promote to the next grade level any student who does not take an 31518
assessment administered under this section or make up an 31519
assessment as provided by division (C)(2) of this section and who 31520
is not exempt from the requirement to take the assessment under 31521
division (C)(3) of this section. 31522

(F) No person shall be charged a fee for taking any 31523
assessment administered under this section. 31524

(G)(1) Each school district board shall designate one 31525
location for the collection of assessments administered in the 31526
spring under division (B)(1) of this section and those 31527
administered under divisions (B)(2) to (7) of this section. Each 31528
district board shall submit the assessments to the entity with 31529
which the department contracts for the scoring of the assessments 31530
as follows: 31531

(a) If the district's total enrollment in grades kindergarten 31532
through twelve during the first full school week of October was 31533
less than two thousand five hundred, not later than the Friday 31534
after all of the assessments have been administered; 31535

(b) If the district's total enrollment in grades kindergarten 31536
through twelve during the first full school week of October was 31537
two thousand five hundred or more, but less than seven thousand, 31538
not later than the Monday after all of the assessments have been 31539
administered; 31540

(c) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was seven thousand or more, not later than the Tuesday after all of the assessments have been administered.

However, any assessment that a student takes during the make-up period described in division (C)(2) of this section shall be submitted not later than the Friday following the day the student takes the assessment.

(2) The department or an entity with which the department contracts for the scoring of the assessment shall send to each school district board a list of the individual scores of all persons taking a state achievement assessment as follows:

(a) Except as provided in division (G)(2)(b) or (c) of this section, within forty-five days after the administration of the assessments prescribed by sections 3301.0710 and 3301.0712 of the Revised Code, but in no case shall the scores be returned later than the thirtieth day of June following the administration;

(b) In the case of the third-grade English language arts assessment, within forty-five days after the administration of that assessment, but in no case shall the scores be returned later than the fifteenth day of June following the administration;

(3) For assessments administered under this section by a joint vocational school district, the department or entity shall also send to each city, local, or exempted village school district a list of the individual scores of any students of such city,

local, or exempted village school district who are attending 31572
school in the joint vocational school district. 31573

(H) Individual scores on any assessments administered under 31574
this section shall be released by a district board only in 31575
accordance with section 3319.321 of the Revised Code and the rules 31576
adopted under division (A) of this section. No district board or 31577
its employees shall utilize individual or aggregate results in any 31578
manner that conflicts with rules for the ethical use of 31579
assessments adopted pursuant to division (A) of this section. 31580

(I) Except as provided in division (G) of this section, the 31581
department or an entity with which the department contracts for 31582
the scoring of the assessment shall not release any individual 31583
scores on any assessment administered under this section. The 31584
state board shall adopt rules to ensure the protection of student 31585
confidentiality at all times. The rules may require the use of the 31586
data verification codes assigned to students pursuant to division 31587
(D)(2) of section 3301.0714 of the Revised Code to protect the 31588
confidentiality of student scores. 31589

(J) Notwithstanding division (D) of section 3311.52 of the 31590
Revised Code, this section does not apply to the board of 31591
education of any cooperative education school district except as 31592
provided under rules adopted pursuant to this division. 31593

(1) In accordance with rules that the state board shall 31594
adopt, the board of education of any city, exempted village, or 31595
local school district with territory in a cooperative education 31596
school district established pursuant to divisions (A) to (C) of 31597
section 3311.52 of the Revised Code may enter into an agreement 31598
with the board of education of the cooperative education school 31599
district for administering any assessment prescribed under this 31600
section to students of the city, exempted village, or local school 31601
district who are attending school in the cooperative education 31602
school district. 31603

(2) In accordance with rules that the state board shall 31604
adopt, the board of education of any city, exempted village, or 31605
local school district with territory in a cooperative education 31606
school district established pursuant to section 3311.521 of the 31607
Revised Code shall enter into an agreement with the cooperative 31608
district that provides for the administration of any assessment 31609
prescribed under this section to both of the following: 31610

(a) Students who are attending school in the cooperative 31611
district and who, if the cooperative district were not 31612
established, would be entitled to attend school in the city, 31613
local, or exempted village school district pursuant to section 31614
3313.64 or 3313.65 of the Revised Code; 31615

(b) Persons described in division (B)(8)(b) of this section. 31616

Any assessment of students pursuant to such an agreement 31617
shall be in lieu of any assessment of such students or persons 31618
pursuant to this section. 31619

(K)(1) Except as otherwise provided in division (K)(1) or (2) 31620
of this section, each chartered nonpublic school for which at 31621
least sixty-five per cent of its total enrollment is made up of 31622
students who are participating in state scholarship programs shall 31623
administer the elementary assessments prescribed by section 31624
3301.0710 of the Revised Code. In accordance with procedures and 31625
deadlines prescribed by the department, the parent or guardian of 31626
a student enrolled in the school who is not participating in a 31627
state scholarship program may submit notice to the chief 31628
administrative officer of the school that the parent or guardian 31629
does not wish to have the student take the elementary assessments 31630
prescribed for the student's grade level under division (A) of 31631
section 3301.0710 of the Revised Code. If a parent or guardian 31632
submits an opt-out notice, the school shall not administer the 31633
assessments to that student. This option does not apply to any 31634
assessment required for a high school diploma under section 31635

3313.612 of the Revised Code. 31636

(2) A chartered nonpublic school may submit to the 31637
superintendent of public instruction a request for a waiver from 31638
administering the elementary assessments prescribed by division 31639
(A) of section 3301.0710 of the Revised Code. The state 31640
superintendent shall approve or disapprove a request for a waiver 31641
submitted under division (K)(2) of this section. No waiver shall 31642
be approved for any school year prior to the 2015-2016 school 31643
year. 31644

To be eligible to submit a request for a waiver, a chartered 31645
nonpublic school shall meet the following conditions: 31646

(a) At least ninety-five per cent of the students enrolled in 31647
the school are children with disabilities, as defined under 31648
section 3323.01 of the Revised Code, or have received a diagnosis 31649
by a school district or from a physician, including a 31650
neuropsychiatrist or psychiatrist, or a psychologist who is 31651
authorized to practice in this or another state as having a 31652
condition that impairs academic performance, such as dyslexia, 31653
dyscalculia, attention deficit hyperactivity disorder, or 31654
Asperger's syndrome. 31655

(b) The school has solely served a student population 31656
described in division (K)(1)(a) of this section for at least ten 31657
years. 31658

(c) The school provides to the department at least five years 31659
of records of internal testing conducted by the school that 31660
affords the department data required for accountability purposes, 31661
including diagnostic assessments and nationally standardized 31662
norm-referenced achievement assessments that measure reading and 31663
math skills. 31664

(3) Any chartered nonpublic school that is not subject to 31665
division (K)(1) of this section may participate in the assessment 31666

program by administering any of the assessments prescribed by 31667
division (A) of section 3301.0710 of the Revised Code. The chief 31668
administrator of the school shall specify which assessments the 31669
school will administer. Such specification shall be made in 31670
writing to the superintendent of public instruction prior to the 31671
first day of August of any school year in which assessments are 31672
administered and shall include a pledge that the nonpublic school 31673
will administer the specified assessments in the same manner as 31674
public schools are required to do under this section and rules 31675
adopted by the department. 31676

(4) The department of education shall furnish the assessments 31677
prescribed by section 3301.0710 of the Revised Code to each 31678
chartered nonpublic school that is subject to division (K)(1) of 31679
this section or participates under division (K)(3) of this 31680
section. 31681

(L) If a chartered nonpublic school is educating students in 31682
grades nine through twelve, the following shall apply: 31683

(1) For a student who is enrolled in a chartered nonpublic 31684
school that is accredited through the independent schools 31685
association of the central states and who is attending the school 31686
under a state scholarship program, the student shall either take 31687
all of the assessments prescribed by division (B) of section 31688
3301.0712 of the Revised Code or take an alternative assessment 31689
approved by the department under section 3313.619 of the Revised 31690
Code. However, a student who is excused from taking an assessment 31691
under division (C) of this section or has presented evidence to 31692
the chartered nonpublic school of having satisfied the condition 31693
prescribed by division (A)(1) of section 3313.618 of the Revised 31694
Code to qualify for a high school diploma prior to the date of the 31695
administration of the assessment prescribed under division (B)(1) 31696
of section 3301.0712 of the Revised Code shall not be required to 31697
take that assessment. No governing authority of a chartered 31698

nonpublic school shall prohibit a student who is not required to
take such assessment from taking the assessment.

(2) For a student who is enrolled in a chartered nonpublic
school that is accredited through the independent schools
association of the central states, and who is not attending the
school under a state scholarship program, the student shall not be
required to take any assessment prescribed under section 3301.0712
or 3313.619 of the Revised Code.

(3)(a) Except as provided in division (L)(3)(b) of this
section, for a student who is enrolled in a chartered nonpublic
school that is not accredited through the independent schools
association of the central states, regardless of whether the
student is attending or is not attending the school under a state
scholarship program, the student shall do one of the following:

(i) Take all of the assessments prescribed by division (B) of
section 3301.0712 of the Revised Code;

(ii) Take only the assessment prescribed by division (B)(1)
of section 3301.0712 of the Revised Code, provided that the
student's school publishes the results of that assessment for each
graduating class. The published results of that assessment shall
include the overall composite scores, mean scores, twenty-fifth
percentile scores, and seventy-fifth percentile scores for each
subject area of the assessment.

(iii) Take an alternative assessment approved by the
department under section 3313.619 of the Revised Code.

(b) A student who is excused from taking an assessment under
division (C) of this section or has presented evidence to the
chartered nonpublic school of having satisfied the condition
prescribed by division (A)(1) of section 3313.618 of the Revised
Code to qualify for a high school diploma prior to the date of the
administration of the assessment prescribed under division (B)(1)

of section 3301.0712 of the Revised Code shall not be required to 31730
take that assessment. No governing authority of a chartered 31731
nonpublic school shall prohibit a student who is not required to 31732
take such assessment from taking the assessment. 31733

(M)(1) The superintendent of the state school for the blind 31734
and the superintendent of the state school for the deaf shall 31735
administer the assessments described by sections 3301.0710 and 31736
3301.0712 of the Revised Code. Each superintendent shall 31737
administer the assessments in the same manner as district boards 31738
are required to do under this section and rules adopted by the 31739
department of education and in conformity with division (C)(1)(a) 31740
of this section. 31741

(2) The department of education shall furnish the assessments 31742
described by sections 3301.0710 and 3301.0712 of the Revised Code 31743
to each superintendent. 31744

(N) Notwithstanding division (E) of this section, a school 31745
district may use a student's failure to attain a score in at least 31746
the proficient range on the mathematics assessment described by 31747
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 31748
an assessment described by division (A)(1)(b), (c), (d), (e), or 31749
(f) of section 3301.0710 of the Revised Code as a factor in 31750
retaining that student in the current grade level. 31751

(O)(1) In the manner specified in divisions (O)(3), (4), ~~and~~ 31752
(6), and (7) of this section, the assessments required by division 31753
(A)(1) of section 3301.0710 of the Revised Code shall become 31754
public records pursuant to section 149.43 of the Revised Code on 31755
the thirty-first day of July following the school year that the 31756
assessments were administered. 31757

(2) The department may field test proposed questions with 31758
samples of students to determine the validity, reliability, or 31759
appropriateness of questions for possible inclusion in a future 31760

year's assessment. The department also may use anchor questions on 31761
assessments to ensure that different versions of the same 31762
assessment are of comparable difficulty. 31763

Field test questions and anchor questions shall not be 31764
considered in computing scores for individual students. Field test 31765
questions and anchor questions may be included as part of the 31766
administration of any assessment required by division (A)(1) or 31767
(B) of section 3301.0710 and division (B) of section 3301.0712 of 31768
the Revised Code. 31769

(3) Any field test question or anchor question administered 31770
under division (O)(2) of this section shall not be a public 31771
record. Such field test questions and anchor questions shall be 31772
redacted from any assessments which are released as a public 31773
record pursuant to division (O)(1) of this section. 31774

(4) This division applies to the assessments prescribed by 31775
division (A) of section 3301.0710 of the Revised Code. 31776

(a) The first administration of each assessment, as specified 31777
in former section 3301.0712 of the Revised Code, shall be a public 31778
record. 31779

(b) For subsequent administrations of each assessment prior 31780
to the 2011-2012 school year, not less than forty per cent of the 31781
questions on the assessment that are used to compute a student's 31782
score shall be a public record. The department shall determine 31783
which questions will be needed for reuse on a future assessment 31784
and those questions shall not be public records and shall be 31785
redacted from the assessment prior to its release as a public 31786
record. However, for each redacted question, the department shall 31787
inform each city, local, and exempted village school district of 31788
the statewide academic standard adopted by the state board under 31789
section 3301.079 of the Revised Code and the corresponding 31790
benchmark to which the question relates. The preceding sentence 31791

does not apply to field test questions that are redacted under 31792
division (O)(3) of this section. 31793

(c) The administrations of each assessment in the 2011-2012, 31794
2012-2013, and 2013-2014 school years shall not be a public 31795
record. 31796

(5) Each assessment prescribed by division (B)(1) of section 31797
3301.0710 of the Revised Code shall not be a public record. 31798

(6) ~~Beginning with the spring administration for~~ (a) Except 31799
as provided in division (O)(6)(b) of this section, for the 31800
administrations in the 2014-2015, 2015-2016, and 2016-2017 school 31801
year years, questions on the assessments prescribed under division 31802
(A) of section 3301.0710 and division (B)(2) of section 3301.0712 31803
of the Revised Code and the corresponding preferred answers that 31804
are used to compute a student's score shall become a public record 31805
as follows: 31806

~~(a)~~(i) Forty per cent of the questions and preferred answers 31807
on the assessments on the thirty-first day of July following the 31808
administration of the assessment; 31809

~~(b)~~(ii) Twenty per cent of the questions and preferred 31810
answers on the assessment on the thirty-first day of July one year 31811
after the administration of the assessment; 31812

~~(c)~~(iii) The remaining forty per cent of the questions and 31813
preferred answers on the assessment on the thirty-first day of 31814
July two years after the administration of the assessment. 31815

The entire content of an assessment shall become a public 31816
record within three years of its administration. 31817

The department shall make the questions that become a public 31818
record under this division readily accessible to the public on the 31819
department's web site. Questions on the spring administration of 31820
each assessment shall be released on an annual basis, in 31821

accordance with this division. 31822

(b) No questions and corresponding preferred answers shall 31823
become a public record under division (O)(6) of this section after 31824
July 31, 2017. 31825

(7) Division (O)(7) of this section applies to the 31826
assessments prescribed by division (A) of section 3301.0710 and 31827
division (B)(2) of section 3301.0712 of the Revised Code. 31828

Beginning with the assessments administered in the spring of 31829
the 2017-2018 school year, not less than forty per cent of the 31830
questions on each assessment that are used to compute a student's 31831
score shall be a public record. The department shall determine 31832
which questions will be needed for reuse on a future assessment 31833
and those questions shall not be public records and shall be 31834
redacted from the assessment prior to its release as a public 31835
record. However, for each redacted question, the department shall 31836
inform each city, local, and exempted village school district of 31837
the corresponding statewide academic standard adopted by the state 31838
board under section 3301.079 of the Revised Code and the 31839
corresponding benchmark to which the question relates. The 31840
department is not required to provide corresponding standards and 31841
benchmarks to field test questions that are redacted under 31842
division (O)(3) of this section. 31843

(P) As used in this section: 31844

(1) "Three-year average" means the average of the most recent 31845
consecutive three school years of data. 31846

(2) "Dropout" means a student who withdraws from school 31847
before completing course requirements for graduation and who is 31848
not enrolled in an education program approved by the state board 31849
of education or an education program outside the state. "Dropout" 31850
does not include a student who has departed the country. 31851

(3) "Graduation rate" means the ratio of students receiving a 31852

diploma to the number of students who entered ninth grade four 31853
years earlier. Students who transfer into the district are added 31854
to the calculation. Students who transfer out of the district for 31855
reasons other than dropout are subtracted from the calculation. If 31856
a student who was a dropout in any previous year returns to the 31857
same school district, that student shall be entered into the 31858
calculation as if the student had entered ninth grade four years 31859
before the graduation year of the graduating class that the 31860
student joins. 31861

(4) "State scholarship programs" means the educational choice 31862
scholarship pilot program established under sections 3310.01 to 31863
3310.17 of the Revised Code, the autism scholarship program 31864
established under section 3310.41 of the Revised Code, the Jon 31865

3313.979 of the Revised Code. 31869

the ninth grade for the first time on or after July 1, 2014, the 31876
system shall replace the Ohio graduation tests prescribed in 31877
division (B)(1) of section 3301.0710 of the Revised Code as a 31878
measure of student academic performance and one determinant of 31879
eligibility for a high school diploma in the manner prescribed by 31880
rule of the state board adopted under division (D) of this 31881
section. 31882

(B) The college and work ready assessment system shall 31883

consultation with faculty in the appropriate subject areas at 31898
institutions of higher education of the university system of Ohio. 31899
Advanced placement examinations and international baccalaureate 31900
examinations, as prescribed under section 3313.6013 of the Revised 31901
Code, in the areas of science, American history, and American 31902

with division (B)(4)(a)(i) of this section. Final course grades 31904
for courses taken under any other advanced standing program, as 31905
prescribed under section 3313.6013 of the Revised Code, in the 31906
areas of science, American history, and American government may be 31907
used in lieu of end-of-course examinations in accordance with 31908

division (M) of section 3313.603 of the Revised Code. Each high 31916
school of the district shall use the interim examinations until 31917
the state superintendent and chancellor select end-of-course 31918
examinations in American history and American government under 31919
division (B)(2) of this section. 31920

(b) Not later than July 1, 2014, the state superintendent and 31921
the chancellor shall select the end-of-course examinations in 31922
American history and American government. 31923

(i) The end-of-course examinations in American history and 31924
American government shall require demonstration of mastery of the 31925
American history and American government content for social 31926
studies standards adopted under division (A)(1)(b) of section 31927
3301.079 of the Revised Code and the topics required under 31928

section, beginning with the 2014-2015 school year, both of the 31935
following shall apply: 31936

(i) If a student is enrolled in an appropriate advanced 31937
placement or international baccalaureate course, that student 31938
shall take the advanced placement or international baccalaureate 31939
examination in lieu of the science, American history, or American 31940
government end-of-course examinations prescribed under division 31941
(B)(2) of this section. The state board shall specify the score 31942
levels for each advanced placement examination and international 31943
baccalaureate examination for purposes of calculating the minimum 31944
cumulative performance score that demonstrates the level of 31945
academic achievement necessary to earn a high school diploma. 31946

(ii) If a student is enrolled in an appropriate course under 31947
any other advanced standing program, as described in section 31948
3313.6013 of the Revised Code, that student shall not be required 31949
to take the science, American history, or American government 31950
end-of-course examination, whichever is applicable, prescribed 31951
under division (B)(2) of this section. Instead, that student's 31952
final course grade shall be used in lieu of the applicable 31953
end-of-course examination prescribed under that section. The state 31954
superintendent, in consultation with the chancellor, shall adopt 31955
guidelines for purposes of calculating the corresponding final 31956
course grades that demonstrate the level of academic achievement 31957
necessary to earn a high school diploma. 31958

Division (B)(4)(a)(ii) of this section shall apply only to 31959
courses for which students receive transcribed credit, as defined 31960
in ~~division (U)~~ of section 3365.01 of the Revised Code. It shall 31961
not apply to remedial or developmental courses. 31962

(b) No student shall take a substitute examination or 31963
examination prescribed under division (B)(4)(a) of this section in 31964
place of the end-of-course examinations in English language arts 31965
I, English language arts II, Algebra I, or geometry prescribed 31966
under division (B)(2) of this section. 31967

(c) The state board shall consider additional assessments 31968
that may be used, beginning with the 2016-2017 school year, as 31969
substitute examinations in lieu of the end-of-course examinations 31970
prescribed under division (B)(2) of this section. 31971

(5) The state board shall do all of the following: 31972

(a) Determine and designate at least five ranges of scores on 31973
each of the end-of-course examinations prescribed under division 31974
(B)(2) of this section, and substitute examinations prescribed 31975
under division (B)(4) of this section. Each range of scores shall 31976
be considered to demonstrate a level of achievement so that any 31977

student attaining a score within such range has achieved one of	31978
the following:	31979
(i) An advanced level of skill;	31980
(ii) An accelerated level of skill;	31981
(iii) A proficient level of skill;	31982
(iv) A basic level of skill;	31983
(v) A limited level of skill.	31984
(b) Determine a method by which to calculate a cumulative	31985
performance score based on the results of a student's	31986
end-of-course examinations or substitute examinations;	31987
(c) Determine the minimum cumulative performance score that	31988
demonstrates the level of academic achievement necessary to earn a	31989
high school diploma;	31990
(d) Develop a table of corresponding score equivalents for	31991
the end-of-course examinations and substitute examinations in	31992
order to calculate student performance consistently across the	31993
different examinations.	31994
A score of two on an advanced placement examination or a	31995
score of two or three on an international baccalaureate	31996
examination shall be considered equivalent to a proficient level	31997
of skill as specified under division (B)(5)(a)(iii) of this	31998
section.	31999
(6)(a) A student who meets both of the following conditions	32000
shall not be required to take an end-of-course examination:	32001
(i) The student received high school credit prior to July 1,	32002
2015, for a course for which the end-of-course examination is	32003
prescribed.	32004
(ii) The examination was not available for administration	32005
prior to July 1, 2015.	32006

Receipt of credit for the course described in division 32007
(B)(6)(a)(i) of this section shall satisfy the requirement to take 32008
the end-of-course examination. A student exempted under division 32009
(B)(6)(a) of this section may take the applicable end-of-course 32010
examination at a later date. 32011

(b) For purposes of determining whether a student who is 32012
exempt from taking an end-of-course examination under division 32013
(B)(6)(a) of this section has attained the cumulative score 32014
prescribed by division (B)(5)(c) of this section, such student 32015
shall select either of the following: 32016

(i) The student is considered to have attained a proficient 32017
score on the end-of-course examination from which the student is 32018
exempt; 32019

(ii) The student's final course grade shall be used in lieu 32020
of a score on the end-of-course examination from which the student 32021
is exempt. 32022

The state superintendent, in consultation with the 32023
chancellor, shall adopt guidelines for purposes of calculating the 32024
corresponding final course grades and the minimum cumulative 32025
performance score that demonstrates the level of academic 32026
achievement necessary to earn a high school diploma. 32027

(7)(a) Notwithstanding anything to the contrary in this 32028
section, the state board may replace the algebra I end-of-course 32029
examination prescribed under division (B)(2) of this section with 32030
an algebra II end-of-course examination, beginning with the 32031
2016-2017 school year for students who enter ninth grade on or 32032
after July 1, 2016. 32033

(b) If the state board replaces the algebra I end-of-course 32034
examination with an algebra II end-of-course examination as 32035
authorized under division (B)(7)(a) of this section, both of the 32036
following shall apply: 32037

(i) A student who is enrolled in an advanced placement or international baccalaureate course in algebra II shall take the advanced placement or international baccalaureate examination in lieu of the algebra II end-of-course examination.

(ii) A student who is enrolled in an algebra II course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, shall not be required to take the algebra II end-of-course examination. Instead, that student's final course grade shall be used in lieu of the examination.

(c) If a school district or school utilizes an integrated approach to mathematics instruction, the district or school may do either or both of the following:

(i) Administer an integrated mathematics I end-of-course examination in lieu of the prescribed algebra I end-of-course examination;

(ii) Administer an integrated mathematics II end-of-course examination in lieu of the prescribed geometry end-of-course examination.

(8)(a) For students entering the ninth grade for the first time on or after July 1, 2014, but prior to July 1, 2015, the assessment in the area of science shall be physical science or biology. For students entering the ninth grade for the first time on or after July 1, 2015, the assessment in the area of science shall be biology.

(b) Until July 1, 2019, the department of education shall make available the end-of-course examination in physical science for students who entered the ninth grade for the first time on or after July 1, 2014, but prior to July 1, 2015, and who wish to retake the examination.

(c) Not later than July 1, 2016, the state board shall adopt rules prescribing the requirements for the end-of-course

examination in science for students who entered the ninth grade 32069
for the first time on or after July 1, 2014, but prior to July 1, 32070
2015, and who have not met the requirement prescribed by section 32071
3313.618 of the Revised Code by July 1, 2019, due to a student's 32072
failure to satisfy division (A)(2) of section 3313.618 of the 32073
Revised Code. 32074

area of world history. 32077

(C) The state board shall convene a group of national 32078
experts, state experts, and local practitioners to provide advice, 32079
guidance, and recommendations for the alignment of standards and 32080
model curricula to the assessments and in the design of the 32081
end-of-course examinations prescribed by this section. 32082

(D) Upon completion of the development of the assessment 32083
system, the state board shall adopt rules prescribing all of the 32084
following: 32085

(1) A timeline and plan for implementation of the assessment 32086
system, including a phased implementation if the state board 32087
determines such a phase-in is warranted; 32088

of the entire assessment system as a prerequisite for a diploma of 32090
adult education under section 3313.611 of the Revised Code; 32091

(3) Whether and the extent to which a person may be excused 32092

Code; 32096

of the Revised Code. 32107

(E) Not later than forty-five days prior to the state board's 32108
adoption of a resolution directing the department to file the 32109
rules prescribed by division (D) of this section in final form 32110
under section 119.04 of the Revised Code, the superintendent of 32111
public instruction shall present the assessment system developed 32112
under this section to the respective committees of the house of 32113
representatives and senate that consider education legislation. 32114

reporting under this section of any personally identifiable 32367
information about any student, except for the purpose of assigning 32368
the data verification code required by division (D)(2) of this 32369
section, to any other person unless such person is employed by the 32370
school district or the information technology center operated 32371
under section 3301.075 of the Revised Code and is authorized by 32372
the district or technology center to have access to such 32373
information or is employed by an entity with which the department 32374
contracts for the scoring or the development of state assessments. 32375
The guidelines may require school districts to provide the social 32376
security numbers of individual staff members and the county of 32377
residence for a student. Nothing in this section prohibits the 32378
state board of education or department of education from providing 32379
a student's county of residence to the department of taxation to 32380
facilitate the distribution of tax revenue. 32381

(2)(a) The guidelines shall provide for each school district 32382
or community school to assign a data verification code that is 32383
unique on a statewide basis over time to each student whose 32384
initial Ohio enrollment is in that district or school and to 32385
report all required individual student data for that student 32386
utilizing such code. The guidelines shall also provide for 32387
assigning data verification codes to all students enrolled in 32388
districts or community schools on the effective date of the 32389
guidelines established under this section. The assignment of data 32390
verification codes for other entities, as described in division 32391
(D)(2)(c) of this section, the use of those codes, and the 32392
reporting and use of associated individual student data shall be 32393
coordinated by the department in accordance with state and federal 32394
law. 32395

School districts shall report individual student data to the 32396
department through the information technology centers utilizing 32397
the code. The entities described in division (D)(2)(c) of this 32398
section shall report individual student data to the department in 32399
the manner prescribed by the department. 32400

Except as provided in sections 3301.941, 3310.11, 3310.42, 32401
3310.63, 3313.978, and 3317.20 of the Revised Code, at no time 32402
shall the state board or the department have access to information 32403
that would enable any data verification code to be matched to 32404
personally identifiable student data. 32405

(b) Each school district and community school shall ensure 32406
that the data verification code is included in the student's 32407
records reported to any subsequent school district, community 32408
school, or state institution of higher education, as defined in 32409
section 3345.011 of the Revised Code, in which the student 32410
enrolls. Any such subsequent district or school shall utilize the 32411
same identifier in its reporting of data under this section. 32412

(c) The director of any state agency that administers a 32413

publicly funded program providing services to children who are 32414
younger than compulsory school age, as defined in section 3321.01 32415
of the Revised Code, including the directors of health, job and 32416
family services, mental health and addiction services, and 32417
developmental disabilities, shall request and receive, pursuant to 32418
sections 3301.0723 and 5123.0423 of the Revised Code, a data 32419
verification code for a child who is receiving those services. 32420

(E) The guidelines adopted under this section may require 32421
school districts to collect and report data, information, or 32422
reports other than that described in divisions (A), (B), and (C) 32423
of this section for the purpose of complying with other reporting 32424
requirements established in the Revised Code. The other data, 32425
information, or reports may be maintained in the education 32426
management information system but are not required to be compiled 32427
as part of the profile formats required under division (G) of this 32428
section or the annual statewide report required under division (H) 32429
of this section. 32430

(F) Beginning with the school year that begins July 1, 1991, 32431
the board of education of each school district shall annually 32432
collect and report to the state board, in accordance with the 32433
guidelines established by the board, the data required pursuant to 32434
this section. A school district may collect and report these data 32435
notwithstanding section 2151.357 or 3319.321 of the Revised Code. 32436

(G) The state board shall, in accordance with the procedures 32437
it adopts, annually compile the data reported by each school 32438
district pursuant to division (D) of this section. The state board 32439
shall design formats for profiling each school district as a whole 32440
and each school building within each district and shall compile 32441
the data in accordance with these formats. These profile formats 32442
shall: 32443

(1) Include all of the data gathered under this section in a 32444
manner that facilitates comparison among school districts and 32445

among school buildings within each school district; 32446

(2) Present the data on academic achievement levels as 32447
assessed by the testing of student achievement maintained pursuant 32448
to division (B)(1)(d) of this section. 32449

(H)(1) The state board shall, in accordance with the 32450
procedures it adopts, annually prepare a statewide report for all 32451
school districts and the general public that includes the profile 32452
of each of the school districts developed pursuant to division (G) 32453
of this section. Copies of the report shall be sent to each school 32454
district. 32455

(2) The state board shall, in accordance with the procedures 32456
it adopts, annually prepare an individual report for each school 32457
district and the general public that includes the profiles of each 32458
of the school buildings in that school district developed pursuant 32459
to division (G) of this section. Copies of the report shall be 32460
sent to the superintendent of the district and to each member of 32461
the district board of education. 32462

(3) Copies of the reports received from the state board under 32463
divisions (H)(1) and (2) of this section shall be made available 32464
to the general public at each school district's offices. Each 32465
district board of education shall make copies of each report 32466
available to any person upon request and payment of a reasonable 32467
fee for the cost of reproducing the report. The board shall 32468
annually publish in a newspaper of general circulation in the 32469
school district, at least twice during the two weeks prior to the 32470
week in which the reports will first be available, a notice 32471
containing the address where the reports are available and the 32472
date on which the reports will be available. 32473

(I) Any data that is collected or maintained pursuant to this 32474
section and that identifies an individual pupil is not a public 32475
record for the purposes of section 149.43 of the Revised Code. 32476

(J) As used in this section:	32477
(1) "School district" means any city, local, exempted village, or joint vocational school district and, in accordance with section 3314.17 of the Revised Code, any community school. As used in division (L) of this section, "school district" also includes any educational service center or other educational entity required to submit data using the system established under this section.	32478 32479 32480 32481 32482 32483 32484
(2) "Cost" means any expenditure for operating expenses made by a school district excluding any expenditures for debt retirement except for payments made to any commercial lending institution for any loan approved pursuant to section 3313.483 of the Revised Code.	32485 32486 32487 32488 32489
(K) Any person who removes data from the information system established under this section for the purpose of releasing it to any person not entitled under law to have access to such information is subject to section 2913.42 of the Revised Code prohibiting tampering with data.	32490 32491 32492 32493 32494
(L)(1) In accordance with division (L)(2) of this section and the rules adopted under division (L)(10) of this section, the department of education may sanction any school district that reports incomplete or inaccurate data, reports data that does not conform to data requirements and descriptions published by the department, fails to report data in a timely manner, or otherwise does not make a good faith effort to report data as required by this section.	32495 32496 32497 32498 32499 32500 32501 32502
(2) If the department decides to sanction a school district under this division, the department shall take the following sequential actions:	32503 32504 32505
(a) Notify the district in writing that the department has determined that data has not been reported as required under this	32506 32507

section and require the district to review its data submission and 32508
submit corrected data by a deadline established by the department. 32509
The department also may require the district to develop a 32510
corrective action plan, which shall include provisions for the 32511
district to provide mandatory staff training on data reporting 32512
procedures. 32513

(b) Withhold up to ten per cent of the total amount of state 32514
funds due to the district for the current fiscal year and, if not 32515
previously required under division (L)(2)(a) of this section, 32516
require the district to develop a corrective action plan in 32517
accordance with that division; 32518

(c) Withhold an additional amount of up to twenty per cent of 32519
the total amount of state funds due to the district for the 32520
current fiscal year; 32521

(d) Direct department staff or an outside entity to 32522
investigate the district's data reporting practices and make 32523
recommendations for subsequent actions. The recommendations may 32524
include one or more of the following actions: 32525

(i) Arrange for an audit of the district's data reporting 32526
practices by department staff or an outside entity; 32527

(ii) Conduct a site visit and evaluation of the district; 32528

(iii) Withhold an additional amount of up to thirty per cent 32529
of the total amount of state funds due to the district for the 32530
current fiscal year; 32531

(iv) Continue monitoring the district's data reporting; 32532

(v) Assign department staff to supervise the district's data 32533
management system; 32534

(vi) Conduct an investigation to determine whether to suspend 32535
or revoke the license of any district employee in accordance with 32536
division (N) of this section; 32537

(vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the district has been sanctioned for failing to report data as required by this section;

(viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data submitted by the district likely caused the district to receive a higher performance rating than it deserved under that section, issue a revised report card for the district;

(ix) Any other action designed to correct the district's data reporting problems.

(3) Any time the department takes an action against a school district under division (L)(2) of this section, the department shall make a report of the circumstances that prompted the action. The department shall send a copy of the report to the district superintendent or chief administrator and maintain a copy of the report in its files.

(4) If any action taken under division (L)(2) of this section resolves a school district's data reporting problems to the department's satisfaction, the department shall not take any further actions described by that division. If the department withheld funds from the district under that division, the department may release those funds to the district, except that if the department withheld funding under division (L)(2)(c) of this section, the department shall not release the funds withheld under division (L)(2)(b) of this section and, if the department withheld funding under division (L)(2)(d) of this section, the department shall not release the funds withheld under division (L)(2)(b) or (c) of this section.

(5) Notwithstanding anything in this section to the contrary, the department may use its own staff or an outside entity to

conduct an audit of a school district's data reporting practices 32569
any time the department has reason to believe the district has not 32570
made a good faith effort to report data as required by this 32571
section. If any audit conducted by an outside entity under 32572
division (L)(2)(d)(i) or (5) of this section confirms that a 32573
district has not made a good faith effort to report data as 32574
required by this section, the district shall reimburse the 32575
department for the full cost of the audit. The department may 32576
withhold state funds due to the district for this purpose. 32577

(6) Prior to issuing a revised report card for a school 32578
district under division (L)(2)(d)(viii) of this section, the 32579
department may hold a hearing to provide the district with an 32580
opportunity to demonstrate that it made a good faith effort to 32581
report data as required by this section. The hearing shall be 32582
conducted by a referee appointed by the department. Based on the 32583
information provided in the hearing, the referee shall recommend 32584
whether the department should issue a revised report card for the 32585
district. If the referee affirms the department's contention that 32586
the district did not make a good faith effort to report data as 32587
required by this section, the district shall bear the full cost of 32588
conducting the hearing and of issuing any revised report card. 32589

(7) If the department determines that any inaccurate data 32590
reported under this section caused a school district to receive 32591
excess state funds in any fiscal year, the district shall 32592
reimburse the department an amount equal to the excess funds, in 32593
accordance with a payment schedule determined by the department. 32594
The department may withhold state funds due to the district for 32595
this purpose. 32596

(8) Any school district that has funds withheld under 32597
division (L)(2) of this section may appeal the withholding in 32598
accordance with Chapter 119. of the Revised Code. 32599

(9) In all cases of a disagreement between the department and 32600

a school district regarding the appropriateness of an action taken 32601
under division (L)(2) of this section, the burden of proof shall 32602
be on the district to demonstrate that it made a good faith effort 32603
to report data as required by this section. 32604

(10) The state board of education shall adopt rules under 32605
Chapter 119. of the Revised Code to implement division (L) of this 32606
section. 32607

(M) No information technology center or school district shall 32608
acquire, change, or update its student administration software 32609
package to manage and report data required to be reported to the 32610
department unless it converts to a student software package that 32611
is certified by the department. 32612

(N) The state board of education, in accordance with sections 32613
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 32614
license as defined under division (A) of section 3319.31 of the 32615
Revised Code that has been issued to any school district employee 32616
found to have willfully reported erroneous, inaccurate, or 32617
incomplete data to the education management information system. 32618

(O) No person shall release or maintain any information about 32619
any student in violation of this section. Whoever violates this 32620
division is guilty of a misdemeanor of the fourth degree. 32621

(P) The department shall disaggregate the data collected 32622
under division (B)(1)(n) of this section according to the race and 32623
socioeconomic status of the students assessed. 32624

(Q) If the department cannot compile any of the information 32625
required by division (H) of section 3302.03 of the Revised Code 32626
based upon the data collected under this section, the department 32627
shall develop a plan and a reasonable timeline for the collection 32628
of any data necessary to comply with that division. 32629

Sec. 3301.0715. (A) Except as required under division (B)(1) 32630

of section 3313.608 or as specified in division (D)(3) of section 32631
3301.079 of the Revised Code, the board of education of each city, 32632
local, and exempted village school district shall administer each 32633
applicable diagnostic assessment developed and provided to the 32634
district in accordance with section 3301.079 of the Revised Code 32635
to the following: 32636

(1) Any student who transfers into the district or to a 32637
different school within the district if each applicable diagnostic 32638
assessment was not administered by the district or school the 32639
student previously attended in the current school year, within 32640
thirty days after the date of transfer. If the district or school 32641
into which the student transfers cannot determine whether the 32642
student has taken any applicable diagnostic assessment in the 32643
current school year, the district or school may administer the 32644
diagnostic assessment to the student. However, if a student 32645
transfers into the district prior to the administration of the 32646
diagnostic assessments to all students under division (B) of this 32647
section, the district may administer the diagnostic assessments to 32648
that student on the date or dates determined under that division. 32649

(2) Each kindergarten student, not earlier than the first day 32650
of the school year and not later than the first day of November. 32651
However, a board of education may administer the selected response 32652
and performance task items portion of the diagnostic assessment up 32653
to two weeks prior to the first day of the school year. 32654

For the purpose of division (A)(2) of this section, the 32655
district shall administer the kindergarten readiness assessment 32656
provided by the department of education. In no case shall the 32657
results of the readiness assessment be used to prohibit a student 32658
from enrolling in kindergarten. 32659

(3) Each student enrolled in first, second, or third grade. 32660

Division (A) of this section does not apply to students with 32661

significant cognitive disabilities, as defined by the department 32662
of education. 32663

(B) Each district board shall administer each diagnostic 32664
assessment when the board deems appropriate, provided the 32665
administration complies with section 3313.608 of the Revised Code. 32666
However, the board shall administer any diagnostic assessment at 32667
least once annually to all students in the appropriate grade 32668
level. A district board may administer any diagnostic assessment 32669
in the fall and spring of a school year to measure the amount of 32670
academic growth attributable to the instruction received by 32671
students during that school year. 32672

(C) Any district that received a grade of "A" or "B" for the 32673
performance index score under division (A)(1)(b), (B)(1)(b), or 32674
(C)(1)(b) of section 3302.03 of the Revised Code or for the 32675
value-added progress dimension under division (A)(1)(e), 32676
(B)(1)(e), or (C)(1)(e) of section 3302.03 of the Revised Code for 32677
the immediately preceding school year may use different diagnostic 32678
assessments from those adopted under division (D) of section 32679
3301.079 of the Revised Code in order to satisfy the requirements 32680
of division (A)(3) of this section. 32681

(D) Each district board shall utilize and score any 32682
diagnostic assessment administered under division (A) of this 32683
section in accordance with rules established by the department. 32684
After the administration of any diagnostic assessment, each 32685
district shall provide a student's completed diagnostic 32686
assessment, the results of such assessment, and any other 32687
accompanying documents used during the administration of the 32688
assessment to the parent of that student, and shall include all 32689
such documents and information in any plan developed for the 32690
student under division (C) of section 3313.608 of the Revised 32691
Code. Each district shall submit to the department, in the manner 32692
the department prescribes, the results of the diagnostic 32693

assessments administered under this section, regardless of the 32694
type of assessment used under section 3313.608 of the Revised 32695
Code. The department may issue reports with respect to the data 32696
collected. The department may report school and district level 32697
kindergarten diagnostic assessment data and use diagnostic 32698
assessment data to calculate the measure prescribed by divisions 32699
(B)(1)(g) and (C)(1)(g) of section 3302.03 of the Revised Code. 32700

(E) Each district board shall provide intervention services 32701
to students whose diagnostic assessments show that they are 32702
failing to make satisfactory progress toward attaining the 32703
academic standards for their grade level. 32704

(F) Beginning in the 2018-2019 school year, any chartered 32705
nonpublic school may elect to administer the kindergarten 32706
readiness assessment to all kindergarten students enrolled in the 32707
school. If the school so elects, the chief administrator of the 32708
school shall notify the superintendent of public instruction not 32709
later than the thirty-first day of March prior to any school year 32710
in which the school will administer the assessment. The department 32711
shall furnish the assessment to the school at no cost to the 32712
school. In administering the assessment, the school shall do all 32713
of the following: 32714

(1) Enter into a written agreement with the department 32715
specifying that the school will share each participating student's 32716
assessment data with the department and, that for the purpose of 32717
reporting the data to the department, each participating student 32718
will be assigned a data verification code as described in division 32719
(D)(2) of section 3301.0714 of the Revised Code; 32720

(2) Require the assessment to be administered by a teacher 32721
certified under section 3301.071 of the Revised Code who either 32722
has completed training on administering the kindergarten readiness 32723
assessment provided by the department or has been trained by 32724
another person who has completed such training; 32725

(3) Administer the assessment in the same manner as school districts are required to do under this section and the rules established under division (D) of this section.

Sec. 3302.01. As used in this chapter:

(A) "Performance index score" means the average of the totals derived from calculations, for each subject area, of the weighted proportion of untested students and students scoring at each level of skill described in division (A)(2) of section 3301.0710 of the Revised Code on the state achievement assessments, as follows:

(1) For the assessments prescribed by division (A)(1) of section 3301.0710 of the Revised Code, the average for each of the subject areas of English language arts, mathematics, and science, ~~and social studies~~.

(2) For the assessments prescribed by division (B)(1) of section 3301.0710 and division (B)(2) of section 3301.0712 of the Revised Code, the average for each of the subject areas of English language arts and mathematics.

The department of education shall assign weights such that students who do not take an assessment receive a weight of zero and students who take an assessment receive progressively larger weights dependent upon the level of skill attained on the assessment. The department shall assign additional weights to students who have been permitted to pass over a subject in accordance with a student acceleration policy adopted under section 3324.10 of the Revised Code. If such a student attains the proficient score prescribed under division (A)(2)(c) of section 3301.0710 of the Revised Code or higher on an assessment, the department shall assign the student the weight prescribed for the next higher scoring level. If such a student attains the advanced score, prescribed under division (A)(2)(a) of section 3301.0710 of the Revised Code, on an assessment, the department shall assign to

the student an additional proportional weight, as approved by the 32757
state board. For each school year that such a student's score is 32758
included in the performance index score and the student attains 32759
the proficient score on an assessment, that additional weight 32760
shall be assigned to the student on a subject-by-subject basis. 32761

Students shall be included in the "performance index score" 32762
in accordance with division (K)(2) of section 3302.03 of the 32763
Revised Code. 32764

(B) "Subgroup" means a subset of the entire student 32765
population of the state, a school district, or a school building 32766
and includes each of the following: 32767

(1) Major racial and ethnic groups; 32768

(2) Students with disabilities; 32769

(3) Economically disadvantaged students; 32770

(4) Limited English proficient students; 32771

(5) Students identified as gifted in superior cognitive 32772
ability and specific academic ability fields under Chapter 3324. 32773
of the Revised Code. For students who are gifted in specific 32774
academic ability fields, the department shall use data for those 32775
students with specific academic ability in math and reading. If 32776
any other academic field is assessed, the department shall also 32777
include data for students with specific academic ability in that 32778
field. 32779

(6) Students in the lowest quintile for achievement 32780
statewide, as determined by a method prescribed by the state board 32781
of education. 32782

(C) "No Child Left Behind Act of 2001" includes the statutes 32783
codified at 20 U.S.C. 6301 et seq. and any amendments, waivers, or 32784
both thereto, rules and regulations promulgated pursuant to those 32785
statutes, guidance documents, and any other policy directives 32786

regarding implementation of that act issued by the United States 32787
department of education. 32788

(D) "Adequate yearly progress" means a measure of annual 32789
academic performance as calculated in accordance with the "No 32790
Child Left Behind Act of 2001." 32791

(E) "Supplemental educational services" means additional 32792
academic assistance, such as tutoring, remediation, or other 32793
educational enrichment activities, that is conducted outside of 32794
the regular school day by a provider approved by the department in 32795
accordance with the "No Child Left Behind Act of 2001." 32796

(F) "Value-added progress dimension" means a measure of 32797
academic gain for a student or group of students over a specific 32798
period of time that is calculated by applying a statistical 32799
methodology to individual student achievement data derived from 32800
the achievement assessments prescribed by section 3301.0710 of the 32801
Revised Code. The "value-added progress dimension" shall be 32802
developed and implemented in accordance with section 3302.021 of 32803
the Revised Code. 32804

school building in a district, in accordance with this section. 32832
The state board shall adopt rules pursuant to Chapter 119. of the 32833
Revised Code to establish performance criteria for each letter 32834
grade and prescribe a method by which the department assigns each 32835
letter grade. For a school building to which any of the 32836
performance measures do not apply, due to grade levels served by 32837
the building, the state board shall designate the performance 32838
measures that are applicable to the building and that must be 32839
calculated separately and used to calculate the building's overall 32840
grade. The department shall issue annual report cards reflecting 32841
the performance of each school district, each building within each 32842
district, and for the state as a whole using the performance 32843
measures and letter grade system described in this section. The 32844
department shall include on the report card for each district and 32845

building. Grades shall be awarded as a percentage of the total	32853
possible points on the performance index system as adopted by the	32854
state board. In adopting benchmarks for assigning letter grades	32855
under division (A)(1)(b) of this section, the state board of	32856
education shall designate ninety per cent or higher for an "A," at	32857
least seventy per cent but not more than eighty per cent for a	32858
"C," and less than fifty per cent for an "F."	32859

each of the applicable performance indicators established by the	32861
state board under section 3302.02 of the Revised Code and the	32862
percentage of applicable performance indicators that have been	32863
achieved. In adopting benchmarks for assigning letter grades under	32864
division (A)(1)(c) of this section, the state board shall	32865
designate ninety per cent or higher for an "A."	32866
(d) The four- and five-year adjusted cohort graduation rates.	32867
In adopting benchmarks for assigning letter grades under	32868
division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the	32869
department shall designate a four-year adjusted cohort graduation	32870
rate of ninety-three per cent or higher for an "A" and a five-year	32871
cohort graduation rate of ninety-five per cent or higher for an	32872
"A."	32873
(e) The overall score under the value-added progress	32874
dimension of a school district or building, for which the	32875
department shall use up to three years of value-added data as	32876
available. The letter grade assigned for this growth measure shall	32877
be as follows:	32878
(i) A score that is at least two standard errors of measure	32879

above the mean score shall be designated as an "A." 32880

(ii) A score that is at least one standard error of measure 32881
but less than two standard errors of measure above the mean score 32882
shall be designated as a "B." 32883

designated as a "D." 32891

(v) A score that is not greater than two standard errors of 32892
measure below the mean score shall be designated as an "F." 32893

Whenever the value-added progress dimension is used as a 32894
graded performance measure, whether as an overall measure or as a 32895
measure of separate subgroups, the grades for the measure shall be 32896
calculated in the same manner as prescribed in division (A)(1)(e) 32897
of this section. 32898

(f) The value-added progress dimension score for a school 32899
district or building disaggregated for each of the following 32900
subgroups: students identified as gifted, students with 32901
disabilities, and students whose performance places them in the 32902
lowest quintile for achievement on a statewide basis. Each 32903
subgroup shall be a separate graded measure. 32904

(2) Not later than April 30, 2013, the state board of 32905
education shall adopt a resolution describing the performance 32906
measures, benchmarks, and grading system for the 2012-2013 school 32907
year and, not later than June 30, 2013, shall adopt rules in 32908
accordance with Chapter 119. of the Revised Code that prescribe 32909
the methods by which the performance measures under division 32910

(A)(1) of this section shall be assessed and assigned a letter grade, including performance benchmarks for each letter grade.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(3) There shall not be an overall letter grade for a school district or building for the 2012-2013 school year.

(B)(1) For the 2013-2014 and 2014-2015 school years, the department shall issue grades as described in division (E) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (B)(1)(b) of this section, the state board shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

The state board shall adopt rules to prescribe benchmarks and standards for assigning grades to districts and buildings for purposes of division (B)(1)(g) of this section. In adopting benchmarks for assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of this section, the state board shall determine progress made based on the reduction in the total percentage of students scoring below grade level, or below proficient, compared from year to year on the reading and writing diagnostic assessments administered under section 3301.0715 of the Revised Code and the third grade English language arts assessment under section 3301.0710 of the Revised Code, as applicable. The state board shall designate for a "C" grade a value that is not lower than the statewide average value for this measure. No grade shall be issued under divisions (B)(1)(g) and (C)(1)(g) of this section for a district or building in which less than five per cent of students have scored below grade level on the diagnostic assessment administered to students in kindergarten under division (B)(1) of section 3313.608 of the 32954

(h) For a high mobility school district or building, an 32975
additional value-added progress dimension score. For this measure, 32976
the department shall use value-added data from the most recent 32977
school year available and shall use assessment scores for only 32978
those students to whom the district or building has administered 32979
the assessments prescribed by section 3301.0710 of the Revised 32980
Code for each of the two most recent consecutive school years. 32981

As used in this division, "high mobility school district or 32982
building" means a school district or building where at least 32983
twenty-five per cent of its total enrollment is made up of 32984
students who have attended that school district or building for 32985
less than one year. 32986

(2) In addition to the graded measures in division (B)(1) of 32987
this section, the department shall include on a school district's 32988
or building's report card all of the following without an assigned 32989
letter grade: 32990

(a) The percentage of students enrolled in a district or 32991
building participating in advanced placement classes and the 32992
percentage of those students who received a score of three or 32993
better on advanced placement examinations; 32994

(b) The number of a district's or building's students who 32995
have earned at least three college credits through dual enrollment 32996
or advanced standing programs, such as the post-secondary 32997
enrollment options program under Chapter 3365. of the Revised Code 32998
and state-approved career-technical courses offered through dual 32999
enrollment or statewide articulation, that appear on a student's 33000
transcript or other official document, either of which is issued 33001
by the institution of higher education from which the student 33002
earned the college credit. The credits earned that are reported 33003
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 33004

include any that are remedial or developmental and shall include 33005
those that count toward the curriculum requirements established 33006
for completion of a degree. 33007

(c) The percentage of students enrolled in a district or 33008
building who have taken a national standardized test used for 33009
college admission determinations and the percentage of those 33010
students who are determined to be remediation-free in accordance 33011
with standards adopted under division (F) of section 3345.061 of 33012
the Revised Code; 33013

(d) The percentage of the district's or the building's 33014
students who receive industry-recognized credentials as approved 33015

~~adopt criteria for acceptable industry recognized credentials.~~ 33017

(e) The percentage of students enrolled in a district or 33018

program and the percentage of those students who receive a score 33020
of four or better on the international baccalaureate examinations. 33021

(f) The percentage of the district's or building's students 33022
who receive an honors diploma under division (B) of section 33023
3313.61 of the Revised Code. 33024

(3) Not later than December 31, 2013, the state board shall 33025
adopt rules in accordance with Chapter 119. of the Revised Code 33026
that prescribe the methods by which the performance measures under 33027
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 33028
and assigned a letter grade, including performance benchmarks for 33029
each grade. 33030

At least forty-five days prior to the state board's adoption 33031
of rules to prescribe the methods by which the performance 33032
measures under division (B)(1) of this section shall be assessed 33033
and assigned a letter grade, the department shall conduct a public 33034
presentation before the standing committees of the house of 33035

representatives and the senate that consider education legislation 33036
describing such methods, including performance benchmarks. 33037

(4) There shall not be an overall letter grade for a school 33038
district or building for the 2013-2014, 2014-2015, 2015-2016, and 33039

(C)(1) For the 2014-2015 school year and each school year 33041

are as follows: 33045

(a) Annual measurable objectives; 33046

(b) Performance index score for a school district or 33047
building. Grades shall be awarded as a percentage of the total 33048
possible points on the performance index system as created by the 33049
department. In adopting benchmarks for assigning letter grades 33050
under division (C)(1)(b) of this section, the state board shall 33051
designate ninety per cent or higher for an "A," at least seventy 33052
per cent but not more than eighty per cent for a "C," and less 33053
than fifty per cent for an "F." 33054

(c) The extent to which the school district or building meets 33055
each of the applicable performance indicators established by the 33056
state board under section 3302.03 of the Revised Code and the 33057
percentage of applicable performance indicators that have been 33058
achieved. In adopting benchmarks for assigning letter grades under 33059
division (C)(1)(c) of this section, the state board shall 33060
designate ninety per cent or higher for an "A." 33061

(d) The four- and five-year adjusted cohort graduation rates; 33062

(e) The overall score under the value-added progress 33063
dimension, or another measure of student academic progress if 33064
adopted by the state board, of a school district or building, for 33065
which the department shall use up to three years of value-added 33066

data as available. 33067

In adopting benchmarks for assigning letter grades for 33068
overall score on value-added progress dimension under division 33069
(C)(1)(e) of this section, the state board shall prohibit the 33070
assigning of a grade of "A" for that measure unless the district's 33071
or building's grade assigned for value-added progress dimension 33072
for all subgroups under division (C)(1)(f) of this section is a 33073
"B" or higher. 33074

For the metric prescribed by division (C)(1)(e) of this 33075
section, the state board may adopt a student academic progress 33076
measure to be used instead of the value-added progress dimension. 33077
If the state board adopts such a measure, it also shall prescribe 33078
a method for assigning letter grades for the new measure that is 33079
comparable to the method prescribed in division (A)(1)(e) of this 33080
section. 33081

(f) The value-added progress dimension score of a school 33082
district or building disaggregated for each of the following 33083
subgroups: students identified as gifted in superior cognitive 33084
ability and specific academic ability fields under Chapter 3324. 33085
of the Revised Code, students with disabilities, and students 33086
whose performance places them in the lowest quintile for 33087
achievement on a statewide basis, as determined by a method 33088
prescribed by the state board. Each subgroup shall be a separate 33089
graded measure. 33090

The state board may adopt student academic progress measures 33091
to be used instead of the value-added progress dimension. If the 33092
state board adopts such measures, it also shall prescribe a method 33093
for assigning letter grades for the new measures that is 33094
comparable to the method prescribed in division (A)(1)(e) of this 33095
section. 33096

(g) Whether a school district or building is making progress 33097

in improving literacy in grades kindergarten through three, as 33098
determined using a method prescribed by the state board. The state 33099
board shall adopt rules to prescribe benchmarks and standards for 33100
assigning grades to a district or building for purposes of 33101
division (C)(1)(g) of this section. The state board shall 33102
designate for a "C" grade a value that is not lower than the 33103
statewide average value for this measure. No grade shall be issued 33104
under division (C)(1)(g) of this section for a district or 33105
building in which less than five per cent of students have scored 33106
below grade level on the kindergarten diagnostic assessment under 33107
division (B)(1) of section 3313.608 of the Revised Code. 33108

(h) For a high mobility school district or building, an 33109
additional value-added progress dimension score. For this measure, 33110
the department shall use value-added data from the most recent 33111
school year available and shall use assessment scores for only 33112
those students to whom the district or building has administered 33113
the assessments prescribed by section 3301.0710 of the Revised 33114
Code for each of the two most recent consecutive school years. 33115

As used in this division, "high mobility school district or 33116
building" means a school district or building where at least 33117
twenty-five per cent of its total enrollment is made up of 33118
students who have attended that school district or building for 33119
less than one year. 33120

(2) In addition to the graded measures in division (C)(1) of 33121
this section, the department shall include on a school district's 33122
or building's report card all of the following without an assigned 33123
letter grade: 33124

(a) The percentage of students enrolled in a district or 33125
building who have taken a national standardized test used for 33126
college admission determinations and the percentage of those 33127
students who are determined to be remediation-free in accordance 33128
with the standards adopted under division (F) of section 3345.061 33129

of the Revised Code;	33130
(b) The percentage of students enrolled in a district or building participating in advanced placement classes and the percentage of those students who received a score of three or better on advanced placement examinations;	33131 33132 33133 33134
(c) The percentage of a district's or building's students who have earned at least three college credits through advanced standing programs, such as the college credit plus program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's college transcript issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree.	33135 33136 33137 33138 33139 33140 33141 33142 33143 33144 33145 33146
(d) The percentage of the district's or building's students who receive an honor's diploma under division (B) of section 3313.61 of the Revised Code;	33147 33148 33149
(e) The percentage of the district's or building's students who receive industry-recognized credentials <u>as approved under section 3313.6113 of the Revised Code</u> ;	33150 33151 33152
(f) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations;	33153 33154 33155 33156
(g) The results of the college and career-ready assessments administered under division (B)(1) of section 3301.0712 of the Revised Code.	33157 33158 33159
(3) The state board shall adopt rules pursuant to Chapter	33160

119. of the Revised Code that establish a method to assign an 33161
overall grade for a school district or school building for the 33162
2017-2018 school year and each school year thereafter. The rules 33163
shall group the performance measures in divisions (C)(1) and (2) 33164
of this section into the following components: 33165

(a) Gap closing, which shall include the performance measure 33166
in division (C)(1)(a) of this section; 33167

(b) Achievement, which shall include the performance measures 33168
in divisions (C)(1)(b) and (c) of this section; 33169

(c) Progress, which shall include the performance measures in 33170
divisions (C)(1)(e) and (f) of this section; 33171

(d) Graduation, which shall include the performance measure 33172
in division (C)(1)(d) of this section; 33173

(e) Kindergarten through third-grade literacy, which shall 33174
include the performance measure in division (C)(1)(g) of this 33175
section; 33176

(f) Prepared for success, which shall include the performance 33177
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 33178
this section. The state board shall develop a method to determine 33179
a grade for the component in division (C)(3)(f) of this section 33180
using the performance measures in divisions (C)(2)(a), (b), (c), 33181
(d), (e), and (f) of this section. When available, the state board 33182
may incorporate the performance measure under division (C)(2)(g) 33183
of this section into the component under division (C)(3)(f) of 33184
this section. When determining the overall grade for the prepared 33185
for success component prescribed by division (C)(3)(f) of this 33186
section, no individual student shall be counted in more than one 33187
performance measure. However, if a student qualifies for more than 33188
one performance measure in the component, the state board may, in 33189
its method to determine a grade for the component, specify an 33190
additional weight for such a student that is not greater than or 33191

equal to 1.0. In determining the overall score under division 33192
(C)(3)(f) of this section, the state board shall ensure that the 33193
pool of students included in the performance measures aggregated 33194
under that division are all of the students included in the four- 33195
and five-year adjusted graduation cohort. 33196

In the rules adopted under division (C)(3) of this section, 33197
the state board shall adopt a method for determining a grade for 33198
each component in divisions (C)(3)(a) to (f) of this section. The 33199
state board also shall establish a method to assign an overall 33200
grade of "A," "B," "C," "D," or "F" using the grades assigned for 33201
each component. The method the state board adopts for assigning an 33202
overall grade shall give equal weight to the components in 33203
divisions (C)(3)(b) and (c) of this section. 33204

At least forty-five days prior to the state board's adoption 33205
of rules to prescribe the methods for calculating the overall 33206
grade for the report card, as required by this division, the 33207
department shall conduct a public presentation before the standing 33208
committees of the house of representatives and the senate that 33209
consider education legislation describing the format for the 33210
report card, weights that will be assigned to the components of 33211
the overall grade, and the method for calculating the overall 33212
grade. 33213

(D) On or after ~~than~~ July 1, 2015, the state board may 33214
develop a measure of student academic progress for high school 33215
students using only data from assessments in English language arts 33216
and mathematics. If the state board develops this measure, each 33217
school district and applicable school building shall be assigned a 33218
separate letter grade for ~~if~~ it not sooner than the 2017-2018 33219
school year. The district's or building's grade for that measure 33220

(B) The number of scholarships awarded under the program in any fiscal year shall not exceed five per cent of the total number of students residing in the state identified as children with disabilities during the previous fiscal year.

~~(C) No scholarship or renewal of a scholarship shall be awarded to an eligible applicant on behalf of a qualified special education child for the next school year, unless on or before the application deadline the eligible applicant completes the application for the scholarship or renewal, in the manner prescribed by the department, and notifies the school district in which the child is entitled to attend school that the eligible applicant has applied for the scholarship or renewal.~~

~~The application deadline for academic terms that begin between the first day of July and the thirty first day of December shall be the fifteenth day of April that precedes the first day of instruction. The application deadline for academic terms that begin between the first day of January and the thirtieth day of June shall be the fifteenth day of November that precedes the first day of instruction. The department shall pay a scholarship to the parent of each qualified special education child, unless the parent authorizes a direct payment to the child's provider, upon application of that parent in the manner prescribed by the department. However, the department shall not adopt specific dates for application deadlines for scholarships under the program.~~

Sec. 3311.06. (A) As used in this section: 34070

(1) "Annexation" and "annexed" mean annexation for municipal purposes under sections 709.02 to 709.37 of the Revised Code. 34071
34072

(2) "Annexed territory" means territory that has been annexed for municipal purposes to a city served by an urban school district, but on September 24, 1986, has not been transferred to the urban school district. 34073
34074
34075
34076

(3) "Urban school district" means a city school district with an average daily membership for the 1985-1986 school year in excess of twenty thousand that is the school district of a city that contains annexed territory. 34077
34078
34079
34080

(4) "Annexation agreement" means an agreement entered into 34081
under division (F) of this section that has been approved by the 34082
state board of education or an agreement entered into prior to 34083
September 24, 1986, that meets the requirements of division (F) of 34084
this section and has been filed with the state board. 34085

(B) The territory included within the boundaries of a city, 34086
local, exempted village, or joint vocational school district shall 34087
be contiguous except where a natural island forms an integral part 34088
of the district, where the state board of education authorizes a 34089
noncontiguous school district, as provided in division (E)(1) of 34090
this section, or where a local school district is created pursuant 34091
to section 3311.26 of the Revised Code from one or more local 34092
school districts, one of which has entered into an agreement under 34093
section 3313.42 of the Revised Code. 34094

(C)(1) When all of the territory of a school district is 34095
annexed to a city or village, such territory thereby becomes a 34096
part of the city school district or the school district of which 34097
the village is a part, and the legal title to school property in 34098
such territory for school purposes shall be vested in the board of 34099
education of the city school district or the school district of 34100
which the village is a part. 34101

(2) When the territory so annexed to a city or village 34102
comprises part but not all of the territory of a school district, 34103
the said territory becomes part of the city school district or the 34104
school district of which the village is a part only upon approval 34105
by the state board of education, unless the district in which the 34106
territory is located is a party to an annexation agreement with 34107
the city school district. 34108

Any urban school district that has not entered into an 34109
annexation agreement with any other school district whose 34110
territory would be affected by any transfer under this division 34111
and that desires to negotiate the terms of transfer with any such 34112

district shall conduct any negotiations under division (F) of this 34113
section as part of entering into an annexation agreement with such 34114
a district. 34115

Any school district, except an urban school district, 34116
desiring state board approval of a transfer under this division 34117
shall make a good faith effort to negotiate the terms of transfer 34118
with any other school district whose territory would be affected 34119
by the transfer. Before the state board may approve any transfer 34120
of territory to a school district, except an urban school 34121
district, under this section, it must receive the following: 34122

(a) A resolution requesting approval of the transfer, passed 34123
by at least one of the school districts whose territory would be 34124
affected by the transfer; 34125

(b) Evidence determined to be sufficient by the state board 34126
to show that good faith negotiations have taken place or that the 34127
district requesting the transfer has made a good faith effort to 34128
hold such negotiations; 34129

(c) If any negotiations took place, a statement signed by all 34130
boards that participated in the negotiations, listing the terms 34131
agreed on and the points on which no agreement could be reached. 34132

(D) The state board of education shall adopt rules governing 34133
negotiations held by any school district except an urban school 34134
district pursuant to division (C)(2) of this section. The rules 34135
shall encourage the realization of the following goals: 34136

(1) A discussion by the negotiating districts of the present 34137
and future educational needs of the pupils in each district; 34138

(2) The educational, financial, and territorial stability of 34139
each district affected by the transfer; 34140

(3) The assurance of appropriate educational programs, 34141
services, and opportunities for all the pupils in each 34142

participating district, and adequate planning for the facilities 34143
needed to provide these programs, services, and opportunities. 34144

Districts involved in negotiations under such rules may agree 34145
to share revenues from the property included in the territory to 34146
be transferred, establish cooperative programs between the 34147
participating districts, and establish mechanisms for the 34148
settlement of any future boundary disputes. 34149

(E)(1) If territory annexed after September 24, 1986, is part 34150
of a school district that is a party to an annexation agreement 34151
with the urban school district serving the annexing city, the 34152
transfer of such territory shall be governed by the agreement. If 34153
the agreement does not specify how the territory is to be dealt 34154
with, the boards of education of the district in which the 34155
territory is located and the urban school district shall negotiate 34156
with regard to the transfer of the territory which shall be 34157
transferred to the urban school district unless, not later than 34158
ninety days after the effective date of municipal annexation, the 34159
boards of education of both districts, by resolution adopted by a 34160
majority of the members of each board, agree that the territory 34161
will not be transferred and so inform the state board of 34162
education. 34163

If territory is transferred under this division the transfer 34164
shall take effect on the first day of July occurring not sooner 34165
than ninety-one days after the effective date of the municipal 34166
annexation. Territory transferred under this division need not be 34167
contiguous to the district to which it is transferred. 34168

(2) Territory annexed prior to September 24, 1986, by a city 34169
served by an urban school district shall not be subject to 34170
transfer under this section if the district in which the territory 34171
is located is a party to an annexation agreement or becomes a 34172
party to such an agreement not later than ninety days after 34173
September 24, 1986. If the district does not become a party to an 34174

annexation agreement within the ninety-day period, transfer of 34175
territory shall be governed by division (C)(2) of this section. If 34176
the district subsequently becomes a party to an agreement, 34177
territory annexed prior to September 24, 1986, other than 34178
territory annexed under division (C)(2) of this section prior to 34179
the effective date of the agreement, shall not be subject to 34180
transfer under this section. 34181

(F) An urban school district may enter into a comprehensive 34182
agreement with one or more school districts under which transfers 34183
of territory annexed by the city served by the urban school 34184
district after September 24, 1986, shall be governed by the 34185
agreement. Such agreement must provide for the establishment of a 34186
cooperative education program under section 3313.842 of the 34187
Revised Code in which all the parties to the agreement are 34188
participants and must be approved by resolution of the majority of 34189
the members of each of the boards of education of the school 34190
districts that are parties to it. An agreement may provide for 34191
interdistrict payments based on local revenue growth resulting 34192
from development in any territory annexed by the city served by 34193
the urban school district. 34194

An agreement entered into under this division may be altered, 34195
modified, or terminated only by agreement, by resolution approved 34196
by the majority of the members of each board of education, of all 34197
school districts that are parties to the agreement, except that 34198
with regard to any provision that affects only the urban school 34199
district and one of the other districts that is a party, that 34200
district and the urban district may modify or alter the agreement 34201
by resolution approved by the majority of the members of the board 34202
of that district and the urban district. Alterations, 34203
modifications, terminations, and extensions of an agreement 34204
entered into under this division do not require approval of the 34205
state board of education, but shall be filed with the board after 34206

approval and execution by the parties. 34207

If an agreement provides for interdistrict payments, each 34208
party to the agreement, except any school district specifically 34209
exempted by the agreement, shall agree to make an annual payment 34210
to the urban school district with respect to any of its territory 34211
that is annexed territory in an amount not to exceed the amount 34212
certified for that year under former section 3317.029 of the 34213
Revised Code as that section existed prior to July 1, 1998; except 34214
that such limitation of annual payments to amounts certified under 34215
former section 3317.029 of the Revised Code does not apply to 34216
agreements or extensions of agreements entered into on or after 34217
June 1, 1992, unless such limitation is expressly agreed to by the 34218
parties. The agreement may provide that all or any part of the 34219
payment shall be waived if the urban school district receives its 34220
payment with respect to such annexed territory under former 34221
section 3317.029 of the Revised Code and that all or any part of 34222
such payment may be waived if the urban school district does not 34223
receive its payment with respect to such annexed territory under 34224
such section. 34225

With respect to territory that is transferred to the urban 34226
school district after September 24, 1986, the agreement may 34227
provide for annual payments by the urban school district to the 34228
school district whose territory is transferred to the urban school 34229
district subsequent to annexation by the city served by the urban 34230
school district. 34231

(G) In the event territory is transferred from one school 34232
district to another under this section, an equitable division of 34233
the funds and indebtedness between the districts involved shall be 34234
made under the supervision of the state board of education and 34235
that board's decision shall be final. Such division shall not 34236
include funds payable to or received by a school district under 34237
Chapter 3317. of the Revised Code or payable to or received by a 34238

school district from the United States or any department or agency 34239
thereof. In the event such transferred territory includes real 34240
property owned by a school district, the state board of education, 34241
as part of such division of funds and indebtedness, shall 34242
determine the true value in money of such real property and all 34243
buildings or other improvements thereon. The board of education of 34244
the school district receiving such territory shall forthwith pay 34245
to the board of education of the school district losing such 34246
territory such true value in money of such real property, 34247
buildings, and improvements less such percentage of the true value 34248
in money of each school building located on such real property as 34249
is represented by the ratio of the total enrollment in day classes 34250
of the pupils residing in the territory transferred enrolled at 34251
such school building in the school year in which such annexation 34252
proceedings were commenced to the total enrollment in day classes 34253
of all pupils residing in the school district losing such 34254
territory enrolled at such school building in such school year. 34255
The school district receiving such payment shall place the 34256
proceeds thereof in its sinking fund or bond retirement fund. 34257

(H) The state board of education, before approving such 34258
transfer of territory, shall determine that such payment has been 34259
made and shall apportion to the acquiring school district such 34260
percentage of the indebtedness of the school district losing the 34261
territory as is represented by the ratio that the assessed 34262
valuation of the territory transferred bears to the total assessed 34263
valuation of the entire school district losing the territory as of 34264
the effective date of the transfer, provided that in ascertaining 34265
the indebtedness of the school district losing the territory the 34266
state board of education shall disregard such percentage of the 34267
par value of the outstanding and unpaid bonds and notes of said 34268
school district issued for construction or improvement of the 34269
school building or buildings for which payment was made by the 34270
acquiring district as is equal to the percentage by which the true 34271

value in money of such building or buildings was reduced in fixing 34272
the amount of said payment. 34273

(I) No transfer of school district territory or division of 34274
funds and indebtedness incident thereto, pursuant to the 34275
annexation of territory to a city or village shall be completed in 34276
any other manner than that prescribed by this section regardless 34277
of the date of the commencement of such annexation proceedings, 34278
and this section applies to all proceedings for such transfers and 34279
divisions of funds and indebtedness pending or commenced on or 34280
after October 2, 1959. 34281

(J) Notwithstanding anything to the contrary in the Revised 34282
Code, including section 3311.24 of the Revised Code, beginning on 34283
the effective date of this amendment until October 1, 2021, no 34284
school district that is a party to an annexation agreement shall 34285
transfer territory that is or will be used for nonresidential 34286
purposes to another school district that is a party to the 34287
annexation agreement without the approval of the boards of 34288
education of each of the school districts unless the school 34289
district territory of one of those boards of education overlaps 34290
with a new community authority created prior to January 1, 1993, 34291
under Chapter 349. of the Revised Code. 34292

Sec. 3311.27. The board of education of a surviving school 34293
district, as that term is defined in section 5748.10 of the 34294
Revised Code, shall notify the tax commissioner as and in the 34295
manner required by that section. 34296

Sec. 3311.751. Notwithstanding division (F) of section 34297
5705.10 of the Revised Code, if a municipal school district board 34298
of education sells real property that it owns in its corporate 34299
capacity, moneys received from the sale may be paid into the 34300
general fund of the district, as long as all of the following 34301

conditions are satisfied:	34302
(A) The district has owned the real property for at least ten years.	34303 34304
(B) The real property and any improvements to that real property were not acquired with the proceeds of public obligations, as defined in section 133.01 of the Revised Code, of the district that are outstanding at the time of the sale.	34305 34306 34307 34308
(C) The deposit of those moneys in that manner is not prohibited by any agreements the district board has entered into with the Ohio school facilities <u>construction</u> commission.	34309 34310 34311
Sec. 3311.86. (A) As used in this section:	34312
(1) "Alliance" means a municipal school district transformation alliance established as a nonprofit corporation.	34313 34314
(2) "Alliance municipal school district" means a municipal school district for which an alliance has been created under this section.	34315 34316 34317
(3) "Partnering community school" means a community school established under Chapter 3314. of the Revised Code that is located within the territory of a municipal school district and that either is sponsored by the district or is a party to an agreement with the district whereby the district and the community school endorse each other's programs.	34318 34319 34320 34321 34322 34323
(4) "Transformation alliance education plan" means a plan prepared by the mayor, and confirmed by the alliance, to transform public education in the alliance municipal school district to a system of municipal school district schools and partnering community schools that will be held to the highest standards of school performance and student achievement.	34324 34325 34326 34327 34328 34329
(B) If one or more partnering community schools are located	34330

in a municipal school district, the mayor may initiate proceedings 34331
to establish a municipal school district transformation alliance 34332
as a nonprofit corporation under Chapter 1702. of the Revised 34333
Code. The mayor shall have sole authority to appoint the directors 34334
of any alliance created under this section. The directors of the 34335
alliance shall include representatives of all of the following: 34336

(1) The municipal school district; 34337

(2) Partnering community schools; 34338

(3) Members of the community at large, including parents and 34339
educators; 34340

(4) The business community, including business leaders and 34341
foundation leaders. 34342

No one group listed in divisions (B)(1) to (4) of this 34343
section shall comprise a majority of the directors. The mayor 34344
shall be an ex officio director, and serve as the chairperson of 34345
the board of directors, of any alliance created under this 34346
section. If the proceedings are initiated, the mayor shall 34347
identify the directors in the articles of incorporation filed 34348
under section 1702.04 of the Revised Code. 34349

(C)(1) A majority of the members of the board of directors of 34350
the alliance shall constitute a quorum of the board. Any formal 34351
action taken by the board of directors shall take place at a 34352
meeting of the board and shall require the concurrence of a 34353
majority of the members of the board. Meetings of the board of 34354
directors shall be public meetings open to the public at all 34355
times, except that the board and its committees and subcommittees 34356
may hold an executive session, as if it were a public body with 34357
public employees, for any of the purposes for which an executive 34358
session of a public body is permitted under division (G) of 34359
section 121.22 of the Revised Code, notwithstanding that the 34360
alliance is not a public body as defined in that section, and its 34361

employees are not public employees as provided in division (F) of 34362
this section. The board of directors shall establish reasonable 34363
methods whereby any person may determine the time and place of all 34364
of the board's public meetings and by which any person, upon 34365
request, may obtain reasonable advance notification of the board's 34366
public meetings. Provisions for that advance notification may 34367
include, but are not limited to, mailing notices to all 34368
subscribers on a mailing list or mailing notices in 34369
self-addressed, stamped envelopes provided by the person. 34370

(2) All records of the alliance shall be organized and 34371
maintained by the alliance and also filed with the department of 34372
education. The alliance and the department shall make those 34373
records available to the public as though those records were 34374
public records for purposes of Chapter 149. of the Revised Code. 34375
The department shall promptly notify the alliance upon the 34376
department's receipt of any requests for records relating to the 34377
alliance pursuant to section 149.43 of the Revised Code. 34378

(3) The board of directors of the alliance shall establish a 34379
conflicts of interest policy and shall adopt that policy, and any 34380
amendments to the policy, at a meeting of the board held in 34381
accordance with this section. 34382

(D)(1) If an alliance is created under this section, the 34383
alliance shall do all of the following: 34384

(a) Report annually on the performance of all municipal 34385
school district schools and all community schools established 34386
under Chapter 3314. of the Revised Code and located in the 34387
district, using the criteria adopted under division (B) of section 34388
3311.87 of the Revised Code; 34389

(b) Confirm and monitor implementation of the transformation 34390
alliance education plan; 34391

(c) Suggest national education models for and provide input 34392

in the development of new municipal school district schools and 34393
partnering community schools. 34394

(2) If an alliance is created under this section, the 34395
department of education may request alliance comment, or the 34396
alliance independently may offer comment to the department, on the 34397
granting, renewal, or extension of an agreement with a sponsor of 34398
community schools under section 3314.015 of the Revised Code when 34399
the sponsor has existing agreements with a community school 34400
located in an alliance municipal school district. If the alliance 34401
makes comments, those comments shall be considered by the 34402
department prior to making its decision whether to grant, renew, 34403
or extend the agreement. 34404

For purposes of division (D)(2) of this section, comments by 34405
the alliance shall be based on the criteria established under 34406
division (A) of section 3311.87 of the Revised Code. 34407

(E) Divisions (E)(1) to (3) of this section apply to each 34408
community school sponsor that is subject to approval by the 34409
department under section 3314.015 of the Revised Code whose 34410
approval under that section is granted, renewed, or extended on or 34411
after October 1, 2012. Divisions (E)(1) to (3) of this section do 34412
not apply to a sponsor that has been approved by the department 34413
prior to that date, until the sponsor's approval is renewed, 34414
granted anew, or extended on or after that date. 34415

(1) Before a sponsor to which this section applies may 34416
sponsor new community schools in an alliance municipal school 34417
district, the sponsor shall request recommendation from the 34418
alliance to sponsor community schools in the district. 34419

(2) The alliance shall review the sponsor's request and shall 34420
make a recommendation to the department based on the standards for 34421
sponsors developed under division (A)(2) of section 3311.87 of the 34422
Revised Code. 34423

(3) The department shall use the standards developed under 34424
division (A)(2) of section 3311.87 of the Revised Code, in 34425
addition to any other requirements of the Revised Code, to review 34426
a sponsor's request and make a final determination, on 34427
recommendation of the alliance, of whether the sponsor may sponsor 34428
new community schools in the alliance municipal school district. 34429

No sponsor shall be required to receive authorization to 34430
sponsor new community schools under division (E)(3) of this 34431
section more than one time. 34432

(F) Directors, officers, and employees of an alliance are not 34433
public employees or public officials, are not subject to Chapters 34434
124., 145., and 4117. of the Revised Code, and are not "public 34435
officials" or "public servants" as defined in section 2921.01 of 34436
the Revised Code. Membership on the board of directors of an 34437
alliance does not constitute the holding of an incompatible public 34438
office or employment in violation of any statutory or common law 34439
prohibition against the simultaneous holding of more than one 34440
public office or employment. Members of the board of directors of 34441
an alliance are not disqualified from holding any public office by 34442
reason of that membership, and do not forfeit by reason of that 34443
membership the public office or employment held when appointed to 34444
the board, notwithstanding any contrary disqualification or 34445
forfeiture requirement under the Revised Code or the common law of 34446
this state. 34447

~~(G) The authority to establish an alliance under this section 34448
expires on January 1, 2018. Any alliance established under this 34449
section is terminated, and any related authority granted to the 34450
alliance under this section expires on that date. 34451~~

Sec. 3313.372. (A) As used in this section, "energy 34452
conservation measure" means an installation or modification of an 34453
installation in, or remodeling of, a building, to reduce energy 34454

consumption. It includes:	34455
(1) Insulation of the building structure and systems within the building;	34456 34457
(2) Storm windows and doors, multiglazed windows and doors, heat absorbing or heat reflective glazed and coated window and door systems, additional glazing, reductions in glass area, and other window and door system modifications that reduce energy consumption;	34458 34459 34460 34461 34462
(3) Automatic energy control systems;	34463
(4) Heating, ventilating, or air conditioning system modifications or replacements;	34464 34465
(5) Caulking and weatherstripping;	34466
(6) Replacement or modification of lighting fixtures to increase the energy efficiency of the system without increasing the overall illumination of a facility, unless such increase in illumination is necessary to conform to the applicable state or local building code for the proposed lighting system;	34467 34468 34469 34470 34471
(7) Energy recovery systems;	34472
(8) Cogeneration systems that produce steam or forms of energy such as heat, as well as electricity, for use primarily within a building or complex of buildings;	34473 34474 34475
(9) Any other modification, installation, or remodeling approved by the Ohio school facilities <u>construction</u> commission as an energy conservation measure.	34476 34477 34478
(B) A board of education of a city, exempted village, local, or joint vocational school district may enter into an installment payment contract for the purchase and installation of energy conservation measures. The provisions of such installment payment contracts dealing with interest charges and financing terms shall not be subject to the competitive bidding requirements of section	34479 34480 34481 34482 34483 34484

3313.46 of the Revised Code, and shall be on the following terms: 34485

(1) Not less than one-fifteenth of the costs thereof shall be 34486
paid within two years from the date of purchase. 34487

(2) The remaining balance of the costs thereof shall be paid 34488
within fifteen years from the date of purchase. 34489

The provisions of any installment payment contract entered 34490
into pursuant to this section shall provide that all payments, 34491
except payments for repairs and obligations on termination of the 34492
contract prior to its expiration, shall not exceed the calculated 34493
energy, water, or waste water cost savings, avoided operating 34494
costs, and avoided capital costs attributable to the one or more 34495
measures over a defined period of time. Those payments shall be 34496
made only to the extent that the savings described in this 34497
division actually occur. The energy services company shall warrant 34498
and guarantee that the energy conservation measures shall realize 34499
guaranteed savings and shall be responsible to pay an amount equal 34500
to any savings shortfall. 34501

An installment payment contract entered into by a board of 34502
education under this section shall require the board to contract 34503
in accordance with division (A) of section 3313.46 of the Revised 34504
Code for the installation, modification, or remodeling of energy 34505
conservation measures unless division (A) of section 3313.46 of 34506
the Revised Code does not apply pursuant to division (B)(3) of 34507
that section, in which case the contract shall be awarded through 34508
a competitive selection process pursuant to rules adopted by the 34509
~~school~~ facilities construction commission. 34510

An installment payment contract entered into by a board of 34511
education under this section may include services for measurement 34512
and verification of energy savings associated with the guarantee. 34513
The annual cost of measurement and verification services shall not 34514
exceed ten per cent of the guaranteed savings in any year of the 34515

installment payment contract. 34516

(C) If a board of education determines that a surety bond is 34517
necessary to secure energy, water, or waste water cost savings 34518
guaranteed in a contract entered into by the board of education 34519
under this section, the energy services company shall provide a 34520
surety bond that satisfies all of the following requirements: 34521

(1) The penal sum of the surety bond for the first guarantee 34522
year shall equal the amount of savings included in the annual 34523
guaranteed savings amount that is measured and calculated in 34524
accordance with the measurement and verification plan included in 34525
the contract, but may not include guaranteed savings that are not 34526
measured or that are stipulated in the contract. The annual 34527
guaranteed savings amount shall include only the savings 34528
guaranteed in the contract for the one-year term that begins on 34529
the first day of the first savings guarantee year and may not 34530
include amounts from subsequent years. 34531

(2) The surety bond shall have a term of not more than one 34532
year unless renewed. At the option of the board of education, the 34533
surety bond may be renewed for one or two additional terms, each 34534
term not to exceed one year. The surety bond may not be renewed or 34535
extended so that it is in effect for more than three consecutive 34536
years. 34537

In the event of a renewal, the penal sum of the surety bond 34538
for each renewed year shall be revised so that the penal sum 34539
equals the annual guaranteed savings amount for such renewal year 34540
that is measured and calculated in accordance with the measurement 34541
and verification plan included in the contract, but may not 34542
include guaranteed savings that are not measured or that are 34543
stipulated in the contract. Regardless of the number of renewals 34544
of the bond, the aggregate liability under each renewed bond may 34545
not exceed the penal sum stated in the renewal certificate for the 34546
applicable renewal year. 34547

(3) The surety bond for the first year shall be issued within 34548
thirty days of the commencement of the first savings guarantee 34549
year under the contract. 34550

In the event of renewal, the surety shall deliver to the 34551
board of education a renewal certificate reflecting the revised 34552
penal sum within thirty days of the board of education's request. 34553
The board of education shall deliver the request for renewal not 34554
less than thirty days prior to the expiration date of the surety 34555
bond then in existence. A surety bond furnished pursuant to 34556
section 153.54 of the Revised Code shall not secure obligations 34557
related to energy, water, or waste water cost savings as 34558
referenced in division (C) of this section. 34559

(D) The board may issue the notes of the school district 34560
signed by the president and the treasurer of the board and 34561
specifying the terms of the purchase and securing the deferred 34562
payments provided in this section, payable at the times provided 34563
and bearing interest at a rate not exceeding the rate determined 34564
as provided in section 9.95 of the Revised Code. The notes may 34565
contain an option for prepayment and shall not be subject to 34566
Chapter 133. of the Revised Code. In the resolution authorizing 34567
the notes, the board may provide, without the vote of the electors 34568
of the district, for annually levying and collecting taxes in 34569
amounts sufficient to pay the interest on and retire the notes, 34570
except that the total net indebtedness of the district without a 34571
vote of the electors incurred under this and all other sections of 34572
the Revised Code, except section 3318.052 of the Revised Code, 34573
shall not exceed one per cent of the district's tax valuation. 34574
Revenues derived from local taxes or otherwise, for the purpose of 34575
conserving energy or for defraying the current operating expenses 34576
of the district, may be applied to the payment of interest and the 34577
retirement of such notes. The notes may be sold at private sale or 34578
given to the energy services company under the installment payment 34579

contract authorized by division (B) of this section. 34580

(E) Debt incurred under this section shall not be included in 34581
the calculation of the net indebtedness of a school district under 34582
section 133.06 of the Revised Code. 34583

(F) No school district board shall enter into an installment 34584
payment contract under division (B) of this section unless it 34585
first obtains a report of the costs of the energy conservation 34586
measures and the savings thereof as described under division 34587
(G)(1) of section 133.06 of the Revised Code as a requirement for 34588
issuing energy securities, makes a finding that the amount spent 34589
on such measures is not likely to exceed the amount of money it 34590
would save in energy costs and resultant operational and 34591
maintenance costs as described in that division, except that that 34592
finding shall cover the ensuing fifteen years, and the ~~school~~ 34593
facilities construction commission determines that the district 34594
board's findings are reasonable and approves the contract as 34595
described in that division. 34596

The district board shall monitor the savings and maintain a 34597
report of those savings, which shall be submitted to the 34598
commission in the same manner as required by division (G) of 34599
section 133.06 of the Revised Code in the case of energy 34600
securities. 34601

(C)(1) If, not later than sixty days after the district board makes the offer, only one governing authority of a high-performing community school offered the property under division (B) of this section notifies the district treasurer in writing of the intention to purchase the property pursuant to that division, the district board shall sell the property to that party for the appraised fair market value of the property as determined in an appraisal of the property that is not more than one year old.

If more than one such entity notifies the district treasurer of its intention to purchase the property pursuant to division (B)

of this section, the board shall conduct a public auction in the 34674
manner required for auctions of district property under division 34675
(A) of section 3313.41 of the Revised Code. Only the entities that 34676

the following shall apply: 34815

(1) The board shall cause to be prepared the plans, 34816
specifications, and related information as required in divisions 34817
(A)(1), (2), and (3) of section 153.01 of the Revised Code unless 34818

inform any bidders of the board's requirements. However, if the 34820
board determines that such other information is sufficient for 34821
bidding a project, the board shall not engage in the construction 34822
of any such project involving the practice of professional 34823
engineering, professional surveying, or architecture, for which 34824

removed from participation in an athletic activity under division 34958
(E)(1) or (2) of this section, the student shall not be allowed to 34959

~~effective date of this section~~ March 14, 2017. 34982

(H)(1) A school district, member of a school district board 34983
of education, or school district employee or volunteer, including 34984
a coach, is not liable in damages in a civil action for injury, 34985
death, or loss to person or property allegedly arising from 34986
providing services or performing duties under this section, unless 34987
the act or omission constitutes willful or wanton misconduct. 34988

This section does not eliminate, limit, or reduce any other 34989
immunity or defense that a school district, member of a school 34990
district board of education, or school district employee or 34991

school in this state that began operating a dormitory on its 35003
campus prior to 2014, shall be permitted to participate in 35004
interscholastic athletics at that school on the same basis as 35005
students who are residents of this state, so long as the student 35006
holds an F-1 visa issued by the United States department of state. 35007
Such a student shall not be denied the opportunity to participate 35008
in interscholastic athletics solely because the student's parents 35009
do not reside in this state. 35010

No school district, school, interscholastic conference, or 35011

organization that regulates interscholastic conferences or events 35012
shall have a rule, bylaw, or other regulation that conflicts with 35013
this section. 35014

(4) Physical education, one-half unit;	35072
(5) Science, three units with inquiry-based laboratory	35073

Each school shall integrate the study of economics and	35091

content standards adopted by the state board of education under	35093
division (A)(1) of section 3301.079 of the Revised Code and the	35094
academic content standards for financial literacy and	35095
entrepreneurship adopted under division (A)(2) of that section,	35096
into one or more existing social studies credits required under	35097
division (C)(7) of this section, or into the content of another	35098
class, so that every high school student receives instruction in	35099

those concepts. In developing the curriculum required by this 35100
paragraph, schools shall use available public-private partnerships 35101
and resources and materials that exist in business, industry, and 35102
through the centers for economics education at institutions of 35103
higher education in the state. 35104

Beginning with students who enter ninth grade for the first 35105
time on or after July 1, 2017, the two units of instruction 35106

by the congress of the United States under title 10 of the United 35114
States Code, or English language arts, mathematics, science, or 35115
social studies courses not otherwise required under division (C) 35116
of this section. 35117

Ohioans must be prepared to apply increased knowledge and 35118
skills in the workplace and to adapt their knowledge and skills 35119
quickly to meet the rapidly changing conditions of the 35120
twenty-first century. National studies indicate that all high 35121
school graduates need the same academic foundation, regardless of 35122
the opportunities they pursue after graduation. The goal of Ohio's 35123
system of elementary and secondary education is to prepare all 35124
students for and seamlessly connect all students to success in 35125
life beyond high school graduation, regardless of whether the next 35126
step is entering the workforce, beginning an apprenticeship, 35127
engaging in post-secondary training, serving in the military, or 35128
pursuing a college degree. 35129

The requirements for graduation prescribed in division (C) of 35130
this section are the standard expectation for all students 35131

entering ninth grade for the first time at a public or chartered 35132
nonpublic high school on or after July 1, 2010. A student may 35133
satisfy this expectation through a variety of methods, including, 35134
but not limited to, integrated, applied, career-technical, and 35135
traditional coursework. 35136

Whereas teacher quality is essential for student success when 35137
completing the requirements for graduation, the general assembly 35138
shall appropriate funds for strategic initiatives designed to 35139
strengthen schools' capacities to hire and retain highly qualified 35140
teachers in the subject areas required by the curriculum. Such 35141
initiatives are expected to require an investment of \$120,000,000 35142
over five years. 35143

Stronger coordination between high schools and institutions 35144
of higher education is necessary to prepare students for more 35145
challenging academic endeavors and to lessen the need for academic 35146
remediation in college, thereby reducing the costs of higher 35147
education for Ohio's students, families, and the state. The state 35148
board and the chancellor of higher education shall develop 35149
policies to ensure that only in rare instances will students who 35150
complete the requirements for graduation prescribed in division 35151
(C) of this section require academic remediation after high 35152
school. 35153

School districts, community schools, and chartered nonpublic 35154
schools shall integrate technology into learning experiences 35155
across the curriculum in order to maximize efficiency, enhance 35156
learning, and prepare students for success in the 35157
technology-driven twenty-first century. Districts and schools 35158
shall use distance and web-based course delivery as a method of 35159
providing or augmenting all instruction required under this 35160
division, including laboratory experience in science. Districts 35161
and schools shall utilize technology access and electronic 35162
learning opportunities provided by the broadcast educational media 35163

commission, chancellor, the Ohio learning network, education 35164
technology centers, public television stations, and other public 35165
and private providers. 35166

(D) Except as provided in division (E) of this section, a 35167
student who enters ninth grade on or after July 1, 2010, and 35168
before July 1, 2016, may qualify for graduation from a public or 35169
chartered nonpublic high school even though the student has not 35170
completed the requirements for graduation prescribed in division 35171
(C) of this section if all of the following conditions are 35172
satisfied: 35173

(1) During the student's third year of attending high school, 35174
as determined by the school, the student and the student's parent, 35175
guardian, or custodian sign and file with the school a written 35176
statement asserting the parent's, guardian's, or custodian's 35177
consent to the student's graduating without completing the 35178
requirements for graduation prescribed in division (C) of this 35179
section and acknowledging that one consequence of not completing 35180
those requirements is ineligibility to enroll in most state 35181
universities in Ohio without further coursework. 35182

(2) The student and parent, guardian, or custodian fulfill 35183
any procedural requirements the school stipulates to ensure the 35184
student's and parent's, guardian's, or custodian's informed 35185
consent and to facilitate orderly filing of statements under 35186
division (D)(1) of this section. Annually, each district or school 35187
shall notify the department of the number of students who choose 35188
to qualify for graduation under division (D) of this section and 35189
the number of students who complete the student's success plan and 35190
graduate from high school. 35191

(3) The student and the student's parent, guardian, or 35192
custodian and a representative of the student's high school 35193
jointly develop a student success plan for the student in the 35194
manner described in division (C)(1) of section 3313.6020 of the 35195

Revised Code that specifies the student matriculating to a	35196
two-year degree program, acquiring a business and	35197
industry-recognized credential, or entering an apprenticeship.	35198
(4) The student's high school provides counseling and support	35199
for the student related to the plan developed under division	35200
(D)(3) of this section during the remainder of the student's high	35201
school experience.	35202
(5)(a) Except as provided in division (D)(5)(b) of this	35203
section, the student successfully completes, at a minimum, the	35204
curriculum prescribed in division (B) of this section.	35205
(b) Beginning with students who enter ninth grade for the	35206
first time on or after July 1, 2014, a student shall be required	35207
to complete successfully, at the minimum, the curriculum	35208
prescribed in division (B) of this section, except as follows:	35209
(i) Mathematics, four units, one unit which shall be one of	35210
the following:	35211
(I) Probability and statistics;	35212
(II) Computer programming;	35213
(III) Applied mathematics or quantitative reasoning;	35214
(IV) Any other course approved by the department using	35215
standards established by the superintendent not later than October	35216
1, 2014.	35217
(ii) Elective units, five units;	35218
(iii) Science, three units as prescribed by division (B) of	35219
this section which shall include inquiry-based laboratory	35220
experience that engages students in asking valid scientific	35221
questions and gathering and analyzing information.	35222
The department, in collaboration with the chancellor, shall	35223
analyze student performance data to determine if there are	35224
mitigating factors that warrant extending the exception permitted	35225

by division (D) of this section to high school classes beyond 35226
those entering ninth grade before July 1, 2016. The department 35227
shall submit its findings and any recommendations not later than 35228
December 1, 2015, to the speaker and minority leader of the house 35229
of representatives, the president and minority leader of the 35230
senate, the chairpersons and ranking minority members of the 35231
standing committees of the house of representatives and the senate 35232
that consider education legislation, the state board of education, 35233
and the superintendent of public instruction. 35234

(E) Each school district and chartered nonpublic school 35235
retains the authority to require an even more challenging minimum 35236
curriculum for high school graduation than specified in division 35237
(B) or (C) of this section. A school district board of education, 35238
through the adoption of a resolution, or the governing authority 35239
of a chartered nonpublic school may stipulate any of the 35240
following: 35241

(1) A minimum high school curriculum that requires more than 35242
twenty units of academic credit to graduate; 35243

(2) An exception to the district's or school's minimum high 35244
school curriculum that is comparable to the exception provided in 35245
division (D) of this section but with additional requirements, 35246
which may include a requirement that the student successfully 35247
complete more than the minimum curriculum prescribed in division 35248
(B) of this section; 35249

(3) That no exception comparable to that provided in division 35250
(D) of this section is available. 35251

(F) A student enrolled in a dropout prevention and recovery 35252
program, which program has received a waiver from the department, 35253
may qualify for graduation from high school by successfully 35254
completing a competency-based instructional program administered 35255
by the dropout prevention and recovery program in lieu of 35256

completing the requirements for graduation prescribed in division 35257
(C) of this section. The department shall grant a waiver to a 35258
dropout prevention and recovery program, within sixty days after 35259
the program applies for the waiver, if the program meets all of 35260
the following conditions: 35261

(1) The program serves only students not younger than sixteen 35262
years of age and not older than twenty-one years of age. 35263

(2) The program enrolls students who, at the time of their 35264
initial enrollment, either, or both, are at least one grade level 35265
behind their cohort age groups or experience crises that 35266
significantly interfere with their academic progress such that 35267
they are prevented from continuing their traditional programs. 35268

(3) The program requires students to attain at least the 35269
applicable score designated for each of the assessments prescribed 35270
under division (B)(1) of section 3301.0710 of the Revised Code or, 35271
to the extent prescribed by rule of the state board under division 35272
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 35273
of that section. 35274

(4) The program develops a student success plan for the 35275
student in the manner described in division (C)(1) of section 35276
3313.6020 of the Revised Code that specifies the student's 35277
matriculating to a two-year degree program, acquiring a business 35278
and industry-recognized credential, or entering an apprenticeship. 35279

(5) The program provides counseling and support for the 35280
student related to the plan developed under division (F)(4) of 35281
this section during the remainder of the student's high school 35282
experience. 35283

(6) The program requires the student and the student's 35284
parent, guardian, or custodian to sign and file, in accordance 35285
with procedural requirements stipulated by the program, a written 35286
statement asserting the parent's, guardian's, or custodian's 35287

consent to the student's graduating without completing the 35288
requirements for graduation prescribed in division (C) of this 35289
section and acknowledging that one consequence of not completing 35290
those requirements is ineligibility to enroll in most state 35291
universities in Ohio without further coursework. 35292

(7) Prior to receiving the waiver, the program has submitted 35293
to the department an instructional plan that demonstrates how the 35294
academic content standards adopted by the state board under 35295
section 3301.079 of the Revised Code will be taught and assessed. 35296

(8) Prior to receiving the waiver, the program has submitted 35297
to the department a policy on career advising that satisfies the 35298
requirements of section 3313.6020 of the Revised Code, with an 35299
emphasis on how every student will receive career advising. 35300

(9) Prior to receiving the waiver, the program has submitted 35301
to the department a written agreement outlining the future 35302
cooperation between the program and any combination of local job 35303
training, postsecondary education, nonprofit, and health and 35304
social service organizations to provide services for students in 35305
the program and their families. 35306

Divisions (F)(8) and (9) of this section apply only to 35307
waivers granted on or after July 1, 2015. 35308

If the department does not act either to grant the waiver or 35309
to reject the program application for the waiver within sixty days 35310
as required under this section, the waiver shall be considered to 35311
be granted. 35312

(G) Every high school may permit students below the ninth 35313
grade to take advanced work. If a high school so permits, it shall 35314
award high school credit for successful completion of the advanced 35315
work and shall count such advanced work toward the graduation 35316
requirements of division (B) or (C) of this section if the 35317
advanced work was both: 35318

(1) Taught by a person who possesses a license or certificate 35319
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 35320
Code that is valid for teaching high school; 35321

(2) Designated by the board of education of the city, local, 35322
or exempted village school district, the board of the cooperative 35323
education school district, or the governing authority of the 35324
chartered nonpublic school as meeting the high school curriculum 35325
requirements. 35326

Each high school shall record on the student's high school 35327
transcript all high school credit awarded under division (G) of 35328
this section. In addition, if the student completed a seventh- or 35329
eighth-grade fine arts course described in division (K) of this 35330
section and the course qualified for high school credit under that 35331
division, the high school shall record that course on the 35332
student's high school transcript. 35333

(H) The department shall make its individual academic career 35334
plan available through its Ohio career information system web site 35335
for districts and schools to use as a tool for communicating with 35336
and providing guidance to students and families in selecting high 35337
school courses. 35338

(I) A school district or chartered nonpublic school may 35339
integrate academic content in a subject area for which the state 35340
board has adopted standards under section 3301.079 of the Revised 35341
Code into a course in a different subject area, including a 35342
career-technical education course, in accordance with guidance for 35343
integrated coursework developed by the department. Upon successful 35344
completion of an integrated course, a student may receive credit 35345
for both subject areas that were integrated into the course. Units 35346
~~earned in English language arts, mathematics, science, and social~~ 35347
~~studies that are~~ for subject area content delivered through 35348
integrated academic and career-technical instruction are eligible 35349
to meet the graduation requirements of division (B) or (C) of this 35350

section. 35351

For purposes of meeting graduation requirements, if an 35352
end-of-course examination has been prescribed under section 35353
3301.0712 of the Revised Code for the subject area delivered 35354
through integrated instruction, the school district or school may 35355
administer the related subject area examinations upon the 35356
student's completion of the integrated course. 35357

Nothing in division (I) of this section shall be construed to 35358
excuse any school district, chartered nonpublic school, or student 35359
from any requirement in the Revised Code related to curriculum, 35360
assessments, or the awarding of a high school diploma. 35361

(J)(1) The state board, in consultation with the chancellor, 35362
shall adopt a statewide plan implementing methods for students to 35363
earn units of high school credit based on a demonstration of 35364
subject area competency, instead of or in combination with 35365
completing hours of classroom instruction. The state board shall 35366
adopt the plan not later than March 31, 2009, and commence phasing 35367
in the plan during the 2009-2010 school year. The plan shall 35368
include a standard method for recording demonstrated proficiency 35369
on high school transcripts. Each school district and community 35370
school shall comply with the state board's plan adopted under this 35371
division and award units of high school credit in accordance with 35372
the plan. The state board may adopt existing methods for earning 35373
high school credit based on a demonstration of subject area 35374
competency as necessary prior to the 2009-2010 school year. 35375

(2) Not later than December 31, 2015, the state board shall 35376
update the statewide plan adopted pursuant to division (J)(1) of 35377
this section to also include methods for students enrolled in 35378
seventh and eighth grade to meet curriculum requirements based on 35379
a demonstration of subject area competency, instead of or in 35380
combination with completing hours of classroom instruction. 35381
Beginning with the 2017-2018 school year, each school district and 35382

community school also shall comply with the updated plan adopted 35383
pursuant to this division and permit students enrolled in seventh 35384
and eighth grade to meet curriculum requirements based on subject 35385
area competency in accordance with the plan. 35386

(3) Not later than December 31, 2017, the department shall 35387
develop a framework for school districts and community schools to 35388
use in granting units of high school credit to students who 35389
demonstrate subject area competency through work-based learning 35390
experiences, internships, or cooperative education. Beginning with 35391
the 2018-2019 school year, each district and community school 35392
shall comply with the framework. Each district and community 35393
school also shall review any policy it has adopted regarding the 35394
demonstration of subject area competency to identify ways to 35395
incorporate work-based learning experiences, internships, and 35396
cooperative education into the policy in order to increase student 35397
engagement and opportunities to earn units of high school credit. 35398

(K) This division does not apply to students who qualify for 35399
graduation from high school under division (D) or (F) of this 35400
section, or to students pursuing a career-technical instructional 35401
track as determined by the school district board of education or 35402
the chartered nonpublic school's governing authority. 35403
Nevertheless, the general assembly encourages such students to 35404
consider enrolling in a fine arts course as an elective. 35405

Beginning with students who enter ninth grade for the first 35406
time on or after July 1, 2010, each student enrolled in a public 35407
or chartered nonpublic high school shall complete two semesters or 35408
the equivalent of fine arts to graduate from high school. The 35409
coursework may be completed in any of grades seven to twelve. Each 35410
student who completes a fine arts course in grade seven or eight 35411
may elect to count that course toward the five units of electives 35412
required for graduation under division (C)(8) of this section, if 35413
the course satisfied the requirements of division (G) of this 35414

section. In that case, the high school shall award the student 35415
high school credit for the course and count the course toward the 35416
five units required under division (C)(8) of this section. If the 35417
course in grade seven or eight did not satisfy the requirements of 35418
division (G) of this section, the high school shall not award the 35419
student high school credit for the course but shall count the 35420
course toward the two semesters or the equivalent of fine arts 35421
required by this division. 35422

(L) Notwithstanding anything to the contrary in this section, 35423
the board of education of each school district and the governing 35424
authority of each chartered nonpublic school may adopt a policy to 35425
excuse from the high school physical education requirement each 35426
student who, during high school, has participated in 35427
interscholastic athletics, marching band, or cheerleading for at 35428
least two full seasons or in the junior reserve officer training 35429
corps for at least two full school years. If the board or 35430
authority adopts such a policy, the board or authority shall not 35431
require the student to complete any physical education course as a 35432
condition to graduate. However, the student shall be required to 35433
complete one-half unit, consisting of at least sixty hours of 35434
instruction, in another course of study. In the case of a student 35435
who has participated in the junior reserve officer training corps 35436
for at least two full school years, credit received for that 35437
participation may be used to satisfy the requirement to complete 35438
one-half unit in another course of study. 35439

(M) It is important that high school students learn and 35440
understand United States history and the governments of both the 35441
United States and the state of Ohio. Therefore, beginning with 35442
students who enter ninth grade for the first time on or after July 35443
1, 2012, the study of American history and American government 35444
required by divisions (B)(6) and (C)(6) of this section shall 35445
include the study of all of the following documents: 35446

(1) The Declaration of Independence;	35447
(2) The Northwest Ordinance;	35448
(3) The Constitution of the United States with emphasis on the Bill of Rights;	35449 35450
(4) The Ohio Constitution.	35451
The study of each of the documents prescribed in divisions (M)(1) to (4) of this section shall include study of that document in its original context.	35452 35453 35454
The study of American history and government required by divisions (B)(6) and (C)(6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.	35455 35456 35457 35458 35459 35460

The board shall update the policy annually. The policy shall include, but not be limited to, all of the following:	35461 35462 35463 35464 35465 35466

(2) A plan for the design of classroom-based intervention services to meet the instructional needs of individual students as determined by the results of diagnostic assessments;	35471 35472 35473
(3) Procedures for the regular collection of student performance data;	35474 35475

(4) Procedures for using student performance data to evaluate 35476
the effectiveness of intervention services and, if necessary, to 35477
modify such services. 35478

The policy shall include any prevention/intervention services 35479
required under sections 3301.0711, 3301.0715, and 3313.608 of the 35480
Revised Code. 35481

(B) In accordance with the policy adopted under division (A) 35482
of this section, each school district shall provide 35483
prevention/intervention services in pertinent subject areas to 35484
students who score below the proficient level on a reading, 35485
writing, mathematics, ~~social studies~~, or science proficiency or 35486
achievement test or who do not demonstrate academic performance at 35487
their grade level based on the results of a diagnostic assessment. 35488

purposes of this division; 36157

(b) The superintendents of both districts enter into a 36158
written agreement that consents to the attendance and specifies 36159
that the purpose of such attendance is to protect the student's 36160
physical or mental well-being or to deal with other extenuating 36161
circumstances deemed appropriate by the superintendents. 36162

While an agreement is in effect under this division for a 36163
student who is not receiving special education under Chapter 3323. 36164
of the Revised Code and notwithstanding Chapter 3327. of the 36165
Revised Code, the board of education of neither school district 36166
involved in the agreement is required to provide transportation 36167

A student attending a school of a district pursuant to this 36169
division shall be allowed to participate in all student 36170

who has always attended the schools of that district while of 36173
compulsory school age. 36174

(13) All school districts shall comply with the 36175
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 36176

and exempted village school district shall comply with the 36178
requirements of that act governing the provision of a free, 36179
appropriate public education, including public preschool, to each 36180
homeless child. 36181

When a child loses permanent housing and becomes a homeless 36182
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 36183
such a homeless person changes temporary living arrangements, the 36184
child's parent or guardian shall have the option of enrolling the 36185
child in either of the following: 36186

11432(g)(3)(C); 36188

(b) The school that is operated by the school district in 36189
which the shelter where the child currently resides is located and 36190
that serves the geographic area in which the shelter is located. 36191

(14) A child under the age of twenty-two years who resides 36192
with a person other than the child's parent is entitled to attend 36193
school in the school district in which that person resides if both 36194
of the following apply: 36195

(a) That person has been appointed, through a military power 36196

Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 36198
U.S.C. 1044b, or through a comparable document necessary to 36199
complete a family care plan, as the parent's agent for the care, 36200
custody, and control of the child while the parent is on active 36201
duty as a member of the national guard or a reserve unit of the 36202
armed forces of the United States or because the parent is a 36203
member of the armed forces of the United States and is on a duty 36204
assignment away from the parent's residence. 36205

(b) The military power of attorney or comparable document 36206
includes at least the authority to enroll the child in school. 36207

The entitlement to attend school in the district in which the 36208
parent's agent under the military power of attorney or comparable 36209
document resides applies until the end of the school year in which 36210
the military power of attorney or comparable document expires. 36211

(G) A board of education, after approving admission, may 36212
waive tuition for students who will temporarily reside in the 36213

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 3327.04, and 3327.06 of the Revised Code, a child may attend school or participate in a special education program in a school district other than in the district where the child is entitled to attend school under division (B) of this section.

(I)(1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under division (I)(1) of this section shall be entitled to transportation services pursuant to an agreement between the district and the district in which the child or child's parent has relocated unless the districts have not entered into such agreement, in which case the child shall be entitled to transportation services in the same manner as a pupil attending school in the district under interdistrict open enrollment as described in division (H) of section 3313.981 of the Revised Code, regardless of whether the district has adopted an open enrollment policy as described in division (B)(1)(b) or (c) of section 3313.98 of the Revised Code.

(J) This division does not apply to a child receiving special education.

A school district required to pay tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount deducted under division (C) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. A school district entitled to

receive tuition pursuant to division (C)(2) or (3) of this section 36281
or section 3313.65 of the Revised Code shall have an amount 36282
credited under division (C) of section 3317.023 of the Revised 36283
Code equal to its own tuition rate for the same period of 36284
attendance. If the tuition rate credited to the district of 36285
attendance exceeds the rate deducted from the district required to 36286
pay tuition, the department of education shall pay the district of 36287
attendance the difference from amounts deducted from all 36288
districts' payments under division (C) of section 3317.023 of the 36289
Revised Code but not credited to other school districts under such 36290
division and from appropriations made for such purpose. The 36291
treasurer of each school district shall, by the fifteenth day of 36292
January and July, furnish the superintendent of public instruction 36293
a report of the names of each child who attended the district's 36294
schools under divisions (C)(2) and (3) of this section or section 36295
3313.65 of the Revised Code during the preceding six calendar 36296
months, the duration of the attendance of those children, the 36297
school district responsible for tuition on behalf of the child, 36298
and any other information that the superintendent requires. 36299

Upon receipt of the report the superintendent, pursuant to 36300
division (C) of section 3317.023 of the Revised Code, shall deduct 36301
each district's tuition obligations under divisions (C)(2) and (3) 36302
of this section or section 3313.65 of the Revised Code and pay to 36303
the district of attendance that amount plus any amount required to 36304
be paid by the state. 36305

(K) In the event of a disagreement, the superintendent of 36306
public instruction shall determine the school district in which 36307
the parent resides. 36308

(L) Nothing in this section requires or authorizes, or shall 36309
be construed to require or authorize, the admission to a public 36310
school in this state of a pupil who has been permanently excluded 36311
from public school attendance by the superintendent of public 36312

instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code. 36313
36314

(M) In accordance with division (B)(1) of this section, a child whose parent is a member of the national guard or a reserve unit of the armed forces of the United States and is called to active duty, or a child whose parent is a member of the armed forces of the United States and is ordered to a temporary duty assignment outside of the district, may continue to attend school in the district in which the child's parent lived before being called to active duty or ordered to a temporary duty assignment outside of the district, as long as the child's parent continues to be a resident of that district, and regardless of where the child lives as a result of the parent's active duty status or temporary duty assignment. However, the district is not responsible for providing transportation for the child if the child lives outside of the district as a result of the parent's active duty status or temporary duty assignment. 36315

section may be changed, modified, or revised by action of the 36451

school district to obtain written authorization or instructions 36474
from a health care provider to apply nonprescription topical 36475
ointments designed to prevent sunburn. Furthermore, nothing in 36476
this section shall be construed to prohibit a student to possess 36477
and self-apply nonprescription topical ointment designed to 36478
prevent sunburn while on school property or at a school-sponsored 36479
event without written authorization or instructions from a 36480
healthcare provider. The policy adopted by a school district 36481
pursuant to this section shall not require written authorization 36482
from a health care provider, but may require parental 36483
authorization, for the possession or application of such 36484
sunscreen. A designated person employed by the board of education 36485
of a school district shall apply sunscreen to a student in 36486

Code. 36493

(B)(1) The board of education of each school district may 36494

as the persons are not employed to coach or supervise 36504
interscholastic athletics. 36505

(2) The administrative authority of each chartered nonpublic 36506

administered pursuant to division (A)(11) of section 3313.976 of 37056
the Revised Code with the average performance of similar students 37057
enrolled in the building operated by the pilot project school 37058
district that the scholarship student would otherwise attend. In 37059
calculating the performance of similar students, the department 37060
shall consider age, grade, race and ethnicity, gender, and 37061
socioeconomic status. 37062

Sec. 3314.016. This section applies to any entity that 37063
sponsors a community school, regardless of whether section 37064
3314.021 or 3314.027 of the Revised Code exempts the entity from 37065
the requirement to be approved for sponsorship under divisions 37066
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 37067
office of Ohio school sponsorship established under section 37068
3314.029 of the Revised Code shall be rated under division (B) of 37069
this section, but divisions (A) and (C) of this section do not 37070
apply to the office. 37071

(A) An entity that sponsors a community school shall be 37072
permitted to enter into contracts under section 3314.03 of the 37073
Revised Code to sponsor additional community schools only if the 37074
entity meets all of the following criteria: 37075

(1) The entity is in compliance with all provisions of this 37076
chapter requiring sponsors of community schools to report data or 37077

information to the department of education. 37078

(2) The entity is not rated as "ineffective" under division 37079
(B)(6) of this section. 37080

(3) Except as set forth in sections 3314.021 and 3314.027 of 37081
the Revised Code, the entity has received approval from and 37082
entered into an agreement with the department of education 37083
pursuant to section 3314.015 of the Revised Code. 37084

(B)(1) Beginning with the 2015-2016 school year, the 37085
department shall develop and implement an evaluation system that 37086
annually rates and assigns an overall rating to each entity that 37087
sponsors a community school. That evaluation system shall be 37088
developed and posted on the department's web site by the fifteenth 37089
day of July of each school year. Any changes to the evaluation 37090
system after that date shall take effect the following year. The 37091
evaluation system shall be based on the following components: 37092

(a) Academic performance of students enrolled in community 37093
schools sponsored by the same entity. The academic performance 37094
component shall be derived from the performance measures 37095
prescribed for the state report cards under section 3302.03 or 37096
3314.017 of the Revised Code, and shall be based on the 37097
performance of the schools for the school year for which the 37098
evaluation is conducted. In addition to the academic performance 37099
for a specific school year, the academic performance component 37100
shall also include year-to-year changes in the overall sponsor 37101
portfolio. For a community school for which no graded performance 37102
measures are applicable or available, the department shall use 37103
nonreport card performance measures specified in the contract 37104
between the community school and the sponsor under division (A)(4) 37105
of section 3314.03 of the Revised Code. 37106

If the department uses a component prescribed under division 37107
(C)(3) of section 3302.03 of the Revised Code to calculate the 37108

academic performance component specified under division (B)(1)(a) 37109
of this section, the department shall weight the progress 37110
component specified under division (C)(3)(c) of section 3302.03 of 37111
the Revised Code at sixty per cent of the total score for the 37112
academic performance component under this section. 37113

(b) Adherence by a sponsor to the quality practices 37114
prescribed by the department under division (B)(3) of this 37115
section. For a sponsor that was rated "effective" or "exemplary" 37116
on its most recent rating, the department may evaluate that 37117
sponsor's adherence to quality practices once over a period of 37118
three years. If the department elects to evaluate a sponsor once 37119
over a period of three years, the most recent rating for a 37120
sponsor's adherence to quality practices shall be used when 37121
determining an annual overall rating conducted under this section. 37122

(c) Compliance with all applicable laws and administrative 37123
rules by an entity that sponsors a community school. 37124

(2) In calculating an academic performance component, the 37125
department shall exclude all community schools that have been in 37126
operation for not more than two full school years and all 37127
community schools described in division (A)(4)(b) of section 37128
3314.35 of the Revised Code. However, the academic performance of 37129
the community schools described in division (A)(4)(b) of section 37130
3314.35 of the Revised Code shall be reported, but shall not be 37131
used as a factor when determining a sponsoring entity's rating 37132
under this section. 37133

(3) The department, in consultation with entities that 37134
sponsor community schools, shall prescribe quality practices for 37135
community school sponsors and develop an instrument to measure 37136
adherence to those quality practices. The quality practices shall 37137
be based on standards developed by the national association of 37138
charter school authorizers or any other nationally organized 37139
community school organization. 37140

(4)(a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under division (B)(3) of this section. Peer reviewers shall be limited to individuals employed by sponsors rated "effective" or "exemplary" on the most recent ratings conducted under this section.

(b) The department shall require individuals participating in peer review under division (B)(4)(a) of this section to complete training approved or established by the department.

(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training program.

(5) Not later than July 1, 2013, the state board of education shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B)(1)(c) of this section.

(6) The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component is weighted equally. A separate rating shall be given by the department for each component of the evaluation system.

The department shall publish the ratings between the first day of October and the fifteenth day of October.

The department shall provide training on an annual basis regarding the evaluation system prescribed under this section. The training shall, at a minimum, describe methodology, timelines, and data required for the evaluation system. The first training session shall occur not later than ~~thirty days after the effective~~

~~date of this section~~ March 2, 2016. Beginning in 2018, the 37172
training shall be made available to each entity that sponsors a 37173
community school by the fifteenth day of July of each year and 37174
shall include guidance on any changes made to the evaluation 37175
system. 37176

If the department uses a points system to determine component 37177
ratings and overall ratings under this section, the department 37178
shall not assign an automatic overall rating to an entity based 37179
solely on the entity receiving an equivalent score of zero points 37180
on one or more of the individual components prescribed in division 37181
(B)(1)(b) or (c) of this section. An overall rating shall be the 37182
cumulative score of the individual components prescribed under 37183
this section unless the entity receives a score of zero on the 37184
academic performance component prescribed in division (B)(1)(a) of 37185
this section. 37186

(7)(a) Entities with an overall rating of "exemplary" for at 37187
least two consecutive years may take advantage of the following 37188
incentives: 37189

(i) Renewal of the written agreement with the department, not 37190
to exceed ten years, provided that the entity consents to 37191
continued evaluation of adherence to quality practices as 37192
described in division (B)(1)(b) of this section; 37193

(ii) The ability to extend the term of the contract between 37194
the sponsoring entity and the community school beyond the term 37195
described in the written agreement with the department; 37196

(iii) An exemption from the preliminary agreement and 37197
contract adoption and execution deadline requirements prescribed 37198
in division (D) of section 3314.02 of the Revised Code; 37199

(iv) An exemption from the automatic contract expiration 37200
requirement, should a new community school fail to open by the 37201
thirtieth day of September of the calendar year in which the 37202

community school contract is executed; 37203

(v) No limit on the number of community schools the entity 37204
may sponsor; 37205

(vi) No territorial restrictions on sponsorship. 37206

An entity may continue to sponsor any community schools with 37207
which it entered into agreements under division (B)(7)(a)(v) or 37208
(vi) of this section while rated "exemplary," notwithstanding the 37209
fact that the entity later receives a lower overall rating. 37210

(b)(i) Entities that receive an overall rating of 37211
"ineffective" shall be prohibited from sponsoring any new or 37212
additional community schools during the time in which the sponsor 37213
is rated as "ineffective" and shall be subject to a quality 37214
improvement plan based on correcting the deficiencies that led to 37215
the "ineffective" rating, with timelines and benchmarks that have 37216
been established by the department. 37217

(ii) Entities that receive an overall rating of "ineffective" 37218
on their three most recent ratings shall have all sponsorship 37219
authority revoked. Within thirty days after receiving its third 37220
rating of "ineffective," the entity may appeal the revocation of 37221
its sponsorship authority to the superintendent of public 37222
instruction, who shall appoint an independent hearing officer to 37223
conduct a hearing in accordance with Chapter 119. of the Revised 37224
Code. The hearing shall be conducted within thirty days after 37225
receipt of the notice of appeal. Within forty-five days after the 37226
hearing is completed, the state board of education shall determine 37227
whether the revocation is appropriate based on the hearing 37228
conducted by the independent hearing officer, and if determined 37229
appropriate, the revocation shall be confirmed. 37230

(c) Entities that receive an overall rating of "poor" shall 37231
have all sponsorship authority revoked. Within thirty days after 37232
receiving a rating of "poor," the entity may appeal the revocation 37233

of its sponsorship authority to the superintendent of public 37234
instruction, who shall appoint an independent hearing officer to 37235
conduct a hearing in accordance with Chapter 119. of the Revised 37236
Code. The hearing shall be conducted within thirty days after 37237
receipt of the notice of appeal. Within forty-five days after the 37238
hearing is completed, the state board of education shall determine 37239
whether the revocation is appropriate based on the hearing 37240
conducted by the independent hearing officer, and if determined 37241
appropriate, the revocation shall be confirmed. 37242

(d) Notwithstanding division (F)(3) of section 3314.02 of the 37243
Revised Code and the agreement entered into with the department 37244
under section 3314.015 of the Revised Code, an entity that is an 37245
educational service center that receives an overall rating of 37246
"effective" or higher may sponsor a community school regardless of 37247
whether it is located in a county within the service territory of 37248
the service center or in a contiguous county. 37249

(8) For the 2014-2015 school year and each school year 37250
thereafter, student academic performance prescribed under division 37251
(B)(1)(a) of this section shall include student academic 37252
performance data from community schools that primarily serve 37253
students enrolled in a dropout prevention and recovery program. 37254

(C) If the governing authority of a community school enters 37255
into a contract with a sponsor prior to the date on which the 37256
sponsor is prohibited from sponsoring additional schools under 37257
division (A) of this section and the school has not opened for 37258
operation as of that date, that contract shall be void and the 37259
school shall not open until the governing authority secures a new 37260
sponsor by entering into a contract with the new sponsor under 37261
section 3314.03 of the Revised Code. However, the department's 37262
office of Ohio school sponsorship, established under section 37263
3314.029 of the Revised Code, may assume the sponsorship of the 37264
school until the earlier of the expiration of two school years or 37265

until a new sponsor is secured by the school's governing authority. A community school sponsored by the department under this division shall not be included when calculating the maximum number of directly authorized community schools permitted under division (A)(3) of section 3314.029 of the Revised Code.

(D) When an entity's authority to sponsor schools is revoked pursuant to division (B)(7)(b) or (c) of this section, the office of Ohio school sponsorship shall assume sponsorship of any schools with which the original sponsor has contracted for the remainder of that school year. The office may continue sponsoring those schools until the earlier of:

(1) The expiration of two school years from the time that sponsorship is revoked;

(2) When a new sponsor is secured by the governing authority pursuant to division (C)(1) of section 3314.02 of the Revised Code.

Any community school sponsored under this division shall not be counted for purposes of directly authorized community schools under division (A)(3) of section 3314.029 of the Revised Code.

Sec. 3314.03. A copy of every contract entered into under this section shall be filed with the superintendent of public instruction. The department of education shall make available on its web site a copy of every approved, executed contract filed with the superintendent under this section.

37885
37886

(b) For each payment made to a community school under division (C)(8)(a) of this section, the department shall deduct from the state education aid of each city, local, and exempted village school district and, if necessary, from the payment made to the district under sections 321.24 and 323.156 of the Revised Code an amount equal to the following: 37887

37898
37899
37900

(D) A board of education sponsoring a community school may utilize local funds to make enhancement grants to the school or may agree, either as part of the contract or separately, to provide any specific services to the community school at no cost to the school. 37901
37902
37903
37904

(E) A community school may not levy taxes or issue bonds secured by tax revenues. 37906
37907

(F) No community school shall charge tuition for the enrollment of any student who is a resident of this state. A community school may charge tuition for the enrollment of any student who is not a resident of this state.

(G)(1)(a) A community school may borrow money to pay any necessary and actual expenses of the school in anticipation of the receipt of any portion of the payments to be received by the school pursuant to division (C) of this section. The school may issue notes to evidence such borrowing. The proceeds of the notes shall be used only for the purposes for which the anticipated receipts may be lawfully expended by the school.

(b) A school may also borrow money for a term not to exceed fifteen years for the purpose of acquiring facilities.

(2) Except for any amount guaranteed under section 3318.50 of the Revised Code, the state is not liable for debt incurred by the governing authority of a community school.

(H) The department of education shall adjust the amounts subtracted and paid under division (C) of this section to reflect any enrollment of students in community schools for less than the equivalent of a full school year. The state board of education within ninety days after April 8, 2003, shall adopt in accordance with Chapter 119. of the Revised Code rules governing the payments to community schools under this section including initial payments in a school year and adjustments and reductions made in subsequent periodic payments to community schools and corresponding deductions from school district accounts as provided under division (C) of this section. For purposes of this section:

(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code.

(2) A student shall be considered to be enrolled in a 37939
community school for the period of time beginning on the later of 37940
the date on which the school both has received documentation of 37941
the student's enrollment from a parent and the student has 37942
commenced participation in learning opportunities as defined in 37943
the contract with the sponsor, or thirty days prior to the date on 37944
which the student is entered into the education management 37945
information system established under section 3301.0714 of the 37946
Revised Code. For purposes of applying this division and divisions 37947
(H)(3) and (4) of this section to a community school student, 37948
"learning opportunities" shall be defined in the contract, which 37949
shall describe both classroom-based and non-classroom-based 37950
learning opportunities and shall be in compliance with criteria 37951
and documentation requirements for student participation which 37952
shall be established by the department. Any student's instruction 37953
time in non-classroom-based learning opportunities shall be 37954
certified by an employee of the community school. A student's 37955
enrollment shall be considered to cease on the date on which any 37956
of the following occur: 37957

(a) The community school receives documentation from a parent 37958
terminating enrollment of the student. 37959

(b) The community school is provided documentation of a 37960
student's enrollment in another public or private school. 37961

(c) The community school ceases to offer learning 37962
opportunities to the student pursuant to the terms of the contract 37963
with the sponsor or the operation of any provision of this 37964
chapter. 37965

Except as otherwise specified in this paragraph, beginning in 37966
the 2011-2012 school year, any student who completed the prior 37967
school year in an internet- or computer-based community school 37968
shall be considered to be enrolled in the same school in the 37969
subsequent school year until the student's enrollment has ceased 37970

as specified in division (H)(2) of this section. The department 37971
shall continue subtracting and paying amounts for the student 37972
under division (C) of this section without interruption at the 37973
start of the subsequent school year. However, if the student 37974
without a legitimate excuse fails to participate in the first one 37975
hundred five consecutive hours of learning opportunities offered 37976
to the student in that subsequent school year, the student shall 37977
be considered not to have re-enrolled in the school for that 37978
school year and the department shall recalculate the payments to 37979
the school for that school year to account for the fact that the 37980
student is not enrolled. 37981

(3) The department shall determine each community school 37982
student's percentage of full-time equivalency based on the 37983
percentage of learning opportunities offered by the community 37984
school to that student, reported either as number of hours or 37985
number of days, is of the total learning opportunities offered by 37986
the community school to a student who attends for the school's 37987
entire school year. However, no internet- or computer-based 37988
community school shall be credited for any time a student spends 37989
participating in learning opportunities beyond ten hours within 37990
any period of twenty-four consecutive hours. Whether it reports 37991
hours or days of learning opportunities, each community school 37992
shall offer not less than nine hundred twenty hours of learning 37993
opportunities during the school year. 37994

(4) With respect to the calculation of full-time equivalency 37995
under division (H)(3) of this section, the department shall waive 37996
the number of hours or days of learning opportunities not offered 37997
to a student because the community school was closed during the 37998
school year due to disease epidemic, hazardous weather conditions, 37999
law enforcement emergencies, inoperability of school buses or 38000
other equipment necessary to the school's operation, damage to a 38001
school building, or other temporary circumstances due to utility 38002

failure rendering the school building unfit for school use, so 38003
long as the school was actually open for instruction with students 38004
in attendance during that school year for not less than the 38005
minimum number of hours required by this chapter. The department 38006
shall treat the school as if it were open for instruction with 38007
students in attendance during the hours or days waived under this 38008
division. 38009

(I) The department of education shall reduce the amounts paid 38010
under this section to reflect payments made to colleges under 38011
section 3365.07 of the Revised Code. 38012

(J)(1) No student shall be considered enrolled in any 38013
internet- or computer-based community school or, if applicable to 38014
the student, in any community school that is required to provide 38015
the student with a computer pursuant to division (C) of section 38016
3314.22 of the Revised Code, unless both of the following 38017
conditions are satisfied: 38018

(a) The student possesses or has been provided with all 38019
required hardware and software materials and all such materials 38020
are operational so that the student is capable of fully 38021
participating in the learning opportunities specified in the 38022
contract between the school and the school's sponsor as required 38023
by division (A)(23) of section 3314.03 of the Revised Code; 38024

(b) The school is in compliance with division (A) of section 38025
3314.22 of the Revised Code, relative to such student. 38026

(2) In accordance with policies adopted jointly by the 38027
superintendent of public instruction and the auditor of state, the 38028
department shall reduce the amounts otherwise payable under 38029
division (C) of this section to any community school that includes 38030
in its program the provision of computer hardware and software 38031
materials to any student, if such hardware and software materials 38032
have not been delivered, installed, and activated for each such 38033

student in a timely manner or other educational materials or 38034
services have not been provided according to the contract between 38035
the individual community school and its sponsor. 38036

The superintendent of public instruction and the auditor of 38037
state shall jointly establish a method for auditing any community 38038
school to which this division pertains to ensure compliance with 38039
this section. 38040

The superintendent, auditor of state, and the governor shall 38041
jointly make recommendations to the general assembly for 38042
legislative changes that may be required to assure fiscal and 38043
academic accountability for such schools. 38044

(K)(1) If the department determines that a review of a 38045
community school's enrollment is necessary, such review shall be 38046
completed and written notice of the findings shall be provided to 38047
the governing authority of the community school and its sponsor 38048
within ninety days of the end of the community school's fiscal 38049
year, unless extended for a period not to exceed thirty additional 38050
days for one of the following reasons: 38051

(a) The department and the community school mutually agree to 38052
the extension. 38053

(b) Delays in data submission caused by either a community 38054
school or its sponsor. 38055

(2) If the review results in a finding that additional 38056
funding is owed to the school, such payment shall be made within 38057
thirty days of the written notice. If the review results in a 38058
finding that the community school owes moneys to the state, the 38059
following procedure shall apply: 38060

(a) Within ten business days of the receipt of the notice of 38061
findings, the community school may appeal the department's 38062
determination to the state board of education or its designee. 38063

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

(L) The department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one or more of the assessments required by that section and was not excused pursuant to division (C)(1) or (3) of that section, unless the superintendent of public instruction grants the student a waiver from the requirement to take the assessment and a parent is not paying tuition for the student pursuant to section 3314.26 of the Revised Code. The superintendent may grant a waiver only for good cause in accordance with rules adopted by the state board of

education. 38095

(4) Any student who has attained the age of twenty-two years, 38096
except for veterans of the armed services whose attendance was 38097
interrupted before completing the recognized twelve-year course of 38098
the public schools by reason of induction or enlistment in the 38099
armed forces and who apply for enrollment in a community school 38100
not later than four years after termination of war or their 38101
honorable discharge. If, however, any such veteran elects to 38102
enroll in special courses organized for veterans for whom tuition 38103
is paid under federal law, or otherwise, the department shall not 38104
subtract from a school district's state aid account and shall not 38105
pay to a community school under division (C) of this section any 38106
amount for that veteran. 38107

Sec. 3314.26. (A) Each internet- or computer-based community 38108
school shall withdraw from the school any student who, for two 38109
consecutive school years of enrollment in the school, has failed 38110
to participate in the spring administration of any assessment 38111
prescribed under section 3301.0710 or 3301.0712 of the Revised 38112
Code for the student's grade level and was not excused from the 38113
assessment pursuant to division (C)(1) or (3) of section 3301.0711 38114
of the Revised Code, regardless of whether a waiver was granted 38115
for the student under division (L)(3) of section 3314.08 of the 38116
Revised Code. The school shall report any such student's data 38117
verification code, as assigned pursuant to section 3301.0714 of 38118
the Revised Code, to the department of education. The department 38119
shall maintain a list of all data verification codes reported 38120
under this division and section 3313.6410 of the Revised Code and 38121
provide that list to each internet- or computer-based community 38122
school and to each school to which section 3313.6410 of the 38123
Revised Code applies. 38124

(B) No internet- or computer-based community school shall 38125

receive any state funds under this chapter for any enrolled 38126
student whose data verification code appears on the list 38127
maintained by the department under division (A) of this section. 38128

Notwithstanding any provision of the Revised Code to the 38129
contrary, the parent of any such student shall pay tuition to the 38130
internet- or computer-based community school in an amount equal to 38131
the state funds the school otherwise would receive for that 38132
student, as determined by the department. An internet- or 38133
computer-based community school may withdraw any student for whom 38134
the parent does not pay tuition as required by this division. 38135

Sec. 3314.29. (A) This section applies to any internet- or 38136
computer-based community school that meets all of the following 38137
conditions: 38138

(1) Serves all of grades kindergarten through twelve; 38139

(2) Has an enrollment of at least two thousand students; 38140

(3) Has a sponsor that was not rated ineffective or poor on 38141
its most recent evaluation under section 3314.016 of the Revised 38142
Code. 38143

(B) Beginning with the 2018-2019 school year, the governing 38144
authority of a community school to which this section applies may 38145
adopt a resolution to divide the school into two or three separate 38146
schools as follows: 38147

(1) If the school is divided into two schools, one school 38148
shall serve grades kindergarten through eight and one school shall 38149
serve grades nine through twelve. 38150

(2) If the school is divided into three schools, one school 38151
shall serve grades kindergarten through five, one school shall 38152
serve grades six through eight, and one school shall serve grades 38153
nine through twelve. 38154

(C) The resolution adopted by the governing authority shall 38155

not be effective unless approved by the school's sponsor. 38156

Following approval of the resolution by the sponsor, and by the 38157

fifteenth day of March prior to the school year in which it will 38158

take effect, the governing authority shall file the resolution 38159

with the department of education. The division of the schools 38160

shall be effective on the first day of July succeeding the date 38161

the resolution is filed with the department. 38162

(D) All of the following shall apply to each new school 38163

created as a result of the resolution authorized by this section 38164

and to the school that is divided as a result of the resolution: 38165

(1) Each school shall have the same governing authority. 38166

(2) The sponsor and governing authority shall enter into a 38167

separate contract under section 3314.03 of the Revised Code for 38168

each school. 38169

(3) No school shall primarily serve students enrolled in a 38170

dropout prevention and recovery program operated by the school. 38171

(4) No school shall be permitted to divide again under this 38172

section. 38173

(5) Notwithstanding anything to the contrary in division 38174

(B)(2) of section 3314.016 of the Revised Code, each school shall 38175

be included in the calculation of the academic performance 38176

component for purposes of rating the schools' sponsor under the 38177

evaluation system prescribed by that section. 38178

(6) Each school shall be subject to the laws contained in 38179

Chapter 3314. of the Revised Code, except as otherwise specified 38180

in this section. 38181

(E) The department shall issue a report card under section 38182

3314.012 of the Revised Code for each new school created as a 38183

result of the resolution authorized by this section and for the 38184

school that is divided as a result of the resolution. For purposes 38185

of the report cards and other reporting requirements under this 38186
chapter, the department shall assign the school that serves the 38187
highest grades the same internal retrieval number previously used 38188
by the school that is divided under this section. The department 38189
shall assign a new internal retrieval number to each other school 38190
resulting from the division. 38191

Notwithstanding division (B) of section 3314.012 of the 38192
Revised Code, the ratings a school receives on its report card for 38193
the first two full school years after the division under this 38194
section shall count toward closure of the school under section 38195
3314.35 of the Revised Code and any other matter that is based on 38196
report card ratings or measures. 38197

Sec. 3316.20. (A)(1) The school district solvency assistance 38198
fund is hereby created in the state treasury, to consist of such 38199
amounts designated for the purposes of the fund by the general 38200
assembly. The fund shall be used to provide assistance and grants 38201
to school districts to enable them to remain solvent and to pay 38202
unforeseeable expenses of a temporary or emergency nature that 38203
they are unable to pay from existing resources. 38204

(2) There is hereby created within the fund an account known 38205
as the school district shared resource account, which shall 38206
consist of money appropriated to it by the general assembly. The 38207
money in the account shall be used solely for solvency assistance 38208
to school districts that have been declared under division (B) of 38209
section 3316.03 of the Revised Code to be in a state of fiscal 38210
emergency. 38211

(3) There is hereby created within the fund an account known 38212
as the catastrophic expenditures account, which shall consist of 38213
money appropriated to the account by the general assembly plus all 38214
investment earnings of the fund. Money in the account shall be 38215
used solely for the following: 38216

(a) Solvency assistance to school districts that have been 38217
declared under division (B) of section 3316.03 of the Revised Code 38218
to be in a state of fiscal emergency, in the event that all money 38219
in the shared resource account is utilized for solvency 38220
assistance; 38221

(b) Grants to school districts under division (C) of this 38222
section. 38223

(B) Solvency assistance payments under division (A)(2) or 38224
(3)(a) of this section shall be made from the fund by the 38225
superintendent of public instruction in accordance with rules 38226
adopted by the director of budget and management, after consulting 38227
with the superintendent, specifying approval criteria and 38228
procedures necessary for administering the fund. 38229

The fund shall be reimbursed for any solvency assistance 38230
amounts paid under division (A)(2) or (3)(a) of this section not 38231
later than the end of the second fiscal year following the fiscal 38232
year in which the solvency assistance payment was made, except 38233
that, upon the approval of the director of budget and management 38234
and the superintendent of public instruction, the fund may be 38235
reimbursed in another fiscal year designated by the director and 38236
superintendent that is not later than the end of the tenth fiscal 38237
year following the fiscal year in which the solvency assistance 38238
payment was made. If not made directly by the school district, 38239
such reimbursement shall be made by the director of budget and 38240
management from the amounts the school district would otherwise 38241
receive pursuant to Chapter 3317. of the Revised Code, or from any 38242
other funds appropriated for the district by the general assembly. 38243
Reimbursements shall be credited to the respective account from 38244
which the solvency assistance paid to the district was deducted. 38245

(C) The superintendent of public instruction may make 38246
recommendations, and the controlling board may grant money from 38247
the catastrophic expenditures account to any school district that 38248

suffers an unforeseen catastrophic event that severely depletes 38249
the district's financial resources. The superintendent shall make 38250
recommendations for the grants in accordance with rules adopted by 38251
the director of budget and management, after consulting with the 38252
superintendent. A school district shall not be required to repay 38253
any grant awarded to the district under this division, unless the 38254
district receives money from this state or a third party, 38255
including an agency of the government of the United States, 38256
specifically for the purpose of compensating the district for 38257
revenue lost or expenses incurred as a result of the unforeseen 38258
catastrophic event. If a school district receives a grant from the 38259
catastrophic expenditures account on the basis of the same 38260
circumstances for which an adjustment or recomputation is 38261
authorized under section 3317.025, ~~3317.026~~, ~~3317.027~~, 3317.028, 38262
3317.0210, or 3317.0211 of the Revised Code, the department of 38263
education shall reduce the adjustment or recomputation by an 38264
amount not to exceed the total amount of the grant, and an amount 38265
equal to the reduction shall be transferred, from the funding 38266
source from which the adjustment or recomputation would be paid, 38267
to the catastrophic expenditures account. Any adjustment or 38268
recomputation under such sections that is in excess of the total 38269
amount of the grant shall be paid to the school district. 38270

Sec. 3317.01. As used in this section, "school district," 38271
unless otherwise specified, means any city, local, exempted 38272
village, joint vocational, or cooperative education school 38273
district and any educational service center. 38274

This chapter shall be administered by the state board of 38275
education. The superintendent of public instruction shall 38276
calculate the amounts payable to each school district and shall 38277
certify the amounts payable to each eligible district to the 38278
treasurer of the district as provided by this chapter. As soon as 38279
possible after such amounts are calculated, the superintendent 38280

shall certify to the treasurer of each school district the 38281
district's adjusted charge-off increase, as defined in section 38282
5705.211 of the Revised Code. Certification of moneys pursuant to 38283
this section shall include the amounts payable to each school 38284
building, at a frequency determined by the superintendent, for 38285
each subgroup of students, as defined in section 3317.40 of the 38286
Revised Code, receiving services, provided for by state funding, 38287
from the district or school. No moneys shall be distributed 38288
pursuant to this chapter without the approval of the controlling 38289
board. 38290

The state board of education shall, in accordance with 38291
appropriations made by the general assembly, meet the financial 38292
obligations of this chapter. 38293

Moneys distributed to school districts pursuant to this 38294
chapter shall be calculated based on the annual enrollment 38295
calculated from the three reports required under sections 3317.03 38296
and 3317.036 of the Revised Code and paid on a fiscal year basis, 38297
beginning with the first day of July and extending through the 38298
thirtieth day of June. In any given fiscal year, prior to school 38299
districts submitting the first report required under section 38300
3317.03 of the Revised Code, enrollment for the districts shall be 38301
calculated based on the third report submitted by the districts 38302
for the previous fiscal year. The moneys appropriated for each 38303
fiscal year shall be distributed periodically to each school 38304
district unless otherwise provided for. The state board, in June 38305
of each year, shall submit to the controlling board the state 38306
board's year-end distributions pursuant to this chapter. 38307

Except as otherwise provided, payments under this chapter 38308
shall be made only to those school districts in which: 38309

(A) The school district, except for any educational service 38310
center and any joint vocational or cooperative education school 38311
district, levies for current operating expenses at least twenty 38312

mills. Levies for joint vocational or cooperative education school 38313
districts or county school financing districts, limited to or to 38314
the extent apportioned to current expenses, shall be included in 38315
this qualification requirement. School district income tax levies 38316

Sec. 3317.017. The department of education shall compute a 38413
school district's state share index as follows: 38414

(A) Calculate the district's valuation index, which equals 38415
the following quotient: 38416

(The district's three-year average valuation / the district's 38417
total ADM) / (the statewide three-year average valuation for 38418
school districts with a total ADM greater than zero / the 38419
statewide total ADM) 38420

(B)(1) Calculate the district's median income index, which 38421
equals the following quotient: 38422

(The district's median Ohio adjusted gross income / the 38423
median of the median Ohio adjusted gross income of all districts 38424
statewide with a total ADM greater than zero) 38425

(2) Calculate the district's income index, which equals the 38426
following sum: 38427

(The district's median income index X 0.5) + {[the three-year 38428
average federal adjusted gross income of the school district's 38429
residents / the district's formula ADM for fiscal year 2017) / 38430
(the three-year average federal adjusted gross income of all 38431
districts statewide with a formula ADM for fiscal year 2017 38432
greater than zero / the statewide formula ADM for fiscal year 38433
2017)] X 0.5} 38434

(C) Determine the district's wealth index as follows:	38435
(1) If the district's income index is less than the	38436
district's valuation index and the district's median income index	38437
is less than or equal to 1.5, then the district's wealth index	38438
shall be equal to [(0.4 X the district's income index) + (0.6 X	38439
the district's valuation index)].	38440
(2) If the district's income index does not meet both of the	38441
conditions described in division (C)(1) of this section, then the	38442
district's wealth index shall be equal to the district's valuation	38443
index.	38444
(D) Determine the district's state share index as follows:	38445
(1) If the district's wealth index is less than or equal to	38446
0.35, then the district's state share index shall be equal to	38447
0.90.	38448
(2) If the district's wealth index is greater than 0.35 but	38449
less than or equal to 0.90, then the district's state share index	38450
shall be equal to {0.40 X [(0.90 - the district's wealth index) /	38451
0.55]} + 0.50.	38452
(3) If the district's wealth index is greater than 0.90 but	38453
less than 1.8, then the district's state share index shall be	38454
equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} +	38455
0.05.	38456
(4) If the district's wealth index is greater than or equal	38457
to 1.8, then the district's state share index shall be equal to	38458
0.05.	38459
(E)(1) For each school district for which the tax-exempt	38460
value of the district, as certified under division (A)(4) of	38461
section 3317.021 of the Revised Code, equals or exceeds thirty per	38462
cent of the potential value of the district, the department shall	38463
calculate the difference between the district's tax-exempt value	38464

and thirty per cent of the district's potential value. For this 38465
purpose, the "potential value" of a school district is the 38466
three-year average valuation of the district plus the tax-exempt 38467
value of the district. 38468

(2) For each school district to which division (E)(1) of this 38469
section applies, the department shall adjust the district's 38470
three-year average valuation used in the calculation under 38471
division (A) of this section by subtracting from it the amount 38472
calculated under division (E)(1) of this section. The department 38473
shall not, however, make any adjustments to the statewide 38474
three-year average valuation used in the calculation under 38475
division (A) of this section. 38476

(F)(1) For purposes of division (F) of this section, for 38477
fiscal year 2018 or 2019, an "eligible school district" is a 38478
school district that satisfies all of the following for that 38479
fiscal year: 38480

property in the district is at least ten per cent of the 38482
district's total taxable value for the tax year immediately 38483
preceding the most recent tax year for which data is available. 38484

(b) The total taxable value of public utility personal 38485
property in the district for the most recent tax year for which 38486
data is available is at least ten per cent less than the total 38487
taxable value of public utility property in the district for the 38488
tax year immediately preceding the most recent tax year for which 38489
data is available. 38490

(c) The total taxable value of power plants in the district 38491
for the most recent tax year for which data is available is at 38492
least ten per cent less than the total taxable value of power 38493
plants in the district for the tax year immediately preceding the 38494
most recent tax year for which data is available. 38495

(2) Notwithstanding divisions (A) to (E) of this section, the 38496
department shall compute each eligible school district's state 38497
share index as follows: 38498

(a) Calculate the district's valuation index in accordance 38499
with division (A) of this section, except that, if the district's 38500
total taxable value for the most recent tax year for which data is 38501
available is less than the district's "three-year average 38502
valuation," the district's "three-year average valuation" shall be 38503
replaced in that calculation with the district's total taxable 38504
value for the most recent tax year for which data is available; 38505

(b) Calculate the district's median income index and income 38506
index in accordance with division (B) of this section; 38507

(c) Determine the district's wealth index in accordance with 38508
division (C) of this section using the district's valuation index, 38509
median income index, and income index as calculated under 38510
divisions (F)(2)(a) and (b) of this section; 38511

(d) Determine the district's state share index in accordance 38512
with division (D) of this section using the district's wealth 38513
index as determined under division (F)(2)(c) of this section. 38514

(G) When performing the calculations required under this 38515
section, the department shall not round to fewer than four decimal 38516
places. 38517

property in the district or in which is located tangible personal 39091
property designed for use or used in strip mining operations, 39092
whose taxable value exceeds five million dollars, and the taxes 39093
upon which the district is precluded from collecting by virtue of 39094
legal proceedings to determine the value of such property: 39095

of the Revised Code on the basis of the same circumstances for 39138
which a recomputation is made under this section, the amount of 39139
the recomputation shall be reduced and transferred in accordance 39140

with division (C) of section 3316.20 of the Revised Code. 39141

qualifying riders who are provided school bus service by a school 39151
district during the first full week of October. 39152

(3) "Rider density" means the total ADM per square mile of a 39153

accordance with rules adopted by the department. 39169

(C) The department shall calculate the statewide	39170
transportation cost per student as follows:	39171
(1) Determine each city, local, and exempted village school	39172
district's transportation cost per student by dividing the	39173
district's total costs for school bus service in the previous	39174
fiscal year by its qualifying ridership in the previous fiscal	39175
year.	39176
(2) After excluding districts that do not provide school bus	39177
service and the ten districts with the highest transportation	39178
costs per student and the ten districts with the lowest	39179
transportation costs per student, divide the aggregate cost for	39180
school bus service for the remaining districts in the previous	39181
fiscal year by the aggregate qualifying ridership of those	39182
districts in the previous fiscal year.	39183
(D) The department shall calculate the statewide	39184
transportation cost per mile as follows:	39185
(1) Determine each city, local, and exempted village school	39186

previous fiscal year.	39190
(2) After excluding districts that do not provide school bus	39191

costs per mile and the ten districts with the lowest	39193
transportation costs per mile, divide the aggregate cost for	39194

fiscal year by the aggregate miles driven for school bus service	39196
in those districts in the previous fiscal year.	39197
(E) The department shall calculate each city, local, and	39198
exempted village school district's transportation payment as	39199
follows:	39200

district's rider density] / 100

If the result of the calculation for a district under division (G)(1) of this section is less than zero, the district's transportation supplement percentage shall be zero.

(2) The department shall pay each district a transportation supplement calculated according to the following formula:

The district's transportation supplement percentage X the amount 39231

division (C) of this section is greater than 2.5, the district's 39246
capacity ratio shall be 2.5. 39247

(D) Calculate the capacity aid per pupil amount, which equals 39248
the following quotient: 39249

(The amount determined under division (B) of this section) / (the 39250

average of the formula ADMs of all of the districts for which the 39251

amount calculated under division (A) of this section is less than 39252

the amount determined under division (B) of this section) 39253

(E) Calculate each school district's capacity aid, which 39254
equals the following product: 39255

The capacity aid per pupil amount calculated under division (D) of 39256

this section X the district's formula ADM X ~~(2.75, for fiscal year~~ 39257

~~2016, or 3.5, for fiscal year 2017)~~ 4.0 X the district's capacity 39258

ratio calculated under division (C) of this section 39259

If a board of education subsequently determines that the remittal of moneys leaves the board with insufficient money to pay all valid expenses incurred under this section during the biennium for which the remitted money was appropriated, the board may apply to the department of education for a refund of money, not to exceed the amount of the insufficiency. If the department determines the expenses were lawfully incurred and would have been lawful expenditures of the refunded money, it shall certify its determination and the amount of the refund to be made to the director of job and family services who shall make a refund as provided in section 4141.47 of the Revised Code.

of the Revised Code, the Ohio ~~school~~ facilities construction 39983
commission shall periodically perform an assessment of the 39984
classroom facility needs in the state to identify school districts 39985
in need of additional classroom facilities, or replacement or 39986
reconstruction of existent classroom facilities, and the cost to 39987
each such district of constructing or acquiring such additional 39988
facilities or making such renovations. 39989

(B) Based upon the most recent assessment conducted pursuant 39990
to division (A) of this section, the commission shall conduct 39991
on-site visits to school districts identified as having classroom 39992
facility needs to confirm the findings of the periodic assessment 39993
and further evaluate the classroom facility needs of the district. 39994
The evaluation shall assess the district's need to construct or 39995
acquire new classroom facilities and may include an assessment of 39996
the district's need for building additions or for the 39997
reconstruction of existent buildings in lieu of constructing or 39998
acquiring replacement buildings. 39999

(C)(1) Except as provided in division (C)(2) of this section, 40000
on-site visits performed on or after May 20, 1997, shall be 40001
performed in the order specified in this division. The first round 40002
of on-site visits first succeeding the effective date of this 40003

amendment, May 20, 1997, shall be limited to the school districts 40004
in the first through fifth percentiles, excluding districts that 40005
are ineligible for funding under this chapter pursuant to section 40006

tenth percentiles, excluding districts that are ineligible for 40009
funding under this chapter pursuant to section 3318.04 of the 40010
Revised Code. Each succeeding round of on-site visits shall be 40011
limited to the percentiles included in the immediately preceding 40012
round of on-site visits plus the next five percentiles. Except for 40013
the first round of on-site visits, no round of on-site visits 40014
shall commence unless eighty per cent of the districts for which 40015
on-site visits were performed during the immediately preceding 40016
round, have had projects approved under section 3318.04 of the 40017
Revised Code. 40018

(2) Notwithstanding division (C)(1) of this section, the 40019
commission may perform on-site visits for school districts in the 40020
next highest percentile to the percentiles included in the current 40021
round of on-site visits, and then to succeeding percentiles one at 40022
a time, not to exceed the twenty-fifth percentile, if all of the 40023
following apply: 40024

(a) Less than eighty per cent of the districts for which 40025
on-site visits were performed in the current round, and in any 40026
percentiles for which on-site visits were performed in addition to 40027
the current round pursuant to this division, have had projects 40028
approved under section 3318.04 of the Revised Code; 40029

(b) There are funds appropriated for the purpose of sections 40030
3318.01 to 3318.20 of the Revised Code that are not reserved and 40031
encumbered for projects pursuant to section 3318.04 of the Revised 40032
Code; 40033

(c) The commission makes a finding that such available funds 40034
would be more thoroughly utilized if on-site visits were extended 40035

to the next highest percentile. 40036

(D) Notwithstanding divisions (B) and (C) of this section, in 40037
any fiscal year, the commission may limit the number of districts 40038
for which it conducts on-site visits based upon its projections of 40039
the moneys available and moneys necessary to undertake projects 40040
under sections 3318.01 to 3318.20 of the Revised Code for that 40041
year. 40042

Sec. 3318.021. Notwithstanding section 3318.02 of the Revised 40043
Code, the Ohio ~~school~~ facilities construction commission may 40044
conduct on-site visits to any school district whose district board 40045
adopts a resolution certifying to the commission the board's 40046
intent to participate in the school building assistance expedited 40047
local partnership program under section 3318.36 of the Revised 40048
Code. 40049

Sec. 3318.022. Notwithstanding anything to the contrary in 40050
section 3318.02 of the Revised Code, within two years following 40051
the request of the school district, the Ohio ~~school~~ facilities 40052
construction commission shall assess the current conditions of the 40053
classroom facilities needs of any school district that is not yet 40054
eligible for state assistance under Chapter 3318. of the Revised 40055
Code and that requests such an assessment. The assessment made 40056
under this section shall not include a final agreement between the 40057
school district and the commission as to the basic project cost of 40058
the school district's classroom facilities needs. The commission 40059
shall not consider any request for an assessment under this 40060
section that is submitted sooner than ~~the effective date of this~~ 40061
~~section~~ September 14, 2000. 40062

Sec. 3318.024. In the first year of a capital biennium, any 40063
funds appropriated to the Ohio ~~school~~ facilities construction 40064
commission for classroom facilities projects under this chapter in 40065

the previous capital biennium that were not spent or encumbered, 40066
or for which an encumbrance has been canceled under section 40067
3318.05 of the Revised Code, shall be used by the commission only 40068
for projects under sections 3318.01 to 3318.20 of the Revised 40069
Code, subject to appropriation by the general assembly. 40070

In the second year of a capital biennium, any funds 40071
appropriated to the Ohio ~~school~~ facilities construction commission 40072
for classroom facilities projects under this chapter that were not 40073
spent or encumbered in the first year of the biennium and which 40074
are in excess of an amount equal to half of the appropriations for 40075
the capital biennium, or for which an encumbrance has been 40076
canceled under section 3318.05 of the Revised Code, shall be used 40077
by the commission only for projects under sections 3318.01 to 40078
3318.20, 3318.351, 3318.364, 3318.37, 3318.371, 3318.38, and 40079
3318.40 to 3318.46 of the Revised Code, subject to appropriation 40080
by the general assembly. 40081

Sec. 3318.03. (A) Before conducting an on-site evaluation of 40082
a school district under section 3318.02 of the Revised Code, at 40083
the request of the district board of education, the Ohio ~~school~~ 40084
facilities construction commission shall examine any classroom 40085
facilities needs assessment that has been conducted by the 40086
district and any master plan developed for meeting the facility 40087
needs of the district. 40088

(B) Upon conducting the on-site evaluation under section 40089
3318.02 of the Revised Code, the Ohio ~~school~~ facilities 40090
construction commission shall make a determination of all of the 40091
following: 40092

(1) The needs of the school district for additional classroom 40093
facilities; 40094

(2) The number of classroom facilities to be included in a 40095

project and the basic project cost of constructing, acquiring, 40096
reconstructing, or making additions to each such facility; 40097

(3) The amount of such cost that the school district can 40098
supply from available funds, by the issuance of bonds previously 40099
authorized by the electors of the school district the proceeds of 40100
which can lawfully be used for the project and by the issuance of 40101
bonds under section 3318.05 of the Revised Code; 40102

(4) The remaining amount of such cost that shall be supplied 40103
by the state; 40104

(5) The amount of the state's portion to be encumbered in 40105
accordance with section 3318.11 of the Revised Code in the current 40106
and subsequent fiscal years from funds appropriated for purposes 40107
of sections 3318.01 to 3318.20 of the Revised Code. 40108

(C) The commission shall make a determination in favor of 40109
constructing, acquiring, reconstructing, or making additions to a 40110
classroom facility only upon evidence that the proposed project 40111
conforms to sound educational practice, that it is in keeping with 40112
the orderly process of school district reorganization and 40113
consolidation, and that the actual or projected enrollment in each 40114
classroom facility proposed to be included in the project is at 40115
least three hundred fifty pupils. Exceptions shall be authorized 40116
only in those districts where topography, sparsity of population, 40117
and other factors make larger schools impracticable. 40118

If the school district board determines that an existing 40119
facility has historical value or for other good cause determines 40120
that an existing facility should be renovated in lieu of acquiring 40121
a comparable facility by new construction, the commission may 40122
approve the expenditure of project funds for the renovation of 40123
that facility up to but not exceeding one hundred per cent of the 40124
estimated cost of acquiring a comparable facility by new 40125
construction, as long as the commission determines that the 40126

facility when renovated can be operationally efficient, will be 40127
adequate for the future needs of the district, and will comply 40128
with the other provisions of this division. 40129

(D) Sections 125.81 and 153.04 of the Revised Code shall not 40130
apply to classroom facilities constructed under either sections 40131
3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised 40132
Code. 40133

Sec. 3318.031. (A) The Ohio ~~school~~ facilities construction 40134
commission shall consider student and staff safety and health when 40135
reviewing design plans for classroom facility construction 40136
projects proposed under this chapter. After consulting with 40137
appropriate education, health, and law enforcement personnel, the 40138
commission may require as a condition of project approval under 40139
either section 3318.03 or division (B)(1) of section 3318.41 of 40140
the Revised Code such changes in the design plans as the 40141
commission believes will advance or improve student and staff 40142
safety and health in the proposed classroom facility. 40143

To carry out its duties under this division, the commission 40144
shall review and, if necessary, amend any construction and design 40145
standards used in its project approval process, including 40146
standards for location and number of exits, standards for lead 40147
safety in classroom facilities constructed before 1978 in which 40148
services are provided to children under six years of age, and 40149
location of restrooms, with a focus on advancing student and staff 40150
safety and health. 40151

(B) When reviewing design standards for classroom facility 40152
construction projects proposed under this chapter, the commission 40153
shall also consider the extent to which the design standards 40154
support the following: 40155

(1) Trends in educational delivery methods, including digital 40156
access and blended learning; 40157

(2) Provision of sufficient space for training new teachers	40158
and promotion of collaboration among teaching candidates,	40159
experienced teachers, and teacher educators;	40160
(3) Provision of adequate space for teacher planning and	40161
collaboration;	40162
(4) Provision of adequate space for parent involvement	40163
activities;	40164
(5) Provision of sufficient space for innovative partnerships	40165
between schools and health and social service agencies.	40166
Sec. 3318.032. (A) Except as otherwise provided in divisions	40167
(C) and (D) of this section, the portion of the basic project cost	40168
supplied by the school district shall be the greater of:	40169
(1) The required percentage of the basic project costs;	40170
(2)(a) For all districts except a district that opts to	40171
divide its entire classroom facilities needs into segments to be	40172
completed separately as authorized by section 3318.034 of the	40173
Revised Code, an amount necessary to raise the school district's	40174
net bonded indebtedness, as of the date the controlling board	40175
approved the project, to within five thousand dollars of the	40176
required level of indebtedness;	40177
(b) For a district that opts to divide its entire classroom	40178
facilities needs into segments to be completed separately as	40179
authorized by section 3318.034 of the Revised Code, an amount	40180
necessary to raise the school district's net bonded indebtedness,	40181
as of the date the controlling board approved the project, to	40182
within five thousand dollars of the following:	40183
The required level of indebtedness X (the basic	40184
project cost of the segment as approved	40185
by the controlling board / the estimated basic	40186
project cost of the district's entire classroom facilities	40187

needs as determined jointly by the staff of the Ohio 40188
~~school~~ facilities construction commission and the district) 40189

(B) The amount of the district's share determined under this 40190
section shall be calculated only as of the date the controlling 40191
board approved the project, and that amount applies throughout the 40192
thirteen-month period permitted under section 3318.05 of the 40193
Revised Code for the district's electors to approve the 40194
propositions described in that section. If the amount reserved and 40195
encumbered for a project is released because the electors do not 40196
approve those propositions within that period, and the school 40197
district later receives the controlling board's approval for the 40198
project, subject to a new project scope and estimated costs under 40199
section 3318.054 of the Revised Code, the district's portion shall 40200
be recalculated in accordance with this section as of the date of 40201
the controlling board's subsequent approval. 40202

(C) At no time shall a school district's portion of the basic 40203
project cost be greater than ninety-five per cent of the total 40204
basic project cost. 40205

(D) If the controlling board approves a project under 40206
sections 3318.01 to 3318.20 of the Revised Code for a school 40207
district that previously received assistance under those sections 40208
or section 3318.37 of the Revised Code within the twenty-year 40209
period prior to the date on which the controlling board approves 40210
the new project, the district's portion of the basic project cost 40211
for the new project shall be the lesser of the following: 40212

(1) The portion calculated under division (A) of this 40213
section; 40214

(2) The greater of the following: 40215

(a) The required percentage of the basic project costs for 40216
the new project; 40217

(b) The percentage of the basic project cost paid by the 40218

district for the previous project. 40219

Sec. 3318.033. (A) As used in this section: 40220

(1) "Formula ADM" has the same meaning as in section 3317.02 40221
of the Revised Code. 40222

(2) "Open enrollment net gain" has the same meaning as in 40223
section 3318.011 of the Revised Code. 40224

(B) This section applies to each school district that meets 40225
the following criteria: 40226

(1) The Ohio ~~school~~ facilities construction commission 40227
certified its conditional approval of the district's project under 40228
sections 3318.01 to 3318.20 of the Revised Code after July 1, 40229
2006, and prior to September 29, 2007, and the project had not 40230
been completed as of September 29, 2007. 40231

(2) Within one year after the date of the commission's 40232
certification of its conditional approval, the district's electors 40233
approved a bond issue to pay the district's portion of the basic 40234
project cost or the district board of education complied with 40235
section 3318.052 of the Revised Code. 40236

(3) In the fiscal year prior to the fiscal year in which the 40237
district's project was conditionally approved, the district had an 40238
open enrollment net gain that was ten per cent or more of its 40239
formula ADM. 40240

(C) For each school district to which this section applies, 40241
the department of education shall recalculate the district's 40242
percentile ranking under section 3318.011 of the Revised Code for 40243
the fiscal year prior to the fiscal year in which the district's 40244
project was conditionally approved and shall report the 40245
recalculated percentile ranking to the commission. For this 40246
purpose, the department shall recalculate every school district's 40247
percentile ranking for that fiscal year using the district's 40248

"valuation per pupil" as that term is defined in section 3318.011 40249
of the Revised Code on and after September 29, 2007. 40250

(D) For each school district to which this section applies, 40251
the commission shall use the recalculated percentile ranking 40252
reported under division (C) of this section to determine the 40253
district's portion of the basic project cost under section 40254
3318.032 of the Revised Code. The commission shall not use the 40255
recalculated percentile ranking for any other purpose, and the 40256
recalculated ranking shall not affect any other district's portion 40257
of the basic project cost under section 3318.032 of the Revised 40258
Code or any district's eligibility for assistance under sections 40259
3318.01 to 3318.20 of the Revised Code. The commission shall 40260
revise the agreement entered into under section 3318.08 of the 40261
Revised Code to reflect the district's new portion of the basic 40262
project cost as determined under this division. 40263

Sec. 3318.034. (A) This section applies to both of the 40264
following: 40265

(1) Any school district that has not executed an agreement 40266
for a project under sections 3318.01 to 3318.20 of the Revised 40267
Code prior to June 24, 2008; 40268

(2) Any school district that is eligible for additional 40269
assistance under sections 3318.01 to 3318.20 of the Revised Code 40270
pursuant to division (B)(2) of section 3318.04 of the Revised 40271
Code. 40272

Notwithstanding any provision of this chapter to the 40273
contrary, with the approval of the Ohio ~~school~~ facilities 40274
construction commission, any school district to which this section 40275
applies may opt to divide the district's entire classroom 40276
facilities needs, as those needs are jointly determined by the 40277
staff of the commission and the school district, into discrete 40278
segments and shall comply with all of the provisions of those 40279

sections unless otherwise provided in this section. 40280

(B) Except as provided in division (C) of this section, each 40281
segment shall comply with both of the following: 40282

(1) The segment shall consist of the new construction of one 40283
or more entire buildings, a stand-alone segment of a building that 40284
serves grades kindergarten through twelve, or the complete 40285
renovation of one or more entire existing buildings, with any 40286
necessary additions to that building. 40287

(2) The segment shall not include any construction of or 40288
renovation or repair to any building that does not complete the 40289
needs of the district with respect to that particular building at 40290
the time the segment is completed. 40291

(C) A district described in division (A)(2) of this section 40292
that has not received the additional assistance authorized under 40293
division (B)(2) of section 3318.04 of the Revised Code may 40294
undertake a segment, with commission approval, for the purpose of 40295
renovating or replacing work performed on a facility under the 40296
district's prior project. The commission may approve that segment 40297
if the commission determines that the renovation or replacement is 40298
necessary to protect the facility. The basic project cost of the 40299
segment shall be allocated between the state and the district in 40300
accordance with section 3318.032 of the Revised Code. However, the 40301
requirements of division (B) of this section shall not apply to a 40302
segment undertaken under this division. 40303

(D) The commission shall conditionally approve and seek 40304
controlling board approval in accordance with division (A) of 40305
section 3318.04 of the Revised Code of each segment. 40306

(E)(1) When undertaking a segment under this section, a 40307
school district may elect to prorate its full maintenance amount 40308
by setting aside for maintenance the amount calculated under 40309
division (E)(2) of this section to maintain the classroom 40310

facilities acquired under the segment, if the district will use 40311
one or more of the alternative methods authorized in sections 40312
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 40313
the entire amount calculated under that division. If the district 40314
so elects, the commission and the district shall include in the 40315
agreement entered into under section 3318.08 of the Revised Code a 40316
statement specifying that the district will use the amount 40317
calculated under that division only to maintain the classroom 40318
facilities acquired under the segment. 40319

(2) The commission shall calculate the amount for a school 40320
district to maintain the classroom facilities acquired under a 40321
segment as follows: 40322

The full maintenance amount X (the school district's portion 40323
of the basic project cost for the segment / the school district's 40324
portion of the basic project cost for the district's entire 40325
classroom facilities needs, as determined jointly by the staff of 40326
the commission and the district) 40327

(3) A school district may elect to prorate its full 40328
maintenance amount for any number of segments, provided the 40329
district will use one or more of the alternative methods 40330
authorized in sections 3318.051, 3318.052, and 3318.084 of the 40331
Revised Code to generate the entire amount calculated under 40332
division (E)(2) of this section to maintain the classroom 40333
facilities acquired under each segment for which it so elects. If 40334
the district cannot use one or more of those alternative methods 40335
to generate the entire amount calculated under that division, the 40336
district shall levy the tax described in division (B) of section 40337
3318.05 of the Revised Code or an extension of that tax under 40338
section 3318.061 of the Revised Code in an amount necessary to 40339
generate the remainder of its full maintenance amount. The 40340
commission shall calculate the remainder of the district's full 40341
maintenance amount as follows: 40342

The full maintenance amount - the sum of the amounts 40343
calculated for the district under division (E)(2) of this section 40344
for each prior segment of the district's project 40345

(4) In no case shall the sum of the amounts calculated for a 40346
school district's maintenance of classroom facilities under 40347
divisions (E)(2) and (3) of this section exceed the amount that 40348
would have been required for maintenance if the district had 40349
elected to undertake its project in its entirety instead of 40350
segmenting the project under this section. 40351

(5) If a school district commenced a segment under this 40352
section prior to September 10, 2012, but has not completed that 40353
segment, and has not levied the tax described in division (B) of 40354
section 3318.05 of the Revised Code or an extension of that tax 40355
under section 3318.061 of the Revised Code, the district may 40356
request approval from the commission to prorate its full 40357
maintenance amount in accordance with divisions (E)(1) to (4) of 40358
this section. If the commission approves the request, the 40359
commission and the district shall amend the agreement entered into 40360
under section 3318.08 of the Revised Code to reflect the change. 40361

(F) If a school district levies the tax described in division 40362
(B) of section 3318.05 of the Revised Code or an extension of that 40363
tax under section 3318.061 of the Revised Code, the tax shall run 40364
for twenty-three years from the date the segment for which the tax 40365
is initially levied is undertaken. The maintenance levy 40366
requirement, as defined in section 3318.18 of the Revised Code, 40367
does not apply to a segment undertaken under division (C) of this 40368
section. 40369

(G) As used in this section, "full maintenance amount" means 40370
the amount of total revenue that a school district likely would 40371
generate by one-half mill of the tax described in division (B) of 40372
section 3318.05 of the Revised Code over the entire 40373
twenty-three-year period required under that section, as 40374

determined by the commission in consultation with the department 40375
of taxation. 40376

Sec. 3318.035. (A) This section applies only if there is a 40377
change in the assessment rates on gas pipelines imposed under 40378
state law. 40379

(B) If at any time division (A) of this section applies and 40380
if the change in assessment rates described in that division 40381
affects a school district's valuation as determined under division 40382
(P) of section 3318.01 of the Revised Code by greater than ten per 40383
cent and if the Ohio ~~school~~ facilities construction commission had 40384
determined the state and school district portion of the basic 40385
project cost of such a district's project under section 3318.36 or 40386
3318.37 of the Revised Code prior to that change in valuation, the 40387
commission shall adjust the state and school district portions of 40388
the basic project cost of the school district's project using the 40389
valuation altered by the change in assessment rates described in 40390
division (A) of this section. 40391

Sec. 3318.036. (A) For purposes of this section: 40392

(1) "Eligible school district" is a city, local, or exempted 40393
village school district that satisfies both of the following 40394
conditions: 40395

(a) The district resulted from one of the following that 40396
became effective between July 1, 2013, and June 30, 2018: 40397

(i) A transfer of all of the territory of one school district 40398
to another school district in accordance with section 3311.22, 40399
3311.231, 3311.24, or 3311.38 of the Revised Code; 40400

(ii) The merger of two or more districts in accordance with 40401
section 3311.25 of the Revised Code; 40402

(iii) The creation of a new local school district from all of 40403

one or more local school districts in accordance with section 40404
3311.26 of the Revised Code; 40405

(iv) The consolidation of two or more school districts under 40406
section 3311.37 of the Revised Code. 40407

(b) The district has demonstrated to the Ohio ~~school~~ 40408
facilities construction commission an efficient use of facility 40409
space, including a reduction in the number of buildings used by 40410
students and administrative staff. 40411

(2) "Basic project cost" and "required percentage of the 40412
basic project cost" have the same meanings as in section 3318.01 40413
of the Revised Code. 40414

(B) Notwithstanding anything to the contrary in this chapter: 40415

(1) If the commission determines that a district is an 40416
eligible school district, the commission shall give that district 40417
first priority for funding for a project under sections 3318.01 to 40418
3318.20 of the Revised Code as such funds become available, 40419
regardless of the district's percentile rank under section 40420
3318.011 of the Revised Code. If the district results from a 40421
transfer, merger, consolidation, or creation of a new local 40422
district that takes effect prior to ~~the effective date of this~~ 40423
~~section~~ April 6, 2017, the district's portion of the basic project 40424
cost shall be the required percentage of the basic project cost 40425
based on the percentile ranking of the district that was 40426
transferred, merged, consolidated, or existed prior to the 40427
creation of the new district that has the lowest three-year 40428
average adjusted valuation per pupil, as calculated under section 40429
3318.011 of the Revised Code, on the date that the transfer, 40430
merger, consolidation, or creation of the new district became 40431
effective. 40432

(2) If an eligible school district is given priority under 40433
division (B)(1) of this section, the commission may reduce that 40434

district's portion of the basic project cost by twenty-five 40435
percentage points from the portion determined under section 40436
3318.032 of the Revised Code or, if the district results from a 40437
transfer, merger, consolidation, or creation of a new local 40438
district that takes effect prior to ~~the effective date of this~~ 40439
~~section~~ April 6, 2017, from the portion determined under division 40440
(B)(1) of this section. At no time, however, shall that district's 40441
portion of the basic project cost be less than five per cent. 40442

(3) If an eligible school district is given priority under 40443
division (B)(1) of this section, the commission may reduce that 40444
district's portion of the basic project cost by ten percentage 40445
points from the portion determined under section 3318.032 of the 40446
Revised Code or, if the district results from a transfer, merger, 40447
consolidation, or creation of a new local district that takes 40448
effect prior to ~~the effective date of this section~~ April 6, 2017, 40449
from the portion determined under division (B)(1) of this section, 40450
if the district's project satisfies the following conditions: 40451

(a) The project involves construction of a building on land 40452
owned by a state institution of higher education, as that term is 40453
defined in section 3345.011 of the Revised Code, and the 40454
commission approves the project. 40455

(b) The district and the state institution of higher 40456
education enter into a written agreement regarding the continued 40457
use of the institution's land by the district, and the commission 40458
approves the agreement. 40459

(c) On the date that the district and the state institution 40460
of higher education enter into the written agreement described in 40461
division (B)(3)(b) of this section, the state institution of 40462
higher education is participating in the college credit plus 40463
program established under Chapter 3365. of the Revised Code. 40464

At no time, however, shall that district's portion of the 40465

basic project cost be less than five per cent. 40466

The reduction of the district's portion of the basic project 40467
cost described in division (B)(3) of this section may be in 40468
addition to a reduction of the district's portion of the basic 40469
project cost under division (B)(2) of this section. 40470

(C) Except as provided in division (B) of this section, a 40471
district's project undertaken pursuant to this section shall be 40472
subject to all other requirements in sections 3318.01 to 3318.20 40473
of the Revised Code. 40474

Sec. 3318.037. (A) For purposes of this section, an "eligible 40475
school district" is a school district that satisfies all of the 40476
following conditions: 40477

(1) The district executed an agreement for a project under 40478
sections 3318.01 to 3318.20 of the Revised Code that was segmented 40479
under section 3318.034 of the Revised Code. 40480

(2) The district has undertaken one or more segments of that 40481
project and has applied to the Ohio facilities construction 40482
commission for funding for a subsequent segment of the project. 40483

(3) Since the original project agreement described in 40484
division (A)(1) of this section was executed, the district has 40485
experienced a decrease in its adjusted valuation per pupil, as 40486
determined annually under section 3318.011 of the Revised Code, 40487
such that, as of the date the district submits its application for 40488
a subsequent segment of the project as described in division 40489
(A)(2) of this section, the district's annual percentile ranking 40490
under that section is lower than its percentile ranking on the 40491
date the district executed the original agreement for the project. 40492

(B) Notwithstanding anything to the contrary in this chapter 40493
or in any rule of the commission, an eligible school district's 40494
portion of the cost for a subsequent segment of its project shall 40495

be the "required percentage of the basic project costs" based on 40496
the district's current percentile ranking for the fiscal year for 40497
which the district seeks funding for the segment. 40498

Upon determining the respective state and district portions 40499
of the basic project cost for the segment pursuant to this 40500
section, the commission and the district shall amend the project 40501
agreement to stipulate those portions, and the commission shall 40502
encumber funds for the segment in accordance with section 3318.11 40503
of the Revised Code. 40504

(C) Nothing in this section shall affect the respective state 40505
and district portions of the basic project cost of segments of a 40506
district's project undertaken prior to the district's application 40507
for funding for a subsequent segment of the project under this 40508
section. 40509

Sec. 3318.04. (A) If the Ohio ~~school~~ facilities construction 40510
commission makes a determination under section 3318.03 of the 40511
Revised Code in favor of constructing, acquiring, reconstructing, 40512
or making additions to a classroom facility, the project shall be 40513
conditionally approved. Such conditional approval shall be 40514
submitted to the controlling board for approval thereof. The 40515
controlling board shall forthwith approve or reject the 40516
commission's determination, conditional approval, the amount of 40517
the state's portion of the basic project cost, and, the amount of 40518
the state's portion to be encumbered in the current fiscal year. 40519
In the event of approval thereof by the controlling board, the 40520
commission shall certify such conditional approval to the school 40521
district board and shall encumber from the total funds 40522
appropriated for the purpose of sections 3318.01 to 3318.20 of the 40523
Revised Code the amount approved under this section to be 40524
encumbered in the current fiscal year. 40525

The basic project cost for a project approved under this 40526

section shall not exceed the cost that would otherwise have to be 40527
incurred if the classroom facilities to be constructed, acquired, 40528
or reconstructed, or the additions to be made to classroom 40529
facilities, under such project meet, but do not exceed, the 40530
specifications for plans and materials for classroom facilities 40531
adopted by the commission. 40532

(B)(1) No school district shall have a project conditionally 40533
approved pursuant to this section if the school district has 40534
already received any assistance for a project funded under any 40535
version of sections 3318.01 to 3318.20 of the Revised Code, and 40536
the prior project was one for which the electors of such district 40537
approved a levy within the last twenty years pursuant to any 40538
version of section 3318.06 of the Revised Code for purposes of 40539
qualifying for the funding of that project, unless the district 40540
demonstrates to the satisfaction of the commission that the 40541
district has experienced since approval of its prior project an 40542
exceptional increase in enrollment significantly above the 40543
district's design capacity under that prior project as determined 40544
by rule of the commission. 40545

(2) Notwithstanding division (B)(1) of this section, any 40546
school district that received assistance under sections 3318.01 to 40547
3318.20 of the Revised Code, as those sections existed prior to 40548
May 20, 1997, may receive additional assistance under those 40549
sections, as they exist on and after May 20, 1997, prior to the 40550
expiration of the period of time required under division (B)(1) of 40551
this section, if the percentile in which the school district is 40552
located, as determined under section 3318.011 of the Revised Code, 40553
is eligible for assistance as prescribed in section 3318.02 of the 40554
Revised Code. 40555

The commission may provide assistance under sections 3318.01 40556
to 3318.20 of the Revised Code pursuant to this division to no 40557
more than five school districts per fiscal year until all eligible 40558

school districts have received the additional assistance 40559
authorized under this division. The commission shall establish 40560
application procedures, deadlines, and priorities for funding 40561
projects under this division. 40562

The commission at its discretion may waive current design 40563
specifications it has adopted for projects under sections 3318.01 40564
to 3318.20 of the Revised Code when assessing an application for 40565
additional assistance under this division for the renovation of 40566
classroom facilities constructed or renovated under a school 40567
district's previous project. If the commission finds that a school 40568
district's existing classroom facilities are adequate to meet all 40569
of the school district's needs, the commission may determine that 40570
no additional state assistance be awarded to a school district 40571
under this division. 40572

In order for a school district to be eligible to receive any 40573
additional assistance under this division, the school district 40574
electors shall extend the school district's existing levy 40575
dedicated for maintenance of classroom facilities under Chapter 40576
3318. of the Revised Code, pursuant to section 3318.061 of the 40577
Revised Code or shall provide equivalent alternative maintenance 40578
funds as specified in division (A)(2) of section 3318.06 of the 40579
Revised Code. 40580

(3) Notwithstanding division (B)(1) of this section, any 40581
school district that has received assistance under sections 40582
3318.01 to 3318.20 of the Revised Code after May 20, 1997, may 40583
receive additional assistance if the commission decides in favor 40584
of providing such assistance pursuant to section 3318.042 of the 40585
Revised Code. 40586

(4) Notwithstanding division (B)(1) of this section, any 40587
school district that has opted to divide its entire classroom 40588
facilities needs into segments to be completed separately, as 40589
authorized by section 3318.034 of the Revised Code, and that has 40590

received assistance under sections 3318.01 to 3318.20 of the 40591
Revised Code for one of those segments may receive assistance 40592
under those sections for a subsequent segment. Assistance for any 40593
subsequent segment shall not include any additional work on a 40594
building included in a prior segment unless the district 40595
demonstrates to the satisfaction of the commission that the 40596
district has experienced since the completion of the prior segment 40597
an exceptional increase in enrollment in the grade levels housed 40598
in that building. 40599

Sec. 3318.041. A school district ranked in the first through 40600
twenty-fifth percentiles may adopt and certify to the Ohio ~~school~~ 40601
facilities construction commission a resolution specifying a 40602
proposed project that meets the requirements of this chapter and 40603
the needs of the district, as confirmed through an on-site visit 40604
pursuant to section 3318.02 of the Revised Code. The commission 40605
shall consider such projects for conditional approval pursuant to 40606
section 3318.03 and shall encumber funds pursuant to section 40607
3318.04 of the Revised Code in the order in which such resolutions 40608
are received. 40609

Sec. 3318.042. (A) The board of education of any school 40610
district that is receiving assistance under sections 3318.01 to 40611
3318.20 of the Revised Code after May 20, 1997, or under sections 40612
3318.40 to 3318.45 of the Revised Code, and whose project is still 40613
under construction, may request that the Ohio ~~school~~ facilities 40614
construction commission examine whether the circumstances 40615
prescribed in either division (B)(1) or (2) of this section exist 40616
in the school district. If the commission so finds, the commission 40617
shall review the school district's original assessment and 40618
approved project and consider providing additional assistance to 40619
the school district to correct the prescribed conditions found to 40620
exist in the district. Additional assistance under this section 40621

shall be limited to additions to one or more buildings, remodeling 40622
of one or more buildings, or changes to the infrastructure of one 40623
or more buildings. 40624

(B) Consideration of additional assistance to a school 40625
district under this section is warranted in either of the 40626
following circumstances: 40627

(1) Additional work is needed to correct an oversight or 40628
deficiency not identified or included in the district's initial 40629
assessment. 40630

(2) Other conditions exist that, in the opinion of the 40631
commission, warrant additions or remodeling of the project 40632
facilities or changes to infrastructure associated with the 40633
district's project that were not identified in the initial 40634
assessment and plan. 40635

(C) If the commission decides in favor of providing 40636
additional assistance to any school district under this section, 40637
the school district shall be responsible for paying for its 40638
portion of the cost of the additions, remodeling, or 40639
infrastructure changes pursuant to section 3318.083 of the Revised 40640
Code. If, after making a financial evaluation of the school 40641
district, the commission determines that the school district is 40642
unable without undue hardship, according to the guidelines adopted 40643
by the commission, to fund the school district portion of the 40644
increase, then the state and the school district shall enter into 40645
an agreement whereby the state shall pay the portion of the cost 40646
increase attributable to the school district which is determined 40647
to be in excess of any local resources available to the district 40648
and the district shall thereafter reimburse the state. The 40649
commission shall establish the district's schedule for reimbursing 40650
the state, which shall not extend beyond ten years. The commission 40651
may lengthen the reimbursement schedule of a school district that 40652
has entered into an agreement under this section prior to ~~the~~ 40653

~~effective date of this amendment~~ September 26, 2003, as long as 40654
the total term of that schedule does not extend beyond ten years. 40655
Debt incurred under this section shall not be included in the 40656
calculation of the net indebtedness of the school district under 40657
section 133.06 of the Revised Code. 40658

Sec. 3318.05. The conditional approval of the Ohio ~~school~~ 40659
facilities construction commission for a project shall lapse and 40660
the amount reserved and encumbered for such project shall be 40661
released unless the school district board accepts such conditional 40662
approval within one hundred twenty days following the date of 40663
certification of the conditional approval to the school district 40664
board and the electors of the school district vote favorably on 40665
both of the propositions described in divisions (A) and (B) of 40666
this section within thirteen months of the date of such 40667
certification, except that a school district described in division 40668
(C) of this section does not need to submit the proposition 40669
described in division (B) of this section. The propositions 40670
described in divisions (A) and (B) of this section shall be 40671
combined in a single proposal. If the district board or the 40672
district's electors fail to meet such requirements and the amount 40673
reserved and encumbered for the district's project is released, 40674
the district shall be given first priority for project funding as 40675
such funds become available, subject to section 3318.054 of the 40676
Revised Code. 40677

(A) On the question of issuing bonds of the school district 40678
board, for the school district's portion of the basic project 40679
cost, in an amount equal to the school district's portion of the 40680
basic project cost less the amount of the proceeds of any 40681
securities authorized or to be authorized under division (J) of 40682
section 133.06 of the Revised Code and dedicated by the school 40683
district board to payment of the district's portion of the basic 40684
project cost; and 40685

(B) On the question of levying a tax the proceeds of which shall be used to pay the cost of maintaining the classroom facilities included in the project. Such tax shall be at the rate of not less than one-half mill for each dollar of valuation for a period of twenty-three years, subject to any extension approved under section 3318.061 of the Revised Code.

(C) If a school district has in place a tax levied under section 5705.21 of the Revised Code for general permanent improvements for a continuing period of time and the proceeds of such tax can be used for maintenance, or if a district agrees to the transfers described in section 3318.051 of the Revised Code, the school district need not levy the additional tax required under division (B) of this section, provided the school district board includes in the agreement entered into under section 3318.08 of the Revised Code provisions either:

(1) Earmarking an amount from the proceeds of that permanent improvement tax for maintenance of classroom facilities equivalent to the amount of the additional tax and for the equivalent number of years otherwise required under this section;

(2) Requiring the transfer of money in accordance with section 3318.051 of the Revised Code.

The district board subsequently may rescind the agreement to make the transfers under section 3318.051 of the Revised Code only so long as the electors of the district have approved, in accordance with section 3318.063 of the Revised Code, the levy of a tax for the maintenance of the classroom facilities acquired under the district's project and that levy continues to be collected as approved by the electors.

(D) Proceeds of the tax to be used for maintenance of the classroom facilities under either division (B) or (C)(1) of this section, and transfers of money in accordance with section

3318.051 of the Revised Code shall be deposited into a separate 40717
fund established by the school district for such purpose. 40718

Sec. 3318.051. (A) Any city, exempted village, or local 40719
school district that commences a project under sections 3318.01 to 40720
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 40721
after September 5, 2006, need not levy the tax otherwise required 40722
under division (B) of section 3318.05 of the Revised Code, if the 40723
district board of education adopts a resolution petitioning the 40724
Ohio ~~school~~ facilities construction commission to approve the 40725
transfer of money in accordance with this section and the 40726
commission approves that transfer. If so approved, the commission 40727
and the district board shall enter into an agreement under which 40728
the board, in each of twenty-three consecutive years beginning in 40729
the year in which the board and the commission enter into the 40730
project agreement under section 3318.08 of the Revised Code, shall 40731
transfer into the maintenance fund required by division (D) of 40732
section 3318.05 of the Revised Code not less than an amount equal 40733
to one-half mill for each dollar of the district's valuation 40734
unless and until the agreement to make those transfers is 40735
rescinded by the district board pursuant to division (F) of this 40736
section. 40737

(B) On the first day of July each year, or on an alternative 40738
date prescribed by the commission, the district treasurer shall 40739
certify to the commission and the auditor of state that the amount 40740
required for the year has been transferred. The auditor of state 40741
shall include verification of the transfer as part of any audit of 40742
the district under section 117.11 of the Revised Code. If the 40743
auditor of state finds that less than the required amount has been 40744
deposited into a district's maintenance fund, the auditor of state 40745
shall notify the district board of education in writing of that 40746
fact and require the board to deposit into the fund, within ninety 40747
days after the date of the notice, the amount by which the fund is 40748

deficient for the year. If the district board fails to demonstrate 40749
to the auditor of state's satisfaction that the board has made the 40750
deposit required in the notice, the auditor of state shall notify 40751
the department of education. At that time, the department shall 40752
withhold an amount equal to ten per cent of the district's funds 40753
calculated for the current fiscal year under Chapter 3317. of the 40754
Revised Code until the auditor of state notifies the department 40755
that the auditor of state is satisfied that the board has made the 40756
required transfer. 40757

(C) Money transferred to the maintenance fund shall be used 40758
for the maintenance of the facilities acquired under the 40759
district's project. 40760

(D) The transfers to the maintenance fund under this section 40761
does not affect a district's obligation to establish and maintain 40762
a capital and maintenance fund under section 3315.18 of the 40763
Revised Code. 40764

(E) Any decision by the commission to approve or not approve 40765
the transfer of money under this section is final and not subject 40766
to appeal. The commission shall not be responsible for errors or 40767
miscalculations made in deciding whether to approve a petition to 40768
make transfers under this section. 40769

(F) If the district board determines that it no longer can 40770
continue making the transfers agreed to under this section, the 40771
board may rescind the agreement only so long as the electors of 40772
the district have approved, in accordance with section 3318.063 of 40773
the Revised Code, the levy of a tax for the maintenance of the 40774
classroom facilities acquired under the district's project and 40775
that levy continues to be collected as approved by the electors. 40776
That levy shall be for a number of years that is equal to the 40777
difference between twenty-three years and the number of years that 40778
the district made transfers under this section and shall be at the 40779
rate of not less than one-half mill for each dollar of the 40780

district's valuation. The district board shall continue to make 40781
the transfers agreed to under this section until that levy has 40782
been approved by the electors. 40783

Sec. 3318.052. At any time after the electors of a school 40784
district have approved either or both a property tax levied under 40785
section 5705.21 or 5705.218 of the Revised Code for the purpose of 40786
permanent improvements, including general permanent improvements, 40787
or a school district income tax levied under Chapter 5748. of the 40788
Revised Code, the proceeds of either of which, pursuant to the 40789
ballot measures approved by the electors, are not so restricted 40790
that they cannot be used to pay the costs of a project or 40791
maintaining classroom facilities, the school district board may: 40792

(A) Within one year following the date of the certification 40793
of the conditional approval of the school district's classroom 40794
facilities project by the Ohio ~~school~~ facilities construction 40795
commission, enter into a written agreement with the commission, 40796
which may be part of an agreement entered into under section 40797
3318.08 of the Revised Code, and in which the school district 40798
board covenants and agrees to do one or both of the following: 40799

(1) Apply a specified amount of available proceeds of that 40800
property tax levy, of that school district income tax, or of 40801
securities issued under this section, or of proceeds from any two 40802
or more of those sources, to pay all or part of the district's 40803
portion of the basic project cost of its classroom facilities 40804
project; 40805

(2) Apply available proceeds of either or both a property tax 40806
levied under section 5705.21 or 5705.218 of the Revised Code in 40807

maintaining the classroom facilities. 40811

(B) Receive, as a credit against the amount of bonds required 40812
under sections 3318.05 and 3318.06 of the Revised Code, to be 40813
approved by the electors of the district and issued by the 40814
district board for the district's portion of the basic project 40815
cost of its classroom facilities project in order for the district 40816
to receive state assistance for the project, an amount equal to 40817

with the commission to apply as set forth in division (A)(1) of 40819
this section; 40820

(C) Receive, as a credit against the amount of the tax levy 40821
required under sections 3318.05 and 3318.06 of the Revised Code, 40822
to be approved by the electors of the district to pay the costs of 40823
maintaining the classroom facilities in order to receive state 40824
assistance for the classroom facilities project, an amount 40825
equivalent to the specified amount of proceeds the school district 40826
board covenants and agrees with the commission to apply as 40827
referred to in division (A)(2) of this section; 40828

(D) Apply proceeds of either or both a school district income 40829

the Revised Code to the payment of debt charges on and financing 40833
costs related to securities issued under this section; 40834

(E) Issue securities to provide moneys to pay all or part of 40835
the district's portion of the basic project cost of its classroom 40836
facilities project in accordance with an agreement entered into 40837
under division (A) of this section. Securities issued under this 40838
section shall be Chapter 133. securities and may be issued as 40839
general obligation securities or issued in anticipation of a 40840
school district income tax or as property tax anticipation notes 40841
under section 133.24 of the Revised Code. The district board's 40842
resolution authorizing the issuance and sale of general obligation 40843

securities under this section shall conform to the applicable 40844
requirements of section 133.22 or 133.23 of the Revised Code. 40845

board, during the year of issuance. Securities issued under this 40849
section shall not be included in the calculation of net 40850
indebtedness of the district under section 133.06 of the Revised 40851
Code, including but not limited to the limitation on unvoted 40852
indebtedness specified in division (G) of that section, or under 40853
section 3313.372 of the Revised Code, if the resolution of the 40854

covenants to appropriate annually from lawfully available proceeds 40856
of a property tax levied under section 5705.21 or 5705.218 of the 40857
Revised Code or of a school district income tax levied under 40858
Chapter 5748. of the Revised Code and to continue to levy and 40859

and financing costs related to the securities as they become due. 40861
No property tax levied under section 5705.21 or 5705.218 of the 40862
Revised Code and no school district income tax levied under 40863
Chapter 5748. of the Revised Code that is pledged, or that the 40864
school district board has covenanted to levy, collect, and 40865
appropriate annually, to pay the debt charges on and financing 40866
costs related to securities issued under this section shall be 40867
repealed while those securities are outstanding. If such a tax is 40868
reduced by the electors of the district or by the district board 40869
while those securities are outstanding, the school district board 40870
shall continue to levy and collect the tax under the authority of 40871
the original election authorizing the tax at a rate in each year 40872
that the board reasonably estimates will produce an amount in that 40873
year equal to the debt charges on the securities in that year, 40874
except that in the case of a school district income tax that 40875
amount shall be rounded up to the nearest one-fourth of one per 40876

cent. 40877

No state moneys shall be released for a project to which this 40878
section applies until the proceeds of the tax securities issued 40879
under this section that are dedicated for the payment of the 40880
district portion of the basic project cost of its classroom 40881
facilities project are first deposited into the district's project 40882
construction fund. 40883

Sec. 3318.054. (A) If conditional approval of a city, 40884
exempted village, or local school district's project lapses as 40885
provided in section 3318.05 of the Revised Code, or if conditional 40886
approval of a joint vocational school district's project lapses as 40887
provided in division (D) of section 3318.41 of the Revised Code, 40888
because the district's electors have not approved the ballot 40889
measures necessary to generate the district's portion of the basic 40890
project cost, and if the district board desires to seek a new 40891
conditional approval of the project, the district board shall 40892
request that the Ohio ~~school~~ facilities construction commission 40893
set the scope, basic project cost, and school district portion of 40894
the basic project cost prior to resubmitting the ballot measures 40895
to the electors. To do so, the commission shall use the district's 40896
current assessed tax valuation and the district's percentile for 40897
the prior fiscal year. For a district that has entered into an 40898
agreement under section 3318.36 of the Revised Code and desires to 40899
proceed with a project under sections 3318.01 to 3318.20 of the 40900
Revised Code, the district's portion of the basic project cost 40901
shall be the percentage specified in that agreement. The project 40902
scope and basic costs established under this division shall be 40903
valid for thirteen months from the date the commission approves 40904
them. 40905

(B) Upon the commission's approval under division (A) of this 40906
section, the district board may submit the ballot measures to the 40907

district's electors for approval of the project based on the new 40908
project scope and estimated costs. Upon electoral approval of 40909
those measures, the district shall be given first priority for 40910
project funding as such funds become available. 40911

(C) When the commission determines that funds are available 40912
for the district's project, the commission shall do all of the 40913
following: 40914

(1) Determine the school district portion of the basic 40915
project cost under section 3318.032 of the Revised Code, in the 40916
case of a city, exempted village, or local school district, or 40917
under section 3318.42 of the Revised Code, in the case of a joint 40918
vocational school district; 40919

(2) Conditionally approve the project and submit it to the 40920
controlling board for approval pursuant to section 3318.04 of the 40921
Revised Code; 40922

(3) Encumber funds for the project under section 3318.11 of 40923
the Revised Code; 40924

(4) Enter into an agreement with the district board under 40925
section 3318.08 of the Revised Code. 40926

Sec. 3318.06. (A) After receipt of the conditional approval 40927
of the Ohio ~~school~~ facilities construction commission, the school 40928
district board by a majority of all of its members shall, if it 40929
desires to proceed with the project, declare all of the following 40930
by resolution: 40931

(1) That by issuing bonds in an amount equal to the school 40932
district's portion of the basic project cost the district is 40933
unable to provide adequate classroom facilities without assistance 40934
from the state; 40935

(2) Unless the school district board has resolved to transfer 40936
money in accordance with section 3318.051 of the Revised Code or 40937

to apply the proceeds of a property tax or the proceeds of an 40938
income tax, or a combination of proceeds from such taxes, as 40939
authorized under section 3318.052 of the Revised Code, that to 40940
qualify for such state assistance it is necessary to do either of 40941
the following: 40942

(a) Levy a tax outside the ten-mill limitation the proceeds 40943
of which shall be used to pay the cost of maintaining the 40944
classroom facilities included in the project; 40945

(b) Earmark for maintenance of classroom facilities from the 40946
proceeds of an existing permanent improvement tax levied under 40947
section 5705.21 of the Revised Code, if such tax can be used for 40948
maintenance, an amount equivalent to the amount of the additional 40949
tax otherwise required under this section and sections 3318.05 and 40950
3318.08 of the Revised Code. 40951

(3) That the question of any tax levy specified in a 40952
resolution described in division (A)(2)(a) of this section, if 40953
required, shall be submitted to the electors of the school 40954
district at the next general or primary election, if there be a 40955
general or primary election not less than ninety and not more than 40956
one hundred ten days after the day of the adoption of such 40957
resolution or, if not, at a special election to be held at a time 40958
specified in the resolution which shall be not less than ninety 40959
days after the day of the adoption of the resolution and which 40960
shall be in accordance with the requirements of section 3501.01 of 40961
the Revised Code. 40962

Such resolution shall also state that the question of issuing 40963
bonds of the board shall be combined in a single proposal with the 40964
question of such tax levy. More than one election under this 40965
section may be held in any one calendar year. Such resolution 40966
shall specify both of the following: 40967

(a) That the rate which it is necessary to levy shall be at 40968

the rate of not less than one-half mill for each one dollar of 40969
valuation, and that such tax shall be levied for a period of 40970
twenty-three years; 40971

(b) That the proceeds of the tax shall be used to pay the 40972
cost of maintaining the classroom facilities included in the 40973
project. 40974

(B) A copy of a resolution adopted under division (A) of this 40975
section shall after its passage and not less than ninety days 40976
prior to the date set therein for the election be certified to the 40977
county board of elections. 40978

The resolution of the school district board, in addition to 40979
meeting other applicable requirements of section 133.18 of the 40980
Revised Code, shall state that the amount of bonds to be issued 40981
will be an amount equal to the school district's portion of the 40982
basic project cost, and state the maximum maturity of the bonds 40983
which may be any number of years not exceeding the term calculated 40984
under section 133.20 of the Revised Code as determined by the 40985
board. In estimating the amount of bonds to be issued, the board 40986
shall take into consideration the amount of moneys then in the 40987
bond retirement fund and the amount of moneys to be collected for 40988
and disbursed from the bond retirement fund during the remainder 40989
of the year in which the resolution of necessity is adopted. 40990

If the bonds are to be issued in more than one series, the 40991
resolution may state, in addition to the information required to 40992
be stated under division (B)(3) of section 133.18 of the Revised 40993
Code, the number of series, which shall not exceed five, the 40994
principal amount of each series, and the approximate date each 40995
series will be issued, and may provide that no series, or any 40996
portion thereof, may be issued before such date. Upon such a 40997
resolution being certified to the county auditor as required by 40998
division (C) of section 133.18 of the Revised Code, the county 40999
auditor, in calculating, advising, and confirming the estimated 41000

calculate, advise, and confirm by certification the estimated 41002
average property tax levy for each series of bonds to be issued. 41003

Notice of the election shall include the fact that the tax 41004
levy shall be at the rate of not less than one-half mill for each 41005
one dollar of valuation for a period of twenty-three years, and 41006
that the proceeds of the tax shall be used to pay the cost of 41007
maintaining the classroom facilities included in the project. 41008

If the bonds are to be issued in more than one series, the 41009
board of education, when filing copies of the resolution with the 41010
board of elections as required by division (D) of section 133.18 41011
of the Revised Code, may direct the board of elections to include 41012
in the notice of election the principal amount and approximate 41013
date of each series, the maximum number of years over which the 41014
principal of each series may be paid, the estimated additional 41015
average property tax levy for each series, and the first calendar 41016
year in which the tax is expected to be due for each series, in 41017
addition to the information required to be stated in the notice 41018
under divisions (E)(3)(a) to (e) of section 133.18 of the Revised 41019
Code. 41020

(C)(1) Except as otherwise provided in division (C)(2) of 41021
this section, the form of the ballot to be used at such election 41022
shall be: 41023

"A majority affirmative vote is necessary for passage. 41024

Shall bonds be issued by the (here insert name 41025
of school district) school district to pay the local share of 41026
school construction under the State of Ohio Classroom Facilities 41027
Assistance Program in the principal amount of (here 41028
insert principal amount of the bond issue), to be repaid annually 41029
over a maximum period of (here insert the maximum 41030
number of years over which the principal of the bonds may be paid) 41031

years, and an annual levy of property taxes be made outside the 41032
ten-mill limitation, estimated by the county auditor to average 41033
over the repayment period of the bond issue (here 41034
insert the number of mills estimated) mills for each one dollar of 41035
tax valuation, which amounts to (rate expressed in 41036
cents or dollars and cents, such as "thirty-six cents" or "\$0.36") 41037
for each one hundred dollars of tax valuation to pay the annual 41038
debt charges on the bonds and to pay debt charges on any notes 41039
issued in anticipation of the bonds?" 41040

and, unless the additional levy 41041
of taxes is not required pursuant 41042
to division (C) of section 41043
3318.05 of the Revised Code, 41044

"Shall an additional levy of taxes be made for a period of 41045
twenty-three years to benefit the (here insert name 41046
of school district) school district, the proceeds of which shall 41047
be used to pay the cost of maintaining the classroom facilities 41048
included in the project at the rate of (here insert the 41049
number of mills, which shall not be less than one-half mill) mills 41050
for each one dollar of valuation? 41051

(2) If authority is sought to issue bonds in more than one 41056
series and the board of education so elects, the form of the 41057
ballot shall be as prescribed in section 3318.062 of the Revised 41058
Code. If the board of education elects the form of the ballot 41059
prescribed in that section, it shall so state in the resolution 41060
adopted under this section. 41061

(D) If it is necessary for the school district to acquire a 41062

site for the classroom facilities to be acquired pursuant to 41063
sections 3318.01 to 3318.20 of the Revised Code, the district 41064
board may propose either to issue bonds of the board or to levy a 41065
tax to pay for the acquisition of such site, and may combine the 41066
question of doing so with the questions specified in division (B) 41067
of this section. Bonds issued under this division for the purpose 41068
of acquiring a site are a general obligation of the school 41069

The form of that portion of the ballot to include the 41071
question of either issuing bonds or levying a tax for site 41072
acquisition purposes shall be one of the following: 41073

acquiring a site for classroom facilities under the State of Ohio 41076
Classroom Facilities Assistance Program in the principal amount of 41077
..... (here insert principal amount of the bond issue), to be 41078
repaid annually over a maximum period of (here insert 41079
maximum number of years over which the principal of the bonds may 41080
be paid) years, and an annual levy of property taxes be made 41081
outside the ten-mill limitation, estimated by the county auditor 41082
to average over the repayment period of the bond issue 41083
(here insert number of mills) mills for each one dollar of tax 41084
valuation, which amount to (here insert rate expressed 41085
in cents or dollars and cents, such as "thirty-six cents" or 41086
"\$0.36") for each one hundred dollars of valuation to pay the 41087
annual debt charges on the bonds and to pay debt charges on any 41088
notes issued in anticipation of the bonds?" 41089

(2) "Shall an additional levy of taxes outside the ten-mill 41090
limitation be made for the benefit of the (here insert 41091
name of the school district) school district for the purpose of 41092
acquiring a site for classroom facilities in the sum of 41093
(here insert annual amount the levy is to produce) estimated by 41094

the county auditor to average (here insert number of 41095
mills) mills for each one hundred dollars of valuation, for a 41096

Where it is necessary to combine the question of issuing 41099
bonds of the school district and levying a tax as described in 41100

specified in that division to be voted on shall be "For the Bond 41103
Issues and the Tax Levy" and "Against the Bond Issues and the Tax 41104
Levy." 41105

Where it is necessary to combine the question of issuing 41106
bonds of the school district and levying a tax as described in 41107
division (B) of this section with the question of levying a tax 41108
for the acquisition of a site, the question specified in that 41109
division to be voted on shall be "For the Bond Issue and the Tax 41110
Levies" and "Against the Bond Issue and the Tax Levies." 41111

Where the school district board chooses to combine the 41112
question in division (B) of this section with any of the 41113
additional questions described in divisions (A) to (D) of section 41114
3318.056 of the Revised Code, the question specified in division 41115
(B) of this section to be voted on shall be "For the Bond Issues 41116
and the Tax Levies" and "Against the Bond Issues and the Tax 41117

If a majority of those voting upon a proposition hereunder 41119
which includes the question of issuing bonds vote in favor 41120

the Revised Code has been entered into, the school district board 41122
may proceed under Chapter 133. of the Revised Code, with the 41123

section 3318.06 of the Revised Code is in effect, may adopt a 41131
resolution by vote of a majority of its members to extend the term 41132
of that tax beyond the expiration of that tax as originally 41133
approved under that section. The school district board may include 41134
in the resolution a proposal to extend the term of that tax at the 41135
rate of not less than one-half mill for each dollar of valuation 41136
for a period of twenty-three years from the year in which the 41137
school district board and the Ohio ~~school~~ facilities construction 41138
commission enter into an agreement under division (B)(2) of 41139
section 3318.04 of the Revised Code or in the following year, as 41140
specified in the resolution. Such a resolution may be adopted at 41141
any time before such an agreement is entered into and before the 41142
tax levied pursuant to section 3318.06 of the Revised Code 41143
expires. If the resolution is combined with a resolution to issue 41144
bonds to pay the school district's portion of the basic project 41145
cost, it shall conform with the requirements of divisions (A)(1), 41146
(2), and (3) of section 3318.06 of the Revised Code, except that 41147
the resolution also shall state that the tax levy proposed in the 41148
resolution is an extension of an existing tax levied under that 41149
section. A resolution proposing an extension adopted under this 41150
section does not take effect until it is approved by a majority of 41151
electors voting in favor of the resolution at a general, primary, 41152
or special election as provided in this section. 41153

A tax levy extended under this section is subject to the same 41154
terms and limitations to which the original tax levied under 41155
section 3318.06 of the Revised Code is subject under that section, 41156
except the term of the extension shall be as specified in this 41157

section. 41158

The school district board shall certify a copy of the 41159
resolution adopted under this section to the proper county board 41160
of elections not later than ninety days before the date set in the 41161
resolution as the date of the election at which the question will 41162
be submitted to electors. The notice of the election shall conform 41163
with the requirements of division (A)(3) of section 3318.06 of the 41164
Revised Code, except that the notice also shall state that the 41165
maintenance tax levy is an extension of an existing tax levy. 41166

The form of the ballot shall be as follows: 41167

"Shall the existing tax levied to pay the cost of maintaining 41168
classroom facilities constructed with the proceeds of the 41169
previously issued bonds at the rate of (here insert the 41170
number of mills, which shall not be less than one-half mill) mills 41171
per dollar of tax valuation, be extended until (here 41172
insert the year that is twenty-three years after the year in which 41173
the district and commission will enter into an agreement under 41174
division (B)(2) of section 3318.04 of the Revised Code or the 41175
following year)? 41176

Section 3318.07 of the Revised Code applies to ballot 41181
questions under this section. 41182

Sec. 3318.07. The board of elections shall certify the result 41183
of the election to the tax commissioner, to the auditor of the 41184
county or counties in which the school district is located, to the 41185
treasurer of the school district board, and to the Ohio ~~school~~ 41186
facilities construction commission. The necessary tax levy for 41187

debt service on the bonds shall be included in the annual tax 41188
budget that is certified to the county budget commission or, if 41189
adoption of the tax budget is waived under section 5705.281 of the 41190
Revised Code, included among the tax rates required to be provided 41191
to the budget commission under that section. 41192

Sec. 3318.08. Except in the case of a joint vocational school 41193
district that receives assistance under sections 3318.40 to 41194
3318.45 of the Revised Code, if the requisite favorable vote on 41195
the election is obtained, or if the school district board has 41196
resolved to apply the proceeds of a property tax levy or the 41197
proceeds of an income tax, or a combination of proceeds from such 41198
taxes, as authorized in section 3318.052 of the Revised Code, the 41199
Ohio ~~school~~ facilities construction commission, upon certification 41200
to it of either the results of the election or the resolution 41201
under section 3318.052 of the Revised Code, shall enter into a 41202
written agreement with the school district board for the 41203
construction and sale of the project. In the case of a joint 41204
vocational school district that receives assistance under sections 41205
3318.40 to 3318.45 of the Revised Code, if the school district 41206
board of education and the school district electors have satisfied 41207
the conditions prescribed in division (D)(1) of section 3318.41 of 41208
the Revised Code, the commission shall enter into an agreement 41209
with the school district board for the construction and sale of 41210
the project. In either case, the agreement shall include, but need 41211
not be limited to, the following provisions: 41212

(A) The sale and issuance of bonds or notes in anticipation 41213
thereof, as soon as practicable after the execution of the 41214
agreement, in an amount equal to the school district's portion of 41215
the basic project cost, including any securities authorized under 41216
division (J) of section 133.06 of the Revised Code and dedicated 41217
by the school district board to payment of the district's portion 41218
of the basic project cost of the project; provided, that if at 41219

that time the county treasurer of each county in which the school 41220
district is located has not commenced the collection of taxes on 41221
the general duplicate of real and public utility property for the 41222
year in which the controlling board approved the project, the 41223
school district board shall authorize the issuance of a first 41224
installment of bond anticipation notes in an amount specified by 41225
the agreement, which amount shall not exceed an amount necessary 41226
to raise the net bonded indebtedness of the school district as of 41227
the date of the controlling board's approval to within five 41228
thousand dollars of the required level of indebtedness for the 41229
preceding year. In the event that a first installment of bond 41230
anticipation notes is issued, the school district board shall, as 41231
soon as practicable after the county treasurer of each county in 41232
which the school district is located has commenced the collection 41233
of taxes on the general duplicate of real and public utility 41234
property for the year in which the controlling board approved the 41235
project, authorize the issuance of a second and final installment 41236
of bond anticipation notes or a first and final issue of bonds. 41237

The combined value of the first and second installment of 41238
bond anticipation notes or the value of the first and final issue 41239
of bonds shall be equal to the school district's portion of the 41240
basic project cost. The proceeds of any such bonds shall be used 41241
first to retire any bond anticipation notes. Otherwise, the 41242
proceeds of such bonds and of any bond anticipation notes, except 41243
the premium and accrued interest thereon, shall be deposited in 41244
the school district's project construction fund. In determining 41245
the amount of net bonded indebtedness for the purpose of fixing 41246
the amount of an issue of either bonds or bond anticipation notes, 41247
gross indebtedness shall be reduced by moneys in the bond 41248
retirement fund only to the extent of the moneys therein on the 41249
first day of the year preceding the year in which the controlling 41250
board approved the project. Should there be a decrease in the tax 41251
valuation of the school district so that the amount of 41252

indebtedness that can be incurred on the tax duplicates for the 41253
year in which the controlling board approved the project is less 41254
than the amount of the first installment of bond anticipation 41255
notes, there shall be paid from the school district's project 41256
construction fund to the school district's bond retirement fund to 41257
be applied against such notes an amount sufficient to cause the 41258
net bonded indebtedness of the school district, as of the first 41259
day of the year following the year in which the controlling board 41260
approved the project, to be within five thousand dollars of the 41261
required level of indebtedness for the year in which the 41262
controlling board approved the project. The maximum amount of 41263
indebtedness to be incurred by any school district board as its 41264
share of the cost of the project is either an amount that will 41265
cause its net bonded indebtedness, as of the first day of the year 41266
following the year in which the controlling board approved the 41267
project, to be within five thousand dollars of the required level 41268
of indebtedness, or an amount equal to the required percentage of 41269
the basic project costs, whichever is greater. All bonds and bond 41270
anticipation notes shall be issued in accordance with Chapter 133. 41271
of the Revised Code, and notes may be renewed as provided in 41272
section 133.22 of the Revised Code. 41273

(B) The transfer of such funds of the school district board 41274
available for the project, together with the proceeds of the sale 41275
of the bonds or notes, except premium, accrued interest, and 41276
interest included in the amount of the issue, to the school 41277
district's project construction fund; 41278

(C) For all school districts except joint vocational school 41279
districts that receive assistance under sections 3318.40 to 41280
3318.45 of the Revised Code, the following provisions as 41281
applicable: 41282

(1) If section 3318.052 of the Revised Code applies, the 41283
earmarking of the proceeds of a tax levied under section 5705.21 41284

section 5705.218 of the Revised Code for the purpose of permanent 41286
improvements, or the proceeds of a school district income tax 41287
levied under Chapter 5748. of the Revised Code, or the proceeds 41288
from a combination of those two taxes, in an amount to pay all or 41289
part of the service charges on bonds issued to pay the school 41290
district portion of the project and an amount equivalent to all or 41291
part of the tax required under division (B) of section 3318.05 of 41292
the Revised Code; 41293

(2) If section 3318.052 of the Revised Code does not apply, 41294
one of the following: 41295

(a) The levy of the tax authorized at the election for the 41296
payment of maintenance costs, as specified in division (B) of 41297
section 3318.05 of the Revised Code; 41298

(b) If the school district electors have approved a 41299

(c) If, in lieu of the tax otherwise required under division 41305
(B) of section 3318.05 of the Revised Code, the commission has 41306
approved the transfer of money to the maintenance fund in 41307
accordance with section 3318.051 of the Revised Code, a 41308
requirement that the district board comply with the provisions of 41309
that section. The district board may rescind the provision 41310
prescribed under division (C)(2)(c) of this section only so long 41311
as the electors of the district have approved, in accordance with 41312
section 3318.063 of the Revised Code, the levy of a tax for the 41313
maintenance of the classroom facilities acquired under the 41314
district's project and that levy continues to be collected as 41315
approved by the electors. 41316

(D) For joint vocational school districts that receive 41317
assistance under sections 3318.40 to 3318.45 of the Revised Code, 41318

sections as prescribed in section 3318.43 of the Revised Code; 41321

(E) Dedication of any local donated contribution as provided 41322
for under section 3318.084 of the Revised Code, including a 41323
schedule for depositing such moneys applied as an offset of the 41324
district's obligation to levy the tax described in division (B) of 41325
section 3318.05 of the Revised Code as required under division 41326
(D)(2) of section 3318.084 of the Revised Code; 41327

(F) Ownership of or interest in the project during the period 41328
of construction, which shall be divided between the commission and 41329
the school district board in proportion to their respective 41330
contributions to the school district's project construction fund; 41331

(G) Maintenance of the state's interest in the project until 41332
any obligations issued for the project under section 3318.26 of 41333
the Revised Code are no longer outstanding; 41334

(H) The insurance of the project by the school district from 41335
the time there is an insurable interest therein and so long as the 41336
state retains any ownership or interest in the project pursuant to 41337
division (F) of this section, in such amounts and against such 41338
risks as the commission shall require; provided, that the cost of 41339
any required insurance until the project is completed shall be a 41340
part of the basic project cost; 41341

(I) The certification by the director of budget and 41342
management that funds are available and have been set aside to 41343
meet the state's share of the basic project cost as approved by 41344
the controlling board pursuant to either section 3318.04 or 41345
division (B)(1) of section 3318.41 of the Revised Code; 41346

(J) Authorization of the school district board to advertise 41347

for and receive construction bids for the project, for and on 41348

the state subject to approval by the commission; 41350

(K) Provisions for the disbursement of moneys from the school 41351
district's project account upon issuance by the commission or the 41352
commission's designated representative of vouchers for work done 41353
to be certified to the commission by the treasurer of the school 41354
district board; 41355

(L) Disposal of any balance left in the school district's 41356
project construction fund upon completion of the project; 41357

(M) Limitations upon use of the project or any part of it so 41358
long as any obligations issued to finance the project under 41359
section 3318.26 of the Revised Code are outstanding; 41360

(N) Provision for vesting the state's interest in the project 41361
to the school district board when the obligations issued to 41362

outstanding; 41364

(O) Provision for deposit of an executed copy of the 41365
agreement in the office of the commission; 41366

(P) Provision for termination of the contract and release of 41367
the funds encumbered at the time of the conditional approval, if 41368
the proceeds of the sale of the bonds of the school district board 41369
are not paid into the school district's project construction fund 41370
and if bids for the construction of the project have not been 41371
taken within such period after the execution of the agreement as 41372
may be fixed by the commission; 41373

(Q) Provision for the school district to maintain the project 41374
in accordance with a plan approved by the commission; 41375

(R) Provision that all state funds reserved and encumbered to 41376

segment if the project is divided into segments, be spent on the 41380
construction and acquisition of the project or segment 41381
simultaneously in proportion to the state's and the school 41382
district's respective shares of that basic project cost as 41383
determined under section 3318.032 of the Revised Code or, if the 41384
district is a joint vocational school district, under section 41385
3318.42 of the Revised Code. However, if the school district 41386
certifies to the commission that expenditure by the school 41387
district is necessary to maintain the federal tax status or 41388
tax-exempt status of notes or bonds issued by the school district 41389
to pay for its share of the project cost or to comply with 41390
applicable temporary investment periods or spending exceptions to 41391
rebate as provided for under federal law in regard to those notes 41392
or bonds, the school district may commit to spend, or spend, a 41393
greater portion of the funds it provides during any specific 41394
period than would otherwise be required under this division. 41395

(S) A provision stipulating that the commission may prohibit 41396
the district from proceeding with any project if the commission 41397
determines that the site is not suitable for construction 41398
purposes. The commission may perform soil tests in its 41399
determination of whether a site is appropriate for construction 41400
purposes. 41401

(T) A provision stipulating that, unless otherwise authorized 41402
by the commission, any contingency reserve portion of the 41403
construction budget prescribed by the commission shall be used 41404
only to pay costs resulting from unforeseen job conditions, to 41405
comply with rulings regarding building and other codes, to pay 41406
costs related to design clarifications or corrections to contract 41407
documents, and to pay the costs of settlements or judgments 41408
related to the project as provided under section 3318.086 of the 41409

Revised Code; 41410

(U) A provision stipulating that for continued release of 41411
project funds the school district board shall comply with sections 41412

project and shall notify the department of education and the Ohio 41414
community school association when the board plans to dispose of 41415
facilities by sale under that section; 41416

(V) A provision stipulating that the commission shall not 41417
approve a contract for demolition of a facility until the school 41418
district board has complied with sections 3313.41, 3313.411, and 41419
3313.413 of the Revised Code relative to that facility, unless 41420
demolition of that facility is to clear a site for construction of 41421
a replacement facility included in the district's project; 41422

(W) A requirement for the school district to adhere to a 41423
facilities maintenance plan approved by the commission. 41424

Sec. 3318.081. If the board of education of a school district 41425
authorized to impose a tax pursuant to section 3318.06 of the 41426
Revised Code determines that taxable value of property subject to 41427
the tax has increased to the extent it will not be necessary to 41428
impose such tax for twenty-three years in order to generate an 41429
amount equal to the amount of the project cost supplied by the 41430
state, it may request the county auditor to determine the amount 41431
remaining to be paid and the estimated rate of taxation required 41432
each year to pay such remainder in equal installments over the 41433
maximum number of remaining years the tax may be in effect. The 41434
auditor shall make such determination upon request and certify the 41435
results thereof to the board of education. 41436

Upon receipt of the auditor's determination, the board of 41437
education may request the Ohio ~~school~~ facilities construction 41438
commission to enter into a supplemental agreement under which the 41439
district may pay the remainder of the amount in annual amounts 41440

equal to the quotient obtained by dividing the amount remaining to 41441
be paid by the maximum number of remaining years the tax may be in 41442
effect. If such an agreement is entered into, the commission shall 41443
certify a copy thereof to the county auditor and the tax 41444
authorized by section 3318.06 of the Revised Code thereafter shall 41445
be levied at the rate required to make the annual payments 41446
required by the supplemental agreement rather than the rate 41447
required by such section. 41448

Sec. 3318.082. The board of education of any school district 41449
imposing a tax for the purpose of paying the state pursuant to 41450
section 3318.06 of the Revised Code prior to the effective date of 41451
the amendments to that section by Amended Substitute House Bill 41452
No. 748 of the 121st ~~General Assembly~~ general assembly, may enter 41453
into a supplemental agreement with the Ohio ~~school~~ facilities 41454
construction commission under which the proceeds of such tax shall 41455
be distributed in accordance with the requirements of section 41456
3318.06 of the Revised Code, as amended by Amended Substitute 41457
House Bill No. 748 of the 121st general assembly. 41458

Sec. 3318.083. If, after the Ohio ~~school~~ facilities 41459
construction commission and a school district enter into a written 41460
agreement under section 3318.08 of the Revised Code for the 41461
construction of a classroom facilities project, the commission 41462
approves an increase in the basic project cost above the amount 41463
budgeted plus any interest earned and available in the project 41464
construction fund, the state and the school district shall share 41465
the increased cost in proportion to their respective contributions 41466
to the district's project construction fund. 41467

Sec. 3318.084. (A) Notwithstanding anything to the contrary 41468
in Chapter 3318. of the Revised Code, a school district board may 41469
apply any local donated contribution toward any of the following: 41470

(1) The district's portion of the basic project cost of a 41471
project under either sections 3318.01 to 3318.20 or sections 41472
3318.40 to 3318.45 of the Revised Code to reduce the amount of 41473
bonds the district otherwise must issue in order to receive state 41474
assistance under those sections; 41475

(2) If the school district is not a joint vocational school 41476
district proceeding under sections 3318.40 to 3318.45 of the 41477
Revised Code, an offset of all or part of a district's obligation 41478
to levy the tax described in division (B) of section 3318.05 of 41479
the Revised Code, which shall be applied only in the manner 41480
prescribed in division (B) of this section; 41481

(3) If the school district is a joint vocational school 41482
district proceeding under sections 3318.40 to 3318.45 of the 41483
Revised Code, all or part of the amount the school district is 41484
obligated to set aside for maintenance of the classroom facilities 41485
acquired under that project pursuant to section 3318.43 of the 41486
Revised Code. 41487

(B) No school district board shall apply any local donated 41488
contribution under division (A)(2) of this section unless the Ohio 41489
~~school~~ facilities construction commission first approves that 41490
application. 41491

Upon the request of the school district board to apply local 41492
donated contribution under division (A)(2) of this section, the 41493
commission in consultation with the department of taxation shall 41494
determine the amount of total revenue that likely would be 41495
generated by one-half mill of the tax described in division (B) of 41496
section 3318.05 of the Revised Code over the entire 41497
twenty-three-year period required under that section and shall 41498
deduct from that amount any amount of local donated contribution 41499
that the board has committed to apply under division (A)(2) of 41500
this section. The commission then shall determine in consultation 41501
with the department of taxation the rate of tax over twenty-three 41502

years necessary to generate the amount of a one-half mill tax not 41503
offset by the local donated contribution. Notwithstanding anything 41504
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 41505
Revised Code, the rate determined by the commission shall be the 41506
rate for which the district board shall seek elector approval 41507
under those sections to meet its obligation under division (B) of 41508
section 3318.05 of the Revised Code. In the case of a complete 41509
offset of the district's obligation under division (B) of section 41510
3318.05 of the Revised Code, the district shall not be required to 41511
levy the tax otherwise required under that section. At the end of 41512
the twenty-three-year period of the tax required under division 41513
(B) of section 3318.05 of the Revised Code, whether or not the tax 41514
is actually levied, the commission in consultation of the 41515
department of taxation shall recalculate the amount that would 41516
have been generated by the tax if it had been levied at one-half 41517
mill. If the total amount actually generated over that period from 41518
both the tax that was actually levied and any local donated 41519
contribution applied under division (A)(2) of this section is less 41520
than the amount that would have been raised by a one-half mill 41521
tax, the district shall pay any difference. If the total amount 41522
actually raised in such manner is greater than the amount that 41523
would have been raised by a one-half mill tax the difference shall 41524
be zero and no payments shall be made by either the district or 41525
the commission. 41526

(C) As used in this section, "local donated contribution" 41527
means any of the following: 41528

(1) Any moneys irrevocably donated or granted to a school 41529
district board by a source other than the state which the board 41530

The school district, the commission, and the entity providing the local donated contribution under division (C)(4) of this section shall enter into an agreement identifying the classroom facilities to be acquired by the expenditures made by that entity. The agreement shall include, but not be limited to, stipulations that require an audit by the commission of such expenditures made on behalf of the district and that specify the maximum amount of credit to be allowed for those expenditures. section and dedicated by the board for that purpose. 41587

However, if any local donated contribution as described in 41588
division (C)(4) of this section has been approved under this 41589
section, the state moneys may be released even if the entity 41590
providing that local donated contribution has not spent the moneys 41591
so dedicated as long as the agreement required under that section 41592
has been executed. 41593

Sec. 3318.086. The construction budget for any project under 41594
sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the 41595

documents, and to pay the costs of settlements or judgments 41602
related to the project. 41603

Sec. 3318.091. (A) Promptly after the written agreement 41604
between the school district board and the Ohio ~~school~~ facilities 41605
construction commission has been entered into, the school district 41606

project construction fund pursuant to the provision of such 41611
agreement required by division (B) of section 3318.08 of the 41612
Revised Code, and the school district board, with the approval of 41613
the commission shall employ a qualified professional person or 41614
firm to prepare preliminary plans, working drawings, 41615
specifications, estimates of cost, and such data as the school 41616
district board and the commission consider necessary for the 41617
project. When the preliminary plans and preliminary estimates of 41618
cost have been prepared, and approved by the school district 41619
board, they shall be submitted to the commission for approval, 41620
modification, or rejection. The commission shall ensure that the 41621
plans and materials proposed for use in the project comply with 41622
specifications for plans and materials that shall be established 41623

estimates of cost and any modifications thereof have been approved 41625
by the commission and the school district board, the school 41626
district board shall cause such qualified professional person or 41627
firm to prepare the working drawings, specifications, and 41628

(B) Whenever project plans submitted to the commission for 41630
approval under division (A) of this section propose to locate a 41631
facility on a state route or United States highway or within one 41632
mile of a state route or United States highway, the commission 41633
shall send a copy of the plans to the director of transportation. 41634
The director of transportation shall review the plans to determine 41635
the feasibility of the proposed ingress and egress to the 41636
facility, the traffic circulation pattern on roadways around the 41637
facility, and any improvements that would be necessary to conform 41638
the roadways to provisions of the manual adopted by the department 41639
of transportation pursuant to section 4511.09 of the Revised Code 41640
or state or federal law. The director of transportation shall 41641
provide a written summary of the director's findings to the 41642
commission in a timely manner. The commission shall consider the 41643
findings in deciding whether to approve the plans. 41644

Sec. 3318.10. When such working drawings, specifications, and 41645
estimates of cost have been approved by the school district board 41646
and the Ohio ~~school~~ facilities construction commission, the 41647
treasurer of the school district board shall advertise for 41648

be received. 41654

The form of proposal to be submitted by bidders shall be 41655
supplied by the commission. Bidders may be permitted to bid upon 41656
all the branches of work and materials to be furnished and 41657
supplied, upon any branch thereof, or upon all or any thereof. 41658

When the construction bids for all branches of work and 41659

materials have been tabulated, the commission shall cause to be 41660
prepared a revised estimate of the basic project cost based upon 41661
the lowest responsible bids received. If such revised estimate 41662
exceeds the estimated basic project cost as approved by the 41663
controlling board pursuant to section 3318.04 or division (B)(1) 41664
of section 3318.41 of the Revised Code, no contracts may be 41665
entered into pursuant to this section unless such revised estimate 41666
is approved by the commission and by the controlling board. When 41667
such revised estimate has been prepared, and after such approvals 41668
are given, if necessary, and if the school district board has 41669
caused to be transferred to the project construction fund the 41670
proceeds from the sale of the first or first and final installment 41671
of its bonds or bond anticipation notes pursuant to the provision 41672
of the written agreement required by division (B) of section 41673
3318.08 of the Revised Code, and when the director of budget and 41674
management has certified that there is a balance in the 41675
appropriation, not otherwise obligated to pay precedent 41676
obligations, pursuant to which the state's share of such revised 41677
estimate is required to be paid, the contract for all branches of 41678
work and materials to be furnished and supplied, or for any branch 41679
thereof as determined by the school district board, shall be 41680
awarded by the school district board to the lowest responsible 41681
bidder subject to the approval of the commission. Such award shall 41682
be made within sixty days after the date on which the bids are 41683
opened, and the successful bidder shall enter into a contract 41684
within ten days after the successful bidder is notified of the 41685
award of the contract. 41686

Subject to the approval of the commission, the school 41687
district board may reject all bids and readvertise. Any contract 41688
made under this section shall be made in the name of the state and 41689
executed on its behalf by the president and treasurer of the 41690
school district board. 41691

The provisions of sections 9.312 and 3313.46 of the Revised Code, which are applicable to construction contracts of boards of education, shall apply to construction contracts for the project.

The remedies afforded to any subcontractor, materials supplier, laborer, mechanic, or persons furnishing material or machinery for the project under sections 1311.26 to 1311.32 of the Revised Code, shall apply to contracts entered into under this section and the itemized statement required by section 1311.26 of the Revised Code shall be filed with the school district board.

Notwithstanding any other requirement of this section, a school district, with the approval of the commission, may utilize any otherwise lawful alternative construction delivery method for the construction of the project.

Sec. 3318.11. For any project undertaken with financial assistance from the state under this chapter, the amount of state appropriations to be encumbered for the project in each fiscal year shall be determined by the Ohio ~~school~~ facilities construction commission based on the project's estimated construction schedule for that year. In each fiscal year subsequent to the first year in which state appropriations are encumbered for the project, the project has priority for state funds over projects for which initial state funding is sought.

Sec. 3318.112. (A) As used in this section, "solar_ready" means capable of accommodating the eventual installation of roof top, solar photovoltaic energy equipment.

(B) The Ohio ~~school~~ facilities construction commission shall adopt rules prescribing standards for solar_ready equipment in school buildings under their jurisdiction. The rules shall include, but not be limited to, standards regarding roof space limitations, shading and obstruction, building orientation, roof

loading capacity, and electric systems. 41722

(C) A school district may seek, and the commission may grant 41723
for good cause shown, a waiver from part or all of the standards 41724
prescribed under division (B) of this section. 41725

Sec. 3318.12. (A) The Ohio ~~school~~ facilities construction 41726
commission shall cause to be transferred to the school district's 41727
project construction fund the necessary amounts from amounts 41728
appropriated by the general assembly and set aside for such 41729
purpose, from time to time as may be necessary to pay obligations 41730
chargeable to such fund when due. All investment earnings of a 41731
school district's project construction fund shall be credited to 41732
the fund. 41733

(B)(1) The treasurer of the school district board shall 41734
disburse funds from the school district's project construction 41735
fund, including investment earnings credited to the fund, only 41736
upon the approval of the commission or the commission's designated 41737
representative. The commission or the commission's designated 41738
representative shall issue vouchers against such fund, in such 41739
amounts, and at such times as required by the contracts for 41740
construction of the project. 41741

(2) Notwithstanding anything to the contrary in division 41742
(B)(1) of this section, the school district board may, by a duly 41743
adopted resolution, choose to use all or part of the investment 41744
earnings of the district's project construction fund that are 41745
attributable to the district's contribution to the fund to pay the 41746
cost of classroom facilities or portions or components of 41747
classroom facilities that are not included in the district's basic 41748
project cost but that are related to the district's project. If 41749
the district board adopts a resolution in favor of using those 41750
investment earnings as authorized under division (B)(2) of this 41751
section, the treasurer shall disburse the amount as designated and 41752

directed by the board. However, if the district board chooses to use any part of the investment earnings for classroom facilities or portions or components of classroom facilities that are not included in the basic project cost, as authorized under division (B)(2) of this section, and, subsequently, the cost of the project exceeds the amount in the project construction fund, the district board shall restore to the project construction fund the full amount of the investment earnings used under division (B)(2) of this section before any additional state moneys shall be released for the project.

(C) After a certificate of completion has been issued for a project under section 3318.48 of the Revised Code:

(1) At the discretion of the school district board, any investment earnings remaining in the project construction fund that are attributable to the school district's contribution to the fund shall be:

(a) Retained in the project construction fund for future projects;

(b) Transferred to the district's maintenance fund required by division (B) of section 3318.05 or section 3318.43 of the Revised Code, and the money so transferred shall be used solely for maintaining the classroom facilities included in the project;

(c) Transferred to the district's permanent improvement fund.

(2) Any investment earnings remaining in the project construction fund that are attributable to the state's contribution to the fund shall be transferred to the commission for expenditure pursuant to sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code.

(3) Any other surplus remaining in the school district's project construction fund shall be transferred to the commission and the school district board in proportion to their respective

transferred to it under this division for expenditure pursuant to 41785
sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the 41786
Revised Code. 41787

(D) Pursuant to appropriations of the general assembly, any 41788
moneys transferred to the commission under division (C)(2) or (3) 41789
of this section from a project construction fund for a project 41790
under sections 3318.40 to 3318.45 of the Revised Code may be used 41791
for future expenditures for projects under sections 3318.40 to 41792
3318.45 of the Revised Code, notwithstanding the two per cent 41793
annual limit specified in division (B) of section 3318.40 of the 41794
Revised Code. 41795

Sec. 3318.121. As used in this section, "big-eight school 41796
district" has the same meaning as in section 3314.02 of the 41797
Revised Code. 41798

Notwithstanding any provision to the contrary in section 41799
3318.12 or Chapter 5705. of the Revised Code, a big-eight school 41800
district receiving assistance for a project under this chapter, 41801
that has opted with the approval of the Ohio ~~school~~ facilities 41802
construction commission to divide the project into discrete 41803
segments to be completed sequentially, or otherwise, may, with the 41804
approval of the commission or the commission's designated 41805
representative, and pursuant to a resolution adopted by the school 41806
district board, transfer to a special construction fund investment 41807
earnings credited to the project construction fund that are 41808
attributable to the district's contribution to that fund, if the 41809
school district board and the commission, or its designated 41810
representative, determine that the unspent amount of the 41811
district's contribution to the project construction fund, 41812
including any investment earnings on that contribution that are 41813
not to be transferred to the special construction fund, together 41814

with the principal amount of any additional securities authorized 41815
by the voters of the district to be issued to pay the local share 41816
of the basic project cost of the entire project that have not yet 41817
been issued by the district, are projected at the time of the 41818
transfer to be not less than one hundred ten per cent of the 41819
amount required to provide for the entire remaining local share of 41820
the basic project cost because of reductions in the scope and 41821
estimated cost of the project that have been incorporated in the 41822
district's approved master facilities plan. The money in that 41823
special construction fund, including investment earnings 41824
attributable to money in that fund, shall be used by the district 41825
solely to pay costs of classroom facilities (A) in later segments 41826
of the project that are consistent with the specifications for 41827
plans and materials for classroom facilities adopted by the 41828
commission and those specifications used by the district for 41829
classroom facilities included in one or more prior segments, but 41830
which would cause the cost of the facilities in one or more later 41831
segments to be in excess of the approved budgeted basic project 41832
cost for the segment to be shared by the state and the district in 41833
proportion to the state's and the school district's respective 41834
shares of the basic project cost as determined under section 41835
3318.032 of the Revised Code, or (B) that were included in the 41836
master facilities plan prior to the reduction in scope. All 41837
investment earnings on a district's special construction fund 41838
shall be credited to the fund. After the entire project has been 41839
completed, any investment earnings remaining in the special 41840
construction fund shall be transferred to the district's 41841
maintenance fund required by division (B) of section 3318.05 of 41842
the Revised Code, and used solely for maintaining the classroom 41843
facilities included in the project. 41844

Sec. 3318.13. Notwithstanding any provision of sections 41845
5705.27 to 5705.50 of the Revised Code, the tax to be levied on 41846

paying the cost of maintaining the classroom facilities included 41848
in the project under the agreement provided in section 3318.08 of 41849
the Revised Code or the supplemental agreement provided in section 41850
3318.081 of the Revised Code shall be included in the budget of 41851
the school district for each year upon the certification to the 41852
county budget commission or commissions of the county or counties 41853
in which said school district is located, by the Ohio ~~school~~ 41854
facilities construction commission of the balance due the state 41855
under said agreement or supplemental agreement. Such certification 41856
shall be made on or before the fifteenth day of July in each year. 41857
Thereafter, the respective county budget commissions shall treat 41858
such certification as an additional item on the tax budget for the 41859
school district as to which such certification has been made and 41860
shall provide for the levy therefor in the manner provided in 41861
sections 5705.27 to 5705.50 of the Revised Code for tax levies 41862
included directly in the budgets of the subdivisions. 41863

The levy of taxes shall be included in the next annual tax 41864
budget that is certified to the county budget commission after the 41865
execution of the agreement for the project. 41866

Sec. 3318.15. There is hereby created the public school 41867
building fund within the state treasury consisting of any moneys 41868
transferred or appropriated to the fund by the general assembly, 41869
moneys paid into or transferred in accordance with section 3318.47 41870
of the Revised Code, and any grants, gifts, or contributions 41871
received by the Ohio ~~school~~ facilities construction commission to 41872
be used for the purposes of the fund. All investment earnings of 41873
the fund shall be credited to the fund. 41874

Moneys transferred or appropriated to the fund by the general 41875
assembly and moneys in the fund from grants, gifts, and 41876
contributions shall be used for the purposes of Chapter 3318. of 41877

the Revised Code as prescribed by the general assembly. 41878

Sec. 3318.16. The Ohio ~~school~~ facilities construction 41879
commission shall have an interest in real property purchased with 41880
moneys in the school district's project construction fund. 41881

Once obligations issued to finance a project under section 41882
3318.26 of the Revised Code are no longer outstanding, any 41883
interest held by the commission shall be transferred to the school 41884
district. 41885

Sec. 3318.18. (A) As used in this section: 41886

(1) "Valuation" of a school district means the sum of the 41887
amounts described in divisions (A)(1) and (2) of section 3317.021 41888
of the Revised Code as most recently certified for the district 41889
before the annual computation is made under division (B) of this 41890
section. 41891

(4) "Maintenance levy requirement" means the tax required to 41902
be levied pursuant to division (C)(2)(a) of section 3318.08 and 41903

(C)(1) At the time the Ohio ~~school~~ facilities construction commission enters into a project agreement with a school district, the commission shall compute the difference between the district's valuation per pupil and the statewide average valuation per pupil as most recently provided to the commission under division (B) of this section. If the school district's valuation per pupil is less than the average statewide valuation per pupil, the commission shall multiply the difference between those amounts by one-half mill times the formula ADM of the district as most recently reported to the department of education for October under division (A) of section 3317.03 of the Revised Code. The commission shall certify the resulting product to the department of education, along with the date on which the maintenance levy requirement terminates as provided in the project agreement between the school district board and the commission.

the department shall make no payments under this section to any 41962
district that elects the procedure authorized by section 3318.051 41963

of state government to provide adequate classroom facilities and 41985
issuing securities under Chapter 133. of the Revised Code at 41986

in order to provide deserved assistance and materially contribute 41990
to the educational revitalization of such school districts and 41991
result in improving the education and welfare of all the people of 41992
the state. 41993

(B) Sections 3318.21 to 3318.29 of the Revised Code do not 41994
authorize the commission or the issuing authority to incur bonded 41995
indebtedness of the state or any political subdivision of the 41996
state, or to obligate or pledge moneys raised by taxation for the 41997
payment of any bonds or notes issued pursuant to sections 3318.21 41998
to 3318.29 of the Revised Code. 41999

Sec. 3318.25. There is hereby created in the state treasury 42000

assembly. 42011

Sec. 3318.26. (A) The provisions of this section apply only 42012
to obligations issued by the issuing authority prior to December 42013
1, 1999. 42014

(B) Subject to the limitations provided in section 3318.29 of 42015
the Revised Code, the issuing authority, upon the certification by 42016

authority of the amount of moneys or additional moneys needed in 42018
the school building program assistance fund for the purposes of 42019
sections 3318.01 to 3318.20 and sections 3318.40 to 3318.45 of the 42020
Revised Code, or needed for capitalized interest, for funding 42021
reserves, and for paying costs and expenses incurred in connection 42022
with the issuance, carrying, securing, paying, redeeming, or 42023

including payment of costs and expenses relating to letters of 42025
credit, lines of credit, insurance, put agreements, standby 42026
purchase agreements, indexing, marketing, remarketing and 42027

or refunding arrangements, all of which are authorized by this 42030

program assistance fund shall be deposited by the treasurer of 42034
state in special funds, including reserve funds, as provided in 42035
the bond proceedings. The issuing authority may appoint trustees, 42036

issuing authority's judgment to carry out this section. The costs 42042
of such services are payable from the school building program 42043
assistance fund or any special fund determined by the issuing 42044
authority. 42045

(C) The holders or owners of such obligations shall have no 42046
right to have moneys raised by taxation obligated or pledged, and 42047
moneys raised by taxation shall not be obligated or pledged, for 42048
the payment of bond service charges. Such holders or owners shall 42049
have no rights to payment of bond service charges from any money 42050
or property received by the commission, treasurer of state, or the 42051
state, or from any other use of the proceeds of the sale of the 42052
obligations, and no such moneys may be used for the payment of 42053
bond service charges, except for accrued interest, capitalized 42054
interest, and reserves funded from proceeds received upon the sale 42055
of the obligations and except as otherwise expressly provided in 42056
the applicable bond proceedings pursuant to written directions by 42057
the treasurer of state. The right of such holders and owners to 42058
payment of bond service charges shall be limited to all or that 42059
portion of the pledged receipts and those special funds pledged 42060
thereto pursuant to the bond proceedings in accordance with this 42061
section, and each such obligation shall bear on its face a 42062
statement to that effect. 42063

(D) Obligations shall be authorized by resolution or order of 42064

the issuing authority and the bond proceedings shall provide for 42065
the purpose thereof and the principal amount or amounts, and shall 42066
provide for or authorize the manner or agency for determining the 42067
principal maturity or maturities, not exceeding the limits 42068
specified in section 3318.29 of the Revised Code, the interest 42069
rate or rates or the maximum interest rate, the date of the 42070
obligations and the dates of payment of interest thereon, their 42071
denomination, and the establishment within or without the state of 42072
a place or places of payment of bond service charges. Sections 42073
9.98 to 9.983 of the Revised Code are applicable to obligations 42074
issued under this section, subject to any applicable limitation 42075
under section 3318.29 of the Revised Code. The purpose of such 42076
obligations may be stated in the bond proceedings in terms 42077
describing the general purpose or purposes to be served. The bond 42078
proceedings shall also provide, subject to the provisions of any 42079
other applicable bond proceedings, for the pledge of all, or such 42080
part as the issuing authority may determine, of the pledged 42081
receipts and the applicable special fund or funds to the payment 42082
of bond service charges, which pledges may be made either prior or 42083
subordinate to other expenses, claims, or payments, and may be 42084
made to secure the obligations on a parity with obligations 42085
theretofore or thereafter issued, if and to the extent provided in 42086
the bond proceedings. The pledged receipts and special funds so 42087
pledged and thereafter received by the state are immediately 42088
subject to the lien of such pledge without any physical delivery 42089
thereof or further act, and the lien of any such pledges is valid 42090
and binding against all parties having claims of any kind against 42091
the state or any governmental agency of the state, irrespective of 42092
whether such parties have notice thereof, and shall create a 42093
perfected security interest for all purposes of Chapter 1309. of 42094
the Revised Code, without the necessity for separation or delivery 42095
of funds or for the filing or recording of the bond proceedings by 42096
which such pledge is created or any certificate, statement or 42097

other document with respect thereto; and the pledge of such 42098
pledged receipts and special funds is effective and the money 42099
therefrom and thereof may be applied to the purposes for which 42100
pledged without necessity for any act of appropriation, except as 42101
required by section 3770.06 of the Revised Code. Every pledge, and 42102
every covenant and agreement made with respect thereto, made in 42103
the bond proceedings may therein be extended to the benefit of the 42104
owners and holders of obligations authorized by this section, and 42105
to any trustee therefor, for the further security of the payment 42106
of the bond service charges. 42107

(E) The bond proceedings may contain additional provisions as 42108
to: 42109

(1) The redemption of obligations prior to maturity at the 42110
option of the issuing authority at such price or prices and under 42111
such terms and conditions as are provided in the bond proceedings; 42112

(2) Other terms of the obligations; 42113

(3) Limitations on the issuance of additional obligations; 42114

(4) The terms of any trust agreement or indenture securing 42115
the obligations or under which the same may be issued; 42116

(5) The deposit, investment and application of special funds, 42117
and the safeguarding of moneys on hand or on deposit, without 42118
regard to Chapter 131., 133., or 135. of the Revised Code, but 42119
subject to any special provisions of sections 3318.21 to 3318.29 42120
of the Revised Code, with respect to particular funds or moneys, 42121
provided that any bank or trust company that acts as depository of 42122
any moneys in the special funds may furnish such indemnifying 42123
bonds or may pledge such securities as required by the issuing 42124
authority; 42125

(6) Any or every provision of the bond proceedings being 42126
binding upon such officer, board, commission, authority, agency, 42127
department, or other person or body as may from time to time have 42128

the authority under law to take such actions as may be necessary 42129
to perform all or any part of the duty required by such provision; 42130

(7) Any provision that may be made in a trust agreement or 42131
indenture; 42132

(8) The lease or sublease of any interest of the school 42133
district or the state in one or more projects as defined in 42134
division (C) of section 3318.01 of the Revised Code, or in one or 42135
more permanent improvements, to or from the issuing authority, as 42136
provided in one or more lease or sublease agreements between the 42137
school or the state and the issuing authority; 42138

(9) Any other or additional agreements with the holders of 42139
the obligations, or the trustee therefor, relating to the 42140
obligations or the security therefor. 42141

(F) The obligations may have the great seal of the state or a 42142
facsimile thereof affixed thereto or printed thereon. The 42143
obligations and any coupons pertaining to obligations shall be 42144
signed or bear the facsimile signature of the issuing authority. 42145
Any obligations or coupons may be executed by the person who, on 42146
the date of execution, is the proper issuing authority although on 42147
the date of such bonds or coupons such person was not the issuing 42148
authority. In case the issuing authority whose signature or a 42149
facsimile of whose signature appears on any such obligation or 42150
coupon ceases to be the issuing authority before delivery thereof, 42151
such signature or facsimile is nevertheless valid and sufficient 42152
for all purposes as if the issuing authority had remained the 42153
issuing authority until such delivery; and in case the seal to be 42154
affixed to obligations has been changed after a facsimile of the 42155
seal has been imprinted on such obligations, such facsimile seal 42156
shall continue to be sufficient as to such obligations and 42157
obligations issued in substitution or exchange therefor. 42158

(G) All obligations are negotiable instruments and securities 42159

under Chapter 1308. of the Revised Code, subject to the provisions 42160
of the bond proceedings as to registration. The obligations may be 42161
issued in coupon or in registered form, or both, as the issuing 42162
authority determines. Provision may be made for the registration 42163
of any obligations with coupons attached thereto as to principal 42164

obligations so registered, and for the conversion or reconversion 42166
into obligations with coupons attached thereto of any obligations 42167
registered as to both principal and interest, and for reasonable 42168
charges for such registration, exchange, conversion, and 42169
reconversion. 42170

(H) Obligations may be sold at public sale or at private 42171
sale, as determined in the bond proceedings. 42172

(I) Pending preparation of definitive obligations, the 42173
issuing authority may issue interim receipts or certificates which 42174
shall be exchanged for such definitive obligations. 42175

(J) In the discretion of the issuing authority, obligations 42176
may be secured additionally by a trust agreement or indenture 42177
between the issuing authority and a corporate trustee which may be 42178
any trust company or bank having a place of business within the 42179
state. Any such agreement or indenture may contain the resolution 42180
or order authorizing the issuance of the obligations, any 42181
provisions that may be contained in any bond proceedings, and 42182
other provisions that are customary or appropriate in an agreement 42183
or indenture of such type, including, but not limited to: 42184

the state has fully paid the bond service charges on the 42187
obligations secured thereby, or provision therefor has been made; 42188

(2) In the event of default in any payments required to be 42189
made by the bond proceedings, or any other agreement of the 42190

at law, or any combination of the foregoing; 42194

(3) The rights and remedies of the holders of obligations and 42195
of the trustee, and provisions for protecting and enforcing them, 42196
including limitations on rights of individual holders of 42197
obligations; 42198

(4) The replacement of any obligations that become mutilated 42199
or are destroyed, lost, or stolen; 42200

(5) Such other provisions as the trustee and the issuing 42201
authority agree upon, including limitations, conditions, or 42202
qualifications relating to any of the foregoing. 42203

(K) Any holder of obligations or a trustee under the bond 42204
proceedings, except to the extent that the holder's or trustee's 42205
rights are restricted by the bond proceedings, may by any suitable 42206
form of legal proceedings, protect and enforce any rights under 42207
the laws of this state or granted by such bond proceedings. Such 42208
rights include the right to compel the performance of all duties 42209
of the issuing authority, the commission, or the director of 42210
budget and management required by sections 3318.21 to 3318.29 of 42211

issuing authority, the commission, or the director of budget and 42216
management in the bond proceedings, to apply to a court having 42217
jurisdiction of the cause to appoint a receiver to receive and 42218
administer the pledged receipts and special funds, other than 42219
those in the custody of the treasurer of state or the commission, 42220
which are pledged to the payment of the bond service charges on 42221
such obligations or which are the subject of the covenant or 42222

agreement, with full power to pay, and to provide for payment of 42223
bond service charges on, such obligations, and with such powers, 42224
subject to the direction of the court, as are accorded receivers 42225
in general equity cases, excluding any power to pledge additional 42226
revenues or receipts or other income or moneys of the issuing 42227
authority or the state or governmental agencies of the state to 42228
the payment of such principal and interest and excluding the power 42229
to take possession of, mortgage, or cause the sale or otherwise 42230
dispose of any permanent improvement. 42231

authority's officers and employees, and of each governmental 42233
agency and its officers, members, or employees, undertaken 42234
pursuant to the bond proceedings or any agreement or loan made 42235
under authority of sections 3318.21 to 3318.29 of the Revised 42236

trust, or station within the meaning of section 2731.01 of the 42241
Revised Code. 42242

The person who is at the time the issuing authority, or the 42243
issuing authority's officers or employees, are not liable in their 42244
personal capacities on any obligations issued by the issuing 42245
authority or any agreements of or with the issuing authority. 42246

authority determines or authorizes. 42288

(N) Provision may be made in the applicable bond proceedings 42289
for the establishment of separate accounts in the bond service 42290
fund and for the application of such accounts only to the 42291
specified bond service charges on obligations pertinent to such 42292
accounts and bond service fund and for other accounts therein 42293

provided that no such order is required for the payment from the 42298
bond service fund when due of bond service charges on obligations. 42299

(O) The issuing authority may pledge all, or such portion as 42300

by this chapter, which provisions shall be controlling 42306
notwithstanding any other provisions of law pertaining thereto. 42307

(P) The issuing authority may covenant in the bond 42308
proceedings, and any such covenants shall be controlling 42309
notwithstanding any other provision of law, that the state and 42310
applicable officers and governmental agencies of the state, 42311
including the general assembly, so long as any obligations are 42312
outstanding, shall: 42313

(1) Maintain statutory authority for and cause to be operated 42314
the state lottery, including the transfers to and from the lottery 42315
profits education fund created in section 3770.06 of the Revised 42316
Code so that the pledged receipts shall be sufficient in amount to 42317
meet bond service charges, and the establishment and maintenance 42318
of any reserves and other requirements provided for in the bond 42319

proceedings; 42320

(2) Take or permit no action, by statute or otherwise, that 42321

state but shall be separate and apart from and not a part of the 42327
state treasury. All moneys received by or on account of the 42328
issuing authority or state agencies and required by the applicable 42329
bond proceedings, consistent with this section, to be deposited, 42330
transferred, or credited to the school building program bond 42331
service fund, and all other moneys transferred or allocated to or 42332
received for the purposes of the fund, shall be deposited and 42333

by section 3770.06 of the Revised Code. During the period 42337
beginning with the date of the first issuance of obligations and 42338
continuing during such time as any such obligations are 42339
outstanding, and so long as moneys in the school building program 42340
bond service fund are insufficient to pay all bond service charges 42341
on such obligations becoming due in each year, a sufficient amount 42342
of the moneys from the lottery profits education fund included in 42343
pledged receipts, subject to appropriation for such purpose as 42344
provided in section 3770.06 of the Revised Code, are committed and 42345
shall be paid to the school building program bond service fund in 42346
each year for the purpose of paying the bond service charges 42347
becoming due in that year. The school building program bond 42348
service fund is a trust fund and is hereby pledged to the payment 42349
of bond service charges solely on obligations issued to provide 42350
moneys for the school building program assistance fund to the 42351

extent provided in the applicable bond proceedings, and payment 42352
thereof from such fund shall be made or provided for by the 42353
treasurer of state in accordance with such bond proceedings 42354
without necessity for any act of appropriation except as required 42355
by section 3770.06 of the Revised Code. 42356

(R) The obligations, the transfer thereof, and the income 42357
therefrom, including any profit made on the sale thereof, at all 42358

other school districts under sections 3318.01 to 3318.20 of the 42369
Revised Code. 42370

Beginning September 1, 2003, from time to time the commission 42371
may amend the specifications as determined necessary by the 42372
commission; however, any project under sections 3318.40 to 3318.45 42373
of the Revised Code approved by the commission prior to the most 42374
recent amendment to the specifications shall not be subject to the 42375

used to pay the cost of only the portion of an emergency project 42392
that is not covered by insurance or other public or private 42393
emergency assistance received by or payable to the school 42394
district. Any damage to classroom facilities caused by age of the 42395
facilities or by lack of timely maintenance to the facilities 42396
shall not constitute damage that is subject to assistance under 42397
this section. 42398

(2) The commission shall establish procedures and deadlines 42399
for eligible school districts to follow in applying for assistance 42400
under this section. The commission shall consider such 42401
applications on a case-by-case basis taking into account the 42402
amount of moneys available under this section. 42403

(3) Every effort shall be made to conform an emergency 42404
project to design specifications adopted by the commission, 42405
including minimum capacity requirements adopted under section 42406
3318.03 of the Revised Code, unless in the judgment of the 42407
commission it is not possible to conform the project to such 42408
specifications. 42409

Sec. 3318.36. (A)(1) As used in this section: 42410

(a) "Ohio ~~school~~ facilities construction commission," 42411

"classroom facilities," "school district," "school district board," "net bonded indebtedness," "required percentage of the basic project costs," "basic project cost," "valuation," and "percentile" have the same meanings as in section 3318.01 of the Revised Code.

(b) "Required level of indebtedness" means five per cent of the school district's valuation for the year preceding the year in which the commission and school district enter into an agreement under division (B) of this section, plus [two one-hundredths of one per cent multiplied by (the percentile in which the district ranks minus one)].

(c) "Local resources" means any moneys generated in any manner permitted for a school district board to raise the school district portion of a project undertaken with assistance under sections 3318.01 to 3318.20 of the Revised Code.

(2) For purposes of determining the required level of indebtedness, the required percentage of the basic project costs under division (C)(1) of this section, and priority for assistance under sections 3318.01 to 3318.20 of the Revised Code, the percentile ranking of a school district with which the commission has entered into an agreement under this section between the first day of July and the thirty-first day of August in each fiscal year is the percentile ranking calculated for that district for the immediately preceding fiscal year, and the percentile ranking of a school district with which the commission has entered into such agreement between the first day of September and the thirtieth day of June in each fiscal year is the percentile ranking calculated for that district for the current fiscal year.

(B)(1) There is hereby established the school building assistance expedited local partnership program. Under the program, the Ohio ~~school~~ facilities construction commission may enter into an agreement with the board of any school district under which the

board may proceed with the new construction or major repairs of a 42444
part of the district's classroom facilities needs, as determined 42445
under sections 3318.01 to 3318.20 of the Revised Code, through the 42446
expenditure of local resources prior to the school district's 42447
eligibility for state assistance under those sections, and may 42448
apply that expenditure toward meeting the school district's 42449
portion of the basic project cost of the total of the district's 42450
classroom facilities needs, as recalculated under division (E) of 42451
this section, when the district becomes eligible for state 42452
assistance under sections 3318.01 to 3318.20 or section 3318.364 42453
of the Revised Code. Any school district that is reasonably 42454
expected to receive assistance under sections 3318.01 to 3318.20 42455
of the Revised Code within two fiscal years from the date the 42456
school district adopts its resolution under division (B) of this 42457
section shall not be eligible to participate in the program 42458
established under this section. 42459

(2) To participate in the program, a school district board 42460
shall first adopt a resolution certifying to the commission the 42461
board's intent to participate in the program. 42462

The resolution shall specify the approximate date that the 42463
board intends to seek elector approval of any bond or tax measures 42464
or to apply other local resources to use to pay the cost of 42465
classroom facilities to be constructed under this section. The 42466
resolution may specify the application of local resources or 42467
elector-approved bond or tax measures after the resolution is 42468
adopted by the board, and in such case the board may proceed with 42469
a discrete portion of its project under this section as soon as 42470
the commission and the controlling board have approved the basic 42471
project cost of the district's classroom facilities needs as 42472
specified in division (D) of this section. The board shall submit 42473
its resolution to the commission not later than ten days after the 42474
date the resolution is adopted by the board. 42475

The commission shall not consider any resolution that is 42476
submitted pursuant to division (B)(2) of this section, as amended 42477
by this amendment, sooner than September 14, 2000. 42478

(3) For purposes of determining when a district that enters 42479
into an agreement under this section becomes eligible for 42480
assistance under sections 3318.01 to 3318.20 of the Revised Code 42481
or priority for assistance under section 3318.364 of the Revised 42482
Code, the commission shall use the district's percentile ranking 42483
determined at the time the district entered into the agreement 42484
under this section, as prescribed by division (A)(2) of this 42485
section. 42486

(4) Any project under this section shall comply with section 42487
3318.03 of the Revised Code and with any specifications for plans 42488
and materials for classroom facilities adopted by the commission 42489
under section 3318.04 of the Revised Code. 42490

(5) If a school district that enters into an agreement under 42491
this section has not begun a project applying local resources as 42492
provided for under that agreement at the time the district is 42493
notified by the commission that it is eligible to receive state 42494
assistance under sections 3318.01 to 3318.20 of the Revised Code, 42495
all assessment and agreement documents entered into under this 42496
section are void. 42497

(6) Only construction of or repairs to classroom facilities 42498
that have been approved by the commission and have been therefore 42499
included as part of a district's basic project cost qualify for 42500
application of local resources under this section. 42501

(C) Based on the results of on-site visits and assessment, 42502
the commission shall determine the basic project cost of the 42503
school district's classroom facilities needs. The commission shall 42504
determine the school district's portion of such basic project 42505
cost, which shall be the greater of: 42506

(1) The required percentage of the basic project costs, 42507
determined based on the school district's percentile ranking; 42508

(2) An amount necessary to raise the school district's net 42509
bonded indebtedness, as of the fiscal year the commission and the 42510
school district enter into the agreement under division (B) of 42511
this section, to within five thousand dollars of the required 42512
level of indebtedness. 42513

(D)(1) When the commission determines the basic project cost 42514
of the classroom facilities needs of a school district and the 42515
school district's portion of that basic project cost under 42516
division (C) of this section, the project shall be conditionally 42517
approved. Such conditional approval shall be submitted to the 42518
controlling board for approval thereof. The controlling board 42519
shall forthwith approve or reject the commission's determination, 42520
conditional approval, and the amount of the state's portion of the 42521
basic project cost; however, no state funds shall be encumbered 42522
under this section. Upon approval by the controlling board, the 42523
school district board may identify a discrete part of its 42524
classroom facilities needs, which shall include only new 42525
construction of or additions or major repairs to a particular 42526
building, to address with local resources. Upon identifying a part 42527
of the school district's basic project cost to address with local 42528
resources, the school district board may allocate any available 42529
school district moneys to pay the cost of that identified part, 42530
including the proceeds of an issuance of bonds if approved by the 42531
electors of the school district. 42532

All local resources utilized under this division shall first 42533
be deposited in the project construction account required under 42534
section 3318.08 of the Revised Code. 42535

(2) Unless the school district board exercises its option 42536
under division (D)(3) of this section, for a school district to 42537
qualify for participation in the program authorized under this 42538

section, one of the following conditions shall be satisfied: 42539

(a) The electors of the school district by a majority vote 42540
shall approve the levy of taxes outside the ten-mill limitation 42541
for a period of twenty-three years at the rate of not less than 42542
one-half mill for each dollar of valuation to be used to pay the 42543
cost of maintaining the classroom facilities included in the basic 42544
project cost as determined by the commission. The form of the 42545
ballot to be used to submit the question whether to approve the 42546
tax required under this division to the electors of the school 42547
district shall be the form for an additional levy of taxes 42548
prescribed in section 3318.361 of the Revised Code, which may be 42549
combined in a single ballot question with the questions prescribed 42550
under section 5705.218 of the Revised Code. 42551

(b) As authorized under division (C) of section 3318.05 of 42552
the Revised Code, the school district board shall earmark from the 42553
proceeds of a permanent improvement tax levied under section 42554
5705.21 of the Revised Code, an amount equivalent to the 42555
additional tax otherwise required under division (D)(2)(a) of this 42556
section for the maintenance of the classroom facilities included 42557
in the basic project cost as determined by the commission. 42558

(c) As authorized under section 3318.051 of the Revised Code, 42559
the school district board shall, if approved by the commission, 42560
annually transfer into the maintenance fund required under section 42561
3318.05 of the Revised Code the amount prescribed in section 42562
3318.051 of the Revised Code in lieu of the tax otherwise required 42563
under division (D)(2)(a) of this section for the maintenance of 42564
the classroom facilities included in the basic project cost as 42565
determined by the commission. 42566

(d) If the school district board has rescinded the agreement 42567
to make transfers under section 3318.051 of the Revised Code, as 42568
provided under division (F) of that section, the electors of the 42569
school district, in accordance with section 3318.063 of the 42570

Revised Code, first shall approve the levy of taxes outside the 42571
ten-mill limitation for the period specified in that section at a 42572
rate of not less than one-half mill for each dollar of valuation. 42573

(e) The school district board shall apply the proceeds of a 42574
tax to leverage bonds as authorized under section 3318.052 of the 42575
Revised Code or dedicate a local donated contribution in the 42576
manner described in division (B) of section 3318.084 of the 42577
Revised Code in an amount equivalent to the additional tax 42578
otherwise required under division (D)(2)(a) of this section for 42579
the maintenance of the classroom facilities included in the basic 42580
project cost as determined by the commission. 42581

(3) A school district board may opt to delay taking any of 42582
the actions described in division (D)(2) of this section until the 42583
school district becomes eligible for state assistance under 42584
sections 3318.01 to 3318.20 of the Revised Code. In order to 42585
exercise this option, the board shall certify to the commission a 42586
resolution indicating the board's intent to do so prior to 42587
entering into an agreement under division (B) of this section. 42588

(4) If pursuant to division (D)(3) of this section a district 42589
board opts to delay levying an additional tax until the district 42590
becomes eligible for state assistance, it shall submit the 42591
question of levying that tax to the district electors as follows: 42592

(a) In accordance with section 3318.06 of the Revised Code if 42593
it will also be necessary pursuant to division (E) of this section 42594
to submit a proposal for approval of a bond issue; 42595

(b) In accordance with section 3318.361 of the Revised Code 42596
if it is not necessary to also submit a proposal for approval of a 42597
bond issue pursuant to division (E) of this section. 42598

(5) No state assistance under sections 3318.01 to 3318.20 of 42599
the Revised Code shall be released until a school district board 42600
that adopts and certifies a resolution under division (D) of this 42601

section also demonstrates to the satisfaction of the commission 42602
compliance with the provisions of division (D)(2) of this section. 42603

Any amount required for maintenance under division (D)(2) of 42604
this section shall be deposited into a separate fund as specified 42605
in division (B) of section 3318.05 of the Revised Code. 42606

(E)(1) If the school district becomes eligible for state 42607
assistance under sections 3318.01 to 3318.20 of the Revised Code 42608
based on its percentile ranking under division (B)(3) of this 42609
section or is offered assistance under section 3318.364 of the 42610
Revised Code, the commission shall conduct a new assessment of the 42611
school district's classroom facilities needs and shall recalculate 42612
the basic project cost based on this new assessment. The basic 42613
project cost recalculated under this division shall include the 42614
amount of expenditures made by the school district board under 42615
division (D)(1) of this section. The commission shall then 42616
recalculate the school district's portion of the new basic project 42617
cost, which shall be the percentage of the original basic project 42618
cost assigned to the school district as its portion under division 42619
(C) of this section. The commission shall deduct the expenditure 42620
of school district moneys made under division (D)(1) of this 42621
section from the school district's portion of the basic project 42622
cost as recalculated under this division. If the amount of school 42623
district resources applied by the school district board to the 42624
school district's portion of the basic project cost under this 42625
section is less than the total amount of such portion as 42626
recalculated under this division, the school district board by a 42627
majority vote of all of its members shall, if it desires to seek 42628
state assistance under sections 3318.01 to 3318.20 of the Revised 42629
Code, adopt a resolution as specified in section 3318.06 of the 42630
Revised Code to submit to the electors of the school district the 42631
question of approval of a bond issue in order to pay any 42632
additional amount of school district portion required for state 42633

assistance. Any tax levy approved under division (D) of this 42634
section satisfies the requirements to levy the additional tax 42635
under section 3318.06 of the Revised Code. 42636

(2) If the amount of school district resources applied by the 42637
school district board to the school district's portion of the 42638
basic project cost under this section is more than the total 42639
amount of such portion as recalculated under this division, within 42640
one year after the school district's portion is recalculated under 42641
division (E)(1) of this section the commission may grant to the 42642
school district the difference between the two calculated 42643
portions, but at no time shall the commission expend any state 42644
funds on a project in an amount greater than the state's portion 42645
of the basic project cost as recalculated under this division. 42646

Any reimbursement under this division shall be only for local 42647
resources the school district has applied toward construction cost 42648
expenditures for the classroom facilities approved by the 42649
commission, which shall not include any financing costs associated 42650
with that construction. 42651

The school district board shall use any moneys reimbursed to 42652
the district under this division to pay off any debt service the 42653
district owes for classroom facilities constructed under its 42654
project under this section before such moneys are applied to any 42655
other purpose. However, the district board first may deposit 42656
moneys reimbursed under this division into the district's general 42657
fund or a permanent improvement fund to replace local resources 42658
the district withdrew from those funds, as long as, and to the 42659
extent that, those local resources were used by the district for 42660
constructing classroom facilities included in the district's basic 42661
project cost. 42662

Sec. 3318.362. This section applies only to a school district 42663
that participates in the school building assistance expedited 42664

local partnership program under section 3318.36 of the Revised Code. 42665
42666

A school district board that enters into an agreement with the Ohio ~~school~~ facilities construction commission under division (B) of section 3318.36 of the Revised Code may propose for issuance any bonds necessary for its participation in the program under section 3318.36 of the Revised Code for any number of years not exceeding the term calculated pursuant to section 133.20 of the Revised Code. Any moneys received from the state under division (E)(2) of section 3318.36 of the Revised Code shall be applied, as agreed in writing by the school district board and the commission, to pay debt service on outstanding bonds or bond anticipation notes issued by the school district board for its participation in the expedited local partnership program, including by placing those moneys in an applicable escrow fund under division (D) of section 133.34 of the Revised Code. 42667

Sec. 3318.363. (A) This section applies beginning in fiscal year 2003 and only to a school district participating in the school building assistance expedited local partnership program under section 3318.36 of the Revised Code. 42681
42682
42683
42684

(B) If there is a decrease in the tax valuation of a school district to which this section applies by ten per cent or greater from one tax year to the next due to a decrease in the assessment rate of the taxable property of an electric company that owns property in the district, as provided for in section 5727.111 of the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd General Assembly, the Ohio ~~school~~ facilities construction commission shall calculate or recalculate the state and school district portions of the basic project cost of the school district's project by determining the percentile rank in which the district would be located if such ranking were made using the 42685

adjusted valuation per pupil calculated under division (C) of this 42696
section rather than the three-year average adjusted valuation per 42697
pupil, calculated under division (B) of section 3318.011 of the 42698
Revised Code. For such district, the required percentage of the 42699
basic project cost used to determine the state and school district 42700
shares of that cost under division (C) of section 3318.36 of the 42701
Revised Code shall be based on the percentile rank as calculated 42702
under this section rather than as otherwise provided in division 42703
(C)(1) of section 3318.36 of the Revised Code. If the commission 42704
has determined the state and school district portion of the basic 42705
project cost of such a district's project under section 3318.36 of 42706
the Revised Code prior to that decrease in tax valuation, the 42707
commission shall adjust the state and school district shares of 42708
the basic project cost of such project in accordance with this 42709
section. 42710

(C)(1) As used in divisions (C) and (D) of this section, 42711
"total taxable value" and "formula ADM" have the same meanings as 42712
in section 3317.02 of the Revised Code, and "income factor" has 42713
the same meaning as in section 3318.011 of the Revised Code. 42714

(2) The adjusted valuation per pupil for a school district to 42715
which this section applies shall be calculated using the following 42716
formula: 42717

(The district's total taxable value for the tax year 42718
preceding the calendar year in which the current fiscal year 42719
begins / the district's formula ADM for the previous fiscal year) 42720
- [\$30,000 x (1 - the district's income factor)]. 42721

(D) At the request of the Ohio ~~school~~ facilities construction 42722
commission, the department of education shall report a district's 42723
total taxable value for the tax year preceding the calendar year 42724
in which the current fiscal year begins for any district to which 42725
this section applies as that information has been certified to the 42726
department by the tax commissioner pursuant to section 3317.021 of 42727

the Revised Code. 42728

Sec. 3318.364. In any fiscal year, the Ohio ~~school~~ facilities 42729
construction commission may, at its discretion, provide assistance 42730
under sections 3318.01 to 3318.20 of the Revised Code to a school 42731
district that has entered into an expedited local partnership 42732
agreement under section 3318.36 of the Revised Code before the 42733
district is otherwise eligible for that assistance based on its 42734
percentile rank, if the commission determines all of the 42735
following: 42736

(A) The district has made an expenditure of local resources 42737
under its expedited local partnership agreement on a discrete part 42738
of its district-wide project. 42739

(B) The district is ready to complete its district-wide 42740
project or a segment of the project, in accordance with section 42741
3318.034 of the Revised Code. 42742

(C) The district is in compliance with division (D)(2) of 42743
section 3318.36 of the Revised Code. 42744

(D) Sufficient state funds have been appropriated for 42745
classroom facilities projects for the fiscal year to pay the state 42746
share of the district's project or segment after paying the state 42747
share of projects for all of the following: 42748

(1) Districts that previously had their conditional approval 42749
lapse pursuant to section 3318.05 of the Revised Code; 42750

(2) Districts eligible for assistance under division (B)(2) 42751
of section 3318.04 of the Revised Code; 42752

(3) Districts participating in the exceptional needs school 42753
facilities assistance program under section 3318.37 or 3318.371 of 42754
the Revised Code; 42755

(4) Districts participating in the accelerated urban school 42756
building assistance program under section 3318.38 of the Revised 42757

Code. 42758

Assistance under this section shall be offered to eligible 42759
districts in the order of their percentile rankings at the time 42760
they entered into their expedited local partnership agreements, 42761
from lowest to highest percentile. In the event that more than one 42762
district has the same percentile ranking, those districts shall be 42763
offered assistance in the order of the date they entered into 42764
their expedited local partnership agreements, from earliest to 42765
latest date. 42766

As used in this section, "local resources" and "percentile" 42767
have the same meanings as in section 3318.36 of the Revised Code. 42768

Sec. 3318.37. (A)(1) As used in this section: 42769

(a) "Full maintenance amount" has the same meaning as in 42770
section 3318.034 of the Revised Code. 42771

(b) A "school district with an exceptional need for immediate 42772
classroom facilities assistance" means a school district with an 42773
exceptional need for new facilities in order to protect the health 42774
and safety of all or a portion of its students. 42775

(2) No school district that participates in the school 42776
building assistance expedited local partnership program under 42777
section 3318.36 of the Revised Code shall receive assistance under 42778
the program established under this section unless the following 42779
conditions are satisfied: 42780

(a) The district board adopted a resolution certifying its 42781
intent to participate in the school building assistance expedited 42782
local partnership program under section 3318.36 of the Revised 42783
Code prior to September 14, 2000. 42784

(b) The district was selected by the Ohio ~~school~~ facilities 42785
construction commission for participation in the school building 42786
assistance expedited local partnership program under section 42787

3318.36 of the Revised Code in the manner prescribed by the 42788
commission under that section as it existed prior to September 14, 42789
2000. 42790

(B)(1) There is hereby established the exceptional needs 42791
school facilities assistance program. Under the program, the Ohio 42792
~~school~~ facilities construction commission may set aside from the 42793
moneys annually appropriated to it for classroom facilities 42794
assistance projects up to twenty-five per cent for assistance to 42795
school districts with exceptional needs for immediate classroom 42796
facilities assistance. 42797

(2)(a) After consulting with education and construction 42798
experts, the commission shall adopt guidelines for identifying 42799
school districts with an exceptional need for immediate classroom 42800
facilities assistance. 42801

(b) The guidelines shall include application forms and 42802
instructions for school districts to use in applying for 42803
assistance under this section. 42804

(3) The commission shall evaluate the classroom facilities, 42805
and the need for replacement classroom facilities from the 42806
applications received under this section. The commission, 42807
utilizing the guidelines adopted under division (B)(2)(a) of this 42808
section, shall prioritize the school districts to be assessed. 42809

Notwithstanding section 3318.02 of the Revised Code, the 42810
commission may conduct on-site evaluation of the school districts 42811
prioritized under this section and approve and award funds until 42812
such time as all funds set aside under division (B)(1) of this 42813
section have been encumbered. However, the commission need not 42814
conduct the evaluation of facilities if the commission determines 42815
that a district's assessment conducted under section 3318.36 of 42816
the Revised Code is sufficient for purposes of this section. 42817

(4) Notwithstanding division (A) of section 3318.05 of the 42818

Revised Code, the school district's portion of the basic project 42819
cost under this section shall be the "required percentage of the 42820
basic project costs," as defined in division (K) of section 42821
3318.01 of the Revised Code. 42822

(5) Except as otherwise specified in this section, any 42823
project undertaken with assistance under this section shall comply 42824
with all provisions of sections 3318.01 to 3318.20 of the Revised 42825
Code. A school district may receive assistance under sections 42826
3318.01 to 3318.20 of the Revised Code for the remainder of the 42827
district's classroom facilities needs as assessed under this 42828
section when the district is eligible for such assistance pursuant 42829
to section 3318.02 of the Revised Code, but any classroom facility 42830
constructed with assistance under this section shall not be 42831
included in a district's project at that time unless the 42832
commission determines the district has experienced the increased 42833
enrollment specified in division (B)(1) of section 3318.04 of the 42834
Revised Code. 42835

(C) No school district shall receive assistance under this 42836
section for a classroom facility that has been included in the 42837
discrete part of the district's classroom facilities needs 42838
identified and addressed in the district's project pursuant to an 42839
agreement entered into under section 3318.36 of the Revised Code, 42840
unless the district's entire classroom facilities plan consists of 42841
only a single building designed to house grades kindergarten 42842
through twelve. 42843

(D)(1) When undertaking a project under this section, a 42844
school district may elect to prorate its full maintenance amount 42845
by setting aside for maintenance the amount calculated under 42846
division (D)(2) of this section to maintain the classroom 42847
facilities acquired under the project, if the district will use 42848
one or more of the alternative methods authorized in sections 42849
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 42850

the entire amount calculated under that division. If the district
so elects, the commission and the district shall include in the
agreement entered into under section 3318.08 of the Revised Code a
statement specifying that the district will use the amount
calculated under that division only to maintain the classroom
facilities acquired under the project under this section.

(2) The commission shall calculate the amount for a school
district to maintain the classroom facilities acquired under a
project under this section as follows:

The full maintenance amount X (the school district's portion
of the basic project cost under this section / the school
district's portion of the basic project cost for the district's
entire classroom facilities needs, as determined jointly by the
staff of the commission and the district)

(3) A school district may elect to prorate its full
maintenance amount for any number of projects under this section,
provided the district will use one or more of the alternative
methods authorized in sections 3318.051, 3318.052, and 3318.084 of
the Revised Code to generate the entire amount calculated under
division (D)(2) of this section to maintain the classroom
facilities acquired under each project for which it so elects. If
the district cannot use one or more of those alternative methods
to generate the entire amount calculated under that division, the
district shall levy the tax described in division (B) of section
3318.05 of the Revised Code or an extension of that tax under
section 3318.061 of the Revised Code in an amount necessary to
generate the remainder of its full maintenance amount. The
commission shall calculate the remainder of the district's full
maintenance amount as follows:

The full maintenance amount - the sum of the amounts
calculated for the district under division (D)(2) of this section
for each of the district's prior projects under this section

(4) In no case shall the sum of the amounts calculated for a school district's maintenance of classroom facilities under divisions (D)(2) and (3) of this section exceed the amount that would have been required for maintenance if the district had elected to meet its entire classroom facilities needs with a project under sections 3318.01 to 3318.20 of the Revised Code and had not undertaken one or more projects under this section.

(5) If a school district commenced a project under this section prior to ~~the effective date of this amendment~~ September 10, 2012, but has not completed that project, and has not levied the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code, the district may request approval from the commission to prorate its full maintenance amount in accordance with divisions (D)(1) to (4) of this section. If the commission approves the request, the commission and the district shall amend the agreement entered into under section 3318.08 of the Revised Code to reflect the change.

Sec. 3318.371. The Ohio ~~school~~ facilities construction commission may provide assistance under the exceptional needs school facilities program established by section 3318.37 of the Revised Code to any school district for the purpose of the relocation or replacement of classroom facilities required as a result of any contamination of air, soil, or water that impacts the occupants of the facility.

The commission shall make a determination in accordance with guidelines adopted by the commission regarding eligibility and funding for projects under this section. The commission may contract with an independent environmental consultant to conduct a study to assist the commission in making the determination.

If the federal government or other public or private entity

provides funds for restitution of costs incurred by the state or 42914
school district in the relocation or replacement of the classroom 42915
facilities, the school district shall use such funds in excess of 42916
the school district's share to refund the state for the state's 42917
contribution to the environmental contamination portion of the 42918
project. The school district may apply an amount of such 42919
restitution funds up to an amount equal to the school district's 42920
portion of the project, as defined by the commission, toward 42921
paying its portion of that project to reduce the amount of bonds 42922
the school district otherwise must issue to receive state 42923
assistance under sections 3318.01 to 3318.20 of the Revised Code. 42924

Sec. 3318.38. (A) As used in this section, "big-eight school 42925
district" has the same meaning as in section 3314.02 of the 42926
Revised Code. 42927

(B) There is hereby established the accelerated urban school 42928
building assistance program. Under the program, notwithstanding 42929
section 3318.02 of the Revised Code, any big-eight school district 42930
that has not been approved to receive assistance under sections 42931
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may 42932
beginning on that date apply for approval of and be approved for 42933
such assistance. Except as otherwise provided in this section, any 42934
project approved and undertaken pursuant to this section shall 42935
comply with all provisions of sections 3318.01 to 3318.20 of the 42936
Revised Code. 42937

The Ohio ~~school~~ facilities construction commission shall 42938
provide assistance to any big-eight school district eligible for 42939
assistance under this section in the following manner: 42940

(1) Notwithstanding section 3318.02 of the Revised Code: 42941

(a) Not later than June 30, 2002, the commission shall 42942
conduct an on-site visit and shall assess the classroom facilities 42943
needs of each big-eight school district eligible for assistance 42944

under this section; 42945

(b) Beginning July 1, 2002, any big-eight school district 42946
eligible for assistance under this section may apply to the 42947
commission for conditional approval of its project as determined 42948
by the assessment conducted under division (B)(1)(a) of this 42949
section. The commission may conditionally approve that project and 42950
submit it to the controlling board for approval pursuant to 42951
section 3318.04 of the Revised Code. 42952

(2) If the controlling board approves the project of a 42953
big-eight school district eligible for assistance under this 42954
section, the commission and the school district shall enter into 42955
an agreement as prescribed in section 3318.08 of the Revised Code. 42956
Any agreement executed pursuant to this division shall include any 42957
applicable segmentation provisions as approved by the commission 42958
under division (B)(3) of this section. 42959

(3) Notwithstanding any provision to the contrary in sections 42960
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 42961
school district eligible for assistance under this section may 42962
with the approval of the commission opt to divide the project as 42963
approved under division (B)(1)(b) of this section into discrete 42964
segments to be completed sequentially. Any project divided into 42965
segments shall comply with all other provisions of sections 42966
3318.05, 3318.06, and 3318.08 of the Revised Code except as 42967
otherwise specified in this division. 42968

If a project is divided into segments under this division: 42969

(a) The school district need raise only the amount equal to 42970
its proportionate share, as determined under section 3318.032 of 42971
the Revised Code, of each segment at any one time and may seek 42972
voter approval of each segment separately; 42973

(b) The state's proportionate share, as determined under 42974
section 3318.032 of the Revised Code, of only the segment which 42975

has been approved by the school district electors or for which the district has applied a local donated contribution under section 3318.084 of the Revised Code shall be encumbered in accordance with section 3318.11 of the Revised Code. Encumbrance of additional amounts to cover the state's proportionate share of later segments shall be approved separately as they are approved by the school district electors or as the district applies a local donated contribution to the segments under section 3318.084 of the Revised Code.

(c) The school district's maintenance levy requirement, as defined in section 3318.18 of the Revised Code, shall run for twenty-three years from the date the first segment is undertaken.

(C) In accordance with division (R) of section 3318.08 of the Revised Code, the state funds reserved and encumbered and the funds provided by the school district to pay the basic project cost of any segment of the project under this section, or of the entire project if it is not divided into segments, shall be spent on the construction and acquisition of the project simultaneously in proportion to the state's and the school district's respective shares of that basic project cost as determined under section 3318.032 of the Revised Code.

Sec. 3318.39. (A) The 1:1 school facilities option program is hereby established. Under the program, the Ohio facilities construction commission shall provide state funds to assist eligible school districts in constructing, acquiring, reconstructing, or making additions or repairs to any feature of a classroom facility that meets the design standards of the commission in lieu of that district participating in the classroom facilities assistance program under sections 3318.01 to 3318.20 of the Revised Code, in the case of a city, exempted village, or local school district, or sections 3318.40 to 3318.45 of the

Revised Code, in the case of a joint vocational school district. 43007

For purposes of this program, an eligible school district is 43008
either of the following: 43009

(1) A city, exempted village, or local school district that 43010
has not entered into an agreement for any program under this 43011
chapter, except for emergency assistance under section 3318.351 of 43012
the Revised Code, prior to the effective date of this section. A 43013
district that received partial assistance prior to May 20, 1997, 43014
and can qualify for assistance under division (B)(2) of section 43015
3318.04 of the Revised Code shall not be eligible for assistance 43016
under this section. 43017

(2) A joint vocational school district that has not entered 43018
into an agreement for any program under this chapter prior to the 43019
effective date of this section. 43020

An eligible school district may avail itself of the option 43021
provided under this section only at the time it becomes eligible 43022
for assistance under the classroom facilities assistance program 43023
in accordance with the annual percentile ranking of districts 43024
under section 3318.011 or 3318.42 of the Revised Code. 43025

(B)(1) The commission, at the request of a school district 43026
that meets the criteria set forth in division (A) of this section, 43027
shall assess the current conditions of the classroom facilities of 43028
that school district. Based on the results of the assessment, the 43029
commission shall determine the scope of the entire project, the 43030
basic project cost of the school district's classroom facilities 43031
needs, and the state's portion of the total project if the school 43032
district were to receive assistance under sections 3318.01 to 43033
3318.20 of the Revised Code, in the case of a city, exempted 43034
village, or local school district, or sections 3318.40 to 3318.45 43035
of the Revised Code, in the case of a joint vocational school 43036
district. 43037

(2) A district that opts to receive assistance under this section shall be eligible to receive state funds in the amount of up to the greater of one million dollars or ten per cent of the state's share of the total project cost determined under division (B)(1) of this section. However, a district may choose to receive less than the maximum amount of state funds for which it is eligible under this division. 43038
43039
43040
43041
43042
43043
43044

(3) A district that opts to receive assistance under this section shall match the amount of state funds it receives on a one-to-one basis. A district may generate the school district funds for its match using any lawful manner. 43045
43046
43047
43048

(C) The commission shall adopt guidelines and procedures for the administration of the program. The guidelines shall include the following: 43049
43050
43051

(1) A requirement that, in order to participate in the program, the district's board of education must approve participation by an affirmative vote of not less than four-fifths of the board's full membership; 43052
43053
43054
43055

(2) The application process for districts; 43056

(3) A requirement that, in order to participate in the program, the district shall provide a share that is at least equal to the amount of the state assistance provided under this section. 43057
43058
43059

(D) If a district participates in the program established under this section, that district shall not have another project under sections 3318.01 to 3318.20 of the Revised Code, in the case of a city, exempted village, or local school district, or sections 3318.40 to 3318.45 of the Revised Code, in the case of a joint vocational school district, conditionally approved until the expiration of twenty years after the date the district enters into an agreement with the commission for assistance under this section. 43060

Sec. 3318.40. (A)(1) Sections 3318.40 to 3318.45 of the Revised Code apply only to joint vocational school districts.

(2) As used in sections 3318.40 to 3318.45 of the Revised Code:

(a) "Ohio ~~school~~ facilities construction commission," "classroom facilities," "project," and "basic project cost" have the same meanings as in section 3318.01 of the Revised Code.

(b) "Acquisition of classroom facilities" means constructing, reconstructing, repairing, or making additions to classroom facilities.

(B) There is hereby established the vocational school facilities assistance program. Under the program, the Ohio ~~school~~ facilities construction commission shall provide assistance to joint vocational school districts for the acquisition of classroom facilities suitable to the vocational education programs of the districts in accordance with sections 3318.40 to 3318.45 of the Revised Code. For purposes of the program, beginning July 1, 2003, the commission annually may set aside up to two per cent of the aggregate amount appropriated to it for classroom facilities assistance projects in the public school building fund, established under section 3318.15 of the Revised Code, and the school building program assistance fund, established under section 3318.25 of the Revised Code.

(C) The commission shall not provide assistance for any distinct part of a project under sections 3318.40 to 3318.45 of the Revised Code that when completed will be used exclusively for an adult education program or exclusively for operation of a driver training school for instruction leading to the issuance of a commercial driver's license under Chapter 4506. of the Revised Code, except for life safety items and basic building components necessary for complete and continuous construction or renovation

of a classroom facility as determined by the commission. 43100

(D) The commission shall not provide assistance under 43101
sections 3318.40 to 3318.45 of the Revised Code to acquire 43102
classroom facilities for vocational educational instruction at a 43103
location under the control of a school district that is a member 43104
of a joint vocational school district. Any assistance to acquire 43105
classroom facilities for vocational educational instruction at 43106
such location shall be provided to the school district that is a 43107
member of the joint vocational school district through other 43108
provisions of this chapter when that member school district is 43109
eligible for assistance under those provisions. 43110

(E) By September 1, 2003, the commission shall assess the 43111
classroom facilities needs of at least five joint vocational 43112
school districts, according to the order of priority prescribed in 43113
division (B) of section 3318.42 of the Revised Code, and based on 43114
the results of those assessments shall determine the extent to 43115
which amendments to the specifications adopted under section 43116
3318.311 of the Revised Code are warranted. The commission, 43117
thereafter, may amend the specifications as provided in that 43118
section. 43119

(F) After the commission has conducted the assessments 43120
prescribed in division (E) of this section, the commission shall 43121
establish, by rule adopted in accordance with section 111.15 of 43122
the Revised Code, guidelines for the commission to use in deciding 43123
whether to waive compliance with the design specifications adopted 43124
under section 3318.311 of the Revised Code when determining the 43125
number of facilities and the basic project cost of projects as 43126
prescribed in division (A)(1)(a) of section 3318.41 of the Revised 43127
Code. The guidelines shall address the following situations: 43128

(1) Under what circumstances, if any, particular classroom 43129
facilities are adequate to meet the needs of the school district 43130
even though the facilities do not comply with the specifications 43131

adopted under section 3318.311 of the Revised Code; 43132

(2) Under what circumstances, if any, particular classroom 43133
facilities will be renovated or repaired rather than replaced by 43134
construction of new facilities. 43135

Sec. 3318.41. (A)(1) The Ohio ~~school~~ facilities construction 43136
commission annually shall assess the classroom facilities needs of 43137
the number of joint vocational school districts that the 43138
commission reasonably expects to be able to provide assistance to 43139
in a fiscal year, based on the amount set aside for that fiscal 43140
year under division (B) of section 3318.40 of the Revised Code and 43141
the order of priority prescribed in division (B) of section 43142
3318.42 of the Revised Code, except that in fiscal year 2004 the 43143
commission shall conduct at least the five assessments prescribed 43144
in division (E) of section 3318.40 of the Revised Code. 43145

Upon conducting an assessment of the classroom facilities 43146
needs of a school district, the commission shall make a 43147
determination of all of the following: 43148

(a) The number of classroom facilities to be included in a 43149
project and the basic project cost of acquiring the classroom 43150
facilities included in the project. The number of facilities and 43151
basic project cost shall be determined in accordance with the 43152
specifications adopted under section 3318.311 of the Revised Code 43153
except to the extent that compliance with such specifications is 43154
waived by the commission pursuant to the rule of the commission 43155
adopted under division (F) of section 3318.40 of the Revised Code. 43156

(b) The school district's portion of the basic project cost 43157
as determined under division (C) of section 3318.42 of the Revised 43158
Code; 43159

(c) The remaining portion of the basic project cost that 43160
shall be supplied by the state; 43161

(d) The amount of the state's portion of the basic project cost to be encumbered in accordance with section 3318.11 of the Revised Code in the current and subsequent fiscal years from funds set aside under division (B) of section 3318.40 of the Revised Code. 43162
43163
43164
43165
43166

(2) Divisions (A), (C), and (D) of section 3318.03 of the Revised Code apply to any project under sections 3318.40 to 3318.45 of the Revised Code. 43167
43168
43169

(B)(1) If the commission makes a determination under division (A) of this section in favor of the acquisition of classroom facilities for a project under sections 3318.40 to 3318.45 of the Revised Code, such project shall be conditionally approved. Such conditional approval shall be submitted to the controlling board for approval. The controlling board shall immediately approve or reject the commission's determination, conditional approval, the amount of the state's portion of the basic project cost, and the amount of the state's portion of the basic project cost to be encumbered in the current fiscal year. In the event of approval by the controlling board, the commission shall certify the conditional approval to the joint vocational school district board of education and shall encumber the approved funds for the current fiscal year. 43170

43176
43177
43178
43179
43180
43181
43182
43183

(2) No school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code shall have another such project conditionally approved until the expiration of twenty years after the school district's prior project was conditionally approved, unless the school district board demonstrates to the satisfaction of the commission that the school district has experienced since conditional approval of its prior project an exceptional increase in enrollment or program requirements significantly above the school district's design capacity under that prior project as determined by rule of the commission. Any 43184

43193

rule adopted by the commission to implement this division shall be 43194
tailored to address the classroom facilities needs of joint 43195
vocational school districts. 43196

(C) In addition to generating the amount of the school 43197
district's portion of the basic project cost as determined under 43198
division (C) of section 3318.42 of the Revised Code, in order for 43199
a school district to receive assistance under sections 3318.40 to 43200
3318.45 of the Revised Code, the school district board shall set 43201
aside school district moneys for the maintenance of the classroom 43202
facilities included in the school district's project in the amount 43203
and manner prescribed in section 3318.43 of the Revised Code. 43204

(D)(1) The conditional approval for a project certified under 43205
division (B)(1) of this section shall lapse and the amount 43206
reserved and encumbered for such project shall be released unless 43207
both of the following conditions are satisfied: 43208

(a) Within one hundred twenty days following the date of 43209
certification of the conditional approval to the joint vocational 43210
school district board, the school district board accepts the 43211
conditional approval and certifies to the commission the school 43212
district board's plan to generate the school district's portion of 43213
the basic project cost, as determined under division (C) of 43214
section 3318.42 of the Revised Code, and to set aside moneys for 43215
maintenance of the classroom facilities acquired under the 43216
project, as prescribed in section 3318.43 of the Revised Code. 43217

(b) Within thirteen months following the date of 43218
certification of the conditional approval to the school district 43219
board, the electors of the school district vote favorably on any 43220
ballot measures proposed by the school district board to generate 43221
the school district's portion of the basic project cost. 43222

(2) If the school district board or electors fail to satisfy 43223
the conditions prescribed in division (D)(1) of this section and 43224

the amount reserved and encumbered for the school district's 43225
project is released, the school district shall be given first 43226
priority over other joint vocational school districts for project 43227
funding under sections 3318.40 to 3318.45 of the Revised Code as 43228
such funds become available, subject to section 3318.054 of the 43229
Revised Code. 43230

(E) If the conditions prescribed in division (D)(1) of this 43231
section are satisfied, the commission and the school district 43232
board shall enter into an agreement as prescribed in section 43233
3318.08 of the Revised Code and shall proceed with the development 43234
of plans, cost estimates, designs, drawings, and specifications as 43235
prescribed in section 3318.091 of the Revised Code. 43236

(F) Costs in excess of those approved by the commission under 43237
section 3318.091 of the Revised Code shall be payable only as 43238
provided in sections 3318.042 and 3318.083 of the Revised Code. 43239

(G) Advertisement for bids and the award of contracts for 43240
construction of any project under sections 3318.40 to 3318.45 of 43241
the Revised Code shall be conducted in accordance with section 43242
3318.10 of the Revised Code. 43243

(H) In accordance with division (R) of section 3318.08 of the 43244

cost of a project under sections 3318.40 to 3318.45 of the Revised 43247
Code shall be spent simultaneously in proportion to the state's 43248
and the school district's respective portions of that basic 43249
project cost. 43250

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 43251
Code apply to projects under sections 3318.40 to 3318.45 of the 43252
Revised Code. 43253

Sec. 3318.42. (A) Not later than the sixty-first day after 43254

March 14, 2003, and subsequently not later than the sixty-first 43255
day after the first day of each ensuing fiscal year, the 43256
department of education shall do all of the following: 43257

(1) Calculate the valuation per pupil of each joint 43258
vocational school district according to the following formula: 43259
The school district's average taxable value divided by the 43260
school district's formula ADM calculated under section 43261
3317.03 of the Revised Code for the previous fiscal year. 43262

For purposes of this calculation: 43263

(a) "Average taxable value" means the average of the amounts 43264
certified for a school district in the second, third, and fourth 43265
preceding tax years under divisions (A)(1) and (2) of section 43266
3317.021 of the Revised Code. 43267

3317.02 of the Revised Code. 43269

(2) Calculate for each school district the three-year average 43270
of the valuations per pupil calculated for the school district for 43271
the current and two preceding fiscal years; 43272

(3) Rank all joint vocational school districts in order from 43273
the school district with the lowest three-year average valuation 43274
per pupil to the school district with the highest three-year 43275
average valuation per pupil; 43276

(4) Divide the ranking under division (A)(3) of this section 43277
into percentiles with the first percentile containing the one per 43278
cent of school districts having the lowest three-year average 43279
valuations per pupil and the one-hundredth percentile containing 43280
the one per cent of school districts having the highest three-year 43281
average valuations per pupil; 43282

(5) Certify the information described in divisions (A)(1) to 43283
(4) of this section to the Ohio ~~school~~ facilities construction 43284

commission. 43285

(B) The commission annually shall select school districts for 43286
assistance under sections 3318.40 to 3318.45 of the Revised Code 43287
in the order of the school districts' three-year average 43288
valuations per pupil such that the school district with the lowest 43289
three-year average valuation per pupil shall be given the highest 43290
priority for assistance. 43291

(C) Each joint vocational school district's portion of the 43292
basic project cost of the school district's project under sections 43293
3318.40 to 3318.45 of the Revised Code shall be one per cent times 43294
the percentile in which the district ranks, except that no school 43295
district's portion shall be less than twenty-five per cent or 43296
greater than ninety-five per cent of the basic project cost. 43297

Sec. 3318.421. A project under this section shall proceed in 43298
the manner prescribed in sections 3318.40 to 3318.45 of the 43299
Revised Code except as otherwise specified by this section. 43300

In addition to any joint vocational school districts selected 43301
in accordance with section 3318.40 of the Revised Code, the Ohio 43302
facilities construction commission may select one joint vocational 43303
school district in fiscal year 2018 and one joint vocational 43304
school district in fiscal year 2019 for assistance to do one or 43305
both of the following: 43306

(A) Construct a new complete classroom facility as a 43307
replacement for one or more of the facilities currently operated 43308
by the district; 43309

(B) Renovate the district's existing facilities. 43310

The selection shall be made through a competitive process 43311
that allows any joint vocational school district in this state to 43312
apply for assistance under this section. 43313

The commission shall select for assistance under this section 43314

a district that has a compelling need for new construction and 43315
that demonstrates to the satisfaction of the commission that the 43316
project is necessary for the district to meet the workforce 43317
deficiency or demand in the local community or a local industry. 43318
The commission may consult with other state agencies, public 43319
entities, nonprofit organizations, private corporations, or the 43320
JobsOhio nonprofit corporation formed under section 187.01 of the 43321
Revised Code in making its determination. 43322

Except as provided in this section, the district's portion of 43323
the basic project cost shall be determined in accordance with 43324
division (C) of section 3318.42 of the Revised Code. If the 43325
district's portion of the basic project cost is greater than fifty 43326
per cent, the Ohio facilities construction commission shall 43327
decrease the district's portion so that it is equal to fifty per 43328
cent. At no time, however, shall the state share of the basic 43329
project cost exceed \$26,000,000. 43330

Notwithstanding anything to the contrary in section 3318.40 43331
of the Revised Code, the commission may set aside from funds 43332
appropriated to it for classroom facilities assistance projects 43333
under this chapter an amount each fiscal year adequate for this 43334
section. 43335

Sec. 3318.43. Each year for twenty-three successive years 43336
after the commencement of a joint vocational school district's 43337
project under sections 3318.40 to 3318.45 of the Revised Code, the 43338
board of education of that school district shall deposit into a 43339
separate maintenance account or into the school district's capital 43340
and maintenance fund established under section 3315.18 of the 43341
Revised Code, school district moneys dedicated to maintenance of 43342
the classroom facilities acquired under sections 3318.40 to 43343
3318.45 of the Revised Code in an amount equal to one and one-half 43344
of one per cent of the current insurance value of the classroom 43345

facilities acquired under the project, which value shall be 43346
subject to the approval of the Ohio ~~school~~ facilities construction 43347
commission. 43348

Sec. 3318.46. By rule adopted in accordance with section 43349
111.15 of the Revised Code, the Ohio ~~school~~ facilities 43350
construction commission shall establish a program whereby the 43351
board of education of any joint vocational school district may 43352
enter into an agreement with the commission under which the board 43353
may proceed with the new construction or major repairs of a part 43354
of the school district's classroom facilities needs, as determined 43355
under sections 3318.40 to 3318.45 of the Revised Code, through the 43356
expenditure of local resources prior to the school district's 43357
eligibility for state assistance under sections 3318.40 to 3318.45 43358
of the Revised Code. The program shall be structured in a manner 43359
similar to the program established under section 3318.36 of the 43360
Revised Code. The program shall be operational on July 1, 2004. 43361

Sec. 3318.48. (A) When all of the following have occurred, a 43362
project undertaken by a school district pursuant to this chapter 43363
shall be considered complete and the Ohio ~~school~~ facilities 43364
construction commission shall issue a certificate of completion to 43365
the district board of education: 43366

(1) All facilities to be constructed under the project, as 43367
specified in the project agreement entered into under section 43368
3318.08 of the Revised Code, have been completed and the board has 43369
received a permanent certificate of occupancy for each of those 43370
facilities. 43371

(2) The commission has issued certificates of contract 43372
completion on all prime construction contracts entered into by the 43373
board under section 3318.10 of the Revised Code. 43374

(3) The commission has completed a final accounting of the 43375

district's project construction fund and has determined that all 43376
payments from the fund were made in compliance with all policies 43377
of the commission. 43378

(4) Any litigation concerning the project has been finally 43379
resolved with no chance of appeal. 43380

(5) All construction management services typically provided 43381
by the commission to school districts have been delivered and the 43382
commission has canceled any remaining encumbrance of funds for 43383
those services. 43384

(B) The commission may issue a certificate of completion to a 43385
district board prior to all of the conditions described in 43386
division (A) of this section being satisfied, if the commission 43387
determines that the circumstances preventing the conditions from 43388
being satisfied are so minor in nature that the project should be 43389
considered complete. When issuing a certificate of completion 43390
under this division, the commission may specify any of the 43391
following: 43392

(1) Any construction or work that has yet to be completed and 43393
the manner in which the board shall oversee its completion, which 43394
may include procedures for reporting progress to the commission 43395
and for accounting of expenditures; 43396

(2) Terms and conditions for the resolution of any pending 43397
litigation; 43398

(3) Any remaining responsibilities of the construction 43399
manager regarding the project. 43400

(C) The commission may issue a certificate of completion to a 43401
district board that does not voluntarily participate in the 43402
process of closing out the district's project, if the construction 43403
manager for the project verifies that all facilities to be 43404
constructed under the project, as specified in the project 43405
agreement entered into under section 3318.08 of the Revised Code, 43406

have been completed and the commission determines that those 43407
facilities have been occupied for at least one year. In that case, 43408
all funds due to the commission under division (C) of section 43409
3318.12 of the Revised Code shall be returned to the commission 43410
not later than thirty days after receipt of the certificate of 43411
completion. If the funds due to the commission have not been 43412
returned within sixty days after receipt of the certificate of 43413
completion, the auditor of state shall issue a finding for 43414
recovery against the school district and shall request legal 43415
action under section 117.42 of the Revised Code. 43416

(D) Upon issuance of a certificate of completion under this 43417
section, the commission's ownership of and interest in the 43418
project, as specified in division (F) of section 3318.08 of the 43419
Revised Code, shall cease. This cessation shall not alter or 43420
otherwise affect the state's or commission's interest in the 43421
project or any limitations on the use of the project as specified 43422
in the project agreement pursuant to divisions (G), (M), and (N) 43423
of that section or as specified in section 3318.16 of the Revised 43424
Code. 43425

Sec. 3318.49. (A) The corrective action program is hereby 43426
established to provide funding for the correction of work, in 43427
connection with a project funded under sections 3318.01 to 3318.20 43428
or sections 3318.40 to 3318.45 of the Revised Code, that is found 43429
after occupancy of the facility to be defective or to have been 43430
omitted. 43431

(B) The Ohio ~~school~~ facilities construction commission may 43432
provide funding under this section only if the school district 43433
notifies the executive director of the commission of the defective 43434
or omitted work within five years after occupancy of the facility 43435
for which the district seeks the funding. 43436

(C) The commission shall establish procedures and deadlines 43437

for school districts to follow in applying for assistance under 43438
this section. The procedures shall include definitions of 43439
"defective" and "omitted," and shall require that remediation 43440
efforts focus first on engaging the respective contractors that 43441
designed and constructed the areas that have design or 43442
construction-related issues. The commission shall consider 43443
applications on a case-by-case basis, taking into account the 43444
amount of money appropriated and available for purposes of this 43445
section. 43446

(D) The commission may provide funding assistance necessary 43447
to take corrective measures after evaluating the defective or 43448
omitted work. 43449

(1) If the work to be corrected or remediated is part of a 43450
project not yet completed, the commission may amend the project 43451
agreement to increase the project budget and use corrective action 43452
funding to provide the state portion of the amendment. If the work 43453
to be corrected or remediated is part of a completed project and 43454
funds were retained or transferred pursuant to division (C) of 43455
section 3318.12 of the Revised Code, the commission may enter into 43456
a new agreement to address the corrective action. 43457

(2) Whether or not the project is completed, the district 43458
shall contribute a portion of the cost of the corrective action, 43459
to be determined in accordance with section 3318.032 of the 43460
Revised Code or, if the district is a joint vocational school 43461
district, section 3318.42 of the Revised Code. A district that is 43462
unable to provide its portion so that remediation can proceed may 43463
apply to the commission for additional assistance under section 43464
3318.042 of the Revised Code. 43465

(E) The commission shall assess responsibility for the 43466
defective or omitted work and seek cost recovery from responsible 43467
parties, if applicable. Any recovery of the expense of remediation 43468
shall be applied first to the district portion of the cost of the 43469

corrective action. Any remaining funds shall be applied to the 43470
state portion and deposited into the school building program 43471
assistance fund established under section 3318.25 of the Revised 43472
Code. 43473

Sec. 3318.50. (A) As used in this section and in section 43474
3318.52 of the Revised Code, "classroom facilities" means 43475
buildings, land, grounds, equipment, and furnishings used by a 43476
community school in furtherance of its mission and contract 43477
entered into by the school's governing authority under Chapter 43478
3314. of the Revised Code. 43479

(B) There is hereby established the community school 43480
classroom facilities loan guarantee program. Under the program, 43481

for up to fifteen years up to eighty-five per cent of the sum of 43483
the principal and interest on a loan made to the governing 43484
authority of a community school established under Chapter 3314. of 43485
the Revised Code for the sole purpose of assisting the governing 43486
authority in acquiring, improving, or replacing classroom 43487
facilities for the community school by lease, purchase, remodeling 43488
of existing facilities, or any other means including new 43489
construction. 43490

The commission shall not make any loan guarantee under this 43491
section unless the commission has determined both that the 43492
applicant is creditworthy and that the classroom facilities that 43493
have been acquired, improved, or replaced under the loan meet 43494
applicable health and safety standards established by law for 43495
school buildings or those facilities that will be acquired, 43496
improved, or replaced under the loan will meet such standards. 43497

The commission shall not guarantee any loan under this 43498
section unless the loan is obtained from a financial institution 43499
regulated by the United States or this state. 43500

(C) At no time shall the commission exceed an aggregate 43501
liability of ten million dollars to repay loans guaranteed under 43502
this section. 43503

(D) Any payment made to a lending institution as a result of 43504
default on a loan guaranteed under this section shall be made from 43505
moneys in the community school classroom facilities loan guarantee 43506
fund established under section 3318.52 of the Revised Code. 43507

(E) The commission may assess a fee of up to five hundred 43508
dollars for each loan guaranteed under this section. 43509

(F) Not later than ninety days after September 5, 2001, the 43510
commission shall adopt rules that prescribe loan standards and 43511
procedures consistent with this section that are designed to 43512
protect the state's interest in any loan guaranteed by this 43513
section and to ensure that the state has a reasonable chance of 43514
recovering any payments made by the state in the event of a 43515
default on any such loan. 43516

Sec. 3318.60. (A) As used in this section and section 3318.61 43517
of the Revised Code: 43518

(1) "Acquisition of classroom facilities" means constructing, 43519
reconstructing, repairing, or making additions to classroom 43520
facilities. 43521

(2) "Ohio ~~school~~ facilities construction commission" and 43522

boarding school facilities program. Under the program, the Ohio 43526
~~school~~ facilities construction commission shall provide assistance 43527
to the boards of trustees of college-preparatory boarding schools 43528
established under Chapter 3328. of the Revised Code for the 43529
acquisition of classroom facilities. 43530

(C) The program shall comply with sections 3318.01 to 3318.20 43531
of the Revised Code, except as follows: 43532

(1) The commission, in consultation with the board of 43533
trustees of a college-preparatory boarding school, shall determine 43534
the basic project cost based on all campus facilities needed for 43535
the school's programs and operations and shall take into account 43536
any unique spaces or square footages needed for such facilities 43537
when calculating the basic project cost. Regardless of the 43538
inclusion of nonclassroom facilities in the calculation of the 43539
basic project cost, state funds provided under the program shall 43540
be used only to pay for the acquisition of classroom facilities 43541
that do not exceed the construction and design standards 43542
established by the commission. 43543

(2) To be eligible for assistance under the program, the 43544
board of trustees of a college-preparatory boarding school shall 43545
secure at least twenty million dollars of private money to satisfy 43546
its share of the basic project cost. Funds provided by the board 43547
may be used for any type of facility. 43548

(3) A college-preparatory boarding school shall not be 43549
included in the ranking required by section 3318.011 of the 43550
Revised Code. The commission shall initiate procedures for the 43551
school's project when the contract required by section 3328.12 of 43552
the Revised Code has been executed. 43553

(4) No requirement related to the issuance of bonds or 43554
securities or the levying of taxes by a school district shall 43555
apply to a college-preparatory boarding school or its board of 43556
trustees. 43557

(5) The agreement entered into by the commission with the 43558
board of trustees of a college-preparatory boarding school under 43559
section 3318.08 of the Revised Code shall provide for termination 43560
of the contract and release of the funds encumbered at the time of 43561

the project's conditional approval, if the board fails to secure 43562
the amount specified in division (C)(2) of this section within 43563
such period after the execution of the agreement as may be fixed 43564
by the commission. 43565

(D) Within the ninety-day period immediately following ~~the~~ 43566
~~effective date of this section~~ September 29, 2011, the commission 43567
shall adopt rules necessary for the implementation and 43568
administration of the program. 43569

Sec. 3318.61. (A) In lieu of participating in the 43570
college-preparatory boarding school facilities program under 43571
section 3318.60 of the Revised Code, if the board of trustees of a 43572
college-preparatory boarding school established under Chapter 43573
3328. of the Revised Code has leased, purchased, or otherwise 43574
acquired a site for the school, the board of trustees may request 43575
approval from the Ohio ~~school~~ facilities construction commission 43576
for the board of trustees and the commission to enter into an 43577
agreement with a person or entity for the development of the site, 43578
under which agreement all of the following shall occur: 43579

(1) The board of trustees will lease the site and any 43580

purpose of enabling the person or entity to provide the campus 43582
facilities needed for the school's programs and operations by 43583
constructing new facilities on the site; reconstructing, 43584
repairing, or making additions to the existing facilities on the 43585
site; or both. 43586

(2) The person or entity will lease the site and any new or 43587
existing facilities located on that site back to the board of 43588
trustees for use by the school. 43589

(3) The commission will pay the board of trustees state funds 43590
for the cost of acquisition of classroom facilities on the site 43591
and the board of trustees will use those funds to make rent 43592

payments on the lease provided by the person or entity. As agreed 43593
to by the commission and the board of trustees, the commission may 43594
pay the state funds to the board of trustees in periodic 43595
installments or as one lump sum in an amount equal to the 43596
outstanding balance on the lease for classroom facilities. 43597

(B) The commission shall approve the request of the board of 43598
trustees under division (A) of this section only if the following 43599
conditions are satisfied: 43600

(1) The person or entity that would be party to the agreement 43601
submits to the board of trustees and the commission a plan for 43602
developing the site that includes the following: 43603

of trustees to provide the educational program described in 43610
section 3328.22 of the Revised Code; 43611

(d) Provision for securing property and liability insurance 43612
for the facilities; 43613

(e) A description of how the development of the site will be 43614
financed by the person or entity; 43615

(f) The length of the lease that the person or entity will 43616
offer the board of trustees, which shall not exceed forty years, 43617
and the monthly rent that will be owed to the person or entity for 43618
that lease. 43619

(2) The commission determines that the plan submitted under 43620
division (B)(1) of this section is satisfactory and will meet the 43621
needs of the students enrolled in the school and that the 43622

classroom facilities described in the plan do not exceed the 43623
construction and design standards established by the commission. 43624

(3) The person or entity that would be party to the agreement 43625
has demonstrated financial responsibility to the satisfaction of 43626
the commission. 43627

(4) The commission, in consultation with the board of 43628
trustees, determines that it is in the best interest of the school 43629
for the board of trustees and the commission to enter into the 43630
agreement. 43631

(C) Upon approval of the commission, the board of trustees 43632
and the commission may enter into an agreement with the person or 43633

(2) A stipulation that failure of the person or entity 43639
developing the site to comply with the schedule shall be grounds 43640
for termination of the agreement; 43641

(3) A provision specifying which party to the agreement owns 43642
the facilities located on the site if the school closes prior to 43643
the expiration of the agreement and a provision indicating the 43644
period of time after the school's closure, if any, during which 43645
rent payments will continue to be paid to the person or entity 43646
developing the site. 43647

Sec. 3318.62. Any agreement between the Ohio ~~school~~ 43648
facilities construction commission and the board of trustees of a 43649
college-preparatory boarding school to provide facilities 43650
assistance under section 3318.60 or 3318.61 of the Revised Code 43651
shall include the following stipulations: 43652

(A) If the school ceases its operations, the school's board of trustees may permit the classroom facilities to be used for only an alternative public purpose, including, but not limited to, primary, secondary, vocational, or higher education services.

(B) If the school ceases its operations due to either the failure of the school's operator to comply with any of the requirements of the contract prescribed under section 3328.12 of the Revised Code or the default by the school's board of trustees on an underlying leasehold or mortgage agreement, the school's board of trustees shall return to the commission the unamortized portion of the state funds provided to the board of trustees under this chapter, based on a straight-line depreciation over the first eighteen years of occupancy. However, if, within twenty-four months after the school's cessation from operation, the classroom facilities of a college-preparatory boarding school are used for an alternative public purpose as prescribed by division (A) of this section, no return of funds by the board of trustees under this division shall be required.

Sec. 3318.70. (A) As used in this section:

(1) "Acquisition of classroom facilities" has the same meaning as in section 3318.40 of the Revised Code.

(2) "Classroom facilities" has the same meaning as in section 3318.01 of the Revised Code.

(3) "STEM school" means a science, technology, engineering, and mathematics school established under Chapter 3326. of the Revised Code that is not governed by a single school district board of education, as prescribed by section 3326.51 of the Revised Code.

(B) The Ohio ~~school~~ facilities construction commission shall establish guidelines for assisting STEM schools in the acquisition

of classroom facilities. 43683

(C) Upon receipt of a written proposal by the governing body 43684
of a STEM school, the commission, subject to approval of the 43685
controlling board, shall provide funding to assist that STEM 43686
school in the acquisition of classroom facilities. The proposal of 43687
the governing body shall be submitted in a form and in the manner 43688
prescribed by the commission. The proposal shall indicate both the 43689
total amount of funding requested from the commission and the 43690
amount of other funding pledged for the acquisition of the 43691
classroom facilities, the latter of which shall not be less than 43692
the total amount of funding requested from the commission. Once 43693
the commission determines a proposal meets its established 43694
guidelines and if the controlling board approves that funding, the 43695
commission shall enter into an agreement with the governing body 43696
for the acquisition of the classroom facilities and shall 43697
encumber, in accordance with section 3318.11 of the Revised Code, 43698
the approved funding from the amounts appropriated to the 43699
commission for classroom facilities assistance projects. The 43700
agreement shall include a stipulation of the ownership of the 43701
classroom facilities in the event the STEM school permanently 43702
closes at any time. 43703

(D) In the case of the governing body of a group of STEM 43704
schools, as prescribed by section 3326.031 of the Revised Code, 43705
the governing body shall submit a proposal for each school under 43706
its direction separately, and the commission shall consider each 43707
proposal separately. 43708

Sec. 3318.71. (A) As used in this section: 43709

(1) "Acquisition of classroom facilities" has the same 43710
meaning as in section 3318.40 of the Revised Code. 43711

(2) "Classroom facilities" has the same meaning as in section 43712
3318.01 of the Revised Code. 43713

(3) "Qualifying partnership" means a group of city, exempted village, or local school districts that are part of a career-technical education compact and have entered into an agreement for joint or cooperative establishment and operation of a science, technology, engineering, and mathematics education program under section 3313.842 of the Revised Code. The aggregate territory of the school districts composing a qualifying partnership shall be located in two adjacent counties, each having a population greater than forty thousand, but less than fifty thousand, and at least one of which borders another state.

(B) The Ohio ~~school~~ facilities construction commission shall establish guidelines for assisting a qualifying partnership in the acquisition of classroom facilities to be used for a joint science, technology, engineering, and mathematics education program.

(C) Upon receipt of a written proposal from a qualifying partnership, the commission, subject to approval of the controlling board, shall provide funding to assist that qualifying partnership in the acquisition of classroom facilities described in division (B) of this section. The proposal of the qualifying partnership shall be submitted in a form and in the manner prescribed by the commission. The proposal shall indicate both the total amount of funding requested from the commission and the amount of other funding pledged for the acquisition of the classroom facilities, the latter of which shall not be less than the total amount of funding requested from the commission. Once the commission determines a proposal meets its established guidelines, and if the controlling board approves that funding, the commission shall enter into an agreement with the qualifying partnership for the acquisition of the classroom facilities and shall encumber, in accordance with section 3318.11 of the Revised Code, the approved funding from the amounts appropriated to the

commission for classroom facilities assistance projects. The 43746
agreement shall include a stipulation of the ownership of the 43747
classroom facilities in the event the qualifying partnership 43748
ceases to exist. 43749

(D) A qualifying partnership may levy taxes and issue bonds 43750
under section 5705.2112 or 5705.2113 of the Revised Code to use 43751
for all or part of the funding pledged for the acquisition of 43752
classroom facilities under division (C) of this section. If a 43753
qualifying partnership chooses to levy taxes or issue bonds for 43754
this purpose, it shall select one of the districts that is a 43755
member of the qualifying partnership to be the fiscal agent of the 43756
qualifying partnership for purposes of those sections. 43757

Sec. 3319.088. As used in this section, "educational 43758
assistant" means any nonteaching employee in a school district who 43759
directly assists a teacher as defined in section 3319.09 of the 43760
Revised Code, by performing duties for which a license issued 43761
pursuant to sections 3319.22 to 3319.30 of the Revised Code is not 43762
required. 43763

(A) The state board of education shall issue educational aide 43764
permits and educational paraprofessional licenses for educational 43765
assistants and shall adopt rules for the issuance and renewal of 43766
such permits and licenses which shall be consistent with the 43767
provisions of this section. Educational aide permits and 43768
educational paraprofessional licenses may be of several types and 43769
the rules shall prescribe the minimum qualifications of education, 43770
health, and character for the service to be authorized under each 43771
type. The prescribed minimum qualifications may require special 43772
training or educational courses designed to qualify a person to 43773
perform effectively the duties authorized under an educational 43774
aide permit or educational paraprofessional license. 43775

(B)(1) Any application for a permit or license, or a renewal 43776

or duplicate of a permit or license, under this section shall be 43777
accompanied by the payment of a fee in the amount established 43778
under division (A) of section 3319.51 of the Revised Code. Any 43779
fees received under this division shall be paid into the state 43780
treasury to the credit of the state board of education licensure 43781
fund established under division (B) of section 3319.51 of the 43782
Revised Code. 43783

(2) Any person applying for or holding a permit or license 43784
pursuant to this section is subject to sections 3123.41 to 3123.50 43785
of the Revised Code and any applicable rules adopted under section 43786
3123.63 of the Revised Code and sections 3319.31 and 3319.311 of 43787
the Revised Code. 43788

(C) Educational assistants shall at all times while in the 43789
performance of their duties be under the supervision and direction 43790
of a teacher as defined in section 3319.09 of the Revised Code. 43791
Educational assistants may assist a teacher to whom assigned in 43792
the supervision of pupils, in assisting with instructional tasks, 43793
and in the performance of duties which, in the judgment of the 43794
teacher to whom the assistant is assigned, may be performed by a 43795
person not licensed pursuant to sections 3319.22 to 3319.30 of the 43796
Revised Code and for which a teaching license, issued pursuant to 43797
sections 3319.22 to 3319.30 of the Revised Code is not required. 43798
The duties of an educational assistant shall not include the 43799
assignment of grades to pupils. The duties of an educational 43800
assistant need not be performed in the physical presence of the 43801
teacher to whom assigned, but the activity of an educational 43802
assistant shall at all times be under the direction of the teacher 43803
to whom assigned. The assignment of an educational assistant need 43804
not be limited to assisting a single teacher. In the event an 43805
educational assistant is assigned to assist more than one teacher 43806
the assignments shall be clearly delineated and so arranged that 43807
the educational assistant shall never be subject to simultaneous 43808

supervision or direction by more than one teacher. 43809

Educational assistants assigned to supervise children shall, 43810
when the teacher to whom assigned is not physically present, 43811
maintain the degree of control and discipline that would be 43812
maintained by the teacher. 43813

Educational assistants may not be used in place of classroom 43814
teachers or other employees and any payment of compensation by 43815
boards of education to educational assistants for such services is 43816
prohibited. The ratio between the number of licensed teachers and 43817
the pupils in a school district may not be decreased by 43818
utilization of educational assistants and no grouping, or other 43819
organization of pupils, for utilization of educational assistants 43820
shall be established which is inconsistent with sound educational 43821
practices and procedures. A school district may employ up to one 43822
full time equivalent educational assistant for each six full time 43823
equivalent licensed employees of the district. Educational 43824
assistants shall not be counted as licensed employees for purposes 43825
of state support in the school foundation program and no grouping 43826
or regrouping of pupils with educational assistants may be counted 43827
as a class or unit for school foundation program purposes. Neither 43828
special courses required by the regulations of the state board of 43829
education, prescribing minimum qualifications of education for an 43830
educational assistant, nor years of service as an educational 43831
assistant shall be counted in any way toward qualifying for a 43832
teacher license, for a teacher contract of any type, or for 43833
determining placement on a salary schedule in a school district as 43834
a teacher. 43835

(D) Educational assistants employed by a board of education 43836
shall have all rights, benefits, and legal protection available to 43837
other nonteaching employees in the school district, except that 43838
provisions of Chapter 124. of the Revised Code shall not apply to 43839
any person employed as an educational assistant, and shall be 43840

members of the school employees retirement system. Educational 43841
assistants shall be compensated according to a salary plan adopted 43842
annually by the board. 43843

Except as provided in this section nonteaching employees 43844
shall not serve as educational assistants without first obtaining 43845
an appropriate educational aide permit or educational 43846
paraprofessional license from the state board of education. A 43847
nonteaching employee who is the holder of a valid educational aide 43848
permit or educational paraprofessional license shall neither 43849
render nor be required to render services inconsistent with the 43850
type of services authorized by the permit or license held. No 43851
person shall receive compensation from a board of education for 43852
services rendered as an educational assistant in violation of this 43853
provision. 43854

Nonteaching employees whose functions are solely 43855
secretarial-clerical and who do not perform any other duties as 43856
educational assistants, even though they assist a teacher and work 43857
under the direction of a teacher shall not be required to hold a 43858
permit or license issued pursuant to this section. Students 43859
preparing to become licensed teachers or educational assistants 43860
shall not be required to hold an educational aide permit or 43861
paraprofessional license for such periods of time as such students 43862
are assigned, as part of their training program, to work with a 43863
teacher in a school district. Such students shall not be 43864
compensated for such services. 43865

Following the determination of the assignment and general job 43866
description of an educational assistant and subject to supervision 43867
by the teacher's immediate administrative officer, a teacher to 43868
whom an educational assistant is assigned shall make all final 43869
determinations of the duties to be assigned to such assistant. 43870
Teachers shall not be required to hold a license designated for 43871
being a supervisor or administrator in order to perform the 43872

necessary supervision of educational assistants. 43873

(E) No person who is, or who has been employed as an 43874
educational assistant shall divulge, except to the teacher to whom 43875
assigned, or the administrator of the school in the absence of the 43876
teacher to whom assigned, or when required to testify in a court 43877
or proceedings, any personal information concerning any pupil in 43878
the school district which was obtained or obtainable by the 43879
educational assistant while so employed. Violation of this 43880
provision is grounds for disciplinary action or dismissal, or 43881
both. 43882

(F) Notwithstanding anything to the contrary in this section, 43883
the superintendent of a school district may allow an employee who 43884
does not hold a permit or license issued under this section to 43885
work as a substitute for an educational assistant who is absent on 43886
account of illness or on a leave of absence, or to fill a 43887
temporary position created by an emergency, provided that the 43888
superintendent believes the employee's application materials 43889
indicate that the employee is qualified to obtain a permit or 43890
license under this section. 43891

An employee shall begin work as a substitute under this 43892
division not earlier than on the date on which the employee files 43893
an application with the state board for a permit or license under 43894
this section. An employee shall cease working as a substitute 43895
under this division on the earliest of the following: 43896

(1) The date on which the employee files a valid permit or 43897
license issued under this section with the superintendent; 43898

(2) The date on which the employee is denied a permit or 43899
license under this section; 43900

(3) Sixty days following the date on which the employee began 43901
work as a substitute under this division. 43902

The superintendent shall ensure that an employee assigned to 43903

work as a substitute under division (F) of this section has 43904
undergone a criminal records check in accordance with section 43905
3319.391 of the Revised Code. 43906

Sec. 3319.111. Notwithstanding section 3319.09 of the Revised 43907
Code, this section applies to any person who is employed under a 43908
teacher license issued under this chapter, or under a professional 43909
or permanent teacher's certificate issued under former section 43910
3319.222 of the Revised Code, and who spends at least fifty per 43911
cent of the time employed providing student instruction. However, 43912
this section does not apply to any person who is employed as a 43913
substitute teacher or as an instructor of adult education. 43914
43915

(A) Not later than July 1, 2013, the board of education of 43916
each school district, in consultation with teachers employed by 43917
the board, shall adopt a standards-based teacher evaluation policy 43918
that conforms with the framework for evaluation of teachers 43919
developed under section 3319.112 of the Revised Code. The policy 43920
shall become operative at the expiration of any collective 43921
bargaining agreement covering teachers employed by the board that 43922
is in effect on September 29, 2011, and shall be included in any 43923
renewal or extension of such an agreement. 43924

(B) When using measures of student academic growth as a 43925
component of a teacher's evaluation, those measures shall include 43926
the value-added progress dimension prescribed by section 3302.021 43927
of the Revised Code or an alternative student academic progress 43928
measure if adopted under division (C)(1)(e) of section 3302.03 of 43929
the Revised Code. For teachers of grade levels and subjects for 43930
which the value-added progress dimension or alternative student 43931
academic progress measure is not applicable, the board shall 43932
administer assessments on the list developed under division (B)(2) 43933
of section 3319.112 of the Revised Code. 43934

(C)(1) The board shall conduct an evaluation of each teacher 43935
employed by the board at least once each school year, except as 43936
provided in division (C)(2) of this section. The evaluation shall 43937
be completed by the first day of May and the teacher shall receive 43938
a written report of the results of the evaluation by the tenth day 43939
of May. 43940

(2)(a) The board may evaluate each teacher who received a 43941
rating of accomplished on the teacher's most recent evaluation 43942
conducted under this section once every three school years, so 43943
long as the teacher's student academic growth measure, for the 43944
most recent school year for which data is available, is average or 43945
higher, as determined by the department of education. 43946

(b) The board may evaluate each teacher who received a rating 43947
of skilled on the teacher's most recent evaluation conducted under 43948
this section once every two years, so long as the teacher's 43949
student academic growth measure, for the most recent school year 43950
for which data is available, is average or higher, as determined 43951
by the department of education. 43952

(c) For each teacher who is evaluated pursuant to division 43953
(C)(2) of this section, the evaluation shall be completed by the 43954
first day of May of the applicable school year, and the teacher 43955
shall receive a written report of the results of the evaluation by 43956
the tenth day of May of that school year. 43957

(d) Beginning with the 2014-2015 school year, the board may 43958
elect not to conduct an evaluation of a teacher who meets one of 43959
the following requirements: 43960

(i) The teacher was on leave from the school district for 43961
fifty per cent or more of the school year, as calculated by the 43962
board. 43963

(ii) The teacher has submitted notice of retirement and that 43964
notice has been accepted by the board not later than the first day 43965

of December of the school year in which the evaluation is 43966
otherwise scheduled to be conducted. 43967

~~(e) Beginning with the 2017-2018 school year, the board may 43968
elect not to conduct an evaluation of a teacher who is 43969
participating in the teacher residency program established under 43970
section 3319.223 of the Revised Code for the year during which 43971
that teacher takes, for the first time, at least half of the 43972
performance based assessment prescribed by the state board of 43973
education for resident educators. 43974~~

(3) In any year that a teacher is not formally evaluated 43975
pursuant to division (C) of this section as a result of receiving 43976
a rating of accomplished or skilled on the teacher's most recent 43977
evaluation, an individual qualified to evaluate a teacher under 43978
division (D) of this section shall conduct at least one 43979
observation of the teacher and hold at least one conference with 43980
the teacher. 43981

(D) Each evaluation conducted pursuant to this section shall 43982
be conducted by one or more of the following persons who hold a 43983
credential established by the department of education for being an 43984
evaluator: 43985

(1) A person who is under contract with the board pursuant to 43986
section 3319.01 or 3319.02 of the Revised Code and holds a license 43987
designated for being a superintendent, assistant superintendent, 43988
or principal issued under section 3319.22 of the Revised Code; 43989

(2) A person who is under contract with the board pursuant to 43990
section 3319.02 of the Revised Code and holds a license designated 43991
for being a vocational director, administrative specialist, or 43992
supervisor in any educational area issued under section 3319.22 of 43993
the Revised Code; 43994

(3) A person designated to conduct evaluations under an 43995
agreement entered into by the board, including an agreement 43996

providing for peer review entered into by the board and 43997
representatives of teachers employed by the board; 43998

(4) A person who is employed by an entity contracted by the 43999
board to conduct evaluations and who holds a license designated 44000
for being a superintendent, assistant superintendent, principal, 44001
vocational director, administrative specialist, or supervisor in 44002
any educational area issued under section 3319.22 of the Revised 44003
Code or is qualified to conduct evaluations. 44004

(E) Notwithstanding division (A)(3) of section 3319.112 of 44005
the Revised Code: 44006

(1) The board shall require at least three formal 44007
observations of each teacher who is under consideration for 44008
nonrenewal and with whom the board has entered into a limited 44009
contract or an extended limited contract under section 3319.11 of 44010
the Revised Code. 44011

(2) The board may elect, by adoption of a resolution, to 44012
require only one formal observation of a teacher who received a 44013
rating of accomplished on the teacher's most recent evaluation 44014
conducted under this section, provided the teacher completes a 44015
project that has been approved by the board to demonstrate the 44016
teacher's continued growth and practice at the accomplished level. 44017

(F) The board shall include in its evaluation policy 44018
procedures for using the evaluation results for retention and 44019
promotion decisions and for removal of poorly performing teachers. 44020
Seniority shall not be the basis for a decision to retain a 44021
teacher, except when making a decision between teachers who have 44022
comparable evaluations. 44023

(G) For purposes of section 3333.0411 of the Revised Code, 44024
the board annually shall report to the department of education the 44025
number of teachers for whom an evaluation was conducted under this 44026
section and the number of teachers assigned each rating prescribed 44027

under division (B)(1) of section 3319.112 of the Revised Code, 44028
aggregated by the teacher preparation programs from which and the 44029
years in which the teachers graduated. The department shall 44030
establish guidelines for reporting the information required by 44031
this division. The guidelines shall not permit or require that the 44032
name of, or any other personally identifiable information about, 44033
any teacher be reported under this division. 44034

(H) Notwithstanding any provision to the contrary in Chapter 44035
4117. of the Revised Code, the requirements of this section 44036
prevail over any conflicting provisions of a collective bargaining 44037
agreement entered into on or after September 24, 2012. 44038

Sec. 3319.22. (A)(1) The state board of education shall issue 44039

provide. 44056

(3) The state board shall adopt rules establishing the 44057

Instead, the effective date of such rules, or the amendment or rescission of such rules, shall be the date prescribed by section 3333.048 of the Revised Code.

(2) Notwithstanding the authority to adopt, amend, or rescind emergency rules in division (G) of section 119.03 of the Revised Code, this authority shall not apply to the state board of education with regard to rules for educator licenses.

In a nonpublic school, the chief administrative officer shall establish the committees in any manner acceptable to such officer. The committees established under this division shall determine whether coursework that a district or chartered nonpublic school teacher proposes to complete meets the requirement of the rules. The department of education shall provide technical assistance and support to committees as the

is appropriate for license renewal. The rules shall establish a 44153
procedure by which a teacher may appeal the decision of a local 44154
professional development committee. 44155

(2) In any school district in which there is no exclusive 44156
representative established under Chapter 4117. of the Revised 44157
Code, the professional development committees shall be established 44158
as described in division (F)(2) of this section. 44159

Not later than the effective date of the rules adopted under 44160
this section, the board of education of each school district shall 44161
establish the structure for one or more local professional 44162
development committees to be operated by such school district. The 44163
committee structure so established by a district board shall 44164

of the date upon which the current committee structure was 44166
established, the board provides notice to all affected district 44167
employees that the committee structure is to be modified. 44168
Professional development committees may have a district-level or 44169
building-level scope of operations, and may be established with 44170
regard to particular grade or age levels for which an educator 44171
license is designated. 44172

Each professional development committee shall consist of at 44173

teacher members shall be elected by majority vote of the classroom 44181

teachers of the district, and the principal member shall be 44182
elected by a majority vote of the principals of the district, 44183
unless there are two or fewer principals employed by the district, 44184
in which case the one or two principals employed shall serve on 44185
the committee. If a committee has a particular grade or age level 44186
scope, the teacher members shall be licensed to teach such grade 44187
or age levels, and shall be elected by majority vote of the 44188
classroom teachers holding such a license and the principal shall 44189

teachers serve. The district superintendent shall appoint a 44191
replacement to fill any vacancy that occurs on a professional 44192
development committee, except in the case of vacancies among the 44193
elected classroom teacher members, which shall be filled by vote 44194
of the remaining members of the committee so selected. 44195

Terms of office on professional development committees shall 44196
be prescribed by the district board establishing the committees. 44197
The conduct of elections for members of professional development 44198
committees shall be prescribed by the district board establishing 44199
the committees. A professional development committee may include 44200
additional members, except that the majority of members on each 44201
such committee shall be classroom teachers employed by the 44202
district. Any member appointed to fill a vacancy occurring prior 44203
to the expiration date of the term for which a predecessor was 44204
appointed shall hold office as a member for the remainder of that 44205
term. 44206

The initial meeting of any professional development 44207
committee, upon election and appointment of all committee members, 44208

superintendent. At this initial meeting, the committee shall 44210
select a chairperson and such other officers the committee deems 44211
necessary, and shall adopt rules for the conduct of its meetings. 44212
Thereafter, the committee shall meet at the call of the 44213

chairperson or upon the filing of a petition with the district 44214
superintendent signed by a majority of the committee members 44215
calling for the committee to meet. 44216

(3) In the case of a school district in which an exclusive 44217
representative has been established pursuant to Chapter 4117. of 44218
the Revised Code, professional development committees shall be 44219
established in accordance with any collective bargaining agreement 44220
in effect in the district that includes provisions for such 44221
committees. 44222

If the collective bargaining agreement does not specify a 44223
different method for the selection of teacher members of the 44224
committees, the exclusive representative of the district's 44225
teachers shall select the teacher members. 44226

If the collective bargaining agreement does not specify a 44227
different structure for the committees, the board of education of 44228
the school district shall establish the structure, including the 44229
number of committees and the number of teacher and administrative 44230
members on each committee; the specific administrative members to 44231
be part of each committee; whether the scope of the committees 44232
will be district levels, building levels, or by type of grade or 44233
age levels for which educator licenses are designated; the lengths 44234
of terms for members; the manner of filling vacancies on the 44235
committees; and the frequency and time and place of meetings. 44236
However, in all cases, except as provided in division (F)(4) of 44237
this section, there shall be a majority of teacher members of any 44238
professional development committee, there shall be at least five 44239
total members of any professional development committee, and the 44240
exclusive representative shall designate replacement members in 44241
the case of vacancies among teacher members, unless the collective 44242
bargaining agreement specifies a different method of selecting 44243
such replacements. 44244

(4) Whenever an administrator's coursework plan is being 44245

discussed or voted upon, the local professional development 44246
committee shall, at the request of one of its administrative 44247
members, cause a majority of the committee to consist of 44248
administrative members by reducing the number of teacher members 44249
voting on the plan. 44250

(G)(1) The department of education, educational service 44251

professional development centers, special education regional 44253
resource centers, college and university departments of education, 44254
head start programs, and the Ohio education computer network may 44255
establish local professional development committees to determine 44256
whether the coursework proposed by their employees who are 44257
licensed or certificated under this section or section 3319.222 of 44258
the Revised Code, or under the former version of either section as 44259
it existed prior to October 16, 2009, meet the requirements of the 44260

in division (G)(1) of this section shall structure their 44275
committees in accordance with guidelines which shall be issued by 44276
the state board. 44277

Revised Code, or under the former version of either section as it 44282
existed prior to October 16, 2009, may establish a local 44283

the Revised Code and the state board and the superintendent of 44698
public instruction need not provide the person with an opportunity 44699

certificate, license, or permit with the longest duration is 44723
valid. 44724

(2) If the certificates, licenses, or permits are of the same 44725
duration but do not expire in the same year, the person shall 44726
designate one of the certificates, licenses, or permits as the 44727

the department of that designation. The person shall be subject to 44729
divisions (A) to (C) of this section only when applying for 44730

has issued a license, in the retained applicant fingerprint 44748

because the person has not satisfied the requirements for 44750
enrollment, the department shall require the person to satisfy the 44751
requirements for enrollment, including requiring the person to 44752
submit, by a date prescribed by the department, one complete set 44753

Sec. 3321.19. (A) As used in this section and section 44978
3321.191 of the Revised Code, "habitual truant" has the same 44979
meaning as in section 2151.011 of the Revised Code. 44980

(B) When a board of education of any city, exempted village, 44981
local, joint vocational, or cooperative education school district 44982

determines that a student in its district has been truant and the 44984
parent, guardian, or other person having care of the child has 44985
failed to cause the student's attendance at school, the board may 44986
require the parent, guardian, or other person having care of the 44987

child pursuant to division (B) of this section to attend an 44988
educational program established pursuant to rules adopted by the 44989
state board of education for the purpose of encouraging parental 44990
involvement in compelling the attendance of the child at school. 44991

No parent, guardian, or other person having care of a child 44992
shall fail without good cause to attend an educational program 44993
described in this division if the parent, guardian, or other 44994
person has been served notice pursuant to division (C) of this 44995

of the department responsible for administering the scholarship 45107
programs and the specific location of scholarship information on 45108
the department's web site. 45109

district providing the child with special education and related 45134
services may charge to the child's district of residence the 45135
excess cost determined by formula approved by the department, 45136

(b) An undergraduate program, or a nursing diploma program 45794

(d) A comprehensive transition and postsecondary program that 45808
is certified by the United States department of education. For 45809
purposes of this section, a "comprehensive transition and 45810
postsecondary program" means a degree, certificate, or non-degree 45811
program that is designed to support persons with intellectual 45812
disabilities who are receiving academic, career, technical, and 45813
independent living instruction at an institution of higher 45814
education in order to prepare for gainful employment as defined in 45815
20 U.S.C. 1140. 45816

(C)(1) The chancellor shall establish and administer a 45817
needs-based financial aid grants program based on the United 45818
States department of education's method of determining financial 45819
need. The program shall be known as the Ohio college opportunity 45820
grant program. The general assembly shall support the needs-based 45821
financial aid program by such sums and in such manner as it may 45822
provide, but the chancellor also may receive funds from other 45823
sources to support the program. If, for any academic year, the 45824
amounts available for support of the program are inadequate to 45825
provide grants to all eligible students, the chancellor shall do 45826
one of the following: 45827

(a) Give preference in the payment of grants based upon 45828
expected family contribution, beginning with the lowest expected 45829
family contribution category and proceeding upward by category to 45830
the highest expected family contribution category; 45831

(b) Proportionately reduce the amount of each grant to be 45832
awarded for the academic year under this section; 45833

(c) Use an alternate formula for such grants that addresses 45834
the shortage of available funds and has been submitted to and 45835
approved by the controlling board. 45836

(2) The needs-based financial aid grant shall be paid to the 45837
eligible student through the institution in which the student is 45838

enrolled, except that no needs-based financial aid grant shall be 45839
paid to any person serving a term of imprisonment. Applications 45840
for the grants shall be made as prescribed by the chancellor, and 45841
such applications may be made in conjunction with and upon the 45842
basis of information provided in conjunction with student 45843
assistance programs funded by agencies of the United States 45844
government or from financial resources of the institution of 45845
higher education. The institution shall certify that the student 45846
applicant meets the requirements set forth in division (B) of this 45847
section. Needs-based financial aid grants shall be provided to an 45848
eligible student only as long as the student is making appropriate 45849
progress toward a nursing diploma ~~or~~, an associate or bachelor's 45850
degree, or completion of a comprehensive transition and 45851
postsecondary program. No student shall be eligible to receive a 45852
grant for more than ten semesters, fifteen quarters, or the 45853

student on the basis of less than full-time enrollment shall be 45855

enrolled and shall be computed in accordance with a formula 45857
adopted by rule issued by the chancellor. No student shall receive 45858
more than one grant on the basis of less than full-time 45859
enrollment. 45860

(D)(1) Except as provided in ~~division~~ divisions (D)(4) and 45861
(5) of this section, no grant awarded under this section shall 45862
exceed the total state cost of attendance. 45863

(2) Subject to divisions (D)(1), (3), ~~and~~ (4), and (5) of 45864
this section, the amount of a grant awarded to a student under 45865
this section shall equal the student's remaining state cost of 45866
attendance after the student's Pell grant and expected family 45867
contribution are applied to the instructional and general charges 45868
for the undergraduate or comprehensive transition and 45869
postsecondary program. However, for students enrolled in a state 45870

university or college as defined in section 3345.12 of the Revised Code or a university branch, the chancellor may provide that the grant amount shall equal the student's remaining instructional and general charges for the undergraduate program after the student's Pell grant and expected family contribution have been applied to those charges, but, in no case, shall the grant amount for such a student exceed any maximum that the chancellor may set by rule.

(3) For a student enrolled for a semester or quarter in addition to the portion of the academic year covered by a grant under this section, the maximum grant amount shall be a percentage of the maximum specified in any table established in rules adopted by the chancellor as provided in division (A) of this section. The maximum grant for a fourth quarter shall be one-third of the maximum amount so prescribed. The maximum grant for a third semester shall be one-half of the maximum amount so prescribed.

Chafee foster care independence program, 42 U.S.C. 677, the amount of a grant awarded under this section may exceed the total state cost of attendance to additionally cover housing costs.

Living expenses shall include reasonable costs for room and board.

(E) No grant shall be made to any student in a course of study in theology, religion, or other field of preparation for a

religious profession unless such course of study leads to an 45903
accredited bachelor of arts, bachelor of science, associate of 45904
arts, or associate of science degree. 45905

(F)(1) Except as provided in division (F)(2) of this section, 45906
no grant shall be made to any student for enrollment during a 45907
fiscal year in an institution with a cohort default rate 45908
determined by the United States secretary of education pursuant to 45909
the "Higher Education Amendments of 1986," 100 Stat. 1278, 1408, 45910
20 U.S.C.A. 1085, as amended, as of the fifteenth day of June 45911
preceding the fiscal year, equal to or greater than thirty per 45912

recalculation is lower than the rate specified in division (F)(1) 45919
of this section or the secretary determines due to mitigating 45920
circumstances that the institution may continue to participate in 45921
federal financial aid programs. The chancellor shall adopt rules 45922
requiring any such appellant to provide information to the 45923
chancellor regarding an appeal. 45924

(b) Any student who has previously received a grant pursuant 45925
to any provision of this section, including prior to the section's 45926
amendment by H.B. 1 of the 128th general assembly, effective July 45927
17, 2009, and who meets all other eligibility requirements of this 45928
section. 45929

(3) The chancellor shall adopt rules for the notification of 45930
all institutions whose students will be ineligible to participate 45931
in the grant program pursuant to division (F)(1) of this section. 45932

(4) A student's attendance at any institution whose students 45933

are ineligible for grants due to division (F)(1) of this section 45934
shall not affect that student's eligibility to receive a grant 45935
when enrolled in another institution. 45936

(G) Institutions of higher education that enroll students 45937
receiving needs-based financial aid grants under this section 45938
shall report to the chancellor all students who have received such 45939
needs-based financial aid grants but are no longer eligible for 45940
all or part of those grants and shall refund any moneys due the 45941
state within thirty days after the beginning of the quarter or 45942

student was no longer eligible to receive all or part of the 45944
student's grant. There shall be an interest charge of one per cent 45945
per month on all moneys due and payable after such thirty-day 45946
period. The chancellor shall immediately notify the office of 45947
budget and management and the legislative service commission of 45948
all refunds so received. 45949

that would enable students to transfer agreed upon courses 45961
completed through a for-profit private college to a state 45962
institution of higher education without unnecessary duplication or 45963
institutional barriers. Where applicable, the policies and 45964

chancellor of higher education by rule promulgated pursuant to 45976
Chapter 119. of the Revised Code. No adjudication as to the status 45977
of any person under such rule, however, shall be required to be 45978

"resident" for these purposes shall not be equated with the 45980

(D) "Central counting station" means a location, or one of a 48145
number of locations, designated by the board of elections for the 48146

computer program, and that records voting data and ballot images 48154
in internal or external memory components. A "direct recording 48155
electronic voting machine" produces a tabulation of the voting 48156
data stored in a removable memory component and in printed copy. 48157
"Direct recording electronic voting machine" does not include a 48158

the polling place. After the physical paper printout is produced, 48173

but before the voter's ballot is recorded, the voter shall have an 48174
opportunity to accept or reject the contents of the printout as 48175

the voter verified paper audit trail shall invalidate the printout 48178
and permit the voter to recast the voter's ballot. On and after 48179
the first federal election that occurs after January 1, 2006, 48180
unless required sooner by the Help America Vote Act of 2002, any 48181
system that produces a voter verified paper audit trail shall be 48182

(B) It shall permit each elector to vote at any election for 48195

person appears on a ballot as a candidate; to vote for as many 48198
persons for an office as the elector is entitled to vote for; and 48199

votes accurately for each candidate, question, and issue, 48224
excluding any ballots ~~punched or~~ marked contrary to the 48225
instructions printed on such ballots, provided that such equipment 48226
shall not be required to count write-in votes or the votes on any 48227
ballots that have been voted other than at the regular polling 48228
place on election day. 48229

division (B)(2) of this section is immune from liability to any 48746

person or property resulting from the disclosure. 48748

(C)(1) Any person or government agency may seek access to or 48749
authority to disclose the HIV test records of an individual in 48750
accordance with the following provisions: 48751

(a) The person or government agency shall bring an action in 48752

shall be communicated to the court confidentially, pursuant to a 48756
court order restricting the use of the name. The court shall 48757
provide the individual with notice and an opportunity to 48758
participate in the proceedings if the individual is not named as a 48759
party. Proceedings shall be conducted in chambers unless the 48760
individual agrees to a hearing in open court. 48761

(b) The court may issue an order granting the plaintiff 48762

access to or authority to disclose the test results only if the 48763
court finds by clear and convincing evidence that the plaintiff 48764
has demonstrated a compelling need for disclosure of the 48765
information that cannot be accommodated by other means. In 48766
assessing compelling need, the court shall weigh the need for 48767
disclosure against the privacy right of the individual tested and 48768
against any disservice to the public interest that might result 48769
from the disclosure, such as discrimination against the individual 48770
or the deterrence of others from being tested. 48771

(c) If the court issues an order, it shall guard against 48772
unauthorized disclosure by specifying the persons who may have 48773
access to the information, the purposes for which the information 48774
shall be used, and prohibitions against future disclosure. 48775

(2) A person or government agency that considers it necessary 48776
to disclose the results of an HIV test of a specific individual in 48777
an action in which it is a party may seek authority for the 48778
disclosure by filing an in camera motion with the court in which 48779
the action is being heard. In hearing the motion, the court shall 48780
employ procedures for confidentiality similar to those specified 48781
in division (C)(1) of this section. The court shall grant the 48782
motion only if it finds by clear and convincing evidence that a 48783
compelling need for the disclosure has been demonstrated. 48784

(3) Except for an order issued in a criminal prosecution or 48785
an order under division (C)(1) or (2) of this section granting 48786
disclosure of the result of an HIV test of a specific individual, 48787
a court shall not compel a blood bank, hospital blood center, or 48788
blood collection facility to disclose the result of HIV tests 48789
performed on the blood of voluntary donors in a way that reveals 48790
the identity of any donor. 48791

(4) In a civil action in which the plaintiff seeks to recover 48792
damages from an individual defendant based on an allegation that 48793
the plaintiff contracted the HIV virus as a result of actions of 48794

the defendant, the prohibitions against disclosure in this section 48795
do not bar discovery of the results of any HIV test given to the 48796
defendant or any diagnosis that the defendant suffers from AIDS or 48797
an AIDS-related condition. 48798

(D) The results of an HIV test or the identity of an 48799
individual on whom an HIV test is performed or who is diagnosed as 48800
having AIDS or an AIDS-related condition may be disclosed to a 48801
federal, state, or local government agency, or the official 48802
representative of such an agency, for purposes of the medicaid 48803
program, the medicare program, or any other public assistance 48804
program. 48805

(E) Any disclosure pursuant to this section shall be in 48806
writing and accompanied by a written statement that includes the 48807
following or substantially similar language: "This information has 48808
been disclosed to you from confidential records protected from 48809
disclosure by state law. You shall make no further disclosure of 48810
this information without the specific, written, and informed 48811
release of the individual to whom it pertains, or as otherwise 48812
permitted by state law. A general authorization for the release of 48813

the establishment is in compliance with this chapter and Chapter 51350
911., 913., 915., or 925. of the Revised Code, as applicable, or 51351
applicable rules adopted under those chapters, the director shall 51352

and may amend, suspend, or rescind rules having uniform 52415

application throughout the state governing solid waste facilities 52416
and the inspections of and issuance of permits and licenses for 52417
all solid waste facilities in order to ensure that the facilities 52418
will be located, maintained, and operated, and will undergo 52419
closure and post-closure care, in a sanitary manner so as not to 52420
create a nuisance, cause or contribute to water pollution, create 52421
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 52422

transfer or disposal of solid wastes at a facility, beyond the 52429
boundaries of any area within a facility that is operating or is 52430
undergoing closure or post-closure care where solid wastes were 52431

Variances shall be issued, modified, revoked, suspended, or 52441
rescinded in accordance with this division, rules adopted under 52442
it, and Chapter 3745. of the Revised Code. The director may order 52443
the person to whom a variance is issued to take such action within 52444

reasonable to prevent the creation of a nuisance or a hazard to 52446
the public health or safety or the environment. Applications for 52447
variances shall contain such detail plans, specifications, and 52448

information regarding objectives, procedures, controls, and other 52449
pertinent data as the director may require. The director shall 52450
grant a variance only if the applicant demonstrates to the 52451
director's satisfaction that construction and operation of the 52452
solid waste facility in the manner allowed by the variance and any 52453
terms or conditions imposed as part of the variance will not 52454
create a nuisance or a hazard to the public health or safety or 52455
the environment. In granting any variance, the director shall 52456
state the specific provision or provisions whose terms are to be 52457
varied and also shall state specific terms or conditions imposed 52458
upon the applicant in place of the provision or provisions. 52459

The director may hold a public hearing on an application for 52460
a variance or renewal of a variance at a location in the county 52461
where the operations that are the subject of the application for 52462
the variance are conducted. The director shall give not less than 52463
twenty days' notice of the hearing to the applicant by certified 52464
mail or by another type of mail accompanied by a receipt and shall 52465

principal office of the environmental protection agency a current 52469
list of pending applications for variances and a current schedule 52470
of pending variance hearings. The director shall make a complete 52471
stenographic record of testimony and other evidence submitted at 52472
the hearing. 52473

Within ten days after the hearing, the director shall make a 52474
written determination to issue, renew, or deny the variance and 52475
shall enter the determination and the basis for it into the record 52476
of the hearing. The director shall issue, renew, or deny an 52477
application for a variance or renewal of a variance within six 52478
months of the date upon which the director receives a complete 52479
application with all pertinent information and data required. No 52480

variance shall be issued, revoked, modified, or denied until the 52481
director has considered the relative interests of the applicant, 52482
other persons and property affected by the variance, and the 52483
general public. Any variance granted under this division shall be 52484
for a period specified by the director and may be renewed from 52485
time to time on such terms and for such periods as the director 52486
determines to be appropriate. No application shall be denied and 52487
no variance shall be revoked or modified without a written order 52488
stating the findings upon which the denial, revocation, or 52489
modification is based. A copy of the order shall be sent to the 52490
applicant or variance holder by certified mail or by another type 52491
of mail accompanied by a receipt. 52492

(B) The director shall prescribe and furnish the forms 52493

director may exercise all incidental powers necessary to carry out 52497
the purposes of this chapter. 52498

and (3) of this section, no person shall establish a new solid 52500
waste facility or infectious waste treatment facility, or modify 52501
an existing solid waste facility or infectious waste treatment 52502
facility, without submitting an application for a permit with 52503
accompanying detail plans, specifications, and information 52504
regarding the facility and method of operation and receiving a 52505
permit issued by the director, except that no permit shall be 52506
required under this division to install or operate a solid waste 52507
facility for sewage sludge treatment or disposal when the 52508
treatment or disposal is authorized by a current permit issued 52509
under Chapter 3704. or 6111. of the Revised Code. 52510

No person shall continue to operate a solid waste facility 52511
for which the director ~~has denied a permit for which an~~ 52512

A hazardous waste disposal facility that disposes of hazardous waste by deep well injection and that pays the annual permit fee established in section 6111.046 of the Revised Code is not subject to the permit fee established in this division for disposal facilities using deep well injection unless the director determines that the facility is not in compliance with applicable requirements established under this chapter and rules adopted under it.

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage, treatment, or disposal shall pay the permit fee indicated by the schedule for each such method.

The director shall not require the payment of that portion of an annual permit fee of any permit holder that would apply to a hazardous waste management unit for which a permit has been issued, but for which construction has not yet commenced. Once construction has commenced, the director shall require the payment

of a part of the appropriate fee indicated by the schedule that 52669
bears the same relationship to the total fee that the number of 52670

(a) A facility that is operating in accordance with a permit 52682
renewal issued under division (H) of section 3734.05 of the 52683
Revised Code, a revision issued under division (I) of that section 52684
as it existed prior to August 20, 1996, or a modification issued 52685
by the director under division (I) of that section on and after 52686
August 20, 1996; 52687

(b) Except as provided in division (J) of section 3734.05 of 52688
the Revised Code, a facility that will operate or is operating in 52689
accordance with a permit by rule, or that is not subject to permit 52690
requirements, under rules adopted by the director. In accordance 52691
with Chapter 119. of the Revised Code, the director shall adopt, 52692
and subsequently may amend, suspend, or rescind, rules for the 52693
purposes of division (E)(3)(b) of this section. Any rules so 52694
adopted shall be consistent with and equivalent to regulations 52695
pertaining to interim status adopted under the "Resource 52696
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 52697
6921, as amended, except as otherwise provided in this chapter. 52698

If a modification is requested or proposed for a facility 52699

described in division (E)(3)(a) or (b) of this section, division 52700
(I)(7) of section 3734.05 of the Revised Code applies. 52701

(F) No person shall store, treat, or dispose of hazardous 52702
waste identified or listed under this chapter and rules adopted 52703
under it, regardless of whether generated on or off the premises 52704
where the waste is stored, treated, or disposed of, or transport 52705
or cause to be transported any hazardous waste identified or 52706
listed under this chapter and rules adopted under it to any other 52707
premises, except at or to any of the following: 52708

(1) A hazardous waste facility operating under a permit 52709
issued in accordance with this chapter; 52710

(2) A facility in another state operating under a license or 52711
permit issued in accordance with the "Resource Conservation and 52712
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 52713
amended; 52714

(3) A facility in another nation operating in accordance with 52715
the laws of that nation; 52716

(4) A facility holding a permit issued pursuant to Title I of 52717
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 52718
Stat. 1052, 33 U.S.C.A. 1401, as amended; 52719

(5) A hazardous waste facility as described in division 52720
(E)(3)(a) or (b) of this section. 52721

(G) The director, by order, may exempt any person generating, 52722
collecting, storing, treating, disposing of, or transporting solid 52723
wastes, infectious wastes, or hazardous waste, or processing solid 52724
wastes that consist of scrap tires, in such quantities or under 52725
such circumstances that, in the determination of the director, are 52726
unlikely to adversely affect the public health or safety or the 52727
environment from any requirement to obtain a registration 52728
certificate, permit, or license or comply with the manifest system 52729
or other requirements of this chapter. Such an exemption shall be 52730

consistent with and equivalent to any regulations adopted by the 52731
administrator of the United States environmental protection agency 52732
under the "Resource Conservation and Recovery Act of 1976," 90 52733
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 52734
provided in this chapter. 52735

(H) No person shall engage in filling, grading, excavating, 52736
building, drilling, or mining on land where a hazardous waste 52737
facility, or a solid waste facility, was operated without prior 52738
authorization from the director, who shall establish the procedure 52739
for granting such authorization by rules adopted in accordance 52740
with Chapter 119. of the Revised Code. 52741

A public utility that has main or distribution lines above or 52742
below the land surface located on an easement or right-of-way 52743
across land where a solid waste facility was operated may engage 52744
in any such activity within the easement or right-of-way without 52745
prior authorization from the director for purposes of performing 52746
emergency repair or emergency replacement of its lines; of the 52747
poles, towers, foundations, or other structures supporting or 52748
sustaining any such lines; or of the appurtenances to those 52749
structures, necessary to restore or maintain existing public 52750
utility service. A public utility may enter upon any such easement 52751
or right-of-way without prior authorization from the director for 52752
purposes of performing necessary or routine maintenance of those 52753
portions of its existing lines; of the existing poles, towers, 52754
foundations, or other structures sustaining or supporting its 52755
lines; or of the appurtenances to any such supporting or 52756
sustaining structure, located on or above the land surface on any 52757
such easement or right-of-way. Within twenty-four hours after 52758
commencing any such emergency repair, replacement, or maintenance 52759
work, the public utility shall notify the director or the 52760
director's authorized representative of those activities and shall 52761
provide such information regarding those activities as the 52762

director or the director's representative may request. Upon 52763
completion of the emergency repair, replacement, or maintenance 52764
activities, the public utility shall restore any land of the solid 52765
waste facility disturbed by those activities to the condition 52766
existing prior to the commencement of those activities. 52767

(I) No owner or operator of a hazardous waste facility, in 52768
the operation of the facility, shall cause, permit, or allow the 52769
emission therefrom of any particulate matter, dust, fumes, gas, 52770
mist, smoke, vapor, or odorous substance that, in the opinion of 52771
the director, unreasonably interferes with the comfortable 52772
enjoyment of life or property by persons living or working in the 52773
vicinity of the facility, or that is injurious to public health. 52774
Any such action is hereby declared to be a public nuisance. 52775

(J) Notwithstanding any other provision of this chapter, in 52776
the event the director finds an imminent and substantial danger to 52777
public health or safety or the environment that creates an 52778
emergency situation requiring the immediate treatment, storage, or 52779
disposal of hazardous waste, the director may issue a temporary 52780
emergency permit to allow the treatment, storage, or disposal of 52781
the hazardous waste at a facility that is not otherwise authorized 52782
by a hazardous waste facility installation and operation permit to 52783
treat, store, or dispose of the waste. The emergency permit shall 52784
not exceed ninety days in duration and shall not be renewed. The 52785
director shall adopt, and may amend, suspend, or rescind, rules in 52786
accordance with Chapter 119. of the Revised Code governing the 52787
issuance, modification, revocation, and denial of emergency 52788
permits. 52789

(K) Except for infectious wastes generated by a person who 52790
produces fewer than fifty pounds of infectious wastes at a 52791
premises during any one month, no owner or operator of a sanitary 52792
landfill shall knowingly accept for disposal, or dispose of, any 52793
infectious wastes that have not been treated to render them 52794

noninfectious. 52795

(L) The director, in accordance with Chapter 119. of the 52796
Revised Code, shall adopt, and may amend, suspend, or rescind, 52797
rules having uniform application throughout the state establishing 52798
a training and certification program that shall be required for 52799
employees of boards of health who are responsible for enforcing 52800
the solid waste and infectious waste provisions of this chapter 52801
and rules adopted under them and for persons who are responsible 52802
for the operation of solid waste facilities or infectious waste 52803
treatment facilities. The rules shall provide all of the 52804
following, without limitation: 52805

(1) The program shall be administered by the director and 52806
shall consist of a course on new solid waste and infectious waste 52807
technologies, enforcement procedures, and rules; 52808

(2) The course shall be offered on an annual basis; 52809

(3) Those persons who are required to take the course under 52810
division (L) of this section shall do so triennially; 52811

(4) Persons who successfully complete the course shall be 52812
certified by the director; 52813

(5) Certification shall be required for all employees of 52814
boards of health who are responsible for enforcing the solid waste 52815
or infectious waste provisions of this chapter and rules adopted 52816
under them and for all persons who are responsible for the 52817
operation of solid waste facilities or infectious waste treatment 52818
facilities; 52819

(6)(a) All employees of a board of health who, on the 52820
effective date of the rules adopted under this division, are 52821
responsible for enforcing the solid waste or infectious waste 52822
provisions of this chapter and the rules adopted under them shall 52823
complete the course and be certified by the director not later 52824
than January 1, 1995; 52825

(b) All employees of a board of health who, after the 52826
effective date of the rules adopted under division (L) of this 52827
section, become responsible for enforcing the solid waste or 52828
infectious waste provisions of this chapter and rules adopted 52829
under them and who do not hold a current and valid certification 52830
from the director at that time shall complete the course and be 52831
certified by the director within two years after becoming 52832
responsible for performing those activities. 52833

No person shall fail to obtain the certification required 52834
under this division. 52835

(M) The director shall not issue a permit under section 52836
3734.05 of the Revised Code to establish a solid waste facility, 52837
or to modify a solid waste facility operating on December 21, 52838
1988, in a manner that expands the disposal capacity or geographic 52839
area covered by the facility, that is or is to be located within 52840
the boundaries of a state park established or dedicated under 52841
Chapter 1546. of the Revised Code, a state park purchase area 52842
established under section 1546.06 of the Revised Code, any unit of 52843
the national park system, or any property that lies within the 52844
boundaries of a national park or recreation area, but that has not 52845
been acquired or is not administered by the secretary of the 52846
United States department of the interior, located in this state, 52847
or any candidate area located in this state and identified for 52848
potential inclusion in the national park system in the edition of 52849
the "national park system plan" submitted under paragraph (b) of 52850
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 52851
U.S.C.A. 1a-5, as amended, current at the time of filing of the 52852
application for the permit, unless the facility or proposed 52853
facility is or is to be used exclusively for the disposal of solid 52854
wastes generated within the park or recreation area and the 52855
director determines that the facility or proposed facility will 52856
not degrade any of the natural or cultural resources of the park 52857

or recreation area. The director shall not issue a variance under 52858
division (A) of this section and rules adopted under it, or issue 52859
an exemption order under division (G) of this section, that would 52860
authorize any such establishment or expansion of a solid waste 52861
facility within the boundaries of any such park or recreation 52862
area, state park purchase area, or candidate area, other than a 52863
solid waste facility exclusively for the disposal of solid wastes 52864
generated within the park or recreation area when the director 52865
determines that the facility will not degrade any of the natural 52866
or cultural resources of the park or recreation area. 52867

(N)(1) The rules adopted under division (A) of this section, 52868
other than those governing variances, do not apply to scrap tire 52869
collection, storage, monocell, monofill, and recovery facilities. 52870
Those facilities are subject to and governed by rules adopted 52871
under sections 3734.70 to 3734.73 of the Revised Code, as 52872
applicable. 52873

(2) Division (C) of this section does not apply to scrap tire 52874
collection, storage, monocell, monofill, and recovery facilities. 52875
The establishment and modification of those facilities are subject 52876
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 52877
Code, as applicable. 52878

(3) The director may adopt, amend, suspend, or rescind rules 52879
under division (A) of this section creating an alternative system 52880
for authorizing the establishment, operation, or modification of a 52881
solid waste compost facility in lieu of the requirement that a 52882
person seeking to establish, operate, or modify a solid waste 52883
compost facility apply for and receive a permit under division (C) 52884
of this section and section 3734.05 of the Revised Code and a 52885
license under division (A)(1) of that section. The rules may 52886
include requirements governing, without limitation, the 52887
classification of solid waste compost facilities, the submittal of 52888
operating records for solid waste compost facilities, and the 52889

creation of a registration or notification system in lieu of the 52890
issuance of permits and licenses for solid waste compost 52891
facilities. The rules shall specify the applicability of divisions 52892
(A)(1), and (2)(a), ~~(3), and (4)~~ of section 3734.05 of the Revised 52893
Code to a solid waste compost facility. 52894

(O)(1) As used in this division, "secondary aluminum waste" 52895
means waste material or byproducts, when disposed of, containing 52896
aluminum generated from secondary aluminum smelting operations and 52897
consisting of dross, salt cake, baghouse dust associated with 52898
aluminum recycling furnace operations, or dry-milled wastes. 52899

(2) The owner or operator of a sanitary landfill shall not 52900
dispose of municipal solid waste that has been commingled with 52901
secondary aluminum waste. 52902

(3) The owner or operator of a sanitary landfill may dispose 52903
of secondary aluminum waste, but only in a monocell or monofill 52904
that has been permitted for that purpose in accordance with this 52905
chapter and rules adopted under it. 52906

(P)(1) As used in divisions (P) and (Q) of this section: 52907

(a) "Natural background" means two picocuries per gram or the 52908
actual number of picocuries per gram as measured at an individual 52909
solid waste facility, subject to verification by the director of 52910
health. 52911

(b) "Drilling operation" includes a production operation as 52912
defined in section 1509.01 of the Revised Code. 52913

(2) The owner or operator of a solid waste facility shall not 52914
accept for transfer or disposal technologically enhanced naturally 52915
occurring radioactive material if that material contains or is 52916
contaminated with radium-226, radium-228, or any combination of 52917
radium-226 and radium-228 at concentrations equal to or greater 52918
than five picocuries per gram above natural background. 52919

(3) The owner or operator of a solid waste facility may 52920
receive and process for purposes other than transfer or disposal 52921
technologically enhanced naturally occurring radioactive material 52922
that contains or is contaminated with radium-226, radium-228, or 52923
any combination of radium-226 and radium-228 at concentrations 52924
equal to or greater than five picocuries per gram above natural 52925
background, provided that the owner or operator has obtained and 52926
maintains all other necessary authorizations, including any 52927
authorization required by rules adopted by the director of health 52928
under section 3748.04 of the Revised Code. 52929

(4) The director of environmental protection may adopt rules 52930
in accordance with Chapter 119. of the Revised Code governing the 52931
receipt, acceptance, processing, handling, management, and 52932
disposal by solid waste facilities of material that contains or is 52933
contaminated with radioactive material, including, without 52934
limitation, technologically enhanced naturally occurring 52935
radioactive material that contains or is contaminated with 52936
radium-226, radium-228, or any combination of radium-226 and 52937
radium-228 at concentrations less than five picocuries per gram 52938
above natural background. Rules adopted by the director may 52939
include at a minimum both of the following: 52940

(a) Requirements in accordance with which the owner or 52941
operator of a solid waste facility must monitor leachate and 52942
ground water for radium-226, radium-228, and other radionuclides; 52943

(b) Requirements in accordance with which the owner or 52944
operator of a solid waste facility must develop procedures to 52945
ensure that technologically enhanced naturally occurring 52946
radioactive material accepted at the facility neither contains nor 52947
is contaminated with radium-226, radium-228, or any combination of 52948
radium-226 and radium-228 at concentrations equal to or greater 52949
than five picocuries per gram above natural background. 52950

(Q) Notwithstanding any other provision of this section, the 52951

owner or operator of a solid waste facility shall not receive, 52952
accept, process, handle, manage, or dispose of technologically 52953
enhanced naturally occurring radioactive material associated with 52954
drilling operations without first obtaining representative 52955
analytical results to determine compliance with divisions (P)(2) 52956
and (3) of this section and rules adopted under it. 52957

Sec. 3734.041. (A) The owner or operator holding a license 52958
issued under division (A) of section 3734.05 of the Revised Code 52959
for a sanitary landfill that is so situated that a residence or 52960
other occupied structure off the premises of the landfill is 52961
located within one thousand feet horizontal distance from the 52962
exterior boundary of the landfill, and the owner or operator of 52963
any closed landfill that is so situated and for which a license 52964
was issued under division (A) of section 3734.05 of the Revised 52965
Code, or the subsequent owner, lessee, or other person who has 52966
control of the land on which the closed landfill is located, 52967
shall, within sixty days after the effective date of the rules 52968
adopted under division (F) of this section, submit an explosive 52969
gas monitoring plan for the landfill or closed landfill to the 52970
director of environmental protection for approval for compliance 52971
with those rules. After approval of the plan, the owner ~~or,~~ 52972
~~operator of the landfill, or, in the instance of a closed~~ 52973
~~landfill, the owner or operator of the closed landfill, or the,~~ 52974
subsequent owner, lessee, or other person ~~who has control of the~~ 52975
~~land on which the closed landfill is located~~ shall conduct 52976
monitoring of explosive gas levels at the landfill or closed 52977
landfill, and submit written reports of the results of the 52978
monitoring to the director and the board of health of the health 52979
district in which the landfill is located in accordance with the 52980
approved plan and the schedule for implementation contained in the 52981
approved plan. 52982

No person shall violate or fail to perform a duty imposed by 52983

a plan approved under this section. 52984

(B) Division (A) of this section does not apply to a sanitary 52985
landfill or closed sanitary landfill that exclusively disposes, or 52986
disposed, of solid wastes generated on the premises where the 52987
landfill or closed landfill is located; to a sanitary landfill or 52988
closed sanitary landfill that exclusively disposes, or disposed, 52989
of solid wastes generated on one or more premises owned by the 52990
person who owns the landfill or closed landfill; or to a sanitary 52991
landfill or closed sanitary landfill owned or operated by a person 52992
other than the generator of the wastes that exclusively disposes, 52993
or disposed, of nonputrescible solid wastes or nonputrescible 52994
wastes generated by a single generator at one or more premises 52995
owned by the generator. 52996

(C) ~~When~~ As used in this division and division (D) of this 52997
section, "responsible party" includes the owner or operator of a 52998
solid waste disposal facility; any current or former owner of a 52999
closed solid waste disposal facility; any person who was 53000
responsible for the operations of a closed solid waste disposal 53001
facility; any lessee or other person who has control of the 53002
property on which a closed solid waste disposal facility is 53003
located; a receiver appointed pursuant to Chapter 2735. of the 53004
Revised Code with respect to a solid waste disposal facility or 53005
closed solid waste disposal facility; and a trustee in bankruptcy. 53006

Notwithstanding division (B) of this section, if the director 53007
determines that, due to the types of wastes disposed of, the 53008
engineering design, the hydrogeological setting, the period of 53009
time since the commencement of operation, ~~and~~ the proximity of 53010
residential or other occupied structures located off the premises 53011
of ~~the landfill~~ a solid waste disposal facility to the exterior 53012
boundaries, ~~of~~ or information related to concentrations of 53013
explosive gas at or surrounding a sanitary landfill licensed under 53014
division (A) of section 3734.05 of the Revised Code facility or 53015

closed sanitary landfill for which a license was issued under that 53016
~~division facility~~, the potential exists for the formation and 53017
subsurface migration of explosive gases in such quantities and 53018
under such conditions as to ~~endanger~~ threaten human health or 53019
safety or the environment, the director ~~shall~~ may issue to the 53020
~~owner or operator of the sanitary landfill, or, in the instance of~~ 53021
~~a closed sanitary landfill, the owner or operator of the sanitary~~ 53022
~~landfill, or the subsequent owner, lessee, or other person who has~~ 53023
~~control of the property on which the closed landfill is located,~~ 53024
any responsible party an order directing ~~such owner~~ the 53025
responsible party to prepare, ~~obtain approval of, and implement an~~ 53026
and submit a new or revised explosive gas monitoring and reporting 53027
plan, in accordance with division (A) of that complies with 53028
division (A) of this section and provides for the adequate 53029
evaluation of explosive gas generation at and migration from the 53030
solid waste disposal facility or closed solid waste disposal 53031
facility. A plan so submitted shall be approved in accordance with 53032
division (A) of this section. After approval of the plan, the 53033
responsible party shall conduct monitoring of explosive gas levels 53034
at the facility or closed facility and submit written reports of 53035
the results of the monitoring in accordance with the plan approved 53036
under this section. For the purposes of this division and division 53037
(D) of this section, explosive gases shall be considered to 53038
~~endanger~~ threaten human health or safety or the environment if 53039
concentrations of methane generated by ~~the landfill~~ a facility in 53040
~~landfill~~ occupied structures, ~~excluding gas control or recovery~~ 53041
~~system components,~~ exceed twenty-five per cent of the lower 53042
explosive limit or if concentrations of methane generated by the 53043
~~landfill~~ facility at the ~~landfill~~ facility boundary exceed the 53044
lower explosive limit. As used in this division, "lower explosive 53045
limit" means the lowest per cent by volume of methane that will 53046
produce a flame in air at twenty-five degrees centigrade and 53047
atmospheric pressure. 53048

(D) If a report submitted pursuant to a plan approved under 53049
division (A) of this section indicates that the formation of 53050
explosive gases at, and migration of explosive gases from, a 53051
~~sanitary landfill solid waste disposal facility~~ or closed ~~sanitary~~ 53052
~~landfill solid waste disposal facility~~ threatens human health or 53053
safety or the environment, the director or his authorized 53054
representative ~~shall promptly~~ may conduct an evaluation of the 53055
levels of explosive gases on the premises of the ~~landfill facility~~ 53056
and in occupied structures located in proximity to the boundaries 53057
of the ~~landfill facility~~ to determine whether the formation of 53058
explosive gases at, and migration of those gases from, the 53059
~~landfill facility~~ or closed ~~landfill facility~~ constitutes such a 53060
threat. In addition, the director or the director's authorized 53061
representative, on their own initiative, may conduct an evaluation 53062
in accordance with division (G) of this section. Based upon the 53063
findings of the an evaluation, ~~or of an evaluation conducted by~~ 53064
~~the director, or his authorized representative, on his own~~ 53065
~~initiative,~~ the director ~~shall~~ may issue an order under division 53066
(A) or (B) of section 3734.13 of the Revised Code, as the director 53067
considers necessary or appropriate, directing ~~the owner or~~ 53068
~~operator of the landfill, or, in the instance of a closed~~ 53069
~~landfill, the owner or operator of the landfill, or the subsequent~~ 53070
~~owner, lessee, or other person who has control of the land on~~ 53071
~~which the closed landfill is located,~~ any responsible party to 53072
perform such measures as the director considers necessary or 53073
appropriate, to abate or minimize the formation of explosive gases 53074
or their migration off the premises of the ~~landfill facility,~~ to 53075
abate or remedy any conditions caused by the formation and 53076
migration of such gases that ~~endanger~~ threaten human health or 53077
safety or the environment and to take such actions as the director 53078
finds necessary or appropriate to prevent recurrence of the 53079
migration of explosive gases or decrease their concentration to 53080
levels set forth in division (C) of this section. 53081

After the issuance of an order under this division, the 53082
director shall inspect the ~~landfill at least once each week, or~~ 53083
facility at such ~~other~~ intervals as the director or ~~his~~ an 53084
authorized representative of the director considers necessary or 53085
appropriate, to ascertain compliance with the order until such 53086
time as the director determines that full compliance with those 53087
terms and conditions has been achieved. 53088

If a report submitted pursuant to a plan approved under 53089
division (A) of this section indicates that the formation of 53090
explosive gases at, and migration of explosive gases from, a 53091
~~landfill~~ solid waste disposal facility that is subject to an order 53092
issued under division (D) of this section has recurred in such 53093
quantities or under such conditions as to threaten human health or 53094
safety or the environment, or if the director determines from an 53095
inspection of any such ~~landfill~~ facility that the ~~owner or~~ 53096
~~operator of the landfill, or, in the instance of a closed~~ 53097
~~landfill, the owner or operator of the landfill, or the subsequent~~ 53098
~~owner, lessee, or other person who has control of the land on~~ 53099
~~which the closed landfill is located,~~ responsible party has 53100
violated or is violating a term or condition of the order or that 53101
measures in addition to those prescribed by the order are 53102
necessary or appropriate under the circumstances, the director 53103
shall take such actions under division (A), (B), or (C) of section 53104
3734.13 of the Revised Code as ~~he~~ the director considers necessary 53105
or appropriate to protect human health or safety or the 53106
environment. 53107

(E) The director shall conduct random inspections of licensed 53108
and closed sanitary landfills for explosive gas levels and to 53109
monitor the accuracy of the reports submitted pursuant to plans 53110
approved under division (A) of this section. 53111

(F) The director shall adopt rules under Chapter 119. of the 53112
Revised Code prescribing standards for conducting the explosive 53113

gas monitoring required by division (A) of this section including, 53114
without limitation, standards governing the numbers, locations, 53115
and design and construction of monitoring wells; quality control 53116
procedures to be followed by persons conducting those evaluations 53117
to ensure the accuracy of the monitoring; the frequency for 53118
sampling the monitoring wells, which shall be at least quarterly, 53119
except as otherwise provided in this division; and the frequency 53120
of reporting monitoring results to the director and board of 53121
health. The rules shall require that, in the instance of closed 53122
sanitary landfills, explosive gas monitoring be conducted for the 53123
period of twenty years after closure or for such other period as 53124
the director considers necessary or appropriate. Such explosive 53125
gas monitoring shall be conducted quarterly during each of the 53126
five years immediately following closure of the landfills and 53127
semiannually thereafter. If such semiannual sampling shows that 53128
the methane limits set in division (C) of this section are 53129
exceeded, sampling may be resumed at a frequency determined by the 53130
director. 53131

(G) The director or the director's authorized representative 53132
may enter upon a solid waste disposal facility or a closed solid 53133
waste disposal facility to conduct an evaluation of the 53134
concentration of explosive gas generated at or migrating from the 53135
facility. The owner or operator of a solid waste disposal facility 53136
or closed solid waste disposal facility shall allow the director 53137
or representative to conduct such an evaluation of the facility, 53138
any structures within the boundary of the facility, and any 53139
occupied structures in close proximity to the boundary of the 53140
facility that are owned or controlled by the owner or operator. 53141

(H) The remedy provided by division (D) of this section is 53142
cumulative and concurrent with any other remedy provided in this 53143
chapter or Chapter 3704. of the Revised Code, and the existence or 53144
exercise of one remedy does not prevent the exercise of any other. 53145

Sec. 3734.05. (A)(1) Except as provided in divisions (A)~~(4)~~,
~~(8)~~,(6) and ~~(9)~~(7) of this section, no person shall operate or
maintain a solid waste facility without a license issued under
this division by the board of health of the health district in
which the facility is located or by the director of environmental
protection when the health district in which the facility is
located is not on the approved list under section 3734.08 of the
Revised Code.

During the month of December, but before the first day of
January of the next year, every person proposing to continue to
operate an existing solid waste facility shall procure a license
under this division to operate the facility for that year from the
board of health of the health district in which the facility is
located or, if the health district is not on the approved list
under section 3734.08 of the Revised Code, from the director. The
application for such a license shall be submitted to the board of
health or to the director, as appropriate, on or before the last
day of September of the year preceding that for which the license
is sought. In addition to the application fee prescribed in
division (A)(2) of this section, a person who submits an
application after that date shall pay an additional ten per cent
of the amount of the application fee for each week that the
application is late. Late payment fees accompanying an application
submitted to the board of health shall be credited to the special
fund of the health district created in division (B) of section
3734.06 of the Revised Code, and late payment fees accompanying an
application submitted to the director shall be credited to the
general revenue fund. A person who has received a license, upon
sale or disposition of a solid waste facility, and upon consent of
the board of health and the director, may have the license
transferred to another person. The board of health or the director
may include such terms and conditions in a license or revision to

a license as are appropriate to ensure compliance with this 53178
chapter and rules adopted under it. The terms and conditions may 53179
establish the authorized maximum daily waste receipts for the 53180
facility. Limitations on maximum daily waste receipts shall be 53181
specified in cubic yards of volume for the purpose of regulating 53182
the design, construction, and operation of solid waste facilities. 53183
Terms and conditions included in a license or revision to a 53184
license by a board of health shall be consistent with, and pertain 53185
only to the subjects addressed in, the rules adopted under 53186
division (A) of section 3734.02 and division (D) of section 53187
3734.12 of the Revised Code. 53188

(2)(a) Except as provided in divisions (A)(2)(b), ~~(8)(6)~~, and 53189
~~(9)(7)~~ of this section, each person proposing to open a new solid 53190
waste facility or to modify an existing solid waste facility shall 53191
submit an application for a permit with accompanying detail plans 53192
and specifications to the environmental protection agency for 53193
required approval under the rules adopted by the director pursuant 53194
to division (A) of section 3734.02 of the Revised Code and 53195
applicable rules adopted under division (D) of section 3734.12 of 53196
the Revised Code at least two hundred seventy days before proposed 53197
operation of the facility and shall concurrently make application 53198
for the issuance of a license under division (A)(1) of this 53199
section with the board of health of the health district in which 53200
the proposed facility is to be located. 53201

(b) On and after the effective date of the rules adopted 53202
under division (A) of section 3734.02 of the Revised Code and 53203
division (D) of section 3734.12 of the Revised Code governing 53204
solid waste transfer facilities, each person proposing to open a 53205
new solid waste transfer facility or to modify an existing solid 53206
waste transfer facility shall submit an application for a permit 53207
with accompanying engineering detail plans, specifications, and 53208
information regarding the facility and its method of operation to 53209

the environmental protection agency for required approval under 53210
those rules at least two hundred seventy days before commencing 53211
proposed operation of the facility and concurrently shall make 53212
application for the issuance of a license under division (A)(1) of 53213
this section with the board of health of the health district in 53214
which the facility is located or proposed. 53215

(c) Each application for a permit under division (A)(2)(a) or 53216
(b) of this section shall be accompanied by a nonrefundable 53217
application fee of four hundred dollars that shall be credited to 53218
the general revenue fund. Each application for an annual license 53219
under division (A)(1) or (2) of this section shall be accompanied 53220
by a nonrefundable application fee of one hundred dollars. If the 53221
application for an annual license is submitted to a board of 53222
health on the approved list under section 3734.08 of the Revised 53223
Code, the application fee shall be credited to the special fund of 53224
the health district created in division (B) of section 3734.06 of 53225
the Revised Code. If the application for an annual license is 53226
submitted to the director, the application fee shall be credited 53227
to the general revenue fund. If a permit or license is issued, the 53228
amount of the application fee paid shall be deducted from the 53229
amount of the permit fee due under division (Q) of section 3745.11 53230
of the Revised Code or the amount of the license fee due under 53231
division (A)(1), (2), (3), (4), or (5) of section 3734.06 of the 53232
Revised Code. 53233

(d) As used in divisions (A)(2)(d), (e), and (f) of this 53234
section, "modify" means any of the following: 53235

(i) Any increase of more than ten per cent in the total 53236
capacity of a solid waste facility; 53237

(ii) Any expansion of the limits of solid waste placement at 53238
a solid waste facility; 53239

(iii) Any increase in the depth of excavation at a solid 53240

waste facility; 53241

(iv) Any change in the technique of waste receipt or type of 53242
waste received at a solid waste facility that may endanger human 53243
health, as determined by the director by rules adopted in 53244
accordance with Chapter 119. of the Revised Code. 53245

Not later than forty-five days after submitting an 53246
application under division (A)(2)(a) or (b) of this section for a 53247
permit to open a new or modify an existing solid waste facility, 53248
the applicant, in conjunction with an officer or employee of the 53249
environmental protection agency, shall hold a public meeting on 53250
the application within the county in which the new or modified 53251
solid waste facility is or is proposed to be located or within a 53252
contiguous county. Not less than thirty days before holding the 53253
public meeting on the application, the applicant shall publish 53254
notice of the meeting in each newspaper of general circulation 53255
that is published in the county in which the facility is or is 53256
proposed to be located. If no newspaper of general circulation is 53257
published in the county, the applicant shall publish the notice in 53258
a newspaper of general circulation in the county. The notice shall 53259
contain the date, time, and location of the public meeting and a 53260
general description of the proposed new or modified facility. Not 53261
later than five days after publishing the notice, the applicant 53262
shall send by certified mail a copy of the notice and the date the 53263
notice was published to the director and the legislative authority 53264
of each municipal corporation, township, and county, and to the 53265
chief executive officer of each municipal corporation, in which 53266
the facility is or is proposed to be located. At the public 53267
meeting, the applicant shall provide information and describe the 53268
application and respond to comments or questions concerning the 53269
application, and the officer or employee of the agency shall 53270
describe the permit application process. At the public meeting, 53271
any person may submit written or oral comments on or objections to 53272

the application. Not more than thirty days after the public 53273
meeting, the applicant shall provide the director with a copy of a 53274
transcript of the full meeting, copies of any exhibits, displays, 53275
or other materials presented by the applicant at the meeting, and 53276
the original copy of any written comments submitted at the 53277
meeting. 53278

(e) Except as provided in division (A)(2)(f) of this section, 53279
prior to taking an action, other than a proposed or final denial, 53280
upon an application submitted under division (A)(2)(a) of this 53281
section for a permit to open a new or modify an existing solid 53282
waste facility, the director shall hold a public information 53283
session and a public hearing on the application within the county 53284
in which the new or modified solid waste facility is or is 53285
proposed to be located or within a contiguous county. If the 53286
application is for a permit to open a new solid waste facility, 53287
the director shall hold the hearing not less than fourteen days 53288
after the information session. If the application is for a permit 53289
to modify an existing solid waste facility, the director may hold 53290
both the information session and the hearing on the same day 53291
unless any individual affected by the application requests in 53292
writing that the information session and the hearing not be held 53293
on the same day, in which case the director shall hold the hearing 53294
not less than fourteen days after the information session. The 53295
director shall publish notice of the public information session or 53296
public hearing not less than thirty days before holding the 53297
information session or hearing, as applicable. The notice shall be 53298
published in each newspaper of general circulation that is 53299
published in the county in which the facility is or is proposed to 53300
be located. If no newspaper of general circulation is published in 53301
the county, the director shall publish the notice in a newspaper 53302
of general circulation in the county. The notice shall contain the 53303
date, time, and location of the information session or hearing, as 53304
applicable, and a general description of the proposed new or 53305

modified facility. At the public information session, an officer 53306
or employee of the environmental protection agency shall describe 53307
the status of the permit application and be available to respond 53308
to comments or questions concerning the application. At the public 53309
hearing, any person may submit written or oral comments on or 53310
objections to the approval of the application. The applicant, or a 53311
representative of the applicant who has knowledge of the location, 53312
construction, and operation of the facility, shall attend the 53313
information session and public hearing to respond to comments or 53314
questions concerning the facility directed to the applicant or 53315
representative by the officer or employee of the environmental 53316
protection agency presiding at the information session and 53317
hearing. 53318

(f) The solid waste management policy committee of a county 53319
or joint solid waste management district may adopt a resolution 53320
requesting expeditious consideration of a specific application 53321
submitted under division (A)(2)(a) of this section for a permit to 53322
modify an existing solid waste facility within the district. The 53323
resolution shall make the finding that expedited consideration of 53324
the application without the public information session and public 53325
hearing under division (A)(2)(e) of this section is in the public 53326
interest and will not endanger human health, as determined by the 53327
director by rules adopted in accordance with Chapter 119. of the 53328
Revised Code. Upon receiving such a resolution, the director, at 53329
the director's discretion, may issue a final action upon the 53330
application without holding a public information session or public 53331
hearing pursuant to division (A)(2)(e) of this section. 53332

(3) ~~Except as provided in division (A)(10) of this section,~~ 53333
~~and unless the owner or operator of any solid waste facility,~~ 53334
~~other than a solid waste transfer facility or a compost facility~~ 53335
~~that accepts exclusively source separated yard wastes, that~~ 53336
~~commenced operation on or before July 1, 1968, has obtained an~~ 53337

~~exemption from the requirements of division (A)(3) of this section 53338
in accordance with division (G) of section 3734.02 of the Revised 53339
Code, the owner or operator shall submit to the director an 53340
application for a permit with accompanying engineering detail 53341
plans, specifications, and information regarding the facility and 53342
its method of operation for approval under rules adopted under 53343
division (A) of section 3734.02 of the Revised Code and applicable 53344
rules adopted under division (D) of section 3734.12 of the Revised 53345
Code in accordance with the following schedule: 53346~~

~~(a) Not later than September 24, 1988, if the facility is 53347
located in the city of Garfield Heights or Parma in Cuyahoga 53348

located in Delaware, Greene, Guernsey, Hamilton, Madison, 53351
Mahoning, Ottawa, or Vinton county; 53352~~

~~(c) Not later than March 24, 1989, if the facility is located 53353

Cuyahoga Heights in Cuyahoga county; 53356~~

~~(d) Not later than June 24, 1989, if the facility is located 53357
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 53358
Summit county or is located in Cuyahoga county outside the cities 53359
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 53360~~

~~(e) Not later than September 24, 1989, if the facility is 53361
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 53362
county; 53363~~

~~(f) Not later than December 24, 1989, if the facility is 53364
located in a county not listed in divisions (A)(3)(a) to (e) of 53365
this section; 53366~~

~~(g) Notwithstanding divisions (A)(3)(a) to (f) of this 53367
section, not later than December 31, 1990, if the facility is a 53368~~

~~solid waste facility owned by a generator of solid wastes when the~~ 53369
~~solid waste facility exclusively disposes of solid wastes~~ 53370
~~generated at one or more premises owned by the generator~~ 53371
~~regardless of whether the facility is located on a premises where~~ 53372
~~the wastes are generated and if the facility disposes of more than~~ 53373
~~one hundred thousand tons of solid wastes per year, provided that~~ 53374
~~any such facility shall be subject to division (A)(5) of this~~ 53375

~~(4) Except as provided in divisions (A)(8), (9), and (10) of~~ 53377
~~this section, unless the owner or operator of any solid waste~~ 53378
~~facility for which a permit was issued after July 1, 1968, but~~ 53379
~~before January 1, 1980, has obtained an exemption from the~~ 53380
~~requirements of division (A)(4) of this section under division (G)~~ 53381
~~of section 3734.02 of the Revised Code, the owner or operator~~ 53382

~~(5) The director may issue an order in accordance with~~ 53387
~~Chapter 3745. of the Revised Code to the owner or operator of a~~ 53388
~~solid waste facility requiring the person to submit to the~~ 53389
~~director updated engineering detail plans, specifications, and~~ 53390

~~of the Revised Code and applicable rules adopted under division~~ 53393
~~(D) of section 3734.12 of the Revised Code if, in the director's~~ 53394

~~to or threatening to cause or contribute to air or water pollution~~ 53397

~~submit the updated engineering detail plans, specifications, and~~ 53399
~~information to the director within one hundred eighty days after~~ 53400

the effective date of the order. 53401

~~(6)(4)~~ The director shall act upon an ~~application submitted~~ 53402

engineering plans, specifications, and information submitted under 53404
division (A)~~(5)(3)~~ of this section within one hundred eighty days 53405
after receiving them. If the director ~~denies any such permit~~ 53406
~~application, the~~ issues an order denying the application or 53407
disapproving the plans, specifications, and information submitted 53408
under division (A)(3) of this section, the order shall include all 53409
of the following requirements that: 53410

(a) That the owner or operator submit a plan for closure and 53411
post-closure care of the facility to the director for approval 53412
within six months after issuance of the order~~;~~i 53413

(b) That the owner or operator cease accepting solid wastes 53414
for disposal or transfer at the facility~~;~~i and 53415

(c) The owner or operator commence closure of the facility 53416
not later than one year after issuance of the order. ~~If~~ 53417

If the director determines that closure of the facility 53418
within that one-year period would result in the unavailability of 53419
sufficient solid waste management facility capacity within the 53420
county or joint solid waste management district in which the 53421
facility is located to dispose of or transfer the solid waste 53422
generated within the district, the director in the order of ~~denial~~ 53423
~~or~~ disapproval may postpone commencement of closure of the 53424
facility for such period of time as the director finds necessary 53425
for the board of county commissioners or directors of the district 53426
to secure access to or for there to be constructed within the 53427
district sufficient solid waste management facility capacity to 53428
meet the needs of the district, provided that the director shall 53429
certify in the director's order that postponing the date for 53430
commencement of closure will not endanger ground water or any 53431

property surrounding the facility, allow methane gas migration to occur, or cause or contribute to any other type of environmental damage. 53432
53433
53434

If an emergency need for disposal capacity that may affect public health and safety exists as a result of closure of a facility under division (A)~~(6)~~(4) of this section, the director may issue an order designating another solid waste facility to accept the wastes that would have been disposed of at the facility to be closed. 53435

If a permit is issued, the director shall state in the order issuing it the specific findings supporting each such term or condition. 53441

procure a license to operate the facility for that year from the 53484
board of health of the health district in which the facility is 53485
located or, if the health district is not on the approved list 53486
under section 3734.08 of the Revised Code, from the director. The 53487
application for such a license shall be submitted to the board of 53488
health or to the director, as appropriate, on or before the last 53489
day of September of the year preceding that for which the license 53490
is sought. In addition to the application fee prescribed in 53491
division (B)(2)(c) of this section, a person who submits an 53492
application after that date shall pay an additional ten per cent 53493
of the amount of the application fee for each week that the 53494
application is late. Late payment fees accompanying an application 53495

submitted to the board of health shall be credited to the special 53496
infectious waste fund of the health district created in division 53497
(C) of section 3734.06 of the Revised Code, and late payment fees 53498
accompanying an application submitted to the director shall be 53499
credited to the general revenue fund. A person who has received a 53500
license, upon sale or disposition of an infectious waste treatment 53501
facility and upon consent of the board of health and the director, 53502
may have the license transferred to another person. The board of 53503
health or the director may include such terms and conditions in a 53504
license or revision to a license as are appropriate to ensure 53505
compliance with the infectious waste provisions of this chapter 53506
and rules adopted under them. 53507

(b) Each person proposing to open a new infectious waste 53508
treatment facility or to modify an existing infectious waste 53509
treatment facility shall submit an application for a permit with 53510
accompanying detail plans and specifications to the environmental 53511
protection agency for required approval under the rules adopted by 53512
the director pursuant to section 3734.021 of the Revised Code two 53513
hundred seventy days before proposed operation of the facility and 53514
concurrently shall make application for a license with the board 53515
of health of the health district in which the facility is or is 53516
proposed to be located. Not later than ninety days after receiving 53517
a complete application under division (B)(2)(b) of this section 53518
for a permit to open a new infectious waste treatment facility or 53519
modify an existing infectious waste treatment facility to expand 53520
its treatment capacity, or receiving a complete application under 53521
division (A)(2)(a) of this section for a permit to open a new 53522
solid waste incineration facility, or modify an existing solid 53523
waste incineration facility to also treat infectious wastes or to 53524
increase its infectious waste treatment capacity, that pertains to 53525
a facility for which a notation authorizing infectious waste 53526
treatment is included or proposed to be included in the solid 53527
waste incineration facility's license pursuant to division (B)(3) 53528

of this section, the director shall hold a public hearing on the application within the county in which the new or modified infectious waste or solid waste facility is or is proposed to be located or within a contiguous county. Not less than thirty days before holding the public hearing on the application, the director shall publish notice of the hearing in each newspaper that has general circulation and that is published in the county in which the facility is or is proposed to be located. If there is no newspaper that has general circulation and that is published in the county, the director shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public hearing and a general description of the proposed new or modified facility. At the public hearing, any person may submit written or oral comments or objections to the approval or disapproval of the application. The applicant, or a representative of the applicant who has knowledge of the location, construction, and operation of the facility, shall attend the public hearing to respond to comments or questions concerning the facility directed to the applicant or representative by the officer or employee of the environmental protection agency presiding at the hearing.

(c) Each application for a permit under division (B)(2)(b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (B)(2)(a) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application

fee shall be credited to the general revenue fund. If a permit or 53562
license is issued, the amount of the application fee paid shall be 53563
deducted from the amount of the permit fee due under division (Q) 53564
of section 3745.11 of the Revised Code or the amount of the 53565
license fee due under division (C) of section 3734.06 of the 53566
Revised Code. 53567

(d) The director may issue an order in accordance with 53568
Chapter 3745. of the Revised Code to the owner or operator of an 53569
infectious waste treatment facility requiring the person to submit 53570
to the director updated engineering detail plans, specifications, 53571
and information regarding the facility and its method of operation 53572
for approval under rules adopted under section 3734.021 of the 53573
Revised Code if, in the director's judgment, conditions at the 53574
facility constitute a substantial threat to public health or 53575
safety or are causing or contributing to or threatening to cause 53576
or contribute to air or water pollution or soil contamination. Any 53577
person who receives such an order shall submit the updated 53578
engineering detail plans, specifications, and information to the 53579
director within one hundred eighty days after the effective date 53580
of the order. 53581

(e) The director shall act on any updated engineering plans, 53582
specifications, and information submitted under division (B)(2)(d) 53583
of this section within one hundred eighty days after receiving 53584
them. If the director disapproves any such updated engineering 53585
plans, specifications, and information, the director shall include 53586
in the order disapproving the plans the requirement that the owner 53587
or operator cease accepting infectious wastes for treatment at the 53588
facility. 53589

(3) Division (B) of this section does not apply to a 53590
generator of infectious wastes that meets any of the following 53591
conditions: 53592

(a) Treats, by methods, techniques, and practices established 53593

by rules adopted under division (B)(2)(a) of section 3734.021 of 53594
the Revised Code, any of the following wastes: 53595

(i) Infectious wastes that are generated on any premises that 53596
are owned or operated by the generator; 53597

(ii) Infectious wastes that are generated by a generator who 53598
has staff privileges at a hospital as defined in section 3727.01 53599
of the Revised Code; 53600

(iii) Infectious wastes that are generated in providing care 53601
to a patient by an emergency medical services organization as 53602
defined in section 4765.01 of the Revised Code. 53603

(b) Holds a license or renewal of a license to operate a 53604
crematory facility issued under Chapter 4717. and a permit issued 53605
under Chapter 3704. of the Revised Code; 53606

(c) Treats or disposes of dead animals or parts thereof, or 53607
the blood of animals, and is subject to any of the following: 53608

(i) Inspection under the "Federal Meat Inspection Act," 81 53609
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 53610

(ii) Chapter 918. of the Revised Code; 53611

(iii) Chapter 953. of the Revised Code. 53612

Nothing in division (B) of this section requires a facility 53613
that holds a license issued under division (A) of this section as 53614
a solid waste facility and that also treats infectious wastes by 53615
the same method, technique, or process to obtain a license under 53616
division (B) of this section as an infectious waste treatment 53617
facility. However, the solid waste facility license for the 53618
facility shall include the notation that the facility also treats 53619
infectious wastes. 53620

The director shall not issue a permit to open a new solid 53621
waste incineration facility unless the proposed facility complies 53622
with the requirements for the location of new infectious waste 53623

incineration facilities established in rules adopted under 53624
division (B)(2)(b) of section 3734.021 of the Revised Code. 53625

(C) Except for a facility or activity described in division 53626
(E)(3) of section 3734.02 of the Revised Code, a person who 53627
proposes to establish or operate a hazardous waste facility shall 53628
submit a complete application for a hazardous waste facility 53629
installation and operation permit and accompanying detail plans, 53630
specifications, and such information as the director may require 53631
to the environmental protection agency at least one hundred eighty 53632
days before the proposed beginning of operation of the facility. 53633
The applicant shall notify by certified mail the legislative 53634
authority of each municipal corporation, township, and county in 53635
which the facility is proposed to be located of the submission of 53636
the application within ten days after the submission or at such 53637
earlier time as the director may establish by rule. If the 53638
application is for a proposed new hazardous waste disposal or 53639
thermal treatment facility, the applicant also shall give actual 53640
notice of the general design and purpose of the facility to the 53641
legislative authority of each municipal corporation, township, and 53642
county in which the facility is proposed to be located at least 53643
ninety days before the permit application is submitted to the 53644
environmental protection agency. 53645

In accordance with rules adopted under section 3734.12 of the 53646
Revised Code, prior to the submission of a complete application 53647
for a hazardous waste facility installation and operation permit, 53648
the applicant shall hold at least one meeting in the township or 53649
municipal corporation in which the facility is proposed to be 53650
located, whichever is geographically closer to the proposed 53651
location of the facility. The meeting shall be open to the public 53652
and shall be held to inform the community of the proposed 53653
hazardous waste management activities and to solicit questions 53654
from the community concerning the activities. 53655

(D)(1) Except as provided in section 3734.123 of the Revised Code, upon receipt of a complete application for a hazardous waste facility installation and operation permit under division (C) of this section, the director shall consider the application and accompanying information to determine whether the application complies with agency rules and the requirements of division (D)(2) of this section. After making a determination, the director shall issue either a draft permit or a notice of intent to deny the permit. The director, in accordance with rules adopted under section 3734.12 of the Revised Code or with rules adopted to implement Chapter 3745. of the Revised Code, shall provide public notice of the application and the draft permit or the notice of intent to deny the permit, provide an opportunity for public comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I)(3) of this section unless the director finds and determines as follows:

(a) The nature and volume of the waste to be treated, stored, or disposed of at the facility;

(b) That the facility complies with the director's hazardous waste standards adopted pursuant to section 3734.12 of the Revised Code;

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations;

(d) That the facility represents the minimum risk of all of the following: 53687
53688

(i) Fires or explosions from treatment, storage, or disposal methods; 53689
53690

(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility; 53691
53692

(iii) Adverse impact on the public health and safety. 53693

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them; 53694
53695
53696

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under the applicable provisions of this chapter and Chapters 3704. and 6111. of the Revised Code, the applicable rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that could result from the irresponsible operation of the facility. For off-site facilities, as defined in section 3734.41 of the Revised Code, the director may use the investigative reports of the 53697

53701
53702
53703

attorney general prepared pursuant to section 3734.42 of the Revised Code as a basis for making a finding and determination under division (D)(2)(f) of this section.

(g) That the active areas within a new hazardous waste facility where acute hazardous waste as listed in 40 C.F.R. 261.33 (e), as amended, or organic waste that is toxic and is listed under 40 C.F.R. 261, as amended, is being stored, treated, or disposed of and where the aggregate of the storage design capacity and the disposal design capacity of all hazardous waste in those areas is greater than two hundred fifty thousand gallons, are not located or operated within any of the following:

(i) Two thousand feet of any residence, school, hospital, jail, or prison;

(ii) Any naturally occurring wetland;

(iii) Any flood hazard area if the applicant cannot show that the facility will be designed, constructed, operated, and maintained to prevent washout by a one-hundred-year flood.

Division (D)(2)(g) of this section does not apply to the facility of any applicant who demonstrates to the director that the limitations specified in that division are not necessary because of the nature or volume of the waste and the manner of management applied, the facility will impose no substantial danger to the health and safety of persons occupying the structures listed in division (D)(2)(g)(i) of this section, and the facility is to be located or operated in an area where the proposed hazardous waste activities will not be incompatible with existing land uses in the area.

(h) That the facility will not be located within the boundaries of a state park established or dedicated under Chapter 1546. of the Revised Code, a state park purchase area established under section 1546.06 of the Revised Code, any unit of the

national park system, or any property that lies within the 53749
boundaries of a national park or recreation area, but that has not 53750
been acquired or is not administered by the secretary of the 53751
United States department of the interior, located in this state, 53752
or any candidate area located in this state identified for 53753
potential inclusion in the national park system in the edition of 53754
the "national park system plan" submitted under paragraph (b) of 53755
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 53756
U.S.C.A. 1a-5, as amended, current at the time of filing of the 53757
application for the permit, unless the facility will be used 53758
exclusively for the storage of hazardous waste generated within 53759
the park or recreation area in conjunction with the operation of 53760
the park or recreation area. Division (D)(2)(h) of this section 53761
does not apply to the facility of any applicant for modification 53762
of a permit unless the modification application proposes to 53763
increase the land area included in the facility or to increase the 53764
quantity of hazardous waste that will be treated, stored, or 53765
disposed of at the facility. 53766

(3) Not later than one hundred eighty days after the end of 53767
the public comment period, the director, without prior hearing, 53768
shall issue or deny the permit in accordance with Chapter 3745. of 53769
the Revised Code. If the director approves an application for a 53770
hazardous waste facility installation and operation permit, the 53771
director shall issue the permit, upon such terms and conditions as 53772
the director finds are necessary to ensure the construction and 53773
operation of the hazardous waste facility in accordance with the 53774
standards of this section. 53775

(E) No political subdivision of this state shall require any 53776
additional zoning or other approval, consent, permit, certificate, 53777
or condition for the construction or operation of a hazardous 53778
waste facility authorized by a hazardous waste facility 53779
installation and operation permit issued pursuant to this chapter, 53780

nor shall any political subdivision adopt or enforce any law, 53781
ordinance, or rule that in any way alters, impairs, or limits the 53782
authority granted in the permit. 53783

(F) The director may issue a single hazardous waste facility 53784
installation and operation permit to a person who operates two or 53785
more adjoining facilities where hazardous waste is stored, 53786
treated, or disposed of if the application includes detail plans, 53787
specifications, and information on all facilities. For the 53788
purposes of this section, "adjoining" means sharing a common 53789
boundary, separated only by a public road, or in such proximity 53790
that the director determines that the issuance of a single permit 53791
will not create a hazard to the public health or safety or the 53792
environment. 53793

(G) No person shall falsify or fail to keep or submit any 53794
plans, specifications, data, reports, records, manifests, or other 53795
information required to be kept or submitted to the director by 53796
this chapter or the rules adopted under it. 53797

(H)(1) Each person who holds an installation and operation 53798
permit issued under this section and who wishes to obtain a permit 53799
renewal shall submit a completed application for an installation 53800
and operation permit renewal and any necessary accompanying 53801
general plans, detail plans, specifications, and such information 53802
as the director may require to the director no later than one 53803
hundred eighty days prior to the expiration date of the existing 53804
permit or upon a later date prior to the expiration of the 53805
existing permit if the permittee can demonstrate good cause for 53806
the late submittal. The director shall consider the application 53807
and accompanying information, inspection reports of the facility, 53808
results of performance tests, a report regarding the facility's 53809
compliance or noncompliance with the terms and conditions of its 53810
permit and rules adopted by the director under this chapter, and 53811
such other information as is relevant to the operation of the 53812

facility and shall issue a draft renewal permit or a notice of 53813
intent to deny the renewal permit. The director, in accordance 53814
with rules adopted under this section or with rules adopted to 53815
implement Chapter 3745. of the Revised Code, shall give public 53816
notice of the application and draft renewal permit or notice of 53817
intent to deny the renewal permit, provide for the opportunity for 53818
public comments within a specified time period, schedule a public 53819
meeting in the county in which the facility is located if 53820
significant interest is shown, and give public notice of the 53821
public meeting. 53822

(2) Within sixty days after the public meeting or close of 53823
the public comment period, the director, without prior hearing, 53824
shall issue or deny the renewal permit in accordance with Chapter 53825
3745. of the Revised Code. The director shall not issue a renewal 53826
permit unless the director determines that the facility under the 53827
existing permit has a history of compliance with this chapter, 53828
rules adopted under it, the existing permit, or orders entered to 53829
enforce such requirements that demonstrates sufficient 53830
reliability, expertise, and competency to operate the facility 53831
henceforth under this chapter, rules adopted under it, and the 53832
renewal permit. If the director approves an application for a 53833
renewal permit, the director shall issue the permit subject to the 53834
payment of the annual permit fee required under division (E) of 53835
section 3734.02 of the Revised Code and upon such terms and 53836
conditions as the director finds are reasonable to ensure that 53837
continued operation, maintenance, closure, and post-closure care 53838
of the hazardous waste facility are in accordance with the rules 53839
adopted under section 3734.12 of the Revised Code. 53840

(3) An installation and operation permit renewal application 53841
submitted to the director that also contains or would constitute 53842
an application for a modification shall be acted upon by the 53843
director in accordance with division (I) of this section in the 53844

same manner as an application for a modification. In approving or 53845
disapproving the renewal portion of a permit renewal application 53846
containing an application for a modification, the director shall 53847
apply the criteria established under division (H)(2) of this 53848
section. 53849

(4) An application for renewal or modification of a permit 53850
that does not contain an application for a modification as 53851
described in divisions (I)(3)(a) to (d) of this section shall not 53852
be subject to division (D)(2) of this section. 53853

(I)(1) As used in this section, "modification" means a change 53854
or alteration to a hazardous waste facility or its operations that 53855
is inconsistent with or not authorized by its existing permit or 53856
authorization to operate. Modifications shall be classified as 53857
Class 1, 2, or 3 modifications in accordance with rules adopted 53858
under division (K) of this section. Modifications classified as 53859
Class 3 modifications, in accordance with rules adopted under that 53860
division, shall be further classified by the director as either 53861
Class 3 modifications that are to be approved or disapproved by 53862
the director under divisions (I)(3)(a) to (d) of this section or 53863
as Class 3 modifications that are to be approved or disapproved by 53864
the director under division (I)(5) of this section. Not later than 53865
thirty days after receiving a request for a modification under 53866
division (I)(4) of this section that is not listed in Appendix I 53867
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 53868
section, the director shall classify the modification and shall 53869
notify the owner or operator of the facility requesting the 53870
modification of the classification. Notwithstanding any other law 53871
to the contrary, a modification that involves the transfer of a 53872
hazardous waste facility installation and operation permit to a 53873
new owner or operator for any off-site facility as defined in 53874
section 3734.41 of the Revised Code shall be classified as a Class 53875
3 modification. The transfer of a hazardous waste facility 53876

installation and operation permit to a new owner or operator for a facility that is not an off-site facility shall be classified as a Class 1 modification requiring prior approval of the director.

(2) Except as provided in section 3734.123 of the Revised Code, a hazardous waste facility installation and operation permit may be modified at the request of the director or upon the written request of the permittee only if any of the following applies:

(a) The permittee desires to accomplish alterations, additions, or deletions to the permitted facility or to undertake alterations, additions, deletions, or activities that are inconsistent with or not authorized by the existing permit;

(b) New information or data justify permit conditions in addition to or different from those in the existing permit;

(c) The standards, criteria, or rules upon which the existing permit is based have been changed by new, amended, or rescinded standards, criteria, or rules, or by judicial decision after the existing permit was issued, and the change justifies permit conditions in addition to or different from those in the existing permit;

(d) The permittee proposes to transfer the permit to another person.

(3) The director shall approve or disapprove an application for a modification in accordance with division (D)(2) of this section and rules adopted under division (K) of this section for all of the following categories of Class 3 modifications:

(a) Authority to conduct treatment, storage, or disposal at a site, location, or tract of land that has not been authorized for the proposed category of treatment, storage, or disposal activity by the facility's permit;

(b) Modification or addition of a hazardous waste management

unit, as defined in rules adopted under section 3734.12 of the Revised Code, that results in an increase in a facility's storage capacity of more than twenty-five per cent over the capacity authorized by the facility's permit, an increase in a facility's treatment rate of more than twenty-five per cent over the rate so authorized, or an increase in a facility's disposal capacity over the capacity so authorized. The authorized disposal capacity for a facility shall be calculated from the approved design plans for the disposal units at that facility. In no case during a five-year period shall a facility's storage capacity or treatment rate be modified to increase by more than twenty-five per cent in the aggregate without the director's approval in accordance with division (D)(2) of this section. Notwithstanding any provision of division (I) of this section to the contrary, a request for modification of a facility's annual total waste receipt limit shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(c) Authority to add any of the following categories of regulated activities not previously authorized at a facility by the facility's permit: storage at a facility not previously authorized to store hazardous waste, treatment at a facility not previously authorized to treat hazardous waste, or disposal at a facility not previously authorized to dispose of hazardous waste; or authority to add a category of hazardous waste management unit not previously authorized at the facility by the facility's permit. Notwithstanding any provision of division (I) of this section to the contrary, a request for authority to add or to modify an activity or a hazardous waste management unit for the purposes of performing a corrective action shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(d) Authority to treat, store, or dispose of waste types

listed or characterized as reactive or explosive, in rules adopted 53939
under section 3734.12 of the Revised Code, or any acute hazardous 53940
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 53941
previously authorized to treat, store, or dispose of those types 53942
of wastes by the facility's permit unless the requested authority 53943
is limited to wastes that no longer exhibit characteristics 53944
meeting the criteria for listing or characterization as reactive 53945
or explosive wastes, or for listing as acute hazardous waste, but 53946
still are required to carry those waste codes as established in 53947
rules adopted under section 3734.12 of the Revised Code because of 53948
the requirements established in 40 C.F.R. 261(a) and (e), as 53949
amended, that is, the "mixture," "derived-from," or "contained-in" 53950
regulations. 53951

the release of information. 54375

(2) Every ~~three~~ five years, an applicant, permittee, or 54376
prospective owner shall submit an affidavit listing all of the 54377
following regarding a business concern required to be listed in 54378
the applicant's, permittee's, or prospective owner's disclosure 54379
statement: 54380

(a) Any administrative enforcement order issued to the 54381
business concern in connection with any violation of any federal 54382
or state environmental protection laws, rules, or regulations 54383
during the previous ~~three-year~~ five-year period; 54384

(b) Any civil action in which the business concern was 54385
determined to be liable or was the subject of injunctive relief or 54386
another type of civil relief in connection with any violation of 54387
any federal or state environmental protection laws, rules, or 54388
regulations during the previous ~~three-year~~ five-year period; 54389

(c) Any criminal conviction for a violation of any federal or 54390
state environmental protection laws, rules, or regulations that 54391
has been committed knowingly or recklessly by the business concern 54392
during the previous ~~three-year~~ five-year period. 54393

(G) With respect to an applicant, permittee, or prospective 54394
owner, the attorney general shall notify the director of 54395
environmental protection of any crime ascertained under division 54396
(E) or (F) of this section that is a disqualifying crime under 54397
section 3734.44 of the Revised Code. The attorney general shall 54398
provide the notification not later than thirty days after the 54399
crime was ascertained. 54400

(H) The failure to provide information under this section may 54401
constitute the basis for the revocation of a permit or license, 54402
the denial of a permit or license application, the denial of a 54403
renewal of a permit or license, or the disapproval of a change in 54404
ownership as described in division (I) of this section. Prior to a 54405
denial, revocation, or disapproval, the director shall notify the 54406
applicant, permittee, or prospective owner of the director's 54407
intention to do so. The director shall give the applicant, 54408
permittee, or prospective owner fourteen days from the date of the 54409
notice to explain why the information was not provided. The 54410
director shall consider the explanation when determining whether 54411
to revoke the permit or license, deny the permit or license 54412

application or renewal, or disapprove the change in ownership. 54413

Nothing in this section affects the rights of the director or 54414
the attorney general granted under sections 3734.40 to 3734.47 of 54415
the Revised Code to request information from a person at any other 54416
time. 54417

(I)(1) Whenever there is a change in ownership of any 54418
operating off-site solid waste facility, any operating off-site 54419
infectious waste facility, or any operating off-site hazardous 54420
waste facility, the prospective owner shall file a disclosure 54421
statement with the attorney general and the director at least one 54422
hundred eighty days prior to the proposed change in ownership. In 54423
addition, whenever there is a change in ownership of any operating 54424
on-site solid waste facility, any operating on-site infectious 54425
waste facility, or any operating on-site hazardous waste facility 54426
and the prospective owner intends to operate the facility as an 54427
off-site facility by accepting wastes other than wastes generated 54428
by the facility owner, the prospective owner shall file a 54429
disclosure statement with the attorney general and the director. 54430
The prospective owner shall file the disclosure statement at least 54431
one hundred eighty days prior to the proposed change in ownership. 54432

Upon receipt of the disclosure statement, the attorney 54433
general shall prepare an investigative report and transmit it to 54434
the director. The director shall review the disclosure statement 54435
and investigative report to determine whether the statement or 54436
report contains information that if submitted with a permit 54437
application would require a denial of the permit pursuant to 54438
section 3734.44 of the Revised Code. If the director determines 54439
that the statement or report contains such information, the 54440
director shall disapprove the change in ownership. 54441

(2) If the parties to a change in ownership decide to proceed 54442
with the change prior to the action of the director on the 54443
disclosure statement and investigative report, the parties shall 54444

include in all contracts or other documents reflecting the change 54445
in ownership language expressly making the change in ownership 54446
subject to the approval of the director and expressly negating the 54447
change if it is disapproved by the director pursuant to division 54448
(I)(1) of this section. 54449

(3) As used in this section, "change in ownership" includes a 54450
change of the individuals or entities who own a solid waste 54451
facility, infectious waste facility, or hazardous waste facility. 54452
"Change in ownership" does not include a legal change in a 54453
business concern's name when its ownership otherwise remains the 54454
same. "Change in ownership" also does not include a personal name 54455
change of officers, directors, partners, or key employees 54456
contained in a disclosure statement. 54457

Sec. 3734.57. (A) The following fees are hereby levied on the 54458
transfer or disposal of solid wastes in this state: 54459

(1) Ninety cents per ton through June 30, ~~2018~~ 2020, twenty 54460
cents of the proceeds of which shall be deposited in the state 54461
treasury to the credit of the hazardous waste facility management 54462
fund created in section 3734.18 of the Revised Code and seventy 54463
cents of the proceeds of which shall be deposited in the state 54464
treasury to the credit of the hazardous waste clean-up fund 54465
created in section 3734.28 of the Revised Code; 54466

(2) An additional seventy-five cents per ton through June 30, 54467
~~2018~~ 2020, the proceeds of which shall be deposited in the state 54468
treasury to the credit of the waste management fund created in 54469
section 3734.061 of the Revised Code. 54470

(3) An additional two dollars and eighty-five cents per ton 54471
through June 30, ~~2018~~ 2020, the proceeds of which shall be 54472
deposited in the state treasury to the credit of the environmental 54473
protection fund created in section 3745.015 of the Revised Code; 54474

(4) An additional twenty-five cents per ton through June 30, 54475
~~2018~~ 2020, the proceeds of which shall be deposited in the state 54476
treasury to the credit of the soil and water conservation district 54477
assistance fund created in section 940.15 of the Revised Code. 54478

In the case of solid wastes that are taken to a solid waste 54479
transfer facility located in this state prior to being transported 54480
for disposal at a solid waste disposal facility located in this 54481
state or outside of this state, the fees levied under this 54482
division shall be collected by the owner or operator of the 54483
transfer facility as a trustee for the state. The amount of fees 54484
required to be collected under this division at such a transfer 54485
facility shall equal the total tonnage of solid wastes received at 54486
the facility multiplied by the fees levied under this division. In 54487
the case of solid wastes that are not taken to a solid waste 54488
transfer facility located in this state prior to being transported 54489
to a solid waste disposal facility, the fees shall be collected by 54490
the owner or operator of the solid waste disposal facility as a 54491
trustee for the state. The amount of fees required to be collected 54492
under this division at such a disposal facility shall equal the 54493
total tonnage of solid wastes received at the facility that was 54494
not previously taken to a solid waste transfer facility located in 54495
this state multiplied by the fees levied under this division. Fees 54496
levied under this division do not apply to materials separated 54497
from a mixed waste stream for recycling by a generator or 54498
materials removed from the solid waste stream through recycling, 54499
as "recycling" is defined in rules adopted under section 3734.02 54500
of the Revised Code. 54501

The owner or operator of a solid waste transfer facility or 54502
disposal facility, as applicable, shall prepare and file with the 54503
director of environmental protection each month a return 54504
indicating the total tonnage of solid wastes received at the 54505
facility during that month and the total amount of the fees 54506

required to be collected under this division during that month. In 54507
addition, the owner or operator of a solid waste disposal facility 54508
shall indicate on the return the total tonnage of solid wastes 54509
received from transfer facilities located in this state during 54510
that month for which the fees were required to be collected by the 54511
transfer facilities. The monthly returns shall be filed on a form 54512
prescribed by the director. Not later than thirty days after the 54513
last day of the month to which a return applies, the owner or 54514
operator shall mail to the director the return for that month 54515
together with the fees required to be collected under this 54516
division during that month as indicated on the return or may 54517
submit the return and fees electronically in a manner approved by 54518
the director. If the return is filed and the amount of the fees 54519
due is paid in a timely manner as required in this division, the 54520
owner or operator may retain a discount of three-fourths of one 54521
per cent of the total amount of the fees that are required to be 54522
paid as indicated on the return. 54523

The owner or operator may request an extension of not more 54524
than thirty days for filing the return and remitting the fees, 54525
provided that the owner or operator has submitted such a request 54526
in writing to the director together with a detailed description of 54527
why the extension is requested, the director has received the 54528
request not later than the day on which the return is required to 54529
be filed, and the director has approved the request. If the fees 54530
are not remitted within thirty days after the last day of the 54531
month to which the return applies or are not remitted by the last 54532
day of an extension approved by the director, the owner or 54533
operator shall not retain the three-fourths of one per cent 54534
discount and shall pay an additional ten per cent of the amount of 54535
the fees for each month that they are late. For purposes of 54536
calculating the late fee, the first month in which fees are late 54537
begins on the first day after the deadline has passed for timely 54538
submitting the return and fees, and one additional month shall be 54539

counted every thirty days thereafter. 54540

The owner or operator of a solid waste facility may request a 54541
refund or credit of fees levied under this division and remitted 54542
to the director that have not been paid to the owner or operator. 54543
Such a request shall be made only if the fees have not been 54544
collected by the owner or operator, have become a debt that has 54545
become worthless or uncollectable for a period of six months or 54546
more, and may be claimed as a deduction, including a deduction 54547
claimed if the owner or operator keeps accounts on an accrual 54548
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 54549
U.S.C. 166, as amended, and regulations adopted under it. Prior to 54550
making a request for a refund or credit, an owner or operator 54551
shall make reasonable efforts to collect the applicable fees. A 54552
request for a refund or credit shall not include any costs 54553
resulting from those efforts to collect unpaid fees. 54554

A request for a refund or credit of fees shall be made in 54555
writing, on a form prescribed by the director, and shall be 54556
supported by evidence that may be required in rules adopted by the 54557
director under this chapter. After reviewing the request, and if 54558
the request and evidence submitted with the request indicate that 54559
a refund or credit is warranted, the director shall grant a refund 54560
to the owner or operator or shall permit a credit to be taken by 54561
the owner or operator on a subsequent monthly return submitted by 54562
the owner or operator. The amount of a refund or credit shall not 54563
exceed an amount that is equal to ninety days' worth of fees owed 54564
to an owner or operator by a particular debtor of the owner or 54565
operator. A refund or credit shall not be granted by the director 54566
to an owner or operator more than once in any twelve-month period 54567
for fees owed to the owner or operator by a particular debtor. 54568

If, after receiving a refund or credit from the director, an 54569
owner or operator receives payment of all or part of the fees, the 54570
owner or operator shall remit the fees with the next monthly 54571

return submitted to the director together with a written 54572
explanation of the reason for the submittal. 54573

For purposes of computing the fees levied under this division 54574
or division (B) of this section, any solid waste transfer or 54575
disposal facility that does not use scales as a means of 54576
determining gate receipts shall use a conversion factor of three 54577
cubic yards per ton of solid waste or one cubic yard per ton for 54578
baled waste, as applicable. 54579

The fees levied under this division and divisions (B) and (C) 54580
of this section are in addition to all other applicable fees and 54581
taxes and shall be paid by the customer or a political subdivision 54582
to the owner or operator of a solid waste transfer or disposal 54583
facility. In the alternative, the fees shall be paid by a customer 54584
or political subdivision to a transporter of waste who 54585
subsequently transfers the fees to the owner or operator of such a 54586
facility. The fees shall be paid notwithstanding the existence of 54587
any provision in a contract that the customer or a political 54588
subdivision may have with the owner or operator or with a 54589
transporter of waste to the facility that would not require or 54590
allow such payment regardless of whether the contract was entered 54591
prior to or after October 16, 2009. For those purposes, "customer" 54592
means a person who contracts with, or utilizes the solid waste 54593
services of, the owner or operator of a solid waste transfer or 54594
disposal facility or a transporter of solid waste to such a 54595
facility. 54596

(B) For the purposes specified in division (G) of this 54597
section, the solid waste management policy committee of a county 54598
or joint solid waste management district may levy fees upon the 54599
following activities: 54600

(1) The disposal at a solid waste disposal facility located 54601
in the district of solid wastes generated within the district; 54602

(2) The disposal at a solid waste disposal facility within 54603
the district of solid wastes generated outside the boundaries of 54604
the district, but inside this state; 54605

(3) The disposal at a solid waste disposal facility within 54606
the district of solid wastes generated outside the boundaries of 54607
this state. 54608

The solid waste management plan of the county or joint 54609
district approved under section 3734.521 or 3734.55 of the Revised 54610
Code and any amendments to it, or the resolution adopted under 54611
this division, as appropriate, shall establish the rates of the 54612
fees levied under divisions (B)(1), (2), and (3) of this section, 54613
if any, and shall specify whether the fees are levied on the basis 54614
of tons or cubic yards as the unit of measurement. A solid waste 54615
management district that levies fees under this division on the 54616
basis of cubic yards shall do so in accordance with division (A) 54617
of this section. 54618

The fee levied under division (B)(1) of this section shall be 54619
not less than one dollar per ton nor more than two dollars per 54620
ton, the fee levied under division (B)(2) of this section shall be 54621
not less than two dollars per ton nor more than four dollars per 54622
ton, and the fee levied under division (B)(3) of this section 54623
shall be not more than the fee levied under division (B)(1) of 54624
this section. 54625

Prior to the approval of the solid waste management plan of a 54626
district under section 3734.55 of the Revised Code, the solid 54627
waste management policy committee of a district may levy fees 54628
under this division by adopting a resolution establishing the 54629
proposed amount of the fees. Upon adopting the resolution, the 54630
committee shall deliver a copy of the resolution to the board of 54631
county commissioners of each county forming the district and to 54632
the legislative authority of each municipal corporation and 54633
township under the jurisdiction of the district and shall prepare 54634

and publish the resolution and a notice of the time and location 54635
where a public hearing on the fees will be held. Upon adopting the 54636
resolution, the committee shall deliver written notice of the 54637
adoption of the resolution; of the amount of the proposed fees; 54638
and of the date, time, and location of the public hearing to the 54639
director and to the fifty industrial, commercial, or institutional 54640
generators of solid wastes within the district that generate the 54641
largest quantities of solid wastes, as determined by the 54642
committee, and to their local trade associations. The committee 54643
shall make good faith efforts to identify those generators within 54644
the district and their local trade associations, but the 54645
nonprovision of notice under this division to a particular 54646
generator or local trade association does not invalidate the 54647
proceedings under this division. The publication shall occur at 54648
least thirty days before the hearing. After the hearing, the 54649
committee may make such revisions to the proposed fees as it 54650
considers appropriate and thereafter, by resolution, shall adopt 54651
the revised fee schedule. Upon adopting the revised fee schedule, 54652
the committee shall deliver a copy of the resolution doing so to 54653
the board of county commissioners of each county forming the 54654
district and to the legislative authority of each municipal 54655
corporation and township under the jurisdiction of the district. 54656
Within sixty days after the delivery of a copy of the resolution 54657
adopting the proposed revised fees by the policy committee, each 54658
such board and legislative authority, by ordinance or resolution, 54659
shall approve or disapprove the revised fees and deliver a copy of 54660
the ordinance or resolution to the committee. If any such board or 54661
legislative authority fails to adopt and deliver to the policy 54662
committee an ordinance or resolution approving or disapproving the 54663
revised fees within sixty days after the policy committee 54664
delivered its resolution adopting the proposed revised fees, it 54665
shall be conclusively presumed that the board or legislative 54666
authority has approved the proposed revised fees. The committee 54667

shall determine if the resolution has been ratified in the same 54668
manner in which it determines if a draft solid waste management 54669
plan has been ratified under division (B) of section 3734.55 of 54670
the Revised Code. 54671

The committee may amend the schedule of fees levied pursuant 54672
to a resolution adopted and ratified under this division by 54673
adopting a resolution establishing the proposed amount of the 54674
amended fees. The committee may repeal the fees levied pursuant to 54675
such a resolution by adopting a resolution proposing to repeal 54676
them. Upon adopting such a resolution, the committee shall proceed 54677
to obtain ratification of the resolution in accordance with this 54678
division. 54679

Not later than fourteen days after declaring the new fees to 54680
be ratified or the fees to be repealed under this division, the 54681
committee shall notify by certified mail the owner or operator of 54682
each solid waste disposal facility that is required to collect the 54683
fees of the ratification and the amount of the fees or of the 54684
repeal of the fees. Collection of any fees shall commence or 54685
collection of repealed fees shall cease on the first day of the 54686
second month following the month in which notification is sent to 54687
the owner or operator. 54688

Fees levied under this division also may be established, 54689
amended, or repealed by a solid waste management policy committee 54690
through the adoption of a new district solid waste management 54691
plan, the adoption of an amended plan, or the amendment of the 54692
plan or amended plan in accordance with sections 3734.55 and 54693
3734.56 of the Revised Code or the adoption or amendment of a 54694
district plan in connection with a change in district composition 54695
under section 3734.521 of the Revised Code. 54696

Not later than fourteen days after the director issues an 54697
order approving a district's solid waste management plan, amended 54698
plan, or amendment to a plan or amended plan that establishes, 54699

amends, or repeals a schedule of fees levied by the district, the 54700
committee shall notify by certified mail the owner or operator of 54701
each solid waste disposal facility that is required to collect the 54702
fees of the approval of the plan or amended plan, or the amendment 54703
to the plan, as appropriate, and the amount of the fees, if any. 54704
In the case of an initial or amended plan approved under section 54705
3734.521 of the Revised Code in connection with a change in 54706
district composition, other than one involving the withdrawal of a 54707
county from a joint district, the committee, within fourteen days 54708
after the change takes effect pursuant to division (G) of that 54709
section, shall notify by certified mail the owner or operator of 54710
each solid waste disposal facility that is required to collect the 54711
fees that the change has taken effect and of the amount of the 54712
fees, if any. Collection of any fees shall commence or collection 54713
of repealed fees shall cease on the first day of the second month 54714
following the month in which notification is sent to the owner or 54715
operator. 54716

If, in the case of a change in district composition involving 54717
the withdrawal of a county from a joint district, the director 54718
completes the actions required under division (G)(1) or (3) of 54719
section 3734.521 of the Revised Code, as appropriate, forty-five 54720
days or more before the beginning of a calendar year, the policy 54721
committee of each of the districts resulting from the change that 54722
obtained the director's approval of an initial or amended plan in 54723
connection with the change, within fourteen days after the 54724
director's completion of the required actions, shall notify by 54725
certified mail the owner or operator of each solid waste disposal 54726
facility that is required to collect the district's fees that the 54727
change is to take effect on the first day of January immediately 54728
following the issuance of the notice and of the amount of the fees 54729
or amended fees levied under divisions (B)(1) to (3) of this 54730
section pursuant to the district's initial or amended plan as so 54731
approved or, if appropriate, the repeal of the district's fees by 54732

that initial or amended plan. Collection of any fees set forth in 54733
such a plan or amended plan shall commence on the first day of 54734
January immediately following the issuance of the notice. If such 54735
an initial or amended plan repeals a schedule of fees, collection 54736
of the fees shall cease on that first day of January. 54737

If, in the case of a change in district composition involving 54738
the withdrawal of a county from a joint district, the director 54739
completes the actions required under division (G)(1) or (3) of 54740
section 3734.521 of the Revised Code, as appropriate, less than 54741
forty-five days before the beginning of a calendar year, the 54742
director, on behalf of each of the districts resulting from the 54743
change that obtained the director's approval of an initial or 54744
amended plan in connection with the change proceedings, shall 54745
notify by certified mail the owner or operator of each solid waste 54746
disposal facility that is required to collect the district's fees 54747
that the change is to take effect on the first day of January 54748
immediately following the mailing of the notice and of the amount 54749
of the fees or amended fees levied under divisions (B)(1) to (3) 54750
of this section pursuant to the district's initial or amended plan 54751
as so approved or, if appropriate, the repeal of the district's 54752
fees by that initial or amended plan. Collection of any fees set 54753
forth in such a plan or amended plan shall commence on the first 54754
day of the second month following the month in which notification 54755
is sent to the owner or operator. If such an initial or amended 54756
plan repeals a schedule of fees, collection of the fees shall 54757
cease on the first day of the second month following the month in 54758
which notification is sent to the owner or operator. 54759

If the schedule of fees that a solid waste management 54760
district is levying under divisions (B)(1) to (3) of this section 54761
is amended or repealed, the fees in effect immediately prior to 54762
the amendment or repeal shall continue to be collected until 54763
collection of the amended fees commences or collection of the 54764

repealed fees ceases, as applicable, as specified in this 54765
division. In the case of a change in district composition, money 54766
so received from the collection of the fees of the former 54767
districts shall be divided among the resulting districts in 54768
accordance with division (B) of section 343.012 of the Revised 54769
Code and the agreements entered into under division (B) of section 54770
343.01 of the Revised Code to establish the former and resulting 54771
districts and any amendments to those agreements. 54772

For the purposes of the provisions of division (B) of this 54773
section establishing the times when newly established or amended 54774
fees levied by a district are required to commence and the 54775
collection of fees that have been amended or repealed is required 54776
to cease, "fees" or "schedule of fees" includes, in addition to 54777
fees levied under divisions (B)(1) to (3) of this section, those 54778
levied under section 3734.573 or 3734.574 of the Revised Code. 54779

(C) For the purposes of defraying the added costs to a 54780
municipal corporation or township of maintaining roads and other 54781

resolution or ordinance of the legislative authority or, in the 55398
absence of such a determination, by the classification of the use 55399
of the structure or remodeling under the applicable zoning 55400
regulations. 55401

If construction or remodeling classified as residential is 55402

specified shall apply to all residential construction or 55406
remodeling for which exemption is granted. 55407

The resolution adopted pursuant to this section shall be 55408

this section shall designate a housing officer. In addition, each 55417
such legislative authority, not later than ~~fifteen~~ sixty days 55418
after the adoption of the resolution, shall petition the director 55419
of development services for the director to confirm the findings 55420
described in the resolution. The petition shall be accompanied by 55421
a copy of the resolution and by a map of the community 55422
reinvestment area in sufficient detail to denote the specific 55423
boundaries of the area and to indicate zoning restrictions 55424
applicable to the area. The director shall determine whether the 55425

findings contained in the resolution are valid, and whether the 55426
classification of structures or remodeling eligible for exemption 55427
under the resolution is consistent with zoning restrictions 55428
applicable to the area as indicated on the map. Within thirty days 55429
of receiving the petition, the director shall forward the 55430
director's determination to the legislative authority. The 55431
legislative authority or housing officer shall not grant any 55432
exemption from taxation under section 3735.67 of the Revised Code 55433

legislative authority. The director shall assign to each community 55435
reinvestment area a unique designation by which the area shall be 55436
identified for purposes of sections 3735.65 to 3735.70 of the 55437
Revised Code. 55438

If zoning restrictions in any part of a community 55439
reinvestment area are changed at any time after the legislative 55440
authority petitions the director under this section, the 55441
legislative authority shall notify the director and shall submit a 55442
map of the area indicating the new zoning restrictions in the 55443
area. 55444

storage, treatment, or disposal of sewage sludge. 57273

(7) Beginning in fiscal year 2001, and every two years 57274
thereafter, the director shall review the total amount of moneys 57275
generated by the annual sludge fees to determine if that amount 57276

in the minor's best interests. 59051

section, shall prevent any person from engaging in unlawful 59082
discriminatory practices. 59083

(2) The commission may at any time attempt to resolve 59084
allegations of unlawful discriminatory practices by the use of 59085
alternative dispute resolution, provided that, before instituting 59086
the formal hearing authorized by division (B) of this section, it 59087
shall attempt, by informal methods of conference, conciliation, 59088
and persuasion, to induce compliance with this chapter. 59089

(B)(1) Any person may file a charge with the commission 59090
alleging that another person has engaged or is engaging in an 59091
unlawful discriminatory practice. In the case of a charge alleging 59092
an unlawful discriminatory practice described in division (A), 59093

section 4112.021 or 4112.022 of the Revised Code, the charge shall 59095
be in writing and under oath and shall be filed with the 59096
commission within six months after the alleged unlawful 59097
discriminatory practice was committed. In the case of a charge 59098
alleging an unlawful discriminatory practice described in division 59099
(H) of section 4112.02 of the Revised Code, the charge shall be in 59100
writing and under oath and shall be filed with the commission 59101
within one year after the alleged unlawful discriminatory practice 59102

affirmation the person deems binding on the person's conscience. 59105

electronic mail, or otherwise, may be signed under oath after the 59109
limitations period for filing set forth under division (B)(1) of 59110
this section and will relate back to the original filing date. 59111

(2) Upon receiving a charge, the commission may initiate a 59112
preliminary investigation to determine whether it is probable that 59113
an unlawful discriminatory practice has been or is being engaged 59114
in. The commission also may conduct, upon its own initiative and 59115
independent of the filing of any charges, a preliminary 59116
investigation relating to any of the unlawful discriminatory 59117
practices described in division (A), (B), (C), (D), (E), (F), (I), 59118
or (J) of section 4112.02 or in section 4112.021 or 4112.022 of 59119
the Revised Code. Prior to a notification of a complainant under 59120
division (B)(4) of this section or prior to the commencement of 59121
informal methods of conference, conciliation, and persuasion, or 59122
alternative dispute resolution, under that division, the members 59123
of the commission and the officers and employees of the commission 59124
shall not make public in any manner and shall retain as 59125
confidential all information that was obtained as a result of or 59126
that otherwise pertains to a preliminary investigation other than 59127
one described in division (B)(3) of this section. 59128

(3)(a) Unless it is impracticable to do so and subject to its 59129
authority under division (B)(3)(d) of this section, the commission 59130
shall complete a preliminary investigation of a charge filed 59131
pursuant to division (B)(1) of this section that alleges an 59132
unlawful discriminatory practice described in division (H) of 59133
section 4112.02 of the Revised Code, and shall take one of the 59134
following actions, within one hundred days after the filing of the 59135
charge: 59136

(i) Notify the complainant and the respondent that it is not 59137
probable that an unlawful discriminatory practice described in 59138

division (H) of section 4112.02 of the Revised Code has been or is 59139
being engaged in and that the commission will not issue a 59140
complaint in the matter; 59141

(ii) Initiate a complaint and schedule it for informal 59142
methods of conference, conciliation, and persuasion, or 59143
alternative dispute resolution; 59144

(iii) Initiate a complaint and refer it to the attorney 59145
general with a recommendation to seek a temporary or permanent 59146
injunction or a temporary restraining order. If this action is 59147
taken, the attorney general shall apply, as expeditiously as 59148
possible after receipt of the complaint, to the court of common 59149
pleas of the county in which the unlawful discriminatory practice 59150
allegedly occurred for the appropriate injunction or order, and 59151
the court shall hear and determine the application as 59152
expeditiously as possible. 59153

(b) If it is not practicable to comply with the requirements 59154
of division (B)(3)(a) of this section within the one-hundred-day 59155
period described in that division, the commission shall notify the 59156
complainant and the respondent in writing of the reasons for the 59157
noncompliance. 59158

(c) Prior to the issuance of a complaint under division 59159
(B)(3)(a)(ii) or (iii) of this section or prior to a notification 59160
of the complainant and the respondent under division (B)(3)(a)(i) 59161
of this section, the members of the commission and the officers 59162
and employees of the commission shall not make public in any 59163
manner and shall retain as confidential all information that was 59164
obtained as a result of or that otherwise pertains to a 59165
preliminary investigation of a charge filed pursuant to division 59166
(B)(1) of this section that alleges an unlawful discriminatory 59167
practice described in division (H) of section 4112.02 of the 59168
Revised Code. 59169

(d) Notwithstanding the types of action described in 59170
divisions (B)(3)(a)(ii) and (iii) of this section, prior to the 59171
issuance of a complaint or the referral of a complaint to the 59172
attorney general and prior to endeavoring to eliminate an unlawful 59173
discriminatory practice described in division (H) of section 59174
4112.02 of the Revised Code by informal methods of conference, 59175
conciliation, and persuasion, or by alternative dispute 59176
resolution, the commission may seek a temporary or permanent 59177
injunction or a temporary restraining order in the court of common 59178
pleas of the county in which the unlawful discriminatory practice 59179
allegedly occurred. 59180

(4) If the commission determines after a preliminary 59181
investigation other than one described in division (B)(3) of this 59182
section that it is not probable that an unlawful discriminatory 59183
practice has been or is being engaged in, it shall notify any 59184
complainant under division (B)(1) of this section that it has so 59185
determined and that it will not issue a complaint in the matter. 59186
If the commission determines after a preliminary investigation 59187
other than the one described in division (B)(3) of this section 59188
that it is probable that an unlawful discriminatory practice has 59189
been or is being engaged in, it shall endeavor to eliminate the 59190
practice by informal methods of conference, conciliation, and 59191
persuasion, or by alternative dispute resolution. 59192

(5) Nothing said or done during informal methods of 59193
conference, conciliation, and persuasion, or during alternative 59194
dispute resolution, under this section shall be disclosed by any 59195
member of the commission or its staff or be used as evidence in 59196
any subsequent hearing or other proceeding. If, after a 59197
preliminary investigation and the use of informal methods of 59198
conference, conciliation, and persuasion, or alternative dispute 59199
resolution, under this section, the commission is satisfied that 59200
any unlawful discriminatory practice will be eliminated, it may 59201

treat the charge involved as being conciliated and enter that 59202
disposition on the records of the commission. If the commission 59203
fails to effect the elimination of an unlawful discriminatory 59204
practice by informal methods of conference, conciliation, and 59205
persuasion, or by alternative dispute resolution under this 59206
section and to obtain voluntary compliance with this chapter, the 59207
commission shall issue and cause to be served upon any person, 59208
including the respondent against whom a complainant has filed a 59209
charge pursuant to division (B)(1) of this section, a complaint 59210
stating the charges involved and containing a notice of an 59211
opportunity for a hearing before the commission, a member of the 59212
commission, or a hearing examiner at a place that is stated in the 59213
notice and that is located within the county in which the alleged 59214
unlawful discriminatory practice has occurred or is occurring or 59215
in which the respondent resides or transacts business. The hearing 59216
shall be held not less than thirty days after the service of the 59217
complaint upon the complainant, the aggrieved persons other than 59218
the complainant on whose behalf the complaint is issued, and the 59219
respondent, unless the complainant, an aggrieved person, or the 59220
respondent elects to proceed under division (A)(2) of section 59221
4112.051 of the Revised Code when that division is applicable. If 59222
a complaint pertains to an alleged unlawful discriminatory 59223
practice described in division (H) of section 4112.02 of the 59224
Revised Code, the complaint shall notify the complainant, an 59225
aggrieved person, and the respondent of the right of the 59226
complainant, an aggrieved person, or the respondent to elect to 59227
proceed with the administrative hearing process under this section 59228
or to proceed under division (A)(2) of section 4112.051 of the 59229
Revised Code. 59230

(6) The attorney general shall represent the commission at 59231
any hearing held pursuant to division (B)(5) of this section and 59232
shall present the evidence in support of the complaint. 59233

(7) Any complaint issued pursuant to division (B)(5) of this section after the filing of a charge under division (B)(1) of this section shall be so issued within one year after the complainant filed the charge with respect to an alleged unlawful discriminatory practice.

(C)(1) Any complaint issued pursuant to division (B) of this section may be amended by the commission, a member of the commission, or the hearing examiner conducting a hearing under division (B) of this section.

(a) Except as provided in division (C)(1)(b) of this section, a complaint issued pursuant to division (B) of this section may be amended at any time prior to or during the hearing.

(b) If a complaint issued pursuant to division (B) of this section alleges an unlawful discriminatory practice described in division (H) of section 4112.02 of the Revised Code, the complaint may be amended at any time up to seven days prior to the hearing and not thereafter.

(2) The respondent has the right to file an answer or an amended answer to the original and amended complaints and to appear at the hearing in person, by attorney, or otherwise to examine and cross-examine witnesses.

(D) The complainant shall be a party to a hearing under division (B) of this section, and any person who is an indispensable party to a complete determination or settlement of a question involved in the hearing shall be joined. Any aggrieved person who has or claims an interest in the subject of the hearing and in obtaining or preventing relief against the unlawful discriminatory practices complained of shall be permitted to appear only for the presentation of oral or written arguments, to present evidence, perform direct and cross-examination, and be represented by counsel. The commission shall adopt rules, in

accordance with Chapter 119. of the Revised Code governing the 59265
authority granted under this division. 59266

(E) In any hearing under division (B) of this section, the 59267
commission, a member of the commission, or the hearing examiner 59268
shall not be bound by the Rules of Evidence but, in ascertaining 59269
the practices followed by the respondent, shall take into account 59270
all reliable, probative, and substantial statistical or other 59271
evidence produced at the hearing that may tend to prove the 59272
existence of a predetermined pattern of employment or membership, 59273
provided that nothing contained in this section shall be construed 59274
to authorize or require any person to observe the proportion that 59275
persons of any race, color, religion, sex, military status, 59276
familial status, national origin, disability, age, or ancestry 59277
bear to the total population or in accordance with any criterion 59278
other than the individual qualifications of the applicant. 59279

(F) The testimony taken at a hearing under division (B) of 59280
this section shall be under oath and shall be reduced to writing 59281
and filed with the commission. Thereafter, in its discretion, the 59282
commission, upon the service of a notice upon the complainant and 59283
the respondent that indicates an opportunity to be present, may 59284
take further testimony or hear argument. 59285

(G)(1)(a) If, upon all reliable, probative, and substantial 59286
evidence presented at a hearing under division (B) of this 59287
section, the commission determines that the respondent has engaged 59288
in, or is engaging in, any unlawful discriminatory practice, 59289
whether against the complainant or others, the commission shall 59290
state its findings of fact and conclusions of law and shall issue 59291
and, subject to the provisions of Chapter 119. of the Revised 59292
Code, cause to be served on the respondent an order requiring the 59293
respondent to do all of the following: 59294

(ii) Take any further affirmative or other action that will effectuate the purposes of this chapter, including, but not limited to, hiring, reinstatement, or upgrading of employees with or without back pay, or admission or restoration to union membership;

(iii) Report to the commission the manner of compliance.

If the commission directs payment of back pay, it shall make allowance for interim earnings.

(b) If the commission finds a violation of division (H) of section 4112.02 of the Revised Code, in addition to the action described in division (G)(1)(a) of this section, the commission additionally may require the respondent to undergo ~~recommendation~~ remediation in the form of a class, seminar, or any other type of remediation approved by the commission, may require the ~~responded~~ respondent to pay actual damages and reasonable attorney's fees, and may, to vindicate the public interest, assess a civil penalty against the respondent as follows:

(i) If division (G)(1)(b)(ii) or (iii) of this section does not apply, a civil penalty in an amount not to exceed ten thousand dollars;

(ii) If division (G)(1)(b)(iii) of this section does not apply and if the respondent has been determined by a final order of the commission or by a final judgment of a court to have committed one violation of division (H) of section 4112.02 of the Revised Code during the five-year period immediately preceding the date on which a complaint was issued pursuant to division (B) of this section, a civil penalty in an amount not to exceed twenty-five thousand dollars;

(iii) If the respondent has been determined by a final order of the commission or by a final judgment of a court to have committed two or more violations of division (H) of section

4112.02 of the Revised Code during the seven-year period 59328
immediately preceding the date on which a complaint was issued 59329
pursuant to division (B) of this section, a civil penalty damages 59330
in an amount not to exceed fifty thousand dollars. 59331

(2) Upon the submission of reports of compliance, the 59332
commission may issue a declaratory order stating that the 59333
respondent has ceased to engage in particular unlawful 59334
discriminatory practices. 59335

(H) If the commission finds that no probable cause exists for 59336
crediting charges of unlawful discriminatory practices or if, upon 59337
all the evidence presented at a hearing under division (B) of this 59338
section on a charge, the commission finds that a respondent has 59339
not engaged in any unlawful discriminatory practice against the 59340
complainant or others, it shall state its findings of fact and 59341
shall issue and cause to be served on the complainant an order 59342
dismissing the complaint as to the respondent. A copy of the order 59343
shall be delivered in all cases to the attorney general and any 59344
other public officers whom the commission considers proper. 59345

If, upon all the evidence presented at a hearing under 59346
division (B) of this section on a charge, the commission finds 59347
that a respondent has not engaged in any unlawful discriminatory 59348
practice against the complainant or others, it may award to the 59349
respondent reasonable attorney's fees to the extent provided in 5 59350
U.S.C. 504 and accompanying regulations. 59351

commission, subject to the provisions of Chapter 119. of the 59354
Revised Code, at any time, upon reasonable notice, and in the 59355

ability to read, write, speak, or understand a language in which 59458
the OhioMeansJobs web site is available. 59459

(iv) As used in division (A)(4)(b) of this section: 59460

(c) An individual who is attending a training course approved 59466
by the director meets the requirement of this division, if 59467
attendance was recommended by the director and the individual is 59468
regularly attending the course and is making satisfactory 59469
progress. An individual also meets the requirements of this 59470
division if the individual is participating and advancing in a 59471
training program, as defined in division (P) of section 5709.61 of 59472
the Revised Code, and if an enterprise, defined in division (B) of 59473
section 5709.61 of the Revised Code, is paying all or part of the 59474
cost of the individual's participation in the training program 59475
with the intention of hiring the individual for employment as a 59476
new employee, as defined in division (L) of section 5709.61 of the 59477

meets the availability and active search for work requirements of 59483
division (A)(4)(a) of this section if the individual regularly 59484
attends the school during weeks with respect to which the 59485
individual claims unemployment benefits and makes self available 59486
on any shift of hours for suitable employment with the 59487
individual's most recent employer or any other employer in the 59488
individual's base period, or for any other suitable employment to 59489
which the individual is directed, under this chapter. 59490

(e) An individual who is a member in good standing with a 59491
labor organization that refers individuals to jobs meets the 59492
active search for work requirement specified in division (A)(4)(a) 59493
of this section if the individual provides documentation that the 59494
individual is eligible for a referral or placement upon request 59495
and in a manner prescribed by the director. 59496

(f) Notwithstanding any other provisions of this section, no 59497
otherwise eligible individual shall be denied benefits for any 59498
week because the individual is in training approved under section 59499
236(a)(1) of the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 59500
2296, nor shall that individual be denied benefits by reason of 59501
leaving work to enter such training, provided the work left is not 59502
suitable employment, or because of the application to any week in 59503
training of provisions in this chapter, or any applicable federal 59504
unemployment compensation law, relating to availability for work, 59505
active search for work, or refusal to accept work. 59506

"suitable employment" means with respect to an individual, work of 59508
a substantially equal or higher skill level than the individual's 59509

required pursuant to those terms and conditions to inquire with 59518
the individual's employer for available work assignments upon the 59519
conclusion of each work assignment, is not considered unable to 59520
obtain suitable employment if suitable work assignments are 59521
available with the employer but the individual fails to contact 59522
the employer to inquire about work assignments. 59523

extended compensation, and needs reemployment services pursuant to 59528
the profiling system established by the director under division 59529
(K) of this section, unless the director determines that: 59530

(a) The individual has completed such services; or 59531

(b) There is justifiable cause for the claimant's failure to 59532
participate in such services. 59533

Ineligibility for failure to participate in reemployment 59534
services as described in division (A)(6) of this section shall be 59535

failed to participate without justifiable cause. 59537

(7) Participates in the reemployment and eligibility 59538
assessment program, or other reemployment services, as required by 59539
the director. As used in division (A)(7) of this section, 59540
"reemployment services" includes job search assistance activities, 59541
skills assessments, and the provision of labor market statistics 59542
or analysis. 59543

(a) For purposes of division (A)(7) of this section, 59544

participation is required unless the director determines that 59545
either of the following circumstances applies to the individual: 59546

(i) The individual has completed similar services. 59547

(ii) Justifiable cause exists for the failure of the 59548
individual to participate in those services. 59549

(b) Within six months after October 11, 2013, notwithstanding 59550
any earlier contact an individual may have had with a local 59551
~~one-stop county office~~ OhioMeansJobs center, including as 59552
~~described~~ defined in section ~~6301.08~~ 6301.01 of the Revised Code, 59553

individual first files a valid application for determination of 59555
benefit rights in the individual's benefit year, the individual 59556
shall report to a local ~~one-stop county office~~ OhioMeansJobs 59557
center for reemployment services in the manner prescribed by the 59558
director. 59559

(c) An individual whose active search for work requirement 59560
has been waived under division (A)(4)(a) of this section or is 59561
considered to be satisfied under division (A)(4)(c), (d), or (e) 59562
of this section is exempt from the requirements of division (A)(7) 59563
of this section. 59564

(B) An individual suffering total or partial unemployment is 59565
eligible for benefits for unemployment occurring subsequent to a 59566
waiting period of one week and no benefits shall be payable during 59567
this required waiting period. Not more than one week of waiting 59568
period shall be required of any individual in any benefit year in 59569
order to establish the individual's eligibility for total or 59570
partial unemployment benefits. 59571

(C) The waiting period for total or partial unemployment 59572
shall commence on the first day of the first week with respect to 59573
which the individual first files a claim for benefits at an 59574
employment office or other place of registration maintained or 59575

designated by the director or on the first day of the first week 59576
with respect to which the individual has otherwise filed a claim 59577
for benefits in accordance with the rules of the department of job 59578
and family services, provided such claim is allowed by the 59579
director. 59580

(D) Notwithstanding division (A) of this section, no 59581
individual may serve a waiting period or be paid benefits under 59582
the following conditions: 59583

(1) For any week with respect to which the director finds 59584
that: 59585

(a) The individual's unemployment was due to a labor dispute 59586
other than a lockout at any factory, establishment, or other 59587
premises located in this or any other state and owned or operated 59588
by the employer by which the individual is or was last employed; 59589
and for so long as the individual's unemployment is due to such 59590
labor dispute. No individual shall be disqualified under this 59591
provision if either of the following applies: 59592

(i) The individual's employment was with such employer at any 59593
factory, establishment, or premises located in this state, owned 59594
or operated by such employer, other than the factory, 59595
establishment, or premises at which the labor dispute exists, if 59596
it is shown that the individual is not financing, participating 59597
in, or directly interested in such labor dispute; 59598

(ii) The individual's employment was with an employer not 59599
involved in the labor dispute but whose place of business was 59600
located within the same premises as the employer engaged in the 59601
dispute, unless the individual's employer is a wholly owned 59602
subsidiary of the employer engaged in the dispute, or unless the 59603
individual actively participates in or voluntarily stops work 59604
because of such dispute. If it is established that the claimant 59605
was laid off for an indefinite period and not recalled to work 59606

prior to the dispute, or was separated by the employer prior to 59607
the dispute for reasons other than the labor dispute, or that the 59608
individual obtained a bona fide job with another employer while 59609
the dispute was still in progress, such labor dispute shall not 59610
render the employee ineligible for benefits. 59611

(b) The individual has been given a disciplinary layoff for 59612
misconduct in connection with the individual's work. 59613

(2) For the duration of the individual's unemployment if the 59614
director finds that: 59615

(a) The individual quit work without just cause or has been 59616
discharged for just cause in connection with the individual's 59617
work, provided division (D)(2) of this section does not apply to 59618
the separation of a person under any of the following 59619
circumstances: 59620

(i) Separation from employment for the purpose of entering 59621
the armed forces of the United States if the individual is 59622
inducted into the armed forces within one of the following 59623
periods: 59624

(I) Thirty days after separation; 59625

(II) One hundred eighty days after separation if the 59626
individual's date of induction is delayed solely at the discretion 59627
of the armed forces. 59628

(ii) Separation from employment pursuant to a 59629
labor-management contract or agreement, or pursuant to an 59630
established employer plan, program, or policy, which permits the 59631
employee, because of lack of work, to accept a separation from 59632
employment; 59633

(iii) The individual has left employment to accept a recall 59634
from a prior employer or, except as provided in division 59635
(D)(2)(a)(iv) of this section, to accept other employment as 59636

provided under section 4141.291 of the Revised Code, or left or 59637
was separated from employment that was concurrent employment at 59638
the time of the most recent separation or within six weeks prior 59639
to the most recent separation where the remuneration, hours, or 59640
other conditions of such concurrent employment were substantially 59641
less favorable than the individual's most recent employment and 59642
where such employment, if offered as new work, would be considered 59643
not suitable under the provisions of divisions (E) and (F) of this 59644
section. Any benefits that would otherwise be chargeable to the 59645
account of the employer from whom an individual has left 59646
employment or was separated from employment that was concurrent 59647
employment under conditions described in division (D)(2)(a)(iii) 59648
of this section, shall instead be charged to the mutualized 59649
account created by division (B) of section 4141.25 of the Revised 59650
Code, except that any benefits chargeable to the account of a 59651
reimbursing employer under division (D)(2)(a)(iii) of this section 59652
shall be charged to the account of the reimbursing employer and 59653
not to the mutualized account, except as provided in division 59654
(D)(2) of section 4141.24 of the Revised Code. 59655

(iv) When an individual has been issued a definite layoff 59656
date by the individual's employer and before the layoff date, the 59657
individual quits to accept other employment, the provisions of 59658
division (D)(2)(a)(iii) of this section apply and no 59659
disqualification shall be imposed under division (D) of this 59660
section. However, if the individual fails to meet the employment 59661
and earnings requirements of division (A)(2) of section 4141.291 59662
of the Revised Code, then the individual, pursuant to division 59663
(A)(5) of this section, shall be ineligible for benefits for any 59664
week of unemployment that occurs prior to the layoff date. 59665

(b) The individual has refused without good cause to accept 59666
an offer of suitable work when made by an employer either in 59667
person or to the individual's last known address, or has refused 59668

or failed to investigate a referral to suitable work when directed 59669
to do so by a local employment office of this state or another 59670
state, provided that this division shall not cause a 59671
disqualification for a waiting week or benefits under the 59672
following circumstances: 59673

(i) When work is offered by the individual's employer and the 59674
individual is not required to accept the offer pursuant to the 59675
terms of the labor-management contract or agreement; or 59676

(ii) When the individual is attending a training course 59677
pursuant to division (A)(4) of this section except, in the event 59678
of a refusal to accept an offer of suitable work or a refusal or 59679
failure to investigate a referral, benefits thereafter paid to 59680
such individual shall not be charged to the account of any 59681
employer and, except as provided in division (B)(1)(b) of section 59682
4141.241 of the Revised Code, shall be charged to the mutualized 59683
account as provided in division (B) of section 4141.25 of the 59684
Revised Code. 59685

(c) Such individual quit work to marry or because of marital, 59686
parental, filial, or other domestic obligations. 59687

(d) The individual became unemployed by reason of commitment 59688
to any correctional institution. 59689

(e) The individual became unemployed because of dishonesty in 59690
connection with the individual's most recent or any base period 59691
work. Remuneration earned in such work shall be excluded from the 59692
individual's total base period remuneration and qualifying weeks 59693
that otherwise would be credited to the individual for such work 59694
in the individual's base period shall not be credited for the 59695
purpose of determining the total benefits to which the individual 59696
is eligible and the weekly benefit amount to be paid under section 59697
4141.30 of the Revised Code. Such excluded remuneration and 59698
noncredited qualifying weeks shall be excluded from the 59699

calculation of the maximum amount to be charged, under division 59700
(D) of section 4141.24 and section 4141.33 of the Revised Code, 59701
against the accounts of the individual's base period employers. In 59702
addition, no benefits shall thereafter be paid to the individual 59703
based upon such excluded remuneration or noncredited qualifying 59704
weeks. 59705

For purposes of division (D)(2)(e) of this section, 59706
"dishonesty" means the commission of substantive theft, fraud, or 59707
deceitful acts. 59708

(E) No individual otherwise qualified to receive benefits 59709
shall lose the right to benefits by reason of a refusal to accept 59710
new work if: 59711

(1) As a condition of being so employed the individual would 59712
be required to join a company union, or to resign from or refrain 59713
from joining any bona fide labor organization, or would be denied 59714
the right to retain membership in and observe the lawful rules of 59715
any such organization. 59716

(2) The position offered is vacant due directly to a strike, 59717
lockout, or other labor dispute. 59718

(3) The work is at an unreasonable distance from the 59719
individual's residence, having regard to the character of the work 59720
the individual has been accustomed to do, and travel to the place 59721
of work involves expenses substantially greater than that required 59722
for the individual's former work, unless the expense is provided 59723
for. 59724

(4) The remuneration, hours, or other conditions of the work 59725
offered are substantially less favorable to the individual than 59726
those prevailing for similar work in the locality. 59727

(F) Subject to the special exceptions contained in division 59728
(A)(4)(f) of this section and section 4141.301 of the Revised 59729
Code, in determining whether any work is suitable for a claimant 59730

in the administration of this chapter, the director, in addition 59731
to the determination required under division (E) of this section, 59732
shall consider the degree of risk to the claimant's health, 59733
safety, and morals, the individual's physical fitness for the 59734
work, the individual's prior training and experience, the length 59735
of the individual's unemployment, the distance of the available 59736
work from the individual's residence, and the individual's 59737
prospects for obtaining local work. 59738

(G) The "duration of unemployment" as used in this section 59739
means the full period of unemployment next ensuing after a 59740
separation from any base period or subsequent work and until an 59741
individual has become reemployed in employment subject to this 59742
chapter, or the unemployment compensation act of another state, or 59743
of the United States, and until such individual has worked six 59744
weeks and for those weeks has earned or been paid remuneration 59745
equal to six times an average weekly wage of not less than: 59746
eighty-five dollars and ten cents per week beginning on June 26, 59747
1990; and beginning on and after January 1, 1992, twenty-seven and 59748
one-half per cent of the statewide average weekly wage as computed 59749
each first day of January under division (B)(3) of section 4141.30 59750
of the Revised Code, rounded down to the nearest dollar, except 59751
for purposes of division (D)(2)(c) of this section, such term 59752
means the full period of unemployment next ensuing after a 59753
separation from such work and until such individual has become 59754
reemployed subject to the terms set forth above, and has earned 59755
wages equal to one-half of the individual's average weekly wage or 59756
sixty dollars, whichever is less. 59757

(H) If a claimant is disqualified under division (D)(2)(a), 59758
(c), or (d) of this section or found to be qualified under the 59759
exceptions provided in division (D)(2)(a)(i), (iii), or (iv) of 59760
this section or division (A)(2) of section 4141.291 of the Revised 59761
Code, then benefits that may become payable to such claimant, 59762

which are chargeable to the account of the employer from whom the individual was separated under such conditions, shall be charged to the mutualized account provided in section 4141.25 of the Revised Code, provided that no charge shall be made to the mutualized account for benefits chargeable to a reimbursing employer, except as provided in division (D)(2) of section 4141.24 of the Revised Code. In the case of a reimbursing employer, the director shall refund or credit to the account of the reimbursing employer any over-paid benefits that are recovered under division (B) of section 4141.35 of the Revised Code. Amounts chargeable to other states, the United States, or Canada that are subject to agreements and arrangements that are established pursuant to section 4141.43 of the Revised Code shall be credited or reimbursed according to the agreements and arrangements to which the chargeable amounts are subject.

(I)(1) Benefits based on service in employment as provided in divisions (B)(2)(a) and (b) of section 4141.01 of the Revised Code shall be payable in the same amount, on the same terms, and subject to the same conditions as benefits payable on the basis of other service subject to this chapter; except that after December 31, 1977:

(a) Benefits based on service in an instructional, research, or principal administrative capacity in an institution of higher education, as defined in division (Y) of section 4141.01 of the Revised Code; or for an educational institution as defined in division (CC) of section 4141.01 of the Revised Code, shall not be paid to any individual for any week of unemployment that begins during the period between two successive academic years or terms, or during a similar period between two regular but not successive terms or during a period of paid sabbatical leave provided for in the individual's contract, if the individual performs such services in the first of those academic years or terms and has a

contract or a reasonable assurance that the individual will 59795
perform services in any such capacity for any such institution in 59796
the second of those academic years or terms. 59797

(b) Benefits based on service for an educational institution 59798
or an institution of higher education in other than an 59799
instructional, research, or principal administrative capacity, 59800
shall not be paid to any individual for any week of unemployment 59801
which begins during the period between two successive academic 59802
years or terms of the employing educational institution or 59803
institution of higher education, provided the individual performed 59804
those services for the educational institution or institution of 59805
higher education during the first such academic year or term and, 59806
there is a reasonable assurance that such individual will perform 59807
those services for any educational institution or institution of 59808
higher education in the second of such academic years or terms. 59809

If compensation is denied to any individual for any week 59810
under division (I)(1)(b) of this section and the individual was 59811
not offered an opportunity to perform those services for an 59812
institution of higher education or for an educational institution 59813
for the second of such academic years or terms, the individual is 59814
entitled to a retroactive payment of compensation for each week 59815
for which the individual timely filed a claim for compensation and 59816
for which compensation was denied solely by reason of division 59817
(I)(1)(b) of this section. An application for retroactive benefits 59818
shall be timely filed if received by the director or the 59819
director's deputy within or prior to the end of the fourth full 59820
calendar week after the end of the period for which benefits were 59821
denied because of reasonable assurance of employment. The 59822
provision for the payment of retroactive benefits under division 59823
(I)(1)(b) of this section is applicable to weeks of unemployment 59824
beginning on and after November 18, 1983. The provisions under 59825
division (I)(1)(b) of this section shall be retroactive to 59826

September 5, 1982, only if, as a condition for full tax credit 59827
against the tax imposed by the "Federal Unemployment Tax Act," 53 59828
Stat. 183 (1939), 26 U.S.C.A. 3301 to 3311, the United States 59829
secretary of labor determines that retroactivity is required by 59830
federal law. 59831

(c) With respect to weeks of unemployment beginning after 59832
December 31, 1977, benefits shall be denied to any individual for 59833
any week which commences during an established and customary 59834
vacation period or holiday recess, if the individual performs any 59835
services described in divisions (I)(1)(a) and (b) of this section 59836
in the period immediately before the vacation period or holiday 59837
recess, and there is a reasonable assurance that the individual 59838
will perform any such services in the period immediately following 59839
the vacation period or holiday recess. 59840

(d) With respect to any services described in division 59841
(I)(1)(a), (b), or (c) of this section, benefits payable on the 59842
basis of services in any such capacity shall be denied as 59843
specified in division (I)(1)(a), (b), or (c) of this section to 59844
any individual who performs such services in an educational 59845
institution or institution of higher education while in the employ 59846
of an educational service agency. For this purpose, the term 59847
"educational service agency" means a governmental agency or 59848
governmental entity that is established and operated exclusively 59849
for the purpose of providing services to one or more educational 59850
institutions or one or more institutions of higher education. 59851

(e) Any individual employed by a county board of 59852

disqualification period shall be computed based solely on the 59878

(J) Benefits shall not be paid on the basis of employment 59880
performed by an alien, unless the alien had been lawfully admitted 59881
to the United States for permanent residence at the time the 59882
services were performed, was lawfully present for purposes of 59883
performing the services, or was otherwise permanently residing in 59884

because of their alien status shall be uniformly required from all 59890

benefits would otherwise be approved, no determination that 59893
benefits to the individual are not payable because of the 59894
individual's alien status shall be made except upon a 59895
preponderance of the evidence that the individual had not, in 59896
fact, been lawfully admitted to the United States. 59897

(K) The director shall establish and utilize a system of 59898

to make a successful transition to new employment; 59902

(2) Refers claimants identified pursuant to division (K)(1) 59903
of this section to reemployment services, such as job search 59904

(3) Collects follow-up information relating to the services 59906
received by such claimants and the employment outcomes for such 59907
claimant's subsequent to receiving such services and utilizes such 59908
information in making identifications pursuant to division (K)(1) 59909
of this section; and 59910

(4) Meets such other requirements as the United States 59911
secretary of labor determines are appropriate. 59912

(L) Except as otherwise provided in division (A)(6) of this 59913
section, ineligibility pursuant to division (A) of this section 59914
shall begin on the first day of the week in which the claimant 59915
becomes ineligible for benefits and shall end on the last day of 59916
the week preceding the week in which the claimant satisfies the 59917
eligibility requirements. 59918

(M) The director may adopt rules that the director considers 59919
necessary for the administration of division (A) of this section. 59920

Sec. 4141.43. (A) The director of job and family services may 59921
cooperate with the industrial commission, the bureau of workers' 59922
compensation, the United States internal revenue service, the 59923
United States employment service, and other similar departments 59924
and agencies, as determined by the director, in the exchange or 59925
disclosure of information as to wages, employment, payrolls, 59926
unemployment, and other information. The director may employ, 59927
jointly with one or more of such agencies or departments, 59928
auditors, examiners, inspectors, and other employees necessary for 59929
the administration of this chapter and employment and training 59930

(B) The director may make the state's record relating to the 59932
administration of this chapter available to the railroad 59933
retirement board and may furnish the board at the board's expense 59934
such copies thereof as the board deems necessary for its purposes. 59935

(C) The director may afford reasonable cooperation with every 59936
agency of the United States charged with the administration of any 59937
unemployment compensation law. 59938

(D) The director may enter into arrangements with the 59939
appropriate agencies of other states or of the United States or 59940
Canada whereby individuals performing services in this and other 59941
states for a single employer under circumstances not specifically 59942
provided for in division (B) of section 4141.01 of the Revised 59943
Code or in similar provisions in the unemployment compensation 59944
laws of such other states shall be deemed to be engaged in 59945
employment performed entirely within this state or within one of 59946
such other states or within Canada, and whereby potential rights 59947
to benefits accumulated under the unemployment compensation laws 59948
of several states or under such a law of the United States, or 59949
both, or of Canada may constitute the basis for the payment of 59950
benefits through a single appropriate agency under terms that the 59951

director finds will be fair and reasonable as to all affected 59952
interests and will not result in any substantial loss to the 59953
unemployment compensation fund. 59954

(E) The director may enter into agreements with the 59955
appropriate agencies of other states or of the United States or 59956
Canada: 59957

(1) Whereby services or wages upon the basis of which an 59958
individual may become entitled to benefits under the unemployment 59959
compensation law of another state or of the United States or 59960
Canada shall be deemed to be employment or wages for employment by 59961
employers for the purposes of qualifying claimants for benefits 59962
under this chapter, and the director may estimate the number of 59963
weeks of employment represented by the wages reported to the 59964
director for such claimants by such other agency, provided such 59965
other state agency or agency of the United States or Canada has 59966
agreed to reimburse the unemployment compensation fund for such 59967
portion of benefits paid under this chapter upon the basis of such 59968
services or wages as the director finds will be fair and 59969
reasonable as to all affected interests; 59970

(2) Whereby the director will reimburse other state or 59971
federal or Canadian agencies charged with the administration of 59972
unemployment compensation laws with such reasonable portion of 59973
benefits, paid under the law of such other states or of the United 59974
States or of Canada upon the basis of employment or wages for 59975
employment by employers, as the director finds will be fair and 59976
reasonable as to all affected interests. Reimbursements so payable 59977
shall be deemed to be benefits for the purpose of section 4141.09 59978
and division (A) of section 4141.30 of the Revised Code. However, 59979
no reimbursement so payable shall be charged against any 59980
employer's account for the purposes of section 4141.24 of the 59981
Revised Code if the employer's account, under the same or similar 59982
circumstances, with respect to benefits charged under the 59983

provisions of this chapter, other than this section, would not be charged or, if the claimant at the time the claimant files the combined wage claim cannot establish benefit rights under this chapter. This noncharging shall not be applicable to a nonprofit organization that has elected to make payments in lieu of contributions under section 4141.241 of the Revised Code, except as provided in division (D)(2) of section 4141.24 of the Revised Code. The director may make to other state or federal or Canadian agencies and receive from such other state or federal or Canadian agencies reimbursements from or to the unemployment compensation fund, in accordance with arrangements pursuant to this section.

(3) Notwithstanding division (B)(2)(f) of section 4141.01 of the Revised Code, the director may enter into agreements with other states whereby services performed for a crew leader, as defined in division (BB) of section 4141.01 of the Revised Code, may be covered in the state in which the crew leader either:

(a) Has the crew leader's place of business or from which the crew leader's business is operated or controlled;

(b) Resides if the crew leader has no place of business in any state.

(F) The director may apply for an advance to the unemployment compensation fund and do all things necessary or required to obtain such advance and arrange for the repayment of such advance in accordance with Title XII of the "Social Security Act" as amended.

(G) The director may enter into reciprocal agreements or arrangements with the appropriate agencies of other states in regard to services on vessels engaged in interstate or foreign commerce whereby such services for a single employer, wherever performed, shall be deemed performed within this state or within such other states.

(H) The director shall participate in any arrangements for the payment of compensation on the basis of combining an individual's wages and employment, covered under this chapter, with the individual's wages and employment covered under the unemployment compensation laws of other states which are approved by the United States secretary of labor in consultation with the state unemployment compensation agencies as reasonably calculated to assure the prompt and full payment of compensation in such situations and which include provisions for:

(1) Applying the base period of a single state law to a claim involving the combining of an individual's wages and employment covered under two or more state unemployment compensation laws, and

(2) Avoiding the duplicate use of wages and employment by reason of such combining.

(I) The director shall cooperate with the United States department of labor to the fullest extent consistent with this chapter, and shall take such action, through the adoption of appropriate rules, regulations, and administrative methods and standards, as may be necessary to secure to this state and its citizens all advantages available under the provisions of the "Social Security Act" that relate to unemployment compensation, the "Federal Unemployment Tax Act," (1970) 84 Stat. 713, 26 U.S.C.A. 3301 to 3311, the "Wagner-Peyser Act," (1933) 48 Stat. 113, 29 U.S.C.A. 49, ~~and~~ the "Federal-State Extended Unemployment Compensation Act of 1970," 84 Stat. 596, 26 U.S.C.A. 3306, and the ~~"Workforce Investment Act of 1998," 112 Stat. 936, 29 U.S.C.A. 2801 et seq~~ "Workforce Innovation and Opportunity Act," 29 U.S.C.A. 3101 et seq.

(J) The director may disclose wage information furnished to or maintained by the director under Chapter 4141. of the Revised Code to a consumer reporting agency as defined by the "Fair Credit

Reporting Act," 84 Stat. 1128, 15 U.S.C.A. 1681a, as amended, for 60047
the purpose of verifying an individual's income under a written 60048
agreement that requires all of the following: 60049

(1) A written statement of informed consent from the 60050
individual whose information is to be disclosed; 60051

(2) A written statement confirming that the consumer 60052
reporting agency and any other entity to which the information is 60053
disclosed or released will safeguard the information from illegal 60054

(3) A written statement confirming that the consumer 60056

the disclosure. 60058

The director shall prescribe a manner and format in which 60059
this information may be provided. 60060

(K) The director shall adopt rules defining the requirements 60061
of the release of individual income verification information 60062
specified in division (J) of this section, which shall include all 60063
terms and conditions necessary to meet the requirements of federal 60064
law as interpreted by the United States department of labor or 60065
considered necessary by the director for the proper administration 60066
of this division. 60067

permits shipping bottled wine into Ohio and holders of A-2, A-2f, 60165
B-5, B-3, and B-2 permits issued by the division of liquor 60166
control, engaged in distributing and selling bottled wine in Ohio, 60167
to file with the division a schedule of prices in which minimum 60168
prices are set forth for the sale of bottled wine at wholesale or 60169

retail, or both, in Ohio. Any amendments, additions, alterations, 60170
or revisions to the schedule of prices as originally filed with 60171
the division shall be filed in the same manner as the original 60172
schedule of prices required to be filed with the division. 60173

(B)(1) The commission may determine and fix the minimum 60174
mark-ups at wholesale or retail, or both, for bottled wine, and 60175

various classes of bottled wine are sold in the state at retail, 60179
the commission shall allow a retail permit holder to offer to a 60180
personal consumer a ten per cent discount off the per-bottle 60181

or intoxicating liquor shall be sold to any person under 60192
twenty-one years of age. 60193

(2) No low-alcohol beverage shall be sold to any person under 60194
eighteen years of age. No permit issued by the division shall be 60195
suspended, revoked, or canceled because of a violation of division 60196
(A)(2) of this section. 60197

(3) No intoxicating liquor shall be handled by any person 60198
under twenty-one years of age, except that a person eighteen years 60199

of age or older employed by a permit holder may handle or sell 60200
beer or intoxicating liquor in sealed containers in connection 60201
with wholesale or retail sales, and any person nineteen years of 60202
age or older employed by a permit holder may handle intoxicating 60203
liquor in open containers when acting in the capacity of a server 60204
in a hotel, restaurant, club, or night club, as defined in 60205
division (B) of section 4301.01 of the Revised Code, or in the 60206
premises of a D-7 permit holder. This section does not authorize 60207
persons under twenty-one years of age to sell intoxicating liquor 60208
across a bar. Any person employed by a permit holder may handle 60209
beer or intoxicating liquor in sealed containers in connection 60210
with manufacturing, storage, warehousing, placement, stocking, 60211
bagging, loading, or unloading, and may handle beer or 60212
intoxicating liquor in open containers in connection with cleaning 60213
tables or handling empty bottles or glasses. 60214

(B) No permit holder and no agent or employee of a permit 60215
holder shall sell or furnish beer or intoxicating liquor to an 60216
intoxicated person. 60217

(C) No sales of intoxicating liquor shall be made after 60218
two-thirty a.m. on Sunday except under either of the following 60219
circumstances: 60220

of a permit that authorizes Sunday sale. 60222

(2) Spirituous liquor may be sold on Sunday by any person 60223

Code if the sale of spirituous liquor is authorized in the 60225
applicable precinct as the result of an election on question 60226
(B)(1) or (2) of section 4301.351 of the Revised Code and if the 60227
agency contract authorizes the sale of spirituous liquor on 60228
Sunday. 60229

This section does not prevent a municipal corporation from 60230

adopting a closing hour for the sale of intoxicating liquor 60231
earlier than two-thirty a.m. on Sunday or to provide that no 60232
intoxicating liquor may be sold prior to that hour on Sunday. 60233

(D) No holder of a permit shall give away any beer or 60234
intoxicating liquor of any kind at any time in connection with the 60235
permit holder's business. However, with the exception of an A-1-A 60236
permit holder that also has been issued an A-2 or A-2f permit, an 60237
A-1-A, A-1c, or D permit holder may provide to a paying customer 60238
not more than a total of four tasting samples of beer, wine, or 60239
spirituous liquor, as authorized by the applicable permit, in any 60240
twenty-four-hour period. The permit holder shall provide the 60241
tasting samples free of charge, at the permit holder's expense, 60242
only to a person who is twenty-one years of age or older. The 60243
person shall consume the tasting samples on the premises of the 60244
permit holder. A distributor is not responsible for the costs of 60245
providing tasting samples authorized under division (D) of this 60246
section. 60247

As used in division (D) of this section: 60248

(1) "Tasting sample" means one of the following, as 60249
applicable: 60250

(a) An amount not to exceed two ounces of beer; 60251

(b) An amount not to exceed two ounces of wine; 60252

or D-7 permit. 60258

(E) Except as otherwise provided in this division, no retail 60259
permit holder shall display or permit the display on the outside 60260

of any licensed retail premises, or on any lot of ground on which 60261
the licensed premises are situated, or on the exterior of any 60262
building of which the licensed premises are a part, any sign, 60263
illustration, or advertisement bearing the name, brand name, trade 60264
name, trade-mark, designation, or other emblem of or indicating 60265
the manufacturer, producer, distributor, place of manufacture, 60266
production, or distribution of any beer or intoxicating liquor. 60267
Signs, illustrations, or advertisements bearing the name, brand 60268
name, trade name, trade-mark, designation, or other emblem of or 60269
indicating the manufacturer, producer, distributor, place of 60270
manufacture, production, or distribution of beer or intoxicating 60271
liquor may be displayed and permitted to be displayed on the 60272
interior or in the show windows of any licensed premises, if the 60273
particular brand or type of product so advertised is actually 60274
available for sale on the premises at the time of that display. 60275
The liquor control commission shall determine by rule the size and 60276
character of those signs, illustrations, or advertisements. 60277

(F) No retail permit holder shall possess on the licensed 60278
premises any barrel or other container from which beer is drawn, 60279
unless there is attached to the spigot or other dispensing 60280
apparatus the name of the manufacturer of the product contained in 60281

other fees established by this section. A deputy registrar shall 62028
retain fifty cents of the fee and shall transmit the remaining 62029
amount to the registrar at the time and in the manner provided by 62030
section 4503.10 of the Revised Code. The registrar shall deposit 62031
all moneys received under this division into the public safety - 62032
highway purposes fund established in section 4501.06 of the 62033

~~(F)~~(E) The rates established by this section shall not apply 62035

(1) Vehicles equipped, owned, and used by a charitable or 62037
nonprofit corporation exclusively for the purpose of administering 62038
chest x-rays or receiving blood donations; 62039

adaptive equipment to facilitate the movement of such persons into 62042
and out of the vans; 62043

(5) Transit buses having motor power; 62048

(6) Noncommercial trailers, mobile homes, or manufactured 62049
homes. 62050

Sec. 4503.066. (A)(1) To obtain a tax reduction under section 62051
4503.065 of the Revised Code, the owner of the home shall file an 62052
application with the county auditor of the county in which the 62053

home is located. An application for reduction in taxes based upon 62054
a physical disability shall be accompanied by a certificate signed 62055
by a physician, and an application for reduction in taxes based 62056
upon a mental disability shall be accompanied by a certificate 62057
signed by a physician or psychologist licensed to practice in this 62058
state. The certificate shall attest to the fact that the applicant 62059
is permanently and totally disabled, shall be in a form that the 62060
department of taxation requires, and shall include the definition 62061
of totally and permanently disabled as set forth in section 62062
4503.064 of the Revised Code. An application for reduction in 62063
taxes based upon a disability certified as permanent and total by 62064
a state or federal agency having the function of so classifying 62065
persons shall be accompanied by a certificate from that agency. An 62066
application by a disabled veteran for the reduction under division 62067
(B) of section 4503.065 of the Revised Code shall be accompanied 62068
by a letter or other written confirmation from the United States 62069
department of veterans affairs, or its predecessor or successor 62070
agency, showing that the veteran qualifies as a disabled veteran. 62071

62072

(2) Each application shall constitute a continuing 62073
application for a reduction in taxes for each year in which the 62074
manufactured or mobile home is occupied by the applicant. Failure 62075
to receive a new application or notification under division (B) of 62076
this section after an application for reduction has been approved 62077
is prima-facie evidence that the original applicant is entitled to 62078
the reduction calculated on the basis of the information contained 62079
in the original application. The original application and any 62080
subsequent application shall be in the form of a signed statement 62081
and shall be filed ~~not later than the first Monday in June on or~~ 62082
before the thirty-first day of December of the year for which the 62083
reduction is sought. The statement shall be on a form, devised and 62084
supplied by the tax commissioner, that shall require no more 62085
information than is necessary to establish the applicant's 62086

eligibility for the reduction in taxes and the amount of the 62087
reduction to which the applicant is entitled. The form shall 62088
contain a statement that signing such application constitutes a 62089
delegation of authority by the applicant to the tax commissioner 62090
or the county auditor, individually or in consultation with each 62091
other, to examine any tax or financial records that relate to the 62092
income of the applicant as stated on the application for the 62093
purpose of determining eligibility under, or possible violation 62094
of, division (C) or (D) of this section. The form also shall 62095
contain a statement that conviction of willfully falsifying 62096
information to obtain a reduction in taxes or failing to comply 62097
with division (B) of this section shall result in the revocation 62098
of the right to the reduction for a period of three years. 62099

If an application filed for the current tax year is approved 62100
after the taxes have been paid for the current year, the amount of 62101
the reduction in taxes for the current year shall be treated as an 62102
overpayment of taxes in the same manner as a late application 62103
under division (A)(3) of this section. 62104

(3) A late application for a reduction in taxes for the year 62105
preceding the year for which an original application is filed may 62106
be filed with an original application. If the auditor determines 62107
that the information contained in the late application is correct, 62108
the auditor shall determine both the amount of the reduction in 62109
taxes to which the applicant would have been entitled for the 62110
current tax year had the application been timely filed and 62111
approved in the preceding year, and the amount the taxes levied 62112
under section 4503.06 of the Revised Code for the current year 62113
would have been reduced as a result of the reduction. When an 62114
applicant is permanently and totally disabled on the first day of 62115
January of the year in which the applicant files a late 62116
application, the auditor, in making the determination of the 62117
amounts of the reduction in taxes under division (A)(3) of this 62118

section, is not required to determine that the applicant was 62119
permanently and totally disabled on the first day of January of 62120
the preceding year. 62121

The amount of the reduction in taxes pursuant to a late 62122
application shall be treated as an overpayment of taxes by the 62123
applicant. The auditor shall credit the amount of the overpayment 62124
against the amount of the taxes or penalties then due from the 62125
applicant, and, at the next succeeding settlement, the amount of 62126
the credit shall be deducted from the amount of any taxes or 62127
penalties distributable to the county or any taxing unit in the 62128
county that has received the benefit of the taxes or penalties 62129
previously overpaid, in proportion to the benefits previously 62130
received. If, after the credit has been made, there remains a 62131
balance of the overpayment, or if there are no taxes or penalties 62132
due from the applicant, the auditor shall refund that balance to 62133
the applicant by a warrant drawn on the county treasurer in favor 62134
of the applicant. The treasurer shall pay the warrant from the 62135
general fund of the county. If there is insufficient money in the 62136
general fund to make the payment, the treasurer shall pay the 62137
warrant out of any undivided manufactured or mobile home taxes 62138
subsequently received by the treasurer for distribution to the 62139
county or taxing district in the county that received the benefit 62140
of the overpaid taxes, in proportion to the benefits previously 62141
received, and the amount paid from the undivided funds shall be 62142
deducted from the money otherwise distributable to the county or 62143
taxing district in the county at the next or any succeeding 62144
distribution. At the next or any succeeding distribution after 62145
making the refund, the treasurer shall reimburse the general fund 62146
for any payment made from that fund by deducting the amount of 62147
that payment from the money distributable to the county or other 62148
taxing unit in the county that has received the benefit of the 62149
taxes, in proportion to the benefits previously received. ~~On the~~ 62150
~~second Monday in September of each year, the~~ The county auditor 62151

shall certify the total amount of the reductions in taxes made in 62152
the current year under division (A)(3) of this section to the tax 62153
commissioner who shall treat that amount as a reduction in taxes 62154
for the current tax year and shall make reimbursement to the 62155
county of that amount in the manner prescribed in section 4503.068 62156
of the Revised Code, from moneys appropriated for that purpose. 62157

(B) If in any year for which an application for reduction in 62158
taxes has been approved the owner no longer qualifies for the 62159
reduction, the owner shall notify the county auditor that the 62160
owner is not qualified for a reduction in taxes. 62161

During ~~January~~ February of each year, the county auditor 62162
shall furnish each person whose application for reduction has been 62163
approved, by ordinary mail, a form on which to report any changes 62164
in total income, ownership, occupancy, disability, and other 62165
information earlier furnished the auditor relative to the 62166
application. The form shall be completed and returned to the 62167
auditor not later than the ~~first Monday in June~~ thirty-first day
of December if the changes would affect the person's eligibility 62168
for the reduction. 62169
62170

(C) No person shall knowingly make a false statement for the 62171
purpose of obtaining a reduction in taxes under section 4503.065 62172
of the Revised Code. 62173

(D) No person shall knowingly fail to notify the county 62174
auditor of any change required by division (B) of this section 62175
that has the effect of maintaining or securing a reduction in 62176
taxes under section 4503.065 of the Revised Code. 62177

(E) No person shall knowingly make a false statement or 62178
certification attesting to any person's physical or mental 62179
condition for purposes of qualifying such person for tax relief 62180
pursuant to sections 4503.064 to 4503.069 of the Revised Code. 62181

(F) Whoever violates division (C), (D), or (E) of this 62182

section is guilty of a misdemeanor of the fourth degree. 62183

Sec. 4503.08. (A) The weight of all motor vehicles, except 62184
those taxed under ~~section~~ sections 4503.042 and 4503.65 of the 62185
Revised Code, shall be the weight of the vehicle fully equipped as 62186
determined on a standard scale. The weight of any machinery 62187
mounted upon or affixed to a motor vehicle and not inherently 62188
motor vehicle equipment shall not be included in the determination 62189
of the total weight. 62190

(B) The horsepower of all vehicles propelled by internal 62191
combustion engines shall be computed upon the following formula: 62192
square the diameter of the cylinder measured in inches, multiply 62193
by the number of cylinders, and divide by two and one half. For 62194
all motor vehicles propelled by steam engines, the rating of the 62195
horsepower shall be based on the system of rating adopted by the 62196
United States government. 62197

(C) For all motor vehicles propelled by electricity, the 62198
rating of the horsepower shall be the normal horsepower of the 62199
electric motor therein, to be ascertained by the registrar of 62200
motor vehicles. 62201

Sec. 4503.10. (A) The owner of every snowmobile, off-highway 62202
motorcycle, and all-purpose vehicle required to be registered 62203
under section 4519.02 of the Revised Code shall file an 62204
application for registration under section 4519.03 of the Revised 62205
Code. The owner of a motor vehicle, other than a snowmobile, 62206
off-highway motorcycle, or all-purpose vehicle, that is not 62207
designed and constructed by the manufacturer for operation on a 62208
street or highway may not register it under this chapter except 62209
upon certification of inspection pursuant to section 4513.02 of 62210
the Revised Code by the sheriff, or the chief of police of the 62211
municipal corporation or township, with jurisdiction over the 62212

political subdivision in which the owner of the motor vehicle 62213
resides. Except as provided in section 4503.103 of the Revised 62214
Code, every owner of every other motor vehicle not previously 62215
described in this section and every person mentioned as owner in 62216
the last certificate of title of a motor vehicle that is operated 62217
or driven upon the public roads or highways shall cause to be 62218
filed each year, by mail or otherwise, in the office of the 62219
registrar of motor vehicles or a deputy registrar, a written or 62220
electronic application or a preprinted registration renewal notice 62221
issued under section 4503.102 of the Revised Code, the form of 62222
which shall be prescribed by the registrar, for registration for 62223
the following registration year, which shall begin on the first 62224
day of January of every calendar year and end on the thirty-first 62225
day of December in the same year. Applications for registration 62226
and registration renewal notices shall be filed at the times 62227
established by the registrar pursuant to section 4503.101 of the 62228
Revised Code. A motor vehicle owner also may elect to apply for or 62229
renew a motor vehicle registration by electronic means using 62230
electronic signature in accordance with rules adopted by the 62231
registrar. Except as provided in division (J) of this section, 62232
applications for registration shall be made on blanks furnished by 62233
the registrar for that purpose, containing the following 62234

the motor vehicle to be registered in the name of the applicant if 62278

the Revised Code. The additional fee is for the purpose of 62348

the administration and enforcement of the motor vehicle and 62350
traffic laws of Ohio. Each deputy registrar shall transmit the 62351
fees collected under division (C)(1) of this section in the time 62352
and manner provided in this section. The registrar shall deposit 62353

developed or is likely to develop. 62542

(E) Every owner or lessee of a motor vehicle holding a 62543
certificate of registration shall notify the registrar of any 62544

Sec. 4503.77. (A) As used in this section: 62801

(1) "Nonstandard license plate" means all of the following: 62802

(a) A license plate issued under sections 4503.52, 4503.55, 4503.56, 4503.57, 4503.70, 4503.71, 4503.72, and 4503.75 of the 62803
62804

Revised Code; 62805

(b) A license plate issued under a program that is 62806
reestablished under division (D) of this section and that meets 62807
the requirements contained in division (B) of section 4503.78 of 62808
the Revised Code; 62809

(c) Except as may otherwise be specifically provided by law, 62810
any license plate created after August 21, 1997. 62811

(2) For purposes of license plates issued under sections 62812
4503.503 and 4503.504 of the Revised Code, "sponsor" includes ~~the~~ 62813
~~Ohio agriculture license plate scholarship fund board created in~~ 62814
~~section 901.90 of the Revised Code and~~ the director of 62815
agriculture. 62816

(B)(1) If, during any calendar year, the total number of 62817
motor vehicle registrations involving a particular type of 62818
nonstandard license plate is less than twenty-five, including both 62819
new registrations and registration renewals, the registrar of 62820
motor vehicles, on or after the first day of January, but not 62821
later than the fifteenth day of January of the following year, 62822
shall send a written notice to the sponsor of that type of 62823
nonstandard license plate, if a sponsor exists, informing the 62824
sponsor of this fact. The registrar also shall inform the sponsor 62825
that if, during the calendar year in which the written notice is 62826
sent, the total number of motor vehicle registrations involving 62827
the sponsor's nonstandard license plate again is less than 62828
twenty-five, the program involving that type of nonstandard 62829
license plate will be terminated on the thirty-first day of 62830
December of the calendar year in which the written notice is sent 62831
and, except as provided in division (C) of this section, no motor 62832
vehicle registration application involving either the actual 62833
issuance of that type of nonstandard license plate or the 62834
registration renewal of a motor vehicle displaying that type of 62835
nonstandard license plate will be accepted by the registrar or a 62836

deputy registrar beginning the first day of January of the next 62837
calendar year. The registrar also shall inform the sponsor that if 62838
the program involving the sponsor's nonstandard license plate is 62839
terminated under this section, it may be reestablished pursuant to 62840
division (D) of this section. 62841

(2) If, during any calendar year, the total number of motor 62842
vehicle registrations involving a particular type of nonstandard 62843
license plate is less than twenty-five, including both new 62844
registrations and registration renewals, and no sponsor exists for 62845
that license plate, the registrar shall issue a public notice on 62846
or after the first day of January, but not later than the 62847
fifteenth day of January of the following year, stating that fact. 62848
The notice also shall inform the public that if, during the 62849
calendar year in which the registrar issues the public notice, the 62850
total number of motor vehicle registrations for that type of 62851
nonstandard license plate, including both new registrations and 62852
registration renewals, again is less than twenty-five, the program 62853
involving that type of nonstandard license plate will be 62854
terminated on the thirty-first day of December of the calendar 62855
year in which the registrar issues the public notice and, except 62856
as provided in division (C) of this section, no motor vehicle 62857
registration application involving either the actual issuance of 62858
that type of nonstandard license plate or the registration renewal 62859
of a motor vehicle displaying that type of nonstandard license 62860
plate will be accepted by the registrar or a deputy registrar 62861
beginning on the first day of January of the next calendar year. 62862

(C) If the program involving a type of nonstandard license 62863
plate is terminated under division (B) of this section, the 62864
registration of any motor vehicle displaying that type of 62865
nonstandard license plate at the time of termination may be 62866
renewed so long as the nonstandard license plates remain 62867
serviceable. If the nonstandard license plates of such a motor 62868

vehicle become unfit for service, the owner of the motor vehicle 62869
may apply for the issuance of nonstandard license plates of that 62870
same type, but the registrar or deputy registrar shall issue such 62871
nonstandard license plates only if at the time of application the 62872
stock of the bureau contains license plates of that type of 62873
nonstandard license plate. If, at the time of such application, 62874
the stock of the bureau does not contain license plates of that 62875
type of nonstandard license plate, the registrar or deputy 62876
registrar shall inform the owner of that fact, and the application 62877
shall be refused. 62878

If the program involving a type of nonstandard license plate 62879
is terminated under division (B) of this section and the 62880
registration of motor vehicles displaying such license plates 62881
continues as permitted by this division, the registrar, for as 62882
long as such registrations continue to be issued, shall continue 62883
to collect and distribute any contribution that was required to be 62884
collected and distributed prior to the termination of that 62885
program. 62886

(D) If the program involving a nonstandard license plate is 62887
terminated under division (B)(1) of this section, the sponsor of 62888
that license plate may apply to the registrar for the 62889
reestablishment of the program. If the program involving that 62890
nonstandard license plate is reestablished, the reestablishment is 62891
subject to division (B) of section 4503.78 of the Revised Code. 62892

Sec. 4503.83. (A) Commencing January 1, 2014, the owner or 62893
lessee of a fleet of apportioned vehicles may apply to the 62894
registrar of motor vehicles for the registration of any 62895
apportioned vehicle, commercial trailer, or other vehicle of a 62896
class approved by the registrar and issuance of company logo 62897
license plates. The initial application shall be for not less than 62898
fifty eligible vehicles. The applicant shall provide the registrar 62899

the artwork for the company logo plate in a format designated by 62900
the registrar. The registrar shall approve the artwork or return 62901
the artwork for modification in accordance with any design 62902
requirements reasonably imposed by the registrar. 62903

Upon approval of the artwork and receipt of the completed 62904
application and compliance with divisions (B) and (C) of this 62905
section, the registrar shall issue to the applicant the 62906
appropriate vehicle registration and the appropriate number of 62907
company logo license plates with a validation sticker or a 62908
validation sticker alone when required by section 4503.191 of the 62909
Revised Code, except that no validation sticker shall be issued 62910
under this section for a motor vehicle for which the registration 62911
tax is specified in section 4503.042 of the Revised Code. 62912

In addition to the letters and numbers ordinarily inscribed 62913
on license plates, company logo license plates shall be inscribed 62914
with words and markings requested by the applicant and approved by 62915
the registrar. 62916

(B) A company logo license plate and a validation sticker or, 62917
when applicable, a validation sticker alone shall be issued upon 62918
payment of the applicable regular license tax prescribed in 62919
section 4503.042 or 4503.65 of the Revised Code for the 62920
registration of a vehicle in this state, any applicable fees 62921
prescribed in section 4503.10 of the Revised Code, any applicable 62922
motor vehicle tax levied under Chapter 4504. of the Revised Code, 62923
a bureau of motor vehicles fee of six dollars when a company logo 62924
license plate actually is issued, and compliance with all other 62925
applicable laws relating to the registration of motor vehicles. If 62926
a company logo plate is issued to replace an existing license 62927
plate for the same vehicle, the replacement license plate fees 62928
prescribed in division (A) of section 4503.19 of the Revised Code 62929
shall not apply. 62930

(C) The registrar shall deposit the bureau of motor vehicles 62931

fee specified in division (B) of this section, the purpose of 62932
which is to compensate the bureau for the additional services 62933
required in issuing company logo license plates, in the public 62934
safety - highway purposes fund created in section 4501.06 of the 62935
Revised Code. 62936

Sec. 4504.201. No commercial car that is taxed under division 62937
(A) of section 4503.65 of the Revised Code, and no commercial bus 62938
that is taxed under division (B) of section 4503.65 of the Revised 62939
Code, is subject to a tax established under section 4504.02, 62940
4504.06, 4504.15, 4504.16, 4504.17, 4504.171, 4504.172, 4504.18, 62941
or 4504.24 of the Revised Code. 62942

Sec. 4505.06. (A)(1) Application for a certificate of title 62943
shall be made in a form prescribed by the registrar of motor 62944
vehicles and shall be sworn to before a notary public or other 62945
officer empowered to administer oaths. The application shall be 62946
filed with the clerk of any court of common pleas. An application 62947
for a certificate of title may be filed electronically by any 62948
electronic means approved by the registrar in any county with the 62949
clerk of the court of common pleas of that county. Any payments 62950
required by this chapter shall be considered as accompanying any 62951
electronically transmitted application when payment actually is 62952
received by the clerk. Payment of any fee or taxes may be made by 62953
electronic transfer of funds. 62954

(2) The application for a certificate of title shall be 62955
accompanied by the fee prescribed in section 4505.09 of the 62956
Revised Code. The fee shall be retained by the clerk who issues 62957
the certificate of title and shall be distributed in accordance 62958
with that section. If a clerk of a court of common pleas, other 62959
than the clerk of the court of common pleas of an applicant's 62960
county of residence, issues a certificate of title to the 62961
applicant, the clerk shall transmit data related to the 62962

transaction to the automated title processing system. 62963

(3) If a certificate of title previously has been issued for 62964
a motor vehicle in this state, the application for a certificate 62965
of title also shall be accompanied by that certificate of title 62966
duly assigned, unless otherwise provided in this chapter. If a 62967
certificate of title previously has not been issued for the motor 62968
vehicle in this state, the application, unless otherwise provided 62969
in this chapter, shall be accompanied by a manufacturer's or 62970
importer's certificate or by a certificate of title of another 62971
state from which the motor vehicle was brought into this state. If 62972
the application refers to a motor vehicle last previously 62973
registered in another state, the application also shall be 62974
accompanied by the physical inspection certificate required by 62975
section 4505.061 of the Revised Code. If the application is made 62976
by two persons regarding a motor vehicle in which they wish to 62977
establish joint ownership with right of survivorship, they may do 62978
so as provided in section 2131.12 of the Revised Code. If the 62979
applicant requests a designation of the motor vehicle in 62980
beneficiary form so that upon the death of the owner of the motor 62981
vehicle, ownership of the motor vehicle will pass to a designated 62982
transfer-on-death beneficiary or beneficiaries, the applicant may 62983
do so as provided in section 2131.13 of the Revised Code. A person 62984
who establishes ownership of a motor vehicle that is transferable 62985
on death in accordance with section 2131.13 of the Revised Code 62986
may terminate that type of ownership or change the designation of 62987
the transfer-on-death beneficiary or beneficiaries by applying for 62988
a certificate of title pursuant to this section. The clerk shall 62989
retain the evidence of title presented by the applicant and on 62990
which the certificate of title is issued, except that, if an 62991
application for a certificate of title is filed electronically by 62992
an electronic motor vehicle dealer on behalf of the purchaser of a 62993
motor vehicle, the clerk shall retain the completed electronic 62994
record to which the dealer converted the certificate of title 62995

application and other required documents. The registrar, after 62996
consultation with the attorney general, shall adopt rules that 62997
govern the location at which, and the manner in which, are stored 62998
the actual application and all other documents relating to the 62999
sale of a motor vehicle when an electronic motor vehicle dealer 63000
files the application for a certificate of title electronically on 63001
behalf of the purchaser. Not later than December 31, 2017, the 63002
registrar shall arrange for a service that enables all electronic 63003
motor vehicle dealers to file applications for certificates of 63004
title on behalf of purchasers of motor vehicles electronically by 63005
transferring the applications directly from the computer systems 63006
of the dealers to the clerk. 63007

The clerk shall use reasonable diligence in ascertaining 63008
whether or not the facts in the application for a certificate of 63009
title are true by checking the application and documents 63010
accompanying it or the electronic record to which a dealer 63011
converted the application and accompanying documents with the 63012
records of motor vehicles in the clerk's office. If the clerk is 63013
satisfied that the applicant is the owner of the motor vehicle and 63014
that the application is in the proper form, the clerk, within five 63015
business days after the application is filed and except as 63016
provided in section 4505.021 of the Revised Code, shall issue a 63017
physical certificate of title over the clerk's signature and 63018
sealed with the clerk's seal, unless the applicant specifically 63019
requests the clerk not to issue a physical certificate of title 63020
and instead to issue an electronic certificate of title. For 63021
purposes of the transfer of a certificate of title, if the clerk 63022
is satisfied that the secured party has duly discharged a lien 63023
notation but has not canceled the lien notation with a clerk, the 63024
clerk may cancel the lien notation on the automated title 63025
processing system and notify the clerk of the county of origin. 63026

(4) In the case of the sale of a motor vehicle to a general 63027

buyer or user by a dealer, by a motor vehicle leasing dealer 63028
selling the motor vehicle to the lessee or, in a case in which the 63029
leasing dealer subleased the motor vehicle, the sublessee, at the 63030
end of the lease agreement or sublease agreement, or by a 63031
manufactured housing broker, the certificate of title shall be 63032
obtained in the name of the buyer by the dealer, leasing dealer, 63033
or manufactured housing broker, as the case may be, upon 63034
application signed by the buyer. The certificate of title shall be 63035
issued, or the process of entering the certificate of title 63036
application information into the automated title processing system 63037
if a physical certificate of title is not to be issued shall be 63038
completed, within five business days after the application for 63039
title is filed with the clerk. If the buyer of the motor vehicle 63040
previously leased the motor vehicle and is buying the motor 63041
vehicle at the end of the lease pursuant to that lease, the 63042
certificate of title shall be obtained in the name of the buyer by 63043
the motor vehicle leasing dealer who previously leased the motor 63044
vehicle to the buyer or by the motor vehicle leasing dealer who 63045
subleased the motor vehicle to the buyer under a sublease 63046
agreement. 63047

In all other cases, except as provided in section 4505.032 63048
and division (D)(2) of section 4505.11 of the Revised Code, such 63049
certificates shall be obtained by the buyer. 63050

(5)(a)(i) If the certificate of title is being obtained in 63051
the name of the buyer by a motor vehicle dealer or motor vehicle 63052
leasing dealer and there is a security interest to be noted on the 63053
certificate of title, the dealer or leasing dealer shall submit 63054
the application for the certificate of title and, if required by 63055
division (B)(5) of this section, payment of the applicable tax to 63056
a clerk within seven business days after the later of the delivery 63057
of the motor vehicle to the buyer or the date the dealer or 63058
leasing dealer obtains the manufacturer's or importer's 63059

certificate, or certificate of title issued in the name of the 63060
dealer or leasing dealer, for the motor vehicle. Submission of the 63061
application for the certificate of title and payment, if required, 63062
of the applicable tax within the required seven business days may 63063
be indicated by postmark or receipt by a clerk within that period. 63064

(ii) Upon receipt of the certificate of title with the 63065
security interest noted on its face, the dealer or leasing dealer 63066
shall forward the certificate of title to the secured party at the 63067
location noted in the financing documents or otherwise specified 63068
by the secured party. 63069

(iii) A motor vehicle dealer or motor vehicle leasing dealer 63070
is liable to a secured party for a late fee of ten dollars per day 63071
for each certificate of title application and, if required by 63072
division (B)(5) of this section, payment of the applicable tax 63073
~~that is~~, submitted to a clerk more than seven business days but 63074
less than twenty-one days after the later of the delivery of the 63075
motor vehicle to the buyer or the date the dealer or leasing 63076
dealer obtains the manufacturer's or importer's certificate, or 63077
certificate of title issued in the name of the dealer or leasing 63078
dealer, for the motor vehicle and, from then on, twenty-five 63079
dollars per day until the application and applicable tax are 63080
submitted to a clerk. 63081

(b) In all cases of transfer of a motor vehicle except the 63082
transfer of a manufactured home or mobile home, the application 63083
for certificate of title shall be filed within thirty days after 63084
the assignment or delivery of the motor vehicle. 63085

(c) An application for a certificate of title for a new 63086
manufactured home shall be filed within thirty days after the 63087
delivery of the new manufactured home to the purchaser. The date 63088
of the delivery shall be the date on which an occupancy permit for 63089
the manufactured home is delivered to the purchaser of the home by 63090
the appropriate legal authority. 63091

(d) An application for a certificate of title for a used 63092
manufactured home or a used mobile home shall be filed as follows: 63093

(i) If a certificate of title for the used manufactured home 63094
or used mobile home was issued to the motor vehicle dealer prior 63095
to the sale of the manufactured or mobile home to the purchaser, 63096
the application for certificate of title shall be filed within 63097
thirty days after the date on which an occupancy permit for the 63098
manufactured or mobile home is delivered to the purchaser by the 63099
appropriate legal authority. 63100

(ii) If the motor vehicle dealer has been designated by a 63101
secured party to display the manufactured or mobile home for sale, 63102
or to sell the manufactured or mobile home under section 4505.20 63103
of the Revised Code, but the certificate of title has not been 63104
transferred by the secured party to the motor vehicle dealer, and 63105
the dealer has complied with the requirements of division (A) of 63106
section 4505.181 of the Revised Code, the application for 63107
certificate of title shall be filed within thirty days after the 63108
date on which the motor vehicle dealer obtains the certificate of 63109
title for the home from the secured party or the date on which an 63110
occupancy permit for the manufactured or mobile home is delivered 63111
to the purchaser by the appropriate legal authority, whichever 63112
occurs later. 63113

(6) If an application for a certificate of title is not filed 63114
within the period specified in division (A)(5)(b), (c), or (d) of 63115
this section, the clerk shall collect a fee of five dollars for 63116
the issuance of the certificate, except that no such fee shall be 63117
required from a motor vehicle salvage dealer, as defined in 63118
division (A) of section 4738.01 of the Revised Code, who 63119
immediately surrenders the certificate of title for cancellation. 63120
The fee shall be in addition to all other fees established by this 63121
chapter, and shall be retained by the clerk. The registrar shall 63122
provide, on the certificate of title form prescribed by section 63123

4505.07 of the Revised Code, language necessary to give evidence 63124
of the date on which the assignment or delivery of the motor 63125
vehicle was made. 63126

(7) As used in division (A) of this section, "lease 63127
agreement," "lessee," and "sublease agreement" have the same 63128
meanings as in section 4505.04 of the Revised Code and "new 63129
manufactured home," "used manufactured home," and "used mobile 63130
home" have the same meanings as in section 5739.0210 of the 63131
Revised Code. 63132

(B)(1) The clerk, except as otherwise provided in this 63133
section, shall refuse to accept for filing any application for a 63134
certificate of title and shall refuse to issue a certificate of 63135
title unless the dealer or the applicant, in cases in which the 63136
certificate shall be obtained by the buyer, submits with the 63137
application payment of the tax levied by or pursuant to Chapters 63138
5739. and 5741. of the Revised Code based on the purchaser's 63139
county of residence. Upon payment of the tax in accordance with 63140
division (E) of this section, the clerk shall issue a receipt 63141
prescribed by the registrar and agreed upon by the tax 63142
commissioner showing payment of the tax or a receipt issued by the 63143
commissioner showing the payment of the tax. When submitting 63144
payment of the tax to the clerk, a dealer shall retain any 63145
discount to which the dealer is entitled under section 5739.12 of 63146
