

Chair Blessing III, Vice Chair Reineke, Ranking Minority Member Clyde, and the members of the House Government Accountability and Oversight Committee:

My name is Lawrence E. Mick and I am writing in support of House Bill 160.

I have long felt called to advocate for those on the margins of society. I am a Catholic and our church officially disapproves of intimacy between those outside of traditional marriage, yet even the Pope and our bishops teach that discrimination against LGBTQ people is morally wrong and should be against the law because it degrades the dignity deserved by every human being.

I urge you to consider passing HB160.
