Honorable Doug Green, Chairmar  
House Transportation and Public Safety Committee  
77 S. High Street, 13<sup>th</sup> floor  
Columbus, Ohio 43215

Dear Chairman Green,

This Association has reviewed HB 188 as introduced and we have voted to oppose this legislative initiative. Only one license plate services no useful law enforcement purpose. Identification of a vehicle, whether specialty or not, it is imperative for law enforcement to have as much information as possible when a crime has been committed.

Thank you for allowing us to express our view.

Respectfully,

Robert A. Cornwell  
Executive Director
