the tax commissioner, the director of environmental protection, 168
the director of natural resources, or the director of 169

for an application, the fee for each exempt facility application 197
shall be credited to the exempt facility inspection fund, which 198
is hereby created in the state treasury, for appropriation to 199
the development services agency or department of natural 200
resources, as applicable, for use in administering section 201
5709.211 of the Revised Code. 202

An applicant is not entitled to any tax exemption under 203
section 5709.25 of the Revised Code until the fee required by 204
this section is paid. The fee required by this section is not 205
refundable, and is due with the application for an exempt 206
facility certificate even if an exempt facility certificate 207
ultimately is not issued or is withdrawn. Any application 208
submitted without payment of the fee shall be deemed incomplete 209
until the fee is paid. 210

(B) The application fee imposed under division (A) of this 211
section for a jointly owned facility shall be equal to one-half 212
of one per cent of the total exempt facility project cost, not 213
to exceed two thousand dollars for each facility that is the 214
subject of the application. 215

Sec. 5709.22. (A) After receiving an opinion from the 216
director of environmental protection, the director of natural 217
resources, or the director of development, the tax commissioner 218
shall promptly ascertain if an application filed under section 219
5709.21 of the Revised Code shall be allowed or disallowed in 220
whole or in part. The commissioner shall give written notice of 221

the proposed finding to the applicant and the county auditor of 222
the county in which the facility described in the application is 223
located. Within sixty days after sending written notice of the 224
proposed finding, the applicant or the county auditor may file a 225
request for reconsideration, in writing, to the commissioner and 226
may request that the commissioner conduct a hearing on the 227
application. If no request for reconsideration is filed, the 228
commissioner's proposed findings shall be final and, if 229
applicable, the commissioner shall issue an exempt facility 230
certificate, which shall not be subject to appeal pursuant to 231
section 5717.02 of the Revised Code. 232

(B) If a reconsideration of the tax commissioner's 233
proposed finding is requested by the applicant or the county 234
auditor, the commissioner shall notify the applicant and the 235
auditor of the time and place of the hearing, which the 236
commissioner may continue from time to time as the commissioner 237
finds necessary. The commissioner also shall notify the 238
environmental protection agency, department of natural 239
resources, or department of development, as applicable, of the 240
hearing. The environmental protection agency, department of 241
natural resources, or ~~the~~ department of development shall 242
participate in the hearing if requested in writing by the 243
commissioner, the applicant, or the county auditor. After 244
conducting the hearing, the commissioner shall issue a final 245
determination, with a copy of it served on the applicant and 246
applicable county auditors in the manner prescribed by section 247
5703.37 of the Revised Code. The final determination is subject 248
to appeal pursuant to section 5717.02 of the Revised Code. Once 249
all appeals are exhausted, the commissioner shall issue, if 250
applicable, the exempt facility certificate based on the outcome 251
of the appeal. 252

(C) The tax commissioner, on the commissioner's own initiative or on complaint by the county auditor of any county in which property to which the exempt facility certificate relates is located, shall revoke the certificate, or modify it by restricting its operation, if it appears to the commissioner that any of the following has occurred:	253 254 255 256 257 258
(1) The certificate was obtained by fraud or misrepresentation;	259 260
(2) The holder of the certificate has failed substantially to proceed with the construction, reconstruction, installation, or acquisition of an exempt facility;	261 262 263
(3) The property to which the certificate relates has ceased to be used as an exempt facility;	264 265
(4) The tax commissioner issued the certificate in error. As used in this section, "error" means any of the following:	266 267
(a) A clerical or mathematical mistake;	268
(b) When the commissioner agrees with an opinion from the director of environmental protection, <u>the director of natural resources</u> , or the director of development that a certificate should not have been issued;	269 270 271 272
(c) When the tax commissioner determines that the issuance of the certificate may have been improper as the result of a final adjudication by the board of tax appeals, or by a court with jurisdiction on appeal from that board, that is adverse to the original exempt status of the facility, regardless of whether the holder of the certificate was a party to such adjudication.	273 274 275 276 277 278 279
(D) If the revocation or modification of a certificate	280

under division (C) (4) of this section is an action found to be 281
frivolous for the purposes of section 5703.54 of the Revised 282
Code the certificate holder may claim damages as provided under 283
division (B) of that section. 284

(E) Upon service of notice ~~certificate~~ to the holder of an 285
exempt facility certificate, in the manner provided in section 286
5703.37 of the Revised Code, of the tax commissioner's 287
revocation or modification of the certificate under division (C) 288
of this section, the certificate shall cease to be in force or 289
shall remain in force only as modified, as the case may require. 290
The notice is subject to appeal under section 5717.02 of the 291
Revised Code. Once all appeals are exhausted, the commissioner 292
shall issue a modified certificate, if applicable, and the 293
holder of the certificate shall be allowed to claim a refund 294
within one hundred eighty days, notwithstanding any other time 295
limitation provided by law of the taxes paid as a result of the 296
certificate being revoked or modified. 297

Sec. 5739.02. For the purpose of providing revenue with 298
which to meet the needs of the state, for the use of the general 299
revenue fund of the state, for the purpose of securing a 300
thorough and efficient system of common schools throughout the 301
state, for the purpose of affording revenues, in addition to 302
those from general property taxes, permitted under 303
constitutional limitations, and from other sources, for the 304
support of local governmental functions, and for the purpose of 305
reimbursing the state for the expense of administering this 306
chapter, an excise tax is hereby levied on each retail sale made 307
in this state. 308

(A) (1) The tax shall be collected as provided in section 309
5739.025 of the Revised Code. The rate of the tax shall be five 310

and three-fourths per cent. The tax applies and is collectible 311
when the sale is made, regardless of the time when the price is 312
paid or delivered. 313

(2) In the case of the lease or rental, with a fixed term 314
of more than thirty days or an indefinite term with a minimum 315
period of more than thirty days, of any motor vehicles designed 316
by the manufacturer to carry a load of not more than one ton, 317
watercraft, outboard motor, or aircraft, or of any tangible 318
personal property, other than motor vehicles designed by the 319
manufacturer to carry a load of more than one ton, to be used by 320
the lessee or renter primarily for business purposes, the tax 321
shall be collected by the vendor at the time the lease or rental 322
is consummated and shall be calculated by the vendor on the 323
basis of the total amount to be paid by the lessee or renter 324
under the lease agreement. If the total amount of the 325
consideration for the lease or rental includes amounts that are 326
not calculated at the time the lease or rental is executed, the 327
tax shall be calculated and collected by the vendor at the time 328
such amounts are billed to the lessee or renter. In the case of 329
an open-end lease or rental, the tax shall be calculated by the 330
vendor on the basis of the total amount to be paid during the 331
initial fixed term of the lease or rental, and for each 332
subsequent renewal period as it comes due. As used in this 333
division, "motor vehicle" has the same meaning as in section 334
4501.01 of the Revised Code, and "watercraft" includes an 335
outdrive unit attached to the watercraft. 336

A lease with a renewal clause and a termination penalty or 337
similar provision that applies if the renewal clause is not 338
exercised is presumed to be a sham transaction. In such a case, 339
the tax shall be calculated and paid on the basis of the entire 340
length of the lease period, including any renewal periods, until 341

the termination penalty or similar provision no longer applies. 342
The taxpayer shall bear the burden, by a preponderance of the 343
evidence, that the transaction or series of transactions is not 344
a sham transaction. 345

(3) Except as provided in division (A)(2) of this section, 346
in the case of a sale, the price of which consists in whole or 347
in part of the lease or rental of tangible personal property, 348
the tax shall be measured by the installments of that lease or 349
rental. 350

(4) In the case of a sale of a physical fitness facility 351
service or recreation and sports club service, the price of 352
which consists in whole or in part of a membership for the 353
receipt of the benefit of the service, the tax applicable to the 354
sale shall be measured by the installments thereof. 355

(B) The tax does not apply to the following: 356

(1) Sales to the state or any of its political 357
subdivisions, or to any other state or its political 358
subdivisions if the laws of that state exempt from taxation 359
sales made to this state and its political subdivisions; 360

magazines distributed as controlled circulation publications; 367

charge by an employer to an employee provided the employer 369

records the meals as part compensation for services performed or 370
work done; 371

(6) Sales of motor fuel upon receipt, use, distribution, 372
or sale of which in this state a tax is imposed by the law of 373
this state, but this exemption shall not apply to the sale of 374
motor fuel on which a refund of the tax is allowable under 375
division (A) of section 5735.14 of the Revised Code; and the tax 376
commissioner may deduct the amount of tax levied by this section 377
applicable to the price of motor fuel when granting a refund of 378
motor fuel tax pursuant to division (A) of section 5735.14 of 379
the Revised Code and shall cause the amount deducted to be paid 380
into the general revenue fund of this state; 381

(7) Sales of natural gas by a natural gas company or 382
municipal gas utility, of water by a water-works company, or of 383
steam by a heating company, if in each case the thing sold is 384
delivered to consumers through pipes or conduits, and all sales 385
of communications services by a telegraph company, all terms as 386
defined in section 5727.01 of the Revised Code, and sales of 387
electricity delivered through wires; 388

(8) Casual sales by a person, or auctioneer employed 389
directly by the person to conduct such sales, except as to such 390

4519.01 of the Revised Code; 395

organizations operated exclusively for charitable purposes as 400
defined in division (B) (12) of this section, provided that the 401
number of days on which such tangible personal property or 402
services, other than items never subject to the tax, are sold 403
does not exceed six in any calendar year, except as otherwise 404
provided in division (B) (9) (b) of this section. If the number of 405
days on which such sales are made exceeds six in any calendar 406
year, the church or organization shall be considered to be 407
engaged in business and all subsequent sales by it shall be 408
subject to the tax. In counting the number of days, all sales by 409
groups within a church or within an organization shall be 410
considered to be sales of that church or organization. 411

(b) The limitation on the number of days on which tax- 412
exempt sales may be made by a church or organization under 413
division (B) (9) (a) of this section does not apply to sales made 414
by student clubs and other groups of students of a primary or 415
secondary school, or a parent-teacher association, booster 416
group, or similar organization that raises money to support or 417
fund curricular or extracurricular activities of a primary or 418
secondary school. 419

(c) Divisions (B) (9) (a) and (b) of this section do not 420
apply to sales by a noncommercial educational radio or 421
television broadcasting station. 422

(10) Sales not within the taxing power of this state under 423
the Constitution or laws of the United States or the 424
Constitution of this state; 425
