Senator Obhof  
Ohio State Senate  
1 Capital Square, Columbus, Ohio, 43215

Dear Senator Obhof,

We are a group of Ohio students who are working to fight the senseless gun violence that has afflicted our country for far too long. Gun violence has become a public health crisis in the United States, with an average of 96 people shot and killed every day.

HB 228 is an extremely dangerous piece of legislation. It is what is commonly referred to as Stand Your Ground. Stand Your Ground laws are extremely dangerous that allow you to shoot and kill first, without trying to retreat. It also affects how local government enacts gun legislation, hindering the safety of Ohioans. Stand Your Ground is opposed by the NAACP, Prosecuting Attorneys Association, State Highway Patrol, Moms Demand Action, League of Women Voters, Ohio Association of Police Chiefs, and many more.

Please vote NO on HB 228, and prevent its passage in the Ohio State Senate.

Sincerely,

Ohio Students for Gun Legislation

Gillian Murray, Vice-President and Chief Media Strategist
