(d) The name or number of the precinct in which the 282
individual is casting a provisional ballot; and 283

(e) The name of the polling location in which the 284

street address in the county or the range of residential street	295
addresses located in each neighborhood block in the county;	296
(b) Any other method that a board of elections creates	297
that allows a precinct election official or any elector who is	298

precinct and polling place of any qualified elector who resides	300
in the county.	301
(2) "Voting information" means all of the following:	302
(a) A sample version of the ballot that will be used for	303
that election;	304

(F) Nothing in this section or section 3505.183 of the Revised Code is in derogation of section 3505.24 of the Revised Code, which permits a blind, disabled, or illiterate elector to receive assistance in the marking of the elector's ballot by two precinct election officials of different political parties. A blind, disabled, or illiterate elector may receive assistance in marking that elector's provisional ballot and in completing the required affirmation in the same manner as an elector may receive assistance on the day of an election under that section.

Sec. 3505.183. (A) When the ballot boxes are delivered to the board of elections from the precincts, the board shall separate the provisional ballot envelopes from the rest of the ballots. Teams of employees of the board consisting of one member of each major political party shall place the sealed provisional ballot envelopes in a secure location within the office of the board. The sealed provisional ballot envelopes shall remain in that secure location until the validity of those ballots is determined under division (B) of this section. While the provisional ballot is stored in that secure location, and prior to the counting of the provisional ballots, if the board receives information regarding the validity of a specific provisional ballot under division (B) of this section, the board may note, on the sealed provisional ballot envelope for that

ballot, whether the ballot is valid and entitled to be counted. 342

(B) (1) To determine whether a provisional ballot is valid 343
and entitled to be counted, the board shall examine its records 344

the written affirmation executed by the individual who cast the 348
provisional ballot under division (B) (2) of section 3505.181 of 349
the Revised Code. The following information shall be included in 350

the election in which the provisional ballot is being voted. 358

(2) In addition to the information required to be included 359
in an affirmation under division (B) (1) of this section, in 360
determining whether a provisional ballot is valid and entitled 361
to be counted, the board also shall examine any additional 362
information for determining ballot validity provided by the 363
provisional voter on the affirmation, provided by the 364
provisional voter to an election official under section 3505.182 365
of the Revised Code, or provided to the board of elections 366
during the seven days after the day of the election under 367
division (B) (7) of section 3505.181 of the Revised Code, to 368
assist the board in determining the individual's eligibility to 369
vote. 370

(3) If, in examining a provisional ballot affirmation and additional information under divisions (B)(1) and (2) of this section and comparing the information required under division (B)(1) of this section with the elector's information in the statewide voter registration database, the board determines that all of the following apply, the provisional ballot envelope shall be opened, and the ballot shall be placed in a ballot box to be counted:

~~(ix)~~ (viii) Except as otherwise provided in this division, the month and day of the elector's date of birth are different from the day and month of the elector's date of birth contained in the statewide voter registration database.

qualified or properly registered to vote; 492

(ii) Whether the individual named on the affirmation is 493
eligible to cast a ballot in the precinct or for the election in 494
which the individual cast the provisional ballot. 495

(C) For each provisional ballot rejected under division 496
(B) (4) of this section, the board shall record the name of the 497
provisional voter who cast the ballot, the identification number 498
of the provisional ballot envelope, the names of the election 499
officials who determined the validity of that ballot, the date 500
and time that the determination was made, and the reason that 501
the ballot was not counted, unless the board has already 502
recorded that information in another database. 503

(D) (1) If an individual cast a provisional ballot in a 504
precinct in which the individual is not registered and eligible 505
to vote, but in the correct polling location for the precinct in 506
which the individual is registered and eligible to vote, and the 507
election official failed to direct the individual to the correct 508
precinct, the individual's ballot shall be remade under division 509
(D) (2) of this section. The election official shall be deemed to 510
have directed the individual to the correct precinct if the 511
election official correctly completed the form described in 512
division (C) (2) of section 3505.181 of the Revised Code. 513

(2) A board of elections that remakes a provisional ballot 514
under division (D) (1) of this section shall remake the 515

provisional ballot on a ballot for the appropriate precinct to 516
reflect the offices, questions, and issues for which the 517
individual was eligible to cast a ballot and for which the 518
individual attempted to cast a provisional ballot. The remade 519
ballot shall be counted for each office, question, and issue for 520
which the individual was eligible to vote. 521

(3) If an individual cast a provisional ballot in a 522
precinct in which the individual is not registered and eligible 523
to vote and in the incorrect polling location for the precinct 524
in which the individual is registered and eligible to vote, the 525
provisional ballot envelope shall not be opened, and the ballot 526
shall not be counted. 527

(E) Provisional ballots that are rejected under division 528
(B) (4) of this section shall not be counted but shall be 529
preserved in their provisional ballot envelopes unopened until 530
the time provided by section 3505.31 of the Revised Code for the 531
destruction of all other ballots used at the election for which 532
ballots were provided, at which time they shall be destroyed. 533

(F) Provisional ballots that the board determines are 534
eligible to be counted under division (B) (3) or (D) of this 535
section shall be counted in the same manner as provided for 536
other ballots under section 3505.27 of the Revised Code. No 537
provisional ballots shall be counted in a particular county 538
until the board determines the eligibility to be counted of all 539
provisional ballots cast in that county under division (B) of 540
this section for that election. Observers, as provided in 541
section 3505.21 of the Revised Code, may be present at all times 542
that the board is determining the eligibility of provisional 543
ballots to be counted and counting those provisional ballots 544
determined to be eligible. No person shall recklessly disclose 545

the count or any portion of the count of provisional ballots in 546
such a manner as to jeopardize the secrecy of any individual 547
ballot. 548

(G) (1) Except as otherwise provided in division (G) (2) of 549
this section, nothing in this section shall prevent a board of 550
elections from examining provisional ballot affirmations and 551
additional information under divisions (B) (1) and (2) of this 552
section to determine the eligibility of provisional ballots to 553
be counted during the ten days after the day of an election. 554

(2) A board of elections shall not examine the provisional 555
ballot affirmation and additional information under divisions 556
(B) (1) and (2) of this section of any provisional ballot cast by 557
an individual who must provide additional information to the 558
board of elections under division (B) (7) of section 3505.181 of 559
the Revised Code for the board to determine the individual's 560
eligibility until the individual provides that information, ~~561
until any hearing required to be conducted under section 3503.24
of the Revised Code with regard to the provisional voter is
held,~~ or until the eleventh day after the day of the election, 564
whichever is earlier. 565

Sec. 3505.20. Any person offering to vote may be 566
challenged at the polling place by any precinct election 567
official. If the board of elections has ruled on the question 568
presented by a challenge prior to election day, its finding and 569
decision shall be final, and the voting location manager shall 570
be notified in writing. If the board has not ruled, the question 571
shall be determined as set forth in this section. If any person 572
is so challenged as unqualified to vote, the voting location 573
manager shall tender the person the following oath: "You do 574
swear or affirm under penalty of election falsification that you 575

will fully and truly answer all of the following questions put 576
to you concerning your qualifications as an elector at this 577
election." 578

(2) Are you a native or naturalized citizen? 583

(3) Where were you born? 584

(4) What official documentation do you possess to prove 585
your citizenship? Please provide that documentation. 586

If the person offering to vote claims to be a naturalized 587
citizen of the United States, the person shall, before the vote 588
is received, produce for inspection of the precinct election 589
officials a certificate of naturalization and declare under oath 590
that the person is the identical person named in the 591
certificate. If the person states under oath that, by reason of 592
the naturalization of the person's parents or one of them, the 593
person has become a citizen of the United States, and when or 594
where the person's parents were naturalized, the certificate of 595
naturalization need not be produced. If the person is unable to 596
provide a certificate of naturalization on the day of the 597
election, the precinct election officials shall provide to the 598
person, and the person may vote, a provisional ballot under 599
section 3505.181 of the Revised Code. The provisional ballot 600

board of elections determines that the voter is properly 602
registered and eligible to vote in the election. 603

(B) If the person is challenged as unqualified on the 604

ground that the person has not resided in this state for thirty 605
days immediately preceding the election, the precinct election 606
officials shall put the following questions: 607

(1) Have you resided in this state for thirty days 608
immediately preceding this election? If so, where have you 609
resided? 610

(3) Can you provide some form of identification containing 612
your current mailing address in this precinct? Please provide 613
that identification. 614

location in this or in any other state at this election? 616

(5) Have you applied for an absent voter's ballot in any 617
state for this election? 618

If the precinct election officials are unable to verify 619
the person's eligibility to cast a ballot in the election, the 620
precinct election officials shall provide to the person, and the 621
person may vote, a provisional ballot under section 3505.181 of 622
the Revised Code. The provisional ballot shall not be counted 623
unless it is properly completed and the board of elections 624
determines that the voter is properly registered and eligible to 625
vote in the election. 626

(C) If the person is challenged as unqualified on the 627
ground that the person is not a resident of the precinct where 628
the person offers to vote, the precinct election officials shall 629
put the following questions: 630

(1) Do you reside in this precinct? 631

(2) When did you move into this precinct? 632

(3) When you came into this precinct, did you come for a temporary purpose merely or for the purpose of making it your home? 633
634
635

(4) What is your current mailing address? 636

(5) Do you have some official identification containing your current address in this precinct? Please provide that identification. 637
638
639

(6) Have you voted or attempted to vote at any other location in this or in any other state at this election? 640
641

(7) Have you applied for any absent voter's ballot in any state for this election? 642
643

The precinct election officials shall direct an individual who is not in the appropriate polling place to the appropriate polling place. If the individual refuses to go to the appropriate polling place, or if the precinct election officials are unable to verify the person's eligibility to cast a ballot in the election, the precinct election officials shall provide to the person, and the person may vote, a provisional ballot under section 3505.181 of the Revised Code. The provisional ballot shall not be counted unless it is properly completed and the board of elections determines that the voter is properly registered and eligible to vote in the election. 644
645
646
647
648
649
650
651
652
653
654

(D) If the person is challenged as unqualified on the ground that the person is not of legal voting age, the precinct election officials shall put the following questions: 655
656
657

(1) Are you eighteen years of age or more? 658

(2) What is your date of birth? 659

(3) Do you have some official identification verifying 660

your age? Please provide that identification. 661

If the precinct election officials are unable to verify 662
the person's age and eligibility to cast a ballot in the 663
election, the precinct election officials shall provide to the 664
person, and the person may vote, a provisional ballot under 665
section 3505.181 of the Revised Code. The provisional ballot 666
shall not be counted unless it is properly completed and the 667
board of elections determines that the voter is properly 668
registered and eligible to vote in the election. 669

The voting location manager shall put such other questions 670
to the person challenged as are necessary to determine the 671
person's qualifications as an elector at the election. If a 672
person challenged refuses to answer fully any question put to 673
the person, is unable to answer the questions as they were 674
answered on the registration form by the person under whose name 675
the person offers to vote, or refuses to sign the person's name 676
or make the person's mark, or if for any other reason a majority 677
of the precinct election officials believes the person is not 678
entitled to vote, the precinct election officials shall provide 679
to the person, and the person may vote, a provisional ballot 680
under section 3505.181 of the Revised Code. The provisional 681
ballot shall not be counted unless it is properly completed and 682
the board of elections determines that the voter is properly 683
registered and eligible to vote in the election. 684

A qualified citizen who has certified the citizen's 685
intention to vote for president and vice-president as provided 686
by Chapter 3504. of the Revised Code shall be eligible to 687
receive only the ballot containing presidential and vice- 688
presidential candidates. 689

However, ~~prior to~~ not later than the ~~nineteenth~~ thirtieth 690

day before the day of an election and in accordance with section 691
3503.24 of the Revised Code, any person qualified to vote may 692
challenge the right of any other person to be registered as a 693
voter, or the right to cast an absent voter's ballot, or to make 694
application for such ballot. Such challenge shall be made in 695
accordance with section 3503.24 of the Revised Code, and the 696
board of elections of the county in which the voting residence 697
of the challenged voter is situated shall make a final 698
determination relative to the legality of such registration or 699
application. 700

Sec. 3505.21. (A) As used in this section, "during the 701
casting of the ballots" includes any of the following: 702

(C) Any political party or group of candidates appointing observers shall notify the board of elections of the names and addresses of its appointees and the precincts at which they shall serve or that they will serve at the board of elections. Notification of observers appointed to serve on the day of an election shall take place not less than eleven days before the day of the election on forms prescribed by the secretary of state and may be amended by filing an amendment with the board of elections at any time until four p.m. of the day before the election. The observer serving on behalf of a political party shall be appointed in

writing by the chairperson and secretary of the respective 751
controlling party committee. Observers serving for any five or 752
more candidates shall have their certificates signed by those 753
candidates. Observers appointed to a precinct may file their 754
certificates of appointment with the voting location manager of 755
the precinct at the meeting on the evening prior to the 756
election, or with the voting location manager of the precinct on 757

board of elections the day before or on the day that the 763
observers are scheduled to serve at the office of the board. 764

Upon the filing of a certificate, the person named as 765

ballots and shall be permitted to watch every proceeding of the 768
precinct election officials from the time of the opening until 769
the closing of the polls. The observer also may inspect the 770
counting of all ballots in the polling place or board of 771
elections from the time of the closing of the polls until the 772
counting is completed and the final returns are certified and 773
signed. Observers appointed to serve at the board of elections 774
on the day of an election under this section may observe at the 775
board of elections and may observe at any precinct in the 776
county. The precinct election officials shall protect such 777
observers in all of the rights and privileges granted to them by 778
Title XXXV of the Revised Code. 779

(D) No persons other than the precinct election officials, 780

to any precinct on request of the board of elections, or the 782
secretary of state or the secretary of state's legal 783
representative shall be admitted to the polling place, or any 784
room in which a board of elections is counting ballots, after 785
the closing of the polls until the counting, certifying, and 786
signing of the final returns of each election have been 787
completed. 788

(E) Not later than four p.m. of the twentieth day prior to 789
an election at which questions are to be submitted to a vote of 790
the people, any committee that in good faith advocates or 791
opposes a measure may file a petition with the board of any 792
county asking that the petitioners be recognized as the 793
committee entitled to appoint observers to the count at the 794
election. If more than one committee alleging themselves to 795
advocate or oppose the same measure file such a petition, the 796
board shall decide and announce by registered mail to each 797
committee not less than twelve days immediately preceding the 798
election which committee is recognized as being entitled to 799
appoint observers. The decision shall not be final, but any 800
aggrieved party may institute mandamus proceedings in the court 801
of common pleas of the county in which the board has 802
jurisdiction to compel the precinct election officials to accept 803
the appointees of such aggrieved party. Any such recognized 804
committee may appoint an observer to the count in each precinct. 805
Committees appointing observers shall notify the board of 806
elections of the names and addresses of its appointees and the 807
precincts at which they shall serve. Notification shall take 808
place not less than eleven days before the election on forms 809
prescribed by the secretary of state and may be amended by 810
filing an amendment with the board of elections at any time 811
until four p.m. on the day before the election. A person so 812

appointed shall file the person's certificate of appointment 813
with the voting location manager in the precinct in which the 814
person has been appointed to serve. Observers shall file their 815
certificates before the polls are closed. In no case shall more 816
than six observers be appointed for any one election in any one 817
precinct. If more than three questions are to be voted on, the 818
committees which have appointed observers may agree upon not to 819
exceed six observers, and the precinct election officials shall 820
appoint such observers. If such committees fail to agree, the 821
precinct election officials shall appoint six observers from the 822
appointees so certified, in such manner that each side of the 823
several questions shall be represented. 824

(F) No person shall serve as an observer at any precinct 825
or at the board of elections unless the board of elections of 826
the county in which such observer is to serve has first been 827
notified of the name, address, and location at which such 828
observer is to serve. Notification to the board of elections 829
shall be given by the political party, group of candidates, or 830
committee appointing such observer as prescribed in this 831
section. No such observers shall receive any compensation from 832
the county, municipal corporation, or township, and they shall 833
take the following oath, to be administered by one of the 834
precinct election officials: 835

"You do solemnly swear that you will faithfully and 836
impartially discharge the duties as an official observer, 837
assigned by law; that you will not cause any delay to persons 838
offering to vote; and that you will not disclose or communicate 839
to any person how any elector has voted at such election." 840

Sec. 3509.051. Notwithstanding section 3509.05 or any 841
other provision of the Revised Code to the contrary, all of the 842

following shall apply to the casting of absent voter's ballots 843
in person: 844

(A) The absent voter shall provide identification to the 845
election officials in the same manner as a voter who casts a 846
ballot in person on the day of an election is required to 847
provide identification under section 3505.18 of the Revised 848
Code. 849

(B) The absent voter shall not be required to complete a 850
statement of voter on an absent voter's ballot identification 851
envelope. 852

(C) The board of elections shall provide a signature book 853
to be signed by absent voters who are casting their ballots in 854
person. 855

(D) No person other than a precinct election official 856
shall be permitted to challenge the right to vote of an absent 857
voter who is casting a ballot in person. A precinct election 858
official may challenge the right to vote of an absent voter who 859
is casting a ballot in person in the same manner as a precinct 860
election official may challenge the right to vote of an elector 861
on the day of an election under section 3505.20 or 3513.19 of 862
the Revised Code. 863

(E) No absent voter may receive a replacement ballot after 864
the voter's absent voter's ballot has been scanned or entered 865
into automatic tabulating equipment. 866

Sec. 3509.06. (A) The board of elections shall determine 867
whether absent voter's ballots shall be processed and counted in 868
each precinct, at the office of the board, or at some other 869
location designated by the board, and shall proceed accordingly 870
under division (B), (C), or (E) of this section, as applicable. 871

(B) (1) Except as otherwise provided in division (B) (2) of 872
this section, when the board of elections determines that absent 873
voter's ballots shall be processed and counted in each precinct, 874
the director shall deliver to the voting location manager of 875
each precinct on election day identification envelopes 876
purporting to contain absent voter's ballots of electors whose 877
voting residence appears from the statement of voter on the 878
outside of each of those envelopes, to be located in that 879
manager's precinct, and which were received by the director not 880
later than the close of the polls on election day. The director 881
shall deliver to the voting location manager a list containing 882
the name and voting residence of each person whose voting 883
residence is in such precinct to whom absent voter's ballots 884
were mailed. 885

(2) The director shall not deliver to the voting location 886
manager identification envelopes cast by electors who provided a 887
program participant identification number instead of a residence 888
address on the identification envelope and shall not inform the 889
voting location manager of the names and voting residences of 890
persons who have confidential voter registration records. Those 891
identification envelopes shall be examined and processed as 892
described in division (E) of this section. 893

(C) When the board of elections determines that absent 894
voter's ballots shall be processed and counted at the office of 895
the board of elections or at another location designated by the 896
board, special election officials shall be appointed by the 897
board for that purpose having the same authority as is exercised 898
by precinct election officials. The votes so cast shall be added 899
to the vote totals by the board, and the absent voter's ballots 900
shall be preserved separately by the board, in the same manner 901
and for the same length of time as provided by section 3505.31 902

of the Revised Code. 903

(D) Each of the identification envelopes purporting to 904
contain absent voter's ballots delivered to the voting location 905
manager of the precinct or the special election official 906
appointed by the board of elections shall be handled as follows: 907

(1) The election officials shall compare the signature of 908
the elector on the outside of the identification envelope with 909
the signature of that elector on the elector's registration form 910
and verify that the absent voter's ballot is eligible to be 911
counted under section 3509.07 of the Revised Code. 912

(2) (a) Any of the precinct officials may challenge the 913
right of the elector named on the identification envelope to 914
vote the absent voter's ballots upon the ground that the 915
signature on the envelope is not the same as the signature on 916
the registration form, that the identification envelope 917
statement of voter is incomplete, or upon any other of the 918
grounds upon which the right of persons to vote may be lawfully 919
challenged. 920

(b) If the elector's name does not appear in the pollbook 921
or poll list or signature pollbook, the precinct officials shall 922
deliver the absent voter's ballots to the director of the board 923
of elections to be examined and processed in the manner 924
described in division (E) of this section. 925

(3) (a) An identification envelope statement of voter shall 926
be considered incomplete if it does not include all of the 927
following: 928

(i) The voter's name; 929

(ii) The voter's residence address or, if the voter has a 930
confidential voter registration record, as described in section 931

111.44 of the Revised Code, the voter's program participant	932
identification number;	933
(iii) The voter's date of birth. The requirements of this	934
division are satisfied if the voter provided a date of birth and	935
any of the following is true:	936
(I) The month and day of the voter's date of birth on the	937
identification envelope statement of voter are not different	938
from the month and day of the voter's date of birth contained in	939
the statewide voter registration database.	940
(II) The voter's date of birth contained in the statewide	941
voter registration database is January 1, 1800.	942
(III) The board of elections has found, by a vote of at	943
least three of its members, that the voter has met the	944
requirements of divisions (D) (3) (a) (i), (ii), (iv), and (v) of	945
this section.	946
(iv) The voter's signature; and	947
(v) One of the following forms of identification:	948
(I) The voter's driver's license number;	949
(II) The last four digits of the voter's social security	950
number; or	951
(III) A copy of a current and valid photo identification,	952
a military identification, or a current utility bill, bank	953
statement, government check, paycheck, or other government	954
document, other than a notice of voter registration mailed by a	955
board of elections, that shows the voter's name and address.	956
(b) If the election officials find that the identification	957
envelope statement of voter is incomplete or that the	958

information contained in that statement does not conform to the 959
information contained in the statewide voter registration 960
database concerning the voter, the election officials shall mail 961
a written notice to the voter, informing the voter of the nature 962
of the defect. The notice shall inform the voter that in order 963
for the voter's ballot to be counted, the voter must provide the 964
necessary information to the board of elections in writing and 965
on a form prescribed by the secretary of state not later than 966
the seventh day after the day of the election. The voter may 967
deliver the form to the office of the board in person or by 968
mail. If the voter provides the necessary information to the 969
board of elections not later than the seventh day after the day 970
of the election and the ballot is not successfully challenged on 971
another basis, the voter's ballot shall be processed and counted 972
in accordance with this section. 973

(4) If no such challenge is made, or if such a challenge 974
is made and not sustained, the voting location manager shall 975
open the envelope without defacing the statement of voter and 976
without mutilating the ballots in it, and shall remove the 977
ballots contained in it and proceed to count them. 978

(5) (a) Except as otherwise provided in division (D) (5) (b) 979
of this section, the name of each person voting who is entitled 980
to vote only an absent voter's presidential ballot shall be 981
entered in a pollbook or poll list or signature pollbook 982
followed by the words "Absentee Presidential Ballot." The name 983
of each person voting an absent voter's ballot, other than such 984
persons entitled to vote only a presidential ballot, shall be 985
entered in the pollbook or poll list or signature pollbook and 986
the person's registration card marked to indicate that the 987
person has voted. 988

(b) If the person voting has a confidential voter registration record, the person's registration card shall be marked to indicate that the person has voted, but the person's name shall not be entered in the pollbook or poll list or signature pollbook.

(6) The date of such election shall also be entered on the elector's registration form. If any such challenge is made and sustained, the identification envelope of such elector shall not be opened, shall be endorsed "Not Counted" with the reasons the ballots were not counted, and shall be delivered to the board.

(E) (1) When the board of elections receives absent voter's ballots from an elector who has provided a program participant identification number instead of a residence address on the identification envelope statement of voter, the director and the deputy director personally shall examine and process the identification envelope statement of voter in the manner prescribed in division (D) of this section.

(2) If the director and the deputy director find that the identification envelope statement of voter is incomplete or that the information contained in that statement does not conform to the information contained in the statewide voter registration database concerning the voter or to the information contained in the voter's confidential voter registration record, the director and the deputy director shall mail a written notice to the voter informing the voter of the nature of the defect. The notice shall inform the voter that in order for the voter's ballot to be counted the voter must provide the necessary information to the board of elections in writing and on a form prescribed by the secretary of state not later than the seventh day after the day of the election. The voter may deliver the form to the

office of the board in person or by mail. If the voter provides 1019
the necessary information to the board of elections not later 1020
than the seventh day after the day of the election and the 1021
ballot is not successfully challenged on another basis, the 1022
voter's ballot shall be counted in accordance with this section. 1023

(3) The director or the deputy director may challenge the 1024
ballot on the ground that the signature on the envelope is not 1025
the same as the signature on the registration form, that the 1026
identification envelope statement of voter is incomplete, or 1027
upon any other of the grounds upon which the right of persons to 1028
vote may be lawfully challenged. If such a challenge is made, 1029
the board of elections shall decide whether to sustain the 1030
challenge. 1031

(4) If neither the director nor the deputy director 1032
challenges the ballot, or if such a challenge is made and not 1033
sustained, the director and the deputy director shall open the 1034
envelope without defacing the statement of voter and without 1035
mutilating the ballots in it, shall remove the ballots contained 1036
in it, and shall transmit the ballots to the election officials 1037
to be counted with other absent voter's ballots from that 1038
precinct. 1039

(F) The board of elections may process absent voter's 1040
ballots before the time for counting those ballots, but the 1041
board shall not tabulate or count the votes on those ballots 1042
before that time. As used in this section and section 3511.11 of 1043
the Revised Code, processing an absent voter's ballot means any 1044
of the following: 1045

<u>(G) Special election officials, employees or members of the board of elections, or observers shall not disclose the count or any portion of the count of absent voter's ballots prior to the time of the closing of the polling places.
