In 1920, the part of the township on the east side of the Black River split off to become the Village of Sheffield Lake, growing into a city in 1960, and in 1934, the southern part of the village separated to form the Village of Sheffield. WHEREAS, Throughout its existence, Sheffield Township has enjoyed the benefits of a generous and civic-minded population, and those who currently make it their home take great pride in their community and its rich heritage. Their efforts have certainly made the area a pleasant and friendly place in which to live and work; and

WHEREAS, America is only as strong as her individual communities, which are unique and which make a significant contribution to the culture of our state and nation. The Bicentennial of Sheffield Township offers its citizens the opportunity to share their memories and experiences and to reflect on the benefits of life in their close-knit community, for they have built on the best traditions of the past to ensure a future filled with hope and promise; therefore be it
