**LWVO Written Testimony on
SB299 - LAKE ERIE PROTECTION APPROPRIATIONS
Peggy Berry, Environment Specialist
Alan R. Rosenfield, Energy Specialist
Senate Finance Committee
June 5 2018**

The League of Women Voters of Ohio is pleased to support SB299. We believe that it makes a useful contribution to reducing the occurrence of algae problem on Lake Erie. It is our hope that resources beyond those envisioned in this legislation be devoted to this problem.
