regular education in grades kindergarten to twelve who are 31816
provided school bus service by a school district and who live more 31817
than one mile from the school they attend, including students with 31818
dual enrollment in a joint vocational school district or a 31819
cooperative education school district, and students enrolled in a 31820
community school, STEM school, or nonpublic school. 31821

(2) "Qualifying ridership" means the average number of 31822
qualifying riders who are provided school bus service by a school 31823
district during the first full week of October. 31824

(3) "Rider density" means the total ADM per square mile of a 31825
school district. 31826

(4) "School bus service" means a school district's 31827

transportation of qualifying riders in any of the following types	31828
of vehicles:	31829
(a) School buses owned or leased by the district;	31830

<u>regular education in grades kindergarten to twelve who are</u>	31837
<u>provided school bus service by a school district, including</u>	31838
<u>students with dual enrollment in a joint vocational school</u>	31839
<u>district or a cooperative education school district, and students</u>	31840
<u>enrolled in a community school, STEM school, or nonpublic school.</u>	31841
<u>(6) "Total ridership" means the average number of total</u>	31842
<u>riders who are provided school bus service by a school district</u>	31843
<u>during the first full week of October.</u>	31844
(B) Not later than the fifteenth day of October each year, each city, local, and exempted village school district shall report to the department of education its qualifying <u>and total</u> ridership and any other information requested by the department. Subsequent adjustments to the reported numbers shall be made only in accordance with rules adopted by the department.	31845 31846 31847 31848 31849 31850
(C) The department shall calculate the statewide transportation cost per student as follows:	31851 31852
(1) Determine each city, local, and exempted village school district's transportation cost per student by dividing the district's total costs for school bus service in the previous fiscal year by its qualifying <u>total</u> ridership in the previous fiscal year.	31853 31854 31855 31856 31857

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per student and the ten districts with the lowest transportation costs per student, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate ~~qualifying~~ total ridership of those districts in the previous fiscal year.

(D) The department shall calculate the statewide transportation cost per mile as follows:

(1) Determine each city, local, and exempted village school district's transportation cost per mile by dividing the district's total costs for school bus service in the previous fiscal year by its total number of miles driven for school bus service in the previous fiscal year.

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per mile and the ten districts with the lowest transportation costs per mile, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate miles driven for school bus service in those districts in the previous fiscal year.

(E) The department shall calculate each city, local, and exempted village school district's transportation payment as follows:

(1) Multiply the statewide transportation cost per student by the district's qualifying ridership for the current fiscal year.

(2) Multiply the statewide transportation cost per mile by the district's total number of miles driven for school bus service in the current fiscal year.

(3) Multiply the greater of the amounts calculated under divisions (E)(1) and (2) of this section by the greater of ~~sixty~~

fifty per cent or the district's state share ~~index~~ percentage, as 31889
defined in section 3317.02 of the Revised Code. 31890

(F) In addition to funds paid under division (E) of this 31891
section, each city, local, and exempted village district shall 31892
receive in accordance with rules adopted by the state board of 31893
education a payment for students transported by means other than 31894
school bus service and whose transportation is not funded under 31895
division (C) of section 3317.024 of the Revised Code. The rules 31896
shall include provisions for school district reporting of such 31897
students. 31898

~~(G)(1) In fiscal years 2014 and 2015, the department shall 31899
pay each district a pro rata portion of the amounts calculated 31900
under division (E) of this section and described in division (F) 31901
of this section, based on state appropriations. 31902~~

~~(2) In addition to the prorated payment under division (G)(1) 31903
of this section, in fiscal years 2014 and 2015, the department 31904
shall pay each school district that meets the conditions 31905
prescribed in division (G)(3) of this section an additional amount 31906
equal to the difference of (a) the amounts calculated under 31907
division (E) of this section and prescribed in division (F) of 31908
this section minus (b) that prorated payment. 31909~~

~~(3) Division (G)(2) of this section applies to each school 31910
district that meets all of the following conditions: 31911~~

~~(a) The district qualifies for the calculation of a payment 31912

~~(b) The district's state share index is greater than or equal 31915
to 0.50. 31916~~

~~(c) The district's rider density is at or below the median 31917
rider density of all districts that qualify for calculation of a 31918
payment under division (E) of this section. 31919~~

~~(H) Each city, local, and exempted village school district shall report all data used to calculate funding for transportation under this section through the education management information system pursuant to section 3301.0714 of the Revised Code.~~

Sec. 3317.0213. (A) The department of education shall compute and pay in accordance with this section additional state aid for preschool ~~special education~~ children with disabilities to each city, local, and exempted village school district and to each institution, as defined in section 3323.091 of the Revised Code. Funding shall be provided for children who are not enrolled in kindergarten and who are under age six on the thirtieth day of September of the academic year, or on the first day of August of the academic year if the school district in which the child is enrolled has adopted a resolution under division (A)(3) of section 3321.01 of the Revised Code, but not less than age three on the first day of December of the academic year.

The additional state aid shall be calculated under the following formula:

$(\$4,000 \times \text{the number of } \underline{\text{students who are preschool } \del{\text{special education}} \text{ children with disabilities}}) + \text{the sum of the following:}$

(1) The district's or institution's category one special education ~~preschool~~ students who are preschool children with disabilities X the amount specified in division (A) of section 3317.013 of the Revised Code X the district's state share ~~index~~ percentage X 0.50;

(2) The district's or institution's category two special education ~~preschool~~ students who are preschool children with disabilities X the amount specified in division (B) of section 3317.013 of the Revised Code X the district's state share ~~index~~ percentage X 0.50;

(3) The district's or institution's category three special education ~~preschool~~ students who are preschool children with disabilities X the amount specified in division (C) of section 3317.013 of the Revised Code X the district's state share ~~index~~ percentage X 0.50;

(4) The district's or institution's category four special education ~~preschool~~ students who are preschool children with disabilities X the amount specified in division (D) of section 3317.013 of the Revised Code X the district's state share ~~index~~ percentage X 0.50;

(5) The district's or institution's category five special education ~~preschool~~ students who are preschool children with disabilities X the amount specified in division (E) of section 3317.013 of the Revised Code X the district's state share ~~index~~ percentage X 0.50;

(6) The district's or institution's category six special education ~~preschool~~ students who are preschool children with disabilities X the amount specified in division (F) of section 3317.013 of the Revised Code X the district's state share ~~index~~ percentage X 0.50.

The special education disability categories for preschool children used in this section are the same categories prescribed in section 3317.013 of the Revised Code.

As used in division (A) of this section, the state share ~~index~~ percentage of a student enrolled in an institution is the state share ~~index~~ percentage of the school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(B) If an educational service center is providing services to ~~preschool special education~~ students who are preschool children with disabilities under agreement with the city, local, or

exempted village school district in which the students are 31981
entitled to attend school, that district may authorize the 31982
department to transfer funds computed under this section to the 31983
service center providing those services. 31984

(C) If a county DD board is providing services to ~~preschool~~ 31985
~~special education~~ students who are preschool children with 31986
disabilities under agreement with the city, local, or exempted 31987
village school district in which the students are entitled to 31988
attend school, the department shall deduct from the district's 31989
payment computed under division (A) of this section the total 31990
amount of those funds that are attributable to the students served 31991
by the county DD board and pay that amount to that board. 31992

Sec. 3317.0214. (A) The department shall compute and pay in 31993
accordance with this section additional state aid to school 31994
districts for students in categories two through six special 31995
education ADM. If a district's costs for the fiscal year for a 31996
student in its categories two through six special education ADM 31997
exceed the threshold catastrophic cost for serving the student, 31998
the district may submit to the superintendent of public 31999
instruction documentation, as prescribed by the superintendent, of 32000
all its costs for that student. Upon submission of documentation 32001
for a student of the type and in the manner prescribed, the 32002
department shall pay to the district an amount equal to the sum of 32003
the following: 32004

(1) One-half of the district's costs for the student in 32005
excess of the threshold catastrophic cost; 32006

(2) The product of one-half of the district's costs for the 32007
student in excess of the threshold catastrophic cost multiplied by 32008
the district's state share ~~index~~ percentage. 32009

(B) For purposes of division (A) of this section, the 32010
threshold catastrophic cost for serving a student equals: 32011

(1) For a student in the school district's category two, 32012
three, four, or five special education ADM, twenty-seven thousand 32013
three hundred seventy-five dollars; 32014

(2) For a student in the district's category six special 32015
education ADM, thirty-two thousand eight hundred fifty dollars. 32016

(C) The district shall report under division (A) of this 32017
section, and the department shall pay for, only the costs of 32018
educational expenses and the related services provided to the 32019
student in accordance with the student's individualized education 32020
program. Any legal fees, court costs, or other costs associated 32021
with any cause of action relating to the student may not be 32022
included in the amount. 32023

Sec. 3317.0217. Payment of the amount calculated for a school 32024
district under this section shall be made under division (A) of 32025
section 3317.022 of the Revised Code. 32026

For purposes of the calculations under this section, "school 32027
district" shall mean a school district with a formula ADM greater 32028
than zero. 32029

(A) The department of education shall annually compute 32030
targeted assistance funds to school districts, as follows: 32031

(1) Calculate the local wealth per pupil of each school 32032
district, which equals the following sum: 32033

(a) One-half times the quotient of (i) the district's 32034
~~three-year~~ average valuation divided by (ii) its formula ADM; plus 32035

(b) One-half times the quotient of (i) the average of the 32036
total federal adjusted gross income of the school district's 32037
residents for the three years most recently reported under section 32038
3317.021 of the Revised Code divided by (ii) its formula ADM. 32039

(2) Rank all school districts in order of local wealth per 32040
pupil, from the district with the lowest local wealth per pupil to 32041

the district with the highest local wealth per pupil. 32042

(3) Compute the statewide wealth per pupil, which equals the 32043
following sum: 32044

(a) One-half times the quotient of (i) the sum of the 32045
~~three-year~~ average valuations for all school districts divided by 32046
(ii) the sum of formula ADM counts for all school districts; plus 32047

(b) One-half times the quotient of (i) the sum of the 32048
three-year average total federal adjusted gross incomes for all 32049
school districts divided by (ii) the sum of formula ADM counts for 32050
all school districts. 32051

(4) Compute each district's ~~wealth index~~ capacity measure by 32052
dividing the statewide wealth per pupil by the district's local 32053
wealth per pupil. 32054

(5) Compute the per pupil targeted assistance for each 32055
eligible school district in accordance with the following formula: 32056
(Threshold local wealth per pupil - the district's local wealth 32057
per pupil) 32058
X target millage X the district's ~~wealth index~~ capacity measure 32059

Where: 32060

(a) An "eligible school district" means a school district 32061
with a local wealth per pupil less than that of the school 32062
district with the 490th lowest local wealth per pupil. 32063

(b) "Threshold local wealth per pupil" means the local wealth 32064
per pupil of the school district with the 490th lowest local 32065
wealth per pupil. 32066

(c) "Target millage" means 0.006. 32067

If the result of the calculation for a school district under 32068
division (A)(5) of this section is less than zero, the district's 32069
targeted assistance shall be zero. 32070

(6) Calculate the aggregate amount to be paid as targeted 32071

assistance funds to each school district under division (A) of 32072
section 3317.022 of the Revised Code by multiplying the per pupil 32073
targeted assistance computed under division (A)(5) of this section 32074
by the district's net formula ADM. 32075

As used in this division, a district's "net formula ADM" 32076
means its formula ADM minus the number of community school 32077
students certified under division (B)(3)(d) of section 3317.03 of 32078
the Revised Code X 0.75, the number of internet- and 32079
computer-based community school students certified under division 32080
(B)(3)(e) of that section, the number of science, technology, 32081
engineering, and mathematics school students certified under 32082
division (B)(3)(j) of that section X 0.75, and the number of 32083
scholarship students certified under divisions (B)(3)(f), (g), and 32084
(l) of that section. 32085

(B) The department shall annually compute supplemental 32086
targeted assistance funds to school districts, as follows: 32087

(1) Compute each district's agricultural percentage as the 32088
quotient of (a) the three-year average tax valuation of real 32089
property in the district that is classified as agricultural 32090
property divided by (b) the three-year average tax valuation of 32091
all of the real property in the district. For purposes of this 32092
computation: 32093

(a) For fiscal year 2016, a district's "three-year average 32094
tax valuation" means the average of a district's tax valuation for 32095
~~fiscal tax~~ tax years 2012, 2013, and 2014. 32096

(b) For fiscal year 2017, a district's "three-year average 32097
tax valuation" means the average of a district's tax valuation for 32098
tax years 2013, 2014, and 2015. 32099

(2) Determine each district's agricultural targeted 32100
percentage as follows: 32101

(a) If a district's agricultural percentage is greater than 32102

or equal to 0.10, then the district's agricultural targeted 32103
percentage shall be equal to 0.40. 32104

(b) If a district's agricultural percentage is less than 32105
0.10, then the district's agricultural targeted percentage shall 32106
be equal to 4 X the district's agricultural percentage. 32107

(3) Calculate the aggregate amount to be paid as supplemental 32108
targeted assistance funds to each school district under division 32109
(A) of section 3317.022 of the Revised Code by multiplying the 32110

school districts for the acquisition of classroom facilities 32981

teachers of the district, and the principal member shall be 33179
elected by a majority vote of the principals of the district, 33180

term. 33203

(3) In the case of a school district in which an exclusive 33214
representative has been established pursuant to Chapter 4117. of 33215

the Revised Code, professional development committees shall be 33216
established in accordance with any collective bargaining agreement 33217
in effect in the district that includes provisions for such 33218
committees. 33219

If the collective bargaining agreement does not specify a 33220
different method for the selection of teacher members of the 33221
committees, the exclusive representative of the district's 33222
teachers shall select the teacher members. 33223

If the collective bargaining agreement does not specify a 33224
different structure for the committees, the board of education of 33225
the school district shall establish the structure, including the 33226
number of committees and the number of teacher and administrative 33227
members on each committee; the specific administrative members to 33228
be part of each committee; whether the scope of the committees 33229
will be district levels, building levels, or by type of grade or 33230
age levels for which educator licenses are designated; the lengths 33231
of terms for members; the manner of filling vacancies on the 33232
committees; and the frequency and time and place of meetings. 33233

the case of vacancies among teacher members, unless the collective 33239
bargaining agreement specifies a different method of selecting 33240
such replacements. 33241

(4) Whenever an administrator's coursework plan is being 33242
discussed or voted upon, the local professional development 33243
committee shall, at the request of one of its administrative 33244
members, cause a majority of the committee to consist of 33245
administrative members by reducing the number of teacher members 33246

establish local professional development committees to determine 33253
whether the coursework proposed by their employees who are 33254

in division (G)(1) of this section shall structure their 33272
committees in accordance with guidelines which shall be issued by 33273
the state board. 33274

(2) Any public agency that is not specified in division 33275
(G)(1) of this section but provides educational services and 33276
employs or contracts for services of classroom teachers licensed 33277

(B) Only an Ohio resident who meets both of the following is 35259
eligible for a grant awarded under this section: 35260

(1) The resident has an expected family contribution of two 35261
thousand one hundred ninety or less; 35262

(2) The resident enrolls in one of the following: 35263

of higher education, as defined in section 3345.12 of the Revised 35267
Code, that meets the requirements of Title VI of the Civil Rights 35268

(C)(1) The ~~chancellor~~ director shall establish and administer 35284
a needs-based financial aid grants program based on the United 35285

Needs-based financial aid grants shall be provided to an eligible student only as long as the student is making appropriate progress toward a nursing diploma or an associate or bachelor's degree. No student shall be eligible to receive a grant for more than ten semesters, fifteen quarters, or the equivalent of five academic years. A grant made to an eligible student on the basis of less than full-time enrollment shall be based on the number of credit hours for which the student is enrolled and shall be computed in accordance with a formula adopted by rule issued by the ~~chancellor~~ director. No student shall receive more than one grant on the basis of less than full-time enrollment.

(D)(1) Except as provided in division (D)(4) of this section, no grant awarded under this section shall exceed the total state cost of attendance.

(2) Subject to divisions (D)(1), (3), and (4) of this section, the amount of a grant awarded to a student under this section shall equal the student's remaining state cost of attendance after the student's Pell grant and expected family contribution are applied to the instructional and general charges for the undergraduate program. ~~chancellor~~ director may set by rule. 35343

(3) For a student enrolled for a semester or quarter in 35344
addition to the portion of the academic year covered by a grant 35345
under this section, the maximum grant amount shall be a percentage 35346
of the maximum specified in any table established in rules adopted 35347
by the ~~chancellor~~ director as provided in division (A) of this 35348

applies. A request for extension may be denied. If the owner or 41524
operator submits the money late, the owner or operator shall pay a 41525

penalty of ten per cent of the amount of the money due for each 41526

plans and specifications required to be filed by an order issued 42739
under division (A)(5) of that section, after the date prescribed 42740
for commencement of closure of the facility in the order issued 42741
under division (A)(6) of section 3734.05 of the Revised Code 42742
denying the permit application or approval. 42743

On and after the effective date of the rules adopted under 42744

(c) Chapter 953. of the Revised Code. 42778

(D) Neither this chapter nor any rules adopted under it apply 42779
to single-family residential premises; to infectious wastes 42780
generated by individuals for purposes of their own care or 42781
treatment; to the temporary storage of solid wastes, other than 42782
scrap tires, prior to their collection for disposal; to the 42783

storage of one hundred or fewer scrap tires unless they are stored 42784
in such a manner that, in the judgment of the director or the 42785
board of health of the health district in which the scrap tires 42786
are stored, the storage causes a nuisance, a hazard to public 42787
health or safety, or a fire hazard; or to the collection of solid 42788
wastes, other than scrap tires, by a political subdivision or a 42789
person holding a franchise or license from a political subdivision 42790

(E)(1) As used in this division: 42796

(a) "On-site facility" means a facility that stores, treats, 42797
or disposes of hazardous waste that is generated on the premises 42798
of the facility. 42799

(b) "Off-site facility" means a facility that stores, treats, 42800
or disposes of hazardous waste that is generated off the premises 42801
of the facility and includes such a facility that is also an 42802
on-site facility. 42803

(c) "Satellite facility" means any of the following: 42804

from other premises owned by the same person who generates the 42806
waste on the facility premises; 42807

(ii) An off-site facility operated so that all of the 42808
hazardous waste it receives is generated on one or more premises 42809
owned by the person who owns the facility; 42810

that is transported uninterruptedly and directly to the facility 42812

facility. 42814

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility installation and operation permit issued in accordance with section 3734.05 of the Revised Code and subject to the payment of an application fee not to exceed one thousand five hundred dollars, payable upon application for a hazardous waste facility installation and operation permit and upon application for a renewal permit issued under division (H) of section 3734.05 of the Revised Code, to be credited to the hazardous waste facility management fund created in section 3734.18 of the Revised Code. The term of a hazardous waste facility installation and operation permit shall not exceed ten years.

In addition to the application fee, there is hereby levied an annual permit fee to be paid by the permit holder upon the anniversaries of the date of issuance of the hazardous waste facility installation and operation permit and of any subsequent renewal permits and to be credited to the hazardous waste facility management fund. Annual permit fees totaling forty thousand dollars or more for any one facility may be paid on a quarterly basis with the first quarterly payment each year being due on the anniversary of the date of issuance of the hazardous waste facility installation and operation permit and of any subsequent renewal permits. The annual permit fee shall be determined for each permit holder by the director in accordance with the following schedule:

A hazardous waste disposal facility that disposes of 42872
hazardous waste by deep well injection and that pays the annual 42873
permit fee established in section 6111.046 of the Revised Code is 42874
not subject to the permit fee established in this division for 42875
disposal facilities using deep well injection unless the director 42876
determines that the facility is not in compliance with applicable 42877
requirements established under this chapter and rules adopted 42878
under it. 42879

In determining the annual permit fee required by this 42880
section, the director shall not require additional payments for 42881
multiple units of the same method of storage, treatment, or 42882
disposal or for individual units that are used for both storage 42883
and treatment. A facility using more than one method of storage, 42884
treatment, or disposal shall pay the permit fee indicated by the 42885
schedule for each such method. 42886

The director shall not require the payment of that portion of 42887
an annual permit fee of any permit holder that would apply to a 42888
hazardous waste management unit for which a permit has been 42889
issued, but for which construction has not yet commenced. Once 42890
construction has commenced, the director shall require the payment 42891
of a part of the appropriate fee indicated by the schedule that 42892
bears the same relationship to the total fee that the number of 42893
days remaining until the next anniversary date at which payment of 42894
the annual permit fee is due bears to three hundred sixty-five. 42895

The director, by rules adopted in accordance with Chapters 42896
119. and 3745. of the Revised Code, shall prescribe procedures for 42897
collecting the annual permit fee established by this division and 42898
may prescribe other requirements necessary to carry out this 42899
division. 42900

(3) The prohibition against establishing or operating a 42901
hazardous waste facility without a hazardous waste facility 42902
installation and operation permit does not apply to either of the 42903
following: 42904

(a) A facility that is operating in accordance with a permit 42905
renewal issued under division (H) of section 3734.05 of the 42906
Revised Code, a revision issued under division (I) of that section 42907
as it existed prior to August 20, 1996, or a modification issued 42908
by the director under division (I) of that section on and after 42909
August 20, 1996; 42910

(b) Except as provided in division (J) of section 3734.05 of the Revised Code, a facility that will operate or is operating in accordance with a permit by rule, or that is not subject to permit requirements, under rules adopted by the director. In accordance with Chapter 119. of the Revised Code, the director shall adopt, and subsequently may amend, suspend, or rescind, rules for the purposes of division (E)(3)(b) of this section. Any rules so adopted shall be consistent with and equivalent to regulations pertaining to interim status adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise provided in this chapter.

If a modification is requested or proposed for a facility described in division (E)(3)(a) or (b) of this section, division (I)(7) of section 3734.05 of the Revised Code applies.

(F) No person shall store, treat, or dispose of hazardous waste identified or listed under this chapter and rules adopted under it, regardless of whether generated on or off the premises where the waste is stored, treated, or disposed of, or transport or cause to be transported any hazardous waste identified or listed under this chapter and rules adopted under it to any other premises, except at or to any of the following:

(1) A hazardous waste facility operating under a permit issued in accordance with this chapter;

(2) A facility in another state operating under a license or permit issued in accordance with the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended;

(3) A facility in another nation operating in accordance with the laws of that nation;

(4) A facility holding a permit issued pursuant to Title I of the "Marine Protection, Research, and Sanctuaries Act of 1972," 86

Stat. 1052, 33 U.S.C.A. 1401, as amended; 42942

(5) A hazardous waste facility as described in division 42943
(E)(3)(a) or (b) of this section. 42944

(G) The director, by order, may exempt any person generating, 42945
collecting, storing, treating, disposing of, or transporting solid 42946
wastes, infectious wastes, or hazardous waste, or processing solid 42947
wastes that consist of scrap tires, in such quantities or under 42948
such circumstances that, in the determination of the director, are 42949
unlikely to adversely affect the public health or safety or the 42950
environment from any requirement to obtain a registration 42951
certificate, permit, or license or comply with the manifest system 42952
or other requirements of this chapter. Such an exemption shall be 42953
consistent with and equivalent to any regulations adopted by the 42954
administrator of the United States environmental protection agency 42955
under the "Resource Conservation and Recovery Act of 1976," 90 42956
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 42957
provided in this chapter. 42958

(H) No person shall engage in filling, grading, excavating, 42959
building, drilling, or mining on land where a hazardous waste 42960
facility, or a solid waste facility, was operated without prior 42961
authorization from the director, who shall establish the procedure 42962
for granting such authorization by rules adopted in accordance 42963
with Chapter 119. of the Revised Code. 42964

A public utility that has main or distribution lines above or 42965
below the land surface located on an easement or right-of-way 42966
across land where a solid waste facility was operated may engage 42967
in any such activity within the easement or right-of-way without 42968
prior authorization from the director for purposes of performing 42969
emergency repair or emergency replacement of its lines; of the 42970
poles, towers, foundations, or other structures supporting or 42971
sustaining any such lines; or of the appurtenances to those 42972
structures, necessary to restore or maintain existing public 42973

utility service. A public utility may enter upon any such easement 42974
or right-of-way without prior authorization from the director for 42975
purposes of performing necessary or routine maintenance of those 42976
portions of its existing lines; of the existing poles, towers, 42977
foundations, or other structures sustaining or supporting its 42978
lines; or of the appurtenances to any such supporting or 42979
sustaining structure, located on or above the land surface on any 42980
such easement or right-of-way. Within twenty-four hours after 42981
commencing any such emergency repair, replacement, or maintenance 42982
work, the public utility shall notify the director or the 42983
director's authorized representative of those activities and shall 42984
provide such information regarding those activities as the 42985
director or the director's representative may request. Upon 42986
completion of the emergency repair, replacement, or maintenance 42987
activities, the public utility shall restore any land of the solid 42988
waste facility disturbed by those activities to the condition 42989
existing prior to the commencement of those activities. 42990

(I) No owner or operator of a hazardous waste facility, in 42991
the operation of the facility, shall cause, permit, or allow the 42992
emission therefrom of any particulate matter, dust, fumes, gas, 42993
mist, smoke, vapor, or odorous substance that, in the opinion of 42994
the director, unreasonably interferes with the comfortable 42995
enjoyment of life or property by persons living or working in the 42996
vicinity of the facility, or that is injurious to public health. 42997
Any such action is hereby declared to be a public nuisance. 42998

(J) Notwithstanding any other provision of this chapter, in 42999
the event the director finds an imminent and substantial danger to 43000
public health or safety or the environment that creates an 43001
emergency situation requiring the immediate treatment, storage, or 43002
disposal of hazardous waste, the director may issue a temporary 43003
emergency permit to allow the treatment, storage, or disposal of 43004
the hazardous waste at a facility that is not otherwise authorized 43005

by a hazardous waste facility installation and operation permit to 43006
treat, store, or dispose of the waste. The emergency permit shall 43007
not exceed ninety days in duration and shall not be renewed. The 43008
director shall adopt, and may amend, suspend, or rescind, rules in 43009
accordance with Chapter 119. of the Revised Code governing the 43010
issuance, modification, revocation, and denial of emergency 43011
permits. 43012

(K) Except for infectious wastes generated by a person who 43013
produces fewer than fifty pounds of infectious wastes at a 43014
premises during any one month, no owner or operator of a sanitary 43015
landfill shall knowingly accept for disposal, or dispose of, any 43016
infectious wastes that have not been treated to render them 43017
noninfectious. 43018

(L) The director, in accordance with Chapter 119. of the 43019
Revised Code, shall adopt, and may amend, suspend, or rescind, 43020
rules having uniform application throughout the state establishing 43021
a training and certification program that shall be required for 43022
employees of boards of health who are responsible for enforcing 43023
the solid waste and infectious waste provisions of this chapter 43024
and rules adopted under them and for persons who are responsible 43025
for the operation of solid waste facilities or infectious waste 43026
treatment facilities. The rules shall provide all of the 43027
following, without limitation: 43028

(1) The program shall be administered by the director and 43029
shall consist of a course on new solid waste and infectious waste 43030
technologies, enforcement procedures, and rules; 43031

(2) The course shall be offered on an annual basis; 43032

(3) Those persons who are required to take the course under 43033
division (L) of this section shall do so triennially; 43034

(4) Persons who successfully complete the course shall be 43035
certified by the director; 43036

(5) Certification shall be required for all employees of boards of health who are responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and for all persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities;

(6)(a) All employees of a board of health who, on the effective date of the rules adopted under this division, are responsible for enforcing the solid waste or infectious waste provisions of this chapter and the rules adopted under them shall complete the course and be certified by the director not later than January 1, 1995;

(b) All employees of a board of health who, after the effective date of the rules adopted under division (L) of this section, become responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and who do not hold a current and valid certification from the director at that time shall complete the course and be certified by the director within two years after becoming responsible for performing those activities.

No person shall fail to obtain the certification required under this division.

(M) The director shall not issue a permit under section 3734.05 of the Revised Code to establish a solid waste facility, or to modify a solid waste facility operating on December 21, 1988, in a manner that expands the disposal capacity or geographic area covered by the facility, that is or is to be located within the boundaries of a state park established or dedicated under Chapter 1541. of the Revised Code, a state park purchase area established under section 1541.02 of the Revised Code, any unit of the national park system, or any property that lies within the boundaries of a national park or recreation area, but that has not

been acquired or is not administered by the secretary of the 43069
United States department of the interior, located in this state, 43070
or any candidate area located in this state and identified for 43071
potential inclusion in the national park system in the edition of 43072
the "national park system plan" submitted under paragraph (b) of 43073
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 43074
U.S.C.A. 1a-5, as amended, current at the time of filing of the 43075
application for the permit, unless the facility or proposed 43076
facility is or is to be used exclusively for the disposal of solid 43077
wastes generated within the park or recreation area and the 43078
director determines that the facility or proposed facility will 43079
not degrade any of the natural or cultural resources of the park 43080
or recreation area. The director shall not issue a variance under 43081
division (A) of this section and rules adopted under it, or issue 43082
an exemption order under division (G) of this section, that would 43083
authorize any such establishment or expansion of a solid waste 43084
facility within the boundaries of any such park or recreation 43085
area, state park purchase area, or candidate area, other than a 43086
solid waste facility exclusively for the disposal of solid wastes 43087
generated within the park or recreation area when the director 43088
determines that the facility will not degrade any of the natural 43089
or cultural resources of the park or recreation area. 43090

(N)(1) The rules adopted under division (A) of this section, 43091
other than those governing variances, do not apply to scrap tire 43092
collection, storage, monocell, monofill, and recovery facilities. 43093
Those facilities are subject to and governed by rules adopted 43094
under sections 3734.70 to 3734.73 of the Revised Code, as 43095
applicable. 43096

(2) Division (C) of this section does not apply to scrap tire 43097
collection, storage, monocell, monofill, and recovery facilities. 43098
The establishment and modification of those facilities are subject 43099
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 43100

Code, as applicable. 43101

(3) The director may adopt, amend, suspend, or rescind rules 43102
under division (A) of this section creating an alternative system 43103
for authorizing the establishment, operation, or modification of a 43104
solid waste compost facility in lieu of the requirement that a 43105
person seeking to establish, operate, or modify a solid waste 43106
compost facility apply for and receive a permit under division (C) 43107
of this section and section 3734.05 of the Revised Code and a 43108
license under division (A)(1) of that section. The rules may 43109
include requirements governing, without limitation, the 43110
classification of solid waste compost facilities, the submittal of 43111
operating records for solid waste compost facilities, and the 43112
creation of a registration or notification system in lieu of the 43113
issuance of permits and licenses for solid waste compost 43114
facilities. The rules shall specify the applicability of divisions 43115
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 43116
Code to a solid waste compost facility. 43117

(O)(1) As used in this division, "secondary aluminum waste" 43118
means waste material or byproducts, when disposed of, containing 43119
aluminum generated from secondary aluminum smelting operations and 43120
consisting of dross, salt cake, baghouse dust associated with 43121
aluminum recycling furnace operations, or dry-milled wastes. 43122

(2) The owner or operator of a sanitary landfill shall not 43123
dispose of municipal solid waste that has been commingled with 43124
secondary aluminum waste. 43125

(3) The owner or operator of a sanitary landfill may dispose 43126
of secondary aluminum waste, but only in a monocell or monofill 43127
that has been permitted for that purpose in accordance with this 43128
chapter and rules adopted under it. 43129

(P)(1) As used in divisions (P) and (Q) of this section: 43130

(a) "Natural background" means two picocuries per gram or the 43131

actual number of picocuries per gram as measured at an individual 43132
solid waste facility, subject to verification by the director of 43133
health. 43134

(b) "Drilling operation" includes a production operation as 43135
defined in section 1509.01 of the Revised Code. 43136

(2) The owner or operator of a solid waste facility shall not 43137
accept for transfer or disposal technologically enhanced naturally 43138
occurring radioactive material if that material contains or is 43139
contaminated with radium-226, radium-228, or any combination of 43140
radium-226 and radium-228 at concentrations equal to or greater 43141
than five picocuries per gram above natural background. 43142

(3) The owner or operator of a solid waste facility may 43143
receive and process for purposes other than transfer or disposal 43144
technologically enhanced naturally occurring radioactive material 43145
that contains or is contaminated with radium-226, radium-228, or 43146
any combination of radium-226 and radium-228 at concentrations 43147
equal to or greater than five picocuries per gram above natural 43148
background, provided that the owner or operator has obtained and 43149
maintains all other necessary authorizations, including any 43150
authorization required by rules adopted by the director of health 43151
under section 3748.04 of the Revised Code. 43152

(4) The director of environmental protection may adopt rules 43153
in accordance with Chapter 119. of the Revised Code governing the 43154
receipt, acceptance, processing, handling, management, and 43155
disposal by solid waste facilities of material that contains or is 43156
contaminated with radioactive material, including, without 43157
limitation, technologically enhanced naturally occurring 43158
radioactive material that contains or is contaminated with 43159
radium-226, radium-228, or any combination of radium-226 and 43160
radium-228 at concentrations less than five picocuries per gram 43161
above natural background. Rules adopted by the director may 43162
include at a minimum both of the following: 43163

(a) Requirements in accordance with which the owner or operator of a solid waste facility must monitor leachate and ground water for radium-226, radium-228, and other radionuclides;

(b) Requirements in accordance with which the owner or operator of a solid waste facility must develop procedures to ensure that technologically enhanced naturally occurring radioactive material accepted at the facility neither contains nor is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background.

(Q) Notwithstanding any other provision of this section, the owner or operator of a solid waste facility shall not receive, accept, process, handle, manage, or dispose of technologically enhanced naturally occurring radioactive material associated with drilling operations without first obtaining representative analytical results to determine compliance with divisions (P)(2) and (3) of this section and rules adopted under it.

Sec. 3734.021. (A) Infectious wastes shall be segregated, managed, treated, and disposed of in accordance with rules adopted under this section.

(B) The director of environmental protection, in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary or appropriate to protect human health or safety or the environment that do both of the following:

(1) Establish standards for generators of infectious wastes that include, without limitation, the following requirements and authorizations that:

(a) All generators of infectious wastes:

(i) Either treat all specimen cultures and cultures of viable infectious agents on the premises where they are generated to

render them noninfectious by methods, techniques, or practices 43194
prescribed by rules adopted under division (B)(2)(a) of this 43195
section before they are transported off that premises for disposal 43196
or ensure that such wastes are treated to render them 43197
noninfectious at an infectious waste treatment facility off that 43198
premises prior to disposal of the wastes; 43199

(ii) Transport and dispose of infectious wastes, if a 43200
generator produces fewer than fifty pounds of infectious wastes 43201
during any one month that are subject to and packaged and labeled 43202
in accordance with federal requirements, in the same manner as 43203
solid wastes. Such generators who treat specimen cultures and 43204
cultures of viable infectious agents on the premises where they 43205
are generated shall not be considered treatment facilities as 43206
"treatment" and "facility" are defined in section 3734.01 of the 43207
Revised Code. 43208

(iii) Dispose of infectious wastes subject to and treated in 43209
accordance with rules adopted under division (B)(1)(a)(i) of this 43210
section in the same manner as solid wastes; 43211

(iv) May take wastes generated in providing care to a patient 43212
by an emergency medical services organization, as defined in 43213
section 4765.01 of the Revised Code, to and leave them at a 43214
hospital, as defined in section 3727.01 of the Revised Code, for 43215
treatment at a treatment facility owned or operated by the 43216
hospital or, in conjunction with infectious wastes generated by 43217
the hospital, at another treatment facility regardless of whether 43218
the wastes were generated in providing care to the patient at the 43219
scene of an emergency or during the transportation of the patient 43220
to a hospital; 43221

(v) May take wastes generated by an individual for purposes 43222
of the individual's own care or treatment to and leave them at a 43223
hospital, as defined in section 3727.01 of the Revised Code, for 43224
treatment at a treatment facility owned or operated by the 43225

hospital or, in conjunction with infectious wastes generated by 43226
the hospital, at another treatment facility. 43227

(b) Each generator of fifty pounds or more of infectious 43228
wastes during any one month: 43229

(i) Register with the environmental protection agency as a 43230
generator of infectious wastes and obtain a registration 43231
certificate. The fee for issuance of a generator registration 43232
certificate is one hundred forty dollars payable at the time of 43233
application. The registration certificate applies to all the 43234
premises owned or operated by the generator in this state where 43235
infectious wastes are generated and shall list the address of each 43236
such premises. If a generator owns or operates facilities for the 43237
treatment of infectious wastes it generates, the certificate shall 43238
list the address and method of treatment used at each such 43239
facility. 43240

A generator registration certificate is valid for three years 43241
from the date of issuance and shall be renewed for a term of three 43242
years upon the generator's submission of an application for 43243
renewal and payment of a one hundred forty dollar renewal fee. 43244

The rules may establish a system of staggered renewal dates 43245
with approximately one-third of such certificates subject to 43246
renewal each year. The applicable renewal date shall be prescribed 43247
on each registration certificate. Registration fees shall be 43248
prorated according to the time remaining in the registration cycle 43249
to the nearest year. 43250

The registration and renewal fees collected under division 43251
(B)(1)(b)(i) of this section shall be ~~credited~~ deposited in the 43252
state treasury to the ~~infectious wastes management credit of the~~ 43253
waste management fund, ~~hereby~~ created in the ~~state treasury~~ 43254
section 3734.061 of the Revised Code. 43255

(ii) Segregate infectious wastes from other wastes at the 43256

point of generation. Nothing in this section and rules adopted 43257
under it prohibits a generator of infectious wastes from 43258
designating and managing any wastes, in addition to those defined 43259
as infectious wastes under section 3734.01 of the Revised Code, as 43260
infectious wastes. After designating any such other wastes as 43261
infectious, the generator shall manage those wastes in compliance 43262
with the requirements of this chapter and rules adopted under it 43263
applicable to the management of infectious wastes. 43264

(iii) Either treat the infectious wastes that it generates at 43265
a facility owned or operated by the generator by methods, 43266
techniques, or practices prescribed by rules adopted under 43267
division (B)(2)(a) of this section to render them noninfectious, 43268
or designate the wastes for treatment off that premises at an 43269
infectious waste treatment facility holding a license issued under 43270
division (B) of section 3734.05 of the Revised Code, at an 43271
infectious waste treatment facility that is located in another 43272
state that is in compliance with applicable state and federal 43273
laws, or at a treatment facility authorized by rules adopted under 43274
division (B)(2)(d) of this section, prior to disposal of the 43275
wastes. After being treated to render them noninfectious, the 43276
wastes shall be disposed of at a solid waste disposal facility 43277
holding a license issued under division (A) of section 3734.05 of 43278
the Revised Code or at a disposal facility in another state that 43279
is in compliance with applicable state and federal laws. 43280

(iv) Not compact or grind any type of infectious wastes prior 43281
to treatment in accordance with rules adopted under division 43282
(B)(2)(a) of this section; 43283

(v) May discharge untreated liquid or semiliquid infectious 43284
wastes consisting of blood, blood products, body fluids, and 43285
excreta into a disposal system, as defined in section 6111.01 of 43286
the Revised Code, unless the discharge of those wastes into a 43287
disposal system is inconsistent with the terms and conditions of 43288

the permit for the system issued under Chapter 6111. of the Revised Code;

(vi) May transport or cause to be transported infectious wastes that have been treated to render them noninfectious in the same manner as solid wastes are transported.

(2) Establish standards for owners and operators of infectious waste treatment facilities that include, without limitation, the following requirements and authorizations that:

(a) Require treatment of all wastes received to be performed in accordance with methods, techniques, and practices approved by the director;

(b) Govern the location, design, construction, and operation of infectious waste treatment facilities. (c) Establish quality control and testing procedures to ensure compliance with the rules adopted under division (B)(2)(b) of this section;

(d) Authorize infectious wastes to be treated at a facility that holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717., and a permit issued under Chapter 3704., of the Revised Code to the extent that the treatment of those wastes is consistent with that permit and its

terms and conditions. The rules adopted under divisions (B)(2)(b) 43320
and (c) of this section do not apply to a facility holding such a 43321
license and permit. 43322

In adopting the rules required by divisions (B)(2)(a) to (d) 43323
of this section, the director shall consider and, to the maximum 43324
feasible extent, utilize existing standards and guidelines 43325

treatment facility where the wastes were treated indicating that 43336
the wastes have been treated by the methods, techniques, and 43337
practices prescribed in rules adopted under division (B)(2)(a) of 43338
this section. 43339

(C) This section and rules adopted under it do not apply to 43340
the treatment or disposal of wastes consisting of dead animals or 43341
parts thereof, or the blood of animals: 43342

towards achieving the goals, restrictions, and objectives 43660
established under divisions (A) to (C) of section 3734.50 of the 43661
Revised Code. The report may recommend legislative action. 43662

(5) Triennially advise the director in conducting a review of 43663

Sec. 3734.50. The director of environmental protection, with 43680
the advice of the ~~solid waste~~ materials management advisory 43681
council created in section ~~3734.51~~ 3734.49 of the Revised Code, 43682
shall prepare a state solid waste management plan to do all of the 43683
following: 43684

(A) Reduce reliance on the use of landfills for management of 43685
solid wastes; 43686

(B) Establish objectives for solid waste reduction, 43687
recycling, reuse, and minimization and a schedule for implementing 43688
those objectives; 43689

(C) Establish restrictions on the types of solid wastes disposed of by landfilling for which alternative management methods are available, such as yard wastes, and a schedule for implementing those restrictions. The objectives under division (B) of this section and restrictions under this division need not be of uniform application throughout the state or as to categories of solid waste generators. Rather, in establishing those objectives and restrictions, the director shall take into consideration the feasibility of waste reduction, recycling, reuse, and minimization measures and landfilling restrictions in urban, suburban, and rural areas and also shall take into consideration the extent to which those measures have been implemented by specific categories of solid waste generators and political subdivisions prior to June 24, 1988.

(D) Establish revised general criteria for the location of solid waste facilities;

(E) Examine alternative methods for disposal of fly ash and bottom ash resulting from the burning of mixed municipal solid wastes;

(F) Establish a statewide strategy for managing scrap tires, which shall include identification of locations within the state that qualify as scrap tire facilities and accumulations. In developing the strategy, the director shall examine the feasibility of recycling or recovering materials or energy from scrap tires and landfilling scrap tires in abandoned coal strip mines as well as other methods for managing scrap tires.

(G) Establish a strategy that contains specific recommendations for legislative and administrative action to promote markets for products containing recycled materials generally and for promoting the use by state government of products containing recycled materials;

(H) Establish a program for the proper separation and disposal of hazardous waste generated by households.

The director shall adopt the state solid waste management plan within one year after June 24, 1988. After completion of a draft plan, the director shall hold a public hearing on the draft plan at each of five different locations within the state. After receiving public comments on the draft plan, the director may make such revisions to it as ~~he~~ the director considers appropriate based on the comments received and shall submit the draft plan with any revisions to the advisory council for approval. If the advisory council approves the draft plan, the director shall adopt it as the state solid waste management plan. If the advisory council disapproves the draft plan, the director, with the advice of the advisory council, shall prepare a new draft plan and proceed in the same manner as for the initial draft plan to hold hearings on, revise, and submit the new draft plan to the advisory council for approval, and adopt the new draft plan.

Not later than one year after adoption of the plan, the director shall adopt rules in accordance with Chapter 119. of the Revised Code establishing the objectives and restrictions of the state plan, and schedules for implementing them, under divisions (B) and (C) of this section as mandatory elements of the solid waste management plans of county and joint solid waste management districts under division (A) of section 3734.53 of the Revised Code. Within one year after adoption of the plan, the director shall adopt rules in accordance with Chapter 119. of the Revised Code, which rules are hereby deemed to constitute rules adopted under division (A) of section 3734.02 of the Revised Code, establishing revised general location criteria for solid waste facilities, other than solid waste transfer facilities, and standards for the disposal of fly ash and bottom ash resulting from the burning of mixed municipal solid waste.

Triennially the director, with the advice of the advisory 43753
council, shall conduct a thorough review of the progress made 43754
toward achieving the goals set forth in divisions (A) to (H) of 43755
this section. Based upon the findings of ~~his~~ the review, the 43756
director, in accordance with the procedures of this section, may 43757
prepare and adopt a revised state solid waste management plan. If 43758
the revised plan modifies any of the objectives, restrictions, or 43759
implementation schedules established under division (B) or (C) of 43760
this section, the director, not later than one year after adoption 43761
of the revised plan, shall amend the existing rules adopted under 43762
this section in a manner consistent with those revisions. 43763

If any revision to the plan or enactment or amendment of a 43764
statute by the general assembly that takes effect on or after 43765
April 16, 1993, establishes a restriction on the landfilling or 43766
burning or other thermal processing in an incinerator or energy 43767
recovery facility of any type of solid waste with mixed municipal 43768
solid waste, or prescribes for a type of solid waste a management 43769
method alternative to landfilling or thermal processing with mixed 43770
municipal solid waste, the estimated reduction in the quantity of 43771
solid wastes being disposed of by landfilling or thermal 43772
processing that results from the implementation of the restriction 43773
or alternative management method within a county or joint solid 43774
waste management district constitutes a reduction in solid waste 43775
generation within the district for purposes of determining the 43776
district's compliance with the waste reduction objective 43777
established under division (C) of this section and any revisions 43778
thereof and the rules and amendments thereto adopted under this 43779
section to implement that objective. 43780

Sec. 3734.551. (A) The board of county commissioners of a 43781
county or board of directors of a joint solid waste management 43782
district that is ordered to implement an initial or amended solid 43783
waste management plan prepared by the director of environmental 43784

protection under section 3734.521, 3734.55, or 3734.56 of the 43785
Revised Code and that is levying fees under division (A) or (B) of 43786
section 3734.574 of the Revised Code shall reimburse the director 43787
from moneys in the special fund of the district created in 43788
division (G) of section 3734.57 of the Revised Code for the 43789
expenses incurred by the director in preparing and ordering the 43790
implementation of the plan or amended plan for all of the 43791
following purposes, as applicable: 43792

and transcribe the record of those hearings; 43797
- (5) Facility rental for holding public information sessions 43798
or public hearings; 43799
- (6) Conducting a survey of industrial solid waste generators 43800
within the district and other primary data collection activities 43801
when the necessary data are not available from the district, 43802
including, without limitation, the costs of conducting the survey 43803
or data collection by contract; 43804
- (7) Fuel, meals, and lodging for the staff of the 43805
environmental protection agency when travel to the district is 43806
necessary to conduct data collection and other plan preparation 43807
activities; 43808
- (8) Necessary long-distance telephone calls. 43809

(B) Upon ordering a district to implement a plan or amended 43810
plan under section 3734.521, 3734.55, or 3734.56 of the Revised 43811
Code, the director shall send to the board of county commissioners 43812
or directors an itemized demand for the expenses enumerated in 43813
division (A) of this section that were incurred by the director in 43814

preparing and ordering the implementation of the plan or amended 43815
plan. The board of county commissioners or directors shall pay to 43816
the director the amount stated in the demand within sixty days 43817
after receiving it. Moneys received by the director under this 43818
division shall be deposited in the state treasury to the credit of 43819
the ~~solid~~ waste management fund created in ~~division (A) of~~ section 43820
~~3734.57~~ 3734.061 of the Revised Code. 43821

In the case of solid wastes that are taken to a solid waste 43855
transfer facility located in this state prior to being transported 43856
for disposal at a solid waste disposal facility located in this 43857
state or outside of this state, the fees levied under this 43858
division shall be collected by the owner or operator of the 43859
transfer facility as a trustee for the state. The amount of fees 43860
required to be collected under this division at such a transfer 43861
facility shall equal the total tonnage of solid wastes received at 43862
the facility multiplied by the fees levied under this division. In 43863
the case of solid wastes that are not taken to a solid waste 43864
transfer facility located in this state prior to being transported 43865
to a solid waste disposal facility, the fees shall be collected by 43866
the owner or operator of the solid waste disposal facility as a 43867
trustee for the state. The amount of fees required to be collected 43868
under this division at such a disposal facility shall equal the 43869
total tonnage of solid wastes received at the facility that was 43870
not previously taken to a solid waste transfer facility located in 43871
this state multiplied by the fees levied under this division. Fees 43872
levied under this division do not apply to materials separated 43873
from a mixed waste stream for recycling by a generator or 43874
materials removed from the solid waste stream through recycling, 43875
as "recycling" is defined in rules adopted under section 3734.02 43876
of the Revised Code. 43877

The owner or operator of a solid waste transfer facility or disposal facility, as applicable, shall prepare and file with the director of environmental protection each month a return indicating the total tonnage of solid wastes received at the facility during that month and the total amount of the fees required to be collected under this division during that month. In addition, the owner or operator of a solid waste disposal facility shall indicate on the return the total tonnage of solid wastes received from transfer facilities located in this state during that month for which the fees were required to be collected by the transfer facilities. The monthly returns shall be filed on a form prescribed by the director. Not later than thirty days after the last day of the month to which a return applies, the owner or operator shall mail to the director the return for that month together with the fees required to be collected under this division during that month as indicated on the return or may submit the return and fees electronically in a manner approved by the director. If the return is filed and the amount of the fees due is paid in a timely manner as required in this division, the owner or operator may retain a discount of three-fourths of one per cent of the total amount of the fees that are required to be paid as indicated on the return.

The owner or operator may request an extension of not more than thirty days for filing the return and remitting the fees, provided that the owner or operator has submitted such a request in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within thirty days after the last day of the month to which the return applies or are not remitted by the last day of an extension approved by the director, the owner or operator shall not retain the three-fourths of one per cent

discount and shall pay an additional ten per cent of the amount of 43911
the fees for each month that they are late. For purposes of 43912
calculating the late fee, the first month in which fees are late 43913
begins on the first day after the deadline has passed for timely 43914
submitting the return and fees, and one additional month shall be 43915
counted every thirty days thereafter. 43916

The owner or operator of a solid waste facility may request a 43917
refund or credit of fees levied under this division and remitted 43918
to the director that have not been paid to the owner or operator. 43919
Such a request shall be made only if the fees have not been 43920
collected by the owner or operator, have become a debt that has 43921
become worthless or uncollectable for a period of six months or 43922
more, and may be claimed as a deduction, including a deduction 43923
claimed if the owner or operator keeps accounts on an accrual 43924
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 43925
U.S.C. 166, as amended, and regulations adopted under it. Prior to 43926
making a request for a refund or credit, an owner or operator 43927
shall make reasonable efforts to collect the applicable fees. A 43928
request for a refund or credit shall not include any costs 43929
resulting from those efforts to collect unpaid fees. 43930

A request for a refund or credit of fees shall be made in 43931
writing, on a form prescribed by the director, and shall be 43932
supported by evidence that may be required in rules adopted by the 43933
director under this chapter. After reviewing the request, and if 43934
the request and evidence submitted with the request indicate that 43935
a refund or credit is warranted, the director shall grant a refund 43936
to the owner or operator or shall permit a credit to be taken by 43937
the owner or operator on a subsequent monthly return submitted by 43938
the owner or operator. The amount of a refund or credit shall not 43939
exceed an amount that is equal to ninety days' worth of fees owed 43940
to an owner or operator by a particular debtor of the owner or 43941
operator. A refund or credit shall not be granted by the director 43942

to an owner or operator more than once in any twelve-month period 43943
for fees owed to the owner or operator by a particular debtor. 43944

If, after receiving a refund or credit from the director, an 43945
owner or operator receives payment of all or part of the fees, the 43946
owner or operator shall remit the fees with the next monthly 43947
return submitted to the director together with a written 43948
explanation of the reason for the submittal. 43949

For purposes of computing the fees levied under this division 43950
or division (B) of this section, any solid waste transfer or 43951
disposal facility that does not use scales as a means of 43952
determining gate receipts shall use a conversion factor of three 43953
cubic yards per ton of solid waste or one cubic yard per ton for 43954
baled waste, as applicable. 43955

The fees levied under this division and divisions (B) and (C) 43956
of this section are in addition to all other applicable fees and 43957
taxes and shall be paid by the customer or a political subdivision 43958
to the owner or operator of a solid waste transfer or disposal 43959
facility. In the alternative, the fees shall be paid by a customer 43960
or political subdivision to a transporter of waste who 43961
subsequently transfers the fees to the owner or operator of such a 43962
facility. The fees shall be paid notwithstanding the existence of 43963
any provision in a contract that the customer or a political 43964
subdivision may have with the owner or operator or with a 43965
transporter of waste to the facility that would not require or 43966
allow such payment regardless of whether the contract was entered 43967
prior to or after October 16, 2009. For those purposes, "customer" 43968
means a person who contracts with, or utilizes the solid waste 43969
services of, the owner or operator of a solid waste transfer or 43970
disposal facility or a transporter of solid waste to such a 43971
facility. 43972

(B) For the purposes specified in division (G) of this 43973
section, the solid waste management policy committee of a county 43974

or joint solid waste management district may levy fees upon the 43975
following activities: 43976

(1) The disposal at a solid waste disposal facility located 43977
in the district of solid wastes generated within the district; 43978

(2) The disposal at a solid waste disposal facility within 43979
the district of solid wastes generated outside the boundaries of 43980
the district, but inside this state; 43981

(3) The disposal at a solid waste disposal facility within 43982
the district of solid wastes generated outside the boundaries of 43983
this state. 43984

The solid waste management plan of the county or joint 43985
district approved under section 3734.521 or 3734.55 of the Revised 43986
Code and any amendments to it, or the resolution adopted under 43987
this division, as appropriate, shall establish the rates of the 43988
fees levied under divisions (B)(1), (2), and (3) of this section, 43989
if any, and shall specify whether the fees are levied on the basis 43990
of tons or cubic yards as the unit of measurement. A solid waste 43991
management district that levies fees under this division on the 43992
basis of cubic yards shall do so in accordance with division (A) 43993
of this section. 43994

The fee levied under division (B)(1) of this section shall be 43995
not less than one dollar per ton nor more than two dollars per 43996
ton, the fee levied under division (B)(2) of this section shall be 43997
not less than two dollars per ton nor more than four dollars per 43998
ton, and the fee levied under division (B)(3) of this section 43999
shall be not more than the fee levied under division (B)(1) of 44000
this section. 44001

Prior to the approval of the solid waste management plan of a 44002
district under section 3734.55 of the Revised Code, the solid 44003
waste management policy committee of a district may levy fees 44004
under this division by adopting a resolution establishing the 44005

proposed amount of the fees. Upon adopting the resolution, the 44006
committee shall deliver a copy of the resolution to the board of 44007
county commissioners of each county forming the district and to 44008
the legislative authority of each municipal corporation and 44009
township under the jurisdiction of the district and shall prepare 44010
and publish the resolution and a notice of the time and location 44011
where a public hearing on the fees will be held. Upon adopting the 44012
resolution, the committee shall deliver written notice of the 44013
adoption of the resolution; of the amount of the proposed fees; 44014
and of the date, time, and location of the public hearing to the 44015
director and to the fifty industrial, commercial, or institutional 44016
generators of solid wastes within the district that generate the 44017
largest quantities of solid wastes, as determined by the 44018
committee, and to their local trade associations. The committee 44019
shall make good faith efforts to identify those generators within 44020
the district and their local trade associations, but the 44021
nonprovision of notice under this division to a particular 44022
generator or local trade association does not invalidate the 44023
proceedings under this division. The publication shall occur at 44024
least thirty days before the hearing. After the hearing, the 44025
committee may make such revisions to the proposed fees as it 44026
considers appropriate and thereafter, by resolution, shall adopt 44027
the revised fee schedule. Upon adopting the revised fee schedule, 44028
the committee shall deliver a copy of the resolution doing so to 44029
the board of county commissioners of each county forming the 44030
district and to the legislative authority of each municipal 44031
corporation and township under the jurisdiction of the district. 44032
Within sixty days after the delivery of a copy of the resolution 44033
adopting the proposed revised fees by the policy committee, each 44034
such board and legislative authority, by ordinance or resolution, 44035
shall approve or disapprove the revised fees and deliver a copy of 44036
the ordinance or resolution to the committee. If any such board or 44037
legislative authority fails to adopt and deliver to the policy 44038

committee an ordinance or resolution approving or disapproving the 44039
revised fees within sixty days after the policy committee 44040
delivered its resolution adopting the proposed revised fees, it 44041
shall be conclusively presumed that the board or legislative 44042
authority has approved the proposed revised fees. The committee 44043
shall determine if the resolution has been ratified in the same 44044
manner in which it determines if a draft solid waste management 44045
plan has been ratified under division (B) of section 3734.55 of 44046
the Revised Code. 44047

The committee may amend the schedule of fees levied pursuant 44048
to a resolution adopted and ratified under this division by 44049
adopting a resolution establishing the proposed amount of the 44050
amended fees. The committee may repeal the fees levied pursuant to 44051
such a resolution by adopting a resolution proposing to repeal 44052
them. Upon adopting such a resolution, the committee shall proceed 44053
to obtain ratification of the resolution in accordance with this 44054
division. 44055

Not later than fourteen days after declaring the new fees to 44056
be ratified or the fees to be repealed under this division, the 44057
committee shall notify by certified mail the owner or operator of 44058
each solid waste disposal facility that is required to collect the 44059
fees of the ratification and the amount of the fees or of the 44060
repeal of the fees. Collection of any fees shall commence or 44061
collection of repealed fees shall cease on the first day of the 44062
second month following the month in which notification is sent to 44063
the owner or operator. 44064

Fees levied under this division also may be established, 44065
amended, or repealed by a solid waste management policy committee 44066
through the adoption of a new district solid waste management 44067
plan, the adoption of an amended plan, or the amendment of the 44068
plan or amended plan in accordance with sections 3734.55 and 44069
3734.56 of the Revised Code or the adoption or amendment of a 44070

district plan in connection with a change in district composition 44071
under section 3734.521 of the Revised Code. 44072

Not later than fourteen days after the director issues an 44073
order approving a district's solid waste management plan, amended 44074
plan, or amendment to a plan or amended plan that establishes, 44075
amends, or repeals a schedule of fees levied by the district, the 44076
committee shall notify by certified mail the owner or operator of 44077
each solid waste disposal facility that is required to collect the 44078
fees of the approval of the plan or amended plan, or the amendment 44079
to the plan, as appropriate, and the amount of the fees, if any. 44080
In the case of an initial or amended plan approved under section 44081
3734.521 of the Revised Code in connection with a change in 44082
district composition, other than one involving the withdrawal of a 44083
county from a joint district, the committee, within fourteen days 44084
after the change takes effect pursuant to division (G) of that 44085
section, shall notify by certified mail the owner or operator of 44086
each solid waste disposal facility that is required to collect the 44087
fees that the change has taken effect and of the amount of the 44088
fees, if any. Collection of any fees shall commence or collection 44089
of repealed fees shall cease on the first day of the second month 44090
following the month in which notification is sent to the owner or 44091
operator. 44092

If, in the case of a change in district composition involving 44093
the withdrawal of a county from a joint district, the director 44094
completes the actions required under division (G)(1) or (3) of 44095
section 3734.521 of the Revised Code, as appropriate, forty-five 44096
days or more before the beginning of a calendar year, the policy 44097
committee of each of the districts resulting from the change that 44098
obtained the director's approval of an initial or amended plan in 44099
connection with the change, within fourteen days after the 44100
director's completion of the required actions, shall notify by 44101
certified mail the owner or operator of each solid waste disposal 44102

facility that is required to collect the district's fees that the 44103
change is to take effect on the first day of January immediately 44104
following the issuance of the notice and of the amount of the fees 44105
or amended fees levied under divisions (B)(1) to (3) of this 44106
section pursuant to the district's initial or amended plan as so 44107
approved or, if appropriate, the repeal of the district's fees by 44108
that initial or amended plan. Collection of any fees set forth in 44109
such a plan or amended plan shall commence on the first day of 44110
January immediately following the issuance of the notice. If such 44111
an initial or amended plan repeals a schedule of fees, collection 44112
of the fees shall cease on that first day of January. 44113

If, in the case of a change in district composition involving 44114
the withdrawal of a county from a joint district, the director 44115
completes the actions required under division (G)(1) or (3) of 44116
section 3734.521 of the Revised Code, as appropriate, less than 44117
forty-five days before the beginning of a calendar year, the 44118
director, on behalf of each of the districts resulting from the 44119
change that obtained the director's approval of an initial or 44120
amended plan in connection with the change proceedings, shall 44121
notify by certified mail the owner or operator of each solid waste 44122
disposal facility that is required to collect the district's fees 44123
that the change is to take effect on the first day of January 44124
immediately following the mailing of the notice and of the amount 44125
of the fees or amended fees levied under divisions (B)(1) to (3) 44126
of this section pursuant to the district's initial or amended plan 44127
as so approved or, if appropriate, the repeal of the district's 44128
fees by that initial or amended plan. Collection of any fees set 44129
forth in such a plan or amended plan shall commence on the first 44130
day of the second month following the month in which notification 44131
is sent to the owner or operator. If such an initial or amended 44132
plan repeals a schedule of fees, collection of the fees shall 44133
cease on the first day of the second month following the month in 44134
which notification is sent to the owner or operator. 44135

If the schedule of fees that a solid waste management district is levying under divisions (B)(1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of

where the wastes were generated. 44168

The legislative authority of a municipal corporation or 44169
township may levy fees under this division by enacting an 44170
ordinance or adopting a resolution establishing the amount of the 44171
fees. Upon so doing the legislative authority shall mail a 44172
certified copy of the ordinance or resolution to the board of 44173
county commissioners or directors of the county or joint solid 44174
waste management district in which the municipal corporation or 44175
township is located or, if a regional solid waste management 44176
authority has been formed under section 343.011 of the Revised 44177
Code, to the board of trustees of that regional authority, the 44178
owner or operator of each solid waste disposal facility in the 44179
municipal corporation or township that is required to collect the 44180
fee by the ordinance or resolution, and the director of 44181
environmental protection. Although the fees levied under this 44182
division are levied on the basis of tons as the unit of 44183
measurement, the legislative authority, in its ordinance or 44184
resolution levying the fees under this division, may direct that 44185
the fees be levied on the basis of cubic yards as the unit of 44186
measurement based upon a conversion factor of three cubic yards 44187
per ton generally or one cubic yard per ton for baled wastes. 44188

Not later than five days after enacting an ordinance or 44189
adopting a resolution under this division, the legislative 44190
authority shall so notify by certified mail the owner or operator 44191
of each solid waste disposal facility that is required to collect 44192
the fee. Collection of any fee levied on or after March 24, 1992, 44193
shall commence on the first day of the second month following the 44194
month in which notification is sent to the owner or operator. 44195

(D)(1) The fees levied under divisions (A), (B), and (C) of 44196
this section do not apply to the disposal of solid wastes that: 44197

(a) Are disposed of at a facility owned by the generator of 44198
the wastes when the solid waste facility exclusively disposes of 44199

solid wastes generated at one or more premises owned by the 44200
generator regardless of whether the facility is located on a 44201
premises where the wastes are generated; 44202

(b) Are generated from the combustion of coal, or from the 44203
combustion of primarily coal, regardless of whether the disposal 44204
facility is located on the premises where the wastes are 44205
generated; 44206

(c) Are asbestos or asbestos-containing materials or products 44207
disposed of at a construction and demolition debris facility that 44208
is licensed under Chapter 3714. of the Revised Code or at a solid 44209
waste facility that is licensed under this chapter. 44210

(2) Except as provided in section 3734.571 of the Revised 44211
Code, any fees levied under division (B)(1) of this section apply 44212
to solid wastes originating outside the boundaries of a county or 44213
joint district that are covered by an agreement for the joint use 44214
of solid waste facilities entered into under section 343.02 of the 44215
Revised Code by the board of county commissioners or board of 44216
directors of the county or joint district where the wastes are 44217
generated and disposed of. 44218

(3) When solid wastes, other than solid wastes that consist 44219
of scrap tires, are burned in a disposal facility that is an 44220
incinerator or energy recovery facility, the fees levied under 44221
divisions (A), (B), and (C) of this section shall be levied upon 44222
the disposal of the fly ash and bottom ash remaining after burning 44223
of the solid wastes and shall be collected by the owner or 44224
operator of the sanitary landfill where the ash is disposed of. 44225

(4) When solid wastes are delivered to a solid waste transfer 44226
facility, the fees levied under divisions (B) and (C) of this 44227
section shall be levied upon the disposal of solid wastes 44228
transported off the premises of the transfer facility for disposal 44229
and shall be collected by the owner or operator of the solid waste 44230

disposal facility where the wastes are disposed of. 44231

(5) The fees levied under divisions (A), (B), and (C) of this 44232
section do not apply to sewage sludge that is generated by a waste 44233
water treatment facility holding a national pollutant discharge 44234
elimination system permit and that is disposed of through 44235
incineration, land application, or composting or at another 44236
resource recovery or disposal facility that is not a landfill. 44237

(6) The fees levied under divisions (A), (B), and (C) of this 44238
section do not apply to solid wastes delivered to a solid waste 44239
composting facility for processing. When any unprocessed solid 44240
waste or compost product is transported off the premises of a 44241
composting facility and disposed of at a landfill, the fees levied 44242
under divisions (A), (B), and (C) of this section shall be 44243
collected by the owner or operator of the landfill where the 44244
unprocessed waste or compost product is disposed of. 44245

(7) When solid wastes that consist of scrap tires are 44246
processed at a scrap tire recovery facility, the fees levied under 44247
divisions (A), (B), and (C) of this section shall be levied upon 44248
the disposal of the fly ash and bottom ash or other solid wastes 44249
remaining after the processing of the scrap tires and shall be 44250
collected by the owner or operator of the solid waste disposal 44251
facility where the ash or other solid wastes are disposed of. 44252

(8) The director of environmental protection may issue an 44253
order exempting from the fees levied under this section solid 44254
wastes, including, but not limited to, scrap tires, that are 44255
generated, transferred, or disposed of as a result of a contract 44256
providing for the expenditure of public funds entered into by the 44257
administrator or regional administrator of the United States 44258
environmental protection agency, the director of environmental 44259
protection, or the director of administrative services on behalf 44260
of the director of environmental protection for the purpose of 44261
remediating conditions at a hazardous waste facility, solid waste 44262

facility, or other location at which the administrator or regional 44263
administrator or the director of environmental protection has 44264
reason to believe that there is a substantial threat to public 44265
health or safety or the environment or that the conditions are 44266
causing or contributing to air or water pollution or soil 44267
contamination. An order issued by the director of environmental 44268
protection under division (D)(8) of this section shall include a 44269
determination that the amount of the fees not received by a solid 44270
waste management district as a result of the order will not 44271
adversely impact the implementation and financing of the 44272
district's approved solid waste management plan and any approved 44273
amendments to the plan. Such an order is a final action of the 44274
director of environmental protection. 44275

(E) The fees levied under divisions (B) and (C) of this 44276
section shall be collected by the owner or operator of the solid 44277
waste disposal facility where the wastes are disposed of as a 44278
trustee for the county or joint district and municipal corporation 44279
or township where the wastes are disposed of. Moneys from the fees 44280
levied under division (B) of this section shall be forwarded to 44281
the board of county commissioners or board of directors of the 44282
district in accordance with rules adopted under division (H) of 44283
this section. Moneys from the fees levied under division (C) of 44284
this section shall be forwarded to the treasurer or such other 44285
officer of the municipal corporation as, by virtue of the charter, 44286
has the duties of the treasurer or to the fiscal officer of the 44287
township, as appropriate, in accordance with those rules. 44288

(F) Moneys received by the treasurer or other officer of the 44289
municipal corporation under division (E) of this section shall be 44290
paid into the general fund of the municipal corporation. Moneys 44291
received by the fiscal officer of the township under that division 44292
shall be paid into the general fund of the township. The treasurer 44293
or other officer of the municipal corporation or the township 44294

fiscal officer, as appropriate, shall maintain separate records of 44295
the moneys received from the fees levied under division (C) of 44296
this section. 44297

(G) Moneys received by the board of county commissioners or 44298
board of directors under division (E) of this section or section 44299

of the Revised Code, moneys received by the board of trustees of 44307
that regional authority under division (E) of this section shall 44308
be kept by the board in a separate and distinct fund to the credit 44309
of the district. Moneys in the special fund of the county or joint 44310
district arising from the fees levied under division (B) of this 44311
section and the fee levied under division (A) of section 3734.573 44312
of the Revised Code shall be expended by the board of county 44313
commissioners or directors of the district in accordance with the 44314
district's solid waste management plan or amended plan approved 44315

Code by the solid waste management policy committee; 44322

(2) Implementation of the approved solid waste management 44323
plan or amended plan of the district, including, without 44324

(6) Developing and implementing a program for the inspection of solid wastes generated outside the boundaries of this state that are disposed of at solid waste facilities included in the district's approved solid waste management plan or amended plan;

(7) Providing financial assistance to boards of health within the district for the enforcement of section 3734.03 of the Revised Code or to local law enforcement agencies having jurisdiction within the district for enforcing anti-littering laws and ordinances;

(8) Providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code to defray the costs to

the training and certification program as required by rules 44362
adopted under division (L) of section 3734.02 of the Revised Code; 44363

corporations and townships within the district to defray their 44365
added costs of maintaining roads and other public facilities and 44366
of providing emergency and other public services resulting from 44367
the location and operation within their boundaries of a 44368
composting, energy or resource recovery, incineration, or 44369
recycling facility that either is owned by the district or is 44370
furnishing solid waste management facility or recycling services 44371
to the district pursuant to a contract or agreement with the board 44372
of county commissioners or directors of the district; 44373

(10) Payment of any expenses that are agreed to, awarded, or 44374
ordered to be paid under section 3734.35 of the Revised Code and 44375
of any administrative costs incurred pursuant to that section. In 44376
the case of a joint solid waste management district, if the board 44377
of county commissioners of one of the counties in the district is 44378
negotiating on behalf of affected communities, as defined in that 44379
section, in that county, the board shall obtain the approval of 44380
the board of directors of the district in order to expend moneys 44381
for administrative costs incurred. 44382

Prior to the approval of the district's solid waste 44383
management plan under section 3734.55 of the Revised Code, moneys 44384
in the special fund of the district arising from the fees shall be 44385
expended for those purposes in the manner prescribed by the solid 44386
waste management policy committee by resolution. 44387

Notwithstanding division (G)(6) of this section as it existed 44388
prior to October 29, 1993, or any provision in a district's solid 44389

waste management plan prepared in accordance with division 44390
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 44391
prior to that date, any moneys arising from the fees levied under 44392
division (B)(3) of this section prior to January 1, 1994, may be 44393
expended for any of the purposes authorized in divisions (G)(1) to 44394
(10) of this section. 44395

(H) The director shall adopt rules in accordance with Chapter 44396

section to the boards of county commissioners or directors of 44399
county or joint solid waste management districts and to the 44400
treasurers or other officers of municipal corporations and the 44401
fiscal officers of townships. The rules also shall prescribe the 44402
dates for forwarding the fees to the boards and officials and may 44403
prescribe any other requirements the director considers necessary 44404

under division (A)(1) of this section shall be evaluated for 44421
funding using, at a minimum, the following criteria: 44422

contaminants below the major source thresholds established in 44806
rules adopted under section 3704.036 of the Revised Code. 44807

(b) Beginning January 1, 2000, through June 30, ~~2016~~ 2018, 44808

ton of exceptional quality sludge than the fee assessed under 45676
division (Y)(1) of this section, subject to the following 45677
exceptions: 45678

(i) Except as provided in division (Y)(2)(d) of this section, 45679
a sewage sludge facility that treats or disposes of exceptional 45680
quality sludge shall pay a minimum annual sewage sludge fee of one 45681
hundred dollars. 45682

(ii) A sewage sludge facility that treats or disposes of 45683
exceptional quality sludge shall not be required to pay the annual 45684
sludge fee for treatment or disposal in this state of exceptional 45685
quality sludge generated outside of this state and contained in 45686
bags or other containers not greater than one hundred pounds in 45687
capacity. 45688

A thirty-five per cent reduction for exceptional quality 45689
sludge applies to the maximum annual fees established under 45690
division (Y)(3) of this section. 45691

(c) A sewage sludge facility that transfers sewage sludge to 45692
another sewage sludge facility in this state for further treatment 45693
prior to disposal in this state shall not be required to pay the 45694
annual sludge fee for the tons of sewage sludge that have been 45695
transferred. In such a case, the sewage sludge facility that 45696
disposes of the sewage sludge shall pay the annual sludge fee. 45697

However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred.

(d) A sewage sludge facility that generates sewage sludge resulting from an average daily discharge flow of less than five thousand gallons per day is not subject to the fees assessed under division (Y) of this section.

(3) No sewage sludge facility required to pay the annual sludge fee shall be required to pay more than the maximum annual fee for each disposal method that the sewage sludge facility uses. The maximum annual fee does not include the additional amount that may be charged under division (Y)(5) of this section for late payment of the annual sludge fee. The maximum annual fee for the following methods of disposal of sewage sludge is as follows:

(a) Incineration: five thousand dollars;

(b) Preexisting land reclamation project or disposal in a landfill: five thousand dollars;

(c) Land application, land reclamation, surface disposal, or any other disposal method not specified in division (Y)(3)(a) or (b) of this section: twenty thousand dollars.

(4)(a) In the case of an entity that generates sewage sludge or a sewage sludge facility that treats sewage sludge and transfers the sewage sludge to an incineration facility for disposal, the incineration facility, and not the entity generating the sewage sludge or the sewage sludge facility treating the sewage sludge, shall pay the annual sludge fee for the tons of

sewage sludge that are transferred. However, the entity or 45729
facility generating or treating the sewage sludge shall pay the 45730
one-hundred-dollar minimum fee required under division (Y)(2)(a) 45731
of this section. 45732

(b) In the case of an entity that generates sewage sludge and 45733
transfers the sewage sludge to a landfill for disposal or to a 45734
sewage sludge facility for land reclamation or surface disposal, 45735
the entity generating the sewage sludge, and not the landfill or 45736
sewage sludge facility, shall pay the annual sludge fee for the 45737
tons of sewage sludge that are transferred. 45738

(5) Not later than the first day of April of the calendar 45739
year following March 17, 2000, and each first day of April 45740
thereafter, the director shall issue invoices to persons who are 45741
required to pay the annual sludge fee. The invoice shall identify 45742
the nature and amount of the annual sludge fee assessed and state 45743
the first day of May as the deadline for receipt by the director 45744
of objections regarding the amount of the fee and the first day of 45745
July as the deadline for payment of the fee. 45746

Not later than the first day of May following receipt of an 45747
invoice, a person required to pay the annual sludge fee may submit 45748
objections to the director concerning the accuracy of information 45749
regarding the number of dry tons of sewage sludge used to 45750
calculate the amount of the annual sludge fee or regarding whether 45751
the sewage sludge qualifies for the exceptional quality sludge 45752
discount established in division (Y)(2)(b) of this section. The 45753
director may consider the objections and adjust the amount of the 45754
fee to ensure that it is accurate. 45755

If the director does not adjust the amount of the annual 45756
sludge fee in response to a person's objections, the person may 45757
appeal the director's determination in accordance with Chapter 45758
119. of the Revised Code. 45759

Not later than the first day of June, the director shall 45760
notify the objecting person regarding whether the director has 45761
found the objections to be valid and the reasons for the finding. 45762
If the director finds the objections to be valid and adjusts the 45763
amount of the annual sludge fee accordingly, the director shall 45764
issue with the notification a new invoice to the person 45765
identifying the amount of the annual sludge fee assessed and 45766
stating the first day of July as the deadline for payment. 45767

Not later than the first day of July, any person who is 45768
required to do so shall pay the annual sludge fee. Any person who 45769
is required to pay the fee, but who fails to do so on or before 45770
that date shall pay an additional amount that equals ten per cent 45771
of the required annual sludge fee. 45772

(6) The director shall transmit all moneys collected under 45773
division (Y) of this section to the treasurer of state for deposit 45774
into the surface water protection fund created in section 6111.038 45775
of the Revised Code. The moneys shall be used to defray the costs 45776
of administering and enforcing provisions in Chapter 6111. of the 45777
Revised Code and rules adopted under it that govern the use, 45778
storage, treatment, or disposal of sewage sludge. 45779

(7) Beginning in fiscal year 2001, and every two years 45780
thereafter, the director shall review the total amount of moneys 45781
generated by the annual sludge fees to determine if that amount 45782
exceeded six hundred thousand dollars in either of the two 45783
preceding fiscal years. If the total amount of moneys in the fund 45784
exceeded six hundred thousand dollars in either fiscal year, the 45785
director, after review of the fee structure and consultation with 45786
affected persons, shall issue an order reducing the amount of the 45787
fees levied under division (Y) of this section so that the 45788
estimated amount of moneys resulting from the fees will not exceed 45789
six hundred thousand dollars in any fiscal year. 45790

If, upon review of the fees under division (Y)(7) of this 45791

section and after the fees have been reduced, the director 45792
determines that the total amount of moneys collected and 45793
accumulated is less than six hundred thousand dollars, the 45794
director, after review of the fee structure and consultation with 45795
affected persons, may issue an order increasing the amount of the 45796
fees levied under division (Y) of this section so that the 45797
estimated amount of moneys resulting from the fees will be 45798
approximately six hundred thousand dollars. Fees shall never be 45799
increased to an amount exceeding the amount specified in division 45800
(Y)(7) of this section. 45801

Notwithstanding section 119.06 of the Revised Code, the 45802
director may issue an order under division (Y)(7) of this section 45803
without the necessity to hold an adjudicatory hearing in 45804
connection with the order. The issuance of an order under this 45805
division is not an act or action for purposes of section 3745.04 45806
of the Revised Code. 45807

The commission may require totalizator equipment to display 46003
the amount of wagering in each wagering pool. The commission shall 46004
initiate safeguards as necessary to account for the amount of 46005
money wagered at each track in each wagering pool. It may require 46006
permit holders to install equipment that will provide a complete 46007
check and analysis of the functioning of any computers and require 46008

safeguards on their performance. The commission shall require all permit holders, except those holding state fair, county fair, or other fair permits, to provide a photographic recording, approved by the commission, of the entire running of all races conducted by the permit holder.

The state racing commission may issue, deny, suspend, or revoke licenses to those persons engaged in racing and to those employees of permit holders as is in the public interest for the purpose of maintaining a proper control over horse-racing meetings. The commission, as is in the public interest for the purpose of maintaining proper control over horse-racing meetings, also may rule any person off a permit holder's premises. Moneys in the fund shall be expended by the commission to defray its operating costs, salaries and expenses, and the cost of administering and enforcing this chapter.

The commission may deny a permit to any permit holder that has defaulted in payments to the public, employees, or the

by either the seller or purchaser. 46043

The commission shall deny a permit to any permit holder that 46044
has defaulted in payments to the state or has defaulted in 46045
payments required under section 3769.089 or 3769.0810 of the 46046
Revised Code and shall deny a permit to any successor purchaser of 46047
a track for as long as those defaults have not been satisfied by 46048
either the seller or purchaser. 46049

Any violation of this chapter, of any rule of racing adopted 46050
by the commission, or of any law or rule with respect to racing in 46051
any jurisdiction shall be sufficient reason for a refusal to issue 46052
a license, or a suspension or revocation of any license issued, 46053
pursuant to this section. 46054

With respect to the issuance, denial, suspension, or 46055
revocation of a license to a participant in horse racing, the 46056
action of the commission shall be subject to Chapter 119. of the 46057
Revised Code. 46058

The commission may sue and be sued in its own name. Any 46059

or decision of the commission rendered in the exercise of its 46062
powers and duties under this chapter shall be brought in the court 46063
of common pleas of Franklin county. 46064

The commission, biennially, shall make a full report to the 46065
governor of its proceedings for the two-year period ending with 46066
the thirty-first day of December preceding the convening of the 46067
general assembly and shall include its recommendations in the 46068
report. The commission, semiannually, on the thirtieth day of June 46069
and on the thirty-first day of December of each year, shall make a 46070

Each permit holder may retain as a commission an amount not to exceed eighteen per cent of the total of all moneys wagered on live racing programs and simulcast racing programs.

The pari-mutuel wagering authorized by this section is subject to sections 3769.25 to 3769.28 of the Revised Code.

Revised Code, each permit holder authorized to conduct 46116
thoroughbred racing shall use for purse money a sum equal to fifty 46117
per cent of the pari-mutuel revenues retained by the permit holder 46118
as a commission after payment of the state tax. This fifty per 46119
cent payment shall be in addition to the purse distribution from 46120
breakage specified in this section. 46121

Subject to division (M) of this section, from the moneys paid 46122
to the tax commissioner by thoroughbred racing permit holders, 46123
one-half of one per cent of the total of all moneys so wagered on 46124
a racing day shall be paid into the Ohio fairs fund created by 46125
section 3769.082 of the Revised Code, one and one-eighth per cent 46126
of the total of all moneys so wagered on a racing day shall be 46127
paid into the Ohio thoroughbred race fund created by section 46128
3769.083 of the Revised Code, and one-quarter of one per cent of 46129
the total of all moneys wagered on a racing day by each permit 46130
holder shall be paid into the state racing commission operating 46131
fund created by section 3769.03 of the Revised Code. The required 46132
payment to the state racing commission operating fund does not 46133

apply to county and independent fairs and agricultural societies. 46134
The remaining moneys may be retained by the permit holder, except 46135
as provided in this section with respect to the odd cents 46136
redistribution. Amounts paid into the nursing home franchise 46137
permit fee fund pursuant to this section and section 3769.26 of 46138
the Revised Code shall be used solely for the support of the 46139
PASSPORT program as determined in appropriations made by the 46140
general assembly. If the PASSPORT program is abolished, the amount 46141
that would have been paid to the nursing home franchise permit fee 46142
fund under this chapter shall be paid to the general revenue fund 46143
of the state. As used in this chapter, "PASSPORT program" has the 46144
same meaning as in section 173.51 of the Revised Code. 46145

The total amount paid to the Ohio thoroughbred race fund 46146
under this section and division (A) of section 3769.087 of the 46147
Revised Code shall not exceed by more than six per cent the total 46148
amount paid to this fund under this section and division (A) of 46149
that section during the immediately preceding calendar year. 46150

Each year, the total amount calculated for payment into the 46151
Ohio fairs fund under this division, division (C) of this section, 46152
and division (A) of section 3769.087 of the Revised Code shall be 46153
an amount calculated using the percentages specified in this 46154
division, division (C) of this section, and division (A) of 46155
section 3769.087 of the Revised Code. 46156

A permit holder may contract with a thoroughbred horsemen's 46157
organization for the organization to act as a representative of 46158
all thoroughbred owners and trainers participating in a 46159
horse-racing meeting conducted by the permit holder. A 46160
"thoroughbred horsemen's organization" is any corporation or 46161
association that represents, through membership or otherwise, more 46162
than one-half of the aggregate of all thoroughbred owners and 46163
trainers who were licensed and actively participated in racing 46164
within this state during the preceding calendar year. Except as 46165

otherwise provided in this paragraph, any moneys received by a 46166
thoroughbred horsemen's organization shall be used exclusively for 46167
the benefit of thoroughbred owners and trainers racing in this 46168
state through the administrative purposes of the organization, 46169
benevolent activities on behalf of the horsemen, promotion of the 46170
horsemen's rights and interests, and promotion of equine research. 46171
A thoroughbred horsemen's organization may expend not more than an 46172
aggregate of five per cent of its annual gross receipts, or a 46173
larger amount as approved by the organization, for dues, 46174
assessments, and other payments to all other local, national, or 46175
international organizations having as their primary purposes the 46176
promotion of thoroughbred horse racing, thoroughbred horsemen's 46177
rights, and equine research. 46178

(C) Except as otherwise provided in division (B) of this 46179
section, at the close of each racing day, each permit holder 46180
authorized to conduct harness or quarter horse racing, out of the 46181
amount retained that day by the permit holder, shall pay in the 46182
manner prescribed under section 3769.103 of the Revised Code, as a 46183
tax, a sum equal to the following percentages of the total of all 46184
moneys wagered on live racing programs and shall separately 46185
compute and pay in the manner prescribed under section 3769.103 of 46186
the Revised Code, as a tax, a sum equal to the following 46187
percentages of the total of all money wagered on simulcast racing 46188
programs on that day: 46189

(1) One per cent of the first two hundred thousand dollars 46190
wagered, or any part of that amount; 46191

(2) Two per cent of the next one hundred thousand dollars 46192
wagered, or any part of that amount; 46193

(3) Three per cent of the next one hundred thousand dollars 46194
wagered, or any part of that amount; 46195

(4) Four per cent of all sums over four hundred thousand 46196

dollars wagered. 46197

Except as otherwise provided in division (B) and subject to 46198
division (M) of this section, from the moneys paid to the tax 46199
commissioner by permit holders authorized to conduct harness or 46200
quarter horse racing, one-half of one per cent of all moneys 46201
wagered on that racing day shall be paid into the Ohio fairs fund; 46202
from the moneys paid to the tax commissioner by permit holders 46203
authorized to conduct harness racing, five-eighths of one per cent 46204
of all moneys wagered on that racing day shall be paid into the 46205
Ohio standardbred development fund; and from the moneys paid to 46206
the tax commissioner by permit holders authorized to conduct 46207
quarter horse racing, five-eighths of one per cent of all moneys 46208
wagered on that racing day shall be paid into the Ohio 46209
thoroughbred race fund to support quarter horse development ~~fund~~ 46210
and purses. 46211

(D) In addition, subject to division (M) of this section, 46212
beginning on January 1, 1996, from the money paid to the tax 46213
commissioner as a tax under this section and division (A) of 46214
section 3769.087 of the Revised Code by harness horse permit 46215
holders, one-half of one per cent of the amount wagered on a 46216
racing day shall be paid into the Ohio standardbred development 46217
fund. Beginning January 1, 1998, the payment to the Ohio 46218
standardbred development fund required under this division does 46219
not apply to county agricultural societies or independent 46220
agricultural societies. 46221

The total amount paid to the Ohio standardbred development 46222
fund under this division, division (C) of this section, and 46223
division (A) of section 3769.087 of the Revised Code and the total 46224
amount paid to the Ohio thoroughbred race fund to support quarter 46225
horse development ~~fund~~ and purses under this division and division 46226
(A) of that section shall not exceed by more than six per cent the 46227
total amount paid into the fund under this division, division (C) 46228

of this section, and division (A) of section 3769.087 of the Revised Code in the immediately preceding calendar year.

(E) Subject to division (M) of this section, from the money paid as a tax under this chapter by harness and quarter horse permit holders, one-quarter of one per cent of the total of all moneys wagered on a racing day by each permit holder shall be paid into the state racing commission operating fund created by section 3769.03 of the Revised Code. This division does not apply to county and independent fairs and agricultural societies.

(F) Except as otherwise provided in section 3769.089 of the Revised Code, each permit holder authorized to conduct harness racing shall pay to the harness horsemen's purse pool a sum equal to fifty per cent of the pari-mutuel revenues retained by the permit holder as a commission after payment of the state tax. This fifty per cent payment is to be in addition to the purse distribution from breakage specified in this section.

(G) In addition, each permit holder authorized to conduct harness racing shall be allowed to retain the odd cents of all redistribution to be made on all mutual contributions exceeding a sum equal to the next lowest multiple of ten.

Forty per cent of that portion of that total sum of such odd cents shall be used by the permit holder for purse money for Ohio sired, bred, and owned colts, for purse money for Ohio bred horses, and for increased purse money for horse races. Upon the formation of the corporation described in section 3769.21 of the Revised Code to establish a harness horsemen's health and retirement fund, twenty-five per cent of that portion of that total sum of odd cents shall be paid at the close of each racing day by the permit holder to that corporation to establish and fund the health and retirement fund. Until that corporation is formed, that twenty-five per cent shall be paid at the close of each racing day by the permit holder to the tax commissioner or the tax

commissioner's agent in the county seat of the county in which the 46261
permit holder operates race meetings. The remaining thirty-five 46262
per cent of that portion of that total sum of odd cents shall be 46263
retained by the permit holder. 46264

(H) In addition, each permit holder authorized to conduct 46265
thoroughbred racing shall be allowed to retain the odd cents of 46266
all redistribution to be made on all mutuel contributions 46267
exceeding a sum equal to the next lowest multiple of ten. Twenty 46268
per cent of that portion of that total sum of such odd cents shall 46269
be used by the permit holder for increased purse money for horse 46270
races. Upon the formation of the corporation described in section 46271
3769.21 of the Revised Code to establish a thoroughbred horsemen's 46272
health and retirement fund, forty-five per cent of that portion of 46273
that total sum of odd cents shall be paid at the close of each 46274
racing day by the permit holder to that corporation to establish 46275
and fund the health and retirement fund. Until that corporation is 46276
formed, that forty-five per cent shall be paid by the permit 46277
holder to the tax commissioner or the tax commissioner's agent in 46278
the county seat of the county in which the permit holder operates 46279
race meetings, at the close of each racing day. The remaining 46280
thirty-five per cent of that portion of that total sum of odd 46281
cents shall be retained by the permit holder. 46282

(I) In addition, each permit holder authorized to conduct 46283
quarter horse racing shall be allowed to retain the odd cents of 46284
all redistribution to be made on all mutuel contributions 46285
exceeding a sum equal to the next lowest multiple of ten, subject 46286
to a tax of twenty-five per cent on that portion of the total sum 46287
of such odd cents that is in excess of two thousand dollars during 46288
a calendar year, which tax shall be paid at the close of each 46289
racing day by the permit holder to the tax commissioner or the tax 46290
commissioner's agent in the county seat of the county within which 46291
the permit holder operates race meetings. Forty per cent of that 46292

portion of that total sum of such odd cents shall be used by the 46293
permit holder for increased purse money for horse races. The 46294
remaining thirty-five per cent of that portion of that total sum 46295
of odd cents shall be retained by the permit holder. 46296

(J)(1) To encourage the improvement of racing facilities for 46297
the benefit of the public, breeders, and horse owners, and to 46298
increase the revenue to the state from the increase in pari-mutuel 46299
wagering resulting from those improvements, the taxes paid by a 46300
permit holder to the state as provided for in this chapter shall 46301
be reduced by three-fourths of one per cent of the total amount 46302
wagered for those permit holders who make capital improvements to 46303
existing race tracks or construct new race tracks. The percentage 46304
of the reduction that may be taken each racing day shall equal 46305
seventy-five per cent of the taxes levied under divisions (B) and 46306
(C) of this section and section 3769.087 of the Revised Code, and 46307
division (F)(2) of section 3769.26 of the Revised Code, as 46308
applicable, divided by the calculated amount each fund should 46309
receive under divisions (B) and (C) of this section and section 46310
3769.087 of the Revised Code, and division (F)(2) of section 46311
3769.26 of the Revised Code and the reduction provided for in this 46312
division. If the resulting percentage is less than one, that 46313
percentage shall be multiplied by the amount of the reduction 46314
provided for in this division. Otherwise, the permit holder shall 46315
receive the full reduction provided for in this division. The 46316
amount of the allowable reduction not received shall be carried 46317
forward and applied against future tax liability. After any 46318
reductions expire, any reduction carried forward shall be treated 46319
as a reduction as provided for in this division. 46320

If more than one permit holder is authorized to conduct 46321
racing at the facility that is being built or improved, the cost 46322
of the new race track or capital improvement shall be allocated 46323
between or among all the permit holders in the ratio that the 46324

permit holders' number of racing days bears to the total number of 46325
racing days conducted at the facility. 46326

A reduction for a new race track or a capital improvement 46327
shall start from the day racing is first conducted following the 46328
date actual construction of the new race track or each capital 46329
improvement is completed and the construction cost has been 46330
approved by the racing commission, unless otherwise provided in 46331
this section. A reduction for a new race track or a capital 46332
improvement shall continue for a period of twenty-five years for 46333
new race tracks and for fifteen years for capital improvements if 46334
the construction of the capital improvement or new race track 46335
commenced prior to March 29, 1988, and for a period of ten years 46336
for new race tracks or capital improvements if the construction of 46337
the capital improvement or new race track commenced on or after 46338
March 29, 1988, but before June 6, 2001, or until the total tax 46339
reduction reaches seventy per cent of the approved cost of the new 46340
race track or capital improvement, as allocated to each permit 46341
holder, whichever occurs first. A reduction for a new race track 46342
or a capital improvement approved after June 6, 2001, shall 46343
continue until the total tax reduction reaches one hundred per 46344
cent of the approved cost of the new race track or capital 46345
improvement, as allocated to each permit holder. 46346

A reduction granted for a new race track or a capital 46347
improvement, the application for which was approved by the racing 46348
commission after March 29, 1988, but before June 6, 2001, shall 46349
not commence nor shall the ten-year period begin to run until all 46350
prior tax reductions with respect to the same race track have 46351
ended. The total tax reduction because of capital improvements 46352
shall not during any one year exceed for all permit holders using 46353
any one track three-fourths of one per cent of the total amount 46354
wagered, regardless of the number of capital improvements made. 46355
Several capital improvements to a race track may be consolidated 46356

in an application if the racing commission approved the 46357
application prior to March 29, 1988. No permit holder may receive 46358
a tax reduction for a capital improvement approved by the racing 46359
commission on or after March 29, 1988, at a race track until all 46360
tax reductions have ended for all prior capital improvements 46361
approved by the racing commission under this section or section 46362
3769.20 of the Revised Code at that race track. If there are two 46363
or more permit holders operating meetings at the same track, they 46364
may consolidate their applications. The racing commission shall 46365
notify the tax commissioner when the reduction of tax begins and 46366
when it ends. 46367

Each fiscal year the racing commission shall submit a report 46368
to the tax commissioner, the office of budget and management, and 46369
the legislative service commission. The report shall identify each 46370
capital improvement project undertaken under this division and in 46371
progress at each race track, indicate the total cost of each 46372
project, state the tax reduction that resulted from each project 46373
during the immediately preceding fiscal year, estimate the tax 46374
reduction that will result from each project during the current 46375
fiscal year, state the total tax reduction that resulted from all 46376
such projects at all race tracks during the immediately preceding 46377
fiscal year, and estimate the total tax reduction that will result 46378
from all such projects at all race tracks during the current 46379
fiscal year. 46380

(2) In order to qualify for the reduction in tax, a permit 46381
holder shall apply to the racing commission in such form as the 46382
commission may require and shall provide full details of the new 46383
race track or capital improvement, including a schedule for its 46384
construction and completion, and set forth the costs and expenses 46385
incurred in connection with it. The racing commission shall not 46386
approve an application unless the permit holder shows that a 46387
contract for the new race track or capital improvement has been 46388

let under an unrestricted competitive bidding procedure, unless 46389
the contract is exempted by the controlling board because of its 46390
unusual nature. In determining whether to approve an application, 46391
the racing commission shall consider whether the new race track or 46392
capital improvement will promote the safety, convenience, and 46393
comfort of the racing public and horse owners and generally tend 46394
towards the improvement of racing in this state. 46395

(3) If a new race track or capital improvement is approved by 46396
the racing commission and construction has started, the tax 46397
reduction may be authorized by the commission upon presentation of 46398
copies of paid bills in excess of one hundred thousand dollars or 46399
ten per cent of the approved cost, whichever is greater. After the 46400
initial authorization, the permit holder shall present copies of 46401
paid bills. If the permit holder is in substantial compliance with 46402
the schedule for construction and completion of the new race track 46403
or capital improvement, the racing commission may authorize the 46404
continuation of the tax reduction upon the presentation of the 46405
additional paid bills. The total amount of the tax reduction 46406
authorized shall not exceed the percentage of the approved cost of 46407
the new race track or capital improvement specified in division 46408
(J)(1) of this section. The racing commission may terminate any 46409
tax reduction immediately if a permit holder fails to complete the 46410
new race track or capital improvement, or to substantially comply 46411
with the schedule for construction and completion of the new race 46412
track or capital improvement. If a permit holder fails to complete 46413
a new race track or capital improvement, the racing commission 46414
shall order the permit holder to repay to the state the total 46415
amount of tax reduced. The normal tax paid by the permit holder 46416
shall be increased by three-fourths of one per cent of the total 46417
amount wagered until the total amount of the additional tax 46418
collected equals the total amount of tax reduced. 46419

(4) As used in this section: 46420

(a) "Capital improvement" means an addition, replacement, or remodeling of a structural unit of a race track facility costing at least one hundred thousand dollars, including, but not limited to, the construction of barns used exclusively for the race track facility, backstretch facilities for horsemen, paddock facilities, new pari-mutuel and totalizator equipment and appurtenances to that equipment purchased by the track, new access roads, new parking areas, the complete reconstruction, reshaping, and leveling of the racing surface and appurtenances, the installation of permanent new heating or air conditioning, roof replacement or restoration, installations of a permanent nature forming a part of the track structure, and construction of buildings that are located on a permit holder's premises. "Capital improvement" does not include the cost of replacement of equipment that is not permanently installed, ordinary repairs, painting, and maintenance required to keep a race track facility in ordinary operating condition.

(b) "New race track" includes the reconstruction of a race track damaged by fire or other cause that has been declared by the racing commission, as a result of the damage, to be an inadequate facility for the safe operation of horse racing.

(c) "Approved cost" includes all debt service and interest costs that are associated with a capital improvement or new race track and that the racing commission approves for a tax reduction under division (J) of this section.

(5) The racing commission shall not approve an application for a tax reduction under this section if it has reasonable cause to believe that the actions or negligence of the permit holder substantially contributed to the damage suffered by the track due to fire or other cause. The racing commission shall obtain any data or information available from a fire marshal, law enforcement official, or insurance company concerning any fire or other damage

suffered by a track, prior to approving an application for a tax reduction. 46453
46454

(6) The approved cost to which a tax reduction applies shall be determined by generally accepted accounting principles and verified by an audit of the permit holder's records upon completion of the project by the racing commission, or by an independent certified public accountant selected by the permit holder and approved by the commission. 46455

(K) No other license or excise tax or fee, except as provided in sections 3769.01 to 3769.14 of the Revised Code, shall be assessed or collected from such licensee by any county, township, district, municipal corporation, or other body having power to assess or collect a tax or fee. That portion of the tax paid under this section by permit holders for racing conducted at and during the course of an agricultural exposition or fair, and that portion of the tax that would have been paid by eligible permit holders into the nursing home franchise permit fee fund as a result of racing conducted at and during the course of an agricultural exposition or fair, shall be deposited into the state treasury to the credit of the horse racing tax fund, which is hereby created for the use of the agricultural societies of the several counties in which the taxes originate. The state racing commission shall determine eligible permit holders for purposes of the preceding sentence, taking into account the breed of horse, the racing dates, the geographic proximity to the fair, and the best interests of Ohio racing. On the first day of any month on which there is money in the fund, the tax commissioner shall provide for payment to the treasurer of each agricultural society the amount of the taxes collected under this section upon racing conducted at and during the course of any exposition or fair conducted by the society. 46461

(L) From the tax paid under this section by harness track 46484

permit holders, the tax commissioner shall pay into the Ohio
thoroughbred race fund a sum equal to a percentage of the amount
wagered upon which the tax is paid. The percentage shall be
determined by the tax commissioner and shall be rounded to the
nearest one-hundredth. The percentage shall be such that, when
multiplied by the amount wagered upon which tax was paid by the
harness track permit holders in the most recent year for which
final figures are available, it results in a sum that
substantially equals the same amount of tax paid by the tax
commissioner during that year into the Ohio fairs fund from taxes
paid by thoroughbred permit holders. This division does not apply
to county and independent fairs and agricultural societies.

(M) Twenty-five per cent of the taxes levied on thoroughbred
racing permit holders, harness racing permit holders, and quarter
horse racing permit holders under this section, division (A) of
section 3769.087 of the Revised Code, and division (F)(2) of
section 3769.26 of the Revised Code shall be paid into the nursing
home franchise permit fee fund. The tax commissioner shall pay any
money remaining, after the payment into the nursing home franchise
permit fee fund and the reductions provided for in division (J) of
this section and in section 3769.20 of the Revised Code, into the
Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred
development fund, ~~Ohio quarter horse fund~~, and state racing
commission operating fund as prescribed in this section and
division (A) of section 3769.087 of the Revised Code. The tax
commissioner shall thereafter use and apply the balance of the
money paid as a tax by any permit holder to cover any shortage in
the accounts of such funds resulting from an insufficient payment
as a tax by any other permit holder. Subject to section 3769.101
of the Revised Code, the moneys received by the tax commissioner
shall be deposited monthly and paid by the tax commissioner into
the funds to cover the total aggregate amount due from all permit
holders to the funds, as calculated under this section and

division (A) of section 3769.087 of the Revised Code, as 46518
applicable. If, after the payment into the nursing home franchise 46519
permit fee fund, sufficient funds are not available from the tax 46520
deposited by the tax commissioner to pay the required amounts into 46521
the Ohio fairs fund, Ohio standardbred development fund, Ohio 46522
thoroughbred race fund, ~~Ohio quarter horse fund~~, and the state 46523
racing commission operating fund, the tax commissioner shall 46524
prorate on a proportional basis the amount paid to each of the 46525
funds. Any shortage to the funds as a result of a proration shall 46526
be applied against future deposits for the same calendar year when 46527
funds are available. After this application, the tax commissioner 46528
shall pay any remaining money paid as a tax by all permit holders 46529
into the nursing home franchise permit fee fund. This division 46530
does not apply to permit holders conducting racing at the course 46531
of an agricultural exposition or fair as described in division (K) 46532
of this section. 46533

Sec. 3769.083. (A) As used in this section: 46534

(1) An "accredited Ohio thoroughbred horse" means a horse 46535
conceived in this state and born in this state which is both of 46536
the following: 46537

(a) Born of a mare that is domiciled in this state at the 46538
time of the horse's conception, that remains continuously in the 46539
state through the date on which the horse is born, and that is 46540
registered as required by the rules of the state racing 46541
commission; 46542

(b) By a stallion that stands for breeding purposes only in 46543
this state in the year in which the horse is conceived, and that 46544
is registered as required by the rules of the commission. 46545

(2) An "Ohio foaled horse" means a horse registered as 46546
required by the rules of the state racing commission which is 46547
either of the following: 46548

(a) A horse born of a mare that enters this state before foaling and remains continuously in this state until the horse is born;

(b) A thoroughbred foal produced within the state by any broodmare shipped into the state to foal and be bred to a registered Ohio stallion. or (H) of section 3769.08 of the Revised Code and the video 46809
lottery terminal revenue paid to the corporation pursuant to 46810
section 3769.087 of the Revised Code shall be used exclusively to 46811

finance benefits paid to horsemen pursuant to the plan adopted 46813
under division (B)(2) of this section. 46814

(4) The articles of incorporation and code of regulations of 46815

commission acts pursuant to this section to make these 46836
appointments. 46837

(D) The intent of the general assembly in enacting this 46838
section pursuant to Amended House Bill No. 639 of the 115th 46839
general assembly was to fulfill a legitimate government 46840
responsibility in a manner that would be more cost efficient and 46841
effective than direct state agency administration by permitting 46842
nonprofit corporations to be formed to establish health and 46843
retirement funds for the benefit of harness and thoroughbred 46844
horsemen, as it was determined that such persons were in need of 46845
such benefits. 46846

was appointed shall hold office for the remainder of that term. 46862

office, or until a period of sixty days has elapsed, whichever 46865
occurs first. 46866

(C) All members of the commission shall be citizens of the 46867
United States and residents of this state. The members of the 46868
commission shall represent the various geographic regions of the 46869

thousand dollars, payable in monthly installments. Each member of 46887
the commission also shall receive the member's actual and 46888
necessary expenses incurred in the discharge of the member's 46889
official duties. 46890

discharge of the member's official duties, shall give a bond, 46892
payable to the treasurer of state, in the sum of ten thousand 46893

(E)(1) The director of the state lottery commission shall 46971

the applicant or licensee is or has been convicted of a violation 46974
of division (A) or (C)(1) of section 2913.46 of the Revised Code. 46975

(2) The director shall refuse to grant a license to an 46976
applicant for a lottery sales agent license that is a corporation 46977
and shall revoke the lottery sales agent license of a corporation 46978

(F) The director of the state lottery commission shall 46981
request the bureau of criminal identification and investigation, 46982
the department of public safety, or any other state, local, or 46983
federal agency to supply the director with the criminal records of 46984

any applicant for a lottery sales agent license, and may 46985
periodically request the criminal records of any person to whom a 46986
lottery sales agent license has been issued. At or prior to the 46987
time of making such a request, the director shall require an 46988
applicant or licensee to obtain fingerprint impressions on 46989
fingerprint cards prescribed by the superintendent of the bureau 46990
of criminal identification and investigation at a qualified law 46991

The director shall pay to each agency supplying criminal 46997
records for each investigation a reasonable fee, as determined by 46998
the agency. 46999

The commission may adopt uniform rules specifying time 47000
periods after which the persons described in divisions (C)(1) to 47001
(5) and (D)(1) to (4) of this section may be issued a license and 47002
establishing requirements for those persons to seek a court order 47003
to have records sealed in accordance with law. 47004

(G)(1) Each applicant for a lottery sales agent license shall 47005
do both of the following: 47006

Chapter 119. of the Revised Code or, alternatively, with the 47012
director's approval, deposit the same amount into a dedicated 47013
account for the benefit of the state lottery. The director also 47014
may approve the obtaining of a surety bond to cover part of the 47015

amount required, together with a dedicated account deposit to 47016
cover the remainder of the amount required. The director also may 47017
establish an alternative program or policy, with the approval of 47018
the commission by rule adopted under Chapter 119. of the Revised 47019
Code, that otherwise ensures the lottery's financial interests are 47020
adequately protected. If such an alternative program or policy is 47021
established, an applicant or lottery sales agent, subject to the 47022
director's approval, may be permitted to participate in the 47023
program or proceed under that policy in lieu of providing a surety 47024
bond or dedicated amount. 47025

A surety bond may be with any company that complies with the 47026
bonding and surety laws of this state and the requirements 47027
established by rules of the commission pursuant to this chapter. A 47028
dedicated account deposit shall be conducted in accordance with 47029
policies and procedures the director establishes. 47030

A surety bond, dedicated account, other established program 47031
or policy, or any combination of these resources, as applicable, 47032
may be used to pay for the lottery sales agent's failure to make 47033
prompt and accurate payments for lottery ticket sales, for missing 47034
or stolen lottery tickets, for damage to equipment or materials 47035
issued to the lottery sales agent, or to pay for expenses the 47036
commission incurs in connection with the lottery sales agent's 47037
license. 47038

(2) A lottery sales agent license is effective for at least 47039
one year, but not more than three years. 47040

A licensed lottery sales agent, on or before the date 47041
established by the director, shall renew the agent's license and 47042
provide at that time evidence to the director that the surety 47043
bond, dedicated account deposit, or both, required under division 47044
(G)(1)(b) of this section has been renewed or is active, whichever 47045
applies. 47046

Before the commission renews a lottery sales agent license, 47047
the lottery sales agent shall submit a renewal fee to the 47048
commission, if one is required by rule adopted by the director 47049
under Chapter 119. of the Revised Code and the controlling board 47050
approves the renewal fee. The renewal fee shall not exceed the 47051
actual cost of administering the license renewal and processing 47052

license is effective for at least one year, but not more than 47054
three years. 47055

(3) A lottery sales agent license shall be complete, 47056
accurate, and current at all times during the term of the license. 47057
Any changes to an original license application or a renewal 47058
application may subject the applicant or lottery sales agent, as 47059
applicable, to paying an administrative fee that shall be in an 47060
amount that the director determines by rule adopted under Chapter 47061
119. of the Revised Code, and that the controlling board approves, 47062
and that shall not exceed the actual cost of administering and 47063
processing the changes to an application. 47064

(4) The relationship between the commission and a lottery 47065
sales agent is one of trust. A lottery sales agent collects funds 47066
on behalf of the commission through the sale of lottery tickets 47067
for which the agent receives a compensation. 47068

(H) Pending a final resolution of any question arising under 47069
this section, the director of the state lottery commission may 47070
issue a temporary lottery sales agent license, subject to the 47071
terms and conditions the director considers appropriate. 47072

(I) If a lottery sales agent's rental payments for the 47073
lottery sales agent's premises are determined, in whole or in 47074
part, by the amount of retail sales the lottery sales agent makes, 47075
and if the rental agreement does not expressly provide that the 47076
amount of those retail sales includes the amounts the lottery 47077
sales agent receives from lottery ticket sales, only the amounts 47078

the lottery sales agent receives as compensation from the state 47079
lottery commission for selling lottery tickets shall be considered 47080
to be amounts the lottery sales agent receives from the retail 47081
sales the lottery sales agent makes, for the purpose of computing 47082
the lottery sales agent's rental payments. 47083

subsequent analogous section of the Internal Revenue Code, shall 47096
not be claimed by or paid to any person, as defined in section 47097
1.59 of the Revised Code or as defined by rule or order of the 47098

which the prize award was announced if the lottery game is an 47120
online game or after the date on which the lottery game closed if 47121
the lottery game is an instant game. 47122

(3) If no valid claim to a lottery prize award is made within 47123
the prescribed period, the prize money, the cost of goods and 47124
services awarded as prizes, or, if goods or services awarded as 47125

the commission may hold or undertake may be held or undertaken by 48601

4125., 4127., 4131., and 4167. of the Revised Code. The governor 48636
shall not appoint to the position of administrator any person who 48637
has, or whose spouse has, given a contribution to the campaign 48638
committee of the governor in an amount greater than one thousand 48639
dollars during the two-year period immediately preceding the date 48640
of the appointment of the administrator. 48641

The administrator shall hold no other public office and shall devote full time to the duties of administrator. Before entering upon the duties of the office, the administrator shall take an oath of office as required by sections 3.22 and 3.23 of the Revised Code, and shall file in the office of the secretary of state, a bond signed by the administrator and by surety approved by the governor, for the sum of fifty thousand dollars payable to the state, conditioned upon the faithful performance of the administrator's duties.

(1) Perform all acts and exercise all authorities and powers, discretionary and otherwise that are required of or vested in the bureau or any of its employees in this chapter and Chapters 4123., 4125., 4127., 4131., and 4167. of the Revised Code, except the acts and the exercise of authority and power that is required of and vested in the bureau of workers' compensation board of directors or the industrial commission pursuant to those chapters. The treasurer of state shall honor all warrants signed by the administrator, or by one or more of the administrator's employees, authorized by the administrator in writing, or bearing the facsimile signature of the administrator or such employee under sections 4123.42 and 4123.44 of the Revised Code.

(2) Employ, direct, and supervise all employees required in connection with the performance of the duties assigned to the bureau by this chapter and Chapters 4123., 4125., 4127., 4131., and 4167. of the Revised Code, including an actuary, and may establish job classification plans and compensation for all employees of the bureau provided that this grant of authority

shall not be construed as affecting any employee for whom the 48674
state employment relations board has established an appropriate 48675
bargaining unit under section 4117.06 of the Revised Code. All 48676
positions of employment in the bureau are in the classified civil 48677
service except those employees the administrator may appoint to 48678
serve at the administrator's pleasure in the unclassified civil 48679
service pursuant to section 124.11 of the Revised Code. The 48680

position in the classified service within the bureau to a position 48689
in the unclassified service within the bureau. A person appointed 48690
pursuant to this division to a position in the unclassified 48691
service shall retain the right to resume the position and status 48692
held by the person in the classified service immediately prior to 48693
the person's appointment in the unclassified service, regardless 48694
of the number of positions the person held in the unclassified 48695
service. An employee's right to resume a position in the 48696
classified service may only be exercised when the administrator 48697
demotes the employee to a pay range lower than the employee's 48698
current pay range or revokes the employee's appointment to the 48699
unclassified service. An employee forfeits the right to resume a 48700
position in the classified service when the employee is removed 48701
from the position in the unclassified service due to incompetence, 48702
inefficiency, dishonesty, drunkenness, immoral conduct, 48703
insubordination, discourteous treatment of the public, neglect of 48704
duty, violation of this chapter or Chapter 124., 4123., 4125., 48705

malfeasance, or nonfeasance in office, or conviction of a felony. 48709
An employee also forfeits the right to resume a position in the 48710
classified service upon transfer to a different agency. 48711

Reinstatement to a position in the classified service shall 48712
be to a position substantially equal to that position in the 48713
classified service held previously, as certified by the department 48714
of administrative services. If the position the person previously 48715
held in the classified service has been placed in the unclassified 48716
service or is otherwise unavailable, the person shall be appointed 48717
to a position in the classified service within the bureau that the 48718
director of administrative services certifies is comparable in 48719
compensation to the position the person previously held in the 48720
classified service. Service in the position in the unclassified 48721
service shall be counted as service in the position in the 48722
classified service held by the person immediately prior to the 48723
person's appointment in the unclassified service. When a person is 48724
reinstated to a position in the classified service as provided in 48725
this division, the person is entitled to all rights, status, and 48726
benefits accruing to the position during the person's time of 48727
service in the position in the unclassified service. 48728

under this section are transferred to the bureau in their 48736
respective classifications but subject to reassignment and 48737
reclassification of position and compensation as the administrator 48738

determines to be in the interest of efficient administration. The 48739
civil service status of any person employed by the commission is 48740
not affected by this section. Personnel employed by the bureau or 48741
the commission who are subject to Chapter 4117. of the Revised 48742
Code shall retain all of their rights and benefits conferred 48743
pursuant to that chapter as it presently exists or is hereafter 48744
amended and nothing in this chapter or Chapter 4123. of the 48745
Revised Code shall be construed as eliminating or interfering with 48746
Chapter 4117. of the Revised Code or the rights and benefits 48747
conferred under that chapter to public employees or to any 48748
bargaining unit. 48749

chief investment officer of the bureau of workers' compensation. 48772

shall be issued upon payment of the regular license tax as 50613
prescribed under section 4503.04 of the Revised Code, any 50614
applicable motor vehicle tax levied under Chapter 4504. of the 50615
Revised Code, a bureau of motor vehicles administrative fee of ten 50616
dollars, the contribution specified in division (C) of this 50617
section, and compliance with all other applicable laws relating to 50618
the registration of motor vehicles. If the application for POW/MIA 50619
awareness license plates is combined with a request for a special 50620
reserved license plate under section 4503.40 or 4503.42 of the 50621
Revised Code, the license plates and validation sticker shall be 50622
issued upon payment of the contribution, fees, and taxes contained 50623
in this division and the additional fee prescribed under section 50624
4503.40 or 4503.42 of the Revised Code. 50625

(C) For each application for registration and registration 50626
renewal submitted under this section, the registrar shall collect 50627
a contribution of twenty-five dollars. The registrar shall pay 50628
this contribution into the state treasury to the credit of the 50629
military injury relief fund created in section ~~5101.98~~ 5902.05 of 50630

the Revised Code. 50631

The registrar shall pay the ten-dollar bureau administrative 50632
fee, the purpose of which is to compensate the bureau for 50633
additional services required in issuing POW/MIA awareness license 50634
plates, into the state treasury to the credit of the state bureau 50635
of motor vehicles fund created in section 4501.25 of the Revised 50636
Code. 50637

Sec. 4505.06. (A)(1) Application for a certificate of title 50638
shall be made in a form prescribed by the registrar of motor 50639
vehicles and shall be sworn to before a notary public or other 50640
officer empowered to administer oaths. The application shall be 50641
filed with the clerk of any court of common pleas. An application 50642
for a certificate of title may be filed electronically by any 50643
electronic means approved by the registrar in any county with the 50644
clerk of the court of common pleas of that county. Any payments 50645
required by this chapter shall be considered as accompanying any 50646
electronically transmitted application when payment actually is 50647
received by the clerk. Payment of any fee or taxes may be made by 50648
electronic transfer of funds. 50649

(2) The application for a certificate of title shall be 50650
accompanied by the fee prescribed in section 4505.09 of the 50651
Revised Code. The fee shall be retained by the clerk who issues 50652
the certificate of title and shall be distributed in accordance 50653
with that section. If a clerk of a court of common pleas, other 50654
than the clerk of the court of common pleas of an applicant's 50655
county of residence, issues a certificate of title to the 50656
applicant, the clerk shall transmit data related to the 50657
transaction to the automated title processing system. 50658

(3) If a certificate of title previously has been issued for 50659
a motor vehicle in this state, the application for a certificate 50660
of title also shall be accompanied by that certificate of title 50661

duly assigned, unless otherwise provided in this chapter. If a 50662
certificate of title previously has not been issued for the motor 50663
vehicle in this state, the application, unless otherwise provided 50664
in this chapter, shall be accompanied by a manufacturer's or 50665
importer's certificate or by a certificate of title of another 50666
state from which the motor vehicle was brought into this state. If 50667
the application refers to a motor vehicle last previously 50668
registered in another state, the application also shall be 50669
accompanied by the physical inspection certificate required by 50670
section 4505.061 of the Revised Code. If the application is made 50671
by two persons regarding a motor vehicle in which they wish to 50672
establish joint ownership with right of survivorship, they may do 50673
so as provided in section 2131.12 of the Revised Code. If the 50674
applicant requests a designation of the motor vehicle in 50675
beneficiary form so that upon the death of the owner of the motor 50676
vehicle, ownership of the motor vehicle will pass to a designated 50677
transfer-on-death beneficiary or beneficiaries, the applicant may 50678
do so as provided in section 2131.13 of the Revised Code. A person 50679
who establishes ownership of a motor vehicle that is transferable 50680
on death in accordance with section 2131.13 of the Revised Code 50681
may terminate that type of ownership or change the designation of 50682
the transfer-on-death beneficiary or beneficiaries by applying for 50683
a certificate of title pursuant to this section. The clerk shall 50684
retain the evidence of title presented by the applicant and on 50685
which the certificate of title is issued, except that, if an 50686
application for a certificate of title is filed electronically by 50687
an electronic motor vehicle dealer on behalf of the purchaser of a 50688
motor vehicle, the clerk shall retain the completed electronic 50689
record to which the dealer converted the certificate of title 50690
application and other required documents. The registrar, after 50691
consultation with the attorney general, shall adopt rules that 50692
govern the location at which, and the manner in which, are stored 50693
the actual application and all other documents relating to the 50694

sale of a motor vehicle when an electronic motor vehicle dealer 50695
files the application for a certificate of title electronically on 50696
behalf of the purchaser. Not later than December 31, 2011, the 50697
registrar shall enable all electronic motor vehicle dealers to 50698
file applications for certificates of title on behalf of 50699
purchasers of motor vehicles electronically directly with the 50700
registrar and not through a third party. 50701

The clerk shall use reasonable diligence in ascertaining 50702
whether or not the facts in the application for a certificate of 50703
title are true by checking the application and documents 50704
accompanying it or the electronic record to which a dealer 50705
converted the application and accompanying documents with the 50706
records of motor vehicles in the clerk's office. If the clerk is 50707
satisfied that the applicant is the owner of the motor vehicle and 50708
that the application is in the proper form, the clerk, within five 50709
business days after the application is filed and except as 50710
provided in section 4505.021 of the Revised Code, shall issue a 50711
physical certificate of title over the clerk's signature and 50712
sealed with the clerk's seal, unless the applicant specifically 50713
requests the clerk not to issue a physical certificate of title 50714
and instead to issue an electronic certificate of title. For 50715
purposes of the transfer of a certificate of title, if the clerk 50716
is satisfied that the secured party has duly discharged a lien 50717
notation but has not canceled the lien notation with a clerk, the 50718
clerk may cancel the lien notation on the automated title 50719
processing system and notify the clerk of the county of origin. 50720

(4) In the case of the sale of a motor vehicle to a general 50721
buyer or user by a dealer, by a motor vehicle leasing dealer 50722
selling the motor vehicle to the lessee or, in a case in which the 50723
leasing dealer subleased the motor vehicle, the sublessee, at the 50724
end of the lease agreement or sublease agreement, or by a 50725
manufactured housing broker, the certificate of title shall be 50726

obtained in the name of the buyer by the dealer, leasing dealer, 50727
or manufactured housing broker, as the case may be, upon 50728
application signed by the buyer. The certificate of title shall be 50729
issued, or the process of entering the certificate of title 50730
application information into the automated title processing system 50731
if a physical certificate of title is not to be issued shall be 50732
completed, within five business days after the application for 50733
title is filed with the clerk. If the buyer of the motor vehicle 50734
previously leased the motor vehicle and is buying the motor 50735
vehicle at the end of the lease pursuant to that lease, the 50736
certificate of title shall be obtained in the name of the buyer by 50737
the motor vehicle leasing dealer who previously leased the motor 50738
vehicle to the buyer or by the motor vehicle leasing dealer who 50739
subleased the motor vehicle to the buyer under a sublease 50740
agreement. 50741

In all other cases, except as provided in section 4505.032 50742
and division (D)(2) of section 4505.11 of the Revised Code, such 50743
certificates shall be obtained by the buyer. 50744

(5)(a)(i) If the certificate of title is being obtained in 50745
the name of the buyer by a motor vehicle dealer or motor vehicle 50746
leasing dealer and there is a security interest to be noted on the 50747
certificate of title, the dealer or leasing dealer shall submit 50748
the application for the certificate of title and payment of the 50749
applicable tax to a clerk within seven business days after the 50750
later of the delivery of the motor vehicle to the buyer or the 50751
date the dealer or leasing dealer obtains the manufacturer's or 50752
importer's certificate, or certificate of title issued in the name 50753
of the dealer or leasing dealer, for the motor vehicle. Submission 50754
of the application for the certificate of title and payment of the 50755
applicable tax within the required seven business days may be 50756
indicated by postmark or receipt by a clerk within that period. 50757

(ii) Upon receipt of the certificate of title with the 50758

security interest noted on its face, the dealer or leasing dealer 50759
shall forward the certificate of title to the secured party at the 50760
location noted in the financing documents or otherwise specified 50761
by the secured party. 50762

(iii) A motor vehicle dealer or motor vehicle leasing dealer 50763
is liable to a secured party for a late fee of ten dollars per day 50764
for each certificate of title application and payment of the 50765
applicable tax that is submitted to a clerk more than seven 50766
business days but less than twenty-one days after the later of the 50767
delivery of the motor vehicle to the buyer or the date the dealer 50768
or leasing dealer obtains the manufacturer's or importer's 50769
certificate, or certificate of title issued in the name of the 50770
dealer or leasing dealer, for the motor vehicle and, from then on, 50771
twenty-five dollars per day until the application and applicable 50772
tax are submitted to a clerk. 50773

(b) In all cases of transfer of a motor vehicle except the 50774
transfer of a manufactured home or mobile home, the application 50775
for certificate of title shall be filed within thirty days after 50776
the assignment or delivery of the motor vehicle. 50777

(c) An application for a certificate of title for a new 50778
manufactured home shall be filed within thirty days after the 50779
delivery of the new manufactured home to the purchaser. The date 50780
of the delivery shall be the date on which an occupancy permit for 50781
the manufactured home is delivered to the purchaser of the home by 50782
the appropriate legal authority. 50783

(d) An application for a certificate of title for a used 50784
manufactured home or a used mobile home shall be filed as follows: 50785

(i) If a certificate of title for the used manufactured home 50786
or used mobile home was issued to the motor vehicle dealer prior 50787
to the sale of the manufactured or mobile home to the purchaser, 50788
the application for certificate of title shall be filed within 50789

thirty days after the date on which an occupancy permit for the 50790
manufactured or mobile home is delivered to the purchaser by the 50791
appropriate legal authority. 50792

(ii) If the motor vehicle dealer has been designated by a 50793
secured party to display the manufactured or mobile home for sale, 50794
or to sell the manufactured or mobile home under section 4505.20 50795
of the Revised Code, but the certificate of title has not been 50796
transferred by the secured party to the motor vehicle dealer, and 50797
the dealer has complied with the requirements of division (A) of 50798
section 4505.181 of the Revised Code, the application for 50799
certificate of title shall be filed within thirty days after the 50800
date on which the motor vehicle dealer obtains the certificate of 50801
title for the home from the secured party or the date on which an 50802
occupancy permit for the manufactured or mobile home is delivered 50803
to the purchaser by the appropriate legal authority, whichever 50804
occurs later. 50805

(6) If an application for a certificate of title is not filed 50806
within the period specified in division (A)(5)(b), (c), or (d) of 50807
this section, the clerk shall collect a fee of five dollars for 50808
the issuance of the certificate, except that no such fee shall be 50809
required from a motor vehicle salvage dealer, as defined in 50810
division (A) of section 4738.01 of the Revised Code, who 50811
immediately surrenders the certificate of title for cancellation. 50812
The fee shall be in addition to all other fees established by this 50813
chapter, and shall be retained by the clerk. The registrar shall 50814
provide, on the certificate of title form prescribed by section 50815
4505.07 of the Revised Code, language necessary to give evidence 50816
of the date on which the assignment or delivery of the motor 50817
vehicle was made. 50818

(7) As used in division (A) of this section, "lease 50819
agreement," "lessee," and "sublease agreement" have the same 50820
meanings as in section 4505.04 of the Revised Code and "new 50821

manufactured home," "used manufactured home," and "used mobile
home" have the same meanings as in section 5739.0210 of the
Revised Code.

(B)(1) The clerk, except as provided in this section, shall
refuse to accept for filing any application for a certificate of
title and shall refuse to issue a certificate of title unless the
dealer or the applicant, in cases in which the certificate shall
be obtained by the buyer, submits with the application payment of
the tax levied by or pursuant to Chapters 5739. and 5741. of the
Revised Code based on the purchaser's county of residence. Upon
payment of the tax in accordance with division (E) of this
section, the clerk shall issue a receipt prescribed by the
registrar and agreed upon by the tax commissioner showing payment
of the tax or a receipt issued by the commissioner showing the
payment of the tax. When submitting payment of the tax to the
clerk, a dealer shall retain any discount to which the dealer is
entitled under section 5739.12 of the Revised Code.

(2) For receiving and disbursing such taxes paid to the clerk
by a resident of the clerk's county, the clerk may retain a
poundage fee of one and one one-hundredth per cent, and the clerk
shall pay the poundage fee into the certificate of title
administration fund created by section 325.33 of the Revised Code.
The clerk shall not retain a poundage fee from payments of taxes
by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk
an amount equal to the poundage fees associated with certificates
of title issued by other clerks of courts of common pleas to
applicants who reside in the first clerk's county. The registrar,
in consultation with the tax commissioner and the clerks of the
courts of common pleas, shall develop a report from the automated
title processing system that informs each clerk of the amount of
the poundage fees that the clerk is permitted to retain from those

taxes because of certificates of title issued by the clerks of 50854
other counties to applicants who reside in the first clerk's 50855
county. 50856

(3) In the case of casual sales of motor vehicles, as defined 50857
in section 4517.01 of the Revised Code, the price for the purpose 50858
of determining the tax shall be the purchase price on the assigned 50859
certificate of title executed by the seller and filed with the 50860
clerk by the buyer on a form to be prescribed by the registrar, 50861
which shall be prima-facie evidence of the amount for the 50862
determination of the tax. 50863

(4) Each county clerk shall forward to the treasurer of state 50864
all sales and use tax collections resulting from sales of motor 50865
vehicles, off-highway motorcycles, and all-purpose vehicles during 50866
a calendar week on or before the Friday following the close of 50867
that week. If, on any Friday, the offices of the clerk of courts 50868
or the state are not open for business, the tax shall be forwarded 50869
to the treasurer of state on or before the next day on which the 50870
offices are open. Every remittance of tax under division (B)(4) of 50871
this section shall be accompanied by a remittance report in such 50872
form as the tax commissioner prescribes. Upon receipt of a tax 50873
remittance and remittance report, the treasurer of state shall 50874
date stamp the report and forward it to the tax commissioner. If 50875
the tax due for any week is not remitted by a clerk of courts as 50876
required under division (B)(4) of this section, the commissioner 50877
may require the clerk to forfeit the poundage fees for the sales 50878
made during that week. The treasurer of state may require the 50879
clerks of courts to transmit tax collections and remittance 50880
reports electronically. 50881

(C)(1) If the transferor indicates on the certificate of 50882
title that the odometer reflects mileage in excess of the designed 50883
mechanical limit of the odometer, the clerk shall enter the phrase 50884
"exceeds mechanical limits" following the mileage designation. If 50885

the transferor indicates on the certificate of title that the 50886
odometer reading is not the actual mileage, the clerk shall enter 50887
the phrase "nonactual: warning - odometer discrepancy" following 50888
the mileage designation. The clerk shall use reasonable care in 50889
transferring the information supplied by the transferor, but is 50890
not liable for any errors or omissions of the clerk or those of 50891
the clerk's deputies in the performance of the clerk's duties 50892
created by this chapter. 50893

The registrar shall prescribe an affidavit in which the 50894
transferor shall swear to the true selling price and, except as 50895
provided in this division, the true odometer reading of the motor 50896
vehicle. The registrar may prescribe an affidavit in which the 50897
seller and buyer provide information pertaining to the odometer 50898
reading of the motor vehicle in addition to that required by this 50899
section, as such information may be required by the United States 50900
secretary of transportation by rule prescribed under authority of 50901
subchapter IV of the "Motor Vehicle Information and Cost Savings 50902
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 50903

(2) Division (C)(1) of this section does not require the 50904
giving of information concerning the odometer and odometer reading 50905
of a motor vehicle when ownership of a motor vehicle is being 50906
transferred as a result of a bequest, under the laws of intestate 50907
succession, to a survivor pursuant to section 2106.18, 2131.12, or 50908
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 50909
beneficiaries pursuant to section 2131.13 of the Revised Code, in 50910
connection with the creation of a security interest or for a 50911
vehicle with a gross vehicle weight rating of more than sixteen 50912
thousand pounds. 50913

(D) When the transfer to the applicant was made in some other 50914
state or in interstate commerce, the clerk, except as provided in 50915
this section, shall refuse to issue any certificate of title 50916
unless the tax imposed by or pursuant to Chapter 5741. of the 50917

Revised Code based on the purchaser's county of residence has been 50918
paid as evidenced by a receipt issued by the tax commissioner, or 50919
unless the applicant submits with the application payment of the 50920
tax. Upon payment of the tax in accordance with division (E) of 50921
this section, the clerk shall issue a receipt prescribed by the 50922
registrar and agreed upon by the tax commissioner, showing payment 50923
of the tax. 50924

For receiving and disbursing such taxes paid to the clerk by 50925
a resident of the clerk's county, the clerk may retain a poundage 50926
fee of one and one one-hundredth per cent. The clerk shall not 50927
retain a poundage fee from payments of taxes by persons who do not 50928
reside in the clerk's county. 50929

A clerk, however, may retain from the taxes paid to the clerk 50930
an amount equal to the poundage fees associated with certificates 50931
of title issued by other clerks of courts of common pleas to 50932
applicants who reside in the first clerk's county. The registrar, 50933
in consultation with the tax commissioner and the clerks of the 50934
courts of common pleas, shall develop a report from the automated 50935
title processing system that informs each clerk of the amount of 50936
the poundage fees that the clerk is permitted to retain from those 50937
taxes because of certificates of title issued by the clerks of 50938
other counties to applicants who reside in the first clerk's 50939
county. 50940

When the vendor is not regularly engaged in the business of 50941
selling motor vehicles, the vendor shall not be required to 50942
purchase a vendor's license or make reports concerning those 50943
sales. 50944

(E) The clerk shall accept any payment of a tax in cash, or 50945
by cashier's check, certified check, draft, money order, or teller 50946
check issued by any insured financial institution payable to the 50947
clerk and submitted with an application for a certificate of title 50948
under division (B) or (D) of this section. The clerk also may 50949

accept payment of the tax by corporate, business, or personal 50950
check, credit card, electronic transfer or wire transfer, debit 50951
card, or any other accepted form of payment made payable to the 50952
clerk. The clerk may require bonds, guarantees, or letters of 50953
credit to ensure the collection of corporate, business, or 50954
personal checks. Any service fee charged by a third party to a 50955
clerk for the use of any form of payment may be paid by the clerk 50956
from the certificate of title administration fund created in 50957
section 325.33 of the Revised Code, or may be assessed by the 50958
clerk upon the applicant as an additional fee. Upon collection, 50959
the additional fees shall be paid by the clerk into that 50960
certificate of title administration fund. 50961

The clerk shall make a good faith effort to collect any 50962
payment of taxes due but not made because the payment was returned 50963
or dishonored, but the clerk is not personally liable for the 50964
payment of uncollected taxes or uncollected fees. The clerk shall 50965
notify the tax commissioner of any such payment of taxes that is 50966
due but not made and shall furnish the information to the 50967
commissioner that the commissioner requires. The clerk shall 50968
deduct the amount of taxes due but not paid from the clerk's 50969
periodic remittance of tax payments, in accordance with procedures 50970
agreed upon by the tax commissioner. The commissioner may collect 50971
taxes due by assessment in the manner provided in section 5739.13 50972
of the Revised Code. 50973

Any person who presents payment that is returned or 50974
dishonored for any reason is liable to the clerk for payment of a 50975
penalty over and above the amount of the taxes due. The clerk 50976
shall determine the amount of the penalty, and the penalty shall 50977
be no greater than that amount necessary to compensate the clerk 50978
for banking charges, legal fees, or other expenses incurred by the 50979
clerk in collecting the returned or dishonored payment. The 50980
remedies and procedures provided in this section are in addition 50981

to any other available civil or criminal remedies. Subsequently 50982
collected penalties, poundage fees, and title fees, less any title 50983
fee due the state, from returned or dishonored payments collected 50984
by the clerk shall be paid into the certificate of title 50985
administration fund. Subsequently collected taxes, less poundage 50986
fees, shall be sent by the clerk to the treasurer of state at the 50987
next scheduled periodic remittance of tax payments, with 50988
information as the commissioner may require. The clerk may abate 50989
all or any part of any penalty assessed under this division. 50990

(F) In the following cases, the clerk shall accept for filing 50991
an application and shall issue a certificate of title without 50992
requiring payment or evidence of payment of the tax: 50993

(1) When the purchaser is this state or any of its political 50994
subdivisions, a church, or an organization whose purchases are 50995
exempted by section 5739.02 of the Revised Code; 50996

(2) When the transaction in this state is not a retail sale 50997
as defined by section 5739.01 of the Revised Code; 50998

(3) When the purchase is outside this state or in interstate 50999
commerce and the purpose of the purchaser is not to use, store, or 51000
consume within the meaning of section 5741.01 of the Revised Code; 51001

(4) When the purchaser is the federal government; 51002

(5) When the motor vehicle was purchased outside this state 51003
for use outside this state; 51004

(6) When the motor vehicle is purchased by a nonresident 51005
under the circumstances described in division (B)(1) of section 51006
5739.029 of the Revised Code, and upon presentation of a copy of 51007
the affidavit provided by that section, and a copy of the 51008
exemption certificate provided by section 5739.03 of the Revised 51009
Code. 51010

(G) An application, as prescribed by the registrar and agreed 51011

to by the tax commissioner, shall be filled out and sworn to by 51012
the buyer of a motor vehicle in a casual sale. The application 51013
shall contain the following notice in bold lettering: "WARNING TO 51014
TRANSFEROR AND TRANSFEREE (SELLER AND BUYER): You are required by 51015
law to state the true selling price. A false statement is in 51016
violation of section 2921.13 of the Revised Code and is punishable 51017
by six months' imprisonment or a fine of up to one thousand 51018
dollars, or both. All transfers are audited by the department of 51019
taxation. The seller and buyer must provide any information 51020
requested by the department of taxation. The buyer may be assessed 51021
any additional tax found to be due." 51022

(H) For sales of manufactured homes or mobile homes occurring 51023
on or after January 1, 2000, the clerk shall accept for filing, 51024

board shall prescribe and furnish. Each application shall be 53984
accompanied by a biennial renewal fee of one hundred dollars. The 53985
board shall deposit the fees in accordance with section 4731.24 of 53986
the Revised Code. 53987

The applicant shall report any criminal offense that 53988
constitutes grounds for refusing to issue a certificate to 53989
practice under section 4730.25 of the Revised Code to which the 53990
applicant has pleaded guilty, of which the applicant has been 53991
found guilty, or for which the applicant has been found eligible 53992
for intervention in lieu of conviction, since last signing an 53993

application for a certificate to practice as a physician 53994
assistant. 53995

(B) To be eligible for renewal, a physician assistant shall 53996
certify to the board both of the following: 53997

(1) That the physician assistant has maintained certification 53998
by the national commission on certification of physician 53999
assistants or a successor organization that is recognized by the 54000
board by meeting the standards to hold current certification from 54001
the commission or its successor, including completion of 54002
continuing medical education requirements and passing periodic 54003
recertification examinations; 54004

(2) Except as provided in division (F) of this section and 54005
section 5903.12 of the Revised Code, that the physician assistant 54006
has completed during the current certification period not less 54007
than one hundred hours of continuing medical education acceptable 54008
to the board. 54009

(C) The board shall adopt rules in accordance with Chapter 54010
119. of the Revised Code specifying the types of continuing 54011
medical education that must be completed to fulfill the board's 54012
requirements under division (B)(2) of this section. Except when 54013
additional continuing medical education is required to renew a 54014
certificate to prescribe, as specified in section 4730.49 of the 54015
Revised Code, the board shall not adopt rules that require a 54016
physician assistant to complete in any certification period more 54017
than one hundred hours of continuing medical education acceptable 54018
to the board. In fulfilling the board's requirements, a physician 54019
assistant may use continuing medical education courses or programs 54020
completed to maintain certification by the national commission on 54021
certification of physician assistants or a successor organization 54022
that is recognized by the board if the standards for acceptable 54023
courses and programs of the commission or its successor are at 54024
least equivalent to the standards established by the board. 54025

(D) If an applicant submits a complete renewal application 54026
and qualifies for renewal pursuant to division (B) of this 54027
section, the board shall issue to the applicant a renewed 54028
certificate to practice as a physician assistant. 54029

(E) The board may require a random sample of physician 54030
assistants to submit materials documenting certification by the 54031
national commission on certification of physician assistants or a 54032
successor organization that is recognized by the board and 54033
completion of the required number of hours of continuing medical 54034
education. 54035

(F) The board shall provide for pro rata reductions by month 54036
of the number of hours of continuing education that must be 54037
completed for individuals who are in their first certification 54038
period, who have been disabled due to illness or accident, or who 54039
have been absent from the country. The board shall adopt rules, in 54040
accordance with Chapter 119. of the Revised Code, as necessary to 54041
implement this division. 54042

~~(G)(1) A certificate to practice that is not renewed on or 54043
before its expiration date is automatically suspended on its 54044
expiration date. Continued practice after suspension of the 54045
certificate shall be considered as practicing in violation of 54046
division (A) of section 4730.02 of the Revised Code. 54047~~

~~(2) If a certificate has been suspended pursuant to division 54048
(G)(1) of this section for two years or less, it may be 54049
reinstated. The board shall reinstate a certificate suspended for 54050
failure to renew upon an applicant's submission of a renewal 54051
application, the biennial renewal fee, and any applicable monetary 54052
penalty. 54053~~

~~If a certificate has been suspended pursuant to division 54054
(G)(1) of this division for more than two years, it may be 54055
restored. In accordance with section 4730.28 of the Revised Code, 54056~~

~~the board may restore a certificate suspended for failure to renew 54057
upon an applicant's submission of a restoration application, the 54058
biennial renewal fee, and any applicable monetary penalty and 54059
compliance with sections 4776.01 to 4776.04 of the Revised Code. 54060
The board shall not restore to an applicant a certificate to 54061
practice as a physician assistant unless the board, in its 54062
discretion, decides that the results of the criminal records check 54063
do not make the applicant ineligible for a certificate issued 54064
pursuant to section 4730.12 of the Revised Code. 54065~~

~~The penalty for reinstatement shall be fifty dollars and the 54066
penalty for restoration shall be one hundred dollars. The board 54067
shall deposit penalties in accordance with section 4731.24 of the 54068
Revised Code. 54069~~

~~(H) If an individual certifies that the individual has 54070
completed the number of hours and type of continuing medical 54071
education required for renewal or reinstatement of a certificate 54072
to practice as a physician assistant, and the board finds through 54073
a random sample conducted under division (E) of this section or 54074
through any other means that the individual did not complete the 54075
requisite continuing medical education, the The board may impose a 54076
civil penalty of not more than five thousand dollars if, through a 54077
random sample it conducts under this section or through other 54078
means, it finds that an individual certified that the individual 54079
completed the number of hours and type of continuing medical 54080
education required for renewal of a certificate to practice as a 54081
physician assistant when the individual did not fulfill the 54082
requirement. The board's finding shall be made pursuant to an 54083
adjudication under Chapter 119. of the Revised Code and by an 54084
affirmative vote of not fewer than six members. 54085~~

~~A civil penalty imposed under this division may be in 54086
addition to or in lieu of any other action the board may take 54087
under section 4730.25 of the Revised Code. The board ~~shall deposit~~ 54088~~

civil penalties in accordance with section 4731.24 shall not 54089
conduct an adjudication under Chapter 119. of the Revised Code if 54090
the board imposes only a civil penalty. 54091

Pursuant to section 4730.25 of the Revised Code, the board 54092
may suspend an individual's certificate to practice as a physician 54093
assistant for failure to renew the certificate and comply with 54094
this section. If an individual continues to practice after 54095
suspension, that activity constitutes practicing in violation of 54096
section 4730.02 of the Revised Code. If the certificate has been 54097
suspended for two years or less, it may be reinstated. The board 54098
shall reinstate a certificate to practice as a physician assistant 54099
for failure to renew on an applicant's submission of a renewal 54100
application, the biennial renewal fee, and the applicable monetary 54101
penalty. If the certificate has been suspended for more than two 54102
years, it may be restored. Subject to section 4730.28 of the 54103
Revised Code, the board may restore a certificate to practice as a 54104
physician assistant suspended for failure to renew on an 54105
applicant's submission of a restoration application, the biennial 54106
renewal fee, and the applicable monetary penalty and compliance 54107
with sections 4776.01 to 4776.04 of the Revised Code. The board 54108
shall not restore an applicant's certificate to practice as a 54109
physician assistant unless the board decides that the results of 54110
the criminal records check do not make the applicant ineligible 54111
for a certificate issued pursuant to section 4730.12 of the 54112
Revised Code. 54113

The monetary penalty for reinstatement is fifty dollars. The 54114
monetary penalty for restoration is one hundred dollars. 54115

Amounts received from payment of civil penalties and monetary 54116
penalties imposed under this division shall be deposited in 54117
accordance with section 4731.24 of the Revised Code. 54118

Sec. 4730.252. (A)(1) If a physician assistant violates any 54119

section of this chapter other than section 4730.14 of the Revised Code or violates any rule adopted under this chapter, the state medical board may, pursuant to an adjudication under Chapter 119, of the Revised Code and an affirmative vote of not fewer than six of its members, impose a civil penalty. The amount of the civil penalty shall be determined by the board in accordance with the guidelines adopted under division (A)(2) of this section. The civil penalty may be in addition to any other action the board may take under section 4730.25 of the Revised Code. 54120

Sec. 4731.15. (A)(1) The state medical board also shall regulate the following limited branches of medicine: massage therapy and cosmetic therapy, and to the extent specified in section 4731.151 of the Revised Code, naprapathy and mechanotherapy. The board shall adopt rules governing the limited branches of medicine under its jurisdiction. The rules shall be adopted in accordance with Chapter 119. of the Revised Code. 54142
54143
54144
54145
54146
54147
54148

(2) As used in this chapter: 54149

(a) "Cosmetic therapy" means the permanent removal of hair from the human body through the use of electric modalities approved by the board for use in cosmetic therapy, and additionally may include the systematic friction, stroking, slapping, and kneading or tapping of the face, neck, scalp, or shoulders.

(b) "Massage therapy" means the treatment of disorders of the human body by the manipulation of soft tissue through the systematic external application of massage techniques including touch, stroking, friction, vibration, percussion, kneading, stretching, compression, and joint movements within the normal physiologic range of motion; and adjunctive thereto, the external application of water, heat, cold, topical preparations, and mechanical devices.

(B) A certificate to practice a limited branch of medicine issued by the state medical board is valid for a two-year period, except when an initial certificate is issued for a shorter period or when division (C)(2) of this section is applicable. The certificate may be renewed in accordance with division (C) of this section.

(C)(1) Except as provided in division (C)(2) of this section, all of the following apply with respect to the renewal of certificates to practice a limited branch of medicine:

(a) Each person seeking to renew a certificate to practice a limited branch of medicine shall apply for biennial registration with the state medical board on a renewal application form prescribed by the board. An applicant for renewal shall pay a biennial registration fee of one hundred dollars.

(b) At least six months before a certificate expires, the board shall mail or cause to be mailed a renewal notice to the certificate holder's last known address.

(c) At least three months before a certificate expires, the certificate holder shall submit the renewal application and biennial registration fee to the board.

(2) Beginning with the 2009 registration period, the board shall implement a staggered renewal system that is substantially similar to the staggered renewal system the board uses under division ~~(B)~~(A) of section 4731.281 of the Revised Code.

(D) All persons who hold a certificate to practice a limited branch of medicine issued by the state medical board shall provide the board written notice of any change of address. The notice shall be submitted to the board not later than thirty days after the change of address.

(E) A certificate to practice a limited branch of medicine shall be automatically suspended if the certificate holder fails to renew the certificate in accordance with division (C) of this section. Continued practice after the suspension of the certificate to practice shall be considered as practicing in violation of sections 4731.34 and 4731.41 of the Revised Code.

If a certificate to practice has been suspended pursuant to this division for two years or less, it may be reinstated. The board shall reinstate the certificate upon an applicant's submission of a renewal application and payment of the biennial registration fee and the applicable monetary penalty. With regard to reinstatement of a certificate to practice cosmetic therapy, the applicant also shall submit with the application a certification that the number of hours of continuing education necessary to have a suspended certificate reinstated have been completed, as specified in rules the board shall adopt in accordance with Chapter 119. of the Revised Code. The penalty for reinstatement shall be twenty-five dollars.

If a certificate has been suspended pursuant to this division

for more than two years, it may be restored. Subject to section 54212
4731.222 of the Revised Code, the board may restore the 54213
certificate upon an applicant's submission of a restoration 54214
application, the biennial registration fee, and the applicable 54215
monetary penalty and compliance with sections 4776.01 to 4776.04 54216
of the Revised Code. The board shall not restore to an applicant a 54217
certificate to practice unless the board, in its discretion, 54218
decides that the results of the criminal records check do not make 54219
the applicant ineligible for a certificate issued pursuant to 54220
section 4731.17 of the Revised Code. The penalty for restoration 54221
is fifty dollars. 54222

Sec. 4731.22. (A) The state medical board, by an affirmative 54223
vote of not fewer than six of its members, may limit, revoke, or 54224
suspend an individual's certificate to practice, refuse to grant a 54225
certificate to an individual, refuse to register an individual, 54226
refuse to reinstate a certificate, or reprimand or place on 54227
probation the holder of a certificate if the individual or 54228
certificate holder is found by the board to have committed fraud 54229
during the administration of the examination for a certificate to 54230
practice or to have committed fraud, misrepresentation, or 54231
deception in applying for or securing any certificate to practice 54232
or certificate of registration issued by the board. 54233

(B) The board, by an affirmative vote of not fewer than six 54234
members, shall, to the extent permitted by law, limit, revoke, or 54235
suspend an individual's certificate to practice, refuse to 54236
register an individual, refuse to reinstate a certificate, or 54237
reprimand or place on probation the holder of a certificate for 54238
one or more of the following reasons: 54239

(1) Permitting one's name or one's certificate to practice or 54240
certificate of registration to be used by a person, group, or 54241
corporation when the individual concerned is not actually 54242

directing the treatment given; 54243

(2) Failure to maintain minimal standards applicable to the 54244
selection or administration of drugs, or failure to employ 54245
acceptable scientific methods in the selection of drugs or other 54246
modalities for treatment of disease; 54247

(3) Selling, giving away, personally furnishing, prescribing, 54248
or administering drugs for other than legal and legitimate 54249
therapeutic purposes or a plea of guilty to, a judicial finding of 54250
guilt of, or a judicial finding of eligibility for intervention in 54251
lieu of conviction of, a violation of any federal or state law 54252
regulating the possession, distribution, or use of any drug; 54253

(4) Willfully betraying a professional confidence. 54254

For purposes of this division, "willfully betraying a 54255
professional confidence" does not include providing any 54256
information, documents, or reports ~~to a child fatality review~~ 54257
~~board~~ under sections 307.621 to 307.629 of the Revised Code to a 54258
child fatality review board; does not include providing any 54259
information, documents, or reports to the director of health 54260
pursuant to guidelines established under section 3701.70 of the 54261
Revised Code; does not include a report to a drug task force or 54262
law enforcement agency under section 4731.62 of the Revised Code; 54263
and does not include the making of a report of an employee's use 54264
of a drug of abuse, or a report of a condition of an employee 54265
other than one involving the use of a drug of abuse, to the 54266
employer of the employee as described in division (B) of section 54267
2305.33 of the Revised Code. Nothing in this division affects the 54268
immunity from civil liability conferred by ~~that~~ section 2305.33 or 54269
4731.62 of the Revised Code upon a physician who makes ~~either type~~ 54270
~~of a report~~ in accordance with ~~division (B) either~~ of ~~that section~~ 54271
those sections. As used in this division, "employee," "employer," 54272
and "physician" have the same meanings as in section 2305.33 of 54273
the Revised Code. 54274

(5) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine; or in securing or attempting to secure any certificate to practice or certificate of registration issued by the board.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(6) A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(7) Representing, with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(8) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(9) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(10) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was

committed;	54306
(11) A plea of guilty to, a judicial finding of guilt of, or	54307
a judicial finding of eligibility for intervention in lieu of	54308
conviction for, a misdemeanor committed in the course of practice;	54309
(12) Commission of an act in the course of practice that	54310
constitutes a misdemeanor in this state, regardless of the	54311
jurisdiction in which the act was committed;	54312
(13) A plea of guilty to, a judicial finding of guilt of, or	54313
a judicial finding of eligibility for intervention in lieu of	54314
conviction for, a misdemeanor involving moral turpitude;	54315
(14) Commission of an act involving moral turpitude that	54316
constitutes a misdemeanor in this state, regardless of the	54317
jurisdiction in which the act was committed;	54318
(15) Violation of the conditions of limitation placed by the	54319
board upon a certificate to practice;	54320
(16) Failure to pay license renewal fees specified in this	54321
chapter;	54322
(17) Except as authorized in section 4731.31 of the Revised	54323
Code, engaging in the division of fees for referral of patients,	54324
or the receiving of a thing of value in return for a specific	54325
referral of a patient to utilize a particular service or business;	54326
(18) Subject to section 4731.226 of the Revised Code,	54327
violation of any provision of a code of ethics of the American	54328
medical association, the American osteopathic association, the	54329
American podiatric medical association, or any other national	54330
professional organizations that the board specifies by rule. The	54331
state medical board shall obtain and keep on file current copies	54332
of the codes of ethics of the various national professional	54333
organizations. The individual whose certificate is being suspended	54334
or revoked shall not be found to have violated any provision of a	54335

code of ethics of an organization not appropriate to the 54336
individual's profession. 54337

For purposes of this division, a "provision of a code of 54338
ethics of a national professional organization" does not include 54339
any provision that would preclude the making of a report by a 54340
physician of an employee's use of a drug of abuse, or of a 54341
condition of an employee other than one involving the use of a 54342
drug of abuse, to the employer of the employee as described in 54343
division (B) of section 2305.33 of the Revised Code. Nothing in 54344
this division affects the immunity from civil liability conferred 54345
by that section upon a physician who makes either type of report 54346
in accordance with division (B) of that section. As used in this 54347
division, "employee," "employer," and "physician" have the same 54348
meanings as in section 2305.33 of the Revised Code. 54349

(19) Inability to practice according to acceptable and 54350
prevailing standards of care by reason of mental illness or 54351
physical illness, including, but not limited to, physical 54352
deterioration that adversely affects cognitive, motor, or 54353
perceptive skills. 54354

In enforcing this division, the board, upon a showing of a 54355
possible violation, may compel any individual authorized to 54356
practice by this chapter or who has submitted an application 54357
pursuant to this chapter to submit to a mental examination, 54358
physical examination, including an HIV test, or both a mental and 54359
a physical examination. The expense of the examination is the 54360
responsibility of the individual compelled to be examined. Failure 54361
to submit to a mental or physical examination or consent to an HIV 54362
test ordered by the board constitutes an admission of the 54363
allegations against the individual unless the failure is due to 54364
circumstances beyond the individual's control, and a default and 54365
final order may be entered without the taking of testimony or 54366
presentation of evidence. If the board finds an individual unable 54367

to practice because of the reasons set forth in this division, the 54368
board shall require the individual to submit to care, counseling, 54369
or treatment by physicians approved or designated by the board, as 54370
a condition for initial, continued, reinstated, or renewed 54371
authority to practice. An individual affected under this division 54372
shall be afforded an opportunity to demonstrate to the board the 54373
ability to resume practice in compliance with acceptable and 54374
prevailing standards under the provisions of the individual's 54375
certificate. For the purpose of this division, any individual who 54376
applies for or receives a certificate to practice under this 54377
chapter accepts the privilege of practicing in this state and, by 54378
so doing, shall be deemed to have given consent to submit to a 54379
mental or physical examination when directed to do so in writing 54380
by the board, and to have waived all objections to the 54381
admissibility of testimony or examination reports that constitute 54382
a privileged communication. 54383

(20) Except when civil penalties are imposed under section 54384
4731.225 or ~~4731.281~~ 4731.282 of the Revised Code, and subject to 54385
section 4731.226 of the Revised Code, violating or attempting to 54386
violate, directly or indirectly, or assisting in or abetting the 54387
violation of, or conspiring to violate, any provisions of this 54388
chapter or any rule promulgated by the board. 54389

This division does not apply to a violation or attempted 54390
violation of, assisting in or abetting the violation of, or a 54391
conspiracy to violate, any provision of this chapter or any rule 54392
adopted by the board that would preclude the making of a report by 54393
a physician of an employee's use of a drug of abuse, or of a 54394
condition of an employee other than one involving the use of a 54395
drug of abuse, to the employer of the employee as described in 54396
division (B) of section 2305.33 of the Revised Code. Nothing in 54397
this division affects the immunity from civil liability conferred 54398
by that section upon a physician who makes either type of report 54399

in accordance with division (B) of that section. As used in this 54400
division, "employee," "employer," and "physician" have the same 54401
meanings as in section 2305.33 of the Revised Code. 54402

(21) The violation of section 3701.79 of the Revised Code or 54403
of any abortion rule adopted by the public health council pursuant 54404
to section 3701.341 of the Revised Code; 54405

(22) Any of the following actions taken by an agency 54406
responsible for authorizing, certifying, or regulating an 54407
individual to practice a health care occupation or provide health 54408
care services in this state or another jurisdiction, for any 54409
reason other than the nonpayment of fees: the limitation, 54410
revocation, or suspension of an individual's license to practice; 54411
acceptance of an individual's license surrender; denial of a 54412
license; refusal to renew or reinstate a license; imposition of 54413
probation; or issuance of an order of censure or other reprimand; 54414

(23) The violation of section 2919.12 of the Revised Code or 54415
the performance or inducement of an abortion upon a pregnant woman 54416
with actual knowledge that the conditions specified in division 54417
(B) of section 2317.56 of the Revised Code have not been satisfied 54418
or with a heedless indifference as to whether those conditions 54419
have been satisfied, unless an affirmative defense as specified in 54420
division (H)(2) of that section would apply in a civil action 54421
authorized by division (H)(1) of that section; 54422

(24) The revocation, suspension, restriction, reduction, or 54423
termination of clinical privileges by the United States department 54424
of defense or department of veterans affairs or the termination or 54425
suspension of a certificate of registration to prescribe drugs by 54426
the drug enforcement administration of the United States 54427
department of justice; 54428

(25) Termination or suspension from participation in the 54429
medicare or medicaid programs by the department of health and 54430

human services or other responsible agency for any act or acts 54431
that also would constitute a violation of division (B)(2), (3), 54432
(6), (8), or (19) of this section; 54433

(26) Impairment of ability to practice according to 54434
acceptable and prevailing standards of care because of habitual or 54435
excessive use or abuse of drugs, alcohol, or other substances that 54436
impair ability to practice. 54437

For the purposes of this division, any individual authorized 54438
to practice by this chapter accepts the privilege of practicing in 54439
this state subject to supervision by the board. By filing an 54440
application for or holding a certificate to practice under this 54441
chapter, an individual shall be deemed to have given consent to 54442
submit to a mental or physical examination when ordered to do so 54443
by the board in writing, and to have waived all objections to the 54444
admissibility of testimony or examination reports that constitute 54445
privileged communications. 54446

If it has reason to believe that any individual authorized to 54447
practice by this chapter or any applicant for certification to 54448
practice suffers such impairment, the board may compel the 54449
individual to submit to a mental or physical examination, or both. 54450
The expense of the examination is the responsibility of the 54451
individual compelled to be examined. Any mental or physical 54452
examination required under this division shall be undertaken by a 54453
treatment provider or physician who is qualified to conduct the 54454
examination and who is chosen by the board. 54455

Failure to submit to a mental or physical examination ordered 54456
by the board constitutes an admission of the allegations against 54457
the individual unless the failure is due to circumstances beyond 54458
the individual's control, and a default and final order may be 54459
entered without the taking of testimony or presentation of 54460
evidence. If the board determines that the individual's ability to 54461
practice is impaired, the board shall suspend the individual's 54462

certificate or deny the individual's application and shall require 54463
the individual, as a condition for initial, continued, reinstated, 54464
or renewed certification to practice, to submit to treatment. 54465

Before being eligible to apply for reinstatement of a 54466
certificate suspended under this division, the impaired 54467
practitioner shall demonstrate to the board the ability to resume 54468
practice in compliance with acceptable and prevailing standards of 54469
care under the provisions of the practitioner's certificate. The 54470
demonstration shall include, but shall not be limited to, the 54471
following: 54472

(a) Certification from a treatment provider approved under 54473
section 4731.25 of the Revised Code that the individual has 54474
successfully completed any required inpatient treatment; 54475

(b) Evidence of continuing full compliance with an aftercare 54476
contract or consent agreement; 54477

(c) Two written reports indicating that the individual's 54478
ability to practice has been assessed and that the individual has 54479
been found capable of practicing according to acceptable and 54480
prevailing standards of care. The reports shall be made by 54481
individuals or providers approved by the board for making the 54482
assessments and shall describe the basis for their determination. 54483

The board may reinstate a certificate suspended under this 54484
division after that demonstration and after the individual has 54485
entered into a written consent agreement. 54486

When the impaired practitioner resumes practice, the board 54487
shall require continued monitoring of the individual. The 54488
monitoring shall include, but not be limited to, compliance with 54489
the written consent agreement entered into before reinstatement or 54490
with conditions imposed by board order after a hearing, and, upon 54491
termination of the consent agreement, submission to the board for 54492
at least two years of annual written progress reports made under 54493

penalty of perjury stating whether the individual has maintained sobriety.	54494 54495
(27) A second or subsequent violation of section 4731.66 or 4731.69 of the Revised Code;	54496 54497
(28) Except as provided in division (N) of this section:	54498
(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;	54499 54500 54501 54502 54503 54504
(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.	54505 54506 54507 54508 54509
(29) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;	54510 54511 54512
(30) Failure to provide notice to, and receive acknowledgment of the notice from, a patient when required by section 4731.143 of the Revised Code prior to providing nonemergency professional services, or failure to maintain that notice in the patient's file;	54513 54514 54515 54516 54517
(31) Failure of a physician supervising a physician assistant to maintain supervision in accordance with the requirements of Chapter 4730. of the Revised Code and the rules adopted under that chapter;	54518 54519 54520 54521
(32) Failure of a physician or podiatrist to enter into a standard care arrangement with a clinical nurse specialist,	54522 54523

certified nurse-midwife, or certified nurse practitioner with whom 54524
the physician or podiatrist is in collaboration pursuant to 54525
section 4731.27 of the Revised Code or failure to fulfill the 54526
responsibilities of collaboration after entering into a standard 54527
care arrangement; 54528

(33) Failure to comply with the terms of a consult agreement 54529
entered into with a pharmacist pursuant to section 4729.39 of the 54530
Revised Code; 54531

(34) Failure to cooperate in an investigation conducted by 54532
the board under division (F) of this section, including failure to 54533
comply with a subpoena or order issued by the board or failure to 54534
answer truthfully a question presented by the board in an 54535
investigative interview, an investigative office conference, at a 54536
deposition, or in written interrogatories, except that failure to 54537
cooperate with an investigation shall not constitute grounds for 54538
discipline under this section if a court of competent jurisdiction 54539
has issued an order that either quashes a subpoena or permits the 54540
individual to withhold the testimony or evidence in issue; 54541

(35) Failure to supervise an oriental medicine practitioner 54542
or acupuncturist in accordance with Chapter 4762. of the Revised 54543
Code and the board's rules for providing that supervision; 54544

(36) Failure to supervise an anesthesiologist assistant in 54545
accordance with Chapter 4760. of the Revised Code and the board's 54546
rules for supervision of an anesthesiologist assistant; 54547

(37) Assisting suicide, as defined in section 3795.01 of the 54548
Revised Code; 54549

(38) Failure to comply with the requirements of section 54550
2317.561 of the Revised Code; 54551

(39) Failure to supervise a radiologist assistant in 54552
accordance with Chapter 4774. of the Revised Code and the board's 54553
rules for supervision of radiologist assistants; 54554

(40) Performing or inducing an abortion at an office or facility with knowledge that the office or facility fails to post the notice required under section 3701.791 of the Revised Code;	54555 54556 54557
(41) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for the operation of or the provision of care at a pain management clinic;	54558 54559 54560 54561
(42) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for providing supervision, direction, and control of individuals at a pain management clinic;	54562 54563 54564 54565
(43) Failure to comply with the requirements of section 4729.79 or 4731.055 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to section 4729.75 of the Revised Code;	54566 54567 54568 54569
(44) Failure to comply with the requirements of section 2919.171 of the Revised Code or failure to submit to the department of health in accordance with a court order a complete report as described in section 2919.171 of the Revised Code;	54570 54571 54572 54573
(45) Practicing at a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the person operating the facility has obtained and maintains the license with the classification;	54574 54575 54576 54577 54578
(46) Owning a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the facility is licensed with the classification;	54579 54580 54581 54582
(47) Failure to comply with the requirement regarding maintaining notes described in division (B) of section 2919.191 of the Revised Code or failure to satisfy the requirements of section	54583 54584 54585

2919.191 of the Revised Code prior to performing or inducing an 54586
abortion upon a pregnant woman; 54587

(48) Failure to comply with the requirements in section 54588
3719.061 of the Revised Code before issuing for a minor a 54589
prescription for an opioid analgesic, as defined in section 54590
3719.01 of the Revised Code. 54591

(C) Disciplinary actions taken by the board under divisions 54592
(A) and (B) of this section shall be taken pursuant to an 54593
adjudication under Chapter 119. of the Revised Code, except that 54594
in lieu of an adjudication, the board may enter into a consent 54595
agreement with an individual to resolve an allegation of a 54596
violation of this chapter or any rule adopted under it. A consent 54597
agreement, when ratified by an affirmative vote of not fewer than 54598
six members of the board, shall constitute the findings and order 54599
of the board with respect to the matter addressed in the 54600
agreement. If the board refuses to ratify a consent agreement, the 54601
admissions and findings contained in the consent agreement shall 54602
be of no force or effect. 54603

A telephone conference call may be utilized for ratification 54604
of a consent agreement that revokes or suspends an individual's 54605
certificate to practice. The telephone conference call shall be 54606
considered a special meeting under division (F) of section 121.22 54607
of the Revised Code. 54608

If the board takes disciplinary action against an individual 54609
under division (B) of this section for a second or subsequent plea 54610
of guilty to, or judicial finding of guilt of, a violation of 54611
section 2919.123 of the Revised Code, the disciplinary action 54612
shall consist of a suspension of the individual's certificate to 54613
practice for a period of at least one year or, if determined 54614
appropriate by the board, a more serious sanction involving the 54615
individual's certificate to practice. Any consent agreement 54616
entered into under this division with an individual that pertains 54617

to a second or subsequent plea of guilty to, or judicial finding 54618
of guilt of, a violation of that section shall provide for a 54619
suspension of the individual's certificate to practice for a 54620
period of at least one year or, if determined appropriate by the 54621
board, a more serious sanction involving the individual's 54622
certificate to practice. 54623

(D) For purposes of divisions (B)(10), (12), and (14) of this 54624
section, the commission of the act may be established by a finding 54625
by the board, pursuant to an adjudication under Chapter 119. of 54626
the Revised Code, that the individual committed the act. The board 54627
does not have jurisdiction under those divisions if the trial 54628
court renders a final judgment in the individual's favor and that 54629
judgment is based upon an adjudication on the merits. The board 54630
has jurisdiction under those divisions if the trial court issues 54631
an order of dismissal upon technical or procedural grounds. 54632

(E) The sealing of conviction records by any court shall have 54633
no effect upon a prior board order entered under this section or 54634
upon the board's jurisdiction to take action under this section 54635
if, based upon a plea of guilty, a judicial finding of guilt, or a 54636
judicial finding of eligibility for intervention in lieu of 54637
conviction, the board issued a notice of opportunity for a hearing 54638
prior to the court's order to seal the records. The board shall 54639
not be required to seal, destroy, redact, or otherwise modify its 54640
records to reflect the court's sealing of conviction records. 54641

(F)(1) The board shall investigate evidence that appears to 54642
show that a person has violated any provision of this chapter or 54643
any rule adopted under it. Any person may report to the board in a 54644
signed writing any information that the person may have that 54645
appears to show a violation of any provision of this chapter or 54646
any rule adopted under it. In the absence of bad faith, any person 54647
who reports information of that nature or who testifies before the 54648
board in any adjudication conducted under Chapter 119. of the 54649

Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board.

(a) Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a certificate issued under this chapter, service of the subpoena may be made by certified mail, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery. If the person being served refuses to accept the subpoena or is not located, service may be made to an attorney who notifies the board that the attorney is representing the person.

(d) A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and

proceedings in a manner that protects the confidentiality of 54713
patients and persons who file complaints with the board. The board 54714
shall not make public the names or any other identifying 54715
information about patients or complainants unless proper consent 54716
is given or, in the case of a patient, a waiver of the patient 54717
privilege exists under division (B) of section 2317.02 of the 54718
Revised Code, except that consent or a waiver of that nature is 54719
not required if the board possesses reliable and substantial 54720
evidence that no bona fide physician-patient relationship exists. 54721

The board may share any information it receives pursuant to 54722
an investigation or inspection, including patient records and 54723
patient record information, with law enforcement agencies, other 54724
licensing boards, and other governmental agencies that are 54725
prosecuting, adjudicating, or investigating alleged violations of 54726
statutes or administrative rules. An agency or board that receives 54727
the information shall comply with the same requirements regarding 54728
confidentiality as those with which the state medical board must 54729
comply, notwithstanding any conflicting provision of the Revised 54730
Code or procedure of the agency or board that applies when it is 54731
dealing with other information in its possession. In a judicial 54732
proceeding, the information may be admitted into evidence only in 54733
accordance with the Rules of Evidence, but the court shall require 54734
that appropriate measures are taken to ensure that confidentiality 54735
is maintained with respect to any part of the information that 54736
contains names or other identifying information about patients or 54737
complainants whose confidentiality was protected by the state 54738
medical board when the information was in the board's possession. 54739
Measures to ensure confidentiality that may be taken by the court 54740
include sealing its records or deleting specific information from 54741
its records. 54742

(6) On a quarterly basis, the board shall prepare a report 54743
that documents the disposition of all cases during the preceding 54744

three months. The report shall contain the following information 54745
for each case with which the board has completed its activities: 54746

(a) The case number assigned to the complaint or alleged 54747
violation; 54748

(b) The type of certificate to practice, if any, held by the 54749
individual against whom the complaint is directed; 54750

(c) A description of the allegations contained in the 54751
complaint; 54752

(d) The disposition of the case. 54753

The report shall state how many cases are still pending and 54754
shall be prepared in a manner that protects the identity of each 54755
person involved in each case. The report shall be a public record 54756
under section 149.43 of the Revised Code. 54757

(G) If the secretary and supervising member determine both of 54758
the following, they may recommend that the board suspend an 54759
individual's certificate to practice without a prior hearing: 54760

(1) That there is clear and convincing evidence that an 54761
individual has violated division (B) of this section; 54762

(2) That the individual's continued practice presents a 54763
danger of immediate and serious harm to the public. 54764

Written allegations shall be prepared for consideration by 54765
the board. The board, upon review of those allegations and by an 54766
affirmative vote of not fewer than six of its members, excluding 54767
the secretary and supervising member, may suspend a certificate 54768
without a prior hearing. A telephone conference call may be 54769
utilized for reviewing the allegations and taking the vote on the 54770
summary suspension. 54771

The board shall issue a written order of suspension by 54772
certified mail or in person in accordance with section 119.07 of 54773
the Revised Code. The order shall not be subject to suspension by 54774

the court during pendency of any appeal filed under section 119.12 54775
of the Revised Code. If the individual subject to the summary 54776
suspension requests an adjudicatory hearing by the board, the date 54777
set for the hearing shall be within fifteen days, but not earlier 54778
than seven days, after the individual requests the hearing, unless 54779
otherwise agreed to by both the board and the individual. 54780

Any summary suspension imposed under this division shall 54781
remain in effect, unless reversed on appeal, until a final 54782
adjudicative order issued by the board pursuant to this section 54783
and Chapter 119. of the Revised Code becomes effective. The board 54784
shall issue its final adjudicative order within seventy-five days 54785
after completion of its hearing. A failure to issue the order 54786
within seventy-five days shall result in dissolution of the 54787
summary suspension order but shall not invalidate any subsequent, 54788
final adjudicative order. 54789

(H) If the board takes action under division (B)(9), (11), or 54790
(13) of this section and the judicial finding of guilt, guilty 54791
plea, or judicial finding of eligibility for intervention in lieu 54792
of conviction is overturned on appeal, upon exhaustion of the 54793
criminal appeal, a petition for reconsideration of the order may 54794
be filed with the board along with appropriate court documents. 54795
Upon receipt of a petition of that nature and supporting court 54796
documents, the board shall reinstate the individual's certificate 54797
to practice. The board may then hold an adjudication under Chapter 54798
119. of the Revised Code to determine whether the individual 54799
committed the act in question. Notice of an opportunity for a 54800
hearing shall be given in accordance with Chapter 119. of the 54801
Revised Code. If the board finds, pursuant to an adjudication held 54802
under this division, that the individual committed the act or if 54803
no hearing is requested, the board may order any of the sanctions 54804
identified under division (B) of this section. 54805

(I) The certificate to practice issued to an individual under 54806

this chapter and the individual's practice in this state are 54807
automatically suspended as of the date of the individual's second 54808
or subsequent plea of guilty to, or judicial finding of guilt of, 54809
a violation of section 2919.123 of the Revised Code, or the date 54810
the individual pleads guilty to, is found by a judge or jury to be 54811
guilty of, or is subject to a judicial finding of eligibility for 54812
intervention in lieu of conviction in this state or treatment or 54813
intervention in lieu of conviction in another jurisdiction for any 54814
of the following criminal offenses in this state or a 54815
substantially equivalent criminal offense in another jurisdiction: 54816
aggravated murder, murder, voluntary manslaughter, felonious 54817
assault, kidnapping, rape, sexual battery, gross sexual 54818
imposition, aggravated arson, aggravated robbery, or aggravated 54819
burglary. Continued practice after suspension shall be considered 54820
practicing without a certificate. 54821

The board shall notify the individual subject to the 54822
suspension by certified mail or in person in accordance with 54823
section 119.07 of the Revised Code. If an individual whose 54824
certificate is automatically suspended under this division fails 54825
to make a timely request for an adjudication under Chapter 119. of 54826
the Revised Code, the board shall do whichever of the following is 54827
applicable: 54828

(1) If the automatic suspension under this division is for a 54829
second or subsequent plea of guilty to, or judicial finding of 54830
guilt of, a violation of section 2919.123 of the Revised Code, the 54831
board shall enter an order suspending the individual's certificate 54832
to practice for a period of at least one year or, if determined 54833
appropriate by the board, imposing a more serious sanction 54834
involving the individual's certificate to practice. 54835

(2) In all circumstances in which division (I)(1) of this 54836
section does not apply, enter a final order permanently revoking 54837
the individual's certificate to practice. 54838

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant a certificate to an applicant, revokes an individual's certificate to practice, refuses to register an applicant, or refuses to reinstate an individual's certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's certificate to practice. The

telephone conference call shall be considered a special meeting 54871
under division (F) of section 121.22 of the Revised Code. 54872
Reinstatement of a certificate surrendered to the board requires 54873
an affirmative vote of not fewer than six members of the board. 54874

(2) An application for a certificate made under the 54875
provisions of this chapter may not be withdrawn without approval 54876
of the board. 54877

(3) Failure by an individual to renew a certificate of 54878
registration in accordance with this chapter shall not remove or 54879
limit the board's jurisdiction to take any disciplinary action 54880
under this section against the individual. 54881

(4) At the request of the board, a certificate holder shall 54882
immediately surrender to the board a certificate that the board 54883
has suspended, revoked, or permanently revoked. 54884

(N) Sanctions shall not be imposed under division (B)(28) of 54885
this section against any person who waives deductibles and 54886
copayments as follows: 54887

(1) In compliance with the health benefit plan that expressly 54888

Sec. 4735.06. (A) Application for a license as a real estate 55980
broker shall be made to the superintendent of real estate on forms 55981
furnished by the superintendent and filed with the superintendent 55982
and shall be signed by the applicant or its members or officers. 55983

requires in the form of application prescribed by the 55987
superintendent. 55988

If the applicant is a partnership, limited liability company, 55989

applicant was an inactive or active salesperson immediately 56012
preceding application for a broker's license, then the initial 56013

is due as set when the applicant was a salesperson. The 56016
application fee shall be nonrefundable. A fee of one hundred 56017
dollars shall be charged by the superintendent for each successive 56018
application made by an applicant. In the case of issuance of a 56019
three-year license, upon passing the examination, or upon waiver 56020
of the examination requirement, if the superintendent determines 56021
it is necessary, the applicant shall submit an additional fee 56022
determined by the superintendent based upon the number of years 56023
remaining in a real estate salesperson's licensing period. 56024

(C) One dollar of each application fee for a real estate 56025
broker's license shall be credited to the real estate education 56026

The Ohio real estate commission may use the fund in discharging 56028
the duties prescribed in divisions (E), (F), (G), and (H) of 56029

section 4735.03 of the Revised Code and shall use it in the 56030
advancement of education and research in real estate at any 56031
institution of higher education in the state, or in contracting 56032
with any such institution or a trade organization for a particular 56033
research or educational project in the field of real estate, or in 56034
advancing loans, not exceeding two thousand dollars, to applicants 56035
for salesperson licenses, to defray the costs of satisfying the 56036
educational requirements of division (F) of section 4735.09 of the 56037
Revised Code. Such loans shall be made according to rules 56038
established by the commission under the procedures of Chapter 119. 56039
of the Revised Code, and they shall be repaid to the fund within 56040
three years of the time they are made. No more than ~~ten~~ 56041
twenty-five thousand dollars shall be lent from the fund in any 56042
one fiscal year. 56043

The governor may appoint a representative from the executive 56044
branch to be a member ex officio of the commission for the purpose 56045
of advising on research requests or educational projects. The 56046
commission shall report to the general assembly on the third 56047
Tuesday after the third Monday in January of each year setting 56048
forth the total amount contained in the fund and the amount of 56049
each research grant that it has authorized and the amount of each 56050
research grant requested. A copy of all research reports shall be 56051
submitted to the state library of Ohio and the library of the 56052
legislative service commission. 56053

(D) If the superintendent, with the consent of the 56054
commission, enters into an agreement with a national testing 56055
service to administer the real estate broker's examination, 56056
pursuant to division (A) of section 4735.07 of the Revised Code, 56057
the superintendent may require an applicant to pay the testing 56058
service's examination fee directly to the testing service. If the 56059
superintendent requires the payment of the examination fee 56060
directly to the testing service, each applicant shall submit to 56061

the superintendent a processing fee in an amount determined by the 56062
Ohio real estate commission pursuant to division (A)(2) of section 56063
4735.10 of the Revised Code. 56064

Sec. 4735.13. (A) Every real estate broker licensed under 56065
this chapter shall have and maintain a definite place of business 56066
in this state. A post office box address is not a definite place 56067
of business for purposes of this section. The license of a real 56068
estate broker shall be prominently displayed in the office or 56069
place of business of the broker, and no license shall authorize 56070
the licensee to do business except from the location specified in 56071
it. If the broker maintains more than one place of business within 56072
the state, the broker shall apply for and procure a duplicate 56073
license for each branch office maintained by the broker. Each 56074
branch office shall be in the charge of a licensed broker or 56075
salesperson. The branch office license shall be prominently 56076
displayed at the branch office location. 56077

(B) The license of each real estate salesperson shall be 56078
mailed to and remain in the possession of the licensed broker with 56079
whom the salesperson is or is to be associated until the licensee 56080
places the license on inactive or resigned status or until the 56081
salesperson leaves the brokerage or is terminated. The broker 56082
shall keep each salesperson's license in a way that it can, and 56083
shall on request, be made immediately available for public 56084
inspection at the office or place of business of the broker. 56085
Except as provided in divisions (G) and (H) of this section, 56086
immediately upon the salesperson's leaving the association or 56087
termination of the association of a real estate salesperson with 56088
the broker, the broker shall return the salesperson's license to 56089
the superintendent of real estate. 56090

The failure of a broker to return the license of a real 56091
estate salesperson or broker who leaves or who is terminated, via 56092

certified mail return receipt requested, within three business 56093
days of the receipt of a written request from the superintendent 56094
for the return of the license, is prima-facie evidence of 56095
misconduct under division (A)(6) of section 4735.18 of the Revised 56096
Code. 56097

(C) A licensee shall notify the superintendent in writing 56098
within fifteen days of any of the following occurrences: 56099

(1) The licensee is convicted of a felony. 56100

(2) The licensee is convicted of a crime involving moral 56101
turpitude. 56102

(3) The licensee is found to have violated any federal, 56103
state, or municipal civil rights law pertaining to discrimination 56104
in housing. 56105

(4) The licensee is found to have engaged in a discriminatory 56106
practice pertaining to housing accommodations described in 56107
division (H) of section 4112.02 of the Revised Code. 56108

(5) The licensee is the subject of an order by the department 56109
of commerce, the department of insurance, or the department of 56110
agriculture revoking or permanently surrendering any professional 56111
license, certificate, or registration. 56112

(6) The licensee is the subject of an order by any government 56113
agency concerning real estate, financial matters, or the 56114
performance of fiduciary duties with respect to any license, 56115
certificate, or registration. 56116

If a licensee fails to notify the superintendent within the 56117
required time, the superintendent immediately may suspend the 56118
license of the licensee. 56119

Any court that convicts a licensee of a violation of any 56120
municipal civil rights law pertaining to housing discrimination 56121
also shall notify the Ohio civil rights commission within fifteen 56122

days of the conviction. 56123

(D) In case of any change of business location, a broker 56124
shall give notice to the superintendent, on a form prescribed by 56125
the superintendent, within thirty days after the change of 56126
location, whereupon the superintendent shall issue new licenses 56127
for the unexpired period without charge. If a broker changes a 56128
business location without giving the required notice and without 56129
receiving new licenses that action is prima-facie evidence of 56130
misconduct under division (A)(6) of section 4735.18 of the Revised 56131
Code. 56132

(E) If a real estate broker desires to associate with another 56133
real estate broker in the capacity of a real estate salesperson, 56134
the broker shall apply to the superintendent to deposit the 56135
broker's real estate broker's license with the superintendent and 56136
for the issuance of a real estate salesperson's license. The 56137
application shall be made on a form prescribed by the 56138
superintendent and shall be accompanied by the recommendation of 56139
the real estate broker with whom the applicant intends to become 56140
associated and a fee of twenty-five dollars for the real estate 56141
salesperson's license. One dollar of the fee shall be credited to 56142
the real estate education and research fund. If the superintendent 56143
is satisfied that the applicant is honest, truthful, and of good 56144
reputation, has not been convicted of a felony or a crime 56145
involving moral turpitude, and has not been finally adjudged by a 56146
court to have violated any municipal, state, or federal civil 56147
rights laws relevant to the protection of purchasers or sellers of 56148
real estate, and that the association of the real estate broker 56149
and the applicant will be in the public interest, the 56150
superintendent shall grant the application and issue a real estate 56151
salesperson's license to the applicant. Any license so deposited 56152
with the superintendent shall be subject to this chapter. A broker 56153
who intends to deposit the broker's license with the 56154

superintendent, as provided in this section, shall give written 56155
notice of this fact in a format prescribed by the superintendent 56156
to all salespersons associated with the broker when applying to 56157
place the broker's license on deposit. 56158

(F) If a real estate broker desires to become a member or 56159
officer of a partnership, association, limited liability company, 56160
limited liability partnership, or corporation that is or intends 56161
to become a licensed real estate broker, the broker shall notify 56162
the superintendent of the broker's intentions. The notice of 56163
intention shall be on a form prescribed by the superintendent and 56164
shall be accompanied by a fee of twenty-five dollars. One dollar 56165
of the fee shall be credited to the real estate education and 56166
research fund. 56167

A licensed real estate broker who is a member or officer of a 56168
partnership, association, limited liability company, limited 56169

company, limited liability partnership, or corporation. 56172

(G)(1) If a real estate broker or salesperson enters the 56173
armed forces, the broker or salesperson may place the broker's or 56174
salesperson's license on deposit with the Ohio real estate 56175
commission. The licensee shall not be required to renew the 56176
license until the renewal date that follows the date of discharge 56177
from the armed forces. Any license deposited with the commission 56178
shall be subject to this chapter. ~~Any~~ 56179

Any licensee whose license is on deposit under this division 56180
and who fails to meet the continuing education requirements of 56181
section 4735.141 of the Revised Code because the licensee is in 56182
the armed forces shall satisfy the commission that the licensee 56183
has complied with the continuing education requirements within 56184
twelve months of the licensee's first birthday after discharge or 56185
within the amount of time equal to the total number of months the 56186

licensee spent on active duty, whichever is greater. The licensee shall submit proper documentation of active duty service and the length of that active duty service to the superintendent. The extension shall not exceed the total number of months that the licensee served in active duty. The superintendent shall notify the licensee of the licensee's obligations under section 4735.141 of the Revised Code at the time the licensee applies for reactivation of the licensee's license.

(2) If a licensee is a spouse of a member of the armed forces and the spouse's service resulted in the licensee's absence from this state, both of the following apply:

(a) The licensee shall not be required to renew the license until the renewal date that follows the date of the spouse's discharge from the armed forces.

(b) If the licensee fails to meet the continuing education requirements of section 4735.141 of the Revised Code, the licensee shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months after the licensee's first birthday after the spouse's discharge or within the amount of time equal to the total number of months the licensee's spouse spent on active duty, whichever is greater. The licensee shall submit proper documentation of the spouse's active duty service and the length of that active duty service. This extension shall not exceed the total number of months that the licensee's spouse served in active duty.

(3) In the case of a licensee as described in division (G)(2) of this section, who holds the license through a reciprocity agreement with another state, the spouse's service shall have resulted in the licensee's absence from the licensee's state of residence for the provisions of that division to apply.

(4) As used in this division, "armed forces" means the armed

forces of the United States or reserve component of the armed 56218
forces of the United States including the Ohio national guard or 56219
the national guard of any other state. 56220

(H) If a licensed real estate salesperson submits an 56221
application to the superintendent to leave the association of one 56222
broker to associate with a different broker, the broker possessing 56223
the licensee's license need not return the salesperson's license 56224
to the superintendent. The superintendent may process the 56225
application regardless of whether the licensee's license is 56226
returned to the superintendent. 56227

Sec. 4735.141. (A) Except as otherwise provided in this 56228
division and in section 4735.13 of the Revised Code and except for 56229
a licensee who has placed the licensee's license in resigned 56230

person licensed under section 4735.07 or 4735.09 of the Revised 56232
Code shall submit proof satisfactory to the superintendent of real 56233
estate that the licensee has satisfactorily completed thirty hours 56234
of continuing education, as prescribed by the Ohio real estate 56235
commission pursuant to section 4735.10 of the Revised Code, on or 56236
before the licensee's birthday occurring three years after the 56237
licensee's date of initial licensure, and on or before the 56238
licensee's birthday every three years thereafter. 56239

Persons licensed as real estate salespersons who subsequently 56240
become licensed real estate brokers shall continue to submit proof 56241
of continuing education in accordance with the time period 56242
established in this section. 56243

The requirements of this section shall not apply to any 56244
disabled licensee as provided in division (E) of this section. 56245

Each licensee who is seventy years of age or older, within a 56246
continuing education reporting period, shall submit proof 56247
satisfactory to the superintendent of real estate that the 56248

licensee has satisfactorily completed a total of nine classroom 56249
hours of continuing education, including instruction in Ohio real 56250
estate law; recently enacted state and federal laws affecting the 56251
real estate industry; municipal, state, and federal civil rights 56252
law; and canons of ethics for the real estate industry as adopted 56253
by the commission. The required proof of completion shall be 56254
submitted on or before the licensee's birthday that falls in the 56255
third year of that continuing education reporting period. A 56256
licensee who is seventy years of age or older whose license is in 56257
an inactive status is exempt from the continuing education 56258
requirements specified in this section. The commission shall adopt 56259
reasonable rules in accordance with Chapter 119. of the Revised 56260
Code to carry out the purposes of this paragraph. 56261

(B) The continuing education requirements of this section 56262
shall be completed in schools, seminars, and educational 56263
institutions approved by the commission. Such approval shall be 56264
given according to rules established by the commission under the 56265
procedures of Chapter 119. of the Revised Code, and shall not be 56266
limited to institutions providing two-year or four-year degrees. 56267
Each school, seminar, or educational institution approved under 56268
this division shall be open to all licensees on an equal basis. 56269

(C) If the requirements of this section are not met by a 56270
licensee within the period specified, the licensee's license shall 56271
be suspended automatically without the taking of any action by the 56272
superintendent. The superintendent shall notify the licensee of 56273
the license suspension, and such notification shall be sent by 56274
regular mail to the personal residence address of the licensee 56275
that is on file with the division. Any license so suspended shall 56276
remain suspended until it is reactivated by the superintendent. No 56277
such license shall be reactivated until it is established, to the 56278
satisfaction of the superintendent, that the requirements of this 56279
section have been met. If the requirements of this section are not 56280

met within twelve months from the date the license was suspended, 56281
the license shall be revoked automatically without the taking of 56282
any action by the superintendent. 56283

(D) If the license of a real estate broker is suspended 56284
pursuant to division (C) of this section, the license of a real 56285
estate salesperson associated with that broker correspondingly is 56286
suspended pursuant to division (H) of section 4735.20 of the 56287
Revised Code. A sole broker shall notify affiliated salespersons 56288
of the suspension in writing within three days of receiving the 56289
notice required by division (C) of this section. 56290

(1) The suspended license of the associated real estate 56291
salesperson shall be reactivated and no fee shall be charged or 56292
collected for that reactivation if that broker subsequently 56293
submits proof to the superintendent that the broker has complied 56294
with the requirements of this section and requests that the 56295
broker's license as a real estate broker be reactivated, and the 56296
superintendent then reactivates the broker's license as a real 56297
estate broker. 56298

(2) If the real estate salesperson submits an application to 56299
leave the association of the suspended broker in order to 56300
associate with a different broker, the suspended license of the 56301
associated real estate salesperson shall be reactivated and no fee 56302
shall be charged or collected for that reactivation. The 56303
superintendent may process the application regardless of whether 56304
the licensee's license is returned to the superintendent. 56305

Any person whose license is reactivated pursuant to this 56306
division shall comply with the requirements of this section and 56307
otherwise be in compliance with this chapter. 56308

(E) Any licensee who is a disabled licensee at any time 56309
during the last three months of the third year of the licensee's 56310
continuing education reporting period may receive an extension of 56311

time as deemed appropriate by the superintendent to submit proof 56312
to the superintendent that the licensee has satisfactorily 56313
completed the required thirty hours of continuing education. To 56314
receive an extension of time, the licensee shall submit a request 56315
to the division of real estate for the extension and proof 56316
satisfactory to the commission that the licensee was a disabled 56317
licensee at some time during the last three months of the 56318
three-year reporting period. The proof shall include, but is not 56319
limited to, a signed statement by the licensee's attending 56320
physician describing the disability, certifying that the 56321
licensee's disability is of such a nature as to prevent the 56322
licensee from attending any instruction lasting at least three 56323
hours in duration, and stating the expected duration of the 56324
disability. The licensee shall request the extension and provide 56325
the physician's statement to the division no later than one month 56326
prior to the end of the licensee's three-year continuing education 56327
reporting period, unless the disability did not arise until the 56328
last month of the three-year reporting period, in which event the 56329
licensee shall request the extension and provide the physician's 56330
statement as soon as practical after the occurrence of the 56331
disability. A licensee granted an extension pursuant to this 56332
division who is no longer a disabled licensee and who submits 56333
proof of completion of the continuing education during the 56334
extension period, shall submit, for future continuing education 56335
reporting periods, proof of completion of the continuing education 56336
requirements according to the schedule established in division (A) 56337
of this section. 56338

licensee fails to comply with this section, and the licensee shall 56340
be required to pay the penalty fee provided in section 4735.14 of 56341
the Revised Code. 56342

(G) A licensee shall submit proof of completion of the 56343

The rules shall not affect the place on the waiting list of any person who was on the list on July 1, 2006.
