division ~~(C)~~(B) of this section and for the funds 14754
expended attributable to each research project and for other 14755
necessary expenses in conjunction with the research authorized by 14756
division ~~(C)~~(B) of this section. The report shall be filed with 14757

the general assembly by the first day of May of each year. 14758

~~(E)~~(D) The county auditor may authorize agents to receive 14759
applications for registration of dogs and kennels and to issue 14760
certificates of registration and tags. If authorized agents are 14761
employed in a county, each applicant for a dog or kennel 14762
registration shall pay to the agent an administrative fee of 14763
seventy-five cents in addition to the registration fee. The 14764
administrative fee shall be the compensation of the agent. The 14765
county auditor shall establish rules for reporting and accounting 14766
by the agents. No administrative or similar fee shall be charged 14767
in any county except as authorized by this division or division 14768
~~(F)~~(E) of this section. 14769

~~(F)~~(E) For any county that accepts the payment of dog and 14770
kennel registration fees by financial transaction devices in 14771
accordance with section 955.013 of the Revised Code, in addition 14772
to those registration fees, the county auditor shall collect for 14773
each registration paid by a financial transaction device one of 14774
the following: 14775

(1) An administrative fee of seventy-five cents or another 14776
amount necessary to cover actual costs designated by the county 14777
auditor; 14778

(2) If the board of county commissioners adopts a surcharge 14779
or convenience fee for making payments by a financial transaction 14780
device under division (E) of section 301.28 of the Revised Code, 14781
that surcharge or convenience fee; 14782

(3) If the county auditor contracts with a third party to 14783
provide services to enable registration via the internet as 14784
provided in section 955.013 of the Revised Code, a surcharge or 14785
convenience fee as agreed to between that third party and the 14786
county for those internet registration services. Any additional 14787
expenses incurred by the county auditor that result from a 14788

contract with a third party as provided in this section and 14789
section 955.013 of the Revised Code and that are not covered by a 14790
surcharge or convenience fee shall be paid out of the allowance 14791
provided to the county auditor under section 955.20 of the Revised 14792
Code. 14793

~~(G)~~(F) The county auditor shall post conspicuously the amount 14794
of the administrative fee, surcharge, or convenience fee that is 14795
permissible under this section on the web page where the auditor 14796
accepts payments for registrations made under division (B)(1) of 14797
section 955.013 of the Revised Code. If any person chooses to pay 14798
by financial transaction device, the administrative fee, 14799
surcharge, or convenience fee shall be considered voluntary and is 14800
not refundable. 14801

~~(H) As used in this section, "animal" has the same meaning as 14802
in section 955.51 of the Revised Code. 14803~~

Sec. 955.15. The board of county commissioners shall provide 14804
nets and other suitable devices for the taking of dogs in a humane 14805
manner, provide a suitable place for impounding dogs, make proper 14806
provision for feeding and caring for the same, and provide humane 14807
devices and methods for destroying dogs. In any county in which 14808
there is a society for the prevention of cruelty to children and 14809
animals, having one or more agents and maintaining an animal 14810
shelter suitable for a dog pound and devices for humanely 14811
destroying dogs, the board need not furnish a dog pound, but the 14812
county dog warden shall deliver all dogs seized by ~~him~~ the warden 14813
and ~~his~~ the warden's deputies to such society at its animal 14814
shelter, there to be dealt with in accordance with law. The board 14815
shall provide for the payment of reasonable compensation to such 14816
society for its services so performed out of the dog and kennel 14817
fund. The board may designate and appoint any officers regularly 14818
employed by any society organized under sections 1717.02 to 14819

1717.05, ~~inclusive~~, of the Revised Code, to act as county dog warden or deputies for the purpose of carrying out sections 955.01 to 955.27, ~~inclusive~~, and ~~955.29 to 955.38, inclusive~~, of the Revised Code, if such society whose agents are so employed owns or controls a suitable place for keeping and destroying dogs.

Sec. 955.20. The registration fees provided for in sections 955.01 to 955.14 of the Revised Code constitute a special fund known as "the dog and kennel fund." The fees shall be deposited by the county auditor in the county treasury daily as collected. Money in the fund shall be used for the purpose of defraying the cost of furnishing all blanks, records, tags, nets, and other equipment, for the purpose of paying the compensation of county dog wardens, deputies, poundkeepers, and other employees necessary to carry out and enforce sections 955.01 to 955.261 of the Revised Code, ~~and for the payment of animal claims as provided in sections 955.29 to 955.38 of the Revised Code~~, and in accordance with section 955.27 of the Revised Code. The board of county commissioners, by resolution, shall appropriate sufficient funds out of the dog and kennel fund, not more than fifteen per cent of which shall be expended by the auditor for registration tags, blanks, records, and clerk hire, for the purpose of defraying the necessary expenses of registering, seizing, impounding, and destroying dogs in accordance with sections 955.01 to 955.27 of the Revised Code, and for the purpose of covering any additional expenses incurred by the county auditor as authorized by division ~~(F)~~(E)(3) of section 955.14 of the Revised Code.

If the funds so appropriated in any calendar year are found by the board to be insufficient to defray the necessary cost and expense of the county dog warden in enforcing sections 955.01 to 955.27 of the Revised Code, the board, by resolution so provided, ~~after setting aside a sum equal to the total amount of animal claims filed in that calendar year, or an amount equal to the~~

~~total amount of animal claims paid or allowed the preceding year,~~ 14852
~~whichever amount is larger,~~ may appropriate further funds for the 14853
use and purpose of the county dog warden in administering those 14854
sections. 14855

Sec. 955.27. After paying all necessary expenses of 14856
administering the sections of the Revised Code relating to the 14857
registration, seizing, impounding, and destroying of dogs, 14858
including the purchase, construction, and repair of vehicles and 14859
facilities necessary for the proper administration of such 14860
sections, ~~making compensation for injuries to livestock inflicted~~ 14861
~~by dogs, and after paying all animal claims,~~ the board of county 14862
commissioners, at the December session, if there remains more than 14863
two thousand dollars in the dog and kennel fund for that year in a 14864
county in which there is a society for the prevention of cruelty 14865
to children and animals, incorporated and organized by law, and 14866
having one or more agents appointed pursuant to law, or any other 14867
society organized under Chapter 1717. of the Revised Code, that 14868
owns or controls a suitable dog kennel or a place for the keeping 14869

(b) For an application for a permit for a horizontal well, a 15697
copy of an agreement concerning maintenance and safe use of the 15698
roads, streets, and highways described in division (A)(11)(a) of 15699
this section entered into on reasonable terms with the public 15700
official that has the legal authority to enter into such 15701
maintenance and use agreements for each county, township, and 15702
municipal corporation, as applicable, in which any such road, 15703
street, or highway is located or an affidavit on a form prescribed 15704
by the chief attesting that the owner attempted in good faith to 15705
enter into an agreement under division (A)(11)(b) of this section 15706
with the applicable public official of each such county, township, 15707
or municipal corporation, but that no agreement was executed. 15708

(12) Such other relevant information as the chief prescribes 15709
by rule. 15710

Each application shall be accompanied by a map, on a scale 15711
not smaller than four hundred feet to the inch, prepared by an 15712
Ohio registered surveyor, showing the location of the well and 15713
containing such other data as may be prescribed by the chief. If 15714

the well is or is to be located within the excavations and 15715
workings of a mine, the map also shall include the location of the 15716
mine, the name of the mine, and the name of the person operating 15717
the mine. 15718

(B) The chief shall cause a copy of the weekly circular 15719
prepared by the division to be provided to the county engineer of 15720
each county that contains active or proposed drilling activity. 15721
The weekly circular shall contain, in the manner prescribed by the 15722
chief, the names of all applicants for permits, the location of 15723
each well or proposed well, the information required by division 15724
(A)(11) of this section, and any additional information the chief 15725
prescribes. In addition, the chief promptly shall transfer an 15726
electronic copy or facsimile, or if those methods are not 15727
available to a municipal corporation or township, a copy via 15728
regular mail, of a drilling permit application to the clerk of the 15729
legislative authority of the municipal corporation or to the clerk 15730
of the township in which the well or proposed well is or is to be 15731
located if the legislative authority of the municipal corporation 15732
or the board of township trustees has asked to receive copies of 15733
such applications and the appropriate clerk has provided the chief 15734
an accurate, current electronic mailing address or facsimile 15735
number, as applicable. 15736

(C)(1) Except as provided in division (C)(2) of this section, 15737
the chief shall not issue a permit for at least ten days after the 15738
date of filing of the application for the permit unless, upon 15739
reasonable cause shown, the chief waives that period or a request 15740
for expedited review is filed under this section. However, the 15741
chief shall issue a permit within twenty-one days of the filing of 15742
the application unless the chief denies the application by order. 15743

(2) If the location of a well or proposed well will be or is 15744
within an urbanized area, the chief shall not issue a permit for 15745
at least eighteen days after the date of filing of the application 15746

for the permit unless, upon reasonable cause shown, the chief 15747
waives that period or the chief at the chief's discretion grants a 15748
request for an expedited review. However, the chief shall issue a 15749
permit for a well or proposed well within an urbanized area within 15750
thirty days of the filing of the application unless the chief 15751
denies the application by order. 15752

(D) An applicant may file a request with the chief for 15753
expedited review of a permit application if the well is not or is 15754
not to be located in a gas storage reservoir or reservoir 15755
protective area, as "reservoir protective area" is defined in 15756
section 1571.01 of the Revised Code. If the well is or is to be 15757
located in a coal bearing township, the application shall be 15758
accompanied by the affidavit of the landowner prescribed in 15759
section 1509.08 of the Revised Code. 15760

In addition to a complete application for a permit that meets 15761
the requirements of this section and the permit fee prescribed by 15762
this section, a request for expedited review shall be accompanied 15763
by a separate nonrefundable filing fee of two hundred fifty 15764
dollars. Upon the filing of a request for expedited review, the 15765
chief shall cause the county engineer of the county in which the 15766
well is or is to be located to be notified of the filing of the 15767
permit application and the request for expedited review by 15768
telephone or other means that in the judgment of the chief will 15769
provide timely notice of the application and request. The chief 15770
shall issue a permit within seven days of the filing of the 15771
request unless the chief denies the application by order. 15772
Notwithstanding the provisions of this section governing expedited 15773
review of permit applications, the chief may refuse to accept 15774
requests for expedited review if, in the chief's judgment, the 15775
acceptance of the requests would prevent the issuance, within 15776
twenty-one days of their filing, of permits for which applications 15777
are pending. 15778

(E) A well shall be drilled and operated in accordance with the plans, sworn statements, and other information submitted in the approved application.

(F) The chief shall issue an order denying a permit if the chief finds that there is a substantial risk that the operation will result in violations of this chapter or rules adopted under it that will present an imminent danger to public health or safety or damage to the environment, provided that where the chief finds that terms or conditions to the permit can reasonably be expected to prevent such violations, the chief shall issue the permit subject to those terms or conditions, including, if applicable, terms and conditions regarding subjects identified in rules adopted under section 1509.03 of the Revised Code. The issuance of a permit shall not be considered an order of the chief.

The chief shall post notice of each permit that has been approved under this section on the division's web site not later than two business days after the application for a permit has been approved.

(G) Each application for a permit required by section 1509.05 of the Revised Code, ~~except an application to plug back an existing well that is required by that section and an application~~ for a well drilled or reopened for purposes of section 1509.22 of the Revised Code, also shall be accompanied by a nonrefundable fee as follows:

(1) Five hundred dollars for a permit to conduct activities in a township with a population of fewer than ten thousand;

(2) Seven hundred fifty dollars for a permit to conduct activities in a township with a population of ten thousand or more, but fewer than fifteen thousand;

(3) One thousand dollars for a permit to conduct activities in either of the following:

(a) A township with a population of fifteen thousand or more;	15810
(b) A municipal corporation regardless of population.	15811
(4) If the application is for a permit that requires	15812
mandatory pooling, an additional five thousand dollars.	15813
For purposes of calculating fee amounts, populations shall be	15814
determined using the most recent federal decennial census.	15815
Each application for the revision or reissuance of a permit	15816
shall be accompanied by a nonrefundable fee of two hundred fifty	15817
dollars.	15818
(H)(1) Prior to the commencement of well pad construction and	15819
prior to the issuance of a permit to drill a proposed horizontal	15820
well or a proposed well that is to be located in an urbanized	15821
area, the division shall conduct a site review to identify and	15822
evaluate any site-specific terms and conditions that may be	15823
attached to the permit. At the site review, a representative of	15824
the division shall consider fencing, screening, and landscaping	15825
requirements, if any, for similar structures in the community in	15826
which the well is proposed to be located. The terms and conditions	15827
that are attached to the permit shall include the establishment of	15828
fencing, screening, and landscaping requirements for the surface	15829
facilities of the proposed well, including a tank battery of the	15830
well.	15831
(2) Prior to the issuance of a permit to drill a proposed	15832
well, the division shall conduct a review to identify and evaluate	15833
any site-specific terms and conditions that may be attached to the	15834
permit if the proposed well will be located in a one-hundred-year	15835
floodplain or within the five-year time of travel associated with	15836
a public drinking water supply.	15837
(I) A permit shall be issued by the chief in accordance with	15838
this chapter. A permit issued under this section for a well that	15839
is or is to be located in an urbanized area shall be valid for	15840

twelve months, and all other permits issued under this section 15841
shall be valid for twenty-four months. 15842

(J) An applicant or a permittee, as applicable, shall submit 15843
to the chief an update of the information that is required under 15844
division (A)(8)(a) of this section if any of that information 15845
changes prior to commencement of production operations. 15846

(K) A permittee or a permittee's authorized representative 15847
shall notify an inspector from the division at least twenty-four 15848
hours, or another time period agreed to by the chief's authorized 15849
representative, prior to the commencement of well pad construction 15850
and of drilling, reopening, converting, well stimulation, or 15851
plugback operations. 15852

Sec. 1509.11. (A)(1) The owner of any well, except a 15853
horizontal well, that is producing or capable of producing oil or 15854
gas shall file with the chief of the division of oil and gas 15855
resources management, on or before the thirty-first day of March, 15856
a statement of production of oil, gas, and brine for the last 15857
preceding calendar year in such form as the chief may prescribe. 15858
An owner that has more than one hundred such wells in this state 15859
shall submit electronically the statement of production in a 15860
format that is approved by the chief. ~~The chief shall include on 15861
the form, at the minimum, a request for the submittal of the 15862
information that a person who is regulated under this chapter is 15863
required to submit under the "Emergency Planning and Community 15864
Right To Know Act of 1986," 100 Stat. 1728, 42 U.S.C.A. 11001, and 15865
regulations adopted under it, and that the division of oil and gas 15866
resources management does not obtain through other reporting 15867
mechanisms.~~ 15868

(2) The owner of any horizontal well that is producing or 15869
capable of producing oil or gas shall file with the chief, on the 15870
forty-fifth day following the close of each calendar quarter, a 15871

statement of production of oil, gas, and brine for the preceding 15872
calendar quarter in a form that the chief prescribes. An owner 15873
that has more than one hundred horizontal wells in this state 15874
shall submit electronically the statement of production in a 15875
format that is approved by the chief. ~~The chief shall include on~~ 15876
~~the form, at a minimum, a request for the submittal of the~~ 15877
~~information that a person who is regulated under this chapter is~~ 15878
~~required to submit under the "Emergency Planning and Community~~ 15879
~~Right To Know Act of 1986," 100 Stat. 1728, 42 U.S.C. 11001, and~~ 15880
~~regulations adopted under it, and that the division does not~~ 15881
~~obtain through other reporting mechanisms.~~ 15882

(B) The chief shall not disclose information received from 15883
the department of taxation under division (C)(12) of section 15884
5703.21 of the Revised Code until the related statement of 15885
production required by division (A) of this section is filed with 15886
the chief. 15887

Sec. 1509.23. ~~(A)~~ Rules of the chief of the division of oil 15888
and gas resources management may specify practices to be followed 15889
in the drilling and treatment of wells, production of oil and gas, 15890
and plugging of wells for protection of public health or safety or 15891
to prevent damage to natural resources, including specification of 15892
the following: 15893

~~(1)~~(A) Appropriate devices; 15894

~~(2)~~(B) Minimum distances that wells and other excavations, 15895

streets, roads, highways, rivers, lakes, streams, ponds, other 15897
bodies of water, railroad tracks, public or private recreational 15898
areas, zoning districts, and buildings or other structures. Rules 15899
adopted under this division ~~(A)(2) of this section~~ shall not 15900
conflict with section 1509.021 of the Revised Code. 15901

~~(3)~~(C) Other methods of operation; 15902

~~(4)(D)~~ Procedures, methods, and equipment and other 15903

content, and coverage to section 311(j)(1)(c) of the "Federal 15907
Water Pollution Control Act Amendments of 1972," 86 Stat. 886, 33 15908
U.S.C.A. 1251, as amended, and regulations adopted under it. In 15909
addition, the rules may specify procedures, methods, and equipment 15910
and other requirements for equipment to prevent and contain 15911
surface and subsurface discharges of fluids, condensates, and 15912
gases. 15913

~~(5)(E)~~ Notifications; 15914

~~(6)(F)~~ Requirements governing the location and construction 15915
of fresh water impoundments that are part of a production 15916
operation. 15917

~~(B)~~ The chief, in consultation with the emergency response 15918
commission created in section 3750.02 of the Revised Code, shall 15919
adopt rules in accordance with Chapter 119. of the Revised Code 15920
that specify the information that shall be included in an 15921
electronic database that the chief shall create and host. The 15922
information shall be that which the chief considers to be 15923
appropriate for the purpose of responding to emergency situations 15924
that pose a threat to public health or safety or the environment. 15925
At the minimum, the information shall include that which a person 15926
who is regulated under this chapter is required to submit under 15927
the "Emergency Planning and Community Right To Know Act of 1986," 15928
100 Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under 15929
it. 15930

~~In addition, the rules shall specify whether and to what 15931
extent the database and the information that it contains will be 15932
made accessible to the public. The rules shall ensure that the 15933
database will be made available via the internet or a system of 15934~~

~~computer disks to the emergency response commission and to every
local emergency planning committee and fire department in this
state.~~

Sec. 1509.231. (A) A person that is regulated under this
chapter and rules adopted under it and that is required to submit
information under the "Emergency Planning and Community
Right-To-Know Act of 1986," 100 Stat. 1728, 42 U.S.C. 11022, and
regulations adopted under it shall submit the information to the
chief of the division of oil and gas resources management on or
before the first day of March of each calendar year. The person
shall submit the information in accordance with rules adopted
under division (B) of this section.

(B) The chief, in consultation with the emergency response
commission created in section 3750.02 of the Revised Code, shall
adopt rules in accordance with Chapter 119. of the Revised Code
that specify the information that shall be included in an
electronic database that the chief shall create and host. The
information shall be information that the chief considers to be
appropriate for the purpose of responding to emergency situations
that pose a threat to public health or safety or the environment.
The rules shall require that the information be consistent with
the information that a person that is regulated under this chapter
is required to submit under the "Emergency Planning and Community
Right-To-Know Act of 1986," 100 Stat. 1728, 42 U.S.C. 11022, and
regulations adopted under it.

In addition, the rules shall do all of the following:

(1) Specify whether and to what extent the database and the
information that it contains will be made accessible to the
public;

(2) Ensure that the information submitted for the database
will be made immediately available to the emergency response

commission, the local emergency planning committee of the 15966
emergency planning district in which a facility is located, and 15967
the fire department having jurisdiction over a facility; 15968

(3) Ensure that the information submitted for the database 15969
includes the information required to be reported under section 15970
3750.08 of the Revised Code and rules adopted under section 15971
3750.02 of the Revised Code. 15972

(C) As used in this section, "emergency planning district," 15973
"facility," and "fire department" have the same meanings as in 15974
section 3750.01 of the Revised Code. 15975

Sec. 1509.232. (A) An owner, a person to whom an order is 15976

to section 1509.226 of the Revised Code shall notify the division 15980
of oil and gas resources management by means of a toll free 15981
telephone number designated by the chief of the division of oil 15982
and gas resources management or by electronic means designated by 15983
the chief within thirty minutes after becoming aware of the 15984
occurrence of any of the following unless notification within that 15985
time is impracticable under the circumstances: 15986

(1) An uncontrolled or unplanned release of gas associated 15987
with a production operation or other activity regulated under this 15988

	16027

notification within that time is impracticable under the 16028
circumstances. 16029

(C) The chief may adopt rules in accordance with Chapter 119. 16030
of the Revised Code that are necessary for the administration of 16031
this section. 16032

(D) No person shall fail to comply with this section. 16033

(E)(1) Section 1509.33 of the Revised Code applies to this 16034
section. 16035

(2) Section 1509.99 of the Revised Code does not apply to 16036
this section. 16037

Sec. 1509.27. If a tract ~~of land is~~ or tracts are of 16038
insufficient size or shape to meet the requirements for drilling a 16039
proposed well thereon as provided in section 1509.24 or 1509.25 of 16040
the Revised Code, whichever is applicable, and the owner ~~of the~~ 16041
~~tract who also is the owner of the mineral interest~~ has been 16042
unable to form a drilling unit under agreement as provided in 16043
section 1509.26 of the Revised Code, on a just and equitable 16044
basis, ~~such as~~ the owner may make application to the division of 16045
oil and gas resources management for a mandatory pooling order. 16046

The application shall include information as shall be 16047
reasonably required by the chief of the division of oil and gas 16048
resources management and shall be accompanied by an application 16049
for a permit as required by section 1509.05 of the Revised Code. 16050
The chief shall notify all mineral rights owners of ~~land tracts~~ 16051
within the area proposed to be pooled by an order and included 16052
within the drilling unit of the filing of the application and of 16053
their right to a hearing. After the hearing or after the 16054
expiration of thirty days from the date notice of application was 16055
mailed to such owners, the chief, if satisfied that the 16056
application is proper in form and that mandatory pooling is 16057

necessary to protect correlative rights and to provide effective 16058
development, use, and conservation of oil and gas, shall issue a 16059
drilling permit and a mandatory pooling order complying with the 16060
requirements for drilling a well as provided in section 1509.24 or 16061
1509.25 of the Revised Code, whichever is applicable. The 16062
mandatory pooling order shall: 16063

(A) Designate the boundaries of the drilling unit within 16064
which the well shall be drilled; 16065

(B) Designate the proposed production site; 16066

(C) Describe each separately owned tract or part thereof 16067
pooled by the order; 16068

(D) Allocate on a surface acreage basis a pro rata portion of 16069
the production to ~~the owner of~~ each tract pooled by the order. The 16070
pro rata portion shall be in the same proportion that the 16071
percentage of the ~~owner's~~ tract's acreage is to the state minimum 16072
acreage requirements established in rules adopted under this 16073
chapter for a drilling unit unless the applicant demonstrates to 16074
the chief using geological evidence that the geologic structure 16075
containing the oil or gas is larger than the minimum acreage 16076
requirement in which case the pro rata portion shall be in the 16077
same proportion that the percentage of the ~~owner's~~ tract's acreage 16078
is to the geologic structure. 16079

(E) Specify the basis upon which each mineral rights owner of 16080
a tract pooled by the order shall share all reasonable costs and 16081
expenses of drilling and producing if the mineral rights owner 16082
elects to participate in the drilling and operation of the well; 16083

(F) Designate the person to whom the permit shall be issued. 16084

A person shall not submit more than five applications for 16085
mandatory pooling orders per year under this section unless 16086
otherwise approved by the chief. 16087

No surface operations or disturbances to the surface of the 16088
land shall occur on a tract pooled by an order without the written 16089
consent of or a written agreement with the surface rights owner of 16090
the tract that approves the operations or disturbances. 16091

If ~~an~~ a mineral rights owner of a tract pooled by the order 16092
does not elect to participate in the risk and cost of the drilling 16093
and operation of a well, the mineral rights owner shall be 16094
designated as a nonparticipating owner in the drilling and 16095
operation of the well on a limited or carried basis and is subject 16096
to terms and conditions determined by the chief to be just and 16097
reasonable. In addition, if ~~an~~ a mineral rights owner is 16098
designated as a nonparticipating owner, the mineral rights owner 16099
is not liable for actions or conditions associated with the 16100
drilling or operation of the well. If the applicant bears the 16101
costs of drilling, equipping, and operating a well for the benefit 16102
of a nonparticipating owner, as provided for in the pooling order, 16103
then the applicant shall be entitled to the share of production 16104
from the drilling unit accruing to the interest of that 16105
nonparticipating owner, exclusive of the nonparticipating owner's 16106
proportionate share of the royalty interest until there has been 16107
received the share of costs charged to that nonparticipating owner 16108
plus such additional percentage of the share of costs as the chief 16109
shall determine. The total amount receivable hereunder shall in no 16110
event exceed two hundred per cent of the share of costs charged to 16111
that nonparticipating owner. After receipt of that share of costs 16112
by such an applicant, a nonparticipating owner shall receive a 16113
proportionate share of the working interest in the well in 16114
addition to a proportionate share of the royalty interest, if any. 16115

If there is a dispute as to costs of drilling, equipping, or 16116
operating a well, the chief shall determine those costs. 16117

Sec. 1509.33. (A) Whoever violates sections 1509.01 to 16118

1509.31 of the Revised Code, or any rules adopted or orders or 16119

provided in this section, shall pay a civil penalty of not more 16122
than ~~four~~ ten thousand dollars for each offense. 16123

(B) Whoever violates section 1509.221 of the Revised Code or 16124
any rules adopted or orders or terms or conditions of a permit 16125
issued thereunder shall pay a civil penalty of not more than ~~two~~ 16126

Sec. 1513.07. (A)(1) No operator shall conduct a coal mining 16173
operation without a permit for the operation issued by the chief 16174
of the division of mineral resources management. 16175

(2) All permits issued pursuant to this chapter shall be 16176
issued for a term not to exceed five years, except that, if the 16177
applicant demonstrates that a specified longer term is reasonably 16178
needed to allow the applicant to obtain necessary financing for 16179
equipment and the opening of the operation and if the application 16180

is full and complete for the specified longer term, the chief may 16181
grant a permit for the longer term. A successor in interest to a 16182
permittee who applies for a new permit within thirty days after 16183
succeeding to the interest and who is able to obtain the 16184
performance security of the original permittee may continue coal 16185
mining and reclamation operations according to the approved mining 16186
and reclamation plan of the original permittee until the 16187
successor's application is granted or denied. 16188

(3) A permit shall terminate if the permittee has not 16189
commenced the coal mining operations covered by the permit within 16190
three years after the issuance of the permit, except that the 16191
chief may grant reasonable extensions of the time upon a showing 16192
that the extensions are necessary by reason of litigation 16193
precluding the commencement or threatening substantial economic 16194
loss to the permittee or by reason of conditions beyond the 16195
control and without the fault or negligence of the permittee, and 16196
except that with respect to coal to be mined for use in a 16197
synthetic fuel facility or specified major electric generating 16198
facility, the permittee shall be deemed to have commenced coal 16199
mining operations at the time construction of the synthetic fuel 16200
or generating facility is initiated. 16201

(4)(a) Any permit issued pursuant to this chapter shall carry 16202
with it the right of successive renewal upon expiration with 16203
respect to areas within the boundaries of the permit. The holders 16204
of the permit may apply for renewal and the renewal shall be 16205
issued unless the chief determines by written findings, subsequent 16206
to fulfillment of the public notice requirements of this section 16207
and section 1513.071 of the Revised Code through demonstrations by 16208
opponents of renewal or otherwise, that one or more of the 16209
following circumstances exists: 16210

(i) The terms and conditions of the existing permit are not 16211
being satisfactorily met. 16212

(ii) The present coal mining and reclamation operation is not 16213
in compliance with the environmental protection standards of this 16214
chapter. 16215

(iii) The renewal requested substantially jeopardizes the 16216
operator's continuing responsibilities on existing permit areas. 16217

(iv) The applicant has not provided evidence that the 16218
performance security in effect for the operation will continue in 16219
effect for any renewal requested in the application. 16220

(v) Any additional, revised, or updated information required 16221
by the chief has not been provided. Prior to the approval of any 16222
renewal of a permit, the chief shall provide notice to the 16223
appropriate public authorities as prescribed by rule of the chief. 16224

(b) If an application for renewal of a valid permit includes 16225
a proposal to extend the mining operation beyond the boundaries 16226
authorized in the existing permit, the portion of the application 16227
for renewal of a valid permit that addresses any new land areas 16228
shall be subject to the full standards applicable to new 16229
applications under this chapter. 16230

(c) A permit renewal shall be for a term not to exceed the 16231
period of the original permit established by this chapter. 16232
Application for permit renewal shall be made at least one hundred 16233
twenty days prior to the expiration of the valid permit. 16234

(5) A permit issued pursuant to this chapter does not 16235
eliminate the requirements for obtaining a permit to install or 16236
modify a disposal system or any part thereof or to discharge 16237
sewage, industrial waste, or other wastes into the waters of the 16238
state in accordance with Chapter 6111. of the Revised Code. 16239

(13) A detailed description of the measures to be taken during the mining and reclamation process to ensure the protection of all of the following:

(a) The quality of surface and ground water systems, both on- and off-site, from adverse effects of the mining and reclamation process;

(b) The rights of present users to such water;

(c) The quantity of surface and ground water systems, both on- and off-site, from adverse effects of the mining and reclamation process or, where such protection of quantity cannot be assured, provision of alternative sources of water.

(14) Any other requirements the chief prescribes by rule. 16588

(D)(1) Any information required by division (C) of this 16589
section that is not on public file pursuant to this chapter shall 16590
be held in confidence by the chief. 16591

(2) With regard to requests for an exemption from the 16592
requirements of this chapter for coal extraction incidental to the 16593
extraction of other minerals, as described in division (H)(1)(a) 16594
of section 1513.01 of the Revised Code, confidential information 16595
includes and is limited to information concerning trade secrets or 16596
privileged commercial or financial information relating to the 16597
competitive rights of the persons intending to conduct the 16598
extraction of minerals. 16599

(E)(1) Upon the basis of a complete mining application and 16600
reclamation plan or a revision or renewal thereof, as required by 16601
this chapter, and information obtained as a result of public 16602
notification and public hearing, if any, as provided by section 16603
1513.071 of the Revised Code, the chief shall grant, require 16604
modification of, or deny the application for a permit and notify 16605
the applicant in writing in accordance with division (I)(3) of 16606
this section. An application is deemed to be complete as submitted 16607
to the chief unless the chief, within fourteen days of the 16608
submission, identifies deficiencies in the application in writing 16609
and subsequently submits a copy of a written list of deficiencies 16610
to the applicant. An application shall not be considered 16611
incomplete or denied by reason of right of entry documentation, 16612
provided that the applicant documents the applicant's legal right 16613
to enter and mine at least sixty-seven per cent of the total area 16614
for which coal mining operations are proposed. 16615

A decision of the chief denying a permit shall state in 16616
writing the specific reasons for the denial. 16617

The applicant for a permit or revision of a permit has the 16618

burden of establishing that the application is in compliance with 16619
all the requirements of this chapter. Within ten days after the 16620
granting of a permit, the chief shall notify the boards of 16621
township trustees and county commissioners, the mayor, and the 16622
legislative authority in the township, county, and municipal 16623
corporation in which the area of land to be affected is located 16624
that a permit has been issued and shall describe the location of 16625
the land. However, failure of the chief to notify the local 16626
officials shall not affect the status of the permit. 16627

(2) No permit application or application for revision of an 16628
existing permit shall be approved unless the application 16629
affirmatively demonstrates and the chief finds in writing on the 16630
basis of the information set forth in the application or from 16631
information otherwise available, which shall be documented in the 16632
approval and made available to the applicant, all of the 16633
following: 16634

(a) The application is accurate and complete and all the 16635
requirements of this chapter have been complied with. 16636

(b) The applicant has demonstrated that the reclamation 16637
required by this chapter can be accomplished under the reclamation 16638
plan contained in the application. 16639

(c)(i) Assessment of the probable cumulative impact of all 16640
anticipated mining in the general and adjacent area on the 16641
hydrologic balance specified in division (B)(1)(k) of this section 16642
has been made by the chief, and the proposed operation has been 16643
designed to prevent material damage to hydrologic balance outside 16644
the permit area. 16645

(ii) There shall be an ongoing process conducted by the chief 16646
in cooperation with other state and federal agencies to review all 16647
assessments of probable cumulative impact of coal mining in light 16648
of post-mining data and any other hydrologic information as it 16649

becomes available to determine if the assessments were realistic. 16650
The chief shall take appropriate action as indicated in the review 16651
process. 16652

(d) The area proposed to be mined is not included within an 16653
area designated unsuitable for coal mining pursuant to section 16654
1513.073 of the Revised Code or is not within an area under study 16655
for such designation in an administrative proceeding commenced 16656
pursuant to division (A)(3)(c) or (B) of section 1513.073 of the 16657
Revised Code unless in an area as to which an administrative 16658
proceeding has commenced pursuant to division (A)(3)(c) or (B) of 16659
section 1513.073 of the Revised Code, the operator making the 16660
permit application demonstrates that, prior to January 1, 1977, 16661
the operator made substantial legal and financial commitments in 16662
relation to the operation for which a permit is sought. 16663

(e) In cases where the private mineral estate has been 16664
severed from the private surface estate and surface disturbance 16665
will result from the applicant's proposed use of a strip mining 16666
method, the applicant has submitted to the chief one of the 16667
following: 16668

(i) The written consent of the surface owner to the surface 16669
disturbance that will result from the extraction of coal by the 16670
applicant's proposed strip mining method; 16671

(ii) A conveyance that expressly grants or reserves the right 16672
to extract the coal by strip mining methods that cause surface 16673
disturbance; 16674

(iii) If the conveyance does not expressly grant the right to 16675
extract coal by strip mining methods that cause surface 16676
disturbance, the surface-subsurface legal relationship concerning 16677
surface disturbance shall be determined under the law of this 16678
state. This chapter does not authorize the chief to adjudicate 16679
property rights disputes. 16680

(3)(a) The applicant shall file with the permit application a schedule listing all notices of violations of any law, rule, or regulation of the United States or of any department or agency thereof or of any state pertaining to air or water environmental protection incurred by the applicant in connection with any coal mining operation during the three-year period prior to the date of application. The schedule also shall indicate the final resolution of such a notice of violation. Upon receipt of an application, the chief shall provide a schedule listing all notices of violations of this chapter pertaining to air or water environmental protection incurred by the applicant during the three-year period prior to receipt of the application and the final resolution of all such notices of violation. The chief shall provide this schedule to the applicant for filing by the applicant with the application filed for public review, as required by division (B)(5) of this section. When the schedule or other information available to the chief indicates that any coal mining operation owned or controlled by the applicant is currently in violation of such laws, the permit shall not be issued until the applicant submits proof that the violation has been corrected or is in the process of being corrected to the satisfaction of the regulatory authority, department, or agency that has jurisdiction over the violation and that any civil penalties owed to the state for a violation and not the subject of an appeal have been paid. No permit shall be issued to an applicant after a finding by the chief that the applicant or the operator specified in the application controls or has controlled mining operations with a demonstrated pattern of willful violations of this chapter of a nature and duration to result in irreparable damage to the environment as to indicate an intent not to comply with or a disregard of this chapter.

(b) For the purposes of division (E)(3)(a) of this section, any violation resulting from an unanticipated event or condition

at a surface coal mining operation on lands eligible for remining 16714
under a permit held by the person submitting an application for a 16715
coal mining permit under this section shall not prevent issuance 16716
of that permit. As used in this division, "unanticipated event or 16717
condition" means an event or condition encountered in a remining 16718
operation that was not contemplated by the applicable surface coal 16719
mining and reclamation permit. 16720

(4)(a) In addition to finding the application in compliance 16721
with division (E)(2) of this section, if the area proposed to be 16722
mined contains prime farmland as determined pursuant to division 16723
(B)(1)(p) of this section, the chief, after consultation with the 16724
secretary of the United States department of agriculture and 16725
pursuant to regulations issued by the secretary of the interior 16726
with the concurrence of the secretary of agriculture, may grant a 16727
permit to mine on prime farmland if the chief finds in writing 16728
that the operator has the technological capability to restore the 16729
mined area, within a reasonable time, to equivalent or higher 16730
levels of yield as nonmined prime farmland in the surrounding area 16731
under equivalent levels of management and can meet the soil 16732
reconstruction standards in section 1513.16 of the Revised Code. 16733

(b) Division (E)(4)(a) of this section does not apply to a 16734
permit issued prior to August 3, 1977, or revisions or renewals 16735
thereof. 16736

(5) The chief shall issue an order denying a permit after 16737
finding that the applicant has misrepresented or omitted any 16738
material fact in the application for the permit. 16739

(6) The chief may issue an order denying a permit after 16740
finding that the applicant, any partner, if the applicant is a 16741
partnership, any officer, principal shareholder, or director, if 16742
the applicant is a corporation, or any other person who has a 16743
right to control or in fact controls the management of the 16744
applicant or the selection of officers, directors, or managers of 16745

the applicant has been a sole proprietor or partner, officer, 16746
director, principal shareholder, or person having the right to 16747
control or has in fact controlled the management of or the 16748
selection of officers, directors, or managers of a business entity 16749
that ever has had a coal mining license or permit issued by this 16750
or any other state or the United States suspended or revoked, ever 16751
has forfeited a coal or surface mining bond, performance security, 16752
or similar security deposited in lieu of bond in this or any other 16753
state or with the United States, or ever has substantially or 16754
materially failed to comply with this chapter. 16755

(7) When issuing a permit under this section, the chief may 16756
authorize an applicant to conduct coal mining and reclamation 16757
operations on areas to be covered by the permit that were affected 16758
by coal mining operations before August 3, 1977, that have 16759
resulted in continuing water pollution from or on the previously 16760
mined areas for the purpose of potentially reducing the pollution 16761
loadings of pH, iron, and manganese from discharges from or on the 16762
previously mined areas. Following the chief's authorization to 16763
conduct such operations on those areas, the areas shall be 16764
designated as pollution abatement areas for the purposes of this 16765
chapter. 16766

The chief shall not grant an authorization under division 16767
(E)(7) of this section to conduct coal mining and reclamation 16768
operations on any such previously mined areas unless the applicant 16769
demonstrates to the chief's satisfaction that all of the following 16770
conditions are met: 16771

(a) The applicant's pollution abatement plan for mining and 16772
reclaiming the previously mined areas represents the best 16773
available technology economically achievable. 16774

(b) Implementation of the plan will potentially reduce 16775
pollutant loadings of pH, iron, and manganese resulting from 16776
discharges of surface waters or ground water from or on the 16777

previously mined areas within the permit area. 16778

(c) Implementation of the plan will not cause any additional 16779
degradation of surface water quality off the permit area with 16780
respect to pH, iron, and manganese. 16781

(d) Implementation of the plan will not cause any additional 16782
degradation of ground water. 16783

(e) The plan meets the requirements governing mining and 16784
reclamation of such previously mined pollution abatement areas 16785
established by the chief in rules adopted under section 1513.02 of 16786
the Revised Code. 16787

(f) Neither the applicant; any partner, if the applicant is a 16788
partnership; any officer, principal shareholder, or director, if 16789
the applicant is a corporation; any other person who has a right 16790
to control or in fact controls the management of the applicant or 16791
the selection of officers, directors, or managers of the 16792
applicant; nor any contractor or subcontractor of the applicant, 16793
has any of the following: 16794

(i) Responsibility or liability under this chapter or rules 16795
adopted under it as an operator for treating the discharges of 16796
water pollutants from or on the previously mined areas for which 16797
the authorization is sought; 16798

(ii) Any responsibility or liability under this chapter or 16799
rules adopted under it for reclaiming the previously mined areas 16800
for which the authorization is sought; 16801

(iii) During the eighteen months prior to submitting the 16802
permit application requesting an authorization under division 16803
(E)(7) of this section, had a coal mining and reclamation permit 16804
suspended or revoked under division (D)(3) of section 1513.02 of 16805
the Revised Code for violating this chapter or Chapter 6111. of 16806
the Revised Code or rules adopted under them with respect to water 16807
quality, effluent limitations, or surface or ground water 16808

monitoring; 16809

(iv) Ever forfeited a coal or surface mining bond, 16810
performance security, or similar security deposited in lieu of a 16811
bond in this or any other state or with the United States. 16812

(8) In the case of the issuance of a permit that involves a 16813
conflict of results between various methods of calculating 16814
potential acidity and neutralization potential for purposes of 16815
assessing the potential for acid mine drainage to occur at a mine 16816
site, the permit shall include provisions for monitoring and 16817
record keeping to identify the creation of unanticipated acid 16818
water at the mine site. If the monitoring detects the creation of 16819
acid water at the site, the permit shall impose on the permittee 16820
additional requirements regarding mining practices and site 16821
reclamation to prevent the discharge of acid mine drainage from 16822
the mine site. As used in division (E)(8) of this section, 16823
"potential acidity" and "neutralization potential" have the same 16824
meanings as in section 1513.075 of the Revised Code. 16825

(F)(1) During the term of the permit, the permittee may 16826
submit an application for a revision of the permit, together with 16827
a revised reclamation plan, to the chief. 16828

(2) An application for a revision of a permit shall not be 16829
approved unless the chief finds that reclamation required by this 16830
chapter can be accomplished under the revised reclamation plan. 16831
The revision shall be approved or disapproved within ninety days 16832
after receipt of a complete revision application. The chief shall 16833
establish, by rule, criteria for determining the extent to which 16834
all permit application information requirements and procedures, 16835
including notice and hearings, shall apply to the revision 16836
request, except that any revisions that propose significant 16837
alterations in the reclamation plan, at a minimum, shall be 16838
subject to notice and hearing requirements. 16839

(3) Any extensions to the area covered by the permit except 16840
incidental boundary revisions shall be made by application for a 16841
permit. 16842

(4) Documents or a notarized statement that form the basis of 16843
the applicant's legal right to enter and commence coal mining 16844
operations on land that is located within an area covered by the 16845
permit and that was legally acquired subsequent to the issuance of 16846
the permit for the area shall be submitted with an application for 16847
a revision of the permit. 16848

(G) No transfer, assignment, or sale of the rights granted 16849
under a permit issued pursuant to this chapter shall be made 16850
without the written approval of the chief. 16851

(H) The chief, within a time limit prescribed in the chief's 16852
rules, shall review outstanding permits and may require reasonable 16853
revision or modification of a permit. A revision or modification 16854
shall be based upon a written finding and subject to notice and 16855
hearing requirements established by rule of the chief. 16856

(I)(1) If an informal conference has been held pursuant to 16857
section 1513.071 of the Revised Code, the chief shall issue and 16858
furnish the applicant for a permit, persons who participated in 16859
the informal conference, and persons who filed written objections 16860
pursuant to division (B) of section 1513.071 of the Revised Code, 16861
with the written finding of the chief granting or denying the 16862
permit in whole or in part and stating the reasons therefor within 16863
sixty days of the conference, provided that the chief shall comply 16864
with the time frames established in division (I)(3) of this 16865
section. 16866

(2) If there has been no informal conference held pursuant to 16867
section 1513.071 of the Revised Code, the chief shall submit to 16868
the applicant for a permit the written finding of the chief 16869
granting or denying the permit in whole or in part and stating the 16870

reasons therefor within the time frames established in division 16871
(I)(3) of this section. 16872

(3) The chief shall grant or deny a permit not later than two 16873
hundred forty days after the submission of a complete application 16874
for the permit. Any time during which the applicant is making 16875
revisions to an application or providing additional information 16876
requested by the chief regarding an application shall not be 16877
included in the two hundred forty days. If the chief determines 16878
that a permit cannot be granted or denied within the 16879
two-hundred-forty-day time frame, the chief, not later than two 16880
hundred ten days after the submission of a complete application 16881
for the permit, shall provide the applicant with written notice of 16882
the expected delay. 16883

(4) If the application is approved, the permit shall be 16884
issued. However, the permit shall prohibit the commencement of 16885
coal mining operations on any land that is located within an area 16886
covered by the permit if the permittee has not provided to the 16887
chief documents that form the basis of the permittee's legal right 16888
to enter and conduct coal mining operations on that land. If the 16889
application is disapproved, specific reasons therefor shall be set 16890
forth in the notification. Within thirty days after the applicant 16891
is notified of the final decision of the chief on the permit 16892
application, the applicant or any person with an interest that is 16893
or may be adversely affected may appeal the decision to the 16894
reclamation commission pursuant to section 1513.13 of the Revised 16895
Code. 16896

(5) Any applicant or any person with an interest that is or 16897
may be adversely affected who has participated in the 16898
administrative proceedings as an objector and is aggrieved by the 16899
decision of the reclamation commission, or if the commission fails 16900
to act within the time limits specified in this chapter, may 16901
appeal in accordance with section 1513.14 of the Revised Code. 16902

Sec. 1513.16. (A) Any permit issued under this chapter to 16903
conduct coal mining operations shall require that the operations 16904
meet all applicable performance standards of this chapter and such 16905
other requirements as the chief of the division of mineral 16906
resources management shall adopt by rule. General performance 16907
standards shall apply to all coal mining and reclamation 16908
operations and shall require the operator at a minimum to do all 16909
of the following: 16910

(1) Conduct coal mining operations so as to maximize the 16911
utilization and conservation of the solid fuel resource being 16912
recovered so that re-affecting the land in the future through coal 16913
mining can be minimized; 16914

(2) Restore the land affected to a condition capable of 16915
supporting the uses that it was capable of supporting prior to any 16916
mining, or higher or better uses of which there is reasonable 16917
likelihood, so long as the uses do not present any actual or 16918
probable hazard to public health or safety or pose any actual or 16919
probable threat of diminution or pollution of the waters of the 16920
state, and the permit applicants' declared proposed land uses 16921
following reclamation are not considered to be impractical or 16922
unreasonable, to be inconsistent with applicable land use policies 16923
and plans, to involve unreasonable delay in implementation, or to 16924
violate federal, state, or local law; 16925

(3) Except as provided in division (B) of this section, with 16926
respect to all coal mining operations, backfill, compact where 16927
advisable to ensure stability or to prevent leaching of toxic 16928
materials, and grade in order to restore the approximate original 16929
contour of the land with all highwalls, spoil piles, and 16930
depressions eliminated unless small depressions are needed in 16931
order to retain moisture to assist revegetation or as otherwise 16932
authorized pursuant to this chapter, provided that if the operator 16933

demonstrates that due to volumetric expansion the amount of 16934
overburden and the spoil and waste materials removed in the course 16935
of the mining operation are more than sufficient to restore the 16936
approximate original contour, the operator shall backfill, grade, 16937
and compact the excess overburden and other spoil and waste 16938
materials to attain the lowest grade, but not more than the angle 16939
of repose, and to cover all acid-forming and other toxic materials 16940
in order to achieve an ecologically sound land use compatible with 16941
the surrounding region in accordance with the approved mining 16942
plan. The overburden or spoil shall be shaped and graded in such a 16943
way as to prevent slides, erosion, and water pollution and shall 16944
be revegetated in accordance with this chapter. 16945

(4) Stabilize and protect all surface areas, including spoil 16946
piles affected by the coal mining and reclamation operation, to 16947
control erosion and attendant air and water pollution effectively; 16948

(5) Remove the topsoil from the land in a separate layer, 16949
replace it on the backfill area, or, if not utilized immediately, 16950
segregate it in a separate pile from the spoil, and when the 16951
topsoil is not replaced on a backfill area within a time short 16952
enough to avoid deterioration of the topsoil, maintain a 16953
successful cover by quick-growing plants or other means thereafter 16954
so that the topsoil is preserved from wind and water erosion, 16955
remains free of any contamination by acid or other toxic material, 16956
and is in a usable condition for sustaining vegetation when 16957
restored during reclamation. If the topsoil is of insufficient 16958
quantity or of poor quality for sustaining vegetation or if other 16959
strata can be shown to be more suitable for vegetation 16960
requirements, the operator shall remove, segregate, and preserve 16961
in a like manner such other strata as are best able to support 16962
vegetation. 16963

(6) Restore the topsoil or the best available subsoil that is 16964
best able to support vegetation; 16965

(7) For all prime farmlands as identified in division 16966
(B)(1)(p) of section 1513.07 of the Revised Code to be mined and 16967
reclaimed, perform soil removal, storage, replacement, and 16968
reconstruction in accordance with specifications established by 16969
the secretary of the United States department of agriculture under 16970
the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 16971
445, 30 U.S.C.A. 1201. The operator, at a minimum, shall be 16972
required to do all of the following: 16973

(a) Segregate the A horizon of the natural soil, except where 16974
it can be shown that other available soil materials will create a 16975
final soil having a greater productive capacity, and, if not 16976
utilized immediately, stockpile this material separately from the 16977
spoil and provide needed protection from wind and water erosion or 16978
contamination by acid or other toxic material; 16979

(b) Segregate the B horizon of the natural soil, or 16980
underlying C horizons or other strata, or a combination of such 16981
horizons or other strata that are shown to be both texturally and 16982
chemically suitable for plant growth and that can be shown to be 16983
equally or more favorable for plant growth than the B horizon, in 16984
sufficient quantities to create in the regraded final soil a root 16985
zone of comparable depth and quality to that which existed in the 16986
natural soil, and, if not utilized immediately, stockpile this 16987
material separately from the spoil and provide needed protection 16988
from wind and water erosion or contamination by acid or other 16989
toxic material; 16990

(c) Replace and regrade the root zone material described in 16991
division (A)(7)(b) of this section with proper compaction and 16992
uniform depth over the regraded spoil material; 16993

(d) Redistribute and grade in a uniform manner the surface 16994
soil horizon described in division (A)(7)(a) of this section. 16995

(8) Create, if authorized in the approved mining and 16996

reclamation plan and permit, permanent impoundments of water on 16997
mining sites as part of reclamation activities only when it is 16998
adequately demonstrated by the operator that all of the following 16999
conditions will be met: 17000

(a) The size of the impoundment is adequate for its intended 17001
purposes. 17002

(b) The impoundment dam construction will be so designed as 17003
to achieve necessary stability with an adequate margin of safety 17004
compatible with that of structures constructed under the 17005
"Watershed Protection and Flood Prevention Act," 68 Stat. 666 17006
(1954), 16 U.S.C. 1001, as amended. 17007

(c) The quality of impounded water will be suitable on a 17008
permanent basis for its intended use and discharges from the 17009
impoundment will not degrade the water quality below water quality 17010
standards established pursuant to applicable federal and state law 17011
in the receiving stream. 17012

(d) The level of water will be reasonably stable. 17013

(e) Final grading will provide adequate safety and access for 17014
proposed water users. 17015

(f) The water impoundments will not result in the diminution 17016
of the quality or quantity of water utilized by adjacent or 17017
surrounding landowners for agricultural, industrial, recreational, 17018
or domestic uses. 17019

(9) Conduct any augering operation associated with strip 17020
mining in a manner to maximize recoverability of mineral reserves 17021
remaining after the operation and reclamation are complete and 17022
seal all auger holes with an impervious and noncombustible 17023
material in order to prevent drainage, except where the chief 17024
determines that the resulting impoundment of water in such auger 17025
holes may create a hazard to the environment or the public health 17026
or safety. The chief may prohibit augering if necessary to 17027

maximize the utilization, recoverability, or conservation of the 17028
solid fuel resources or to protect against adverse water quality 17029
impacts. 17030

(10) Minimize the disturbances to the prevailing hydrologic 17031
balance at the mine site and in associated offsite areas and to 17032
the quality and quantity of water in surface and ground water 17033
systems both during and after coal mining operations and during 17034
reclamation by doing all of the following: 17035

(a) Avoiding acid or other toxic mine drainage by such 17036
measures as, but not limited to: 17037

(i) Preventing or removing water from contact with toxic 17038
producing deposits; 17039

(ii) Treating drainage to reduce toxic content that adversely 17040
affects downstream water upon being released to water courses in 17041
accordance with rules adopted by the chief in accordance with 17042
section 1513.02 of the Revised Code; 17043

(iii) Casing, sealing, or otherwise managing boreholes, 17044
shafts, and wells, and keeping acid or other toxic drainage from 17045
entering ground and surface waters. 17046

(b)(i) Conducting coal mining operations so as to prevent, to 17047
the extent possible using the best technology currently available, 17048
additional contributions of suspended solids to streamflow or 17049
runoff outside the permit area, but in no event shall 17050
contributions be in excess of requirements set by applicable state 17051
or federal laws; 17052

(ii) Constructing any siltation structures pursuant to 17053
division (A)(10)(b)(i) of this section prior to commencement of 17054
coal mining operations. The structures shall be certified by 17055
persons approved by the chief to be constructed as designed and as 17056
approved in the reclamation plan. 17057

(c) Cleaning out and removing temporary or large settling ponds or other siltation structures from drainways after disturbed areas are revegetated and stabilized, and depositing the silt and debris at a site and in a manner approved by the chief;

(d) Restoring recharge capacity of the mined area to approximate premining conditions;

(e) Avoiding channel deepening or enlargement in operations requiring the discharge of water from mines;

(f) Such other actions as the chief may prescribe.

(11) With respect to surface disposal of mine wastes, tailings, coal processing wastes, and other wastes in areas other than the mine working areas or excavations, stabilize all waste piles in designated areas through construction in compacted layers, including the use of noncombustible and impervious materials if necessary, and ensure that the final contour of the waste pile will be compatible with natural surroundings and that the site can and will be stabilized and revegetated according to this chapter;

(12) Refrain from coal mining within five hundred feet of active and abandoned underground mines in order to prevent breakthroughs and to protect the health or safety of miners. The chief shall permit an operator to mine near, through, or partially through an abandoned underground mine or closer than five hundred feet to an active underground mine if both of the following conditions are met:

(a) The nature, timing, and sequencing of the approximate coincidence of specific strip mine activities with specific underground mine activities are approved by the chief.

(b) The operations will result in improved resource recovery, abatement of water pollution, or elimination of hazards to the health and safety of the public.

(13) Design, locate, construct, operate, maintain, enlarge, 17089
modify, and remove or abandon, in accordance with the standards 17090
and criteria developed pursuant to rules adopted by the chief, all 17091
existing and new coal mine waste piles consisting of mine wastes, 17092
tailings, coal processing wastes, or other liquid and solid 17093
wastes, and used either temporarily or permanently as dams or 17094
embankments; 17095

(14) Ensure that all debris, acid-forming materials, toxic 17096
materials, or materials constituting a fire hazard are treated or 17097
buried and compacted or otherwise disposed of in a manner designed 17098
to prevent contamination of ground or surface waters and that 17099
contingency plans are developed to prevent sustained combustion; 17100

(15) Ensure that all reclamation efforts proceed in an 17101
environmentally sound manner and as contemporaneously as 17102
practicable with the coal mining operations, except that where the 17103
applicant proposes to combine strip mining operations with 17104
underground mining operations to ensure maximum practical recovery 17105
of the mineral resources, the chief may grant a variance for 17106
specific areas within the reclamation plan from the requirement 17107
that reclamation efforts proceed as contemporaneously as 17108
practicable to permit underground mining operations prior to 17109
reclamation if: 17110

(a) The chief finds in writing that: 17111

(i) The applicant has presented, as part of the permit 17112
application, specific, feasible plans for the proposed underground 17113
mining operations. 17114

(ii) The proposed underground mining operations are necessary 17115
or desirable to ensure maximum practical recovery of the mineral 17116
resource and will avoid multiple disturbance of the surface. 17117

(iii) The applicant has satisfactorily demonstrated that the 17118
plan for the underground mining operations conforms to 17119

requirements for underground mining in this state and that permits 17120
necessary for the underground mining operations have been issued 17121
by the appropriate authority. 17122

(iv) The areas proposed for the variance have been shown by 17123
the applicant to be necessary for the implementing of the proposed 17124
underground mining operations. 17125

(v) No substantial adverse environmental damage, either 17126
on-site or off-site, will result from the delay in completion of 17127
reclamation as required by this chapter. 17128

(vi) Provisions for the off-site storage of spoil will comply 17129
with division (A)(21) of this section. 17130

(b) The chief has adopted specific rules to govern the 17131
granting of such variances in accordance with this division and 17132
has imposed such additional requirements as the chief considers 17133
necessary. 17134

(c) Variances granted under this division shall be reviewed 17135
by the chief not more than three years from the date of issuance 17136
of the permit. 17137

(d) Liability under the performance security filed by the 17138
applicant with the chief pursuant to section 1513.08 of the 17139
Revised Code shall be for the duration of the underground mining 17140
operations and until the requirements of this section and section 17141
1513.08 of the Revised Code have been fully complied with. 17142

(16) Ensure that the construction, maintenance, and 17143
postmining conditions of access roads into and across the site of 17144
operations will control or prevent erosion and siltation, 17145
pollution of water, and damage to fish or wildlife or their 17146
habitat, or to public or private property; 17147

(17) Refrain from the construction of roads or other access 17148
ways up a stream bed or drainage channel or in such proximity to 17149

the channel as to seriously alter the normal flow of water; 17150

(18) Establish, on the regraded areas and all other lands 17151
affected, a diverse, effective, and permanent vegetative cover of 17152
the same seasonal variety native to the area of land to be 17153
affected and capable of self-regeneration and plant succession at 17154
least equal in extent of cover to the natural vegetation of the 17155
area, except that introduced species may be used in the 17156
revegetation process where desirable and necessary to achieve the 17157
approved postmining land use plan; 17158

(19)(a) Assume the responsibility for successful 17159
revegetation, as required by division (A)(18) of this section, for 17160
a period of five full years after the last year of augmented 17161
seeding, fertilizing, irrigation, or other work in order to ensure 17162
compliance with that division, except that when the chief approves 17163
a long-term intensive agricultural postmining land use, the 17164
applicable five-year period of responsibility for revegetation 17165
shall commence at the date of initial planting for that long-term 17166
intensive agricultural postmining land use, and except that when 17167
the chief issues a written finding approving a long-term intensive 17168
agricultural postmining land use as part of the mining and 17169
reclamation plan, the chief may grant an exception to division 17170
(A)(18) of this section; 17171

(b) On lands eligible for remining, assume the responsibility 17172
for successful revegetation, as required by division (A)(18) of 17173
this section, for a period of two full years after the last year 17174
of augmented seeding, fertilizing, irrigation, or other work in 17175
order to ensure compliance with that division. 17176

(20) Protect off-site areas from slides or damage occurring 17177
during the coal mining and reclamation operations and not deposit 17178
spoil material or locate any part of the operations or waste 17179
accumulations outside the permit area; 17180

(21) Place all excess spoil material resulting from coal 17181
mining and reclamation operations in such a manner that all of the 17182
following apply: 17183

(a) Spoil is transported and placed in a controlled manner in 17184
position for concurrent compaction and in such a way as to ensure 17185
mass stability and to prevent mass movement. 17186

(b) The areas of disposal are within the permit areas for 17187
which performance security has been provided. All organic matter 17188
shall be removed immediately prior to spoil placement except in 17189
the zoned concept method. 17190

(c) Appropriate surface and internal drainage systems and 17191
diversion ditches are used so as to prevent spoil erosion and mass 17192
movement. 17193

(d) The disposal area does not contain springs, natural 17194
watercourses, or wet weather seeps unless lateral drains are 17195
constructed from the wet areas to the main underdrains in such a 17196
manner that filtration of the water into the spoil pile will be 17197
prevented unless the zoned concept method is used. 17198

(e) If placed on a slope, the spoil is placed upon the most 17199
moderate slope among those slopes upon which, in the judgment of 17200
the chief, the spoil could be placed in compliance with all the 17201
requirements of this chapter and is placed, where possible, upon, 17202
or above, a natural terrace, bench, or berm if that placement 17203
provides additional stability and prevents mass movement. 17204

(f) Where the toe of the spoil rests on a downslope, a rock 17205
toe buttress of sufficient size to prevent mass movement is 17206
constructed. 17207

(g) The final configuration is compatible with the natural 17208
drainage pattern and surroundings and suitable for intended uses. 17209

(h) Design of the spoil disposal area is certified by a 17210

qualified registered professional engineer in conformance with 17211
professional standards. 17212

(i) All other provisions of this chapter are met. 17213

(22) Meet such other criteria as are necessary to achieve 17214
reclamation in accordance with the purpose of this chapter, taking 17215
into consideration the physical, climatological, and other 17216
characteristics of the site; 17217

(23) To the extent possible, using the best technology 17218
currently available, minimize disturbances and adverse impacts of 17219
the operation on fish, wildlife, and related environmental values, 17220
and achieve enhancement of such resources where practicable; 17221

(24) Provide for an undisturbed natural barrier beginning at 17222
the elevation of the lowest coal seam to be mined and extending 17223
from the outslope for such distance as the chief shall determine 17224
to be retained in place as a barrier to slides and erosion; 17225

(25) Restore on the permit area streams and wetlands affected 17226
by mining operations unless the chief approves restoration off the 17227
permit area without a permit required by section 1513.07 or 17228
1513.074 of the Revised Code, instead of restoration on the permit 17229
area, of a stream or wetland or a portion of a stream or wetland, 17230
provided that the chief first makes all of the following written 17231
determinations: 17232

(a) A hydrologic and engineering assessment of the affected 17233
lands, submitted by the operator, demonstrates that restoration on 17234
the permit area is not possible. 17235

(b) The proposed mitigation plan under which mitigation 17236
activities described in division (A)(25)(c) of this section will 17237
be conducted is limited to a stream or wetland, or a portion of a 17238
stream or wetland, for which restoration on the permit area is not 17239
possible. 17240

(c) Mitigation activities off the permit area, including mitigation banking and payment of in-lieu mitigation fees, will be performed pursuant to a permit issued under sections 401 and 404 of the "Federal Water Pollution Control Act" as defined in section 6111.01 of the Revised Code or an isolated wetland permit issued under Chapter 6111. of the Revised Code or pursuant to a no-cost reclamation contract for the restoration of water resources affected by past mining activities pursuant to section 1513.37 of the Revised Code.

(d) The proposed mitigation plan and mitigation activities comply with the standards established in this section.

If the chief approves restoration off the permit area in accordance with this division, the operator shall complete all mitigation construction or other activities required by the mitigation plan.

Performance security for reclamation activities on the permit area shall be released pursuant to division (F) of this section, except that the release of the remaining portion of performance security under division (F)(3)(c) of this section shall not be approved prior to the construction of required mitigation activities off the permit area.

(B)(1) The chief may permit mining operations for the purposes set forth in division (B)(3) of this section.

(2) When an applicant meets the requirements of divisions (B)(3) and (4) of this section, a permit without regard to the requirement to restore to approximate original contour known as mountain top removal set forth in divisions (A)(3) or (C)(2) and (3) of this section may be granted for the mining of coal where the mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill, except as provided in division (B)(4)(a) of this section, by

removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining, and capable of supporting postmining uses in accordance with this division.

(3) In cases where an industrial, commercial, agricultural, residential, or public facility use, including recreational facilities, is proposed for the postmining use of the affected land, the chief may grant a permit for a mining operation of the nature described in division (B)(2) of this section when all of the following apply:

(a) After consultation with the appropriate land use planning agencies, if any, the proposed postmining land use is considered to constitute an equal or better economic or public use of the affected land, as compared with premining use.

(b) The applicant presents specific plans for the proposed postmining land use and appropriate assurances that the use will be all of the following:

(i) Compatible with adjacent land uses;

(ii) Obtainable according to data regarding expected need and market;

(iii) Assured of investment in necessary public facilities;

(iv) Supported by commitments from public agencies where appropriate;

(v) Practicable with respect to private financial capability for completion of the proposed use;

(vi) Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use;

(vii) Designed by a registered engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the

site. 17302

(c) The proposed use is consistent with adjacent land uses 17303
and existing state and local land use plans and programs. 17304

(d) The chief provides the governing body of the unit of 17305
general-purpose local government in which the land is located, and 17306
any state or federal agency that the chief, in the chief's 17307
discretion, determines to have an interest in the proposed use, an 17308
opportunity of not more than sixty days to review and comment on 17309
the proposed use. 17310

(e) All other requirements of this chapter will be met. 17311

(4) In granting a permit pursuant to this division, the chief 17312
shall require that each of the following is met: 17313

(a) The toe of the lowest coal seam and the overburden 17314
associated with it are retained in place as a barrier to slides 17315
and erosion. 17316

(b) The reclaimed area is stable. 17317

(c) The resulting plateau or rolling contour drains inward 17318
from the out slopes except at specified points. 17319

(d) No damage will be done to natural watercourses. 17320

(e) Spoil will be placed on the mountaintop bench as is 17321
necessary to achieve the planned postmining land use, except that 17322
all excess spoil material not retained on the mountaintop bench 17323
shall be placed in accordance with division (A)(21) of this 17324
section. 17325

(f) Stability of the spoil retained on the mountaintop bench 17326
is ensured and the other requirements of this chapter are met. 17327

(5) The chief shall adopt specific rules to govern the 17328
granting of permits in accordance with divisions (B)(1) to (4) of 17329
this section and may impose such additional requirements as the 17330
chief considers necessary. 17331

(6) All permits granted under divisions (B)(1) to (4) of this section shall be reviewed not more than three years from the date of issuance of the permit unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan.

(C) All of the following performance standards apply to steep-slope coal mining and are in addition to those general performance standards required by this section, except that this division does not apply to those situations in which an operator is mining on flat or gently rolling terrain on which an occasional steep slope is encountered through which the mining operation is to proceed, leaving a plain or predominantly flat area, or where an operator is in compliance with division (B) of this section:

(1) The operator shall ensure that when performing coal mining on steep slopes, no debris, abandoned or disabled equipment, spoil material, or waste mineral matter is placed on the downslope below the bench or mining cut. Spoil material in excess of that required for the reconstruction of the approximate original contour under division (A)(3) or (C)(2) of this section shall be permanently stored pursuant to division (A)(21) of this section.

(2) The operator shall complete backfilling with spoil material to cover completely the highwall and return the site to the approximate original contour, which material will maintain stability following mining and reclamation.

(3) The operator shall not disturb land above the top of the highwall unless the chief finds that the disturbance will facilitate compliance with the environmental protection standards of this section, except that any such disturbance involving land above the highwall shall be limited to that amount of land necessary to facilitate compliance.

(D)(1) The chief may permit variances for the purposes set forth in division (D)(3) of this section, provided that the watershed control of the area is improved and that complete backfilling with spoil material shall be required to cover completely the highwall, which material will maintain stability following mining and reclamation.

(2) Where an applicant meets the requirements of divisions (D)(3) and (4) of this section, a variance from the requirement to restore to approximate original contour set forth in division (C)(2) of this section may be granted for the mining of coal when the owner of the surface knowingly requests in writing, as a part of the permit application, that such a variance be granted so as to render the land, after reclamation, suitable for an industrial, commercial, residential, or public use, including recreational facilities, in accordance with divisions (D)(3) and (4) of this section.

(3) A variance pursuant to division (D)(2) of this section may be granted if:

(a) After consultation with the appropriate land use planning agencies, if any, the potential use of the affected land is considered to constitute an equal or better economic or public use.

(b) The postmining land condition is designed and certified by a registered professional engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the site.

(c) After approval of the appropriate state environmental agencies, the watershed of the affected land is considered to be improved.

(4) In granting a variance pursuant to division (D) of this

section, the chief shall require that only such amount of spoil 17395
will be placed off the mine bench as is necessary to achieve the 17396
planned postmining land use, ensure stability of the spoil 17397
retained on the bench, and meet all other requirements of this 17398
chapter. All spoil placement off the mine bench shall comply with 17399
division (A)(21) of this section. 17400

(5) The chief shall adopt specific rules to govern the 17401
granting of variances under division (D) of this section and may 17402
impose such additional requirements as the chief considers 17403
necessary. 17404

(6) All variances granted under division (D) of this section 17405
shall be reviewed not more than three years from the date of 17406
issuance of the permit unless the permittee affirmatively 17407
demonstrates that the proposed development is proceeding in 17408
accordance with the terms of the reclamation plan. 17409

(E) The chief shall establish standards and criteria 17410
regulating the design, location, construction, operation, 17411
maintenance, enlargement, modification, removal, and abandonment 17412
of new and existing coal mine waste piles referred to in division 17413
(A)(13) of this section and division (A)(5) of section 1513.35 of 17414
the Revised Code. The standards and criteria shall conform to the 17415
standards and criteria used by the chief of the United States army 17416
corps of engineers to ensure that flood control structures are 17417
safe and effectively perform their intended function. In addition 17418
to engineering and other technical specifications, the standards 17419
and criteria developed pursuant to this division shall include 17420
provisions for review and approval of plans and specifications 17421
prior to construction, enlargement, modification, removal, or 17422
abandonment; performance of periodic inspections during 17423
construction; issuance of certificates of approval upon completion 17424
of construction; performance of periodic safety inspections; and 17425
issuance of notices for required remedial or maintenance work. 17426

(F)(1) The permittee may file a request with the chief for 17427
release of a part of a performance security under division (F)(3) 17428
of this section. Within thirty days after any request for 17429
performance security release under this section has been filed 17430
with the chief, the operator shall submit a copy of an 17431
advertisement placed at least once a week for four successive 17432
weeks in a newspaper of general circulation in the locality of the 17433
coal mining operation. The advertisement shall be considered part 17434
of any performance security release application and shall contain 17435
a notification of the precise location of the land affected, the 17436
number of acres, the permit number and the date approved, the 17437
amount of the performance security filed and the portion sought to 17438
be released, the type and appropriate dates of reclamation work 17439
performed, and a description of the results achieved as they 17440
relate to the operator's approved reclamation plan and, if 17441
applicable, the operator's pollution abatement plan. In addition, 17442
as part of any performance security release application, the 17443
applicant shall submit copies of the letters sent to adjoining 17444
property owners, local governmental bodies, planning agencies, and 17445
sewage and water treatment authorities or water companies in the 17446
locality in which the coal mining and reclamation activities took 17447
place, notifying them of the applicant's intention to seek release 17448
from the performance security. 17449

(2) Upon receipt of a copy of the advertisement and request 17450
for release of a performance security under division (F)(3)(c) of 17451
this section, the chief, within thirty days, shall conduct an 17452
inspection and evaluation of the reclamation work involved. The 17453
evaluation shall consider, among other things, the degree of 17454
difficulty to complete any remaining reclamation, whether 17455
pollution of surface and subsurface water is occurring, the 17456
probability of continuation or future occurrence of the pollution, 17457
and the estimated cost of abating the pollution. The chief shall 17458
notify the permittee in writing of the decision to release or not 17459

to release all or part of the performance security within sixty 17460
days after the filing of the request if no public hearing is held 17461
pursuant to division (F)(6) of this section or, if there has been 17462
a public hearing held pursuant to division (F)(6) of this section, 17463
within thirty days thereafter. 17464

(3) The chief may release the performance security if the 17465
reclamation covered by the performance security or portion thereof 17466
has been accomplished as required by this chapter and rules 17467
adopted under it according to the following schedule: 17468

(a) When the operator completes the backfilling, regrading, 17469
and drainage control of an area for which performance security has 17470
been provided in accordance with the approved reclamation plan, 17471
and, if the area covered by the performance security is one for 17472
which an authorization was made under division (E)(7) of section 17473
1513.07 of the Revised Code, the operator has complied with the 17474
approved pollution abatement plan and all additional requirements 17475
established by the chief in rules adopted under section 1513.02 of 17476
the Revised Code governing coal mining and reclamation operations 17477
on pollution abatement areas, the chief shall grant a release of 17478
fifty per cent of the performance security for the applicable 17479
permit area. 17480

(b) After resoiling and revegetation have been established on 17481
the regraded mined lands in accordance with the approved 17482
reclamation plan, the chief shall grant a release in an amount not 17483
exceeding thirty-five per cent of the original performance 17484
security for all or part of the affected area under the permit. 17485
When determining the amount of performance security to be released 17486
after successful revegetation has been established, the chief 17487
shall retain that amount of performance security for the 17488
revegetated area that would be sufficient for a third party to 17489
cover the cost of reestablishing revegetation for the period 17490
specified for operator responsibility in this section for 17491

reestablishing revegetation. No part of the performance security 17492
shall be released under this division so long as the lands to 17493
which the release would be applicable are contributing suspended 17494
solids to streamflow or runoff outside the permit area in excess 17495
of the requirements of this section or until soil productivity for 17496
prime farmlands has returned to equivalent levels of yield as 17497
nonmined land of the same soil type in the surrounding area under 17498
equivalent management practices as determined from the soil survey 17499
performed pursuant to section 1513.07 of the Revised Code. If the 17500
area covered by the performance security is one for which an 17501
authorization was made under division (E)(7) of section 1513.07 of 17502
the Revised Code, no part of the performance security shall be 17503
released under this division until the operator has complied with 17504
the approved pollution abatement plan and all additional 17505
requirements established by the chief in rules adopted under 17506
section 1513.02 of the Revised Code governing coal mining and 17507
reclamation operations on pollution abatement areas. Where a silt 17508
dam is to be retained as a permanent impoundment pursuant to 17509
division (A)(10) of this section, the portion of performance 17510
security may be released under this division so long as provisions 17511
for sound future maintenance by the operator or the landowner have 17512
been made with the chief. 17513

(c) When the operator has completed successfully all coal 17514
mining and reclamation activities, including, if applicable, all 17515
additional requirements established in the pollution abatement 17516
plan approved under division (E)(7) of section 1513.07 of the 17517
Revised Code and all additional requirements established by the 17518
chief in rules adopted under section 1513.02 of the Revised Code 17519
governing coal mining and reclamation operations on pollution 17520
abatement areas, the chief shall release all or any of the 17521
remaining portion of the performance security for all or part of 17522
the affected area under a permit, but not before the expiration of 17523
the period specified for operator responsibility in this section, 17524

except that the chief may adopt rules for a variance to the 17525
operator period of responsibility considering vegetation success 17526
and probability of continued growth and consent of the landowner, 17527
provided that no performance security shall be fully released 17528
until all reclamation requirements of this chapter are fully met. 17529

(4) If the chief disapproves the application for release of 17530
the performance security or portion thereof, the chief shall 17531
notify the permittee, in writing, stating the reasons for 17532
disapproval and recommending corrective actions necessary to 17533
secure the release, and allowing the opportunity for a public 17534
adjudicatory hearing. 17535

(5) When any application for total or partial performance 17536
security release is filed with the chief under this section, the 17537
chief shall notify the municipal corporation in which the coal 17538
mining operation is located by certified mail at least thirty days 17539
prior to the release of all or a portion of the performance 17540
security. 17541

(6) A person with a valid legal interest that might be 17542
adversely affected by release of a performance security under this 17543
section or the responsible officer or head of any federal, state, 17544
or local government agency that has jurisdiction by law or special 17545
expertise with respect to any environmental, social, or economic 17546
impact involved in the operation or is authorized to develop and 17547
enforce environmental standards with respect to such operations 17548
may file written objections to the proposed release from the 17549
performance security with the chief within thirty days after the 17550
last publication of the notice required by division (F)(1) of this 17551
section. If written objections are filed and an informal 17552
conference is requested, the chief shall inform all interested 17553
parties of the time and place of the conference. The date, time, 17554
and location of the informal conference shall be advertised by the 17555
chief in a newspaper of general circulation in the locality of the 17556

coal mining operation proposed for performance security release 17557
for at least once a week for two consecutive weeks. The informal 17558
conference shall be held in the locality of the coal mining 17559
operation proposed for performance security release or in Franklin 17560
county, at the option of the objector, within thirty days after 17561
the request for the conference. An electronic or stenographic 17562
record shall be made of the conference proceeding unless waived by 17563
all parties. The record shall be maintained and shall be 17564
accessible to the parties until final release of the performance 17565
security at issue. In the event all parties requesting the 17566
informal conference stipulate agreement prior to the requested 17567
informal conference and withdraw their request, the informal 17568
conference need not be held. 17569

(7) If an informal conference has been held pursuant to 17570
division (F)(6) of this section, the chief shall issue and furnish 17571
the applicant and persons who participated in the conference with 17572
the written decision regarding the release within sixty days after 17573
the conference. Within thirty days after notification of the final 17574
decision of the chief regarding the performance security release, 17575
the applicant or any person with an interest that is or may be 17576
adversely affected by the decision may appeal the decision to the 17577
reclamation commission pursuant to section 1513.13 of the Revised 17578
Code. 17579

(8)(a) If the chief determines that a permittee is 17580
responsible for mine drainage that requires water treatment after 17581
reclamation is completed under the terms of the permit or that a 17582
permittee must provide an alternative water supply after 17583
reclamation is completed under the terms of the permit, the 17584
permittee shall provide alternative financial security in an 17585
amount determined by the chief prior to the release of the 17586
remaining portion of performance security under division (F)(3)(c) 17587
of this section. The alternative financial security shall be in an 17588

amount that is equal to or greater than the present value of the 17589
estimated cost over time to develop and implement mine drainage 17590
plans and provide water treatment or in an amount that is 17591
necessary to provide and maintain an alternative water supply, as 17592
applicable. The alternative financial security shall include a 17593
contract, trust, or other agreement or mechanism that is 17594
enforceable under law to provide long-term water treatment or a 17595
long-term alternative water supply, or both. The contract, trust, 17596
or other agreement or mechanism included with the alternative 17597
financial security may provide for the funding of the alternative 17598
financial security incrementally over a period of time, not to 17599
exceed five years, with reliance on guarantees or other collateral 17600
provided by the permittee and approved by the chief for the 17601
balance of the alternative financial security required until the 17602
alternative financial security has been fully funded by the 17603
permittee. 17604

(b) The chief shall adopt rules in accordance with Chapter 17605
119. of the Revised Code that are necessary for the administration 17606
of division (F)(8)(a) of this section. 17607

(c) If the chief determines that a permittee must provide 17608
alternative financial security under division (F)(8)(a) of this 17609
section and the performance security for the permit was provided 17610
under division (C)(2) of section 1513.08 of the Revised Code, the 17611
permittee may fund the alternative financial security 17612
incrementally over a period of time, not to exceed five years, 17613
with reliance on the reclamation forfeiture fund created in 17614
section 1513.18 of the Revised Code for the balance of the 17615
alternative financial security required until the alternative 17616
financial security has been fully funded by the permittee. The 17617
permittee semiannually shall pay to the division of mineral 17618
resources management a fee that is equal to seven and one-half per 17619
cent of the average balance of the alternative financial security 17620

that is being provided by reliance on the reclamation forfeiture fund over the previous six months. All money received from the fee shall be credited to the reclamation forfeiture fund.

(9) Final release of the performance security in accordance with division (F)(3)(c) of this section terminates the jurisdiction of the chief under this chapter over the reclaimed site of a surface coal mining and reclamation operation or applicable portion of an operation. However, the chief shall reassert jurisdiction over such a site if the release was based on fraud, collusion, or misrepresentation of a material fact and the chief, in writing, demonstrates evidence of the fraud, collusion, or misrepresentation. Any person with an interest that is or may be adversely affected by the chief's determination may appeal the determination to the reclamation commission in accordance with section 1513.13 of the Revised Code.

(G) The chief shall adopt rules governing the criteria for forfeiture of performance security, the method of determining the forfeited amount, and the procedures to be followed in the event of forfeiture. Cash received as the result of such forfeiture is the property of the state.

Sec. 1531.35. The wildlife boater angler fund is hereby created in the state treasury. The fund shall consist of money credited to the fund pursuant to section 5735.051 of the Revised Code and other money contributed to the division of wildlife for the purposes of the fund. The fund shall be used for boating access construction, improvements, ~~and~~ maintenance and repair of dams and impoundments, and acquisitions, including lands and facilities for boating access, and to pay for equipment and personnel costs involved with those activities, on ~~lakes~~ waters on which the operation of gasoline-powered watercraft is permissible. However, not more than ~~two~~ five hundred thousand dollars of the

annual expenditures from the fund may be used to pay for the 17652
equipment and personnel costs. 17653

Sec. 1533.10. Except as provided in this section or division 17654
(A)(2) of section 1533.12 or section 1533.73 or 1533.731 of the 17655
Revised Code, no person shall hunt any wild bird or wild quadruped 17656
without a hunting license. Each day that any person hunts within 17657
the state without procuring such a license constitutes a separate 17658
offense. Except as otherwise provided in this section, every 17659
applicant for a hunting license who is a resident of the state and 17660
eighteen years of age or more shall procure a resident hunting 17661
license or an apprentice resident hunting license, the fee for 17662
which shall be eighteen dollars unless the rules adopted under 17663
division (B) of section 1533.12 of the Revised Code provide for 17664
issuance of a resident hunting license to the applicant free of 17665
charge. Except as provided in rules adopted under division (B)(2) 17666
of that section, each applicant who is a resident of this state 17667
and who at the time of application is sixty-six years of age or 17668
older shall procure a special senior hunting license, the fee for 17669
which shall be one-half of the regular hunting license fee. Every 17670
applicant who is under the age of eighteen years shall procure a 17671
special youth hunting license or an apprentice youth hunting 17672
license, the fee for which shall be one-half of the regular 17673
hunting license fee. 17674

A resident of this state who owns lands in the state and the 17675
owner's children of any age and grandchildren under eighteen years 17676
of age may hunt on the lands without a hunting license. A resident 17677
of any other state who owns real property in this state, and the 17678
spouse and children living with the property owner, may hunt on 17679
that property without a license, provided that the state of 17680
residence of the real property owner allows residents of this 17681
state owning real property in that state, and the spouse and 17682
children living with the property owner, to hunt without a 17683

license. If the owner of land in this state is a limited liability 17684
company or a limited liability partnership that consists of three 17685
or fewer individual members or partners, as applicable, an 17686
individual member or partner who is a resident of this state and 17687
the member's or partner's children of any age and grandchildren 17688
under eighteen years of age may hunt on the land owned by the 17689
limited liability company or limited liability partnership without 17690
a hunting license. In addition, if the owner of land in this state 17691
is a trust that has a total of three or fewer trustees and 17692
beneficiaries, an individual who is a trustee or beneficiary and 17693
who is a resident of this state and the individual's children of 17694
any age and grandchildren under eighteen years of age may hunt on 17695
the land owned by the trust without a hunting license. The tenant 17696
and children of the tenant, residing on lands in the state, may 17697
hunt on them without a hunting license. 17698

Except as otherwise provided in division (A)(1) of section 17699
1533.12 of the Revised Code, every applicant for a hunting license 17700
who is a nonresident of the state and who is eighteen years of age 17701
or older shall procure a nonresident hunting license or an 17702
apprentice nonresident hunting license, the fee for which shall be 17703
one hundred ~~twenty-four~~ forty-nine dollars unless the applicant is 17704
a resident of a state that is a party to an agreement under 17705
section 1533.91 of the Revised Code, in which case the fee shall 17706
be eighteen dollars. Apprentice resident hunting licenses, 17707
apprentice youth hunting licenses, and apprentice nonresident 17708
hunting licenses are subject to the requirements established under 17709
section 1533.102 of the Revised Code and rules adopted pursuant to 17710
it. 17711

The chief of the division of wildlife may issue a small game 17712
hunting license expiring three days from the effective date of the 17713
license to a nonresident of the state, the fee for which shall be 17714
thirty-nine dollars. No person shall take or possess deer, wild 17715

turkeys, fur-bearing animals, ducks, geese, brant, or any nongame 17716
animal while possessing only a small game hunting license. A small 17717
game hunting license or an apprentice nonresident hunting license 17718
does not authorize the taking or possessing of ducks, geese, or 17719
brant without having obtained, in addition to the small game 17720
hunting license or the apprentice nonresident hunting license, a 17721
wetlands habitat stamp as provided in section 1533.112 of the 17722
Revised Code. A small game hunting license or an apprentice 17723
nonresident hunting license does not authorize the taking or 17724
possessing of deer, wild turkeys, or fur-bearing animals. A 17725
nonresident of the state who wishes to take or possess deer, wild 17726
turkeys, or fur-bearing animals in this state shall procure, 17727
respectively, a deer or wild turkey permit as provided in section 17728
1533.11 of the Revised Code or a fur taker permit as provided in 17729
section 1533.111 of the Revised Code in addition to a nonresident 17730
hunting license, an apprentice nonresident hunting license, a 17731
special youth hunting license, or an apprentice youth hunting 17732
license, as applicable, as provided in this section. 17733

No person shall procure or attempt to procure a hunting 17734
license by fraud, deceit, misrepresentation, or any false 17735
statement. 17736

This section does not authorize the taking and possessing of 17737
deer or wild turkeys without first having obtained, in addition to 17738
the hunting license required by this section, a deer or wild 17739
turkey permit as provided in section 1533.11 of the Revised Code 17740
or the taking and possessing of ducks, geese, or brant without 17741
first having obtained, in addition to the hunting license required 17742
by this section, a wetlands habitat stamp as provided in section 17743
1533.112 of the Revised Code. 17744

This section does not authorize the hunting or trapping of 17745
fur-bearing animals without first having obtained, in addition to 17746
a hunting license required by this section, a fur taker permit as 17747

provided in section 1533.111 of the Revised Code. 17748

No hunting license shall be issued unless it is accompanied 17749
by a written explanation of the law in section 1533.17 of the 17750
Revised Code and the penalty for its violation, including a 17751
description of terms of imprisonment and fines that may be 17752
imposed. 17753

No hunting license, other than an apprentice hunting license, 17754
shall be issued unless the applicant presents to the agent 17755
authorized to issue the license a previously held hunting license 17756
or evidence of having held such a license in content and manner 17757
approved by the chief, a certificate of completion issued upon 17758
completion of a hunter education and conservation course approved 17759
by the chief, or evidence of equivalent training in content and 17760
manner approved by the chief. A previously held apprentice hunting 17761
license does not satisfy the requirement concerning the 17762
presentation of a previously held hunting license or evidence of 17763
it. 17764

No person shall issue a hunting license, except an apprentice 17765
hunting license, to any person who fails to present the evidence 17766
required by this section. No person shall purchase or obtain a 17767
hunting license, other than an apprentice hunting license, without 17768
presenting to the issuing agent the evidence required by this 17769
section. Issuance of a hunting license in violation of the 17770
requirements of this section is an offense by both the purchaser 17771
of the illegally obtained hunting license and the clerk or agent 17772
who issued the hunting license. Any hunting license issued in 17773
violation of this section is void. 17774

The chief, with approval of the wildlife council, shall adopt 17775
rules prescribing a hunter education and conservation course for 17776
first-time hunting license buyers, other than buyers of apprentice 17777
hunting licenses, and for volunteer instructors. The course shall 17778
consist of subjects including, but not limited to, hunter safety 17779

and health, use of hunting implements, hunting tradition and 17780
ethics, the hunter and conservation, the law in section 1533.17 of 17781
the Revised Code along with the penalty for its violation, 17782
including a description of terms of imprisonment and fines that 17783
may be imposed, and other law relating to hunting. Authorized 17784
personnel of the division or volunteer instructors approved by the 17785
chief shall conduct such courses with such frequency and at such 17786
locations throughout the state as to reasonably meet the needs of 17787
license applicants. The chief shall issue a certificate of 17788
completion to each person who successfully completes the course 17789
and passes an examination prescribed by the chief. 17790

Sec. 1533.11. (A)(1) Except as provided in this section or 17791
section 1533.731 of the Revised Code, no person shall hunt deer on 17792
lands of another without first obtaining an annual deer permit. 17793
Except as provided in this section, no person shall hunt wild 17794
turkeys on lands of another without first obtaining an annual wild 17795
turkey permit. ~~Each~~ 17796

(2) ~~Each~~ applicant for a ~~deer or~~ wild turkey permit shall pay 17797
an annual fee of twenty-three dollars for ~~each~~ the permit unless 17798
the rules adopted under division (B) of section 1533.12 of the 17799
Revised Code provide for issuance of a ~~deer or~~ wild turkey permit 17800
to the applicant free of charge. Except as provided in rules 17801
adopted under division (B)(2) of that section, each applicant who 17802
is a resident of this state and who at the time of application is 17803
sixty-six years of age or older shall procure a senior ~~deer or~~ 17804
wild turkey permit, the fee for which shall be one-half of the 17805
regular ~~deer or~~ wild turkey permit fee. Each applicant who is 17806
under the age of eighteen years shall procure a youth ~~deer or~~ wild 17807
turkey permit, the fee for which shall be one-half of the regular 17808
~~deer or~~ wild turkey permit fee. ~~Except~~ 17809

(3) Each applicant for a deer permit who is a resident of 17810

this state shall procure a resident deer permit, the fee for which 17811
is twenty-three dollars unless the rules adopted under division 17812
(B) of section 1533.12 of the Revised Code provide for issuance of 17813
a deer permit to the applicant free of charge. Each applicant for 17814
a deer permit who is a nonresident of this state shall procure a 17815
nonresident deer permit, the fee for which is ninety-nine dollars 17816
unless the rules adopted under that division provide for issuance 17817
of a deer permit to the applicant free of charge. Except as 17818
provided in rules adopted under division (B)(2) of section 1533.12 17819
of the Revised Code, each applicant who is a resident of this 17820
state and who at the time of application is sixty-six years of age 17821
or older shall procure a senior resident deer permit, the fee for 17822
which is one-half of the regular resident deer permit fee. Each 17823
applicant who is under the age of eighteen years, regardless of 17824
residency, shall procure a youth deer permit, the fee for which is 17825
one-half of the regular resident deer permit fee. 17826

(4) As used in this chapter, "deer permit" includes a 17827
resident deer permit and a nonresident deer permit unless the 17828
context indicates otherwise. 17829

(5) Except as provided in division (A)(2) of section 1533.12 17830
of the Revised Code, a deer or wild turkey permit shall run 17831
concurrently with the hunting license. The money received shall be 17832
paid into the state treasury to the credit of the wildlife fund, 17833
created in section 1531.17 of the Revised Code, exclusively for 17834
the use of the division of wildlife in the acquisition and 17835
development of land for deer or wild turkey management, for 17836
investigating deer or wild turkey problems, and for the stocking, 17837
management, and protection of deer or wild turkey. Every person, 17838
while hunting deer or wild turkey on lands of another, shall carry 17839
the person's deer or wild turkey permit and exhibit it to any 17840
enforcement officer so requesting. Failure to so carry and exhibit 17841
such a permit constitutes an offense under this section. The chief 17842

of the division of wildlife shall adopt any additional rules the 17843
chief considers necessary to carry out this section and section 17844
1533.10 of the Revised Code. 17845

An owner who is a resident of this state or an owner who is 17846
exempt from obtaining a hunting license under section 1533.10 of 17847
the Revised Code and the children of the owner of lands in this 17848
state may hunt deer or wild turkey thereon without a deer or wild 17849
turkey permit. If the owner of land in this state is a limited 17850
liability company or a limited liability partnership that consists 17851
of three or fewer individual members or partners, as applicable, 17852
an individual member or partner who is a resident of this state 17853
and the member's or partner's children of any age may hunt deer or 17854
wild turkey on the land owned by the limited liability company or 17855
limited liability partnership without a deer or wild turkey 17856
permit. In addition, if the owner of land in this state is a trust 17857
that has a total of three or fewer trustees and beneficiaries, an 17858
individual who is a trustee or beneficiary and who is a resident 17859
of this state and the individual's children of any age may hunt 17860
deer or wild turkey on the land owned by the trust without a deer 17861
or wild turkey permit. The tenant and children of the tenant may 17862
hunt deer or wild turkey on lands where they reside without a deer 17863
or wild turkey permit. 17864

(B) A deer or wild turkey permit is not transferable. No 17865
person shall carry a deer or wild turkey permit issued in the name 17866
of another person. 17867

(C) The wildlife refunds fund is hereby created in the state 17868
treasury. The fund shall consist of money received from 17869
application fees for deer permits that are not issued. Money in 17870
the fund shall be used to make refunds of such application fees. 17871

(D) If the division establishes a system for the electronic 17872
submission of information regarding deer or wild turkey that are 17873
taken, the division shall allow the owner and the children of the 17874

owner of lands in this state to use the owner's name or address 17875
for purposes of submitting that information electronically via 17876
that system. 17877

Sec. 1533.12. (A)(1) Except as otherwise provided in division 17878
(A)(2) of this section, every person on active duty in the armed 17879
forces of the United States who is stationed in this state and who 17880
wishes to engage in an activity for which a license, permit, or 17881
stamp is required under this chapter first shall obtain the 17882
requisite license, permit, or stamp. Such a person is eligible to 17883
obtain a resident hunting or fishing license regardless of whether 17884
the person qualifies as a resident of this state. To obtain a 17885
resident hunting or fishing license, the person shall present a 17886
card or other evidence identifying the person as being on active 17887
duty in the armed forces of the United States and as being 17888
stationed in this state. 17889

(2) Every person on active duty in the armed forces of the 17890
United States, while on leave or furlough, may take or catch fish 17891
of the kind lawfully permitted to be taken or caught within the 17892
state, may hunt any wild bird or wild quadruped lawfully permitted 17893
to be hunted within the state, and may trap fur-bearing animals 17894
lawfully permitted to be trapped within the state, without 17895
procuring a fishing license, a hunting license, a fur taker 17896
permit, or a wetlands habitat stamp required by this chapter, 17897
provided that the person shall carry on the person when fishing, 17898
hunting, or trapping, a card or other evidence identifying the 17899
person as being on active duty in the armed forces of the United 17900
States, and provided that the person is not otherwise violating 17901
any of the hunting, fishing, and trapping laws of this state. 17902

In order to hunt deer or wild turkey, any such person shall 17903
obtain a resident deer or wild turkey permit, as applicable, under 17904
section 1533.11 of the Revised Code. Such a person is eligible to 17905

obtain a resident deer permit regardless of whether the person is 17906
a resident of this state. However, the person need not obtain a 17907
hunting license in order to obtain ~~such a~~ either permit. 17908

(B) The chief of the division of wildlife shall provide by 17909
rule adopted under section 1531.10 of the Revised Code all of the 17910
following: 17911

(1) Every resident of this state with a disability that has 17912
been determined by the veterans administration to be permanently 17913
and totally disabling, who receives a pension or compensation from 17914
the veterans administration, and who received an honorable 17915
discharge from the armed forces of the United States, and every 17916
veteran to whom the registrar of motor vehicles has issued a set 17917
of license plates under section 4503.41 of the Revised Code, shall 17918
be issued a fishing license, hunting license, fur taker permit, 17919
deer or wild turkey permit, or wetlands habitat stamp, or any 17920
combination of those licenses, permits, and stamp, free of charge 17921
on an annual, multi-year, or lifetime basis as determined 17922
appropriate by the chief when application is made to the chief in 17923
the manner prescribed by and on forms provided by the chief. 17924

(2) Every resident of the state who was born on or before 17925
December 31, 1937, shall be issued an annual fishing license, 17926
hunting license, fur taker permit, deer or wild turkey permit, or 17927

(b) Notwithstanding section 4731.22 of the Revised Code, the 20218

proceeding resulting from a report submitted pursuant to this 20222
section. 20223

(2) In any civil or criminal action or proceeding in which it 20224
is alleged and proved that participation in the making of a report 20225
under this section was not in good faith or participation in a 20226

in this division shall preclude the use of reports of other 20239
incidents of known or suspected abuse or neglect in a civil action 20240
or proceeding brought pursuant to division (M) of this section 20241
against a person who is alleged to have violated division (A)(1) 20242

of this section, provided that any information in a report that 20243
would identify the child who is the subject of the report or the 20244
maker of the report, if the maker of the report is not the 20245
defendant or an agent or employee of the defendant, has been 20246
redacted. In a criminal proceeding, the report is admissible in 20247

to discovery in accordance with the Rules of Criminal Procedure. 20249

(2) No person shall permit or encourage the unauthorized 20250

section. 20252

(3) A person who knowingly makes or causes another person to 20253
make a false report under division (B) of this section that 20254
alleges that any person has committed an act or omission that 20255
resulted in a child being an abused child or a neglected child is 20256
guilty of a violation of section 2921.14 of the Revised Code. 20257

(4) If a report is made pursuant to division (A) or (B) of 20258
this section and the child who is the subject of the report dies 20259
for any reason at any time after the report is made, but before 20260
the child attains eighteen years of age, the public children 20261
services agency or municipal or county peace officer to which the 20262
report was made or referred, on the request of the child fatality 20263
review board or the director of health pursuant to guidelines 20264
established under section 3701.70 of the Revised Code, shall 20265
submit a summary sheet of information providing a summary of the 20266

child resided at the time of death or to the director. On the 20268
request of the review board or director, the agency or peace 20269
officer may, at its discretion, make the report available to the 20270
review board or director. If the county served by the public 20271
children services agency is also served by a children's advocacy 20272
center and the report of alleged sexual abuse of a child or 20273
another type of abuse of a child is specified in the memorandum of 20274

functions specified in this division in accordance with the 20277
interagency agreement entered into under section 2151.428 of the 20278
Revised Code relative to that advocacy center. 20279

(5) A public children services agency shall advise a person 20280

subject of a report made pursuant to this section, including a 20282
report alleging sexual abuse of a child or another type of abuse 20283
of a child referred to a children's advocacy center pursuant to an 20284
interagency agreement entered into under section 2151.428 of the 20285
Revised Code, in writing of the disposition of the investigation. 20286
The agency shall not provide to the person any information that 20287
identifies the person who made the report, statements of 20288
witnesses, or police or other investigative reports. 20289

(I) Any report that is required by this section, other than a 20290
report that is made to the state highway patrol as described in 20291
section 5120.173 of the Revised Code, shall result in protective 20292
services and emergency supportive services being made available by 20293
the public children services agency on behalf of the children 20294
about whom the report is made, in an effort to prevent further 20295
neglect or abuse, to enhance their welfare, and, whenever 20296

A failure to

follow the procedure set forth in the memorandum by the concerned 20337
officials is not grounds for, and shall not result in, the 20338
dismissal of any charges or complaint arising from any reported 20339
case of abuse or neglect or the suppression of any evidence 20340
obtained as a result of any reported child abuse or child neglect 20341
and does not give, and shall not be construed as giving, any 20342

(3) A memorandum of understanding shall include all of the 20345
following: 20346

(a) The roles and responsibilities for handling emergency and 20347
nonemergency cases of abuse and neglect; 20348

(b) Standards and procedures to be used in handling and 20349
coordinating investigations of reported cases of child abuse and 20350
reported cases of child neglect, methods to be used in 20351
interviewing the child who is the subject of the report and who 20352
allegedly was abused or neglected, and standards and procedures 20353
addressing the categories of persons who may interview the child 20354
who is the subject of the report and who allegedly was abused or 20355
neglected. 20356

(4) If a public children services agency participated in the 20357
execution of a memorandum of understanding under section 2151.426 20358
of the Revised Code establishing a children's advocacy center, the 20359
agency shall incorporate the contents of that memorandum in the 20360
memorandum prepared pursuant to this section. 20361

(5) The clerk of the court of common pleas in the county may 20362

who is the subject of the report; 20384

(e) Whether the report has resulted in the filing of a 20385
complaint in juvenile court or of criminal charges in another 20386
court. 20387

(2) A person may request the information specified in 20388
division (K)(1) of this section only if, at the time the report is 20389

confidential information regarding the child who is the subject of 20406
the report other than the information described in those 20407

pursuant to division (A) of this section. 20411

(4) If an agency other than the agency that received or was 20412
referred the report is conducting the investigation of the report 20413

conducting the investigation shall comply with the requirements of 20415
division (K) of this section. 20416

aid in ensuring that children are protected from abuse and 20421
neglect. The department shall make recommendations to the attorney 20422
general that the department determines are necessary to protect 20423
children from child abuse and child neglect. 20424

(M) Whoever violates division (A) of this section is liable 20425
for compensatory and exemplary damages to the child who would have 20426
been the subject of the report that was not made. A person who 20427
brings a civil action or proceeding pursuant to this division 20428
against a person who is alleged to have violated division (A)(1) 20429

of this section may use in the action or proceeding reports of 20430
other incidents of known or suspected abuse or neglect, provided 20431
that any information in a report that would identify the child who 20432
is the subject of the report or the maker of the report, if the 20433
maker is not the defendant or an agent or employee of the 20434
defendant, has been redacted. 20435

the out-of-home care entity that is the subject of the report 20457
unless the administrator, director, or other chief administrative 20458

L.S.D. in a solid form or equals or exceeds one hundred grams but 22244
is less than five hundred grams of L.S.D. in a liquid concentrate, 22245
liquid extract, or liquid distillate form and regardless of 22246

to impose a prison term for the offense. If the amount of the drug 22432
involved is within that range and if the offense was committed in 22433
the vicinity of a school or in the vicinity of a juvenile, 22434
trafficking in a controlled substance analog is a felony of the 22435

(f) If the amount of the drug involved equals or exceeds forty grams but is less than fifty grams and regardless of whether the offense was committed in the vicinity of a school or in the vicinity of a juvenile, trafficking in a controlled substance analog is a felony of the first degree, and the court shall impose as a mandatory prison term one of the prison terms prescribed for a felony of the first degree.

(g) If the amount of the drug involved equals or exceeds fifty grams and regardless of whether the offense was committed in the vicinity of a school or in the vicinity of a juvenile,

trafficking in a controlled substance analog is a felony of the 22470
first degree, the offender is a major drug offender, and the court 22471
shall impose as a mandatory prison term the maximum prison term 22472
prescribed for a felony of the first degree. 22473

(D) In addition to any prison term authorized or required by 22474
division (C) of this section and sections 2929.13 and 2929.14 of 22475
the Revised Code, and in addition to any other sanction imposed 22476
for the offense under this section or sections 2929.11 to 2929.18 22477
of the Revised Code, the court that sentences an offender who is 22478
convicted of or pleads guilty to a violation of division (A) of 22479
this section shall do all of the following that are applicable 22480
regarding the offender: 22481

(1) If the violation of division (A) of this section is a 22482
felony of the first, second, or third degree, the court shall 22483
impose upon the offender the mandatory fine specified for the 22484
offense under division (B)(1) of section 2929.18 of the Revised 22485
Code unless, as specified in that division, the court determines 22486
that the offender is indigent. Except as otherwise provided in 22487
division (H)(1) of this section, a mandatory fine or any other 22488
fine imposed for a violation of this section is subject to 22489
division (F) of this section. If a person is charged with a 22490
violation of this section that is a felony of the first, second, 22491
or third degree, posts bail, and forfeits the bail, the clerk of 22492
the court shall pay the forfeited bail pursuant to divisions 22493
(D)(1) and (F) of this section, as if the forfeited bail was a 22494
fine imposed for a violation of this section. If any amount of the 22495
forfeited bail remains after that payment and if a fine is imposed 22496
under division (H)(1) of this section, the clerk of the court 22497
shall pay the remaining amount of the forfeited bail pursuant to 22498
divisions (H)(2) and (3) of this section, as if that remaining 22499
amount was a fine imposed under division (H)(1) of this section. 22500

(2) The court shall suspend the driver's or commercial 22501

driver's license or permit of the offender in accordance with 22502
division (G) of this section. 22503

(3) If the offender is a professionally licensed person, the 22504
court immediately shall comply with section 2925.38 of the Revised 22505
Code. 22506

(E) When a person is charged with the sale of or offer to 22507
sell a bulk amount or a multiple of a bulk amount of a controlled 22508
substance, the jury, or the court trying the accused, shall 22509
determine the amount of the controlled substance involved at the 22510
time of the offense and, if a guilty verdict is returned, shall 22511
return the findings as part of the verdict. In any such case, it 22512
is unnecessary to find and return the exact amount of the 22513
controlled substance involved, and it is sufficient if the finding 22514
and return is to the effect that the amount of the controlled 22515
substance involved is the requisite amount, or that the amount of 22516
the controlled substance involved is less than the requisite 22517
amount. 22518

(F)(1) Notwithstanding any contrary provision of section 22519
3719.21 of the Revised Code and except as provided in division (H) 22520
of this section, the clerk of the court shall pay any mandatory 22521
fine imposed pursuant to division (D)(1) of this section and any 22522
fine other than a mandatory fine that is imposed for a violation 22523
of this section pursuant to division (A) or (B)(5) of section 22524
2929.18 of the Revised Code to the county, township, municipal 22525
corporation, park district, as created pursuant to section 511.18 22526
or 1545.04 of the Revised Code, or state law enforcement agencies 22527
in this state that primarily were responsible for or involved in 22528
making the arrest of, and in prosecuting, the offender. However, 22529
the clerk shall not pay a mandatory fine so imposed to a law 22530
enforcement agency unless the agency has adopted a written 22531
internal control policy under division (F)(2) of this section that 22532
addresses the use of the fine moneys that it receives. Each agency 22533

shall use the mandatory fines so paid to subsidize the agency's 22534
law enforcement efforts that pertain to drug offenses, in 22535
accordance with the written internal control policy adopted by the 22536
recipient agency under division (F)(2) of this section. 22537

(2) Prior to receiving any fine moneys under division (F)(1) 22538
of this section or division (B) of section 2925.42 of the Revised 22539
Code, a law enforcement agency shall adopt a written internal 22540
control policy that addresses the agency's use and disposition of 22541
all fine moneys so received and that provides for the keeping of 22542
detailed financial records of the receipts of those fine moneys, 22543
the general types of expenditures made out of those fine moneys, 22544
and the specific amount of each general type of expenditure. The 22545
policy shall not provide for or permit the identification of any 22546
specific expenditure that is made in an ongoing investigation. All 22547
financial records of the receipts of those fine moneys, the 22548
general types of expenditures made out of those fine moneys, and 22549
the specific amount of each general type of expenditure by an 22550
agency are public records open for inspection under section 149.43 22551
of the Revised Code. Additionally, a written internal control 22552
policy adopted under this division is such a public record, and 22553
the agency that adopted it shall comply with it. 22554

(3) As used in division (F) of this section: 22555

(a) "Law enforcement agencies" includes, but is not limited 22556
to, the state board of pharmacy and the office of a prosecutor. 22557

(b) "Prosecutor" has the same meaning as in section 2935.01 22558
of the Revised Code. 22559

(G) When required under division (D)(2) of this section or 22560
any other provision of this chapter, the court shall suspend for 22561
not less than six months or more than five years the driver's or 22562
commercial driver's license or permit of any person who is 22563
convicted of or pleads guilty to any violation of this section or 22564

any other specified provision of this chapter. If an offender's 22565
driver's or commercial driver's license or permit is suspended 22566
pursuant to this division, the offender, at any time after the 22567
expiration of two years from the day on which the offender's 22568
sentence was imposed or from the day on which the offender finally 22569
was released from a prison term under the sentence, whichever is 22570
later, may file a motion with the sentencing court requesting 22571
termination of the suspension; upon the filing of such a motion 22572
and the court's finding of good cause for the termination, the 22573
court may terminate the suspension. 22574

(H)(1) In addition to any prison term authorized or required 22575
by division (C) of this section and sections 2929.13 and 2929.14 22576
of the Revised Code, in addition to any other penalty or sanction 22577
imposed for the offense under this section or sections 2929.11 to 22578
2929.18 of the Revised Code, and in addition to the forfeiture of 22579
property in connection with the offense as prescribed in Chapter 22580
2981. of the Revised Code, the court that sentences an offender 22581
who is convicted of or pleads guilty to a violation of division 22582
(A) of this section may impose upon the offender an additional 22583
fine specified for the offense in division (B)(4) of section 22584
2929.18 of the Revised Code. A fine imposed under division (H)(1) 22585
of this section is not subject to division (F) of this section and 22586
shall be used solely for the support of one or more eligible 22587
community addiction services ~~provider~~ providers in accordance with 22588
divisions (H)(2) and (3) of this section. 22589

(2) The court that imposes a fine under division (H)(1) of 22590
this section shall specify in the judgment that imposes the fine 22591
one or more eligible community addiction services ~~provider~~ 22592
providers for the support of which the fine money is to be used. 22593
No community addiction services provider shall receive or use 22594
money paid or collected in satisfaction of a fine imposed under 22595
division (H)(1) of this section unless the services provider is 22596

specified in the judgment that imposes the fine. No community 22597
addiction services provider shall be specified in the judgment 22598
unless the services provider is an eligible community addiction 22599
services provider and, except as otherwise provided in division 22600
(H)(2) of this section, unless the services provider is located in 22601
the county in which the court that imposes the fine is located or 22602
in a county that is immediately contiguous to the county in which 22603
that court is located. If no eligible community addiction services 22604
provider is located in any of those counties, the judgment may 22605
specify an eligible community addiction services provider that is 22606
located anywhere within this state. 22607

(3) Notwithstanding any contrary provision of section 3719.21 22608
of the Revised Code, the clerk of the court shall pay any fine 22609
imposed under division (H)(1) of this section to the eligible 22610
community addiction services provider specified pursuant to 22611
division (H)(2) of this section in the judgment. The eligible 22612
community addiction services provider that receives the fine 22613
moneys shall use the moneys only for the alcohol and drug 22614
addiction services identified in the application for certification 22615
of services under section 5119.36 of the Revised Code or in the 22616
application for a license under section 5119.391 of the Revised 22617
Code filed with the department of mental health and addiction 22618
services by the community addiction services provider specified in 22619
the judgment. 22620

(4) Each community addiction services provider that receives 22621
in a calendar year any fine moneys under division (H)(3) of this 22622
section shall file an annual report covering that calendar year 22623
with the court of common pleas and the board of county 22624
commissioners of the county in which the services provider is 22625
located, with the court of common pleas and the board of county 22626
commissioners of each county from which the services provider 22627
received the moneys if that county is different from the county in 22628

which the services provider is located, and with the attorney 22629
general. The community addiction services provider shall file the 22630
report no later than the first day of March in the calendar year 22631
following the calendar year in which the services provider 22632
received the fine moneys. The report shall include statistics on 22633
the number of persons served by the community addiction services 22634
provider, identify the types of alcohol and drug addiction 22635
services provided to those persons, and include a specific 22636
accounting of the purposes for which the fine moneys received were 22637
used. No information contained in the report shall identify, or 22638
enable a person to determine the identity of, any person served by 22639
the community addiction services provider. Each report received by 22640
a court of common pleas, a board of county commissioners, or the 22641
attorney general is a public record open for inspection under 22642
section 149.43 of the Revised Code. 22643

(5) As used in divisions (H)(1) to (5) of this section: 22644

~~section 5119.36, as defined in section 5119.01~~ of the Revised 22650
Code, or a community addiction services provider that maintains a 22651

section that the person charged with violating that offense sold 22659

or offered to sell, or prepared for shipment, shipped, 22660
transported, delivered, prepared for distribution, or distributed 22661
an item described in division (HH)(2)(a), (b), or (c) of section 22662
3719.01 of the Revised Code. 22663

Sec. 2929.13. (A) Except as provided in division (E), (F), or 22664
(G) of this section and unless a specific sanction is required to 22665
be imposed or is precluded from being imposed pursuant to law, a 22666
court that imposes a sentence upon an offender for a felony may 22667
impose any sanction or combination of sanctions on the offender 22668
that are provided in sections 2929.14 to 2929.18 of the Revised 22669
Code. 22670

If the offender is eligible to be sentenced to community 22671
control sanctions, the court shall consider the appropriateness of 22672
imposing a financial sanction pursuant to section 2929.18 of the 22673
Revised Code or a sanction of community service pursuant to 22674
section 2929.17 of the Revised Code as the sole sanction for the 22675
offense. Except as otherwise provided in this division, if the 22676
court is required to impose a mandatory prison term for the 22677
offense for which sentence is being imposed, the court also shall 22678
impose any financial sanction pursuant to section 2929.18 of the 22679
Revised Code that is required for the offense and may impose any 22680
other financial sanction pursuant to that section but may not 22681
impose any additional sanction or combination of sanctions under 22682
section 2929.16 or 2929.17 of the Revised Code. 22683

If the offender is being sentenced for a fourth degree felony 22684
OVI offense or for a third degree felony OVI offense, in addition 22685
to the mandatory term of local incarceration or the mandatory 22686
prison term required for the offense by division (G)(1) or (2) of 22687
this section, the court shall impose upon the offender a mandatory 22688
fine in accordance with division (B)(3) of section 2929.18 of the 22689
Revised Code and may impose whichever of the following is 22690

applicable: 22691

(1) For a fourth degree felony OVI offense for which sentence 22692
is imposed under division (G)(1) of this section, an additional 22693
community control sanction or combination of community control 22694
sanctions under section 2929.16 or 2929.17 of the Revised Code. If 22695
the court imposes upon the offender a community control sanction 22696
and the offender violates any condition of the community control 22697
sanction, the court may take any action prescribed in division (B) 22698
of section 2929.15 of the Revised Code relative to the offender, 22699
including imposing a prison term on the offender pursuant to that 22700
division. 22701

(2) For a third or fourth degree felony OVI offense for which 22702
sentence is imposed under division (G)(2) of this section, an 22703
additional prison term as described in division (B)(4) of section 22704
2929.14 of the Revised Code or a community control sanction as 22705
described in division (G)(2) of this section. 22706

(B)(1)(a) Except as provided in division (B)(1)(b) of this 22707
section, if an offender is convicted of or pleads guilty to a 22708
felony of the fourth or fifth degree that is not an offense of 22709
violence or that is a qualifying assault offense, the court shall 22710
sentence the offender to a community control sanction of at least 22711
one year's duration if all of the following apply: 22712

(i) The offender previously has not been convicted of or 22713
pleaded guilty to a felony offense. 22714

(ii) The most serious charge against the offender at the time 22715
of sentencing is a felony of the fourth or fifth degree. 22716

(iii) If the court made a request of the department of 22717
rehabilitation and correction pursuant to division (B)(1)(c) of 22718
this section, the department, within the forty-five-day period 22719
specified in that division, provided the court with the names of, 22720
contact information for, and program details of one or more 22721

community control sanctions of at least one year's duration that 22722
are available for persons sentenced by the court. 22723

(iv) The offender previously has not been convicted of or 22724
pleaded guilty to a misdemeanor offense of violence that the 22725
offender committed within two years prior to the offense for which 22726
sentence is being imposed. 22727

(b) The court has discretion to impose a prison term upon an 22728
offender who is convicted of or pleads guilty to a felony of the 22729
fourth or fifth degree that is not an offense of violence or that 22730
is a qualifying assault offense if any of the following apply: 22731

(i) The offender committed the offense while having a firearm 22732
on or about the offender's person or under the offender's control. 22733

(ii) If the offense is a qualifying assault offense, the 22734
offender caused serious physical harm to another person while 22735
committing the offense, and, if the offense is not a qualifying 22736
assault offense, the offender caused physical harm to another 22737
person while committing the offense. 22738

(iii) The offender violated a term of the conditions of bond 22739
as set by the court. 22740

(iv) The court made a request of the department of 22741
rehabilitation and correction pursuant to division (B)(1)(c) of 22742
this section, and the department, within the forty-five-day period 22743
specified in that division, did not provide the court with the 22744
name of, contact information for, and program details of any 22745
community control sanction of at least one year's duration that is 22746
available for persons sentenced by the court. 22747

(v) The offense is a sex offense that is a fourth or fifth 22748
degree felony violation of any provision of Chapter 2907. of the 22749
Revised Code. 22750

(vi) In committing the offense, the offender attempted to 22751

cause or made an actual threat of physical harm to a person with a 22752
deadly weapon. 22753

(vii) In committing the offense, the offender attempted to 22754
cause or made an actual threat of physical harm to a person, and 22755
the offender previously was convicted of an offense that caused 22756
physical harm to a person. 22757

(viii) The offender held a public office or position of 22758
trust, and the offense related to that office or position; the 22759
offender's position obliged the offender to prevent the offense or 22760
to bring those committing it to justice; or the offender's 22761
professional reputation or position facilitated the offense or was 22762
likely to influence the future conduct of others. 22763

(ix) The offender committed the offense for hire or as part 22764
of an organized criminal activity. 22765

(x) The offender at the time of the offense was serving, or 22766
the offender previously had served, a prison term. 22767

(xi) The offender committed the offense while under a 22768
community control sanction, while on probation, or while released 22769
from custody on a bond or personal recognizance. 22770

(c) If a court that is sentencing an offender who is 22771
convicted of or pleads guilty to a felony of the fourth or fifth 22772
degree that is not an offense of violence or that is a qualifying 22773
assault offense believes that no community control sanctions are 22774
available for its use that, if imposed on the offender, will 22775
adequately fulfill the overriding principles and purposes of 22776
sentencing, the court shall contact the department of 22777
rehabilitation and correction and ask the department to provide 22778
the court with the names of, contact information for, and program 22779
details of one or more community control sanctions of at least one 22780
year's duration that are available for persons sentenced by the 22781
court. Not later than forty-five days after receipt of a request 22782

from a court under this division, the department shall provide the 22783
court with the names of, contact information for, and program 22784
details of one or more community control sanctions of at least one 22785
year's duration that are available for persons sentenced by the 22786
court, if any. Upon making a request under this division that 22787
relates to a particular offender, a court shall defer sentencing 22788
of that offender until it receives from the department the names 22789
of, contact information for, and program details of one or more 22790
community control sanctions of at least one year's duration that 22791
are available for persons sentenced by the court or for forty-five 22792
days, whichever is the earlier. 22793

If the department provides the court with the names of, 22794
contact information for, and program details of one or more 22795
community control sanctions of at least one year's duration that 22796
are available for persons sentenced by the court within the 22797
forty-five-day period specified in this division, the court shall 22798
impose upon the offender a community control sanction under 22799
division (B)(1)(a) of this section, except that the court may 22800
impose a prison term under division (B)(1)(b) of this section if a 22801
factor described in division (B)(1)(b)(i) or (ii) of this section 22802
applies. If the department does not provide the court with the 22803
names of, contact information for, and program details of one or 22804
more community control sanctions of at least one year's duration 22805
that are available for persons sentenced by the court within the 22806
forty-five-day period specified in this division, the court may 22807
impose upon the offender a prison term under division 22808
(B)(1)(b)(iv) of this section. 22809

(d) A sentencing court may impose an additional penalty under 22810
division (B) of section 2929.15 of the Revised Code upon an 22811
offender sentenced to a community control sanction under division 22812
(B)(1)(a) of this section if the offender violates the conditions 22813
of the community control sanction, violates a law, or leaves the 22814

state without the permission of the court or the offender's 22815
probation officer. 22816

(2) If division (B)(1) of this section does not apply, except 22817
as provided in division (E), (F), or (G) of this section, in 22818
determining whether to impose a prison term as a sanction for a 22819
felony of the fourth or fifth degree, the sentencing court shall 22820
comply with the purposes and principles of sentencing under 22821
section 2929.11 of the Revised Code and with section 2929.12 of 22822
the Revised Code. 22823

(C) Except as provided in division (D), (E), (F), or (G) of 22824
this section, in determining whether to impose a prison term as a 22825
sanction for a felony of the third degree or a felony drug offense 22826
that is a violation of a provision of Chapter 2925. of the Revised 22827
Code and that is specified as being subject to this division for 22828
purposes of sentencing, the sentencing court shall comply with the 22829
purposes and principles of sentencing under section 2929.11 of the 22830
Revised Code and with section 2929.12 of the Revised Code. 22831

(D)(1) Except as provided in division (E) or (F) of this 22832
section, for a felony of the first or second degree, for a felony 22833
drug offense that is a violation of any provision of Chapter 22834
2925., 3719., or 4729. of the Revised Code for which a presumption 22835
in favor of a prison term is specified as being applicable, and 22836
for a violation of division (A)(4) or (B) of section 2907.05 of 22837
the Revised Code for which a presumption in favor of a prison term 22838
is specified as being applicable, it is presumed that a prison 22839
term is necessary in order to comply with the purposes and 22840
principles of sentencing under section 2929.11 of the Revised 22841
Code. Division (D)(2) of this section does not apply to a 22842
presumption established under this division for a violation of 22843
division (A)(4) of section 2907.05 of the Revised Code. 22844

(2) Notwithstanding the presumption established under 22845
division (D)(1) of this section for the offenses listed in that 22846

division other than a violation of division (A)(4) or (B) of 22847
section 2907.05 of the Revised Code, the sentencing court may 22848
impose a community control sanction or a combination of community 22849
control sanctions instead of a prison term on an offender for a 22850
felony of the first or second degree or for a felony drug offense 22851
that is a violation of any provision of Chapter 2925., 3719., or 22852
4729. of the Revised Code for which a presumption in favor of a 22853
prison term is specified as being applicable if it makes both of 22854
the following findings: 22855

(a) A community control sanction or a combination of 22856
community control sanctions would adequately punish the offender 22857
and protect the public from future crime, because the applicable 22858
factors under section 2929.12 of the Revised Code indicating a 22859
lesser likelihood of recidivism outweigh the applicable factors 22860
under that section indicating a greater likelihood of recidivism. 22861

(b) A community control sanction or a combination of 22862
community control sanctions would not demean the seriousness of 22863
the offense, because one or more factors under section 2929.12 of 22864
the Revised Code that indicate that the offender's conduct was 22865
less serious than conduct normally constituting the offense are 22866
applicable, and they outweigh the applicable factors under that 22867
section that indicate that the offender's conduct was more serious 22868
than conduct normally constituting the offense. 22869

(E)(1) Except as provided in division (F) of this section, 22870
for any drug offense that is a violation of any provision of 22871
Chapter 2925. of the Revised Code and that is a felony of the 22872
third, fourth, or fifth degree, the applicability of a presumption 22873
under division (D) of this section in favor of a prison term or of 22874
division (B) or (C) of this section in determining whether to 22875
impose a prison term for the offense shall be determined as 22876
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 22877
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 22878

Revised Code, whichever is applicable regarding the violation. 22879

(2) If an offender who was convicted of or pleaded guilty to 22880
a felony violates the conditions of a community control sanction 22881
imposed for the offense solely by reason of producing positive 22882
results on a drug test, the court, as punishment for the violation 22883
of the sanction, shall not order that the offender be imprisoned 22884
unless the court determines on the record either of the following: 22885

(a) The offender had been ordered as a sanction for the 22886
felony to participate in a drug treatment program, in a drug 22887
education program, or in narcotics anonymous or a similar program, 22888
and the offender continued to use illegal drugs after a reasonable 22889
period of participation in the program. 22890

(b) The imprisonment of the offender for the violation is 22891
consistent with the purposes and principles of sentencing set 22892
forth in section 2929.11 of the Revised Code. 22893

(3) A court that sentences an offender for a drug abuse 22894
offense that is a felony of the third, fourth, or fifth degree may 22895
require that the offender be assessed by a properly credentialed 22896
professional within a specified period of time. The court shall 22897
require the professional to file a written assessment of the 22898
offender with the court. If the offender is eligible for a 22899
community control sanction and after considering the written 22900
assessment, the court may impose a community control sanction that 22901
includes treatment and recovery support services authorized by 22902
division (A)(11) of section ~~3793.02~~ 340.03 of the Revised Code. If 22903
the court imposes treatment and recovery support services as a 22904
community control sanction, the court shall direct the level and 22905
type of treatment and recovery support services after considering 22906
the assessment and recommendation of ~~treatment and recovery~~ 22907
~~support services~~ community addiction services providers. 22908

(F) Notwithstanding divisions (A) to (E) of this section, the 22909

court shall impose a prison term or terms under sections 2929.02 22910
to 2929.06, section 2929.14, section 2929.142, or section 2971.03 22911
of the Revised Code and except as specifically provided in section 22912
2929.20, divisions (C) to (I) of section 2967.19, or section 22913
2967.191 of the Revised Code or when parole is authorized for the 22914
offense under section 2967.13 of the Revised Code shall not reduce 22915
the term or terms pursuant to section 2929.20, section 2967.19, 22916
section 2967.193, or any other provision of Chapter 2967. or 22917
Chapter 5120. of the Revised Code for any of the following 22918
offenses: 22919

(1) Aggravated murder when death is not imposed or murder; 22920

(2) Any rape, regardless of whether force was involved and 22921
regardless of the age of the victim, or an attempt to commit rape 22922
if, had the offender completed the rape that was attempted, the 22923
offender would have been guilty of a violation of division 22924
(A)(1)(b) of section 2907.02 of the Revised Code and would be 22925
sentenced under section 2971.03 of the Revised Code; 22926

(3) Gross sexual imposition or sexual battery, if the victim 22927
is less than thirteen years of age and if any of the following 22928
applies: 22929

(a) Regarding gross sexual imposition, the offender 22930
previously was convicted of or pleaded guilty to rape, the former 22931
offense of felonious sexual penetration, gross sexual imposition, 22932
or sexual battery, and the victim of the previous offense was less 22933
than thirteen years of age; 22934

(b) Regarding gross sexual imposition, the offense was 22935
committed on or after August 3, 2006, and evidence other than the 22936
testimony of the victim was admitted in the case corroborating the 22937
violation. 22938

(c) Regarding sexual battery, either of the following 22939
applies: 22940

(i) The offense was committed prior to August 3, 2006, the offender previously was convicted of or pleaded guilty to rape, the former offense of felonious sexual penetration, or sexual battery, and the victim of the previous offense was less than thirteen years of age.

(ii) The offense was committed on or after August 3, 2006.

(4) A felony violation of section 2903.04, 2903.06, 2903.08, 2903.11, 2903.12, 2903.13, 2905.32, or 2907.07 of the Revised Code if the section requires the imposition of a prison term;

(5) A first, second, or third degree felony drug offense for which section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, 2925.37, 3719.99, or 4729.99 of the Revised Code, whichever is applicable regarding the violation, requires the imposition of a mandatory prison term;

(6) Any offense that is a first or second degree felony and that is not set forth in division (F)(1), (2), (3), or (4) of this section, if the offender previously was convicted of or pleaded guilty to aggravated murder, murder, any first or second degree felony, or an offense under an existing or former law of this state, another state, or the United States that is or was substantially equivalent to one of those offenses;

(7) Any offense that is a third degree felony and either is a violation of section 2903.04 of the Revised Code or an attempt to commit a felony of the second degree that is an offense of violence and involved an attempt to cause serious physical harm to a person or that resulted in serious physical harm to a person if the offender previously was convicted of or pleaded guilty to any of the following offenses:

(a) Aggravated murder, murder, involuntary manslaughter, rape, felonious sexual penetration as it existed under section 2907.12 of the Revised Code prior to September 3, 1996, a felony

attempt to commit any of those offenses; 22974

(b) An offense under an existing or former law of this state, 22975
another state, or the United States that is or was substantially 22976
equivalent to an offense listed in division (F)(7)(a) of this 22977
section that resulted in the death of a person or in physical harm 22978
to a person. 22979

(8) Any offense, other than a violation of section 2923.12 of 22980
the Revised Code, that is a felony, if the offender had a firearm 22981
on or about the offender's person or under the offender's control 22982
while committing the felony, with respect to a portion of the 22983
sentence imposed pursuant to division (B)(1)(a) of section 2929.14 22984
of the Revised Code for having the firearm; 22985

(9) Any offense of violence that is a felony, if the offender 22986
wore or carried body armor while committing the felony offense of 22987
violence, with respect to the portion of the sentence imposed 22988
pursuant to division (B)(1)(d) of section 2929.14 of the Revised 22989
Code for wearing or carrying the body armor; 22990

(10) Corrupt activity in violation of section 2923.32 of the 22991

and the offender shall be considered for purposes of the 23476
collection as the judgment debtor. Imposition of a financial 23477
sanction and execution on the judgment does not preclude any other 23478
power of the court to impose or enforce sanctions on the offender. 23479

Once the financial sanction is imposed as a judgment or order	23480
under this division, the victim, private provider, state, or	23481
political subdivision may do any of the following:	23482

Code.	23501
(d) The attachment of the property of the judgment debtor	23502
under Chapter 2715. of the Revised Code;	23503
(e) The garnishment of the property of the judgment debtor	23504

(E) A court that imposes a financial sanction upon an	23508

offender is able to pay the sanction or is likely in the future to
be able to pay it.

(F) Each court imposing a financial sanction upon an offender
under this section or under section 2929.32 of the Revised Code
may designate the clerk of the court or another person to collect
the financial sanction. The clerk or other person authorized by
law or the court to collect the financial sanction may enter into
contracts with one or more public agencies or private vendors for
the collection of, amounts due under the financial sanction
imposed pursuant to this section or section 2929.32 of the Revised
Code. Before entering into a contract for the collection of
amounts due from an offender pursuant to any financial sanction
imposed pursuant to this section or section 2929.32 of the Revised
Code, a court shall comply with sections 307.86 to 307.92 of the
Revised Code.

(G) If a court that imposes a financial sanction under
division (A) or (B) of this section finds that an offender
satisfactorily has completed all other sanctions imposed upon the
offender and that all restitution that has been ordered has been
paid as ordered, the court may suspend any financial sanctions
imposed pursuant to this section or section 2929.32 of the Revised
Code that have not been paid.

(H) No financial sanction imposed under this section or
section 2929.32 of the Revised Code shall preclude a victim from
bringing a civil action against the offender.

prosecuting attorney shall do whichever of the following is 23658
applicable: 23659

(1) Subject to division (E)(2) of this section, notify the 23660
victim of the offense or the victim's representative pursuant to 23661

representative of the hearing regardless of whether the victim or 23666
victim's representative has requested the notification. The notice 23667

representative has requested pursuant to division (B)(2) of 23670
section 2930.03 of the Revised Code that the victim or the 23671
victim's representative not be provided the notice. If notice is 23672
to be provided to a victim or victim's representative under this 23673
division, the prosecuting attorney may give the notice by any 23674
reasonable means, including regular mail, telephone, and 23675
electronic mail, in accordance with division (D)(1) of section 23676
2930.16 of the Revised Code. If the notice is based on an offense 23677
committed prior to March 22, 2013, the notice also shall include 23678
the opt-out information described in division (D)(1) of section 23679
2930.16 of the Revised Code. The prosecuting attorney, in 23680
accordance with division (D)(2) of section 2930.16 of the Revised 23681
Code, shall keep a record of all attempts to provide the notice, 23682
and of all notices provided, under this division. Division (E)(2) 23683
of this section, and the notice-related provisions of division (K) 23684

of section 2967.12, division (E)(1)(b) of section 2967.19, 23686
division (A)(3)(b) of section 2967.26, division (D)(1) of section 23687
2967.28, and division (A)(2) of section 5149.101 of the Revised 23688
Code enacted in the act in which division (E)(2) of this section 23689
was enacted, shall be known as "Roberta's Law." 23690

(F) Upon an offender's successful completion of 23691
rehabilitative activities, the head of the state correctional 23692
institution may notify the sentencing court of the successful 23693
completion of the activities. 23694

(G) Prior to the date of the hearing on a motion for judicial 23695
release under this section, the head of the state correctional 23696

institution in which the eligible offender is confined shall send 23697
to the court an institutional summary report on the eligible 23698
offender's conduct in the institution and in any institution from 23699
which the eligible offender may have been transferred. Upon the 23700
request of the prosecuting attorney of the county in which the 23701
eligible offender was indicted or of any law enforcement agency, 23702
the head of the state correctional institution, at the same time 23703
the person sends the institutional summary report to the court, 23704
also shall send a copy of the report to the requesting prosecuting 23705
attorney and law enforcement agencies. The institutional summary 23706
report shall cover the eligible offender's participation in 23707
school, vocational training, work, treatment, and other 23708
rehabilitative activities and any disciplinary action taken 23709
against the eligible offender. The report shall be made part of 23710
the record of the hearing. A presentence investigation report is 23711
not required for judicial release. 23712

(H) If the court grants a hearing on a motion for judicial 23713
release under this section, the eligible offender shall attend the 23714
hearing if ordered to do so by the court. Upon receipt of a copy 23715
of the journal entry containing the order, the head of the state 23716
correctional institution in which the eligible offender is 23717
incarcerated shall deliver the eligible offender to the sheriff of 23718
the county in which the hearing is to be held. The sheriff shall 23719
convey the eligible offender to and from the hearing. 23720

(I) At the hearing on a motion for judicial release under 23721
this section, the court shall afford the eligible offender and the 23722
eligible offender's attorney an opportunity to present written 23723
and, if present, oral information relevant to the motion. The 23724
court shall afford a similar opportunity to the prosecuting 23725
attorney, the victim or the victim's representative, and any other 23726
person the court determines is likely to present additional 23727
relevant information. The court shall consider any statement of a 23728

victim made pursuant to section 2930.14 or 2930.17 of the Revised Code, any victim impact statement prepared pursuant to section 2947.051 of the Revised Code, and any report made under division (G) of this section. The court may consider any written statement of any person submitted to the court pursuant to division (L) of this section. After ruling on the motion, the court shall notify the victim of the ruling in accordance with sections 2930.03 and 2930.16 of the Revised Code.

(J)(1) A court shall not grant a judicial release under this section to an eligible offender who is imprisoned for a felony of the first or second degree, or to an eligible offender who committed an offense under Chapter 2925. or 3719. of the Revised Code and for whom there was a presumption under section 2929.13 of the Revised Code in favor of a prison term, unless the court, with reference to factors under section 2929.12 of the Revised Code, finds both of the following:

(a) That a sanction other than a prison term would adequately punish the offender and protect the public from future criminal violations by the eligible offender because the applicable factors indicating a lesser likelihood of recidivism outweigh the applicable factors indicating a greater likelihood of recidivism;

(b) That a sanction other than a prison term would not demean the seriousness of the offense because factors indicating that the eligible offender's conduct in committing the offense was less serious than conduct normally constituting the offense outweigh factors indicating that the eligible offender's conduct was more serious than conduct normally constituting the offense.

(2) A court that grants a judicial release to an eligible offender under division (J)(1) of this section shall specify on the record both findings required in that division and also shall list all the factors described in that division that were presented at the hearing.

(K) If the court grants a motion for judicial release under 23761
this section, the court shall order the release of the eligible 23762
offender, shall place the eligible offender under an appropriate 23763
community control sanction, under appropriate conditions, and 23764
under the supervision of the department of probation serving the 23765
court and shall reserve the right to reimpose the sentence that it 23766
reduced if the offender violates the sanction. If the court 23767
reimposes the reduced sentence, it may do so either concurrently 23768
with, or consecutive to, any new sentence imposed upon the 23769
eligible offender as a result of the violation that is a new 23770
offense. The Except as provided in division (R)(2) of this 23771
section, the period of community control shall be no longer than 23772
five years. The court, in its discretion, may reduce the period of 23773
community control by the amount of time the eligible offender 23774
spent in jail or prison for the offense and in prison. If the 23775
court made any findings pursuant to division (J)(1) of this 23776
section, the court shall serve a copy of the findings upon counsel 23777
for the parties within fifteen days after the date on which the 23778
court grants the motion for judicial release. 23779

If the court grants a motion for judicial release, the court 23780
shall notify the appropriate person at the department of 23781
rehabilitation and correction, and the department shall post 23782
notice of the release on the database it maintains pursuant to 23783
section 5120.66 of the Revised Code. The court also shall notify 23784
the prosecuting attorney of the county in which the eligible 23785
offender was indicted that the motion has been granted. Unless the 23786
victim or the victim's representative has requested pursuant to 23787
division (B)(2) of section 2930.03 of the Revised Code that the 23788
victim or victim's representative not be provided the notice, the 23789
prosecuting attorney shall notify the victim or the victim's 23790
representative of the judicial release in any manner, and in 23791
accordance with the same procedures, pursuant to which the 23792
prosecuting attorney is authorized to provide notice of the 23793

hearing pursuant to division (E)(2) of this section. If the notice 23794
is based on an offense committed prior to March 22, 2013, the 23795
notice to the victim or victim's representative also shall include 23796
the opt-out information described in division (D)(1) of section 23797
2930.16 of the Revised Code. 23798

release of the offender into society would create undue risk to 23818
public safety, may grant a judicial release to an offender who is 23819
not serving a life sentence at any time during the offender's 23820
imposed sentence when the director of rehabilitation and 23821

23834
23835
23836

(2) The court may grant the motion without a hearing, provided that the prosecuting attorney and victim or victim's representative to whom notice of the hearing was provided under division (E) of this section indicate that they do not wish to participate in the hearing or present information relevant to the motion. 23837

services provider ~~certified under that chapter~~ in the area in 23883
which the court has jurisdiction for inpatient care and treatment 23884

a charge of a violation of division (B) of section 2917.11 of the 23887

Revised Code or of a municipal ordinance substantially equivalent 23888

The court may order that any fines or court costs collected 23891

services provided by a community addiction services provider 23910
~~certified under Chapter 5119. of the Revised Code,~~ the court may 23911
commit the person to close supervision in any facility in the area 23912

prosecution for violation of division (B) of section 2917.11 of 23928
the Revised Code or a municipal ordinance substantially equivalent 23929

offense with which the offender is charged or that, at the time of 23953
committing that offense, the offender had a mental illness, was a 23954
person with intellectual disability, or was a victim of a 23955
violation of section 2905.32 of the Revised Code and that the 23956
mental illness, status as a person with intellectual disability, 23957
or fact that the offender was a victim of a violation of section 23958
2905.32 of the Revised Code was a factor leading to the offender's 23959
criminal behavior, the court may accept, prior to the entry of a 23960
guilty plea, the offender's request for intervention in lieu of 23961
conviction. The request shall include a statement from the 23962
offender as to whether the offender is alleging that drug or 23963
alcohol usage by the offender was a factor leading to the criminal 23964

that the mental illness, status as a person with intellectual 23969
disability, or fact that the offender was a victim of a violation 23970
of section 2905.32 of the Revised Code was a factor leading to the 23971
criminal offense with which the offender is charged. The request 23972
also shall include a waiver of the defendant's right to a speedy 23973
trial, the preliminary hearing, the time period within which the 23974
grand jury may consider an indictment against the offender, and 23975
arraignment, unless the hearing, indictment, or arraignment has 23976
already occurred. The court may reject an offender's request 23977
without a hearing. If the court elects to consider an offender's 23978
request, the court shall conduct a hearing to determine whether 23979
the offender is eligible under this section for intervention in 23980
lieu of conviction and shall stay all criminal proceedings pending 23981
the outcome of the hearing. If the court schedules a hearing, the 23982
court shall order an assessment of the offender for the purpose of 23983

determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan. 23984
23985

If the offender alleges that drug or alcohol usage by the offender was a factor leading to the criminal offense with which the offender is charged, the court may order that the offender be assessed by ~~an~~ a community addiction services provider ~~certified pursuant to section 5119.36 of the Revised Code~~ or a properly credentialed professional for the purpose of determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan. (2) The victim notification provisions of division (C) of section 2930.08 of the Revised Code apply in relation to any hearing held under division (A)(1) of this section. 23997
23998
23999

(B) An offender is eligible for intervention in lieu of conviction if the court finds all of the following: 24000
24001

(1) The offender previously has not been convicted of or pleaded guilty to a felony offense of violence or previously has been convicted of or pleaded guilty to any felony that is not an offense of violence and the prosecuting attorney recommends that the offender be found eligible for participation in intervention in lieu of treatment under this section, previously has not been through intervention in lieu of conviction under this section or any similar regimen, and is charged with a felony for which the court, upon conviction, would impose a community control sanction on the offender under division (B)(2) of section 2929.13 of the Revised Code or with a misdemeanor. 24002
24003
24004
24005
24006
24007
24008
24009

24012

(2) The offense is not a felony of the first, second, or third degree, is not an offense of violence, is not a violation of 24013
24014

division (A)(1) or (2) of section 2903.06 of the Revised Code, is 24015
not a violation of division (A)(1) of section 2903.08 of the 24016
Revised Code, is not a violation of division (A) of section 24017
4511.19 of the Revised Code or a municipal ordinance that is 24018
substantially similar to that division, and is not an offense for 24019
which a sentencing court is required to impose a mandatory prison 24020
term, a mandatory term of local incarceration, or a mandatory term 24021
of imprisonment in a jail. 24022

(3) The offender is not charged with a violation of section 24023
2925.02, 2925.04, or 2925.06 of the Revised Code, is not charged 24024
with a violation of section 2925.03 of the Revised Code that is a 24025
felony of the first, second, third, or fourth degree, and is not 24026
charged with a violation of section 2925.11 of the Revised Code 24027
that is a felony of the first, second, or third degree. 24028

(4) If an offender alleges that drug or alcohol usage by the 24029
offender was a factor leading to the criminal offense with which 24030
the offender is charged, the court has ordered that the offender 24031
be assessed by ~~an~~ a community addiction services provider 24032
~~certified pursuant to section 5119.36 of the Revised Code~~ or a 24033
properly credentialed professional for the purpose of determining 24034
the offender's eligibility for intervention in lieu of conviction 24035
and recommending an appropriate intervention plan, the offender 24036
has been assessed by ~~an~~ a community addiction services provider of 24037
that nature or a properly credentialed professional in accordance 24038
with the court's order, and the community addiction services 24039
provider or properly credentialed professional has filed the 24040
written assessment of the offender with the court. 24041

(5) If an offender alleges that, at the time of committing 24042
the criminal offense with which the offender is charged, the 24043
offender had a mental illness, was a person with intellectual 24044
disability, or was a victim of a violation of section 2905.32 of 24045
the Revised Code and that the mental illness, status as a person 24046

with intellectual disability, or fact that the offender was a 24047
victim of a violation of section 2905.32 of the Revised Code was a 24048
factor leading to that offense, the offender has been assessed by 24049
a psychiatrist, psychologist, independent social worker, licensed 24050
professional clinical counselor, or independent marriage and 24051
family therapist for the purpose of determining the offender's 24052
eligibility for intervention in lieu of conviction and 24053
recommending an appropriate intervention plan. 24054

(6) The offender's drug usage, alcohol usage, mental illness, 24055
or intellectual disability, or the fact that the offender was a 24056
victim of a violation of section 2905.32 of the Revised Code, 24057
whichever is applicable, was a factor leading to the criminal 24058
offense with which the offender is charged, intervention in lieu 24059

intervention would substantially reduce the likelihood of any 24061
future criminal activity. 24062

(7) The alleged victim of the offense was not sixty-five 24063
years of age or older, permanently and totally disabled, under 24064
thirteen years of age, or a peace officer engaged in the officer's 24065

(8) If the offender is charged with a violation of section 24067
2925.24 of the Revised Code, the alleged violation did not result 24068
in physical harm to any person, and the offender previously has 24069
not been treated for drug abuse. 24070

(9) The offender is willing to comply with all terms and 24071
conditions imposed by the court pursuant to division (D) of this 24072
section. 24073

(10) The offender is not charged with an offense that would 24074
result in the offender being disqualified under Chapter 4506. of 24075
the Revised Code from operating a commercial motor vehicle or 24076
would subject the offender to any other sanction under that 24077

chapter. 24078

(C) At the conclusion of a hearing held pursuant to division 24079
(A) of this section, the court shall enter its determination as to 24080
whether the offender is eligible for intervention in lieu of 24081
conviction and as to whether to grant the offender's request. If 24082
the court finds under division (B) of this section that the 24083
offender is eligible for intervention in lieu of conviction and 24084
grants the offender's request, the court shall accept the 24085
offender's plea of guilty and waiver of the defendant's right to a 24086
speedy trial, the preliminary hearing, the time period within 24087
which the grand jury may consider an indictment against the 24088
offender, and arraignment, unless the hearing, indictment, or 24089
arraignment has already occurred. In addition, the court then may 24090
stay all criminal proceedings and order the offender to comply 24091
with all terms and conditions imposed by the court pursuant to 24092
division (D) of this section. If the court finds that the offender 24093
is not eligible or does not grant the offender's request, the 24094
criminal proceedings against the offender shall proceed as if the 24095
offender's request for intervention in lieu of conviction had not 24096
been made. 24097

(D) If the court grants an offender's request for 24098
intervention in lieu of conviction, the court shall place the 24099
offender under the general control and supervision of the county 24100
probation department, the adult parole authority, or another 24101
appropriate local probation or court services agency, if one 24102
exists, as if the offender was subject to a community control 24103
sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 24104
Revised Code. The court shall establish an intervention plan for 24105
the offender. The terms and conditions of the intervention plan 24106
shall require the offender, for at least one year from the date on 24107
which the court grants the order of intervention in lieu of 24108
conviction, to abstain from the use of illegal drugs and alcohol, 24109

to participate in treatment and recovery support services, and to 24110
submit to regular random testing for drug and alcohol use and may 24111
include any other treatment terms and conditions, or terms and 24112
conditions similar to community control sanctions, which may 24113
include community service or restitution, that are ordered by the 24114
court. 24115

(E) If the court grants an offender's request for 24116
intervention in lieu of conviction and the court finds that the 24117
offender has successfully completed the intervention plan for the 24118
offender, including the requirement that the offender abstain from 24119
using illegal drugs and alcohol for a period of at least one year 24120
from the date on which the court granted the order of intervention 24121
in lieu of conviction, the requirement that the offender 24122
participate in treatment and recovery support services, and all 24123
other terms and conditions ordered by the court, the court shall 24124
dismiss the proceedings against the offender. Successful 24125
completion of the intervention plan and period of abstinence under 24126
this section shall be without adjudication of guilt and is not a 24127
criminal conviction for purposes of any disqualification or 24128
disability imposed by law and upon conviction of a crime, and the 24129
court may order the sealing of records related to the offense in 24130
question in the manner provided in sections 2953.31 to 2953.36 of 24131
the Revised Code. 24132

(F) If the court grants an offender's request for 24133
intervention in lieu of conviction and the offender fails to 24134
comply with any term or condition imposed as part of the 24135
intervention plan for the offender, the supervising authority for 24136
the offender promptly shall advise the court of this failure, and 24137
the court shall hold a hearing to determine whether the offender 24138
failed to comply with any term or condition imposed as part of the 24139
plan. If the court determines that the offender has failed to 24140
comply with any of those terms and conditions, it shall enter a 24141

finding of guilty and shall impose an appropriate sanction under 24142
Chapter 2929. of the Revised Code. If the court sentences the 24143
offender to a prison term, the court, after consulting with the 24144
department of rehabilitation and correction regarding the 24145
availability of services, may order continued court-supervised 24146
activity and treatment of the offender during the prison term and, 24147
upon consideration of reports received from the department 24148
concerning the offender's progress in the program of activity and 24149
treatment, may consider judicial release under section 2929.20 of 24150
the Revised Code. 24151

agency or a department or political subdivision of the state that 24191
operates a halfway house, reentry center, or community residential 24192

the services provider received the money. The services provider 24442
shall file the report on or before the first day of March in the 24443

property ordered by a court under section 2981.11 of the Revised 24454

the property is to be sold under that section, the prosecutor 24502
shall cause notice of the proposed sale to be given in accordance 24503
with law. 24504

(B) If the contraband or instrumentality forfeited under this 24505
chapter is sold, any moneys acquired from a sale and any proceeds 24506
forfeited under this chapter shall be applied in the following 24507
order: 24508

(b) If the court determines that the use of either or both of 24727
the dates specified in division (A)(2)(a) of this section would be 24728
inequitable, the court may select dates that it considers 24729
equitable in determining marital property. If the court selects 24730
dates that it considers equitable in determining marital property, 24731
"during the marriage" means the period of time between those dates 24732
selected and specified by the court. 24733

(b) The commingling of separate property with other property 24796
of any type does not destroy the identity of the separate property 24797
as separate property, except when the separate property is not 24798
traceable. 24799

(B) In divorce proceedings, the court shall, and in legal 24800
separation proceedings upon the request of either spouse, the 24801
court may, determine what constitutes marital property and what 24802
constitutes separate property. In either case, upon making such a 24803
determination, the court shall divide the marital and separate 24804
property equitably between the spouses, in accordance with this 24805
section. For purposes of this section, the court has jurisdiction 24806
over all property, excluding the social security benefits of a 24807
spouse other than as set forth in division (F)(9) of this section, 24808
in which one or both spouses have an interest. 24809

(C)(1) Except as provided in this division or division (E) of 24810
this section, the division of marital property shall be equal. If 24811
an equal division of marital property would be inequitable, the 24812
court shall not divide the marital property equally but instead 24813
shall divide it between the spouses in the manner the court 24814
determines equitable. In making a division of marital property, 24815
the court shall consider all relevant factors, including those set 24816
forth in division (F) of this section. 24817

(2) Each spouse shall be considered to have contributed 24818
equally to the production and acquisition of marital property. 24819

(3) The court shall provide for an equitable division of 24820
marital property under this section prior to making any award of 24821
spousal support to either spouse under section 3105.18 of the 24822
Revised Code and without regard to any spousal support so awarded. 24823

(4) If the marital property includes a participant account, 24824
as defined in section 148.01 of the Revised Code, the court shall 24825
not order the division or disbursement of the moneys and income 24826

described in division (A)(3)(a)(iv) of this section to occur in a 24827
manner that is inconsistent with the law, rules, or plan governing 24828
the deferred compensation program involved or prior to the time 24829
that the spouse in whose name the participant account is 24830
maintained commences receipt of the moneys and income credited to 24831
the account in accordance with that law, rules, and plan. 24832

(D) Except as otherwise provided in division (E) of this 24833
section or by another provision of this section, the court shall 24834
disburse a spouse's separate property to that spouse. If a court 24835
does not disburse a spouse's separate property to that spouse, the 24836
court shall make written findings of fact that explain the factors 24837
that it considered in making its determination that the spouse's 24838
separate property should not be disbursed to that spouse. 24839

(E)(1) The court may make a distributive award to facilitate, 24840
effectuate, or supplement a division of marital property. The 24841
court may require any distributive award to be secured by a lien 24842
on the payor's specific marital property or separate property. 24843

(2) The court may make a distributive award in lieu of a 24844
division of marital property in order to achieve equity between 24845
the spouses, if the court determines that a division of the 24846
marital property in kind or in money would be impractical or 24847
burdensome. 24848

(3) The court shall require each spouse to disclose in a full 24849
and complete manner all marital property, separate property, and 24850
other assets, debts, income, and expenses of the spouse. 24851

(4) If a spouse has engaged in financial misconduct, 24852
including, but not limited to, the dissipation, destruction, 24853
concealment, nondisclosure, or fraudulent disposition of assets, 24854
the court may compensate the offended spouse with a distributive 24855
award or with a greater award of marital property. 24856

(5) If a spouse has substantially and willfully failed to ~~12~~ 24857

disclose marital property, separate property, or other assets, ~~13~~ 24858
debts, income, or expenses as required under division (E)(3) of ~~14~~ 24859
this section, the court may compensate the offended spouse with ~~15~~ 24860
a distributive award or with a greater award of marital property 24861
~~16~~ not to exceed three times the value of the marital property, ~~17~~ 24862
separate property, or other assets, debts, income, or expenses ~~18~~ 24863
that are not disclosed by the other spouse. 24864

(F) In making a division of marital property and in 24865
determining whether to make and the amount of any distributive 24866
award under this section, the court shall consider all of the 24867
following factors: 24868

(1) The duration of the marriage; 24869

(2) The assets and liabilities of the spouses; 24870

(3) The desirability of awarding the family home, or the 24871
right to reside in the family home for reasonable periods of time, 24872
to the spouse with custody of the children of the marriage; 24873

(4) The liquidity of the property to be distributed; 24874

(5) The economic desirability of retaining intact an asset or 24875
an interest in an asset; 24876

(6) The tax consequences of the property division upon the 24877
respective awards to be made to each spouse; 24878

(7) The costs of sale, if it is necessary that an asset be 24879
sold to effectuate an equitable distribution of property; 24880

(8) Any division or disbursement of property made in a 24881
separation agreement that was voluntarily entered into by the 24882
spouses; 24883

(9) Any retirement benefits of the spouses, excluding the 24884
social security benefits of a spouse except as may be relevant for 24885
purposes of dividing a public pension; 24886

(10) Any other factor that the court expressly finds to be 24887

relevant and equitable. 24888

(G) In any order for the division or disbursement of property 24889
or a distributive award made pursuant to this section, the court 24890
shall make written findings of fact that support the determination 24891
that the marital property has been equitably divided and shall 24892
specify the dates it used in determining the meaning of "during 24893
the marriage." 24894

(H) Except as otherwise provided in this section, the holding 24895
of title to property by one spouse individually or by both spouses 24896
in a form of co-ownership does not determine whether the property 24897
is marital property or separate property. 24898

(I) A division or disbursement of property or a distributive 24899
award made under this section is not subject to future 24900
modification by the court except upon the express written consent 24901
or agreement to the modification by both spouses. 24902

(J) The court may issue any orders under this section that it 24903
determines equitable, including, but not limited to, either of the 24904
following types of orders: 24905

(1) An order granting a spouse the right to use the marital 24906
dwelling or any other marital property or separate property for 24907
any reasonable period of time; 24908

(2) An order requiring the sale or encumbrancing of any real 24909
or personal property, with the proceeds from the sale and the 24910
funds from any loan secured by the encumbrance to be applied as 24911
determined by the court. 24912

court that issued the court support order, or in the case of an 25026
administrative child support order, under the jurisdiction of the 25027
common pleas court of the county in which the agency that issued 25028
or is administering the order is located, the court or agency may 25029
require any financial institution in which the obligor's funds are 25030
on deposit to do all of the following: 25031

(a) Deduct from the obligor's account a specified amount for 25032
support in satisfaction of the support order and begin the 25033
deduction no later than fourteen business days following the date 25034
the notice was mailed or transmitted to the financial institution 25035
under section 3121.035 or 3123.06 of the Revised Code and division 25036
(B)(2) of this section; 25037

(b) Send the amount deducted to the office of child support 25038
in the department of job and family services pursuant to section 25039

3121.43 of the Revised Code immediately but not later than seven 25040
business days after the date the latest deduction was made; 25041

(c) Provide the date on which the amount was deducted; 25042

(d) Continue the deduction at intervals specified in the 25043
notice until further notice from the court or child support 25044
enforcement agency. 25045

To the extent possible, the amount to be deducted shall 25046
satisfy the amount ordered for support in the support order plus 25047
any arrearages that may be owed by the obligor under any prior 25048
support order that pertained to the same child or spouse, 25049
notwithstanding the limitations of sections 2329.66, 2329.70, and 25050
2716.13 of the Revised Code. 25051

(2) A court or agency that imposes a deduction requirement 25052
shall, within the applicable period of time specified in section 25053
3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send 25054
to the financial institution by regular mail or via secure 25055
federally managed data transmission interface a notice that 25056
contains all of the information applicable to deduction notices 25057
set forth in section 3121.037 of the Revised Code. The notice is 25058
final and is enforceable by the court. 25059

(C) With respect to any court support order it issues, a 25060
court may issue an order requiring the obligor to enter into a 25061
cash bond with the court. The court shall issue the order as part 25062
of the court support order or, if the court support order has 25063
previously been issued, as a separate order. The cash bond shall 25064
be in a sum fixed by the court at not less than five hundred nor 25065
more than ten thousand dollars, conditioned that the obligor will 25066
make payment as previously ordered and will pay any arrearages 25067
under any prior court support order that pertained to the same 25068
child or spouse. 25069

The order, along with an additional order requiring the 25070

obligor to immediately notify the child support enforcement agency, in writing, if the obligor begins to receive income from a payor, shall be attached to and served on the obligor at the same time as service of the court support order or, if the court support order has previously been issued, as soon as possible after the issuance of the order under this section. The additional order requiring notice by the obligor shall state all of the following:

(1) That when the obligor begins to receive income from a payor the obligor may request that the court cancel its bond order and instead issue a notice requiring the withholding of an amount from income for support in accordance with this section;

(2) That when the obligor begins to receive income from a payor the court will proceed to collect on the bond if the court determines that payments due under the court support order have not been made and that the amount that has not been paid is at least equal to the support owed for one month under the court support order and will issue a notice requiring the withholding of an amount from income for support in accordance with this section. The notice required of the obligor shall include a description of the nature of any new employment, the name and business address of any new employer, and any other information reasonably required by the court.

The court shall not order an obligor to post a cash bond under this section unless the court determines that the obligor has the ability to do so.

A child support enforcement agency may not issue a cash bond order. If a child support enforcement agency is required to issue a withholding or deduction notice under this section with respect to a court support order but the agency determines that no withholding or deduction notice would be appropriate, the agency may request that the court issue a cash bond order under this

section, and upon the request, the court may issue the order. 25103

(D)(1) If the obligor under a court support order is 25104
unemployed, has no income, and does not have an account at any 25105
financial institution, or on request of a child support 25106
enforcement agency under division (D)(1) or (2) of this section, 25107
the court shall issue an order requiring the obligor, if able to 25108
engage in employment, to seek employment or participate in a work 25109
activity to which a recipient of assistance under Title IV-A of 25110
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 25111
as amended, may be assigned as specified in section 407(d) of the 25112
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 25113
shall include in the order ~~a requirement~~ requirements that the 25114
obligor register with OhioMeansJobs and to notify the child 25115
support enforcement agency on obtaining employment, obtaining any 25116
income, or obtaining ownership of any asset with a value of five 25117
hundred dollars or more. The court may issue the order regardless 25118
of whether the obligee to whom the obligor owes support is a 25119
recipient of assistance under Title IV-A of the "Social Security 25120
Act." The court shall issue the order as part of a court support 25121
order or, if a court support order has previously been issued, as 25122
a separate order. If a child support enforcement agency is 25123
required to issue a withholding or deduction notice under this 25124
section with respect to a court support order but determines that 25125
no withholding or deduction notice would be appropriate, the 25126
agency may request that the court issue a court order under 25127
division (D)(1) of this section, and, on the request, the court 25128
may issue the order. 25129

(2) If the obligor under an administrative child support 25130
order is unemployed, has no income, and does not have an account 25131
at any financial institution, the agency shall issue an 25132
administrative order requiring the obligor, if able to engage in 25133
employment, to seek employment or participate in a work activity 25134

to which a recipient of assistance under Title IV-A of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, may be assigned as specified in section 407(d) of the "Social Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall include in the order ~~a requirement~~ requirements that the obligor register with OhioMeansJobs and to notify the agency on obtaining employment or income, or ownership of any asset with a value of five hundred dollars or more. The agency may issue the order regardless of whether the obligee to whom the obligor owes support is a recipient of assistance under Title IV-A of the "Social Security Act." If an obligor fails to comply with an administrative order issued pursuant to division (D)(2) of this section, the agency shall submit a request to a court for the court to issue an order under division (D)(1) of this section.

Sec. 3301.078. (A) No official or board of this state, whether appointed or elected, shall enter into any agreement or memorandum of understanding with any federal or private entity that would require the state to cede any measure of control over the development, adoption, or revision of academic content standards.

(B) No funds appropriated from the general revenue fund shall be used to purchase an assessment developed by the partnership for assessment of readiness for college and careers for use as the assessments prescribed under sections 3301.0710 and 3301.0712 of the Revised Code.

Sec. 3301.0711. (A) The department of education shall:
(1) Annually furnish to, grade, and score all assessments required by divisions (A)(1) and (B)(1) of section 3301.0710 of the Revised Code to be administered by city, local, exempted village, and joint vocational school districts, except that each

district shall score any assessment administered pursuant to 25165
division (B)(10) of this section. Each assessment so furnished 25166
shall include the data verification code of the student to whom 25167
the assessment will be administered, as assigned pursuant to 25168
division (D)(2) of section 3301.0714 of the Revised Code. In 25169
furnishing the practice versions of Ohio graduation tests 25170
prescribed by division (D) of section 3301.0710 of the Revised 25171
Code, the department shall make the tests available on its web 25172
site for reproduction by districts. In awarding contracts for 25173
grading assessments, the department shall give preference to 25174
Ohio-based entities employing Ohio residents. 25175

(2) Adopt rules for the ethical use of assessments and 25176
prescribing the manner in which the assessments prescribed by 25177
section 3301.0710 of the Revised Code shall be administered to 25178
students. 25179

(B) Except as provided in divisions (C) and (J) of this 25180
section, the board of education of each city, local, and exempted 25181
village school district shall, in accordance with rules adopted 25182
under division (A) of this section: 25183

(1) Administer the English language arts assessments 25184
prescribed under division (A)(1)(a) of section 3301.0710 of the 25185
Revised Code twice annually to all students in the third grade who 25186
have not attained the score designated for that assessment under 25187
division (A)(2)(c) of section 3301.0710 of the Revised Code. 25188

(2) Administer the mathematics assessment prescribed under 25189
division (A)(1)(a) of section 3301.0710 of the Revised Code at 25190
least once annually to all students in the third grade. 25191

(3) Administer the assessments prescribed under division 25192
(A)(1)(b) of section 3301.0710 of the Revised Code at least once 25193
annually to all students in the fourth grade. 25194

(4) Administer the assessments prescribed under division 25195

(A)(1)(c) of section 3301.0710 of the Revised Code at least once annually to all students in the fifth grade.	25196 25197
(5) Administer the assessments prescribed under division (A)(1)(d) of section 3301.0710 of the Revised Code at least once annually to all students in the sixth grade.	25198 25199 25200
(6) Administer the assessments prescribed under division (A)(1)(e) of section 3301.0710 of the Revised Code at least once annually to all students in the seventh grade.	25201 25202 25203
(7) Administer the assessments prescribed under division (A)(1)(f) of section 3301.0710 of the Revised Code at least once annually to all students in the eighth grade.	25204 25205 25206
(8) Except as provided in division (B)(9) of this section, administer any assessment prescribed under division (B)(1) of section 3301.0710 of the Revised Code as follows:	25207 25208 25209
(a) At least once annually to all tenth grade students and at least twice annually to all students in eleventh or twelfth grade who have not yet attained the score on that assessment designated under that division;	25210 25211 25212 25213
(b) To any person who has successfully completed the curriculum in any high school or the individualized education program developed for the person by any high school pursuant to section 3323.08 of the Revised Code but has not received a high school diploma and who requests to take such assessment, at any time such assessment is administered in the district.	25214 25215 25216 25217 25218 25219
(9) In lieu of the board of education of any city, local, or exempted village school district in which the student is also enrolled, the board of a joint vocational school district shall administer any assessment prescribed under division (B)(1) of section 3301.0710 of the Revised Code at least twice annually to any student enrolled in the joint vocational school district who has not yet attained the score on that assessment designated under	25220 25221 25222 25223 25224 25225 25226

that division. A board of a joint vocational school district may 25227
also administer such an assessment to any student described in 25228
division (B)(8)(b) of this section. 25229

(10) If the district has a three-year average graduation rate 25230
of not more than seventy-five per cent, administer each assessment 25231
prescribed by division (D) of section 3301.0710 of the Revised 25232
Code in September to all ninth grade students who entered ninth 25233
grade prior to July 1, 2014. 25234

Except as provided in section 3313.614 of the Revised Code 25235
for administration of an assessment to a person who has fulfilled 25236
the curriculum requirement for a high school diploma but has not 25237
passed one or more of the required assessments, the assessments 25238
prescribed under division (B)(1) of section 3301.0710 of the 25239
Revised Code shall not be administered after the date specified in 25240
the rules adopted by the state board of education under division 25241
(D)(1) of section 3301.0712 of the Revised Code. 25242

(11) Administer the assessments prescribed by division (B)(2) 25243
of section 3301.0710 and section 3301.0712 of the Revised Code in 25244
accordance with the timeline and plan for implementation of those 25245
assessments prescribed by rule of the state board adopted under 25246
division (D)(1) of section 3301.0712 of the Revised Code. 25247

(C)(1)(a) In the case of a student receiving special 25248
education services under Chapter 3323. of the Revised Code, the 25249
individualized education program developed for the student under 25250
that chapter shall specify the manner in which the student will 25251
participate in the assessments administered under this section. 25252
The individualized education program may excuse the student from 25253
taking any particular assessment required to be administered under 25254
this section if it instead specifies an alternate assessment 25255
method approved by the department of education as conforming to 25256
requirements of federal law for receipt of federal funds for 25257
disadvantaged pupils. To the extent possible, the individualized 25258

education program shall not excuse the student from taking an 25259
assessment unless no reasonable accommodation can be made to 25260
enable the student to take the assessment. 25261

(b) Any alternate assessment approved by the department for a 25262
student under this division shall produce measurable results 25263
comparable to those produced by the assessment it replaces in 25264
order to allow for the student's results to be included in the 25265
data compiled for a school district or building under section 25266
3302.03 of the Revised Code. 25267

(c) Any student enrolled in a chartered nonpublic school who 25268
has been identified, based on an evaluation conducted in 25269
accordance with section 3323.03 of the Revised Code or section 504 25270
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 25271
794, as amended, as a child with a disability shall be excused 25272
from taking any particular assessment required to be administered 25273
under this section if a plan developed for the student pursuant to 25274
rules adopted by the state board excuses the student from taking 25275
that assessment. In the case of any student so excused from taking 25276
an assessment, the chartered nonpublic school shall not prohibit 25277
the student from taking the assessment. 25278

(2) A district board may, for medical reasons or other good 25279
cause, excuse a student from taking an assessment administered 25280
under this section on the date scheduled, but that assessment 25281
shall be administered to the excused student not later than nine 25282
days following the scheduled date. The district board shall 25283
annually report the number of students who have not taken one or 25284
more of the assessments required by this section to the state 25285
board not later than the thirtieth day of June. 25286

(3) As used in this division, "limited English proficient 25287
student" has the same meaning as in 20 U.S.C. 7801. 25288

No school district board shall excuse any limited English 25289

proficient student from taking any particular assessment required 25290
to be administered under this section, except that any limited 25291
English proficient student who has been enrolled in United States 25292
schools for less than one full school year shall not be required 25293
to take any reading, writing, or English language arts assessment. 25294
However, no board shall prohibit a limited English proficient 25295
student who is not required to take an assessment under this 25296
division from taking the assessment. A board may permit any 25297
limited English proficient student to take an assessment required 25298
to be administered under this section with appropriate 25299
accommodations, as determined by the department. For each limited 25300
English proficient student, each school district shall annually 25301
assess that student's progress in learning English, in accordance 25302
with procedures approved by the department. 25303

The governing authority of a chartered nonpublic school may 25304
excuse a limited English proficient student from taking any 25305
assessment administered under this section. However, no governing 25306
authority shall prohibit a limited English proficient student from 25307
taking the assessment. 25308

(D)(1) In the school year next succeeding the school year in 25309
which the assessments prescribed by division (A)(1) or (B)(1) of 25310
section 3301.0710 of the Revised Code or former division (A)(1), 25311
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 25312
existed prior to September 11, 2001, are administered to any 25313
student, the board of education of any school district in which 25314
the student is enrolled in that year shall provide to the student 25315
intervention services commensurate with the student's performance, 25316
including any intensive intervention required under section 25317
3313.608 of the Revised Code, in any skill in which the student 25318
failed to demonstrate at least a score at the proficient level on 25319
the assessment. 25320

(2) Following any administration of the assessments 25321

prescribed by division (D) of section 3301.0710 of the Revised Code to ninth grade students, each school district that has a three-year average graduation rate of not more than seventy-five per cent shall determine for each high school in the district whether the school shall be required to provide intervention services to any students who took the assessments. In determining which high schools shall provide intervention services based on the resources available, the district shall consider each school's graduation rate and scores on the practice assessments. The district also shall consider the scores received by ninth grade students on the English language arts and mathematics assessments prescribed under division (A)(1)(f) of section 3301.0710 of the Revised Code in the eighth grade in determining which high schools shall provide intervention services.

Each high school selected to provide intervention services under this division shall provide intervention services to any student whose results indicate that the student is failing to make satisfactory progress toward being able to attain scores at the proficient level on the Ohio graduation tests. Intervention services shall be provided in any skill in which a student demonstrates unsatisfactory progress and shall be commensurate with the student's performance. Schools shall provide the intervention services prior to the end of the school year, during the summer following the ninth grade, in the next succeeding school year, or at any combination of those times.

(E) Except as provided in section 3313.608 of the Revised Code and division (M) of this section, no school district board of education shall utilize any student's failure to attain a specified score on an assessment administered under this section as a factor in any decision to deny the student promotion to a higher grade level. However, a district board may choose not to promote to the next grade level any student who does not take an

assessment administered under this section or make up an 25354
assessment as provided by division (C)(2) of this section and who 25355
is not exempt from the requirement to take the assessment under 25356
division (C)(3) of this section. 25357

(F) No person shall be charged a fee for taking any 25358
assessment administered under this section. 25359

(G)(1) Each school district board shall designate one 25360
location for the collection of assessments administered in the 25361
spring under division (B)(1) of this section and those 25362
administered under divisions (B)(2) to (7) of this section. Each 25363
district board shall submit the assessments to the entity with 25364
which the department contracts for the scoring of the assessments 25365
as follows: 25366

(a) If the district's total enrollment in grades kindergarten 25367
through twelve during the first full school week of October was 25368
less than two thousand five hundred, not later than the Friday 25369
after all of the assessments have been administered; 25370

(b) If the district's total enrollment in grades kindergarten 25371
through twelve during the first full school week of October was 25372
two thousand five hundred or more, but less than seven thousand, 25373
not later than the Monday after all of the assessments have been 25374
administered; 25375

(c) If the district's total enrollment in grades kindergarten 25376
through twelve during the first full school week of October was 25377
seven thousand or more, not later than the Tuesday after all of 25378
the assessments have been administered. 25379

However, any assessment that a student takes during the 25380
make-up period described in division (C)(2) of this section shall 25381
be submitted not later than the Friday following the day the 25382
student takes the assessment. 25383

(2) The department or an entity with which the department 25384

contracts for the scoring of the assessment shall send to each 25385
school district board a list of the individual scores of all 25386
persons taking an assessment prescribed by division (A)(1) or 25387
(B)(1) of section 3301.0710 of the Revised Code within sixty days 25388
after its administration, but in no case shall the scores be 25389
returned later than the fifteenth day of June following the 25390
administration. For assessments administered under this section by 25391
a joint vocational school district, the department or entity shall 25392
also send to each city, local, or exempted village school district 25393
a list of the individual scores of any students of such city, 25394
local, or exempted village school district who are attending 25395
school in the joint vocational school district. 25396

(H) Individual scores on any assessments administered under 25397
this section shall be released by a district board only in 25398
accordance with section 3319.321 of the Revised Code and the rules 25399
adopted under division (A) of this section. No district board or 25400
its employees shall utilize individual or aggregate results in any 25401
manner that conflicts with rules for the ethical use of 25402
assessments adopted pursuant to division (A) of this section. 25403

(I) Except as provided in division (G) of this section, the 25404
department or an entity with which the department contracts for 25405
the scoring of the assessment shall not release any individual 25406
scores on any assessment administered under this section. The 25407
state board shall adopt rules to ensure the protection of student 25408
confidentiality at all times. The rules may require the use of the 25409
data verification codes assigned to students pursuant to division 25410
(D)(2) of section 3301.0714 of the Revised Code to protect the 25411
confidentiality of student scores. 25412

(J) Notwithstanding division (D) of section 3311.52 of the 25413
Revised Code, this section does not apply to the board of 25414
education of any cooperative education school district except as 25415
provided under rules adopted pursuant to this division. 25416

(1) In accordance with rules that the state board shall 25417
adopt, the board of education of any city, exempted village, or 25418
local school district with territory in a cooperative education 25419
school district established pursuant to divisions (A) to (C) of 25420
section 3311.52 of the Revised Code may enter into an agreement 25421
with the board of education of the cooperative education school 25422
district for administering any assessment prescribed under this 25423
section to students of the city, exempted village, or local school 25424
district who are attending school in the cooperative education 25425
school district. 25426

(2) In accordance with rules that the state board shall 25427
adopt, the board of education of any city, exempted village, or 25428
local school district with territory in a cooperative education 25429
school district established pursuant to section 3311.521 of the 25430
Revised Code shall enter into an agreement with the cooperative 25431
district that provides for the administration of any assessment 25432
prescribed under this section to both of the following: 25433

(a) Students who are attending school in the cooperative 25434
district and who, if the cooperative district were not 25435
established, would be entitled to attend school in the city, 25436
local, or exempted village school district pursuant to section 25437
3313.64 or 3313.65 of the Revised Code; 25438

(b) Persons described in division (B)(8)(b) of this section. 25439

Any assessment of students pursuant to such an agreement 25440
shall be in lieu of any assessment of such students or persons 25441
pursuant to this section. 25442

(K)(1)(a) Except as otherwise provided in division (K)(1)(a) 25443
or (K)(1)(c) of this section, each chartered nonpublic school for 25444
which at least sixty-five per cent of its total enrollment is made 25445
up of students who are participating in state scholarship programs 25446
shall administer the elementary assessments prescribed by section 25447

3301.0710 of the Revised Code. In accordance with procedures and 25448
deadlines prescribed by the department, the parent or guardian of 25449
a student enrolled in the school who is not participating in a 25450
state scholarship program may submit notice to the chief 25451
administrative officer of the school that the parent or guardian 25452
does not wish to have the student take the elementary assessments 25453
prescribed for the student's grade level under division (A) of 25454
section 3301.0710 of the Revised Code. If a parent or guardian 25455
submits an opt-out notice, the school shall not administer the 25456
assessments to that student. This option does not apply to any 25457
assessment required for a high school diploma under section 25458
3313.612 of the Revised Code. 25459

years of records of internal testing conducted by the school that 25496
affords the department data required for accountability purposes, 25497
including diagnostic assessments and nationally standardized 25498
norm-referenced achievement assessments that measure reading and 25499
math skills. 25500

(d) Any chartered nonpublic school that is not subject to 25501
division (K)(1)(a) of this section may participate in the 25502
assessment program by administering any of the assessments 25503
prescribed by division (A) of section 3301.0710 of the Revised 25504
Code. The chief administrator of the school shall specify which 25505

(2) The department of education shall furnish the assessments 25513
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 25514
to each chartered nonpublic school that is subject to division 25515
(K)(1)(a) of this section or participates under division (K)(1)(b) 25516
of this section. 25517

(L)(1) The superintendent of the state school for the blind 25518
and the superintendent of the state school for the deaf shall 25519
administer the assessments described by sections 3301.0710 and 25520
3301.0712 of the Revised Code. Each superintendent shall 25521
administer the assessments in the same manner as district boards 25522
are required to do under this section and rules adopted by the 25523
department of education and in conformity with division (C)(1)(a) 25524
of this section. 25525

(2) The department of education shall furnish the assessments 25526
described by sections 3301.0710 and 3301.0712 of the Revised Code 25527

(M) Notwithstanding division (E) of this section, a school 25529
district may use a student's failure to attain a score in at least 25530
the proficient range on the mathematics assessment described by 25531
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 25532
an assessment described by division (A)(1)(b), (c), (d), (e), or 25533
(f) of section 3301.0710 of the Revised Code as a factor in 25534
retaining that student in the current grade level. 25535

(N)(1) In the manner specified in divisions (N)(3), (4), and 25536
(6) of this section, the assessments required by division (A)(1) 25537
of section 3301.0710 of the Revised Code shall become public 25538
records pursuant to section 149.43 of the Revised Code on the 25539
thirty-first day of July following the school year that the 25540
assessments were administered. 25541

(2) The department may field test proposed questions with 25542
samples of students to determine the validity, reliability, or 25543
appropriateness of questions for possible inclusion in a future 25544
year's assessment. The department also may use anchor questions on 25545
assessments to ensure that different versions of the same 25546
assessment are of comparable difficulty. 25547

Field test questions and anchor questions shall not be 25548
considered in computing scores for individual students. Field test 25549
questions and anchor questions may be included as part of the 25550
administration of any assessment required by division (A)(1) or 25551
(B) of section 3301.0710 and division (B) of section 3301.0712 of 25552
the Revised Code. 25553

(3) Any field test question or anchor question administered 25554
under division (N)(2) of this section shall not be a public 25555
record. Such field test questions and anchor questions shall be 25556
redacted from any assessments which are released as a public 25557
record pursuant to division (N)(1) of this section. 25558

(4) This division applies to the assessments prescribed by 25559
division (A) of section 3301.0710 of the Revised Code. 25560

(a) The first administration of each assessment, as specified 25561
in former section 3301.0712 of the Revised Code, shall be a public 25562
record. 25563

(b) For subsequent administrations of each assessment prior 25564
to the 2011-2012 school year, not less than forty per cent of the 25565
questions on the assessment that are used to compute a student's 25566
score shall be a public record. The department shall determine 25567
which questions will be needed for reuse on a future assessment 25568
and those questions shall not be public records and shall be 25569
redacted from the assessment prior to its release as a public 25570
record. However, for each redacted question, the department shall 25571
inform each city, local, and exempted village school district of 25572

the statewide academic standard adopted by the state board under 25573
section 3301.079 of the Revised Code and the corresponding 25574
benchmark to which the question relates. The preceding sentence 25575
does not apply to field test questions that are redacted under 25576
division (N)(3) of this section. 25577

(c) The administrations of each assessment in the 2011-2012, 25578
2012-2013, and 2013-2014 school years shall not be a public 25579
record. 25580

(5) Each assessment prescribed by division (B)(1) of section 25581
3301.0710 of the Revised Code shall not be a public record. 25582

(6) Beginning with the spring administration for the 25583
2014-2015 school year, questions on the assessments prescribed 25584
under division (A) of section 3301.0710 and division (B)(2) of 25585
section 3301.0712 of the Revised Code and the corresponding 25586
preferred answers that are used to compute a student's score shall 25587
become a public record as follows: 25588

(a) Forty per cent of the questions and preferred answers on 25589
the assessments on the thirty-first day of July following the 25590
administration of the assessment; 25591

(b) Twenty per cent of the questions and preferred answers on 25592
the assessment on the thirty-first day of July one year after the 25593
administration of the assessment; 25594

(c) The remaining forty per cent of the questions and 25595
preferred answers on the assessment on the thirty-first day of 25596
July two years after the administration of the assessment. 25597

The entire content of an assessment shall become a public 25598
record within three years of its administration. 25599

The department shall make the questions that become a public 25600
record under this division readily accessible to the public on the 25601
department's web site. Questions on the spring administration of 25602

each assessment shall be released on an annual basis, in 25603
accordance with this division. 25604

(0) As used in this section: 25605

(1) "Three-year average" means the average of the most recent 25606
consecutive three school years of data. 25607

(2) "Dropout" means a student who withdraws from school 25608
before completing course requirements for graduation and who is 25609
not enrolled in an education program approved by the state board 25610
of education or an education program outside the state. "Dropout" 25611
does not include a student who has departed the country. 25612

(3) "Graduation rate" means the ratio of students receiving a 25613
diploma to the number of students who entered ninth grade four 25614
years earlier. Students who transfer into the district are added 25615
to the calculation. Students who transfer out of the district for 25616
reasons other than dropout are subtracted from the calculation. If 25617
a student who was a dropout in any previous year returns to the 25618
same school district, that student shall be entered into the 25619
calculation as if the student had entered ninth grade four years 25620
before the graduation year of the graduating class that the 25621
student joins. 25622

(4) "State scholarship programs" means the educational choice 25623
scholarship pilot program established under sections 3310.01 to 25624
3310.17 of the Revised Code, the autism scholarship program 25625
established under section 3310.41 of the Revised Code, the Jon 25626
Peterson special needs scholarship program established under 25627
sections 3310.51 to 3310.64 of the Revised Code, and the pilot 25628
project scholarship program established under sections 3313.974 to 25629
3313.979 of the Revised Code. 25630

Sec. 3301.0712. (A) The state board of education, the 25631
superintendent of public instruction, and the chancellor of the 25632

Ohio board of regents shall develop a system of college and work ready assessments as described in division (B) of this section to assess whether each student upon graduating from high school is ready to enter college or the workforce. Beginning with students who enter the ninth grade for the first time on or after July 1, 2014, the system shall replace the Ohio graduation tests prescribed in division (B)(1) of section 3301.0710 of the Revised Code as a measure of student academic performance and one determinant of eligibility for a high school diploma in the manner prescribed by rule of the state board adopted under division (D) of this section.

(B) The college and work ready assessment system shall consist of the following:

(1) Nationally standardized assessments that measure college and career readiness and are used for college admission. The assessments shall be selected jointly by the state superintendent and the chancellor, and one of which shall be selected by each school district or school to administer to its students. The assessments prescribed under division (B)(1) of this section shall be administered to all eleventh-grade students in the spring of the school year.

(2) Seven end-of-course examinations, one in each of the areas of English language arts I, English language arts II, science, Algebra I, geometry, American history, and American government. The end-of-course examinations shall be selected jointly by the state superintendent and the chancellor in consultation with faculty in the appropriate subject areas at institutions of higher education of the university system of Ohio. Advanced placement examinations and international baccalaureate examinations, as prescribed under section 3313.6013 of the Revised Code, in the areas of science, American history, and American

government may be used as end-of-course examinations in accordance 25664
with division (B)(4)(a)(i) of this section. Final course grades 25665
for courses taken under any other advanced standing program, as 25666
prescribed under section 3313.6013 of the Revised Code, in the 25667
areas of science, American history, and American government may be 25668
used in lieu of end-of-course examinations in accordance with 25669
division (B)(4)(a)(ii) of this section. 25670

(3)(a) Not later than July 1, 2013, each school district 25671
board of education shall adopt interim end-of-course examinations 25672
that comply with the requirements of divisions (B)(3)(b)(i) and 25673
(ii) of this section to assess mastery of American history and 25674
American government standards adopted under division (A)(1)(b) of 25675
section 3301.079 of the Revised Code and the topics required under 25676
division (M) of section 3313.603 of the Revised Code. Each high 25677
school of the district shall use the interim examinations until 25678
the state superintendent and chancellor select end-of-course 25679
examinations in American history and American government under 25680
division (B)(2) of this section. 25681

(b) Not later than July 1, 2014, the state superintendent and 25682
the chancellor shall select the end-of-course examinations in 25683
American history and American government. 25684

(i) The end-of-course examinations in American history and 25685
American government shall require demonstration of mastery of the 25686
American history and American government content for social 25687
studies standards adopted under division (A)(1)(b) of section 25688
3301.079 of the Revised Code and the topics required under 25689
division (M) of section 3313.603 of the Revised Code. 25690

(ii) At least twenty per cent of the end-of-course 25691
examination in American government shall address the topics on 25692
American history and American government described in division (M) 25693
of section 3313.603 of the Revised Code. 25694

(4)(a) Notwithstanding anything to the contrary in this section, beginning with the 2014-2015 school year, both of the following shall apply:

(i) If a student is enrolled in an appropriate advanced placement or international baccalaureate course, that student shall take the advanced placement or international baccalaureate examination in lieu of the science, American history, or American government end-of-course examinations prescribed under division (B)(2) of this section. The state board shall specify the score levels for each advanced placement examination and international baccalaureate examination for purposes of calculating the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.

(ii) If a student is enrolled in an appropriate course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, that student shall not be required to take the science, American history, or American government end-of-course examination, whichever is applicable, prescribed under division (B)(2) of this section. Instead, that student's final course grade shall be used in lieu of the applicable end-of-course examination prescribed under that section. The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades that demonstrate the level of academic achievement necessary to earn a high school diploma.

Division (B)(4)(a)(ii) of this section shall apply only to courses for which students receive transcribed credit, as defined in division (U) of section 3365.01 of the Revised Code. It shall not apply to remedial or developmental courses.

(b) No student shall take a substitute examination or examination prescribed under division (B)(4)(a) of this section in place of the end-of-course examinations in English language arts

I, English language arts II, Algebra I, or geometry prescribed	25727
under division (B)(2) of this section.	25728
(c) The state board shall consider additional assessments	25729
that may be used, beginning with the 2016-2017 school year, as	25730
substitute examinations in lieu of the end-of-course examinations	25731
prescribed under division (B)(2) of this section.	25732
(5) The state board shall do all of the following:	25733
(a) Determine and designate at least five ranges of scores on	25734
each of the end-of-course examinations prescribed under division	25735
(B)(2) of this section, and substitute examinations prescribed	25736
under division (B)(4) of this section. Each range of scores shall	25737
be considered to demonstrate a level of achievement so that any	25738
student attaining a score within such range has achieved one of	25739
the following:	25740
(i) An advanced level of skill;	25741
(ii) An accelerated level of skill;	25742
(iii) A proficient level of skill;	25743
(iv) A basic level of skill;	25744
(v) A limited level of skill.	25745
(b) Determine a method by which to calculate a cumulative	25746
performance score based on the results of a student's	25747
end-of-course examinations or substitute examinations;	25748
(c) Determine the minimum cumulative performance score that	25749
demonstrates the level of academic achievement necessary to earn a	25750
high school diploma;	25751
(d) Develop a table of corresponding score equivalents for	25752
the end-of-course examinations and substitute examinations in	25753
order to calculate student performance consistently across the	25754
different examinations.	25755

(6)(a) A student who meets both of the following conditions shall not be required to take an end-of-course examination:	25756 25757
(i) The student received high school credit prior to July 1, 2015, for a course for which the end-of-course examination is prescribed.	25758 25759 25760
(ii) The examination was not available for administration prior to July 1, 2015.	25761 25762
Receipt of credit for the course described in division (B)(6)(a)(i) of this section shall satisfy the requirement to take the end-of-course examination. A student exempted under division (B)(6)(a) of this section may take the applicable end-of-course examination at a later date.	25763 25764 25765 25766 25767
(b) For purposes of determining whether a student who is exempt from taking an end-of-course examination under division (B)(6)(a) of this section has attained the cumulative score prescribed by division (B)(5)(c) of this section, such student shall select either of the following:	25768 25769 25770 25771 25772
(i) The student is considered to have attained a proficient score on the end-of-course examination from which the student is exempt;	25773 25774 25775
(ii) The student's final course grade shall be used in lieu of a score on the end-of-course examination from which the student is exempt.	25776 25777 25778
The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades and the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.	25779 25780 25781 25782 25783
(7)(a) Notwithstanding anything to the contrary in this section, the state board may replace the algebra I end-of-course	25784 25785

examination prescribed under division (B)(2) of this section with 25786
an algebra II end-of-course examination, beginning with the 25787
2016-2017 school year for students who enter ninth grade on or 25788
after July 1, 2016. 25789

(b) If the state board replaces the algebra I end-of-course 25790
examination with an algebra II end-of-course examination as 25791
authorized under division (B)(7)(a) of this section, both of the 25792
following shall apply: 25793

(i) A student who is enrolled in an advanced placement or 25794
international baccalaureate course in algebra II shall take the 25795
advanced placement or international baccalaureate examination in 25796
lieu of the algebra II end-of-course examination. 25797

(ii) A student who is enrolled in an algebra II course under 25798
any other advanced standing program, as described in section 25799
3313.6013 of the Revised Code, shall not be required to take the 25800
algebra II end-of-course examination. Instead, that student's 25801
final course grade shall be used in lieu of the examination. 25802

(c) If a school district or school utilizes an integrated 25803
approach to mathematics instruction, the district or school may do 25804
either or both of the following: 25805

(i) Administer an integrated mathematics I end-of-course 25806
examination in lieu of the prescribed algebra I end-of-course 25807
examination; 25808

(ii) Administer an integrated mathematics II end-of-course 25809
examination in lieu of the prescribed geometry end-of-course 25810
examination. 25811

(8)(a) For students entering the ninth grade for the first 25812
time on or after July 1, 2014, but prior to July 1, 2015, the 25813
assessment in the area of science shall be physical science or 25814
biology. For students entering the ninth grade for the first time 25815
on or after July 1, 2015, the assessment in the area of science 25816

shall be biology. 25817

(b) Until July 1, 2019, the department of education shall 25818
make available the end-of-course examination in physical science 25819
for students who entered the ninth grade for the first time on or 25820
after July 1, 2014, but prior to July 1, 2015, and who wish to 25821
retake the examination. 25822

(c) Not later than July 1, 2016, the state board shall adopt 25823
rules prescribing the requirements for the end-of-course 25824
examination in science for students who entered the ninth grade 25825
for the first time on or after July 1, 2014, but prior to July 1, 25826
2015, and who have not met the requirement prescribed by section 25827
3313.618 of the Revised Code by July 1, 2019, due to a student's 25828
failure to satisfy division (A)(2) of section 3313.618 of the 25829
Revised Code. 25830

(9) Neither the state board nor the department of education 25831
shall develop or administer an end-of-course examination in the 25832
area of world history. 25833

(C) The state board shall convene a group of national 25834
experts, state experts, and local practitioners to provide advice, 25835
guidance, and recommendations for the alignment of standards and 25836
model curricula to the assessments and in the design of the 25837
end-of-course examinations prescribed by this section. 25838

(D) Upon completion of the development of the assessment 25839
system, the state board shall adopt rules prescribing all of the 25840
following: 25841

(1) A timeline and plan for implementation of the assessment 25842
system, including a phased implementation if the state board 25843
determines such a phase-in is warranted; 25844

of the entire assessment system as a prerequisite for a diploma of 25846
adult education under section 3313.611 of the Revised Code; 25847

(3) Whether and the extent to which a person may be excused 25848

the curriculum requirement shall meet the requirements of the 25856
entire assessment system as a prerequisite for a high school 25857
diploma under division (B) of section 3313.614 of the Revised 25858
Code; 25859

(5) The extent to which the assessment system applies to 25860
students enrolled in a dropout recovery and prevention program for 25861
purposes of division (F) of section 3313.603 and section 3314.36 25862
of the Revised Code. 25863

(E) Not later than forty-five days prior to the state board's 25864
adoption of a resolution directing the department to file the 25865
rules prescribed by division (D) of this section in final form 25866
under section 119.04 of the Revised Code, the superintendent of 25867
public instruction shall present the assessment system developed 25868

section 3301.0710 of the Revised Code and only as administered to 26483
eleventh grade students, if at least eighty-five per cent of the 26484
tested students attain a score of proficient or higher on the 26485
assessment. ~~Not later than July 1, 2014, the~~ 26486

The state board may shall adopt rules, under Chapter 119. of 26487

board shall adopt criteria for acceptable industry-recognized 26694
credentials. 26695

(e) The percentage of students enrolled in a district or 26696
building who are participating in an international baccalaureate 26697
program and the percentage of those students who receive a score 26698

(f) The percentage of the district's or building's students 26700
who receive an honors diploma under division (B) of section 26701
3313.61 of the Revised Code. 26702

(3) Not later than December 31, 2013, the state board shall 26703
adopt rules in accordance with Chapter 119. of the Revised Code 26704
that prescribe the methods by which the performance measures under 26705
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 26706
and assigned a letter grade, including performance benchmarks for 26707
each grade. 26708

At least forty-five days prior to the state board's adoption 26709
of rules to prescribe the methods by which the performance 26710
measures under division (B)(1) of this section shall be assessed 26711
and assigned a letter grade, the department shall conduct a public 26712
presentation before the standing committees of the house of 26713
representatives and the senate that consider education legislation 26714
describing such methods, including performance benchmarks. 26715

(4) There shall not be an overall letter grade for a school 26716
district or building for the 2013-2014, 2014-2015, and 2015-2016 26717
school ~~year~~ years. 26718

(C)(1) For the ~~2014-2015~~ 2016-2017 school year and each 26719
school year thereafter, the department shall issue grades as 26720
described in division (E) of this section for each of the 26721
performance measures prescribed in division (C)(1) of this section 26722
and an overall letter grade based on an aggregate of those 26723
measures, except for the performance measure set forth in division 26724
(C)(1)(h) of this section. The graded measures are as follows: 26725

(a) Annual measurable objectives; 26726

(b) Performance index score for a school district or 26727
building. Grades shall be awarded as a percentage of the total 26728
possible points on the performance index system as created by the 26729
department. In adopting benchmarks for assigning letter grades 26730
under division (C)(1)(b) of this section, the state board shall 26731
designate ninety per cent or higher for an "A," at least seventy 26732
per cent but not more than eighty per cent for a "C," and less 26733
than fifty per cent for an "F." 26734

(c) The extent to which the school district or building meets 26735
each of the applicable performance indicators established by the 26736
state board under section 3302.03 of the Revised Code and the 26737
percentage of applicable performance indicators that have been 26738

which the department shall use up to three years of value-added 26746
data as available. 26747

In adopting benchmarks for assigning letter grades for 26748
overall score on value-added progress dimension under division 26749

(C)(1)(e) of this section, the state board shall prohibit the 26750
assigning of a grade of "A" for that measure unless the district's 26751
or building's grade assigned for value-added progress dimension 26752
for all subgroups under division (C)(1)(f) of this section is a 26753
"B" or higher. 26754

For the metric prescribed by division (C)(1)(e) of this 26755
section, the state board may adopt a student academic progress 26756
measure to be used instead of the value-added progress dimension. 26757
If the state board adopts such a measure, it also shall prescribe 26758
a method for assigning letter grades for the new measure that is 26759
comparable to the method prescribed in division (A)(1)(e) of this 26760
section. 26761

(f) The value-added progress dimension score of a school 26762

ability and specific academic ability fields under Chapter 3324. 26765
of the Revised Code, students with disabilities, and students 26766
whose performance places them in the lowest quintile for 26767
achievement on a statewide basis, as determined by a method 26768
prescribed by the state board. Each subgroup shall be a separate 26769
graded measure. 26770

The state board may adopt student academic progress measures 26771
to be used instead of the value-added progress dimension. If the 26772
state board adopts such measures, it also shall prescribe a method 26773
for assigning letter grades for the new measures that is 26774
comparable to the method prescribed in division (A)(1)(e) of this 26775
section. 26776

(g) Whether a school district or building is making progress 26777
in improving literacy in grades kindergarten through three, as 26778
determined using a method prescribed by the state board. The state 26779
board shall adopt rules to prescribe benchmarks and standards for 26780
assigning grades to a district or building for purposes of 26781

division (C)(1)(g) of this section. The state board shall 26782
designate for a "C" grade a value that is not lower than the 26783
statewide average value for this measure. No grade shall be issued 26784
under division (C)(1)(g) of this section for a district or 26785
building in which less than five per cent of students have scored 26786
below grade level on the kindergarten diagnostic assessment under 26787
division (B)(1) of section 3313.608 of the Revised Code. 26788

(h) For a high mobility school district or building, an 26789
additional value-added progress dimension score. For this measure, 26790
the department shall use value-added data from the most recent 26791
school year available and shall use assessment scores for only 26792
those students to whom the district or building has administered 26793
the assessments prescribed by section 3301.0710 of the Revised 26794
Code for each of the two most recent consecutive school years. 26795

As used in this division, "high mobility school district or 26796
building" means a school district or building where at least 26797
twenty-five per cent of its total enrollment is made up of 26798
students who have attended that school district or building for 26799
less than one year. 26800

(2) In addition to the graded measures in division (C)(1) of 26801
this section, the department shall include on a school district's 26802
or building's report card all of the following without an assigned 26803
letter grade: 26804

(a) The percentage of students enrolled in a district or 26805
building who have taken a national standardized test used for 26806
college admission determinations and the percentage of those 26807
students who are determined to be remediation-free in accordance 26808
with the standards adopted under division (F) of section 3345.061 26809
of the Revised Code; 26810

(b) The percentage of students enrolled in a district or 26811
building participating in advanced placement classes and the 26812

percentage of those students who received a score of three or better on advanced placement examinations; 26813
26814

(c) The percentage of a district's or building's students who have earned at least three college credits through advanced standing programs, such as the college credit plus program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's college transcript issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree. 26815
26816
26817
26818
26819
26820
26821

(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2014-2015 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) 26839
26840
26841
26842
26843

of this section into the following components: 26844

(a) Gap closing, which shall include the performance measure 26845
in division (C)(1)(a) of this section; 26846

(b) Achievement, which shall include the performance measures 26847
in divisions (C)(1)(b) and (c) of this section; 26848

(c) Progress, which shall include the performance measures in 26849
divisions (C)(1)(e) and (f) of this section; 26850

(d) Graduation, which shall include the performance measure 26851
in division (C)(1)(d) of this section; 26852

(e) Kindergarten through third-grade literacy, which shall 26853
include the performance measure in division (C)(1)(g) of this 26854
section; 26855

(f) Prepared for success, which shall include the performance 26856
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 26857
this section. The state board shall develop a method to determine 26858
a grade for the component in division (C)(3)(f) of this section 26859
using the performance measures in divisions (C)(2)(a), (b), (c), 26860
(d), (e), and (f) of this section. When available, the state board 26861
may incorporate the performance measure under division (C)(2)(g) 26862
of this section into the component under division (C)(3)(f) of 26863
this section. When determining the overall grade for the prepared 26864
for success component prescribed by division (C)(3)(f) of this 26865
section, no individual student shall be counted in more than one 26866
performance measure. However, if a student qualifies for more than 26867
one performance measure in the component, the state board may, in 26868
its method to determine a grade for the component, specify an 26869
additional weight for such a student that is not greater than or 26870
equal to 1.0. In determining the overall score under division 26871
(C)(3)(f) of this section, the state board shall ensure that the 26872
pool of students included in the performance measures aggregated 26873
under that division are all of the students included in the four- 26874

and five-year adjusted graduation cohort. 26875

In the rules adopted under division (C)(3) of this section, 26876
the state board shall adopt a method for determining a grade for 26877
each component in divisions (C)(3)(a) to (f) of this section. The 26878
state board also shall establish a method to assign an overall 26879
grade of "A," "B," "C," "D," or "F" using the grades assigned for 26880
each component. The method the state board adopts for assigning an 26881
overall grade shall give equal weight to the components in 26882
divisions (C)(3)(b) and (c) of this section. 26883

At least forty-five days prior to the state board's adoption 26884
of rules to prescribe the methods for calculating the overall 26885
grade for the report card, as required by this division, the 26886
department shall conduct a public presentation before the standing 26887
committees of the house of representatives and the senate that 26888
consider education legislation describing the format for the 26889
report card, weights that will be assigned to the components of 26890
the overall grade, and the method for calculating the overall 26891
grade. 26892

(D) ~~Not later~~ On or after than July 1, 2015, the state board 26893
~~shall~~ may develop a measure of student academic progress for high 26894
school students using only data from assessments in English 26895
language arts and mathematics. ~~For the 2014-2015 school year, the~~ 26896
~~department shall include this measure on a school district or~~ 26897
~~building's report card, as applicable, without an assigned letter~~ 26898
~~grade. Beginning with the report card for the 2015-2016 school~~ 26899
~~year~~ If the state board develops this measure, each school 26900
district and applicable school building shall be assigned a 26901
separate letter grade for ~~this measure and the~~ if not sooner than 26902
the 2017-2018 school year. The district's or building's grade for 26903
that measure shall not be included in determining the district's 26904
or building's overall letter grade. ~~This measure shall be included~~ 26905
~~within the measure prescribed in division (C)(3)(c) of this~~ 26906

section in the calculation for the overall letter grade.	26907
(E) The letter grades assigned to a school district or building under this section shall be as follows:	26908
(1) "A" for a district or school making excellent progress;	26910
(2) "B" for a district or school making above average progress;	26911
(3) "C" for a district or school making average progress;	26913
(4) "D" for a district or school making below average progress;	26914

(1) Performance of students by grade-level;	26921
(2) Performance of students by race and ethnic group;	26922
(3) Performance of students by gender;	26923
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	26924

(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	26927
(7) Performance of students grouped by those who are economically disadvantaged;	26928
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314.	26930
	26931
	26932
	26933
	26934

of the Revised Code;	26935
(9) Performance of students grouped by those who are classified as limited English proficient;	26936 26937
(10) Performance of students grouped by those who have disabilities;	26938 26939
(11) Performance of students grouped by those who are classified as migrants;	26940 26941
(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	26942 26943 26944 26945 26946 26947 26948 26949 26950
(13) Performance of students grouped by those who perform in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board.	26951 26952 26953

To the extent possible, the department shall disaggregate data on student performance according to any combinations of two or more of the categories listed in divisions (F)(1) to (13) of this section that it deems relevant.	26954 26955 26956 26957 26958 26959
In reporting data pursuant to division (F) of this section, the department shall not include in the report cards any data statistical in nature that is statistically unreliable or that could result in the identification of individual students. For this purpose, the department shall not report student performance data for any group identified in division (F) of this section that	26960 26961 26962 26963 26964 26965

contains less than ten students. If the department does not report 26966
student performance data for a group because it contains less than 26967
ten students, the department shall indicate on the report card 26968
that is why data was not reported. 26969

(G) The department may include with the report cards any 26970
additional education and fiscal performance data it deems 26971
valuable. 26972

(H) The department shall include on each report card a list 26973
of additional information collected by the department that is 26974
available regarding the district or building for which the report 26975
card is issued. When available, such additional information shall 26976
include student mobility data disaggregated by race and 26977
socioeconomic status, college enrollment data, and the reports 26978
prepared under section 3302.031 of the Revised Code. 26979

The department shall maintain a site on the world wide web. 26980
The report card shall include the address of the site and shall 26981
specify that such additional information is available to the 26982
public at that site. The department shall also provide a copy of 26983
each item on the list to the superintendent of each school 26984
district. The district superintendent shall provide a copy of any 26985
item on the list to anyone who requests it. 26986

(I) Division (I) of this section does not apply to conversion 26987
community schools that primarily enroll students between sixteen 26988
and twenty-two years of age who dropped out of high school or are 26989
at risk of dropping out of high school due to poor attendance, 26990
disciplinary problems, or suspensions. 26991

(1) For any district that sponsors a conversion community 26992
school under Chapter 3314. of the Revised Code, the department 26993
shall combine data regarding the academic performance of students 26994
enrolled in the community school with comparable data from the 26995
schools of the district for the purpose of determining the 26996

for the district under this section or section 3302.033 of the 26998
Revised Code. 26999

the school endorse each other's programs may elect to have data 27003
regarding the academic performance of students enrolled in the 27004
community school combined with comparable data from the schools of 27005
the district for the purpose of determining the performance of the 27006
district as a whole on the district report card. Any district that 27007
so elects shall annually file a copy of the lease or agreement 27008
with the department. 27009

(3) Any municipal school district, as defined in section 27010
3311.71 of the Revised Code, that sponsors a community school 27011
located within the district's territory, or that enters into an 27012
agreement with a community school located within the district's 27013
territory whereby the district and the community school endorse 27014
each other's programs, may exercise either or both of the 27015
following elections: 27016

(a) To have data regarding the academic performance of 27017
students enrolled in that community school combined with 27018
comparable data from the schools of the district for the purpose 27019
of determining the performance of the district as a whole on the 27020
district's report card; 27021

(b) To have the number of students attending that community 27022
school noted separately on the district's report card. 27023

The election authorized under division (I)(3)(a) of this 27024
section is subject to approval by the governing authority of the 27025
community school. 27026

Any municipal school district that exercises an election to 27027

percentage of teachers in the district or building who are highly 27033
qualified, as defined by the No Child Left Behind Act of 2001, and 27034
a comparison of that percentage with the percentages of such 27035
teachers in similar districts and buildings. 27036

(K)(1) In calculating English language arts, mathematics, 27037
social studies, or science assessment passage rates used to 27038
determine school district or building performance under this 27039
section, the department shall include all students taking an 27040
assessment with accommodation or to whom an alternate assessment 27041
is administered pursuant to division (C)(1) or (3) of section 27042
3301.0711 of the Revised Code. 27043

(2) In calculating performance index scores, rates of 27044
achievement on the performance indicators established by the state 27045
board under section 3302.02 of the Revised Code, and annual 27046
measurable objectives for determining adequate yearly progress for 27047

2001, exclude for each district or building any limited English 27061

for less than one full school year. 27063

(L) Beginning with the 2015-2016 school year and at least 27064
once every three years thereafter, the state board of education 27065
shall review and may adjust the benchmarks for assigning letter 27066

divisions (C)(3) and (D) of this section. 27068

Sec. 3302.036. (A) Notwithstanding anything in the Revised 27069
Code to the contrary, the department of education shall not assign 27070
an overall letter grade under division (C)(3) of section 3302.03 27071

is subject to sanctions or penalties. However, the report card 27083
ratings of any previous or subsequent years shall be considered in 27084
determining whether a school district or building is subject to 27085

the 2014-2015, 2015-2016, or 2016-2017 school ~~year~~ years shall 27087

(F) The state board of education, in accordance with Chapter 28008
119. of the Revised Code, shall adopt rules regarding emergency 28009

plans and procedures for filing the plans. The rules shall specify 28011
that plans and information required under division (B) of this 28012
section be submitted on standardized forms developed by the 28013
department of education for such purpose. The rules shall also 28014
specify the requirements and procedures for emergency management 28015
tests conducted pursuant to division (E)(1) of this section. 28016

the administrator as prescribed by rule. 28019

(G) Division (B) of section 3319.31 of the Revised Code 28020

Revised Code. 28037

Notwithstanding section 149.433 of the Revised Code, a floor 28038
plan filed with the attorney general pursuant to this section is 28039
not a public record to the extent it is a record kept by the 28040
attorney general. 28041

into one or more existing social studies credits required under	28123
division (C)(7) of this section, or into the content of another	28124

those concepts. In developing the curriculum required by this	28126
paragraph, schools shall use available public-private partnerships	28127
and resources and materials that exist in business, industry, and	28128

Ohioans must be prepared to apply increased knowledge and 28144
skills in the workplace and to adapt their knowledge and skills 28145
quickly to meet the rapidly changing conditions of the 28146
twenty-first century. National studies indicate that all high 28147
school graduates need the same academic foundation, regardless of 28148
the opportunities they pursue after graduation. The goal of Ohio's 28149
system of elementary and secondary education is to prepare all 28150
students for and seamlessly connect all students to success in 28151
life beyond high school graduation, regardless of whether the next 28152
step is entering the workforce, beginning an apprenticeship, 28153
engaging in post-secondary training, serving in the military, or 28154
pursuing a college degree. 28155

The requirements for graduation prescribed in division (C) of 28156
this section are the standard expectation for all students 28157
entering ninth grade for the first time at a public or chartered 28158
nonpublic high school on or after July 1, 2010. A student may 28159
satisfy this expectation through a variety of methods, including, 28160
but not limited to, integrated, applied, career-technical, and 28161

traditional coursework. 28162

Whereas teacher quality is essential for student success when 28163
completing the requirements for graduation, the general assembly 28164
shall appropriate funds for strategic initiatives designed to 28165
strengthen schools' capacities to hire and retain highly qualified 28166
teachers in the subject areas required by the curriculum. Such 28167
initiatives are expected to require an investment of \$120,000,000 28168
over five years. 28169

Stronger coordination between high schools and institutions 28170
of higher education is necessary to prepare students for more 28171
challenging academic endeavors and to lessen the need for academic 28172
remediation in college, thereby reducing the costs of higher 28173
education for Ohio's students, families, and the state. The state 28174
board and the ~~chancellor of the Ohio board of regents~~ director of 28175
higher education shall develop policies to ensure that only in 28176
rare instances will students who complete the requirements for 28177
graduation prescribed in division (C) of this section require 28178
academic remediation after high school. 28179

School districts, community schools, and chartered nonpublic 28180
schools shall integrate technology into learning experiences 28181
across the curriculum in order to maximize efficiency, enhance 28182
learning, and prepare students for success in the 28183
technology-driven twenty-first century. Districts and schools 28184
shall use distance and web-based course delivery as a method of 28185
providing or augmenting all instruction required under this 28186
division, including laboratory experience in science. Districts 28187
and schools shall utilize technology access and electronic 28188
learning opportunities provided by the broadcast educational media 28189
commission, ~~chancellor~~ director of higher education, the Ohio 28190
learning network, education technology centers, public television 28191
stations, and other public and private providers. 28192

(D) Except as provided in division (E) of this section, a 28193

student who enters ninth grade on or after July 1, 2010, and 28194
before July 1, 2016, may qualify for graduation from a public or 28195
chartered nonpublic high school even though the student has not 28196
completed the requirements for graduation prescribed in division 28197
(C) of this section if all of the following conditions are 28198
satisfied: 28199

(1) During the student's third year of attending high school, 28200
as determined by the school, the student and the student's parent, 28201
guardian, or custodian sign and file with the school a written 28202
statement asserting the parent's, guardian's, or custodian's 28203
consent to the student's graduating without completing the 28204
requirements for graduation prescribed in division (C) of this 28205
section and acknowledging that one consequence of not completing 28206
those requirements is ineligibility to enroll in most state 28207
universities in Ohio without further coursework. 28208

(2) The student and parent, guardian, or custodian fulfill 28209
any procedural requirements the school stipulates to ensure the 28210
student's and parent's, guardian's, or custodian's informed 28211
consent and to facilitate orderly filing of statements under 28212
division (D)(1) of this section. Annually, each district or school 28213
shall notify the department of education of the number of students 28214
who choose to qualify for graduation under division (D) of this 28215
section and the number of students who complete the student's 28216
success plan and graduate from high school. 28217

(3) The student and the student's parent, guardian, or 28218
custodian and a representative of the student's high school 28219
jointly develop a student success plan for the student in the 28220
manner described in division (C)(1) of section 3313.6020 of the 28221
Revised Code that specifies the student matriculating to a 28222
two-year degree program, acquiring a business and 28223
industry-recognized credential, or entering an apprenticeship. 28224

(4) The student's high school provides counseling and support 28225

for the student related to the plan developed under division 28226
(D)(3) of this section during the remainder of the student's high 28227
school experience. 28228

(5)(a) Except as provided in division (D)(5)(b) of this 28229
section, the student successfully completes, at a minimum, the 28230
curriculum prescribed in division (B) of this section. 28231

(b) Beginning with students who enter ninth grade for the 28232
first time on or after July 1, 2014, a student shall be required 28233
to complete successfully, at the minimum, the curriculum 28234
prescribed in division (B) of this section, except as follows: 28235

(i) Mathematics, four units, one unit which shall be one of 28236
the following: 28237

(I) Probability and statistics; 28238

(II) Computer programming; 28239

(III) Applied mathematics or quantitative reasoning; 28240

(IV) Any other course approved by the department using 28241
standards established by the superintendent not later than October 28242
1, 2014. 28243

(ii) Elective units, five units; 28244

(iii) Science, three units as prescribed by division (B) of 28245
this section which shall include inquiry-based laboratory 28246
experience that engages students in asking valid scientific 28247
questions and gathering and analyzing information. 28248

The department, in collaboration with the ~~chancellor~~ director 28249
of higher education, shall analyze student performance data to 28250
determine if there are mitigating factors that warrant extending 28251
the exception permitted by division (D) of this section to high 28252
school classes beyond those entering ninth grade before July 1, 28253
2016. The department shall submit its findings and any 28254
recommendations not later than December 1, 2015, to the speaker 28255

and minority leader of the house of representatives, the president 28256
and minority leader of the senate, the chairpersons and ranking 28257
minority members of the standing committees of the house of 28258
representatives and the senate that consider education 28259
legislation, the state board of education, and the superintendent 28260
of public instruction. 28261

(E) Each school district and chartered nonpublic school 28262
retains the authority to require an even more challenging minimum 28263
curriculum for high school graduation than specified in division 28264
(B) or (C) of this section. A school district board of education, 28265
through the adoption of a resolution, or the governing authority 28266
of a chartered nonpublic school may stipulate any of the 28267
following: 28268

(1) A minimum high school curriculum that requires more than 28269
twenty units of academic credit to graduate; 28270

(2) An exception to the district's or school's minimum high 28271
school curriculum that is comparable to the exception provided in 28272
division (D) of this section but with additional requirements, 28273
which may include a requirement that the student successfully 28274
complete more than the minimum curriculum prescribed in division 28275
(B) of this section; 28276

(3) That no exception comparable to that provided in division 28277
(D) of this section is available. 28278

(F) A student enrolled in a dropout prevention and recovery 28279
program, which program has received a waiver from the department, 28280
may qualify for graduation from high school by successfully 28281
completing a competency-based instructional program administered 28282
by the dropout prevention and recovery program in lieu of 28283
completing the requirements for graduation prescribed in division 28284
(C) of this section. The department shall grant a waiver to a 28285
dropout prevention and recovery program, within sixty days after 28286

the program applies for the waiver, if the program meets all of 28287
the following conditions: 28288

(1) The program serves only students not younger than sixteen 28289
years of age and not older than twenty-one years of age. 28290

(2) The program enrolls students who, at the time of their 28291
initial enrollment, either, or both, are at least one grade level 28292
behind their cohort age groups or experience crises that 28293
significantly interfere with their academic progress such that 28294
they are prevented from continuing their traditional programs. 28295

(3) The program requires students to attain at least the 28296
applicable score designated for each of the assessments prescribed 28297
under division (B)(1) of section 3301.0710 of the Revised Code or, 28298
to the extent prescribed by rule of the state board under division 28299

(5) The program provides counseling and support for the 28307

(6) The program requires the student and the student's 28311
parent, guardian, or custodian to sign and file, in accordance 28312

consent to the student's graduating without completing the 28315
requirements for graduation prescribed in division (C) of this 28316
section and acknowledging that one consequence of not completing 28317

those requirements is ineligibility to enroll in most state 28318
universities in Ohio without further coursework. 28319

(7) Prior to receiving the waiver, the program has submitted 28320
to the department an instructional plan that demonstrates how the 28321

(8) Prior to receiving the waiver, the program has submitted 28324

requirements of section 3313.6020 of the Revised Code, with an 28326
emphasis on how every student will receive career advising. 28327

(9) Prior to receiving the waiver, the program has submitted 28328
to the department a written agreement outlining the future 28329
cooperation between the program and any combination of local job 28330
training, postsecondary education, nonprofit, and health and 28331
social service organizations to provide services for students in 28332
the program and their families. 28333

Divisions (F)(8) and (9) of this section apply only to 28334
waivers granted on or after July 1, 2015. 28335

If the department does not act either to grant the waiver or 28336
to reject the program application for the waiver within sixty days 28337
as required under this section, the waiver shall be considered to 28338
be granted. 28339

(G) Every high school may permit students below the ninth 28340
grade to take advanced work. If a high school so permits, it shall 28341
award high school credit for successful completion of the advanced 28342
work and shall count such advanced work toward the graduation 28343
requirements of division (B) or (C) of this section if the 28344
advanced work was both: 28345

(1) Taught by a person who possesses a license or certificate 28346
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 28347
Code that is valid for teaching high school; 28348

(2) Designated by the board of education of the city, local, 28349
or exempted village school district, the board of the cooperative 28350
education school district, or the governing authority of the 28351
chartered nonpublic school as meeting the high school curriculum 28352
requirements. 28353

Each high school shall record on the student's high school 28354
transcript all high school credit awarded under division (G) of 28355
this section. In addition, if the student completed a seventh- or 28356
eighth-grade fine arts course described in division (K) of this 28357
section and the course qualified for high school credit under that 28358
division, the high school shall record that course on the 28359
student's high school transcript. 28360

(H) The department shall make its individual academic career 28361
plan available through its Ohio career information system web site 28362
for districts and schools to use as a tool for communicating with 28363
and providing guidance to students and families in selecting high 28364
school courses. 28365

(I) Units earned in English language arts, mathematics, 28366
science, and social studies that are delivered through integrated 28367
academic and career-technical instruction are eligible to meet the 28368
graduation requirements of division (B) or (C) of this section. 28369

(J)(1) The state board, in consultation with the ~~chancellor~~ 28370
director of higher education, shall adopt a statewide plan 28371
implementing methods for students to earn units of high school 28372
credit based on a demonstration of subject area competency, 28373
instead of or in combination with completing hours of classroom 28374
instruction. The state board shall adopt the plan not later than 28375
March 31, 2009, and commence phasing in the plan during the 28376
2009-2010 school year. The plan shall include a standard method 28377
for recording demonstrated proficiency on high school transcripts. 28378
Each school district and community school shall comply with the 28379
state board's plan adopted under this division and award units of 28380

high school credit in accordance with the plan. The state board 28381
may adopt existing methods for earning high school credit based on 28382
a demonstration of subject area competency as necessary prior to 28383
the 2009-2010 school year. 28384

(2) Not later than December 31, 2015, the state board shall 28385
update the statewide plan adopted pursuant to division (J)(1) of 28386
this section to also include methods for students enrolled in 28387
seventh and eighth grade to meet curriculum requirements based on 28388
a demonstration of subject area competency, instead of or in 28389
combination with completing hours of classroom instruction. 28390
Beginning with the 2017-2018 school year, each school district and 28391
community school also shall comply with the updated plan adopted 28392
pursuant to this division and permit students enrolled in seventh 28393
and eighth grade to meet curriculum requirements based on subject 28394
area competency in accordance with the plan. 28395

(K) This division does not apply to students who qualify for 28396
graduation from high school under division (D) or (F) of this 28397
section, or to students pursuing a career-technical instructional 28398
track as determined by the school district board of education or 28399
the chartered nonpublic school's governing authority. 28400
Nevertheless, the general assembly encourages such students to 28401
consider enrolling in a fine arts course as an elective. 28402

Beginning with students who enter ninth grade for the first 28403
time on or after July 1, 2010, each student enrolled in a public 28404
or chartered nonpublic high school shall complete two semesters or 28405
the equivalent of fine arts to graduate from high school. The 28406
coursework may be completed in any of grades seven to twelve. Each 28407
student who completes a fine arts course in grade seven or eight 28408
may elect to count that course toward the five units of electives 28409
required for graduation under division (C)(8) of this section, if 28410
the course satisfied the requirements of division (G) of this 28411
section. In that case, the high school shall award the student 28412

high school credit for the course and count the course toward the 28413
five units required under division (C)(8) of this section. If the 28414
course in grade seven or eight did not satisfy the requirements of 28415
division (G) of this section, the high school shall not award the 28416
student high school credit for the course but shall count the 28417
course toward the two semesters or the equivalent of fine arts 28418
required by this division. 28419

(L) Notwithstanding anything to the contrary in this section, 28420
the board of education of each school district and the governing 28421
authority of each chartered nonpublic school may adopt a policy to 28422
excuse from the high school physical education requirement each 28423
student who, during high school, has participated in 28424
interscholastic athletics, marching band, or cheerleading for at 28425
least two full seasons or in the junior reserve officer training 28426
corps for at least two full school years. If the board or 28427
authority adopts such a policy, the board or authority shall not 28428
require the student to complete any physical education course as a 28429
condition to graduate. However, the student shall be required to 28430
complete one-half unit, consisting of at least sixty hours of 28431
instruction, in another course of study. In the case of a student 28432
who has participated in the junior reserve officer training corps 28433
for at least two full school years, credit received for that 28434
participation may be used to satisfy the requirement to complete 28435
one-half unit in another course of study. 28436

(M) It is important that high school students learn and 28437
understand United States history and the governments of both the 28438
United States and the state of Ohio. Therefore, beginning with 28439
students who enter ninth grade for the first time on or after July 28440
1, 2012, the study of American history and American government 28441

(2) The Northwest Ordinance;	28445
(3) The Constitution of the United States with emphasis on the Bill of Rights;	28446 28447
(4) The Ohio Constitution.	28448
The study of each of the documents prescribed in divisions (M)(1) to (4) of this section shall include study of that document in its original context.	28449 28450 28451
The study of American history and government required by divisions (B)(6) and (C)(6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.	28452 28453 28454 28455 28456 28457
Sec. 3313.608. (A)(1) Beginning with students who enter third grade in the school year that starts July 1, 2009, and until June 30, 2013, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from taking the assessment described in this section, for any student who does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, each school district, in accordance with the policy adopted under section 3313.609 of the Revised Code, shall do one of the following:	28458 28459 28460 28461 28462 28463 28464 28465 28466 28467 28468 28469

(b) Promote the student to fourth grade but provide the	28474

student with intensive intervention services in fourth grade;	28475
(c) Retain the student in third grade.	28476

2013-2014 school year, unless the student is excused under	28478
division (C) of section 3301.0711 of the Revised Code from taking	28479
the assessment described in this section, no school district shall	28480
promote to fourth grade any student who does not attain at least	28481
the equivalent level of achievement designated under division	28482
(A)(3) of section 3301.0710 of the Revised Code on the assessment	28483
prescribed under that section to measure skill in English language	28484
arts expected at the end of third grade, unless one of the	28485
following applies:	28486
(a) The student is a limited English proficient student who	28487
has been enrolled in United States schools for less than three	28488
full school years and has had less than three years of instruction	28489
in an English as a second language program.	28490
(b) The student is a child with a disability entitled to	28491
special education and related services under Chapter 3323. of the	28492
Revised Code and the student's individualized education program	28493

355, 29 U.S.C. 794, as amended, shows that the student has 28507
received intensive remediation in reading for two school years but 28508
still demonstrates a deficiency in reading. 28509

(iv) The student previously was retained in any of grades 28510
kindergarten to three. 28511

(e)(i) The student received intensive remediation for reading 28512
for two school years but still demonstrates a deficiency in 28513
reading and was previously retained in any of grades kindergarten 28514

(ii) A student who is promoted under division (A)(2)(e)(i) of 28516
this section shall continue to receive intensive reading 28517
instruction in grade four. The instruction shall include an 28518

student that have been successful in improving reading among 28521
low-performing readers. 28522

(B)(1) Beginning in the 2012-2013 school year, to assist 28523
students in meeting the third grade guarantee established by this 28524
section, each school district board of education shall adopt 28525
policies and procedures with which it annually shall assess the 28526

significant cognitive disabilities or other disabilities as 28528
authorized by the department on a case-by-case basis, enrolled in 28529
kindergarten to third grade and shall identify students who are 28530
reading below their grade level. The reading skills assessment 28531
shall be completed by the thirtieth day of September for students 28532

students in kindergarten. Each district shall use the diagnostic 28534
assessment to measure reading ability for the appropriate grade 28535
level adopted under section 3301.079 of the Revised Code, or a 28536

comparable tool approved by the department of education, to 28537
identify such students. The policies and procedures shall require 28538
the students' classroom teachers to be involved in the assessment 28539
and the identification of students reading below grade level. The 28540
assessment may be administered electronically using live, two-way 28541
video and audio connections whereby the teacher administering the 28542
assessment may be in a separate location from the student. 28543

third grade, the student shall be retained unless the student is 28561
exempt under division (A) of this section. The notification shall 28562
specify that the assessment under section 3301.0710 of the Revised 28563
Code is not the sole determinant of promotion and that additional 28564

parents and the district in knowing when a student is reading at 28566
or above grade level and ready for promotion. 28567

Sec. 3313.614. (A) As used in this section, a person 28876
"fulfills the curriculum requirement for a diploma" at the time 28877
one of the following conditions is satisfied: 28878

(1) The person successfully completes the high school 28879
curriculum of a school district, a community school, a chartered 28880
nonpublic school, or a correctional institution. 28881

(2) The person successfully completes the individualized 28882
education program developed for the person under section 3323.08 28883
of the Revised Code. 28884

(3) A board of education issues its determination under 28885
section 3313.611 of the Revised Code that the person qualifies as 28886
having successfully completed the curriculum required by the 28887
district. 28888

(B) This division specifies the assessment requirements that 28889
must be fulfilled as a condition toward granting high school 28890
diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 28891
of the Revised Code. 28892

(1) A person who fulfills the curriculum requirement for a 28893
diploma before September 15, 2000, is not required to pass any 28894
proficiency test or achievement test in science as a condition to 28895
receiving a diploma. 28896

(2) A person who began ninth grade for the first time prior 28897
to July 1, 2003, is not required to pass the Ohio graduation test 28898
prescribed under division (B)(1) of section 3301.0710 or any 28899
assessment prescribed under division (B)(2) of that section in any 28900
subject as a condition to receiving a diploma once the person has 28901
passed the ninth grade proficiency test in the same subject, so 28902
long as the person passed the ninth grade proficiency test prior 28903
to September 15, 2008. However, any such person who passes the 28904
Ohio graduation test in any subject prior to passing the ninth 28905

grade proficiency test in the same subject shall be deemed to have 28906
passed the ninth grade proficiency test in that subject as a 28907
condition to receiving a diploma. For this purpose, the ninth 28908
grade proficiency test in citizenship substitutes for the Ohio 28909
graduation test in social studies. If a person began ninth grade 28910
prior to July 1, 2003, but does not pass a ninth grade proficiency 28911
test or the Ohio graduation test in a particular subject before 28912
September 15, 2008, and passage of a test in that subject is a 28913
condition for the person to receive a diploma, the person must 28914
pass the Ohio graduation test instead of the ninth grade 28915
proficiency test in that subject to receive a diploma. 28916

(3) A (a) Except as provided in division (B)(3)(b) of this 28917
section, a person who begins ninth grade for the first time on or 28918
after July 1, 2003, in a school district, community school, or 28919
chartered nonpublic school is not eligible to receive a diploma 28920
based on passage of ninth grade proficiency tests. Each such 28921
person who begins ninth grade prior to July 1, 2014, must pass 28922
Ohio graduation tests to meet the assessment requirements 28923
applicable to that person as a condition to receiving a diploma or 28924
satisfy one of the conditions prescribed in division (B)(3)(b) of 28925
this section. 28926

(b) A person who began ninth grade for the first time prior 28927
to July 1, 2014, shall be eligible to receive a diploma if the 28928
person meets the requirement prescribed by section 3313.618 of the 28929
Revised Code. 28930

(c) A person who began ninth grade for the first time prior 28931
to July 1, 2014, and who has not attained at least the applicable 28932
scores designated under division (B)(1) of section 3301.0710 of 28933
the Revised Code on all the assessments required by that division 28934
shall be eligible to receive a diploma if the person meets the 28935
requirement prescribed by rule of the state board of education as 28936
prescribed under division (B)(3)(d) of this section. 28937

(d) Not later than December 31, 2015, the state board of education shall adopt rules prescribing the manner in which a person who began ninth grade for the first time prior to July 1, 2014, may be eligible for a high school diploma by combining the requirement prescribed by section 3313.618 of the Revised Code and the requirement to attain at least the applicable scores designated under division (B)(1) of section 3301.0710 of the Revised Code on the assessments required by that division. The rules shall ensure that the combined requirements require a demonstration of mastery that is equivalent or greater to the expectations of the assessments prescribed by division (B)(1) of section 3301.0710 of the Revised Code. The rules shall include the following:

(i) The date by which a person who began ninth grade for the first time prior to July 1, 2014, may be eligible for a high school diploma under division (B)(3)(c) of this section;

(ii) Methods of replacing individual assessments prescribed by division (B)(1) of section 3301.0710 of the Revised Code;

(iii) Methods of integrating the pathways prescribed by division (A) of section 3313.618 of the Revised Code.

(4) A Except as provided in division (B)(3)(b) of this section, a person who begins ninth grade on or after July 1, 2014, is not eligible to receive a diploma based on passage of the Ohio graduation tests. Each such person must meet the requirement prescribed by section 3313.618 of the Revised Code.

(C) This division specifies the curriculum requirement that shall be completed as a condition toward granting high school diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 of the Revised Code.

(1) A person who is under twenty-two years of age when the person fulfills the curriculum requirement for a diploma shall

complete the curriculum required by the school district or school 28969
issuing the diploma for the first year that the person originally 28970
enrolled in high school, except for a person who qualifies for 28971
graduation from high school under either division (D) or (F) of 28972
section 3313.603 of the Revised Code. 28973

(2) Once a person fulfills the curriculum requirement for a 28974
diploma, the person is never required, as a condition of receiving 28975
a diploma, to meet any different curriculum requirements that take 28976
effect pending the person's passage of proficiency tests or 28977
achievement tests or assessments, including changes mandated by 28978
section 3313.603 of the Revised Code, the state board, a school 28979
district board of education, or a governing authority of a 28980
community school or chartered nonpublic school. 28981

Sec. 3313.615. This section shall apply to diplomas awarded 28982
after September 15, 2006, to students who are required to take the 28983
five Ohio graduation tests prescribed by division (B)(1) of 28984
section 3301.0710 of the Revised Code. This section does not apply 28985
to any student who enters ninth grade for the first time on or 28986
after July 1, 2014. 28987

(A) As an alternative to the requirement that a person attain 28988
the scores designated under division (B)(1) of section 3301.0710 28989
of the Revised Code on all the assessments required under that 28990
division in order to be eligible for a high school diploma or an 28991
honors diploma under sections 3313.61, 3313.612, or 3325.08 of the 28992
Revised Code or for a diploma of adult education under section 28993
3313.611 of the Revised Code, a person who has attained at least 28994
the applicable scores designated under division (B)(1) of section 28995
3301.0710 of the Revised Code on all but one of the assessments 28996
required by that division and from which the person was not 28997
excused or exempted, pursuant to division (L) of section 3313.61, 28998
division (B)(1) of section 3313.612, or section 3313.532 of the 28999

Revised Code, may be awarded a diploma or honors diploma if the person has satisfied all of the following conditions:

(2) If the review results in a finding that additional 30805
funding is owed to the school, such payment shall be made within 30806
thirty days of the written notice. If the review results in a 30807
finding that the community school owes moneys to the state, the 30808
following procedure shall apply: 30809

findings, the community school may appeal the department's 30811
determination to the state board of education or its designee. 30812

(b) The board or its designee shall conduct an informal 30813

(d) Any decision made by the board under this division is 30821
final. 30822

(3) If it is decided that the community school owes moneys to 30823
the state, the department shall deduct such amount from the 30824
school's future payments in accordance with guidelines issued by 30825
the superintendent of public instruction. 30826

(L) The department shall not subtract from a school 30827
district's state aid account and shall not pay to a community 30828

excused pursuant to division (C)(1) or (3) of that section, unless 30838
the superintendent of public instruction grants the student a 30839
waiver from the requirement to take the assessment and a parent is 30840
not paying tuition for the student pursuant to section 3314.26 of 30841

to be effective, it must be certified by the superintendent of 30864
public instruction as having met all of the following 30865
requirements: 30866

(1) It is submitted to the department of education by a 30867
deadline which shall be established by the department. 30868

(2) In accordance with divisions (C)(1) and (2) of this 30869
section, it specifies qualifications, such as residing a minimum 30870

transportation provided or arranged. 30872

(3) The transportation provided by the community school is 30873
subject to all provisions of the Revised Code and all rules 30874
adopted under the Revised Code pertaining to pupil transportation. 30875

(4) The sponsor of the community school also has signed the agreement. 30876
30877

(B)(1) For the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school, if the community school during the previous school year transported the students enrolled in the school or arranged for the students' transportation, even if that arrangement consisted of having parents transport their children to and from the school, but did not enter into an agreement to transport or arrange for transportation for those students under division (A) of this section, and if the governing authority of the community school by July 15, 2007, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community school. 30878

governing authority's acceptance of that responsibility. 30910

(3) A governing authority's acceptance of responsibility 30911
under division (B)(1) or (2) of this section shall cover an entire 30912
school year, and shall remain in effect for subsequent school 30913
years unless the governing authority submits written notification 30914
to the district board that the governing authority is 30915
relinquishing the responsibility. However, a governing authority 30916
shall not relinquish responsibility for transportation before the 30917
end of a school year, and shall submit the notice relinquishing 30918
responsibility by the thirty-first day of January, in order to 30919

authority of the community school, by the fifteenth day of April 30926
of the previous school year, submits written notification to the 30927
district board of education stating that the governing authority 30928
is accepting responsibility for providing or arranging for the 30929
transportation of the district's native students to and from the 30930
community school. 30931

(b) The governing authority of a community school that 30932
accepts responsibility for transporting its students under 30933
division (B)(4)(a) of this section shall comply with divisions 30934
(B)(2) and (3) of this section to renew or relinquish that 30935
authority for subsequent school years. 30936

(C)(1) A community school governing authority that enters 30937
into an agreement under division (A) of this section, or that 30938
accepts responsibility under division (B) of this section, shall 30939

provide or arrange transportation free of any charge for each of 30940
its enrolled students who is required to be transported under 30941
section 3327.01 of the Revised Code ~~or who would otherwise be~~ 30942
~~transported by the school district under the district's~~ 30943
~~transportation policy.~~ The governing authority shall report to the 30944
department of education the number of students transported or for 30945
whom transportation is arranged under this section in accordance 30946
with rules adopted by the state board of education. 30947

(2) The governing authority may provide or arrange 30948
transportation for any other enrolled student who is not eligible 30949
for transportation in accordance with division (C)(1) of this 30950
section and may charge a fee for such service up to the actual 30951
cost of the service. 30952

(3) Notwithstanding anything to the contrary in division 30953
(C)(1) or (2) of this section, a community school governing 30954
authority shall provide or arrange transportation free of any 30955
charge for any disabled student enrolled in the school for whom 30956
the student's individualized education program developed under 30957
Chapter 3323. of the Revised Code specifies transportation. 30958

(D)(1) If a school district board and a community school 30959
governing authority elect to enter into an agreement under 30960
division (A) of this section, the department of education shall 30961
make payments to the community school according to the terms of 30962
the agreement for each student actually transported under division 30963
(C)(1) of this section. 30964

If a community school governing authority accepts 30965
transportation responsibility under division (B) of this section, 30966
the department shall make payments to the community school for 30967
each student actually transported or for whom transportation is 30968
arranged by the community school under division (C)(1) of this 30969
section, calculated as follows: 30970

(a) For any fiscal year which the general assembly has specified that transportation payments to school districts be based on an across-the-board percentage of the district's payment for the previous school year, the per pupil payment to the community school shall be the following quotient:

(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with disabilities; divided by

(ii) The number of students included in the district's transportation ADM for the current fiscal year, as calculated under section 3317.03 of the Revised Code, plus the number of students enrolled in the community school not counted in the district's transportation ADM who are transported under division (B)(1) or (2) of this section.

(b) For any fiscal year which the general assembly has specified that the transportation payments to school districts be calculated in accordance with section 3317.0212 of the Revised Code and any rules of the state board of education implementing that section, the payment to the community school shall be the amount so calculated on a per rider basis that otherwise would be paid to the school district in which the student is entitled to attend school by the method of transportation the district would have used. The community school, however, is not required to use the same method to transport that student.

(c) Divisions (D)(1)(a) and (b) of this section do not apply to fiscal years 2012 and 2013. Rather, for each of those fiscal years, the per pupil payment to a community school for transporting a student shall be the total amount paid under former section 3306.12 of the Revised Code for fiscal year 2011 to the school district in which the child is entitled to attend school divided by that district's "qualifying ridership," as defined in

that section for fiscal year 2011. 31003

As used in this division "entitled to attend school" means 31004
entitled to attend school under section 3313.64 or 3313.65 of the 31005
Revised Code. 31006

(2) The department shall deduct the payment under division 31007
(D)(1) of this section from the state education aid, as defined in 31008
section 3314.08 of the Revised Code, and, if necessary, the 31009
payment under sections 321.14 and 323.156 of the Revised Code, 31010
that is otherwise paid to the school district in which the student 31011
enrolled in the community school is entitled to attend school. The 31012
department shall include the number of the district's native 31013
students for whom payment is made to a community school under 31014
division (D)(1) of this section in the calculation of the 31015
district's transportation payment under section 3317.0212 of the 31016
Revised Code and the operating appropriations act. 31017

(3) A community school shall be paid under division (D)(1) of 31018
this section only for students who are eligible as specified in 31019
section 3327.01 of the Revised Code and division (C)(1) of this 31020
section, and whose transportation to and from school is actually 31021
provided, who actually utilized transportation arranged, or for 31022
whom a payment in lieu of transportation is made by the community 31023
school's governing authority. To qualify for the payments, the 31024
community school shall report to the department, in the form and 31025
manner required by the department, data on the number of students 31026
transported or whose transportation is arranged, the number of 31027
miles traveled, cost to transport, and any other information 31028
requested by the department. 31029

(4) A community school shall use payments received under this 31030
section solely to pay the costs of providing or arranging for the 31031
transportation of students who are eligible as specified in 31032
section 3327.01 of the Revised Code and division (C)(1) of this 31033
section, which may include payments to a parent, guardian, or 31034

other person in charge of a child in lieu of transportation. 31035

(E) Except when arranged through payment to a parent, 31036
guardian, or person in charge of a child, transportation provided 31037
or arranged for by a community school pursuant to an agreement 31038
under this section is subject to all provisions of the Revised 31039
Code, and all rules adopted under the Revised Code, pertaining to 31040
the construction, design, equipment, and operation of school buses 31041
and other vehicles transporting students to and from school. The 31042
drivers and mechanics of the vehicles are subject to all 31043
provisions of the Revised Code, and all rules adopted under the 31044
Revised Code, pertaining to drivers and mechanics of such 31045
vehicles. The community school also shall comply with sections 31046
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 31047
of section 3327.16 of the Revised Code and, subject to division 31048

0.55]} + 0.50.~~ 31291
31292

0.05.~~ 31295
31296
31297

to 1.8, then the district's state share index shall be equal to
0.05.~~ 31299
31300
31301

~~(E)(1) For each school district for which the tax exempt
value of the district, as certified under division (A)(4) of
section 3317.021 of the Revised Code, equals or exceeds thirty per
cent of the potential value of the district, the department shall
calculate the difference between the district's tax exempt value
and thirty per cent of the district's potential value. For this
purpose, the "potential value" of a school district is the
three year average valuation of the district plus the tax exempt
value of the district.~~ 31302
