PROFESSIONAL EXPERIENCE

- Ohio Licensed Physical Therapist since OCT2012 with an additional 22 years clinical experience as a PTA.
- Education and training in the Ohio BWC system for 13-clinics in Ohio region for outpatient PT provider.
- Clinical experience in nearly all settings: general outpatient; Workers Compensation/Industrial Rehabilitation with FCE performance; long-term care; long term acute care; hospital acute care to include ICU; sub-acute orthopaedic and neurological rehabilitation; home health care.
- 2 years' experience as Director of Clinical Operations and Rehabilitation Services, 2013-2015.
- 7 years' experience as LTC/SNF Director of Rehabilitation, responsible for PT, OT, and ST services.
- Multi-site management experience in healthcare and during combat operations.
- Implement, monitor, and meet budget expectations.
- Analyze financial indicators and create plans of action to address clinical needs within fiscal constraints.
- Ensure expected productivity benchmarks are met through proper scheduling of FTEs.
- Advanced knowledge of evidence-based practices and clinical practice guidelines in multiple professional areas, and the ability to use these resources to guide the program staff in providing clinically appropriate treatment interventions.
- Skill in interpersonal relationships and conflict resolution in dealing with a diverse range of employees, team leaders, and administrators.
- Ability to manage budgets for a large, integrated service including not only physical therapy, but also other focused rehabilitation, ancillary, or other health care services.
- Ability to communicate effectively orally and in writing with a diverse group of professional staff.
- Ability to translate extensive rehabilitation knowledge into cogent and useful policy in complex facilities and/or across multiple sites.
- Demonstrated skill in providing clinical and administrative oversight of multidisciplinary rehabilitation programs in complex facilities and/or across multiple sites.
- Ability to collaborate with strategic planning committees at local, VISN or national levels for new ventures addressing patient care delivery systems, facilities management, system reorganizations, etc.
- Liaised with various Department of Defense entities to ensure proper staffing within stated timing and manning requirements in advance of mobilizations to Iraq and to Germany.
- Led and managed leadership staffs of 30+ to then oversee up to 700 personnel including training, evaluation, scheduling, and mentoring.
