The performance audits under this section shall be conducted 3988
pursuant to sections 117.01 and 117.13 of the Revised Code. In 3989
conducting a performance audit, the auditor of state shall 3990

academic performance. 3995

defender shall use at least ~~eighty-eight~~ eighty-three per cent of 4006
the money in the fund for the purposes of reimbursing county 4007
governments for expenses incurred pursuant to sections 120.18, 4008
120.28, and 120.33 of the Revised Code and operating its system 4009
pursuant to division (C)(7) of section 120.04 of the Revised Code 4010
and division (B) of section 120.33 of the Revised Code. 4011
Disbursements from the fund to county governments shall be made at 4012
least once per year and shall be allocated proportionately so that 4013
each county receives an equal percentage of its total cost for 4014
operating its county public defender system, its joint county 4015
public defender system, its county appointed counsel system, or 4016
its system operated under division (C)(7) of section 120.04 of the 4017

operation of this chapter. 4026

Sec. 120.18. (A) The county public defender commission's 4027
report to the board of county commissioners shall be audited by 4028
the county auditor. The board of county commissioners, after 4029
review and approval of the audited report, may then certify it to 4030
the state public defender for reimbursement. If a request for the 4031
reimbursement of any operating expenditure incurred by a county 4032
public defender office is not received by the state public 4033
defender within sixty days after the end of the calendar month in 4034
which the expenditure is incurred, the state public defender shall 4035
not pay the requested reimbursement, unless the county has 4036
requested, and the state public defender has granted, an extension 4037
of the sixty-day time limit. Each request for reimbursement shall 4038
include a certification by the county public defender that the 4039
persons provided representation by the county public defender's 4040
office during the period covered by the report were indigent and, 4041
for each person provided representation during that period, a 4042
financial disclosure form completed by the person on a form 4043
prescribed by the state public defender. The state public defender 4044
shall also review the report and, in accordance with the 4045
standards, guidelines, and maximums established pursuant to 4046
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 4047
prepare a voucher for fifty per cent of the total cost of each 4048
county public defender's office for the period of time covered by 4049
the certified report and a voucher for ~~fifty~~ one hundred per cent 4050
of the costs and expenses that are reimbursable under section 4051
120.35 of the Revised Code, if any, or, if the amount of money 4052
appropriated by the general assembly to reimburse counties for the 4053
operation of county public defender offices, joint county public 4054
defender offices, and county appointed counsel systems is not 4055

sufficient to pay fifty per cent of the total cost of all of the 4056
offices and systems, for the lesser amount required by section 4057
120.34 of the Revised Code. For the purposes of this section, 4058
"total cost" means total expenses minus costs and expenses 4059
reimbursable under section 120.35 of the Revised Code and any 4060
funds received by the county public defender commission pursuant 4061
to a contract, except a contract entered into with a municipal 4062
corporation pursuant to division (E) of section 120.14 of the 4063
Revised Code, gift, or grant. 4064

(B) If the county public defender fails to maintain the 4065
standards for the conduct of the office established by rules of 4066
the Ohio public defender commission pursuant to divisions (B) and 4067
(C) of section 120.03 or the standards established by the state 4068
public defender pursuant to division (B)(7) of section 120.04 of 4069
the Revised Code, the Ohio public defender commission shall notify 4070
the county public defender commission and the board of county 4071
commissioners of the county that the county public defender has 4072
failed to comply with its rules or the standards of the state 4073
public defender. Unless the county public defender commission or 4074
the county public defender corrects the conduct of the county 4075
public defender's office to comply with the rules and standards 4076
within ninety days after the date of the notice, the state public 4077
defender may deny payment of all or part of the county's 4078
reimbursement from the state provided for in division (A) of this 4079
section. 4080

Sec. 120.28. (A) The joint county public defender 4081
commission's report to the joint board of county commissioners 4082
shall be audited by the fiscal officer of the district. The joint 4083
board of county commissioners, after review and approval of the 4084
audited report, may then certify it to the state public defender 4085
for reimbursement. If a request for the reimbursement of any 4086
operating expenditure incurred by a joint county public defender 4087

office is not received by the state public defender within sixty 4088
days after the end of the calendar month in which the expenditure 4089
is incurred, the state public defender shall not pay the requested 4090
reimbursement, unless the joint board of county commissioners has 4091
requested, and the state public defender has granted, an extension 4092
of the sixty-day time limit. Each request for reimbursement shall 4093
include a certification by the joint county public defender that 4094
all persons provided representation by the joint county public 4095
defender's office during the period covered by the request were 4096
indigent and, for each person provided representation during that 4097
period, a financial disclosure form completed by the person on a 4098
form prescribed by the state public defender. The state public 4099
defender shall also review the report and, in accordance with the 4100
standards, guidelines, and maximums established pursuant to 4101
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 4102
prepare a voucher for fifty per cent of the total cost of each 4103
joint county public defender's office for the period of time 4104
covered by the certified report and a voucher for ~~fifty one~~ 4105
hundred per cent of the costs and expenses that are reimbursable 4106
under section 120.35 of the Revised Code, if any, or, if the 4107
amount of money appropriated by the general assembly to reimburse 4108
counties for the operation of county public defender offices, 4109
joint county public defender offices, and county appointed counsel 4110
systems is not sufficient to pay fifty per cent of the total cost 4111
of all of the offices and systems, for the lesser amount required 4112
by section 120.34 of the Revised Code. For purposes of this 4113
section, "total cost" means total expenses minus costs and 4114
expenses reimbursable under section 120.35 of the Revised Code and 4115
any funds received by the joint county public defender commission 4116
pursuant to a contract, except a contract entered into with a 4117
municipal corporation pursuant to division (E) of section 120.24 4118
of the Revised Code, gift, or grant. Each county in the district 4119
shall be entitled to a share of such state reimbursement in 4120

proportion to the percentage of the total cost it has agreed to 4121
pay. 4122

(B) If the joint county public defender fails to maintain the 4123
standards for the conduct of the office established by the rules 4124
of the Ohio public defender commission pursuant to divisions (B) 4125
and (C) of section 120.03 or the standards established by the 4126
state public defender pursuant to division (B)(7) of section 4127
120.04 of the Revised Code, the Ohio public defender commission 4128
shall notify the joint county public defender commission and the 4129
board of county commissioners of each county in the district that 4130
the joint county public defender has failed to comply with its 4131
rules or the standards of the state public defender. Unless the 4132
joint public defender commission or the joint county public 4133
defender corrects the conduct of the joint county public 4134
defender's office to comply with the rules and standards within 4135
ninety days after the date of the notice, the state public 4136
defender may deny all or part of the counties' reimbursement from 4137
the state provided for in division (A) of this section. 4138

Sec. 120.33. (A) In lieu of using a county public defender or 4139
joint county public defender to represent indigent persons in the 4140
proceedings set forth in division (A) of section 120.16 of the 4141
Revised Code, the board of county commissioners of any county may 4142
adopt a resolution to pay counsel who are either personally 4143
selected by the indigent person or appointed by the court. The 4144
resolution shall include those provisions the board of county 4145
commissioners considers necessary to provide effective 4146
representation of indigent persons in any proceeding for which 4147
counsel is provided under this section. The resolution shall 4148
include provisions for contracts with any municipal corporation 4149
under which the municipal corporation shall reimburse the county 4150
for counsel appointed to represent indigent persons charged with 4151
violations of the ordinances of the municipal corporation. 4152

(1) In a county that adopts a resolution to pay counsel, an indigent person shall have the right to do either of the following:

(3) The board of county commissioners shall establish a schedule of fees by case or on an hourly basis to be paid to counsel for legal services provided pursuant to a resolution adopted under this section. Prior to establishing the schedule, the board of county commissioners shall request the bar association or associations of the county to submit a proposed schedule for cases other than capital cases. The schedule submitted shall be subject to the review, amendment, and approval of the board of county commissioners, except with respect to capital cases. With respect to capital cases, the schedule shall provide for fees by case or on an hourly basis to be paid to counsel in the amount or at the rate set by the capital case

attorney fee council pursuant to division (D) of this section, and 4184
the board of county commissioners shall approve that amount or 4185
rate. 4186

(4) Counsel selected by the indigent person or appointed by 4187
the court at the request of an indigent person in a county that 4188
adopts a resolution to pay counsel, except for counsel appointed 4189
to represent a person charged with any violation of an ordinance 4190
of a municipal corporation that has not contracted with the county 4191
commissioners for the payment of appointed counsel, shall be paid 4192
by the county and shall receive the compensation and expenses the 4193
court approves. With respect to capital cases, the court shall 4194

to division (A)(3) of this section. No court shall approve 4203
compensation and expenses that exceed the amount fixed pursuant to 4204
division (A)(3) of this section. 4205

The fees and expenses approved by the court shall not be 4206
taxed as part of the costs and shall be paid by the county. 4207
However, if the person represented has, or may reasonably be 4208
expected to have, the means to meet some part of the cost of the 4209
services rendered to the person, the person shall pay the county 4210
an amount that the person reasonably can be expected to pay. 4211
Pursuant to section 120.04 of the Revised Code, the county shall 4212
pay to the state public defender a percentage of the payment 4213
received from the person in an amount proportionate to the 4214
percentage of the costs of the person's case that were paid to the 4215

county by the state public defender pursuant to this section. The 4216
money paid to the state public defender shall be credited to the 4217
client payment fund created pursuant to division (B)(5) of section 4218
120.04 of the Revised Code. 4219

The county auditor shall draw a warrant on the county 4220
treasurer for the payment of counsel in the amount fixed by the 4221
court, plus the expenses the court fixes and certifies to the 4222
auditor. The county auditor shall report periodically, but not 4223
less than annually, to the board of county commissioners and to 4224
the state public defender the amounts paid out pursuant to the 4225
approval of the court. The board of county commissioners, after 4226
review and approval of the auditor's report, or the county 4227
auditor, with permission from and notice to the board of county 4228
commissioners, may then certify it to the state public defender 4229
for reimbursement. The state public defender may pay a requested 4230

that a financial disclosure form ~~and affidavit of indigency have~~ 4236
has been completed by the indigent person and ~~are~~ is available for 4237
inspection. If a request for the reimbursement of the cost of 4238
counsel in any case is not received by the state public defender 4239
within ninety days after the end of the calendar month in which 4240
the case is finally disposed of by the court, unless the county 4241
has requested and the state public defender has granted an 4242
extension of the ninety-day limit, the state public defender shall 4243
not pay the requested reimbursement. The state public defender 4244
shall also review the report and, in accordance with the 4245
standards, guidelines, and maximums established pursuant to 4246
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 4247
prepare a voucher for fifty per cent of the total cost of each 4248

county appointed counsel system in the period of time covered by 4249
the certified report and a voucher for ~~fifty~~ one hundred per cent 4250
of the costs and expenses that are reimbursable under section 4251
120.35 of the Revised Code, if any, or, if the amount of money 4252
appropriated by the general assembly to reimburse counties for the 4253
operation of county public defender offices, joint county public 4254
defender offices, and county appointed counsel systems is not 4255
sufficient to pay fifty per cent of the total cost of all of the 4256
offices and systems other than costs and expenses that are 4257
reimbursable under section 120.35 of the Revised Code, for the 4258
lesser amount required by section 120.34 of the Revised Code. 4259

(5) If any county appointed counsel system fails to maintain 4260
the standards for the conduct of the system established by the 4261
rules of the Ohio public defender commission pursuant to divisions 4262
(B) and (C) of section 120.03 or the standards established by the 4263
state public defender pursuant to division (B)(7) of section 4264
120.04 of the Revised Code, the Ohio public defender commission 4265
shall notify the board of county commissioners of the county that 4266
the county appointed counsel system has failed to comply with its 4267
rules or the standards of the state public defender. Unless the 4268
board of county commissioners corrects the conduct of its 4269
appointed counsel system to comply with the rules and standards 4270
within ninety days after the date of the notice, the state public 4271
defender may deny all or part of the county's reimbursement from 4272
the state provided for in division (A)(4) of this section. 4273

(B) In lieu of using a county public defender or joint county 4274
public defender to represent indigent persons in the proceedings 4275
set forth in division (A) of section 120.16 of the Revised Code, 4276
and in lieu of adopting the resolution and following the procedure 4277
described in division (A) of this section, the board of county 4278
commissioners of any county may contract with the state public 4279
defender for the state public defender's legal representation of 4280

indigent persons. A contract entered into pursuant to this 4281
division may provide for payment for the services provided on a 4282
per case, hourly, or fixed contract basis. 4283

(C) If a court appoints an attorney pursuant to this section 4284
to represent a petitioner in a postconviction relief proceeding 4285
under section 2953.21 of the Revised Code, the petitioner has 4286
received a sentence of death, and the proceeding relates to that 4287
sentence, the attorney who represents the petitioner in the 4288
proceeding pursuant to the appointment shall be certified under 4289
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 4290
represent indigent defendants charged with or convicted of an 4291
offense for which the death penalty can be or has been imposed. 4292

(D)(1) There is hereby created the capital case attorney fee 4293
council, appointed as described in division (D)(2) of this 4294
section. The council shall set an amount by case, or a rate on an 4295
hourly basis, to be paid under this section to counsel in a 4296
capital case. 4297

(2) The capital case attorney fee council shall consist of 4298
five members, all of whom shall be active judges serving on one of 4299
the district courts of appeals in this state. Terms for council 4300
members shall be the lesser of three years or until the member 4301
ceases to be an active judge of a district court of appeals. The 4302
initial terms shall commence ninety days after ~~the effective date~~ 4303
~~of this amendment~~ September 28, 2016. The chief justice of the 4304
supreme court shall appoint the members of the council, and shall 4305
make all of the appointments not later than sixty days after ~~the~~ 4306
~~effective date of this amendment~~ September 28, 2016. When any 4307
vacancy occurs, the chief justice shall appoint an active judge of 4308
a district court of appeals in this state to fill the vacancy for 4309
the unexpired term, in the same manner as prescribed in this 4310
division. The chief justice shall designate a chairperson from the 4311
appointed members of the council. Members of the council shall 4312

receive no additional compensation for their service as a member, 4313
but may be reimbursed for expenses reasonably incurred in service 4314
to the council, to be paid by the supreme court. The supreme court 4315
may provide administrative support to the council. 4316

(3) The capital case attorney fee council initially shall 4317
meet not later than one hundred twenty days after ~~the effective~~ 4318
~~date of this amendment~~ September 28, 2016. Thereafter, the council 4319
shall meet not less than annually. 4320

(4) Upon setting the amount or rate described in division 4321
(D)(1) of this section, the chairperson of the capital case 4322
attorney fee council promptly shall provide written notice to the 4323
state public defender of the amount or rate so set. The amount or 4324
rate so set shall become effective ninety days after the date on 4325
which the chairperson provides that written notice to the state 4326
public defender. The council shall specify that effective date in 4327
the written notice provided to the state public defender. All 4328
amounts or rates set by the council shall be final, subject to 4329
modification as described in division (D)(5) of this section, and 4330
not subject to appeal. 4331

(5) The capital case attorney fee council may modify an 4332
amount or rate set as described in division (D)(4) of this 4333
section. The provisions of that division apply with respect to any 4334
such modification of an amount or rate. 4335

Sec. 120.34. The total amount of money paid to all counties 4336
in any fiscal year pursuant to sections 120.18, 120.28, and 120.33 4337
of the Revised Code for the reimbursement of a percentage of the 4338
counties' cost of operating county public defender offices, joint 4339
county public defender offices, and county appointed counsel 4340
systems shall not exceed the total amount appropriated for that 4341
fiscal year by the general assembly for the reimbursement of the 4342
counties for the operation of the offices and systems. If the 4343

amount appropriated by the general assembly in any fiscal year is 4344
insufficient to pay fifty per cent of the total cost in the fiscal 4345
year of all county public defender offices, all joint county 4346
public defender offices, and all county appointed counsel systems, 4347
the amount of money paid in that fiscal year pursuant to sections 4348
120.18, 120.28, and 120.33 of the Revised Code to each county for 4349
the fiscal year shall be reduced proportionately so that each 4350
county is paid an equal percentage of its total cost in the fiscal 4351
year for operating its county public defender system, its joint 4352
county public defender system, and its county appointed counsel 4353
system. 4354

The total amount of money paid to all counties in any fiscal 4355
year pursuant to section 120.35 of the Revised Code for the 4356
reimbursement of a percentage of the counties' costs and expenses 4357
of conducting the defense in capital cases shall not exceed the 4358
total amount appropriated for that fiscal year by the general 4359
assembly for the reimbursement of the counties for conducting the 4360
defense in capital cases. If the amount appropriated by the 4361
general assembly in any fiscal year is insufficient to pay ~~fifty~~ 4362
one hundred per cent of the counties' total costs and expenses of 4363
conducting the defense in capital cases in the fiscal year, the 4364
amount of money paid in that fiscal year pursuant to section 4365
120.35 of the Revised Code to each county for the fiscal year 4366
shall be reduced proportionately so that each county is paid an 4367
equal percentage of its costs and expenses of conducting the 4368
defense in capital cases in the fiscal year. 4369

If any county receives an amount of money pursuant to section 4370
120.18, 120.28, 120.33, or 120.35 of the Revised Code that is in 4371
excess of the amount of reimbursement it is entitled to receive 4372
pursuant to this section, the state public defender shall request 4373
the board of county commissioners to return the excess payment and 4374
the board of county commissioners, upon receipt of the request, 4375

shall direct the appropriate county officer to return the excess 4376
payment to the state. 4377

Within thirty days of the end of each fiscal quarter, the 4378
state public defender shall provide to the office of budget and 4379
management and the ~~legislative budget office of the~~ legislative 4380
service commission an estimate of the amount of money that will be 4381
required for the balance of the fiscal year to make the payments 4382
required by sections 120.18, 120.28, 120.33, and 120.35 of the 4383
Revised Code. 4384

Sec. 120.35. The state public defender shall, pursuant to 4385
section 120.18, 120.28, 120.33, or 2941.51 of the Revised Code, 4386
reimburse ~~fifty~~ one hundred per cent of all costs and expenses of 4387
conducting the defense in capital cases. If appropriations are 4388
insufficient to pay ~~fifty~~ one hundred per cent of such costs and 4389
expenses, the state public defender shall reimburse such costs and 4390
expenses as provided in section 120.34 of the Revised Code. 4391

Sec. 120.36. (A)(1) Subject to division (A)(2), (3), (4), 4392
(5), or (6) of this section, if a person who is a defendant in a 4393
criminal case or a party in a case in juvenile court requests or 4394
is provided a state public defender, a county or joint county 4395
public defender, or any other counsel appointed by the court, the 4396
court in which the criminal case is initially filed or the 4397
juvenile court, whichever is applicable, shall assess, unless the 4398
application fee is waived or reduced, a non-refundable application 4399
fee of twenty-five dollars. 4400

The court shall direct the person to pay the application fee 4401
to the clerk of court. The person shall pay the application fee to 4402
the clerk of court at the time the person files ~~an affidavit of~~ 4403
~~indigency or~~ a financial disclosure form with the court, a state 4404
public defender, a county or joint county public defender, or any 4405

other counsel appointed by the court or within seven days of that 4406
date. If the person does not pay the application fee within that 4407
seven-day period, the court shall assess the application fee at 4408
sentencing or at the final disposition of the case. 4409

(2) For purposes of this section, a criminal case includes 4410
any case involving a violation of any provision of the Revised 4411
Code or of an ordinance of a municipal corporation for which the 4412
potential penalty includes loss of liberty and includes any 4413
contempt proceeding in which a court may impose a term of 4414
imprisonment. 4415

(3) In a juvenile court proceeding, the court shall not 4416
assess the application fee against a child if the court appoints a 4417
guardian ad litem for the child or the court appoints an attorney 4418
to represent the child at the request of a guardian ad litem. 4419

(4) The court shall not assess an application fee for a 4420
postconviction proceeding or when the defendant files an appeal. 4421

(5)(a) Except when the court assesses an application fee 4422
pursuant to division (A)(5)(b) of this section, the court shall 4423
assess an application fee when a person is charged with a 4424
violation of a community control sanction or a violation of a 4425
post-release control sanction. 4426

(b) If a charge of violating a community control sanction or 4427
post-release control sanction described in division (A)(5)(a) of 4428
this section results in a person also being charged with violating 4429
any provision of the Revised Code or an ordinance of a municipal 4430
corporation, the court shall only assess an application fee for 4431
the case that results from the additional charge. 4432

(6) If a case is transferred from one court to another court 4433
and the person failed to pay the application fee to the court that 4434
initially assessed the application fee, the court that initially 4435
assessed the fee shall remove the assessment, and the court to 4436

which the case was transferred shall assess the application fee. 4437

(7) The court shall assess an application fee pursuant to 4438
this section one time per case. For purposes of assessing the 4439
application fee, a case means one complete proceeding or trial 4440
held in one court for a person on an indictment, information, 4441
complaint, petition, citation, writ, motion, or other document 4442
initiating a case that arises out of a single incident or a series 4443
of related incidents, or when one individual is charged with two 4444
or more offenses that the court handles simultaneously. The court 4445
may waive or reduce the fee for a specific person in a specific 4446
case upon a finding that the person lacks financial resources that 4447
are sufficient to pay the fee or that payment of the fee would 4448
result in an undue hardship. 4449

(B) No court, state public defender, county or joint county 4450
public defender, or other counsel appointed by the court shall 4451
deny a person the assistance of counsel solely due to the person's 4452
failure to pay the application fee assessed pursuant to division 4453
(A) of this section. A person's present inability, failure, or 4454
refusal to pay the application fee shall not disqualify that 4455
person from legal representation. 4456

(C) The application fee assessed pursuant to division (A) of 4457
this section is separate from and in addition to any other amount 4458
assessed against a person who is found to be able to contribute 4459
toward the cost of the person's legal representation pursuant to 4460
division (D) of section 2941.51 of the Revised Code. 4461

(D) The clerk of the court that assessed the fees shall 4462
forward all application fees collected pursuant to this section to 4463
the county treasurer for deposit in the county treasury. The 4464
county shall retain eighty per cent of the application fees so 4465
collected to offset the costs of providing legal representation to 4466
indigent persons. Not later than the last day of each month, the 4467
county auditor shall remit twenty per cent of the application fees 4468

so collected in the previous month to the state public defender. 4469
The state public defender shall deposit the remitted fees into the 4470
state treasury to the credit of the client payment fund created 4471
pursuant to division (B)(5) of section 120.04 of the Revised Code. 4472
The state public defender may use that money in accordance with 4473
that section. 4474

(E) On or before the twentieth day of each month beginning in 4475
February of the year 2007, each clerk of court shall provide to 4476
the state public defender a report including all of the following: 4477

(1) The number of persons in the previous month who requested 4478
or were provided a state public defender, county or joint county 4479
public defender, or other counsel appointed by the court; 4480

(2) The number of persons in the previous month for whom the 4481
court waived the application fee pursuant to division (A) of this 4482
section; 4483

(3) The dollar value of the application fees assessed 4484
pursuant to division (A) of this section in the previous month; 4485

(4) The amount of assessed application fees collected in the 4486
previous month; 4487

(5) The balance of unpaid assessed application fees at the 4488
open and close of the previous month. 4489

(F) As used in this section: 4490

(1) "Clerk of court" means the clerk of the court of common 4491
pleas of the county, the clerk of the juvenile court of the 4492
county, the clerk of the domestic relations division of the court 4493
of common pleas of the county, the clerk of the probate court of 4494
the county, the clerk of a municipal court in the county, the 4495
clerk of a county-operated municipal court, or the clerk of a 4496

The responsibilities assigned to the executive director do 4533

this section. 4536

(C) The commission or its designee shall do all of the 4537
following: 4538

this chapter shall be construed as eliminating or interfering with 4548
Chapter 4117. of the Revised Code or the rights and benefits 4549
conferred under that chapter to public employees or to any 4550
bargaining unit. 4551

any place within the state; 4553

same manner as other state expenses. For that purpose, the 4558
commission shall prepare and submit to the office of budget and 4559
management a budget for each biennium according to sections 4560
101.532 and 107.03 of the Revised Code. The budget submitted shall 4561

this section may be awarded to a single rural business and 5027
high-growth industry fund and its affiliates. 5028

(2) If the agency denies an application for certification as 5029
a fund, and approving a subsequently submitted application would 5030
result in exceeding the dollar limitation on eligible investment 5031
authority or credit-eligible contributions prescribed by division 5032
(B)(1) of this section assuming the previously denied application 5033
were completed, clarified, or cured under division (D) of this 5034
section, the agency may refrain from making a determination on the 5035
subsequently submitted application until the previously denied 5036
application is reconsidered or the fifteen-day period for 5037
submitting additional information respecting that application has 5038
passed, whichever comes first. 5039

(C) The agency shall deny an application submitted under this 5040
section if any of the following are true: 5041

(1) The application is incomplete. 5042

(2) The application fee is not paid in full. 5043

(3) The applicant does not satisfy all the criteria described 5044
in division (A)(2) of this section. 5045

(4) The revenue impact assessment submitted under division 5046
(A)(5) of this section does not demonstrate that the applicant's 5047
business plan will result in a positive economic impact on this 5048
state over a ten-year period that exceeds the cumulative amount of 5049
tax credits that would be issued under section 122.152 of the 5050
Revised Code if the application were approved. 5051

(5) The credit-eligible capital contributions described in 5052

affidavits submitted under division (A)(6) of this section do not 5053
equal sixty per cent of the total amount of eligible investment 5054
authority sought under the applicant's business plan. 5055

(6) The agency has already approved the maximum total 5056
eligible investment authority and credit-eligible capital 5057
contributions allowed under division (B) of this section or the 5058
maximum amount allowed with respect to the applicant fund under 5059
that division. 5060

(D) If the agency denies an application under division (C) of 5061
this section, the agency shall send notice of its determination to 5062
the applicant. The notice shall include the reason or reasons that 5063
the application was denied. If the application was denied for any 5064
reason other than the reason specified in division (C)(6) of this 5065
section, the applicant may provide additional information to the 5066
agency to complete, clarify, or cure defects in the application. 5067
The additional information must be submitted within fifteen days 5068
after the date the notice of denial was dispatched by the agency. 5069
If the person submits additional information within fifteen days, 5070
the agency shall reconsider the application within thirty days 5071
after receiving the additional information. The application shall 5072
be reviewed and considered before any pending application 5073
submitted after the original submission date of the reconsidered 5074
application. If the person does not submit additional information 5075
within fifteen days after dispatch of the notice of denial, the 5076
person may submit a new application with a new submission date at 5077
any time. 5078

(E) If approving multiple simultaneously submitted 5079
applications would result in exceeding the overall eligible 5080
investment limit prescribed by division (B) of this section, the 5081
agency shall proportionally reduce the eligible investment 5082
authority and the credit-eligible capital contributions for each 5083
approved application as necessary to avoid exceeding the limit. 5084

(F) The agency shall not deny a rural business and high-growth industry fund application or reduce the requested eligible investment authority for reasons other than those described in divisions (C) and (E) of this section. If the agency approves such an application, the agency shall issue all of the following notices: 5085
5086
5087
5088
5089
5090

(1) To the applicant, a written notice certifying that the applicant qualifies as a rural business and high-growth industry fund and specifying the amount of the applicant's eligible investment authority; 5091
5092
5093
5094

(2) To each investor whose affidavit was included in the application, a notice specifying the amount of credit-eligible capital allocated to the investor and the associated tax credit amount; 5095
5096
5097
5098

(3) To the tax commissioner, a notice of the amount and utilization schedule of the tax credits allocated to each investor receiving a notice under division (F)(2) of this section. 5099
5100
5101

(G) A fund shall do all of the following within sixty days of receiving the certification issued under division (F)(1) of this section: 5102
5103
5104

(1) Collect the credit-eligible capital contributions from each investor in the amount set forth in the notice provided to the investor under division (F)(2) of this section; 5105
5106
5107

(2) Collect one or more investments of cash that, when added to the contributions collected under division (G)(1) of this section, equal the fund's eligible investment authority. At least ten per cent of the fund's eligible investment authority shall be comprised of equity investments contributed by affiliates of the fund, including employees, officers, and directors of such affiliates. 5108
5109
5110
5111
5112
5113
5114

Within sixty-five days after receiving the certification 5115

issued under division (F)(1) of this section, the fund shall send 5116
to the agency documentation sufficient to prove that the amounts 5117
described in divisions (G)(1) and (2) of this section have been 5118
collected. If the fund fails to fully comply with division (G) of 5119
this section, the fund's certification shall lapse. 5120

Eligible investment authority and corresponding 5121
credit-eligible capital contributions that lapse under this 5122
division do not count toward limits on total eligible investment 5123
authority and credit-eligible capital contributions prescribed by 5124
division (B) of this section. Once eligible investment authority 5125
has lapsed, the agency shall first award lapsed authority pro rata 5126
to each fund that was awarded less than the requested eligible 5127
investment authority under division (E) of this section. Any 5128
remaining eligible investment authority may be awarded by the 5129
agency to new applicants. 5130

(H) Application fees submitted to the agency pursuant to 5131
division (A)(7) of this section shall be credited to the Ohio 5132
rural and high-growth industry jobs fund, which is hereby created, 5133
and shall be used by the agency to administer this section and 5134
sections 122.15 to 122.156 of the Revised Code. 5135

Sec. 122.152. (A) There is hereby allowed a nonrefundable tax 5136
credit for owners of tax credit certificates issued by the 5137
development services agency under division (B) of this section. 5138
The credit may be claimed against the tax imposed by section 5139
3901.86, 5725.18, 5726.02, 5729.03, or 5729.06 of the Revised 5140
Code. 5141

(B) On the closing date, a taxpayer that made a 5142
credit-eligible capital contribution to a rural business and 5143
high-growth industry fund shall earn a vested credit equal to the 5144
amount specified in the notice issued under division (F)(2) of 5145
section 122.151 of the Revised Code. On or before the third, 5146

fourth, fifth, and sixth anniversary dates of the closing date, 5147
the agency shall issue a tax credit certificate to the taxpayer 5148
specifying the corresponding anniversary date and a credit amount 5149
equal to one-fourth of the total credit authorized under this 5150
section. The owner of the certificate may claim the credit amount 5151
for the taxable year that includes the date specified on the 5152
certificate. A tax credit certificate issued under section 122.151 5153
of the Revised Code may not be sold or transferred except to an 5154
affiliate of the taxpayer that is subject to the tax imposed by 5155
section 3901.86, 5725.18, 5726.02, 5729.03, or 5729.06 of the 5156
Revised Code. The taxpayer making a credit-eligible capital 5157
contribution and the issuance of a tax credit by the agency does 5158
not represent a verification or certification by the agency of 5159
compliance with the recapture provisions of section 122.153 of the 5160
Revised Code. The tax credit earned and vested under this division 5161
is subject to recapture under section 122.153 of the Revised Code. 5162

(C) The credit shall be claimed in the order required under 5163
section 5725.98, 5726.98, or 5729.98 of the Revised Code as 5164
applicable. If the amount of the credit for a taxable year exceeds 5165
the tax otherwise due for that year, the excess shall be carried 5166
forward to ensuing taxable years until fully used. A taxpayer 5167
claiming a credit under this section shall submit a copy of the 5168
tax credit certificate with the taxpayer's return for each taxable 5169
year in which the credit is claimed. 5170

Sec. 122.153. (A) The development services agency shall 5171
recapture tax credits claimed under section 122.152 of the Revised 5172
Code if any of the following occur with respect to a rural 5173
business and high-growth industry fund before the fund is 5174
decertified under division (C) of this section: 5175

(1) The fund in which the credit-eligible capital 5176
contribution was made does not invest fifty per cent of its 5177

eligible investment authority in growth investments within one 5178
year of the closing date and one hundred per cent of its eligible 5179
investment authority in growth investments in this state within 5180
two years of the closing date. 5181

(2) On the second anniversary of the closing date, the fund 5182
has not invested fifty per cent of its eligible investment 5183
authority in growth investments in rural business concerns in this 5184
state and fifty per cent of its eligible investment authority in 5185
growth investments in high-growth industry business concerns in 5186
this state. 5187

(3) The fund, after investing one hundred per cent of its 5188
eligible investment authority in growth investments in this state, 5189
fails to maintain that investment until the sixth anniversary of 5190
the closing date. For the purposes of this division, an investment 5191
is "maintained" even if the investment is sold or repaid so long 5192
as the fund reinvests an amount equal to the capital returned or 5193
recovered by the fund from the original investment, exclusive of 5194
any profits realized, in other growth investments in this state 5195
within twelve months of the receipt of such capital, provided that 5196
the fund shall make the reinvestment even if such twelve-month 5197
anniversary occurs after the fifth anniversary of the closing 5198
date. Amounts received periodically by a fund shall be treated as 5199
continually invested in growth investments if the amounts are 5200
reinvested in one or more growth investments by the end of the 5201
following calendar year, provided that the fund shall make the 5202
reinvestment even if the end of the following calendar year occurs 5203
after the fifth anniversary of the closing date. Except as 5204
otherwise provided by this division, a fund is not required to 5205
reinvest capital returned from growth investments if the capital 5206
is returned after the fifth anniversary of the closing date, and 5207
such growth investments shall be considered held continuously by 5208
the fund through the sixth anniversary of the closing date. 5209

(4) The fund makes a distribution or payment after the fund complies with division (G) of section 122.151 of the Revised Code and before the fund decertifies under division (D) of this section that results in the fund having less than one hundred per cent of its eligible investment authority invested in growth investments in this state or held in cash and other marketable securities.

(5) The fund makes a growth investment in a rural business concern or high-growth industry business concern that directly or indirectly through an affiliate owns, has the right to acquire an ownership interest, makes a loan to, or makes an investment in the fund, an affiliate of the fund, or an investor in the fund. Division (A)(5) of this section does not apply to investments in publicly traded securities by a rural business concern, a high-growth industry business concern, or an owner or affiliate of either such business concerns.

Before recapturing one or more tax credits under this division, the agency shall notify the fund of the reasons for the pending recapture. If the fund corrects the violations outlined in the notice to the satisfaction of the agency within one hundred eighty days of the date the notice was dispatched, the agency shall not recapture the tax credits.

(B)(1) Except as otherwise provided in division (B)(2) of this section, the amount by which one or more growth investments by a fund in the same rural business concern or high-growth industry business concern exceeds twenty per cent of the fund's eligible investment authority shall not be counted as a growth investment for the purposes of division (A) of this section.

(2) The reinvestment of capital that was returned to or recovered by a fund from a growth investment that was sold or repaid shall be counted as a growth investment for the purposes of division (A) of this section even if the reinvestment results in more than twenty per cent of the fund's eligible investment

authority being invested in the same rural business concern or 5242
high-growth industry business concern. 5243

(3) A growth investment in an affiliate of a rural business 5244
concern or high-growth industry business concern shall be treated 5245
as a growth investment in that rural business concern or 5246
high-growth industry business concern for the purposes of division 5247
(B) of this section. 5248

(C)(1) If the agency recaptures a tax credit under division 5249
(A) of this section, the agency shall notify the tax commissioner 5250
and the superintendent of insurance of the recapture. The 5251
superintendent or the commissioner shall make an assessment under 5252
Chapter 5725., 5726., or 5729. of the Revised Code for the amount 5253
of the credit claimed by each certificate owner associated with 5254
the fund before the recapture was finalized. The time limitations 5255
on assessments under those chapters do not apply to an assessment 5256
under this division, but the superintendent or the commissioner 5257
shall make the assessment within one year after the date the 5258
agency notifies the superintendent or the commissioner of the 5259
recapture. Following the recapture of a tax credit under division 5260
(A) of this section, no tax credit certificate associated with the 5261
fund may be utilized. Notwithstanding division (B) of section 5262
122.152 of the Revised Code, if a tax credit is recaptured under 5263
division (A) of this section the agency shall not issue future tax 5264
credit certificates to taxpayers that made credit-eligible capital 5265
contributions to the fund. 5266

(2) If tax credits are recaptured, the associated eligible 5267
investment authority and credit-eligible capital contributions do 5268
not count toward the limit on total eligible investment authority 5269
and credit-eligible capital contributions described by division 5270
(B) of section 122.151 of the Revised Code. The agency shall first 5271
award reverted authority pro rata to each fund that was awarded 5272
less than the requested eligible investment authority under 5273

division (E) of section 122.151 of the Revised Code. Any remaining 5274
eligible investment authority may be awarded by the agency to new 5275
applicants. 5276

(D)(1) On or after the sixth anniversary of the closing date, 5277
a fund that has not committed any of the acts described in 5278
division (A) of this section may apply to the agency to decertify 5279
as a rural business and high-growth industry fund. The agency 5280
shall respond to the application within thirty days after 5281
receiving the application. In evaluating the application, the fact 5282
that no tax credit has been recaptured with respect to the fund 5283
shall be sufficient evidence to prove that the fund is eligible 5284
for decertification. The agency shall not unreasonably deny an 5285
application submitted under this division. 5286

(2) The agency shall send notice of its determination with 5287
respect to an application submitted under division (D)(1) of this 5288
section to the fund. If the application is denied, the notice 5289
shall include the reason or reasons for the determination. 5290

(3) The agency shall not recapture a tax credit due to any 5291
actions of a fund that occur after the date the fund's application 5292
for decertification is approved under division (D) of this 5293
section. This division does not prohibit the agency from 5294
recapturing a tax credit due to the actions of a fund that occur 5295
before the date the fund's application for decertification is 5296
approved, even if those actions are discovered after that date. 5297

Sec. 122.154. (A) Each rural business and high-growth 5298
industry fund shall submit a report to the development services 5299
agency on or before the first day of each March following the end 5300
of the calendar year that includes the closing date until the year 5301
after the fund has decertified. The report shall provide an 5302
itemization of the fund's growth investments and shall include the 5303
following documents and information: 5304

- (1) A bank statement evidencing each growth investment; 5305
- (2) The name, location, and industry class of each business 5306
that received a growth investment from the fund and evidence that 5307
the business qualified as a rural business concern or high-growth 5308
industry business concern at the time the investment was made. If 5309
the fund obtained a written opinion from the agency on the 5310
business's status as a rural business concern or high-growth 5311
industry business concern under division (A) of section 122.156 of 5312
the Revised Code, or if the fund requests such an opinion and the 5313
agency failed to respond within fifteen days as required by that 5314
division, a copy of the agency's favorable opinion or a dated copy 5315
of the fund's unanswered request, as applicable, shall be 5316
sufficient evidence that the business qualified as a rural 5317
business concern or high-growth industry business concern at the 5318
time the investment was made. 5319
- (3) The number of employment positions that existed at each 5320
business described in division (A)(2) of this section on the date 5321
the business received the growth investment; 5322
- (4) The number of new job years resulting from each of the 5323
fund's growth investments made or maintained in the preceding 5324
calendar year, the proportion of those new job years that are with 5325
rural business concerns, and the proportion of those new job years 5326
that are with high-growth industry business concerns; 5327
- (5) Any other information required by the agency. 5328
- (B) Each fund shall submit a report to the agency on or 5329
before the fifth business day after the second anniversary of the 5330
closing date that provides documentation sufficient to prove that 5331
the fund has met the investment thresholds described in divisions 5332
(A)(1) and (2) of section 122.153 of the Revised Code and has not 5333
implicated any of the other recapture provisions described in 5334
divisions (A)(3) to (5) of that section. 5335

(C) Not later than the first day of February each year, the development services agency shall compute the amount of an annual fee to be paid by each certified fund and give notice of the fee to each such fund by mail or by electronic means. The amount of the fee shall equal the quotient obtained by dividing fifty thousand dollars by the number of certified funds on the first day of January of that year. The initial annual fee required of a fund shall be due and payable to the agency along with the submission of documentation required under division (G) of section 122.151 of the Revised Code. Each subsequent annual fee is due and payable on the last day of February following the first and each ensuing anniversary of the closing date. If the fund is required to submit an annual report under division (A) of this section, the annual fee shall be submitted along with the report. No fund shall be required to pay an annual fee after the fund has decertified under division (D) of section 122.153 of the Revised Code.

(D) The director of development services, after consultation with the tax commissioner and the superintendent of insurance and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement sections 122.15 to 122.156 of the Revised Code, including rules pertaining to the computation of new job years, the state reimbursement amount, and the number of retained jobs under section 122.155 of the Revised Code.

Sec. 122.155. (A)(1) For each calendar year in which a rural business and high-growth industry fund makes or maintains a growth investment in a rural business concern or high-growth industry business concern in this state, the fund shall determine the number of new job years produced at the business concern as a result of the investment. New job years shall be computed by subtracting the number of employment positions at the business concern on the date of the fund's initial growth investment in the business concern from the number of employment positions at the

business concern on the last day of the calendar year in which the 5368
investment was made or maintained. If the computation results in a 5369
number less than zero, the number of new job years produced by the 5370
fund's growth investment for that calendar year period shall be 5371
zero. 5372

(2) A fund may determine and include, for the purposes of 5373
this section and section 122.154 of the Revised Code, the number 5374
of new job years produced at a business concern after the year in 5375
which the fund's growth investment is repaid or redeemed. The new 5376
job years shall be computed in the same manner as in division 5377
(A)(1) of this section based on reporting information provided by 5378
the business concern to the fund. 5379

(B) After a fund's application for decertification is 5380
approved under division (D) of section 122.153 of the Revised 5381
Code, the fund shall determine the state reimbursement amount. The 5382
state reimbursement amount shall equal the amount by which the 5383
fund's credit-eligible capital contributions exceed the product 5384
obtained by multiplying thirty thousand dollars by the aggregate 5385
number of new job years for the fund. If that product is greater 5386
than the fund's credit-eligible capital contributions, the state 5387
reimbursement amount shall equal zero. In the absence of 5388
additional information provided by the fund or discovered by the 5389
agency, the number of new job years for the purposes of this 5390
division equals the sum of all new job years reported by the fund 5391
on the annual reports required under division (A) of section 5392
122.154 of the Revised Code. 5393

(C) After the state reimbursement amount is computed under 5394
division (B) of this section, the fund shall not be permitted to 5395
make further distributions to equity holders of the fund without 5396
first remitting to the agency the lesser of the state 5397
reimbursement amount or the remaining balance of the fund after 5398
all persons holding equity in the fund receive a payment or 5399

distribution equal to the person's equity investment and the 5400
person's federal and state tax liability, including penalties and 5401
interest, related to the person's ownership, management, or 5402
operation of the fund. All amounts received by the agency under 5403
this division shall be credited to the general revenue fund. 5404

(D) The director of development services, upon the request of 5405
a fund, may waive all or a portion of the remission required under 5406
division (C) of this section if the director determines, based on 5407
an affidavit of the chief executive officer or president of a 5408
rural business concern or high-growth industry business concern, 5409
that the growth investments of the fund resulted in the retention 5410
of employment positions that would have otherwise been eliminated 5411
at rural business concerns and high-growth industry business 5412
concerns in this state. The amount waived shall not exceed the 5413
product of thirty thousand dollars multiplied by the number of 5414
retained employment positions multiplied by the number of years in 5415
which the fund made or maintained a growth investment in the 5416
business concern that retained the employment positions. 5417

Sec. 122.156. (A) A rural business and high-growth industry 5418
fund, before investing in a business, may request a written 5419
opinion from the development services agency as to whether the 5420
business qualifies as a rural business concern or a high-growth 5421
industry business concern based on the criteria prescribed by 5422
section 122.15 of the Revised Code. The request shall be submitted 5423
in a form prescribed by rule of the agency. The agency shall issue 5424
a written opinion to the fund within fifteen business days of 5425
receiving such a request. Notwithstanding division (I) of section 5426
122.15 of the Revised Code, if the agency determines that the 5427
business qualifies as a rural business concern or high-growth 5428
industry business concern, or if the agency fails to timely issue 5429
the written opinion as required under this section, the business 5430
shall be considered a rural business concern or high-growth 5431

industry business concern for the purposes of sections 122.15 to 5432
122.156 of the Revised Code. 5433

(B) Upon the request of a fund or an operating company, the 5434
agency may certify an operating company as a high-growth industry 5435
business concern, irrespective of the industry in which the 5436
operating company is engaged, if the agency determines that a 5437
growth investment in the operating company would be beneficial to 5438
the economic growth of the state. 5439

Sec. 122.17. (A) As used in this section: 5440

(1) "Payroll" means the total taxable income paid by the 5441
employer during the employer's taxable year, or during the 5442
calendar year that includes the employer's tax period, to each 5443
employee or each home-based employee employed in the project to 5444
the extent such payroll is not used to determine the credit under 5445
section 122.171 of the Revised Code. "Payroll" excludes amounts 5446
paid before the day the taxpayer becomes eligible for the credit 5447
and retirement or other benefits paid or contributed by the 5448
employer to or on behalf of employees. 5449

(2) "Baseline payroll" means Ohio employee payroll, except 5450
that the applicable measurement period is the twelve months 5451
immediately preceding the date the tax credit authority approves 5452
the taxpayer's application or the date the tax credit authority 5453
receives the recommendation described in division (C)(2)(a) of 5454
this section, whichever occurs first, multiplied by the sum of one 5455
plus an annual pay increase factor to be determined by the tax 5456
credit authority. 5457

(3) "Ohio employee payroll" means the amount of compensation 5458
used to determine the withholding obligations in division (A) of 5459
section 5747.06 of the Revised Code and paid by the employer 5460
during the employer's taxable year, or during the calendar year 5461
that includes the employer's tax period, to each the following: 5462

(a) An employee employed in the project who is a resident of this state, as defined in section 5747.01 of the Revised Code, to each including a qualifying work-from-home employee not designated as a home-based employee by an applicant under division (C)(1) of this section; 5463
5464
5465
5466
5467

(b) An employee employed at the project site location who is not a resident and whose compensation is not exempt from the tax imposed under section 5747.02 of the Revised Code pursuant to a reciprocity agreement with another state under division (A)(3) of section 5747.05 of the Revised Code, or to each; 5468
5469
5470
5471
5472

(c) A home-based employee employed in the project, to the extent. 5473
5474

5481

(5) "Home-based employee" means an employee whose services are performed primarily from the employee's residence in this state exclusively for the benefit of the project and whose rate of pay is at least one hundred thirty-one per cent of the federal minimum wage under 29 U.S.C. 206. 5482

5485
5486

(6) "Full-time equivalent employees" means the quotient obtained by dividing the total number of hours for which employees were compensated for employment in the project by two thousand eighty. "Full-time equivalent employees" excludes hours that are counted for a credit under section 122.171 of the Revised Code. 5487

5489
5490
5491

(7) "Metric evaluation date" means the date by which the taxpayer must meet all of the commitments included in the 5492
5493

agreement. 5494

(8) "Qualifying work-from-home employee" means an employee 5495
who is a resident of this state and whose services are supervised 5496
from the employer's project location and performed primarily from 5497
a residence of the employee located in this state. 5498

(9) "Resident" or "resident of this state" means an 5499
individual who is a resident as defined in section 5747.01 of the 5500
Revised Code. 5501

(B) The tax credit authority may make grants under this 5502
section to foster job creation in this state. Such a grant shall 5503
take the form of a refundable credit allowed against the tax 5504
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 5505
5747.02 or levied under Chapter 5751. of the Revised Code. The 5506
credit shall be claimed for the taxable years or tax periods 5507
specified in the taxpayer's agreement with the tax credit 5508
authority under division (D) of this section. With respect to 5509
taxes imposed under section 5726.02, 5733.06, or 5747.02 or 5510
Chapter 5751. of the Revised Code, the credit shall be claimed in 5511
the order required under section 5726.98, 5733.98, 5747.98, or 5512
5751.98 of the Revised Code. The amount of the credit available 5513
for a taxable year or for a calendar year that includes a tax 5514
period equals the excess payroll for that year multiplied by the 5515
percentage specified in the agreement with the tax credit 5516
authority. 5517

(C)(1) A taxpayer or potential taxpayer who proposes a 5518
project to create new jobs in this state may apply to the tax 5519
credit authority to enter into an agreement for a tax credit under 5520
this section. 5521

An application shall not propose to include both home-based 5522
employees and employees who are not home-based employees in the 5523
computation of Ohio employee payroll for the purposes of the same 5524

tax credit agreement, except that a qualifying work-from-home 5525
employee shall not be considered to be a home-based employee 5526
unless so designated by the applicant. If a taxpayer or potential 5527
taxpayer employs both home-based employees and employees who are 5528
not home-based employees in a project, the taxpayer shall submit 5529
separate applications for separate tax credit agreements for the 5530
project, one of which shall include home-based employees in the 5531
computation of Ohio employee payroll and one of which shall 5532
include all other employees in the computation of Ohio employee 5533
payroll. 5534

The director of development services shall prescribe the form 5535
of the application. After receipt of an application, the authority 5536
may enter into an agreement with the taxpayer for a credit under 5537
this section if it determines all of the following: 5538

(a) The taxpayer's project will increase payroll; 5539

(b) The taxpayer's project is economically sound and will 5540
benefit the people of this state by increasing opportunities for 5541
employment and strengthening the economy of this state; 5542

(c) Receiving the tax credit is a major factor in the 5543
taxpayer's decision to go forward with the project. 5544

(2)(a) A taxpayer that chooses to begin the project prior to 5545
receiving the determination of the authority may, upon submitting 5546
the taxpayer's application to the authority, request that the 5547
chief investment officer of the nonprofit corporation formed under 5548
section 187.01 of the Revised Code and the director review the 5549
taxpayer's application and recommend to the authority that the 5550
taxpayer's application be considered. As soon as possible after 5551
receiving such a request, the chief investment officer and the 5552
director shall review the taxpayer's application and, if they 5553
determine that the application warrants consideration by the 5554
authority, make that recommendation to the authority not later 5555

than six months after the application is received by the 5556
authority. 5557

(b) The authority shall consider any taxpayer's application 5558
for which it receives a recommendation under division (C)(2)(a) of 5559
this section. If the authority determines that the taxpayer does 5560
not meet all of the criteria set forth in division (C)(1) of this 5561
section, the authority and the development services agency shall 5562
proceed in accordance with rules adopted by the director pursuant 5563
to division (I) of this section. 5564

(D) An agreement under this section shall include all of the 5565
following: 5566

(1) A detailed description of the project that is the subject 5567
of the agreement; 5568

(2)(a) The term of the tax credit, which, except as provided 5569
in division (D)(2)(b) of this section, shall not exceed fifteen 5570
years, and the first taxable year, or first calendar year that 5571
includes a tax period, for which the credit may be claimed; 5572

(b) If the tax credit is computed on the basis of home-based 5573
employees, the term of the credit shall expire on or before the 5574
last day of the taxable or calendar year ending before the 5575
beginning of the seventh year after September 6, 2012, the 5576
effective date of H.B. 327 of the 129th general assembly. 5577

(3) A requirement that the taxpayer shall maintain operations 5578
at the project location for at least the greater of seven years or 5579
the term of the credit plus three years; 5580

(4) The percentage, as determined by the tax credit 5581
authority, of excess payroll that will be allowed as the amount of 5582
the credit for each taxable year or for each calendar year that 5583
includes a tax period; 5584

(5) The pay increase factor to be applied to the taxpayer's 5585

baseline payroll; 5586

(6) A requirement that the taxpayer annually shall report to 5587
the director of development services full-time equivalent 5588
employees, payroll, Ohio employee payroll, investment, the 5589
provision of health care benefits and tuition reimbursement if 5590
required in the agreement, and other information the director 5591
needs to perform the director's duties under this section; 5592

(7) A requirement that the director of development services 5593
annually review the information reported under division (D)(6) of 5594
this section and verify compliance with the agreement; if the 5595
taxpayer is in compliance, a requirement that the director issue a 5596
certificate to the taxpayer stating that the information has been 5597
verified and identifying the amount of the credit that may be 5598
claimed for the taxable or calendar year; 5599

(8) A provision providing that the taxpayer may not relocate 5600
a substantial number of employment positions from elsewhere in 5601
this state to the project location unless the director of 5602
development services determines that the legislative authority of 5603
the county, township, or municipal corporation from which the 5604
employment positions would be relocated has been notified by the 5605
taxpayer of the relocation. 5606

For purposes of this section, the movement of an employment 5607
position from one political subdivision to another political 5608
subdivision shall be considered a relocation of an employment 5609
position unless the employment position in the first political 5610
subdivision is replaced. The movement of a qualifying 5611
work-from-home employee to a different residence located in this 5612
state or to the project location shall not be considered a 5613
relocation of an employment position. 5614

(9) If the tax credit is computed on the basis of home-based 5615
employees, that the tax credit may not be claimed by the taxpayer 5616

until the taxable year or tax period in which the taxpayer employs 5617
at least two hundred employees more than the number of employees 5618
the taxpayer employed on June 30, 2011. 5619

(E) If a taxpayer fails to meet or comply with any condition 5620
or requirement set forth in a tax credit agreement, the tax credit 5621
authority may amend the agreement to reduce the percentage or term 5622
of the tax credit. The reduction of the percentage or term may 5623
take effect in the current taxable or calendar year. 5624

(F) Projects that consist solely of point-of-final-purchase 5625
retail facilities are not eligible for a tax credit under this 5626
section. If a project consists of both point-of-final-purchase 5627
retail facilities and nonretail facilities, only the portion of 5628
the project consisting of the nonretail facilities is eligible for 5629
a tax credit and only the excess payroll from the nonretail 5630
facilities shall be considered when computing the amount of the 5631
tax credit. If a warehouse facility is part of a 5632
point-of-final-purchase retail facility and supplies only that 5633
facility, the warehouse facility is not eligible for a tax credit. 5634
Catalog distribution centers are not considered 5635
point-of-final-purchase retail facilities for the purposes of this 5636
division, and are eligible for tax credits under this section. 5637

(G) Financial statements and other information submitted to 5638
the development services agency or the tax credit authority by an 5639
applicant or recipient of a tax credit under this section, and any 5640
information taken for any purpose from such statements or 5641
information, are not public records subject to section 149.43 of 5642
the Revised Code. However, the chairperson of the authority may 5643
make use of the statements and other information for purposes of 5644
issuing public reports or in connection with court proceedings 5645
concerning tax credit agreements under this section. Upon the 5646
request of the tax commissioner or, if the applicant or recipient 5647
is an insurance company, upon the request of the superintendent of 5648

insurance, the chairperson of the authority shall provide to the 5649
commissioner or superintendent any statement or information 5650
submitted by an applicant or recipient of a tax credit in 5651
connection with the credit. The commissioner or superintendent 5652
shall preserve the confidentiality of the statement or 5653
information. 5654

(H) A taxpayer claiming a credit under this section shall 5655
submit to the tax commissioner or, if the taxpayer is an insurance 5656
company, to the superintendent of insurance, a copy of the 5657
director of development services' certificate of verification 5658
under division (D)(7) of this section with the taxpayer's tax 5659
report or return for the taxable year or for the calendar year 5660
that includes the tax period. Failure to submit a copy of the 5661
certificate with the report or return does not invalidate a claim 5662
for a credit if the taxpayer submits a copy of the certificate to 5663
the commissioner or superintendent within the time prescribed by 5664
section 5703.0510 of the Revised Code or within thirty days after 5665
the commissioner or superintendent requests it. 5666

(I) The director of development services, after consultation 5667
with the tax commissioner and the superintendent of insurance and 5668
in accordance with Chapter 119. of the Revised Code, shall adopt 5669
rules necessary to implement this section, including rules that 5670
establish a procedure to be followed by the tax credit authority 5671
and the development services agency in the event the authority 5672
considers a taxpayer's application for which it receives a 5673
recommendation under division (C)(2)(a) of this section but does 5674
not approve it. The rules may provide for recipients of tax 5675
credits under this section to be charged fees to cover 5676
administrative costs of the tax credit program. For the purposes 5677
of these rules, a qualifying work-from-home employee shall be 5678
considered to be an employee employed at the applicant's project 5679
location. The fees collected shall be credited to the ~~business~~ 5680

~~assistance tax incentives operating~~ fund created in section 5681
122.174 of the Revised Code. At the time the director gives public 5682
notice under division (A) of section 119.03 of the Revised Code of 5683
the adoption of the rules, the director shall submit copies of the 5684
proposed rules to the chairpersons of the standing committees on 5685
economic development in the senate and the house of 5686
representatives. 5687

(J) For the purposes of this section, a taxpayer may include 5688
a partnership, a corporation that has made an election under 5689
subchapter S of chapter one of subtitle A of the Internal Revenue 5690
Code, or any other business entity through which income flows as a 5691
distributive share to its owners. A partnership, S-corporation, or 5692
other such business entity may elect to pass the credit received 5693
under this section through to the persons to whom the income or 5694
profit of the partnership, S-corporation, or other entity is 5695
distributed. The election shall be made on the annual report 5696
required under division (D)(6) of this section. The election 5697
applies to and is irrevocable for the credit for which the report 5698
is submitted. If the election is made, the credit shall be 5699
apportioned among those persons in the same proportions as those 5700
in which the income or profit is distributed. 5701

(K)(1) If the director of development services determines 5702
that a taxpayer who has received a credit under this section is 5703
not complying with the requirements of the agreement, the director 5704
shall notify the tax credit authority of the noncompliance. After 5705
receiving such a notice, and after giving the taxpayer an 5706
opportunity to explain the noncompliance, the tax credit authority 5707
may require the taxpayer to refund to this state a portion of the 5708
credit in accordance with the following: 5709

(a) If the taxpayer fails to comply with the requirement 5710
under division (D)(3) of this section, an amount determined in 5711
accordance with the following: 5712

(i) If the taxpayer maintained operations at the project 5713
location for a period less than or equal to the term of the 5714
credit, an amount not exceeding one hundred per cent of the sum of 5715
any credits allowed and received under this section; 5716

(ii) If the taxpayer maintained operations at the project 5717
location for a period longer than the term of the credit, but less 5718
than the greater of seven years or the term of the credit plus 5719
three years, an amount not exceeding seventy-five per cent of the 5720
sum of any credits allowed and received under this section. 5721

(b) If, on the metric evaluation date, the taxpayer fails to 5722
substantially meet the job creation, payroll, or investment 5723
requirements included in the agreement, an amount determined at 5724
the discretion of the authority; 5725

(c) If the taxpayer fails to substantially maintain the 5726
number of new full-time equivalent employees or amount of payroll 5727
required under the agreement at any time during the term of the 5728
agreement after the metric evaluation date, an amount determined 5729
at the discretion of the authority. 5730

(2) If a taxpayer files for bankruptcy and fails as described 5731
in division (K)(1)(a), (b), or (c) of this section, the director 5732
may immediately commence an action to recoup an amount not 5733
exceeding one hundred per cent of the sum of any credits received 5734
by the taxpayer under this section. 5735

(3) In determining the portion of the tax credit to be 5736
refunded to this state, the tax credit authority shall consider 5737
the effect of market conditions on the taxpayer's project and 5738
whether the taxpayer continues to maintain other operations in 5739
this state. After making the determination, the authority shall 5740
certify the amount to be refunded to the tax commissioner or 5741
superintendent of insurance, as appropriate. If the amount is 5742
certified to the commissioner, the commissioner shall make an 5743

assessment for that amount against the taxpayer under Chapter 5744
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 5745
amount is certified to the superintendent, the superintendent 5746
shall make an assessment for that amount against the taxpayer 5747
under Chapter 5725. or 5729. of the Revised Code. The time 5748
limitations on assessments under those chapters do not apply to an 5749
assessment under this division, but the commissioner or 5750
superintendent, as appropriate, shall make the assessment within 5751
one year after the date the authority certifies to the 5752
commissioner or superintendent the amount to be refunded. 5753

(L) On or before the first day of August each year, the 5754
director of development services shall submit a report to the 5755
governor, the president of the senate, and the speaker of the 5756
house of representatives on the tax credit program under this 5757
section. The report shall include information on the number of 5758
agreements that were entered into under this section during the 5759
preceding calendar year, a description of the project that is the 5760
subject of each such agreement, and an update on the status of 5761
projects under agreements entered into before the preceding 5762
calendar year. 5763

(M) There is hereby created the tax credit authority, which 5764
consists of the director of development services and four other 5765
members appointed as follows: the governor, the president of the 5766
senate, and the speaker of the house of representatives each shall 5767
appoint one member who shall be a specialist in economic 5768
development; the governor also shall appoint a member who is a 5769
specialist in taxation. Terms of office shall be for four years. 5770
Each member shall serve on the authority until the end of the term 5771
for which the member was appointed. Vacancies shall be filled in 5772
the same manner provided for original appointments. Any member 5773
appointed to fill a vacancy occurring prior to the expiration of 5774
the term for which the member's predecessor was appointed shall 5775

hold office for the remainder of that term. Members may be 5776
reappointed to the authority. Members of the authority shall 5777
receive their necessary and actual expenses while engaged in the 5778
business of the authority. The director of development services 5779
shall serve as chairperson of the authority, and the members 5780
annually shall elect a vice-chairperson from among themselves. 5781
Three members of the authority constitute a quorum to transact and 5782
vote on the business of the authority. The majority vote of the 5783
membership of the authority is necessary to approve any such 5784
business, including the election of the vice-chairperson. 5785

The director of development services may appoint a 5786
professional employee of the development services agency to serve 5787
as the director's substitute at a meeting of the authority. The 5788
director shall make the appointment in writing. In the absence of 5789
the director from a meeting of the authority, the appointed 5790
substitute shall serve as chairperson. In the absence of both the 5791
director and the director's substitute from a meeting, the 5792
vice-chairperson shall serve as chairperson. 5793

(N) For purposes of the credits granted by this section 5794
against the taxes imposed under sections 5725.18 and 5729.03 of 5795
the Revised Code, "taxable year" means the period covered by the 5796
taxpayer's annual statement to the superintendent of insurance. 5797

(O) On or before the first day of March of each of the five 5798
calendar years beginning with 2014, each taxpayer subject to an 5799
agreement with the tax credit authority under this section on the 5800
basis of home-based employees shall report the number of 5801
home-based employees and other employees employed by the taxpayer 5802
in this state to the development services agency. 5803

(P) On or before the first day of January of 2019, the 5804
director of development services shall submit a report to the 5805
governor, the president of the senate, and the speaker of the 5806
house of representatives on the effect of agreements entered into 5807

under this section in which the taxpayer included home-based 5808
employees in the computation of income tax revenue, as that term 5809
was defined in this section prior to the amendment of this section 5810
by H.B. 64 of the 131st general assembly. The report shall include 5811
information on the number of such agreements that were entered 5812
into in the preceding six years, a description of the projects 5813
that were the subjects of such agreements, and an analysis of 5814
nationwide home-based employment trends, including the number of 5815
home-based jobs created from July 1, 2011, through June 30, 2017, 5816
and a description of any home-based employment tax incentives 5817
provided by other states during that time. 5818

(Q) The director of development services may require any 5819
agreement entered into under this section for a tax credit 5820
computed on the basis of home-based employees to contain a 5821
provision that the taxpayer makes available health care benefits 5822
and tuition reimbursement to all employees. 5823

(R) Original agreements approved by the tax credit authority 5824
under this section in 2014 or 2015 before ~~the effective date of~~ 5825
~~this division~~ September 29, 2015, may be revised at the request of 5826
the taxpayer to conform with the amendments to this section and 5827
sections 5733.0610, 5736.50, 5747.058, and 5751.50 of the Revised 5828
Code by H.B. 64 of the 131st general assembly, upon mutual 5829
agreement of the taxpayer and the development services agency, and 5830
approval by the tax credit authority. 5831

(S)(1) As used in division (S) of this section: 5832

(a) "Eligible agreement" means an agreement approved by the 5833
tax credit authority under this section on or before December 31, 5834
2013. 5835

(b) "Reporting period" means a period corresponding to the 5836
annual report required under division (D)(6) of this section. 5837

(c) "Income tax revenue" has the same meaning as under this 5838

section as it existed before September 29, 2015, the effective 5839
date of the amendment of this section by H.B. 64 of the 131st 5840
general assembly. 5841

(2) In calendar year 2016 and thereafter, the tax credit 5842
authority shall annually determine a withholding adjustment factor 5843
to be used in the computation of income tax revenue for eligible 5844
agreements. The withholding adjustment factor shall be a numerical 5845
percentage that equals the percentage that employer income tax 5846
withholding rates have been increased or decreased as a result of 5847
changes in the income tax rates prescribed by section 5747.02 of 5848
the Revised Code by amendment of that section taking effect on or 5849
after June 29, 2013. 5850

(3) Except as provided in division (S)(4) of this section, 5851
for reporting periods ending in 2015 and thereafter for taxpayers 5852
subject to eligible agreements, the tax credit authority shall 5853
adjust the income tax revenue reported on the taxpayer's annual 5854
report by multiplying the withholding adjustment factor by the 5855
taxpayer's income tax revenue and doing one of the following: 5856

(a) If the income tax rates prescribed by section 5747.02 of 5857
the Revised Code have decreased by amendment of that section 5858
taking effect on or after June 29, 2013, add the product to the 5859
taxpayer's income tax revenue. 5860

(b) If the income tax rates prescribed by section 5747.02 of 5861
the Revised Code have increased by amendment of that section 5862
taking effect on or after June 29, 2013, subtract the product from 5863
the taxpayer's income tax revenue. 5864

(4) Division (S)(3) of this section shall not apply unless 5865
all of the following apply for the reporting period with respect 5866
to the eligible agreement: 5867

(a) The taxpayer has achieved one hundred per cent of the new 5868
employment commitment identified in the agreement. 5869

(b) If applicable, the taxpayer has achieved one hundred per cent of the new payroll commitment identified in the agreement. 5870
5871

(c) If applicable, the taxpayer has achieved one hundred per cent of the investment commitment identified in the agreement. 5872
5873

(5) Failure by a taxpayer to have achieved any of the applicable commitments described in divisions (S)(4)(a) to (c) of this section in a reporting period does not disqualify the taxpayer for the adjustment under division (S) of this section for an ensuing reporting period. 5874

taxpayer's taxable year or tax period with respect to which the 5905
credit is granted; 5906

(ii) If the taxpayer is engaged at the project site primarily 5907
in significant corporate administrative functions, as defined by 5908
the director of development services by rule, at least twenty 5909
million dollars in the aggregate at the project site during a 5910
period of three consecutive calendar years including the calendar 5911
year that includes a day of the taxpayer's taxable year or tax 5912
period with respect to which the credit is granted. 5913

(c) The taxpayer had a capital investment project reviewed 5914
and approved by the tax credit authority as provided in divisions 5915
(C), (D), and (E) of this section. 5916

(3) "Full-time equivalent employees" means the quotient 5917
obtained by dividing the total number of hours for which employees 5918
were compensated for employment in the project by two thousand 5919
eighty. "Full-time equivalent employees" shall exclude hours that 5920
are counted for a credit under section 122.17 of the Revised Code. 5921

(4) "Ohio employee payroll" has the same meaning as in 5922
section 122.17 of the Revised Code. 5923

(5) "Manufacturer" has the same meaning as in section 5924
5739.011 of the Revised Code. 5925

(6) "Project site" means an integrated complex of facilities 5926
in this state, as specified by the tax credit authority under this 5927
section, within a fifteen-mile radius where a taxpayer is 5928
primarily operating as an eligible business. 5929

(7) "Related member" has the same meaning as in section 5930
5733.042 of the Revised Code as that section existed on the 5931
effective date of its amendment by Am. Sub. H.B. 215 of the 122nd 5932
general assembly, September 29, 1997. 5933

(8) "Taxable year" includes, in the case of a domestic or 5934
foreign insurance company, the calendar year ending on the 5935
thirty-first day of December preceding the day the superintendent 5936
of insurance is required to certify to the treasurer of state 5937
under section 5725.20 or 5729.05 of the Revised Code the amount of 5938
taxes due from insurance companies. 5939

(B) The tax credit authority created under section 122.17 of 5940
the Revised Code may grant a nonrefundable tax credit to an 5941
eligible business under this section for the purpose of fostering 5942
job retention in this state. Upon application by an eligible 5943
business and upon consideration of the determination of the 5944
director of budget and management, tax commissioner, and the 5945
superintendent of insurance in the case of an insurance company, 5946
and the recommendation and determination of the director of 5947
development services under division (C) of this section, the tax 5948
credit authority may grant the credit against the tax imposed by 5949
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 5950
5751.02 of the Revised Code. 5951

The credit authorized in this section may be granted for a 5952
period up to fifteen taxable years or, in the case of the tax 5953
levied by section 5736.02 or 5751.02 of the Revised Code, for a 5954
period of up to fifteen calendar years. The credit amount for a 5955
taxable year or a calendar year that includes the tax period for 5956
which a credit may be claimed equals the Ohio employee payroll for 5957
that year multiplied by the percentage specified in the agreement 5958
with the tax credit authority. The credit shall be claimed in the 5959
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 5960
5747.98, or 5751.98 of the Revised Code. In determining the 5961

percentage and term of the credit, the tax credit authority shall 5962
consider both the number of full-time equivalent employees and the 5963
value of the capital investment project. The credit amount may not 5964
be based on the Ohio employee payroll for a calendar year before 5965
the calendar year in which the tax credit authority specifies the 5966
tax credit is to begin, and the credit shall be claimed only for 5967
the taxable years or tax periods specified in the eligible 5968
business' agreement with the tax credit authority. In no event 5969
shall the credit be claimed for a taxable year or tax period 5970
terminating before the date specified in the agreement. 5971

If a credit allowed under this section for a taxable year or 5972
tax period exceeds the taxpayer's tax liability for that year or 5973
period, the excess may be carried forward for the three succeeding 5974
taxable or calendar years, but the amount of any excess credit 5975
allowed in any taxable year or tax period shall be deducted from 5976
the balance carried forward to the succeeding year or period. 5977

(C) A taxpayer that proposes a capital investment project to 5978
retain jobs in this state may apply to the tax credit authority to 5979
enter into an agreement for a tax credit under this section. The 5980
director of development services shall prescribe the form of the 5981
application. After receipt of an application, the authority shall 5982
forward copies of the application to the director of budget and 5983
management, the tax commissioner, and the superintendent of 5984
insurance in the case of an insurance company, each of whom shall 5985
review the application to determine the economic impact the 5986
proposed project would have on the state and the affected 5987
political subdivisions and shall submit a summary of their 5988
determinations to the authority. The authority shall also forward 5989
a copy of the application to the director of development services, 5990
who shall review the application to determine the economic impact 5991
the proposed project would have on the state and the affected 5992
political subdivisions and shall submit a summary of the 5993

director's determinations and recommendations to the authority. 5994

(D) Upon review and consideration of the determinations and 5995
recommendations described in division (C) of this section, the tax 5996
credit authority may enter into an agreement with the taxpayer for 5997
a credit under this section if the authority determines all of the 5998
following: 5999

(1) The taxpayer's capital investment project will result in 6000
the retention of employment in this state. 6001

(2) The taxpayer is economically sound and has the ability to 6002
complete the proposed capital investment project. 6003

(3) The taxpayer intends to and has the ability to maintain 6004
operations at the project site for at least the greater of (a) the 6005
term of the credit plus three years, or (b) seven years. 6006

(4) Receiving the credit is a major factor in the taxpayer's 6007
decision to begin, continue with, or complete the project. 6008

(E) An agreement under this section shall include all of the 6009
following: 6010

(1) A detailed description of the project that is the subject 6011
of the agreement, including the amount of the investment, the 6012
period over which the investment has been or is being made, the 6013
number of full-time equivalent employees at the project site, and 6014
the anticipated Ohio employee payroll to be generated. 6015

(2) The term of the credit, the percentage of the tax credit, 6016
the maximum annual value of tax credits that may be allowed each 6017
year, and the first year for which the credit may be claimed. 6018

(3) A requirement that the taxpayer maintain operations at 6019
the project site for at least the greater of (a) the term of the 6020
credit plus three years, or (b) seven years. 6021

(4) A requirement that the taxpayer retain at least five 6022
hundred full-time equivalent employees at the project site and 6023

within this state for the entire term of the credit, or a 6024
requirement that the taxpayer maintain an annual Ohio employee 6025
payroll of at least thirty-five million dollars for the entire 6026
term of the credit. 6027

(5) A requirement that the taxpayer annually report to the 6028
director of development services full-time equivalent employees, 6029
Ohio employee payroll, capital investment, and other information 6030
the director needs to perform the director's duties under this 6031
section. 6032

(6) A requirement that the director of development services 6033
annually review the annual reports of the taxpayer to verify the 6034
information reported under division (E)(5) of this section and 6035
compliance with the agreement. Upon verification, the director 6036
shall issue a certificate to the taxpayer stating that the 6037
information has been verified and identifying the amount of the 6038
credit for the taxable year or calendar year that includes the tax 6039
period. In determining the number of full-time equivalent 6040
employees, no position shall be counted that is filled by an 6041
employee who is included in the calculation of a tax credit under 6042
section 122.17 of the Revised Code. 6043

(7) A provision providing that the taxpayer may not relocate 6044
a substantial number of employment positions from elsewhere in 6045
this state to the project site unless the director of development 6046
services determines that the taxpayer notified the legislative 6047
authority of the county, township, or municipal corporation from 6048
which the employment positions would be relocated. 6049

For purposes of this section, the movement of an employment 6050
position from one political subdivision to another political 6051
subdivision shall be considered a relocation of an employment 6052
position unless the movement is confined to the project site. The 6053
transfer of an employment position from one political subdivision 6054
to another political subdivision shall not be considered a 6055

relocation of an employment position if the employment position in 6056
the first political subdivision is replaced by another employment 6057
position. 6058

(8) A waiver by the taxpayer of any limitations periods 6059
relating to assessments or adjustments resulting from the 6060
taxpayer's failure to comply with the agreement. 6061

(F) If a taxpayer fails to meet or comply with any condition 6062
or requirement set forth in a tax credit agreement, the tax credit 6063
authority may amend the agreement to reduce the percentage or term 6064
of the credit. The reduction of the percentage or term may take 6065
effect in the current taxable or calendar year. 6066

(G) Financial statements and other information submitted to 6067
the department of development services or the tax credit authority 6068
by an applicant for or recipient of a tax credit under this 6069
section, and any information taken for any purpose from such 6070
statements or information, are not public records subject to 6071
section 149.43 of the Revised Code. However, the chairperson of 6072
the authority may make use of the statements and other information 6073
for purposes of issuing public reports or in connection with court 6074
proceedings concerning tax credit agreements under this section. 6075
Upon the request of the tax commissioner, or the superintendent of 6076
insurance in the case of an insurance company, the chairperson of 6077
the authority shall provide to the commissioner or superintendent 6078
any statement or other information submitted by an applicant for 6079
or recipient of a tax credit in connection with the credit. The 6080
commissioner or superintendent shall preserve the confidentiality 6081
of the statement or other information. 6082

(H) A taxpayer claiming a tax credit under this section shall 6083
submit to the tax commissioner or, in the case of an insurance 6084
company, to the superintendent of insurance, a copy of the 6085
director of development services' certificate of verification 6086
under division (E)(6) of this section with the taxpayer's tax 6087

report or return for the taxable year or for the calendar year 6088
that includes the tax period. Failure to submit a copy of the 6089
certificate with the report or return does not invalidate a claim 6090
for a credit if the taxpayer submits a copy of the certificate to 6091
the commissioner or superintendent within the time prescribed by 6092
section 5703.0510 of the Revised Code or within thirty days after 6093
the commissioner or superintendent requests it. 6094

(I) For the purposes of this section, a taxpayer may include 6095
a partnership, a corporation that has made an election under 6096
subchapter S of chapter one of subtitle A of the Internal Revenue 6097
Code, or any other business entity through which income flows as a 6098
distributive share to its owners. A partnership, S-corporation, or 6099
other such business entity may elect to pass the credit received 6100
under this section through to the persons to whom the income or 6101
profit of the partnership, S-corporation, or other entity is 6102
distributed. The election shall be made on the annual report 6103
required under division (E)(5) of this section. The election 6104
applies to and is irrevocable for the credit for which the report 6105
is submitted. If the election is made, the credit shall be 6106
apportioned among those persons in the same proportions as those 6107
in which the income or profit is distributed. 6108

(J)(1) If the director of development services determines 6109
that a taxpayer that received a certificate under division (E)(6) 6110
of this section is not complying with the requirements of the 6111
agreement, the director shall notify the tax credit authority of 6112
the noncompliance. After receiving such a notice, and after giving 6113
the taxpayer an opportunity to explain the noncompliance, the 6114
authority may terminate the agreement and require the taxpayer, or 6115
any related member or members that claimed the tax credit under 6116
division (N) of this section, to refund to the state all or a 6117
portion of the credit claimed in previous years, as follows: 6118

(a) If the taxpayer fails to comply with the requirement 6119

under division (E)(3) of this section, an amount determined in 6120
accordance with the following: 6121

(i) If the taxpayer maintained operations at the project site 6122
for less than or equal to the term of the credit, an amount not to 6123
exceed one hundred per cent of the sum of any tax credits allowed 6124
and received under this section. 6125

(ii) If the taxpayer maintained operations at the project 6126
site longer than the term of the credit, but less than the greater 6127
of seven years or the term of the credit plus three years, the 6128
amount required to be refunded shall not exceed seventy-five per 6129
cent of the sum of any tax credits allowed and received under this 6130
section. 6131

(b) If the taxpayer fails to substantially maintain both the 6132
number of full-time equivalent employees and the amount of Ohio 6133
employee payroll required under the agreement at any time during 6134
the term of the agreement or during the post-term reporting 6135
period, an amount determined at the discretion of the authority. 6136

(2) If a taxpayer files for bankruptcy and fails as described 6137
in division (J)(1)(a) or (b) of this section, the director may 6138
immediately commence an action to recoup an amount not exceeding 6139
one hundred per cent of the sum of any credits received by the 6140
taxpayer under this section. 6141

(3) In determining the portion of the credit to be refunded 6142
to this state, the authority shall consider the effect of market 6143
conditions on the taxpayer's project and whether the taxpayer 6144
continues to maintain other operations in this state. After making 6145
the determination, the authority shall certify the amount to be 6146
refunded to the tax commissioner or the superintendent of 6147
insurance. If the taxpayer, or any related member or members who 6148
claimed the tax credit under division (N) of this section, is not 6149
an insurance company, the commissioner shall make an assessment 6150

for that amount against the taxpayer under Chapter 5726., 5733., 6151
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 6152
any related member or members that claimed the tax credit under 6153
division (N) of this section, is an insurance company, the 6154
superintendent of insurance shall make an assessment under section 6155
5725.222 or 5729.102 of the Revised Code. The time limitations on 6156
assessments under those chapters and sections do not apply to an 6157
assessment under this division, but the commissioner or 6158
superintendent shall make the assessment within one year after the 6159
date the authority certifies to the commissioner or superintendent 6160
the amount to be refunded. 6161

(K) The director of development services, after consultation 6162
with the tax commissioner and the superintendent of insurance and 6163
in accordance with Chapter 119. of the Revised Code, shall adopt 6164
rules necessary to implement this section. The rules may provide 6165
for recipients of tax credits under this section to be charged 6166
fees to cover administrative costs of the tax credit program. The 6167
fees collected shall be credited to the ~~business assistance tax~~ 6168
incentives operating fund created in section 122.174 of the 6169
Revised Code. At the time the director gives public notice under 6170
division (A) of section 119.03 of the Revised Code of the adoption 6171
of the rules, the director shall submit copies of the proposed 6172
rules to the chairpersons of the standing committees on economic 6173
development in the senate and the house of representatives. 6174

(L) On or before the first day of August of each year, the 6175
director of development services shall submit a report to the 6176
governor, the president of the senate, and the speaker of the 6177
house of representatives on the tax credit program under this 6178
section. The report shall include information on the number of 6179
agreements that were entered into under this section during the 6180
preceding calendar year, a description of the project that is the 6181
subject of each such agreement, and an update on the status of 6182

projects under agreements entered into before the preceding 6183
calendar year. 6184

(M) The aggregate amount of nonrefundable tax credits issued 6185
under this section during any calendar year for capital investment 6186
projects reviewed and approved by the tax credit authority may not 6187
exceed the following amounts: 6188

(1) For 2010, thirteen million dollars; 6189

(2) For 2011 through 2023, the amount of the limit for the 6190
preceding calendar year plus thirteen million dollars; 6191

(3) For 2024 and each year thereafter, one hundred 6192
ninety-five million dollars. 6193

The limitations in division (M) of this section do not apply 6194
to credits for capital investment projects approved by the tax 6195
credit authority before July 1, 2009. 6196

(N) This division applies only to an eligible business that 6197
is part of an affiliated group that includes a diversified savings 6198
and loan holding company or a grandfathered unitary savings and 6199
loan holding company, as those terms are defined in section 6200
5726.01 of the Revised Code. Notwithstanding any contrary 6201
provision of the agreement between such an eligible business and 6202
the tax credit authority, any credit granted under this section 6203
against the tax imposed by section 5725.18, 5729.03, 5733.06, 6204
5747.02, or 5751.02 of the Revised Code to the eligible business, 6205
at the election of the eligible business and without any action by 6206
the tax credit authority, may be shared with any member or members 6207
of the affiliated group that includes the eligible business, which 6208
member or members may claim the credit against the taxes imposed 6209
by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02 6210
of the Revised Code. Credits shall be claimed by the eligible 6211
business in sequential order, as applicable, first claiming the 6212
credits to the fullest extent possible against the tax that the 6213

certificate holder is subject to, then against the tax imposed by, 6214
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 6215
lastly 5726.02 of the Revised Code. The credits may be allocated 6216
among the members of the affiliated group in such manner as the 6217
eligible business elects, but subject to the sequential order 6218
required under this division. This division applies to credits 6219
granted before, on, or after March 27, 2013, the effective date of 6220
H.B. 510 of the 129th general assembly. Credits granted before 6221
that effective date that are shared and allocated under this 6222
division may be claimed in those calendar years in which the 6223
remaining taxable years specified in the agreement end. 6224

As used in this division, "affiliated group" means a group of 6225
two or more persons with fifty per cent or greater of the value of 6226
each person's ownership interests owned or controlled directly, 6227
indirectly, or constructively through related interests by common 6228
owners during all or any portion of the taxable year, and the 6229
common owners. "Affiliated group" includes, but is not limited to, 6230
any person eligible to be included in a consolidated elected 6231
taxpayer group under section 5751.011 of the Revised Code or a 6232
combined taxpayer group under section 5751.012 of the Revised 6233
Code. 6234

annual report required under division (E)(5) of this section. 6240

(c) "Income tax revenue" has the same meaning as under 6241
division (S) of section 122.17 of the Revised Code. 6242

(2) In calendar year 2016 and thereafter, the tax credit 6243
authority shall annually determine a withholding adjustment factor 6244

to be used in the computation of income tax revenue for eligible 6245
agreements. The withholding adjustment factor shall be a numerical 6246
percentage that equals the percentage that employer income tax 6247
withholding rates have been increased or decreased as a result of 6248
changes in the income tax rates prescribed by section 5747.02 of 6249
the Revised Code by amendment of that section taking effect on or 6250
after June 29, 2013. 6251

(3) Except as provided in division (0)(4) of this section, 6252
for reporting periods ending in 2015 and thereafter for taxpayers 6253
subject to eligible agreements, the tax credit authority shall 6254
adjust the income tax revenue reported on the taxpayer's annual 6255
report by multiplying the withholding adjustment factor by the 6256
taxpayer's income tax revenue and doing one of the following: 6257

(a) If the income tax rates prescribed by section 5747.02 of 6258
the Revised Code have decreased by amendment of this section 6259
taking effect on or after June 29, 2013, add the product to the 6260
taxpayer's income tax revenue. 6261

(b) If the income tax rates prescribed by section 5747.02 of 6262
the Revised Code have increased by amendment of this section 6263
taking effect on or after June 29, 2013, subtract the product from 6264
the taxpayer's income tax revenue. 6265

(4) Division (0)(3) of this section shall not apply unless 6266
all of the following apply with respect to the eligible agreement: 6267

(a) The taxpayer has achieved one hundred per cent of the job 6268
retention commitment identified in the agreement. 6269

(b) If applicable, the taxpayer has achieved one hundred per 6270
cent of the payroll retention commitment identified in the 6271
agreement. 6272

(c) If applicable, the taxpayer has achieved one hundred per 6273
cent of the investment commitment identified in the agreement. 6274

(5) Failure by a taxpayer to have achieved any of the 6275
applicable commitments described in divisions (O)(4)(a) to (c) of 6276
this section in a reporting period does not disqualify the 6277
taxpayer for the adjustment under division (O) of this section for 6278
an ensuing reporting period. 6279

Sec. 122.174. There is hereby created in the state treasury 6280

(E) An agreement entered into under this section shall 6402
include all of the following: 6403

that the applicant maintain operations at the eligible computer 6420
data center during that term. An applicant does not violate the 6421
requirement described in division (E)(3) of this section if the 6422
applicant ceases operations at the eligible computer data center 6423
during the term of the agreement but resumes those operations 6424
within eighteen months after the date of cessation. The agreement 6425
shall provide that, in such a case, the applicant and any other 6426
taxpayer that operates a computer data center business at the 6427
project site shall not claim the tax exemption authorized in the 6428

(6) A requirement that the director of development services 6446
annually review the annual reports of each taxpayer subject to the 6447
agreement to verify the information reported under division (E)(5) 6448
of this section and compliance with the agreement. Upon 6449
verification, the director shall issue a certificate to each such 6450
taxpayer stating that the information has been verified and that 6451
the taxpayer remains eligible for the exemption specified in the 6452
agreement. 6453

(7) A provision providing that the taxpayers subject to the 6454
agreement may not relocate a substantial number of employment 6455
positions from elsewhere in this state to the project site unless 6456
the director of development services determines that the 6457
appropriate taxpayer notified the legislative authority of the 6458
county, township, or municipal corporation from which the 6459
employment positions would be relocated. For purposes of this 6460

paragraph, the movement of an employment position from one 6461
political subdivision to another political subdivision shall be 6462
considered a relocation of an employment position unless the 6463
movement is confined to the project site. The transfer of an 6464
employment position from one political subdivision to another 6465
political subdivision shall not be considered a relocation of an 6466
employment position if the employment position in the first 6467
political subdivision is replaced by another employment position. 6468

(8) A waiver by each taxpayer subject to the agreement of any 6469
limitations periods relating to assessments or adjustments 6470

(F) The term of an agreement under this section shall be 6473
determined by the tax credit authority, and the amount of the 6474
exemption shall not exceed one hundred per cent of such taxes that 6475
would otherwise be owed in respect to the exempted computer data 6476
center equipment. 6477

(G) If any taxpayer subject to an agreement under this 6478
section fails to meet or comply with any condition or requirement 6479
set forth in the agreement, the tax credit authority may amend the 6480
agreement to reduce the percentage of the exemption or term during 6481
which the exemption applies to the computer data center equipment 6482
used or to be used by the noncompliant taxpayer at an eligible 6483
computer data center. The reduction of the percentage or term may 6484
take effect in the current calendar year. 6485

(H) Financial statements and other information submitted to 6486
the department of development services or the tax credit authority 6487
by an applicant for or recipient of an exemption under this 6488
section, and any information taken for any purpose from such 6489
statements or information, are not public records subject to 6490
section 149.43 of the Revised Code. However, the chairperson of 6491
the authority may make use of the statements and other information 6492

for purposes of issuing public reports or in connection with court 6493
proceedings concerning tax exemption agreements under this 6494
section. Upon the request of the tax commissioner, the chairperson 6495
of the authority shall provide to the tax commissioner any 6496
statement or other information submitted by an applicant for or 6497
recipient of an exemption under this section. The tax commissioner 6498
shall preserve the confidentiality of the statement or other 6499
information. 6500

(I) The tax commissioner shall issue a direct payment permit 6501
under section 5739.031 of the Revised Code to each taxpayer 6502
subject to an agreement under this section. Such direct payment 6503
permit shall authorize the taxpayer to pay any sales and use taxes 6504
due on purchases of computer data center equipment used or to be 6505
used in an eligible computer data center and to pay any sales and 6506
use taxes due on purchases of tangible personal property or 6507
taxable services other than computer data center equipment used or 6508
to be used in an eligible computer data center directly to the tax 6509
commissioner. Each such taxpayer shall pay pursuant to such direct 6510
payment permit all sales tax levied on such purchases under 6511
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 6512
Code and all use tax levied on such purchases under sections 6513
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 6514
consistent with the terms of the agreement entered into under this 6515
section. 6516

During the term of an agreement under this section each 6517
taxpayer subject to the agreement shall submit to the tax 6518
commissioner a return that shows the amount of computer data 6519
center equipment purchased for use at the eligible computer data 6520
center, the amount of tangible personal property and taxable 6521
services other than computer data center equipment purchased for 6522
use at the eligible computer data center, the amount of tax under 6523
Chapter 5739. or 5741. of the Revised Code that would be due in 6524

the absence of the agreement under this section, the exemption 6525
percentage for computer data center equipment specified in the 6526
agreement, and the amount of tax due under Chapter 5739. or 5741. 6527
of the Revised Code as a result of the agreement under this 6528
section. Each such taxpayer shall pay the tax shown on the return 6529
to be due in the manner and at the times as may be further 6530
prescribed by the tax commissioner. Each such taxpayer shall 6531
include a copy of the director of development services' 6532
certificate of verification issued under division (E)(6) of this 6533
section. Failure to submit a copy of the certificate with the 6534
return does not invalidate the claim for exemption if the taxpayer 6535
submits a copy of the certificate to the tax commissioner within 6536
~~sixty days after the tax commissioner requests it~~ the time 6537
prescribed by section 5703.0510 of the Revised Code. 6538

(J) If the director of development services determines that 6539
one or more taxpayers received an exemption from taxes due on the 6540
purchase of computer data center equipment purchased for use at a 6541
computer data center that no longer complies with the requirement 6542
under division (E)(3) of this section, the director shall notify 6543
the tax credit authority and, if applicable, the taxpayer that 6544
applied to enter the agreement for the exemption under division 6545
(C) of this section of the noncompliance. After receiving such a 6546
notice, and after giving each taxpayer subject to the agreement an 6547
opportunity to explain the noncompliance, the authority may 6548
terminate the agreement and require each such taxpayer to pay to 6549
the state all or a portion of the taxes that would have been owed 6550
in regards to the exempt equipment in previous years, all as 6551
determined under rules adopted pursuant to division (K) of this 6552
section. In determining the portion of the taxes that would have 6553
been owed on the previously exempted equipment to be paid to this 6554
state by a taxpayer, the authority shall consider the effect of 6555
market conditions on the eligible computer data center, whether 6556
the taxpayer continues to maintain other operations in this state, 6557

and, with respect to agreements involving multiple taxpayers, the taxpayer's level of responsibility for the noncompliance. After making the determination, the authority shall certify to the tax commissioner the amount to be paid by each taxpayer subject to the agreement. The tax commissioner shall make an assessment for that amount against each such taxpayer under Chapter 5739. or 5741. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the tax commissioner shall make the assessment within one year after the date the authority certifies to the tax commissioner the amount to be paid by the taxpayer.

(K) The director of development services, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section. The rules may provide for recipients of tax exemptions under this section to be charged fees to cover administrative costs incurred in the administration of this section. The fees collected shall be credited to the ~~business assistance tax~~ incentives operating fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the eligible computer data center that is the subject of each such agreement, and an

update on the status of eligible computer data centers under 6590
agreements entered into before the preceding calendar year. 6591

(M) A taxpayer may be made a party to an existing agreement 6592
entered into under this section by the tax credit authority and 6593
another taxpayer or group of taxpayers. In such a case, the 6594
taxpayer shall be entitled to all benefits and bound by all 6595
obligations contained in the agreement and all requirements 6596
described in this section. When an agreement includes multiple 6597
taxpayers, each taxpayer shall be entitled to a direct payment 6598
permit as authorized in division (I) of this section. 6599

certificate, the director shall certify to the tax commissioner 6777
the name of the applicant, the amount of eligible production 6778
expenditures shown on the certificate, and any other information 6779
required by the rules adopted to administer this section. 6780

(3) The amount of eligible production expenditures for which 6781
a tax credit may be claimed is subject to inspection and 6782
examination by the tax commissioner or employees of the 6783
commissioner under section 5703.19 of the Revised Code and any 6784
other applicable law. Once the eligible production expenditures 6785
are finally determined under section 5703.19 of the Revised Code 6786
and division (D) of this section, the credit amount is not subject 6787
to adjustment unless the director determines an error was 6788
committed in the computation of the credit amount. 6789

(4) No tax credit certificate may be issued before the 6790
completion of the tax credit-eligible production. Not more than 6791
forty million dollars of tax credit may be allowed per fiscal year 6792
beginning July 1, 2016. 6793

(D) A motion picture company whose motion picture has been 6794
certified as a tax credit-eligible production shall engage, at the 6795
company's expense, an independent certified public accountant to 6796
examine the company's production expenditures to identify the 6797
expenditures that qualify as eligible production expenditures. The 6798
certified public accountant shall issue a report to the company 6799
and to the director of development services certifying the 6800
company's eligible production expenditures and any other 6801
information required by the director. Upon receiving and examining 6802
the report, the director may disallow any expenditure the director 6803

determines is not an eligible production expenditure. If the 6804
director disallows an expenditure, the director shall issue a 6805
written notice to the motion picture production company stating 6806
that the expenditure is disallowed and the reason for the 6807
disallowance. Upon examination of the report and disallowance of 6808
any expenditures, the director shall determine finally the lesser 6809
of the total budgeted eligible production expenditures stated in 6810
the application submitted under division (B) of this section or 6811
the actual eligible production expenditures for the purpose of 6812
computing the amount of the credit. 6813

(E) No credit shall be allowed under section 5726.55, 6814
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 6815
director has reviewed the report and made the determination 6816
prescribed by division (D) of this section. 6817

(F) This state reserves the right to refuse the use of this 6818
state's name in the credits of any tax credit-eligible motion 6819
picture production. 6820

(G)(1) The director of development services in consultation 6821
with the tax commissioner shall adopt rules for the administration 6822
of this section, including rules setting forth and governing the 6823
criteria for determining whether a motion picture production is a 6824
tax credit-eligible production; activities that constitute the 6825
production of a motion picture; reporting sufficient evidence of 6826
reviewable progress; expenditures that qualify as eligible 6827
production expenditures; a competitive process for approving 6828
credits; consideration of geographic distribution of credits; and 6829
implementation of the program described in division (I) of this 6830
section. The rules shall be adopted under Chapter 119. of the 6831
Revised Code. 6832

(2) The director may require a reasonable application fee to 6833
cover administrative costs of the tax credit program. The fees 6834
collected shall be credited to the ~~business assistance tax~~ 6835

incentives operating fund created in section 122.174 of the 6836
Revised Code. All grants, gifts, fees, and contributions made to 6837
the director for marketing and promotion of the motion picture 6838
industry within this state shall also be credited to the fund. ~~The~~ 6839
~~director shall use money in the fund to pay expenses related to~~ 6840
~~the administration of the Ohio film office and the credit~~ 6841
~~authorized by this section and sections 5726.55, 5733.59, 5747.66,~~ 6842
~~and 5751.54 of the Revised Code.~~ 6843

(H)(1) After the director of development services makes the 6844
determination required under division (D) of this section, a 6845
motion picture company to which a tax credit certificate is issued 6846
may transfer the authority to claim all or a portion of the amount 6847
of the tax credit the motion picture company is authorized to 6848
claim pursuant to that certificate under section 5726.55, 5733.59, 6849
5747.66, or 5751.54 of the Revised Code to one or more other 6850
persons. Within thirty days after a transfer under this division, 6851
the motion picture company shall submit the following information 6852
to the director, on a form prescribed by the director: 6853

(a) Information necessary for the director to identify the 6854
certificate that is the basis for the transfer; 6855

(b) The portion or amount of the tax credit transferred to 6856
each transferee; 6857

(d) The tax identification number of each transferee; 6860

(e) The date of the transfer; 6861

(f) Any other information required by the director; 6862

(g) Any information required by the tax commissioner. 6863

The director shall deliver a copy of any submission received 6864
under division (H)(1) of this section to the tax commissioner. 6865

(2) A transferee may not claim a credit under section 5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless and until the transferring motion picture company complies with division (H)(1) of this section. A transferee may claim the transferred amount of any credit or portion of a credit for the same taxable year or tax period for which the transferring motion picture company was authorized to claim the credit or portion of a credit pursuant to the certificate. A motion picture company shall make no transfer under division (H)(1) of this section after the last day of the tax period or taxable year for which the motion picture company is required to claim the credit pursuant to the certificate.

A motion picture company may make not more than one transfer under division (H)(1) of this section for each tax credit certificate, but pursuant to that transaction, may allocate the authority to claim a portion of the credit to more than one transferee. A motion picture company may not authorize more than one transferee to claim the same portion of a credit.

(I) The director of development services shall establish a program for the training of Ohio residents who are or wish to be employed in the film or multimedia industry. Under the program, the director shall:

division (1)(2) of this section. The payment shall equal fifty per 6902
cent of the salaries paid to film and multimedia trainees employed 6903
in the production. 6904

investment certificate has been issued under this section may 7061
claim a credit as provided under section 5747.81 of the Revised 7062
Code. 7063

business; 7078

(5) Circumstances under which small business enterprises or 7079
eligible investors may be subverting the purposes of this section 7080
and section 5747.81 of the Revised Code. 7081

average growth of tax valuation of the district during the next 9124
five years of an average of not less than one and one-half per 9125
cent per year. The findings and certification of the 9126

(b) Twelve per cent of the sum of its tax valuation plus an 9138

that corrections to permanent improvements are necessary to remove 9155
or prevent health or safety hazards. 9156

(b) Existing fiscal and net indebtedness limitations make 9157
adequate replacement, additions, or improvements impossible. 9158

(2) Upon the declaration of an emergency, the board of 9159
education may, by resolution, submit to the electors of the 9160
district pursuant to section 133.18 of the Revised Code the 9161

this section; 9172

(b) The resolution required by division (B) of section 133.18 9173
of the Revised Code shall be certified to the county auditor and 9174

the board of elections at least one hundred days prior to the election; 9175

baseline based on only the actual energy consumption data for the 9204
preceding twelve months, and estimates of the amounts by which 9205
energy consumption and resultant operational and maintenance 9206

costs, as defined by the commission, would be reduced. 9207

If the board finds after receiving the report that the amount 9208
of money the district would spend on such installations, 9209
modifications, or remodeling is not likely to exceed the amount of 9210
money it would save in energy and resultant operational and 9211
maintenance costs over the ensuing fifteen years, the board may 9212
submit to the commission a copy of its findings and a request for 9213
approval to incur indebtedness to finance the making or 9214
modification of installations or the remodeling of buildings for 9215
the purpose of significantly reducing energy consumption. 9216

No district board of education of a school district that is 9224
in a state of fiscal emergency pursuant to division (B) of section 9225
3316.03 of the Revised Code shall submit a request without 9226

the Revised Code. 9230

No board of education of a school district ~~that, for three or~~ 9231

~~that section existed prior to March 22, 2013, and has failed to~~ 9234
~~meet adequate yearly progress, or has met any condition set forth~~ 9235
~~in division (A) of~~ for which an academic distress commission has 9236
been established under section 3302.10 of the Revised Code shall 9237
submit a request without first receiving approval to incur 9238

indebtedness from the district's academic distress commission 9239
established under that section, for so long as such commission 9240
continues to be required for the district. 9241

(2) The board of education may contract with a person 9242

report shall include cost estimates detailing the return on 9246
investment over the life of the alternative fuel vehicles and 9247
environmental impact of alternative fuel vehicles. The report also 9248
shall include estimates of all costs associated with alternative 9249

purchase costs or conversion costs. 9251

If the board finds after receiving the report that the amount 9252
of money the district would spend on purchasing alternative fuel 9253
vehicles or vehicle conversion is not likely to exceed the amount 9254
of money it would save in fuel and resultant operational and 9255
maintenance costs over the ensuing five years, the board may 9256
submit to the commission a copy of its findings and a request for 9257
approval to incur indebtedness to finance the purchase of new 9258
alternative fuel vehicles or vehicle conversions for the purpose 9259
of reducing fuel costs. 9260

The facilities construction commission, in consultation with 9261
the auditor of state, may deny a request under division (G)(2) of 9262
this section by the board of education of any school district that 9263
is in a state of fiscal watch pursuant to division (A) of section 9264
3316.03 of the Revised Code, if it determines that the expenditure 9265
of funds is not in the best interest of the school district. 9266

No district board of education of a school district that is 9267
in a state of fiscal emergency pursuant to division (B) of section 9268

No board of education of a school district for which an 9274
academic distress commission has been established under section 9275
3302.10 of the Revised Code shall submit a request without first 9276
receiving approval to incur indebtedness from the district's 9277
academic distress commission established under that section, for 9278

(3) ~~The school~~ facilities construction commission shall 9281
approve the board's request provided that the following conditions 9282
are satisfied: 9283

(b) The request for approval is complete. 9286

(c) ~~The~~ If the request was submitted under division (G)(1) of 9287
this section, the installations, modifications, or remodeling are 9288

been done pursuant to ~~this~~ that division. Except as provided in 9308
division (G)(4)(b) of this section, the board shall maintain and 9309
annually update a report in a form and manner prescribed by the 9310
~~school~~ facilities construction commission documenting the 9311

modifications, or remodeling. The resultant operational and 9314
maintenance cost savings shall be certified by the school district 9315
treasurer. The report shall be submitted annually to the 9316

an agreement described in division (G) of this section. 9557

(B) Whenever, during a period of designation, the treasurer 9558
of state classifies public moneys as interim moneys, the treasurer 9559
of state shall notify the state board of deposit of such action. 9560
The notification shall be given within thirty days after such 9561
classification and, in the event the state board of deposit does 9562
not concur in such classification or in the investments or 9563
deposits made under this section, the board may order the 9564
treasurer of state to sell or liquidate any of the investments or 9565
deposits, and any such order shall specifically describe the 9566
investments or deposits and fix the date upon which they are to be 9567
sold or liquidated. Investments or deposits so ordered to be sold 9568
or liquidated shall be sold or liquidated for cash by the 9569
treasurer of state on the date fixed in such order at the then 9570
current market price. Neither the treasurer of state nor the 9571
members of the state board of deposit shall be held accountable 9572
for any loss occasioned by sales or liquidations of investments or 9573
deposits at prices lower than their cost. Any loss or expense 9574
incurred in making these sales or liquidations is payable as other 9575
expenses of the treasurer's office. 9576

(C) If any securities or obligations invested in by the 9577
treasurer of state pursuant to this section are registrable either 9578
as to principal or interest, or both, such securities or 9579
obligations shall be registered in the name of the treasurer of 9580
state. 9581

(D) The treasurer of state is responsible for the safekeeping 9582
of all securities or obligations under this section. Any such 9583

securities or obligations may be deposited for safekeeping as 9584
provided in section 113.05 of the Revised Code. 9585

(E) Interest earned on any investments or deposits authorized 9586
by this section shall be collected by the treasurer of state and 9587
credited by the treasurer of state to the proper fund of the 9588
state. 9589

(F) Whenever investments or deposits acquired under this 9590
section mature and become due and payable, the treasurer of state 9591
shall present them for payment according to their tenor, and shall 9592
collect the moneys payable thereon. The moneys so collected shall 9593
be treated as public moneys subject to sections 135.01 to 135.21 9594
of the Revised Code. 9595

(G) The treasurer of state and any entity issuing obligations 9596
referred to in division (A)(12) of this section, which obligations 9597
mature within one year from the original date of issuance, may 9598
enter into an agreement providing for: 9599

(1) The purchase of those obligations by the treasurer of 9600
state on terms and subject to conditions set forth in the 9601
agreement; 9602

(2) The payment to the treasurer of state of a reasonable fee 9603
as consideration for the agreement of the treasurer of state to 9604

of state shall not be authorized to enter into any such agreement 9606
with a board of education of a school district that has an 9607
outstanding obligation with respect to a loan received under 9608
authority of section 3313.483 of the Revised Code. 9609

(H) For purposes of division (G) of this section, a fee shall 9610
not be considered reasonable unless it is set to recover only the 9611
direct costs, a reasonable estimate of the indirect costs 9612
associated with the purchasing of obligations under division (G) 9613
of this section and any reselling of the obligations or any 9614

interest in the obligations, including interests in a fund 9615
comprised of the obligations, and the administration thereof. No 9616
money from the general revenue fund shall be used to subsidize the 9617
purchase or resale of these obligations. 9618

(I) All money collected by the treasurer of state from the 9619
fee imposed by division (G) of this section shall be deposited to 9620
the credit of the state political subdivision obligations fund, 9621
which is hereby created in the state treasury. Money credited to 9622
the fund shall be used solely to pay the treasurer of state's 9623
direct and indirect costs associated with purchasing and reselling 9624
obligations under division (G) of this section. 9625

(J) As used in this section, "political subdivision" means a 9626
county, township, municipal corporation, school district, or other 9627
body corporate and politic responsible for governmental activities 9628
in a geographic area smaller than that of the state. 9629

Sec. 135.182. (A) As used in this section: 9630

(1) "Public depository" means that term as defined in section 9631
135.01 of the Revised Code, but also means an institution that 9632
receives or holds any public deposits as defined in section 135.31 9633
of the Revised Code. 9634

(2) "Public depositor" means that term as defined in section 9635
135.01 of the Revised Code, but also includes a county and any 9636
municipal corporation that has adopted a charter under Article 9637
XVIII, Ohio Constitution. 9638

(3) "Public deposits," "public moneys," and "treasurer" mean 9639
those terms as defined in section 135.01 of the Revised Code, but 9640
also have the same meanings as are set forth in section 135.31 of 9641
the Revised Code. 9642

(B)(1) Not later than July 1, 2017, the treasurer of state 9643
shall create the Ohio pooled collateral program. Under this 9644

program, each institution designated as a public depository that 9645
selects the pledging method prescribed in division (A)(2) of 9646
section 135.18 or division (A)(2) of section 135.37 of the Revised 9647
Code shall pledge to the treasurer of state a single pool of 9648
eligible securities for the benefit of all public depositors at 9649
the public depository to secure the repayment of all uninsured 9650
public deposits at the public depository, provided that at all 9651
times the total market value of the securities so pledged is at 9652
least equal to either of the following: 9653

(a) One hundred two per cent of the total amount of all 9654
uninsured public deposits; 9655

(b) An amount determined by rules adopted by the treasurer of 9656
state that set forth the criteria for determining the aggregate 9657
market value of the pool of eligible securities pledged by a 9658
public depository pursuant to division (B) of this section. Such 9659
criteria shall include, but are not limited to, prudent capital 9660
and liquidity management by the public depository and the safety 9661
and soundness of the public depository as determined by a 9662
third-party rating organization. 9663

(2) The treasurer of state shall monitor the eligibility, 9664
market value, and face value of the pooled securities pledged by 9665
the public depository. Each public depository shall carry in its 9666
accounting records at all times a general ledger or other 9667
appropriate account of the total amount of all public deposits to 9668
be secured by the pool, as determined at the opening of business 9669
each day, and the total market value of securities pledged to 9670
secure such deposits, and report such information to the treasurer 9671
of state in a manner and frequency as determined by the treasurer 9672
of state pursuant to rules adopted by the treasurer of state. A 9673
public depositor shall be responsible for periodically confirming 9674
the accuracy of its account balances with the treasurer of state; 9675
otherwise, the treasurer of state shall be the sole public 9676

depositor responsible for monitoring and ensuring the sufficiency 9677
of securities pledged under this section. 9678

(C) The public depository shall designate a qualified trustee 9679
approved by the treasurer of state and place with such trustee for 9680
safekeeping the eligible securities pledged pursuant to division 9681
(B) of this section. The trustee shall hold the eligible 9682
securities in an account indicating the treasurer of state's 9683
security interest in the eligible securities. The treasurer of 9684
state shall give written notice of the trustee to all public 9685
depositors for which such securities are pledged. The trustee 9686
shall report to the treasurer of state information relating to the 9687
securities pledged to secure such public deposits in a manner and 9688
frequency as determined by the treasurer of state. 9689

(D) In order for a public depository to receive public moneys 9690
under this section, the public depository and the treasurer of 9691
state shall first execute an agreement that sets forth the entire 9692
arrangement among the parties and that meets the requirements 9693
described in 12 U.S.C. 1823(e). In addition, the agreement shall 9694
authorize the treasurer of state to obtain control of the 9695
collateral pursuant to division (D) of section 1308.24 of the 9696
Revised Code. 9697

(E) The securities or other obligations described in division 9698
(D) of section 135.18 of the Revised Code shall be eligible as 9699
collateral for the purposes of division (B) of this section, 9700
provided no such securities or obligations pledged as collateral 9701
are at any time in default as to either principal or interest. 9702

(F) Any federal reserve bank or branch thereof located in 9703
this state or federal home loan bank, without compliance with 9704
Chapter 1111. of the Revised Code and without becoming subject to 9705
any other law of this state relative to the exercise by 9706
corporations of trust powers generally, is qualified to act as 9707
trustee for the safekeeping of securities, under this section. Any 9708

institution mentioned in section 135.03 or 135.32 of the Revised 9709
Code that holds a certificate of qualification issued by the 9710
superintendent of financial institutions or any institution 9711
complying with sections 1111.04, 1111.05, and 1111.06 of the 9712
Revised Code is qualified to act as trustee for the safekeeping of 9713
securities under this section, other than those belonging to 9714
itself or to an affiliate as defined in section 1101.01 of the 9715
Revised Code. 9716

(G) The public depository may substitute, exchange, or 9717
release eligible securities deposited with the qualified trustee 9718
pursuant to this section, provided that such substitution, 9719
exchange, or release is effectuated pursuant to written 9720
authorization from the treasurer of state, and such action does 9721
not reduce the total market value of the securities to an amount 9722
that is less than the amount established pursuant to division (B) 9723
of this section. 9724

(H) Notwithstanding the fact that a public depository is 9725
required to pledge eligible securities in certain amounts to 9726
secure public deposits, a qualified trustee has no duty or 9727
obligation to determine the eligibility, market value, or face 9728
value of any securities deposited with the trustee by a public 9729
depository. This applies in all situations including, but not 9730
limited to, a substitution or exchange of securities, but 9731
excluding those situations effectuated by division (I) of this 9732
section in which the trustee is required to determine face and 9733
market value. 9734

(I) The qualified trustee shall enter into a custodial 9735
agreement with the treasurer of state and public depository in 9736
which the trustee agrees to comply with entitlement orders 9737
originated by the treasurer of state without further consent by 9738
the public depository or, in the case of collateral held by the 9739
public depository in an account at a federal reserve bank, the 9740

treasurer of state shall have the treasurer's security interest 9741
marked on the books of the federal reserve bank where the account 9742
for the collateral is maintained. If the public depository fails 9743
to pay over any part of the public deposits made therein as 9744
provided by law and secured pursuant to division (B) of this 9745
section, the treasurer of state shall give written notice of this 9746
failure to the qualified trustee holding the pool of securities 9747
pledged against the public deposits, and at the same time shall 9748
send a copy of this notice to the public depository. Upon receipt 9749
of this notice, the trustee shall transfer to the treasurer of 9750
state for sale, the pooled securities that are necessary to 9751
produce an amount equal to the public deposits made by the public 9752
depositor and not paid over, less the portion of the deposits 9753
covered by any federal deposit insurance, plus any accrued 9754
interest due on the deposits. The treasurer of state shall sell 9755
any of the bonds or other securities so transferred. When a sale 9756
of bonds or other securities has been so made and upon payment to 9757
the public depositor of the purchase money, the treasurer of state 9758
shall transfer such bonds or securities whereupon the absolute 9759
ownership of such bonds or securities shall pass to the 9760
purchasers. Any surplus after deducting the amount due to the 9761
public depositor and expenses of sale shall be paid to the public 9762
depository. 9763

(J) Any charges or compensation of a qualified trustee for 9764
acting as such under this section shall be paid by the public 9765
depository and in no event shall be chargeable to the public 9766
depositor or to any officer of the public depositor. The charges 9767
or compensation shall not be a lien or charge upon the securities 9768
deposited for safekeeping prior or superior to the rights to and 9769
interests in the securities of the public depositor. The treasurer 9770
and the treasurer's bonders or surety shall be relieved from any 9771
liability to the public depositor or to the public depository for 9772
the loss or destruction of any securities deposited with a 9773

qualified trustee pursuant to this section. 9774

(K)(1) The following information is confidential and not a public record under section 149.43 of the Revised Code: 9775
9776

(a) All reports or other information obtained or created about a public depository for purposes of division (B)(1)(b) of this section; 9777
9778
9779

(b) The identity of a public depositor's public depository; 9780

(c) The identity of a public depository's public depositors. 9781

(2) Nothing in this section prevents the treasurer of state from releasing or exchanging such confidential information as required by law or for the operation of the pooled collateral program. 9782
9783
9784
9785

(L) The treasurer of state may impose reasonable fees, including late fees, upon public depositories participating in the pooled collateral program to defray the actual and necessary expenses incurred by the treasurer in connection with the program. All such fees collected by the treasurer shall be deposited into the state treasury to the credit of the administrative fund created in section 113.20 of the Revised Code. 9786
9787
9788
9789
9790
9791
9792

(M) The treasurer of state may adopt rules necessary for the implementation of this section and sections 135.18 and 135.181 of the Revised Code. Such rules shall be adopted in accordance with Chapter 119. of the Revised Code. 9793
9794

States. 9808

Nothing in the classification of eligible securities and 9809

days after purchase. 9867

(b) Bankers acceptances of banks that are insured by the 9868
federal deposit insurance corporation and that mature not later 9869

No investment shall be made pursuant to division (A)(8) of 9871
this section unless the investing authority has completed 9872
additional training for making the investments authorized by 9873
division (A)(8) of this section. The type and amount of additional 9874
training shall be approved by the treasurer of state and may be 9875
conducted by or provided under the supervision of the treasurer of 9876
state. 9877

(9) Up to fifteen per cent of the county's total average 9878
portfolio in notes issued by corporations that are incorporated 9879

services at the time of purchase. 9887

(b) The notes mature not later than two years after purchase. 9888

(10) Debt interests rated at the time of purchase in the 9889
three highest categories by two nationally recognized standard 9890
rating services and issued by foreign nations diplomatically 9891

principal shall be denominated and payable in United States funds. 9893
The investments made under division (A)(10) of this section shall 9894
not exceed in the aggregate two per cent of a county's total 9895
average portfolio. 9896

The investing authority shall invest under division (A)(10) 9897
of this section in a debt interest issued by a foreign nation only 9898
if the debt interest is backed by the full faith and credit of 9899
that foreign nation, there is no prior history of default, and the 9900
debt interest matures not later than five years after purchase. 9901
For purposes of division (A)(10) of this section, a debt interest 9902
is rated in the three highest categories by two nationally 9903
recognized standard rating services if either the debt interest 9904
itself or the issuer of the debt interest is rated, or is 9905
implicitly rated, at the time of purchase in the three highest 9906
categories by two nationally recognized standard rating services. 9907

land reutilization corporation is located wholly or partly within 9914
the same county as the investing authority. 9915

(B) Nothing in the classifications of eligible obligations 9916
and securities set forth in divisions (A)(1) to (10) of this 9917
section shall be construed to authorize investment in a 9918
derivative, and no investing authority shall invest any county 9919
inactive moneys or any moneys in a county public library fund in a 9920
derivative. For purposes of this division, "derivative" means a 9921
financial instrument or contract or obligation whose value or 9922
return is based upon or linked to another asset or index, or both, 9923
separate from the financial instrument, contract, or obligation 9924
itself. Any security, obligation, trust account, or other 9925
instrument that is created from an issue of the United States 9926
treasury or is created from an obligation of a federal agency or 9927
instrumentality or is created from both is considered a derivative 9928

instrument. An eligible investment described in this section with 9929
a variable interest rate payment, based upon a single interest 9930
payment or single index comprised of other eligible investments 9931
provided for in division (A)(1) or (2) of this section, is not a 9932
derivative, provided that such variable rate investment has a 9933
maximum maturity of two years. A treasury inflation-protected 9934
security shall not be considered a derivative, provided the 9935
security matures not later than five years after purchase. 9936

(C) Except as provided in division (D) of this section, any 9937
investment made pursuant to this section must mature within five 9938
years from the date of settlement, unless the investment is 9939
matched to a specific obligation or debt of the county or to a 9940
specific obligation or debt of a political subdivision of this 9941
state, and the investment is specifically approved by the 9942
investment advisory committee. 9943

(D) The investing authority may also enter into a written 9944
repurchase agreement with any eligible institution mentioned in 9945
section 135.32 of the Revised Code or any eligible securities 9946
dealer pursuant to division (J) of this section, under the terms 9947
of which agreement the investing authority purchases and the 9948
eligible institution or dealer agrees unconditionally to 9949
repurchase any of the securities listed in divisions (D)(1) to 9950
(5), except letters of credit described in division (D)(2), of 9951
section 135.18 of the Revised Code. The market value of securities 9952
subject to an overnight written repurchase agreement must exceed 9953
the principal value of the overnight written repurchase agreement 9954
by at least two per cent. A written repurchase agreement must 9955
exceed the principal value of the overnight written repurchase 9956
agreement, by at least two per cent. A written repurchase 9957
agreement shall not exceed thirty days, and the market value of 9958
securities subject to a written repurchase agreement must exceed 9959
the principal value of the written repurchase agreement by at 9960

least two per cent and be marked to market daily. All securities 9961
purchased pursuant to this division shall be delivered into the 9962
custody of the investing authority or the qualified custodian of 9963
the investing authority or an agent designated by the investing 9964
authority. A written repurchase agreement with an eligible 9965
securities dealer shall be transacted on a delivery versus payment 9966
basis. The agreement shall contain the requirement that for each 9967
transaction pursuant to the agreement the participating 9968
institution shall provide all of the following information: 9969

(1) The par value of the securities; 9970

(2) The type, rate, and maturity date of the securities; 9971

(3) A numerical identifier generally accepted in the 9972
securities industry that designates the securities. 9973

No investing authority shall enter into a written repurchase 9974
agreement under the terms of which the investing authority agrees 9975
to sell securities owned by the county to a purchaser and agrees 9976
with that purchaser to unconditionally repurchase those 9977
securities. 9978

(E) No investing authority shall make an investment under 9979
this section, unless the investing authority, at the time of 9980
making the investment, reasonably expects that the investment can 9981
be held until its maturity. The investing authority's written 9982
investment policy shall specify the conditions under which an 9983
investment may be redeemed or sold prior to maturity. 9984

(F) No investing authority shall pay a county's inactive 9985
moneys or moneys of a county public library fund into a fund 9986
established by another subdivision, treasurer, governing board, or 9987
investing authority, if that fund was established by the 9988

of whose signature appears on any such obligation or coupon ceases 10778
to be the issuing authority before delivery thereof, such 10779
signature or facsimile is nevertheless valid and sufficient for 10780
all purposes as if the former issuing authority had remained the 10781
issuing authority until such delivery; and if the seal to be 10782
affixed to obligations has been changed after a facsimile of the 10783

(G) All obligations are negotiable instruments and securities 10787
under Chapter 1308. of the Revised Code, subject to the provisions 10788

issuing authority may issue interim receipts or certificates which 10806
shall be exchanged for such definitive obligations. 10807

(J) In the discretion of the issuing authority, obligations 10808
may be secured additionally by a trust agreement or indenture 10809
between the issuing authority and a corporate trustee which may be 10810

the state has fully paid the bond service charges on the 10820
obligations secured thereby, or provision therefor has been made; 10821

(2) In the event of default in any payments required to be 10822

(K) Any holders of obligations or trustees under the bond 10837
proceedings, except to the extent that their rights are restricted 10838
by the bond proceedings, may by any suitable form of legal 10839
proceedings, protect and enforce any rights under the laws of this 10840
state or granted by such bond proceedings. Such rights include the 10841
right to compel the performance of all duties of the issuing 10842
authority, the director of development, the Ohio air quality 10843
development authority, or the division of liquor control required 10844
by this chapter or the bond proceedings; to enjoin unlawful 10845

pay, and to provide for payment of bond service charges on, such 10857
obligations, and with such powers, subject to the direction of the 10858
court, as are accorded receivers in general equity cases, 10859
excluding any power to pledge additional revenues or receipts or 10860
other income or moneys of the issuing authority or the state or 10861
governmental agencies of the state to the payment of such 10862

principal and interest and excluding the power to take possession 10863
of, mortgage, or cause the sale or otherwise dispose of any 10864
project facilities. 10865

Each duty of the issuing authority and the issuing 10866
authority's officers and employees, and of each governmental 10867
agency and its officers, members, or employees, undertaken 10868
pursuant to the bond proceedings or any agreement or lease, 10869
lease-purchase agreement, or loan made under authority of this 10870
chapter, and in every agreement by or with the issuing authority, 10871
is hereby established as a duty of the issuing authority, and of 10872
each such officer, member, or employee having authority to perform 10873
such duty, specifically enjoined by the law resulting from an 10874
office, trust, or station within the meaning of section 2731.01 of 10875
the Revised Code. 10876

The person who is at the time the issuing authority, or the 10877
issuing authority's officers or employees, are not liable in their 10878
personal capacities on any obligations issued by the issuing 10879
authority or any agreements of or with the issuing authority. 10880

(L) The issuing authority may authorize and issue obligations 10881
for the refunding, including funding and retirement, and advance 10882
refunding with or without payment or redemption prior to maturity, 10883
of any obligations previously issued by the issuing authority. 10884
Such obligations may be issued in amounts sufficient for payment 10885
of the principal amount of the prior obligations, any redemption 10886
premiums thereon, principal maturities of any such obligations 10887
maturing prior to the redemption of the remaining obligations on a 10888
parity therewith, interest accrued or to accrue to the maturity 10889
dates or dates of redemption of such obligations, and any 10890
allowable costs including expenses incurred or to be incurred in 10891
connection with such issuance and such refunding, funding, and 10892
retirement. Subject to the bond proceedings therefor, the portion 10893
of proceeds of the sale of obligations issued under this division 10894

to be applied to bond service charges on the prior obligations 10895
shall be credited to an appropriate account held by the trustee 10896
for such prior or new obligations or to the appropriate account in 10897
the bond service fund for such obligations. Obligations authorized 10898
under this division shall be deemed to be issued for those 10899
purposes for which such prior obligations were issued and are 10900
subject to the provisions of this section pertaining to other 10901
obligations, except as otherwise provided in this section; 10902
provided that, unless otherwise authorized by the general 10903
assembly, any limitations imposed by the general assembly pursuant 10904
to this section with respect to bond service charges applicable to 10905
the prior obligations shall be applicable to the obligations 10906
issued under this division to refund, fund, advance refund or 10907
retire such prior obligations. 10908

(M) The authority to issue obligations under this section 10909
includes authority to issue obligations in the form of bond 10910
anticipation notes and to renew the same from time to time by the 10911
issuance of new notes. The holders of such notes or interest 10912
coupons pertaining thereto shall have a right to be paid solely 10913
from the pledged receipts and special funds that may be pledged to 10914
the payment of the bonds anticipated, or from the proceeds of such 10915
bonds or renewal notes, or both, as the issuing authority provides 10916
in the resolution or order authorizing such notes. Such notes may 10917
be additionally secured by covenants of the issuing authority to 10918
the effect that the issuing authority and the state will do such 10919
or all things necessary for the issuance of such bonds or renewal 10920
notes in appropriate amount, and apply the proceeds thereof to the 10921
extent necessary, to make full payment of the principal of and 10922
interest on such notes at the time or times contemplated, as 10923
provided in such resolution or order. For such purpose, the 10924
issuing authority may issue bonds or renewal notes in such 10925
principal amount and upon such terms as may be necessary to 10926
provide funds to pay when required the principal of and interest 10927

on such notes, notwithstanding any limitations prescribed by or 10928
for purposes of this section. Subject to this division, all 10929
provisions for and references to obligations in this section are 10930
applicable to notes authorized under this division. 10931

The issuing authority in the bond proceedings authorizing the 10932
issuance of bond anticipation notes shall set forth for such bonds 10933
an estimated interest rate and a schedule of principal payments 10934
for such bonds and the annual maturity dates thereof, and for 10935
purposes of any limitation on bond service charges prescribed 10936
under division (A) of section 166.11 of the Revised Code, the 10937
amount of bond service charges on such bond anticipation notes is 10938
deemed to be the bond service charges for the bonds anticipated 10939
thereby as set forth in the bond proceedings applicable to such 10940
notes, but this provision does not modify any authority in this 10941
section to pledge receipts and special funds to, and covenant to 10942
issue bonds to fund, the payment of principal of and interest and 10943
any premium on such notes. 10944

(N) Obligations issued under this section are lawful 10945
investments for banks, societies for savings, savings and loan 10946
associations, deposit guarantee associations, trust companies, 10947
trustees, fiduciaries, insurance companies, including domestic for 10948
life and domestic not for life, trustees or other officers having 10949

adopted pursuant thereto by any governmental agency of the state 10957
with respect to investments by them, and are also acceptable as 10958
security for the deposit of public moneys. 10959

(O) Unless otherwise provided in any applicable bond 10960
proceedings, moneys to the credit of or in the special funds 10961
established by or pursuant to this section may be invested by or 10962
on behalf of the issuing authority only in notes, bonds, or other 10963
obligations of the United States, or of any agency or 10964
instrumentality of the United States, obligations guaranteed as to 10965
principal and interest by the United States, obligations of this 10966
state or any political subdivision of this state, and certificates 10967
of deposit of any national bank located in this state and any 10968
bank, as defined in section 1101.01 of the Revised Code, subject 10969
to inspection by the superintendent of banks. If the law or the 10970
instrument creating a trust pursuant to division (J) of this 10971
section expressly permits investment in direct obligations of the 10972
United States or an agency of the United States, unless expressly 10973
prohibited by the instrument, such moneys also may be invested in 10974
no-front-end-load money market mutual funds consisting exclusively 10975
of obligations of the United States or an agency of the United 10976
States and in repurchase agreements, including those issued by the 10977
fiduciary itself, secured by obligations of the United States or 10978
an agency of the United States; and in common trust funds 10979
established in accordance with section 1111.20 of the Revised Code 10980
and consisting exclusively of any such securities, notwithstanding 10981
division (A)(4) of that section. The income from such investments 10982
shall be credited to such funds as the issuing authority 10983
determines, and such investments may be sold at such times as the 10984
issuing authority determines or authorizes. 10985

(P) Provision may be made in the applicable bond proceedings 10986
for the establishment of separate accounts in the bond service 10987
fund and for the application of such accounts only to the 10988
specified bond service charges on obligations pertinent to such 10989
accounts and bond service fund and for other accounts therein 10990
within the general purposes of such fund. Unless otherwise 10991
provided in any applicable bond proceedings, moneys to the credit 10992

of or in the several special funds established pursuant to this 10993
section shall be disbursed on the order of the treasurer of state, 10994
provided that no such order is required for the payment from the 10995
bond service fund when due of bond service charges on obligations. 10996

(Q) The issuing authority may pledge all, or such portion as 10997
the issuing authority determines, of the pledged receipts to the 10998
payment of bond service charges on obligations issued under this 10999
section, and for the establishment and maintenance of any 11000
reserves, as provided in the bond proceedings, and make other 11001
provisions therein with respect to pledged receipts as authorized 11002
by this chapter, which provisions are controlling notwithstanding 11003
any other provisions of law pertaining thereto. 11004

(R) The issuing authority may covenant in the bond 11005
proceedings, and any such covenants are controlling 11006
notwithstanding any other provision of law, that the state and 11007
applicable officers and governmental agencies of the state, 11008
including the general assembly, so long as any obligations are 11009
outstanding, shall: 11010

(1) Maintain statutory authority for and cause to be charged 11011
and collected wholesale and retail prices for spirituous liquor 11012
sold by the state or its agents so that the pledged receipts are 11013
sufficient in amount to meet bond service charges, and the 11014
establishment and maintenance of any reserves and other 11015
requirements provided for in the bond proceedings, and, as 11016
necessary, to meet covenants contained in contracts of guarantee 11017
made under section 166.06 of the Revised Code; 11018

(2) Take or permit no action, by statute or otherwise, that 11019
would impair the exemption from federal income taxation of the 11020
interest on the obligations. 11021

(S) There is hereby created the economic development bond 11022
service fund, which shall be in the custody of the treasurer of 11023

state but shall be separate and apart from and not a part of the 11024
state treasury. All moneys received by or on account of the 11025
issuing authority or state agencies and required by the applicable 11026
bond proceedings, consistent with this section, to be deposited, 11027
transferred, or credited to a bond service fund or the economic 11028
development bond service fund, and all other moneys transferred or 11029
allocated to or received for the purposes of the fund, shall be 11030
deposited and credited to such fund and to any separate accounts 11031
therein, subject to applicable provisions of the bond proceedings, 11032
but without necessity for any act of appropriation. During the 11033
period beginning with the date of the first issuance of 11034
obligations and continuing during such time as any such 11035
obligations are outstanding, and so long as moneys in the 11036
pertinent bond service funds are insufficient to pay all bond 11037
services charges on such obligations becoming due in each year, a 11038
sufficient amount of the gross profit on the sale of spirituous 11039
liquor included in pledged receipts are committed and shall be 11040
paid to the bond service fund or economic development bond service 11041
fund in each year for the purpose of paying the bond service 11042
charges becoming due in that year without necessity for further 11043
act of appropriation for such purpose and notwithstanding anything 11044
to the contrary in Chapter 4301. of the Revised Code. The economic 11045
development bond service fund is a trust fund and is hereby 11046
pledged to the payment of bond service charges to the extent 11047
provided in the applicable bond proceedings, and payment thereof 11048
from such fund shall be made or provided for by the treasurer of 11049
state in accordance with such bond proceedings without necessity 11050
for any act of appropriation. 11051

(T) The obligations, the transfer thereof, and the income 11052
therefrom, including any profit made on the sale thereof, shall at 11053
all times be free from taxation within the state. 11054

million dollars. The aggregate principal amount of obligations, 11059
exclusive of project financing obligations, that may be issued 11060
under section 166.08 of the Revised Code is six hundred thirty 11061
million dollars, plus the principal amount of any such obligations 11062
retired by payment, the amounts held or obligations pledged for 11063

The terms of the obligations issued under section 166.08 of the 11077
Revised Code, other than obligations issued to meet guarantees 11078
that cannot be satisfied from amounts then held in the loan 11079
guarantee fund or the innovation Ohio loan guarantee fund, shall 11080
be such that the aggregate amount of moneys used from profit from 11081

purposes of the preceding sentence, "other sources" include the 11084
annual investment income on special funds to the extent it will be 11085
available for payment of any bond service charges in lieu of use 11086
of profit from the sale of spirituous liquor, and shall be 11087
estimated on the basis of the expected funding of those special 11088

funds and assumed investment earnings thereon at a rate equal to 11089
the weighted average yield on investments of those special funds 11090
determined as of any date within sixty days immediately preceding 11091
the date of issuance of the bonds in respect of which the 11092
determination is being made. Amounts received in any fiscal year 11093
under section 6341 of the Internal Revenue Code, 26 U.S.C. 6341, 11094
shall not be included when determining the sixty-three million 11095
dollar limit. The determinations required by this division shall 11096
be made by the treasurer of state at the time of issuance of an 11097
issue of obligations and shall be conclusive for purposes of such 11098
issue of obligations from and after their issuance and delivery. 11099

under sections 166.07, 166.16, and 166.21 of the Revised Code may 11103
not at any time exceed eight hundred million dollars. Of that 11104
eight hundred million dollars, the aggregate amount of the 11105

section, including, without limitation, covenants binding the 13436
state in favor of the issuing authority and its assignees and the 13437
owners of the obligations. Any such purchase and sale agreement 13438
shall be sufficient to effectuate such purchase and sale without 13439
regard to any other laws governing other property sales or 13440
financial transactions by the state. 13441

Not later than two years following the date on which there 13442
are no longer any obligations outstanding under the bond 13443
proceedings, all assets of the issuing authority shall vest in the 13444
state, the issuing authority shall execute any necessary 13445

assignments or instruments, including any assignment of any right, 13446
title, or ownership to the state for receipt of amounts under the 13447
tobacco master settlement agreement, and the issuing authority 13448
shall be dissolved. 13449

(C) The issuing authority is authorized to issue and to sell 13450
obligations as provided in this section. The aggregate principal 13451
amount of obligations issued under this section shall not exceed 13452
six billion dollars, exclusive of obligations issued under 13453
division (M)(1) of this section to refund, renew, or advance 13454
refund other obligations issued or incurred. At least seventy-five 13455
per cent of the aggregate net proceeds of the obligations issued 13456
under the authority of this section, exclusive of obligations 13457
issued to refund, renew, or advance refund other obligations, 13458
shall be paid to the state for deposit into the school building 13459
program assistance fund created in section 3318.25 of the Revised 13460
Code. 13461

(D) Each issue of obligations shall be authorized by 13462
resolution or order of the issuing authority. The bond proceedings 13463
shall provide for or authorize the manner for determining the 13464
principal amount or maximum principal amount of obligations of an 13465
issue, the principal maturity or maturities, the interest rate or 13466
rates, the date of and the dates of payment of interest on the 13467
obligations, their denominations, and the place or places of 13468
payment of debt service which may be within or outside the state. 13469
Unless otherwise provided by law, the latest principal maturity 13470
may not be later than the earlier of the thirty-first day of 13471
December of the fiftieth calendar year after the year of issuance 13472
of the particular obligations or of the fiftieth calendar year 13473
after the year in which the original obligation to pay was issued 13474
or entered into. Sections 9.96, 9.98, 9.981, 9.982, and 9.983 of 13475
the Revised Code apply to the obligations. 13476

The purpose of the obligations may be stated in the bond 13477

proceedings in general terms, such as, as applicable, "paying 13478
costs of capital facilities for a system of common schools" and 13479
"paying costs of facilities for state-supported and state-assisted 13480
institutions of higher education." Unless otherwise provided in 13481
the bond proceedings or in division (C) of this section, the net 13482
proceeds from the issuance of the obligations shall be paid to the 13483
state for deposit into the applicable improvement fund. In 13484
addition to the investments authorized in Chapter 135. of the 13485
Revised Code, the net proceeds held in an improvement fund may be 13486
invested by the treasurer of state in guaranteed investment 13487
contracts with providers rated at the time of any investment in 13488
the three highest rating categories by two nationally recognized 13489
rating agencies, all subject to the terms and conditions set forth 13490
in those agreements or the bond proceedings. Notwithstanding 13491
anything to the contrary in Chapter 3318. of the Revised Code, net 13492
proceeds of obligations deposited into the school building program 13493
assistance fund created in section 3318.25 of the Revised Code may 13494
be used to pay basic project costs under that chapter at the times 13495
determined by the Ohio ~~school~~ facilities construction commission 13496
without regard to whether those expenditures are in proportion to 13497
the state's and the school district's respective shares of that 13498
basic project cost; provided that this shall not result in any 13499
change in the state or school district shares of the basic project 13500
costs as determined under that chapter. As used in the preceding 13501
sentence, "Ohio ~~school~~ facilities construction commission" and 13502
"basic project costs" have the same meanings as in section 3318.01 13503
of the Revised Code. 13504

(E) The issuing authority may, without need for any other 13505
approval, appoint or provide for the appointment of paying agents, 13506
bond registrars, securities depositories, credit enhancement 13507
providers or counterparties, clearing corporations, and transfer 13508
agents, and retain or contract for the services of underwriters, 13509
investment bankers, financial advisers, accounting experts, 13510

marketing, remarketing, indexing, and administrative agents, other 13511
consultants, and independent contractors, including printing 13512
services, as are necessary in the judgment of the issuing 13513
authority to carry out the issuing authority's functions under 13514
this section and section 183.52 of the Revised Code. The attorney 13515
general as counsel to the issuing authority shall represent the 13516
authority in the execution of its powers and duties, and shall 13517
institute and prosecute all actions on its behalf. The issuing 13518
authority, in consultation with the attorney general, shall select 13519
counsel, and the attorney general shall appoint the counsel 13520
selected, for the purposes of carrying out the functions under 13521
this section and related sections of the Revised Code. Financing 13522
costs are payable, as may be provided in the bond proceedings, 13523
from the proceeds of the obligations, from special funds, or from 13524
other moneys available for the purpose, including as to future 13525
financing costs, from the pledged receipts. 13526

(F) The issuing authority may irrevocably pledge and assign 13527
all, or such portion as the issuing authority determines, of the 13528
pledged receipts to the payment of the debt service charges on 13529
obligations issued under this section, and for the establishment 13530
and maintenance of any reserves, as provided in the bond 13531
proceedings, and make other provisions in the bond proceedings 13532
with respect to pledged receipts as authorized by this section, 13533
which provisions are controlling notwithstanding any other 13534
provisions of law pertaining to them. Any and all pledged receipts 13535
received by the issuing authority and required by the bond 13536
proceedings, consistent with this section, to be deposited, 13537
transferred, or credited to the bond service fund, and all other 13538
money transferred or allocated to or received for the purposes of 13539
that fund, shall be deposited and credited to the bond service 13540
fund created in the bond proceedings for the obligations, subject 13541
to any applicable provisions of those bond proceedings, but 13542
without necessity for any act of appropriation. Those pledged 13543

receipts shall immediately be subject to the lien of that pledge 13544
without any physical delivery thereof or further act, and shall 13545
not be subject to other court judgments. The lien of the pledge of 13546
those pledged receipts shall be valid and binding against all 13547
parties having claims of any kind against the issuing authority, 13548
irrespective of whether those parties have notice thereof. The 13549
pledge shall create a perfected security interest for all purposes 13550
of Chapter 1309. of the Revised Code and a perfected lien for 13551
purposes of any other interest, all without the necessity for 13552
separation or delivery of funds or for the filing or recording of 13553
the applicable bond proceedings by which that pledge is created or 13554
any certificate, statement, or other document with respect 13555
thereto. The pledge of the pledged receipts shall be effective and 13556
the money therefrom and thereof may be applied to the purposes for 13557
which pledged. 13558

(G) Obligations may be further secured, as determined by the 13559
issuing authority, by an indenture or a trust agreement between 13560
the issuing authority and a corporate trustee, which may be any 13561
trust company or bank having a place of business within the state. 13562
Any indenture or trust agreement may contain the resolution or 13563
order authorizing the issuance of the obligations, any provisions 13564
that may be contained in any bond proceedings, and other 13565
provisions that are customary or appropriate in an agreement of 13566
that type, including, but not limited to: 13567

(1) Maintenance of each pledge, indenture, trust agreement, 13568
or other instrument comprising part of the bond proceedings until 13569
the issuing authority has fully paid or provided for the payment 13570
of debt service on the obligations secured by it; 13571

(2) In the event of default in any payments required to be 13572
made by the bond proceedings, enforcement of those payments or 13573
agreements by mandamus, the appointment of a receiver, suit in 13574
equity, action at law, or any combination of them; 13575

(3) The rights and remedies of the holders or owners of obligations and of the trustee and provisions for protecting and enforcing them, including limitations on rights of individual holders and owners.

(H) The bond proceedings may contain additional provisions customary or appropriate to the financing or to the obligations or to particular obligations including, but not limited to, provisions for:

(1) The redemption of obligations prior to maturity at the option of the issuing authority or of the holder or upon the occurrence of certain conditions, and at a particular price or prices and under particular terms and conditions;

(2) The form of and other terms of the obligations;

(3) The establishment, deposit, investment, and application of special funds, and the safeguarding of moneys on hand or on deposit, in lieu of the applicability of provisions of Chapter 131. or 135. of the Revised Code, but subject to any special provisions of this section with respect to the application of particular funds or moneys. Any financial institution that acts as a depository of any moneys in special funds or other funds under the bond proceedings may furnish indemnifying bonds or pledge securities as required by the issuing authority.

(4) Any or every provision of the bond proceedings being binding upon the issuing authority and upon such governmental agency or entity, officer, board, authority, agency, department, institution, district, or other person or body as may from time to time be authorized to take actions as may be necessary to perform all or any part of the duty required by the provision;

(5) The maintenance of each pledge or instrument comprising part of the bond proceedings until the issuing authority has fully paid or provided for the payment of the debt service on the

obligations or met other stated conditions; 13607

(6) In the event of default in any payments required to be 13608
made by the bond proceedings, or by any other agreement of the 13609
issuing authority made as part of a contract under which the 13610
obligations were issued or secured, including a credit enhancement 13611
facility, the enforcement of those payments by mandamus, a suit in 13612
equity, an action at law, or any combination of those remedial 13613
actions; 13614

(7) The rights and remedies of the holders or owners of 13615
obligations or of book-entry interests in them, and of third 13616
parties under any credit enhancement facility, and provisions for 13617
protecting and enforcing those rights and remedies, including 13618
limitations on rights of individual holders or owners; 13619

(8) The replacement of mutilated, destroyed, lost, or stolen 13620
obligations; 13621

(9) The funding, refunding, or advance refunding, or other 13622
provision for payment, of obligations that will then no longer be 13623
outstanding for purposes of this section or of the applicable bond 13624
proceedings; 13625

(10) Amendment of the bond proceedings; 13626

(11) Any other or additional agreements with the owners of 13627
obligations, and such other provisions as the issuing authority 13628
determines, including limitations, conditions, or qualifications, 13629
relating to any of the foregoing or the activities of the issuing 13630
authority in connection therewith. 13631

The bond proceedings shall make provision for the payment of 13632
the expenses of the enforcement activity of the attorney general 13633
referred to in division (B) of this section from the amounts from 13634
the tobacco master settlement agreement assigned and sold to the 13635
issuing authority under that division or from the proceeds of 13636
obligations, or a combination thereof, which may include provision 13637

for both annual payments and a special fund providing reserve 13638
amounts for the payment of those expenses. 13639

The issuing authority shall not, and shall covenant in the 13640
bond proceedings that it shall not, be authorized to and shall not 13641
file a voluntary petition under the United States Bankruptcy Code, 13642
11 U.S.C. 101 et seq., as amended, or voluntarily commence any 13643
similar bankruptcy proceeding under state law including, without 13644
limitation, consenting to the appointment of a receiver or trustee 13645
or making a general or specific assignment for the benefit of 13646
creditors, and neither any public officer or any organization, 13647
entity, or other person shall authorize the issuing authority to 13648
be or become a debtor under the United States Bankruptcy Code or 13649
take any of those actions under the United States Bankruptcy Code 13650
or state law. The state hereby covenants, and the issuing 13651
authority shall covenant, with the holders or owners of the 13652
obligations, that the state shall not permit the issuing authority 13653
to file a voluntary petition under the United States Bankruptcy 13654
Code or take any of those actions under the United States 13655
Bankruptcy Code or state law during the period obligations are 13656
outstanding and for any additional period for which the issuing 13657
authority covenants in the bond proceedings, which additional 13658
period may, but need not, be a period of three hundred sixty-seven 13659
days or more. 13660

(I) The obligations requiring execution by or for the issuing 13661
authority shall be signed as provided in the bond proceedings, and 13662
may bear the official seal of the issuing authority or a facsimile 13663
thereof. Any obligation may be signed by the individual who, on 13664
the date of execution, is the authorized signer even though, on 13665
the date of the obligations, that individual is not an authorized 13666
signer. In case the individual whose signature or facsimile 13667
signature appears on any obligation ceases to be an authorized 13668
signer before delivery of the obligation, that signature or 13669

facsimile is nevertheless valid and sufficient for all purposes as 13670
if that individual had remained the authorized signer until 13671
delivery. 13672

(J) Obligations are investment securities under Chapter 1308. 13673
of the Revised Code. Obligations may be issued in bearer or in 13674
registered form, registrable as to principal alone or as to both 13675
principal and interest, or both, or in certificated or 13676
uncertificated form, as the issuing authority determines. 13677
Provision may be made for the exchange, conversion, or transfer of 13678
obligations and for reasonable charges for registration, exchange, 13679
conversion, and transfer. Pending preparation of final 13680
obligations, the issuing authority may provide for the issuance of 13681
interim instruments to be exchanged for the final obligations. 13682

(K) Obligations may be sold at public sale or at private 13683
sale, in such manner, and at such price at, above, or below par, 13684
all as determined by and provided by the issuing authority in the 13685
bond proceedings. 13686

(L) Except to the extent that rights are restricted by the 13687
bond proceedings, any owner of obligations or provider of or 13688
counterparty to a credit enhancement facility may by any suitable 13689
form of legal proceedings protect and enforce any rights relating 13690
to obligations or that facility under the laws of this state or 13691
granted by the bond proceedings. Those rights include the right to 13692
compel the performance of all applicable duties of the issuing 13693
authority and the state. Each duty of the issuing authority and 13694
that issuing authority's officers, staff, and employees, and of 13695
each state entity or agency, or using district or using 13696
institution, and its officers, members, staff, or employees, 13697
undertaken pursuant to the bond proceedings, is hereby established 13698
as a duty of the entity or individual having authority to perform 13699
that duty, specifically enjoined by law and resulting from an 13700
office, trust, or station within the meaning of section 2731.01 of 13701

the Revised Code. The individuals who are from time to time 13702
members of the issuing authority, or their designees acting 13703
pursuant to section 183.52 of the Revised Code, or the issuing 13704
authority's officers, staff, agents, or employees, when acting 13705
within the scope of their employment or agency, shall not be 13706
liable in their personal capacities on any obligations or 13707
otherwise under the bond proceedings, or for otherwise exercising 13708
or carrying out any purposes or powers of the issuing authority. 13709

(M)(1) Subject to any applicable limitations in division (C) 13710
of this section, the issuing authority may also authorize and 13711
provide for the issuance of: 13712

(a) Obligations in the form of bond anticipation notes, and 13713
may authorize and provide for the renewal of those notes from time 13714
to time by the issuance of new notes. The holders of notes or 13715
appertaining interest coupons have the right to have debt service 13716
on those notes paid solely from the moneys and special funds, and 13717
all or any portion of the pledged receipts, that are or may be 13718
pledged to that payment, including the proceeds of bonds or 13719
renewal notes or both, as the issuing authority provides in the 13720
bond proceedings authorizing the notes. Notes may be additionally 13721
secured by covenants of the issuing authority to the effect that 13722
the issuing authority will do all things necessary for the 13723
issuance of bonds or renewal notes in such principal amount and 13724
upon such terms as may be necessary to provide moneys to pay when 13725
due the debt service on the notes, and apply their proceeds to the 13726
extent necessary, to make full and timely payment of debt service 13727
on the notes as provided in the applicable bond proceedings. In 13728
the bond proceedings authorizing the issuance of bond anticipation 13729
notes the issuing authority shall set forth for the bonds 13730
anticipated an estimated schedule of annual principal payments the 13731
latest of which shall be no later than provided in division (D) of 13732
this section. While the notes are outstanding there shall be 13733

deposited, as shall be provided in the bond proceedings for those 13734
notes, from the sources authorized for payment of debt service on 13735
the bonds, amounts sufficient to pay the principal of the bonds 13736
anticipated as set forth in that estimated schedule during the 13737
time the notes are outstanding, which amounts shall be used solely 13738
to pay the principal of those notes or of the bonds anticipated. 13739

(b) Obligations for the refunding, including funding and 13740
retirement, and advance refunding, with or without payment or 13741
redemption prior to maturity, of any obligations previously issued 13742
under this section and any bonds or notes previously issued for 13743
the purpose of paying costs of capital facilities for: (i) 13744
state-supported or state-assisted institutions of higher education 13745
as authorized by sections 151.01 and 151.04 of the Revised Code, 13746
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution, 13747
and (ii) housing branches and agencies of state government limited 13748
to facilities for a system of common schools throughout the state 13749
as authorized by sections 151.01 and 151.03 of the Revised Code, 13750
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution. 13751
Refunding obligations may be issued in amounts sufficient to pay 13752
or to provide for repayment of the principal amount, including 13753
principal amounts maturing prior to the redemption of the 13754
remaining prior obligations or bonds or notes, any redemption 13755
premium, and interest accrued or to accrue to the maturity or 13756
redemption date or dates, payable on the prior obligations or 13757
bonds or notes, and related financing costs and any expenses 13758
incurred or to be incurred in connection with that issuance and 13759
refunding. Subject to the applicable bond proceedings, the portion 13760
of the proceeds of the sale of refunding obligations issued under 13761
division (M)(1)(b) of this section to be applied to debt service 13762
on the prior obligations or bonds or notes shall be credited to an 13763
appropriate separate account in the bond service fund and held in 13764
trust for the purpose by the issuing authority or by a corporate 13765
trustee, and may be invested as provided in the bond proceedings. 13766

Obligations authorized under this division shall be considered to 13767
be issued for those purposes for which the prior obligations or 13768
bonds or notes were issued. 13769

(2) The principal amount of refunding, advance refunding, or 13770
renewal obligations issued pursuant to division (M) of this 13771
section shall be in addition to the amount authorized in division 13772
(C) of this section. 13773

(N) Obligations are lawful investments for banks, savings and 13774
loan associations, credit union share guaranty corporations, trust 13775
companies, trustees, fiduciaries, insurance companies, including 13776
domestic for life and domestic not for life, trustees or other 13777
officers having charge of sinking and bond retirement or other 13778
special funds of the state and political subdivisions and taxing 13779
districts of this state, notwithstanding any other provisions of 13780
the Revised Code or rules adopted pursuant to those provisions by 13781
any state agency with respect to investments by them, and are also 13782
acceptable as security for the repayment of the deposit of public 13783
moneys. The exemptions from taxation in Ohio as provided for in 13784
particular sections of the Ohio Constitution and section 5709.76 13785
of the Revised Code apply to the obligations. 13786

(O)(1) Unless otherwise provided or provided for in any 13787
applicable bond proceedings, moneys to the credit of or in a 13788
special fund shall be disbursed on the order of the issuing 13789
authority. No such order is required for the payment, from the 13790
bond service fund or other special fund, when due of debt service 13791
or required payments under credit enhancement facilities. 13792

(2) Payments received by the issuing authority under interest 13793
rate hedges entered into as credit enhancement facilities under 13794
this section shall be deposited as provided in the applicable bond 13795
proceedings. 13796

(P) The obligations shall not be general obligations of the 13797

state and the full faith and credit, revenue, and taxing power of 13798
the state shall not be pledged to the payment of debt service on 13799
them or to any guarantee of the payment of that debt service. The 13800
holders or owners of the obligations shall have no right to have 13801
any moneys obligated or pledged for the payment of debt service 13802
except as provided in this section and in the applicable bond 13803
proceedings. The rights of the holders and owners to payment of 13804
debt service are limited to all or that portion of the pledged 13805
receipts, and those special funds, pledged to the payment of debt 13806
service pursuant to the bond proceedings in accordance with this 13807
section, and each obligation shall bear on its face a statement to 13808
that effect. 13809

(Q) Each bond service fund is a trust fund and is hereby 13810
pledged to the payment of debt service on the applicable 13811
obligations. Payment of that debt service shall be made or 13812
provided for by the issuing authority in accordance with the bond 13813
proceedings without necessity for any act of appropriation. The 13814
bond proceedings may provide for the establishment of separate 13815
accounts in the bond service fund and for the application of those 13816
accounts only to debt service on specific obligations, and for 13817
other accounts in the bond service fund within the general 13818
purposes of that fund. 13819

(R) Subject to the bond proceedings pertaining to any 13820
obligations then outstanding in accordance with their terms, the 13821
issuing authority may in the bond proceedings pledge all, or such 13822
portion as the issuing authority determines, of the moneys in the 13823
bond service fund to the payment of debt service on particular 13824
obligations, and for the establishment and maintenance of any 13825
reserves for payment of particular debt service. 13826

(S)(1) Unless otherwise provided in any applicable bond 13827
proceedings, moneys to the credit of special funds may be invested 13828
by or on behalf of the issuing authority only in one or more of 13829

the following:	13830
(a) Notes, bonds, or other direct obligations of the United States or of any agency or instrumentality of the United States, or in no-front-end-load money market mutual funds consisting exclusively of those obligations, or in repurchase agreements, including those issued by any fiduciary, secured by those obligations, or in collective investment funds consisting exclusively of those obligations;	13831 13832 13833 13834 13835 13836 13837
(b) Obligations of this state or any political subdivision of this state;	13838 13839
(c) Certificates of deposit of any national bank located in this state and any bank, as defined in section 1101.01 of the Revised Code, subject to inspection by the superintendent of financial institutions;	13840 13841 13842 13843
(d) The treasurer of state's pooled investment program under section 135.45 of the Revised Code;	13844 13845
(e) Other investment agreements or repurchase agreements that are consistent with the ratings on the obligations.	13846 13847
(2) The income from investments referred to in division (S)(1) of this section shall be credited to special funds or otherwise as the issuing authority determines in the bond proceedings. Those investments may be sold or exchanged at times as the issuing authority determines, provides for, or authorizes.	13848 13849 13850 13851 13852
(T) The treasurer of state shall have responsibility for keeping records, making reports, and making payments, relating to any arbitrage rebate requirements under the applicable bond proceedings.	13853 13854 13855 13856
(U) The issuing authority shall make quarterly reports to the general assembly of the amounts in, and activities of, each improvement fund, including amounts and activities on the subfund	13857 13858 13859

level. Each report shall include a detailed description and 13860
analysis of the amount of proceeds remaining in each fund from the 13861
sale of obligations pursuant to this section, and any other 13862
deposits, credits, interest earnings, disbursements, expenses, 13863
transfers, or activities of each fund. 13864

(V) The costs of the annual audit of the authority conducted 13865
pursuant to section 117.112 of the Revised Code are payable, as 13866
may be provided in the bond proceedings, from the proceeds of the 13867
obligations, from special funds, or from other moneys available 13868
for the purpose, including as to future financing costs, from the 13869
pledged receipts. 13870

Sec. 190.01. "The Health Care Compact" is hereby ratified, 13871
enacted into law, and entered into by the state of Ohio as a party 13872
to the compact with any other state that has legally joined in the 13873
compact as follows: 13874

Whereas, the separation of powers, both between the branches 13875
of the Federal government and between Federal and State authority, 13876
is essential to the preservation of individual liberty; 13877

Whereas, the Constitution creates a Federal government of 13878
limited and enumerated powers, and reserves to the States or to 13879
the people those powers not granted to the Federal government; 13880

Whereas, the Federal government has enacted many laws that 13881
have preempted State laws with respect to Health Care, and placed 13882
increasing strain on State budgets, impairing other 13883
responsibilities such as education, infrastructure, and public 13884
safety; 13885

Whereas, the Member States seek to protect individual liberty 13886
and personal control over Health Care decisions, and believe the 13887
best method to achieve these ends is by vesting regulatory 13888
authority over Health Care in the States; 13889

Whereas, by acting in concert, the Member States may express 13890
and inspire confidence in the ability of each Member State to 13891
govern Health Care effectively; and 13892

Whereas, the Member States recognize that consent of Congress 13893
may be more easily secured if the Member States collectively seek 13894
consent through an interstate compact; 13895

NOW THEREFORE, the Member States hereto resolve, and by the 13896
adoption into law under their respective State Constitutions of 13897
this Health Care Compact, agree, as follows: 13898

Sec. 2. Pledge. The Member States shall take joint and 13952
separate action to secure the consent of the United States 13953
Congress to this Compact in order to return the authority to 13954

goals and principles articulated in this Compact. The Member 13956
States shall improve Health Care policy within their respective 13957
jurisdictions and according to the judgment and discretion of each 13958
Member State. 13959

Sec. 3. Legislative Power. The legislatures of the Member 13960
States have the primary responsibility to regulate Health Care in 13961
their respective States. 13962

its authority under this Compact. For any federal law, rule, 13970
regulation, or order that remains in effect in a Member State 13971
after the Effective Date, that Member State shall be responsible 13972

funded by Congress as mandatory spending and not subject to annual 13978
appropriation, to support the exercise of Member State authority 13979
under this Compact. This funding shall not be conditional on any 13980
action of or regulation, policy, law, or rule being adopted by the 13981

Member State. 13982

(b) By the start of each Federal fiscal year, Congress shall 13983
establish an initial Member State Current Year Funding Level for 13984
each Member State, based upon reasonable estimates. The final 13985
Member State Current Year Funding Level shall be calculated, and 13986
funding shall be reconciled by the United States Congress based 13987
upon information provided by each Member State and audited by the 13988

that are of particular concern to the Member States. The 14006
Commission may make non-binding recommendations to the Member 14007
States. The legislatures of the Member States may consider these 14008
recommendations in determining the appropriate Health Care 14009
policies in their respective States. 14010

(d) The Commission shall collect information and data to 14011
assist the Member States in their regulation of Health Care, 14012

including assessing the performance of various State Health Care 14013
programs and compiling information on the prices of Health Care. 14014
The Commission shall make this information and data available to 14015
the legislatures of the Member States. Notwithstanding any other 14016
provision in this Compact, no Member State shall disclose to the 14017
Commission the health information of any individual, nor shall the 14018
Commission disclose the health information of any individual. 14019

(e) The Commission shall be funded by the Member States as 14020
agreed to by the Member States. The Commission shall have the 14021
responsibilities and duties as may be conferred upon it by 14022
subsequent action of the respective legislatures of the Member 14023
States in accordance with the terms of this Compact. 14024

(f) The Commission shall not take any action within a Member 14025
State that contravenes any State law of that Member State. 14026

Sec. 7. Congressional Consent. This Compact shall be 14027
effective on its adoption by at least two Member States and 14028
consent of the United States Congress. This Compact shall be 14029
effective unless the United States Congress, in consenting to this 14030
Compact, alters the fundamental purposes of this Compact, which 14031
are: 14032

(a) To secure the right of the Member States to regulate 14033
Health Care in their respective States pursuant to this Compact 14034
and to suspend the operation of any conflicting federal laws, 14035
rules, regulations, and orders within their States; and 14036

(b) To secure Federal funding for Member States that choose 14037
to invoke their authority under this Compact, as prescribed by 14038
Section 5 above. 14039

Sec. 8. Amendments. The Member States, by unanimous 14040
agreement, may amend this Compact from time to time without the 14041
prior consent or approval of Congress and any amendment shall be 14042
effective unless, within one year, the Congress disapproves that 14043

amendment. Any State may join this Compact after the date on which 14044
Congress consents to the Compact by adoption into law under its 14045
State Constitution. 14046

Sec. 9. Withdrawal; Dissolution. Any Member State may 14047
withdraw from this Compact by adopting a law to that effect, but 14048
no such withdrawal shall take effect until six months after the 14049
Governor of the withdrawing Member State has given notice of the 14050
withdrawal to the other Member States. A withdrawing State shall 14051
be liable for any obligations that it may have incurred prior to 14052
the date on which its withdrawal becomes effective. This Compact 14053
shall be dissolved upon the withdrawal of all but one of the 14054
Member States. 14055

Care Compact" entered into under section 190.01 of the Revised 14057
Code is ratified by the United States congress, the governor shall 14058
appoint a member to the interstate advisory health care commission 14059
created under the compact. The governor shall fill a vacancy not 14060

(C) With respect to a state agency that uses or discloses personally identifiable information, all of the following conditions apply:

(1) The state agency shall use or disclose the information only as permitted or required by state and federal law. In addition, if the information is obtained during fiscal year 2013, 2014, or 2015 from an exchange of personally identifiable information permitted under division (B) of this section, the agency shall also use or disclose the information in accordance with all operating protocols that apply to the use or disclosure.

(4) If a state agency discovers an unauthorized use or 141107
disclosure of unsecured protected health information or unsecured 141108

shall, not later than seventy-two hours after the discovery, do 141110
all of the following: 141111

(c) Mitigate, to the extent reasonably possible, any 141119
potential adverse effects of the unauthorized use or disclosure. 141120

(5) A state agency shall make available to the executive 141121

receives, uses, or discloses that is affected or governed by this 141127
section. 141128

(6) On termination or expiration of an operating protocol and 141129
if feasible, a state agency shall return or destroy all personally 141130
identifiable information received directly from or received on 141131

information is not returned or destroyed, the state agency 141133
maintaining the information shall extend the protections set forth 141134
in this section for as long as it is maintained. 141135

(7) If a state agency enters into a subcontract or, when required by 45 C.F.R. 164.502(e)(2), a business associate agreement, the subcontract or business associate agreement shall require the subcontractor or business associate to comply with the terms of this section as if the subcontractor or business associate were a state agency.

in a protocol shall supersede any provisions in an interagency 14172
agreement, including an interagency agreement entered into under 14173

(b) If known, the date on which the protocol will terminate 14181
or expire. 14182

(2) In addition, a protocol may specify the extent to which 14183
each participating agency is responsible and accountable for 14184
completing the tasks necessary for successful completion of the 14185

of the initiative: 14187

shall comply with it. 14195

(1) The estimated grant revenue to be transferred to the 14233
community improvement fund during the current year. 14234

(2) The total amount of grants that may be awarded during the 14235
current year. Except as provided in division (D) of this section, 14236
the total amount of grants that may be awarded during any year may 14237
not exceed the sum of the unencumbered balance in the community 14238
improvements fund on the first day of the year plus the estimated 14239

permanent improvement projects located within the county. If the 14263
grant revenue is derived from a tax that was levied on the 14264
effective date of the amendment of this section by H.B. 49 of the 14265
132nd general assembly and the government agency to which the 14266
grant is to be paid is a school district, the grant may be used 14267
for permanent improvement projects located anywhere within that 14268
school district even if a portion of the school district is 14269
located outside the county. 14270

not to be paid, as determined under the certification made under 14281
division (D)(3) of this section, plus the amount by which the 14282
amount certified under division (D)(1) of this section exceeds the 14283
amount certified under division (D)(2) of this section. For each 14284

(E) Except as otherwise provided by divisions (C) and (D) of this section, the board of county commissioners shall pay each government agency from the county's community improvement fund, the amount of its grant award in accordance with the certification of the community improvement board. If the balance in the fund is insufficient to make the payment of any grant in the amount specified in the certification, the board of county commissioners may issue grant award bonds in the amount of such insufficiency and make the balance of the payment from the proceeds of such bonds. The proceeds of a payment received under this division may be expended solely for the permanent improvement project for which the grant was awarded.

(F) If a board of county commissioners disallows a grant under division (C) or (D) of this section, the community improvements board may reconvene for the purpose of awarding

grants under this section. For the purpose of making grant awards 14321
as provided under this division, any grant that the board of 14322
county commissioners disallows shall be considered not to have 14323
been awarded. 14324

(G) Before the community improvements board may approve 14325
funding for a permanent improvement project that has been rejected 14326
by a separate prior vote of the electorate, there must have 14327
occurred a subsequent separate vote of the electorate reversing 14328
the prior result. 14329

each municipal corporation that enters into a contract under 15041
division (A) of this section may require a person who was 15042
convicted of an offense, who is under the charge of the sheriff of 15043

correctional center to pay a reception fee, a fee for medical 15058
treatment or service requested by and provided to that person, or 15059

section 341.26 of the Revised Code. 15061

(F)(1) The corrections commission of a center established 15062
under this section may establish a commissary for the center. The 15063
commissary may be established either in-house or by another 15064
arrangement. If a commissary is established, all persons 15065
incarcerated in the center shall receive commissary privileges. A 15066

establish a commissary fund for the center. The management of 15074
funds in the commissary fund shall be strictly controlled in 15075
accordance with procedures adopted by the auditor of state. 15076
Commissary fund revenue over and above operating costs and reserve 15077
shall be considered profits. All profits from the commissary fund 15078
shall be used to purchase supplies and equipment for the benefit 15079
of persons incarcerated in the center and to pay salary and 15080
benefits for employees of the center, or for any other persons, 15081
who work in or are employed for the sole purpose of providing 15082
service to the commissary. The corrections commission shall adopt 15083
rules and regulations for the operation of any commissary fund it 15084
establishes. 15085

guilty of falsification under section 2921.13 of the Revised Code. 15173

(2) The auditor of state shall review the sworn affidavit and 15174
the evidence. Within ~~ten business~~ thirty calendar days after 15175
receiving the sworn affidavit, unless, for good cause, additional 15176

time is required, the auditor of state shall determine whether 15177
clear and convincing evidence supports the allegations. If the 15178
auditor of state finds that no allegation is supported by clear 15179
and convincing evidence, the auditor of state shall submit those 15180
findings in writing to the county auditor and the person 15181
initiating the sworn affidavit. If the auditor of state finds by 15182

the evidence, the auditor of state shall submit those findings in 15184
writing to the attorney general, the county auditor, and the 15185
person who initiated the sworn affidavit. The findings shall 15186

(3)(a) The attorney general shall review the auditor of 15189
state's findings and the sworn affidavit and evidence. Within ten 15190
business days after receiving the sworn affidavit and evidence, 15191
unless, for good cause, additional time is required, the attorney 15192

allegation is supported by clear and convincing evidence, the 15195
attorney general, by certified mail, shall notify the auditor of 15196
state, the county auditor, and the person who initiated the sworn 15197
affidavit, that no complaint for the removal of the county auditor 15198
from public office will be filed. 15199

(b) If the attorney general finds by clear and convincing 15200
evidence that an allegation is supported by the evidence, the 15201
attorney general, by certified mail, shall notify the auditor of 15202
state, the county auditor, and the person who initiated the sworn 15203
affidavit of that fact, and shall commence an action for the 15204
removal of the county auditor from public office under division 15205
(B) of this section. 15206

(c) Nothing in this section is intended to limit the 15207
authority of the attorney general to enter into mediation, 15208

settlement, or resolution of any alleged violation before or 15209
following the commencement of an action under this section. 15210

(B)(1)(a) The attorney general has a cause of action for 15211
removal of a county auditor who purposely, knowingly, or 15212
recklessly fails to perform a fiscal duty expressly imposed by law 15213
with respect to the fiscal duties of the office of county auditor 15214
or purposely, knowingly, or recklessly commits any act expressly 15215
prohibited by law with respect to the fiscal duties of the office 15216

auditor by filing a complaint for the removal of the county 15220

county auditor holds office has exclusive original jurisdiction of 15224
the action. The action shall proceed de novo as in the trial of a 15225
civil action. The court is not restricted to the evidence that was 15226
presented to the auditor of state and the attorney general before 15227
the action was filed. The action is governed by the Rules of Civil 15228
Procedure. 15229

(b) If the court finds by clear and convincing evidence that 15230

state or the United States that is substantially equivalent to any 15243
criminal violation in Title ~~29~~ XXIX of the Revised Code related to 15244
conduct in office, if the person charged in the criminal action 15245
committed the violation while serving as a county auditor and the 15246
conduct constituting the violation was related to the duties of 15247
the office of county auditor or to the person's actions as the 15248
county auditor. The stay may be lifted upon motion of the 15249
prosecuting attorney in the related criminal action. 15250

(3) Prior to or at the hearing, upon a showing of good cause, 15251
the court may issue an order restraining the county auditor from 15252
entering the county auditor's office and from conducting the 15253
affairs of the office pending the hearing on the complaint. If 15254
such an order is issued, the court may continue the order until 15255
the conclusion of the hearing and any appeals under this section. 15256

(4) The board of county commissioners shall be responsible 15257
for the payment of reasonable attorney's fees for counsel for the 15258

for attorney's fees and costs up to a reasonable amount, as 15261
determined by the court. Expenses incurred by the board in a 15262
removal action shall be paid out of the county general fund. 15263

(C) The judgment of the court is final and conclusive unless 15264
reversed, vacated, or modified on appeal. An appeal may be taken 15265
by any party, and shall proceed as in the case of appeals in civil 15266
actions and in accordance with the Rules of Appellate Procedure. 15267
Upon the filing of a notice of appeal by any party to the 15268
proceedings, the court of appeals shall hear the case as an 15269
expedited appeal under Rule 11.2 of the Rules of Appellate 15270
Procedure. The county auditor has the right of review or appeal to 15271
the supreme court. 15272

(D) If a final judgment for removal from public office is 15273
entered against the county auditor, the office shall be deemed 15274
vacated, and the vacancy shall be filled as provided in section 15275
305.02 of the Revised Code. Except as otherwise provided by law, 15276

(3) Prior to or at the hearing, upon a showing of good cause, the court may issue an order restraining the county treasurer from

entering the county treasurer's office and from conducting the 15735

actions and in accordance with the Rules of Appellate Procedure. 15749
Upon the filing of a notice of appeal by any party to the 15750
proceedings, the court of appeals shall hear the case as an 15751
expedited appeal under Rule 11.2 of the Rules of Appellate 15752

authorities within each taxing district in the same proportions as 16003
the said taxes were originally levied, taking into account the 16004
various rates of taxation levied for different purposes for each 16005
year in which such taxes were charged and remained unpaid, and any 16006
unpaid special assessments, including compound interest thereon at 16007
the rate of six per cent per annum to January 1, 1978. 16008

In making such distribution, the auditor shall, first, deduct 16009
an amount equal to one per cent of the total amount to be 16010
distributed, as fees for services of the county auditor and 16011
treasurer in making collection and distribution of the claim in 16012

for in sections 319.54 and 321.26 of the Revised Code. The amount 16014
so deducted shall be credited to the general fund of the county. 16015

If any funds received pursuant to this section represent 16016

taxes which, if collected, would have resulted from any general or 16017
emergency levy which has since expired, such funds may be credited 16018
to the general operating fund and expended as though they are 16019
proceeds from a current levy, and if any of such funds represent 16020
taxes from any current general bond retirement levy or one which 16021
has since expired, said funds may be credited to the current bond 16022
retirement fund and used to service any current bond indebtedness, 16023

if so designated by a majority of the members of the taxing 16025
authority of the taxing district. 16026

(E) Except as provided in division (H) of this section, when, 16027
as a part of the settlement of a claim in bankruptcy of a 16028
reorganized railroad company a county receives notes on behalf of 16029
a taxing authority in partial payment of said claim, the county 16030
treasurer shall, within a reasonable length of time, notify the 16031
taxing authority of each taxing district sharing in the claim that 16032
such notes are in ~~his~~ the treasurer's custody. Within sixty days 16033
of receipt of such notice, each taxing authority shall decide by a 16034
resolution approved by a majority of its members whether: 16035

(1) The notes shall remain in custody of the county 16036
treasurer, as issued, and allowed to mature according to the terms 16037
presented on their face with the proceeds to be distributed upon 16038
maturity pursuant to division (D) of this section; or 16039

(2) The railroad notes shall be exchanged for several new 16040
notes in denominations equal to the proportionate share, or 16041
portion thereof, of the taxing district having a share in the 16042
claim in bankruptcy as determined in division (D) of this section. 16043
The new notes shall be distributed, upon receipt, to each taxing 16044
authority in full satisfaction of its claim or in full 16045
satisfaction of the portion of its claim represented by the notes 16046
so received. If notes cannot be issued in denominations equal to 16047
the taxing district's proportionate share, the treasurer shall 16048

certify to the taxing authority of the district the amount of 16049
notes held by the treasurer on behalf of the district and for 16050
which notes cannot be issued pursuant to the taxing authority's 16051
decision under this subdivision. Upon receipt of such 16052
certification, the taxing authority may borrow money and issue 16053
notes against such certification in the same manner as is provided 16054
by division (F) of this section. 16055

If a taxing authority elects the option provided under 16056
division (E)(1) of this section, it may at any subsequent time 16057
elect instead the option provided under division (E)(2) of this 16058
section by resolution approved by a majority of its members. The 16059
election of the option provided under division (E)(2) of this 16060
section becomes final upon receipt by the taxing authority of the 16061
new notes or certification distributed by the county treasurer 16062
under such division. 16063

Each taxing authority shall certify a copy of any resolution 16064
adopted under this division to the county treasurer who shall take 16065
appropriate action as directed by each taxing authority. 16066

(F) A taxing authority having possession of any railroad note 16067
or a treasurer's certification issued under division (E)(2) of 16068
this section may, by approval of a majority of its members, borrow 16069
money and issue its note in anticipation of the revenue payable on 16070
maturity of the railroad note and pledge the railroad note or the 16071
proceeds thereof. Such anticipation note shall mature no later 16072
than the railroad note and shall be in an amount no greater than 16073
seventy per cent of the face amount of said railroad note. By like 16074
action a taxing authority may sell any railroad note in its 16075
possession at public or private offering for not less than the 16076
prevailing market price. Such a sale or borrowing shall be exempt 16077
from all other requirements and limitations of the Revised Code, 16078
including the requirements of the Uniform Bond Law. 16079

(1) If a taxing authority desires to issue delinquent tax 16080

bonds pursuant to section 131.23 of the Revised Code prior to 16081
either receipt of any payment from a railroad in bankruptcy or 16082
utilization of the authority granted in this section, the taxing 16083
authority may determine whether or not the net amount of 16084
delinquent taxes unpledged for purposes of division (B)~~(6)~~(5) of 16085
section 131.23 of the Revised Code shall include all or part of 16086
the delinquent taxes owed by a railroad, or, if notes have been 16087
received pursuant to this section, the unpaid principal amount of 16088

railroad delinquencies or note amount shall be included under 16090
section 131.23 of the Revised Code, the amount which may be 16091
borrowed pursuant to this section may not exceed seventy per cent 16092
of the total face amount of railroad notes remaining after 16093
deducting the amount so included. 16094

(2) If a taxing authority desires to issue delinquent tax 16095
bonds pursuant to section 131.23 of the Revised Code after 16096
utilization of the authority granted in this section, the net 16097
amount of delinquent taxes unpledged for purposes of division 16098
(B)~~(6)~~(5) of section 131.23 of the Revised Code may not include 16099
the principal amount of railroad notes which have been borrowed 16100
against or sold pursuant to this section. 16101

(G) When a taxing authority receives a railroad note, the 16102
face amount of such note shall not be considered as revenue for 16103
any purpose in the year in which the note is received. Upon sale 16104
or maturity of the note, any proceeds not pledged pursuant to 16105
division (F) of this section shall be considered as unanticipated 16106
revenue from a new source and all of the provisions of law 16107
pertaining to such revenue, including section 5705.36 of the 16108
Revised Code, shall apply. 16109

(H) When there are present in a county nonrepresented taxing 16110

delivered, directly to the treasurer of the taxing district. Any 16115
notes included in the settlement of the district's claim may be 16116
issued, and delivered, directly to said treasurer. 16117

Upon receipt of any of such payments, the treasurer of the 16118
taxing district shall certify, to the county treasurer of the 16119
county in which the district is located, the fact of such receipt 16120
and the amounts so received. 16121

(2) If the claim of a nonrepresented taxing district is not 16122
paid directly to the treasurer of the district but is included 16123
with payments for the remainder of the county, cash payments 16124
included in the initial settlement shall be distributed as 16125
provided in divisions (B) and (D) of this section. Any notes 16126
received as payment shall be exchanged and distributed to 16127
nonrepresented taxing districts upon receipt. 16128

(2) In addition to filing the petition with the board of 17347
elections as provided in division (B)(1) of this section, a copy 17348
of the petition shall be filed with the board of township trustees 17349
of each township affected by the surrender. 17350

(C) The auditor of state shall assist in facilitating a 17351
timely and systematic manner for complying with the requirements 17352
of section 703.21 of the Revised Code. 17353

Sec. 703.21. (A) The surrender of corporate powers by a 17354
village under section 703.20 or 703.201 of the Revised Code does 17355
not affect vested rights or accrued liabilities of the village, or 17356
the power to settle claims, dispose of property, or levy and 17357
collect taxes to pay existing obligations, or to operate its 17358
utilities, including collection of existing rates and charges for 17359
services rendered, until the ownership and operation of each 17360
utility is transferred to another entity. But, after the 17361
presentation of the petition mentioned in section 703.20 of the 17362
Revised Code or receipt of the audit report and notice mentioned 17363
in section 703.201 of the Revised Code, the legislative authority 17364
of the village shall not create any new liability until the result 17365
of the election under section 703.20 of the Revised Code is 17366
declared or the decision of the court of common pleas under 17367
division (C) of section 703.201 of the Revised Code is declared, 17368
or thereafter, if the result, in either case, is for the surrender 17369
of the village's corporate powers, except to the extent such 17370
liability is necessary in connection with the operations of the 17371
village's utilities consistent with prudent utility practice. If 17372
the auditor of state notifies the village that the attorney 17373
general may file a legal action under section 703.201 of the 17374

Revised Code, but the attorney general does not file such an 17375
action, the village shall not create any new liability for thirty 17376
days after receipt of the auditor of state's notice, except to the 17377
extent such liability is necessary in connection with the 17378
operations of the village's utilities consistent with prudent 17379
utility practice. 17380

(B) Due and unpaid taxes may be collected after the surrender 17381
of corporate powers, and all moneys or property remaining after 17382
the surrender belongs to the township or townships located wholly 17383
or partly within the village, subject to the agreements entered 17384
into as provided for in this section for the timely transfer of 17385
real and personal property and subject to the report of an audit 17386
or, at the discretion of the auditor of state, an agreed-upon 17387
procedure audit performed by the auditor of state under section 17388
117.11 or 117.114 of the Revised Code. The auditor of state shall 17389
commence the audit or agreed-upon procedure audit within thirty 17390
days after receipt of the notice of dissolution as provided in 17391
division (E) of section 117.10 of the Revised Code. Cash balances 17392
shall be transferred at the completion of the audit or agreed-upon 17393
procedure audit performed by the auditor of state. ¶ Except as 17394
otherwise provided by agreement of the affected village and 17395
townships, if more than one township is to receive the remaining 17396
money or property, the money and property shall be divided among 17397
the townships in proportion to the amount of territory that each 17398
township has within the village boundaries as compared to the 17399
total territory within the village. 17400

(C)(1) Village real and personal property, other than 17401
electric, water, and sewer utility property, shall be transferred 17402
in a timely manner in accordance with agreements between or among 17403
the affected village and township or townships. If no such 17404
agreements have been reached within sixty days after the 17405
certificate of dissolution is filed with the county recorder, 17406

title to real and personal property other than any electric, water, and sewer utility property vests by operation of law in the affected township or townships. If more than one township is affected, and agreements have not been reached within sixty days after the certificate of dissolution is filed, title vests by operation of law in proportion to the amount of territory that each township has within the village boundaries as compared to the total territory within the village.

The county recorder shall make appropriate notations in the county records to reflect the conveyance of the village's interest in real property in accordance with the recorded agreements resulting from the surrender of corporate powers. (3) Cash balances shall be transferred at the completion of 17440
the audit, or, at the discretion of the auditor of state, the 17441
agreed-upon procedure audit performed by the auditor of state. 17442

(D)(1) Electric and water and sewer utility property shall be 17443
transferred by agreement entered into by the village and the 17444
entity that will be taking over the electric and water and sewer 17445
utility property and assets. Cash balances shall be transferred at 17446
the completion of the audit, or, at the discretion of the auditor 17447
of state, the agreed-upon procedure audit performed by the auditor 17448
of state. The provision of utility and other services shall be 17449
uninterrupted during the transition period following the surrender 17450
of corporate powers. 17451

(a) Following the filing of the certificate of dissolution, 17452
if it is determined that a county, or a regional water and sewer 17453
district organized under Chapter 6119. of the Revised Code, is 17454
obligated to assume water and sewer utility property and assets by 17455
default, the board of county commissioners or board of trustees of 17456
the district, as appropriate, may petition the court of common 17457
pleas of the county in which the village was located, for an order 17458
to revise the current user fees, rates, and charges charged, or 17459
assessments levied, by the utility. The board of county 17460
commissioners or board of trustees of the district shall file with 17461
the petition a systems audit of the utility. The systems audit 17462
shall address the financial solvency of the utility; the utility's 17463
debt service obligations and operating revenue stream, including 17464
user fees, rates, charges, and assessments; the utility's 17465
compliance with operating permit requirements; the necessary 17466
system maintenance, upgrades, and operational modifications and 17467
their associated costs for the utility; outstanding, pending, or 17468
potential enforcement actions against the utility; and any other 17469
relevant matters impacting the operational viability and financial 17470

solvency of the utility. 17471

When considering whether to grant the order, the court shall 17472
review the systems audit and any other relevant evidence. The 17473
order of the court shall assure that the operational viability and 17474
financial solvency of the utility is maintained, and that an 17475
unreasonable financial burden is not placed upon the county or 17476
district due to the acquisition of the utility property and 17477
assets. 17478

(b) In the case of a village electric utility, the village 17479
shall be required to take all necessary steps to transfer its 17480
ownership and operation, including continuing with normal 17481
operations and activities, fulfilling its contractual and other 17482
obligations, and transferring its contractual and other 17483
obligations to a successor entity in a timely manner following the 17484
filing of the certificate of dissolution. Such steps shall include 17485
hiring a third-party engineer knowledgeable about the operation of 17486
municipal electric systems to conduct a systems audit of the 17487
electric utility, addressing such items as set forth in division 17488
(D)(2) of this section. The systems audit shall commence not later 17489
than sixty days after the filing of the certificate of 17490
dissolution. Such systems audit is a proper expense of the 17491
village's electric utility fund. If the village's electric utility 17492
fund has a balance of zero or a negative fund balance, the 17493
absorbing entity shall pay for the systems audit. During this 17494
period, the village's electric utility shall continue with all 17495
normal operations and activities, shall continue fulfilling its 17496
contractual and other obligations, including with its customers 17497
and users and licensees of its poles, conduits, and rights-of-way, 17498
and shall collect charges for service at the rates in effect on 17499
the date the certificate of dissolution is filed. 17500

(2) The systems audit required under division (D)(1)(a) or 17501
(b) of this section shall not prevent the auditor of state from 17502

conducting the audit, or, at the discretion of the auditor of 17503
state, the agreed-upon procedure audit, required by this section. 17504

(E) As used in divisions (C) and (D) of this section, 17505
"certificate of dissolution" means the certified election results 17506
approving the surrender of corporate powers as recorded by the 17507
county recorder under section 703.20 of the Revised Code. 17508

After the surrender of corporate powers, all resolutions of 17509
the township or townships into which the village's territory was 17510
dissolved shall apply throughout the township's newly included 17511
territory. 17512

Sec. 705.22. At the end of each year the legislative 17513
authority of a municipal corporation shall have an annual report 17514
printed, in pamphlet form, giving: 17515

(A) The classified statement of all receipts, expenditures, 17516
assets, and liabilities of the municipal corporation; 17517

(B) A detailed comparison of such receipts and expenditures 17518
with those of the preceding year; 17519

(C) A summary of the proceedings of the legislative authority 17520
and a summary of the operations of the administrative departments 17521
for the previous twelve months. 17522

A copy of this report shall be furnished to ~~the auditor of~~ 17523
~~state,~~ the municipal library, and any citizen of the municipal 17524
corporation who applies ~~therefor~~ for the report at the office of 17525
the clerk. Similar reports may be printed quarterly. All meetings 17526

public, and any citizen of the municipal corporation shall have 17528
access to the minutes and records thereof at all reasonable times. 17529

Sec. 713.01. The legislative authority of each city having a 17530
board of park commissioners may establish a city planning 17531

commission of seven members, consisting of the mayor, the director 17532

except that the term of two of the members of the first commission 17537
shall be for three years. The legislative authority may, by 17538
resolution, change the number of citizen members to an even number 17539
of members, not less than four nor more than twelve. Whenever the 17540
size of a commission is expanded, the initial appointees to new 17541
positions shall be appointed to terms which permit half the 17542
citizen members to be reappointed each third year. No reduction in 17543
the size of a commission shall affect the term of any incumbent, 17544
and at least two citizen members shall be appointed every third 17545
year. 17546

The legislative authority of each city without a board of 17547
park commissioners may establish a commission of five members, 17548
consisting of the mayor, the director of public service, ~~and three~~ 17549
two citizens of the municipal corporation, and one public member 17550
who shall serve without compensation and shall be appointed by the 17551

~~inclusive,~~ 705.31, 705.32, and 705.41 to 705.48, ~~inclusive,~~ of the 17557
Revised Code, may establish a city planning commission of five 17558
members, consisting of the ~~chairman~~ chairperson of the legislative 17559
authority ~~and four,~~ three citizens of the city, and one public 17560
member to be appointed by the legislative authority for terms of 17561
six years each, except that the term of two of the members of the 17562
first planning commission shall be for four years and two for two 17563

years. All members of the planning commission shall serve without 17564
compensation. 17565

The legislative authority of each city with a city manager 17566
plan of government, adopted as provided in sections 705.01 to 17567
705.06, ~~inclusive~~, and 705.51 to 705.60, ~~inclusive~~, of the Revised 17568
Code, may establish a commission of five members, consisting of 17569
the ~~chairman~~ chairperson of the legislative authority, the city 17570
manager, ~~and three~~ two citizens of the city, and one public member 17571
who shall serve without compensation and shall be appointed by the 17572
city manager for terms of six years each, except that the term of 17573
one of the members of the first commission shall be for four years 17574
and one for two years. 17575

The legislative authority of each village may establish a 17576
commission of five members, consisting of the mayor, one member of 17577
the legislative authority to be elected thereby for the remainder 17578
of ~~his~~ the individual's term as such member of the legislative 17579
authority, ~~and three~~ two citizens of the village, and one public 17580
member to be appointed by the mayor for terms of six years each, 17581
except that the term of one of the members of the first commission 17582
shall be for four years and one for two years. All ~~such~~ members 17583
shall serve without compensation. 17584

The public members appointed under this section need not be 17585
residents of the municipal corporation but shall be residents of 17586
the county in which the municipal corporation is located or a 17587
township that is adjacent to the county. For purposes of this 17588
section, all members of a planning commission are subject to 17589
section 2921.42 of the Revised Code. 17590

Whenever ~~such~~ a planning commission is appointed under this 17591
section, it shall have all the powers conferred in section 735.15 17592
of the Revised Code. 17593

Except as otherwise provided in its charter, the commission 17594

of a charter municipal corporation created in the manner and by 17595
virtue of authority granted by its charter, shall have the powers 17596
of and the plans made by it shall have the effect of a planning 17597
commission or city plan created under sections 713.01 to 713.15, 17598
~~inclusive~~, of the Revised Code. 17599

Any member of a city or village planning commission 17600
established under this section or by charter, except as otherwise 17601
provided in its charter, may hold any other public office and may 17602

Sec. 715.014. (A) As used in this section: 17604

(1) "Tourism development district" means a district 17605
designated by a municipal corporation under this section. 17606

(2) "Territory of a tourism development district" means all 17607
of the area included within the territorial boundaries of a 17608
tourism development district. 17609

(3) "Business" and "owner" have the same meanings as in 17610
section 503.56 of the Revised Code. 17611

(4) "Eligible municipal corporation" means a municipal 17612
corporation wholly or partly located in a county having a 17613
population greater than three hundred seventy-five thousand but 17614
less than four hundred thousand that levies taxes under section 17615
5739.021 or 5739.026 of the Revised Code, the aggregate rate of 17616
which does not exceed one-half of one per cent on ~~the effective~~ 17617
~~date of the enactment of this section~~ September 29, 2015. 17618

(5) "Fiscal officer" means the city auditor, village clerk, 17619
or other municipal officer having the duties and functions of a 17620
city auditor or village clerk. 17621

(B)(1) The legislative authority of an eligible municipal 17622
corporation, by resolution or ordinance, may declare an area of 17623
the municipal corporation to be a tourism development district for 17624

the purpose of fostering and developing tourism in the district if 17625
all of the following criteria are met: 17626

(a) The district's area does not exceed ~~two~~ six hundred 17627
acres. 17628

(b) All territory in the district is contiguous. 17629

(c) Before adopting the resolution or ordinance, the 17630
legislative authority holds at least two public hearings 17631
concerning the creation of the tourism development district. 17632

(d) Before adopting the resolution or ordinance, the 17633
legislative authority receives a petition signed by every record 17634
owner of a parcel of real property located in the proposed 17635
district and the owner of every business that operates in the 17636
proposed district. 17637

(e) The legislative authority adopts the resolution or 17638
ordinance on or before December 31, ~~2018~~ 2020. 17639

(2) The petition described in division (B)(1)(d) of this 17640
section shall include an explanation of the taxes and charges that 17641
may be levied or imposed in the proposed district. 17642

(3) The legislative authority shall certify the resolution or 17643
ordinance to the tax commissioner within five days after its 17644
adoption, along with a description of the boundaries of the 17645
district authorized in the resolution. That description shall 17646
include sufficient information for the commissioner to determine 17647
if the address of a vendor is within the boundaries of the 17648
district. 17649

(4) Subject to the limitations of divisions (B)(1)(a) and (b) 17650
of this section, the legislative authority of an eligible 17651
municipal corporation may enlarge the territory of an existing 17652
tourism development district in the manner prescribed for the 17653
creation of a district under divisions (B)(1) to (3) of this 17654

section, except that the petition described in division (B)(1)(d) 17655
of this section must be signed by every record owner of a parcel 17656
of real property located in the area proposed to be added to the 17657
district and the owner of every business that operates in the area 17658
proposed to be added to the district. 17659

(C) For the purpose of fostering and developing tourism in a 17660

tourism development district may impose and collect a uniform fee 17662
on each parcel of real property leased by the lessor, to be paid 17663
by each of the person's lessees. A lessee is subject to such a fee 17664
only if the lease separately states the amount of the fee. Before 17665
a lessor may impose and collect such a fee, the lessor shall file 17666
a copy of such lease with the fiscal officer. A lessor that 17667
imposes such a fee shall remit all collections of the fee to the 17668
municipal corporation in which the real property is located. 17669

The legislative authority of that municipal corporation shall 17670
establish all regulations necessary to provide for the 17671
administration and remittance of such fees. The regulations may 17672
prescribe the time for payment of the fee, and may provide for the 17673
imposition of a penalty or interest, or both, for late 17674
remittances, provided that the penalty does not exceed ten per 17675
cent of the amount of fee due, and the rate at which interest 17676
accrues does not exceed the rate per annum prescribed pursuant to 17677
section 5703.47 of the Revised Code. The regulations shall 17678
provide, after deducting the real and actual costs of 17679
administering the fee, that the revenue be used exclusively for 17680
fostering and developing tourism within the tourism development 17681
district. 17682

(D) The legislative authority of an eligible municipal 17683
corporation that has designated a tourism development district may 17684
levy the tax authorized under section 5739.101 of the Revised 17685
Code. Nothing in this section limits the power of the legislative 17686

authority of a municipal corporation to levy a tax on the basis of 17687
admissions in a tourism development district pursuant to its 17688
powers of local self-government conferred by Section 3 of Article 17689
XVIII, Ohio Constitution. 17690

(E) On or before the first day of each January and ~~June~~ July, 17691
beginning after the designation of the tourism development 17692
district, the fiscal officer shall certify a list of vendors 17693
located within the tourism development district to the tax 17694
commissioner, which shall include the name, address, and vendor's 17695
license number for each vendor. 17696

Sec. 718.01. Any term used in this chapter that is not 17697
otherwise defined in this chapter has the same meaning as when 17698
used in a comparable context in laws of the United States relating 17699
to federal income taxation or in Title LVII of the Revised Code, 17700
unless a different meaning is clearly required. ~~If~~ Except as 17701
provided in section 718.81 of the Revised Code, if a term used in 17702
this chapter that is not otherwise defined in this chapter is used 17703
in a comparable context in both the laws of the United States 17704
relating to federal income tax and in Title LVII of the Revised 17705
Code and the use is not consistent, then the use of the term in 17706
the laws of the United States relating to federal income tax shall 17707
control over the use of the term in Title LVII of the Revised 17708
Code. 17709

~~As~~ Except as otherwise provided in section 718.81 of the 17710
Revised Code, as used in this chapter: 17711

(A)(1) "Municipal taxable income" means the following: 17712

(a) For a person other than an individual, income ~~reduced by~~ 17713
~~exempt income to the extent otherwise included in income and then,~~ 17714
~~as applicable,~~ apportioned or sitused to the municipal corporation 17715
under section 718.02 of the Revised Code, ~~and further~~ as 17716
applicable, reduced by any pre-2017 net operating loss 17717

carryforward available to the person for the municipal 17718
corporation. 17719

(b)(i) For an individual who is a resident of a municipal 17720
corporation other than a qualified municipal corporation, income 17721
reduced by exempt income to the extent otherwise included in 17722
income, then reduced as provided in division (A)(2) of this 17723
section, and further reduced by any pre-2017 net operating loss 17724
carryforward available to the individual for the municipal 17725
corporation. 17726

(ii) For an individual who is a resident of a qualified 17727
municipal corporation, Ohio adjusted gross income reduced by 17728
income exempted, and increased by deductions excluded, by the 17729
qualified municipal corporation from the qualified municipal 17730
corporation's tax. If a qualified municipal corporation, on or 17731
before December 31, 2013, exempts income earned by individuals who 17732
are not residents of the qualified municipal corporation and net 17733
profit of persons that are not wholly located within the qualified 17734
municipal corporation, such individual or person shall have no 17735
municipal taxable income for the purposes of the tax levied by the 17736
qualified municipal corporation and may be exempted by the 17737
qualified municipal corporation from the requirements of section 17738
718.03 of the Revised Code. 17739

(c) For an individual who is a nonresident of a municipal 17740
corporation, income reduced by exempt income to the extent 17741
otherwise included in income and then, as applicable, apportioned 17742
or situated to the municipal corporation under section 718.02 of 17743
the Revised Code, then reduced as provided in division (A)(2) of 17744
this section, and further reduced by any pre-2017 net operating 17745
loss carryforward available to the individual for the municipal 17746
corporation. 17747

(2) In computing the municipal taxable income of a taxpayer 17748
who is an individual, the taxpayer may subtract, as provided in 17749

division (A)(1)(b)(i) or (c) of this section, the amount of the 17750
individual's employee business expenses reported on the 17751
individual's form 2106 that the individual deducted for federal 17752
income tax purposes for the taxable year, subject to the 17753
limitation imposed by section 67 of the Internal Revenue Code. For 17754
the municipal corporation in which the taxpayer is a resident, the 17755
taxpayer may deduct all such expenses allowed for federal income 17756
tax purposes. For a municipal corporation in which the taxpayer is 17757
not a resident, the taxpayer may deduct such expenses only to the 17758

personal services in that nonresident municipal corporation. 17760

(B) "Income" means the following: 17761

(1)(a) For residents, all income, salaries, qualifying wages, 17762

taxable year and the resident's distributive share of any net 17770
operating loss generated in the same taxable year and attributable 17771
to the resident's ownership interest in a pass-through entity 17772
shall be allowed as a deduction, for that taxable year and the 17773
following five taxable years, against any other net profit of the 17774
resident or the resident's distributive share of any net profit 17775

year and applied to reduce the entity's net profit for the current 17783
taxable year. 17784

(c) Division (B)(1)(b) of this section does not apply with 17785

taxpayer's net profit for a taxable year shall reduce the amount 17792
of net operating loss that may be carried forward to any 17793
subsequent year for use by that taxpayer. In no event shall the 17794
cumulative deductions for all taxable years with respect to a 17795
taxpayer's net operating loss exceed the original amount of that 17796
net operating loss available to that taxpayer. 17797

(2) In the case of nonresidents, all income, salaries, 17798
qualifying wages, commissions, and other compensation from 17799
whatever source earned or received by the nonresident for work 17800
done, services performed or rendered, or activities conducted in 17801
the municipal corporation, including any net profit of the 17802
nonresident, but excluding the nonresident's distributive share of 17803
the net profit or loss of only pass-through entities owned 17804
directly or indirectly by the nonresident. 17805

plan, disability payments received from private industry or local, 17831

dollars for the taxable year. Such compensation in excess of one 17845

question at an election held on November 4, 2003, the municipal 17891
corporation may continue after 2002 to tax an S corporation 17892

corporation. 17894

(c) If, on December 6, 2002, a municipal corporation was 17895

(2) of section 5733.05 of the Revised Code if the S corporation 17900
were a corporation subject to taxes imposed under Chapter 5733. of 17901
the Revised Code, the municipal corporation may continue to impose 17902
the tax on such distributive shares to the extent such shares 17903
would be so allocated or apportioned to this state only until 17904

December 31, 2004, unless a majority of the electors of the 17905
municipal corporation voting on the question of continuing to tax 17906
such shares after that date voted in favor of that question at an 17907
election held November 2, 2004. If a majority of those electors 17908
voted in favor of the question, the municipal corporation may 17909
continue after December 31, 2004, to impose the tax on such 17910
distributive shares only to the extent such shares would be so 17911
allocated or apportioned to this state. 17912

(d) A municipal corporation shall be deemed to have elected 17913

resolution or ordinance that the tax applies to the distributive 17919

qualifying wages are not subject to withholding for the municipal 17929
corporation under either of those divisions. 17930

(b) The exemption provided in division (C)(16)(a) of this 17931
section does not apply with respect to the municipal corporation 17932

section does not apply to qualifying wages that an employer elects to withhold under division (D)(2) of section 718.011 of the Revised Code.

(d) The exemption provided in division (C)(16)(a) of this section does not apply to qualifying wages if both of the following conditions apply:

personal services for compensation. 17980

(18) Compensation paid to a person for personal services 17981

approved by a tax administrator or otherwise agreed upon by both 18580
the tax administrator and taxpayer before January 1, 2016. 18581

(C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

(a) The employer;

(b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;

(c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient.

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

(3) Any other location, if the tax administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If a tax administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the tax administrator's determination was unreasonable.

(D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall

be sitused to a municipal corporation as follows: 18613

(1) Gross receipts from the sale of tangible personal 18614
property shall be sitused to the municipal corporation ~~in which~~ 18615
~~the sale originated. For the purposes of this division, a sale of~~ 18616
~~property originates in a municipal corporation~~ only if, regardless 18617
of where title passes, the property meets ~~any~~ either of the 18618
following criteria: 18619

(a) The property is shipped to or delivered within the 18620
municipal corporation from a stock of goods located within the 18621
municipal corporation. 18622

(b) The property is delivered within the municipal 18623
corporation from a location outside the municipal corporation, 18624
provided the taxpayer is regularly engaged through its own 18625
employees in the solicitation or promotion of sales within such 18626
municipal corporation and the sales result from such solicitation 18627
or promotion. 18628

~~(c) The property is shipped from a place within the municipal 18629
corporation to purchasers outside the municipal corporation,~~ 18630
~~provided that the taxpayer is not, through its own employees,~~ 18631
~~regularly engaged in the solicitation or promotion of sales at the~~ 18632
~~place where delivery is made.~~ 18633

(2) Gross receipts from the sale of services shall be sitused 18634
to the municipal corporation to the extent that such services are 18635
performed in the municipal corporation. 18636

(3) To the extent included in income, gross receipts from the 18637
sale of real property located in the municipal corporation shall 18638
be sitused to the municipal corporation. 18639

(4) To the extent included in income, gross receipts from 18640
rents and royalties from real property located in the municipal 18641
corporation shall be sitused to the municipal corporation. 18642

(5) Gross receipts from rents and royalties from tangible personal property shall be sitused to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation.

(E) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides.

A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit sitused under this division to the municipal corporation in which the property is located.

(F)(1) Except as provided in division (F)(2) of this section, commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be sitused to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to a municipal corporation based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the municipal corporation to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.

(2) An individual who is a resident of a municipal corporation that imposes a municipal income tax shall report the individual's net profit from all real estate activity on the individual's annual tax return for that municipal corporation. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such a credit is allowed under the municipal income tax ordinance, or rules of the municipal corporation of residence.

(G) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under this section.

(H) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.

Sec. 718.06. (A) As used in this section:

(1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.

(2) "Consolidated federal income tax return" means a

consolidated return filed for federal income tax purposes pursuant 18706
to section 1501 of the Internal Revenue Code. 18707

(3) "Consolidated federal taxable income" means the 18708
consolidated taxable income of an affiliated group of 18709
corporations, as computed for the purposes of filing a 18710
consolidated federal income tax return, before consideration of 18711
net operating losses or special deductions. "Consolidated federal 18712
taxable income" does not include income or loss of an incumbent 18713
local exchange carrier that is excluded from the affiliated group 18714
under division (A)(1) of this section. 18715

(4) "Incumbent local exchange carrier" has the same meaning 18716
as in section 4927.01 of the Revised Code. 18717

(5) "Local exchange telephone service" has the same meaning 18718
as in section 5727.01 of the Revised Code. 18719

(B)(1) For taxable years beginning on or after January 1, 18720
2016, a taxpayer that is a member of an affiliated group of 18721
corporations may elect to file a consolidated municipal income tax 18722
return for a taxable year if at least one member of the affiliated 18723
group of corporations is subject to the municipal income tax in 18724
that taxable year and if the affiliated group of corporations 18725
filed a consolidated federal income tax return with respect to 18726
that taxable year. The election is binding for a five-year period 18727
beginning with the first taxable year of the initial election 18728
unless a change in the reporting method is required under federal 18729
law. The election continues to be binding for each subsequent 18730
five-year period unless the taxpayer elects to discontinue filing 18731
consolidated municipal income tax returns under division (B)(2) of 18732
this section or a taxpayer receives permission from the tax 18733
administrator. The tax administrator shall approve such a request 18734
for good cause shown. 18735

(2) An election to discontinue filing consolidated municipal 18736

income tax returns under this section must be made in the first 18737
year following the last year of a five-year consolidated municipal 18738
income tax return election period in effect under division (B)(1) 18739
of this section. The election to discontinue filing a consolidated 18740
municipal income tax return is binding for a five-year period 18741
beginning with the first taxable year of the election. 18742

(3) An election made under division (B)(1) or (2) of this 18743
section is binding on all members of the affiliated group of 18744
corporations subject to a municipal income tax. 18745

(4) When a taxpayer makes the election allowed under section 18746
718.80 of the Revised Code, a valid election made by the taxpayer 18747
under division (B)(1) or (2) of this section is binding upon the 18748
tax commissioner for the remainder of the five-year period. 18749

(5) When an election made under section 718.80 of the Revised 18750
Code is terminated, a valid election made under section 718.86 of 18751
the Revised Code is binding upon the tax administrator for the 18752
remainder of the five-year period. 18753

(C) A taxpayer that is a member of an affiliated group of 18754
corporations that filed a consolidated federal income tax return 18755
for a taxable year shall file a consolidated municipal income tax 18756
return for that taxable year if the tax administrator determines, 18757
by a preponderance of the evidence, that intercompany transactions 18758
have not been conducted at arm's length and that there has been a 18759
distortive shifting of income or expenses with regard to 18760
allocation of net profits to the municipal corporation. A taxpayer 18761
that is required to file a consolidated municipal income tax 18762
return for a taxable year shall file a consolidated municipal 18763
income tax return for all subsequent taxable years unless the 18764
taxpayer requests and receives written permission from the tax 18765
administrator to file a separate return or a taxpayer has 18766
experienced a change in circumstances. 18767

(D) A taxpayer shall prepare a consolidated municipal income tax return in the same manner as is required under the United States department of treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.

(E)(1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in section 718.01 of the Revised Code, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.

(2) No corporation filing a consolidated municipal income tax return shall make any adjustment otherwise required under division (E) of section 718.01 of the Revised Code to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.

(3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated municipal income tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:

(a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in

section 718.02 of the Revised Code, exclude the property, payroll, 18800
and gross receipts of the pass-through entity in the computation 18801
of the affiliated group's net profit sitused to a municipal 18802
corporation. If the entity's net profit or loss is so excluded, 18803
the entity shall be subject to taxation as a separate taxpayer on 18804
the basis of the entity's net profits that would otherwise be 18805
included in the consolidated federal taxable income of the 18806
affiliated group. 18807

(b) Include the pass-through entity's net profit or loss in 18808
the consolidated federal taxable income of the affiliated group 18809
and, for the purpose of making the computations required in 18810
section 718.02 of the Revised Code, include the property, payroll, 18811
and gross receipts of the pass-through entity in the computation 18812
of the affiliated group's net profit sitused to a municipal 18813
corporation. If the entity's net profit or loss is so included, 18814
the entity shall not be subject to taxation as a separate taxpayer 18815
on the basis of the entity's net profits that are included in the 18816
consolidated federal taxable income of the affiliated group. 18817

(4) If the net profit or loss of a pass-through entity having 18818
less than eighty per cent of the value of its ownership interest 18819
owned or controlled, directly or indirectly, by an affiliated 18820
group of corporations is included in that affiliated group's 18821
consolidated federal taxable income for a taxable year, all of the 18822
following shall apply: 18823

(a) The corporation filing the consolidated municipal income 18824
tax return shall exclude the pass-through entity's net profit or 18825
loss from the consolidated federal taxable income of the 18826
affiliated group and, for the purposes of making the computations 18827
required in section 718.02 of the Revised Code, exclude the 18828
property, payroll, and gross receipts of the pass-through entity 18829
in the computation of the affiliated group's net profit sitused to 18830
a municipal corporation; 18831

(b) The pass-through entity shall be subject to municipal 18832
income taxation as a separate taxpayer in accordance with this 18833
chapter on the basis of the entity's net profits that would 18834
otherwise be included in the consolidated federal taxable income 18835
of the affiliated group. 18836

(F) Corporations filing a consolidated municipal income tax 18837
return shall make the computations required under section 718.02 18838
of the Revised Code by substituting "consolidated federal taxable 18839
income attributable to" for "net profit from" wherever "net profit 18840
from" appears in that section and by substituting "affiliated 18841
group of corporations" for "taxpayer" wherever "taxpayer" appears 18842
in that section. 18843

(G) Each corporation filing a consolidated municipal income 18844
tax return is jointly and severally liable for any tax, interest, 18845
penalties, fines, charges, or other amounts imposed by a municipal 18846
corporation in accordance with this chapter on the corporation, an 18847
affiliated group of which the corporation is a member for any 18848
portion of the taxable year, or any one or more members of such an 18849
affiliated group. 18850

(H) Corporations and their affiliates that made an election 18851
or entered into an agreement with a municipal corporation before 18852
January 1, 2016, to file a consolidated or combined tax return 18853
with such municipal corporation may continue to file consolidated 18854
or combined tax returns in accordance with such election or 18855
agreement for taxable years beginning on and after January 1, 18856
2016. 18857

Sec. 718.08. (A) As used in this section: 18858

(1) "Estimated taxes" means the amount that the taxpayer 18859
reasonably estimates to be the taxpayer's tax liability for a 18860
municipal corporation's income tax for the current taxable year. 18861

(2) "Tax liability" means the total taxes due to a municipal corporation for the taxable year, after allowing any credit to which the taxpayer is entitled, and after applying any estimated tax payment, withholding payment, or credit from another taxable year.

(B)(1) Except as provided in division (F) of this section, every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the tax administrator, if the amount payable as estimated taxes is at least two hundred dollars. For the purposes of this section:

(a) Taxes withheld from qualifying wages shall be considered as paid to the municipal corporation for which the taxes were withheld in equal amounts on each payment date unless the taxpayer establishes the dates on which all amounts were actually withheld, in which case the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld.

(b) An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, "date of the postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(c) Taxes withheld by a casino operator or by a lottery sales agent under section 718.031 of the Revised Code are deemed to be paid to the municipal corporation for which the taxes were withheld on the date the taxes are withheld from the taxpayer's winnings.

(2) Except as provided in division (F) of this section, taxpayers filing joint returns shall file joint declarations of estimated taxes. A taxpayer may amend a declaration under rules

prescribed by the tax administrator. Except as provided in 18893
division (F) of this section, a taxpayer having a taxable year of 18894
less than twelve months shall make a declaration under rules 18895
prescribed by the tax administrator. 18896

(3) The declaration of estimated taxes shall be filed on or 18897
before the date prescribed for the filing of municipal income tax 18898
returns under division (G) of section 718.05 of the Revised Code 18899
or on or before the fifteenth day of the fourth month after the 18900
taxpayer becomes subject to tax for the first time. 18901

(4) Taxpayers reporting on a fiscal year basis shall file a 18902
declaration on or before the fifteenth day of the fourth month 18903
after the beginning of each fiscal year or period. 18904

(5) The original declaration or any subsequent amendment may 18905
be increased or decreased on or before any subsequent quarterly 18906
payment day as provided in this section. 18907

(C)(1) The required portion of the tax liability for the 18908
taxable year that shall be paid through estimated taxes made 18909
payable to the municipal corporation or tax administrator, 18910
including the application of tax refunds to estimated taxes and 18911
withholding on or before the applicable payment date, shall be as 18912
follows: 18913

(a) On or before the fifteenth day of the fourth month after 18914
the beginning of the taxable year, twenty-two and one-half per 18915
cent of the tax liability for the taxable year; 18916

(b) On or before the fifteenth day of the sixth month after 18917
the beginning of the taxable year, forty-five per cent of the tax 18918
liability for the taxable year; 18919

the beginning of the taxable year, sixty-seven and one-half per 18921
cent of the tax liability for the taxable year; 18922

(d) ~~On~~ For an individual, on or before the fifteenth day of 18923
the first month of the following taxable year, ninety per cent of 18924
the tax liability for the taxable year. For a person other than an 18925
individual, on or before the fifteenth day of the twelfth month of 18926
the taxable year, ninety per cent of the tax liability for the 18927
taxable year. 18928

(2) When an amended declaration has been filed, the unpaid 18929
balance shown due on the amended declaration shall be paid in 18930
equal installments on or before the remaining payment dates. 18931

(3) On or before the fifteenth day of the fourth month of the 18932
year following that for which the declaration or amended 18933
declaration was filed, an annual return shall be filed and any 18934
balance which may be due shall be paid with the return in 18935
accordance with section 718.05 of the Revised Code. 18936

(D)(1) In the case of any underpayment of any portion of a 18937
tax liability, penalty and interest may be imposed pursuant to 18938
section 718.27 of the Revised Code upon the amount of underpayment 18939
for the period of underpayment, unless the underpayment is due to 18940
reasonable cause as described in division (E) of this section. The 18941
amount of the underpayment shall be determined as follows: 18942

(a) For the first payment of estimated taxes each year, 18943
twenty-two and one-half per cent of the tax liability, less the 18944
amount of taxes paid by the date prescribed for that payment; 18945

(b) For the second payment of estimated taxes each year, 18946
forty-five per cent of the tax liability, less the amount of taxes 18947
paid by the date prescribed for that payment; 18948

(c) For the third payment of estimated taxes each year, 18949
sixty-seven and one-half per cent of the tax liability, less the 18950
amount of taxes paid by the date prescribed for that payment; 18951

(d) For the fourth payment of estimated taxes each year, 18952
ninety per cent of the tax liability, less the amount of taxes 18953

paid by the date prescribed for that payment. 18954

(2) The period of the underpayment shall run from the day the 18955
estimated payment was required to be made to the date on which the 18956
payment is made. For purposes of this section, a payment of 18957
estimated taxes on or before any payment date shall be considered 18958
a payment of any previous underpayment only to the extent the 18959
payment of estimated taxes exceeds the amount of the payment 18960
presently required to be paid to avoid any penalty. 18961

(E) An underpayment of any portion of tax liability 18962
determined under division (D) of this section shall be due to 18963
reasonable cause and the penalty imposed by this section shall not 18964
be added to the taxes for the taxable year if any of the following 18965
apply: 18966

(1) The amount of estimated taxes that were paid equals at 18967
least ninety per cent of the tax liability for the current taxable 18968
year, determined by annualizing the income received during the 18969
year up to the end of the month immediately preceding the month in 18970
which the payment is due. 18971

(2) The amount of estimated taxes that were paid equals at 18972
least one hundred per cent of the tax liability shown on the 18973
return of the taxpayer for the preceding taxable year, provided 18974
that the immediately preceding taxable year reflected a period of 18975
twelve months and the taxpayer filed a return with the municipal 18976
corporation under section 718.05 of the Revised Code for that 18977
year. 18978

(3) The taxpayer is an individual who resides in the 18979
municipal corporation but was not domiciled there on the first day 18980
of January of the calendar year that includes the first day of the 18981
taxable year. 18982

(F)(1) A tax administrator may waive the requirement for 18983
filing a declaration of estimated taxes for any class of taxpayers 18984

after finding that the waiver is reasonable and proper in view of 18985
administrative costs and other factors. 18986

(2) A municipal corporation may, by ordinance or rule, waive 18987
the requirement for filing a declaration of estimated taxes for 18988
all taxpayers. 18989

July of the current year. 19010

(5) "Interest rate as described in division (A) of this 19011
section" means the federal short-term rate, rounded to the nearest 19012
whole number per cent, plus five per cent. The rate shall apply 19013

fifteen per cent of the amount not timely paid.

(b) With respect to any unpaid withholding tax, a municipal
corporation may impose a penalty ~~equal to~~ not exceeding fifty per
cent of the amount not timely paid.

(3) With respect to returns other than estimated income tax
returns, a municipal corporation may impose a penalty of
twenty-five dollars for each failure to timely file each return,
regardless of the liability shown thereon for each month, or any
fraction thereof, during which the return remains unfiled
regardless of the liability shown thereon. The penalty shall not
exceed one hundred fifty dollars for each failure.

(D)(1) With respect to the income taxes, estimated income
taxes, withholding taxes, and returns, no municipal corporation
shall impose, seek to collect, or collect any penalty, amount of
interest, charges, or additional fees not described in this
section.

(2) With respect to the income taxes, estimated income taxes, withholding taxes, and returns not described in division (A) of this section, nothing in this section requires a municipal corporation to refund or credit any penalty, amount of interest, charges, or additional fees that the municipal corporation has properly imposed or collected before January 1, 2016.

(E) Nothing in this section limits the authority of a municipal corporation to abate or partially abate penalties or interest imposed under this section when the tax administrator determines, in the tax administrator's sole discretion, that such abatement is appropriate.

(F) By the thirty-first day of October of each year the municipal corporation shall publish the rate described in division (A) of this section applicable to the next succeeding calendar year.

(G) The municipal corporation may impose on the taxpayer, employer, any agent of the employer, or any other payer the municipal corporation's post-judgment collection costs and fees, including attorney's fees.

Sec. 718.60. (A) There is hereby created the municipal income tax net operating loss review committee for the purpose of evaluating and quantifying the potential fiscal impact to municipal corporations levying an income tax of requiring such municipal corporations to allow taxpayers to carry forward net operating losses for five years. The committee is a public body for the purposes of section 121.22 of the Revised Code.

(B) The committee shall be composed of the following members:

(1) Two members of the house of representatives who are not of the same political party, appointed by the speaker of the house of representatives;

(2) Two members of the senate who are not of the same political party, appointed by the president of the senate;

(3) Three members representing municipal income taxpayers, appointed by the speaker of the house of representatives;

(4) Three members representing municipal corporations that levy an income tax in calendar year 2016, appointed by the president of the senate. At least two of the members appointed under division (B)(4) of this section shall represent municipal corporations that do not allow taxpayers to carry forward net operating losses to future taxable years.

(5) One member appointed by the governor, who shall serve as the chairperson of the committee.

An appointed member shall serve until the member resigns or is removed by the member's appointing authority. Vacancies shall be filled in the same manner as original appointments. A vacancy on the committee does not impair the right of the other members to exercise all the functions of the committee.

The committee shall meet at the call of the chairperson. The presence of a majority of the members of the committee constitutes a quorum for the conduct of business of the committee. The concurrence of at least a majority of the members of the committee is necessary to approve the report issued by the committee under division (D) of this section. Members of the committee shall not be compensated or reimbursed for members' expenses.

(C)(1) As used in this section, "reporting municipal corporation" means any municipal corporation that does not allow net operating losses incurred before January 1, 2017, to be carried forward and utilized to offset income or net profit generated in such municipal corporation in future taxable years.

(2) On or before August 31, 2021, each reporting municipal corporation shall report to the municipal income tax net operating

loss review committee the difference between (a) the municipal 19137
corporation's actual municipal income tax revenue received for 19138
taxable years ending in 2018 and 2019 and (b) the projected amount 19139
of municipal income tax revenue that the municipal corporation 19140
would have received for taxable years ending in 2018 and 2019 if 19141
the municipal corporation were not required to allow net operating 19142
losses incurred in prior taxable years to be carried forward to 19143
taxable years ending in 2018 or 2019. Each municipal corporation's 19144
calculations shall be made using the microsimulation model adopted 19145
by the committee at its meeting on May 5, 2016, but applied to 19146
taxable years ending in 2018 and 2019. 19147

(D) The municipal income tax net operating loss review 19148
committee shall review the information reported by municipal 19149
corporations under division (C) of this section and calculate the 19150
total of the revenue effects reported by such municipal 19151
corporations. On or before May 1, 2022, the committee shall issue 19152
a written report to the speaker and minority leader of the house 19153
of representatives and the president and minority leader of the 19154
senate reporting the committee's findings and the estimated 19155
revenue impact of requiring municipal corporations levying an 19156
income tax to allow net operating loss to be carried forward for 19157
five years. The report shall contain recommendations to address 19158
revenue shortfalls, which may include, but which shall not be 19159
limited to, the use of supplemental funds from the local 19160
government fund to mitigate those shortfalls. 19161

(E) Nothing in this section delays or otherwise affects the 19162
taxable years to which division ~~(E)(8)~~(D)(3) of section 718.01 of 19163
the Revised Code applies as prescribed in that division. 19164

(F) The municipal income tax net operating loss review 19165
committee shall cease to exist on May 1, 2022. 19166

Sec. 718.80. (A) A taxpayer may elect to be subject to 19167

sections 718.80 to 718.95 of the Revised Code in lieu of the 19168
provisions set forth in the remainder of this chapter. 19169

Notwithstanding any other provision of this chapter, upon the 19170
taxpayer's election, both of the following shall apply: 19171

(1) The tax commissioner shall serve as the sole 19172
administrator of each municipal income tax for which the taxpayer 19173
is liable for the term of the election; 19174

(2) The commissioner shall administer the tax pursuant to 19175
sections 718.80 to 718.95 of the Revised Code and any applicable 19176
provision of Chapter 5703. of the Revised Code. 19177

(B)(1) A taxpayer shall make the initial election on or 19178
before the first day of the third month after the beginning of the 19179
taxpayer's taxable year by notifying the tax commissioner and each 19180
municipal corporation in which the taxpayer conducted business 19181
during the previous taxable year, on a form prescribed by the tax 19182
commissioner. 19183

(2)(a) The election, once made by the taxpayer, applies to 19184
the taxable year in which the election is made and to each 19185
subsequent taxable year until the taxpayer notifies the tax 19186
commissioner and each municipal corporation in which the taxpayer 19187
conducted business during the previous taxable year of its 19188
termination of the election. 19189

(b) A notification of termination shall be made, on a form 19190
prescribed by the tax commissioner, on or before the first day of 19191
the third month of any taxable year. 19192

(c) Upon a timely and valid termination of the election, the 19193
taxpayer is no longer subject to sections 718.80 to 718.95 of the 19194
Revised Code, and is instead subject to the provisions set forth 19195
in the remainder of this chapter. 19196

(C)(1)(a) On or before the thirty-first day of January each 19197

year, each municipal corporation imposing a tax on income shall 19198
certify to the tax commissioner the rate of the tax in effect on 19199
the first day of January of that year. 19200

(b) If, after the thirty-first day of January of any year, 19201
the electors of a municipal corporation approve an increase in the 19202
rate of the municipal corporation's tax on income that takes 19203
effect within that year, the municipal corporation shall certify 19204
to the tax commissioner the new rate of tax not less than sixty 19205
days before the effective date of the increase, after which 19206
effective date the commissioner shall apply the increased rate. 19207

(2) A municipal corporation, within ninety days of receiving 19208
a taxpayer's notification of election under division (B) of this 19209
section, shall submit to the tax commissioner, on a form 19210
prescribed by the tax commissioner, the following information 19211
regarding the taxpayer: 19212

(a) The amount of any net operating loss that the taxpayer is 19213
entitled to carry forward to a future tax year; 19214

(b) The amount of any net operating loss carryforward 19215
utilized by the taxpayer in prior years; 19216

(c) Any credits granted by the municipal corporation to which 19217
the taxpayer is entitled, the amount of such credits, whether the 19218
credits may be carried forward to future tax years, and, if the 19219
credits may be carried forward, the duration of any such 19220
carryforward; 19221

(d) Any overpayments of tax that the taxpayer has elected to 19222
carry forward to a subsequent tax year; 19223

(e) Any other information the municipal corporation deems 19224
relevant in order to effectuate the tax commissioner's efficient 19225
administration of the tax on the municipal corporation's behalf. 19226

(3) If any municipal corporation fails to timely comply with 19227

divisions (C)(1) and (2) of this section, the tax commissioner 19228
shall notify the director of budget and management, who, upon 19229
receiving such notification, shall withhold from each payment made 19230
to the municipal corporation under section 718.83 of the Revised 19231
Code fifty per cent of the amount of the payment otherwise due to 19232
the municipal corporation under that section. The director shall 19233
compute the withholding on the basis of the tax rate most recently 19234
certified to the tax commissioner until the municipal corporation 19235
complies with divisions (C)(1) and (2) of this section. 19236

(D) The tax commissioner shall enforce and administer 19237
sections 718.80 to 718.95 of the Revised Code. In addition to any 19238
other powers conferred upon the tax commissioner by law, the tax 19239
commissioner may: 19240

(1) Prescribe all forms necessary to administer those 19241
sections; 19242

(2) Adopt such rules as the tax commissioner finds necessary 19243
to carry out those sections; 19244

(3) Appoint and employ such personnel as are necessary to 19245
carry out the duties imposed upon the tax commissioner by those 19246
sections. 19247

(E) No tax administrator shall utilize sections 718.81 to 19248
718.95 of the Revised Code in the administrator's administration 19249
of a municipal income tax, and those sections shall not be applied 19250
to any taxpayer that has not made the election under this section. 19251

(F) Nothing in this chapter shall be construed to make any 19252
section of this chapter, other than sections 718.01 and 718.80 to 19253
718.95 of the Revised Code, applicable to the tax commissioner's 19254
administration of a municipal income tax or to any taxpayer that 19255
has made the election under this section. 19256

(G) The tax commissioner shall not be considered a tax 19257
administrator, as that term is defined in section 718.01 of the 19258

Revised Code. 19259

Sec. 718.81. If a term used in sections 718.80 to 718.95 of 19260
the Revised Code that is not otherwise defined in this chapter is 19261
used in a comparable context in both the laws of the United States 19262
relating to federal income tax and in Title LVII of the Revised 19263
Code and the use is not consistent, then the use of the term in 19264
the laws of the United States relating to federal income tax shall 19265
have control over the use of the term in Title LVII of the Revised 19266
Code, unless the term is defined in Chapter 5703. of the Revised 19267
Code, in which case the definition in that chapter shall control. 19268
Any reference in this chapter to the Internal Revenue Code 19269
includes other laws of the United States related to federal income 19270
taxes. If a term is defined in both this section and section 19271
718.01 of the Revised Code, the definition in this section shall 19272
control for all uses of that term in sections 718.80 through 19273
718.95 of the Revised Code. 19274

As used in sections 718.80 to 718.95 of the Revised Code 19275
only: 19276

(A) "Municipal taxable income" means income apportioned or 19277
sitused to the municipal corporation under section 718.82 of the 19278
Revised Code, as applicable, reduced by any pre-2017 net operating 19279
loss carryforward available to the person for the municipal 19280
corporation. 19281

(B) "Adjusted federal taxable income," for a person required 19282
to file as a C corporation, or for a person that has elected to be 19283
taxed as a C corporation as described in division (D)(5) of 19284
section 718.01 of the Revised Code, means a C corporation's 19285
federal taxable income before net operating losses and special 19286
deductions as determined under the Internal Revenue Code, adjusted 19287
as follows: 19288

(1) Deduct intangible income to the extent included in 19289

federal taxable income. The deduction shall be allowed regardless 19290
of whether the intangible income relates to assets used in a trade 19291
or business or assets held for the production of income. 19292

(2) Add an amount equal to five per cent of intangible income 19293
deducted under division (B)(1) of this section, but excluding that 19294
portion of intangible income directly related to the sale, 19295
exchange, or other disposition of property described in section 19296
1221 of the Internal Revenue Code. 19297

(3) Add any losses allowed as a deduction in the computation 19298
of federal taxable income if the losses directly relate to the 19299
sale, exchange, or other disposition of an asset described in 19300
section 1221 or 1231 of the Internal Revenue Code. 19301

(4)(a) Except as provided in division (B)(4)(b) of this 19302
section, deduct income and gain included in federal taxable income 19303
to the extent the income and gain directly relate to the sale, 19304
exchange, or other disposition of an asset described in section 19305
1221 or 1231 of the Internal Revenue Code. 19306

(b) Division (B)(4)(a) of this section does not apply to the 19307
extent the income or gain is income or gain described in section 19308
1245 or 1250 of the Internal Revenue Code. 19309

(5) Add taxes on or measured by net income allowed as a 19310
deduction in the computation of federal taxable income. 19311

(6) In the case of a real estate investment trust or 19312
regulated investment company, add all amounts with respect to 19313
dividends to, distributions to, or amounts set aside for or 19314
credited to the benefit of investors and allowed as a deduction in 19315
the computation of federal taxable income. 19316

(7) Deduct, to the extent not otherwise deducted or excluded 19317
in computing federal taxable income, any income derived from a 19318
transfer agreement or from the enterprise transferred under that 19319
agreement under section 4313.02 of the Revised Code. 19320

(8) Deduct exempt income to the extent not otherwise deducted 19321
or excluded in computing adjusted federal taxable income. 19322

(9) Deduct any net profit of a pass-through entity owned 19323
directly or indirectly by the taxpayer and included in the 19324
taxpayer's federal taxable income unless an affiliated group of 19325
corporations includes that net profit in the group's federal 19326
taxable income in accordance with division (E)(3)(b) of section 19327
718.86 of the Revised Code. 19328

(10) Add any loss incurred by a pass-through entity owned 19329
directly or indirectly by the taxpayer and included in the 19330
taxpayer's federal taxable income unless an affiliated group of 19331
corporations includes that loss in the group's federal taxable 19332
income in accordance with division (E)(3)(b) of section 718.86 of 19333
the Revised Code. 19334

If the taxpayer is not a C corporation, is not a disregarded 19335
entity that has made the election described in division (L)(2) of 19336
section 718.01 of the Revised Code, and is not a publicly traded 19337
partnership that has made the election described in division 19338
(D)(5) of section 718.01 of the Revised Code, the taxpayer shall 19339
compute adjusted federal taxable income under this section as if 19340
the taxpayer were a C corporation, except guaranteed payments and 19341
other similar amounts paid or accrued to a partner, former 19342
partner, shareholder, former shareholder, member, or former member 19343
shall not be allowed as a deductible expense unless such payments 19344
are in consideration for the use of capital and treated as payment 19345
of interest under section 469 of the Internal Revenue Code or 19346
United States treasury regulations. Amounts paid or accrued to a 19347
qualified self-employed retirement plan with respect to a partner, 19348
former partner, shareholder, former shareholder, member, or former 19349
member of the taxpayer, amounts paid or accrued to or for health 19350
insurance for a partner, former partner, shareholder, former 19351
shareholder, member, or former member, and amounts paid or accrued 19352

to or for life insurance for a partner, former partner, 19353
shareholder, former shareholder, member, or former member shall 19354
not be allowed as a deduction. 19355

Nothing in division (B) of this section shall be construed as 19356
allowing the taxpayer to add or deduct any amount more than once 19357
or shall be construed as allowing any taxpayer to deduct any 19358
amount paid to or accrued for purposes of federal self-employment 19359
tax. 19360

(C) "Taxpayer" has the same meaning as in section 718.01 of 19361
the Revised Code, except that "taxpayer" does not include natural 19362
persons or entities subject to the tax imposed under Chapter 5745. 19363
of the Revised Code. "Taxpayer" may include receivers, assignees, 19364
or trustees in bankruptcy when such persons are required to assume 19365
the role of a taxpayer. 19366

(D) "Tax return" or "return" means the notifications and 19367
reports required to be filed pursuant to sections 718.80 to 718.95 19368
of the Revised Code for the purpose of reporting municipal income 19369
taxes, and includes declarations of estimated tax. 19370

(E) "Taxable year" means the calendar year or the taxpayer's 19371
fiscal year ending during the calendar year, or fractional part 19372
thereof, upon which the calculation of the taxpayer's adjusted 19373
federal taxable income is based pursuant to this chapter. If a 19374
taxpayer's taxable year is changed for federal income tax 19375
purposes, the taxable year for purposes of sections 718.80 to 19376
718.95 of the Revised Code is changed accordingly but may consist 19377
of an aggregation of more than one taxable year for federal income 19378
tax purposes. The tax commissioner may prescribe by rule an 19379
appropriate period as the taxable year for a taxpayer that has had 19380
a change of its taxable year for federal income tax purposes, for 19381
a taxpayer that has two or more short taxable years for federal 19382
income tax purposes as the result of a change of ownership, or for 19383
a new taxpayer that would otherwise have no taxable year. 19384

(F) "Assessment" means a notice of underpayment or nonpayment 19385
of a tax issued pursuant to section 718.90 of the Revised Code. 19386

Sec. 718.82. This section applies to any taxpayer that is 19387
engaged in a business or profession in a municipal corporation and 19388
that has made the election under section 718.80 of the Revised 19389
Code. 19390

(A) Except as otherwise provided in division (B) of this 19391
section, net profit from a business or profession conducted both 19392
within and without the boundaries of a municipal corporation shall 19393
be considered as having a taxable situs in the municipal 19394
corporation for purposes of municipal income taxation in the same 19395
proportion as the average ratio of the following: 19396

(1) The average original cost of the real property and 19397
tangible personal property owned or used by the taxpayer in the 19398
business or profession in the municipal corporation during the 19399
taxable period to the average original cost of all of the real and 19400
tangible personal property owned or used by the taxpayer in the 19401
business or profession during the same period, wherever situated. 19402

As used in the preceding paragraph, tangible personal or real 19403
property shall include property rented or leased by the taxpayer 19404
and the value of such property shall be determined by multiplying 19405
the annual rental thereon by eight; 19406

(2) Wages, salaries, and other compensation paid during the 19407
taxable period to individuals employed in the business or 19408
profession for services performed in the municipal corporation to 19409
wages, salaries, and other compensation paid during the same 19410
period to individuals employed in the business or profession, 19411
wherever the individual's services are performed, excluding 19412
compensation from which taxes are not required to be withheld 19413
under section 718.011 of the Revised Code; 19414

(3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the municipal corporation to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed. 19415
19416
19417
19418
19419

(B)(1) If the apportionment factors described in division (A) of this section do not fairly represent the extent of a taxpayer's business activity in a municipal corporation, the taxpayer may request, or the tax commissioner may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following: 19420
19421
19422
19423
19424
19425
19426

(a) Separate accounting; 19427

(b) The exclusion of one or more of the factors; 19428

(c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation; 19429
19430
19431

(d) A modification of one or more of the factors. 19432

(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the tax commissioner denies the request in an assessment issued within the period prescribed by division (A) of section 718.90 of the Revised Code. 19433
19434
19435
19436
19437
19438
19439

(3) The tax commissioner may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of section 718.90 of the Revised Code. 19440
19441
19442
19443
19444

(C) As used in division (A)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations: 19445
19446
19447
19448

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following: 19449
19450

(a) The employer; 19451

(b) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient; 19452
19453
19454

(c) A vendor, customer, client, or patient of a person described in division (C)(1)(b) of this section, or a related member of such a vendor, customer, client, or patient. 19455
19456
19457

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer; 19458
19459
19460
19461
19462
19463
19464

(3) Any other location, if the tax commissioner determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the tax commissioner makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the tax commissioner's determination was unreasonable. 19465
19466
19467
19468
19469
19470
19471
19472
19473

(D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall 19474
19475

be sitused to a municipal corporation as follows: 19476

(1) Gross receipts from the sale of tangible personal 19477
property shall be sitused to the municipal corporation only if, 19478
regardless of where title passes, the property meets either of the 19479
following criteria: 19480

(a) The property is shipped to or delivered within the 19481
municipal corporation from a stock of goods located within the 19482
municipal corporation. 19483

(b) The property is delivered within the municipal 19484
corporation from a location outside the municipal corporation, 19485
provided the taxpayer is regularly engaged through its own 19486
employees in the solicitation or promotion of sales within such 19487
municipal corporation and the sales result from such solicitation 19488
or promotion. 19489

(2) Gross receipts from the sale of services shall be sitused 19490
to the municipal corporation to the extent that such services are 19491
performed in the municipal corporation. 19492

(3) To the extent included in income, gross receipts from the 19493
sale of real property located in the municipal corporation shall 19494
be sitused to the municipal corporation. 19495

(4) To the extent included in income, gross receipts from 19496
rents and royalties from real property located in the municipal 19497
corporation shall be sitused to the municipal corporation. 19498

(5) Gross receipts from rents and royalties from tangible 19499
personal property shall be sitused to the municipal corporation 19500
based upon the extent to which the tangible personal property is 19501
used in the municipal corporation. 19502

(E) Commissions received by a real estate agent or broker 19503
relating to the sale, purchase, or lease of real estate shall be 19504
sitused to the municipal corporation in which the real estate is 19505

located. Net profit reported by the real estate agent or broker 19506
shall be allocated to a municipal corporation based upon the ratio 19507
of the commissions the agent or broker received from the sale, 19508
purchase, or lease of real estate located in the municipal 19509
corporation to the commissions received from the sale, purchase, 19510
or lease of real estate everywhere in the taxable year. 19511

(F) If, in computing a taxpayer's adjusted federal taxable 19512
income, the taxpayer deducted any amount with respect to a stock 19513
option granted to an employee, and if the employee is not required 19514
to include in the employee's income any such amount or a portion 19515
thereof because it is exempted from taxation under divisions 19516
(C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a 19517
municipal corporation to which the taxpayer has apportioned a 19518
portion of its net profit, the taxpayer shall add the amount that 19519
is exempt from taxation to the taxpayer's net profit that was 19520
apportioned to that municipal corporation. In no case shall a 19521
taxpayer be required to add to its net profit that was apportioned 19522
to that municipal corporation any amount other than the amount 19523
upon which the employee would be required to pay tax were the 19524
amount related to the stock option not exempted from taxation. 19525

This division applies solely for the purpose of making an 19526
adjustment to the amount of a taxpayer's net profit that was 19527
apportioned to a municipal corporation under this section. 19528

(G) When calculating the ratios described in division (A) of 19529
this section for the purposes of that division or division (B) of 19530
this section, the owner of a disregarded entity shall include in 19531
the owner's ratios the property, payroll, and gross receipts of 19532
such disregarded entity. 19533

Sec. 718.83. (A) On or before the last day of each month, the 19534
tax commissioner shall certify to the director of budget and 19535
management the amount to be paid to each municipal corporation, 19536

based on amounts reported on annual returns and declarations of 19537
estimated tax under sections 718.85 and 718.88 of the Revised 19538
Code, less any amounts previously distributed and net of any audit 19539
adjustments made or refunds granted by the commissioner, for the 19540
calender month preceding the month in which the certification is 19541
made. Not later than the fifth day of each month, the director 19542
shall provide for payment of the amount certified to each 19543
municipal corporation from the municipal income tax fund, plus a 19544
pro rata share of any investment earnings accruing to the fund 19545
since the previous payment under this section. Each municipal 19546
corporation's share of such earnings shall equal the proportion 19547
that the municipal corporation's certified tax payment is of the 19548
total taxes certified to all municipal corporations in that 19549
quarter. All investment earnings on money in the municipal income 19550
tax fund shall be credited to that fund. 19551

(B) If the tax commissioner determines that the amount of tax 19552
paid by a taxpayer and distributed to a municipal corporation 19553
under this section for a taxable year exceeds the amount payable 19554
to that municipal corporation under sections 718.80 to 718.95 of 19555
the Revised Code after accounting for amounts remitted with the 19556
annual return and as estimated taxes, the commissioner shall 19557
proceed according to divisions (A) and (B) of section 5703.77 of 19558
the Revised Code. 19559

Sec. 718.84. (A) Any information gained as a result of 19560
returns, investigations, hearings, or verifications required or 19561
authorized by sections 718.80 to 718.95 of the Revised Code is 19562
confidential, and no person shall disclose such information, 19563
except for official purposes, in accordance with a proper judicial 19564
order, or as provided in section 4123.271 or 5703.21 of the 19565
Revised Code. The tax commissioner may furnish the internal 19566
revenue service with copies of returns filed. This section does 19567

not prohibit the publication of statistics in a form which does 19568
not disclose information with respect to particular taxpayers. 19569

(B) In May and November of each year, the tax commissioner 19570
shall provide each tax administrator with the following 19571
information for every taxpayer that filed tax returns with the 19572
commissioner under sections 718.80 to 718.95 of the Revised Code 19573
and that had municipal taxable income apportionable to the 19574
municipal corporation under this chapter for any prior year: 19575

(1) The taxpayer's name, address, and federal employer 19576
identification number; 19577

(2) The taxpayer's apportionment ratio for, and amount of 19578
municipal taxable income apportionable to, the municipal 19579
corporation pursuant to section 718.82 of the Revised Code; 19580

(3) The amount of any pre-2017 net operating loss 19581
carryforward utilized by the taxpayer; 19582

(4) Whether the taxpayer requested that any overpayment be 19583
carried forward to a future taxable year; 19584

(5) The amount of any credit claimed under section 718.94 of 19585
the Revised Code. 19586

(C) Not later than thirty days after each distribution made 19587
to municipal corporations under section 718.83 of the Revised 19588
Code, the tax commissioner shall provide to each municipal 19589
corporation a report stating the name and federal identification 19590
number of every taxpayer that made estimated payments that are 19591
attributable to the municipal corporation and the amount of each 19592
such taxpayer's estimated payment. 19593

(D) Not later than the thirty-first day of January of each 19594
year, every municipal corporation having taxpayers that have made 19595
the election allowed under section 718.80 of the Revised Code 19596
shall provide to the tax commissioner, in a format prescribed by 19597

the commissioner, the name and mailing address of up to two 19598
persons to whom the municipal corporation requests that the 19599
commissioner send the information described in divisions (B) and 19600
(C) of this section. The commissioner shall not provide such 19601
information to any person other than a person who is designated to 19602
receive the information under this section and who is employed by 19603
the municipal corporation or by a tax administrator, as defined in 19604
section 718.01 of the Revised Code, that administers the municipal 19605
corporation's income tax, except as may otherwise be provided by 19606
law. 19607

(E)(1) The tax commissioner may adopt rules that further 19608
govern the terms and conditions under which tax returns filed with 19609
the commissioner under this chapter, and any other information 19610
gained in the performance of the commissioner's duties prescribed 19611
by this chapter, shall be available for inspection by properly 19612
authorized officers, employees, or agents of the municipal 19613
corporations to which the taxpayer's net profit is apportioned 19614
under section 718.82 of the Revised Code. 19615

(2) As used in this division, "properly authorized officer, 19616
employee, or agent" means an officer, employee, or agent of a 19617
municipal corporation who is authorized by charter or ordinance of 19618
the municipal corporation to view or possess information referred 19619
to in section 718.13 of the Revised Code. 19620

(F)(1) If, upon receiving the information described in 19621
division (B) of section 718.91 of the Revised Code or division (B) 19622
or (C) of this section, a municipal corporation discovers that it 19623
has additional information in its possession that could result in 19624
a change to a taxpayer's tax liability, the municipal corporation 19625
may refer the taxpayer to the tax commissioner for an audit. Such 19626
referral shall be made on a form prescribed by the commissioner 19627
and shall include any information that forms the basis for the 19628
referral. 19629

(2) Upon receipt of a referral under division (F)(1) of this section, the commissioner shall review the referral and may conduct an audit of the taxpayer that is the subject of the referral based on the information in the referral and any other relevant information available to the commissioner. 19630
19631
19632
19633
19634

(3) Nothing in division (F) of this section shall be construed as forming the sole basis upon which the commissioner may conduct an audit of a taxpayer. 19635
19636
19637

(4) Nothing in this chapter shall prohibit a municipal corporation from filing a writ of mandamus if the municipal corporation believes that the commissioner has violated the commissioner's fiduciary duty as the administrator of the tax levied by the municipal corporation. 19638
19639
19640
19641
19642

Sec. 718.85. (A)(1) For each taxable year, every taxpayer shall file an annual return. Such return, along with the amount of tax shown to be due on the return less the amount paid for the taxable year under section 718.88 of the Revised Code, shall be submitted to the tax commissioner, on a form and in the manner prescribed by the commissioner, on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year. 19643
19644
19645
19646
19647
19648
19649

(2) If a taxpayer has multiple taxable years ending within one calendar year, the taxpayer shall aggregate the facts and figures necessary to compute the tax due under this chapter, in accordance with sections 718.81, 718.82, and, if applicable, 718.86 of the Revised Code onto its annual return. 19650
19651
19652
19653
19654

(3) The remittance shall be made payable to the treasurer of state and in the form prescribed by the tax commissioner. If the amount payable with the tax return is ten dollars or less, no remittance is required. 19655
19656
19657
19658

(B) The tax commissioner shall immediately forward to the 19659

treasurer of state all amounts the commissioner receives pursuant 19660
to sections 718.80 to 718.95 of the Revised Code. The treasurer 19661
shall credit ninety-nine per cent of such amounts to the municipal 19662
income tax fund and the remainder to the municipal income tax 19663
administrative fund established under section 5745.03 of the 19664
Revised Code. 19665

(C)(1) Each return required to be filed under this section 19666
shall contain the signature of the taxpayer or the taxpayer's duly 19667
authorized agent and of the person who prepared the return for the 19668
taxpayer, and shall include the taxpayer's identification number. 19669
Each return shall be verified by a declaration under penalty of 19670
perjury. 19671

(2)(a) The tax commissioner may require a taxpayer to 19672
include, with each annual tax return, amended return, or request 19673
for refund filed with the commissioner under sections 718.80 to 19674
718.95 of the Revised Code, copies of any relevant documents or 19675
other information. 19676

(b) A taxpayer that files an annual tax return electronically 19677
through the Ohio business gateway or in another manner as 19678
prescribed by the tax commissioner shall either submit the 19679
documents required under this division electronically as 19680
prescribed at the time of filing or, if electronic submission is 19681
not available, mail the documents to the tax commissioner. The 19682
department of taxation shall publish a method of electronically 19683
submitting the documents required under this division on or before 19684
January 1, 2019. 19685

(3) After a taxpayer files a tax return, the tax commissioner 19686
may request, and the taxpayer shall provide, any information, 19687
statements, or documents required to determine and verify the 19688
taxpayer's municipal income tax. 19689

(D)(1)(a) Any taxpayer that has duly requested an automatic 19690

extension for filing the taxpayer's federal income tax return 19691
shall automatically receive an extension for the filing of a tax 19692
return with the commissioner under this section. The extended due 19693
date of the return shall be the fifteenth day of the tenth month 19694
after the last day of the taxable year to which the return 19695
relates. 19696

(b) A taxpayer that has not requested or received a six-month 19697
extension for filing the taxpayer's federal income tax return may 19698
request that the commissioner grant the taxpayer a six-month 19699
extension of the date for filing the taxpayer's municipal income 19700
tax return. If the commissioner receives the request on or before 19701
the date the municipal income tax return is due, the commissioner 19702
shall grant the taxpayer's extension request. 19703

(c) An extension of time to file under division (D)(1) of 19704
this section is not an extension of the time to pay any tax due 19705
unless the tax commissioner grants an extension of that date. 19706

(2) If the commissioner considers it necessary in order to 19707
ensure payment of a tax imposed in accordance with section 718.04 19708
of the Revised Code, the commissioner may require taxpayers to 19709
file returns and make payments otherwise than as provided in this 19710
section, including taxpayers not otherwise required to file annual 19711
returns. 19712

(E) Each return required to be filed in accordance with this 19713
section shall include a box that the taxpayer may check to 19714
authorize another person, including a tax return preparer who 19715
prepared the return, to communicate with the tax commissioner 19716
about matters pertaining to the return. The return or instructions 19717
accompanying the return shall indicate that by checking the box 19718
the taxpayer authorizes the commissioner to contact the preparer 19719
or other person concerning questions that arise during the 19720
examination or other review of the return and authorizes the 19721
preparer or other person only to provide the commissioner with 19722

information that is missing from the return, to contact the 19723
commissioner for information about the examination or other review 19724
of the return or the status of the taxpayer's refund or payments, 19725
and to respond to notices about mathematical errors, offsets, or 19726
return preparation that the taxpayer has received from the 19727
commissioner and has shown to the preparer or other person. 19728

(F) When income tax returns or other documents require the 19729
signature of a tax return preparer, the tax commissioner shall 19730
accept a facsimile or electronic version of such a signature in 19731
lieu of a manual signature. 19732

Sec. 718.851. (A) All taxpayers that have made the election 19733
allowed under section 718.80 of the Revised Code shall file any 19734
tax return or extension for filing a tax return, and shall make 19735
payment of amounts shown to be due on such returns, 19736
electronically, either through the Ohio business gateway or in 19737
another manner as prescribed by the tax commissioner. 19738

(B) A taxpayer may apply to the commissioner, on a form 19739
prescribed by the commissioner, to be excused from the requirement 19740
to file returns and make payments electronically. For good cause 19741
shown, the commissioner may excuse the applicant from the 19742
requirement and permit the applicant to file the returns or make 19743
the payments by nonelectronic means. 19744

(C) The tax commissioner may adopt rules establishing the 19745
following: 19746

(1) The format of documents to be used by taxpayers to file 19747
returns and make payments by electronic means; 19748

(2) The information taxpayers must submit when filing tax 19749
returns by electronic means. 19750

method is required under federal law. The election continues to be 19783
binding for each subsequent five-year period unless the taxpayer 19784
elects to discontinue filing consolidated tax returns under 19785
division (B)(2) of this section or a taxpayer receives permission 19786
from the tax commissioner. The tax commissioner shall approve such 19787
a request for good cause shown. 19788

(2) An election to discontinue filing consolidated tax 19789

(C) A taxpayer that is a member of an affiliated group of 19808
corporations that filed a consolidated federal income tax return 19809
for a taxable year shall file a consolidated tax return for that 19810
taxable year if the tax commissioner determines, by a 19811
preponderance of the evidence, that intercompany transactions have 19812
not been conducted at arm's length and that there has been a 19813

distortive shifting of income or expenses with regard to 19814
allocation of net profits to a municipal corporation. A taxpayer 19815
that is required to file a consolidated tax return for a taxable 19816
year shall file a consolidated tax return for all subsequent 19817
taxable years unless the taxpayer requests and receives written 19818
permission from the commissioner to file a separate return or a 19819
taxpayer has experienced a change in circumstances. 19820

(D) A taxpayer shall prepare a consolidated tax return in the 19821
same manner as is required under the United States department of 19822
treasury regulations that prescribe procedures for the preparation 19823
of the consolidated federal income tax return required to be filed 19824
by the common parent of the affiliated group of which the taxpayer 19825
is a member. 19826

(E)(1) Except as otherwise provided in divisions (E)(2), (3), 19827
and (4) of this section, corporations that file a consolidated tax 19828
return shall compute adjusted federal taxable income, as defined 19829
in section 718.81 of the Revised Code, by substituting 19830
"consolidated federal taxable income" for "federal taxable income" 19831
wherever "federal taxable income" appears in that division and by 19832
substituting "an affiliated group of corporation's" for "a C 19833
corporation's" wherever "a C corporation's" appears in that 19834
division. 19835

(2) No corporation filing a consolidated tax return shall 19836
make any adjustment otherwise required under division (B) of 19837
section 718.81 of the Revised Code to the extent that the item of 19838
income or deduction otherwise subject to the adjustment has been 19839
eliminated or consolidated in the computation of consolidated 19840
federal taxable income. 19841

(3) If the net profit or loss of a pass-through entity having 19842
at least eighty per cent of the value of its ownership interest 19843
owned or controlled, directly or indirectly, by an affiliated 19844
group of corporations is included in that affiliated group's 19845

consolidated federal taxable income for a taxable year, the 19846
corporation filing a consolidated tax return shall do one of the 19847
following with respect to that pass-through entity's net profit or 19848
loss for that taxable year: 19849

(a) Exclude the pass-through entity's net profit or loss from 19850
the consolidated federal taxable income of the affiliated group 19851
and, for the purpose of making the computations required in 19852
section 718.82 of the Revised Code, exclude the property, payroll, 19853
and gross receipts of the pass-through entity in the computation 19854
of the affiliated group's net profit sitused to a municipal 19855
corporation. If the entity's net profit or loss is so excluded, 19856
the entity shall be subject to taxation as a separate taxpayer on 19857
the basis of the entity's net profits that would otherwise be 19858
included in the consolidated federal taxable income of the 19859
affiliated group. 19860

(b) Include the pass-through entity's net profit or loss in 19861
the consolidated federal taxable income of the affiliated group 19862
and, for the purpose of making the computations required in 19863
section 718.82 of the Revised Code, include the property, payroll, 19864
and gross receipts of the pass-through entity in the computation 19865
of the affiliated group's net profit sitused to a municipal 19866
corporation. If the entity's net profit or loss is so included, 19867
the entity shall not be subject to taxation as a separate taxpayer 19868
on the basis of the entity's net profits that are included in the 19869
consolidated federal taxable income of the affiliated group. 19870

(4) If the net profit or loss of a pass-through entity having 19871
less than eighty per cent of the value of its ownership interest 19872
owned or controlled, directly or indirectly, by an affiliated 19873
group of corporations is included in that affiliated group's 19874
consolidated federal taxable income for a taxable year, all of the 19875
following shall apply: 19876

(a) The corporation filing the consolidated tax return shall 19877

exclude the pass-through entity's net profit or loss from the 19878
consolidated federal taxable income of the affiliated group and, 19879
for the purposes of making the computations required in section 19880
718.82 of the Revised Code, exclude the property, payroll, and 19881
gross receipts of the pass-through entity in the computation of 19882
the affiliated group's net profit situated to a municipal 19883
corporation; 19884

(b) The pass-through entity shall be subject to municipal 19885
income taxation as a separate taxpayer in accordance with sections 19886
718.80 to 718.95 of the Revised Code on the basis of the entity's 19887
net profits that would otherwise be included in the consolidated 19888
federal taxable income of the affiliated group. 19889

(F) Corporations filing a consolidated tax return shall make 19890
the computations required under section 718.82 of the Revised Code 19891
by substituting "consolidated federal taxable income attributable 19892
to" for "net profit from" wherever "net profit from" appears in 19893
that section and by substituting "affiliated group of 19894
corporations" for "taxpayer" wherever "taxpayer" appears in that 19895
section. 19896

(G) Each corporation filing a consolidated tax return is 19897
jointly and severally liable for any tax, interest, penalties, 19898
finances, charges, or other amounts applicable under section 718.80 19899
to 718.95 or Chapter 5703. of the Revised Code to the corporation, 19900
an affiliated group of which the corporation is a member for any 19901
portion of the taxable year, or any one or more members of such an 19902
affiliated group. 19903

Sec. 718.87. If a taxpayer that has made the election allowed 19904
under section 718.80 of the Revised Code fails to pay any tax as 19905
required under sections 718.80 to 718.95 of the Revised Code, or 19906
any portion of that tax, on or before the date prescribed for its 19907
payment, interest shall be assessed, collected, and paid, in the 19908

same manner as the tax, upon such unpaid amount at the rate per 19909
annum prescribed by section 5703.47 of the Revised Code from the 19910
date prescribed for its payment until it is paid or until the date 19911
an assessment is issued under section 718.90 of the Revised Code, 19912
whichever occurs first. 19913

first time. 19933

(4) The tax commissioner may waive the requirement for filing 19934
a declaration of estimated taxes for any class of taxpayers after 19935
finding that the waiver is reasonable and proper in view of 19936
administrative costs and other factors. 19937

(C) Each taxpayer shall file the declaration of estimated taxes with, and remit estimated taxes to, the tax commissioner at the times and in the amounts prescribed in division (C)(1) of this section. Remitted taxes shall be made payable to the treasurer of state. 19938

19956
19957

(2) If the taxpayer determines that its declaration of estimated taxes will not accurately reflect the taxpayer's tax liability for the taxable year, the taxpayer shall increase or decrease, as appropriate, its subsequent payments in equal installments to result in a more accurate payment of estimated taxes. 19958
19959
19960
19961
19962
19963

(3)(a) Each taxpayer shall report on the declaration of estimated taxes the portion of the remittance that the taxpayer estimates that it owes to each municipal corporation for the taxable year. 19964
19965
19966
19967

(b) Upon receiving a payment of estimated taxes under this section, the commissioner shall immediately forward the payment to the treasurer of state. The treasurer shall credit the payment in the same manner as in division (B) of section 718.85 of the Revised Code. 19968
19969
19970
19971
19972

(D)(1) In the case of any underpayment of estimated taxes, there shall be added to the taxes an amount determined at the rate per annum prescribed by section 5703.47 of the Revised Code upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows: 19973
19974
19975
19976
19977
19978
19979

(a) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment; 19980
19981
19982
19983

19985
19986

(c) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment; 19987
19988
19989
19990

(d) For the fourth payment of estimated taxes each year, ninety per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment. 19991
19992
19993

(2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the 19994
19995
19996
19997
19998

payment of estimated taxes exceeds the amount of the payment 19999
presently due. 20000

(3) All amounts collected under this section shall be 20001
considered as taxes collected under sections 718.80 to 718.95 of 20002
the Revised Code and shall be credited and distributed to 20003
municipal corporations in accordance with section 718.83 of the 20004
Revised Code. 20005

(E) An underpayment of any portion of a combined tax 20006
liability shall be due to reasonable cause and the penalty imposed 20007
by this section shall not be added to the taxes for the taxable 20008
year if any of the following apply: 20009

(1) The amount of estimated taxes that were paid equals at 20010
least ninety per cent of the combined tax liability for the 20011
current taxable year, determined by annualizing the income 20012
received during the year up to the end of the month immediately 20013
preceding the month in which the payment is due. 20014

(2) The amount of estimated taxes that were paid equals at 20015
least one hundred per cent of the tax liability shown on the 20016
return of the taxpayer for the preceding taxable year, provided 20017
that the immediately preceding taxable year reflected a period of 20018
twelve months and the taxpayer filed a municipal income tax return 20019
for that year. 20020

Sec. 718.89. (A) In addition to any other penalty imposed by 20021
sections 718.80 to 718.95 or Chapter 5703. of the Revised Code, 20022
the following penalties shall apply: 20023

(1) If a taxpayer required to file a tax return under 20024
sections 718.80 to 718.95 of the Revised Code fails to make and 20025
file the return within the time prescribed, including any 20026
extensions of time granted by the tax commissioner, the 20027
commissioner may impose a penalty not exceeding twenty-five 20028

dollars per month or fraction of a month, for each month or 20029
fraction of a month elapsing between the due date, including 20030
extensions of the due date, and the date on which the return is 20031
filed. The aggregate penalty, per instance, under this division 20032
shall not exceed one hundred fifty dollars. 20033

(2) If a person required to file a tax return electronically 20034
under sections 718.80 to 718.95 of the Revised Code fails to do 20035
so, the commissioner may impose a penalty not to exceed the 20036
following: 20037

(a) For each of the first two failures, five per cent of the 20038
amount required to be reported on the return; 20039

(b) For the third and any subsequent failure, ten per cent of 20040
the amount required to be reported on the return. 20041

(3) If a taxpayer that has made the election allowed under 20042
section 718.80 of the Revised Code fails to timely pay an amount 20043
of tax required to be paid under this chapter, the commissioner 20044
may impose a penalty equal to fifteen per cent of the amount not 20045
timely paid. 20046

(4) If a taxpayer files what purports to be a tax return 20047
required by sections 718.80 to 718.95 of the Revised Code that 20048
does not contain information upon which the substantial 20049
correctness of the return may be judged or contains information 20050
that on its face indicates that the return is substantially 20051
incorrect, and the filing of the return in that manner is due to a 20052
position that is frivolous or a desire that is apparent from the 20053
return to delay or impede the administration of sections 718.80 to 20054
718.95 of the Revised Code, a penalty of up to five hundred 20055
dollars may be imposed. 20056

(5) If a taxpayer makes a fraudulent attempt to evade the 20057
reporting or payment of the tax required to be shown on any return 20058
required under sections 718.80 to 718.95 of the Revised Code, a 20059

penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the tax required to be shown on the return. 20060
20061
20062

(6) If any person makes a false or fraudulent claim for a refund under section 718.91 of the Revised Code, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the claim. Any penalty imposed under this division, any refund issued on the claim, and interest on any refund from the date of the refund, may be assessed under section 718.90 of the Revised Code without regard to any time limitation for the assessment imposed by division (A) of that section. 20063
20064
20065
20066
20067
20068
20069
20070

(B) For purposes of this section, the tax required to be shown on a tax return shall be reduced by the amount of any part of the tax paid on or before the date, including any extensions of the date, prescribed for filing the return. 20071
20072
20073
20074

(C) Each penalty imposed under this section shall be in addition to any other penalty imposed under this section. All or part of any penalty imposed under this section may be abated by the tax commissioner. The commissioner may adopt rules governing the imposition and abatement of such penalties. 20075
20076
20077
20078
20079

(D) All amounts collected under this section shall be considered as taxes collected under sections 718.80 to 718.95 of the Revised Code and shall be credited and distributed to municipal corporations in the same proportion as the underlying tax liability is required to be distributed to such municipal corporations under section 718.83 of the Revised Code. 20080
20081
20082
20083
20084
20085

Sec. 718.90. (A) If any taxpayer required to file a return under section 718.80 to 718.95 of the Revised Code fails to file the return within the time prescribed, files an incorrect return, or fails to remit the full amount of the tax due for the period covered by the return, the tax commissioner may make an assessment 20086
20087
20088
20089
20090

against the taxpayer for any deficiency for the period for which 20091
the return or tax is due, based upon any information in the 20092
commissioner's possession. 20093

The tax commissioner shall not make or issue an assessment 20094
against a taxpayer more than three years after the later of the 20095
date the return subject to assessment was required to be filed or 20096
the date the return was filed. Such time limit may be extended if 20097
both the taxpayer and the commissioner consent in writing to the 20098
extension. Any such extension shall extend the three-year time 20099
limit in section 718.91 of the Revised Code for the same period of 20100
time. There shall be no bar or limit to an assessment against a 20101
taxpayer that fails to file a return subject to assessment as 20102
required by sections 718.80 to 718.95 of the Revised Code, or that 20103
files a fraudulent return. The commissioner shall give the 20104
taxpayer assessed written notice of the assessment as provided in 20105
section 5703.37 of the Revised Code. With the notice, the 20106
commissioner shall provide instructions on how to petition for 20107
reassessment and request a hearing on the petition. 20108

(B) Unless the taxpayer assessed files with the tax 20109
commissioner within sixty days after service of the notice of 20110
assessment, either personally or by certified mail, a written 20111
petition for reassessment signed by the authorized agent of the 20112
taxpayer assessed having knowledge of the facts, the assessment 20113
becomes final, and the amount of the assessment is due and payable 20114
from the taxpayer to the treasurer of state. The petition shall 20115
indicate the taxpayer's objections, but additional objections may 20116
be raised in writing if received by the commissioner prior to the 20117
date shown on the final determination. If the petition has been 20118
properly filed, the commissioner shall proceed under section 20119
5703.60 of the Revised Code. 20120

(C) After an assessment becomes final, if any portion of the 20121

assessment remains unpaid, including accrued interest, a certified 20122
copy of the tax commissioner's entry making the assessment final 20123
may be filed in the office of the clerk of the court of common 20124
pleas in the county in which the taxpayer has an office or place 20125
of business in this state, the county in which the taxpayer's 20126
statutory agent is located, or Franklin county. 20127

Immediately upon the filing of the entry, the clerk shall 20128
enter a judgment against the taxpayer assessed in the amount shown 20129
on the entry. The judgment may be filed by the clerk in a 20130
loose-leaf book entitled "special judgments for municipal income 20131
taxes," and shall have the same effect as other judgments. 20132
Execution shall issue upon the judgment upon the request of the 20133
tax commissioner, and all laws applicable to sales on execution 20134
shall apply to sales made under the judgment. 20135

If the assessment is not paid in its entirety within sixty 20136
days after the day the assessment was issued, the portion of the 20137
assessment consisting of tax due shall bear interest at the rate 20138
per annum prescribed by section 5703.47 of the Revised Code from 20139
the day the commissioner issues the assessment until the 20140
assessment is paid or until it is certified to the attorney 20141
general for collection under section 131.02 of the Revised Code, 20142
whichever comes first. If the unpaid portion of the assessment is 20143
certified to the attorney general for collection, the entire 20144
unpaid portion of the assessment shall bear interest at the rate 20145
per annum prescribed by section 5703.47 of the Revised Code from 20146
the date of certification until the date it is paid in its 20147
entirety. Interest shall be paid in the same manner as the tax and 20148
may be collected by issuing an assessment under this section. 20149

(D) All money collected under this section shall be credited 20150
to the municipal income tax fund and distributed to the municipal 20151
corporation to which the money is owed based on the assessment 20152
issued under this section. 20153

(E) If the tax commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the taxpayer liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the taxpayer assessed or the taxpayer's legal representative in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the taxpayer assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(F) Notwithstanding the fact that a petition for reassessment is pending, the taxpayer may pay all or a portion of the assessment that is the subject of the petition. The acceptance of a payment by the treasurer of state does not prejudice any claim for refund upon final determination of the petition.

If upon final determination of the petition an error in the assessment is corrected by the tax commissioner, upon petition so filed or pursuant to a decision of the board of tax appeals or any court to which the determination or decision has been appealed, so that the amount due from the taxpayer under the corrected assessment is less than the portion paid, there shall be issued to the taxpayer, its assigns, or legal representative a refund in the amount of the overpayment as provided by section 718.91 of the Revised Code, with interest on that amount as provided by that

section. 20186

Sec. 718.91. (A) An application to refund to a taxpayer the 20187
amount of taxes paid on any illegal, erroneous, or excessive 20188
payment of tax under sections 718.80 to 718.95 of the Revised 20189
Code, including assessments, shall be filed with the tax 20190
commissioner within three years after the date of the illegal, 20191
erroneous, or excessive payment of the tax, or within any 20192
additional period allowed by division (A) of section 718.90 of the 20193
Revised Code. The application shall be filed in the form 20194
prescribed by the tax commissioner. 20195

(B)(1) On the filing of a refund application, the tax 20196
commissioner shall determine the amount of refund to which the 20197
applicant is entitled. The amount determined shall be based on the 20198
amount overpaid per return or assessment. If the amount is greater 20199
than ten dollars and not less than that claimed, the commissioner 20200
shall certify that amount to the director of budget and management 20201
and the treasurer of state for payment from the tax refund fund 20202
created in section 5703.052 of the Revised Code. If the amount is 20203
greater than ten dollars but less than that claimed, the 20204
commissioner shall proceed in accordance with section 5703.70 of 20205
the Revised Code. 20206

(2) Upon issuance of a refund under this section, the 20207
commissioner shall notify each municipal corporation of the amount 20208
refunded to the taxpayer attributable to that municipal 20209
corporation, which shall be deducted from the municipal 20210
corporation's next distribution under section 718.83 of the 20211
Revised Code. 20212

(C) Any portion of a refund determined under division (B) of 20213
this section that is not issued within ninety days after such 20214
determination shall bear interest at the rate per annum prescribed 20215
by section 5703.47 of the Revised Code from the ninety-first day 20216

after such determination until the day the refund is paid or 20217
credited. On an illegal or erroneous assessment, interest shall be 20218
paid at that rate from the date of payment on the illegal or 20219
erroneous assessment until the day the refund is paid or credited. 20220

Sec. 718.92. (A) If any of the facts, figures, computations, 20221
or attachments required in an annual return filed by a taxpayer 20222
that has made the election allowed under section 718.80 of the 20223
Revised Code and used to determine the tax due under sections 20224
718.80 to 718.95 of the Revised Code must be altered as the result 20225
of an adjustment to the taxpayer's federal income tax return, 20226
whether initiated by the taxpayer or the internal revenue service, 20227
and such alteration affects the taxpayer's tax liability under 20228
those sections, the taxpayer shall file an amended return with the 20229
tax commissioner in such form as the commissioner requires. The 20230
amended return shall be filed not later than sixty days after the 20231
adjustment is agreed upon or finally determined for federal income 20232
tax purposes or after any federal income tax deficiency or refund, 20233
or the abatement or credit resulting therefrom, has been assessed 20234
or paid, whichever occurs first. If a taxpayer intends to file an 20235
amended consolidated municipal income tax return, or to amend its 20236
type of return from a separate return to a consolidated return, 20237
based on the taxpayer's consolidated federal income tax return, 20238
the taxpayer shall notify the commissioner before filing the 20239
amended return. 20240

(B) In the case of an underpayment, the amended return shall 20241
be accompanied by payment of any combined additional tax due 20242
together with any penalty and interest thereon. An amended return 20243
required by this section is a return subject to assessment under 20244
section 718.90 of the Revised Code for the purpose of assessing 20245
any additional tax due under this section, together with any 20246
applicable penalty and interest. The amended return shall not 20247
reopen those facts, figures, computations, or attachments from a 20248

previously filed return no longer subject to assessment that are 20249
not affected, either directly or indirectly, by the adjustment to 20250
the taxpayer's federal tax return. 20251

(C) In the case of an overpayment, an application for refund 20252
may be filed under this division within the sixty-day period 20253
prescribed for filing the amended return, even if that period 20254
extends beyond the period prescribed in section 718.91 of the 20255
Revised Code, if the application otherwise conforms to the 20256
requirements of that section. An application filed under this 20257
division shall claim refund of overpayments resulting from 20258
alterations to only those facts, figures, computations, or 20259
attachments required in the taxpayer's annual return that are 20260
affected, either directly or indirectly, by the adjustment to the 20261
taxpayer's federal income tax return unless it is also filed 20262
within the time prescribed in section 718.91 of the Revised Code. 20263
The application shall not reopen those facts, figures, 20264
computations, or attachments that are not affected, either 20265
directly or indirectly, by the adjustment to the taxpayer's 20266
federal income tax return. 20267

Sec. 718.93. (A) The tax commissioner, or any authorized 20268
agent or employee thereof, may examine the books, papers, records, 20269
and federal and state income tax returns of any taxpayer or other 20270
person that is subject to sections 718.80 to 718.95 of the Revised 20271
Code for the purpose of verifying the accuracy of any return made 20272
or, if no return was filed, to ascertain the tax due as required 20273
under those sections. Upon written request by the commissioner or 20274
a duly authorized agent or employee thereof, every taxpayer or 20275
other person subject to this section is required to furnish the 20276
opportunity for the commissioner, authorized agent, or employee to 20277
investigate and examine such books, papers, records, and federal 20278
and state income tax returns at a reasonable time and place 20279
designated in the request. 20280

(B) The records and other documents of any taxpayer or other person that is subject to sections 718.80 to 718.95 of the Revised Code shall be open to the tax commissioner's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The commissioner may require any person, by notice served on that person, to keep such records as the commissioner determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by a municipal corporation.

(C) The tax commissioner may examine under oath any person that the commissioner reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The commissioner may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the tax commissioner compelling attendance at a hearing or examination or the production of books, papers, records, or federal income tax returns under this section shall fail to comply.

Sec. 718.94. (A) A credit, granted by resolution or ordinance of a municipal corporation pursuant to section 718.15 or 718.151 of the Revised Code, shall be available to a taxpayer that has made the election allowed under section 718.80 of the Revised

Code, against the municipal corporation's tax on income. A 20312
municipal corporation shall submit the following information to 20313
the tax commissioner on or before the later of January 31, 2018, 20314
or the thirty-first day of January of the first year in which the 20315
taxpayer is eligible to receive the credit: 20316

(1) A copy of the agreement entered into by the municipal 20317
corporation and taxpayer under section 718.15 or 718.151 of the 20318
Revised Code; 20319

(2) A copy of the municipal ordinance or resolution 20320
authorizing the agreement entered into between the municipal 20321
corporation and the taxpayer. 20322

(B)(1) Each taxpayer that claims a credit shall submit, with 20323
the taxpayer's tax return, documentation issued by the municipal 20324
corporation granting the credit that confirms the eligibility of 20325
the taxpayer for the credit, the amount of the credit for which 20326
the taxpayer is eligible, and the tax year to which the credit is 20327
to be applied. 20328

(2) Such documentation shall be provided in the form 20329
prescribed by the tax commissioner. 20330

(3) Nothing in this section shall be construed to authorize 20331
the tax commissioner to enter into an agreement with a taxpayer to 20332
grant a credit, to determine if a taxpayer meets the conditions of 20333

reasonable considering the direct and indirect costs to the 21580
division, as determined by the superintendent, of processing the 21581
applications and for conducting and processing the examinations. 21582

(E) The superintendent may determine and charge reasonable 21583
fees for furnishing and certifying copies of documents filed with 21584
the division and for any expenses incurred by the division in the 21585
publication or serving of required notices. 21586

if requested to do so by the chief. The owner of a nonexempt 22441
Mississippian well shall file updates of the financial documents 22442
in accordance with a schedule established by rule of the chief. 22443
The chief, upon determining that an owner for whom the chief has 22444

that are specified in the order and for which no bond is filed or 22451
cash, certificates of deposit, or letters of credit are deposited 22452
shall be plugged. No owner shall fail or refuse to plug such a 22453
well. Each day on which such a well remains unplugged thereafter 22454
constitutes a separate offense. 22455

(4) The surety bond provided for in this section shall be 22456
executed by a surety company authorized to do business in this 22457
state. 22458

The chief shall not approve any bond until it is personally 22459
signed and acknowledged by both principal and surety, or as to 22460
either by the principal's or surety's attorney in fact, with a 22461
certified copy of the power of attorney attached thereto. The 22462
chief shall not approve a bond unless there is attached a 22463
certificate of the superintendent of insurance that the company is 22464
authorized to transact a fidelity and surety business in this 22465
state. 22466

All bonds shall be given in a form to be prescribed by the 22467
chief and shall run to the state as obligee. 22468

(5) An owner of an exempt Mississippian well or an exempt 22469
domestic well, in lieu of filing a surety bond, cash in an amount 22470
equal to the surety bond, certificates of deposit, irrevocable 22471
letters of credit, or a sworn financial statement, may file a 22472
one-time fee of fifty dollars, which shall be deposited in the oil 22473
and gas well plugging fund created in section 1509.071 of the 22474
Revised Code. 22475

(C) An owner, operator, producer, or other person shall not 22476
operate a well or produce from a well at any time if the owner, 22477
operator, producer, or other person has not satisfied the 22478

requirements established in this section. 22479

Sec. 1509.071. (A) When the chief of the division of oil and 22480
gas resources management finds that an owner has failed to comply 22481
with a final nonappealable order issued or compliance agreement 22482
entered into under section 1509.04, the restoration requirements 22483
of section 1509.072, plugging requirements of section 1509.12, or 22484
permit provisions of section 1509.13 of the Revised Code, or rules 22485
and orders relating thereto, the chief shall make a finding of 22486
that fact and declare any surety bond filed to ensure compliance 22487
with those sections and rules forfeited in the amount set by rule 22488
of the chief. The chief thereupon shall certify the total 22489
forfeiture to the attorney general, who shall proceed to collect 22490
the amount of the forfeiture. In addition, the chief may require 22491
an owner, operator, producer, or other person who forfeited a 22492
surety bond to post a new surety bond in the amount of fifteen 22493
thousand dollars for a single well, thirty thousand dollars for 22494
two wells, or fifty thousand dollars for three or more wells. 22495

In lieu of total forfeiture, the surety or owner, at the 22496
surety's or owner's option, may cause the well to be properly 22497
plugged and abandoned and the area properly restored or pay to the 22498
treasurer of state the cost of plugging and abandonment. 22499

(B) All moneys collected because of forfeitures of bonds as 22500
provided in this section shall be deposited in the state treasury 22501
to the credit of the oil and gas well fund created in section 22502
1509.02 of the Revised Code. 22503

The chief annually shall spend not less than fourteen per 22504
cent of the revenue credited to the fund during the previous 22505
fiscal year for the following purposes: 22506

(1) In accordance with division (D) of this section, to plug 22507
idle and orphaned wells or to restore the land surface properly as 22508
required in section 1509.072 of the Revised Code; 22509

(2) In accordance with division (E) of this section, to 22510
correct conditions that the chief reasonably has determined are 22511
causing imminent health or safety risks at an idle and orphaned 22512
well or a well for which the owner cannot be contacted in order to 22513
initiate a corrective action within a reasonable period of time as 22514
determined by the chief. 22515

Expenditures from the fund shall be made only for lawful 22516
purposes. In addition, expenditures from the fund shall not be 22517
made to purchase real property or to remove a dwelling in order to 22518
access a well. 22519

The director of budget and management, in consultation with 22520
the chief, shall establish an accounting code for purposes of 22521
tracking expenditures made as required under this division. 22522

(C)(1) Upon determining that the owner of a well has failed 22523
to properly plug and abandon it or to properly restore the land 22524
surface at the well site in compliance with the applicable 22525
requirements of this chapter and applicable rules adopted and 22526
orders issued under it or that a well is an abandoned well for 22527
which no funds are available to plug the well in accordance with 22528
this chapter, the chief shall do all of the following: 22529

(a) Determine from the records in the office of the county 22530
recorder of the county in which the well is located the identity 22531
of the owner of the land on which the well is located, the 22532
identity of the owner of the oil or gas lease under which the well 22533
was drilled or the identity of each person owning an interest in 22534
the lease, and the identities of the persons having legal title 22535
to, or a lien upon, any of the equipment appurtenant to the well; 22536

(b) Mail notice to the owner of the land on which the well is 22537
located informing the landowner that the well is to be plugged. If 22538
the owner of the oil or gas lease under which the well was drilled 22539
is different from the owner of the well or if any persons other 22540

than the owner of the well own interests in the lease, the chief 22541
also shall mail notice that the well is to be plugged to the owner 22542
of the lease or to each person owning an interest in the lease, as 22543
appropriate. 22544

(c) Mail notice to each person having legal title to, or a 22545
lien upon, any equipment appurtenant to the well, informing the 22546
person that the well is to be plugged and offering the person the 22547
opportunity to plug the well and restore the land surface at the 22548
well site at the person's own expense in order to avoid forfeiture 22549
of the equipment to this state. 22550

(2) If none of the persons described in division (C)(1)(c) of 22551
this section plugs the well within sixty days after the mailing of 22552
the notice required by that division, all equipment appurtenant to 22553
the well is hereby declared to be forfeited to this state without 22554
compensation and without the necessity for any action by the state 22555
for use to defray the cost of plugging and abandoning the well and 22556
restoring the land surface at the well site. 22557

(D) Expenditures from the fund for the purpose of division 22558
(B)(1) of this section shall be made in accordance with either of 22559
the following: 22560

(1) The expenditures may be made pursuant to contracts 22561
entered into by the chief with persons who agree to furnish all of 22562
the materials, equipment, work, and labor as specified and 22563
provided in such a contract for activities associated with the 22564
restoration or plugging of a well as determined by the chief. The 22565
activities may include excavation to uncover a well, geophysical 22566
methods to locate a buried well when clear evidence of leakage 22567
from the well exists, cleanout of wellbores to remove material 22568
from a failed plugging of a well, plugging operations, 22569
installation of vault and vent systems, including associated 22570
engineering certifications and permits, restoration of property, 22571
and repair of damage to property that is caused by such 22572

activities. Expenditures shall not be used for salaries, 22573
maintenance, equipment, or other administrative purposes, except 22574
for costs directly attributed to the plugging of an idle and 22575
orphaned well. Agents or employees of persons contracting with the 22576
chief for a restoration or plugging project may enter upon any 22577
land, public or private, on which the well is located for the 22578
purpose of performing the work. Prior to such entry, the chief 22579
shall give to the following persons written notice of the 22580
existence of a contract for a project to restore or plug a well, 22581
the names of the persons with whom the contract is made, and the 22582
date that the project will commence: the owner of the well, the 22583
owner of the land upon which the well is located, the owner or 22584
agents of adjoining land, and, if the well is located in the same 22585
township as or in a township adjacent to the excavations and 22586
workings of a mine and the owner or lessee of that mine has 22587
provided written notice identifying those townships to the chief 22588
at any time during the immediately preceding three years, the 22589
owner or lessee of the mine. 22590

(2)(a) The owner of the land on which a well is located who 22591
has received notice under division (C)(1)(b) of this section may 22592
plug the well and be reimbursed by the division of oil and gas 22593
resources management for the reasonable cost of plugging the well. 22594
In order to plug the well, the landowner shall submit an 22595
application to the chief on a form prescribed by the chief and 22596
approved by the technical advisory council on oil and gas created 22597
in section 1509.38 of the Revised Code. The application, at a 22598
minimum, shall require the landowner to provide the same 22599
information as is required to be included in the application for a 22600
permit to plug and abandon under section 1509.13 of the Revised 22601
Code. The application shall be accompanied by a copy of a proposed 22602
contract to plug the well prepared by a contractor regularly 22603
engaged in the business of plugging oil and gas wells. The 22604
proposed contract shall require the contractor to furnish all of 22605

the materials, equipment, work, and labor necessary to plug the well properly and shall specify the price for doing the work, including a credit for the equipment appurtenant to the well that was forfeited to the state through the operation of division (C)(2) of this section. Expenditures under division (D)(2)(a) of this section shall be consistent with the expenditures for activities described in division (D)(1) of this section. The application also shall be accompanied by the permit fee required by section 1509.13 of the Revised Code unless the chief, in the chief's discretion, waives payment of the permit fee. The application constitutes an application for a permit to plug and abandon the well for the purposes of section 1509.13 of the Revised Code.

(b) Within thirty days after receiving an application and accompanying proposed contract under division (D)(2)(a) of this section, the chief shall determine whether the plugging would comply with the applicable requirements of this chapter and applicable rules adopted and orders issued under it and whether the cost of the plugging under the proposed contract is reasonable. If the chief determines that the proposed plugging would comply with those requirements and that the proposed cost of the plugging is reasonable, the chief shall notify the landowner of that determination and issue to the landowner a permit to plug and abandon the well under section 1509.13 of the Revised Code. Upon approval of the application and proposed contract, the chief shall transfer ownership of the equipment appurtenant to the well to the landowner. The chief may disapprove an application submitted under division (D)(2)(a) of this section if the chief determines that the proposed plugging would not comply with the applicable requirements of this chapter and applicable rules adopted and orders issued under it, that the cost of the plugging under the proposed contract is unreasonable, or that the proposed contract is not a bona fide, arm's length contract.

(c) After receiving the chief's notice of the approval of the application and permit to plug and abandon a well under division (D)(2)(b) of this section, the landowner shall enter into the proposed contract to plug the well.

(d) Upon determining that the plugging has been completed in compliance with the applicable requirements of this chapter and applicable rules adopted and orders issued under it, the chief shall reimburse the landowner for the cost of the plugging as set forth in the proposed contract approved by the chief. The reimbursement shall be paid from the oil and gas well fund. If the chief determines that the plugging was not completed in accordance with the applicable requirements, the chief shall not reimburse the landowner for the cost of the plugging, and the landowner or the contractor, as applicable, promptly shall transfer back to this state title to and possession of the equipment appurtenant to the well that previously was transferred to the landowner under division (D)(2)(b) of this section. If any such equipment was removed from the well during the plugging and sold, the landowner shall pay to the chief the proceeds from the sale of the equipment, and the chief promptly shall pay the moneys so received to the treasurer of state for deposit into the oil and gas well fund.

The chief may establish an annual limit on the number of wells that may be plugged under division (D)(2) of this section or an annual limit on the expenditures to be made under that division.

As used in division (D)(2) of this section, "plug" and "plugging" include the plugging of the well and the restoration of the land surface disturbed by the plugging.

(E) Expenditures from the oil and gas well fund for the purpose of division (B)(2) of this section may be made pursuant to contracts entered into by the chief with persons who agree to

furnish all of the materials, equipment, work, and labor as 22671
specified and provided in such a contract. The competitive bidding 22672
requirements of Chapter 153. of the Revised Code do not apply if 22673
the chief reasonably determines that an emergency situation exists 22674
requiring immediate action for the correction of the applicable 22675
health or safety risk. A contract or purchase of materials for 22676
purposes of addressing the emergency situation is not subject to 22677
division (B) of section 127.16 of the Revised Code. The chief, 22678
designated representatives of the chief, and agents or employees 22679
of persons contracting with the chief under this division may 22680
enter upon any land, public or private, for the purpose of 22681
performing the work. 22682

(F) Contracts entered into by the chief under this section 22683
are not subject to any of the following: 22684

(1) Chapter 4115. of the Revised Code; 22685

(2) Section 153.54 of the Revised Code, except that the 22686
contractor shall obtain and provide to the chief as a bid guaranty 22687
a surety bond or letter of credit in an amount equal to ten per 22688
cent of the amount of the contract; 22689

(3) Section 4733.17 of the Revised Code. 22690

(G) The owner of land on which a well is located who has 22691
received notice under division (C)(1)(b) of this section, in lieu 22692
of plugging the well in accordance with division (D)(2) of this 22693
section, may cause ownership of the well to be transferred to an 22694
owner who is lawfully doing business in this state and who has met 22695
the financial responsibility requirements established under 22696
section 1509.07 of the Revised Code, subject to the approval of 22697
the chief. The transfer of ownership also shall be subject to the 22698
landowner's filing the appropriate forms required under section 22699
1509.31 of the Revised Code and providing to the chief sufficient 22700
information to demonstrate the landowner's or owner's right to 22701

produce a formation or formations. That information may include a deed, a lease, or other documentation of ownership or property rights.

The chief shall approve or disapprove the transfer of ownership of the well. If the chief approves the transfer, the owner is responsible for operating the well in accordance with this chapter and rules adopted under it, including, without limitation, all of the following:

(1) Filing an application with the chief under section 1509.06 of the Revised Code if the owner intends to drill deeper or produce a formation that is not listed in the records of the division for that well;

(2) Taking title to and possession of the equipment appurtenant to the well that has been identified by the chief as having been abandoned by the former owner;

(3) Complying with all applicable requirements that are necessary to drill deeper, plug the well, or plug back the well.

(H) The chief shall issue an order that requires the owner of a well to pay the actual documented costs of a corrective action that is described in division (B)(2) of this section concerning the well. The chief shall transmit the money so recovered to the treasurer of state who shall deposit the money in the state treasury to the credit of the oil and gas well fund.

(I) The chief may engage in cooperative projects under this section with any agency of this state, another state, or the United States; any other governmental agencies; or any state university or college as defined in section 3345.27 of the Revised Code. A contract entered into for purposes of a cooperative project is not subject to division (B) of section 127.16 of the Revised Code.

Sec. 1513.18. (A) All money that becomes the property of the 22732
state under division (G) of section 1513.16 of the Revised Code 22733
shall be deposited in the reclamation forfeiture fund, which is 22734
hereby created in the state treasury. Disbursements from the fund 22735
shall be made by the chief of the division of mineral resources 22736
management for the purpose of reclaiming areas of land affected by 22737
coal mining under a coal mining and reclamation permit issued on 22738
or after September 1, 1981, on which an operator has defaulted. 22739

(B) The fund also shall consist of all money from the 22740
collection of liens under section 1513.081 of the Revised Code, 22741
~~any moneys transferred to it under section 1513.181 of the Revised~~ 22742
~~Code from the coal mining and reclamation reserve fund created in~~ 22743
~~that section,~~ all money credited to the fund from the fee levied 22744
by division (F)(8)(c) of section 1513.16 of the Revised Code, 22745
fines collected under division (E) of section 1513.02 and section 22746
1513.99 of the Revised Code, fines collected for a violation of 22747
section 2921.31 of the Revised Code that, prior to July 1, 1996, 22748
would have been a violation of division (G) of section 1513.17 of 22749
the Revised Code as it existed prior to that date, and ~~moneys~~ 22750
money collected and credited to it pursuant to section 5749.02 of 22751
the Revised Code. Disbursements from the fund shall be made by the 22752
chief in accordance with division (D) of this section for the 22753
purpose of reclaiming areas that an operator has affected by 22754
mining and failed to reclaim under a coal mining and reclamation 22755
permit issued under this chapter. 22756

The chief may expend ~~moneys~~ money from the fund to pay 22757
necessary administrative costs, including engineering and design 22758
services, incurred by the division of mineral resources management 22759
in reclaiming these areas. The chief also may expend ~~moneys~~ money 22760
from the fund to pay necessary administrative costs of the 22761
reclamation forfeiture fund advisory board created in section 22762
1513.182 of the Revised Code as authorized by the board under that 22763

section. Expenditures from the fund to pay such administrative 22764
costs need not be made under contract. 22765

(C) Except when paying necessary administrative costs 22766
authorized by division (B) of this section, expenditures from the 22767
fund shall be made under contracts entered into by the chief, with 22768
the approval of the director of natural resources, in accordance 22769
with procedures established by the chief, by rules adopted in 22770
accordance with section 1513.02 of the Revised Code. The chief may 22771
reclaim the land in the same manner as set forth in sections 22772
1513.21 to 1513.24 of the Revised Code. Each contract awarded by 22773
the chief shall be awarded to the lowest responsive and 22774
responsible bidder, in accordance with section 9.312 of the 22775
Revised Code, after sealed bids are received, opened, and 22776
published at the time and place fixed by the chief. The chief 22777
shall publish notice of the time and place at which bids will be 22778
received, opened, and published, at least once and at least ten 22779
days before the date of the opening of the bids, in a newspaper of 22780
general circulation in the county in which the area of land to be 22781
reclaimed under the contract is located. If, after advertising, no 22782
bids are received at the time and place fixed for receiving them, 22783
the chief may advertise again for bids, or, if the chief considers 22784
the public interest will best be served, the chief may enter into 22785
a contract for the reclamation of the area of land without further 22786
advertisement for bids. The chief may reject any or all bids 22787
received and again publish notice of the time and place at which 22788
bids for contracts will be received, opened, and published. The 22789
chief, with the approval of the director, may enter into a 22790
contract with the landowner, a coal mine operator or surface mine 22791
operator mining under a current, valid permit issued under this 22792
chapter or Chapter 1514. of the Revised Code, or a contractor 22793
hired by the surety or trustee, if the performance security is 22794
held in trust, to complete reclamation on land affected by coal 22795
mining on which an operator has defaulted, or with a contractor 22796

hired by the trust administrator of an alternative financial 22797
security that is provided in accordance with division (F)(8) of 22798
section 1513.16 of the Revised Code to provide long-term water 22799
treatment or a long-term alternative water supply on areas 22800
affected by coal mining on which a permittee has defaulted or not 22801
fully funded an alternative financial security, without 22802
advertising for bids. 22803

(D)(1) The chief shall expend money credited to the 22804
reclamation forfeiture fund from the forfeiture of the performance 22805
security applicable to an area of land to pay for the cost of 22806
completing reclamation to the standards established by this 22807
chapter and rules adopted under it. 22808

(2) If the performance security for the area of land was 22809
provided under division (C)(1) of section 1513.08 of the Revised 22810
Code, the chief shall use the money from the forfeited performance 22811
security and any alternative financial security provided under 22812
division (F)(8) of section 1513.16 of the Revised Code to complete 22813
the reclamation that the operator failed to do under the 22814
operator's applicable coal mining and reclamation permit issued 22815
under this chapter. 22816

(3) If the performance security for the area of land was 22817
provided under division (C)(2) of section 1513.08 of the Revised 22818
Code, the chief shall use the money from the forfeited performance 22819
security and any alternative financial security provided under 22820
division (F)(8) of section 1513.16 of the Revised Code to complete 22821
the reclamation that the operator failed to do under the 22822
operator's applicable coal mining and reclamation permit issued 22823
under this chapter. If the money credited to the reclamation 22824
forfeiture fund from the forfeiture of the performance security 22825
provided under division (C)(2) of section 1513.08 of the Revised 22826
Code and any alternative financial security provided under 22827
division (F)(8) of section 1513.16 of the Revised Code is not 22828

sufficient to complete the reclamation to the standards 22829
established by this chapter and rules adopted under it, the chief 22830
shall notify the reclamation forfeiture fund advisory board of the 22831
amount of the insufficiency. The chief may expend money credited 22832
to the reclamation forfeiture fund under section 5749.02 of the 22833
Revised Code, or credited to the reclamation forfeiture fund from 22834
the fee levied by division (F)(8)(c) of section 1513.16 of the 22835
Revised Code, ~~or transferred to the fund under section 1513.181 of~~ 22836
~~the Revised Code~~ to complete the reclamation to the standards 22837
established by this chapter and rules adopted under it. Except as 22838
provided in division (D)(5) of this section, the chief shall not 22839
expend money from the fund in an amount that exceeds the 22840
difference between the amount of the performance security provided 22841
under division (C)(2) of section 1513.08 of the Revised Code and 22842
the estimated cost of reclamation as determined by the chief under 22843
divisions (B) and (E) of that section. 22844

(4) Except as provided in division (D)(5) of this section, 22845
money from the reclamation forfeiture fund shall not be used for 22846
reclamation of land or water resources affected by mine drainage 22847
that requires extended water treatment after reclamation is 22848
completed under the terms of the permit. In addition, money from 22849
the reclamation forfeiture fund shall not be used to supplement 22850
the performance security of an applicant or permittee that has 22851
provided performance security in accordance with division (C)(1) 22852
of section 1513.08 of the Revised Code. 22853

(5) If a permittee relies in part on the reclamation 22854
forfeiture fund for alternative financial security under division 22855
(F)(8)(c) of section 1513.16 of the Revised Code, money from the 22856
reclamation forfeiture fund may be used for reclamation of the 22857
land or water resources affected by mine drainage that requires 22858
water treatment after reclamation is completed under the terms of 22859
the permit or an alternative water supply after reclamation is 22860

completed under the terms of the permit in an amount not to exceed 22861
the balance of the alternative financial security provided by the 22862
reclamation forfeiture fund under that division. 22863

(E) The chief shall keep a detailed accounting of the 22864
expenditures from the reclamation forfeiture fund to complete 22865
reclamation of the land or water resources, as applicable, and, 22866
upon completion of the reclamation, shall certify the expenditures 22867
to the attorney general. Upon the chief's certification of the 22868
expenditures from the reclamation forfeiture fund, the attorney 22869
general shall bring an action for that amount of money. The 22870
operator is liable for that expense in addition to any other 22871
liabilities imposed by law. ~~Moneys~~ Money so recovered shall be 22872
credited to the reclamation forfeiture fund. The chief shall not 22873
postpone the reclamation because of any action brought by the 22874
attorney general under this division. Prior to completing 22875
reclamation, the chief may collect through the attorney general 22876
any additional amount that the chief believes will be necessary 22877
for reclamation in excess of the forfeited performance security 22878
and any alternative financial security amount applicable to the 22879
land or water resources that the operator should have, but failed 22880
to, reclaim. 22881

(F) Except as otherwise provided in division (H) of this 22882
section, if any part of the ~~moneys~~ money in the reclamation 22883
forfeiture fund remains in the fund after the chief has caused the 22884
area of land to be reclaimed and has paid all the reclamation 22885
costs and expenses, the chief may expend those ~~moneys~~ money to 22886
complete other reclamation work performed under this section on 22887
forfeiture areas affected under a coal mining and reclamation 22888
permit issued on or after September 1, 1981. 22889

(G) The chief shall require every contractor performing 22890
reclamation work pursuant to this section to pay workers at the 22891
greater of their regular rate of pay, as established by contract, 22892

agreement, or prior custom or practice, or the average wage rate 22893
paid in this state for the same or similar work as determined by 22894
the chief under section 1513.02 of the Revised Code. 22895

(H) All investment earnings of the fund shall be credited to 22896
the fund and shall be used only for the reclamation of land for 22897
which performance security was provided under division (C)(2) of 22898
section 1513.08 of the Revised Code. 22899

Sec. 1513.20. The chief of the division of mineral resources 22900
management, with the approval of the director of natural 22901
resources, may purchase or acquire by gift, donation, or 22902
contribution any eroded land, including land affected by strip 22903
mining, for which no cash is held in the reclamation forfeiture 22904
fund created by section 1513.18 of the Revised Code. For this 22905
purpose the chief may expend ~~moneys~~ money deposited in the 22906
~~unreclaimed lands~~ mining regulation and safety fund created by 22907
section 1513.30 of the Revised Code. All lands purchased or 22908
acquired shall be deeded to the state, but no deed shall be 22909
accepted or the purchase price paid until the title has been 22910
approved by the attorney general. 22911

Sec. 1513.25. After completion of the reclamation of a tract 22912
of land acquired pursuant to section 1513.20 of the Revised Code, 22913
the chief of the division of mineral resources management may, if 22914
the land is suitable to the uses of any other department, 22915
division, office, or institution of the state, transfer the land 22916
or tract to that department, division, office, or institution, 22917
subject to the approval of the director of natural resources. 22918

With the approval of the attorney general and the director, 22919
the chief may sell any such land or tract, after completion of the 22920
plan of reclamation, when the sale is advantageous to the state. 22921

With the approval of the attorney general and the director, 22922

the chief may grant easements and leases on the land or tract 22923
under terms advantageous to the state, and may grant mineral 22924
rights on a royalty basis. 22925

All ~~moneys~~ money received from the sale of reclaimed lands, 22926
or in payment for easements, leases, or royalties, shall be paid 22927
to the ~~unreclaimed lands~~ mining regulation and safety fund created 22928
in section 1513.30 of the Revised Code. 22929

Sec. 1513.27. As used in this section and sections 1513.28, 22930
1513.30, 1513.31, and 1513.32 of the Revised Code, "damage to 22931
adjacent property" means physical injury or harm to nearby 22932
property caused by the unreclaimed condition of lands mined prior 22933
to April 10, 1972, or pursuant to a license issued prior to April 22934
10, 1972, including, without limitation, injury or harm to 22935
vegetation on adjacent property, pollution of surface or 22936
underground waters on adjacent property, loss or interruption of 22937
water supply on adjacent property, flow of acid water onto or 22938
across adjacent property, flooding of adjacent property, 22939
landslides onto or across adjacent property, erosion of adjacent 22940
property, or deposition of sediment upon adjacent property. Damage 22941
to adjacent property does not include any diminution of the market 22942
value of adjacent property caused exclusively by the visual or 22943
aesthetic appearance of such unreclaimed lands. 22944

The chief of the division of mineral resources management, 22945
with the approval of the director of natural resources, may enter 22946
into a written agreement, which may be in the form of a contract, 22947
with the owner of any unreclaimed land affected by mining before 22948
April 10, 1972, or pursuant to a license issued before April 10, 22949
1972, that causes or may cause pollution of the waters of the 22950
state or damage to adjacent property, is not likely to be mined in 22951
the foreseeable future, and lies within the boundaries of a 22952
project area approved by the chief under section 1513.30 of the 22953

Revised Code, under which the state or its agents may enter the 22954
land to reclaim it at state expense with ~~moneys~~ money from the 22955
~~unreclaimed lands~~ mining regulation and safety fund by 22956
establishing vegetative cover and substantially reducing or 22957
eliminating erosion, sedimentation, landslides, pollution, 22958
accumulation or discharge of acid water, flooding, and damage to 22959
adjacent property. The agreement may include provisions pertaining 22960
to liability for damages and any other provisions necessary or 22961
desirable to achieve the purposes of this section. 22962

If the chief makes a finding of fact that land or water 22963
resources have been adversely affected by past coal mining 22964
practices; if the adverse effects are at a stage where, in the 22965
public interest, action to restore, reclaim, abate, control, or 22966
prevent the adverse effects should be taken; and if the owners of 22967
the affected land or water resources either are not known or 22968
readily available or will not give permission for the state, 22969
political subdivisions, or their agents, employees, or contractors 22970
to enter on the property to restore, reclaim, abate, control, or 22971
prevent the adverse effects, the chief or the chief's agents, 22972
employees, or contractors may enter on the affected property in 22973
order to do all things necessary or expedient to restore, reclaim, 22974
abate, control, or prevent the adverse effects. Prior to entering 22975
on the property, the chief or the chief's agents, employees, or 22976
contractors shall give notice by mail to the owners, if known, or, 22977
if not known, by posting notice on the premises and advertising 22978
once in a newspaper of general circulation in the county or 22979
municipal corporation in which the land lies. Such an entry shall 22980
be construed as an exercise of the police power for the protection 22981
of public health, safety, and welfare and shall not be construed 22982
as an act of condemnation of property or of trespass. The ~~moneys~~ 22983
money expended for the work and the benefits accruing to any 22984
premises so entered upon shall be chargeable against land and 22985
shall mitigate or offset any claim in or any action brought by any 22986

owner of any interest in the premises for any alleged damages by 22987
virtue of the entry. This provision is not intended to create new 22988
rights of action or eliminate existing immunities. 22989

Each agreement entered into pursuant to this section shall 22990
contain provisions for the reimbursement of a portion of the costs 22991
of the reclamation that is commensurate with the increase in the 22992
fair market value of the property attributable to the reclamation 22993
work thereon, as determined by appraisals made before and after 22994
reclamation in the manner stated in the agreement, unless the 22995
determination discloses an increase in value that is 22996
insubstantial. For reimbursement of the portion, the agreement may 22997
include provisions for any of the following: 22998

(A) Public use for soil, water, forest, or wildlife 22999
conservation or public recreation purposes; 23000

(B) Payment to the state of the share of the income from the 23001
crops or timber produced on the land that is stated in the 23002
agreement; 23003

(C) Imposition of a lien in the amount of the increase in 23004
fair market value payable upon transfer or conveyance of the 23005
property to a new owner. All such reimbursements and payments 23006
shall be credited to the ~~unreclaimed lands~~ mining regulation and 23007
safety fund. 23008

(D) Payment to the state in cash of the amount of the 23009
increase in fair market value, payable upon completion of the 23010
reclamation. 23011

For the purpose of selecting lands to be reclaimed within the 23012
boundaries of approved project areas, the chief shall consult the 23013
owners of unreclaimed lands, may consult with local officials, 23014
civic and professional organizations, and interested individuals, 23015
and shall consider the feasibility, cost, and public benefits of 23016
reclaiming particular lands, their potential for being mined, and 23017

the availability of federal or other assistance for reclamation. 23018
Before entering into the agreement, the chief shall prepare or 23019
approve a detailed plan with topographic maps indicating the 23020
reclamation improvements to be made. The plan may include 23021
improvements recommended by the owner, but may not include 23022
improvements that the chief finds are not necessary to establish 23023
vegetative cover or substantially reduce or eliminate erosion, 23024
sedimentation, landslides, pollution, accumulation or discharge of 23025
acid water, flooding, or damage to adjacent property. 23026

With the approval of the director and upon entering into the 23027
agreement with the owner, the chief may carry out the plan of 23028
reclamation or any part thereof with the employees and equipment 23029
of any division of the department of natural resources, or the 23030
chief may carry out the plan or any part thereof by contracting 23031
therefor. 23032

The chief, with the approval of the director and written 23033
consent of the owner, may enter into a contract with an operator 23034
mining adjacent land under a current, valid permit to carry out 23035
the plan of reclamation on the unreclaimed land or any part of the 23036
plan without advertising for bids. Contracts entered into with 23037
operators mining adjacent land are not subject to division (B) of 23038
section 127.16 of the Revised Code. 23039

The chief shall require every operator mining adjacent land 23040
who performs reclamation work pursuant to this section to pay 23041
workers at the greater of their regular rate of pay, as 23042
established by contract, agreement, or prior custom or practice, 23043
or the average wage rate paid in this state for the same or 23044
similar work performed in the same or similar locality by private 23045
companies doing their own reclamation work. Each contract awarded 23046
by the chief to other than an operator mining adjacent land shall 23047
be awarded to the lowest responsible bidder after sealed bids are 23048
received, opened, and published at the time and place fixed by the 23049

chief. The chief shall publish notice of the time and place at 23050
which bids will be received, opened, and published, at least once 23051
at least ten days before the date of the opening of the bids, in a 23052
newspaper of general circulation in the county in which the area 23053
of land to be reclaimed under the contract is located. If, after 23054
so advertising for bids, no bids are received by the chief at the 23055
time and place fixed for receiving them, the chief may advertise 23056
again for bids, or, if the chief considers the public interest 23057
will be best served, the chief may enter into a contract for the 23058
reclamation of the area of land without further advertisement for 23059
bids. The chief may reject all bids received and again publish 23060
notice of the time and place at which bids for contracts will be 23061
received, opened, and published. The chief, with the approval of 23062
the director and written consent of the owner, may enter into a 23063
contract with a licensed mine operator mining adjacent land under 23064
a valid permit to carry out the plan of reclamation on the 23065
unreclaimed land or any part of the plan without advertising for 23066
bids. 23067

Sec. 1513.28. The chief of the division of mineral resources 23068
management, with the approval of the director of natural 23069
resources, may make grants of ~~moneys~~ money from the ~~unreclaimed~~ 23070
~~lands~~ mining regulation and safety fund created by section 1513.30 23071
of the Revised Code for the payment by the state of up to 23072
seventy-five per cent of the reasonable and necessary reclamation 23073
expenses incurred by the owner of any unreclaimed land affected by 23074
mining before April 10, 1972, or pursuant to a license issued 23075
before April 10, 1972, that causes or may cause pollution of the 23076
waters of the state or damage to adjacent property, is not likely 23077
to be mined in the foreseeable future, and lies within the 23078
boundaries of a project area approved by the chief under section 23079
1513.30 of the Revised Code. 23080

The owner shall submit application for a grant on forms 23081

furnished by the division, together with detailed plans and 23082
topographic maps indicating the reclamation improvements to be 23083
made, an itemized estimate of the project's cost, a description of 23084
the project's benefits, and such other information as the chief 23085
prescribes. The plan of reclamation may be prepared in 23086
consultation with a local soil and water conservation district. 23087

The chief may award the applicant a grant only after finding 23088
that the proposed reclamation work will establish vegetative cover 23089
and substantially reduce or eliminate erosion, sedimentation, 23090
landslides, pollution, accumulation or discharge of acid water, 23091
flooding, and damage to adjacent property. 23092

For the purpose of establishing priorities for awarding 23093
grants under this section and section 1513.31 of the Revised Code, 23094
the chief shall consider each project's feasibility, cost, and 23095
public benefits of reclaiming the particular land, its potential 23096
for being mined, and the availability of federal or other 23097
financial assistance for reclamation. 23098

The chief shall determine the amount of a grant under this 23099
section based upon the chief's determination of what constitutes 23100
reasonable and necessary expenses actually incurred for 23101
establishing vegetative cover, substantially reducing or 23102
eliminating erosion, sedimentation, landslides, pollution, 23103
accumulation or discharge of acid water, flooding, or damage to 23104
adjacent property, and preparing the plan of reclamation. The 23105
owner may elect to have other improvements made concurrently, but 23106
in no event shall any part of the grant be made for such other 23107
improvements, and in no event shall the amount of the grant exceed 23108
seventy-five per cent of the total amount, determined by the 23109
chief, of what constitutes reasonable and necessary expenses 23110
actually incurred for the reclamation measures listed in this 23111
section. 23112

The chief shall enter into a contract for funding with each 23113

applicant awarded a grant to ensure that the ~~moneys~~ money granted 23114
are used for the purposes of this section and that the reclamation 23115
work is properly done. The final payment may not be made until the 23116
chief inspects and approves the completed reclamation work. 23117

Each such contract shall contain provisions for the 23118
reimbursement of a portion of the costs of the reclamation that is 23119
commensurate with the increase in the fair market value of the 23120
property attributable to the reclamation work thereon, as 23121
determined by appraisals made before and after reclamation in the 23122
manner stated in the agreement, unless such determination 23123
discloses an increase in value that is insubstantial in comparison 23124
to the benefits to the public from the abatement of pollution or 23125
prevention of damage to adjacent property, considering the 23126
applicant's share of the reclamation cost. For reimbursement of 23127
such portion, the contract may include provisions for: 23128

(A) Public use for soil, water, forest, or wildlife 23129
conservation or public recreation purposes; 23130

(B) Payment to the state of the share of the income from the 23131
crops or timber produced on the land that is stated in the 23132
agreement; 23133

(C) Imposition of a lien in the amount of the increase in 23134
fair market value payable upon transfer or conveyance of the 23135
property to a new owner; 23136

(D) Payment to the state in cash in the amount of the 23137
increase in fair market value, payable upon completion of the 23138
reclamation. 23139

All such reimbursements and payments shall be credited to the 23140
~~unreclaimed lands~~ mining regulation and safety fund. 23141

Not more than forty per cent of the money credited to the 23142
fund during the preceding calendar year may be expended during a 23143
calendar year for grants under this section. 23144

The chief shall require every landowner performing 23145
reclamation work pursuant to this section to pay workers at the 23146
greater of their regular rate of pay, as established by contract, 23147
agreement, or prior custom or practice, or the average wage rate 23148
in this state for the same or similar work performed in the same 23149
or similar locality by private companies doing their own 23150
reclamation work. 23151

Sec. 1513.30. (A) There is hereby created in the state 23152
treasury the ~~unreclaimed lands~~ mining regulation and safety fund, 23153
to be administered by the chief of the division of mineral 23154
resources management ~~and~~. The fund shall be used for the purpose 23155
of reclaiming following purposes: 23156

(1) Reclaiming land, public or private, affected by mining, 23157
or controlling mine drainage, for which no cash is held in the 23158
reclamation forfeiture fund created in section 1513.18 of the 23159
Revised Code ~~or the surface mining fund created in section;~~ 23160

(2) Specified purposes in sections 1514.06, 1514.11, and 23161
1561.48 of the Revised Code; 23162

(3) Administration and enforcement of Chapter 1513. of the 23163
Revised Code. 23164

All investment earnings of the fund shall be deposited into 23165
the fund. 23166

(B) In order to direct expenditures from the ~~unreclaimed~~ 23167
~~lands~~ mining regulation and safety fund toward reclamation 23168
projects that fulfill priority needs and provide the greatest 23169
public benefits, the chief periodically shall consider projects to 23170
be financed from the ~~unreclaimed lands~~ mining regulation and 23171
safety fund. For the purpose of selecting project areas and 23172
determining the boundaries of project areas, the chief shall 23173
consider the feasibility, cost, and public benefits of reclaiming 23174

the areas, their potential for being mined, the availability of 23175
federal or other financial assistance for reclamation, and the 23176
geographic distribution of project areas to ensure fair 23177
distribution among affected areas. 23178

(C) The chief shall give priority to areas where there is 23179
little or no likelihood of mining within the foreseeable future, 23180
reclamation is feasible at reasonable cost with available funds, 23181
and either of the following applies: 23182

~~(A)(1)~~ The pollution of the waters of the state and damage to 23183
adjacent property are most severe and widespread. 23184

~~(B)(2)~~ Reclamation will make possible public uses for soil, 23185
water, forest, or wildlife conservation or public recreation 23186
purposes, will facilitate orderly commercial or industrial site 23187
development, or will facilitate the use or improve the enjoyment 23188
of nearby public conservation or recreation lands. 23189

(D) Expenditures from the ~~unreclaimed lands~~ mining regulation 23190
and safety fund for reclamation projects may be made only for 23191
projects that are within the boundaries of project areas approved 23192
by the chief. Expenditures from the ~~unreclaimed lands~~ mining 23193
regulation and safety fund shall be made by the chief, with the 23194
approval of the director of natural resources. 23195

~~The chief may expend an amount not to exceed twenty per cent 23196
of the moneys credited annually by the treasurer of state to the 23197
unreclaimed lands fund for the purpose of administering the fund. 23198~~

(E) The chief may engage in cooperative projects under this 23199
section with any agency of the United States, appropriate state 23200
agencies, or state universities or colleges as defined in section 23201
3345.27 of the Revised Code and may transfer money from the fund 23202
to other appropriate state agencies or to state universities or 23203
colleges in order to carry out the reclamation activities 23204
authorized by this section. 23205

~~If the director of natural resources determines it to be necessary, the director may request the controlling board to transfer an amount of money from the fund to the coal mining administration and reclamation reserve fund created in section 1513.181 of the Revised Code.~~

(F) Notwithstanding any other provisions of law to the contrary, money credited to the mining regulation and safety fund that is derived from taxes levied in division (A)(3) or (4) of section 5749.02 of the Revised Code shall not be used for any purposes authorized under this chapter.

Sec. 1513.31. For the purpose of promoting local or regional economic or community development, the chief of the division of mineral resources management, with the approval of the director of natural resources, may make grants of money from the ~~unreclaimed lands~~ mining regulation and safety fund created by section 1513.30 of the Revised Code for the payment by the state of up to seventy-five per cent of the reasonable and necessary expenses incurred by a political subdivision, community improvement corporation incorporated under Chapter 1724. of the Revised Code, or other nonprofit corporation incorporated under Chapter 1702. of the Revised Code for the reclamation of any unreclaimed land affected by mining before April 10, 1972, or pursuant to a license issued before April 10, 1972, that is owned by the political subdivision or corporation, is to be reclaimed for the purpose of commercial or industrial site development by the political subdivision or corporation or the development of recreational facilities by the political subdivision, and lies within the boundaries of a project area approved by the chief.

The owner shall submit an application for a grant on forms furnished by the division of mineral resources management together with detailed plans and topographic maps indicating the

reclamation improvements to be made, an itemized estimate of the 23237
project's cost, a description of the project's benefits, and such 23238
other information as the chief prescribes. The chief may award the 23239
applicant a grant only after finding that the proposed reclamation 23240
work will render the unreclaimed land suitable for commercial, 23241
industrial, or, if the land is owned by a political subdivision, 23242
recreational site development and will substantially reduce or 23243
eliminate the damage, if any, to adjacent property that is or may 23244
be caused by the condition of the unreclaimed land. 23245

The chief shall determine the amount of the grant based upon 23246
the chief's determination of what constitutes reasonable and 23247
necessary expenses actually incurred for preparing the plan of 23248
reclamation; preparing the unreclaimed land for commercial, 23249
industrial, or, in the case of land owned by a political 23250
subdivision, recreational site development, including backfilling, 23251
grading, resoiling, planting, or other work to restore the land to 23252
a condition suitable for such development; and, if the condition 23253
of the unreclaimed land so requires, establishing vegetative cover 23254
or substantially reducing or eliminating erosion, sedimentation, 23255
landslides, pollution, accumulation or discharge of acid water, 23256
flooding, or damage to adjacent property. The owner may have other 23257
improvements made concurrently with the reclamation work, but 23258
shall not spend any part of the grant for such other improvements. 23259
No grant shall exceed seventy-five per cent of the total amount, 23260
as determined by the chief, of what constitutes reasonable and 23261
necessary expenses actually incurred for the reclamation measures 23262
listed in this section. 23263

The chief shall enter into a contract for funding with each 23264
applicant awarded a grant in order to ensure that the ~~moneys~~ money 23265
granted are used for the purposes of this section and that the 23266
reclamation work is properly done. The final payment under a grant 23267
may not be made until the chief inspects and approves the 23268

completed reclamation work. 23269

Sec. 1513.32. For the purpose of promoting local or regional 23270
economic or community development, the chief of the division of 23271
mineral resources management, with the approval of the director of 23272
natural resources, may enter into a written agreement, which may 23273
be in the form of a contract, with a political subdivision, 23274
community improvement corporation incorporated under Chapter 1724. 23275
of the Revised Code, or other nonprofit corporation incorporated 23276
under Chapter 1702. of the Revised Code that owns any unreclaimed 23277
land affected by mining before April 10, 1972, or pursuant to a 23278
license issued before April 10, 1972, under which the state or its 23279
agents may enter upon the land to reclaim it at state expense with 23280
~~moneys~~ money from the ~~unreclaimed lands~~ mining regulation and 23281
safety fund created by section 1513.30 of the Revised Code for the 23282
purpose of commercial or industrial site development if the land 23283
is owned by a political subdivision or corporation or the 23284
development of recreational facilities if the land is owned by a 23285
political subdivision. The agreement may include provisions 23286
pertaining to liability for damages and any other provisions 23287
necessary or desirable to achieve the purposes of this section. 23288

For the purpose of selecting lands to be reclaimed for 23289
commercial, industrial, or, if the lands are owned by a political 23290
subdivision, recreational site development, the chief shall 23291
consult with the owners of unreclaimed lands and with local 23292
officials, civic and professional organizations, and interested 23293
individuals and shall consider the feasibility, cost, and public 23294
benefits of reclaiming particular lands and the availability of 23295
federal or other assistance for the reclamation. The chief shall 23296
select for reclamation under this section only lands that lie 23297
within the boundaries of a project area approved by the chief. 23298

Before entering into the agreement, the chief shall prepare 23299

or approve a detailed plan with topographic maps indicating the 23300
reclamation improvements to be made, an itemized estimate of the 23301
project's cost, a description of the project's benefits, and such 23302
other information as the chief considers appropriate. The plan 23303
shall include only reclamation work that is necessary to render 23304
the unreclaimed land suitable for commercial, industrial, or, if 23305
the land is owned by a political subdivision, recreational site 23306
development and will substantially reduce or eliminate the damage, 23307
if any, to adjacent property that is or may be caused by the 23308
condition of the unreclaimed land. The plan may include 23309
improvements recommended by the owner, but may not include any 23310
improvements that the chief finds are not necessary to prepare the 23311
unreclaimed land for commercial, industrial, or, if the land is 23312
owned by a political subdivision, recreational site development, 23313
or if the condition of the unreclaimed land so requires, are not 23314
necessary to establish vegetative cover or substantially reduce or 23315
eliminate erosion, sedimentation, landslides, pollution, 23316
accumulation or discharge of acid water, flooding, or damage to 23317
adjacent property. 23318

With the approval of the director and upon entering into an 23319
agreement with the owner, the chief may carry out the plan of 23320
reclamation or any part thereof with the employees or equipment of 23321
the department, or the chief may carry out the plan or any part 23322
thereof by contracting therefor in accordance with the procedures 23323
prescribed in section 1513.27 of the Revised Code. The chief shall 23324
keep an itemized record of the state's expense in carrying out the 23325
plan. 23326

Expenditure of not more than twenty per cent of the ~~moneys~~ 23327
money credited to the ~~unreclaimed lands~~ mining regulation and 23328
safety fund during the preceding fiscal year may be approved by 23329
the chief during a fiscal year for conducting reclamation projects 23330
under this section and for making grants under section 1513.31 of 23331

the Revised Code, provided that such expenditures are primarily 23332
for the pollution abatement purposes of section 1513.30 of the 23333
Revised Code. 23334

Sec. 1513.33. The amount of any grant to a community 23335
improvement corporation or nonprofit corporation made under 23336
section 1513.31 of the Revised Code or the state's expenses 23337
incurred in reclaiming unreclaimed land owned by a community 23338
improvement corporation or nonprofit corporation under section 23339
1513.32 of the Revised Code shall constitute a loan by the state 23340
to the corporation. Entry into a grant contract under section 23341
1513.31 of the Revised Code or into a reclamation agreement under 23342
section 1513.32 of the Revised Code by the chief of the division 23343
of mineral resources management constitutes the designation of the 23344
community improvement corporation or nonprofit corporation as the 23345
state's agent for the commercial or industrial development of the 23346
land named in the contract or agreement. 23347

Each grant contract under section 1513.31 of the Revised Code 23348
or reclamation agreement under section 1513.32 of the Revised Code 23349
shall include terms for repayment of the grant or reimbursement of 23350
the state for its reclamation expenses, which shall require 23351
repayment of the loan in full upon the first sale, lease, or 23352
rental of the land reclaimed under the contract or agreement if 23353
the entire parcel of reclaimed land is sold, leased, or rented. If 23354
the corporation establishes a business enterprise on the entire 23355
parcel of reclaimed land, the contract shall require repayment of 23356
the loan in full upon the commencement of operation of the 23357
business enterprise. If the reclaimed land is sold, leased, or 23358
rented in portions or the corporation establishes a business 23359
enterprise on any portion of the reclaimed land, the contract or 23360
agreement shall require repayment of that portion of the loan that 23361
corresponds to the portion of the reclaimed land sold, leased, or 23362
rented upon the first sale, lease, or rental of that portion, or 23363

upon commencement of operation of the business enterprise on that 23364
portion, by the corporation in the proportion that the acreage of 23365
the reclaimed land sold, leased, rented, or used in business by 23366
the corporation bears to the total acreage of land reclaimed under 23367
the contract or agreement. 23368

To secure repayment of the ~~moneys~~ money granted under section 23369
1513.31 of the Revised Code or of the state's reclamation expenses 23370
under section 1513.32 of the Revised Code to or on behalf of a 23371
community improvement corporation or nonprofit corporation, the 23372
state shall have a lien on the land owned by the corporation that 23373
is land reclaimed under section 1513.31 or 1513.32 of the Revised 23374
Code equal to the amount of the grant made under section 1513.31 23375
of the Revised Code or to the state's expenses incurred in 23376
reclaiming the land under section 1513.32 of the Revised Code. 23377
Within thirty days after the final grant payment is made under 23378
section 1513.31 of the Revised Code or after the completion of the 23379
reclamation work under section 1513.32 of the Revised Code, the 23380
chief shall cause to be recorded in the office of the county 23381
recorder of the county in which the reclaimed land is located a 23382
statement that shall contain an itemized accounting of the grant 23383
paid under section 1513.31 of the Revised Code or an itemized 23384
record of the state's expenses incurred in reclaiming the land 23385
under section 1513.32 of the Revised Code. The statement shall 23386
constitute a notice of lien and operate as of the date of delivery 23387
as a lien on the land reclaimed in the amount of the grant ~~moneys~~ 23388
money paid out or the reclamation expenses incurred by the state 23389
and shall have priority as a lien second only to the lien of real 23390
property taxes imposed upon the land. The notice of lien and the 23391
lien shall not be valid as against any mortgagee, pledgee, 23392
purchaser, or judgment creditor whose rights have attached prior 23393
to the date of filing of the statement by the chief or to any 23394
prior or subsequent lien for real property taxes imposed pursuant 23395
to section 5719.04 of the Revised Code. 23396

The county recorder shall record and index the chief's 23397
statement, under the name of the state and the corporation, in the 23398
official records maintained by the county recorder's office. The 23399
county recorder shall impose no charge for the recording or 23400
indexing of the statement. If the land is registered, the county 23401
recorder shall make a notation and enter a memorial of the lien 23402
upon the page of the register in which the last certificate of 23403
title to the land is registered, stating the name of the claimant, 23404
amount claimed, volume and page of the record where recorded, and 23405
exact time the memorial was entered. 23406

The lien shall continue in force so long as any portion of 23407
the amount granted under section 1513.31 of the Revised Code or 23408
the state's reclamation expenses incurred under section 1513.32 of 23409
the Revised Code remains unpaid. Upon repayment in full of those 23410
~~moneys~~ money or expenses, the chief promptly shall issue a 23411
certificate of release of the lien. Upon presentation of the 23412
certificate of release, the county recorder of the county where 23413
the lien is recorded shall record the lien as having been 23414
discharged. 23415

A lien imposed under this section shall be foreclosed upon 23416
the substantial failure of a corporation to repay any portion of 23417
the amount granted under section 1513.31 of the Revised Code or 23418
the state's reclamation expenses incurred under section 1513.32 of 23419
the Revised Code in accordance with the terms of the grant 23420
contract or reclamation agreement. Before foreclosing any lien 23421
under this section, the chief shall make a written demand upon the 23422
corporation to comply with the repayment terms of the contract or 23423
agreement. If the corporation does not pay the amount due within 23424
sixty days, the chief shall refer the matter to the attorney 23425
general, who shall institute a civil action to foreclose the lien 23426
of the state. 23427

All ~~moneys~~ money collected from loan repayments and lien 23428

foreclosures under this section shall be credited to the 23429
~~unreclaimed lands~~ mining regulation and safety fund created by 23430
section 1513.30 of the Revised Code. 23431

Sec. 1513.37. (A) There is hereby created in the state 23432
treasury the abandoned mine reclamation fund, which shall be 23433
administered by the chief of the division of mineral resources 23434
management. The fund shall consist of grants from the secretary of 23435
the interior from the federal abandoned mine reclamation fund 23436

(C)(1) Lands and water eligible for reclamation or drainage abatement expenditures under this section are those that were mined for coal or were affected by such mining, wastebanks, coal processing, or other coal mining processes and that meet one of	23486 23487 23488 23489

the following criteria: 23490

(a) Are lands that were abandoned or left in an inadequate 23491
reclamation status prior to August 3, 1977, and for which there is 23492
no continuing reclamation responsibility under state or federal 23493
laws; 23494

(b) Are lands for which the chief finds that surface coal 23495
mining operations occurred at any time between August 4, 1977, and 23496
August 16, 1982, and that any ~~moneys~~ money for reclamation or 23497
abatement that are available pursuant to a bond, performance 23498
security, or other form of financial guarantee or from any other 23499
source are not sufficient to provide for adequate reclamation or 23500
abatement at the site; 23501

(c) Are lands for which the chief finds that surface coal 23502
mining operations occurred at any time between August 4, 1977, and 23503
November 5, 1990, that the surety of the mining operator became 23504
insolvent during that time, and that, as of November 5, 1990, any 23505
~~moneys~~ money immediately available from proceedings relating to 23506
that insolvency or from any financial guarantee or other source 23507
are not sufficient to provide for adequate reclamation or 23508
abatement at the site. 23509

(2) In determining which sites to reclaim pursuant to 23510
divisions (C)(1)(b) and (c) of this section, the chief shall 23511
follow the priorities stated in divisions (B)(1) and (2) of this 23512
section and shall ensure that priority is given to those sites 23513
that are in the immediate vicinity of a residential area or that 23514
have an adverse economic impact on a local community. 23515

(3) Surface coal mining operations on lands eligible for 23516
remining shall not affect the eligibility of those lands for 23517
reclamation and restoration under this section after the release 23518
of the bond, performance security, or other form of financial 23519
guarantee for any such operation as provided under division (F) of 23520

section 1513.16 of the Revised Code. If the bond, performance 23521
security, or other form of financial guarantee for a surface coal 23522
mining operation on lands eligible for remining is forfeited, 23523
~~moneys~~ money available under this section may be used if the 23524
amount of the bond, performance security, or other form of 23525
financial guarantee is not sufficient to provide for adequate 23526
reclamation or abatement, except that if conditions warrant, the 23527
chief immediately shall exercise the authority granted under 23528
division (L) of this section. 23529

(D) The chief may submit to the secretary of the interior a 23530
state reclamation plan and annual projects to carry out the 23531
purposes of this section. 23532

(1) The reclamation plan generally shall identify the areas 23533
to be reclaimed, the purposes for which the reclamation is 23534
proposed, the relationship of the lands to be reclaimed and the 23535
proposed reclamation to surrounding areas, the specific criteria 23536
for ranking and identifying projects to be funded, and the legal 23537
authority and programmatic capability to perform the work in 23538
accordance with this section. 23539

(2) On an annual basis, the chief may submit to the secretary 23540
an application for support of the abandoned mine reclamation fund 23541
and implementation of specific reclamation projects. The annual 23542
requests shall include such information as may be requested by the 23543
secretary. 23544

(3) The costs for each proposed project under this section 23545
shall include actual construction costs, actual operation and 23546
maintenance costs of permanent facilities, planning and 23547
engineering costs, construction inspection costs, and other 23548
necessary administrative expenses. 23549

(4) The chief may submit annual and other reports required by 23550
the secretary when funds are provided by the secretary under Title 23551

IV of the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 445, 30 U.S.C.A. 1201, regulations adopted under it, and amendments to the act and regulations.

(E)(1) There is hereby created in the state treasury the acid mine drainage abatement and treatment fund, which shall be administered by the chief. All investment earnings of the fund shall be credited to the fund.

(2) The chief shall make expenditures from the fund, in consultation with the United States department of agriculture, soil conservation service, to implement acid mine drainage abatement and treatment plans approved by the secretary. The plans shall provide for the comprehensive abatement of the causes and treatment of the effects of acid mine drainage within qualified hydrologic units affected by coal mining practices and shall include at least all of the following:

(a) An identification of the qualified hydrologic unit. As used in division (E) of this section, "qualified hydrologic unit" means a hydrologic unit that meets all of the following criteria:

(i) The water quality in the unit has been significantly affected by acid mine drainage from coal mining practices in a manner that has an adverse impact on biological resources.

(ii) The unit contains lands and waters that meet the eligibility requirements established under division (C) of this section and any of the priorities established in divisions (B)(1) to (3) of this section.

(iii) The unit contains lands and waters that are proposed to be the subject of expenditures from the reclamation forfeiture

fund created in section 1513.18 of the Revised Code or the	23583
unreclaimed lands <u>mining regulation and safety</u> fund created in	23584
section 1513.30 of the Revised Code.	23585

water quality and biological resources within the hydrologic unit;	23587
(c) An identification of the sources of acid mine drainage	23588
within the hydrologic unit;	23589
(d) An identification of individual projects and the measures	23590
proposed to be undertaken to abate and treat the causes or effects	23591
of acid mine drainage within the hydrologic unit;	23592
(e) The cost of undertaking the proposed abatement and	23593
treatment measures;	23594
(f) An identification of existing and proposed sources of	23595
funding for those measures;	23596
(g) An analysis of the cost-effectiveness and environmental	23597
benefits of abatement and treatment measures.	23598
(3) The chief may make grants of moneys <u>money</u> from the acid	23599
mine drainage abatement and treatment fund to watershed groups for	23600
conducting projects to accomplish the purposes of this section. A	23601
grant may be made in an amount equal to not more than fifty per	23602
cent of each of the following:	23603
(a) Reasonable and necessary expenses for the collection and	23604
analysis of data sufficient to do either or both of the following:	23605
(i) Identify a watershed as a qualified hydrologic unit;	23606
(ii) Monitor the quality of water in a qualified hydrologic	23607
unit before, during, and at any time after completion of the	23608
project by the watershed group.	23609
(b) Engineering design costs and construction costs involved	23610
in the project, provided that the project is conducted in a	23611
qualified hydrologic unit and the chief considers the project to	23612

be a priority. 23613

A watershed group that wishes to obtain a grant under 23614
division (E)(3) of this section shall submit an application to the 23615
chief on forms provided by the division of mineral resources 23616
management, together with detailed estimates and timetables for 23617
accomplishing the stated goals of the project and any other 23618
information that the chief requires. 23619

For the purposes of establishing priorities for awarding 23620
grants under division (E)(3) of this section, the chief shall 23621
consider each project's feasibility, cost-effectiveness, and 23622
environmental benefit, together with the availability of matching 23623
funding, including in-kind services, for the project. 23624

The chief shall enter into a contract for funding with each 23625
applicant awarded a grant to ensure that the ~~moneys~~ money granted 23626
are used for the purposes of this section and that the work that 23627
the project involves is done properly. The contract is not subject 23628
to division (B) of section 127.16 of the Revised Code. The final 23629
payment of grant ~~moneys~~ money shall not be made until the chief 23630
inspects and approves the completed project. 23631

The chief shall require each applicant awarded a grant under 23632
this section who conducts a project involving construction work to 23633
pay workers at the greater of their regular rate of pay, as 23634
established by contract, agreement, or prior custom or practice, 23635
or the average wage rate paid in this state for the same or 23636
similar work performed in the same or a similar locality by 23637
private companies doing similar work on similar projects. 23638

As used in division (E)(3) of this section, "watershed group" 23639
means a charitable organization as defined in section 1716.01 of 23640
the Revised Code that has been established for the purpose of 23641
conducting reclamation of land and waters adversely affected by 23642
coal mining practices and specifically for conducting acid mine 23643

drainage abatement. 23644

(F)(1) If the chief makes a finding of fact that land or 23645
water resources have been adversely affected by past coal mining 23646
practices; the adverse effects are at a stage where, in the public 23647
interest, action to restore, reclaim, abate, control, or prevent 23648
the adverse effects should be taken; the owners of the land or 23649
water resources where entry must be made to restore, reclaim, 23650
abate, control, or prevent the adverse effects of past coal mining 23651
practices are not known or are not readily available; or the 23652
owners will not give permission for the state, political 23653
subdivisions, or their agents, employees, or contractors to enter 23654
upon the property to restore, reclaim, abate, control, or prevent 23655
the adverse effects of past coal mining practices; then, upon 23656
giving notice by mail to the owners, if known, or, if not known, 23657
by posting notice upon the premises and advertising once in a 23658
newspaper of general circulation in the municipal corporation or 23659
county in which the land lies, the chief or the chief's agents, 23660
employees, or contractors may enter upon the property adversely 23661
affected by past coal mining practices and any other property to 23662
have access to the property to do all things necessary or 23663
expedient to restore, reclaim, abate, control, or prevent the 23664
adverse effects. The entry shall be construed as an exercise of 23665
the police power for the protection of the public health, safety, 23666
and general welfare and shall not be construed as an act of 23667
condemnation of property nor of trespass on it. The ~~moneys~~ money 23668
expended for the work and the benefits accruing to any such 23669
premises so entered upon shall be chargeable against the land and 23670
shall mitigate or offset any claim in or any action brought by any 23671
owner of any interest in the premises for any alleged damages by 23672
virtue of the entry, but this provision is not intended to create 23673
new rights of action or eliminate existing immunities. 23674

(2) The chief or the chief's authorized representatives may 23675

enter upon any property for the purpose of conducting studies or 23676
exploratory work to determine the existence of adverse effects of 23677
past coal mining practices and to determine the feasibility of 23678
restoration, reclamation, abatement, control, or prevention of 23679
such adverse effects. The entry shall be construed as an exercise 23680
of the police power for the protection of the public health, 23681
safety, and general welfare and shall not be construed as an act 23682
of condemnation of property nor trespass on it. 23683

(3) The chief may acquire any land by purchase, donation, or 23684
condemnation that is adversely affected by past coal mining 23685
practices if the chief determines that acquisition of the land is 23686
necessary to successful reclamation and that all of the following 23687
apply: 23688

(a) The acquired land, after restoration, reclamation, 23689
abatement, control, or prevention of the adverse effects of past 23690
coal mining practices, will serve recreation and historic 23691
purposes, serve conservation and reclamation purposes, or provide 23692
open space benefits. 23693

(b) Permanent facilities such as a treatment plant or a 23694
relocated stream channel will be constructed on the land for the 23695
restoration, reclamation, abatement, control, or prevention of the 23696
adverse effects of past coal mining practices. 23697

(c) Acquisition of coal refuse disposal sites and all coal 23698
refuse thereon will serve the purposes of this section or public 23699
ownership is desirable to meet emergency situations and prevent 23700
recurrences of the adverse effects of past coal mining practices. 23701

(4)(a) Title to all lands acquired pursuant to this section 23702
shall be in the name of the state. The price paid for land 23703
acquired under this section shall reflect the market value of the 23704
land as adversely affected by past coal mining practices. 23705

(b) The chief may receive grants on a matching basis from the 23706

secretary of the interior for the purpose of carrying out this 23707
section. 23708

(5)(a) Where land acquired pursuant to this section is 23709
considered to be suitable for industrial, commercial, residential, 23710
or recreational development, the chief may sell the land by public 23711
sale under a system of competitive bidding at not less than fair 23712
market value and under other requirements imposed by rule to 23713
ensure that the lands are put to proper use consistent with local 23714
and state land use plans, if any, as determined by the chief. 23715

(b) The chief, when requested, and after appropriate public 23716
notice, shall hold a public meeting in the county, counties, or 23717
other appropriate political subdivisions of the state in which 23718
lands acquired pursuant to this section are located. The meetings 23719
shall be held at a time that shall afford local citizens and 23720
governments the maximum opportunity to participate in the decision 23721
concerning the use or disposition of the lands after restoration, 23722
reclamation, abatement, control, or prevention of the adverse 23723
effects of past coal mining practices. 23724

(6) In addition to the authority to acquire land under 23725
division (F)(3) of this section, the chief may use money in the 23726
fund to acquire land by purchase, donation, or condemnation, and 23727
to reclaim and transfer acquired land to a political subdivision, 23728
or to any person, if the chief determines that it is an integral 23729
and necessary element of an economically feasible plan for the 23730
construction or rehabilitation of housing for persons disabled as 23731
the result of employment in the mines or work incidental to that 23732
employment, persons displaced by acquisition of land pursuant to 23733
this section, persons dislocated as the result of adverse effects 23734
of coal mining practices that constitute an emergency as provided 23735
in the "Surface Mining Control and Reclamation Act of 1977," 91 23736
Stat. 466, 30 U.S.C.A. 1240, or amendments to it, or persons 23737
dislocated as the result of natural disasters or catastrophic 23738

failures from any cause. Such activities shall be accomplished 23739
under such terms and conditions as the chief requires, which may 23740
include transfers of land with or without monetary consideration, 23741
except that to the extent that the consideration is below the fair 23742
market value of the land transferred, no portion of the difference 23743
between the fair market value and the consideration shall accrue 23744
as a profit to those persons. No part of the funds provided under 23745
this section may be used to pay the actual construction costs of 23746
housing. The chief may carry out the purposes of division (F)(6) 23747
of this section directly or by making grants and commitments for 23748
grants and may advance money under such terms and conditions as 23749
the chief may require to any agency or instrumentality of the 23750
state or any public body or nonprofit organization designated by 23751
the chief. 23752

(G)(1) Within six months after the completion of projects to 23753
restore, reclaim, abate, control, or prevent adverse effects of 23754
past coal mining practices on privately owned land, the chief 23755
shall itemize the ~~moneys~~ money so expended and may file a 23756
statement of the expenditures in the office of the county recorder 23757
of the county in which the land lies, together with a notarized 23758
appraisal by an independent appraiser of the value of the land 23759
before the restoration, reclamation, abatement, control, or 23760
prevention of adverse effects of past coal mining practices if the 23761
~~moneys~~ money so expended result in a significant increase in 23762
property value. The statement shall constitute a lien upon the 23763
land as of the date of the expenditures of the ~~moneys~~ money and 23764
shall have priority as a lien second only to the lien of real 23765
property taxes imposed upon the land. The lien shall not exceed 23766
the amount determined by the appraisal to be the increase in the 23767
fair market value of the land as a result of the restoration, 23768
reclamation, abatement, control, or prevention of the adverse 23769
effects of past coal mining practices. No lien shall be filed 23770
under division (G) of this section against the property of any 23771

person who owned the surface prior to May 2, 1977, and did not 23772
consent to, participate in, or exercise control over the mining 23773
operation that necessitated the reclamation performed. 23774

(2) The landowner may petition, within sixty days after the 23775
filing of the lien, to determine the increase in the fair market 23776
value of the land as a result of the restoration, reclamation, 23777
abatement, control, or prevention of the adverse effects of past 23778
coal mining practices. The amount reported to be the increase in 23779
value of the premises shall constitute the amount of the lien and 23780
shall be recorded with the statement provided in this section. Any 23781
party aggrieved by the decision may appeal as provided by state 23782
law. 23783

(3) The lien provided in division (G) of this section shall 23784
be recorded and indexed, under the name of the state and the 23785
landowner, in the official records in the office of the county 23786
recorder of the county in which the land lies. The county recorder 23787
shall impose no charge for the recording or indexing of the lien. 23788
If the land is registered, the county recorder shall make a 23789
notation and enter a memorial of the lien upon the page of the 23790
register in which the last certificate of title to the land is 23791
registered, stating the name of the claimant, amount claimed, 23792
volume and page of the record where recorded, and exact time the 23793
memorial was entered. 23794

(4) The lien shall continue in force so long as any portion 23795
of the amount of the lien remains unpaid. If the lien remains 23796
unpaid at the time of conveyance of the land on which the lien was 23797
placed, the conveyance may be set aside. Upon repayment in full of 23798
the ~~moneys~~ money expended under this section, the chief promptly 23799
shall issue a certificate of release of the lien. Upon 23800
presentation of the certificate of release, the county recorder of 23801
the county in which the lien is recorded shall record the lien as 23802
having been discharged. 23803

(5) A lien imposed under this section shall be foreclosed 23804
upon the substantial failure of a landowner to pay any portion of 23805
the amount of the lien. Before foreclosing any lien under this 23806
section, the chief shall make a written demand upon the landowner 23807
for payment. If the landowner does not pay the amount due within 23808
sixty days, the chief shall refer the matter to the attorney 23809
general, who shall institute a civil action to foreclose the lien. 23810

(H)(1) The chief may fill voids, seal abandoned tunnels, 23811
shafts, and entryways, and reclaim surface impacts of underground 23812
or strip mines that the chief determines could endanger life and 23813
property, constitute a hazard to the public health and safety, or 23814
degrade the environment. 23815

(2) In those instances where mine waste piles are being 23816
reworked for conservation purposes, the incremental costs of 23817
disposing of the wastes from those operations by filling voids and 23818
sealing tunnels may be eligible for funding, provided that the 23819
disposal of these wastes meets the purposes of this section. 23820

(3) The chief may acquire by purchase, donation, easement, or 23821
otherwise such interest in land as the chief determines necessary 23822
to carry out division (H) of this section. 23823

(I) The chief shall report annually to the secretary of the 23824
interior on operations under the fund and include recommendations 23825
as to its future uses. 23826

(J)(1) The chief may engage in any work and do all things 23827
necessary or expedient, including the adoption of rules, to 23828
implement and administer this section. 23829

(2) The chief may engage in cooperative projects under this 23830
section with any agency of the United States, any other state, or 23831
their governmental agencies or with any state university or 23832
college as defined in section 3345.27 of the Revised Code. The 23833
cooperative projects are not subject to division (B) of section 23834

127.16 of the Revised Code. 23835

(3) The chief may request the attorney general to initiate in 23836
any court of competent jurisdiction an action in equity for an 23837
injunction to restrain any interference with the exercise of the 23838
right to enter or to conduct any work provided in this section, 23839
which remedy is in addition to any other remedy available under 23840
this section. 23841

(4) The chief may construct or operate a plant or plants for 23842
the control and treatment of water pollution resulting from mine 23843
drainage. The extent of this control and treatment may be 23844
dependent upon the ultimate use of the water. Division (J)(4) of 23845
this section does not repeal or supersede any portion of the 23846
"Federal Water Pollution Control Act," 70 Stat. 498 (1965), 33 23847
U.S.C.A. 1151, as amended, and no control or treatment under 23848
division (J)(4) of this section, in any way, shall be less than 23849
that required by that act. The construction of a plant or plants 23850
may include major interceptors and other facilities appurtenant to 23851
the plant. 23852

(5) The chief may transfer money from the abandoned mine 23853
reclamation fund and the acid mine drainage abatement and 23854
treatment fund to other appropriate state agencies or to state 23855
universities or colleges in order to carry out the reclamation 23856
activities authorized by this section. 23857

(K) The chief may contract for any part of work to be 23858
performed under this section, with or without advertising for 23859
bids, if the chief determines that a condition exists that could 23860
reasonably be expected to cause substantial physical harm to 23861
persons, property, or the environment and to which persons or 23862
improvements on real property are currently exposed. 23863

The chief shall require every contractor performing 23864
reclamation work under this section to pay its workers at the 23865

greater of their regular rate of pay, as established by contract, 23866
agreement, or prior custom or practice, or the average wage rate 23867
paid in this state for the same or similar work as determined by 23868
the chief under section 1513.02 of the Revised Code. 23869

(L)(1) The chief may contract for the emergency restoration, 23870
reclamation, abatement, control, or prevention of adverse effects 23871
of mining practices on eligible lands if the chief determines that 23872
an emergency exists constituting a danger to the public health, 23873
safety, or welfare and that no other person or agency will act 23874
expeditiously to restore, reclaim, abate, control, or prevent 23875
those adverse effects. The chief may enter into a contract for 23876
emergency work under division (L) of this section without 23877
advertising for bids. Any such contract or any purchase of 23878
materials for emergency work under division (L) of this section is 23879
not subject to division (B) of section 127.16 of the Revised Code. 23880

(2) The chief or the chief's agents, employees, or 23881
contractors may enter on any land where such an emergency exists, 23882
and on other land in order to have access to that land, in order 23883
to restore, reclaim, abate, control, or prevent the adverse 23884
effects of mining practices and to do all things necessary or 23885
expedient to protect the public health, safety, or welfare. Such 23886
an entry shall be construed as an exercise of the police power and 23887
shall not be construed as an act of condemnation of property or of 23888
trespass. The ~~moneys~~ money expended for the work and the benefits 23889
accruing to any premises so entered upon shall be chargeable 23890
against the land and shall mitigate or offset any claim in or any 23891
action brought by any owner of any interest in the premises for 23892
any alleged damages by virtue of the entry. This provision is not 23893
intended to create new rights of action or eliminate existing 23894
immunities. 23895

Sec. 1514.03. Within thirty days after each anniversary date 23896

of issuance of a surface or in-stream mining permit, the operator 23897
shall file with the chief of the division of mineral resources 23898
management an annual report, on a form prescribed and furnished by 23899
the chief, that, for the period covered by the report, shall state 23900
the amount of and identify the types of minerals and coal, if any 23901
coal, produced and shall state the number of acres affected and 23902
the number of acres estimated to be affected during the next year 23903
of operation. An annual report is not required to be filed if a 23904
final report is filed in lieu thereof. 23905

Each annual report for a surface mining operation shall 23906
include a progress map indicating the location of areas of land 23907
affected during the period of the report and the location of the 23908
area of land estimated to be affected during the next year. The 23909
map shall be prepared in accordance with division (A)(11) or (12) 23910
of section 1514.02 of the Revised Code, as appropriate, except 23911
that a map prepared in accordance with division (A)(12) of that 23912
section may be certified by the operator or authorized agent of 23913
the operator in lieu of certification by a professional engineer 23914
or surveyor registered under Chapter 4733. of the Revised Code. 23915
However, the chief may require that an annual progress map or a 23916
final map be prepared by a registered professional engineer or 23917
registered surveyor if the chief has reason to believe that the 23918
operator exceeded the boundaries of the permit area or, if the 23919
operator filed the map required under division (A)(11) of section 23920
1514.02 of the Revised Code, that the operator extracted ten 23921
thousand tons or more of minerals during the period covered by the 23922
report. 23923

Each annual report for an in-stream mining operation shall 23924
include a statement of the total tonnage removed by in-stream 23925
mining for each month and of the surface acreage and depth of 23926
material removed by in-stream mining and shall include a map that 23927
identifies the area affected by the in-stream mining if the 23928

in-stream mining for the year addressed by the report occurred 23929
beyond the area identified in the most recent approved map, 23930
soundings that depict the cross-sectional views of the channel 23931
bottom of the watercourse if the soundings depict a 23932
cross-sectional view of the channel bottom that is different from 23933
the most recent approved map, and water elevations for the 23934
watercourse if water elevations are different from those indicated 23935
on the most recent approved map. 23936

Each annual report shall be accompanied by a filing fee in 23937
the amount of five hundred dollars, except in the case of an 23938
annual report filed by a small operator or an in-stream mining 23939
operator. A small operator, which is a surface mine operator who 23940
intends to extract fewer than ten thousand tons of minerals and no 23941
coal during the next year of operation under the permit, or an 23942
in-stream mining operator shall include a filing fee in the amount 23943
of two hundred fifty dollars with each annual report. The annual 23944
report of any operator also shall be accompanied by an acreage fee 23945
in the amount of seventy-five dollars multiplied by the number of 23946
acres estimated in the report to be affected during the next year 23947
of operation under the permit. The acreage fee shall be adjusted 23948
by subtracting a credit of seventy-five dollars per excess acre 23949
paid for the preceding year if the acreage paid for the preceding 23950
year exceeds the acreage actually affected or by adding an 23951
additional amount of seventy-five dollars per excess acre affected 23952
if the acreage actually affected exceeds the acreage paid for the 23953
preceding year. 23954

With each annual report the operator shall file a performance 23955
bond in the amount, unless otherwise provided by rule, of five 23956
hundred dollars multiplied by the number of acres estimated to be 23957
affected during the next year of operation under the permit for 23958
which no performance bond previously was filed. Unless otherwise 23959
provided by rule, the bond shall be adjusted by subtracting a 23960

credit of five hundred dollars per excess acre for which bond was 23961
filed for the preceding year if the acreage for which the bond was 23962
filed for the preceding year exceeds the acreage actually 23963
affected, or by adding an amount of five hundred dollars per 23964
excess acre affected if the acreage actually affected exceeds the 23965
acreage for which bond was filed for the preceding year. 23966

Within thirty days after the expiration of the surface or 23967
in-stream mining permit, or completion or abandonment of the 23968
operation, whichever occurs earlier, the operator shall submit a 23969
final report containing the same information required in an annual 23970
report, but covering the time from the last annual report to the 23971
expiration of the permit, or completion or abandonment of the 23972
operation, whichever occurs earlier. 23973

Each final report shall include a map indicating the location 23974
of the area of land affected during the period of the report and 23975
the location of the total area of land affected under the permit. 23976
The map shall be prepared in accordance with division (A)(11) or 23977
(12) of section 1514.02 of the Revised Code, as appropriate. 23978

In the case of a final report for an in-stream mining 23979
operation, the map also shall include the information required 23980
under division (A)(18) of section 1514.02 of the Revised Code, as 23981
applicable. 23982

If the final report and certified map, as verified by the 23983
chief, show that the number of acres affected under the permit is 23984
larger than the number of acres for which the operator has paid an 23985
acreage fee or filed a performance bond, upon notification by the 23986
chief, the operator shall pay an additional acreage fee in the 23987
amount of seventy-five dollars multiplied by the difference 23988
between the number of acres affected under the permit and the 23989
number of acres for which the operator has paid an acreage fee and 23990
shall file an additional performance bond in the amount, unless 23991
otherwise provided by rule, of five hundred dollars multiplied by 23992

the difference between the number of acres affected under the 23993
permit and the number of acres for which the operator has filed 23994
bond. 23995

If the final report and certified map, as verified by the 23996
chief, show that the number of acres affected under the permit is 23997
smaller than the number of acres for which the operator has filed 23998
a performance bond, the chief shall order release of the excess 23999
bond. However, the chief shall retain a performance bond in a 24000
minimum amount of ten thousand dollars irrespective of the number 24001
of acres affected under the permit. The release of the excess bond 24002
shall be in an amount, unless otherwise provided by rule, equal to 24003
five hundred dollars multiplied by the difference between the 24004
number of acres affected under the permit and the number of acres 24005
for which the operator has filed bond. 24006

The fees collected pursuant to this section and section 24007
1514.02 of the Revised Code shall be deposited with the treasurer 24008
of state to the credit of the ~~surface~~ mining regulation and safety 24009
fund created under section ~~1514.06~~ 1513.30 of the Revised Code. 24010

If upon inspection the chief finds that any filing fee, 24011
acreage fee, performance bond, or part thereof is not paid when 24012
due or is paid on the basis of false or substantially inaccurate 24013
reports, the chief may request the attorney general to recover the 24014
unpaid amounts that are due the state, and the attorney general 24015
shall commence appropriate legal proceedings to recover the unpaid 24016
amounts. 24017

Sec. 1514.051. (A) If an operator or a partner or officer of 24018
the operator forfeits a performance bond, the division of mineral 24019
resources management shall have a priority lien in front of all 24020
other interested creditors against the assets of that operator for 24021
the amount that is needed to perform any reclamation that is 24022
required as a result of the operator's mining activities. The 24023

chief of the division of mineral resources management shall file a 24024
statement in the office of the county recorder of each county in 24025
which the mined land lies of the estimated costs to reclaim the 24026
land. Estimated costs shall include direct and indirect costs of 24027
the development, design, construction, management, and 24028
administration of the reclamation. The statement shall constitute 24029
a lien on the assets of the operator as of the date of the filing. 24030
The lien shall continue in force so long as any portion of the 24031
lien remains unpaid or until the chief issues a certificate of 24032
release of the lien. If the chief issues a certificate of release 24033
of the lien, the chief shall file a certificate of release in the 24034
office of each applicable county recorder. 24035

(B) The chief promptly shall issue a certificate of release 24036
under any of the following circumstances: 24037

(1) Upon the repayment in full of the money that is necessary 24038
to complete the reclamation; 24039

(2) Upon the transfer of an existing permit that includes the 24040
areas of the surface mine for which reclamation was not completed 24041
from the operator that forfeited the performance bond to a new 24042
operator; 24043

(3) Any other circumstance that the chief determines to be in 24044
the best interests of the state. 24045

(C) The chief may modify the amount of a lien under this 24046
section. If the chief modifies a lien, the chief shall file a 24047
statement in the office of the county recorder of each applicable 24048
county of the new amount of the lien. 24049

(D) The chief may authorize a closing agent to hold a 24050
certificate of release in escrow for a period not to exceed one 24051
hundred eighty days for the purpose of facilitating the transfer 24052
of unreclaimed mine land. 24053

(E) All money from the collection of liens under this section 24054
shall be deposited in the state treasury to the credit of the 24055
~~surface~~ mining regulation and safety fund created in section 24056
~~1514.06~~ 1513.30 of the Revised Code. 24057

Sec. 1514.06. (A) ~~There is hereby created in the state~~ 24058
~~treasury the surface mining fund consisting of all~~ All money that 24059
becomes the property of the state pursuant to sections 1514.05 and 24060
1514.051 of the Revised Code, money ~~credited to the fund~~ collected 24061
under divisions (C)(1) and (2) of section 1514.071, and other 24062
money specified in section 1514.11 of the Revised Code shall be 24063
credited to the mining regulation and safety fund created in 24064
section 1513.30 of the Revised Code. ~~All investment earnings of~~ 24065
~~the fund shall be credited to the fund. Expenditures from the fund~~ 24066
~~shall be made by the~~ The chief of the division of mineral 24067
resources management may expend such money for the purpose of 24068
reclaiming areas of land affected by surface or in-stream mining 24069
under a permit issued under this chapter that the operator has 24070
failed to reclaim. ~~Provided that the chief maintains a balance in~~ 24071
~~the fund that is sufficient to achieve that purpose and, in doing~~ 24072
~~so, considers the timeliness of reclamation activity, the chief~~ 24073
~~may use the fund for other purposes specified in section 1514.11~~ 24074
~~of the Revised Code.~~ 24075

(B) Expenditures of ~~moneys~~ money from the fund for the 24076
purposes specified in division (A) of this section, except as 24077
otherwise provided by this section, shall be made pursuant to 24078
contracts entered into by the chief with persons who agree to 24079
furnish all of the materials, equipment, work, and labor, as 24080
specified and provided in the contracts, for the prices stipulated 24081
therein. With the approval of the director of natural resources, 24082
the chief may reclaim the land in the same manner as the chief 24083
required of the operator who failed to reclaim the land. Each 24084
contract awarded by the chief shall be awarded to the lowest 24085

responsive and responsible bidder, in accordance with section 24086
9.312 of the Revised Code, after sealed bids are received, opened, 24087
and published at the time and place fixed by the chief. The chief 24088
shall publish notice of the time and place at which bids will be 24089
received, opened, and published, at least once at least ten days 24090
before the date of the opening of the bids, in a newspaper of 24091
general circulation in the county in which the area of land to be 24092
reclaimed under the contract is located. If, after so advertising 24093
for bids, no bids are received by the chief at the time and place 24094
fixed for receiving them, the chief may advertise again for bids, 24095
or, if the chief considers the public interest will be best 24096
served, the chief may enter into a contract for the reclamation of 24097
the area of land without further advertisement for bids. The chief 24098
may reject any or all bids received and again publish notice of 24099
the time and place at which bids for contracts will be received, 24100
opened, and published. 24101

(C) With the approval of the director, the chief, without 24102
advertising for bids, may enter into a contract with the 24103
landowner, a surface or in-stream mine operator or coal mine 24104
operator mining under a current, valid permit issued under this 24105
chapter or Chapter 1513. of the Revised Code, or a contractor 24106
hired by a surety to complete reclamation, to carry out 24107
reclamation on land affected by surface or in-stream mining 24108
operations that an operator has failed to reclaim. 24109

(D) With the approval of the director, the chief may carry 24110
out all or part of the reclamation work on land affected by 24111
surface or in-stream mining operations that the operator has 24112
failed to reclaim using the employees and equipment of any 24113
division of the department of natural resources. 24114

(E) The chief shall require every contractor performing 24115
reclamation work under this section to pay workers at the greater 24116
of their regular rate of pay, as established by contract, 24117

agreement, or prior custom or practice, or the average wage rate 24118
paid in this state for the same or similar work, as determined by 24119
the chief under section 1513.02 of the Revised Code. 24120

(F) Each contract entered into by the chief under this 24121
section shall provide only for the reclamation of land affected by 24122
the surface or in-stream mining operation or operations of one 24123
operator and not reclaimed by the operator as required by this 24124
chapter. If there is money in the fund derived from the 24125
performance bond deposited with the chief by one operator to 24126
ensure the reclamation of two or more areas of land affected by 24127
the surface or in-stream mining operation or operations of one 24128
operator and not reclaimed by the operator as required by this 24129
chapter, the chief may award a single contract for the reclamation 24130
of all such areas of land. 24131

(G) The cost of the reclamation work done under this section 24132
on each area of land affected by surface or in-stream mining 24133
operations that an operator has failed to reclaim shall be paid 24134
out of the money in the fund derived from the performance bond 24135
that was deposited with the chief to ensure the reclamation of 24136
that area of land. ~~If the amount of money is not sufficient to pay~~ 24137
~~the cost of doing all of the reclamation work on the area of land~~ 24138
~~that the operator should have done, but failed to do, the chief~~ 24139
~~may expend from the reclamation forfeiture fund created in section~~ 24140
~~1513.18 of the Revised Code or the surface mining fund created in~~ 24141
~~this section the amount of money needed to complete reclamation to~~ 24142
~~the standards required by this chapter.~~ The operator is liable for 24143
that expense in addition to any other liabilities imposed by law. 24144
At the request of the chief, the attorney general shall bring an 24145
action against the operator for the amount of the expenditures 24146
from ~~either~~ the mining regulation and safety fund. ~~Moneys~~ Money so 24147
recovered shall be deposited in the state treasury to the credit 24148
of ~~the~~ that fund ~~from which the expenditures were made.~~ 24149

~~(H) If any part of the money in the surface mining fund 24150
remains in the fund after the chief has caused the area of land to 24151
be reclaimed and has paid all the reclamation costs and expenses, 24152
or if any money remains because the area of land has been 24153
repermitted under this chapter or reclaimed by a person other than 24154
the chief, the chief may expend the remaining money to complete 24155
other reclamation work performed under this section. The chief 24156
shall prepare an annual report that summarizes the money credited 24157
to the fund and expenditures made from the fund and post the 24158
report on the division of mineral resources management's web site. 24159~~

Sec. 1514.071. (A) In addition to any other penalties 24160
established under this chapter, the chief of the division of 24161
mineral resources management may assess a civil penalty against 24162
any person who fails to comply with an order issued by the chief 24163
under section 1514.07 of the Revised Code by the date specified in 24164
the order or as subsequently extended by the chief. 24165

(B) Civil penalties assessed under this section shall not 24166
exceed one thousand dollars for each occurrence of noncompliance 24167
with an order. Each day of continuing noncompliance, up to a 24168
maximum of thirty days, may be deemed a separate occurrence for 24169
purposes of penalty assessments. In determining the amount of the 24170
assessment, the chief shall consider the seriousness of the 24171
noncompliance, the effect of the noncompliance, and the operator's 24172
history of noncompliance. 24173

(C) Upon issuance of a notice of noncompliance with an order, 24174
the chief shall inform the person to whom the notice of 24175
noncompliance is issued of the amount of any civil penalty to be 24176
assessed and provide an opportunity for an adjudicatory hearing 24177
with the reclamation commission pursuant to section 1514.09 of the 24178
Revised Code. The person charged with the penalty shall have 24179
thirty days from receipt of the assessment to pay the penalty in 24180

full or, if the person wishes to contest the amount of the 24181
penalty, file a petition for review of the assessment with the 24182
commission pursuant to section 1514.09 of the Revised Code and 24183
forward the amount of the penalty to the secretary of the 24184
commission as required by this division. Failure to forward the 24185
money to the secretary within thirty days after the chief informs 24186
the person of the amount of the penalty shall result in a waiver 24187
of all legal rights to contest the amount of the penalty. 24188

If, after a hearing, the commission affirms or modifies the 24189
amount of the penalty, the person charged with the penalty shall 24190
have thirty days after receipt of the written decision to file an 24191
appeal from the commission's order in accordance with section 24192
1514.09 of the Revised Code. 24193

At the time that the petition for review of the assessment is 24194
filed with the secretary, the person shall forward the amount of 24195
the penalty to the secretary for placement in the reclamation 24196
penalty fund created in division (F)(3) of section 1513.02 of the 24197
Revised Code. Pursuant to administrative or judicial review of the 24198
penalty, the secretary shall do either of the following: 24199

(1) If it is determined that the amount of the penalty should 24200
be reduced, within thirty days, remit the appropriate amount of 24201
the penalty to the person, with interest, and forward any balance 24202
of the penalty, with interest, to the chief for deposit in the 24203
~~surface~~ mining regulation and safety fund created in section 24204
~~1514.06~~ 1513.30 of the Revised Code for reclamation of abandoned 24205
surface or in-stream mining operations in the state; 24206

(2) If the penalty was not reduced, forward the entire 24207
penalty, with interest, to the chief for deposit in the ~~surface~~ 24208
mining regulation and safety fund for reclamation of abandoned 24209
surface or in-stream mining operations in the state. 24210

(D) Civil penalties owed under this section may be recovered 24211

in a civil action brought by the attorney general upon the request 24212
of the chief. 24213

Sec. 1514.10. No person shall: 24214

(A)(1) Engage in surface mining without a permit; 24215

(2) Engage in in-stream mining or conduct an in-stream mining 24216
operation without an in-stream mining permit issued by the chief 24217
of the division of mineral resources management. A person who, on 24218
March 15, 2002, holds a valid permit to conduct in-stream mining 24219
that is issued under section 10 of the "Rivers and Harbors 24220
Appropriation Act of 1899," 30 Stat. 1151, 33 U.S.C. 403, as 24221
amended, shall not be required to obtain an in-stream mining 24222
permit from the chief under this chapter until the existing permit 24223
expires. 24224

(B) Exceed the limits of a surface or in-stream mining permit 24225
or amendment to a permit by mining land contiguous to an area of 24226
land affected under a permit or amendment, which contiguous land 24227
is not under a permit or amendment; 24228

(C) Purposely misrepresent or omit any material fact in an 24229
application for a surface or in-stream mining permit or amendment, 24230
an annual or final report, or any hearing or investigation 24231
conducted by the chief or the reclamation commission; 24232

(D) Fail to perform any measure set forth in the approved 24233
plan of mining and reclamation that is necessary to prevent damage 24234
to adjoining property or to achieve a performance standard 24235
required in division (A)(10) of section 1514.02 of the Revised 24236
Code, or violate any other requirement of this chapter, a rule 24237
adopted thereunder, or an order of the chief; 24238

(E) Conduct surface excavations of minerals within any of the 24239
following: 24240

(1) One hundred twenty feet horizontal distance outward from 24241

the highwater mark on each bank of an area designated as a wild, 24242
scenic, or recreational river area under sections 1547.81 to 24243
1547.86 of the Revised Code or of a portion of a river designated 24244
as a component of the national wild and scenic river system under 24245
the "Wild and Scenic Rivers Act," 82 Stat. 906 (1968), 16 U.S.C. 24246
1274, as amended; 24247

(2) Seventy-five feet horizontal distance outward from the 24248
highwater mark on each bank of a watercourse that drains a surface 24249
area of more than one hundred square miles; 24250

(3) Fifty feet horizontal distance outward from the highwater 24251
mark on each bank of a watercourse that drains a surface area of 24252
more than twenty-five square miles, but fewer than one hundred 24253
square miles unless a variance is obtained under rules adopted by 24254
the chief. 24255

(F) Conduct any surface mining activity within any of the 24256
following: 24257

(1) Seventy-five feet horizontal distance outward from the 24258
highwater mark on each bank of an area designated as a wild, 24259
scenic, or recreational river area under sections 1547.81 to 24260
~~1547.87~~ 1547.86 of the Revised Code or of a portion of a river 24261
designated as a component of the national wild and scenic river 24262
system under the "Wild and Scenic Rivers Act," 82 Stat. 906 24263
(1968), 16 U.S.C. 1274, as amended; 24264

(2) Seventy-five feet horizontal distance outward from the 24265
highwater mark on each bank of a watercourse that drains a surface 24266
area of more than one hundred square miles; 24267

(3) Fifty feet horizontal distance outward from the highwater 24268
mark on each bank of a watercourse that drains a surface area of 24269
more than twenty-five square miles, but fewer than one hundred 24270
square miles unless a variance is obtained under rules adopted by 24271
the chief. 24272

A person who has been issued a surface mining permit prior to 24273
March 15, 2002 may continue to operate under that permit and shall 24274
not be subject to the prohibitions established in divisions (E) 24275
and (F) of this section until the permit is renewed. 24276

The number of square miles of surface area that a watercourse 24277
drains shall be determined by consulting the "gazetteer of Ohio 24278
streams," which is a portion of the Ohio water plan inventory 24279
published in 1960 by the division of water in the department of 24280
natural resources, or its successor, if any. 24281

(G) Engage in any part of a process that is followed in the 24282
production of minerals from the bottom of the channel of a 24283
watercourse in any of the following circumstances or areas: 24284

(1) In an area designated as a wild, scenic, or recreational 24285
river area under sections 1547.81 to 1547.86 of the Revised Code, 24286
in a portion of a river designated as a component of the national 24287
wild and scenic river system under the "Wild and Scenic Rivers 24288
Act," 82 Stat. 906 (1968), 16 U.S.C. 1274, as amended, or within 24289
one-half mile upstream of any portion of such an area or 24290
component; 24291

(2) During periods other than periods of low flow, as 24292
determined by rules adopted under section 1514.08 of the Revised 24293
Code; 24294

(3) During critical fish or mussel spawning seasons as 24295
determined by the chief of the division of wildlife under Chapter 24296
1531. of the Revised Code and rules adopted under it; 24297

(4) In an area known to possess critical spawning habitat for 24298
a species of fish or mussel that is on the federal endangered 24299
species list established in accordance with the "Endangered 24300
Species Act of 1973," 87 Stat. 884, 16 U.S.C. 1531-1543, as 24301
amended, or the state endangered species list established in rules 24302
adopted under section 1531.25 of the Revised Code. 24303

Division (G) of this section does not apply to the activities 24304
described in divisions (M)(1) and (2) of section 1514.01 of the 24305
Revised Code. 24306

Sec. 1514.11. In addition to the purposes otherwise 24307
authorized ~~in section 1514.06 of the Revised Code by law~~, the 24308
chief of the division of mineral resources management may use 24309
~~moneys~~ money in the ~~surface~~ mining regulation and safety fund 24310
created under ~~that~~ section 1513.30 of the Revised Code for the 24311
administration and enforcement of this chapter, for the 24312
reclamation of land affected by surface or in-stream mining under 24313
a permit issued under this chapter that the operator failed to 24314
reclaim and for which the performance bond filed by the operator 24315
is insufficient to complete the reclamation, and for the 24316
reclamation of land affected by surface or in-stream mining that 24317
was abandoned and left unreclaimed and for which no permit was 24318
issued or bond filed under this chapter. Also, the chief may use 24319
the portion of the ~~surface~~ mining regulation and safety fund that 24320
consists of ~~moneys~~ money collected from the severance taxes levied 24321
under section 5749.02 of the Revised Code for mine safety and 24322
first aid training. For purposes of reclamation under this 24323
section, the chief shall expend ~~moneys~~ money in the fund in 24324
accordance with the procedures and requirements established in 24325
section 1514.06 of the Revised Code and may enter into contracts 24326
and perform work in accordance with that section. 24327

Fees collected under sections 1514.02 and 1514.03 of the 24328
Revised Code, ~~one half of the moneys and money~~ collected from the 24329
severance taxes levied under ~~divisions (A)(3) and (4) of section~~ 24330
5749.02 of the Revised Code, ~~and all of the moneys collected from~~ 24331
~~the severance tax levied under division (A)(7) of section 5749.02~~ 24332
~~of the Revised Code~~ shall be credited to the fund in accordance 24333
with those sections. Notwithstanding any section of the Revised 24334
Code relating to the distribution or crediting of fines for 24335

violations of the Revised Code, all fines imposed under section 24336
1514.99 of the Revised Code shall be credited to the fund. 24337

Sec. 1514.46. If the operator of a surface mining operation 24338
requests the division of mineral resources management to conduct 24339
mine safety training, the chief of the division of mineral 24340
resources management shall conduct mine safety training for the 24341
employees of that operator. For persons who are not employed by a 24342
holder of a surface mining permit issued under this chapter and 24343
who seek the training, the chief may charge a fee in an amount 24344
established in rules for conducting it. The safety training shall 24345
be conducted in accordance with rules and shall emphasize the 24346
standards adopted in rules and include any other content that the 24347
chief determines is beneficial. Any fees collected under this 24348
section shall be deposited in the state treasury to the credit of 24349
the ~~surface~~ mining regulation and safety fund created in section 24350
~~1514.06~~ 1513.30 of the Revised Code. 24351

Sec. 1521.06. (A) No dam may be constructed for the purpose 24352
of storing, conserving, or retarding water, or for any other 24353
purpose, nor shall any levee be constructed for the purpose of 24354
diverting or retaining flood water, unless the person or 24355
governmental agency desiring the construction has a construction 24356
permit for the dam or levee issued by the chief of the division of 24357
water resources. 24358

A construction permit is not required under this section for: 24359

(1) A dam that is or will be less than ten feet in height and 24360
that has or will have a storage capacity of not more than fifty 24361
acre-feet at the elevation of the top of the dam, as determined by 24362
the chief. For the purposes of this section, the height of a dam 24363
shall be measured from the natural stream bed or lowest ground 24364
elevation at the downstream or outside limit of the dam to the 24365

elevation of the top of the dam.	24366
(2) A dam, regardless of height, that has or will have a storage capacity of not more than fifteen acre-feet at the elevation of the top of the dam, as determined by the chief;	24367 24368 24369
(3) A dam, regardless of storage capacity, that is or will be six feet or less in height, as determined by the chief;	24370 24371
(4) A dam or levee that belongs to a class exempted by the chief;	24372 24373
(5) The repair, maintenance, improvement, alteration, or removal of a dam or levee that is subject to section 1521.062 of the Revised Code, unless the construction constitutes an enlargement or reconstruction of the structure as determined by the chief;	24374 24375 24376 24377 24378
(6) A dam or impoundment constructed under Chapter 1513. of the Revised Code.	24379 24380
(B) Before a construction permit may be issued, three copies of the plans and specifications, including a detailed cost estimate, for the proposed construction, prepared by a registered professional engineer, together with the <u>any</u> filing fee specified by <u>rules adopted by the chief in accordance with division (I) of this section and the bond or other security required by section 1521.061 of the Revised Code, shall be filed with the chief. The detailed estimate of the cost shall include all costs associated with the construction of the dam or levee, including supervision and inspection of the construction by a registered professional engineer. The filing fee shall be based on the detailed cost estimate for the proposed construction as filed with and approved by the chief, and shall be determined by the following schedule unless otherwise provided by rules adopted under this section:</u>	24381 24382 24383 24384 24385 24386 24387 24388 24389 24390 24391 24392 24393 24394
(1) For the first one hundred thousand dollars of estimated cost, a fee of four per cent;	24395 24396

(2) For the next four hundred thousand dollars of estimated	24397
cost, a fee of three per cent;	24398
(3) For the next five hundred thousand dollars of estimated	24399
cost, a fee of two per cent;	24400
(4) For all costs in excess of one million dollars, a fee of	24401
one half of one per cent.	24402
In no case shall the filing fee be less than one thousand	24403
dollars or more than one hundred thousand dollars. If the actual	24404
cost exceeds the estimated cost by more than fifteen per cent, an	24405
additional filing fee shall be required equal to the fee	24406
determined by the preceding schedule less the original filing fee.	24407
All fees collected pursuant to this section, and all fines	24408
collected pursuant to section 1521.99 of the Revised Code, shall	24409
be deposited in the state treasury to the credit of the dam safety	24410
fund, which is hereby created. Expenditures from the fund shall be	24411
made by the chief for the purpose of administering this section	24412
and sections 1521.061 and 1521.062 of the Revised Code.	24413
(C) The chief shall, within thirty days from the date of the	24414
receipt of the application, fee, and bond or other security, issue	24415
or deny a construction permit for the construction or may issue a	24416
construction permit conditioned upon the making of such changes in	24417
the plans and specifications for the construction as the chief	24418
considers advisable if the chief determines that the construction	24419
of the proposed dam or levee, in accordance with the plans and	24420
specifications filed, would endanger life, health, or property.	24421
(D) The chief may deny a construction permit after finding	24422
that a dam or levee built in accordance with the plans and	24423
specifications would endanger life, health, or property, because	24424
of improper or inadequate design, or for such other reasons as the	24425
chief may determine.	24426
In the event the chief denies a permit for the construction	24427

of the dam or levee, or issues a permit conditioned upon a making 24428
of changes in the plans or specifications for the construction, 24429
the chief shall state the reasons therefor and so notify, in 24430
writing, the person or governmental agency making the application 24431
for a permit. If the permit is denied, the chief shall return the 24432
bond or other security to the person or governmental agency making 24433
application for the permit. 24434

The decision of the chief conditioning or denying a 24435
construction permit is subject to appeal as provided in Chapter 24436
119. of the Revised Code. A dam or levee built substantially at 24437
variance from the plans and specifications upon which a 24438
construction permit was issued is in violation of this section. 24439
The chief may at any time inspect any dam or levee, or site upon 24440
which any dam or levee is to be constructed, in order to determine 24441
whether it complies with this section. 24442

(E) A registered professional engineer shall inspect the 24443
construction for which the permit was issued during all phases of 24444
construction and shall furnish to the chief such regular reports 24445
of the engineer's inspections as the chief may require. When the 24446
chief finds that construction has been fully completed in 24447
accordance with the terms of the permit and the plans and 24448
specifications approved by the chief, the chief shall approve the 24449
construction. When one year has elapsed after approval of the 24450
completed construction, and the chief finds that within this 24451
period no fact has become apparent to indicate that the 24452
construction was not performed in accordance with the terms of the 24453
permit and the plans and specifications approved by the chief, or 24454
that the construction as performed would endanger life, health, or 24455
property, the chief shall release the bond or other security. No 24456
bond or other security shall be released until one year after 24457
final approval by the chief, unless the dam or levee has been 24458
modified so that it will not retain water and has been approved as 24459

nonhazardous after determination by the chief that the dam or 24460
levee as modified will not endanger life, health, or property. 24461

(F) When inspections required by this section are not being 24462
performed, the chief shall notify the person or governmental 24463
agency to which the permit has been issued that inspections are 24464
not being performed by the registered professional engineer and 24465
that the chief will inspect the remainder of the construction. 24466
Thereafter, the chief shall inspect the construction and the cost 24467
of inspection shall be charged against the owner. Failure of the 24468
registered professional engineer to submit required inspection 24469
reports shall be deemed notice that the engineer's inspections are 24470
not being performed. 24471

(G) The chief may order construction to cease on any dam or 24472
levee that is being built in violation of this section, and may 24473
prohibit the retention of water behind any dam or levee that has 24474
been built in violation of this section. The attorney general, 24475
upon written request of the chief, may bring an action for an 24476
injunction against any person who violates this section or to 24477
enforce an order or prohibition of the chief made pursuant to this 24478
section. 24479

(H) The chief may adopt rules in accordance with Chapter 119. 24480
of the Revised Code, for the design and construction of dams and 24481
levees for which a construction permit is required by this section 24482
or for which periodic inspection is required by section 1521.062 24483
of the Revised Code, ~~for establishing a filing fee schedule in~~ 24484
~~lieu of the schedule established under division (B) of this~~ 24485
~~section,~~ for deposit and forfeiture of bonds and other securities 24486
required by section 1521.061 of the Revised Code, for the periodic 24487
inspection, operation, repair, improvement, alteration, or removal 24488
of all dams and levees, as specified in section 1521.062 of the 24489
Revised Code, and for establishing classes of dams or levees that 24490
are exempt from the requirements of this section and section 24491

1521.062 of the Revised Code as being of a size, purpose, or 24492
situation that does not present a substantial hazard to life, 24493
health, or property. The chief may, by rule, limit the period 24494
during which a construction permit issued under this section is 24495
valid. The rules may allow for the extension of the period during 24496
which a permit is valid upon written request, provided that the 24497
written request includes a revised construction cost estimate, and 24498
may require the payment of an additional filing fee for the 24499
requested extension. If a construction permit expires without an 24500
extension before construction is completed, the person or agency 24501
shall apply for a new permit, and shall not continue construction 24502
until the new permit is issued. 24503

(I) The chief shall adopt rules in accordance with Chapter 24504
119. of the Revised Code establishing a filing fee schedule for 24505
purposes of division (B) of this section. 24506

Sec. 1521.063. (A) Except for the federal government, the 24507
owner of a dam, that is classified as a class I, class II, or 24508
class III dam under rules adopted under section 1521.06 of the 24509
Revised Code and subject to section 1521.062 of the Revised Code 24510
shall pay an annual fee, ~~based upon the height of the dam, the~~ 24511
~~linear foot length of the dam, and the per acre foot of volume of~~ 24512
~~water impounded by the dam~~ in accordance with the annual fee 24513
schedule established in rules adopted under division (B) of this 24514
section. The fee shall be paid to the division of water resources 24515
on or before the thirtieth day of June of each year. ~~The annual~~ 24516
~~fee shall be as follows until otherwise provided by rules adopted~~ 24517
~~under this section:~~ 24518

~~(1) For any dam classified as a class I dam under rules 24519~~
~~adopted by the chief of the division of water resources under 24520~~
~~section 1521.06 of the Revised Code, three hundred dollars plus 24521~~
~~ten dollars per foot of height of dam, five cents per foot of 24522~~

~~length of the dam and five cents per acre foot of water impounded 24523
by the dam; 24524~~

~~(2) For any dam classified as a class II dam under those 24525
rules, ninety dollars plus six dollars per foot of height of dam, 24526
five cents per foot of length of the dam and five cents per acre 24527
foot of water impounded by the dam; 24528~~

~~(3) For any dam classified as a class III dam under those 24529
rules, ninety dollars plus four dollars per foot of height of the 24530
dam, five cents per foot of length of the dam, and five cents 24531
per acre foot of volume of water impounded by the dam. 24532~~

than fifty years from its effective date. Consideration for 24980
minerals and mineral rights shall be by rental or royalty basis as 24981
prescribed by the chief and payable as prescribed by contract. 24982
Moneys collected under this division shall be paid into the state 24983

created in section 1531.17 of the Revised Code. 24999

chemicals to noncaptive wild animals. No person shall administer 25006
contraceptive chemicals to noncaptive wild animals without a 25007
permit issued by the chief. 25008

(L) All fees set by the chief under this section shall be 25009

Sec. 1533.10. Except as provided in this section or division 25037
(A)(2) of section 1533.12 or section 1533.73 or 1533.731 of the 25038
Revised Code, no person shall hunt any wild bird or wild quadruped 25039
without a hunting license. Each day that any person hunts within 25040
the state without procuring such a license constitutes a separate 25041
offense. Except as otherwise provided in this section, every 25042
applicant for a hunting license who is a resident of the state and 25043
eighteen years of age or more shall procure a resident hunting 25044
license or an apprentice resident hunting license, the fee for 25045
which shall be eighteen dollars unless the rules adopted under 25046
division (B) of section 1533.12 of the Revised Code provide for 25047
issuance of a resident hunting license to the applicant free of 25048
charge. Except as provided in rules adopted under division (B)(2) 25049
of that section, each applicant who is a resident of this state 25050
and who at the time of application is sixty-six years of age or 25051

older shall procure a special senior hunting license, the fee for 25052
which shall be one-half of the regular hunting license fee. Every 25053
applicant who is under the age of eighteen years shall procure a 25054
special youth hunting license or an apprentice youth hunting 25055
license, the fee for which shall be one-half of the regular 25056
hunting license fee. 25057

A resident of this state who owns lands in the state and the 25058
owner's children of any age and grandchildren under eighteen years 25059
of age may hunt on the lands without a hunting license. A resident 25060
of any other state who owns real property in this state, and the 25061
spouse and children living with the property owner, may hunt on 25062
that property without a license, ~~provided that the state of~~ 25063
~~residence of the real property owner allows residents of this~~ 25064
~~state owning real property in that state, and the spouse and~~ 25065
~~children living with the property owner, to hunt without a license~~ 25066
and shall be treated as a resident for the purposes of this 25067
section. If the owner of land in this state is a limited liability 25068
company or a limited liability partnership that consists of three 25069
or fewer individual members or partners, as applicable, an 25070
individual member or partner who is a resident of this state and 25071
the member's or partner's children of any age and grandchildren 25072
under eighteen years of age may hunt on the land owned by the 25073
limited liability company or limited liability partnership without 25074
a hunting license. In addition, if the owner of land in this state 25075
is a trust that has a total of three or fewer trustees and 25076
beneficiaries, an individual who is a trustee or beneficiary and 25077
who is a resident of this state and the individual's children of 25078
any age and grandchildren under eighteen years of age may hunt on 25079
the land owned by the trust without a hunting license. The tenant 25080
and children of the tenant, residing on lands in the state, may 25081
hunt on them without a hunting license. 25082

Except as otherwise provided in this section or division 25083

(A)(1) of section 1533.12 of the Revised Code, every applicant for a hunting license who is a nonresident of the state and who is eighteen years of age or older shall procure a nonresident hunting license or an apprentice nonresident hunting license, the fee for which shall be one hundred twenty-four dollars unless the applicant is a resident of a state that is a party to an agreement under section 1533.91 of the Revised Code, in which case the fee shall be eighteen dollars. Apprentice resident hunting licenses, apprentice youth hunting licenses, and apprentice nonresident hunting licenses are subject to the requirements established under section 1533.102 of the Revised Code and rules adopted pursuant to it.

The chief of the division of wildlife may issue a small game hunting license expiring three days from the effective date of the license to a nonresident of the state, the fee for which shall be thirty-nine dollars. No person shall take or possess deer, wild turkeys, fur-bearing animals, ducks, geese, brant, or any nongame animal while possessing only a small game hunting license. A small game hunting license or an apprentice nonresident hunting license does not authorize the taking or possessing of ducks, geese, or brant without having obtained, in addition to the small game hunting license or the apprentice nonresident hunting license, a wetlands habitat stamp as provided in section 1533.112 of the Revised Code. A small game hunting license or an apprentice nonresident hunting license does not authorize the taking or possessing of deer, wild turkeys, or fur-bearing animals. A nonresident of the state who wishes to take or possess deer, wild turkeys, or fur-bearing animals in this state shall procure, respectively, a deer or wild turkey permit as provided in section 1533.11 of the Revised Code or a fur taker permit as provided in section 1533.111 of the Revised Code in addition to a nonresident hunting license, an apprentice nonresident hunting license, a special youth hunting license, or an apprentice youth hunting

license, as applicable, as provided in this section. 25117

No person shall procure or attempt to procure a hunting 25118
license by fraud, deceit, misrepresentation, or any false 25119
statement. 25120

This section does not authorize the taking and possessing of 25121
deer or wild turkeys without first having obtained, in addition to 25122
the hunting license required by this section, a deer or wild 25123
turkey permit as provided in section 1533.11 of the Revised Code 25124
or the taking and possessing of ducks, geese, or brant without 25125
first having obtained, in addition to the hunting license required 25126
by this section, a wetlands habitat stamp as provided in section 25127
1533.112 of the Revised Code. 25128

This section does not authorize the hunting or trapping of 25129
fur-bearing animals without first having obtained, in addition to 25130
a hunting license required by this section, a fur taker permit as 25131
provided in section 1533.111 of the Revised Code. 25132

No hunting license shall be issued unless it is accompanied 25133
by a written explanation of the law in section 1533.17 of the 25134
Revised Code and the penalty for its violation, including a 25135
description of terms of imprisonment and fines that may be 25136
imposed. 25137

No hunting license, other than an apprentice hunting license, 25138
shall be issued unless the applicant presents to the agent 25139
authorized to issue the license a previously held hunting license 25140
or evidence of having held such a license in content and manner 25141
approved by the chief, a certificate of completion issued upon 25142
completion of a hunter education and conservation course approved 25143
by the chief, or evidence of equivalent training in content and 25144
manner approved by the chief. A previously held apprentice hunting 25145
license does not satisfy the requirement concerning the 25146
presentation of a previously held hunting license or evidence of 25147

it. 25148

No person shall issue a hunting license, except an apprentice 25149
hunting license, to any person who fails to present the evidence 25150
required by this section. No person shall purchase or obtain a 25151
hunting license, other than an apprentice hunting license, without 25152
presenting to the issuing agent the evidence required by this 25153
section. Issuance of a hunting license in violation of the 25154
requirements of this section is an offense by both the purchaser 25155
of the illegally obtained hunting license and the clerk or agent 25156
who issued the hunting license. Any hunting license issued in 25157
violation of this section is void. 25158

The chief, with approval of the wildlife council, shall adopt 25159
rules prescribing a hunter education and conservation course for 25160
first-time hunting license buyers, other than buyers of apprentice 25161
hunting licenses, and for volunteer instructors. The course shall 25162
consist of subjects including, but not limited to, hunter safety 25163
and health, use of hunting implements, hunting tradition and 25164
ethics, the hunter and conservation, the law in section 1533.17 of 25165
the Revised Code along with the penalty for its violation, 25166
including a description of terms of imprisonment and fines that 25167
may be imposed, and other law relating to hunting. Authorized 25168
personnel of the division or volunteer instructors approved by the 25169
chief shall conduct such courses with such frequency and at such 25170
locations throughout the state as to reasonably meet the needs of 25171
license applicants. The chief shall issue a certificate of 25172
completion to each person who successfully completes the course 25173
and passes an examination prescribed by the chief. 25174

Sec. 1533.11. (A)(1) Except as provided in this section or 25175
section 1533.731 of the Revised Code, no person shall hunt deer on 25176
lands of another without first obtaining an annual deer permit. 25177

standards and practices. In adopting rules under this section, the 25776
director may adopt by reference, in whole or in part, the national 25777
fire code or the national electrical code (NEC) prepared by the 25778
national fire protection association, the standards of the 25779
American society for testing and materials (ASTM) or the American 25780
national standards institute (ANSI), or any other principles, 25781
tests, or standards of nationally recognized technical or 25782
scientific authorities. Insofar as is practicable and consistent 25783
with sections 1711.50 to 1711.57 of the Revised Code, rules 25784
adopted under this division shall be consistent with the rules of 25785
other states. The department shall cause sections 1711.50 to 25786
1711.57 of the Revised Code and the rules adopted in accordance 25787
with this division and division (B) of section 1711.551 of the 25788
Revised Code to be published in pamphlet form and a copy to be 25789
furnished without charge to each owner of an amusement ride who 25790
holds a current permit or is an applicant therefor. 25791

(C) With respect to an application for a permit for an 25792
amusement ride, an owner may apply to the director for a waiver or 25793
modification of any rule adopted under division (B) of this 25794
section if there are practical difficulties or unnecessary 25795
hardships for the amusement ride to comply with the rules. Any 25796
application shall set forth the reasons for the request. The 25797
director, with the approval of the advisory council on amusement 25798
ride safety, may waive or modify the application of a rule to any 25799
amusement ride if the public safety is secure. Any authorization 25800
by the director under this division shall be in writing and shall 25801
set forth the conditions under which the waiver or modification is 25802

authorized, and the department shall retain separate records of 25803
all proceedings under this division. 25804

(D)(1) The director shall employ and provide for training of 25805
a chief inspector and additional inspectors and employees as may 25806
be necessary to administer and enforce sections 1711.50 to 1711.57 25807
of the Revised Code. The director may appoint or contract with 25808
other persons to perform inspections of amusement rides, provided 25809
that the persons meet the qualifications for inspectors 25810
established by rules adopted under division (B) of this section 25811
and are not owners, or employees of owners, of any amusement ride 25812
subject to inspection under sections 1711.50 to 1711.57 of the 25813
Revised Code. No person shall inspect an amusement ride who, 25814
within six months prior to the date of inspection, was an employee 25815
of the owner of the ride. 25816

(2) Before the director contracts with other persons to 25817
inspect amusement rides, the director shall seek the advice of the 25818
advisory council on amusement ride safety on whether to contract 25819
with those persons. The advice shall not be binding upon the 25820
director. After having received the advice of the council, the 25821
director may proceed to contract with inspectors in accordance 25822
with the procedures specified in division (E)(2) of section 25823
1711.11 of the Revised Code. 25824

(3) With the advice and consent of the advisory council on 25825
amusement ride safety, the director may employ a special 25826
consultant to conduct an independent investigation of an amusement 25827
ride accident. This consultant need not be in the civil service of 25828
the state, but shall have qualifications to conduct the 25829
investigation acceptable to the council. 25830

(E)(1) Except as otherwise provided in division (E)(1) of 25831
this section, the department shall charge the following amusement 25832

The go kart inspection fee is in addition to the inspection fee for the go kart track. 25847
25848

The director shall adopt rules in accordance with Chapter 119. of the Revised Code establishing the annual fee for an inspection and reinspection of an inflatable ride. 25849
25850
25851

The fees for an expedited inspection, failure to cancel a scheduled inspection, and failure to have an amusement ride ready for inspection do not apply to go karts. 25852
25853
25854

As used in division (E)(1) of this section, "expedited inspection" means an inspection of an amusement ride by the department not later than ten days after the owner of the amusement ride files an application for a permit under this section. 25855
25856
25857
25858
25859

(2) All fees and fines collected by the department under sections 1711.50 to 1711.57 of the Revised Code shall be deposited in the state treasury to the credit of the amusement ride inspection fund, which is hereby created, and shall be used only for the purpose of administering and enforcing sections 1711.11 and 1711.50 to 1711.57 of the Revised Code. 25860
25861
25862
25863
25864
25865

(3) The owner of an amusement ride shall be required to pay a reinspection fee only if the reinspection was conducted at the owner's request under division (F) of this section, if the reinspection is required by division (F) of this section because of an accident, or if the reinspection is required by division (F) of section 1711.55 of the Revised Code. If a reinspection is conducted at the request of the chief officer of a fair, festival, or event where the ride is operating, the reinspection fee shall be charged to the fair, festival, or event.

(4) The rules adopted under division (B) of this section shall define "roller coaster," "aerial lifts," "go karts," and "other rides" for purposes of determining the fees under division (E) of this section. The rules shall define "other rides" to include go kart tracks.

(F) A reinspection of an amusement ride shall take place if an accident occurs, if the owner of the ride or the chief officer of the fair, festival, or event where the ride is operating requests a reinspection, or if the reinspection is required by division (F) of section 1711.55 of the Revised Code.

(G) As a supplement to its annual inspection of a temporary amusement ride, the department may inspect the ride during each scheduled event, as listed in the schedule of events provided to the department by the owner pursuant to division (C) of section 1711.55 of the Revised Code, at which the ride is operated in this state. These supplemental inspections are in addition to any other inspection or reinspection of the ride as may be required under sections 1711.50 to 1711.57 of the Revised Code, and the owner of the temporary amusement ride is not required to pay an inspection or reinspection fee for this supplemental inspection. Nothing in this division shall be construed to prohibit the owner of a temporary amusement ride having a valid permit to operate in this state from operating the ride at a scheduled event before the

department conducts a supplemental inspection. 25898

(H) The department may annually conduct a midseason 25899
operational inspection of every amusement ride upon which it 25900
conducts an annual inspection pursuant to division (A) of this 25901
section. The midseason operational inspection is in addition to 25902
any other inspection or reinspection of the amusement ride as may 25903
be required pursuant to sections 1711.50 to 1711.57 of the Revised 25904
Code. The owner of an amusement ride shall submit to the 25905
department, at the time determined by the department, the 25906
midseason operational inspection fee specified in division (E) of 25907
this section. The director, in accordance with Chapter 119. of the 25908
Revised Code, shall adopt rules specifying the time period during 25909
which the department will conduct midseason operational 25910
inspections. 25911

Sec. 1721.01. A company or association incorporated for 25912
cemetery purposes may appropriate or otherwise acquire, and may 25913
hold, not more than six hundred forty acres of land at any one 25914
location, which shall be exempt from execution, and from being 25915
appropriated for any public purpose, except as otherwise provided 25916
in this section, ~~and from taxation, if held exclusively for~~ 25917
~~cemetery or burial purposes, and with no view to profit.~~ A company 25918
or association of that nature may own land at multiple locations, 25919
and as many as six hundred forty acres owned at each location in 25920
accordance with this section are entitled to the exemptions 25921

notice, as provided in this section, is served upon the officers 25925
of a cemetery, shall be subject to appropriation for highway or 25926
street purposes if an appropriation commences within four years of 25927
the serving of the notice. For such purposes said lands shall be 25928

subject to the exercise of the right of eminent domain by the 25929
municipal corporation in which such lands are located, by the 25930
board of county commissioners of the county in which such lands 25931
are located, or by the director of transportation under the same 25932
conditions and in the same manner as any private property; and, if 25933
any burial occurs within the area specifically designated in the 25934
written notice, the appropriating agency shall have the same 25935
powers with respect to such burial as are given to a board of 25936
township trustees by section 517.21 of the Revised Code and shall 25937
pay any costs resulting from the exercise of these powers. This 25938
section shall not be construed as authorizing an appropriating 25939
agency to exercise the powers specified by section 517.21 of the 25940
Revised Code in any part of a cemetery other than the area 25941
specifically designated in the written notice. 25942

The appropriating agency shall serve upon the officers or 25943
agents having control of a cemetery a written notice that a 25944
specifically designated area of the cemetery may be needed for 25945
highway purposes. No such notice may be served more than once. 25946

Such appropriation proceedings shall be made in the manner 25947
provided for in sections 163.01 to 163.22 of the Revised Code or, 25948
if by the director of transportation, as otherwise provided by 25949
law. 25950

The board of trustees of such company or association, 25951
whenever in its opinion any portion of such lands is unsuitable 25952
for burial purposes, may sell and convey by deed in fee simple, in 25953
such manner, and upon such terms, as are provided by resolution of 25954
such board, any such portion of said lands, and apply the proceeds 25955
thereof to the general purposes of the company or association; but 25956
on such sale being made, the lands so sold shall be returned by 25957
the board to the auditor of the proper county and placed by that 25958
auditor upon the grand tax list and duplicate of real and public 25959
utility property for taxation. 25960

Such company or association may also take, set aside, or hold 25961
any personal property received by it from any source for cemetery 25962
purposes; and if such company or association is incorporated not 25963
for profit, all personal property, including the income therefrom, 25964
owned or held by it, or for its use, for cemetery purposes and 25965
with no view to profit, shall be exempt from execution, from being 25966
appropriated for any public purpose, and from taxation, and no tax 25967
shall be assessed upon any personal property or the income 25968
therefrom expressly exempted under this section. 25969

~~This chapter does not authorize the exemption of real 25970
property used for a funeral home or any other activity not 25971
permitted to be conducted by a cemetery association exempt from 25972
taxation under section 501(c)(13) of the "Internal Revenue Code of 25973
1954," 26 U.S.C.A. 501, or any successor provision. 25974~~

All exemptions ~~from taxation~~ provided for in this section 25975
shall be in addition to such other exemptions ~~from taxation~~ as a 25976
company or association incorporated for cemetery purposes, or its 25977
real or personal property, has under any other provisions of the 25978
Revised Code. 25979

Sec. 1721.10. Except as otherwise provided in this section, 25980

public or for private use, and recorded or filed as such in the 25982

situated, and any burial ground that has been used as such for 25984
fifteen years are exempt from sale on execution on a judgment, 25985
~~taxation~~, dower, and compulsory partition; but land appropriated 25986
and set apart as a private burial ground is not so exempt if it 25987
exceeds in value the sum of fifty dollars. 25988

The lien for taxes against such burial grounds may be 25989
enforced in the same manner prescribed for abandoned lands under 25990
sections 323.65 to 323.79 of the Revised Code except that the 25991

burial ground may be transferred only to a municipal corporation, 25992
county, or township under division (D) of section 323.74 of the 25993
Revised Code. No burial ground that is otherwise exempt from sale 25994
or execution under this section shall be offered for sale at 25995
public auction. 25996

Sec. 1733.04. (A) In addition to the authority conferred by 25997
section 1701.13 of the Revised Code, but subject to any 25998
limitations contained in sections 1733.01 to 1733.45 of the 25999
Revised Code, and its articles and regulations, a credit union may 26000

for specific tax treatment under sections 223, 401(d), 408, 408A, 26019
and 530 of the Internal Revenue Code, 26 U.S.C. 223, 401(d), 408, 26020
408A, and 530, as amended, for its members or groups of its 26021

members, provided that the funds of such plans are invested in 26022
share accounts or share certificate accounts of the credit union. 26023

following: 26032

(1) A credit union may not borrow money in excess of 26033
twenty-five per cent of its shares and undivided earnings, without 26034
prior specific authorization by the superintendent of credit 26035

otherwise as necessary and to the extent required for use of the 26046
credit union presently and in the future operation of its office 26047
or headquarters, and in case of a purchase of real estate, the 26048
superintendent must first be notified in writing prior to the 26049
purchase of the real estate. The superintendent shall notify the 26050
credit union not more than thirty days after receipt of the 26051
notification to purchase the real estate if the purchase is 26052

denied, approved, or modified. If the superintendent does not 26053
respond within thirty days after receipt of the notification to 26054
purchase the real estate, it shall be deemed approved. Nothing 26055
herein contained shall be deemed to prohibit a credit union from 26056
taking title to real estate in connection with a default in the 26057
payment of a loan, provided that title to such real estate shall 26058
not be held by the credit union for more than two years without 26059
the prior written approval of the superintendent. A credit union 26060
also may lease space in any real estate it acquires in accordance 26061
with rules adopted by the superintendent. 26062

(2) A credit union, upon agreement with a school board, in 26069
the case of a public school, or the governing authority, in the 26070
case of a nonpublic school, and with the permission of the 26071
superintendent, may open and maintain a student branch. 26072

(3) Notwithstanding any other provision of this section, any 26073
student enrolled in the school maintaining a student branch who is 26074
not otherwise qualified for membership in the credit union 26075
maintaining the student branch is qualified to be a member of that 26076
student branch. 26077

(4) The student's membership in the student branch expires 26078
upon the student's graduation from secondary school. 26079

(5) The student branch is for the express use of students and 26080
may not be used by faculty, staff, or lineal ancestors or 26081
descendents of students. 26082

(6) Faculty, staff, or lineal ancestors or descendants of 26083
students are not eligible for membership in the credit union 26084
maintaining the student branch unless otherwise qualified by this 26085
section to be members. 26086

(7) The superintendent may adopt rules appropriate to the 26087
formation and operation of student branches. 26088

(D) A credit union may guarantee the signature of a member in 26089
connection with a transaction involving tangible or intangible 26090
property in which a member has or seeks to acquire an interest. 26091

Sec. 1733.24. (A) A credit union is authorized to receive 26092
funds for deposit in share accounts, share draft accounts, and 26093
share certificates from its members, from other credit unions, and 26094
from an officer, employee, or agent of the federal, state, or 26095
local governments, or political subdivisions of the state, in 26096
accordance with such terms, rates, and conditions as may be 26097
established by its board of directors, and for purposes of the 26098
agricultural linked deposit program created under sections 135.71 26099
to 135.76 of the Revised Code and the business linked deposit 26100
program created under sections 135.77 to 135.774 of the Revised 26101
Code. 26102

(B) The shares and share accounts of the credit union may be 26103
of one or more classes, as designated by the board of directors, 26104
subject to approval of the superintendent of credit unions based 26105
on rules that shall assure equitable distribution of dividends 26106
among classes, considering costs and advantages of each class to 26107
the members of the credit union, including without limitation 26108
special services rendered, length of ownership, minimum 26109
investment, conditions of repurchase, and other appropriate 26110
standards or combinations thereof. In the event the articles of 26111
incorporation of the credit union indicate the authorized number 26112
of shares to be unlimited, the designation of classification of 26113

shares and share accounts of the credit union may be effected by 26114
the board of directors, subject to the approval of the 26115
superintendent, and does not require amendment of the articles of 26116
incorporation. All shares of the credit union shall have a par 26117
value per share as set by the board of directors. Redemptions and 26118
liquidating dividends shall be prorated to each member on the 26119
basis of the price paid the credit union for such share, 26120
irrespective of the class of such shares. 26121

(C)(1) Each credit union shall have one class of shares 26122
designated as "membership share." The membership shares, or if a 26123
credit union has but one class of shares, then all of the shares 26124
of the credit union, shall have a par value as set by the board of 26125
directors. 26126

(2) Two or more persons that are eligible for membership that 26127
have jointly subscribed for one or more shares under a joint 26128
account each may be admitted to membership. 26129

(D) A credit union need not issue certificates for any or all 26130
of its classes of shares but irrespective of whether certificates 26131
are issued, a registry of shares must be kept, including all of 26132
the transactions of the credit union pertaining to such shares. 26133

(E) A credit union is authorized to maintain share draft 26134
accounts in accordance with rules prescribed by the 26135
superintendent. The credit union may pay dividends on share draft 26136
accounts, may pay dividends at different rates on different types 26137
of share draft accounts, and may permit the owners of such share 26138
draft accounts to make withdrawals by negotiable or transferable 26139
instruments or other orders for the purpose of making transfers to 26140
third parties. 26141

(F) Unless otherwise provided by written agreement of the 26142
parties, the rights, responsibilities, and liabilities attaching 26143
to a share draft withdrawn from, transferred to, or otherwise 26144

handled by a credit union are defined in and governed by Chapters 26145
1303. and 1304. of the Revised Code, as if the credit union were a 26146
bank. 26147

(G) Unless otherwise provided in the articles or regulations, 26148
a member may designate any person or persons to own or hold 26149
shares, or share accounts with the member in joint tenancy with 26150
right of survivorship and not as tenants in common. 26151

(H) Shares or share accounts may be issued in the name of a 26152
custodian under the Ohio transfers to minors act, a member in 26153
trust for a beneficiary, a fiduciary or custodian in trust for a 26154
member beneficiary, or a fiduciary or custodian in trust upon the 26155
death of a member. Redemption of such shares or payment of such 26156
share accounts to a member, to the extent of the payment, 26157
discharges the liability of the credit union to the member and the 26158
beneficiary, and the credit union shall be under no obligation to 26159
see to the application of the payment. Unless prior to the death 26160
of a member, the member has notified the credit union in writing 26161
in a form approved by the credit union of a different beneficiary 26162
to receive the proceeds of such shares or share accounts, then the 26163
proceeds shall be paid to the beneficiary or to the beneficiary's 26164
parent or legal representative. Any payment made pursuant to 26165
written instructions of the member or pursuant to the provisions 26166
herein contained shall be a valid and sufficient release and 26167
discharge of the credit union in connection with any such share or 26168
share accounts. 26169

(I)(1) Except as otherwise provided in the articles or 26170
regulations, and subject to the provisions thereof, a minor may 26171
purchase shares, share accounts, or other depository instruments, 26172
and except for qualification as a voting member, the credit union 26173
may deal with the minor with respect to shares, share accounts, or 26174
other depository instruments owned by the minor as if the minor 26175
were a person of legal age. 26176

(2) If shares, share accounts, or other depository instruments are issued in the name of a minor, redemption of any part or all of the shares or withdrawal of funds by payment to the minor of the shares or funds and any declared dividends or interest releases the credit union from all obligation to the minor as to the shares reduced or funds withdrawn.

(J) The regulations may require advance written notice of a member's intention to withdraw the member's shares. Such advance notice shall not exceed sixty days.

notify the parties that the court will extend the order for six 27424
months or terminate it and that it may do so without a hearing 27425
unless one of the parties requests a hearing. All parties and the 27426
guardian ad litem shall have seven days from the date a notice is 27427

child's best interest. If termination is in the child's best 27436
interest, the court shall terminate the order. If extension is in 27437
the child's best interest, the court shall extend the order for 27438
six months. 27439

(b) If it does not receive a timely request for a hearing, 27440
the court may extend the order for six months or terminate it 27441

If the court does not extend or terminate the order, it shall 27446
schedule a hearing to be held no later than thirty days after the 27447
expiration of the applicable fourteen-day time period and give 27448
notice of the date, time, and location of the hearing to all 27449
parties and the child's guardian ad litem. At the hearing, the 27450
court shall determine whether extension or termination of the 27451
order is in the child's best interest. If termination is in the 27452
child's best interest, the court shall terminate the order. If 27453
extension is in the child's best interest, the court shall issue 27454
an order extending the order for protective supervision six 27455
months. 27456

(2) If the court grants an extension of the order for 27457
protective supervision pursuant to division (H)(1) of this 27458
section, a party may, prior to termination of the extension, file 27459
with the court a request for an additional extension of six months 27460
or for termination of the order. The court and the parties shall 27461
comply with division (H)(1) of this section with respect to 27462
extending or terminating the order. 27463

(3) If a court grants an extension pursuant to division 27464
(H)(2) of this section, the court shall terminate the order for 27465
protective supervision at the end of the extension. 27466

(I) The court shall not issue a dispositional order pursuant 27467
to division (A) of this section that removes a child from the 27468
child's home unless the court complies with section 2151.419 of 27469
the Revised Code and includes in the dispositional order the 27470
findings of fact required by that section. 27471

(J) If a motion or application for an order described in 27472
division (A)(6) of this section is made, the court shall not issue 27473
the order unless, prior to the issuance of the order, it provides 27474
to the person all of the following: 27475

(1) Notice and a copy of the motion or application; 27476

(2) The grounds for the motion or application; 27477

hearing regarding the motion or application; 27479

(4) An opportunity to be represented by counsel at the 27480
hearing. 27481

(K) The jurisdiction of the court shall terminate one year 27482
after the date of the award or, if the court takes any further 27483
action in the matter subsequent to the award, the date of the 27484
latest further action subsequent to the award, if the court awards 27485
legal custody of a child to either of the following: 27486

(1) A legal custodian who, at the time of the award of legal 27487
custody, resides in a county of this state other than the county 27488
in which the court is located; 27489

(2) A legal custodian who resides in the county in which the 27490
court is located at the time of the award of legal custody, but 27491
moves to a different county of this state prior to one year after 27492
the date of the award or, if the court takes any further action in 27493

the matter subsequent to the award, one year after the date of the 27494
latest further action subsequent to the award. 27495

The court in the county in which the legal custodian resides 27496
then shall have jurisdiction in the matter. 27497

Sec. 2151.417. (A) Any court that issues a dispositional 27498
order pursuant to section 2151.353, 2151.414, or 2151.415 of the 27499
Revised Code may review at any time the child's placement or 27500
custody arrangement, the case plan prepared for the child pursuant 27501
to section 2151.412 of the Revised Code, the actions of the public 27502
children services agency or private child placing agency in 27503
implementing that case plan, the child's permanency plan if the 27504
child's permanency plan has been approved, and any other aspects 27505
of the child's placement or custody arrangement. In conducting the 27506
review, the court shall determine the appropriateness of any 27507
agency actions, the safety and appropriateness of continuing the 27508
child's placement or custody arrangement, and whether any changes 27509
should be made with respect to the child's permanency plan or 27510
placement or custody arrangement or with respect to the actions of 27511
the agency under the child's placement or custody arrangement. 27512
Based upon the evidence presented at a hearing held after notice 27513
to all parties and the guardian ad litem of the child, the court 27514
may require the agency, the parents, guardian, or custodian of the 27515
child, and the physical custodians of the child to take any 27516
reasonable action that the court determines is necessary and in 27517
the best interest of the child or to discontinue any action that 27518
it determines is not in the best interest of the child. 27519

(B) If a court issues a dispositional order pursuant to 27520
section 2151.353, 2151.414, or 2151.415 of the Revised Code, the 27521
court has continuing jurisdiction over the child as set forth in 27522
division (F)(1) of section 2151.353 of the Revised Code. The court 27523
may amend a dispositional order in accordance with division (F)(2) 27524

of section 2151.353 of the Revised Code at any time upon its own 27525
motion or upon the motion of any interested party. The court shall 27526
comply with section 2151.42 of the Revised Code in amending any 27527
dispositional order pursuant to this division. 27528

(C)(1) Any court that issues a dispositional order pursuant 27529
to section 2151.353, 2151.414, or 2151.415 of the Revised Code 27530
shall hold a review hearing one year after the earlier of the date 27531
on which the complaint in the case was filed or the child was 27532
first placed into shelter care to review the case plan prepared 27533
pursuant to section 2151.412 of the Revised Code and the child's 27534
placement or custody arrangement, to approve or review the 27535
permanency plan for the child, and to make changes to the case 27536
plan and placement or custody arrangement consistent with the 27537
permanency plan. The court shall schedule the review hearing at 27538
the time that it holds the dispositional hearing pursuant to 27539
section 2151.35 of the Revised Code. 27540

(2) The court shall hold a similar review hearing no later 27541
than every twelve months after the initial review hearing until 27542
the child is adopted, returned to the parents, or the court 27543
otherwise terminates the child's placement or custody arrangement, 27544
except that the dispositional hearing held pursuant to section 27545
2151.415 of the Revised Code shall take the place of the first 27546
review hearing to be held under this section. The court shall 27547
schedule each subsequent review hearing at the conclusion of the 27548
review hearing immediately preceding the review hearing to be 27549
scheduled. 27550

(3) The court is not required to continue holding review 27551
hearings under divisions (C)(1) and (2) of this section regarding 27552
a child subject to an order of legal custody under section 27553
2151.353 or 2151.415 of the Revised Code, if all of the following 27554
apply: 27555

(a) The child is not subject to an order of protective 27556

supervision under section 2151.353 or 2151.415 of the Revised Code. 27557
27558

(b) A public children services agency or private child placing agency is not providing services to the child. 27559
27560

(c) The court finds that further review under divisions (C)(1) and (2) of this section are no longer necessary to serve the child's best interests. 27561
27562
27563

(D) If, within fourteen days after a written summary of an administrative review is filed with the court pursuant to section 2151.416 of the Revised Code, the court does not approve the proposed change to the case plan filed pursuant to division (E) of section 2151.416 of the Revised Code or a party or the guardian ad litem requests a review hearing pursuant to division (E) of that section, the court shall hold a review hearing in the same manner that it holds review hearings pursuant to division (C) of this section, except that if a review hearing is required by this division and if a hearing is to be held pursuant to division (C) of this section or section 2151.415 of the Revised Code, the hearing held pursuant to division (C) of this section or section 2151.415 of the Revised Code shall take the place of the review hearing required by this division. 27564

(E) If a court determines pursuant to section 2151.419 of the Revised Code that a public children services agency or private child placing agency is not required to make reasonable efforts to prevent the removal of a child from the child's home, eliminate the continued removal of a child from the child's home, and return the child to the child's home, and the court does not return the child to the child's home pursuant to division (A)(3) of section 2151.419 of the Revised Code, the court shall hold a review hearing to approve the permanency plan for the child and, if appropriate, to make changes to the child's case plan and the child's placement or custody arrangement consistent with the 27578

following the determination under section 2151.419 of the Revised 27590
Code and shall hold it no later than thirty days after making that 27591
determination. 27592

(F) The court shall give notice of the review hearings held 27593
pursuant to this section to every interested party, including, but 27594
not limited to, the appropriate agency employees who are 27595
responsible for the child's care and planning, the child's 27596
parents, any person who had guardianship or legal custody of the 27597
child prior to the custody order, the child's guardian ad litem, 27598
and the child. The court shall summon every interested party to 27599
appear at the review hearing and give them an opportunity to 27600
testify and to present other evidence with respect to the child's 27601
custody arrangement, including, but not limited to, the following: 27602
the case plan for the child; the permanency plan, if one exists; 27603
the actions taken by the child's custodian; the need for a change 27604
in the child's custodian or caseworker; and the need for any 27605
specific action to be taken with respect to the child. The court 27606
shall require any interested party to testify or present other 27607
evidence when necessary to a proper determination of the issues 27608
presented at the review hearing. In any review hearing that 27609
pertains to a permanency plan for a child who will not be returned 27610
to the parent, the court shall consider in-state and out-of-state 27611
placement options and the court shall determine whether the 27612
in-state or the out-of-state placement continues to be appropriate 27613
and in the best interests of the child. In any review hearing that 27614
pertains to a permanency plan for a child, the court or a citizens 27615
board appointed by the court pursuant to division (H) of this 27616
section shall consult with the child, in an age-appropriate 27617
manner, regarding the proposed permanency plan for the child. 27618

(G) After the review hearing, the court shall take the 27619
following actions based upon the evidence presented: 27620

(1) If an administrative review has been conducted, determine 27621
whether the conclusions of the review are supported by a 27622
preponderance of the evidence and approve or modify the case plan 27623
based upon that evidence; 27624

(2) If the hearing was held under division (C) or (E) of this 27625
section, approve a permanency plan for the child that specifies 27626
whether and, if applicable, when the child will be safely returned 27627
home or placed for adoption, for legal custody, or in a planned 27628
permanent living arrangement. A permanency plan approved after a 27629
hearing under division (E) of this section shall not include any 27630
provision requiring the child to be returned to the child's home. 27631

(3) If the child is in temporary custody, do all of the 27632
following: 27633

(a) Determine whether the child can and should be returned 27634
home with or without an order for protective supervision; 27635

(b) If the child can and should be returned home with or 27636
without an order for protective supervision, terminate the order 27637
for temporary custody; 27638

(c) If the child cannot or should not be returned home with 27639
an order for protective supervision, determine whether the agency 27640
currently with custody of the child should retain custody or 27641
whether another public children services agency, private child 27642
placing agency, or an individual should be given custody of the 27643
child. 27644

The court shall comply with section 2151.42 of the Revised 27645
Code in taking any action under this division. 27646

(4) If the child is in permanent custody, determine what 27647
actions are required by the custodial agency and of any other 27648
organizations or persons in order to facilitate an adoption of the 27649
child and make any appropriate orders with respect to the custody 27650
arrangement or conditions of the child, including, but not limited 27651

to, a transfer of permanent custody to another public children services agency or private child placing agency; 27652
27653

(5) Journalize the terms of the updated case plan for the child. 27654
27655

(H) The court may appoint a referee or a citizens review board to conduct the review hearings that the court is required by this section to conduct, subject to the review and approval by the court of any determinations made by the referee or citizens review board. If the court appoints a citizens review board to conduct the review hearings, the board shall consist of one member representing the general public and four members who are trained or experienced in the care or placement of children and have training or experience in the fields of medicine, psychology, social work, education, or any related field. Of the initial appointments to the board, two shall be for a term of one year, two shall be for a term of two years, and one shall be for a term of three years, with all the terms ending one year after the date on which the appointment was made. Thereafter, all terms of the board members shall be for three years and shall end on the same day of the same month of the year as did the term that they succeed. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of the term. 27656

27682
27683

held under this section shall do all of the following in addition	27684
to any other requirements of this section:	27685
(1) Determine the continued necessity for and the safety and	27686
appropriateness of the child's placement;	27687
(2) Determine the extent of compliance with the child's case	27688
plan;	27689
(3) Determine the extent of progress that has been made	27690
toward alleviating or mitigating the causes necessitating the	27691
child's placement in foster care;	27692
(4) Project a likely date by which the child may be safely	27693
returned home or placed for adoption or legal custody.	27694
(K)(1) Whenever the court is required to approve a permanency	27695
plan under this section or section 2151.415 of the Revised Code,	27696
the public children services agency or private child placing	27697
agency that filed the complaint in the case, has custody of the	27698
child, or will be given custody of the child shall develop a	27699
permanency plan for the child. The agency must file the plan with	27700
the court prior to the hearing under this section or section	27701
2151.415 of the Revised Code.	27702
(2) The permanency plan developed by the agency must specify	27703
whether and, if applicable, when the child will be safely returned	27704
home or placed for adoption or legal custody. If the agency	27705
determines that there is a compelling reason why returning the	27706
child home or placing the child for adoption or legal custody is	27707
not in the best interest of the child, the plan shall provide that	27708
the child will be placed in a planned permanent living	27709
arrangement. A permanency plan developed as a result of a	27710
determination made under division (A)(2) of section 2151.419 of	27711
the Revised Code may not include any provision requiring the child	27712
to be returned home.	27713
(3)(a) Whenever a court is required under this section or	27714

section 2151.415 or 2151.419 of the Revised Code to conduct a 27715
review hearing to approve a permanency plan, the court shall 27716
determine whether the agency required to develop the plan has made 27717
reasonable efforts to finalize it. If the court determines the 27718
agency has not made reasonable efforts to finalize the plan, the 27719
court shall issue an order finalizing a permanency plan requiring 27720
the agency to use reasonable efforts to do the following: 27721

(i) Place the child in a timely manner into a permanent 27722
placement; 27723

(ii) Complete whatever steps are necessary to finalize the 27724
permanent placement of the child. 27725

(b) In making reasonable efforts as required in division 27726
(K)(3)(a) of this section, the agency shall consider the child's 27727
health and safety as the paramount concern. 27728

Sec. 2151.43. In cases against an adult under sections 27729
2151.01 to 2151.54 of the Revised Code, any person may file an 27730
affidavit with the clerk of the juvenile court setting forth 27731
briefly, in plain and ordinary language, the charges against the 27732
accused who shall be tried thereon. When the child is a recipient 27733
of aid pursuant to Chapter 5107. ~~or 5115.~~ of the Revised Code, the 27734
county department of job and family services shall file charges 27735
against any person who fails to provide support to a child in 27736
violation of section 2919.21 of the Revised Code, unless the 27737
department files charges under section 3113.06 of the Revised 27738
Code, or unless charges of nonsupport are filed by a relative or 27739
guardian of the child, or unless action to enforce support is 27740

In such prosecution an indictment by the grand jury or 27742
information by the prosecuting attorney shall not be required. The 27743
clerk shall issue a warrant for the arrest of the accused, who, 27744
when arrested, shall be taken before the juvenile judge and tried 27745

according to such sections. 27746

The affidavit may be amended at any time before or during the trial. 27747
27748

The judge may bind such adult over to the grand jury, where the act complained of constitutes a felony. 27749
27750

Sec. 2151.49. In every case of conviction under sections 2151.01 to 2151.54 of the Revised Code, where imprisonment is imposed as part of the punishment, the juvenile judge may suspend sentence, before or during commitment, upon such condition as the juvenile judge imposes. In the case of conviction for nonsupport of a child who is receiving aid under Chapter 5107. ~~or 5115.~~ of the Revised Code, if the juvenile judge suspends sentence on condition that the person make payments for support, the payment shall be made to the county department of job and family services rather than to the child or custodian of the child. 27751

board shall submit a separate application for each facility and 27776
program for which it desires the financial assistance. 27777

An application for state financial assistance under this 27778
section may be made when the facility governing board submits for 27779
approval of the division of parole and community services its 27780
proposal for the establishment of the facility and program in 27781
question under division (B) of section 2301.51 of the Revised 27782
Code, or at any time after the division has approved the proposal. 27783
All applications for state financial assistance for proposed or 27784
approved facilities and programs shall be made on forms that are 27785
prescribed and furnished by the department of rehabilitation and 27786
correction, and in accordance with section 5120.112 of the Revised 27787
Code. 27788

(B) The facility governing board may submit a request for 27789
funding of some or all of its community-based correctional 27790
facilities and programs or district community-based correctional 27791
facilities and programs to the board of county commissioners of 27792
the county, if the facility governing board serves a 27793
community-based correctional facility and program, or to the 27794
boards of county commissioners of all of the member counties, if 27795
the facility governing board serves a district community-based 27796
correctional facility and program. The board or boards may 27797
appropriate, but are not required to appropriate, a sum of money 27798
for funding all aspects of each facility and program as outlined 27799
in sections 2301.51 to 2301.58 of the Revised Code. The facility 27800
governing board has no recourse against a board or boards of 27801
county commissioners if the board or boards of county 27802
commissioners do not appropriate money for funding any facility 27803
and program or if they appropriate money for funding a facility 27804
and program in an amount less than the total amount of the 27805
submitted request for funding. 27806

(C) Pursuant to section 2929.37 of the Revised Code, a board 27807

of county commissioners may require a person who was convicted of 27808
an offense and who is confined in a community-based correctional 27809
facility or district community-based correctional facility as 27810
provided in sections 2301.51 to 2301.58 of the Revised Code to 27811
reimburse the county for its expenses incurred by reason of the 27812
person's confinement. 27813

(D)(1) Community-based correctional facilities and programs 27814
and district community-based correctional facilities and programs 27815
are public offices under section 117.01 of the Revised Code and 27816
are subject to audit under section 117.10 of the Revised Code. The 27817
audits of the facilities and programs shall include financial 27818
audits and, in addition, in the circumstances specified in this 27819
division, performance audits by the auditor of state. If a private 27820
or nonprofit entity performs the day-to-day operation of any 27821
community-based correctional facility and program or district 27822
community-based correctional facility and program, the private or 27823
nonprofit entity also is subject to financial audits under section 27824
117.10 of the Revised Code, and, in addition, in the circumstances 27825
specified in this division, to performance audits by the auditor 27826
of state. The auditor of state shall conduct the performance 27827
audits of a facility and program and of an entity required under 27828
section 117.10 of the Revised Code and this division and, 27829
notwithstanding the time period for audits specified in section 27830
117.11 of the Revised Code, shall conduct the financial audits of 27831
a facility and program and of an entity required under section 27832
117.10 of the Revised Code and this division, in accordance with 27833
the following criteria: 27834

(a) For each facility and program and each entity, the 27835
auditor of state shall conduct the initial financial audit within 27836
two years after March 31, 2003, or, if the facility and program in 27837
question is established on or after March 31, 2003, within two 27838
years after the date on which it is established. 27839

(b) After the initial financial audit described in division 27840
(D)(1)(a) of this section, for each facility and program and each 27841
entity, the auditor of state shall conduct the financial audits of 27842
the facility and program or the entity at least once every two 27843
fiscal years. 27844

(c) At any time after March 31, 2003, regarding a facility 27845
and program or regarding an entity that performs the day-to-day 27846
operation of a facility and program, the department of 27847
rehabilitation and correction or the facility governing board that 27848
established the facility and program may request, or the auditor 27849
of state on its own initiative may undertake, a performance audit 27850
of the facility and program or the entity. Upon the receipt of the 27851
request, or upon the auditor of state's own initiative as 27852
described in this division, the auditor of state shall conduct a 27853
performance audit of the facility and program or the entity. 27854

(2) ~~The department of rehabilitation and correction~~ Each 27855
community-based correctional facility and program, district 27856
community-based correctional facility and program, and, to the 27857
extent that information is available, private or nonprofit entity 27858
that performs the day-to-day operation of any community-based 27859

The clerk of the court of claims shall maintain in the clerk's office a list of wrongfully imprisoned individuals for whom notices are received under this section and shall create files in the clerk's office for each such individual.

individual of the wrongfully imprisoned individual's rights under 28564
this section. Until the statute of limitations provided in 28565
division (H) of this section expires and unless the wrongfully 28566

the clerk of the court of claims shall send a similar letter in a 28568

exclusive, original jurisdiction over such a civil action. The 28576
civil action shall proceed, be heard, and be determined as 28577
provided in sections 2743.01 to 2743.20 of the Revised Code, 28578
except that if a provision of this section conflicts with a 28579
provision in any of those sections, the provision in this section 28580

sentencing, and a certified copy of the entry of the determination 28587
of the court of common pleas that the claimant is a wrongfully 28588
imprisoned individual under division (B)(2) of this section. No 28589
other evidence shall be required of the complainant to establish 28590
that the claimant is a wrongfully imprisoned individual, and the 28591
claimant shall be irrebuttably presumed to be a wrongfully 28592
imprisoned individual. 28593

(2) In a civil action as described in division (D) of this 28594

in connection with obtaining the wrongfully imprisoned 28603
individual's discharge from confinement in the state correctional 28604
institution; 28605

share of forty thousand three hundred thirty dollars or the 28612
adjusted amount determined by the auditor of state pursuant to 28613
section 2743.49 of the Revised Code; 28614

be paid to the state or political subdivision, whichever is 28637
applicable. 28638

(F)(1) If the court of claims determines in a civil action as 28639

a wrongfully imprisoned individual, it shall enter judgment for 28641
the wrongfully imprisoned individual in the amount of the sum of 28642
money to which the wrongfully imprisoned individual is entitled 28643

court shall reduce that sum by the amount of the payment to the 28650

section. However, this section does not affect any liability of 28663
the state or of its employees to a wrongfully imprisoned 28664
individual on a claim for relief that is not based on the fact of 28665
the wrongful imprisonment, including, but not limited to, a claim 28666
for relief that arises out of circumstances occurring during the 28667
wrongfully imprisoned individual's confinement in the state 28668
correctional institution. 28669

(G) The clerk of the court of claims shall forward a 28670

allegedly aggrieved by a denial of access to public records in 28712
violation of division (B) of section 149.43 of the Revised Code 28713
may seek relief under that section or under this section, 28714
provided, however, that if the allegedly aggrieved person files a 28715
complaint under either section, that person may not seek relief 28716
that pertains to the same request for records in a complaint filed 28717
under the other section. 28718

(2) If the allegedly aggrieved person files a complaint under 28719
this section and the court of claims determines that the complaint 28720
constitutes a case of first impression that involves an issue of 28721
substantial public interest, the court shall dismiss the complaint 28722
without prejudice and direct the allegedly aggrieved person to 28723
commence a mandamus action in the court of appeals with 28724
appropriate jurisdiction as provided in division (C)(1) of section 28725

of the court of claims, with the clerk of the court of claims or 28729

The person shall attach to the complaint copies of the original 28732
records request and any written responses or other communications 28733
relating to the request from the public office or person 28734
responsible for public records and shall pay a filing fee of 28735

whom the complaint is filed. The clerk shall serve a copy of the 28737
complaint on the public office or person responsible for public 28738
records for the particular public office in accordance with Civil 28739
Rule 4.1 and, if the complaint is filed with the clerk of the 28740

court of common pleas, shall forward the complaint to the clerk of 28741
the court of claims, and to no other court, within three business 28742
days after service is complete. 28743

(2) Upon receipt of a complaint filed under division (D)(1) 28744
of this section, the clerk of the court of claims shall assign a 28745
case number for the action and a special master to examine the 28746
complaint. Notwithstanding any provision to the contrary in this 28747
section, upon the recommendation of the special master, the court 28748
of claims on its own motion may dismiss the complaint at any time. 28749
The allegedly aggrieved person may voluntarily dismiss the 28750
complaint filed by that person under division (D)(1) of this 28751
section. 28752

(E)(1) Upon service of a complaint under division (D)(1) of 28753
this section, except as otherwise provided in this division, the 28754
special master assigned by the clerk under division (D)(2) of this 28755
section immediately shall refer the case to mediation services 28756
that the court of claims makes available to persons. If, in the 28757
interest of justice considering the circumstances of the case or 28758
the parties, the special master determines that the case should 28759
not be referred to mediation, the special master shall notify the 28760
court that the case was not referred to mediation, and the case 28761
shall proceed in accordance with division (F) of this section. If 28762
the case is referred to mediation, any further proceedings under 28763
division (F) of this section shall be stayed until the conclusion 28764
of the mediation. Any mediation proceedings under this division 28765
may be conducted by teleconference, telephone, or other electronic 28766
means. If an agreement is reached during mediation, the court 28767
shall dismiss the complaint. If an agreement is not reached, the 28768
special master shall notify the court that the case was not 28769
resolved and that the mediation has been terminated. 28770

(2) Within ten business days after the termination of the 28771
mediation or the notification to the court that the case was not 28772

referred to mediation under division (E)(1) of this section, the 28773
public office or person responsible for public records shall file 28774
a response, and if applicable, a motion to dismiss the complaint, 28775
with the clerk of the court of claims and transmit copies of the 28776
pleadings to the allegedly aggrieved party. No further motions or 28777
pleadings shall be accepted by the clerk of the court of claims or 28778
by the special master assigned by the clerk under division (D)(2) 28779
of this section unless the special master directs in writing that 28780
a further motion or pleading be filed. 28781

(3) All of the following apply prior to the submission of the 28782
special master's report and recommendation to the court of claims 28783
under division (F)(1) of this section: 28784

(a) The special master shall not permit any discovery. 28785

(b) The parties may attach supporting affidavits to their 28786
respective pleadings. 28787

(c) The special master may require either or both of the 28788
parties to submit additional information or documentation 28789
supported by affidavits. 28790

(F)(1) Not later than seven business days after receiving the 28791
response, or motion to dismiss the complaint, if applicable, of 28792
the public office or person responsible for public records, the 28793
special master shall submit to the court of claims a report and 28794
recommendation based on the ordinary application of statutory law 28795
and case law as they existed at the time of the filing of the 28796
complaint. For good cause shown, the special master may extend the 28797
seven-day period for the submission of the report and 28798
recommendation to the court of claims under this division by an 28799
additional seven business days. 28800

(2) Upon submission of the special master's report and 28801
recommendation to the court of claims under division (F)(1) of 28802
this section, the clerk shall send copies of the report and 28803

recommendation to each party by certified mail, return receipt 28804
requested, not later than three business days after the report and 28805
recommendation is filed. Either party may object to the report and 28806
recommendation within seven business days after receiving the 28807
report and recommendation by filing a written objection with the 28808
clerk and sending a copy to the other party by certified mail, 28809
return receipt requested. Any objection to the report and 28810
recommendation shall be specific and state with particularity all 28811
grounds for the objection. If neither party timely objects, the 28812
court of claims shall promptly issue a final order adopting the 28813
report and recommendation, unless it determines that there is an 28814
error of law or other defect evident on the face of the report and 28815
recommendation. If either party timely objects, the other party 28816
may file with the clerk a response within seven business days 28817
after receiving the objection and send a copy of the response to 28818
the objecting party by certified mail, return receipt requested. 28819
The court, within seven business days after the response to the 28820
objection is filed, shall issue a final order that adopts, 28821
modifies, or rejects the report and recommendation. 28822

(3) If the court of claims determines that the public office 28823
or person responsible for the public records denied the aggrieved 28824
person access to the public records in violation of division (B) 28825
of section 149.43 of the Revised Code and if no appeal from the 28826
court's final order is taken under division (G) of this section, 28827
both of the following apply: 28828

(a) The public office or the person responsible for the 28829
public records shall permit the aggrieved person to inspect or 28830
receive copies of the public records that the court requires to be 28831
disclosed in its order. 28832

(b) The aggrieved person shall be entitled to recover from 28833
the public office or person responsible for the public records the 28834
amount of the filing fee of twenty-five dollars and any other 28835

costs associated with the action that are incurred by the 28836
aggrieved person, but shall not be entitled to recover attorney's 28837
fees, except that division (G)(2) of this section applies if an 28838
appeal is taken under division (G)(1) of this section. 28839

(G)(1) Any appeal from a final order of the court of claims 28840
under this section or from an order of the court of claims 28841
dismissing the complaint as provided in division (D)(2) of this 28842
section shall be taken to the court of appeals of the appellate 28843
district where the principal place of business of the public 28844
office from which the public record is requested is located. 28845
However, no appeal may be taken from a final order of the court of 28846
claims that adopts the special master's report and recommendation 28847
unless a timely objection to that report and recommendation was 28848
filed under division (F)(2) of this section. If the court of 28849
claims materially modifies the special master's report and 28850
recommendation, either party may take an appeal to the court of 28851
appeals of the appellate district of the principal place of 28852
business where that public office is located but the appeal shall 28853
be limited to the issue in the report and recommendation that is 28854
materially modified by the court of claims. In order to facilitate 28855
the expeditious resolution of disputes over alleged denials of 28856
access to public records in violation of division (B) of section 28857
149.43 of the Revised Code, the appeal shall be given such 28858
precedence over other pending matters as will ensure that the 28859
court will reach a decision promptly. 28860

(2) If a court of appeals in any appeal taken under division 28861
(G)(1) of this section by the public office or person responsible 28862
for the public records determines that the public office or person 28863
denied the aggrieved person access to the public records in 28864
violation of division (B) of section 149.43 of the Revised Code 28865
and obviously filed the appeal with the intent to either delay 28866
compliance with the court of claims' order from which the appeal 28867

is taken for no reasonable cause or unduly harass the aggrieved 28868
person, the court of appeals may award reasonable attorney's fees 28869
to the aggrieved person in accordance with division (C) of section 28870
149.43 of the Revised Code. No discovery may be conducted on the 28871
issue of the public office or person responsible for the public 28872
records filing the appeal with the alleged intent to either delay 28873
compliance with the court of claims' order for no reasonable cause 28874
or unduly harass the aggrieved person. This division shall not be 28875
construed as creating a presumption that the public office or the 28876
person responsible for the public records filed the appeal with 28877
the intent to either delay compliance with the court of claims' 28878
order for no reasonable cause or unduly harass the aggrieved 28879
person. 28880

(H) The powers of the court of claims prescribed in section 28881
2743.05 of the Revised Code apply to the proceedings in that court 28882
under this section. 28883

(I)(1) All filing fees collected by a clerk of the court of 28884
common pleas under division (D)(1) of this section shall be paid 28885
to the county treasurer for deposit into the county general 28886
revenue fund. All such money collected during a month shall be 28887
transmitted on or before the twentieth day of the following month 28888
by the clerk of the court of common pleas to the county treasurer. 28889

(2) All filing fees collected by the clerk of the court of 28890
claims under division (D)(1) of this section shall be ~~kept~~ 28891
deposited into the state treasury to the credit of the public 28892
records fund, which is hereby created. Money credited to the fund 28893
shall be used by the court of claims to assist in paying for its 28894
costs to implement this section. All investment earnings of the 28895
fund shall be credited to the fund. Not later than the first day 28896
of February of each year, the clerk of the court of claims shall 28897
prepare a report accessible to the public that details the fees 28898
collected during the preceding calendar year by the clerk of the 28899

court of claims and the clerks of the courts of common pleas under 28900
this section. 28901

(J) Nothing in this section shall be construed to limit the 28902
authority of the auditor of state under division (G) of section 28903
109.43 of the Revised Code. 28904

liable in a civil action brought by any individual injured by the 28921

equitable relief, including injunctive relief, it finds 28923
appropriate. If an award is made in favor of the plaintiff, the 28924
court may award costs and reasonable attorney's fees to the 28925
plaintiff after a hearing to determine the amount of the fees. 28926

(C) No business entity, property owner, or public or private 28927
employer shall be held liable in any civil action for damages, 28928

and supervision over the offender under that division, to the 29515
adult parole authority. If the public or private person or entity 29516
that operates or administers the sanction or the program or 29517
activity that comprises the sanction reports the violation or 29518
departure to the county or multicounty department of probation or 29519
the adult parole authority, the department's or authority's 29520
officers may treat the offender as if the offender were on 29521
probation and in violation of the probation, and shall report the 29522
violation of the condition of the sanction, any condition of 29523
release under a community control sanction imposed by the court, 29524
the violation of law, or the departure from the state without the 29525
required permission to the sentencing court. 29526

(3) If an offender who is eligible for community control 29527
sanctions under this section admits to being drug addicted or the 29528
court has reason to believe that the offender is drug addicted, 29529
and if the offense for which the offender is being sentenced was 29530
related to the addiction, the court may require that the offender 29531
be assessed by a properly credentialed professional within a 29532
specified period of time and shall require the professional to 29533
file a written assessment of the offender with the court. If a 29534
court imposes treatment and recovery support services as a 29535
community control sanction, the court shall direct the level and 29536
type of treatment and recovery support services after 29537
consideration of the written assessment, if available at the time 29538
of sentencing, and recommendations of the professional and other 29539
treatment and recovery support services providers. 29540

(4) If an assessment completed pursuant to division (A)(3) of 29541
this section indicates that the offender is addicted to drugs or 29542

alcohol, the court may include in any community control sanction 29543
imposed for a violation of section 2925.02, 2925.03, 2925.04, 29544
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 29545
2925.37 of the Revised Code a requirement that the offender 29546
participate in alcohol and drug addiction services and recovery 29547
supports certified under section 5119.36 of the Revised Code or 29548
offered by a properly credentialed community addiction services 29549
provider. 29550

(B)(1) If the conditions of a community control sanction are 29551
violated or if the offender violates a law or leaves the state 29552
without the permission of the court or the offender's probation 29553
officer, the sentencing court may impose upon the violator one or 29554
more of the following penalties: 29555

(a) A longer time under the same sanction if the total time 29556
under the sanctions does not exceed the five-year limit specified 29557
in division (A) of this section; 29558

(b) A more restrictive sanction under section 2929.16, 29559
2929.17, or 2929.18 of the Revised Code; 29560

(c) A prison term on the offender pursuant to section 2929.14 29561
of the Revised Code and division (B)(3) of this section, provided 29562
that a prison term imposed under this division for any technical 29563
violation of the conditions of a community control sanction 29564
imposed for a felony of the fifth degree or for any violation of 29565
law committed while under a community control sanction imposed for 29566
such a felony that consists of a new criminal offense and that is 29567
not a felony shall not exceed ninety days. 29568

(2) If an offender was acting pursuant to division (B)(2)(b) 29569
of section 2925.11 of the Revised Code and in so doing violated 29570
the conditions of a community control sanction based on a minor 29571
drug possession offense, as defined in section 2925.11 of the 29572
Revised Code, the sentencing court may consider the offender's 29573

conduct in seeking or obtaining medical assistance for another in 29574
good faith or for self or may consider the offender being the 29575
subject of another person seeking or obtaining medical assistance 29576
in accordance with that division as a mitigating factor before 29577
imposing any of the penalties described in division (B)(1) of this 29578
section. 29579

(3) The prison term, if any, imposed upon a violator pursuant 29580
to this division shall be within the range of prison terms 29581
available for the offense for which the sanction that was violated 29582
was imposed and shall not exceed the prison term specified in the 29583
notice provided to the offender at the sentencing hearing pursuant 29584
to division (B)(2) of section 2929.19 of the Revised Code. The 29585
court may reduce the longer period of time that the offender is 29586
required to spend under the longer sanction, the more restrictive 29587
sanction, or a prison term imposed pursuant to this division by 29588
the time the offender successfully spent under the sanction that 29589
was initially imposed. 29590

(C) If an offender, for a significant period of time, 29591
fulfills the conditions of a sanction imposed pursuant to section 29592
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 29593
manner, the court may reduce the period of time under the sanction 29594
or impose a less restrictive sanction, but the court shall not 29595
permit the offender to violate any law or permit the offender to 29596
leave the state without the permission of the court or the 29597
offender's probation officer. 29598

(D)(1) If a court under division (A)(1) of this section 29599
imposes a condition of release under a community control sanction 29600
that requires the offender to submit to random drug testing, the 29601
department of probation or the adult parole authority that has 29602
general control and supervision of the offender under division 29603
(A)(2)(a) of this section may cause the offender to submit to 29604
random drug testing performed by a laboratory or entity that has 29605

entered into a contract with any of the governmental entities or 29606
officers authorized to enter into a contract with that laboratory 29607
or entity under section 341.26, 753.33, or 5120.63 of the Revised 29608
Code. 29609

(2) If no laboratory or entity described in division (D)(1) 29610
of this section has entered into a contract as specified in that 29611
division, the department of probation or the adult parole 29612
authority that has general control and supervision of the offender 29613
under division (A)(2)(a) of this section shall cause the offender 29614
to submit to random drug testing performed by a reputable public 29615
laboratory to determine whether the individual who is the subject 29616
of the drug test ingested or was injected with a drug of abuse. 29617

(3) A laboratory or entity that has entered into a contract 29618
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 29619
shall perform the random drug tests under division (D)(1) of this 29620
section in accordance with the applicable standards that are 29621
included in the terms of that contract. A public laboratory shall 29622
perform the random drug tests under division (D)(2) of this 29623
section in accordance with the standards set forth in the policies 29624
and procedures established by the department of rehabilitation and 29625
correction pursuant to section 5120.63 of the Revised Code. An 29626
offender who is required under division (A)(1) of this section to 29627
submit to random drug testing as a condition of release under a 29628
community control sanction and whose test results indicate that 29629
the offender ingested or was injected with a drug of abuse shall 29630
pay the fee for the drug test if the department of probation or 29631
the adult parole authority that has general control and 29632
supervision of the offender requires payment of a fee. A 29633
laboratory or entity that performs the random drug testing on an 29634
offender under division (D)(1) or (2) of this section shall 29635
transmit the results of the drug test to the appropriate 29636
department of probation or the adult parole authority that has 29637

general control and supervision of the offender under division 29638
(A)(2)(a) of this section. 29639

motion, the sentencing court may reduce the eligible offender's 29690
aggregated nonmandatory prison term or terms through a judicial 29691
release under this section. 29692

(C) An eligible offender may file a motion for judicial 29693
release with the sentencing court within the following applicable 29694
periods: 29695

(1) If the aggregated nonmandatory prison term or terms is 29696

~~earlier than thirty days~~ at any time after the offender is 29698
delivered to a state correctional institution or, if the prison 29699
term includes a mandatory prison term or terms, ~~not earlier than~~ 29700
~~thirty days~~ at any time after the expiration of all mandatory 29701
prison terms. 29702

(2) If the aggregated nonmandatory prison term or terms is at 29703
least two years but less than five years, the eligible offender 29704
may file the motion not earlier than one hundred eighty days after 29705
the offender is delivered to a state correctional institution or, 29706
if the prison term includes a mandatory prison term or terms, not 29707

(3) If the aggregated nonmandatory prison term or terms is 29710

offender may file the motion not earlier than the date on which 29718
the eligible offender has served five years of the offender's 29719

expiration of all mandatory prison terms. 29722

(5) If the aggregated nonmandatory prison term or terms is 29723
more than ten years, the eligible offender may file the motion not 29724
earlier than the later of the date on which the offender has 29725

(D) Upon receipt of a timely motion for judicial release 29728

filed by an eligible offender under division (C) of this section 29729
or upon the sentencing court's own motion made within the 29730
appropriate time specified in that division, the court may deny 29731
the motion without a hearing or schedule a hearing on the motion. 29732
The court shall not grant the motion without a hearing. If a court 29733
denies a motion without a hearing, the court later may consider 29734
judicial release for that eligible offender on a subsequent motion 29735
filed by that eligible offender unless the court denies the motion 29736
with prejudice. If a court denies a motion with prejudice, the 29737
court may later consider judicial release on its own motion. If a 29738
court denies a motion after a hearing, the court shall not 29739
consider a subsequent motion for that eligible offender. The court 29740
shall hold only one hearing for any eligible offender. 29741

A hearing under this section shall be conducted in open court 29742
not less than thirty or more than sixty days after the motion is 29743

court shall enter its ruling on the motion within sixty days after 29748
the motion is filed. 29749

(E) If a court schedules a hearing under division (D) of this 29750
section, the court shall notify the eligible offender and the head 29751
of the state correctional institution in which the eligible 29752
offender is confined prior to the hearing. The head of the state 29753
correctional institution immediately shall notify the appropriate 29754
person at the department of rehabilitation and correction of the 29755
hearing, and the department within twenty-four hours after receipt 29756
of the notice, shall post on the database it maintains pursuant to 29757
section 5120.66 of the Revised Code the offender's name and all of 29758
the information specified in division (A)(1)(c)(i) of that 29759
section. If the court schedules a hearing for judicial release, 29760

the court promptly shall give notice of the hearing to the 29761
prosecuting attorney of the county in which the eligible offender 29762
was indicted. Upon receipt of the notice from the court, the 29763
prosecuting attorney shall do whichever of the following is 29764
applicable: 29765

(1) Subject to division (E)(2) of this section, notify the 29766
victim of the offense or the victim's representative pursuant to 29767
division (B) of section 2930.16 of the Revised Code; 29768

(2) If the offense was an offense of violence that is a 29769
felony of the first, second, or third degree, except as otherwise 29770
provided in this division, notify the victim or the victim's 29771
representative of the hearing regardless of whether the victim or 29772
victim's representative has requested the notification. The notice 29773
of the hearing shall not be given under this division to a victim 29774
or victim's representative if the victim or victim's 29775
representative has requested pursuant to division (B)(2) of 29776
section 2930.03 of the Revised Code that the victim or the 29777
victim's representative not be provided the notice. If notice is 29778
to be provided to a victim or victim's representative under this 29779
division, the prosecuting attorney may give the notice by any 29780
reasonable means, including regular mail, telephone, and 29781
electronic mail, in accordance with division (D)(1) of section 29782
2930.16 of the Revised Code. If the notice is based on an offense 29783
committed prior to March 22, 2013, the notice also shall include 29784
the opt-out information described in division (D)(1) of section 29785
2930.16 of the Revised Code. The prosecuting attorney, in 29786
accordance with division (D)(2) of section 2930.16 of the Revised 29787
Code, shall keep a record of all attempts to provide the notice, 29788
and of all notices provided, under this division. Division (E)(2) 29789
of this section, and the notice-related provisions of division (K) 29790
of this section, division (D)(1) of section 2930.16, division (H) 29791
of section 2967.12, division (E)(1)(b) of section 2967.19, 29792

division (A)(3)(b) of section 2967.26, division (D)(1) of section 29793
2967.28, and division (A)(2) of section 5149.101 of the Revised 29794
Code enacted in the act in which division (E)(2) of this section 29795
was enacted, shall be known as "Roberta's Law." 29796

(F) Upon an offender's successful completion of 29797
rehabilitative activities, the head of the state correctional 29798
institution may notify the sentencing court of the successful 29799
completion of the activities. 29800

(G) Prior to the date of the hearing on a motion for judicial 29801
release under this section, the head of the state correctional 29802
institution in which the eligible offender is confined shall send 29803
to the court an institutional summary report on the eligible 29804
offender's conduct in the institution and in any institution from 29805
which the eligible offender may have been transferred. Upon the 29806
request of the prosecuting attorney of the county in which the 29807
eligible offender was indicted or of any law enforcement agency, 29808
the head of the state correctional institution, at the same time 29809
the person sends the institutional summary report to the court, 29810
also shall send a copy of the report to the requesting prosecuting 29811
attorney and law enforcement agencies. The institutional summary 29812
report shall cover the eligible offender's participation in 29813
school, vocational training, work, treatment, and other 29814
rehabilitative activities and any disciplinary action taken 29815
against the eligible offender. The report shall be made part of 29816
the record of the hearing. A presentence investigation report is 29817
not required for judicial release. 29818

(H) If the court grants a hearing on a motion for judicial 29819
release under this section, the eligible offender shall attend the 29820
hearing if ordered to do so by the court. Upon receipt of a copy 29821
of the journal entry containing the order, the head of the state 29822
correctional institution in which the eligible offender is 29823
incarcerated shall deliver the eligible offender to the sheriff of 29824

the county in which the hearing is to be held. The sheriff shall 29825
convey the eligible offender to and from the hearing. 29826

(I) At the hearing on a motion for judicial release under 29827
this section, the court shall afford the eligible offender and the 29828
eligible offender's attorney an opportunity to present written 29829
and, if present, oral information relevant to the motion. The 29830
court shall afford a similar opportunity to the prosecuting 29831
attorney, the victim or the victim's representative, and any other 29832
person the court determines is likely to present additional 29833
relevant information. The court shall consider any statement of a 29834
victim made pursuant to section 2930.14 or 2930.17 of the Revised 29835
Code, any victim impact statement prepared pursuant to section 29836
2947.051 of the Revised Code, and any report made under division 29837
(G) of this section. The court may consider any written statement 29838
of any person submitted to the court pursuant to division (L) of 29839
this section. After ruling on the motion, the court shall notify 29840
the victim of the ruling in accordance with sections 2930.03 and 29841
2930.16 of the Revised Code. 29842

(J)(1) A court shall not grant a judicial release under this 29843
section to an eligible offender who is imprisoned for a felony of 29844
the first or second degree, or to an eligible offender who 29845
committed an offense under Chapter 2925. or 3719. of the Revised 29846
Code and for whom there was a presumption under section 2929.13 of 29847
the Revised Code in favor of a prison term, unless the court, with 29848
reference to factors under section 2929.12 of the Revised Code, 29849
finds both of the following: 29850

(a) That a sanction other than a prison term would adequately 29851
punish the offender and protect the public from future criminal 29852
violations by the eligible offender because the applicable factors 29853
indicating a lesser likelihood of recidivism outweigh the 29854
applicable factors indicating a greater likelihood of recidivism; 29855

(b) That a sanction other than a prison term would not demean 29856

the seriousness of the offense because factors indicating that the
eligible offender's conduct in committing the offense was less
serious than conduct normally constituting the offense outweigh
factors indicating that the eligible offender's conduct was more
serious than conduct normally constituting the offense.

(2) A court that grants a judicial release to an eligible
offender under division (J)(1) of this section shall specify on
the record both findings required in that division and also shall
list all the factors described in that division that were
presented at the hearing.

(K) If the court grants a motion for judicial release under
this section, the court shall order the release of the eligible
offender, shall place the eligible offender under an appropriate
community control sanction, under appropriate conditions, and
under the supervision of the department of probation serving the
court and shall reserve the right to reimpose the sentence that it
reduced if the offender violates the sanction. If the court
reimposes the reduced sentence, it may do so either concurrently
with, or consecutive to, any new sentence imposed upon the
eligible offender as a result of the violation that is a new
offense. Except as provided in division (R)(2) of this section,
the period of community control shall be no longer than five
years. The court, in its discretion, may reduce the period of
community control by the amount of time the eligible offender
spent in jail or prison for the offense and in prison. If the
court made any findings pursuant to division (J)(1) of this
section, the court shall serve a copy of the findings upon counsel
for the parties within fifteen days after the date on which the
court grants the motion for judicial release.

If the court grants a motion for judicial release, the court
shall notify the appropriate person at the department of
rehabilitation and correction, and the department shall post

notice of the release on the database it maintains pursuant to 29889
section 5120.66 of the Revised Code. The court also shall notify 29890
the prosecuting attorney of the county in which the eligible 29891
offender was indicted that the motion has been granted. Unless the 29892
victim or the victim's representative has requested pursuant to 29893
division (B)(2) of section 2930.03 of the Revised Code that the 29894
victim or victim's representative not be provided the notice, the 29895
prosecuting attorney shall notify the victim or the victim's 29896
representative of the judicial release in any manner, and in 29897
accordance with the same procedures, pursuant to which the 29898
prosecuting attorney is authorized to provide notice of the 29899
hearing pursuant to division (E)(2) of this section. If the notice 29900
is based on an offense committed prior to March 22, 2013, the 29901
notice to the victim or victim's representative also shall include 29902
the opt-out information described in division (D)(1) of section 29903
2930.16 of the Revised Code. 29904

(L) In addition to and independent of the right of a victim 29905
to make a statement pursuant to section 2930.14, 2930.17, or 29906
2946.051 of the Revised Code and any right of a person to present 29907
written information or make a statement pursuant to division (I) 29908
of this section, any person may submit to the court, at any time 29909
prior to the hearing on the offender's motion for judicial 29910
release, a written statement concerning the effects of the 29911
offender's crime or crimes, the circumstances surrounding the 29912
crime or crimes, the manner in which the crime or crimes were 29913
perpetrated, and the person's opinion as to whether the offender 29914
should be released. 29915

(M) The changes to this section that are made on September 29916

release of the offender into society would create undue risk to 29924
public safety, may grant a judicial release to an offender who is 29925
not serving a life sentence at any time during the offender's 29926
imposed sentence when the director of rehabilitation and 29927

and (L) of this section, except for the following: 29938

(1) The court may waive the offender's appearance at any 29939
hearing scheduled by the court if the offender's condition makes 29940
it impossible for the offender to participate meaningfully in the 29941
proceeding. 29942

(2) The court may grant the motion without a hearing, 29943
provided that the prosecuting attorney and victim or victim's 29944

department of rehabilitation and correction to verify the 29950
certification made under division (N) of this section. 29951

release if the offender violates the community control sanction 29961
described in division (R)(1) of this section. The period of that 29962
community control is not subject to the five-year limitation 29963
described in division (K) of this section and shall not expire 29964
earlier than the date on which all of the offender's mandatory 29965
prison terms expire. 29966

(S) If the health of an offender who is released under 29967
division (N) of this section improves so that the offender is no 29968
longer terminally ill, medically incapacitated, or in imminent 29969
danger of death, the court shall, upon the court's own motion, 29970
revoke the judicial release. The court shall not grant the motion 29971
without a hearing unless the offender waives a hearing. If a 29972
hearing is held, the court shall afford the offender and the 29973
offender's attorney an opportunity to present written and, if the 29974
offender or the offender's attorney is present, oral information 29975
relevant to the motion. The court shall afford a similar 29976
opportunity to the prosecuting attorney, the victim or the 29977

recipient of aid pursuant to Chapter 5107. ~~or 5115.~~ of the Revised 30859
Code, shall neglect or refuse to pay such agency the reasonable 30860
cost of maintaining such child when such father or mother is able 30861
to do so by reason of property, labor, or earnings. 30862

An offense under this section shall be held committed in the 30863
county in which the agency is located. The agency shall file 30864
charges against any parent who violates this section, unless the 30865
agency files charges under section 2919.21 of the Revised Code, or 30866
unless charges of nonsupport are filed by a relative or guardian 30867
of the child, or unless an action to enforce support is brought 30868
under Chapter 3115. of the Revised Code. 30869

Sec. 3113.07. As used in this section, "executive director" 30870
has the same meaning as in section 5153.01 of the Revised Code. 30871

Sentence may be suspended, if a person, after conviction 30872
under section 3113.06 of the Revised Code and before sentence 30873
thereunder, appears before the court of common pleas in which such 30874
conviction took place and enters into bond to the state in a sum 30875
fixed by the court at not less than five hundred dollars, with 30876
sureties approved by such court, conditioned that such person will 30877
pay, so long as the child remains a ward of the public children 30878
services agency or a recipient of aid pursuant to Chapter 5107. ~~or~~ 30879
~~5115.~~ of the Revised Code, to the executive director thereof or to 30880
a trustee to be named by the court, for the benefit of such agency 30881
or if the child is a recipient of aid pursuant to Chapter 5107. ~~or~~ 30882
~~5115.~~ of the Revised Code, to the county department of job and 30883
family services, the reasonable cost of keeping such child. The 30884
amount of such costs and the time of payment shall be fixed by the 30885

court. 30886

The court, in accordance with sections 3119.29 to 3119.56 of 30887
the Revised Code, shall include in each support order made under 30888
this section the requirement that one or both of the parents 30889
provide for the health care needs of the child to the satisfaction 30890
of the court. 30891

Sec. 3119.05. When a court computes the amount of child 30892
support required to be paid under a court child support order or a 30893
child support enforcement agency computes the amount of child 30894
support to be paid pursuant to an administrative child support 30895
order, all of the following apply: 30896

(A) The parents' current and past income and personal 30897
earnings shall be verified by electronic means or with suitable 30898
documents, including, but not limited to, paystubs, employer 30899
statements, receipts and expense vouchers related to 30900
self-generated income, tax returns, and all supporting 30901
documentation and schedules for the tax returns. 30902

(B) The amount of any pre-existing child support obligation 30903
of a parent under a child support order and the amount of any 30904
court-ordered spousal support actually paid shall be deducted from 30905
the gross income of that parent to the extent that payment under 30906
the child support order or that payment of the court-ordered 30907
spousal support is verified by supporting documentation. 30908

(C) If other minor children who were born to the parent and a 30909
person other than the other parent who is involved in the 30910
immediate child support determination live with the parent, the 30911
court or agency shall deduct an amount from that parent's gross 30912
income that equals the number of such minor children times the 30913
federal income tax exemption for such children less child support 30914
received for them for the year, not exceeding the federal income 30915
tax exemption. 30916

(D) When the court or agency calculates the gross income of a parent, it shall include the lesser of the following as income from overtime and bonuses:

(1) The yearly average of all overtime, commissions, and bonuses received during the three years immediately prior to the time when the person's child support obligation is being computed;

(2) The total overtime, commissions, and bonuses received during the year immediately prior to the time when the person's child support obligation is being computed.

(E) When the court or agency calculates the gross income of a parent, it shall not include any income earned by the spouse of that parent.

(F) The court shall issue a separate order for extraordinary medical or dental expenses, including, but not limited to, orthodontia, psychological, appropriate private education, and other expenses, and may consider the expenses in adjusting a child support order.

(G) When a court or agency calculates the amount of child support to be paid pursuant to a court child support order or an administrative child support order, if the combined gross income of both parents is an amount that is between two amounts set forth in the first column of the schedule, the court or agency may use the basic child support obligation that corresponds to the higher of the two amounts in the first column of the schedule, use the basic child support obligation that corresponds to the lower of the two amounts in the first column of the schedule, or calculate a basic child support obligation that is between those two amounts and corresponds proportionally to the parents' actual combined gross income.

(H) When the court or agency calculates gross income, the court or agency, when appropriate, may average income over a

reasonable period of years. 30948

(I) Unless it would be unjust or inappropriate and therefore 30949
not in the best interests of the child, a court or agency shall 30950
not determine a parent to be voluntarily unemployed or 30951
underemployed and shall not impute income to that parent if either 30952
of the following conditions exist: 30953

(1) The parent is receiving recurring monetary income from 30954
means-tested public assistance benefits, including cash assistance 30955
payments under the Ohio works first program established under 30956
Chapter 5107. of the Revised Code, ~~financial assistance under the~~ 30957
~~disability financial assistance program established under Chapter~~ 30958
~~5115. of the Revised Code,~~ supplemental security income, or 30959
means-tested veterans' benefits; 30960

(2) The parent is incarcerated or institutionalized for a 30961
period of twelve months or more with no other available assets, 30962
unless the parent is incarcerated for an offense relating to the 30963
abuse or neglect of a child who is the subject of the support 30964
order or an offense under Title XXIX of the Revised Code when the 30965
obligee or a child who is the subject of the support order is a 30966
victim of the offense. 30967

(J) When a court or agency requires a parent to pay an amount 30968
for that parent's failure to support a child for a period of time 30969
prior to the date the court modifies or issues a court child 30970
support order or an agency modifies or issues an administrative 30971
child support order for the current support of the child, the 30972
court or agency shall calculate that amount using the basic child 30973
support schedule, worksheets, and child support laws in effect, 30974
and the incomes of the parents as they existed, for that prior 30975
period of time. 30976

(K) A court or agency may disregard a parent's additional 30977
income from overtime or additional employment when the court or 30978

agency finds that the additional income was generated primarily to support a new or additional family member or members, or under other appropriate circumstances.

(L) If both parents involved in the immediate child support determination have a prior order for support relative to a minor child or children born to both parents, the court or agency shall collect information about the existing order or orders and consider those together with the current calculation for support to ensure that the total of all orders for all children of the parties does not exceed the amount that would have been ordered if all children were addressed in a single judicial or administrative proceeding.

Sec. 3121.03. If a court or child support enforcement agency that issued or modified a support order, or the agency administering the support order, is required by the Revised Code to issue one or more withholding or deduction notices described in this section or other orders described in this section, the court or agency shall issue one or more of the following types of notices or orders, as appropriate, for payment of the support and also, if required by the Revised Code or the court, to pay any arrearages:

(A)(1) If the court or the child support enforcement agency determines that the obligor is receiving income from a payor, the court or agency shall require the payor to do all of the following:

(a) Withhold from the obligor's income a specified amount for support in satisfaction of the support order and begin the withholding no later than fourteen business days following the date the notice is mailed or transmitted to the payor under section 3121.035, 3123.021, or 3123.06 of the Revised Code and division (A)(2) of this section or, if the payor is an employer,

no later than the first pay period that occurs after fourteen 31010
business days following the date the notice is mailed or 31011
transmitted; 31012

(b) Send the amount withheld to the office of child support 31013
in the department of job and family services pursuant to section 31014
3121.43 of the Revised Code immediately but not later than seven 31015
business days after the date the obligor is paid; 31016

(c) Continue the withholding at intervals specified in the 31017
notice until further notice from the court or child support 31018
enforcement agency. 31019

To the extent possible, the amount specified to be withheld 31020
shall satisfy the amount ordered for support in the support order 31021
plus any arrearages owed by the obligor under any prior support 31022
order that pertained to the same child or spouse, notwithstanding 31023
any applicable limitations of sections 2329.66, 2329.70, 2716.02, 31024
2716.041, and 2716.05 of the Revised Code. However, in no case 31025
shall the sum of the amount to be withheld and any fee withheld by 31026
the payor as a charge for its services exceed the maximum amount 31027
permitted under section 303(b) of the "Consumer Credit Protection 31028
Act," 15 U.S.C. 1673(b). 31029

(2) A court or agency that imposes an income withholding 31030
requirement shall, within the applicable time specified in section 31031
3119.80, 3119.81, 3121.035, 3123.021, or 3123.06 of the Revised 31032
Code, send to the obligor's payor by regular mail or via secure 31033
federally managed data transmission interface a notice that 31034
contains all of the information applicable to withholding notices 31035
set forth in section 3121.037 of the Revised Code. The notice is 31036
final and is enforceable by the court. 31037

(B)(1) If the court or child support enforcement agency 31038
determines that the obligor has funds that are not exempt under 31039
the laws of this state or the United States from execution, 31040

attachment, or other legal process and are on deposit in an 31041
account in a financial institution under the jurisdiction of the 31042
court that issued the court support order, or in the case of an 31043
administrative child support order, under the jurisdiction of the 31044
common pleas court of the county in which the agency that issued 31045
or is administering the order is located, the court or agency may 31046
require any financial institution in which the obligor's funds are 31047
on deposit to do all of the following: 31048

(a) Deduct from the obligor's account a specified amount for 31049
support in satisfaction of the support order and begin the 31050
deduction no later than fourteen business days following the date 31051
the notice was mailed or transmitted to the financial institution 31052
under section 3121.035 or 3123.06 of the Revised Code and division 31053
(B)(2) of this section; 31054

(b) Send the amount deducted to the office of child support 31055
in the department of job and family services pursuant to section 31056
3121.43 of the Revised Code immediately but not later than seven 31057
business days after the date the latest deduction was made; 31058

(c) Provide the date on which the amount was deducted; 31059

(d) Continue the deduction at intervals specified in the 31060
notice until further notice from the court or child support 31061
enforcement agency. 31062

To the extent possible, the amount to be deducted shall 31063
satisfy the amount ordered for support in the support order plus 31064
any arrearages that may be owed by the obligor under any prior 31065
support order that pertained to the same child or spouse, 31066
notwithstanding the limitations of sections 2329.66, 2329.70, and 31067
2716.13 of the Revised Code. 31068

(2) A court or agency that imposes a deduction requirement 31069
shall, within the applicable period of time specified in section 31070
3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send 31071

to the financial institution by regular mail or via secure 31072
federally managed data transmission interface a notice that 31073
contains all of the information applicable to deduction notices 31074
set forth in section 3121.037 of the Revised Code. The notice is 31075
final and is enforceable by the court. 31076

(C) With respect to any court support order it issues, a 31077
court may issue an order requiring the obligor to enter into a 31078
cash bond with the court. The court shall issue the order as part 31079
of the court support order or, if the court support order has 31080
previously been issued, as a separate order. The cash bond shall 31081
be in a sum fixed by the court at not less than five hundred nor 31082
more than ten thousand dollars, conditioned that the obligor will 31083
make payment as previously ordered and will pay any arrearages 31084
under any prior court support order that pertained to the same 31085
child or spouse. 31086

The order, along with an additional order requiring the 31087
obligor to immediately notify the child support enforcement 31088
agency, in writing, if the obligor begins to receive income from a 31089
payor, shall be attached to and served on the obligor at the same 31090
time as service of the court support order or, if the court 31091
support order has previously been issued, as soon as possible 31092
after the issuance of the order under this section. The additional 31093
order requiring notice by the obligor shall state all of the 31094
following: 31095

(1) That when the obligor begins to receive income from a 31096
payor the obligor may request that the court cancel its bond order 31097
and instead issue a notice requiring the withholding of an amount 31098
from income for support in accordance with this section; 31099

(2) That when the obligor begins to receive income from a 31100
payor the court will proceed to collect on the bond if the court 31101
determines that payments due under the court support order have 31102
not been made and that the amount that has not been paid is at 31103

least equal to the support owed for one month under the court 31104
support order and will issue a notice requiring the withholding of 31105
an amount from income for support in accordance with this section. 31106
The notice required of the obligor shall include a description of 31107
the nature of any new employment, the name and business address of 31108
any new employer, and any other information reasonably required by 31109
the court. 31110

The court shall not order an obligor to post a cash bond 31111
under this section unless the court determines that the obligor 31112
has the ability to do so. 31113

A child support enforcement agency may not issue a cash bond 31114
order. If a child support enforcement agency is required to issue 31115
a withholding or deduction notice under this section with respect 31116
to a court support order but the agency determines that no 31117
withholding or deduction notice would be appropriate, the agency 31118
may request that the court issue a cash bond order under this 31119
section, and upon the request, the court may issue the order. 31120

(D)(1) If the obligor under a court support order is 31121
unemployed, has no income, and does not have an account at any 31122
financial institution, or on request of a child support 31123
enforcement agency under division (D)(1) or (2) of this section, 31124
the court shall issue an order requiring the obligor, if able to 31125
engage in employment, to seek employment or participate in a work 31126
activity to which a recipient of assistance under Title IV-A of 31127
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 31128
as amended, may be assigned as specified in section 407(d) of the 31129
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 31130
shall include in the order requirements that the obligor register 31131
with the OhioMeansJobs web site and to notify the child support 31132
enforcement agency on obtaining employment, obtaining any income, 31133
or obtaining ownership of any asset with a value of five hundred 31134
dollars or more. The court may issue the order regardless of 31135

whether the obligee to whom the obligor owes support is a 31136
recipient of assistance under Title IV-A of the "Social Security 31137
Act." The court shall issue the order as part of a court support 31138
order or, if a court support order has previously been issued, as 31139
a separate order. If a child support enforcement agency is 31140
required to issue a withholding or deduction notice under this 31141
section with respect to a court support order but determines that 31142
no withholding or deduction notice would be appropriate, the 31143
agency may request that the court issue a court order under 31144
division (D)(1) of this section, and, on the request, the court 31145
may issue the order. 31146

(2) If the obligor under an administrative child support 31147
order is unemployed, has no income, and does not have an account 31148
at any financial institution, the agency shall issue an 31149
administrative order requiring the obligor, if able to engage in 31150
employment, to seek employment or participate in a work activity 31151
to which a recipient of assistance under Title IV-A of the "Social 31152
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 31153
may be assigned as specified in section 407(d) of the "Social 31154
Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall 31155
include in the order requirements that the obligor register with 31156
the OhioMeansJobs web site and to notify the agency on obtaining 31157
employment or income, or ownership of any asset with a value of 31158

(2) The state board shall determine and designate at least 31200
five ranges of scores on each of the achievement assessments 31201
described in divisions (A)(1) and (B)(1) of this section. Each 31202

achievement so that any student attaining a score within such 31204
range has achieved one of the following: 31205

(a) An advanced level of skill; 31206

(b) An accelerated level of skill; 31207

The state board shall designate a score in at least the range designated under division (A)(2)(c) of this section on each such assessment that shall be deemed to be a passing score on the assessment as a condition toward granting high school diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 of the Revised Code until the assessment system prescribed by section 3301.0712 of the Revised Code is implemented in accordance with division (B)(2) of this section.

(2) The state board shall prescribe an assessment system in accordance with section 3301.0712 of the Revised Code that shall replace the Ohio graduation tests beginning with students who enter the ninth grade for the first time on or after July 1, 2014.

For purposes of this section and sections 3301.0711 and 3313.61 of the Revised Code, any student enrolled in any public high school in this state who has met an achievement assessment requirement specified in a reciprocal agreement entered into under this division shall be deemed to have attained at least the applicable score designated under this division on each assessment required by division (B)(1) or (2) of this section that is specified in the agreement.

prescribed by divisions (A) and (B) of this section. 31262

In prescribing administration dates pursuant to this 31263
division, the superintendent shall designate the dates in such a 31264
way as to allow a reasonable length of time between the 31265
administration of assessments prescribed under this section and 31266
any administration of the national assessment of educational 31267
progress given to students in the same grade level pursuant to 31268
section 3301.27 of the Revised Code or federal law. 31269

(D) The state board shall prescribe a practice version of 31270
each Ohio graduation test described in division (B)(1) of this 31271

(E) Any committee established by the department of education 31273
for the purpose of making recommendations to the state board 31274
regarding the state board's designation of scores on the 31275
assessments described by this section shall inform the state board 31276
of the probable percentage of students who would score in each of 31277
the ranges established under division (A)(2) of this section on 31278
the assessments if the committee's recommendations are adopted by 31279
the state board. To the extent possible, these percentages shall 31280
be disaggregated by gender, major racial and ethnic groups, 31281
limited English proficient students, economically disadvantaged 31282
students, students with disabilities, and migrant students. 31283

Sec. 3301.0711. (A) The department of education shall: 31284

required by divisions (A)(1) and (B)(1) of section 3301.0710 of 31286
the Revised Code to be administered by city, local, exempted 31287
village, and joint vocational school districts, except that each 31288
district shall score any assessment administered pursuant to 31289
division (B)(10) of this section. Each assessment so furnished 31290

shall include the data verification code of the student to whom 31291
the assessment will be administered, as assigned pursuant to 31292
division (D)(2) of section 3301.0714 of the Revised Code. In 31293
furnishing the practice versions of Ohio graduation tests 31294
prescribed by division (D) of section 3301.0710 of the Revised 31295
Code, the department shall make the tests available on its web 31296
site for reproduction by districts. In awarding contracts for 31297
grading assessments, the department shall give preference to 31298
Ohio-based entities employing Ohio residents. 31299

(2) Adopt rules for the ethical use of assessments and 31300
prescribing the manner in which the assessments prescribed by 31301
section 3301.0710 of the Revised Code shall be administered to 31302

section, the board of education of each city, local, and exempted 31305
village school district shall, in accordance with rules adopted 31306
under division (A) of this section: 31307

(1) Administer the English language arts assessments 31308

(5) Administer the assessments prescribed under division	31322
(A)(1)(d) of section 3301.0710 of the Revised Code at least once	31323
annually to all students in the sixth grade.	31324
(6) Administer the assessments prescribed under division	31325
(A)(1)(e) of section 3301.0710 of the Revised Code at least once	31326

program developed for the person by any high school pursuant to	31340
section 3323.08 of the Revised Code but has not received a high	31341
school diploma and who requests to take such assessment, at any	31342

that division. A board of a joint vocational school district may	31351
also administer such an assessment to any student described in	31352

division (B)(8)(b) of this section. 31353

(10) If the district has a three-year average graduation rate 31354
of not more than seventy-five per cent, administer each assessment 31355
prescribed by division (D) of section 3301.0710 of the Revised 31356
Code in September to all ninth grade students who entered ninth 31357
grade prior to July 1, 2014. 31358

Except as provided in section 3313.614 of the Revised Code 31359
for administration of an assessment to a person who has fulfilled 31360
the curriculum requirement for a high school diploma but has not 31361
passed one or more of the required assessments, the assessments 31362
prescribed under division (B)(1) of section 3301.0710 of the 31363
Revised Code shall not be administered after the date specified in 31364
the rules adopted by the state board of education under division 31365
(D)(1) of section 3301.0712 of the Revised Code. 31366

(11)(a) Except as provided in division (B)(11)(b) of this 31367
section, administer the assessments prescribed by division (B)(2) 31368
of section 3301.0710 and section 3301.0712 of the Revised Code in 31369
accordance with the timeline and plan for implementation of those 31370
assessments prescribed by rule of the state board adopted under 31371
division (D)(1) of section 3301.0712 of the Revised Code; 31372

(b) A student who has presented evidence to the district or 31373
school of having satisfied the condition prescribed by division 31374
(A)(1) of section 3313.618 of the Revised Code to qualify for a 31375
high school diploma prior to the date of the administration of the 31376
assessment prescribed under division (B)(1) of section 3301.0712 31377
of the Revised Code shall not be required to take that assessment. 31378
However, no board shall prohibit a student who is not required to 31379
take such assessment from taking the assessment. 31380

(C)(1)(a) In the case of a student receiving special 31381
education services under Chapter 3323. of the Revised Code, the 31382
individualized education program developed for the student under 31383

that chapter shall specify the manner in which the student will 31384
participate in the assessments administered under this section, 31385
except that a student with significant cognitive disabilities to 31386
whom an alternate assessment is administered in accordance with 31387
division (C)(1) of this section and a student determined to have a 31388
disability that includes an intellectual disability as outlined in 31389
guidance issued by the department shall not be required to take 31390
the assessment prescribed under division (B)(1) of section 31391
3301.0712 of the Revised Code. The individualized education 31392
program may excuse the student from taking any particular 31393
assessment required to be administered under this section if it 31394
instead specifies an alternate assessment method approved by the 31395
department of education as conforming to requirements of federal 31396
law for receipt of federal funds for disadvantaged pupils. To the 31397
extent possible, the individualized education program shall not 31398
excuse the student from taking an assessment unless no reasonable 31399
accommodation can be made to enable the student to take the 31400
assessment. No board shall prohibit a student who is not required 31401
to take an assessment under division (C)(1) of this section from 31402
taking the assessment. 31403

(b) Any alternate assessment approved by the department for a 31404
student under this division shall produce measurable results 31405
comparable to those produced by the assessment it replaces in 31406
order to allow for the student's results to be included in the 31407
data compiled for a school district or building under section 31408
3302.03 of the Revised Code. 31409

(c)(i) Any student enrolled in a chartered nonpublic school 31410
who has been identified, based on an evaluation conducted in 31411
accordance with section 3323.03 of the Revised Code or section 504 31412
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 31413
794, as amended, as a child with a disability shall be excused 31414
from taking any particular assessment required to be administered 31415

under this section if a plan developed for the student pursuant to 31416
rules adopted by the state board excuses the student from taking 31417
that assessment. 31418

(ii) A student with significant cognitive disabilities to 31419
whom an alternate assessment is administered in accordance with 31420
division (C)(1) of this section and a student determined to have a 31421
disability that includes an intellectual disability as outlined in 31422
guidance issued by the department shall not be required to take 31423
the assessment prescribed under division (B)(1) of section 31424
3301.0712 of the Revised Code. 31425

(iii) In the case of any student so excused from taking an 31426
assessment under division (C)(1)(c) of this section, the chartered 31427
nonpublic school shall not prohibit the student from taking the 31428
assessment. 31429

(2) A district board may, for medical reasons or other good 31430
cause, excuse a student from taking an assessment administered 31431
under this section on the date scheduled, but that assessment 31432
shall be administered to the excused student not later than nine 31433
days following the scheduled date. The district board shall 31434
annually report the number of students who have not taken one or 31435
more of the assessments required by this section to the state 31436
board not later than the thirtieth day of June. 31437

(3) As used in this division, "limited English proficient 31438
student" has the same meaning as in 20 U.S.C. 7801. 31439

No school district board shall excuse any limited English 31440
proficient student from taking any particular assessment required 31441
to be administered under this section, except as follows: 31442

(a) Any limited English proficient student who has been 31443
enrolled in United States schools for less than two years and for 31444
whom no appropriate accommodations are available based on guidance 31445
issued by the department shall not be required to take the 31446

assessment prescribed under division (B)(1) of section 3301.0712 31447
of the Revised Code. 31448

(b) Any limited English proficient student who has been 31449
enrolled in United States schools for less than one full school 31450
year shall not be required to take any reading, writing, or 31451
English language arts assessment. 31452

However, no board shall prohibit a limited English proficient 31453
student who is not required to take an assessment under division 31454
(C)(3) of this section from taking the assessment. A board may 31455
permit any limited English proficient student to take an 31456
assessment required to be administered under this section with 31457
appropriate accommodations, as determined by the department. For 31458
each limited English proficient student, each school district 31459
shall annually assess that student's progress in learning English, 31460
in accordance with procedures approved by the department. 31461

(4)(a) The governing authority of a chartered nonpublic 31462
school may excuse a limited English proficient student from taking 31463
any assessment administered under this section. 31464

(b) No governing authority shall require a limited English 31465
proficient student who has been enrolled in United States schools 31466
for less than two years and for whom no appropriate accommodations 31467
are available based on guidance issued by the department to take 31468
the assessment prescribed under division (B)(1) of section 31469
3301.0712 of the Revised Code. 31470

(c) No governing authority shall prohibit a limited English 31471
proficient student from taking an assessment from which the 31472
student was excused under division (C)(4) of this section. 31473

(D)(1) In the school year next succeeding the school year in 31474
which the assessments prescribed by division (A)(1) or (B)(1) of 31475
section 3301.0710 of the Revised Code or former division (A)(1), 31476
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 31477

existed prior to September 11, 2001, are administered to any 31478
student, the board of education of any school district in which 31479
the student is enrolled in that year shall provide to the student 31480
intervention services commensurate with the student's performance, 31481
including any intensive intervention required under section 31482
3313.608 of the Revised Code, in any skill in which the student 31483
failed to demonstrate at least a score at the proficient level on 31484
the assessment. 31485

(2) Following any administration of the assessments 31486
prescribed by division (D) of section 3301.0710 of the Revised 31487
Code to ninth grade students, each school district that has a 31488
three-year average graduation rate of not more than seventy-five 31489
per cent shall determine for each high school in the district 31490
whether the school shall be required to provide intervention 31491
services to any students who took the assessments. In determining 31492
which high schools shall provide intervention services based on 31493
the resources available, the district shall consider each school's 31494
graduation rate and scores on the practice assessments. The 31495
district also shall consider the scores received by ninth grade 31496
students on the English language arts and mathematics assessments 31497
prescribed under division (A)(1)(f) of section 3301.0710 of the 31498
Revised Code in the eighth grade in determining which high schools 31499
shall provide intervention services. 31500

Each high school selected to provide intervention services 31501
under this division shall provide intervention services to any 31502
student whose results indicate that the student is failing to make 31503
satisfactory progress toward being able to attain scores at the 31504
proficient level on the Ohio graduation tests. Intervention 31505
services shall be provided in any skill in which a student 31506
demonstrates unsatisfactory progress and shall be commensurate 31507
with the student's performance. Schools shall provide the 31508
intervention services prior to the end of the school year, during 31509

the summer following the ninth grade, in the next succeeding 31510
school year, or at any combination of those times. 31511

(E) Except as provided in section 3313.608 of the Revised 31512
Code and division (N) of this section, no school district board of 31513
education shall utilize any student's failure to attain a 31514
specified score on an assessment administered under this section 31515
as a factor in any decision to deny the student promotion to a 31516
higher grade level. However, a district board may choose not to 31517
