Re: HB 134

Committee Members:

I am asking for your support for the provisions included in HB 134. I serve as the Superintendent of the Norwayne Local School District in Wayne County. However, sections of our district include Medina County, where we receive sales tax monies from a business located within our school district.

Being able to use the proceeds from this tax for permanent improvement projects in our district would be very beneficial.

Even though we have new and updated facilities, there are constant projects like heating, ventilation, roofing and parking lot repairs that arise and need to be addressed in a timely manner. The freedom to allow our Board of Education Members to utilize these tax proceeds for permanent improvement projects would be greatly appreciated.

Thank you for your consideration of our request for your support of HB 134.

Sincerely,

Karen O'Hare, Superintendent
Norwayne Local Schools
