CAREER HIGHLIGHTS

Logan-Hocking County Health District

2002-2014

County Health Commissioner

September 2007-Present

Directs and oversees all public health activities within a combined city-county health district on behalf of the Logan-Hocking County Board of Health. Supervises a staff of twenty employees and manages an annual budget of two million dollars.

Regional Public Health/Regional Medical Response System Coordinator

October 2002-September 2007

Coordinated the public health disaster planning and preparedness across ten Southeast Ohio counties. Wrote and revised regional emergency response plans. Developed annual, multi-jurisdictional, public health, large-scale, response exercises. Organized and facilitated meetings with public health leaders and their partners. Taught disaster planning and response topics to public health leadership, partnering responders, and general public.

*Health Department Supervisor**March 2003-September 2007*

Made annual application for the Public Health Infrastructure Grant. Developed budgets for grants, meetings and specific training activities. Supervised and managed the Logan-Hocking County Health Department's disaster preparedness employees.

*Public Health Infrastructure Epidemiologist**September 2002-March 2003*

Developed the initial public health epidemiology program for a six county district (Athens, Gallia, Hocking, Jackson, Meigs and Vinton Counties). Responsible for disease surveillance and reporting for a population of approximately 180,000. Wrote the first district epidemiology/disease surveillance plan. Helped to write the initial bioterrorism emergency response plans for the ODH Southeast Ohio Planning Region.

Crossroads Center for Youth/ Fairfield County Juvenile Court**2000-2002***Facilities Coordinator/Teacher*

Supervised and coordinated the use and maintenance of the facility. Taught at risk juveniles (adjudicated) in the subjects of Science, Careers and Life Experiences, RESIST (Stealing, Shoplifting, and Vandalism), RISK (Underage Tobacco Use/Abuse-Compliant with Senate Bill 218), and Physical Education.

Fisher's Home Inspections**2000-2002***Owner/Inspector*

Owned and operated a pre-purchase home inspection business.

Central Ohio Lions Eye Bank/ The Ohio State Univ. Ophtho. Dept.**1994-2000***Lab Director*

Directed and supervised technical and laboratory eye banking staff in effort to provide donor eye tissue for surgery for central, eastern, and southeastern Ohio.

Assisted the Eye Bank Executive Director with coordination of continuous quality improvement issues. Responsible for monthly laboratory statistics and technician work scheduling. Provided monthly lectures to medical students rotating through The Ohio State University Ophthalmology Department. Managed the surgical scheduling of requested and provided corneas for surgical transplantation.

Supervised the completing and maintaining of donor and recipient records.
Trained new technical staff.

Research Coordinator

Managed the Eye Banks participation in eye research projects. Gathered and entered data in research oriented, computerized databases. Assisted the primary researcher in hypothesis and inferential statistics and probability. Published and lectured on results at the meetings of the Eye Bank Association of America and the Association of Research in Vision and Ophthalmology when appropriate. Coordinated the distribution of research eye tissue.

Teacher/ Lecturer

Lectured and taught third and fourth year medical students about eye banking, corneal research, and corneal transplants. Responsible for developing, organizing, and teaching the course work necessary for training and certification of remote enucleators and new eye bank technicians.

Provided the first certification course for enucleators by The Ohio State Univ./ Central Ohio Lions Eye Bank (Still being used as a model for continued certification).

Invited to lecture and present on corneal topographic research at the Association of Researchers in Vision and Ophthalmology and to the Eye Bank Association of America.

Certified Eye Bank Technician

Procured donor eye tissue for corneal transplantation and eye research. Compiled medical history from the donor's family and medical records. Completed the Eye Bank Association of America's certification in 1994. Developed skills in the use of some ophthalmology surgical instruments and techniques.

Private Practice- Lancaster, Ohio

1986-1993

Podiatric Physician

Provided general podiatric medical care for a forty patient per day schedule. Managed the financial, employee, as well as all other phases of a small business. Developed expert knowledge and practical experience with orthopaedic and bio-mechanical medical equipment.

Staff Surgeon

First podiatrist to serve as the Vice-chief of Surgery at the Fairfield Medical Center (1991-1992).

Diplomat of the American Board of Podiatric Surgery/ Board Certified in Foot and Ankle Surgery (1989-1994).

Gained knowledge and practical experience with orthopaedic and general surgical instrumentation.

Carried out "team approach" surgeries with local orthopaedic surgeons to provide optimal surgical results for orthopedic/ podiatric patients.

Community Speaker

Lectured to large and small groups on preventive and current podiatric treatments.

Vesta Construction Company

1980 & 1981

Construction Laborer

Worked summers in major construction, which helped to develop my strong work ethic.

Ralston Purina Company

1977-1979

Summer Employment

Responsible for various assignments in a factory setting. Learned about persevering and job-task dedication in undesirable work environments.
