OALA has prepared this comparison to highlight the Medicaid reimbursement rates for programs with similar services to the Assisted Living Waiver (ALW), being provided to older adults in Ohio. The other programs are not “overpaid”, but this chart shows that ***the reimbursement for the ALW falls way below that for comparable programs.*** It is also important to note that both PASSPORT and Adult Day services are *scheduled* services, and in the Assisted Living setting, a complete package of services are provided as needed, 24 hours per day.
