

Chair Blessing III, Vice Chair Reineke, Ranking Minority Member Clyde, and the members of the House Government Accountability and Oversight Committee:

My name is Constance Minerovic and I am submitting this testimony in support of House Bill 160.

I have had and known a number of individuals who are members of the LGBTQ community, and have found them to be caring, contributing members of society. To fail to protect them with comprehensive non-discrimination policies is unthinkable. It is time to support, not penalize, the LGBTQ community.

I urge you to pass House Bill 160.
