

LWVO Written Testimony on
SB51 - LAKE ERIE IMPROVEMENT DISTRICT
Kristin Vessey*, Land Use Specialist
Alan R. Rosenfield - Energy Specialist
House Finance Committee
December 4, 2018

The League of Women Voters of Ohio is pleased to support SB51. Allowing for the establishment of Special Improvement Districts (SID) is clearly a necessary preliminary to repairing the shoreline. Needless to say the lake is one of Ohio's greatest assets. We strongly encourage its preservation and enhancement and look forward to seeing the shoreline-improvement work done.
