effective the month following its receipt by the board. 220

(C) (1) Following marriage or remarriage of a retirant, 221
both of the following apply: 222

(a) A ~~member~~ retirant may elect a new optional plan of 223
payment under division (A) (2) of this section based on the 224

to a plan of payment providing for payment to a former spouse 228
pursuant to a court order described in division (A) (4) of this 229
section may elect a new plan of payment under "option 4" based 230
on the actuarial equivalent of the retirant's single lifetime 231
pension as determined by the board if the new plan of payment 232
elected does not reduce the payment to the former spouse. 233

(2) If the marriage or remarriage occurs on or after ~~the~~ 234

~~member~~ retirant makes a request to cancel the optional plan not 249

later than one year after the date on which the ~~member~~retirant 250

in such case there is only one parent dependent solely upon the 411
deceased member or retirant for support, such parent shall be 412
paid a monthly pension of one hundred fifty-four dollars. Such 413
pension shall be paid during the life of the surviving parents, 414
or until dependency ceases, or until remarriage, whichever event 415
occurs first. 416

the time of death of a retirant who leaves no surviving spouse 418
or dependent children or parents shall be paid to the 419
beneficiary or beneficiaries the retirant has nominated by 420
written designation duly executed and filed with the board. A 421
retirant may designate an individual or a trust as a 422
beneficiary. If there is no designated beneficiary surviving the 423
retirant, the retirant's accumulated contributions shall be paid 424
according to the state law of descent and distribution; provided 425
that, if the retirant's accumulated contributions are not 426
claimed by an eligible person or by the estate of the retirant 427
within seven years, they shall be transferred to the income fund 428

of the system and after that shall be paid from that fund to 429
such person or estate upon application to the board. 430

(8) The increase provided for by division (A) (5) of this 431

(a) For each person sixty-five years of age or older who is receiving a pension not greater than one hundred eighty-five per cent of the federal poverty level for a family of two persons, as revised annually by the United States department of health and human services in accordance with section 673(2) of the "Omnibus Reconciliation Act of 1981," 95 Stat. 511, 42 U.S.C. 9902, as amended, the board shall increase the pension by three per cent.

(D) The board shall adopt, and may amend or rescind, any rule necessary to carry out this section.

Sec. 5505.18. As used in this section, "member" does not include state highway patrol cadets attending training schools pursuant to section 5503.05 of the Revised Code.

(A) Upon the application of a member of the state highway patrol retirement system, a person acting on behalf of a member, or the superintendent of the state highway patrol on behalf of a member, a member who becomes totally and permanently incapacitated for duty in the employ of the state highway patrol may be retired on disability by the board. To be eligible for retirement on account of disability incurred not in the line of duty, a member must have five or more years of service credit according to rules adopted by the board.

The medical or psychological examination of a member who has applied for disability retirement shall be conducted by a

the board. The health-care professional or professionals shall 546
file a written report with the board containing the following 547

in the employ of the patrol; 550

(2) Whether the incapacity is expected to be permanent; 551

(3) The cause of the member's incapacity. 552

The board shall determine whether the member qualifies for 553
disability retirement and its decision shall be final. The board 554
shall consider the written medical or psychological report, 555
opinions, statements, and other competent evidence in making its 556
determination. If the incapacity is a result of heart disease or 557
any cardiovascular disease of a chronic nature, which disease or 558
any evidence of which was not revealed by the physical 559
examination passed by the member on entry into the patrol, the 560
member is presumed to have incurred the disease in the line of 561
duty as a member of the patrol, unless the contrary is shown by 562
competent evidence. 563

(B) (1) Except as provided under division (A) of section 564
5505.58 of the Revised Code, a member whose retirement on 565
account of disability incurred in the line of duty shall receive 566
the applicable pension provided for in section 5505.17 of the 567
Revised Code, except that if the member has less than twenty- 568
five years of contributing service, the member's service credit 569
shall be deemed to be twenty-five years for the purpose of this 570
provision. In no case shall the member's disability pension be 571
less than sixty-one and one-quarter per cent or exceed the 572
lesser of seventy-nine and one-quarter per cent of the member's 573

final average salary or the limit established by section 415 of 574
the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 575
415, as amended. 576

(2) Except as provided under division (B) of section 577
5505.58 of the Revised Code, a member whose retirement on 578
account of disability incurred not in the line of duty shall 579
receive the applicable pension provided for in section 5505.17 580
of the Revised Code, except that if the board's determination 581
that the member qualifies for disability retirement was made 582
before the effective date of this amendment and the member has 583
less than twenty years of contributing service, the member's 584
service credit shall be deemed to be twenty years for the 585
purpose of this provision. ~~In~~ If the board's determination that 586
the member qualifies for disability retirement is made on or 587
after the effective date of this amendment and the member has 588
less than twelve years of contributing service, the member's 589
service credit shall be deemed to be twelve years for the 590
purpose of this provision. 591

In no case shall the member's disability pension under 592
this division exceed the lesser of seventy-nine and one-quarter 593
per cent of the member's final average salary or the limit 594
established by section 415 of the "Internal Revenue Code of 595
1986," 100 Stat. 2085, 26 U.S.C.A. 415, as amended. 596

(C) The state highway patrol retirement board shall adopt 597
rules requiring a disability retirant, as a condition of 598
continuing to receive a disability pension, to agree in writing 599
to obtain any medical or psychological treatment recommended by 600
the board's health-care professional and submit medical or 601
psychological reports regarding the treatment. If the board 602
determines that a disability retirant is not obtaining the 603

medical or psychological treatment or the board does not receive 604
a required medical or psychological report, the disability 605
pension shall be suspended until the treatment is obtained, the 606
report is received by the board, or the board's health-care 607
professional certifies that the treatment is no longer helpful 608
or advisable. Should the retirant's failure to obtain treatment 609
or submit a medical or psychological report continue for one 610
year, the recipient's right to the disability pension shall be 611
terminated as of the effective date of the original suspension. 612

(D) A disability retirant who has not attained the age of 613
sixty years shall be subject to an annual medical or 614
psychological re-examination by health-care professionals 615
appointed by the board, except that the board may waive the re- 616
examination if the board's health-care professionals certify 617
that the retirant's disability is ongoing. If any retirant 618
refuses to submit to a medical or psychological re-examination, 619
the retirant's disability pension shall be suspended until the 620
retirant withdraws the refusal. If the refusal continues for one 621
year, all the retirant's rights under and to the disability 622
pension shall be terminated as of the effective date of the 623
original suspension. 624

(E) Each disability retirant who has not attained the age 625
of sixty years shall file with the board an annual statement of 626
earnings, current medical or psychological information on the 627
recipient's condition, and any other information required in 628
rules adopted by the board. The board may waive the requirement 629
that a disability retirant file an annual statement of earnings 630
or current medical or psychological information if the board's 631
health-care professional certifies that the retirant's 632
disability is ongoing. 633

The board shall annually examine the information submitted 634
by the retirant. If a retirant refuses to file the statement or 635
information, the disability pension shall be suspended until the 636
statement and information are filed. If the refusal continues 637
for one year, the right to the pension shall be terminated as of 638
the effective date of the original suspension. 639

(F) (1) Except as provided in division (F) (2) of this 640
section, a disability retirant who has been physically or 641
psychologically examined and found no longer incapable of 642
performing the retirant's duties, or who becomes employed as a 643
law enforcement officer, shall have the right to be restored to 644
the rank the retirant held at the time the retirant was 645
pensioned and the right to have all previous rights restored, 646
including the retirant's civil service status, and the 647
disability pension shall terminate. Upon return to employment in 648
the patrol, the retirant shall again become a contributing 649
member of the retirement system, the total service at the time 650
of the retirant's retirement shall be restored to the retirant's 651
credit, and the retirant shall be given service credit for the 652
period the retirant was in receipt of a disability pension. 653

(2) The state highway patrol is not required to take 654
action under division (F) (1) of this section if the retirant was 655
dismissed or resigned in lieu of dismissal for dishonesty, 656
misfeasance, malfeasance, or conviction of a felony. 657

(G) The board shall adopt a rule to define "law 658
enforcement officer" for purposes of division (F) (1) of this 659
section, and may adopt other rules to carry out this section, 660
including rules that specify the types of health-care 661
professionals the board may appoint for the purpose of this 662
section. 663

Sec. 5505.59. If a member dies while participating in the 664
deferred retirement option plan, all of the following apply: 665

(A) The amounts accrued to the member's benefit shall be 666
paid to the member's surviving spouse or, if there is no 667
