in the custody of the department of rehabilitation and correction 803
who is enrolled in a work program that is established by the 804
department pursuant to section 5145.16 of the Revised Code and in 805
which the prisoner is required to operate a motor vehicle, as 806
defined in section 4509.01 of the Revised Code, and who is engaged 807
in the operation of a motor vehicle in the course of the work 808
program. 809

of money that is required to maintain adequate reserves for a 825
specified period of time. 826

(H) The director of administrative services shall collect 827
from each state agency or any participating state body its 828

coverage authorized under this section. The amount of the 831
contribution shall be determined by the director, with the 832
approval of the director of budget and management. It shall be 833
based upon actuarial assumptions and the relative risk and loss 834
experience of each state agency or participating state body. The 835
amount of the contribution also shall include a reasonable sum to 836
cover administrative costs of the department of administrative 837
services. The amounts collected pursuant to this division shall be 838
deposited in the risk management reserve fund to the credit of the 839
vehicle liability program. 840

individual self-insurance programs for health care benefits, that 863
their programs will be jointly administered in a manner specified 864
in the agreement; 865

employees of the political subdivision. A certified audited 895
financial statement and a report of aggregate amounts so reserved 896
and aggregate disbursements made from such funds, together with a 897
written report of a member of the American academy of actuaries 898
certifying whether the amounts reserved conform to the 899
requirements of this division, are computed in accordance with 900
accepted loss reserving standards, and are fairly stated in 901
accordance with sound loss reserving principles, shall be prepared 902
and maintained, within ninety days after the last day of the 903
fiscal year of the entity for which the report is provided for 904
that fiscal year, in the office of the program administrator 905

reserve the funds necessary for an individual or joint 928
self-insurance program in a special fund established pursuant to a 929
resolution duly adopted by the agency's or instrumentality's 930
governing board. The political subdivision may allocate the costs 931
of insurance or any self-insurance program, or both, among the 932
funds or accounts established under this division on the basis of 933
relative exposure and loss experience. 934

(3) A contract may be awarded, without the necessity of 935
competitive bidding, to any person, political subdivision, 936
nonprofit corporation organized under Chapter 1702. of the Revised 937
Code, or regional council of governments created under Chapter 938

individual or joint self-insurance program. No such contract shall 940
be entered into without full, prior, public disclosure of all 941
terms and conditions. The disclosure shall include, at a minimum, 942
a statement listing all representations made in connection with 943

any possible savings and losses resulting from the contract, and 944
potential liability of any political subdivision or employee. The 945
proposed contract and statement shall be disclosed and presented 946
at a meeting of the political subdivision not less than one week 947
prior to the meeting at which the political subdivision authorizes 948

consultants, for the purpose of preventing and reducing health 977
care costs covered by insurance, individual self-insurance, or 978
joint self-insurance programs. 979

self-insurance program for any amount in excess of amounts payable 981
pursuant to the written agreement for the participation of the 982
political subdivision in the joint self-insurance program. Under a 983
joint self-insurance program agreement, a political subdivision 984
may, to the extent permitted under the written agreement, assume 985
the risks of any other political subdivision. A joint 986
self-insurance program established under this section is deemed a 987
separate legal entity for the public purpose of enabling the 988
members of the joint self-insurance program to obtain insurance or 989
to provide for a formalized, jointly administered self-insurance 990
fund for its members. An entity created pursuant to this section 991
is exempt from all state and local taxes. 992

(9) Any political subdivision, other than an agency or 993
instrumentality, may issue general obligation bonds, or special 994
obligation bonds that are not payable from real or personal 995
property taxes, and may also issue notes in anticipation of such 996
bonds, pursuant to an ordinance or resolution of its legislative 997
authority or other governing body for the purpose of providing 998
funds to pay expenses associated with the settlement of claims, 999
whether by way of a reserve or otherwise, and to pay the political 1000
subdivision's portion of the cost of establishing and maintaining 1001
an individual or joint self-insurance program or to provide for 1002
the reserve in the special fund authorized by division (C)(2) of 1003
this section. 1004

In its ordinance or resolution authorizing bonds or notes 1005
under this section, a political subdivision may elect to issue 1006

such bonds or notes under the procedures set forth in Chapter 133. 1007
of the Revised Code. In the event of such an election, 1008
notwithstanding Chapter 133. of the Revised Code, the maturity of 1009
the bonds may be for any period authorized in the ordinance or 1010
resolution not exceeding twenty years, which period shall be the 1011
maximum maturity of the bonds for purposes of section 133.22 of 1012
the Revised Code. 1013

Bonds and notes issued under this section shall not be 1014
considered in calculating the net indebtedness of the political 1015
subdivision under sections 133.04, 133.05, 133.06, and 133.07 of 1016
the Revised Code. Sections 9.98 to 9.983 of the Revised Code are 1017
hereby made applicable to bonds or notes authorized under this 1018
section. 1019

expenses of a participating political subdivision that terminates 1024
its participation in the program if the political subdivision has 1025
accumulated funds in the reserves for incurred but not reported 1026
claims. The run-off payment, at minimum, shall be limited to an 1027
actuarially determined cap or sixty days, whichever is reached 1028

specific, separate agreement with a political subdivision to 1030
maintain enrollment for a specified period, not to exceed three 1031
years. 1032

(D) A political subdivision may procure group life insurance 1033
for its employees in conjunction with an individual or joint 1034
self-insurance program authorized by this section, provided that 1035

person's acquittal of the felony or conviction of a misdemeanor, 2965
or in the dismissal of the felony charge against that person, the 2966
executive director shall reinstate the certificate awarded to the 2967
person under this section. If the person files an appeal from that 2968

the highest court to which the appeal is taken or if the person 2970
does not file a timely appeal, the executive director shall revoke 2971
the certificate awarded to the person under this section. 2972

section and the certificate is revoked pursuant to division (E)(4) 2974

state's account, and provides the treasurer of state daily receipt 3173
information with respect to such payments. The contract shall not 3174
be entered into unless: 3175

(A) There is attached to the contract a certification by the 3176
auditor of state that the financial institution and the treasurer 3177
of state have given assurances satisfactory to the auditor of 3178
state that the records of the financial institution which relate 3179
to tax and fee payments covered by the contract, and only such 3180

auditor of state shall use those moneys in accordance with those 3195
sections. Interest earned on moneys in the fund shall be credited 3196
to the fund. 3197

Sec. 118.023. (A) Upon determining that one or more of the 3198
conditions described in section 118.022 of the Revised Code are 3199
present, the auditor of state shall issue a written declaration of 3200
the existence of a fiscal watch to the municipal corporation, 3201
county, or township and the county budget commission. The fiscal 3202
watch shall be in effect until the auditor of state determines 3203
that none of the conditions are any longer present and cancels the 3204
watch, or until the auditor of state determines that a state of 3205
fiscal emergency exists. The auditor of state, or a designee, 3206
shall provide such technical and support services to the municipal 3207
corporation, county, or township after a fiscal watch has been 3208
declared to exist as the auditor of state considers necessary. 3209

(B) Within ~~one hundred twenty~~ ninety days after the day a 3210
written declaration of the existence of a fiscal watch is issued 3211
under division (A) of this section, the mayor of the municipal 3212
corporation, the board of county commissioners of the county, or 3213

the board of township trustees of the township for which a fiscal 3214
watch was declared shall submit to the auditor of state a 3215
financial recovery plan that shall identify actions to be taken to 3216
eliminate all of the conditions described in section 118.022 of 3217
the Revised Code, and shall include a schedule detailing the 3218
approximate dates for beginning and completing the actions and a 3219
five-year forecast reflecting the effects of the actions. The 3220
financial recovery plan also shall evaluate the feasibility of 3221
entering into shared services agreements with other political 3222
subdivisions for the joint exercise of any power, performance of 3223
any function, or rendering of any service, if so authorized by 3224
statute. The financial recovery plan is subject to review and 3225
approval by the auditor of state. The auditor of state may extend 3226
the amount of time by which a financial recovery plan is required 3227
to be filed, for good cause shown. 3228

~~(C) If a feasible financial recovery plan for a municipal 3229
corporation, county, or township for which a fiscal watch was 3230
declared is not submitted within the time period prescribed by 3231
division (B) of this section, or within any extension of time 3232
thereof, the~~ The auditor of state shall declare that a fiscal 3233
emergency condition exists under section 118.04 of the Revised 3234
Code in the municipal corporation, county, or township if either 3235
of the following applies: 3236

(1) A feasible financial recovery plan for a municipal 3237
corporation, county, or township for which a fiscal watch was 3238
declared is not submitted within the time period prescribed by 3239
division (B) of this section, or within any extension of time 3240
thereof; or 3241

(2) The auditor of state finds that a municipal corporation, 3242
county, or township for which a fiscal watch has been declared has 3243
not made reasonable proposals or otherwise taken action to 3244
discontinue or correct the fiscal practices or budgetary 3245

conditions that prompted the declaration of fiscal watch, and the 3246
auditor determines a fiscal emergency declaration is necessary to 3247
prevent further decline. 3248

Sec. 118.04. (A) The existence of a fiscal emergency 3249
condition constitutes a fiscal emergency. The existence of fiscal 3250
emergency conditions shall be determined by the auditor of state. 3251
Such determination, for purposes of this chapter, may be made only 3252
upon the filing with the auditor of state of a written request for 3253
such a determination by the governor, by the county budget 3254
commission, by the mayor of the municipal corporation, or by the 3255
presiding officer of the legislative authority of the municipal 3256
corporation when authorized by a majority of the members of such 3257
legislative authority, by the board of county commissioners, or by 3258
the board of township trustees, or upon initiation by the auditor 3259
of state. The request may designate in general or specific terms, 3260
but without thereby limiting the determination thereto, the 3261
condition or conditions to be examined to determine whether they 3262
constitute fiscal emergency conditions. Promptly upon receipt of 3263
such written request, or upon initiation by the auditor of state, 3264
the auditor of state shall transmit copies of such request or a 3265
written notice of such initiation to the mayor and the presiding 3266
officer of the legislative authority of the municipal corporation 3267
or to the board of county commissioners or the board of township 3268
trustees by personal service or certified mail. Such 3269
determinations shall be set forth in written reports and 3270
supplemental reports, which shall be filed with the mayor, fiscal 3271
officer, and presiding officer of the legislative authority of the 3272
municipal corporation, or with the board of county commissioners 3273
or the board of township trustees, and with the treasurer of 3274
state, secretary of state, governor, director of budget and 3275
management, and county budget commission, within thirty days after 3276
the request. The auditor of state shall so file an initial report 3277

immediately upon determining the existence of any fiscal emergency 3278
condition. 3279

(B) In making such determination, the auditor of state may 3280
rely on reports or other information filed or otherwise made 3281
available by the municipal corporation, county, or township, 3282
accountants' reports, or other sources and data the auditor of 3283
state considers reliable for such purpose. As to the status of 3284
funds or accounts, a determination that the amounts stated in 3285
section 118.03 of the Revised Code are exceeded may be made 3286
without need for determination of the specific amount of the 3287
excess. The auditor of state may engage the services of 3288
independent certified or registered public accountants, including 3289
public accountants engaged or previously engaged by the municipal 3290
corporation, county, or township, to conduct audits or make 3291
reports or render such opinions as the auditor of state considers 3292
desirable with respect to any aspect of the determinations to be 3293
made by the auditor of state. 3294

(C) A determination by the auditor of state under this 3295
section that a fiscal emergency condition does not exist is final 3296
and conclusive and not appealable. A determination by the auditor 3297
of state under this section that a fiscal emergency exists is 3298
final, except that the mayor of any municipal corporation affected 3299
by a determination of the existence of a fiscal emergency 3300
condition under this section, when authorized by a majority of the 3301
members of the legislative authority, or the board of county 3302
commissioners or board of township trustees, may appeal the 3303
determination of the existence of a fiscal emergency condition to 3304
the court of appeals having territorial jurisdiction over the 3305
municipal corporation, county, or township. The appeal shall be 3306
heard expeditiously by the court of appeals and for good cause 3307
shown shall take precedence over all other civil matters except 3308
earlier matters of the same character. Notice of such appeal must 3309

be filed with the auditor of state and such court within thirty 3310
days after certification by the auditor of state to the mayor and 3311
presiding officer of the legislative authority of the municipal 3312
corporation or to the board of county commissioners or board of 3313
township trustees as provided for in division (A) of this section. 3314
In such appeal, determinations of the auditor of state shall be 3315
presumed to be valid and the municipal corporation, county, or 3316
township shall have the burden of proving, by clear and convincing 3317
evidence, that each of the determinations made by the auditor of 3318
state as to the existence of a fiscal emergency condition under 3319
section 118.03 of the Revised Code was in error. If the municipal 3320
corporation, county, or township fails, upon presentation of its 3321
case, to prove by clear and convincing evidence that each such 3322
determination by the auditor of state was in error, the court 3323
shall dismiss the appeal. The municipal corporation, county, or 3324
township and the auditor of state may introduce any evidence 3325
relevant to the existence or nonexistence of such fiscal emergency 3326
conditions at the times indicated in the applicable provisions of 3327
divisions (A) and (B) of section 118.03 of the Revised Code. The 3328
pendency of any such appeal shall not affect or impede the 3329
operations of this chapter; no restraining order, temporary 3330
injunction, or other similar restraint upon actions consistent 3331
with this chapter shall be imposed by the court or any court 3332
pending determination of such appeal; and all things may be done 3333
under this chapter that may be done regardless of the pendency of 3334
any such appeal. Any action taken or contract executed pursuant to 3335
this chapter during the pendency of such appeal is valid and 3336
enforceable among all parties, notwithstanding the decision in 3337
such appeal. If the court of appeals reverses the determination of 3338
the existence of a fiscal emergency condition by the auditor of 3339
state, the determination no longer has any effect, and any 3340
procedures undertaken as a result of the determination shall be 3341
terminated. 3342

(D) All expenses incurred by the auditor of state relating to 3343
a determination or termination of a fiscal emergency under this 3344
section, a fiscal watch under section 118.021 of the Revised Code, 3345
or a fiscal caution under section 118.025 of the Revised Code, 3346
including providing technical and support services, or for 3347
conducting a performance audit under section 118.041 of the 3348
Revised Code, shall be reimbursed from an appropriation for that 3349
purpose. If necessary, the controlling board may provide 3350
sufficient funds for these purposes. 3351

Sec. 118.041. The auditor of state, on the auditor of state's 3352
initiative, may conduct a performance audit of a municipal 3353
corporation, county, or township that is under a fiscal caution, a 3354
fiscal watch, or a fiscal emergency. 3355

Sec. 119.04. (A)(1) Any rule adopted by any agency shall be 3356
effective on the tenth day after the day on which the rule in 3357
final form and in compliance with division (A)(2) of this section 3358
is filed as follows: 3359

(a) The rule shall be filed in electronic form with both the 3360
secretary of state and the director of the legislative service 3361
commission; 3362

(b) The rule shall be filed in electronic form with the joint 3363
committee on agency rule review. Division (A)(1)(b) of this 3364
section does not apply to any rule to which division (C) of 3365
section 119.03 of the Revised Code does not apply. 3366

If an agency in adopting a rule designates an effective date 3367
that is later than the effective date provided for by this 3368
division, the rule if filed as required by this division shall 3369
become effective on the later date designated by the agency. 3370

An agency that adopts or amends a rule that is subject to 3371
section 106.03 of the Revised Code shall assign a review date to 3372

the rule that is not later than five years after its effective 3373
date. If a review date assigned to a rule exceeds the five-year 3374
maximum, the review date for the rule is five years after its 3375
effective date. A rule with a review date is subject to review 3376
under section 106.03 of the Revised Code. ~~This paragraph does not 3377
apply to the department of taxation.~~ 3378

(2) The agency shall file the rule in compliance with the 3379
following standards and procedures: 3380

(a) The rule shall be numbered in accordance with the 3381
numbering system devised by the director for the Ohio 3382
administrative code. 3383

(b) The rule shall be prepared and submitted in compliance 3384
with the rules of the legislative service commission. 3385

(c) The rule shall clearly state the date on which it is to 3386
be effective and the date on which it will expire, if known. 3387

(d) Each rule that amends or rescinds another rule shall 3388
clearly refer to the rule that is amended or rescinded. Each 3389
amendment shall fully restate the rule as amended. 3390

If the director of the legislative service commission or the 3391
director's designee gives an agency notice pursuant to section 3392
103.05 of the Revised Code that a rule filed by the agency is not 3393
in compliance with the rules of the commission, the agency shall 3394
within thirty days after receipt of the notice conform the rule to 3395
the rules of the commission as directed in the notice. 3396

(3) As used in this section, "rule" includes an amendment or 3397
rescission of a rule. 3398

(B) The secretary of state and the director shall preserve 3399
the rules filed under division (A)(1)(a) of this section in an 3400
accessible manner. Each such rule shall be a public record open to 3401
public inspection and may be transmitted to any law publishing 3402

company that wishes to reproduce it. 3403

Sec. 119.12. Any party adversely affected by any order of an 3404
agency issued pursuant to an adjudication denying an applicant 3405
admission to an examination, or denying the issuance or renewal of 3406
a license or registration of a licensee, or revoking or suspending 3407
a license, or allowing the payment of a forfeiture under section 3408
4301.252 of the Revised Code may appeal from the order of the 3409
agency to the court of common pleas of the county in which the 3410
place of business of the licensee is located or the county in 3411
which the licensee is a resident, except that appeals from 3412
decisions of the liquor control commission, the Ohio casino 3413
control commission, the state medical board, the state 3414
chiropractic board, and the board of nursing shall be to the court 3415
of common pleas of Franklin county. If any party appealing from 3416
the order is not a resident of and has no place of business in 3417
this state, the party may appeal to the court of common pleas of 3418
Franklin county. 3419

Any party adversely affected by any order of an agency issued 3420
pursuant to any other adjudication may appeal to the court of 3421
common pleas of Franklin county, except that appeals from orders 3422
of the fire marshal issued under Chapter 3737. of the Revised Code 3423
may be to the court of common pleas of the county in which the 3424
building of the aggrieved person is located and except that 3425
appeals under division (B) of section 124.34 of the Revised Code 3426
from a decision of the state personnel board of review or a 3427
municipal or civil service township civil service commission shall 3428
be taken to the court of common pleas of the county in which the 3429
appointing authority is located or, in the case of an appeal by 3430
the department of rehabilitation and correction, to the court of 3431
common pleas of Franklin county. 3432

This section does not apply to appeals from the department of 3433

taxation. 3434

Any party desiring to appeal shall file a notice of appeal 3435
with the agency setting forth the order appealed from and stating 3436
that the agency's order is not supported by reliable, probative, 3437
and substantial evidence and is not in accordance with law. The 3438
notice of appeal may, but need not, set forth the specific grounds 3439
of the party's appeal beyond the statement that the agency's order 3440
is not supported by reliable, probative, and substantial evidence 3441
and is not in accordance with law. The notice of appeal shall also 3442
be filed by the appellant with the court. In filing a notice of 3443
appeal with the agency or court, the notice that is filed may be 3444
either the original notice or a copy of the original notice. 3445
Unless otherwise provided by law relating to a particular agency, 3446
notices of appeal shall be filed within fifteen days after the 3447
mailing of the notice of the agency's order as provided in this 3448
section. For purposes of this paragraph, an order includes a 3449
determination appealed pursuant to division (C) of section 119.092 3450
of the Revised Code. The amendments made to this paragraph by Sub. 3451
H.B. 215 of the 128th general assembly are procedural, and this 3452
paragraph as amended by those amendments shall be applied 3453
retrospectively to all appeals pursuant to this paragraph filed 3454
before ~~the effective date of those amendments~~ September 13, 2010, 3455
but not earlier than May 7, 2009, which was the date the supreme 3456
court of Ohio released its opinion and judgment in *Medcorp, Inc.* 3457
v. Ohio Dep't. of Job and Family Servs. (2009), 121 Ohio St.3d 3458
622. 3459

The filing of a notice of appeal shall not automatically 3460
operate as a suspension of the order of an agency. If it appears 3461
to the court that an unusual hardship to the appellant will result 3462
from the execution of the agency's order pending determination of 3463
the appeal, the court may grant a suspension and fix its terms. If 3464
an appeal is taken from the judgment of the court and the court 3465

has previously granted a suspension of the agency's order as 3466
provided in this section, the suspension of the agency's order 3467
shall not be vacated and shall be given full force and effect 3468
until the matter is finally adjudicated. No renewal of a license 3469
or permit shall be denied by reason of the suspended order during 3470
the period of the appeal from the decision of the court of common 3471
pleas. In the case of an appeal from the Ohio casino control 3472
commission, the state medical board, or the state chiropractic 3473
board, the court may grant a suspension and fix its terms if it 3474
appears to the court that an unusual hardship to the appellant 3475
will result from the execution of the agency's order pending 3476
determination of the appeal and the health, safety, and welfare of 3477
the public will not be threatened by suspension of the order. This 3478
provision shall not be construed to limit the factors the court 3479
may consider in determining whether to suspend an order of any 3480
other agency pending determination of an appeal. 3481

The final order of adjudication may apply to any renewal of a 3482
license or permit which has been granted during the period of the 3483
appeal. 3484

Notwithstanding any other provision of this section, any 3485
order issued by a court of common pleas or a court of appeals 3486
suspending the effect of an order of the liquor control commission 3487
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 3488
suspends, revokes, or cancels a permit issued under Chapter 4303. 3489
of the Revised Code or that allows the payment of a forfeiture 3490
under section 4301.252 of the Revised Code shall terminate not 3491
more than six months after the date of the filing of the record of 3492
the liquor control commission with the clerk of the court of 3493
common pleas and shall not be extended. The court of common pleas, 3494
or the court of appeals on appeal, shall render a judgment in that 3495
matter within six months after the date of the filing of the 3496
record of the liquor control commission with the clerk of the 3497

court of common pleas. A court of appeals shall not issue an order 3498
suspending the effect of an order of the liquor control commission 3499
that extends beyond six months after the date on which the record 3500
of the liquor control commission is filed with a court of common 3501
pleas. 3502

Notwithstanding any other provision of this section, any 3503
order issued by a court of common pleas or a court of appeals 3504
suspending the effect of an order of the Ohio casino control 3505
commission issued under Chapter 3772. of the Revised Code that 3506
limits, conditions, restricts, suspends, revokes, denies, not 3507
renews, fines, or otherwise penalizes an applicant, licensee, or 3508
person excluded or ejected from a casino facility in accordance 3509
with section 3772.031 of the Revised Code shall terminate not more 3510
than six months after the date of the filing of the record of the 3511
Ohio casino control commission with the clerk of the court of 3512
common pleas and shall not be extended. The court of common pleas, 3513
or the court of appeals on appeal, shall render a judgment in that 3514
matter within six months after the date of the filing of the 3515
record of the Ohio casino control commission with the clerk of the 3516
court of common pleas. A court of appeals shall not issue an order 3517
suspending the effect of an order of the Ohio casino control 3518
commission that extends beyond six months after the date on which 3519
the record of the Ohio casino control commission is filed with the 3520
clerk of a court of common pleas. 3521

Notwithstanding any other provision of this section, any 3522
order issued by a court of common pleas suspending the effect of 3523
an order of the state medical board or state chiropractic board 3524
that limits, revokes, suspends, places on probation, or refuses to 3525
register or reinstate a certificate issued by the board or 3526
reprimands the holder of the certificate shall terminate not more 3527
than fifteen months after the date of the filing of a notice of 3528
appeal in the court of common pleas, or upon the rendering of a 3529

final decision or order in the appeal by the court of common 3530
pleas, whichever occurs first. 3531

Within thirty days after receipt of a notice of appeal from 3532
an order in any case in which a hearing is required by sections 3533
119.01 to 119.13 of the Revised Code, the agency shall prepare and 3534
certify to the court a complete record of the proceedings in the 3535
case. Failure of the agency to comply within the time allowed, 3536
upon motion, shall cause the court to enter a finding in favor of 3537
the party adversely affected. Additional time, however, may be 3538
granted by the court, not to exceed thirty days, when it is shown 3539
that the agency has made substantial effort to comply. The record 3540
shall be prepared and transcribed, and the expense of it shall be 3541
taxed as a part of the costs on the appeal. The appellant shall 3542
provide security for costs satisfactory to the court of common 3543
pleas. Upon demand by any interested party, the agency shall 3544
furnish at the cost of the party requesting it a copy of the 3545
stenographic report of testimony offered and evidence submitted at 3546
any hearing and a copy of the complete record. 3547

Notwithstanding any other provision of this section, any 3548
party desiring to appeal an order or decision of the state 3549
personnel board of review shall, at the time of filing a notice of 3550
appeal with the board, provide a security deposit in an amount and 3551
manner prescribed in rules that the board shall adopt in 3552
accordance with this chapter. In addition, the board is not 3553
required to prepare or transcribe the record of any of its 3554
proceedings unless the appellant has provided the deposit 3555
described above. The failure of the board to prepare or transcribe 3556
a record for an appellant who has not provided a security deposit 3557
shall not cause a court to enter a finding adverse to the board. 3558

Unless otherwise provided by law, in the hearing of the 3559
appeal, the court is confined to the record as certified to it by 3560
the agency. Unless otherwise provided by law, the court may grant 3561

a request for the admission of additional evidence when satisfied 3562
that the additional evidence is newly discovered and could not 3563
with reasonable diligence have been ascertained prior to the 3564
hearing before the agency. 3565

The court shall conduct a hearing on the appeal and shall 3566
give preference to all proceedings under sections 119.01 to 119.13 3567
of the Revised Code, over all other civil cases, irrespective of 3568
the position of the proceedings on the calendar of the court. An 3569
appeal from an order of the state medical board issued pursuant to 3570
division (G) of either section 4730.25 or 4731.22 of the Revised 3571
Code, ~~or~~ the state chiropractic board issued pursuant to section 3572
4734.37 of the Revised Code, ~~or~~ the liquor control commission 3573
issued pursuant to Chapter 4301. or 4303. of the Revised Code, or 3574
the Ohio casino control commission issued pursuant to Chapter 3575
3772. of the Revised Code shall be set down for hearing at the 3576
earliest possible time and takes precedence over all other 3577
actions. The hearing in the court of common pleas shall proceed as 3578
in the trial of a civil action, and the court shall determine the 3579
rights of the parties in accordance with the laws applicable to a 3580
civil action. At the hearing, counsel may be heard on oral 3581
argument, briefs may be submitted, and evidence may be introduced 3582
if the court has granted a request for the presentation of 3583
additional evidence. 3584

The court may affirm the order of the agency complained of in 3585
the appeal if it finds, upon consideration of the entire record 3586
and any additional evidence the court has admitted, that the order 3587
is supported by reliable, probative, and substantial evidence and 3588
is in accordance with law. In the absence of this finding, it may 3589
reverse, vacate, or modify the order or make such other ruling as 3590
is supported by reliable, probative, and substantial evidence and 3591
is in accordance with law. The court shall award compensation for 3592
fees in accordance with section 2335.39 of the Revised Code to a 3593

prevailing party, other than an agency, in an appeal filed 3594
pursuant to this section. 3595

The judgment of the court shall be final and conclusive 3596
unless reversed, vacated, or modified on appeal. These appeals may 3597
be taken either by the party or the agency, shall proceed as in 3598
the case of appeals in civil actions, and shall be pursuant to the 3599
Rules of Appellate Procedure and, to the extent not in conflict 3600
with those rules, Chapter 2505. of the Revised Code. An appeal by 3601
the agency shall be taken on questions of law relating to the 3602
constitutionality, construction, or interpretation of statutes and 3603
rules of the agency, and, in the appeal, the court may also review 3604
and determine the correctness of the judgment of the court of 3605
common pleas that the order of the agency is not supported by any 3606
reliable, probative, and substantial evidence in the entire 3607
record. 3608

The court shall certify its judgment to the agency or take 3609
any other action necessary to give its judgment effect. 3610

Sec. 120.33. (A) In lieu of using a county public defender or 3611
joint county public defender to represent indigent persons in the 3612
proceedings set forth in division (A) of section 120.16 of the 3613
Revised Code, the board of county commissioners of any county may 3614
adopt a resolution to pay counsel who are either personally 3615
selected by the indigent person or appointed by the court. The 3616
resolution shall include those provisions the board of county 3617
commissioners considers necessary to provide effective 3618
representation of indigent persons in any proceeding for which 3619
counsel is provided under this section. The resolution shall 3620
include provisions for contracts with any municipal corporation 3621
under which the municipal corporation shall reimburse the county 3622
for counsel appointed to represent indigent persons charged with 3623
violations of the ordinances of the municipal corporation. 3624

(1) In a county that adopts a resolution to pay counsel, an indigent person shall have the right to do either of the following:

(a) To select the person's own personal counsel to represent the person in any proceeding included within the provisions of the resolution;

(b) To request the court to appoint counsel to represent the person in such a proceeding.

(2) The court having jurisdiction over the proceeding in a county that adopts a resolution to pay counsel shall, after determining that the person is indigent and entitled to legal representation under this section, do either of the following:

(a) By signed journal entry recorded on its docket, enter the name of the lawyer selected by the indigent person as counsel of record;

(b) Appoint counsel for the indigent person if the person has requested the court to appoint counsel and, by signed journal entry recorded on its dockets, enter the name of the lawyer appointed for the indigent person as counsel of record.

(3) The board of county commissioners shall establish a schedule of fees by case or on an hourly basis to be paid to counsel for legal services provided pursuant to a resolution adopted under this section. Prior to establishing the schedule, the board of county commissioners shall request the bar association or associations of the county to submit a proposed schedule for cases other than capital cases. The schedule submitted shall be subject to the review, amendment, and approval of the board of county commissioners, except with respect to capital cases. With respect to capital cases, the schedule shall provide for fees by case or on an hourly basis to be paid to counsel in the amount or at the rate set by the supreme court

pursuant to division (D) of this section, and the board of county commissioners shall approve that amount or rate. 3656
3657

(4)(a) Counsel selected by the indigent person or appointed 3658
by the court at the request of an indigent person in a county that 3659
adopts a resolution to pay counsel, except for counsel appointed 3660
to represent a person charged with any violation of an ordinance 3661
of a municipal corporation that has not contracted with the county 3662
commissioners for the payment of appointed counsel, shall be paid 3663
by the county and shall receive the compensation and expenses the 3664
court approves. With respect to capital cases, the court shall 3665
approve compensation and expenses in accordance with the amount or 3666
at the rate set by the supreme court pursuant to division (D) of 3667
this section. Each request for payment shall be accompanied by a 3668
financial disclosure form and an affidavit of indigency that are 3669
completed by the indigent person on forms prescribed by the state 3670
public defender. Compensation and expenses shall not exceed the 3671
amounts fixed by the board of county commissioners in the schedule 3672
adopted pursuant to division (A)(3) of this section. No court 3673
shall approve compensation and expenses that exceed the amount 3674
fixed pursuant to division (A)(3) of this section. 3675

(b) The fees and expenses approved by the court shall not be 3676
taxed as part of the costs and shall be paid by the county. 3677
However, if the person represented has, or may reasonably be 3678
expected to have, the means to meet some part of the cost of the 3679
services rendered to the person, the person shall pay the county 3680
an amount that the person reasonably can be expected to pay. 3681
Pursuant to section 120.04 of the Revised Code, the county shall 3682
pay to the state public defender a percentage of the payment 3683
received from the person in an amount proportionate to the 3684
percentage of the costs of the person's case that were paid to the 3685
county by the state public defender pursuant to this section. The 3686
money paid to the state public defender shall be credited to the 3687

client payment fund created pursuant to division (B)(5) of section 3688
120.04 of the Revised Code. 3689

(c) The county auditor shall draw a warrant on the county 3690
treasurer for the payment of counsel in the amount fixed by the 3691
court, plus the expenses the court fixes and certifies to the 3692
auditor. The county auditor shall report periodically, but not 3693
less than annually, to the board of county commissioners and to 3694
the state public defender the amounts paid out pursuant to the 3695
approval of the court. The board of county commissioners, after 3696
review and approval of the auditor's report, or the county 3697
auditor, with permission from and notice to the board of county 3698
commissioners, may then certify it to the state public defender 3699
for reimbursement. The state public defender may pay a requested 3700
reimbursement only if the request for reimbursement is accompanied 3701
by a financial disclosure form and an affidavit of indigency 3702
completed by the indigent person on forms prescribed by the state 3703
public defender or if the court certifies by electronic signature 3704
as prescribed by the state public defender that a financial 3705
disclosure form and affidavit of indigency have been completed by 3706
the indigent person and are available for inspection. If a request 3707
for the reimbursement of the cost of counsel in any case is not 3708
received by the state public defender within ninety days after the 3709
end of the calendar month in which the case is finally disposed of 3710
by the court, unless the county has requested and the state public 3711
defender has granted an extension of the ninety-day limit, the 3712
state public defender shall not pay the requested reimbursement. 3713
The state public defender shall also review the report and, in 3714
accordance with the standards, guidelines, and maximums 3715
established pursuant to divisions (B)(7) and (8) of section 120.04 3716
of the Revised Code, prepare a voucher for fifty per cent of the 3717
total cost of each county appointed counsel system in the period 3718
of time covered by the certified report and a voucher for fifty 3719
per cent of the costs and expenses that are reimbursable under 3720

section 120.35 of the Revised Code, if any, or, if the amount of 3721
money appropriated by the general assembly to reimburse counties 3722
for the operation of county public defender offices, joint county 3723
public defender offices, and county appointed counsel systems is 3724
not sufficient to pay fifty per cent of the total cost of all of 3725
the offices and systems other than costs and expenses that are 3726
reimbursable under section 120.35 of the Revised Code, for the 3727
lesser amount required by section 120.34 of the Revised Code. 3728

(d) If the board of county commissioners establishes a 3729
schedule of fees on an hourly basis under division (A)(3) of this 3730
section that exceeds fifty dollars per hour, the county shall 3731
receive a supplemental amount that constitutes five per cent of 3732
the total reimbursement the county received from the state public 3733
defender for appointed counsel. 3734

(5) If any county appointed counsel system fails to maintain 3735
the standards for the conduct of the system established by the 3736
rules of the Ohio public defender commission pursuant to divisions 3737
(B) and (C) of section 120.03 or the standards established by the 3738
state public defender pursuant to division (B)(7) of section 3739
120.04 of the Revised Code, the Ohio public defender commission 3740
shall notify the board of county commissioners of the county that 3741
the county appointed counsel system has failed to comply with its 3742
rules or the standards of the state public defender. Unless the 3743
board of county commissioners corrects the conduct of its 3744
appointed counsel system to comply with the rules and standards 3745
within ninety days after the date of the notice, the state public 3746
defender may deny all or part of the county's reimbursement from 3747
the state provided for in division (A)(4) of this section. 3748

(B) In lieu of using a county public defender or joint county 3749
public defender to represent indigent persons in the proceedings 3750
set forth in division (A) of section 120.16 of the Revised Code, 3751
and in lieu of adopting the resolution and following the procedure 3752

described in division (A) of this section, the board of county 3753
commissioners of any county may contract with the state public 3754
defender for the state public defender's legal representation of 3755
indigent persons. A contract entered into pursuant to this 3756
division may provide for payment for the services provided on a 3757
per case, hourly, or fixed contract basis. 3758

(C) If a court appoints an attorney pursuant to this section 3759
to represent a petitioner in a postconviction relief proceeding 3760
under section 2953.21 of the Revised Code, the petitioner has 3761
received a sentence of death, and the proceeding relates to that 3762
sentence, the attorney who represents the petitioner in the 3763
proceeding pursuant to the appointment shall be certified under 3764
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 3765
represent indigent defendants charged with or convicted of an 3766
offense for which the death penalty can be or has been imposed. 3767

(D) The supreme court shall set an amount by case, or a rate 3768
on an hourly basis, to be paid under this section to counsel in a 3769
capital case. 3770

Sec. 121.03. The following administrative department heads 3771
shall be appointed by the governor, with the advice and consent of 3772
the senate, and shall hold their offices during the term of the 3773

the governor. 3775

discipline, promotion, demotion, or compensation of a public 3990
employee or official, or the investigation of charges or 3991

bargaining advantage to a person whose personal, private interest 4008
is adverse to the general public interest. No member of a public 4009

providing covert information to prospective buyers or sellers. A 4011
purchase or sale of public property is void if the seller or buyer 4012
of the public property has received covert information from a 4013
member of a public body that has not been disclosed to the general 4014

If the minutes of the public body show that all meetings and 4017
deliberations of the public body have been conducted in compliance 4018
with this section, any instrument executed by the public body 4019
purporting to convey, lease, or otherwise dispose of any right, 4020
title, or interest in any public property shall be conclusively 4021

presumed to have been executed in compliance with this section 4022
insofar as title or other interest of any bona fide purchasers, 4023
lessees, or transferees of the property is concerned. 4024

or regulations or state statutes; 4032

(6) Details relative to the security arrangements and 4033

Chapter 339. of the Revised Code, a joint township hospital 4039
operated pursuant to Chapter 513. of the Revised Code, or a 4040
municipal hospital operated pursuant to Chapter 749. of the 4041
Revised Code, to consider trade secrets, as defined in section 4042
1333.61 of the Revised Code; 4043

(8) To consider confidential information related to the 4044
marketing plans, specific business strategy, production 4045
techniques, trade secrets, or personal financial statements of an 4046
applicant for economic development assistance, or to negotiations 4047
with other political subdivisions respecting requests for economic 4048
development assistance, provided that both of the following 4049
conditions apply: 4050

~~(1)~~(a) The information is directly related to a request for 4051
economic development assistance that is to be provided or 4052

administered under any provision of Chapter 715., 725., 1724., or 4053
1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 4054
5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of 4055
the Revised Code, or that involves public infrastructure 4056
improvements or the extension of utility services that are 4057
directly related to an economic development project. 4058

~~(2)~~(b) A unanimous quorum of the public body determines, by a 4059
roll call vote, that the executive session is necessary to protect 4060
the interests of the applicant or the possible investment or 4061
expenditure of public funds to be made in connection with the 4062
economic development project. 4063

If a public body holds an executive session to consider any 4064
of the matters listed in divisions (G)(2) to (8) of this section, 4065
the motion and vote to hold that executive session shall state 4066
which one or more of the approved matters listed in those 4067
divisions are to be considered at the executive session. 4068

A public body specified in division (B)(1)(c) of this section 4069
shall not hold an executive session when meeting for the purposes 4070
specified in that division. 4071

(H) A resolution, rule, or formal action of any kind is 4072
invalid unless adopted in an open meeting of the public body. A 4073
resolution, rule, or formal action adopted in an open meeting that 4074
results from deliberations in a meeting not open to the public is 4075
invalid unless the deliberations were for a purpose specifically 4076
authorized in division (G) or (J) of this section and conducted at 4077
an executive session held in compliance with this section. A 4078
resolution, rule, or formal action adopted in an open meeting is 4079
invalid if the public body that adopted the resolution, rule, or 4080
formal action violated division (F) of this section. 4081

(I)(1) Any person may bring an action to enforce this 4082
section. An action under division (I)(1) of this section shall be 4083

brought within two years after the date of the alleged violation 4084
or threatened violation. Upon proof of a violation or threatened 4085
violation of this section in an action brought by any person, the 4086
court of common pleas shall issue an injunction to compel the 4087
members of the public body to comply with its provisions. 4088

(2)(a) If the court of common pleas issues an injunction 4089
pursuant to division (I)(1) of this section, the court shall order 4090
the public body that it enjoins to pay a civil forfeiture of five 4091
hundred dollars to the party that sought the injunction and shall 4092
award to that party all court costs and, subject to reduction as 4093
described in division (I)(2) of this section, reasonable 4094
attorney's fees. The court, in its discretion, may reduce an award 4095
of attorney's fees to the party that sought the injunction or not 4096
award attorney's fees to that party if the court determines both 4097
of the following: 4098

(i) That, based on the ordinary application of statutory law 4099
and case law as it existed at the time of violation or threatened 4100
violation that was the basis of the injunction, a well-informed 4101
public body reasonably would believe that the public body was not 4102
violating or threatening to violate this section; 4103

(ii) That a well-informed public body reasonably would 4104
believe that the conduct or threatened conduct that was the basis 4105
of the injunction would serve the public policy that underlies the 4106
authority that is asserted as permitting that conduct or 4107
threatened conduct. 4108

(b) If the court of common pleas does not issue an injunction 4109
pursuant to division (I)(1) of this section and the court 4110
determines at that time that the bringing of the action was 4111
frivolous conduct, as defined in division (A) of section 2323.51 4112
of the Revised Code, the court shall award to the public body all 4113
court costs and reasonable attorney's fees, as determined by the 4114
court. 4115

(3) Irreparable harm and prejudice to the party that sought 4116
the injunction shall be conclusively and irrebuttably presumed 4117
upon proof of a violation or threatened violation of this section. 4118

(4) A member of a public body who knowingly violates an 4119
injunction issued pursuant to division (I)(1) of this section may 4120
be removed from office by an action brought in the court of common 4121
pleas for that purpose by the prosecuting attorney or the attorney 4122
general. 4123

(J)(1) Pursuant to division (C) of section 5901.09 of the 4124
Revised Code, a veterans service commission shall hold an 4125
executive session for one or more of the following purposes unless 4126
an applicant requests a public hearing: 4127

financial assistance under sections 5901.01 to 5901.15 of the 4133

applicant for, recipient of, or former recipient of financial 4136
assistance under sections 5901.01 to 5901.15 of the Revised Code, 4137
and shall not exclude representatives selected by the applicant, 4138
recipient, or former recipient, from a meeting that the commission 4139
conducts as an executive session that pertains to the applicant's, 4140
recipient's, or former recipient's application for financial 4141
assistance. 4142

(3) A veterans service commission shall vote on the grant or 4143
denial of financial assistance under sections 5901.01 to 5901.15 4144
of the Revised Code only in an open meeting of the commission. The 4145
minutes of the meeting shall indicate the name, address, and 4146

occupation of the applicant, whether the assistance was granted or 4147
denied, the amount of the assistance if assistance is granted, and 4148
the votes for and against the granting of assistance. 4149

prescribed by division (C) of this section. The agreement shall 4165
specify one of the departments represented on the council as the 4166
department responsible for housing and supervising the office. The 4167
agreement shall include the recommendation of the council for 4168
funding the office. 4169

(C) The office established pursuant to the agreement entered 4170
into under this section shall review rules governing the 4171
certification and licensure of substitute care providers and 4172
determine which of the rules can be made substantively identical 4173
or more similar in order to minimize the number of differing 4174
certification and licensure standards and simplify the 4175
certification or licensure process for substitute care providers 4176

seeking certification or licensure from two or more of the 4177
departments represented on the council. The office shall provide 4178
county family and children first councils, substitute care 4179
providers, and persons interested in substitute care providers the 4180
opportunity to help the office with the review and determination. 4181
The office shall report its findings to the council. Each of the 4182
departments represented on the council that has adopted rules 4183
governing the certification or licensure of substitute care 4184

department considers appropriate, except that no rule shall be 4186
amended so as to make it inconsistent with substitute care 4187
provider certification or licensure procedures and standards 4188
established by federal or state law. A department shall give 4189
priority to amendments that will not increase the department's 4190
administrative costs. In amending a rule, a department shall 4191
comply with Chapter 119. or section 111.15 of the Revised Code, as 4192
required by the Revised Code section governing the adoption of the 4193
particular rule. 4194

section. The coordinator shall be in the classified service. In 4198
addition to overseeing the office, the coordinator shall perform 4199
any other duties the council assigns to the coordinator. The 4200

responsibility for the proper performance of the requirements of 4239
this section. 4240

(C) The commission or its designee shall do all of the 4241
following: 4242

this section, whichever occurs first, multiplied by the sum of one 4373
plus an annual pay increase factor to be determined by the tax 4374
credit authority. 4375

(3) "Ohio employee payroll" means the amount of compensation 4376
used to determine the withholding obligations in division (A) of 4377
section 5747.06 of the Revised Code and paid by the employer 4378
during the employer's taxable year, or during the calendar year 4379
that includes the employer's tax period, to each employee employed 4380

imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 4411
5747.02 or levied under Chapter 5751. of the Revised Code. The 4412

Revised Code, to the extent not fully utilized against such tax 4425

(C)(1) A taxpayer or potential taxpayer who proposes a project to create new jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section.

An application shall not propose to include both home-based employees and employees who are not home-based employees in the computation of ~~income tax revenue~~ Ohio employee payroll for the purposes of the same tax credit agreement. If a taxpayer or potential taxpayer employs both home-based employees and employees who are not home-based employees in a project, the taxpayer shall submit separate applications for separate tax credit agreements for the project, one of which shall include home-based employees in the computation of ~~income tax revenue~~ Ohio employee payroll and one of which shall include all other employees in the computation of ~~income tax revenue~~ Ohio employee payroll.

The director of development services shall prescribe the form of the application. After receipt of an application, the authority may enter into an agreement with the taxpayer for a credit under this section if it determines all of the following:

(a) The taxpayer's project will increase payroll ~~and income tax revenue~~;

(b) The taxpayer's project is economically sound and will benefit the people of this state by increasing opportunities for employment and strengthening the economy of this state;

(c) Receiving the tax credit is a major factor in the taxpayer's decision to go forward with the project.

(2)(a) A taxpayer that chooses to begin the project prior to 4459
receiving the determination of the authority may, upon submitting 4460
the taxpayer's application to the authority, request that the 4461
chief investment officer of the nonprofit corporation formed under 4462
section 187.01 of the Revised Code and the director review the 4463
taxpayer's application and recommend to the authority that the 4464
taxpayer's application be considered. As soon as possible after 4465
receiving such a request, the chief investment officer and the 4466
director shall review the taxpayer's application and, if they 4467
determine that the application warrants consideration by the 4468
authority, make that recommendation to the authority not later 4469
than six months after the application is received by the 4470
authority. 4471

(b) The authority shall consider any taxpayer's application 4472
for which it receives a recommendation under division (C)(2)(a) of 4473
this section. If the authority determines that the taxpayer does 4474
not meet all of the criteria set forth in division (C)(1) of this 4475
section, the authority and the development services agency shall 4476
proceed in accordance with rules adopted by the director pursuant 4477
to division (I) of this section. 4478

(D) An agreement under this section shall include all of the 4479
following: 4480

(1) A detailed description of the project that is the subject 4481
of the agreement; 4482

(2)(a) The term of the tax credit, which, except as provided 4483
in division (D)(2)(b) of this section, shall not exceed fifteen 4484
years, and the first taxable year, or first calendar year that 4485
includes a tax period, for which the credit may be claimed; 4486

(b) If the tax credit is computed on the basis of home-based 4487
employees, the term of the credit shall expire on or before the 4488
last day of the taxable or calendar year ending before the 4489

beginning of the seventh year after September 6, 2012, the 4490
effective date of H.B. 327 of the 129th general assembly. 4491

(3) A requirement that the taxpayer shall maintain operations 4492
at the project location for at least the greater of seven years or 4493
the term of the credit plus three years; 4494

(4) The percentage, as determined by the tax credit 4495
authority, of excess ~~income tax revenue~~ payroll that will be 4496
allowed as the amount of the credit for each taxable year or for 4497
each calendar year that includes a tax period; 4498

(5) The pay increase factor to be applied to the taxpayer's 4499
baseline ~~income tax revenue~~ payroll; 4500

(6) A requirement that the taxpayer annually shall report to 4501
the director of development services ~~employment, tax withholding~~ 4502
full-time equivalent employees, payroll, Ohio employee payroll, 4503
investment, the provision of health care benefits and tuition 4504
reimbursement if required in the agreement, and other information 4505
the director needs to perform the director's duties under this 4506
section; 4507

(7) A requirement that the director of development services 4508
annually review the information reported under division (D)(6) of 4509
this section and verify compliance with the agreement; if the 4510
taxpayer is in compliance, a requirement that the director issue a 4511
certificate to the taxpayer stating that the information has been 4512
verified and identifying the amount of the credit that may be 4513
claimed for the taxable or calendar year; 4514

(8) A provision providing that the taxpayer may not relocate 4515
a substantial number of employment positions from elsewhere in 4516
this state to the project location unless the director of 4517
development services determines that the legislative authority of 4518
the county, township, or municipal corporation from which the 4519
employment positions would be relocated has been notified by the 4520

taxpayer of the relocation. 4521

For purposes of this section, the movement of an employment 4522
position from one political subdivision to another political 4523
subdivision shall be considered a relocation of an employment 4524
position unless the employment position in the first political 4525
subdivision is replaced. 4526

(9) If the tax credit is computed on the basis of home-based 4527
employees, that the tax credit may not be claimed by the taxpayer 4528
until the taxable year or tax period in which the taxpayer employs 4529
at least two hundred employees more than the number of employees 4530
the taxpayer employed on June 30, 2011. 4531

(E) If a taxpayer fails to meet or comply with any condition 4532
or requirement set forth in a tax credit agreement, the tax credit 4533
authority may amend the agreement to reduce the percentage or term 4534
of the tax credit. The reduction of the percentage or term may 4535
take effect in the current taxable or calendar year. 4536

(F) Projects that consist solely of point-of-final-purchase 4537
retail facilities are not eligible for a tax credit under this 4538
section. If a project consists of both point-of-final-purchase 4539
retail facilities and nonretail facilities, only the portion of 4540
the project consisting of the nonretail facilities is eligible for 4541
a tax credit and only the excess ~~income tax revenue~~ payroll from 4542
the nonretail facilities shall be considered when computing the 4543
amount of the tax credit. If a warehouse facility is part of a 4544
point-of-final-purchase retail facility and supplies only that 4545
facility, the warehouse facility is not eligible for a tax credit. 4546
Catalog distribution centers are not considered 4547
point-of-final-purchase retail facilities for the purposes of this 4548
division, and are eligible for tax credits under this section. 4549

(G) Financial statements and other information submitted to 4550
the development services agency or the tax credit authority by an 4551

applicant or recipient of a tax credit under this section, and any 4552
information taken for any purpose from such statements or 4553
information, are not public records subject to section 149.43 of 4554
the Revised Code. However, the chairperson of the authority may 4555
make use of the statements and other information for purposes of 4556
issuing public reports or in connection with court proceedings 4557
concerning tax credit agreements under this section. Upon the 4558
request of the tax commissioner or, if the applicant or recipient 4559
is an insurance company, upon the request of the superintendent of 4560
insurance, the chairperson of the authority shall provide to the 4561
commissioner or superintendent any statement or information 4562
submitted by an applicant or recipient of a tax credit in 4563
connection with the credit. The commissioner or superintendent 4564
shall preserve the confidentiality of the statement or 4565
information. 4566

(H) A taxpayer claiming a credit under this section shall 4567
submit to the tax commissioner or, if the taxpayer is an insurance 4568
company, to the superintendent of insurance, a copy of the 4569
director of development services' certificate of verification 4570
under division (D)(7) of this section with the taxpayer's tax 4571
report or return for the taxable year or for the calendar year 4572
that includes the tax period. Failure to submit a copy of the 4573
certificate with the report or return does not invalidate a claim 4574
for a credit if the taxpayer submits a copy of the certificate to 4575
the commissioner or superintendent within ~~sixty~~ thirty days after 4576
the commissioner or superintendent requests it. 4577

(I) The director of development services, after consultation 4578
with the tax commissioner and the superintendent of insurance and 4579
in accordance with Chapter 119. of the Revised Code, shall adopt 4580
rules necessary to implement this section, including rules that 4581
establish a procedure to be followed by the tax credit authority 4582
and the development services agency in the event the authority 4583

considers a taxpayer's application for which it receives a 4584
recommendation under division (C)(2)(a) of this section but does 4585
not approve it. The rules may provide for recipients of tax 4586
credits under this section to be charged fees to cover 4587
administrative costs of the tax credit program. The fees collected 4588
shall be credited to the business assistance fund created in 4589
section 122.174 of the Revised Code. At the time the director 4590
gives public notice under division (A) of section 119.03 of the 4591
Revised Code of the adoption of the rules, the director shall 4592
submit copies of the proposed rules to the chairpersons of the 4593
standing committees on economic development in the senate and the 4594
house of representatives. 4595

(J) For the purposes of this section, a taxpayer may include 4596
a partnership, a corporation that has made an election under 4597
subchapter S of chapter one of subtitle A of the Internal Revenue 4598
Code, or any other business entity through which income flows as a 4599
distributive share to its owners. A partnership, S-corporation, or 4600
other such business entity may elect to pass the credit received 4601
under this section through to the persons to whom the income or 4602
profit of the partnership, S-corporation, or other entity is 4603
distributed. The election shall be made on the annual report 4604
required under division (D)(6) of this section. The election 4605
applies to and is irrevocable for the credit for which the report 4606
is submitted. If the election is made, the credit shall be 4607
apportioned among those persons in the same proportions as those 4608
in which the income or profit is distributed. 4609

(K)(1) If the director of development services determines 4610
that a taxpayer who has received a credit under this section is 4611
not complying with the ~~requirement under division (D)(3) of this~~ 4612
~~section~~ requirements of the agreement, the director shall notify 4613
the tax credit authority of the noncompliance. After receiving 4614
such a notice, and after giving the taxpayer an opportunity to 4615

explain the noncompliance, the tax credit authority may require 4616
the taxpayer to refund to this state a portion of the credit in 4617
accordance with the following: 4618

+1)(a) If the taxpayer fails to comply with the requirement 4619
under division (D)(3) of this section, an amount determined in 4620
accordance with the following: 4621

(i) If the taxpayer maintained operations at the project 4622
location for a period less than or equal to the term of the 4623
credit, an amount not exceeding one hundred per cent of the sum of 4624
any credits allowed and received under this section; 4625

+2)(ii) If the taxpayer maintained operations at the project 4626
location for a period longer than the term of the credit, but less 4627
than the greater of seven years or the term of the credit plus 4628
three years, an amount not exceeding seventy-five per cent of the 4629
sum of any credits allowed and received under this section. 4630

(b) If, on the metric evaluation date, the taxpayer fails to 4631
substantially meet the job creation, payroll, or investment 4632
requirements included in the agreement, an amount determined at 4633
the discretion of the authority; 4634

(c) If the taxpayer fails to substantially maintain the 4635
number of new full-time equivalent employees or amount of payroll 4636
required under the agreement at any time during the term of the 4637
agreement after the metric evaluation date, an amount determined 4638
at the discretion of the authority. 4639

(2) If a taxpayer files for bankruptcy and fails as described 4640
in division (K)(1)(a), (b), or (c) of this section, the director 4641
may immediately commence an action to recoup an amount not 4642
exceeding one hundred per cent of the sum of any credits received 4643
by the taxpayer under this section. 4644

(3) In determining the portion of the tax credit to be 4645
refunded to this state, the tax credit authority shall consider 4646

the effect of market conditions on the taxpayer's project and 4647
whether the taxpayer continues to maintain other operations in 4648
this state. After making the determination, the authority shall 4649
certify the amount to be refunded to the tax commissioner or 4650
superintendent of insurance, as appropriate. If the amount is 4651
certified to the commissioner, the commissioner shall make an 4652
assessment for that amount against the taxpayer under Chapter 4653
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 4654
amount is certified to the superintendent, the superintendent 4655
shall make an assessment for that amount against the taxpayer 4656
under Chapter 5725. or 5729. of the Revised Code. The time 4657
limitations on assessments under those chapters do not apply to an 4658
assessment under this division, but the commissioner or 4659
superintendent, as appropriate, shall make the assessment within 4660
one year after the date the authority certifies to the 4661
commissioner or superintendent the amount to be refunded. 4662

(L) On or before the first day of August each year, the 4663
director of development services shall submit a report to the 4664
governor, the president of the senate, and the speaker of the 4665
house of representatives on the tax credit program under this 4666
section. The report shall include information on the number of 4667
agreements that were entered into under this section during the 4668
preceding calendar year, a description of the project that is the 4669
subject of each such agreement, and an update on the status of 4670
projects under agreements entered into before the preceding 4671
calendar year. 4672

(M) There is hereby created the tax credit authority, which 4673
consists of the director of development services and four other 4674
members appointed as follows: the governor, the president of the 4675
senate, and the speaker of the house of representatives each shall 4676
appoint one member who shall be a specialist in economic 4677
development; the governor also shall appoint a member who is a 4678

specialist in taxation. ~~Of the initial appointees, the members~~ 4679
~~appointed by the governor shall serve a term of two years; the~~ 4680
~~members appointed by the president of the senate and the speaker~~ 4681
~~of the house of representatives shall serve a term of four years.~~ 4682
~~Thereafter, terms~~ Terms of office shall be for four years. ~~Initial~~ 4683
~~appointments to the authority shall be made within thirty days~~ 4684
~~after January 13, 1993.~~ Each member shall serve on the authority 4685
until the end of the term for which the member was appointed. 4686
Vacancies shall be filled in the same manner provided for original 4687
appointments. Any member appointed to fill a vacancy occurring 4688
prior to the expiration of the term for which the member's 4689
predecessor was appointed shall hold office for the remainder of 4690
that term. Members may be reappointed to the authority. Members of 4691
the authority shall receive their necessary and actual expenses 4692
while engaged in the business of the authority. The director of 4693
development services shall serve as chairperson of the authority, 4694
and the members annually shall elect a vice-chairperson from among 4695
themselves. Three members of the authority constitute a quorum to 4696

After making the determination, the authority shall certify the amount to be refunded to the tax commissioner or the superintendent of insurance. If the taxpayer, or any related member or members who claimed the tax credit under division (N) of this section, is not an insurance company, the commissioner shall make an assessment for that amount against the taxpayer under Chapter 5726., 5733., 5736., 5747., or 5751. of the Revised Code. with the tax commissioner and the superintendent of insurance and 5149
in accordance with Chapter 119. of the Revised Code, shall adopt 5150
rules necessary to implement this section. The rules may provide 5151
for recipients of tax credits under this section to be charged 5152
fees to cover administrative costs of the tax credit program. The 5153
fees collected shall be credited to the business assistance fund 5154
created in section 122.174 of the Revised Code. At the time the 5155
director gives public notice under division (A) of section 119.03 5156

agreements that were entered into under this section during the 5166
preceding calendar year, a description of the project that is the 5167
subject of each such agreement, and an update on the status of 5168
projects under agreements entered into before the preceding 5169
calendar year. 5170

(M)~~(1)~~ The aggregate amount of nonrefundable tax credits 5171
issued under ~~division (B)(1)~~ of this section during any calendar 5172
year for capital investment projects reviewed and approved by the 5173
tax credit authority may not exceed the following amounts: 5174

~~(a)~~(1) For 2010, thirteen million dollars; 5175

~~(b)~~(2) For 2011 through 2023, the amount of the limit for the 5176
preceding calendar year plus thirteen million dollars; 5177

~~(c)~~(3) For 2024 and each year thereafter, one hundred 5178

~~(2) The aggregate amount of tax credits authorized under 5180

by taxpayers in any calendar year for capital improvement projects 5182
reviewed and approved by the tax credit authority in 2011, 2012, 5183
and 2013 combined shall not exceed twenty five million dollars. An 5184
amount equal to the aggregate amount of credits first authorized 5185

ensuing period up to fifteen years, subject to the terms of 5187
individual tax credit agreements. 5188~~

The limitations in division (M) of this section do not apply 5189
to credits for capital investment projects approved by the tax 5190
credit authority before July 1, 2009. 5191

(N) This division applies only to an eligible business that 5192
is part of an affiliated group that includes a diversified savings 5193
and loan holding company or a grandfathered unitary savings and 5194

5726.01 of the Revised Code. Notwithstanding any contrary 5196
provision of the agreement between such an eligible business and 5197
the tax credit authority, any credit granted under this section 5198
against the tax imposed by section 5725.18, 5729.03, 5733.06, 5199
5747.02, or 5751.02 of the Revised Code to the eligible business, 5200
at the election of the eligible business and without any action by 5201
the tax credit authority, may be shared with any member or members 5202
of the affiliated group that includes the eligible business, which 5203
member or members may claim the credit against the taxes imposed 5204
by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02 5205
of the Revised Code. Credits shall be claimed by the eligible 5206
business in sequential order, as applicable, first claiming the 5207
credits to the fullest extent possible against the tax that the 5208
certificate holder is subject to, then against the tax imposed by, 5209
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 5210
lastly 5726.02 of the Revised Code. The credits may be allocated 5211

among the members of the affiliated group in such manner as the 5212
eligible business elects, but subject to the sequential order 5213
required under this division. This division applies to credits 5214
granted before, on, or after March 27, 2013, the effective date of 5215
H.B. 510 of the 129th general assembly. Credits granted before 5216
that effective date that are shared and allocated under this 5217
division may be claimed in those calendar years in which the 5218
remaining taxable years specified in the agreement end. 5219

As used in this division, "affiliated group" means a group of 5220
two or more persons with fifty per cent or greater of the value of 5221
each person's ownership interests owned or controlled directly, 5222
indirectly, or constructively through related interests by common 5223
owners during all or any portion of the taxable year, and the 5224
common owners. "Affiliated group" includes, but is not limited to, 5225
any person eligible to be included in a consolidated elected 5226
taxpayer group under section 5751.011 of the Revised Code or a 5227
combined taxpayer group under section 5751.012 of the Revised 5228
Code. 5229

(O)(1) As used in division (O) of this section: 5230

division (S) of section 122.17 of the Revised Code. 5237

(2) In calendar year 2016 and thereafter, the tax credit 5238
authority shall annually determine a withholding adjustment factor 5239
to be used in the computation of income tax revenue for eligible 5240
agreements. The withholding adjustment factor shall be a numerical 5241
percentage that equals the percentage that employer income tax 5242

withholding rates have been increased or decreased as a result of 5243
changes in the income tax rates prescribed by section 5747.02 of 5244
the Revised Code by amendment of that section taking effect on or 5245
after June 29, 2013. 5246

(3) Except as provided in division (O)(4) of this section, 5247
for reporting periods ending in 2015 and thereafter for taxpayers 5248
subject to eligible agreements, the tax credit authority shall 5249
adjust the income tax revenue reported on the taxpayer's annual 5250
report by multiplying the withholding adjustment factor by the 5251
taxpayer's income tax revenue and doing one of the following: 5252

(a) If the income tax rates prescribed by section 5747.02 of 5253
the Revised Code have decreased by amendment of this section 5254
taking effect on or after June 29, 2013, add the product to the 5255
taxpayer's income tax revenue. 5256

(b) If the income tax rates prescribed by section 5747.02 of 5257
the Revised Code have increased by amendment of this section 5258
taking effect on or after June 29, 2013, subtract the product from 5259
the taxpayer's income tax revenue. 5260

(4) Division (O)(3) of this section shall not apply unless 5261
all of the following apply with respect to the eligible agreement: 5262

(a) The taxpayer has achieved one hundred per cent of the job 5263
retention commitment identified in the agreement. 5264

(b) If applicable, the taxpayer has achieved one hundred per 5265
cent of the payroll retention commitment identified in the 5266
agreement. 5267

(c) If applicable, the taxpayer has achieved one hundred per 5268
cent of the investment commitment identified in the agreement. 5269

(5) Failure by a taxpayer to have achieved any of the 5270
applicable commitments described in divisions (O)(4)(a) to (c) of 5271
this section in a reporting period does not disqualify the 5272

taxpayer for the adjustment under division (O) of this section for 5273
an ensuing reporting period. 5274

Sec. 122.174. There is hereby created in the state treasury 5275

five hundred thousand dollars to employees employed at the project 5336
site for each year of the agreement beginning on or after the 5337

(6) "Person" has the same meaning as in section 5701.01 of 5340
the Revised Code. 5341

(7) "Project site," "related member," and "tax credit 5342

under Chapters 5739. and 5741. of the Revised Code. 5346

(B) The tax credit authority may completely or partially 5347
exempt from the taxes levied under Chapters 5739. and 5741. of the 5348
Revised Code the sale, storage, use, or other consumption of 5349
computer data center equipment used or to be used at an eligible 5350
computer data center. Any such exemption shall extend to charges 5351
for the delivery, installation, or repair of the computer data 5352
center equipment subject to the exemption under this section. 5353

(C) A taxpayer that proposes a capital improvement project 5354
for an eligible computer data center in this state may apply to 5355
the tax credit authority to enter into an agreement under this 5356
section authorizing a complete or partial exemption from the taxes 5357
imposed under Chapters 5739. and 5741. of the Revised Code on 5358
computer data center equipment purchased by the applicant or any 5359
other taxpayer that operates a computer data center business at 5360
the project site and used or to be used at the eligible computer 5361
data center. The director of development services shall prescribe 5362
the form of the application. After receipt of an application, the 5363

authority shall forward copies of the application to the director 5364
of budget and management, ~~and the tax commissioner, and the~~ 5365
~~director of development services~~, each of whom shall review the 5366
application to determine the economic impact that the proposed 5367

shall also forward a copy of the application to the director of 5371
development services who shall review the application to determine 5372
the economic impact that the proposed eligible computer data 5373
center would have on the state and the affected political 5374
subdivisions and shall submit a summary of their determinations 5375
and recommendations to the authority. 5376

(D) Upon review and consideration of such determinations and 5377
recommendations, the tax credit authority may enter into an 5378
agreement with the applicant and any other taxpayer that operates 5379
a computer data center business at the project site for a complete 5380
or partial exemption from the taxes imposed under Chapters 5739. 5381
and 5741. of the Revised Code on computer data center equipment 5382
used or to be used at an eligible computer data center if the 5383
authority determines all of the following: 5384

(1) The capital investment project for the eligible computer 5385
data center will increase payroll and the amount of income taxes 5386
to be withheld from employee compensation pursuant to section 5387
5747.06 of the Revised Code. 5388

investment project. 5391

(3) The applicant intends to and has the ability to maintain 5392
operations at the project site for the term of the agreement. 5393

(4) Receiving the exemption is a major factor in the 5394

applicant's decision to begin, continue with, or complete the 5395
capital investment project. 5396

(E) An agreement entered into under this section shall 5397
include all of the following: 5398

(1) A detailed description of the capital investment project 5399
that is the subject of the agreement, including the amount of the 5400
investment, the period over which the investment has been or is 5401
being made, the annual compensation to be paid by each taxpayer 5402
subject to the agreement to its employees at the project site, and 5403
the anticipated amount of income taxes to be withheld from 5404
employee compensation pursuant to section 5747.06 of the Revised 5405
Code. 5406

(2) The percentage of the exemption from the taxes imposed 5407
under Chapters 5739. and 5741. of the Revised Code for the 5408
computer data center equipment used or to be used at the eligible 5409
computer data center, the length of time the computer data center 5410
equipment will be exempted, and the first date on which the 5411
exemption applies. 5412

(3) A requirement that the computer data center remain an 5413
eligible computer data center during the term of the agreement and 5414
that the applicant maintain operations at the eligible computer 5415
data center during that term. An applicant does not violate the 5416
requirement described in division (E)(3) of this section if the 5417
applicant ceases operations at the eligible computer data center 5418
during the term of the agreement but resumes those operations 5419
within eighteen months after the date of cessation. The agreement 5420
shall provide that, in such a case, the applicant and any other 5421
taxpayer that operates a computer data center business at the 5422
project site shall not claim the tax exemption authorized in the 5423
agreement for any purchase of computer data center equipment made 5424
during the period in which the applicant did not maintain 5425
operations at the eligible computer data center. 5426

(4) A requirement that, for each year of the term of the agreement beginning on or after the first day of the twenty-fifth month after the date the agreement was entered into, one or more taxpayers operating a computer data center business at the project site will, in the aggregate, pay annual compensation that is subject to the withholding obligation imposed under section 5747.06 of the Revised Code of at least one million five hundred thousand dollars to employees at the eligible computer data center.

(5) A requirement that each taxpayer subject to the agreement annually report to the director of development services employment, tax withholding, capital investment, and other information required by the director to perform the director's duties under this section.

(6) A requirement that the director of development services annually review the annual reports of each taxpayer subject to the agreement to verify the information reported under division (E)(5) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to each such taxpayer stating that the information has been verified and that the taxpayer remains eligible for the exemption specified in the agreement.

(7) A provision providing that the taxpayers subject to the agreement may not relocate a substantial number of employment positions from elsewhere in this state to the project site unless the director of development services determines that the appropriate taxpayer notified the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated. For purposes of this paragraph, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position unless the

movement is confined to the project site. The transfer of an 5459
employment position from one political subdivision to another 5460
political subdivision shall not be considered a relocation of an 5461
employment position if the employment position in the first 5462
political subdivision is replaced by another employment position. 5463

(8) A waiver by each taxpayer subject to the agreement of any 5464
limitations periods relating to assessments or adjustments 5465
resulting from the taxpayer's failure to comply with the 5466
agreement. 5467

(F) The term of an agreement under this section shall be 5468
determined by the tax credit authority, and the amount of the 5469
exemption shall not exceed one hundred per cent of such taxes that 5470
would otherwise be owed in respect to the exempted computer data 5471
center equipment. 5472

(G) If any taxpayer subject to an agreement under this 5473
section fails to meet or comply with any condition or requirement 5474
set forth in the agreement, the tax credit authority may amend the 5475
agreement to reduce the percentage of the exemption or term during 5476
which the exemption applies to the computer data center equipment 5477
used or to be used by the noncompliant taxpayer at an eligible 5478
computer data center. The reduction of the percentage or term may 5479
take effect in the current calendar year. 5480

(H) Financial statements and other information submitted to 5481
the department of development services or the tax credit authority 5482
by an applicant for or recipient of an exemption under this 5483
section, and any information taken for any purpose from such 5484
statements or information, are not public records subject to 5485
section 149.43 of the Revised Code. However, the chairperson of 5486
the authority may make use of the statements and other information 5487
for purposes of issuing public reports or in connection with court 5488
proceedings concerning tax exemption agreements under this 5489
section. Upon the request of the tax commissioner, the chairperson 5490

of the authority shall provide to the tax commissioner any 5491
statement or other information submitted by an applicant for or 5492
recipient of an exemption under this section. The tax commissioner 5493
shall preserve the confidentiality of the statement or other 5494
information. 5495

(I) The tax commissioner shall issue a direct payment permit 5496
under section 5739.031 of the Revised Code to each taxpayer 5497
subject to an agreement under this section. Such direct payment 5498
permit shall authorize the taxpayer to pay any sales and use taxes 5499
due on purchases of computer data center equipment used or to be 5500
used in an eligible computer data center and to pay any sales and 5501
use taxes due on purchases of tangible personal property or 5502
taxable services other than computer data center equipment used or 5503
to be used in an eligible computer data center directly to the tax 5504
commissioner. Each such taxpayer shall pay pursuant to such direct 5505
payment permit all sales tax levied on such purchases under 5506
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 5507
Code and all use tax levied on such purchases under sections 5508
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 5509
consistent with the terms of the agreement entered into under this 5510
section. 5511

During the term of an agreement under this section each 5512
taxpayer subject to the agreement shall submit to the tax 5513
commissioner a return that shows the amount of computer data 5514
center equipment purchased for use at the eligible computer data 5515
center, the amount of tangible personal property and taxable 5516
services other than computer data center equipment purchased for 5517
use at the eligible computer data center, the amount of tax under 5518
Chapter 5739. or 5741. of the Revised Code that would be due in 5519
the absence of the agreement under this section, the exemption 5520
percentage for computer data center equipment specified in the 5521
agreement, and the amount of tax due under Chapter 5739. or 5741. 5522

of the Revised Code as a result of the agreement under this 5523
section. Each such taxpayer shall pay the tax shown on the return 5524
to be due in the manner and at the times as may be further 5525
prescribed by the tax commissioner. Each such taxpayer shall 5526
include a copy of the director of development services' 5527
certificate of verification issued under division (E)(6) of this 5528
section. Failure to submit a copy of the certificate with the 5529
return does not invalidate the claim for exemption if the taxpayer 5530
submits a copy of the certificate to the tax commissioner within 5531
sixty days after the tax commissioner requests it. 5532

(J) If the director of development services determines that 5533
one or more taxpayers received an exemption from taxes due on the 5534
purchase of computer data center equipment purchased for use at a 5535
computer data center that no longer complies with the requirement 5536
under division (E)(3) of this section, the director shall notify 5537
the tax credit authority and, if applicable, the taxpayer that 5538
applied to enter the agreement for the exemption under division 5539
(C) of this section of the noncompliance. After receiving such a 5540
notice, and after giving each taxpayer subject to the agreement an 5541
opportunity to explain the noncompliance, the authority may 5542
terminate the agreement and require each such taxpayer to pay to 5543
the state all or a portion of the taxes that would have been owed 5544
in regards to the exempt equipment in previous years, all as 5545
determined under rules adopted pursuant to division (K) of this 5546
section. In determining the portion of the taxes that would have 5547
been owed on the previously exempted equipment to be paid to this 5548
state by a taxpayer, the authority shall consider the effect of 5549
market conditions on the eligible computer data center, whether 5550
the taxpayer continues to maintain other operations in this state, 5551
and, with respect to agreements involving multiple taxpayers, the 5552
taxpayer's level of responsibility for the noncompliance. After 5553
making the determination, the authority shall certify to the tax 5554
commissioner the amount to be paid by each taxpayer subject to the 5555

agreement. The tax commissioner shall make an assessment for that 5556
amount against each such taxpayer under Chapter 5739. or 5741. of 5557
the Revised Code. The time limitations on assessments under those 5558
chapters do not apply to an assessment under this division, but 5559
the tax commissioner shall make the assessment within one year 5560
after the date the authority certifies to the tax commissioner the 5561
amount to be paid by the taxpayer. 5562

(K) The director of development services, after consultation 5563

Code. 6434

(E) State funds shall not be used to pay or reimburse more 6435
than fifteen per cent of the initial estimated construction cost 6436
of an Ohio sports facility, excluding any site acquisition cost, 6437
and no state funds, including any state bond proceeds, shall be 6438
spent on any Ohio sports facility under this chapter unless, with 6439

respect to that facility, all of the following apply: 6440

(1) The Ohio facilities construction commission has received 6441
a financial and development plan satisfactory to it, and provision 6442
has been made, by agreement or otherwise, satisfactory to the 6443
commission, for a contribution amounting to not less than 6444
eighty-five per cent of the total estimated construction cost of 6445
the facility, excluding any site acquisition cost, from sources 6446
other than the state. 6447

(2) The general assembly has specifically authorized the 6448
spending of money on, or made an appropriation for, the 6449
construction of the facility, or for rental payments relating to 6450
state financing of all or a portion of the costs of constructing 6451
the facility. Authorization to spend money, or an appropriation, 6452
for planning or determining the feasibility of or need for the 6453
facility does not constitute authorization to spend money on, or 6454
an appropriation for, costs of constructing the facility. 6455

(3) If state bond proceeds are being used for the Ohio sports 6456
facility, the state or a governmental agency owns or has 6457
sufficient property interests in the facility or in the site of 6458
the facility or in the portion or portions of the facility 6459
financed from proceeds of state bonds, which may include, but is 6460
not limited to, the right to use or to require the use of the 6461
facility for the presentation of sport and athletic events to the 6462
public at the facility. 6463

~~(E)~~(F) In addition to the requirements of division ~~(D)~~(E) of 6464
this section, no state funds, including any state bond proceeds, 6465
shall be spent on any Ohio sports facility that is a motorsports 6466
complex, unless, with respect to that facility, both of the 6467
following apply: 6468

(1) Motorsports events shall be presented at the facility 6469
pursuant to a lease entered into with the owner of the facility. 6470

The term of the lease shall be for a period of not less than the 6471
greater of the useful life of the portion of the facility financed 6472
from proceeds of state bonds as determined using the guidelines 6473
for maximum maturities as provided under divisions (B) and (C) of 6474
section 133.20 of the Revised Code, or the period of time 6475
remaining to the date of payment or provision for payment of 6476
outstanding state bonds allocable to costs of the facility, all as 6477
determined by the director of budget and management and certified 6478
by the executive director of the Ohio facilities construction 6479
commission and to the treasurer of state. 6480

(2) Any motorsports organization that commits to using the 6481
facility for an established period of time shall give the 6482
political subdivision in which the facility is located not less 6483
than six months' advance notice if the organization intends to 6484
cease utilizing the facility prior to the expiration of that 6485
established period. Such a motorsports organization shall be 6486
liable to the state for any state funds used on the construction 6487
costs of the facility. 6488

~~(F)~~(G) In addition to the requirements of division ~~(D)~~(E) of 6489
this section, no state bond proceeds shall be spent on any Ohio 6490
sports facility that is a tennis facility, unless the owner or 6491
manager of the facility provides contractual commitments from a 6492
national or international professional tennis organization in a 6493
form acceptable to the Ohio facilities construction commission 6494
that assures that one or more sanctioned professional tennis 6495
events will be presented at the facility during each year that the 6496
bonds remain outstanding. 6497

Sec. 124.14. (A)(1) The director of administrative services 6498
shall establish, and may modify or rescind, ~~by rule,~~ a job 6499
classification plan for all positions, offices, and employments in 6500
the service of the state. The director shall group jobs within a 6501

classification so that the positions are similar enough in duties 6502
and responsibilities to be described by the same title, to have 6503
the same pay assigned with equity, and to have the same 6504
qualifications for selection applied. The director shall, ~~by rule,~~ 6505
assign a classification title to each classification within the 6506
classification plan. However, the director shall consider in 6507
establishing classifications, including classifications with 6508
parenthetical titles, and assigning pay ranges such factors as 6509
duties performed only on one shift, special skills in short supply 6510
in the labor market, recruitment problems, separation rates, 6511
comparative salary rates, the amount of training required, and 6512
other conditions affecting employment. The director shall describe 6513
the duties and responsibilities of the class, establish the 6514
qualifications for being employed in each position in the class, 6515
and file with the secretary of state a copy of specifications for 6516
all of the classifications. The director shall file new, 6517
additional, or revised specifications with the secretary of state 6518
before they are used. 6519

The director shall, ~~by rule,~~ assign each classification, 6520
either on a statewide basis or in particular counties or state 6521
institutions, to a pay range established under section 124.15 or 6522
section 124.152 of the Revised Code. The director may assign a 6523
classification to a pay range on a temporary basis for a period of 6524
six months. The director may establish, ~~by rule adopted under~~ 6525
~~Chapter 119. of the Revised Code,~~ experimental classification 6526
plans for some or all employees paid directly by warrant of the 6527
director of budget and management. ~~The rule~~ Any such experimental 6528
classification plan shall include specifications for each 6529
classification within the plan and shall specifically address 6530
compensation ranges, and methods for advancing within the ranges, 6531
for the classifications, which may be assigned to pay ranges other 6532
than the pay ranges established under section 124.15 or 124.152 of 6533
the Revised Code. 6534

(2) The director of administrative services may reassign to a 6535
proper classification those positions that have been assigned to 6536
an improper classification. If the compensation of an employee in 6537
such a reassigned position exceeds the maximum rate of pay for the 6538
employee's new classification, the employee shall be placed in pay 6539
step X and shall not receive an increase in compensation until the 6540
maximum rate of pay for that classification exceeds the employee's 6541
compensation. 6542

(3) The director may reassign an exempt employee, as defined 6543
in section 124.152 of the Revised Code, to a bargaining unit 6544
classification if the director determines that the bargaining unit 6545
classification is the proper classification for that employee. 6546
Notwithstanding Chapter 4117. of the Revised Code or instruments 6547
and contracts negotiated under it, these placements are at the 6548
director's discretion. 6549

(4) The director shall, ~~by rule,~~ assign related 6550
classifications, which form a career progression, to a 6551
classification series. The director shall, ~~by rule,~~ assign each 6552
classification in the classification plan a five-digit number, the 6553
first four digits of which shall denote the classification series 6554
to which the classification is assigned. When a career progression 6555
encompasses more than ten classifications, the director shall, ~~by~~ 6556
~~rule,~~ identify the additional classifications belonging to a 6557
classification series. The additional classifications shall be 6558
part of the classification series, notwithstanding the fact that 6559
the first four digits of the number assigned to the additional 6560
classifications do not correspond to the first four digits of the 6561
numbers assigned to other classifications in the classification 6562
series. 6563

(B) Division (A) of this section and sections 124.15 and 6564
124.152 of the Revised Code do not apply to the following persons, 6565
positions, offices, and employments: 6566

- (1) Elected officials; 6567
- (2) Legislative employees, employees of the legislative 6568
service commission, employees in the office of the governor, 6569
employees who are in the unclassified civil service and exempt 6570
from collective bargaining coverage in the office of the secretary 6571
of state, auditor of state, treasurer of state, and attorney 6572
general, and employees of the supreme court; 6573
- (3) Any position for which the authority to determine 6574
compensation is given by law to another individual or entity; 6575
- (4) Employees of the bureau of workers' compensation whose 6576
compensation the administrator of workers' compensation 6577
establishes under division (B) of section 4121.121 of the Revised 6578
Code. 6579
- (C) The director may employ a consulting agency to aid and 6580
assist the director in carrying out this section. 6581
- (D)(1) When the director proposes to modify a classification 6582
or the assignment of classes to appropriate pay ranges, the 6583
director shall ~~send written notice of the proposed rule to~~ notify 6584
the appointing authorities of the affected employees ~~thirty days~~ 6585
~~before a hearing on implementing the proposed rule modification.~~ 6586
The director's notice shall include the effective date of the 6587
modification. The appointing authorities shall notify the affected 6588
employees regarding the ~~proposed rule modification.~~ The director 6589
~~also shall send those appointing authorities notice of any final~~ 6590
~~rule that is adopted within ten days after adoption.~~ 6591
- (2) When the director proposes to reclassify any employee in 6592
the service of the state so that the employee is adversely 6593
affected, the director shall give to the employee affected and to 6594
the employee's appointing authority a written notice setting forth 6595
the proposed new classification, pay range, and salary. Upon the 6596
request of any classified employee in the service of the state who 6597

is not serving in a probationary period, the director shall 6598
perform a job audit to review the classification of the employee's 6599
position to determine whether the position is properly classified. 6600
The director shall give to the employee affected and to the 6601
employee's appointing authority a written notice of the director's 6602
determination whether or not to reclassify the position or to 6603
reassign the employee to another classification. An employee or 6604
appointing authority desiring a hearing shall file a written 6605
request for the hearing with the state personnel board of review 6606
within thirty days after receiving the notice. The board shall set 6607
the matter for a hearing and notify the employee and appointing 6608
authority of the time and place of the hearing. The employee, the 6609
appointing authority, or any authorized representative of the 6610
employee who wishes to submit facts for the consideration of the 6611
board shall be afforded reasonable opportunity to do so. After the 6612
hearing, the board shall consider anew the reclassification and 6613
may order the reclassification of the employee and require the 6614
director to assign the employee to such appropriate classification 6615
as the facts and evidence warrant. As provided in division (A)(1) 6616
of section 124.03 of the Revised Code, the board may determine the 6617
most appropriate classification for the position of any employee 6618
coming before the board, with or without a job audit. The board 6619
shall disallow any reclassification or reassignment classification 6620
of any employee when it finds that changes have been made in the 6621
duties and responsibilities of any particular employee for 6622
political, religious, or other unjust reasons. 6623

(E)(1) Employees of each county department of job and family 6624
services shall be paid a salary or wage established by the board 6625
of county commissioners. The provisions of section 124.18 of the 6626
Revised Code concerning the standard work week apply to employees 6627
of county departments of job and family services. A board of 6628
county commissioners may do either of the following: 6629

(a) Notwithstanding any other section of the Revised Code, 6630
supplement the sick leave, vacation leave, personal leave, and 6631
other benefits of any employee of the county department of job and 6632
family services of that county, if the employee is eligible for 6633
the supplement under a written policy providing for the 6634
supplement; 6635

(b) Notwithstanding any other section of the Revised Code, 6636
establish alternative schedules of sick leave, vacation leave, 6637
personal leave, or other benefits for employees not inconsistent 6638
with the provisions of a collective bargaining agreement covering 6639
the affected employees. 6640

(2) Division (E)(1) of this section does not apply to 6641
employees for whom the state employment relations board 6642
establishes appropriate bargaining units pursuant to section 6643
4117.06 of the Revised Code, except in either of the following 6644
situations: 6645

(a) The employees for whom the state employment relations 6646
board establishes appropriate bargaining units elect no 6647
representative in a board-conducted representation election. 6648

(b) After the state employment relations board establishes 6649
appropriate bargaining units for such employees, all employee 6650
organizations withdraw from a representation election. 6651

(F)(1) Notwithstanding any contrary provision of sections 6652
124.01 to 124.64 of the Revised Code, the board of trustees of 6653
each state university or college, as defined in section 3345.12 of 6654
the Revised Code, shall carry out all matters of governance 6655
involving the officers and employees of the university or college, 6656
including, but not limited to, the powers, duties, and functions 6657
of the department of administrative services and the director of 6658
administrative services specified in this chapter. Officers and 6659
employees of a state university or college shall have the right of 6660

appeal to the state personnel board of review as provided in this 6661
chapter. 6662

(2) Each board of trustees shall adopt rules under section 6663
111.15 of the Revised Code to carry out the matters of governance 6664
described in division (F)(1) of this section. Until the board of 6665
trustees adopts those rules, a state university or college shall 6666
continue to operate pursuant to the applicable rules adopted by 6667
the director of administrative services under this chapter. 6668

(G)(1) Each board of county commissioners may, by a 6669
resolution adopted by a majority of its members, establish a 6670
county personnel department to exercise the powers, duties, and 6671
functions specified in division (G) of this section. As used in 6672
division (G) of this section, "county personnel department" means 6673
a county personnel department established by a board of county 6674
commissioners under division (G)(1) of this section. 6675

(2)(a) Each board of county commissioners, by a resolution 6676
adopted by a majority of its members, may designate the county 6677
personnel department of the county to exercise the powers, duties, 6678
and functions specified in sections 124.01 to 124.64 and Chapter 6679
325. of the Revised Code with regard to employees in the service 6680
of the county, except for the powers and duties of the state 6681
personnel board of review, which powers and duties shall not be 6682
construed as having been modified or diminished in any manner by 6683
division (G)(2) of this section, with respect to the employees for 6684
whom the board of county commissioners is the appointing authority 6685
or co-appointing authority. 6686

(b) Nothing in division (G)(2) of this section shall be 6687
construed to limit the right of any employee who possesses the 6688
right of appeal to the state personnel board of review to continue 6689
to possess that right of appeal. 6690

(c) Any board of county commissioners that has established a 6691

county personnel department may contract with the department of 6692
administrative services, in accordance with division (H) of this 6693
section, another political subdivision, or an appropriate public 6694
or private entity to provide competitive testing services or other 6695
appropriate services. 6696

(3) After the county personnel department of a county has 6697
been established as described in division (G)(2) of this section, 6698
any elected official, board, agency, or other appointing authority 6699
of that county, upon written notification to the county personnel 6700
department, may elect to use the services and facilities of the 6701
county personnel department. Upon receipt of the notification by 6702
the county personnel department, the county personnel department 6703
shall exercise the powers, duties, and functions as described in 6704
division (G)(2) of this section with respect to the employees of 6705
that elected official, board, agency, or other appointing 6706
authority. 6707

(4) Each board of county commissioners, by a resolution 6708
adopted by a majority of its members, may disband the county 6709
personnel department. 6710

(5) Any elected official, board, agency, or appointing 6711
authority of a county may end its involvement with a county 6712
personnel department upon actual receipt by the department of a 6713
certified copy of the notification that contains the decision to 6714
no longer participate. 6715

(6) A county personnel department, in carrying out its 6716
duties, shall adhere to merit system principles with regard to 6717
employees of county departments of job and family services, child 6718
support enforcement agencies, and public child welfare agencies so 6719
that there is no threatened loss of federal funding for these 6720
agencies, and the county is financially liable to the state for 6721
any loss of federal funds due to the action or inaction of the 6722
county personnel department. 6723

(H) County agencies may contract with the department of 6724
administrative services for any human resources services, 6725
including, but not limited to, establishment and modification of 6726
job classification plans, competitive testing services, and 6727
periodic audits and reviews of the county's uniform application of 6728
the powers, duties, and functions specified in sections 124.01 to 6729
124.64 and Chapter 325. of the Revised Code with regard to 6730
employees in the service of the county. Nothing in this division 6731
modifies the powers and duties of the state personnel board of 6732
review with respect to employees in the service of the county. 6733
Nothing in this division limits the right of any employee who 6734
possesses the right of appeal to the state personnel board of 6735
review to continue to possess that right of appeal. 6736

(I) The director of administrative services shall establish 6737
the rate and method of compensation for all employees who are paid 6738
directly by warrant of the director of budget and management and 6739
who are serving in positions that the director of administrative 6740
services has determined impracticable to include in the state job 6741
classification plan. This division does not apply to elected 6742
officials, legislative employees, employees of the legislative 6743
service commission, employees who are in the unclassified civil 6744
service and exempt from collective bargaining coverage in the 6745
office of the secretary of state, auditor of state, treasurer of 6746
state, and attorney general, employees of the courts, employees of 6747
the bureau of workers' compensation whose compensation the 6748
administrator of workers' compensation establishes under division 6749
(B) of section 4121.121 of the Revised Code, or employees of an 6750
appointing authority authorized by law to fix the compensation of 6751
those employees. 6752

(J) The director of administrative services shall set the 6753
rate of compensation for all intermittent, seasonal, temporary, 6754
emergency, and casual employees in the service of the state who 6755

are not considered public employees under section 4117.01 of the Revised Code. Those employees are not entitled to receive employee benefits. This rate of compensation shall be equitable in terms of the rate of employees serving in the same or similar classifications. This division does not apply to elected officials, legislative employees, employees of the legislative service commission, employees who are in the unclassified civil service and exempt from collective bargaining coverage in the office of the secretary of state, auditor of state, treasurer of state, and attorney general, employees of the courts, employees of the bureau of workers' compensation whose compensation the administrator establishes under division (B) of section 4121.121 of the Revised Code, or employees of an appointing authority authorized by law to fix the compensation of those employees.

(B) The pay schedule of all employees shall be on a biweekly						6880
basis, with amounts computed on an hourly basis.						6881
(C) Part-time employees shall be compensated on an hourly						6882
basis for time worked, at the rates shown in division (A) of this						6883
section or in section 124.152 of the Revised Code.						6884

(D) The salary and wage rates in division (A) of this section 6885
or in section 124.152 of the Revised Code represent base rates of 6886
compensation and may be augmented by the provisions of section 6887
124.181 of the Revised Code. In those cases where lodging, meals, 6888
laundry, or other personal services are furnished an employee in 6889
the service of the state, the actual costs or fair market value of 6890
the personal services shall be paid by the employee in such 6891
amounts and manner as determined by the director of administrative 6892
services and approved by the director of budget and management, 6893
and those personal services shall not be considered as a part of 6894
the employee's compensation. An appointing authority that appoints 6895
employees in the service of the state, with the approval of the 6896
director of administrative services and the director of budget and 6897
management, may establish payments to employees for uniforms, 6898
tools, equipment, and other requirements of the department and 6899
payments for the maintenance of them. 6900

The director of administrative services may review collective 6901
bargaining agreements entered into under Chapter 4117. of the 6902
Revised Code that cover employees in the service of the state and 6903
determine whether certain benefits or payments provided to the 6904
employees covered by those agreements should also be provided to 6905
employees in the service of the state who are exempt from 6906
collective bargaining coverage and are paid in accordance with 6907
section 124.152 of the Revised Code or are listed in division 6908
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 6909
the review, the director of administrative services, with the 6910
approval of the director of budget and management, may provide to 6911
some or all of these employees any payment or benefit, except for 6912
salary, contained in such a collective bargaining agreement even 6913
if it is similar to a payment or benefit already provided by law 6914
to some or all of these employees. Any payment or benefit so 6915
provided shall not exceed the highest level for that payment or 6916
benefit specified in such a collective bargaining agreement. The 6917

director of administrative services shall not provide, and the 6918
director of budget and management shall not approve, any payment 6919
or benefit to such an employee under this division unless the 6920
payment or benefit is provided pursuant to a collective bargaining 6921
agreement to a state employee who is in a position with similar 6922
duties as, is supervised by, or is employed by the same appointing 6923
authority as, the employee to whom the benefit or payment is to be 6924
provided. 6925

As used in this division, "payment or benefit already 6926
provided by law" includes, but is not limited to, bereavement, 6927
personal, vacation, administrative, and sick leave, disability 6928
benefits, holiday pay, and pay supplements provided under the 6929
Revised Code, but does not include wages or salary. 6930

(E) New employees paid in accordance with schedule B of 6931
division (A) of this section or schedule E-1 of section 124.152 of 6932
the Revised Code shall be employed at the minimum rate established 6933
for the range unless otherwise provided. Employees with 6934
qualifications that are beyond the minimum normally required for 6935
the position and that are determined by the director to be 6936
exceptional may be employed in, or may be transferred or promoted 6937
to, a position at an advanced step of the range. Further, in time 6938
of a serious labor market condition when it is relatively 6939
impossible to recruit employees at the minimum rate for a 6940
particular classification, the entrance rate may be set at an 6941
advanced step in the range by the director of administrative 6942
services. This rate may be limited to geographical regions of the 6943
state. Appointments made to an advanced step under the provision 6944
regarding exceptional qualifications shall not affect the step 6945
assignment of employees already serving. However, anytime the 6946
hiring rate of an entire classification is advanced to a higher 6947
step, all incumbents of that classification being paid at a step 6948
lower than that being used for hiring, shall be advanced beginning 6949

at the start of the first pay period thereafter to the new hiring 6950
rate, and any time accrued at the lower step will be used to 6951
calculate advancement to a succeeding step. If the hiring rate of 6952
a classification is increased for only a geographical region of 6953
the state, only incumbents who work in that geographical region 6954
shall be advanced to a higher step. When an employee in the 6955
unclassified service changes from one state position to another or 6956
is appointed to a position in the classified service, or if an 6957
employee in the classified service is appointed to a position in 6958
the unclassified service, the employee's salary or wage in the new 6959
position shall be determined in the same manner as if the employee 6960
were an employee in the classified service. When an employee in 6961
the unclassified service who is not eligible for step increases is 6962
appointed to a classification in the classified service under 6963
which step increases are provided, future step increases shall be 6964
based on the date on which the employee last received a pay 6965
increase. If the employee has not received an increase during the 6966
previous year, the date of the appointment to the classified 6967
service shall be used to determine the employee's annual step 6968
advancement eligibility date. In reassigning any employee to a 6969
classification resulting in a pay range increase or to a new pay 6970
range as a result of a promotion, an increase pay range 6971
adjustment, or other classification change resulting in a pay 6972
range increase, the director shall assign such employee to the 6973
step in the new pay range that will provide an increase of 6974
approximately four per cent if the new pay range can accommodate 6975
the increase. When an employee is being assigned to a 6976
classification or new pay range as the result of a class plan 6977
change, if the employee has completed a probationary period, the 6978
employee shall be placed in a step no lower than step two of the 6979
new pay range. If the employee has not completed a probationary 6980
period, the employee may be placed in step one of the new pay 6981
range. Such new salary or wage shall become effective on such date 6982

as the director determines. 6983

(F) If employment conditions and the urgency of the work 6984
require such action, the director of administrative services may, 6985
upon the application of a department head, authorize payment at 6986
any rate established within the range for the class of work, for 6987
work of a casual or intermittent nature or on a project basis. 6988
Payment at such rates shall not be made to the same individual for 6989
more than three calendar months in any one calendar year. Any such 6990
action shall be subject to the approval of the director of budget 6991
and management as to the availability of funds. This section and 6992
sections 124.14 and 124.152 of the Revised Code do not repeal any 6993
authority of any department or public official to contract with or 6994
fix the compensation of professional persons who may be employed 6995
temporarily for work of a casual nature or for work on a project 6996
basis. 6997

(G)(1) Except as provided in divisions (G)(2) and (3) of this 6998
section, each state employee paid in accordance with schedule B of 6999
this section or schedule E-1 of section 124.152 of the Revised 7000
Code shall be eligible for advancement to succeeding steps in the 7001
range for the employee's class or grade according to the schedule 7002
established in this division. Beginning on the first day of the 7003
pay period within which the employee completes the prescribed 7004
probationary period in the employee's classification with the 7005
state, each employee shall receive an automatic salary adjustment 7006
equivalent to the next higher step within the pay range for the 7007
employee's class or grade. 7008

Except as provided in divisions (G)(2) and (3) of this 7009
section, each employee paid in accordance with schedule E-1 of 7010
section 124.152 of the Revised Code shall be eligible to advance 7011
to the next higher step until the employee reaches the top step in 7012
the range for the employee's class or grade, if the employee has 7013
maintained satisfactory performance in accordance with criteria 7014

established by the employee's appointing authority. Those step 7015
advancements shall not occur more frequently than once in any 7016
twelve-month period. 7017

When an employee is promoted, the step entry date shall be 7018
set to account for a probationary period. When an employee is 7019
reassigned to a higher pay range, the step entry date shall be set 7020
to allow an employee who is not at the highest step of the range 7021
to receive a step advancement one year from the reassignment date. 7022
Step advancement shall not be affected by demotion. A promoted 7023
employee shall advance to the next higher step of the pay range on 7024
the first day of the pay period in which the required probationary 7025
period is completed. Step advancement shall become effective at 7026
the beginning of the pay period within which the employee attains 7027
the necessary length of service. Time spent on authorized leave of 7028
absence shall be counted for this purpose. 7029

If determined to be in the best interest of the state 7030
service, the director of administrative services may, either 7031
statewide or in selected agencies, adjust the dates on which 7032
annual step advancements are received by employees paid in 7033
accordance with schedule E-1 of section 124.152 of the Revised 7034
Code. 7035

(2)(a) There shall be a moratorium on annual step 7036
advancements under division (G)(1) of this section beginning June 7037
21, 2009, through June 20, 2011. Step advancements shall resume 7038
with the pay period beginning June 21, 2011. Upon the resumption 7039
of step advancements, there shall be no retroactive step 7040
advancements for the period the moratorium was in effect. The 7041
moratorium shall not affect an employee's performance evaluation 7042
schedule. 7043

An employee who begins a probationary period before June 21, 7044
2009, shall advance to the next step in the employee's pay range 7045
at the end of probation, and then become subject to the 7046

moratorium. An employee who is hired, promoted, or reassigned to a higher pay range between June 21, 2009, through June 20, 2011, shall not advance to the next step in the employee's pay range until the next anniversary of the employee's date of hire, promotion, or reassignment that occurs on or after June 21, 2011.

(b) The moratorium under division (G)(2)(a) of this section shall apply to the employees of the secretary of state, the auditor of state, the treasurer of state, and the attorney general, who are subject to this section unless the secretary of state, the auditor of state, the treasurer of state, or the attorney general decides to exempt the office's employees from the moratorium and so notifies the director of administrative services in writing on or before July 1, 2009.

(3) Employees in intermittent positions shall be employed at the minimum rate established for the pay range for their classification and are not eligible for step advancements.

(H) Employees in appointive managerial or professional positions paid in accordance with schedule C of this section or schedule E-2 of section 124.152 of the Revised Code may be appointed at any rate within the appropriate pay range. This rate of pay may be adjusted higher or lower within the respective pay range at any time the appointing authority so desires as long as the adjustment is based on the employee's ability to successfully administer those duties assigned to the employee. Salary adjustments shall not be made more frequently than once in any six-month period under this provision to incumbents holding the same position and classification.

(I) When an employee is assigned to duty outside this state, the employee may be compensated, upon request of the department head and with the approval of the director of administrative services, at a rate not to exceed fifty per cent in excess of the employee's current base rate for the period of time spent on that

duty. 7079

(J) Unless compensation for members of a board or commission 7080
is otherwise specifically provided by law, the director of 7081
administrative services shall establish the rate and method of 7082
payment for members of boards and commissions pursuant to the pay 7083
schedules listed in section 124.152 of the Revised Code. 7084

(K) Regular full-time employees in positions assigned to 7085
classes within the instruction and education administration series 7086
under the ~~rules~~ job classification plans of the director of 7087
administrative services, except certificated employees on the 7088
instructional staff of the state school for the blind or the state 7089
school for the deaf, whose positions are scheduled to work on the 7090
basis of an academic year rather than a full calendar year, shall 7091
be paid according to the pay range assigned by ~~such rules~~ the 7092
applicable job classification plan, but only during those pay 7093
periods included in the academic year of the school where the 7094
employee is located. 7095

(1) Part-time or substitute teachers or those whose period of 7096
employment is other than the full academic year shall be 7097
compensated for the actual time worked at the rate established by 7098
this section. 7099

(2) Employees governed by this division are exempt from 7100
sections 124.13 and 124.19 of the Revised Code. 7101

(3) Length of service for the purpose of determining 7102
eligibility for step advancements as provided by division (G) of 7103
this section and for the purpose of determining eligibility for 7104
longevity pay supplements as provided by division (E) of section 7105
124.181 of the Revised Code shall be computed on the basis of one 7106
full year of service for the completion of each academic year. 7107

(L) The superintendent of the state school for the deaf and 7108
the superintendent of the state school for the blind shall, 7109

subject to the approval of the superintendent of public 7110
instruction, carry out both of the following: 7111

(1) Annually, between the first day of April and the last day 7112
of June, establish for the ensuing fiscal year a schedule of 7113
hourly rates for the compensation of each certificated employee on 7114
the instructional staff of that superintendent's respective school 7115
constructed as follows: 7116

(a) Determine for each level of training, experience, and 7117
other professional qualification for which an hourly rate is set 7118
forth in the current schedule, the per cent that rate is of the 7119
rate set forth in such schedule for a teacher with a bachelor's 7120
degree and no experience. If there is more than one such rate for 7121
such a teacher, the lowest rate shall be used to make the 7122
computation. 7123

(b) Determine which six city, local, and exempted village 7124
school districts with territory in Franklin county have in effect 7125
on, or have adopted by, the first day of April for the school year 7126
that begins on the ensuing first day of July, teacher salary 7127
schedules with the highest minimum salaries for a teacher with a 7128
bachelor's degree and no experience; 7129

(c) Divide the sum of such six highest minimum salaries by 7130
ten thousand five hundred sixty; 7131

(d) Multiply each per cent determined in division (L)(1)(a) 7132
of this section by the quotient obtained in division (L)(1)(c) of 7133
this section; 7134

(e) One hundred five per cent of each product thus obtained 7135
shall be the hourly rate for the corresponding level of training, 7136
experience, or other professional qualification in the schedule 7137
for the ensuing fiscal year. 7138

(2) Annually, assign each certificated employee on the 7139
instructional staff of the superintendent's respective school to 7140

an hourly rate on the schedule that is commensurate with the 7141
employee's training, experience, and other professional 7142
qualifications. 7143

If an employee is employed on the basis of an academic year, 7144
the employee's annual salary shall be calculated by multiplying 7145
the employee's assigned hourly rate times one thousand seven 7146
hundred sixty. If an employee is not employed on the basis of an 7147
academic year, the employee's annual salary shall be calculated in 7148
accordance with the following formula: 7149

(a) Multiply the number of days the employee is required to 7150
work pursuant to the employee's contract by eight; 7151

(b) Multiply the product of division (L)(2)(a) of this 7152
section by the employee's assigned hourly rate. 7153

Each employee shall be paid an annual salary in biweekly 7154
installments. The amount of each installment shall be calculated 7155
by dividing the employee's annual salary by the number of biweekly 7156
installments to be paid during the year. 7157

Sections 124.13 and 124.19 of the Revised Code do not apply 7158
to an employee who is paid under this division. 7159

As used in this division, "academic year" means the number of 7160
days in each school year that the schools are required to be open 7161
for instruction with pupils in attendance. Upon completing an 7162
academic year, an employee paid under this division shall be 7163
deemed to have completed one year of service. An employee paid 7164
under this division is eligible to receive a pay supplement under 7165
division (L)(1), (2), or (3) of section 124.181 of the Revised 7166
Code for which the employee qualifies, but is not eligible to 7167
receive a pay supplement under division (L)(4) or (5) of that 7168
section. An employee paid under this division is eligible to 7169
receive a pay supplement under division (L)(6) of section 124.181 7170
of the Revised Code for which the employee qualifies, except that 7171

the supplement is not limited to a maximum of five per cent of the 7172
employee's regular base salary in a calendar year. 7173

(M) Division (A) of this section does not apply to "exempt 7174
employees," as defined in section 124.152 of the Revised Code, who 7175
are paid under that section. 7176

Notwithstanding any other provisions of this chapter, when an 7177
employee transfers between bargaining units or transfers out of or 7178
into a bargaining unit, the director of administrative services 7179
shall establish the employee's compensation and adjust the maximum 7180
leave accrual schedule as the director deems equitable. 7181

Sec. 124.181. (A) Except as provided in divisions (M) and (P) 7182
of this section, any employee paid in accordance with schedule B 7183
of section 124.15 or schedule E-1 or schedule E-1 for step seven 7184
only of section 124.152 of the Revised Code is eligible for the 7185
pay supplements provided in this section upon application by the 7186
appointing authority substantiating the employee's qualifications 7187
for the supplement and with the approval of the director of 7188
administrative services except as provided in division (E) of this 7189
section. 7190

(B)(1) Except as provided in section 124.183 of the Revised 7191
Code, in computing any of the pay supplements provided in this 7192
section for an employee paid in accordance with schedule B of 7193
section 124.15 of the Revised Code, the classification salary base 7194
shall be the minimum hourly rate of the pay range, provided in 7195
that section, in which the employee is assigned at the time of 7196
computation. 7197

(2) Except as provided in section 124.183 of the Revised 7198
Code, in computing any of the pay supplements provided in this 7199
section for an employee paid in accordance with schedule E-1 of 7200
section 124.152 of the Revised Code, the classification salary 7201
base shall be the minimum hourly rate of the pay range, provided 7202

in that section, in which the employee is assigned at the time of 7203
computation. 7204

(3) Except as provided in section 124.183 of the Revised 7205
Code, in computing any of the pay supplements provided in this 7206
section for an employee paid in accordance with schedule E-1 for 7207
step seven only of section 124.152 of the Revised Code, the 7208
classification salary base shall be the minimum hourly rate in the 7209
corresponding pay range, provided in schedule E-1 of that section, 7210
to which the employee is assigned at the time of the computation. 7211

(C) The effective date of any pay supplement, except as 7212
provided in section 124.183 of the Revised Code or unless 7213
otherwise provided in this section, shall be determined by the 7214
director. 7215

(D) The director shall, by rule, establish standards 7216
regarding the administration of this section. 7217

(E)(1) Except as otherwise provided in this division, 7218
beginning on the first day of the pay period within which the 7219
employee completes five years of total service with the state 7220
government or any of its political subdivisions, each employee in 7221
positions paid in accordance with schedule B of section 124.15 of 7222
the Revised Code or in accordance with schedule E-1 or schedule 7223
E-1 for step seven only of section 124.152 of the Revised Code 7224
shall receive an automatic salary adjustment equivalent to two and 7225
one-half per cent of the classification salary base, to the 7226
nearest whole cent. Each employee shall receive thereafter an 7227
annual adjustment equivalent to one-half of one per cent of the 7228
employee's classification salary base, to the nearest whole cent, 7229
for each additional year of qualified employment until a maximum 7230
of ten per cent of the employee's classification salary base is 7231
reached. The granting of longevity adjustments shall not be 7232
affected by promotion, demotion, or other changes in 7233
classification held by the employee, nor by any change in pay 7234

range for the employee's class or grade. Longevity pay adjustments 7235
shall become effective at the beginning of the pay period within 7236
which the employee completes the necessary length of service, 7237
except that when an employee requests credit for prior service, 7238
the effective date of the prior service credit and of any 7239
longevity adjustment shall be the first day of the pay period 7240
following approval of the credit by the director of administrative 7241
services. No employee, other than an employee who submits proof of 7242
prior service within ninety days after the date of the employee's 7243
hiring, shall receive any longevity adjustment for the period 7244
prior to the director's approval of a prior service credit. Time 7245
spent on authorized leave of absence shall be counted for this 7246
purpose. 7247

(2) An employee who has retired in accordance with the 7248
provisions of any retirement system offered by the state and who 7249
is employed by the state or any political subdivision of the state 7250
on or after June 24, 1987, shall not have prior service with the 7251
state or any political subdivision of the state counted for the 7252
purpose of determining the amount of the salary adjustment 7253
provided under this division. 7254

(3) There shall be a moratorium on employees' receipt under 7255
this division of credit for service with the state government or 7256
any of its political subdivisions during the period from July 1, 7257

by the department to participate in the department's contracts 7710
under this division. 7711

~~(d)~~(e) "Private fire company" has the same meaning as in 7712
section 9.60 of the Revised Code. 7713

(f) "State institution of higher education" has the meaning 7714

(2) Subject to division (C) of this section, the department 7716
of administrative services may permit a state institution of 7717
higher education, governmental agency, political subdivision, 7718
county board of elections, private fire company, private, 7719
nonprofit emergency medical service organization, or chartered 7720

department has entered for the purchase of supplies and services. 7722
The department may charge the entity a reasonable fee to cover the 7723
administrative costs the department incurs as a result of 7724
participation by the entity in such a purchase contract. 7725

A political subdivision desiring to participate in such 7726
purchase contracts shall file with the department a certified copy 7727
of an ordinance or resolution of the legislative authority or 7728
governing board of the political subdivision. The resolution or 7729

authorized to participate in such contracts and shall agree that 7731
the political subdivision will be bound by such terms and 7732

program. A private fire company, private, nonprofit emergency 7737
medical service organization, or chartered nonpublic school 7738

higher education be authorized to participate in such contracts. 7749

A request for inclusion shall include an agreement to be 7750
bound by such terms and conditions as the department prescribes 7751
and to make direct payments to the vendor under each purchase 7752
contract. 7753

The department shall include in its annual report, an 7754

any other information the department requires. 7764

(3) Purchases made by a political subdivision or a county 7765
board of elections under this division are exempt from any 7766
competitive selection procedures otherwise required by law. No 7767
political subdivision shall make any purchase under this division 7768
when bids have been received for such purchase by the subdivision, 7769
unless such purchase can be made upon the same terms, conditions, 7770
and specifications at a lower price under this division. 7771

(C) A political subdivision as defined in division (B) of 7772
this section or a county board of elections may purchase supplies 7773
or services from another party, including a political subdivision, 7774
instead of through participation in contracts described in 7775
division (B) of this section if the political subdivision or 7776
county board of elections can purchase those supplies or services 7777
from the other party upon equivalent terms, conditions, and 7778
specifications but at a lower price than it can through those 7779
contracts. Purchases that a political subdivision or county board 7780
of elections makes under this division are exempt from any 7781
competitive selection procedures otherwise required by law. A 7782
political subdivision or county board of elections that makes any 7783
purchase under this division shall maintain sufficient information 7784
regarding the purchase to verify that the political subdivision or 7785

~~(H)~~(8) The fleet management program. 7821

(B) Nothing in this section shall be construed as preventing 7822
the attorney general, auditor of state, secretary of state, or 7823

treasurer of state from complying with or participating in any 7824
aspect of Chapter 125. of the Revised Code through the department 7825

department's purchasing procedures and shall use those procedures 7838
when making purchases under this division. 7839

~~(B) Subject to division (E) of this section and in accordance~~ 7840
~~with section 125.051 of the Revised Code, a state agency may make~~ 7841

~~(C) Subject to division (E) of this section, a state agency~~ 7860
~~wanting to purchase supplies or services that cost more than~~ 7861
~~twenty five thousand dollars shall, unless otherwise authorized by~~ 7862
~~law, make the purchase from or through the department. The~~ 7863
~~department shall make the purchase by competitive selection. If~~ 7864

~~make the purchase, the department shall grant the agency a release~~ 7867
~~and permit under section 125.06 of the Revised Code to make the~~ 7868
~~purchase. Section 127.16 of the Revised Code does not apply to~~ 7869
~~purchases the department makes under this section.~~ 7870

~~(D)~~ An agency that has been granted a release and permit 7871
under division (G) of section 125.035 of the Revised Code to make 7872
a purchase may make the purchase without competitive selection if 7873
after making the purchase the cumulative purchase threshold as 7874
computed under division (E) of section 127.16 of the Revised Code 7875

(1) Be exceeded and the controlling board approves the 7877
purchase; 7878

(2) Not be exceeded and the department of administrative 7879

department of administrative services concurrently with the 7907
request to the governor or the president of the United States for 7908
the declaration of an emergency. The governor also shall include 7909

include a copy of the director's approval. 7919

(C) Purchases made by state agencies under this section are 7920
exempt from the requirements of section 127.16 of the Revised 7921
Code, except that state agencies making purchases under this 7922
section shall file a report with the president of the controlling 7923

director considers to be necessary for the intended purchase. 7933
Competitive sealed bids shall be awarded as provided in section 7934

~~its office,~~ a bulletin board upon which it shall post and maintain 7964
a copy of the notice required under division (A) of this section 7965
for at least the number of days the director determines under 7966
division (C) of this section preceding the day of the opening or 7967

and any contract entered into pursuant to the proceedings. 7970

Sec. 125.08. (A) The department of administrative services 7971
~~may divide the state into purchasing districts wherein supplies or~~ 7972

~~The director may remove a person from the notification list 8000
and place the person on an inactive list if the person fails to 8001
respond to any notices of proposed purchases that appear in four 8002
consecutive bulletins or other forms of notification that list 8003
those notices. Upon written request to the director by the person 8004
so removed, the director may return the person to the notification 8005
list if the person provides sufficient evidence regarding intent 8006

business enterprise may have that person's name placed on a 8014
special minority business enterprise notification list to be used 8015
in connection with contracts awarded under section 125.081 of the 8016
Revised Code. The minority business enterprise notification list 8017
shall be used for bidding on contracts set aside for minority 8018
business enterprises only. ~~In all other respects, the list shall~~ 8019
~~be maintained and used in the same manner and according to the~~ 8020
~~same procedures as the notification list provided for under~~ 8021
~~division (A) of this section, except that a firm shall not be~~ 8022
~~removed from the list unless the coordinator determines that the~~ 8023
~~firm is no longer a minority business enterprise. A minority~~ 8024
~~business enterprise may have its name placed on both the~~ 8025
~~notification lists provided for in this section.~~ 8026

~~(C) The director of administrative services may require an~~ 8027
~~annual registration fee for the listings provided for in division~~ 8028
~~(A) or (B) of this section. This fee shall not be more than ten~~ 8029
~~dollars. The department may charge a fee for any compilation of~~ 8030
~~descriptions of supplies or services. This fee shall be reasonable~~ 8031
~~and shall not exceed the cost required to maintain the~~ 8032
~~notification lists and provide for the distribution of the~~ 8033
~~proposed purchase to the persons whose names appear on the lists.~~ 8034

Sec. 125.081. (A) From the purchases that the department of 8035
administrative services is required by law to make through 8036

shall select a number of such purchases, the aggregate value of 8038
which equals approximately fifteen per cent of the estimated total 8039
value of all such purchases to be made in the current fiscal year. 8040
The director shall set aside the purchases selected for 8041
competition only by minority business enterprises, as defined in 8042

division (E)(1) of section 122.71 of the Revised Code. The 8043
competitive selection procedures for such purchases set aside 8044
shall be the same as for all other purchases the department is 8045
required to make through competitive selection, except that only 8046
minority business enterprises certified by the equal employment 8047

number of purchases, the aggregate value of which equals 8057
approximately fifteen per cent of the aggregate value of such 8058
purchases for the current fiscal year for competition by minority 8059
business enterprises only. The procedures for such purchases shall 8060
be the same as for all other such purchases made by the agency, 8061

equal employment opportunity coordinator in accordance with rules 8063
adopted under division (B)(1) of section 123.151 of the Revised 8064
Code shall be qualified to compete. 8065

(C) In the case of purchases set aside under division (A) or 8066
(B) of this section, if no bid is submitted by a minority business 8067
enterprise, the purchase shall be made according to usual 8068
procedures. The contracting agency shall from time to time set 8069
aside such additional purchases for which only minority business 8070
enterprises may compete, as are necessary to replace those 8071
purchases previously set aside for which no minority business 8072
enterprises bid and to ensure that, in any fiscal year, the 8073
aggregate amount of contracts awarded to minority business 8074

enterprises will equal approximately fifteen per cent of the total amount of contracts awarded by the agency.

(D) The provisions of this section shall not preclude any minority business enterprise from competing for any other state purchases that are not specifically set aside for minority business enterprises.

(E) No funds of any state agency shall be expended in any fiscal year for any purchase for which competitive selection is required, until the director of the department of administrative services certifies to the equal employment opportunity coordinator, the clerk of the senate, and the clerk of the house of representatives of the general assembly that approximately fifteen per cent of the aggregate amount of the projected expenditure for such purchases in the fiscal year has been set aside as provided for in this section.

(F) Any person who intentionally misrepresents self as owning, controlling, operating, or participating in a minority business enterprise for the purpose of obtaining contracts, subcontracts, or any other benefits under this section shall be guilty of theft by deception as provided for in section 2913.02 of the Revised Code.

Sec. 131.025. The attorney general shall enter into an 9021
agreement with the United States secretary of the treasury to 9022
participate in the federal treasury offset program for the 9023
collection of the following debts certified to the attorney 9024
general pursuant to section 131.02 of the Revised Code: 9025

(A) State income tax obligations pursuant to 26 U.S.C. 9026
6402(e); 9027

(B) Covered unemployment compensation debts pursuant to 26 9028
U.S.C. 6402(f). 9029

Sec. 131.09. In addition to the undertakings or security 9030
provided for in sections 135.01 to 135.40 of the Revised Code, the 9031
treasurer of a subdivision or county may accept first mortgages, 9032
upon unencumbered real estate located in this state, provided the 9033
amount owing on such mortgages at the time tendered as security is 9034
double the excess of the amount of public moneys to be at the time 9035
so deposited, over and above any portion of such moneys as is then 9036
insured by the federal deposit insurance corporation, federal 9037
savings and loan insurance corporation, or any other agency or 9038
instrumentality of the federal government. The amount owing on 9039
each mortgage at the time tendered as security shall not exceed 9040
eighty per cent of the then value of the real estate. Upon the 9041
deposit of such security, the treasurer shall require the 9042
financial institution to submit an affidavit stating that no 9043
payment on a mortgage has been more than two months past due at 9044
any time during the two-year period preceding the date the public 9045
moneys are deposited. At such time, the treasurer shall also 9046
require an institution to submit an affidavit stating that any 9047
structures on the mortgaged real estate are insured by an 9048
authorized company in an amount not less than the amount owing on 9049

each mortgage at the time tendered as security, that coverage has 9050
been obtained in favor of the institution by the named authorized 9051
company, and that the institution has obtained a mortgage 9052
impairment policy which assures that such insurance will continue 9053
for the period that the public moneys are deposited with the 9054
institution. The value of such real estate shall be determined 9055
separately for land and structures thereon by valuation made under 9056
oath by two resident freeholders of this state who are conversant 9057
with the real estate values of the county in which the real estate 9058
is located or made and certified under oath by an appraiser as 9059
being in conformity with the appraisal requirements imposed on an 9060
institution by any agency or instrumentality of the federal 9061
government. If such determination has been made earlier than a 9062
period of three months prior to the time of the deposit of public 9063
moneys, such determination shall be updated to reflect the value 9064
of the real estate within such three-month period. There shall be 9065
deposited with the mortgage the opinion of an attorney licensed to 9066
practice in this state, which opinion shall certify that the 9067
mortgage is a first lien upon the premises mortgaged, or the title 9068
shall be guaranteed by a company operating under sections 1735.01 9069
to 1735.04 of the Revised Code or insured by a company operating 9070
under Chapter 3953. of the Revised Code. 9071

If any mortgage tendered as security is paid in full or if 9072
the mortgagor becomes past due for six months to the financial 9073
institution while it acts as a public depository and that mortgage 9074
has been assigned as security for such public moneys, the 9075
financial institution shall replace such mortgage with another in 9076
compliance with this section. Default by the financial institution 9077
as a public depository under this section is to be carried out in 9078
accordance with division ~~(C)~~(F) of section 135.18 of the Revised 9079
Code. 9080

Sec. 131.15. (A) Any depositor enumerated in section 131.11 9081

of the Revised Code shall make ample provisions for the 9082
safekeeping of hypothecated securities. The interest thereon, when 9083
paid, shall be turned over to the bank or trust company if it is 9084
not in default. The depositor may make provisions for the exchange 9085
and release of securities and the substitution of other securities 9086
or of an undertaking therefor except in those cases where the 9087
public depository has deposited eligible securities with a trustee 9088
for safekeeping. 9089

(B) When the public depository has deposited eligible 9090
securities described in division ~~(B)~~(D)(1) of section 135.18 of 9091
the Revised Code with a trustee for safekeeping, the public 9092
depository may at any time substitute or exchange eligible 9093
securities described in division ~~(B)~~(D)(1) of section 135.18 of 9094
the Revised Code having a current market value equal to or greater 9095
than the current market value of the securities then on deposit 9096
and for which they are to be substituted or exchanged, without 9097
specific authorization from the depositor of any substitution or 9098
exchange. 9099

(C) When the public depository has deposited eligible 9100
securities described in division ~~(B)~~(D)(2) to (9) of section 9101
135.18 of the Revised Code with a trustee for safekeeping, the 9102
public depository may at any time substitute or exchange eligible 9103
securities having a current market value equal to or greater than 9104
the current market value of the securities then on deposit and for 9105
which they are to be substituted or exchanged without specific 9106
authorization of any depositor of any such substitution or 9107
exchange only if: 9108

(1) The depositor has authorized the public depository to 9109
make such substitutions or exchanges on a continuing basis during 9110
a specified period without prior approval of each substitution or 9111
exchange. Such authorization may be effected by the depositor 9112
sending to the trustee a written notice stating that substitution 9113

may be effected on a continuing basis during a specified period 9114
that shall not extend beyond the end of the period of designation 9115
during which the notice is given. "Period of designation" as used 9116
in this section means the period under section 135.12 of the 9117
Revised Code for the award of inactive funds of the subdivision of 9118
which the depositor is an officer or employee. The trustee may 9119
rely upon such notice and upon the period of authorization stated 9120
therein and upon the period of designation stated therein. 9121

(2) No continuing authorization for substitution has been 9122
given by the depositor, the public depository notifies the 9123
depositor and the trustee of an intended substitution or exchange, 9124
and the depositor fails to object to the trustee as to the 9125
eligibility or market value of the securities being substituted 9126
within ten calendar days after the date appearing on the notice of 9127
proposed substitution. The notice to the depositor and to the 9128
trustee shall be given in writing and delivered personally or by 9129
certified mail with a return receipt requested. The trustee may 9130
assume in any case that the notice has been delivered to the 9131
depositor. In order for objections of the depositor to be 9132
effective, receipt of the objections must be acknowledged in 9133
writing by the trustee. 9134

(3) The depositor gives written authorization for a 9135
substitution or exchange of specific securities. 9136

(D) The public depository shall notify the depositor of any 9137
substitution or exchange under division (C)(1) or (2) of this 9138
section. If the depository designates a trustee qualified under 9139
section 135.18 of the Revised Code to act as such for the 9140
safekeeping of securities, the depositor shall accept the written 9141
receipt of the designated trustee, describing the securities that 9142
have been deposited with the trustee by the public depository, as 9143
and for a hypothecation of such securities and issue to the 9144
depository the depositor's written acknowledgment to that effect, 9145

keeping a copy thereof in the depositor's office. Thereupon, all 9146
such securities pledged and deposited with the trustee are deemed 9147
hypothecated and deposited with the depositor, for all the 9148
purposes of sections 131.13 to 131.16 of the Revised Code. The 9149
trustee shall hold the securities for the account of the depositor 9150
and the depository as their respective rights to and interests in 9151
such securities under said sections appear and are asserted by 9152
written notice to or demand upon the trustee. 9153

Notwithstanding the fact that a public depository is required 9154
to pledge eligible securities in certain amounts to secure 9155
deposits of public moneys, a trustee shall have no duty or 9156
obligation to determine the eligibility, market value, or face 9157
value of any securities deposited with the trustee by a public 9158
depository. This applies in all situations including, without 9159
limitation, a substitution or exchange of securities. 9160

Sec. 131.34. (A) No moneys shall be transferred between funds 9161
or between state agencies on an intrastate transfer voucher, or by 9162
any other procedure, unless such a transfer is a payment for goods 9163
or services or a service subscription or unless such a transfer is 9164
required or authorized by law. 9165

(B)(1) Any state agency that has provided goods or services 9166
or a service subscription to another state agency may, ~~if the~~ 9167
~~providing agency does not receive payment from the receiving~~ 9168

that the service subscription has been initiated; 9173

(b) The amount that is due for ~~them~~ the goods and services or 9174

(2) A providing agency may make such certification only if it 9176
does not receive payment from the receiving agency within thirty 9177
days after: 9178

(a) Delivering the goods or services or initiating the 9179
service subscription; 9180

(b) Submitting an invoice requesting payment for the goods 9181
and services or the service subscription. 9182

(C) If the director determines that all or part of the 9183
certified amount should have been paid by the receiving agency and 9184
that the receiving agency has an unobligated balance in an 9185
appropriation for the payment, ~~he~~ the director may transfer the 9186
amount that should have been paid from the appropriate fund of the 9187
receiving agency to the appropriate fund of the providing agency 9188
on an intrastate transfer voucher. 9189

(D) For the purposes of this section, "service subscription" 9190
means an ongoing service provided to a state agency by another 9191
state agency for which an estimated payment is made in advance and 9192
final payment due is determined based on actual use. 9193

Sec. 131.35. (A) With respect to the federal funds received 9194
into any fund of the state from which transfers may be made under 9195
division (D) of section 127.14 of the Revised Code: 9196

(1) No state agency may make expenditures of any federal 9197
funds, whether such funds are advanced prior to expenditure or as 9198

specific appropriations of the general assembly, are authorized by 9200
the controlling board pursuant to division (A)(5) of this section, 9201

federal funds received by a state agency shall be reported to the 9205

director within fifteen days of the receipt of such funds or the 9206
notification of award, whichever occurs first. The director shall 9207
prescribe the forms and procedures to be used when reporting the 9208
receipt of federal funds. 9209

(2) If the federal funds received are greater than the amount 9210
of such funds appropriated by the general assembly for a specific 9211
purpose, the total appropriation of federal and state funds for 9212
such purpose shall remain at the amount designated by the general 9213
assembly, except that the expenditure of federal funds received in 9214
excess of such specific appropriation may be authorized by the 9215
controlling board, subject to division (D) of this section. 9216

(3) To the extent that the expenditure of excess federal 9217
funds is authorized, the controlling board may transfer a like 9218
amount of general revenue fund appropriation authority from the 9219
affected agency to the emergency purposes appropriation of the 9220
controlling board, if such action is permitted under federal 9221
regulations. 9222

additional funds may be authorized by the controlling board, but 9227
such authorization shall not extend beyond the end of the biennium 9228
in which such funds are created. 9229

(5) Controlling board authorization for a state agency to 9230
make an expenditure of federal funds constitutes authority for the 9231
agency to participate in the federal program providing the funds, 9232
and the agency is not required to obtain an executive order under 9233
section 107.17 of the Revised Code to participate in the federal 9234
program. 9235

waterways safety fund, the wildlife fund, and any fund of the 9237
state from which transfers may be made under division (D) of 9238
section 127.14 of the Revised Code: 9239

(1) No state agency may make expenditures of any such funds 9240
unless the expenditures are made pursuant to specific 9241
appropriations of the general assembly. 9242

(2) If the receipts received into any fund are greater than 9243
the amount appropriated, the appropriation for that fund shall 9244
remain at the amount designated by the general assembly or, 9245
subject to division (D) of this section, as increased and approved 9246

and regulatory fund, created in section 4743.05 of the Revised 9257
Code, in excess of any appropriation made by the general assembly 9258
to a licensing agency except an appropriation for costs related to 9259
the examination or reexamination of applicants for a license. As 9260
used in this division, "licensing agency" and "license" have the 9261
same meanings as in section 4745.01 of the Revised Code. 9262

(A)(2) or (4) or (B)(2) or (3) of this section for a specific or 9264

redemption, as the taxing authority may authorize or provide. The 10297
tourism development district revenue supported bonds may be sold 10298
at public or private sale, and at, or at not less than, the price 10299
or prices as the taxing authority determines. If any officer whose 10300

any provisions for registration. Neither the members of the board 10313
of the taxing authority nor any person executing the tourism 10314
development district revenue supported bonds shall be liable 10315
personally on the tourism development district revenue supported 10316
bonds or be subject to any personal liability or accountability by 10317

reason of their issuance. 10318

authorizing proceedings may provide that divisions (B) to (E) of 10325
section 133.25 of the Revised Code apply to the tourism 10326
development district revenue supported bonds or anticipation 10327
notes. 10328

district revenue supported bonds or of anticipation notes; the 10343
agreement of the municipal corporation or township to do all 10344

the timely payment of debt charges on any anticipation notes; 10347
limitations on the issuance of additional tourism development 10348
district revenue supported bonds; the terms upon which additional 10349

tourism development district revenue supported bonds may be issued 10350
and secured; the refunding of refunded obligations; the procedure 10351
by which the terms of any contract with holders may be amended, 10352

given; securing any tourism development district revenue supported 10354
bonds by a trust agreement or other agreement; and any other 10355
matters, of like or different character, that in any way affect 10356
the security or protection of the tourism development district 10357
revenue supported bonds or anticipation notes. 10358

(H) The taxing authority of a municipal corporation or 10359

aggregate amount of active deposits of the public moneys of the 10738
subdivision applied for by such eligible institutions is less than 10739
the aggregate maximum amount to be deposited as such, as estimated 10740
by the governing board, said board may designate as a public 10741
depository of the active deposits of the public moneys of the 10742
subdivision, one or more institutions of the kind mentioned in 10743

10764

(c) Minority banks have been unsuccessful in competing under Chapter 135. of the Revised Code for the award of federal funds; 10765
10766

(d) This division contains safeguards for the protection of the general public and the banking industry, since it provides the governing board of the state or political subdivision with permissive authority in the award of deposits; limits the authority of the governing board to the award of federal funds; and subjects minority banks to certain limitations of Chapter 135. of the Revised Code, including the requirement that, as in the case of every financial institution subject to Chapter 135. of the Revised Code, a minority bank pledge certain securities for repayment of the deposits. 10767

10770
10771
10772
10773
10774

10776

(3) The purpose of this division is to recognize that the state has a substantial and compelling interest in encouraging the establishment, development, and stability of minority banks by facilitating their access to the award of federal funds, while ensuring the protection of the general public and the banking industry. 10777

(C) Nothing in the classifications of eligible obligations 10887
set forth in divisions (B)(1) to (7) of this section shall be 10888
construed to authorize any investment in a derivative, and no 10889
treasurer or governing board shall invest in a derivative. For 10890
purposes of this division, "derivative" means a financial 10891
instrument or contract or obligation whose value or return is 10892
based upon or linked to another asset or index, or both, separate 10893
from the financial instrument, contract, or obligation itself. Any 10894
security, obligation, trust account, or other instrument that is 10895
created from an issue of the United States treasury or is created 10896
from an obligation of a federal agency or instrumentality or is 10897
created from both is considered a derivative instrument. An 10898
eligible investment described in this section with a variable 10899
interest rate payment, based upon a single interest payment or 10900
single index comprised of other eligible investments provided for 10901
in division (B)(1) or (2) of this section, is not a derivative, 10902
provided that such variable rate investment has a maximum maturity 10903
of two years. 10904

(D) Except as provided in division (E) of this section, any 10905
investment made pursuant to this section must mature within five 10906
years from the date of settlement, unless the investment is 10907
matched to a specific obligation or debt of the subdivision. 10908

(E) The treasurer or governing board may also enter into a 10909
written repurchase agreement with any eligible institution 10910
mentioned in section 135.03 of the Revised Code or any eligible 10911
dealer pursuant to division (M) of this section, under the terms 10912
of which agreement the treasurer or governing board purchases, and 10913

such institution or dealer agrees unconditionally to repurchase 10914
any of the securities listed in divisions ~~(B)~~(D)(1) to (5), except 10915
letters of credit described in division ~~(B)~~(D)(2), of section 10916
135.18 of the Revised Code. The market value of securities subject 10917
to an overnight written repurchase agreement must exceed the 10918
principal value of the overnight written repurchase agreement by 10919
at least two per cent. A written repurchase agreement shall not 10920
exceed thirty days and the market value of securities subject to a 10921
written repurchase agreement must exceed the principal value of 10922
the written repurchase agreement by at least two per cent and be 10923
marked to market daily. All securities purchased pursuant to this 10924
division shall be delivered into the custody of the treasurer or 10925
governing board or an agent designated by the treasurer or 10926
governing board. A written repurchase agreement with an eligible 10927
securities dealer shall be transacted on a delivery versus payment 10928
basis. The agreement shall contain the requirement that for each 10929
transaction pursuant to the agreement the participating 10930
institution or dealer shall provide all of the following 10931
information: 10932

(1) The par value of the securities; 10933

(2) The type, rate, and maturity date of the securities; 10934

(3) A numerical identifier generally accepted in the 10935
securities industry that designates the securities. 10936

No treasurer or governing board shall enter into a written 10937
repurchase agreement under the terms of which the treasurer or 10938
governing board agrees to sell securities owned by the subdivision 10939
to a purchaser and agrees with that purchaser to unconditionally 10940
repurchase those securities. 10941

(F) No treasurer or governing board shall make an investment 10942
under this section, unless the treasurer or governing board, at 10943
the time of making the investment, reasonably expects that the 10944

investment can be held until its maturity. 10945

(G) No treasurer or governing board shall pay interim moneys 10946
into a fund established by another subdivision, treasurer, 10947
governing board, or investing authority, if that fund was 10948
established for the purpose of investing the public moneys of 10949
other subdivisions. This division does not apply to the payment of 10950
public moneys into either of the following: 10951

(1) The Ohio subdivision's fund pursuant to division (B)(6) 10952
of this section; 10953

(2) A fund created solely for the purpose of acquiring, 10954
constructing, owning, leasing, or operating municipal utilities 10955
pursuant to the authority provided under section 715.02 of the 10956
Revised Code or Section 4 of Article XVIII, Ohio Constitution. 10957

For purposes of division (G) of this section, "subdivision" 10958
includes a county. 10959

(H) The use of leverage, in which the treasurer or governing 10960
board uses its current investment assets as collateral for the 10961
purpose of purchasing other assets, is prohibited. The issuance of 10962
taxable notes for the purpose of arbitrage is prohibited. 10963
Contracting to sell securities that have not yet been acquired by 10964
the treasurer or governing board, for the purpose of purchasing 10965
such securities on the speculation that bond prices will decline, 10966
is prohibited. 10967

(I) Whenever, during a period of designation, the treasurer 10968
classifies public moneys as interim moneys, the treasurer shall 10969
notify the governing board of such action. The notification shall 10970
be given within thirty days after such classification and in the 10971
event the governing board does not concur in such classification 10972
or in the investments or deposits made under this section, the 10973
governing board may order the treasurer to sell or liquidate any 10974
of such investments or deposits, and any such order shall 10975

specifically describe the investments or deposits and fix the date 10976
upon which they are to be sold or liquidated. Investments or 10977
deposits so ordered to be sold or liquidated shall be sold or 10978
liquidated for cash by the treasurer on the date fixed in such 10979
order at the then current market price. Neither the treasurer nor 10980
the members of the board shall be held accountable for any loss 10981
occasioned by sales or liquidations of investments or deposits at 10982
prices lower than their cost. Any loss or expense incurred in 10983
making such sales or liquidations is payable as other expenses of 10984
the treasurer's office. 10985

(J) If any investments or deposits purchased under the 10986
authority of this section are issuable to a designated payee or to 10987
the order of a designated payee, the name of the treasurer and the 10988
title of the treasurer's office shall be so designated. If any 10989
such securities are registrable either as to principal or 10990
interest, or both, then such securities shall be registered in the 10991
name of the treasurer as such. 10992

(K) The treasurer is responsible for the safekeeping of all 10993
documents evidencing a deposit or investment acquired by the 10994
treasurer under this section. Any securities may be deposited for 10995
safekeeping with a qualified trustee as provided in section 135.18 10996
of the Revised Code, except the delivery of securities acquired 10997
under any repurchase agreement under this section shall be made to 10998
a qualified trustee, provided, however, that the qualified trustee 10999
shall be required to report to the treasurer, governing board, 11000
auditor of state, or an authorized outside auditor at any time 11001
upon request as to the identity, market value, and location of the 11002
document evidencing each security, and that if the participating 11003
institution is a designated depository of the subdivision for the 11004
current period of designation, the securities that are the subject 11005
of the repurchase agreement may be delivered to the treasurer or 11006
held in trust by the participating institution on behalf of the 11007

subdivision. Interest earned on any investments or deposits 11008
authorized by this section shall be collected by the treasurer and 11009
credited by the treasurer to the proper fund of the subdivision. 11010

Upon the expiration of the term of office of a treasurer or 11011
in the event of a vacancy in the office of treasurer by reason of 11012
death, resignation, removal from office, or otherwise, the 11013
treasurer or the treasurer's legal representative shall transfer 11014
and deliver to the treasurer's successor all documents evidencing 11015
a deposit or investment held by the treasurer. For the investments 11016
and deposits so transferred and delivered, such treasurer shall be 11017
credited with and the treasurer's successor shall be charged with 11018
the amount of money held in such investments and deposits. 11019

(L) Whenever investments or deposits acquired under this 11020
section mature and become due and payable, the treasurer shall 11021
present them for payment according to their tenor, and shall 11022
collect the moneys payable thereon. The moneys so collected shall 11023
be treated as public moneys subject to sections 135.01 to 135.21 11024
of the Revised Code. 11025

(M)(1) All investments, except for investments in securities 11026
described in divisions (B)(5) and (6) of this section and for 11027
investments by a municipal corporation in the issues of such 11028
municipal corporation, shall be made only through a member of the 11029
financial industry regulatory authority (FINRA), through a bank, 11030
savings bank, or savings and loan association regulated by the 11031
superintendent of financial institutions, or through an 11032
institution regulated by the comptroller of the currency, federal 11033
deposit insurance corporation, or board of governors of the 11034
federal reserve system. 11035

(2) Payment for investments shall be made only upon the 11036
delivery of securities representing such investments to the 11037
treasurer, governing board, or qualified trustee. If the 11038
securities transferred are not represented by a certificate, 11039

payment shall be made only upon receipt of confirmation of 11040
transfer from the custodian by the treasurer, governing board, or 11041
qualified trustee. 11042

(N) In making investments authorized by this section, a 11043
treasurer or governing board may retain the services of an 11044
investment advisor, provided the advisor is licensed by the 11045
division of securities under section 1707.141 of the Revised Code 11046
or is registered with the securities and exchange commission, and 11047
possesses experience in public funds investment management, 11048
specifically in the area of state and local government investment 11049
portfolios, or the advisor is an eligible institution mentioned in 11050
section 135.03 of the Revised Code. 11051

(O)(1) Except as otherwise provided in divisions (O)(2) and 11052
(3) of this section, no treasurer or governing board shall make an 11053
investment or deposit under this section, unless there is on file 11054
with the auditor of state a written investment policy approved by 11055
the treasurer or governing board. The policy shall require that 11056
all entities conducting investment business with the treasurer or 11057
governing board shall sign the investment policy of that 11058
subdivision. All brokers, dealers, and financial institutions, 11059
described in division (M)(1) of this section, initiating 11060
transactions with the treasurer or governing board by giving 11061
advice or making investment recommendations shall sign the 11062
treasurer's or governing board's investment policy thereby 11063
acknowledging their agreement to abide by the policy's contents. 11064
All brokers, dealers, and financial institutions, described in 11065
division (M)(1) of this section, executing transactions initiated 11066
by the treasurer or governing board, having read the policy's 11067
contents, shall sign the investment policy thereby acknowledging 11068
their comprehension and receipt. 11069

(2) If a written investment policy described in division 11070
(O)(1) of this section is not filed on behalf of the subdivision 11071

with the auditor of state, the treasurer or governing board of 11072
that subdivision shall invest the subdivision's interim moneys 11073
only in interim deposits pursuant to division (B)(3) of this 11074
section or interim deposits pursuant to section 135.145 of the 11075
Revised Code and approved by the treasurer of state, no-load money 11076
market mutual funds pursuant to division (B)(5) of this section, 11077
or the Ohio subdivision's fund pursuant to division (B)(6) of this 11078
section. 11079

(3) Divisions (O)(1) and (2) of this section do not apply to 11080
a treasurer or governing board of a subdivision whose average 11081
annual portfolio of investments held pursuant to this section is 11082
one hundred thousand dollars or less, provided that the treasurer 11083
or governing board certifies, on a form prescribed by the auditor 11084
of state, that the treasurer or governing board will comply and is 11085
in compliance with the provisions of sections 135.01 to 135.21 of 11086
the Revised Code. 11087

(P) A treasurer or governing board may enter into a written 11088
investment or deposit agreement that includes a provision under 11089
which the parties agree to submit to nonbinding arbitration to 11090
settle any controversy that may arise out of the agreement, 11091
including any controversy pertaining to losses of public moneys 11092
resulting from investment or deposit. The arbitration provision 11093
shall be set forth entirely in the agreement, and the agreement 11094
shall include a conspicuous notice to the parties that any party 11095
to the arbitration may apply to the court of common pleas of the 11096
county in which the arbitration was held for an order to vacate, 11097
modify, or correct the award. Any such party may also apply to the 11098
court for an order to change venue to a court of common pleas 11099
located more than one hundred miles from the county in which the 11100
treasurer or governing board is located. 11101

For purposes of this division, "investment or deposit 11102
agreement" means any agreement between a treasurer or governing 11103

board and a person, under which agreement the person agrees to 11104
invest, deposit, or otherwise manage a subdivision's interim 11105
moneys on behalf of the treasurer or governing board, or agrees to 11106
provide investment advice to the treasurer or governing board. 11107

(Q) An investment made by the treasurer or governing board 11108
pursuant to this section prior to September 27, 1996, that was a 11109
legal investment under the law as it existed before September 27, 11110
1996, may be held until maturity. 11111

Sec. 135.144. (A) In addition to the authority provided in 11112
section 135.14 or 135.143 of the Revised Code, the treasurer of 11113
state or the treasurer or governing board of a political 11114
subdivision may invest interim moneys in certificates of deposit 11115
in accordance with all of the following: 11116

(1) The interim moneys initially are deposited with an 11117
eligible public depository described in section 135.03 of the 11118
Revised Code and selected, pursuant to section 135.12 of the 11119
Revised Code, by the treasurer of state or the treasurer or 11120
governing board of a political subdivision, for interim moneys of 11121
the state or of the political subdivision. 11122

(2) For the treasurer of state or the treasurer or governing 11123
board of the political subdivision depositing the interim moneys 11124
pursuant to division (A)(1) of this section, the eligible public 11125
depository selected pursuant to that division invests the interim 11126
moneys in certificates of deposit of one or more federally insured 11127
banks, savings banks, or savings and loan associations, wherever 11128
located. The full amount of principal and any accrued interest of 11129
each certificate of deposit invested in pursuant to division 11130
(A)(2) of this section shall be insured by federal deposit 11131
insurance. 11132

(3) For the treasurer of state or the treasurer or governing 11133
board of the political subdivision depositing the interim moneys 11134

depository selected pursuant to that division acts as custodian of 11136
the certificates of deposit described in division (A)(2) of this 11137
section. 11138

(4) On the same date the public moneys are redeposited by the 11139
public depository, the public depository may, in its sole 11140

from other banks, savings banks, or savings and loan associations. 11142

(5) The public depository provides to the treasurer of state 11143
or the treasurer or governing board of a political subdivision a 11144

association for which the public depository acts as a custodian 11147
pursuant to this section. 11148

(B) Interim moneys deposited or invested in accordance with 11149
division (A) of this section are not subject to any pledging 11150
requirements described in section 135.18 ~~or~~, 135.181, or 135.182 11151
of the Revised Code. 11152

section 135.14 or 135.143 of the Revised Code for the investment 11154
or deposit of interim moneys, the treasurer of state or the 11155
treasurer or governing board of a political subdivision, upon the 11156
deposit of interim moneys with, or the award of active or inactive 11157
deposits to, an eligible public depository described in section 11158
135.03 of the Revised Code and designated pursuant to section 11159

section 135.18 ~~or~~, 135.181, or 135.182 of the Revised Code. 11173

Notwithstanding the fact that a public depository is required 11438
to pledge eligible securities in certain amounts to secure 11439
deposits of public moneys, a trustee has no duty or obligation to 11440
determine the eligibility, market value, or face value of any 11441
securities deposited with the trustee by a public depository. This 11442
applies in all situations including, without limitation, a 11443
substitution or exchange of securities. 11444

Any charges or compensation of a designated trustee for 11445

Sec. 135.181. (A) As used in this section: 11458

(1) "Public depository" means that term as defined in section 11459
135.01 of the Revised Code, but also means an institution which 11460
receives or holds any public deposits as defined in section 135.31 11461
of the Revised Code. 11462

(2) "Public deposits," "public moneys," and "treasurer" mean 11463
those terms as defined in section 135.01 of the Revised Code, but 11464
also have the same meanings as are set forth in section 135.31 of 11465
the Revised Code. 11466

(3) "Subdivision" means that term as defined in section 11467
135.01 of the Revised Code, but also includes a county. 11468

(B) ~~In~~ Prior to the creation of the Ohio pooled collateral 11469
program under section 135.182 of the Revised Code, in lieu of the 11470
pledging requirements prescribed in sections 135.18 and 135.37 of 11471
the Revised Code, an institution designated as a public depository 11472
at its option may pledge a single pool of eligible securities to 11473
secure the repayment of all public moneys deposited in the 11474
institution and not otherwise secured pursuant to law, provided 11475
that at all times the total market value of the securities so 11476
pledged is at least equal to one hundred five per cent of the 11477
total amount of all public deposits to be secured by the pooled 11478
securities that are not covered by any federal deposit insurance. 11479

Each institution shall carry in its accounting records at all 11480
times a general ledger or other appropriate account of the total 11481
amount of all public deposits to be secured by the pool, as 11482
determined at the opening of business each day, and the total 11483
market value of securities pledged to secure such deposits. 11484

(C) The securities described in division (B) of section 11485
135.18 of the Revised Code shall be eligible as collateral for the 11486
purposes of division (B) of this section, provided no such 11487
securities pledged as collateral are at any time in default as to 11488
either principal or interest. 11489

(D) The state and each subdivision shall have an undivided 11490
security interest in the pool of securities pledged by a public 11491
depository pursuant to division (B) of this section in the 11492
proportion that the total amount of the state's or subdivision's 11493
public moneys secured by the pool bears to the total amount of 11494
public deposits so secured. 11495

(E) An institution designated as a public depository shall 11496
designate a qualified trustee and deposit with the trustee for 11497
safekeeping the eligible securities pledged pursuant to division 11498
(B) of this section. The institution shall give written notice of 11499
the qualified trustee to any treasurer or treasurers depositing 11500
public moneys for which such securities are pledged. The treasurer 11501
shall accept the written receipt of the trustee describing the 11502
pool of securities so deposited by the depository, a copy of which 11503
also shall be delivered to the depository. 11504

(F) Any federal reserve bank or branch thereof located in 11505
this state or federal home loan bank, without compliance with 11506
Chapter 1111. of the Revised Code and without becoming subject to 11507
any other law of this state relative to the exercise by 11508
corporations of trust powers generally, is qualified to act as 11509
trustee for the safekeeping of securities, under this section. Any 11510
institution mentioned in section 135.03 or 135.32 of the Revised 11511

Code which holds a certificate of qualification issued by the 11512
superintendent of financial institutions or any institution 11513
complying with sections 1111.04, 1111.05, and 1111.06 of the 11514
Revised Code is qualified to act as trustee for the safekeeping of 11515
securities under this section, other than those belonging to 11516
itself or to an affiliate as defined in division (A) of section 11517
1101.01 of the Revised Code. Upon application to the 11518
superintendent in writing by an institution, the superintendent 11519
shall investigate the applicant and ascertain whether or not it 11520
has been authorized to execute and accept trusts in this state and 11521
has safe and adequate vaults and efficient supervision thereof for 11522
the storage and safekeeping of securities. If the superintendent 11523
finds that the applicant has been so authorized and has such 11524
vaults and supervision thereof, the superintendent shall approve 11525
the application and issue a certificate to that effect, the 11526
original or any certified copy of which shall be conclusive 11527
evidence that the institution named therein is qualified to act as 11528
trustee for the purposes of this section with respect to 11529
securities other than those belonging to itself or to an 11530
affiliate. 11531

(G) The public depository at any time may substitute, 11532
exchange, or release eligible securities deposited with a 11533
qualified trustee pursuant to this section, provided that such 11534
substitution, exchange, or release does not reduce the total 11535
market value of the securities to an amount that is less than one 11536
hundred five per cent of the total amount of public deposits as 11537
determined pursuant to division (B) of this section. 11538

(H) Notwithstanding the fact that a public depository is 11539
required to pledge eligible securities in certain amounts to 11540
secure deposits of public moneys, a trustee has no duty or 11541
obligation to determine the eligibility, market value, or face 11542
value of any securities deposited with the trustee by a public 11543

depository. This applies in all situations including, but not 11544
limited to, a substitution or exchange of securities, but 11545
excluding those situations effectuated by division (I) of this 11546
section in which the trustee is required to determine face and 11547
market value. 11548

(I) If the public depository fails to pay over any part of 11549
the public deposits made therein as provided by law and secured 11550
pursuant to division (B) of this section, the treasurer shall give 11551
written notice of this failure to the qualified trustee holding 11552
the pool of securities pledged against public moneys deposited in 11553
the depository, and at the same time shall send a copy of this 11554
notice to the depository. Upon receipt of this notice, the trustee 11555
shall transfer to the treasurer for public sale, the pooled 11556
securities that are necessary to produce an amount equal to the 11557
deposits made by the treasurer and not paid over, less the portion 11558
of the deposits covered by any federal deposit insurance, plus any 11559
accrued interest due on the deposits; however, the amount shall 11560
not exceed the state's or subdivision's proportional security 11561
interest in the market value of the pool as of the date of the 11562
depository's failure to pay over the deposits, as that interest 11563
and value are determined by the trustee. The treasurer shall sell 11564
at public sale any of the bonds or other securities so 11565
transferred. Thirty days' notice of the sale shall be given in a 11566
newspaper of general circulation at Columbus, in the case of the 11567
treasurer of state, and at the county seat of the county in which 11568
the office of the treasurer is located, in the case of any other 11569
treasurer. When a sale of bonds or other securities has been so 11570
made and upon payment to the treasurer of the purchase money, the 11571
treasurer shall transfer such bonds or securities whereupon the 11572
absolute ownership of such bonds or securities shall pass to the 11573
purchasers. Any surplus after deducting the amount due the state 11574
or subdivision and expenses of sale shall be paid to the public 11575
depository. 11576

(J) Any charges or compensation of a designated trustee for acting as such under this section shall be paid by the public depository and in no event shall be chargeable to the state or subdivision or to the treasurer or to any officer of the state or subdivision. The charges or compensation shall not be a lien or charge upon the securities deposited for safekeeping prior or superior to the rights to and interests in the securities of the state or subdivision or of the treasurer. The treasurer and the treasurer's bonders or surety shall be relieved from any liability to the state or subdivision or to the public depository for the loss or destruction of any securities deposited with a qualified trustee pursuant to this section.

(K) In lieu of placing its unqualified endorsement on each security, a public depository pledging securities pursuant to division (B) of this section that are not negotiable without its endorsement or assignment may furnish to the qualified trustee holding the securities an appropriate resolution and irrevocable power of attorney authorizing the trustee to assign the securities. The resolution and power of attorney shall conform to terms and conditions the trustee prescribes.

(L) Upon request of a treasurer no more often than four times per year, a public depository shall report the amount of public moneys deposited by the treasurer and secured pursuant to division (B) of this section, and the total market value of the pool of securities pledged to secure public moneys held by the depository, including those deposited by the treasurer. Upon request of a treasurer no more often than four times per year, a qualified trustee shall report the total market value of the pool of securities deposited with it by the depository and shall provide an itemized list of the securities in the pool. These reports shall be made as of the date the treasurer specifies.

Under this program, each institution designated as a public depository that selects the pledging method prescribed in division (A)(2) of section 135.18 or division (A)(2) of section 135.37 of the Revised Code shall pledge to the treasurer of state a single pool of eligible securities for the benefit of all public depositors at the public depository to secure the repayment of all uninsured public deposits at the public depository, provided that at all times the total market value of the securities so pledged is at least equal to one hundred two per cent of the total amount of all uninsured public deposits, or in an amount determined by rules adopted by the treasurer of state. The rules shall set forth the criteria for determining the aggregate market value of the pool of eligible securities pledged by a public depository pursuant to this division. state shall monitor the eligibility, market value, and face value 11640
of the pooled securities pledged by the public depository. Each 11641
public depository shall carry in its accounting records at all 11642
times a general ledger or other appropriate account of the total 11643
amount of all public deposits to be secured by the pool, as 11644
determined at the opening of business each day, and the total 11645
market value of securities pledged to secure such deposits, and 11646
report such information to the treasurer of state in a manner and 11647
frequency as determined by the treasurer of state pursuant to 11648
rules adopted by the treasurer of state. 11649

(C) The public depository shall designate a qualified trustee 11650
approved by the treasurer of state and place with such trustee for 11651
safekeeping the eligible securities pledged pursuant to division 11652

securities in an account indicating the treasurer of state's 11654
security interest in the eligible securities. The treasurer of 11655
state shall give written notice of the trustee to all public 11656
depositories for which such securities are pledged. The trustee 11657
shall report to the treasurer of state information relating to the 11658
securities pledged to secure such public deposits in a manner and 11659
frequency as determined by the treasurer of state. 11660

(D) In order for a public depository to receive public moneys 11661
under this section, the public depository and the treasurer of 11662
state shall first execute an agreement that sets forth the entire 11663
arrangement among the parties and that meets the requirements 11664
described in 12 U.S.C. 1823(e). In addition, the agreement shall 11665
authorize the treasurer of state to obtain control of the 11666
collateral pursuant to division (D) of section 1308.24 of the 11667
Revised Code. 11668

(E) The securities or other obligations described in division 11669
(D) of section 135.18 of the Revised Code shall be eligible as 11670

collateral for the purposes of division (B) of this section, 11671
provided no such securities or obligations pledged as collateral 11672
are at any time in default as to either principal or interest. 11673

(F) Any federal reserve bank or branch thereof located in 11674
this state or federal home loan bank, without compliance with 11675
Chapter 1111. of the Revised Code and without becoming subject to 11676
any other law of this state relative to the exercise by 11677
corporations of trust powers generally, is qualified to act as 11678
trustee for the safekeeping of securities, under this section. Any 11679
institution mentioned in section 135.03 or 135.32 of the Revised 11680
Code that holds a certificate of qualification issued by the 11681
superintendent of financial institutions or any institution 11682
complying with sections 1111.04, 1111.05, and 1111.06 of the 11683
Revised Code is qualified to act as trustee for the safekeeping of 11684
securities under this section, other than those belonging to 11685
itself or to an affiliate as defined in section 1101.01 of the 11686
Revised Code. 11687

(G) The public depository may substitute, exchange, or 11688
release eligible securities deposited with the qualified trustee 11689
pursuant to this section, provided that such substitution, 11690
exchange, or release is effectuated pursuant to written 11691
authorization from the treasurer of state, and such action does 11692
not reduce the total market value of the securities to an amount 11693
that is less than the amount established pursuant to division (B) 11694
of this section. 11695

(H) Notwithstanding the fact that a public depository is 11696
required to pledge eligible securities in certain amounts to 11697
secure public deposits, a qualified trustee has no duty or 11698
obligation to determine the eligibility, market value, or face 11699
value of any securities deposited with the trustee by a public 11700
depository. This applies in all situations including, but not 11701
limited to, a substitution or exchange of securities, but 11702

excluding those situations effectuated by division (I) of this 11703
section in which the trustee is required to determine face and 11704
market value. 11705

(I) The qualified trustee shall enter into a custodial 11706
agreement with the treasurer of state and public depository in 11707
which the trustee agrees to comply with entitlement orders 11708
originated by the treasurer of state without further consent by 11709
the public depository or, in the case of collateral held by the 11710
public depository in an account at a federal reserve bank, the 11711
treasurer of state shall have the treasurer's security interest 11712
marked on the books of the federal reserve bank where the account 11713
for the collateral is maintained. If the public depository fails 11714
to pay over any part of the public deposits made therein as 11715
provided by law and secured pursuant to division (B) of this 11716
section, the treasurer of state shall give written notice of this 11717
failure to the qualified trustee holding the pool of securities 11718
pledged against the public deposits, and at the same time shall 11719
send a copy of this notice to the public depository. Upon receipt 11720
of this notice, the trustee shall transfer to the treasurer of 11721
state for sale, the pooled securities that are necessary to 11722
produce an amount equal to the public deposits made by the public 11723
depositor and not paid over, less the portion of the deposits 11724
covered by any federal deposit insurance, plus any accrued 11725
interest due on the deposits. The treasurer of state shall sell 11726
any of the bonds or other securities so transferred. When a sale 11727
of bonds or other securities has been so made and upon payment to 11728
the public depositor of the purchase money, the treasurer of state 11729
shall transfer such bonds or securities whereupon the absolute 11730
ownership of such bonds or securities shall pass to the 11731
purchasers. Any surplus after deducting the amount due to the 11732
public depositor and expenses of sale shall be paid to the public 11733
depository. 11734

(J) Any charges or compensation of a qualified trustee for acting as such under this section shall be paid by the public depository and in no event shall be chargeable to the public depositor or to any officer of the public depositor. The charges or compensation shall not be a lien or charge upon the securities deposited for safekeeping prior or superior to the rights to and interests in the securities of the public depositor. The treasurer and the treasurer's bonders or surety shall be relieved from any liability to the public depositor or to the public depository for the loss or destruction of any securities deposited with a qualified trustee pursuant to this section.

(6) The Ohio subdivision's fund as provided in section 135.45 11785
of the Revised Code; 11786

years from the date of settlement, unless the investment is 11888
matched to a specific obligation or debt of the county or to a 11889

section 135.32 of the Revised Code or any eligible securities 11895
dealer pursuant to division (J) of this section, under the terms 11896
of which agreement the investing authority purchases and the 11897
eligible institution or dealer agrees unconditionally to 11898
repurchase any of the securities listed in divisions ~~(B)~~(D)(1) to 11899
(5), except letters of credit described in division ~~(B)~~(D)(2), of 11900

by at least two per cent. A written repurchase agreement must 11904
exceed the principal value of the overnight written repurchase 11905
agreement, by at least two per cent. A written repurchase 11906
agreement shall not exceed thirty days, and the market value of 11907
securities subject to a written repurchase agreement must exceed 11908
the principal value of the written repurchase agreement by at 11909

purchased pursuant to this division shall be delivered into the 11911
custody of the investing authority or the qualified custodian of 11912
the investing authority or an agent designated by the investing 11913
authority. A written repurchase agreement with an eligible 11914
securities dealer shall be transacted on a delivery versus payment 11915
basis. The agreement shall contain the requirement that for each 11916
transaction pursuant to the agreement the participating 11917
institution shall provide all of the following information: 11918

(1) The par value of the securities; 11919

(2) The type, rate, and maturity date of the securities; 11920

(3) A numerical identifier generally accepted in the 11921

securities industry that designates the securities. 11922

No investing authority shall enter into a written repurchase 11923
agreement under the terms of which the investing authority agrees 11924
to sell securities owned by the county to a purchaser and agrees 11925
with that purchaser to unconditionally repurchase those 11926
securities. 11927

(E) No investing authority shall make an investment under 11928
this section, unless the investing authority, at the time of 11929
making the investment, reasonably expects that the investment can 11930
be held until its maturity. The investing authority's written 11931
investment policy shall specify the conditions under which an 11932
investment may be redeemed or sold prior to maturity. 11933

(F) No investing authority shall pay a county's inactive 11934
moneys or moneys of a county public library fund into a fund 11935
established by another subdivision, treasurer, governing board, or 11936
investing authority, if that fund was established by the 11937
subdivision, treasurer, governing board, or investing authority 11938
for the purpose of investing or depositing the public moneys of 11939
other subdivisions. This division does not apply to the payment of 11940
public moneys into either of the following: 11941

(1) The Ohio subdivision's fund pursuant to division (A)(6) 11942
of this section; 11943

(2) A fund created solely for the purpose of acquiring, 11944
constructing, owning, leasing, or operating municipal utilities 11945
pursuant to the authority provided under section 715.02 of the 11946
Revised Code or Section 4 of Article XVIII, Ohio Constitution. 11947

For purposes of division (F) of this section, "subdivision" 11948
includes a county. 11949

(G) The use of leverage, in which the county uses its current 11950
investment assets as collateral for the purpose of purchasing 11951
other assets, is prohibited. The issuance of taxable notes for the 11952

purpose of arbitrage is prohibited. Contracting to sell securities 11953
not owned by the county, for the purpose of purchasing such 11954
securities on the speculation that bond prices will decline, is 11955
prohibited. 11956

(H) Any securities, certificates of deposit, deposit 11957
accounts, or any other documents evidencing deposits or 11958
investments made under authority of this section shall be issued 11959
in the name of the county with the county treasurer or investing 11960
authority as the designated payee. If any such deposits or 11961
investments are registrable either as to principal or interest, or 11962
both, they shall be registered in the name of the treasurer. 11963

(I) The investing authority shall be responsible for the 11964
safekeeping of all documents evidencing a deposit or investment 11965
acquired under this section, including, but not limited to, 11966
safekeeping receipts evidencing securities deposited with a 11967
qualified trustee, as provided in section 135.37 of the Revised 11968
Code, and documents confirming the purchase of securities under 11969
any repurchase agreement under this section shall be deposited 11970
with a qualified trustee, provided, however, that the qualified 11971
trustee shall be required to report to the investing authority, 11972
auditor of state, or an authorized outside auditor at any time 11973
upon request as to the identity, market value, and location of the 11974
document evidencing each security, and that if the participating 11975
institution is a designated depository of the county for the 11976
current period of designation, the securities that are the subject 11977
of the repurchase agreement may be delivered to the treasurer or 11978
held in trust by the participating institution on behalf of the 11979
investing authority. 11980

Upon the expiration of the term of office of an investing 11981
authority or in the event of a vacancy in the office for any 11982
reason, the officer or the officer's legal representative shall 11983
transfer and deliver to the officer's successor all documents 11984

mentioned in this division for which the officer has been 11985
responsible for safekeeping. For all such documents transferred 11986
and delivered, the officer shall be credited with, and the 11987
officer's successor shall be charged with, the amount of moneys 11988
evidenced by such documents. 11989

(J)(1) All investments, except for investments in securities 11990
described in divisions (A)(5), (6), and (11) of this section, 11991
shall be made only through a member of the financial industry 11992
regulatory authority (FINRA), through a bank, savings bank, or 11993
savings and loan association regulated by the superintendent of 11994

corporation, or board of governors of the federal reserve system. 11997

(2) Payment for investments shall be made only upon the 11998
delivery of securities representing such investments to the 11999
treasurer, investing authority, or qualified trustee. If the 12000
securities transferred are not represented by a certificate, 12001
payment shall be made only upon receipt of confirmation of 12002
transfer from the custodian by the treasurer, governing board, or 12003
qualified trustee. 12004

(K)(1) Except as otherwise provided in division (K)(2) of 12005
this section, no investing authority shall make an investment or 12006
deposit under this section, unless there is on file with the 12007
auditor of state a written investment policy approved by the 12008
investing authority. The policy shall require that all entities 12009
conducting investment business with the investing authority shall 12010
sign the investment policy of that investing authority. All 12011
brokers, dealers, and financial institutions, described in 12012
division (J)(1) of this section, initiating transactions with the 12013
investing authority by giving advice or making investment 12014
recommendations shall sign the investing authority's investment 12015
policy thereby acknowledging their agreement to abide by the 12016

policy's contents. All brokers, dealers, and financial 12017
institutions, described in division (J)(1) of this section, 12018
executing transactions initiated by the investing authority, 12019
having read the policy's contents, shall sign the investment 12020
policy thereby acknowledging their comprehension and receipt. 12021

(2) If a written investment policy described in division 12022
(K)(1) of this section is not filed on behalf of the county with 12023
the auditor of state, the investing authority of that county shall 12024
invest the county's inactive moneys and moneys of the county 12025
public library fund only in time certificates of deposits or 12026

division (A)(6) of this section. 12030

(L)(1) The investing authority shall establish and maintain 12031
an inventory of all obligations and securities acquired by the 12032
investing authority pursuant to this section. The inventory shall 12033
include a description of each obligation or security, including 12034
type, cost, par value, maturity date, settlement date, and any 12035
coupon rate. 12036

(2) The investing authority shall also keep a complete record 12037
of all purchases and sales of the obligations and securities made 12038
pursuant to this section. 12039

(3) The investing authority shall maintain a monthly 12040
portfolio report and issue a copy of the monthly portfolio report 12041
describing such investments to the county investment advisory 12042
committee, detailing the current inventory of all obligations and 12043

inventory, any income received from the obligations and 12045
securities, and any investment expenses paid, and stating the 12046
names of any persons effecting transactions on behalf of the 12047
investing authority. 12048

(4) The monthly portfolio report shall be a public record and 12049
available for inspection under section 149.43 of the Revised Code. 12050

(5) The inventory and the monthly portfolio report shall be 12051
filed with the board of county commissioners. The monthly 12052
portfolio report also shall be filed with the treasurer of state. 12053

(M) An investing authority may enter into a written 12054
investment or deposit agreement that includes a provision under 12055
which the parties agree to submit to nonbinding arbitration to 12056
settle any controversy that may arise out of the agreement, 12057
including any controversy pertaining to losses of public moneys 12058
resulting from investment or deposit. The arbitration provision 12059
shall be set forth entirely in the agreement, and the agreement 12060
shall include a conspicuous notice to the parties that any party 12061
to the arbitration may apply to the court of common pleas of the 12062
county in which the arbitration was held for an order to vacate, 12063
modify, or correct the award. Any such party may also apply to the 12064
court for an order to change venue to a court of common pleas 12065
located more than one hundred miles from the county in which the 12066
investing authority is located. 12067

For purposes of this division, "investment or deposit 12068
agreement" means any agreement between an investing authority and 12069
a person, under which agreement the person agrees to invest, 12070
deposit, or otherwise manage, on behalf of the investing 12071

(2) An investment held in the county portfolio on September 12078
10, 2012, that was a legal investment under the law as it existed 12079

county may do all of the following: 12083

(1) Invest inactive or public moneys in linked deposits as 12084
authorized by resolution adopted pursuant to section 135.80 or 12085
135.801 of the Revised Code; 12086

(2) Invest inactive or public moneys in linked deposits as 12087

the Revised Code for a term considered appropriate by the 12089

(b) For the investing authority depositing the inactive 12098
moneys pursuant to division (A)(3)(a) of this section, the 12099
eligible public depository selected pursuant to that division 12100
invests the inactive moneys in certificates of deposit of one or 12101
more federally insured banks, savings banks, or savings and loan 12102
associations, wherever located. The full amount of principal and 12103

promptly prepared and made available for inspection to any person 13494
at all reasonable times during regular business hours. Subject to 13495
division (B)(8) of this section, upon request, a public office or 13496
person responsible for public records shall make copies of the 13497
requested public record available at cost and within a reasonable 13498
period of time. If a public record contains information that is 13499
exempt from the duty to permit public inspection or to copy the 13500
public record, the public office or the person responsible for the 13501
public record shall make available all of the information within 13502
the public record that is not exempt. When making that public 13503
record available for public inspection or copying that public 13504
record, the public office or the person responsible for the public 13505
record shall notify the requester of any redaction or make the 13506
redaction plainly visible. A redaction shall be deemed a denial of 13507
a request to inspect or copy the redacted information, except if 13508
federal or state law authorizes or requires a public office to 13509
make the redaction. 13510

(2) To facilitate broader access to public records, a public 13511
office or the person responsible for public records shall organize 13512
and maintain public records in a manner that they can be made 13513
available for inspection or copying in accordance with division 13514

copy of its current records retention schedule at a location 13516
readily available to the public. If a requester makes an ambiguous 13517
or overly broad request or has difficulty in making a request for 13518

copies or inspection of public records under this section such 13519
that the public office or the person responsible for the requested 13520
public record cannot reasonably identify what public records are 13521
being requested, the public office or the person responsible for 13522
the requested public record may deny the request but shall provide 13523
the requester with an opportunity to revise the request by 13524
informing the requester of the manner in which records are 13525
maintained by the public office and accessed in the ordinary 13526
course of the public office's or person's duties. 13527

(3) If a request is ultimately denied, in part or in whole, 13528
the public office or the person responsible for the requested 13529
public record shall provide the requester with an explanation, 13530
including legal authority, setting forth why the request was 13531
denied. If the initial request was provided in writing, the 13532
explanation also shall be provided to the requester in writing. 13533
The explanation shall not preclude the public office or the person 13534
responsible for the requested public record from relying upon 13535
additional reasons or legal authority in defending an action 13536
commenced under division (C) of this section. 13537

(4) Unless specifically required or authorized by state or 13538
federal law or in accordance with division (B) of this section, no 13539
public office or person responsible for public records may limit 13540
or condition the availability of public records by requiring 13541
disclosure of the requester's identity or the intended use of the 13542
requested public record. Any requirement that the requester 13543
disclose the requestor's identity or the intended use of the 13544
requested public record constitutes a denial of the request. 13545

(5) A public office or person responsible for public records 13546
may ask a requester to make the request in writing, may ask for 13547
the requester's identity, and may inquire about the intended use 13548
of the information requested, but may do so only after disclosing 13549
to the requester that a written request is not mandatory and that 13550

the requester may decline to reveal the requester's identity or 13551
the intended use and when a written request or disclosure of the 13552
identity or intended use would benefit the requester by enhancing 13553
the ability of the public office or person responsible for public 13554
records to identify, locate, or deliver the public records sought 13555
by the requester. 13556

(6) If any person chooses to obtain a copy of a public record 13557
in accordance with division (B) of this section, the public office 13558
or person responsible for the public record may require that 13559
person to pay in advance the cost involved in providing the copy 13560
of the public record in accordance with the choice made by the 13561
person seeking the copy under this division. The public office or 13562
the person responsible for the public record shall permit that 13563
person to choose to have the public record duplicated upon paper, 13564
upon the same medium upon which the public office or person 13565
responsible for the public record keeps it, or upon any other 13566
medium upon which the public office or person responsible for the 13567
public record determines that it reasonably can be duplicated as 13568
an integral part of the normal operations of the public office or 13569
person responsible for the public record. When the person seeking 13570
the copy makes a choice under this division, the public office or 13571
person responsible for the public record shall provide a copy of 13572
it in accordance with the choice made by the person seeking the 13573
copy. Nothing in this section requires a public office or person 13574
responsible for the public record to allow the person seeking a 13575
copy of the public record to make the copies of the public record. 13576

(7) Upon a request made in accordance with division (B) of 13577
this section and subject to division (B)(6) of this section, a 13578
public office or person responsible for public records shall 13579
transmit a copy of a public record to any person by United States 13580
mail or by any other means of delivery or transmission within a 13581
reasonable period of time after receiving the request for the 13582

copy. The public office or person responsible for the public 13583
record may require the person making the request to pay in advance 13584
the cost of postage if the copy is transmitted by United States 13585
mail or the cost of delivery if the copy is transmitted other than 13586
by United States mail, and to pay in advance the costs incurred 13587
for other supplies used in the mailing, delivery, or transmission. 13588

Any public office may adopt a policy and procedures that it 13589
will follow in transmitting, within a reasonable period of time 13590
after receiving a request, copies of public records by United 13591
States mail or by any other means of delivery or transmission 13592
pursuant to this division. A public office that adopts a policy 13593
and procedures under this division shall comply with them in 13594
performing its duties under this division. 13595

In any policy and procedures adopted under this division, a 13596
public office may limit the number of records requested by a 13597
person that the office will transmit by United States mail to ten 13598
per month, unless the person certifies to the office in writing 13599
that the person does not intend to use or forward the requested 13600
records, or the information contained in them, for commercial 13601
purposes. For purposes of this division, "commercial" shall be 13602
narrowly construed and does not include reporting or gathering 13603
news, reporting or gathering information to assist citizen 13604
oversight or understanding of the operation or activities of 13605
government, or nonprofit educational research. 13606

(8) A public office or person responsible for public records 13607
is not required to permit a person who is incarcerated pursuant to 13608
a criminal conviction or a juvenile adjudication to inspect or to 13609
obtain a copy of any public record concerning a criminal 13610
investigation or prosecution or concerning what would be a 13611
criminal investigation or prosecution if the subject of the 13612
investigation or prosecution were an adult, unless the request to 13613
inspect or to obtain a copy of the record is for the purpose of 13614

acquiring information that is subject to release as a public 13615
record under this section and the judge who imposed the sentence 13616
or made the adjudication with respect to the person, or the 13617
judge's successor in office, finds that the information sought in 13618
the public record is necessary to support what appears to be a 13619
justiciable claim of the person. 13620

(9)(a) Upon written request made and signed by a journalist 13621
on or after December 16, 1999, a public office, or person 13622

prosecuting attorney, correctional employee, community-based 13626

correctional employee's, community-based correctional facility 13638
employee's, youth services employee's, firefighter's, EMT's, or 13639
investigator of the bureau of criminal identification and 13640
investigation's spouse, former spouse, or child is employed by a 13641
public office, the name and address of the employer of the peace 13642
officer's, parole officer's, probation officer's, bailiff's, 13643
prosecuting attorney's, assistant prosecuting attorney's, 13644
correctional employee's, community-based correctional facility 13645
employee's, youth services employee's, firefighter's, EMT's, or 13646
investigator of the bureau of criminal identification and 13647

investigation's spouse, former spouse, or child. The request shall 13648
include the journalist's name and title and the name and address 13649
of the journalist's employer and shall state that disclosure of 13650
the information sought would be in the public interest. 13651

(b) Division (B)(9)(a) of this section also applies to 13652
journalist requests for customer information maintained by a 13653
municipally owned or operated public utility, other than social 13654
security numbers and any private financial information such as 13655
credit reports, payment methods, credit card numbers, and bank 13656
account information. 13657

(c) As used in division (B)(9) of this section, "journalist" 13658
means a person engaged in, connected with, or employed by any news 13659
medium, including a newspaper, magazine, press association, news 13660
agency, or wire service, a radio or television station, or a 13661
similar medium, for the purpose of gathering, processing, 13662
transmitting, compiling, editing, or disseminating information for 13663
the general public. 13664

(C)(1) If a person allegedly is aggrieved by the failure of a 13665
public office or the person responsible for public records to 13666
promptly prepare a public record and to make it available to the 13667
person for inspection in accordance with division (B) of this 13668
section or by any other failure of a public office or the person 13669
responsible for public records to comply with an obligation in 13670
accordance with division (B) of this section, the person allegedly 13671
aggrieved may commence a mandamus action to obtain a judgment that 13672
orders the public office or the person responsible for the public 13673
record to comply with division (B) of this section, that awards 13674
court costs and reasonable attorney's fees to the person that 13675
instituted the mandamus action, and, if applicable, that includes 13676
an order fixing statutory damages under division (C)(1) of this 13677
section. The mandamus action may be commenced in the court of 13678
common pleas of the county in which division (B) of this section 13679

allegedly was not complied with, in the supreme court pursuant to 13680
its original jurisdiction under Section 2 of Article IV, Ohio 13681
Constitution, or in the court of appeals for the appellate 13682
district in which division (B) of this section allegedly was not 13683
complied with pursuant to its original jurisdiction under Section 13684
3 of Article IV, Ohio Constitution. 13685

If a requestor transmits a written request by hand delivery 13686
or certified mail to inspect or receive copies of any public 13687
record in a manner that fairly describes the public record or 13688
class of public records to the public office or person responsible 13689
for the requested public records, except as otherwise provided in 13690
this section, the requestor shall be entitled to recover the 13691
amount of statutory damages set forth in this division if a court 13692
determines that the public office or the person responsible for 13693
public records failed to comply with an obligation in accordance 13694
with division (B) of this section. 13695

The amount of statutory damages shall be fixed at one hundred 13696
dollars for each business day during which the public office or 13697
person responsible for the requested public records failed to 13698
comply with an obligation in accordance with division (B) of this 13699
section, beginning with the day on which the requester files a 13700
mandamus action to recover statutory damages, up to a maximum of 13701
one thousand dollars. The award of statutory damages shall not be 13702
construed as a penalty, but as compensation for injury arising 13703
from lost use of the requested information. The existence of this 13704
injury shall be conclusively presumed. The award of statutory 13705
damages shall be in addition to all other remedies authorized by 13706
this section. 13707

The court may reduce an award of statutory damages or not 13708
award statutory damages if the court determines both of the 13709
following: 13710

(a) That, based on the ordinary application of statutory law 13711

and case law as it existed at the time of the conduct or 13712
threatened conduct of the public office or person responsible for 13713
the requested public records that allegedly constitutes a failure 13714
to comply with an obligation in accordance with division (B) of 13715
this section and that was the basis of the mandamus action, a 13716
well-informed public office or person responsible for the 13717
requested public records reasonably would believe that the conduct 13718
or threatened conduct of the public office or person responsible 13719
for the requested public records did not constitute a failure to 13720
comply with an obligation in accordance with division (B) of this 13721
section; 13722

(b) That a well-informed public office or person responsible 13723
for the requested public records reasonably would believe that the 13724
conduct or threatened conduct of the public office or person 13725
responsible for the requested public records would serve the 13726
public policy that underlies the authority that is asserted as 13727
permitting that conduct or threatened conduct. 13728

(2)(a) If the court issues a writ of mandamus that orders the 13729
public office or the person responsible for the public record to 13730
comply with division (B) of this section and determines that the 13731
circumstances described in division (C)(1) of this section exist, 13732
the court shall determine and award to the relator all court 13733
costs. 13734

(b) If the court renders a judgment that orders the public 13735
office or the person responsible for the public record to comply 13736
with division (B) of this section, the court may award reasonable 13737
attorney's fees subject to reduction as described in division 13738
(C)(2)(c) of this section. The court shall award reasonable 13739
attorney's fees, subject to reduction as described in division 13740
(C)(2)(c) of this section when either of the following applies: 13741

(i) The public office or the person responsible for the 13742
public records failed to respond affirmatively or negatively to 13743

the public records request in accordance with the time allowed 13744
under division (B) of this section. 13745

(ii) The public office or the person responsible for the 13746
public records promised to permit the relator to inspect or 13747
receive copies of the public records requested within a specified 13748
period of time but failed to fulfill that promise within that 13749
specified period of time. 13750

(c) Court costs and reasonable attorney's fees awarded under 13751
this section shall be construed as remedial and not punitive. 13752
Reasonable attorney's fees shall include reasonable fees incurred 13753
to produce proof of the reasonableness and amount of the fees and 13754
to otherwise litigate entitlement to the fees. The court may 13755
reduce an award of attorney's fees to the relator or not award 13756
attorney's fees to the relator if the court determines both of the 13757

this section and that was the basis of the mandamus action, a 13764
well-informed public office or person responsible for the 13765
requested public records reasonably would believe that the conduct 13766

comply with an obligation in accordance with division (B) of this 13769
section; 13770

(ii) That a well-informed public office or person responsible 13771

records, unless that period is less than eight hours. 13797

(2) The public office shall distribute the public records 13798

claimant, no action thereafter may be maintained by any other 14309

taxing district shall be reduced by the total of the amounts 15704
computed for the district under section 5703.80 of the Revised 15705

fiscal year 2003 multiplied by the percentage specified in 15719
division (G)(2) of this section. The payment shall be credited 15720
upon receipt to the county's undivided income tax fund, and the 15721
county auditor shall distribute the amount thereof among the 15722
various taxing districts of the county as if it had been levied, 15723
collected, and settled as personal property taxes. The amount 15724
received by a taxing district under this division shall be 15725
apportioned among its funds in the same proportion as the current 15726
year's personal property taxes are apportioned. 15727

(2) Payments required under division (G)(1) of this section 15728
shall be made at the following percentages of the amount certified 15729

(e) In fiscal year 2008, thirty-two per cent; 15736

(H)(1) On or before the fifteenth day of April each year, the county treasurer shall settle with the county auditor for all manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(2) On or before the fifteenth day of September each year, the county treasurer shall settle with the county auditor for all remaining manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(3) If the time for payment of such taxes is extended under section 4503.06 of the Revised Code, the time for making the settlement as prescribed by divisions (H)(1) and (2) of this section is extended for a like period of time.

(I) On or before the second Monday in September of each year, the county treasurer shall certify to the tax commissioner the total amount by which the manufactured home taxes levied in that year were reduced pursuant to section 319.302 of the Revised Code. Within ninety days after the receipt of such certification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to the amount certified by the treasurer. Such payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall transfer to the county general fund from the amount thereof the total amount of all fees and charges that the auditor and treasurer would have been authorized to receive had such section not been in effect and that amount had been levied and collected as manufactured home taxes. The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as manufactured home taxes.

other provision of this section, the county treasurer shall 15773
provide for payment to the treasurer of state, from the county 15774
undivided general tax fund, of an amount equal to the amount of 15775
the taxes and assessments the treasurer has collected with respect 15776
to the tangible personal property of electric companies and energy 15777
companies, as those terms are defined in section 5727.01 of the 15778
Revised Code, multiplied by a fraction, the numerator of which is 15779
the difference between the percentage determined for that tax year 15780
under division (B)(3) of section 5727.09 of the Revised Code and 15781
eighty-five per cent, and the denominator of which is the 15782
percentage determined for that tax year under that division. The 15783
treasurer of state shall place all money transferred pursuant to 15784
this division to the credit of the production equipment property 15785
tax replacement fund, which is hereby created in the state 15786
treasury. 15787

penalty as prescribed in section 323.12 or 323.17 of the Revised 15792
Code, the county treasurer shall cause to be prepared and mailed 15793
or delivered to each person charged on such duplicate with taxes 15794

at least twenty days prior to the close of the second-half tax 15802
collection period. The treasurer shall maintain a record of the 15803

person or agent to whom each bill is mailed or delivered. 15804

prepare and mail to each person in whose name property therein is 15807
listed an additional tax bill showing the total amount of 15808
delinquent taxes appearing on such duplicate against such 15809
property. The tax bill shall include a notice that the interest 15810
charge prescribed by division (B) of section 323.121 of the 15811
Revised Code has begun to accrue. 15812

A change in the mailing address of any tax bill shall be made 15813
in writing to the county treasurer. 15814

to be prepared and mailed or delivered to such owner a tax bill 15819
for the taxes allocated to the owner's part, together with the 15820
penalties, interest, and other charges. 15821

Failure to receive any bill required by this section does not 15822
excuse failure or delay to pay any taxes shown on such bill or, 15823
except as provided in division (B)(1) of section 5715.39 of the 15824
Revised Code, avoid any penalty, interest, or charge for such 15825
delay. 15826

Sec. 325.03. Each county auditor shall be classified, for 15827
salary purposes, according to the population of the county. All 15828
county auditors shall receive annual compensation in accordance 15829
with the following schedules and in accordance with section 325.18 15830

Sec. 339.06. (A) The board of county hospital trustees, upon 16632
completion of construction or leasing and equipping of a county 16633
hospital, shall assume and continue the operation of the hospital. 16634

(B) The board of county hospital trustees shall have the 16635

may in writing delegate its management and control of the county 16637
hospital to the administrator of the county hospital employed 16638
under section 339.07 of the Revised Code. The board shall 16639
establish such rules for the hospital's government, management, 16640
control, and the admission of persons as are expedient. 16641

(C) The board of county hospital trustees has control of the 16642
property of the county hospital, including management and disposal 16643
of surplus property other than real estate or an interest in real 16644
estate. 16645

(D) With respect to the use of funds by the board of county 16646

hospital trustees and its accounting for the use of funds, all of 16647
the following apply: 16648

(1) The board of county hospital trustees has control of all 16649
funds used in the county hospital's operation, including moneys 16650
received from the operation of the hospital, moneys appropriated 16651
for its operation by the board of county commissioners, and moneys 16652
resulting from special levies submitted by the board of county 16653
commissioners as provided for in section 5705.22 of the Revised 16654
Code. 16655

(2) Of the funds used in the county hospital's operation, all 16656
or part of any amount determined not to be necessary to meet 16657
current demands on the hospital may be invested by the board of 16658
county hospital trustees or its designee in any classifications of 16659
securities and obligations eligible for deposit or investment of 16660
county moneys pursuant to section 135.35 of the Revised Code, 16661
subject to the approval of the board's written investment policy 16662
by the county investment advisory committee established pursuant 16663
to section 135.341 of the Revised Code. If a county hospital is 16664
based in a county that has adopted a charter under Section 3 of 16665
Article X, Ohio Constitution, such funds may be invested by the 16666
board of county hospital trustees as provided in this division or 16667
in an ordinance adopted by the legislative authority of the 16668
county, in either case subject to approval by the county 16669
investment advisory committee, or as provided in section 339.061 16670
of the Revised Code. 16671

the board on the first day of that fiscal year. 16681

(4) The board of county hospital trustees shall not expend 16682
funds received from taxes collected pursuant to any tax levied 16683
under section 5705.22 of the Revised Code or the amount 16684
appropriated to the county hospital by the board of county 16685
commissioners in the annual appropriation measure for the county 16686
until its budget for the applicable fiscal year is approved in 16687
accordance with division (C)(3) of this section. At any time the 16688
amount received from those sources differs from the amount shown 16689
in the approved budget, the board of county commissioners may 16690
require the board of county hospital trustees to revise the county 16691
hospital budget accordingly. 16692

(5) Funds under the control of the board of county hospital 16693
trustees may be disbursed by the board, consistent with the 16694
approved budget, for the uses and purposes of the county hospital; 16695
for the replacement of necessary equipment; for the acquisition, 16696
leasing, or construction of permanent improvements to county 16697
hospital property; or for making a donation authorized by division 16698
(E) of this section. Each disbursement of funds shall be made on a 16699
voucher signed by signatories designated and approved by the board 16700
of county hospital trustees. 16701

(6) The head of a board of county hospital trustees is not 16702
required to file an estimate of contemplated revenue and 16703
expenditures for the ensuing fiscal year under section 5705.28 of 16704
the Revised Code unless the board of county commissioners levies a 16705
tax for the county hospital, or such a tax is proposed, or the 16706
board of county hospital trustees desires that the board of county 16707
commissioners make an appropriation to the county hospital for the 16708
ensuing fiscal year. 16709

(7) All moneys appropriated by the board of county 16710

commissioners or from special levies by the board of county 16711
commissioners for the operation of the hospital, when collected 16712
shall be paid to the board of county hospital trustees on a 16713
warrant of the county auditor and approved by the board of county 16714
commissioners. 16715

(8) The board of county hospital trustees shall provide for 16716

confined to a building or structure dedicated as a minimum 17587
security jail under division (B)(1) or (2) of this section and the 17588
sheriff, administrator, jailer, or other person responsible for 17589
operating the jail other than a contractor as defined in section 17590
9.06 of the Revised Code determines that it would be more 17591
appropriate for the person so confined to be confined in another 17592
jail or workhouse facility, the sheriff, administrator, jailer, or 17593
other person may transfer the person so confined to a more 17594
appropriate jail or workhouse facility. 17595

(C) All of the following apply to a building or structure 17596
that is dedicated pursuant to division (B)(1) or (2) of this 17597
section for use as a minimum security jail: 17598

(1) To the extent that the use of the building or structure 17599
as a minimum security jail requires a variance from any county, 17600
municipal corporation, or township zoning regulations or 17601
ordinances, the variance shall be granted. 17602

(2) Except as provided in this section, the building or 17603
structure shall not be used to confine any person unless it is in 17604
substantial compliance with any applicable housing, fire 17605
prevention, sanitation, health, and safety codes, regulations, or 17606
standards. 17607

(3) Unless such satisfaction or compliance is required under 17608
the standards described in division (C)(4) of this section, and 17609
notwithstanding any other provision of state or local law to the 17610
contrary, the building or structure need not satisfy or comply 17611
with any state or local building standard or code in order to be 17612

used to confine a person for the purposes specified in division 17613
(B) of this section. 17614

(4) The building or structure shall not be used to confine 17615
any person unless it is in compliance with all minimum standards 17616
and minimum renovation, modification, and construction criteria 17617
for minimum security jails that have been proposed by the 17618
department of rehabilitation and correction, through its bureau of 17619
adult detention, under section 5120.10 of the Revised Code. 17620

(5) The building or structure need not be renovated or 17621
modified into a secure detention facility in order to be used 17622
solely to confine a person for the purposes specified in divisions 17623
(B)(1)(a) or (b) and (B)(2)(a) or (b) of this section. 17624

(6) The building or structure shall be used, equipped, 17625
furnished, and staffed in the manner necessary to provide adequate 17626
and suitable living, sleeping, food service or preparation, 17627
drinking, bathing and toilet, sanitation, and other necessary 17628
facilities, furnishings, and equipment. 17629

(D) Except as provided in this section, a minimum security 17630
jail dedicated and used under this section shall be considered to 17631
be part of the jail, workhouse, or other correctional facilities 17632
of the county or the affiliated counties and municipal 17633
corporations for all purposes under the law. All persons confined 17634
in such a minimum security jail shall be and shall remain, in all 17635
respects, under the control of the county authority that has 17636
responsibility for the management and operation of the jail, 17637
workhouse, or other correctional facilities of the county or, if 17638
it is operated by any affiliation of counties or municipal 17639
corporations, under the control of the specified county or 17640
municipal corporation with that authority, provided that, if the 17641
person was convicted of a felony and is serving a residential 17642
sanction in the facility, all provisions of law that pertain to 17643
persons convicted of a felony that would not by their nature 17644

clearly be inapplicable apply regarding the person. A minimum 17645
security jail dedicated and used under this section shall be 17646
managed and maintained in accordance with policies and procedures 17647
adopted by the board of county commissioners or the affiliated 17648
counties and municipal corporations governing the safe and 17649
healthful operation of the jail, the confinement and supervision 17650
of the persons sentenced to it, and their participation in work 17651
release or similar rehabilitation programs. In addition to other 17652
rules of conduct and discipline, the rights of ingress and egress 17653
of persons confined in a minimum security jail dedicated and used 17654
under this section shall be subject to reasonable restrictions. 17655
Every person confined in a minimum security jail dedicated and 17656
used under this section shall be given verbal and written 17657
notification, at the time of the person's admission to the jail, 17658
that purposely leaving, or purposely failing to return to, the 17659
jail without proper authority or permission constitutes the felony 17660
offense of escape. 17661

(E) If a person who has been convicted of or pleaded guilty 17662
to an offense is sentenced to a term of imprisonment or a 17663
residential sanction in a minimum security jail as described in 17664
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 17665
an inmate transferred to a minimum security jail by order of a 17666
judge of the sentencing court as described in division 17667
(B)(1)~~(b)~~(c) or (B)(2)~~(b)~~(c) of this section, at the time of 17668
reception and at other times the person in charge of the operation 17669
of the jail determines to be appropriate, the sheriff or other 17670
person in charge of the operation of the jail may cause the 17671
convicted offender to be examined and tested for tuberculosis, HIV 17672
infection, hepatitis, including but not limited to hepatitis A, B, 17673
and C, and other contagious diseases. The person in charge of the 17674
operation of the jail may cause a convicted offender in the jail 17675
who refuses to be tested or treated for tuberculosis, HIV 17676
infection, hepatitis, including but not limited to hepatitis A, B, 17677

and C, or another contagious disease to be tested and treated 17678
involuntarily. 17679

Sec. 343.01. (A) In order to comply with division (B) of 17680
section 3734.52 of the Revised Code, the board of county 17681
commissioners of each county shall do one of the following: 17682

(1) Establish, by resolution, and maintain a county solid 17683
waste management district under this chapter that consists of all 17684
the incorporated and unincorporated territory within the county 17685
except as otherwise provided in division (A) of this section; 17686

(2) With the boards of county commissioners of one or more 17687
other counties establish, by agreement, and maintain a joint solid 17688
waste management district under this chapter that consists of all 17689
the incorporated and unincorporated territory within the counties 17690
forming the joint district except as otherwise provided in 17691
division (A) of this section. 17692

If a municipal corporation is located in more than one solid 17693
waste management district, the entire municipal corporation shall 17694
be considered to be included in and shall be under the 17695
jurisdiction of the district in which a majority of the population 17696
of the municipal corporation resides. 17697

A county and joint district established to comply with 17698
division (B) of section 3734.52 of the Revised Code shall have a 17699
population of not less than one hundred twenty thousand unless, in 17700
the instance of a county district, the board of county 17701
commissioners has obtained an exemption from that requirement 17702
under division (C)(1) or (2) of that section. Each joint district 17703
established to comply with an order issued under division (D) of 17704
that section shall have a population of at least one hundred 17705
twenty thousand. 17706

(B) The boards of county commissioners of the counties 17707

establishing a joint district constitute, collectively, the board 17708
of directors of the joint district, except that if a county with a 17709
form of legislative authority other than a board of county 17710
commissioners participates, it shall be represented on the board 17711
of directors by three persons appointed by the legislative 17712
authority. 17713

The agreement to establish and maintain a joint district 17714
shall be ratified by resolution of the board of county 17715
commissioners of each participating county. Upon ratification, the 17716
board of directors shall take control of and manage the joint 17717
district subject to this chapter, except that, in the case of a 17718
joint district formed pursuant to division (C), (D), or (E) of 17719
section 343.012 of the Revised Code, the board of directors shall 17720
take control of and manage the district when the formation of the 17721
district becomes final under the applicable division. A majority 17722
of the board of directors constitutes a quorum, and a majority 17723
vote is required for the board to act. 17724

A county participating in a joint district may contribute 17725
lands or rights or interests therein, money, other personal 17726
property or rights or interests therein, or services to the 17727
district. The agreement shall specify any contributions of 17728
participating counties and the rights of the participating 17729
counties in lands or personal property, or rights or interests 17730
therein, contributed to or otherwise acquired by the joint 17731
district. The agreement may be amended or added to by a majority 17732
vote of the board of directors, but no amendment or addition shall 17733
divest a participating county of any right or interest in lands or 17734
personal property without its consent. 17735

The board of directors may appoint and fix the compensation 17736
of employees of, accept gifts, devises, and bequests for, and take 17737
other actions necessary to control and manage the joint district. 17738
Employees of the district shall be considered county employees for 17739

the purposes of Chapter 124. of the Revised Code and other 17740
provisions of state law applicable to employees. Instead of or in 17741
addition to appointing employees of the district, the board of 17742
directors may agree to use employees of one or more of the 17743
participating counties in the service of the joint district and to 17744
share in their compensation in any manner that may be agreed upon. 17745

The board of directors shall do one of the following: 17746

(1) Designate the county auditor, including any other 17747
official acting in a capacity similar to a county auditor under a 17748
county charter, of a county participating in the joint district as 17749
the fiscal officer of the district, and the county treasurer, or 17750
other official acting in a capacity similar to a county treasurer 17751
under a county charter, of that county as the treasurer of the 17752
district. The designated county officials shall perform any 17753
applicable duties for the district as each typically performs for 17754
the county of which the individual is an official, except as 17755
otherwise may be provided in any bylaws or resolutions adopted by 17756
the board of directors. The board of directors may pay to that 17757
county any amount agreed upon by the board of directors and the 17758
board of county commissioners of that county to reimburse that 17759
county for the cost properly allocable to the service of its 17760
officials as fiscal officer and treasurer of the joint district. 17761

(2) Appoint one individual who is neither a county auditor 17762
nor a county treasurer, and who may be an employee of the 17763
district, to serve as both the treasurer of the district and its 17764
fiscal officer. That individual shall act as custodian of the 17765
funds of the board and the district and shall maintain all 17766
accounts of the district. Any reference in this chapter or Chapter 17767
3734. of the Revised Code to a county auditor or county treasurer 17768
serving as fiscal officer of a district or custodian of any funds 17769
of a board or district is deemed to refer to an individual 17770
appointed under division (B)(2) of this section. 17771

The fiscal officer of a district shall establish a general 17772
fund and any other necessary funds for the district. 17773

(C) A board of county commissioners of a county district or 17774
board of directors of a joint district may acquire, by purchase or 17775
lease, construct, improve, enlarge, replace, maintain, and operate 17776
such solid waste collection systems within their respective 17777
districts and such solid waste facilities within or outside their 17778
respective districts as are necessary for the protection of the 17779
public health. A board of county commissioners may acquire within 17780
its county real property or any estate, interest, or right 17781
therein, by appropriation or any other method, for use by a county 17782
or joint district in connection with such facilities. 17783
Appropriation proceedings shall be conducted in accordance with 17784
sections 163.01 to 163.22 of the Revised Code. 17785

(D) The sanitary engineer or sanitary engineering department 17786
of a county maintaining a district and any sanitary engineer or 17787
sanitary engineering department of a county in a joint district, 17788
as determined by the board of directors, in addition to other 17789
duties assigned to that engineer or department, shall assist the 17790
board of county commissioners or directors in the performance of 17791
their duties under this chapter and sections 3734.52 to 3734.575 17792
of the Revised Code and shall be charged with any other duties and 17793
services in relation thereto that the board prescribes. A board 17794
may employ registered professional engineers to assist the 17795
sanitary engineer in those duties and also may employ financial 17796
advisers and any other professional services it considers 17797
necessary to assist it in the construction, financing, and 17798
maintenance of solid waste collection or other solid waste 17799
facilities. Such contracts of employment shall not require the 17800
certificate provided in section 5705.41 of the Revised Code. 17801
Payment for such services may be made from the general fund or any 17802
other fund legally available for that use at times that are agreed 17803

upon or as determined by the board of county commissioners or 17804
directors, and the funds may be reimbursed from the proceeds of 17805
bonds or notes issued to pay the cost of any improvement to which 17806
the services related. 17807

(E)(1) The prosecuting attorney of the county shall serve as 17808
the legal advisor of a county district and shall provide such 17809
services to the board of county commissioners of the district as 17810
are required or authorized to be provided to other county boards 17811
under Chapter 309. of the Revised Code, except that, if the board 17812
considers it to be necessary or appropriate, the board, on its own 17813
initiative, may employ an attorney or other legal counsel on an 17814
annual basis to serve as the legal advisor of the district in 17815
place of the prosecuting attorney. When the prosecuting attorney 17816
is serving as the district's legal advisor and the board considers 17817
it to be necessary or appropriate, the board, on its own 17818
initiative, may employ an attorney or other legal counsel to 17819
represent or advise the board regarding a particular matter in 17820
place of the prosecuting attorney. The employment of an attorney 17821
or other legal counsel on an annual basis or in a particular 17822
matter is not subject to or governed by sections 305.14 and 309.09 17823
of the Revised Code. 17824

Notwithstanding the employment of an attorney or other legal 17825
counsel on an annual basis to serve as the district's legal 17826
advisor, the board may require written opinions or instructions 17827
from the prosecuting attorney under section 309.09 of the Revised 17828
Code in matters connected with its official duties as though the 17829
prosecuting attorney were serving as the legal advisor of the 17830
district. 17831

(2) The board of directors of a joint district may designate 17832
the prosecuting attorney of one of the counties forming the 17833
district to serve as the legal advisor of the district. When so 17834
designated, the prosecuting attorney shall provide such services 17835

to the joint district as are required or authorized to be provided 17836
to county boards under Chapter 309. of the Revised Code. The board 17837
of directors may pay to that county any amount agreed upon by the 17838
board of directors and the board of county commissioners of that 17839
county to reimburse that county for the cost properly allocable to 17840
the services of its prosecuting attorney as the legal advisor of 17841
the joint district. When that prosecuting attorney is so serving 17842
and the board considers it to be necessary or appropriate, the 17843
board, on its own initiative, may employ an attorney or other 17844
legal counsel to represent or advise the board regarding a 17845
particular matter in place of the prosecuting attorney. 17846

Instead of designating the prosecuting attorney of one of the 17847
counties forming the district to be the legal advisor of the 17848
district, the board of directors may employ on an annual basis an 17849
attorney or other legal counsel to serve as the district's legal 17850
advisor. Notwithstanding the employment of an attorney or other 17851
legal counsel as the district's legal advisor, the board of 17852
directors may require written opinions or instructions from the 17853
prosecuting attorney of any of the counties forming the district 17854
in matters connected with the board's official duties, and the 17855
prosecuting attorney shall provide the written opinion or 17856
instructions as though the prosecuting attorney had been 17857
designated to serve as the district's legal advisor under division 17858
(E)(2) of this section. 17859

(F) A board of county commissioners may issue bonds or bond 17860
anticipation notes of the county to pay the cost of preparing 17861
general and detailed plans and other data required for the 17862
construction of solid waste facilities in connection with a county 17863
or joint district. A board of directors of a joint solid waste 17864
management district may issue bonds or bond anticipation notes of 17865
the joint solid waste management district to pay the cost of 17866
preparing general and detailed plans and other data required for 17867

the construction of solid waste facilities in connection with a joint district. The bonds and notes shall be issued in accordance with Chapter 133. of the Revised Code, except that the maximum maturity of bonds issued for that purpose shall not exceed ten years. Bond anticipation notes may be paid from the proceeds of bonds issued either to pay the cost of the solid waste facilities or to pay the cost of the plans and other data.

(G) To the extent authorized by the solid waste management plan of the district approved under section 3734.521 or 3734.55 of the Revised Code or subsequent amended plans of the district approved under section 3734.521 or 3734.56 of the Revised Code, the board of county commissioners of a county district or board of directors of a joint district may adopt, publish, and enforce rules doing any of the following:

(1) Prohibiting or limiting the receipt of solid wastes generated outside the district or outside a service area prescribed in the solid waste management plan or amended plan, at facilities located within the solid waste management district, consistent with the projections contained in the plan or amended plan under divisions (A)(6) and (7) of section 3734.53 of the Revised Code. However, rules adopted by a board under division (G)(1) of this section may be adopted and enforced with respect to solid waste disposal facilities in the solid waste management district that are not owned by a county or the solid waste management district only if the board submits an application to the director of environmental protection that demonstrates that there is insufficient capacity to dispose of all solid wastes that are generated within the district at the solid waste disposal facilities located within the district and the director approves the application. The demonstration in the application shall be based on projections contained in the plan or amended plan of the district. The director shall establish the form of the

application. The approval or disapproval of such an application by 17900
the director is an action that is appealable under section 3745.04 17901
of the Revised Code. 17902

In addition, the director of environmental protection may 17903
issue an order modifying a rule adopted under division (G)(1) of 17904
this section to allow the disposal in the district of solid wastes 17905
from another county or joint solid waste management district if 17906
all of the following apply: 17907

(a) The district in which the wastes were generated does not 17908
have sufficient capacity to dispose of solid wastes generated 17909
within it for six months following the date of the director's 17910
order~~+~~. 17911

(b) No new solid waste facilities will begin operation during 17912
those six months in the district in which the wastes were 17913
generated and, despite good faith efforts to do so, it is 17914
impossible to site new solid waste facilities within the district 17915
because of its high population density~~+~~. 17916

(c) The district in which the wastes were generated has made 17917
good faith efforts to negotiate with other districts to 17918
incorporate its disposal needs within those districts' solid waste 17919
management plans, including efforts to develop joint facilities 17920
authorized under section 343.02 of the Revised Code, and the 17921
efforts have been unsuccessful~~+~~. 17922

(d) The district in which the wastes were generated has 17923
located a facility willing to accept the district's solid wastes 17924
for disposal within the receiving district~~+~~. 17925

(e) The district in which the wastes were generated has 17926
demonstrated to the director that the conditions specified in 17927
divisions (G)(1)(a) to (d) of this section have been met~~+~~. 17928

(f) The director finds that the issuance of the order will be 17929
consistent with the state solid waste management plan and that 17930

receipt of the out-of-district wastes will not limit the capacity 17931
of the receiving district to dispose of its in-district wastes to 17932
less than eight years. 17933

~~Any~~ 17934

Any order issued under division (G)(1) of this section shall 17935
not become final until thirty days after it has been served by 17936
certified mail upon the county or joint solid waste management 17937
district that will receive the out-of-district wastes. 17938

(2) Governing the maintenance, protection, and use of solid 17939
waste collection or other solid waste facilities located within 17940
its district. The rules adopted under division (G)(2) of this 17941
section shall not establish design standards for solid waste 17942
facilities and shall be consistent with the solid waste provisions 17943
of Chapter 3734. of the Revised Code and the rules adopted under 17944
those provisions. The rules adopted under division (G)(2) of this 17945
section may prohibit any person, municipal corporation, township, 17946
or other political subdivision from constructing, enlarging, or 17947
modifying any solid waste facility until general plans and 17948
specifications for the proposed improvement have been submitted to 17949
and approved by the board of county commissioners or board of 17950
directors as complying with the solid waste management plan or 17951
amended plan of the district. The construction of such a facility 17952
shall be done under the supervision of the county sanitary 17953
engineer or, in the case of a joint district, a county sanitary 17954
engineer designated by the board of directors, and any person, 17955
municipal corporation, township, or other political subdivision 17956
proposing or constructing such improvements shall pay to the 17957
county or joint district all expenses incurred by the board in 17958
connection therewith. The sanitary engineer may enter upon any 17959
public or private property for the purpose of making surveys or 17960
examinations necessary for designing solid waste facilities or for 17961
supervising the construction, enlargement, modification, or 17962

operation of any such facilities. No person, municipal 17963
corporation, township, or other political subdivision shall forbid 17964
or interfere with the sanitary engineer or the sanitary engineer's 17965
authorized assistants entering upon such property for that 17966
purpose. If actual damage is done to property by the making of the 17967
surveys and examinations, a board shall pay the reasonable value 17968
of that damage to the owner of the property damaged, and the cost 17969
shall be included in the financing of the improvement for which 17970
the surveys and examinations are made. 17971

(3) Governing the development and implementation of a program 17972
for the inspection of solid wastes generated outside the 17973
boundaries of this state that are disposed of at solid waste 17974
facilities included in the district's solid waste management plan 17975
or amended plan. A board of county commissioners or board of 17976
directors or its authorized representative may enter upon the 17977
premises of any solid waste facility included in the district's 17978
solid waste management plan or amended plan for the purpose of 17979
conducting the inspections required or authorized by the rules 17980
adopted under division (G)(3) of this section. No person, 17981
municipal corporation, township, or other political subdivision 17982
shall forbid or interfere with a board of county commissioners or 17983
directors or its authorized representative entering upon the 17984
premises of any such solid waste facility for that purpose. 17985

(4) Exempting the owner or operator of any existing or 17986
proposed solid waste facility provided for in the plan or amended 17987
plan from compliance with any amendment to a township zoning 17988
resolution adopted under section 519.12 of the Revised Code or to 17989
a county rural zoning resolution adopted under section 303.12 of 17990
the Revised Code that rezoned or redistricted the parcel or 17991
parcels upon which the facility is to be constructed or modified 17992
and that became effective within two years prior to the filing of 17993
an application for a permit required under division (A)(2)(a) of 17994

section 3734.05 of the Revised Code to open a new or modify an existing solid waste facility.

(H) A board of county commissioners or board of directors may enter into a contract with any person, municipal corporation, township, or other political subdivision for the operation and maintenance of any solid waste facilities regardless of whether the facilities are owned or leased by the county or joint district or the contractor.

(I)(1) No person, municipal corporation, township, or other political subdivision shall tamper with or damage any solid waste facility constructed under this chapter or any apparatus or accessory connected therewith or pertaining thereto, fail or refuse to comply with the applicable rules adopted by a board of county commissioners or directors under division (G)(1), (2), (3), or (4) of this section, refuse to permit an inspection or examination by a sanitary engineer as authorized under division (G)(2) of this section, or refuse to permit an inspection by a board of county commissioners or directors or its authorized representative as required or authorized by rules adopted under division (G)(3) of this section.

(2) If the board of county commissioners of a county district or board of directors of a joint district has established facility designations under section 343.013, 343.014, or 343.015 of the Revised Code, or the director has established facility designations in the initial or amended plan of the district prepared and ordered to be implemented under section 3734.521, 3734.55, or 3734.56 of the Revised Code, no person, municipal corporation, township, or other political subdivision shall deliver, or cause the delivery of, any solid wastes generated within a county or joint district to any solid waste facility other than the facility designated under section 343.013, 343.014, or 343.015 of the Revised Code, or in the initial or amended plan

of the district prepared and ordered to be implemented under 18027

by ordinance, resolution, or motion the establishment of the 18543
proposed new community authority and does not deliver such 18544
ordinance, resolution, or motion to the clerk of the 18545
organizational board of ~~county~~ commissioners with which the 18546
petition was filed within ninety days following the date of the 18547
first publication of the notice of the public hearing, the 18548
organizational board of commissioners shall cancel such public 18549
hearing and terminate the proceedings for the establishment of the 18550
new community authority. 18551

Upon the hearing, if the organizational board of 18552

board of trustees of the new community authority and fix the 18563
surety for their bonds in accordance with section 349.04 of the 18564

Revised Code. 18565

If the organizational board of commissioners finds that the 18566
establishment of the district will not be conducive to the public 18567
health, safety, convenience, or welfare, or is not intended to 18568
result in the development of a new community, it shall reject the 18569
petition thereby terminating the proceedings for the establishment 18570
of the new community authority. 18571

(B) At any time after the creation of a new community 18572
authority, the developer may file an application with the clerk of 18573
the organizational board of ~~county~~ commissioners ~~of the county in~~ 18574
with which the original petition was filed, setting forth a 18575
general description of territory it desires to add or to delete 18576
from such district, that such change will be conducive to the 18577
public health, safety, convenience, and welfare, and will be 18578
consistent with the development of a new community and will not 18579
jeopardize the plan of the new community. If the developer is not 18580
a municipal corporation, port authority, or county, all of such an 18581
addition to such a district shall be owned by, or under the 18582
control through leases of at least seventy-five years' duration, 18583

organizational board of commissioners shall follow the same 18588
procedure as required by this section in relation to the petition 18589
for the establishment of the proposed new community. 18590

(C) If all or any part of the new community district is 18591
annexed to one or more existing municipal corporations, their 18592
legislative authorities may appoint persons to replace any 18593
appointed citizen member of the board of trustees. The number of 18594
such trustees to be replaced by the municipal corporation shall be 18595
the number, rounded to the lowest integer, bearing the 18596

proportionate relationship to the number of existing appointed 18597
citizen members as the acreage of the new community district 18598
within such municipal corporation bears to the total acreage of 18599
the new community district. If any such municipal corporation 18600
chooses to replace an appointed citizen member, it shall do so by 18601
ordinance, the term of the trustee being replaced shall terminate 18602
thirty days from the date of passage of such ordinance, and the 18603
trustee to be replaced shall be determined by lot. Each newly 18604
appointed member shall assume the term of the member's 18605
predecessor. 18606

Sec. 349.04. The following method of selecting a board of 18607
trustees is deemed to be a compelling state interest. Within ten 18608
days after the new community authority has been established, as 18609
provided in section 349.03 of the Revised Code, an initial board 18610
of trustees shall be appointed as follows: the organizational 18611
board of commissioners shall appoint by resolution at least three, 18612
but not more than six, citizen members of the board of trustees to 18613
represent the interests of present and future residents and 18614
employers of the new community district and one member to serve as 18615
a representative of local government, and the developer shall 18616
appoint a number of members equal to the number of citizen members 18617
to serve as representatives of the developer. ~~In the case of a new~~ 18618
~~community authority established within three years after March 22,~~ 18619
~~2012, the citizen members may represent present and future~~ 18620
~~employers within the new community district and any present or~~ 18621
~~future residents of the district.~~ 18622

Members shall serve two-year overlapping terms, with two of 18623
each of the initial citizen and developer members appointed to 18624
serve initial one-year terms. The organizational board of 18625
commissioners shall adopt, by further resolution adopted within 18626
one year of such resolution establishing such initial board of 18627
trustees, a method for selection of successor members thereof 18628

which determines the projected total population of the projected 18629
new community and meets the following criteria: 18630

(A) The appointed citizen members shall be replaced by 18631
elected citizen members according to a schedule established by the 18632
organizational board of commissioners calculated to achieve one 18633
such replacement each time the new community district gains a 18634
proportion, having a numerator of one and a denominator of twice 18635
the number of citizen members, of its projected total population 18636
until such time as all of the appointed citizen members are 18637
replaced. 18638

(B) Representatives of the developer shall be replaced by 18639
elected citizen members according to a schedule established by the 18640
organizational board of commissioners calculated to achieve one 18641
such replacement each time the new community district gains a 18642
proportion, having a numerator of one and a denominator equal to 18643
the number of developer members, of its projected total population 18644
until such time as all of the developer's representatives are 18645
replaced. 18646

(C) The representative of local government shall be replaced 18647
by an elected citizen member at the time the new community 18648
district gains three-quarters of its projected total population. 18649

Elected citizen members of the board of trustees shall be 18650
elected by a majority of the residents of the new community 18651
district voting at elections held at the times and in the manner 18652
provided in a resolution of the organizational board of 18653
commissioners. Each citizen member except an appointed citizen 18654
member shall be a qualified elector who resides within the new 18655
community district. The organizational board of commissioners, by 18656
resolution, may adopt an alternative method of selecting or 18657
electing successor members of the board of trustees provided that 18658
if an alternative method of selection is adopted for a new 18659
community authority organized prior to March 22, 2012, the board 18660

of trustees of that authority shall be limited in the collection 18661
of a community development charge, collected pursuant to division 18662
(Q) of section 349.06 of the Revised Code, and the issuance of 18663
bonds or notes, issued pursuant to section 349.08 of the Revised 18664
Code, to the amount or to the extent otherwise permitted for a 18665
board of trustees whose members are not elected by residents of 18666
the new community district. If the alternative method provides for 18667
the election of citizen members, the elections may be held at the 18668
times and in the manner provided in the petition or in a 18669
resolution of the organizational board of commissioners, and the 18670
elected citizen members shall be qualified electors who reside in 18671
the new community district. 18672

Citizen members shall not be employees of or have financial 18673
interest in the developer. If a vacancy occurs in the office of a 18674
member other than a member appointed by the developer, the 18675
organizational board of commissioners may appoint a successor 18676
member for the remainder of the unexpired term. Any appointed 18677
member of the board of trustees may at any time be removed by the 18678
organizational board of commissioners for misfeasance, 18679
nonfeasance, or malfeasance in office. Members appointed by the 18680
developer may also at any time be removed by the developer without 18681
a showing of cause. 18682

Each member of the board of trustees, before entering upon 18683
official duties, shall take and subscribe to an oath before an 18684
officer authorized to administer oaths in Ohio that the member 18685
will honestly and faithfully perform the duties of the member's 18686
office. Such oath shall be filed in the office of the clerk of the 18687
organizational board of ~~county~~ commissioners ~~in~~ with which the 18688
petition was filed. Upon taking the oath, the board of trustees 18689
shall elect one of its number as chairperson and another as 18690
vice-chairperson, and shall appoint suitable persons as secretary 18691
and treasurer who need not be members of the board. The treasurer 18692

shall be the fiscal officer of the authority. The board shall 18693
adopt by-laws governing the administration of the affairs of the 18694
new community authority. Each member of the board shall post a 18695
bond for the faithful performance of official duties and give 18696
surety therefor in such amount, but not less than ten thousand 18697
dollars, as the resolution creating such board shall prescribe. 18698

All of the powers of the new community authority shall be 18699
exercised by its board of trustees, but without relief of such 18700
responsibility, such powers may be delegated to committees of the 18701
board or its officers and employees in accordance with its 18702
by-laws. A majority of the board shall constitute a quorum, and a 18703
concurrence of a majority of a quorum in any matter within the 18704
board's duties is sufficient for its determination, provided a 18705
quorum is present when such concurrence is had and a majority of 18706
those members constituting such quorum are trustees not appointed 18707
by the developer. All trustees shall be empowered to vote on all 18708
matters within the authority of the board of trustees, and no vote 18709
by a member appointed by the developer shall be construed to give 18710
rise to civil or criminal liability for conflict of interest on 18711
the part of public officials. 18712

establishing such community development charge is recorded, 18863
provided that in the event a conveyance of such real estate or 18864

covenant shall continue to be deemed to be a covenant running with 18867
the land fully binding on behalf of and enforceable by the 18868

the board has determined that the new community development 18894
program has been completed, when no community authority bonds or 18895

Sec. 351.021. (A) The resolution of the county commissioners 18940
creating a convention facilities authority, or any amendment or 18941
supplement to that resolution, may authorize the authority to levy 18942
one or both of the excise taxes authorized by division (B) of this 18943
section to pay the cost of one or more facilities; to pay 18944
principal, interest, and premium on convention facilities 18945

authority tax anticipation bonds issued to pay those costs; to pay 18946
the operating costs of the authority; to pay operating and 18947
maintenance costs of those facilities; and to pay the costs of 18948
administering the excise tax. 18949

(B) The board of directors of a convention facilities 18950
authority that has been authorized pursuant to resolution adopted, 18951
amended, or supplemented by the board of county commissioners 18952
pursuant to division (A) of this section may levy, by resolution 18953
adopted on or before December 31, 1988, either or both of the 18954
following: 18955

(1) Within the territory of the authority, an additional 18956
excise tax not to exceed four per cent on each transaction. The 18957
excise tax authorized by division (B)(1) of this section shall be 18958
in addition to any excise tax levied pursuant to section 5739.08 18959
or 5739.09 of the Revised Code, or division (B)(2) of this 18960
section. 18961

(2) Within that portion of any municipal corporation that is 18962
located within the territory of the authority or within the 18963
boundaries of any township that is located within the territory of 18964
the authority, which municipal corporation or township is levying 18965
any portion of the excise tax authorized by division (A) of 18966
section 5739.08 of the Revised Code, and with the approval, by 18967
ordinance or resolution, of the legislative authority of that 18968
municipal corporation or township, an additional excise tax not to 18969
exceed nine-tenths of one per cent on each transaction. The excise 18970
tax authorized by division (B)(2) of this section may be levied 18971
only if, on the effective date of the levy specified in the 18972
resolution making the levy, the amount being levied pursuant to 18973
division (A) of section 5739.08 of the Revised Code by each 18974
municipal corporation or township in which the tax authorized by 18975
division (B)(2) of this section will be levied, when added to the 18976
amount levied under division (B)(2) of this section, does not 18977

exceed three per cent on each transaction. The excise tax 18978
authorized by division (B)(2) of this section shall be in addition 18979
to any excise tax that is levied pursuant to section 5739.08 or 18980
5739.09 of the Revised Code, or division (B)(1) of this section. 18981

(C)(1) The board of directors of a convention facilities 18982
authority that is located in an eligible Appalachian county; that 18983
has been authorized pursuant to resolution adopted, amended, or 18984
supplemented by the board of county commissioners pursuant to 18985
division (A) of this section; and that is not levying a tax under 18986
division (B)(1) or (2) of this section may levy within the 18987
territory of the authority, by resolution adopted on or before 18988
December 31, 2005, an additional excise tax not to exceed three 18989
per cent on each transaction. The excise tax authorized under 18990
division (C)(1) of this section shall be in addition to any excise 18991
tax levied pursuant to section 5739.08 or 5739.09 of the Revised 18992
Code. 18993

As used in division (C)(1) of this section, "eligible 18994
Appalachian county" means a county in this state designated as 18995
being in the "Appalachian region" under the "Appalachian Regional 18996
Development Act of 1965," 79 Stat. 4, 40 U.S.C. App. 403, and 18997
having a population less than eighty thousand according to the 18998
most recent federal decennial census. 18999

(2) Division (C)(2) of this section applies only to a 19000
convention facilities authority located in a county with a 19001
population, according to the 2000 federal decennial census, of at 19002
least one hundred thirty-five thousand and not more than one 19003
hundred fifty thousand and containing entirely within its 19004
boundaries the territory of a municipal corporation with a 19005
population according to that census of more than fifty thousand. 19006
The board of directors of such a convention facilities authority, 19007
by resolution adopted on or before November 1, 2009, may levy 19008
within the territory of the authority an excise tax on 19009

transactions by which lodging by a hotel is or is to be furnished 19010
to transient guests at a rate not to exceed three per cent on such 19011
transactions for the same purposes for which a tax may be levied 19012
under division (B) of this section. The resolution may be adopted 19013
only if the board of county commissioners of the county, by 19014
resolution, authorizes the levy of the tax. The resolution of the 19015
board of county commissioners is subject to referendum as 19016
prescribed by sections 305.31 to 305.41 of the Revised Code. If, 19017
pursuant to those procedures, a referendum is to be held, the 19018
board's resolution does not take effect until approved by a 19019
majority of electors voting on the question. The convention 19020
facilities authority may adopt the resolution authorized by 19021
division (C)(2) of this section before the election, but the 19022
authority's resolution shall not take effect if the board of 19023
commissioners' resolution is not approved at the election. A tax 19024
levied under division (C)(2) of this section is in addition to any 19025
tax levied under section 5739.09 of the Revised Code. 19026

(D) The authority shall provide for the administration and 19027
allocation of an excise tax levied pursuant to division (B) or (C) 19028
of this section. All receipts arising from those excise taxes 19029
shall be expended for the purposes provided in, and in accordance 19030
with this section and section 351.141 of the Revised Code. An 19031
excise tax levied under division (B) or (C) of this section shall 19032
remain in effect at the rate at which it is levied for at least 19033
the duration of the period for which the receipts from the tax 19034
have been anticipated and pledged pursuant to section 351.141 of 19035
the Revised Code. 19036

(E) Except as provided in division (B)(2) of this section, 19037
the levy of an excise tax on each transaction pursuant to sections 19038
5739.08 and 5739.09 of the Revised Code does not prevent a 19039
convention facilities authority from levying an excise tax 19040
pursuant to division (B) or (C) of this section. 19041

(F) A convention facilities authority located in a county 19042
with a population greater than eighty thousand but less than 19043
ninety thousand according to the 2010 federal decennial census 19044
that levies a tax under division (B) of this section may amend the 19045
resolution levying the tax to allocate a portion of the revenue 19046
from the tax for support of tourism-related sites or facilities 19047
and programs operated by the county or a municipal corporation 19048
within the county in which the authority is located or for the 19049
purpose of leasing lands for county fairs, erecting buildings for 19050
county fair purposes, making improvements on a county fairground, 19051
or for any purpose connected with the use of a county fairground 19052
or with the management thereof by the county in which the 19053
authority is located. The revenue allocated by the authority for 19054
such purposes in a calendar year shall not exceed fifteen per cent 19055
of the total revenue from the tax in the preceding calendar year. 19056

(G) A tax levied by a convention facilities authority under 19057
this section on transactions by which lodging by a hotel is or is 19058
to be furnished to transient guests shall include transactions 19059
done by or through a provider of hotel intermediary services, as 19060
defined in section 5739.01 of the Revised Code, and shall be 19061
levied on the basis of the total price paid by the consumer for 19062
hotel lodging as advertised by the provider of hotel intermediary 19063
services. 19064

Sec. 353.06. As used in this section, "hotel," "hotel 19065
intermediary service," and "transient guests" have the same 19066
meanings as in section 5739.01 of the Revised Code. 19067

A resolution creating a lake facilities authority under 19068
section 353.02 of the Revised Code, or any amendments or 19069
supplements thereto, may authorize the authority to levy an excise 19070
tax on transactions by which lodging in a hotel is or is to be 19071
furnished to transient guests to pay any costs authorized under 19072

this chapter; to pay principal, interest, and premium on lake facilities authority tax anticipation bonds issued to pay those costs; to pay the operating costs of the authority; and to pay the costs of administering the tax.

Upon the affirmative vote of at least a majority of the qualified electors in a primary or general election within the impacted lake district voting at an election held for the purpose of authorizing the tax, the board of directors of a lake facilities authority authorized to levy a tax under this section may, by resolution, levy an additional excise tax within the territory of the impacted lake district on all transactions by which lodging in a hotel is or is to be furnished to transient guests. The rate of the tax, when added to the aggregate rate of excise taxes levied in the impacted lake district pursuant to section 351.021, 5739.08, or 5739.09 of the Revised Code, shall not cause the total aggregate rate to exceed five per cent on any such transaction.

The lake facilities authority shall provide for the administration and allocation of a tax levied pursuant to this section. All receipts arising from the tax shall be expended for the purposes provided in, and in accordance with, this section. An excise tax levied under this section shall remain in effect at the rate at which it is levied for at least the duration of the period for which the receipts from the tax have been anticipated and pledged pursuant to section 353.08 of the Revised Code.

The form of the ballot in an election held on the question of levying a tax proposed pursuant to this section shall be as follows or in any other form acceptable to the secretary of state:

section requiring the payment of a penalty if a payment made by 19268
means of a financial transaction device is returned or dishonored 19269
for any reason. 19270

The board's resolution also shall designate the township 19271
fiscal officer as an administrative agent to solicit proposals, 19272
within guidelines established by the board in the resolution and 19273
in compliance with the procedures provided in division (C) of this 19274
section, from financial institutions, issuers of financial 19275
transaction devices, and processors of financial transaction 19276
devices, to make recommendations about those proposals to the 19277
board, and to assist township offices in implementing the 19278
township's financial transaction devices program. 19279

(C) The township shall follow the procedures provided in this 19280

from financial institutions, issuers of financial transaction 19285

(D) A board of township trustees adopting a resolution under 19300
this section shall post a copy of the resolution in each township 19301

Each township office subject to the board's resolution 19303
adopted under division (B) of this section may use only the 19304
financial institutions, issuers of financial transaction devices, 19305
and processors of financial transaction devices with which the 19306
board of township trustees contracts, and each such office is 19307
subject to the terms of those contracts. 19308

(E) A board of township trustees may establish a surcharge or 19309
convenience fee that may be imposed upon a person making payment 19310
by a financial transaction device. The surcharge or convenience 19311
fee shall not be imposed unless authorized or otherwise permitted 19312

by the rules prescribed by an agreement governing the use and 19313
acceptance of the financial transaction device. 19314

If a surcharge or convenience fee is imposed, every township 19315
office accepting payment by a financial transaction device shall 19316
clearly post a notice in that office, and shall notify each person 19317
making a payment by such a device, about the surcharge or fee. 19318
Notice to each person making a payment shall be provided 19319
regardless of the medium used to make the payment and in a manner 19320

or fee expressed as a percentage of the total amount of the 19327
transaction, whichever is applicable; 19328

(3) A clear statement that the surcharge or convenience fee 19329
is nonrefundable. 19330

(F) If a person elects to make a payment to the township by a 19331
financial transaction device and a surcharge or convenience fee is 19332
imposed, the payment of the surcharge or fee shall be considered 19333
voluntary and the surcharge or fee is not refundable. 19334

(G) If a person makes payment by financial transaction device 19335
and the payment is returned or dishonored for any reason, the 19336
person is liable to the township for payment of a penalty over and 19337
above the amount of the expense due. The board of township 19338
trustees shall determine the amount of the penalty, which may be 19339
either a fee not to exceed twenty dollars or payment of the amount 19340
necessary to reimburse the township for banking charges, legal 19341
fees, or other expenses incurred by the township in collecting the 19342
returned or dishonored payment. The remedies and procedures 19343

provided in this section are in addition to any other available 19344
civil or criminal remedies provided by law. 19345

(H) No person making any payment by financial transaction 19346
device to a township office shall be relieved from liability for 19347
the underlying obligation except to the extent that the township 19348
realizes final payment of the underlying obligation in cash or its 19349
equivalent. If final payment is not made by the financial 19350
transaction device issuer or other guarantor of payment in the 19351
transaction, the underlying obligation shall survive and the 19352
township shall retain all remedies for enforcement that would have 19353
applied if the transaction had not occurred. 19354

(I) A township official or employee who accepts a financial 19355
transaction device payment in accordance with this section and any 19356
applicable state or local policies or rules is immune from 19357

Sec. 507.11. (A) The board of township trustees may 19852
authorize, by resolution, township officers and employees to incur 19853
obligations of two thousand five hundred dollars or less on behalf 19854

the board of township trustees. 19860

(B)(1) No money belonging to the township shall be paid out, 19861
except upon an order signed by at least two of the township 19862

trustees, and countersigned by the township fiscal officer. 19863

(2) As provided in division (E) of section 9.37 of the 19864
Revised Code, and notwithstanding division (B)(1) of this section, 19865
a board of township trustees may adopt a resolution authorizing 19866
the payment of lawful obligations of the township by direct 19867
deposit of funds by electronic transfer in accordance with section 19868
9.37 of the Revised Code. 19869

Sec. 517.07. Upon application, the board of township trustees 19870
shall sell at a reasonable price the number of lots as public 19871
wants demand for burial purposes. Purchasers of lots or other 19872
interment rights, upon complying with the terms of sale, may 19873
receive deeds for the lots or rights which the board shall execute 19874
and which shall be recorded by the township fiscal officer in a 19875
book for that purpose. The expense of recording shall be paid by 19876
the person receiving the deed. Upon the application of a head of a 19877
family living in the township, the board shall, without charge, 19878
make and deliver to the applicant a deed for a suitable lot or 19879
right for the ~~burial~~ interment of the applicant's family, if, in 19880
the opinion of the board and by reason of the circumstances of the 19881
family, the payment would be oppressive. 19882

The terms of sale and any deed for lots executed after July 19883
24, 1986, for an entombment, columbarium, or other interment right 19884
executed on or after the effective date of this amendment, may 19885
include the following requirements: 19886

(A) The grantee shall provide to the board of township 19887
trustees, in writing, a list of the names and addresses of the 19888
persons to whom the grantee's property would pass by intestate 19889
succession. 19890

(B) The grantee shall notify the board in writing of any 19891
subsequent changes in the name or address of any persons to whom 19892
property would descend. 19893

(C) Any person who receives a township cemetery lot or right 19894
by gift, inheritance, or any other means other than the original 19895
conveyance shall, within one year after receiving the interest, 19896
give written notice of the person's name and address to the board 19897
having control of the cemetery, and shall notify the board of any 19898
subsequent changes in the person's name or address. 19899

The terms of sale and any deed for any lots or rights 19900
executed in compliance with the notification requirements set 19901
forth in divisions (A), (B), and (C) of this section shall state 19902
that the board of township trustees shall have right of reentry to 19903
the cemetery lot or right if the notification requirements are not 19904
met. At least ninety days before establishing reentry, the board 19905
shall send a notice by certified mail to the last known owner at 19906
the owner's last known address to inform the owner that the 19907
owner's interest in the lot or right will cease unless the 19908
notification requirements are met. If the owner's address is 19909
unknown and cannot reasonably be obtained, it is sufficient to 19910
publish the notice once in a newspaper of general circulation in 19911
the county. In order to establish reentry, the board shall pass a 19912
resolution stating that the conditions of the sale or of the deed 19913
have not been fulfilled, and that the board reclaims its interest 19914
in the lot or right. 19915

The board may limit the terms of sale or the deed for a 19916
cemetery lot or right by specifying that the owner, a member of 19917
the owner's family, or an owner's descendant must use the lot, 19918
tomb, or columbarium, or at least ~~one burial place within a~~ 19919
portion of the lot, tomb, or columbarium, within a specified time 19920
period. The board may specify this time period to be at least 19921
twenty but not more than fifty years, with right of renewal 19922
provided at no cost. At least ninety days prior to the termination 19923
date for use of the cemetery lot, tomb, or columbarium, the board 19924
shall send a notice to the owner to inform the owner that the 19925

owner's interest in the lot or right will cease on the termination 19926
date unless the owner contracts for renewal by that date. The 19927
board shall send the notice by certified mail to the owner if the 19928
owner is a resident of the township or is a nonresident whose 19929
address is known. If the owner's address is unknown and cannot 19930
reasonably be obtained, it is sufficient to publish the notice 19931
once in a newspaper of general circulation in the county. 19932

The terms of sale and any deed for lots or rights conveyed 19933
with a termination date shall state that the board shall have 19934
right of reentry to the lot or right at the end of the specified 19935
time period if the lot, tomb, or columbarium, is not used within 19936
this time period or renewed for an extended period. In order to 19937
establish reentry, the board shall pass a resolution stating that 19938
the conditions of the sale or of the deed have not been fulfilled, 19939
and that the board reclaims its interest in the lot or right. The 19940
board shall compensate owners of unused lots or rights who do not 19941
renew the terms of sale or the deed by paying the owner eighty per 19942
cent of the purchase price. The board may repurchase any cemetery 19943
lot or right from its owner at any time at a price that is 19944
mutually agreed upon by the board and the owner. 19945

Sec. 517.073. The board of township trustees may reenter a 19946
lot for which the terms of sale or deed was executed prior to July 19947
24, 1986, or an entombment, columbarium, or other interment right 19948
for which the terms of sale or deed was executed prior to the 19949
effective date of this section, if the board determines the lot or 19950
right is unused and adopts a resolution creating a procedure for 19951
right of reentry in accordance with this section. The resolution 19952
shall state that the board of township trustees has the right of 19953
reentry to the cemetery lot or right purchased prior to July 24, 19954
1986, or prior to the effective date of this section. Before 19955
reentering a lot or right, the board shall send a notice by 19956
certified mail to the last known owner at the owner's last known 19957

address to inform the owner that the owner's interest in the lot 19958
or right will cease unless the owner or owner's heir responds by a 19959
specified date. If the owner's address is unknown and cannot be 19960
obtained reasonably, it is sufficient to publish the notice once 19961
in a newspaper of general circulation in the county. To establish 19962
reentry, the board shall pass a resolution stating that the owner 19963
has not responded by the specified date, and that the board 19964
reclaims its interest in the lot or right. 19965

At least ninety days prior to the termination date for use of 19966
the cemetery lot, tomb, or columbarium, the board shall send a 19967
notice to the owner to inform the owner that the owner's interest 19968
in the lot or right will cease on the termination date unless the 19969
owner or owner's heir contracts for renewal by that date. The 19970
board shall send the notice by certified mail to the owner if the 19971
owner is a resident of the township or is a nonresident whose 19972
address is known. If the owner's address is unknown and cannot 19973
reasonably be obtained, it is sufficient to publish the notice 19974
once in a newspaper of general circulation in the county. 19975

In order to establish reentry, the board shall pass a 19976
resolution stating that because of the lack of response to notice 19977
sent by certified mail that provided a termination date, the board 19978
reclaims its interest in the lot or right. 19979

Sec. 517.15. A board of township trustees may create a 19980
permanent cemetery endowment fund for the purpose of maintaining, 19981
improving, and beautifying township cemeteries and burial lots in 19982
township cemeteries. The fund shall consist of money arising from 19983

person for the municipal corporation. 20246

(b)(i) For an individual who is a resident of a municipal 20247

corporation's tax ~~on or before December 31, 2013~~. If a qualified 20258
municipal corporation, on or before December 31, 2013, exempts 20259
income earned by individuals who are not residents of the 20260
qualified municipal corporation and net profit of persons that are 20261

not wholly located within the qualified municipal corporation, 20262
such individual or person shall have no municipal taxable income 20263
for the purposes of the tax levied by the qualified municipal 20264
corporation and may be exempted by the qualified municipal 20265
corporation from the requirements of section 718.03 of the Revised 20266
Code. 20267

this section, and further reduced by any pre-2017 net operating 20273
loss carryforward available to the individual for the municipal 20274
corporation. 20275

(2) In computing the municipal taxable income of a taxpayer 20276
who is an individual, the taxpayer may subtract, as provided in 20277
division (A)(1)(b)(i) or (c) of this section, the amount of the 20278
individual's employee business expenses reported on the 20279
individual's form 2106 that the individual deducted for federal 20280
income tax purposes for the taxable year, subject to the 20281
limitation imposed by section 67 of the Internal Revenue Code. For 20282
the municipal corporation in which the taxpayer is a resident, the 20283
taxpayer may deduct all such expenses allowed for federal income 20284
tax purposes. For a municipal corporation in which the taxpayer is 20285
not a resident, the taxpayer may deduct such expenses only to the 20286
extent the expenses are related to the taxpayer's performance of 20287
personal services in that nonresident municipal corporation. 20288

(B) "Income" means the following: 20289

(1)(a) For residents, all income, salaries, qualifying wages, 20290

share of the net profit of pass-through entities owned directly or 20293

indirectly by the resident and any net profit of the resident, 20294

taxable year and the resident's distributive share of any net 20298
operating loss generated in the same taxable year and attributable 20299
to the resident's ownership interest in a pass-through entity 20300
shall be allowed as a deduction, for that taxable year and the 20301
following five taxable years, against any other net profit of the 20302
resident or the resident's distributive share of any net profit 20303
attributable to the resident's ownership interest in a 20304
pass-through entity until fully utilized, subject to division 20305
(B)(1)(d) of this section; 20306

(ii) The resident's distributive share of the net profit of 20307
each pass-through entity owned directly or indirectly by the 20308
resident shall be calculated without regard to any net operating 20309
loss that is carried forward by that entity from a prior taxable 20310
year and applied to reduce the entity's net profit for the current 20311
taxable year. 20312

(c) Division (B)(1)(b) of this section does not apply with 20313
respect to any net profit or net operating loss attributable to an 20314
ownership interest in an S corporation unless shareholders' 20315

to tax in the municipal corporation as provided in division 20317
(C)(14)(b) or (c) of this section. 20318

(d) Any amount of a net operating loss used to reduce a 20319
taxpayer's net profit for a taxable year shall reduce the amount 20320
of net operating loss that may be carried forward to any 20321
subsequent year for use by that taxpayer. In no event shall the 20322
cumulative deductions for all taxable years with respect to a 20323
taxpayer's net operating loss exceed the original amount of that 20324

net operating loss available to that taxpayer. 20325

(2) In the case of nonresidents, all income, salaries, 20326
qualifying wages, commissions, and other compensation from 20327
whatever source earned or received by the nonresident for work 20328
done, services performed or rendered, or activities conducted in 20329
the municipal corporation, including any net profit of the 20330
nonresident, but excluding the nonresident's distributive share of 20331
the net profit or loss of only pass-through entities owned 20332
directly or indirectly by the nonresident. 20333

(3) For taxpayers that are not individuals, net profit of the 20334
taxpayer; 20335

(4) Lottery, sweepstakes, gambling and sports winnings, 20336
winnings from games of chance, and prizes and awards. If the 20337
taxpayer is a professional gambler for federal income tax 20338
purposes, the taxpayer may deduct related wagering losses and 20339
expenses to the extent authorized under the Internal Revenue Code 20340
and claimed against such winnings. 20341

(C) "Exempt income" means all of the following: 20342

a majority of the electors of the municipal corporation voting on 20351
the question of whether to permit the taxation of that type of 20352
intangible income after 1988 voted in favor thereof at an election 20353
held on November 8, 1988. 20354

(3) Social security benefits, railroad retirement benefits, 20355

plan, disability payments received from private industry or local, 20359

to the extent that such compensation does not exceed one thousand 20372
dollars for the taxable year. Such compensation in excess of one 20373
thousand dollars for the taxable year may be subject to taxation 20374
by a municipal corporation. A municipal corporation shall not 20375
require the payer of such compensation to withhold any tax from 20376
that compensation. 20377

(6) Dues, contributions, and similar payments received by 20378
charitable, religious, educational, or literary organizations or 20379

section does not apply to qualifying wages that an employer elects 20464
to withhold under division (D)(2) of section 718.011 of the 20465

An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the tax administrator unless the tax administrator requests such copies after the return has been filed.

(3) A tax administrator may require a taxpayer that is not an individual to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the tax administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway. The department

of taxation shall publish a method of electronically submitting 21158
the documents required under this division through the Ohio 21159
business gateway on or before January 1, 2016. The department 21160
shall transmit all documents submitted electronically under this 21161
division to the appropriate tax administrator. 21162

(4) After a taxpayer files a tax return, the tax 21163
administrator may request, and the taxpayer shall provide, any 21164
information, statements, or documents required by the municipal 21165
corporation to determine and verify the taxpayer's municipal 21166
income tax liability. The requirements imposed under division (F) 21167
of this section apply regardless of whether the taxpayer files on 21168
a generic form or on a form prescribed by the tax administrator. 21169

individual income tax return required to be filed under this 21171

the return or notice on forms prescribed by the tax administrator 21176
or on generic forms, together with remittance made payable to the 21177
municipal corporation or tax administrator. No remittance is 21178
required if the amount shown to be due is ten dollars or less. 21179

taxpayer that is not an individual shall be completed and filed as 21182
required by the tax administrator on or before the fifteenth day 21183
of the fourth month following the end of the taxpayer's taxable 21184
year. The taxpayer shall complete and file the return or notice on 21185
forms prescribed by the tax administrator or on generic forms, 21186
together with remittance made payable to the municipal corporation 21187
or tax administrator. No remittance is required if the amount 21188
shown to be due is ten dollars or less. 21189

(2)(a) Any taxpayer that has duly requested an automatic 21190
six-month extension for filing the taxpayer's federal income tax 21191
return shall automatically receive an extension for the filing of 21192
a municipal income tax return. The extended due date of the 21193
municipal income tax return shall be the fifteenth day of the 21194
tenth month after the last day of the taxable year to which the 21195

extension for filing the taxpayer's federal income tax return may 21198
request that the tax administrator grant the taxpayer a six-month 21199
extension of the date for filing the taxpayer's municipal income 21200
tax return. If the request is received by the tax administrator on 21201
or before the date the municipal income tax return is due, the tax 21202
administrator shall grant the taxpayer's requested extension. 21203

(c) An extension of time to file under ~~this~~ division (G)(2) 21204
of this section is not an extension of the time to pay any tax due 21205
unless the tax administrator grants an extension of that date. 21206

(3) If the tax commissioner extends for all taxpayers the 21207
date for filing state income tax returns under division (G) of 21208
section 5747.08 of the Revised Code, a taxpayer shall 21209
automatically receive an extension for the filing of a municipal 21210
income tax return. The extended due date of the municipal income 21211
tax return shall be the same as the extended due date of the state 21212
income tax return. 21213

(4) If the tax administrator considers it necessary in order 21214
to ensure the payment of the tax imposed by the municipal 21215
corporation in accordance with this chapter, the tax administrator 21216
may require taxpayers to file returns and make payments otherwise 21217
than as provided in this section, including taxpayers not 21218
otherwise required to file annual returns. 21219

(5) To the extent that any provision in this division 21220

conflicts with any provision in section 718.052 of the Revised Code, the provision in that section prevails.

"The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(2) If a payment is required to be made by electronic funds transfer, the payment is considered to be made when the payment is credited to an account designated by the tax administrator for the receipt of tax payments, except that, when a payment made by electronic funds transfer is delayed due to circumstances not under the control of the taxpayer, the payment is considered to be

made when the taxpayer submitted the payment. 21252

(J) The amounts withheld by an employer, the agent of an 21253
employer, or an other payer as described in section 718.03 of the 21254
Revised Code shall be allowed to the recipient of the compensation 21255
as credits against payment of the tax imposed on the recipient by 21256
the municipal corporation, unless the amounts withheld were not 21257
remitted to the municipal corporation and the recipient colluded 21258
with the employer, agent, or other payer in connection with the 21259
failure to remit the amounts withheld. 21260

filed in accordance with this section shall include a box that the 21262
taxpayer may check to authorize another person, including a tax 21263
return preparer who prepared the return, to communicate with the 21264
tax administrator about matters pertaining to the return. The 21265
return or instructions accompanying the return shall indicate that 21266
by checking the box the taxpayer authorizes the tax administrator 21267
to contact the preparer or other person concerning questions that 21268
arise during the examination or other review of the return and 21269
authorizes the preparer or other person only to provide the tax 21270
administrator with information that is missing from the return, to 21271
contact the tax administrator for information about the 21272
examination or other review of the return or the status of the 21273
taxpayer's refund or payments, and to respond to notices about 21274
mathematical errors, offsets, or return preparation that the 21275
taxpayer has received from the tax administrator and has shown to 21276
the preparer or other person. 21277

(L) The tax administrator of a municipal corporation shall 21278
accept for filing a generic form of any income tax return, report, 21279
or document required by the municipal corporation in accordance 21280
with this chapter, provided that the generic form, once completed 21281
and filed, contains all of the information required by ordinance, 21282
resolution, or rules adopted by the municipal corporation or tax 21283

administrator, and provided that the taxpayer or tax return 21284
preparer filing the generic form otherwise complies with the 21285
provisions of this chapter and of the municipal corporation 21286
ordinance or resolution governing the filing of returns, reports, 21287
or documents. 21288

(M) When income tax returns, reports, or other documents 21289
require the signature of a tax return preparer, the tax 21290
administrator shall accept a facsimile of such a signature in lieu 21291
of a manual signature. 21292

same meaning as in section 718.011 of the Revised Code. 21294

(2) A person may notify a tax administrator that the person 21295
does not expect to be a taxpayer with respect to the municipal 21296
corporation for a taxable year if both of the following conditions 21297
apply: 21298

(a) The person was required to file a tax return with the 21299
municipal corporation for the immediately preceding taxable year 21300
because the person performed services at a worksite location 21301
within that municipal corporation. 21302

(b) The person no longer provides services in the municipal 21303
corporation and does not expect to be subject to the municipal 21304
corporation's income tax for the taxable year. 21305

The person shall provide the notice in a signed affidavit 21306
that briefly explains the person's circumstances, including the 21307
location of the previous worksite location and the last date on 21308
which the person performed services or made any sales within the 21309
municipal corporation. The affidavit also shall include the 21310
following statement: "The affiant has no plans to perform any 21311
services within the municipal corporation, make any sales in the 21312
municipal corporation, or otherwise become subject to the tax 21313
levied by the municipal corporation during the taxable year. If 21314

the affiant does become subject to the tax levied by the municipal corporation for the taxable year, the affiant agrees to be considered a taxpayer and to properly register as a taxpayer with the municipal corporation if such a registration is required by the municipal corporation's resolutions, ordinances, or rules." 21315
21316
21317
21318
21319
The person shall sign the affidavit under penalty of perjury. 21320

Sec. 929.03. (A)(1) No public entity with authority to levy 23526
special assessments on real property shall collect an assessment 23527
for purposes of sewer, water, or electrical service on real 23528
property that is within an agricultural district as described in 23529
division (A)(2) of this section without the permission of the 23530
owner, except that any assessment may be collected on a lot 23531
surrounding a dwelling or other structure not used in agricultural 23532
production that does not exceed one acre or the minimum area 23533
required by local zoning or subdivision rules, whichever is the 23534
greater area. 23535

(2) For purposes of division (A)(1) of this section, an 23536
agricultural district is such a district that is established: 23537

(a) In the case of counties, prior to the adoption of a 23538
resolution of necessity by a board of county commissioners, 23539
pursuant to section 6103.05 or 6117.06 of the Revised Code; 23540

(b) In the case of municipal corporations, prior to whichever 23541
of the following occurs first: 23542

(i) The adoption of the resolution of necessity by the 23543
municipal legislative authority, pursuant to section 727.12 or 23544

municipal legislative authority declaring the necessity for the 23549

improvement, the costs of which are to be assessed under 23550
procedures authorized by a municipal charter adopted pursuant to 23551
Section 7 of Article XVIII, Ohio Constitution, or, if no such 23552
ordinance or resolution is required under the charter, the service 23553
of the first notice on all or some of the owners of lands to be 23554
assessed, or the adoption of the first ordinance or resolution by 23555
the municipal legislative authority pertaining to the assessment 23556
proceedings under the charter. 23557

(c) In the case of a regional water and sewer district 23558
established pursuant to Chapter 6119. of the Revised Code, prior 23559
to the adoption of a resolution of necessity by the board of 23560
trustees of the district under section 6119.25 of the Revised 23561
Code. 23562

(B) For each special assessment levied by a public entity on 23563

sewer, water, or electrical service, the county auditor shall make 23565
and maintain a list showing: 23566

(1) The name of the owner of each lot, tract, or parcel of 23567
land that is exempt from the collection of the special assessment 23568
under this section; 23569

(2) A description of the exempt land; 23570

(3) The purpose of the special assessment; 23571

(4) The amount of the uncollected assessment on the exempt 23572
land. 23573

In the case of a county project constructed under Chapter 23574
6103. or 6117. of the Revised Code, the county auditor may use a 23575
list provided for in those chapters in lieu of the list required 23576
by division (B) of this section. The auditor shall also record in 23577
the water works record required by section 6103.16 of the Revised 23578
Code or the sewer improvement record required by section 6117.33 23579
of the Revised Code those assessments not collected under this 23580

section. The recording of the assessments does not permit the 23581
collection of the assessments until such time as exempt lands are 23582
withdrawn from agricultural districts or converted to 23583
nonagricultural use. 23584

(C) If at any time any of the owner's exempt land, other than 23585
a lot sold or transferred to a son, daughter, brother, sister, 23586
mother, or father for the purpose of constructing a dwelling in 23587
which the relative will reside for at least three years, is 23588
withdrawn from an agricultural district or if the owner of the 23589
exempt land uses on that land the service for which the special 23590
assessment was assessed, the public entity may collect the entire 23591
uncollected assessment, except as otherwise provided in this 23592
division, in addition to an amount equal to the rate of interest 23593
that any bonds or notes issued for the project for which the 23594
assessment was made did bear for the number of years the land was 23595
exempted, not to exceed twenty-five or the number of years for 23596
which the bonds or notes were issued, whichever is the lesser 23597
number. The owner shall notify the county auditor of any 23598
withdrawal from a district or use of the service within ninety 23599
days following the withdrawal or use of the service. The charge 23600
shall constitute a lien of the public entity upon the land and 23601
shall continue until discharged. All liens shall be recorded in 23602
the appropriate county recorder's office. Moneys collected as a 23603
result of the charge shall be deposited in the appropriate fund of 23604
the public entity that levied the special assessment. 23605

If the owner of exempt land sells or transfers a lot to the 23606
owner's son, daughter, brother, sister, mother, or father for the 23607
purpose of constructing a dwelling in which the relative will 23608
reside for at least three years, and if the owner or the buyer of 23609
the lot uses the service for which the special assessment was 23610
assessed only to provide service to that lot, the owner of the lot 23611
shall pay only that portion of the uncollected assessment and 23612

interest that applies to the lot. 23613

If at any time any part of an owner's exempt land is 23614
appropriated, the owner shall pay only that portion of the 23615
uncollected assessment and interest that applies to the 23616
appropriated parcel of land. 23617

In lieu of immediate payment of the uncollected assessment 23618
and interest, the board of county commissioners, legislative 23619
authority of a municipal corporation, or other governing board of 23620
any other public entity may, upon the request of the owner, 23621
establish an extended repayment schedule for the owner. If the 23622
board, legislative authority, or other governing board establishes 23623
such a schedule, it shall notify the county auditor of the 23624
schedule. 23625

(D) A board of county commissioners, legislative authority of 23626
a municipal corporation, or other governing board of any other 23627
public entity may apply to the Ohio public works commission 23628
created by section 164.02 of the Revised Code for an advance of 23629
money from the sewer development advancement fund created by 23630
section 164.13 of the Revised Code in an amount equal to that 23631
portion of the costs of a water or sewer improvement authorized by 23632
law that is to be financed by assessments whose collection is 23633
prohibited under division (A) of this section. The application for 23634
such an advance of money shall be made in the manner prescribed in 23635
policies and procedures established by the director of the 23636
commission. Upon collection of any assessment whose collection was 23637
prohibited under division (A) of this section, the board of county 23638
commissioners, legislative authority, or other governing board 23639
shall repay the commission the amount of any money advanced by it 23640
in regard to the assessment. 23641

practices eligible for state cost sharing and determine the 23994
conditions for eligibility, the construction standards and 23995
specifications, the useful life, the maintenance requirements, and 23996
the limits of cost sharing for those practices. Eligible practices 23997
shall be limited to practices that address agricultural ~~or~~ 23998

~~(8) Shall do all~~ (5) Do both of the following with regard to 24015

composting conducted in conjunction with agricultural operations: 24016

life shall subject the landowner to full repayment to the ~~division~~ 24075
department. 24076

certification, a written request for donated sick leave. The board 25154
of supervisors shall determine whether the employee is eligible to 25155
become a receiving employee and shall approve the request if it 25156
determines the employee is eligible. 25157

(C)(1) A board of supervisors that approves a request for an 25158
employee to become a receiving employee shall forward the approved 25159
application to a committee that the Ohio association of soil and 25160
water conservation district employees shall appoint to act as a 25161
clearinghouse for the donation of sick leave under this section. 25162
The committee shall post notice for not less than ten days 25163
informing all employees of soil and water conservation districts 25164
throughout the state that it has received an approved application 25165
to become a receiving employee. 25166

(2) A soil and water conservation district employee desiring 25167
to become a donating employee shall complete and submit a sick 25168
leave donation form to the employee's immediate supervisor within 25169
twenty days after the date of the initial posting of the notice 25170
described in division (C)(1) of this section. If the board of 25171
supervisors of the employing district of an employee desiring to 25172
become a donating employee approves the sick leave donation, the 25173
board shall forward to the committee, together with a check equal 25174
to the total value of the sick leave donation, a copy of the sick 25175
leave donation form, and the board shall notify the receiving 25176
employee regarding the donation. 25177

(D) If the committee described in division (C)(1) of this 25178
section receives a sick leave donation form and a check from a 25179
board of supervisors, the committee shall deposit the check into 25180
an account that it shall establish to be used to dispense funds to 25181
the employing district of a receiving employee. The committee 25182
shall notify the board of supervisors of the employing district of 25183
a receiving employee of the amount of sick leave donated. The 25184

board of supervisors shall bill the committee during each pay 25185
period for the receiving employee's gross hourly wages in an 25186
amount that does not exceed the amount donated to the receiving 25187
employee. The board of supervisors, with the approval of the 25188
county auditor, shall provide for the deposit into its appropriate 25189
payroll account of any payments it receives for the benefit of a 25190
receiving employee. 25191

(E) The donation and receipt of sick leave under this section 25192
is subject to all of the following: 25193

(1) All donations of sick leave shall be voluntary. 25194

(2) A donating employee is eligible to donate not less than 25195
eight hours and not more than eighty hours of sick leave during 25196
the same calendar year. 25197

(3) The value of an hour of sick leave donated is the value 25198
of the donating employee's gross hourly wage. The number of hours 25199
received by a receiving employee from a donating employee shall be 25200
a number that, when multiplied by the receiving employee's gross 25201
hourly wage, equals the amount resulting when the donating 25202
employee's gross hourly wage is multiplied by the number of hours 25203
of sick leave donated. 25204

(4) No paid leave shall accrue to a receiving employee for 25205
any compensation received through donated sick leave, and the 25206
receipt of donated sick leave does not affect the date on which a 25207
receiving employee first qualifies for continuation of health 25208
insurance coverage. 25209

(5) If a receiving employee does not use all donated sick 25210
leave during the period of the employee's leave of absence, the 25211
unused balance shall remain in the account that the committee 25212
described in division (C)(1) of this section established under 25213
division (D) of this section and shall be used to dispense funds 25214
in the future to the employing district of a receiving employee. 25215

~~Sec. 1515.092~~ 940.10. (A) When the supervisors of a soil and 25216
water conservation district find, by resolution, that the district 25217
has personal property, including motor vehicles acquired for the 25218
use of district officers, road machinery, equipment, tools, or 25219
supplies, ~~which~~ that is not needed for public use, or is obsolete 25220
or unfit for the use for which it was acquired, the supervisors 25221
may sell such property at public auction or by sealed bid to the 25222
highest bidder, after giving at least ten days' notice of the 25223
time, place, and manner of sale by posting a typewritten or 25224
printed notice in the office of the board of county commissioners. 25225
~~In case~~ If the fair market value of the property to be sold 25226
pursuant to this division is, in the opinion of the supervisors, 25227
in excess of two thousand dollars, notice of the time, place, and 25228
manner of the sale shall also be published in a newspaper of 25229
general circulation in the district at least ten days prior to 25230
such sale. The supervisors may authorize the sale of such personal 25231
property without advertisement or public notification and 25232
competitive bidding to the federal government, the state, or any 25233
political subdivision of the state. 25234

If the supervisors conduct a sale of personal property by 25235
sealed bid, the form of the bid shall be as prescribed by the 25236
supervisors, and each bid shall contain the name of the person 25237
submitting it. Bids received shall be opened and tabulated at the 25238
time stated in the notice. The property shall be sold to the 25239
highest bidder, except that the supervisors may reject all bids 25240
and hold another sale, by public auction or sealed bid, in the 25241
manner prescribed by this section. 25242

(B) Where the supervisors find, by resolution, that the 25243
district has vehicles, equipment, or machinery ~~which~~ that is not 25244
needed, or is unfit for public use, and the supervisors desire to 25245
sell such vehicles, equipment, or machinery to the person or firm 25246
from which they propose to purchase other vehicles, equipment, or 25247

machinery, the supervisors may offer to sell the vehicles, 25248
equipment, or machinery to such person or firm, and to have such 25249
selling price credited to the person or firm against the purchase 25250
price of other vehicles, equipment, or machinery. 25251

(C) Where the supervisors advertise for bids for the sale of 25252
new vehicles, equipment, or machinery to the district, they may 25253
include in the same advertisement a notice of their willingness to 25254
accept bids for the purchase of district-owned vehicles, 25255
equipment, or machinery ~~which~~ that is obsolete or not needed for 25256
public use, and to have the amount of such bids subtracted from 25257
the selling price of the other vehicles, equipment, or machinery 25258
as a means of determining the lowest responsible bidder. 25259

Sec. ~~1515.093~~ 940.11. The supervisors of a soil and water 25260
conservation district may hold one or more credit cards on behalf 25261
of the district and may authorize any supervisor or employee of 25262
the district to use such a credit card to pay for expenses related 25263
to the purposes of the district. The supervisors shall pay the 25264
debt incurred as a result of the use of such a credit card from 25265
money accepted by the supervisors as authorized under division (E) 25266
of section ~~1515.08~~ 940.06 of the Revised Code or from the special 25267
fund established for the district under section ~~1515.10~~ 940.12 of 25268
the Revised Code. 25269

The misuse of a credit card held on behalf of a soil and 25270
water conservation district is a violation of section 2913.21 of 25271
the Revised Code. In addition, a supervisor or employee of a 25272
district who makes unauthorized use of such a credit card may be 25273
held personally liable to the district for the unauthorized use. 25274
This section does not limit any other liability of a supervisor or 25275
employee of a district for the unauthorized use of such a credit 25276
card. 25277

A supervisor or employee of a soil and water conservation 25278

district who is authorized to use a credit card that is held on 25279
behalf of the district and who suspects the loss, theft, or 25280
possibility of another person's unauthorized use of the credit 25281
card immediately shall notify the supervisors in writing of the 25282
suspected loss, theft, or possible unauthorized use. 25283

Sec. ~~1515.10~~ 940.12. The board of county commissioners of 25284
each county in which there is a soil and water conservation 25285
district may levy a tax within the ten-mill limitation and may 25286
appropriate money from the proceeds of the levy or from the 25287
general fund of the county. The money shall be held in a special 25288
fund for the credit of the district, to be expended for the 25289
purposes prescribed in sections ~~1515.09~~ 940.08 and ~~1515.093~~ 940.11 25290
of the Revised Code, for construction and maintenance of 25291
improvements by the district, and for other expenses incurred in 25292
carrying out the program of the district upon the written order of 25293
the fiscal agent for the district after authorization by a 25294
majority of the supervisors of the district. 25295

Sec. ~~1515.11~~ 940.13. The prosecuting attorney of a county in 25296
which there is a soil and water conservation district shall be the 25297
legal adviser of the district. The prosecuting attorney shall be 25298
the legal counsel of such district in all civil actions brought by 25299
or against it and shall conduct all such actions in ~~his~~ the 25300
prosecuting attorney's official capacity. The supervisors of a 25301
district may also employ such attorneys as may be necessary or 25302
desirable in the operations of the district. 25303

Sec. ~~1515.13~~ 940.14. ~~Sections 1515.01 to 1515.29 of the~~ 25304
~~Revised Code do~~ This chapter does not infringe upon the rights, 25305
powers, and authority vested by law in the division of wildlife in 25306
the department of natural resources. 25307

Sec. ~~1515.14~~ 940.15. Within (A) Except as provided in 25308
division (B) of this section, within the limits of funds 25309
appropriated to the department of ~~natural resources~~ agriculture 25310
and the soil and water conservation district assistance fund 25311
created in this section, there shall be paid in each calendar year 25312
to each ~~local~~ soil and water conservation district an amount not 25313
to exceed one dollar for each one dollar received in accordance 25314
with section ~~1515.10~~ 940.12 of the Revised Code, received from tax 25315
levies in excess of the ten-mill levy limitation approved for the 25316
benefit of ~~local~~ soil and water conservation districts, received 25317
pursuant to a contract entered into under section 6117.021 of the 25318
Revised Code, or received from an appropriation by a municipal 25319
corporation or a township to a maximum of eight thousand dollars, 25320
provided that the Ohio soil and water conservation commission may 25321
approve payment to a district in an amount in excess of eight 25322
thousand dollars in any calendar year upon receipt of a request 25323
and justification from the district. The county auditor shall 25324
credit such payments to the special fund established pursuant to 25325
section ~~1515.10~~ 940.12 of the Revised Code for the ~~local~~ soil and 25326
water conservation district. The department may make advances at 25327
least quarterly to each district on the basis of the estimated 25328
contribution of the state to each district. Moneys received by 25329
each district shall be expended for the purposes of the district. 25330

~~For~~ (B) Money paid to a soil and water conservation district 25331
under division (A) of this section that results from a board of 25332
county commissioners' compensation to the district pursuant to a 25333
contract entered into under section 6117.021 of the Revised Code 25334
in calendar years 2015, 2016, and 2017 shall not exceed the amount 25335
of money paid to the district under that division during calendar 25336
year 2013 that resulted from the board of county commissioners' 25337
having used the proceeds of a contract entered into between the 25338
board of county commissioners and a district of a type similar to 25339

that which is authorized by section 6117.021 of the Revised Code, 25340
directly or indirectly, for matching funds in calendar year 2013, 25341
but may exceed that amount to the extent that other sources of 25342
local matching funds specified by division (A) of this section are 25343
used by the district for local matching funds in state fiscal 25344
years 2015, 2016, and 2017. 25345

(C) For the purpose of providing money to soil and water 25346
conservation districts under this section, there is hereby created 25347
in the state treasury the soil and water conservation district 25348
assistance fund consisting of money credited to it under sections 25349
3714.073 and 3734.901 and division (A)(4) of section 3734.57 of 25350
the Revised Code. 25351

Sec. ~~1515.15~~ 940.16. A board of county commissioners may 25352
apply to the Ohio soil and water conservation commission for an 25353
advance of moneys from the soil and water conservation fund, which 25354
is hereby created in the state treasury, to enable a soil and 25355
water conservation district to pay all or part of the cost of 25356
surveys and plans, appraisals, estimates of cost, land options, 25357
and other incidental expenses of constructing works of improvement 25358
for the district. The commission shall consider the application 25359
and shall recommend an amount of moneys reasonably needed for that 25360
purpose. 25361

The order of the commission recommending the amount of the 25362
moneys needed shall be certified to the controlling board. The 25363
controlling board shall then determine the amount to be advanced 25364
to the county and shall certify its action to the director of 25365
budget and management for payment. 25366

All such amounts received by any such district shall be 25367
repaid by the board of county commissioners to the state 25368
immediately upon the receipt by the board of funds from the sale 25369
of bonds or from other sources that may be used for that purpose, 25370

or in such number of equal annual installments, not exceeding 25371
five, and commencing at such time, as shall be specified in the 25372
order of the commission. 25373

If an unfavorable referendum or court decision has denied the 25374
work of improvement, the controlling board, upon receipt of 25375
sufficient and satisfactory evidence that the board and district 25376
have proceeded in good faith and the recommendation of the 25377
commission, shall relieve the board or district of its repayment 25378
obligation. 25379

Sec. ~~1515.16~~ 940.17. The director of ~~natural resources~~ 25380
agriculture, upon recommendation by the Ohio soil and water 25381
conservation commission, may enter into agreements with boards of 25382
county commissioners under which the state shares the cost of 25383
construction of works of improvement constructed by the county for 25384
a soil and water conservation district. The state share shall be 25385
paid from moneys appropriated for such purposes. The state share 25386
authorized under this section shall not exceed fifty per cent of 25387
the nonfederal cost of the project. 25388

Sec. ~~1515.17~~ 940.18. The supervisors of any two or more 25389
adjoining soil and water conservation districts may, with approval 25390
of the Ohio soil and water conservation commission, form a joint 25391
board of supervisors for the purpose of construction, maintenance, 25392
and operation of a work of improvement located or to be located in 25393
such districts. Each district shall have the same number of 25394
supervisors on the joint board, except that where the members on 25395
the joint board would otherwise be an even number, an additional 25396
supervisor shall be designated from the district in which it 25397
appears that the highest amount of taxes or assessment for 25398
benefits for the improvement is to be made. 25399

A joint board may exercise the powers given the supervisors 25400

of a soil and water conservation district under ~~Chapter 1515.~~ of 25401
~~the Revised Code~~ this chapter in connection with the work of 25402
improvement for which it was formed. 25403

Sec. ~~1515.18~~ 940.19. An owner of land that is located in a 25404
soil and water conservation district may file a petition with the 25405
supervisors of the district requesting the construction of a 25406
conservation ~~works~~ work of improvement. Upon the receipt of such a 25407
petition, the supervisors shall make a preliminary determination 25408
to accept or reject the petition. 25409

A petition may be rejected if the supervisors determine that 25410
the information that it contains about the proposed improvement is 25411
insufficient to enable the supervisors to proceed with the 25412
petition under this chapter or if the petition appears to be 25413
frivolous. The supervisors also may reject a petition on the 25414
grounds that the district lacks sufficient staff or other 25415
resources to proceed with the improvement in accordance with this 25416
chapter. If the supervisors reject a petition, they shall notify 25417
the petitioner of the reasons for the rejection. A petition that 25418
was rejected due to insufficient information may be supplemented 25419
with additional information and filed again. 25420

If the supervisors accept a petition for a proposed 25421
improvement, they shall establish a date and time for a view of 25422
the proposed improvement, which date shall be not fewer than 25423
twenty-five nor more than ninety days after the date on which the 25424
petition was filed. The supervisors shall designate a convenient 25425
place near the proposed improvement at which the view shall start. 25426

Upon receipt of a petition, the supervisors also shall 25427
establish a date and time on and at which and designate a location 25428
at which they will hold a hearing on the proposed improvement. The 25429
hearing shall occur not later than ninety days after the date 25430
established for the view. 25431

Sec. ~~1515.181~~ 940.20. As soon as the supervisors of a soil 25432
and water conservation district have established the dates, times, 25433
and locations of the view and the hearing concerning a proposed 25434
improvement, they shall send, at least twenty days prior to the 25435
date established for the view, a written notice of the view and 25436
the hearing to the landowners within the area to be benefited by 25437
the proposed improvement and to the board of county commissioners 25438
and the county engineer. The supervisors shall notify all 25439
landowners that are adjacent to the proposed improvement by 25440
certified mail and shall notify all others by certified mail or 25441
first class mailings. Any such written notice shall have the words 25442
"Legal Notice" printed in plain view on the face of the envelope. 25443
In addition, the supervisors shall invite to the view and the 25444
hearing the staff of the soil and water conservation district and 25445
the staff of the natural resources conservation service in the 25446
United States department of agriculture that is involved with the 25447
district together with any other people that the supervisors 25448
consider to be necessary to the proceedings. 25449

Sec. ~~1515.182~~ 940.21. On the date established for the view of 25450
a proposed improvement, the supervisors of a soil and water 25451
conservation district shall meet at the designated location near 25452
the proposed improvement at the established time. At that time, 25453
they shall hear proof of the need for the proposed improvement 25454
offered by any landowner that is affected by it. 25455

The supervisors shall view the area in which the proposed 25456
improvement is to be constructed. If the proposed improvement is a 25457
ditch, the view shall include the line of the proposed ditch and 25458
each branch, lateral, or spur of the ditch that is mentioned in 25459
the petition. If the area to be viewed is extensive, the 25460
supervisors may conduct the view on more than one day and may 25461
adjourn from day to day, or a longer period, until the view is 25462

completed. 25463

Sec. ~~1515.183~~ 940.22. Upon acceptance of a petition 25464
requesting the construction of an improvement, the supervisors of 25465
a soil and water conservation district shall begin to prepare, as 25466
a guide to the board of county commissioners and the petitioners, 25467
a preliminary report regarding the proposed improvement. The 25468
supervisors shall present the completed preliminary report at the 25469
hearing that is held on the proposed improvement. 25470

The preliminary report shall include a preliminary estimate 25471
of cost, comments on the feasibility of the project, and a 25472
statement of the supervisors' opinion as to whether the benefits 25473
from the project are likely to exceed the estimated cost. The 25474
preliminary report shall identify all factors that are apparent to 25475
the supervisors, both favorable and unfavorable to the proposed 25476
improvement, so that the petitioners may be informed concerning 25477
what is involved with the construction of the improvement. 25478

In addition to reporting on the improvement as petitioned, 25479
the supervisors may submit alternate proposals to accomplish the 25480
intent of the petition. The preliminary report and all alternate 25481
proposals shall be reviewed and receive concurrence from an 25482
engineer who is employed by the ~~division of soil and water~~ 25483
~~resources~~ department of agriculture or by the natural resources 25484
conservation service in the United States department of 25485
agriculture and who is responsible for providing technical 25486
assistance to the district or from any other registered 25487
professional engineer whom the supervisors choose. 25488

Sec. ~~1515.184~~ 940.23. On the date and at the time established 25489
for the hearing on a petition for a proposed improvement, the 25490
supervisors of a soil and water conservation district shall 25491
conduct the hearing. Prior to the hearing, landowners affected by 25492

the proposed improvement may file objections to it with the 25493
supervisors, and at the hearing the supervisors shall hear any 25494
objections so filed. In addition, the supervisors shall present 25495
their preliminary report on the proposed improvement and shall 25496
hear any evidence offered by any landowner for or against 25497
construction of the proposed improvement. If necessary, the 25498
hearing may occur on more than one day and may be adjourned from 25499
day to day or for a longer time that may be reasonable so that all 25500
interested landowners may have an opportunity to be heard in favor 25501
of or in opposition to the proposed improvement. 25502

25503

Sec. ~~1515.185~~ 940.24. If modifications or alternatives to a 25504
proposed improvement are proposed or discussed at the hearing on 25505
the improvement, the supervisors of the soil and water 25506
conservation district may adjourn the hearing for a period of time 25507
that is necessary to conduct a subsequent view of the proposed 25508
improvement in light of the proposed changes. If it appears that a 25509
subsequent view is necessary, the supervisors shall establish a 25510
date, time, and location for it and shall notify, in the same 25511
manner, the same persons that were required to be notified of the 25512
first view. 25513

Sec. ~~1515.19~~ 940.25. At the conclusion of the hearing on a 25514
proposed improvement, the supervisors of a soil and water 25515
conservation district may approve the petition for the improvement 25516
if they are reasonably certain that the cost of the proposed 25517
improvement will be less than the benefits from it and if they 25518
find that the improvement is necessary, that it will be conducive 25519
to the public welfare, that it will improve water management and 25520
development in the county in which the district is located to the 25521
advantage of lands located in it, and that it will aid lands in 25522

the area by promoting the economical, industrial, environmental, 25523
or social development of the area. 25524

Upon approval of the petition, the supervisors shall 25525
establish a date by which the supervisors must complete, in 25526
accordance with sections ~~1515.191~~ 940.26 to ~~1515.193~~ 940.28 of the 25527
Revised Code, plans and specifications for the improvement 25528
together with estimates of damages from and costs for it. The date 25529
established shall allow as much time as is necessary for the 25530
preparation of the plans, specifications, and estimates. The 25531
supervisors may extend the completion date if necessary. Upon 25532
completion of the plans, specifications, and estimates, the 25533
supervisors shall do both of the following: 25534

(A) Determine the area that would be benefited by the 25535
proposed improvement and certify the determination together with 25536
the supervisors' approval of the improvement to the board of 25537
county commissioners of each county containing land included in 25538
the benefited area; 25539

(B) Submit the plans, specifications, and estimates together 25540
with the preliminary report to each such board. 25541

Sec. ~~1515.191~~ 940.26. Upon approval by the supervisors of a 25542
soil and water conservation district of a petition for a proposed 25543
improvement, the supervisors or their designee shall conduct all 25544
necessary surveys for the proposed improvement. In addition, the 25545
supervisors or their designee shall prepare plans for constructing 25546
the improvement and shall prepare maps showing the location of the 25547
land that is proposed to be assessed in accordance with section 25548
~~1515.24~~ 940.33 of the Revised Code for the improvement. 25549

The supervisors or their designee shall prepare 25550
specifications for construction of the improvement and shall 25551
specify dimensions of any temporary easement that is necessary for 25552

construction purposes. In addition, the supervisors or their 25553
designee shall make estimates of the cost of material and any 25554
excavation costs. The construction of the improvement may be 25555
divided into construction areas if that would be expedient. 25556

In the case of an improvement that is a ditch or similar 25557
structure for the disposal of water, the specifications for its 25558
construction that the supervisors or their designee must prepare 25559

the level of assessment within the twenty per cent limitation, or 25897
suspend temporarily the levying of an assessment, for maintenance 25898

under this chapter or one licensed under Chapter 956. of the 26059
Revised Code or on the premises of an institution or organization 26060

the warden and the county auditor of the county where the dog is 26070
registered, that the dog has been impounded and that, unless the 26071
dog is redeemed within fourteen days of the date of the notice, it 26072
may thereafter be sold or destroyed according to law. If the 26073

~~As used in this section, "animal" has the same meaning as in 26081~~

~~section 955.51 of the Revised Code. 26082~~

Sec. 955.121. (A)(1) In lieu of appointing a county dog 26083

enforce sections 955.01 to 955.27, ~~955.29 to 955.38,~~ and 955.50 to 26086
955.53 of the Revised Code. If a board chooses to appoint the 26087
county sheriff as the county dog warden, the board shall enter 26088
into a two-year written agreement with the sheriff for that 26089
purpose at the first meeting in a calendar year following a 26090

was elected. 26092

(2) The agreement may authorize both of the following: 26093

(a) The sheriff to appoint sheriff's deputies or persons 26094
other than peace officers as deputy dog wardens; 26095

deemed to be replaced, respectively, with references to "sheriff" 26109

and "deputy sheriff." 26110

Sec. 955.14. (A) Notwithstanding section 955.01 of the 26111
Revised Code, a board of county commissioners by resolution may 26112
increase dog and kennel registration fees in the county. The 26113
amount of the fees shall not exceed an amount that the board, in 26114
its discretion, estimates is needed to pay all expenses for the 26115
administration of this chapter ~~and to pay claims allowed for~~ 26116
~~animals injured or destroyed by dogs.~~ Such a resolution shall be 26117
adopted not earlier than the first day of February and not later 26118
than the thirty-first day of August of any year and shall specify 26119
the registration period or periods to which the increased fees 26120

the ratio of two dollars for each year of registration for a dog 26122
registration fee, twenty dollars for a permanent dog registration 26123

(B) ~~Not later than the fifteenth day of October of each year,~~ 26125
~~the board of county commissioners shall determine if there is~~ 26126
~~sufficient money in the dog and kennel fund, after paying the~~ 26127
~~expenses of administration incurred or estimated to be incurred~~ 26128
~~for the remainder of the year, to pay the claims allowed for~~ 26129
~~animals injured or destroyed by dogs. If the board determines~~ 26130
~~there is not sufficient money in the dog and kennel fund to pay~~ 26131
~~the claims allowed, the board shall provide by resolution that all~~ 26132
~~claims remaining unpaid shall be paid from the general fund of the~~ 26133
~~county. All money paid out of the general fund for those purposes~~ 26134
~~may be replaced by the board from the dog and kennel fund at any~~ 26135
~~time during the following year notwithstanding section 5705.14 of~~ 26136
~~the Revised Code.~~ 26137

~~(C)~~ Notwithstanding section 955.20 of the Revised Code, if 26138
dog and kennel registration fees in any county are increased above 26139
two dollars for each year of registration and twenty dollars for a 26140

permanent registration for a dog registration fee and ten dollars 26141
for a kennel registration fee under authority of division (A) of 26142
this section, then on or before the first day of March following 26143
each year in which the increased fees are in effect, the county 26144
auditor shall draw on the dog and kennel fund a warrant payable to 26145
the college of veterinary medicine of the Ohio state university in 26146
an amount equal to ten cents for each one-year dog registration, 26147
thirty cents for each three-year dog registration, one dollar for 26148
each permanent dog registration, and ten cents for each kennel 26149
registration fee received during the preceding year. The money 26150
received by the college of veterinary medicine of the Ohio state 26151
university under this division shall be applied for research and 26152
study of the diseases of dogs, particularly those transmittable to 26153
humans, and for research of other diseases of dogs that by their 26154
nature will provide results applicable to the prevention and 26155
treatment of both human and canine illness. 26156

~~(D)~~(C) The Ohio state university college of veterinary 26157
medicine shall be responsible to report annually to the general 26158
assembly the progress of the research and study authorized and 26159
funded by division ~~(E)~~(B) of this section. The report shall 26160
briefly describe the research projects undertaken and assess the 26161
value of each. The report shall account for funds received 26162
pursuant to division ~~(E)~~(B) of this section and for the funds 26163
expended attributable to each research project and for other 26164
necessary expenses in conjunction with the research authorized by 26165
division ~~(E)~~(B) of this section. The report shall be filed with 26166
the general assembly by the first day of May of each year. 26167

~~(E)~~(D) The county auditor may authorize agents to receive 26168
applications for registration of dogs and kennels and to issue 26169
certificates of registration and tags. If authorized agents are 26170
employed in a county, each applicant for a dog or kennel 26171
registration shall pay to the agent an administrative fee of 26172

seventy-five cents in addition to the registration fee. The 26173
administrative fee shall be the compensation of the agent. The 26174
county auditor shall establish rules for reporting and accounting 26175
by the agents. No administrative or similar fee shall be charged 26176
in any county except as authorized by this division or division 26177
~~(F)~~(E) of this section. 26178

~~(F)~~(E) For any county that accepts the payment of dog and 26179
kennel registration fees by financial transaction devices in 26180
accordance with section 955.013 of the Revised Code, in addition 26181
to those registration fees, the county auditor shall collect for 26182
each registration paid by a financial transaction device one of 26183
the following: 26184

(1) An administrative fee of seventy-five cents or another 26185
amount necessary to cover actual costs designated by the county 26186
auditor; 26187

(2) If the board of county commissioners adopts a surcharge 26188
or convenience fee for making payments by a financial transaction 26189
device under division (E) of section 301.28 of the Revised Code, 26190
that surcharge or convenience fee; 26191

(3) If the county auditor contracts with a third party to 26192
provide services to enable registration via the internet as 26193
provided in section 955.013 of the Revised Code, a surcharge or 26194
convenience fee as agreed to between that third party and the 26195
county for those internet registration services. Any additional 26196
expenses incurred by the county auditor that result from a 26197
contract with a third party as provided in this section and 26198
section 955.013 of the Revised Code and that are not covered by a 26199
surcharge or convenience fee shall be paid out of the allowance 26200
provided to the county auditor under section 955.20 of the Revised 26201
Code. 26202

~~(G)~~(F) The county auditor shall post conspicuously the amount 26203

of the administrative fee, surcharge, or convenience fee that is 26204
permissible under this section on the web page where the auditor 26205
accepts payments for registrations made under division (B)(1) of 26206
section 955.013 of the Revised Code. If any person chooses to pay 26207
by financial transaction device, the administrative fee, 26208
surcharge, or convenience fee shall be considered voluntary and is 26209
not refundable. 26210

~~(H) As used in this section, "animal" has the same meaning as 26211
in section 955.51 of the Revised Code. 26212~~

Sec. 955.15. The board of county commissioners shall provide 26213
nets and other suitable devices for the taking of dogs in a humane 26214
manner, provide a suitable place for impounding dogs, make proper 26215
provision for feeding and caring for the same, and provide humane 26216
devices and methods for destroying dogs. In any county in which 26217
there is a society for the prevention of cruelty to children and 26218
animals, having one or more agents and maintaining an animal 26219
shelter suitable for a dog pound and devices for humanely 26220
destroying dogs, the board need not furnish a dog pound, but the 26221
county dog warden shall deliver all dogs seized by ~~him~~ the warden 26222
and ~~his~~ the warden's deputies to such society at its animal 26223
shelter, there to be dealt with in accordance with law. The board 26224
shall provide for the payment of reasonable compensation to such 26225
society for its services so performed out of the dog and kennel 26226
fund. The board may designate and appoint any officers regularly 26227
employed by any society organized under sections 1717.02 to 26228
1717.05, ~~inclusive,~~ of the Revised Code, to act as county dog 26229
warden or deputies for the purpose of carrying out sections 955.01 26230
to 955.27, ~~inclusive,~~ and ~~955.29 to 955.38, inclusive,~~ of the 26231
Revised Code, if such society whose agents are so employed owns or 26232
controls a suitable place for keeping and destroying dogs. 26233

Sec. 955.20. The registration fees provided for in sections 26234

955.01 to 955.14 of the Revised Code constitute a special fund 26235
known as "the dog and kennel fund." The fees shall be deposited by 26236
the county auditor in the county treasury daily as collected. 26237
Money in the fund shall be used for the purpose of defraying the 26238
cost of furnishing all blanks, records, tags, nets, and other 26239
equipment, for the purpose of paying the compensation of county 26240
dog wardens, deputies, poundkeepers, and other employees necessary 26241
to carry out and enforce sections 955.01 to 955.261 of the Revised 26242
Code, ~~and for the payment of animal claims as provided in sections~~ 26243
~~955.29 to 955.38 of the Revised Code,~~ and in accordance with 26244
section 955.27 of the Revised Code. The board of county 26245
commissioners, by resolution, shall appropriate sufficient funds 26246
out of the dog and kennel fund, not more than fifteen per cent of 26247
which shall be expended by the auditor for registration tags, 26248
blanks, records, and clerk hire, for the purpose of defraying the 26249
necessary expenses of registering, seizing, impounding, and 26250
destroying dogs in accordance with sections 955.01 to 955.27 of 26251
the Revised Code, and for the purpose of covering any additional 26252
expenses incurred by the county auditor as authorized by division 26253
(F)(E)(3) of section 955.14 of the Revised Code. 26254

If the funds so appropriated in any calendar year are found 26255
by the board to be insufficient to defray the necessary cost and 26256
expense of the county dog warden in enforcing sections 955.01 to 26257
955.27 of the Revised Code, the board, by resolution so provided, 26258
~~after setting aside a sum equal to the total amount of animal~~ 26259
~~claims filed in that calendar year, or an amount equal to the~~ 26260
~~total amount of animal claims paid or allowed the preceding year,~~ 26261
~~whichever amount is larger,~~ may appropriate further funds for the 26262
use and purpose of the county dog warden in administering those 26263
sections. 26264

Sec. 955.27. After paying all necessary expenses of 26265
administering the sections of the Revised Code relating to the 26266

registration, seizing, impounding, and destroying of dogs, 26267
including the purchase, construction, and repair of vehicles and 26268
facilities necessary for the proper administration of such 26269
sections, ~~making compensation for injuries to livestock inflicted~~ 26270
~~by dogs, and after paying all animal claims,~~ the board of county 26271
commissioners, at the December session, if there remains more than 26272
two thousand dollars in the dog and kennel fund for that year in a 26273
county in which there is a society for the prevention of cruelty 26274
to children and animals, incorporated and organized by law, and 26275
having one or more agents appointed pursuant to law, or any other 26276
society organized under Chapter 1717. of the Revised Code, that 26277
owns or controls a suitable dog kennel or a place for the keeping 26278
and destroying of dogs that has one or more agents appointed and 26279
employed pursuant to law, may pay to the treasurer of the society, 26280
upon warrant of the county auditor, all such excess as the board 26281
deems necessary for the uses and purposes of the society. 26282

~~As used in this section, "animal" has the same meaning as in~~ 26283
~~section 955.51 of the Revised Code.~~ 26284

(3) Accept gifts, devises, and bequests of money, lands, and 26300
other property and apply the money, lands, or other property 26301
according to the terms of the gift, devise, or bequest. A 26302
political subdivision as authorized by law may make gifts and 26303
devises to the commission, and the commission shall apply such a 26304
gift or devise according to the terms of the gift or devise. All 26305
gifts and bequests of money accepted under this division shall be 26306
deposited into the state treasury to the credit of the Ohio 26307
expositions support fund. 26308

(4) Enter into contracts that the commission considers 26309
necessary or worthwhile in the conduct of its purposes, provided 26310

lands or buildings at no cost to the commission or to the state, 26328
subject to prior approval by the director of administrative 26329
services of detailed plans and specifications of such 26330

The commission shall adopt rules as necessary to carry out 26354
the purposes of division (B)(9) of this section. The rules shall 26355
include standards for determining eligible financial institutions 26356

provide timely notice of the application and request. The chief 27646
shall issue a permit within seven days of the filing of the 27647
request unless the chief denies the application by order. 27648
Notwithstanding the provisions of this section governing expedited 27649
review of permit applications, the chief may refuse to accept 27650
requests for expedited review if, in the chief's judgment, the 27651
acceptance of the requests would prevent the issuance, within 27652
twenty-one days of their filing, of permits for which applications 27653
are pending. 27654

(E) A well shall be drilled and operated in accordance with 27655
the plans, sworn statements, and other information submitted in 27656
the approved application. 27657

(F) The chief shall issue an order denying a permit if the 27658
chief finds that there is a substantial risk that the operation 27659
will result in violations of this chapter or rules adopted under 27660
it that will present an imminent danger to public health or safety 27661
or damage to the environment, provided that where the chief finds 27662
that terms or conditions to the permit can reasonably be expected 27663
to prevent such violations, the chief shall issue the permit 27664
subject to those terms or conditions, including, if applicable, 27665
terms and conditions regarding subjects identified in rules 27666
adopted under section 1509.03 of the Revised Code. The issuance of 27667
a permit shall not be considered an order of the chief. 27668

The chief shall post notice of each permit that has been 27669
approved under this section on the division's web site not later 27670
than two business days after the application for a permit has been 27671
approved. 27672

(G) Each application for a permit required by section 1509.05 27673
of the Revised Code, except an application ~~to plug back an~~ 27674
~~existing well that is required by that section and an application~~ 27675

the Revised Code, also shall be accompanied by a nonrefundable fee 27677
as follows: 27678

(1) Five hundred dollars for a permit to conduct activities 27679
in a township with a population of fewer than ten thousand; 27680

(2) Seven hundred fifty dollars for a permit to conduct 27681
activities in a township with a population of ten thousand or 27682
more, but fewer than fifteen thousand; 27683

(3) One thousand dollars for a permit to conduct activities 27684
in either of the following: 27685

(a) A township with a population of fifteen thousand or more; 27686

(b) A municipal corporation regardless of population. 27687

(4) If the application is for a permit that requires 27688
mandatory pooling, an additional five thousand dollars. 27689

For purposes of calculating fee amounts, populations shall be 27690
determined using the most recent federal decennial census. 27691

Each application for the revision or reissuance of a permit 27692
shall be accompanied by a nonrefundable fee of two hundred fifty 27693
dollars. 27694

(H)(1) Prior to the commencement of well pad construction and 27695
prior to the issuance of a permit to drill a proposed horizontal 27696
well or a proposed well that is to be located in an urbanized 27697
area, the division shall conduct a site review to identify and 27698
evaluate any site-specific terms and conditions that may be 27699
attached to the permit. At the site review, a representative of 27700
the division shall consider fencing, screening, and landscaping 27701
requirements, if any, for similar structures in the community in 27702
which the well is proposed to be located. The terms and conditions 27703
that are attached to the permit shall include the establishment of 27704
fencing, screening, and landscaping requirements for the surface 27705
facilities of the proposed well, including a tank battery of the 27706

Sec. 1509.27. ~~If a tract of land is~~ or tracts are of 27914
insufficient size or shape to meet the requirements for drilling a 27915
proposed well thereon as provided in section 1509.24 or 1509.25 of 27916
the Revised Code, whichever is applicable, and the owner ~~of the~~ 27917
~~tract who also is the owner of the mineral interest~~ has been 27918
unable to form a drilling unit under agreement as provided in 27919
section 1509.26 of the Revised Code, on a just and equitable 27920

basis, ~~such an~~ the owner may make application to the division of 27921
oil and gas resources management for a mandatory pooling order. 27922

The application shall include information as shall be 27923
reasonably required by the chief of the division of oil and gas 27924
resources management and shall be accompanied by an application 27925
for a permit as required by section 1509.05 of the Revised Code. 27926
The chief shall notify all mineral rights owners of ~~land tracts~~ 27927
within the area proposed to be pooled by an order and included 27928
within the drilling unit of the filing of the application and of 27929
their right to a hearing. After the hearing or after the 27930
expiration of thirty days from the date notice of application was 27931
mailed to such owners, the chief, if satisfied that the 27932
application is proper in form and that mandatory pooling is 27933
necessary to protect correlative rights and to provide effective 27934
development, use, and conservation of oil and gas, shall issue a 27935
drilling permit and a mandatory pooling order complying with the 27936
requirements for drilling a well as provided in section 1509.24 or 27937
1509.25 of the Revised Code, whichever is applicable. The 27938
mandatory pooling order shall: 27939

pooled by the order; 27944

(D) Allocate on a surface acreage basis a pro rata portion of 27945
the production to ~~the owner of~~ each tract pooled by the order. The 27946
pro rata portion shall be in the same proportion that the 27947
percentage of the ~~owner's~~ tract's acreage is to the state minimum 27948
acreage requirements established in rules adopted under this 27949
chapter for a drilling unit unless the applicant demonstrates to 27950
the chief using geological evidence that the geologic structure 27951

containing the oil or gas is larger than the minimum acreage 27952
requirement in which case the pro rata portion shall be in the 27953
same proportion that the percentage of the ~~owner's~~ tract's acreage 27954
is to the geologic structure. 27955

(E) Specify the basis upon which each mineral rights owner of 27956
a tract pooled by the order shall share all reasonable costs and 27957
expenses of drilling and producing if the mineral rights owner 27958
elects to participate in the drilling and operation of the well; 27959

(F) Designate the person to whom the permit shall be issued. 27960

A person shall not submit more than five applications for 27961

land shall occur on a tract pooled by an order without the written 27965
consent of or a written agreement with the surface rights owner of 27966
the tract that approves the operations or disturbances. 27967

If ~~an~~ a mineral rights owner of a tract pooled by the order 27968
does not elect to participate in the risk and cost of the drilling 27969
and operation of a well, the mineral rights owner shall be 27970
designated as a nonparticipating owner in the drilling and 27971
operation of the well on a limited or carried basis and is subject 27972
to terms and conditions determined by the chief to be just and 27973
reasonable. In addition, if ~~an~~ a mineral rights owner is 27974
designated as a nonparticipating owner, the mineral rights owner 27975
is not liable for actions or conditions associated with the 27976
drilling or operation of the well. If the applicant bears the 27977
costs of drilling, equipping, and operating a well for the benefit 27978
of a nonparticipating owner, as provided for in the pooling order, 27979
then the applicant shall be entitled to the share of production 27980
from the drilling unit accruing to the interest of that 27981
nonparticipating owner, exclusive of the nonparticipating owner's 27982

proportionate share of the royalty interest until there has been 27983
received the share of costs charged to that nonparticipating owner 27984
plus such additional percentage of the share of costs as the chief 27985
shall determine. The total amount receivable hereunder shall in no 27986
event exceed two hundred per cent of the share of costs charged to 27987
that nonparticipating owner. After receipt of that share of costs 27988
by such an applicant, a nonparticipating owner shall receive a 27989
proportionate share of the working interest in the well in 27990
addition to a proportionate share of the royalty interest, if any. 27991

If there is a dispute as to costs of drilling, equipping, or 27992
operating a well, the chief shall determine those costs. 27993

of Civil Procedure and other rules of practice and procedure 28039
applicable to civil actions. The remedy provided in this division 28040
is cumulative and concurrent with any other remedy provided in 28041
this chapter, and the existence or exercise of one remedy does not 28042
prevent the exercise of any other, except that no person shall be 28043
subject to both a civil penalty under division (A), (B), (C), or 28044

(D) of this section and a ~~criminal penalty under~~ fine established 28045
in section 1509.99 of the Revised Code for the same offense. 28046

(I) For purposes of this section, each day of violation 28047
constitutes a separate offense. 28048

Sec. 1513.07. (A)(1) No operator shall conduct a coal mining 28049
operation without a permit for the operation issued by the chief 28050
of the division of mineral resources management. 28051

(2) All permits issued pursuant to this chapter shall be 28052
issued for a term not to exceed five years, except that, if the 28053
applicant demonstrates that a specified longer term is reasonably 28054
needed to allow the applicant to obtain necessary financing for 28055
equipment and the opening of the operation and if the application 28056
is full and complete for the specified longer term, the chief may 28057
grant a permit for the longer term. A successor in interest to a 28058
permittee who applies for a new permit within thirty days after 28059
succeeding to the interest and who is able to obtain the 28060
performance security of the original permittee may continue coal 28061
mining and reclamation operations according to the approved mining 28062
and reclamation plan of the original permittee until the 28063
successor's application is granted or denied. 28064

(3) A permit shall terminate if the permittee has not 28065
commenced the coal mining operations covered by the permit within 28066
three years after the issuance of the permit, except that the 28067
chief may grant reasonable extensions of the time upon a showing 28068
that the extensions are necessary by reason of litigation 28069
precluding the commencement or threatening substantial economic 28070
loss to the permittee or by reason of conditions beyond the 28071
control and without the fault or negligence of the permittee, and 28072
except that with respect to coal to be mined for use in a 28073
synthetic fuel facility or specified major electric generating 28074
facility, the permittee shall be deemed to have commenced coal 28075

mining operations at the time construction of the synthetic fuel 28076
or generating facility is initiated. 28077

(4)(a) Any permit issued pursuant to this chapter shall carry 28078
with it the right of successive renewal upon expiration with 28079
respect to areas within the boundaries of the permit. The holders 28080
of the permit may apply for renewal and the renewal shall be 28081
issued unless the chief determines by written findings, subsequent 28082
to fulfillment of the public notice requirements of this section 28083
and section 1513.071 of the Revised Code through demonstrations by 28084
opponents of renewal or otherwise, that one or more of the 28085
following circumstances exists: 28086

(i) The terms and conditions of the existing permit are not 28087
being satisfactorily met. 28088

(ii) The present coal mining and reclamation operation is not 28089
in compliance with the environmental protection standards of this 28090
chapter. 28091

(iii) The renewal requested substantially jeopardizes the 28092
operator's continuing responsibilities on existing permit areas. 28093

(iv) The applicant has not provided evidence that the 28094
performance security in effect for the operation will continue in 28095
effect for any renewal requested in the application. 28096

(v) Any additional, revised, or updated information required 28097
by the chief has not been provided. Prior to the approval of any 28098
renewal of a permit, the chief shall provide notice to the 28099
appropriate public authorities as prescribed by rule of the chief. 28100

(b) If an application for renewal of a valid permit includes 28101
a proposal to extend the mining operation beyond the boundaries 28102
authorized in the existing permit, the portion of the application 28103
for renewal of a valid permit that addresses any new land areas 28104
shall be subject to the full standards applicable to new 28105
applications under this chapter. 28106

(c) A permit renewal shall be for a term not to exceed the 28107
period of the original permit established by this chapter. 28108
Application for permit renewal shall be made at least one hundred 28109
twenty days prior to the expiration of the valid permit. 28110

(5) A permit issued pursuant to this chapter does not 28111
eliminate the requirements for obtaining a permit to install or 28112
modify a disposal system or any part thereof or to discharge 28113
sewage, industrial waste, or other wastes into the waters of the 28114
state in accordance with Chapter 6111. of the Revised Code. 28115

modification of, or deny the application for a permit and notify 28481
the applicant in writing in accordance with division (I)(3) of 28482
this section. An application is deemed to be complete as submitted 28483
to the chief unless the chief, within fourteen days of the 28484
submission, identifies deficiencies in the application in writing 28485
and subsequently submits a copy of a written list of deficiencies 28486
to the applicant. An application shall not be considered 28487
incomplete or denied by reason of right of entry documentation, 28488
provided that the applicant documents the applicant's legal right 28489
to enter and mine at least sixty-seven per cent of the total area 28490
for which coal mining operations are proposed. 28491

A decision of the chief denying a permit shall state in 28492
writing the specific reasons for the denial. 28493

The applicant for a permit or revision of a permit has the 28494
burden of establishing that the application is in compliance with 28495
all the requirements of this chapter. Within ten days after the 28496
granting of a permit, the chief shall notify the boards of 28497
township trustees and county commissioners, the mayor, and the 28498
legislative authority in the township, county, and municipal 28499
corporation in which the area of land to be affected is located 28500
that a permit has been issued and shall describe the location of 28501
the land. However, failure of the chief to notify the local 28502
officials shall not affect the status of the permit. 28503

(2) No permit application or application for revision of an 28504
existing permit shall be approved unless the application 28505
affirmatively demonstrates and the chief finds in writing on the 28506
basis of the information set forth in the application or from 28507
information otherwise available, which shall be documented in the 28508
approval and made available to the applicant, all of the 28509
following: 28510

(a) The application is accurate and complete and all the 28511
requirements of this chapter have been complied with. 28512

(b) The applicant has demonstrated that the reclamation 28513
required by this chapter can be accomplished under the reclamation 28514
plan contained in the application. 28515

(c)(i) Assessment of the probable cumulative impact of all 28516
anticipated mining in the general and adjacent area on the 28517
hydrologic balance specified in division (B)(1)(k) of this section 28518
has been made by the chief, and the proposed operation has been 28519
designed to prevent material damage to hydrologic balance outside 28520
the permit area. 28521

(ii) There shall be an ongoing process conducted by the chief 28522
in cooperation with other state and federal agencies to review all 28523
assessments of probable cumulative impact of coal mining in light 28524
of post-mining data and any other hydrologic information as it 28525
becomes available to determine if the assessments were realistic. 28526
The chief shall take appropriate action as indicated in the review 28527
process. 28528

(d) The area proposed to be mined is not included within an 28529
area designated unsuitable for coal mining pursuant to section 28530
1513.073 of the Revised Code or is not within an area under study 28531
for such designation in an administrative proceeding commenced 28532
pursuant to division (A)(3)(c) or (B) of section 1513.073 of the 28533
Revised Code unless in an area as to which an administrative 28534
proceeding has commenced pursuant to division (A)(3)(c) or (B) of 28535
section 1513.073 of the Revised Code, the operator making the 28536
permit application demonstrates that, prior to January 1, 1977, 28537
the operator made substantial legal and financial commitments in 28538
relation to the operation for which a permit is sought. 28539

(e) In cases where the private mineral estate has been 28540
severed from the private surface estate and surface disturbance 28541
will result from the applicant's proposed use of a strip mining 28542
method, the applicant has submitted to the chief one of the 28543
following: 28544

(i) The written consent of the surface owner to the surface disturbance that will result from the extraction of coal by the applicant's proposed strip mining method;

(ii) A conveyance that expressly grants or reserves the right to extract the coal by strip mining methods that cause surface disturbance;

(iii) If the conveyance does not expressly grant the right to extract coal by strip mining methods that cause surface disturbance, the surface-subsurface legal relationship concerning surface disturbance shall be determined under the law of this state. This chapter does not authorize the chief to adjudicate property rights disputes.

(3)(a) The applicant shall file with the permit application a schedule listing all notices of violations of any law, rule, or regulation of the United States or of any department or agency thereof or of any state pertaining to air or water environmental protection incurred by the applicant in connection with any coal mining operation during the three-year period prior to the date of application. The schedule also shall indicate the final resolution of such a notice of violation. Upon receipt of an application, the chief shall provide a schedule listing all notices of violations of this chapter pertaining to air or water environmental protection incurred by the applicant during the three-year period prior to receipt of the application and the final resolution of all such notices of violation. The chief shall provide this schedule to the applicant for filing by the applicant with the application filed for public review, as required by division (B)(5) of this section. When the schedule or other information available to the chief indicates that any coal mining operation owned or controlled by the applicant is currently in violation of such laws, the permit shall not be issued until the applicant submits proof that the violation has been corrected or is in the

process of being corrected to the satisfaction of the regulatory 28577
authority, department, or agency that has jurisdiction over the 28578
violation and that any civil penalties owed to the state for a 28579
violation and not the subject of an appeal have been paid. No 28580
permit shall be issued to an applicant after a finding by the 28581
chief that the applicant or the operator specified in the 28582
application controls or has controlled mining operations with a 28583
demonstrated pattern of willful violations of this chapter of a 28584
nature and duration to result in irreparable damage to the 28585
environment as to indicate an intent not to comply with or a 28586
disregard of this chapter. 28587

(b) For the purposes of division (E)(3)(a) of this section, 28588
any violation resulting from an unanticipated event or condition 28589
at a surface coal mining operation on lands eligible for remining 28590
under a permit held by the person submitting an application for a 28591
coal mining permit under this section shall not prevent issuance 28592
of that permit. As used in this division, "unanticipated event or 28593
condition" means an event or condition encountered in a remining 28594
operation that was not contemplated by the applicable surface coal 28595
mining and reclamation permit. 28596

(4)(a) In addition to finding the application in compliance 28597
with division (E)(2) of this section, if the area proposed to be 28598
mined contains prime farmland as determined pursuant to division 28599
(B)(1)(p) of this section, the chief, after consultation with the 28600
secretary of the United States department of agriculture and 28601
pursuant to regulations issued by the secretary of the interior 28602
with the concurrence of the secretary of agriculture, may grant a 28603
permit to mine on prime farmland if the chief finds in writing 28604
that the operator has the technological capability to restore the 28605
mined area, within a reasonable time, to equivalent or higher 28606
levels of yield as nonmined prime farmland in the surrounding area 28607
under equivalent levels of management and can meet the soil 28608

reconstruction standards in section 1513.16 of the Revised Code. 28609

(b) Division (E)(4)(a) of this section does not apply to a 28610
permit issued prior to August 3, 1977, or revisions or renewals 28611
thereof. 28612

(5) The chief shall issue an order denying a permit after 28613
finding that the applicant has misrepresented or omitted any 28614
material fact in the application for the permit. 28615

(6) The chief may issue an order denying a permit after 28616
finding that the applicant, any partner, if the applicant is a 28617
partnership, any officer, principal shareholder, or director, if 28618
the applicant is a corporation, or any other person who has a 28619
right to control or in fact controls the management of the 28620
applicant or the selection of officers, directors, or managers of 28621
the applicant has been a sole proprietor or partner, officer, 28622
director, principal shareholder, or person having the right to 28623
control or has in fact controlled the management of or the 28624
selection of officers, directors, or managers of a business entity 28625
that ever has had a coal mining license or permit issued by this 28626
or any other state or the United States suspended or revoked, ever 28627
has forfeited a coal or surface mining bond, performance security, 28628
or similar security deposited in lieu of bond in this or any other 28629
state or with the United States, or ever has substantially or 28630
materially failed to comply with this chapter. 28631

(7) When issuing a permit under this section, the chief may 28632
authorize an applicant to conduct coal mining and reclamation 28633
operations on areas to be covered by the permit that were affected 28634
by coal mining operations before August 3, 1977, that have 28635
resulted in continuing water pollution from or on the previously 28636
mined areas for the purpose of potentially reducing the pollution 28637
loadings of pH, iron, and manganese from discharges from or on the 28638
previously mined areas. Following the chief's authorization to 28639
conduct such operations on those areas, the areas shall be 28640

designated as pollution abatement areas for the purposes of this 28641
chapter. 28642

The chief shall not grant an authorization under division 28643
(E)(7) of this section to conduct coal mining and reclamation 28644
operations on any such previously mined areas unless the applicant 28645
demonstrates to the chief's satisfaction that all of the following 28646
conditions are met: 28647

(a) The applicant's pollution abatement plan for mining and 28648
reclaiming the previously mined areas represents the best 28649
available technology economically achievable. 28650

(b) Implementation of the plan will potentially reduce 28651
pollutant loadings of pH, iron, and manganese resulting from 28652
discharges of surface waters or ground water from or on the 28653
previously mined areas within the permit area. 28654

(c) Implementation of the plan will not cause any additional 28655
degradation of surface water quality off the permit area with 28656
respect to pH, iron, and manganese. 28657

(d) Implementation of the plan will not cause any additional 28658
degradation of ground water. 28659

(e) The plan meets the requirements governing mining and 28660
reclamation of such previously mined pollution abatement areas 28661
established by the chief in rules adopted under section 1513.02 of 28662
the Revised Code. 28663

(f) Neither the applicant; any partner, if the applicant is a 28664
partnership; any officer, principal shareholder, or director, if 28665
the applicant is a corporation; any other person who has a right 28666
to control or in fact controls the management of the applicant or 28667
the selection of officers, directors, or managers of the 28668
applicant; nor any contractor or subcontractor of the applicant, 28669
has any of the following: 28670

(i) Responsibility or liability under this chapter or rules 28671
adopted under it as an operator for treating the discharges of 28672
water pollutants from or on the previously mined areas for which 28673
the authorization is sought; 28674

(ii) Any responsibility or liability under this chapter or 28675
rules adopted under it for reclaiming the previously mined areas 28676
for which the authorization is sought; 28677

(iii) During the eighteen months prior to submitting the 28678
permit application requesting an authorization under division 28679
(E)(7) of this section, had a coal mining and reclamation permit 28680
suspended or revoked under division (D)(3) of section 1513.02 of 28681
the Revised Code for violating this chapter or Chapter 6111. of 28682
the Revised Code or rules adopted under them with respect to water 28683
quality, effluent limitations, or surface or ground water 28684
monitoring; 28685

(iv) Ever forfeited a coal or surface mining bond, 28686
performance security, or similar security deposited in lieu of a 28687
bond in this or any other state or with the United States. 28688

(8) In the case of the issuance of a permit that involves a 28689
conflict of results between various methods of calculating 28690
potential acidity and neutralization potential for purposes of 28691
assessing the potential for acid mine drainage to occur at a mine 28692
site, the permit shall include provisions for monitoring and 28693
record keeping to identify the creation of unanticipated acid 28694
water at the mine site. If the monitoring detects the creation of 28695
acid water at the site, the permit shall impose on the permittee 28696
additional requirements regarding mining practices and site 28697
reclamation to prevent the discharge of acid mine drainage from 28698
the mine site. As used in division (E)(8) of this section, 28699
"potential acidity" and "neutralization potential" have the same 28700
meanings as in section 1513.075 of the Revised Code. 28701

(F)(1) During the term of the permit, the permittee may 28702
submit an application for a revision of the permit, together with 28703
a revised reclamation plan, to the chief. 28704

(2) An application for a revision of a permit shall not be 28705
approved unless the chief finds that reclamation required by this 28706
chapter can be accomplished under the revised reclamation plan. 28707
The revision shall be approved or disapproved within ninety days 28708
after receipt of a complete revision application. The chief shall 28709
establish, by rule, criteria for determining the extent to which 28710
all permit application information requirements and procedures, 28711
including notice and hearings, shall apply to the revision 28712
request, except that any revisions that propose significant 28713
alterations in the reclamation plan, at a minimum, shall be 28714
subject to notice and hearing requirements. 28715

(3) Any extensions to the area covered by the permit except 28716
incidental boundary revisions shall be made by application for a 28717
permit. 28718

(4) Documents or a notarized statement that form the basis of 28719
the applicant's legal right to enter and commence coal mining 28720
operations on land that is located within an area covered by the 28721
permit and that was legally acquired subsequent to the issuance of 28722
the permit for the area shall be submitted with an application for 28723
a revision of the permit. 28724

(G) No transfer, assignment, or sale of the rights granted 28725
under a permit issued pursuant to this chapter shall be made 28726
without the written approval of the chief. 28727

(H) The chief, within a time limit prescribed in the chief's 28728
rules, shall review outstanding permits and may require reasonable 28729
revision or modification of a permit. A revision or modification 28730
shall be based upon a written finding and subject to notice and 28731
hearing requirements established by rule of the chief. 28732

(I)(1) If an informal conference has been held pursuant to 28733
section 1513.071 of the Revised Code, the chief shall issue and 28734
furnish the applicant for a permit, persons who participated in 28735
the informal conference, and persons who filed written objections 28736
pursuant to division (B) of section 1513.071 of the Revised Code, 28737
with the written finding of the chief granting or denying the 28738
permit in whole or in part and stating the reasons therefor within 28739
sixty days of the conference, provided that the chief shall comply 28740
with the time frames established in division (I)(3) of this 28741
section. 28742

(2) If there has been no informal conference held pursuant to 28743
section 1513.071 of the Revised Code, the chief shall submit to 28744
the applicant for a permit the written finding of the chief 28745
granting or denying the permit in whole or in part and stating the 28746
reasons therefor within the time frames established in division 28747
(I)(3) of this section. 28748

(3) The chief shall grant or deny a permit not later than two 28749
hundred forty days after the submission of a complete application 28750
for the permit. Any time during which the applicant is making 28751
revisions to an application or providing additional information 28752
requested by the chief regarding an application shall not be 28753
included in the two hundred forty days. If the chief determines 28754
that a permit cannot be granted or denied within the 28755
two-hundred-forty-day time frame, the chief, not later than two 28756
hundred ten days after the submission of a complete application 28757
for the permit, shall provide the applicant with written notice of 28758
the expected delay. 28759

(4) If the application is approved, the permit shall be 28760
issued. However, the permit shall prohibit the commencement of 28761
coal mining operations on any land that is located within an area 28762
covered by the permit if the permittee has not provided to the 28763
chief documents that form the basis of the permittee's legal right 28764

to enter and conduct coal mining operations on that land. If the 28765
application is disapproved, specific reasons therefor shall be set 28766
forth in the notification. Within thirty days after the applicant 28767
is notified of the final decision of the chief on the permit 28768
application, the applicant or any person with an interest that is 28769
or may be adversely affected may appeal the decision to the 28770
reclamation commission pursuant to section 1513.13 of the Revised 28771
Code. 28772

(5) Any applicant or any person with an interest that is or 28773
may be adversely affected who has participated in the 28774
administrative proceedings as an objector and is aggrieved by the 28775
decision of the reclamation commission, or if the commission fails 28776
to act within the time limits specified in this chapter, may 28777
appeal in accordance with section 1513.14 of the Revised Code. 28778

Sec. 1513.16. (A) Any permit issued under this chapter to 28779
conduct coal mining operations shall require that the operations 28780
meet all applicable performance standards of this chapter and such 28781
other requirements as the chief of the division of mineral 28782
resources management shall adopt by rule. General performance 28783
standards shall apply to all coal mining and reclamation 28784
operations and shall require the operator at a minimum to do all 28785
of the following: 28786

(1) Conduct coal mining operations so as to maximize the 28787
utilization and conservation of the solid fuel resource being 28788
recovered so that re-affecting the land in the future through coal 28789
mining can be minimized; 28790

(2) Restore the land affected to a condition capable of 28791
supporting the uses that it was capable of supporting prior to any 28792
mining, or higher or better uses of which there is reasonable 28793
likelihood, so long as the uses do not present any actual or 28794
probable hazard to public health or safety or pose any actual or 28795

probable threat of diminution or pollution of the waters of the state, and the permit applicants' declared proposed land uses following reclamation are not considered to be impractical or unreasonable, to be inconsistent with applicable land use policies and plans, to involve unreasonable delay in implementation, or to violate federal, state, or local law;

(3) Except as provided in division (B) of this section, with respect to all coal mining operations, backfill, compact where advisable to ensure stability or to prevent leaching of toxic materials, and grade in order to restore the approximate original contour of the land with all highwalls, spoil piles, and depressions eliminated unless small depressions are needed in order to retain moisture to assist revegetation or as otherwise authorized pursuant to this chapter, provided that if the operator demonstrates that due to volumetric expansion the amount of overburden and the spoil and waste materials removed in the course of the mining operation are more than sufficient to restore the approximate original contour, the operator shall backfill, grade, and compact the excess overburden and other spoil and waste materials to attain the lowest grade, but not more than the angle of repose, and to cover all acid-forming and other toxic materials in order to achieve an ecologically sound land use compatible with the surrounding region in accordance with the approved mining plan. The overburden or spoil shall be shaped and graded in such a way as to prevent slides, erosion, and water pollution and shall be revegetated in accordance with this chapter.

(4) Stabilize and protect all surface areas, including spoil piles affected by the coal mining and reclamation operation, to control erosion and attendant air and water pollution effectively;

(5) Remove the topsoil from the land in a separate layer, replace it on the backfill area, or, if not utilized immediately, segregate it in a separate pile from the spoil, and when the

topsoil is not replaced on a backfill area within a time short 28828
enough to avoid deterioration of the topsoil, maintain a 28829
successful cover by quick-growing plants or other means thereafter 28830
so that the topsoil is preserved from wind and water erosion, 28831
remains free of any contamination by acid or other toxic material, 28832
and is in a usable condition for sustaining vegetation when 28833
restored during reclamation. If the topsoil is of insufficient 28834
quantity or of poor quality for sustaining vegetation or if other 28835
strata can be shown to be more suitable for vegetation 28836
requirements, the operator shall remove, segregate, and preserve 28837
in a like manner such other strata as are best able to support 28838
vegetation. 28839

(6) Restore the topsoil or the best available subsoil that is 28840
best able to support vegetation; 28841

(7) For all prime farmlands as identified in division 28842
(B)(1)(p) of section 1513.07 of the Revised Code to be mined and 28843
reclaimed, perform soil removal, storage, replacement, and 28844
reconstruction in accordance with specifications established by 28845
the secretary of the United States department of agriculture under 28846
the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 28847
445, 30 U.S.C.A. 1201. The operator, at a minimum, shall be 28848
required to do all of the following: 28849

(a) Segregate the A horizon of the natural soil, except where 28850
it can be shown that other available soil materials will create a 28851
final soil having a greater productive capacity, and, if not 28852
utilized immediately, stockpile this material separately from the 28853
spoil and provide needed protection from wind and water erosion or 28854
contamination by acid or other toxic material; 28855

(b) Segregate the B horizon of the natural soil, or 28856
underlying C horizons or other strata, or a combination of such 28857
horizons or other strata that are shown to be both texturally and 28858
chemically suitable for plant growth and that can be shown to be 28859

equally or more favorable for plant growth than the B horizon, in 28860
sufficient quantities to create in the regraded final soil a root 28861
zone of comparable depth and quality to that which existed in the 28862
natural soil, and, if not utilized immediately, stockpile this 28863
material separately from the spoil and provide needed protection 28864
from wind and water erosion or contamination by acid or other 28865
toxic material; 28866

(c) Replace and regrade the root zone material described in 28867
division (A)(7)(b) of this section with proper compaction and 28868
uniform depth over the regraded spoil material; 28869

(d) Redistribute and grade in a uniform manner the surface 28870
soil horizon described in division (A)(7)(a) of this section. 28871

(8) Create, if authorized in the approved mining and 28872
reclamation plan and permit, permanent impoundments of water on 28873
mining sites as part of reclamation activities only when it is 28874
adequately demonstrated by the operator that all of the following 28875
conditions will be met: 28876

(a) The size of the impoundment is adequate for its intended 28877
purposes. 28878

(b) The impoundment dam construction will be so designed as 28879
to achieve necessary stability with an adequate margin of safety 28880
compatible with that of structures constructed under the 28881
"Watershed Protection and Flood Prevention Act," 68 Stat. 666 28882
(1954), 16 U.S.C. 1001, as amended. 28883

(c) The quality of impounded water will be suitable on a 28884
permanent basis for its intended use and discharges from the 28885
impoundment will not degrade the water quality below water quality 28886
standards established pursuant to applicable federal and state law 28887
in the receiving stream. 28888

(d) The level of water will be reasonably stable. 28889

(e) Final grading will provide adequate safety and access for proposed water users. 28890
28891

(f) The water impoundments will not result in the diminution of the quality or quantity of water utilized by adjacent or surrounding landowners for agricultural, industrial, recreational, or domestic uses. 28892
28893
28894
28895

(9) Conduct any augering operation associated with strip mining in a manner to maximize recoverability of mineral reserves remaining after the operation and reclamation are complete and seal all auger holes with an impervious and noncombustible material in order to prevent drainage, except where the chief determines that the resulting impoundment of water in such auger holes may create a hazard to the environment or the public health or safety. The chief may prohibit augering if necessary to maximize the utilization, recoverability, or conservation of the solid fuel resources or to protect against adverse water quality impacts. 28896
28897
28898
28899
28900
28901
28902
28903
28904
28905
28906

(10) Minimize the disturbances to the prevailing hydrologic balance at the mine site and in associated offsite areas and to the quality and quantity of water in surface and ground water systems both during and after coal mining operations and during reclamation by doing all of the following: 28907
28908
28909
28910
28911

(a) Avoiding acid or other toxic mine drainage by such measures as, but not limited to: 28912
28913

(i) Preventing or removing water from contact with toxic producing deposits; 28914
28915

(ii) Treating drainage to reduce toxic content that adversely affects downstream water upon being released to water courses in accordance with rules adopted by the chief in accordance with section 1513.02 of the Revised Code; 28916
28917
28918
28919

(iii) Casing, sealing, or otherwise managing boreholes, 28920

shafts, and wells, and keeping acid or other toxic drainage from 28921
entering ground and surface waters. 28922

(b)(i) Conducting coal mining operations so as to prevent, to 28923
the extent possible using the best technology currently available, 28924
additional contributions of suspended solids to streamflow or 28925
runoff outside the permit area, but in no event shall 28926
contributions be in excess of requirements set by applicable state 28927
or federal laws; 28928

(ii) Constructing any siltation structures pursuant to 28929
division (A)(10)(b)(i) of this section prior to commencement of 28930
coal mining operations. The structures shall be certified by 28931
persons approved by the chief to be constructed as designed and as 28932
approved in the reclamation plan. 28933

(c) Cleaning out and removing temporary or large settling 28934
ponds or other siltation structures from drainways after disturbed 28935
areas are revegetated and stabilized, and depositing the silt and 28936
debris at a site and in a manner approved by the chief; 28937

(d) Restoring recharge capacity of the mined area to 28938
approximate premining conditions; 28939

(e) Avoiding channel deepening or enlargement in operations 28940
requiring the discharge of water from mines; 28941

(f) Such other actions as the chief may prescribe. 28942

(11) With respect to surface disposal of mine wastes, 28943
tailings, coal processing wastes, and other wastes in areas other 28944
than the mine working areas or excavations, stabilize all waste 28945
piles in designated areas through construction in compacted 28946
layers, including the use of noncombustible and impervious 28947
materials if necessary, and ensure that the final contour of the 28948
waste pile will be compatible with natural surroundings and that 28949
the site can and will be stabilized and revegetated according to 28950
this chapter; 28951

(12) Refrain from coal mining within five hundred feet of active and abandoned underground mines in order to prevent breakthroughs and to protect the health or safety of miners. The chief shall permit an operator to mine near, through, or partially through an abandoned underground mine or closer than five hundred feet to an active underground mine if both of the following conditions are met:

(a) The nature, timing, and sequencing of the approximate coincidence of specific strip mine activities with specific underground mine activities are approved by the chief.

(b) The operations will result in improved resource recovery, abatement of water pollution, or elimination of hazards to the health and safety of the public.

(13) Design, locate, construct, operate, maintain, enlarge, modify, and remove or abandon, in accordance with the standards and criteria developed pursuant to rules adopted by the chief, all existing and new coal mine waste piles consisting of mine wastes, tailings, coal processing wastes, or other liquid and solid wastes, and used either temporarily or permanently as dams or embankments;

(14) Ensure that all debris, acid-forming materials, toxic materials, or materials constituting a fire hazard are treated or buried and compacted or otherwise disposed of in a manner designed to prevent contamination of ground or surface waters and that contingency plans are developed to prevent sustained combustion;

(15) Ensure that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable with the coal mining operations, except that where the applicant proposes to combine strip mining operations with underground mining operations to ensure maximum practical recovery of the mineral resources, the chief may grant a variance for

specific areas within the reclamation plan from the requirement 28983
that reclamation efforts proceed as contemporaneously as 28984
practicable to permit underground mining operations prior to 28985
reclamation if: 28986

(a) The chief finds in writing that: 28987

(i) The applicant has presented, as part of the permit 28988
application, specific, feasible plans for the proposed underground 28989
mining operations. 28990

(ii) The proposed underground mining operations are necessary 28991
or desirable to ensure maximum practical recovery of the mineral 28992
resource and will avoid multiple disturbance of the surface. 28993

(iii) The applicant has satisfactorily demonstrated that the 28994
plan for the underground mining operations conforms to 28995
requirements for underground mining in this state and that permits 28996
necessary for the underground mining operations have been issued 28997
by the appropriate authority. 28998

(iv) The areas proposed for the variance have been shown by 28999
the applicant to be necessary for the implementing of the proposed 29000
underground mining operations. 29001

(v) No substantial adverse environmental damage, either 29002
on-site or off-site, will result from the delay in completion of 29003
reclamation as required by this chapter. 29004

(vi) Provisions for the off-site storage of spoil will comply 29005
with division (A)(21) of this section. 29006

(b) The chief has adopted specific rules to govern the 29007
granting of such variances in accordance with this division and 29008
has imposed such additional requirements as the chief considers 29009
necessary. 29010

(c) Variances granted under this division shall be reviewed 29011
by the chief not more than three years from the date of issuance 29012

of the permit. 29013

(d) Liability under the performance security filed by the 29014
applicant with the chief pursuant to section 1513.08 of the 29015
Revised Code shall be for the duration of the underground mining 29016
operations and until the requirements of this section and section 29017
1513.08 of the Revised Code have been fully complied with. 29018

(16) Ensure that the construction, maintenance, and 29019
postmining conditions of access roads into and across the site of 29020
operations will control or prevent erosion and siltation, 29021
pollution of water, and damage to fish or wildlife or their 29022
habitat, or to public or private property; 29023

(17) Refrain from the construction of roads or other access 29024
ways up a stream bed or drainage channel or in such proximity to 29025
the channel as to seriously alter the normal flow of water; 29026

(18) Establish, on the regraded areas and all other lands 29027
affected, a diverse, effective, and permanent vegetative cover of 29028
the same seasonal variety native to the area of land to be 29029
affected and capable of self-regeneration and plant succession at 29030
least equal in extent of cover to the natural vegetation of the 29031
area, except that introduced species may be used in the 29032
revegetation process where desirable and necessary to achieve the 29033
approved postmining land use plan; 29034

(19)(a) Assume the responsibility for successful 29035
revegetation, as required by division (A)(18) of this section, for 29036
a period of five full years after the last year of augmented 29037
seeding, fertilizing, irrigation, or other work in order to ensure 29038
compliance with that division, except that when the chief approves 29039
a long-term intensive agricultural postmining land use, the 29040
applicable five-year period of responsibility for revegetation 29041
shall commence at the date of initial planting for that long-term 29042
intensive agricultural postmining land use, and except that when 29043

the chief issues a written finding approving a long-term intensive 29044
agricultural postmining land use as part of the mining and 29045
reclamation plan, the chief may grant an exception to division 29046
(A)(18) of this section; 29047

(b) On lands eligible for remining, assume the responsibility 29048
for successful revegetation, as required by division (A)(18) of 29049
this section, for a period of two full years after the last year 29050
of augmented seeding, fertilizing, irrigation, or other work in 29051
order to ensure compliance with that division. 29052

(20) Protect off-site areas from slides or damage occurring 29053
during the coal mining and reclamation operations and not deposit 29054
spoil material or locate any part of the operations or waste 29055
accumulations outside the permit area; 29056

(21) Place all excess spoil material resulting from coal 29057
mining and reclamation operations in such a manner that all of the 29058
following apply: 29059

(a) Spoil is transported and placed in a controlled manner in 29060
position for concurrent compaction and in such a way as to ensure 29061
mass stability and to prevent mass movement. 29062

(b) The areas of disposal are within the permit areas for 29063
which performance security has been provided. All organic matter 29064
shall be removed immediately prior to spoil placement except in 29065
the zoned concept method. 29066

(c) Appropriate surface and internal drainage systems and 29067
diversion ditches are used so as to prevent spoil erosion and mass 29068
movement. 29069

(d) The disposal area does not contain springs, natural 29070
watercourses, or wet weather seeps unless lateral drains are 29071
constructed from the wet areas to the main underdrains in such a 29072
manner that filtration of the water into the spoil pile will be 29073
prevented unless the zoned concept method is used. 29074

(e) If placed on a slope, the spoil is placed upon the most moderate slope among those slopes upon which, in the judgment of the chief, the spoil could be placed in compliance with all the requirements of this chapter and is placed, where possible, upon, or above, a natural terrace, bench, or berm if that placement provides additional stability and prevents mass movement.

(f) Where the toe of the spoil rests on a downslope, a rock toe buttress of sufficient size to prevent mass movement is constructed.

(g) The final configuration is compatible with the natural drainage pattern and surroundings and suitable for intended uses.

(h) Design of the spoil disposal area is certified by a qualified registered professional engineer in conformance with professional standards.

(i) All other provisions of this chapter are met.

(22) Meet such other criteria as are necessary to achieve reclamation in accordance with the purpose of this chapter, taking into consideration the physical, climatological, and other characteristics of the site;

(23) To the extent possible, using the best technology currently available, minimize disturbances and adverse impacts of the operation on fish, wildlife, and related environmental values, and achieve enhancement of such resources where practicable;

(24) Provide for an undisturbed natural barrier beginning at the elevation of the lowest coal seam to be mined and extending from the outslope for such distance as the chief shall determine to be retained in place as a barrier to slides and erosion;

(25) Restore on the permit area streams and wetlands affected by mining operations unless the chief approves restoration off the permit area without a permit required by section 1513.07 or

1513.074 of the Revised Code, instead of restoration on the permit area, of a stream or wetland or a portion of a stream or wetland, provided that the chief first makes all of the following written determinations:

(a) A hydrologic and engineering assessment of the affected lands, submitted by the operator, demonstrates that restoration on the permit area is not possible.

(b) The proposed mitigation plan under which mitigation activities described in division (A)(25)(c) of this section will be conducted is limited to a stream or wetland, or a portion of a stream or wetland, for which restoration on the permit area is not possible.

(c) Mitigation activities off the permit area, including mitigation banking and payment of in-lieu mitigation fees, will be performed pursuant to a permit issued under sections 401 and 404 of the "Federal Water Pollution Control Act" as defined in section 6111.01 of the Revised Code or an isolated wetland permit issued under Chapter 6111. of the Revised Code or pursuant to a no-cost reclamation contract for the restoration of water resources affected by past mining activities pursuant to section 1513.37 of the Revised Code.

(d) The proposed mitigation plan and mitigation activities comply with the standards established in this section.

If the chief approves restoration off the permit area in accordance with this division, the operator shall complete all mitigation construction or other activities required by the mitigation plan.

Performance security for reclamation activities on the permit area shall be released pursuant to division (F) of this section, except that the release of the remaining portion of performance security under division (F)(3)(c) of this section shall not be

approved prior to the construction of required mitigation 29136
activities off the permit area. 29137

(B)(1) The chief may permit mining operations for the 29138
purposes set forth in division (B)(3) of this section. 29139

(2) When an applicant meets the requirements of divisions 29140
(B)(3) and (4) of this section, a permit without regard to the 29141
requirement to restore to approximate original contour known as 29142
mountain top removal set forth in divisions (A)(3) or (C)(2) and 29143
(3) of this section may be granted for the mining of coal where 29144
the mining operation will remove an entire coal seam or seams 29145
running through the upper fraction of a mountain, ridge, or hill, 29146
except as provided in division (B)(4)(a) of this section, by 29147
removing all of the overburden and creating a level plateau or a 29148
gently rolling contour with no highwalls remaining, and capable of 29149
supporting postmining uses in accordance with this division. 29150

(3) In cases where an industrial, commercial, agricultural, 29151
residential, or public facility use, including recreational 29152
facilities, is proposed for the postmining use of the affected 29153
land, the chief may grant a permit for a mining operation of the 29154
nature described in division (B)(2) of this section when all of 29155
the following apply: 29156

(a) After consultation with the appropriate land use planning 29157
agencies, if any, the proposed postmining land use is considered 29158
to constitute an equal or better economic or public use of the 29159
affected land, as compared with premining use. 29160

(b) The applicant presents specific plans for the proposed 29161
postmining land use and appropriate assurances that the use will 29162
be all of the following: 29163

(i) Compatible with adjacent land uses; 29164

(ii) Obtainable according to data regarding expected need and 29165
market; 29166

(iii) Assured of investment in necessary public facilities;	29167
(iv) Supported by commitments from public agencies where appropriate;	29168 29169
(v) Practicable with respect to private financial capability for completion of the proposed use;	29170 29171
(vi) Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use;	29172 29173 29174
(vii) Designed by a registered engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the site.	29175 29176 29177 29178
(c) The proposed use is consistent with adjacent land uses and existing state and local land use plans and programs.	29179 29180
(d) The chief provides the governing body of the unit of general-purpose local government in which the land is located, and any state or federal agency that the chief, in the chief's discretion, determines to have an interest in the proposed use, an opportunity of not more than sixty days to review and comment on the proposed use.	29181 29182 29183 29184 29185 29186
(e) All other requirements of this chapter will be met.	29187
(4) In granting a permit pursuant to this division, the chief shall require that each of the following is met:	29188 29189
(a) The toe of the lowest coal seam and the overburden associated with it are retained in place as a barrier to slides and erosion.	29190 29191 29192
(b) The reclaimed area is stable.	29193
(c) The resulting plateau or rolling contour drains inward from the out slopes except at specified points.	29194 29195

(d) No damage will be done to natural watercourses.	29196
(e) Spoil will be placed on the mountaintop bench as is necessary to achieve the planned postmining land use, except that all excess spoil material not retained on the mountaintop bench shall be placed in accordance with division (A)(21) of this section.	29197 29198 29199 29200 29201
(f) Stability of the spoil retained on the mountaintop bench is ensured and the other requirements of this chapter are met.	29202 29203
(5) The chief shall adopt specific rules to govern the granting of permits in accordance with divisions (B)(1) to (4) of this section and may impose such additional requirements as the chief considers necessary.	29204 29205 29206 29207
(6) All permits granted under divisions (B)(1) to (4) of this section shall be reviewed not more than three years from the date of issuance of the permit unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan.	29208 29209 29210 29211 29212 29213
(C) All of the following performance standards apply to steep-slope coal mining and are in addition to those general performance standards required by this section, except that this division does not apply to those situations in which an operator is mining on flat or gently rolling terrain on which an occasional steep slope is encountered through which the mining operation is to proceed, leaving a plain or predominantly flat area, or where an operator is in compliance with division (B) of this section:	29214 29215 29216 29217 29218 29219 29220 29221
(1) The operator shall ensure that when performing coal mining on steep slopes, no debris, abandoned or disabled equipment, spoil material, or waste mineral matter is placed on the downslope below the bench or mining cut. Spoil material in excess of that required for the reconstruction of the approximate	29222 29223 29224 29225 29226

original contour under division (A)(3) or (C)(2) of this section 29227
shall be permanently stored pursuant to division (A)(21) of this 29228
section. 29229

(2) The operator shall complete backfilling with spoil 29230
material to cover completely the highwall and return the site to 29231
the approximate original contour, which material will maintain 29232
stability following mining and reclamation. 29233

(3) The operator shall not disturb land above the top of the 29234
highwall unless the chief finds that the disturbance will 29235
facilitate compliance with the environmental protection standards 29236
of this section, except that any such disturbance involving land 29237
above the highwall shall be limited to that amount of land 29238
necessary to facilitate compliance. 29239

(D)(1) The chief may permit variances for the purposes set 29240
forth in division (D)(3) of this section, provided that the 29241
watershed control of the area is improved and that complete 29242
backfilling with spoil material shall be required to cover 29243
completely the highwall, which material will maintain stability 29244
following mining and reclamation. 29245

(2) Where an applicant meets the requirements of divisions 29246
(D)(3) and (4) of this section, a variance from the requirement to 29247
restore to approximate original contour set forth in division 29248
(C)(2) of this section may be granted for the mining of coal when 29249
the owner of the surface knowingly requests in writing, as a part 29250
of the permit application, that such a variance be granted so as 29251
to render the land, after reclamation, suitable for an industrial, 29252
commercial, residential, or public use, including recreational 29253
facilities, in accordance with divisions (D)(3) and (4) of this 29254
section. 29255

(3) A variance pursuant to division (D)(2) of this section 29256
may be granted if: 29257

(a) After consultation with the appropriate land use planning agencies, if any, the potential use of the affected land is considered to constitute an equal or better economic or public use.

(b) The postmining land condition is designed and certified by a registered professional engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the site.

(c) After approval of the appropriate state environmental agencies, the watershed of the affected land is considered to be improved.

(4) In granting a variance pursuant to division (D) of this section, the chief shall require that only such amount of spoil will be placed off the mine bench as is necessary to achieve the planned postmining land use, ensure stability of the spoil retained on the bench, and meet all other requirements of this chapter. All spoil placement off the mine bench shall comply with division (A)(21) of this section.

(5) The chief shall adopt specific rules to govern the granting of variances under division (D) of this section and may impose such additional requirements as the chief considers necessary.

(6) All variances granted under division (D) of this section shall be reviewed not more than three years from the date of issuance of the permit unless the permittee affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the reclamation plan.

(E) The chief shall establish standards and criteria regulating the design, location, construction, operation, maintenance, enlargement, modification, removal, and abandonment

of new and existing coal mine waste piles referred to in division 29289
(A)(13) of this section and division (A)(5) of section 1513.35 of 29290
the Revised Code. The standards and criteria shall conform to the 29291
standards and criteria used by the chief of the United States army 29292
corps of engineers to ensure that flood control structures are 29293
safe and effectively perform their intended function. In addition 29294
to engineering and other technical specifications, the standards 29295
and criteria developed pursuant to this division shall include 29296
provisions for review and approval of plans and specifications 29297
prior to construction, enlargement, modification, removal, or 29298
abandonment; performance of periodic inspections during 29299
construction; issuance of certificates of approval upon completion 29300
of construction; performance of periodic safety inspections; and 29301
issuance of notices for required remedial or maintenance work. 29302

(F)(1) The permittee may file a request with the chief for 29303
release of a part of a performance security under division (F)(3) 29304
of this section. Within thirty days after any request for 29305
performance security release under this section has been filed 29306
with the chief, the operator shall submit a copy of an 29307
advertisement placed at least once a week for four successive 29308
weeks in a newspaper of general circulation in the locality of the 29309
coal mining operation. The advertisement shall be considered part 29310
of any performance security release application and shall contain 29311
a notification of the precise location of the land affected, the 29312
number of acres, the permit number and the date approved, the 29313
amount of the performance security filed and the portion sought to 29314
be released, the type and appropriate dates of reclamation work 29315
performed, and a description of the results achieved as they 29316
relate to the operator's approved reclamation plan and, if 29317
applicable, the operator's pollution abatement plan. In addition, 29318
as part of any performance security release application, the 29319
applicant shall submit copies of the letters sent to adjoining 29320
property owners, local governmental bodies, planning agencies, and 29321

sewage and water treatment authorities or water companies in the 29322
locality in which the coal mining and reclamation activities took 29323
place, notifying them of the applicant's intention to seek release 29324
from the performance security. 29325

(2) Upon receipt of a copy of the advertisement and request 29326
for release of a performance security under division (F)(3)(c) of 29327
this section, the chief, within thirty days, shall conduct an 29328
inspection and evaluation of the reclamation work involved. The 29329
evaluation shall consider, among other things, the degree of 29330
difficulty to complete any remaining reclamation, whether 29331
pollution of surface and subsurface water is occurring, the 29332
probability of continuation or future occurrence of the pollution, 29333
and the estimated cost of abating the pollution. The chief shall 29334
notify the permittee in writing of the decision to release or not 29335
to release all or part of the performance security within sixty 29336
days after the filing of the request if no public hearing is held 29337
pursuant to division (F)(6) of this section or, if there has been 29338
a public hearing held pursuant to division (F)(6) of this section, 29339
within thirty days thereafter. 29340

(3) The chief may release the performance security if the 29341
reclamation covered by the performance security or portion thereof 29342
has been accomplished as required by this chapter and rules 29343
adopted under it according to the following schedule: 29344

(a) When the operator completes the backfilling, regrading, 29345
and drainage control of an area for which performance security has 29346
been provided in accordance with the approved reclamation plan, 29347
and, if the area covered by the performance security is one for 29348
which an authorization was made under division (E)(7) of section 29349
1513.07 of the Revised Code, the operator has complied with the 29350
approved pollution abatement plan and all additional requirements 29351
established by the chief in rules adopted under section 1513.02 of 29352
the Revised Code governing coal mining and reclamation operations 29353

on pollution abatement areas, the chief shall grant a release of 29354
fifty per cent of the performance security for the applicable 29355
permit area. 29356

(b) After resoiling and revegetation have been established on 29357
the regraded mined lands in accordance with the approved 29358
reclamation plan, the chief shall grant a release in an amount not 29359
exceeding thirty-five per cent of the original performance 29360
security for all or part of the affected area under the permit. 29361
When determining the amount of performance security to be released 29362
after successful revegetation has been established, the chief 29363
shall retain that amount of performance security for the 29364
revegetated area that would be sufficient for a third party to 29365
cover the cost of reestablishing revegetation for the period 29366
specified for operator responsibility in this section for 29367
reestablishing revegetation. No part of the performance security 29368
shall be released under this division so long as the lands to 29369
which the release would be applicable are contributing suspended 29370
solids to streamflow or runoff outside the permit area in excess 29371
of the requirements of this section or until soil productivity for 29372
prime farmlands has returned to equivalent levels of yield as 29373
nonmined land of the same soil type in the surrounding area under 29374
equivalent management practices as determined from the soil survey 29375
performed pursuant to section 1513.07 of the Revised Code. If the 29376
area covered by the performance security is one for which an 29377
authorization was made under division (E)(7) of section 1513.07 of 29378
the Revised Code, no part of the performance security shall be 29379
released under this division until the operator has complied with 29380
the approved pollution abatement plan and all additional 29381
requirements established by the chief in rules adopted under 29382
section 1513.02 of the Revised Code governing coal mining and 29383
reclamation operations on pollution abatement areas. Where a silt 29384
dam is to be retained as a permanent impoundment pursuant to 29385
division (A)(10) of this section, the portion of performance 29386

security may be released under this division so long as provisions 29387
for sound future maintenance by the operator or the landowner have 29388
been made with the chief. 29389

(c) When the operator has completed successfully all coal 29390
mining and reclamation activities, including, if applicable, all 29391
additional requirements established in the pollution abatement 29392
plan approved under division (E)(7) of section 1513.07 of the 29393
Revised Code and all additional requirements established by the 29394
chief in rules adopted under section 1513.02 of the Revised Code 29395
governing coal mining and reclamation operations on pollution 29396
abatement areas, the chief shall release all or any of the 29397
remaining portion of the performance security for all or part of 29398
the affected area under a permit, but not before the expiration of 29399
the period specified for operator responsibility in this section, 29400
except that the chief may adopt rules for a variance to the 29401
operator period of responsibility considering vegetation success 29402
and probability of continued growth and consent of the landowner, 29403
provided that no performance security shall be fully released 29404
until all reclamation requirements of this chapter are fully met. 29405

(4) If the chief disapproves the application for release of 29406
the performance security or portion thereof, the chief shall 29407
notify the permittee, in writing, stating the reasons for 29408
disapproval and recommending corrective actions necessary to 29409
secure the release, and allowing the opportunity for a public 29410
adjudicatory hearing. 29411

(5) When any application for total or partial performance 29412
security release is filed with the chief under this section, the 29413
chief shall notify the municipal corporation in which the coal 29414
mining operation is located by certified mail at least thirty days 29415
prior to the release of all or a portion of the performance 29416
security. 29417

(6) A person with a valid legal interest that might be 29418

adversely affected by release of a performance security under this 29419
section or the responsible officer or head of any federal, state, 29420
or local government agency that has jurisdiction by law or special 29421
expertise with respect to any environmental, social, or economic 29422
impact involved in the operation or is authorized to develop and 29423
enforce environmental standards with respect to such operations 29424
may file written objections to the proposed release from the 29425
performance security with the chief within thirty days after the 29426
last publication of the notice required by division (F)(1) of this 29427
section. If written objections are filed and an informal 29428
conference is requested, the chief shall inform all interested 29429
parties of the time and place of the conference. The date, time, 29430
and location of the informal conference shall be advertised by the 29431
chief in a newspaper of general circulation in the locality of the 29432
coal mining operation proposed for performance security release 29433
for at least once a week for two consecutive weeks. The informal 29434
conference shall be held in the locality of the coal mining 29435
operation proposed for performance security release or in Franklin 29436
county, at the option of the objector, within thirty days after 29437
the request for the conference. An electronic or stenographic 29438
record shall be made of the conference proceeding unless waived by 29439
all parties. The record shall be maintained and shall be 29440
accessible to the parties until final release of the performance 29441
security at issue. In the event all parties requesting the 29442
informal conference stipulate agreement prior to the requested 29443
informal conference and withdraw their request, the informal 29444
conference need not be held. 29445

(7) If an informal conference has been held pursuant to 29446
division (F)(6) of this section, the chief shall issue and furnish 29447
the applicant and persons who participated in the conference with 29448
the written decision regarding the release within sixty days after 29449
the conference. Within thirty days after notification of the final 29450
decision of the chief regarding the performance security release, 29451

the applicant or any person with an interest that is or may be 29452
adversely affected by the decision may appeal the decision to the 29453
reclamation commission pursuant to section 1513.13 of the Revised 29454
Code. 29455

(8)(a) If the chief determines that a permittee is 29456
responsible for mine drainage that requires water treatment after 29457
reclamation is completed under the terms of the permit or that a 29458
permittee must provide an alternative water supply after 29459
reclamation is completed under the terms of the permit, the 29460
permittee shall provide alternative financial security in an 29461
amount determined by the chief prior to the release of the 29462
remaining portion of performance security under division (F)(3)(c) 29463
of this section. The alternative financial security shall be in an 29464
amount that is equal to or greater than the present value of the 29465
estimated cost over time to develop and implement mine drainage 29466
plans and provide water treatment or in an amount that is 29467
necessary to provide and maintain an alternative water supply, as 29468
applicable. The alternative financial security shall include a 29469
contract, trust, or other agreement or mechanism that is 29470
enforceable under law to provide long-term water treatment or a 29471
long-term alternative water supply, or both. The contract, trust, 29472
or other agreement or mechanism included with the alternative 29473
financial security may provide for the funding of the alternative 29474
financial security incrementally over a period of time, not to 29475
exceed five years, with reliance on guarantees or other collateral 29476
provided by the permittee and approved by the chief for the 29477
balance of the alternative financial security required until the 29478
alternative financial security has been fully funded by the 29479
permittee. 29480

(b) The chief shall adopt rules in accordance with Chapter 29481
119. of the Revised Code that are necessary for the administration 29482
of division (F)(8)(a) of this section. 29483

(c) If the chief determines that a permittee must provide alternative financial security under division (F)(8)(a) of this section and the performance security for the permit was provided under division (C)(2) of section 1513.08 of the Revised Code, the permittee may fund the alternative financial security incrementally over a period of time, not to exceed five years, with reliance on the reclamation forfeiture fund created in section 1513.18 of the Revised Code for the balance of the alternative financial security required until the alternative financial security has been fully funded by the permittee. The permittee semiannually shall pay to the division of mineral resources management a fee that is equal to seven and one-half per cent of the average balance of the alternative financial security that is being provided by reliance on the reclamation forfeiture fund over the previous six months. All money received from the fee shall be credited to the reclamation forfeiture fund.

(9) Final release of the performance security in accordance with division (F)(3)(c) of this section terminates the jurisdiction of the chief under this chapter over the reclaimed site of a surface coal mining and reclamation operation or applicable portion of an operation. However, the chief shall reassert jurisdiction over such a site if the release was based on fraud, collusion, or misrepresentation of a material fact and the chief, in writing, demonstrates evidence of the fraud, collusion, or misrepresentation. Any person with an interest that is or may be adversely affected by the chief's determination may appeal the determination to the reclamation commission in accordance with section 1513.13 of the Revised Code.

(G) The chief shall adopt rules governing the criteria for forfeiture of performance security, the method of determining the forfeited amount, and the procedures to be followed in the event of forfeiture. Cash received as the result of such forfeiture is

the property of the state. 29516

Sec. 1514.06. (A) There is hereby created in the state 29517
treasury the surface mining fund consisting of all money that 29518
becomes the property of the state pursuant to sections 1514.05 and 29519
1514.051 of the Revised Code, money credited to the fund under 29520
divisions (C)(1) and (2) of section 1514.071, and other money 29521
specified in section 1514.11 of the Revised Code. All investment 29522
earnings of the fund shall be credited to the fund. Expenditures 29523
from the fund shall be made by the chief of the division of 29524
mineral resources management for the purpose of reclaiming areas 29525
of land affected by surface or in-stream mining under a permit 29526
issued under this chapter that the operator has failed to reclaim 29527
and. Provided that the chief maintains a balance in the fund that 29528
is sufficient to achieve that purpose and, in doing so, considers 29529
the timeliness of reclamation activity, the chief may use the fund 29530
for other purposes specified in section 1514.11 of the Revised 29531
Code. 29532

(B) Expenditures of moneys from the fund, except as otherwise 29533
provided by this section, shall be made pursuant to contracts 29534
entered into by the chief with persons who agree to furnish all of 29535
the materials, equipment, work, and labor, as specified and 29536
provided in the contracts, for the prices stipulated therein. With 29537
the approval of the director of natural resources, the chief may 29538
reclaim the land in the same manner as the chief required of the 29539
operator who failed to reclaim the land. Each contract awarded by 29540
the chief shall be awarded to the lowest responsive and 29541
responsible bidder, in accordance with section 9.312 of the 29542
Revised Code, after sealed bids are received, opened, and 29543
published at the time and place fixed by the chief. The chief 29544
shall publish notice of the time and place at which bids will be 29545
received, opened, and published, at least once at least ten days 29546
before the date of the opening of the bids, in a newspaper of 29547

general circulation in the county in which the area of land to be 29548
reclaimed under the contract is located. If, after so advertising 29549
for bids, no bids are received by the chief at the time and place 29550
fixed for receiving them, the chief may advertise again for bids, 29551
or, if the chief considers the public interest will be best 29552
served, the chief may enter into a contract for the reclamation of 29553
the area of land without further advertisement for bids. The chief 29554
may reject any or all bids received and again publish notice of 29555
the time and place at which bids for contracts will be received, 29556
opened, and published. 29557

(C) With the approval of the director, the chief, without 29558
advertising for bids, may enter into a contract with the 29559
landowner, a surface or in-stream mine operator or coal mine 29560
operator mining under a current, valid permit issued under this 29561
chapter or Chapter 1513. of the Revised Code, or a contractor 29562
hired by a surety to complete reclamation, to carry out 29563
reclamation on land affected by surface or in-stream mining 29564
operations that an operator has failed to reclaim. 29565

(D) With the approval of the director, the chief may carry 29566
out all or part of the reclamation work on land affected by 29567
surface or in-stream mining operations that the operator has 29568
failed to reclaim using the employees and equipment of any 29569
division of the department of natural resources. 29570

(E) The chief shall require every contractor performing 29571
reclamation work under this section to pay workers at the greater 29572
of their regular rate of pay, as established by contract, 29573
agreement, or prior custom or practice, or the average wage rate 29574
paid in this state for the same or similar work, as determined by 29575
the chief under section 1513.02 of the Revised Code. 29576

(F) Each contract entered into by the chief under this 29577
section shall provide only for the reclamation of land affected by 29578
the surface or in-stream mining operation or operations of one 29579

operator and not reclaimed by the operator as required by this 29580
chapter. If there is money in the fund derived from the 29581
performance bond deposited with the chief by one operator to 29582
ensure the reclamation of two or more areas of land affected by 29583
the surface or in-stream mining operation or operations of one 29584
operator and not reclaimed by the operator as required by this 29585
chapter, the chief may award a single contract for the reclamation 29586
of all such areas of land. 29587

(G) The cost of the reclamation work done under this section 29588
on each area of land affected by surface or in-stream mining 29589
operations that an operator has failed to reclaim shall be paid 29590
out of the money in the fund derived from the performance bond 29591
that was deposited with the chief to ensure the reclamation of 29592
that area of land. If the amount of money is not sufficient to pay 29593
the cost of doing all of the reclamation work on the area of land 29594
that the operator should have done, but failed to do, the chief 29595
may expend from the reclamation forfeiture fund created in section 29596
1513.18 of the Revised Code or the surface mining fund created in 29597
this section the amount of money needed to complete reclamation to 29598
the standards required by this chapter. The operator is liable for 29599
that expense in addition to any other liabilities imposed by law. 29600
At the request of the chief, the attorney general shall bring an 29601
action against the operator for the amount of the expenditures 29602
from either fund. Moneys so recovered shall be deposited in the 29603
state treasury to the credit of the fund from which the 29604
expenditures were made. 29605

(H) If any part of the money in the surface mining fund 29606
remains in the fund after the chief has caused the area of land to 29607
be reclaimed and has paid all the reclamation costs and expenses, 29608
or if any money remains because the area of land has been 29609
repermitted under this chapter or reclaimed by a person other than 29610
the chief, the chief may expend the remaining money to complete 29611

other reclamation work performed under this section. The chief 29612
shall prepare an annual report that summarizes the money credited 29613
to the fund and expenditures made from the fund and post the 29614
report on the division of mineral resources management's web site. 29615

Sec. 1514.08. (A) The chief of the division of mineral 29616
resources management may adopt, amend, and rescind rules in 29617
accordance with Chapter 119. of the Revised Code in order to 29618
prescribe procedures for submitting applications for permits, 29619
amendments to permits, and amendments to plans of mining and 29620
reclamation; filing annual reports and final reports; requesting 29621
inspection and approval of reclamation; paying permit and filing 29622
fees; and filing and obtaining the release of performance bonds 29623
deposited with the state. For the purpose of preventing damage to 29624
adjoining property or achieving one or more of the performance 29625
standards established in division (A)(10) of section 1514.02 of 29626
the Revised Code, the chief may establish classes of mining 29627
industries, based upon industrial categories, combinations of 29628
minerals produced, and geological conditions in which surface or 29629
in-stream mining operations occur, and may prescribe different 29630
rules consistent with the performance standards for each class. 29631
For the purpose of apportioning the workload of the division of 29632
mineral resources management among the quarters of the year, the 29633
rules may require that applications for permits and annual reports 29634
be filed in different quarters of the year, depending upon the 29635
county in which the operation is located. 29636

(B) The chief shall adopt rules under this section that do 29637
all of the following: 29638

(1) With respect to in-stream mining, and in consultation 29639
with the chief of the division of ~~soil and~~ water resources, 29640
determine periods of low flow, which are the only time periods 29641
during which in-stream mining is allowed, and develop and 29642

implement any criteria, in addition to the criteria established in 29643
section 1514.02 of the Revised Code, that the chief determines are 29644
necessary for the permitting of in-stream mining; 29645

(2) Establish criteria and procedures for approving or 29646
disapproving the transfer of a surface or in-stream mining permit 29647
under division (F) of section 1514.02 of the Revised Code; 29648

(3) Define when any of the following may be considered to be 29649
"significant" for purposes of section 1514.022 of the Revised 29650
Code: 29651

(a) An amendment to a permit issued under section 1514.02 of 29652
the Revised Code for a surface or in-stream mining operation; 29653

(b) An amendment to the plan of mining and reclamation that 29654
must be filed with an application for either permit under section 29655
1514.02 of the Revised Code; 29656

(c) Changes to that plan of mining and reclamation that are 29657
proposed in a permit renewal application filed under section 29658
1514.021 of the Revised Code. 29659

In defining "significant," the chief shall focus on changes 29660
that increase the likelihood that the mining operation may have a 29661
negative impact on the public. 29662

(4) Establish a framework and procedures under which the 29663
amount of any bond required to be filed under this chapter to 29664
ensure the satisfactory performance of the reclamation measures 29665
required under this chapter may be reduced by subtracting a credit 29666
based on the operator's past compliance with this chapter and 29667
rules adopted and orders issued under it. The rules also shall 29668
apply to cash, an irrevocable letter of credit, or a certificate 29669
of deposit that is on deposit in lieu of a bond. In establishing 29670
the amount of credit that an operator or applicant may receive 29671
based on past compliance, the chief may consider past compliance 29672
with respect to any permit for a surface or in-stream mining 29673

operation that has been issued in this state to the operator or 29674
applicant. 29675

(5) Establish criteria and procedures for granting a variance 29676
from compliance with the prohibitions established in divisions 29677
(E)(3) and (F)(3) of section 1514.10 of the Revised Code. The 29678
criteria shall ensure that an operator may obtain a variance only 29679
if compliance with the applicable prohibition is not necessary to 29680
prevent damage to the watercourse or surrounding areas. 29681

Sec. 1514.13. (A) The chief of the division of mineral 29682
resources management shall use the compilation of data for ground 29683
water modeling submitted under section 1514.02 of the Revised Code 29684
to establish a projected cone of depression for any surface mining 29685
operation that may result in dewatering. The chief shall consult 29686
with the chief of the division of ~~soil and~~ water resources when 29687
projecting a cone of depression. An applicant for a surface mining 29688
permit for such an operation may submit ground water modeling that 29689
shows a projected cone of depression for that operation to the 29690
chief, provided that the modeling complies with rules adopted by 29691
the chief regarding ground water modeling. However, the chief 29692
shall establish the projected cone of depression for the purposes 29693
of this section. 29694

The chief shall adopt, and may amend and rescind, rules in 29695
accordance with Chapter 119. of the Revised Code establishing 29696
requirements and standards governing both of the following: 29697

(1) Ground water modeling for establishing a projected cone 29698
of depression. A ground water model shall be generally accepted in 29699
the scientific community. 29700

(2) Replacement of water supplies. 29701

(B)(1) If an owner of real property who obtains all or part 29702
of the owner's water supply for domestic, agricultural, 29703

industrial, or other legitimate use from ground water has a 29704
diminution, contamination, or interruption of that water supply 29705
and the owner's real property is located within the projected cone 29706
of depression of a surface mining operation established under this 29707
section, the owner may submit a written complaint to the operator 29708
of that operation or to the chief informing the operator or the 29709
chief that there is a diminution, contamination, or interruption 29710
of the owner's water supply. The complaint shall include the 29711
owner's name, address, and telephone number. 29712

If the chief receives a written complaint, the chief 29713
immediately shall send a copy of the complaint to the operator, 29714
and the operator immediately shall respond by sending the chief a 29715
statement that explains how the operator resolved or will resolve 29716
the complaint. If the operator receives a written complaint, the 29717
operator immediately shall send to the chief a copy of the 29718
complaint and include a statement that explains how the operator 29719
resolved or will resolve the complaint. Not later than seventy-two 29720
hours after receipt of the complaint, the operator shall provide 29721
the owner a supply of water that is comparable, in quantity and 29722
quality, to the owner's water supply prior to the diminution, 29723
contamination, or interruption of the owner's water supply. The 29724
operator shall maintain that water supply until the operator 29725
provides a permanent replacement water supply to the owner under 29726
division (B)(3) of this section or until the division of mineral 29727
resources management completes the evaluation under division 29728
(B)(2) of this section, whichever is applicable. 29729

(2) A rebuttable presumption exists that the operation caused 29730
the diminution, contamination, or interruption of the owner's 29731
water supply. However, not later than fourteen days after receipt 29732
of the complaint, the operator may submit to the division 29733
information showing that the operation is not the proximate cause 29734
of the diminution, contamination, or interruption of the owner's 29735

water supply. The division shall evaluate the information 29736
submitted by the operator to determine if the presumption is 29737
rebutted. If the operator fails to rebut the presumption, the 29738
division immediately shall notify the operator that the operator 29739
failed to rebut the presumption. Not later than fourteen days 29740
after receipt of that notice, the operator shall provide the owner 29741
a permanent replacement water supply that is comparable, in 29742
quantity and quality, to the owner's water supply prior to the 29743
diminution, contamination, or interruption of the owner's water 29744
supply. If the operator rebuts the presumption, the division 29745
immediately shall notify the operator that the operator rebutted 29746
the presumption, and, upon receipt of that notice, the operator 29747
may cease providing a supply of water to the owner under division 29748
(B)(1) of this section. 29749

(3) If, within fourteen days after receipt of the complaint, 29750
the operator does not submit to the division information showing 29751
that the operation is not the proximate cause of the diminution, 29752
contamination, or interruption of the owner's water supply, the 29753
operator shall provide the owner, not later than twenty-eight days 29754
after receipt of the complaint, a permanent replacement water 29755
supply that is comparable, in quantity and quality, to the owner's 29756
water supply prior to the diminution, contamination, or 29757
interruption of the owner's water supply. 29758

(4) The division may investigate a complaint under division 29759
(B) of this section. 29760

(C) If an owner of real property who obtains all or part of 29761
the owner's water supply for domestic, agricultural, industrial, 29762
or other legitimate use from ground water has a diminution, 29763
contamination, or interruption of that water supply and the 29764
owner's real property is not located within the projected cone of 29765
depression of a surface mining operation established under this 29766
section, the owner may submit a written complaint to the operator 29767

of that operation or to the chief informing the operator or the 29768
chief that there is a diminution, contamination, or interruption 29769
of the owner's water supply. The complaint shall include the 29770
owner's name, address, and telephone number. 29771

If the operator receives a written complaint, the operator 29772
immediately shall send the chief a copy of the complaint. If the 29773
chief receives a written complaint, the chief immediately shall 29774
send the operator a copy of the complaint. The chief shall 29775
investigate any complaint submitted under this division and, upon 29776
completion of the investigation, immediately shall send the 29777
results of the investigation to the operator and to the owner that 29778
filed the complaint. 29779

An owner that submits a written complaint under this division 29780
may resolve the diminution, contamination, or interruption of the 29781
owner's water supply with the operator of that operation or may 29782
commence a civil action for that purpose. 29783

(D) An operator may request the chief to amend the plan of 29784
mining and reclamation filed with the application under section 29785
1514.02 of the Revised Code when a ground water user may affect 29786
the projected cone of depression established for the operation 29787
under division (A) of this section. The operator shall submit 29788
additional data that reflect the ground water user's impact on the 29789
ground water. The chief shall perform ground water modeling using 29790
the additional data and may establish a revised projected cone of 29791
depression for that operation. 29792

(E) This section shall not be construed as creating, 29793
modifying, or affecting any right, liability, or remedy of surface 29794
riparian owners. 29795

Sec. 1514.40. In accordance with Chapter 119. of the Revised 29796
Code, the chief of the division of mineral resources management, 29797
in consultation with a statewide association that represents the 29798

surface mining industry, shall adopt rules that do all of the 29799
following: 29800

(A) For the purpose of establishing safety standards 29801
governing surface mining operations, incorporate by reference 30 29802
C.F.R. parts 46, 47, 50, 56, 58, and 62, as amended; 29803

(B) Establish criteria, standards, and procedures governing 29804
safety performance evaluations conducted under section 1514.45 of 29805
the Revised Code, including requirements for the notification of 29806
operators and the identification of authorized representatives of 29807
miners at surface mining operations for purposes of inspections 29808
conducted under sections 1514.41 to 1514.47 of the Revised Code; 29809

(C) Establish requirements governing the reporting and 29810
investigation of accidents at surface mining operations. In 29811
adopting the rules, the chief shall establish requirements that 29812
minimize duplication with any reporting and investigations of 29813
accidents that are conducted by the mine safety and health 29814
administration in the United States department of labor. 29815

(D) Establish the time, place, and frequency of mine safety 29816
training conducted under section 1514.06 of the Revised Code and a 29817
fee, if any, for the purpose of that section. The amount of the 29818
fee shall not exceed the costs of conducting the training that is 29819
required under that section. 29820

(E) Establish the minimum qualifications necessary to take 29821
the examination that is required for certification of certified 29822
mine forepersons under division (B) of section 1514.47 of the 29823
Revised Code and requirements, fees, and procedures governing the 29824
taking of the examination; 29825

(F) Establish requirements and fees governing the ~~renewal~~ 29826
reissuance of certificates under division (C) of that section; 29827

(G) Establish requirements and procedures for the approval of 29828
training plans submitted under division ~~(E)~~ (D) of that section 29829

for the use of qualified persons to conduct examinations of 29830
surface mining operations in lieu of certified mine forepersons 29831
and minimum qualifications of those persons. The rules shall 29832
include requirements governing training frequency and curriculum 29833
that must be provided for qualified persons under such plans and 29834
shall establish related reporting and record keeping requirements. 29835

As used in sections 1514.41 to 1514.47 of the Revised Code, 29836
"rule" means a rule adopted under this section unless the context 29837
indicates otherwise. 29838

Sec. 1514.42. The chief of the division of mineral resources 29839
management ~~shall~~ may conduct a one safety audit at a surface 29840
mining operation annually if the operator of the operation has 29841
requested the division of mineral resources management to conduct 29842
mine safety training for that year. The safety audit shall be 29843
scheduled at a time to which the chief and the operator mutually 29844
agree and shall not continue more than one day. The chief shall 29845
conduct additional safety audits at any surface mining operation 29846
if requested by the operator of the operation. If the chief 29847
conducts a safety audit, the operator shall ensure that the chief 29848
has a copy of the training plan that is required by 30 C.F.R. part 29849
46, as amended, at the time of the audit. 29850

After completion of an audit, the chief shall prepare a 29851
report that describes the general conditions of the surface mining 29852
operation, lists any hazardous conditions at the operation, lists 29853
any violations of the safety standards established in rules, and 29854
describes the nature and extent of any hazardous condition or 29855
violation found and the corresponding remedy for each hazardous 29856
condition or violation. The chief shall provide two copies of the 29857
report to the operator of the operation. The operator shall post 29858
one copy of the report at the operation for review by the 29859
employees of the operation. 29860

Sec. 1514.47. (A)(1) The operator of a surface mining 29861
operation shall employ a certified mine foreperson ~~or a person who~~ 29862
~~is qualified in accordance with this section and rules to conduct~~ 29863
~~examinations of surface mining operations for purposes of 30~~ 29864
~~C.F.R. part 56, as amended to be in charge of the conditions and~~ 29865
~~practices at the mine and to be responsible for conducting~~ 29866

~~56, as amended.~~ 29868

(2) Examinations of surface mining operations for the 29869
purposes of 30 C.F.R. part 56, as amended, shall be conducted by 29870
one of the following: 29871

(i) A certified mine foreperson; 29872

(ii) A person who is qualified to conduct such examinations 29873
as provided in division (D) of this section; 29874

(iii) A person designated by the certified mine foreperson as 29875

and been determined by a certified mine foreperson to have 29879
demonstrated the ability, training, knowledge, or experience 29880
necessary to perform the duty to which the person is assigned. A 29881
person is not a competent person if the chief of the division of 29882
mineral resources management demonstrates, with good cause, that 29883
the person does not have the ability, training, knowledge, or 29884
experience necessary to perform that duty. 29885

(4) The operator of a surface mining operation shall maintain 29886
records demonstrating that a competent person designated by a 29887
certified mine foreperson has the ability, training, knowledge, or 29888

well as records of the competent person's training in accordance 29890

with 30 C.F.R. part 46. The operator shall make the records 29891
available to the chief upon request. 29892

(B) ~~The chief of the division of mineral resources management~~ 29893
shall conduct examinations for the position of certified mine 29894
foreperson in accordance with rules. In order to be eligible for 29895
examination as a certified mine foreperson, an applicant shall 29896
file with the chief an affidavit establishing the applicant's 29897
qualifications to take the examination. The chief shall grade 29898
examinations and issue certificates. 29899

(C)(1) A certificate issued under this section shall not 29900
~~expire five years after the date of issuance. A certificate may be~~ 29901
~~renewed, provided that the applicant verifies that all required~~ 29902

~~(D) If~~ unless the certificate holder has not been employed in 29906
a surface mining operation for five consecutive years. If the 29907
certificate holder has not been employed in a surface mining 29908
operation for five consecutive years, the certificate holder may 29909
retake the mine foreperson examination or may petition the chief 29910
to accept past employment history in lieu of fulfilling the 29911
employment requirement established in this division. The chief 29912
shall grant or deny the petition by issuance of an order. If the 29913
chief grants the petition, the chief shall reissue the 29914

the certificate shall not be renewed until the suspension period 29917
expires and the person whose certificate is suspended successfully 29918
completes all actions required by the chief. If an applicant's 29919
license, certificate, or similar authority that is issued by 29920
another state to perform specified mining duties is suspended or 29921
revoked by that state, the applicant shall be ineligible for 29922

examination for or renewal of a certificate in this state during 29923
that period of suspension or revocation. A certificate that has 29924
been revoked shall not be renewed. 29925

(3) If a person who has been certified by the chief under 29926
this section purposely violates this chapter, the chief may 29927
suspend or revoke the certificate after an investigation and 29928
hearing conducted in accordance with Chapter 119. of the Revised 29929
Code are completed. 29930

~~(E)~~(4) If a person holds a certificate issued under this 29931
section that has not expired prior to the effective date of this 29932
amendment, the chief, upon request, shall reissue to that person a 29933
certificate that does not expire as provided in division (C)(1) of 29934
this section. 29935

(5) If a person holds a certificate issued under this section 29936
that expired on or after April 7, 2012, and has not been issued a 29937
new certificate prior to the effective date of this amendment, the 29938
chief, upon request, shall issue to that person a certificate that 29939
does not expire as provided in division (C)(1) of this section, 29940
provided that the person is in compliance with all other 29941
applicable requirements established in this chapter and rules 29942
adopted under it. 29943

(D) In lieu of employing a certified mine foreperson, the 29944
operator of a surface mining operation may submit to the chief a 29945
detailed training plan under which persons who qualify under the 29946
plan may conduct and document examinations at the surface mining 29947
operation for purposes of 30 C.F.R. part 56, as amended. The chief 29948
shall review the plan and determine if the plan complies with the 29949
requirements established in rules. The chief shall approve or deny 29950
the plan and notify in writing the operator who submitted the plan 29951
of the chief's decision. 29952

management for those uses; with the approval of the director of 29968
natural resources and the controlling board, to transfer 29969
appropriated or other funds, authorized for those inventories and 29970
plan, to any division of the department of natural resources or 29971

factors relating to floods, floodplain management, and flood 29977
control in the state with particular attention to those factors 29978

or hearings the available technical information relevant to the 29997
conflicts and to the ground water resource. The chief shall 29998
prepare a report, and may make recommendations, based upon the 29999
available technical data and the record of the meetings or 30000

advice and consent of the senate. No more than four of the members 30025
shall be of the same political party. Members shall be persons who 30026
have a demonstrated interest in water management and whose 30027
expertise reflects the various responsibilities of the division of 30028
~~soil and~~ water resources under this chapter and Chapter 1523. of 30029
the Revised Code, including, but not limited to, dam safety, 30030
surface water, groundwater, and flood plain management. The chief 30031

officers or employees from their offices or positions of 30049
employment. 30050

The council annually shall select from its members a 30051
chairperson and a vice-chairperson. The council shall hold at 30052

threats to the state's natural environment; 30071

(C) Review and make recommendations on the development of 30072
plans and programs for long-term, comprehensive water management 30073
throughout the state; and 30074

(D) Recommend ways to enhance cooperation among governmental 30075
agencies having an interest in water to encourage wise use and 30076
protection of the state's ground and surface waters. To this end, 30077
the council shall request nonvoting representation from 30078

appropriate governmental agencies. 30079

water management improvements. The chief may fix, alter, charge, 30100
and collect rates, fees, rentals, and other charges to be paid 30101
into the fund by governmental agencies and persons who are 30102
supplied with water by facilities constructed or operated by the 30103
department of natural resources in order to amortize and defray 30104
the cost of the construction, maintenance, and operation of those 30105
facilities. 30106

(5) The repair, maintenance, improvement, alteration, or 30256
removal of a dam or levee that is subject to section 1521.062 of 30257
the Revised Code, unless the construction constitutes an 30258
enlargement or reconstruction of the structure as determined by 30259
the chief; 30260

(6) A dam or impoundment constructed under Chapter 1513. of the Revised Code. 30261
30262

(B) Before a construction permit may be issued, three copies of the plans and specifications, including a detailed cost estimate, for the proposed construction, prepared by a registered professional engineer, together with the filing fee specified by this section and the bond or other security required by section 1521.061 of the Revised Code, shall be filed with the chief. The detailed estimate of the cost shall include all costs associated with the construction of the dam or levee, including supervision and inspection of the construction by a registered professional engineer. The filing fee shall be based on the detailed cost estimate for the proposed construction as filed with and approved by the chief, and shall be determined by the following schedule unless otherwise provided by rules adopted under this section: 30263

fund, which is hereby created. Expenditures from the fund shall be 30292
made by the chief for the purpose of administering this section 30293
and sections 1521.061 and 1521.062 of the Revised Code. 30294

(C) The chief shall, within thirty days from the date of the 30295
receipt of the application, fee, and bond or other security, issue 30296
or deny a construction permit for the construction or may issue a 30297
construction permit conditioned upon the making of such changes in 30298
the plans and specifications for the construction as the chief 30299
considers advisable if the chief determines that the construction 30300
of the proposed dam or levee, in accordance with the plans and 30301
specifications filed, would endanger life, health, or property. 30302

(D) The chief may deny a construction permit after finding 30303
that a dam or levee built in accordance with the plans and 30304
specifications would endanger life, health, or property, because 30305
of improper or inadequate design, or for such other reasons as the 30306
chief may determine. 30307

In the event the chief denies a permit for the construction 30308
of the dam or levee, or issues a permit conditioned upon a making 30309
of changes in the plans or specifications for the construction, 30310
the chief shall state the reasons therefor and so notify, in 30311
writing, the person or governmental agency making the application 30312
for a permit. If the permit is denied, the chief shall return the 30313
bond or other security to the person or governmental agency making 30314
application for the permit. 30315

The decision of the chief conditioning or denying a 30316
construction permit is subject to appeal as provided in Chapter 30317
119. of the Revised Code. A dam or levee built substantially at 30318
variance from the plans and specifications upon which a 30319
construction permit was issued is in violation of this section. 30320
The chief may at any time inspect any dam or levee, or site upon 30321
which any dam or levee is to be constructed, in order to determine 30322
whether it complies with this section. 30323

(E) A registered professional engineer shall inspect the 30324
construction for which the permit was issued during all phases of 30325
construction and shall furnish to the chief such regular reports 30326
of the engineer's inspections as the chief may require. When the 30327
chief finds that construction has been fully completed in 30328
accordance with the terms of the permit and the plans and 30329
specifications approved by the chief, the chief shall approve the 30330
construction. When one year has elapsed after approval of the 30331
completed construction, and the chief finds that within this 30332
period no fact has become apparent to indicate that the 30333
construction was not performed in accordance with the terms of the 30334
permit and the plans and specifications approved by the chief, or 30335
that the construction as performed would endanger life, health, or 30336
property, the chief shall release the bond or other security. No 30337
bond or other security shall be released until one year after 30338
final approval by the chief, unless the dam or levee has been 30339
modified so that it will not retain water and has been approved as 30340
nonhazardous after determination by the chief that the dam or 30341
levee as modified will not endanger life, health, or property. 30342

(F) When inspections required by this section are not being 30343
performed, the chief shall notify the person or governmental 30344
agency to which the permit has been issued that inspections are 30345
not being performed by the registered professional engineer and 30346
that the chief will inspect the remainder of the construction. 30347
Thereafter, the chief shall inspect the construction and the cost 30348
of inspection shall be charged against the owner. Failure of the 30349
registered professional engineer to submit required inspection 30350
reports shall be deemed notice that the engineer's inspections are 30351
not being performed. 30352

(G) The chief may order construction to cease on any dam or 30353
levee that is being built in violation of this section, and may 30354
prohibit the retention of water behind any dam or levee that has 30355

been built in violation of this section. The attorney general, 30356
upon written request of the chief, may bring an action for an 30357
injunction against any person who violates this section or to 30358
enforce an order or prohibition of the chief made pursuant to this 30359
section. 30360

(H) The chief may adopt rules in accordance with Chapter 119. 30361
of the Revised Code, for the design and construction of dams and 30362
levees for which a construction permit is required by this section 30363
or for which periodic inspection is required by section 1521.062 30364
of the Revised Code, for establishing a filing fee schedule in 30365
lieu of the schedule established under division (B) of this 30366
section, for deposit and forfeiture of bonds and other securities 30367
required by section 1521.061 of the Revised Code, for the periodic 30368
inspection, operation, repair, improvement, alteration, or removal 30369
of all dams and levees, as specified in section 1521.062 of the 30370
Revised Code, and for establishing classes of dams or levees that 30371
are exempt from the requirements of this section and section 30372
1521.062 of the Revised Code as being of a size, purpose, or 30373
situation that does not present a substantial hazard to life, 30374
health, or property. The chief may, by rule, limit the period 30375
during which a construction permit issued under this section is 30376
valid. The rules may allow for the extension of the period during 30377
which a permit is valid upon written request, provided that the 30378
written request includes a revised construction cost estimate, and 30379
may require the payment of an additional filing fee for the 30380
requested extension. If a construction permit expires without an 30381
extension before construction is completed, the person or agency 30382
shall apply for a new permit, and shall not continue construction 30383
until the new permit is issued. 30384

Sec. 1521.061. Except as otherwise provided in this section, 30385
a construction permit shall not be issued under section 1521.06 of 30386
the Revised Code unless the person or governmental agency applying 30387

for the permit executes and files a surety bond conditioned on 30388
completion of the dam or levee in accordance with the terms of the 30389
permit and the plans and specifications approved by the chief of 30390
the division of ~~soil and~~ water resources, in an amount equal to 30391
fifty per cent of the estimated cost of the project. 30392

If a permittee requests an extension of the time period 30393
during which a construction permit is valid in accordance with 30394
rules adopted under section 1521.06 of the Revised Code, the chief 30395
shall determine whether the revised construction cost estimate 30396
provided with the request exceeds the original construction cost 30397
estimate that was filed with the chief by more than twenty-five 30398
per cent. If the revised construction cost estimate exceeds the 30399
original construction cost estimate by more than twenty-five per 30400
cent, the chief may require an additional surety bond to be filed 30401
so that the total amount of the surety bonds equals at least fifty 30402
per cent of the revised construction cost estimate. 30403

The chief shall not approve any bond until it is personally 30404
signed and acknowledged by both principal and surety, or as to 30405
either by the attorney in fact thereof, with a certified copy of 30406
the power of attorney attached. The chief shall not approve the 30407
bond unless there is attached a certificate of the superintendent 30408
of insurance that the company is authorized to transact a fidelity 30409
and surety business in this state. 30410

All bonds shall be given in a form prescribed by the chief 30411
and shall run to the state as obligee. 30412

The applicant may deposit, in lieu of a bond, cash in an 30413
amount equal to the amount of the bond or United States government 30414
securities or negotiable certificates of deposit issued by any 30415
bank organized or transacting business in this state having a par 30416
value equal to or greater than the amount of the bond. Such cash 30417
or securities shall be deposited upon the same terms as bonds. If 30418
one or more certificates of deposit are deposited in lieu of a 30419

bond, the chief shall require the bank that issued any such 30420
certificate to pledge securities of the aggregate market value 30421
equal to the amount of the certificate that is in excess of the 30422
amount insured by the federal deposit insurance corporation. The 30423
securities to be pledged shall be those designated as eligible 30424
under section 135.18 of the Revised Code. The securities shall be 30425
security for the repayment of the certificate of deposit. 30426

Immediately upon a deposit of cash, securities, or 30427
certificates of deposit, the chief shall deliver them to the 30428
treasurer of state, who shall hold them in trust for the purposes 30429
for which they have been deposited. The treasurer of state is 30430
responsible for the safekeeping of such deposits. An applicant 30431
making a deposit of cash, securities, or certificates of deposit 30432
may withdraw and receive from the treasurer of state, on the 30433
written order of the chief, all or any portion of the cash, 30434
securities, or certificates of deposit, upon depositing with the 30435
treasurer of state cash, other United States government 30436
securities, or negotiable certificates of deposit issued by any 30437
bank organized or transacting business in this state equal in par 30438
value to the par value of the cash, securities, or certificates of 30439
deposit withdrawn. An applicant may demand and receive from the 30440
treasurer of state all interest or other income from any such 30441
securities or certificates as it becomes due. If securities so 30442
deposited with and in the possession of the treasurer of state 30443
mature or are called for payment by the issuer thereof, the 30444
treasurer of state, at the request of the applicant who deposited 30445
them, shall convert the proceeds of the redemption or payment of 30446
the securities into such other United States government 30447
securities, negotiable certificates of deposit issued by any bank 30448
organized or transacting business in this state, or cash as the 30449
applicant designates. 30450

When the chief finds that a person or governmental agency has 30451

failed to comply with the conditions of the person's or agency's 30452
bond, the chief shall make a finding of that fact and declare the 30453
bond, cash, securities, or certificates of deposit forfeited in 30454
the amount set by rule of the chief. The chief shall thereupon 30455
certify the total forfeiture to the attorney general, who shall 30456
proceed to collect that amount. 30457

In lieu of total forfeiture, the surety, at its option, may 30458
cause the dam or levee to be completed as required by section 30459
1521.06 of the Revised Code and rules of the chief, or otherwise 30460
rendered nonhazardous, or pay to the treasurer of state the cost 30461
thereof. 30462

All moneys collected on account of forfeitures of bonds, 30463
cash, securities, and certificates of deposit under this section 30464
shall be credited to the dam safety fund created in section 30465
1521.06 of the Revised Code. The chief shall make expenditures 30466
from the fund to complete dams and levees for which bonds have 30467
been forfeited or to otherwise render them nonhazardous. 30468

Expenditures from the fund for those purposes shall be made 30469
pursuant to contracts entered into by the chief with persons who 30470
agree to furnish all of the materials, equipment, work, and labor 30471
as specified and provided in the contract. 30472

A surety bond shall not be required for a permit for a dam or 30473
levee that is to be designed and constructed by an agency of the 30474
United States government, if the agency files with the chief 30475
written assurance of the agency's financial responsibility for the 30476
structure during the one-year period following the chief's 30477
approval of the completed construction provided for under division 30478
(E) of section 1521.06 of the Revised Code. 30479

Sec. 1521.062. (A) All dams and levees constructed in this 30480
state and not exempted by this section or by the chief of the 30481
division of ~~soil and~~ water resources under section 1521.06 of the 30482

Revised Code shall be inspected periodically by the chief, except 30483
for classes of dams that, in accordance with rules adopted under 30484
this section, are required to be inspected by registered 30485
professional engineers who have been approved for that purpose by 30486
the chief. The inspection shall ensure that continued operation 30487
and use of the dam or levee does not constitute a hazard to life, 30488
health, or property. Periodic inspections shall not be required of 30489
the following structures: 30490

(1) A dam that is less than ten feet in height and has a 30491
storage capacity of not more than fifty acre-feet at the elevation 30492
of the top of the dam, as determined by the chief. For the 30493
purposes of this section, the height of a dam shall be measured 30494
from the natural stream bed or lowest ground elevation at the 30495
downstream or outside limit of the dam to the elevation of the top 30496
of the dam. 30497

(2) A dam, regardless of height, that has a storage capacity 30498
of not more than fifteen acre-feet at the elevation of the top of 30499
the dam, as determined by the chief; 30500

(3) A dam, regardless of storage capacity, that is six feet 30501
or less in height, as determined by the chief; 30502

(4) A dam or levee belonging to a class exempted by the 30503
chief; 30504

(5) A dam or levee that has been exempted in accordance with 30505
rules adopted under section 1521.064 of the Revised Code. 30506

(B) In accordance with rules adopted under this section, the 30507
owner of a dam that is in a class of dams that is designated in 30508
the rules for inspection by registered professional engineers 30509
shall obtain the services of a registered professional engineer 30510
who has been approved by the chief to conduct the periodic 30511
inspection of dams pursuant to schedules and other standards and 30512
procedures established in the rules. The registered professional 30513

engineer shall prepare a report of the inspection in accordance 30514
with the rules and provide the inspection report to the dam owner 30515
who shall submit it to the chief. A dam that is designated under 30516
the rules for inspection by a registered professional engineer, 30517
but that is not inspected within a five-year period may be 30518
inspected by the chief at the owner's expense. 30519

(C) Intervals between periodic inspections shall be 30520
determined by the chief, but shall not exceed five years. 30521

(D) In the case of a dam or levee that the chief inspects, 30522
the chief shall furnish a report of the inspection to the owner of 30523
the dam or levee. With regard to a dam or levee that has been 30524
inspected, either by the chief or by a registered professional 30525
engineer, and that is the subject of an inspection report prepared 30526
or received by the chief, the chief shall inform the owner of any 30527
required repairs, maintenance, investigations, and other remedial 30528
and operational measures. The chief shall order the owner to 30529
perform such repairs, maintenance, investigations, or other 30530
remedial or operational measures as the chief considers necessary 30531
to safeguard life, health, or property. The order shall permit the 30532
owner a reasonable time in which to perform the needed repairs, 30533
maintenance, investigations, or other remedial measures, and the 30534
cost thereof shall be borne by the owner. All orders of the chief 30535
are subject to appeal as provided in Chapter 119. of the Revised 30536
Code. The attorney general, upon written request of the chief, may 30537
bring an action for an injunction against any person who violates 30538
this section or to enforce an order of the chief made pursuant to 30539
this section. 30540

(E) The owner of a dam or levee shall monitor, maintain, and 30541
operate the structure and its appurtenances safely in accordance 30542
with state rules, terms and conditions of permits, orders, and 30543
other requirements issued pursuant to this section or section 30544
1521.06 of the Revised Code. The owner shall fully and promptly 30545

notify the division of ~~soil~~ and water resources and other 30546
responsible authorities of any condition that threatens the safety 30547
of the structure and shall take all necessary actions to safeguard 30548
life, health, and property. 30549

(F) Before commencing the repair, improvement, alteration, or 30550
removal of a dam or levee, the owner shall file an application 30551
including plans, specifications, and other required information 30552
with the division and shall secure written approval of the 30553
application by the chief. Emergency actions by the owner required 30554
to safeguard life, health, or property are exempt from this 30555
requirement. The chief may, by rule, define maintenance, repairs, 30556
or other remedial measures of a routine nature that are exempt 30557
from this requirement. 30558

(G) The chief may remove or correct, at the expense of the 30559
owner, any unsafe structures found to be constructed or maintained 30560
in violation of this section or section 1521.06 of the Revised 30561
Code. In the case of an owner other than a governmental agency, 30562
the cost of removal or correction of any unsafe structure, 30563
together with a description of the property on which the unsafe 30564
structure is located, shall be certified by the chief to the 30565
county auditor and placed by the county auditor upon the tax 30566
duplicate. This cost is a lien upon the lands from the date of 30567
entry and shall be collected as other taxes and returned to the 30568
division. In the case of an owner that is a governmental agency, 30569
the cost of removal or correction of any unsafe structure shall be 30570
recoverable from the owner by appropriate action in a court of 30571
competent jurisdiction. 30572

(H) If the condition of any dam or levee is found, in the 30573
judgment of the chief, to be so dangerous to the safety of life, 30574
health, or property as not to permit time for the issuance and 30575
enforcement of an order relative to repair, maintenance, or 30576
operation, the chief shall employ any of the following remedial 30577

means necessary to protect life, health, and property:	30578
(1) Lower the water level of the lake or reservoir by releasing water;	30579 30580
(2) Completely drain the lake or reservoir;	30581
(3) Take such other measures or actions as the chief considers necessary to safeguard life, health, and property.	30582 30583
The chief shall continue in full charge and control of the dam or levee until the structure is rendered safe. The cost of the remedy shall be recoverable from the owner of the structure by appropriate action in a court of competent jurisdiction.	30584 30585 30586 30587
(I) The chief may accept and expend gifts, bequests, and grants from the United States government or from any other public or private source and may contract with the United States government or any other agency or entity for the purpose of carrying out the dam safety functions set forth in this section and section 1521.06 of the Revised Code.	30588 30589 30590 30591 30592 30593
(J) In accordance with Chapter 119. of the Revised Code, the chief may adopt, and may amend or rescind, rules that do all of the following:	30594 30595 30596
(1) Designate classes of dams for which dam owners must obtain the services of a registered professional engineer to periodically inspect the dams and to prepare reports of the inspections for submittal to the chief;	30597 30598 30599 30600
(2) Establish standards in accordance with which the chief must approve or disapprove registered professional engineers to inspect dams together with procedures governing the approval process;	30601 30602 30603 30604
(3) Establish schedules, standards, and procedures governing periodic inspections and standards and procedures governing the preparation and submittal of inspection reports;	30605 30606 30607

(4) Establish provisions regarding the enforcement of this section and rules adopted under it. 30608
30609

(K) The owner of a dam or levee shall notify the chief in writing of a change in ownership of the dam or levee prior to the exchange of the property. 30610
30611
30612

Sec. 1521.063. (A) Except for the federal government, the owner of a dam, that is classified as a class I, class II, or class III dam under rules adopted under section 1521.06 of the Revised Code and subject to section 1521.062 of the Revised Code shall pay an annual fee, based upon the height of the dam, the linear foot length of the dam, and the per-acre foot of volume of water impounded by the dam. The fee shall be paid to the division of ~~soil and~~ water resources on or before the thirtieth day of June of each year. The annual fee shall be as follows until otherwise provided by rules adopted under this section: 30613
30614
30615
30616
30617
30618
30619
30620
30621
30622

(1) For any dam classified as a class I dam under rules adopted by the chief of the division of ~~soil and~~ water resources under section 1521.06 of the Revised Code, three hundred dollars plus ten dollars per foot of height of dam, five cents per foot of length of the dam and five cents per-acre foot of water impounded by the dam; 30623
30624
30625
30626
30627
30628

(2) For any dam classified as a class II dam under those rules, ninety dollars plus six dollars per foot of height of dam, five cents per foot of length of the dam and five cents per-acre foot of water impounded by the dam; 30629
30630
30631
30632

(3) For any dam classified as a class III dam under those rules, ninety dollars plus four dollars per foot of height of the dam, five cents per foot of length of the dam, and five cents per-acre foot of volume of water impounded by the dam. 30633
30634
30635
30636

For purposes of this section, the height of a dam is the 30637

vertical height, to the nearest foot, as determined by the 30638
division under section 1521.062 of the Revised Code. 30639

All fees collected under this section shall be deposited in 30640
the dam safety fund created in section 1521.06 of the Revised 30641
Code. Any owner who fails to pay any annual fee required by this 30642
section within sixty days after the due date shall be assessed a 30643
penalty of ten per cent of the annual fee plus interest at the 30644
rate of one-half per cent per month from the due date until the 30645
date of payment. 30646

There is hereby created the compliant dam discount program to 30647
be administered by the chief. Under the program, the chief may 30648
reduce the amount of the annual fee that an owner of a dam is 30649
required to pay under division (A)(1), (2), or (3) of this section 30650
if the owner is in compliance with section 1521.062 of the Revised 30651
Code and has developed an emergency action plan pursuant to 30652
standards established in rules adopted under this section. The 30653
chief shall not discount an annual fee by more than twenty-five 30654
per cent of the total annual fee that is due. In addition, the 30655
chief shall not discount the annual fee that is due from the owner 30656
of a dam who has been assessed a penalty under this section. 30657

(B) The chief shall, in accordance with Chapter 119. of the 30658
Revised Code and subject to the prior approval of the director of 30659
natural resources, adopt, and may amend or rescind, rules for the 30660
collection of fees and the administration, implementation, and 30661
enforcement of this section and for the establishment of an annual 30662
fee schedule in lieu of the schedule established in division (A) 30663
of this section. 30664

(C)(1) No person, political subdivision, or state 30665
governmental agency shall violate or fail to comply with this 30666
section or any rule or order adopted or issued under it. 30667

accordance with such plans before compensation can be claimed. 30706

Sec. 1521.11. Upon the completion of the dam referred to in 30707
section 1521.09 of the Revised Code to the satisfaction of the 30708

the term for which that member was appointed. 31088

The chairperson of the council shall appoint a chairperson of 31089
the advisory group. The advisory group shall advise the council on 31090
water resources issues addressed by the council. 31091

(D) There is hereby created in the state treasury the Ohio 31092
water resources council fund. The department of natural resources 31093
shall serve as the fiscal agent for the fund. The departments of 31094
agriculture, ~~development, environmental protection,~~ health, 31095
natural resources, and transportation, the environmental 31096
protection agency, and the development services agency shall 31097
transfer moneys to the fund in equal amounts via intrastate 31098
transfer voucher. The public utilities commission of Ohio, Ohio 31099
public works commission, and Ohio water development authority may 31100

transfer moneys to the fund. If a voluntary transfer of moneys is 31101
made to the fund, the portion that is required to be transferred 31102
by the departments of agriculture, ~~development, environmental~~ 31103
~~protection~~, health, natural resources, and transportation, the 31104
environmental protection agency, and the development services 31105
agency may be equally reduced. Moneys in the fund shall be used to 31106
pay the operating expenses of the Ohio water resources council, 31107
including those specified in division (E) of this section. 31108

(E) The Ohio water resources council may hire staff to 31109
support its activities. The council may enter into contracts and 31110
agreements with federal agencies, state agencies, political 31111
subdivisions, and private entities to assist in accomplishing its 31112
objectives. Advisory group members shall be reimbursed for 31113
expenses necessarily incurred in the performance of their duties 31114
pursuant to section 126.31 of the Revised Code and any applicable 31115
rules pertaining to travel reimbursement adopted by the office of 31116
budget and management. 31117

Sec. 1522.03. The chief of the division of ~~soil and~~ water 31118
resources shall do all of the following: 31119

(A) Adopt rules in accordance with Chapter 119. of the 31120
Revised Code for the implementation, administration, and 31121
enforcement of the great lakes-st. Lawrence river basin water 31122
resources compact; 31123

(B) Enforce the great lakes-st. Lawrence river basin water 31124
resources compact and take appropriate actions to effectuate its 31125
purposes and intent; 31126

(C) Adopt rules in accordance with Chapter 119. of the 31127
Revised Code for the development, implementation, administration, 31128
and enforcement of any permit program established under this 31129
chapter. 31130

Rules adopted under this section shall be no more stringent 31131
than the great lakes-st. Lawrence river basin water resources 31132
compact. The chief shall convene a working group consisting of 31133
parties with interests in Lake Erie, the Lake Erie watershed, and 31134
the great lakes-st. Lawrence river basin water resources compact. 31135
The working group shall consult with the chief regarding the 31136
adoption of rules under this section. 31137

Sec. 1522.05. Pursuant to Section 9.2 of the great lakes-st. 31138
Lawrence river basin water resources compact, the governor may 31139
take such actions as are necessary for the initial organization 31140
and operation of the great lakes-st. Lawrence river basin water 31141
resources council created in Section 2.1 of the compact. Agencies 31142
of the state are hereby authorized to cooperate with the council. 31143

The chief of the division of ~~soil and~~ water resources shall 31144
adopt voluntary watershedwide goals, objectives, and standards for 31145
water conservation and efficiency consistent with Section 4.2 of 31146
the great lakes-st. Lawrence river basin water resources compact. 31147

Sec. 1522.11. (A) No person shall install or operate a 31148
facility or equipment that results in a new or increased diversion 31149
of any water out of the Lake Erie watershed to another watershed 31150
without first obtaining a permit to do so issued by the chief of 31151
the division of ~~soil and~~ water resources. An application for such 31152
a permit shall be submitted to the chief on a form that the chief 31153
prescribes. An application shall be accompanied by a nonrefundable 31154
fee of one thousand dollars, which shall be credited to the water 31155
management fund created in section 1501.32 of the Revised Code. 31156

(B) The chief shall approve a permit application submitted 31157
under this section only if the chief determines that it meets the 31158
criteria required to qualify as an exception to the prohibition 31159
against diversions established in Section 4.9 of the compact. The 31160

chief shall issue or deny a permit through issuance of an order. 31161

Sec. 1522.12. (A) For purposes of the compact, not later than 31162
one hundred eighty days after ~~the effective date of this section~~ 31163
September 4, 2012, the chief of the division of ~~soil and~~ water 31164
resources shall establish a program for the issuance of permits 31165
for the withdrawal and consumptive use of water from the Lake Erie 31166
watershed. Upon establishment of the program, the owner or 31167
operator of a facility within the Lake Erie watershed that is not 31168
otherwise exempt under section 1522.14 of the Revised Code shall 31169
obtain a withdrawal and consumptive use permit from the chief if 31170
the facility meets any of the following threshold criteria: 31171
31172

(1) The facility has a new or increased capacity for 31173
withdrawals or consumptive uses from Lake Erie or a recognized 31174
navigation channel of at least two and one-half million gallons 31175
per day. 31176

(2) Except as provided in division (A)(3) of this section, 31177
the facility has a new or increased capacity for withdrawals or 31178
consumptive uses from any river or stream or from ground water in 31179
the Lake Erie watershed of at least one million gallons per day. 31180

(3)(a) Except as provided in division (A)(3)(b) of this 31181
section, the facility has a new or increased capacity for 31182
withdrawals or consumptive uses from any river or stream in the 31183
Lake Erie watershed that is a high quality water of at least one 31184
hundred thousand gallons per day. Division (A)(3) of this section 31185
does not apply to withdrawals and consumptive uses from 31186
outstanding state waters that are designated as such by the 31187
environmental protection agency due to their exceptional 31188
recreational values. 31189

(b) If a river or stream or segment thereof is designated as 31190
a high quality water as of ~~the effective date of this section~~ 31191

September 4, 2012, the threshold established in division (A)(3)(a) 31192
of this section applies to the river or stream or segment thereof 31193
and the entire watershed upstream of that river, stream, or 31194
segment. If a river or stream or segment thereof is designated as 31195
a high quality water after ~~the effective date of this section~~ 31196
September 4, 2012, the threshold established in division (A)(3)(a) 31197
of this section applies to the river or stream or segment thereof 31198
and the entire watershed upstream of that river, stream, or 31199
segment, provided that the director of environmental protection 31200
and the director of natural resources, or their designees, jointly 31201
determine that the proposed withdrawal or consumptive use would 31202
cause the high quality water to lose its designation as a high 31203
quality water. If the directors determine that the proposed 31204
withdrawal or consumptive use would not cause the high quality 31205
water to lose that designation, the threshold established in 31206
division (A)(2) of this section applies to the withdrawal or 31207
consumptive use at a point beginning one thousand feet upstream of 31208
the upstream end of the designated high quality water segment or 31209
at a point beginning two times the length of the river, stream, or 31210
segment that has been designated as a high quality water, 31211
whichever is greater. 31212

Upon establishment of the withdrawal and consumptive use 31213
permit program under this division, the owner or operator of a 31214
facility that is not otherwise exempt under section 1522.14 of the 31215
Revised Code and that is subject to a threshold specified in 31216
division (A)(1) or (2) of this section, after submitting an 31217
application for a permit under this section and a determination by 31218
the chief that the application is complete, may commence 31219
installation of the facility or equipment that will result in a 31220
new or increased withdrawal or consumptive use of water in the 31221
Lake Erie watershed prior to issuance of the withdrawal and 31222
consumptive use permit. 31223

Upon establishment of the withdrawal and consumptive use permit program under this division, the owner or operator of a facility that is not otherwise exempt under section 1522.14 of the Revised Code and that is subject to a threshold specified in division (A)(3) of this section shall not install or operate the facility or equipment that will result in a new or increased withdrawal or consumptive use of water in the Lake Erie watershed without first obtaining a withdrawal and consumptive use permit.

(B) Permits issued under this section shall be issued only for the amount of withdrawal or consumptive use capacity of a facility that meets or exceeds threshold amounts established in division (A) of this section. A permit shall not be required for the portion of the withdrawal and consumptive use capacity of the facility below that threshold amount.

(C) An applicant for a permit shall submit an application to the chief on a form that the chief prescribes. The applicant shall include with the application all of the following:

(1) The name, address, and telephone number of the applicant and of a contact person for the applicant;

(2) The names, addresses, and other necessary contact information of any other owners and operators of the facility;

(3) A description of all of the following:

(a) The facility's current withdrawal capacity per day if the withdrawal is to occur at a facility already in operation;

(b) The total new or increased daily withdrawal capacity proposed for the facility;

(c) The locations and sources of water proposed to be withdrawn;

(d) The locations of proposed discharges or return flows;

(e) The locations and nature of proposed consumptive uses and

the applicable consumptive use coefficient for the facility; 31254

(f) The estimated average annual and monthly volumes and 31255
rates of withdrawal; 31256

(g) The estimated average annual and monthly volumes and 31257
rates of consumptive use; 31258

(h) The environmentally sound and economically feasible water 31259
conservation measures to be undertaken by the applicant; 31260

(i) Other ways the applicant's need for water may be 31261
satisfied if the application is denied or modified; 31262

(j) Any other information the chief may require to adequately 31263
consider the application. 31264

(4) A nonrefundable application fee of one thousand dollars, 31265
the proceeds of which shall be credited to the water management 31266
fund created in section 1501.32 of the Revised Code. 31267

(D) Provided that a facility meets all applicable permit 31268
conditions, a permit for the facility is valid until the facility 31269
is the subject of facility abandonment. Once every five years, the 31270
owner or operator of a facility shall certify to the chief that 31271
the facility is in compliance with the permit that has been issued 31272
for the facility. 31273

(E) No person that is required to do so shall fail to apply 31274
for and receive a withdrawal and consumptive use permit. 31275

(F) A permit issued under this section shall include terms 31276
and conditions restricting the withdrawal and consumptive use by a 31277
facility to amounts not exceeding the capacity of the facility. 31278

(G) The chief shall issue or deny a permit not later than 31279
ninety days after receipt of a complete application. If 31280
applicable, the chief shall comply with the requirements regarding 31281
prior notice established in Section 4.6 of the compact. The chief 31282
shall issue or deny a permit through issuance of an order. The 31283

chief shall issue a permit if all applicable criteria for 31284
receiving the permit are met as provided in sections 1522.10 to 31285
1522.21 of the Revised Code. 31286

Sec. 1522.13. (A) The chief of the division of ~~soil and~~ water 31287
resources shall issue a withdrawal and consumptive use permit for 31288
a facility if the chief determines that the facility meets all of 31289
the criteria established in Section 4.11 of the compact. 31290
31291

(B) In applying the provision of the decision-making standard 31292
established in Section 4.11.2 of the compact, the chief shall 31293
require that a withdrawal or consumptive use will be implemented 31294
so as to ensure that the withdrawal or consumptive use will result 31295
in no significant individual or cumulative adverse impacts on the 31296
quantity or quality of the waters and water dependent natural 31297
resources of the great lakes basin considered as a whole or of the 31298
Lake Erie source watershed considered as a whole. As part of the 31299
evaluation of a permit application under Section 4.11.2 of the 31300
compact, the chief shall do all of the following: 31301

(1) Rely on the best generally accepted scientific methods 31302
appropriate for this state derived from professionally accepted 31303
resources and practices; 31304

(2) Consider the long-term mean annual inflow and outflow of 31305
the Lake Erie source watershed; 31306

(3) Consider the withdrawal and the portion of the withdrawal 31307
that is not returned to the Lake Erie source watershed. 31308

(C) Impacts of a withdrawal or consumptive use on the 31309
quantity or quality of waters and water dependent natural 31310
resources of more localized areas that affect less than the great 31311
lakes basin considered as a whole or the Lake Erie source 31312
watershed considered as a whole shall be considered as a part of 31313

the evaluation of whether a proposed withdrawal or consumptive use 31314
is reasonable as provided in Section 4.11.5 of the compact. 31315

(D) The chief shall not submit an application for a 31316
withdrawal and consumptive use permit for regional review under 31317
Section 4.5.2(c)(ii) of the compact to the regional body as 31318
defined in Section 1.2 of the compact unless regional review is 31319
agreed to by the applicant. 31320

(E) Nothing in sections 1522.10 to 1522.21 of the Revised 31321
Code shall be construed to affect, limit, diminish, or impair any 31322
rights validly established and existing under the laws of this 31323
state as of December 8, 2008, including, but not limited to, 31324
sections 1506.10 and 1521.17 of the Revised Code, or to limit a 31325
person's right to the reasonable use of ground water, water in a 31326
lake, or any other watercourse in contravention of Section 19b of 31327
Article I, Ohio Constitution. 31328

Sec. 1522.131. (A) To encourage the development of innovative 31329
water use practices and technologies that ensure sustainable water 31330
use for industrial, commercial, residential, agricultural, or 31331
public purposes, including recreational and cultural resources, as 31332
a means to facilitate sustainable economic growth and job 31333
creation, the chief of the division of ~~soil and~~ water resources, 31334
with the approval of the director of natural resources, may issue 31335
experimental use permits. An experimental use permit may be issued 31336
in lieu of a withdrawal and consumptive use permit as determined 31337
appropriate by the chief. 31338

(B) An experimental use permit may be issued if all of the 31339
following apply: 31340

(1) The experimental use is reasonable based on a 31341
consideration of the factors specified in Section 4.11.5 of the 31342
compact. 31343

(2) The experimental use will use no more water than is 31344
necessary to determine the effectiveness and economic feasibility 31345
of the experimental use. 31346

(3) The experimental use does not reduce the protection 31347
afforded the waters and water dependent natural resources of the 31348
source watershed as defined in the compact below what is provided 31349
in this chapter and rules adopted under it. 31350

(C) The chief may refuse to issue an experimental use permit 31351
if the chief determines that the proposed use will result in 31352
significant individual or cumulative adverse impacts on the 31353
quantity or quality of the waters and water dependent natural 31354
resources of the great lakes basin considered as a whole or the 31355
Lake Erie source watershed considered as a whole. 31356

(D) The chief shall issue or deny a permit under this section 31357
through issuance of an order. 31358

(E) The chief shall establish the terms and conditions of an 31359
experimental use permit and may suspend such a permit, at any 31360
time, if the chief finds that its terms or conditions are being 31361
violated or that its terms and conditions are inadequate to avoid 31362
significant individual or cumulative adverse impacts on the 31363
quantity or quality of the waters and water dependent natural 31364
resources of the great lakes basin considered as a whole or the 31365
Lake Erie source watershed considered as a whole. 31366

(F) An experimental use permit issued under this section 31367
shall expire not later than twenty-four months after the date of 31368
issuance of the permit. 31369

Sec. 1522.15. (A)(1) Transfer of a withdrawal and consumptive 31370
use permit upon the sale or transfer of a facility may occur so 31371
long as the location of the facility, the source of water, and the 31372
withdrawal and consumptive use capacities do not change. Transfer 31373

of the baseline withdrawal and consumptive use capacity of a 31374
baseline facility upon the sale or transfer of the baseline 31375
facility may occur so long as the location of the facility, the 31376
source of water, and the withdrawal and consumptive use capacities 31377
do not change. Transferred capacity of a baseline facility does 31378
not require a withdrawal and consumptive use permit. 31379

Notice of a transfer shall be provided to the chief of the 31380
division of ~~soil~~ and water resources in a manner prescribed by the 31381
chief. 31382

(2) If the owner of a facility for which a withdrawal and 31383
consumptive use permit has been issued sells or transfers a 31384
portion of the facility, transfer of the applicable portion of the 31385
withdrawal and consumptive use capacity authorized by the 31386
withdrawal and consumptive use permit may occur so long as the 31387
location of the facility, the source of water, and the total 31388
withdrawal and consumptive use capacities do not change. The 31389
permittee shall provide notice of such a transfer to the chief in 31390
a manner prescribed by the chief. Upon receipt of the notice and 31391
if a permit is required for the transferred portion based on the 31392
threshold amounts established in divisions (A)(1) to (3) of 31393
section 1522.12 of the Revised Code, the chief shall issue a new 31394
permit for the transferred portion of the facility to the 31395
transferee and a modified permit for the remaining portion of the 31396
facility to the original permittee upon a showing that the 31397
transferee will meet the conditions of the original permit and all 31398
applicable requirements of this chapter and rules adopted under 31399
it. Any new permit shall reflect the portion of the withdrawal and 31400
consumptive use capacity that has been transferred. 31401

(3) If the owner of a baseline facility sells or transfers a 31402
portion of the baseline facility, transfer of the applicable 31403
portion of the withdrawal and consumptive use capacity listed in 31404
the baseline report for that facility may occur so long as the 31405

location of the facility, the source of water, and the total 31406
withdrawal and consumptive use capacities do not change. The owner 31407
shall provide notice of such a transfer to the chief in a manner 31408
prescribed by the chief. The chief shall not require the owner of 31409
the baseline facility or the transferee to obtain a withdrawal and 31410
consumptive use permit, but shall update the baseline report to 31411
reflect the transfer. 31412

(4) The chief may deny a transfer under this section by 31413
issuing an order denying the transfer and sending written notice 31414
to the permittee and the transferee not later than thirty days 31415
after notice of the intended transfer. The chief shall deny the 31416
transfer if the chief determines that the transfer will result in 31417
noncompliance with this chapter, rules adopted under it, or the 31418
terms and conditions of a withdrawal and consumptive use permit. 31419

(5) The chief shall remove a facility from the baseline 31420
report when the facility is subject to baseline facility 31421
abandonment. However, a baseline facility shall not be removed 31422
from the baseline report due to the transfer of the facility's 31423
baseline capacity. 31424

(B) No person shall sell or transfer a withdrawal and 31425
consumptive use permit for purposes of evading the requirements 31426
established in sections 1522.10 to 1522.21 of the Revised Code. 31427

Sec. 1522.16. (A)(1) The owner or operator of a facility may 31428
petition the chief of the division of ~~soil and~~ water resources for 31429
either of the following: 31430

(a) Inclusion in the baseline report if the owner or operator 31431
believes that the facility was erroneously excluded from the 31432
report; 31433

(b) The amendment of the amount of a withdrawal and 31434
consumptive use or other information included in the baseline 31435

report regarding the facility if the owner or operator believes 31436
that the information is incorrect. 31437

(2) The chief shall issue an order either approving or 31438
disapproving a petition submitted under this section. The chief 31439
shall issue the order based on a thorough examination of the 31440
circumstances concerning the petition. 31441

(3) The chief shall adopt rules in accordance with Chapter 31442
119. of the Revised Code that establish procedures for the 31443
submission of petitions under this division. 31444

(B) With regard to the nonuse of a baseline facility's or a 31445
facility's withdrawal and consumptive use capacity, not later than 31446
sixty days after the time period specified in division (B)(1) or 31447
(2) or (I)(1) or (2) of section 1522.10 of the Revised Code, the 31448
owner or operator of the facility may request an extension from 31449
the chief to retain the facility's active status. The request 31450
shall be made in a manner prescribed by the chief. The chief shall 31451
determine the appropriate terms and conditions of the extension, 31452
if approved, based on information submitted by the owner or 31453
operator. The chief shall issue an order approving or disapproving 31454
the request and shall do so in a manner prescribed by the chief. 31455

Sec. 1522.17. (A) The owner or operator of a facility who is 31456
applying for a withdrawal and consumptive use permit shall submit 31457
to the chief of the division of ~~soil and~~ water resources a 31458
facility water conservation plan that incorporates environmentally 31459
sound and economically feasible water conservation measures in 31460
accordance with Section 4.11.3 of the compact. If the plan 31461
reasonably incorporates environmentally sound and economically 31462
feasible water conservation measures applicable to the facility, 31463
it shall be deemed to be in compliance with Section 4.11.3 of the 31464
compact. 31465

(B) The chief shall keep confidential any portions of a 31466

facility water conservation plan that constitute a trade secret as 31467
defined in section 1333.61 of the Revised Code as follows: 31468

(1) During the period of time after confidentiality is 31469
requested under division (C) of this section and until the chief 31470
makes a determination to approve or disapprove the request; 31471

(2) On and after the date on which the chief approves a 31472
request for confidentiality under division (C) of this section. 31473

Any portions of a facility water conservation plan that are 31474
kept confidential as provided in this division are not subject to 31475
section 149.43 of the Revised Code. 31476

(C)(1) The owner or operator of a facility may request that 31477
any portions of a facility water conservation plan be kept 31478
confidential. The request for confidentiality shall be submitted 31479
at the same time that an owner or operator submits a facility 31480
water conservation plan under division (A) of this section. The 31481
owner or operator shall clearly indicate the information that the 31482
owner or operator considers a trade secret and shall label it as 31483
"trade secret." Failure to make such a request shall constitute a 31484
waiver of the right to prevent public disclosure of the 31485
information. A request for confidentiality shall be accompanied by 31486
documents that support the request. The documents shall describe 31487
the measures that the requestor has taken to safeguard the 31488
confidentiality of the information and indicate whether or not 31489
others are bound by a confidentiality agreement related to the 31490
information. 31491

(2) The chief, by order, shall issue a decision regarding the 31492
confidentiality request not later than forty-five days after the 31493
receipt of the request. Until the decision is issued, the 31494
information that is the subject of the request shall be 31495
confidential and maintained by the chief in a separate file 31496
labeled "confidential." The applicant shall be notified by mail of 31497

the decision. 31498

Sec. 1522.18. The chief of the division of ~~soil and~~ water 31499
resources, on the chief's own initiative or upon written complaint 31500
by any person, may investigate or make inquiries into any alleged 31501
failure to comply with this chapter, any rule adopted under it, 31502
any order issued under it, or the terms and conditions of a permit 31503
issued under it. The chief or the chief's duly authorized 31504
representative may enter at reasonable times on any private or 31505
public property to inspect and investigate conditions relating to 31506
any such alleged act of noncompliance and, if necessary, may apply 31507
to the court of common pleas having jurisdiction for a warrant 31508
permitting the entrance and inspection. 31509

Sec. 1522.20. (A)(1) The chief of the division of ~~soil and~~ 31510
water resources may issue an order to a person that the chief 31511
determines has violated, is violating, or is threatening to 31512
violate any provisions of this chapter, rules adopted under it, or 31513
permits or orders issued under it. The order shall be effective 31514
upon issuance and shall identify the facility where the violation 31515
has occurred, is occurring, or is threatened to occur, the 31516
specific violation, and actions that the owner or operator of the 31517
facility must take to comply with the order. The order shall 31518
establish a reasonable date by which the owner or operator must 31519
comply with the order. 31520

(2) An order issued under division (A)(1) of this section 31521
shall be in writing and shall contain a finding of the facts on 31522
which the order is based. Notice of the order shall be given by 31523
certified mail to the applicable owner or operator of a facility. 31524
Notice also shall be provided to a person who initiated a 31525
complaint that resulted in the order and shall be posted on the 31526
web site of the department of natural resources in a manner 31527
prescribed by the chief. 31528

(B)(1) The chief, by order, may propose to suspend or revoke 31529
a permit issued under this chapter if the chief determines that 31530
any term or condition of the permit is being violated. The chief's 31531
order shall identify the facility where the violation allegedly 31532
occurred, describe the nature of the violation, and prescribe what 31533
action the permittee may take to bring the facility into 31534
compliance with the permit. The chief shall fix and specify in the 31535
order a reasonable date or time by which the permittee must 31536
comply. The order shall state that the chief may suspend or revoke 31537
the permit if the permittee fails to comply with the order by that 31538
date or time. If on that date or time the chief finds that the 31539
permittee has not complied with the order, the chief may issue a 31540
new order suspending or revoking the permit. 31541

(2) The chief or the chief's designee may enter on private or 31542
public lands and take action to mitigate, minimize, remove, or 31543
abate the conditions caused by a violation that is the subject of 31544
an order issued under division (B)(1) of this section. 31545

(C) The attorney general, upon written request of the chief, 31546
shall bring an action for an injunction or other appropriate legal 31547
or equitable action against any person who has violated, is 31548
violating, or is threatening to violate any provision of this 31549
chapter, any rule or order adopted or issued under it, or any term 31550
or condition of a permit issued under it. The attorney general 31551
shall bring the action in the court of common pleas of Franklin 31552
county or the county where the applicable facility is located. In 31553
an action for injunction, any factual findings of the chief 31554
presented at a hearing conducted under division (A) of section 31555
1522.21 of the Revised Code is prima-facie evidence of the facts 31556
regarding the order that is the subject of the hearing. 31557

(D) A person who violates any provision of this chapter, any 31558
rule or order adopted or issued under it, or any term or condition 31559
of a permit issued under it is liable to the chief for any costs 31560

incurred by the division of ~~soil and~~ water resources in 31561
investigating, mitigating, minimizing, removing, or abating the 31562
violation and conditions caused by it. Upon the request of the 31563
chief, the attorney general shall bring a civil action against the 31564
responsible person to recover those costs in the court of common 31565
pleas of Franklin county. Moneys recovered under this division 31566
shall be deposited in the state treasury to the credit of the 31567
water management fund created in section 1501.32 of the Revised 31568
Code. 31569

Sec. 1522.21. (A) As used in this section, "person who is or 31570
will be aggrieved or adversely affected" means a person with a 31571
direct economic or property interest that is or will be adversely 31572
affected by an order or rule issued or adopted by the chief of the 31573
division of ~~soil and~~ water resources under this chapter. 31574

(B)(1) Before issuance of a final order denying the issuance 31575
of a permit under section 1522.11, 1522.12, or 1522.131 of the 31576
Revised Code, denying a transfer under section 1522.15 of the 31577
Revised Code, denying a petition to the chief under section 31578
1522.16 of the Revised Code, or denying a request for 31579
confidentiality under section 1522.17 of the Revised Code, or 31580
before the issuance of a final order under section 1522.20 of the 31581
Revised Code, the chief shall issue a proposed order indicating 31582
the chief's intent to issue a final order. If the chief receives a 31583
written objection from a person who is or will be aggrieved or 31584
adversely affected by the issuance of the final order, the chief 31585
shall conduct an adjudication hearing with respect to the proposed 31586
order in accordance with Chapter 119. of the Revised Code. A 31587
person who is or will be aggrieved or adversely affected by the 31588
issuance of the final order and who submitted a written objection 31589
under this division may be a party to the adjudication. 31590

(2) Any person who is issued a proposed order or a final 31591

order by the chief shall be a party in any administrative or legal proceeding in which the proposed order or final order is at issue. This division is in addition to any other rights that a person may have as a person aggrieved or adversely affected.

(C)(1) After the issuance of a final order, a person who is or will be aggrieved or adversely affected by the issuance of the order may appeal the order to the court of common pleas of Franklin county or the court of common pleas of the county in which the facility that is the subject of the order is located. Subject to the exceptions specified in section 2506.03 of the Revised Code, the court is confined to the record as certified to it by the chief if an adjudication hearing was conducted by the chief under division (B) of this section. However, the court also may grant a request for the admission of additional evidence when satisfied that the additional evidence is newly discovered and could not with reasonable diligence have been ascertained prior to the hearing before the chief. If no adjudication hearing was conducted under division (B) of this section, the court shall conduct a hearing de novo.

(2) The filing of an appeal under division (C)(1) of this section does not automatically suspend the order that is the subject of the appeal. Upon application by the appellant, the court may suspend or stay the order, pending an immediate hearing on the appeal.

(3) If the court finds that the order was lawful and reasonable, it shall issue a written order affirming the order. If the court finds that the order was unreasonable or unlawful, it shall issue a written order vacating or modifying the order. The judgment of the court is final unless reversed, vacated, or modified on appeal.

(4) Attorney's fees shall not be awarded to any party to an administrative or legal proceeding under this section.

roadways as are necessary for convenient access thereto. The 31657
appropriation proceedings referred to in this section shall be 31658
restricted to private property only. 31659

Before proceeding to purchase or appropriate any such 31660
property or rights, the cost of which, together with the land or 31661
real estate necessary upon which to locate and construct such 31662
improvements, including damages to remaining property, is in 31663
excess of one thousand dollars, the chief shall prepare plans, 31664
specifications, and estimates of such cost, including all material 31665
and labor therefor, together with the cost of such land or real 31666
estate and damages, and shall thereupon submit such plans, 31667
specifications, and estimates to the director, who in turn shall 31668
submit them to the governor for approval. 31669

The governor shall thereupon publish written notice once a 31670

governor's office, and that objections thereto will be heard by 31676
the governor on a day to be named in the notice, which day shall 31677

approval or rejection thereof indorsed thereon. The director shall 31682
immediately return such plans, specifications, and estimates, 31683
together with the governor's indorsement thereon, to the chief. 31684

Any instrument by which real property is acquired pursuant to 31685
this section shall identify the agency of the state that has the 31686
use and benefit of the real property as specified in section 31687

5301.012 of the Revised Code. 31688
