premises and to private property located in, on, along, over, or 96990
under such lands, waters, and premises, as a result of such 96991
activities. The state, subject to the approval of the governor, 96992
hereby consents to the use of all lands owned by it, including 96993

former location. 97019

(D) The commission is subject to Chapters ~~1515-~~ 940., 6131., 97020
6133., 6135., and 6137. of the Revised Code and shall pay any 97021

Sec. 5575.01. (A) In the maintenance and repair of roads, the 97025
board of township trustees may proceed either by contract or force 97026

this section applies, if the board wishes to proceed by force 97028
account, it first shall cause the county engineer to complete the 97029
force account assessment form developed by the auditor of state 97030
under section 117.16 of the Revised Code. Except as otherwise 97031
provided in sections 505.08 and 505.101 of the Revised Code, when 97032

board to the lowest responsible bidder after advertisement for 97035

engineer an estimate of the cost of the work, which estimate shall 97045
include labor, material, freight, fuel, hauling, use of machinery 97046
and equipment, and all other items of cost. If the board finds it 97047
in the best interest of the public, it may, in lieu of 97048
constructing the road by contract, proceed to construct the road 97049
by force account. Except as otherwise provided under sections 97050
505.08 and 505.101 of the Revised Code, where the total estimated 97051

cost of the work exceeds ~~fifteen~~ thirty thousand dollars per mile, 97052
the board shall invite and receive competitive bids for furnishing 97053
all the labor, materials, and equipment and doing the work, as 97054
provided in section 5575.02 of the Revised Code, and shall 97055
consider and reject them before ordering the work done by force 97056
account. When such bids are received, considered, and rejected, 97057
and the work is done by force account, the work shall be performed 97058
in compliance with the plans and specifications upon which the 97059
bids were based. 97060

(C) Force account assessment forms are not required under 97061
division (A) of this section for road maintenance or repair 97062
projects of less than ~~fifteen~~ forty-five thousand dollars, or 97063
under division (B) of this section for road construction or 97064
reconstruction projects of less than ~~five~~ fifteen thousand dollars 97065

terminated or that the millage is excessive and the levy shall be 97617
decreased by a designated amount. 97618

A resolution of a detention facility district, a district 97619

the tax may be in effect for any number of years not exceeding 97635
twenty, and the proceeds of the tax, notwithstanding the general 97636
provisions of this section, may be used to pay debt charges on any 97637
obligations issued and outstanding on behalf of the subdivision 97638

of the legislative authority. The legislative authority may 97646
certify the resolution to the board of elections as a combined 97647
question. The question appearing on the ballot shall be as 97648

is authorized to impose, when combined with state and federal 97664
revenues, will be insufficient to provide for the emergency 97665
requirements of the school district or to avoid an operating 97666
deficit, and that it is therefore necessary to levy an additional 97667
tax in excess of the ten-mill limitation. The resolution shall be 97668
confined to a single purpose and shall specify that purpose. If 97669
the levy is proposed to renew all or a portion of the proceeds 97670
derived from one or more existing levies imposed pursuant to this 97671
section, it shall be called a renewal levy and shall be so 97672
designated on the ballot. If two or more existing levies are to be 97673
included in a single renewal levy but are not scheduled to expire 97674
in the same year, the resolution shall specify that the existing 97675
levies to be renewed shall not be levied after the year preceding 97676
the year in which the renewal levy is first imposed. 97677
Notwithstanding the original purpose of any one or more existing 97678
levies that are to be in any single renewal levy, the purpose of 97679
the renewal levy may be either to avoid an operating deficit or to 97680
provide for the emergency requirements of the school district. The 97681
resolution shall further specify the amount of money it is 97682
necessary to raise for the specified purpose for each calendar 97683

millage is to be in effect, which may include a levy upon the 97687
current year's tax list. The number of years may be any number not 97688
exceeding ten. 97689

The question shall be submitted at a special election on a 97690
date specified in the resolution. The date shall not be earlier 97691
than eighty days after the adoption and certification of the 97692

through the year following the last year it can be placed on the 97708
real and public utility property tax list and duplicate. 97709

The submission of questions to the electors under this 97710
section is subject to the limitation on the number of election 97711
dates established by section 5705.214 of the Revised Code. 97712

The resolution shall go into immediate effect upon its 97713
passage, and no publication of the resolution shall be necessary 97714
other than that provided for in the notice of election. A copy of 97715
the resolution shall immediately after its passing be certified to 97716
the county auditor of the proper county. Section 5705.195 of the 97717

shall be included in the next tax budget that is certified to the 97731
county budget commission. 97732

After the approval of the levy and prior to the time when the 97733
first tax collection from the levy can be made, the board of 97734
education may anticipate a fraction of the proceeds of the levy 97735
and issue anticipation notes in an amount not exceeding the total 97736

Sec. 5705.21. (A) At any time, the board of education of any 97744
city, local, exempted village, cooperative education, or joint 97745
vocational school district, by a vote of two-thirds of all its 97746
members, may declare by resolution that the amount of taxes that 97747
may be raised within the ten-mill limitation by levies on the 97748
current tax duplicate will be insufficient to provide an adequate 97749
amount for the necessary requirements of the school district, that 97750
it is necessary to levy a tax in excess of such limitation for one 97751
of the purposes specified in division (A), (D), (F), (H), or (DD) 97752
of section 5705.19 of the Revised Code, for general permanent 97753
improvements, for the purpose of operating a cultural center, for 97754
the purpose of providing for school safety and security, or for 97755
the purpose of providing education technology, and that the 97756
question of such additional tax levy shall be submitted to the 97757

electors of the school district at a special election on a day to 97758

cultural purposes; "education technology" means, but is not 97769
limited to, computer hardware, equipment, materials, and 97770

improvements without regard to the limitation of division (F) of 97773
section 5705.19 of the Revised Code that the improvements be a 97774
specific improvement or a class of improvements that may be 97775
included in a single bond issue. 97776

A resolution adopted under this division shall be confined to 97777
a single purpose and shall specify the amount of the increase in 97778
rate that it is necessary to levy, the purpose of the levy, and 97779
the number of years during which the increase in rate shall be in 97780
effect. The number of years may be any number not exceeding five 97781
or, if the levy is for current expenses of the district or for 97782
general permanent improvements, for a continuing period of time. 97783

(B)(1) The board of education of a qualifying school 97784
district, by resolution, may declare that it is necessary to levy 97785

paying the current expenses of ~~the district and of~~ partnering 97787
community schools and, if any of the levy proceeds are so 97788
allocated, of the district. A qualifying school district that is 97789

not a municipal school district may allocate all of the levy 97790
proceeds to partnering community schools. A municipal school 97791
district shall allocate a portion of the levy proceeds to the 97792
current expenses of the district. The resolution shall declare 97793
that the question of the additional tax levy shall be submitted to 97794
the electors of the school district at a special election on a day 97795
to be specified in the resolution. The resolution shall state the 97796
purpose of the levy, the rate of the tax expressed in mills per 97797
dollar of taxable value, the number of such mills to be levied for 97798
the current expenses of the partnering community schools and the 97799
number of such mills, if any, to be levied for the current 97800
expenses of the school district, the number of years the tax will 97801
be levied, and the first year the tax will be levied. The number 97802
of years the tax may be levied may be any number not exceeding ten 97803
years, or for a continuing period of time. 97804

The levy of a tax for the current expenses of a partnering 97805
community school under this section and the distribution of 97806
proceeds from the tax by a qualifying school district to 97807
partnering community schools is hereby determined to be a proper 97808
public purpose. 97809

(2) The (a) If any portion of the levy proceeds are to be 97810
allocated to the current expenses of the qualifying school 97811
district, the form of the ballot at an election held pursuant to 97812
division (B) of this section shall be as follows: 97813

the qualifying school district) for the purpose of current 97815
expenses of the school district and of partnering community 97816
schools at a rate not exceeding (insert the number of 97817
mills) mills for each one dollar of valuation, ~~of which~~ 97818

expressed in dollars and cents) for each one hundred dollars of 97822
valuation, for (insert the number of years the levy is to 97823
be imposed, or that it will be levied for a continuing period of 97824
time), beginning (insert first year the tax is to be 97825

(insert the first calendar year in which the tax would be 97827

expenses of partnering community schools at a rate not exceeding 97836
..... (insert the number of mills) mills for each one dollar of 97837
valuation which amounts to (insert the rate expressed in 97838
dollars and cents) for each one hundred dollars of valuation, for 97839

"

(3) Upon each receipt of a tax distribution by the qualifying 97847
school district, the board of education shall credit the portion 97848
allocated to partnering community schools to the partnering 97849
community schools fund. All income from the investment of money in 97850
the partnering community schools fund shall be credited to that 97851
fund. 97852

(a) If the qualifying school district is a municipal school 97853

district, the board of education shall distribute the partnering 97854
community schools amount among the then qualifying community 97855
schools not more than forty-five days after the school district 97856
receives and deposits each tax distribution. From each tax 97857
distribution, each such partnering community school shall receive 97858
a portion of the partnering community schools amount in the 97859
proportion that the number of its resident students bears to the 97860
aggregate number of resident students of all such partnering 97861
community schools as of the date of receipt and deposit of the tax 97862
distribution. 97863

(b) If the qualifying school district is not a municipal 97864
school district, the board of education may distribute all or a 97865
portion of the amount in the partnering community schools fund 97866
during a fiscal year to partnering community schools ~~that were~~ 97867
~~either sponsored by the district or entered into an agreement~~ 97868
~~pursuant to division (B)(6)(b) of this section~~ on or before the 97869
first day of June of the preceding fiscal year. Each such 97870
partnering community school shall receive a portion of the amount 97871
distributed by the board from the partnering community schools 97872
fund during the fiscal year in the proportion that the number of 97873
its resident students bears to the aggregate number of resident 97874
students of all such partnering community schools as of the date 97875
the school district received and deposited the most recent tax 97876
distribution. On or before the fifteenth day of June of each 97877
fiscal year, the board of education shall announce an estimated 97878
allocation to partnering community schools for the ensuing fiscal 97879
year. The board is not required to allocate to partnering 97880
community schools the entire partnering community schools amount 97881
in the fiscal year in which a tax distribution is received and 97882
deposited in the partnering community schools fund. The estimated 97883
allocation shall be published on the web site of the school 97884
district and expressed as a dollar amount per resident student. 97885
The actual allocation to community schools in a fiscal year need 97886

not conform to the estimate published by the school district so 97887
long if the estimate was made in good faith. 97888

Distributions by a school district under division (B)(3)(b) 97889
of this section shall be made in accordance with distribution 97890
agreements entered into by the board of education and each 97891
partnering community school eligible for distributions under this 97892
division. The distribution agreements shall be certified to the 97893
department of education each fiscal year before the thirtieth day 97894
of July. Each agreement shall provide for at least three 97895
distributions by the school district to the partnering community 97896
school during the fiscal year and shall require the initial 97897
distribution be made on or before the thirtieth day of July. 97898

(c) For the purposes of division (B) of this section, the 97899
number of resident students shall be the number of such students 97900
reported under section 3317.03 of the Revised Code and established 97901
by the department of education as of the date of receipt and 97902
deposit of the tax distribution. 97903

(4) To the extent an agreement whereby the qualifying school 97904
district and a community school endorse each other's programs is 97905
necessary for the community school to qualify as a partnering 97906
community school under division (B)(6)(b) of this section, the 97907
board of education of the school district shall certify to the 97908
department of education the agreement along with the determination 97909
that such agreement satisfies the requirements of that division. 97910
The board's determination is conclusive. 97911

(5) For the purposes of Chapter 3317. of the Revised Code or 97912
other laws referring to the "taxes charged and payable" for a 97913
school district, the taxes charged and payable for a qualifying 97914
school district that levies a tax under division (B) of this 97915
section includes only the taxes charged and payable under that 97916
levy for the current expenses of the school district, and does not 97917
include the taxes charged and payable for the current expenses of 97918

partnering community schools. The taxes charged and payable for 97919
the current expenses of partnering community schools shall not 97920
affect the calculation of "state education aid" as defined in 97921
section 5751.20 of the Revised Code. 97922

(6) As used in division (B) of this section: 97923

(a) "Qualifying school district" means a municipal school 97924
district, as defined in section 3311.71 of the Revised Code or a 97925
school district that ~~has an average daily membership, as reported~~ 97926
~~under division (A) of section 3317.03 of the Revised Code, greater~~ 97927
~~than sixty thousand and the majority of the territory of which~~ 97928
~~district is located in a city with a population greater than seven~~ 97929
~~hundred thousand according to the most recent federal decennial~~ 97930

established under Chapter 3314. of the Revised Code that is 97934
located within the territory of the qualifying school district and 97935
~~that either~~ meets one of the following criteria: 97936

(i) If the qualifying school district is a municipal school 97937
district, the community school is sponsored by the district or is 97938
a party to an agreement with the district whereby the district and 97939
the community school endorse each other's programs; 97940

(ii) If the qualifying school district is not a municipal 97941
school district, the community school is sponsored by a sponsor 97942
that was rated as "exemplary" in the ratings most recently 97943
published under section 3314.016 of the Revised Code before the 97944
resolution proposing the levy is certified to the board of 97945
elections. 97946

(c) "Partnering community schools amount" means the product 97947
obtained, as of the receipt and deposit of the tax distribution, 97948
by multiplying the amount of a tax distribution by a fraction, the 97949

numerator of which is the number of mills per dollar of taxable 97950
value of the property tax to be allocated to partnering community 97951
schools, and the denominator of which is the total number of mills 97952
per dollar of taxable value authorized by the electors in the 97953
election held under division (B) of this section, each as set 97954
forth in the resolution levying the tax. If the resolution 97955
allocates all of the levy proceeds to partnering community 97956
schools, the "partnering schools amount" equals the amount of the 97957
tax distribution. 97958

(d) "Partnering community schools fund" means a separate fund 97959
established by the board of education of a qualifying school 97960
district for the deposit of partnering community school amounts 97961

partnering community school who is entitled to attend school in 97964
the qualifying school district under section 3313.64 or 3313.65 of 97965
the Revised Code. 97966

(f) "Tax distribution" means a distribution of proceeds of 97967
the tax authorized by division (B) of this section under section 97968
321.24 of the Revised Code and distributions that are attributable 97969
to that tax under sections 323.156 and 4503.068 of the Revised 97970
Code or other applicable law. 97971

(C) A resolution adopted under this section shall specify the 97972
date of holding the election, which shall not be earlier than 97973
ninety days after the adoption and certification of the resolution 97974
and which shall be consistent with the requirements of section 97975
3501.01 of the Revised Code. 97976

A resolution adopted under this section may propose to renew 97977
one or more existing levies imposed under division (A) or (B) of 97978
this section or to increase or decrease a single levy imposed 97979
under either such division. 97980

If the board of education imposes one or more existing levies 97981
for the purpose specified in division (F) of section 5705.19 of 97982
the Revised Code, the resolution may propose to renew one or more 97983
of those existing levies, or to increase or decrease a single such 97984
existing levy, for the purpose of general permanent improvements. 97985

If the resolution proposes to renew two or more existing 97986
levies, the levies shall be levied for the same purpose. The 97987
resolution shall identify those levies and the rates at which they 97988
are levied. The resolution also shall specify that the existing 97989
levies shall not be extended on the tax lists after the year 97990
preceding the year in which the renewal levy is first imposed, 97991
regardless of the years for which those levies originally were 97992
authorized to be levied. 97993

If the resolution proposes to renew an existing levy imposed 97994
under division (B) of this section, the rates allocated to the 97995
qualifying school district and to partnering community schools 97996
each may be increased or decreased or remain the same, and the 97997
total rate may be increased, decreased, or remain the same. The 97998
resolution and notice of election shall specify the number of the 97999
mills to be levied for the current expenses of the partnering 98000
community schools and the number of the mills, if any, to be 98001
levied for the current expenses of the qualifying school district. 98002

A resolution adopted under this section shall go into 98003
immediate effect upon its passage, and no publication of the 98004
resolution shall be necessary other than that provided for in the 98005
notice of election. A copy of the resolution shall immediately 98006
after its passing be certified to the board of elections of the 98007
proper county in the manner provided by section 5705.25 of the 98008
Revised Code. That section shall govern the arrangements for the 98009
submission of such question and other matters concerning the 98010
election to which that section refers, including publication of 98011
notice of the election, except that the election shall be held on 98012

the date specified in the resolution. In the case of a resolution 98013
adopted under division (B) of this section, the publication of 98014
notice of that election shall state the number of the mills, if 98015
any, to be levied for the current expenses of partnering community 98016
schools and the number of the mills to be levied for the current 98017
expenses of the qualifying school district. If a majority of the 98018
electors voting on the question so submitted in an election vote 98019
in favor of the levy, the board of education may make the 98020
necessary levy within the school district or, in the case of a 98021
qualifying library levy for the support of a library association 98022
or private corporation, within the association library district, 98023
at the additional rate, or at any lesser rate in excess of the 98024
ten-mill limitation on the tax list, for the purpose stated in the 98025
resolution. A levy for a continuing period of time may be reduced 98026
pursuant to section 5705.261 of the Revised Code. The tax levy 98027
shall be included in the next tax budget that is certified to the 98028
county budget commission. 98029

(D)(1) After the approval of a levy on the current tax list 98030
and duplicate for current expenses, for recreational purposes, for 98031
community centers provided for in section 755.16 of the Revised 98032

collection from the levy can be made, the board of education may 98035
anticipate a fraction of the proceeds of the levy and issue 98036
anticipation notes in a principal amount not exceeding fifty per 98037
cent of the total estimated proceeds of the levy to be collected 98038
during the first year of the levy. 98039

(2) After the approval of a levy for general permanent 98040
improvements for a specified number of years or for permanent 98041
improvements having the purpose specified in division (F) of 98042
section 5705.19 of the Revised Code, the board of education may 98043
anticipate a fraction of the proceeds of the levy and issue 98044

anticipation notes in a principal amount not exceeding fifty per 98045
cent of the total estimated proceeds of the levy remaining to be 98046
collected in each year over a period of five years after the 98047
issuance of the notes. 98048

The notes shall be issued as provided in section 133.24 of 98049
the Revised Code, shall have principal payments during each year 98050
after the year of their issuance over a period not to exceed five 98051
years, and may have a principal payment in the year of their 98052
issuance. 98053

(3) After approval of a levy for general permanent 98054
improvements for a continuing period of time, the board of 98055
education may anticipate a fraction of the proceeds of the levy 98056
and issue anticipation notes in a principal amount not exceeding 98057
fifty per cent of the total estimated proceeds of the levy to be 98058
collected in each year over a specified period of years, not 98059
exceeding ten, after the issuance of the notes. 98060

The notes shall be issued as provided in section 133.24 of 98061
the Revised Code, shall have principal payments during each year 98062
after the year of their issuance over a period not to exceed ten 98063
years, and may have a principal payment in the year of their 98064
issuance. 98065

(4) After the approval of a levy on the current tax list and 98066
duplicate under division (B) of this section, and prior to the 98067
time when the first tax collection from the levy can be made, the 98068
board of education may anticipate a fraction of the proceeds of 98069
the levy for the current expenses of the school district and issue 98070
anticipation notes in a principal amount not exceeding fifty per 98071
cent of the estimated proceeds of the levy to be collected during 98072
the first year of the levy and allocated to the school district. 98073
The portion of the levy proceeds to be allocated to partnering 98074
community schools under that division shall not be included in the 98075
estimated proceeds anticipated under this division and shall not 98076

be used to pay debt charges on any anticipation notes. 98077

The notes shall be issued as provided in section 133.24 of 98078
the Revised Code, shall have principal payments during each year 98079
after the year of their issuance over a period not to exceed five 98080
years, and may have a principal payment in the year of their 98081
issuance. 98082

(E) The submission of questions to the electors under this 98083
section is subject to the limitation on the number of election 98084
dates established by section 5705.214 of the Revised Code. 98085

(F) The board of education of any school district that levies 98086
a tax under this section for the purpose of providing for school 98087
safety and security may report to the department of education how 98088
the district is using revenue from that tax. 98089

Sec. 5705.212. (A)(1) The board of education of any school 98090
district, at any time and by a vote of two-thirds of all of its 98091
members, may declare by resolution that the amount of taxes that 98092
may be raised within the ten-mill limitation will be insufficient 98093
to provide an adequate amount for the present and future 98094
requirements of the school district, that it is necessary to levy 98095
not more than five taxes in excess of that limitation for current 98096
expenses, and that each of the proposed taxes first will be levied 98097
in a different year, over a specified period of time. The board 98098
shall identify the taxes proposed under this section as follows: 98099
the first tax to be levied shall be called the "original tax." 98100
Each tax subsequently levied shall be called an "incremental tax." 98101
The rate of each incremental tax shall be identical, but the rates 98102
of such incremental taxes need not be the same as the rate of the 98103
original tax. The resolution also shall state that the question of 98104
these additional taxes shall be submitted to the electors of the 98105
school district at a special election. The resolution shall 98106
specify separately for each tax proposed: the amount of the 98107

increase in rate that it is necessary to levy, expressed 98108
separately for the original tax and each incremental tax; that the 98109
purpose of the levy is for current expenses; the number of years 98110
during which the original tax shall be in effect; a specification 98111
that the last year in which the original tax is in effect shall 98112
also be the last year in which each incremental tax shall be in 98113
effect; and the year in which each tax first is proposed to be 98114
levied. The original tax may be levied for any number of years not 98115
exceeding ten, or for a continuing period of time. The resolution 98116
shall specify the date of holding the special election, which 98117
shall not be earlier than ninety days after the adoption and 98118
certification of the resolution and shall be consistent with the 98119
requirements of section 3501.01 of the Revised Code. 98120

(2) The board of education, by a vote of two-thirds of all of 98121
its members, may adopt a resolution proposing to renew taxes 98122
levied other than for a continuing period of time under division 98123
(A)(1) of this section. Such a resolution shall provide for 98124
levying a tax and specify all of the following: 98125

(a) That the tax shall be called and designated on the ballot 98126
as a renewal levy; 98127

(b) The rate of the renewal tax, which shall be a single rate 98128
that combines the rate of the original tax and each incremental 98129
tax into a single rate. The rate of the renewal tax shall not 98130
exceed the aggregate rate of the original and incremental taxes. 98131

(c) The number of years, not to exceed ten, that the renewal 98132
tax will be levied, or that it will be levied for a continuing 98133
period of time; 98134

(d) That the purpose of the renewal levy is for current 98135
expenses; 98136

(e) Subject to the certification and notification 98137
requirements of section 5705.251 of the Revised Code, that the 98138

question of the renewal levy shall be submitted to the electors of 98139
the school district at the general election held during the last 98140
year the original tax may be extended on the real and public 98141
utility property tax list and duplicate or at a special election 98142
held during the ensuing year. 98143

(3) A resolution adopted under division (A)(1) or (2) of this 98144
section shall go into immediate effect upon its adoption and no 98145
publication of the resolution is necessary other than that 98146
provided for in the notice of election. Immediately after its 98147
adoption, a copy of the resolution shall be certified to the board 98148
of elections of the proper county in the manner provided by 98149
division (A) of section 5705.251 of the Revised Code, and that 98150
division shall govern the arrangements for the submission of the 98151
question and other matters concerning the election to which that 98152
section refers. The election shall be held on the date specified 98153
in the resolution. If a majority of the electors voting on the 98154
question so submitted in an election vote in favor of the taxes or 98155
a renewal tax, the board of education, if the original or a 98156
renewal tax is authorized to be levied for the current year, 98157
immediately may make the necessary levy within the school district 98158
at the authorized rate, or at any lesser rate in excess of the 98159
ten-mill limitation, for the purpose stated in the resolution. No 98160
tax shall be imposed prior to the year specified in the resolution 98161
as the year in which it is first proposed to be levied. The rate 98162
of the original tax and the rate of each incremental tax shall be 98163
cumulative, so that the aggregate rate levied in any year is the 98164
sum of the rates of both the original tax and all incremental 98165
taxes levied in or prior to that year under the same proposal. A 98166
tax levied for a continuing period of time under this section may 98167
be reduced pursuant to section 5705.261 of the Revised Code. 98168

(B) Notwithstanding section 133.30 of the Revised Code, after 98169
the approval of a tax to be levied in the current or the 98170

succeeding year and prior to the time when the first tax 98171
collection from that levy can be made, the board of education may 98172
anticipate a fraction of the proceeds of the levy and issue 98173
anticipation notes in an amount not to exceed fifty per cent of 98174
the total estimated proceeds of the levy to be collected during 98175
the first year of the levy. The notes shall be sold as provided in 98176
Chapter 133. of the Revised Code. If anticipation notes are 98177
issued, they shall mature serially and in substantially equal 98178
amounts during each year over a period not to exceed five years; 98179
and the amount necessary to pay the interest and principal as the 98180
anticipation notes mature shall be deemed appropriated for those 98181
purposes from the levy, and appropriations from the levy by the 98182
board of education shall be limited each fiscal year to the 98183
balance available in excess of that amount. 98184

If the auditor of state has certified a deficit pursuant to 98185
section 3313.483 of the Revised Code, the notes authorized under 98186
this section may be sold in accordance with Chapter 133. of the 98187
Revised Code, except that the board may sell the notes after 98188
providing a reasonable opportunity for competitive bidding. 98189

(C)(1) The board of education of a qualifying school 98190
district, at any time and by a vote of two-thirds of all its 98191
members, may declare by resolution that it is necessary to levy 98192
not more than five taxes in excess of the ten-mill limitation for 98193
the current expenses of ~~the school district and of~~ partnering 98194
community schools and, if any of the levy proceeds are so 98195
allocated, of the school district, and that each of the proposed 98196
taxes first will be levied in a different year, over a specified 98197
period of time. A qualifying school district that is not a 98198
municipal school district may allocate all of the levy proceeds to 98199
partnering community schools. A municipal school district shall 98200
allocate a portion of the levy proceeds to the current expenses of 98201
the district. The board shall identify the taxes proposed under 98202

this division in the same manner as in division (A)(1) of this 98203
section. The rate of each incremental tax shall be identical, but 98204
the rates of such incremental taxes need not be the same as the 98205
rate of the original tax. In addition to the specifications 98206
required of the resolution in division (A) of this section, the 98207
resolution shall state the number of the mills to be levied each 98208
year for the current expenses of the partnering community schools 98209
and the number of the mills, if any, to be levied each year for 98210
the current expenses of the school district. The number of mills 98211
for the current expenses of partnering community schools shall be 98212
the same for each of the incremental taxes, and the number of 98213
mills for the current expenses of the qualifying school district 98214
shall be the same for each of the incremental taxes. 98215

The levy of taxes for the current expenses of a partnering 98216
community school under division (C) of this section and the 98217
distribution of proceeds from the tax by a qualifying school 98218
district to partnering community schools is hereby determined to 98219
be a proper public purpose. 98220

(2) The board of education, by a vote of two-thirds of all of 98221
its members, may adopt a resolution proposing to renew taxes 98222
levied other than for a continuing period of time under division 98223
(C)(1) of this section. In such a renewal levy, the rates 98224
allocated to the qualifying school district and to partnering 98225
community schools each may be increased or decreased or remain the 98226
same, and the total rate may be increased, decreased, or remain 98227
the same. In addition to the requirements of division (A)(2) of 98228
this section, the resolution shall state the number of the mills 98229
to be levied for the current expenses of the partnering community 98230
schools and the number of the mills to be levied for the current 98231
expenses of the school district. 98232

(3) A resolution adopted under division (C)(1) or (2) of this 98233
section is subject to the rules and procedures prescribed by 98234

division (A)(3) of this section. 98235

(4) The proceeds of each tax levied under division (C)(1) or 98236
(2) of this section shall be credited and distributed in the 98237
manner prescribed by division (B)(3) of section 5705.21 of the 98238
Revised Code, and divisions (B)(4), (5), and (6) of that section 98239
apply to taxes levied under division (C) of this section. 98240

(5) Notwithstanding section 133.30 of the Revised Code, after 98241
the approval of a tax to be levied under division (C)(1) or (2) of 98242
this section, in the current or succeeding year and prior to the 98243
time when the first tax collection from that levy can be made, the 98244
board of education may anticipate a fraction of the proceeds of 98245
the levy for the current expenses of the qualifying school 98246
district and issue anticipation notes in a principal amount not 98247
exceeding fifty per cent of the estimated proceeds of the levy to 98248
be collected during the first year of the levy and allocated to 98249
the school district. The portion of levy proceeds to be allocated 98250
to partnering community schools shall not be included in the 98251
estimated proceeds anticipated under this division and shall not 98252
be used to pay debt charges on any anticipation notes. 98253

The notes shall be sold as provided in Chapter 133. of the 98254
Revised Code. If anticipation notes are issued, they shall mature 98255
serially and in substantially equal amounts during each year over 98256
a period not to exceed five years. The amount necessary to pay the 98257
interest and principal as the anticipation notes mature shall be 98258
deemed appropriated for those purposes from the levy, and 98259
appropriations from the levy by the board of education shall be 98260
limited each fiscal year to the balance available in excess of 98261
that amount. 98262

If the auditor of state has certified a deficit pursuant to 98263
section 3313.483 of the Revised Code, the notes authorized under 98264
this section may be sold in accordance with Chapter 133. of the 98265
Revised Code, except that the board may sell the notes after 98266

providing a reasonable opportunity for competitive bidding. 98267

As used in division (C) of this section, "qualifying school 98268
district" and "partnering community schools" have the same 98269
meanings as in section 5705.21 of the Revised Code. 98270

(D) The submission of questions to the electors under this 98271
section is subject to the limitation on the number of election 98272
dates established by section 5705.214 of the Revised Code. 98273

Sec. 5705.214. Not more than three elections during any 98274
calendar year shall include the questions by a school district of 98275
tax levies proposed under any one or any combination of the 98276
following sections: sections 5705.194, 5705.199, 5705.21, 98277
5705.212, 5705.213, 5705.217, 5705.218, 5705.219, 5705.2112, and 98278
5748.09 of the Revised Code. 98279

Sec. 5705.2112. (A) As used in this section: 98280

(1) "Qualifying partnership" has the same meaning as in 98281
section 3318.71 of the Revised Code. 98282

(2) "Fiscal board" means the board of education of the school 98283
district that is selected as the fiscal agent of a qualifying 98284
partnership under division (D) of section 3318.71 of the Revised 98285
Code. 98286

(3) "Participating school district" means a city, local, 98287
exempted village, cooperative education, or joint vocational 98288
school district that is a party to the qualifying partnership 98289
agreement described in section 3318.71 of the Revised Code. 98290

(4) "Tax distribution" means a distribution of proceeds of 98291
the tax authorized by this section under section 321.24 of the 98292
Revised Code and distributions that are attributable to that tax 98293
under sections 323.156 and 4503.068 of the Revised Code or other 98294
applicable law. 98295

(5) "Acquisition of classroom facilities" has the same meaning as in section 3318.01 of the Revised Code. 98296
98297

(B) The fiscal board of a qualifying partnership may levy a tax under this section in excess of the ten-mill limitation for the purpose of funding the acquisition of classroom facilities that benefit the qualifying partnership. The tax is subject to the approval of the electors of all participating school districts. Before proposing the tax to such electors, the fiscal board shall obtain identical resolutions adopted by two-thirds of the members of the board of education of each participating school district. The resolutions shall specify all of the following: 98298
98299
98300
98301
98302
98303
98304
98305
98306

(1) The rate of the levy; 98307

(2) The purpose of the levy, which shall be confined to the acquisition of classroom facilities; 98308
98309

(3) The number of years during which the levy shall be in effect, which shall be for any number of years not exceeding ten; 98310
98311

(4) That the question of the levy shall be submitted to the electors of each participating school district at a special election; 98312
98313
98314

(5) The date that such special election shall be held, which shall not be earlier than ninety days after the resolutions are certified to the board or boards of elections under division (C) of this section and which shall be consistent with the requirements of section 3501.01 of the Revised Code. 98315
98316
98317
98318
98319

(C) A resolution adopted under division (B) of this section shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided for in the notice of election. Upon passing such a resolution, the board of education of a participating school district shall certify a copy of the resolution to the fiscal board of the qualifying partnership. Once the fiscal board 98320
98321
98322
98323
98324
98325
98326

receives an identical resolution from each participating school district, the fiscal board shall certify copies of such resolutions to the board of elections of the proper county or counties in the manner provided by section 5705.25 of the Revised Code. That section shall govern the arrangements for the submission of the levy to the electors of each participating school district and other matters concerning the election to which that section refers, including publication of notice of the election, except that the election shall be held on the date specified in the resolutions and the notice shall be published in newspapers of general circulation in all the participating school districts. 98327

98334
98335
98336
98337
98338

The question of the levy shall be submitted as a single ballot issue to the electors of all the participating school districts. If a majority of all such electors voting on the question so submitted in the election vote in favor of the levy, the fiscal board may make the necessary levy within the territory of the participating school districts at the additional rate, or at any lesser rate in excess of the ten-mill limitation on the tax list, for the purpose stated in the resolutions. 98339
98340
98341
98342
98343
98344
98345
98346

The submission of questions to the electors under this section is subject to the limitation on the number of election dates established by section 5705.214 of the Revised Code. 98347
98348
98349

(D) Each tax distribution shall be deposited to a special fund, established for the purposes described in the resolutions proposing the tax levy, in the county treasury of the county in which the fiscal board of the qualifying partnership is located. The fiscal board shall be the custodian of the amounts deposited to such fund and shall have the same rights and responsibilities with respect to the fund as boards of education do with respect to other levy revenues. 98350
98351
98352
98353
98354
98355
98356
98357

(E) The levy of a tax under this section for the purpose of 98358

funding the acquisition of classroom facilities benefiting a 98359
qualifying partnership is hereby determined to be a proper public 98360
purpose. For the purposes of Chapter 3317. of the Revised Code or 98361
other laws referring to the "taxes charged and payable" for a 98362
school district, the taxes charged and payable for a levy 98363
authorized under this section are not included in the taxes 98364
charged and payable for any participating school district. The 98365
taxes charged and payable for a levy authorized under this section 98366
shall not affect the calculation of "state education aid," as 98367
defined in section 5751.20 of the Revised Code, for any 98368
participating school district. 98369

(F)(1) After the approval of a levy under this section for a 98370
specified number of years, the fiscal board of a qualifying 98371
partnership may anticipate a fraction of the proceeds of the levy 98372
and issue anticipation notes in a principal amount not exceeding 98373
fifty per cent of the total estimated proceeds of the levy 98374
remaining to be collected in each year over a period of five years 98375
after the issuance of the notes. 98376

The notes shall be issued as provided in section 133.24 of 98377
the Revised Code, shall have principal payments during each year 98378
after the year of their issuance over a period not to exceed five 98379
years, and may have a principal payment in the year of their 98380
issuance. 98381

(2) The fiscal board of a qualifying partnership is a "taxing 98382
authority" for the purposes of Chapter 133. of the Revised Code 98383
with respect to the tax and securities authorized under this 98384
section, and the treasurer of the school district serving as the 98385
fiscal board is the fiscal officer for the purposes of that 98386
chapter. 98387

Sec. 5705.34. When the budget commission has completed its 98388
work with respect to a tax budget or other information required to 98389

be provided under section 5705.281 of the Revised Code, it shall 98390
certify its action to the taxing authority, together with an 98391
estimate by the county auditor of the rate of each tax necessary 98392
to be levied by the taxing authority within its subdivision, 98393
taxing unit, or, in the case of a qualifying library levy, within 98394
the library district or association library district, and what 98395
part thereof is in excess of, and what part within, the ten-mill 98396
tax limitation. The certification shall also indicate the date on 98397
which each tax levied by the taxing authority will expire. 98398

If a taxing authority levies a tax for a fixed sum of money 98399
or to pay debt charges for the tax year for which the tax budget 98400
is prepared, and a payment on account of that tax is payable to 98401
the taxing authority for the tax year under section ~~5727.85,~~ 98402
~~5727.86, 5751.21, or 5751.22~~ 5709.92, 5709.93, or 5709.94 of the 98403
Revised Code, the county auditor, when estimating the rate at 98404
which the tax shall be levied in the current year, shall estimate 98405
the rate necessary to raise the required sum less the estimated 98406
amount of any payments made for the tax year to a taxing unit for 98407
fixed-sum levies under those sections. The estimated rate shall be 98408
the rate of the levy that the budget commission certifies with its 98409
action under this section. 98410

Each taxing authority, by ordinance or resolution, shall 98411
authorize the necessary tax levies and certify them to the county 98412
auditor before the first day of October in each year, or at such 98413
later date as is approved by the tax commissioner, except that the 98414
certification by the legislative authority of the city of 98415
Cincinnati or by a board of education shall be made by the first 98416
day of April or at such later date as is approved by the 98417
commissioner, and except that a township board of park 98418
commissioners that is appointed by the board of township trustees 98419
and oversees a township park district that contains only 98420
unincorporated territory shall authorize only those taxes approved 98421

by, and only at the rate approved by, the board of township trustees as required by division (C) of section 511.27 of the Revised Code. If the levying of a tax to be placed on the duplicate of the current year is approved by electors under sections 5705.01 to 5705.47 of the Revised Code; if the rate of a school district tax is increased due to the repeal of a school district income tax and property tax rate reduction at an election held pursuant to section 5748.04 of the Revised Code; or if refunding bonds to refund all or a part of the principal of bonds payable from a tax levy for the ensuing fiscal year are issued or sold and in the process of delivery, the budget commission shall reconsider and revise its action on the budget of the subdivision or school library district for whose benefit the tax is to be levied after the returns of such election are fully canvassed, or after the issuance or sale of such refunding bonds is certified to it.

Sec. 5709.17. The following property shall be exempted from taxation:

(A) Real estate held or occupied by an association or corporation, organized or incorporated under the laws of this state relative to soldiers' memorial associations, monumental building associations, or cemetery associations or corporations, which in the opinion of the trustees, directors, or managers thereof is necessary and proper to carry out the object intended for such association or corporation;

(B) Real estate and tangible personal property held or occupied by a veterans' organization that qualifies for exemption from taxation under section 501(c)(19) or 501(c)(23) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as amended, and is incorporated under the laws of this state or the United States, except real estate held by such an organization for

the production of rental income in excess of thirty-six thousand 98453
dollars in a tax year, before accounting for any cost or expense 98454
incurred in the production of such income. For the purposes of 98455
this division, rental income includes only income arising directly 98456
from renting the real estate to others for consideration. 98457

(C) Tangible personal property held by a corporation 98458
chartered under 112 Stat. 1335, 36 U.S.C.A. 40701, described in 98459
section 501(c)(3) of the Internal Revenue Code, and exempt from 98460
taxation under section 501(a) of the Internal Revenue Code shall 98461
be exempt from taxation if it is property obtained as described in 98462
112 Stat. 1335-1341, 36 U.S.C.A. Chapter 407. 98463

(D) Real estate held or occupied by a fraternal organization 98464
and used primarily for meetings of and the administration of the 98465
fraternal organization, ~~except~~ or for providing, on a 98466
not-for-profit basis, educational or health services real estate 98467
held by such an organization for the production of rental income 98468
in excess of thirty-six thousand dollars in a tax year, before 98469
accounting for any cost or expense incurred in the production of 98470
such income. As used in this division, "rental income" has the 98471
same meaning as in division (B) of this section, and "fraternal 98472
organization" means a domestic fraternal society, order, or 98473
association operating under the lodge, council, or grange system 98474
that qualifies for exemption from taxation under section 98475
501(c)(5), 501(c)(8), or 501(c)(10) of the "Internal Revenue Code 98476
of 1986," 100 Stat. 2085, 26 U.S.C. 1, as amended; that provides 98477
financial support for charitable purposes, as defined in division 98478
(B)(12) of section 5739.02 of the Revised Code; and that has been 98479
operating in this state with a state governing body for at least 98480
eighty-five years. 98481

Sec. 5709.62. (A) In any municipal corporation that is 98482
defined by the United States office of management and budget as a 98483

principal city of a metropolitan statistical area, the legislative 98484
authority of the municipal corporation may designate one or more 98485
areas within its municipal corporation as proposed enterprise 98486
zones. Upon designating an area, the legislative authority shall 98487
petition the director of development services for certification of 98488
the area as having the characteristics set forth in division 98489
(A)(1) of section 5709.61 of the Revised Code as amended by 98490
Substitute Senate Bill No. 19 of the 120th general assembly. 98491
Except as otherwise provided in division (E) of this section, on 98492
and after July 1, 1994, legislative authorities shall not enter 98493
into agreements under this section unless the legislative 98494
authority has petitioned the director and the director has 98495
certified the zone under this section as amended by that act; 98496
however, all agreements entered into under this section as it 98497
existed prior to July 1, 1994, and the incentives granted under 98498
those agreements shall remain in effect for the period agreed to 98499
under those agreements. Within sixty days after receiving such a 98500
petition, the director shall determine whether the area has the 98501
characteristics set forth in division (A)(1) of section 5709.61 of 98502
the Revised Code, and shall forward the findings to the 98503
legislative authority of the municipal corporation. If the 98504
director certifies the area as having those characteristics, and 98505
thereby certifies it as a zone, the legislative authority may 98506
enter into an agreement with an enterprise under division (C) of 98507
this section. 98508

(B) Any enterprise that wishes to enter into an agreement 98509
with a municipal corporation under division (C) of this section 98510
shall submit a proposal to the legislative authority of the 98511
municipal corporation on a form prescribed by the director of 98512

shall require the following information: 98515

(1) An estimate of the number of new employees whom the enterprise intends to hire, or of the number of employees whom the enterprise intends to retain, within the zone at a facility that is a project site, and an estimate of the amount of payroll of the enterprise attributable to these employees;

(2) An estimate of the amount to be invested by the enterprise to establish, expand, renovate, or occupy a facility, including investment in new buildings, additions or improvements to existing buildings, machinery, equipment, furniture, fixtures, and inventory;

(3) A listing of the enterprise's current investment, if any, in a facility as of the date of the proposal's submission.

The enterprise shall review and update the listings required under this division to reflect material changes, and any agreement entered into under division (C) of this section shall set forth final estimates and listings as of the time the agreement is entered into. The legislative authority may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(C) Upon receipt and investigation of a proposal under division (B) of this section, if the legislative authority finds that the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and improve the economic climate of the municipal corporation, the legislative authority, on or before October 15, ~~2015~~ 2017, may do one of the following:

the following incentives: 98549

(a) Exemption for a specified number of years, not to exceed 98550
fifteen, of a specified portion, up to seventy-five per cent, of 98551
the assessed value of tangible personal property first used in 98552
business at the project site as a result of the agreement. If an 98553
exemption for inventory is specifically granted in the agreement 98554
pursuant to this division, the exemption applies to inventory 98555
required to be listed pursuant to sections 5711.15 and 5711.16 of 98556
the Revised Code, except that, in the instance of an expansion or 98557
other situations in which an enterprise was in business at the 98558
facility prior to the establishment of the zone, the inventory 98559
that is exempt is that amount or value of inventory in excess of 98560
the amount or value of inventory required to be listed in the 98561
personal property tax return of the enterprise in the return for 98562
the tax year in which the agreement is entered into. 98563

(b) Exemption for a specified number of years, not to exceed 98564
fifteen, of a specified portion, up to seventy-five per cent, of 98565
the increase in the assessed valuation of real property 98566
constituting the project site subsequent to formal approval of the 98567
agreement by the legislative authority; 98568

(c) Provision for a specified number of years, not to exceed 98569
fifteen, of any optional services or assistance that the municipal 98570

remediation as determined for the purposes of property taxation to 98577
establish, expand, renovate, or occupy the remediated facility, 98578

and to hire new employees or preserve employment opportunities for 98579
existing employees at the remediated facility, in return for one 98580
or more of the following incentives: 98581

(a) Exemption for a specified number of years, not to exceed 98582
fifteen, of a specified portion, not to exceed fifty per cent, of 98583
the assessed valuation of the real property of the facility prior 98584
to remediation; 98585

(b) Exemption for a specified number of years, not to exceed 98586
fifteen, of a specified portion, not to exceed one hundred per 98587
cent, of the increase in the assessed valuation of the real 98588
property of the facility during or after remediation; 98589

(c) The incentive under division (C)(1)(a) of this section, 98590
except that the percentage of the assessed value of such property 98591

(3) Enter into an agreement with an enterprise that plans to 98594

return for exemption for a specified number of years, not to 98597
exceed fifteen, of a specified portion, up to one hundred per 98598
cent, of the assessed value of tangible personal property used in 98599
business at the project site as a result of the agreement, or of 98600
the assessed valuation of real property constituting the project 98601
site, or both. 98602

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this 98603
section, the portion of the assessed value of tangible personal 98604
property or of the increase in the assessed valuation of real 98605
property exempted from taxation under those divisions may exceed 98606
seventy-five per cent in any year for which that portion is 98607
exempted if the average percentage exempted for all years in which 98608
the agreement is in effect does not exceed sixty per cent, or if 98609

the board of education of the city, local, or exempted village 98610
school district within the territory of which the property is or 98611
will be located approves a percentage in excess of seventy-five 98612
per cent. 98613

(2) Notwithstanding any provision of the Revised Code to the 98614
contrary, the exemptions described in divisions (C)(1)(a), (b), 98615
and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may 98616
be for up to fifteen years if the board of education of the city, 98617
local, or exempted village school district within the territory of 98618
which the property is or will be located approves a number of 98619
years in excess of ten. 98620

(3) For the purpose of obtaining the approval of a city, 98621
local, or exempted village school district under division (D)(1) 98622
or (2) of this section, the legislative authority shall deliver to 98623
the board of education a notice not later than forty-five days 98624
prior to approving the agreement, excluding Saturdays, Sundays, 98625
and legal holidays as defined in section 1.14 of the Revised Code. 98626
The notice shall state the percentage to be exempted, an estimate 98627
of the true value of the property to be exempted, and the number 98628
of years the property is to be exempted. The board of education, 98629
by resolution adopted by a majority of the board, shall approve or 98630
disapprove the agreement and certify a copy of the resolution to 98631
the legislative authority not later than fourteen days prior to 98632
the date stipulated by the legislative authority as the date upon 98633
which approval of the agreement is to be formally considered by 98634
the legislative authority. The board of education may include in 98635
the resolution conditions under which the board would approve the 98636
agreement, including the execution of an agreement to compensate 98637
the school district under division (B) of section 5709.82 of the 98638
Revised Code. The legislative authority may approve the agreement 98639
at any time after the board of education certifies its resolution 98640
approving the agreement to the legislative authority, or, if the 98641

board approves the agreement conditionally, at any time after the 98642
conditions are agreed to by the board and the legislative 98643
authority. 98644

If a board of education has adopted a resolution waiving its 98645
right to approve agreements and the resolution remains in effect, 98646
approval of an agreement by the board is not required under this 98647
division. If a board of education has adopted a resolution 98648
allowing a legislative authority to deliver the notice required 98649
under this division fewer than forty-five business days prior to 98650
the legislative authority's approval of the agreement, the 98651
legislative authority shall deliver the notice to the board not 98652
later than the number of days prior to such approval as prescribed 98653
by the board in its resolution. If a board of education adopts a 98654
resolution waiving its right to approve agreements or shortening 98655
the notification period, the board shall certify a copy of the 98656
resolution to the legislative authority. If the board of education 98657
rescinds such a resolution, it shall certify notice of the 98658
rescission to the legislative authority. 98659

(4) The legislative authority shall comply with section 98660
5709.83 of the Revised Code unless the board of education has 98661
adopted a resolution under that section waiving its right to 98662
receive such notice. 98663

(E) This division applies to zones certified by the director 98664
of development services under this section prior to July 22, 1994. 98665

On or before October 15, ~~2015~~ 2017, the legislative authority 98666
that designated a zone to which this division applies may enter 98667
into an agreement with an enterprise if the legislative authority 98668
finds that the enterprise satisfies one of the criteria described 98669
in divisions (E)(1) to (5) of this section: 98670

(1) The enterprise currently has no operations in this state 98671
and, subject to approval of the agreement, intends to establish 98672

operations in the zone; 98673

(2) The enterprise currently has operations in this state 98674
and, subject to approval of the agreement, intends to establish 98675
operations at a new location in the zone that would not result in 98676
a reduction in the number of employee positions at any of the 98677
enterprise's other locations in this state; 98678

(3) The enterprise, subject to approval of the agreement, 98679
intends to relocate operations, currently located in another 98680
state, to the zone; 98681

(4) The enterprise, subject to approval of the agreement, 98682
intends to expand operations at an existing site in the zone that 98683
the enterprise currently operates; 98684

(5) The enterprise, subject to approval of the agreement, 98685
intends to relocate operations, currently located in this state, 98686
to the zone, and the director of development services has issued a 98687
waiver for the enterprise under division (B) of section 5709.633 98688
of the Revised Code. 98689

The agreement shall require the enterprise to agree to 98690
establish, expand, renovate, or occupy a facility in the zone and 98691
hire new employees, or preserve employment opportunities for 98692
existing employees, in return for one or more of the incentives 98693
described in division (C) of this section. 98694

(F) All agreements entered into under this section shall be 98695
in the form prescribed under section 5709.631 of the Revised Code. 98696
After an agreement is entered into under this section, if the 98697
legislative authority revokes its designation of a zone, or if the 98698
director of development services revokes a zone's certification, 98699
any entitlements granted under the agreement shall continue for 98700
the number of years specified in the agreement. 98701

(G) Except as otherwise provided in this division, an 98702
agreement entered into under this section shall require that the 98703

enterprise pay an annual fee equal to the greater of one per cent 98704
of the dollar value of incentives offered under the agreement or 98705
five hundred dollars; provided, however, that if the value of the 98706
incentives exceeds two hundred fifty thousand dollars, the fee 98707
shall not exceed two thousand five hundred dollars. The fee shall 98708
be payable to the legislative authority once per year for each 98709
year the agreement is effective on the days and in the form 98710
specified in the agreement. Fees paid shall be deposited in a 98711
special fund created for such purpose by the legislative authority 98712
and shall be used by the legislative authority exclusively for the 98713
purpose of complying with section 5709.68 of the Revised Code and 98714
by the tax incentive review council created under section 5709.85 98715
of the Revised Code exclusively for the purposes of performing the 98716
duties prescribed under that section. The legislative authority 98717
may waive or reduce the amount of the fee charged against an 98718
enterprise, but such a waiver or reduction does not affect the 98719
obligations of the legislative authority or the tax incentive 98720
review council to comply with section 5709.68 or 5709.85 of the 98721
Revised Code. 98722

(H) When an agreement is entered into pursuant to this 98723
section, the legislative authority authorizing the agreement shall 98724
forward a copy of the agreement to the director of development 98725
services and to the tax commissioner within fifteen days after the 98726
agreement is entered into. If any agreement includes terms not 98727
provided for in section 5709.631 of the Revised Code affecting the 98728
revenue of a city, local, or exempted village school district or 98729
causing revenue to be forgone by the district, including any 98730
compensation to be paid to the school district pursuant to section 98731
5709.82 of the Revised Code, those terms also shall be forwarded 98732
in writing to the director of development services along with the 98733
copy of the agreement forwarded under this division. 98734

(I) After an agreement is entered into, the enterprise shall 98735

file with each personal property tax return required to be filed, 98736
or annual report required to be filed under section 5727.08 of the 98737
Revised Code, while the agreement is in effect, an informational 98738
return, on a form prescribed by the tax commissioner for that 98739
purpose, setting forth separately the property, and related costs 98740
and values, exempted from taxation under the agreement. 98741

(J) Enterprises may agree to give preference to residents of 98742
the zone within which the agreement applies relative to residents 98743
of this state who do not reside in the zone when hiring new 98744
employees under the agreement. 98745

(K) An agreement entered into under this section may include 98746
a provision requiring the enterprise to create one or more 98747
temporary internship positions for students enrolled in a course 98748
of study at a school or other educational institution in the 98749
vicinity, and to create a scholarship or provide another form of 98750
educational financial assistance for students holding such a 98751
position in exchange for the student's commitment to work for the 98752
enterprise at the completion of the internship. 98753

(L) The tax commissioner's authority in determining the 98754
accuracy of any exemption granted by an agreement entered into 98755
under this section is limited to divisions (C)(1)(a) and (b), 98756
(C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and 98757
divisions (B)(1) to (10) of section 5709.631 of the Revised Code 98758
and, as authorized by law, to enforcing any modification to, or 98759
revocation of, that agreement by the legislative authority of a 98760
municipal corporation or the director of development services. 98761

Sec. 5709.63. (A) With the consent of the legislative 98762
authority of each affected municipal corporation or of a board of 98763
township trustees, a board of county commissioners may, in the 98764
manner set forth in section 5709.62 of the Revised Code, designate 98765
one or more areas in one or more municipal corporations or in 98766

unincorporated areas of the county as proposed enterprise zones. A 98767
board of county commissioners may designate no more than one area 98768
within a township, or within adjacent townships, as a proposed 98769
enterprise zone. The board shall petition the director of 98770
development services for certification of the area as having the 98771
characteristics set forth in division (A)(1) or (2) of section 98772
5709.61 of the Revised Code as amended by Substitute Senate Bill 98773
No. 19 of the 120th general assembly. Except as otherwise provided 98774
in division (D) of this section, on and after July 1, 1994, boards 98775
of county commissioners shall not enter into agreements under this 98776
section unless the board has petitioned the director and the 98777
director has certified the zone under this section as amended by 98778
that act; however, all agreements entered into under this section 98779
as it existed prior to July 1, 1994, and the incentives granted 98780
under those agreements shall remain in effect for the period 98781
agreed to under those agreements. The director shall make the 98782
determination in the manner provided under section 5709.62 of the 98783
Revised Code. 98784

Any enterprise wishing to enter into an agreement with the 98785
board under division (B) or (D) of this section shall submit a 98786
proposal to the board on the form and accompanied by the 98787
application fee prescribed under division (B) of section 5709.62 98788
of the Revised Code. The enterprise shall review and update the 98789
estimates and listings required by the form in the manner required 98790
under that division. The board may, on a separate form and at any 98791
time, require any additional information necessary to determine 98792
whether an enterprise is in compliance with an agreement and to 98793
collect the information required to be reported under section 98794
5709.68 of the Revised Code. 98795

(B) If the board of county commissioners finds that an 98796
enterprise submitting a proposal is qualified by financial 98797
responsibility and business experience to create and preserve 98798

employment opportunities in the zone and to improve the economic 98799
climate of the municipal corporation or municipal corporations or 98800
the unincorporated areas in which the zone is located and to which 98801
the proposal applies, the board, on or before October 15, ~~2015~~ 98802
2017, and with the consent of the legislative authority of each 98803
affected municipal corporation or of the board of township 98804
trustees may do either of the following: 98805

(1) Enter into an agreement with the enterprise under which 98806
the enterprise agrees to establish, expand, renovate, or occupy a 98807
facility in the zone and hire new employees, or preserve 98808
employment opportunities for existing employees, in return for the 98809
following incentives: 98810

(a) When the facility is located in a municipal corporation, 98811
the board may enter into an agreement for one or more of the 98812
incentives provided in division (C) of section 5709.62 of the 98813
Revised Code, subject to division (D) of that section; 98814

(b) When the facility is located in an unincorporated area, 98815
the board may enter into an agreement for one or more of the 98816
following incentives: 98817

(i) Exemption for a specified number of years, not to exceed 98818
fifteen, of a specified portion, up to sixty per cent, of the 98819
assessed value of tangible personal property first used in 98820
business at a project site as a result of the agreement. If an 98821
exemption for inventory is specifically granted in the agreement 98822
pursuant to this division, the exemption applies to inventory 98823
required to be listed pursuant to sections 5711.15 and 5711.16 of 98824
the Revised Code, except, in the instance of an expansion or other 98825
situations in which an enterprise was in business at the facility 98826
prior to the establishment of the zone, the inventory that is 98827
exempt is that amount or value of inventory in excess of the 98828
amount or value of inventory required to be listed in the personal 98829
property tax return of the enterprise in the return for the tax 98830

year in which the agreement is entered into. 98831

(ii) Exemption for a specified number of years, not to exceed 98832
fifteen, of a specified portion, up to sixty per cent, of the 98833
increase in the assessed valuation of real property constituting 98834
the project site subsequent to formal approval of the agreement by 98835
the board; 98836

(iii) Provision for a specified number of years, not to 98837
exceed fifteen, of any optional services or assistance the board 98838
is authorized to provide with regard to the project site; 98839

(iv) The incentive described in division (C)(2) of section 98840
5709.62 of the Revised Code. 98841

(2) Enter into an agreement with an enterprise that plans to 98842
purchase and operate a large manufacturing facility that has 98843
ceased operation or has announced its intention to cease 98844
operation, in return for exemption for a specified number of 98845
years, not to exceed fifteen, of a specified portion, up to one 98846
hundred per cent, of tangible personal property used in business 98847
at the project site as a result of the agreement, or of real 98848
property constituting the project site, or both. 98849

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of 98850
this section, the portion of the assessed value of tangible 98851
personal property or of the increase in the assessed valuation of 98852
real property exempted from taxation under those divisions may 98853
exceed sixty per cent in any year for which that portion is 98854
exempted if the average percentage exempted for all years in which 98855
the agreement is in effect does not exceed fifty per cent, or if 98856
the board of education of the city, local, or exempted village 98857
school district within the territory of which the property is or 98858
will be located approves a percentage in excess of sixty per cent. 98859

(b) Notwithstanding any provision of the Revised Code to the 98860
contrary, the exemptions described in divisions (B)(1)(b)(i), 98861

(ii), (iii), and (iv) and (B)(2) of this section may be for up to 98862
fifteen years if the board of education of the city, local, or 98863
exempted village school district within the territory of which the 98864
property is or will be located approves a number of years in 98865
excess of ten. 98866

(c) For the purpose of obtaining the approval of a city, 98867
local, or exempted village school district under division 98868
(C)(1)(a) or (b) of this section, the board of county 98869
commissioners shall deliver to the board of education a notice not 98870
later than forty-five days prior to approving the agreement, 98871
excluding Saturdays, Sundays, and legal holidays as defined in 98872
section 1.14 of the Revised Code. The notice shall state the 98873
percentage to be exempted, an estimate of the true value of the 98874
property to be exempted, and the number of years the property is 98875
to be exempted. The board of education, by resolution adopted by a 98876
majority of the board, shall approve or disapprove the agreement 98877
and certify a copy of the resolution to the board of county 98878
commissioners not later than fourteen days prior to the date 98879
stipulated by the board of county commissioners as the date upon 98880
which approval of the agreement is to be formally considered by 98881
the board of county commissioners. The board of education may 98882
include in the resolution conditions under which the board would 98883
approve the agreement, including the execution of an agreement to 98884
compensate the school district under division (B) of section 98885
5709.82 of the Revised Code. The board of county commissioners may 98886
approve the agreement at any time after the board of education 98887
certifies its resolution approving the agreement to the board of 98888
county commissioners, or, if the board of education approves the 98889
agreement conditionally, at any time after the conditions are 98890
agreed to by the board of education and the board of county 98891
commissioners. 98892

If a board of education has adopted a resolution waiving its 98893

right to approve agreements and the resolution remains in effect, 98894
approval of an agreement by the board of education is not required 98895
under division (C) of this section. If a board of education has 98896
adopted a resolution allowing a board of county commissioners to 98897
deliver the notice required under this division fewer than 98898
forty-five business days prior to approval of the agreement by the 98899
board of county commissioners, the board of county commissioners 98900
shall deliver the notice to the board of education not later than 98901
the number of days prior to such approval as prescribed by the 98902
board of education in its resolution. If a board of education 98903
adopts a resolution waiving its right to approve agreements or 98904
shortening the notification period, the board of education shall 98905
certify a copy of the resolution to the board of county 98906
commissioners. If the board of education rescinds such a 98907
resolution, it shall certify notice of the rescission to the board 98908
of county commissioners. 98909

(2) The board of county commissioners shall comply with 98910
section 5709.83 of the Revised Code unless the board of education 98911
has adopted a resolution under that section waiving its right to 98912
receive such notice. 98913

(D) This division applies to zones certified by the director 98914
of development services under this section prior to July 22, 1994. 98915

On or before October 15, ~~2015~~ 2017, and with the consent of 98916
the legislative authority of each affected municipal corporation 98917
or board of township trustees of each affected township, the board 98918
of county commissioners that designated a zone to which this 98919
division applies may enter into an agreement with an enterprise if 98920
the board finds that the enterprise satisfies one of the criteria 98921
described in divisions (D)(1) to (5) of this section: 98922

(1) The enterprise currently has no operations in this state 98923
and, subject to approval of the agreement, intends to establish 98924
operations in the zone; 98925

(2) The enterprise currently has operations in this state 98926
and, subject to approval of the agreement, intends to establish 98927
operations at a new location in the zone that would not result in 98928
a reduction in the number of employee positions at any of the 98929
enterprise's other locations in this state; 98930

(3) The enterprise, subject to approval of the agreement, 98931
intends to relocate operations, currently located in another 98932
state, to the zone; 98933

(4) The enterprise, subject to approval of the agreement, 98934
intends to expand operations at an existing site in the zone that 98935
the enterprise currently operates; 98936

(5) The enterprise, subject to approval of the agreement, 98937
intends to relocate operations, currently located in this state, 98938
to the zone, and the director of development services has issued a 98939
waiver for the enterprise under division (B) of section 5709.633 98940
of the Revised Code. 98941

The agreement shall require the enterprise to agree to 98942
establish, expand, renovate, or occupy a facility in the zone and 98943
hire new employees, or preserve employment opportunities for 98944
existing employees, in return for one or more of the incentives 98945
described in division (B) of this section. 98946

(E) All agreements entered into under this section shall be 98947
in the form prescribed under section 5709.631 of the Revised Code. 98948
After an agreement under this section is entered into, if the 98949
board of county commissioners revokes its designation of a zone, 98950
or if the director of development services revokes a zone's 98951
certification, any entitlements granted under the agreement shall 98952
continue for the number of years specified in the agreement. 98953

(F) Except as otherwise provided in this division, an 98954
agreement entered into under this section shall require that the 98955
enterprise pay an annual fee equal to the greater of one per cent 98956

of the dollar value of incentives offered under the agreement or 98957
five hundred dollars; provided, however, that if the value of the 98958
incentives exceeds two hundred fifty thousand dollars, the fee 98959
shall not exceed two thousand five hundred dollars. The fee shall 98960
be payable to the board of county commissioners once per year for 98961
each year the agreement is effective on the days and in the form 98962
specified in the agreement. Fees paid shall be deposited in a 98963
special fund created for such purpose by the board and shall be 98964
used by the board exclusively for the purpose of complying with 98965
section 5709.68 of the Revised Code and by the tax incentive 98966
review council created under section 5709.85 of the Revised Code 98967
exclusively for the purposes of performing the duties prescribed 98968
under that section. The board may waive or reduce the amount of 98969
the fee charged against an enterprise, but such waiver or 98970
reduction does not affect the obligations of the board or the tax 98971
incentive review council to comply with section 5709.68 or 5709.85 98972
of the Revised Code, respectively. 98973

(G) With the approval of the legislative authority of a 98974
municipal corporation or the board of township trustees of a 98975
township in which a zone is designated under division (A) of this 98976
section, the board of county commissioners may delegate to that 98977
legislative authority or board any powers and duties of the board 98978
of county commissioners to negotiate and administer agreements 98979
with regard to that zone under this section. 98980

(H) When an agreement is entered into pursuant to this 98981
section, the board of county commissioners authorizing the 98982
agreement or the legislative authority or board of township 98983
trustees that negotiates and administers the agreement shall 98984
forward a copy of the agreement to the director of development 98985
services and to the tax commissioner within fifteen days after the 98986
agreement is entered into. If any agreement includes terms not 98987
provided for in section 5709.631 of the Revised Code affecting the 98988

revenue of a city, local, or exempted village school district or 98989
causing revenue to be foregone by the district, including any 98990
compensation to be paid to the school district pursuant to section 98991
5709.82 of the Revised Code, those terms also shall be forwarded 98992
in writing to the director of development services along with the 98993
copy of the agreement forwarded under this division. 98994

(I) After an agreement is entered into, the enterprise shall 98995
file with each personal property tax return required to be filed, 98996
or annual report that is required to be filed under section 98997
5727.08 of the Revised Code, while the agreement is in effect, an 98998
informational return, on a form prescribed by the tax commissioner 98999
for that purpose, setting forth separately the property, and 99000
related costs and values, exempted from taxation under the 99001
agreement. 99002

(J) Enterprises may agree to give preference to residents of 99003
the zone within which the agreement applies relative to residents 99004
of this state who do not reside in the zone when hiring new 99005
employees under the agreement. 99006

(K) An agreement entered into under this section may include 99007
a provision requiring the enterprise to create one or more 99008
temporary internship positions for students enrolled in a course 99009
of study at a school or other educational institution in the 99010
vicinity, and to create a scholarship or provide another form of 99011
educational financial assistance for students holding such a 99012
position in exchange for the student's commitment to work for the 99013
enterprise at the completion of the internship. 99014

(L) The tax commissioner's authority in determining the 99015
accuracy of any exemption granted by an agreement entered into 99016
under this section is limited to divisions (B)(1)(b)(i) and (ii), 99017
(B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of 99018
this section as it pertains to divisions (C)(2)(a), (b), and (c) 99019
of section 5709.62 of the Revised Code, and divisions (B)(1) to 99020

(10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the board of county commissioners or the director of development services or, if the board's powers and duties are delegated under division (G) of this section, by the legislative authority of a municipal corporation or board of township trustees.

Sec. 5709.632. (A)(1) The legislative authority of a municipal corporation defined by the United States office of management and budget as a principal city of a metropolitan statistical area may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in the municipal corporation as a proposed enterprise zone.

(2) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed urban jobs and enterprise zones, except that a board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed urban jobs and enterprise zone.

(3) The legislative authority or board of county commissioners may petition the director of development services for certification of the area as having the characteristics set forth in division (A)(3) of section 5709.61 of the Revised Code. Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in that division and forward the findings to the legislative authority or board of county commissioners. If the director certifies the area as having those characteristics and thereby

certifies it as a zone, the legislative authority or board may 99052
enter into agreements with enterprises under division (B) of this 99053
section. Any enterprise wishing to enter into an agreement with a 99054
legislative authority or board of county commissioners under this 99055
section and satisfying one of the criteria described in divisions 99056
(B)(1) to (5) of this section shall submit a proposal to the 99057
legislative authority or board on the form prescribed under 99058
division (B) of section 5709.62 of the Revised Code and shall 99059
review and update the estimates and listings required by the form 99060
in the manner required under that division. The legislative 99061
authority or board may, on a separate form and at any time, 99062
require any additional information necessary to determine whether 99063
an enterprise is in compliance with an agreement and to collect 99064
the information required to be reported under section 5709.68 of 99065
the Revised Code. 99066

(B) Prior to entering into an agreement with an enterprise, 99067
the legislative authority or board of county commissioners shall 99068
determine whether the enterprise submitting the proposal is 99069
qualified by financial responsibility and business experience to 99070
create and preserve employment opportunities in the zone and to 99071
improve the economic climate of the municipal corporation or 99072
municipal corporations or the unincorporated areas in which the 99073
zone is located and to which the proposal applies, and whether the 99074
enterprise satisfies one of the following criteria: 99075

(1) The enterprise currently has no operations in this state 99076
and, subject to approval of the agreement, intends to establish 99077
operations in the zone; 99078

(2) The enterprise currently has operations in this state 99079
and, subject to approval of the agreement, intends to establish 99080
operations at a new location in the zone that would not result in 99081
a reduction in the number of employee positions at any of the 99082
enterprise's other locations in this state; 99083

(3) The enterprise, subject to approval of the agreement, 99084
intends to relocate operations, currently located in another 99085
state, to the zone; 99086

(4) The enterprise, subject to approval of the agreement, 99087
intends to expand operations at an existing site in the zone that 99088
the enterprise currently operates; 99089

(5) The enterprise, subject to approval of the agreement, 99090
intends to relocate operations, currently located in this state, 99091
to the zone, and the director of development services has issued a 99092
waiver for the enterprise under division (B) of section 5709.633 99093
of the Revised Code. 99094

(C) If the legislative authority or board determines that the 99095
enterprise is so qualified and satisfies one of the criteria 99096
described in divisions (B)(1) to (5) of this section, the 99097
legislative authority or board may, after complying with section 99098
5709.83 of the Revised Code and on or before October 15, ~~2015~~ 99099
2017, and, in the case of a board of commissioners, with the 99100
consent of the legislative authority of each affected municipal 99101
corporation or of the board of township trustees, enter into an 99102
agreement with the enterprise under which the enterprise agrees to 99103
establish, expand, renovate, or occupy a facility in the zone and 99104
hire new employees, or preserve employment opportunities for 99105
existing employees, in return for the following incentives: 99106

(1) When the facility is located in a municipal corporation, 99107
a legislative authority or board of commissioners may enter into 99108
an agreement for one or more of the incentives provided in 99109
division (C) of section 5709.62 of the Revised Code, subject to 99110
division (D) of that section; 99111

(2) When the facility is located in an unincorporated area, a 99112
board of commissioners may enter into an agreement for one or more 99113
of the incentives provided in divisions (B)(1)(b), (B)(2), and 99114

(B)(3) of section 5709.63 of the Revised Code, subject to division 99115
(C) of that section. 99116

(D) All agreements entered into under this section shall be 99117
in the form prescribed under section 5709.631 of the Revised Code. 99118
After an agreement under this section is entered into, if the 99119
legislative authority or board of county commissioners revokes its 99120
designation of the zone, or if the director of development 99121
services revokes the zone's certification, any entitlements 99122
granted under the agreement shall continue for the number of years 99123
specified in the agreement. 99124

(E) Except as otherwise provided in this division, an 99125
agreement entered into under this section shall require that the 99126
enterprise pay an annual fee equal to the greater of one per cent 99127
of the dollar value of incentives offered under the agreement or 99128
five hundred dollars; provided, however, that if the value of the 99129
incentives exceeds two hundred fifty thousand dollars, the fee 99130
shall not exceed two thousand five hundred dollars. The fee shall 99131
be payable to the legislative authority or board of commissioners 99132
once per year for each year the agreement is effective on the days 99133
and in the form specified in the agreement. Fees paid shall be 99134
deposited in a special fund created for such purpose by the 99135
legislative authority or board and shall be used by the 99136
legislative authority or board exclusively for the purpose of 99137
complying with section 5709.68 of the Revised Code and by the tax 99138
incentive review council created under section 5709.85 of the 99139
Revised Code exclusively for the purposes of performing the duties 99140
prescribed under that section. The legislative authority or board 99141
may waive or reduce the amount of the fee charged against an 99142
enterprise, but such waiver or reduction does not affect the 99143
obligations of the legislative authority or board or the tax 99144
incentive review council to comply with section 5709.68 or 5709.85 99145
of the Revised Code, respectively. 99146

(F) With the approval of the legislative authority of a 99147
municipal corporation or the board of township trustees of a 99148
township in which a zone is designated under division (A)(2) of 99149
this section, the board of county commissioners may delegate to 99150
that legislative authority or board any powers and duties of the 99151
board to negotiate and administer agreements with regard to that 99152
zone under this section. 99153

(G) When an agreement is entered into pursuant to this 99154
section, the legislative authority or board of commissioners 99155
authorizing the agreement shall forward a copy of the agreement to 99156
the director of development services and to the tax commissioner 99157
within fifteen days after the agreement is entered into. If any 99158
agreement includes terms not provided for in section 5709.631 of 99159
the Revised Code affecting the revenue of a city, local, or 99160
exempted village school district or causing revenue to be forgone 99161
by the district, including any compensation to be paid to the 99162
school district pursuant to section 5709.82 of the Revised Code, 99163
those terms also shall be forwarded in writing to the director of 99164
development services along with the copy of the agreement 99165
forwarded under this division. 99166

(H) After an agreement is entered into, the enterprise shall 99167
file with each personal property tax return required to be filed 99168
while the agreement is in effect, an informational return, on a 99169
form prescribed by the tax commissioner for that purpose, setting 99170
forth separately the property, and related costs and values, 99171
exempted from taxation under the agreement. 99172

(I) An agreement entered into under this section may include 99173
a provision requiring the enterprise to create one or more 99174
temporary internship positions for students enrolled in a course 99175
of study at a school or other educational institution in the 99176
vicinity, and to create a scholarship or provide another form of 99177
educational financial assistance for students holding such a 99178

position in exchange for the student's commitment to work for the 99179
enterprise at the completion of the internship. 99180

Sec. 5709.67. (A) Except as otherwise provided in sections 99181
5709.61 to 5709.69 of the Revised Code, the director of 99182
development shall administer those sections and shall adopt rules 99183
necessary to implement and administer the enterprise zone program. 99184
The director shall assign to each zone currently certified a 99185
unique designation by which the zone shall be identified for 99186
purposes of administering sections 5709.61 to 5709.69 of the 99187
Revised Code. The tax commissioner shall administer all other tax 99188
incentives provided under sections 5709.61 to 5709.69 of the 99189
Revised Code and shall adopt rules necessary to carry out that 99190
duty. No tax incentive qualification certificate or employee tax 99191
credit certificate shall be issued or remain in effect unless the 99192
enterprise applying for or holding the certificate complies with 99193
all such rules. The director of job and family services shall 99194
administer the incentive provided under division (B)(1) of section 99195
5709.66 of the Revised Code and shall adopt rules necessary to 99196
carry out that duty. No extension of benefits certificate shall be 99197
issued or remain in effect unless the enterprise applying for or 99198
holding the certificate complies with all such rules. 99199

(B) Not later than the first day of August each year, the 99200
director of development shall report to the general assembly on 99201
all of the following for the preceding calendar year: 99202

(1) The cost to the state of the tax and other incentives 99203
provided under sections 5709.61 to 5709.69 of the Revised Code; 99204

(2) The number of tax incentive qualification certificates, 99205
employee tax credit certificates, and extension of benefits 99206
certificates issued; 99207

(3) The names of the municipal corporations and counties that 99208
have entered agreements under sections 5709.62, 5709.63, and 99209

5709.632 of the Revised Code; 99210

(4) The number of new employees hired as a result of the tax 99211
and other incentives provided under sections 5709.61 to 5709.69 of 99212
the Revised Code; 99213

(5) Information on agreement terms concerning school district 99214
revenue that are not provided for in section 5709.631 of the 99215
Revised Code and that are forwarded to the director under division 99216
(H) of section 5709.62, division (H) of section 5709.63, or 99217
division (G) of section 5709.632 of the Revised Code. 99218

The report shall include a finding by the director as to 99219
whether the incentives provided under sections 5709.61 to 5709.69 99220
of the Revised Code have resulted in the creation of more 99221
positions in the state than would have been created without the 99222
incentives. The director shall send a copy of the report to each 99223
member of the general assembly and to the director of the 99224
legislative service commission. 99225

~~(C) All forms used in connection with the administration of 99226
sections 5709.61 to 5709.69 of the Revised Code, except forms 99227
administered directly by the tax commissioner, by the director of 99228
job and family services, or by a county or municipal corporation, 99229
are subject to review and approval by the state forms management 99230
control center under sections 125.91 to 125.98 of the Revised 99231
Code. 99232~~

Sec. 5709.73. (A) As used in this section and section 5709.74 99233
of the Revised Code: 99234

(1) "Business day" means a day of the week excluding 99235
Saturday, Sunday, and a legal holiday as defined in section 1.14 99236
of the Revised Code. 99237

(2) "Further improvements" or "improvements" means the 99238
increase in the assessed value of real property that would first 99239

appear on the tax list and duplicate of real and public utility 99240
property after the effective date of a resolution adopted under 99241
this section were it not for the exemption granted by that 99242
resolution. For purposes of division (B) of this section, 99243
"improvements" do not include any property used or to be used for 99244
residential purposes. For this purpose, "property that is used or 99245
to be used for residential purposes" means property that, as 99246
improved, is used or to be used for purposes that would cause the 99247
tax commissioner to classify the property as residential property 99248
in accordance with rules adopted by the commissioner under section 99249
5713.041 of the Revised Code. 99250

(3) "Housing renovation" means a project carried out for 99251
residential purposes. 99252

(4) "Incentive district" has the same meaning as in section 99253
5709.40 of the Revised Code, except that a blighted area is in the 99254
unincorporated area of a township. 99255

(5) "Project" and "public infrastructure improvement" have 99256
the same meanings as in section 5709.40 of the Revised Code. 99257

(B) A board of township trustees may, by unanimous vote, 99258
adopt a resolution that declares to be a public purpose any public 99259
infrastructure improvements made that are necessary for the 99260
development of certain parcels of land located in the 99261
unincorporated area of the township. Except with the approval 99262
under division (D) of this section of the board of education of 99263
each city, local, or exempted village school district within which 99264
the improvements are located, the resolution may exempt from real 99265
property taxation not more than seventy-five per cent of further 99266
improvements to a parcel of land that directly benefits from the 99267
public infrastructure improvements, for a period of not more than 99268
ten years. The resolution shall specify the percentage of the 99269
further improvements to be exempted and the life of the exemption. 99270

(C)(1) A board of township trustees may adopt, by unanimous 99271
vote, a resolution creating an incentive district and declaring 99272
improvements to parcels within the district to be a public purpose 99273
and, except as provided in division (F) of this section, exempt 99274
from taxation as provided in this section, but no board of 99275
township trustees of a township that has a population that exceeds 99276
twenty-five thousand, as shown by the most recent federal 99277
decennial census, shall adopt a resolution that creates an 99278
incentive district if the sum of the taxable value of real 99279
property in the proposed district for the preceding tax year and 99280
the taxable value of all real property in the township that would 99281
have been taxable in the preceding year were it not for the fact 99282
that the property was in an existing incentive district and 99283
therefore exempt from taxation exceeds twenty-five per cent of the 99284
taxable value of real property in the township for the preceding 99285
tax year. The district shall be located within the unincorporated 99286
area of the township and shall not include any territory that is 99287
included within a district created under division (B) of section 99288
5709.78 of the Revised Code. The resolution shall delineate the 99289
boundary of the district and specifically identify each parcel 99290
within the district. A district may not include any parcel that is 99291
or has been exempted from taxation under division (B) of this 99292
section or that is or has been within another district created 99293
under this division. A resolution may create more than one 99294
district, and more than one resolution may be adopted under 99295
division (C)(1) of this section. 99296

(2) Not later than thirty days prior to adopting a resolution 99297
under division (C)(1) of this section, if the township intends to 99298
apply for exemptions from taxation under section 5709.911 of the 99299
Revised Code on behalf of owners of real property located within 99300
the proposed incentive district, the board shall conduct a public 99301
hearing on the proposed resolution. Not later than thirty days 99302
prior to the public hearing, the board shall give notice of the 99303

public hearing and the proposed resolution by first class mail to 99304
every real property owner whose property is located within the 99305
boundaries of the proposed incentive district that is the subject 99306
of the proposed resolution. 99307

(3)(a) A resolution adopted under division (C)(1) of this 99308
section shall specify the life of the incentive district and the 99309
percentage of the improvements to be exempted, shall designate the 99310
public infrastructure improvements made, to be made, or in the 99311
process of being made, that benefit or serve, or, once made, will 99312
benefit or serve parcels in the district. The resolution also 99313
shall identify one or more specific projects being, or to be, 99314
undertaken in the district that place additional demand on the 99315
public infrastructure improvements designated in the resolution. 99316
The project identified may, but need not be, the project under 99317
division (C)(3)(b) of this section that places real property in 99318
use for commercial or industrial purposes. 99319

A resolution adopted under division (C)(1) of this section on 99320
or after March 30, 2006, shall not designate police or fire 99321
equipment as public infrastructure improvements, and no service 99322
payment provided for in section 5709.74 of the Revised Code and 99323
received by the township under the resolution shall be used for 99324
police or fire equipment. 99325

(b) A resolution adopted under division (C)(1) of this 99326
section may authorize the use of service payments provided for in 99327
section 5709.74 of the Revised Code for the purpose of housing 99328
renovations within the incentive district, provided that the 99329
resolution also designates public infrastructure improvements that 99330
benefit or serve the district, and that a project within the 99331
district places real property in use for commercial or industrial 99332
purposes. Service payments may be used to finance or support 99333
loans, deferred loans, and grants to persons for the purpose of 99334
housing renovations within the district. The resolution shall 99335

designate the parcels within the district that are eligible for 99336
housing renovations. The resolution shall state separately the 99337
amount or the percentages of the expected aggregate service 99338
payments that are designated for each public infrastructure 99339
improvement and for the purpose of housing renovations. 99340

(4) Except with the approval of the board of education of 99341
each city, local, or exempted village school district within the 99342
territory of which the incentive district is or will be located, 99343
and subject to division (E) of this section, the life of an 99344
incentive district shall not exceed ten years, and the percentage 99345
of improvements to be exempted shall not exceed seventy-five per 99346
cent. With approval of the board of education, the life of a 99347
district may be not more than thirty years, and the percentage of 99348
improvements to be exempted may be not more than one hundred per 99349
cent. The approval of a board of education shall be obtained in 99350
the manner provided in division (D) of this section. 99351

(D) Improvements with respect to a parcel may be exempted 99352
from taxation under division (B) of this section, and improvements 99353
to parcels within an incentive district may be exempted from 99354
taxation under division (C) of this section, for up to ten years 99355
or, with the approval of the board of education of the city, 99356
local, or exempted village school district within which the parcel 99357
or district is located, for up to thirty years. The percentage of 99358
the improvements exempted from taxation may, with such approval, 99359
exceed seventy-five per cent, but shall not exceed one hundred per 99360
cent. Not later than forty-five business days prior to adopting a 99361
resolution under this section declaring improvements to be a 99362
public purpose that is subject to approval by a board of education 99363
under this division, the board of township trustees shall deliver 99364
to the board of education a notice stating its intent to adopt a 99365
resolution making that declaration. The notice regarding 99366
improvements with respect to a parcel under division (B) of this 99367

section shall identify the parcels for which improvements are to 99368
be exempted from taxation, provide an estimate of the true value 99369
in money of the improvements, specify the period for which the 99370
improvements would be exempted from taxation and the percentage of 99371
the improvements that would be exempted, and indicate the date on 99372
which the board of township trustees intends to adopt the 99373
resolution. The notice regarding improvements made under division 99374
(C) of this section to parcels within an incentive district shall 99375
delineate the boundaries of the district, specifically identify 99376
each parcel within the district, identify each anticipated 99377
improvement in the district, provide an estimate of the true value 99378
in money of each such improvement, specify the life of the 99379
district and the percentage of improvements that would be 99380
exempted, and indicate the date on which the board of township 99381
trustees intends to adopt the resolution. The board of education, 99382
by resolution adopted by a majority of the board, may approve the 99383
exemption for the period or for the exemption percentage specified 99384
in the notice; may disapprove the exemption for the number of 99385
years in excess of ten, may disapprove the exemption for the 99386
percentage of the improvements to be exempted in excess of 99387
seventy-five per cent, or both; or may approve the exemption on 99388
the condition that the board of township trustees and the board of 99389
education negotiate an agreement providing for compensation to the 99390
school district equal in value to a percentage of the amount of 99391
taxes exempted in the eleventh and subsequent years of the 99392
exemption period or, in the case of exemption percentages in 99393
excess of seventy-five per cent, compensation equal in value to a 99394
percentage of the taxes that would be payable on the portion of 99395
the improvements in excess of seventy-five per cent were that 99396
portion to be subject to taxation, or other mutually agreeable 99397
compensation. 99398

The board of education shall certify its resolution to the 99399
board of township trustees not later than fourteen days prior to 99400

the date the board of township trustees intends to adopt the 99401
resolution as indicated in the notice. If the board of education 99402
and the board of township trustees negotiate a mutually acceptable 99403
compensation agreement, the resolution may declare the 99404
improvements a public purpose for the number of years specified in 99405
the resolution or, in the case of exemption percentages in excess 99406
of seventy-five per cent, for the exemption percentage specified 99407
in the resolution. In either case, if the board of education and 99408
the board of township trustees fail to negotiate a mutually 99409
acceptable compensation agreement, the resolution may declare the 99410
improvements a public purpose for not more than ten years, and 99411
shall not exempt more than seventy-five per cent of the 99412
improvements from taxation. If the board of education fails to 99413
certify a resolution to the board of township trustees within the 99414
time prescribed by this section, the board of township trustees 99415
thereupon may adopt the resolution and may declare the 99416
improvements a public purpose for up to thirty years or, in the 99417
case of exemption percentages proposed in excess of seventy-five 99418
per cent, for the exemption percentage specified in the 99419
resolution. The board of township trustees may adopt the 99420
resolution at any time after the board of education certifies its 99421
resolution approving the exemption to the board of township 99422
trustees, or, if the board of education approves the exemption on 99423
the condition that a mutually acceptable compensation agreement be 99424
negotiated, at any time after the compensation agreement is agreed 99425
to by the board of education and the board of township trustees. 99426
If a mutually acceptable compensation agreement is negotiated 99427
between the board of township trustees and the board of education, 99428
including agreements for payments in lieu of taxes under section 99429
5709.74 of the Revised Code, the board of township trustees shall 99430
compensate the joint vocational school district within which the 99431
parcel or district is located at the same rate and under the same 99432
terms received by the city, local, or exempted village school 99433

district. 99434

If a board of education has adopted a resolution waiving its 99435
right to approve exemptions from taxation under this section and 99436
the resolution remains in effect, approval of such exemptions by 99437
the board of education is not required under division (D) of this 99438
section. If a board of education has adopted a resolution allowing 99439
a board of township trustees to deliver the notice required under 99440
division (D) of this section fewer than forty-five business days 99441
prior to adoption of the resolution by the board of township 99442
trustees, the board of township trustees shall deliver the notice 99443
to the board of education not later than the number of days prior 99444
to the adoption as prescribed by the board of education in its 99445
resolution. If a board of education adopts a resolution waiving 99446
its right to approve exemptions or shortening the notification 99447
period, the board of education shall certify a copy of the 99448
resolution to the board of township trustees. If the board of 99449
education rescinds the resolution, it shall certify notice of the 99450
rescission to the board of township trustees. 99451

If the board of township trustees is not required by division 99452
(D) of this section to notify the board of education of the board 99453
of township trustees' intent to declare improvements to be a 99454
public purpose, the board of township trustees shall comply with 99455
the notice requirements imposed under section 5709.83 of the 99456
Revised Code before taking formal action to adopt the resolution 99457
making that declaration, unless the board of education has adopted 99458
a resolution under that section waiving its right to receive the 99459
notice. 99460

(E)(1) If a proposed resolution under division (C)(1) of this 99461
section exempts improvements with respect to a parcel within an 99462
incentive district for more than ten years, or the percentage of 99463
the improvement exempted from taxation exceeds seventy-five per 99464
cent, not later than forty-five business days prior to adopting 99465

the resolution the board of township trustees shall deliver to the 99466
board of county commissioners of the county within which the 99467
incentive district is or will be located a notice that states its 99468
intent to adopt a resolution creating an incentive district. The 99469
notice shall include a copy of the proposed resolution, identify 99470
the parcels for which improvements are to be exempted from 99471
taxation, provide an estimate of the true value in money of the 99472
improvements, specify the period of time for which the 99473
improvements would be exempted from taxation, specify the 99474
percentage of the improvements that would be exempted from 99475
taxation, and indicate the date on which the board of township 99476
trustees intends to adopt the resolution. 99477

(2) The board of county commissioners, by resolution adopted 99478
by a majority of the board, may object to the exemption for the 99479
number of years in excess of ten, may object to the exemption for 99480
the percentage of the improvement to be exempted in excess of 99481
seventy-five per cent, or both. If the board of county 99482
commissioners objects, the board may negotiate a mutually 99483
acceptable compensation agreement with the board of township 99484
trustees. In no case shall the compensation provided to the board 99485
of county commissioners exceed the property taxes foregone due to 99486
the exemption. If the board of county commissioners objects, and 99487
the board of county commissioners and board of township trustees 99488
fail to negotiate a mutually acceptable compensation agreement, 99489
the resolution adopted under division (C)(1) of this section shall 99490
provide to the board of county commissioners compensation in the 99491
eleventh and subsequent years of the exemption period equal in 99492
value to not more than fifty per cent of the taxes that would be 99493
payable to the county or, if the board of county commissioner's 99494
objection includes an objection to an exemption percentage in 99495
excess of seventy-five per cent, compensation equal in value to 99496
not more than fifty per cent of the taxes that would be payable to 99497
the county, on the portion of the improvement in excess of 99498

seventy-five per cent, were that portion to be subject to 99499
taxation. The board of county commissioners shall certify its 99500
resolution to the board of township trustees not later than thirty 99501
days after receipt of the notice. 99502

(3) If the board of county commissioners does not object or 99503
fails to certify its resolution objecting to an exemption within 99504
thirty days after receipt of the notice, the board of township 99505
trustees may adopt its resolution, and no compensation shall be 99506
provided to the board of county commissioners. If the board of 99507
county commissioners timely certifies its resolution objecting to 99508
the trustees' resolution, the board of township trustees may adopt 99509
its resolution at any time after a mutually acceptable 99510
compensation agreement is agreed to by the board of county 99511
commissioners and the board of township trustees, or, if no 99512
compensation agreement is negotiated, at any time after the board 99513
of township trustees agrees in the proposed resolution to provide 99514
compensation to the board of county commissioners of fifty per 99515
cent of the taxes that would be payable to the county in the 99516
eleventh and subsequent years of the exemption period or on the 99517
portion of the improvement in excess of seventy-five per cent, 99518
were that portion to be subject to taxation. 99519

(F) Service payments in lieu of taxes that are attributable 99520
to any amount by which the effective tax rate of either a renewal 99521
levy with an increase or a replacement levy exceeds the effective 99522
tax rate of the levy renewed or replaced, or that are attributable 99523
to an additional levy, for a levy authorized by the voters for any 99524
of the following purposes on or after January 1, 2006, and which 99525
are provided pursuant to a resolution creating an incentive 99526
district under division (C)(1) of this section that is adopted on 99527
or after January 1, 2006, shall be distributed to the appropriate 99528
taxing authority as required under division (C) of section 5709.74 99529
of the Revised Code in an amount equal to the amount of taxes from 99530

that additional levy or from the increase in the effective tax 99531
rate of such renewal or replacement levy that would have been 99532
payable to that taxing authority from the following levies were it 99533
not for the exemption authorized under division (C) of this 99534
section: 99535

(1) A tax levied under division (L) of section 5705.19 or 99536
section 5705.191 of the Revised Code for community mental 99537
retardation and developmental disabilities programs and services 99538
pursuant to Chapter 5126. of the Revised Code; 99539

(2) A tax levied under division (Y) of section 5705.19 of the 99540
Revised Code for providing or maintaining senior citizens services 99541
or facilities; 99542

(3) A tax levied under section 5705.22 of the Revised Code 99543
for county hospitals; 99544

(4) A tax levied by a joint-county district or by a county 99545
under section 5705.19, 5705.191, or 5705.221 of the Revised Code 99546
for alcohol, drug addiction, and mental health services or 99547
families; 99548

(5) A tax levied under section 5705.23 of the Revised Code 99549
for library purposes; 99550

(6) A tax levied under section 5705.24 of the Revised Code 99551
for the support of children services and the placement and care of 99552
children; 99553

(7) A tax levied under division (Z) of section 5705.19 of the 99554
Revised Code for the provision and maintenance of zoological park 99555
services and facilities under section 307.76 of the Revised Code; 99556

(8) A tax levied under section 511.27 or division (H) of 99557
section 5705.19 of the Revised Code for the support of township 99558
park districts; 99559

(9) A tax levied under division (A), (F), or (H) of section 99560

5705.19 of the Revised Code for parks and recreational purposes of 99561
a joint recreation district organized pursuant to division (B) of 99562
section 755.14 of the Revised Code; 99563

(10) A tax levied under section 1545.20 or 1545.21 of the 99564
Revised Code for park district purposes; 99565

(11) A tax levied under section 5705.191 of the Revised Code 99566
for the purpose of making appropriations for public assistance; 99567
human or social services; public relief; public welfare; public 99568
health and hospitalization; and support of general hospitals; 99569

(12) A tax levied under section 3709.29 of the Revised Code 99570
for a general health district program. 99571

(G) An exemption from taxation granted under this section 99572
commences with the tax year specified in the resolution so long as 99573
the year specified in the resolution commences after the effective 99574
date of the resolution. If the resolution specifies a year 99575
commencing before the effective date of the resolution or 99576
specifies no year whatsoever, the exemption commences with the tax 99577
year in which an exempted improvement first appears on the tax 99578
list and duplicate of real and public utility property and that 99579
commences after the effective date of the resolution. In lieu of 99580
stating a specific year, the resolution may provide that the 99581
exemption commences in the tax year in which the value of an 99582
improvement exceeds a specified amount or in which the 99583
construction of one or more improvements is completed, provided 99584
that such tax year commences after the effective date of the 99585
resolution. With respect to the exemption of improvements to 99586
parcels under division (B) of this section, the resolution may 99587
allow for the exemption to commence in different tax years on a 99588
parcel-by-parcel basis, with a separate exemption term specified 99589
for each parcel. 99590

Except as otherwise provided in this division, the exemption 99591

ends on the date specified in the resolution as the date the 99592
improvement ceases to be a public purpose or the incentive 99593
district expires, or ends on the date on which the public 99594
infrastructure improvements and housing renovations are paid in 99595
full from the township public improvement tax increment equivalent 99596
fund established under section 5709.75 of the Revised Code, 99597
whichever occurs first. The exemption of an improvement with 99598
respect to a parcel or within an incentive district may end on a 99599
later date, as specified in the resolution, if the board of 99600
township trustees and the board of education of the city, local, 99601
or exempted village school district within which the parcel or 99602
district is located have entered into a compensation agreement 99603
under section 5709.82 of the Revised Code with respect to the 99604
improvement and the board of education has approved the term of 99605
the exemption under division (D) of this section, but in no case 99606
shall the improvement be exempted from taxation for more than 99607
thirty years. The board of township trustees may, by majority 99608
vote, adopt a resolution permitting the township to enter into 99609
such agreements as the board finds necessary or appropriate to 99610
provide for the construction or undertaking of public 99611
infrastructure improvements and housing renovations. Any exemption 99612
shall be claimed and allowed in the same or a similar manner as in 99613
the case of other real property exemptions. If an exemption status 99614
changes during a tax year, the procedure for the apportionment of 99615
the taxes for that year is the same as in the case of other 99616
changes in tax exemption status during the year. 99617

(H) The board of township trustees may issue the notes of the 99618
township to finance all costs pertaining to the construction or 99619
undertaking of public infrastructure improvements and housing 99620
renovations made pursuant to this section. The notes shall be 99621
signed by the board and attested by the signature of the township 99622
fiscal officer, shall bear interest not to exceed the rate 99623
provided in section 9.95 of the Revised Code, and are not subject 99624

to Chapter 133. of the Revised Code. The resolution authorizing 99625
the issuance of the notes shall pledge the funds of the township 99626
public improvement tax increment equivalent fund established 99627
pursuant to section 5709.75 of the Revised Code to pay the 99628
interest on and principal of the notes. The notes, which may 99629
contain a clause permitting prepayment at the option of the board, 99630
shall be offered for sale on the open market or given to the 99631
vendor or contractor if no sale is made. 99632

(I) The township, not later than fifteen days after the 99633
adoption of a resolution under this section, shall submit to the 99634
director of development services a copy of the resolution. On or 99635
before the thirty-first day of March of each year, the township 99636
shall submit a status report to the director of development 99637
services. The report shall indicate, in the manner prescribed by 99638
the director, the progress of the project during each year that 99639
the exemption remains in effect, including a summary of the 99640
receipts from service payments in lieu of taxes; expenditures of 99641
money from the fund created under section 5709.75 of the Revised 99642
Code; a description of the public infrastructure improvements and 99643
housing renovations financed with the expenditures; and a 99644
quantitative summary of changes in private investment resulting 99645
from each project. 99646

(J) Nothing in this section shall be construed to prohibit a 99647
board of township trustees from declaring to be a public purpose 99648
improvements with respect to more than one parcel. 99649

If a parcel is located in a new community district in which 99650
the new community authority imposes a community development charge 99651
on the basis of rentals received from leases of real property as 99652
described in division (L)(2) of section 349.01 of the Revised 99653
Code, the parcel may not be exempted from taxation under this 99654
section. 99655

(K) A board of township trustees that adopted a resolution 99656

under this section prior to July 21, 1994, may amend that 99657
resolution to include any additional public infrastructure 99658
improvement. A board of township trustees that seeks by the 99659
amendment to utilize money from its township public improvement 99660
tax increment equivalent fund for land acquisition in aid of 99661
industry, commerce, distribution, or research, demolition on 99662
private property, or stormwater and flood remediation projects may 99663
do so provided that the board currently is a party to a 99664
hold-harmless agreement with the board of education of the city, 99665
local, or exempted village school district within the territory of 99666
which are located the parcels that are subject to an exemption. 99667
For the purposes of this division, a "hold-harmless agreement" 99668
means an agreement under which the board of township trustees 99669
agrees to compensate the school district for one hundred per cent 99670
of the tax revenue that the school district would have received 99671
from further improvements to parcels designated in the resolution 99672
were it not for the exemption granted by the resolution. 99673

(L) Notwithstanding the limitation prescribed by division (D) 99674
of this section on the number of years that improvements to a 99675
parcel or parcels may be exempted from taxation, a board of 99676
trustees of a township with a population of fifteen thousand or 99677
more may amend a resolution originally adopted under this section 99678
before December 31, 1994, to extend the exemption of improvements 99679
to the parcel or parcels included in such resolution for an 99680
additional period not to exceed fifteen years. The amendment shall 99681
not increase the percentage of improvements to the parcel or 99682
parcels exempted from taxation. The board of township trustees 99683
shall comply with the notice requirements imposed under section 99684
5709.83 of the Revised Code before taking formal action to adopt 99685
an amendment authorized under this division unless the board of 99686
education has adopted a resolution under that section waiving its 99687
right to receive the notice. The board of township trustees shall 99688
deliver an identical notice to the board of county commissioners 99689

of each county in which the exempted parcels are located. 99690

(B) For all other golf courses, the true value in money shall 100491

Sec. 5715.01. (A) The tax commissioner shall direct and supervise the assessment for taxation of all real property. The commissioner shall adopt, prescribe, and promulgate rules for the determination of true value and taxable value of real property by uniform rule for such values and for the determination of the current agricultural use value of land devoted exclusively to agricultural use. The uniform rules shall prescribe methods of determining the true value and taxable value of real property and 100640
100641
100642
100643
100644
100645
100646
100647

shall also prescribe the method for determining the current 100648
agricultural use value of land devoted exclusively to agricultural 100649
use, which method shall reflect standard and modern appraisal 100650
techniques that take into consideration: the productivity of the 100651
soil under normal management practices; the average price patterns 100652
of the crops and products produced to determine the income 100653
potential to be capitalized; the market value of the land for 100654
agricultural use; and other pertinent factors. The rules shall 100655
provide that in determining the true value of lands or 100656
improvements thereon for tax purposes, all facts and circumstances 100657

purposes for which it is constructed or being used, its obsolete 100659

commissioner shall not include in the value of the minerals or 100664

(B) The taxable value shall be that per cent of true value in 100667
money, or current agricultural use value in the case of land 100668
valued in accordance with section 5713.31 of the Revised Code, the 100669
commissioner by rule establishes, but it shall not exceed 100670
thirty-five per cent. The uniform rules shall also prescribe 100671
methods of making the appraisals set forth in section 5713.03 of 100672
the Revised Code and definitions as needed to clarify such 100673
methods. If methods and definitions are not explicitly set forth 100674
by rule, appraisals of real estate shall be made in accordance 100675
with the methods and definitions prescribed by the fourteenth 100676
edition of the appraisal of real estate and the fifth edition of 100677
the dictionary of real estate appraisal published by the appraisal 100678
institute. The rules established by the commissioner under this 100679
section shall be applied uniformly to all parcels. The taxable 100680

value of each tract, lot, or parcel of real property and 100681
improvements thereon, determined in accordance with the uniform 100682
rules and methods prescribed thereby, shall be the taxable value 100683
of the tract, lot, or parcel for all purposes of sections 5713.01 100684
to 5713.26, 5715.01 to 5715.51, and 5717.01 to 5717.06 of the 100685
Revised Code. County auditors shall, under the direction and 100686
supervision of the commissioner, be the chief assessing officers 100687

property within their respective counties for taxation in 100689
accordance with this section and sections 5713.03 and 5713.31 of 100690
the Revised Code and with such rules of the commissioner. There 100691
shall also be a board in each county, known as the county board of 100692
revision, which shall hear complaints and revise assessments of 100693
real property for taxation. 100694

(C) The commissioner shall neither adopt nor enforce any rule 100695
that requires true value for any tax year to be any value other 100696
than the true value in money on the tax lien date of such tax year 100697
or that requires taxable value to be obtained in any way other 100698
than by reducing the true value, or in the case of land valued in 100699
accordance with section 5713.31 of the Revised Code, its current 100700
agricultural use value, by a specified, uniform percentage. 100701

Sec. 5715.39. (A) The tax commissioner may remit real 100702
property taxes, manufactured home taxes, penalties, and interest 100703
found by the commissioner to have been illegally assessed. The 100704
commissioner also may remit any penalty charged against any real 100705
property or manufactured or mobile home that was the subject of an 100706
application for exemption from taxation under section 5715.27 of 100707
the Revised Code if the commissioner determines that the applicant 100708
requested such exemption in good faith. The commissioner shall 100709
include notice of the remission in the commissioner's 100710
certification to the county auditor required under that section. 100711

(B) The county auditor, upon consultation with the county treasurer, shall remit a penalty for late payment of any real property taxes or manufactured home taxes when:

(1) The taxpayer could not make timely payment of the tax because of the negligence or error of the county auditor or county treasurer in the performance of a statutory duty relating to the levy or collection of such tax.

(2) In cases other than those described in division (B)(1) of this section, and except as provided in division (B)(5) of this section, the taxpayer failed to receive a tax bill or a correct tax bill, and the taxpayer made a good faith effort to obtain such bill within thirty days after the last day for payment of the tax.

(3) The tax was not timely paid because of the death or serious injury of the taxpayer, or the taxpayer's confinement in a hospital within sixty days preceding the last day for payment of the tax if, in any case, the tax was subsequently paid within sixty days after the last day for payment of such tax.

(4) The taxpayer demonstrates that the full payment was properly deposited in the mail in sufficient time for the envelope to be postmarked by the United States postal service on or before the last day for payment of such tax. A private meter postmark on an envelope is not a valid postmark for purposes of establishing the date of payment of such tax.

(5) With respect to the first payment due after a taxpayer fully satisfies a mortgage against a parcel of real property, the mortgagee failed to notify the auditor of the satisfaction of the mortgage, and the tax bill was not sent to the taxpayer.

(C) The board of revision shall remit a penalty for late payment of any real property taxes or manufactured homes taxes if, in cases other than those described in division (B)(1) to ~~(4)~~(5) of this section, the taxpayer's failure to make timely payment of

the tax is due to reasonable cause and not willful neglect. 100743

(D) The taxpayer, upon application within sixty days after 100744
the mailing of the county auditor's or board of revision's 100745
decision, may request the tax commissioner to review the denial of 100746
the remission of a penalty by the auditor or board. The 100747
application may be filed in person or by certified mail. If the 100748
application is filed by certified mail, the date of the United 100749
States postmark placed on the sender's receipt by the postal 100750
service shall be treated as the date of filing. The commissioner 100751
shall consider the application, determine whether the penalty 100752
should be remitted, and certify the determination to the taxpayer, 100753
to the county treasurer, and to the county auditor, who shall 100754
correct the tax list and duplicate accordingly. The commissioner 100755
may issue orders and instructions for the uniform implementation 100756
of this section by all county boards of revision, county auditors, 100757
and county treasurers, and such orders and instructions shall be 100758
followed by such officers and boards. 100759

(E) This section shall not provide to the taxpayer any remedy 100760
with respect to any matter that the taxpayer may be authorized to 100761
complain of under section 4503.06, 5715.19, 5717.02, or 5727.47 of 100762
the Revised Code. 100763

(F) Applications for remission, and documents of any kind 100764
related to those applications, filed with the tax commissioner 100765
under this section are public records within the meaning of 100766
section 149.43 of the Revised Code unless otherwise excepted under 100767
that section. 100768

Sec. 5725.22. (A) The treasurer of state shall maintain an 100769

the Revised Code and certified by the superintendent of insurance 100774
pursuant to section 5725.20 of the Revised Code. 100775

the Revised Code, the treasurer of state, upon receipt of an 100777
assessment, shall compute the taxes at the rates prescribed by law 100778
and enter the taxes on the proper tax list. The treasurer shall 100779
collect, and the taxpayer shall pay, all such taxes and any 100780
interest applicable thereto. Payments may be made by mail, in 100781
person, or by any other means authorized by the treasurer. The 100782
treasurer shall render a daily itemized statement to the 100783
superintendent of insurance of the amount of taxes collected and 100784
the name of the domestic insurance company from whom collected. 100785
The treasurer of state may adopt rules concerning the methods and 100786
timeliness of payments under this division. 100787

(2) With respect to taxes levied under section 5707.03 of the 100788
Revised Code, any assessment certified to the treasurer of state 100789
shall reflect the taxes computed at the rates prescribed by law. 100790
Upon receipt of such an assessment, the treasurer shall enter the 100791
taxes on the proper tax list. The tax commissioner shall collect, 100792
and the taxpayer shall pay, all such taxes and any interest 100793
applicable thereto. Payments may be made by mail, in person, or by 100794
any other means authorized by the commissioner. The commissioner 100795
shall immediately forward to the treasurer any payments received 100796
under this division, together with any information necessary for 100797
the treasurer to properly credit such payments. The commissioner 100798
may adopt rules concerning the method and timeliness of payments 100799
under this division. 100800

(C) Each tax bill issued pursuant to this section shall 100801
separately reflect the taxes due, interest, if any, due date, and 100802
any other information considered necessary. The With respect to 100803
taxes levied under section 5725.18 of the Revised Code, the last 100804
day on which payment may be made without penalty shall be the 100805

fifteenth day of June, unless that day is not a business day as 100806
defined in section 5709.40 of the Revised Code, in which case the 100807
payment may be made on the next business day. With respect to 100808
taxes levied under section 5707.03 of the Revised Code, the last 100809
day on which payment may be made without penalty shall be at least 100810
twenty but not more than thirty days from the date of mailing the 100811
tax bill. The treasurer of state or tax commissioner, as 100812
appropriate, shall ~~mail~~ issue the tax bill, ~~and, if the tax bill~~ 100813
is issued by mail, the mailing thereof shall be prima-facie 100814

taxes as provided in this section, but no refund shall be made to 100817
a taxpayer having a delinquent claim certified pursuant to this 100818
section that remains unpaid. The treasurer or commissioner may 100819
consult the attorney general regarding such claims. Refunds shall 100820
be paid from the tax refund fund created by section 5703.052 of 100821
the Revised Code. 100822

(D)(1) Within twenty days after receipt of any preliminary 100823
assessment of taxes levied under section 5725.18 of the Revised 100824
Code, the treasurer of state shall issue a tax bill, but if such 100825
preliminary assessment reflects a late filed tax return, the 100826
treasurer of state shall add interest as provided in division (A) 100827
of section 5725.221 of the Revised Code and issue a tax bill. 100828

for the same tax year. If the difference is a deficiency, the 100834
treasurer of state shall add interest as provided in division 100835
(B)(1) of section 5725.221 of the Revised Code and issue a tax 100836

management for payment to the taxpayer. If the taxpayer has a 100846
deficiency for one tax year and an excess for another tax year, or 100847
any combination thereof for more than two tax years, the treasurer 100848

difference between the total taxes computed on such assessment and 100857
the total taxes computed on the most recent assessment certified 100858
for the same tax year, if any. If the difference is a deficiency, 100859
the commissioner shall add interest as provided in division (B)(1) 100860

as provided in division (B)(2) of section 5725.221 of the Revised 100863
Code and certify the name of the taxpayer and the amount to be 100864
refunded to the director of budget and management for payment to 100865
the taxpayer. If the taxpayer has a deficiency for one tax year 100866
and excess for another tax year, or any combination thereof for 100867
more than two tax years, the commissioner may determine the net 100868
result after adding interest, if applicable, and, depending on 100869
such result, proceed to mail a tax bill or certify a refund. 100870

(2) The tax commissioner may issue a tax bill for any 100871
deficiency resulting from an assessment at the time the 100872
commissioner issues the assessment. 100873

(F) ~~If~~ With respect to taxes levied under section 5707.03 of 100874
the Revised Code, if a taxpayer fails to pay all taxes and 100875

this state and the denominator of which is the number of 101684
revenue-earning miles traveled by the watercraft in all waters. 101685

101762
101763

(A)(1) In the case of a telegraph, interexchange telecommunications, or telephone company that owns miles of wire in this state, the value apportioned to each taxing district shall 101764
101765
101766

be the same percentage of the total value apportioned to all 101767
taxing districts as the miles of wire owned by the company within 101768
the taxing district are to the total miles of wire owned by the 101769
company within this state; 101770

(2) In the case of a telegraph, interexchange 101771
telecommunications, or telephone company that does not own miles 101772
of wire in this state, the value apportioned to each taxing 101773
district shall be the same percentage of the total value 101774
apportioned to all taxing districts as the cost of the taxable 101775
property physically located in the taxing district is of the total 101776

district; 101786

(3) The taxable value of real property used in railroad 101787
operations shall be apportioned to each taxing district in 101788

company: 101791~~

~~(a) Seventy per cent of the taxable value of all production 101792
equipment and of all station equipment that is not production 101793
equipment shall be apportioned to the taxing district in which 101794
such property is physically located; and 101795~~

~~(b) The remaining value of such property, together with the 101796~~

~~value of all other taxable personal property, shall be apportioned 101797
to each taxing district in the per cent that the cost of all 101798
transmission and distribution property physically located in the 101799
taxing district is of the total cost of all transmission and 101800
distribution property physically located in this state. 101801~~

~~(c) If an electric company's taxable value for the current 101802
year includes the value of any production equipment at a plant at 101803
which the initial cost of the plant's production equipment 101804
exceeded one billion dollars, then prior to making the 101805

(b) of this section, the tax commissioner shall do the following: 101807~~

~~(ii) Multiply the difference thus obtained by a fraction, the 101811
numerator of which is the portion of the taxable value of that 101812
plant's production equipment included in the company's total value 101813
for the current tax year, and the denominator of which is the 101814
total taxable value of such equipment included in the total 101815
taxable value of all electric companies for such year; 101816~~

~~(iii) Apportion the product thus obtained to taxing districts 101817
in the manner prescribed in division (C)(1)(b) of this section. 101818~~

~~(iv) Deduct the amounts so apportioned from the taxable value 101819
of the company's production equipment at the plant, prior to 101820
making the apportionments required by divisions (C)(1)(a) and (b) 101821
of this section. 101822~~

~~For purposes of division (C)(1)(c) of this section, "initial 101823
cost" applies only to production equipment of plants placed in 101824
commercial operation on or after January 1, 1987, and means the 101825
cost of all production equipment at a plant for the first year the 101826
plant's equipment was subject to taxation. 101827~~

~~(2) For tax year 2001 and thereafter, in~~ In the case of an 101828
electric company+ 101829

~~(a) The taxable value of all production equipment shall be~~ 101830

~~apportioned to the taxing district in which such property is~~ 101843
~~physically located.~~ 101844

~~(2) The taxable value of all other taxable property,~~ 101845
~~including energy conversion equipment, shall be apportioned to~~ 101846

~~the total cost of such other taxable property physically located~~ 101849
~~in this state.~~ 101850

~~(E)~~ In the case of all other public utilities, the taxable 101851

Sec. 5727.75. (A) For purposes of this section: 101855

(1) "Qualified energy project" means an energy project 101856
certified by the director of development services pursuant to this 101857

section. 101858

(2) "Energy project" means a project to provide electric 101859
power through the construction, installation, and use of an energy 101860
facility. 101861

(3) "Alternative energy zone" means a county declared as such 101862
by the board of county commissioners under division (E)(1)(b) or 101863
(c) of this section. 101864

(4) "Full-time equivalent employee" means the total number of 101865
employee-hours for which compensation was paid to individuals 101866
employed at a qualified energy project for services performed at 101867
the project during the calendar year divided by two thousand 101868
eighty hours. 101869

(5) "Solar energy project" means an energy project composed 101870
of an energy facility using solar panels to generate electricity. 101871

(B)(1) Tangible personal property of a qualified energy 101872
project using renewable energy resources is exempt from taxation 101873
for tax years 2011 through ~~2016~~ 2021 if all of the following 101874
conditions are satisfied: 101875

(a) On or before December 31, ~~2015~~ 2020, the owner or a 101876
lessee pursuant to a sale and leaseback transaction of the project 101877
submits an application to the power siting board for a certificate 101878
under section 4906.20 of the Revised Code, or if that section does 101879
not apply, submits an application for any approval, consent, 101880
permit, or certificate or satisfies any condition required by a 101881
public agency or political subdivision of this state for the 101882
construction or initial operation of an energy project. 101883

(b) Construction or installation of the energy facility 101884
begins on or after January 1, 2009, and before January 1, ~~2016~~ 101885
2021. For the purposes of this division, construction begins on 101886
the earlier of the date of application for a certificate or other 101887
approval or permit described in division (B)(1)(a) of this 101888

section, or the date the contract for the construction or 101889
installation of the energy facility is entered into. 101890

(c) For a qualified energy project with a nameplate capacity 101891
of five megawatts or greater, a board of county commissioners of a 101892
county in which property of the project is located has adopted a 101893
resolution under division (E)(1)(b) or (c) of this section to 101894
approve the application submitted under division (E) of this 101895
section to exempt the property located in that county from 101896
taxation. A board's adoption of a resolution rejecting an 101897
application or its failure to adopt a resolution approving the 101898
application does not affect the tax-exempt status of the qualified 101899
energy project's property that is located in another county. 101900

(2) If tangible personal property of a qualified energy 101901
project using renewable energy resources was exempt from taxation 101902
under this section beginning in any of tax years ~~2011, 2012, 2013,~~ 101903
~~2014, 2015, or 2016~~ through 2021, and the certification under 101904
division (E)(2) of this section has not been revoked, the tangible 101905
personal property of the qualified energy project is exempt from 101906
taxation for tax year ~~2017~~ 2022 and all ensuing tax years if the 101907
property was placed into service before January 1, ~~2017~~ 2022, as 101908
certified in the construction progress report required under 101909
division (F)(2) of this section. Tangible personal property that 101910
has not been placed into service before that date is taxable 101911
property subject to taxation to the extent provided by section 101912
5727.06 of the Revised Code. An energy project for which 101913
certification has been revoked is ineligible for further exemption 101914
under this section. Revocation does not affect the tax-exempt 101915
status of the project's tangible personal property for the tax 101916
year in which revocation occurs or any prior tax year. 101917

(C) Tangible personal property of a qualified energy project 101918
using clean coal technology, advanced nuclear technology, or 101919
cogeneration technology is exempt from taxation for the first tax 101920

year that the property would be listed for taxation and all 101921
subsequent years if all of the following circumstances are met: 101922

(1) The property was placed into service before January 1, 101923
2021. Tangible personal property that has not been placed into 101924
service before that date is taxable property subject to taxation 101925
to the extent provided by section 5727.06 of the Revised Code. 101926

capacity of five megawatts or greater, a board of county 101928
commissioners of a county in which property of the qualified 101929
energy project is located has adopted a resolution under division 101930
(E)(1)(b) or (c) of this section to approve the application 101931
submitted under division (E) of this section to exempt the 101932
property located in that county from taxation. A board's adoption 101933
of a resolution rejecting the application or its failure to adopt 101934
a resolution approving the application does not affect the 101935
tax-exempt status of the qualified energy project's property that 101936
is located in another county. 101937

(3) The certification for the qualified energy project issued 101938
under division (E)(2) of this section has not been revoked. An 101939
energy project for which certification has been revoked is 101940
ineligible for exemption under this section. Revocation does not 101941
affect the tax-exempt status of the project's tangible personal 101942
property for the tax year in which revocation occurs or any prior 101943
tax year. 101944

(D) Except as otherwise provided in this section, real 101945
property of a qualified energy project is exempt from taxation for 101946
any tax year for which the tangible personal property of the 101947
qualified energy project is exempted under this section. 101948

(E)(1)(a) A person may apply to the director of development 101949
services for certification of an energy project as a qualified 101950
energy project on or before the following dates: 101951

(i) December 31, ~~2015~~ 2020, for an energy project using renewable energy resources; 101952
101953

(ii) December 31, 2017, for an energy project using clean coal technology, advanced nuclear technology, or cogeneration technology. 101954
101955
101956

(b) The director shall forward a copy of each application for certification of an energy project with a nameplate capacity of five megawatts or greater to the board of county commissioners of each county in which the project is located and to each taxing unit with territory located in each of the affected counties. Any board that receives from the director a copy of an application submitted under this division shall adopt a resolution approving or rejecting the application unless it has adopted a resolution under division (E)(1)(c) of this section. A resolution adopted under division (E)(1)(b) or (c) of this section may require an annual service payment to be made in addition to the service payment required under division (G) of this section. The sum of the service payment required in the resolution and the service payment required under division (G) of this section shall not exceed nine thousand dollars per megawatt of nameplate capacity located in the county. The resolution shall specify the time and manner in which the payments required by the resolution shall be paid to the county treasurer. The county treasurer shall deposit the payment to the credit of the county's general fund to be used for any purpose for which money credited to that fund may be used. 101957
101958

101961
101962
101963
101964
101965
101966
101967
101968
101969
101970
101971
101972
101973
101974
101975
101976

The board shall send copies of the resolution by certified mail to the owner of the facility and the director within thirty days after receipt of the application, or a longer period of time if authorized by the director. 101977
101978
101979
101980

(c) A board of county commissioners may adopt a resolution declaring the county to be an alternative energy zone and declaring all applications submitted to the director of 101981
101982
101983

development services under this division after the adoption of the 101984
resolution, and prior to its repeal, to be approved by the board. 101985

All tangible personal property and real property of an energy 101986
project with a nameplate capacity of five megawatts or greater is 101987
taxable if it is located in a county in which the board of county 101988
commissioners adopted a resolution rejecting the application 101989
submitted under this division or failed to adopt a resolution 101990
approving the application under division (E)(1)(b) or (c) of this 101991
section. 101992

(2) The director shall certify an energy project if all of 101993
the following circumstances exist: 101994

(a) The application was timely submitted. 101995

(b) For an energy project with a nameplate capacity of five 101996
megawatts or greater, a board of county commissioners of at least 101997
one county in which the project is located has adopted a 101998
resolution approving the application under division (E)(1)(b) or 101999
(c) of this section. 102000

(c) No portion of the project's facility was used to supply 102001
electricity before December 31, 2009. 102002

(3) The director shall deny a certification application if 102003
the director determines the person has failed to comply with any 102004
requirement under this section. The director may revoke a 102005
certification if the director determines the person, or subsequent 102006
owner or lessee pursuant to a sale and leaseback transaction of 102007
the qualified energy project, has failed to comply with any 102008
requirement under this section. Upon certification or revocation, 102009
the director shall notify the person, owner, or lessee, the tax 102010
commissioner, and the county auditor of a county in which the 102011
project is located of the certification or revocation. Notice 102012
shall be provided in a manner convenient to the director. 102013

(F) The owner or a lessee pursuant to a sale and leaseback 102014

transaction of a qualified energy project shall do each of the 102015
following: 102016

(1) Comply with all applicable regulations; 102017

(2) File with the director of development services a 102018
certified construction progress report before the first day of 102019
March of each year during the energy facility's construction or 102020
installation indicating the percentage of the project completed, 102021
and the project's nameplate capacity, as of the preceding 102022
thirty-first day of December. Unless otherwise instructed by the 102023
director of development services, the owner or lessee of an energy 102024
project shall file a report with the director on or before the 102025
first day of March each year after completion of the energy 102026
facility's construction or installation indicating the project's 102027
nameplate capacity as of the preceding thirty-first day of 102028
December. Not later than sixty days after June 17, 2010, the owner 102029
or lessee of an energy project, the construction of which was 102030
completed before June 17, 2010, shall file a certificate 102031
indicating the project's nameplate capacity. 102032

(3) File with the director of development services, in a 102033
manner prescribed by the director, a report of the total number of 102034
full-time equivalent employees, and the total number of full-time 102035
equivalent employees domiciled in Ohio, who are employed in the 102036
construction or installation of the energy facility; 102037

(4) For energy projects with a nameplate capacity of five 102038
megawatts or greater, repair all roads, bridges, and culverts 102039
affected by construction as reasonably required to restore them to 102040
their preconstruction condition, as determined by the county 102041
engineer in consultation with the local jurisdiction responsible 102042
for the roads, bridges, and culverts. In the event that the county 102043
engineer deems any road, bridge, or culvert to be inadequate to 102044
support the construction or decommissioning of the energy 102045
facility, the road, bridge, or culvert shall be rebuilt or 102046

reinforced to the specifications established by the county 102047
engineer prior to the construction or decommissioning of the 102048
facility. The owner or lessee of the facility shall post a bond in 102049
an amount established by the county engineer and to be held by the 102050
board of county commissioners to ensure funding for repairs of 102051
roads, bridges, and culverts affected during the construction. The 102052
bond shall be released by the board not later than one year after 102053
the date the repairs are completed. The energy facility owner or 102054
lessee pursuant to a sale and leaseback transaction shall post a 102055
bond, as may be required by the Ohio power siting board in the 102056
certificate authorizing commencement of construction issued 102057
pursuant to section 4906.10 of the Revised Code, to ensure funding 102058
for repairs to roads, bridges, and culverts resulting from 102059
decommissioning of the facility. The energy facility owner or 102060
lessee and the county engineer may enter into an agreement 102061
regarding specific transportation plans, reinforcements, 102062
modifications, use and repair of roads, financial security to be 102063
provided, and any other relevant issue. 102064

(5) Provide or facilitate training for fire and emergency 102065
responders for response to emergency situations related to the 102066
energy project and, for energy projects with a nameplate capacity 102067
of five megawatts or greater, at the person's expense, equip the 102068
fire and emergency responders with proper equipment as reasonably 102069
required to enable them to respond to such emergency situations; 102070

(6) Maintain a ratio of Ohio-domiciled full-time equivalent 102071
employees employed in the construction or installation of the 102072
energy project to total full-time equivalent employees employed in 102073
the construction or installation of the energy project of not less 102074
than eighty per cent in the case of a solar energy project, and 102075
not less than fifty per cent in the case of any other energy 102076
project. In the case of an energy project for which certification 102077
from the power siting board is required under section 4906.20 of 102078

the Revised Code, the number of full-time equivalent employees 102079
employed in the construction or installation of the energy project 102080
equals the number actually employed or the number projected to be 102081
employed in the certificate application, if such projection is 102082
required under regulations adopted pursuant to section 4906.03 of 102083
the Revised Code, whichever is greater. For all other energy 102084
projects, the number of full-time equivalent employees employed in 102085
the construction or installation of the energy project equals the 102086
number actually employed or the number projected to be employed by 102087
the director of development services, whichever is greater. To 102088
estimate the number of employees to be employed in the 102089
construction or installation of an energy project, the director 102090
shall use a generally accepted job-estimating model in use for 102091
renewable energy projects, including but not limited to the job 102092
and economic development impact model. The director may adjust an 102093
estimate produced by a model to account for variables not 102094
accounted for by the model. 102095

(7) For energy projects with a nameplate capacity in excess 102096
of two megawatts, establish a relationship with a member of the 102097
university system of Ohio as defined in section 3345.011 of the 102098
Revised Code or with a person offering an apprenticeship program 102099
registered with the employment and training administration within 102100
the United States department of labor or with the apprenticeship 102101
council created by section 4139.02 of the Revised Code, to educate 102102
and train individuals for careers in the wind or solar energy 102103
industry. The relationship may include endowments, cooperative 102104
programs, internships, apprenticeships, research and development 102105
projects, and curriculum development. 102106

(8) Offer to sell power or renewable energy credits from the 102107
energy project to electric distribution utilities or electric 102108
service companies subject to renewable energy resource 102109
requirements under section 4928.64 of the Revised Code that have 102110

issued requests for proposal for such power or renewable energy 102111
credits. If no electric distribution utility or electric service 102112
company issues a request for proposal on or before December 31, 102113
2010, or accepts an offer for power or renewable energy credits 102114
within forty-five days after the offer is submitted, power or 102115
renewable energy credits from the energy project may be sold to 102116
other persons. Division (F)(8) of this section does not apply if: 102117

(a) The owner or lessee is a rural electric company or a 102118
municipal power agency as defined in section 3734.058 of the 102119
Revised Code. 102120

(b) The owner or lessee is a person that, before completion 102121
of the energy project, contracted for the sale of power or 102122
renewable energy credits with a rural electric company or a 102123
municipal power agency. 102124

(c) The owner or lessee contracts for the sale of power or 102125
renewable energy credits from the energy project before June 17, 102126
2010. 102127

(9) Make annual service payments as required by division (G) 102128
of this section and as may be required in a resolution adopted by 102129
a board of county commissioners under division (E) of this 102130
section. 102131

(G) The owner or a lessee pursuant to a sale and leaseback 102132
transaction of a qualified energy project shall make annual 102133
service payments in lieu of taxes to the county treasurer on or 102134
before the final dates for payments of taxes on public utility 102135
personal property on the real and public utility personal property 102136
tax list for each tax year for which property of the energy 102137
project is exempt from taxation under this section. The county 102138
treasurer shall allocate the payment on the basis of the project's 102139
physical location. Upon receipt of a payment, or if timely payment 102140
has not been received, the county treasurer shall certify such 102141

receipt or non-receipt to the director of development services and 102142
tax commissioner in a form determined by the director and 102143
commissioner, respectively. Each payment shall be in the following 102144
amount: 102145

installation of the energy facility a ratio of Ohio-domiciled 102157
full-time equivalent employees to total full-time equivalent 102158
employees of not less than seventy-five per cent, six thousand 102159
dollars per megawatt of nameplate capacity located in the county 102160
as of the thirty-first day of December of the preceding tax year; 102161

(3) In the case of an energy project using clean coal 102176
technology, advanced nuclear technology, or cogeneration 102177
technology, the following: 102178

(a) If the project maintains during the construction or 102179
installation of the energy facility a ratio of Ohio-domiciled 102180
full-time equivalent employees to total full-time equivalent 102181

full-time equivalent employees to total full-time equivalent 102194
employees of less than sixty per cent but not less than fifty per 102195
cent, eight thousand dollars per megawatt of nameplate capacity 102196
located in the county as of the thirty-first day of December of 102197
the preceding tax year. 102198

(H) The director of development services in consultation with 102199
the tax commissioner shall adopt rules pursuant to Chapter 119. of 102200

Sec. 5727.81. (A) For the purpose of raising revenue ~~for~~ 102287
~~public education and to fund the needs of this state and its local~~ 102288
~~government operations governments,~~ an excise tax is hereby levied 102289
and imposed on an electric distribution company for all 102290
electricity distributed by such company at the following rates per 102291
kilowatt hour of electricity distributed in a thirty-day period by 102292

the company through a meter of an end user in this state:	102293
KILOWATT HOURS DISTRIBUTED	102294
TO AN END USER	102295
For the first 2,000	102296
For the next 2,001 to 15,000	102297
For 15,001 and above	102298
If no meter is used to measure the kilowatt hours of	102299
electricity distributed by the company, the rates shall apply to	102300
the estimated kilowatt hours of electricity distributed to an	102301
unmetered location in this state.	102302
The electric distribution company shall base the monthly tax	102303
on the kilowatt hours of electricity distributed to an end user	102304
through the meter of the end user that is not measured for a	102305
thirty-day period by dividing the days in the measurement period	102306
into the total kilowatt hours measured during the measurement	102307
period to obtain a daily average usage. The tax shall be	102308
determined by obtaining the sum of divisions (A)(1), (2), and (3)	102309
of this section and multiplying that amount by the number of days	102310
in the measurement period:	102311
(1) Multiplying \$0.00465 per kilowatt hour for the first	102312
sixty-seven kilowatt hours distributed using a daily average;	102313
(2) Multiplying \$0.00419 for the next sixty-eight to five	102314
hundred kilowatt hours distributed using a daily average;	102315
(3) Multiplying \$0.00363 for the remaining kilowatt hours	102316
distributed using a daily average.	102317
Except as provided in division (C) of this section, the	102318
electric distribution company shall pay the tax to the tax	102319
commissioner in accordance with section 5727.82 of the Revised	102320
Code, unless required to remit each tax payment by electronic	102321
funds transfer to the treasurer of state in accordance with	102322
section 5727.83 of the Revised Code.	102323

Only the distribution of electricity through a meter of an end user in this state shall be used by the electric distribution company to compute the amount or estimated amount of tax due. In the event a meter is not actually read for a measurement period, the estimated kilowatt hours distributed by an electric distribution company to bill for its distribution charges shall be used.

(B) Except as provided in division (C) of this section, each electric distribution company shall pay the tax imposed by this section in all of the following circumstances:

(1) The electricity is distributed by the company through a meter of an end user in this state;

(2) The company is distributing electricity through a meter located in another state, but the electricity is consumed in this state in the manner prescribed by the tax commissioner;

(3) The company is distributing electricity in this state without the use of a meter, but the electricity is consumed in this state as estimated and in the manner prescribed by the tax commissioner.

(C)(1) As used in division (C) of this section:

(a) "Total price of electricity" means the aggregate value in money of anything paid or transferred, or promised to be paid or transferred, to obtain electricity or electric service, including but not limited to the value paid or promised to be paid for the transmission or distribution of electricity and for transition costs as described in Chapter 4928. of the Revised Code.

(b) "Package" means the provision or the acquisition, at a combined price, of electricity with other services or products, or any combination thereof, such as natural gas or other fuels; energy management products, software, and services; machinery and equipment acquisition; and financing agreements.

(c) "Single location" means a facility located on contiguous property separated only by a roadway, railway, or waterway.

(2) Division (C) of this section applies to any commercial or industrial purchaser's receipt of electricity through a meter of an end user in this state or through more than one meter at a single location in this state in a quantity that exceeds forty-five million kilowatt hours of electricity over the course of the preceding calendar year, or any commercial or industrial purchaser that will consume more than forty-five million kilowatt hours of electricity over the course of the succeeding twelve months as estimated by the tax commissioner. The tax commissioner shall make such an estimate upon the written request by an applicant for registration as a self-assessing purchaser under this division. For the meter reading period including July 1, 2008, through the meter reading period including December 31, 2010, such a purchaser may elect to self-assess the excise tax imposed by this section at the rate of \$.00075 per kilowatt hour on the first five hundred four million kilowatt hours distributed to that meter or location during the registration year, and a percentage of the total price of all electricity distributed to that meter or location equal to three and one-half per cent. For the meter reading period including January 1, 2011, and thereafter, such a purchaser may elect to self-assess the excise tax imposed by this section at the rate of \$.00257 per kilowatt hour for the first five hundred million kilowatt hours, and \$.001832 per kilowatt hour for each kilowatt hour in excess of five hundred million kilowatt hours, distributed to that meter or location during the registration year.

A qualified end user that receives electricity through a meter of an end user in this state or through more than one meter at a single location in this state and that consumes, over the course of the previous calendar year, more than forty-five million

kilowatt hours in other than its qualifying manufacturing process, 102387
may elect to self-assess the tax as allowed by this division with 102388
respect to the electricity used in other than its qualifying 102389
manufacturing process. 102390

Payment of the tax shall be made directly to the tax 102391
commissioner in accordance with divisions (A)(4) and (5) of 102392
section 5727.82 of the Revised Code, or the treasurer of state in 102393
accordance with section 5727.83 of the Revised Code. If the 102394
electric distribution company serving the self-assessing purchaser 102395
is a municipal electric utility and the purchaser is within the 102396
municipal corporation's corporate limits, payment shall be made to 102397
such municipal corporation's general fund and reports shall be 102398
filed in accordance with divisions (A)(4) and (5) of section 102399
5727.82 of the Revised Code, except that "municipal corporation" 102400
shall be substituted for "treasurer of state" and "tax 102401
commissioner." A self-assessing purchaser that pays the excise tax 102402
as provided in this division shall not be required to pay the tax 102403
to the electric distribution company from which its electricity is 102404
distributed. If a self-assessing purchaser's receipt of 102405
electricity is not subject to the tax as measured under this 102406
division, the tax on the receipt of such electricity shall be 102407
measured and paid as provided in division (A) of this section. 102408

(3) In the case of the acquisition of a package, unless the 102409
elements of the package are separately stated isolating the total 102410
price of electricity from the price of the remaining elements of 102411
the package, the tax imposed under this section applies to the 102412
entire price of the package. If the elements of the package are 102413
separately stated, the tax imposed under this section applies to 102414
the total price of the electricity. 102415

(4) Any electric supplier that sells electricity as part of a 102416
package shall separately state to the purchaser the total price of 102417
the electricity and, upon request by the tax commissioner, the 102418

total price of each of the other elements of the package. 102419

(5) The tax commissioner may adopt rules relating to the 102420
computation of the total price of electricity with respect to 102421
self-assessing purchasers, which may include rules to establish 102422
the total price of electricity purchased as part of a package. 102423

(6) An annual application for registration as a 102424
self-assessing purchaser shall be made for each qualifying meter 102425
or location on a form prescribed by the tax commissioner. The 102426
registration year begins on the first day of May and ends on the 102427
following thirtieth day of April. Persons may apply after the 102428
first day of May for the remainder of the registration year. In 102429
the case of an applicant applying on the basis of an estimated 102430
consumption of forty-five million kilowatt hours over the course 102431
of the succeeding twelve months, the applicant shall provide such 102432
information as the tax commissioner considers to be necessary to 102433
estimate such consumption. At the time of making the application 102434
and by the first day of May of each year, a self-assessing 102435
purchaser shall pay a fee of five hundred dollars to the tax 102436
commissioner, or to the treasurer of state as provided in section 102437
5727.83 of the Revised Code, for each qualifying meter or 102438
location. The tax commissioner shall immediately pay to the 102439
treasurer of state all amounts that the tax commissioner receives 102440
under this section. The treasurer of state shall deposit such 102441
amounts into the kilowatt hour excise tax administration fund, 102442
which is hereby created in the state treasury. Money in the fund 102443
shall be used to defray the tax commissioner's cost in 102444
administering the tax owed under section 5727.81 of the Revised 102445
Code by self-assessing purchasers. After the application is 102446
approved by the tax commissioner, the registration shall remain in 102447
effect for the current registration year, or until canceled by the 102448
registrant upon written notification to the commissioner of the 102449
election to pay the tax in accordance with division (A) of this 102450

section, or until canceled by the tax commissioner for not paying 102451
the tax or fee under division (C) of this section or for not 102452
meeting the qualifications in division (C)(2) of this section. The 102453
tax commissioner shall give written notice to the electric 102454
distribution company from which electricity is delivered to a 102455
self-assessing purchaser of the purchaser's self-assessing status, 102456
and the electric distribution company is relieved of the 102457
obligation to pay the tax imposed by division (A) of this section 102458
for electricity distributed to that self-assessing purchaser until 102459
it is notified by the tax commissioner that the self-assessing 102460
purchaser's registration is canceled. Within fifteen days of 102461
notification of the canceled registration, the electric 102462
distribution company shall be responsible for payment of the tax 102463
imposed by division (A) of this section on electricity distributed 102464
to a purchaser that is no longer registered as a self-assessing 102465
purchaser. A self-assessing purchaser with a canceled registration 102466
must file a report and remit the tax imposed by division (A) of 102467
this section on all electricity it receives for any measurement 102468
period prior to the tax being reported and paid by the electric 102469
distribution company. A self-assessing purchaser whose 102470
registration is canceled by the tax commissioner is not eligible 102471
to register as a self-assessing purchaser for two years after the 102472
registration is canceled. 102473

(7) If the tax commissioner cancels the self-assessing 102474

(F) The tax commissioner may request that natural gas 102904

report to help determine the tax value loss under divisions (D) 102906
and (E) of this section. The report shall be filed within thirty 102907
days of the commissioner's request. A company that fails to file 102908
the report or does not timely file the report is subject to the 102909

(G) Not later than January 1, 2002, the tax commissioner 102911
shall determine for each school district, joint vocational school 102912
district, and local taxing unit its fixed-rate levy loss, which is 102913
the sum of its electric company tax value loss multiplied by the 102914
tax rate in effect in tax year 1998 for fixed-rate levies and its 102915

effect in tax year 1999 for fixed-rate levies. 102917

(H) Not later than January 1, 2002, the tax commissioner 102918
shall determine for each school district, joint vocational school 102919
district, and local taxing unit its fixed-sum levy loss, which is 102920
the amount obtained by subtracting the amount described in 102921
division (H)(2) of this section from the amount described in 102922
division (H)(1) of this section: 102923

(1) The sum of the electric company tax value loss multiplied 102924
by the tax rate in effect in tax year 1998, and the natural gas 102925
company tax value loss multiplied by the tax rate in effect in tax 102926
year 1999, for fixed-sum levies for all taxing districts within 102927
each school district, joint vocational school district, and local 102928
taxing unit. For the years 2002 through 2006, this computation 102929
shall include school district emergency levies that existed in 102930
1998 in the case of the electric company tax value loss, and 1999 102931
in the case of the natural gas company tax value loss, and all 102932
other fixed-sum levies that existed in 1998 in the case of the 102933
electric company tax value loss and 1999 in the case of the 102934
natural gas company tax value loss and continue to be charged in 102935
the tax year preceding the distribution year. For the years 2007 102936
through 2016 in the case of school district emergency levies, and 102937
for all years after 2006 in the case of all other fixed-sum 102938
levies, this computation shall exclude all fixed-sum levies that 102939
existed in 1998 in the case of the electric company tax value loss 102940
and 1999 in the case of the natural gas company tax value loss, 102941
but are no longer in effect in the tax year preceding the 102942
distribution year. For the purposes of this section, an emergency 102943
levy that existed in 1998 in the case of the electric company tax 102944
value loss, and 1999 in the case of the natural gas company tax 102945
value loss, continues to exist in a year beginning on or after 102946
January 1, 2007, but before January 1, 2017, if, in that year, the 102947
board of education levies a school district emergency levy for an 102948

annual sum at least equal to the annual sum levied by the board in 102949
tax year 1998 or 1999, respectively, less the amount of the 102950
payment certified under this division for 2002. 102951

(2) The total taxable value in tax year 1999 less the tax 102952
value loss in each school district, joint vocational school 102953
district, and local taxing unit multiplied by one-fourth of one 102954
mill. 102955

If the amount computed under division (H) of this section for 102956
any school district, joint vocational school district, or local 102957
taxing unit is greater than zero, that amount shall equal the 102958
fixed-sum levy loss reimbursed pursuant to division (F) of section 102959
5727.85 of the Revised Code or division (A)(2) of section 5727.86 102960
of the Revised Code, and the one-fourth of one mill that is 102961
subtracted under division (H)(2) of this section shall be 102962
apportioned among all contributing fixed-sum levies in the 102963
proportion of each levy to the sum of all fixed-sum levies within 102964
each school district, joint vocational school district, or local 102965
taxing unit. 102966

(I) Notwithstanding divisions (D), (E), (G), and (H) of this 102967
section, in computing the tax value loss, fixed-rate levy loss, 102968
and fixed-sum levy loss, the tax commissioner shall use the 102969
greater of the 1998 tax rate or the 1999 tax rate in the case of 102970
levy losses associated with the electric company tax value loss, 102971
but the 1999 tax rate shall not include for this purpose any tax 102972
levy approved by the voters after June 30, 1999, and the tax 102973
commissioner shall use the greater of the 1999 or the 2000 tax 102974
rate in the case of levy losses associated with the natural gas 102975
company tax value loss. 102976

(J) Not later than January 1, 2002, the tax commissioner 102977
shall certify to the department of education the tax value loss 102978
determined under divisions (D) and (E) of this section for each 102979
taxing district, the fixed-rate levy loss calculated under 102980

division (G) of this section, and the fixed-sum levy loss 102981
calculated under division (H) of this section. The calculations 102982
under divisions (G) and (H) of this section shall separately 102983
display the levy loss for each levy eligible for reimbursement. 102984

(K) Not later than September 1, 2001, the tax commissioner 102985
shall certify the amount of the fixed-sum levy loss to the county 102986
auditor of each county in which a school district with a fixed-sum 102987
levy loss has territory. 102988

Sec. 5727.85. ~~(A) No determinations, computations,~~ 102989
~~certifications, or payments shall be made under this section after~~ 102990
~~June 30, 2015.~~ 102991

~~(A)~~ By the thirty-first day of July of each year, beginning 102992
in 2002 and ending in 2010, the department of education shall 102993
determine the following for each school district and each joint 102994
vocational school district: 102995

(1) The state education aid offset, which, except as provided 102996
in division (A)(1)(c) of this section, is the difference obtained 102997
by subtracting the amount described in division (A)(1)(b) of this 102998
section from the amount described in division (A)(1)(a) of this 102999
section: 103000

(a) The state education aid computed for the school district 103001
or joint vocational school district for the current fiscal year as 103002
of the thirty-first day of July; 103003

(b) The state education aid that would be computed for the 103004
school district or joint vocational school district for the 103005
current fiscal year as of the thirty-first day of July if the 103006
recognized valuation included the tax value loss for the school 103007
district or joint vocational school district; 103008

(c) The state education aid offset for fiscal year 2010 and 103009
fiscal year 2011 equals the greater of the state education aid 103010

offset calculated for that fiscal year under divisions (A)(1)(a) 103011
and (b) of this section or the state education aid offset 103012
calculated for fiscal year 2009. 103013

(2) For fiscal years 2008 through 2011, the greater of zero 103014
or the difference obtained by subtracting the state education aid 103015
offset determined under division (A)(1) of this section from the 103016
fixed-rate levy loss certified under division (J) of section 103017
5727.84 of the Revised Code for all taxing districts in each 103018
school district and joint vocational school district. 103019

By the fifth day of August of each such year, the department 103020
of education shall certify the amount so determined under division 103021
(A)(1) of this section to the director of budget and management. 103022

(B) Not later than the thirty-first day of October of the 103023
years 2006 through 2010, the department of education shall 103024
determine all of the following for each school district: 103025

(1) The amount obtained by subtracting the district's state 103026
education aid computed for fiscal year 2002 from the district's 103027
state education aid computed for the current fiscal year as of the 103028
fifteenth day of July, by including in the definition of 103029
recognized valuation the machinery and equipment, inventory, 103030
furniture and fixtures, and telephone property tax value losses, 103031
as defined in section 5751.20 of the Revised Code, for the school 103032
district or joint vocational school district for the preceding tax 103033
year; 103034

(2) The inflation-adjusted property tax loss. The 103035
inflation-adjusted property tax loss equals the fixed-rate levy 103036
loss, excluding the tax loss from levies within the ten-mill 103037
limitation to pay debt charges, determined under division ~~(G)~~(D) 103038
of section 5727.84 of the Revised Code for all taxing districts in 103039
each school district, plus the product obtained by multiplying 103040
that loss by the cumulative percentage increase in the consumer 103041

price index from January 1, 2002, to the thirtieth day of June of 103042
the current year. 103043

(3) The difference obtained by subtracting the amount 103044
computed under division (B)(1) from the amount of the 103045
inflation-adjusted property tax loss. If this difference is zero 103046
or a negative number, no further payments shall be made under 103047
division (C) of this section to the school district from the 103048
school district property tax replacement fund. 103049

(C) Beginning in 2002 for school districts and beginning in 103050
August 2011 for joint vocational school districts, the department 103051
of education shall pay from the school district property tax 103052
replacement fund to each school district all of the following: 103053

(1) In February 2002, one-half of the fixed-rate levy loss 103054
certified under division ~~(J)~~(G) of section 5727.84 of the Revised 103055
Code between the twenty-first and twenty-eighth days of February. 103056

(2) From August 2002 through February 2011, one-half of the 103057
amount calculated for that fiscal year under division (A)(2) of 103058
this section between the twenty-first and twenty-eighth days of 103059
August and of February, provided the difference computed under 103060
division (B)(3) of this section is not less than or equal to zero. 103061

(3) For fiscal years 2012 and thereafter, the sum of the 103062
amounts in divisions (C)(3)(a) or (b) and (c) of this section 103063
shall be paid on or before the thirty-first day of August and the 103064
twenty-eighth day of February: 103065

(a) If the ratio of 2011 current expense S.B. 3 allocation to 103066
total resources is equal to or less than the threshold per cent, 103067
zero; 103068

(b) If the ratio of 2011 current expense S.B. 3 allocation to 103069
total resources is greater than the threshold per cent, fifty per 103070
cent of the difference of 2011 current expense S.B. 3 allocation 103071
minus the product of total resources multiplied by the threshold 103072

per cent; 103073

(c) Fifty per cent of the product of 2011 non-current expense 103074
S.B. 3 allocation multiplied by seventy-five per cent for fiscal 103075
year 2012 and fifty per cent for fiscal years 2013 and thereafter. 103076

The department of education shall report to each school 103077
district the apportionment of the payments among the school 103078
district's funds based on the certifications under division (J) of 103079
section 5727.84 of the Revised Code. 103080

(D) For taxes levied within the ten-mill limitation for debt 103081
purposes in tax year 1998 in the case of electric company tax 103082
value losses, and in tax year 1999 in the case of natural gas 103083
company tax value losses, payments shall be made equal to one 103084
hundred per cent of the loss computed as if the tax were a 103085
fixed-rate levy, but those payments shall extend from fiscal year 103086
2006 through fiscal year 2016. 103087

(E) Not later than January 1, 2002, for all taxing districts 103088
in each joint vocational school district, the tax commissioner 103089
shall certify to the department of education the fixed-rate levy 103090
loss determined under division (G) of section 5727.84 of the 103091
Revised Code. From February 2002 through February 2011, the 103092
department shall pay from the school district property tax 103093
replacement fund to the joint vocational school district one-half 103094
of the amount calculated for that fiscal year under division 103095
(A)(2) of this section between the twenty-first and twenty-eighth 103096
days of August and of February. 103097

(F)(1) Not later than January 1, 2002, for each fixed-sum 103098
levy levied by each school district or joint vocational school 103099
district and for each year for which a determination is made under 103100
division (H) of section 5727.84 of the Revised Code that a 103101
fixed-sum levy loss is to be reimbursed, the tax commissioner 103102
shall certify to the department of education the fixed-sum levy 103103

loss determined under that division. The certification shall cover 103104
a time period sufficient to include all fixed-sum levies for which 103105
the tax commissioner made such a determination. The department 103106
shall pay from the school district property tax replacement fund 103107
to the school district or joint vocational school district 103108
one-half of the fixed-sum levy loss so certified for each year 103109
between the twenty-first and twenty-eighth days of August and of 103110
February. 103111

(2) Beginning in 2003, by the thirty-first day of January of 103112
each year, the tax commissioner shall review the certification 103113
originally made under division (F)(1) of this section. If the 103114
commissioner determines that a debt levy that had been scheduled 103115
to be reimbursed in the current year has expired, a revised 103116
certification for that and all subsequent years shall be made to 103117
the department of education. 103118

(G) If the balance of the half-mill equalization fund created 103119
under section 3318.18 of the Revised Code is insufficient to make 103120
the full amount of payments required under division (D) of that 103121
section, the department of education, at the end of the third 103122
quarter of the fiscal year, shall certify to the director of 103123
budget and management the amount of the deficiency, and the 103124
director shall transfer an amount equal to the deficiency from the 103125
school district property tax replacement fund to the half-mill 103126
equalization fund. 103127

(H) Beginning in August 2002, and ending in May 2011, the 103128
director of budget and management shall transfer from the school 103129
district property tax replacement fund to the general revenue fund 103130
each of the following: 103131

(1) Between the twenty-eighth day of August and the fifth day 103132
of September, the lesser of one-half of the amount certified for 103133
that fiscal year under division (A)(2) of this section or the 103134
balance in the school district property tax replacement fund; 103135

(2) Between the first and fifth days of May, the lesser of 103136
one-half of the amount certified for that fiscal year under 103137
division (A)(2) of this section or the balance in the school 103138
district property tax replacement fund. 103139

(I) On the first day of June each year, the director of 103140
budget and management shall transfer any balance remaining in the 103141
school district property tax replacement fund after the payments 103142
have been made under divisions (C), (D), (E), (F), (G), and (H) of 103143
this section to the half-mill equalization fund created under 103144
section 3318.18 of the Revised Code to the extent required to make 103145
any payments in the current fiscal year under that section, and 103146
shall transfer the remaining balance to the general revenue fund. 103147

(J) After fiscal year 2002, if the total amount in the school 103148
district property tax replacement fund is insufficient to make all 103149
payments under divisions (C), (D), (E), (F), and (G) of this 103150
section at the time the payments are to be made, the director of 103151
budget and management shall transfer from the general revenue fund 103152
to the school district property tax replacement fund the 103153
difference between the total amount to be paid and the total 103154
amount in the school district property tax replacement fund, 103155
except that no transfer shall be made by reason of a deficiency to 103156
the extent that it results from the amendment of section 5727.84 103157
of the Revised Code by Amended Substitute House Bill No. 95 of the 103158
125th general assembly. 103159

(K) If all of the territory of a school district or joint 103160
vocational school district is merged with an existing district, or 103161
if a part of the territory of a school district or joint 103162
vocational school district is transferred to an existing or new 103163
district, the department of education, in consultation with the 103164
tax commissioner, shall adjust the payments made under this 103165
section as follows: 103166

(1) For the merger of all of the territory of two or more 103167

districts, the total resources, 2011 current expense S.B. 3 103168
allocation, total 2011 S.B. 3 allocation, 2011 non-current expense 103169
S.B. 3 allocation, and fixed-sum levy loss of the successor 103170
district shall be equal to the sum of the total resources, 2011 103171
current expense S.B. 3 allocation, total 2011 S.B. 3 allocation, 103172
2011 non-current expense S.B. 3 allocation, and fixed-sum levy 103173
loss for each of the districts involved in the merger. 103174

(2) For the transfer of a part of one district's territory to 103175
an existing district, the amount of the total resources, 2011 103176
current expense S.B. 3 allocation, total 2011 S.B. 3 allocation, 103177
and 2011 non-current expense S.B. 3 allocation that is transferred 103178
to the recipient district shall be an amount equal to the 103179
transferring district's total resources, 2011 current expense S.B. 103180
3 allocation, total 2011 S.B. 3 allocation, and 2011 non-current 103181
expense S.B. 3 allocation times a fraction, the numerator of which 103182
is the number of pupils being transferred to the recipient 103183
district, measured, in the case of a school district, by formula 103184
ADM as that term is defined in section 3317.02 of the Revised Code 103185
or, in the case of a joint vocational school district, by formula 103186
ADM as defined for a joint vocational school district in that 103187
section, and the denominator of which is the average daily 103188
membership or formula ADM of the transferor district. Fixed-sum 103189
levy losses for both districts shall be determined under division 103190
(K)(4) of this section. 103191

(3) For the transfer of a part of the territory of one or 103192
more districts to create a new district: 103193

(a) If the new district is created on or after January 1, 103194
2000, but before January 1, 2005, the new district shall be paid 103195
its current fixed-rate levy loss through August 2009. In February 103196
2010, August 2010, and February 2011, the new district shall be 103197
paid fifty per cent of the lesser of: (i) the amount calculated 103198
under division (C)(2) of this section or (ii) an amount equal to 103199

seventy per cent of the new district's fixed-rate levy loss. 103200

Beginning in fiscal year 2012, the new district shall be paid 103201
as provided in division (C) of this section. 103202

Fixed-sum levy losses for the districts shall be determined 103203
under division (K)(4) of this section. 103204

(b) If the new district is created on or after January 1, 103205
2005, the new district shall be deemed not to have any fixed-rate 103206
levy loss or, except as provided in division (K)(4) of this 103207
section, fixed-sum levy loss. The district or districts from which 103208
the territory was transferred shall have no reduction in their 103209
fixed-rate levy loss, or, except as provided in division (K)(4) of 103210
this section, their fixed-sum levy loss. 103211

(4) If a recipient district under division (K)(2) of this 103212
section or a new district under division (K)(3)(a) or (b) of this 103213
section takes on debt from one or more of the districts from which 103214
territory was transferred, and any of the districts transferring 103215
the territory had fixed-sum levy losses, the department of 103216
education, in consultation with the tax commissioner, shall make 103217
an equitable division of the fixed-sum levy losses. 103218

Sec. 5727.86. ~~(A) No determinations, computations,~~ 103219
~~certifications, or payments shall be made under this section after~~ 103220
~~June 30, 2015.~~ 103221

(A) The tax commissioner shall compute the payments to be 103222
made to each local taxing unit, and to each public library that 103223
receives the proceeds of a tax levied under section 5705.23 of the 103224
Revised Code, for each year according to divisions (A)(1), (2), 103225
(3), and (4) and division (E) of this section, and shall 103226
distribute the payments in the manner prescribed by division (C) 103227
of this section. The calculation of the fixed-sum levy loss shall 103228
cover a time period sufficient to include all fixed-sum levies for 103229

which the tax commissioner determined, pursuant to division (H) of 103230
section 5727.84 of the Revised Code, that a fixed-sum levy loss is 103231
to be reimbursed. 103232

(1) Except as provided in divisions (A)(3) and (4) of this 103233
section, the following amounts shall be paid on or before the 103234
thirty-first day of August and the twenty-eighth day of February: 103235

(a) For years 2002 through 2006, fifty per cent of the 103236
fixed-rate levy loss computed under division (G) of section 103237
5727.84 of the Revised Code; 103238

(b) For years 2007 through 2010, forty per cent of the 103239
fixed-rate levy loss computed under division (G) of section 103240
5727.84 of the Revised Code; 103241

(c) For the payment in 2011 to be made on or before the 103242
twentieth day of February, the amount required to be paid in 2010 103243
on or before the twentieth day of February; 103244

(d) For the payment in 2011 to be made on or before the 103245
thirty-first day of August, the sum of the amounts in divisions 103246
(A)(1)(d)(i) or (ii) and (iii) of this section: 103247

(i) If the ratio of fifty per cent of the taxing unit's 2010 103248
S.B. 3 allocation to its total resources is equal to or less than 103249
the threshold per cent, zero; 103250

(ii) If the ratio of fifty per cent of the taxing unit's 2010 103251
S.B. 3 allocation to its total resources is greater than the 103252
threshold per cent, the difference of fifty per cent of the 2010 103253
S.B. 3 allocation minus the product of total resources multiplied 103254
by the threshold per cent; 103255

(iii) In the case of a municipal corporation, fifty per cent 103256
of the product of its 2010 non-current expense S.B. 3 allocation 103257
multiplied by seventy-five per cent. 103258

(e) For 2012 and each year thereafter, the sum of the amounts 103259

in divisions (A)(1)(e)(i) or (ii) and (iii) of this section: 103260

(i) If the ratio of the taxing unit's 2010 S.B. 3 allocation 103261
to its total resources is equal to or less than the threshold per 103262
cent, zero; 103263

(ii) If the ratio of the taxing unit's 2010 S.B. 3 allocation 103264
to its total resources is greater than the threshold per cent, 103265
fifty per cent of the difference of the 2010 S.B. 3 allocation 103266
minus the product of total resources multiplied by the threshold 103267
per cent; 103268

(iii) In the case of a municipal corporation, fifty per cent 103269
of the product of its 2010 non-current expense S.B. 3 allocation 103270
multiplied by fifty per cent for year 2012 and by twenty-five per 103271
cent for years 2013 and thereafter. 103272

(f) For the payment in 2012 to be made to a public library on 103273
or before the thirty-first day of August and for all such payments 103274
to be made in 2013 and thereafter, the amount in division 103275
(A)(1)(f)(i) or (ii) of this section: 103276

(i) If the ratio of S.B. 3 allocation for library purposes to 103277
total library resources is equal to or less than the threshold per 103278
cent, zero; 103279

(ii) If the ratio of S.B. 3 allocation for library purposes 103280
to total library resources is greater than the threshold per cent, 103281
fifty per cent of the difference of the S.B. 3 allocation for 103282
library purposes minus the product of total library resources 103283
multiplied by the threshold per cent. 103284

(2) For fixed-sum levy losses determined under division (H) 103285
of section 5727.84 of the Revised Code, payments shall be made in 103286
the amount of one hundred per cent of the fixed-sum levy loss for 103287
payments required to be made in 2002 and thereafter. 103288

(3) A local taxing unit in a county of less than two hundred 103289

fifty square miles that receives eighty per cent or more of its 103290
combined general fund and bond retirement fund revenues from 103291
property taxes and rollbacks based on 1997 actual revenues as 103292
presented in its 1999 tax budget, and in which electric companies 103293
and rural electric companies comprise over twenty per cent of its 103294
property valuation, shall receive one hundred per cent of its 103295
fixed-rate levy losses from electric company tax value losses 103296
certified under division (A) of this section in years 2002 to 103297
2010. Beginning in 2011, payments for such local taxing units 103298
shall be determined under division (A)(1) of this section. 103299

(4) For taxes levied within the ten-mill limitation or 103300
pursuant to a municipal charter for debt purposes in tax year 1998 103301
in the case of electric company tax value losses, and in tax year 103302
1999 in the case of natural gas company tax value losses, payments 103303
shall be made equal to one hundred per cent of the loss computed 103304
as if the tax were a fixed-rate levy, but those payments shall 103305
extend from 2011 through 2016 if the levy was charged and payable 103306
for debt purposes in tax year 2010. If the levy is not charged and 103307
payable for debt purposes in tax year 2010 or any following tax 103308
year before tax year 2016, payments for that levy shall be made 103309
under division (A)(1) of this section beginning with the first 103310
year after the year the levy is charged and payable for a purpose 103311
other than debt. For the purposes of this division, taxes levied 103312
pursuant to a municipal charter refer to taxes levied pursuant to 103313
a provision of a municipal charter that permits the tax to be 103314
levied without prior voter approval. 103315

(B) Beginning in 2003, by the thirty-first day of January of 103316
each year, the tax commissioner shall review the calculation 103317
originally made under division (A) of this section of the 103318
fixed-sum levy loss determined under division (H) of section 103319
5727.84 of the Revised Code. If the commissioner determines that a 103320
fixed-sum levy that had been scheduled to be reimbursed in the 103321

current year has expired, a revised calculation for that and all 103322
subsequent years shall be made. 103323

(C) Payments to local taxing units and public libraries 103324
required to be made under divisions (A) and (E) of this section 103325
shall be paid from the local government property tax replacement 103326
fund to the county undivided income tax fund in the proper county 103327
treasury. The county treasurer shall distribute amounts paid under 103328
division (A) of this section to the proper local taxing unit or 103329
public library as if they had been levied and collected as taxes, 103330
and the local taxing unit or public library shall apportion the 103331
amounts so received among its funds in the same proportions as if 103332
those amounts had been levied and collected as taxes. Except in 103333
the case of amounts distributed to the county as a local taxing 103334
unit, amounts distributed under division (E)(2) of this section 103335
shall be credited to the general fund of the local taxing unit 103336
that receives them. Amounts distributed to each county as a local 103337
taxing unit under division (E)(2) of this section shall be 103338
credited in the proportion that the current taxes charged and 103339
payable from each levy of or by the county bears to the total 103340
current taxes charged and payable from all levies of or by the 103341
county. 103342

(D) By February 5, 2002, the tax commissioner shall estimate 103343
the amount of money in the local government property tax 103344
replacement fund in excess of the amount necessary to make 103345
payments in that month under division (C) of this section. 103346
Notwithstanding division (A) of this section, the tax commissioner 103347
may pay any local taxing unit, from those excess funds, nine and 103348
four-tenths times the amount computed for 2002 under division 103349
(A)(1) of this section. A payment made under this division shall 103350
be in lieu of the payment to be made in February 2002 under 103351
division (A)(1) of this section. A local taxing unit receiving a 103352
payment under this division will no longer be entitled to any 103353

further payments under division (A)(1) of this section. A payment 103354
made under this division shall be paid from the local government 103355
property tax replacement fund to the county undivided income tax 103356
fund in the proper county treasury. The county treasurer shall 103357
distribute the payment to the proper local taxing unit as if it 103358
had been levied and collected as taxes, and the local taxing unit 103359
shall apportion the amounts so received among its funds in the 103360
same proportions as if those amounts had been levied and collected 103361
as taxes. 103362

(E)(1) On the thirty-first day of July of 2002, 2003, 2004, 103363
2005, and 2006, and on the thirty-first day of January and July of 103364
2007 through January 2011, if the amount credited to the local 103365
government property tax replacement fund exceeds the amount needed 103366
to be distributed from the fund under division (A) of this section 103367
in the following month, the tax commissioner shall distribute the 103368
excess to each county as follows: 103369

(a) One-half shall be distributed to each county in 103370
proportion to each county's population. 103371

(b) One-half shall be distributed to each county in the 103372
proportion that the amounts determined under divisions (G) and (H) 103373
of section 5727.84 of the Revised Code for all local taxing units 103374
in the county is of the total amounts so determined for all local 103375
taxing units in the state. 103376

(2) The amounts distributed to each county under division (E) 103377
of this section shall be distributed by the county auditor to each 103378
local taxing unit in the county in the proportion that the unit's 103379
current taxes charged and payable are of the total current taxes 103380
charged and payable of all the local taxing units in the county. 103381
If the amount that the county auditor determines to be distributed 103382
to a local taxing unit is less than five dollars, that amount 103383
shall not be distributed, and the amount not distributed shall 103384
remain credited to the county undivided income tax fund. At the 103385

time of the next distribution under division (E)(2) of this 103386
section, any amount that had not been distributed in the prior 103387
distribution shall be added to the amount available for the next 103388
distribution prior to calculation of the amount to be distributed. 103389
As used in this division, "current taxes charged and payable" 103390
means the taxes charged and payable as most recently determined 103391
for local taxing units in the county. 103392

After January 2011, any amount that exceeds the amount needed 103393
to be distributed from the fund under division (A) of this section 103394
in the following month shall be transferred to the general revenue 103395
fund. 103396

(F) If the total amount in the local government property tax 103397
replacement fund is insufficient to make all payments under 103398
division (C) of this section at the times the payments are to be 103399
made, the director of budget and management shall transfer from 103400
the general revenue fund to the local government property tax 103401
replacement fund the difference between the total amount to be 103402
paid and the amount in the local government property tax 103403
replacement fund, except that no transfer shall be made by reason 103404
of a deficiency to the extent that it results from the amendment 103405
of section 5727.84 of the Revised Code by Amended Substitute House 103406
Bill 95 of the 125th general assembly. 103407

(G) If all or a part of the territories of two or more local 103408
taxing units are merged, or unincorporated territory of a township 103409
is annexed by a municipal corporation, the tax commissioner shall 103410
adjust the payments made under this section to each of the local 103411
taxing units in proportion to the square mileage apportioned to 103412
the merged or annexed territory, or as otherwise provided by a 103413
written agreement between the legislative authorities of the local 103414
taxing units certified to the tax commissioner not later than the 103415
first day of June of the calendar year in which the payment is to 103416
be made. 103417

Sec. 5729.16. (A) Terms used in this section have the same 103418
meaning as in section 5725.33 of the Revised Code. 103419

(B) There is hereby allowed a nonrefundable credit against 103420
the tax imposed by section 5729.03 or 5729.06 of the Revised Code 103421
for a foreign insurance company holding a qualified equity 103422
investment on the credit allowance date occurring in the calendar 103423
year for which the tax is due. The credit shall be computed in the 103424
same manner prescribed for the computation of credits allowed 103425
under section 5725.33 of the Revised Code. 103426

The credit shall be claimed in the order prescribed by 103427
section 5729.98 of the Revised Code. If the amount of the credit 103428
exceeds the amount of tax otherwise due after deducting all other 103429
credits in that order, the excess may be carried forward and 103430
applied to the tax due for not more than four ensuing years. 103431

By claiming a tax credit under this section, an insurance 103432
company waives its rights under section 5729.102 of the Revised 103433
Code with respect to the time limitation for the assessment of 103434
taxes as it relates to credits claimed that later become subject 103435
to recapture under division (D) of this section. 103436

(C) The total amount of qualified equity investments on the 103437
basis of which credits may be claimed under this section, section 103438
5725.33, and section 5733.58 of the Revised Code is subject to the 103439
limitation of division (C) of section 5725.33 of the Revised Code. 103440

(D) If any amount of a federal tax credit allowed for a 103441
qualified equity investment for which a credit was received under 103442
this section is recaptured under section 45D of the Internal 103443
Revenue Code, or if the director of development services 103444
determines that an investment for which a tax credit is claimed 103445
under this section is not a qualified equity investment or that 103446
the proceeds of an investment for which a tax credit is claimed 103447
under this section are used to make qualified low-income community 103448

investments other than in a qualified active low-income community 103449
business in this state, all or a portion of the credit received on 103450
account of that investment shall be paid by the insurance company 103451
that received the credit to the superintendent of insurance. The 103452
amount to be recovered shall be determined by the director of 103453
development services pursuant to rules adopted under section 103454
5725.33 of the Revised Code. The director shall certify any amount 103455
due under this division to the superintendent of insurance, and 103456
the superintendent shall notify the treasurer of state of the 103457
amount due. Upon notification, the treasurer shall invoice the 103458
insurance company for the amount due. The amount due is payable 103459
not later than thirty days after the date the treasurer invoices 103460
the insurance company. The amount due shall be considered to be 103461
tax due under section 5729.03 or 5729.06 of the Revised Code, as 103462
applicable, and may be collected by assessment without regard to 103463
the time limitations imposed under section 5729.102 of the Revised 103464
Code for the assessment of taxes by the superintendent. All 103465
amounts collected under this division shall be credited as revenue 103466
from the tax levied under section 5729.03 of the Revised Code. 103467

Sec. 5729.98. (A) To provide a uniform procedure for 103468
calculating the amount of tax due under this chapter, a taxpayer 103469
shall claim any credits and offsets against tax liability to which 103470
it is entitled in the following order: 103471

(1) The credit for an insurance company or insurance company 103472
group under section 5729.031 of the Revised Code; 103473

(2) The credit for eligible employee training costs under 103474
section 5729.07 of the Revised Code; 103475

(3) The credit for purchases of qualified low-income 103476
community investments under section 5729.16 of the Revised Code; 103477

103486
103487
103488
103489

(8) The refundable credit for Ohio job creation under section 5729.032 of the Revised Code; 103490
103491

(9) The refundable credit under section 5729.08 of the Revised Code for losses on loans made under the Ohio venture capital program under sections 150.01 to 150.10 of the Revised Code. 103492
103493
103494
103495

(B) For any credit except the refundable credits enumerated in this section, the amount of the credit for a taxable year shall not exceed the tax due after allowing for any other credit that precedes it in the order required under this section. Any excess amount of a particular credit may be carried forward if authorized under the section creating that credit. Nothing in this chapter shall be construed to allow a taxpayer to claim, directly or indirectly, a credit more than once for a taxable year. 103496

tax payments under this chapter, taxes equal to the amount of the 103511
refundable credit shall be considered to be paid to this state on 103512
the first day of the tax year. The refundable credit shall not be 103513
claimed for any tax years following the calendar year in which a 103514
relocation of employment positions occurs in violation of an 103515

Sec. 5733.58. (A) Terms used in this section have the same 103522

(B) There is hereby allowed a nonrefundable credit against 103524
the tax imposed by section 5733.06 of the Revised Code for a 103525
financial institution holding a qualified equity investment on the 103526
credit allowance date occurring in the calendar year immediately 103527
preceding the tax year for which the tax is due. The credit shall 103528
be computed in the same manner prescribed for the computation of 103529
credits allowed under section 5725.33 of the Revised Code. 103530

By claiming a tax credit under this section, a financial 103531
institution waives its rights under section 5733.11 of the Revised 103532
Code with respect to the time limitation for the assessment of 103533
taxes as it relates to credits claimed that later become subject 103534
to recapture under division (D) of this section. 103535

The credit shall be claimed in the order prescribed by 103536
section 5733.98 of the Revised Code. If the amount of the credit 103537
exceeds the amount of tax otherwise due after deducting all other 103538
credits in that order, the excess may be carried forward and 103539
applied to the tax due for not more than four ensuing tax years. 103540

(C) The total amount of qualified equity investments on the 103541
basis of which credits may be claimed under this section and 103542
sections 5725.33 and 5729.16 of the Revised Code is subject to the 103543
limitation of division (C) of section 5725.33 of the Revised Code. 103544

(D) If any amount of a federal tax credit allowed for a 103545
qualified equity investment for which a credit was received under 103546
this section is recaptured under section 45D of the Internal 103547
Revenue Code, or if the director of development services 103548
determines that an investment for which a tax credit is claimed 103549
under this section is not a qualified equity investment or that 103550
the proceeds of an investment for which a tax credit is claimed 103551
under this section are used to make qualified low-income community 103552
investments other than in a qualified active low-income community 103553
business in this state, all or a portion of the credit received on 103554
account of that investment shall be paid by the financial 103555
institution that received the credit to the tax commissioner. The 103556
amount to be recovered shall be determined by the director of 103557
development services pursuant to rules adopted under section 103558
5725.33 of the Revised Code. The director shall certify any amount 103559
due under this division to the tax commissioner, and the 103560
commissioner shall notify the financial institution of the amount 103561
due. The amount due is payable not later than thirty days after 103562
the day the commissioner issues the notice. The amount due shall 103563
be considered to be tax due under section 5733.06 of the Revised 103564
Code, and may be collected by assessment without regard to the 103565
limitations imposed under section 5733.11 of the Revised Code for 103566
the assessment of taxes by the commissioner. All amounts collected 103567
under this division shall be credited as revenue from the tax 103568
levied under section 5733.06 of the Revised Code. 103569

refinery, pipeline, or terminal via any method of transportation 103578
is in a "distribution system." Motor fuel is "outside of a 103579
distribution system" if the fuel is in a fuel storage facility, 103580

refinery or terminal, is in the fuel supply tank of an engine or 103582
motor vehicle, or is being transported by a marine vessel, tank 103583
car, rail car, trailer, truck, or other suitable equipment to a 103584
fuel storage facility that is not in a distribution system. 103585

103637

(a) The number of gallons of the blend stocks or additives; 103638

(b) The average wholesale price of a gallon of such blend stocks or additives for the calendar quarter in which the tax was paid on the blend stocks or additives. 103639

the first sale of motor fuel within this state. The tax due shall 103694
be computed by multiplying ~~sixty five one hundredths of one per~~ 103695
~~cent~~ by the supplier's calculated gross receipts by one of the 103696
following tax rates: 103697

(a) If the calculated gross receipts are received from the 103698

wholesale prices of a gallon of unleaded regular gasoline, of a 103720
gallon of propane, and of a gallon of diesel fuel for each 103721
calendar quarter. The commissioner's determination is presumed to 103722
be correct unless clearly erroneous. The figure shall be published 103723

at least fifteen days before the beginning of the calendar 103724
quarter. The commissioner shall base the average price on pricing 103725
information available from the United States energy information 103726
administration or, if such information is not available from that 103727
agency, from another publicly available source selected by the 103728
commissioner. The commissioner shall first make reasonable efforts 103729
to obtain data specific to this state before using national data 103730
to determine the average wholesale price. The price shall not 103731
include any federal or state excise taxes on the gasoline or 103732
diesel fuel, or the tax imposed by this chapter. The price shall 103733
be rounded up to the nearest one-tenth of one cent. 103734

(D) Nothing in this chapter prohibits a person from 103735

(E) The tax imposed by this section applies only to suppliers 103738

defined in section 5751.01 of the Revised Code. A supplier that 103740
does not have substantial nexus with the state may voluntarily 103741
obtain a license from the commissioner under section 5736.06 of 103742
the Revised Code. A supplier that voluntarily obtains a license 103743
from the commissioner is entitled to the same benefits and is 103744
subject to the same duties and requirements as are suppliers 103745
required to be licensed with the commissioner. 103746

existed before the effective date of the amendment of this section 103750
by H.B. 64 of the 131st general assembly, may claim a refundable 103751
credit against the tax imposed under this chapter. For the purpose 103752

amount of the refundable credit shall be considered to be paid on 103754

the first day of the tax period. 103755

be allowed under this division if the credit was available against 103768
the tax imposed under section 5751.02 of the Revised Code except 103769
to the extent the credit was not applied against that tax. 103770

(E) The amount of a credit claimed under division (B) or (D) 103771
of this section shall not exceed the tax otherwise due for the tax 103772
period. If the credit allowed under division (B) or (D) of this 103773
section exceeds the tax otherwise due, the excess may be carried 103774
forward to the extent authorized by section 122.171 of the Revised 103775
Code. 103776

pursuant to which tangible personal property is or is to be 103893
incorporated into a structure or improvement on and becoming a 103894

tangible personal property, provided that the sale and 103897
installation of carpeting, the sale and installation of 103898

of the purposes described in divisions (A)(1) to (5) of this 105586

section and shall prescribe the method for allocating the revenues 105587
from the tax each year in the manner required by division (C) of 105588
this section. 105589

(7) To provide additional revenue for the operation or 105590
maintenance of a detention facility, as that term is defined under 105591
division (F) of section 2921.01 of the Revised Code; 105592

(8) To provide revenue to finance the construction or 105593
renovation of a sports facility, but only if the tax is levied for 105594
that purpose in the manner prescribed by section 5739.028 of the 105595
Revised Code. 105596

As used in division (A)(8) of this section: 105597

(a) "Sports facility" means a facility intended to house 105598
major league professional athletic teams. 105599

(b) "Constructing" or "construction" includes providing 105600
fixtures, furnishings, and equipment. 105601

(9) To provide additional revenue for the acquisition of 105602
agricultural easements, as defined in section 5301.67 of the 105603
Revised Code; to pay principal, interest, and premium on bonds 105604

county; 105607

(10) To provide revenue for the provision of ambulance, 105608

by a lake facilities authority, as provided in Chapter 353. of the 105612
Revised Code. 105613

Pursuant to section 755.171 of the Revised Code, a board of 105614
county commissioners may pledge and contribute revenue from a tax 105615
levied for the purpose of division (A)(5) of this section to the 105616

payment of debt charges on bonds issued under section 755.17 of 105617
the Revised Code. 105618

The rate of tax shall be a multiple of one-fourth of one per 105619
cent, unless a portion of the rate of an existing tax levied under 105620
section 5739.023 of the Revised Code has been reduced, and the 105621
rate of tax levied under this section has been increased, pursuant 105622
to section 5739.028 of the Revised Code, in which case the 105623
aggregate of the rates of tax levied under this section and 105624
section 5739.023 of the Revised Code shall be a multiple of 105625
one-fourth of one per cent. The tax shall be levied and the rate 105626
increased pursuant to a resolution adopted by a majority of the 105627
members of the board. The board shall deliver a certified copy of 105628
the resolution to the tax commissioner, not later than the 105629
sixty-fifth day prior to the date on which the tax is to become 105630
effective, which shall be the first day of a calendar quarter. 105631

Prior to the adoption of any resolution to levy the tax or to 105632
increase the rate of tax exclusively for the purpose set forth in 105633
division (A)(3) of this section, the board of county commissioners 105634
shall conduct two public hearings on the resolution, the second 105635
hearing to be no fewer than three nor more than ten days after the 105636
first. Notice of the date, time, and place of the hearings shall 105637
be given by publication in a newspaper of general circulation in 105638
the county, or as provided in section 7.16 of the Revised Code, 105639
once a week on the same day of the week for two consecutive weeks. 105640
The second publication shall be no fewer than ten nor more than 105641
thirty days prior to the first hearing. Except as provided in 105642
division (E) of this section, the resolution shall be subject to a 105643
referendum as provided in sections 305.31 to 305.41 of the Revised 105644
Code. If the resolution is adopted as an emergency measure 105645
necessary for the immediate preservation of the public peace, 105646
health, or safety, it must receive an affirmative vote of all of 105647
the members of the board of county commissioners and shall state 105648

the reasons for the necessity. 105649

If the tax is for more than one of the purposes set forth in 105650
divisions (A)(1) to (7), (9), and (10) of this section, or is 105651
exclusively for one of the purposes set forth in division (A)(1), 105652
(2), (4), (5), (6), (7), (9), or (10) of this section, the 105653
resolution shall not go into effect unless it is approved by a 105654
majority of the electors voting on the question of the tax. 105655

(B) The board of county commissioners shall adopt a 105656
resolution under section 351.02 of the Revised Code creating the 105657
convention facilities authority, or under section 307.283 of the 105658
Revised Code creating the community improvements board, before 105659
adopting a resolution levying a tax for the purpose of a 105660
convention facilities authority under division (A)(1) of this 105661
section or for the purpose of a community improvements board under 105662
division (A)(4) of this section. 105663

(C)(1) If the tax is to be used for more than one of the 105664
purposes set forth in divisions (A)(1) to (7), (9), and (10) of 105665
this section, the board of county commissioners shall establish 105666
the method that will be used to determine the amount or proportion 105667
of the tax revenue received by the county during each year that 105668
will be distributed for each of those purposes, including, if 105669
applicable, provisions governing the reallocation of a convention 105670
facilities authority's allocation if the authority is dissolved 105671
while the tax is in effect. The allocation method may provide that 105672
different proportions or amounts of the tax shall be distributed 105673
among the purposes in different years, but it shall clearly 105674
describe the method that will be used for each year. Except as 105675
otherwise provided in division (C)(2) of this section, the 105676
allocation method established by the board is not subject to 105677
amendment during the life of the tax. 105678

(2) Subsequent to holding a public hearing on the proposed 105679
amendment, the board of county commissioners may amend the 105680

allocation method established under division (C)(1) of this 105681
section for any year, if the amendment is approved by the 105682
governing board of each entity whose allocation for the year would 105683
be reduced by the proposed amendment. In the case of a tax that is 105684
levied for a continuing period of time, the board may not so amend 105685
the allocation method for any year before the sixth year that the 105686
tax is in effect. 105687

(a) If the additional revenues provided to the convention 105688
facilities authority are pledged by the authority for the payment 105689
of convention facilities authority revenue bonds for as long as 105690
such bonds are outstanding, no reduction of the authority's 105691
allocation of the tax shall be made for any year except to the 105692
extent that the reduced authority allocation, when combined with 105693
the authority's other revenues pledged for that purpose, is 105694
sufficient to meet the debt service requirements for that year on 105695
such bonds. 105696

(b) If the additional revenues provided to the county are 105697
pledged by the county for the payment of bonds or notes described 105698
in division (A)(4) or (5) of this section, for as long as such 105699
bonds or notes are outstanding, no reduction of the county's or 105700
the community improvements board's allocation of the tax shall be 105701
made for any year, except to the extent that the reduced county or 105702
community improvements board allocation is sufficient to meet the 105703
debt service requirements for that year on such bonds or notes. 105704

(c) If the additional revenues provided to the transit 105705
authority are pledged by the authority for the payment of revenue 105706
bonds issued under section 306.37 of the Revised Code, for as long 105707
as such bonds are outstanding, no reduction of the authority's 105708
allocation of tax shall be made for any year, except to the extent 105709
that the authority's reduced allocation, when combined with the 105710
authority's other revenues pledged for that purpose, is sufficient 105711
to meet the debt service requirements for that year on such bonds. 105712

(d) If the additional revenues provided to the county are pledged by the county for the payment of bonds or notes issued under section 133.60 of the Revised Code, for so long as the bonds or notes are outstanding, no reduction of the county's allocation of the tax shall be made for any year, except to the extent that the reduced county allocation is sufficient to meet the debt service requirements for that year on the bonds or notes.

(D)(1) The resolution levying the tax or increasing the rate of tax shall state the rate of the tax or the rate of the increase; the purpose or purposes for which it is to be levied; the number of years for which it is to be levied or that it is for a continuing period of time; the allocation method required by division (C) of this section; and if required to be submitted to the electors of the county under division (A) of this section, the date of the election at which the proposal shall be submitted to the electors of the county, which shall be not less than ninety days after the certification of a copy of the resolution to the board of elections and, if the tax is to be levied exclusively for the purpose set forth in division (A)(3) of this section, shall not occur in ~~February~~ or August of any year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. If approved by a majority of the electors, the tax shall become effective on the first day of a calendar quarter next following the sixty-fifth day following the date the board of county commissioners and tax commissioner receive from the board of elections the certification of the results of the election, except as provided in division (E) of this section.

(2)(a) A resolution specifying that the tax is to be used exclusively for the purpose set forth in division (A)(3) of this section that is not adopted as an emergency measure may direct the

board of elections to submit the question of levying the tax or 105745
increasing the rate of the tax to the electors of the county at a 105746
special election held on the date specified by the board of county 105747
commissioners in the resolution, provided that the election occurs 105748
not less than ninety days after the resolution is certified to the 105749
board of elections and the election is not held in ~~February or~~ 105750
August of any year. Upon certification of the resolution to the 105751
board of elections, the board of county commissioners shall notify 105752
the tax commissioner in writing of the levy question to be 105753
submitted to the electors. No resolution adopted under division 105754
(D)(2)(a) of this section shall go into effect unless approved by 105755
a majority of those voting upon it and, except as provided in 105756
division (E) of this section, not until the first day of a 105757
calendar quarter following the expiration of sixty-five days from 105758
the date the tax commissioner receives notice from the board of 105759
elections of the affirmative vote. 105760

(b) A resolution specifying that the tax is to be used 105761
exclusively for the purpose set forth in division (A)(3) of this 105762
section that is adopted as an emergency measure shall become 105763
effective as provided in division (A) of this section, but may 105764
direct the board of elections to submit the question of repealing 105765
the tax or increase in the rate of the tax to the electors of the 105766
county at the next general election in the county occurring not 105767
less than ninety days after the resolution is certified to the 105768
board of elections. Upon certification of the resolution to the 105769
board of elections, the board of county commissioners shall notify 105770
the tax commissioner in writing of the levy question to be 105771
submitted to the electors. The ballot question shall be the same 105772
as that prescribed in section 5739.022 of the Revised Code. The 105773
board of elections shall notify the board of county commissioners 105774
and the tax commissioner of the result of the election immediately 105775
after the result has been declared. If a majority of the qualified 105776
electors voting on the question of repealing the tax or increase 105777

in the rate of the tax vote for repeal of the tax or repeal of the 105778
increase, the board of county commissioners, on the first day of a 105779
calendar quarter following the expiration of sixty-five days after 105780
the date the board and tax commissioner received notice of the 105781
result of the election, shall, in the case of a repeal of the tax, 105782
cease to levy the tax, or, in the case of a repeal of an increase 105783
in the rate of the tax, cease to levy the increased rate and levy 105784
the tax at the rate at which it was imposed immediately prior to 105785
the increase in rate. 105786

(c) A board of county commissioners, by resolution, may 105787
reduce the rate of a tax levied exclusively for the purpose set 105788
forth in division (A)(3) of this section to a lower rate 105789
authorized by this section. Any such reduction shall be made 105790
effective on the first day of the calendar quarter next following 105791
the sixty-fifth day after the tax commissioner receives a 105792
certified copy of the resolution from the board. 105793

(E) If a vendor makes a sale in this state by printed catalog 105794
and the consumer computed the tax on the sale based on local rates 105795
published in the catalog, any tax levied or repealed or rate 105796
changed under this section shall not apply to such a sale until 105797
the first day of a calendar quarter following the expiration of 105798
one hundred twenty days from the date of notice by the tax 105799

Revised Code. 105804

Revised Code. 105807

The additional tax levied by the county shall be collected 105808

pursuant to section 5739.025 of the Revised Code. 105809

Any tax levied pursuant to this section is subject to the 105810

addition shall not be applicable to sales not within the taxing 105812
power of a county under the Constitution of the United States or 105813
the Ohio Constitution. 105814

(G) Upon receipt from a board of county commissioners of a 105815
certified copy of a resolution required by division (A) of this 105816
section, or from the board of elections a notice of the results of 105817
an election required by division (D)(1), (2)(a), (b), or (c) of 105818
this section, the tax commissioner shall provide notice of a tax 105819
rate change in a manner that is reasonably accessible to all 105820
affected vendors. The commissioner shall provide this notice at 105821
least sixty days prior to the effective date of the rate change. 105822
The commissioner, by rule, may establish the method by which 105823
notice will be provided. 105824

of this section, the regulations shall provide, after deducting 105975
the real and actual costs of administering the tax, for the return 105976
to each municipal corporation or township that does not levy an 105977
excise tax on the transactions, a uniform percentage of the tax 105978
collected in the municipal corporation or in the unincorporated 105979
portion of the township from each transaction, not to exceed 105980
thirty-three and one-third per cent. The remainder of the revenue 105981
arising from the tax shall be deposited in a separate fund and 105982
shall be spent solely to make contributions to the convention and 105983
visitors' bureau operating within the county, including a pledge 105984
and contribution of any portion of the remainder pursuant to an 105985
agreement authorized by section 307.678 or 307.695 of the Revised 105986
Code, provided that if the board of county commissioners of an 105987
eligible county as defined in section 307.678 or 307.695 of the 105988
Revised Code adopts a resolution amending a resolution levying a 105989
tax under this division to provide that revenue from the tax shall 105990
be used by the board as described in either division (D) of 105991
section 307.678 or division (H) of section 307.695 of the Revised 105992
Code, the remainder of the revenue shall be used as described in 105993
the resolution making that amendment. Except as provided in 105994
division (A)(2), (3), (4), (5), (6), ~~or (7), (8), or (10)~~ or (H) 105995

of this section, on and after May 10, 1994, a board of county commissioners may not levy an excise tax pursuant to this division in any municipal corporation or township located wholly or partly within the county that has in effect an ordinance or resolution levying an excise tax pursuant to division (B) of this section. The board of a county that has levied a tax under division (C) of this section may, by resolution adopted within ninety days after July 15, 1985, by a majority of the members of the board, amend the resolution levying a tax under this division to provide for a portion of that tax to be pledged and contributed in accordance with an agreement entered into under section 307.695 of the Revised Code. A tax, any revenue from which is pledged pursuant to such an agreement, shall remain in effect at the rate at which it is imposed for the duration of the period for which the revenue from the tax has been so pledged.

The board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code may, by resolution adopted by a majority of the members of the board, amend a resolution levying a tax under this division to provide that the revenue from the tax shall be used by the board as described in division (H) of section 307.695 of the Revised Code, in which case the tax shall remain in effect at the rate at which it was imposed for the duration of any agreement entered into by the board under section 307.695 of the Revised Code, the duration during which any securities issued by the board under that section are outstanding, or the duration of the period during which the board owns a project as defined in section 307.695 of the Revised Code, whichever duration is longest.

The board of county commissioners of an eligible county as defined in section 307.678 of the Revised Code may, by resolution, amend a resolution levying a tax under this division to provide that revenue from the tax, not to exceed five hundred thousand

dollars each year, may be used as described in division (D) of 106028
section 307.678 of the Revised Code. 106029

(2) A board of county commissioners that levies an excise tax 106030
under division (A)(1) of this section on June 30, 1997, at a rate 106031
of three per cent, and that has pledged revenue from the tax to an 106032
agreement entered into under section 307.695 of the Revised Code 106033
or, in the case of the board of county commissioners of an 106034
eligible county as defined in section 307.695 of the Revised Code, 106035
has amended a resolution levying a tax under division (C) of this 106036
section to provide that proceeds from the tax shall be used by the 106037
board as described in division (H) of section 307.695 of the 106038
Revised Code, may, at any time by a resolution adopted by a 106039
majority of the members of the board, amend the resolution levying 106040
a tax under division (A)(1) of this section to provide for an 106041
increase in the rate of that tax up to seven per cent on each 106042
transaction; to provide that revenue from the increase in the rate 106043
shall be used as described in division (H) of section 307.695 of 106044
the Revised Code or be spent solely to make contributions to the 106045
convention and visitors' bureau operating within the county to be 106046
used specifically for promotion, advertising, and marketing of the 106047
region in which the county is located; and to provide that the 106048
rate in excess of the three per cent levied under division (A)(1) 106049
of this section shall remain in effect at the rate at which it is 106050
imposed for the duration of the period during which any agreement 106051
is in effect that was entered into under section 307.695 of the 106052
Revised Code by the board of county commissioners levying a tax 106053
under division (A)(1) of this section, the duration of the period 106054
during which any securities issued by the board under division (I) 106055
of section 307.695 of the Revised Code are outstanding, or the 106056
duration of the period during which the board owns a project as 106057
defined in section 307.695 of the Revised Code, whichever duration 106058
is longest. The amendment also shall provide that no portion of 106059
that revenue need be returned to townships or municipal 106060

corporations as would otherwise be required under division (A)(1) 106061
of this section. 106062

(3) A board of county commissioners that levies a tax under 106063
division (A)(1) of this section on March 18, 1999, at a rate of 106064
three per cent may, by resolution adopted not later than 106065
forty-five days after March 18, 1999, amend the resolution levying 106066
the tax to provide for all of the following: 106067

(a) That the rate of the tax shall be increased by not more 106068
than an additional four per cent on each transaction; 106069

(b) That all of the revenue from the increase in the rate 106070
shall be pledged and contributed to a convention facilities 106071
authority established by the board of county commissioners under 106072
Chapter 351. of the Revised Code on or before November 15, 1998, 106073
and used to pay costs of constructing, maintaining, operating, and 106074
promoting a facility in the county, including paying bonds, or 106075
notes issued in anticipation of bonds, as provided by that 106076
chapter; 106077

(c) That no portion of the revenue arising from the increase 106078
in rate need be returned to municipal corporations or townships as 106079
otherwise required under division (A)(1) of this section; 106080

(d) That the increase in rate shall not be subject to 106081
diminution by initiative or referendum or by law while any bonds, 106082
or notes in anticipation of bonds, issued by the authority under 106083
Chapter 351. of the Revised Code to which the revenue is pledged, 106084
remain outstanding in accordance with their terms, unless 106085
provision is made by law or by the board of county commissioners 106086
for an adequate substitute therefor that is satisfactory to the 106087
trustee if a trust agreement secures the bonds. 106088

Division (A)(3) of this section does not apply to the board 106089
of county commissioners of any county in which a convention center 106090
or facility exists or is being constructed on November 15, 1998, 106091

or of any county in which a convention facilities authority levies 106092
a tax pursuant to section 351.021 of the Revised Code on that 106093
date. 106094

As used in division (A)(3) of this section, "cost" and 106095
"facility" have the same meanings as in section 351.01 of the 106096
Revised Code, and "convention center" has the same meaning as in 106097
section 307.695 of the Revised Code. 106098

(4)(a) A board of county commissioners that levies a tax 106099
under division (A)(1) of this section on June 30, 2002, at a rate 106100
of three per cent may, by resolution adopted not later than 106101
September 30, 2002, amend the resolution levying the tax to 106102
provide for all of the following: 106103

(i) That the rate of the tax shall be increased by not more 106104
than an additional three and one-half per cent on each 106105
transaction; 106106

(ii) That all of the revenue from the increase in rate shall 106107
be pledged and contributed to a convention facilities authority 106108
established by the board of county commissioners under Chapter 106109
351. of the Revised Code on or before May 15, 2002, and be used to 106110
pay costs of constructing, expanding, maintaining, operating, or 106111
promoting a convention center in the county, including paying 106112
bonds, or notes issued in anticipation of bonds, as provided by 106113
that chapter; 106114

(iii) That no portion of the revenue arising from the 106115
increase in rate need be returned to municipal corporations or 106116
townships as otherwise required under division (A)(1) of this 106117
section; 106118

(iv) That the increase in rate shall not be subject to 106119
diminution by initiative or referendum or by law while any bonds, 106120
or notes in anticipation of bonds, issued by the authority under 106121
Chapter 351. of the Revised Code to which the revenue is pledged, 106122

remain outstanding in accordance with their terms, unless 106123
provision is made by law or by the board of county commissioners 106124
for an adequate substitute therefor that is satisfactory to the 106125
trustee if a trust agreement secures the bonds. 106126

(b) Any board of county commissioners that, pursuant to 106127
division (A)(4)(a) of this section, has amended a resolution 106128
levying the tax authorized by division (A)(1) of this section may 106129
further amend the resolution to provide that the revenue referred 106130
to in division (A)(4)(a)(ii) of this section shall be pledged and 106131
contributed both to a convention facilities authority to pay the 106132
costs of constructing, expanding, maintaining, or operating one or 106133
more convention centers in the county, including paying bonds, or 106134
notes issued in anticipation of bonds, as provided in Chapter 351. 106135
of the Revised Code, and to a convention and visitors' bureau to 106136
pay the costs of promoting one or more convention centers in the 106137
county. 106138

As used in division (A)(4) of this section, "cost" has the 106139
same meaning as in section 351.01 of the Revised Code, and 106140
"convention center" has the same meaning as in section 307.695 of 106141
the Revised Code. 106142

(5)(a) As used in division (A)(5) of this section: 106143

(i) "Port authority" means a port authority created under 106144
Chapter 4582. of the Revised Code. 106145

(ii) "Port authority military-use facility" means port 106146
authority facilities on which or adjacent to which is located an 106147
installation of the armed forces of the United States, a reserve 106148
component thereof, or the national guard and at least part of 106149
which is made available for use, for consideration, by the armed 106150
forces of the United States, a reserve component thereof, or the 106151
national guard. 106152

(b) For the purpose of contributing revenue to pay operating 106153

expenses of a port authority that operates a port authority 106154
military-use facility, the board of county commissioners of a 106155
county that created, participated in the creation of, or has 106156
joined such a port authority may do one or both of the following: 106157

(i) Amend a resolution previously adopted under division 106158
(A)(1) of this section to designate some or all of the revenue 106159
from the tax levied under the resolution to be used for that 106160
purpose, notwithstanding that division; 106161

(ii) Amend a resolution previously adopted under division 106162
(A)(1) of this section to increase the rate of the tax by not more 106163
than an additional two per cent and use the revenue from the 106164
increase exclusively for that purpose. 106165

(c) If a board of county commissioners amends a resolution to 106166
increase the rate of a tax as authorized in division (A)(5)(b)(ii) 106167
of this section, the board also may amend the resolution to 106168
specify that the increase in rate of the tax does not apply to 106169
"hotels," as otherwise defined in section 5739.01 of the Revised 106170
Code, having fewer rooms used for the accommodation of guests than 106171
a number of rooms specified by the board. 106172

(6) A board of county commissioners of a county organized 106173
under a county charter adopted pursuant to Article X, Section 3, 106174
Ohio Constitution, and that levies an excise tax under division 106175
(A)(1) of this section at a rate of three per cent and levies an 106176
additional excise tax under division (E) of this section at a rate 106177
of one and one-half per cent may, by resolution adopted not later 106178
than January 1, 2008, by a majority of the members of the board, 106179
amend the resolution levying a tax under division (A)(1) of this 106180
section to provide for an increase in the rate of that tax by not 106181
more than an additional one per cent on transactions by which 106182
lodging by a hotel is or is to be furnished to transient guests. 106183
Notwithstanding divisions (A)(1) and (E) of this section, the 106184
resolution shall provide that all of the revenue from the increase 106185

in rate, after deducting the real and actual costs of 106186
administering the tax, shall be used to pay the costs of 106187
improving, expanding, equipping, financing, or operating a 106188
convention center by a convention and visitors' bureau in the 106189
county. The increase in rate shall remain in effect for the period 106190
specified in the resolution, not to exceed ten years. The increase 106191
in rate shall be subject to the regulations adopted under division 106192
(A)(1) of this section, except that the resolution may provide 106193
that no portion of the revenue from the increase in the rate shall 106194
be returned to townships or municipal corporations as would 106195
otherwise be required under that division. 106196

(7) Division (A)(7) of this section applies only to a county 106197
with a population greater than sixty-five thousand and less than 106198
seventy thousand according to the most recent federal decennial 106199
census and in which, on December 31, 2006, an excise tax is levied 106200
under division (A)(1) of this section at a rate not less than and 106201
not greater than three per cent, and in which the most recent 106202
increase in the rate of that tax was enacted or took effect in 106203
November 1984. 106204

The board of county commissioners of a county to which this 106205
division applies, by resolution adopted by a majority of the 106206
members of the board, may increase the rate of the tax by not more 106207
than one per cent on transactions by which lodging by a hotel is 106208
or is to be furnished to transient guests. The increase in rate 106209
shall be for the purpose of paying expenses deemed necessary by 106210
the convention and visitors' bureau operating in the county to 106211
promote travel and tourism. The increase in rate shall remain in 106212
effect for the period specified in the resolution, not to exceed 106213
twenty years, provided that the increase in rate may not continue 106214
beyond the time when the purpose for which the increase is levied 106215
ceases to exist. If revenue from the increase in rate is pledged 106216
to the payment of debt charges on securities, the increase in rate 106217

is not subject to diminution by initiative or referendum or by law 106218
for so long as the securities are outstanding, unless provision is 106219
made by law or by the board of county commissioners for an 106220
adequate substitute for that revenue that is satisfactory to the 106221
trustee if a trust agreement secures payment of the debt charges. 106222
The increase in rate shall be subject to the regulations adopted 106223
under division (A)(1) of this section, except that the resolution 106224
may provide that no portion of the revenue from the increase in 106225
the rate shall be returned to townships or municipal corporations 106226
as would otherwise be required under division (A)(1) of this 106227
section. A resolution adopted under division (A)(7) of this 106228
section is subject to referendum under sections 305.31 to 305.99 106229
of the Revised Code. 106230

(8)(a) Division (A)(8) of this section applies only to a 106231
county satisfying all of the following: 106232

(i) The population of the county is greater than one hundred 106233
seventy-five thousand and less than two hundred twenty-five 106234
thousand according to the most recent federal decennial census. 106235

(ii) An amusement park with an average yearly attendance in 106236
excess of two million guests is located in the county. 106237

(iii) On December 31, 2014, an excise tax was levied in the 106238
county under division (A)(1) of this section at a rate of three 106239
per cent. 106240

(b) The board of county commissioners of a county to which 106241
this division applies, by resolution adopted by a majority of the 106242
members of the board, may increase the rate of the tax by not more 106243
than one per cent on transactions by which lodging by a hotel is 106244
or is to be furnished to transient guests. The increase in rate 106245
shall be for the purpose of paying the costs of constructing and 106246
maintaining county-owned facilities designed to host sporting 106247
events and paying expenses deemed necessary by the convention and 106248

visitors' bureau operating in the county to promote travel and 106249
tourism with reference to the sports facilities. The increase in 106250
rate shall remain in effect for the period specified in the 106251
resolution. If revenue from the increase in rate is pledged to the 106252
payment of debt charges on securities, the increase in rate is not 106253
subject to diminution by initiative or referendum or by law for so 106254
long as the securities are outstanding, unless provision is made 106255
by law or by the board of county commissioners for an adequate 106256
substitute for that revenue that is satisfactory to the trustee if 106257
a trust agreement secures payment of the debt charges. The 106258
increase in rate shall be subject to the regulations adopted under 106259
division (A)(1) of this section, except that the resolution may 106260
provide that no portion of the revenue from the increase in the 106261
rate shall be returned to townships or municipal corporations as 106262
would otherwise be required under division (A)(1) of this section. 106263

(9) The board of county commissioners of a county with a 106264
population greater than seventy-five thousand and less than 106265
seventy-eight thousand, by resolution adopted by a majority of the 106266
members of the board not later than October 15, 2015, may increase 106267
the rate of the tax by not more than one per cent on transactions 106268
by which lodging by a hotel is or is to be furnished to transient 106269
guests. The increase in rate shall be for the purposes described 106270
in section 307.679 of the Revised Code or for the promotion of 106271
travel and tourism in the county, including travel and tourism to 106272
sports facilities. The increase in rate shall remain in effect for 106273
the period specified in the resolution and as necessary to fulfill 106274
the county's obligations under a cooperative agreement entered 106275
into under section 307.679 of the Revised Code. If the resolution 106276
is adopted by the board before the effective date of the enactment 106277
of this division but after that enactment becomes law, the 106278
increase in rate shall become effective beginning on the effective 106279
date of the enactment of this division. If revenue from the 106280
increase in rate is pledged to the payment of debt charges on 106281

securities, or to substitute for other revenues pledged to the 106282
payment of such debt, the increase in rate is not subject to 106283
diminution by initiative or referendum or by law for so long as 106284
the securities are outstanding, unless provision is made by law or 106285
by the board of county commissioners for an adequate substitute 106286
for that revenue that is satisfactory to the trustee if a trust 106287
agreement secures payment of the debt charges. The increase in 106288
rate shall be subject to the regulations adopted under division 106289
(A)(1) of this section, except that no portion of the revenue from 106290
the increase in the rate shall be returned to townships or 106291
municipal corporations as would otherwise be required under 106292
division (A)(1) of this section. 106293

(10) Division (A)(10) of this section applies only to 106294
counties satisfying either of the following: 106295

(a) A county that, on July 1, 2015, does not levy an excise 106296
tax under division (A)(1) of this section and that has a 106297
population of at least thirty-nine thousand but not more than 106298
forty thousand according to the 2010 federal decennial census; 106299

(b) A county that, on July 1, 2015, levies an excise tax 106300
under division (A)(1) of this section at a rate of three per cent 106301
and that has a population of at least seventy-one thousand but not 106302
more than seventy-five thousand according to 2010 federal 106303
decennial census. 106304

The board of county commissioners of a county to which 106305
division (A)(10) of this section applies, by resolution adopted by 106306
a majority of the members of the board, may levy an excise tax at 106307
a rate not to exceed three per cent on transactions by which 106308
lodging by a hotel is or is to be furnished to transient guests 106309
for the purpose of acquiring, constructing, equipping, or 106310
repairing permanent improvements, as defined in section 133.01 of 106311
the Revised Code. If the board does not levy a tax under division 106312
(A)(1) of this section, the board shall establish regulations 106313

necessary to provide for the administration of the tax, which may 106314
prescribe the time for payment of the tax and the imposition of 106315
penalty or interest subject to the limitations on penalty and 106316
interest provided in division (A)(1) of this section. No portion 106317
of the revenue shall be returned to townships or municipal 106318
corporations in the county unless otherwise provided by resolution 106319
of the board. The tax shall apply throughout the territory of the 106320
county, including in any township or municipal corporation levying 106321
an excise tax under division (B) of this section or division (A) 106322
of section 5739.08 of the Revised Code. The levy of the tax is 106323
subject to referendum as provided under section 305.31 of the 106324
Revised Code. 106325

The tax shall remain in effect for the period specified in 106326
the resolution. If revenue from the increase in rate is pledged to 106327
the payment of debt charges on securities, the increase in rate is 106328
not subject to diminution by initiative or referendum or by law 106329
for so long as the securities are outstanding unless provision is 106330
made by law or by the board for an adequate substitute for that 106331
revenue that is satisfactory to the trustee if a trust agreement 106332
secures payment of the debt charges. 106333

(B)(1) The legislative authority of a municipal corporation 106334
or the board of trustees of a township that is not wholly or 106335
partly located in a county that has in effect a resolution levying 106336
an excise tax pursuant to division (A)(1) of this section may, by 106337
ordinance or resolution, levy an excise tax not to exceed three 106338
per cent on transactions by which lodging by a hotel is or is to 106339
be furnished to transient guests. The legislative authority of the 106340
municipal corporation or the board of trustees of the township 106341
shall deposit at least fifty per cent of the revenue from the tax 106342
levied pursuant to this division into a separate fund, which shall 106343
be spent solely to make contributions to convention and visitors' 106344
bureaus operating within the county in which the municipal 106345

corporation or township is wholly or partly located, and the 106346
balance of that revenue shall be deposited in the general fund. 106347
The municipal corporation or township shall establish all 106348
regulations necessary to provide for the administration and 106349
allocation of the tax. The regulations may prescribe the time for 106350
payment of the tax, and may provide for the imposition of a 106351
penalty or interest, or both, for late payments, provided that the 106352
penalty does not exceed ten per cent of the amount of tax due, and 106353
the rate at which interest accrues does not exceed the rate per 106354
annum prescribed pursuant to section 5703.47 of the Revised Code. 106355
The levy of a tax under this division is in addition to any tax 106356
imposed on the same transaction by a municipal corporation or a 106357
township as authorized by division (A) of section 5739.08 of the 106358
Revised Code. 106359

(2)(a) The legislative authority of the most populous 106360
municipal corporation located wholly or partly in a county in 106361
which the board of county commissioners has levied a tax under 106362
division (A)(4) of this section may amend, on or before September 106363
30, 2002, that municipal corporation's ordinance or resolution 106364
that levies an excise tax on transactions by which lodging by a 106365
hotel is or is to be furnished to transient guests, to provide for 106366
all of the following: 106367

(i) That the rate of the tax shall be increased by not more 106368
than an additional one per cent on each transaction; 106369

(ii) That all of the revenue from the increase in rate shall 106370
be pledged and contributed to a convention facilities authority 106371
established by the board of county commissioners under Chapter 106372
351. of the Revised Code on or before May 15, 2002, and be used to 106373
pay costs of constructing, expanding, maintaining, operating, or 106374
promoting a convention center in the county, including paying 106375
bonds, or notes issued in anticipation of bonds, as provided by 106376
that chapter; 106377

(iii) That the increase in rate shall not be subject to 106378
diminution by initiative or referendum or by law while any bonds, 106379
or notes in anticipation of bonds, issued by the authority under 106380
Chapter 351. of the Revised Code to which the revenue is pledged, 106381
remain outstanding in accordance with their terms, unless 106382
provision is made by law, by the board of county commissioners, or 106383
by the legislative authority, for an adequate substitute therefor 106384
that is satisfactory to the trustee if a trust agreement secures 106385
the bonds. 106386

(b) The legislative authority of a municipal corporation 106387
that, pursuant to division (B)(2)(a) of this section, has amended 106388
its ordinance or resolution to increase the rate of the tax 106389
authorized by division (B)(1) of this section may further amend 106390
the ordinance or resolution to provide that the revenue referred 106391
to in division (B)(2)(a)(ii) of this section shall be pledged and 106392
contributed both to a convention facilities authority to pay the 106393
costs of constructing, expanding, maintaining, or operating one or 106394
more convention centers in the county, including paying bonds, or 106395
notes issued in anticipation of bonds, as provided in Chapter 351. 106396
of the Revised Code, and to a convention and visitors' bureau to 106397
pay the costs of promoting one or more convention centers in the 106398
county. 106399

As used in division (B)(2) of this section, "cost" has the 106400
same meaning as in section 351.01 of the Revised Code, and 106401
"convention center" has the same meaning as in section 307.695 of 106402
the Revised Code. 106403

(C) For the purposes described in section 307.695 of the 106404
Revised Code and to cover the costs of administering the tax, a 106405
board of county commissioners of a county where a tax imposed 106406
under division (A)(1) of this section is in effect may, by 106407
resolution adopted within ninety days after July 15, 1985, by a 106408
majority of the members of the board, levy an additional excise 106409

tax not to exceed three per cent on transactions by which lodging 106410
by a hotel is or is to be furnished to transient guests. The tax 106411
authorized by this division shall be in addition to any tax that 106412
is levied pursuant to division (A) of this section, but it shall 106413
not apply to transactions subject to a tax levied by a municipal 106414
corporation or township pursuant to the authorization granted by 106415
division (A) of section 5739.08 of the Revised Code. The board 106416
shall establish all regulations necessary to provide for the 106417
administration and allocation of the tax. The regulations may 106418
prescribe the time for payment of the tax, and may provide for the 106419
imposition of a penalty or interest, or both, for late payments, 106420
provided that the penalty does not exceed ten per cent of the 106421
amount of tax due, and the rate at which interest accrues does not 106422
exceed the rate per annum prescribed pursuant to section 5703.47 106423
of the Revised Code. All revenues arising from the tax shall be 106424
expended in accordance with section 307.695 of the Revised Code. 106425
The board of county commissioners of an eligible county as defined 106426
in section 307.695 of the Revised Code may, by resolution adopted 106427
by a majority of the members of the board, amend the resolution 106428
levying a tax under this division to provide that the revenue from 106429
the tax shall be used by the board as described in division (H) of 106430
section 307.695 of the Revised Code. A tax imposed under this 106431
division shall remain in effect at the rate at which it is imposed 106432
for the duration of the period during which any agreement entered 106433
into by the board under section 307.695 of the Revised Code is in 106434
effect, the duration of the period during which any securities 106435
issued by the board under division (I) of section 307.695 of the 106436
Revised Code are outstanding, or the duration of the period during 106437
which the board owns a project as defined in section 307.695 of 106438
the Revised Code, whichever duration is longest. 106439

(D) For the purpose of providing contributions under division 106440
(B)(1) of section 307.671 of the Revised Code to enable the 106441
acquisition, construction, and equipping of a port authority 106442

educational and cultural facility in the county and, to the extent 106443
provided for in the cooperative agreement authorized by that 106444
section, for the purpose of paying debt service charges on bonds, 106445
or notes in anticipation of bonds, described in division (B)(1)(b) 106446
of that section, a board of county commissioners, by resolution 106447
adopted within ninety days after December 22, 1992, by a majority 106448
of the members of the board, may levy an additional excise tax not 106449
to exceed one and one-half per cent on transactions by which 106450
lodging by a hotel is or is to be furnished to transient guests. 106451
The excise tax authorized by this division shall be in addition to 106452
any tax that is levied pursuant to divisions (A), (B), and (C) of 106453
this section, to any excise tax levied pursuant to section 5739.08 106454
of the Revised Code, and to any excise tax levied pursuant to 106455
section 351.021 of the Revised Code. The board of county 106456
commissioners shall establish all regulations necessary to provide 106457
for the administration and allocation of the tax that are not 106458
inconsistent with this section or section 307.671 of the Revised 106459
Code. The regulations may prescribe the time for payment of the 106460
tax, and may provide for the imposition of a penalty or interest, 106461
or both, for late payments, provided that the penalty does not 106462
exceed ten per cent of the amount of tax due, and the rate at 106463
which interest accrues does not exceed the rate per annum 106464
prescribed pursuant to section 5703.47 of the Revised Code. All 106465
revenues arising from the tax shall be expended in accordance with 106466
section 307.671 of the Revised Code and division (D) of this 106467
section. The levy of a tax imposed under this division may not 106468
commence prior to the first day of the month next following the 106469
execution of the cooperative agreement authorized by section 106470
307.671 of the Revised Code by all parties to that agreement. The 106471
tax shall remain in effect at the rate at which it is imposed for 106472
the period of time described in division (C) of section 307.671 of 106473
the Revised Code for which the revenue from the tax has been 106474
pledged by the county to the corporation pursuant to that section, 106475

but, to any extent provided for in the cooperative agreement, for 106476
no lesser period than the period of time required for payment of 106477
the debt service charges on bonds, or notes in anticipation of 106478
bonds, described in division (B)(1)(b) of that section. 106479

(E) For the purpose of paying the costs of acquiring, 106480
constructing, equipping, and improving a municipal educational and 106481
cultural facility, including debt service charges on bonds 106482
provided for in division (B) of section 307.672 of the Revised 106483
Code, and for any additional purposes determined by the county in 106484
the resolution levying the tax or amendments to the resolution, 106485
including subsequent amendments providing for paying costs of 106486
acquiring, constructing, renovating, rehabilitating, equipping, 106487
and improving a port authority educational and cultural performing 106488
arts facility, as defined in section 307.674 of the Revised Code, 106489
and including debt service charges on bonds provided for in 106490
division (B) of section 307.674 of the Revised Code, the 106491
legislative authority of a county, by resolution adopted within 106492
ninety days after June 30, 1993, by a majority of the members of 106493
the legislative authority, may levy an additional excise tax not 106494
to exceed one and one-half per cent on transactions by which 106495
lodging by a hotel is or is to be furnished to transient guests. 106496
The excise tax authorized by this division shall be in addition to 106497
any tax that is levied pursuant to divisions (A), (B), (C), and 106498
(D) of this section, to any excise tax levied pursuant to section 106499
5739.08 of the Revised Code, and to any excise tax levied pursuant 106500
to section 351.021 of the Revised Code. The legislative authority 106501
of the county shall establish all regulations necessary to provide 106502
for the administration and allocation of the tax. The regulations 106503
may prescribe the time for payment of the tax, and may provide for 106504
the imposition of a penalty or interest, or both, for late 106505
payments, provided that the penalty does not exceed ten per cent 106506
of the amount of tax due, and the rate at which interest accrues 106507
does not exceed the rate per annum prescribed pursuant to section 106508

5703.47 of the Revised Code. All revenues arising from the tax 106509
shall be expended in accordance with section 307.672 of the 106510
Revised Code and this division. The levy of a tax imposed under 106511
this division shall not commence prior to the first day of the 106512
month next following the execution of the cooperative agreement 106513
authorized by section 307.672 of the Revised Code by all parties 106514
to that agreement. The tax shall remain in effect at the rate at 106515
which it is imposed for the period of time determined by the 106516
legislative authority of the county. That period of time shall not 106517
exceed fifteen years, except that the legislative authority of a 106518
county with a population of less than two hundred fifty thousand 106519
according to the most recent federal decennial census, by 106520
resolution adopted by a majority of its members before the 106521
original tax expires, may extend the duration of the tax for an 106522
additional period of time. The additional period of time by which 106523
a legislative authority extends a tax levied under this division 106524
shall not exceed fifteen years. 106525

(F) The legislative authority of a county that has levied a 106526
tax under division (E) of this section may, by resolution adopted 106527
within one hundred eighty days after January 4, 2001, by a 106528
majority of the members of the legislative authority, amend the 106529
resolution levying a tax under that division to provide for the 106530
use of the proceeds of that tax, to the extent that it is no 106531
longer needed for its original purpose as determined by the 106532
parties to a cooperative agreement amendment pursuant to division 106533
(D) of section 307.672 of the Revised Code, to pay costs of 106534
acquiring, constructing, renovating, rehabilitating, equipping, 106535
and improving a port authority educational and cultural performing 106536
arts facility, including debt service charges on bonds provided 106537
for in division (B) of section 307.674 of the Revised Code, and to 106538
pay all obligations under any guaranty agreements, reimbursement 106539
agreements, or other credit enhancement agreements described in 106540
division (C) of section 307.674 of the Revised Code. The 106541

resolution may also provide for the extension of the tax at the 106542
same rate for the longer of the period of time determined by the 106543
legislative authority of the county, but not to exceed an 106544
additional twenty-five years, or the period of time required to 106545
pay all debt service charges on bonds provided for in division (B) 106546
of section 307.672 of the Revised Code and on port authority 106547
revenue bonds provided for in division (B) of section 307.674 of 106548
the Revised Code. All revenues arising from the amendment and 106549
extension of the tax shall be expended in accordance with section 106550
307.674 of the Revised Code, this division, and division (E) of 106551
this section. 106552

(G) For purposes of a tax levied by a county, township, or 106553
municipal corporation under this section or section 5739.08 of the 106554
Revised Code, a board of county commissioners, board of township 106555
trustees, or the legislative authority of a municipal corporation 106556
may adopt a resolution or ordinance at any time specifying that 106557
"hotel," as otherwise defined in section 5739.01 of the Revised 106558
Code, includes the following: 106559

(1) Establishments in which fewer than five rooms are used 106560
for the accommodation of guests. 106561

(2) Establishments at which rooms are used for the 106562
accommodation of guests regardless of whether each room is 106563
accessible through its own keyed entry or several rooms are 106564
accessible through the same keyed entry; and, in determining the 106565
number of rooms, all rooms are included regardless of the number 106566
of structures in which the rooms are situated or the number of 106567
parcels of land on which the structures are located if the 106568
structures are under the same ownership and the structures are not 106569
identified in advertisements of the accommodations as distinct 106570
establishments. For the purposes of division (G)(2) of this 106571
section, two or more structures are under the same ownership if 106572
they are owned by the same person, or if they are owned by two or 106573

more persons the majority of the ownership interests of which are 106574
owned by the same person. 106575

The resolution or ordinance may apply to a tax imposed 106576
pursuant to this section prior to the adoption of the resolution 106577
or ordinance if the resolution or ordinance so states, but the tax 106578
shall not apply to transactions by which lodging by such an 106579
establishment is provided to transient guests prior to the 106580
adoption of the resolution or ordinance. 106581

(H)(1) As used in this division: 106582

(a) "Convention facilities authority" has the same meaning as 106583
in section 351.01 of the Revised Code. 106584

(b) "Convention center" has the same meaning as in section 106585
307.695 of the Revised Code. 106586

(2) Notwithstanding any contrary provision of division (D) of 106587
this section, the legislative authority of a county with a 106588
population of one million or more according to the most recent 106589
federal decennial census that has levied a tax under division (D) 106590
of this section may, by resolution adopted by a majority of the 106591
members of the legislative authority, provide for the extension of 106592
such levy and may provide that the proceeds of that tax, to the 106593
extent that they are no longer needed for their original purpose 106594
as defined by a cooperative agreement entered into under section 106595
307.671 of the Revised Code, shall be deposited into the county 106596
general revenue fund. The resolution shall provide for the 106597
extension of the tax at a rate not to exceed the rate specified in 106598
division (D) of this section for a period of time determined by 106599
the legislative authority of the county, but not to exceed an 106600
additional forty years. 106601

(3) The legislative authority of a county with a population 106602
of one million or more that has levied a tax under division (A)(1) 106603
of this section may, by resolution adopted by a majority of the 106604

members of the legislative authority, increase the rate of the tax 106605
levied by such county under division (A)(1) of this section to a 106606
rate not to exceed five per cent on transactions by which lodging 106607
by a hotel is or is to be furnished to transient guests. 106608
Notwithstanding any contrary provision of division (A)(1) of this 106609
section, the resolution may provide that all collections resulting 106610
from the rate levied in excess of three per cent, after deducting 106611
the real and actual costs of administering the tax, shall be 106612
deposited in the county general fund. 106613

(4) The legislative authority of a county with a population 106614
of one million or more that has levied a tax under division (A)(1) 106615
of this section may, by resolution adopted on or before August 30, 106616
2004, by a majority of the members of the legislative authority, 106617
provide that all or a portion of the proceeds of the tax levied 106618
under division (A)(1) of this section, after deducting the real 106619
and actual costs of administering the tax and the amounts required 106620
to be returned to townships and municipal corporations with 106621
respect to the first three per cent levied under division (A)(1) 106622
of this section, shall be deposited in the county general fund, 106623
provided that such proceeds shall be used to satisfy any pledges 106624
made in connection with an agreement entered into under section 106625
307.695 of the Revised Code. 106626

(5) No amount collected from a tax levied, extended, or 106627
required to be deposited in the county general fund under division 106628
(H) of this section shall be contributed to a convention 106629
facilities authority, corporation, or other entity created after 106630
July 1, 2003, for the principal purpose of constructing, 106631
improving, expanding, equipping, financing, or operating a 106632
convention center unless the mayor of the municipal corporation in 106633
which the convention center is to be operated by that convention 106634
facilities authority, corporation, or other entity has consented 106635
to the creation of that convention facilities authority, 106636

corporation, or entity. Notwithstanding any contrary provision of 106637
section 351.04 of the Revised Code, if a tax is levied by a county 106638
under division (H) of this section, the board of county 106639
commissioners of that county may determine the manner of 106640
selection, the qualifications, the number, and terms of office of 106641
the members of the board of directors of any convention facilities 106642
authority, corporation, or other entity described in division 106643
(H)(5) of this section. 106644

(6)(a) No amount collected from a tax levied, extended, or 106645
required to be deposited in the county general fund under division 106646
(H) of this section may be used for any purpose other than paying 106647
the direct and indirect costs of constructing, improving, 106648
expanding, equipping, financing, or operating a convention center 106649
and for the real and actual costs of administering the tax, 106650
unless, prior to the adoption of the resolution of the legislative 106651
authority of the county authorizing the levy, extension, increase, 106652
or deposit, the county and the mayor of the most populous 106653
municipal corporation in that county have entered into an 106654
agreement as to the use of such amounts, provided that such 106655
agreement has been approved by a majority of the mayors of the 106656
other municipal corporations in that county. The agreement shall 106657
provide that the amounts to be used for purposes other than paying 106658
the convention center or administrative costs described in 106659
division (H)(6)(a) of this section be used only for the direct and 106660
indirect costs of capital improvements, including the financing of 106661
capital improvements. 106662

(b) If the county in which the tax is levied has an 106663
association of mayors and city managers, the approval of that 106664
association of an agreement described in division (H)(6)(a) of 106665
this section shall be considered to be the approval of the 106666
majority of the mayors of the other municipal corporations for 106667
purposes of that division. 106668

(7) Each year, the auditor of state shall conduct an audit of the uses of any amounts collected from taxes levied, extended, or deposited under division (H) of this section and shall prepare a report of the auditor of state's findings. The auditor of state shall submit the report to the legislative authority of the county that has levied, extended, or deposited the tax, the speaker of the house of representatives, the president of the senate, and the leaders of the minority parties of the house of representatives and the senate.

(I)(1) As used in this division:

(a) "Convention facilities authority" has the same meaning as in section 351.01 of the Revised Code.

(b) "Convention center" has the same meaning as in section 307.695 of the Revised Code.

(2) Notwithstanding any contrary provision of division (D) of this section, the legislative authority of a county with a population of one million two hundred thousand or more according to the most recent federal decennial census or the most recent annual population estimate published or released by the United States census bureau at the time the resolution is adopted placing the levy on the ballot, that has levied a tax under division (D) of this section may, by resolution adopted by a majority of the members of the legislative authority, provide for the extension of such levy and may provide that the proceeds of that tax, to the extent that the proceeds are no longer needed for their original purpose as defined by a cooperative agreement entered into under section 307.671 of the Revised Code and after deducting the real and actual costs of administering the tax, shall be used for paying the direct and indirect costs of constructing, improving, expanding, equipping, financing, or operating a convention center. The resolution shall provide for the extension of the tax at a rate not to exceed the rate specified in division (D) of this

section for a period of time determined by the legislative 106701
authority of the county, but not to exceed an additional forty 106702
years. 106703

(3) The legislative authority of a county with a population 106704
of one million two hundred thousand or more that has levied a tax 106705
under division (A)(1) of this section may, by resolution adopted 106706
by a majority of the members of the legislative authority, 106707
increase the rate of the tax levied by such county under division 106708
(A)(1) of this section to a rate not to exceed five per cent on 106709
transactions by which lodging by a hotel is or is to be furnished 106710
to transient guests. Notwithstanding any contrary provision of 106711
division (A)(1) of this section, the resolution shall provide that 106712
all collections resulting from the rate levied in excess of three 106713
per cent, after deducting the real and actual costs of 106714
administering the tax, shall be used for paying the direct and 106715
indirect costs of constructing, improving, expanding, equipping, 106716
financing, or operating a convention center. 106717

(4) The legislative authority of a county with a population 106718
of one million two hundred thousand or more that has levied a tax 106719
under division (A)(1) of this section may, by resolution adopted 106720
on or before July 1, 2008, by a majority of the members of the 106721
legislative authority, provide that all or a portion of the 106722
proceeds of the tax levied under division (A)(1) of this section, 106723
after deducting the real and actual costs of administering the tax 106724
and the amounts required to be returned to townships and municipal 106725
corporations with respect to the first three per cent levied under 106726
division (A)(1) of this section, shall be used to satisfy any 106727
pledges made in connection with an agreement entered into under 106728
section 307.695 of the Revised Code or shall otherwise be used for 106729
paying the direct and indirect costs of constructing, improving, 106730
expanding, equipping, financing, or operating a convention center. 106731

(5) Any amount collected from a tax levied or extended under 106732

division (I) of this section may be contributed to a convention 106733
facilities authority created before July 1, 2005, but no amount 106734
collected from a tax levied or extended under division (I) of this 106735
section may be contributed to a convention facilities authority, 106736
corporation, or other entity created after July 1, 2005, unless 106737
the mayor of the municipal corporation in which the convention 106738
center is to be operated by that convention facilities authority, 106739
corporation, or other entity has consented to the creation of that 106740
convention facilities authority, corporation, or entity. 106741

(J)(1) Except as provided in division (J)(2) of this section, 106742
money collected by a county and distributed under this section to 106743
a convention and visitors' bureau in existence as of June 30, 106744
2013, the effective date of H.B. 59 of the 130th general assembly, 106745

or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of 106980

4505.06 of the Revised Code, the vendor shall be personally liable 106985
for any tax collected and not remitted. The tax commissioner may 106986
make an assessment against such vendor based upon any information 106987
in the commissioner's possession. 106988

If any vendor fails to collect the tax or any consumer fails 106989
to pay the tax imposed by or pursuant to section 5739.02, 106990
5739.021, 5739.023, or 5739.026 of the Revised Code, on any 106991
transaction subject to the tax, the vendor or consumer shall be 106992
personally liable for the amount of the tax applicable to the 106993
transaction. The commissioner may make an assessment against 106994
either the vendor or consumer, as the facts may require, based 106995
upon any information in the commissioner's possession. 106996

An assessment against a vendor when the tax imposed by or 106997

the Revised Code has not been collected or paid, shall not 106999
discharge the purchaser's or consumer's liability to reimburse the 107000
vendor for the tax applicable to such transaction. 107001

An assessment issued against either, pursuant to this 107002
section, shall not be considered an election of remedies, nor a 107003
bar to an assessment against the other for the tax applicable to 107004
the same transaction, provided that no assessment shall be issued 107005
against any person for the tax due on a particular transaction if 107006
the tax on that transaction actually has been paid by another. 107007

The commissioner may make an assessment against any vendor 107008
who fails to file a return or remit the proper amount of tax 107009
required by this chapter, or against any consumer who fails to pay 107010
the proper amount of tax required by this chapter. When 107011
information in the possession of the commissioner indicates that 107012
the amount required to be collected or paid under this chapter is 107013
greater than the amount remitted by the vendor or paid by the 107014
consumer, the commissioner may audit a sample of the vendor's 107015

sales or the consumer's purchases for a representative period, to 107016
ascertain the per cent of exempt or taxable transactions or the 107017
effective tax rate and may issue an assessment based on the audit. 107018
The commissioner shall make a good faith effort to reach agreement 107019
with the vendor or consumer in selecting a representative sample. 107020

The commissioner may make an assessment, based on any 107021
information in the commissioner's possession, against any person 107022
who fails to file a return or remit the proper amount of tax 107023
required by section 5739.102 of the Revised Code. 107024

The commissioner may issue an assessment on any transaction 107025
for which any tax imposed under this chapter or Chapter 5741. of 107026
the Revised Code was due and unpaid on the date the vendor or 107027
consumer was informed by an agent of the tax commissioner of an 107028
investigation or audit. If the vendor or consumer remits any 107029
payment of the tax for the period covered by the assessment after 107030
the vendor or consumer was informed of the investigation or audit, 107031
the payment shall be credited against the amount of the 107032
assessment. 107033

The commissioner shall give the party assessed written notice 107034
of the assessment in the manner provided in section 5703.37 of the 107035
Revised Code. With the notice, the commissioner shall provide 107036
instructions on how to petition for reassessment and request a 107037
hearing on the petition. 107038

(B) Unless the party assessed files with the commissioner 107039
within sixty days after service of the notice of assessment, 107040
either personally or by certified mail, a written petition for 107041
reassessment, signed by the party assessed or that party's 107042
authorized agent having knowledge of the facts, the assessment 107043
becomes final and the amount of the assessment is due from the 107044
party assessed and payable to the treasurer of state and remitted 107045
to the tax commissioner. The petition shall indicate the 107046
objections of the party assessed, but additional objections may be 107047

raised in writing if received by the commissioner prior to the 107048
date shown on the final determination. If the petition has been 107049
properly filed, the commissioner shall proceed under section 107050
5703.60 of the Revised Code. 107051

(C) After an assessment becomes final, if any portion of the 107052
assessment remains unpaid, including accrued interest, a certified 107053
copy of the commissioner's entry making the assessment final may 107054
be filed in the office of the clerk of the court of common pleas 107055
in the county in which the place of business of the party assessed 107056
is located or the county in which the party assessed resides. If 107057
the party assessed maintains no place of business in this state 107058
and is not a resident of this state, the certified copy of the 107059
entry may be filed in the office of the clerk of the court of 107060
common pleas of Franklin county. 107061

Immediately upon the filing of the entry, the clerk shall 107062
enter a judgment for the state against the party assessed in the 107063
amount shown on the entry. The judgment may be filed by the clerk 107064
in a loose-leaf book entitled "~~special judgments for state,~~ 107065
~~county, and transit authority~~ and local retail sales tax" or, if 107066
appropriate, "special judgments for resort area excise tax," and 107067
shall have the same effect as other judgments. Execution shall 107068
issue upon the judgment upon the request of the tax commissioner, 107069
and all laws applicable to sales on execution shall apply to sales 107070
made under the judgment except as otherwise provided in this 107071
chapter. 107072

If the assessment is not paid in its entirety within sixty 107073
days after the date the assessment was issued, the portion of the 107074
assessment consisting of tax due shall bear interest at the rate 107075
per annum prescribed by section 5703.47 of the Revised Code from 107076
the day the tax commissioner issues the assessment until the 107077
assessment is paid or until it is certified to the attorney 107078
general for collection under section 131.02 of the Revised Code, 107079

whichever comes first. If the unpaid portion of the assessment is 107080
certified to the attorney general for collection, the entire 107081
unpaid portion of the assessment shall bear interest at the rate 107082
per annum prescribed by section 5703.47 of the Revised Code from 107083
the date of certification until the date it is paid in its 107084
entirety. Interest shall be paid in the same manner as the tax and 107085
may be collected by issuing an assessment under this section. 107086

(D) All money collected by the tax commissioner under this 107087
section shall be paid to the treasurer of state, and when paid 107088
shall be considered as revenue arising from the taxes imposed by 107089
or pursuant to sections 5739.01 to 5739.31 of the Revised Code. 107090

purpose, within three years from the date the tax stamps are 107677
destroyed or spoiled, from the date of the erroneous payment, or 107678
from the date that cigarettes on which taxes have been paid have 107679
been sold in interstate or foreign commerce or have become 107680
unsalable. 107681

On the filing of the application, the commissioner shall 107682
determine the amount of refund to which the applicant is entitled, 107683
payable from receipts of the state tax, and, if applicable, 107684
payable from receipts of a county tax. If the amount is less than 107685
that claimed, the commissioner shall certify the amount to the 107686
director of budget and management and treasurer of state for 107687
payment from the tax refund fund created by section 5703.052 of 107688
the Revised Code. If the amount is less than that claimed, the 107689
commissioner shall proceed in accordance with section 5703.70 of 107690
the Revised Code. 107691

If a refund is granted for payment of an illegal or erroneous 107692
assessment issued by the department, the refund shall include 107693
interest on the amount of the refund from the date of the 107694
overpayment. The interest shall be computed at the rate per annum 107695
prescribed by section 5703.47 of the Revised Code. 107696

Each distributor who brings tobacco products, or causes 107723
tobacco products to be brought, into this state for distribution 107724
within this state, or any out-of-state distributor who sells 107725
tobacco products to wholesale or retail dealers located in this 107726
state for resale by those wholesale or retail dealers is liable 107727

for the tax imposed by this section. Only one sale of the same 107728
article shall be used in computing the amount of the tax due. 107729

(B) The treasurer of state shall place to the credit of the 107730
tax refund fund created by section 5703.052 of the Revised Code, 107731
out of the receipts from the tax levied by this section, amounts 107732
equal to the refunds certified by the tax commissioner pursuant to 107733
section 5743.53 of the Revised Code. The balance of the taxes 107734
collected under this section shall be paid into the general 107735
revenue fund. 107736

(C) The commissioner may adopt rules as are necessary to 107737
assist in the enforcement and administration of sections 5743.51 107738
to 5743.66 of the Revised Code, including rules providing for the 107739
remission of penalties imposed. 107740

(D) A manufacturer is not liable for payment of the tax 107741
imposed by this section for sales of tobacco products to a retail 107742
dealer that has filed a signed statement with the manufacturer in 107743
which the retail dealer agrees to pay and be liable for the tax, 107744
as long as the manufacturer has provided a copy of the statement 107745
to the tax commissioner. 107746

Sec. 5743.62. (A) To provide revenue for the general revenue 107747
fund of the state, an excise tax is hereby levied on the seller of 107748

before the date the return is required to be filed, the seller is 107788
entitled to a discount equal to two and five-tenths per cent of 107789

clearly appearing from the context, any term used in this chapter 107831
that is not otherwise defined in this section has the same meaning 107832
as when used in a comparable context in the laws of the United 107833
States relating to federal income taxes or if not used in a 107834
comparable context in those laws, has the same meaning as in 107835
section 5733.40 of the Revised Code. Any reference in this chapter 107836
to the Internal Revenue Code includes other laws of the United 107837
States relating to federal income taxes. 107838

As used in this chapter: 107839

(A) "Adjusted gross income" or "Ohio adjusted gross income" 107840

(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States. 107851

107865
107866
107867
107868
107869
107870
107871

"Undistributed net income of a trust" means the taxable income of the trust increased by (a)(i) the additions to adjusted gross income required under division (A) of this section and (ii) the personal exemptions allowed to the trust pursuant to section 642(b) of the Internal Revenue Code, and decreased by (b)(i) the deductions to adjusted gross income required under division (A) of this section, (ii) the amount of federal income taxes attributable to such income, and (iii) the amount of taxable income that has been included in the adjusted gross income of a beneficiary by reason of a prior accumulation distribution. with the earliest years of the accumulation period. 107884

(7) Deduct the amount of wages and salaries, if any, not 107885
otherwise allowable as a deduction but that would have been 107886
allowable as a deduction in computing federal adjusted gross 107887
income for the taxable year, had the targeted jobs credit allowed 107888
and determined under sections 38, 51, and 52 of the Internal 107889
Revenue Code not been in effect. 107890

(8) Deduct any interest or interest equivalent on public 107891

(9) Add any loss or deduct any gain resulting from the sale, 107895

(10) Deduct or add amounts, as provided under section 5747.70 107899

(11)(a) Deduct, to the extent not otherwise allowable as a 107903
deduction or exclusion in computing federal or Ohio adjusted gross 107904
income for the taxable year, the amount the taxpayer paid during 107905
the taxable year for medical care insurance and qualified 107906
long-term care insurance for the taxpayer, the taxpayer's spouse, 107907
and dependents. No deduction for medical care insurance under 107908
division (A)(11) of this section shall be allowed either to any 107909
taxpayer who is eligible to participate in any subsidized health 107910
plan maintained by any employer of the taxpayer or of the 107911
taxpayer's spouse, or to any taxpayer who is entitled to, or on 107912

application would be entitled to, benefits under part A of Title 107913
XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 107914
301, as amended. For the purposes of division (A)(11)(a) of this 107915
section, "subsidized health plan" means a health plan for which 107916
the employer pays any portion of the plan's cost. The deduction 107917

related insurance premium dividends received during the taxable 107920
year. 107921

(b) Deduct, to the extent not otherwise deducted or excluded 107922
in computing federal or Ohio adjusted gross income during the 107923
taxable year, the amount the taxpayer paid during the taxable 107924
year, not compensated for by any insurance or otherwise, for 107925
medical care of the taxpayer, the taxpayer's spouse, and 107926
dependents, to the extent the expenses exceed seven and one-half 107927
per cent of the taxpayer's federal adjusted gross income. 107928

(c) Deduct, to the extent not otherwise deducted or excluded 107929
in computing federal or Ohio adjusted gross income, any amount 107930
included in federal adjusted gross income under section 105 or not 107931
excluded under section 106 of the Internal Revenue Code solely 107932
because it relates to an accident and health plan for a person who 107933
otherwise would be a "qualifying relative" and thus a "dependent" 107934
under section 152 of the Internal Revenue Code but for the fact 107935
that the person fails to meet the income and support limitations 107936
under section 152(d)(1)(B) and (C) of the Internal Revenue Code. 107937

(d) For purposes of division (A)(11) of this section, 107938
"medical care" has the meaning given in section 213 of the 107939
Internal Revenue Code, subject to the special rules, limitations, 107940
and exclusions set forth therein, and "qualified long-term care" 107941
has the same meaning given in section 7702B(c) of the Internal 107942
Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) 107943
of this section, "dependent" includes a person who otherwise would 107944

be a "qualifying relative" and thus a "dependent" under section 107945
152 of the Internal Revenue Code but for the fact that the person 107946
fails to meet the income and support limitations under section 107947
152(d)(1)(B) and (C) of the Internal Revenue Code. 107948

(12)(a) Deduct any amount included in federal adjusted gross 107949
income solely because the amount represents a reimbursement or 107950
refund of expenses that in any year the taxpayer had deducted as 107951
an itemized deduction pursuant to section 63 of the Internal 107952
Revenue Code and applicable United States department of the 107953
treasury regulations. The deduction otherwise allowed under 107954
division (A)(12)(a) of this section shall be reduced to the extent 107955
the reimbursement is attributable to an amount the taxpayer 107956
deducted under this section in any taxable year. 107957

(b) Add any amount not otherwise included in Ohio adjusted 107958
gross income for any taxable year to the extent that the amount is 107959
attributable to the recovery during the taxable year of any amount 107960
deducted or excluded in computing federal or Ohio adjusted gross 107961
income in any taxable year. 107962

(13) Deduct any portion of the deduction described in section 107963
1341(a)(2) of the Internal Revenue Code, for repaying previously 107964
reported income received under a claim of right, that meets both 107965
of the following requirements: 107966

(a) It is allowable for repayment of an item that was 107967
included in the taxpayer's adjusted gross income for a prior 107968
taxable year and did not qualify for a credit under division (A) 107969
or (B) of section 5747.05 of the Revised Code for that year; 107970

(b) It does not otherwise reduce the taxpayer's adjusted 107971
gross income for the current or any other taxable year. 107972

(14) Deduct an amount equal to the deposits made to, and net 107973
investment earnings of, a medical savings account during the 107974
taxable year, in accordance with section 3924.66 of the Revised 107975

Code. The deduction allowed by division (A)(14) of this section 107976
does not apply to medical savings account deposits and earnings 107977
otherwise deducted or excluded for the current or any other 107978
taxable year from the taxpayer's federal adjusted gross income. 107979

(15)(a) Add an amount equal to the funds withdrawn from a 107980
medical savings account during the taxable year, and the net 107981
investment earnings on those funds, when the funds withdrawn were 107982
used for any purpose other than to reimburse an account holder 107983
for, or to pay, eligible medical expenses, in accordance with 107984
section 3924.66 of the Revised Code; 107985

(b) Add the amounts distributed from a medical savings 107986
account under division (A)(2) of section 3924.68 of the Revised 107987
Code during the taxable year. 107988

(16) Add any amount claimed as a credit under section 107989
5747.059 or 5747.65 of the Revised Code to the extent that such 107990
amount satisfies either of the following: 107991

(a) The amount was deducted or excluded from the computation 107992
of the taxpayer's federal adjusted gross income as required to be 107993
reported for the taxpayer's taxable year under the Internal 107994
Revenue Code; 107995

(b) The amount resulted in a reduction of the taxpayer's 107996
federal adjusted gross income as required to be reported for any 107997
of the taxpayer's taxable years under the Internal Revenue Code. 107998

(17) Deduct the amount contributed by the taxpayer to an 107999
individual development account program established by a county 108000
department of job and family services pursuant to sections 329.11 108001
to 329.14 of the Revised Code for the purpose of matching funds 108002
deposited by program participants. On request of the tax 108003
commissioner, the taxpayer shall provide any information that, in 108004
the tax commissioner's opinion, is necessary to establish the 108005
amount deducted under division (A)(17) of this section. 108006

(18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's spouse, or any dependent of the taxpayer, who is a resident of this state and is enrolled in or attending a program that culminates in a degree or diploma at an eligible institution. The deduction may be claimed only to the extent that qualified tuition and fees are not otherwise deducted or excluded for any taxable year from federal or Ohio adjusted gross income. The deduction may not be claimed for educational expenses for which the taxpayer claims a credit under section 5747.27 of the Revised Code.

(19) Add any reimbursement received during the taxable year of any amount the taxpayer deducted under division (A)(18) of this section in any previous taxable year to the extent the amount is not otherwise included in Ohio adjusted gross income.

(20)(a)(i) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or distributive share of the amount of depreciation expense allowed by that subsection to a pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(ii) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of qualifying section 179 depreciation expense, including the taxpayer's proportionate or distributive share of the amount of qualifying section 179

depreciation expense allowed to any pass-through entity in which 108039
the taxpayer has a direct or indirect ownership interest. 108040

(iii) Subject to division (A)(20)(a)(v) of this section, for 108041
taxable years beginning in 2012 or thereafter, if the increase in 108042
income taxes withheld by the taxpayer is equal to or greater than 108043
ten per cent of income taxes withheld by the taxpayer during the 108044
taxpayer's immediately preceding taxable year, "two-thirds" shall 108045
be substituted for "five-sixths" for the purpose of divisions 108046
(A)(20)(a)(i) and (ii) of this section. 108047

(iv) Subject to division (A)(20)(a)(v) of this section, for 108048
taxable years beginning in 2012 or thereafter, a taxpayer is not 108049
required to add an amount under division (A)(20) of this section 108050
if the increase in income taxes withheld by the taxpayer and by 108051
any pass-through entity in which the taxpayer has a direct or 108052
indirect ownership interest is equal to or greater than the sum of 108053
(I) the amount of qualifying section 179 depreciation expense and 108054
(II) the amount of depreciation expense allowed to the taxpayer by 108055
subsection (k) of section 168 of the Internal Revenue Code, and 108056
including the taxpayer's proportionate or distributive shares of 108057
such amounts allowed to any such pass-through entities. 108058

(v) If a taxpayer directly or indirectly incurs a net 108059
operating loss for the taxable year for federal income tax 108060
purposes, to the extent such loss resulted from depreciation 108061
expense allowed by subsection (k) of section 168 of the Internal 108062
Revenue Code and by qualifying section 179 depreciation expense, 108063
"the entire" shall be substituted for "five-sixths of the" for the 108064
purpose of divisions (A)(20)(a)(i) and (ii) of this section. 108065

The tax commissioner, under procedures established by the 108066
commissioner, may waive the add-backs related to a pass-through 108067
entity if the taxpayer owns, directly or indirectly, less than 108068
five per cent of the pass-through entity. 108069

(b) Nothing in division (A)(20) of this section shall be 108070
construed to adjust or modify the adjusted basis of any asset. 108071

(c) To the extent the add-back required under division 108072
(A)(20)(a) of this section is attributable to property generating 108073
nonbusiness income or loss allocated under section 5747.20 of the 108074
Revised Code, the add-back shall be situated to the same location 108075
as the nonbusiness income or loss generated by the property for 108076
the purpose of determining the credit under division (A) of 108077
section 5747.05 of the Revised Code. Otherwise, the add-back shall 108078
be apportioned, subject to one or more of the four alternative 108079
methods of apportionment enumerated in section 5747.21 of the 108080
Revised Code. 108081

(d) For the purposes of division (A)(20)(a)(v) of this 108082
section, net operating loss carryback and carryforward shall not 108083
include the allowance of any net operating loss deduction 108084
carryback or carryforward to the taxable year to the extent such 108085
loss resulted from depreciation allowed by section 168(k) of the 108086
Internal Revenue Code and by the qualifying section 179 108087
depreciation expense amount. 108088

(e) For the purposes of divisions (A)(20) and (21) of this 108089
section: 108090

(i) "Income taxes withheld" means the total amount withheld 108091
and remitted under sections 5747.06 and 5747.07 of the Revised 108092
Code by an employer during the employer's taxable year. 108093

(ii) "Increase in income taxes withheld" means the amount by 108094
which the amount of income taxes withheld by an employer during 108095
the employer's current taxable year exceeds the amount of income 108096
taxes withheld by that employer during the employer's immediately 108097
preceding taxable year. 108098

(iii) "Qualifying section 179 depreciation expense" means the 108099
difference between (I) the amount of depreciation expense directly 108100

or indirectly allowed to a taxpayer under section 179 of the Internal Revised Code, and (II) the amount of depreciation expense directly or indirectly allowed to the taxpayer under section 179 of the Internal Revenue Code as that section existed on December 31, 2002.

(21)(a) If the taxpayer was required to add an amount under division (A)(20)(a) of this section for a taxable year, deduct one of the following:

(i) One-fifth of the amount so added for each of the five succeeding taxable years if the amount so added was five-sixths of qualifying section 179 depreciation expense or depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code;

(ii) One-half of the amount so added for each of the two succeeding taxable years if the amount so added was two-thirds of such depreciation expense;

(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added.

(b) If the amount deducted under division (A)(21)(a) of this section is attributable to an add-back allocated under division (A)(20)(c) of this section, the amount deducted shall be situated to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(21)(a) of this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such

depreciation results in or increases a federal net operating loss 108132
carryback or carryforward. If no such deduction is available for a 108133
taxable year, the taxpayer may carry forward the amount not 108134
deducted in such taxable year to the next taxable year and add 108135
that amount to any deduction otherwise available under division 108136
(A)(21)(a) of this section for that next taxable year. The 108137
carryforward of amounts not so deducted shall continue until the 108138
entire addition required by division (A)(20)(a) of this section 108139
has been deducted. 108140

(d) No refund shall be allowed as a result of adjustments 108141
made by division (A)(21) of this section. 108142

(22) Deduct, to the extent not otherwise deducted or excluded 108143
in computing federal or Ohio adjusted gross income for the taxable 108144

the Revised Code. 108147

(23) Deduct, to the extent not otherwise deducted or excluded 108148
in computing federal or Ohio adjusted gross income for the taxable 108149
year, the amount the taxpayer received during the taxable year as 108150
a death benefit paid by the adjutant general under section 5919.33 108151

(24) Deduct, to the extent included in federal adjusted gross 108153

computing federal or Ohio adjusted gross income for the taxable 108155

the taxable year for active duty service in the United States 108157
~~army, air force, navy, marine corps, or coast guard~~ uniformed 108158
services or reserve components thereof or the national guard. The 108159
deduction may not be claimed for military pay and allowances 108160
received by the taxpayer while the taxpayer is stationed in this 108161
state. 108162

(25) Deduct, to the extent not otherwise allowable as a 108163
deduction or exclusion in computing federal or Ohio adjusted gross 108164
income for the taxable year and not otherwise compensated for by 108165
any other source, the amount of qualified organ donation expenses 108166
incurred by the taxpayer during the taxable year, not to exceed 108167
ten thousand dollars. A taxpayer may deduct qualified organ 108168
donation expenses only once for all taxable years beginning with 108169

thereof, or the national guard, or received by the surviving 108184
spouse or former spouse of such a taxpayer under the survivor 108185
benefit plan on account of such a taxpayer's death. If the 108186
taxpayer receives income on account of retirement paid under the 108187
federal civil service retirement system or federal employees 108188
retirement system, or under any successor retirement program 108189
enacted by the congress of the United States that is established 108190
and maintained for retired employees of the United States 108191
government, and such retirement income is based, in whole or in 108192
part, on credit for the taxpayer's uniformed service, the 108193
deduction allowed under this division shall include only that 108194

portion of such retirement income that is attributable to the 108195
taxpayer's uniformed service, to the extent that portion of such 108196
retirement income is otherwise included in federal adjusted gross 108197
income and is not otherwise deducted under this section. Any 108198

section 5747.055 of the Revised Code. No amount may be deducted 108201

1070a, et seq., and used to pay room or board furnished by the 108224
educational institution for which the grant was awarded at the 108225
institution's facilities, including meal plans administered by the 108226

institution. For the purposes of this division, receipt of a grant 108227
includes the distribution of a grant directly to an educational 108228
institution and the crediting of the grant to the enrollee's 108229
account with the institution. 108230

(31) ~~Deduct~~ For taxable years beginning in 2013 and 2014, 108231

from real property, tangible property, and intangible property if 108251
the acquisition, rental, management, and disposition of the 108252
property constitute integral parts of the regular course of a 108253
trade or business operation. "Business income" includes income, 108254
including gain or loss, from a partial or complete liquidation of 108255
a business, including, but not limited to, gain or loss from the 108256

ending on the last day of any month other than December. 108269

(G) "Individual" means any natural person. 108270

section 5747.24 of the Revised Code; 108277

(2) The estate of a decedent who at the time of death was 108278
domiciled in this state. The domicile tests of section 5747.24 of 108279
the Revised Code are not controlling for purposes of division 108280
(I)(2) of this section. 108281

(3) A trust that, in whole or part, resides in this state. If 108282
only part of a trust resides in this state, the trust is a 108283

Internal Revenue Code, and with respect to a charitable lead trust 108318
"qualifying beneficiary" is any current, future, or contingent 108319

beneficiary, but with respect to any trust "qualifying 108320
beneficiary" excludes a person or a governmental entity or 108321

the charitable deduction under section 170 of the Internal Revenue 108323
Code. 108324

(d) For the purposes of division (I)(3)(a) of this section, 108325

were transferred directly or indirectly, in whole or part, to the 108328
trust by any of the sources enumerated in that division shall be 108329

shall be computed as follows: 108332

(i) The first time the trust receives assets, the numerator 108333
of the qualifying ratio is the fair market value of those assets 108334
at that time, net of any related liabilities, from sources 108335
enumerated in division (I)(3)(a) of this section. The denominator 108336
of the qualifying ratio is the fair market value of all the 108337
trust's assets at that time, net of any related liabilities. 108338

(ii) Each subsequent time the trust receives assets, a 108339
revised qualifying ratio shall be computed. The numerator of the 108340
revised qualifying ratio is the sum of (1) the fair market value 108341
of the trust's assets immediately prior to the subsequent 108342
transfer, net of any related liabilities, multiplied by the 108343
qualifying ratio last computed without regard to the subsequent 108344
transfer, and (2) the fair market value of the subsequently 108345
transferred assets at the time transferred, net of any related 108346
liabilities, from sources enumerated in division (I)(3)(a) of this 108347
section. The denominator of the revised qualifying ratio is the 108348
fair market value of all the trust's assets immediately after the 108349
subsequent transfer, net of any related liabilities. 108350

(iii) Whether a transfer to the trust is by or from any of 108351

the sources enumerated in division (I)(3)(a) of this section shall 108352
be ascertained without regard to the domicile of the trust's 108353
beneficiaries. 108354

the testator's death for purposes of the taxes levied under 108360
Chapter 5731. of the Revised Code. 108361

(ii) A trust is described in division (I)(3)(e)(ii) of this 108362

of divisions (I)(3)(f)(i) to (vi) of this section, the trust is an 108364
irrevocable inter vivos trust, and at least one of the trust's 108365
qualifying beneficiaries is domiciled in this state for purposes 108366

before the decedent's death and while the decedent was domiciled 108374
in this state for the purposes of this chapter, and, prior to the 108375
death of the decedent, the trust became irrevocable while the 108376
decedent was domiciled in this state for the purposes of this 108377
chapter. 108378

transferred assets, net of any related liabilities, while the 108381
decedent was domiciled in this state for the purposes of this 108382

chapter, and prior to the death of the decedent the trust became 108383
irrevocable while the decedent was domiciled in this state for the 108384
purposes of this chapter. 108385

(iii) The transfer is made on account of a contractual 108386
relationship existing directly or indirectly between the 108387
transferor and either the decedent or the estate of the decedent 108388
at any time prior to the date of the decedent's death, and the 108389
decedent was domiciled in this state at the time of death for 108390
purposes of the taxes levied under Chapter 5731. of the Revised 108391
Code. 108392

(iv) The transfer is made to a trust on account of a 108393
contractual relationship existing directly or indirectly between 108394

testator's death for purposes of the taxes levied under Chapter 108400
5731. of the Revised Code. 108401

(vi) The transfer is made to a trust created by or caused to 108402
be created by a court, and the trust was directly or indirectly 108403
created in connection with or as a result of the death of an 108404
individual who, for purposes of the taxes levied under Chapter 108405
5731. of the Revised Code, was domiciled in this state at the time 108406

part of a trust residing in this state. 108409

(J) "Nonresident" means an individual or estate that is not a 108410

(P) "Principal county of employment" means, in the case of a nonresident, the county within the state in which a taxpayer performs services for an employer or, if those services are performed in more than one county, the county in which the major portion of the services are performed.	108433 108434 108435 108436 108437

political subdivision or authority of any state, other than this 108454
state and its subdivisions and authorities, but only to the extent 108455
that such net amount is not otherwise includible in Ohio taxable 108456
income and is described in either division (S)(1)(a) or (b) of 108457
this section: 108458

(a) The net amount is not attributable to the S portion of an 108459
electing small business trust and has not been distributed to 108460

(b) The net amount is attributable to the S portion of an 108462

deducted in computing federal taxable income, on obligations of 108476
the United States and its territories and possessions or of any 108477

the extent that the interest or dividends are exempt from state 108479
taxes under the laws of the United States, but only to the extent 108480
that such amount is included in federal taxable income and is 108481
described in either division (S)(1)(a) or (b) of this section; 108482

(5) Deduct the amount of wages and salaries, if any, not 108483
otherwise allowable as a deduction but that would have been 108484
allowable as a deduction in computing federal taxable income for 108485
the taxable year, had the targeted jobs credit allowed under 108486
sections 38, 51, and 52 of the Internal Revenue Code not been in 108487

the taxable year; 108491

(6) Deduct any interest or interest equivalent, net of 108492
related expenses deducted in computing federal taxable income, on 108493
public obligations and purchase obligations, but only to the 108494

computing either federal taxable income or income of the S portion 108501
of an electing small business trust for the taxable year; 108502

(8) Except in the case of the final return of an estate, add 108503
any amount deducted by the taxpayer on both its Ohio estate tax 108504
return pursuant to section 5731.14 of the Revised Code, and on its 108505
federal income tax return in determining federal taxable income; 108506

(9)(a) Deduct any amount included in federal taxable income 108507
solely because the amount represents a reimbursement or refund of 108508
expenses that in a previous year the decedent had deducted as an 108509
itemized deduction pursuant to section 63 of the Internal Revenue 108510
Code and applicable treasury regulations. The deduction otherwise 108511
allowed under division (S)(9)(a) of this section shall be reduced 108512

taxpayer or decedent deducted under this section in any taxable 108514
year. 108515

(b) Add any amount not otherwise included in Ohio taxable 108516
income for any taxable year to the extent that the amount is 108517
attributable to the recovery during the taxable year of any amount 108518
deducted or excluded in computing federal or Ohio taxable income 108519
in any taxable year, but only to the extent such amount has not 108520
been distributed to beneficiaries for the taxable year. 108521

(10) Deduct any portion of the deduction described in section 108522

of the following requirements: 108525

(a) It is allowable for repayment of an item that was 108526
included in the taxpayer's taxable income or the decedent's 108527
adjusted gross income for a prior taxable year and did not qualify 108528
for a credit under division (A) or (B) of section 5747.05 of the 108529
Revised Code for that year. 108530

(b) It does not otherwise reduce the taxpayer's taxable 108531
income or the decedent's adjusted gross income for the current or 108532
any other taxable year. 108533

(11) Add any amount claimed as a credit under section 108534

amount satisfies either of the following: 108536

(a) The amount was deducted or excluded from the computation 108537

of the taxpayer's federal taxable income as required to be 108538
reported for the taxpayer's taxable year under the Internal 108539
Revenue Code; 108540

(b) The amount resulted in a reduction in the taxpayer's 108541
federal taxable income as required to be reported for any of the 108542
taxpayer's taxable years under the Internal Revenue Code. 108543

(12) Deduct any amount, net of related expenses deducted in 108544
computing federal taxable income, that a trust is required to 108545
report as farm income on its federal income tax return, but only 108546
if the assets of the trust include at least ten acres of land 108547
satisfying the definition of "land devoted exclusively to 108548
agricultural use" under section 5713.30 of the Revised Code, 108549
regardless of whether the land is valued for tax purposes as such 108550
land under sections 5713.30 to 5713.38 of the Revised Code. If the 108551
trust is a pass-through entity investor, section 5747.231 of the 108552
Revised Code applies in ascertaining if the trust is eligible to 108553
claim the deduction provided by division (S)(12) of this section 108554
in connection with the pass-through entity's farm income. 108555

Except for farm income attributable to the S portion of an 108556
electing small business trust, the deduction provided by division 108557
(S)(12) of this section is allowed only to the extent that the 108558
trust has not distributed such farm income. Division (S)(12) of 108559
this section applies only to taxable years of a trust beginning in 108560
2002 or thereafter. 108561

(13) Add the net amount of income described in section 641(c) 108562
of the Internal Revenue Code to the extent that amount is not 108563
included in federal taxable income. 108564

(14) Add or deduct the amount the taxpayer would be required 108565
to add or deduct under division (A)(20) or (21) of this section if 108566
the taxpayer's Ohio taxable income were computed in the same 108567
manner as an individual's Ohio adjusted gross income is computed 108568

under this section. In the case of a trust, division (S)(14) of 108569
this section applies only to any of the trust's taxable years 108570
beginning in 2002 or thereafter. 108571

(T) "School district income" and "school district income tax" 108572

section 5709.76 of the Revised Code. 108577

state institution of higher education as defined in section 108592
3345.011 of the Revised Code, or a private, nonprofit college, 108593
university, or other post-secondary institution located in this 108594
state that possesses a certificate of authorization issued by the 108595
~~Ohio board of regents~~ chancellor of higher education pursuant to 108596
Chapter 1713. of the Revised Code or a certificate of registration 108597
issued by the state board of career colleges and schools under 108598

Chapter 3332. of the Revised Code. 108599

(2) "Qualified tuition and fees" means tuition and fees 108600
imposed by an eligible institution as a condition of enrollment or 108601
attendance, not exceeding two thousand five hundred dollars in 108602

five thousand dollars. "Qualified tuition and fees" does not 108608
include: 108609

(a) Expenses for any course or activity involving sports, 108610
games, or hobbies unless the course or activity is part of the 108611
individual's degree or diploma program; 108612

(BB)(1) "Modified business income" means the business income 108619

(2) "Qualifying trust amount" of a trust means capital gains 108622
and losses from the sale, exchange, or other disposition of equity 108623
or ownership interests in, or debt obligations of, a qualifying 108624

income, but only if the following requirements are satisfied: 108626

(a) The book value of the qualifying investee's physical 108627
assets in this state and everywhere, as of the last day of the 108628
qualifying investee's fiscal or calendar year ending immediately 108629

prior to the date on which the trust recognizes the gain or loss, 108630
is available to the trust. 108631

(b) The requirements of section 5747.011 of the Revised Code 108632
are satisfied for the trust's taxable year in which the trust 108633

Any gain or loss that is not a qualifying trust amount is 108635
modified business income, qualifying investment income, or 108636
modified nonbusiness income, as the case may be. 108637

(3) "Modified nonbusiness income" means a trust's Ohio 108638
taxable income other than modified business income, other than the 108639
qualifying trust amount, and other than qualifying investment 108640
income, as defined in section 5747.012 of the Revised Code, to the 108641
extent such qualifying investment income is not otherwise part of 108642
modified business income. 108643

(4) "Modified Ohio taxable income" applies only to trusts, 108644
and means the sum of the amounts described in divisions (BB)(4)(a) 108645
to (c) of this section: 108646

(a) The fraction, calculated under section 5747.013, and 108647

(i) The trust's modified business income; 108650

(ii) The trust's qualifying investment income, as defined in 108651
section 5747.012 of the Revised Code, but only to the extent the 108652
qualifying investment income does not otherwise constitute 108653
modified business income and does not otherwise constitute a 108654
qualifying trust amount. 108655

(b) The qualifying trust amount multiplied by a fraction, the 108656
numerator of which is the sum of the book value of the qualifying 108657
investee's physical assets in this state on the last day of the 108658
qualifying investee's fiscal or calendar year ending immediately 108659

prior to the day on which the trust recognizes the qualifying trust amount, and the denominator of which is the sum of the book value of the qualifying investee's total physical assets everywhere on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount. If, for a taxable year, the trust recognizes a qualifying trust amount with respect to more than one qualifying investee, the amount described in division (BB)(4)(b) of this section shall equal the sum of the products so computed for each such qualifying investee.

(c)(i) With respect to a trust or portion of a trust that is a resident as ascertained in accordance with division (I)(3)(d) of this section, its modified nonbusiness income.

(ii) With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the amount of its modified nonbusiness income satisfying the descriptions in divisions (B)(2) to (5) of section 5747.20 of the Revised Code, except as otherwise provided in division (BB)(4)(c)(ii) of this section. With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the trust's portion of modified nonbusiness income recognized from the sale, exchange, or other disposition of a debt interest in or equity interest in a section 5747.212 entity, as defined in section 5747.212 of the Revised Code, without regard to division (A) of that section, shall not be allocated to this state in accordance with section 5747.20 of the Revised Code but shall be apportioned to this state in accordance with division (B) of section 5747.212 of the Revised Code without regard to division (A) of that section.

If the allocation and apportionment of a trust's income under divisions (BB)(4)(a) and (c) of this section do not fairly

represent the modified Ohio taxable income of the trust in this 108692
state, the alternative methods described in division (C) of 108693
section 5747.21 of the Revised Code may be applied in the manner 108694
and to the same extent provided in that section. 108695

(5)(a) Except as set forth in division (BB)(5)(b) of this 108696
section, "qualifying investee" means a person in which a trust has 108697
an equity or ownership interest, or a person or unit of government 108698
the debt obligations of either of which are owned by a trust. For 108699
the purposes of division (BB)(2)(a) of this section and for the 108700
purpose of computing the fraction described in division (BB)(4)(b) 108701
of this section, all of the following apply: 108702

(i) If the qualifying investee is a member of a qualifying 108703
controlled group on the last day of the qualifying investee's 108704
fiscal or calendar year ending immediately prior to the date on 108705
which the trust recognizes the gain or loss, then "qualifying 108706
investee" includes all persons in the qualifying controlled group 108707
on such last day. 108708

(ii) If the qualifying investee, or if the qualifying 108709
investee and any members of the qualifying controlled group of 108710
which the qualifying investee is a member on the last day of the 108711
qualifying investee's fiscal or calendar year ending immediately 108712
prior to the date on which the trust recognizes the gain or loss, 108713
separately or cumulatively own, directly or indirectly, on the 108714
last day of the qualifying investee's fiscal or calendar year 108715
ending immediately prior to the date on which the trust recognizes 108716
the qualifying trust amount, more than fifty per cent of the 108717
equity of a pass-through entity, then the qualifying investee and 108718
the other members are deemed to own the proportionate share of the 108719
pass-through entity's physical assets which the pass-through 108720
entity directly or indirectly owns on the last day of the 108721
pass-through entity's calendar or fiscal year ending within or 108722
with the last day of the qualifying investee's fiscal or calendar 108723

year ending immediately prior to the date on which the trust 108724
recognizes the qualifying trust amount. 108725

(iii) For the purposes of division (BB)(5)(a)(iii) of this 108726
section, "upper level pass-through entity" means a pass-through 108727
entity directly or indirectly owning any equity of another 108728
pass-through entity, and "lower level pass-through entity" means 108729
that other pass-through entity. 108730

An upper level pass-through entity, whether or not it is also 108731
a qualifying investee, is deemed to own, on the last day of the 108732
upper level pass-through entity's calendar or fiscal year, the 108733
proportionate share of the lower level pass-through entity's 108734
physical assets that the lower level pass-through entity directly 108735
or indirectly owns on the last day of the lower level pass-through 108736
entity's calendar or fiscal year ending within or with the last 108737
day of the upper level pass-through entity's fiscal or calendar 108738
year. If the upper level pass-through entity directly and 108739
indirectly owns less than fifty per cent of the equity of the 108740
lower level pass-through entity on each day of the upper level 108741
pass-through entity's calendar or fiscal year in which or with 108742
which ends the calendar or fiscal year of the lower level 108743
pass-through entity and if, based upon clear and convincing 108744
evidence, complete information about the location and cost of the 108745
physical assets of the lower pass-through entity is not available 108746
to the upper level pass-through entity, then solely for purposes 108747
of ascertaining if a gain or loss constitutes a qualifying trust 108748
amount, the upper level pass-through entity shall be deemed as 108749
owning no equity of the lower level pass-through entity for each 108750
day during the upper level pass-through entity's calendar or 108751
fiscal year in which or with which ends the lower level 108752
pass-through entity's calendar or fiscal year. Nothing in division 108753
(BB)(5)(a)(iii) of this section shall be construed to provide for 108754
any deduction or exclusion in computing any trust's Ohio taxable 108755

income. 108756

(b) With respect to a trust that is not a resident for the 108757
taxable year and with respect to a part of a trust that is not a 108758
resident for the taxable year, "qualifying investee" for that 108759
taxable year does not include a C corporation if both of the 108760
following apply: 108761

(i) During the taxable year the trust or part of the trust 108762
recognizes a gain or loss from the sale, exchange, or other 108763
disposition of equity or ownership interests in, or debt 108764
obligations of, the C corporation. 108765

(ii) Such gain or loss constitutes nonbusiness income. 108766

(6) "Available" means information is such that a person is 108767
able to learn of the information by the due date plus extensions, 108768
if any, for filing the return for the taxable year in which the 108769
trust recognizes the gain or loss. 108770

(CC) "Qualifying controlled group" has the same meaning as in 108771
section 5733.04 of the Revised Code. 108772

(DD) "Related member" has the same meaning as in section 108773
5733.042 of the Revised Code. 108774

(EE)(1) For the purposes of division (EE) of this section: 108775

(a) "Qualifying person" means any person other than a 108776
qualifying corporation. 108777

(b) "Qualifying corporation" means any person classified for 108778
federal income tax purposes as an association taxable as a 108779
corporation, except either of the following: 108780

(i) A corporation that has made an election under subchapter 108781
S, chapter one, subtitle A, of the Internal Revenue Code for its 108782
taxable year ending within, or on the last day of, the investor's 108783
taxable year; 108784

(ii) A subsidiary that is wholly owned by any corporation 108785

that has made an election under subchapter S, chapter one, 108786
subtitle A of the Internal Revenue Code for its taxable year 108787
ending within, or on the last day of, the investor's taxable year. 108788

(2) For the purposes of this chapter, unless expressly stated 108789
otherwise, no qualifying person indirectly owns any asset directly 108790
or indirectly owned by any qualifying corporation. 108791

(FF) For purposes of this chapter and Chapter 5751. of the 108792
Revised Code: 108793

(1) "Trust" does not include a qualified pre-income tax 108794
trust. 108795

(2) A "qualified pre-income tax trust" is any pre-income tax 108796
trust that makes a qualifying pre-income tax trust election as 108797
described in division (FF)(3) of this section. 108798

(3) A "qualifying pre-income tax trust election" is an 108799
election by a pre-income tax trust to subject to the tax imposed 108800
by section 5751.02 of the Revised Code the pre-income tax trust 108801
and all pass-through entities of which the trust owns or controls, 108802
directly, indirectly, or constructively through related interests, 108803
five per cent or more of the ownership or equity interests. The 108804
trustee shall notify the tax commissioner in writing of the 108805
election on or before April 15, 2006. The election, if timely 108806
made, shall be effective on and after January 1, 2006, and shall 108807
apply for all tax periods and tax years until revoked by the 108808
trustee of the trust. 108809

(4) A "pre-income tax trust" is a trust that satisfies all of 108810

another state or the District of Columbia or the amount of income 109139

under this division shall only claim refund of overpayments 109160
resulting from an adjustment to the credit allowed by division (B) 109161
of this section unless it is also filed within the time prescribed 109162
in section 5747.11 of the Revised Code. It shall not reopen the 109163

last day of the taxable year. A taxpayer who elects to receive a 109377
credit under this division is not entitled to a credit under this 109378
division or division (B) or (C) of this section for any subsequent 109379
year except as provided in division (D) of this section. 109380

~~(F) In the case of a taxpayer who elected to take an 109381
exclusion under division (A)(1) or (3) of former section 5747.01 109382

life, and who was entitled immediately preceding the effective 109384
date of this section under division (A)(2) or (3) of such section 109385
to a further exclusion, any credit computed in accordance with the 109386
schedule in division (B) of this section, including the credit 109387
computed under division (C)(2) of this section, shall not exceed 109388

section 5747.025 of the Revised Code, as shown on an individual or 109403
joint annual return is less than one hundred thousand dollars for 109404
that taxable year may elect to receive a credit under this 109405
division in lieu of the credit to which the taxpayer is entitled 109406
under division (F) of this section. A taxpayer making such an 109407
election shall receive a credit for the taxable year against the 109408
tax imposed by section 5747.02 of the Revised Code equal to fifty 109409
dollars times the taxpayer's expected remaining life as shown by 109410
annuity tables issued under the Internal Revenue Code and in 109411

tax commissioner may require a taxpayer to furnish any information 109418
necessary to support a claim for credit under this section, and no 109419
credit shall be allowed unless such information is provided. 109420

5747.98 of the Revised Code. For purposes of making tax payments 109427

under this chapter, taxes equal to the amount of the refundable 109428
credit shall be considered to be paid to this state on the first 109429
day of the taxable year. The refundable credit shall not be 109430
claimed for any taxable years ending with or following the 109431
calendar year in which a relocation of employment positions occurs 109432

imposed by section 5747.02 of the Revised Code and each tax 109440
imposed under Chapter 5748. of the Revised Code shall be made by 109441
every taxpayer for any taxable year for which the taxpayer is 109442
liable for the tax imposed by that section or under that chapter, 109443
unless the total credits allowed under ~~divisions~~ division (E)~~7~~ 109444
~~(F), and (G)~~ of section 5747.05 and divisions (F) and (G) of 109445
section 5747.055 of the Revised Code for the year are equal to or 109446
exceed the tax imposed by section 5747.02 of the Revised Code, in 109447
which case no return shall be required unless the taxpayer is 109448
liable for a tax imposed pursuant to Chapter 5748. of the Revised 109449
Code. 109450

required of that individual under this chapter shall be made and 109452
filed by that decedent's executor, administrator, or other person 109453
charged with the property of that decedent. 109454

(B) If an individual is unable to make a return or notice 109455

The single return shall set forth the name, address, and social security number or other identifying number of each of those pass-through entity investors and shall indicate the distributive share of each of those pass-through entity investor's income taxable in this state in accordance with sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed; and are entitled to only their distributive share of the business credits as defined in division (D)(2) of this section. A single check drawn by the pass-through entity shall accompany the return in full payment of the tax due, as shown on the single return, for such investors, other than investors who are persons subject to the tax imposed under section 5733.06 of the Revised Code. 109463

(b)(i) A pass-through entity shall not include in such a single return any investor that is a trust to the extent that any direct or indirect current, future, or contingent beneficiary of the trust is a person subject to the tax imposed under section 5733.06 of the Revised Code. 109485
109486
109487
109488
109489

(ii) A pass-through entity shall not include in such a single 109490

return any investor that is itself a pass-through entity to the 109491
extent that any direct or indirect investor in the second 109492
pass-through entity is a person subject to the tax imposed under 109493
section 5733.06 of the Revised Code. 109494

(c) Nothing in division (D) of this section precludes the tax 109495
commissioner from requiring such investors to file the return and 109496
make the payment of taxes and related interest, penalty, and 109497
interest penalty required by this section or section 5747.02, 109498
5747.09, or 5747.15 of the Revised Code. Nothing in division (D) 109499
of this section precludes such an investor from filing the annual 109500
return under this section, utilizing the refundable credit equal 109501
to the investor's proportionate share of the tax paid by the 109502
pass-through entity on behalf of the investor under division (I) 109503
of this section, and making the payment of taxes imposed under 109504
section 5747.02 of the Revised Code. Nothing in division (D) of 109505
this section shall be construed to provide to such an investor or 109506
pass-through entity any additional deduction or credit, other than 109507
the credit provided by division (I) of this section, solely on 109508
account of the entity's filing a return in accordance with this 109509
section. Such a pass-through entity also shall make the filing and 109510
payment of estimated taxes on behalf of the pass-through entity 109511
investors other than an investor that is a person subject to the 109512
tax imposed under section 5733.06 of the Revised Code. 109513

(2) For the purposes of this section, "business credits" 109514
means the credits listed in section 5747.98 of the Revised Code 109515
excluding the following credits: 109516

(a) The retirement income credit under division (B) of 109517
section 5747.055 of the Revised Code; 109518

(b) The senior citizen credit under division ~~(C)~~(F) of 109519
section ~~5747.05~~ 5747.055 of the Revised Code; 109520

(c) The lump sum distribution credit under division ~~(D)~~(G) of 109521

section 5747.05 <u>5747.055</u> of the Revised Code;	109522
(d) The dependent care credit under section 5747.054 of the Revised Code;	109523 109524
(e) The lump sum retirement income credit under division (C) of section 5747.055 of the Revised Code;	109525 109526
(f) The lump sum retirement income credit under division (D) of section 5747.055 of the Revised Code;	109527 109528
(g) The lump sum retirement income credit under division (E) of section 5747.055 of the Revised Code;	109529 109530
(h) The credit for displaced workers who pay for job training under section 5747.27 of the Revised Code;	109531 109532
(i) The twenty-dollar personal exemption credit under section 5747.022 of the Revised Code;	109533 109534
(j) The joint filing credit under division (G) <u>(E)</u> of section 5747.05 of the Revised Code;	109535 109536
(k) The nonresident credit under division (A) of section 5747.05 of the Revised Code;	109537 109538
(l) The credit for a resident's out-of-state income under division (B) of section 5747.05 of the Revised Code;	109539 109540
(m) The low-income credit under section 5747.056 of the Revised Code;	109541 109542

(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any	109545 109546 109547 109548 109549 109550

deduction or credit that would not be allowable if a nonresident 109551
pass-through entity investor were to file an annual return. 109552

(4) If a pass-through entity makes the election provided for 109553
under division (D) of this section, the pass-through entity shall 109554
be liable for any additional taxes, interest, interest penalty, or 109555
penalties imposed by this chapter if the tax commissioner finds 109556
that the single return does not reflect the correct tax due by the 109557
pass-through entity investors covered by that return. Nothing in 109558
this division shall be construed to limit or alter the liability, 109559
if any, imposed on pass-through entity investors for unpaid or 109560
underpaid taxes, interest, interest penalty, or penalties as a 109561
result of the pass-through entity's making the election provided 109562
for under division (D) of this section. For the purposes of 109563
division (D) of this section, "correct tax due" means the tax that 109564
would have been paid by the pass-through entity had the single 109565
return been filed in a manner reflecting the commissioner's 109566
findings. Nothing in division (D) of this section shall be 109567
construed to make or hold a pass-through entity liable for tax 109568
attributable to a pass-through entity investor's income from a 109569
source other than the pass-through entity electing to file the 109570
single return. 109571

(E) If a husband and wife file a joint federal income tax 109572
return for a taxable year, they shall file a joint return under 109573
this section for that taxable year, and their liabilities are 109574
joint and several, but, if the federal income tax liability of 109575
either spouse is determined on a separate federal income tax 109576
return, they shall file separate returns under this section. 109577

If either spouse is not required to file a federal income tax 109578
return and either or both are required to file a return pursuant 109579
to this chapter, they may elect to file separate or joint returns, 109580
and, pursuant to that election, their liabilities are separate or 109581
joint and several. If a husband and wife file separate returns 109582

pursuant to this chapter, each must claim the taxpayer's own 109583
exemption, but not both, as authorized under section 5747.02 of 109584
the Revised Code on the taxpayer's own return. 109585

(F) Each return or notice required to be filed under this 109586
section shall contain the signature of the taxpayer or the 109587
taxpayer's duly authorized agent and of the person who prepared 109588
the return for the taxpayer, and shall include the taxpayer's 109589
social security number. Each return shall be verified by a 109590
declaration under the penalties of perjury. The tax commissioner 109591
shall prescribe the form that the signature and declaration shall 109592
take. 109593

(G) Each return or notice required to be filed under this 109594
section shall be made and filed as required by section 5747.04 of 109595
the Revised Code, on or before the fifteenth day of April of each 109596
year, on forms that the tax commissioner shall prescribe, together 109597
with remittance made payable to the treasurer of state in the 109598
combined amount of the state and all school district income taxes 109599
shown to be due on the form. 109600

Upon good cause shown, the commissioner may extend the period 109601
for filing any notice or return required to be filed under this 109602
section and may adopt rules relating to extensions. If the 109603
extension results in an extension of time for the payment of any 109604
state or school district income tax liability with respect to 109605
which the return is filed, the taxpayer shall pay at the time the 109606
tax liability is paid an amount of interest computed at the rate 109607
per annum prescribed by section 5703.47 of the Revised Code on 109608
that liability from the time that payment is due without extension 109609
to the time of actual payment. Except as provided in section 109610
5747.132 of the Revised Code, in addition to all other interest 109611
charges and penalties, all taxes imposed under this chapter or 109612
Chapter 5748. of the Revised Code and remaining unpaid after they 109613
become due, except combined amounts due of one dollar or less, 109614

bear interest at the rate per annum prescribed by section 5703.47 109615
of the Revised Code until paid or until the day an assessment is 109616
issued under section 5747.13 of the Revised Code, whichever occurs 109617
first. 109618

If the commissioner considers it necessary in order to ensure 109619
the payment of the tax imposed by section 5747.02 of the Revised 109620
Code or any tax imposed under Chapter 5748. of the Revised Code, 109621
the commissioner may require returns and payments to be made 109622
otherwise than as provided in this section. 109623

To the extent that any provision in this division conflicts 109624
with any provision in section 5747.026 of the Revised Code, the 109625
provision in that section prevails. 109626

(H) The amounts withheld by an employer pursuant to section 109627
5747.06 of the Revised Code, a casino operator pursuant to section 109628
5747.063 of the Revised Code, or a lottery sales agent pursuant to 109629
section 5747.064 of the Revised Code shall be allowed to the 109630
recipient of the compensation casino winnings, or lottery prize 109631
award as credits against payment of the appropriate taxes imposed 109632
on the recipient by section 5747.02 and under Chapter 5748. of the 109633
Revised Code. 109634

(I) If a pass-through entity elects to file a single return 109635
under division (D) of this section and if any investor is required 109636
to file the annual return and make the payment of taxes required 109637
by this chapter on account of the investor's other income that is 109638
not included in a single return filed by a pass-through entity or 109639
any other investor elects to file the annual return, the investor 109640
is entitled to a refundable credit equal to the investor's 109641
proportionate share of the tax paid by the pass-through entity on 109642
behalf of the investor. The investor shall claim the credit for 109643
the investor's taxable year in which or with which ends the 109644
taxable year of the pass-through entity. Nothing in this chapter 109645
shall be construed to allow any credit provided in this chapter to 109646

be claimed more than once. For the purpose of computing any 109647
interest, penalty, or interest penalty, the investor shall be 109648
deemed to have paid the refundable credit provided by this 109649
division on the day that the pass-through entity paid the 109650
estimated tax or the tax giving rise to the credit. 109651

(J) The tax commissioner shall ensure that each return 109652
required to be filed under this section includes a box that the 109653
taxpayer may check to authorize a paid tax preparer who prepared 109654
the return to communicate with the department of taxation about 109655
matters pertaining to the return. The return or instructions 109656
accompanying the return shall indicate that by checking the box 109657
the taxpayer authorizes the department of taxation to contact the 109658
preparer concerning questions that arise during the processing of 109659
the return and authorizes the preparer only to provide the 109660
department with information that is missing from the return, to 109661
contact the department for information about the processing of the 109662
return or the status of the taxpayer's refund or payments, and to 109663
respond to notices about mathematical errors, offsets, or return 109664
preparation that the taxpayer has received from the department and 109665
has shown to the preparer. 109666

(K) The tax commissioner shall permit individual taxpayers to 109667
instruct the department of taxation to cause any refund of 109668
overpaid taxes to be deposited directly into a checking account, 109669
savings account, or an individual retirement account or individual 109670
retirement annuity, or preexisting college savings plan or program 109671
account offered by the Ohio tuition trust authority under Chapter 109672
3334. of the Revised Code, as designated by the taxpayer, when the 109673
taxpayer files the annual return required by this section 109674
electronically. 109675

(L) The tax commissioner may adopt rules to administer this 109676
section. 109677

Sec. 5747.113. (A) Any taxpayer claiming a refund under 109678
section 5747.11 of the Revised Code who wishes to contribute any 109679
part of the taxpayer's refund to the natural areas and preserves 109680
fund created in section 1517.11 of the Revised Code, the nongame 109681
and endangered wildlife fund created in section 1531.26 of the 109682
Revised Code, the military injury relief fund created in section 109683

contribution fund created in section 3701.601 of the Revised Code, 109687
the wishes for sick children income tax contribution fund created 109688
in section 3701.602 of the Revised Code, or all of those funds may 109689
designate on the taxpayer's income tax return the amount that the 109690
taxpayer wishes to contribute to the fund or funds. A designated 109691
contribution is irrevocable upon the filing of the return and 109692
shall be made in the full amount designated if the refund found 109693
due the taxpayer upon the initial processing of the taxpayer's 109694
return, after any deductions including those required by section 109695
5747.12 of the Revised Code, is greater than or equal to the 109696
designated contribution. If the refund due as initially determined 109697
is less than the designated contribution, the contribution shall 109698
be made in the full amount of the refund. The tax commissioner 109699
shall subtract the amount of the contribution from the amount of 109700
the refund initially found due the taxpayer and shall certify the 109701
difference to the director of budget and management and treasurer 109702
of state for payment to the taxpayer in accordance with section 109703
5747.11 of the Revised Code. For the purpose of any subsequent 109704
determination of the taxpayer's net tax payment, the contribution 109705
shall be considered a part of the refund paid to the taxpayer. 109706

(B) The tax commissioner shall provide a space on the income 109707
tax return form in which a taxpayer may indicate that the taxpayer 109708
wishes to make a donation in accordance with this section. The tax 109709

commissioner shall also print in the instructions accompanying the 109710
income tax return form a description of the purposes for which the 109711
natural areas and preserves fund, the nongame and endangered 109712
wildlife fund, the military injury relief fund, the Ohio 109713
historical society income tax contribution fund, ~~and~~ the breast 109714
and cervical cancer project income tax contribution fund, and the 109715
wishes for sick children income tax contribution fund were created 109716
and the use of moneys from the income tax refund contribution 109717
system established in this section. No person shall designate on 109718
the person's income tax return any part of a refund claimed under 109719
section 5747.11 of the Revised Code as a contribution to any fund 109720
other than the natural areas and preserves fund, the nongame and 109721
endangered wildlife fund, the military injury relief fund, the 109722
Ohio historical society income tax contribution fund, ~~or~~ the 109723
breast and cervical cancer project income tax contribution fund, 109724
or the wishes for sick children income tax contribution fund. 109725

(C) The money collected under the income tax refund 109726
contribution system established in this section shall be deposited 109727
by the tax commissioner into the natural areas and preserves fund, 109728
the nongame and endangered wildlife fund, the military injury 109729
relief fund, the Ohio historical society income tax contribution 109730

contribution fund, and the wishes for sick children income tax 109732
contribution fund in the amounts designated on the tax returns. 109733

(D) No later than the thirtieth day of September each year, 109734
the tax commissioner shall determine the total amount contributed 109735
to each fund under this section during the preceding eight months, 109736
any adjustments to prior months, and the cost to the department of 109737
taxation of administering the income tax refund contribution 109738
system during that eight-month period. The commissioner shall make 109739
an additional determination no later than the thirty-first day of 109740
January of each year of the total amount contributed to each fund 109741

this section, but no further distributions shall be made to 109896
municipal corporations under division (C) of this section during 109897

(B) At each annual regular session of the county budget commission convened pursuant to section 5705.27 of the Revised 110019
110020

Code, each auditor shall present to the commission the certificate 110021
of the commissioner, the annual tax budget and estimates, and the 110022
records showing the action of the commission in its last preceding 110023
regular session. The commission, after extending to the 110024
representatives of each subdivision an opportunity to be heard, 110025
under oath administered by any member of the commission, and 110026
considering all the facts and information presented to it by the 110027
auditor, shall determine the amount of the undivided local 110028
government fund needed by and to be apportioned to each 110029
subdivision for current operating expenses, as shown in the tax 110030
budget of the subdivision. This determination shall be made 110031
pursuant to divisions (C) to (I) of this section, unless the 110032

amount of funds from the undivided local government fund to a 110035
subdivision required to receive reduced or increased funds under 110036
section 5747.502 of the Revised Code. 110037

Nothing in this section prevents the budget commission, for 110038
the purpose of apportioning the undivided local government fund, 110039
from inquiring into the claimed needs of any subdivision as stated 110040
in its tax budget, or from adjusting claimed needs to reflect 110041
actual needs. For the purposes of this section, "current operating 110042
expenses" means the lawful expenditures of a subdivision, except 110043
those for permanent improvements and except payments for interest, 110044
sinking fund, and retirement of bonds, notes, and certificates of 110045
indebtedness of the subdivision. 110046

(C) The commission shall determine the combined total of the 110047

and any special funds other than special funds established for 110049
road and bridge; street construction, maintenance, and repair; 110050
state highway improvement; and gas, water, sewer, and electric 110051
public utilities operated by a subdivision, as shown in the 110052

subdivision's tax budget for the ensuing calendar year. 110053

(D) From the combined total of expenditures calculated 110054
pursuant to division (C) of this section, the commission shall 110055
deduct the following expenditures, if included in these funds in 110056
the tax budget: 110057

(1) Expenditures for permanent improvements as defined in 110058
division (E) of section 5705.01 of the Revised Code; 110059

(2) In the case of counties and townships, transfers to the 110060
road and bridge fund, and in the case of municipalities, transfers 110061
to the street construction, maintenance, and repair fund and the 110062
state highway improvement fund; 110063

(3) Expenditures for the payment of debt charges; 110064

(4) Expenditures for the payment of judgments. 110065

(E) In addition to the deductions made pursuant to division 110066
(D) of this section, revenues accruing to the general fund and any 110067
special fund considered under division (C) of this section from 110068
the following sources shall be deducted from the combined total of 110069
expenditures calculated pursuant to division (C) of this section: 110070

(1) Taxes levied within the ten-mill limitation, as defined 110071
in section 5705.02 of the Revised Code; 110072

(2) The budget commission allocation of estimated county 110073
public library fund revenues to be distributed pursuant to section 110074
5747.48 of the Revised Code; 110075

(3) Estimated unencumbered balances as shown on the tax 110076
budget as of the thirty-first day of December of the current year 110077
in the general fund, but not any estimated balance in any special 110078
fund considered in division (C) of this section; 110079

(4) Revenue, including transfers, shown in the general fund 110080
and any special funds other than special funds established for 110081
road and bridge; street construction, maintenance, and repair; 110082

state highway improvement; and gas, water, sewer, and electric 110083
public utilities, from all other sources except those that a 110084
subdivision receives from an additional tax or service charge 110085
voted by its electorate or receives from special assessment or 110086
revenue bond collection. For the purposes of this division, where 110087
the charter of a municipal corporation prohibits the levy of an 110088
income tax, an income tax levied by the legislative authority of 110089
such municipal corporation pursuant to an amendment of the charter 110090
of that municipal corporation to authorize such a levy represents 110091
an additional tax voted by the electorate of that municipal 110092
corporation. For the purposes of this division, any measure 110093
adopted by a board of county commissioners pursuant to section 110094
322.02, 324.02, 4504.02, or 5739.021 of the Revised Code, 110095
including those measures upheld by the electorate in a referendum 110096
conducted pursuant to section 322.021, 324.021, 4504.021, or 110097
5739.022 of the Revised Code, shall not be considered an 110098
additional tax voted by the electorate. 110099

Subject to division (G) of section 5705.29 of the Revised 110100
Code, money in a reserve balance account established by a county, 110101
township, or municipal corporation under section 5705.13 of the 110102
Revised Code shall not be considered an unencumbered balance or 110103
revenue under division (E)(3) or (4) of this section. Money in a 110104
reserve balance account established by a township under section 110105
5705.132 of the Revised Code shall not be considered an 110106
unencumbered balance or revenue under division (E)(3) or (4) of 110107
this section. 110108

If a county, township, or municipal corporation has created 110109
and maintains a nonexpendable trust fund under section 5705.131 of 110110
the Revised Code, the principal of the fund, and any additions to 110111
the principal arising from sources other than the reinvestment of 110112
investment earnings arising from such a fund, shall not be 110113
considered an unencumbered balance or revenue under division 110114

(E)(3) or (4) of this section. Only investment earnings arising 110115
from investment of the principal or investment of such additions 110116
to principal may be considered an unencumbered balance or revenue 110117
under those divisions. 110118

(F) The total expenditures calculated pursuant to division 110119
(C) of this section, less the deductions authorized in divisions 110120
(D) and (E) of this section, shall be known as the "relative need" 110121
of the subdivision, for the purposes of this section. 110122

(G) The budget commission shall total the relative need of 110123
all participating subdivisions in the county, and shall compute a 110124
relative need factor by dividing the total estimate of the 110125
undivided local government fund by the total relative need of all 110126
participating subdivisions. 110127

(H) The relative need of each subdivision shall be multiplied 110128
by the relative need factor to determine the proportionate share 110129
of the subdivision in the undivided local government fund of the 110130
county; provided, that the maximum proportionate share of a county 110131
shall not exceed the following maximum percentages of the total 110132
estimate of the undivided local government fund governed by the 110133
relationship of the percentage of the population of the county 110134
that resides within municipal corporations within the county to 110135
the total population of the county as reported in the reports on 110136
population in Ohio by the department of development as of the 110137
twentieth day of July of the year in which the tax budget is filed 110138
with the budget commission: 110139

Where the proportionate share of the county exceeds the 110145
limitations established in this division, the budget commission 110146
shall adjust the proportionate shares determined pursuant to this 110147
division so that the proportionate share of the county does not 110148
exceed these limitations, and it shall increase the proportionate 110149
shares of all other subdivisions on a pro rata basis. In counties 110150
having a population of less than one hundred thousand, not less 110151
than ten per cent shall be distributed to the townships therein. 110152

(I) The proportionate share of each subdivision in the 110153
undivided local government fund determined pursuant to division 110154
(H) of this section for any calendar year shall not be less than 110155
the product of the average of the percentages of the undivided 110156
local government fund of the county as apportioned to that 110157
subdivision for the calendar years 1968, 1969, and 1970, 110158
multiplied by the total amount of the undivided local government 110159
fund of the county apportioned pursuant to former section 5735.23 110160
of the Revised Code for the calendar year 1970. For the purposes 110161
of this division, the total apportioned amount for the calendar 110162
year 1970 shall be the amount actually allocated to the county in 110163
1970 from the state collected intangible tax as levied by section 110164
5707.03 of the Revised Code and distributed pursuant to section 110165
5725.24 of the Revised Code, plus the amount received by the 110166
county in the calendar year 1970 pursuant to division (B)(1) of 110167
former section 5739.21 of the Revised Code, and distributed 110168
pursuant to former section 5739.22 of the Revised Code. If the 110169
total amount of the undivided local government fund for any 110170
calendar year is less than the amount of the undivided local 110171
government fund apportioned pursuant to former section 5739.23 of 110172
the Revised Code for the calendar year 1970, the minimum amount 110173
guaranteed to each subdivision for that calendar year pursuant to 110174
this division shall be reduced on a basis proportionate to the 110175
amount by which the amount of the undivided local government fund 110176
for that calendar year is less than the amount of the undivided 110177

local government fund apportioned for the calendar year 1970. 110178

(J) On the basis of such apportionment, the county auditor 110179
shall compute the percentage share of each such subdivision in the 110180
undivided local government fund and shall at the same time certify 110181
to the tax commissioner the percentage share of the county as a 110182
subdivision. No payment shall be made from the undivided local 110183
government fund, except in accordance with such percentage shares. 110184

Within ten days after the budget commission has made its 110185
apportionment, whether conducted pursuant to section 5747.51 or 110186
5747.53 of the Revised Code, the auditor shall publish a list of 110187
the subdivisions and the amount each is to receive from the 110188
undivided local government fund and the percentage share of each 110189
subdivision, in a newspaper or newspapers of countywide 110190
circulation, and send a copy of such allocation to the tax 110191
commissioner. 110192

The county auditor shall also send by certified mail, return 110193
receipt requested, a copy of such allocation to the fiscal officer 110194
of each subdivision entitled to participate in the allocation of 110195
the undivided local government fund of the county. This copy shall 110196
constitute the official notice of the commission action referred 110197
to in section 5705.37 of the Revised Code. 110198

All money received into the treasury of a subdivision from 110199
the undivided local government fund in a county treasury shall be 110200
paid into the general fund and used for the current operating 110201
expenses of the subdivision. 110202

If a municipal corporation maintains a municipal university, 110203
such municipal university, when the board of trustees so requests 110204
the legislative authority of the municipal corporation, shall 110205
participate in the money apportioned to such municipal corporation 110206
from the total local government fund, however created and 110207
constituted, in such amount as requested by the board of trustees, 110208

provided such sum does not exceed nine per cent of the total 110209
amount paid to the municipal corporation. 110210

If any public official fails to maintain the records required 110211
by sections 5747.50 to 5747.55 of the Revised Code or by the rules 110212
issued by the tax commissioner, the auditor of state, or the 110213
treasurer of state pursuant to such sections, or fails to comply 110214
with any law relating to the enforcement of such sections, the 110215
local government fund money allocated to the county may be 110216
withheld until such time as the public official has complied with 110217
such sections or such law or the rules issued pursuant thereto. 110218

Sec. 5747.53. (A) As used in this section: 110219

(1) "City, located wholly or partially in the county, with 110220
the greatest population" means the city, located wholly or 110221
partially in the county, with the greatest population residing in 110222
the county; however, if the county budget commission on or before 110223
January 1, 1998, adopted an alternative method of apportionment 110224
that was approved by the legislative authority of the city, 110225
located partially in the county, with the greatest population but 110226
not the greatest population residing in the county, "city, located 110227
wholly or partially in the county, with the greatest population" 110228
means the city, located wholly or partially in the county, with 110229
the greatest population whether residing in the county or not, if 110230
this alternative meaning is adopted by action of the board of 110231
county commissioners and a majority of the boards of township 110232
trustees and legislative authorities of municipal corporations 110233
located wholly or partially in the county. 110234

(2) "Participating political subdivision" means a municipal 110235
corporation or township that satisfies all of the following: 110236

(a) It is located wholly or partially in the county. 110237

(b) It is not the city, located wholly or partially in the 110238

county, with the greatest population. 110239

(c) Undivided local government fund moneys are apportioned to 110240
it under the county's alternative method or formula of 110241
apportionment in the current calendar year. 110242

(B) In lieu of the method of apportionment of the undivided 110243
local government fund of the county provided by section 5747.51 of 110244
the Revised Code, the county budget commission may provide for the 110245
apportionment of the fund under an alternative method or on a 110246
formula basis as authorized by this section. The commissioner 110247
shall reduce or increase the amount of funds from the undivided 110248
local government fund to a subdivision required to receive reduced 110249
or increased funds under section 5747.502 of the Revised Code. 110250

Except as otherwise provided in division (C) of this section, 110251
the alternative method of apportionment shall have first been 110252
approved by all of the following governmental units: the board of 110253
county commissioners; the legislative authority of the city, 110254
located wholly or partially in the county, with the greatest 110255
population; and a majority of the boards of township trustees and 110256
legislative authorities of municipal corporations, located wholly 110257
or partially in the county, excluding the legislative authority of 110258
the city, located wholly or partially in the county, with the 110259
greatest population. In granting or denying approval for an 110260
alternative method of apportionment, the board of county 110261
commissioners, boards of township trustees, and legislative 110262
authorities of municipal corporations shall act by motion. A 110263
motion to approve shall be passed upon a majority vote of the 110264
members of a board of county commissioners, board of township 110265
trustees, or legislative authority of a municipal corporation, 110266
shall take effect immediately, and need not be published. 110267

Any alternative method of apportionment adopted and approved 110268
under this division may be revised, amended, or repealed in the 110269
same manner as it may be adopted and approved. If an alternative 110270

method of apportionment adopted and approved under this division 110271
is repealed, the undivided local government fund of the county 110272
shall be apportioned among the subdivisions eligible to 110273
participate in the fund, commencing in the ensuing calendar year, 110274
under the apportionment provided in section 5747.52 of the Revised 110275
Code, unless the repeal occurs by operation of division (C) of 110276
this section or a new method for apportionment of the fund is 110277
provided in the action of repeal. 110278

(C) This division applies only in counties in which the city, 110279
located wholly or partially in the county, with the greatest 110280
population has a population of twenty thousand or less and a 110281
population that is less than fifteen per cent of the total 110282
population of the county. In such a county, the legislative 110283
authorities or boards of township trustees of two or more 110284
participating political subdivisions, which together have a 110285
population residing in the county that is a majority of the total 110286
population of the county, each may adopt a resolution to exclude 110287
the approval otherwise required of the legislative authority of 110288
the city, located wholly or partially in the county, with the 110289
greatest population. All of the resolutions to exclude that 110290
approval shall be adopted not later than the first Monday of 110291
August of the year preceding the calendar year in which 110292
distributions are to be made under an alternative method of 110293
apportionment. 110294

A motion granting or denying approval of an alternative 110295
method of apportionment under this division shall be adopted by a 110296
majority vote of the members of the board of county commissioners 110297
and by a majority vote of a majority of the boards of township 110298
trustees and legislative authorities of the municipal corporations 110299
located wholly or partially in the county, other than the city, 110300
located wholly or partially in the county, with the greatest 110301
population, shall take effect immediately, and need not be 110302

published. The alternative method of apportionment under this 110303
division shall be adopted and approved annually, not later than 110304
the first Monday of August of the year preceding the calendar year 110305
in which distributions are to be made under it. A motion granting 110306
approval of an alternative method of apportionment under this 110307
division repeals any existing alternative method of apportionment, 110308
effective with distributions to be made from the fund in the 110309
ensuing calendar year. An alternative method of apportionment 110310
under this division shall not be revised or amended after the 110311
first Monday of August of the year preceding the calendar year in 110312
which distributions are to be made under it. 110313

(D) In determining an alternative method of apportionment 110314
authorized by this section, the county budget commission may 110315
include in the method any factor considered to be appropriate and 110316
reliable, in the sole discretion of the county budget commission. 110317

(E) The limitations set forth in section 5747.51 of the 110318
Revised Code, stating the maximum amount that the county may 110319
receive from the undivided local government fund and the minimum 110320
amount the townships in counties having a population of less than 110321
one hundred thousand may receive from the fund, are applicable to 110322
any alternative method of apportionment authorized under this 110323
section. 110324

(F) On the basis of any alternative method of apportionment 110325
adopted and approved as authorized by this section, as certified 110326
by the auditor to the county treasurer, the county treasurer shall 110327
make distribution of the money in the undivided local government 110328
fund to each subdivision eligible to participate in the fund, and 110329
the auditor, when the amount of those shares is in the custody of 110330
the treasurer in the amounts so computed to be due the respective 110331
subdivisions, shall at the same time certify to the tax 110332
commissioner the percentage share of the county as a subdivision. 110333
All money received into the treasury of a subdivision from the 110334

undivided local government fund in a county treasury shall be paid 110335
into the general fund and used for the current operating expenses 110336
of the subdivision. If a municipal corporation maintains a 110337
municipal university, the university, when the board of trustees 110338
so requests the legislative authority of the municipal 110339
corporation, shall participate in the money apportioned to the 110340
municipal corporation from the total local government fund, 110341
however created and constituted, in the amount requested by the 110342
board of trustees, provided that amount does not exceed nine per 110343
cent of the total amount paid to the municipal corporation. 110344

(G) The actions of the county budget commission taken 110345
pursuant to this section are final and may not be appealed to the 110346
board of tax appeals, except on the issues of abuse of discretion 110347
and failure to comply with the formula. 110348

Sec. 5747.71. There is hereby allowed a nonrefundable credit 110349
against the tax imposed by section 5747.02 of the Revised Code for 110350
a taxpayer who is an "eligible individual" as defined in section 110351
32 of the Internal Revenue Code. The credit shall equal five per 110352
cent of the credit allowed on the taxpayer's federal income tax 110353
return pursuant to section 32 of the Internal Revenue Code for 110354
taxable years beginning in 2013, and ten per cent of the federal 110355
credit allowed for taxable years beginning in or after 2014. If 110356
the Ohio adjusted gross income of the taxpayer, or the taxpayer 110357
and the taxpayer's spouse if the taxpayer and the taxpayer's 110358
spouse file a joint return under section 5747.08 of the Revised 110359
Code, less applicable exemptions under section 5747.025 of the 110360
Revised Code, exceeds twenty thousand dollars, the credit 110361
authorized by this section shall not exceed fifty per cent of the 110362
amount of tax otherwise due under section 5747.02 of the Revised 110363
Code after deducting any other nonrefundable credits that precede 110364
the credit allowed under this section in the order prescribed by 110365
section 5747.98 of the Revised Code except for the joint filing 110366

credit authorized under division ~~(G)~~(E) of section 5747.05 of the Revised Code. In all other cases, the credit authorized by this section shall not exceed the amount of tax otherwise due under section 5747.02 of the Revised Code after deducting any other nonrefundable credits that precede the credit allowed under this section in the order prescribed by section 5747.98 of the Revised Code.

The credit shall be claimed in the order prescribed by section 5747.98 of the Revised Code.

Sec. 5747.98. (A) To provide a uniform procedure for calculating the amount of tax due under section 5747.02 of the Revised Code, a taxpayer shall claim any credits to which the taxpayer is entitled in the following order:

in section 1705.01 of the Revised Code, is fifty per cent or more 110538
of the combined membership interests of all persons owning such 110539
interests in the company; 110540

(c) In the case of a partnership, trust, or other 110541
unincorporated business organization other than a limited 110542
liability company, one person owns the organization if, under the 110543
articles of organization or other instrument governing the affairs 110544
of the organization, that person has a beneficial interest in the 110545

organization's profits, surpluses, losses, or distributions of 110546
fifty per cent or more of the combined beneficial interests of all 110547
persons having such an interest in the organization. 110548

(5) A domestic insurance company or foreign insurance 110549
company, as defined in section 5725.01 of the Revised Code, that 110550

or Chapter 5729. of the Revised Code, or an unauthorized insurance 110552
company whose gross premiums are subject to tax under section 110553

securitizations of phase-in-recovery property pursuant to a final 110557
financing order as those terms are defined in section 4928.23 of 110558
the Revised Code. For purposes of this division, "securitization" 110559
means transferring one or more assets to one or more persons and 110560
then issuing securities backed by the right to receive payment 110561
from the asset or assets so transferred. 110562

(7) Except as otherwise provided in this division, a 110563
pre-income tax trust as defined in division (FF)(4) of section 110564
5747.01 of the Revised Code and any pass-through entity of which 110565
such pre-income tax trust owns or controls, directly, indirectly, 110566
or constructively through related interests, more than five per 110567
cent of the ownership or equity interests. If the pre-income tax 110568
trust has made a qualifying pre-income tax trust election under 110569
division (FF)(3) of section 5747.01 of the Revised Code, then the 110570
trust and the pass-through entities of which it owns or controls, 110571
directly, indirectly, or constructively through related interests, 110572
more than five per cent of the ownership or equity interests, 110573
shall not be excluded persons for purposes of the tax imposed 110574
under section 5751.02 of the Revised Code. 110575

(8) Nonprofit organizations or the state and its agencies, 110576
instrumentalities, or political subdivisions. 110577

realized by a person, without deduction for the cost of goods sold 110580
or other expenses incurred, that contributes to the production of 110581
gross income of the person, including the fair market value of any 110582
property and any services received, and any debt transferred or 110583
forgiven as consideration. 110584

(1) The following are examples of gross receipts: 110585

(a) Amounts realized from the sale, exchange, or other 110586

(b) Amounts realized from the taxpayer's performance of 110588

(c) Receipts from the sale, exchange, or other disposition of 110599
an asset described in section 1221 or 1231 of the Internal Revenue 110600
Code, without regard to the length of time the person held the 110601
asset. Notwithstanding section 1221 of the Internal Revenue Code, 110602
receipts from hedging transactions also are excluded to the extent 110603
the transactions are entered into primarily to protect a financial 110604
position, such as managing the risk of exposure to (i) foreign 110605
currency fluctuations that affect assets, liabilities, profits, 110606
losses, equity, or investments in foreign operations; (ii) 110607

interest rate fluctuations; or (iii) commodity price fluctuations. 110608
As used in division (F)(2)(c) of this section, "hedging 110609
transaction" has the same meaning as used in section 1221 of the 110610
Internal Revenue Code and also includes transactions accorded 110611
hedge accounting treatment under statement of financial accounting 110612
standards number 133 of the financial accounting standards board. 110613
For the purposes of division (F)(2)(c) of this section, the actual 110614

1, Subchapter (D) of the Internal Revenue Code applies; 110626

(g) Compensation, whether current or deferred, and whether in 110627
cash or in kind, received or to be received by an employee, former 110628
employee, or the employee's legal successor for services rendered 110629
to or for an employer, including reimbursements received by or for 110630
an individual for medical or education expenses, health insurance 110631
premiums, or employee expenses, or on account of a dependent care 110632
spending account, legal services plan, any cafeteria plan 110633
described in section 125 of the Internal Revenue Code, or any 110634
similar employee reimbursement; 110635

(h) Proceeds received from the issuance of the taxpayer's own 110636
stock, options, warrants, puts, or calls, or from the sale of the 110637
taxpayer's treasury stock; 110638

dues received by trade, professional, homeowners', or condominium 110643
associations; and payments received for educational courses, 110644
meetings, meals, or similar payments to a trade, professional, or 110645
other similar association; and fundraising receipts received by 110646
any person when any excess receipts are donated or used 110647
exclusively for charitable purposes; 110648

(k) Damages received as the result of litigation in excess of 110649
amounts that, if received without litigation, would be gross 110650
receipts; 110651

(l) Property, money, and other amounts received or acquired 110652
by an agent on behalf of another in excess of the agent's 110653
commission, fee, or other remuneration; 110654

(m) Tax refunds, other tax benefit recoveries, and 110655
reimbursements for the tax imposed under this chapter made by 110656
entities that are part of the same combined taxpayer or 110657
consolidated elected taxpayer group, and reimbursements made by 110658
entities that are not members of a combined taxpayer or 110659
consolidated elected taxpayer group that are required to be made 110660
for economic parity among multiple owners of an entity whose tax 110661

entirely by one owner, pursuant to the requirements of sections 110663
5751.011 and 5751.012 of the Revised Code; 110664

(n) Pension reversions; 110665

tax authority; 110671

(q) In the case of receipts from the sale of cigarettes or 110672
tobacco products by a wholesale dealer, retail dealer, 110673
distributor, manufacturer, or seller, all as defined in section 110674
5743.01 of the Revised Code, an amount equal to the federal and 110675
state excise taxes paid by any person on or for such cigarettes or 110676
tobacco products under subtitle E of the Internal Revenue Code or 110677
Chapter 5743. of the Revised Code; 110678

(r) In the case of receipts from the sale, transfer, 110679
exchange, or other disposition of motor fuel as "motor fuel" is 110680
defined in section 5736.01 of the Revised Code, an amount equal to 110681
the value of the motor fuel, including federal and state motor 110682

motor vehicle dealer, as defined in section 4517.01 of the Revised 110694
Code, from the sale or other transfer of a motor vehicle, as 110695
defined in that section, to another motor vehicle dealer for the 110696
purpose of resale by the transferee motor vehicle dealer, but only 110697
if the sale or other transfer was based upon the transferee's need 110698
to meet a specific customer's preference for a motor vehicle; 110699

(u) Receipts from a financial institution described in 110700

division (E)(3) of this section for services provided to the 110701

financial institution and the recipient of such receipts have at 110704

obtaining a mortgage loan for a fee or other consideration paid by 110718

(z) Qualifying distribution center receipts. 110732

(i) For purposes of division (F)(2)(z) of this section: 110733

(I) "Qualifying distribution center receipts" means receipts 110734
of a supplier from qualified property that is delivered to a 110735
qualified distribution center, multiplied by a quantity that 110736
equals one minus the Ohio delivery percentage. If the qualified 110737
distribution center is a refining facility, "supplier" includes 110738
all dealers, brokers, processors, sellers, vendors, cosigners, and 110739
distributors of qualified property. 110740

(II) "Qualified property" means tangible personal property 110741
delivered to a qualified distribution center that is shipped to 110742
that qualified distribution center solely for further shipping by 110743
the qualified distribution center to another location in this 110744
state or elsewhere or, in the case of gold, silver, platinum, or 110745
palladium delivered to a refining facility solely for refining to 110746
a grade and fineness acceptable for delivery to a registered 110747
commodities exchange. "Further shipping" includes storing and 110748
repackaging property into smaller or larger bundles, so long as 110749
the property is not subject to further manufacturing or 110750
processing. "Refining" is limited to extracting impurities from 110751
gold, silver, platinum, or palladium through smelting or some 110752
other process at a refining facility. 110753

(III) "Qualified distribution center" means a warehouse, a 110754
facility similar to a warehouse, or a refining facility in this 110755
state that, for the qualifying year, is operated by a person that 110756
is not part of a combined taxpayer group and that has a qualifying 110757
certificate. All warehouses or facilities similar to warehouses 110758
that are operated by persons in the same taxpayer group and that 110759
are located within one mile of each other shall be treated as one 110760
qualified distribution center. All refining facilities that are 110761
operated by persons in the same taxpayer group and that are 110762
located in the same or adjacent counties may be treated as one 110763

qualified distribution center. 110764

(IV) "Qualifying year" means the calendar year to which the 110765
qualifying certificate applies. 110766

(V) "Qualifying period" means the period of the first day of 110767
July of the second year preceding the qualifying year through the 110768
thirtieth day of June of the year preceding the qualifying year. 110769

(VI) "Qualifying certificate" means the certificate issued by 110770
the tax commissioner after the operator of a distribution center 110771
files an annual application with the commissioner. The application 110772
and annual fee shall be filed and paid for each qualified 110773
distribution center on or before the first day of September before 110774
the qualifying year or within forty-five days after the 110775
distribution center opens, whichever is later. 110776

The applicant must substantiate to the commissioner's 110777
satisfaction that, for the qualifying period, all persons 110778
operating the distribution center have more than fifty per cent of 110779
the cost of the qualified property shipped to a location such that 110780
it would be situated outside this state under the provisions of 110781
division (E) of section 5751.033 of the Revised Code. The 110782
applicant must also substantiate that the distribution center 110783
cumulatively had costs from its suppliers equal to or exceeding 110784
five hundred million dollars during the qualifying period. (For 110785
purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" 110786
excludes any person that is part of the consolidated elected 110787
taxpayer group, if applicable, of the operator of the qualified 110788
distribution center.) The commissioner may require the applicant 110789
to have an independent certified public accountant certify that 110790
the calculation of the minimum thresholds required for a qualified 110791
distribution center by the operator of a distribution center has 110792
been made in accordance with generally accepted accounting 110793
principles. The commissioner shall issue or deny the issuance of a 110794
certificate within sixty days after the receipt of the 110795

application. A denial is subject to appeal under section 5717.02 110796
of the Revised Code. If the operator files a timely appeal under 110797
section 5717.02 of the Revised Code, the operator shall be granted 110798
a qualifying certificate effective for the remainder of the 110799
qualifying year or until the appeal is finalized, whichever is 110800
earlier. If the operator does not prevail in the appeal, the 110801
operator shall pay the ineligible operator's supplier tax 110802
liability. 110803

(VII) "Ohio delivery percentage" means the proportion of the 110804
total property delivered to a destination inside Ohio from the 110805
qualified distribution center during the qualifying period 110806
compared with total deliveries from such distribution center 110807
everywhere during the qualifying period. 110808

(VIII) "Refining facility" means one or more buildings 110809
located in a county in the Appalachian region of this state as 110810
defined by section 107.21 of the Revised Code and utilized for 110811
refining or smelting gold, silver, platinum, or palladium to a 110812
grade and fineness acceptable for delivery to a registered 110813
commodities exchange. 110814

(IX) "Registered commodities exchange" means a board of 110815
trade, such as New York mercantile exchange, inc. or commodity 110816
exchange, inc., designated as a contract market by the commodity 110817
futures trading commission under the "Commodity Exchange Act," 7 110818
U.S.C. 1 et seq., as amended. 110819

(X) "Ineligible operator's supplier tax liability" means an 110820
amount equal to the tax liability of all suppliers of a 110821
distribution center had the distribution center not been issued a 110822
qualifying certificate for the qualifying year. Ineligible 110823
operator's supplier tax liability shall not include interest or 110824
penalties. The tax commissioner shall determine an ineligible 110825
operator's supplier tax liability based on information that the 110826
commissioner may request from the operator of the distribution 110827

center. An operator shall provide a list of all suppliers of the 110828
distribution center and the corresponding costs of qualified 110829
property for the qualifying year at issue within sixty days of a 110830
request by the commissioner under this division. 110831

(ii)(I) If the distribution center is new and was not open 110832
for the entire qualifying period, the operator of the distribution 110833
center may request that the commissioner grant a qualifying 110834
certificate. If the certificate is granted and it is later 110835
determined that more than fifty per cent of the qualified property 110836
during that year was not shipped to a location such that it would 110837
be situated outside of this state under the provisions of division 110838
(E) of section 5751.033 of the Revised Code or if it is later 110839
determined that the person that operates the distribution center 110840
had average monthly costs from its suppliers of less than forty 110841
million dollars during that year, then the operator of the 110842
distribution center shall pay the ineligible operator's supplier 110843
tax liability. (For purposes of division (F)(2)(z)(ii) of this 110844
section, "supplier" excludes any person that is part of the 110845
consolidated elected taxpayer group, if applicable, of the 110846
operator of the qualified distribution center.) 110847

(II) The commissioner may grant a qualifying certificate to a 110848
distribution center that does not qualify as a qualified 110849
distribution center for an entire qualifying period if the 110850
operator of the distribution center demonstrates that the business 110851
operations of the distribution center have changed or will change 110852
such that the distribution center will qualify as a qualified 110853
distribution center within thirty-six months after the date the 110854
operator first applies for a certificate. If, at the end of that 110855
thirty-six-month period, the business operations of the 110856
distribution center have not changed such that the distribution 110857
center qualifies as a qualified distribution center, the operator 110858
of the distribution center shall pay the ineligible operator's 110859

supplier tax liability for each year that the distribution center 110860
received a certificate but did not qualify as a qualified 110861
distribution center. For each year the distribution center 110862
receives a certificate under division (F)(2)(z)(ii)(II) of this 110863
section, the distribution center shall pay all applicable fees 110864
required under division (F)(2)(z) of this section and shall submit 110865
an updated business plan showing the progress the distribution 110866
center made toward qualifying as a qualified distribution center 110867
during the preceding year. 110868

(III) An operator may appeal a determination under division 110869
(F)(2)(z)(ii)(I) or (II) of this section that the ineligible 110870
operator is liable for the operator's supplier tax liability as a 110871
result of not qualifying as a qualified distribution center, as 110872
provided in section 5717.02 of the Revised Code. 110873

(iii) When filing an application for a qualifying certificate 110874
under division (F)(2)(z)(i)(VI) of this section, the operator of a 110875
qualified distribution center also shall provide documentation, as 110876
the commissioner requires, for the commissioner to ascertain the 110877
Ohio delivery percentage. The commissioner, upon issuing the 110878
qualifying certificate, also shall certify the Ohio delivery 110879
percentage. The operator of the qualified distribution center may 110880
appeal the commissioner's certification of the Ohio delivery 110881
percentage in the same manner as an appeal is taken from the 110882
denial of a qualifying certificate under division (F)(2)(z)(i)(VI) 110883
of this section. 110884

(iv)(I) In the case where the distribution center is new and 110885
not open for the entire qualifying period, the operator shall make 110886
a good faith estimate of an Ohio delivery percentage for use by 110887
suppliers in their reports of taxable gross receipts for the 110888
remainder of the qualifying period. The operator of the facility 110889
shall disclose to the suppliers that such Ohio delivery percentage 110890
is an estimate and is subject to recalculation. By the due date of 110891

the next application for a qualifying certificate, the operator 110892
shall determine the actual Ohio delivery percentage for the 110893
estimated qualifying period and proceed as provided in division 110894
(F)(2)(z)(iii) of this section with respect to the calculation and 110895
recalculation of the Ohio delivery percentage. The supplier is 110896
required to file, within sixty days after receiving notice from 110897
the operator of the qualified distribution center, amended reports 110898
for the impacted calendar quarter or quarters or calendar year, 110899
whichever the case may be. Any additional tax liability or tax 110900
overpayment shall be subject to interest but shall not be subject 110901
to the imposition of any penalty so long as the amended returns 110902
are timely filed. 110903

(II) The operator of a distribution center that receives a 110904
qualifying certificate under division (F)(2)(z)(ii)(II) of this 110905
section shall make a good faith estimate of the Ohio delivery 110906
percentage that the operator estimates will apply to the 110907
distribution center at the end of the thirty-six-month period 110908
after the operator first applied for a qualifying certificate 110909
under that division. The result of the estimate shall be 110910
multiplied by a factor of one and seventy-five one-hundredths. The 110911
product of that calculation shall be the Ohio delivery percentage 110912
used by suppliers in their reports of taxable gross receipts for 110913
each qualifying year that the distribution center receives a 110914
qualifying certificate under division (F)(2)(z)(ii)(II) of this 110915
section, except that, if the product is less than five per cent, 110916
the Ohio delivery percentage used shall be five per cent and that, 110917
if the product exceeds forty-nine per cent, the Ohio delivery 110918
percentage used shall be forty-nine per cent. 110919

(v) Qualifying certificates and Ohio delivery percentages 110920
issued by the commissioner shall be open to public inspection and 110921
shall be timely published by the commissioner. A supplier relying 110922
in good faith on a certificate issued under this division shall 110923

not be subject to tax on the qualifying distribution center 110924
receipts under division (F)(2)(z) of this section. An operator 110925
receiving a qualifying certificate is liable for the ineligible 110926
operator's supplier tax liability for each year the operator 110927
received a certificate but did not qualify as a qualified 110928
distribution center. 110929

(vi) The annual fee for a qualifying certificate shall be one 110930
hundred thousand dollars for each qualified distribution center. 110931

In computing the fixed-rate levy losses under divisions 111888
(D)(1), (2), and (3) of this section for any school district, 111889

the purpose of the calculations in division (A) of section 5751.21 111902
of the Revised Code, the tax year 2004 taxable values shall be 111903

(D) Not later than September 15, 2005, the tax commissioner 111910
shall determine for each tax year from 2006 through 2009 for each 111911
school district, joint vocational school district, and local 111912
taxing unit its machinery and equipment, inventory, and furniture 111913
and fixtures fixed-rate levy losses, and for each tax year from 111914
2006 through 2011 its telephone property fixed-rate levy loss. 111915
Except as provided in division (F) of this section, such losses 111916
are the applicable amounts described in divisions (D)(1), (2), 111917
(3), and (4) of this section: 111918

(1) The machinery and equipment fixed-rate levy loss is the 111919

sum of the tax rates of fixed-rate qualifying levies. 111921

(2) The inventory fixed-rate loss is the inventory property 111922
tax value loss multiplied by the sum of the tax rates of 111923
fixed-rate qualifying levies. 111924

(3) The furniture and fixtures fixed-rate levy loss is the 111925
furniture and fixture property tax value loss multiplied by the 111926
sum of the tax rates of fixed-rate qualifying levies. 111927

(4) The telephone property fixed-rate levy loss is the 111928
telephone property tax value loss multiplied by the sum of the tax 111929
rates of fixed-rate qualifying levies. 111930

(E) Not later than September 15, 2005, the tax commissioner 111931
shall determine for each school district, joint vocational school 111932
district, and local taxing unit its fixed-sum levy loss. The 111933
fixed-sum levy loss is the amount obtained by subtracting the 111934
amount described in division (E)(2) of this section from the 111935
amount described in division (E)(1) of this section: 111936

(1) The sum of the machinery and equipment property tax value 111937
loss, the inventory property tax value loss, and the furniture and 111938
fixtures property tax value loss, and, for 2008 through 2010, the 111939

telephone property tax value loss of the district or unit 111940
multiplied by the sum of the fixed-sum tax rates of qualifying 111941
levies. For 2006 through 2010, this computation shall include all 111942
qualifying levies remaining in effect for the current tax year and 111943
any school district levies charged and payable under section 111944
5705.194 or 5705.213 of the Revised Code that are qualifying 111945
levies not remaining in effect for the current year. For 2011 111946
through 2017 in the case of school district levies charged and 111947
payable under section 5705.194 or 5705.213 of the Revised Code and 111948
for all years after 2010 in the case of other fixed-sum levies, 111949
this computation shall include only qualifying levies remaining in 111950
effect for the current year. For purposes of this computation, a 111951
qualifying school district levy charged and payable under section 111952
5705.194 or 5705.213 of the Revised Code remains in effect in a 111953
year after 2010 only if, for that year, the board of education 111954
levies a school district levy charged and payable under section 111955
5705.194, 5705.199, 5705.213, or 5705.219 of the Revised Code for 111956
an annual sum at least equal to the annual sum levied by the board 111957
in tax year 2004 less the amount of the payment certified under 111958
this division for 2006. 111959

(2) The total taxable value in tax year 2004 less the sum of 111960
the machinery and equipment, inventory, furniture and fixtures, 111961
and telephone property tax value losses in each school district, 111962
joint vocational school district, and local taxing unit multiplied 111963
by one-half of one mill per dollar. 111964

(3) For the calculations in divisions (E)(1) and (2) of this 111965
section, the tax value losses are those that would be calculated 111966
for tax year 2009 under divisions (C)(1), (2), and (3) of this 111967
section and for tax year 2011 under division (C)(4) of this 111968
section. 111969

(4) To facilitate the calculation under divisions (D) and (E) 111970
of this section, not later than September 1, 2005, any school 111971

district, joint vocational school district, or local taxing unit 111972
that has a qualifying levy that was approved at an election 111973
conducted during 2005 before September 1, 2005, shall certify to 111974
the tax commissioner a copy of the county auditor's certificate of 111975
estimated property tax millage for such levy as required under 111976
division (B) of section 5705.03 of the Revised Code, which is the 111977
rate that shall be used in the calculations under such divisions. 111978

If the amount determined under division (E) of this section 111979
for any school district, joint vocational school district, or 111980
local taxing unit is greater than zero, that amount shall equal 111981
the reimbursement to be paid pursuant to division (E) of section 111982
5751.21 or division (A)(3) of section 5751.22 of the Revised Code, 111983
and the one-half of one mill that is subtracted under division 111984
(E)(2) of this section shall be apportioned among all contributing 111985
fixed-sum levies in the proportion that each levy bears to the sum 111986
of all fixed-sum levies within each school district, joint 111987
vocational school district, or local taxing unit. 111988

(F) If a school district levies a tax under section 5705.219 111989
of the Revised Code, the fixed-rate levy loss for qualifying 111990
levies, to the extent repealed under that section, shall equal the 111991
sum of the following amounts in lieu of the amounts computed for 111992
such levies under division (D) of this section: 111993

(1) The sum of the rates of qualifying levies to the extent 111994
so repealed multiplied by the sum of the machinery and equipment, 111995
inventory, and furniture and fixtures tax value losses for 2009 as 111996
determined under that division; 111997

(2) The sum of the rates of qualifying levies to the extent 111998
so repealed multiplied by the telephone property tax value loss 111999
for 2011 as determined under that division. 112000

The fixed-rate levy losses for qualifying levies to the 112001
extent not repealed under section 5705.219 of the Revised Code 112002

shall be as determined under division (D) of this section. The 112003
revised fixed-rate levy losses determined under this division and 112004
division (D) of this section first apply in the year following the 112005
first year the district levies the tax under section 5705.219 of 112006
the Revised Code. 112007

(G) Not later than October 1, 2005, the tax commissioner 112008
shall certify to the department of education for every school 112009
district and joint vocational school district the machinery and 112010
equipment, inventory, furniture and fixtures, and telephone 112011
property tax value losses determined under division (C) of this 112012
section, the machinery and equipment, inventory, furniture and 112013
fixtures, and telephone fixed-rate levy losses determined under 112014
division (D) of this section, and the fixed-sum levy losses 112015
calculated under division (E) of this section. The calculations 112016
under divisions (D) and (E) of this section shall separately 112017
display the levy loss for each levy eligible for reimbursement. 112018

(H) Not later than October 1, 2005, the tax commissioner 112019
shall certify the amount of the fixed-sum levy losses to the 112020
county auditor of each county in which a school district, joint 112021
vocational school district, or local taxing unit with a fixed-sum 112022
levy loss reimbursement has territory. 112023

(I) Not later than the twenty-eighth day of February each 112024
year beginning in 2011 and ending in 2014, the tax commissioner 112025
shall certify to the department of education for each school 112026
district first levying a tax under section 5705.219 of the Revised 112027
Code in the preceding year the revised fixed-rate levy losses 112028
determined under divisions (D) and (F) of this section. 112029

(J)(1) There is hereby created in the state treasury the 112030
commercial activity tax motor fuel receipts fund. 112031

(2)(a) On or before June 15, 2014, the director of the Ohio 112032
public works commission shall certify to the director of budget 112033

and management the amount of debt service paid from the general 112034
revenue fund in fiscal years 2013 and 2014 on bonds issued to 112035

subdivision public infrastructure capital improvement projects, as 112037
provided for in Sections 2k, 2m, and 2p of Article VIII, Ohio 112038
Constitution, that are attributable to costs for construction, 112039
reconstruction, maintenance, or repair of public highways and 112040
bridges and other statutory highway purposes. That certification 112041
shall allocate the total amount of debt service paid from the 112042
general revenue fund and attributable to those costs in each of 112043
fiscal years 2013 and 2014 according to the applicable section of 112044
the Ohio Constitution under which the bonds were originally 112045
issued. 112046

(b) On or before June 30, 2014, the director of budget and 112047
management shall determine an amount up to but not exceeding the 112048

shall reserve that amount from the cash balance in the commercial 112050

and attributable to those costs in the current fiscal year 112069
according to the applicable section of the Ohio Constitution under 112070
which the bonds were originally issued. 112071

(b) On or before the thirtieth day of June of each fiscal 112072
year beginning with fiscal year 2015, the director of budget and 112073

Sec. 5751.21. ~~(A) No determinations, computations,~~ 112085
~~certifications, or payments shall be made under this section after~~ 112086
~~June 30, 2015.~~ 112087

(A) Not later than the thirtieth day of July of 2007 through 112088
2010, the department of education shall consult with the director 112089
of budget and management and determine the following for each 112090
school district and each joint vocational school district eligible 112091
for payment under division (B) of this section: 112092

(1) The state education aid offset, which, except as provided 112093
in division (A)(1)(c) of this section, is the difference obtained 112094
by subtracting the amount described in division (A)(1)(b) of this 112095
section from the amount described in division (A)(1)(a) of this 112096

section: 112097

(a) The state education aid computed for the school district 112098
or joint vocational school district for the current fiscal year as 112099
of the thirtieth day of July; 112100

(b) The state education aid that would be computed for the 112101
school district or joint vocational school district for the 112102
current fiscal year as of the thirtieth day of July if the 112103
valuation used in the calculation in division (B)(1) of section 112104
3306.13 of the Revised Code as that division existed for fiscal 112105
years 2010 and 2011 included the machinery and equipment, 112106
inventory, furniture and fixtures, and telephone property tax 112107
value losses for the school district or joint vocational school 112108
district for the second preceding tax year, and if taxes charged 112109
and payable associated with the tax value losses are accounted for 112110
in any state education aid computation dependent on taxes charged 112111
and payable. 112112

(c) The state education aid offset for fiscal year 2010 and 112113
fiscal year 2011 equals the greater of the state education aid 112114
offset calculated for that fiscal year under divisions (A)(1)(a) 112115
and (b) of this section and the state education aid offset 112116
calculated for fiscal year 2009. For fiscal ~~year~~ years 2012 and 112117
2013, the state education aid offset equals the state education 112118
aid offset for fiscal year 2011. 112119

(2) For fiscal years 2008 through 2011, the greater of zero 112120
or the difference obtained by subtracting the state education aid 112121
offset determined under division (A)(1) of this section from the 112122
sum of the machinery and equipment fixed-rate levy loss, the 112123
inventory fixed-rate levy loss, furniture and fixtures fixed-rate 112124
levy loss, and telephone property fixed-rate levy loss certified 112125
under divisions (G) and (I) of section 5751.20 of the Revised Code 112126
for all taxing districts in each school district and joint 112127
vocational school district for the second preceding tax year. 112128

By the thirtieth day of July of each such year, the 112129
department of education and the director of budget and management 112130

of this section. 112132

(B) On or before the thirty-first day of August of 2008, 112133
2009, and 2010, the department of education shall recalculate the 112134
offset described under division (A) of this section for the 112135
previous fiscal year and recalculate the payments made under 112136
division (C) of this section in the preceding fiscal year using 112137
the offset calculated under this division. If the payments 112138
calculated under this division differ from the payments made under 112139
division (C) of this section in the preceding fiscal year, the 112140
difference shall either be paid to a school district or recaptured 112141
from a school district through an adjustment at the same times 112142
during the current fiscal year that the payments under division 112143
(C) of this section are made. In August and October of the current 112144
fiscal year, the amount of each adjustment shall be three-sevenths 112145
of the amount calculated under this division. In May of the 112146
current fiscal year, the adjustment shall be one-seventh of the 112147
amount calculated under this division. 112148

(C) The department of education shall pay from the school 112149
district tangible property tax replacement fund to each school 112150
district and joint vocational school district all of the following 112151

forty-three per cent of the amount determined under division 112184
(A)(2) of this section for fiscal year 2010, but not less than 112185

fixed-rate levy loss in tax year 2008. 112188

(9) On or before May 31, 2010, fourteen per cent of the 112189
amount determined under division (A)(2) of this section for fiscal 112190

difference between the total fixed-rate levy loss in tax year 2010 112192
and the total fixed-rate levy loss in tax year 2008. 112193

(10) On or before August 31, 2010, and October 31, 2010, 112194
forty-three per cent of the amount determined under division 112195
(A)(2) of this section for fiscal year 2011, but not less than 112196
zero, plus one-half of six-sevenths of the difference between the 112197
telephone property fixed-rate levy loss for tax year 2010 and the 112198

(11) On or before May 31, 2011, fourteen per cent of the 112200

(12) For fiscal years 2012 and thereafter, the sum of the 112206
amounts in divisions (C)(12)(a) or (b) and (c) of this section 112207
shall be paid on or before the last day of November and the last 112208

resources is equal to or less than the threshold per cent, zero; 112211

(b) If the ratio of current expense TPP allocation to total 112212

of the difference of current expense TPP allocation minus the 112214
product of total resources multiplied by the threshold per cent; 112215

(c) Fifty per cent of the product of non-current expense TPP 112216
allocation multiplied by seventy-five per cent for fiscal year 112217
2012 and fifty per cent for fiscal years 2013 and thereafter. 112218

The department of education shall report to each school 112219
district and joint vocational school district the apportionment of 112220
the payments among the school district's or joint vocational 112221

school district's funds based on the certifications under 112222
divisions (G) and (I) of section 5751.20 of the Revised Code. 112223

(D) For taxes levied within the ten-mill limitation for debt 112224
purposes in tax year 2005, payments shall be made equal to one 112225
hundred per cent of the loss computed as if the tax were a 112226
fixed-rate levy, but those payments shall extend from fiscal year 112227
2006 through fiscal year 2018, as long as the qualifying levy 112228
continues to be used for debt purposes. If the purpose of such a 112229
qualifying levy is changed, that levy becomes subject to the 112230
payments determined in division (C) of this section. 112231

(E)(1) Not later than January 1, 2006, for each fixed-sum 112232
levy of each school district or joint vocational school district 112233
and for each year for which a determination is made under division 112234
(E) of section 5751.20 of the Revised Code that a fixed-sum levy 112235
loss is to be reimbursed, the tax commissioner shall certify to 112236
the department of education the fixed-sum levy loss determined 112237
under that division. The certification shall cover a time period 112238
sufficient to include all fixed-sum levies for which the 112239
commissioner made such a determination. On or before the last day 112240
of May of the current year, the department shall pay from the 112241
school district property tax replacement fund to the school 112242
district or joint vocational school district one-third of the 112243
fixed-sum levy loss so certified, plus one-third of the amount 112244
certified under division (I) of section 5751.20 of the Revised 112245
Code, and on or before the last day of November, two-thirds of the 112246
fixed-sum levy loss so certified, plus two-thirds of the amount 112247
certified under division (I) of section 5751.20 of the Revised 112248
Code. Payments under this division of the amounts certified under 112249
division (I) of section 5751.20 of the Revised Code shall continue 112250
until the levy adopted under section 5705.219 of the Revised Code 112251
expires. 112252

(2) Beginning in 2006, by the first day of January of each 112253

year, the tax commissioner shall review the certification 112254
originally made under division (E)(1) of this section. If the 112255
commissioner determines that a debt levy that had been scheduled 112256
to be reimbursed in the current year has expired, a revised 112257
certification for that and all subsequent years shall be made to 112258
the department of education. 112259

(F) Beginning in September 2007 and through June 2013, the 112260
director of budget and management shall transfer from the school 112261
district tangible property tax replacement fund to the general 112262
revenue fund each of the following: 112263

(1) On the first day of September, one-fourth of the amount 112264
determined for that fiscal year under division (A)(1) of this 112265
section; 112266

(2) On the first day of December, one-fourth of the amount 112267
determined for that fiscal year under division (A)(1) of this 112268
section; 112269

(3) On the first day of March, one-fourth of the amount 112270
determined for that fiscal year under division (A)(1) of this 112271
section; 112272

(4) On the first day of June, one-fourth of the amount 112273
determined for that fiscal year under division (A)(1) of this 112274
section. 112275

If, when a transfer is required under division (F)(1), (2), 112276
(3), or (4) of this section, there is not sufficient money in the 112277
school district tangible property tax replacement fund to make the 112278
transfer in the required amount, the director shall transfer the 112279
balance in the fund to the general revenue fund and may make 112280
additional transfers on later dates as determined by the director 112281
in a total amount that does not exceed one-fourth of the amount 112282
determined for the fiscal year. 112283

(G) If the total amount in the school district tangible 112284

property tax replacement fund is insufficient to make all payments 112285
under divisions (C), (D), and (E) of this section at the times the 112286
payments are to be made, the director of budget and management 112287
shall transfer from the general revenue fund to the school 112288
district tangible property tax replacement fund the difference 112289
between the total amount to be paid and the amount in the school 112290
district tangible property tax replacement fund. 112291

(H) On the fifteenth day of June of each year, the director 112292
of budget and management may transfer any balance in the school 112293
district tangible property tax replacement fund to the general 112294
revenue fund. 112295

(I) If all of the territory of a school district or joint 112296
vocational school district is merged with another district, or if 112297
a part of the territory of a school district or joint vocational 112298
school district is transferred to an existing or newly created 112299
district, the department of education, in consultation with the 112300
tax commissioner, shall adjust the payments made under this 112301
section as follows: 112302

(1) For a merger of two or more districts, the fixed-sum levy 112303
losses, total resources, current expense TPP allocation, total TPP 112304
allocation, and non-current expense TPP allocation of the 112305
successor district shall be the sum of such items for each of the 112306
districts involved in the merger. 112307

(2) If property is transferred from one district to a 112308
previously existing district, the amount of total resources, 112309
current expense TPP allocation, total TPP allocation, and 112310
non-current expense TPP allocation that shall be transferred to 112311
the recipient district shall be an amount equal to total 112312
resources, current expense TPP allocation, total TPP allocation, 112313
and non-current expense TPP allocation of the transferor district 112314
times a fraction, the numerator of which is the number of pupils 112315
being transferred to the recipient district, measured, in the case 112316

of a school district, by formula ADM as that term is defined in 112317
section 3317.02 of the Revised Code or, in the case of a joint 112318
vocational school district, by formula ADM as defined for a joint 112319
vocational school district in that section, and the denominator of 112320
which is the formula ADM of the transferor district. 112321

(3) After December 31, 2010, if property is transferred from 112322
one or more districts to a district that is newly created out of 112323
the transferred property, the newly created district shall be 112324
deemed not to have any total resources, current expense TPP 112325
allocation, total TPP allocation, or non-current expense TPP 112326
allocation. 112327

(4) If the recipient district under division (I)(2) of this 112328
section or the newly created district under division (I)(3) of 112329
this section is assuming debt from one or more of the districts 112330
from which the property was transferred and any of the districts 112331
losing the property had fixed-sum levy losses, the department of 112332
education, in consultation with the tax commissioner, shall make 112333
an equitable division of the fixed-sum levy loss reimbursements. 112334

Sec. 5751.22. ~~(A)~~ No determinations, computations, 112335
certifications, or payments shall be made under this section after 112336
June 30, 2015. 112337

(A) Not later than January 1, 2006, the tax commissioner 112338
shall compute the payments to be made to each local taxing unit, 112339
and to each public library that receives the proceeds of a tax 112340
levied under section 5705.23 of the Revised Code, for each year 112341
according to divisions (A)(1), (2), (3), and (4) of this section 112342
as this section existed on that date, and shall distribute the 112343
payments in the manner prescribed by division (C) of this section. 112344
The calculation of the fixed-sum levy loss shall cover a time 112345
period sufficient to include all fixed-sum levies for which the 112346
commissioner determined, pursuant to division (E) of section 112347

5751.20 of the Revised Code, that a fixed-sum levy loss is to be reimbursed.

(1) Except as provided in division (A)(3) of this section, for fixed-rate levy losses determined under division (D) of section 5751.20 of the Revised Code, payments shall be made in an amount equal to the following:

(a) For tax years 2006 through 2010, one hundred per cent of such losses;

(b) For the payment in tax year 2011 to be made on or before the twentieth day of November, the sum of the amount in division (A)(1)(b)(i) or (ii) and division (A)(1)(b)(iii) of this section:

(i) If the ratio of six-sevenths of the TPP allocation to total resources is equal to or less than the threshold per cent, zero;

(ii) If the ratio of six-sevenths of the TPP allocation to total resources is greater than the threshold per cent, the difference of six-sevenths of the TPP allocation minus the product of total resources multiplied by the threshold per cent;

(iii) In the case of a municipal corporation, six-sevenths of the product of the non-current expense TPP allocation multiplied by seventy-five per cent.

(c) For tax years 2012 and thereafter, the sum of the amount in division (A)(1)(c)(i) or (ii) and division (A)(1)(c)(iii) of this section:

(i) If the ratio of TPP allocation to total resources is equal to or less than the threshold per cent, zero;

(ii) If the ratio of TPP allocation to total resources is greater than the threshold per cent, the TPP allocation minus the product of total resources multiplied by the threshold per cent;

(iii) In the case of a municipal corporation, non-current

expense TPP allocation multiplied by fifty per cent for tax year 112378
2012 and twenty-five per cent for tax years 2013 and thereafter; 112379

(d) For tax years 2012 and thereafter, in the case of a 112380
county, school district, municipal corporation, or township public 112381
library, the amount in division (A)(1)(d)(i) or (ii) of this 112382
section: 112383

(i) If the ratio of TPP allocation for library purposes to 112384
total library resources is equal to or less than the threshold per 112385
cent, zero; 112386

(ii) If the ratio of TPP allocation for library purposes to 112387
total library resources is greater than the threshold per cent, 112388
the TPP allocation for library purposes minus the product of total 112389
library resources multiplied by the threshold per cent. 112390

(2) For fixed-sum levy losses determined under division (E) 112391
of section 5751.20 of the Revised Code, payments shall be made in 112392
the amount of one hundred per cent of the fixed-sum levy loss for 112393
payments required to be made in 2006 through 2011, except that no 112394
payments shall be made for qualifying levies that have expired. 112395
For payments required to be made in 2012 and thereafter, payments 112396
shall be made in the amount of fifty per cent of the fixed-sum 112397
levy loss until the qualifying levy has expired. 112398

(3) For taxes levied within the ten-mill limitation or 112399
pursuant to a municipal charter for debt purposes in tax year 112400
2005, payments shall be made based on the schedule in division 112401
(A)(1) of this section for each of the calendar years 2006 through 112402
2010. For each of the calendar years 2011 through 2017, the 112403
percentages for calendar year 2010 shall be used for taxes levied 112404
within the ten-mill limitation or pursuant to a municipal charter 112405
for debt purposes in tax year 2010, as long as such levies 112406
continue to be used for debt purposes. If the purpose of such a 112407
qualifying levy is changed, that levy becomes subject to the 112408

payment schedules in divisions (A)(1)(a) to (h) of this section. 112409
No payments shall be made for such levies after calendar year 112410
2017. For the purposes of this division, taxes levied pursuant to 112411
a municipal charter refer to taxes levied pursuant to a provision 112412
of a municipal charter that permits the tax to be levied without 112413
prior voter approval. 112414

(B) Beginning in 2007, by the thirty-first day of January of 112415
each year, the tax commissioner shall review the calculation 112416
originally made under division (A) of this section of the 112417

assessments shall be made pursuant to standards prescribed in 112989

writing, no later than six months prior to the expiration of the 113013
original deferment, that the assessment be further deferred and as 113014
long as the property owner's land could qualify for placement in 113015
an agricultural district pursuant to section 929.02 of the Revised 113016
Code. 113017

The board shall regularly review the use and ownership of the 113018
property for which the collection of assessments has been deferred 113019
pursuant to this division, and upon finding that the land could no 113020
longer qualify for placement in an agricultural district pursuant 113021
to section 929.02 of the Revised Code, the board shall immediately 113022
collect, without interest unless payment is late as determined by 113023
the board, the full amount of the assessment deferred and repay 113024
the commission the amount of any money advanced by it in regard to 113025
the assessment. The board shall pay all such amounts to the 113026
commission in one annual payment or during a longer period as 113027
approved by the commission. The board shall pay, from county 113028
funds, interest annually at a rate determined by the director of 113029
the commission at the time the advance is made, not to exceed four 113030

per cent per annum, for any money not repaid to the commission 113031
pursuant to this division within one year of the date of the 113032
disqualification of the property for the continual deferment that 113033
requires such repayment. 113034

~~(C)~~(D) The board of county commissioners shall send a notice 113035
by regular or certified mail to all owners of property on which 113036
assessments have been deferred pursuant to division ~~(A)~~(B) of this 113037
section, which lists the expiration of the deferment, not later 113038
than two hundred ten days prior to the expiration of the deferment 113039
of those assessments. 113040

~~(D)~~ (E) Except as provided in this division, the board 113041
shall collect the assessments, without interest unless payment is 113042
late as determined by the board, which that have been deferred 113043
pursuant to division ~~(A)~~(B) of this section upon expiration of the 113044
maximum time for which deferments were made; ~~provided, that for~~ 113045
and repay the commission the amount of any money advanced by it in 113046

writing, no later than six months prior to the expiration of the 113048
deferment period, that payment of the owner's deferred assessments 113049
be in installments, the board of county commissioners upon 113050
expiration of the deferment period may by resolution further 113051
certify for collection pursuant to section 6103.16 of the Revised 113052
Code, such deferred assessments in installments over not more than 113053
twenty years, as determined by the board, together with interest 113054
thereon each year on the unpaid balance at the same rate borne by 113055
bonds of the county ~~which that~~ shall be issued in anticipation 113056
thereof as provided in Chapter 133. of the Revised Code, and the 113057
proceeds of the bond issue used to repay such deferred assessments 113058
to the commission. 113059

Assessments ~~which that~~ have been deferred by attribution as 113060
tap-in charges under division ~~(A)~~(B) of this section shall be 113061
collected as deferred assessments at that time. As the board 113062

collects tap-in charges that are deferred assessments under 113063
division (B) of this section, it shall repay the commission the 113064
amount thereof that was advanced by it in regard to such 113065
assessments. An owner of property for which assessments have been 113066
deferred under division ~~(A)~~(B) of this section, in requesting a 113067
tap-in may, subject to the approval of the board, designate a part 113068
of an entire assessed tract as the part ~~which~~ that the tap-in is 113069
to serve, and the board shall collect the deferred assessment on 113070
that tract in the proportion that the part bears to the entire 113071
tract, on a front foot or other basis approved by the commission, 113072
but if in the judgment of the board the tap-in is reasonably 113073
intended to serve the entire tract or substantially all of the 113074
tract, it shall collect the deferred assessment for the entire 113075
tract. 113076

Prior to the expiration of the maximum time of deferment, the 113077
board shall regularly review the use of the property for which the 113078
collection of assessments has been deferred and upon finding, 113079
pursuant to policies and procedures established by the director of 113080
the commission, that the use of the land has changed from the use 113081
at the time of the deferment so that the benefit of the 113082
improvement can then be realized, the board shall immediately 113083
collect the full amount of the assessment for the portion of the 113084
property for which the use has so changed, without interest unless 113085
payment is late as determined by the board, and repay the 113086
commission the amount of any money advanced by it in regard to the 113087
assessment. The board shall pay all such amounts to the commission 113088
in one annual payment or during a longer period as approved by the 113089
director of the commission. The board of county commissioners 113090
shall pay, from county funds, interest annually at a rate 113091
determined by the director of the commission at the time the 113092
advance is made, not to exceed four per cent per annum, for any 113093
money not repaid to the commission pursuant to this division 113094
within one year of the date of the change in the use of property 113095

requiring such repayment, or of the date on which payment of a 113096

source would conflict with an areawide waste treatment management 113630
plan adopted in accordance with section 208 of the Federal Water 113631
Pollution Control Act; 113632

(c) The administrator of the United States environmental 113633

the permit in accordance with section 402 (d) of the Federal Water 113635
Pollution Control Act; 113636

(d) The application is for the discharge of any radiological, 113637
chemical, or biological warfare agent or high-level radioactive 113638
waste into the waters of the United States. 113639

and appropriate, as conditions of each permit, water quality 113643
related effluent limitations in accordance with sections 301, 302, 113644
306, 307, and 405 of the Federal Water Pollution Control Act and, 113645

technical feasibility and economic reasonableness of removing the 113648

polluting properties from those wastes and to evidence relating to 113649
conditions calculated to result from that action and their 113650
relation to benefits to the people of the state and to 113651
accomplishment of the purposes of this chapter. 113652

(4) Where a discharge having a thermal component from a 113653
source that is constructed or modified on or after October 18, 113654
1972, meets national or state effluent limitations or more 113655
stringent permit conditions designed to achieve and maintain 113656
compliance with applicable standards of quality for the waters of 113657
the state, which limitations or conditions will ensure protection 113658
and propagation of a balanced, indigenous population of shellfish, 113659
fish, and wildlife in or on the body of water into which the 113660
discharge is made, taking into account the interaction of the 113661
thermal component with sewage, industrial waste, or other wastes, 113662
the director shall not impose any more stringent limitation on the 113663
thermal component of the discharge, as a condition of a permit or 113664
renewal thereof for the discharge, during a ten-year period 113665
beginning on the date of completion of the construction or 113666
modification of the source, or during the period of depreciation 113667
or amortization of the source for the purpose of section 167 or 113668
169 of the Internal Revenue Code of 1954, whichever period ends 113669
first. 113670

(5) The director shall specify in permits for the discharge 113671
of sewage, industrial waste, and other wastes, the net volume, net 113672
weight, duration, frequency, and, where necessary, concentration 113673
of the sewage, industrial waste, and other wastes that may be 113674
discharged into the waters of the state. The director shall 113675
specify in those permits and in sludge management permits that the 113676
permit is conditioned upon payment of applicable fees as required 113677
by section 3745.11 of the Revised Code and upon the right of the 113678
director's authorized representatives to enter upon the premises 113679
of the person to whom the permit has been issued for the purpose 113680

of determining compliance with this chapter, rules adopted 113681
thereunder, or the terms and conditions of a permit, order, or 113682
other determination. The director shall issue or deny an 113683
application for a sludge management permit or a permit for a new 113684
discharge, for the installation or modification of a disposal 113685
system, or for the renewal of a permit, within one hundred eighty 113686
days of the date on which a complete application with all plans, 113687
specifications, construction schedules, and other pertinent 113688
information required by the director is received. 113689

(6) The director may condition permits upon the installation 113690
of discharge or water quality monitoring equipment or devices and 113691
the filing of periodic reports on the amounts and contents of 113692
discharges and the quality of receiving waters that the director 113693
prescribes. The director shall condition each permit for a 113694
government-owned disposal system or any other "treatment works" as 113695
defined in the Federal Water Pollution Control Act upon the 113696
reporting of new introductions of industrial waste or other wastes 113697
and substantial changes in volume or character thereof being 113698
introduced into those systems or works from "industrial users" as 113699
defined in section 502 of that act, as necessary to comply with 113700
section 402(b)(8) of that act; upon the identification of the 113701
character and volume of pollutants subject to pretreatment 113702
standards being introduced into the system or works; and upon the 113703
existence of a program to ensure compliance with pretreatment 113704
standards by "industrial users" of the system or works. In 113705
requiring monitoring devices and reports, the director, to the 113706
extent consistent with the Federal Water Pollution Control Act, 113707
shall give consideration to technical feasibility and economic 113708
reasonableness and shall allow reasonable time for compliance. 113709

(7) A permit may be issued for a period not to exceed five 113710
years and may be renewed upon application for renewal. In renewing 113711
a permit, the director shall consider the compliance history of 113712

the permit holder and may deny the renewal if the director 113713
determines that the permit holder has not complied with the terms 113714
and conditions of the existing permit. A permit may be modified, 113715
suspended, or revoked for cause, including, but not limited to, 113716
violation of any condition of the permit, obtaining a permit by 113717
misrepresentation or failure to disclose fully all relevant facts 113718
of the permitted discharge or of the sludge use, storage, 113719
treatment, or disposal practice, or changes in any condition that 113720
requires either a temporary or permanent reduction or elimination 113721
of the permitted activity. No application shall be denied or 113722
permit revoked or modified without a written order stating the 113723
findings upon which the denial, revocation, or modification is 113724
based. A copy of the order shall be sent to the applicant or 113725
permit holder by certified mail. 113726

(K) Institute or cause to be instituted in any court of 113727
competent jurisdiction proceedings to compel compliance with this 113728
chapter or with the orders of the director issued under this 113729
chapter, or to ensure compliance with sections 204(b), 307, 308, 113730
and 405 of the Federal Water Pollution Control Act; 113731

(L) Issue, deny, revoke, or modify industrial water pollution 113732
control certificates; 113733

(M) Certify to the government of the United States or any 113734
agency thereof that an industrial water pollution control facility 113735
is in conformity with the state program or requirements for the 113736
control of water pollution whenever the certification may be 113737
required for a taxpayer under the Internal Revenue Code of the 113738
United States, as amended; 113739

(N) Issue, modify, and revoke orders requiring any 113740
"industrial user" of any publicly owned "treatment works" as 113741
defined in sections 212(2) and 502(18) of the Federal Water 113742
Pollution Control Act to comply with pretreatment standards; 113743
establish and maintain records; make reports; install, use, and 113744

maintain monitoring equipment or methods, including, where 113745
appropriate, biological monitoring methods; sample discharges in 113746
accordance with methods, at locations, at intervals, and in a 113747
manner that the director determines; and provide other information 113748
that is necessary to ascertain whether or not there is compliance 113749
with toxic and pretreatment effluent standards. In issuing, 113750
modifying, and revoking those orders, the director, to the extent 113751
consistent with the Federal Water Pollution Control Act, shall 113752
give consideration to technical feasibility and economic 113753
reasonableness and shall allow reasonable time for compliance. 113754

(O) Exercise all incidental powers necessary to carry out the 113755
purposes of this chapter; 113756

(P) Certify or deny certification to any applicant for a 113757
federal license or permit to conduct any activity that may result 113758
in any discharge into the waters of the state that the discharge 113759
will comply with the Federal Water Pollution Control Act; 113760

(Q) Administer and enforce the publicly owned treatment works 113761
pretreatment program in accordance with the Federal Water 113762
Pollution Control Act. In the administration of that program, the 113763
director may do any of the following: 113764

(1) Apply and enforce pretreatment standards; 113765

(2) Approve and deny requests for approval of publicly owned 113766
treatment works pretreatment programs, oversee those programs, and 113767
implement, in whole or in part, those programs under any of the 113768
following conditions: 113769

(a) The director has denied a request for approval of the 113770
publicly owned treatment works pretreatment program; 113771

(b) The director has revoked the publicly owned treatment 113772
works pretreatment program; 113773

(c) There is no pretreatment program currently being 113774

implemented by the publicly owned treatment works; 113775

(d) The publicly owned treatment works has requested the 113776
director to implement, in whole or in part, the pretreatment 113777
program. 113778

(3) Require that a publicly owned treatment works 113779
pretreatment program be incorporated in a permit issued to a 113780
publicly owned treatment works as required by the Federal Water 113781
Pollution Control Act, require compliance by publicly owned 113782
treatment works with those programs, and require compliance by 113783
industrial users with pretreatment standards; 113784

(4) Approve and deny requests for authority to modify 113785
categorical pretreatment standards to reflect removal of 113786
pollutants achieved by publicly owned treatment works; 113787

(5) Deny and recommend approval of requests for fundamentally 113788
different factors variances submitted by industrial users; 113789

(6) Make determinations on categorization of industrial 113790
users; 113791

(7) Adopt, amend, or rescind rules and issue, modify, or 113792
revoke orders necessary for the administration and enforcement of 113793
the publicly owned treatment works pretreatment program. 113794

Any approval of a publicly owned treatment works pretreatment 113795
program may contain any terms and conditions, including schedules 113796
of compliance, that are necessary to achieve compliance with this 113797
chapter. 113798

(R) Except as otherwise provided in this division, adopt 113799
rules in accordance with Chapter 119. of the Revised Code 113800
establishing procedures, methods, and equipment and other 113801
requirements for equipment to prevent and contain discharges of 113802
oil and hazardous substances into the waters of the state. The 113803
rules shall be consistent with and equivalent in scope, content, 113804

and coverage to section 311(j)(1)(c) of the Federal Water
Pollution Control Act and regulations adopted under it. The
director shall not adopt rules under this division relating to
discharges of oil from oil production facilities and oil drilling
and workover facilities as those terms are defined in that act and
regulations adopted under it.

(S)(1) Administer and enforce a program for the regulation of
sludge management in this state. In administering the program, the
director, in addition to exercising the authority provided in any
other applicable sections of this chapter, may do any of the
following:

(a) Develop plans and programs for the disposal and
utilization of sludge and sludge materials;

(b) Encourage, participate in, or conduct studies,
investigations, research, and demonstrations relating to the
disposal and use of sludge and sludge materials and the impact of
sludge and sludge materials on land located in the state and on
the air and waters of the state;

(c) Collect and disseminate information relating to the
disposal and use of sludge and sludge materials and the impact of
sludge and sludge materials on land located in the state and on
the air and waters of the state;

(d) Issue, modify, or revoke orders to prevent, control, or
abate the use and disposal of sludge and sludge materials or the
effects of the use of sludge and sludge materials on land located
in the state and on the air and waters of the state;

(e) Adopt and enforce, modify, or rescind rules necessary for
the implementation of division (S) of this section. The rules
reasonably shall protect public health and the environment,
encourage the beneficial reuse of sludge and sludge materials, and
minimize the creation of nuisance odors.

The director may specify in sludge management permits the net volume, net weight, quality, and pollutant concentration of the sludge or sludge materials that may be used, stored, treated, or disposed of, and the manner and frequency of the use, storage, treatment, or disposal, to protect public health and the environment from adverse effects relating to those activities. The director shall impose other terms and conditions to protect public health and the environment, minimize the creation of nuisance odors, and achieve compliance with this chapter and rules adopted under it and, in doing so, shall consider whether the terms and conditions are consistent with the goal of encouraging the beneficial reuse of sludge and sludge materials.

The director may condition permits on the implementation of treatment, storage, disposal, distribution, or application management methods and the filing of periodic reports on the amounts, composition, and quality of sludge and sludge materials that are disposed of, used, treated, or stored.

An approval of a treatment works sludge disposal program may contain any terms and conditions, including schedules of compliance, necessary to achieve compliance with this chapter and rules adopted under it.

(2) As a part of the program established under division (S)(1) of this section, the director has exclusive authority to regulate sewage sludge management in this state. For purposes of division (S)(2) of this section, that program shall be consistent with section 405 of the Federal Water Pollution Control Act and regulations adopted under it and with this section, except that the director may adopt rules under division (S) of this section that establish requirements that are more stringent than section 405 of the Federal Water Pollution Control Act and regulations adopted under it with regard to monitoring sewage sludge and sewage sludge materials and establishing acceptable sewage sludge

management practices and pollutant levels in sewage sludge and 113868
sewage sludge materials. 113869

This chapter authorizes the state to participate in any 113870
national sludge management program and the national pollutant 113871
discharge elimination system, to administer and enforce the 113872
publicly owned treatment works pretreatment program, and to issue 113873
permits for the discharge of dredged or fill materials, in 113874
accordance with the Federal Water Pollution Control Act. This 113875
chapter shall be administered, consistent with the laws of this 113876
state and federal law, in the same manner that the Federal Water 113877
Pollution Control Act is required to be administered. 113878

(T) Develop technical guidance and offer technical 113879
assistance, upon request, for the purpose of minimizing wind or 113880
water erosion of soil, and assist in compliance with permits for 113881
storm water management issued under this chapter and rules adopted 113882
under it. 113883

(U) Study, examine, and calculate nutrient loading from point 113884
and nonpoint sources in order to determine comparative 113885
contributions by those sources and to utilize the information 113886
derived from those calculations to determine the most 113887
environmentally beneficial and cost-effective mechanisms to reduce 113888
nutrient loading to watersheds in the Lake Erie basin and the Ohio 113889
river basin. In order to evaluate nutrient loading contributions, 113890
the director or the director's designee shall conduct a study of 113891
the nutrient mass balance for both point and nonpoint sources in 113892
watersheds in the Lake Erie basin and the Ohio river basin using 113893
available data, including both of the following: 113894

(1) Data on water quality and stream flow; 113895

(2) Data on point source discharges into those watersheds. 113896

The director or the director's designee shall report and 113897
update the results of the study to coincide with the release of 113898

the Ohio integrated water quality monitoring and assessment report 113899
prepared by the director. 113900

This section does not apply to residual farm products and 113901
manure disposal systems and related management and conservation 113902
practices subject to rules adopted pursuant to division (E)(1) of 113903
section ~~1511.02~~ 939.02 of the Revised Code. For purposes of this 113904
exclusion, "residual farm products" and "manure" have the same 113905
meanings as in section ~~1511.01~~ 939.01 of the Revised Code. 113906
However, until the date on which the United States environmental 113907
protection agency approves the NPDES program submitted by the 113908
director of agriculture under section 903.08 of the Revised Code, 113909
this exclusion does not apply to animal waste treatment works 113910
having a controlled direct discharge to the waters of the state or 113911
any concentrated animal feeding operation, as defined in 40 C.F.R. 113912
122.23(b)(2). On and after the date on which the United States 113913
environmental protection agency approves the NPDES program 113914
submitted by the director of agriculture under section 903.08 of 113915
the Revised Code, this section does not apply to storm water from 113916
an animal feeding facility, as defined in section 903.01 of the 113917
Revised Code, or to pollutants discharged from a concentrated 113918
animal feeding operation, as both terms are defined in that 113919
section. Neither of these exclusions applies to the discharge of 113920
animal waste into a publicly owned treatment works. 113921

Not later than December 1, 2016, a publicly owned treatment 113922
works with a design flow of one million gallons per day or more, 113923
or designated as a major discharger by the director, shall be 113924
required to begin monthly monitoring of total and dissolved 113925
reactive phosphorus pursuant to a new NPDES permit, an NPDES 113926
permit renewal, or a director-initiated modification. The director 113927
shall include in each applicable new NPDES permit, NPDES permit 113928
renewal, or director-initiated modification a requirement that 113929
such monitoring be conducted. A director-initiated modification 113930

for that purpose shall be considered and processed as a minor 113931
modification pursuant to ~~O.A.C.~~ Ohio Administrative Code 113932
3745-33-04. In addition, not later than December 1, 2017, a 113933
publicly owned treatment works with a design flow of one million 113934
gallons per day or more that, ~~on the effective date of this~~ 113935
~~amendment~~ July 3, 2015, is not subject to a phosphorus limit shall 113936
complete and submit to the director a study that evaluates the 113937
technical and financial capability of the existing treatment 113938
facility to reduce the final effluent discharge of phosphorus to 113939
one milligram per liter using possible source reduction measures, 113940
operational procedures, and unit process configurations. 113941

otherwise provided in division (A) or (F) of this section: 113943

(1) No person shall cause pollution or place or cause to be 113944
placed any sewage, sludge, sludge materials, industrial waste, or 113945
other wastes in a location where they cause pollution of any 113946
waters of the state. 113947

(2) Such an action prohibited under division (A)(1) of this 113948
section is hereby declared to be a public nuisance. 113949

Divisions (A)(1) and (2) of this section do not apply if the 113950
person causing pollution or placing or causing to be placed wastes 113951
in a location in which they cause pollution of any waters of the 113952
state holds a valid, unexpired permit, or renewal of a permit, 113953
governing the causing or placement as provided in sections 6111.01 113954
to 6111.08 of the Revised Code or if the person's application for 113955
renewal of such a permit is pending. 113956

(B) If the director of environmental protection administers a 113957
sludge management program pursuant to division (S) of section 113958
6111.03 of the Revised Code, both of the following apply except as 113959
otherwise provided in division (B) or (F) of this section: 113960

place on land located in the state or release into the air of the 113962
state any sludge or sludge materials. 113963

(2) An action prohibited under division (B)(1) of this 113964
section is hereby declared to be a public nuisance. 113965

Divisions (B)(1) and (2) of this section do not apply if the 113966
person placing or releasing the sludge or sludge materials holds a 113967
valid, unexpired permit, or renewal of a permit, governing the 113968
placement or release as provided in sections 6111.01 to 6111.08 of 113969
the Revised Code or if the person's application for renewal of 113970
such a permit is pending. 113971

(C) No person to whom a permit has been issued shall place or 113972
discharge, or cause to be placed or discharged, in any waters of 113973
the state any sewage, sludge, sludge materials, industrial waste, 113974
or other wastes in excess of the permissive discharges specified 113975
under an existing permit without first receiving a permit from the 113976
director to do so. 113977

(D) No person to whom a sludge management permit has been 113978
issued shall place on the land or release into the air of the 113979
state any sludge or sludge materials in excess of the permissive 113980
amounts specified under the existing sludge management permit 113981
without first receiving a modification of the existing sludge 113982
management permit or a new sludge management permit to do so from 113983
the director. 113984

(E) The director may require the submission of plans, 113985
specifications, and other information that the director considers 113986
relevant in connection with the issuance of permits. 113987

(F) This section does not apply to any of the following: 113988

(1) Waters used in washing sand, gravel, other aggregates, or 113989
mineral products when the washing and the ultimate disposal of the 113990
water used in the washing, including any sewage, industrial waste, 113991

or other wastes contained in the waters, are entirely confined to 113992
the land under the control of the person engaged in the recovery 113993
and processing of the sand, gravel, other aggregates, or mineral 113994
products and do not result in the pollution of waters of the 113995
state; 113996

(2) Water, gas, or other material injected into a well to 113997
facilitate, or that is incidental to, the production of oil, gas, 113998
artificial brine, or water derived in association with oil or gas 113999
production and disposed of in a well, in compliance with a permit 114000
issued under Chapter 1509. of the Revised Code, or sewage, 114001
industrial waste, or other wastes injected into a well in 114002
compliance with an injection well operating permit. Division 114003
(F)(2) of this section does not authorize, without a permit, any 114004
discharge that is prohibited by, or for which a permit is required 114005
by, regulation of the United States environmental protection 114006
agency. 114007

(3) Application of any materials to land for agricultural 114008
purposes or runoff of the materials from that application or 114009
pollution by residual farm products, manure, or soil sediment, 114010
including attached substances, resulting from farming, 114011
silvicultural, or earthmoving activities regulated by Chapter 307. 114012
or ~~1511. 939.~~ 939. of the Revised Code. Division (F)(3) of this section 114013
does not authorize, without a permit, any discharge that is 114014
prohibited by, or for which a permit is required by, the Federal 114015
Water Pollution Control Act or regulations adopted under it. As 114016
used in division (F)(3) of this section, "residual farm products" 114017
and "manure" have the same meanings as in section ~~1511.01~~ 939.01 114018
of the Revised Code. 114019

(4) The excrement of domestic and farm animals defecated on 114020
land or runoff therefrom into any waters of the state. Division 114021
(F)(4) of this section does not authorize, without a permit, any 114022
discharge that is prohibited by, or for which a permit is required 114023

by, the Federal Water Pollution Control Act or regulations adopted 114024
under it. 114025

(5) On and after the date on which the United States 114026
environmental protection agency approves the NPDES program 114027
submitted by the director of agriculture under section 903.08 of 114028
the Revised Code, any discharge that is within the scope of the 114029
approved NPDES program submitted by the director of agriculture; 114030

(6) The discharge of sewage, industrial waste, or other 114031
wastes into a sewerage system tributary to a treatment works. 114032
Division (F)(6) of this section does not authorize any discharge 114033
into a publicly owned treatment works in violation of a 114034
pretreatment program applicable to the publicly owned treatment 114035
works. 114036

(7) A household sewage treatment system or a small flow 114037
on-site sewage treatment system, as applicable, as defined in 114038
section 3718.01 of the Revised Code that is installed in 114039
compliance with Chapter 3718. of the Revised Code and rules 114040
adopted under it. Division (F)(7) of this section does not 114041

of environmental protection shall administer and enforce those 114054

permits within this state and may modify their terms and 114055
conditions in accordance with division (J) of section 6111.03 of 114056
the Revised Code. On and after the date on which the United States 114057
environmental protection agency approves the NPDES program 114058
submitted by the director of agriculture under section 903.08 of 114059

Sec. 6111.044. Upon receipt of an application for an 114064
injection well drilling permit, an injection well operating 114065
permit, a renewal of an injection well operating permit, or a 114066
modification of an injection well drilling permit, operating 114067
permit, or renewal of an operating permit, the director of 114068
environmental protection shall determine whether the application 114069
is complete and demonstrates that the activities for which the 114070
permit, renewal permit, or modification is requested will comply 114071
with the Federal Water Pollution Control Act and regulations 114072
adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 114073
(1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted 114074
under it; and this chapter and the rules adopted under it. If the 114075
application demonstrates that the proposed activities will not 114076
comply or will pose an unreasonable risk of inducing seismic 114077
activity, inducing geologic fracturing, or contamination of an 114078
underground source of drinking water, the director shall deny the 114079
application. If the application does not make the required 114080
demonstrations, the director shall return it to the applicant with 114081
an indication of those matters about which a required 114082
demonstration was not made. If the director determines that the 114083
application makes the required demonstrations, the director shall 114084
transmit copies of the application and all of the accompanying 114085
maps, data, samples, and information to the chief of the division 114086

of oil and gas resources management, the chief of the division of 114087
geological survey, the chief of the division of ~~soil~~ and water 114088
resources, and, if the well is or is to be located in a coal 114089
bearing township designated under section 1561.06 of the Revised 114090
Code, the chief of the division of mineral resources management in 114091
the department of natural resources. 114092

The chief of the division of geological survey shall comment 114093
upon the application if the chief determines that the proposed 114094
well or injection will present an unreasonable risk of loss or 114095
damage to valuable mineral resources. If the chief submits 114096
comments on the application, those comments shall be accompanied 114097
by an evaluation of the geological factors upon which the comments 114098
are based, including fractures, faults, earthquake potential, and 114099
the porosity and permeability of the injection zone and confining 114100
zone, and by the documentation supporting the evaluation. The 114101
director shall take into consideration the chief's comments, and 114102
the accompanying evaluation of geologic factors and supporting 114103
documentation, when considering the application. The director 114104
shall provide written notice to the chief of the director's 114105
decision on the application and, if the chief's comments are not 114106
included in the permit, renewal permit, or modification, of the 114107
director's rationale for not including them. 114108

The chief of the division of oil and gas resources management 114109
shall comment upon the application if the chief determines that 114110
the proposed well or injection will present an unreasonable risk 114111
that waste or contamination of recoverable oil or gas in the earth 114112
will occur. If the chief submits comments on the application, 114113
those comments shall be accompanied by an evaluation of the oil or 114114
gas reserves that, in the best professional judgment of the chief, 114115
are recoverable and will be adversely affected by the proposed 114116
well or injection, and by the documentation supporting the 114117
evaluation. The director shall take into consideration the chief's 114118

comments, and the accompanying evaluation and supporting 114119
documentation, when considering the application. The director 114120
shall provide written notice to the chief of the director's 114121
decision on the application and, if the chief's comments are not 114122
included in the permit, renewal permit, or modification, of the 114123
director's rationale for not including them. 114124

The chief of the division of ~~soil and~~ water resources shall 114125
assist the director in determining whether all underground sources 114126
of drinking water in the area of review of the proposed well or 114127
injection have been identified and correctly delineated in the 114128
application. If the application fails to identify or correctly 114129
delineate an underground source of drinking water, the chief shall 114130
provide written notice of that fact to the director. 114131

The chief of the division of mineral resources management 114132
shall review the application as follows: 114133

If the application concerns the drilling or conversion of a 114134
well or the injection into a well that is not or is not to be 114135
located within five thousand feet of the excavation and workings 114136
of a mine, the chief of the division of mineral resources 114137
management shall note upon the application that it has been 114138
examined by the division of mineral resources management, retain a 114139
copy of the application and map, and immediately return a copy of 114140
the application to the director. 114141

If the application concerns the drilling or conversion of a 114142
well or the injection into a well that is or is to be located 114143
within five thousand feet, but more than five hundred feet from 114144
the surface excavations and workings of a mine, the chief of the 114145
division of mineral resources management immediately shall notify 114146
the owner or lessee of the mine that the application has been 114147
filed and send to the owner or lessee a copy of the map 114148
accompanying the application setting forth the location of the 114149
well. The chief of the division of mineral resources management 114150

shall note on the application that the notice has been sent to the owner or lessee of the mine, retain a copy of the application and map, and immediately return a copy of the application to the director with the chief's notation on it.

If the application concerns the drilling or conversion of a well or the injection into a well that is or is to be located within five thousand feet of the underground excavations and workings of a mine or within five hundred feet of the surface excavations and workings of a mine, the chief of the division of mineral resources management immediately shall notify the owner or lessee of the mine that the application has been filed and send to the owner or lessee a copy of the map accompanying the application setting forth the location of the well. If the owner or lessee objects to the application, the owner or lessee shall notify the chief of the division of mineral resources management of the objection, giving the reasons, within six days after the receipt of the notice. If the chief of the division of mineral resources management receives no objections from the owner or lessee of the mine within ten days after the receipt of the notice by the owner or lessee, or if in the opinion of the chief of the division of mineral resources management the objections offered by the owner or lessee are not sufficiently well founded, the chief shall retain a copy of the application and map and return a copy of the application to the director with any applicable notes concerning it.

If the chief of the division of mineral resources management receives an objection from the owner or lessee of the mine as to the application, within ten days after receipt of the notice by the owner or lessee, and if in the opinion of the chief the objection is well founded, the chief shall disapprove the application and immediately return it to the director together with the chief's reasons for the disapproval. The director

promptly shall notify the applicant for the permit, renewal 114183
permit, or modification of the disapproval. The applicant may 114184
appeal the disapproval of the application by the chief of the 114185
division of mineral resources management to the reclamation 114186
commission created under section 1513.05 of the Revised Code, and 114187
the commission shall hear the appeal in accordance with section 114188
1513.13 of the Revised Code. The appeal shall be filed within 114189
thirty days from the date the applicant receives notice of the 114190
disapproval. No comments concerning or disapproval of an 114191
application shall be delayed by the chief of the division of 114192
mineral resources management for more than fifteen days from the 114193
date of sending of notice to the mine owner or lessee as required 114194
by this section. 114195

The director shall not approve an application for an 114196
injection well drilling permit, an injection well operating 114197
permit, a renewal of an injection well operating permit, or a 114198
modification of an injection well drilling permit, operating 114199
permit, or renewal of an operating permit for a well that is or is 114200
to be located within three hundred feet of any opening of any mine 114201
used as a means of ingress, egress, or ventilation for persons 114202
employed in the mine, nor within one hundred feet of any building 114203
or flammable structure connected with the mine and actually used 114204
as a part of the operating equipment of the mine, unless the chief 114205
of the division of mineral resources management determines that 114206
life or property will not be endangered by drilling and operating 114207
the well in that location. 114208

Upon review by the chief of the division of oil and gas 114209
resources management, the chief of the division of geological 114210
survey, and the chief of the division of ~~soil and~~ water resources, 114211
and if the chief of the division of mineral resources management 114212
has not disapproved the application, the director shall issue a 114213
permit, renewal permit, or modification with any terms and 114214

conditions that may be necessary to comply with the Federal Water 114215
Pollution Control Act and regulations adopted under it; the "Safe 114216
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f) as 114217
amended, and regulations adopted under it; and this chapter and 114218
the rules adopted under it. The director shall not issue a permit, 114219
renewal permit, or modification to an applicant if the applicant 114220
or persons associated with the applicant have engaged in or are 114221
engaging in a substantial violation of this chapter that is 114222
endangering or may endanger human health or the environment or if, 114223
in the case of an applicant for an injection well drilling permit, 114224
the applicant, at the time of applying for the permit, did not 114225
hold an injection well operating permit or renewal of an injection 114226
well drilling permit and failed to demonstrate sufficient 114227
expertise and competency to operate the well in compliance with 114228
the applicable provisions of this chapter. 114229

If the director receives a disapproval from the chief of the 114230
division of mineral resources management regarding an application 114231
for an injection well drilling or operating permit, renewal 114232
permit, or modification, if required, the director shall issue an 114233
order denying the application. 114234

The director need not issue a proposed action under section 114235
3745.07 of the Revised Code or hold an adjudication hearing under 114236
that section and Chapter 119. of the Revised Code before issuing 114237
or denying a permit, renewal permit, or modification of a permit 114238
or renewal permit. Before issuing or renewing a permit to drill or 114239
operate a class I injection well or a modification of it, the 114240
director shall propose the permit, renewal permit, or modification 114241
in draft form and shall hold a public hearing to receive public 114242
comment on the draft permit, renewal permit, or modification. At 114243
least fifteen days before the public hearing on a draft permit, 114244
renewal permit, or modification, the director shall publish notice 114245
of the date, time, and location of the public hearing in at least 114246

one newspaper of general circulation serving the area where the 114247
well is or is to be located. The proposing of such a draft permit, 114248
renewal permit, or modification does not constitute the issuance 114249
of a proposed action under section 3745.07 of the Revised Code, 114250
and the holding of the public hearing on such a draft permit, 114251
renewal permit, or modification does not constitute the holding of 114252
an adjudication hearing under that section and Chapter 119. of the 114253
Revised Code. Appeals of orders other than orders of the chief of 114254
the division of mineral resources management shall be taken under 114255
sections 3745.04 to 3745.08 of the Revised Code. 114256

The director may order that an injection well drilling permit 114257
or an injection well operating permit or renewal permit be 114258
suspended and that activities under it cease after determining 114259
that those activities are occurring in violation of law, rule, 114260
order, or term or condition of the permit. Upon service of a copy 114261
of the order upon the permit holder or the permit holder's 114262
authorized agent or assignee, the permit and activities under it 114263
shall be suspended immediately without prior hearing and shall 114264
remain suspended until the violation is corrected and the order of 114265
suspension is lifted. If a violation is the second within a 114266
one-year period, the director, after a hearing, may revoke the 114267
permit. 114268

The director may order that an injection well drilling permit 114269
or an injection well operating permit or renewal permit be 114270
suspended and that activities under it cease if the director has 114271
reasonable cause to believe that the permit would not have been 114272
issued if the information available at the time of suspension had 114273
been available at the time a determination was made by one of the 114274
agencies acting under authority of this section. Upon service of a 114275
copy of the order upon the permit holder or the permit holder's 114276
authorized agent or assignee, the permit and activities under it 114277
shall be suspended immediately without prior hearing, but a permit 114278

may not be suspended for that reason without prior hearing unless 114279
immediate suspension is necessary to prevent waste or 114280
contamination of oil or gas, comply with the Federal Water 114281
Pollution Control Act and regulations adopted under it; the "Safe 114282
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 114283
amended, and regulations adopted under it; and this chapter and 114284
the rules adopted under it, or prevent damage to valuable mineral 114285
resources, prevent contamination of an underground source of 114286
drinking water, or prevent danger to human life or health. If 114287
after a hearing the director determines that the permit would not 114288
have been issued if the information available at the time of the 114289
hearing had been available at the time a determination was made by 114290
one of the agencies acting under authority of this section, the 114291
director shall revoke the permit. 114292

When a permit has been revoked, the permit holder or other 114293
person responsible for it immediately shall plug the well in the 114294
manner required by the director. 114295

The director may issue orders to prevent or require cessation 114296
of violations of this section, section 6111.043, 6111.045, 114297
6111.046, or 6111.047 of the Revised Code, rules adopted under any 114298
of those sections, and terms or conditions of permits issued under 114299
any of them. The orders may require the elimination of conditions 114300
caused by the violation. 114301

Sec. 6111.05. (A) The director of environmental protection, 114302
on the director's own initiative, may investigate or make 114303
inquiries into any alleged act of pollution or failure to comply 114304
with this chapter or any order, any rule, the terms and conditions 114305
of a permit, or any other determination pursuant thereto. However, 114306
upon written complaint by any person, the director shall conduct 114307
any investigations and make any inquiries that are required. 114308

The director or the director's duly authorized representative 114309

may enter at reasonable times upon any private or public property 114310
to inspect and investigate conditions relating to pollution of any 114311
air of the state or land located in the state related to the use, 114312
storage, treatment, or disposal of sludge or sludge materials or 114313
pollution of any waters of the state, inspect any monitoring 114314
equipment, inspect the drilling, conversion, or operation of any 114315
injection well, and sample any discharges, including discharges by 114316
"industrial users" into a publicly owned "treatment works" as 114317
those terms are defined in sections 212 and 502 of the Federal 114318
Water Pollution Control Act, and may apply to the court of common 114319
pleas having jurisdiction for a warrant permitting the entrance 114320
and inspection. 114321

(B) Any authorized representative of the director at 114322
reasonable times may examine any records or memoranda pertaining 114323
to sludge management, the operation of disposal systems, the 114324
drilling, conversion, or operation of injection wells, or 114325
discharges by "industrial users" into publicly owned "treatment 114326
works" as defined in sections 212 and 501 of the Federal Water 114327
Pollution Control Act. The director may require the maintenance of 114328
records relating to sludge management, discharges, or the 114329
operation of disposal systems or injection wells. The director may 114330
make copies of the records. Any authorized representative of a 114331
publicly owned "treatment works" may enter at reasonable times 114332
upon the premises of any "industrial user" that discharges into 114333
the works to inspect any monitoring equipment or method of the 114334
user, to sample any discharges of the user into the works, or to 114335
inspect any records or memoranda pertaining to discharges by the 114336
user into the works, in order to ascertain compliance by the user 114337
with applicable pretreatment standards. The representative may 114338
make copies of the records. ~~Any~~ 114339

(C) If an emergency requires the director or the director's 114340
authorized representative to respond to protect public health or 114341

safety or the environment, the director or the director's 114342
authorized representative may request any person that is 114343
responsible for causing or allowing a spill, release, or discharge 114344
of a pollutant or contaminant into or on the environment or any 114345
person having knowledge of the components or chemical identity of 114346
the pollutant or contaminant spilled, released, or discharged to 114347
disclose records, reports, or information necessary to respond to 114348
or investigate the spill, release, or discharge. Upon receiving 114349
the request, the person shall submit the records, reports, or 114350
information without undue delay. If the person disclosing the 114351
records, reports, or information designates any portion of the 114352
records, reports, or information as containing trade secret 114353
information, the person shall submit both a complete and a 114354
redacted version of the records, reports, or information. The 114355
person shall mark the redacted version "public version" and redact 114356
any trade secret information. 114357

(D) Any records, reports, or information obtained under this 114358
chapter shall be available for public inspection, except that: 114359

~~(A) Upon a showing satisfactory to the director by any person~~ 114360
~~that the~~ (1) Any records, reports, or information, or any 114361
particular part thereof designated as a trade secret by the person 114362
submitting the records, reports, or information, other than data 114363
concerning the amounts or contents of discharges or the quality of 114364
the receiving waters, to which the director has access under this 114365
chapter, if made public would divulge information entitled to 114366
~~protection as trade secrets of the person, the director shall~~ 114367
~~consider the record, report, or information or particular portion~~ 114368
~~thereof confidential. Prior to divulging any alleged trade secret~~ 114369
~~information pursuant to this division, the director shall give ten~~ 114370
~~days' written notice to the person claiming trade secrecy shall be~~ 114371
considered by the director to be a trade secret and managed by the 114372
director as confidential. The director or the director's 114373

authorized representative shall not disclose any complete records, reports, or information or any part of a record, report, or information that has been designated as containing trade secret information in accordance with this section. However, during an emergency that requires the director or the director's authorized representative to respond to protect public health or safety or the environment or during an investigation of such an emergency, the director or the director's authorized representative may share any of the complete records, reports, or information or any such part with the owner or operator of a public or private water system that needs the records, reports, or information or any such part for any of the following purposes:

(a) Assessing exposure or potential exposure of persons or aquatic organisms to any component of or chemical in a pollutant or contaminant spilled, released, or discharged;

(b) Conducting or assessing sampling to determine exposure levels of various population groups or aquatic organisms to any component of or chemical in a pollutant or contaminant spilled, released, or discharged;

(c) Testing for any component of or chemical in a pollutant or contaminant spilled, released, or discharged.

~~(B)~~ Prior to sharing any complete records, reports, or information or any part of a record, report, or information that has been designated as containing trade secret information in accordance with this section, the director or the director's authorized representative shall label and identify, to the extent practicable, any of those records, reports, or information or any such part designated as a trade secret. If the director or the director's authorized representative shares any such records, reports, or information or any such part, the director shall notify the person that designated the trade secret information in accordance with division (C) of this section of that sharing as

soon as practicable. Nothing in this section precludes a person 114406
that designated trade secret information in accordance with 114407
division (C) of this section from requesting a confidentiality 114408
agreement with a recipient of the records, reports, or information 114409
or any such part. 114410

During an emergency action taken to protect public health or 114411
safety or the environment, the owner or operator of a public or 114412
private water system may share complete records, reports, or 114413
information or any part of a record, report, or information 114414
received under this division that has been designated as 114415
containing trade secret information in accordance with this 114416
section with an agent, consultant, or representative of the owner 114417
or operator. The owner or operator of a public or private water 114418
system, including an agent, consultant, or representative of the 114419
owner or operator, that receives the records, reports, or 114420
information or any such part shall maintain the confidentiality of 114421
the records, reports, or information or any such part and may use 114422
the information only for the purposes specified in this division. 114423

The sharing of complete records, reports, or information or 114424
any part of a record, report, or information that has been 114425
designated as containing trade secret information in accordance 114426
with this section does not change the status of the records, 114427
reports, or information or any such part as being designated a 114428
trade secret pursuant to this section. In addition, the sharing 114429
does not subject the records, reports, or information or any such 114430
part to public disclosure. 114431

The director or the director's authorized representative may 114432
disclose to a person that seeks to obtain records, reports, or 114433
information or any part of a record, report, or information that 114434
has been designated as containing trade secret information in 114435
accordance with this section the identity of the person that has 114436
designated those records, reports, or information or any such part 114437

as containing trade secret information. The person to whom the 114438
director or the director's authorized representative discloses 114439
that identity may contact the person that designated the trade 114440
secret information. 114441

(2) The record, report, or information may be disclosed to 114442
other officers, employees, or authorized representatives of the 114443
state, another state, or the United States when necessary to 114444
sustain an action brought pursuant to this chapter or during an 114445
adjudication hearing or when otherwise necessary to fulfill any 114446
requirement of the Federal Water Pollution Control Act. 114447

(E) No person to whom a permit has been issued shall refuse 114448
entry to any authorized representative of the director or 114449
willfully hinder or thwart the representative in the exercise of 114450
any authority granted by this section. 114451

(F) The director or the director's authorized representative, 114452
or, where necessary to monitor compliance with pretreatment 114453
standards, the authorized representative of a publicly owned 114454
"treatment works," may apply for, and any judge of a court of 114455
common pleas may issue, a warrant necessary to achieve the 114456
purposes of this chapter. 114457

(G) As used in this section: 114458

(1) "Private water system" has the same meaning as in section 114459
3701.344 of the Revised Code. 114460

(2) "Public water system" has the same meaning as in section 114461
6109.01 of the Revised Code. 114462

(3) "Trade secret" has the same meaning as in section 1333.61 114463
of the Revised Code. 114464

Sec. 6111.12. (A) The director of environmental protection 114465
shall establish an antidegradation policy applicable to surface 114466
waters of the state pursuant to applicable federal laws and 114467

regulations. The purpose of the policy shall be to maintain levels 114468
of water quality that are currently better than prescribed by 114469
applicable standards except in situations when a need to allow a 114470
lower level of water quality is demonstrated based on technical, 114471
social, and economic criteria. Not later than March 31, 1994, the 114472
director shall revise the existing antidegradation policy 114473
established in rules adopted under section 6111.041 of the Revised 114474
Code and revise any necessary implementation procedures to conform 114475
them to the following principles and any mandatory regulations 114476
adopted under the Federal Water Pollution Control Act: 114477

(1) The use of existing effluent quality as a method of 114478
calculating antidegradation-based limits shall be imposed only to 114479
the extent that the use is explicitly required by federal law or 114480
regulation as the only means available to implement 114481
antidegradation. 114482

(2) No degradation shall be allowed in waters for any 114483
pollutant that currently does not meet applicable standards. For 114484
all remaining waters, there shall be provisions requiring federal 114485
antidegradation requirements to be met and provisions ensuring 114486
that waters of exceptional recreational or ecological value are 114487
maintained as high quality resources for future generations. There 114488
shall be at least two categories of surface waters identified in 114489
the state for that purpose and for the purpose of establishing 114490
priorities for the administrative and technical resources expended 114491
on antidegradation reviews. 114492

(3) Whenever current ambient water quality is determined to 114493
be of a higher quality than prescribed in the standards, on a 114494
pollutant-by-pollutant basis, and the water body lacks exceptional 114495
recreational or ecological value, the director may allocate to 114496
existing sources eighty per cent of the pollutant assimilative 114497
capacity as determined by appropriate total maximum daily load 114498
procedures without further antidegradation review. The permittee 114499

for any existing source may receive an effluent limitation based 114500
on not more than one hundred per cent of the mass or concentration 114501
levels necessary to meet applicable water quality in the receiving 114502
water body as determined by appropriate total maximum daily load 114503
procedures, provided that there has been a satisfactory 114504
demonstration of the need to allow lower water quality based on 114505
technical, social, and economic criteria and the action is 114506
preceded by a public notice. Sources other than existing sources 114507
that result in ten per cent or greater change, that is, 114508
degradation, of ambient chemical water quality shall require a 114509
demonstration of technical, social, and economic need and shall be 114510
the subject of a public notice. 114511

(4) Degradation of waters identified as possessing 114512
exceptional recreational or ecological value shall be determined 114513
through an analysis of the expected perceptible change in ambient 114514
concentrations of pollutant or alternatively through an analysis 114515
of the expected change in the biological condition of the water 114516
body. Either determination shall constitute a lowering of water 114517
quality and shall require an antidegradation review. The director 114518
shall establish, by rules adopted in accordance with Chapter 119. 114519
of the Revised Code, a definition of perceptible change that shall 114520
be applicable to those waters identified in rule as possessing 114521
exceptional recreational or ecological value. Antidegradation 114522
reviews shall be required for any activity resulting in a 114523
perceptible change in ambient chemical or biological quality on 114524
waters identified as possessing exceptional recreational or 114525
ecological value. Allowances shall be made for existing sources to 114526
retain their current permit limits with no requirement to 114527

modification, the director shall not pursue administrative or 114544
judicial enforcement actions for violations of 114545
antidegradation-based limitations based on the existing quality of 114546
effluent that occur after July 1, 1993. 114547

(C) A historically channelized watercourse provides 114548
technical, social, and economic benefits. Therefore, with regard 114549
to a historically channelized watercourse, the director shall not 114550
require further antidegradation review during the review of an 114551
application for and the issuance or denial of a permit under this 114552
chapter or a water quality certification under section 401 of the 114553
Federal Water Pollution Control Act if the director finds, after 114554
public notice and opportunity for comment, and a public hearing if 114555
significant public interest is shown, that all of the following 114556
apply: 114557

114568
114569

(5) The work will not harm or interfere with the protection of federal or state designated endangered or threatened species. 114570
114571

(6) The historically channelized watercourse is not designated as coldwater habitat, exceptional warmwater habitat, or a state resource water in rules adopted under section 6111.041 of the Revised Code. 114572
114573
114574
114575

(7) If information is available concerning resident fishery or macroinvertebrate communities, or both, in the historically channelized watercourse, the historically channelized watercourse does not support a particularly diverse or unique warmwater habitat as that term is defined in rules adopted under section 6111.041 of the Revised Code. 114576
114577
114578
114579
114580

Sec. 6112.03. Applications for approval of plans for the 114928
construction and installation of facilities under this chapter 114929
shall be made in the manner and form prescribed by the director of 114930

environmental protection and shall be accompanied by plans, 114931
specifications, and other data that the director may require 114932
relative to the facilities for which approval of plans is 114933
requested. Thereafter, the director shall review and act upon the 114934
application in accordance with law and the rules adopted ~~pursuant~~ 114935
~~thereto~~ under section 6111.03 of the Revised Code. 114936

Sec. 6112.06. (A) As used in this section: 114937

(1) "Health district" means a city or general health district 114938
as created by or under authority of Chapter 3709. of the Revised 114939
Code. 114940

(2) "Household sewage treatment system" has the same meaning 114941
as in section 3718.01 of the Revised Code and includes a household 114942
sewage disposal system as defined in rule 3701-29-01 of the 114943
Administrative Code. 114944

(3) "Property owner" means a person who owns property that is 114945
served by a household sewage treatment system. 114946

(4) "Repair" has the same meaning as in rules adopted under 114947
Chapter 3718. of the Revised Code. 114948

(B) A person that intends to design and install a sewerage 114949
system under section 6112.03 of the Revised Code simultaneously 114950
shall notify by certified mail each property owner and the board 114951
of health of the health district in which the property owner's 114952
parcel of property is located of the person's intention to design 114953
and install a sewerage system if the owner or operator of the 114954
sewerage system has determined that the parcel of property is 114955
reasonably accessible to the sewerage system and the property 114956
owner may be required to connect to it. The notice shall be sent 114957
not later than two hundred seventy days before the person submits 114958
an application for a permit to install for the sewerage system in 114959
accordance with Chapter 6111. of the Revised Code and rules 114960

adopted under it. The notice shall include a statement indicating 114961
that if the property owner chooses to postpone connection to the 114962
sewerage system after receiving the notice, the cost of connecting 114963
to the sewerage system in the future may be higher. 114964

(C) Except as provided in division (E) of this section, a 114965
property owner who receives a notice under division (B) of this 114966
section may elect to postpone connection to the sewerage system 114967
specified in the notice for a period of not more than fifteen 114968
years from the date on which the property owner receives a notice 114969
from the owner or operator of the sewerage system that the 114970
sewerage system is substantially complete in accordance with 114971
division (G) of this section if both of the following apply: 114972

(1) The property owner notifies the owner or operator of the 114973
sewerage system and the board of health of the health district in 114974
which the affected parcel of property is located that the property 114975
owner elects to postpone connection to the specified sewerage 114976
system. The notice shall be in writing and shall be sent by 114977
certified mail not later than sixty days after the property owner 114978
has received a notice under division (B) of this section. Not 114979
later than one hundred eighty days after the board of health 114980
receives the notice, the board shall evaluate the household sewage 114981
treatment system serving the affected parcel of property to 114982
determine if the system operates and is maintained in accordance 114983
with Chapter 3718. of the Revised Code and with rules adopted 114984
under that chapter by the director of health and by the board, if 114985
any. The property owner is responsible for reasonable costs of the 114986
evaluation. 114987

If the property owner is aware that the property will be 114988
vacant at any time during the one-hundred-eighty-day period, the 114989
property owner shall notify the board of health of the dates 114990
during which the property will be vacant. In order for the 114991
required inspection to occur, the property owner shall ensure that 114992

the property is occupied for at least ninety consecutive days 114993
within the one-hundred-eighty-day period and shall notify the 114994
board of health of the dates of occupancy. Failure to so notify 114995
the board or so occupy the property constitutes termination of the 114996
authorization under this section for the property owner to elect 114997
to postpone connection to the sewerage system. 114998

(2) The applicable board of health determines under division 114999
(C)(1) of this section that the household sewage treatment system 115000
operates and is maintained in accordance with Chapter 3718. of the 115001
Revised Code and with rules adopted under that chapter by the 115002
director and by the board, if any. The board shall so notify the 115003
property owner and the owner or operator of the sewerage system. 115004
However, if the board determines that a nuisance exists under 115005
section 3718.011 of the Revised Code, the board shall so notify 115006
the property owner. If the board determines that repairs will 115007
eliminate the nuisance, the person may make those repairs to the 115008
system, but shall do so within sixty days after receiving the 115009
notice. The board shall extend the sixty-day period if weather 115010
conditions prevent the repair from being made. 115011

The property owner shall connect to the sewerage system if 115012
the board of health determines either that repairs will not 115013
eliminate the nuisance or that, after repairs have been made, the 115014
nuisance has not been eliminated. 115015

(D)(1) Division (C) of this section does not apply to a 115016
household sewage treatment system that is either a discharging 115017
system or within an area subject to final findings and orders 115018
issued by the director of environmental protection under Chapter 115019
6111. or 6117. of the Revised Code. The notification required by 115020
division (B) of this section shall be issued to an applicable 115021
property owner regardless of whether the property owner's system 115022
is a discharging system or inside such an area. 115023

(2) For purposes of this section, a discharging system is one 115024

of the following: 115025

(a) A household sewage treatment system for which coverage 115026
under an NPDES permit has been issued or granted under Chapter 115027
6111. of the Revised Code and rules adopted under it; 115028

(b) A household sewage treatment system for which coverage 115029
under an NPDES permit would be required, but that has not been 115030
issued or granted such a permit. 115031

(E) A property owner that has elected to postpone connection 115032
to a sewerage system in accordance with division (C) of this 115033
section shall ensure that the household sewage treatment system 115034
serving the property is maintained and operated in accordance with 115035
Chapter 3718. of the Revised Code and rules adopted under it for 115036
fifteen years from the date on which the property owner receives 115037
notice from the owner or operator of the sewerage system that the 115038
sewerage system is substantially complete in accordance with 115039
division (G) of this section. A property owner that elects to 115040
postpone connection to a sewerage system in accordance with 115041
division (B) of this section subsequently shall abandon the 115042
household sewage treatment system serving the property in 115043
accordance with rules adopted under Chapter 3718. of the Revised 115044
Code and connect to the sewerage system not later than fifteen 115045
years from the date on which the property owner receives notice 115046
that the sewerage system is substantially complete in accordance 115047
with division (G) of this section. However, if at any time during 115048
the fifteen-year period the system is not operating in accordance 115049
with Chapter 3718. of the Revised Code or rules adopted or orders 115050
issued under that chapter, the board of health shall notify the 115051
property owner. If the system cannot be brought into compliance 115052
with the chapter, rules, or orders through a repair made within 115053
sixty days after the property owner receives the notice, the 115054
property owner shall abandon the system and connect to the 115055
sewerage system. The board shall extend the sixty-day period if 115056

weather conditions prevent the repair from being made. 115057

If the property owner transfers ownership of the affected 115058
parcel of property during the fifteen-year period and the parcel 115059
of property has not yet been connected to the sewerage system, the 115060
transferor shall notify the transferee of the requirement to 115061
connect to the sewerage system and of the date by which connection 115062
must occur. The notice shall be a written affidavit. The county 115063
recorder shall index and record a copy of the affidavit in 115064
accordance with section 317.08 of the Revised Code and in the same 115065
manner and receive the same fees as for deeds. The transferee is 115066
subject to the connection requirement established in this 115067
division. 115068

A person that fails to comply with this division is subject 115069
to the same enforcement procedures and penalties as if the person 115070
violated Chapter 3718. of the Revised Code or rules adopted or 115071
orders issued under it. 115072

(F) If a connection tap to a sewerage system is installed at 115073
a parcel of property at the time of construction of the sewerage 115074
system, the property owner, regardless of whether the property 115075
owner has elected to postpone connection to the sewerage system 115076
under this section, shall pay the costs of the installation of the 115077
connection tap in accordance with one of the following: 115078

(1) Pay the total amount at the time of the installation of 115079
the connection tap; 115080

(2) Make incremental payments in accordance with a payment 115081
plan agreed to by the applicable political subdivision that has 115082
acquired or will acquire the sewerage system; 115083

(3) Pay the total amount at any time the parcel of property 115084
is required to connect to the sewerage system under this section. 115085

(G) When a sewerage system has been substantially completed, 115086
the owner or operator of the sewerage system shall send a notice 115087

of the substantial completion to all property owners who elect to 115088
postpone connection to the sewerage system under this section. 115089

Sec. 6117.021. At any time after the formation of a county 115090
sewer district, the board of county commissioners may enter into a 115091
contract, on terms and for the period of time that are mutually 115092
agreed on, with any other public agency under which the public 115093
agency will conduct projects and activities for the purpose of 115094
complying with the requirements of phase II of the storm water 115095
program of the national pollutant discharge elimination system 115096
established in 40 C.F.R. part 122. 115097

Sec. 6117.062. (A)(1) A board of county commissioners may 115098
apply to the Ohio public works commission created by section 115099
164.02 of the Revised Code for an advance of money from the sewer 115100
development advancement fund created by section 164.13 of the 115101
Revised Code in an amount equal to that portion of the costs of an 115102
improvement authorized under sections 6117.01 to 6117.45 of the 115103
Revised Code that is to be financed by assessments whose 115104
collection is deferred pursuant to division (B) of this section. 115105
The application for such an advance of moneys shall be made in the 115106
manner prescribed in policies and procedures established by the 115107
director of the commission. 115108

(2) As used in this section, "assessments" includes 115109
assessments attributable to tap-in charges under this section and 115110
other tap-in fees and any combination of such assessments, fees, 115111
and charges authorized under section 6117.02 or 6117.06 of the 115112
Revised Code. 115113

(B) At any time prior to the expiration of the five-day 115114
period provided by section 6117.06 of the Revised Code for the 115115
filing of written objections, any owner of property ~~which~~ that is 115116
classified on the general tax list of the county auditor as 115117

agricultural land and has been assessed for the extension of a 115118
trunk sewer line over or along such property under sections 115119
6117.01 to 6117.45 of the Revised Code may file with the board of 115120
county commissioners a request in writing for deferment of the 115121
collection of the assessment if the trunk sewer line provides 115122
sewer facilities to aid in the establishment of new industrial 115123
plants, the expansion of existing industrial plants, or such other 115124
industrial development, or provides sewer facilities to aid in the 115125
establishment of commercial and residential developments. ~~Such~~ 115126
~~request shall identify~~ The owner of property shall ensure the 115127
request does all of the following: 115128

(1) Identifies the property in connection with which the 115129
request for deferment is made, ~~shall describe its;~~ 115130

(2) Describes the property's present use and present 115131
classification on the general tax list of the county auditor, ~~shall state its;~~ 115132
115133

(3) States the property's estimated market value, showing 115134
separately the value of the land and the value of the buildings 115135
thereon, ~~shall state;~~ 115136

(4) States the reasons, if any, why a portion of the benefit 115137
of the improvement will not be realized until the use of the land 115138
is changed, ~~and shall state;~~ 115139

(5) States the amount to be deferred. ~~The~~ 115140

The board shall promptly consider such request and may order 115141
the deferment of the collection of that portion of the assessment 115142
representing a benefit from the improvement which will not be 115143
realized until the use of the land is changed. The board may, upon 115144
request of an owner whose property has been assessed for the 115145
extension of a trunk sewer line over or along such property under 115146
sections 6117.01 to 6117.45 of the Revised Code, defer all or any 115147
part of the assessment on property ~~which~~ that is classified on the 115148

general tax list as agricultural land, by attributing the amount 115149
of such assessment or part thereof as tap-in charges, if the trunk 115150
sewer line provides sewer facilities to aid in the establishment 115151
of new industrial plants, the expansion of existing industrial 115152
plants, or such other industrial development, or provides sewer 115153
facilities to aid in the establishment of commercial and 115154
residential developments. ~~Upon~~ A deferment under this section may 115155
be conditioned on the approval of the advance of money applied for 115156
under division (A) of this section, and a maximum length of the 115157
deferment may be fixed to coincide with the maximum time within 115158
which the advance must be repaid. The decision on the request for 115159
deferment of collection of assessments shall be made pursuant to 115160
standards prescribed in policies and procedures established by the 115161
director of the commission. 115162

Upon determination and approval of final assessments, the 115163
board of county commissioners shall certify all deferred 115164
assessments and a fee equal to two per cent of the amount of the 115165
deferred assessments to the county auditor. For purposes of this 115166
section, "assessment," "deferred assessment," or "assessment 115167
deferred under this section" mean the fee and the deferred 115168
assessment certified to the county auditor. The county auditor 115169
shall record an assessment deferred under this section in the 115170
sewer improvement record. Such record shall be kept until such 115171
time as the assessments are paid in full or certified for 115172
collection in installments as provided in this section. During the 115173
time when the assessment is deferred there shall be a lien on the 115174
property assessed, which lien shall arise at the time of 115175
recordation by the county auditor and which shall be in force 115176
until the assessments are paid in full or certified for collection 115177
in installments. 115178

~~(B)~~(C) The board of county commissioners shall defer the 115179
collection of an assessment, except the amount of such assessment 115180

or part thereof attributable as tap-in charges, ~~which~~ that has 115181
been deferred pursuant to division ~~(A)~~(B) of this section on or 115182
before January 1, 1987, beyond the expiration of the maximum time 115183
for the original deferment if the property owner requests in 115184
writing, no later than six months prior to the expiration of the 115185
original deferment, that the assessment be further deferred and as 115186
long as the property owner's land could qualify for placement in 115187
an agricultural district pursuant to section 929.02 of the Revised 115188
Code. 115189

The board shall regularly review the use and ownership of the 115190
property for which the collection of assessments has been deferred 115191
pursuant to this division, and upon finding that the land could no 115192
longer qualify for placement in an agricultural district pursuant 115193
to section 929.02 of the Revised Code, the board shall immediately 115194
collect, without interest unless payment is late as determined by 115195
the board, the full amount of the assessment deferred and repay 115196
the commission the amount of any money advanced by it in regard to 115197
the assessment. The board shall pay all such amounts to the 115198
commission in one annual payment or during a longer period as 115199
approved by the director of the commission. The board shall pay, 115200
from county funds, interest annually at a rate determined by the 115201
director of the commission at the time the advance is made, not to 115202
exceed four per cent per annum, for any money not repaid to the 115203
commission pursuant to this division within one year of the date 115204
of the disqualification of the property for the continual 115205
deferment that requires such repayment. 115206

~~(C)~~(D) The board of county commissioners shall send a notice 115207
by regular or certified mail to all owners of property on which 115208
assessments have been deferred pursuant to division ~~(A)~~(B) of this 115209
section, which lists the expiration of the deferment, not later 115210
than two hundred ten days prior to the expiration of the deferment 115211
of those assessments. 115212

~~(D)~~ (E) Except as provided in this division, the board 115213
shall collect assessments, without interest unless payment is late 115214
as determined by the board, which that have been deferred pursuant 115215
to division ~~(A)~~(B) of this section upon expiration of the maximum 115216
time for which deferments were made; ~~provided that for and repay~~ 115217
the commission the amount of any money advanced by it in regard to 115218
such assessments. For a property owner who requests in writing, no 115219
later than six months prior to the expiration of the deferment 115220
period, that payment of the deferred assessments be in 115221
installments, the board of county commissioners upon expiration of 115222
the deferment period may by resolution further certify for 115223
collection pursuant to section 6117.33 of the Revised Code, such 115224
deferred assessments in installments over not more than twenty 115225
years, as determined by the board, together with interest thereon 115226
each year on the unpaid balance at the same rate borne by bonds of 115227
the county ~~which that~~ shall be issued in anticipation thereof as 115228
provided in Chapter 133. of the Revised Code, and the proceeds of 115229
the bond issue used to repay such deferred assessments to the 115230
commission. Prior to the expiration of the maximum time of 115231
deferment, the board shall regularly review the use of the 115232
property for which the collection of assessments has been deferred 115233
and upon finding, pursuant to policies and procedures established 115234
by the director of the commission, that the use of the land has 115235
changed from the use at the time of the deferment so that the 115236
benefit of the improvement can then be realized, the board shall 115237
immediately collect the full amount of the assessment for the 115238
portion of the property for which the use has so changed, without 115239
interest unless payment is late as determined by the board, and 115240
repay the commission the amount of any money advanced by it in 115241
regard to the assessment. The board shall pay all such amounts to 115242
the commission in one annual payment or during a longer period as 115243
approved by the commission. The board shall pay, from county 115244
funds, interest annually at a rate determined by the director of 115245

the commission at the time the advance is made, not to exceed four 115246
per cent per annum, for any money not repaid to the commission 115247
pursuant to this division within one year of the date of the 115248
change in the use of property requiring such repayment, or of the 115249
date on which payment of a tap-in charge is required by law to be 115250
made, whichever date is applicable. 115251

Sec. 6117.51. If the board of health of the health district 115252
within which a new public sewer construction project is proposed 115253
or located passes a resolution stating that the reason for the 115254
project is to reduce or eliminate an existing health problem or a 115255
hazard of water pollution, the board of county commissioners of 115256
the county, by resolution, may order the owner of any premises 115257
located in a sewer district in the county, the owner's agent, 115258
lessee, or tenant, or any other occupant of the premises to 115259
connect the premises to the sewer for the purpose of discharging 115260
sewage or other waste that the board determines is originating on 115261
the premises, to make use of the connection, and to cease the 115262
discharge of the sewage or other waste into a cesspool, ditch, 115263
private sewer, privy, septic tank, semipublic disposal system as 115264
defined in division (B)(1)(a) of section 3709.085 of the Revised 115265
Code, or other outlet if the board finds that the sewer is 115266
available for use and is accessible to the premises following a 115267
determination and certification to the board by a registered 115268
professional engineer designated by it as to the availability and 115269
accessibility of the sewer. This section does not apply to any of 115270
the following: 115271

(A) Any discharge authorized by a permit issued under 115272
division (J) of section 6111.03 of the Revised Code other than a 115273

division (B)(1)(a) of section 3709.085 of the Revised Code; 115275

(B) Wastes resulting from the keeping of animals; 115276

(C) Any premises that are not served by a common sewage collection system when the foundation wall of the structure from which sewage or other waste originates is more than two hundred feet from the nearest boundary of the right-of-way within which the sewer is located;

(D) Any premises that are served by a common sewage collection system when both the foundation wall of the structure from which the sewage or other waste originates and the common sewage collection system are more than two hundred feet from the nearest boundary of the right-of-way within which the public sewer is located;

(E) Any dwelling house located on property that is listed on the county's agricultural land tax list as being valued for tax purposes as land devoted exclusively to agricultural use under section 5713.31 of the Revised Code, when the foundation wall of the dwelling house is two hundred feet or less from the nearest boundary of the right-of-way within which the sewer is located, if both of the following also apply:

(1) The sewer right-of-way for the property on which the dwelling house is located was obtained by appropriation due to a public exigency pursuant to division (B) of section 307.08, 6101.181, 6115.211, 6117.39, or 6119.11 of the Revised Code.

(2) The local health department has certified that the household sewage disposal system is functioning properly.

The board shall not direct an order under this section to a resident tenant unless it determines that the terms of the tenancy are such that the owner lacks sufficient rights of access to permit the owner to comply with the terms of the order.

~~An~~ Except as provided in section 6117.52 of the Revised Code, an owner, agent, lessee, tenant, or occupant shall comply with the order of the board within ninety days after the completion of

service of the order upon that person as provided in this section. 115308
The board, upon written application filed prior to the expiration 115309
of the ninety-day period, may waive compliance with any order 115310
either temporarily or permanently and conditionally or 115311
unconditionally. 115312

The order shall include a statement indicating that if after 115313
receiving the order a person chooses to postpone connection to the 115314
public sewer in accordance with section 6117.52 of the Revised 115315
Code, the cost of connecting to the public sewer in the future may 115316
be higher. 115317

In its resolution, the board shall direct its clerk, or the 115318
clerk's designee, to serve its order upon the owner, agent, 115319
lessee, tenant, or occupant. Service of the order shall be made 115320
personally, by leaving the order at the usual place of residence 115321
with a person of suitable age and discretion then residing 115322
therein, or by certified mail addressed to the owner, agent, 115323
lessee, tenant, or occupant at that person's last known address or 115324
to the address to which tax bills are sent. If it appears by the 115325
return of service or the return of the order forwarded by 115326
certified mail that the owner, agent, lessee, tenant, or occupant 115327
cannot be found, that person shall be served by publication of the 115328
order once in a newspaper of general circulation within the 115329
county, or if that person refuses service, that person shall be 115330
served by ordinary mail addressed to that person's last known 115331
address or to the address to which tax bills are sent. The return 115332
of the person serving the order or a certified copy of the return, 115333
or a returned receipt for the order forwarded by certified mail 115334
accepted by the addressee or anyone purporting to act for the 115335
addressee, is prima-facie evidence of the service of the order 115336
under this section. The return of the person attempting to serve 115337
the order, or the return to the sender of the order forwarded by 115338
certified mail with an indication on the return of the refusal of 115339

the addressee to accept delivery, is prima-facie evidence of the 115340
refusal of service. 115341

No owner, agent, lessee, tenant, or occupant shall violate an 115342
order issued under this section. Upon request of the board, the 115343
prosecuting attorney shall prosecute in a court of competent 115344
jurisdiction any owner, agent, lessee, tenant, or occupant who 115345
violates an order issued under this section. Each day that a 115346
violation continues after conviction for the violation of an order 115347
issued under this section and the final determination thereof is a 115348
separate offense. The court, for good cause shown, may grant a 115349
reasonable additional period of time for compliance after 115350
conviction. 115351

Any owner, agent, lessee, tenant, or occupant violating an 115352
order issued under this section also may be enjoined from 115353
continuing in violation. Upon request of the board, the 115354
prosecuting attorney shall bring an action in a court of competent 115355
jurisdiction for an injunction against the owner, agent, lessee, 115356
tenant, or occupant violating an order. 115357

The Ohio water development authority created under section 115358
6121.02 of the Revised Code, in addition to its other powers, has 115359
the same power and shall be governed by the same procedures in a 115360
waste water facilities service area, or in any area adjacent to a 115361
public sewer operated by the authority, as a board of county 115362
commissioners in a county sewer district under this section, 115363
except that the authority shall act by order, and the attorney 115364
general, upon request of the authority, shall prosecute any person 115365
who violates an order of the authority issued under this section. 115366

Sec. 6117.52. (A) As used in this section: 115367

(1) "Household sewage treatment system" has the same meaning 115368
as in section 3718.01 of the Revised Code and includes a household 115369
sewage disposal system as defined in rule 3701-29-01 of the 115370

Administrative Code. 115371

(2) "Property owner" means a person who owns property that is served by a household sewage treatment system. 115372
115373

(3) "Repair" has the same meaning as in rules adopted under Chapter 3718. of the Revised Code. 115374
115375

(B) Except as provided in division (D) of this section, a property owner who receives an order issued under section 6117.51 of the Revised Code may elect to postpone connection to the public sewer specified in the order for a period of not more than fifteen years from the date on which the property owner receives a notice from the board of county commissioners that the public sewer is substantially complete in accordance with division (F) of this section if both of the following apply: 115376
115377
115378
115379
115380
115381
115382
115383

(1) The property owner notifies the board of county commissioners and the board of health of the health district in which the property owner's parcel of property is located that the property owner elects to postpone connection to the specified public sewer. The notice shall be in writing and shall be sent by certified mail not later than sixty days after the property owner has received an order issued under section 6117.51 of the Revised Code. Not later than one hundred eighty days after the board of health receives the notice, the board shall evaluate the household sewage treatment system serving the affected parcel of property to determine if the system operates and is maintained in accordance with Chapter 3718. of the Revised Code and with rules adopted under that chapter by the director of health and by the board, if any. The property owner is responsible for reasonable costs of the evaluation. 115384

115387
115388
115389
115390
115391
115392
115393
115394
115395
115396
115397
115398

If the property owner is aware that the property will be vacant at any time during the one-hundred-eighty-day period, the property owner shall notify the board of health of the dates 115399
115400
115401

during which the property will be vacant. In order for the 115402
required inspection to occur, the property owner shall ensure that 115403
the property is occupied for at least ninety consecutive days 115404
within the one-hundred-eighty-day period and shall notify the 115405
board of health of the dates of occupancy. Failure to so notify 115406
the board or so occupy the property constitutes termination of the 115407
authorization under this section for the property owner to elect 115408
to postpone connection to the public sewer. 115409

(2) The applicable board of health determines under division 115410
(B)(1) of this section that the household sewage treatment system 115411
operates and is maintained in accordance with Chapter 3718. of the 115412
Revised Code and with rules adopted under that chapter by the 115413
director and by the board, if any. The board shall so notify the 115414
property owner and the board of county commissioners. However, if 115415
the board of health determines that a nuisance exists under 115416
section 3718.011 of the Revised Code, the board shall so notify 115417
the property owner. If the board determines that repairs will 115418
eliminate the nuisance, the property owner may make those repairs 115419
to the system, but shall do so within sixty days after receiving 115420
the notice. The board shall extend the sixty-day period if weather 115421
conditions prevent the repair from being made. 115422

The property owner shall connect to the public sewer if the 115423
board of health determines either that repairs will not eliminate 115424
the nuisance or that, after repairs have been made, the nuisance 115425
has not been eliminated. 115426

(C)(1) Division (B) of this section does not apply to a 115427
household sewage treatment system that is either a discharging 115428
system or within an area subject to final findings and orders 115429
issued by the director of environmental protection under this 115430
chapter or Chapter 6111. of the Revised Code. 115431

(2) For purposes of this section, a discharging system is one 115432
of the following: 115433

(a) A household sewage treatment system for which coverage under an NPDES permit has been issued or granted under Chapter 6111. of the Revised Code and rules adopted under it; 115434
115435
115436

(b) A household sewage treatment system for which coverage under an NPDES permit would be required, but that has not been issued or granted such a permit. 115437
115438
115439

(D) A property owner that has elected to postpone connection to a public sewer in accordance with division (B) of this section shall ensure that the household sewage treatment system serving the property is maintained and operated in accordance with Chapter 3718. of the Revised Code and rules adopted under it for fifteen years from the date on which the property owner receives notice from the board of county commissioners that the public sewer is substantially complete in accordance with division (F) of this section. A property owner that elects to postpone connection to a public sewer in accordance with division (B) of this section subsequently shall abandon the household sewage treatment system serving the property in accordance with rules adopted under Chapter 3718. of the Revised Code and connect to the public sewer not later than fifteen years from the date on which the property owner receives notice that the public sewer is substantially complete in accordance with division (F) of this section. However, if at any time during the fifteen-year period the system is not operating in accordance with Chapter 3718. of the Revised Code or rules adopted or orders issued under that chapter, the board of health shall so notify the property owner. If the system cannot be brought into compliance with the chapter, rules, or orders through a repair made within sixty days after the property owner receives the notice, the property owner shall abandon the system and connect to the public sewer. The board shall extend the sixty-day period if weather conditions prevent the repair from being made. 115440

115459
115460
115461
115462
115463
115464

If the property owner transfers ownership of the affected 115465

parcel of property during the fifteen-year period and the parcel 115466
of property has not yet been connected to the public sewer, the 115467
transferor shall notify the transferee of the requirement to 115468
connect to the public sewer and of the date by which connection 115469
must occur. The notice shall be a written affidavit. The county 115470
recorder shall index and record a copy of the affidavit in 115471
accordance with section 317.08 of the Revised Code and in the same 115472
manner and receive the same fees as for deeds. The transferee is 115473
subject to the connection requirement established in this 115474
division. 115475

A person that fails to comply with this division is subject 115476
to the same enforcement procedures and penalties as if the person 115477
violated Chapter 3718. of the Revised Code or rules adopted or 115478
orders issued under it. 115479

(E) If a connection tap to a public sewer is installed at a 115480
parcel of property at the time of construction of the public 115481
sewer, the property owner, regardless of whether the owner has 115482
elected to postpone connection to the public sewer under this 115483
section, shall pay the costs of the installation of the connection 115484
tap in accordance with one of the following: 115485

(1) Pay the total amount at the time of the installation of 115486
the connection tap; 115487

(2) Make incremental payments in accordance with a payment 115488
plan agreed to by the board of county commissioners; 115489

(3) Pay the total amount at any time the parcel of property 115490
is required to connect to the public sewer under this section. 115491

(F) When a public sewer has been substantially completed, the 115492
applicable board of county commissioners shall send a notice of 115493
the substantial completion to all property owners who elect to 115494
postpone connection to the public sewer under this section. 115495

Sec. 6117.521. (A)(1) A board of county commissioners may 115496
apply to the Ohio public works commission created by section 115497
164.02 of the Revised Code for an advance of money from the sewer 115498
development advancement fund created by section 164.13 of the 115499
Revised Code in an amount equal to that portion of the costs of an 115500
improvement authorized under this chapter that is to be financed 115501
by assessments whose collection is deferred because an owner of a 115502
parcel of property has elected to postpone connection to a public 115503
sewer and is authorized to do so in accordance with section 115504
6117.52 of the Revised Code. The application for such an advance 115505
of money shall be made in the manner prescribed in policies and 115506
procedures established by the director of the commission. 115507

(2) As used in this section, "assessments" includes 115508
assessments attributable to tap-in charges under section 6117.062 115509
of the Revised Code and other tap-in charges or fees and any 115510
combination of such assessments, fees, and charges authorized 115511
under section 6117.06 of the Revised Code. 115512

(B) The county auditor shall record an assessment deferred as 115513
described in division (A) of this section in the sewer improvement 115514
record. The record shall be kept until such time as the 115515
assessments are paid in full. During the time when an assessment 115516
is deferred, there shall be a lien on the property assessed, which 115517
shall arise at the time of recording by the county auditor and 115518
shall be in force until the assessments are paid in full. 115519

(C) The board of county commissioners regularly shall review 115520
whether property for which the collection of assessments has been 115521
deferred as described in division (A) of this section is connected 115522
to a public sewer. Upon finding that the owner of a parcel of 115523
property is required to connect to a public sewer for any reason, 115524
the board immediately shall collect, without interest unless 115525
payment is late as determined by the board, the full amount of the 115526

deferred assessment. The board shall repay the amount of any money 115527
advanced by the commission in the full amount within thirty years 115528
of the date of the advance in one lump sum. No interest shall 115529
accrue for the first fifteen years after the date of the advance. 115530
Beginning on the first day of the sixteenth year after the date of 115531
the advance, interest shall be assessed on the amount not repaid 115532
to the commission at an interest rate determined by the director 115533
of the commission at the time the advance is made, not to exceed 115534
four per cent per annum. 115535

(D) Unless an owner of a parcel of property is required to 115536
connect to a public sewer because either the applicable board of 115537
health determines that a nuisance exists under section 3718.011 of 115538
the Revised Code or the owner voluntarily elects to connect to the 115539
public sewer before the end of the fifteen-year period established 115540
in division (D) of section 6117.52 of the Revised Code, the board 115541
of county commissioners, not later than two hundred ten days prior 115542
to the expiration of the deferment of assessments on that 115543
property, shall send a notice by regular or certified mail to the 115544
owner of the property that specifies the expiration date of the 115545
deferment. 115546

Sec. 6117.522. A public entity with authority to levy special 115547
assessments, tap-in charges or fees, or a combination thereof on 115548
real property shall not collect an assessment, tap-in charge or 115549
fee, or combination thereof for purposes of sewer service on real 115550
property concerning which the owner of the property has elected to 115551
postpone connection to a public sewer in accordance with section 115552
6117.52 of the Revised Code until the property owner is required 115553
to connect to the public sewer under that section. 115554

115555

Sec. 6119.60. (A) As used in this section: 115556

(1) "Health district" means a city or general health district as created by or under authority of Chapter 3709. of the Revised Code. 115557
115558
115559

(2) "Household sewage treatment system" has the same meaning as in section 3718.01 of the Revised Code and includes a household sewage disposal system as defined in rule 3701-29-01 of the Administrative Code. 115560
115561
115562
115563

(3) "Property owner" means a person who owns property that is served by a household sewage treatment system. 115564
115565

(4) "Repair" has the same meaning as in rules adopted under Chapter 3718. of the Revised Code. 115566
115567

(B) The board of trustees of a regional water and sewer district that orders the preparation of design plans for a sewerage system under this chapter simultaneously shall notify by certified mail each property owner and the board of health of the health district in which the property owner's parcel of property is located of the intention of the board of trustees to install the sewerage system if the board of trustees has determined that the parcel of property is reasonably accessible to the sewerage system and the property owner may be required to connect to it. The notice shall include a statement indicating that if the property owner chooses to postpone connection to the sewerage system after receiving the notice, the cost of connecting to the sewerage system in the future may be higher. 115568
115569
115570
115571
115572
115573
115574
115575
115576
115577
115578
115579
115580

(C) Except as provided in division (E) of this section, a property owner who receives a notice under division (B) of this section may elect to postpone connection to the sewerage system specified in the notice for a period of not more than fifteen years from the date on which the property owner receives a notice from the board of trustees of the regional water and sewer district that the sewerage system is substantially complete in 115581
115582
115583
115584
115585
115586
115587

accordance with division (G) of this section if both of the 115588
following apply: 115589

(1) The property owner notifies the board of trustees of the 115590
regional water and sewer district and the board of health of the 115591
health district in which the affected parcel of property is 115592
located that the property owner elects to postpone connection to 115593
the specified sewerage system. The notice shall be in writing and 115594
shall be sent by certified mail not later than sixty days after 115595
the property owner has received a notice under division (B) of 115596
this section. Not later than one hundred eighty days after the 115597
board of health receives the notice, the board shall evaluate the 115598
household sewage treatment system serving the affected parcel of 115599
property to determine if the system operates and is maintained in 115600
accordance with Chapter 3718. of the Revised Code and with rules 115601
adopted under that chapter by the director of health and by the 115602
board, if any. The property owner is responsible for reasonable 115603
costs of the evaluation. 115604

If the property owner is aware that the property will be 115605
vacant at any time during the one-hundred-eighty-day period, the 115606
property owner shall notify the board of health of the dates 115607
during which the property will be vacant. In order for the 115608
required inspection to occur, the property owner shall ensure that 115609
the property is occupied for at least ninety consecutive days 115610
within the one-hundred-eighty-day period and shall notify the 115611
board of health of the dates of occupancy. Failure to so notify 115612
the board or so occupy the property constitutes termination of the 115613
authorization under this section for the property owner to elect 115614
to postpone connection to the sewerage system. 115615

(2) The applicable board of health determines under division 115616
(C)(1) of this section that the household sewage treatment system 115617
operates and is maintained in accordance with Chapter 3718. of the 115618
Revised Code and with rules adopted under that chapter by the 115619

director and by the board, if any. The board shall so notify the 115620
property owner and the board of trustees of the regional water and 115621
sewer district. However, if the board of health determines that a 115622
nuisance exists under section 3718.011 of the Revised Code, the 115623
board shall so notify the property owner. If the board determines 115624
that repairs will eliminate the nuisance, the person may make 115625
those repairs to the system, but shall do so within sixty days 115626
after receiving the notice. The board shall extend the sixty-day 115627
period if weather conditions prevent the repair from being made. 115628

The property owner shall connect to the sewerage system if 115629
the board of health determines either that repairs will not 115630
eliminate the nuisance or that, after repairs have been made, the 115631
nuisance has not been eliminated. 115632

(D)(1) Division (C) of this section does not apply to a 115633
household sewage treatment system that is either a discharging 115634
system or within an area subject to final findings and orders 115635
issued by the director of environmental protection under Chapter 115636
6111. or 6117. of the Revised Code. The notification required by 115637
division (B) of this section shall be issued to an applicable 115638
property owner regardless of whether the property owner's system 115639
is a discharging system or inside such an area. 115640

(2) For purposes of this section, a discharging system is one 115641
of the following: 115642

(a) A household sewage treatment system for which coverage 115643
under an NPDES permit has been issued or granted under Chapter 115644
6111. of the Revised Code and rules adopted under it; 115645

(b) A household sewage treatment system for which coverage 115646
under an NPDES permit would be required, but that has not been 115647
issued or granted such a permit. 115648

(E) A property owner that has elected to postpone connection 115649
to a sewerage system in accordance with division (C) of this 115650

section shall ensure that the household sewage treatment system 115651
serving the property is maintained and operated in accordance with 115652
Chapter 3718. of the Revised Code and rules adopted under it for 115653
fifteen years from the date on which the property owner receives 115654
notice from the board of trustees of the regional water and sewer 115655
district that the sewerage system is substantially complete in 115656
accordance with division (G) of this section. A property owner 115657
that elects to postpone connection to a sewerage system in 115658
accordance with division (C) of this section subsequently shall 115659
abandon the household sewage treatment system serving the property 115660
in accordance with rules adopted under Chapter 3718. of the 115661
Revised Code and connect to the sewerage system not later than 115662
fifteen years from the date on which the property owner receives 115663
notice that the sewerage system is substantially complete in 115664
accordance with division (G) of this section. However, if at any 115665
time during the fifteen-year period the system is not operating in 115666
accordance with Chapter 3718. of the Revised Code or rules adopted 115667
or orders issued under that chapter, the board of health shall so 115668
notify the property owner. If the system cannot be brought into 115669
compliance with the chapter, rules, or orders through a repair 115670
made within sixty days after the property owner receives the 115671
notice, the property owner shall abandon the system and connect to 115672
the sewerage system. The board shall extend the sixty-day period 115673
if weather conditions prevent the repair from being made. 115674

If the property owner transfers ownership of the affected 115675
parcel of property during the fifteen-year period and the parcel 115676
of property has not yet been connected to the sewerage system, the 115677
transferor shall notify the transferee of the requirement to 115678
connect to the sewerage system and of the date by which connection 115679
must occur. The notice shall be a written affidavit. The county 115680
recorder shall index and record a copy of the affidavit in 115681
accordance with section 317.08 of the Revised Code and in the same 115682
manner and receive the same fees as for deeds. The transferee is 115683

subject to the connection requirement established in this 115684
division. 115685

A person that fails to comply with this division is subject 115686
to the same enforcement procedures and penalties as if the person 115687
violated Chapter 3718. of the Revised Code or rules adopted or 115688
orders issued under it. 115689

(F) If a connection tap to a sewerage system is installed at 115690
a parcel of property at the time of construction of the sewerage 115691
system, the property owner, regardless of whether the owner has 115692
elected to postpone connection to the sewerage system under this 115693
section, shall pay the costs of the installation of the connection 115694
tap in accordance with one of the following: 115695

(1) Pay the total amount at the time of the installation of 115696
the connection tap; 115697

(2) Make incremental payments in accordance with a payment 115698
plan agreed to by the board of trustees of the regional water and 115699
sewer district; 115700

(3) Pay the total amount at any time the parcel of property 115701
is required to connect to the sewerage system under this section. 115702

(G) When a sewerage system has been substantially completed, 115703
the board of trustees of the applicable regional water and sewer 115704
district shall send a notice of the substantial completion to all 115705
property owners who elect to postpone connection to the sewerage 115706
system under this section. 115707

Sec. 6119.601. (A)(1) The board of trustees of a regional 115708
water and sewer district may apply to the Ohio public works 115709
commission created by section 164.02 of the Revised Code for an 115710
advance of money from the sewer development advancement fund 115711
created by section 164.13 of the Revised Code in an amount equal 115712
to that portion of the costs of an improvement authorized under 115713

this chapter that is to be financed by assessments whose 115714
collection is deferred because an owner of a parcel of property 115715
has elected to postpone connection to a sewerage system and is 115716
authorized to do so in accordance with section 6119.60 of the 115717
Revised Code. The application for such an advance of money shall 115718
be made in the manner prescribed in policies and procedures 115719
established by the director of the commission. 115720

(2) As used in this section, "assessments" includes rentals 115721
or other charges and any combination of such rentals or charges 115722
authorized under section 6119.06 or 6119.09 of the Revised Code. 115723

(B) The county auditor shall record an assessment deferred as 115724
described in division (A) of this section in the sewer improvement 115725
record. The record shall be kept until such time as the 115726
assessments are paid in full. During the time when an assessment 115727
is deferred, there shall be a lien on the property assessed, which 115728
shall arise at the time of recording by the county auditor and 115729
shall be in force until the assessments are paid in full. 115730

(C) The board of trustees of a regional water and sewer 115731
district regularly shall review whether property for which the 115732
collection of assessments has been deferred as described in 115733
division (A) of this section is connected to a sewerage system. 115734
Upon finding that the owner of a parcel of property is required to 115735
connect to a sewerage system for any reason, the board immediately 115736
shall collect, without interest unless payment is late as 115737
determined by the board, the full amount of the deferred 115738
assessment. The board shall repay the amount of any money advanced 115739
by the commission in the full amount within thirty years of the 115740
date of the advance in one lump sum. No interest shall accrue for 115741
the first fifteen years after the date of the advance. Beginning 115742
on the first day of the sixteenth year after the date of the 115743
advance, interest shall be assessed on the amount not repaid to 115744

the commission at an interest rate determined by the director of 115745
the commission at the time the advance is made, not to exceed four 115746
per cent per annum. 115747

(D) Unless an owner of a parcel of property is required to 115748
connect to a sewerage system because either the applicable board 115749
of health determines that a nuisance exists under section 3718.011 115750
of the Revised Code or the owner voluntarily elects to connect to 115751
the sewerage system before the end of the fifteen-year period 115752
established in division (E) of section 6119.60 of the Revised 115753
Code, the board of trustees of a regional water and sewer 115754
district, not later than two hundred ten days prior to the 115755
expiration of the deferment of assessments on that property, shall 115756
send a notice by regular or certified mail to the owner of the 115757
property that specifies the expiration date of the deferment. 115758

Sec. 6119.602. A public entity with authority to levy special 115759
assessments, rentals, charges, or a combination thereof on real 115760
property shall not collect an assessment, rental, charge, or 115761
combination thereof for purposes of sewer service on real property 115762
concerning which the owner of the property has elected to postpone 115763
connection to a sewerage system in accordance with section 6119.60 115764
of the Revised Code until the property owner is required to 115765
connect to the sewerage system under that section. 115766

Sec. 6131.23. The assessments estimated in accordance with 115767
section 6131.14 of the Revised Code shall be payable in not less 115768
than two semiannual installments. At the time of the final 115769
hearing, in the order approving the levying of the assessments, 115770
the board of county commissioners shall determine how long a 115771
period of time, in semiannual installments, as taxes are paid, 115772
shall be given the owners of land benefited to pay the assessments 115773
that are made for an improvement and whether or not bonds or notes 115774
shall be issued and sold in anticipation of such payments. If 115775

bonds or notes are to be issued, the interest shall be added to 115776
the assessments. If the estimated cost of the improvement does not 115777
exceed five hundred dollars, not more than two semiannual 115778
installments, as taxes are paid, shall be given to owners of lands 115779
benefited to pay the assessments that are made for the 115780
improvement. If the estimated cost of the improvement exceeds five 115781
hundred dollars, the board may determine the number of 115782
installments in which the assessments are to be paid. If any such 115783
assessment is twenty-five dollars or less, or whenever the unpaid 115784
balance of any such assessment is twenty-five dollars or less, the 115785
same shall be paid in full, and not in installments, at the time 115786
the first or next installment would otherwise become due. 115787

When assessments are payable in installments and county 115788
general funds are used to pay for the improvement, the assessment 115789
shall not exceed thirty semiannual installments, as computed by 115790
the county auditor pursuant to section 6131.49 of the Revised 115791
Code, and shall be payable upon completion of the contract. 115792

When assessments are made payable in installments and bonds 115793
or notes have been sold to pay for the improvement, interest shall 115794
be added to the installments of assessments at the same rate as is 115795
drawn by the bonds or notes issued to pay for the improvements. 115796
Any owner may pay the estimated assessments on the owner's land in 115797
cash within thirty days after the final hearing without paying any 115798
interest thereon. If the legislative authority of a political 115799
subdivision chooses to pay the assessments on all parcels within 115800
the subdivision, both public and private, in one installment, it 115801
shall pass a resolution so stating and shall send the resolution, 115802
or a copy thereof, to the board of county commissioners before 115803
making the payment. The legislative authority shall pay all 115804
subsequent maintenance assessments levied under section 6137.03 of 115805
the Revised Code if it chooses to pay the construction assessments 115806
on all parcels within the subdivision. 115807

Bonds may be sold for any repayment period that the board of county commissioners may determine proper, not to exceed thirty semiannual installments, except that for bonds sold by a board of county commissioners for soil and water conservation district improvements pursuant to section ~~1515.24~~ 940.33 of the Revised Code, the repayment period shall not exceed thirty semiannual installments.

Sec. 6301.16. (A) Beginning January 1, 2016, each participant in an adult training or education program funded under the "Workforce Innovation and Opportunity Act," 29 U.S.C. 3101, shall create an account with OhioMeansJobs at the time of enrollment in the program.

(B) Division (A) of this section does not apply to any individual who is legally prohibited from using a computer, has a physical or visual impairment that makes the individual unable to use a computer, or has a limited ability to read, write, speak, or understand a language in which OhioMeansJobs is available.

FIRE DEPARTMENT GRANTS

Of the foregoing appropriation item 800639, Fire Department Grants, up to \$5,200,000 in fiscal year 2016 and \$5,200,000 in fiscal year 2017 shall be used to make annual grants to the following eligible recipients: volunteer fire departments, fire departments that serve one or more small municipalities or small townships, joint fire districts comprised of fire departments that primarily serve small municipalities or small townships, local units of government responsible for such fire departments, and local units of government responsible for the provision of fire protection services for small municipalities or small townships. For the purposes of these grants, a private fire company, as that phrase is defined in section 9.60 of the Revised Code, that is providing fire protection services under a contract to a political subdivision of the state, is an additional eligible recipient for a training grant.

Eligible recipients that consist of small municipalities or small townships that all intend to contract with the same fire department or private fire company for fire protection services may jointly apply and be considered for a grant. If a joint applicant is awarded a grant, the State Fire Marshal shall, if

feasible, proportionately award the grant and any equipment 118413
purchased with grant funds to each of the joint applicants based 118414
upon each applicant's contribution to and demonstrated need for 118415
fire protection services. 118416

If the grant awarded to joint applicants is an equipment 118417
grant and the equipment to be purchased cannot be readily 118418
distributed or possessed by multiple recipients, each of the joint 118419
applicants shall be awarded by the State Fire Marshal an ownership 118420
interest in the equipment so purchased in proportion to each 118421
applicant's contribution to and demonstrated need for fire 118422
protection services. The joint applicants shall then mutually 118423
agree on how the equipment is to be maintained, operated, stored, 118424
or disposed of. If, for any reason, the joint applicants cannot 118425
agree as to how jointly owned equipment is to be maintained, 118426
operated, stored, or disposed of or any of the joint applicants no 118427
longer maintain a contract with the same fire protection service 118428
provider as the other applicants, then the joint applicants shall, 118429
with the assistance of the State Fire Marshal, mutually agree as 118430
to how the jointly owned equipment is to be maintained, operated, 118431
stored, disposed of, or owned. If the joint applicants cannot 118432
agree how the grant equipment is to be maintained, operated, 118433
stored, disposed of, or owned, the State Fire Marshal may, in its 118434
discretion, require all of the equipment acquired by the joint 118435
applicants with grant funds to be returned to the State Fire 118436
Marshal. The State Fire Marshal may then award the returned 118437
equipment to any eligible recipients. For this paragraph only, an 118438
"equipment grant" also includes a MARCS Grant. 118439

Except as otherwise provided in this section, the grants 118440
shall be used by recipients to purchase firefighting or rescue 118441
equipment or gear or similar items, to provide full or partial 118442
reimbursement for the documented costs of firefighter training, 118443
or, at the discretion of the State Fire Marshal, to cover fire 118444

department costs for providing fire protection services in that 118445
grant recipient's jurisdiction. 118446

Of the foregoing appropriation item 800639, Fire Department 118447
Grants, up to \$500,000 per fiscal year may be used to pay for the 118448
State Fire Marshal's costs of providing firefighter I 118449
certification classes or other firefighter classes approved by the 118450
Department of Public Safety in accordance with section 4765.55 of 118451
the Revised Code at no cost to selected students attending the 118452
Ohio Fire Academy or other class providers approved by the State 118453
Fire Marshal. The State Fire Marshal may establish the 118454
qualifications and selection processes for students to attend such 118455
classes by written policy, and such students shall be considered 118456
eligible recipients of fire department grants for the purposes of 118457
this portion of the grant program. 118458

For purposes of this section, a MARCS Grant is a grant for 118459
systems, equipment, or services that are a part of, integrated 118460
into, or otherwise interoperable with the Multi-Agency Radio 118461
Communication System (MARCS) operated by the state. 118462

Of the foregoing appropriation item 800639, Fire Department 118463
Grants, up to \$3,000,000 in each fiscal year may be used for MARCS 118464
Grants. MARCS Grants may be used for the payment of user access 118465
fees by the eligible recipient to access MARCS. 118466

MARCS Grant awards may be up to \$50,000 in each fiscal year 118467
per eligible recipient. Each eligible recipient may only apply, as 118468
a separate entity or as a part of a joint application, for one 118469
MARCS Grant per fiscal year. The State Fire Marshal may give a 118470
preference in the awarding of MARCS Grants to grants that will 118471
enhance the overall interoperability and effectiveness of 118472
emergency communication networks in the geographic region that 118473
includes and that is adjacent to the applicant. Eligible 118474
recipients that are or were awarded fire department grants that 118475
are not MARCS Grants may also apply for and receive MARCS Grants 118476

in accordance with criteria for the awarding of grant funds 118477
established by the State Fire Marshal. 118478

Grant awards for firefighting or rescue equipment or gear or 118479
for fire department costs of providing fire protection services 118480
shall be up to \$15,000 per fiscal year, or up to \$25,000 per 118481
fiscal year if an eligible entity serves a jurisdiction in which 118482
the Governor declared a natural disaster during the preceding or 118483
current fiscal year in which the grant was awarded. In addition to 118484
any grant funds awarded for rescue equipment or gear, or for fire 118485
department costs associated with the provision of fire protection 118486
services, an eligible entity may receive a grant for up to \$15,000 118487
per fiscal year for full or partial reimbursement of the 118488
documented costs of firefighter training. For each fiscal year, 118489
the State Fire Marshal shall determine the total amounts to be 118490
allocated for each eligible purpose. 118491

The grant program shall be administered by the State Fire 118492
Marshal in accordance with rules the State Fire Marshal adopts as 118493
part of the state fire code adopted pursuant to section 3737.82 of 118494
the Revised Code that are necessary for the administration and 118495
operation of the grant program. The rules may further define the 118496
entities eligible to receive grants and establish criteria for the 118497
awarding and expenditure of grant funds, including methods the 118498
State Fire Marshal may use to verify the proper use of grant funds 118499
or to obtain reimbursement for or the return of equipment for 118500
improperly used grant funds. To the extent consistent with this 118501
section and until such time as the rules are updated, the existing 118502
rules in the state fire code adopted pursuant to section 3737.82 118503
of the Revised Code for fire department grants under this section 118504
apply to MARCS Grants. Any amounts in appropriation item 800639, 118505
Fire Department Grants, in excess of the amount allocated for 118506
these grants may be used for the administration of the grant 118507
program. 118508

(G) If the mean total per Medicaid day rate for all ICFs/IID to which this section applies, weighted by May 2015 Medicaid days and determined under divisions (C) and (D) of this section as of July 1, 2015, is other than \$283.32, the Department shall adjust, for fiscal year 2016, the total per Medicaid day rate for each ICF/IID to which this section applies by a percentage that is equal to the percentage by which the mean total per Medicaid day rate is greater or less than \$283.32.

(H) If the United States Centers for Medicare and Medicaid Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the amount it pays ICF/IID providers under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

(C)(2)(a) to (g) of this section have been made, the ICF/IID's 119676
total per Medicaid day rate shall be increased by the direct 119677

(D) of this section. 119679

(3) The fiscal year 2017 initial total per Medicaid day rate for a new ICF/IID to which this section applies shall be the ICF/IID's initial total per Medicaid day rate determined for the ICF/IID in accordance with section 5124.151 of the Revised Code for fiscal year 2017 with the following modifications:

(a) In place of the amount determined under division (B)(2)(a) of section 5124.151 of the Revised Code, if there are no cost or resident assessment data for the new ICF/IID, the new ICF/IID's initial per Medicaid day rate for direct care costs shall be determined as follows:

this section shall be adjusted at the applicable time specified in 119726
division (D) of section 5124.151 of the Revised Code. If the 119727
adjustment affects the ICF/IID's rate for ICF/IID services 119728
provided during fiscal year 2017, the modifications specified in 119729
division (C)(2) of this section apply to the adjustment. 119730

(F)(1) If the mean total per Medicaid day rate for all 119731
ICFs/IID to which this section applies, weighted by May 2016 119732
Medicaid days and determined under division (C) of this section as 119733
of July 1, 2016, is other than the amount determined under 119734
division (F)(2) of this section, the Department shall adjust, for 119735
fiscal year 2017, the total per Medicaid day rate for each ICF/IID 119736

greater or less than the amount determined under division (F)(2) 119739
of this section. 119740

(2) The amount to be used for the purpose of division (F)(1) 119741
of this section shall be not less than \$288.27. The department, in 119742

(b) The increase in Medicaid payments made for ICF/IID 119755
services provided during fiscal year 2016, and the increase that 119756
is projected to occur in fiscal year 2017, as a result of the 119757
modifications to the payment rates made under section 5124.101 of 119758
the Revised Code; 119759

(c) The total reduction in the number of ICF/IID beds that 119760

Services requires that the franchise permit fee be reduced or 119764
eliminated, the Department shall reduce the amount it pays ICF/IID 119765
providers under this section as necessary to reflect the loss to 119766

message regarding Am. Sub. H.B. 1 of the 128th General Assembly 119967
transmitted to the Clerk of the House of Representatives on July 119968
17, 2009. The actual veto removed the section from the title and 119969
enacting clause of H.B. 1 and an earmark related to the section. 119970
However, the actual veto inadvertently showed only division (C) of 119971
the section, rather than the entire section, as being vetoed. 119972

childhood education programs under Section 263.20 of Am. Sub. H.B. 120254
59 of the 130th General Assembly in the previous fiscal year and 120255
the balance to new eligible providers of early childhood education 120256
programs or to existing providers to serve more eligible children 120257
pursuant to division (E) of this section or for purposes of 120258
program expansion, improvement, or special projects to promote 120259
quality and innovation. 120260

After setting aside the amounts to make payments due from the 120261
previous fiscal year, in fiscal year 2017, the Department shall 120262
distribute funds first to providers of early childhood education 120263

programs under this section in the previous fiscal year and the 120264
balance to new eligible providers or to existing providers to 120265
serve more eligible children as outlined under division (E) of 120266
this section or for purposes of program expansion, improvement, or 120267
special projects to promote quality and innovation. 120268

(E)(1) The Department shall distribute any new or remaining 120269
funding to existing providers of early childhood education 120270
programs or any new eligible providers in an effort to invest in 120271
high quality early childhood programs where there is a need as 120272
determined by the Department. The Department shall distribute the 120273
new or remaining funds to existing providers of early childhood 120274
education programs or any new eligible providers to serve 120275
additional eligible children based on community economic 120276
disadvantage, limited access to high quality preschool or 120277
childcare services, and demonstration of high quality preschool 120278
services as determined by the Department using new metrics 120279
developed pursuant to Ohio's Race to the Top—Early Learning 120280
Challenge Grant, awarded to the Department in December 2011. 120281

(2) Awards under divisions (D) and (E) of this section shall 120282
be distributed on a per-pupil basis, and in accordance with 120283
division (I) of this section. The Department may adjust the 120284
per-pupil amount so that the per-pupil amount multiplied by the 120285
number of eligible children enrolled and receiving services on the 120286
first day of December or the business day closest to that date 120287
equals the amount allocated under this section. 120288

(3) Except for awards made to early childhood programs 120289
because those programs received awards in a previous fiscal year, 120290
at least sixty-five per cent of the awards made under divisions 120291
(D) and (E) of this section shall be made to early childhood 120292
programs that serve children at least forty hours per week. 120293

(F) Costs for developing and administering an early childhood 120294
education program may not exceed fifteen per cent of the total 120295

approved costs of the program. 120296

All providers shall maintain such fiscal control and 120297
accounting procedures as may be necessary to ensure the 120298
disbursement of, and accounting for, these funds. The control of 120299
funds provided in this program, and title to property obtained, 120300
shall be under the authority of the approved provider for purposes 120301
provided in the program unless, as described in division (K) of 120302
this section, the program waives its right for funding or a 120303
program's funding is eliminated or reduced due to its inability to 120304
meet financial or early learning program standards. The approved 120305
provider shall administer and use such property and funds for the 120306
purposes specified. 120307

(G) The Department may examine a provider's financial and 120308
program records. If the financial practices of the program are not 120309
in accordance with standard accounting principles or do not meet 120310
financial standards outlined under division (F) of this section, 120311
or if the program fails to substantially meet the early learning 120312
program standards, meet a quality rating level in the Step Up to 120313
Quality program established pursuant to section 5104.29 of the 120314
Revised Code as prescribed by the Department, or exhibits below 120315
average performance as measured against the standards, the early 120316
childhood education program shall propose and implement a 120317
corrective action plan that has been approved by the Department. 120318
The approved corrective action plan shall be signed by the chief 120319
executive officer and the executive of the official governing body 120320
of the provider. The corrective action plan shall include a 120321
schedule for monitoring by the Department. Such monitoring may 120322
include monthly reports, inspections, a timeline for correction of 120323
deficiencies, and technical assistance to be provided by the 120324
Department or obtained by the early childhood education program. 120325
The Department may withhold funding pending corrective action. If 120326
an early childhood education program fails to satisfactorily 120327

complete a corrective action plan, the Department may deny 120328
expansion funding to the program or withdraw all or part of the 120329
funding to the program and establish a new eligible provider 120330
through a selection process established by the Department. 120331

(H)(1) If the early childhood education program is licensed 120332
by the Department of Education and is not highly rated, as 120333
determined by the Director of Job and Family Services, under the 120334
Step Up to Quality program established pursuant to section 5104.29 120335
of the Revised Code, the program shall do all of the following: 120336

(a) Meet teacher qualification requirements prescribed by 120337
section 3301.311 of the Revised Code; 120338

(b) Align curriculum to the early learning content standards 120339
developed by the Department; 120340

(c) Meet any child or program assessment requirements 120341
prescribed by the Department; 120342

(d) Require teachers, except teachers enrolled and working to 120343
obtain a degree pursuant to section 3301.311 of the Revised Code, 120344
to attend a minimum of twenty hours every two years of 120345
professional development as prescribed by the Department; 120346

(e) Document and report child progress as prescribed by the 120347
Department; 120348

(f) Meet and report compliance with the early learning 120349
program standards as prescribed by the Department; 120350

(g) Participate in the Step Up to Quality program established 120351
pursuant to section 5104.29 of the Revised Code. Effective July 1, 120352
2016, all programs shall be rated through the program. 120353

(2) If the program is highly rated, as determined by the 120354
Director of Job and Family Services, under the Step Up to Quality 120355
program established pursuant to section 5104.29 of the Revised 120356
Code, the program shall comply with the requirements of that 120357

program. 120358

(I) Per-pupil funding for programs subject to this section 120359
shall be sufficient to provide eligible children with services for 120360
a standard early childhood schedule which shall be defined in this 120361
section as a minimum of twelve and one-half hours per school week 120362
as defined in section 3313.62 of the Revised Code for the minimum 120363
school year as defined in sections 3313.48, 3313.481, and 3313.482 120364
of the Revised Code. Beginning on July 1, 2015, nothing in this 120365
section shall be construed to prohibit program providers from 120366
utilizing other funds to serve eligible children in programs that 120367
exceed the twelve and one-half hours per week or that exceed the 120368
minimum school year. For any provider for which a standard early 120369
childhood education schedule creates a hardship or for which the 120370
provider shows evidence that the provider is working in 120371
collaboration with a preschool special education program, the 120372
provider may submit a waiver to the Department requesting an 120373
alternate schedule. If the Department approves a waiver for an 120374
alternate schedule that provides services for less time than the 120375
standard early childhood education schedule, the Department may 120376
reduce the provider's annual allocation proportionately. Under no 120377
circumstances shall an annual allocation be increased because of 120378
the approval of an alternate schedule. 120379

(J) For fiscal year 2016, each provider shall develop a 120380
sliding fee scale based on family incomes and shall charge 120381
families who earn more than two hundred per cent of the federal 120382
poverty guidelines, as defined in division (A)(3) of section 120383
5101.46 of the Revised Code, for the early childhood education 120384
program. 120385

The Department shall conduct an annual survey of each 120386
provider to determine whether the provider charges families 120387
tuition or fees, the amount families are charged relative to 120388
family income levels, and the number of families and students 120389

charged tuition and fees for the early childhood program. 120390

(K) If an early childhood education program voluntarily 120391
waives its right for funding, or has its funding eliminated for 120392
not meeting financial standards or the early learning program 120393
standards, the provider shall transfer control of title to 120394
property, equipment, and remaining supplies obtained through the 120395
program to providers designated by the Department and return any 120396
unexpended funds to the Department along with any reports 120397
prescribed by the Department. The funding made available from a 120398
program that waives its right for funding or has its funding 120399
eliminated or reduced may be used by the Department for new grant 120400
awards or expansion grants. The Department may award new grants or 120401
expansion grants to eligible providers who apply. The eligible 120402
providers who apply must do so in accordance with the selection 120403
process established by the Department. 120404

(L) Eligible expenditures for the Early Childhood Education 120405
Program shall be claimed each fiscal year to help meet the state's 120406
TANF maintenance of effort requirement. The Superintendent of 120407
Public Instruction and the Director of Job and Family Services 120408
shall enter into an interagency agreement to carry out the 120409
requirements under this division, which shall include developing 120410
reporting guidelines for these expenditures. 120411

(M)(1) For fiscal year 2017, the Department of Education and 120412
the Department of Job and Family Services shall establish the 120413
following in common between early childhood education programs and 120414
publicly funded child care: 120415

(a) An application; 120416

(b) Program eligibility; 120417

(c) Funding; 120418

(d) An attendance policy; 120419

(e) An attendance tracking system.	120420
(2) Beginning July 1, 2016, in accordance with section 5104.34 of the Revised Code, eligible families may receive publicly funded child care beyond the standard early childhood schedule defined in division (I) of this section.	120421 120422 120423 120424
(3) All providers, agencies, and school districts participating in the early childhood education program or providing care to eligible families beyond the standard early childhood schedule shall follow the common policies established under this division.	120425 120426 120427 120428 120429

Implementation of these systems shall allow the Department to provide greater levels of assistance to school districts and to provide more timely information to the public, including school districts, administrators, and legislators. Funds may also be used to support data-driven decision-making and differentiated instruction, as well as to communicate academic content standards and curriculum models to schools through web-based applications.	120432 120433 120434 120435 120436 120437 120438 120439 120440 120441 120442 120443 120444 120445

The remainder of appropriation item 200421, Alternative 120454

and new at-risk and delinquent youth. Programs shall be focused on 120458
youth in one or more of the following categories: those who have 120459
been expelled or suspended, those who have dropped out of school 120460
or who are at risk of dropping out of school, those who are 120461
habitually truant or disruptive, or those on probation or on 120462
parole from a Department of Youth Services facility. Grants shall 120463
be awarded only to programs in which the grant will not serve as 120464
the program's primary source of funding. These grants shall be 120465
administered by the Department of Education. 120466

The Department of Education may waive compliance with any 120467
minimum education standard established under section 3301.07 of 120468
the Revised Code for any alternative school that receives a grant 120469
under this section on the grounds that the waiver will enable the 120470
program to more effectively educate students enrolled in the 120471
alternative school. 120472

Of the foregoing appropriation item 200421, Alternative 120473
Education Programs, a portion may be used for program 120474

Assistance, shall be used by the Department of Education to 120495

current trends in education practice, efficient and effective use 120507
of resources, and evaluation of programs to improve education 120508

in 42 C.F.R. 412.23(e)(5). 125459

(b) It has a Medicaid provider agreement to provide inpatient 125460
hospital services. 125461

(c) Pursuant to rules adopted under section 5164.02 of the 125462
Revised Code, it is exempt from the all patient refined diagnosis 125463
related groups (APR-DRG) and prospective payment methodology the 125464
Department of Medicaid uses to determine Medicaid payment rates 125465
for inpatient services provided by other types of hospitals not 125466
also excluded from the methodology. 125467

(2) "Nursing facility," "nursing facility services," "nursing 125468
home," and "provider" have the same meanings as in section 5165.01 125469
of the Revised Code. 125470

(B) Not later than thirty days after the effective date of 125471
this section, the Department of Medicaid shall submit to the 125472
United States Secretary of Health and Human Services a request for 125473
a Medicaid Waiver to operate, beginning January 1, 2016, a 125474
two-year demonstration project under which Medicaid recipients 125475
receive nursing facility services in participating nursing 125476
facilities in lieu of hospital inpatient services in freestanding 125477
long-term care hospitals. 125478

(1) The Department shall select four nursing facilities to 125479
participate in the demonstration project. To be selected for 125480
participation, a nursing facility must meet all of the following 125481
requirements: 125482

(a) The nursing facility's provider must hold the nursing 125483
facility out to the public as providing short-term rehabilitation 125484
services. 125485

(b) The nursing facility must have a hydrotherapy pool. 125486

(c) The nursing facility's Medicaid-certified capacity must 125487
include at least ten single-occupancy sleeping rooms that will be 125488
used for Medicaid recipients admitted to the nursing facility 125489
under the demonstration project. 125490

(d) The nursing facility must have been initially 125491
constructed, licensed as a nursing home, and certified as a 125492
nursing facility on or after January 1, 2010. 125493

(2) In selecting four nursing facilities to participate in 125494
the demonstration project, the Department shall select one nursing 125495
facility located in Cuyahoga county, one located in Franklin 125496
county, one located in Hamilton county, and one located in Lucas 125497

(C)(1) The provider of each participating nursing facility 125502
shall develop admission criteria that Medicaid recipients must 125503
meet to be admitted to the nursing facility under the 125504
demonstration project. The provider shall give the criteria to 125505
each hospital that is located within fifty miles of the nursing 125506
facility and routinely refers Medicaid patients to freestanding 125507
long-term care hospitals. A hospital that receives the criteria 125508
shall consider the criteria when determining where to refer a 125509
Medicaid recipient who needs the types of services freestanding 125510
long-term care hospitals provide. 125511

(2) A Medicaid recipient may refuse a referral to a 125512
participating nursing facility and instead seek admission to a 125513
freestanding long-term care hospital. If a Medicaid recipient 125514
seeks admission to a participating nursing facility under the 125515
demonstration project, the nursing facility's staff shall ensure 125516
that the recipient meets the nursing facility's criteria before 125517
admitting the recipient. 125518

(3) A participating nursing facility shall notify the Department each time it admits a Medicaid recipient under the demonstration project. A Medicaid recipient's admission to a participating nursing facility under the demonstration project is not subject to prior authorization from the Department or a designee of the Department.

(D) Notwithstanding Chapter 5165. of the Revised Code, the Medicaid payment rate for nursing facility services that a Medicaid recipient receives from a participating nursing facility under the demonstration project shall not exceed the Medicaid payment rate for comparable hospital inpatient services provided by freestanding long-term care hospitals in effect at the time the nursing facility services are provided.

(E) Not later than thirty days after the end of each quarter of the demonstration project, the provider of each participating nursing facility shall report to the Department all of the following information about each Medicaid recipient residing in the nursing facility under the demonstration project during the quarter:

(1) The cost of the nursing facility services that the nursing facility provided to the recipient that quarter;

(2) The number of days the recipient resided in the nursing facility that quarter;

(3) The recipient's health outcomes;

(4) The recipient's satisfaction with the nursing facility as reported to the nursing facility's staff;

(5) All other information that the Department requires the providers to include in the reports.

(F) Not later than three months after the demonstration project ends, the Department shall complete a report about it. The

report shall include an analysis of the information submitted to 125549
the Department under division (D) of this section. The report also 125550
shall include recommendations about resuming operation of the 125551
demonstration project and selecting nursing facilities from 125552
additional counties to participate. The Department shall submit 125553
the report to all of the following: 125554

(1) The Governor; 125555

(2) In accordance with section 101.68 of the Revised Code, 125556
the General Assembly; 125557

the Department of Medicaid, the Department of Job and Family Services, and the Department of Health. The departments shall begin operation of the pilot program not later than ninety days after the effective date of this section. The pilot program shall be operated for two years.

Section 327.310. TERMINATION OF 209(b) OPTION

As used in this section, "209(b) option" means the option described in section 1902(f) of the "Social Security Act," 42 U.S.C. 1396a(f), under which the Medicaid program's eligibility requirements for aged, blind, and disabled individuals are more restrictive than the eligibility requirements for the Supplemental Security Income program.

The Department of Medicaid shall not terminate the implementation of the 209(b) option before July 1, 2016.

including medication-assisted treatment, to persons who are	125890
offenders within the Criminal Justice System, eligible to	125891
participate in a certified drug court program, and are selected	125892

prescriber and the addiction services provider; 125936

(2) Conduct professional, comprehensive substance abuse and 125937
mental health diagnostic assessments of a person under 125938

consideration for selection as a program participant to determine 125939
whether the person would benefit from substance abuse treatment 125940
and monitoring; 125941

(E)(2) of this section, the treatment needs of the participants 125943

(4) Develop, for participants served by the treatment 125945
provider, individualized goals and objectives; 125946

(5) Provide access to the long-acting antagonist therapies, 125947

(F) In the case of medication-assisted treatment provided 125956
under the program, all of the following conditions apply: 125957

(1) A drug may be used only if the drug has been approved by 125958
the United States Food and Drug Administration for use in treating 125959
dependence on opioids, alcohol, or both, or for preventing relapse 125960
into the use of opioids, alcohol, or both. 125961

(2) One or more drugs may be used, but each drug that is used 125962
must constitute long-acting antagonist therapy or partial agonist 125963
therapy. 125964

(3) If a drug constituting partial agonist therapy is used, 125965
the program shall provide safeguards to minimize abuse and 125966
diversion of the drug, including such safeguards as routine drug 125967
testing of program participants. 125968

(G) A report of the findings obtained from the pilot program 125969
shall be prepared by a research institution and include data 125970
derived from the drug testing and performance measures used in the 125971
program. The research institution shall complete its report not 125972

Representatives, Department of Mental Health and Addiction 125976
Services, Department of Rehabilitation and Correction, and any 125977
other state agency that the Department of Mental Health and 125978
Addiction Services collaborates with in conducting the program. 125979

(H) It is anticipated and expected that drug courts will 125980
expand their ability to serve more drug court participants as a 125981
result of increased access to commercial or publicly funded health 125982
insurance. In order to ensure that funds appropriated to support 125983
this addiction treatment program are used in the most efficient 125984
manner with a goal of enrolling the maximum number of 125985
participants, the Medicaid Director with major Ohio healthcare 125986
plans shall develop plans consistent with this division. There 125987
shall be no prior authorizations or step therapy for 125988
medication-assisted treatment for participants in the addiction 125989
treatment program. The plans developed under this division shall 125990

review of eligibility for health benefits for all offenders 125993
selected to participate in the addiction treatment program; 125994

(2) A rapid conversion to reimbursement for all healthcare 125995
services by the participant's health insurance company following 125996
approval for coverage of healthcare benefits; 125997

(3) The development of a consistent benefit package that 125998
provides ready access to and reimbursement for essential 125999
healthcare services including, but not limited to, primary 126000

healthcare, alcohol and opiate detoxification services, 126001
appropriate psychosocial services, and medication for long-acting 126002
injectable antagonist therapies and partial agonist therapies; 126003

(4) The development of guidelines that require the provision 126004
of all treatment services, including medication, with minimal 126005
administrative barriers and within a timeframe that meets the 126006
requirements of individual patient care plans. 126007

(I) Within 90 days after the effective date of this section, 126008
the Department shall select a nationally recognized research 126009
institution with experience in evaluating multiple court systems 126010
across jurisdictions in both rural and urban regions. The research 126011
institution shall have demonstrated experience evaluating the use 126012
of agonist and antagonist medication assisted treatment in drug 126013

health economics, and ethical and patient selection and consent 126015
issues. The institution shall also have an internal institutional 126016
review board. The institution shall prepare the report described 126017
in division (J) of this section. 126018

conducting the program. 126031

(K) Of the foregoing appropriation item 336422, Criminal 126032

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA			127531
ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES			127532
(1) Of the foregoing appropriation item 235501, State Share			127533
of Instruction, 50 per cent of the appropriation for universities,			127534
as established in division (A)(2) of the section of this act			127535
entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND			127536
2017," in each fiscal year shall be reserved for support of			127537
associate, baccalaureate, master's, and professional level degree			127538
attainment.			127539
The degree attainment funding shall be allocated to			127540
universities in proportion to each campus's share of the total			127541
statewide degrees granted, weighted by the cost of the degree			127542
programs. The degree cost calculations shall include the model			127543

cost weights for the science, technology, engineering, 127544
mathematics, and medicine models as established in division (C) of 127545
this section. 127546

For degrees including credits earned at multiple 127547
institutions, degree attainment funding shall be allocated to 127548
universities in proportion to each campus's share of the cost of 127549
earned credits for the degree. Each institution shall receive its 127550
prorated share of degree funding for credits earned at that 127551
institution. Cost of credits not earned at a university main or 127552
regional campus shall be credited to the degree-granting 127553
institution for the first degree earned by a student at each 127554
degree level. The cost credited to the degree-granting institution 127555
shall not be eligible for at-risk weights and shall be limited to 127556
12.5 per cent of the degree costs. However, the 12.5 per cent 127557
limitation shall not apply if the student transferred 12 or fewer 127558
credits into the degree granting institution. 127559

In calculating the subsidy entitlements for degree attainment 127560
for universities, the Chancellor of Higher Education shall use the 127561
following count of degrees and degree costs: 127562

(a) The subsidy eligible undergraduate degrees shall be 127563
defined as follows: 127564

(i) The subsidy eligible degrees conferred to students 127565
identified as residents of the state of Ohio in any term of their 127566
studies, as reported through the Higher Education Information 127567
(HEI) system student enrollment file, shall be weighted by a 127568
factor of 1. 127569

(ii) The subsidy eligible degrees conferred to students 127570
identified as out-of-state residents during all terms of their 127571
studies, as reported through the Higher Education Information 127572
(HEI) system student enrollment file, who remain in the state of 127573
Ohio at least one year after graduation, as calculated based on 127574

the three-year average in-state residency rate for out-of-state graduates at each institution, shall be weighted by a factor of 50 per cent.

(iii) Subsidy eligible associate degrees are defined as those earned by students attending any state-supported university main or regional campus.

(b) In calculating each campus's count of degrees, the Chancellor of Higher Education shall use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the three-year period ending in the prior year.

(i) If a student is awarded an associate degree and, subsequently, is awarded a baccalaureate degree, the amount funded for the baccalaureate degree shall be limited to either the difference in cost between the cost of the baccalaureate degree and the cost of the associate degree paid previously, or if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate degree was awarded.

(ii) If a student earns an associate degree then, subsequently, earns a baccalaureate degree, the associate degree granting institution shall only receive the prorated share of the baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded.

(iii) If a student earns more than one degree at the same institution at the same degree level in the same fiscal year, the funding for the highest cost degree shall be prorated among institutions based on where the credits were earned and additional degrees shall be funded at 25 per cent of the cost of the degrees.

(c) Associate degrees and baccalaureate degrees earned by a student defined as at-risk based on academic underpreparation, age, minority status, or financial status, shall be defined as

degrees earned by an at-risk student and shall be weighted by the 127606
following: 127607

A student-specific degree completion weight, where the weight 127608
is calculated based on the at-risk factors of the individual 127609
student, determined by calculating the difference between the 127610
percentage of students with each risk factor who earned a degree 127611
and the percentage of non-at-risk students who earned a degree. 127612

(2) Of the foregoing appropriation item 235501, State Share 127613
of Instruction, up to 11.78 per cent of the appropriation for 127614
universities, as established in division (A)(2) of the section of 127615
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 127616
2016 and 2017," in each fiscal year shall be reserved for support 127617
of doctoral programs to implement the funding recommendations made 127618
by representatives of the universities. The amount so reserved 127619
shall be referred to as the doctoral set-aside. 127620

In fiscal year 2016, NEOMED shall receive \$150,000 and in 127621
fiscal year 2017 NEOMED shall receive \$200,000 of the doctoral 127622
set-aside funding allocation with the remaining doctoral set-aside 127623
allocated to universities as follows: 127624

(a) 47.50 per cent of the remaining doctoral set-aside in 127625
fiscal year 2016 and 40 per cent of the remaining doctoral 127626
set-aside in fiscal year 2017 shall be allocated to universities 127627
in proportion to their share of the statewide total of each state 127628
institution's three-year average Doctoral I equivalent FTEs as 127629
calculated on an institutional basis using historical FTEs for the 127630
period fiscal year 1994 through fiscal year 1998 with annualized 127631
FTEs for fiscal years 1994 through 1997 and all-term FTEs for 127632
fiscal year 1998 as adjusted to reflect the effects of doctoral 127633
review and subsequent changes in Doctoral I equivalent 127634
enrollments. For the purposes of this calculation, Doctoral I 127635
equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5 127636
times the sum of Doctoral II FTEs. 127637

(b) 35 per cent of the doctoral set-aside in fiscal year 2016 127638
and 40 per cent of the doctoral set-aside in fiscal year 2017 127639
shall be allocated to universities in proportion to each campus's 127640
share of the total statewide doctoral degrees, weighted by the 127641
cost of the doctoral discipline. In calculating each campus's 127642
doctoral degrees the Chancellor of Higher Education shall use the 127643
three-year average doctoral degrees awarded for the three-year 127644
period ending in the prior year. 127645

(c) 17.5 per cent of the doctoral set-aside in fiscal year 127646
2016 and 20 per cent of the doctoral set-aside in fiscal year 2017 127647
shall be allocated to universities in proportion to their share of 127648
research grant activity. Funding for this component shall be 127649
allocated to eligible universities in proportion to their share of 127650
research grant activity published by the National Science 127651
Foundation. Grant awards from the Department of Health and Human 127652
Services shall be weighted at 50 per cent. 127653

(3) Of the foregoing appropriation item 235501, State Share 127654
of Instruction, 6.41 per cent of the appropriation for 127655
universities, as established in division (A)(2) of the section of 127656
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 127657
2016 AND 2017," in each fiscal year shall be reserved for support 127658
of Medical II FTEs. The amount so reserved shall be referred to as 127659
the medical II set-aside. 127660

The medical II set-aside shall be allocated to universities 127661
in proportion to their share of the statewide total of each state 127662
institution's three-year average Medical II FTEs as calculated in 127663
division (A) of this section. 127664

In calculating the core subsidy entitlements for Medical II 127665
models only, students repeating terms may be no more than five per 127666
cent of current year enrollment. 127667

(4) Of the foregoing appropriation item 235501, State Share 127668

of Instruction, 1.48 per cent of the appropriation for 127669
universities, as established in division (A)(2) of the section of 127670
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 127671
2016 AND 2017," in each fiscal year shall be reserved for support 127672
of Medical I FTEs. The amount so reserved shall be referred to as 127673
the medical I set-aside. 127674

The medical I set-aside shall be allocated to universities in 127675
proportion to their share of the statewide total of each state 127676
institution's three-year average Medical I FTEs as calculated in 127677
division (A) of this section. 127678

(5) In calculating the course completion funding for 127679
universities, the Chancellor of Higher Education shall use the 127680
following count of FTE students: 127681

(a) The subsidy eligible enrollments by model shall equal 127682
only those FTE students who successfully complete the course as 127683
defined and reported through the Higher Education Information 127684
(HEI) system course enrollment file; 127685

(b) Those undergraduate FTE students with successful course 127686
completions, identified in division (D)(5)(a) of this section, 127687
that had an expected family contribution less than 2190 or were 127688
determined to have been academically underprepared shall be 127689
defined as at-risk students and shall have their eligible 127690
completions weighted by the following: 127691

(i) Campus-specific course completion indexes, where the 127692
indexes are calculated based upon the number of at-risk students 127693
enrolled during the 2012 - 2014 academic years; and 127694

(ii) A statewide average at-risk course completion weight 127695
determined for each subsidy model. The statewide average at-risk 127696
course completion weight shall be determined by calculating the 127697
difference between the percentage of traditional students who 127698
complete a course and the percentage of at-risk students who 127699

complete the same course. 127700

(c) The course completion earnings shall be determined by 127701
multiplying the amounts listed above in divisions (B) and (C) of 127702
this section by the subsidy-eligible FTEs for the three-year 127703
period ending in the prior year for all models except Medical I, 127704
Medical II, Doctoral I, and Doctoral II. 127705

(d) For universities, the Chancellor of Higher Education 127706
shall compute the course completion earnings by dividing the 127707
appropriation for universities, established in division (A)(2) of 127708
the section of this act entitled "STATE SHARE OF INSTRUCTION FOR 127709
FISCAL YEARS 2016 AND 2017," and adjusted pursuant to division (B) 127710
of that section, less the degree attainment funding as calculated 127711
in division (D)(1) of this section, less the doctoral set-aside, 127712
less the medical I set-aside, and less the medical II set-aside, 127713
by the sum of all campuses' instructional costs as calculated in 127714
division (D)(5) of this section. 127715

(6) In addition to the Access Challenge funding as described 127716
in divisions (B)(1) and (B)(2) of the section of this act entitled 127717
"STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 2017," 127718
doctoral set-aside, medical I set-aside, medical II set-aside, and 127719
the degree attainment allocation determined in division (D)(1) of 127720
this section and the course completion earnings calculated in 127721
division (D)(5) of this section, an allocation based on a 127722
facility-based plant operations and maintenance (POM) subsidy 127723
shall be made. 127724

(a) In fiscal year 2016, for each eligible university, the 127725
amount of the POM allocation shall be two-thirds of the POM 127726
distributed in fiscal year 2015 based on what each campus received 127727
in the fiscal year 2009 POM allocation. 127728

(b) In fiscal year 2017, for each eligible university, the 127729
amount of the POM allocation shall be one-third of the POM 127730

distributed in fiscal year 2015 based on what each campus received 127731
in the fiscal year 2009 POM allocation. 127732

(c) Any POM allocations required by this division shall be 127733
funded by proportionately reducing formula earnings, including the 127734
POM allocations, for all universities. 127735

(d) POM allocations shall expire on June 30, 2017. 127736

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 127737
ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES 127738

(1) Of the foregoing appropriation item 235501, State Share 127739
of Instruction, 50 per cent of the appropriation for 127740
state-supported community colleges, state community colleges, and 127741
technical colleges as established in division (A)(1) of the 127742
section of the act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL 127743
YEARS 2016 AND 2017," in each fiscal year shall be reserved for 127744
course completion FTEs as aggregated by the subsidy models defined 127745
in division (B) of this section. 127746

The course completion funding shall be allocated to campuses 127747
in proportion to each campus's share of the total sector's course 127748
completions, weighted by the instructional cost of the subsidy 127749
models. 127750

To calculate the subsidy entitlements for course completions 127751
at community colleges, state community colleges, and technical 127752
colleges, the Chancellor of Higher Education shall use the 127753
following calculations: 127754

(a) In calculating each campus's count of FTE course 127755
completions, the Chancellor of Higher Education shall use a 127756
three-year average for course completions for the three year 127757
period ending in the prior year. 127758

(b) The subsidy eligible enrollments by model shall equal 127759
only those FTE students who successfully complete the course as 127760

defined and reported through the Higher Education Information 127761
(HEI) system course enrollment file. 127762

(c) Those students with successful course completions, that 127763
are or have been Pell eligible at any time while enrolled at a 127764
state institution of higher education, meet the definition of 127765
minority status, are enrolled at a given institution after age 24, 127766
or are academically underprepared shall be defined as access 127767
students and shall have their eligible course completions weighted 127768
by a statewide access weight. The weight given to any student that 127769
meets any access factor shall be 15 per cent for all course 127770
completions. 127771

(d) The model costs as used in the calculation shall be 127772
augmented by the model weights for science, technology, 127773

facilities, and about administrative personnel shall be the 127991
exclusive prerogative of boards of trustees. Any delegation of 127992
authority by a board of trustees in other areas of responsibility 127993
shall be accompanied by appropriate standards of guidance 127994
concerning expected objectives in the exercise of such delegated 127995
authority and shall be accompanied by periodic review of the 127996
exercise of this delegated authority to the end that the public 127997

PUBLIC LIBRARY FUND 129047

Notwithstanding the requirement in division (C) of section 129048

Management use the percentage calculated in division (A)(2) of 129050
section 131.51 of the Revised Code for calculating the credit each 129051
month to the Public Library Fund, the Director of Budget and 129052
Management shall instead calculate these amounts during fiscal 129053
year 2016 and fiscal year 2017 using 1.70 per cent as the 129054

LOCAL GOVERNMENT FUND 129056

Notwithstanding the requirement in division (C) of section 129057
5747.50 of the Revised Code that the Tax Commissioner provide for 129058

corporation of an amount calculated using the total amount 129060
available for distribution to municipal corporations during the 129061
current month, as defined in that division, the Tax Commissioner 129062
shall reduce the total amount available for distribution to 129063
municipal corporations during the current month by \$1,000,000 in 129064
each month of fiscal years 2016 and 2017, before calculating the 129065
amount to be distributed to each municipal corporation. 129066

From the amounts not distributed to municipal corporations, 129067
\$833,333.33 in each month of fiscal years 2016 and 2017 shall be 129068
used solely to provide a supplement to townships. The Tax 129069
Commissioner shall determine amounts to be distributed to each 129070
county undivided local government fund. Half is to be divided 129071

among the counties so that each township in the state receives the same amount, and half is to be apportioned based on township road miles. The Tax Commissioner shall transfer these amounts, and shall separately identify to each county treasurer the amount to be divided equally among townships in the county and the amount to be divided among the townships based on road miles. Each appropriate county officer shall transfer cash from the county undivided local government fund to townships in the county based on this division of funds.

From the amounts not distributed to municipal corporations, \$166,666.67 in each month of fiscal years 2016 and 2017 shall be used solely to provide a supplement to villages with populations under 1,000 residents in the 2010 Census of Population. Half is to be divided among the counties so that each qualifying village in the state receives the same amount, and half is to be apportioned based on village road miles. The Tax Commissioner shall transfer these amounts, and shall separately identify to each county treasurer the amount to be divided equally among qualifying villages in the county and the amount to be divided among the qualifying villages based on road miles. Each appropriate county officer shall transfer cash from the county undivided local government fund to qualifying villages in the county based on this division of funds.

COMMUNITY SCHOOL CLASSROOM FACILITIES GRANTS 129689

The foregoing appropriation item C230W4, Community School Classroom Facilities Grants, may be used by the School Facilities Commission to provide grant funding to an eligible high-performing community school established under Chapter 3314. of the Revised Code.

For purposes of this section, an "eligible high-performing community school" means a community school that has available and has certified it will supply, at least fifty per cent of the cost of the project funded under this section and that meets the following other conditions:

(A) Except as provided in division (B) or (C) of this 129700

section, the school both: 129701

(1) Has received a grade of "A," "B," or "C" for the 129702
performance index score under division (C)(1)(b) of section 129703
3302.03 of the Revised Code or has increased its performance index 129704
score under division (C)(1)(b) of section 3302.03 of the Revised 129705
Code in each of the previous three years of operation; and 129706

(2) Has received a grade of "A" or "B" for the value-added 129707
progress dimension under division (C)(1)(e) of section 3302.03 of 129708
the Revised Code on its most recent report card rating issued 129709
under that section. 129710

(B) If the school serves only grades kindergarten through 129711
three, the school received a grade of "A" or "B" for making 129712
progress in improving literacy in grades kindergarten through 129713
three under division (C)(1)(g) of section 3302.03 of the Revised 129714
Code on its most recent report card issued under that section. 129715

(C) If the school primarily serves students enrolled in a 129716
dropout prevention and recovery program as described in division 129717
(A)(4)(a) of section 3314.35 of the Revised Code, the school 129718
received a rating of "exceeds standards" on its most recent report 129719
card issued under section 3314.017 of the Revised Code. 129720

Notwithstanding the definition of an eligible high-performing 129721
community school under divisions (A) to (C) of this section, a 129722
newly established community school may be eligible for assistance 129723
under this section, if it is implementing a community school model 129724
that has a track record of high quality academic performance, as 129725
determined by the Department of Education. 129726

The foregoing appropriation may be used for the purchase, 129727
construction, reconstruction, renovation, remodeling, or addition 129728
to classroom facilities. A grant may be awarded to an eligible 129729
high-performing community school that demonstrates that the funds 129730
will be used to purchase or support classroom facilities 129731

construction or modifications that increase the supply of seats in 129732
effective schools, service specific unmet student needs through 129733
community school education, and show innovation in design and 129734
potential as a successful, replicable school model. The School 129735
Facilities Commission may award a grant to an eligible 129736
high-performing community school upon the approval of a grant 129737
application by the Executive Director of the Commission and the 129738
Superintendent of Public Instruction. A facility that is 129739
purchased, constructed, or modified by the grant funds shall be 129740
used for educational purposes for a minimum of ten years after 129741
receiving the grant funds. The School Facilities Commission, in 129742
consultation with the Superintendent of Public Instruction, shall 129743
develop guidelines and may adopt rules under Chapter 111. of the 129744
Revised Code for the administration of the grants, including 129745
provisions for the ownership and disposal of the facilities funded 129746
under this section in the event the community school closes at any 129747
time. Notwithstanding any provision of law to the contrary, all 129748
Revised Code exemptions applicable to grants awarded and projects 129749
administered by the School Facilities Commission or Facilities 129750
Construction Commission shall apply to the grants pursuant to this 129751
section. 129752

Section 503.10. PERSONAL SERVICE EXPENSES 129753

Unless otherwise prohibited by law, any appropriation from 129754
which personal service expenses are paid shall bear the employer's 129755
share of public employees' retirement, workers' compensation, 129756
disabled workers' relief, and insurance programs; and the costs of 129757
centralized financial services, centralized payroll processing, 129758
and related reports and services; centralized human resources 129759
services, including affirmative action and equal employment 129760
opportunity programs; the Office of Collective Bargaining; 129761
centralized information technology management services; 129762
administering the enterprise resource planning system; and 129763

administering the state employee merit system as required by 129764
section 124.07 of the Revised Code. These costs shall be 129765
determined in conformity with the appropriate sections of law and 129766
paid in accordance with procedures specified by the Office of 129767
Budget and Management. Expenditures from appropriation item 129768
070601, Public Audit Expense - Intra-State, may be exempted from 129769
the requirements of this section. 129770

Section 503.20. SATISFACTION OF JUDGMENTS AND SETTLEMENTS 129771
AGAINST THE STATE 129772

Except as otherwise provided in this section, an 129773
appropriation in this act or any other act may be used for the 129774
purpose of satisfying judgments, settlements, or administrative 129775
awards ordered or approved by the Court of Claims or by any other 129776
court of competent jurisdiction in connection with civil actions 129777
against the state. This authorization does not apply to 129778
appropriations to be applied to or used for payment of guarantees 129779
by or on behalf of the state, or for payments under lease 129780
agreements relating to, or debt service on, bonds, notes, or other 129781
obligations of the state. Notwithstanding any other statute to the 129782
contrary, this authorization includes appropriations from funds 129783
into which proceeds of direct obligations of the state are 129784
deposited only to the extent that the judgment, settlement, or 129785
administrative award is for, or represents, capital costs for 129786
which the appropriation may otherwise be used and is consistent 129787
with the purpose for which any related obligations were issued or 129788
entered into. Nothing contained in this section is intended to 129789
subject the state to suit in any forum in which it is not 129790
otherwise subject to suit, and is not intended to waive or 129791
compromise any defense or right available to the state in any suit 129792
against it. 129793

Section 503.30. CAPITAL PROJECT SETTLEMENTS 129794

This section specifies an additional and supplemental 129795
procedure to provide for payments of judgments and settlements if 129796
the Director of Budget and Management determines, pursuant to 129797
division (C)(4) of section 2743.19 of the Revised Code, that 129798
sufficient unencumbered moneys do not exist in the fund to support 129799
a particular appropriation to pay the amount of a final judgment 129800
rendered against the state or a state agency, including the 129801
settlement of a claim approved by a court, in an action upon and 129802
arising out of a contractual obligation for the construction or 129803
improvement of a capital facility if the costs under the contract 129804
were payable in whole or in part from a state capital projects 129805
appropriation. In such a case, the Director may either proceed 129806
pursuant to division (C)(4) of section 2743.19 of the Revised Code 129807
or apply to the Controlling Board to increase an appropriation or 129808
create an appropriation out of any unencumbered moneys in the 129809
state treasury to the credit of the capital projects fund from 129810
which the initial state appropriation was made. The amount of an 129811
increase in appropriation or new appropriation approved by the 129812
Controlling Board is hereby appropriated from the applicable 129813
capital projects fund and made available for the payment of the 129814
judgment or settlement. 129815

If the Director does not make the application authorized by 129816
this section or the Controlling Board disapproves the application, 129817
and the Director does not make application under division (C)(4) 129818
of section 2743.19 of the Revised Code, the Director shall for the 129819
purpose of making that payment make a request to the General 129820
Assembly as provided for in division (C)(5) of that section. 129821

Section 503.40. RE-ISSUANCE OF VOIDED WARRANTS 129822

In order to provide funds for the reissuance of voided 129823
warrants under section 126.37 of the Revised Code, there is hereby 129824
appropriated, out of moneys in the state treasury from the fund 129825

credited as provided in section 126.37 of the Revised Code, that 129826
amount sufficient to pay such warrants when approved by the Office 129827
of Budget and Management. 129828

Section 503.50. REAPPROPRIATION OF UNEXPENDED ENCUMBERED 129829
BALANCES OF OPERATING APPROPRIATIONS 129830

(A) An unexpended balance of an operating appropriation or 129831
reappropriation that a state agency lawfully encumbered prior to 129832
the close of a fiscal year is hereby reappropriated on the first 129833
day of July of the following fiscal year from the fund from which 129834
it was originally appropriated or reappropriated for the following 129835
period and shall remain available only for the purpose of 129836
discharging the encumbrance: 129837

(1) For an encumbrance for personal services, maintenance, 129838
equipment, or items for resale, other than an encumbrance for an 129839
item of special order manufacture not available on term contract 129840
or in the open market or for reclamation of land or oil and gas 129841
wells, for a period of not more than five months from the end of 129842
the fiscal year; 129843

(2) For an encumbrance for an item of special order 129844
manufacture not available on term contract or in the open market, 129845
for a period of not more than five months from the end of the 129846
fiscal year or, with the written approval of the Director of 129847
Budget and Management, for a period of not more than twelve months 129848
from the end of the fiscal year; 129849

(3) For an encumbrance for reclamation of land or oil and gas 129850
wells, for a period ending when the encumbered appropriation is 129851
expended or for a period of two years, whichever is less; 129852

(4) For an encumbrance for any other expense, for such period 129853
as the Director approves, provided such period does not exceed two 129854
years. 129855

(B) Any operating appropriations for which unexpended 129856
balances are reappropriated beyond a five-month period from the 129857
end of the fiscal year by division (A)(2) of this section shall be 129858
reported to the Controlling Board by the Director of Budget and 129859
Management by the thirty-first day of December of each year. The 129860
report on each such item shall include the item, the cost of the 129861
item, and the name of the vendor. The report shall be updated on a 129862
quarterly basis for encumbrances remaining open. 129863

(C) Upon the expiration of the reappropriation period set out 129864
in division (A) of this section, a reappropriation made by this 129865
section lapses, and the Director of Budget and Management shall 129866
cancel the encumbrance of the unexpended reappropriation not later 129867
than the end of the weekend following the expiration of the 129868
reappropriation period. 129869

(D) Notwithstanding division (C) of this section, with the 129870
approval of the Director of Budget and Management, an unexpended 129871
balance of an encumbrance that was reappropriated on the first day 129872
of July by this section for a period specified in division (A)(3) 129873
or (4) of this section and that remains encumbered at the close of 129874
the fiscal biennium is hereby reappropriated on the first day of 129875
July of the following fiscal biennium from the fund from which it 129876
was originally appropriated or reappropriated for the applicable 129877
period specified in division (A)(3) or (4) of this section and 129878
shall remain available only for the purpose of discharging the 129879
encumbrance. 129880

(E) The Director of Budget and Management may correct 129881
accounting errors committed by the staff of the Office of Budget 129882
and Management, such as reestablishing encumbrances or 129883
appropriations cancelled in error, during the cancellation of 129884
operating encumbrances in November and of nonoperating 129885
encumbrances in December. 129886

(F) The Director of Budget and Management may at any time 129887

correct accounting errors committed by the staff of a state agency 129888
or state institution of higher education, as defined in section 129889
3345.011 of the Revised Code, such as reestablishing prior year 129890
nonoperating encumbrances canceled or modified in error. The 129891
reestablished encumbrance amounts are hereby appropriated. 129892

(G) If the Controlling Board approved a purchase, that 129893
approval remains in effect so long as the appropriation used to 129894
make that purchase remains encumbered. 129895

Section 503.60. RE-ESTABLISHING ENCUMBRANCES THAT USE 129896
OUTDATED EXPENSE ACCOUNT CODES 129897

On or after January 1, 2015, the Director of Budget and 129898
Management may cancel any existing operating or capital 129899
encumbrances from prior fiscal years that reference outdated 129900
expense account codes and, if needed, reestablish them against the 129901
same appropriation items referencing updated expense account 129902
codes. The reestablished encumbrance amounts are hereby 129903
appropriated. Any business commenced but not completed under the 129904
prior encumbrances by January 1, 2015, shall be completed under 129905
the new encumbrances in the same manner and with the same effect 129906
as if it was completed with regard to the old encumbrances. 129907

Section 503.70. APPROPRIATIONS RELATED TO CASH TRANSFERS AND 129908

appropriated. 129914

Section 503.80. TRANSFERS OF THIRD FRONTIER APPROPRIATIONS 129915

The Director of Budget and Management may transfer 129916

Section 747.10. The intent of the General Assembly, when 132511
enacting Am. Sub. H.B. 394 of the 130th General Assembly, was to 132512
amend section 4731.22 of the Revised Code. The inclusion of the 132513
section in H.B. 394's first repeal clause (Section 2) as an 132514
outright repeal was a typographical error. The General Assembly's 132515
intent that section 4731.22 of the Revised Code be amended, rather 132516
than repealed outright, is demonstrated in H.B. 394's title, the 132517
first amending clause (Section 1), and the portion of the first 132518
repeal clause (Section 2) that listed the section among other 132519
Revised Code sections that were being repealed only to the extent 132520
that their existing versions were being replaced by amended 132521
versions. This intent is further demonstrated by H.B. 394's 132522
amendment of a future version of section 4731.22 of the Revised 132523
Code, effective April 1, 2015 (Sections 3 and 4). 132524

Section 747.20. The two hours of study in prepackaged soft 132525
contact lens dispensing required by division (A)(1) of section 132526
4725.411 of the Revised Code shall satisfy the requirements of 132527
division (A)(1)(a)(ii) of section 4725.51 of the Revised Code. 132528

Section 747.30. The members of the State Board of Cosmetology 132529
prior to the effective date of this act shall be appointed to the 132530
State Board of Barbers and Cosmetology. The members shall complete 132531
their terms as appointed under the prior State Board of 132532
Cosmetology. 132533

Section 747.40. Upon the effective date of this section, the 132534
State Barber Board and the State Board of Cosmetology are 132535
abolished and all of their functions, and assets and liabilities, 132536
are transferred to the State Board of Barbers and Cosmetology. The 132537
State Board of Barbers and Cosmetology is thereupon and thereafter 132538
successor to, assumes the obligations of, and otherwise 132539
constitutes the continuation of the State Barber Board and the 132540
State Board of Cosmetology. 132541

Any business commenced but not completed by the State Barber 132542
Board or the State Board of Cosmetology on the effective date of 132543
this section shall be completed by the State Board of Barbers and 132544
Cosmetology in the same manner, and with the same effect, as if 132545
completed by the State Barber Board or the State Board of 132546
Cosmetology. No validation, cure, right, privilege, remedy, 132547
obligation, or liability is lost or impaired by reason of the 132548
transfer required by this section and shall be administered by the 132549
State Board of Barbers and Cosmetology. All of the State Barber 132550
Board and the State Board of Cosmetology's rules, orders, and 132551
determinations continue in effect as rules, orders, and 132552
determinations of the State Board of Barbers and Cosmetology, 132553
until modified or rescinded by the State Board of Barbers and 132554
Cosmetology. If necessary to ensure the integrity of the numbering 132555
of the Administrative Code, the Director of the Legislative 132556
Service Commission shall renumber the State Barber Board and the 132557
State Board of Cosmetology's rules to reflect their transfer to 132558
the State Board of Barbers and Cosmetology. 132559

The Director of Budget and Management shall determine the amount of the unexpended balances in the appropriation accounts that pertain to the State Barber Board or the State Board of Cosmetology and shall recommend to the Controlling Board their transfer to the appropriation accounts that pertain to the State Board of Barbers and Cosmetology. The State Barber Board and the State Board of Cosmetology shall provide full and timely information to the Controlling Board to facilitate this transfer.

Wherever either the State Barber Board or the State Board of Cosmetology is referred to in any law, contract, or other document, the reference shall be deemed to refer to the State Board of Barbers and Cosmetology.

No action or proceeding pending on the effective date of this act is affected by the transfer, and shall be prosecuted or defended in the name of the State Board of Barbers and Cosmetology. In all such actions and proceedings, the State Board of Barbers and Cosmetology, upon application to the court, shall be substituted as a party.

Section 749.10. (A) Not later than ninety days after the effective date of this section, the Public Utilities Commission shall establish a collaborative process with all of the following, to address the internet-protocol-network transition:

- (1) Incumbent local exchange carriers;
- (2) Any competitive local exchange carriers that provide basic local exchange service and are affected by the transition;
- (3) The Office of the Ohio Consumers' Counsel;
- (4) A representative of cable operators, as defined in section 1332.21 of the Revised Code;
- (5) At the invitation of the Commission, other interested parties and members of the General Assembly.

(B) The collaborative process shall focus on the internet-protocol-network transition processes underway at the Federal Communications Commission and the issues of universal connectivity, consumer protection, public safety, reliability, expanded availability of advanced services, affordability, and competition. The collaborative process shall ensure that public education concerning the transition is thorough.

(C) The collaborative process shall include a review of the number and characteristics of basic-local-exchange-service customers in Ohio, an evaluation of what alternatives are available to them, including both wireline and wireless alternatives, and the prospect for the availability of alternatives where none currently exist. The collaborative process shall embark on an education campaign plan for those customers' eventual transition to advanced services. If the collaborative process identifies residential basic-local-exchange-service customers who will be unable to obtain voice service upon the withdrawal or abandonment of basic local exchange service, the Public Utilities Commission may find those customers to be eligible for the process under division (B) of section 4927.10 of the Revised Code, regardless of whether they have filed petitions under that division.

(D) The collaborative process shall, pursuant to the rules of the Public Utilities Commission, respect the confidentiality of any data shared with those involved in the process.

(E) All officers, boards, or commissions of this state and any political subdivision of this state shall furnish to the Public Utilities Commission, upon request, any data or information that will assist the commission in carrying out this section.

Section 749.20. Notwithstanding division (B)(2)(b)(ii) of section 4906.20 of the Revised Code and division (B)(2) of section

economically significant wind farm, as defined in section 4906.13 132624

certificate but have not yet been installed. 132629

(B) The amendment does not increase the number of turbines to 132630
be installed under the existing certificate. 132631

(C) The person seeking the amendment applies to make the 132632
amendment not later than ninety days after the effective date of 132633
this section. 132634

(D) The type of turbine to be installed is more efficient or 132635
otherwise more technologically advanced, as determined by the 132636
Power Siting Board, than the type planned to be installed under 132637
the existing certificate. 132638

(E) The type of turbine to be installed is not more than 132639
eight per cent taller, as measured from its base to the tip of its 132640
highest blade, than the height of the type of turbine, measured in 132641
the same manner, that is approved to be installed under the 132642
existing certificate. 132643

(F) The amendment applies to an economically significant wind 132644
farm or an electric generating plant, as applicable, that is 132645
obligated by contract to provide wind energy to one mercantile 132646
customer that consumes at least seven million kilowatt-hours per 132647
year. For purposes of this section, "mercantile customer" has the 132648
same meaning as in section 4928.01 of the Revised Code. 132649

(G) The turbine or turbines to be installed will be installed 132650

under the existing certificate. 132652

any information pertaining to the exemption from taxation under 133068
division (C)(3) of section 5709.01 of the Revised Code insofar as 133069

Section 757.170. (A) As used in this section:

(1) "Certificate owner" and "qualified rehabilitation expenditures" have the same meanings as in section 149.311 of the

Revised Code. 133129

(2) "Taxpayer," "tax period," "excluded person," "combined taxpayer," and "consolidated elected taxpayer," have the same meanings as in section 5751.01 of the Revised Code. 133130
133131
133132

(3) "Pass-through entity" has the same meaning as in section 5733.04 of the Revised Code. 133133
133134

(B) A taxpayer that is the certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code may claim a credit against the tax levied by section 5751.02 of the Revised Code for tax periods ending on or before June 30, 2017, provided that the taxpayer is unable to claim the credit under section 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the Revised Code. 133135

133140
133141

The credit shall equal the lesser of twenty-five per cent of the dollar amount of the qualified rehabilitation expenditures indicated on the certificate or five million dollars. The credit shall be claimed for the calendar year specified in the certificate and after the credits authorized in divisions (A)(1) to (4) of section 5751.98 of the Revised Code, but before the credits authorized in divisions (A)(5) to (7) of that section. 133142

However, if any amount of the credit is refunded, the sum of the amount refunded and the amount applied to reduce the tax otherwise due for that year shall not exceed three million dollars. The taxpayer may carry forward any balance of the credit in excess of the amount claimed for that year for not more than five calendar years after the calendar year specified in the certificate, and shall deduct any amount claimed in any such year 133149

A person that is an excluded person may file a return under 133161
section 5751.051 of the Revised Code for the purpose of claiming 133162
the credit authorized in this section. 133163

If the certificate owner is a pass-through entity, the credit 133164
may not be allocated among the entity's owners in proportions or 133165

part of the same combined or consolidated elected taxpayer as the 133167
pass-through entity or the director of development services issued 133168

effective date after December 31, 2013, but before June 30, 2017. 133178

A person claiming a credit under this section shall retain 133179
the rehabilitation tax credit certificate for four years following 133180
the end of the latest calendar year in which the credit was 133181

by the tax commissioner upon request. 133183

Section 757.180. As used in this section, "qualified 133184
property" means territory leased by the state under section 133185
1506.11 of the Revised Code, the lease of which has been assigned 133186
to a municipal corporation as lessee, and having unpaid taxes, 133187
penalties, and interest charged against it exceeding the assessed 133188
value of the property for tax year 2014. 133189

Notwithstanding section 5713.081 and division (F) of section 133190
1506.11 of the Revised Code, when qualified property used 133191
exclusively for a public purpose for the purposes of section 133192
5709.08 of the Revised Code has not received tax exemption under 133193
that section, the lessee municipal corporation, at any time on or 133194
before December 31, 2015, may file with the Tax Commissioner an 133195
application requesting that the property be placed on the 133196
tax-exempt list and that unpaid taxes, penalties, and interest 133197
charged and payable after December 31, 1999, on the property be 133198
abated, provided that taxes, penalties, and interest charged and 133199
payable for any tax year the property was used in the operation of 133200
a business may not be abated. 133201

The application shall be made on the form prescribed by the 133202
Tax Commissioner under section 5715.27 of the Revised Code and 133203
shall list the name of the county in which the property is 133204
located; the property's parcel number or legal description; its 133205
assessed value; the amount in dollars of the unpaid taxes, 133206
penalties, and interest charged and payable after December 31, 133207
1999; and any other information required by the Tax Commissioner. 133208
The county auditor shall supply the required information upon 133209
request of the applicant. 133210

After receiving and considering the application, the 133211
Commissioner shall determine if the applicant meets the 133212
qualifications set forth in this section. If so, the Commissioner 133213
shall issue an order directing that the property be placed on the 133214
tax-exempt list of the county and that unpaid taxes, penalties, 133215
and interest charged and payable after December 31, 1999, be 133216
abated except for taxes, penalties, and interest charged and 133217
payable for any tax year that the property was used in the 133218
operation of a business. Such taxes, penalties, and interest shall 133219
be abated even if the property was subject to more than one lease 133220
during the period for which the abatement was requested. If the 133221

Commissioner finds that the property is not now being used for an 133222
exempt purpose or is otherwise ineligible for abatement of taxes, 133223
penalties, and interest under this section, the Commissioner shall 133224
issue an order denying the application. 133225

If the Commissioner finds that the property is not entitled 133226
to tax exemption and the abatement of unpaid taxes, penalties, and 133227
interest, the Commissioner shall order the county treasurer of the 133228
county in which the property is located to collect all taxes, 133229
penalties, and interest due on the property in accordance with 133230
law. 133231

The Commissioner may apply this section to any qualified 133232
property that is the subject of an application for exemption 133233
pending before the Commissioner on the effective date of this 133234
section without requiring the property owner to file an additional 133235
application. 133236

Section 757.190. The amendment by this act of section 5709.17 133237
of the Revised Code applies to applications for exemption that are 133238
pending on, or are filed on or after, the effective date of this 133239
section. 133240

Section 759.10. (A) The Director of Veterans Services shall 133241
adopt rules as required by section 5101.98 (5902.05) of the 133242
Revised Code as amended by this act. Upon the taking effect of 133243
those rules, rules 5101:10-2-01 and 5101:10-2-02 of the 133244
Administrative Code are void. 133245

(B) Pending the taking effect of rules adopted by the 133246
Director of Veterans Services under division (A) of this section, 133247
rules 5101:10-2-01 and 5101:10-2-02 of the Administrative Code 133248
remain in effect, but the Director and Department of Veterans 133249
Services, rather than the Director and Department of Job and 133250
Family Services, shall administer the rules, and references in the 133251

rules to the Director of Job and Family Services shall be read as 133252
if they referred to the Director or Department of Veterans 133253
Services. In applying the rules, the Director of Veterans Services 133254
shall read the eligibility of an individual for a grant from the 133255
Military Injury Relief Fund as if it had been expanded to include 133256
individuals who served after October 7, 2001. 133257

Section 759.20. Not later than six months after the effective 133258
date of this section, the Director of Veterans Services, in 133259
consultation with the Ohio Recorders Association, shall establish 133260
initial material and design standards for Ohio veterans 133261
identification cards, as required by section 5902.09 of the 133262
Revised Code. The initial material and design standards shall be 133263
prescribed in rules adopted under Chapter 119. of the Revised 133264
Code. 133265

Section 761.10. Sections 164.13, 317.08, 929.03, 6103.052, 133266
6117.062, 6117.51, 6117.52, 6117.521, 6117.522, 6119.60, 6119.601, 133267
and 6119.602 of the Revised Code as amended or enacted by this act 133268

under Chapter 6117. of the Revised Code or an existing waste water 133270
facility construction project authorized under Chapter 6119. of 133271
the Revised Code regarding which a board of county commissioners 133272
or the board of trustees of a regional water and sewer district, 133273
respectively, has done either of the following: 133274

(A) Expended funds to authorize and has entered into 133275

for the planning of such a project prior to January 1, 2016; 133277

(B) Entered into a contract or agreement with the legislative 133278
authority of another political subdivision, prior to January 1, 133279
2015, for the provision of sewerage collection, treatment, or 133280
disposal services or that provides for connection to a sewerage 133281

system, the performance of which is executory in nature. 133282

Section 763.10. (A) There is hereby established the 133283

of the following: 133285

(1) Workforce development system options for in-demand jobs 133286

common agenda and shared performance measures in aerospace and 133289
manufacturing; 133290

(3) Identifying the supply and demand of in-demand job areas 133291
over multi-time horizons and using this data to establish 133292
short-term and long-term targets for the Montgomery County 133293
region's in-demand jobs that are approved and shared by the 133294
network's partners; 133295

(4) Identifying and implementing clear pathways and 133296
incentives for meeting educational and experiential objectives; 133297

(5) Identifying a collaborative strategy to expand the number 133298
