annually or semiannually. 31703

The bonds shall show on their face the purpose for which 31704
issued and shall create no liability upon or be considered an 31705
indebtedness of the state, but both the principal and interest 31706
shall be paid solely out of the proceeds arising from the 31707
improvements constructed, altered, or enlarged by the chief, or 31708
from the proceeds of the sale or foreclosure of the lien securing 31709
the bonds on such improvement or such part thereof as is 31710
constructed from the money realized from the sale of the bonds. 31711

The form of the bonds shall be approved by the attorney 31712
general, and they shall be signed by the governor and attested by 31713
the director of natural resources and the chief. The bonds may be 31714
issued as coupon bonds, payable to bearer only, or upon demand of 31715
the owner or holder thereof as registered bonds. 31716

Such bonds shall be sold by the chief to the highest bidder 31717
therefor, but for not less than the par value thereof, with 31718

accrued interest thereon, after thirty days' notice in at least 31719
two newspapers of general circulation in the county where such 31720
improvements are to be constructed, altered, or enlarged, setting 31721
forth the nature, amount, rate of interest, and length of time the 31722
bonds have to run, with the time and place of sale. 31723

The treasurer of state shall be the treasurer of the fund 31724
realized from the sale of such bonds, and the auditor of state 31725
shall be the auditor of such fund. The proceeds of such sale shall 31726
be turned over to the treasurer of state and shall be deposited by 31727
the treasurer of state in a solvent bank, located either in 31728
Columbus or in the county in which such improvements are located. 31729
Such proceeds shall be kept by such bank in a fund to be known as 31730
the water conservation improvement fund. Such fund shall be used 31731
to acquire the necessary real estate and to construct such new 31732
improvements and for no other purpose, except that the treasurer 31733
of state may pay the interest on the bonds during the period of 31734
condemnation and the construction, alteration, or enlargement of 31735
such improvements out of the proceeds arising from the sale of the 31736
bonds for a term not exceeding three years from the date on which 31737
the bonds are issued. The bank shall give bond to the state in 31738
such amount as the treasurer of state considers advisable, and 31739
with surety to the satisfaction of the treasurer of state, for the 31740
benefit of the holders of the bonds, and for the benefit of any 31741
contractors performing labor or furnishing material for such 31742
improvements, as provided by law, conditioned that it will safely 31743
keep the money and will make no payments or disbursements 31744
therefrom except as provided in sections 1523.01 to 1523.13 of the 31745
Revised Code. 31746

The treasurer of state shall hold such fund as trustee for 31747
the holders of the bonds and for all persons performing labor or 31748
furnishing material for the construction, alteration, or 31749
enlargement of any improvement made under such sections. Such 31750

funds shall not be turned into the state treasury, but shall be 31751
deposited and disbursed by the treasurer of state as provided in 31752
such sections. The interest coupons attached to such bonds shall 31753
bear the signature of the treasurer of state, executed by the 31754
treasurer of state or printed or lithographed thereon. 31755

Both the interest and principal of such bonds shall be made 31756
payable at the office of the treasurer of state in Columbus, and 31757
shall be paid by the treasurer of state, without warrant or 31758
authority of the director of budget and management, to the owner 31759
or holder of such bonds upon presentation by the owner or holder 31760
of matured interest coupons or bonds. 31761

Sec. 1523.03. Immediately after the sale of the bonds 31762
authorized by section 1523.02 of the Revised Code and the payment 31763
of the proceeds thereof to the treasurer of state as provided in 31764
such section, the chief of the division of ~~soil and~~ water 31765
resources shall make a written contract for the construction of 31766
the improvements or for the making of additions to or alterations 31767
in existing improvements with the lowest responsive and 31768
responsible bidder, in accordance with section 9.312 of the 31769
Revised Code, after advertisements once a week for four 31770
consecutive weeks in one newspaper in each of the cities of 31771
Columbus, Cleveland, and Cincinnati having a general circulation 31772
therein, one trade paper having a circulation among contractors 31773
engaged in the construction of public improvement work of like 31774
character, and two newspapers having a general circulation within 31775
the county in which the dam, reservoir, storage basin, or other 31776
improvement is located or is to be located. 31777

All bids shall be filed with the chief, within the time fixed 31778
for the filing of such bids in the advertisement. The bids shall 31779
be opened and publicly read by the chief at twelve noon on the 31780
last day for filing them. Each bid shall contain the full names of 31781

every person or company interested in it, shall separately state 31782
the price of both the labor and material to be furnished under it, 31783
and shall meet the requirements of section 153.54 of the Revised 31784
Code. 31785

The chief may reject any bids. If the chief rejects all bids, 31786
the chief shall within sixty days thereafter readvertise for bids 31787
for the construction of such improvements, as provided in this 31788
section, and may continue to readvertise for bids every sixty days 31789
until bids are received which are made to the chief's satisfaction 31790
and in conformity to sections 1523.01 to 1523.13 of the Revised 31791
Code. 31792

The chief may award separate contracts to bidders for each 31793
part of the labor to be done or material to be furnished for the 31794
construction of such improvements, provided that the amount of the 31795
contract, if awarded as a whole, or the aggregate of the several 31796
contracts, if awarded separately, shall not, together with the 31797
cost of the land necessary for such improvements and the estimated 31798
damages to remaining property, be in excess of the estimated cost 31799
of the construction thereof, including such land and damages. Such 31800
contracts shall provide that all payments thereunder shall be made 31801
only from the proceeds of the sale of the bonds issued for the 31802
construction of such improvements. No contractor shall receive 31803
payment for any work or labor performed or material furnished for 31804
such improvements unless the contract therefor was, at the time of 31805
its execution, approved by the governor by the governor's written 31806
indorsement on such contract. 31807

Sec. 1523.04. When estimates or statements for either 31808
material theretofore furnished or labor theretofore performed 31809
under a contract entered into as provided in section 1523.03 of 31810
the Revised Code are presented to the chief of the division of 31811
~~soil and~~ water resources by the contractor, certified as to the 31812

correctness thereof under oath by the contractor or the 31813
contractor's authorized agent and approved in writing by the 31814
chief, the chief shall pay the amount of such estimates or 31815
statements from the water conservation improvement fund. 31816

Sec. 1523.05. The chief of the division of ~~soil and~~ water 31817
resources shall by contract in writing sell or lease for 31818
agricultural, commercial, manufacturing, or other lawful purposes, 31819
for any term not exceeding fifty years, the water, or any part 31820
thereof, conserved and stored by the improvements then existing, 31821
or that will be conserved and stored by any improvements 31822
thereafter to be constructed by the chief. The chief may lease the 31823
land surrounding the water for a term not exceeding fifty years, 31824
as shown by the plans and specifications prepared by the chief and 31825
approved by the governor as provided in section 1523.01 of the 31826
Revised Code. Such agreements shall be for a certain price or 31827
rental for the water or lands furnished to or used by the 31828
grantees, lessees, or their assigns, to be paid quarterly, 31829
semiannually, or annually as the chief deems advisable. 31830

The chief may, for a term not exceeding fifty years, sell or 31831
lease power generated by any head of water raised or maintained by 31832
any such improvement, or the chief may sell or lease the right to 31833
use such head of water for generating power or other hydraulic 31834
purposes. 31835

All such contracts of sale or lease, whether for water or 31836
power, shall contain such reservations or restrictions as the 31837
chief deems necessary and proper in furtherance of the purposes of 31838
sections 1523.01 to 1523.13 of the Revised Code, and the 31839
preservation of the use of such waters for navigation in case they 31840
are required therefor. 31841

Such contracts or leases shall be approved by the attorney 31842
general as to their general form and legality and, before becoming 31843

binding obligations on the state, they shall be approved by the 31844
governor by the governor's written indorsement thereon. 31845

Sec. 1523.06. (A) The chief of the division of ~~soil and~~ water 31846
resources before selling bonds as provided in section 1523.02 of 31847
the Revised Code or before receiving bids for the construction of 31848
improvements as authorized by section 1523.03 of the Revised Code 31849
may enter into tentative agreements for the sale or lease of water 31850
or power to: 31851

(1) Ascertain whether the public interest and welfare 31852
reasonably require the proposed improvements in the proposed 31853
locality; 31854

(2) Determine whether the revenues which the state may derive 31855
from the lease of lands and the lease and sale of the waters which 31856
are estimated will be conserved, impounded, and stored, or from 31857
the sale or lease of the power generated by such improvements, 31858
will be sufficient: 31859

(a) To pay the interest on bonds issued under section 1523.02 31860
of the Revised Code; 31861

(b) To create a sinking fund to retire the bonds at their 31862
maturity; 31863

(c) To maintain and keep the improvements in repair. 31864

(B) The performance and carrying out of such tentative 31865
agreements shall be conditioned upon the ability of such chief to: 31866

(1) Sell the proposed bonds at not less than par and accrued 31867
interest; 31868

(2) Secure bids for the furnishing of all the labor and 31869
material necessary in the construction of such improvements, 31870
including all real estate required and damages incurred, at such a 31871
price that the rentals or compensation to be paid will provide 31872
during the terms of such contracts or leases a sum sufficient to 31873

pay the interest, retire the bonds, and maintain and keep the 31874
improvements in repair. 31875

Sec. 1523.07. The treasurer of state shall be treasurer and 31876
the auditor of state shall be auditor of all moneys derived from 31877
the use of the improvements authorized by sections 1523.01 to 31878
1523.13 of the Revised Code. The treasurer of state shall hold the 31879
moneys as trustee for the maintenance of any improvements 31880
constructed under such sections, and for the holders of any bonds 31881
issued in accordance with section 1523.02 of the Revised Code. The 31882
moneys shall not be turned into the state treasury, but shall be 31883
deposited and disbursed by the treasurer of state in the manner 31884
provided in this section. All such moneys shall be collected by 31885
the treasurer of state on statements to be furnished by the chief 31886
of the division of ~~soil and~~ water resources and when so collected 31887
shall be deposited in solvent banks in the state upon the same 31888
terms as state funds are now loaned. The funds shall be kept by 31889
such banks in a fund known as the "water conservation fund" and 31890
shall be used, first, to maintain and keep in repair the dams, 31891
reservoirs, storage basins, and other improvements, and, second, 31892
to pay the interest upon and principal of the bonds issued and 31893
sold pursuant to section 1523.02 of the Revised Code, as such 31894
interest falls due or the bonds mature. 31895

The banks in which the treasurer of state deposits any of the 31896
moneys belonging either to the water conservation improvement fund 31897
provided for in section 1523.02 of the Revised Code or the water 31898
conservation fund provided for in this section shall be state 31899
depository banks as provided for in sections 135.01 to 135.21 of 31900
the Revised Code. An amount not to exceed fifty thousand dollars 31901
of the money on deposit at any one time in the water conservation 31902
improvement fund, and an amount not to exceed ten thousand dollars 31903
in the water conservation fund shall be held by any of the banks 31904
as an active deposit, and the banks shall pay the treasurer of 31905

state on such deposits, both active and inactive, the same rate of 31906
interest then being paid by them upon the funds of the state then 31907
deposited with them by the treasurer of state. All such payments 31908
of interest shall be credited to the respective funds upon which 31909
such interest is paid. 31910

Sec. 1523.08. When the cost of any repairs to the 31911
improvements authorized by section 1523.01 of the Revised Code 31912
does not exceed one thousand dollars, the chief of the division of 31913
~~soil and~~ water resources either may make such repairs or may let a 31914
contract therefor without advertising for bids. If the cost of any 31915
such repairs is in excess of one thousand dollars, the chief shall 31916
advertise for bids for the making of such repairs and let a 31917
contract therefor as provided in section 1523.03 of the Revised 31918
Code. 31919

When itemized statements are presented to the chief showing 31920
the amount of labor performed and material furnished in the making 31921
of such repairs, verified by the person making them and approved 31922
in writing by the chief, the chief shall pay the amount of such 31923
statement from the water conservation fund. 31924

Sec. 1523.09. If a reservoir, dam, storage basin, or other 31925
improvement constructed or enlarged by the chief of the division 31926
of ~~soil and~~ water resources as provided in sections 1523.01 to 31927
1523.13 of the Revised Code constitutes a part of the canal system 31928
of the state or is located upon any river, stream, or body of 31929
water formerly used as a feeder for the canal system, no water 31930
shall be sold or leased from the improvement except in accordance 31931
with section 1520.03 of the Revised Code. 31932

Sec. 1523.10. The funds derived from the sale, use, or lease 31933
of the water impounded and conserved or the power generated by the 31934
improvements constructed pursuant to sections 1523.01 to 1523.13 31935

of the Revised Code, or from the lease of the lands and 31936
improvements adjacent thereto are hereby expressly pledged for the 31937
purpose of maintaining and keeping the improvements in repair and 31938
for the payment of the interest on and principal of the bonds 31939
issued under section 1523.02 of the Revised Code, as the same fall 31940
due and mature. The owners of such bonds are hereby given a lien 31941
for the payment of the principal and interest of such bonds upon 31942
any dam, reservoir, storage basin, or other improvements, or any 31943
part thereof, with the appurtenances belonging thereto, 31944
constructed by the chief of the division of ~~soil and~~ water 31945
resources with the funds derived from the sale of such bonds. 31946

If default is made in the payment of the interest on any of 31947
the bonds for three or more successive years, or if bonds, 31948
aggregating in par value not less than ten per cent of the total 31949
amount of such bonds then outstanding are not paid at maturity, 31950
then all of the bonds, both principal and interest, shall become 31951
due and payable, and the owners of any of the bonds, aggregating 31952
in par value not less than ten per cent of the total amount of 31953
such bonds then outstanding, may institute proceedings to 31954
foreclose such lien against the state in the court of common pleas 31955
of the county in which is located any of the improvements, 31956
constructed, altered, or enlarged out of the proceeds of the sale 31957
of such bonds. 31958

The court shall have jurisdiction of such action with full 31959
power to foreclose such lien and to make an order to the sheriff 31960
of the county, acting as a master commissioner, directing the 31961
sheriff to make a sale of such improvements or part thereof at not 31962
less than two-thirds of the appraised value thereof, and upon such 31963
terms and in manner and form as provided for in the order, and to 31964
pay the proceeds of such sale to the clerk of the court of common 31965
pleas. Upon motion of the purchaser of such improvements at such 31966
sale, the court, if such sale is found to be regular in all 31967

respects and according to law, shall confirm the sale and order 31968
the sheriff to execute a deed to such purchaser and the 31969
purchaser's assigns, conveying to the purchaser and the 31970
purchaser's assigns all the right, title, and interest of the 31971
holders of the bonds in and to the improvements, and all the 31972
right, title, and interest of the state, for a period of not more 31973
than fifty years from the date of such conveyance, in the same, 31974
with full right and franchise, for the period of not to exceed 31975
fifty years, to operate the improvements and dispose of the water 31976
conserved or the power generated thereby, with the further right, 31977
for the period of fifty years, to flow, transport, and convey the 31978
water from the improvements, or to conduct and transmit power 31979
generated thereby through, over, and upon any of the lands of the 31980
state or channels or beds of any of its reservoirs, lakes, canals, 31981
races, aqueducts, or watercourses. In the exercise of such rights, 31982
such purchaser or the purchaser's assigns shall at all times 31983
during the term of the grant maintain the improvements so conveyed 31984
to them in a good state of repair and shall not interfere with the 31985
navigation of the canals of the state or with the control and 31986
maintenance thereof or with the sale of water by the state from 31987
its dams, reservoirs, and improvements other than those so 31988
constructed. The state does not incur any liability by reason of 31989
such sale and the rights granted thereunder to continue to 31990
maintain such canals, races, channels, or watercourses, or to 31991
continue the use thereof. Such conveyance or grant by the sheriff 31992
as such master commissioner shall contain a clause giving the 31993
chief such control of waste gates and wickets as to regulate the 31994
flow of water in the state reservoirs or canals, in such manner as 31995
to maintain the proper level therein and to prevent the flowing 31996
into such reservoirs and canals of such quantities of water as 31997
might impair any of the property of the state or its lessees, 31998
except as otherwise provided in section 1520.03 of the Revised 31999
Code. 32000

Upon the foreclosure of the lien and the sale of the 32001
improvements, all contracts or leases for the sale, use, or lease 32002
of water, the lands and improvements adjacent thereto, or power 32003
rights then outstanding shall become void, and the rights of the 32004
state and the several lessees thereunder, shall cease. 32005

Upon the making of an order by the court for the sale of such 32006
improvements, and before they are offered for sale by the sheriff, 32007
the court shall appoint three disinterested appraisers, one of 32008
whom shall be a water-works or hydraulic engineer with at least 32009
five years' experience in the practice of the engineer's 32010
profession, and two of whom shall be freeholders residing in the 32011
county in which any of such improvements are located. The 32012
appraisers shall appraise the improvements and shall, within the 32013
time fixed by the court, file such appraisal in writing with the 32014
clerk. If the lien given by this section as security for the 32015
payment of the bonds covers a part only of the improvements, the 32016
appraisers shall appraise the improvements as an entirety, and 32017
shall also appraise separately the part constructed from the 32018
proceeds of the sale of the bonds, the lien of which is being 32019
foreclosed in such proceeding. 32020

In making such appraisal and fixing the value of the 32021
improvements or of such part thereof, the appraisers shall have 32022
access to all papers and documents on file in the office of the 32023
chief relating to such improvements, including the plans and 32024
specifications therefor, and the bids made and contracts entered 32025
into for the construction thereof, and all leases and contracts 32026
for the sale of water impounded therein and power generated 32027
thereby. The order of the court shall direct the sale only of such 32028
part of the improvements as have been constructed from the 32029
proceeds of the sale of the bonds. The purchaser at such sale, in 32030
the operation of such improvements during the term of the 32031
franchise granted to the purchaser by this section, shall draw 32032

from the dam or reservoir impounding such water only such portion 32033
thereof as the appraised value of that part of such improvements, 32034
constructed from the proceeds of the sale of such bonds and sold 32035
to the purchaser under the order of the court, bears to the entire 32036
appraised value of such improvements. 32037

If at any time during the term of the franchise granted to 32038
the purchaser of such improvements at such foreclosure sale any 32039
controversy arises between the purchaser or the purchaser's 32040
assigns and the chief as to the operation of such improvements, or 32041
as to the amount of water which the purchaser is drawing or is 32042
entitled to draw therefrom, either the purchaser or the chief may 32043
file a petition in the court, setting forth the facts connected 32044
with such controversy. 32045

Notice in writing of the filing of such petition shall be 32046
given to the opposite party to the controversy within thirty days 32047
from the date of the filing thereof, either by service of such 32048
notice personally upon such opposite party by the sheriff of such 32049
county or by service by mail by the clerk. Such notice shall be 32050
mailed to the name and address which the purchaser filed with the 32051
clerk at the time of the delivery to the purchaser by the sheriff 32052
of the deed. Within thirty days from the serving or mailing of 32053
such notice, the opposite party to the controversy shall file an 32054
answer in the court, and thereupon the court shall hear and 32055
determine the controversy and make such order in regard to it as 32056
is just and proper, which order shall be binding upon all the 32057
parties to the controversy. 32058

At the termination of the period of not to exceed fifty 32059
years, all of the rights and privileges conveyed to the purchaser 32060
by the deed and grant of such sheriff as master commissioner shall 32061
cease and the improvements, with all the appurtenances belonging 32062
thereto, shall revert to and become the property of the state, 32063
free and clear of any claims whatever against them. 32064

The clerk shall distribute and pay the money received by the clerk from the sheriff as such master commissioner from the sale of such improvements to the holders of the bonds pro rata, and upon such payment to any of the bondholders, they shall surrender to the ~~the~~ clerk their bonds, with all unpaid interest coupons thereon. The clerk shall thereupon cancel the same and deliver them, so canceled, to the treasurer of the water conservation improvement fund.

Sec. 1523.11. All appropriations of property made by the chief of the division of ~~soil and~~ water resources in carrying out sections 1523.01 to 1523.13 of the Revised Code, shall be made in accordance with sections 163.01 to 163.22 of the Revised Code, provided that possession of any property so appropriated shall not be taken by the state or the chief before the compensation and damages awarded therefor in the appropriation proceedings have been paid into court.

Sec. 1523.12. Sections 1523.01 to 1523.13 of the Revised Code do not authorize any reduction in the quantity or any impairment in the quality of the water in any watershed, stream, or basin, developed or undeveloped, from which any political subdivision is, at the time the chief of the division of ~~soil and~~ water resources proposes and is proceeding to construct in such watershed, stream, or basin any of the improvements authorized by such sections, taking water for the use of itself or its inhabitants, or has plans under way, or has made or begun appropriation of any property or rights in such watershed, stream, or basin for the purpose of acquiring a water supply for itself or its inhabitants for either domestic, industrial, or other uses. Such sections do not authorize the chief to sell or lease the right to use water at any time for any purpose or to such an extent as to prejudice, abrogate, or supersede any of the water rights granted by the

state to the city of Akron as provided in volume 102, Ohio Laws, 32096
page 175, sections 1 to 3. 32097

Sec. 1523.13. If by reason of severe drought or other causes 32098
the water supply of any political subdivision is, in the judgment 32099
of the chief of the division of ~~soil and~~ water resources, at any 32100
time so reduced or impaired as to endanger the property of such 32101
political subdivision, or the health, safety, or property of the 32102
inhabitants thereof, then the chief, under such regulations as the 32103
chief prescribes, may grant to such political subdivision the 32104
right, during the continuance of such emergency, to draw or take 32105
such quantity of water as is necessary to protect the property of 32106
such political subdivision and the health, safety, or property of 32107
its inhabitants from any improvement constructed under sections 32108
1523.01 to 1523.13 of the Revised Code, before any of the lessees 32109
or grantees of the state using the water for industrial purposes 32110
take water therefrom. Such political subdivision shall pay such 32111
price per thousand gallons for the water so taken by it as is 32112
fixed by the chief and the governor. The price so fixed shall not 32113
exceed the maximum price then being paid for water to the state by 32114
any of its lessees or grantees. Such grant by the chief to such 32115
political subdivision shall not modify the terms or impair the 32116
validity of any leases then existing between the state and other 32117
persons, firms, or corporations, except as expressly provided in 32118
this section. 32119

Sec. 1523.14. The director of transportation in constructing 32120
highways, bridges, and culverts as provided by law; the board of 32121
county commissioners in constructing highways, bridges, and 32122
culverts as provided by law; the board of township trustees of any 32123
township in constructing highways, bridges, and culverts as 32124

improving viaducts, bridges, and culverts under section 717.01 of 32126

the Revised Code, either severally or jointly, upon request of the 32127
chief of the division of ~~soil and~~ water resources and with the 32128
approval of the director of transportation, may construct and 32129
maintain slack-water dams in connection with the highway, highway 32130
bridge, or culvert so as to create reservoirs, ponds, water parks, 32131
basins, lakes, or other incidental works to conserve the water 32132
supply of the state. 32133

Sec. 1523.15. The chief of the division of ~~soil and~~ water 32134
resources may request the public authority having charge of the 32135
construction of state, county, or township highways, highway 32136
bridges, and culverts, or municipal streets, for the construction 32137
of slack-water dams in connection with the construction of any 32138
such highway, street, highway bridge, or culvert whenever, in the 32139
chief's opinion, the construction of such dam is desirable and 32140
feasible for the economical creation and construction of 32141
reservoirs, ponds, water parks, basins, lakes, or other incidental 32142
works for the conservation of the water supply of the state. 32143

The public authority having charge of such construction may 32144
approve such request when, in its opinion, the construction of 32145
such dams will not unnecessarily delay or hinder the construction 32146
of the highway, street, highway bridge, or culvert, or will not 32147
interfere with its value or use for highway purposes. 32148

If such request is approved, the chief, in cooperation with 32149
the department of transportation and the public authority 32150
participating in the project, shall make a survey and prepare 32151
plans, specifications, and estimates for the construction of such 32152
dams and the reservoir, pond, water park, basin, lake, or other 32153
incidental works in connection therewith. 32154

Upon approval of the plans and specifications and 32155
determination to proceed with the project, the chief shall enter 32156
into an agreement with the public authority on the distribution of 32157

the cost and expense of the construction of such dams and 32158
incidental works in connection therewith. The portion of the cost 32159
to be paid by the division of ~~soil and~~ water resources shall be 32160
paid from any funds appropriated for or paid into the division and 32161
available for such purpose. 32162

Such dams shall be constructed under and subject to any laws 32163
governing the construction of state, county, or township highways, 32164
bridges, or culverts. Any public authority undertaking 32165
construction under sections 1523.14 to 1523.20 of the Revised Code 32166
shall proceed in the same manner as provided for the construction 32167
of highway or street improvements. 32168

Sec. 1523.16. Any department or division of the state 32169
government, or any county, township, municipal corporation, park 32170
board, or district, or any organization, club, corporation, or 32171
private person may petition the chief of the division of ~~soil and~~ 32172
water resources for the construction of dams and reservoir 32173
projects in connection with the construction of any highway, 32174
highway bridge, or culvert. 32175

Upon receipt of such a petition and its approval by the 32176
chief, the chief shall proceed as authorized by section 1523.15 of 32177
the Revised Code. If the public authority having charge of the 32178
construction of such highway, street, highway bridge, or culvert 32179
approves the request, then the chief shall enter into an agreement 32180
with the public authority, organization, or person petitioning for 32181
the construction of such dam or reservoir on the apportionment of 32182
the cost and expense of construction. The cost and expense of such 32183
dam project shall include the cost of clearing and grubbing and 32184
the cost of property and damages incidental thereto. Such 32185
agreement shall also contain provisions for the proper maintenance 32186
and repair of such projects after completion, and also apportion 32187
the revenue derived therefrom between the division of ~~soil and~~ 32188

water resources and the petitioner. 32189

Sec. 1523.17. In all cases in which a public authority, 32190
private organization, or person petitions for the construction of 32191
a dam and reservoir project as authorized by sections 1523.14 to 32192
1523.20 of the Revised Code, the chief of the division of ~~soil and~~ 32193
water resources, as a condition precedent to the construction of 32194
such project, shall require the petitioning authority, 32195
organization, or person to pay the petitioning authority's, 32196
organization's, or person's share of the cost and expense of such 32197
project. 32198

Any deficiency shall be made up by the parties bearing the 32199
cost before any further work is done. If the deficiency is not 32200
made up within sixty days after it is known, the amount paid in, 32201
less the expense incurred by the chief and the cooperating public 32202
authorities, shall be refunded to the donor. After completion of 32203
the work, any amount remaining to the credit of the project shall 32204
likewise be refunded. 32205

Sec. 1523.18. In the construction of dams, reservoirs, and 32206
other incidental works under sections 1523.14 to 1523.20 of the 32207
Revised Code, the chief of the division of ~~soil and~~ water 32208
resources shall proceed as provided by law, and shall enter into 32209
contracts therefor as provided in sections 153.01 to 153.29 of the 32210
Revised Code. The director of transportation, the chief of the 32211
division of wildlife with the approval of the director of natural 32212
resources, and any county, township, municipal corporation, and 32213
public park board or district may proceed with the letting of 32214
contracts for the construction of such dams or reservoir projects, 32215
approved by the chief of the division of ~~soil and~~ water resources, 32216
under any laws regulating the letting of contracts applicable to 32217
their respective departments, divisions, districts, or political 32218

the Revised Code. 32220

Sec. 1523.19. The chief of the division of ~~soil and~~ water 32221
resources shall have the supervision, care, and control of all 32222

the Revised Code, and shall maintain and keep them in repair. The 32225
cost of such maintenance and repair shall be paid from any funds 32226
appropriated to the division of ~~soil and~~ water resources for that 32227
purpose or paid into the state treasury as agreed upon with the 32228
public or contracting authorities co-operating in the construction 32229
of such projects. 32230

Such projects may also be maintained by any department or 32231
division of state government or other public authorities leasing 32232
or operating the projects, through agreements made with the chief. 32233
All rentals derived from the lessees of such projects shall be 32234
used by the chief in the maintenance or repair of all such 32235
projects constructed under such sections. The costs and expenses 32236

The title or lease to any such lands, waters, or riparian 32247

appropriated for the use of or paid into the division of ~~soil and~~ 32254
water resources and available for that purpose. The chief may 32255
accept contributions to those funds from individuals, 32256

(C) Any report made pursuant to division (A) or (B) of this section shall be made forthwith either by telephone or in person and shall be followed by a written report, if requested by the receiving agency or officer. The written report shall contain:

(1) The names and addresses of the child and the child's parents or the person or persons having custody of the child, if known;

(3) Any other information that might be helpful in establishing the cause of the injury, abuse, or neglect that is known or reasonably suspected or believed, as applicable, to have occurred or of the threat of injury, abuse, or neglect that is known or reasonably suspected or believed, as applicable, to exist.

Any person, who is required by division (A) of this section to report child abuse or child neglect that is known or reasonably suspected or believed to have occurred, may take or cause to be taken color photographs of areas of trauma visible on a child and, if medically indicated, cause to be performed radiological examinations of the child.

(D) As used in this division, "children's advocacy center" and "sexual abuse of a child" have the same meanings as in section 2151.425 of the Revised Code.

(1) When a municipal or county peace officer receives a 34219
report concerning the possible abuse or neglect of a child or the 34220
possible threat of abuse or neglect of a child, upon receipt of 34221
the report, the municipal or county peace officer who receives the 34222
report shall refer the report to the appropriate public children 34223
services agency. 34224

(2) When a public children services agency receives a report 34225
pursuant to this division or division (A) or (B) of this section, 34226
upon receipt of the report, the public children services agency 34227
shall do both of the following: 34228

(a) Comply with section 2151.422 of the Revised Code; 34229

(b) If the county served by the agency is also served by a 34230
children's advocacy center and the report alleges sexual abuse of 34231
a child or another type of abuse of a child that is specified in 34232
the memorandum of understanding that creates the center as being 34233
within the center's jurisdiction, comply regarding the report with 34234
the protocol and procedures for referrals and investigations, with 34235
the coordinating activities, and with the authority or 34236
responsibility for performing or providing functions, activities, 34237
and services stipulated in the interagency agreement entered into 34238
under section 2151.428 of the Revised Code relative to that 34239
center. 34240

(E) No township, municipal, or county peace officer shall 34241
remove a child about whom a report is made pursuant to this 34242
section from the child's parents, stepparents, or guardian or any 34243
other persons having custody of the child without consultation 34244
with the public children services agency, unless, in the judgment 34245
of the officer, and, if the report was made by physician, the 34246
physician, immediate removal is considered essential to protect 34247
the child from further abuse or neglect. The agency that must be 34248
consulted shall be the agency conducting the investigation of the 34249
report as determined pursuant to section 2151.422 of the Revised 34250

Code. 34251

(F)(1) Except as provided in section 2151.422 of the Revised Code or in an interagency agreement entered into under section 2151.428 of the Revised Code that applies to the particular report, the public children services agency shall investigate, within twenty-four hours, each report of child abuse or child neglect that is known or reasonably suspected or believed to have occurred and of a threat of child abuse or child neglect that is known or reasonably suspected or believed to exist that is referred to it under this section to determine the circumstances surrounding the injuries, abuse, or neglect or the threat of injury, abuse, or neglect, the cause of the injuries, abuse, neglect, or threat, and the person or persons responsible. The investigation shall be made in cooperation with the law enforcement agency and in accordance with the memorandum of understanding prepared under division (J) of this section. A representative of the public children services agency shall, at the time of initial contact with the person subject to the investigation, inform the person of the specific complaints or allegations made against the person. The information shall be given in a manner that is consistent with division (H)(1) of this section and protects the rights of the person making the report under this section.

A failure to make the investigation in accordance with the memorandum is not grounds for, and shall not result in, the dismissal of any charges or complaint arising from the report or the suppression of any evidence obtained as a result of the report and does not give, and shall not be construed as giving, any rights or any grounds for appeal or post-conviction relief to any person. The public children services agency shall report each case to the uniform statewide automated child welfare information system that the department of job and family services shall

maintain in accordance with section 5101.13 of the Revised Code. 34283
The public children services agency shall submit a report of its 34284
investigation, in writing, to the law enforcement agency. 34285

(2) The public children services agency shall make any 34286
recommendations to the county prosecuting attorney or city 34287
director of law that it considers necessary to protect any 34288
children that are brought to its attention. 34289

(G)(1)(a) Except as provided in division (H)(3) of this 34290
section, anyone or any hospital, institution, school, health 34291
department, or agency participating in the making of reports under 34292
division (A) of this section, anyone or any hospital, institution, 34293
school, health department, or agency participating in good faith 34294
in the making of reports under division (B) of this section, and 34295
anyone participating in good faith in a judicial proceeding 34296
resulting from the reports, shall be immune from any civil or 34297
criminal liability for injury, death, or loss to person or 34298
property that otherwise might be incurred or imposed as a result 34299
of the making of the reports or the participation in the judicial 34300
proceeding. 34301

(b) Notwithstanding section 4731.22 of the Revised Code, the 34302
physician-patient privilege shall not be a ground for excluding 34303
evidence regarding a child's injuries, abuse, or neglect, or the 34304
cause of the injuries, abuse, or neglect in any judicial 34305
proceeding resulting from a report submitted pursuant to this 34306
section. 34307

(2) In any civil or criminal action or proceeding in which it 34308
is alleged and proved that participation in the making of a report 34309
under this section was not in good faith or participation in a 34310
judicial proceeding resulting from a report made under this 34311
section was not in good faith, the court shall award the 34312
prevailing party reasonable attorney's fees and costs and, if a 34313
civil action or proceeding is voluntarily dismissed, may award 34314

reasonable attorney's fees and costs to the party against whom the 34315
civil action or proceeding is brought. 34316

(H)(1) Except as provided in divisions (H)(4) and (N) of this 34317
section, a report made under this section is confidential. The 34318
information provided in a report made pursuant to this section and 34319
the name of the person who made the report shall not be released 34320
for use, and shall not be used, as evidence in any civil action or 34321
proceeding brought against the person who made the report. Nothing 34322
in this division shall preclude the use of reports of other 34323
incidents of known or suspected abuse or neglect in a civil action 34324
or proceeding brought pursuant to division (M) of this section 34325
against a person who is alleged to have violated division (A)(1) 34326
of this section, provided that any information in a report that 34327
would identify the child who is the subject of the report or the 34328
maker of the report, if the maker of the report is not the 34329
defendant or an agent or employee of the defendant, has been 34330
redacted. In a criminal proceeding, the report is admissible in 34331
evidence in accordance with the Rules of Evidence and is subject 34332
to discovery in accordance with the Rules of Criminal Procedure. 34333

(2) No person shall permit or encourage the unauthorized 34334
dissemination of the contents of any report made under this 34335
section. 34336

(3) A person who knowingly makes or causes another person to 34337
make a false report under division (B) of this section that 34338
alleges that any person has committed an act or omission that 34339
resulted in a child being an abused child or a neglected child is 34340
guilty of a violation of section 2921.14 of the Revised Code. 34341

(4) If a report is made pursuant to division (A) or (B) of 34342
this section and the child who is the subject of the report dies 34343
for any reason at any time after the report is made, but before 34344
the child attains eighteen years of age, the public children 34345
services agency or municipal or county peace officer to which the 34346

report was made or referred, on the request of the child fatality 34347
review board or the director of health pursuant to guidelines 34348
established under section 3701.70 of the Revised Code, shall 34349
submit a summary sheet of information providing a summary of the 34350
report to the review board of the county in which the deceased 34351
child resided at the time of death or to the director. On the 34352
request of the review board or director, the agency or peace 34353
officer may, at its discretion, make the report available to the 34354
review board or director. If the county served by the public 34355
children services agency is also served by a children's advocacy 34356
center and the report of alleged sexual abuse of a child or 34357
another type of abuse of a child is specified in the memorandum of 34358
understanding that creates the center as being within the center's 34359
jurisdiction, the agency or center shall perform the duties and 34360
functions specified in this division in accordance with the 34361
interagency agreement entered into under section 2151.428 of the 34362
Revised Code relative to that advocacy center. 34363

(5) A public children services agency shall advise a person 34364
alleged to have inflicted abuse or neglect on a child who is the 34365
subject of a report made pursuant to this section, including a 34366
report alleging sexual abuse of a child or another type of abuse 34367
of a child referred to a children's advocacy center pursuant to an 34368
interagency agreement entered into under section 2151.428 of the 34369
Revised Code, in writing of the disposition of the investigation. 34370
The agency shall not provide to the person any information that 34371
identifies the person who made the report, statements of 34372
witnesses, or police or other investigative reports. 34373

(I) Any report that is required by this section, other than a 34374
report that is made to the state highway patrol as described in 34375
section 5120.173 of the Revised Code, shall result in protective 34376
services and emergency supportive services being made available by 34377
the public children services agency on behalf of the children 34378

about whom the report is made, in an effort to prevent further 34379
neglect or abuse, to enhance their welfare, and, whenever 34380
possible, to preserve the family unit intact. The agency required 34381
to provide the services shall be the agency conducting the 34382
investigation of the report pursuant to section 2151.422 of the 34383
Revised Code. 34384

(J)(1) Each public children services agency shall prepare a 34385
memorandum of understanding that is signed by all of the 34386

juvenile judge of the county or the juvenile judge's 34389
representative; 34390

(b) If there is more than one juvenile judge in the county, a 34391
juvenile judge or the juvenile judges' representative selected by 34392
the juvenile judges or, if they are unable to do so for any 34393
reason, the juvenile judge who is senior in point of service or 34394
the senior juvenile judge's representative; 34395

department of job and family services, the county department of 34402

(h) The county humane society; 34404

(i) If the public children services agency participated in 34405
the execution of a memorandum of understanding under section 34406
2151.426 of the Revised Code establishing a children's advocacy 34407
center, each participating member of the children's advocacy 34408

center established by the memorandum. 34409

(2) A memorandum of understanding shall set forth the normal 34410
operating procedure to be employed by all concerned officials in 34411
the execution of their respective responsibilities under this 34412
section and division (C) of section 2919.21, division (B)(1) of 34413
section 2919.22, division (B) of section 2919.23, and section 34414
2919.24 of the Revised Code and shall have as two of its primary 34415
goals the elimination of all unnecessary interviews of children 34416
who are the subject of reports made pursuant to division (A) or 34417
(B) of this section and, when feasible, providing for only one 34418
interview of a child who is the subject of any report made 34419
pursuant to division (A) or (B) of this section. A failure to 34420
follow the procedure set forth in the memorandum by the concerned 34421
officials is not grounds for, and shall not result in, the 34422
dismissal of any charges or complaint arising from any reported 34423
case of abuse or neglect or the suppression of any evidence 34424
obtained as a result of any reported child abuse or child neglect 34425
and does not give, and shall not be construed as giving, any 34426
rights or any grounds for appeal or post-conviction relief to any 34427
person. 34428

(3) A memorandum of understanding shall include all of the 34429
following: 34430

(a) The roles and responsibilities for handling emergency and 34431
nonemergency cases of abuse and neglect; 34432

(b) Standards and procedures to be used in handling and 34433
coordinating investigations of reported cases of child abuse and 34434
reported cases of child neglect, methods to be used in 34435

allegedly was abused or neglected, and standards and procedures 34437
addressing the categories of persons who may interview the child 34438
who is the subject of the report and who allegedly was abused or 34439
neglected. 34440

(4) If a public children services agency participated in the 34441
execution of a memorandum of understanding under section 2151.426 34442
of the Revised Code establishing a children's advocacy center, the 34443
agency shall incorporate the contents of that memorandum in the 34444
memorandum prepared pursuant to this section. 34445

(5) The clerk of the court of common pleas in the county may 34446
sign the memorandum of understanding prepared under division 34447
(J)(1) of this section. If the clerk signs the memorandum of 34448
understanding, the clerk shall execute all relevant 34449
responsibilities as required of officials specified in the 34450
memorandum. 34451

(K)(1) Except as provided in division (K)(4) of this section, 34452
a person who is required to make a report pursuant to division (A) 34453
of this section may make a reasonable number of requests of the 34454
public children services agency that receives or is referred the 34455
report, or of the children's advocacy center that is referred the 34456
report if the report is referred to a children's advocacy center 34457
pursuant to an interagency agreement entered into under section 34458
2151.428 of the Revised Code, to be provided with the following 34459

(d) The general status of the health and safety of the child 34467
who is the subject of the report; 34468

(e) Whether the report has resulted in the filing of a 34469
complaint in juvenile court or of criminal charges in another 34470
court. 34471

(2) A person may request the information specified in 34472
division (K)(1) of this section only if, at the time the report is 34473
made, the person's name, address, and telephone number are 34474

shall inform the person of the right to request the information 34479
described in division (K)(1) of this section. The recipient of the 34480
report shall include in the initial child abuse or child neglect 34481

provided at the time of the making of the report, shall include 34483
the person's name, address, and telephone number in the report. 34484

Each request is subject to verification of the identity of 34485
the person making the report. If that person's identity is 34486
verified, the agency shall provide the person with the information 34487
described in division (K)(1) of this section a reasonable number 34488
of times, except that the agency shall not disclose any 34489
confidential information regarding the child who is the subject of 34490
the report other than the information described in those 34491
divisions. 34492

(3) A request made pursuant to division (K)(1) of this 34493
section is not a substitute for any report required to be made 34494
pursuant to division (A) of this section. 34495

(4) If an agency other than the agency that received or was 34496
referred the report is conducting the investigation of the report 34497
pursuant to section 2151.422 of the Revised Code, the agency 34498
conducting the investigation shall comply with the requirements of 34499
division (K) of this section. 34500

(L) The director of job and family services shall adopt rules 34501

aid in ensuring that children are protected from abuse and 34505
neglect. The department shall make recommendations to the attorney 34506
general that the department determines are necessary to protect 34507
children from child abuse and child neglect. 34508

(M) Whoever violates division (A) of this section is liable 34509
for compensatory and exemplary damages to the child who would have 34510
been the subject of the report that was not made. A person who 34511
brings a civil action or proceeding pursuant to this division 34512
against a person who is alleged to have violated division (A)(1) 34513
of this section may use in the action or proceeding reports of 34514
other incidents of known or suspected abuse or neglect, provided 34515
that any information in a report that would identify the child who 34516
is the subject of the report or the maker of the report, if the 34517
maker is not the defendant or an agent or employee of the 34518
defendant, has been redacted. 34519

(N)(1) As used in this division: 34520

(a) "Out-of-home care" includes a nonchartered nonpublic 34521
school if the alleged child abuse or child neglect, or alleged 34522
threat of child abuse or child neglect, described in a report 34523
received by a public children services agency allegedly occurred 34524
in or involved the nonchartered nonpublic school and the alleged 34525
perpetrator named in the report holds a certificate, permit, or 34526

written notice of the allegations contained in and the person 34538
named as the alleged perpetrator in the report to the 34539
administrator, director, or other chief administrative officer of 34540
the out-of-home care entity that is the subject of the report 34541
unless the administrator, director, or other chief administrative 34542
officer is named as an alleged perpetrator in the report. If the 34543
administrator, director, or other chief administrative officer of 34544
an out-of-home care entity is named as an alleged perpetrator in a 34545
report of alleged child abuse or child neglect, or a report of an 34546

shall provide the written notice to the owner or governing board 34549
of the out-of-home care entity that is the subject of the report. 34550
The agency shall not provide witness statements or police or other 34551
investigative reports. 34552

(3) No later than three days after the day on which a public 34553
children services agency that conducted the investigation as 34554
determined pursuant to section 2151.422 of the Revised Code makes 34555
a disposition of an investigation involving a report of alleged 34556
child abuse or child neglect, or a report of an alleged threat of 34557
child abuse or child neglect, that allegedly occurred in or 34558
involved an out-of-home care entity, the agency shall send written 34559
notice of the disposition of the investigation to the 34560
administrator, director, or other chief administrative officer and 34561

abuse or neglect through either an alternative response or a 34567
traditional response. 34568

(1) If the violation of division (A) of this section is a felony of the first, second, or third degree, the court shall impose upon the offender the mandatory fine specified for the offense under division (B)(1) of section 2929.18 of the Revised Code unless, as specified in that division, the court determines that the offender is indigent. Except as otherwise provided in division (H)(1) of this section, a mandatory fine or any other fine imposed for a violation of this section is subject to division (F) of this section. If a person is charged with a violation of this section that is a felony of the first, second, or third degree, posts bail, and forfeits the bail, the clerk of the court shall pay the forfeited bail pursuant to divisions (D)(1) and (F) of this section, as if the forfeited bail was a fine imposed for a violation of this section. If any amount of the forfeited bail remains after that payment and if a fine is imposed under division (H)(1) of this section, the clerk of the court shall pay the remaining amount of the forfeited bail pursuant to divisions (H)(2) and (3) of this section, as if that remaining

amount was a fine imposed under division (H)(1) of this section. 38162

(2) The court shall suspend the driver's or commercial 38163

substance involved is the requisite amount, or that the amount of 38178
the controlled substance involved is less than the requisite 38179

(F)(1) Notwithstanding any contrary provision of section 38181
3719.21 of the Revised Code and except as provided in division (H) 38182

making the arrest of, and in prosecuting, the offender. However, 38191
the clerk shall not pay a mandatory fine so imposed to a law 38192
enforcement agency unless the agency has adopted a written 38193

internal control policy under division (F)(2) of this section that 38194
addresses the use of the fine moneys that it receives. Each agency 38195
shall use the mandatory fines so paid to subsidize the agency's 38196

of this section or division (B) of section 2925.42 of the Revised 38201
Code, a law enforcement agency shall adopt a written internal 38202
control policy that addresses the agency's use and disposition of 38203
all fine moneys so received and that provides for the keeping of 38204
detailed financial records of the receipts of those fine moneys, 38205
the general types of expenditures made out of those fine moneys, 38206
and the specific amount of each general type of expenditure. The 38207
policy shall not provide for or permit the identification of any 38208
specific expenditure that is made in an ongoing investigation. All 38209
financial records of the receipts of those fine moneys, the 38210

the specific amount of each general type of expenditure by an 38212
agency are public records open for inspection under section 149.43 38213
of the Revised Code. Additionally, a written internal control 38214
policy adopted under this division is such a public record, and 38215
the agency that adopted it shall comply with it. 38216

(3) As used in division (F) of this section: 38217

any other provision of this chapter, the court shall suspend for 38223
not less than six months or more than five years the driver's or 38224

commercial driver's license or permit of any person who is 38225
convicted of or pleads guilty to any violation of this section or 38226
any other specified provision of this chapter. If an offender's 38227
driver's or commercial driver's license or permit is suspended 38228
pursuant to this division, the offender, at any time after the 38229
expiration of two years from the day on which the offender's 38230
sentence was imposed or from the day on which the offender finally 38231
was released from a prison term under the sentence, whichever is 38232
later, may file a motion with the sentencing court requesting 38233
termination of the suspension; upon the filing of such a motion 38234
and the court's finding of good cause for the termination, the 38235
court may terminate the suspension. 38236

(H)(1) In addition to any prison term authorized or required 38237
by division (C) of this section and sections 2929.13 and 2929.14 38238
of the Revised Code, in addition to any other penalty or sanction 38239
imposed for the offense under this section or sections 2929.11 to 38240
2929.18 of the Revised Code, and in addition to the forfeiture of 38241
property in connection with the offense as prescribed in Chapter 38242
2981. of the Revised Code, the court that sentences an offender 38243
who is convicted of or pleads guilty to a violation of division 38244
(A) of this section may impose upon the offender an additional 38245
fine specified for the offense in division (B)(4) of section 38246

of this section is not subject to division (F) of this section and 38248
shall be used solely for the support of one or more eligible 38249
community addiction services ~~provider~~ providers in accordance with 38250
divisions (H)(2) and (3) of this section. 38251

(2) The court that imposes a fine under division (H)(1) of 38252
this section shall specify in the judgment that imposes the fine 38253
one or more eligible community addiction services ~~provider~~ 38254
providers for the support of which the fine money is to be used. 38255
No community addiction services provider shall receive or use 38256

money paid or collected in satisfaction of a fine imposed under 38257
division (H)(1) of this section unless the services provider is 38258
specified in the judgment that imposes the fine. No community 38259
addiction services provider shall be specified in the judgment 38260
unless the services provider is an eligible community addiction 38261
services provider and, except as otherwise provided in division 38262
(H)(2) of this section, unless the services provider is located in 38263
the county in which the court that imposes the fine is located or 38264
in a county that is immediately contiguous to the county in which 38265
that court is located. If no eligible community addiction services 38266
provider is located in any of those counties, the judgment may 38267
specify an eligible community addiction services provider that is 38268
located anywhere within this state. 38269

(3) Notwithstanding any contrary provision of section 3719.21 38270
of the Revised Code, the clerk of the court shall pay any fine 38271
imposed under division (H)(1) of this section to the eligible 38272
community addiction services provider specified pursuant to 38273
division (H)(2) of this section in the judgment. The eligible 38274
community addiction services provider that receives the fine 38275
moneys shall use the moneys only for the alcohol and drug 38276
addiction services identified in the application for certification 38277
of services under section 5119.36 of the Revised Code or in the 38278
application for a license under section 5119.391 of the Revised 38279
Code filed with the department of mental health and addiction 38280
services by the community addiction services provider specified in 38281
the judgment. 38282

in a calendar year any fine moneys under division (H)(3) of this 38284
section shall file an annual report covering that calendar year 38285
with the court of common pleas and the board of county 38286
commissioners of the county in which the services provider is 38287
located, with the court of common pleas and the board of county 38288

commissioners of each county from which the services provider 38289
received the moneys if that county is different from the county in 38290
which the services provider is located, and with the attorney 38291
general. The community addiction services provider shall file the 38292
report no later than the first day of March in the calendar year 38293
following the calendar year in which the services provider 38294
received the fine moneys. The report shall include statistics on 38295
the number of persons served by the community addiction services 38296
provider, identify the types of alcohol and drug addiction 38297
services provided to those persons, and include a specific 38298
accounting of the purposes for which the fine moneys received were 38299
used. No information contained in the report shall identify, or 38300
enable a person to determine the identity of, any person served by 38301
the community addiction services provider. Each report received by 38302
a court of common pleas, a board of county commissioners, or the 38303
attorney general is a public record open for inspection under 38304
section 149.43 of the Revised Code. 38305

prepared, compounded, or mixed with substances that are not 38692
controlled substances in a manner, or is possessed under any other 38693
circumstances, that indicate that the substance was possessed 38694
solely for personal use. Notwithstanding any contrary provision of 38695
this section, if, in accordance with section 2901.05 of the 38696
Revised Code, an accused who is charged with a fourth degree 38697
felony violation of division (C)(2), (4), (5), or (6) of this 38698
section sustains the burden of going forward with evidence of and 38699
establishes by a preponderance of the evidence the affirmative 38700
defense described in this division, the accused may be prosecuted 38701
for and may plead guilty to or be convicted of a misdemeanor 38702
violation of division (C)(2) of this section or a fifth degree 38703
felony violation of division (C)(4), (5), or (6) of this section 38704
respectively. 38705

(G) When a person is charged with possessing a bulk amount or 38706
multiple of a bulk amount, division (E) of section 2925.03 of the 38707
Revised Code applies regarding the determination of the amount of 38708
the controlled substance involved at the time of the offense. 38709

(H) It is an affirmative defense to a charge of possession of 38710
a controlled substance analog under division (C)(8) of this 38711
section that the person charged with violating that offense 38712
obtained, possessed, or used an item described in division 38713
(HH)(2)(a), (b), or (c) of section 3719.01 of the Revised Code. 38714

Sec. 2929.13. (A) Except as provided in division (E), (F), or 38715
(G) of this section and unless a specific sanction is required to 38716
be imposed or is precluded from being imposed pursuant to law, a 38717
court that imposes a sentence upon an offender for a felony may 38718
impose any sanction or combination of sanctions on the offender 38719
that are provided in sections 2929.14 to 2929.18 of the Revised 38720
Code. 38721

If the offender is eligible to be sentenced to community control sanctions, the court shall consider the appropriateness of imposing a financial sanction pursuant to section 2929.18 of the Revised Code or a sanction of community service pursuant to section 2929.17 of the Revised Code as the sole sanction for the offense. Except as otherwise provided in this division, if the court is required to impose a mandatory prison term for the offense for which sentence is being imposed, the court also shall impose any financial sanction pursuant to section 2929.18 of the Revised Code that is required for the offense and may impose any other financial sanction pursuant to that section but may not impose any additional sanction or combination of sanctions under section 2929.16 or 2929.17 of the Revised Code.

If the offender is being sentenced for a fourth degree felony OVI offense or for a third degree felony OVI offense, in addition to the mandatory term of local incarceration or the mandatory prison term required for the offense by division (G)(1) or (2) of this section, the court shall impose upon the offender a mandatory fine in accordance with division (B)(3) of section 2929.18 of the Revised Code and may impose whichever of the following is applicable:

(1) For a fourth degree felony OVI offense for which sentence is imposed under division (G)(1) of this section, an additional community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code. If the court imposes upon the offender a community control sanction and the offender violates any condition of the community control sanction, the court may take any action prescribed in division (B) of section 2929.15 of the Revised Code relative to the offender, including imposing a prison term on the offender pursuant to that division.

(2) For a third or fourth degree felony OVI offense for which

sentence is imposed under division (G)(2) of this section, an 38754
additional prison term as described in division (B)(4) of section 38755
2929.14 of the Revised Code or a community control sanction as 38756
described in division (G)(2) of this section. 38757

(B)(1)(a) Except as provided in division (B)(1)(b) of this 38758
section, if an offender is convicted of or pleads guilty to a 38759
felony of the fourth or fifth degree that is not an offense of 38760
violence or that is a qualifying assault offense, the court shall 38761
sentence the offender to a community control sanction of at least 38762
one year's duration if all of the following apply: 38763

(i) The offender previously has not been convicted of or 38764
pleaded guilty to a felony offense. 38765

(ii) The most serious charge against the offender at the time 38766
of sentencing is a felony of the fourth or fifth degree. 38767

(iii) If the court made a request of the department of 38768
rehabilitation and correction pursuant to division (B)(1)(c) of 38769
this section, the department, within the forty-five-day period 38770
specified in that division, provided the court with the names of, 38771
contact information for, and program details of one or more 38772
community control sanctions of at least one year's duration that 38773
are available for persons sentenced by the court. 38774

(iv) The offender previously has not been convicted of or 38775
pleaded guilty to a misdemeanor offense of violence that the 38776
offender committed within two years prior to the offense for which 38777
sentence is being imposed. 38778

(b) The court has discretion to impose a prison term upon an 38779
offender who is convicted of or pleads guilty to a felony of the 38780
fourth or fifth degree that is not an offense of violence or that 38781
is a qualifying assault offense if any of the following apply: 38782

(i) The offender committed the offense while having a firearm 38783
on or about the offender's person or under the offender's control. 38784

(ii) If the offense is a qualifying assault offense, the offender caused serious physical harm to another person while committing the offense, and, if the offense is not a qualifying assault offense, the offender caused physical harm to another person while committing the offense.

(iii) The offender violated a term of the conditions of bond as set by the court.

(iv) The court made a request of the department of rehabilitation and correction pursuant to division (B)(1)(c) of this section, and the department, within the forty-five-day period specified in that division, did not provide the court with the name of, contact information for, and program details of any community control sanction of at least one year's duration that is available for persons sentenced by the court.

(v) The offense is a sex offense that is a fourth or fifth degree felony violation of any provision of Chapter 2907. of the Revised Code.

(vi) In committing the offense, the offender attempted to cause or made an actual threat of physical harm to a person with a deadly weapon.

(vii) In committing the offense, the offender attempted to cause or made an actual threat of physical harm to a person, and the offender previously was convicted of an offense that caused physical harm to a person.

(viii) The offender held a public office or position of trust, and the offense related to that office or position; the offender's position obliged the offender to prevent the offense or to bring those committing it to justice; or the offender's professional reputation or position facilitated the offense or was likely to influence the future conduct of others.

(ix) The offender committed the offense for hire or as part

of an organized criminal activity. 38816

(x) The offender at the time of the offense was serving, or 38817
the offender previously had served, a prison term. 38818

(xi) The offender committed the offense while under a 38819
community control sanction, while on probation, or while released 38820
from custody on a bond or personal recognizance. 38821

(c) If a court that is sentencing an offender who is 38822
convicted of or pleads guilty to a felony of the fourth or fifth 38823
degree that is not an offense of violence or that is a qualifying 38824
assault offense believes that no community control sanctions are 38825
available for its use that, if imposed on the offender, will 38826
adequately fulfill the overriding principles and purposes of 38827
sentencing, the court shall contact the department of 38828
rehabilitation and correction and ask the department to provide 38829
the court with the names of, contact information for, and program 38830
details of one or more community control sanctions of at least one 38831
year's duration that are available for persons sentenced by the 38832
court. Not later than forty-five days after receipt of a request 38833
from a court under this division, the department shall provide the 38834
court with the names of, contact information for, and program 38835
details of one or more community control sanctions of at least one 38836
year's duration that are available for persons sentenced by the 38837
court, if any. Upon making a request under this division that 38838
relates to a particular offender, a court shall defer sentencing 38839
of that offender until it receives from the department the names 38840
of, contact information for, and program details of one or more 38841
community control sanctions of at least one year's duration that 38842
are available for persons sentenced by the court or for forty-five 38843
days, whichever is the earlier. 38844

If the department provides the court with the names of, 38845
contact information for, and program details of one or more 38846
community control sanctions of at least one year's duration that 38847

are available for persons sentenced by the court within the 38848
forty-five-day period specified in this division, the court shall 38849
impose upon the offender a community control sanction under 38850
division (B)(1)(a) of this section, except that the court may 38851
impose a prison term under division (B)(1)(b) of this section if a 38852
factor described in division (B)(1)(b)(i) or (ii) of this section 38853
applies. If the department does not provide the court with the 38854
names of, contact information for, and program details of one or 38855
more community control sanctions of at least one year's duration 38856
that are available for persons sentenced by the court within the 38857
forty-five-day period specified in this division, the court may 38858
impose upon the offender a prison term under division 38859
(B)(1)(b)(iv) of this section. 38860

(d) A sentencing court may impose an additional penalty under 38861
division (B) of section 2929.15 of the Revised Code upon an 38862
offender sentenced to a community control sanction under division 38863
(B)(1)(a) of this section if the offender violates the conditions 38864
of the community control sanction, violates a law, or leaves the 38865
state without the permission of the court or the offender's 38866
probation officer. 38867

(2) If division (B)(1) of this section does not apply, except 38868
as provided in division (E), (F), or (G) of this section, in 38869
determining whether to impose a prison term as a sanction for a 38870
felony of the fourth or fifth degree, the sentencing court shall 38871
comply with the purposes and principles of sentencing under 38872
section 2929.11 of the Revised Code and with section 2929.12 of 38873
the Revised Code. 38874

(C) Except as provided in division (D), (E), (F), or (G) of 38875
this section, in determining whether to impose a prison term as a 38876
sanction for a felony of the third degree or a felony drug offense 38877
that is a violation of a provision of Chapter 2925. of the Revised 38878
Code and that is specified as being subject to this division for 38879

purposes of sentencing, the sentencing court shall comply with the 38880
purposes and principles of sentencing under section 2929.11 of the 38881
Revised Code and with section 2929.12 of the Revised Code. 38882

(D)(1) Except as provided in division (E) or (F) of this 38883
section, for a felony of the first or second degree, for a felony 38884
drug offense that is a violation of any provision of Chapter 38885
2925., 3719., or 4729. of the Revised Code for which a presumption 38886
in favor of a prison term is specified as being applicable, and 38887
for a violation of division (A)(4) or (B) of section 2907.05 of 38888
the Revised Code for which a presumption in favor of a prison term 38889
is specified as being applicable, it is presumed that a prison 38890
term is necessary in order to comply with the purposes and 38891
principles of sentencing under section 2929.11 of the Revised 38892
Code. Division (D)(2) of this section does not apply to a 38893
presumption established under this division for a violation of 38894
division (A)(4) of section 2907.05 of the Revised Code. 38895

(2) Notwithstanding the presumption established under 38896
division (D)(1) of this section for the offenses listed in that 38897
division other than a violation of division (A)(4) or (B) of 38898
section 2907.05 of the Revised Code, the sentencing court may 38899
impose a community control sanction or a combination of community 38900
control sanctions instead of a prison term on an offender for a 38901
felony of the first or second degree or for a felony drug offense 38902
that is a violation of any provision of Chapter 2925., 3719., or 38903
4729. of the Revised Code for which a presumption in favor of a 38904
prison term is specified as being applicable if it makes both of 38905
the following findings: 38906

(a) A community control sanction or a combination of 38907
community control sanctions would adequately punish the offender 38908
and protect the public from future crime, because the applicable 38909
factors under section 2929.12 of the Revised Code indicating a 38910
lesser likelihood of recidivism outweigh the applicable factors 38911

under that section indicating a greater likelihood of recidivism. 38912

(b) A community control sanction or a combination of 38913
community control sanctions would not demean the seriousness of 38914
the offense, because one or more factors under section 2929.12 of 38915
the Revised Code that indicate that the offender's conduct was 38916
less serious than conduct normally constituting the offense are 38917
applicable, and they outweigh the applicable factors under that 38918
section that indicate that the offender's conduct was more serious 38919
than conduct normally constituting the offense. 38920

(E)(1) Except as provided in division (F) of this section, 38921
for any drug offense that is a violation of any provision of 38922
Chapter 2925. of the Revised Code and that is a felony of the 38923
third, fourth, or fifth degree, the applicability of a presumption 38924
under division (D) of this section in favor of a prison term or of 38925
division (B) or (C) of this section in determining whether to 38926
impose a prison term for the offense shall be determined as 38927
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 38928
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 38929
Revised Code, whichever is applicable regarding the violation. 38930

(2) If an offender who was convicted of or pleaded guilty to 38931
a felony violates the conditions of a community control sanction 38932
imposed for the offense solely by reason of producing positive 38933
results on a drug test, the court, as punishment for the violation 38934
of the sanction, shall not order that the offender be imprisoned 38935
unless the court determines on the record either of the following: 38936

(a) The offender had been ordered as a sanction for the 38937
felony to participate in a drug treatment program, in a drug 38938
education program, or in narcotics anonymous or a similar program, 38939
and the offender continued to use illegal drugs after a reasonable 38940
period of participation in the program. 38941

(b) The imprisonment of the offender for the violation is 38942

consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code. 38943
38944

(3) A court that sentences an offender for a drug abuse offense that is a felony of the third, fourth, or fifth degree may require that the offender be assessed by a properly credentialed professional within a specified period of time. The court shall require the professional to file a written assessment of the offender with the court. If the offender is eligible for a community control sanction and after considering the written assessment, the court may impose a community control sanction that includes treatment and recovery support services authorized by division (A)(11) of section 3793.02 340.03 of the Revised Code. If the court imposes treatment and recovery support services as a community control sanction, the court shall direct the level and type of treatment and recovery support services after considering the assessment and recommendation of ~~treatment and recovery support services~~ community addiction services providers. 38945

(F) Notwithstanding divisions (A) to (E) of this section, the court shall impose a prison term or terms under sections 2929.02 to 2929.06, section 2929.14, section 2929.142, or section 2971.03 of the Revised Code and except as specifically provided in section 2929.20, divisions (C) to (I) of section 2967.19, or section 2967.191 of the Revised Code or when parole is authorized for the offense under section 2967.13 of the Revised Code shall not reduce the term or terms pursuant to section 2929.20, section 2967.19, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code for any of the following offenses: 38960

offender would have been guilty of a violation of division 38975
(A)(1)(b) of section 2907.02 of the Revised Code and would be 38976
sentenced under section 2971.03 of the Revised Code; 38977

(3) Gross sexual imposition or sexual battery, if the victim 38978
is less than thirteen years of age and if any of the following 38979
applies: 38980

(a) Regarding gross sexual imposition, the offender 38981
previously was convicted of or pleaded guilty to rape, the former 38982

imposition of a prison term; 39086

(18) A felony violation of section 2903.11, 2903.12, or 39087
2903.13 of the Revised Code, if the victim of the offense was a 39088
woman that the offender knew was pregnant at the time of the 39089
violation, with respect to a portion of the sentence imposed 39090
pursuant to division (B)(8) of section 2929.14 of the Revised 39091
Code. 39092

(G) Notwithstanding divisions (A) to (E) of this section, if 39093
an offender is being sentenced for a fourth degree felony OVI 39094
offense or for a third degree felony OVI offense, the court shall 39095
impose upon the offender a mandatory term of local incarceration 39096
or a mandatory prison term in accordance with the following: 39097

(1) If the offender is being sentenced for a fourth degree felony OVI offense and if the offender has not been convicted of and has not pleaded guilty to a specification of the type described in section 2941.1413 of the Revised Code, the court may impose upon the offender a mandatory term of local incarceration of sixty days or one hundred twenty days as specified in division (G)(1)(d) of section 4511.19 of the Revised Code. The court shall not reduce the term pursuant to section 2929.20, 2967.193, or any other provision of the Revised Code. The court that imposes a mandatory term of local incarceration under this division shall specify whether the term is to be served in a jail, a community-based correctional facility, a halfway house, or an alternative residential facility, and the offender shall serve the term in the type of facility specified by the court. A mandatory term of local incarceration imposed under division (G)(1) of this section is not subject to any other Revised Code provision that pertains to a prison term except as provided in division (A)(1) of this section.

(2) If the offender is being sentenced for a third degree felony OVI offense, or if the offender is being sentenced for a fourth degree felony OVI offense and the court does not impose a mandatory term of local incarceration under division (G)(1) of this section, the court shall impose upon the offender a mandatory prison term of one, two, three, four, or five years if the offender also is convicted of or also pleads guilty to a specification of the type described in section 2941.1413 of the Revised Code or shall impose upon the offender a mandatory prison term of sixty days or one hundred twenty days as specified in division (G)(1)(d) or (e) of section 4511.19 of the Revised Code if the offender has not been convicted of and has not pleaded guilty to a specification of that type. Subject to divisions (C) to (I) of section 2967.19 of the Revised Code, the court shall not reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or

any other provision of the Revised Code. The offender shall serve 39131
the one-, two-, three-, four-, or five-year mandatory prison term 39132
consecutively to and prior to the prison term imposed for the 39133
underlying offense and consecutively to any other mandatory prison 39134
term imposed in relation to the offense. In no case shall an 39135
offender who once has been sentenced to a mandatory term of local 39136
incarceration pursuant to division (G)(1) of this section for a 39137
fourth degree felony OVI offense be sentenced to another mandatory 39138
term of local incarceration under that division for any violation 39139
of division (A) of section 4511.19 of the Revised Code. In 39140
addition to the mandatory prison term described in division (G)(2) 39141
of this section, the court may sentence the offender to a 39142
community control sanction under section 2929.16 or 2929.17 of the 39143
Revised Code, but the offender shall serve the prison term prior 39144
to serving the community control sanction. The department of 39145
rehabilitation and correction may place an offender sentenced to a 39146
mandatory prison term under this division in an intensive program 39147
prison established pursuant to section 5120.033 of the Revised 39148
Code if the department gave the sentencing judge prior notice of 39149
its intent to place the offender in an intensive program prison 39150
established under that section and if the judge did not notify the 39151
department that the judge disapproved the placement. Upon the 39152
establishment of the initial intensive program prison pursuant to 39153
section 5120.033 of the Revised Code that is privately operated 39154
and managed by a contractor pursuant to a contract entered into 39155
under section 9.06 of the Revised Code, both of the following 39156
apply: 39157

(a) The department of rehabilitation and correction shall 39158
make a reasonable effort to ensure that a sufficient number of 39159
offenders sentenced to a mandatory prison term under this division 39160
are placed in the privately operated and managed prison so that 39161
the privately operated and managed prison has full occupancy. 39162

(b) Unless the privately operated and managed prison has full occupancy, the department of rehabilitation and correction shall not place any offender sentenced to a mandatory prison term under this division in any intensive program prison established pursuant to section 5120.033 of the Revised Code other than the privately operated and managed prison.

(H) If an offender is being sentenced for a sexually oriented offense or child-victim oriented offense that is a felony committed on or after January 1, 1997, the judge shall require the offender to submit to a DNA specimen collection procedure pursuant to section 2901.07 of the Revised Code.

(I) If an offender is being sentenced for a sexually oriented offense or a child-victim oriented offense committed on or after January 1, 1997, the judge shall include in the sentence a summary of the offender's duties imposed under sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code and the duration of the duties. The judge shall inform the offender, at the time of sentencing, of those duties and of their duration. If required under division (A)(2) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that section, or, if required under division (A)(6) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that division.

(J)(1) Except as provided in division (J)(2) of this section, when considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit an offense in violation of section 2923.02 of the Revised Code, the sentencing court shall consider the factors applicable to the felony category of the violation of section 2923.02 of the Revised Code instead of the factors applicable to the felony category of the offense attempted.

(2) When considering sentencing factors under this section in

relation to an offender who is convicted of or pleads guilty to an attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense, the sentencing court shall consider the factors applicable to the felony category that the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt.

(K) As used in this section:

(1) "Community addiction services provider" has the same meaning as in section 5119.01 of the Revised Code.

(2) "Drug abuse offense" has the same meaning as in section 2925.01 of the Revised Code.

~~(2)~~(3) "Qualifying assault offense" means a violation of section 2903.13 of the Revised Code for which the penalty provision in division (C)(8)(b) or (C)(9)(b) of that section applies.

(L) At the time of sentencing an offender for any sexually oriented offense, if the offender is a tier III sex offender/child-victim offender relative to that offense and the offender does not serve a prison term or jail term, the court may require that the offender be monitored by means of a global positioning device. If the court requires such monitoring, the cost of monitoring shall be borne by the offender. If the offender is indigent, the cost of compliance shall be paid by the crime victims reparations fund.

Sec. 2929.18. (A) Except as otherwise provided in this division and in addition to imposing court costs pursuant to

section 2947.23 of the Revised Code, the court imposing a sentence 39225
upon an offender for a felony may sentence the offender to any 39226
financial sanction or combination of financial sanctions 39227
authorized under this section or, in the circumstances specified 39228
in section 2929.32 of the Revised Code, may impose upon the 39229
offender a fine in accordance with that section. Financial 39230
sanctions that may be imposed pursuant to this section include, 39231
but are not limited to, the following: 39232

(1) Restitution by the offender to the victim of the 39233
offender's crime or any survivor of the victim, in an amount based 39234
on the victim's economic loss. If the court imposes restitution, 39235
the court shall order that the restitution be made to the victim 39236
in open court, to the adult probation department that serves the 39237
county on behalf of the victim, to the clerk of courts, or to 39238
another agency designated by the court. If the court imposes 39239
restitution, at sentencing, the court shall determine the amount 39240
of restitution to be made by the offender. If the court imposes 39241
restitution, the court may base the amount of restitution it 39242
orders on an amount recommended by the victim, the offender, a 39243
presentence investigation report, estimates or receipts indicating 39244
the cost of repairing or replacing property, and other 39245
information, provided that the amount the court orders as 39246
restitution shall not exceed the amount of the economic loss 39247
suffered by the victim as a direct and proximate result of the 39248
commission of the offense. If the court decides to impose 39249
restitution, the court shall hold a hearing on restitution if the 39250
offender, victim, or survivor disputes the amount. All restitution 39251
payments shall be credited against any recovery of economic loss 39252
in a civil action brought by the victim or any survivor of the 39253
victim against the offender. 39254

If the court imposes restitution, the court may order that 39255
the offender pay a surcharge of not more than five per cent of the 39256

amount of the restitution otherwise ordered to the entity 39257
responsible for collecting and processing restitution payments. 39258

The victim or survivor may request that the prosecutor in the 39259
case file a motion, or the offender may file a motion, for 39260
modification of the payment terms of any restitution ordered. If 39261
the court grants the motion, it may modify the payment terms as it 39262
determines appropriate. 39263

(2) Except as provided in division (B)(1), (3), or (4) of 39264
this section, a fine payable by the offender to the state, to a 39265
political subdivision, or as described in division (B)(2) of this 39266
section to one or more law enforcement agencies, with the amount 39267
of the fine based on a standard percentage of the offender's daily 39268
income over a period of time determined by the court and based 39269
upon the seriousness of the offense. A fine ordered under this 39270
division shall not exceed the maximum conventional fine amount 39271
authorized for the level of the offense under division (A)(3) of 39272
this section. 39273

(3) Except as provided in division (B)(1), (3), or (4) of 39274
this section, a fine payable by the offender to the state, to a 39275
political subdivision when appropriate for a felony, or as 39276
described in division (B)(2) of this section to one or more law 39277
enforcement agencies, in the following amount: 39278

(a) For a felony of the first degree, not more than twenty 39279
thousand dollars; 39280

(b) For a felony of the second degree, not more than fifteen 39281
thousand dollars; 39282

(c) For a felony of the third degree, not more than ten 39283
thousand dollars; 39284

(d) For a felony of the fourth degree, not more than five 39285
thousand dollars; 39286

(e) For a felony of the fifth degree, not more than two thousand five hundred dollars.	39287 39288

(ii) All or part of the costs of confinement under a sanction imposed pursuant to section 2929.14, 2929.142, or 2929.16 of the Revised Code, provided that the amount of reimbursement ordered under this division shall not exceed the total amount of reimbursement the offender is able to pay as determined at a hearing and shall not exceed the actual cost of the confinement;	39297 39298 39299 39300 39301 39302
(iii) All or part of the cost of purchasing and using an immobilizing or disabling device, including a certified ignition interlock device, or a remote alcohol monitoring device that a court orders an offender to use under section 4510.13 of the Revised Code.	39303 39304 39305 39306 39307
(b) If the offender is sentenced to a sanction of confinement pursuant to section 2929.14 or 2929.16 of the Revised Code that is to be served in a facility operated by a board of county commissioners, a legislative authority of a municipal corporation, or another local governmental entity, if, pursuant to section 307.93, 341.14, 341.19, 341.23, 753.02, 753.04, 753.16, 2301.56, or 2947.19 of the Revised Code and section 2929.37 of the Revised Code, the board, legislative authority, or other local governmental entity requires prisoners to reimburse the county, municipal corporation, or other entity for its expenses incurred	39308 39309 39310 39311 39312 39313 39314 39315 39316 39317

impose a financial sanction under division (A)(5)(a)(ii) of this 39319
section, confinement costs may be assessed pursuant to section 39320
2929.37 of the Revised Code. In addition, the offender may be 39321
required to pay the fees specified in section 2929.38 of the 39322
Revised Code in accordance with that section. 39323

(c) Reimbursement by the offender for costs pursuant to 39324
section 2929.71 of the Revised Code. 39325

(B)(1) For a first, second, or third degree felony violation 39326
of any provision of Chapter 2925., 3719., or 4729. of the Revised 39327
Code, the sentencing court shall impose upon the offender a 39328
mandatory fine of at least one-half of, but not more than, the 39329
maximum statutory fine amount authorized for the level of the 39330
offense pursuant to division (A)(3) of this section. If an 39331
offender alleges in an affidavit filed with the court prior to 39332
sentencing that the offender is indigent and unable to pay the 39333
mandatory fine and if the court determines the offender is an 39334
indigent person and is unable to pay the mandatory fine described 39335
in this division, the court shall not impose the mandatory fine 39336
upon the offender. 39337

(2) Any mandatory fine imposed upon an offender under 39338
division (B)(1) of this section and any fine imposed upon an 39339
offender under division (A)(2) or (3) of this section for any 39340
fourth or fifth degree felony violation of any provision of 39341
Chapter 2925., 3719., or 4729. of the Revised Code shall be paid 39342
to law enforcement agencies pursuant to division (F) of section 39343
2925.03 of the Revised Code. 39344

(3) For a fourth degree felony OVI offense and for a third 39345
degree felony OVI offense, the sentencing court shall impose upon 39346
the offender a mandatory fine in the amount specified in division 39347
(G)(1)(d) or (e) of section 4511.19 of the Revised Code, whichever 39348
is applicable. The mandatory fine so imposed shall be disbursed as 39349

provided in the division pursuant to which it is imposed. 39350

(4) Notwithstanding any fine otherwise authorized or required 39351
to be imposed under division (A)(2) or (3) or (B)(1) of this 39352
section or section 2929.31 of the Revised Code for a violation of 39353
section 2925.03 of the Revised Code, in addition to any penalty or 39354
sanction imposed for that offense under section 2925.03 or 39355
sections 2929.11 to 2929.18 of the Revised Code and in addition to 39356
the forfeiture of property in connection with the offense as 39357
prescribed in Chapter 2981. of the Revised Code, the court that 39358
sentences an offender for a violation of section 2925.03 of the 39359
Revised Code may impose upon the offender a fine in addition to 39360
any fine imposed under division (A)(2) or (3) of this section and 39361
in addition to any mandatory fine imposed under division (B)(1) of 39362
this section. The fine imposed under division (B)(4) of this 39363
section shall be used as provided in division (H) of section 39364

Code, including any property that constitutes proceeds derived 39372
from that offense; 39373

(b) If the offender has no interest in any property of the 39374
type described in division (B)(4)(a) of this section or if it is 39375
not possible to ascertain whether the offender has an interest in 39376
any property of that type in which the offender may have an 39377
interest, the amount of the mandatory fine for the offense imposed 39378

section, the court shall determine whether the offender has an 39384
interest in any property of the type described in division 39385
(B)(4)(a) of this section. Except as provided in division (B)(6) 39386
or (7) of this section, a fine that is authorized and imposed 39387
under division (B)(4) of this section does not limit or affect the 39388
imposition of the penalties and sanctions for a violation of 39389
section 2925.03 of the Revised Code prescribed under those 39390
sections or sections 2929.11 to 2929.18 of the Revised Code and 39391

first, second, or third degree felony violation of section 2925.03 39396
of the Revised Code under division (B)(1) of this section plus the 39397
amount of any fine imposed under division (B)(4) of this section 39398
does not exceed the maximum statutory fine amount authorized for 39399

imposed under division (B)(4) of this section. The sum total of 39403
the amounts of the mandatory fine, the fine imposed under division 39404
(B)(4) of this section, and the additional fine imposed under 39405
division (B)(6) of this section shall not exceed the maximum 39406

for or involved in making the arrest of, and in prosecuting, the 39414
offender pursuant to division (F) of section 2925.03 of the 39415
Revised Code. 39416

(7) If the sum total of the amount of a mandatory fine 39417
imposed for a first, second, or third degree felony violation of 39418
section 2925.03 of the Revised Code plus the amount of any fine 39419
imposed under division (B)(4) of this section exceeds the maximum 39420
statutory fine amount authorized for the level of the offense 39421
under division (A)(3) of this section or section 2929.31 of the 39422
Revised Code, the court shall not impose a fine under division 39423
(B)(6) of this section. 39424

(8)(a) If an offender who is convicted of or pleads guilty to 39425

Standards Act of 1938," 52 Stat. 1060, 20 U.S.C. 207, and state 39442
labor laws. 39443

(b) If a court imposing sentence upon an offender for a 39444

felony is required to impose upon the offender a financial 39445
sanction of restitution under division (B)(8)(a) of this section, 39446
in addition to that financial sanction of restitution, the court 39447
may sentence the offender to any other financial sanction or 39448
combination of financial sanctions authorized under this section, 39449
including a restitution sanction under division (A)(1) of this 39450
section. 39451

(9) In addition to any other fine that is or may be imposed 39452

section 2929.16 or 2929.17 of the Revised Code or in operating a 39498
facility used to confine offenders pursuant to a sanction imposed 39499
under section 2929.16 of the Revised Code. 39500

~~(4)~~(3) Except as provided in section 2951.021 of the Revised 39501
Code, the offender shall pay reimbursements imposed pursuant to 39502
division (A)(5)(a) of this section for the costs incurred by a 39503
private provider pursuant to a sanction imposed under this section 39504
or section 2929.16 or 2929.17 of the Revised Code to the provider. 39505

(D) Except as otherwise provided in this division, a 39506
financial sanction imposed pursuant to division (A) or (B) of this 39507
section is a judgment in favor of the state or a political 39508

subdivision in which the court that imposed the financial sanction 39509
is located, and the offender subject to the financial sanction is 39510
the judgment debtor. A financial sanction of reimbursement imposed 39511
pursuant to division (A)(5)(a)(ii) of this section upon an 39512
offender who is incarcerated in a state facility or a municipal 39513
jail is a judgment in favor of the state or the municipal 39514
corporation, and the offender subject to the financial sanction is 39515
the judgment debtor. A financial sanction of reimbursement imposed 39516
upon an offender pursuant to this section for costs incurred by a 39517
private provider of sanctions is a judgment in favor of the 39518
private provider, and the offender subject to the financial 39519
sanction is the judgment debtor. A financial sanction of 39520
restitution imposed pursuant to division (A)(1) or (B)(8) of this 39521
section is an order in favor of the victim of the offender's 39522
criminal act that can be collected through a certificate of 39523
judgment as described in division (D)(1) of this section, through 39524
execution as described in division (D)(2) of this section, or 39525
through an order as described in division (D)(3) of this section, 39526
and the offender shall be considered for purposes of the 39527
collection as the judgment debtor. Imposition of a financial 39528
sanction and execution on the judgment does not preclude any other 39529
power of the court to impose or enforce sanctions on the offender. 39530
Once the financial sanction is imposed as a judgment or order 39531
under this division, the victim, private provider, state, or 39532
political subdivision may do any of the following: 39533

(1) Obtain from the clerk of the court in which the judgment 39534
was entered a certificate of judgment that shall be in the same 39535
manner and form as a certificate of judgment issued in a civil 39536
action; 39537

(2) Obtain execution of the judgment or order through any 39538
available procedure, including: 39539

(a) An execution against the property of the judgment debtor 39540

under Chapter 2329. of the Revised Code;	39541
(b) An execution against the person of the judgment debtor under Chapter 2331. of the Revised Code;	39542 39543
(c) A proceeding in aid of execution under Chapter 2333. of the Revised Code, including:	39544 39545
(i) A proceeding for the examination of the judgment debtor under sections 2333.09 to 2333.12 and sections 2333.15 to 2333.27 of the Revised Code;	39546 39547 39548
(ii) A proceeding for attachment of the person of the judgment debtor under section 2333.28 of the Revised Code;	39549 39550
(iii) A creditor's suit under section 2333.01 of the Revised Code.	39551 39552
(d) The attachment of the property of the judgment debtor under Chapter 2715. of the Revised Code;	39553 39554
(e) The garnishment of the property of the judgment debtor under Chapter 2716. of the Revised Code.	39555 39556
(3) Obtain an order for the assignment of wages of the judgment debtor under section 1321.33 of the Revised Code.	39557 39558
(E) A court that imposes a financial sanction upon an offender may hold a hearing if necessary to determine whether the offender is able to pay the sanction or is likely in the future to be able to pay it.	39559 39560 39561 39562
(F) Each court imposing a financial sanction upon an offender under this section or under section 2929.32 of the Revised Code may designate the clerk of the court or another person to collect the financial sanction. The clerk or other person authorized by law or the court to collect the financial sanction may enter into contracts with one or more public agencies or private vendors for the collection of, amounts due under the financial sanction imposed pursuant to this section or section 2929.32 of the Revised	39563 39564 39565 39566 39567 39568 39569 39570

Code. Before entering into a contract for the collection of 39571
amounts due from an offender pursuant to any financial sanction 39572
imposed pursuant to this section or section 2929.32 of the Revised 39573
Code, a court shall comply with sections 307.86 to 307.92 of the 39574
Revised Code. 39575

(G) If a court that imposes a financial sanction under 39576
division (A) or (B) of this section finds that an offender 39577
satisfactorily has completed all other sanctions imposed upon the 39578
offender and that all restitution that has been ordered has been 39579
paid as ordered, the court may suspend any financial sanctions 39580
imposed pursuant to this section or section 2929.32 of the Revised 39581
Code that have not been paid. 39582

(H) No financial sanction imposed under this section or 39583
section 2929.32 of the Revised Code shall preclude a victim from 39584
bringing a civil action against the offender. 39585

(B) On the motion of an eligible offender or upon its own 39635
motion, the sentencing court may reduce the eligible offender's 39636
aggregated nonmandatory prison term or terms through a judicial 39637
release under this section. 39638

(C) An eligible offender may file a motion for judicial 39639
release with the sentencing court within the following applicable 39640
periods: 39641

(1) If the aggregated nonmandatory prison term or terms is 39642
less than two years, the eligible offender may file the motion not 39643
earlier than thirty days after the offender is delivered to a 39644
state correctional institution or, if the prison term includes a 39645
mandatory prison term or terms, not earlier than thirty days after 39646
the expiration of all mandatory prison terms. 39647

(2) If the aggregated nonmandatory prison term or terms is at 39648
least two years but less than five years, the eligible offender 39649
may file the motion not earlier than one hundred eighty days after 39650
the offender is delivered to a state correctional institution or, 39651
if the prison term includes a mandatory prison term or terms, not 39652
earlier than one hundred eighty days after the expiration of all 39653
mandatory prison terms. 39654

(3) If the aggregated nonmandatory prison term or terms is 39655
five years, the eligible offender may file the motion not earlier 39656
than four years after the eligible offender is delivered to a 39657
state correctional institution or, if the prison term includes a 39658
mandatory prison term or terms, not earlier than four years after 39659
the expiration of all mandatory prison terms. 39660

(4) If the aggregated nonmandatory prison term or terms is 39661

prison terms. 39667

(5) If the aggregated nonmandatory prison term or terms is 39668
more than ten years, the eligible offender may file the motion not 39669
earlier than the later of the date on which the offender has 39670
served one-half of the offender's stated prison term or the date 39671
specified in division (C)(4) of this section. 39672

(D) Upon receipt of a timely motion for judicial release 39673
filed by an eligible offender under division (C) of this section 39674
or upon the sentencing court's own motion made within the 39675
appropriate time specified in that division, the court may deny 39676
the motion without a hearing or schedule a hearing on the motion. 39677
The court shall not grant the motion without a hearing. If a court 39678
denies a motion without a hearing, the court later may consider 39679
judicial release for that eligible offender on a subsequent motion 39680
filed by that eligible offender unless the court denies the motion 39681
with prejudice. If a court denies a motion with prejudice, the 39682
court may later consider judicial release on its own motion. If a 39683
court denies a motion after a hearing, the court shall not 39684
consider a subsequent motion for that eligible offender. The court 39685
shall hold only one hearing for any eligible offender. 39686

A hearing under this section shall be conducted in open court 39687
not less than thirty or more than sixty days after the motion is 39688
filed, provided that the court may delay the hearing for one 39689
hundred eighty additional days. If the court holds a hearing, the 39690
court shall enter a ruling on the motion within ten days after the 39691
hearing. If the court denies the motion without a hearing, the 39692
court shall enter its ruling on the motion within sixty days after 39693
the motion is filed. 39694

(E) If a court schedules a hearing under division (D) of this section, the court shall notify the eligible offender and the head of the state correctional institution in which the eligible offender is confined prior to the hearing. The head of the state correctional institution immediately shall notify the appropriate person at the department of rehabilitation and correction of the hearing, and the department within twenty-four hours after receipt of the notice, shall post on the database it maintains pursuant to section 5120.66 of the Revised Code the offender's name and all of the information specified in division (A)(1)(c)(i) of that section. If the court schedules a hearing for judicial release, the court promptly shall give notice of the hearing to the prosecuting attorney of the county in which the eligible offender was indicted. Upon receipt of the notice from the court, the prosecuting attorney shall do whichever of the following is applicable:

(1) Subject to division (E)(2) of this section, notify the victim of the offense or the victim's representative pursuant to division (B) of section 2930.16 of the Revised Code;

(2) If the offense was an offense of violence that is a felony of the first, second, or third degree, except as otherwise provided in this division, notify the victim or the victim's representative of the hearing regardless of whether the victim or victim's representative has requested the notification. The notice of the hearing shall not be given under this division to a victim or victim's representative if the victim or victim's representative has requested pursuant to division (B)(2) of section 2930.03 of the Revised Code that the victim or the victim's representative not be provided the notice. If notice is to be provided to a victim or victim's representative under this division, the prosecuting attorney may give the notice by any reasonable means, including regular mail, telephone, and

electronic mail, in accordance with division (D)(1) of section 39727
2930.16 of the Revised Code. If the notice is based on an offense 39728
committed prior to March 22, 2013, the notice also shall include 39729
the opt-out information described in division (D)(1) of section 39730
2930.16 of the Revised Code. The prosecuting attorney, in 39731
accordance with division (D)(2) of section 2930.16 of the Revised 39732
Code, shall keep a record of all attempts to provide the notice, 39733
and of all notices provided, under this division. Division (E)(2) 39734
of this section, and the notice-related provisions of division (K) 39735
of this section, division (D)(1) of section 2930.16, division (H) 39736
of section 2967.12, division (E)(1)(b) of section 2967.19, 39737
division (A)(3)(b) of section 2967.26, division (D)(1) of section 39738
2967.28, and division (A)(2) of section 5149.101 of the Revised 39739
Code enacted in the act in which division (E)(2) of this section 39740
was enacted, shall be known as "Roberta's Law." 39741

(F) Upon an offender's successful completion of 39742
rehabilitative activities, the head of the state correctional 39743
institution may notify the sentencing court of the successful 39744
completion of the activities. 39745

(G) Prior to the date of the hearing on a motion for judicial 39746
release under this section, the head of the state correctional 39747
institution in which the eligible offender is confined shall send 39748
to the court an institutional summary report on the eligible 39749
offender's conduct in the institution and in any institution from 39750
which the eligible offender may have been transferred. Upon the 39751
request of the prosecuting attorney of the county in which the 39752
eligible offender was indicted or of any law enforcement agency, 39753
the head of the state correctional institution, at the same time 39754
the person sends the institutional summary report to the court, 39755
also shall send a copy of the report to the requesting prosecuting 39756
attorney and law enforcement agencies. The institutional summary 39757
report shall cover the eligible offender's participation in 39758

school, vocational training, work, treatment, and other 39759
rehabilitative activities and any disciplinary action taken 39760
against the eligible offender. The report shall be made part of 39761
the record of the hearing. A presentence investigation report is 39762
not required for judicial release. 39763

(H) If the court grants a hearing on a motion for judicial 39764
release under this section, the eligible offender shall attend the 39765
hearing if ordered to do so by the court. Upon receipt of a copy 39766
of the journal entry containing the order, the head of the state 39767
correctional institution in which the eligible offender is 39768
incarcerated shall deliver the eligible offender to the sheriff of 39769
the county in which the hearing is to be held. The sheriff shall 39770
convey the eligible offender to and from the hearing. 39771

(I) At the hearing on a motion for judicial release under 39772
this section, the court shall afford the eligible offender and the 39773
eligible offender's attorney an opportunity to present written 39774
and, if present, oral information relevant to the motion. The 39775
court shall afford a similar opportunity to the prosecuting 39776
attorney, the victim or the victim's representative, and any other 39777
person the court determines is likely to present additional 39778
relevant information. The court shall consider any statement of a 39779
victim made pursuant to section 2930.14 or 2930.17 of the Revised 39780
Code, any victim impact statement prepared pursuant to section 39781
2947.051 of the Revised Code, and any report made under division 39782
(G) of this section. The court may consider any written statement 39783
of any person submitted to the court pursuant to division (L) of 39784
this section. After ruling on the motion, the court shall notify 39785
the victim of the ruling in accordance with sections 2930.03 and 39786
2930.16 of the Revised Code. 39787

(J)(1) A court shall not grant a judicial release under this 39788
section to an eligible offender who is imprisoned for a felony of 39789
the first or second degree, or to an eligible offender who 39790

committed an offense under Chapter 2925. or 3719. of the Revised Code and for whom there was a presumption under section 2929.13 of the Revised Code in favor of a prison term, unless the court, with reference to factors under section 2929.12 of the Revised Code, finds both of the following:

(a) That a sanction other than a prison term would adequately punish the offender and protect the public from future criminal violations by the eligible offender because the applicable factors indicating a lesser likelihood of recidivism outweigh the applicable factors indicating a greater likelihood of recidivism;

(b) That a sanction other than a prison term would not demean the seriousness of the offense because factors indicating that the eligible offender's conduct in committing the offense was less serious than conduct normally constituting the offense outweigh factors indicating that the eligible offender's conduct was more serious than conduct normally constituting the offense.

(2) A court that grants a judicial release to an eligible offender under division (J)(1) of this section shall specify on the record both findings required in that division and also shall list all the factors described in that division that were presented at the hearing.

(K) If the court grants a motion for judicial release under this section, the court shall order the release of the eligible offender, shall place the eligible offender under an appropriate community control sanction, under appropriate conditions, and under the supervision of the department of probation serving the court and shall reserve the right to reimpose the sentence that it reduced if the offender violates the sanction. If the court reimposes the reduced sentence, it may do so either concurrently with, or consecutive to, any new sentence imposed upon the eligible offender as a result of the violation that is a new offense. ~~The~~ Except as provided in division (R)(2) of this

section, the period of community control shall be no longer than 39823
five years. The court, in its discretion, may reduce the period of 39824
community control by the amount of time the eligible offender 39825
spent in jail or prison for the offense and in prison. If the 39826
court made any findings pursuant to division (J)(1) of this 39827
section, the court shall serve a copy of the findings upon counsel 39828
for the parties within fifteen days after the date on which the 39829
court grants the motion for judicial release. 39830

If the court grants a motion for judicial release, the court 39831
shall notify the appropriate person at the department of 39832
rehabilitation and correction, and the department shall post 39833
notice of the release on the database it maintains pursuant to 39834
section 5120.66 of the Revised Code. The court also shall notify 39835
the prosecuting attorney of the county in which the eligible 39836
offender was indicted that the motion has been granted. Unless the 39837
victim or the victim's representative has requested pursuant to 39838
division (B)(2) of section 2930.03 of the Revised Code that the 39839
victim or victim's representative not be provided the notice, the 39840
prosecuting attorney shall notify the victim or the victim's 39841
representative of the judicial release in any manner, and in 39842
accordance with the same procedures, pursuant to which the 39843
prosecuting attorney is authorized to provide notice of the 39844
hearing pursuant to division (E)(2) of this section. If the notice 39845
is based on an offense committed prior to March 22, 2013, the 39846
notice to the victim or victim's representative also shall include 39847
the opt-out information described in division (D)(1) of section 39848
2930.16 of the Revised Code. 39849

(L) In addition to and independent of the right of a victim 39850
to make a statement pursuant to section 2930.14, 2930.17, or 39851
2946.051 of the Revised Code and any right of a person to present 39852
written information or make a statement pursuant to division (I) 39853
of this section, any person may submit to the court, at any time 39854

prior to the hearing on the offender's motion for judicial 39855
release, a written statement concerning the effects of the 39856
offender's crime or crimes, the circumstances surrounding the 39857
crime or crimes, the manner in which the crime or crimes were 39858
perpetrated, and the person's opinion as to whether the offender 39859
should be released. 39860

(M) The changes to this section that are made on September 30, 2011, apply to any judicial release decision made on or after September 30, 2011, for any eligible offender. 39861
39862
39863

(N) Notwithstanding the eligibility requirements specified in division (A) of this section and the filing time frames specified in division (C) of this section and notwithstanding the findings required under division (J) of this section, the sentencing court, upon the court's own motion and after considering whether the release of the offender into society would create undue risk to public safety, may grant a judicial release to an offender who is not serving a life sentence at any time during the offender's imposed sentence when the director of rehabilitation and correction certifies to the sentencing court through the chief medical officer for the department of rehabilitation and correction that the offender is in imminent danger of death, is medically incapacitated, or is suffering from a terminal illness. 39864

offender under the general control and supervision of the county 40307
probation department, the adult parole authority, or another 40308
appropriate local probation or court services agency, if one 40309
exists, as if the offender was subject to a community control 40310
sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 40311
Revised Code. The court shall establish an intervention plan for 40312
the offender. The terms and conditions of the intervention plan 40313
shall require the offender, for at least one year from the date on 40314
which the court grants the order of intervention in lieu of 40315
conviction, to abstain from the use of illegal drugs and alcohol, 40316
to participate in treatment and recovery support services, and to 40317

court. If the offender's request was made under division (A)(1)(a) 40322
of this section, the terms and conditions also shall require that 40323
the offender, for at least three years from the date on which the 40324
court grants the order of intervention in lieu of conviction, not 40325

a misdemeanor traffic offense. 40327

(E) If the court grants an offender's request for 40328
intervention in lieu of conviction and the court finds that the 40329

offender has successfully completed the intervention plan for the 40330
offender, including the requirement that the offender abstain from 40331
using illegal drugs and alcohol for a period of at least one year 40332
from the date on which the court granted the order of intervention 40333
in lieu of conviction, the requirement that the offender 40334
participate in treatment and recovery support services, the 40335
requirement if applicable that the offender for a period of at 40336
least three years from the date on which the court granted that 40337
order not be convicted of or plead guilty to any criminal offense 40338
other than a misdemeanor traffic offense, and all other terms and 40339
conditions ordered by the court, the court shall dismiss the 40340
proceedings against the offender. Successful completion of the 40341
intervention plan and, the period of abstinence, and if applicable 40342
the period of no criminal convictions or guilty pleas under this 40343
section shall be without adjudication of guilt and is not a 40344
criminal conviction for purposes of any disqualification or 40345
disability imposed by law and upon conviction of a crime, and the 40346
court may order the sealing of records related to the offense in 40347
question in the manner provided in sections 2953.31 to 2953.36 of 40348
the Revised Code. 40349

(F) If the court grants an offender's request for 40350
intervention in lieu of conviction and the offender fails to 40351
comply with any term or condition imposed as part of the 40352
intervention plan for the offender, including the requirements 40353
identified in division (E) of this section, the supervising 40354
authority for the offender promptly shall advise the court of this 40355
failure, and the court shall hold a hearing to determine whether 40356
the offender failed to comply with any term or condition imposed 40357
as part of the plan. If the court determines that the offender has 40358
failed to comply with any of those terms and conditions, it and 40359
the offender made the request for intervention in lieu of 40360
conviction under division (A)(1)(b) of this section, the court 40361
shall enter a finding of guilty and shall impose an appropriate 40362

sanction under Chapter 2929. of the Revised Code. If the court 40363
determines that the offender has failed to comply with any of 40364
those terms and conditions and the offender made the request for 40365
intervention in lieu of conviction under division (A)(1)(a) of 40366
this section, the court shall notify the prosecutor with authority 40367
to prosecute the offender's alleged violation of section 2925.03 40368
or 2925.11 of the Revised Code and the prosecutor shall proceed 40369
with criminal proceedings against the offender as if the 40370
offender's request for intervention in lieu of conviction had not 40371
been made. If, in either case, the court sentences the offender to 40372
a prison term, the court, after consulting with the department of 40373
rehabilitation and correction regarding the availability of 40374
services, may order continued court-supervised activity and 40375
treatment of the offender during the prison term and, upon 40376
consideration of reports received from the department concerning 40377
the offender's progress in the program of activity and treatment, 40378

dates that it considers equitable in determining marital property, 41454

"during the marriage" means the period of time between those dates 41455
selected and specified by the court. 41456

personal property.	41495
(6)(a) "Separate property" means all real and personal	41496

interest in real or personal property that is made after the date 41516
of the marriage and that is proven by clear and convincing 41517
evidence to have been given to only one spouse. 41518

(b) The commingling of separate property with other property 41519
of any type does not destroy the identity of the separate property 41520
as separate property, except when the separate property is not 41521
traceable. 41522

(B) In divorce proceedings, the court shall, and in legal 41523
separation proceedings upon the request of either spouse, the 41524
court may, determine what constitutes marital property and what 41525
constitutes separate property. In either case, upon making such a 41526
determination, the court shall divide the marital and separate 41527
property equitably between the spouses, in accordance with this 41528
section. For purposes of this section, the court has jurisdiction 41529
over all property, excluding the social security benefits of a 41530
spouse other than as set forth in division (F)(9) of this section, 41531
in which one or both spouses have an interest. 41532

(C)(1) Except as provided in this division or division (E) of 41533
this section, the division of marital property shall be equal. If 41534
an equal division of marital property would be inequitable, the 41535
court shall not divide the marital property equally but instead 41536
shall divide it between the spouses in the manner the court 41537
determines equitable. In making a division of marital property, 41538
the court shall consider all relevant factors, including those set 41539
forth in division (F) of this section. 41540

(2) Each spouse shall be considered to have contributed 41541
equally to the production and acquisition of marital property. 41542

(3) The court shall provide for an equitable division of 41543
marital property under this section prior to making any award of 41544
spousal support to either spouse under section 3105.18 of the 41545
Revised Code and without regard to any spousal support so awarded. 41546

(4) If the marital property includes a participant account, 41547
as defined in section 148.01 of the Revised Code, the court shall 41548
not order the division or disbursement of the moneys and income 41549
described in division (A)(3)(a)(iv) of this section to occur in a 41550
manner that is inconsistent with the law, rules, or plan governing 41551
the deferred compensation program involved or prior to the time 41552
that the spouse in whose name the participant account is 41553
maintained commences receipt of the moneys and income credited to 41554
the account in accordance with that law, rules, and plan. 41555

(D) Except as otherwise provided in division (E) of this 41556
section or by another provision of this section, the court shall 41557
disburse a spouse's separate property to that spouse. If a court 41558
does not disburse a spouse's separate property to that spouse, the 41559
court shall make written findings of fact that explain the factors 41560
that it considered in making its determination that the spouse's 41561
separate property should not be disbursed to that spouse. 41562

(E)(1) The court may make a distributive award to facilitate, 41563
effectuate, or supplement a division of marital property. The 41564
court may require any distributive award to be secured by a lien 41565
on the payor's specific marital property or separate property. 41566

(2) The court may make a distributive award in lieu of a 41567
division of marital property in order to achieve equity between 41568
the spouses, if the court determines that a division of the 41569
marital property in kind or in money would be impractical or 41570
burdensome. 41571

(3) The court shall require each spouse to disclose in a full 41572
and complete manner all marital property, separate property, and 41573
other assets, debts, income, and expenses of the spouse. 41574

(4) If a spouse has engaged in financial misconduct, 41575
including, but not limited to, the dissipation, destruction, 41576
concealment, nondisclosure, or fraudulent disposition of assets, 41577

the court may compensate the offended spouse with a distributive 41578
award or with a greater award of marital property. 41579

(5) If a spouse has substantially and willfully failed to ~~12~~ 41580
disclose marital property, separate property, or other assets, ~~13~~ 41581
debts, income, or expenses as required under division (E)(3) of ~~14~~ 41582
this section, the court may compensate the offended spouse with ~~15~~ 41583
a distributive award or with a greater award of marital property 41584
~~16~~ not to exceed three times the value of the marital property, ~~17~~ 41585
separate property, or other assets, debts, income, or expenses ~~18~~ 41586
that are not disclosed by the other spouse. 41587

jurisdiction over both the obligor and individual obligee shall 42397
apply the following rules and by order shall determine which order 42398
controls and must be recognized: 42399

(1) If only one of the tribunals would have continuing, 42400
exclusive jurisdiction under this chapter, the order of that 42401
tribunal controls. 42402

(2) If more than one of the tribunals would have continuing, 42403
exclusive jurisdiction under this chapter, whichever of the 42404
following is relevant applies: 42405

(a) An order issued by a tribunal in the current home state 42406
of the child controls; 42407

(b) If an order has not been issued in the current home state 42408
of the child, the order most recently issued controls. 42409

(3) If none of the tribunals would have continuing, exclusive 42410
jurisdiction under this chapter, the court of this state shall 42411
issue a child-support order, which order controls. 42412

(C) If two or more child-support orders have been issued for 42413
the same obligor and same child, upon request of a party who is an 42414

individual or that is a support enforcement agency, a court of 42415
this state having personal jurisdiction over both the obligor and 42416
the obligee who is an individual shall determine which order 42417
controls under division (B) of this section. The request may be 42418
filed with a registration for enforcement or registration for 42419
modification pursuant to sections 3115.601 to 3115.616 of the 42420
Revised Code, or may be filed as a separate proceeding. 42421

(D) A request to determine which is the controlling order 42422
must be accompanied by a copy of every child-support order in 42423
effect and the applicable record of payments. The requesting party 42424
shall give notice of the request to each party whose rights may be 42425
affected by the determination. 42426

(E) The tribunal that issued the controlling order under 42427
division (A), (B), or (C) of this section has continuing 42428
jurisdiction to the extent provided in section 3115.205 or 42429
3115.206 of the Revised Code. 42430

(F) A court of this state that determines by order which is 42431
the controlling order under division (B)(1) or (2) of this 42432
section, or that issues a new controlling order under division 42433
(B)(3) of this section, shall state all of the following in that 42434
order: 42435

(1) The basis upon which the court made its determination; 42436

(2) The amount of prospective support, if any; 42437

(3) The total amount of consolidated arrears and accrued 42438
interest, if any, under all of the orders after all payments made 42439
are credited as provided by section 3115.209 of the Revised Code. 42440

(G) Within thirty days after issuance of an order determining 42441
which is the controlling order, the party obtaining the order 42442
shall file a certified copy of it in each tribunal that issued or 42443
registered an earlier order of child support. A party or support 42444
enforcement agency obtaining the order that fails to file a 42445

certified copy is subject to appropriate sanctions by a tribunal 42446
in which the issue of failure to file arises. The failure to file 42447
does not affect the validity or enforceability of the controlling 42448
order. 42449

(H) An order that has been determined to be the controlling 42450
order, or a judgment for consolidated arrears of support and 42451
interest, if any, made pursuant to this section must be recognized 42452
in proceedings under this chapter. 42453

Sec. 3115.208. In responding to registrations or petitions 42454
for enforcement of two or more child-support orders in effect at 42455
the same time with regard to the same obligor and different 42456
individual obligees, at least one of which was issued by a 42457
tribunal of another state or a foreign country, a tribunal of this 42458
state shall enforce those orders in the same manner as if the 42459
orders had been issued by a tribunal of this state. 42460

Sec. 3115.209. A tribunal of this state shall credit amounts 42461
collected for a particular period pursuant to any child-support 42462
order against the amounts owed for the same period under any other 42463
child-support order for support of the same child issued by a 42464
tribunal of this state, another state, or a foreign country. 42465

Sec. 3115.210. A tribunal of this state exercising personal 42466
jurisdiction over a nonresident in a proceeding under this 42467
chapter, under other law of this state relating to a support 42468
order, or recognizing a foreign support order may receive evidence 42469
from outside this state pursuant to section 3115.316 of the 42470
Revised Code, communicate with a tribunal outside this state 42471
pursuant to section 3115.317 of the Revised Code, and obtain 42472
discovery through a tribunal outside this state pursuant to 42473
section 3115.318 of the Revised Code. In all other respects, 42474
sections 3115.301 to 3115.616 of the Revised Code do not apply, 42475

and the tribunal shall apply the procedural and substantive law of 42476
this state. 42477

Sec. 3115.211. (A) A tribunal of this state issuing a 42478
spousal-support order consistent with the law of this state has 42479
continuing, exclusive jurisdiction to modify the spousal-support 42480
order throughout the existence of the support obligation. 42481

(B) A tribunal of this state may not modify a spousal-support 42482
order issued by a tribunal of another state or a foreign country 42483
having continuing, exclusive jurisdiction over that order under 42484
the law of that state or foreign country. 42485

(C) A tribunal of this state that has continuing, exclusive 42486
jurisdiction over a spousal-support order may serve as either of 42487
the following: 42488

(1) An initiating tribunal to request a tribunal of another 42489
state to enforce the spousal-support order issued in this state; 42490

(2) A responding tribunal to enforce or modify its own 42491
spousal-support order. 42492

Sec. 3115.301. (A) Except as otherwise provided in this 42493
chapter, sections 3115.301 to 3115.319 of the Revised Code apply 42494
to all proceedings under this chapter. 42495

(B) An individual petitioner or a support enforcement agency 42496
may initiate a proceeding authorized under this chapter by filing 42497
a petition in an initiating tribunal for forwarding to a 42498
responding tribunal or by filing a petition or a comparable 42499
pleading directly in a tribunal of another state or a foreign 42500
country that has or can obtain personal jurisdiction over the 42501
respondent. 42502

Sec. 3115.302. A minor parent, or a guardian or other legal 42503

representative of a minor parent, may maintain a proceeding on 42504
behalf of or for the benefit of the minor's child. 42505

a responding tribunal of this state shall do both of the 42507
following: 42508

(A) Apply the procedural and substantive law generally 42509
applicable to similar proceedings originating in this state and 42510
may exercise all powers and provide all remedies available in 42511
those proceedings; 42512

(B) Determine the duty of support and the amount payable in 42513
accordance with the law and support guidelines of this state. 42514

Sec. 3115.304. (A) Upon the filing of a petition authorized 42515
by this chapter, an initiating tribunal of this state shall 42516
forward the petition and its accompanying documents to whichever 42517
of the following is relevant: 42518

(1) The responding tribunal or appropriate support 42519
enforcement agency in the responding state; 42520

(2) If the identity of the responding tribunal is unknown, 42521

(B) If requested by the responding tribunal, a tribunal of 42525
this state shall issue a certificate or other document and make 42526
findings required by the law of the responding state. If the 42527
responding tribunal is in a foreign country, upon request the 42528
tribunal of this state shall specify the amount of support sought, 42529
convert that amount into the equivalent amount in the foreign 42530
currency under applicable official or market exchange rate as 42531
publicly reported, and provide any other documents necessary to 42532

satisfy the requirements of the responding foreign tribunal. 42533

Sec. 3115.305. (A) When a responding support enforcement 42534
agency of this state receives a petition or comparable pleading 42535
from an initiating tribunal or directly pursuant to division (B) 42536
of section 3115.301 of the Revised Code, it shall cause the 42537
petition or pleading to be filed and notify the petitioner where 42538
and when it was filed. 42539

(B) A responding tribunal of this state, to the extent not 42540
prohibited by other law, may do one or more of the following: 42541

(1) Establish or enforce a support order, modify a 42542
child-support order, determine the controlling child-support 42543
order, or determine parentage of a child; 42544

(2) Order an obligor to comply with a support order, 42545
specifying the amount and the manner of compliance; 42546

(3) Order income withholding; 42547

(4) Determine the amount of any arrearages and specify a 42548

(7) Place liens and order execution on the obligor's 42552

42595

(4) Within two days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of notice in a record from an initiating, responding, or registering tribunal, send a copy of the notice to the petitioner; 42605
42606
42607
42608

(5) Within two days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of communication in a record from the respondent or the respondent's attorney, send a copy of the communication to the petitioner; 42609

42612

(6) Notify the petitioner if jurisdiction over the respondent cannot be obtained. 42613
42614

(C) A support enforcement agency of this state that requests registration of a child-support order in this state for enforcement or for modification shall make reasonable efforts to do whichever of the following is relevant: 42615

42617
42618

(1) Ensure that the order to be registered is the controlling order; 42619
42620

(2) If two or more child-support orders exist and the identity of the controlling order has not been determined, ensure that a request for such a determination is made in a tribunal having jurisdiction to do so. 42621

42638
42639
42640

Sec. 3115.308. (A) If the department of job and family services determines that the support enforcement agency is neglecting or refusing to provide services to an individual, the department may order the agency to perform its duties under this chapter or may provide those services directly to the individual. 42641
42642
42643
42644
42645

(B) The department of job and family services may determine that a foreign country has established a reciprocal arrangement for child support with this state and take appropriate action for notification of the determination. 42646
42647
42648
42649

Sec. 3115.309. An individual may employ private counsel to 42650

represent the individual in proceedings authorized by this 42651
chapter. 42652

Sec. 3115.310. (A) The department of job and family services 42653
is the state information agency under this chapter. 42654

(B) The state information agency shall do all of the 42655
following: 42656

(1) Compile and maintain a current list, including addresses, 42657
of the tribunals in this state that have jurisdiction under this 42658
chapter and any support enforcement agencies in this state and 42659
transmit a copy to the state information agency of every other 42660
state; 42661

(2) Maintain a register of names and addresses of tribunals 42662
and support enforcement agencies received from other states; 42663

(3) Forward to the appropriate support enforcement agency in 42664
the county in this state in which the obligee who is an individual 42665
or the obligor resides, or in which the obligor's property is 42666
believed to be located, all documents concerning a proceeding 42667
under this chapter received from another state or a foreign 42668
country; 42669

(4) Obtain information concerning the location of the obligor 42670
and the obligor's property within this state not exempt from 42671
execution, by such means as postal verification and federal or 42672
state locator services, examination of telephone directories, 42673
requests for the obligor's address from employers, and examination 42674
of governmental records, including, to the extent not prohibited 42675
by other law, those relating to real property, vital statistics, 42676
law enforcement, taxation, motor vehicles, driver's licenses, and 42677
social security. 42678

Sec. 3115.311. (A) In a proceeding under this chapter, a 42679

petitioner seeking to establish a support order, to determine 42680
parentage of a child, or to register and modify a support order of 42681
a tribunal of another state or a foreign country must file a 42682
petition. Unless otherwise ordered under section 3115.312 of the 42683
Revised Code, the petition or accompanying documents must provide, 42684
so far as known, the name, residential address, and social 42685
security numbers of the obligor and the obligee or the parent and 42686
alleged parent, and the name, sex, residential address, social 42687
security number, and date of birth of each child for whose benefit 42688
support is sought or whose parentage is to be determined. Unless 42689
filed at the time of registration, the petition must be 42690
accompanied by a copy of any support order known to have been 42691
issued by another tribunal. The petition may include any other 42692
information that may assist in locating or identifying the 42693
respondent. 42694

(B) The petition must specify the relief sought. The petition 42695
and accompanying documents must conform substantially to the 42696
requirements imposed by the forms mandated by federal law for use 42697
in cases filed by a support enforcement agency. 42698

Sec. 3115.312. If a party alleges in an affidavit or a 42699
pleading under oath that the health, safety, or liberty of a party 42700
or child would be jeopardized by disclosure of specific 42701
identifying information, that information must be sealed and may 42702
not be disclosed to the other party or the public. After a hearing 42703
in which a tribunal takes into consideration the health, safety, 42704
or liberty of the party or child, the tribunal may order 42705
disclosure of information that the tribunal determines to be in 42706
the interest of justice. 42707

Sec. 3115.313. (A) The petitioner may not be required to pay 42708
a filing fee or other costs. 42709

(B) If an obligee prevails, a responding tribunal of this state may assess against an obligor filing fees, reasonable attorney's fees, other costs, and necessary travel and other reasonable expenses incurred by the obligee and the obligee's witnesses. The tribunal may not assess fees, costs, or expenses against the obligee or the support enforcement agency of either the initiating or responding state or foreign country, except as provided by other law. Attorney's fees may be taxed as costs, and may be ordered paid directly to the attorney, who may enforce the order in the attorney's own name. Payment of support owed to the obligee has priority over fees, costs, and expenses.

(C) The tribunal shall order the payment of costs and reasonable attorney's fees if it determines that a hearing was requested primarily for delay. In a proceeding under sections 3115.601 to 3115.616 of the Revised Code, a hearing is presumed to have been requested primarily for delay if a registered support order is confirmed or enforced without change.

Sec. 3115.314. (A) Participation by a petitioner in a proceeding under this chapter before a responding tribunal, whether in person, by private attorney, or through services provided by the support enforcement agency, does not confer personal jurisdiction over the petitioner in another proceeding.

(B) A petitioner is not amenable to service of civil process while physically present in this state to participate in a proceeding under this chapter.

(C) The immunity granted by this section does not extend to civil litigation based on acts unrelated to a proceeding under this chapter committed by a party while physically present in this state to participate in the proceeding.

Sec. 3115.315. A party whose parentage of a child has been

previously determined by or pursuant to law may not plead 42740
nonparentage as a defense to a proceeding under this chapter. 42741

Sec. 3115.316. (A) The physical presence of a nonresident 42742
party who is an individual in a tribunal of this state is not 42743
required for the establishment, enforcement, or modification of a 42744
support order or the rendition of a judgment determining parentage 42745
of a child. 42746

(B) An affidavit, a document substantially complying with 42747
federally mandated forms, or a document incorporated by reference 42748
in any of them, which would not be excluded under the hearsay rule 42749
if given in person, is admissible in evidence if given under 42750
penalty of perjury by a party or witness residing outside this 42751
state. 42752

(C) A copy of the record of child-support payments certified 42753
as a true copy of the original by the custodian of the record may 42754
be forwarded to a responding tribunal. The copy is evidence of 42755
facts asserted in it, and is admissible to show whether payments 42756
were made. 42757

(D) Copies of bills for testing for parentage of a child, and 42758
for prenatal and postnatal health care of the mother and child, 42759
furnished to the adverse party at least ten days before trial, are 42760
admissible in evidence to prove the amount of the charges billed 42761
and that the charges were reasonable, necessary, and customary. 42762

(E) Documentary evidence transmitted from outside this state 42763
to a tribunal of this state by telephone, telecopier, or other 42764
electronic means that do not provide an original record may not be 42765
excluded from evidence on an objection based on the means of 42766
transmission. 42767

(F) In a proceeding under this chapter, a tribunal of this 42768
state shall permit a party or witness residing outside this state 42769

to be deposed or to testify under penalty of perjury by telephone, 42770
audiovisual means, or other electronic means at a designated 42771
tribunal or other location. A tribunal or support enforcement 42772
agency of this state shall cooperate with other tribunals in 42773
designating an appropriate location for the deposition or 42774
testimony. 42775

(G) If a party called to testify at a civil hearing refuses 42776
to answer on the ground that the testimony may be 42777
self-incriminating, the trier of fact may draw an adverse 42778
inference from the refusal. 42779

(H) A privilege against disclosure of communications between 42780
spouses does not apply in a proceeding under this chapter. 42781

(I) The defense of immunity based on the relationship of 42782
husband and wife or parent and child does not apply in a 42783
proceeding under this chapter. 42784

(J) A voluntary acknowledgment of paternity, certified as a 42785
true copy, is admissible to establish parentage of the child. 42786

Sec. 3115.317. A tribunal of this state may communicate with 42787
a tribunal outside this state in a record or by telephone, 42788
electronic mail, or other means to obtain information concerning 42789
the laws, the legal effect of a judgment, decree, or order of that 42790
tribunal and the status of a proceeding. A tribunal of this state 42791
may furnish similar information by similar means to a tribunal 42792
outside this state. 42793

Sec. 3115.318. A tribunal of this state may do both of the 42794
following: 42795

(A) Request a tribunal outside this state to assist in 42796
obtaining discovery; 42797

(B) Upon request, compel a person over which it has 42798

jurisdiction to respond to a discovery order issued by a tribunal 42799
outside this state. 42800

Sec. 3115.319. (A) A support enforcement agency or tribunal 42801
of this state shall disburse promptly any amounts received 42802
pursuant to a support order, as directed by the order. The agency 42803
or tribunal shall furnish to a requesting party or tribunal of 42804
another state or a foreign country a certified statement by the 42805
custodian of the record of the amounts and dates of all payments 42806
received. 42807

(B) If neither the obligor, nor the obligee who is an 42808
individual, nor the child resides in this state, upon request from 42809
the support enforcement agency of this state or another state, the 42810
support enforcement agency of this state or a tribunal of this 42811
state shall do both of the following: 42812

(1) Direct that the support payment be made to the support 42813
enforcement agency in the state in which the obligee is receiving 42814
services; and 42815

(2) Issue and send to the obligor's employer or other payor a 42816
conforming income-withholding order or an administrative notice of 42817
change of payee, reflecting the redirected payments. 42818

(C) The support enforcement agency of this state receiving 42819
redirected payments from another state pursuant to a law similar 42820
to division (B) of this section shall furnish to a requesting 42821
party or tribunal of the other state a certified statement by the 42822
custodian of the record of the amount and dates of all payments 42823
received. 42824

Sec. 3115.401. (A) If a support order entitled to recognition 42825
under this chapter has not been issued, a responding tribunal of 42826
this state with personal jurisdiction over the parties may issue a 42827
support order if either of the following applies: 42828

<u>(1) The individual seeking the order resides outside this state.</u>	42829
	42830

employer or other payor under Chapter 3121. of the Revised Code 42862
without first filing a petition or comparable pleading or 42863
registering the order with a tribunal of this state. 42864

Sec. 3115.502. (A) Upon receipt of an income-withholding 42865
order, the obligor's employer or other payor shall immediately 42866
provide a copy of the order to the obligor. 42867

(B) The employer or other payor shall treat an 42868
income-withholding order issued in another state that appears 42869
regular on its face as if it had been issued by a tribunal of this 42870
state. 42871

(C) Except as otherwise provided in division (D) of this 42872
section and section 3115.503 of the Revised Code, the employer or 42873

<u>Sec. 3115.505. An employer or other payor that willfully fails to comply with an income-withholding order issued in another</u>	42914

state and received for enforcement is subject to the same 42916
penalties that may be imposed for noncompliance with an order 42917
issued by a tribunal of this state. 42918

Sec. 3115.506. (A) An obligor may contest the validity or 42919
enforcement of an income-withholding order issued in another state 42920
and received directly by an employer or other payor in this state 42921
by registering the order in a court of this state and filing a 42922
contest to that order as provided in sections 3115.601 to 3115.616 42923
of the Revised Code, or otherwise contesting the order in the same 42924
manner as if the order had been issued by a tribunal of this 42925
state. 42926

(B) The obligor shall give notice of the contest to all of 42927
the following: 42928

(1) A support enforcement agency providing services to the 42929

Sec. 3115.507. (A) A party or support enforcement agency 42936
seeking to enforce a support order or an income-withholding order, 42937
or both, issued in another state or a foreign support order may 42938
send the documents required for registering the order to a support 42939
enforcement agency of this state. 42940

(B) Upon receipt of the documents, the support enforcement 42941
agency, without initially seeking to register the order, shall 42942
consider and, if appropriate, use any administrative procedure 42943
authorized by the law of this state to enforce a support order or 42944

income-withholding order, or both. If the obligor does not contest 42945
administrative enforcement, the order need not be registered. If 42946
the obligor contests the validity or administrative enforcement of 42947
the order, the support enforcement agency shall register the order 42948
pursuant to this chapter. 42949

Sec. 3115.601. A support order or income-withholding order 42950
issued in another state or a foreign support order may be 42951
registered in this state for enforcement. 42952

Sec. 3115.602. (A) Except as otherwise provided in section 42953
3115.706 of the Revised Code, a support order or 42954
income-withholding order of another state or a foreign support 42955
order may be registered in this state by sending the following 42956

or a certified statement by the custodian of the records showing 42963
the amount of any arrearage; 42964

(4) The name of the obligor and, if known, all of the 42965
following: 42966

(a) The obligor's address and social security number; 42967

(b) The name and address of the obligor's employer or other 42968
payor and any other source of income of the obligor; 42969

(c) A description and the location of property of the obligor 42970
in this state not exempt from execution. 42971

(5) Except as otherwise provided in section 3115.312 of the 42972
Revised Code, the name and address of the obligee and, if 42973

applicable, the person to whom support payments are to be 42974
remitted. 42975

(B) On receipt of a request for registration, the registering 42976
tribunal shall cause the order to be filed as an order of a 42977
tribunal of another state or a foreign support order, together 42978
with one copy of the documents and information, regardless of 42979
their form. 42980

(C) A petition or comparable pleading seeking a remedy that 42981
must be affirmatively sought under other law of this state may be 42982
filed at the same time as the request for registration or later. 42983
The pleading must specify the grounds for the remedy sought. 42984

(D) If two or more orders are in effect, the person 42985
requesting registration shall do all of the following: 42986

asserted to be in effect in addition to the documents specified in 42988
this section; 42989

(2) Specify the order alleged to be the controlling order, if 42990
any; and 42991

(3) Specify the amount of consolidated arrears, if any. 42992

(E) A request for a determination of which is the controlling 42993
order may be filed separately or with a request for registration 42994
and enforcement or for registration and modification. The person 42995
requesting registration shall give notice of the request to each 42996
party whose rights may be affected by the determination. 42997

Sec. 3115.603. (A) A support order or income-withholding 42998
order issued in another state or a foreign support order is 42999
registered when the order is filed in the registering tribunal of 43000
this state. 43001

(B) A registered support order issued in another state or a 43002
foreign country is enforceable in the same manner and is subject 43003

to the same procedures as an order issued by a tribunal of this 43004
state. 43005

(C) Except as otherwise provided in this chapter, a tribunal 43006
of this state shall recognize and enforce, but may not modify, a 43007
registered support order if the issuing tribunal had jurisdiction. 43008

Sec. 3115.604. (A) Except as otherwise provided in division 43009
(D) of this section, the law of the issuing state or foreign 43010
country governs all of the following: 43011

(1) The nature, extent, amount, and duration of current 43012
payments under a registered support order; 43013

(2) The computation and payment of arrearages and accrual of 43014
interest on the arrearages under the support order; 43015

(3) The existence and satisfaction of other obligations under 43016
the support order. 43017

(B) In a proceeding for arrears under a registered support 43018
order, the statute of limitation of this state, or of the issuing 43019
state or foreign country, whichever is longer, applies. 43020

(C) A responding tribunal of this state shall apply the 43021
procedures and remedies of this state to enforce current support 43022
and collect arrears and interest due on a support order of another 43023
state or a foreign country registered in this state. 43024

(D) After a tribunal of this state or another state 43025
determines which is the controlling order and issues an order 43026
consolidating arrears, if any, a tribunal of this state shall 43027
prospectively apply the law of the state or foreign country 43028
issuing the controlling order, including its law on interest on 43029
arrears, on current and future support, and on consolidated 43030
arrears. 43031

Sec. 3115.605. (A) When a support order or income-withholding 43032

order issued in another state or a foreign support order is 43033
registered, the registering tribunal of this state shall notify 43034
the nonregistering party. The notice must be accompanied by a copy 43035
of the registered order and the documents and relevant information 43036
accompanying the order. 43037

(B) A notice must inform the nonregistering party of all of 43038
the following: 43039

(1) That a registered support order is enforceable as of the 43040
date of registration in the same manner as an order issued by a 43041
tribunal of this state; 43042

(2) That a hearing to contest the validity or enforcement of 43043
the registered order must be requested within twenty days after 43044
notice unless the registered order is under section 3115.707 of 43045
the Revised Code; 43046

(3) That failure to contest the validity or enforcement of 43047
the registered order in a timely manner will result in 43048
confirmation of the order and enforcement of the order and the 43049
alleged arrearages; 43050

(4) The amount of any alleged arrearages. 43051

(C) If the registering party asserts that two or more orders 43052
are in effect, a notice must also do all of the following: 43053

(1) Identify the two or more orders and the order alleged by 43054
the registering party to be the controlling order and the 43055
consolidated arrears, if any; 43056

(2) Notify the nonregistering party of the right to a 43057
determination of which is the controlling order; 43058

(3) State that the procedures provided in division (B) of 43059
this section apply to the determination of which is the 43060
controlling order; 43061

(4) State that failure to contest the validity or enforcement of the order alleged to be the controlling order in a timely manner may result in confirmation that the order is the controlling order. 43062
43063
43064
43065

(D) Upon registration of an income-withholding order for enforcement, the support enforcement agency or the registering tribunal shall notify the obligor's employer or other payor pursuant to Chapter 3121. of the Revised Code. 43066
43067
43068
43069

Sec. 3115.606. (A) A nonregistering party seeking to contest the validity or enforcement of a registered support order in this state shall request a hearing within the time required by section 3115.605 of the Revised Code. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered order, or to contest the remedies being sought or the amount of any alleged arrearages pursuant to section 3115.607 of the Revised Code. 43070
43071
43072
43073
43074
43075
43076
43077

(B) If the nonregistering party fails to contest the validity or enforcement of the registered support order in a timely manner, the order is confirmed by operation of law. 43078
43079
43080

(C) If a nonregistering party requests a hearing to contest the validity or enforcement of the registered support order, the registering tribunal shall schedule the matter for hearing and give notice to the parties of the date, time, and place of the hearing. 43081
43082
43083
43084
43085

Sec. 3115.607. (A) A party contesting the validity or enforcement of a registered support order or seeking to vacate the registration has the burden of proving one or more of the following defenses: 43086
43087
43088
43089

(1) The issuing tribunal lacked personal jurisdiction over the contesting party. 43090
43091

<u>(2) The order was obtained by fraud.</u>	43092
<u>(3) The order has been vacated, suspended, or modified by a later order.</u>	43093 43094
<u>(4) The issuing tribunal has stayed the order pending appeal.</u>	43095
<u>(5) There is a defense under the law of this state to the remedy sought.</u>	43096 43097
<u>(6) Full or partial payment has been made.</u>	43098
<u>(7) The statute of limitation under section 3115.604 of the Revised Code precludes enforcement of some or all of the alleged arrearages.</u>	43099 43100 43101
<u>(8) The alleged controlling order is not the controlling order.</u>	43102 43103
<u>(B) If a party presents evidence establishing a full or partial defense under division (A) of this section, a tribunal may stay enforcement of a registered support order, continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. An uncontested portion of the registered support order may be enforced by all remedies available under the law of this state.</u>	43104 43105 43106 43107 43108 43109 43110
<u>(C) If the contesting party does not establish a defense under division (A) of this section to the validity or enforcement of a registered support order, the registering tribunal shall issue an order confirming the order.</u>	43111 43112 43113 43114
<u>Sec. 3115.608. Confirmation of a registered support order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.</u>	43115 43116 43117 43118
<u>Sec. 3115.609. A party or support enforcement agency seeking to modify, or to modify and enforce, a child-support order issued</u>	43119 43120

in another state shall register that order in this state in the 43121
same manner provided in sections 3115.601 to 3115.608 of the 43122
Revised Code if the order has not been registered. A petition for 43123
modification may be filed at the same time as a request for 43124
registration, or later. The pleading must specify the grounds for 43125
modification. 43126

Sec. 3115.610. A tribunal of this state may enforce a 43127
child-support order of another state registered for purposes of 43128
modification, in the same manner as if the order had been issued 43129
by a tribunal of this state, but the registered support order may 43130
be modified only if the requirements of section 3115.611 or 43131
3115.613 of the Revised Code have been met. 43132

Sec. 3115.611. (A) If section 3115.613 of the Revised Code 43133
does not apply, upon petition a tribunal of this state may modify 43134
a child-support order issued in another state which is registered 43135
in this state if, after notice and hearing, the tribunal finds 43136
either of the following: 43137

(1) That all of the following requirements are met: 43138

(a) Neither the child, nor the obligee who is an individual, 43139
nor the obligor resides in the issuing state; 43140

(b) A petitioner who is a nonresident of this state seeks 43141
modification; and 43142

(c) The respondent is subject to the personal jurisdiction of 43143
the tribunal of this state. 43144

(2) That this state is the residence of the child, or a party 43145
who is an individual is subject to the personal jurisdiction of 43146
the tribunal of this state, and all of the parties who are 43147
individuals have filed consents in a record in the issuing 43148
tribunal for a tribunal of this state to modify the support order 43149

and assume continuing, exclusive jurisdiction. 43150

(B) Modification of a registered child-support order is 43151
subject to the same requirements, procedures, and defenses that 43152
apply to the modification of an order issued by a tribunal of this 43153
state and the order may be enforced and satisfied in the same 43154
manner. 43155

(C) A tribunal of this state may not modify any aspect of a 43156
child-support order that may not be modified under the law of the 43157
issuing state, including the duration of the obligation of 43158
support. If two or more tribunals have issued child-support orders 43159
for the same obligor and same child, the order that controls and 43160
must be so recognized under section 3115.207 of the Revised Code 43161
establishes the aspects of the support order which are 43162
nonmodifiable. 43163

(D) In a proceeding to modify a child-support order, the law 43164
of the state that is determined to have issued the initial 43165
controlling order governs the duration of the obligation of 43166
support. The obligor's fulfillment of the duty of support 43167
established by that order precludes imposition of a further 43168
obligation of support by a tribunal of this state. 43169

(E) On the issuance of an order by a tribunal of this state 43170
modifying a child-support order issued in another state, the 43171
tribunal of this state becomes the tribunal having continuing, 43172
exclusive jurisdiction. 43173

(F) Notwithstanding divisions (A) to (E) of this section and 43174
division (B) of section 3115.201 of the Revised Code, a tribunal 43175
of this state retains jurisdiction to modify an order issued by a 43176
tribunal of this state if both of the following apply: 43177

(1) One party resides in another state. 43178

(2) The other party resides outside the United States. 43179

Sec. 3115.612. If a child-support order issued by a tribunal of this state is modified by a tribunal of another state which assumed jurisdiction pursuant to its uniform interstate family support act, a tribunal of this state: 43180
43181
43182
43183

(A) May enforce its order that was modified only as to arrears and interest accruing before the modification; 43184
43185

(B) May provide appropriate relief for violations of its order that occurred before the effective date of the modification; 43186
43187

(C) Shall recognize the modifying order of the other state, upon registration, for the purpose of enforcement. 43188
43189

Sec. 3115.613. (A) If all of the parties who are individuals reside in this state and the child does not reside in the issuing state, a court of this state has jurisdiction to enforce and to modify the issuing state's child-support order in a proceeding to register that order. 43190
43191
43192
43193
43194

(B) A court of this state exercising jurisdiction under this section shall apply the provisions of sections 3115.102 to 3115.211 and sections 3115.601 to 3115.616 of the Revised Code and the procedural and substantive law of this state to the proceeding for enforcement or modification. Sections 3115.301 to 3115.507 and sections 3115.701 to 3115.802 of the Revised Code do not apply. 43195
43196
43197
43198
43199
43200

Sec. 3115.614. Within thirty days after issuance of a modified child-support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure 43201
43202
43203
43204
43205
43206
43207
43208

to file does not affect the validity or enforceability of the 43209
modified order of the new tribunal having continuing, exclusive 43210
jurisdiction. 43211

Sec. 3115.615. (A) Except as otherwise provided in section 43212
3115.711 of the Revised Code, if a foreign country lacks or 43213
refuses to exercise jurisdiction to modify its child-support order 43214
pursuant to its laws, a court of this state may assume 43215
jurisdiction to modify the child-support order and bind all 43216
individuals subject to the personal jurisdiction of the court 43217
whether the consent to modification of a child-support order 43218
otherwise required of the individual pursuant to section 3115.611 43219
of the Revised Code has been given or whether the individual 43220
seeking modification is a resident of this state or of the foreign 43221
country. 43222

(B) An order issued by a court of this state modifying a 43223
foreign child-support order pursuant to this section is the 43224
controlling order. 43225

Sec. 3115.616. A party or support enforcement agency seeking 43226
to modify, or to modify and enforce, a foreign child-support order 43227
not under the convention may register that order in this state 43228
under sections 3115.601 to 3115.608 of the Revised Code if the 43229
order has not been registered. A petition for modification may be 43230
filed at the same time as a request for registration, or at 43231
another time. The petition must specify the grounds for 43232
modification. 43233

Sec. 3115.701. As used in sections 3115.701 to 3115.713 of 43234
the Revised Code: 43235

(A) "Application" means a request under the convention by an 43236
obligee or obligor, or on behalf of a child, made through a 43237

<u>central authority for assistance from another central authority.</u>	43238
<u>(B) "Central authority" means the entity designated by the</u>	43239
<u>United States or a foreign country described in division (E)(4) of</u>	43240
<u>section 3115.102 of the Revised Code to perform the functions</u>	43241
<u>specified in the convention.</u>	43242

Sec. 3115.801. (A) For purposes of sections 3115.801 to 43508

obligee; 43517

(2) On the demand of the governor of another state, surrender 43518
an individual found in this state who is charged criminally in the 43519
other state with having failed to provide for the support of an 43520
obligee. 43521

(C) A provision for extradition of individuals not 43522

therefrom. 43526

Sec. 3115.802. (A) Before making a demand that the governor 43527
of another state surrender an individual charged criminally in 43528

this state with having failed to provide for the support of an 43529
obligee, the governor of this state may require a prosecutor of 43530
this state to demonstrate that at least sixty days previously the 43531
obligee had initiated proceedings for support pursuant to this 43532
chapter or that the proceeding would be of no avail. 43533

(B) If, under this chapter or a law substantially similar to 43534
this chapter, the governor of another state makes a demand that 43535
the governor of this state surrender an individual charged 43536
criminally in that state with having failed to provide for the 43537
support of a child or other individual to whom a duty of support 43538
is owed, the governor may require a prosecutor to investigate the 43539
demand and report whether a proceeding for support has been 43540
initiated or would be effective. If it appears that a proceeding 43541
would be effective but has not been initiated, the governor may 43542
delay honoring the demand for a reasonable time to permit the 43543
initiation of a proceeding. 43544

(C) If a proceeding for support has been initiated and the 43545
individual whose rendition is demanded prevails, the governor may 43546
decline to honor the demand. If the petitioner prevails and the 43547
individual whose rendition is demanded is subject to a support 43548
order, the governor may decline to honor the demand if the 43549
individual is complying with the support order. 43550

Sec. 3115.901. In applying and construing this chapter, 43551

whenever issued or entered. 43559

Sec. 3115.903. If any provision of this chapter or its 43560
application to any person or circumstance is held invalid, the 43561
invalidity does not affect other provisions or applications of 43562
this chapter that can be given effect without the invalid 43563
provision or application, and to this end the provisions of this 43564
chapter are severable. 43565

Sec. 3119.27. (A) A court that issues or modifies a court 43566
support order, or an administrative agency that issues or modifies 43567

under the support order a processing charge ~~that is the greater in~~ 43569

43648

(a) Deduct from the obligor's account a specified amount for 43649

support in satisfaction of the support order and begin the 43650
deduction no later than fourteen business days following the date 43651
the notice was mailed or transmitted to the financial institution 43652
under section 3121.035 or 3123.06 of the Revised Code and division 43653
(B)(2) of this section; 43654

(b) Send the amount deducted to the office of child support 43655
in the department of job and family services pursuant to section 43656
3121.43 of the Revised Code immediately but not later than seven 43657
business days after the date the latest deduction was made; 43658

(c) Provide the date on which the amount was deducted; 43659

(d) Continue the deduction at intervals specified in the 43660
notice until further notice from the court or child support 43661
enforcement agency. 43662

To the extent possible, the amount to be deducted shall 43663
satisfy the amount ordered for support in the support order plus 43664
any arrearages that may be owed by the obligor under any prior 43665
support order that pertained to the same child or spouse, 43666
notwithstanding the limitations of sections 2329.66, 2329.70, and 43667
2716.13 of the Revised Code. 43668

(2) A court or agency that imposes a deduction requirement 43669
shall, within the applicable period of time specified in section 43670
3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send 43671
to the financial institution by regular mail or via secure 43672
federally managed data transmission interface a notice that 43673
contains all of the information applicable to deduction notices 43674
set forth in section 3121.037 of the Revised Code. The notice is 43675
final and is enforceable by the court. 43676

(C) With respect to any court support order it issues, a 43677
court may issue an order requiring the obligor to enter into a 43678
cash bond with the court. The court shall issue the order as part 43679
of the court support order or, if the court support order has 43680

previously been issued, as a separate order. The cash bond shall 43681
be in a sum fixed by the court at not less than five hundred nor 43682
more than ten thousand dollars, conditioned that the obligor will 43683
make payment as previously ordered and will pay any arrearages 43684
under any prior court support order that pertained to the same 43685
child or spouse. 43686

The order, along with an additional order requiring the 43687
obligor to immediately notify the child support enforcement 43688
agency, in writing, if the obligor begins to receive income from a 43689
payor, shall be attached to and served on the obligor at the same 43690
time as service of the court support order or, if the court 43691
support order has previously been issued, as soon as possible 43692
after the issuance of the order under this section. The additional 43693
order requiring notice by the obligor shall state all of the 43694
following: 43695

(1) That when the obligor begins to receive income from a 43696
payor the obligor may request that the court cancel its bond order 43697
and instead issue a notice requiring the withholding of an amount 43698
from income for support in accordance with this section; 43699

(2) That when the obligor begins to receive income from a 43700
payor the court will proceed to collect on the bond if the court 43701
determines that payments due under the court support order have 43702
not been made and that the amount that has not been paid is at 43703
least equal to the support owed for one month under the court 43704
support order and will issue a notice requiring the withholding of 43705
an amount from income for support in accordance with this section. 43706
The notice required of the obligor shall include a description of 43707
the nature of any new employment, the name and business address of 43708
any new employer, and any other information reasonably required by 43709
the court. 43710

The court shall not order an obligor to post a cash bond 43711
under this section unless the court determines that the obligor 43712

has the ability to do so. 43713

A child support enforcement agency may not issue a cash bond 43714
order. If a child support enforcement agency is required to issue 43715
a withholding or deduction notice under this section with respect 43716
to a court support order but the agency determines that no 43717
withholding or deduction notice would be appropriate, the agency 43718
may request that the court issue a cash bond order under this 43719
section, and upon the request, the court may issue the order. 43720

(D)(1) If the obligor under a court support order is 43721
unemployed, has no income, and does not have an account at any 43722
financial institution, or on request of a child support 43723
enforcement agency under division (D)(1) or (2) of this section, 43724
the court shall issue an order requiring the obligor, if able to 43725
engage in employment, to seek employment or participate in a work 43726
activity to which a recipient of assistance under Title IV-A of 43727
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 43728
as amended, may be assigned as specified in section 407(d) of the 43729
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 43730
shall include in the order ~~a requirement~~ requirements that the 43731
obligor register with OhioMeansJobs and to notify the child 43732
support enforcement agency on obtaining employment, obtaining any 43733
income, or obtaining ownership of any asset with a value of five 43734
hundred dollars or more. The court may issue the order regardless 43735
of whether the obligee to whom the obligor owes support is a 43736
recipient of assistance under Title IV-A of the "Social Security 43737
Act." The court shall issue the order as part of a court support 43738
order or, if a court support order has previously been issued, as 43739
a separate order. If a child support enforcement agency is 43740
required to issue a withholding or deduction notice under this 43741
section with respect to a court support order but determines that 43742
no withholding or deduction notice would be appropriate, the 43743
agency may request that the court issue a court order under 43744

division (D)(1) of this section, and, on the request, the court 43745
may issue the order. 43746

(2) If the obligor under an administrative child support 43747
order is unemployed, has no income, and does not have an account 43748
at any financial institution, the agency shall issue an 43749
administrative order requiring the obligor, if able to engage in 43750
employment, to seek employment or participate in a work activity 43751
to which a recipient of assistance under Title IV-A of the "Social 43752
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 43753
may be assigned as specified in section 407(d) of the "Social 43754
Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall 43755
include in the order ~~a requirement~~ requirements that the obligor 43756
register with OhioMeansJobs and to notify the agency on obtaining 43757
employment or income, or ownership of any asset with a value of 43758
five hundred dollars or more. The agency may issue the order 43759
regardless of whether the obligee to whom the obligor owes support 43760
is a recipient of assistance under Title IV-A of the "Social 43761
Security Act." If an obligor fails to comply with an 43762
administrative order issued pursuant to division (D)(2) of this 43763
section, the agency shall submit a request to a court for the 43764
court to issue an order under division (D)(1) of this section. 43765

Sec. 3301.078. (A) No official or board of this state, 43766
whether appointed or elected, shall enter into any agreement or 43767
memorandum of understanding with any federal or private entity 43768
that would require the state to cede any measure of control over 43769
the development, adoption, or revision of academic content 43770
standards. 43771

(B) No funds appropriated from the general revenue fund shall 43772
be used to purchase an assessment developed by the partnership for 43773
assessment of readiness for college and careers for use as the 43774
assessments prescribed under sections 3301.0710 and 3301.0712 of 43775

the Revised Code. 43776

Sec. 3301.0711. (A) The department of education shall: 43777

(1) Annually furnish to, grade, and score all assessments 43778
required by divisions (A)(1) and (B)(1) of section 3301.0710 of 43779
the Revised Code to be administered by city, local, exempted 43780
village, and joint vocational school districts, except that each 43781
district shall score any assessment administered pursuant to 43782
division (B)(10) of this section. Each assessment so furnished 43783
shall include the data verification code of the student to whom 43784
the assessment will be administered, as assigned pursuant to 43785
division (D)(2) of section 3301.0714 of the Revised Code. In 43786
furnishing the practice versions of Ohio graduation tests 43787
prescribed by division (D) of section 3301.0710 of the Revised 43788
Code, the department shall make the tests available on its web 43789
site for reproduction by districts. In awarding contracts for 43790
grading assessments, the department shall give preference to 43791
Ohio-based entities employing Ohio residents. 43792

(2) Adopt rules for the ethical use of assessments and 43793
prescribing the manner in which the assessments prescribed by 43794
section 3301.0710 of the Revised Code shall be administered to 43795
students. 43796

(B) Except as provided in divisions (C) and (J) of this 43797
section, the board of education of each city, local, and exempted 43798
village school district shall, in accordance with rules adopted 43799
under division (A) of this section: 43800

(1) Administer the English language arts assessments 43801
prescribed under division (A)(1)(a) of section 3301.0710 of the 43802
Revised Code twice annually to all students in the third grade who 43803
have not attained the score designated for that assessment under 43804
division (A)(2)(c) of section 3301.0710 of the Revised Code. 43805

(2) Administer the mathematics assessment prescribed under division (A)(1)(a) of section 3301.0710 of the Revised Code at least once annually to all students in the third grade.	43806 43807 43808

(5) Administer the assessments prescribed under division (A)(1)(d) of section 3301.0710 of the Revised Code at least once annually to all students in the sixth grade.	43815 43816 43817
(6) Administer the assessments prescribed under division (A)(1)(e) of section 3301.0710 of the Revised Code at least once annually to all students in the seventh grade.	43818 43819 43820

(a) At least once annually to all tenth grade students and at least twice annually to all students in eleventh or twelfth grade who have not yet attained the score on that assessment designated under that division;	43827 43828 43829 43830
(b) To any person who has successfully completed the curriculum in any high school or the individualized education program developed for the person by any high school pursuant to section 3323.08 of the Revised Code but has not received a high school diploma and who requests to take such assessment, at any	43831 43832 43833 43834 43835

time such assessment is administered in the district. 43836

(9) In lieu of the board of education of any city, local, or 43837
exempted village school district in which the student is also 43838
enrolled, the board of a joint vocational school district shall 43839
administer any assessment prescribed under division (B)(1) of 43840
section 3301.0710 of the Revised Code at least twice annually to 43841
any student enrolled in the joint vocational school district who 43842
has not yet attained the score on that assessment designated under 43843
that division. A board of a joint vocational school district may 43844
also administer such an assessment to any student described in 43845
division (B)(8)(b) of this section. 43846

(10) If the district has a three-year average graduation rate 43847
of not more than seventy-five per cent, administer each assessment 43848
prescribed by division (D) of section 3301.0710 of the Revised 43849
Code in September to all ninth grade students who entered ninth 43850
grade prior to July 1, 2014. 43851

Except as provided in section 3313.614 of the Revised Code 43852
for administration of an assessment to a person who has fulfilled 43853
the curriculum requirement for a high school diploma but has not 43854
passed one or more of the required assessments, the assessments 43855
prescribed under division (B)(1) of section 3301.0710 of the 43856
Revised Code shall not be administered after the date specified in 43857
the rules adopted by the state board of education under division 43858
(D)(1) of section 3301.0712 of the Revised Code. 43859

(11) Administer the assessments prescribed by division (B)(2) 43860
of section 3301.0710 and section 3301.0712 of the Revised Code in 43861
accordance with the timeline and plan for implementation of those 43862
assessments prescribed by rule of the state board adopted under 43863
division (D)(1) of section 3301.0712 of the Revised Code. 43864

(C)(1)(a) In the case of a student receiving special 43865
education services under Chapter 3323. of the Revised Code, the 43866

individualized education program developed for the student under 43867
that chapter shall specify the manner in which the student will 43868
participate in the assessments administered under this section. 43869
The individualized education program may excuse the student from 43870
taking any particular assessment required to be administered under 43871
this section if it instead specifies an alternate assessment 43872
method approved by the department of education as conforming to 43873
requirements of federal law for receipt of federal funds for 43874
disadvantaged pupils. To the extent possible, the individualized 43875
education program shall not excuse the student from taking an 43876
assessment unless no reasonable accommodation can be made to 43877
enable the student to take the assessment. 43878

(b) Any alternate assessment approved by the department for a 43879
student under this division shall produce measurable results 43880
comparable to those produced by the assessment it replaces in 43881
order to allow for the student's results to be included in the 43882
data compiled for a school district or building under section 43883
3302.03 of the Revised Code. 43884

(c) Any student enrolled in a chartered nonpublic school who 43885
has been identified, based on an evaluation conducted in 43886
accordance with section 3323.03 of the Revised Code or section 504 43887
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 43888
794, as amended, as a child with a disability shall be excused 43889
from taking any particular assessment required to be administered 43890
under this section if a plan developed for the student pursuant to 43891
rules adopted by the state board excuses the student from taking 43892
that assessment. In the case of any student so excused from taking 43893
an assessment, the chartered nonpublic school shall not prohibit 43894
the student from taking the assessment. 43895

(2) A district board may, for medical reasons or other good 43896
cause, excuse a student from taking an assessment administered 43897
under this section on the date scheduled, but that assessment 43898

shall be administered to the excused student not later than nine 43899
days following the scheduled date. The district board shall 43900
annually report the number of students who have not taken one or 43901
more of the assessments required by this section to the state 43902
board not later than the thirtieth day of June. 43903

(3) As used in this division, "limited English proficient 43904
student" has the same meaning as in 20 U.S.C. 7801. 43905

No school district board shall excuse any limited English 43906
proficient student from taking any particular assessment required 43907
to be administered under this section, except that any limited 43908
English proficient student who has been enrolled in United States 43909
schools for less than one full school year shall not be required 43910
to take any reading, writing, or English language arts assessment. 43911
However, no board shall prohibit a limited English proficient 43912
student who is not required to take an assessment under this 43913
division from taking the assessment. A board may permit any 43914
limited English proficient student to take an assessment required 43915
to be administered under this section with appropriate 43916
accommodations, as determined by the department. For each limited 43917
English proficient student, each school district shall annually 43918
assess that student's progress in learning English, in accordance 43919
with procedures approved by the department. 43920

The governing authority of a chartered nonpublic school may 43921
excuse a limited English proficient student from taking any 43922
assessment administered under this section. However, no governing 43923
authority shall prohibit a limited English proficient student from 43924
taking the assessment. 43925

(D)(1) In the school year next succeeding the school year in 43926
which the assessments prescribed by division (A)(1) or (B)(1) of 43927
section 3301.0710 of the Revised Code or former division (A)(1), 43928
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 43929
existed prior to September 11, 2001, are administered to any 43930

student, the board of education of any school district in which 43931
the student is enrolled in that year shall provide to the student 43932
intervention services commensurate with the student's performance, 43933
including any intensive intervention required under section 43934
3313.608 of the Revised Code, in any skill in which the student 43935
failed to demonstrate at least a score at the proficient level on 43936
the assessment. 43937

(2) Following any administration of the assessments 43938
prescribed by division (D) of section 3301.0710 of the Revised 43939
Code to ninth grade students, each school district that has a 43940
three-year average graduation rate of not more than seventy-five 43941
per cent shall determine for each high school in the district 43942
whether the school shall be required to provide intervention 43943
services to any students who took the assessments. In determining 43944
which high schools shall provide intervention services based on 43945
the resources available, the district shall consider each school's 43946
graduation rate and scores on the practice assessments. The 43947
district also shall consider the scores received by ninth grade 43948
students on the English language arts and mathematics assessments 43949
prescribed under division (A)(1)(f) of section 3301.0710 of the 43950
Revised Code in the eighth grade in determining which high schools 43951
shall provide intervention services. 43952

Each high school selected to provide intervention services 43953
under this division shall provide intervention services to any 43954
student whose results indicate that the student is failing to make 43955
satisfactory progress toward being able to attain scores at the 43956
proficient level on the Ohio graduation tests. Intervention 43957
services shall be provided in any skill in which a student 43958
demonstrates unsatisfactory progress and shall be commensurate 43959
with the student's performance. Schools shall provide the 43960
intervention services prior to the end of the school year, during 43961
the summer following the ninth grade, in the next succeeding 43962

school year, or at any combination of those times. 43963

(E) Except as provided in section 3313.608 of the Revised 43964
Code and division (M) of this section, no school district board of 43965
education shall utilize any student's failure to attain a 43966
specified score on an assessment administered under this section 43967
as a factor in any decision to deny the student promotion to a 43968
higher grade level. However, a district board may choose not to 43969
promote to the next grade level any student who does not take an 43970
assessment administered under this section or make up an 43971
assessment as provided by division (C)(2) of this section and who 43972
is not exempt from the requirement to take the assessment under 43973
division (C)(3) of this section. 43974

(F) No person shall be charged a fee for taking any 43975
assessment administered under this section. 43976

(G)(1) Each school district board shall designate one 43977
location for the collection of assessments administered in the 43978
spring under division (B)(1) of this section and those 43979
administered under divisions (B)(2) to (7) of this section. Each 43980
district board shall submit the assessments to the entity with 43981
which the department contracts for the scoring of the assessments 43982
as follows: 43983

(a) If the district's total enrollment in grades kindergarten 43984
through twelve during the first full school week of October was 43985
less than two thousand five hundred, not later than the Friday 43986
after all of the assessments have been administered; 43987

(b) If the district's total enrollment in grades kindergarten 43988
through twelve during the first full school week of October was 43989
two thousand five hundred or more, but less than seven thousand, 43990
not later than the Monday after all of the assessments have been 43991
administered; 43992

(c) If the district's total enrollment in grades kindergarten 43993

through twelve during the first full school week of October was 43994
seven thousand or more, not later than the Tuesday after all of 43995
the assessments have been administered. 43996

However, any assessment that a student takes during the 43997
make-up period described in division (C)(2) of this section shall 43998
be submitted not later than the Friday following the day the 43999
student takes the assessment. 44000

(2) The department or an entity with which the department 44001
contracts for the scoring of the assessment shall send to each 44002
school district board a list of the individual scores of all 44003
persons taking ~~an a state achievement~~ assessment ~~prescribed by~~ 44004
~~division (A)(1) or (B)(1) of section 3301.0710 of the Revised Code~~ 44005
as follows: 44006

(a) Except as provided in division (G)(2)(b) or (c) of this 44007
section, within ~~sixty~~ forty-five days after ~~its~~ the administration 44008
of the assessments prescribed by sections 3301.0710 and 3301.0712 44009
of the Revised Code, but in no case shall the scores be returned 44010
later than the ~~fifteenth~~ thirtieth day of June following the 44011
administration; 44012

department or an entity with which the department contracts for 44038
the scoring of the assessment shall not release any individual 44039

data verification codes assigned to students pursuant to division 44043
(D)(2) of section 3301.0714 of the Revised Code to protect the 44044
confidentiality of student scores. 44045

school district established pursuant to divisions (A) to (C) of 44053
section 3311.52 of the Revised Code may enter into an agreement 44054

section to students of the city, exempted village, or local school 44057
district who are attending school in the cooperative education 44058
school district. 44059

(2) In accordance with rules that the state board shall 44060
adopt, the board of education of any city, exempted village, or 44061
local school district with territory in a cooperative education 44062
school district established pursuant to section 3311.521 of the 44063

district that provides for the administration of any assessment 44065
prescribed under this section to both of the following: 44066

(a) Students who are attending school in the cooperative 44067
district and who, if the cooperative district were not 44068

or (K)(1)(c) of this section, each chartered nonpublic school for 44077
which at least sixty-five per cent of its total enrollment is made 44078
up of students who are participating in state scholarship programs 44079

deadlines prescribed by the department, the parent or guardian of 44082
a student enrolled in the school who is not participating in a 44083
state scholarship program may submit notice to the chief 44084
administrative officer of the school that the parent or guardian 44085
does not wish to have the student take the elementary assessments 44086
prescribed for the student's grade level under division (A) of 44087

section 3301.0710 of the Revised Code. If a parent or guardian 44088
submits an opt-out notice, the school shall not administer the 44089
assessments to that student. This option does not apply to any 44090
assessment required for a high school diploma under section 44091
3313.612 of the Revised Code. 44092

through the independent school association of the central states 44103
but that is acting in accordance with division (D) of section 44104
3313.612 of the Revised Code. 44105

(c) A chartered nonpublic school may submit to the 44106
superintendent of public instruction a request for a waiver from 44107
administering the elementary assessments prescribed by division 44108
(A) of section 3301.0710 of the Revised Code. The state 44109
superintendent shall approve or disapprove a request for a waiver 44110
submitted under division (K)(1)(c) of this section. No waiver 44111
shall be approved for any school year prior to the 2015-2016 44112
school year. 44113

To be eligible to submit a request for a waiver, a chartered 44114
nonpublic school shall meet the following conditions: 44115

years of records of internal testing conducted by the school that 44129
affords the department data required for accountability purposes, 44130
including diagnostic assessments and nationally standardized 44131
norm-referenced achievement assessments that measure reading and 44132
math skills. 44133

(d) Any chartered nonpublic school that is not subject to 44134
division (K)(1)(a) of this section may participate in the 44135
assessment program by administering any of the assessments 44136
prescribed by division (A) of section 3301.0710 of the Revised 44137
Code. The chief administrator of the school shall specify which 44138
assessments the school will administer. Such specification shall 44139
be made in writing to the superintendent of public instruction 44140
prior to the first day of August of any school year in which 44141
assessments are administered and shall include a pledge that the 44142
nonpublic school will administer the specified assessments in the 44143
same manner as public schools are required to do under this 44144
section and rules adopted by the department. 44145

(2) The department of education shall furnish the assessments 44146
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 44147
to each chartered nonpublic school that is subject to division 44148
(K)(1)(a) of this section or participates under division (K)(1)(b) 44149
of this section. 44150

(L)(1) The superintendent of the state school for the blind 44151
and the superintendent of the state school for the deaf shall 44152
administer the assessments described by sections 3301.0710 and 44153
3301.0712 of the Revised Code. Each superintendent shall 44154
administer the assessments in the same manner as district boards 44155
are required to do under this section and rules adopted by the 44156
department of education and in conformity with division (C)(1)(a) 44157
of this section. 44158

(2) The department of education shall furnish the assessments 44159
described by sections 3301.0710 and 3301.0712 of the Revised Code 44160
to each superintendent. 44161

(M) Notwithstanding division (E) of this section, a school 44162
district may use a student's failure to attain a score in at least 44163
the proficient range on the mathematics assessment described by 44164
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 44165
an assessment described by division (A)(1)(b), (c), (d), (e), or 44166
(f) of section 3301.0710 of the Revised Code as a factor in 44167
retaining that student in the current grade level. 44168

(N)(1) In the manner specified in divisions (N)(3), (4), and 44169
(6) of this section, the assessments required by division (A)(1) 44170
of section 3301.0710 of the Revised Code shall become public 44171
records pursuant to section 149.43 of the Revised Code on the 44172
thirty-first day of July following the school year that the 44173
assessments were administered. 44174

(2) The department may field test proposed questions with 44175
samples of students to determine the validity, reliability, or 44176
appropriateness of questions for possible inclusion in a future 44177
year's assessment. The department also may use anchor questions on 44178
assessments to ensure that different versions of the same 44179
assessment are of comparable difficulty. 44180

Field test questions and anchor questions shall not be 44181

considered in computing scores for individual students. Field test questions and anchor questions may be included as part of the administration of any assessment required by division (A)(1) or (B) of section 3301.0710 and division (B) of section 3301.0712 of the Revised Code.

(3) Any field test question or anchor question administered under division (N)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any assessments which are released as a public record pursuant to division (N)(1) of this section.

(4) This division applies to the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each assessment, as specified in former section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each assessment prior to the 2011-2012 school year, not less than forty per cent of the questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (N)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public

record. 44213

(5) Each assessment prescribed by division (B)(1) of section 44214
3301.0710 of the Revised Code shall not be a public record. 44215

(6) Beginning with the spring administration for the 44216
2014-2015 school year, questions on the assessments prescribed 44217
under division (A) of section 3301.0710 and division (B)(2) of 44218
section 3301.0712 of the Revised Code and the corresponding 44219
preferred answers that are used to compute a student's score shall 44220
become a public record as follows: 44221

(a) Forty per cent of the questions and preferred answers on 44222
the assessments on the thirty-first day of July following the 44223
administration of the assessment; 44224

(b) Twenty per cent of the questions and preferred answers on 44225
the assessment on the thirty-first day of July one year after the 44226
administration of the assessment; 44227

(c) The remaining forty per cent of the questions and 44228
preferred answers on the assessment on the thirty-first day of 44229
July two years after the administration of the assessment. 44230

The entire content of an assessment shall become a public 44231
record within three years of its administration. 44232

The department shall make the questions that become a public 44233
record under this division readily accessible to the public on the 44234
department's web site. Questions on the spring administration of 44235
each assessment shall be released on an annual basis, in 44236
accordance with this division. 44237

(0) As used in this section: 44238

(1) "Three-year average" means the average of the most recent 44239
consecutive three school years of data. 44240

(2) "Dropout" means a student who withdraws from school 44241
before completing course requirements for graduation and who is 44242

not enrolled in an education program approved by the state board 44243
of education or an education program outside the state. "Dropout" 44244
does not include a student who has departed the country. 44245

(3) "Graduation rate" means the ratio of students receiving a 44246
diploma to the number of students who entered ninth grade four 44247
years earlier. Students who transfer into the district are added 44248
to the calculation. Students who transfer out of the district for 44249
reasons other than dropout are subtracted from the calculation. If 44250
a student who was a dropout in any previous year returns to the 44251
same school district, that student shall be entered into the 44252
calculation as if the student had entered ninth grade four years 44253
before the graduation year of the graduating class that the 44254
student joins. 44255

(4) "State scholarship programs" means the educational choice 44256
scholarship pilot program established under sections 3310.01 to 44257
3310.17 of the Revised Code, the autism scholarship program 44258
established under section 3310.41 of the Revised Code, the Jon 44259
Peterson special needs scholarship program established under 44260
sections 3310.51 to 3310.64 of the Revised Code, and the pilot 44261
project scholarship program established under sections 3313.974 to 44262
3313.979 of the Revised Code. 44263

Sec. 3301.0712. (A) The state board of education, the 44264
superintendent of public instruction, and the chancellor of ~~the~~ 44265
~~Ohio board of regents~~ higher education shall develop a system of 44266
college and work ready assessments as described in division (B) of 44267
this section to assess whether each student upon graduating from 44268
high school is ready to enter college or the workforce. Beginning 44269
with students who enter the ninth grade for the first time on or 44270
after July 1, 2014, the system shall replace the Ohio graduation 44271
tests prescribed in division (B)(1) of section 3301.0710 of the 44272
Revised Code as a measure of student academic performance and one 44273

determinant of eligibility for a high school diploma in the manner 44274
prescribed by rule of the state board adopted under division (D) 44275
of this section. 44276

(B) The college and work ready assessment system shall 44277
consist of the following: 44278

(1) Nationally standardized assessments that measure college 44279
and career readiness and are used for college admission. The 44280
assessments shall be selected jointly by the state superintendent 44281
and the chancellor, and one of which shall be selected by each 44282
school district or school to administer to its students. The 44283
assessments prescribed under division (B)(1) of this section shall 44284
be administered to all eleventh-grade students in the spring of 44285
the school year. 44286

(2) Seven end-of-course examinations, one in each of the 44287
areas of English language arts I, English language arts II, 44288
science, Algebra I, geometry, American history, and American 44289
government. The end-of-course examinations shall be selected 44290
jointly by the state superintendent and the chancellor in 44291
consultation with faculty in the appropriate subject areas at 44292
institutions of higher education of the university system of Ohio. 44293
Advanced placement examinations and international baccalaureate 44294
examinations, as prescribed under section 3313.6013 of the Revised 44295
Code, in the areas of science, American history, and American 44296
government may be used as end-of-course examinations in accordance 44297
with division (B)(4)(a)(i) of this section. Final course grades 44298
for courses taken under any other advanced standing program, as 44299
prescribed under section 3313.6013 of the Revised Code, in the 44300
areas of science, American history, and American government may be 44301
used in lieu of end-of-course examinations in accordance with 44302
division (B)(4)(a)(ii) of this section. 44303

(3)(a) Not later than July 1, 2013, each school district 44304

board of education shall adopt interim end-of-course examinations 44305
that comply with the requirements of divisions (B)(3)(b)(i) and 44306
(ii) of this section to assess mastery of American history and 44307
American government standards adopted under division (A)(1)(b) of 44308
section 3301.079 of the Revised Code and the topics required under 44309
division (M) of section 3313.603 of the Revised Code. Each high 44310
school of the district shall use the interim examinations until 44311
the state superintendent and chancellor select end-of-course 44312
examinations in American history and American government under 44313
division (B)(2) of this section. 44314

(b) Not later than July 1, 2014, the state superintendent and 44315
the chancellor shall select the end-of-course examinations in 44316
American history and American government. 44317

(i) The end-of-course examinations in American history and 44318
American government shall require demonstration of mastery of the 44319
American history and American government content for social 44320
studies standards adopted under division (A)(1)(b) of section 44321
3301.079 of the Revised Code and the topics required under 44322
division (M) of section 3313.603 of the Revised Code. 44323

(ii) At least twenty per cent of the end-of-course 44324
examination in American government shall address the topics on 44325
American history and American government described in division (M) 44326
of section 3313.603 of the Revised Code. 44327

(4)(a) Notwithstanding anything to the contrary in this 44328
section, beginning with the 2014-2015 school year, both of the 44329
following shall apply: 44330

(i) If a student is enrolled in an appropriate advanced 44331
placement or international baccalaureate course, that student 44332
shall take the advanced placement or international baccalaureate 44333
examination in lieu of the science, American history, or American 44334
government end-of-course examinations prescribed under division 44335

(B)(2) of this section. The state board shall specify the score 44336
levels for each advanced placement examination and international 44337
baccalaureate examination for purposes of calculating the minimum 44338
cumulative performance score that demonstrates the level of 44339
academic achievement necessary to earn a high school diploma. 44340

(ii) If a student is enrolled in an appropriate course under 44341
any other advanced standing program, as described in section 44342
3313.6013 of the Revised Code, that student shall not be required 44343
to take the science, American history, or American government 44344
end-of-course examination, whichever is applicable, prescribed 44345
under division (B)(2) of this section. Instead, that student's 44346
final course grade shall be used in lieu of the applicable 44347
end-of-course examination prescribed under that section. The state 44348
superintendent, in consultation with the chancellor, shall adopt 44349
guidelines for purposes of calculating the corresponding final 44350
course grades that demonstrate the level of academic achievement 44351
necessary to earn a high school diploma. 44352

Division (B)(4)(a)(ii) of this section shall apply only to 44353
courses for which students receive transcribed credit, as defined 44354
in division (U) of section 3365.01 of the Revised Code. It shall 44355
not apply to remedial or developmental courses. 44356

(b) No student shall take a substitute examination or 44357
examination prescribed under division (B)(4)(a) of this section in 44358
place of the end-of-course examinations in English language arts 44359
I, English language arts II, Algebra I, or geometry prescribed 44360
under division (B)(2) of this section. 44361

(c) The state board shall consider additional assessments 44362
that may be used, beginning with the 2016-2017 school year, as 44363
substitute examinations in lieu of the end-of-course examinations 44364
prescribed under division (B)(2) of this section. 44365

(5) The state board shall do all of the following: 44366

(a) Determine and designate at least five ranges of scores on each of the end-of-course examinations prescribed under division (B)(2) of this section, and substitute examinations prescribed under division (B)(4) of this section. Each range of scores shall be considered to demonstrate a level of achievement so that any student attaining a score within such range has achieved one of the following:	44367 44368 44369 44370 44371 44372 44373
(i) An advanced level of skill;	44374
(ii) An accelerated level of skill;	44375
(iii) A proficient level of skill;	44376
(iv) A basic level of skill;	44377
(v) A limited level of skill.	44378
(b) Determine a method by which to calculate a cumulative performance score based on the results of a student's end-of-course examinations or substitute examinations;	44379 44380 44381
(c) Determine the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma;	44382 44383 44384
(d) Develop a table of corresponding score equivalents for the end-of-course examinations and substitute examinations in order to calculate student performance consistently across the different examinations.	44385 44386 44387 44388
(6)(a) A student who meets both of the following conditions shall not be required to take an end-of-course examination:	44389 44390
(i) The student received high school credit prior to July 1, 2015, for a course for which the end-of-course examination is prescribed.	44391 44392 44393
(ii) The examination was not available for administration prior to July 1, 2015.	44394 44395

Receipt of credit for the course described in division 44396
(B)(6)(a)(i) of this section shall satisfy the requirement to take 44397
the end-of-course examination. A student exempted under division 44398
(B)(6)(a) of this section may take the applicable end-of-course 44399
examination at a later date. 44400

(b) For purposes of determining whether a student who is 44401
exempt from taking an end-of-course examination under division 44402
(B)(6)(a) of this section has attained the cumulative score 44403
prescribed by division (B)(5)(c) of this section, such student 44404
shall select either of the following: 44405

(i) The student is considered to have attained a proficient 44406
score on the end-of-course examination from which the student is 44407
exempt; 44408

(ii) The student's final course grade shall be used in lieu 44409
of a score on the end-of-course examination from which the student 44410
is exempt. 44411

The state superintendent, in consultation with the 44412
chancellor, shall adopt guidelines for purposes of calculating the 44413
corresponding final course grades and the minimum cumulative 44414
performance score that demonstrates the level of academic 44415
achievement necessary to earn a high school diploma. 44416

(7)(a) Notwithstanding anything to the contrary in this 44417
section, the state board may replace the algebra I end-of-course 44418
examination prescribed under division (B)(2) of this section with 44419
an algebra II end-of-course examination, beginning with the 44420
2016-2017 school year for students who enter ninth grade on or 44421
after July 1, 2016. 44422

(b) If the state board replaces the algebra I end-of-course 44423
examination with an algebra II end-of-course examination as 44424
authorized under division (B)(7)(a) of this section, both of the 44425
following shall apply: 44426

for the licensing of preschool programs and school child programs 44994
and for the enforcement of sections 3301.52 to 3301.59 of the 44995

school district board of education, county DD board, community 44997
school, or eligible nonpublic school shall operate, establish, 44998
manage, conduct, or maintain a preschool program without a license 44999
issued under this section. A school district board of education, 45000
county DD board, community school, or eligible nonpublic school 45001
may obtain a license under this section for a school child 45002
program. The school district board of education, county DD board, 45003
community school, or eligible nonpublic school shall post the 45004
license for each preschool program and licensed school child 45005
program it operates, establishes, manages, conducts, or maintains 45006
in a conspicuous place in the preschool program or licensed school 45007
child program that is accessible to parents, custodians, or 45008
guardians and employees and staff members of the program at all 45009
times when the program is in operation. 45010

(B) Any school district board of education, county DD board, 45011
community school, or eligible nonpublic school that desires to 45012
operate, establish, manage, conduct, or maintain a preschool 45013
program shall apply to the department of education for a license 45014
on a form that the department shall prescribe by rule. Any school 45015
district board of education, county DD board, community school, or 45016

eligible nonpublic school that desires to obtain a license for a 45017
school child program shall apply to the department for a license 45018
on a form that the department shall prescribe by rule. The 45019
department shall provide at no charge to each applicant for a 45020
license under this section a copy of the requirements under 45021
sections 3301.52 to 3301.59 of the Revised Code and any rules 45022
adopted under those sections. The department may establish 45023
application fees by rule adopted under Chapter 119. of the Revised 45024
Code, and all applicants for a license shall pay any fee 45025
established by the department at the time of making an application 45026
for a license. All fees collected pursuant to this section shall 45027
be paid into the state treasury to the credit of the general 45028
revenue fund. 45029

(C) Upon the filing of an application for a license, the 45030
department of education shall investigate and inspect the 45031
preschool program or school child program to determine the license 45032
capacity for each age category of children of the program and to 45033
determine whether the program complies with sections 3301.52 to 45034
3301.59 of the Revised Code and any rules adopted under those 45035
sections. When, after investigation and inspection, the department 45036
of education is satisfied that sections 3301.52 to 3301.59 of the 45037
Revised Code and any rules adopted under those sections are 45038
complied with by the applicant, the department of education shall 45039
issue the program a provisional license as soon as practicable in 45040
the form and manner prescribed by the rules of the department. The 45041
provisional license shall be valid for one year from the date of 45042
issuance unless revoked. 45043

(D) The department of education shall investigate and inspect 45044
a preschool program or school child program that has been issued a 45045
provisional license at least once during operation under the 45046
provisional license. If, after the investigation and inspection, 45047
the department of education determines that the requirements of 45048

sections 3301.52 to 3301.59 of the Revised Code and any rules 45049
adopted under those sections are met by the provisional licensee, 45050
the department of education shall issue the program a license. The 45051
license shall remain valid unless revoked or the program ceases 45052
operations. 45053

(E) The department of education annually shall investigate 45054
and inspect each preschool program or school child program 45055
licensed under division (D) of this section to determine if the 45056
requirements of sections 3301.52 to 3301.59 of the Revised Code 45057
and any rules adopted under those sections are met by the program, 45058
and shall notify the program of the results. 45059

(F) The license or provisional license shall state the name 45060
of the school district board of education, county DD board, 45061
community school, or eligible nonpublic school that operates the 45062
preschool program or school child program and the license capacity 45063
of the program. 45064

(G) The department of education may revoke the license of any 45065
preschool program or school child program that is not in 45066
compliance with the requirements of sections 3301.52 to 3301.59 of 45067
the Revised Code and any rules adopted under those sections. 45068

(H) If the department of education revokes a license, the 45069
department shall not issue a license to the program within two 45070
years from the date of the revocation. All actions of the 45071
department with respect to licensing preschool programs and school 45072
child programs shall be in accordance with Chapter 119. of the 45073
Revised Code. 45074

Sec. 3301.922. The department of education shall issue an 45075

and weight status category. The department shall include in the 45079

report any data regarding student health and wellness collected in 45080
conjunction with those sections. The department shall submit each 45081
report to the governor, and the general assembly, ~~and the healthy~~ 45082
~~choices for healthy children council.~~ 45083

~~Sec. 3301.923. Upon receipt of the initial recommendations of~~ 45084

practices that schools may use to promote student health. The 45088
department shall update the clearinghouse as necessary ~~to reflect~~ 45089
~~subsequent recommendations of the council.~~ 45090

Sec. 3302.02. Not later than one year after the adoption of 45091
rules under division (D) of section 3301.0712 of the Revised Code 45092
and at least every sixth year thereafter, upon recommendations of 45093
the superintendent of public instruction, the state board of 45094
education shall establish a set of performance indicators that 45095
considered as a unit will be used as one of the performance 45096
categories for the report cards required by section 3302.03 of the 45097
Revised Code. In establishing these indicators, the superintendent 45098
shall consider inclusion of student performance on assessments 45099
prescribed under section 3301.0710 or 3301.0712 of the Revised 45100
Code, rates of student improvement on such assessments, the 45101
breadth of coursework available within the district, and other 45102
indicators of student success. 45103

Beginning with the report card for the 2014-2015 school year, 45104
the performance indicators shall include an indicator that 45105
reflects the level of services provided to, and the performance 45106
of, students identified as gifted under Chapter 3324. of the 45107
Revised Code. The indicator shall include the performance of 45108
students identified as gifted on state assessments and value-added 45109
growth measure disaggregated for students identified as gifted. 45110

For the 2013-2014 school year, except as otherwise provided 45111
in this section, for any indicator based on the percentage of 45112
students attaining a proficient score on the assessments 45113
prescribed by divisions (A) and (B)(1) of section 3301.0710 of the 45114
Revised Code, a school district or building shall be considered to 45115
have met the indicator if at least eighty per cent of the tested 45116
students attain a score of proficient or higher on the assessment. 45117
A school district or building shall be considered to have met the 45118
indicator for the assessments prescribed by division (B)(1) of 45119
section 3301.0710 of the Revised Code and only as administered to 45120
eleventh grade students, if at least eighty-five per cent of the 45121
tested students attain a score of proficient or higher on the 45122
assessment. ~~Not later than July 1, 2014, the~~ 45123

The state board ~~may~~ shall adopt rules, under Chapter 119. of 45124
the Revised Code, to establish ~~different~~ proficiency percentages 45125
to meet each indicator that is based on a state assessment, 45126
prescribed under section 3301.0710 or 3301.0712 of the Revised 45127
Code, for the 2014-2015 school year and thereafter by the 45128
following dates: 45129

(A) Not later than December 31, 2015, for the 2014-2015 45130
school year; 45131

(B) Not later than July 1, 2016, for the 2015-2016 school 45132
year; 45133

(C) Not later than July 1, 2017, for the 2016-2017 school 45134
year, and for each school year thereafter. 45135

~~The superintendent shall not establish any performance 45136
indicator for passage of the third or fourth grade English 45137
language arts assessment that is solely based on the assessment 45138
given in the fall for the purpose of determining whether students 45139
have met the reading guarantee provisions of section 3313.608 of 45140
the Revised Code.~~ 45141

Sec. 3302.03. Annually, not later than the fifteenth day of 45142
September or the preceding Friday when that day falls on a 45143
Saturday or Sunday, the department of education shall assign a 45144
letter grade for overall academic performance and for each 45145
separate performance measure for each school district, and each 45146
school building in a district, in accordance with this section. 45147
The state board shall adopt rules pursuant to Chapter 119. of the 45148
Revised Code to establish performance criteria for each letter 45149
grade and prescribe a method by which the department assigns each 45150
letter grade. For a school building to which any of the 45151
performance measures do not apply, due to grade levels served by 45152
the building, the state board shall designate the performance 45153
measures that are applicable to the building and that must be 45154
calculated separately and used to calculate the building's overall 45155
grade. The department shall issue annual report cards reflecting 45156
the performance of each school district, each building within each 45157
district, and for the state as a whole using the performance 45158
measures and letter grade system described in this section. The 45159
department shall include on the report card for each district and 45160
each building within each district the most recent two-year trend 45161
data in student achievement for each subject and each grade. 45162

(A)(1) For the 2012-2013 school year, the department shall 45163
issue grades as described in division (E) of this section for each 45164
of the following performance measures: 45165

(a) Annual measurable objectives; 45166

(b) Performance index score for a school district or 45167
building. Grades shall be awarded as a percentage of the total 45168
possible points on the performance index system as adopted by the 45169
state board. In adopting benchmarks for assigning letter grades 45170
under division (A)(1)(b) of this section, the state board of 45171
education shall designate ninety per cent or higher for an "A," at 45172

least seventy per cent but not more than eighty per cent for a 45173
"C," and less than fifty per cent for an "F." 45174

(c) The extent to which the school district or building meets 45175
each of the applicable performance indicators established by the 45176
state board under section 3302.02 of the Revised Code and the 45177
percentage of applicable performance indicators that have been 45178
achieved. In adopting benchmarks for assigning letter grades under 45179
division (A)(1)(c) of this section, the state board shall 45180
designate ninety per cent or higher for an "A." 45181

(d) The four- and five-year adjusted cohort graduation rates. 45182

In adopting benchmarks for assigning letter grades under 45183
division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the 45184
department shall designate a four-year adjusted cohort graduation 45185
rate of ninety-three per cent or higher for an "A" and a five-year 45186
cohort graduation rate of ninety-five per cent or higher for an 45187
"A." 45188

(e) The overall score under the value-added progress 45189
dimension of a school district or building, for which the 45190
department shall use up to three years of value-added data as 45191
available. The letter grade assigned for this growth measure shall 45192
be as follows: 45193

(i) A score that is at least two standard errors of measure 45194
above the mean score shall be designated as an "A." 45195

(ii) A score that is at least one standard error of measure 45196
but less than two standard errors of measure above the mean score 45197
shall be designated as a "B." 45198

(iii) A score that is less than one standard error of measure 45199
above the mean score but greater than or equal to one standard 45200
error of measure below the mean score shall be designated as a 45201
"C." 45202

(iv) A score that is not greater than one standard error of 45203
measure below the mean score but is greater than or equal to two 45204
standard errors of measure below the mean score shall be 45205
designated as a "D." 45206

(v) A score that is not greater than two standard errors of 45207
measure below the mean score shall be designated as an "F." 45208

Whenever the value-added progress dimension is used as a 45209
graded performance measure, whether as an overall measure or as a 45210
measure of separate subgroups, the grades for the measure shall be 45211
calculated in the same manner as prescribed in division (A)(1)(e) 45212
of this section. 45213

(f) The value-added progress dimension score for a school 45214
district or building disaggregated for each of the following 45215
subgroups: students identified as gifted, students with 45216
disabilities, and students whose performance places them in the 45217
lowest quintile for achievement on a statewide basis. Each 45218
subgroup shall be a separate graded measure. 45219

(2) Not later than April 30, 2013, the state board of 45220
education shall adopt a resolution describing the performance 45221
measures, benchmarks, and grading system for the 2012-2013 school 45222
year and, not later than June 30, 2013, shall adopt rules in 45223
accordance with Chapter 119. of the Revised Code that prescribe 45224
the methods by which the performance measures under division 45225
(A)(1) of this section shall be assessed and assigned a letter 45226
grade, including performance benchmarks for each letter grade. 45227

At least forty-five days prior to the state board's adoption 45228
of rules to prescribe the methods by which the performance 45229
measures under division (A)(1) of this section shall be assessed 45230
and assigned a letter grade, the department shall conduct a public 45231
presentation before the standing committees of the house of 45232
representatives and the senate that consider education legislation 45233

describing such methods, including performance benchmarks. 45234

(3) There shall not be an overall letter grade for a school 45235
district or building for the 2012-2013 school year. 45236

(B)(1) For the 2013-2014 and 2014-2015 school ~~year~~ years, the 45237

section for each of the following performance measures: 45239

(a) Annual measurable objectives; 45240

(b) Performance index score for a school district or 45241
building. Grades shall be awarded as a percentage of the total 45242
possible points on the performance index system as created by the 45243
department. In adopting benchmarks for assigning letter grades 45244
under division (B)(1)(b) of this section, the state board shall 45245
designate ninety per cent or higher for an "A," at least seventy 45246

(c) The extent to which the school district or building meets 45249
each of the applicable performance indicators established by the 45250
state board under section 3302.03 of the Revised Code and the 45251
percentage of applicable performance indicators that have been 45252
achieved. In adopting benchmarks for assigning letter grades under 45253
division (B)(1)(c) of this section, the state board shall 45254
designate ninety per cent or higher for an "A." 45255

(d) The four- and five-year adjusted cohort graduation rates; 45256

(f) The value-added progress dimension score for a school 45261
district or building disaggregated for each of the following 45262
subgroups: students identified as gifted in superior cognitive 45263

ability and specific academic ability fields under Chapter 3324. 45264
of the Revised Code, students with disabilities, and students 45265
whose performance places them in the lowest quintile for 45266
achievement on a statewide basis. Each subgroup shall be a 45267
separate graded measure. 45268

(g) Whether a school district or building is making progress 45269
in improving literacy in grades kindergarten through three, as 45270
determined using a method prescribed by the state board. The state 45271
board shall adopt rules to prescribe benchmarks and standards for 45272
assigning grades to districts and buildings for purposes of 45273
division (B)(1)(g) of this section. In adopting benchmarks for 45274
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 45275
this section, the state board shall determine progress made based 45276
on the reduction in the total percentage of students scoring below 45277

the reading and writing diagnostic assessments administered under 45279
section 3301.0715 of the Revised Code and the third grade English 45280
language arts assessment under section 3301.0710 of the Revised 45281

in which less than five per cent of students have scored below 45286
grade level on the diagnostic assessment administered to students 45287
in kindergarten under division (B)(1) of section 3313.608 of the 45288
Revised Code. 45289

(h) For a high mobility school district or building, an 45290
additional value-added progress dimension score. For this measure, 45291
the department shall use value-added data from the most recent 45292
school year available and shall use assessment scores for only 45293
those students to whom the district or building has administered 45294
the assessments prescribed by section 3301.0710 of the Revised 45295

Code for each of the two most recent consecutive school years. 45296

As used in this division, "high mobility school district or 45297
building" means a school district or building where at least 45298
twenty-five per cent of its total enrollment is made up of 45299
students who have attended that school district or building for 45300
less than one year. 45301

(2) In addition to the graded measures in division (B)(1) of 45302
this section, the department shall include on a school district's 45303
or building's report card all of the following without an assigned 45304
letter grade: 45305

building participating in advanced placement classes and the 45307
percentage of those students who received a score of three or 45308
better on advanced placement examinations; 45309

(b) The number of a district's or building's students who 45310

enrollment or statewide articulation, that appear on a student's 45315
transcript or other official document, either of which is issued 45316
by the institution of higher education from which the student 45317
earned the college credit. The credits earned that are reported 45318
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 45319
include any that are remedial or developmental and shall include 45320
those that count toward the curriculum requirements established 45321
for completion of a degree. 45322

building who have taken a national standardized test used for 45324

45338
45339

(3) Not later than December 31, 2013, the state board shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed and assigned a letter grade, including performance benchmarks for each grade. 45340
45341
45342
45343
45344
45345

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (B)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks. 45346

45351
45352

(4) There shall not be an overall letter grade for a school district or building for the 2013-2014, 2014-2015, and 2015-2016 school ~~year~~ years. 45353

(C)(1) For the 2014-2015 school year and each school year thereafter, the department shall issue grades as described in 45356
45357

division (E) of this section for each of the performance measures 45358
prescribed in division (C)(1) of this section ~~and an overall~~ 45359
~~letter grade based on an aggregate of those measures, except for~~ 45360

section. The graded measures are as follows: 45362

(a) Annual measurable objectives; 45363

(b) Performance index score for a school district or 45364
building. Grades shall be awarded as a percentage of the total 45365
possible points on the performance index system as created by the 45366
department. In adopting benchmarks for assigning letter grades 45367
under division (C)(1)(b) of this section, the state board shall 45368
designate ninety per cent or higher for an "A," at least seventy 45369
per cent but not more than eighty per cent for a "C," and less 45370
than fifty per cent for an "F." 45371

(c) The extent to which the school district or building meets 45372
each of the applicable performance indicators established by the 45373
state board under section 3302.03 of the Revised Code and the 45374

designate ninety per cent or higher for an "A." 45378

(d) The four- and five-year adjusted cohort graduation rates; 45379

(e) The overall score under the value-added progress 45380
dimension, or another measure of student academic progress if 45381
adopted by the state board, of a school district or building, for 45382
which the department shall use up to three years of value-added 45383
data as available. 45384

In adopting benchmarks for assigning letter grades for 45385
overall score on value-added progress dimension under division 45386
(C)(1)(e) of this section, the state board shall prohibit the 45387
assigning of a grade of "A" for that measure unless the district's 45388

or building's grade assigned for value-added progress dimension 45389
for all subgroups under division (C)(1)(f) of this section is a 45390
"B" or higher. 45391

For the metric prescribed by division (C)(1)(e) of this 45392
section, the state board may adopt a student academic progress 45393
measure to be used instead of the value-added progress dimension. 45394
If the state board adopts such a measure, it also shall prescribe 45395
a method for assigning letter grades for the new measure that is 45396
comparable to the method prescribed in division (A)(1)(e) of this 45397
section. 45398

(f) The value-added progress dimension score of a school 45399

of the Revised Code, students with disabilities, and students 45403
whose performance places them in the lowest quintile for 45404
achievement on a statewide basis, as determined by a method 45405
prescribed by the state board. Each subgroup shall be a separate 45406
graded measure. 45407

The state board may adopt student academic progress measures 45408
to be used instead of the value-added progress dimension. If the 45409
state board adopts such measures, it also shall prescribe a method 45410
for assigning letter grades for the new measures that is 45411
comparable to the method prescribed in division (A)(1)(e) of this 45412
section. 45413

(g) Whether a school district or building is making progress 45414
in improving literacy in grades kindergarten through three, as 45415
determined using a method prescribed by the state board. The state 45416
board shall adopt rules to prescribe benchmarks and standards for 45417
assigning grades to a district or building for purposes of 45418
division (C)(1)(g) of this section. The state board shall 45419
designate for a "C" grade a value that is not lower than the 45420

statewide average value for this measure. No grade shall be issued 45421
under division (C)(1)(g) of this section for a district or 45422
building in which less than five per cent of students have scored 45423
below grade level on the kindergarten diagnostic assessment under 45424
division (B)(1) of section 3313.608 of the Revised Code. 45425

(h) For a high mobility school district or building, an 45426
additional value-added progress dimension score. For this measure, 45427
the department shall use value-added data from the most recent 45428
school year available and shall use assessment scores for only 45429
those students to whom the district or building has administered 45430
the assessments prescribed by section 3301.0710 of the Revised 45431
Code for each of the two most recent consecutive school years. 45432

As used in this division, "high mobility school district or 45433
building" means a school district or building where at least 45434
twenty-five per cent of its total enrollment is made up of 45435
students who have attended that school district or building for 45436
less than one year. 45437

(2) In addition to the graded measures in division (C)(1) of 45438
this section, the department shall include on a school district's 45439
or building's report card all of the following without an assigned 45440
letter grade: 45441

(a) The percentage of students enrolled in a district or 45442
building who have taken a national standardized test used for 45443
college admission determinations and the percentage of those 45444
students who are determined to be remediation-free in accordance 45445
with the standards adopted under division (F) of section 3345.061 45446
of the Revised Code; 45447

(b) The percentage of students enrolled in a district or 45448
building participating in advanced placement classes and the 45449
percentage of those students who received a score of three or 45450
better on advanced placement examinations; 45451

(c) The percentage of a district's or building's students who 45452
have earned at least three college credits through advanced 45453
standing programs, such as the college credit plus program under 45454
Chapter 3365. of the Revised Code and state-approved 45455
career-technical courses offered through dual enrollment or 45456
statewide articulation, that appear on a student's college 45457
transcript issued by the institution of higher education from 45458
which the student earned the college credit. The credits earned 45459
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 45460
section shall not include any that are remedial or developmental 45461
and shall include those that count toward the curriculum 45462
requirements established for completion of a degree. 45463

(d) The percentage of the district's or building's students 45464
who receive an honor's diploma under division (B) of section 45465
3313.61 of the Revised Code; 45466

(e) The percentage of the district's or building's students 45467
who receive industry-recognized credentials; 45468

program and the percentage of those students who receive a score 45471
of four or better on the international baccalaureate examinations; 45472

(g) The results of the college and career-ready assessments 45473
administered under division (B)(1) of section 3301.0712 of the 45474
Revised Code. 45475

(3) The state board shall adopt rules pursuant to Chapter 45476
119. of the Revised Code that establish a method to assign an 45477
overall grade for a school district or school building for the 45478
~~2014-2015~~ 2016-2017 school year and each school year thereafter. 45479
The rules shall group the performance measures in divisions (C)(1) 45480
and (2) of this section into the following components: 45481

(a) Gap closing, which shall include the performance measure 45482

in division (C)(1)(a) of this section; 45483

(b) Achievement, which shall include the performance measures 45484
in divisions (C)(1)(b) and (c) of this section; 45485

(c) Progress, which shall include the performance measures in 45486
divisions (C)(1)(e) and (f) of this section; 45487

(d) Graduation, which shall include the performance measure 45488
in division (C)(1)(d) of this section; 45489

(e) Kindergarten through third-grade literacy, which shall 45490
include the performance measure in division (C)(1)(g) of this 45491
section; 45492

(f) Prepared for success, which shall include the performance 45493
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 45494
this section. The state board shall develop a method to determine 45495
a grade for the component in division (C)(3)(f) of this section 45496
using the performance measures in divisions (C)(2)(a), (b), (c), 45497
(d), (e), and (f) of this section. When available, the state board 45498
may incorporate the performance measure under division (C)(2)(g) 45499
of this section into the component under division (C)(3)(f) of 45500
this section. When determining the overall grade for the prepared 45501
for success component prescribed by division (C)(3)(f) of this 45502
section, no individual student shall be counted in more than one 45503
performance measure. However, if a student qualifies for more than 45504
one performance measure in the component, the state board may, in 45505
its method to determine a grade for the component, specify an 45506
additional weight for such a student that is not greater than or 45507
equal to 1.0. In determining the overall score under division 45508
(C)(3)(f) of this section, the state board shall ensure that the 45509
pool of students included in the performance measures aggregated 45510
under that division are all of the students included in the four- 45511
and five-year adjusted graduation cohort. 45512

In the rules adopted under division (C)(3) of this section, 45513

the state board shall adopt a method for determining a grade for 45514
each component in divisions (C)(3)(a) to (f) of this section. The 45515
state board also shall establish a method to assign an overall 45516
grade of "A," "B," "C," "D," or "F" using the grades assigned for 45517
each component. The method the state board adopts for assigning an 45518
overall grade shall give equal weight to the components in 45519
divisions (C)(3)(b) and (c) of this section. 45520

At least forty-five days prior to the state board's adoption 45521
of rules to prescribe the methods for calculating the overall 45522
grade for the report card, as required by this division, the 45523
department shall conduct a public presentation before the standing 45524
committees of the house of representatives and the senate that 45525
consider education legislation describing the format for the 45526
report card, weights that will be assigned to the components of 45527
the overall grade, and the method for calculating the overall 45528
grade. 45529

(D) ~~Not later~~ On or after than July 1, 2015, the state board 45530
~~shall~~ may develop a measure of student academic progress for high 45531
school students using only data from assessments in English 45532
language arts and mathematics. ~~For the 2014-2015 school year, the~~ 45533
~~department shall include this measure on a school district or~~ 45534
~~building's report card, as applicable, without an assigned letter~~ 45535
~~grade. Beginning with the report card for the 2015-2016 school~~ 45536
~~year~~ If the state board develops this measure, each school 45537
district and applicable school building shall be assigned a 45538
separate letter grade for ~~this measure and the~~ if not sooner than 45539
the 2017-2018 school year. The district's or building's grade for 45540
that measure shall not be included in determining the district's 45541
or building's overall letter grade. ~~This measure shall be included~~ 45542
~~within the measure prescribed in division (C)(3)(c) of this~~ 45543
~~section in the calculation for the overall letter grade.~~ 45544

(E) The letter grades assigned to a school district or 45545

building under this section shall be as follows:	45546
(1) "A" for a district or school making excellent progress;	45547
(2) "B" for a district or school making above average progress;	45548 45549
(3) "C" for a district or school making average progress;	45550
(4) "D" for a district or school making below average progress;	45551 45552
(5) "F" for a district or school failing to meet minimum progress.	45553 45554
(F) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories:	45555 45556 45557
(1) Performance of students by grade-level;	45558
(2) Performance of students by race and ethnic group;	45559
(3) Performance of students by gender;	45560
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	45561 45562
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	45563 45564 45565
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	45566 45567
(7) Performance of students grouped by those who are economically disadvantaged;	45568 45569
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	45570 45571 45572
(9) Performance of students grouped by those who are	45573

classified as limited English proficient; 45574

(10) Performance of students grouped by those who have 45575
disabilities; 45576

(11) Performance of students grouped by those who are 45577
classified as migrants; 45578

(12) Performance of students grouped by those who are 45579
identified as gifted in superior cognitive ability and the 45580
specific academic ability fields of reading and math pursuant to 45581
Chapter 3324. of the Revised Code. In disaggregating specific 45582
academic ability fields for gifted students, the department shall 45583
use data for those students with specific academic ability in math 45584
and reading. If any other academic field is assessed, the 45585
department shall also include data for students with specific 45586
academic ability in that field as well. 45587

(13) Performance of students grouped by those who perform in 45588
the lowest quintile for achievement on a statewide basis, as 45589
determined by a method prescribed by the state board. 45590

The department may disaggregate data on student performance 45591
according to other categories that the department determines are 45592
appropriate. To the extent possible, the department shall 45593
disaggregate data on student performance according to any 45594
combinations of two or more of the categories listed in divisions 45595
(F)(1) to (13) of this section that it deems relevant. 45596

In reporting data pursuant to division (F) of this section, 45597
the department shall not include in the report cards any data 45598
statistical in nature that is statistically unreliable or that 45599
could result in the identification of individual students. For 45600
this purpose, the department shall not report student performance 45601
data for any group identified in division (F) of this section that 45602
contains less than ten students. If the department does not report 45603
student performance data for a group because it contains less than 45604

ten students, the department shall indicate on the report card 45605
that is why data was not reported. 45606

(G) The department may include with the report cards any 45607
additional education and fiscal performance data it deems 45608
valuable. 45609

(H) The department shall include on each report card a list 45610
of additional information collected by the department that is 45611
available regarding the district or building for which the report 45612
card is issued. When available, such additional information shall 45613
include student mobility data disaggregated by race and 45614
socioeconomic status, college enrollment data, and the reports 45615
prepared under section 3302.031 of the Revised Code. 45616

The department shall maintain a site on the world wide web. 45617
The report card shall include the address of the site and shall 45618
specify that such additional information is available to the 45619
public at that site. The department shall also provide a copy of 45620
each item on the list to the superintendent of each school 45621
district. The district superintendent shall provide a copy of any 45622
item on the list to anyone who requests it. 45623

(I) Division (I) of this section does not apply to conversion 45624
community schools that primarily enroll students between sixteen 45625
and twenty-two years of age who dropped out of high school or are 45626
at risk of dropping out of high school due to poor attendance, 45627
disciplinary problems, or suspensions. 45628

(1) For any district that sponsors a conversion community 45629
school under Chapter 3314. of the Revised Code, the department 45630
shall combine data regarding the academic performance of students 45631
enrolled in the community school with comparable data from the 45632
schools of the district for the purpose of determining the 45633
performance of the district as a whole on the report card issued 45634
for the district under this section or section 3302.033 of the 45635

Revised Code. 45636

(2) Any district that leases a building to a community school 45637
located in the district or that enters into an agreement with a 45638
community school located in the district whereby the district and 45639

enrolls the child in the special education program of the school 47509
district in which the child is entitled to attend school, that 47510

Revised Code, and, if necessary, sections 321.24 and 323.156 of 47534
the Revised Code, the aggregate amount of scholarships awarded 47535

the category six special education ADM of that school district as 47538
provided in division (C)(1) of this section. 47539

The scholarships deducted shall be considered as an approved 47540

district. 47542

(3) From time to time, the department shall make a payment to 47543
the parent of each qualified special education child for whom a 47544

of a child while any administrative or judicial mediation or 47550
proceedings with respect to the content of the child's 47551
individualized education program are pending. 47552

(D) A scholarship shall not be paid to a parent for payment of tuition owed to a nonpublic entity unless that entity is a registered private provider. The department shall approve entities that meet the standards established by rule of the state board for the program established under this section.

(E) The state board shall adopt rules under Chapter 119. of the Revised Code prescribing procedures necessary to implement this section, including, but not limited to, procedures and deadlines for parents to apply for scholarships, standards for registered private providers, and procedures for approval of entities as registered private providers.

the end of the series of lease terms provided for in the agreement 47808
the title to the leased property shall be vested in the school 47809

Sec. 3313.41. (A) Except as provided in divisions (C), (D), 47829

(F), and (G) of this section and in section 3313.412 of the Revised Code, when a board of education decides to dispose of real or personal property that it owns in its corporate capacity and that exceeds in value ten thousand dollars, it shall sell the property at public auction, after giving at least thirty days' notice of the auction by publication in a newspaper of general circulation in the school district, by publication as provided in section 7.16 of the Revised Code, or by posting notices in five of the most public places in the school district in which the property, if it is real property, is situated, or, if it is personal property, in the school district of the board of education that owns the property. The board may offer real property for sale as an entire tract or in parcels.

(B) When the board of education has offered real or personal property for sale at public auction at least once pursuant to division (A) of this section, and the property has not been sold, the board may sell it at a private sale. Regardless of how it was offered at public auction, at a private sale, the board shall, as it considers best, sell real property as an entire tract or in parcels, and personal property in a single lot or in several lots.

(C) If a board of education decides to dispose of real or personal property that it owns in its corporate capacity and that exceeds in value ten thousand dollars, it may sell the property to the adjutant general; to any subdivision or taxing authority as respectively defined in section 5705.01 of the Revised Code, township park district, board of park commissioners established under Chapter 755. of the Revised Code, or park district established under Chapter 1545. of the Revised Code; to a wholly or partially tax-supported university, university branch, or college; to a nonprofit institution of higher education that has a certificate of authorization under Chapter 1713. of the Revised Code; to the governing authority of a chartered nonpublic school;

property to the board of trustees of a school district library is 47864
limited, in the case of real property, to a school district 47865
library within whose boundaries the real property is situated, or, 47866
in the case of personal property, to a school district library 47867
whose boundaries lie in whole or in part within the school 47868
district of the selling board of education. 47869

(D) When a board of education decides to trade as a part or 47870
an entire consideration, an item of personal property on the 47871
purchase price of an item of similar personal property, it may 47872
trade the same upon such terms as are agreed upon by the parties 47873
to the trade. 47874

(E) The president and the treasurer of the board of education 47875
shall execute and deliver deeds or other necessary instruments of 47876
conveyance to complete any sale or trade under this section. 47877

(F) When a board of education has identified a parcel of real 47878
property that it determines is needed for school purposes, the 47879
board may, upon a majority vote of the members of the board, 47880
acquire that property by exchanging real property that the board 47881
owns in its corporate capacity for the identified real property or 47882
by using real property that the board owns in its corporate 47883
capacity as part or an entire consideration for the purchase price 47884
of the identified real property. Any exchange or acquisition made 47885
pursuant to this division shall be made by a conveyance executed 47886
by the president and the treasurer of the board. 47887

(G) Except as provided in ~~section~~ sections 3313.412 and 47888
3313.413 of the Revised Code, when a school district board of 47889
education decides to dispose of real property, prior to disposing 47890
of that property under divisions (A) to (F) of this section, it 47891
shall first offer that property for sale to the governing 47892
authorities of the start-up community schools established under 47893

Chapter 3314. of the Revised Code, and the board of trustees of 47894
any college-preparatory boarding school established under Chapter 47895
3328. of the Revised Code, that are located within the territory 47896
of the school district. The district board shall offer the 47897
property at a price that is not higher than the appraised fair 47898
market value of that property as determined in an appraisal of the 47899
property that is not more than one year old. If more than one 47900
community school governing authority or college-preparatory 47901
boarding school board of trustees accepts the offer made by the 47902
school district board, the board shall sell the property to the 47903
governing authority or board that accepted the offer first in 47904
time. If no community school governing authority or 47905
college-preparatory boarding school board of trustees accepts the 47906
offer within sixty days after the offer is made by the school 47907
district board, the board may dispose of the property in the 47908
applicable manner prescribed under divisions (A) to (F) of this 47909
section. 47910

(H) When a school district board of education has property 47911
that the board, by resolution, finds is not needed for school 47912
district use, is obsolete, or is unfit for the use for which it 47913
was acquired, the board may donate that property in accordance 47914
with this division if the fair market value of the property is, in 47915
the opinion of the board, two thousand five hundred dollars or 47916
less. 47917

The property may be donated to an eligible nonprofit 47918
organization that is located in this state and is exempt from 47919
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 47920
Before donating any property under this division, the board shall 47921
adopt a resolution expressing its intent to make unneeded, 47922
obsolete, or unfit-for-use school district property available to 47923
these organizations. The resolution shall include guidelines and 47924
procedures the board considers to be necessary to implement the 47925

donation program and shall indicate whether the school district 47926
will conduct the donation program or the board will contract with 47927
a representative to conduct it. If a representative is known when 47928
the resolution is adopted, the resolution shall provide contact 47929
information such as the representative's name, address, and 47930
telephone number. 47931

The resolution shall include within its procedures a 47932
requirement that any nonprofit organization desiring to obtain 47933
donated property under this division shall submit a written notice 47934
to the board or its representative. The written notice shall 47935
include evidence that the organization is a nonprofit organization 47936
that is located in this state and is exempt from federal income 47937
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 47938
the organization's primary purpose; a description of the type or 47939
types of property the organization needs; and the name, address, 47940
and telephone number of a person designated by the organization's 47941
governing board to receive donated property and to serve as its 47942
agent. 47943

After adoption of the resolution, the board shall publish, in 47944
a newspaper of general circulation in the school district or as 47945
provided in section 7.16 of the Revised Code, notice of its intent 47946
to donate unneeded, obsolete, or unfit-for-use school district 47947
property to eligible nonprofit organizations. The notice shall 47948
include a summary of the information provided in the resolution 47949
and shall be published twice. The second notice shall be published 47950
not less than ten nor more than twenty days after the previous 47951
notice. A similar notice also shall be posted continually in the 47952
board's office. If the school district maintains a web site on the 47953
internet, the notice shall be posted continually at that web site. 47954

The board or its representatives shall maintain a list of all 47955
nonprofit organizations that notify the board or its 47956
representative of their desire to obtain donated property under 47957

this division and that the board or its representative determines 47958
to be eligible, in accordance with the requirements set forth in 47959
this section and in the donation program's guidelines and 47960
procedures, to receive donated property. 47961

The board or its representative also shall maintain a list of 47962
all school district property the board finds to be unneeded, 47963
obsolete, or unfit for use and to be available for donation under 47964
this division. The list shall be posted continually in a 47965
conspicuous location in the board's office, and, if the school 47966
district maintains a web site on the internet, the list shall be 47967
posted continually at that web site. An item of property on the 47968
list shall be donated to the eligible nonprofit organization that 47969
first declares to the board or its representative its desire to 47970
obtain the item unless the board previously has established, by 47971
resolution, a list of eligible nonprofit organizations that shall 47972
be given priority with respect to the item's donation. Priority 47973
may be given on the basis that the purposes of a nonprofit 47974
organization have a direct relationship to specific school 47975
district purposes of programs provided or administered by the 47976
board. A resolution giving priority to certain nonprofit 47977
organizations with respect to the donation of an item of property 47978
shall specify the reasons why the organizations are given that 47979
priority. 47980

Members of the board shall consult with the Ohio ethics 47981
commission, and comply with Chapters 102. and 2921. of the Revised 47982
Code, with respect to any donation under this division to a 47983
nonprofit organization of which a board member, any member of a 47984
board member's family, or any business associate of a board member 47985
is a trustee, officer, board member, or employee. 47986

authorized by division (B)(3) or (4) of section 3314.05 of the 48012

to bid at the auction. The district board is not obligated to 48030
accept any bid for the property that is lower than the appraised 48031

the one qualified party to which the district board shall lease 48038
the property. 48039

(4) The lease price offered by a district board to a 48040
community school or college-preparatory boarding school under this 48041
section shall not be higher than the fair market value for such a 48042
leasehold as determined in an appraisal that is not more than one 48043
year old. 48044

(5) If no qualified party offered the property under division 48045
(B) of this section accepts the offer to lease or buy the property 48046
within sixty days after the offer is made, the district board may 48047
offer the property to any other entity in accordance with 48048
divisions (A) to (F) of section 3313.41 of the Revised Code. 48049

(D) Notwithstanding division (B) of this section, a school 48050

those concepts. In developing the curriculum required by this 48264
paragraph, schools shall use available public-private partnerships 48265

States Code, or English language arts, mathematics, science, or 48279

Ohioans must be prepared to apply increased knowledge and 48282
skills in the workplace and to adapt their knowledge and skills 48283
quickly to meet the rapidly changing conditions of the 48284
twenty-first century. National studies indicate that all high 48285
school graduates need the same academic foundation, regardless of 48286
the opportunities they pursue after graduation. The goal of Ohio's 48287
system of elementary and secondary education is to prepare all 48288
students for and seamlessly connect all students to success in 48289
life beyond high school graduation, regardless of whether the next 48290
step is entering the workforce, beginning an apprenticeship, 48291
engaging in post-secondary training, serving in the military, or 48292
pursuing a college degree. 48293

The requirements for graduation prescribed in division (C) of 48294
this section are the standard expectation for all students 48295

entering ninth grade for the first time at a public or chartered 48296
nonpublic high school on or after July 1, 2010. A student may 48297
satisfy this expectation through a variety of methods, including, 48298
but not limited to, integrated, applied, career-technical, and 48299
traditional coursework. 48300

Whereas teacher quality is essential for student success when 48301
completing the requirements for graduation, the general assembly 48302
shall appropriate funds for strategic initiatives designed to 48303
strengthen schools' capacities to hire and retain highly qualified 48304
teachers in the subject areas required by the curriculum. Such 48305
initiatives are expected to require an investment of \$120,000,000 48306
over five years. 48307

Stronger coordination between high schools and institutions 48308
of higher education is necessary to prepare students for more 48309
challenging academic endeavors and to lessen the need for academic 48310
remediation in college, thereby reducing the costs of higher 48311
education for Ohio's students, families, and the state. The state 48312
board and the chancellor of ~~the Ohio board of regents~~ higher 48313
education shall develop policies to ensure that only in rare 48314
instances will students who complete the requirements for 48315
graduation prescribed in division (C) of this section require 48316
academic remediation after high school. 48317

School districts, community schools, and chartered nonpublic 48318
schools shall integrate technology into learning experiences 48319
across the curriculum in order to maximize efficiency, enhance 48320
learning, and prepare students for success in the 48321
technology-driven twenty-first century. Districts and schools 48322
shall use distance and web-based course delivery as a method of 48323
providing or augmenting all instruction required under this 48324
division, including laboratory experience in science. Districts 48325
and schools shall utilize technology access and electronic 48326
learning opportunities provided by the broadcast educational media 48327

commission, chancellor, the Ohio learning network, education 48328
technology centers, public television stations, and other public 48329
and private providers. 48330

(D) Except as provided in division (E) of this section, a 48331
student who enters ninth grade on or after July 1, 2010, and 48332
before July 1, 2016, may qualify for graduation from a public or 48333
chartered nonpublic high school even though the student has not 48334
completed the requirements for graduation prescribed in division 48335
(C) of this section if all of the following conditions are 48336
satisfied: 48337

(1) During the student's third year of attending high school, 48338
as determined by the school, the student and the student's parent, 48339
guardian, or custodian sign and file with the school a written 48340
statement asserting the parent's, guardian's, or custodian's 48341
consent to the student's graduating without completing the 48342
requirements for graduation prescribed in division (C) of this 48343
section and acknowledging that one consequence of not completing 48344
those requirements is ineligibility to enroll in most state 48345
universities in Ohio without further coursework. 48346

(2) The student and parent, guardian, or custodian fulfill 48347
any procedural requirements the school stipulates to ensure the 48348
student's and parent's, guardian's, or custodian's informed 48349
consent and to facilitate orderly filing of statements under 48350
division (D)(1) of this section. Annually, each district or school 48351
shall notify the department of education of the number of students 48352
who choose to qualify for graduation under division (D) of this 48353
section and the number of students who complete the student's 48354
success plan and graduate from high school. 48355

(3) The student and the student's parent, guardian, or 48356
custodian and a representative of the student's high school 48357
jointly develop a student success plan for the student in the 48358
manner described in division (C)(1) of section 3313.6020 of the 48359

Revised Code that specifies the student matriculating to a 48360
two-year degree program, acquiring a business and 48361
industry-recognized credential, or entering an apprenticeship. 48362

(4) The student's high school provides counseling and support 48363
for the student related to the plan developed under division 48364
(D)(3) of this section during the remainder of the student's high 48365
school experience. 48366

(5)(a) Except as provided in division (D)(5)(b) of this 48367
section, the student successfully completes, at a minimum, the 48368
curriculum prescribed in division (B) of this section. 48369

(b) Beginning with students who enter ninth grade for the 48370
first time on or after July 1, 2014, a student shall be required 48371
to complete successfully, at the minimum, the curriculum 48372
prescribed in division (B) of this section, except as follows: 48373

(i) Mathematics, four units, one unit which shall be one of 48374
the following: 48375

(I) Probability and statistics; 48376

(II) Computer programming; 48377

(III) Applied mathematics or quantitative reasoning; 48378

(IV) Any other course approved by the department using 48379
standards established by the superintendent not later than October 48380
1, 2014. 48381

(ii) Elective units, five units; 48382

(iii) Science, three units as prescribed by division (B) of 48383
this section which shall include inquiry-based laboratory 48384
experience that engages students in asking valid scientific 48385
questions and gathering and analyzing information. 48386

The department, in collaboration with the chancellor, shall 48387
analyze student performance data to determine if there are 48388
mitigating factors that warrant extending the exception permitted 48389

by division (D) of this section to high school classes beyond 48390
those entering ninth grade before July 1, 2016. The department 48391
shall submit its findings and any recommendations not later than 48392
December 1, 2015, to the speaker and minority leader of the house 48393
of representatives, the president and minority leader of the 48394
senate, the chairpersons and ranking minority members of the 48395
standing committees of the house of representatives and the senate 48396
that consider education legislation, the state board of education, 48397
and the superintendent of public instruction. 48398

(E) Each school district and chartered nonpublic school 48399
retains the authority to require an even more challenging minimum 48400
curriculum for high school graduation than specified in division 48401
(B) or (C) of this section. A school district board of education, 48402
through the adoption of a resolution, or the governing authority 48403
of a chartered nonpublic school may stipulate any of the 48404
following: 48405

(1) A minimum high school curriculum that requires more than 48406
twenty units of academic credit to graduate; 48407

(2) An exception to the district's or school's minimum high 48408
school curriculum that is comparable to the exception provided in 48409
division (D) of this section but with additional requirements, 48410
which may include a requirement that the student successfully 48411
complete more than the minimum curriculum prescribed in division 48412
(B) of this section; 48413

(3) That no exception comparable to that provided in division 48414
(D) of this section is available. 48415

(F) A student enrolled in a dropout prevention and recovery 48416
program, which program has received a waiver from the department, 48417
may qualify for graduation from high school by successfully 48418
completing a competency-based instructional program administered 48419
by the dropout prevention and recovery program in lieu of 48420

completing the requirements for graduation prescribed in division 48421
(C) of this section. The department shall grant a waiver to a 48422
dropout prevention and recovery program, within sixty days after 48423
the program applies for the waiver, if the program meets all of 48424
the following conditions: 48425

(1) The program serves only students not younger than sixteen 48426
years of age and not older than twenty-one years of age. 48427

(2) The program enrolls students who, at the time of their 48428
initial enrollment, either, or both, are at least one grade level 48429
behind their cohort age groups or experience crises that 48430
significantly interfere with their academic progress such that 48431
they are prevented from continuing their traditional programs. 48432

(3) The program requires students to attain at least the 48433
applicable score designated for each of the assessments prescribed 48434
under division (B)(1) of section 3301.0710 of the Revised Code or, 48435
to the extent prescribed by rule of the state board under division 48436
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 48437
of that section. 48438

(4) The program develops a student success plan for the 48439
student in the manner described in division (C)(1) of section 48440
3313.6020 of the Revised Code that specifies the student's 48441
matriculating to a two-year degree program, acquiring a business 48442
and industry-recognized credential, or entering an apprenticeship. 48443

(5) The program provides counseling and support for the 48444
student related to the plan developed under division (F)(4) of 48445
this section during the remainder of the student's high school 48446
experience. 48447

(6) The program requires the student and the student's 48448
parent, guardian, or custodian to sign and file, in accordance 48449
with procedural requirements stipulated by the program, a written 48450
statement asserting the parent's, guardian's, or custodian's 48451

consent to the student's graduating without completing the 48452
requirements for graduation prescribed in division (C) of this 48453
section and acknowledging that one consequence of not completing 48454
those requirements is ineligibility to enroll in most state 48455
universities in Ohio without further coursework. 48456

(7) Prior to receiving the waiver, the program has submitted 48457
to the department an instructional plan that demonstrates how the 48458
academic content standards adopted by the state board under 48459
section 3301.079 of the Revised Code will be taught and assessed. 48460

(8) Prior to receiving the waiver, the program has submitted 48461
to the department a policy on career advising that satisfies the 48462
requirements of section 3313.6020 of the Revised Code, with an 48463
emphasis on how every student will receive career advising. 48464

(9) Prior to receiving the waiver, the program has submitted 48465
to the department a written agreement outlining the future 48466
cooperation between the program and any combination of local job 48467
training, postsecondary education, nonprofit, and health and 48468
social service organizations to provide services for students in 48469
the program and their families. 48470

Divisions (F)(8) and (9) of this section apply only to 48471
waivers granted on or after July 1, 2015. 48472

If the department does not act either to grant the waiver or 48473
to reject the program application for the waiver within sixty days 48474
as required under this section, the waiver shall be considered to 48475
be granted. 48476

(G) Every high school may permit students below the ninth 48477
grade to take advanced work. If a high school so permits, it shall 48478
award high school credit for successful completion of the advanced 48479
work and shall count such advanced work toward the graduation 48480
requirements of division (B) or (C) of this section if the 48481
advanced work was both: 48482

(1) Taught by a person who possesses a license or certificate 48483
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 48484
Code that is valid for teaching high school; 48485

(2) Designated by the board of education of the city, local, 48486
or exempted village school district, the board of the cooperative 48487
education school district, or the governing authority of the 48488
chartered nonpublic school as meeting the high school curriculum 48489
requirements. 48490

Each high school shall record on the student's high school 48491
transcript all high school credit awarded under division (G) of 48492
this section. In addition, if the student completed a seventh- or 48493
eighth-grade fine arts course described in division (K) of this 48494
section and the course qualified for high school credit under that 48495
division, the high school shall record that course on the 48496
student's high school transcript. 48497

(H) The department shall make its individual academic career 48498
plan available through its Ohio career information system web site 48499
for districts and schools to use as a tool for communicating with 48500
and providing guidance to students and families in selecting high 48501
school courses. 48502

(I) Units earned in English language arts, mathematics, 48503
science, and social studies that are delivered through integrated 48504
academic and career-technical instruction are eligible to meet the 48505
graduation requirements of division (B) or (C) of this section. 48506

(J)(1) The state board, in consultation with the chancellor, 48507
shall adopt a statewide plan implementing methods for students to 48508
earn units of high school credit based on a demonstration of 48509
subject area competency, instead of or in combination with 48510
completing hours of classroom instruction. The state board shall 48511
adopt the plan not later than March 31, 2009, and commence phasing 48512
in the plan during the 2009-2010 school year. The plan shall 48513

include a standard method for recording demonstrated proficiency 48514
on high school transcripts. Each school district and community 48515
school shall comply with the state board's plan adopted under this 48516
division and award units of high school credit in accordance with 48517
the plan. The state board may adopt existing methods for earning 48518
high school credit based on a demonstration of subject area 48519
competency as necessary prior to the 2009-2010 school year. 48520

(2) Not later than December 31, 2015, the state board shall 48521
update the statewide plan adopted pursuant to division (J)(1) of 48522
this section to also include methods for students enrolled in 48523
seventh and eighth grade to meet curriculum requirements based on 48524
a demonstration of subject area competency, instead of or in 48525
combination with completing hours of classroom instruction. 48526
Beginning with the 2017-2018 school year, each school district and 48527
community school also shall comply with the updated plan adopted 48528
pursuant to this division and permit students enrolled in seventh 48529
and eighth grade to meet curriculum requirements based on subject 48530
area competency in accordance with the plan. 48531

(K) This division does not apply to students who qualify for 48532
graduation from high school under division (D) or (F) of this 48533
section, or to students pursuing a career-technical instructional 48534
track as determined by the school district board of education or 48535
the chartered nonpublic school's governing authority. 48536
Nevertheless, the general assembly encourages such students to 48537
consider enrolling in a fine arts course as an elective. 48538

Beginning with students who enter ninth grade for the first 48539
time on or after July 1, 2010, each student enrolled in a public 48540
or chartered nonpublic high school shall complete two semesters or 48541
the equivalent of fine arts to graduate from high school. The 48542
coursework may be completed in any of grades seven to twelve. Each 48543
student who completes a fine arts course in grade seven or eight 48544
may elect to count that course toward the five units of electives 48545

required for graduation under division (C)(8) of this section, if 48546
the course satisfied the requirements of division (G) of this 48547
section. In that case, the high school shall award the student 48548
high school credit for the course and count the course toward the 48549
five units required under division (C)(8) of this section. If the 48550
course in grade seven or eight did not satisfy the requirements of 48551
division (G) of this section, the high school shall not award the 48552
student high school credit for the course but shall count the 48553
course toward the two semesters or the equivalent of fine arts 48554
required by this division. 48555

(L) Notwithstanding anything to the contrary in this section, 48556
the board of education of each school district and the governing 48557
authority of each chartered nonpublic school may adopt a policy to 48558
excuse from the high school physical education requirement each 48559
student who, during high school, has participated in 48560
interscholastic athletics, marching band, or cheerleading for at 48561
least two full seasons or in the junior reserve officer training 48562
corps for at least two full school years. If the board or 48563
authority adopts such a policy, the board or authority shall not 48564
require the student to complete any physical education course as a 48565
condition to graduate. However, the student shall be required to 48566
complete one-half unit, consisting of at least sixty hours of 48567
instruction, in another course of study. In the case of a student 48568
who has participated in the junior reserve officer training corps 48569
for at least two full school years, credit received for that 48570
participation may be used to satisfy the requirement to complete 48571
one-half unit in another course of study. 48572

(M) It is important that high school students learn and 48573
understand United States history and the governments of both the 48574
United States and the state of Ohio. Therefore, beginning with 48575
students who enter ninth grade for the first time on or after July 48576
1, 2012, the study of American history and American government 48577

required by divisions (B)(6) and (C)(6) of this section shall	48578
include the study of all of the following documents:	48579
(1) The Declaration of Independence;	48580
(2) The Northwest Ordinance;	48581
(3) The Constitution of the United States with emphasis on the Bill of Rights;	48582 48583
(4) The Ohio Constitution.	48584
The study of each of the documents prescribed in divisions (M)(1) to (4) of this section shall include study of that document in its original context.	48585 48586 48587
The study of American history and government required by divisions (B)(6) and (C)(6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.	48588 48589 48590 48591 48592 48593
Sec. 3313.608. (A)(1) Beginning with students who enter third grade in the school year that starts July 1, 2009, and until June 30, 2013, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from taking the assessment described in this section, for any student who does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, each school district, in accordance with the policy adopted under section 3313.609 of the Revised Code, shall do one of the following:	48594 48595 48596 48597 48598 48599 48600 48601 48602 48603 48604 48605
(a) Promote the student to fourth grade if the student's principal and reading teacher agree that other evaluations of the	48606 48607

student's skill in reading demonstrate that the student is 48608
academically prepared to be promoted to fourth grade; 48609

(b) Promote the student to fourth grade but provide the 48610
student with intensive intervention services in fourth grade; 48611

(c) Retain the student in third grade. 48612

(2) Beginning with students who enter third grade in the 48613
2013-2014 school year, unless the student is excused under 48614
division (C) of section 3301.0711 of the Revised Code from taking 48615
the assessment described in this section, no school district shall 48616
promote to fourth grade any student who does not attain at least 48617
the equivalent level of achievement designated under division 48618
(A)(3) of section 3301.0710 of the Revised Code on the assessment 48619
prescribed under that section to measure skill in English language 48620
arts expected at the end of third grade, unless one of the 48621
following applies: 48622

(a) The student is a limited English proficient student who 48623

(c) The student demonstrates an acceptable level of 48631
performance on an alternative standardized reading assessment as 48632
determined by the department of education. 48633

(d) All of the following apply: 48634

48639
48640

(iii) The student's individualized education program or plan under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as amended, shows that the student has received intensive remediation in reading for two school years but still demonstrates a deficiency in reading. 48641

(B)(1) Beginning in the 2012-2013 school year, to assist students in meeting the third grade guarantee established by this section, each school district board of education shall adopt policies and procedures with which it annually shall assess the reading skills of each student, except those students with significant cognitive disabilities or other disabilities as authorized by the department on a case-by-case basis, enrolled in kindergarten to third grade and shall identify students who are reading below their grade level. The reading skills assessments shall be completed by the thirtieth day of September. Each 48659

district shall use the diagnostic assessment to measure reading ability for the appropriate grade level adopted under section 3301.079 of the Revised Code, or a comparable tool approved by the department of education, to identify such students. The policies and procedures shall require the students' classroom teachers to be involved in the assessment and the identification of students reading below grade level.

(2) For each student identified by the diagnostic assessment prescribed under this section as having reading skills below grade level, the district shall do both of the following:

(a) Provide to the student's parent or guardian, in writing, all of the following:

(i) Notification that the student has been identified as having a substantial deficiency in reading;

(ii) A description of the current services that are provided to the student;

(iii) A description of the proposed supplemental instructional services and supports that will be provided to the student that are designed to remediate the identified areas of reading deficiency;

(iv) Notification that if the student attains a score in the range designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, the student shall be retained unless the student is exempt under division (A) of this section. The notification shall specify that the assessment under section 3301.0710 of the Revised Code is not the sole determinant of promotion and that additional evaluations and assessments are available to the student to assist parents and the district in knowing when a student is reading at or above grade level and ready for promotion.

(b) Provide intensive reading instruction services and 48700
regular diagnostic assessments to the student immediately 48701
following identification of a reading deficiency until the 48702
development of the reading improvement and monitoring plan 48703
required by division (C) of this section. These intervention 48704
services shall include research-based reading strategies that have 48705
been shown to be successful in improving reading among 48706
low-performing readers and instruction targeted at the student's 48707
identified reading deficiencies. 48708

(3) For each student retained under division (A) of this 48709
section, the district shall do all of the following: 48710

(a) Provide intense remediation services until the student is 48711
able to read at grade level. The remediation services shall 48712
include intensive interventions in reading that address the areas 48713

student retained under division (A) of this section who 48726
demonstrates that the student is reading at or above grade level; 48727

(c) Provide each student with a teacher who satisfies one or 48728
more of the criteria set forth in division (H) of this section. 48729

The district shall offer the option for students to receive applicable services from one or more providers other than the district. Providers shall be screened and approved by the district or the department of education. If the student participates in the remediation services and demonstrates reading proficiency in accordance with standards adopted by the department prior to the start of fourth grade, the district shall promote the student to that grade.

(4) For each student retained under division (A) of this section who has demonstrated proficiency in a specific academic ability field, each district shall provide instruction commensurate with student achievement levels in that specific academic ability field.

As used in this division, "specific academic ability field" has the same meaning as in section 3324.01 of the Revised Code.

(C) For each student required to be provided intervention services under this section, the district shall develop a reading improvement and monitoring plan within sixty days after receiving the student's results on the diagnostic assessment or comparable tool administered under division (B)(1) of this section. The district shall involve the student's parent or guardian and classroom teacher in developing the plan. The plan shall include all of the following:

Each student with a reading improvement and monitoring plan under this division who enters third grade after July 1, 2013, shall be assigned to a teacher who satisfies one or more of the criteria set forth in division (H) of this section.

The district shall report any information requested by the department about the reading improvement monitoring plans developed under this division in the manner required by the department.

(D) Each school district shall report annually to the department on its implementation and compliance with this section using guidelines prescribed by the superintendent of public instruction. The superintendent of public instruction annually shall report to the governor and general assembly the number and percentage of students in grades kindergarten through four reading below grade level based on the diagnostic assessments administered

under division (B) of this section and the achievement assessments 48791
administered under divisions (A)(1)(a) and (b) of section 48792
3301.0710 of the Revised Code in English language arts, aggregated 48793

the efficacy of the intervention services provided. 48796

(E) Any summer remediation services funded in whole or in 48797
part by the state and offered by school districts to students 48798
under this section shall meet the following conditions: 48799

(1) The remediation methods are based on reliable educational 48800
research. 48801

(2) The school districts conduct assessment before and after 48802
students participate in the program to facilitate monitoring 48803
results of the remediation services. 48804

(3) The parents of participating students are involved in 48805
programming decisions. 48806

(F) Any intervention or remediation services required by this 48807
section shall include intensive, explicit, and systematic 48808
instruction. 48809

(G) This section does not create a new cause of action or a 48810
substantive legal right for any person. 48811

(H)(1) Except as provided under divisions (H)(2), (3), and 48812
(4) of this section, each student described in division (B)(3) or 48813

designated under division (B)(1) of section 3301.0710 of the 48936
Revised Code on all the assessments required by that division, or 48937
has satisfied the alternative conditions prescribed in section 48938
3313.615 of the Revised Code. 48939

(2) If the person entered the ninth grade on or after July 1, 48940

Notwithstanding division (C)(3) of section 3301.0711 of the Revised Code, no limited English proficient student who has not either attained the applicable scores designated under division (B)(1) of section 3301.0710 of the Revised Code on all the assessments required by that division, or met the requirement prescribed by section 3313.618 or 3313.619 of the Revised Code, shall be awarded a diploma under this section.

Sec. 3313.614. (A) As used in this section, a person

"fulfills the curriculum requirement for a diploma" at the time 49008
one of the following conditions is satisfied: 49009

(1) The person successfully completes the high school 49010
curriculum of a school district, a community school, a chartered 49011
nonpublic school, or a correctional institution. 49012

(2) The person successfully completes the individualized 49013
education program developed for the person under section 3323.08 49014
of the Revised Code. 49015

(3) A board of education issues its determination under 49016
section 3313.611 of the Revised Code that the person qualifies as 49017
having successfully completed the curriculum required by the 49018
district. 49019

(B) This division specifies the assessment requirements that 49020
must be fulfilled as a condition toward granting high school 49021
diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 49022
of the Revised Code. 49023

(1) A person who fulfills the curriculum requirement for a 49024
diploma before September 15, 2000, is not required to pass any 49025
proficiency test or achievement test in science as a condition to 49026
receiving a diploma. 49027

(2) A person who began ninth grade for the first time prior 49028
to July 1, 2003, is not required to pass the Ohio graduation test 49029
prescribed under division (B)(1) of section 3301.0710 or any 49030
assessment prescribed under division (B)(2) of that section in any 49031
subject as a condition to receiving a diploma once the person has 49032
passed the ninth grade proficiency test in the same subject, so 49033
long as the person passed the ninth grade proficiency test prior 49034
to September 15, 2008. However, any such person who passes the 49035
Ohio graduation test in any subject prior to passing the ninth 49036
grade proficiency test in the same subject shall be deemed to have 49037

passed the ninth grade proficiency test in that subject as a 49038
condition to receiving a diploma. For this purpose, the ninth 49039
grade proficiency test in citizenship substitutes for the Ohio 49040
graduation test in social studies. If a person began ninth grade 49041
prior to July 1, 2003, but does not pass a ninth grade proficiency 49042
test or the Ohio graduation test in a particular subject before 49043
September 15, 2008, and passage of a test in that subject is a 49044
condition for the person to receive a diploma, the person must 49045
pass the Ohio graduation test instead of the ninth grade 49046
proficiency test in that subject to receive a diploma. 49047

(3) A (a) Except as provided in division (B)(3)(b) of this 49048
section, a person who begins ninth grade for the first time on or 49049
after July 1, 2003, in a school district, community school, or 49050
chartered nonpublic school is not eligible to receive a diploma 49051
based on passage of ninth grade proficiency tests. Each such 49052
person who begins ninth grade prior to July 1, 2014, must pass 49053
Ohio graduation tests to meet the assessment requirements 49054
applicable to that person as a condition to receiving a diploma or 49055
satisfy one of the conditions prescribed in division (B)(3)(b) of 49056
this section. 49057

(b) A person who began ninth grade for the first time prior 49058
to July 1, 2014, shall be eligible to receive a diploma if the 49059
person meets the requirement prescribed by section 3313.618 or 49060
3313.619 of the Revised Code. 49061

(c) A person who began ninth grade for the first time prior 49062
to July 1, 2014, and who has not attained at least the applicable 49063
scores designated under division (B)(1) of section 3301.0710 of 49064
the Revised Code on all the assessments required by that division 49065
shall be eligible to receive a diploma if the person meets the 49066
requirement prescribed by rule of the state board of education as 49067
prescribed under division (B)(3)(d) of this section. 49068

(d) Not later than December 31, 2015, the state board of 49069

education shall adopt rules prescribing the manner in which a person who began ninth grade for the first time prior to July 1, 2014, may be eligible for a high school diploma by combining the requirement prescribed by section 3313.618 or 3313.619 of the Revised Code and the requirement to attain at least the applicable scores designated under division (B)(1) of section 3301.0710 of the Revised Code on the assessments required by that division. The rules shall ensure that the combined requirements require a demonstration of mastery that is equivalent or greater to the expectations of the assessments prescribed by division (B)(1) of section 3301.0710 of the Revised Code. The rules shall include the following:

(i) The date by which a person who began ninth grade for the first time prior to July 1, 2014, may be eligible for a high school diploma under division (B)(3)(c) of this section;

(ii) Methods of replacing individual assessments prescribed by division (B)(1) of section 3301.0710 of the Revised Code;

(iii) Methods of integrating the pathways prescribed by division (A) of section 3313.618 or section 3313.619 of the Revised Code.

(4) A Except as provided in division (B)(3)(b) of this section, a person who begins ninth grade on or after July 1, 2014, is not eligible to receive a diploma based on passage of the Ohio graduation tests. Each such person must meet the requirement prescribed by section 3313.618 or 3313.619 of the Revised Code.

(C) This division specifies the curriculum requirement that shall be completed as a condition toward granting high school diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 of the Revised Code.

(1) A person who is under twenty-two years of age when the person fulfills the curriculum requirement for a diploma shall

complete the curriculum required by the school district or school 49101
issuing the diploma for the first year that the person originally 49102
enrolled in high school, except for a person who qualifies for 49103
graduation from high school under either division (D) or (F) of 49104
section 3313.603 of the Revised Code. 49105

(2) Once a person fulfills the curriculum requirement for a 49106
diploma, the person is never required, as a condition of receiving 49107
a diploma, to meet any different curriculum requirements that take 49108
effect pending the person's passage of proficiency tests or 49109
achievement tests or assessments, including changes mandated by 49110
section 3313.603 of the Revised Code, the state board, a school 49111
district board of education, or a governing authority of a 49112
community school or chartered nonpublic school. 49113

Sec. 3313.615. This section shall apply to diplomas awarded 49114
after September 15, 2006, to students who are required to take the 49115
five Ohio graduation tests prescribed by division (B)(1) of 49116
section 3301.0710 of the Revised Code. This section does not apply 49117
to any student who enters ninth grade for the first time on or 49118
after July 1, 2014. 49119

(A) As an alternative to the requirement that a person attain 49120
the scores designated under division (B)(1) of section 3301.0710 49121
of the Revised Code on all the assessments required under that 49122
division in order to be eligible for a high school diploma or an 49123
honors diploma under sections 3313.61, 3313.612, or 3325.08 of the 49124
Revised Code or for a diploma of adult education under section 49125
3313.611 of the Revised Code, a person who has attained at least 49126
the applicable scores designated under division (B)(1) of section 49127
3301.0710 of the Revised Code on all but one of the assessments 49128
required by that division and from which the person was not 49129
excused or exempted, pursuant to division (L) of section 3313.61, 49130
division (B)(1) of section 3313.612, or section 3313.532 of the 49131

Revised Code, may be awarded a diploma or honors diploma if the person has satisfied all of the following conditions:

(1) On the one assessment required under division (B)(1) of section 3301.0710 of the Revised Code for which the person failed to attain the designated score, the person missed that score by ten points or less;

(2) Has a ninety-seven per cent school attendance rate in each of the last four school years, excluding any excused absences;

(3) Has not been expelled from school under section 3313.66 of the Revised Code in any of the last four school years;

(4) Has a grade point average of at least 2.5 out of 4.0, or its equivalent as designated in rules adopted by the state board of education, in the subject area of the assessment required under division (B)(1) of section 3301.0710 of the Revised Code for which the person failed to attain the designated score;

(5) Has completed the high school curriculum requirements prescribed in section 3313.603 of the Revised Code or has qualified under division (D) or (F) of that section;

(6) Has taken advantage of any intervention programs provided by the school district or school in the subject area described in division (A)(4) of this section and has a ninety-seven per cent attendance rate, excluding any excused absences, in any of those programs that are provided at times beyond the normal school day, school week, or school year or has received comparable intervention services from a source other than the school district or school;

(7) Holds a letter recommending graduation from each of the person's high school teachers in the subject area described in division (A)(4) of this section and from the person's high school principal.

(B) The state board of education shall establish rules 49163
designating grade point averages equivalent to the average 49164
specified in division (A)(4) of this section for use by school 49165
districts and schools with different grading systems. 49166

(C) Any student who is exempt from attaining the applicable 49167
score designated under division (B)(1) of section 3301.0710 of the 49168
Revised Code on the Ohio graduation test in social studies 49169

high school diploma under this section, unless, notwithstanding 49172
the exemption, the student attains the applicable score on that 49173
assessment. If the student attains the applicable score on that 49174
assessment, the student may qualify for a diploma under this 49175
section in the same manner as any other student who is required to 49176
take the five Ohio graduation tests prescribed by division (B)(1) 49177
of section 3301.0710 of the Revised Code. 49178

Sec. 3313.617. (A) A person who meets all of the following 49179

(3) The person has not received a high school diploma or 49184
honors diploma awarded under section 3313.61, 3313.611, 3313.612, 49185

3313.612, or 3325.08 of the Revised Code. 49192

school diploma. 49200

(2) The department shall determine whether to approve or deny 49201

the department of education under division 49263

(B) of this section and selected by the school's governing 49264
authority. (B) For purposes of division (A) of this section, the 49265
department shall approve assessments that meet the conditions 49266
specified under division (C) of this section and shall designate 49267

requirement to show such proof. 49314

(E) For the purposes of an application for employment, a 49315
diploma granted under this section shall be considered proof of 49316
completion of a high school education, regardless of whether the 49317
person to which the diploma was granted participated in the 49318
assessments prescribed by division (A)(1) or (B)(1) or (2) of 49319
section 3301.0710 and section 3301.0712 of the Revised Code. 49320

Sec. 3313.674. (A) Except as provided in division (D) of this 49321

(C) Each school year, each board or governing authority 49338
electing to require the screening shall provide the parent or 49339
guardian of each student subject to the screening with information 49340
about the screening program. If the board or governing authority 49341
requests parents and guardians to obtain a screening from a 49342
provider of their choosing, the board or governing authority shall 49343
49344

provide them with a list of providers and information about 49345
screening services available in the community to parents and 49346
guardians who cannot afford a private provider. 49347

(D) If the parent or guardian of a student subject to the 49348
screening signs and submits to the board or governing authority a 49349

under division (C) of this section without interruption at the 50968
start of the subsequent school year. However, if the student 50969
without a legitimate excuse fails to participate in the first one 50970
hundred five consecutive hours of learning opportunities offered 50971
to the student in that subsequent school year, the student shall 50972
be considered not to have re-enrolled in the school for that 50973
school year and the department shall recalculate the payments to 50974

the school for that school year to account for the fact that the student is not enrolled.

(3) The department shall determine each community school student's percentage of full-time equivalency based on the percentage of learning opportunities offered by the community school to that student, reported either as number of hours or number of days, is of the total learning opportunities offered by the community school to a student who attends for the school's entire school year. However, no internet- or computer-based community school shall be credited for any time a student spends participating in learning opportunities beyond ten hours within any period of twenty-four consecutive hours. Whether it reports hours or days of learning opportunities, each community school shall offer not less than nine hundred twenty hours of learning opportunities during the school year.

(4) With respect to the calculation of full-time equivalency under division (H)(3) of this section, the department shall waive the number of hours or days of learning opportunities not offered to a student because the community school was closed during the school year due to disease epidemic, hazardous weather conditions, law enforcement emergencies, inoperability of school buses or other equipment necessary to the school's operation, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use, so long as the school was actually open for instruction with students in attendance during that school year for not less than the minimum number of hours required by this chapter. The department shall treat the school as if it were open for instruction with students in attendance during the hours or days waived under this division.

(I) The department of education shall reduce the amounts paid under this section to reflect payments made to colleges under

section 3365.07 of the Revised Code. 51007

(J)(1) No student shall be considered enrolled in any 51008
internet- or computer-based community school or, if applicable to 51009
the student, in any community school that is required to provide 51010
the student with a computer pursuant to division (C) of section 51011
3314.22 of the Revised Code, unless both of the following 51012
conditions are satisfied: 51013

(a) The student possesses or has been provided with all 51014
required hardware and software materials and all such materials 51015
are operational so that the student is capable of fully 51016
participating in the learning opportunities specified in the 51017
contract between the school and the school's sponsor as required 51018
by division (A)(23) of section 3314.03 of the Revised Code; 51019

(b) The school is in compliance with division (A) of section 51020
3314.22 of the Revised Code, relative to such student. 51021

(2) In accordance with policies adopted jointly by the 51022
superintendent of public instruction and the auditor of state, the 51023
department shall reduce the amounts otherwise payable under 51024
division (C) of this section to any community school that includes 51025
in its program the provision of computer hardware and software 51026
materials to any student, if such hardware and software materials 51027
have not been delivered, installed, and activated for each such 51028
student in a timely manner or other educational materials or 51029
services have not been provided according to the contract between 51030
the individual community school and its sponsor. 51031

The superintendent of public instruction and the auditor of 51032
state shall jointly establish a method for auditing any community 51033
school to which this division pertains to ensure compliance with 51034
this section. 51035

The superintendent, auditor of state, and the governor shall 51036
jointly make recommendations to the general assembly for 51037

legislative changes that may be required to assure fiscal and 51038
academic accountability for such schools. 51039

(K)(1) If the department determines that a review of a 51040
community school's enrollment is necessary, such review shall be 51041
completed and written notice of the findings shall be provided to 51042
the governing authority of the community school and its sponsor 51043
within ninety days of the end of the community school's fiscal 51044
year, unless extended for a period not to exceed thirty additional 51045
days for one of the following reasons: 51046

(a) The department and the community school mutually agree to 51047
the extension. 51048

(b) Delays in data submission caused by either a community 51049
school or its sponsor. 51050

(2) If the review results in a finding that additional 51051
funding is owed to the school, such payment shall be made within 51052
thirty days of the written notice. If the review results in a 51053
finding that the community school owes moneys to the state, the 51054
following procedure shall apply: 51055

(a) Within ten business days of the receipt of the notice of 51056
findings, the community school may appeal the department's 51057
determination to the state board of education or its designee. 51058

(b) The board or its designee shall conduct an informal 51059
hearing on the matter within thirty days of receipt of such an 51060
appeal and shall issue a decision within fifteen days of the 51061
conclusion of the hearing. 51062

(c) If the board has enlisted a designee to conduct the 51063
hearing, the designee shall certify its decision to the board. The 51064
board may accept the decision of the designee or may reject the 51065
decision of the designee and issue its own decision on the matter. 51066

(d) Any decision made by the board under this division is 51067

final. 51068

(3) If it is decided that the community school owes moneys to 51069
the state, the department shall deduct such amount from the 51070
school's future payments in accordance with guidelines issued by 51071
the superintendent of public instruction. 51072

(L) The department shall not subtract from a school 51073
district's state aid account and shall not pay to a community 51074
school under division (C) of this section any amount for any of 51075
the following: 51076

(1) Any student who has graduated from the twelfth grade of a 51077
public or nonpublic high school; 51078

(2) Any student who is not a resident of the state; 51079

(3) Any student who was enrolled in the community school 51080
during the previous school year when assessments were administered 51081
under section 3301.0711 of the Revised Code but did not take one 51082
or more of the assessments required by that section and was not 51083
excused pursuant to division (C)(1) or (3) of that section, unless 51084
the superintendent of public instruction grants the student a 51085
waiver from the requirement to take the assessment and a parent is 51086
not paying tuition for the student pursuant to section 3314.26 of 51087
the Revised Code. The superintendent may grant a waiver only for 51088
good cause in accordance with rules adopted by the state board of 51089
education. 51090

(4) Any student who has attained the age of twenty-two years, 51091
except for veterans of the armed services whose attendance was 51092
interrupted before completing the recognized twelve-year course of 51093
the public schools by reason of induction or enlistment in the 51094
armed forces and who apply for enrollment in a community school 51095
not later than four years after termination of war or their 51096
honorable discharge. If, however, any such veteran elects to 51097
enroll in special courses organized for veterans for whom tuition 51098

is paid under federal law, or otherwise, the department shall not 51099
subtract from a school district's state aid account and shall not 51100
pay to a community school under division (C) of this section any 51101
amount for that veteran. 51102

Sec. 3314.085. (A) For purposes of this section: 51103

(1) "Formula amount" has the same meaning as in section 51104
3317.02 of the Revised Code. 51105

(2) "Four-year adjusted cohort graduation rate" has the same 51106
meaning as in section 3302.01 of the Revised Code. 51107

(3) A community school's "third-grade reading proficiency 51108
percentage" means the following quotient: 51109

The number of the school's students scoring at a proficient level 51110
of skill or higher on the third-grade English language arts 51111
assessment prescribed under division (A)(1)(a) of section 51112
3301.0710 of the Revised Code for the immediately preceding school 51113
year / the total number of the school's students required to take 51114
that assessment for the immediately preceding school year 51115

(B) In addition to the payments made under section 3314.08 of 51116
the Revised Code, the department of education shall annually pay 51117
to each community school both of the following: 51118

(1) A graduation bonus calculated according to the following 51119
formula: 51120

The school's four-year adjusted cohort graduation rate on its most 51121
recent report card issued by the department under section 3302.03 51122
or 3314.017 of the Revised Code X 0.05 X the formula amount X the 51123
number of the school's graduates reported to the department, in 51124
accordance with the guidelines adopted under section 3301.0714 of 51125
the Revised Code, for the same school year for which the most 51126
recent report card was issued 51127

(2) A third-grade reading bonus calculated according to the 51128

following formula: 51129

The school's third-grade reading proficiency percentage X 0.15 X 51130

the formula amount X the number of the school's students scoring 51131

at a proficient level or higher on the third-grade English 51132

language arts assessment prescribed under division (A)(1)(a) of 51133

section 3301.0710 of the Revised Code for the immediately 51134

preceding school year 51135

Sec. 3314.091. (A) A school district is not required to 51136

provide transportation for any native student enrolled in a 51137

community school if the district board of education has entered 51138

into an agreement with the community school's governing authority 51139

that designates the community school as responsible for providing 51140

or arranging for the transportation of the district's native 51141

students to and from the community school. For any such agreement 51142

to be effective, it must be certified by the superintendent of 51143

public instruction as having met all of the following 51144

requirements: 51145

(1) It is submitted to the department of education by a 51146

deadline which shall be established by the department. 51147

(2) In accordance with divisions (C)(1) and (2) of this 51148

section, it specifies qualifications, such as residing a minimum 51149

distance from the school, for students to have their 51150

transportation provided or arranged. 51151

(3) The transportation provided by the community school is 51152

subject to all provisions of the Revised Code and all rules 51153

adopted under the Revised Code pertaining to pupil transportation. 51154

(4) The sponsor of the community school also has signed the 51155

agreement. 51156

(B)(1) For the school year that begins on July 1, 2007, a 51157

school district is not required to provide transportation for any 51158

native student enrolled in a community school, if the community 51159
school during the previous school year transported the students 51160
enrolled in the school or arranged for the students' 51161
transportation, even if that arrangement consisted of having 51162
parents transport their children to and from the school, but did 51163
not enter into an agreement to transport or arrange for 51164
transportation for those students under division (A) of this 51165
section, and if the governing authority of the community school by 51166
July 15, 2007, submits written notification to the district board 51167
of education stating that the governing authority is accepting 51168
responsibility for providing or arranging for the transportation 51169
of the district's native students to and from the community 51170
school. 51171

(2) Except as provided in division (B)(4) of this section, 51172
for any school year subsequent to the school year that begins on 51173
July 1, 2007, a school district is not required to provide 51174
transportation for any native student enrolled in a community 51175
school if the governing authority of the community school, by the 51176
thirty-first day of January of the previous school year, submits 51177
written notification to the district board of education stating 51178
that the governing authority is accepting responsibility for 51179
providing or arranging for the transportation of the district's 51180
native students to and from the community school. If the governing 51181
authority of the community school has previously accepted 51182
responsibility for providing or arranging for the transportation 51183
of a district's native students to and from the community school, 51184
under division (B)(1) or (2) of this section, and has since 51185
relinquished that responsibility under division (B)(3) of this 51186
section, the governing authority shall not accept that 51187
responsibility again unless the district board consents to the 51188
governing authority's acceptance of that responsibility. 51189

(3) A governing authority's acceptance of responsibility 51190

under division (B)(1) or (2) of this section shall cover an entire 51191
school year, and shall remain in effect for subsequent school 51192
years unless the governing authority submits written notification 51193
to the district board that the governing authority is 51194
relinquishing the responsibility. However, a governing authority 51195
shall not relinquish responsibility for transportation before the 51196
end of a school year, and shall submit the notice relinquishing 51197
responsibility by the thirty-first day of January, in order to 51198
allow the school district reasonable time to prepare 51199
transportation for its native students enrolled in the school. 51200

(4)(a) For any school year that begins on or after July 1, 51201
2014, a school district is not required to provide transportation 51202
for any native student enrolled in a community school scheduled to 51203
open for operation in the current school year, if the governing 51204
authority of the community school, by the fifteenth day of April 51205
of the previous school year, submits written notification to the 51206
district board of education stating that the governing authority 51207
is accepting responsibility for providing or arranging for the 51208
transportation of the district's native students to and from the 51209
community school. 51210

(b) The governing authority of a community school that 51211
accepts responsibility for transporting its students under 51212
division (B)(4)(a) of this section shall comply with divisions 51213
(B)(2) and (3) of this section to renew or relinquish that 51214
authority for subsequent school years. 51215

(C)(1) A community school governing authority that enters 51216
into an agreement under division (A) of this section, or that 51217
accepts responsibility under division (B) of this section, shall 51218
provide or arrange transportation free of any charge for each of 51219
its enrolled students who is required to be transported under 51220
section 3327.01 of the Revised Code ~~or who would otherwise be~~ 51221
~~transported by the school district under the district's~~ 51222

~~transportation policy.~~ The governing authority shall report to the 51223
department of education the number of students transported or for 51224
whom transportation is arranged under this section in accordance 51225
with rules adopted by the state board of education. 51226

(2) The governing authority may provide or arrange 51227
transportation for any other enrolled student who is not eligible 51228
for transportation in accordance with division (C)(1) of this 51229
section and may charge a fee for such service up to the actual 51230
cost of the service. 51231

(3) Notwithstanding anything to the contrary in division 51232
(C)(1) or (2) of this section, a community school governing 51233
authority shall provide or arrange transportation free of any 51234
charge for any disabled student enrolled in the school for whom 51235
the student's individualized education program developed under 51236
Chapter 3323. of the Revised Code specifies transportation. 51237

(D)(1) If a school district board and a community school 51238
governing authority elect to enter into an agreement under 51239
division (A) of this section, the department of education shall 51240
make payments to the community school according to the terms of 51241
the agreement for each student actually transported under division 51242
(C)(1) of this section. 51243

If a community school governing authority accepts 51244
transportation responsibility under division (B) of this section, 51245
the department shall make payments to the community school for 51246
each student actually transported or for whom transportation is 51247
arranged by the community school under division (C)(1) of this 51248
section, calculated as follows: 51249

(a) For any fiscal year which the general assembly has 51250
specified that transportation payments to school districts be 51251
based on an across-the-board percentage of the district's payment 51252
for the previous school year, the per pupil payment to the 51253

community school shall be the following quotient: 51254

(i) The total amount calculated for the school district in 51255
which the child is entitled to attend school for student 51256
transportation other than transportation of children with 51257
disabilities; divided by 51258

(ii) The number of students included in the district's 51259
transportation ADM for the current fiscal year, as calculated 51260
under section 3317.03 of the Revised Code, plus the number of 51261
students enrolled in the community school not counted in the 51262
district's transportation ADM who are transported under division 51263
(B)(1) or (2) of this section. 51264

(b) For any fiscal year which the general assembly has 51265
specified that the transportation payments to school districts be 51266
calculated in accordance with section 3317.0212 of the Revised 51267
Code and any rules of the state board of education implementing 51268
that section, the payment to the community school shall be the 51269
amount so calculated on a per rider basis that otherwise would be 51270
paid to the school district in which the student is entitled to 51271
attend school by the method of transportation the district would 51272
have used. The community school, however, is not required to use 51273
the same method to transport that student. 51274

(c) Divisions (D)(1)(a) and (b) of this section do not apply 51275
to fiscal years 2012 and 2013. Rather, for each of those fiscal 51276
years, the per pupil payment to a community school for 51277
transporting a student shall be the total amount paid under former 51278
section 3306.12 of the Revised Code for fiscal year 2011 to the 51279
school district in which the child is entitled to attend school 51280
divided by that district's "qualifying ridership," as defined in 51281
that section for fiscal year 2011. 51282

As used in this division "entitled to attend school" means 51283
entitled to attend school under section 3313.64 or 3313.65 of the 51284

Revised Code. 51285

(2) The department shall deduct the payment under division 51286
(D)(1) of this section from the state education aid, as defined in 51287
section 3314.08 of the Revised Code, and, if necessary, the 51288
payment under sections 321.14 and 323.156 of the Revised Code, 51289
that is otherwise paid to the school district in which the student 51290
enrolled in the community school is entitled to attend school. The 51291
department shall include the number of the district's native 51292
students for whom payment is made to a community school under 51293
division (D)(1) of this section in the calculation of the 51294
district's transportation payment under section 3317.0212 of the 51295
Revised Code and the operating appropriations act. 51296

(3) A community school shall be paid under division (D)(1) of 51297
this section only for students who are eligible as specified in 51298
section 3327.01 of the Revised Code and division (C)(1) of this 51299
section, and whose transportation to and from school is actually 51300
provided, who actually utilized transportation arranged, or for 51301
whom a payment in lieu of transportation is made by the community 51302
school's governing authority. To qualify for the payments, the 51303
community school shall report to the department, in the form and 51304
manner required by the department, data on the number of students 51305
transported or whose transportation is arranged, the number of 51306
miles traveled, cost to transport, and any other information 51307
requested by the department. 51308

(4) A community school shall use payments received under this 51309
section solely to pay the costs of providing or arranging for the 51310
transportation of students who are eligible as specified in 51311
section 3327.01 of the Revised Code and division (C)(1) of this 51312
section, which may include payments to a parent, guardian, or 51313
other person in charge of a child in lieu of transportation. 51314

(E) Except when arranged through payment to a parent, 51315
guardian, or person in charge of a child, transportation provided 51316

or arranged for by a community school pursuant to an agreement 51317
under this section is subject to all provisions of the Revised 51318
Code, and all rules adopted under the Revised Code, pertaining to 51319
the construction, design, equipment, and operation of school buses 51320
and other vehicles transporting students to and from school. The 51321
drivers and mechanics of the vehicles are subject to all 51322
provisions of the Revised Code, and all rules adopted under the 51323
Revised Code, pertaining to drivers and mechanics of such 51324
vehicles. The community school also shall comply with sections 51325
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 51326
of section 3327.16 of the Revised Code and, subject to division 51327
(C)(1) of this section, sections 3327.01 and 3327.02 of the 51328
Revised Code, as if it were a school district. 51329

Sec. 3314.38. (A) An individual who is at least twenty-two 51330
years of age and who is an eligible individual as defined in 51331
section 3317.23 of the Revised Code may enroll for up to two 51332
~~cumulative~~ consecutive school years in a dropout prevention and 51333
recovery program operated by a community school that is designed 51334
to allow enrollees to earn a high school diploma. An individual 51335
enrolled under this division may elect to satisfy the requirements 51336
to earn a high school diploma by successfully completing a 51337
competency-based ~~instructional~~ educational program, as defined in 51338
section 3317.23 of the Revised Code, that complies with the 51339
standards adopted by the ~~state board~~ department of education under 51340
section 3317.231 of the Revised Code. The community school shall 51341
report that individual's enrollment on a full-time equivalency 51342

addition to the report required under division (B) of section 51344
3314.08 of the Revised Code. An individual enrolled under this 51345

annually shall certify the enrollment and attendance, on a 51350
full-time equivalency basis, of each individual reported by the 51351
school under that division. 51352

(2) For each individual enrolled in a community school under 51353
division (A) of this section, the department annually shall pay ~~to~~ 51354

~~section X the portion of the school year in which the individual~~ 51358
~~is enrolled in the school expressed as a percentage up to \$5,000,~~ 51359
as determined by the department based on the extent of the 51360
individual's successful completion of the graduation requirements 51361
prescribed under division (A)(11)(f) of section 3314.03 of the 51362
Revised Code. 51363

(C) A community school that enrolls individuals under 51364
division (A) of this section shall be subject to the program 51365
administration standards adopted by the ~~state board~~ department 51366
under section 3317.231 of the Revised Code, as applicable. 51367

Sec. 3314.39. (A) A five-year parental engagement pilot 51368
project is hereby established at the community school known as 51369
DECA prep. The pilot project is a research and development 51370

(F) As used in this section: 51402

(1) "DECA prep" means Dayton early college academy preparatory, incorporated. 51403
51404

51409

Sec. 3314.50. No community school shall, on or after the 51410
effective date of this ~~section~~ amendment, open for operation ~~in~~ 51411
~~any school year~~ unless the governing authority of the school has 51412
posted a surety bond in the amount of fifty thousand dollars with 51413
the auditor of state. ~~In lieu of a surety bond, a community school~~ 51414
~~governing authority may deposit with the auditor of state cash in~~ 51415
~~the amount of fifty thousand dollars as a guarantee of payment.~~ 51416
The bond or cash guarantee shall be used, in the event the school 51417
closes, to pay the auditor of state any moneys owed or that become 51418
owed by the school for the costs of audits conducted by the 51419
auditor of state or a public accountant under Chapter 117. of the 51420
Revised Code. 51421

~~Immediately upon~~ The department of education shall notify the 51422
auditor of state of the proposed initiation of operations of any 51423
community school and shall provide the auditor of state with the 51424
certification of the sponsor of the community school of the 51425
compliance by the community school with all legal preconditions to 51426
the initiation of its operations, including compliance with this 51427
section. 51428

In lieu of the surety bond, the governing authority of the 51429
school, the school's sponsor, or an operator that has a contract 51430
with the school may deposit with the auditor of state cash in the 51431
amount of fifty thousand dollars as guarantee of payment under the 51432
provisions of this section. In lieu of a surety bond or a cash 51433
deposit, the school's sponsor or an operator that has a contract 51434
with the school may provide a written guarantee of payment, which 51435
shall obligate the school's sponsor or the operator that provides 51436
the written guarantee to pay the cost of audits of the school 51437
under this section up to the amount of fifty thousand dollars. Any 51438
such written guarantee shall be binding upon any successor entity 51439
which enters into a contract to sponsor or to operate the school, 51440
and any such entity, as a condition of its undertaking shall 51441

acknowledge and accept such obligation. 51442

In the event that a sponsor or operator has provided a 51443
written guarantee under this section, and, subsequent to the 51444
provision of the guarantee, the governing authority of the school 51445
posts a surety bond under this section, or the governing authority 51446
of the school, a sponsor, or an operator provides a cash deposit 51447
of fifty thousand dollars as required, the written guarantee shall 51448
cease to be of further effect. 51449

As soon as it is practicable to do so after the filing of a 51450
surety bond or the deposit of cash, the auditor of state shall 51451
deliver the bond or cash to the treasurer of state, who shall hold 51452
it in trust for the purposes prescribed in this section. The 51453
treasurer of state shall be responsible for the safekeeping of all 51454
surety bonds filed or cash deposited under this section. The 51455
auditor of state shall notify the department of education when the 51456
school's governing authority has filed the bond or deposited the 51457
cash guarantee. 51458

When the auditor of state ~~finds that a community school has~~ 51459
~~closed and cannot pay for the costs of audits,~~ conducts an audit 51460
of a community school that has closed and is subject to the 51461
requirements of this section the auditor of state ~~shall declare~~ 51462
~~the surety bond or cash deposit forfeited.~~ The auditor of state 51463
shall certify the amount of forfeiture to the treasurer of state, 51464
who shall assess the surety bond for the costs of the audit or 51465
shall pay money from the named surety or from the school's cash 51466
deposit ~~as needed~~ for the costs of the audit to reimburse the 51467
auditor of state or public accountant for costs incurred in 51468
conducting audits of the school. 51469

To the extent that the amount of the surety bond or the cash 51470
deposit is not needed to cover audit costs, the surety bond shall 51471
be of no further effect, and any cash balance shall be refunded by 51472
the treasurer of state to the entity which provided the bond. When 51473

the auditor of state conducts an audit of a community school that 51474
has closed and is subject to the requirements of this section, 51475
and, as to which, a written guarantee has been given under this 51476
section, the entity that provided the guarantee shall be solely 51477
and fully liable for any such audit costs, and shall promptly pay 51478
the costs of the audit up to fifty thousand dollars. 51479

No community school that is subject to the provisions of this 51480
section shall maintain or continue its operations absent the 51481
ongoing provision of a surety bond, a cash deposit, or a written 51482
guarantee as required by this section. 51483

Sec. 3315.08. In any school district the salaries of all 51484
employees and officers of the board of education and all payrolls 51485
may be paid in such manner as the board may authorize. To provide 51486
money for such payment if made in cash, the president and the 51487
treasurer of the board shall, upon receipt of the proper payroll 51488
and warrant, issue checks upon the depositories payable to the 51489
treasurer of the board for the aggregate amounts stated in such 51490
payrolls. The treasurer may thereupon make payments to employees 51491
and officers in cash, or the board may provide that the sums 51492
called for by such checks, instead of being paid to the treasurer, 51493
shall be transferred to special payroll accounts established in 51494
depositories by the board upon such terms with the respective 51495
banks as to interest upon daily cash balances in said special 51496
payroll accounts, and under such other conditions as the board 51497
prescribes. In the event such special payroll accounts are 51498
established by a board, such accounts may be drawn against by 51499
check of the treasurer of the board according to such procedure as 51500
the board may prescribe. In the event a board creates a payroll 51501
account, any bond given by the depository, under section 135.18 51502
~~or~~, 135.181, or 135.182 of the Revised Code, shall also be for the 51503
protection of such special payroll account as may be deposited in 51504
said bank. The aggregate of all board deposits in a bank, 51505

including special payroll accounts as authorized in this section, 51506
must not exceed the aggregate of the bond given by the bank. The 51507
aggregate of all deposits in a bank, including special payroll 51508
accounts, shall be subject to sections 135.01 to 135.21 of the 51509
Revised Code. 51510

Sec. 3317.01. As used in this section, "school district," 51511
unless otherwise specified, means any city, local, exempted 51512
village, joint vocational, or cooperative education school 51513
district and any educational service center. 51514

This chapter shall be administered by the state board of 51515
education. The superintendent of public instruction shall 51516
calculate the amounts payable to each school district and shall 51517
certify the amounts payable to each eligible district to the 51518
treasurer of the district as provided by this chapter. As soon as 51519
possible after such amounts are calculated, the superintendent 51520
shall certify to the treasurer of each school district the 51521
district's adjusted charge-off increase, as defined in section 51522
5705.211 of the Revised Code. Certification of moneys pursuant to 51523
this section shall include the amounts payable to each school 51524
building, at a frequency determined by the superintendent, for 51525
each subgroup of students, as defined in section 3317.40 of the 51526
Revised Code, receiving services, provided for by state funding, 51527

board. 51530

The state board of education shall, in accordance with 51531
appropriations made by the general assembly, meet the financial 51532
obligations of this chapter. 51533

Moneys distributed to school districts pursuant to this 51534
chapter shall be calculated based on the annual enrollment 51535
calculated from the three reports required under sections 3317.03 51536

and 3317.036 of the Revised Code and paid on a fiscal year basis, 51537
beginning with the first day of July and extending through the 51538
thirtieth day of June. In any given fiscal year, prior to school 51539
districts submitting the first report required under section 51540
3317.03 of the Revised Code, enrollment for the districts shall be 51541
calculated based on the third report submitted by the districts 51542
for the previous fiscal year. The moneys appropriated for each 51543
fiscal year shall be distributed periodically to each school 51544
district unless otherwise provided for. The state board, in June 51545
of each year, shall submit to the controlling board the state 51546
board's year-end distributions pursuant to this chapter. 51547

Except as otherwise provided, payments under this chapter 51548
shall be made only to those school districts in which: 51549

(A) The school district, except for any educational service 51550
center and any joint vocational or cooperative education school 51551
district, levies for current operating expenses at least twenty 51552
mills. Levies for joint vocational or cooperative education school 51553
districts or county school financing districts, limited to or to 51554
the extent apportioned to current expenses, shall be included in 51555
this qualification requirement. School district income tax levies 51556
under Chapter 5748. of the Revised Code, limited to or to the 51557
extent apportioned to current operating expenses, shall be 51558

determined by the tax commissioner under division (D) of section 51560
3317.021 of the Revised Code. 51561

(B) The school year next preceding the fiscal year for which 51562
such payments are authorized meets the requirement of section 51563
3313.48 of the Revised Code, with regard to the minimum number of 51564
hours school must be open for instruction with pupils in 51565
attendance, for individualized parent-teacher conference and 51566
reporting periods, and for professional meetings of teachers. 51567

A school district shall not be considered to have failed to 51568

comply with this division because schools were open for 51569
instruction but either twelfth grade students were excused from 51570
attendance for up to the equivalent of three school days or only a 51571
portion of the kindergarten students were in attendance for up to 51572
the equivalent of three school days in order to allow for the 51573
gradual orientation to school of such students. 51574

A board of education or governing board of an educational 51575

board of education and the state controlling board. 51580

All funds allocated to school districts under this chapter, 51581

Sec. 3317.017. The department of education shall compute a 51676
school district's state share index as follows: 51677

(A) Calculate the district's valuation index, which equals 51678
the following quotient: 51679

(The district's three-year average valuation / the district's 51680
total ADM) / (the statewide three-year average valuation for 51681
school districts with a total ADM greater than zero / the 51682
statewide total ADM) 51683

(B)(1) Calculate the district's median income index, which 51684
equals the following quotient: 51685

(The district's median Ohio adjusted gross income / the 51686
median of the median Ohio adjusted gross income of all districts 51687
statewide with a total ADM greater than zero) 51688

(2) Calculate the district's income index, which equals the 51689

following sum: 51690
(The district's median income index X 0.5) + [(the three-year 51691
average federal adjusted gross income of the school district's 51692
residents / the district's formula ADM) / (the three-year average 51693
federal adjusted gross income of all districts statewide with a 51694
formula ADM greater than zero / the statewide formula ADM)] X 0.5} 51695

(C) Determine the district's wealth index as follows: 51696

(1) If the district's ~~median~~ income index is less than the 51697
district's valuation index and the district's median income index 51698
is less than or equal to 1.5, then the district's wealth index 51699
shall be equal to [~~(1/3 0.4~~ X the district's ~~median~~ income index) 51700
+ (~~2/3 0.6~~ X the district's valuation index)]. 51701

(2) If the district's ~~median~~ income index ~~is greater than or~~ 51702
~~equal to the district's valuation index~~ does not meet both of the 51703
conditions described in division (C)(1) of this section, then the 51704
district's wealth index shall be equal to the district's valuation 51705
index. 51706

(D) Determine the district's state share index as follows: 51707

(1) If the district's wealth index is less than or equal to 51708
0.35, then the district's state share index shall be equal to 51709
0.90. 51710

(2) If the district's wealth index is greater than 0.35 but 51711
less than or equal to 0.90, then the district's state share index 51712
shall be equal to {0.40 X [(0.90 - the district's wealth index) / 51713
0.55]} + 0.50. 51714

(3) If the district's wealth index is greater than 0.90 but 51715
less than 1.8, then the district's state share index shall be 51716
equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} + 51717
0.05. 51718

(4) If the district's wealth index is greater than or equal 51719

to 1.8, then the district's state share index shall be equal to 51720
0.05. 51721

(E)(1) For each school district for which the tax-exempt 51722
value of the district, as certified under division (A)(4) of 51723
section 3317.021 of the Revised Code, equals or exceeds thirty per 51724
cent of the potential value of the district, the department shall 51725
calculate the difference between the district's tax-exempt value 51726
and thirty per cent of the district's potential value. For this 51727
purpose, the "potential value" of a school district is the 51728
three-year average valuation of the district plus the tax-exempt 51729
value of the district. 51730

(2) For each school district to which division (E)(1) of this 51731
section applies, the department shall adjust the three-year 51732
average valuation used in the calculation under division (A) of 51733
this section by subtracting from it the amount calculated under 51734
division (E)(1) of this section. 51735

(F) When performing the calculations required under this 51736
section, the department shall not round to fewer than four decimal 51737
places. 51738

For purposes of these calculations for fiscal years ~~2014~~ 2016 51739
and ~~2015~~ 2017, ~~"three-year average valuation" means the average of~~ 51740
~~total taxable value for fiscal years 2012, 2013, and 2014;~~ "total 51741
ADM" means the total ADM for fiscal year ~~2014~~ 2015; "median Ohio 51742
adjusted gross income" means the median Ohio adjusted gross 51743
income, as that term is defined in section 5747.01 of the Revised 51744
Code, for tax year 2011 2013; "three-year average federal adjusted 51745
gross income" means the average of the federal adjusted gross 51746
income for tax years 2011, 2012, and 2013 as reported under 51747
section 3317.021 of the Revised Code; and "tax-exempt value" means 51748
the tax-exempt value for ~~fiscal~~ tax year 2014. 51749

Sec. 3317.018. The department of education shall compute a 51750

school district's capacity measure as follows: 51751

(A) Calculate the district's valuation index, which equals 51752
the following quotient: 51753

(The district's three-year average valuation / the district's 51754
total ADM) / (the statewide three-year average valuation for 51755
school districts with a total ADM greater than zero / the 51756
statewide total ADM) 51757

(B) Calculate the district's median income index, which 51758
equals the following quotient: 51759

(The district's median Ohio adjusted gross income / the 51760
median of the median Ohio adjusted gross income of all districts 51761
statewide with a total ADM greater than zero) 51762

(C) Determine the district's capacity measure as follows: 51763

division (G)(1) of section 3317.0212 of the Revised Code X the 52132
formula amount X 0.11 X the district's formula ADM 52133

(B) In any fiscal year, a school district shall spend for 52134
purposes that the department designates as approved for special 52135
education and related services expenses at least the amount 52136
calculated as follows: 52137

(The formula amount X the total special education ADM) + (the 52138
district's category one special education ADM X the amount 52139
specified in division (A) of section 3317.013 of the Revised Code) 52140

Career-technical ~~educational~~ education expenses approved by the department shall include only expenses connected to the delivery of career-technical programming to career-technical students. The department shall require the school district to report data annually so that the department may monitor the district's compliance with the requirements regarding

the manner in which funding received under division (A)(8) of this section may be spent.

(D) In any fiscal year, a school district receiving funds under division (A)(9) of this section, or through a transfer of funds pursuant to division (I) of section 3317.023 of the Revised Code, shall spend those funds only for the purposes that the department designates as approved for career-technical education associated services expenses, which may include such purposes as apprenticeship coordinators, coordinators for other career-technical education services, career-technical evaluation, and other purposes designated by the department. Sec. 3317.0212. (A) As used in this section: 52208

(1) "Qualifying riders" means resident students enrolled in 52209
regular education in grades kindergarten to twelve who are 52210
provided school bus service by a school district and who live more 52211
than one mile from the school they attend, including students with 52212
dual enrollment in a joint vocational school district or a 52213
cooperative education school district, and students enrolled in a 52214
community school, STEM school, or nonpublic school. 52215

(2) "Qualifying ridership" means the average number of 52216
qualifying riders who are provided school bus service by a school 52217
district during the first full week of October. 52218

(3) "Rider density" means the total ADM per square mile of a 52219
school district. 52220

(4) "School bus service" means a school district's 52221
transportation of qualifying riders in any of the following types 52222
of vehicles: 52223

(a) School buses owned or leased by the district; 52224

(b) School buses operated by a private contractor hired by 52225
the district; 52226

(c) School buses operated by another school district or 52227
entity with which the district has contracted, either as part of a 52228
consortium for the provision of transportation or otherwise. 52229

(B) Not later than the fifteenth day of October each year, 52230
each city, local, and exempted village school district shall 52231
report to the department of education its qualifying ridership and 52232
any other information requested by the department. Subsequent 52233
adjustments to the reported numbers shall be made only in 52234
accordance with rules adopted by the department. 52235

(C) The department shall calculate the statewide	52236
transportation cost per student as follows:	52237
(1) Determine each city, local, and exempted village school	52238
district's transportation cost per student by dividing the	52239
district's total costs for school bus service in the previous	52240
fiscal year by its qualifying ridership in the previous fiscal	52241
year.	52242
(2) After excluding districts that do not provide school bus	52243
service and the ten districts with the highest transportation	52244
costs per student and the ten districts with the lowest	52245
transportation costs per student, divide the aggregate cost for	52246
school bus service for the remaining districts in the previous	52247
fiscal year by the aggregate qualifying ridership of those	52248
districts in the previous fiscal year.	52249
(D) The department shall calculate the statewide	52250
transportation cost per mile as follows:	52251
(1) Determine each city, local, and exempted village school	52252
district's transportation cost per mile by dividing the district's	52253
total costs for school bus service in the previous fiscal year by	52254
its total number of miles driven for school bus service in the	52255
previous fiscal year.	52256
(2) After excluding districts that do not provide school bus	52257
service and the ten districts with the highest transportation	52258
costs per mile and the ten districts with the lowest	52259
transportation costs per mile, divide the aggregate cost for	52260
school bus service for the remaining districts in the previous	52261
fiscal year by the aggregate miles driven for school bus service	52262
in those districts in the previous fiscal year.	52263
(E) The department shall calculate each city, local, and	52264
exempted village school district's transportation payment as	52265
follows:	52266

(1) Multiply the statewide transportation cost per student by the district's qualifying ridership for the current fiscal year. 52267
52268

(2) Multiply the statewide transportation cost per mile by the district's total number of miles driven for school bus service in the current fiscal year. 52269
52270
52271

(3) Multiply the greater of the amounts calculated under divisions (E)(1) and (2) of this section by the greater of ~~sixty~~ fifty per cent or the district's state share index, as defined in section 3317.02 of the Revised Code. 52272
52273
52274
52275

(F) In addition to funds paid under division (E) of this section, each city, local, and exempted village district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than school bus service and whose transportation is not funded under division (C) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students. 52276
52277
52278
52279
52280
52281
52282
52283

~~(G)(1) In fiscal years 2014 and 2015, the department shall pay each district a pro rata portion of the amounts calculated under division (E) of this section and described in division (F) of this section, based on state appropriations.~~ 52284
52285
52286
52287

~~(2) In addition to the prorated payment under division (G)(1) of this section, in fiscal years 2014 and 2015, the department shall pay each school district that meets the conditions prescribed in division (G)(3) of this section an additional amount equal to the difference of (a) the amounts calculated under division (E) of this section and prescribed in division (F) of this section minus (b) that prorated payment.~~ 52288
52289
52290
52291
52292
52293
52294

~~(3) Division (G)(2) of this section applies to each school district that meets all of the following conditions:~~ 52295
52296

~~(a) The district qualifies for the calculation of a payment~~ 52297

on board owned or contractor owned school buses.~~

~~(b) The district's state share index is greater than or equal
to 0.50.~~

~~(c) The district's rider density is at or below the median
rider density of all districts that qualify for calculation of a
payment under division (E) of this section.~~

~~(H) Each city, local, and exempted village school district
shall report all data used to calculate funding for transportation
under this section through the education management information
system pursuant to section 3301.0714 of the Revised Code. For
purposes of division (G) of this section, a school district's
"transportation supplement percentage" means the following
quotient:~~

~~[(35, in fiscal year 2016, or 50, in fiscal year 2017) - the
district's rider density] / 100~~

~~If the result of the calculation for a district under
division (G)(1) of this section is less than zero, the district's
transportation supplement percentage shall be zero.~~

~~(2) The department shall pay each district a transportation
supplement calculated according to the following formula:~~

~~The district's transportation supplement percentage X the amount
calculated for the district under division (E)(2) of this section
X 0.25~~

Sec. 3317.0213. (A) The department of education shall compute
and pay in accordance with this section additional state aid for
preschool ~~special education~~ children with disabilities to each
city, local, and exempted village school district and to each
institution, as defined in section 3323.091 of the Revised Code.
Funding shall be provided for children who are not enrolled in

kindergarten and who are under age six on the thirtieth day of 52328
September of the academic year, or on the first day of August of 52329
the academic year if the school district in which the child is 52330
enrolled has adopted a resolution under division (A)(3) of section 52331
3321.01 of the Revised Code, but not less than age three on the 52332
first day of December of the academic year. 52333

The additional state aid shall be calculated under the 52334
following formula: 52335

(\$4,000 X the number of students who are preschool ~~special~~ 52336
education children with disabilities) + the sum of the following: 52337

(1) The district's or institution's category one special 52338
education ~~preschool~~ students who are preschool children with 52339
disabilities X the amount specified in division (A) of section 52340
3317.013 of the Revised Code X the district's state share index X 52341
0.50; 52342

(2) The district's or institution's category two special 52343
education ~~preschool~~ students who are preschool children with 52344
disabilities X the amount specified in division (B) of section 52345
3317.013 of the Revised Code X the district's state share index X 52346
0.50; 52347

(3) The district's or institution's category three special 52348
education ~~preschool~~ students who are preschool children with 52349
disabilities X the amount specified in division (C) of section 52350

0.50; 52352

(4) The district's or institution's category four special 52353
education ~~preschool~~ students who are preschool children with 52354
disabilities X the amount specified in division (D) of section 52355
3317.013 of the Revised Code X the district's state share index X 52356
0.50; 52357

(5) The district's or institution's category five special education ~~preschool~~ students who are preschool children with disabilities X the amount specified in division (E) of section 3317.013 of the Revised Code X the district's state share index X 0.50;

(6) The district's or institution's category six special education ~~preschool~~ students who are preschool children with disabilities X the amount specified in division (F) of section 3317.013 of the Revised Code X the district's state share index X 0.50.

The special education disability categories for preschool children used in this section are the same categories prescribed in section 3317.013 of the Revised Code.

As used in division (A) of this section, the state share index of a student enrolled in an institution is the state share index of the school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(B) If an educational service center is providing services to ~~preschool special education~~ students who are preschool children with disabilities under agreement with the city, local, or exempted village school district in which the students are entitled to attend school, that district may authorize the department to transfer funds computed under this section to the service center providing those services.

(C) If a county DD board is providing services to ~~preschool special education~~ students who are preschool children with disabilities under agreement with the city, local, or exempted village school district in which the students are entitled to attend school, the department shall deduct from the district's payment computed under division (A) of this section the total

amount of those funds that are attributable to the students served 52389
by the county DD board and pay that amount to that board. 52390

Sec. 3317.0215. (A) For purposes of this section, "four-year 52391
adjusted cohort graduation rate" has the same meaning as in 52392
section 3302.01 of the Revised Code. 52393

(B) The department of education shall annually calculate a 52394
graduation bonus for each city, local, and exempted village school 52395
district according to the following formula: 52396

The district's four-year adjusted cohort graduation rate on its 52397
most recent report card issued by the department under section 52398
3302.03 of the Revised Code X 0.05 X the formula amount X the 52399
number of the district's graduates reported to the department, in 52400
accordance with the guidelines adopted under section 3301.0714 of 52401
the Revised Code, for the same school year for which the most 52402
recent report card was issued 52403

Sec. 3317.0216. (A) For purposes of this section, a city, 52404
local, or exempted village school district's "third-grade reading 52405
proficiency percentage" means the following quotient: 52406

The number of the district's students scoring at a proficient 52407
level of skill or higher on the third-grade English language arts 52408
assessment prescribed under division (A)(1)(a) of section 52409
3301.0710 of the Revised Code for the immediately preceding school 52410
year / the total number of the district's students required to 52411
take that assessment for the immediately preceding school year 52412

(B) The department of education shall annually calculate a 52413
third-grade reading bonus for each city, local, and exempted 52414
village school district according to the following formula: 52415

The district's third-grade reading proficiency percentage X 0.15 X 52416
the formula amount X the number of the district's students scoring 52417
at a proficient level of skill or higher on the third-grade 52418

Sec. 3317.0217. Payment of the amount calculated for a school	52423
district under this section shall be made under division (A) of	52424
section 3317.022 of the Revised Code.	52425
(A) The department of education shall annually compute	52426
targeted assistance funds to school districts, as follows:	52427
(1) Calculate the local wealth per pupil of each school	52428
district, which equals the following sum:	52429

three-year average valuation divided by (ii) its formula ADM; plus	52431
(b) One-half times the quotient of (i) the average of the	52432
total federal adjusted gross income of the school district's	52433
residents for the three years most recently reported under section	52434
3317.021 of the Revised Code divided by (ii) its formula ADM.	52435
(2) Rank all school districts in order of local wealth per	52436
pupil, from the district with the lowest local wealth per pupil to	52437
the district with the highest local wealth per pupil.	52438
(3) Compute the statewide wealth per pupil, which equals the	52439
following sum:	52440
(a) One-half times the quotient of (i) the sum of the	52441
three-year average valuations for all school districts divided by	52442
(ii) the sum of formula ADM counts for all school districts; plus	52443
(b) One-half times the quotient of (i) the sum of the	52444
three-year average total federal adjusted gross incomes for all	52445
school districts divided by (ii) the sum of formula ADM counts for	52446
all school districts.	52447
(4) Compute each district's wealth index by dividing the	52448

statewide wealth per pupil by the district's local wealth per pupil. 52449
52450

(5) Compute the per pupil targeted assistance for each eligible school district in accordance with the following formula: 52451
52452
(Threshold local wealth per pupil - the district's local wealth per pupil) 52453
52454
X target millage X the district's wealth index 52455

Where: 52456

(a) An "eligible school district" means a school district with a local wealth per pupil less than that of the school district with the 490th lowest local wealth per pupil. 52457
52458
52459

(b) "Threshold local wealth per pupil" means the local wealth per pupil of the school district with the 490th lowest local wealth per pupil. 52460
52461
52462

(c) "Target millage" means 0.006. 52463

If the result of the calculation for a school district under division (A)(5) of this section is less than zero, the district's targeted assistance shall be zero. 52464
52465
52466

(6) Calculate the aggregate amount to be paid as targeted assistance funds to each school district under division (A) of section 3317.022 of the Revised Code by multiplying the per pupil targeted assistance computed under division (A)(5) of this section by the district's net formula ADM. 52467
52468
52469
52470
52471

As used in this division, a district's "net formula ADM" means its formula ADM minus the number of community school students certified under division (B)(3)(d) of section 3317.03 of the Revised Code X 0.75, the number of internet- and computer-based community school students certified under division (B)(3)(e) of that section, the number of science, technology, engineering, and mathematics school students certified under 52472
52473
52474
52475
52476
52477
52478

division (B)(3)(j) of that section X 0.75, and the number of 52479
scholarship students certified under divisions (B)(3)(f), (g), and 52480
(1) of that section. 52481

(B) The department shall annually compute supplemental 52482
targeted assistance funds to school districts, as follows: 52483

(1) Compute each district's agricultural percentage as the 52484
quotient of (a) the three-year average ~~tax~~ valuation of real 52485
property in the district that is classified as agricultural 52486
property divided by (b) the three-year average ~~tax~~ valuation of 52487
all of the real property in the district. ~~For purposes of this~~ 52488
~~computation, a district's "three year average tax valuation" means~~ 52489
~~the average of a district's tax valuation for fiscal years 2012,~~ 52490
~~2013, and 2014.~~ 52491

(2) ~~Determine each district's agricultural targeted~~ 52492
~~percentage as follows:~~ 52493

(a) ~~If a district's agricultural percentage is greater than~~ 52494
~~or equal to 0.10, then the district's agricultural targeted~~ 52495
~~percentage shall be equal to 0.40.~~ 52496

(b) ~~If a district's agricultural percentage is less than~~ 52497
~~0.10, then the district's agricultural targeted percentage shall~~ 52498
~~be equal to 4 X the district's agricultural percentage.~~ 52499

(3) Calculate the aggregate amount to be paid as supplemental 52500
targeted assistance funds to each school district under division 52501
(A) of section 3317.022 of the Revised Code ~~by multiplying the~~ 52502
~~district's agricultural targeted percentage by the amount~~ 52503
~~calculated for the district under division (A)(6) of this~~ 52504
~~section., as follows:~~ 52505

(The district's agricultural percentage - 0.1) X (0.4 X the 52506
formula amount) X the district's net formula ADM, as that term is 52507
defined in division (A) of this section 52508

If the result of the calculation for a school district under 52509

division (B)(2) of this section is less than zero, the district's 52510
supplemental targeted assistance shall be zero. 52511

Sec. 3317.0218. The department of education shall annually 52512
compute capacity aid funds to school districts, as follows: 52513

(A) For each school district, multiply the district's 52514
three-year average valuation by 0.001; 52515

(B) Determine the median amount of all of the amounts 52516
calculated under division (A) of this section; 52517

(C) Calculate each school district's capacity ratio, which 52518
equals the greater of zero or the amount calculated as follows: 52519

(The amount determined under division (B) of this section / the 52520
amount calculated for the district under division (A) of this 52521
section) - 1 52522

If the result of a calculation for a school district under 52523
division (C) of this section is greater than 2.5, the district's 52524
capacity ratio shall be 2.5. 52525

(D) Calculate the capacity aid per pupil amount, which equals 52526
the following quotient: 52527

(The amount determined under division (B) of this section) / (the 52528
average of the formula ADMs of all of the districts for which the 52529
amount calculated under division (A) of this section is less than 52530
the amount determined under division (B) of this section) 52531

(E) Calculate each school district's capacity aid, which 52532
equals the following product: 52533

The capacity aid per pupil amount calculated under division (D) of 52534
this section X the district's formula ADM X 2 X the district's 52535
capacity ratio calculated under division (C) of this section 52536

Sec. 3317.051. (A) As used in this section, "gifted unit ADM" 52537
means a school district's formula ADM minus the number of students 52538

section 3317.03 of the Revised Code. 52540

(B) The department of education shall compute and pay to a 52541
school district funds based on units for services to students 52542
identified as gifted under Chapter 3324. of the Revised Code as 52543
prescribed by this section. 52544

(C) The department shall allocate gifted units for a school 52545
district as follows: 52546

3,300 students in a district's gifted unit ADM, with a minimum of 52548
0.5 units and a maximum of 8 units allocated for the district. 52549

(2) One gifted intervention specialist unit shall be 52550
allocated for every 1,100 students in a district's gifted unit 52551
ADM, with a minimum of 0.3 units allocated for the district. 52552

(D) The department shall pay the following amount to a school 52553
district for gifted units: 52554

~~(1) In fiscal year 2014, \$37,000 multiplied by the number of 52555
units allocated to a school district under division (C) of this 52556
section; 52557~~

~~(2) In fiscal year 2015, \$37,370 multiplied by the number of units 52558
allocated to a school district under division (C) of this section- 52559~~

(E) A school district may assign gifted unit funding that it 52560
receives under division (D) of this section to another school 52561
district, an educational service center, a community school, or a 52562
STEM school as part of an arrangement to provide services to the 52563
district. 52564

Sec. 3317.06. Moneys paid to school districts under division 52565
(E) of section 3317.024 of the Revised Code shall be used for the 52566
following independent and fully severable purposes: 52567

(A) To purchase such secular textbooks or digital texts as 52568
have been approved by the superintendent of public instruction for 52569
use in public schools in the state and to loan such textbooks or 52570
digital texts to pupils attending nonpublic schools within the 52571
district or to their parents and to hire clerical personnel to 52572
administer such lending program. Such loans shall be based upon 52573
individual requests submitted by such nonpublic school pupils or 52574

(D) Notwithstanding divisions (B) and (C) of this section, in 53301
any fiscal year, the commission may limit the number of districts 53302

current assessed tax valuation and the district's percentile for 53339

the prior fiscal year. For a district that has entered into an agreement under section 3318.36 of the Revised Code and desires to proceed with a project under sections 3318.01 to 3318.20 of the Revised Code, the district's portion of the basic project cost shall be the percentage specified in that agreement. For purposes of the program, beginning July 1, 2003, the 53467
commission annually may set aside up to two per cent of the 53468

assistance projects in ~~the education facilities trust fund,~~ 53470
~~established under section 183.26 of the Revised Code;~~ the public 53471

an adult education program or exclusively for operation of a 53478
driver training school for instruction leading to the issuance of 53479
a commercial driver's license under Chapter 4506. of the Revised 53480
Code, except for life safety items and basic building components 53481
necessary for complete and continuous construction or renovation 53482
of a classroom facility as determined by the commission. 53483

(D) The commission shall not provide assistance under 53484

(E) By September 1, 2003, the commission shall assess the 53494
classroom facilities needs of at least five joint vocational 53495

the results of those assessments shall determine the extent to 53498
which amendments to the specifications adopted under section 53499
3318.311 of the Revised Code are warranted. The commission, 53500
thereafter, may amend the specifications as provided in that 53501
section. 53502

(F) After the commission has conducted the assessments 53503
prescribed in division (E) of this section, the commission shall 53504
establish, by rule adopted in accordance with section 111.15 of 53505
the Revised Code, guidelines for the commission to use in deciding 53506
whether to waive compliance with the design specifications adopted 53507
under section 3318.311 of the Revised Code when determining the 53508
number of facilities and the basic project cost of projects as 53509
prescribed in division (A)(1)(a) of section 3318.41 of the Revised 53510
Code. The guidelines shall address the following situations: 53511

a science, technology, engineering, and mathematics education 53528
program under section 3313.842 of the Revised Code. The aggregate 53529

amount of other funding pledged for the acquisition of the 53547
classroom facilities, the latter of which shall not be less than 53548
the total amount of funding requested from the commission. Once 53549

(D) A qualifying partnership may levy taxes under section 5705.2112 of the Revised Code to use for all or part of the funding pledged for the acquisition of classroom facilities under division (C) of this section. If a qualifying partnership chooses to levy taxes for this purpose, it shall select one of the districts that is a member of the qualifying partnership to be the fiscal agent of the qualifying partnership for purposes of section 5705.2112 of the Revised Code. 53560

considers transportation by school conveyance practicable, it 54607
shall so inform the local board and transportation shall be 54608
provided by such local board. If the educational service center 54609
board agrees with the view of the local board, the local board may 54610
offer payment in lieu of transportation as provided in this 54611
section. 54612~~

(C) After passing the resolution declaring the impracticality 54613
of transportation, the district board or governing authority shall 54614
offer to provide payment in lieu of transportation by doing the 54615

guardian, or other person in charge of the pupil is given the 54627

option to accept or reject the board's offer of payment in lieu of transportation. 54628
54629

(D) If the parent, guardian, or other person in charge of the pupil accepts the offer of payment in lieu of providing transportation, the board or governing authority shall pay the parent, guardian, or other person in charge of the pupil an amount that shall be not less than the amount determined by the general assembly as the minimum for payment in lieu of transportation, and not more than the amount determined by the department of education as the average cost of pupil transportation for the previous school year. institution. 55488

The chancellor shall receive federal grants for the proper 55489

and efficient administration of the state plan, and shall provide 55490

(D) Any state college, university, or other state assisted 55516
institution of higher education not complying with a 55517
recommendation of the chancellor pursuant to division (F) or (G) 55518
of section 3333.04 of the Revised Code shall so notify the 55519

chancellor in writing within one hundred twenty days after receipt 55520

(E) The officers, trustees, and employees of all institutions 55523
of higher education which are state supported or state assisted 55524
shall cooperate with the chancellor in supplying information 55525
regarding their institutions, and advising and assisting the 55526

such releases may be made if the land is to be used for a 55543
currently state-financed improvement. 55544

Sec. 3333.08. It is the declared policy of this state that 55545
the availability of eminent domain on behalf of educational 55546
institutions of higher education is in the public welfare. A 55547
private college, university, or other institution of higher 55548
education may therefore apply to the chancellor of ~~the Ohio board~~ 55549

~~of regents~~ higher education for the right to appropriate property 55550
when such institution is unable to agree with the owner or owners 55551
of the subject property upon the price to be paid for the 55552
property. The institution shall be one that any educationally 55553

discrimination. The institution shall certify to the chancellor, 55556
in its application, that the use of the property to be 55557
appropriated is to be for educational purposes, including student 55558
housing and dining facilities, that reasonable efforts have been 55559

available to all qualified persons. The institution also shall 55562
submit to the chancellor its plans for the use of the property and 55563

chancellor may, thereafter, and upon a determination that the 55565
intended use is in the public interest, approve the application by 55566
resolution. Upon such approval, the institution may appropriate 55567
the property in the same manner as is provided for the 55568

terms and which is not affiliated with or controlled by an 55573
organization which is not primarily educational in nature. Any 55574
such university or college shall be considered to be serving a 55575
public purpose. 55576

The chancellor of ~~the Ohio board of regents~~ higher education 55577
may, upon the chancellor's determination that such action would 55578
serve the interests of higher education in this state, in terms of 55579
expansion of educational opportunity in a major urban area and in 55580
terms of expansion of educational service to a major urban 55581

community, accept conveyances of land, situated within this state, 55582
from any public university or college and enter into an agreement 55583
before or after such conveyance to lease to such public university 55584
or college, upon terms as may be prescribed by the chancellor, 55585
such land together with buildings constructed thereon and 55586
furniture, fixtures, and equipment therein for use as an 55587
educational facility. The lease shall be for a period not to 55588
exceed fifty years, renewable for a like term, and shall provide 55589
that such buildings be used solely for educational purposes and 55590
that the chancellor may cancel such lease if such buildings are 55591
used for other purposes. Such lease may contain provisions for the 55592
sale of such property to the lessee, upon the consent of the 55593
chancellor, for a purchase price not less than the actual cost to 55594
the chancellor, less depreciation, computed at the rate 55595
customarily applied to similar structures. The chancellor, through 55596
the department of administrative services, may construct, equip, 55597
or remodel buildings on lands accepted by the chancellor in the 55598
name of the state pursuant to this section. Title to lands 55599
acquired under this section shall be taken in the name of the 55600
state. 55601

Responsibility for the proper use, maintenance, and repair of 55602
leased buildings shall rest upon the lessee. 55603

~~the Ohio board of regents~~ higher education may enter into 55621

for in divisions (F) and (G) of section 3333.04 of the Revised 55647
Code. 55648

(3) The agreement shall terminate if the institution ceases 55649
to be a qualified institution of higher education as determined by 55650
the chancellor in accordance with Chapter 119. of the Revised 55651
Code. 55652

(D) Agreements under this section may make further provision 55653

(1) The duration of any such agreement, or additional 55655
provision for terminating the agreement; 55656

provision, agreement, covenant, stipulation, obligation, act or 55665
action, or part thereof, made, assumed, or taken under or pursuant 55666
to this section, or any application thereof, is for any reason 55667
held to be illegal or invalid, such illegality or invalidity shall 55668
not affect the remainder thereof or any other provision of this 55669
section or any other provision, agreement, covenant, stipulation, 55670
obligation, action, or part thereof, made, assumed, or taken under 55671
or pursuant to this section, which shall be construed and enforced 55672
as if such illegal or invalid portion were not contained therein, 55673
nor shall such illegality or invalidity of any application thereof 55674
affect any legal and valid application thereof, and each such 55675

provision, agreement, covenant, stipulation, obligation, act, or 55676
action, or part thereof, shall be deemed to be effective, 55677
operative, made, done, or entered into in the manner and to the 55678
full extent permitted by law to accomplish most nearly the 55679
intention thereof. 55680

(F) No agreement shall be entered into under this section 55681

(2) The resident enrolls in one of the following: 56051

(b) An undergraduate program, or a nursing diploma program 56058
approved by the board of nursing under division (A)(5) of section 56059
4723.06 of the Revised Code, at a private, nonprofit institution 56060
in this state holding a certificate of authorization pursuant to 56061

authorization pursuant to Chapter 1713. of the Revised Code. 56071

(C)(1) The chancellor shall establish and administer a 56072
needs-based financial aid grants program based on the United 56073
States department of education's method of determining financial 56074
need. The program shall be known as the Ohio college opportunity 56075
grant program. The general assembly shall support the needs-based 56076
financial aid program by such sums and in such manner as it may 56077
provide, but the chancellor also may receive funds from other 56078
sources to support the program. If, for any academic year, the 56079
amounts available for support of the program are inadequate to 56080

provide grants to all eligible students, the chancellor shall do 56081
one of the following: 56082

(a) Give preference in the payment of grants based upon 56083
expected family contribution, beginning with the lowest expected 56084
family contribution category and proceeding upward by category to 56085
the highest expected family contribution category; 56086

(b) Proportionately reduce the amount of each grant to be 56087
awarded for the academic year under this section; 56088

the shortage of available funds and has been submitted to and 56090
approved by the controlling board. 56091

(2) The needs-based financial aid grant shall be paid to the 56092
eligible student through the institution in which the student is 56093
enrolled, except that no needs-based financial aid grant shall be 56094
paid to any person serving a term of imprisonment. Applications 56095
for the grants shall be made as prescribed by the chancellor, and 56096
such applications may be made in conjunction with and upon the 56097
basis of information provided in conjunction with student 56098
assistance programs funded by agencies of the United States 56099
government or from financial resources of the institution of 56100
higher education. The institution shall certify that the student 56101
applicant meets the requirements set forth in division (B) of this 56102
section. Needs-based financial aid grants shall be provided to an 56103
eligible student only as long as the student is making appropriate 56104
progress toward a nursing diploma or an associate or bachelor's 56105
degree. No student shall be eligible to receive a grant for more 56106
than ten semesters, fifteen quarters, or the equivalent of five 56107
academic years. A grant made to an eligible student on the basis 56108
of less than full-time enrollment shall be based on the number of 56109
credit hours for which the student is enrolled and shall be 56110
computed in accordance with a formula adopted by rule issued by 56111
the chancellor. No student shall receive more than one grant on 56112

the basis of less than full-time enrollment. 56113

(D)(1) Except as provided in division (D)(4) of this section, 56114
no grant awarded under this section shall exceed the total state 56115
cost of attendance. 56116

(2) Subject to divisions (D)(1), (3), and (4) of this 56117
section, the amount of a grant awarded to a student under this 56118
section shall equal the student's remaining state cost of 56119
attendance after the student's Pell grant and expected family 56120
contribution are applied to the instructional and general charges 56121
for the undergraduate program. However, for students enrolled in a 56122
state university or college as defined in section 3345.12 of the 56123
Revised Code or a university branch, the chancellor may provide 56124
that the grant amount shall equal the student's remaining 56125
instructional and general charges for the undergraduate program 56126
after the student's Pell grant and expected family contribution 56127
have been applied to those charges, but, in no case, shall the 56128
grant amount for such a student exceed any maximum that the 56129
chancellor may set by rule. 56130

(3) For a student enrolled for a semester or quarter in 56131
addition to the portion of the academic year covered by a grant 56132
under this section, the maximum grant amount shall be a percentage 56133
of the maximum specified in any table established in rules adopted 56134
by the chancellor as provided in division (A) of this section. The 56135
maximum grant for a fourth quarter shall be one-third of the 56136
maximum amount so prescribed. The maximum grant for a third 56137
semester shall be one-half of the maximum amount so prescribed. 56138

(4) If a student is enrolled in a two-year institution of 56139
higher education and is eligible for an education and training 56140
voucher through the Ohio education and training voucher program 56141
that receives federal funding under the John H. Chafee foster care 56142
independence program, 42 U.S.C. 677, the amount of a grant awarded 56143
under this section may exceed the total state cost of attendance 56144

to additionally cover housing costs. 56145

(E) No grant shall be made to any student in a course of 56146
study in theology, religion, or other field of preparation for a 56147
religious profession unless such course of study leads to an 56148
accredited bachelor of arts, bachelor of science, associate of 56149
arts, or associate of science degree. 56150

(F)(1) Except as provided in division (F)(2) of this section, 56151
no grant shall be made to any student for enrollment during a 56152
fiscal year in an institution with a cohort default rate 56153
determined by the United States secretary of education pursuant to 56154
the "Higher Education Amendments of 1986," 100 Stat. 1278, 1408, 56155
20 U.S.C.A. 1085, as amended, as of the fifteenth day of June 56156
preceding the fiscal year, equal to or greater than thirty per 56157
cent for each of the preceding two fiscal years. 56158

(2) Division (F)(1) of this section does not apply in the 56159
case of either of the following: 56160

(a) The institution pursuant to federal law appeals its loss 56161
of eligibility for federal financial aid and the United States 56162
secretary of education determines its cohort default rate after 56163
recalculation is lower than the rate specified in division (F)(1) 56164
of this section or the secretary determines due to mitigating 56165
circumstances that the institution may continue to participate in 56166
federal financial aid programs. The chancellor shall adopt rules 56167
requiring any such appellant to provide information to the 56168
chancellor regarding an appeal. 56169

(b) Any student who has previously received a grant pursuant 56170
to any provision of this section, including prior to the section's 56171
amendment by H.B. 1 of the 128th general assembly, effective July 56172
17, 2009, and who meets all other eligibility requirements of this 56173
section. 56174

(3) The chancellor shall adopt rules for the notification of 56175

all institutions whose students will be ineligible to participate 56176
in the grant program pursuant to division (F)(1) of this section. 56177

(4) A student's attendance at any institution whose students 56178
are ineligible for grants due to division (F)(1) of this section 56179
shall not affect that student's eligibility to receive a grant 56180
when enrolled in another institution. 56181

(G) Institutions of higher education that enroll students 56182
receiving needs-based financial aid grants under this section 56183
shall report to the chancellor all students who have received such 56184
needs-based financial aid grants but are no longer eligible for 56185
all or part of those grants and shall refund any moneys due the 56186
state within thirty days after the beginning of the quarter or 56187
term immediately following the quarter or term in which the 56188
student was no longer eligible to receive all or part of the 56189
student's grant. There shall be an interest charge of one per cent 56190
per month on all moneys due and payable after such thirty-day 56191
period. The chancellor shall immediately notify the office of 56192
budget and management and the legislative service commission of 56193
all refunds so received. 56194

Sec. 3333.123. (A) As used in this section: 56195

program established under section 3333.122 of the Revised Code. 56197

(2) "Rules for the Ohio college opportunity grant program" 56198
means the rules authorized in division (R) of section 3333.04 of 56199
the Revised Code for the implementation of the program. 56200

(B) In adopting rules for the Ohio college opportunity grant 56201
program, the chancellor of ~~the Ohio board of regents~~ higher 56202
education may include provisions that give preferential or 56203
priority funding to low-income students who in their primary and 56204

section 3301.0710 or 3301.0712 of the Revised Code, or meet other 56207
high academic performance standards determined by the chancellor 56208
to reduce the need for remediation and ensure academic success at 56209
the postsecondary education level. Any such rules shall include a 56210
specification of procedures needed to certify student achievement 56211
of primary and secondary standards as well as the timeline for 56212
implementation of the provisions authorized by this section. 56213

Sec. 3333.124. There is hereby created in the state treasury 56214
the Ohio college opportunity grant program reserve fund. ~~Not later~~ 56215

general revenue fund appropriations made for that purpose. 56228

The director of budget and management may transfer any 56229
unencumbered balance from the Ohio college opportunity grant 56230
program reserve fund to the general revenue fund. 56231

institution as defined by the chancellor. The plan of transition 56293
shall provide for the dissolution of such technical education 56294
programs either by transfer of a program's lands, buildings, and 56295
equipment to one of the above such institutions or by complete 56296
termination of the technical education program. 56297

Sec. 3333.15. If the board of trustees of a state university 56298

fails to undertake appropriate action to establish a university 56299
branch campus within one year from the enactment of a capital 56300
improvement appropriation for the development of such university 56301
branch facility, the chancellor of ~~the Ohio board of regents~~ 56302
higher education may act as the chancellor deems necessary in 56303

begin higher education at any state institution of higher 56318
education and transfer coursework and degrees to any other state 56319
institution of higher education without unnecessary duplication or 56320
institutional barriers. The purpose of this requirement is to 56321
allow students to attain their highest educational aspirations in 56322
the most efficient and effective manner for the students and the 56323
state. These policies and procedures shall require state 56324
institutions of higher education to make changes or modifications, 56325
as needed, to strengthen course content so as to ensure 56326
equivalency for that course at any state institution of higher 56327
education. 56328

(2) Develop and implement a universal course equivalency 56329

classification system for state institutions of higher education 56330
so that the transfer of students and the transfer and articulation 56331
of equivalent courses or specified learning modules or units 56332
completed by students are not inhibited by inconsistent judgment 56333
about the application of transfer credits. Coursework completed 56334
within such a system at one state institution of higher education 56335
and transferred to another institution shall be applied to the 56336
student's degree objective in the same manner as equivalent 56337
coursework completed at the receiving institution. 56338

(3) Develop a system of transfer policies that ensure that 56339
graduates with associate degrees which include completion of 56340
approved transfer modules shall be admitted to a state institution 56341
of higher education, shall be able to compete for admission to 56342
specific programs on the same basis as students native to the 56343
institution, and shall have priority over out-of-state associate 56344
degree graduates and transfer students. To assist a student in 56345
advising and transferring, all state institutions of higher 56346
education shall fully implement the information system for 56347
advising and transferring selected by, contracted for, or 56348
developed by the chancellor. 56349

(4) Examine the feasibility of developing a transfer 56350
marketing agenda that includes materials and interactive 56351
technology to inform the citizens of Ohio about the availability 56352
of transfer options at state institutions of higher education and 56353
to encourage adults to return to colleges and universities for 56354
additional education; 56355

(5) Study, in consultation with the state board of career 56356
colleges and schools, and in light of existing criteria and any 56357
other criteria developed by the articulation and transfer advisory 56358
council, the feasibility of credit recognition and transferability 56359
to state institutions of higher education for graduates who have 56360
received associate degrees from a career college or school with a 56361

certificate of registration from the state board of career 56362
colleges and schools under Chapter 3332. of the Revised Code. 56363

(B) All provisions of the existing articulation and transfer 56364
policy developed by the ~~Ohio board of regents~~ chancellor shall 56365
remain in effect except where amended by this section. 56366

(C) Not later than December 1, 2018, the chancellor shall 56367

pursuant to this section to ensure that any associate degree 56369
offered at a state institution of higher education may be 56370
transferred and applied to a bachelor degree program in an 56371
equivalent field at any other state institution of higher 56372
education without unnecessary duplication or institutional 56373
barriers. The policies and procedures shall ensure that each 56374
transferred associate degree applies to the student's degree 56375
objective in the same manner as equivalent coursework completed by 56376
the student at the receiving institution. 56377

When updating and implementing the policies and procedures 56378
pursuant to this division, the chancellor shall seek input from 56379
faculty and academic leaders in each academic field or discipline. 56380

unnecessary duplication or institutional barriers. The courses to 56422
which the criteria, policies, and procedures apply shall be those 56423
that adhere to recognized industry standards and equivalent 56424
coursework common to the secondary career pathway and adult 56425
career-technical education system and regionally accredited state 56426

(C) In considering institutions that are co-located, the chancellor shall apply the standards to them in two manners:	56696 56697

(1) As a whole entity; 56698

(2) As separate entities, applying the standards separately 56699
to each. 56700

When distributing any state funds among institutions based on 56701
the degree to which they meet the standards, the chancellor shall 56702
provide to institutions that are co-located the higher amount 56703
produced by the two judgments under divisions (C)(1) and (2) of 56704
this section. 56705

Sec. 3333.21. As used in sections 3333.21 to 3333.23 of the 56706
Revised Code, "term" and "academic year" mean "term" and "academic 56707
year" as defined by the chancellor of ~~the Ohio board of regents~~ 56708
higher education. 56709

The chancellor shall establish and administer an academic 56710
scholarship program. Under the program, a total of one thousand 56711
new scholarships shall be awarded annually in the amount of not 56712
less than two thousand dollars per award. At least one such new 56713

"Resident" and "full-time student" shall be defined in rules 56734
adopted by the chancellor. 56735

The chancellor shall award the scholarships on the basis of a 56736
formula designed by the chancellor to identify students with the 56737
highest capability for successful college study. The formula shall 56738
weigh the factor of achievement, as measured by grade point 56739
average, and the factor of ability, as measured by performance on 56740
a competitive examination specified by the chancellor. Students 56741
receiving scholarships shall be known as "Ohio academic scholars." 56742

Sec. 3333.22. Each Ohio academic scholarship shall be awarded 56743
for an academic year and may be renewed for each of three 56744
additional academic years. The scholarship amount awarded to a 56745
scholar for an academic year shall be not less than two thousand 56746
dollars. A scholarship shall be renewed if the scholar maintains 56747
an academic record satisfactory to the chancellor of ~~the Ohio~~ 56748
~~board of regents~~ higher education and meets any of the following 56749
conditions: 56750

(A) The scholar is enrolled as a full-time undergraduate; 56751

(B) The scholar was awarded an undergraduate degree in less 56752
than four academic years and is enrolled as a full-time graduate 56753
or professional student in an Ohio institution of higher education 56754
that meets the requirements of Title VI of the "Civil Rights Act 56755
of 1964" and is state-assisted or is nonprofit and holds a 56756

as an undergraduate student and as a graduate or professional 56760

requirements of division (B) of this section. 56762

Each amount awarded shall be paid in equal installments to 56763
the scholar at the time of enrollment for each term of the 56764
academic year for which the scholarship is awarded or renewed. No 56765
scholar is eligible to receive an Ohio academic scholarship for 56766
more than the equivalent of four academic years. 56767

If an Ohio academic scholar is temporarily unable to attend 56768
school because of illness or other cause satisfactory to the 56769
chancellor, the chancellor may grant a leave of absence for a 56770
designated period of time. If a scholar discontinues full-time 56771
attendance at the scholar's school during a term because of 56772
illness or other cause satisfactory to the chancellor, the scholar 56773
may either claim a prorated payment for the period of actual 56774
attendance or waive payment for that term. A term for which 56775
prorated payment is made shall be considered a full term for which 56776
a scholarship was received. A term for which payment is waived 56777
shall not be considered a term for which a scholarship was 56778
received. 56779

Receipt of an Ohio academic scholarship shall not affect a 56780
scholar's eligibility for the Ohio instructional grant program. 56781

Sec. 3333.23. At the end of each term, each Ohio academic 56782
scholar shall request the registrar of the school to send a copy 56783
of the scholar's scholastic record to the chancellor of ~~the Ohio~~ 56784
~~board of regents~~ higher education. If the scholar's record fails 56785
to meet the standards established by the chancellor, further 56786
payments shall be suspended until the scholar demonstrates promise 56787
of successful progress in the academic program for which the award 56788
was made. The chancellor may revoke the scholarship if the scholar 56789

does not resume successful academic progress within a reasonable 56790
time. 56791

scholarship payment fund, which shall be in the custody of the 56793
treasurer of state but shall not be a part of the state treasury. 56794

the general assembly and other moneys otherwise made available to 56796
the fund. The payment fund shall be used for the payment of Ohio 56797
academic scholarships or for additional scholarships to recognize 56798
outstanding academic achievement and ability. The chancellor of 56799
~~the Ohio board of regents~~ higher education shall administer this 56800
section and establish rules for the distribution and awarding of 56801
any additional scholarships. 56802

The chancellor may direct the treasurer of state to invest 56803
any moneys in the payment fund not currently needed for 56804
scholarship payments, in any kinds of investments in which moneys 56805
of the public employees retirement system may be invested. 56806

The instruments of title of all investments shall be 56807
delivered to the treasurer of state or to a qualified trustee 56808
designated by the treasurer of state as provided in section 135.18 56809
of the Revised Code. The treasurer of state shall collect both 56810
principal and investment earnings on all investments as they 56811
become due and pay them into the fund. 56812

All deposits to the fund shall be made in financial 56813
institutions of this state secured as provided in section 135.18 56814
of the Revised Code. 56815

discharged from that service, shall be admitted to any school, 56820
college, or university that receives state funds in support 56821
thereof, without being required to pay any tuition or 56822

(F) The obligation to repay all or a portion of the principal 57014

deferment or forgiveness established by the chancellor under the 57017
rule adopted under division (D)(8) of this section. 57018

(G) The receipt of a loan under this section shall not affect 57019
a student's eligibility for assistance, or the amount of that 57020

primarily for the purpose of attending a state-supported or 57065

the veteran and the spouse or dependent seeking residency status 57087

(D) Whenever a district or the community or technical college 57803
it operates notifies the chancellor that it will not be able to 57804

(F) The chancellor may make payments under this section to 57839
paying agents or fiscal agents during any fiscal biennium of the 57840
state only from and to the extent that money is appropriated to 57841

technical college district or community or technical college. 57846
Obligations of the issuing authority or of a community or 57847

of the faith, credit, or taxing power of the state, and the 57850
holders or owners of those obligations have no right to have 57851
excises or taxes levied or appropriations made by the general 57852

assembly for the payment of bond service charges on the 57853
obligations, and the obligations shall contain a statement to that 57854
effect. The agreement for or the actual withholding and payment of 57855
money under this section does not constitute the assumption by the 57856
state of any debt of a community or technical college district or 57857
a community or technical college, and bond service charges on the 57858
related obligations are not anticipated to be paid from the state 57859
general revenue fund for purposes of Section 17 of Article VIII, 57860
Ohio Constitution. 57861

obligations issued by the issuing authority, shall appoint a 57865
paying agent or fiscal agent who is not an officer or employee of 57866
the district or college. 57867

(H) The chancellor, with the advice and consent of the office 57868
of budget and management, may adopt reasonable rules not 57869
inconsistent with this section for the implementation of this 57870
section to secure payment of bond service charges on obligations 57871

(I) The authority granted by this section is in addition to 57878
and not a limitation on any other authorizations granted by or 57879
pursuant to law for the same or similar purposes. 57880

may increase the guaranteed amount by up to six per cent above 59589

what has been charged in the previous academic year one time for 59590
the first cohort enrolled under the tuition guarantee program. If 59591
the board of trustees determines that economic conditions or other 59592
circumstances require an increase for the first cohort of above 59593
six per cent, the board shall submit a request to increase the 59594
amount by a specified percentage to the chancellor. The 59595
chancellor, based on information the chancellor requires from the 59596

instructional and general fees, then no limit shall apply under 59610
this division for the cohort that first enrolls in any academic 59611
year for which the general assembly does not prescribe a limit. 59612

If, beginning with the academic year that starts four years 59613
after ~~the effective date of this section~~ September 29, 2013, the 59614
board of trustees determines that the general and instructional 59615
fees charged under the tuition guarantee have fallen significantly 59616
lower than those of other state universities, the board of 59617
trustees may submit a request to increase the amount charged to a 59618
cohort by a specified percentage to the chancellor, who shall 59619
approve or disapprove such a request. 59620

(3) A benchmark by which the board sets annual increases in 59621

general and instructional fees. This benchmark and any subsequent
change to the benchmark shall be subject to approval of the
chancellor.

(4) Eligibility requirements for students to participate in
the program;

(5) Student rights and privileges under the program;

courses for completion to the student at a rate determined through
a method established by the board under division (B)(7) of this
section.

(7) Guidelines for adjusting a student's annual charges if
the student, due to circumstances under the student's control, is
unable to complete a degree program within four years;

(8) A requirement that the rules adopted under division (B)
of this section be published or posted in the university handbook,
course catalog, and web site.

(C) If a board of trustees implements a program under this section, the board shall submit the rules adopted under division (B) of this section to the chancellor for approval before beginning implementation of the program.

The chancellor shall not unreasonably withhold approval of a program if the program conforms in principle with the parameters and guidelines of this section.

(D) A board of trustees of a state university may establish an undergraduate tuition guarantee program for nonresident students.

(C) The compensation of precinct election officials and 61079
intermittent employees in the board's offices; the cost of 61080
renting, moving, heating, and lighting polling places and of 61081
placing and removing ballot boxes and other fixtures and equipment 61082
thereof, including voting machines, marking devices, and automatic 61083
tabulating equipment; the cost of printing and delivering ballots, 61084
cards of instructions, registration lists required under section 61085
3503.23 of the Revised Code, and other election supplies, 61086
including the supplies required to comply with division (H) of 61087
section 3506.01 of the Revised Code; the cost of contractors 61088
engaged by the board to prepare, program, test, and operate voting 61089
machines, marking devices, and automatic tabulating equipment; and 61090
all other expenses of conducting primaries and elections in the 61091
odd-numbered years shall be charged to the subdivisions in and for 61092
which such primaries or elections are held. The charge for each 61093
primary or general election in odd-numbered years for each 61094
subdivision shall be determined in the following manner: first, 61095
the total cost of all chargeable items used in conducting such 61096
elections shall be ascertained; second, the total charge shall be 61097
divided by the number of precincts participating in such election, 61098

in order to fix the cost per precinct; third, the cost per
precinct shall be prorated by the board of elections to the
subdivisions conducting elections for the nomination or election
of offices in such precinct; fourth, the total cost for each
subdivision shall be determined by adding the charges prorated to
it in each precinct within the subdivision.

(D) The entire cost of special elections held on a day other
than the day of a primary or general election, both in
odd-numbered or in even-numbered years, shall be charged to the
subdivision. Where a special election is held on the same day as a
primary or general election in an even-numbered year, the
subdivision submitting the special election shall be charged only
for the cost of ballots and advertising. Where a special election
is held on the same day as a primary or general election in an
odd-numbered year, the subdivision submitting the special election
shall be charged for the cost of ballots and advertising for such
special election, in addition to the charges prorated to such
subdivision for the election or nomination of candidates in each
precinct within the subdivision, as set forth in the preceding
paragraph.

(E) Where a special election is held on the day specified by
division (E) of section 3501.01 of the Revised Code for the
holding of a primary election, for the purpose of submitting to
the voters of the state constitutional amendments proposed by the
general assembly, and a subdivision conducts a special election on
the same day, the entire cost of the special election shall be
divided proportionally between the state and the subdivision based
upon a ratio determined by the number of issues placed on the
ballot by each, except as otherwise provided in division (G) of
this section. Such proportional division of cost shall be made
only to the extent funds are available for such purpose from
amounts appropriated by the general assembly to the secretary of

state. If a primary election is also being conducted in the 61131
subdivision, the costs shall be apportioned as otherwise provided 61132
in this section. 61133

(F) When a precinct is open during a general, primary, or 61134
special election solely for the purpose of submitting to the 61135
voters a statewide ballot issue, the state shall bear the entire 61136
cost of the election in that precinct and shall reimburse the 61137
county for all expenses incurred in opening the precinct. 61138

(G)(1) The state shall bear the entire cost of advertising in 61139
newspapers statewide ballot issues, explanations of those issues, 61140
and arguments for or against those issues, as required by Section 61141
1g of Article II and Section 1 of Article XVI, Ohio Constitution, 61142
and any other section of law. Appropriations made to the 61143
controlling board shall be used to reimburse the secretary of 61144
state for all expenses the secretary of state incurs for such 61145
advertising under division (G) of section 3505.062 of the Revised 61146
Code. 61147

(2) There is hereby created in the state treasury the 61148
statewide ballot advertising fund. The fund shall receive 61149
transfers approved by the controlling board, and shall be used by 61150
the secretary of state to pay the costs of advertising state 61151
ballot issues as required under division (G)(1) of this section. 61152
Any such transfers may be requested from and approved by the 61153
controlling board prior to placing the advertising, in order to 61154
facilitate timely provision of the required advertising. 61155

(H) The cost of renting, heating, and lighting registration 61156
places; the cost of the necessary books, forms, and supplies for 61157
the conduct of registration; and the cost of printing and posting 61158
precinct registration lists shall be charged to the subdivision in 61159
which such registration is held. 61160

(I) At the request of a majority of the members of the board 61161

of elections, the board of county commissioners may, by 61162
resolution, establish an elections revenue fund. Except as 61163
otherwise provided in this division, the purpose of the fund shall 61164
be to accumulate revenue withheld by or paid to the county under 61165
this section for the payment of any expense related to the duties 61166
of the board of elections specified in section 3501.11 of the 61167
Revised Code, upon approval of a majority of the members of the 61168
board of elections. The fund shall not accumulate any revenue 61169
withheld by or paid to the county under this section for the 61170
compensation of the members of the board of elections or of the 61171
director, deputy director, or other regular employees in the 61172
board's offices, other than compensation for overtime worked. 61173

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the 61174
Revised Code, the board of county commissioners may, by 61175
resolution, transfer money to the elections revenue fund from any 61176
other fund of the political subdivision from which such payments 61177
lawfully may be made. Following an affirmative vote of a majority 61178
of the members of the board of elections, the board of county 61179
commissioners may, by resolution, rescind an elections revenue 61180
fund established under this division. If an elections revenue fund 61181
is rescinded, money that has accumulated in the fund shall be 61182
transferred to the county general fund. 61183

(J)(1) Not less than fifteen business days before the 61184
deadline for submitting a question or issue for placement on the 61185
ballot at a special election, the board of elections shall prepare 61186
and file with the board of county commissioners and the office of 61187
the secretary of state the estimated cost, based on the factors 61188
enumerated in this section, for preparing for and conducting an 61189
election on one question or issue, one nomination for office, or 61190
one election to office in each precinct in the county at that 61191
special election and shall divide that cost by the number of 61192
registered voters in the county. 61193

(2) The board of elections shall provide to a political subdivision seeking to submit a question or issue, a nomination for office, or an election to office for placement on the ballot at a special election with the estimated cost for preparing for and conducting that election, which shall be calculated either by multiplying the number of registered voters in the political subdivision with the cost calculated under division (J)(1) of this section or by multiplying the cost per precinct with the number or precincts in the political subdivision. A political subdivision submitting a question or issue, a nomination for office, or an election to office for placement on the ballot at that special election shall pay to the county elections revenue fund sixty-five per cent of the estimated cost of the election not less than ten business days after the deadline for submitting a question or issue for placement on the ballot for that special election.

(3) Not later than sixty days after the date of a special election, the board of elections shall provide to each political subdivision the true and accurate cost for the question or issue, nomination for office, or election to office that the subdivision submitted to the voters on the special election ballots. If the board of elections determines that a subdivision paid less for the cost of preparing and conducting a special election under division (J)(2) of this section than the actual cost calculated under this division, the subdivision shall remit to the county elections revenue fund the difference between the payment made under division (J)(2) of this section and the final cost calculated under this division within thirty days after being notified of the final cost. If the board of elections determines that a subdivision paid more for the cost of preparing and conducting a special election under division (J)(2) of this section than the actual cost calculated under this division, the board of elections promptly shall notify the board of county commissioners of that difference. The board of county commissioners shall remit from the

county elections revenue fund to the political subdivision the 61227
difference between the payment made under division (J)(2) of this 61228
section and the final cost calculated under this division within 61229
thirty days after receiving that notification. 61230

applications for eligibility for the program for medically 61346
handicapped children that are submitted to the department by city 61347
and general health districts and physician providers approved in 61348

determine whether the applicants meet the medical and financial 61350

eligibility requirements established by the director of health 61351
pursuant to division (A)(1) of section 3701.021 of the Revised 61352
Code, and by the department in the manual of operational 61353
procedures and guidelines for the program for medically 61354
handicapped children developed pursuant to division (B) of that 61355
section. Referrals of potentially eligible children for the 61356
program may be submitted to the department on behalf of the child 61357
by parents, guardians, public health nurses, or any other 61358
interested person. The department of health may designate other 61359
agencies to refer applicants to the department of health. 61360

(B) In accordance with the procedures established in rules 61361

providers. The department shall enter into a written agreement 61373
with each applicant who is determined, pursuant to the 61374
requirements set forth in rules adopted under division (A)(2) of 61375
section 3701.021 of the Revised Code, to be eligible to be a 61376
provider in accordance with the provider agreement required by the 61377

division (A)(2) of that section. The disqualification shall not 61385
take effect until a written notice, specifying the requirement 61386
violated and describing the nature of the violation, has been 61387

eligible for the program for medically handicapped children 61395
pursuant to division (A) of this section. The department shall 61396
authorize necessary treatment services, service coordination, and 61397

the premiums is cost-effective. 61404

(E) The department of health shall pay, from appropriations 61405
to the department, any necessary expenses, including but not 61406

the Revised Code. 61423

The departments of health and medicaid shall jointly 61424
implement procedures to ensure that duplicate payments are not 61425
made under the program for medically handicapped children and the 61426
medicaid program and to identify and recover duplicate payments. 61427

(F) At the time of applying for participation in the program 61428
for medically handicapped children, a medically handicapped child 61429
or the child's parent or guardian shall disclose the identity of 61430
any third party against whom the child or the child's parent or 61431
guardian has or may have a right of recovery for goods and 61432
services provided under division (B) or (D) of this section. The 61433
department of health shall require a medically handicapped child 61434
who receives services from the program or the child's parent or 61435
guardian to apply for all third-party benefits for which the child 61436
may be eligible and require the child, parent, or guardian to 61437
apply all third-party benefits received to the amount determined 61438
under division (E) of this section as the amount payable for goods 61439
and services authorized under division (B) or (D) of this section. 61440
The department is the payer of last resort and shall pay for 61441
authorized goods or services, up to the amount determined under 61442
division (E) of this section for the authorized goods or services, 61443
only to the extent that payment for the authorized goods or 61444
services is not made through third-party benefits. When a third 61445
party fails to act on an application or claim for benefits by a 61446

medically handicapped child or the child's parent or guardian, the 61447
department shall pay for the goods or services only after ninety 61448
days have elapsed since the date the child, parents, or guardians 61449
made an application or claim for all third-party benefits. 61450
Third-party benefits received shall be applied to the amount 61451
determined under division (E) of this section. Third-party 61452
payments for goods and services not authorized under division (B) 61453
or (D) of this section shall not be applied to payment amounts 61454
determined under division (E) of this section. Payment made by the 61455
department shall be considered payment in full of the amount 61456
determined under division (E) of this section. Medicaid payments 61457
for persons eligible for the medicaid program shall be considered 61458
payment in full of the amount determined under division (E) of 61459
this section. 61460

(G) The department of health shall administer a program to 61461
provide services to Ohio residents who are twenty-one or more 61462
years of age who have cystic fibrosis and who meet the eligibility 61463
requirements established in rules adopted by the director of 61464
health pursuant to division (A)(7) of section 3701.021 of the 61465
Revised Code, subject to all provisions of this section, but not 61466
subject to section 3701.024 of the Revised Code. 61467

(H) The department of health shall provide for appeals, in 61468
accordance with rules adopted under section 3701.021 of the 61469
Revised Code, of denials of applications for the program for 61470
medically handicapped children under division (A) or (D) of this 61471
section, disqualification of providers, or amounts paid under 61472
division (E) of this section. Appeals under this division are not 61473
subject to Chapter 119. of the Revised Code. 61474

The department may designate ombudspersons to assist 61475
medically handicapped children or their parents or guardians, upon 61476
the request of the children, parents, or guardians, in filing 61477
appeals under this division and to serve as children's, parents', 61478

or guardians' advocates in matters pertaining to the 61479
administration of the program for medically handicapped children 61480
and eligibility for program services. The ombudspersons shall 61481
receive no compensation but shall be reimbursed by the department, 61482
in accordance with rules of the office of budget and management, 61483
for their actual and necessary travel expenses incurred in the 61484
performance of their duties. 61485

(I) The department of health, and city and general health 61486
districts providing service coordination pursuant to division 61487
(A)(2) of section 3701.024 of the Revised Code, shall provide 61488
service coordination in accordance with the standards set forth in 61489
the rules adopted under section 3701.021 of the Revised Code, 61490
without charge, and without restriction as to economic status. 61491

(J)(1) The department of health may establish a manufacturer 61492
discount program under which a manufacturer of a drug or 61493
nutritional formula is permitted to enter into an agreement with 61494
the department to provide a discount on the price of the drug or 61495
nutritional formula distributed to medically handicapped children 61496
participating in the program for medically handicapped children. 61497
The program shall be administered in accordance with rules adopted 61498
under section 3701.021 of the Revised Code. 61499

(2) If a manufacturer enters into an agreement with the 61500
department as described in division (J)(1) of this section, the 61501
manufacturer and the department may negotiate the amount and terms 61502
of the discount. 61503

(3) In lieu of establishing a discount program as described 61504
in division (J)(1) of this section, the department and a 61505
manufacturer of a drug or nutritional formula may discuss a 61506
donation of drugs, nutritional formulas, or money by the 61507
manufacturer to the department. 61508

areas by one or more members and shall, in such event, specify the 62931
territory to be included in each such area. 62932

The appointment of any member of the combined board who is 62933
designated by the provisions of the contract to represent a city 62934
shall be made by the chief executive and approved by the 62935
legislative authority of such city. If a member is designated by 62936
the contract to represent more than one city, the member shall be 62937
appointed by majority vote of the chief executives of all cities 62938
included in any such area. Except for the member appointed by the 62939
health district licensing council, if such council is established, 62940
the appointment of all members of the combined board who are 62941
designated to represent the balance of the district shall be made 62942
by the district advisory council. 62943
