Dear Representative Rezabek,

My name is Olivia and I am a fourth grade friend to Brynne. I think bill 539 should be a law because it would be nice to have a state dog. Also because Ohio has a lot of state animals but Ohio does not have a state dog. Plus this dog is very popular in Ohio so if the dog is popular it should be a state dog. Oh,and just so you know I am allergic to dogs.

Sincerely,
Olivia Ann Kohlmann
