transfer from the underground parking garage operating fund to the 2353  
capitol square improvement fund the amount needed to pay such 2354  
construction, renovation, or other costs. The director then shall 2355  
transfer the amount needed from the excess balance of the 2356  
underground parking garage operating fund. 2357

concurrent resolution invalidating the proposed rule. 2391

(B) The failure of the general assembly to adopt a concurrent 2392

deciding, or otherwise participating in the action. 2631

Revised Code that are necessary for the implementation and 2633

the subsequent general assembly. 4230

Each even-numbered general assembly the auditor of state 4231  
shall conduct a minimum of four performance audits under this 4232  
section. Except as otherwise provided in this section, at least 4233  
two of the audits shall be of state agencies selected from the 4234  
departments listed in division (C) of section 101.88 of the 4235  
Revised Code and the department of education and at least two of 4236  
the audits shall be of other state agencies. These performance 4237  
audits shall be completed before the end of the general assembly 4238  
and shall be made available to the standing committee directed to 4239  
conduct the review under section 101.88 of the Revised Code during 4240  
the subsequent general assembly. 4241

At the auditor of state's discretion, the auditor of state 4242  
may conduct a performance audit of a state institution of higher 4243  
education as one of the four ~~required~~ performance audits required 4244  
during a general assembly. The offices of the attorney general, 4245  
auditor of state, governor, secretary of state, and treasurer of 4246  
state and agencies of the legislative and judicial branches are 4247  
not subject to an audit under this section. 4248

The auditor shall select each agency or institution to be 4249  
audited and shall determine whether to audit the entire agency or 4250  
institution or a portion of the agency or institution by auditing 4251  
one or more programs, offices, boards, councils, or other entities 4252  
within that agency or institution. The auditor shall make the 4253  
selection and determination in consultation with the governor and 4254  
the speaker and minority leader of the house of representatives 4255  
and president and minority leader of the senate. 4256

An audit of a portion of an agency or institution shall be 4257  
considered an audit of one agency or institution. The authority to 4258  
audit a portion of an agency or institution in no way limits the 4259  
auditor's ability to audit an entire agency or institution if it 4260  
is in the best interest of the state. 4261

The performance audits under this section shall be conducted 4262  
pursuant to sections 117.01 and 117.13 of the Revised Code. In 4263  
conducting a performance audit, the auditor of state shall 4264  
determine the scope of the audit, but shall consider, if 4265  
appropriate, supervisory and subordinate level operations in the 4266  
agency or institution. A performance audit under this section 4267  
shall not include review or evaluation of an institution's 4268  
academic performance. 4269

As used in this section and in sections 117.461, 117.462, 4270  
117.463, 117.47, 117.471, and 147.472 of the Revised Code, "state 4271  
institution of higher education" has the meaning defined in 4272  
section 3345.011 of the Revised Code. 4273

**Sec. 120.08.** There is hereby created in the state treasury 4274  
the indigent defense support fund, consisting of money paid into 4275  
the fund pursuant to sections 4507.45, 4509.101, 4510.22, and 4276  
4511.19 of the Revised Code and pursuant to sections 2937.22, 4277  
2949.091, and 2949.094 of the Revised Code out of the additional 4278  
court costs imposed under those sections. The state public 4279  
defender shall use at least ~~eighty-eight~~ eighty-three per cent of 4280  
the money in the fund for the purposes of reimbursing county 4281  
governments for expenses incurred pursuant to sections 120.18, 4282  
120.28, and 120.33 of the Revised Code and operating its system 4283  
pursuant to division (C)(7) of section 120.04 of the Revised Code 4284  
and division (B) of section 120.33 of the Revised Code. 4285  
Disbursements from the fund to county governments shall be made at 4286  
least once per year and shall be allocated proportionately so that 4287  
each county receives an equal percentage of its total cost for 4288  
operating its county public defender system, its joint county 4289  
public defender system, its county appointed counsel system, or 4290  
its system operated under division (C)(7) of section 120.04 of the 4291  
Revised Code and division (B) of section 120.33 of the Revised 4292  
Code. The state public defender may use not more than ~~twelve~~ 4293  
seventeen per cent of the money in the fund for the purposes of 4294  
appointing assistant state public defenders, providing other 4295  
personnel, equipment, and facilities necessary for the operation 4296  
of the state public defender office, and providing training, 4297  
developing and implementing electronic forms, or establishing and 4298  
maintaining an information technology system used for the uniform 4299  
operation of this chapter. 4300

**Sec. 120.33.** (A) In lieu of using a county public defender or 4301  
joint county public defender to represent indigent persons in the 4302  
proceedings set forth in division (A) of section 120.16 of the 4303  
Revised Code, the board of county commissioners of any county may 4304

adopt a resolution to pay counsel who are either personally 4305  
selected by the indigent person or appointed by the court. The 4306  
resolution shall include those provisions the board of county 4307  
commissioners considers necessary to provide effective 4308  
representation of indigent persons in any proceeding for which 4309  
counsel is provided under this section. The resolution shall 4310  
include provisions for contracts with any municipal corporation 4311  
under which the municipal corporation shall reimburse the county 4312  
for counsel appointed to represent indigent persons charged with 4313  
violations of the ordinances of the municipal corporation. 4314

(1) In a county that adopts a resolution to pay counsel, an 4315  
indigent person shall have the right to do either of the 4316  
following: 4317

the person in any proceeding included within the provisions of the 4319  
resolution; 4320

(b) To request the court to appoint counsel to represent the 4321  
person in such a proceeding. 4322

(2) The court having jurisdiction over the proceeding in a 4323  
county that adopts a resolution to pay counsel shall, after 4324  
determining that the person is indigent and entitled to legal 4325  
representation under this section, do either of the following: 4326

(3) The board of county commissioners shall establish a 4334  
schedule of fees by case or on an hourly basis to be paid to 4335

counsel for legal services provided pursuant to a resolution 4336  
adopted under this section. Prior to establishing the schedule, 4337  
the board of county commissioners shall request the bar 4338  
association or associations of the county to submit a proposed 4339  
schedule for cases other than capital cases. The schedule 4340  
submitted shall be subject to the review, amendment, and approval 4341  
of the board of county commissioners, except with respect to 4342  
capital cases. With respect to capital cases, the schedule shall 4343  
provide for fees by case or on an hourly basis to be paid to 4344  
counsel in the amount or at the rate set by the capital case 4345  
attorney fee council pursuant to division (D) of this section, and 4346  
the board of county commissioners shall approve that amount or 4347  
rate. 4348

(4) Counsel selected by the indigent person or appointed by 4349  
the court at the request of an indigent person in a county that 4350  
adopts a resolution to pay counsel, except for counsel appointed 4351  
to represent a person charged with any violation of an ordinance 4352  
of a municipal corporation that has not contracted with the county 4353  
commissioners for the payment of appointed counsel, shall be paid 4354  
by the county and shall receive the compensation and expenses the 4355  
court approves. With respect to capital cases, the court shall 4356  
approve compensation and expenses in accordance with the amount or 4357

the board of county commissioners in the schedule adopted pursuant 4364  
to division (A)(3) of this section. No court shall approve 4365  
compensation and expenses that exceed the amount fixed pursuant to 4366  
division (A)(3) of this section. 4367

The fees and expenses approved by the court shall not be 4368  
taxed as part of the costs and shall be paid by the county. 4369  
However, if the person represented has, or may reasonably be 4370  
expected to have, the means to meet some part of the cost of the 4371  
services rendered to the person, the person shall pay the county 4372  
an amount that the person reasonably can be expected to pay. 4373  
Pursuant to section 120.04 of the Revised Code, the county shall 4374  
pay to the state public defender a percentage of the payment 4375  
received from the person in an amount proportionate to the 4376  
percentage of the costs of the person's case that were paid to the 4377  
county by the state public defender pursuant to this section. The 4378  
money paid to the state public defender shall be credited to the 4379  
client payment fund created pursuant to division (B)(5) of section 4380  
120.04 of the Revised Code. 4381

The county auditor shall draw a warrant on the county 4382  
treasurer for the payment of counsel in the amount fixed by the 4383  
court, plus the expenses the court fixes and certifies to the 4384  
auditor. The county auditor shall report periodically, but not 4385  
less than annually, to the board of county commissioners and to 4386  
the state public defender the amounts paid out pursuant to the 4387  
approval of the court. The board of county commissioners, after 4388  
review and approval of the auditor's report, or the county 4389  
auditor, with permission from and notice to the board of county 4390  
commissioners, may then certify it to the state public defender 4391  
for reimbursement. The state public defender may pay a requested 4392

that a financial disclosure form ~~and affidavit of indigency have~~ 4398  
has been completed by the indigent person and ~~are~~ is available for 4399  
inspection. If a request for the reimbursement of the cost of 4400

counsel in any case is not received by the state public defender 4401  
within ninety days after the end of the calendar month in which 4402  
the case is finally disposed of by the court, unless the county 4403  
has requested and the state public defender has granted an 4404  
extension of the ninety-day limit, the state public defender shall 4405  
not pay the requested reimbursement. The state public defender 4406  
shall also review the report and, in accordance with the 4407  
standards, guidelines, and maximums established pursuant to 4408  
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 4409  
prepare a voucher for fifty per cent of the total cost of each 4410  
county appointed counsel system in the period of time covered by 4411  
the certified report and a voucher for fifty per cent of the costs 4412  
and expenses that are reimbursable under section 120.35 of the 4413  
Revised Code, if any, or, if the amount of money appropriated by 4414  
the general assembly to reimburse counties for the operation of 4415  
county public defender offices, joint county public defender 4416  
offices, and county appointed counsel systems is not sufficient to 4417  
pay fifty per cent of the total cost of all of the offices and 4418  
systems other than costs and expenses that are reimbursable under 4419  
section 120.35 of the Revised Code, for the lesser amount required 4420  
by section 120.34 of the Revised Code. 4421

(5) If any county appointed counsel system fails to maintain 4422  
the standards for the conduct of the system established by the 4423  
rules of the Ohio public defender commission pursuant to divisions 4424  
(B) and (C) of section 120.03 or the standards established by the 4425  
state public defender pursuant to division (B)(7) of section 4426  
120.04 of the Revised Code, the Ohio public defender commission 4427  
shall notify the board of county commissioners of the county that 4428  
the county appointed counsel system has failed to comply with its 4429  
rules or the standards of the state public defender. Unless the 4430  
board of county commissioners corrects the conduct of its 4431  
appointed counsel system to comply with the rules and standards 4432  
within ninety days after the date of the notice, the state public 4433

defender may deny all or part of the county's reimbursement from 4434  
the state provided for in division (A)(4) of this section. 4435

(B) In lieu of using a county public defender or joint county 4436  
public defender to represent indigent persons in the proceedings 4437  
set forth in division (A) of section 120.16 of the Revised Code, 4438  
and in lieu of adopting the resolution and following the procedure 4439  
described in division (A) of this section, the board of county 4440  
commissioners of any county may contract with the state public 4441  
defender for the state public defender's legal representation of 4442  
indigent persons. A contract entered into pursuant to this 4443  
division may provide for payment for the services provided on a 4444  
per case, hourly, or fixed contract basis. 4445

(C) If a court appoints an attorney pursuant to this section 4446  
to represent a petitioner in a postconviction relief proceeding 4447  
under section 2953.21 of the Revised Code, the petitioner has 4448  
received a sentence of death, and the proceeding relates to that 4449  
sentence, the attorney who represents the petitioner in the 4450  
proceeding pursuant to the appointment shall be certified under 4451  
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 4452  
represent indigent defendants charged with or convicted of an 4453  
offense for which the death penalty can be or has been imposed. 4454

(D)(1) There is hereby created the capital case attorney fee 4455  
council, appointed as described in division (D)(2) of this 4456  
section. The council shall set an amount by case, or a rate on an 4457  
hourly basis, to be paid under this section to counsel in a 4458  
capital case. 4459

(2) The capital case attorney fee council shall consist of 4460  
five members, all of whom shall be active judges serving on one of 4461  
the district courts of appeals in this state. Terms for council 4462  
members shall be the lesser of three years or until the member 4463  
ceases to be an active judge of a district court of appeals. The 4464  
initial terms shall commence ninety days after ~~the effective date~~ 4465

~~of this amendment~~ September 28, 2016. The chief justice of the 4466  
supreme court shall appoint the members of the council, and shall 4467  
make all of the appointments not later than sixty days after ~~the~~ 4468  
~~effective date of this amendment~~ September 28, 2016. When any 4469  
vacancy occurs, the chief justice shall appoint an active judge of 4470  
a district court of appeals in this state to fill the vacancy for 4471  
the unexpired term, in the same manner as prescribed in this 4472  
division. The chief justice shall designate a chairperson from the 4473  
appointed members of the council. Members of the council shall 4474  
receive no additional compensation for their service as a member, 4475  
but may be reimbursed for expenses reasonably incurred in service 4476  
to the council, to be paid by the supreme court. The supreme court 4477  
may provide administrative support to the council. 4478

(3) The capital case attorney fee council initially shall 4479  
meet not later than one hundred twenty days after ~~the effective~~ 4480  
~~date of this amendment~~ September 28, 2016. Thereafter, the council 4481  
shall meet not less than annually. 4482

(4) Upon setting the amount or rate described in division 4483  
(D)(1) of this section, the chairperson of the capital case 4484  
attorney fee council promptly shall provide written notice to the 4485  
state public defender of the amount or rate so set. The amount or 4486  
rate so set shall become effective ninety days after the date on 4487  
which the chairperson provides that written notice to the state 4488  
public defender. The council shall specify that effective date in 4489  
the written notice provided to the state public defender. All 4490  
amounts or rates set by the council shall be final, subject to 4491  
modification as described in division (D)(5) of this section, and 4492  
not subject to appeal. 4493

(5) The capital case attorney fee council may modify an 4494  
amount or rate set as described in division (D)(4) of this 4495  
section. The provisions of that division apply with respect to any 4496  
such modification of an amount or rate. 4497

**Sec. 120.36.** (A)(1) Subject to division (A)(2), (3), (4), 4498  
(5), or (6) of this section, if a person who is a defendant in a 4499  
criminal case or a party in a case in juvenile court requests or 4500  
is provided a state public defender, a county or joint county 4501  
public defender, or any other counsel appointed by the court, the 4502  
court in which the criminal case is initially filed or the 4503  
juvenile court, whichever is applicable, shall assess, unless the 4504  
application fee is waived or reduced, a non-refundable application 4505  
fee of twenty-five dollars. 4506

The court shall direct the person to pay the application fee 4507  
to the clerk of court. The person shall pay the application fee to 4508  
the clerk of court at the time the person files ~~an affidavit of~~ 4509  
~~indigency or~~ a financial disclosure form with the court, a state 4510  
public defender, a county or joint county public defender, or any 4511  
other counsel appointed by the court or within seven days of that 4512  
date. If the person does not pay the application fee within that 4513  
seven-day period, the court shall assess the application fee at 4514  
sentencing or at the final disposition of the case. 4515

(2) For purposes of this section, a criminal case includes 4516  
any case involving a violation of any provision of the Revised 4517  
Code or of an ordinance of a municipal corporation for which the 4518  
potential penalty includes loss of liberty and includes any 4519  
contempt proceeding in which a court may impose a term of 4520  
imprisonment. 4521

(3) In a juvenile court proceeding, the court shall not 4522  
assess the application fee against a child if the court appoints a 4523  
guardian ad litem for the child or the court appoints an attorney 4524  
to represent the child at the request of a guardian ad litem. 4525

(4) The court shall not assess an application fee for a 4526  
postconviction proceeding or when the defendant files an appeal. 4527

(5)(a) Except when the court assesses an application fee 4528

pursuant to division (A)(5)(b) of this section, the court shall 4529  
assess an application fee when a person is charged with a 4530  
violation of a community control sanction or a violation of a 4531  
post-release control sanction. 4532

(b) If a charge of violating a community control sanction or 4533  
post-release control sanction described in division (A)(5)(a) of 4534  
this section results in a person also being charged with violating 4535  
any provision of the Revised Code or an ordinance of a municipal 4536  
corporation, the court shall only assess an application fee for 4537  
the case that results from the additional charge. 4538

(6) If a case is transferred from one court to another court 4539  
and the person failed to pay the application fee to the court that 4540  
initially assessed the application fee, the court that initially 4541  
assessed the fee shall remove the assessment, and the court to 4542  
which the case was transferred shall assess the application fee. 4543

(7) The court shall assess an application fee pursuant to 4544  
this section one time per case. For purposes of assessing the 4545  
application fee, a case means one complete proceeding or trial 4546  
held in one court for a person on an indictment, information, 4547  
complaint, petition, citation, writ, motion, or other document 4548  
initiating a case that arises out of a single incident or a series 4549  
of related incidents, or when one individual is charged with two 4550  
or more offenses that the court handles simultaneously. The court 4551  
may waive or reduce the fee for a specific person in a specific 4552  
case upon a finding that the person lacks financial resources that 4553  
are sufficient to pay the fee or that payment of the fee would 4554  
result in an undue hardship. 4555

(B) No court, state public defender, county or joint county 4556  
public defender, or other counsel appointed by the court shall 4557  
deny a person the assistance of counsel solely due to the person's 4558  
failure to pay the application fee assessed pursuant to division 4559  
(A) of this section. A person's present inability, failure, or 4560

refusal to pay the application fee shall not disqualify that 4561  
person from legal representation. 4562

(C) The application fee assessed pursuant to division (A) of 4563  
this section is separate from and in addition to any other amount 4564  
assessed against a person who is found to be able to contribute 4565  
toward the cost of the person's legal representation pursuant to 4566  
division (D) of section 2941.51 of the Revised Code. 4567

(D) The clerk of the court that assessed the fees shall 4568  
forward all application fees collected pursuant to this section to 4569  
the county treasurer for deposit in the county treasury. The 4570  
county shall retain eighty per cent of the application fees so 4571  
collected to offset the costs of providing legal representation to 4572  
indigent persons. Not later than the last day of each month, the 4573  
county auditor shall remit twenty per cent of the application fees 4574  
so collected in the previous month to the state public defender. 4575  
The state public defender shall deposit the remitted fees into the 4576  
state treasury to the credit of the client payment fund created 4577  
pursuant to division (B)(5) of section 120.04 of the Revised Code. 4578  
The state public defender may use that money in accordance with 4579  
that section. 4580

(E) On or before the twentieth day of each month beginning in 4581  
February of the year 2007, each clerk of court shall provide to 4582  
the state public defender a report including all of the following: 4583

(1) The number of persons in the previous month who requested 4584  
or were provided a state public defender, county or joint county 4585  
public defender, or other counsel appointed by the court; 4586

(2) The number of persons in the previous month for whom the 4587  
court waived the application fee pursuant to division (A) of this 4588  
section; 4589

(3) The dollar value of the application fees assessed 4590  
pursuant to division (A) of this section in the previous month; 4591

(4) The amount of assessed application fees collected in the 4592  
previous month; 4593

(5) The balance of unpaid assessed application fees at the 4594  
open and close of the previous month. 4595

(F) As used in this section: 4596

(1) "Clerk of court" means the clerk of the court of common 4597  
pleas of the county, the clerk of the juvenile court of the 4598  
county, the clerk of the domestic relations division of the court 4599  
of common pleas of the county, the clerk of the probate court of 4600  
the county, the clerk of a municipal court in the county, the 4601  
clerk of a county-operated municipal court, or the clerk of a 4602  
county court in the county, whichever is applicable. 4603

(2) "County-operated municipal court" has the same meaning as 4604  
in section 1901.03 of the Revised Code. 4605

credit-eligible capital contribution. 5159

(7) A nonrefundable application fee of five thousand dollars. 5160

(B)(1) Except as provided in division (B)(2) of this section, 5161  
the development services agency shall review and make a 5162  
determination with respect to each application submitted under 5163  
division (A) of this section within sixty days of receipt. The 5164  
agency shall review and make determinations on the applications in 5165  
the order in which the applications are received by the agency. 5166  
Applications received by the agency on the same day shall be 5167  
deemed to have been received simultaneously. Except as provided in 5168  
division (C) of section 122.154 of the Revised Code, the agency 5169  
shall approve not more than one hundred million dollars in 5170  
eligible investment authority and not more than sixty million 5171  
dollars in credit-eligible capital contributions under this 5172

section. Not more than one-third of the eligible investment 5173  
authority and credit-eligible capital contributions approved under 5174  
this section may be awarded to a single rural business and 5175  
high-growth industry fund and its affiliates. 5176

(2) If the agency denies an application for certification as 5177  
a fund, and approving a subsequently submitted application would 5178  
result in exceeding the dollar limitation on eligible investment 5179  
authority or credit-eligible contributions prescribed by division 5180  
(B)(1) of this section assuming the previously denied application 5181  
were completed, clarified, or cured under division (D) of this 5182  
section, the agency may refrain from making a determination on the 5183  
subsequently submitted application until the previously denied 5184  
application is reconsidered or the fifteen-day period for 5185  
submitting additional information respecting that application has 5186  
passed, whichever comes first. 5187

(C) The agency shall deny an application submitted under this 5188  
section if any of the following are true: 5189

(1) The application is incomplete. 5190

(2) The application fee is not paid in full. 5191

(3) The applicant does not satisfy all the criteria described 5192  
in division (A)(2) of this section. 5193

(4) The revenue impact assessment submitted under division 5194  
(A)(5) of this section does not demonstrate that the applicant's 5195  
business plan will result in a positive economic impact on this 5196  
state over a ten-year period that exceeds the cumulative amount of 5197  
tax credits that would be issued under section 122.152 of the 5198  
Revised Code if the application were approved. 5199

(5) The credit-eligible capital contributions described in 5200  
affidavits submitted under division (A)(6) of this section do not 5201  
equal sixty per cent of the total amount of eligible investment 5202  
authority sought under the applicant's business plan. 5203

(6) The agency has already approved the maximum total 5204  
eligible investment authority and credit-eligible capital 5205  
contributions allowed under division (B) of this section or the 5206  
maximum amount allowed with respect to the applicant fund under 5207  
that division. 5208

(D) If the agency denies an application under division (C) of 5209  
this section, the agency shall send notice of its determination to 5210  
the applicant. The notice shall include the reason or reasons that 5211  
the application was denied. If the application was denied for any 5212  
reason other than the reason specified in division (C)(6) of this 5213  
section, the applicant may provide additional information to the 5214  
agency to complete, clarify, or cure defects in the application. 5215  
The additional information must be submitted within fifteen days 5216  
after the date the notice of denial was dispatched by the agency. 5217  
If the person submits additional information within fifteen days, 5218  
the agency shall reconsider the application within thirty days 5219  
after receiving the additional information. The application shall 5220  
be reviewed and considered before any pending application 5221  
submitted after the original submission date of the reconsidered 5222  
application. If the person does not submit additional information 5223  
within fifteen days after dispatch of the notice of denial, the 5224  
person may submit a new application with a new submission date at 5225  
any time. 5226

(E) If approving multiple simultaneously submitted 5227  
applications would result in exceeding the overall eligible 5228  
investment limit prescribed by division (B) of this section, the 5229  
agency shall proportionally reduce the eligible investment 5230  
authority and the credit-eligible capital contributions for each 5231  
approved application as necessary to avoid exceeding the limit. 5232

(F) The agency shall not deny a rural business and 5233  
high-growth industry fund application or reduce the requested 5234  
eligible investment authority for reasons other than those 5235

described in divisions (C) and (E) of this section. If the agency 5236  
approves such an application, the agency shall issue all of the 5237  
following notices: 5238

(1) To the applicant, a written notice certifying that the 5239  
applicant qualifies as a rural business and high-growth industry 5240  
fund and specifying the amount of the applicant's eligible 5241  
investment authority; 5242

(2) To each investor whose affidavit was included in the 5243  
application, a notice specifying the amount of credit-eligible 5244  
capital allocated to the investor and the associated tax credit 5245  
amount; 5246

(3) To the tax commissioner, a notice of the amount and 5247  
utilization schedule of the tax credits allocated to each investor 5248  
receiving a notice under division (F)(2) of this section. 5249

(G) A fund shall do all of the following within sixty days of 5250  
receiving the certification issued under division (F)(1) of this 5251  
section: 5252

(1) Collect the credit-eligible capital contributions from 5253  
each investor in the amount set forth in the notice provided to 5254  
the investor under division (F)(2) of this section; 5255

(2) Collect one or more investments of cash that, when added 5256  
to the contributions collected under division (G)(1) of this 5257  
section, equal the fund's eligible investment authority. At least 5258  
ten per cent of the fund's eligible investment authority shall be 5259  
comprised of equity investments contributed by affiliates of the 5260  
fund, including employees, officers, and directors of such 5261  
affiliates. 5262

Within sixty-five days after receiving the certification 5263  
issued under division (F)(1) of this section, the fund shall send 5264  
to the agency documentation sufficient to prove that the amounts 5265  
described in divisions (G)(1) and (2) of this section have been 5266

collected. If the fund fails to fully comply with division (G) of 5267  
this section, the fund's certification shall lapse. 5268

Eligible investment authority and corresponding 5269  
credit-eligible capital contributions that lapse under this 5270  
division do not count toward limits on total eligible investment 5271  
authority and credit-eligible capital contributions prescribed by 5272  
division (B) of this section. Once eligible investment authority 5273  
has lapsed, the agency shall first award lapsed authority pro rata 5274  
to each fund that was awarded less than the requested eligible 5275  
investment authority under division (E) of this section. Any 5276  
remaining eligible investment authority may be awarded by the 5277  
agency to new applicants. 5278

(H) Application fees submitted to the agency pursuant to 5279  
division (A)(7) of this section shall be credited to the Ohio 5280  
rural and high-growth industry jobs fund, which is hereby created, 5281  
and shall be used by the agency to administer this section and 5282  
sections 122.15 to 122.156 of the Revised Code. 5283

**Sec. 122.152.** (A) There is hereby allowed a nonrefundable tax 5284  
credit for owners of tax credit certificates issued by the 5285  
development services agency under division (B) of this section. 5286  
The credit may be claimed against the tax imposed by section 5287  
3901.86, 5725.18, 5726.02, 5729.03, or 5729.06 of the Revised 5288  
Code. 5289

(B) On the closing date, a taxpayer that made a 5290  
credit-eligible capital contribution to a rural business and 5291  
high-growth industry fund shall earn a vested credit equal to the 5292  
amount specified in the notice issued under division (F)(2) of 5293  
section 122.151 of the Revised Code. On or before the third, 5294  
fourth, fifth, and sixth anniversary dates of the closing date, 5295  
the agency shall issue a tax credit certificate to the taxpayer 5296  
specifying the corresponding anniversary date and a credit amount 5297

equal to one-fourth of the total credit authorized under this 5298  
section. The owner of the certificate may claim the credit amount 5299  
for the taxable year that includes the date specified on the 5300  
certificate. A tax credit certificate issued under section 122.151 5301  
of the Revised Code may not be sold or transferred except to an 5302  
affiliate of the taxpayer that is subject to the tax imposed by 5303  
section 3901.86, 5725.18, 5726.02, 5729.03, or 5729.06 of the 5304  
Revised Code. The taxpayer making a credit-eligible capital 5305  
contribution and the issuance of a tax credit by the agency does 5306  
not represent a verification or certification by the agency of 5307  
compliance with the recapture provisions of section 122.153 of the 5308  
Revised Code. The tax credit earned and vested under this division 5309  
is subject to recapture under section 122.153 of the Revised Code. 5310

(C) The credit shall be claimed in the order required under 5311  
section 5725.98, 5726.98, or 5729.98 of the Revised Code as 5312  
applicable. If the amount of the credit for a taxable year exceeds 5313  
the tax otherwise due for that year, the excess shall be carried 5314  
forward to ensuing taxable years until fully used. A taxpayer 5315  
claiming a credit under this section shall submit a copy of the 5316  
tax credit certificate with the taxpayer's return for each taxable 5317  
year in which the credit is claimed. 5318

**Sec. 122.153.** (A) The development services agency shall 5319  
recapture tax credits claimed under section 122.152 of the Revised 5320  
Code if any of the following occur with respect to a rural 5321  
business and high-growth industry fund before the fund is 5322  
decertified under division (C) of this section: 5323

(1) The fund in which the credit-eligible capital 5324  
contribution was made does not invest fifty per cent of its 5325  
eligible investment authority in growth investments within one 5326  
year of the closing date and one hundred per cent of its eligible 5327  
investment authority in growth investments in this state within 5328

two years of the closing date. 5329

(2) On the second anniversary of the closing date, the fund 5330  
has not invested fifty per cent of its eligible investment 5331  
authority in growth investments in rural business concerns in this 5332  
state and fifty per cent of its eligible investment authority in 5333  
growth investments in high-growth industry business concerns in 5334  
this state. 5335

(3) The fund, after investing one hundred per cent of its 5336  
eligible investment authority in growth investments in this state, 5337  
fails to maintain that investment until the sixth anniversary of 5338  
the closing date. For the purposes of this division, an investment 5339  
is "maintained" even if the investment is sold or repaid so long 5340  
as the fund reinvests an amount equal to the capital returned or 5341  
recovered by the fund from the original investment, exclusive of 5342  
any profits realized, in other growth investments in this state 5343  
within twelve months of the receipt of such capital, provided that 5344  
the fund shall make the reinvestment even if such twelve-month 5345  
anniversary occurs after the fifth anniversary of the closing 5346  
date. Amounts received periodically by a fund shall be treated as 5347  
continually invested in growth investments if the amounts are 5348  
reinvested in one or more growth investments by the end of the 5349  
following calendar year, provided that the fund shall make the 5350  
reinvestment even if the end of the following calendar year occurs 5351  
after the fifth anniversary of the closing date. Except as 5352  
otherwise provided by this division, a fund is not required to 5353  
reinvest capital returned from growth investments if the capital 5354  
is returned after the fifth anniversary of the closing date, and 5355  
such growth investments shall be considered held continuously by 5356  
the fund through the sixth anniversary of the closing date. 5357

(4) The fund makes a distribution or payment after the fund 5358  
complies with division (G) of section 122.151 of the Revised Code 5359  
and before the fund decertifies under division (D) of this section 5360

that results in the fund having less than one hundred per cent of 5361  
its eligible investment authority invested in growth investments 5362  
in this state or held in cash and other marketable securities. 5363

(5) The fund makes a growth investment in a rural business 5364  
concern or high-growth industry business concern that directly or 5365  
indirectly through an affiliate owns, has the right to acquire an 5366  
ownership interest, makes a loan to, or makes an investment in the 5367  
fund, an affiliate of the fund, or an investor in the fund. 5368  
Division (A)(5) of this section does not apply to investments in 5369  
publicly traded securities by a rural business concern, a 5370  
high-growth industry business concern, or an owner or affiliate of 5371  
either such business concerns. 5372

Before recapturing one or more tax credits under this 5373  
division, the agency shall notify the fund of the reasons for the 5374  
pending recapture. If the fund corrects the violations outlined in 5375  
the notice to the satisfaction of the agency within one hundred 5376  
eighty days of the date the notice was dispatched, the agency 5377  
shall not recapture the tax credits. 5378

(B)(1) Except as otherwise provided in division (B)(2) of 5379  
this section, the amount by which one or more growth investments 5380  
by a fund in the same rural business concern or high-growth 5381  
industry business concern exceeds twenty per cent of the fund's 5382  
eligible investment authority shall not be counted as a growth 5383  
investment for the purposes of division (A) of this section. 5384

(2) The reinvestment of capital that was returned to or 5385  
recovered by a fund from a growth investment that was sold or 5386  
repaid shall be counted as a growth investment for the purposes of 5387  
division (A) of this section even if the reinvestment results in 5388  
more than twenty per cent of the fund's eligible investment 5389  
authority being invested in the same rural business concern or 5390  
high-growth industry business concern. 5391

(3) A growth investment in an affiliate of a rural business concern or high-growth industry business concern shall be treated as a growth investment in that rural business concern or high-growth industry business concern for the purposes of division (B) of this section. 5392  
5393  
5394  
5395  
5396

(C)(1) If the agency recaptures a tax credit under division (A) of this section, the agency shall notify the tax commissioner and the superintendent of insurance of the recapture. The superintendent or the commissioner shall make an assessment under Chapter 5725., 5726., or 5729. of the Revised Code for the amount of the credit claimed by each certificate owner associated with the fund before the recapture was finalized. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the superintendent or the commissioner shall make the assessment within one year after the date the agency notifies the superintendent or the commissioner of the recapture. Following the recapture of a tax credit under division (A) of this section, no tax credit certificate associated with the fund may be utilized. Notwithstanding division (B) of section 122.152 of the Revised Code, if a tax credit is recaptured under division (A) of this section the agency shall not issue future tax credit certificates to taxpayers that made credit-eligible capital contributions to the fund. 5397

5402

5408  
5409  
5410  
5411  
5412  
5413  
5414

(2) If tax credits are recaptured, the associated eligible investment authority and credit-eligible capital contributions do not count toward the limit on total eligible investment authority and credit-eligible capital contributions described by division (B) of section 122.151 of the Revised Code. The agency shall first award reverted authority pro rata to each fund that was awarded less than the requested eligible investment authority under division (E) of section 122.151 of the Revised Code. Any remaining eligible investment authority may be awarded by the agency to new 5415

applicants. 5424

(D)(1) On or after the sixth anniversary of the closing date, 5425  
a fund that has not committed any of the acts described in 5426  
division (A) of this section may apply to the agency to decertify 5427  
as a rural business and high-growth industry fund. The agency 5428  
shall respond to the application within thirty days after 5429  
receiving the application. In evaluating the application, the fact 5430  
that no tax credit has been recaptured with respect to the fund 5431  
shall be sufficient evidence to prove that the fund is eligible 5432  
for decertification. The agency shall not unreasonably deny an 5433  
application submitted under this division. 5434

(2) The agency shall send notice of its determination with 5435  
respect to an application submitted under division (D)(1) of this 5436  
section to the fund. If the application is denied, the notice 5437  
shall include the reason or reasons for the determination. 5438

(3) The agency shall not recapture a tax credit due to any 5439  
actions of a fund that occur after the date the fund's application 5440  
for decertification is approved under division (D) of this 5441  
section. This division does not prohibit the agency from 5442  
recapturing a tax credit due to the actions of a fund that occur 5443  
before the date the fund's application for decertification is 5444  
approved, even if those actions are discovered after that date. 5445

**Sec. 122.154.** (A) Each rural business and high-growth 5446  
industry fund shall submit a report to the development services 5447  
agency on or before the first day of each March following the end 5448  
of the calendar year that includes the closing date until the year 5449  
after the fund has decertified. The report shall provide an 5450  
itemization of the fund's growth investments and shall include the 5451  
following documents and information: 5452

(1) A bank statement evidencing each growth investment; 5453

(2) The name, location, and industry class of each business that received a growth investment from the fund and evidence that the business qualified as a rural business concern or high-growth industry business concern at the time the investment was made. If the fund obtained a written opinion from the agency on the business's status as a rural business concern or high-growth industry business concern under division (A) of section 122.156 of the Revised Code, or if the fund requests such an opinion and the agency failed to respond within fifteen days as required by that division, a copy of the agency's favorable opinion or a dated copy of the fund's unanswered request, as applicable, shall be sufficient evidence that the business qualified as a rural business concern or high-growth industry business concern at the time the investment was made.

(3) The number of employment positions that existed at each business described in division (A)(2) of this section on the date the business received the growth investment;

(4) The number of new job years resulting from each of the fund's growth investments made or maintained in the preceding calendar year, the proportion of those new job years that are with rural business concerns, and the proportion of those new job years that are with high-growth industry business concerns;

(5) Any other information required by the agency.

(B) Each fund shall submit a report to the agency on or before the fifth business day after the second anniversary of the closing date that provides documentation sufficient to prove that the fund has met the investment thresholds described in divisions (A)(1) and (2) of section 122.153 of the Revised Code and has not implicated any of the other recapture provisions described in divisions (A)(3) to (5) of that section.

(C) Not later than the first day of February each year, the

development services agency shall compute the amount of an annual 5485  
fee to be paid by each certified fund and give notice of the fee 5486  
to each such fund by mail or by electronic means. The amount of 5487  
the fee shall equal the quotient obtained by dividing fifty 5488  
thousand dollars by the number of certified funds on the first day 5489  
of January of that year. The initial annual fee required of a fund 5490  
shall be due and payable to the agency along with the submission 5491  
of documentation required under division (G) of section 122.151 of 5492  
the Revised Code. Each subsequent annual fee is due and payable on 5493  
the last day of February following the first and each ensuing 5494  
anniversary of the closing date. If the fund is required to submit 5495  
an annual report under division (A) of this section, the annual 5496  
fee shall be submitted along with the report. No fund shall be 5497  
required to pay an annual fee after the fund has decertified under 5498  
division (D) of section 122.153 of the Revised Code. 5499

(D) The director of development services, after consultation 5500  
with the tax commissioner and the superintendent of insurance and 5501  
in accordance with Chapter 119. of the Revised Code, shall adopt 5502  
rules necessary to implement sections 122.15 to 122.156 of the 5503  
Revised Code, including rules pertaining to the computation of new 5504  
job years, the state reimbursement amount, and the number of 5505  
retained jobs under section 122.155 of the Revised Code. 5506

**Sec. 122.155.** (A)(1) For each calendar year in which a rural 5507  
business and high-growth industry fund makes or maintains a growth 5508  
investment in a rural business concern or high-growth industry 5509  
business concern in this state, the fund shall determine the 5510  
number of new job years produced at the business concern as a 5511  
result of the investment. New job years shall be computed by 5512  
subtracting the number of employment positions at the business 5513  
concern on the date of the fund's initial growth investment in the 5514  
business concern from the number of employment positions at the 5515  
business concern on the last day of the calendar year in which the 5516

investment was made or maintained. If the computation results in a 5517  
number less than zero, the number of new job years produced by the 5518  
fund's growth investment for that calendar year period shall be 5519  
zero. 5520

(2) A fund may determine and include, for the purposes of 5521  
this section and section 122.154 of the Revised Code, the number 5522  
of new job years produced at a business concern after the year in 5523  
which the fund's growth investment is repaid or redeemed. The new 5524  
job years shall be computed in the same manner as in division 5525  
(A)(1) of this section based on reporting information provided by 5526  
the business concern to the fund. 5527

(B) After a fund's application for decertification is 5528  
approved under division (D) of section 122.153 of the Revised 5529  
Code, the fund shall determine the state reimbursement amount. The 5530  
state reimbursement amount shall equal the amount by which the 5531  
fund's credit-eligible capital contributions exceed the product 5532  
obtained by multiplying thirty thousand dollars by the aggregate 5533  
number of new job years for the fund. If that product is greater 5534  
than the fund's credit-eligible capital contributions, the state 5535  
reimbursement amount shall equal zero. In the absence of 5536  
additional information provided by the fund or discovered by the 5537  
agency, the number of new job years for the purposes of this 5538  
division equals the sum of all new job years reported by the fund 5539  
on the annual reports required under division (A) of section 5540  
122.154 of the Revised Code. 5541

(C) After the state reimbursement amount is computed under 5542  
division (B) of this section, the fund shall not be permitted to 5543  
make further distributions to equity holders of the fund without 5544  
first remitting to the agency the lesser of the state 5545  
reimbursement amount or the remaining balance of the fund after 5546  
all persons holding equity in the fund receive a payment or 5547  
distribution equal to the person's equity investment and the 5548

person's federal and state tax liability, including penalties and 5549  
interest, related to the person's ownership, management, or 5550  
operation of the fund. All amounts received by the agency under 5551  
this division shall be credited to the general revenue fund. 5552

(D) The director of development services, upon the request of 5553  
a fund, may waive all or a portion of the remission required under 5554  
division (C) of this section if the director determines, based on 5555  
an affidavit of the chief executive officer or president of a 5556  
rural business concern or high-growth industry business concern, 5557  
that the growth investments of the fund resulted in the retention 5558  
of employment positions that would have otherwise been eliminated 5559  
at rural business concerns and high-growth industry business 5560  
concerns in this state. The amount waived shall not exceed the 5561  
product of thirty thousand dollars multiplied by the number of 5562  
retained employment positions multiplied by the number of years in 5563  
which the fund made or maintained a growth investment in the 5564  
business concern that retained the employment positions. 5565

**Sec. 122.156.** (A) A rural business and high-growth industry 5566  
fund, before investing in a business, may request a written 5567  
opinion from the development services agency as to whether the 5568  
business qualifies as a rural business concern or a high-growth 5569  
industry business concern based on the criteria prescribed by 5570  
section 122.15 of the Revised Code. The request shall be submitted 5571  
in a form prescribed by rule of the agency. The agency shall issue 5572  
a written opinion to the fund within fifteen business days of 5573  
receiving such a request. Notwithstanding division (I) of section 5574  
122.15 of the Revised Code, if the agency determines that the 5575  
business qualifies as a rural business concern or high-growth 5576  
industry business concern, or if the agency fails to timely issue 5577  
the written opinion as required under this section, the business 5578  
shall be considered a rural business concern or high-growth 5579  
industry business concern for the purposes of sections 122.15 to 5580

122.156 of the Revised Code. 5581

(B) Upon the request of a fund or an operating company, the 5582  
agency may certify an operating company as a high-growth industry 5583  
business concern, irrespective of the industry in which the 5584  
operating company is engaged, if the agency determines that a 5585  
growth investment in the operating company would be beneficial to 5586  
the economic growth of the state. 5587

(1) "Payroll" means the total taxable income paid by the 5589  
employer during the employer's taxable year, or during the 5590  
calendar year that includes the employer's tax period, to each 5591  
employee or each home-based employee employed in the project to 5592  
the extent such payroll is not used to determine the credit under 5593  
section 122.171 of the Revised Code. "Payroll" excludes amounts 5594

(b) An employee employed at the project site location who is not a resident and whose compensation is not exempt from the tax imposed under section 5747.02 of the Revised Code pursuant to a reciprocity agreement with another state under division (A)(3) of section 5747.05 of the Revised Code, or to each; 5616  
5617  
5618  
5619  
5620

(c) A home-based employee employed in the project, to the extent. 5621

5627

(4) "Excess payroll" means Ohio employee payroll minus baseline payroll. 5628  
5629

(5) "Home-based employee" means an employee whose services are performed primarily from the employee's residence in this state exclusively for the benefit of the project and whose rate of pay is at least one hundred thirty-one per cent of the federal minimum wage under 29 U.S.C. 206. 5630

(9) "Resident" or "resident of this state" means an 5647

Revised Code. 5649

(B) The tax credit authority may make grants under this 5650  
section to foster job creation in this state. Such a grant shall 5651  
take the form of a refundable credit allowed against the tax 5652  
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 5653  
5747.02 or levied under Chapter 5751. of the Revised Code. The 5654  
credit shall be claimed for the taxable years or tax periods 5655  
specified in the taxpayer's agreement with the tax credit 5656  
authority under division (D) of this section. With respect to 5657  
taxes imposed under section 5726.02, 5733.06, or 5747.02 or 5658

the order required under section 5726.98, 5733.98, 5747.98, or 5660  
5751.98 of the Revised Code. The amount of the credit available 5661  
for a taxable year or for a calendar year that includes a tax 5662  
period equals the excess payroll for that year multiplied by the 5663  
percentage specified in the agreement with the tax credit 5664  
authority. 5665

(C)(1) A taxpayer or potential taxpayer who proposes a 5666  
project to create new jobs in this state may apply to the tax 5667  
credit authority to enter into an agreement for a tax credit under 5668  
this section. 5669

An application shall not propose to include both home-based 5670  
employees and employees who are not home-based employees in the 5671  
computation of Ohio employee payroll for the purposes of the same 5672

tax credit agreement, except that a qualifying work-from-home 5673  
employee shall not be considered to be a home-based employee 5674  
unless so designated by the applicant. If a taxpayer or potential 5675  
taxpayer employs both home-based employees and employees who are 5676  
not home-based employees in a project, the taxpayer shall submit 5677  
separate applications for separate tax credit agreements for the 5678  
project, one of which shall include home-based employees in the 5679  
computation of Ohio employee payroll and one of which shall 5680  
include all other employees in the computation of Ohio employee 5681  
payroll. 5682

The director of development services shall prescribe the form 5683  
of the application. After receipt of an application, the authority 5684  
may enter into an agreement with the taxpayer for a credit under 5685  
this section if it determines all of the following: 5686

(a) The taxpayer's project will increase payroll; 5687

(b) The taxpayer's project is economically sound and will 5688  
benefit the people of this state by increasing opportunities for 5689  
employment and strengthening the economy of this state; 5690

(c) Receiving the tax credit is a major factor in the 5691  
taxpayer's decision to go forward with the project. 5692

(2)(a) A taxpayer that chooses to begin the project prior to 5693  
receiving the determination of the authority may, upon submitting 5694  
the taxpayer's application to the authority, request that the 5695  
chief investment officer of the nonprofit corporation formed under 5696  
section 187.01 of the Revised Code and the director review the 5697  
taxpayer's application and recommend to the authority that the 5698  
taxpayer's application be considered. As soon as possible after 5699  
receiving such a request, the chief investment officer and the 5700  
director shall review the taxpayer's application and, if they 5701  
determine that the application warrants consideration by the 5702  
authority, make that recommendation to the authority not later 5703

than six months after the application is received by the 5704  
authority. 5705

(b) The authority shall consider any taxpayer's application 5706  
for which it receives a recommendation under division (C)(2)(a) of 5707  
this section. If the authority determines that the taxpayer does 5708  
not meet all of the criteria set forth in division (C)(1) of this 5709  
section, the authority and the development services agency shall 5710  
proceed in accordance with rules adopted by the director pursuant 5711  
to division (I) of this section. 5712

(D) An agreement under this section shall include all of the 5713  
following: 5714

(1) A detailed description of the project that is the subject 5715  
of the agreement; 5716

(2)(a) The term of the tax credit, which, except as provided 5717  
in division (D)(2)(b) of this section, shall not exceed fifteen 5718  
years, and the first taxable year, or first calendar year that 5719  
includes a tax period, for which the credit may be claimed; 5720

(b) If the tax credit is computed on the basis of home-based 5721  
employees, the term of the credit shall expire on or before the 5722  
last day of the taxable or calendar year ending before the 5723  
beginning of the seventh year after September 6, 2012, the 5724  
effective date of H.B. 327 of the 129th general assembly. 5725

(3) A requirement that the taxpayer shall maintain operations 5726  
at the project location for at least the greater of seven years or 5727  
the term of the credit plus three years; 5728

(4) The percentage, as determined by the tax credit 5729  
authority, of excess payroll that will be allowed as the amount of 5730  
the credit for each taxable year or for each calendar year that 5731  
includes a tax period; 5732

(5) The pay increase factor to be applied to the taxpayer's 5733

baseline payroll; 5734

(6) A requirement that the taxpayer annually shall report to 5735  
the director of development services full-time equivalent 5736  
employees, payroll, Ohio employee payroll, investment, the 5737  
provision of health care benefits and tuition reimbursement if 5738  
required in the agreement, and other information the director 5739  
needs to perform the director's duties under this section; 5740

(7) A requirement that the director of development services 5741  
annually review the information reported under division (D)(6) of 5742  
this section and verify compliance with the agreement; if the 5743  
taxpayer is in compliance, a requirement that the director issue a 5744  
certificate to the taxpayer stating that the information has been 5745  
verified and identifying the amount of the credit that may be 5746  
claimed for the taxable or calendar year; 5747

(8) A provision providing that the taxpayer may not relocate 5748  
a substantial number of employment positions from elsewhere in 5749  
this state to the project location unless the director of 5750  
development services determines that the legislative authority of 5751  
the county, township, or municipal corporation from which the 5752  
employment positions would be relocated has been notified by the 5753  
taxpayer of the relocation. 5754

For purposes of this section, the movement of an employment 5755  
position from one political subdivision to another political 5756  
subdivision shall be considered a relocation of an employment 5757  
position unless the employment position in the first political 5758  
subdivision is replaced. The movement of a qualifying 5759  
work-from-home employee to a different residence located in this 5760  
state or to the project location shall not be considered a 5761  
relocation of an employment position. 5762

(9) If the tax credit is computed on the basis of home-based 5763  
employees, that the tax credit may not be claimed by the taxpayer 5764

until the taxable year or tax period in which the taxpayer employs 5765  
at least two hundred employees more than the number of employees 5766  
the taxpayer employed on June 30, 2011. 5767

(E) If a taxpayer fails to meet or comply with any condition 5768  
or requirement set forth in a tax credit agreement, the tax credit 5769  
authority may amend the agreement to reduce the percentage or term 5770  
of the tax credit. The reduction of the percentage or term may 5771  
take effect in the current taxable or calendar year. 5772

(F) Projects that consist solely of point-of-final-purchase 5773  
retail facilities are not eligible for a tax credit under this 5774  
section. If a project consists of both point-of-final-purchase 5775  
retail facilities and nonretail facilities, only the portion of 5776  
the project consisting of the nonretail facilities is eligible for 5777  
a tax credit and only the excess payroll from the nonretail 5778  
facilities shall be considered when computing the amount of the 5779  
tax credit. If a warehouse facility is part of a 5780  
point-of-final-purchase retail facility and supplies only that 5781  
facility, the warehouse facility is not eligible for a tax credit. 5782  
Catalog distribution centers are not considered 5783  
point-of-final-purchase retail facilities for the purposes of this 5784  
division, and are eligible for tax credits under this section. 5785

(G) Financial statements and other information submitted to 5786  
the development services agency or the tax credit authority by an 5787  
applicant or recipient of a tax credit under this section, and any 5788  
information taken for any purpose from such statements or 5789  
information, are not public records subject to section 149.43 of 5790  
the Revised Code. However, the chairperson of the authority may 5791  
make use of the statements and other information for purposes of 5792  
issuing public reports or in connection with court proceedings 5793  
concerning tax credit agreements under this section. Upon the 5794  
request of the tax commissioner or, if the applicant or recipient 5795  
is an insurance company, upon the request of the superintendent of 5796

insurance, the chairperson of the authority shall provide to the 5797  
commissioner or superintendent any statement or information 5798  
submitted by an applicant or recipient of a tax credit in 5799  
connection with the credit. The commissioner or superintendent 5800  
shall preserve the confidentiality of the statement or 5801  
information. 5802

(H) A taxpayer claiming a credit under this section shall 5803  
submit to the tax commissioner or, if the taxpayer is an insurance 5804  
company, to the superintendent of insurance, a copy of the 5805  
director of development services' certificate of verification 5806  
under division (D)(7) of this section with the taxpayer's tax 5807  
report or return for the taxable year or for the calendar year 5808  
that includes the tax period. Failure to submit a copy of the 5809  
certificate with the report or return does not invalidate a claim 5810  
for a credit if the taxpayer submits a copy of the certificate to 5811  
the commissioner or superintendent within the time prescribed by 5812  
section 5703.0510 of the Revised Code or within thirty days after 5813  
the commissioner or superintendent requests it. 5814

(I) The director of development services, after consultation 5815  
with the tax commissioner and the superintendent of insurance and 5816  
in accordance with Chapter 119. of the Revised Code, shall adopt 5817  
rules necessary to implement this section, including rules that 5818  
establish a procedure to be followed by the tax credit authority 5819  
and the development services agency in the event the authority 5820  
considers a taxpayer's application for which it receives a 5821  
recommendation under division (C)(2)(a) of this section but does 5822  
not approve it. The rules may provide for recipients of tax 5823  
credits under this section to be charged fees to cover 5824  
administrative costs of the tax credit program. For the purposes 5825  
of these rules, a qualifying work-from-home employee shall be 5826  
considered to be an employee employed at the applicant's project 5827  
location. The fees collected shall be credited to the ~~business~~ 5828

~~assistance tax incentives operating~~ fund created in section 5829  
122.174 of the Revised Code. At the time the director gives public 5830  
notice under division (A) of section 119.03 of the Revised Code of 5831  
the adoption of the rules, the director shall submit copies of the 5832  
proposed rules to the chairpersons of the standing committees on 5833  
economic development in the senate and the house of 5834  
representatives. 5835

(J) For the purposes of this section, a taxpayer may include 5836  
a partnership, a corporation that has made an election under 5837  
subchapter S of chapter one of subtitle A of the Internal Revenue 5838  
Code, or any other business entity through which income flows as a 5839  
distributive share to its owners. A partnership, S-corporation, or 5840  
other such business entity may elect to pass the credit received 5841  
under this section through to the persons to whom the income or 5842  
profit of the partnership, S-corporation, or other entity is 5843  
distributed. The election shall be made on the annual report 5844  
required under division (D)(6) of this section. The election 5845  
applies to and is irrevocable for the credit for which the report 5846  
is submitted. If the election is made, the credit shall be 5847  
apportioned among those persons in the same proportions as those 5848  
in which the income or profit is distributed. 5849

(K)(1) If the director of development services determines 5850  
that a taxpayer who has received a credit under this section is 5851  
not complying with the requirements of the agreement, the director 5852  
shall notify the tax credit authority of the noncompliance. After 5853  
receiving such a notice, and after giving the taxpayer an 5854  
opportunity to explain the noncompliance, the tax credit authority 5855  
may require the taxpayer to refund to this state a portion of the 5856  
credit in accordance with the following: 5857

(a) If the taxpayer fails to comply with the requirement 5858  
under division (D)(3) of this section, an amount determined in 5859  
accordance with the following: 5860

(i) If the taxpayer maintained operations at the project location for a period less than or equal to the term of the credit, an amount not exceeding one hundred per cent of the sum of any credits allowed and received under this section;

(ii) If the taxpayer maintained operations at the project location for a period longer than the term of the credit, but less than the greater of seven years or the term of the credit plus three years, an amount not exceeding seventy-five per cent of the sum of any credits allowed and received under this section.

(b) If, on the metric evaluation date, the taxpayer fails to substantially meet the job creation, payroll, or investment requirements included in the agreement, an amount determined at the discretion of the authority;

(c) If the taxpayer fails to substantially maintain the number of new full-time equivalent employees or amount of payroll required under the agreement at any time during the term of the agreement after the metric evaluation date, an amount determined at the discretion of the authority.

(2) If a taxpayer files for bankruptcy and fails as described in division (K)(1)(a), (b), or (c) of this section, the director may immediately commence an action to recoup an amount not exceeding one hundred per cent of the sum of any credits received by the taxpayer under this section.

(3) In determining the portion of the tax credit to be refunded to this state, the tax credit authority shall consider the effect of market conditions on the taxpayer's project and whether the taxpayer continues to maintain other operations in this state. After making the determination, the authority shall certify the amount to be refunded to the tax commissioner or superintendent of insurance, as appropriate. If the amount is certified to the commissioner, the commissioner shall make an

assessment for that amount against the taxpayer under Chapter 5892  
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 5893  
amount is certified to the superintendent, the superintendent 5894  
shall make an assessment for that amount against the taxpayer 5895  
under Chapter 5725. or 5729. of the Revised Code. The time 5896  
limitations on assessments under those chapters do not apply to an 5897  
assessment under this division, but the commissioner or 5898  
superintendent, as appropriate, shall make the assessment within 5899  
one year after the date the authority certifies to the 5900  
commissioner or superintendent the amount to be refunded. 5901

(L) On or before the first day of August each year, the 5902  
director of development services shall submit a report to the 5903  
governor, the president of the senate, and the speaker of the 5904  
house of representatives on the tax credit program under this 5905  
section. The report shall include information on the number of 5906  
agreements that were entered into under this section during the 5907  
preceding calendar year, a description of the project that is the 5908  
subject of each such agreement, and an update on the status of 5909  
projects under agreements entered into before the preceding 5910  
calendar year. 5911

(M) There is hereby created the tax credit authority, which 5912  
consists of the director of development services and four other 5913  
members appointed as follows: the governor, the president of the 5914  
senate, and the speaker of the house of representatives each shall 5915  
appoint one member who shall be a specialist in economic 5916  
development; the governor also shall appoint a member who is a 5917  
specialist in taxation. Terms of office shall be for four years. 5918  
Each member shall serve on the authority until the end of the term 5919  
for which the member was appointed. Vacancies shall be filled in 5920  
the same manner provided for original appointments. Any member 5921  
appointed to fill a vacancy occurring prior to the expiration of 5922  
the term for which the member's predecessor was appointed shall 5923

hold office for the remainder of that term. Members may be 5924  
reappointed to the authority. Members of the authority shall 5925  
receive their necessary and actual expenses while engaged in the 5926  
business of the authority. The director of development services 5927  
shall serve as chairperson of the authority, and the members 5928  
annually shall elect a vice-chairperson from among themselves. 5929  
Three members of the authority constitute a quorum to transact and 5930  
vote on the business of the authority. The majority vote of the 5931  
membership of the authority is necessary to approve any such 5932  
business, including the election of the vice-chairperson. 5933

The director of development services may appoint a 5934  
professional employee of the development services agency to serve 5935  
as the director's substitute at a meeting of the authority. The 5936  
director shall make the appointment in writing. In the absence of 5937  
the director from a meeting of the authority, the appointed 5938  
substitute shall serve as chairperson. In the absence of both the 5939  
director and the director's substitute from a meeting, the 5940  
vice-chairperson shall serve as chairperson. 5941

(N) For purposes of the credits granted by this section 5942  
against the taxes imposed under sections 5725.18 and 5729.03 of 5943  
the Revised Code, "taxable year" means the period covered by the 5944  
taxpayer's annual statement to the superintendent of insurance. 5945

(O) On or before the first day of March of each of the five 5946  
calendar years beginning with 2014, each taxpayer subject to an 5947  
agreement with the tax credit authority under this section on the 5948  
basis of home-based employees shall report the number of 5949  
home-based employees and other employees employed by the taxpayer 5950  
in this state to the development services agency. 5951

(P) On or before the first day of January of 2019, the 5952  
director of development services shall submit a report to the 5953  
governor, the president of the senate, and the speaker of the 5954  
house of representatives on the effect of agreements entered into 5955

under this section in which the taxpayer included home-based 5956  
employees in the computation of income tax revenue, as that term 5957  
was defined in this section prior to the amendment of this section 5958  
by H.B. 64 of the 131st general assembly. The report shall include 5959  
information on the number of such agreements that were entered 5960  
into in the preceding six years, a description of the projects 5961  
that were the subjects of such agreements, and an analysis of 5962  
nationwide home-based employment trends, including the number of 5963  
home-based jobs created from July 1, 2011, through June 30, 2017, 5964  
and a description of any home-based employment tax incentives 5965  
provided by other states during that time. 5966

(Q) The director of development services may require any 5967  
agreement entered into under this section for a tax credit 5968  
computed on the basis of home-based employees to contain a 5969  
provision that the taxpayer makes available health care benefits 5970  
and tuition reimbursement to all employees. 5971

(R) Original agreements approved by the tax credit authority 5972  
under this section in 2014 or 2015 before ~~the effective date of~~ 5973  
~~this division~~ September 29, 2015, may be revised at the request of 5974  
the taxpayer to conform with the amendments to this section and 5975  
sections 5733.0610, 5736.50, 5747.058, and 5751.50 of the Revised 5976  
Code by H.B. 64 of the 131st general assembly, upon mutual 5977  
agreement of the taxpayer and the development services agency, and 5978  
approval by the tax credit authority. 5979

(S)(1) As used in division (S) of this section: 5980

(a) "Eligible agreement" means an agreement approved by the 5981  
tax credit authority under this section on or before December 31, 5982  
2013. 5983

(b) "Reporting period" means a period corresponding to the 5984  
annual report required under division (D)(6) of this section. 5985

(c) "Income tax revenue" has the same meaning as under this 5986

section as it existed before September 29, 2015, the effective 5987  
date of the amendment of this section by H.B. 64 of the 131st 5988  
general assembly. 5989

(2) In calendar year 2016 and thereafter, the tax credit 5990  
authority shall annually determine a withholding adjustment factor 5991  
to be used in the computation of income tax revenue for eligible 5992  
agreements. The withholding adjustment factor shall be a numerical 5993  
percentage that equals the percentage that employer income tax 5994  
withholding rates have been increased or decreased as a result of 5995  
changes in the income tax rates prescribed by section 5747.02 of 5996  
the Revised Code by amendment of that section taking effect on or 5997  
after June 29, 2013. 5998

(3) Except as provided in division (S)(4) of this section, 5999  
for reporting periods ending in 2015 and thereafter for taxpayers 6000  
subject to eligible agreements, the tax credit authority shall 6001  
adjust the income tax revenue reported on the taxpayer's annual 6002  
report by multiplying the withholding adjustment factor by the 6003  
taxpayer's income tax revenue and doing one of the following: 6004

(a) If the income tax rates prescribed by section 5747.02 of 6005  
the Revised Code have decreased by amendment of that section 6006  
taking effect on or after June 29, 2013, add the product to the 6007  
taxpayer's income tax revenue. 6008

(b) If the income tax rates prescribed by section 5747.02 of 6009  
the Revised Code have increased by amendment of that section 6010  
taking effect on or after June 29, 2013, subtract the product from 6011  
the taxpayer's income tax revenue. 6012

(4) Division (S)(3) of this section shall not apply unless 6013  
all of the following apply for the reporting period with respect 6014  
to the eligible agreement: 6015

(a) The taxpayer has achieved one hundred per cent of the new 6016  
employment commitment identified in the agreement. 6017

(b) If applicable, the taxpayer has achieved one hundred per cent of the new payroll commitment identified in the agreement.

(c) If applicable, the taxpayer has achieved one hundred per cent of the investment commitment identified in the agreement.

(5) Failure by a taxpayer to have achieved any of the applicable commitments described in divisions (S)(4)(a) to (c) of this section in a reporting period does not disqualify the taxpayer for the adjustment under division (S) of this section for an ensuing reporting period.

**Sec. 122.171.** (A) As used in this section:

(1) "Capital investment project" means a plan of investment at a project site for the acquisition, construction, renovation, or repair of buildings, machinery, or equipment, or for capitalized costs of basic research and new product development determined in accordance with generally accepted accounting principles, but does not include any of the following:

(a) Payments made for the acquisition of personal property through operating leases;

(b) Project costs paid before January 1, 2002;

(c) Payments made to a related member as defined in section 5733.042 of the Revised Code or to a consolidated elected taxpayer or a combined taxpayer as defined in section 5751.01 of the Revised Code.

(2) "Eligible business" means a taxpayer and its related members with Ohio operations satisfying all of the following:

(a) The taxpayer employs at least five hundred full-time equivalent employees or has an annual Ohio employee payroll of at least thirty-five million dollars at the time the tax credit authority grants the tax credit under this section;

(b) The taxpayer makes or causes to be made payments for the 6047  
capital investment project of one of the following: 6048

(i) If the taxpayer is engaged at the project site primarily 6049  
as a manufacturer, at least fifty million dollars in the aggregate 6050  
at the project site during a period of three consecutive calendar 6051  
years, including the calendar year that includes a day of the 6052  
taxpayer's taxable year or tax period with respect to which the 6053  
credit is granted; 6054

(ii) If the taxpayer is engaged at the project site primarily 6055  
in significant corporate administrative functions, as defined by 6056  
the director of development services by rule, at least twenty 6057  
million dollars in the aggregate at the project site during a 6058  
period of three consecutive calendar years including the calendar 6059  
year that includes a day of the taxpayer's taxable year or tax 6060  
period with respect to which the credit is granted. 6061

(c) The taxpayer had a capital investment project reviewed 6062  
and approved by the tax credit authority as provided in divisions 6063  
(C), (D), and (E) of this section. 6064

(3) "Full-time equivalent employees" means the quotient 6065  
obtained by dividing the total number of hours for which employees 6066  
were compensated for employment in the project by two thousand 6067  
eighty. "Full-time equivalent employees" shall exclude hours that 6068  
are counted for a credit under section 122.17 of the Revised Code. 6069

(4) "Ohio employee payroll" has the same meaning as in 6070  
section 122.17 of the Revised Code. 6071

(5) "Manufacturer" has the same meaning as in section 6072  
5739.011 of the Revised Code. 6073

(6) "Project site" means an integrated complex of facilities 6074  
in this state, as specified by the tax credit authority under this 6075  
section, within a fifteen-mile radius where a taxpayer is 6076  
primarily operating as an eligible business. 6077

(7) "Related member" has the same meaning as in section 6078  
5733.042 of the Revised Code as that section existed on the 6079  
effective date of its amendment by Am. Sub. H.B. 215 of the 122nd 6080  
general assembly, September 29, 1997. 6081

(8) "Taxable year" includes, in the case of a domestic or 6082  
foreign insurance company, the calendar year ending on the 6083  
thirty-first day of December preceding the day the superintendent 6084  
of insurance is required to certify to the treasurer of state 6085  
under section 5725.20 or 5729.05 of the Revised Code the amount of 6086  
taxes due from insurance companies. 6087

(B) The tax credit authority created under section 122.17 of 6088  
the Revised Code may grant a nonrefundable tax credit to an 6089  
eligible business under this section for the purpose of fostering 6090  
job retention in this state. Upon application by an eligible 6091  
business and upon consideration of the determination of the 6092  
director of budget and management, tax commissioner, and the 6093  
superintendent of insurance in the case of an insurance company, 6094  
and the recommendation and determination of the director of 6095  
development services under division (C) of this section, the tax 6096  
credit authority may grant the credit against the tax imposed by 6097  
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 6098  
5751.02 of the Revised Code. 6099

The credit authorized in this section may be granted for a 6100  
period up to fifteen taxable years or, in the case of the tax 6101  
levied by section 5736.02 or 5751.02 of the Revised Code, for a 6102  
period of up to fifteen calendar years. The credit amount for a 6103  
taxable year or a calendar year that includes the tax period for 6104  
which a credit may be claimed equals the Ohio employee payroll for 6105  
that year multiplied by the percentage specified in the agreement 6106  
with the tax credit authority. The credit shall be claimed in the 6107  
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 6108  
5747.98, or 5751.98 of the Revised Code. In determining the 6109

percentage and term of the credit, the tax credit authority shall 6110  
consider both the number of full-time equivalent employees and the 6111  
value of the capital investment project. The credit amount may not 6112  
be based on the Ohio employee payroll for a calendar year before 6113  
the calendar year in which the tax credit authority specifies the 6114  
tax credit is to begin, and the credit shall be claimed only for 6115  
the taxable years or tax periods specified in the eligible 6116  
business' agreement with the tax credit authority. In no event 6117  
shall the credit be claimed for a taxable year or tax period 6118  
terminating before the date specified in the agreement. 6119

If a credit allowed under this section for a taxable year or 6120  
tax period exceeds the taxpayer's tax liability for that year or 6121  
period, the excess may be carried forward for the three succeeding 6122  
taxable or calendar years, but the amount of any excess credit 6123  
allowed in any taxable year or tax period shall be deducted from 6124  
the balance carried forward to the succeeding year or period. 6125

(C) A taxpayer that proposes a capital investment project to 6126  
retain jobs in this state may apply to the tax credit authority to 6127  
enter into an agreement for a tax credit under this section. The 6128  
director of development services shall prescribe the form of the 6129  
application. After receipt of an application, the authority shall 6130  
forward copies of the application to the director of budget and 6131  
management, the tax commissioner, and the superintendent of 6132  
insurance in the case of an insurance company, each of whom shall 6133  
review the application to determine the economic impact the 6134  
proposed project would have on the state and the affected 6135  
political subdivisions and shall submit a summary of their 6136  
determinations to the authority. The authority shall also forward 6137  
a copy of the application to the director of development services, 6138  
who shall review the application to determine the economic impact 6139  
the proposed project would have on the state and the affected 6140  
political subdivisions and shall submit a summary of the 6141

director's determinations and recommendations to the authority. 6142

(D) Upon review and consideration of the determinations and 6143  
recommendations described in division (C) of this section, the tax 6144  
credit authority may enter into an agreement with the taxpayer for 6145  
a credit under this section if the authority determines all of the 6146  
following: 6147

(1) The taxpayer's capital investment project will result in 6148  
the retention of employment in this state. 6149

(2) The taxpayer is economically sound and has the ability to 6150  
complete the proposed capital investment project. 6151

(3) The taxpayer intends to and has the ability to maintain 6152  
operations at the project site for at least the greater of (a) the 6153  
term of the credit plus three years, or (b) seven years. 6154

(4) Receiving the credit is a major factor in the taxpayer's 6155  
decision to begin, continue with, or complete the project. 6156

(E) An agreement under this section shall include all of the 6157  
following: 6158

(1) A detailed description of the project that is the subject 6159  
of the agreement, including the amount of the investment, the 6160  
period over which the investment has been or is being made, the 6161  
number of full-time equivalent employees at the project site, and 6162  
the anticipated Ohio employee payroll to be generated. 6163

(2) The term of the credit, the percentage of the tax credit, 6164  
the maximum annual value of tax credits that may be allowed each 6165  
year, and the first year for which the credit may be claimed. 6166

(3) A requirement that the taxpayer maintain operations at 6167  
the project site for at least the greater of (a) the term of the 6168  
credit plus three years, or (b) seven years. 6169

(4) A requirement that the taxpayer retain at least five 6170  
hundred full-time equivalent employees at the project site and 6171

within this state for the entire term of the credit, or a 6172  
requirement that the taxpayer maintain an annual Ohio employee 6173  
payroll of at least thirty-five million dollars for the entire 6174  
term of the credit. 6175

(5) A requirement that the taxpayer annually report to the 6176  
director of development services full-time equivalent employees, 6177  
Ohio employee payroll, capital investment, and other information 6178  
the director needs to perform the director's duties under this 6179  
section. 6180

(6) A requirement that the director of development services 6181  
annually review the annual reports of the taxpayer to verify the 6182  
information reported under division (E)(5) of this section and 6183  
compliance with the agreement. Upon verification, the director 6184  
shall issue a certificate to the taxpayer stating that the 6185  
information has been verified and identifying the amount of the 6186  
credit for the taxable year or calendar year that includes the tax 6187  
period. In determining the number of full-time equivalent 6188  
employees, no position shall be counted that is filled by an 6189  
employee who is included in the calculation of a tax credit under 6190  
section 122.17 of the Revised Code. 6191

(7) A provision providing that the taxpayer may not relocate 6192  
a substantial number of employment positions from elsewhere in 6193  
this state to the project site unless the director of development 6194  
services determines that the taxpayer notified the legislative 6195  
authority of the county, township, or municipal corporation from 6196  
which the employment positions would be relocated. 6197

For purposes of this section, the movement of an employment 6198  
position from one political subdivision to another political 6199  
subdivision shall be considered a relocation of an employment 6200  
position unless the movement is confined to the project site. The 6201  
transfer of an employment position from one political subdivision 6202  
to another political subdivision shall not be considered a 6203

relocation of an employment position if the employment position in 6204  
the first political subdivision is replaced by another employment 6205  
position. 6206

(8) A waiver by the taxpayer of any limitations periods 6207  
relating to assessments or adjustments resulting from the 6208  
taxpayer's failure to comply with the agreement. 6209

(F) If a taxpayer fails to meet or comply with any condition 6210  
or requirement set forth in a tax credit agreement, the tax credit 6211  
authority may amend the agreement to reduce the percentage or term 6212  
of the credit. The reduction of the percentage or term may take 6213  
effect in the current taxable or calendar year. 6214

(G) Financial statements and other information submitted to 6215  
the department of development services or the tax credit authority 6216  
by an applicant for or recipient of a tax credit under this 6217  
section, and any information taken for any purpose from such 6218  
statements or information, are not public records subject to 6219  
section 149.43 of the Revised Code. However, the chairperson of 6220  
the authority may make use of the statements and other information 6221  
for purposes of issuing public reports or in connection with court 6222  
proceedings concerning tax credit agreements under this section. 6223  
Upon the request of the tax commissioner, or the superintendent of 6224  
insurance in the case of an insurance company, the chairperson of 6225  
the authority shall provide to the commissioner or superintendent 6226  
any statement or other information submitted by an applicant for 6227  
or recipient of a tax credit in connection with the credit. The 6228  
commissioner or superintendent shall preserve the confidentiality 6229  
of the statement or other information. 6230

(H) A taxpayer claiming a tax credit under this section shall 6231  
submit to the tax commissioner or, in the case of an insurance 6232  
company, to the superintendent of insurance, a copy of the 6233  
director of development services' certificate of verification 6234  
under division (E)(6) of this section with the taxpayer's tax 6235

report or return for the taxable year or for the calendar year 6236  
that includes the tax period. Failure to submit a copy of the 6237  
certificate with the report or return does not invalidate a claim 6238  
for a credit if the taxpayer submits a copy of the certificate to 6239  
the commissioner or superintendent within the time prescribed by 6240  
section 5703.0510 of the Revised Code or within thirty days after 6241  
the commissioner or superintendent requests it. 6242

(I) For the purposes of this section, a taxpayer may include 6243  
a partnership, a corporation that has made an election under 6244  
subchapter S of chapter one of subtitle A of the Internal Revenue 6245  
Code, or any other business entity through which income flows as a 6246  
distributive share to its owners. A partnership, S-corporation, or 6247  
other such business entity may elect to pass the credit received 6248  
under this section through to the persons to whom the income or 6249  
profit of the partnership, S-corporation, or other entity is 6250  
distributed. The election shall be made on the annual report 6251  
required under division (E)(5) of this section. The election 6252  
applies to and is irrevocable for the credit for which the report 6253  
is submitted. If the election is made, the credit shall be 6254  
apportioned among those persons in the same proportions as those 6255  
in which the income or profit is distributed. 6256

(J)(1) If the director of development services determines 6257  
that a taxpayer that received a certificate under division (E)(6) 6258  
of this section is not complying with the requirements of the 6259  
agreement, the director shall notify the tax credit authority of 6260  
the noncompliance. After receiving such a notice, and after giving 6261  
the taxpayer an opportunity to explain the noncompliance, the 6262  
authority may terminate the agreement and require the taxpayer, or 6263  
any related member or members that claimed the tax credit under 6264  
division (N) of this section, to refund to the state all or a 6265  
portion of the credit claimed in previous years, as follows: 6266

(a) If the taxpayer fails to comply with the requirement 6267

under division (E)(3) of this section, an amount determined in 6268  
accordance with the following: 6269

(i) If the taxpayer maintained operations at the project site 6270  
for less than or equal to the term of the credit, an amount not to 6271  
exceed one hundred per cent of the sum of any tax credits allowed 6272  
and received under this section. 6273

(ii) If the taxpayer maintained operations at the project 6274  
site longer than the term of the credit, but less than the greater 6275  
of seven years or the term of the credit plus three years, the 6276  
amount required to be refunded shall not exceed seventy-five per 6277  
cent of the sum of any tax credits allowed and received under this 6278  
section. 6279

(b) If the taxpayer fails to substantially maintain both the 6280  
number of full-time equivalent employees and the amount of Ohio 6281  
employee payroll required under the agreement at any time during 6282  
the term of the agreement or during the post-term reporting 6283  
period, an amount determined at the discretion of the authority. 6284

(2) If a taxpayer files for bankruptcy and fails as described 6285  
in division (J)(1)(a) or (b) of this section, the director may 6286  
immediately commence an action to recoup an amount not exceeding 6287  
one hundred per cent of the sum of any credits received by the 6288  
taxpayer under this section. 6289

(3) In determining the portion of the credit to be refunded 6290  
to this state, the authority shall consider the effect of market 6291  
conditions on the taxpayer's project and whether the taxpayer 6292  
continues to maintain other operations in this state. After making 6293  
the determination, the authority shall certify the amount to be 6294  
refunded to the tax commissioner or the superintendent of 6295  
insurance. If the taxpayer, or any related member or members who 6296  
claimed the tax credit under division (N) of this section, is not 6297  
an insurance company, the commissioner shall make an assessment 6298

for that amount against the taxpayer under Chapter 5726., 5733., 6299  
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 6300  
any related member or members that claimed the tax credit under 6301  
division (N) of this section, is an insurance company, the 6302  
superintendent of insurance shall make an assessment under section 6303  
5725.222 or 5729.102 of the Revised Code. The time limitations on 6304  
assessments under those chapters and sections do not apply to an 6305  
assessment under this division, but the commissioner or 6306  
superintendent shall make the assessment within one year after the 6307  
date the authority certifies to the commissioner or superintendent 6308  
the amount to be refunded. 6309

(K) The director of development services, after consultation 6310  
with the tax commissioner and the superintendent of insurance and 6311  
in accordance with Chapter 119. of the Revised Code, shall adopt 6312  
rules necessary to implement this section. The rules may provide 6313  
for recipients of tax credits under this section to be charged 6314  
fees to cover administrative costs of the tax credit program. The 6315  
fees collected shall be credited to the ~~business assistance tax~~ 6316  
incentives operating fund created in section 122.174 of the 6317  
Revised Code. At the time the director gives public notice under 6318  
division (A) of section 119.03 of the Revised Code of the adoption 6319  
of the rules, the director shall submit copies of the proposed 6320  
rules to the chairpersons of the standing committees on economic 6321  
development in the senate and the house of representatives. 6322

(L) On or before the first day of August of each year, the 6323  
director of development services shall submit a report to the 6324  
governor, the president of the senate, and the speaker of the 6325  
house of representatives on the tax credit program under this 6326  
section. The report shall include information on the number of 6327  
agreements that were entered into under this section during the 6328  
preceding calendar year, a description of the project that is the 6329  
subject of each such agreement, and an update on the status of 6330

projects under agreements entered into before the preceding 6331  
calendar year. 6332

(M) The aggregate amount of nonrefundable tax credits issued 6333  
under this section during any calendar year for capital investment 6334  
projects reviewed and approved by the tax credit authority may not 6335  
exceed the following amounts: 6336

(1) For 2010, thirteen million dollars; 6337

(2) For 2011 through 2023, the amount of the limit for the 6338  
preceding calendar year plus thirteen million dollars; 6339

(3) For 2024 and each year thereafter, one hundred 6340  
ninety-five million dollars. 6341

The limitations in division (M) of this section do not apply 6342

credit authority before July 1, 2009. 6344

(N) This division applies only to an eligible business that 6345

and loan holding company or a grandfathered unitary savings and 6347  
loan holding company, as those terms are defined in section 6348  
5726.01 of the Revised Code. Notwithstanding any contrary 6349  
provision of the agreement between such an eligible business and 6350  
the tax credit authority, any credit granted under this section 6351  
against the tax imposed by section 5725.18, 5729.03, 5733.06, 6352  
5747.02, or 5751.02 of the Revised Code to the eligible business, 6353  
at the election of the eligible business and without any action by 6354  
the tax credit authority, may be shared with any member or members 6355  
of the affiliated group that includes the eligible business, which 6356  
member or members may claim the credit against the taxes imposed 6357

of the Revised Code. Credits shall be claimed by the eligible 6359  
business in sequential order, as applicable, first claiming the 6360  
credits to the fullest extent possible against the tax that the 6361

certificate holder is subject to, then against the tax imposed by, 6362  
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 6363

required under this division. This division applies to credits 6367  
granted before, on, or after March 27, 2013, the effective date of 6368

owners during all or any portion of the taxable year, and the 6377

authority shall annually determine a withholding adjustment factor 6392

to be used in the computation of income tax revenue for eligible 6393  
agreements. The withholding adjustment factor shall be a numerical 6394  
percentage that equals the percentage that employer income tax 6395  
withholding rates have been increased or decreased as a result of 6396  
changes in the income tax rates prescribed by section 5747.02 of 6397  
the Revised Code by amendment of that section taking effect on or 6398

report by multiplying the withholding adjustment factor by the 6404  
taxpayer's income tax revenue and doing one of the following: 6405

(a) If the income tax rates prescribed by section 5747.02 of 6406

agreement. 6420

(c) If applicable, the taxpayer has achieved one hundred per 6421  
cent of the investment commitment identified in the agreement. 6422

(5) Failure by a taxpayer to have achieved any of the 6423  
applicable commitments described in divisions (O)(4)(a) to (c) of 6424  
this section in a reporting period does not disqualify the 6425

an ensuing reporting period. 6427

computer data center equipment used or to be used at the eligible 6562  
computer data center, the length of time the computer data center 6563

agreement beginning on or after the first day of the twenty-fifth 6581  
month after the date the agreement was entered into, one or more 6582  
taxpayers operating a computer data center business at the project 6583  
site will, in the aggregate, pay annual compensation that is 6584

thousand dollars to employees at the eligible computer data 6587  
center. 6588

employment, tax withholding, capital investment, and other 6591  
information required by the director to perform the director's 6592  
duties under this section. 6593

annually review the annual reports of each taxpayer subject to the 6595  
agreement to verify the information reported under division (E)(5) 6596  
of this section and compliance with the agreement. Upon 6597  
verification, the director shall issue a certificate to each such 6598  
taxpayer stating that the information has been verified and that 6599  
the taxpayer remains eligible for the exemption specified in the 6600  
agreement. 6601

(7) A provision providing that the taxpayers subject to the 6602  
agreement may not relocate a substantial number of employment 6603  
positions from elsewhere in this state to the project site unless 6604  
the director of development services determines that the 6605  
appropriate taxpayer notified the legislative authority of the 6606  
county, township, or municipal corporation from which the 6607  
employment positions would be relocated. For purposes of this 6608

paragraph, the movement of an employment position from one 6609  
political subdivision to another political subdivision shall be 6610  
considered a relocation of an employment position unless the 6611  
movement is confined to the project site. The transfer of an 6612  
employment position from one political subdivision to another 6613  
political subdivision shall not be considered a relocation of an 6614  
employment position if the employment position in the first 6615  
political subdivision is replaced by another employment position. 6616

(8) A waiver by each taxpayer subject to the agreement of any 6617  
limitations periods relating to assessments or adjustments 6618  
resulting from the taxpayer's failure to comply with the 6619  
agreement. 6620

(F) The term of an agreement under this section shall be 6621  
determined by the tax credit authority, and the amount of the 6622  
exemption shall not exceed one hundred per cent of such taxes that 6623  
would otherwise be owed in respect to the exempted computer data 6624  
center equipment. 6625

(G) If any taxpayer subject to an agreement under this 6626  
section fails to meet or comply with any condition or requirement 6627  
set forth in the agreement, the tax credit authority may amend the 6628  
agreement to reduce the percentage of the exemption or term during 6629  
which the exemption applies to the computer data center equipment 6630  
used or to be used by the noncompliant taxpayer at an eligible 6631  
computer data center. The reduction of the percentage or term may 6632  
take effect in the current calendar year. 6633

(H) Financial statements and other information submitted to 6634  
the department of development services or the tax credit authority 6635  
by an applicant for or recipient of an exemption under this 6636  
section, and any information taken for any purpose from such 6637  
statements or information, are not public records subject to 6638  
section 149.43 of the Revised Code. However, the chairperson of 6639  
the authority may make use of the statements and other information 6640

for purposes of issuing public reports or in connection with court 6641  
proceedings concerning tax exemption agreements under this 6642  
section. Upon the request of the tax commissioner, the chairperson 6643  
of the authority shall provide to the tax commissioner any 6644  
statement or other information submitted by an applicant for or 6645  
recipient of an exemption under this section. The tax commissioner 6646  
shall preserve the confidentiality of the statement or other 6647  
information. 6648

(I) The tax commissioner shall issue a direct payment permit 6649  
under section 5739.031 of the Revised Code to each taxpayer 6650  
subject to an agreement under this section. Such direct payment 6651  
permit shall authorize the taxpayer to pay any sales and use taxes 6652  
due on purchases of computer data center equipment used or to be 6653  
used in an eligible computer data center and to pay any sales and 6654  
use taxes due on purchases of tangible personal property or 6655  
taxable services other than computer data center equipment used or 6656  
to be used in an eligible computer data center directly to the tax 6657  
commissioner. Each such taxpayer shall pay pursuant to such direct 6658  
payment permit all sales tax levied on such purchases under 6659  
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 6660  
Code and all use tax levied on such purchases under sections 6661  
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 6662  
consistent with the terms of the agreement entered into under this 6663  
section. 6664

During the term of an agreement under this section each 6665  
taxpayer subject to the agreement shall submit to the tax 6666  
commissioner a return that shows the amount of computer data 6667  
center equipment purchased for use at the eligible computer data 6668  
center, the amount of tangible personal property and taxable 6669  
services other than computer data center equipment purchased for 6670  
use at the eligible computer data center, the amount of tax under 6671  
Chapter 5739. or 5741. of the Revised Code that would be due in 6672

the absence of the agreement under this section, the exemption 6673  
percentage for computer data center equipment specified in the 6674  
agreement, and the amount of tax due under Chapter 5739. or 5741. 6675  
of the Revised Code as a result of the agreement under this 6676  
section. Each such taxpayer shall pay the tax shown on the return 6677  
to be due in the manner and at the times as may be further 6678  
prescribed by the tax commissioner. Each such taxpayer shall 6679  
include a copy of the director of development services' 6680  
certificate of verification issued under division (E)(6) of this 6681  
section. Failure to submit a copy of the certificate with the 6682  
return does not invalidate the claim for exemption if the taxpayer 6683  
submits a copy of the certificate to the tax commissioner within 6684  
~~sixty days after the tax commissioner requests it~~ the time 6685  
prescribed by section 5703.0510 of the Revised Code. 6686

(J) If the director of development services determines that 6687  
one or more taxpayers received an exemption from taxes due on the 6688  
purchase of computer data center equipment purchased for use at a 6689  
computer data center that no longer complies with the requirement 6690  
under division (E)(3) of this section, the director shall notify 6691  
the tax credit authority and, if applicable, the taxpayer that 6692  
applied to enter the agreement for the exemption under division 6693  
(C) of this section of the noncompliance. After receiving such a 6694  
notice, and after giving each taxpayer subject to the agreement an 6695  
opportunity to explain the noncompliance, the authority may 6696  
terminate the agreement and require each such taxpayer to pay to 6697  
the state all or a portion of the taxes that would have been owed 6698  
in regards to the exempt equipment in previous years, all as 6699  
determined under rules adopted pursuant to division (K) of this 6700  
section. In determining the portion of the taxes that would have 6701  
been owed on the previously exempted equipment to be paid to this 6702  
state by a taxpayer, the authority shall consider the effect of 6703  
market conditions on the eligible computer data center, whether 6704  
the taxpayer continues to maintain other operations in this state, 6705

and, with respect to agreements involving multiple taxpayers, the taxpayer's level of responsibility for the noncompliance. After making the determination, the authority shall certify to the tax commissioner the amount to be paid by each taxpayer subject to the agreement. The tax commissioner shall make an assessment for that amount against each such taxpayer under Chapter 5739. or 5741. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the tax commissioner shall make the assessment within one year after the date the authority certifies to the tax commissioner the amount to be paid by the taxpayer.

(K) The director of development services, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section. The rules may provide for recipients of tax exemptions under this section to be charged fees to cover administrative costs incurred in the administration of this section. The fees collected shall be credited to the ~~business assistance tax~~ incentives operating fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(L) On or before the first day of August of each year, the director of development services shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax exemption authorized under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the eligible computer data center that is the subject of each such agreement, and an

update on the status of eligible computer data centers under 6738  
agreements entered into before the preceding calendar year. 6739

(M) A taxpayer may be made a party to an existing agreement 6740  
entered into under this section by the tax credit authority and 6741  
another taxpayer or group of taxpayers. In such a case, the 6742  
taxpayer shall be entitled to all benefits and bound by all 6743  
obligations contained in the agreement and all requirements 6744  
described in this section. When an agreement includes multiple 6745  
taxpayers, each taxpayer shall be entitled to a direct payment 6746  
permit as authorized in division (I) of this section. 6747

develop new products or technologies when the director finds all 6756  
of the following factors to be present: 6757

(1) The undertaking will benefit the people of the state by 6758  
creating or preserving jobs and employment opportunities or 6759  
improving the economic welfare of the people of the state, and 6760  
promoting the development of new technology. 6761

(2) There is reasonable assurance that the potential 6762  
royalties to be derived from the sale of the product or process 6763  
described in the proposal will be sufficient to repay the funding 6764  
pursuant to sections 122.28 and 122.30 to 122.36 of the Revised 6765  
Code and that, in making the agreement, as it relates to patents, 6766  
copyrights, and other ownership rights, there is reasonable 6767

assurance that the resulting new technology will be utilized to 6768  
the maximum extent possible in facilities located in Ohio. 6769

(3) The technology and research to be undertaken will allow 6770  
enterprises to compete more effectively in the marketplace. Grants 6771  
of capital may be in such form and conditioned upon such terms as 6772  
the director deems appropriate. 6773

(B) The industrial technology and enterprise resources 6774  
program to provide for the collection, dissemination, and exchange 6775

small businesses may use available facilities and resources. The 6779  
methods may include, but need not be limited to, leases 6780  
reimbursing the educational institutions for their actual costs 6781  
incurred in maintaining the facilities and agreements assigning 6782  
royalties from development of successful products or processes 6783  
through the use of the facilities and resources. The director 6784  
shall operate this program in conjunction with the board of 6785  
regents. 6786

(1) Grants may be made to a nonprofit organization or a 6791  
public or private educational institution, department, college, 6792  
institute, faculty member, or other administrative subdivision or 6793  
related entity of an educational institution when the director 6794  
finds that the undertaking will benefit the people of the state by 6795  
supporting research in advanced technology areas likely to improve 6796  
the economic welfare of the people of the state through promoting 6797  
the development of new commercial technology. 6798

(2) Grants may be made in a form and conditioned upon terms 6799  
as the director considers appropriate. 6800

(3) Grants Except as provided in division (C)(4) of this 6801  
section, grants made under this program shall ~~in all instances~~ be 6802

enterprise which maintains or proposes to maintain a relevant 6804

a nonprofit organization, or by an educational institution or 6806  
related entity; however, funding provided by an educational 6807  
institution or related entity shall not be from general revenue 6808  
funds appropriated by the Ohio general assembly. No grant made 6809  
under this program shall exceed the contribution made by the 6810  
cooperating enterprise, nonprofit organization, or educational 6811  
institution or related entity. The director may consider 6812  
cooperating contributions in the form of state of the art new 6813  
equipment or in other forms provided the director determines that 6814  
the contribution is essential to the successful implementation of 6815  
the project. The director may adopt rules or guidelines for the 6816  
valuation of contributions of equipment or other property. 6817

(4) At the director's sole discretion, the requirement for a 6818  
cooperating contribution under division (C)(3) of this section may 6819  
be waived if the project will enable Ohio companies to access new 6820  
technology applications. 6821

(5) The director may determine fields of research from which 6822  
grant applications will be accepted under this program. 6823

(6) For purposes of division (C) of this section: 6824

The director in consultation with the tax commissioner shall prescribe the form and manner of the application and the information or documentation required to be submitted with the application.

The credit is determined as follows:

(a) If the total budgeted eligible production expenditures stated in the application submitted under division (B) of this section or the actual eligible production expenditures as finally determined under division (D) of this section, whichever is least, is less than or equal to three hundred thousand dollars, no credit is allowed;

(b) If the total budgeted eligible production expenditures stated in the application submitted under division (B) of this section or the actual eligible production expenditures as finally determined under division (D) of this section, whichever is least, is greater than three hundred thousand dollars, the credit equals thirty per cent of the least of such budgeted or actual eligible expenditure amounts.

(2) Except as provided in division (C)(4) of this section, if the director of development services approves a motion picture company's application for a credit, the director shall issue a tax credit certificate to the company. The director in consultation with the tax commissioner shall prescribe the form and manner of issuing certificates. The director shall assign a unique identifying number to each tax credit certificate and shall record the certificate in a register devised and maintained by the director for that purpose. The certificate shall state the amount of the eligible production expenditures on which the credit is

based and the amount of the credit. Upon the issuance of a 7013  
certificate, the director shall certify to the tax commissioner 7014

expenditures shown on the certificate, and any other information 7016  
required by the rules adopted to administer this section. 7017

(3) The amount of eligible production expenditures for which 7018

other applicable law. Once the eligible production expenditures 7022  
are finally determined under section 5703.19 of the Revised Code 7023

to adjustment unless the director determines an error was 7025  
committed in the computation of the credit amount. 7026

(4) No tax credit certificate may be issued before the 7027  
completion of the tax credit-eligible production. Not more than 7028

company's expense, an independent certified public accountant to 7040

expenditures that qualify as eligible production expenditures. The 7042  
certified public accountant shall issue a report to the company 7043  
and to the director of development services certifying the 7044

company's eligible production expenditures and any other 7045  
information required by the director. Upon receiving and examining 7046  
the report, the director may disallow any expenditure the director 7047  
determines is not an eligible production expenditure. If the 7048  
director disallows an expenditure, the director shall issue a 7049  
written notice to the motion picture production company stating 7050  
that the expenditure is disallowed and the reason for the 7051  
disallowance. Upon examination of the report and disallowance of 7052  
any expenditures, the director shall determine finally the lesser 7053  
of the total budgeted eligible production expenditures stated in 7054  
the application submitted under division (B) of this section or 7055  
the actual eligible production expenditures for the purpose of 7056  
computing the amount of the credit. 7057

(E) No credit shall be allowed under section 5726.55, 7058  
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 7059  
director has reviewed the report and made the determination 7060  
prescribed by division (D) of this section. 7061

production of a motion picture; reporting sufficient evidence of 7070  
reviewable progress; expenditures that qualify as eligible 7071  
production expenditures; a competitive process for approving 7072  
credits; consideration of geographic distribution of credits; and 7073  
implementation of the program described in division (I) of this 7074  
section. The rules shall be adopted under Chapter 119. of the 7075

that corrections to permanent improvements are necessary to remove 9476

or prevent health or safety hazards. 9477

(b) Existing fiscal and net indebtedness limitations make 9478  
adequate replacement, additions, or improvements impossible. 9479

(2) Upon the declaration of an emergency, the board of 9480

(c) The county auditor shall advise and, not later than 9498  
ninety-five days before the election, confirm that advice by 9499

(G)(1) The board of education may contract with an architect, 9511  
professional engineer, or other person experienced in the design 9512

value of materials or equipment replaced by the energy 9521  
conservation measure, as defined by the Ohio ~~school~~ facilities 9522  
construction commission, a baseline analysis of actual energy 9523  
consumption data for the preceding three years with the utility 9524  
baseline based on only the actual energy consumption data for the 9525  
preceding twelve months, and estimates of the amounts by which 9526  
energy consumption and resultant operational and maintenance 9527  
costs, as defined by the commission, would be reduced. 9528

If the board finds after receiving the report that the amount 9529  
of money the district would spend on such installations, 9530  
modifications, or remodeling is not likely to exceed the amount of 9531  
money it would save in energy and resultant operational and 9532  
maintenance costs over the ensuing fifteen years, the board may 9533  
submit to the commission a copy of its findings and a request for 9534  
approval to incur indebtedness to finance the making or 9535  
modification of installations or the remodeling of buildings for 9536  
the purpose of significantly reducing energy consumption. 9537

The ~~school~~ facilities construction commission, in 9538

consultation with the auditor of state, may deny a request under 9539  
~~this division (G)(1) of this section~~ by the board of education of 9540  
any school district that is in a state of fiscal watch pursuant to 9541  
division (A) of section 3316.03 of the Revised Code, if it 9542  
determines that the expenditure of funds is not in the best 9543  
interest of the school district. 9544

No district board of education of a school district that is 9545  
in a state of fiscal emergency pursuant to division (B) of section 9546  
3316.03 of the Revised Code shall submit a request without 9547  
submitting evidence that the installations, modifications, or 9548  
remodeling have been approved by the district's financial planning 9549  
and supervision commission established under section 3316.05 of 9550  
the Revised Code. 9551

No board of education of a school district ~~that, for three or~~ 9552  
~~more consecutive years, has been declared to be in a state of~~ 9553  
~~academic emergency under section 3302.03 of the Revised Code, as~~ 9554  
~~that section existed prior to March 22, 2013, and has failed to~~ 9555  
~~meet adequate yearly progress, or has met any condition set forth~~ 9556  
~~in division (A) of~~ for which an academic distress commission has 9557  
been established under section 3302.10 of the Revised Code shall 9558  
submit a request without first receiving approval to incur 9559  
indebtedness from the district's academic distress commission 9560  
established under that section, for so long as such commission 9561  
continues to be required for the district. 9562

(2) The board of education may contract with a person 9563  
experienced in the implementation of student transportation to 9564  
produce a report that includes an analysis of and recommendations 9565

report shall include cost estimates detailing the return on 9567  
investment over the life of the alternative fuel vehicles and 9568  
environmental impact of alternative fuel vehicles. The report also 9569  
shall include estimates of all costs associated with alternative 9570

fuel transportation, including facility modifications and vehicle 9571  
purchase costs or conversion costs. 9572

If the board finds after receiving the report that the amount 9573  
of money the district would spend on purchasing alternative fuel 9574  
vehicles or vehicle conversion is not likely to exceed the amount 9575  
of money it would save in fuel and resultant operational and 9576  
maintenance costs over the ensuing five years, the board may 9577  
submit to the commission a copy of its findings and a request for 9578  
approval to incur indebtedness to finance the purchase of new 9579  
alternative fuel vehicles or vehicle conversions for the purpose 9580  
of reducing fuel costs. 9581

The facilities construction commission, in consultation with 9582  
the auditor of state, may deny a request under division (G)(2) of 9583  
this section by the board of education of any school district that 9584  
is in a state of fiscal watch pursuant to division (A) of section 9585  
3316.03 of the Revised Code, if it determines that the expenditure 9586  
of funds is not in the best interest of the school district. 9587

No district board of education of a school district that is 9588  
in a state of fiscal emergency pursuant to division (B) of section 9589  
3316.03 of the Revised Code shall submit a request without 9590  
submitting evidence that the purchase or conversion of alternative 9591  
fuel vehicles has been approved by the district's financial 9592  
planning and supervision commission established under section 9593  
3316.05 of the Revised Code. 9594

No board of education of a school district for which an 9595  
academic distress commission has been established under section 9596  
3302.10 of the Revised Code shall submit a request without first 9597  
receiving approval to incur indebtedness from the district's 9598  
academic distress commission established under that section, for 9599  
so long as such commission continues to be required for the 9600  
district. 9601

(3) The ~~school~~ facilities construction commission shall 9602  
approve the board's request provided that the following conditions 9603  
are satisfied: 9604

(a) The commission determines that the board's findings are 9605  
reasonable. 9606

(b) The request for approval is complete. 9607

(c) ~~The~~ If the request was submitted under division (G)(1) of 9608

amount not to exceed nine-tenths of one per cent of its tax 9616  
valuation for the purpose ~~of making such installations,~~ 9617

of this section, but the total net indebtedness of the district 9619  
without a vote of the electors incurred under this and all other 9620  
sections of the Revised Code, except section 3318.052 of the 9621  
Revised Code, shall not exceed one per cent of the district's tax 9622

mature within one year from the original date of issuance, may 9919  
enter into an agreement providing for: 9920

(1) The purchase of those obligations by the treasurer of 9921  
state on terms and subject to conditions set forth in the 9922  
agreement; 9923

(2) The payment to the treasurer of state of a reasonable fee 9924

with a board of education of a school district that has an 9928  
outstanding obligation with respect to a loan received under 9929  
authority of section 3313.483 of the Revised Code. 9930

(H) For purposes of division (G) of this section, a fee shall 9931  
not be considered reasonable unless it is set to recover only the 9932  
direct costs, a reasonable estimate of the indirect costs 9933  
associated with the purchasing of obligations under division (G) 9934  
of this section and any reselling of the obligations or any 9935  
interest in the obligations, including interests in a fund 9936  
comprised of the obligations, and the administration thereof. No 9937  
money from the general revenue fund shall be used to subsidize the 9938  
purchase or resale of these obligations. 9939

the fund shall be used solely to pay the treasurer of state's 9944

(B)(1) Not later than July 1, 2017, the treasurer of state shall create the Ohio pooled collateral program. Under this program, each institution designated as a public depository that selects the pledging method prescribed in division (A)(2) of section 135.18 or division (A)(2) of section 135.37 of the Revised Code shall pledge to the treasurer of state a single pool of eligible securities for the benefit of all public depositors at the public depository to secure the repayment of all uninsured public deposits at the public depository, provided that at all times the total market value of the securities so pledged is at least equal to either of the following:

(a) One hundred two per cent of the total amount of all uninsured public deposits;

(b) An amount determined by rules adopted by the treasurer of state that set forth the criteria for determining the aggregate market value of the pool of eligible securities pledged by a public depository pursuant to division (B) of this section. Such criteria shall include, but are not limited to, prudent capital and liquidity management by the public depository and the safety and soundness of the public depository as determined by a third-party rating organization.

(2) The treasurer of state shall monitor the eligibility, market value, and face value of the pooled securities pledged by the public depository. Each public depository shall carry in its accounting records at all times a general ledger or other appropriate account of the total amount of all public deposits to be secured by the pool, as determined at the opening of business each day, and the total market value of securities pledged to secure such deposits, and report such information to the treasurer of state in a manner and frequency as determined by the treasurer of state pursuant to rules adopted by the treasurer of state. A public depositor shall be responsible for periodically confirming the accuracy of its account balances with the treasurer of state; otherwise, the treasurer of state shall be the sole public depositor responsible for monitoring and ensuring the sufficiency of securities pledged under this section.

(C) The public depository shall designate a qualified trustee approved by the treasurer of state and place with such trustee for safekeeping the eligible securities pledged pursuant to division (B) of this section. The trustee shall hold the eligible securities in an account indicating the treasurer of state's security interest in the eligible securities. The treasurer of state shall give written notice of the trustee to all public depositors for which such securities are pledged. The trustee shall report to the treasurer of state information relating to the

securities pledged to secure such public deposits in a manner and 10009  
frequency as determined by the treasurer of state. 10010

(D) In order for a public depository to receive public moneys 10011  
under this section, the public depository and the treasurer of 10012  
state shall first execute an agreement that sets forth the entire 10013  
arrangement among the parties and that meets the requirements 10014  
described in 12 U.S.C. 1823(e). In addition, the agreement shall 10015  
authorize the treasurer of state to obtain control of the 10016  
collateral pursuant to division (D) of section 1308.24 of the 10017  
Revised Code. 10018

(E) The securities or other obligations described in division 10019  
(D) of section 135.18 of the Revised Code shall be eligible as 10020  
collateral for the purposes of division (B) of this section, 10021  
provided no such securities or obligations pledged as collateral 10022  
are at any time in default as to either principal or interest. 10023

(F) Any federal reserve bank or branch thereof located in 10024  
this state or federal home loan bank, without compliance with 10025  
Chapter 1111. of the Revised Code and without becoming subject to 10026  
any other law of this state relative to the exercise by 10027  
corporations of trust powers generally, is qualified to act as 10028  
trustee for the safekeeping of securities, under this section. Any 10029  
institution mentioned in section 135.03 or 135.32 of the Revised 10030  
Code that holds a certificate of qualification issued by the 10031  
superintendent of financial institutions or any institution 10032

securities under this section, other than those belonging to 10035  
itself or to an affiliate as defined in section 1101.01 of the 10036  
Revised Code. 10037

(G) The public depository may substitute, exchange, or 10038  
release eligible securities deposited with the qualified trustee 10039  
pursuant to this section, provided that such substitution, 10040

exchange, or release is effectuated pursuant to written 10041  
authorization from the treasurer of state, and such action does 10042  
not reduce the total market value of the securities to an amount 10043  
that is less than the amount established pursuant to division (B) 10044  
of this section. 10045

(H) Notwithstanding the fact that a public depository is 10046  
required to pledge eligible securities in certain amounts to 10047  
secure public deposits, a qualified trustee has no duty or 10048  
obligation to determine the eligibility, market value, or face 10049  
value of any securities deposited with the trustee by a public 10050  
depository. This applies in all situations including, but not 10051  
limited to, a substitution or exchange of securities, but 10052  
excluding those situations effectuated by division (I) of this 10053  
section in which the trustee is required to determine face and 10054  
market value. 10055

originated by the treasurer of state without further consent by 10059  
the public depository or, in the case of collateral held by the 10060  
public depository in an account at a federal reserve bank, the 10061  
treasurer of state shall have the treasurer's security interest 10062  
marked on the books of the federal reserve bank where the account 10063  
for the collateral is maintained. If the public depository fails 10064

provided by law and secured pursuant to division (B) of this 10066  
section, the treasurer of state shall give written notice of this 10067  
failure to the qualified trustee holding the pool of securities 10068  
pledged against the public deposits, and at the same time shall 10069

acting as such under this section shall be paid by the public 10086  
depository and in no event shall be chargeable to the public 10087  
depositor or to any officer of the public depositor. The charges 10088  
or compensation shall not be a lien or charge upon the securities 10089  
deposited for safekeeping prior or superior to the rights to and 10090  
interests in the securities of the public depositor. The treasurer 10091  
and the treasurer's bonders or surety shall be relieved from any 10092  
liability to the public depositor or to the public depository for 10093  
the loss or destruction of any securities deposited with a 10094  
qualified trustee pursuant to this section. 10095

custody of the investing authority or the qualified custodian of 10287  
the investing authority or an agent designated by the investing 10288  
authority. A written repurchase agreement with an eligible 10289

with that purchaser to unconditionally repurchase those 10301  
securities. 10302

(E) No investing authority shall make an investment under 10303  
this section, unless the investing authority, at the time of 10304  
making the investment, reasonably expects that the investment can 10305  
be held until its maturity. The investing authority's written 10306  
investment policy shall specify the conditions under which an 10307  
investment may be redeemed or sold prior to maturity. 10308

(F) No investing authority shall pay a county's inactive 10309  
moneys or moneys of a county public library fund into a fund 10310  
established by another subdivision, treasurer, governing board, or 10311  
investing authority, if that fund was established by the 10312  
subdivision, treasurer, governing board, or investing authority 10313  
for the purpose of investing or depositing the public moneys of 10314  
other subdivisions. This division does not apply to the payment of 10315  
public moneys into either of the following: 10316

Revised Code or Section 4 of Article XVIII, Ohio Constitution. 10322

For purposes of division (F) of this section, "subdivision" 10323  
includes a county. 10324

(G) The use of leverage, in which the county uses its current 10325  
investment assets as collateral for the purpose of purchasing 10326  
other assets, is prohibited. The issuance of taxable notes for the 10327  
purpose of arbitrage is prohibited. Contracting to sell securities 10328  
not owned by the county, for the purpose of purchasing such 10329  
securities on the speculation that bond prices will decline, is 10330  
prohibited. 10331

(H) Any securities, certificates of deposit, deposit 10332  
accounts, or any other documents evidencing deposits or 10333  
investments made under authority of this section shall be issued 10334  
in the name of the county with the county treasurer or investing 10335  
authority as the designated payee. If any such deposits or 10336  
investments are registrable either as to principal or interest, or 10337  
both, they shall be registered in the name of the treasurer. 10338

(I) The investing authority shall be responsible for the 10339  
safekeeping of all documents evidencing a deposit or investment 10340  
acquired under this section, including, but not limited to, 10341  
safekeeping receipts evidencing securities deposited with a 10342  
qualified trustee, as provided in section 135.37 of the Revised 10343  
Code, and documents confirming the purchase of securities under 10344  
any repurchase agreement under this section shall be deposited 10345  
with a qualified trustee, provided, however, that the qualified 10346  
trustee shall be required to report to the investing authority, 10347  
auditor of state, or an authorized outside auditor at any time 10348  
upon request as to the identity, market value, and location of the 10349  
document evidencing each security, and that if the participating 10350  
institution is a designated depository of the county for the 10351  
current period of designation, the securities that are the subject 10352

of the repurchase agreement may be delivered to the treasurer or 10353  
held in trust by the participating institution on behalf of the 10354  
investing authority. 10355

Upon the expiration of the term of office of an investing 10356  
authority or in the event of a vacancy in the office for any 10357  
reason, the officer or the officer's legal representative shall 10358  
transfer and deliver to the officer's successor all documents 10359  
mentioned in this division for which the officer has been 10360  
responsible for safekeeping. For all such documents transferred 10361  
and delivered, the officer shall be credited with, and the 10362  
officer's successor shall be charged with, the amount of moneys 10363  
evidenced by such documents. 10364

regulatory authority (FINRA), through a bank, savings bank, or 10368

financial institutions, or through an institution regulated by the 10370  
comptroller of the currency, federal deposit insurance 10371  
corporation, or board of governors of the federal reserve system. 10372

(2) Payment for investments shall be made only upon the 10373  
delivery of securities representing such investments to the 10374  
treasurer, investing authority, or qualified trustee. If the 10375  
securities transferred are not represented by a certificate, 10376  
payment shall be made only upon receipt of confirmation of 10377  
transfer from the custodian by the treasurer, governing board, or 10378  
qualified trustee. 10379

(K)(1) Except as otherwise provided in division (K)(2) of 10380  
this section, no investing authority shall make an investment or 10381  
deposit under this section, unless there is on file with the 10382  
auditor of state a written investment policy approved by the 10383  
investing authority. The policy shall require that all entities 10384

conducting investment business with the investing authority shall 10385  
sign the investment policy of that investing authority. All 10386  
brokers, dealers, and financial institutions, described in 10387  
division (J)(1) of this section, initiating transactions with the 10388  
investing authority by giving advice or making investment 10389  
recommendations shall sign the investing authority's investment 10390

executing transactions initiated by the investing authority, 10394  
having read the policy's contents, shall sign the investment 10395  
policy thereby acknowledging their comprehension and receipt. 10396

(2) If a written investment policy described in division 10397  
(K)(1) of this section is not filed on behalf of the county with 10398  
the auditor of state, the investing authority of that county shall 10399  
invest the county's inactive moneys and moneys of the county 10400  
public library fund only in time certificates of deposits or 10401

which the parties agree to submit to nonbinding arbitration to 10431  
settle any controversy that may arise out of the agreement, 10432  
including any controversy pertaining to losses of public moneys 10433  
resulting from investment or deposit. The arbitration provision 10434  
shall be set forth entirely in the agreement, and the agreement 10435  
shall include a conspicuous notice to the parties that any party 10436

other expenses, claims, or payments, and may be made to secure the 11152

pledge is created or any certificate, statement or other document 11165  
with respect thereto; and the pledge of such pledged receipts and 11166  
special funds is effective and the money therefrom and thereof may 11167  
be applied to the purposes for which pledged without necessity for 11168  
any act of appropriation. Every pledge, and every covenant and 11169  
agreement made with respect thereto, made in the bond proceedings 11170  
may therein be extended to the benefit of the owners and holders 11171  
of obligations authorized by this section, and to any trustee 11172  
therefor, for the further security of the payment of the bond 11173  
service charges. 11174

(E) The bond proceedings may contain additional provisions as 11175  
to: 11176

(1) The redemption of obligations prior to maturity at the 11177

such terms and conditions as are provided in the bond proceedings; 11179

(2) Other terms of the obligations; 11180

(5) The deposit, investment and application of special funds, 11184

regard to Chapter 131. or 135. of the Revised Code, but subject to 11186

any special provisions of this chapter, with respect to particular 11187  
funds or moneys, provided that any bank or trust company which 11188  
acts as depository of any moneys in the special funds may furnish 11189  
such indemnifying bonds or may pledge such securities as required 11190  
by the issuing authority; 11191

(6) Any or every provision of the bond proceedings being 11192  
binding upon such officer, board, commission, authority, agency, 11193  
department, or other person or body as may from time to time have 11194  
the authority under law to take such actions as may be necessary 11195  
to perform all or any part of the duty required by such provision; 11196

(7) Any provision that may be made in a trust agreement or 11197  
indenture; 11198

(8) Any other or additional agreements with the holders of 11199  
the obligations, or the trustee therefor, relating to the 11200

mortgages or other security obtained or to be obtained for loans 11202  
under section 122.43, 166.07, or 166.16 of the Revised Code. 11203

(F) The obligations may have the great seal of the state or a 11204  
facsimile thereof affixed thereto or printed thereon. The 11205  
obligations and any coupons pertaining to obligations shall be 11206  
signed or bear the facsimile signature of the issuing authority. 11207  
Any obligations or coupons may be executed by the person who, on 11208  
the date of execution, is the proper issuing authority although on 11209  
the date of such bonds or coupons such person was not the issuing 11210  
authority. If the issuing authority whose signature or a facsimile 11211  
of whose signature appears on any such obligation or coupon ceases 11212  
to be the issuing authority before delivery thereof, such 11213  
signature or facsimile is nevertheless valid and sufficient for 11214  
all purposes as if the former issuing authority had remained the 11215  
issuing authority until such delivery; and if the seal to be 11216  
affixed to obligations has been changed after a facsimile of the 11217  
seal has been imprinted on such obligations, such facsimile seal 11218

shall continue to be sufficient as to such obligations and 11219  
obligations issued in substitution or exchange therefor. 11220

(G) All obligations are negotiable instruments and securities 11221  
under Chapter 1308. of the Revised Code, subject to the provisions 11222  
of the bond proceedings as to registration. The obligations may be 11223  
issued in coupon or in registered form, or both, as the issuing 11224  
authority determines. Provision may be made for the registration 11225  
of any obligations with coupons attached thereto as to principal 11226

obligations so registered, and for the conversion or reconversion 11228  
into obligations with coupons attached thereto of any obligations 11229  
registered as to both principal and interest, and for reasonable 11230  
charges for such registration, exchange, conversion, and 11231  
reconversion. 11232

(H) Obligations may be sold at public sale or at private 11233  
sale, as determined in the bond proceedings. 11234

fund or the innovation Ohio loan guarantee fund may, as determined 11236  
by the issuing authority, be sold at private sale, and without 11237  
publication of a notice of sale. 11238

(I) Pending preparation of definitive obligations, the 11239  
issuing authority may issue interim receipts or certificates which 11240  
shall be exchanged for such definitive obligations. 11241

(J) In the discretion of the issuing authority, obligations 11242  
may be secured additionally by a trust agreement or indenture 11243  
between the issuing authority and a corporate trustee which may be 11244  
any trust company or bank having a place of business within the 11245  
state. Any such agreement or indenture may contain the resolution 11246  
or order authorizing the issuance of the obligations, any 11247  
provisions that may be contained in any bond proceedings, and 11248  
other provisions which are customary or appropriate in an 11249

agreement or indenture of such type, including, but not limited	11250
to:	11251
(1) Maintenance of each pledge, trust agreement, indenture,	11252
or other instrument comprising part of the bond proceedings until	11253
the state has fully paid the bond service charges on the	11254
obligations secured thereby, or provision therefor has been made;	11255
(2) In the event of default in any payments required to be	11256
made by the bond proceedings, or any other agreement of the	11257
issuing authority made as a part of the contract under which the	11258
obligations were issued, enforcement of such payments or agreement	11259
by mandamus, the appointment of a receiver, suit in equity, action	11260
at law, or any combination of the foregoing;	11261
(3) The rights and remedies of the holders of obligations and	11262
of the trustee, and provisions for protecting and enforcing them,	11263
including limitations on rights of individual holders of	11264
obligations;	11265
(4) The replacement of any obligations that become mutilated	11266
or are destroyed, lost, or stolen;	11267
(5) Such other provisions as the trustee and the issuing	11268
authority agree upon, including limitations, conditions, or	11269
qualifications relating to any of the foregoing.	11270
(K) Any holders of obligations or trustees under the bond	11271
proceedings, except to the extent that their rights are restricted	11272
by the bond proceedings, may by any suitable form of legal	11273
proceedings, protect and enforce any rights under the laws of this	11274
state or granted by such bond proceedings. Such rights include the	11275
right to compel the performance of all duties of the issuing	11276
authority, the director of development, the Ohio air quality	11277
development authority, or the division of liquor control required	11278
by this chapter or the bond proceedings; to enjoin unlawful	11279
activities; and in the event of default with respect to the	11280

payment of any bond service charges on any obligations or in the 11281  
performance of any covenant or agreement on the part of the 11282  
issuing authority, the director of development, the Ohio air 11283  
quality development authority, or the division of liquor control 11284  
in the bond proceedings, to apply to a court having jurisdiction 11285  
of the cause to appoint a receiver to receive and administer the 11286  
pledged receipts and special funds, other than those in the 11287  
custody of the treasurer of state, which are pledged to the 11288  
payment of the bond service charges on such obligations or which 11289  
are the subject of the covenant or agreement, with full power to 11290  
pay, and to provide for payment of bond service charges on, such 11291  
obligations, and with such powers, subject to the direction of the 11292  
court, as are accorded receivers in general equity cases, 11293  
excluding any power to pledge additional revenues or receipts or 11294  
other income or moneys of the issuing authority or the state or 11295  
governmental agencies of the state to the payment of such 11296  
principal and interest and excluding the power to take possession 11297  
of, mortgage, or cause the sale or otherwise dispose of any 11298  
project facilities. 11299

Each duty of the issuing authority and the issuing 11300  
authority's officers and employees, and of each governmental 11301  
agency and its officers, members, or employees, undertaken 11302  
pursuant to the bond proceedings or any agreement or lease, 11303  
lease-purchase agreement, or loan made under authority of this 11304  
chapter, and in every agreement by or with the issuing authority, 11305  
is hereby established as a duty of the issuing authority, and of 11306  
each such officer, member, or employee having authority to perform 11307  
such duty, specifically enjoined by the law resulting from an 11308  
office, trust, or station within the meaning of section 2731.01 of 11309  
the Revised Code. 11310

The person who is at the time the issuing authority, or the 11311  
issuing authority's officers or employees, are not liable in their 11312

personal capacities on any obligations issued by the issuing 11313  
authority or any agreements of or with the issuing authority. 11314

(L) The issuing authority may authorize and issue obligations 11315  
for the refunding, including funding and retirement, and advance 11316  
refunding with or without payment or redemption prior to maturity, 11317  
of any obligations previously issued by the issuing authority. 11318  
Such obligations may be issued in amounts sufficient for payment 11319  
of the principal amount of the prior obligations, any redemption 11320  
premiums thereon, principal maturities of any such obligations 11321  
maturing prior to the redemption of the remaining obligations on a 11322  
parity therewith, interest accrued or to accrue to the maturity 11323  
dates or dates of redemption of such obligations, and any 11324  
allowable costs including expenses incurred or to be incurred in 11325  
connection with such issuance and such refunding, funding, and 11326  
retirement. Subject to the bond proceedings therefor, the portion 11327  
of proceeds of the sale of obligations issued under this division 11328  
to be applied to bond service charges on the prior obligations 11329  
shall be credited to an appropriate account held by the trustee 11330  
for such prior or new obligations or to the appropriate account in 11331  
the bond service fund for such obligations. Obligations authorized 11332  
under this division shall be deemed to be issued for those 11333  
purposes for which such prior obligations were issued and are 11334  
subject to the provisions of this section pertaining to other 11335  
obligations, except as otherwise provided in this section; 11336  
provided that, unless otherwise authorized by the general 11337  
assembly, any limitations imposed by the general assembly pursuant 11338  
to this section with respect to bond service charges applicable to 11339  
the prior obligations shall be applicable to the obligations 11340  
issued under this division to refund, fund, advance refund or 11341  
retire such prior obligations. 11342

(M) The authority to issue obligations under this section 11343  
includes authority to issue obligations in the form of bond 11344

anticipation notes and to renew the same from time to time by the 11345  
issuance of new notes. The holders of such notes or interest 11346  
coupons pertaining thereto shall have a right to be paid solely 11347  
from the pledged receipts and special funds that may be pledged to 11348  
the payment of the bonds anticipated, or from the proceeds of such 11349  
bonds or renewal notes, or both, as the issuing authority provides 11350  
in the resolution or order authorizing such notes. Such notes may 11351  
be additionally secured by covenants of the issuing authority to 11352  
the effect that the issuing authority and the state will do such 11353  
or all things necessary for the issuance of such bonds or renewal 11354  
notes in appropriate amount, and apply the proceeds thereof to the 11355  
extent necessary, to make full payment of the principal of and 11356  
interest on such notes at the time or times contemplated, as 11357  
provided in such resolution or order. For such purpose, the 11358  
issuing authority may issue bonds or renewal notes in such 11359  
principal amount and upon such terms as may be necessary to 11360  
provide funds to pay when required the principal of and interest 11361  
on such notes, notwithstanding any limitations prescribed by or 11362  
for purposes of this section. Subject to this division, all 11363  
provisions for and references to obligations in this section are 11364  
applicable to notes authorized under this division. 11365

The issuing authority in the bond proceedings authorizing the 11366  
issuance of bond anticipation notes shall set forth for such bonds 11367  
an estimated interest rate and a schedule of principal payments 11368  
for such bonds and the annual maturity dates thereof, and for 11369  
purposes of any limitation on bond service charges prescribed 11370  
under division (A) of section 166.11 of the Revised Code, the 11371  
amount of bond service charges on such bond anticipation notes is 11372  
deemed to be the bond service charges for the bonds anticipated 11373  
thereby as set forth in the bond proceedings applicable to such 11374  
notes, but this provision does not modify any authority in this 11375  
section to pledge receipts and special funds to, and covenant to 11376  
issue bonds to fund, the payment of principal of and interest and 11377

any premium on such notes. 11378

(N) Obligations issued under this section are lawful 11379  
investments for banks, societies for savings, savings and loan 11380  
associations, deposit guarantee associations, trust companies, 11381  
trustees, fiduciaries, insurance companies, including domestic for 11382  
life and domestic not for life, trustees or other officers having 11383  
charge of sinking and bond retirement or other special funds of 11384  
political subdivisions and taxing districts of this state, the 11385  
commissioners of the sinking fund of the state, the administrator 11386  
of workers' compensation, the state teachers retirement system, 11387  
the public employees retirement system, the school employees 11388  
retirement system, and the Ohio police and fire pension fund, 11389  
notwithstanding any other provisions of the Revised Code or rules 11390  
adopted pursuant thereto by any governmental agency of the state 11391  
with respect to investments by them, and are also acceptable as 11392  
security for the deposit of public moneys. 11393

(O) Unless otherwise provided in any applicable bond 11394  
proceedings, moneys to the credit of or in the special funds 11395  
established by or pursuant to this section may be invested by or 11396  
on behalf of the issuing authority only in notes, bonds, or other 11397  
obligations of the United States, or of any agency or 11398  
instrumentality of the United States, obligations guaranteed as to 11399  
principal and interest by the United States, obligations of this 11400  
state or any political subdivision of this state, and certificates 11401  
of deposit of any national bank located in this state and any 11402  
bank, as defined in section 1101.01 of the Revised Code, subject 11403  
to inspection by the superintendent of banks. If the law or the 11404  
instrument creating a trust pursuant to division (J) of this 11405  
section expressly permits investment in direct obligations of the 11406  
United States or an agency of the United States, unless expressly 11407  
prohibited by the instrument, such moneys also may be invested in 11408  
no-front-end-load money market mutual funds consisting exclusively 11409

of obligations of the United States or an agency of the United 11410  
States and in repurchase agreements, including those issued by the 11411  
fiduciary itself, secured by obligations of the United States or 11412  
an agency of the United States; and in common trust funds 11413  
established in accordance with section 1111.20 of the Revised Code 11414  
and consisting exclusively of any such securities, notwithstanding 11415  
division (A)(4) of that section. The income from such investments 11416  
shall be credited to such funds as the issuing authority 11417  
determines, and such investments may be sold at such times as the 11418  
issuing authority determines or authorizes. 11419

(P) Provision may be made in the applicable bond proceedings 11420  
for the establishment of separate accounts in the bond service 11421  
fund and for the application of such accounts only to the 11422  
specified bond service charges on obligations pertinent to such 11423  
accounts and bond service fund and for other accounts therein 11424  
within the general purposes of such fund. Unless otherwise 11425  
provided in any applicable bond proceedings, moneys to the credit 11426  
of or in the several special funds established pursuant to this 11427  
section shall be disbursed on the order of the treasurer of state, 11428  
provided that no such order is required for the payment from the 11429  
bond service fund when due of bond service charges on obligations. 11430

(Q) The issuing authority may pledge all, or such portion as 11431  
the issuing authority determines, of the pledged receipts to the 11432  
payment of bond service charges on obligations issued under this 11433  
section, and for the establishment and maintenance of any 11434  
reserves, as provided in the bond proceedings, and make other 11435  
provisions therein with respect to pledged receipts as authorized 11436  
by this chapter, which provisions are controlling notwithstanding 11437  
any other provisions of law pertaining thereto. 11438

(R) The issuing authority may covenant in the bond 11439  
proceedings, and any such covenants are controlling 11440  
notwithstanding any other provision of law, that the state and 11441

applicable officers and governmental agencies of the state, 11442  
including the general assembly, so long as any obligations are 11443  
outstanding, shall: 11444

(1) Maintain statutory authority for and cause to be charged 11445  
and collected wholesale and retail prices for spirituous liquor 11446  
sold by the state or its agents so that the pledged receipts are 11447  
sufficient in amount to meet bond service charges, and the 11448  
establishment and maintenance of any reserves and other 11449  
requirements provided for in the bond proceedings, and, as 11450  
necessary, to meet covenants contained in contracts of guarantee 11451  
made under section 166.06 of the Revised Code; 11452

(2) Take or permit no action, by statute or otherwise, that 11453  
would impair the exemption from federal income taxation of the 11454  
interest on the obligations. 11455

(S) There is hereby created the economic development bond 11456  
service fund, which shall be in the custody of the treasurer of 11457  
state but shall be separate and apart from and not a part of the 11458  
state treasury. All moneys received by or on account of the 11459  
issuing authority or state agencies and required by the applicable 11460  
bond proceedings, consistent with this section, to be deposited, 11461  
transferred, or credited to a bond service fund or the economic 11462  
development bond service fund, and all other moneys transferred or 11463  
allocated to or received for the purposes of the fund, shall be 11464  
deposited and credited to such fund and to any separate accounts 11465  
therein, subject to applicable provisions of the bond proceedings, 11466  
but without necessity for any act of appropriation. During the 11467  
period beginning with the date of the first issuance of 11468  
obligations and continuing during such time as any such 11469  
obligations are outstanding, and so long as moneys in the 11470  
pertinent bond service funds are insufficient to pay all bond 11471  
services charges on such obligations becoming due in each year, a 11472  
sufficient amount of the gross profit on the sale of spirituous 11473

liquor included in pledged receipts are committed and shall be 11474  
paid to the bond service fund or economic development bond service 11475  
fund in each year for the purpose of paying the bond service 11476  
charges becoming due in that year without necessity for further 11477  
act of appropriation for such purpose and notwithstanding anything 11478  
to the contrary in Chapter 4301. of the Revised Code. The economic 11479  
development bond service fund is a trust fund and is hereby 11480  
pledged to the payment of bond service charges to the extent 11481  
provided in the applicable bond proceedings, and payment thereof 11482  
from such fund shall be made or provided for by the treasurer of 11483  
state in accordance with such bond proceedings without necessity 11484  
for any act of appropriation. 11485

(T) The obligations, the transfer thereof, and the income 11486  
therefrom, including any profit made on the sale thereof, shall at 11487  
all times be free from taxation within the state. 11488

**Sec. 166.11.** (A) The aggregate amount of debt service payable 11489  
in any calendar year on project financing obligations issued under 11490  
section 166.08 of the Revised Code, exclusive of make-whole call 11491  
redemptions or other optional prepayments, shall not exceed fifty 11492  
million dollars. The aggregate principal amount of obligations, 11493  
exclusive of project financing obligations, that may be issued 11494  
under section 166.08 of the Revised Code is six hundred thirty 11495  
million dollars, plus the principal amount of any such obligations 11496  
retired by payment, the amounts held or obligations pledged for 11497  
the payment of the principal amount of any such obligations 11498  
outstanding, amounts in special funds held as reserves to meet 11499  
bond service charges, and amounts of obligations issued to provide 11500  
moneys required to meet payments from the loan guarantee fund 11501  
created in section 166.06 of the Revised Code and the innovation 11502

eligible logistics and distribution projects. No portion of the 11508  
eighty-four million principal amount for eligible advanced energy 11509  
projects may be issued after the effective date of this amendment. 11510  
The terms of the obligations issued under section 166.08 of the 11511  
Revised Code, other than obligations issued to meet guarantees 11512  
that cannot be satisfied from amounts then held in the loan 11513  
guarantee fund or the innovation Ohio loan guarantee fund, shall 11514  
be such that the aggregate amount of moneys used from profit from 11515  
the sale of spirituous liquor, and not from other sources, in any 11516  
fiscal year shall not exceed sixty-three million dollars. For 11517  
purposes of the preceding sentence, "other sources" include the 11518  
annual investment income on special funds to the extent it will be 11519  
available for payment of any bond service charges in lieu of use 11520  
of profit from the sale of spirituous liquor, and shall be 11521  
estimated on the basis of the expected funding of those special 11522  
funds and assumed investment earnings thereon at a rate equal to 11523  
the weighted average yield on investments of those special funds 11524  
determined as of any date within sixty days immediately preceding 11525  
the date of issuance of the bonds in respect of which the 11526  
determination is being made. Amounts received in any fiscal year 11527  
under section 6341 of the Internal Revenue Code, 26 U.S.C. 6341, 11528  
shall not be included when determining the sixty-three million 11529  
dollar limit. The determinations required by this division shall 11530  
be made by the treasurer of state at the time of issuance of an 11531  
issue of obligations and shall be conclusive for purposes of such 11532  
issue of obligations from and after their issuance and delivery. 11533

(B) The aggregate amount of the guaranteed portion of the 11534  
unpaid principal of loans guaranteed under sections 166.06 and 11535  
166.15 of the Revised Code and the unpaid principal of loans made 11536  
under sections 166.07, 166.16, and 166.21 of the Revised Code may 11537  
not at any time exceed eight hundred million dollars. Of that 11538

eight hundred million dollars, the aggregate amount of the 11539  
guaranteed portion of the unpaid principal of loans guaranteed 11540  
under sections 166.06 and 166.15 of the Revised Code shall not at 11541  
any time exceed two hundred million dollars. However, the 11542  
limitations established under this division do not apply to loans 11543  
made with proceeds from the issuance and sale of project financing 11544  
obligations. 11545

Sec. 166.50. "Microbusiness" means an independently owned and 11546  
operated for-profit business entity, including any affiliates, 11547

not full-time employees and dividing that number by one hundred 11557  
twenty. 11558

(4) "Consent decree" means the consent decree and final	13679
judgment entered November 25, 1998, in the court of common pleas	13680
of Franklin county, Ohio, as the same may be amended or	13681
supplemented from time to time.	13682
(5) "Cost of capital facilities" has the same meaning as in	13683
section 151.01 of the Revised Code, as applicable.	13684
(6) "Credit enhancement facilities," "financing costs," and	13685
"interest" or "interest equivalent" have the same meanings as in	13686
section 133.01 of the Revised Code.	13687
(7) "Debt service" means principal, including any mandatory	13688
sinking fund or redemption requirements for retirement of	13689
obligations, interest and other accreted amounts, interest	13690
equivalent, and any redemption premium, payable on obligations. If	13691
not prohibited by the applicable bond proceedings, "debt service"	13692
may include costs relating to credit enhancement facilities that	13693
are related to and represent, or are intended to provide a source	13694
of payment of or limitation on, other debt service.	13695
(8) "Improvement fund" means, as applicable, the school	13696
building program assistance fund created in section 3318.25 of the	13697
Revised Code and the higher education improvement fund created in	13698
section 154.21 of the Revised Code.	13699
(9) "Issuing authority" means the buckeye tobacco settlement	13700
financing authority created in section 183.52 of the Revised Code.	13701
(10) "Net proceeds" means amounts received from the sale of	13702
obligations, excluding amounts used to refund or retire	13703

outstanding obligations, amounts required to be deposited into 13704  
special funds pursuant to the applicable bond proceedings, and 13705  
amounts to be used to pay financing costs. 13706

(11) "Obligations" means bonds, notes, or other evidences of 13707  
obligation of the issuing authority, including any appertaining 13708  
interest coupons, issued by the issuing authority under this 13709  
section and Section 2i of Article VIII, Ohio Constitution, for the 13710  
purpose of providing funds to the state, in exchange for the 13711  
assignment and sale described in division (B) of this section, for 13712  
the purpose of paying costs of capital facilities for: (a) housing 13713  
branches and agencies of state government limited to facilities 13714  
for a system of common schools throughout the state and (b) 13715  
state-supported or state-assisted institutions of higher 13716  
education. 13717

(12) "Pledged receipts" means, as and to the extent provided 13718  
for in the applicable bond proceedings: 13719

(a) Pledged tobacco settlement receipts; 13720

(b) Accrued interest received from the sale of obligations; 13721

(c) Income from the investment of the special funds; 13722

(d) Additional or any other specific revenues or receipts 13723  
lawfully available to be pledged, and pledged, pursuant to the 13724  
bond proceedings, including but not limited to amounts received 13725  
under credit enhancement facilities, to the payment of debt 13726  
service. 13727

(13) "Pledged tobacco settlement receipts" means all amounts 13728  
received by the issuing authority pursuant to division (B) of this 13729  
section. 13730

(14) "Principal amount" means the aggregate of the amount as 13731  
stated or provided for in the applicable bond proceedings as the 13732  
amount on which interest or interest equivalent on particular 13733

obligations is initially calculated. "Principal amount" does not 13734  
include any premium paid to the issuing authority by the initial 13735  
purchaser of the obligations. "Principal amount" of a capital 13736  
appreciation bond, as defined in division (C) of section 3334.01 13737  
of the Revised Code, means its original face amount and not its 13738  
accrued value, and "principal amount" of a zero coupon bond, as 13739  
defined in division (J) of section 3334.01 of the Revised Code, 13740  
means the discounted offering price at which the bond is initially 13741  
sold to the public, disregarding any purchase price discount to 13742  
the original purchaser, if provided in or for pursuant to the bond 13743  
proceedings. 13744

(15) "Special funds" or "funds," unless the context indicates 13745  
otherwise, means the bond service fund, and any other funds, 13746  
including any reserve funds, created under the bond proceedings 13747  
and stated to be special funds in those proceedings, including 13748  
moneys and investments, and earnings from investments, credited 13749  
and to be credited to the particular fund. "Special funds" does 13750  
not include any improvement fund or investment earnings on amounts 13751  
in any improvement fund, or other funds created by the bond 13752  
proceedings that are not stated by those proceedings to be special 13753  
funds. 13754

(B) The state may assign and sell to the issuing authority, 13755  
and the issuing authority may accept and purchase, all or a 13756  
portion of the amounts to be received by the state under the 13757  
tobacco master settlement agreement for a purchase price payable 13758  
by the issuing authority to the state consisting of the net 13759  
proceeds of obligations and any residual interest, if any. Any 13760  
such assignment and sale shall be irrevocable in accordance with 13761  
its terms during the period any obligations secured by amounts so 13762  
assigned and sold are outstanding under the applicable bond 13763  
proceedings, and shall constitute a contractual obligation to the 13764  
holders or owners of those obligations. Any such assignment and 13765

sale shall also be treated as an absolute transfer and true sale 13766  
for all purposes, and not as a pledge or other security interest. 13767  
The characterization of any such assignment and sale as a true 13768  
sale and absolute transfer shall not be negated or adversely 13769  
affected by only a portion of the amounts to be received under the 13770  
tobacco master settlement agreement being transferred, the 13771  
acquisition or retention by the state of a residual interest, the 13772  
participation of any state officer or employee as a member or 13773  
officer of, or providing staff support to, the issuing authority, 13774  
any responsibility of an officer or employee of the state for 13775  
collecting the amounts to be received under the tobacco master 13776  
settlement agreement or otherwise enforcing that agreement or 13777  
retaining any legal title to or interest in any portion of the 13778  
amounts to be received under that agreement for the purpose of 13779  
these collection activities, any characterization of the issuing 13780  
authority or its obligations for purposes of accounting, taxation, 13781  
or securities regulation, or by any other factors whatsoever. A 13782  
true sale shall exist under this section regardless of whether the 13783  
issuing authority has any recourse against the state or any other 13784  
term of the bond proceedings or the treatment or characterization 13785  
of the transfer as a financing for any purpose. Upon and following 13786  
the assignment and sale, the state shall not have any right, 13787  
title, or interest in the portion of the receipts under the 13788  
tobacco master settlement agreement so assigned and sold, other 13789  
than any residual interest that may be described in the applicable 13790  
bond proceedings for those obligations, and that portion, if any, 13791  
shall be the property of the issuing authority and not of the 13792  
state, and shall be paid directly to the issuing authority, and 13793  
shall be owned, received, held, and disbursed by the issuing 13794  
authority and not by the state. 13795

The state may covenant, pledge, and agree in the bond 13796  
proceedings, with and for the benefit of the issuing authority, 13797  
the holders and owners of obligations, and providers of any credit 13798

enhancement facilities, that it shall: (1) maintain statutory 13799  
authority for, and cause to be collected and paid directly to the 13800  
issuing authority or its assignee, the pledged receipts, (2) 13801  
enforce the rights of the issuing authority to receive the 13802  
receipts under the tobacco master settlement agreement assigned 13803  
and sold to the issuing authority, (3) not materially impair the 13804  
rights of the issuing authority to fulfill the terms of its 13805  
agreements with the holders or owners of outstanding obligations 13806  
under the bond proceedings, (4) not materially impair the rights 13807  
and remedies of the holders or owners of outstanding obligations 13808  
or materially impair the security for those outstanding 13809  
obligations, and (5) enforce Chapter 1346. of the Revised Code, 13810  
the tobacco master settlement agreement, and the consent decree to 13811  
effectuate the collection of the pledged tobacco settlement 13812  
receipts. The bond proceedings may provide or authorize the manner 13813  
for determining material impairment of the security for any 13814  
outstanding obligations, including by assessing and evaluating the 13815  
pledged receipts in the aggregate. 13816

As further provided for in division (H) of this section, the 13817  
bond proceedings may also include such other covenants, pledges, 13818  
and agreements by the state to protect and safeguard the security 13819  
and rights of the holders and owners of the obligations, and of 13820  
the providers of any credit enhancement facilities, including, 13821  
without limiting the generality of the foregoing, any covenant, 13822  
pledge, or agreement customary in transactions involving the 13823  
issuance of securities the debt service on which is payable from 13824  
or secured by amounts received under the tobacco master settlement 13825  
agreement. Notwithstanding any other provision of law, any 13826  
covenant, pledge, and agreement of the state, if and when made in 13827  
the bond proceedings, shall be controlling and binding upon, and 13828  
enforceable against the state in accordance with its terms for so 13829  
long as any obligations are outstanding under the applicable bond 13830  
proceedings. The bond proceedings may also include limitations on 13831

the remedies available to the issuing authority, the holders and 13832  
owners of the obligations, and the providers of any credit 13833  
enhancement facilities, including, without limiting the generality 13834  
of the foregoing, a provision that those remedies may be limited 13835  
to injunctive relief in circumstances where there has been no 13836  
prior determination by a court of competent jurisdiction that the 13837  
state has not enforced Chapter 1346. of the Revised Code, the 13838  
tobacco master settlement agreement, or the consent decree as may 13839  
have been covenanted or agreed in the bond proceedings under 13840  
division (B)(5) of this section. 13841

Nothing in this section or the bond proceedings shall 13842  
preclude or limit, or be construed to preclude or limit, the state 13843  
from regulating or authorizing or permitting the regulation of 13844  
smoking or from taxing and regulating the sale of cigarettes or 13845  
other tobacco products, or from defending or prosecuting cases or 13846  
other actions relating to the sale or use of cigarettes or other 13847  
tobacco products. Except as otherwise may be agreed in writing by 13848  
the attorney general, nothing in this section or the bond 13849  
proceedings shall modify or limit, or be construed to modify or 13850  
limit, the responsibility, power, judgment, and discretion of the 13851  
attorney general to protect and discharge the duties, rights, and 13852  
obligations of the state under the tobacco master settlement 13853  
agreement, the consent decree, or Chapter 1346. of the Revised 13854  
Code. 13855

The governor and the director of budget and management, in 13856  
consultation with the attorney general, on behalf of the state, 13857  
and any member or officer of the issuing authority as authorized 13858  
by that issuing authority, on behalf of the issuing authority, may 13859  
take any action and execute any documents, including any purchase 13860  
and sale agreements, necessary to effect the assignment and sale 13861  
and the acceptance of the assignment and title to the receipts 13862  
including, providing irrevocable direction to the escrow agent 13863

acting under the tobacco master settlement agreement to transfer 13864  
directly to the issuing authority the amounts to be received under 13865  
that agreement that are subject to such assignment and sale. Any 13866  
purchase and sale agreement or other bond proceedings may contain 13867  
the terms and conditions established by the state and the issuing 13868  
authority to carry out and effectuate the purposes of this 13869  
section, including, without limitation, covenants binding the 13870  
state in favor of the issuing authority and its assignees and the 13871  
owners of the obligations. Any such purchase and sale agreement 13872  
shall be sufficient to effectuate such purchase and sale without 13873  
regard to any other laws governing other property sales or 13874  
financial transactions by the state. 13875

Not later than two years following the date on which there 13876  
are no longer any obligations outstanding under the bond 13877  
proceedings, all assets of the issuing authority shall vest in the 13878  
state, the issuing authority shall execute any necessary 13879  
assignments or instruments, including any assignment of any right, 13880  
title, or ownership to the state for receipt of amounts under the 13881  
tobacco master settlement agreement, and the issuing authority 13882  
shall be dissolved. 13883

(C) The issuing authority is authorized to issue and to sell 13884  
obligations as provided in this section. The aggregate principal 13885  
amount of obligations issued under this section shall not exceed 13886  
six billion dollars, exclusive of obligations issued under 13887  
division (M)(1) of this section to refund, renew, or advance 13888  
refund other obligations issued or incurred. At least seventy-five 13889  
per cent of the aggregate net proceeds of the obligations issued 13890  
under the authority of this section, exclusive of obligations 13891  
issued to refund, renew, or advance refund other obligations, 13892  
shall be paid to the state for deposit into the school building 13893  
program assistance fund created in section 3318.25 of the Revised 13894  
Code. 13895

(D) Each issue of obligations shall be authorized by 13896  
resolution or order of the issuing authority. The bond proceedings 13897  
shall provide for or authorize the manner for determining the 13898  
principal amount or maximum principal amount of obligations of an 13899  
issue, the principal maturity or maturities, the interest rate or 13900  
rates, the date of and the dates of payment of interest on the 13901  
obligations, their denominations, and the place or places of 13902  
payment of debt service which may be within or outside the state. 13903  
Unless otherwise provided by law, the latest principal maturity 13904  
may not be later than the earlier of the thirty-first day of 13905  
December of the fiftieth calendar year after the year of issuance 13906  
of the particular obligations or of the fiftieth calendar year 13907  
after the year in which the original obligation to pay was issued 13908  
or entered into. Sections 9.96, 9.98, 9.981, 9.982, and 9.983 of 13909  
the Revised Code apply to the obligations. 13910

The purpose of the obligations may be stated in the bond 13911  
proceedings in general terms, such as, as applicable, "paying 13912  
costs of capital facilities for a system of common schools" and 13913  
"paying costs of facilities for state-supported and state-assisted 13914  
institutions of higher education." Unless otherwise provided in 13915  
the bond proceedings or in division (C) of this section, the net 13916  
proceeds from the issuance of the obligations shall be paid to the 13917  
state for deposit into the applicable improvement fund. In 13918  
addition to the investments authorized in Chapter 135. of the 13919  
Revised Code, the net proceeds held in an improvement fund may be 13920  
invested by the treasurer of state in guaranteed investment 13921  
contracts with providers rated at the time of any investment in 13922  
the three highest rating categories by two nationally recognized 13923  
rating agencies, all subject to the terms and conditions set forth 13924  
in those agreements or the bond proceedings. Notwithstanding 13925  
anything to the contrary in Chapter 3318. of the Revised Code, net 13926  
proceeds of obligations deposited into the school building program 13927  
assistance fund created in section 3318.25 of the Revised Code may 13928

be used to pay basic project costs under that chapter at the times 13929  
determined by the Ohio ~~school~~ facilities construction commission 13930  
without regard to whether those expenditures are in proportion to 13931  
the state's and the school district's respective shares of that 13932  
basic project cost; provided that this shall not result in any 13933  
change in the state or school district shares of the basic project 13934  
costs as determined under that chapter. As used in the preceding 13935  
sentence, "Ohio ~~school~~ facilities construction commission" and 13936  
"basic project costs" have the same meanings as in section 3318.01 13937  
of the Revised Code. 13938

(E) The issuing authority may, without need for any other 13939  
approval, appoint or provide for the appointment of paying agents, 13940  
bond registrars, securities depositories, credit enhancement 13941  
providers or counterparties, clearing corporations, and transfer 13942  
agents, and retain or contract for the services of underwriters, 13943  
investment bankers, financial advisers, accounting experts, 13944  
marketing, remarketing, indexing, and administrative agents, other 13945  
consultants, and independent contractors, including printing 13946  
services, as are necessary in the judgment of the issuing 13947  
authority to carry out the issuing authority's functions under 13948  
this section and section 183.52 of the Revised Code. The attorney 13949  
general as counsel to the issuing authority shall represent the 13950  
authority in the execution of its powers and duties, and shall 13951  
institute and prosecute all actions on its behalf. The issuing 13952  
authority, in consultation with the attorney general, shall select 13953  
counsel, and the attorney general shall appoint the counsel 13954  
selected, for the purposes of carrying out the functions under 13955  
this section and related sections of the Revised Code. Financing 13956  
costs are payable, as may be provided in the bond proceedings, 13957  
from the proceeds of the obligations, from special funds, or from 13958  
other moneys available for the purpose, including as to future 13959  
financing costs, from the pledged receipts. 13960

(F) The issuing authority may irrevocably pledge and assign 13961  
all, or such portion as the issuing authority determines, of the 13962  
pledged receipts to the payment of the debt service charges on 13963  
obligations issued under this section, and for the establishment 13964  
and maintenance of any reserves, as provided in the bond 13965  
proceedings, and make other provisions in the bond proceedings 13966  
with respect to pledged receipts as authorized by this section, 13967  
which provisions are controlling notwithstanding any other 13968  
provisions of law pertaining to them. Any and all pledged receipts 13969  
received by the issuing authority and required by the bond 13970  
proceedings, consistent with this section, to be deposited, 13971  
transferred, or credited to the bond service fund, and all other 13972  
money transferred or allocated to or received for the purposes of 13973  
that fund, shall be deposited and credited to the bond service 13974  
fund created in the bond proceedings for the obligations, subject 13975  
to any applicable provisions of those bond proceedings, but 13976  
without necessity for any act of appropriation. Those pledged 13977  
receipts shall immediately be subject to the lien of that pledge 13978  
without any physical delivery thereof or further act, and shall 13979  
not be subject to other court judgments. The lien of the pledge of 13980  
those pledged receipts shall be valid and binding against all 13981  
parties having claims of any kind against the issuing authority, 13982  
irrespective of whether those parties have notice thereof. The 13983  
pledge shall create a perfected security interest for all purposes 13984  
of Chapter 1309. of the Revised Code and a perfected lien for 13985  
purposes of any other interest, all without the necessity for 13986  
separation or delivery of funds or for the filing or recording of 13987  
the applicable bond proceedings by which that pledge is created or 13988  
any certificate, statement, or other document with respect 13989  
thereto. The pledge of the pledged receipts shall be effective and 13990  
the money therefrom and thereof may be applied to the purposes for 13991  
which pledged. 13992

(G) Obligations may be further secured, as determined by the 13993

issuing authority, by an indenture or a trust agreement between 13994  
the issuing authority and a corporate trustee, which may be any 13995  
trust company or bank having a place of business within the state. 13996  
Any indenture or trust agreement may contain the resolution or 13997  
order authorizing the issuance of the obligations, any provisions 13998  
that may be contained in any bond proceedings, and other 13999  
provisions that are customary or appropriate in an agreement of 14000  
that type, including, but not limited to: 14001

(1) Maintenance of each pledge, indenture, trust agreement, 14002  
or other instrument comprising part of the bond proceedings until 14003  
the issuing authority has fully paid or provided for the payment 14004  
of debt service on the obligations secured by it; 14005

(2) In the event of default in any payments required to be 14006  
made by the bond proceedings, enforcement of those payments or 14007  
agreements by mandamus, the appointment of a receiver, suit in 14008  
equity, action at law, or any combination of them; 14009

(3) The rights and remedies of the holders or owners of 14010  
obligations and of the trustee and provisions for protecting and 14011  
enforcing them, including limitations on rights of individual 14012  
holders and owners. 14013

(H) The bond proceedings may contain additional provisions 14014  
customary or appropriate to the financing or to the obligations or 14015  
to particular obligations including, but not limited to, 14016  
provisions for: 14017

(1) The redemption of obligations prior to maturity at the 14018  
option of the issuing authority or of the holder or upon the 14019  
occurrence of certain conditions, and at a particular price or 14020  
prices and under particular terms and conditions; 14021

(2) The form of and other terms of the obligations; 14022

(3) The establishment, deposit, investment, and application 14023  
of special funds, and the safeguarding of moneys on hand or on 14024

deposit, in lieu of the applicability of provisions of Chapter 14025  
131. or 135. of the Revised Code, but subject to any special 14026  
provisions of this section with respect to the application of 14027  
particular funds or moneys. Any financial institution that acts as 14028  
a depository of any moneys in special funds or other funds under 14029  
the bond proceedings may furnish indemnifying bonds or pledge 14030  
securities as required by the issuing authority. 14031

(4) Any or every provision of the bond proceedings being 14032  
binding upon the issuing authority and upon such governmental 14033  
agency or entity, officer, board, authority, agency, department, 14034  
institution, district, or other person or body as may from time to 14035  
time be authorized to take actions as may be necessary to perform 14036  
all or any part of the duty required by the provision; 14037

(5) The maintenance of each pledge or instrument comprising 14038  
part of the bond proceedings until the issuing authority has fully 14039  
paid or provided for the payment of the debt service on the 14040  
obligations or met other stated conditions; 14041

(6) In the event of default in any payments required to be 14042  
made by the bond proceedings, or by any other agreement of the 14043  
issuing authority made as part of a contract under which the 14044  
obligations were issued or secured, including a credit enhancement 14045  
facility, the enforcement of those payments by mandamus, a suit in 14046  
equity, an action at law, or any combination of those remedial 14047  
actions; 14048

(7) The rights and remedies of the holders or owners of 14049  
obligations or of book-entry interests in them, and of third 14050  
parties under any credit enhancement facility, and provisions for 14051  
protecting and enforcing those rights and remedies, including 14052  
limitations on rights of individual holders or owners; 14053

(8) The replacement of mutilated, destroyed, lost, or stolen 14054  
obligations; 14055

(9) The funding, refunding, or advance refunding, or other 14056  
provision for payment, of obligations that will then no longer be 14057  
outstanding for purposes of this section or of the applicable bond 14058  
proceedings; 14059

(10) Amendment of the bond proceedings; 14060

(11) Any other or additional agreements with the owners of 14061  
obligations, and such other provisions as the issuing authority 14062  
determines, including limitations, conditions, or qualifications, 14063  
relating to any of the foregoing or the activities of the issuing 14064  
authority in connection therewith. 14065

The bond proceedings shall make provision for the payment of 14066  
the expenses of the enforcement activity of the attorney general 14067  
referred to in division (B) of this section from the amounts from 14068  
the tobacco master settlement agreement assigned and sold to the 14069  
issuing authority under that division or from the proceeds of 14070  
obligations, or a combination thereof, which may include provision 14071  
for both annual payments and a special fund providing reserve 14072  
amounts for the payment of those expenses. 14073

The issuing authority shall not, and shall covenant in the 14074  
bond proceedings that it shall not, be authorized to and shall not 14075  
file a voluntary petition under the United States Bankruptcy Code, 14076  
11 U.S.C. 101 et seq., as amended, or voluntarily commence any 14077  
similar bankruptcy proceeding under state law including, without 14078  
limitation, consenting to the appointment of a receiver or trustee 14079  
or making a general or specific assignment for the benefit of 14080  
creditors, and neither any public officer or any organization, 14081  
entity, or other person shall authorize the issuing authority to 14082  
be or become a debtor under the United States Bankruptcy Code or 14083  
take any of those actions under the United States Bankruptcy Code 14084  
or state law. The state hereby covenants, and the issuing 14085  
authority shall covenant, with the holders or owners of the 14086  
obligations, that the state shall not permit the issuing authority 14087

to file a voluntary petition under the United States Bankruptcy Code or take any of those actions under the United States Bankruptcy Code or state law during the period obligations are outstanding and for any additional period for which the issuing authority covenants in the bond proceedings, which additional period may, but need not, be a period of three hundred sixty-seven days or more.

(I) The obligations requiring execution by or for the issuing authority shall be signed as provided in the bond proceedings, and may bear the official seal of the issuing authority or a facsimile thereof. Any obligation may be signed by the individual who, on the date of execution, is the authorized signer even though, on the date of the obligations, that individual is not an authorized signer. In case the individual whose signature or facsimile signature appears on any obligation ceases to be an authorized signer before delivery of the obligation, that signature or facsimile is nevertheless valid and sufficient for all purposes as if that individual had remained the authorized signer until delivery.

(J) Obligations are investment securities under Chapter 1308. of the Revised Code. Obligations may be issued in bearer or in registered form, registrable as to principal alone or as to both principal and interest, or both, or in certificated or uncertificated form, as the issuing authority determines. Provision may be made for the exchange, conversion, or transfer of obligations and for reasonable charges for registration, exchange, conversion, and transfer. Pending preparation of final obligations, the issuing authority may provide for the issuance of interim instruments to be exchanged for the final obligations.

(K) Obligations may be sold at public sale or at private sale, in such manner, and at such price at, above, or below par, all as determined by and provided by the issuing authority in the

bond proceedings. 14120

(L) Except to the extent that rights are restricted by the 14121  
bond proceedings, any owner of obligations or provider of or 14122  
counterparty to a credit enhancement facility may by any suitable 14123  
form of legal proceedings protect and enforce any rights relating 14124  
to obligations or that facility under the laws of this state or 14125  
granted by the bond proceedings. Those rights include the right to 14126  
compel the performance of all applicable duties of the issuing 14127  
authority and the state. Each duty of the issuing authority and 14128  
that issuing authority's officers, staff, and employees, and of 14129  
each state entity or agency, or using district or using 14130  
institution, and its officers, members, staff, or employees, 14131  
undertaken pursuant to the bond proceedings, is hereby established 14132  
as a duty of the entity or individual having authority to perform 14133  
that duty, specifically enjoined by law and resulting from an 14134  
office, trust, or station within the meaning of section 2731.01 of 14135  
the Revised Code. The individuals who are from time to time 14136  
members of the issuing authority, or their designees acting 14137  
pursuant to section 183.52 of the Revised Code, or the issuing 14138  
authority's officers, staff, agents, or employees, when acting 14139  
within the scope of their employment or agency, shall not be 14140  
liable in their personal capacities on any obligations or 14141  
otherwise under the bond proceedings, or for otherwise exercising 14142  
or carrying out any purposes or powers of the issuing authority. 14143

(M)(1) Subject to any applicable limitations in division (C) 14144  
of this section, the issuing authority may also authorize and 14145  
provide for the issuance of: 14146

(a) Obligations in the form of bond anticipation notes, and 14147  
may authorize and provide for the renewal of those notes from time 14148  
to time by the issuance of new notes. The holders of notes or 14149  
appertaining interest coupons have the right to have debt service 14150  
on those notes paid solely from the moneys and special funds, and 14151

all or any portion of the pledged receipts, that are or may be 14152  
pledged to that payment, including the proceeds of bonds or 14153  
renewal notes or both, as the issuing authority provides in the 14154  
bond proceedings authorizing the notes. Notes may be additionally 14155  
secured by covenants of the issuing authority to the effect that 14156  
the issuing authority will do all things necessary for the 14157  
issuance of bonds or renewal notes in such principal amount and 14158  
upon such terms as may be necessary to provide moneys to pay when 14159  
due the debt service on the notes, and apply their proceeds to the 14160  
extent necessary, to make full and timely payment of debt service 14161  
on the notes as provided in the applicable bond proceedings. In 14162  
the bond proceedings authorizing the issuance of bond anticipation 14163  
notes the issuing authority shall set forth for the bonds 14164  
anticipated an estimated schedule of annual principal payments the 14165  
latest of which shall be no later than provided in division (D) of 14166  
this section. While the notes are outstanding there shall be 14167  
deposited, as shall be provided in the bond proceedings for those 14168  
notes, from the sources authorized for payment of debt service on 14169  
the bonds, amounts sufficient to pay the principal of the bonds 14170  
anticipated as set forth in that estimated schedule during the 14171  
time the notes are outstanding, which amounts shall be used solely 14172  
to pay the principal of those notes or of the bonds anticipated. 14173

(b) Obligations for the refunding, including funding and 14174  
retirement, and advance refunding, with or without payment or 14175  
redemption prior to maturity, of any obligations previously issued 14176  
under this section and any bonds or notes previously issued for 14177  
the purpose of paying costs of capital facilities for: (i) 14178  
state-supported or state-assisted institutions of higher education 14179  
as authorized by sections 151.01 and 151.04 of the Revised Code, 14180  
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution, 14181  
and (ii) housing branches and agencies of state government limited 14182  
to facilities for a system of common schools throughout the state 14183  
as authorized by sections 151.01 and 151.03 of the Revised Code, 14184

pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution. 14185

Refunding obligations may be issued in amounts sufficient to pay 14186

or to provide for repayment of the principal amount, including 14187

principal amounts maturing prior to the redemption of the 14188

remaining prior obligations or bonds or notes, any redemption 14189

premium, and interest accrued or to accrue to the maturity or 14190

redemption date or dates, payable on the prior obligations or 14191

bonds or notes, and related financing costs and any expenses 14192

incurred or to be incurred in connection with that issuance and 14193

refunding. Subject to the applicable bond proceedings, the portion 14194

of the proceeds of the sale of refunding obligations issued under 14195

division (M)(1)(b) of this section to be applied to debt service 14196

on the prior obligations or bonds or notes shall be credited to an 14197

appropriate separate account in the bond service fund and held in 14198

trust for the purpose by the issuing authority or by a corporate 14199

trustee, and may be invested as provided in the bond proceedings. 14200

Obligations authorized under this division shall be considered to 14201

be issued for those purposes for which the prior obligations or 14202

bonds or notes were issued. 14203

(2) The principal amount of refunding, advance refunding, or 14204

renewal obligations issued pursuant to division (M) of this 14205

section shall be in addition to the amount authorized in division 14206

(C) of this section. 14207

(N) Obligations are lawful investments for banks, savings and 14208

loan associations, credit union share guaranty corporations, trust 14209

companies, trustees, fiduciaries, insurance companies, including 14210

domestic for life and domestic not for life, trustees or other 14211

officers having charge of sinking and bond retirement or other 14212

special funds of the state and political subdivisions and taxing 14213

districts of this state, notwithstanding any other provisions of 14214

the Revised Code or rules adopted pursuant to those provisions by 14215

any state agency with respect to investments by them, and are also 14216

acceptable as security for the repayment of the deposit of public 14217  
moneys. The exemptions from taxation in Ohio as provided for in 14218  
particular sections of the Ohio Constitution and section 5709.76 14219  
of the Revised Code apply to the obligations. 14220

(O)(1) Unless otherwise provided or provided for in any 14221  
applicable bond proceedings, moneys to the credit of or in a 14222  
special fund shall be disbursed on the order of the issuing 14223  
authority. No such order is required for the payment, from the 14224  
bond service fund or other special fund, when due of debt service 14225  
or required payments under credit enhancement facilities. 14226

(2) Payments received by the issuing authority under interest 14227  
rate hedges entered into as credit enhancement facilities under 14228  
this section shall be deposited as provided in the applicable bond 14229  
proceedings. 14230

(P) The obligations shall not be general obligations of the 14231  
state and the full faith and credit, revenue, and taxing power of 14232  
the state shall not be pledged to the payment of debt service on 14233  
them or to any guarantee of the payment of that debt service. The 14234  
holders or owners of the obligations shall have no right to have 14235  
any moneys obligated or pledged for the payment of debt service 14236  
except as provided in this section and in the applicable bond 14237  
proceedings. The rights of the holders and owners to payment of 14238  
debt service are limited to all or that portion of the pledged 14239  
receipts, and those special funds, pledged to the payment of debt 14240  
service pursuant to the bond proceedings in accordance with this 14241  
section, and each obligation shall bear on its face a statement to 14242  
that effect. 14243

(Q) Each bond service fund is a trust fund and is hereby 14244  
pledged to the payment of debt service on the applicable 14245  
obligations. Payment of that debt service shall be made or 14246  
provided for by the issuing authority in accordance with the bond 14247  
proceedings without necessity for any act of appropriation. The 14248

bond proceedings may provide for the establishment of separate 14249  
accounts in the bond service fund and for the application of those 14250  
accounts only to debt service on specific obligations, and for 14251  
other accounts in the bond service fund within the general 14252  
purposes of that fund. 14253

(R) Subject to the bond proceedings pertaining to any 14254  
obligations then outstanding in accordance with their terms, the 14255  
issuing authority may in the bond proceedings pledge all, or such 14256  
portion as the issuing authority determines, of the moneys in the 14257  
bond service fund to the payment of debt service on particular 14258  
obligations, and for the establishment and maintenance of any 14259  
reserves for payment of particular debt service. 14260

(S)(1) Unless otherwise provided in any applicable bond 14261  
proceedings, moneys to the credit of special funds may be invested 14262  
by or on behalf of the issuing authority only in one or more of 14263  
the following: 14264

(a) Notes, bonds, or other direct obligations of the United 14265  
States or of any agency or instrumentality of the United States, 14266  
or in no-front-end-load money market mutual funds consisting 14267  
exclusively of those obligations, or in repurchase agreements, 14268  
including those issued by any fiduciary, secured by those 14269  
obligations, or in collective investment funds consisting 14270  
exclusively of those obligations; 14271

(b) Obligations of this state or any political subdivision of 14272  
this state; 14273

(c) Certificates of deposit of any national bank located in 14274  
this state and any bank, as defined in section 1101.01 of the 14275  
Revised Code, subject to inspection by the superintendent of 14276  
financial institutions; 14277

(d) The treasurer of state's pooled investment program under 14278  
section 135.45 of the Revised Code; 14279

(e) Other investment agreements or repurchase agreements that 14280  
are consistent with the ratings on the obligations. 14281

(2) The income from investments referred to in division 14282  
(S)(1) of this section shall be credited to special funds or 14283  
otherwise as the issuing authority determines in the bond 14284  
proceedings. Those investments may be sold or exchanged at times 14285  
as the issuing authority determines, provides for, or authorizes. 14286

(T) The treasurer of state shall have responsibility for 14287  
keeping records, making reports, and making payments, relating to 14288  
any arbitrage rebate requirements under the applicable bond 14289  
proceedings. 14290

(U) The issuing authority shall make quarterly reports to the 14291  
general assembly of the amounts in, and activities of, each 14292  
improvement fund, including amounts and activities on the subfund 14293  
level. Each report shall include a detailed description and 14294  
analysis of the amount of proceeds remaining in each fund from the 14295  
sale of obligations pursuant to this section, and any other 14296  
deposits, credits, interest earnings, disbursements, expenses, 14297  
transfers, or activities of each fund. 14298

(V) The costs of the annual audit of the authority conducted 14299  
pursuant to section 117.112 of the Revised Code are payable, as 14300  
may be provided in the bond proceedings, from the proceeds of the 14301  
obligations, from special funds, or from other moneys available 14302  
for the purpose, including as to future financing costs, from the 14303  
pledged receipts. 14304

Sec. 190.01. "The Health Care Compact" is hereby ratified, 14305  
enacted into law, and entered into by the state of Ohio as a party 14306  
to the compact with any other state that has legally joined in the 14307  
compact as follows: 14308

Whereas, the separation of powers, both between the branches 14309

of the Federal government and between Federal and State authority, 14310  
is essential to the preservation of individual liberty; 14311

Whereas, the Constitution creates a Federal government of 14312  
limited and enumerated powers, and reserves to the States or to 14313  
the people those powers not granted to the Federal government; 14314

Whereas, the Federal government has enacted many laws that 14315  
have preempted State laws with respect to Health Care, and placed 14316  
increasing strain on State budgets, impairing other 14317  
responsibilities such as education, infrastructure, and public 14318  
safety; 14319

Whereas, the Member States seek to protect individual liberty 14320  
and personal control over Health Care decisions, and believe the 14321  
best method to achieve these ends is by vesting regulatory 14322  
authority over Health Care in the States; 14323

Whereas, by acting in concert, the Member States may express 14324  
and inspire confidence in the ability of each Member State to 14325  
govern Health Care effectively; and 14326

Whereas, the Member States recognize that consent of Congress 14327  
may be more easily secured if the Member States collectively seek 14328  
consent through an interstate compact; 14329

NOW THEREFORE, the Member States hereto resolve, and by the 14330  
adoption into law under their respective State Constitutions of 14331  
this Health Care Compact, agree, as follows: 14332

**Sec. 1. Definitions.** As used in this Compact, unless the 14333  
context clearly indicates otherwise: 14334

"Commission" means the Interstate Advisory Health Care 14335  
Commission. 14336

"Effective Date" means the date upon which this Compact shall 14337  
become effective for purposes of the operation of State and 14338  
Federal law in a Member State, which shall be the later of: 14339

(a) the date upon which this Compact shall be adopted under 14340  
the laws of the Member State, and 14341

(b) the date upon which this Compact receives the consent of 14342  
Congress pursuant to Article I, Section 10, of the United States 14343  
Constitution, after at least two Member States adopt this Compact. 14344

"Health Care" means care, services, supplies, or plans 14345

limited to: 14347

maintenance, or palliative care and counseling, service, 14349

the structure or function of the body, and 14352

(b) sale or dispensing of a drug, device, equipment, or other 14353  
item in accordance with a prescription, and 14354

(c) an individual or group plan that provides, or pays the 14355  
cost of, care, services, or supplies related to the health of an 14356  
individual, except any care, services, supplies, or plans provided 14357  
by the United States Department of Defense and United States 14358  
Department of Veteran Affairs, or provided to Native Americans. 14359

"Member State" means a State that is signatory to this 14360  
Compact and has adopted it under the laws of that State. 14361

"Member State Base Funding Level" means a number equal to the 14362  
total Federal spending on Health Care in the Member State during 14363  
Federal fiscal year 2010. On or before the Effective Date, each 14364  
Member State shall determine the Member State Base Funding Level 14365  
for its State, and that number shall be binding upon that Member 14366  
State. The preliminary estimate of Member State Base Funding Level 14367  
for the State of Ohio is \$35,043,000,000. 14368

"Member State Current Year Funding Level" means the Member 14369

State Base Funding Level multiplied by the Member State Current 14370

means the average population of the Member State in the current 14374  
year less the average population of the Member State in Federal 14375  
fiscal year 2010, divided by the average population of the Member 14376  
State in Federal fiscal year 2010, plus 1. Average population in a 14377

"Current Year Inflation Adjustment Factor" means the Total 14380  
Gross Domestic Product Deflator in the current year divided by the 14381  
Total Gross Domestic Product Deflator in Federal fiscal year 2010. 14382  
Total Gross Domestic Product Deflator shall be determined by the 14383  
Bureau of Economic Analysis of the United States Department of 14384  
Commerce. 14385

**Sec. 2. Pledge.** The Member States shall take joint and 14386  
separate action to secure the consent of the United States 14387  
Congress to this Compact in order to return the authority to 14388  
regulate Health Care to the Member States consistent with the 14389  
goals and principles articulated in this Compact. The Member 14390  
States shall improve Health Care policy within their respective 14391  
jurisdictions and according to the judgment and discretion of each 14392  
Member State. 14393

**Sec. 3. Legislative Power.** The legislatures of the Member 14394  
States have the primary responsibility to regulate Health Care in 14395  
their respective States. 14396

**Sec. 4. State Control.** Each Member State, within its State, 14397  
may suspend by legislation the operation of all federal laws, 14398  
rules, regulations, and orders regarding Health Care that are 14399  
inconsistent with the laws and regulations adopted by the Member 14400

State pursuant to this Compact. Federal and State laws, rules, regulations, and orders regarding Health Care will remain in effect unless a Member State expressly suspends them pursuant to its authority under this Compact. For any federal law, rule, regulation, or order that remains in effect in a Member State after the Effective Date, that Member State shall be responsible for the associated funding obligations in its State.

**Sec. 5. Funding.**

(a) Each Federal fiscal year, each Member State shall have the right to Federal monies up to an amount equal to its Member State Current Year Funding Level for that Federal fiscal year, funded by Congress as mandatory spending and not subject to annual appropriation, to support the exercise of Member State authority under this Compact. This funding shall not be conditional on any action of or regulation, policy, law, or rule being adopted by the Member State.

(b) By the start of each Federal fiscal year, Congress shall establish an initial Member State Current Year Funding Level for each Member State, based upon reasonable estimates. The final Member State Current Year Funding Level shall be calculated, and funding shall be reconciled by the United States Congress based upon information provided by each Member State and audited by the United States Government Accountability Office.

**Sec. 6. Interstate Advisory Health Care Commission.**

(a) The Interstate Advisory Health Care Commission is established. The Commission consists of members appointed by each Member State through a process to be determined by each Member State. A Member State may not appoint more than two members to the Commission and may withdraw membership from the Commission at any time. Each Commission member is entitled to one vote. The Commission shall not act unless a majority of the members are

present, and no action shall be binding unless approved by a 14432  
majority of the Commission's total membership. 14433

(b) The Commission may elect from among its membership a 14434  
Chairperson. The Commission may adopt and publish bylaws and 14435  
policies that are not inconsistent with this Compact. The 14436  
Commission shall meet at least once a year, and may meet more 14437  
frequently. 14438

(c) The Commission may study issues of Health Care regulation 14439  
that are of particular concern to the Member States. The 14440  
Commission may make non-binding recommendations to the Member 14441  
States. The legislatures of the Member States may consider these 14442  
recommendations in determining the appropriate Health Care 14443  
policies in their respective States. 14444

(d) The Commission shall collect information and data to 14445  
assist the Member States in their regulation of Health Care, 14446  
including assessing the performance of various State Health Care 14447  
programs and compiling information on the prices of Health Care. 14448  
The Commission shall make this information and data available to 14449  
the legislatures of the Member States. Notwithstanding any other 14450  
provision in this Compact, no Member State shall disclose to the 14451  
Commission the health information of any individual, nor shall the 14452  
Commission disclose the health information of any individual. 14453

(e) The Commission shall be funded by the Member States as 14454  
agreed to by the Member States. The Commission shall have the 14455  
responsibilities and duties as may be conferred upon it by 14456  
subsequent action of the respective legislatures of the Member 14457  
States in accordance with the terms of this Compact. 14458

(f) The Commission shall not take any action within a Member 14459  
State that contravenes any State law of that Member State. 14460

**Sec. 7. Congressional Consent.** This Compact shall be 14461  
effective on its adoption by at least two Member States and 14462

consent of the United States Congress. This Compact shall be 14463  
effective unless the United States Congress, in consenting to this 14464  
Compact, alters the fundamental purposes of this Compact, which 14465  
are: 14466

(a) To secure the right of the Member States to regulate 14467  
Health Care in their respective States pursuant to this Compact 14468  
and to suspend the operation of any conflicting federal laws, 14469  
rules, regulations, and orders within their States; and 14470

(b) To secure Federal funding for Member States that choose 14471  
to invoke their authority under this Compact, as prescribed by 14472  
Section 5 above. 14473

**Sec. 8. Amendments.** The Member States, by unanimous 14474  
agreement, may amend this Compact from time to time without the 14475  
prior consent or approval of Congress and any amendment shall be 14476  
effective unless, within one year, the Congress disapproves that 14477  
amendment. Any State may join this Compact after the date on which 14478  
Congress consents to the Compact by adoption into law under its 14479  
State Constitution. 14480

**Sec. 9. Withdrawal; Dissolution.** Any Member State may 14481  
withdraw from this Compact by adopting a law to that effect, but 14482  
no such withdrawal shall take effect until six months after the 14483  
Governor of the withdrawing Member State has given notice of the 14484  
withdrawal to the other Member States. A withdrawing State shall 14485  
be liable for any obligations that it may have incurred prior to 14486  
the date on which its withdrawal becomes effective. This Compact 14487  
shall be dissolved upon the withdrawal of all but one of the 14488  
Member States. 14489

**Sec. 190.02.** Not later than thirty days after "The Health 14490  
Care Compact" entered into under section 190.01 of the Revised 14491

commission and amendments to them shall include, but need not be 15388

under division (A) of this section, the judges specified in this 15398

advisory board for a corrections commission are the administrative 15405  
judge of the general division of the court of common pleas of each 15406  
county participating in the corrections center, the presiding 15407

board is even, the county auditor or the county auditor of the 15412  
most populous county if the board serves more than one county 15413

The judicial advisory board for a corrections commission shall 15418  
meet with the corrections commission at least once each year. 15419

(2) Each board of county commissioners that enters a contract 15420  
under division (A) of this section may appoint a building 15421

(3) Subject to the limitation described in this division, the 15427  
boards of county commissioners that contract or have contracted 15428  
for the joint establishment of a multicounty correctional center 15429  
under division (A) of this section, or the boards of county 15430  
commissioners of the counties and legislative authorities of the 15431  
municipal corporations that contract or have contracted for the 15432  
joint establishment of a municipal-county or multicounty-municipal 15433

agreement with the director of administrative services pursuant to 15435  
which the contracting counties and municipal corporations shall 15436  
use the Ohio river valley facility or a specified portion of that 15437  
facility as the multicounty correctional center, municipal-county 15438  
correctional center, or multicounty-municipal correctional center 15439  
covered by the contract entered into under division (A) of this 15440

section. A contract with the director of administrative services 15441  
may be entered into under this division only if one or more of the 15442  
contracting counties is adjacent to Scioto county. 15443

The department may enter into an agreement as described in 15444  
this division at any time on or after the effective date of this 15445  
amendment or, if the department had entered into an agreement with 15446  
the board of county commissioners of Lawrence county pursuant to 15447  
section 341.121 of the Revised Code for the use by the sheriff of 15448  
that county of a specified portion of the facility as a jail for 15449  
Lawrence county, at any time on or after the date that control of 15450  
the specified portion of the facility reverts to the state under 15451  
division (B)(4) or (C) of that section. 15452

(C) Prior to the acceptance for custody and rehabilitation 15453  
into a center established under this section of any persons who 15454  
are designated by the department of rehabilitation and correction, 15455  
who plead guilty to or are convicted of a felony of the fourth or 15456  
fifth degree, and who satisfy the other requirements listed in 15457  
section 5120.161 of the Revised Code, the corrections commission 15458  
of a center established under this section shall enter into an 15459  
agreement with the department of rehabilitation and correction 15460  
under section 5120.161 of the Revised Code for the custody and 15461  
rehabilitation in the center of persons who are designated by the 15462  
department, who plead guilty to or are convicted of a felony of 15463  
the fourth or fifth degree, and who satisfy the other requirements 15464  
listed in that section, in exchange for a per diem fee per person. 15465  
Persons incarcerated in the center pursuant to an agreement 15466  
entered into under this division shall be subject to supervision 15467  
and control in the manner described in section 5120.161 of the 15468  
Revised Code. This division does not affect the authority of a 15469  
court to directly sentence a person who is convicted of or pleads 15470  
guilty to a felony to the center in accordance with section 15471  
2929.16 of the Revised Code. 15472

(D) Pursuant to section 2929.37 of the Revised Code, each board of county commissioners and the legislative authority of each municipal corporation that enters into a contract under division (A) of this section may require a person who was convicted of an offense, who is under the charge of the sheriff of their county or of the officer or officers of the contracting municipal corporation or municipal corporations having charge of persons incarcerated in the municipal jail, workhouse, or other correctional facility, and who is confined in the multicounty, municipal-county, or multicounty-municipal correctional center as provided in that division, to reimburse the applicable county or municipal corporation for its expenses incurred by reason of the person's confinement in the center.

(E) Notwithstanding any contrary provision in this section or section 2929.18, 2929.28, or 2929.37 of the Revised Code, the corrections commission of a center may establish a policy that complies with section 2929.38 of the Revised Code and that requires any person who is not indigent and who is confined in the multicounty, municipal-county, or multicounty-municipal correctional center to pay a reception fee, a fee for medical treatment or service requested by and provided to that person, or the fee for a random drug test assessed under division (E) of section 341.26 of the Revised Code.

(F)(1) The corrections commission of a center established under this section may establish a commissary for the center. The commissary may be established either in-house or by another arrangement. If a commissary is established, all persons incarcerated in the center shall receive commissary privileges. A person's purchases from the commissary shall be deducted from the person's account record in the center's business office. The commissary shall provide for the distribution to indigent persons incarcerated in the center of necessary hygiene articles and

writing materials. 15505

(2) If a commissary is established, the corrections 15506  
commission of a center established under this section shall 15507  
establish a commissary fund for the center. The management of 15508  
funds in the commissary fund shall be strictly controlled in 15509  
accordance with procedures adopted by the auditor of state. 15510  
Commissary fund revenue over and above operating costs and reserve 15511  
shall be considered profits. All profits from the commissary fund 15512  
shall be used to purchase supplies and equipment for the benefit 15513  
of persons incarcerated in the center and to pay salary and 15514  
benefits for employees of the center, or for any other persons, 15515  
who work in or are employed for the sole purpose of providing 15516  
service to the commissary. The corrections commission shall adopt 15517  
rules and regulations for the operation of any commissary fund it 15518  
establishes. 15519

(G) In lieu of forming a corrections commission to administer 15520  
a multicounty correctional center or a municipal-county or 15521  
multicounty-municipal correctional center, the boards of county 15522  
commissioners and the legislative authorities of the municipal 15523  
corporations contracting to establish the center may also agree to 15524  
contract for the private operation and management of the center as 15525  
provided in section 9.06 of the Revised Code, but only if the 15526  
center houses only misdemeanor inmates. In order to enter into a 15527  
contract under section 9.06 of the Revised Code, all the boards 15528  
and legislative authorities establishing the center shall approve 15529  
and be parties to the contract. 15530

(H) If a person who is convicted of or pleads guilty to an 15531  
offense is sentenced to a term in a multicounty correctional 15532  
center or a municipal-county or multicounty-municipal correctional 15533  
center or is incarcerated in the center in the manner described in 15534  
division (C) of this section, or if a person who is arrested for 15535  
an offense, and who has been denied bail or has had bail set and 15536

has not been released on bail is confined in a multicounty 15537  
correctional center or a municipal-county or multicounty-municipal 15538  
correctional center pending trial, at the time of reception and at 15539  
other times the officer, officers, or other person in charge of 15540  
the operation of the center determines to be appropriate, the 15541  
officer, officers, or other person in charge of the operation of 15542  
the center may cause the convicted or accused offender to be 15543  
examined and tested for tuberculosis, HIV infection, hepatitis, 15544  
including but not limited to hepatitis A, B, and C, and other 15545  
contagious diseases. The officer, officers, or other person in 15546  
charge of the operation of the center may cause a convicted or 15547  
accused offender in the center who refuses to be tested or treated 15548  
for tuberculosis, HIV infection, hepatitis, including but not 15549  
limited to hepatitis A, B, and C, or another contagious disease to 15550  
be tested and treated involuntarily. 15551

private and government entities included in the plan will 15570  
coordinate and enhance the administration, delivery, and 15571  
effectiveness of family services duties and workforce development 15572  
activities. 15573

Sec. 313.132. If an autopsy includes a toxicological 15574  
analysis, the coroner, deputy coroner, or pathologist shall screen 15575  
for the presence of buprenorphine, naltrexone, and methadone. 15576

Sec. 319.11. The county auditor shall, ~~on or before ninety~~ 15577  
~~days after the close of the fiscal year,~~ prepare a financial 15578  
report of the county for the preceding fiscal year in such form as 15579

has been completed and is available for public inspection at the 15583  
office of the county auditor. The notice shall be published once 15584  
in a newspaper of general circulation in the county. If there is 15585  
no newspaper of general circulation in the county, then 15586  
publication is required in the newspaper of general circulation in 15587  
an adjoining county that has the largest circulation in that 15588  
adjoining county. The report shall contain at least the 15589  
information required by section 117.38 of the Revised Code, and a 15590  
copy shall be filed with the auditor of state. 15591

No county auditor shall fail or neglect to prepare the report 15592  
or publish notice of completion of the report as required by this 15593  
section. 15594

or recklessly fails to perform a fiscal duty expressly imposed by 15596

law with respect to the fiscal duties of the office of county auditor or purposely, knowingly, or recklessly commits any act expressly prohibited by law with respect to the fiscal duties of the office of county auditor, the county treasurer or a county commissioner may submit a sworn affidavit alleging the violation, together with evidence supporting the allegations, to the auditor of state. The sworn affidavit and evidence shall be submitted in the format prescribed by rule of the auditor of state under section 117.45 of the Revised Code. A person who makes a false statement in a sworn affidavit, for purposes of this section, is guilty of falsification under section 2921.13 of the Revised Code.

(2) The auditor of state shall review the sworn affidavit and the evidence. Within ~~ten business~~ thirty calendar days after receiving the sworn affidavit, unless, for good cause, additional time is required, the auditor of state shall determine whether clear and convincing evidence supports the allegations. If the auditor of state finds that no allegation is supported by clear and convincing evidence, the auditor of state shall submit those findings in writing to the county auditor and the person initiating the sworn affidavit. If the auditor of state finds by clear and convincing evidence that an allegation is supported by the evidence, the auditor of state shall submit those findings in writing to the attorney general, the county auditor, and the person who initiated the sworn affidavit. The findings shall include a copy of the sworn affidavit and the evidence submitted under division (A)(1) of this section.

(3)(a) The attorney general shall review the auditor of state's findings and the sworn affidavit and evidence. Within ten business days after receiving the sworn affidavit and evidence, unless, for good cause, additional time is required, the attorney general shall determine whether clear and convincing evidence supports the allegations. If the attorney general finds that no

allegation is supported by clear and convincing evidence, the 15629  
attorney general, by certified mail, shall notify the auditor of 15630  
state, the county auditor, and the person who initiated the sworn 15631  
affidavit, that no complaint for the removal of the county auditor 15632  
from public office will be filed. 15633

(b) If the attorney general finds by clear and convincing 15634  
evidence that an allegation is supported by the evidence, the 15635  
attorney general, by certified mail, shall notify the auditor of 15636  
state, the county auditor, and the person who initiated the sworn 15637  
affidavit of that fact, and shall commence an action for the 15638  
removal of the county auditor from public office under division 15639  
(B) of this section. 15640

(c) Nothing in this section is intended to limit the 15641  
authority of the attorney general to enter into mediation, 15642  
settlement, or resolution of any alleged violation before or 15643  
following the commencement of an action under this section. 15644

(B)(1)(a) The attorney general has a cause of action for 15645  
removal of a county auditor who purposely, knowingly, or 15646  
recklessly fails to perform a fiscal duty expressly imposed by law 15647  
with respect to the fiscal duties of the office of county auditor 15648  
or purposely, knowingly, or recklessly commits any act expressly 15649  
prohibited by law with respect to the fiscal duties of the office 15650  
of county auditor. Not later than forty-five days after sending a 15651  
notice under division (A)(3)(b) of this section, the attorney 15652  
general shall cause an action to be commenced against the county 15653  
auditor by filing a complaint for the removal of the county 15654  
auditor from public office. If any money is due, the attorney 15655  
general shall join the sureties on the county auditor's bond as 15656  
parties. The court of common pleas of the county in which the 15657  
county auditor holds office has exclusive original jurisdiction of 15658  
the action. The action shall proceed de novo as in the trial of a 15659  
civil action. The court is not restricted to the evidence that was 15660

presented to the auditor of state and the attorney general before 15661  
the action was filed. The action is governed by the Rules of Civil 15662  
Procedure. 15663

(b) If the court finds by clear and convincing evidence that 15664  
the county auditor purposely, knowingly, or recklessly failed to 15665  
perform a fiscal duty expressly imposed by law with respect to the 15666  
fiscal duties of the office of county auditor or purposely, 15667  
knowingly, or recklessly committed any act expressly prohibited by 15668  
law with respect to the fiscal duties of that office, the court 15669  
shall issue an order removing the county auditor from office and 15670  
any order necessary for the preservation or restitution of public 15671  
funds. 15672

(2) Except as otherwise provided in this division, an action 15673  
for removal from office under this section is stayed during the 15674  
pendency of any criminal action concerning a violation of an 15675  
existing or former municipal ordinance or law of this or any other 15676  
state or the United States that is substantially equivalent to any 15677  
criminal violation in Title ~~29~~ XXIX of the Revised Code related to 15678  
conduct in office, if the person charged in the criminal action 15679  
committed the violation while serving as a county auditor and the 15680  
conduct constituting the violation was related to the duties of 15681  
the office of county auditor or to the person's actions as the 15682  
county auditor. The stay may be lifted upon motion of the 15683  
prosecuting attorney in the related criminal action. 15684

(2) The auditor of state shall review the sworn affidavit and the evidence. Within ~~ten business~~ thirty calendar days after receiving the sworn affidavit and evidence, unless, for good cause, additional time is required, the auditor of state shall determine whether clear and convincing evidence supports the allegations. If the auditor of state finds that no allegation is supported by clear and convincing evidence, the auditor of state shall submit those findings in writing to the county treasurer and the person who initiated the sworn affidavit. If the auditor of state finds by clear and convincing evidence that an allegation is supported by the evidence, the auditor of state shall submit those findings in writing to the attorney general, the county treasurer, and the person who initiated the sworn affidavit. The findings shall include a copy of the sworn affidavit and the evidence submitted under division (A)(1) of this section.

Within ten business days after receiving them, unless, for good cause, additional time is required, the attorney general shall determine whether clear and convincing evidence supports the allegations. If the attorney general finds that no allegation is supported by clear and convincing evidence, the attorney general, by certified mail, shall notify the auditor of state, the county treasurer, and the person who initiated the sworn affidavit, that no complaint for the removal of the county treasurer from public office will be filed.

(b) If the attorney general finds by clear and convincing evidence that an allegation is supported by the evidence, the attorney general, by certified mail, shall notify the auditor of state, the county treasurer, and the person who initiated the sworn affidavit of that fact, and shall commence an action for the removal of the county treasurer from public office under division

(B) of this section. 16122

(c) Nothing in this section is intended to limit the 16123  
authority of the attorney general to enter into mediation, 16124  
settlement, or resolution of any alleged violation before or 16125  
following the commencement of an action under this section. 16126

(B)(1)(a) The attorney general has a cause of action for 16127  
removal of a county treasurer who purposely, knowingly, or 16128  
recklessly fails to perform a fiscal duty expressly imposed by law 16129  
with respect to the fiscal duties of the office of county 16130  
treasurer or purposely, knowingly, or recklessly commits any act 16131  
expressly prohibited by law with respect to the fiscal duties of 16132

after sending a notice under division (A)(3)(b) of this section, 16134  
the attorney general shall cause an action to be commenced against 16135

jurisdiction of the action. The action shall proceed de novo as in 16141  
the trial of a civil action. The court is not restricted to the 16142  
evidence that was presented to the auditor of state and the 16143  
attorney general before the action was filed. The action is 16144  
governed by the Rules of Civil Procedure. 16145

(b) If the court finds by clear and convincing evidence that 16146  
the county treasurer purposely, knowingly, or recklessly failed to 16147  
perform a fiscal duty expressly imposed by law with respect to the 16148  
fiscal duties of the office of county treasurer or purposely, 16149

law with respect to the fiscal duties of that office, the court 16151  
shall issue an order removing the county treasurer from office and 16152  
any order necessary for the preservation or restitution of public 16153

funds. 16154

(2) Except as otherwise provided in this division, an action 16155  
for removal from office under this section is stayed during the 16156  
pendency of any criminal action concerning a violation of an 16157  
existing or former municipal ordinance or law of this or any other 16158  
state or the United States that is substantially equivalent to any 16159  
criminal violation in Title ~~29~~ XXIX of the Revised Code related to 16160  
conduct in office, if the person charged in the criminal action 16161  
committed the violation while serving as a county treasurer and 16162  
the conduct constituting the violation was related to the duties 16163  
of the office of county treasurer or to the person's actions as 16164  
the county treasurer. The stay may be lifted upon motion of the 16165  
prosecuting attorney in the related criminal action. 16166

(3) Prior to or at the hearing, upon a showing of good cause, 16167  
the court may issue an order restraining the county treasurer from 16168  
entering the county treasurer's office and from conducting the 16169  
affairs of the office pending the hearing on the complaint. If 16170  
such an order is issued, the court may continue the order until 16171  
the conclusion of the hearing and any appeals under this section. 16172

(4) The board of county commissioners shall be responsible 16173  
for the payment of reasonable attorney's fees for counsel for the 16174  
county treasurer. If judgment is entered against the county 16175  
treasurer, the court shall order the county treasurer to reimburse 16176  
the board for attorney's fees and costs up to a reasonable amount, 16177  
as determined by the court. Expenses incurred by the board in a 16178  
removal action shall be paid out of the county general fund. 16179

(C) The judgment of the court is final and conclusive unless 16180  
reversed, vacated, or modified on appeal. An appeal may be taken 16181  
by any party, and shall proceed as in the case of appeals in civil 16182  
actions and in accordance with the Rules of Appellate Procedure. 16183  
Upon the filing of a notice of appeal by any party to the 16184  
proceedings, the court of appeals shall hear the case as an 16185

expedited appeal under Rule 11.2 of the Rules of Appellate 16186  
Procedure. The county treasurer has the right of review or appeal 16187  
to the supreme court. 16188

(D) If a final judgment for removal from public office is 16189  
entered against the county treasurer, the office shall be deemed 16190  
vacated, and the vacancy shall be filled as provided in section 16191  
305.02 of the Revised Code. Except as otherwise provided by law, 16192  
an individual removed from public office under this section is not 16193  
entitled to hold any public office for four years following the 16194  
date of the final judgment, and is not entitled to hold any public 16195  
office until any repayment or restitution required by the court is 16196  
satisfied. 16197

(E) For the purposes of this section: 16198

(1) A person acts purposely when it is the person's specific 16199  
intention to cause a certain result, or, when the gist of the 16200  
offense is a prohibition against conduct of a certain nature, 16201  
regardless of what the person intends to accomplish thereby, it is 16202  
the person's specific intention to engage in conduct of that 16203  
nature. 16204

(2) A person acts knowingly, regardless of the person's 16205  
purpose, when the person is aware that the person's conduct will 16206

nature. A person has knowledge of circumstances when the person is 16208  
aware that such circumstances probably exist. 16209

(3) A person acts recklessly when, with heedless indifference 16210

is likely to be of a certain nature. A person is reckless with 16213  
respect to circumstances when, with heedless indifference to the 16214  
consequences, the person perversely disregards a known risk that 16215  
such circumstances are likely to exist. 16216

(F) The proceedings provided for in this section may be used 16217  
as an alternative to the removal proceedings prescribed under 16218  
sections 3.07 to 3.10 of the Revised Code or other methods of 16219  
removal authorized by law. 16220

**Sec. 321.46.** (A) To enhance the background and working 16221

subject area that the auditor of state determines is reasonably 16259  
related to the duties of the office of the county treasurer. 16260

(b) A county treasurer who accumulates more than twenty-four 16261  
hours of continuing education in a biennial cycle described in 16262  
division (B)(3)(a) of this section may credit the hours in excess 16263

continuing education required in a biennial cycle under division 16273  
(B)(3)(a) of this section. 16274

(C) The auditor of state and the treasurer of state may each 16275  
charge counties a registration fee that will meet actual and 16276  
necessary expenses of the training of county treasurers, including 16277

course, the interested person shall pay to either the auditor of 16287  
state or the treasurer of state, as appropriate, the full 16288  
registration fee set for the program or course. 16289

(E)(1) If a county treasurer fails to complete the initial 16290  
education programs required by this section before taking office, 16291  
the treasurer's authority to invest county funds and to manage the 16292

county funds and to manage the county portfolio suspended, and 16317  
this authority shall be transferred to the county's investment 16318  
advisory committee until full compliance with the initial 16319  
education programs is determined by the treasurer of state. 16320

(3) If a county treasurer fails to complete continuing 16321  
education required by this section and invests in other than the 16322  
investments permitted by division (F)(1) of this section, the 16323  
county treasurer is subject to divisions (B) to (E) of section 16324  
321.47 of the Revised Code, including possible suspension of the 16325  
treasurer's authority to invest county funds and to manage the 16326  
county portfolio and transfer of this authority to the county's 16327

(H) The treasurer of state, with the advice and consent of 16340  
the auditor of state, may adopt reasonable rules not inconsistent 16341

Notwithstanding any other provision of law to the contrary, with respect to all payments received in settlement of claims

arising from delinquent property tax charges and ordered to be 16403  
paid by a railroad company under a plan of reorganization as 16404  
ordered by a federal district court in accordance with provisions 16405  
of Chapter VIII of the "Federal Bankruptcy Act," 11 U.S.C.A. 16406  
201-208, the following provisions shall apply: 16407

(A) Except as provided in division (H) of this section, all 16408  
of such payments shall be made payable, and delivered, to the 16409  
county in which the taxing district sharing in a claim for 16410  
delinquent taxes is located. Any notes included in such payment 16411  
shall be issued to such county treasurer, who shall be the 16412

treasurer's custody. 16416

(B) Upon receipt of a payment by cash or check, the county 16417  
treasurer shall immediately cause such funds to be paid into the 16418  
county treasury and credited to a special fund established for 16419  
this purpose, which shall be known as the "undivided bankruptcy 16420  
claims fund." All of such moneys so received, including any earned 16421  
interest, shall be credited to said fund. 16422

(C) When the total claim for each county has been satisfied 16423  
by the receipt of cash or notes, or both, the county auditor shall 16424  
remit from the tax list and duplicate of real and public utility 16425  
property in each county, all charges appearing thereon in the name 16426  
of the railroad company for which such payment has been made, 16427  
which are delinquent and unpaid from any year previous to the tax 16428  
year 1977. 16429

(D) At any time that funds are present in the undivided 16430  
bankruptcy claims fund, either upon initial settlement or at any 16431  
later time, the county auditor shall, forthwith, distribute by 16432  
auditors' warrant, such funds to the various taxing districts of 16433  
the county, in which the property taxes, from which the claim in 16434

bankruptcy has derived, were originally charged. The funds so 16435  
distributed shall be apportioned among the various taxing 16436  
authorities within each taxing district in the same proportions as 16437  
the said taxes were originally levied, taking into account the 16438

In making such distribution, the auditor shall, first, deduct 16443  
an amount equal to one per cent of the total amount to be 16444  
distributed, as fees for services of the county auditor and 16445  
treasurer in making collection and distribution of the claim in 16446  
bankruptcy. Such deduction shall be in lieu of all fees provided 16447  
for in sections 319.54 and 321.26 of the Revised Code. The amount 16448

emergency levy which has since expired, such funds may be credited 16452  
to the general operating fund and expended as though they are 16453  
proceeds from a current levy, and if any of such funds represent 16454  
taxes from any current general bond retirement levy or one which 16455  
has since expired, said funds may be credited to the current bond 16456  
retirement fund and used to service any current bond indebtedness, 16457  
or may be credited to the general operating fund of the district, 16458  
if so designated by a majority of the members of the taxing 16459  
authority of the taxing district. 16460

(E) Except as provided in division (H) of this section, when, 16461  
as a part of the settlement of a claim in bankruptcy of a 16462  
reorganized railroad company a county receives notes on behalf of 16463  
a taxing authority in partial payment of said claim, the county 16464  
treasurer shall, within a reasonable length of time, notify the 16465  
taxing authority of each taxing district sharing in the claim that 16466

such notes are in ~~his~~ the treasurer's custody. Within sixty days 16467

section 131.23 of the Revised Code, the amount which may be 16525  
borrowed pursuant to this section may not exceed seventy per cent 16526  
of the total face amount of railroad notes remaining after 16527  
deducting the amount so included. 16528

(2) If a taxing authority desires to issue delinquent tax 16529  
bonds pursuant to section 131.23 of the Revised Code after 16530

committed the violation while serving as a township fiscal officer 17703  
and the conduct constituting the violation was related to the 17704  
duties of the office of fiscal officer or to the person's actions 17705  
as the township fiscal officer. The stay may be lifted upon motion 17706  
of the prosecuting attorney in the related criminal action. 17707

(3) Prior to or at the hearing, upon a showing of good cause, 17708  
the court may issue an order restraining the township fiscal 17709  
officer from entering the township fiscal officer's office and 17710  
from conducting the affairs of the office pending the hearing on 17711  
the complaint. If such an order is issued, the court may continue 17712  
the order until the conclusion of the hearing and any appeals 17713  
under this section. 17714

(4) The board of township trustees shall be responsible for 17715  
the payment of reasonable attorney's fees for counsel for the 17716  
township fiscal officer. If judgment is entered against the 17717  
township fiscal officer, the court shall order the township fiscal 17718  
officer to reimburse the board for attorney's fees and costs up to 17719  
a reasonable amount, as determined by the court. Expenses incurred 17720  
by the board in a removal action shall be paid out of the township 17721  
general fund. 17722

(C) The judgment of the court is final and conclusive unless 17723  
reversed, vacated, or modified on appeal. An appeal may be taken 17724  
by any party, and shall proceed as in the case of appeals in civil 17725  
actions and in accordance with the Rules of Appellate Procedure. 17726  
Upon the filing of a notice of appeal by any party to the 17727  
proceedings, the court of appeals shall hear the case as an 17728  
expedited appeal under Rule 11.2 of the Rules of Appellate 17729  
Procedure. The township fiscal officer has the right of review or 17730  
appeal to the supreme court. 17731

(D) If a final judgment for removal from public office is 17732

entered against the township fiscal officer, the office shall be 17733  
deemed vacated, and the vacancy shall be filled as provided in 17734  
section 503.24 of the Revised Code. Except as otherwise provided 17735  
by law, an individual removed from public office under this 17736  
section is not entitled to hold any public office for four years 17737  
following the date of the final judgment, and is not entitled to 17738  
hold any public office until any repayment or restitution required 17739  
by the court is satisfied. 17740

(E) For the purposes of this section: 17741

(1) A person acts purposely when it is the person's specific 17742  
intention to cause a certain result, or, when the gist of the 17743  
offense is a prohibition against conduct of a certain nature, 17744  
regardless of what the person intends to accomplish thereby, it is 17745  
the person's specific intention to engage in conduct of that 17746  
nature. 17747

(2) A person acts knowingly, regardless of the person's 17748  
purpose, when the person is aware that the person's conduct will 17749  
probably cause a certain result or will probably be of a certain 17750  
nature. A person has knowledge of circumstances when the person is 17751  
aware that such circumstances probably exist. 17752

(3) A person acts recklessly when, with heedless indifference 17753  
to the consequences, the person perversely disregards a known risk 17754  
that the person's conduct is likely to cause a certain result or 17755  
is likely to be of a certain nature. A person is reckless with 17756  
respect to circumstances when, with heedless indifference to the 17757  
consequences, the person perversely disregards a known risk that 17758  
such circumstances are likely to exist. 17759

(F) The proceedings provided for in this section may be used 17760  
as an alternative to the removal proceedings prescribed under 17761  
sections 3.07 to 3.10 of the Revised Code or other methods of 17762  
removal authorized by law. 17763

Sec. 703.20. (A) Villages may surrender their corporate 17764  
powers upon the petition to the legislative authority of the 17765  
village, or, in the alternative, to the board of elections of the 17766  
county in which the largest portion of the population of the 17767  
village resides as provided in division (B)(1) of this section, of 17768  
at least ~~forty~~ thirty per cent of the electors thereof, to be 17769  
determined by the number voting at the last regular municipal 17770  
~~election~~ election and by an affirmative vote of a majority of ~~such~~ 17771  
the electors at a special election, which shall be provided for by 17772  
the legislative authority, ~~and or, in the alternative, at a~~ 17773  
general or special election as provided for by the board of 17774  
elections under division (B)(1) of this section. The election 17775  
shall be conducted, canvassed, and the result certified and made 17776  
known as at regular municipal elections. If the result of the 17777  
election is in favor of ~~such~~ the surrender, the village clerk or, 17778  
in the alternative, the board of elections shall certify the 17779  
result to the secretary of state, the auditor of state, and the 17780  
county recorder, who shall record it in their respective offices, 17781  
~~and thereupon the.~~ The corporate powers of ~~such~~ the village shall 17782  
cease upon the recording of the certified election results in the 17783  
county recorder's office. 17784

(B)(1) If the legislative authority of a village fails to act 17785  
upon the petition within thirty days after receipt of the 17786  
petition, the electors may present the petition to the board of 17787  
elections to determine the validity and sufficiency of the 17788  
signatures. The petition shall be governed by the rules of section 17789  
3501.38 of the Revised Code. The petition shall be filed with the 17790  
board of elections of the county in which the largest portion of 17791  
the population of the village resides. If the petition is 17792  
sufficient, the board of elections shall submit the question 17793  
"Shall the village of ..... surrender its corporate powers?" 17794  
for the approval or rejection of the electors of the village at 17795

the next general or special election, in any year, occurring after 17796  
the period ending ninety days after the filing of the petition 17797  
with the board. If the result of the election is in favor of the 17798  
surrender, the board of elections shall certify the results to the 17799  
secretary of state, the auditor of state, and the county recorder, 17800  
who shall record it in their respective offices. The corporate 17801  
powers of the village shall cease upon the recording of the 17802  
certified election results in the county recorder's office. 17803

(2) In addition to filing the petition with the board of 17804  
elections as provided in division (B)(1) of this section, a copy 17805  
of the petition shall be filed with the board of township trustees 17806  
of each township affected by the surrender. 17807

(C) The auditor of state shall assist in facilitating a 17808  
timely and systematic manner for complying with the requirements 17809  
of section 703.21 of the Revised Code. 17810

**Sec. 703.21.** (A) The surrender of corporate powers by a 17811  
village under section 703.20 or 703.201 of the Revised Code does 17812  
not affect vested rights or accrued liabilities of the village, or 17813  
the power to settle claims, dispose of property, or levy and 17814  
collect taxes to pay existing obligations, or to operate its 17815  
utilities, including collection of existing rates and charges for 17816  
services rendered, until the ownership and operation of each 17817  
utility is transferred to another entity. But, after the 17818  
presentation of the petition mentioned in section 703.20 of the 17819  
Revised Code or receipt of the audit report and notice mentioned 17820  
in section 703.201 of the Revised Code, the legislative authority 17821  
of the village shall not create any new liability until the result 17822  
of the election under section 703.20 of the Revised Code is 17823  
declared or the decision of the court of common pleas under 17824  
division (C) of section 703.201 of the Revised Code is declared, 17825  
or thereafter, if the result, in either case, is for the surrender 17826

of the village's corporate powers, except to the extent such 17827  
liability is necessary in connection with the operations of the 17828  
village's utilities consistent with prudent utility practice. If 17829  
the auditor of state notifies the village that the attorney 17830  
general may file a legal action under section 703.201 of the 17831  
Revised Code, but the attorney general does not file such an 17832  
action, the village shall not create any new liability for thirty 17833  
days after receipt of the auditor of state's notice, except to the 17834  
extent such liability is necessary in connection with the 17835  
operations of the village's utilities consistent with prudent 17836  
utility practice. 17837

(B) Due and unpaid taxes may be collected after the surrender 17838  
of corporate powers, and all moneys or property remaining after 17839  
the surrender belongs to the township or townships located wholly 17840  
or partly within the village, subject to the agreements entered 17841  
into as provided for in this section for the timely transfer of 17842  
real and personal property and subject to the report of an audit 17843  
or, at the discretion of the auditor of state, an agreed-upon 17844  
procedure audit performed by the auditor of state under section 17845  
117.11 or 117.114 of the Revised Code. The auditor of state shall 17846  
commence the audit or agreed-upon procedure audit within thirty 17847  
days after receipt of the notice of dissolution as provided in 17848  
division (E) of section 117.10 of the Revised Code. Cash balances 17849  
shall be transferred at the completion of the audit or agreed-upon 17850  
procedure audit performed by the auditor of state. ~~If~~ Except as 17851  
otherwise provided by agreement of the affected village and 17852  
townships, if more than one township is to receive the remaining 17853  
money or property, the money and property shall be divided among 17854  
the townships in proportion to the amount of territory that each 17855  
township has within the village boundaries as compared to the 17856  
total territory within the village. 17857

(C)(1) Village real and personal property, other than 17858

electric, water, and sewer utility property, shall be transferred 17859  
in a timely manner in accordance with agreements between or among 17860  
the affected village and township or townships. If no such 17861  
agreements have been reached within sixty days after the 17862  
certificate of dissolution is filed with the county recorder, 17863  
title to real and personal property other than any electric, 17864  
water, and sewer utility property vests by operation of law in the 17865  
affected township or townships. If more than one township is 17866  
affected, and agreements have not been reached within sixty days 17867  
after the certificate of dissolution is filed, title vests by 17868  
operation of law in proportion to the amount of territory that 17869  
each township has within the village boundaries as compared to the 17870  
total territory within the village. 17871

(2) Any agreements entered into under this section regarding 17872  
the transfer of real property shall be recorded with the county 17873  
recorder of the county in which the affected real property is 17874  
situated, along with affidavits stating facts relating to title as 17875  
provided for in section 5301.252 of the Revised Code. The county 17876  
recorder shall make appropriate notations in the county records to 17877  
reflect the conveyance of the village's interest in real property 17878  
in accordance with the recorded agreements resulting from the 17879  
surrender of corporate powers. The notations shall include a 17880  
reference to the county's recorded certificate of dissolution. 17881

In the absence of any agreements and upon the recording of 17882  
affidavits relating to title, the county recorder shall make 17883  
appropriate notations in the county records to reflect the 17884  
conveyance of the village's interest in real property and to 17885  
evidence that title vested by operation of law in the township or 17886  
townships as otherwise provided for in this section and as a 17887  
result of the surrender of corporate powers. The recording of a 17888  
certificate of dissolution or a certified copy of it, any 17889  
agreements regarding the transfer of real property, and supporting 17890

affidavits serve as sufficient evidence of a transfer of title 17891  
from the former village to a township or townships. These 17892  
documents shall be recorded in the same manner as a deed of 17893  
conveyance, except that the affected township or townships are 17894  
exempt from any fees specified under section 317.32 of the Revised 17895  
Code. 17896

(3) Cash balances shall be transferred at the completion of 17897  
the audit, or, at the discretion of the auditor of state, the 17898  
agreed-upon procedure audit performed by the auditor of state. 17899

(D)(1) Electric and water and sewer utility property shall be 17900  
transferred by agreement entered into by the village and the 17901  
entity that will be taking over the electric and water and sewer 17902  
utility property and assets. Cash balances shall be transferred at 17903  
the completion of the audit, or, at the discretion of the auditor 17904  
of state, the agreed-upon procedure audit performed by the auditor 17905  
of state. The provision of utility and other services shall be 17906  
uninterrupted during the transition period following the surrender 17907  
of corporate powers. 17908

(a) Following the filing of the certificate of dissolution, 17909  
if it is determined that a county, or a regional water and sewer 17910  
district organized under Chapter 6119. of the Revised Code, is 17911  
obligated to assume water and sewer utility property and assets by 17912  
default, the board of county commissioners or board of trustees of 17913  
the district, as appropriate, may petition the court of common 17914  
pleas of the county in which the village was located, for an order 17915  
to revise the current user fees, rates, and charges charged, or 17916  
assessments levied, by the utility. The board of county 17917  
commissioners or board of trustees of the district shall file with 17918  
the petition a systems audit of the utility. The systems audit 17919  
shall address the financial solvency of the utility; the utility's 17920  
debt service obligations and operating revenue stream, including 17921  
user fees, rates, charges, and assessments; the utility's 17922

compliance with operating permit requirements; the necessary 17923  
system maintenance, upgrades, and operational modifications and 17924  
their associated costs for the utility; outstanding, pending, or 17925  
potential enforcement actions against the utility; and any other 17926  
relevant matters impacting the operational viability and financial 17927  
solvency of the utility. 17928

When considering whether to grant the order, the court shall 17929  
review the systems audit and any other relevant evidence. The 17930  
order of the court shall assure that the operational viability and 17931  
financial solvency of the utility is maintained, and that an 17932  
unreasonable financial burden is not placed upon the county or 17933  
district due to the acquisition of the utility property and 17934  
assets. 17935

(b) In the case of a village electric utility, the village 17936  
shall be required to take all necessary steps to transfer its 17937  
ownership and operation, including continuing with normal 17938  
operations and activities, fulfilling its contractual and other 17939  
obligations, and transferring its contractual and other 17940  
obligations to a successor entity in a timely manner following the 17941  
filing of the certificate of dissolution. Such steps shall include 17942  
hiring a third-party engineer knowledgeable about the operation of 17943  
municipal electric systems to conduct a systems audit of the 17944  
electric utility, addressing such items as set forth in division 17945  
(D)(2) of this section. The systems audit shall commence not later 17946  
than sixty days after the filing of the certificate of 17947  
dissolution. Such systems audit is a proper expense of the 17948  
village's electric utility fund. If the village's electric utility 17949  
fund has a balance of zero or a negative fund balance, the 17950  
absorbing entity shall pay for the systems audit. During this 17951  
period, the village's electric utility shall continue with all 17952  
normal operations and activities, shall continue fulfilling its 17953  
contractual and other obligations, including with its customers 17954

and users and licensees of its poles, conduits, and rights-of-way, 17955  
and shall collect charges for service at the rates in effect on 17956  
the date the certificate of dissolution is filed. 17957

(2) The systems audit required under division (D)(1)(a) or 17958  
(b) of this section shall not prevent the auditor of state from 17959  
conducting the audit, or, at the discretion of the auditor of 17960  
state, the agreed-upon procedure audit, required by this section. 17961

(E) As used in divisions (C) and (D) of this section, 17962  
"certificate of dissolution" means the certified election results 17963  
approving the surrender of corporate powers as recorded by the 17964  
county recorder under section 703.20 of the Revised Code. 17965

After the surrender of corporate powers, all resolutions of 17966  
the township or townships into which the village's territory was 17967  
dissolved shall apply throughout the township's newly included 17968  
territory. 17969

**Sec. 705.22.** At the end of each year the legislative 17970  
authority of a municipal corporation shall have an annual report 17971

(B)(1) The legislative authority of an eligible municipal 18079  
corporation, by resolution or ordinance, may declare an area of 18080  
the municipal corporation to be a tourism development district for 18081  
the purpose of fostering and developing tourism in the district if 18082

(d) Before adopting the resolution or ordinance, the 18090  
legislative authority receives a petition signed by every record 18091  
owner of a parcel of real property located in the proposed 18092  
district and the owner of every business that operates in the 18093  
proposed district. 18094

(e) The legislative authority adopts the resolution or 18095

(2) The petition described in division (B)(1)(d) of this 18097  
section shall include an explanation of the taxes and charges that 18098  
may be levied or imposed in the proposed district. 18099

(3) The legislative authority shall certify the resolution or 18100  
ordinance to the tax commissioner within five days after its 18101  
adoption, along with a description of the boundaries of the 18102  
district authorized in the resolution. That description shall 18103  
include sufficient information for the commissioner to determine 18104  
if the address of a vendor is within the boundaries of the 18105  
district. 18106

(4) Subject to the limitations of divisions (B)(1)(a) and (b) 18107

of this section, the legislative authority of an eligible 18108

prescribe the time for payment of the fee, and may provide for the 18130  
imposition of a penalty or interest, or both, for late 18131  
remittances, provided that the penalty does not exceed ten per 18132  
cent of the amount of fee due, and the rate at which interest 18133  
accrues does not exceed the rate per annum prescribed pursuant to 18134  
section 5703.47 of the Revised Code. The regulations shall 18135

(2) A taxpayer request to use an alternative apportionment 19023

the Revised Code. 19034

(4) Nothing in division (B) of this section nullifies or 19035  
otherwise affects any alternative apportionment arrangement 19036  
approved by a tax administrator or otherwise agreed upon by both 19037

the tax administrator and taxpayer before January 1, 2016. 19038

(C) As used in division (A)(2) of this section, "wages, 19039

services performed for, or on behalf of, the employer or that the 19056  
employee's presence at the location directly or indirectly 19057  
benefits the employer; 19058

(3) Any other location, if the tax administrator determines 19059  
that the employer directed the employee to perform the services at 19060  
the other location in lieu of a location described in division 19061  
(C)(1) or (2) of this section solely in order to avoid or reduce 19062  
the employer's municipal income tax liability. If a tax 19063  
administrator makes such a determination, the employer may dispute 19064  
the determination by establishing, by a preponderance of the 19065  
evidence, that the tax administrator's determination was 19066  
unreasonable. 19067

(D) For the purposes of division (A)(3) of this section, 19068  
receipts from sales and rentals made and services performed shall 19069  
be sitused to a municipal corporation as follows: 19070

corporation from a location outside the municipal corporation, 19081  
provided the taxpayer is regularly engaged through its own 19082

municipal corporation and the sales result from such solicitation 19084  
or promotion. 19085

~~(c) The property is shipped from a place within the municipal 19086  
corporation to purchasers outside the municipal corporation,~~ 19087

~~regularly engaged in the solicitation or promotion of sales at the 19089  
place where delivery is made.~~ 19090

(2) Gross receipts from the sale of services shall be sitused 19091  
to the municipal corporation to the extent that such services are 19092  
performed in the municipal corporation. 19093

(3) To the extent included in income, gross receipts from the 19094  
sale of real property located in the municipal corporation shall 19095  
be sitused to the municipal corporation. 19096

(4) To the extent included in income, gross receipts from 19097  
rents and royalties from real property located in the municipal 19098

corporation shall be sitused to the municipal corporation. 19099

(5) Gross receipts from rents and royalties from tangible 19100

used in the municipal corporation. 19103

(E) The net profit received by an individual taxpayer from 19104  
the rental of real estate owned directly by the individual or by a 19105  
disregarded entity owned by the individual shall be subject to tax 19106  
only by the municipal corporation in which the property generating 19107  
the net profit is located and the municipal corporation in which 19108  
the individual taxpayer that receives the net profit resides. 19109

A municipal corporation shall allow such taxpayers to elect 19110  
to use separate accounting for the purpose of calculating net 19111  
profit sitused under this division to the municipal corporation in 19112  
which the property is located. 19113

(F)(1) Except as provided in division (F)(2) of this section, 19114  
commissions received by a real estate agent or broker relating to 19115  
the sale, purchase, or lease of real estate shall be sitused to 19116  
the municipal corporation in which the real estate is located. Net 19117  
profit reported by the real estate agent or broker shall be 19118  
allocated to a municipal corporation based upon the ratio of the 19119  
commissions the agent or broker received from the sale, purchase, 19120  
or lease of real estate located in the municipal corporation to 19121  
the commissions received from the sale, purchase, or lease of real 19122  
estate everywhere in the taxable year. 19123

(2) An individual who is a resident of a municipal 19124  
corporation that imposes a municipal income tax shall report the 19125  
individual's net profit from all real estate activity on the 19126  
individual's annual tax return for that municipal corporation. The 19127  
individual may claim a credit for taxes the individual paid on 19128  
such net profit to another municipal corporation to the extent 19129

that such a credit is allowed under the municipal income tax ordinance, or rules of the municipal corporation of residence.

(G) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under this section.

(H) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.

(B)(1) For taxable years beginning on or after January 1, 19177  
2016, a taxpayer that is a member of an affiliated group of 19178  
corporations may elect to file a consolidated municipal income tax 19179  
return for a taxable year if at least one member of the affiliated 19180  
group of corporations is subject to the municipal income tax in 19181  
that taxable year and if the affiliated group of corporations 19182  
filed a consolidated federal income tax return with respect to 19183  
that taxable year. The election is binding for a five-year period 19184  
beginning with the first taxable year of the initial election 19185  
unless a change in the reporting method is required under federal 19186  
law. The election continues to be binding for each subsequent 19187  
five-year period unless the taxpayer elects to discontinue filing 19188  
consolidated municipal income tax returns under division (B)(2) of 19189  
this section or a taxpayer receives permission from the tax 19190  
administrator. The tax administrator shall approve such a request 19191

for good cause shown. 19192

year following the last year of a five-year consolidated municipal 19195  
income tax return election period in effect under division (B)(1) 19196  
of this section. The election to discontinue filing a consolidated 19197

beginning with the first taxable year of the election. 19199

(3) An election made under division (B)(1) or (2) of this 19200  
section is binding on all members of the affiliated group of 19201  
corporations subject to a municipal income tax. 19202

(4) When a taxpayer makes the election allowed under section 19203  
718.80 of the Revised Code, a valid election made by the taxpayer 19204  
under division (B)(1) or (2) of this section is binding upon the 19205

Code is terminated, a valid election made under section 718.86 of 19208  
the Revised Code is binding upon the tax administrator for the 19209  
remainder of the five-year period. 19210

(C) A taxpayer that is a member of an affiliated group of 19211  
corporations that filed a consolidated federal income tax return 19212  
for a taxable year shall file a consolidated municipal income tax 19213  
return for that taxable year if the tax administrator determines, 19214  
by a preponderance of the evidence, that intercompany transactions 19215  
have not been conducted at arm's length and that there has been a 19216  
distortive shifting of income or expenses with regard to 19217  
allocation of net profits to the municipal corporation. A taxpayer 19218  
that is required to file a consolidated municipal income tax 19219  
return for a taxable year shall file a consolidated municipal 19220  
income tax return for all subsequent taxable years unless the 19221  
taxpayer requests and receives written permission from the tax 19222

administrator to file a separate return or a taxpayer has 19223  
experienced a change in circumstances. 19224

(D) A taxpayer shall prepare a consolidated municipal income 19225  
tax return in the same manner as is required under the United 19226  
States department of treasury regulations that prescribe 19227  
procedures for the preparation of the consolidated federal income 19228  
tax return required to be filed by the common parent of the 19229  
affiliated group of which the taxpayer is a member. 19230

(E)(1) Except as otherwise provided in divisions (E)(2), (3), 19231  
and (4) of this section, corporations that file a consolidated 19232  
municipal income tax return shall compute adjusted federal taxable 19233  
income, as defined in section 718.01 of the Revised Code, by 19234  
substituting "consolidated federal taxable income" for "federal 19235  
taxable income" wherever "federal taxable income" appears in that 19236  
division and by substituting "an affiliated group of 19237  
corporation's" for "a C corporation's" wherever "a C 19238  
corporation's" appears in that division. 19239

(2) No corporation filing a consolidated municipal income tax 19240  
return shall make any adjustment otherwise required under division 19241  
(E) of section 718.01 of the Revised Code to the extent that the 19242  
item of income or deduction otherwise subject to the adjustment 19243  
has been eliminated or consolidated in the computation of 19244  
consolidated federal taxable income. 19245

(3) If the net profit or loss of a pass-through entity having 19246  
at least eighty per cent of the value of its ownership interest 19247  
owned or controlled, directly or indirectly, by an affiliated 19248  
group of corporations is included in that affiliated group's 19249  
consolidated federal taxable income for a taxable year, the 19250  
corporation filing a consolidated municipal income tax return 19251  
shall do one of the following with respect to that pass-through 19252  
entity's net profit or loss for that taxable year: 19253

(a) Exclude the pass-through entity's net profit or loss from 19254  
the consolidated federal taxable income of the affiliated group 19255  
and, for the purpose of making the computations required in 19256

owned or controlled, directly or indirectly, by an affiliated 19277

property, payroll, and gross receipts of the pass-through entity 19286  
in the computation of the affiliated group's net profit sitused to 19287

(b) The pass-through entity shall be subject to municipal 19289  
income taxation as a separate taxpayer in accordance with this 19290

return shall make the computations required under section 718.02 19295  
of the Revised Code by substituting "consolidated federal taxable 19296

tax return is jointly and severally liable for any tax, interest, 19302  
penalties, fines, charges, or other amounts imposed by a municipal 19303  
corporation in accordance with this chapter on the corporation, an 19304

balance which may be due shall be paid with the return in 19392  
accordance with section 718.05 of the Revised Code. 19393

(d) For the fourth payment of estimated taxes each year, 19409  
ninety per cent of the tax liability, less the amount of taxes 19410  
paid by the date prescribed for that payment. 19411

payment of estimated taxes exceeds the amount of the payment 19417  
presently required to be paid to avoid any penalty. 19418

(E) An underpayment of any portion of tax liability 19419

**Sec. 718.60.** (A) There is hereby created the municipal income 19552  
tax net operating loss review committee for the purpose of 19553  
evaluating and quantifying the potential fiscal impact to 19554

municipal corporations to allow taxpayers to carry forward net 19556  
operating losses for five years. The committee is a public body 19557  
for the purposes of section 121.22 of the Revised Code. 19558

(B) The committee shall be composed of the following members: 19559

is removed by the member's appointing authority. Vacancies shall 19576  
be filled in the same manner as original appointments. A vacancy 19577  
on the committee does not impair the right of the other members to 19578  
exercise all the functions of the committee. 19579

The committee shall meet at the call of the chairperson. The 19580  
presence of a majority of the members of the committee constitutes 19581  
a quorum for the conduct of business of the committee. The 19582  
concurrence of at least a majority of the members of the committee 19583  
is necessary to approve the report issued by the committee under 19584

Each municipal corporation's calculations shall be made using the microsimulation model adopted by the committee at its meeting on May 5, 2016, but applied to taxable years ending in 2018 and 2019.

(D) The municipal income tax net operating loss review committee shall review the information reported by municipal corporations under division (C) of this section and calculate the total of the revenue effects reported by such municipal corporations. On or before May 1, 2022, the committee shall issue a written report to the speaker and minority leader of the house of representatives and the president and minority leader of the senate reporting the committee's findings and the estimated revenue impact of requiring municipal corporations levying an income tax to allow net operating loss to be carried forward for five years. (2) The commissioner shall administer the tax pursuant to 19632  
sections 718.80 to 718.95 of the Revised Code and any applicable 19633  
provision of Chapter 5703. of the Revised Code. 19634

(B)(1) A taxpayer shall make the initial election on or 19635  
before the first day of the third month after the beginning of the 19636  
taxpayer's taxable year by notifying the tax commissioner and each 19637  
municipal corporation in which the taxpayer conducted business 19638  
during the previous taxable year, on a form prescribed by the tax 19639  
commissioner. 19640

(2)(a) The election, once made by the taxpayer, applies to 19641

prescribed by the tax commissioner, on or before the first day of 19648  
the third month of any taxable year. 19649

(c) Upon a timely and valid termination of the election, the 19650  
taxpayer is no longer subject to sections 718.80 to 718.95 of the 19651  
Revised Code, and is instead subject to the provisions set forth 19652  
in the remainder of this chapter. 19653

year, each municipal corporation imposing a tax on income shall 19655  
certify to the tax commissioner the rate of the tax in effect on 19656  
the first day of January of that year. 19657

(b) If, after the thirty-first day of January of any year, 19658  
the electors of a municipal corporation approve an increase in the 19659  
rate of the municipal corporation's tax on income that takes 19660  
effect within that year, the municipal corporation shall certify 19661  
to the tax commissioner the new rate of tax not less than sixty 19662  
days before the effective date of the increase, after which 19663  
effective date the commissioner shall apply the increased rate. 19664

(2) A municipal corporation, within ninety days of receiving 19665  
a taxpayer's notification of election under division (B) of this 19666  
section, shall submit to the tax commissioner, on a form 19667  
prescribed by the tax commissioner, the following information 19668  
regarding the taxpayer: 19669

(a) The amount of any net operating loss that the taxpayer is 19670  
entitled to carry forward to a future tax year; 19671

(b) The amount of any net operating loss carryforward 19672  
utilized by the taxpayer in prior years; 19673

(c) Any credits granted by the municipal corporation to which 19674  
the taxpayer is entitled, the amount of such credits, whether the 19675  
credits may be carried forward to future tax years, and, if the 19676  
credits may be carried forward, the duration of any such 19677  
carryforward; 19678

(d) Any overpayments of tax that the taxpayer has elected to 19679  
carry forward to a subsequent tax year; 19680

(e) Any other information the municipal corporation deems 19681  
relevant in order to effectuate the tax commissioner's efficient 19682  
administration of the tax on the municipal corporation's behalf. 19683

(3) If any municipal corporation fails to timely comply with divisions (C)(1) and (2) of this section, the tax commissioner shall notify the director of budget and management, who, upon receiving such notification, shall withhold from each payment made to the municipal corporation under section 718.83 of the Revised Code fifty per cent of the amount of the payment otherwise due to the municipal corporation under that section. The director shall compute the withholding on the basis of the tax rate most recently certified to the tax commissioner until the municipal corporation complies with divisions (C)(1) and (2) of this section.

(D) The tax commissioner shall enforce and administer sections 718.80 to 718.95 of the Revised Code. In addition to any other powers conferred upon the tax commissioner by law, the tax commissioner may:

(1) Prescribe all forms necessary to administer those sections;

(2) Adopt such rules as the tax commissioner finds necessary to carry out those sections;

(3) Appoint and employ such personnel as are necessary to carry out the duties imposed upon the tax commissioner by those sections.

(E) No tax administrator shall utilize sections 718.81 to 718.95 of the Revised Code in the administrator's administration of a municipal income tax, and those sections shall not be applied to any taxpayer that has not made the election under this section.

(F) Nothing in this chapter shall be construed to make any section of this chapter, other than sections 718.01 and 718.80 to 718.95 of the Revised Code, applicable to the tax commissioner's administration of a municipal income tax or to any taxpayer that has made the election under this section.

(G) The tax commissioner shall not be considered a tax

administrator, as that term is defined in section 718.01 of the 19715  
Revised Code. 19716

Sec. 718.81. If a term used in sections 718.80 to 718.95 of 19717  
the Revised Code that is not otherwise defined in this chapter is 19718  
used in a comparable context in both the laws of the United States 19719  
relating to federal income tax and in Title LVII of the Revised 19720  
Code and the use is not consistent, then the use of the term in 19721  
the laws of the United States relating to federal income tax shall 19722  
have control over the use of the term in Title LVII of the Revised 19723  
Code, unless the term is defined in Chapter 5703. of the Revised 19724  
Code, in which case the definition in that chapter shall control. 19725  
Any reference in this chapter to the Internal Revenue Code 19726  
includes other laws of the United States related to federal income 19727  
taxes. If a term is defined in both this section and section 19728  
718.01 of the Revised Code, the definition in this section shall 19729  
control for all uses of that term in sections 718.80 through 19730  
718.95 of the Revised Code. 19731

As used in sections 718.80 to 718.95 of the Revised Code 19732  
only: 19733

(A) "Municipal taxable income" means income apportioned or 19734  
sitused to the municipal corporation under section 718.82 of the 19735  
Revised Code, as applicable, reduced by any pre-2017 net operating 19736  
loss carryforward available to the person for the municipal 19737  
corporation. 19738

(B) "Adjusted federal taxable income," for a person required 19739  
to file as a C corporation, or for a person that has elected to be 19740  
taxed as a C corporation as described in division (D)(5) of 19741  
section 718.01 of the Revised Code, means a C corporation's 19742  
federal taxable income before net operating losses and special 19743  
deductions as determined under the Internal Revenue Code, adjusted 19744  
as follows: 19745

(1) Deduct intangible income to the extent included in 19746  
federal taxable income. The deduction shall be allowed regardless 19747  
of whether the intangible income relates to assets used in a trade 19748  
or business or assets held for the production of income. 19749

(2) Add an amount equal to five per cent of intangible income 19750  
deducted under division (B)(1) of this section, but excluding that 19751  
portion of intangible income directly related to the sale, 19752  
exchange, or other disposition of property described in section 19753  
1221 of the Internal Revenue Code. 19754

(3) Add any losses allowed as a deduction in the computation 19755  
of federal taxable income if the losses directly relate to the 19756  
sale, exchange, or other disposition of an asset described in 19757  
section 1221 or 1231 of the Internal Revenue Code. 19758

(4)(a) Except as provided in division (B)(4)(b) of this 19759  
section, deduct income and gain included in federal taxable income 19760  
to the extent the income and gain directly relate to the sale, 19761  
exchange, or other disposition of an asset described in section 19762  
1221 or 1231 of the Internal Revenue Code. 19763

(b) Division (B)(4)(a) of this section does not apply to the 19764  
extent the income or gain is income or gain described in section 19765  
1245 or 1250 of the Internal Revenue Code. 19766

(5) Add taxes on or measured by net income allowed as a 19767  
deduction in the computation of federal taxable income. 19768

(6) In the case of a real estate investment trust or 19769  
regulated investment company, add all amounts with respect to 19770  
dividends to, distributions to, or amounts set aside for or 19771  
credited to the benefit of investors and allowed as a deduction in 19772  
the computation of federal taxable income. 19773

(7) Deduct, to the extent not otherwise deducted or excluded 19774  
in computing federal taxable income, any income derived from a 19775  
transfer agreement or from the enterprise transferred under that 19776

agreement under section 4313.02 of the Revised Code. 19777

(8) Deduct exempt income to the extent not otherwise deducted 19778  
or excluded in computing adjusted federal taxable income. 19779

(9) Deduct any net profit of a pass-through entity owned 19780  
directly or indirectly by the taxpayer and included in the 19781  
taxpayer's federal taxable income unless an affiliated group of 19782  
corporations includes that net profit in the group's federal 19783  
taxable income in accordance with division (E)(3)(b) of section 19784  
718.86 of the Revised Code. 19785

(10) Add any loss incurred by a pass-through entity owned 19786  
directly or indirectly by the taxpayer and included in the 19787  
taxpayer's federal taxable income unless an affiliated group of 19788  
corporations includes that loss in the group's federal taxable 19789  
income in accordance with division (E)(3)(b) of section 718.86 of 19790  
the Revised Code. 19791

If the taxpayer is not a C corporation, is not a disregarded 19792  
entity that has made the election described in division (L)(2) of 19793  
section 718.01 of the Revised Code, and is not a publicly traded 19794  
partnership that has made the election described in division 19795  
(D)(5) of section 718.01 of the Revised Code, the taxpayer shall 19796  
compute adjusted federal taxable income under this section as if 19797  
the taxpayer were a C corporation, except guaranteed payments and 19798  
other similar amounts paid or accrued to a partner, former 19799  
partner, shareholder, former shareholder, member, or former member 19800  
shall not be allowed as a deductible expense unless such payments 19801  
are in consideration for the use of capital and treated as payment 19802  
of interest under section 469 of the Internal Revenue Code or 19803  
United States treasury regulations. Amounts paid or accrued to a 19804  
qualified self-employed retirement plan with respect to a partner, 19805  
former partner, shareholder, former shareholder, member, or former 19806  
member of the taxpayer, amounts paid or accrued to or for health 19807  
insurance for a partner, former partner, shareholder, former 19808

shareholder, member, or former member, and amounts paid or accrued 19809  
to or for life insurance for a partner, former partner, 19810  
shareholder, former shareholder, member, or former member shall 19811  
not be allowed as a deduction. 19812

Nothing in division (B) of this section shall be construed as 19813  
allowing the taxpayer to add or deduct any amount more than once 19814  
or shall be construed as allowing any taxpayer to deduct any 19815  
amount paid to or accrued for purposes of federal self-employment 19816  
tax. 19817

(C) "Taxpayer" has the same meaning as in section 718.01 of 19818  
the Revised Code, except that "taxpayer" does not include natural 19819  
persons or entities subject to the tax imposed under Chapter 5745. 19820  
of the Revised Code. "Taxpayer" may include receivers, assignees, 19821  
or trustees in bankruptcy when such persons are required to assume 19822  
the role of a taxpayer. 19823

(D) "Tax return" or "return" means the notifications and 19824  
reports required to be filed pursuant to sections 718.80 to 718.95 19825  
of the Revised Code for the purpose of reporting municipal income 19826  
taxes, and includes declarations of estimated tax. 19827

(E) "Taxable year" means the calendar year or the taxpayer's 19828  
fiscal year ending during the calendar year, or fractional part 19829  
thereof, upon which the calculation of the taxpayer's adjusted 19830  
federal taxable income is based pursuant to this chapter. If a 19831  
taxpayer's taxable year is changed for federal income tax 19832  
purposes, the taxable year for purposes of sections 718.80 to 19833  
718.95 of the Revised Code is changed accordingly but may consist 19834  
of an aggregation of more than one taxable year for federal income 19835  
tax purposes. The tax commissioner may prescribe by rule an 19836  
appropriate period as the taxable year for a taxpayer that has had 19837  
a change of its taxable year for federal income tax purposes, for 19838  
a taxpayer that has two or more short taxable years for federal 19839  
income tax purposes as the result of a change of ownership, or for 19840

a new taxpayer that would otherwise have no taxable year. 19841

(F) "Assessment" means a notice of underpayment or nonpayment 19842  
of a tax issued pursuant to section 718.90 of the Revised Code. 19843

Sec. 718.82. This section applies to any taxpayer that is 19844  
engaged in a business or profession in a municipal corporation and 19845  
that has made the election under section 718.80 of the Revised 19846  
Code. 19847

(A) Except as otherwise provided in division (B) of this 19848  
section, net profit from a business or profession conducted both 19849  
within and without the boundaries of a municipal corporation shall 19850  
be considered as having a taxable situs in the municipal 19851  
corporation for purposes of municipal income taxation in the same 19852  
proportion as the average ratio of the following: 19853

(1) The average original cost of the real property and 19854  
tangible personal property owned or used by the taxpayer in the 19855  
business or profession in the municipal corporation during the 19856  
taxable period to the average original cost of all of the real and 19857  
tangible personal property owned or used by the taxpayer in the 19858  
business or profession during the same period, wherever situated. 19859

As used in the preceding paragraph, tangible personal or real 19860  
property shall include property rented or leased by the taxpayer 19861  
and the value of such property shall be determined by multiplying 19862  
the annual rental thereon by eight; 19863

(2) Wages, salaries, and other compensation paid during the 19864  
taxable period to individuals employed in the business or 19865  
profession for services performed in the municipal corporation to 19866  
wages, salaries, and other compensation paid during the same 19867  
period to individuals employed in the business or profession, 19868  
wherever the individual's services are performed, excluding 19869  
compensation from which taxes are not required to be withheld 19870

under section 718.011 of the Revised Code; 19871

(3) Total gross receipts of the business or profession from 19872  
sales and rentals made and services performed during the taxable 19873  
period in the municipal corporation to total gross receipts of the 19874  
business or profession during the same period from sales, rentals, 19875  
and services, wherever made or performed. 19876

(B)(1) If the apportionment factors described in division (A) 19877  
of this section do not fairly represent the extent of a taxpayer's 19878  
business activity in a municipal corporation, the taxpayer may 19879  
request, or the tax commissioner may require, that the taxpayer 19880  
use, with respect to all or any portion of the income of the 19881  
taxpayer, an alternative apportionment method involving one or 19882  
more of the following: 19883

(a) Separate accounting; 19884

(b) The exclusion of one or more of the factors; 19885

(c) The inclusion of one or more additional factors that 19886  
would provide for a more fair apportionment of the income of the 19887  
taxpayer to the municipal corporation; 19888

(d) A modification of one or more of the factors. 19889

(2) A taxpayer request to use an alternative apportionment 19890  
method shall be in writing and shall accompany a tax return, 19891  
timely filed appeal of an assessment, or timely filed amended tax 19892  
return. The taxpayer may use the requested alternative method 19893  
unless the tax commissioner denies the request in an assessment 19894  
issued within the period prescribed by division (A) of section 19895  
718.90 of the Revised Code. 19896

(3) The tax commissioner may require a taxpayer to use an 19897  
alternative apportionment method as described in division (B)(1) 19898  
of this section only by issuing an assessment to the taxpayer 19899  
within the period prescribed by division (A) of section 718.90 of 19900

the Revised Code. 19901

(C) As used in division (A)(2) of this section, "wages, 19902  
salaries, and other compensation" includes only wages, salaries, 19903  
or other compensation paid to an employee for services performed 19904  
at any of the following locations: 19905

(1) A location that is owned, controlled, or used by, rented 19906  
to, or under the possession of one of the following: 19907

(a) The employer; 19908

(b) A vendor, customer, client, or patient of the employer, 19909  
or a related member of such a vendor, customer, client, or 19910  
patient; 19911

(c) A vendor, customer, client, or patient of a person 19912  
described in division (C)(1)(b) of this section, or a related 19913  
member of such a vendor, customer, client, or patient. 19914

(2) Any location at which a trial, appeal, hearing, 19915  
investigation, inquiry, review, court-martial, or similar 19916  
administrative, judicial, or legislative matter or proceeding is 19917  
being conducted, provided that the compensation is paid for 19918  
services performed for, or on behalf of, the employer or that the 19919  
employee's presence at the location directly or indirectly 19920  
benefits the employer; 19921

(3) Any other location, if the tax commissioner determines 19922  
that the employer directed the employee to perform the services at 19923  
the other location in lieu of a location described in division 19924  
(C)(1) or (2) of this section solely in order to avoid or reduce 19925  
the employer's municipal income tax liability. If the tax 19926  
commissioner makes such a determination, the employer may dispute 19927  
the determination by establishing, by a preponderance of the 19928  
evidence, that the tax commissioner's determination was 19929  
unreasonable. 19930

(D) For the purposes of division (A)(3) of this section, 19931  
receipts from sales and rentals made and services performed shall 19932  
be sitused to a municipal corporation as follows: 19933

(1) Gross receipts from the sale of tangible personal 19934  
property shall be sitused to the municipal corporation only if, 19935  
regardless of where title passes, the property meets either of the 19936  
following criteria: 19937

(a) The property is shipped to or delivered within the 19938  
municipal corporation from a stock of goods located within the 19939  
municipal corporation. 19940

(b) The property is delivered within the municipal 19941  
corporation from a location outside the municipal corporation, 19942  
provided the taxpayer is regularly engaged through its own 19943  
employees in the solicitation or promotion of sales within such 19944  
municipal corporation and the sales result from such solicitation 19945  
or promotion. 19946

(2) Gross receipts from the sale of services shall be sitused 19947  
to the municipal corporation to the extent that such services are 19948  
performed in the municipal corporation. 19949

(3) To the extent included in income, gross receipts from the 19950  
sale of real property located in the municipal corporation shall 19951  
be sitused to the municipal corporation. 19952

(4) To the extent included in income, gross receipts from 19953  
rents and royalties from real property located in the municipal 19954  
corporation shall be sitused to the municipal corporation. 19955

(5) Gross receipts from rents and royalties from tangible 19956  
personal property shall be sitused to the municipal corporation 19957  
based upon the extent to which the tangible personal property is 19958  
used in the municipal corporation. 19959

(E) Commissions received by a real estate agent or broker 19960

relating to the sale, purchase, or lease of real estate shall be 19961  
situated to the municipal corporation in which the real estate is 19962  
located. Net profit reported by the real estate agent or broker 19963  
shall be allocated to a municipal corporation based upon the ratio 19964  
of the commissions the agent or broker received from the sale, 19965  
purchase, or lease of real estate located in the municipal 19966  
corporation to the commissions received from the sale, purchase, 19967  
or lease of real estate everywhere in the taxable year. 19968

(F) If, in computing a taxpayer's adjusted federal taxable 19969  
income, the taxpayer deducted any amount with respect to a stock 19970  
option granted to an employee, and if the employee is not required 19971  
to include in the employee's income any such amount or a portion 19972  
thereof because it is exempted from taxation under divisions 19973  
(C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a 19974  
municipal corporation to which the taxpayer has apportioned a 19975  
portion of its net profit, the taxpayer shall add the amount that 19976  
is exempt from taxation to the taxpayer's net profit that was 19977  
apportioned to that municipal corporation. In no case shall a 19978  
taxpayer be required to add to its net profit that was apportioned 19979  
to that municipal corporation any amount other than the amount 19980  
upon which the employee would be required to pay tax were the 19981  
amount related to the stock option not exempted from taxation. 19982

This division applies solely for the purpose of making an 19983  
adjustment to the amount of a taxpayer's net profit that was 19984  
apportioned to a municipal corporation under this section. 19985

(G) When calculating the ratios described in division (A) of 19986  
this section for the purposes of that division or division (B) of 19987  
this section, the owner of a disregarded entity shall include in 19988  
the owner's ratios the property, payroll, and gross receipts of 19989  
such disregarded entity. 19990

**Sec. 718.83.** (A) On or before the last day of each month, the 19991

tax commissioner shall certify to the director of budget and 19992  
management the amount to be paid to each municipal corporation, 19993  
based on amounts reported on annual returns and declarations of 19994  
estimated tax under sections 718.85 and 718.88 of the Revised 19995  
Code, less any amounts previously distributed and net of any audit 19996  
adjustments made or refunds granted by the commissioner, for the 19997  
calender month preceding the month in which the certification is 19998  
made. Not later than the fifth day of each month, the director 19999  
shall provide for payment of the amount certified to each 20000  
municipal corporation from the municipal income tax fund, plus a 20001  
pro rata share of any investment earnings accruing to the fund 20002  
since the previous payment under this section. Each municipal 20003  
corporation's share of such earnings shall equal the proportion 20004  
that the municipal corporation's certified tax payment is of the 20005  
total taxes certified to all municipal corporations in that 20006  
quarter. All investment earnings on money in the municipal income 20007  
tax fund shall be credited to that fund. 20008

(B) If the tax commissioner determines that the amount of tax 20009  
paid by a taxpayer and distributed to a municipal corporation 20010  
under this section for a taxable year exceeds the amount payable 20011  
to that municipal corporation under sections 718.80 to 718.95 of 20012  
the Revised Code after accounting for amounts remitted with the 20013  
annual return and as estimated taxes, the commissioner shall 20014  
proceed according to divisions (A) and (B) of section 5703.77 of 20015  
the Revised Code. 20016

Sec. 718.84. (A) Any information gained as a result of 20017  
returns, investigations, hearings, or verifications required or 20018  
authorized by sections 718.80 to 718.95 of the Revised Code is 20019  
confidential, and no person shall disclose such information, 20020  
except for official purposes, in accordance with a proper judicial 20021  
order, or as provided in section 4123.271 or 5703.21 of the 20022

Revised Code. The tax commissioner may furnish the internal 20023  
revenue service with copies of returns filed. This section does 20024  
not prohibit the publication of statistics in a form which does 20025  
not disclose information with respect to particular taxpayers. 20026

(B) In May and November of each year, the tax commissioner 20027  
shall provide each tax administrator with the following 20028  
information for every taxpayer that filed tax returns with the 20029  
commissioner under sections 718.80 to 718.95 of the Revised Code 20030  
and that had municipal taxable income apportionable to the 20031  
municipal corporation under this chapter for any prior year: 20032

(1) The taxpayer's name, address, and federal employer 20033  
identification number; 20034

(2) The taxpayer's apportionment ratio for, and amount of 20035  
municipal taxable income apportionable to, the municipal 20036  
corporation pursuant to section 718.82 of the Revised Code; 20037

(3) The amount of any pre-2017 net operating loss 20038  
carryforward utilized by the taxpayer; 20039

(4) Whether the taxpayer requested that any overpayment be 20040  
carried forward to a future taxable year; 20041

(5) The amount of any credit claimed under section 718.94 of 20042  
the Revised Code. 20043

(C) Not later than thirty days after each distribution made 20044  
to municipal corporations under section 718.83 of the Revised 20045  
Code, the tax commissioner shall provide to each municipal 20046  
corporation a report stating the name and federal identification 20047  
number of every taxpayer that made estimated payments that are 20048  
attributable to the municipal corporation and the amount of each 20049  
such taxpayer's estimated payment. 20050

(D) Not later than the thirty-first day of January of each 20051  
year, every municipal corporation having taxpayers that have made 20052

the election allowed under section 718.80 of the Revised Code 20053  
shall provide to the tax commissioner, in a format prescribed by 20054  
the commissioner, the name and mailing address of up to two 20055  
persons to whom the municipal corporation requests that the 20056  
commissioner send the information described in divisions (B) and 20057  
(C) of this section. The commissioner shall not provide such 20058

corporation's income tax, except as may otherwise be provided by 20063  
law. 20064

(E)(1) The tax commissioner may adopt rules that further 20065  
govern the terms and conditions under which tax returns filed with 20066  
the commissioner under this chapter, and any other information 20067  
gained in the performance of the commissioner's duties prescribed 20068  
by this chapter, shall be available for inspection by properly 20069  
authorized officers, employees, or agents of the municipal 20070  
corporations to which the taxpayer's net profit is apportioned 20071

(2) As used in this division, "properly authorized officer, 20073  
employee, or agent" means an officer, employee, or agent of a 20074  
municipal corporation who is authorized by charter or ordinance of 20075  
the municipal corporation to view or possess information referred 20076  
to in section 718.13 of the Revised Code. 20077

(F)(1) If, upon receiving the information described in 20078  
division (B) of section 718.91 of the Revised Code or division (B) 20079  
or (C) of this section, a municipal corporation discovers that it 20080  
has additional information in its possession that could result in 20081  
a change to a taxpayer's tax liability, the municipal corporation 20082  
may refer the taxpayer to the tax commissioner for an audit. Such 20083  
referral shall be made on a form prescribed by the commissioner 20084

and shall include any information that forms the basis for the referral. 20085  
20086

(2) Upon receipt of a referral under division (F)(1) of this section, the commissioner shall review the referral and may conduct an audit of the taxpayer that is the subject of the referral based on the information in the referral and any other relevant information available to the commissioner. 20087  
20088  
20089  
20090  
20091

(3) Nothing in division (F) of this section shall be construed as forming the sole basis upon which the commissioner may conduct an audit of a taxpayer. 20092  
20093  
20094

(4) Nothing in this chapter shall prohibit a municipal corporation from filing a writ of mandamus if the municipal corporation believes that the commissioner has violated the commissioner's fiduciary duty as the administrator of the tax levied by the municipal corporation. 20095

**Sec. 718.85.** (A)(1) For each taxable year, every taxpayer shall file an annual return. Such return, along with the amount of tax shown to be due on the return less the amount paid for the taxable year under section 718.88 of the Revised Code, shall be submitted to the tax commissioner, on a form and in the manner prescribed by the commissioner, on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year. 20100  
20101  
20102  
20103  
20104  
20105  
20106

(2) If a taxpayer has multiple taxable years ending within one calendar year, the taxpayer shall aggregate the facts and figures necessary to compute the tax due under this chapter, in accordance with sections 718.81, 718.82, and, if applicable, 718.86 of the Revised Code onto its annual return. 20107  
20108  
20109  
20110  
20111

(3) The remittance shall be made payable to the treasurer of state and in the form prescribed by the tax commissioner. If the amount payable with the tax return is ten dollars or less, no 20112  
20113  
20114

(B) The tax commissioner shall immediately forward to the 20116  
treasurer of state all amounts the commissioner receives pursuant 20117  
to sections 718.80 to 718.95 of the Revised Code. The treasurer 20118  
shall credit ninety-nine and one-half per cent of such amounts to 20119  
the municipal income tax fund and the remainder to the municipal 20120  
income tax administrative fund established under section 5745.03 20121  
of the Revised Code. 20122

(C)(1) Each return required to be filed under this section 20123  
shall contain the signature of the taxpayer or the taxpayer's duly 20124  
authorized agent and of the person who prepared the return for the 20125  
taxpayer, and shall include the taxpayer's identification number. 20126  
Each return shall be verified by a declaration under penalty of 20127  
perjury. 20128

(2)(a) The tax commissioner may require a taxpayer to 20129  
include, with each annual tax return, amended return, or request 20130  
for refund filed with the commissioner under sections 718.80 to 20131  
718.95 of the Revised Code, copies of any relevant documents or 20132  
other information. 20133

(b) A taxpayer that files an annual tax return electronically 20134  
through the Ohio business gateway or in another manner as 20135  
prescribed by the tax commissioner shall either submit the 20136  
documents required under this division electronically as 20137  
prescribed at the time of filing or, if electronic submission is 20138  
not available, mail the documents to the tax commissioner. The 20139  
department of taxation shall publish a method of electronically 20140  
submitting the documents required under this division on or before 20141  
January 1, 2019. 20142

(3) After a taxpayer files a tax return, the tax commissioner 20143  
may request, and the taxpayer shall provide, any information, 20144  
statements, or documents required to determine and verify the 20145

taxpayer's municipal income tax. 20146

(D)(1)(a) Any taxpayer that has duly requested an automatic 20147  
extension for filing the taxpayer's federal income tax return 20148  
shall automatically receive an extension for the filing of a tax 20149  
return with the commissioner under this section. The extended due 20150  
date of the return shall be the fifteenth day of the tenth month 20151  
after the last day of the taxable year to which the return 20152  
relates. 20153

(b) A taxpayer that has not requested or received a six-month 20154  
extension for filing the taxpayer's federal income tax return may 20155  
request that the commissioner grant the taxpayer a six-month 20156  
extension of the date for filing the taxpayer's municipal income 20157  
tax return. If the commissioner receives the request on or before 20158  
the date the municipal income tax return is due, the commissioner 20159  
shall grant the taxpayer's extension request. 20160

(c) An extension of time to file under division (D)(1) of 20161  
this section is not an extension of the time to pay any tax due 20162  
unless the tax commissioner grants an extension of that date. 20163

(2) If the commissioner considers it necessary in order to 20164  
ensure payment of a tax imposed in accordance with section 718.04 20165  
of the Revised Code, the commissioner may require taxpayers to 20166  
file returns and make payments otherwise than as provided in this 20167  
section, including taxpayers not otherwise required to file annual 20168  
returns. 20169

(E) Each return required to be filed in accordance with this 20170  
section shall include a box that the taxpayer may check to 20171  
authorize another person, including a tax return preparer who 20172  
prepared the return, to communicate with the tax commissioner 20173  
about matters pertaining to the return. The return or instructions 20174  
accompanying the return shall indicate that by checking the box 20175  
the taxpayer authorizes the commissioner to contact the preparer 20176

or other person concerning questions that arise during the 20177  
examination or other review of the return and authorizes the 20178  
preparer or other person only to provide the commissioner with 20179  
information that is missing from the return, to contact the 20180  
commissioner for information about the examination or other review 20181  
of the return or the status of the taxpayer's refund or payments, 20182  
and to respond to notices about mathematical errors, offsets, or 20183  
return preparation that the taxpayer has received from the 20184  
commissioner and has shown to the preparer or other person. 20185

(F) When income tax returns or other documents require the 20186  
signature of a tax return preparer, the tax commissioner shall 20187  
accept a facsimile or electronic version of such a signature in 20188  
lieu of a manual signature. 20189

**Sec. 718.851.** (A) All taxpayers that have made the election 20190  
allowed under section 718.80 of the Revised Code shall file any 20191  
tax return or extension for filing a tax return, and shall make 20192  
payment of amounts shown to be due on such returns, 20193  
electronically, either through the Ohio business gateway or in 20194  
another manner as prescribed by the tax commissioner. 20195

(B) A taxpayer may apply to the commissioner, on a form 20196  
prescribed by the commissioner, to be excused from the requirement 20197  
to file returns and make payments electronically. For good cause 20198  
shown, the commissioner may excuse the applicant from the 20199  
requirement and permit the applicant to file the returns or make 20200  
the payments by nonelectronic means. 20201

(C) The tax commissioner may adopt rules establishing the 20202  
following: 20203

(1) The format of documents to be used by taxpayers to file 20204  
returns and make payments by electronic means; 20205

(2) The information taxpayers must submit when filing tax 20206

returns by electronic means. 20207

Sec. 718.86. (A) As used in this section: 20208

(1) "Affiliated group of corporations" means an affiliated 20209  
group as defined in section 1504 of the Internal Revenue Code, 20210  
except that, if such a group includes at least one incumbent local 20211  
exchange carrier that is primarily engaged in the business of 20212  
providing local exchange telephone service in this state, the 20213  
affiliated group shall not include any incumbent local exchange 20214  
carrier that would otherwise be included in the group. 20215

(2) "Consolidated federal income tax return" means a 20216  
consolidated return filed for federal income tax purposes pursuant 20217  
to section 1501 of the Internal Revenue Code. 20218

(3) "Consolidated federal taxable income" means the 20219  
consolidated taxable income of an affiliated group of 20220  
corporations, as computed for the purposes of filing a 20221  
consolidated federal income tax return, before consideration of 20222  
net operating losses or special deductions. "Consolidated federal 20223  
taxable income" does not include income or loss of an incumbent 20224  
local exchange carrier that is excluded from the affiliated group 20225  
under division (A)(1) of this section. 20226

(4) "Incumbent local exchange carrier" has the same meaning 20227  
as in section 4927.01 of the Revised Code. 20228

(5) "Local exchange telephone service" has the same meaning 20229  
as in section 5727.01 of the Revised Code. 20230

(B)(1) A taxpayer that is a member of an affiliated group of 20231  
corporations may elect to file a consolidated tax return for a 20232  
taxable year if at least one member of the affiliated group of 20233  
corporations is subject to a tax imposed in accordance with 20234  
section 718.04 of the Revised Code in that taxable year and if the 20235  
affiliated group of corporations filed a consolidated federal 20236

income tax return with respect to that taxable year. The election 20237  
is binding for a five-year period beginning with the first taxable 20238  
year of the initial election unless a change in the reporting 20239  
method is required under federal law. The election continues to be 20240  
binding for each subsequent five-year period unless the taxpayer 20241  
elects to discontinue filing consolidated tax returns under 20242  
division (B)(2) of this section or a taxpayer receives permission 20243  
from the tax commissioner. The tax commissioner shall approve such 20244  
a request for good cause shown. 20245

(2) An election to discontinue filing consolidated tax 20246  
returns under this section must be made on or before the fifteenth 20247  
day of the fourth month of the year following the last year of a 20248  
five-year consolidated tax return election period in effect under 20249  
division (B)(1) of this section. The election to discontinue 20250  
filing a consolidated tax return is binding for a five-year period 20251  
beginning with the first taxable year of the election. 20252

(3) An election made under division (B)(1) or (2) of this 20253  
section is binding on all members of the affiliated group of 20254  
corporations subject to a municipal income tax. 20255

(4) When a taxpayer makes the election allowed under section 20256  
718.80 of the Revised Code, a valid election made by the taxpayer 20257  
under division (B)(1) or (2) of section 718.06 of the Revised Code 20258  
is binding upon the tax commissioner for the remainder of the 20259  
five-year period. 20260

(5) When an election made under section 718.80 of the Revised 20261  
Code is terminated, a valid election made under this section is 20262  
binding upon the tax administrator for the remainder of the 20263  
five-year period. 20264

(C) A taxpayer that is a member of an affiliated group of 20265  
corporations that filed a consolidated federal income tax return 20266  
for a taxable year shall file a consolidated tax return for that 20267

taxable year if the tax commissioner determines, by a 20268  
preponderance of the evidence, that intercompany transactions have 20269  
not been conducted at arm's length and that there has been a 20270  
distortive shifting of income or expenses with regard to 20271  
allocation of net profits to a municipal corporation. A taxpayer 20272  
that is required to file a consolidated tax return for a taxable 20273  
year shall file a consolidated tax return for all subsequent 20274  
taxable years unless the taxpayer requests and receives written 20275  
permission from the commissioner to file a separate return or a 20276  
taxpayer has experienced a change in circumstances. 20277

(D) A taxpayer shall prepare a consolidated tax return in the 20278  
same manner as is required under the United States department of 20279  
treasury regulations that prescribe procedures for the preparation 20280  
of the consolidated federal income tax return required to be filed 20281  
by the common parent of the affiliated group of which the taxpayer 20282  
is a member. 20283

(E)(1) Except as otherwise provided in divisions (E)(2), (3), 20284  
and (4) of this section, corporations that file a consolidated tax 20285  
return shall compute adjusted federal taxable income, as defined 20286  
in section 718.81 of the Revised Code, by substituting 20287  
"consolidated federal taxable income" for "federal taxable income" 20288  
wherever "federal taxable income" appears in that division and by 20289  
substituting "an affiliated group of corporation's" for "a C 20290  
corporation's" wherever "a C corporation's" appears in that 20291  
division. 20292

(2) No corporation filing a consolidated tax return shall 20293  
make any adjustment otherwise required under division (B) of 20294  
section 718.81 of the Revised Code to the extent that the item of 20295  
income or deduction otherwise subject to the adjustment has been 20296  
eliminated or consolidated in the computation of consolidated 20297  
federal taxable income. 20298

(3) If the net profit or loss of a pass-through entity having 20299

at least eighty per cent of the value of its ownership interest 20300  
owned or controlled, directly or indirectly, by an affiliated 20301  
group of corporations is included in that affiliated group's 20302  
consolidated federal taxable income for a taxable year, the 20303  
corporation filing a consolidated tax return shall do one of the 20304  
following with respect to that pass-through entity's net profit or 20305  
loss for that taxable year: 20306

(a) Exclude the pass-through entity's net profit or loss from 20307  
the consolidated federal taxable income of the affiliated group 20308  
and, for the purpose of making the computations required in 20309  
section 718.82 of the Revised Code, exclude the property, payroll, 20310  
and gross receipts of the pass-through entity in the computation 20311  
of the affiliated group's net profit sitused to a municipal 20312  
corporation. If the entity's net profit or loss is so excluded, 20313  
the entity shall be subject to taxation as a separate taxpayer on 20314  
the basis of the entity's net profits that would otherwise be 20315  
included in the consolidated federal taxable income of the 20316  
affiliated group. 20317

(b) Include the pass-through entity's net profit or loss in 20318  
the consolidated federal taxable income of the affiliated group 20319  
and, for the purpose of making the computations required in 20320  
section 718.82 of the Revised Code, include the property, payroll, 20321  
and gross receipts of the pass-through entity in the computation 20322  
of the affiliated group's net profit sitused to a municipal 20323  
corporation. If the entity's net profit or loss is so included, 20324  
the entity shall not be subject to taxation as a separate taxpayer 20325  
on the basis of the entity's net profits that are included in the 20326  
consolidated federal taxable income of the affiliated group. 20327

(4) If the net profit or loss of a pass-through entity having 20328  
less than eighty per cent of the value of its ownership interest 20329  
owned or controlled, directly or indirectly, by an affiliated 20330  
group of corporations is included in that affiliated group's 20331

consolidated federal taxable income for a taxable year, all of the 20332  
following shall apply: 20333

(a) The corporation filing the consolidated tax return shall 20334  
exclude the pass-through entity's net profit or loss from the 20335  
consolidated federal taxable income of the affiliated group and, 20336  
for the purposes of making the computations required in section 20337  
718.82 of the Revised Code, exclude the property, payroll, and 20338  
gross receipts of the pass-through entity in the computation of 20339  
the affiliated group's net profit situated to a municipal 20340  
corporation; 20341

(b) The pass-through entity shall be subject to municipal 20342  
income taxation as a separate taxpayer in accordance with sections 20343  
718.80 to 718.95 of the Revised Code on the basis of the entity's 20344  
net profits that would otherwise be included in the consolidated 20345  
federal taxable income of the affiliated group. 20346

(F) Corporations filing a consolidated tax return shall make 20347  
the computations required under section 718.82 of the Revised Code 20348  
by substituting "consolidated federal taxable income attributable 20349  
to" for "net profit from" wherever "net profit from" appears in 20350  
that section and by substituting "affiliated group of 20351  
corporations" for "taxpayer" wherever "taxpayer" appears in that 20352  
section. 20353

(G) Each corporation filing a consolidated tax return is 20354  
jointly and severally liable for any tax, interest, penalties, 20355  
finances, charges, or other amounts applicable under section 718.80 20356  
to 718.95 or Chapter 5703. of the Revised Code to the corporation, 20357  
an affiliated group of which the corporation is a member for any 20358  
portion of the taxable year, or any one or more members of such an 20359  
affiliated group. 20360

Sec. 718.87. If a taxpayer that has made the election allowed 20361  
under section 718.80 of the Revised Code fails to pay any tax as 20362

required under sections 718.80 to 718.95 of the Revised Code, or 20363  
any portion of that tax, on or before the date prescribed for its 20364  
payment, interest shall be assessed, collected, and paid, in the 20365  
same manner as the tax, upon such unpaid amount at the rate per 20366  
annum prescribed by section 5703.47 of the Revised Code from the 20367  
date prescribed for its payment until it is paid or until the date 20368  
an assessment is issued under section 718.90 of the Revised Code, 20369  
whichever occurs first. 20370

**Sec. 718.88.** (A) As used in this section: 20371

(1) "Combined tax liability" means the total amount of a 20372  
taxpayer's income tax liabilities to all municipal corporations in 20373  
this state for a taxable year. 20374

(2) "Estimated taxes" means the amount that the taxpayer 20375  
reasonably estimates to be the taxpayer's combined tax liability 20376  
for the current taxable year. 20377

(B)(1) Except as provided in division (B)(4) of this section, 20378  
every taxpayer shall make a declaration of estimated taxes for the 20379  
current taxable year, on the form prescribed by the tax 20380  
commissioner, if the amount payable as estimated taxes is at least 20381  
two hundred dollars. 20382

(2) Except as provided in division (B)(4) of this section, a 20383  
taxpayer having a taxable year of less than twelve months shall 20384  
make a declaration under rules prescribed by the commissioner. 20385

(3) The declaration of estimated taxes shall be filed on or 20386  
before the fifteenth day of the fourth month after the beginning 20387  
of the taxable year or on or before the fifteenth day of the 20388  
fourth month after the taxpayer becomes subject to tax for the 20389  
first time. 20390

(4) The tax commissioner may waive the requirement for filing 20391  
a declaration of estimated taxes for any class of taxpayers after 20392

finding that the waiver is reasonable and proper in view of 20393  
administrative costs and other factors. 20394

(C) Each taxpayer shall file the declaration of estimated 20395  
taxes with, and remit estimated taxes to, the tax commissioner at 20396  
the times and in the amounts prescribed in division (C)(1) of this 20397  
section. Remitted taxes shall be made payable to the treasurer of 20398  
state. 20399

(1) The required portion of the combined tax liability for 20400  
the taxable year that shall be paid through estimated taxes shall 20401  
be as follows: 20402

(a) On or before the fifteenth day of the fourth month after 20403  
the beginning of the taxable year, twenty-two and one-half per 20404  
cent of the combined tax liability for the taxable year; 20405

(b) On or before the fifteenth day of the sixth month after 20406  
the beginning of the taxable year, forty-five per cent of the 20407  
combined tax liability for the taxable year; 20408

(c) On or before the fifteenth day of the ninth month after 20409  
the beginning of the taxable year, sixty-seven and one-half per 20410  
cent of the combined tax liability for the taxable year; 20411

(d) On or before the fifteenth day of the twelfth month of 20412  
the taxable year, ninety per cent of the combined tax liability 20413  
for the taxable year. 20414

(2) If the taxpayer determines that its declaration of 20415  
estimated taxes will not accurately reflect the taxpayer's tax 20416  
liability for the taxable year, the taxpayer shall increase or 20417  
decrease, as appropriate, its subsequent payments in equal 20418  
installments to result in a more accurate payment of estimated 20419  
taxes. 20420

(3)(a) Each taxpayer shall report on the declaration of 20421  
estimated taxes the portion of the remittance that the taxpayer 20422

estimates that it owes to each municipal corporation for the 20423  
taxable year. 20424

(b) Upon receiving a payment of estimated taxes under this 20425  
section, the commissioner shall immediately forward the payment to 20426  
the treasurer of state. The treasurer shall credit the payment in 20427  
the same manner as in division (B) of section 718.85 of the 20428  
Revised Code. 20429

(D)(1) In the case of any underpayment of estimated taxes, 20430  
there shall be added to the taxes an amount determined at the rate 20431  
per annum prescribed by section 5703.47 of the Revised Code upon 20432  
the amount of underpayment for the period of underpayment, unless 20433  
the underpayment is due to reasonable cause as described in 20434  
division (E) of this section. The amount of the underpayment shall 20435  
be determined as follows: 20436

(a) For the first payment of estimated taxes each year, 20437  
twenty-two and one-half per cent of the combined tax liability, 20438  
less the amount of taxes paid by the date prescribed for that 20439  
payment; 20440

(b) For the second payment of estimated taxes each year, 20441  
forty-five per cent of the combined tax liability, less the amount 20442  
of taxes paid by the date prescribed for that payment; 20443

(c) For the third payment of estimated taxes each year, 20444  
sixty-seven and one-half per cent of the combined tax liability, 20445  
less the amount of taxes paid by the date prescribed for that 20446  
payment; 20447

(d) For the fourth payment of estimated taxes each year, 20448  
ninety per cent of the combined tax liability, less the amount of 20449  
taxes paid by the date prescribed for that payment. 20450

(2) The period of the underpayment shall run from the day the 20451  
estimated payment was required to be made to the date on which the 20452  
payment is made. For purposes of this section, a payment of 20453

estimated taxes on or before any payment date shall be considered 20454  
a payment of any previous underpayment only to the extent the 20455  
payment of estimated taxes exceeds the amount of the payment 20456  
presently due. 20457

(3) All amounts collected under this section shall be 20458  
considered as taxes collected under sections 718.80 to 718.95 of 20459  
the Revised Code and shall be credited and distributed to 20460  
municipal corporations in accordance with section 718.83 of the 20461  
Revised Code. 20462

(E) An underpayment of any portion of a combined tax 20463  
liability shall be due to reasonable cause and the penalty imposed 20464  
by this section shall not be added to the taxes for the taxable 20465  
year if any of the following apply: 20466

(1) The amount of estimated taxes that were paid equals at 20467  
least ninety per cent of the combined tax liability for the 20468  
current taxable year, determined by annualizing the income 20469  
received during the year up to the end of the month immediately 20470  
preceding the month in which the payment is due. 20471

(2) The amount of estimated taxes that were paid equals at 20472  
least one hundred per cent of the tax liability shown on the 20473  
return of the taxpayer for the preceding taxable year, provided 20474  
that the immediately preceding taxable year reflected a period of 20475  
twelve months and the taxpayer filed a municipal income tax return 20476  
for that year. 20477

**Sec. 718.89.** (A) In addition to any other penalty imposed by 20478  
sections 718.80 to 718.95 or Chapter 5703. of the Revised Code, 20479  
the following penalties shall apply: 20480

(1) If a taxpayer required to file a tax return under 20481  
sections 718.80 to 718.95 of the Revised Code fails to make and 20482  
file the return within the time prescribed, including any 20483

extensions of time granted by the tax commissioner, the 20484  
commissioner may impose a penalty not exceeding twenty-five 20485  
dollars per month or fraction of a month, for each month or 20486  
fraction of a month elapsing between the due date, including 20487  
extensions of the due date, and the date on which the return is 20488  
filed. The aggregate penalty, per instance, under this division 20489  
shall not exceed one hundred fifty dollars. 20490

(2) If a person required to file a tax return electronically 20491  
under sections 718.80 to 718.95 of the Revised Code fails to do 20492  
so, the commissioner may impose a penalty not to exceed the 20493  
following: 20494

(a) For each of the first two failures, five per cent of the 20495  
amount required to be reported on the return; 20496

(b) For the third and any subsequent failure, ten per cent of 20497  
the amount required to be reported on the return. 20498

(3) If a taxpayer that has made the election allowed under 20499  
section 718.80 of the Revised Code fails to timely pay an amount 20500  
of tax required to be paid under this chapter, the commissioner 20501  
may impose a penalty equal to fifteen per cent of the amount not 20502  
timely paid. 20503

(4) If a taxpayer files what purports to be a tax return 20504  
required by sections 718.80 to 718.95 of the Revised Code that 20505  
does not contain information upon which the substantial 20506  
correctness of the return may be judged or contains information 20507  
that on its face indicates that the return is substantially 20508  
incorrect, and the filing of the return in that manner is due to a 20509  
position that is frivolous or a desire that is apparent from the 20510  
return to delay or impede the administration of sections 718.80 to 20511  
718.95 of the Revised Code, a penalty of up to five hundred 20512  
dollars may be imposed. 20513

(5) If a taxpayer makes a fraudulent attempt to evade the 20514

reporting or payment of the tax required to be shown on any return 20515  
required under sections 718.80 to 718.95 of the Revised Code, a 20516  
penalty may be imposed not exceeding the greater of one thousand 20517  
dollars or one hundred per cent of the tax required to be shown on 20518  
the return. 20519

(6) If any person makes a false or fraudulent claim for a 20520  
refund under section 718.91 of the Revised Code, a penalty may be 20521  
imposed not exceeding the greater of one thousand dollars or one 20522  
hundred per cent of the claim. Any penalty imposed under this 20523  
division, any refund issued on the claim, and interest on any 20524  
refund from the date of the refund, may be assessed under section 20525  
718.90 of the Revised Code without regard to any time limitation 20526  
for the assessment imposed by division (A) of that section. 20527

(B) For purposes of this section, the tax required to be 20528  
shown on a tax return shall be reduced by the amount of any part 20529  
of the tax paid on or before the date, including any extensions of 20530  
the date, prescribed for filing the return. 20531

(C) Each penalty imposed under this section shall be in 20532  
addition to any other penalty imposed under this section. All or 20533  
part of any penalty imposed under this section may be abated by 20534  
the tax commissioner. The commissioner may adopt rules governing 20535  
the imposition and abatement of such penalties. 20536

(D) All amounts collected under this section shall be 20537  
considered as taxes collected under sections 718.80 to 718.95 of 20538  
the Revised Code and shall be credited and distributed to 20539  
municipal corporations in the same proportion as the underlying 20540  
tax liability is required to be distributed to such municipal 20541  
corporations under section 718.83 of the Revised Code. 20542

**Sec. 718.90.** (A) If any taxpayer required to file a return 20543  
under section 718.80 to 718.95 of the Revised Code fails to file 20544  
the return within the time prescribed, files an incorrect return, 20545

or fails to remit the full amount of the tax due for the period 20546  
covered by the return, the tax commissioner may make an assessment 20547  
against the taxpayer for any deficiency for the period for which 20548  
the return or tax is due, based upon any information in the 20549  
commissioner's possession. 20550

The tax commissioner shall not make or issue an assessment 20551  
against a taxpayer more than three years after the later of the 20552  
date the return subject to assessment was required to be filed or 20553  
the date the return was filed. Such time limit may be extended if 20554  
both the taxpayer and the commissioner consent in writing to the 20555  
extension. Any such extension shall extend the three-year time 20556  
limit in section 718.91 of the Revised Code for the same period of 20557  
time. There shall be no bar or limit to an assessment against a 20558  
taxpayer that fails to file a return subject to assessment as 20559  
required by sections 718.80 to 718.95 of the Revised Code, or that 20560  
files a fraudulent return. The commissioner shall give the 20561  
taxpayer assessed written notice of the assessment as provided in 20562  
section 5703.37 of the Revised Code. With the notice, the 20563  
commissioner shall provide instructions on how to petition for 20564  
reassessment and request a hearing on the petition. 20565

(B) Unless the taxpayer assessed files with the tax 20566  
commissioner within sixty days after service of the notice of 20567  
assessment, either personally or by certified mail, a written 20568  
petition for reassessment signed by the authorized agent of the 20569  
taxpayer assessed having knowledge of the facts, the assessment 20570  
becomes final, and the amount of the assessment is due and payable 20571  
from the taxpayer to the treasurer of state. The petition shall 20572  
indicate the taxpayer's objections, but additional objections may 20573  
be raised in writing if received by the commissioner prior to the 20574  
date shown on the final determination. If the petition has been 20575  
properly filed, the commissioner shall proceed under section 20576  
5703.60 of the Revised Code. 20577

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the taxpayer has an office or place of business in this state, the county in which the taxpayer's statutory agent is located, or Franklin county. 20578  
20579  
20580  
20581  
20582  
20583  
20584

Immediately upon the filing of the entry, the clerk shall enter a judgment against the taxpayer assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for municipal income taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment. 20585  
20586  
20587  
20588  
20589  
20590  
20591  
20592

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section. 20593  
20594  
20595  
20596  
20597  
20598  
20599  
20600  
20601  
20602  
20603  
20604  
20605  
20606

(D) All money collected under this section shall be credited to the municipal income tax fund and distributed to the municipal corporation to which the money is owed based on the assessment 20607  
20608  
20609

issued under this section. 20610

(E) If the tax commissioner believes that collection of the 20611  
tax will be jeopardized unless proceedings to collect or secure 20612  
collection of the tax are instituted without delay, the 20613  
commissioner may issue a jeopardy assessment against the taxpayer 20614  
liable for the tax. Immediately upon the issuance of the jeopardy 20615  
assessment, the commissioner shall file an entry with the clerk of 20616  
the court of common pleas in the manner prescribed by division (C) 20617  
of this section. Notice of the jeopardy assessment shall be served 20618  
on the taxpayer assessed or the taxpayer's legal representative in 20619  
the manner provided in section 5703.37 of the Revised Code within 20620  
five days of the filing of the entry with the clerk. The total 20621  
amount assessed is immediately due and payable, unless the 20622  
taxpayer assessed files a petition for reassessment in accordance 20623  
with division (B) of this section and provides security in a form 20624  
satisfactory to the commissioner and in an amount sufficient to 20625  
satisfy the unpaid balance of the assessment. Full or partial 20626  
payment of the assessment does not prejudice the commissioner's 20627  
consideration of the petition for reassessment. 20628

(F) Notwithstanding the fact that a petition for reassessment 20629  
is pending, the taxpayer may pay all or a portion of the 20630  
assessment that is the subject of the petition. The acceptance of 20631  
a payment by the treasurer of state does not prejudice any claim 20632  
for refund upon final determination of the petition. 20633

If upon final determination of the petition an error in the 20634  
assessment is corrected by the tax commissioner, upon petition so 20635  
filed or pursuant to a decision of the board of tax appeals or any 20636  
court to which the determination or decision has been appealed, so 20637  
that the amount due from the taxpayer under the corrected 20638  
assessment is less than the portion paid, there shall be issued to 20639  
the taxpayer, its assigns, or legal representative a refund in the 20640  
amount of the overpayment as provided by section 718.91 of the 20641

Revised Code, with interest on that amount as provided by that 20642  
section. 20643

Sec. 718.91. (A) An application to refund to a taxpayer the 20644  
amount of taxes paid on any illegal, erroneous, or excessive 20645  
payment of tax under sections 718.80 to 718.95 of the Revised 20646  
Code, including assessments, shall be filed with the tax 20647  
commissioner within three years after the date of the illegal, 20648  
erroneous, or excessive payment of the tax, or within any 20649  
additional period allowed by division (A) of section 718.90 of the 20650  
Revised Code. The application shall be filed in the form 20651  
prescribed by the tax commissioner. 20652

(B)(1) On the filing of a refund application, the tax 20653  
commissioner shall determine the amount of refund to which the 20654  
applicant is entitled. The amount determined shall be based on the 20655  
amount overpaid per return or assessment. If the amount is greater 20656  
than ten dollars and not less than that claimed, the commissioner 20657  
shall certify that amount to the director of budget and management 20658  
and the treasurer of state for payment from the tax refund fund 20659  
created in section 5703.052 of the Revised Code. If the amount is 20660  
greater than ten dollars but less than that claimed, the 20661  
commissioner shall proceed in accordance with section 5703.70 of 20662  
the Revised Code. 20663

(2) Upon issuance of a refund under this section, the 20664  
commissioner shall notify each municipal corporation of the amount 20665  
refunded to the taxpayer attributable to that municipal 20666  
corporation, which shall be deducted from the municipal 20667  
corporation's next distribution under section 718.83 of the 20668  
Revised Code. 20669

(C) Any portion of a refund determined under division (B) of 20670  
this section that is not issued within ninety days after such 20671  
determination shall bear interest at the rate per annum prescribed 20672

by section 5703.47 of the Revised Code from the ninety-first day 20673  
after such determination until the day the refund is paid or 20674  
credited. On an illegal or erroneous assessment, interest shall be 20675  
paid at that rate from the date of payment on the illegal or 20676  
erroneous assessment until the day the refund is paid or credited. 20677

**Sec. 718.92.** (A) If any of the facts, figures, computations, 20678  
or attachments required in an annual return filed by a taxpayer 20679  
that has made the election allowed under section 718.80 of the 20680  
Revised Code and used to determine the tax due under sections 20681  
718.80 to 718.95 of the Revised Code must be altered as the result 20682  
of an adjustment to the taxpayer's federal income tax return, 20683  
whether initiated by the taxpayer or the internal revenue service, 20684  
and such alteration affects the taxpayer's tax liability under 20685  
those sections, the taxpayer shall file an amended return with the 20686  
tax commissioner in such form as the commissioner requires. The 20687  
amended return shall be filed not later than sixty days after the 20688  
adjustment is agreed upon or finally determined for federal income 20689  
tax purposes or after any federal income tax deficiency or refund, 20690  
or the abatement or credit resulting therefrom, has been assessed 20691  
or paid, whichever occurs first. If a taxpayer intends to file an 20692  
amended consolidated municipal income tax return, or to amend its 20693  
type of return from a separate return to a consolidated return, 20694  
based on the taxpayer's consolidated federal income tax return, 20695  
the taxpayer shall notify the commissioner before filing the 20696  
amended return. 20697

(B) In the case of an underpayment, the amended return shall 20698  
be accompanied by payment of any combined additional tax due 20699  
together with any penalty and interest thereon. An amended return 20700  
required by this section is a return subject to assessment under 20701  
section 718.90 of the Revised Code for the purpose of assessing 20702  
any additional tax due under this section, together with any 20703  
applicable penalty and interest. The amended return shall not 20704

reopen those facts, figures, computations, or attachments from a 20705  
previously filed return no longer subject to assessment that are 20706  
not affected, either directly or indirectly, by the adjustment to 20707  
the taxpayer's federal tax return. 20708

(C) In the case of an overpayment, an application for refund 20709  
may be filed under this division within the sixty-day period 20710  
prescribed for filing the amended return, even if that period 20711  
extends beyond the period prescribed in section 718.91 of the 20712  
Revised Code, if the application otherwise conforms to the 20713  
requirements of that section. An application filed under this 20714  
division shall claim refund of overpayments resulting from 20715  
alterations to only those facts, figures, computations, or 20716  
attachments required in the taxpayer's annual return that are 20717  
affected, either directly or indirectly, by the adjustment to the 20718  
taxpayer's federal income tax return unless it is also filed 20719  
within the time prescribed in section 718.91 of the Revised Code. 20720  
The application shall not reopen those facts, figures, 20721  
computations, or attachments that are not affected, either 20722  
directly or indirectly, by the adjustment to the taxpayer's 20723  
federal income tax return. 20724

**Sec. 718.93.** (A) The tax commissioner, or any authorized 20725  
agent or employee thereof, may examine the books, papers, records, 20726  
and federal and state income tax returns of any taxpayer or other 20727  
person that is subject to sections 718.80 to 718.95 of the Revised 20728  
Code for the purpose of verifying the accuracy of any return made 20729  
or, if no return was filed, to ascertain the tax due as required 20730  
under those sections. Upon written request by the commissioner or 20731  
a duly authorized agent or employee thereof, every taxpayer or 20732  
other person subject to this section is required to furnish the 20733  
opportunity for the commissioner, authorized agent, or employee to 20734  
investigate and examine such books, papers, records, and federal 20735  
and state income tax returns at a reasonable time and place 20736

designated in the request. 20737

(B) The records and other documents of any taxpayer or other person that is subject to sections 718.80 to 718.95 of the Revised Code shall be open to the tax commissioner's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The commissioner may require any person, by notice served on that person, to keep such records as the commissioner determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by a municipal corporation. 20738

20749

(C) The tax commissioner may examine under oath any person that the commissioner reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The commissioner may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney. 20750

Sec. 718.94. (A) A credit, granted by resolution or ordinance of a municipal corporation pursuant to section 718.15 or 718.151 20765  
20766

of the Revised Code, shall be available to a taxpayer that has 20767  
made the election allowed under section 718.80 of the Revised 20768  
Code, against the municipal corporation's tax on income. A 20769  
municipal corporation shall submit the following information to 20770  
the tax commissioner on or before the later of January 31, 2018, 20771  
or the thirty-first day of January of the first year in which the 20772  
taxpayer is eligible to receive the credit: 20773

(1) A copy of the agreement entered into by the municipal 20774  
corporation and taxpayer under section 718.15 or 718.151 of the 20775  
Revised Code; 20776

(2) A copy of the municipal ordinance or resolution 20777  
authorizing the agreement entered into between the municipal 20778  
corporation and the taxpayer. 20779

(B)(1) Each taxpayer that claims a credit shall submit, with 20780  
the taxpayer's tax return, documentation issued by the municipal 20781  
corporation granting the credit that confirms the eligibility of 20782  
the taxpayer for the credit, the amount of the credit for which 20783  
the taxpayer is eligible, and the tax year to which the credit is 20784  
to be applied. 20785

(2) Such documentation shall be provided in the form 20786  
prescribed by the tax commissioner. 20787

(3) Nothing in this section shall be construed to authorize 20788  
the tax commissioner to enter into an agreement with a taxpayer to 20789  
grant a credit, to determine if a taxpayer meets the conditions of 20790  
a tax credit agreement entered into by a municipal corporation and 20791  
taxpayer under section 718.15 or 718.151 of the Revised Code, or 20792  
to modify the terms or conditions of any such existing agreement. 20793

**Sec. 718.95.** (A) Except as provided in division (B) of this 20794  
section, whoever recklessly violates division (A) of section 20795  
718.84 of the Revised Code shall be guilty of a misdemeanor of the 20796

first degree and shall be subject to a fine of not more than one 20797  
thousand dollars or imprisonment for a term of up to six months, 20798  
or both. 20799

(B) Any person who recklessly discloses information received 20800  
from the internal revenue service in violation of division (A) of 20801  
section 718.84 of the Revised Code shall be guilty of a felony of 20802  
the fifth degree and shall be subject to a fine of not more than 20803  
five thousand dollars plus the costs of prosecution, or 20804  
imprisonment for a term not exceeding five years, or both. 20805

(C) Each instance of access or disclosure in violation of 20806

by any party, and shall proceed as in the case of appeals in civil 21140

actions and in accordance with the Rules of Appellate Procedure. 21141  
Upon the filing of a notice of appeal by any party to the 21142

procedure for the removal of officers in the charter prevails. 21159

the person's specific intention to engage in conduct of that 21165  
nature. 21166

(2) A person acts knowingly, regardless of the person's 21167

liability for noncompliance with air or water quality standards 21630  
adopted pursuant to section 3704.03 or 6111.041 of the Revised 21631

(1) Provide engineering service that is mutually agreeable to 21659

information pertaining to the origin, distribution, extent, use,	21681
and conservation of the soil resources of the state;	21682

surety bond conditioned on completion of the timber sale in 22352  
accordance with the terms of the agreement in an amount determined 22353  
by the chief. All bonds shall be given in a form prescribed by the 22354  
chief and shall run to the state as obligee. 22355

The chief shall not approve any bond until it is personally 22356  
signed and acknowledged by both principal and surety, or as to 22357  
either by the attorney in fact thereof, with a certified copy of 22358  
the power of attorney attached. The chief shall not approve the 22359  
bond unless there is attached a certificate of the superintendent 22360  
of insurance that the company is authorized to transact a fidelity 22361  
and surety business in this state. 22362

In lieu of a bond, the bidder may deposit any of the 22363  
following: 22364

- (1) Cash in an amount equal to the amount of the bond; 22365
- (2) United States government securities having a par value 22366  
equal to or greater than the amount of the bond; 22367
- (3) Negotiable certificates of deposit or irrevocable letters 22368

of credit issued by any bank organized or transacting business in 22369  
this state having a par value equal to or greater than the amount 22370  
of the bond. 22371

The cash or securities shall be deposited on the same terms 22372  
as bonds. If one or more certificates of deposit are deposited in 22373  
lieu of a bond, the chief shall require the bank that issued any 22374  
of the certificates to pledge securities of the aggregate market 22375  
value equal to the amount of the certificate or certificates that 22376  
is in excess of the amount insured by the federal deposit 22377  
insurance corporation. The securities to be pledged shall be those 22378  
designated as eligible under section 135.18 of the Revised Code. 22379  
The securities shall be security for the repayment of the 22380  
certificate or certificates of deposit. 22381

Immediately upon a deposit of cash, securities, certificates 22382  
of deposit, or letters of credit, the chief shall deliver them to 22383  
the treasurer of state, who shall hold them in trust for the 22384  
purposes for which they have been deposited. The treasurer of 22385  
state is responsible for the safekeeping of the deposits. A bidder 22386  
making a deposit of cash, securities, certificates of deposit, or 22387  
letters of credit may withdraw and receive from the treasurer of 22388  
state, on the written order of the chief, all or any portion of 22389  
the cash, securities, certificates of deposit, or letters of 22390  
credit upon depositing with the treasurer of state cash, other 22391  
United States government securities, or other negotiable 22392  
certificates of deposit or irrevocable letters of credit issued by 22393  
any bank organized or transacting business in this state, equal in 22394  
par value to the par value of the cash, securities, certificates 22395  
of deposit, or letters of credit withdrawn. 22396

A bidder may demand and receive from the treasurer of state 22397  
all interest or other income from any such securities or 22398  
certificates as it becomes due. If securities so deposited with 22399  
and in the possession of the treasurer of state mature or are 22400

called for payment by their issuer, the treasurer of state, at the request of the bidder who deposited them, shall convert the proceeds of the redemption or payment of the securities into other United States government securities, negotiable certificates of deposit, or cash as the bidder designates.

When the chief finds that a person or governmental agency has failed to comply with the conditions of the person's or governmental agency's bond, the chief shall make a finding of that fact and declare the bond, cash, securities, certificates, or letters of credit forfeited. The chief thereupon shall certify the total forfeiture to the attorney general, who shall proceed to collect the amount of the bond, cash, securities, certificates, or letters of credit.

In lieu of total forfeiture, the surety, at its option, may cause the timber sale to be completed or pay to the treasurer of state the cost thereof.

All moneys collected as a result of forfeitures of bonds, cash, securities, certificates, and letters of credit under this section shall be credited to the state forest fund created in this section.

(C) The chief may grant easements and leases on portions of the state forest lands and state forest nurseries under terms that are advantageous to the state, and the chief may grant mineral rights on a royalty basis on those lands and nurseries, with the approval of the attorney general and the director.

(D) All moneys received from the sale of state forest lands, or in payment for easements or leases on or as rents from those lands or from state forest nurseries, shall be paid into the state treasury to the credit of the state forest fund, which is hereby created. In addition, all moneys received from federal grants, payments, and reimbursements, from the sale of reforestation tree

stock, from the sale of forest products, other than standing 22432  
timber, and from the sale of minerals taken from the state forest 22433  
lands and state forest nurseries, together with royalties from 22434  
mineral rights, shall be paid into the state treasury to the 22435  
credit of the state forest fund. Any other revenues derived from 22436  
the operation of the state forests and related facilities or 22437  
equipment also shall be paid into the state treasury to the credit 22438  
of the state forest fund, as shall contributions received for the 22439  
issuance of Smokey Bear license plates under section 4503.574 of 22440  
the Revised Code and any other moneys required by law to be 22441  
deposited in the fund. 22442

The state forest fund shall not be expended for any purpose 22443  
other than the administration, operation, maintenance, 22444  
development, or utilization of the state forests, forest 22445  
nurseries, and forest programs, for facilities or equipment 22446  
incident to them, ~~or~~ for the further purchase of lands for state 22447  
forest or forest nursery purposes, or for wildfire suppression 22448  
payments and, in the case of contributions received pursuant to 22449  
section 4503.574 of the Revised Code, for fire prevention 22450  
purposes. 22451

All moneys received from the sale of standing timber taken 22452  
from state forest lands and state forest nurseries shall be 22453  
deposited into the state treasury to the credit of the forestry 22454  
holding account redistribution fund, which is hereby created. The 22455  
moneys shall remain in the fund until they are redistributed in 22456  
accordance with this division. 22457

The redistribution shall occur at least once each year. To 22458  
begin the redistribution, the chief first shall determine the 22459  
amount of all standing timber sold from state forest lands and 22460  
state forest nurseries, together with the amount of the total sale 22461  
proceeds, in each county, in each township within the county, and 22462  
in each school district within the county. The chief next shall 22463

determine the amount of the direct costs that the division of 22464  
forestry incurred in association with the sale of that standing 22465  
timber. The amount of the direct costs shall be subtracted from 22466  
the amount of the total sale proceeds and shall be transferred 22467  
from the forestry holding account redistribution fund to the state 22468  
forest fund. 22469

The remaining amount of the total sale proceeds equals the 22470  
net value of the standing timber that was sold. The chief shall 22471  
determine the net value of standing timber sold from state forest 22472  
lands and state forest nurseries in each county, in each township 22473  
within the county, and in each school district within the county 22474  
and shall send to each county treasurer a copy of the 22475  
determination at the time that moneys are paid to the county 22476  
treasurer under this division. 22477

Thirty-five per cent of the net value of standing timber sold 22478  
from state forest lands and state forest nurseries located in a 22479  
county shall be transferred from the forestry holding account 22480  
redistribution fund to the state forest fund. The remaining 22481  
sixty-five per cent of the net value shall be transferred from the 22482  
forestry holding account redistribution fund and paid to the 22483  
county treasurer for the use of the general fund of that county. 22484

The county auditor shall do all of the following: 22485

of this section; 22488

(2) Pay into the general fund of any township located within 22489  
the county and containing such lands and nurseries one-fourth of 22490  
the amount received by the county from standing timber sold from 22491  
lands and nurseries located in the township; 22492

(3) Request the board of education of any school district 22493  
located within the county and containing such lands and nurseries 22494

to identify which fund or funds of the district should receive the 22495  
moneys available to the school district under division (D)(3) of 22496  
this section. After receiving notice from the board, the county 22497  
auditor shall pay into the fund or funds so identified one-half of 22498  
the amount received by the county from standing timber sold from 22499  
lands and nurseries located in the school district, distributed 22500  
proportionately as identified by the board. 22501

The division of forestry shall not supply logs, lumber, or 22502  
other forest products or minerals, taken from the state forest 22503  
lands or state forest nurseries, to any other agency or 22504  
subdivision of the state unless payment is made therefor in the 22505  
amount of the actual prevailing value thereof. This section is 22506  
applicable to the moneys so received. 22507

(E) The chief may enter into a personal service contract for 22508  
consulting services to assist the chief with the sale of timber or 22509  
other forest products and related inventory. Compensation for 22510  
consulting services shall be paid from the proceeds of the sale of 22511  
timber or other forest products and related inventory that are the 22512  
subject of the personal service contract. 22513

transportation of brine by vehicle and penalties associated with a 22742

compliance agreement entered into pursuant to this chapter shall 22743  
be paid to the county treasury of the county where the violation 22744  
occurred. 22745

The fund shall be used solely and exclusively for the 22746  
purposes enumerated in division (B) of section 1509.071 of the 22747  
Revised Code, for the expenses of the division associated with the 22748  
administration of this chapter and Chapter 1571. of the Revised 22749  
Code and rules adopted under them, and for expenses that are 22750  
critical and necessary for the protection of human health and 22751  
safety and the environment related to oil and gas production in 22752  
this state. The expenses of the division in excess of the moneys 22753  
available in the fund shall be paid from general revenue fund 22754  
appropriations to the department. 22755

**Sec. 1509.07.** (A)(1)(a) Except as provided in division 22756  
(A)(1)(b) or (A)(2) of this section, an owner of any well, except 22757  
an exempt Mississippian well or an exempt domestic well, shall 22758  
obtain liability insurance coverage from a company authorized or 22759  
approved to do business in this state in an amount of not less 22760  
than one million dollars bodily injury coverage and property 22761  
damage coverage to pay damages for injury to persons or damage to 22762  
property caused by the drilling, operation, or plugging of all the 22763  
owner's wells in this state. However, if any well is located 22764  
within an urbanized area, the owner shall obtain liability 22765  
insurance coverage in an amount of not less than three million 22766  
dollars for bodily injury coverage and property damage coverage to 22767  
pay damages for injury to persons or damage to property caused by 22768  
the drilling, operation, or plugging of all of the owner's wells 22769  
in this state. 22770

(b) A board of county commissioners of a county that is an 22771  
owner of a well may elect to satisfy the liability coverage 22772  
requirements specified in division (A)(1)(a) of this section by 22773

participating in a joint self-insurance pool in accordance with 22774  
the requirements established under section 2744.081 of the Revised 22775  
Code. Nothing in division (A)(1)(b) of this section shall be 22776  
construed to allow an entity, other than a county, to participate 22777  
in a joint self-insurance pool to satisfy the liability coverage 22778  
requirements specified in division (A)(1)(a) of this section. 22779

(2) An owner of a horizontal well shall obtain liability 22780  
insurance coverage from an insurer authorized to write such 22781  
insurance in this state or from an insurer approved to write such 22782  
insurance in this state under section 3905.33 of the Revised Code 22783  
in an amount of not less than five million dollars bodily injury 22784  
coverage and property damage coverage to pay damages for injury to 22785  
persons or damage to property caused by the production operations 22786  
of all the owner's wells in this state. The insurance policy shall 22787  
include a reasonable level of coverage available for an 22788  
environmental endorsement. 22789

(3) An owner shall maintain the coverage required under 22790  
division (A)(1) or (2) of this section until all the owner's wells 22791  
are plugged and abandoned or are transferred to an owner who has 22792  
obtained insurance as required under this section and who is not 22793  
under a notice of material and substantial violation or under a 22794  
suspension order. The owner shall provide proof of liability 22795  
insurance coverage to the chief of the division of oil and gas 22796  
resources management upon request. Upon failure of the owner to 22797  
provide that proof when requested, the chief may order the 22798  
suspension of any outstanding permits and operations of the owner 22799  
until the owner provides proof of the required insurance coverage. 22800

(B)(1) Except as otherwise provided in this section, an owner 22801  
of any well, before being issued a permit under section 1509.06 of 22802  
the Revised Code or before operating or producing from a well, 22803  
shall execute and file with the division of oil and gas resources 22804  
management a surety bond conditioned on compliance with the 22805

restoration requirements of section 1509.072, the plugging 22806  
requirements of section 1509.12, the permit provisions of section 22807  
1509.13 of the Revised Code, and all rules and orders of the chief 22808  
relating thereto, in an amount set by rule of the chief. 22809

(2) The owner may deposit with the chief, instead of a surety 22810  
bond, cash in an amount equal to the surety bond as prescribed 22811  
pursuant to this section or negotiable certificates of deposit or 22812  
irrevocable letters of credit, issued by any bank organized or 22813  
transacting business in this state or by any savings and loan 22814  
association as defined in section 1151.01 of the Revised Code, 22815  
having a cash value equal to or greater than the amount of the 22816  
surety bond as prescribed pursuant to this section. Cash or 22817  
certificates of deposit shall be deposited upon the same terms as 22818  
those upon which surety bonds may be deposited. If certificates of 22819  
deposit are deposited with the chief instead of a surety bond, the 22820  
chief shall require the bank or savings and loan association that 22821  
issued any such certificate to pledge securities of a cash value 22822  
equal to the amount of the certificate that is in excess of the 22823  
amount insured by any of the agencies and instrumentalities 22824  
created under the "Federal Deposit Insurance Act," 64 Stat. 873 22825  
(1950), 12 U.S.C. 1811, as amended, and regulations adopted under 22826  
it, including at least the federal deposit insurance corporation, 22827  
bank insurance fund, and savings association insurance fund. The 22828  
securities shall be security for the repayment of the certificate 22829  
of deposit. 22830

Immediately upon a deposit of cash, certificates of deposit, 22831  
or letters of credit with the chief, the chief shall deliver them 22832  
to the treasurer of state who shall hold them in trust for the 22833  
purposes for which they have been deposited. 22834

(3) Instead of a surety bond, the chief may accept proof of 22835  
financial responsibility consisting of a sworn financial statement 22836  
showing a net financial worth within this state equal to twice the 22837

amount of the bond for which it substitutes and, as may be 22838  
required by the chief, a list of producing properties of the owner 22839  
within this state or other evidence showing ability and intent to 22840  
comply with the law and rules concerning restoration and plugging 22841  
that may be required by rule of the chief. The owner of an exempt 22842  
Mississippian well is not required to file scheduled updates of 22843  
the financial documents, but shall file updates of those documents 22844  
if requested to do so by the chief. The owner of a nonexempt 22845  
Mississippian well shall file updates of the financial documents 22846  
in accordance with a schedule established by rule of the chief. 22847  
The chief, upon determining that an owner for whom the chief has 22848  
accepted proof of financial responsibility instead of bond cannot 22849  
demonstrate financial responsibility, shall order that the owner 22850  
execute and file a bond or deposit cash, certificates of deposit, 22851  
or irrevocable letters of credit as required by this section for 22852  
the wells specified in the order within ten days of receipt of the 22853  
order. If the order is not complied with, all wells of the owner 22854  
that are specified in the order and for which no bond is filed or 22855  
cash, certificates of deposit, or letters of credit are deposited 22856  
shall be plugged. No owner shall fail or refuse to plug such a 22857  
well. Each day on which such a well remains unplugged thereafter 22858  
constitutes a separate offense. 22859

(4) The surety bond provided for in this section shall be 22860  
executed by a surety company authorized to do business in this 22861  
state. 22862

The chief shall not approve any bond until it is personally 22863  
signed and acknowledged by both principal and surety, or as to 22864  
either by the principal's or surety's attorney in fact, with a 22865  
certified copy of the power of attorney attached thereto. The 22866  
chief shall not approve a bond unless there is attached a 22867  
certificate of the superintendent of insurance that the company is 22868  
authorized to transact a fidelity and surety business in this 22869

state. 22870

All bonds shall be given in a form to be prescribed by the 22871  
chief and shall run to the state as obligee. 22872

(5) An owner of an exempt Mississippian well or an exempt 22873  
domestic well, in lieu of filing a surety bond, cash in an amount 22874  
equal to the surety bond, certificates of deposit, irrevocable 22875  
letters of credit, or a sworn financial statement, may file a 22876  
one-time fee of fifty dollars, which shall be deposited in the oil 22877  
and gas well plugging fund created in section 1509.071 of the 22878  
Revised Code. 22879

(C) An owner, operator, producer, or other person shall not 22880  
operate a well or produce from a well at any time if the owner, 22881  
operator, producer, or other person has not satisfied the 22882  
requirements established in this section. 22883

**Sec. 1509.071.** (A) When the chief of the division of oil and 22884  
gas resources management finds that an owner has failed to comply 22885  
with a final nonappealable order issued or compliance agreement 22886  
entered into under section 1509.04, the restoration requirements 22887  
of section 1509.072, plugging requirements of section 1509.12, or 22888  
permit provisions of section 1509.13 of the Revised Code, or rules 22889  
and orders relating thereto, the chief shall make a finding of 22890  
that fact and declare any surety bond filed to ensure compliance 22891  
with those sections and rules forfeited in the amount set by rule 22892  
of the chief. The chief thereupon shall certify the total 22893  
forfeiture to the attorney general, who shall proceed to collect 22894  
the amount of the forfeiture. In addition, the chief may require 22895  
an owner, operator, producer, or other person who forfeited a 22896  
surety bond to post a new surety bond in the amount of fifteen 22897  
thousand dollars for a single well, thirty thousand dollars for 22898  
two wells, or fifty thousand dollars for three or more wells. 22899

In lieu of total forfeiture, the surety or owner, at the 22900

surety's or owner's option, may cause the well to be properly plugged and abandoned and the area properly restored or pay to the treasurer of state the cost of plugging and abandonment.

(B) All moneys collected because of forfeitures of bonds as provided in this section shall be deposited in the state treasury to the credit of the oil and gas well fund created in section 1509.02 of the Revised Code.

The chief annually shall spend not less than fourteen per cent of the revenue credited to the fund during the previous fiscal year for the following purposes:

(1) In accordance with division (D) of this section, to plug idle and orphaned wells or to restore the land surface properly as required in section 1509.072 of the Revised Code;

(2) In accordance with division (E) of this section, to correct conditions that the chief reasonably has determined are causing imminent health or safety risks at an idle and orphaned well or a well for which the owner cannot be contacted in order to initiate a corrective action within a reasonable period of time as determined by the chief.

Expenditures from the fund shall be made only for lawful purposes. In addition, expenditures from the fund shall not be made to purchase real property or to remove a dwelling in order to access a well.

The director of budget and management, in consultation with the chief, shall establish an accounting code for purposes of tracking expenditures made as required under this division.

(C)(1) Upon determining that the owner of a well has failed to properly plug and abandon it or to properly restore the land surface at the well site in compliance with the applicable requirements of this chapter and applicable rules adopted and orders issued under it or that a well is an abandoned well for

which no funds are available to plug the well in accordance with 22932  
this chapter, the chief shall do all of the following: 22933

(a) Determine from the records in the office of the county 22934  
recorder of the county in which the well is located the identity 22935  
of the owner of the land on which the well is located, the 22936  
identity of the owner of the oil or gas lease under which the well 22937  
was drilled or the identity of each person owning an interest in 22938  
the lease, and the identities of the persons having legal title 22939  
to, or a lien upon, any of the equipment appurtenant to the well; 22940

(b) Mail notice to the owner of the land on which the well is 22941  
located informing the landowner that the well is to be plugged. If 22942  
the owner of the oil or gas lease under which the well was drilled 22943  
is different from the owner of the well or if any persons other 22944  
than the owner of the well own interests in the lease, the chief 22945  
also shall mail notice that the well is to be plugged to the owner 22946  
of the lease or to each person owning an interest in the lease, as 22947  
appropriate. 22948

(c) Mail notice to each person having legal title to, or a 22949  
lien upon, any equipment appurtenant to the well, informing the 22950  
person that the well is to be plugged and offering the person the 22951  
opportunity to plug the well and restore the land surface at the 22952  
well site at the person's own expense in order to avoid forfeiture 22953  
of the equipment to this state. 22954

(2) If none of the persons described in division (C)(1)(c) of 22955  
this section plugs the well within sixty days after the mailing of 22956  
the notice required by that division, all equipment appurtenant to 22957  
the well is hereby declared to be forfeited to this state without 22958  
compensation and without the necessity for any action by the state 22959  
for use to defray the cost of plugging and abandoning the well and 22960  
restoring the land surface at the well site. 22961

(D) Expenditures from the fund for the purpose of division 22962

(B)(1) of this section shall be made in accordance with either of 22963  
the following: 22964

(1) The expenditures may be made pursuant to contracts 22965  
entered into by the chief with persons who agree to furnish all of 22966  
the materials, equipment, work, and labor as specified and 22967  
provided in such a contract for activities associated with the 22968  
restoration or plugging of a well as determined by the chief. The 22969  
activities may include excavation to uncover a well, geophysical 22970  
methods to locate a buried well when clear evidence of leakage 22971  
from the well exists, cleanout of wellbores to remove material 22972  
from a failed plugging of a well, plugging operations, 22973  
installation of vault and vent systems, including associated 22974  
engineering certifications and permits, restoration of property, 22975  
and repair of damage to property that is caused by such 22976  
activities. Expenditures shall not be used for salaries, 22977  
maintenance, equipment, or other administrative purposes, except 22978  
for costs directly attributed to the plugging of an idle and 22979  
orphaned well. Agents or employees of persons contracting with the 22980  
chief for a restoration or plugging project may enter upon any 22981  
land, public or private, on which the well is located for the 22982  
purpose of performing the work. Prior to such entry, the chief 22983  
shall give to the following persons written notice of the 22984  
existence of a contract for a project to restore or plug a well, 22985  
the names of the persons with whom the contract is made, and the 22986  
date that the project will commence: the owner of the well, the 22987  
owner of the land upon which the well is located, the owner or 22988  
agents of adjoining land, and, if the well is located in the same 22989  
township as or in a township adjacent to the excavations and 22990  
workings of a mine and the owner or lessee of that mine has 22991  
provided written notice identifying those townships to the chief 22992  
at any time during the immediately preceding three years, the 22993  
owner or lessee of the mine. 22994

(2)(a) The owner of the land on which a well is located who 22995  
has received notice under division (C)(1)(b) of this section may 22996  
plug the well and be reimbursed by the division of oil and gas 22997  
resources management for the reasonable cost of plugging the well. 22998  
In order to plug the well, the landowner shall submit an 22999  
application to the chief on a form prescribed by the chief and 23000  
approved by the technical advisory council on oil and gas created 23001  
in section 1509.38 of the Revised Code. The application, at a 23002  
minimum, shall require the landowner to provide the same 23003  
information as is required to be included in the application for a 23004  
permit to plug and abandon under section 1509.13 of the Revised 23005  
Code. The application shall be accompanied by a copy of a proposed 23006  
contract to plug the well prepared by a contractor regularly 23007  
engaged in the business of plugging oil and gas wells. The 23008  
proposed contract shall require the contractor to furnish all of 23009  
the materials, equipment, work, and labor necessary to plug the 23010  
well properly and shall specify the price for doing the work, 23011  
including a credit for the equipment appurtenant to the well that 23012  
was forfeited to the state through the operation of division 23013  
(C)(2) of this section. Expenditures under division (D)(2)(a) of 23014  
this section shall be consistent with the expenditures for 23015  
activities described in division (D)(1) of this section. The 23016  
application also shall be accompanied by the permit fee required 23017  
by section 1509.13 of the Revised Code unless the chief, in the 23018  
chief's discretion, waives payment of the permit fee. The 23019  
application constitutes an application for a permit to plug and 23020  
abandon the well for the purposes of section 1509.13 of the 23021  
Revised Code. 23022

(b) Within thirty days after receiving an application and 23023  
accompanying proposed contract under division (D)(2)(a) of this 23024  
section, the chief shall determine whether the plugging would 23025  
comply with the applicable requirements of this chapter and 23026  
applicable rules adopted and orders issued under it and whether 23027

the cost of the plugging under the proposed contract is 23028  
reasonable. If the chief determines that the proposed plugging 23029  
would comply with those requirements and that the proposed cost of 23030  
the plugging is reasonable, the chief shall notify the landowner 23031  
of that determination and issue to the landowner a permit to plug 23032  
and abandon the well under section 1509.13 of the Revised Code. 23033  
Upon approval of the application and proposed contract, the chief 23034  
shall transfer ownership of the equipment appurtenant to the well 23035  
to the landowner. The chief may disapprove an application 23036  
submitted under division (D)(2)(a) of this section if the chief 23037  
determines that the proposed plugging would not comply with the 23038  
applicable requirements of this chapter and applicable rules 23039  
adopted and orders issued under it, that the cost of the plugging 23040  
under the proposed contract is unreasonable, or that the proposed 23041  
contract is not a bona fide, arm's length contract. 23042

(c) After receiving the chief's notice of the approval of the 23043  
application and permit to plug and abandon a well under division 23044  
(D)(2)(b) of this section, the landowner shall enter into the 23045  
proposed contract to plug the well. 23046

(d) Upon determining that the plugging has been completed in 23047  
compliance with the applicable requirements of this chapter and 23048  
applicable rules adopted and orders issued under it, the chief 23049  
shall reimburse the landowner for the cost of the plugging as set 23050  
forth in the proposed contract approved by the chief. The 23051  
reimbursement shall be paid from the oil and gas well fund. If the 23052  
chief determines that the plugging was not completed in accordance 23053  
with the applicable requirements, the chief shall not reimburse 23054  
the landowner for the cost of the plugging, and the landowner or 23055  
the contractor, as applicable, promptly shall transfer back to 23056  
this state title to and possession of the equipment appurtenant to 23057  
the well that previously was transferred to the landowner under 23058  
division (D)(2)(b) of this section. If any such equipment was 23059

removed from the well during the plugging and sold, the landowner 23060  
shall pay to the chief the proceeds from the sale of the 23061  
equipment, and the chief promptly shall pay the moneys so received 23062  
to the treasurer of state for deposit into the oil and gas well 23063  
fund. 23064

The chief may establish an annual limit on the number of 23065  
wells that may be plugged under division (D)(2) of this section or 23066  
an annual limit on the expenditures to be made under that 23067  
division. 23068

As used in division (D)(2) of this section, "plug" and 23069  
"plugging" include the plugging of the well and the restoration of 23070  
the land surface disturbed by the plugging. 23071

(E) Expenditures from the oil and gas well fund for the 23072  
purpose of division (B)(2) of this section may be made pursuant to 23073  
contracts entered into by the chief with persons who agree to 23074  
furnish all of the materials, equipment, work, and labor as 23075  
specified and provided in such a contract. The competitive bidding 23076  
requirements of Chapter 153. of the Revised Code do not apply if 23077  
the chief reasonably determines that an emergency situation exists 23078  
requiring immediate action for the correction of the applicable 23079  
health or safety risk. A contract or purchase of materials for 23080  
purposes of addressing the emergency situation is not subject to 23081  
division (B) of section 127.16 of the Revised Code. The chief, 23082  
designated representatives of the chief, and agents or employees 23083  
of persons contracting with the chief under this division may 23084  
enter upon any land, public or private, for the purpose of 23085  
performing the work. 23086

(F) Contracts entered into by the chief under this section 23087  
are not subject to any of the following: 23088

(1) Chapter 4115. of the Revised Code; 23089

(2) Section 153.54 of the Revised Code, except that the 23090

contractor shall obtain and provide to the chief as a bid guaranty 23091  
a surety bond or letter of credit in an amount equal to ten per 23092  
cent of the amount of the contract; 23093

(3) Section 4733.17 of the Revised Code. 23094

(G) The owner of land on which a well is located who has 23095  
received notice under division (C)(1)(b) of this section, in lieu 23096  
of plugging the well in accordance with division (D)(2) of this 23097  
section, may cause ownership of the well to be transferred to an 23098  
owner who is lawfully doing business in this state and who has met 23099  
the financial responsibility requirements established under 23100  
section 1509.07 of the Revised Code, subject to the approval of 23101  
the chief. The transfer of ownership also shall be subject to the 23102  
landowner's filing the appropriate forms required under section 23103  
1509.31 of the Revised Code and providing to the chief sufficient 23104  
information to demonstrate the landowner's or owner's right to 23105  
produce a formation or formations. That information may include a 23106  
deed, a lease, or other documentation of ownership or property 23107  
rights. 23108

The chief shall approve or disapprove the transfer of 23109  
ownership of the well. If the chief approves the transfer, the 23110  
owner is responsible for operating the well in accordance with 23111  
this chapter and rules adopted under it, including, without 23112  
limitation, all of the following: 23113

(1) Filing an application with the chief under section 23114  
1509.06 of the Revised Code if the owner intends to drill deeper 23115  
or produce a formation that is not listed in the records of the 23116  
division for that well; 23117

(2) Taking title to and possession of the equipment 23118  
appurtenant to the well that has been identified by the chief as 23119  
having been abandoned by the former owner; 23120

(3) Complying with all applicable requirements that are 23121

necessary to drill deeper, plug the well, or plug back the well. 23122

(H) The chief shall issue an order that requires the owner of 23123  
a well to pay the actual documented costs of a corrective action 23124  
that is described in division (B)(2) of this section concerning 23125  
the well. The chief shall transmit the money so recovered to the 23126  
treasurer of state who shall deposit the money in the state 23127  
treasury to the credit of the oil and gas well fund. 23128

United States; any other governmental agencies; or any state 23131  
university or college as defined in section 3345.27 of the Revised 23132

responsibly. 23140

(B) There is hereby created the oil and gas leasing 23141  
commission consisting of the chief of the division of geological 23142  
survey and the following four members ~~appointed by the governor:~~ 23143

(1) Two members, appointed by the speaker of the house of 23144

occurring prior to the expiration of the term for which the 23168  
member's predecessor was appointed shall hold office for the 23169  
remainder of that term. A member shall continue in office 23170  
subsequent to the expiration date of the member's term until the 23171

has elapsed, whichever occurs first. 23173

(D) Three members constitute a quorum of the commission, and 23174  
no action of the commission is valid unless it has the concurrence 23175  
of at least three members. The commission shall keep a record of 23176  
its proceedings. The chief of the division of geological survey 23177  
shall serve as the chairperson of the commission. 23178

(G) The department of natural resources shall furnish 23186  
clerical, technical, legal, and other services required by the 23187  
commission in the performance of its duties. 23188

**Sec. 1513.18.** (A) All money that becomes the property of the 23189  
state under division (G) of section 1513.16 of the Revised Code 23190  
shall be deposited in the reclamation forfeiture fund, which is 23191  
hereby created in the state treasury. Disbursements from the fund 23192  
shall be made by the chief of the division of mineral resources 23193  
management for the purpose of reclaiming areas of land affected by 23194  
coal mining under a coal mining and reclamation permit issued on 23195  
or after September 1, 1981, on which an operator has defaulted. 23196

(B) The fund also shall consist of all money from the 23197  
collection of liens under section 1513.081 of the Revised Code, 23198  
~~any moneys transferred to it under section 1513.181 of the Revised~~ 23199  
~~Code from the coal mining and reclamation reserve fund created in~~ 23200  
~~that section,~~ all money credited to the fund from the fee levied 23201  
by division (F)(8)(c) of section 1513.16 of the Revised Code, 23202  
fines collected under division (E) of section 1513.02 and section 23203  
1513.99 of the Revised Code, fines collected for a violation of 23204  
section 2921.31 of the Revised Code that, prior to July 1, 1996, 23205  
would have been a violation of division (G) of section 1513.17 of 23206  
the Revised Code as it existed prior to that date, and ~~moneys~~ 23207  
money collected and credited to it pursuant to section 5749.02 of 23208  
the Revised Code. Disbursements from the fund shall be made by the 23209  
chief in accordance with division (D) of this section for the 23210  
purpose of reclaiming areas that an operator has affected by 23211  
mining and failed to reclaim under a coal mining and reclamation 23212  
permit issued under this chapter. 23213

The chief may expend ~~moneys~~ money from the fund to pay 23214

necessary administrative costs, including engineering and design 23215  
services, incurred by the division of mineral resources management 23216  
in reclaiming these areas. The chief also may expend ~~moneys~~ money 23217  
from the fund to pay necessary administrative costs of the 23218  
reclamation forfeiture fund advisory board created in section 23219  
1513.182 of the Revised Code as authorized by the board under that 23220  
section. Expenditures from the fund to pay such administrative 23221  
costs need not be made under contract. 23222

(C) Except when paying necessary administrative costs 23223  
authorized by division (B) of this section, expenditures from the 23224  
fund shall be made under contracts entered into by the chief, with 23225  
the approval of the director of natural resources, in accordance 23226  
with procedures established by the chief, by rules adopted in 23227  
accordance with section 1513.02 of the Revised Code. The chief may 23228  
reclaim the land in the same manner as set forth in sections 23229  
1513.21 to 1513.24 of the Revised Code. Each contract awarded by 23230  
the chief shall be awarded to the lowest responsive and 23231  
responsible bidder, in accordance with section 9.312 of the 23232  
Revised Code, after sealed bids are received, opened, and 23233  
published at the time and place fixed by the chief. The chief 23234  
shall publish notice of the time and place at which bids will be 23235  
received, opened, and published, at least once and at least ten 23236  
days before the date of the opening of the bids, in a newspaper of 23237  
general circulation in the county in which the area of land to be 23238  
reclaimed under the contract is located. If, after advertising, no 23239  
bids are received at the time and place fixed for receiving them, 23240  
the chief may advertise again for bids, or, if the chief considers 23241  
the public interest will best be served, the chief may enter into 23242  
a contract for the reclamation of the area of land without further 23243  
advertisement for bids. The chief may reject any or all bids 23244  
received and again publish notice of the time and place at which 23245  
bids for contracts will be received, opened, and published. The 23246  
chief, with the approval of the director, may enter into a 23247

contract with the landowner, a coal mine operator or surface mine 23248  
operator mining under a current, valid permit issued under this 23249  
chapter or Chapter 1514. of the Revised Code, or a contractor 23250  
hired by the surety or trustee, if the performance security is 23251  
held in trust, to complete reclamation on land affected by coal 23252  
mining on which an operator has defaulted, or with a contractor 23253  
hired by the trust administrator of an alternative financial 23254  
security that is provided in accordance with division (F)(8) of 23255  
section 1513.16 of the Revised Code to provide long-term water 23256  
treatment or a long-term alternative water supply on areas 23257  
affected by coal mining on which a permittee has defaulted or not 23258  
fully funded an alternative financial security, without 23259  
advertising for bids. 23260

(D)(1) The chief shall expend money credited to the 23261  
reclamation forfeiture fund from the forfeiture of the performance 23262  
security applicable to an area of land to pay for the cost of 23263  
completing reclamation to the standards established by this 23264  
chapter and rules adopted under it. 23265

(2) If the performance security for the area of land was 23266  
provided under division (C)(1) of section 1513.08 of the Revised 23267  
Code, the chief shall use the money from the forfeited performance 23268  
security and any alternative financial security provided under 23269  
division (F)(8) of section 1513.16 of the Revised Code to complete 23270  
the reclamation that the operator failed to do under the 23271  
operator's applicable coal mining and reclamation permit issued 23272  
under this chapter. 23273

(3) If the performance security for the area of land was 23274  
provided under division (C)(2) of section 1513.08 of the Revised 23275  
Code, the chief shall use the money from the forfeited performance 23276  
security and any alternative financial security provided under 23277  
division (F)(8) of section 1513.16 of the Revised Code to complete 23278  
the reclamation that the operator failed to do under the 23279

operator's applicable coal mining and reclamation permit issued 23280  
under this chapter. If the money credited to the reclamation 23281  
forfeiture fund from the forfeiture of the performance security 23282  
provided under division (C)(2) of section 1513.08 of the Revised 23283  
Code and any alternative financial security provided under 23284  
division (F)(8) of section 1513.16 of the Revised Code is not 23285  
sufficient to complete the reclamation to the standards 23286  
established by this chapter and rules adopted under it, the chief 23287  
shall notify the reclamation forfeiture fund advisory board of the 23288  
amount of the insufficiency. The chief may expend money credited 23289  
to the reclamation forfeiture fund under section 5749.02 of the 23290  
Revised Code, or credited to the reclamation forfeiture fund from 23291  
the fee levied by division (F)(8)(c) of section 1513.16 of the 23292  
Revised Code, ~~or transferred to the fund under section 1513.181 of~~ 23293  
~~the Revised Code~~ to complete the reclamation to the standards 23294  
established by this chapter and rules adopted under it. Except as 23295  
provided in division (D)(5) of this section, the chief shall not 23296  
expend money from the fund in an amount that exceeds the 23297  
difference between the amount of the performance security provided 23298  
under division (C)(2) of section 1513.08 of the Revised Code and 23299  
the estimated cost of reclamation as determined by the chief under 23300  
divisions (B) and (E) of that section. 23301

(4) Except as provided in division (D)(5) of this section, 23302  
money from the reclamation forfeiture fund shall not be used for 23303  
reclamation of land or water resources affected by mine drainage 23304  
that requires extended water treatment after reclamation is 23305  
completed under the terms of the permit. In addition, money from 23306  
the reclamation forfeiture fund shall not be used to supplement 23307  
the performance security of an applicant or permittee that has 23308  
provided performance security in accordance with division (C)(1) 23309  
of section 1513.08 of the Revised Code. 23310

(5) If a permittee relies in part on the reclamation 23311

forfeiture fund for alternative financial security under division 23312  
(F)(8)(c) of section 1513.16 of the Revised Code, money from the 23313  
reclamation forfeiture fund may be used for reclamation of the 23314  
land or water resources affected by mine drainage that requires 23315  
water treatment after reclamation is completed under the terms of 23316  
the permit or an alternative water supply after reclamation is 23317  
completed under the terms of the permit in an amount not to exceed 23318  
the balance of the alternative financial security provided by the 23319  
reclamation forfeiture fund under that division. 23320

(E) The chief shall keep a detailed accounting of the 23321  
expenditures from the reclamation forfeiture fund to complete 23322  
reclamation of the land or water resources, as applicable, and, 23323  
upon completion of the reclamation, shall certify the expenditures 23324  
to the attorney general. Upon the chief's certification of the 23325  
expenditures from the reclamation forfeiture fund, the attorney 23326  
general shall bring an action for that amount of money. The 23327  
operator is liable for that expense in addition to any other 23328  
liabilities imposed by law. ~~Moneys~~ Money so recovered shall be 23329  
credited to the reclamation forfeiture fund. The chief shall not 23330  
postpone the reclamation because of any action brought by the 23331  
attorney general under this division. Prior to completing 23332  
reclamation, the chief may collect through the attorney general 23333  
any additional amount that the chief believes will be necessary 23334  
for reclamation in excess of the forfeited performance security 23335  
and any alternative financial security amount applicable to the 23336  
land or water resources that the operator should have, but failed 23337  
to, reclaim. 23338

(F) Except as otherwise provided in division (H) of this 23339  
section, if any part of the ~~moneys~~ money in the reclamation 23340  
forfeiture fund remains in the fund after the chief has caused the 23341  
area of land to be reclaimed and has paid all the reclamation 23342  
costs and expenses, the chief may expend those ~~moneys~~ money to 23343

complete other reclamation work performed under this section on 23344  
forfeiture areas affected under a coal mining and reclamation 23345  
permit issued on or after September 1, 1981. 23346

(G) The chief shall require every contractor performing 23347  
reclamation work pursuant to this section to pay workers at the 23348  
greater of their regular rate of pay, as established by contract, 23349  
agreement, or prior custom or practice, or the average wage rate 23350  
paid in this state for the same or similar work as determined by 23351  
the chief under section 1513.02 of the Revised Code. 23352

(H) All investment earnings of the fund shall be credited to 23353  
the fund and shall be used only for the reclamation of land for 23354  
which performance security was provided under division (C)(2) of 23355  
section 1513.08 of the Revised Code. 23356

**Sec. 1513.20.** The chief of the division of mineral resources 23357  
management, with the approval of the director of natural 23358  
resources, may purchase or acquire by gift, donation, or 23359  
contribution any eroded land, including land affected by strip 23360  
mining, for which no cash is held in the reclamation forfeiture 23361  
fund created by section 1513.18 of the Revised Code. For this 23362  
purpose the chief may expend ~~moneys~~ money deposited in the 23363  
~~unreclaimed lands~~ mining regulation and safety fund created by 23364  
section 1513.30 of the Revised Code. All lands purchased or 23365  
acquired shall be deeded to the state, but no deed shall be 23366  
accepted or the purchase price paid until the title has been 23367  
approved by the attorney general. 23368

**Sec. 1513.25.** After completion of the reclamation of a tract 23369  
of land acquired pursuant to section 1513.20 of the Revised Code, 23370  
the chief of the division of mineral resources management may, if 23371  
the land is suitable to the uses of any other department, 23372  
division, office, or institution of the state, transfer the land 23373

or tract to that department, division, office, or institution, 23374  
subject to the approval of the director of natural resources. 23375

With the approval of the attorney general and the director, 23376  
the chief may sell any such land or tract, after completion of the 23377  
plan of reclamation, when the sale is advantageous to the state. 23378

With the approval of the attorney general and the director, 23379  
the chief may grant easements and leases on the land or tract 23380  
under terms advantageous to the state, and may grant mineral 23381  
rights on a royalty basis. 23382

All ~~moneys~~ money received from the sale of reclaimed lands, 23383  
or in payment for easements, leases, or royalties, shall be paid 23384  
to the ~~unreclaimed lands~~ mining regulation and safety fund created 23385  
in section 1513.30 of the Revised Code. 23386

**Sec. 1513.27.** As used in this section and sections 1513.28, 23387  
1513.30, 1513.31, and 1513.32 of the Revised Code, "damage to 23388  
adjacent property" means physical injury or harm to nearby 23389  
property caused by the unreclaimed condition of lands mined prior 23390  
to April 10, 1972, or pursuant to a license issued prior to April 23391  
10, 1972, including, without limitation, injury or harm to 23392  
vegetation on adjacent property, pollution of surface or 23393  
underground waters on adjacent property, loss or interruption of 23394  
water supply on adjacent property, flow of acid water onto or 23395  
across adjacent property, flooding of adjacent property, 23396  
landslides onto or across adjacent property, erosion of adjacent 23397  
property, or deposition of sediment upon adjacent property. Damage 23398  
to adjacent property does not include any diminution of the market 23399  
value of adjacent property caused exclusively by the visual or 23400  
aesthetic appearance of such unreclaimed lands. 23401

The chief of the division of mineral resources management, 23402  
with the approval of the director of natural resources, may enter 23403  
into a written agreement, which may be in the form of a contract, 23404

with the owner of any unreclaimed land affected by mining before 23405  
April 10, 1972, or pursuant to a license issued before April 10, 23406  
1972, that causes or may cause pollution of the waters of the 23407  
state or damage to adjacent property, is not likely to be mined in 23408  
the foreseeable future, and lies within the boundaries of a 23409  
project area approved by the chief under section 1513.30 of the 23410  
Revised Code, under which the state or its agents may enter the 23411  
land to reclaim it at state expense with ~~moneys~~ money from the 23412  
~~unreclaimed lands~~ mining regulation and safety fund by 23413  
establishing vegetative cover and substantially reducing or 23414  
eliminating erosion, sedimentation, landslides, pollution, 23415  
accumulation or discharge of acid water, flooding, and damage to 23416  
adjacent property. The agreement may include provisions pertaining 23417  
to liability for damages and any other provisions necessary or 23418  
desirable to achieve the purposes of this section. 23419

If the chief makes a finding of fact that land or water 23420  
resources have been adversely affected by past coal mining 23421  
practices; if the adverse effects are at a stage where, in the 23422  
public interest, action to restore, reclaim, abate, control, or 23423  
prevent the adverse effects should be taken; and if the owners of 23424  
the affected land or water resources either are not known or 23425  
readily available or will not give permission for the state, 23426  
political subdivisions, or their agents, employees, or contractors 23427  
to enter on the property to restore, reclaim, abate, control, or 23428  
prevent the adverse effects, the chief or the chief's agents, 23429  
employees, or contractors may enter on the affected property in 23430  
order to do all things necessary or expedient to restore, reclaim, 23431  
abate, control, or prevent the adverse effects. Prior to entering 23432  
on the property, the chief or the chief's agents, employees, or 23433  
contractors shall give notice by mail to the owners, if known, or, 23434  
if not known, by posting notice on the premises and advertising 23435  
once in a newspaper of general circulation in the county or 23436  
municipal corporation in which the land lies. Such an entry shall 23437

be construed as an exercise of the police power for the protection 23438  
of public health, safety, and welfare and shall not be construed 23439  
as an act of condemnation of property or of trespass. The ~~moneys~~ 23440  
money expended for the work and the benefits accruing to any 23441  
premises so entered upon shall be chargeable against land and 23442  
shall mitigate or offset any claim in or any action brought by any 23443  
owner of any interest in the premises for any alleged damages by 23444  
virtue of the entry. This provision is not intended to create new 23445  
rights of action or eliminate existing immunities. 23446

Each agreement entered into pursuant to this section shall 23447  
contain provisions for the reimbursement of a portion of the costs 23448  
of the reclamation that is commensurate with the increase in the 23449  
fair market value of the property attributable to the reclamation 23450  
work thereon, as determined by appraisals made before and after 23451  
reclamation in the manner stated in the agreement, unless the 23452  
determination discloses an increase in value that is 23453  
insubstantial. For reimbursement of the portion, the agreement may 23454  
include provisions for any of the following: 23455

(A) Public use for soil, water, forest, or wildlife 23456  
conservation or public recreation purposes; 23457

(B) Payment to the state of the share of the income from the 23458  
crops or timber produced on the land that is stated in the 23459  
agreement; 23460

(C) Imposition of a lien in the amount of the increase in 23461  
fair market value payable upon transfer or conveyance of the 23462  
property to a new owner. All such reimbursements and payments 23463  
shall be credited to the ~~unreclaimed lands~~ mining regulation and 23464  
safety fund. 23465

(D) Payment to the state in cash of the amount of the 23466  
increase in fair market value, payable upon completion of the 23467  
reclamation. 23468

For the purpose of selecting lands to be reclaimed within the 23469  
boundaries of approved project areas, the chief shall consult the 23470  
owners of unreclaimed lands, may consult with local officials, 23471  
civic and professional organizations, and interested individuals, 23472  
and shall consider the feasibility, cost, and public benefits of 23473  
reclaiming particular lands, their potential for being mined, and 23474  
the availability of federal or other assistance for reclamation. 23475  
Before entering into the agreement, the chief shall prepare or 23476  
approve a detailed plan with topographic maps indicating the 23477  
reclamation improvements to be made. The plan may include 23478  
improvements recommended by the owner, but may not include 23479  
improvements that the chief finds are not necessary to establish 23480  
vegetative cover or substantially reduce or eliminate erosion, 23481  
sedimentation, landslides, pollution, accumulation or discharge of 23482  
acid water, flooding, or damage to adjacent property. 23483

With the approval of the director and upon entering into the 23484  
agreement with the owner, the chief may carry out the plan of 23485  
reclamation or any part thereof with the employees and equipment 23486  
of any division of the department of natural resources, or the 23487  
chief may carry out the plan or any part thereof by contracting 23488  
therefor. 23489

The chief, with the approval of the director and written 23490  
consent of the owner, may enter into a contract with an operator 23491  
mining adjacent land under a current, valid permit to carry out 23492  
the plan of reclamation on the unreclaimed land or any part of the 23493  
plan without advertising for bids. Contracts entered into with 23494  
operators mining adjacent land are not subject to division (B) of 23495  
section 127.16 of the Revised Code. 23496

The chief shall require every operator mining adjacent land 23497  
who performs reclamation work pursuant to this section to pay 23498  
workers at the greater of their regular rate of pay, as 23499  
established by contract, agreement, or prior custom or practice, 23500

or the average wage rate paid in this state for the same or 23501  
similar work performed in the same or similar locality by private 23502  
companies doing their own reclamation work. Each contract awarded 23503  
by the chief to other than an operator mining adjacent land shall 23504  
be awarded to the lowest responsible bidder after sealed bids are 23505  
received, opened, and published at the time and place fixed by the 23506  
chief. The chief shall publish notice of the time and place at 23507  
which bids will be received, opened, and published, at least once 23508  
at least ten days before the date of the opening of the bids, in a 23509  
newspaper of general circulation in the county in which the area 23510  
of land to be reclaimed under the contract is located. If, after 23511  
so advertising for bids, no bids are received by the chief at the 23512  
time and place fixed for receiving them, the chief may advertise 23513  
again for bids, or, if the chief considers the public interest 23514  
will be best served, the chief may enter into a contract for the 23515  
reclamation of the area of land without further advertisement for 23516  
bids. The chief may reject all bids received and again publish 23517  
notice of the time and place at which bids for contracts will be 23518  
received, opened, and published. The chief, with the approval of 23519  
the director and written consent of the owner, may enter into a 23520  
contract with a licensed mine operator mining adjacent land under 23521  
a valid permit to carry out the plan of reclamation on the 23522  
unreclaimed land or any part of the plan without advertising for 23523  
bids. 23524

**Sec. 1513.28.** The chief of the division of mineral resources 23525  
management, with the approval of the director of natural 23526  
resources, may make grants of ~~moneys~~ money from the ~~unreclaimed~~ 23527  
~~lands~~ mining regulation and safety fund created by section 1513.30 23528  
of the Revised Code for the payment by the state of up to 23529  
seventy-five per cent of the reasonable and necessary reclamation 23530  
expenses incurred by the owner of any unreclaimed land affected by 23531  
mining before April 10, 1972, or pursuant to a license issued 23532

before April 10, 1972, that causes or may cause pollution of the 23533  
waters of the state or damage to adjacent property, is not likely 23534  
to be mined in the foreseeable future, and lies within the 23535  
boundaries of a project area approved by the chief under section 23536  
1513.30 of the Revised Code. 23537

The owner shall submit application for a grant on forms 23538  
furnished by the division, together with detailed plans and 23539  
topographic maps indicating the reclamation improvements to be 23540  
made, an itemized estimate of the project's cost, a description of 23541  
the project's benefits, and such other information as the chief 23542  
prescribes. The plan of reclamation may be prepared in 23543  
consultation with a local soil and water conservation district. 23544

The chief may award the applicant a grant only after finding 23545  
that the proposed reclamation work will establish vegetative cover 23546  
and substantially reduce or eliminate erosion, sedimentation, 23547  
landslides, pollution, accumulation or discharge of acid water, 23548  
flooding, and damage to adjacent property. 23549

For the purpose of establishing priorities for awarding 23550  
grants under this section and section 1513.31 of the Revised Code, 23551  
the chief shall consider each project's feasibility, cost, and 23552  
public benefits of reclaiming the particular land, its potential 23553  
for being mined, and the availability of federal or other 23554  
financial assistance for reclamation. 23555

The chief shall determine the amount of a grant under this 23556  
section based upon the chief's determination of what constitutes 23557  
reasonable and necessary expenses actually incurred for 23558  
establishing vegetative cover, substantially reducing or 23559  
eliminating erosion, sedimentation, landslides, pollution, 23560  
accumulation or discharge of acid water, flooding, or damage to 23561  
adjacent property, and preparing the plan of reclamation. The 23562  
owner may elect to have other improvements made concurrently, but 23563

in no event shall any part of the grant be made for such other 23564  
improvements, and in no event shall the amount of the grant exceed 23565  
seventy-five per cent of the total amount, determined by the 23566  
chief, of what constitutes reasonable and necessary expenses 23567  
actually incurred for the reclamation measures listed in this 23568  
section. 23569

The chief shall enter into a contract for funding with each 23570  
applicant awarded a grant to ensure that the ~~moneys~~ money granted 23571  
are used for the purposes of this section and that the reclamation 23572  
work is properly done. The final payment may not be made until the 23573  
chief inspects and approves the completed reclamation work. 23574

Each such contract shall contain provisions for the 23575  
reimbursement of a portion of the costs of the reclamation that is 23576  
commensurate with the increase in the fair market value of the 23577  
property attributable to the reclamation work thereon, as 23578  
determined by appraisals made before and after reclamation in the 23579  
manner stated in the agreement, unless such determination 23580  
discloses an increase in value that is insubstantial in comparison 23581  
to the benefits to the public from the abatement of pollution or 23582  
prevention of damage to adjacent property, considering the 23583  
applicant's share of the reclamation cost. For reimbursement of 23584  
such portion, the contract may include provisions for: 23585

(A) Public use for soil, water, forest, or wildlife 23586  
conservation or public recreation purposes; 23587

(B) Payment to the state of the share of the income from the 23588  
crops or timber produced on the land that is stated in the 23589  
agreement; 23590

(C) Imposition of a lien in the amount of the increase in 23591  
fair market value payable upon transfer or conveyance of the 23592  
property to a new owner; 23593

(D) Payment to the state in cash in the amount of the 23594

increase in fair market value, payable upon completion of the 23595  
reclamation. 23596

All such reimbursements and payments shall be credited to the 23597  
~~unreclaimed lands~~ mining regulation and safety fund. 23598

Not more than forty per cent of the money credited to the 23599  
fund during the preceding calendar year may be expended during a 23600  
calendar year for grants under this section. 23601

The chief shall require every landowner performing 23602  
reclamation work pursuant to this section to pay workers at the 23603  
greater of their regular rate of pay, as established by contract, 23604  
agreement, or prior custom or practice, or the average wage rate 23605  
in this state for the same or similar work performed in the same 23606  
or similar locality by private companies doing their own 23607  
reclamation work. 23608

**Sec. 1513.30.** (A) There is hereby created in the state 23609  
treasury the ~~unreclaimed lands~~ mining regulation and safety fund, 23610  
to be administered by the chief of the division of mineral 23611  
resources management ~~and~~. The fund shall be used for the ~~purpose~~ 23612  
~~of reclaiming~~ following purposes: 23613

(1) Reclaiming land, public or private, affected by mining, 23614  
or controlling mine drainage, for which no cash is held in the 23615  
reclamation forfeiture fund created in section 1513.18 of the 23616  
Revised Code ~~or the surface mining fund created in section;~~ 23617

(2) Specified purposes in sections 1514.06, 1514.11, and 23618  
1561.48 of the Revised Code; 23619

(3) Administration and enforcement of Chapter 1513. of the 23620  
Revised Code. 23621

All investment earnings of the fund shall be deposited into 23622  
the fund. 23623

(B) In order to direct expenditures from the ~~unreclaimed~~ 23624

~~lands~~ mining regulation and safety fund toward reclamation 23625  
projects that fulfill priority needs and provide the greatest 23626  
public benefits, the chief periodically shall consider projects to 23627  
be financed from the ~~unreclaimed lands~~ mining regulation and 23628  
safety fund. For the purpose of selecting project areas and 23629  
determining the boundaries of project areas, the chief shall 23630  
consider the feasibility, cost, and public benefits of reclaiming 23631  
the areas, their potential for being mined, the availability of 23632  
federal or other financial assistance for reclamation, and the 23633  
geographic distribution of project areas to ensure fair 23634  
distribution among affected areas. 23635

(C) The chief shall give priority to areas where there is 23636  
little or no likelihood of mining within the foreseeable future, 23637  
reclamation is feasible at reasonable cost with available funds, 23638  
and either of the following applies: 23639

~~(A)~~(1) The pollution of the waters of the state and damage to 23640  
adjacent property are most severe and widespread. 23641

~~(B)~~(2) Reclamation will make possible public uses for soil, 23642  
water, forest, or wildlife conservation or public recreation 23643  
purposes, will facilitate orderly commercial or industrial site 23644  
development, or will facilitate the use or improve the enjoyment 23645  
of nearby public conservation or recreation lands. 23646

(D) Expenditures from the ~~unreclaimed lands~~ mining regulation 23647  
and safety fund for reclamation projects may be made only for 23648  
projects that are within the boundaries of project areas approved 23649  
by the chief. Expenditures from the ~~unreclaimed lands~~ mining 23650  
regulation and safety fund shall be made by the chief, with the 23651  
approval of the director of natural resources. 23652

~~The chief may expend an amount not to exceed twenty per cent~~ 23653  
~~of the moneys credited annually by the treasurer of state to the~~ 23654  
~~unreclaimed lands fund for the purpose of administering the fund.~~ 23655

(E) The chief may engage in cooperative projects under this 23656  
section with any agency of the United States, appropriate state 23657  
agencies, or state universities or colleges as defined in section 23658  
3345.27 of the Revised Code and may transfer money from the fund 23659  
to other appropriate state agencies or to state universities or 23660  
colleges in order to carry out the reclamation activities 23661  
authorized by this section. 23662

~~If the director of natural resources determines it to be 23663  
necessary, the director may request the controlling board to 23664  
transfer an amount of money from the fund to the coal mining 23665  
administration and reclamation reserve fund created in section 23666  
1513.181 of the Revised Code. 23667~~

(F) Notwithstanding any other provisions of law to the 23668  
contrary, money credited to the mining regulation and safety fund 23669  
that is derived from taxes levied in division (A)(3) or (4) of 23670  
section 5749.02 of the Revised Code shall not be used for any 23671  
purposes authorized under this chapter. 23672

**Sec. 1513.31.** For the purpose of promoting local or regional 23673  
economic or community development, the chief of the division of 23674  
mineral resources management, with the approval of the director of 23675  
natural resources, may make grants of money from the ~~unreclaimed~~ 23676  
~~lands~~ mining regulation and safety fund created by section 1513.30 23677  
of the Revised Code for the payment by the state of up to 23678  
seventy-five per cent of the reasonable and necessary expenses 23679  
incurred by a political subdivision, community improvement 23680  
corporation incorporated under Chapter 1724. of the Revised Code, 23681  
or other nonprofit corporation incorporated under Chapter 1702. of 23682  
the Revised Code for the reclamation of any unreclaimed land 23683  
affected by mining before April 10, 1972, or pursuant to a license 23684  
issued before April 10, 1972, that is owned by the political 23685  
subdivision or corporation, is to be reclaimed for the purpose of 23686

commercial or industrial site development by the political 23687  
subdivision or corporation or the development of recreational 23688  
facilities by the political subdivision, and lies within the 23689  
boundaries of a project area approved by the chief. 23690

The owner shall submit an application for a grant on forms 23691  
furnished by the division of mineral resources management together 23692  
with detailed plans and topographic maps indicating the 23693  
reclamation improvements to be made, an itemized estimate of the 23694  
project's cost, a description of the project's benefits, and such 23695  
other information as the chief prescribes. The chief may award the 23696  
applicant a grant only after finding that the proposed reclamation 23697  
work will render the unreclaimed land suitable for commercial, 23698  
industrial, or, if the land is owned by a political subdivision, 23699  
recreational site development and will substantially reduce or 23700  
eliminate the damage, if any, to adjacent property that is or may 23701  
be caused by the condition of the unreclaimed land. 23702

The chief shall determine the amount of the grant based upon 23703  
the chief's determination of what constitutes reasonable and 23704  
necessary expenses actually incurred for preparing the plan of 23705  
reclamation; preparing the unreclaimed land for commercial, 23706  
industrial, or, in the case of land owned by a political 23707  
subdivision, recreational site development, including backfilling, 23708  
grading, resoiling, planting, or other work to restore the land to 23709  
a condition suitable for such development; and, if the condition 23710  
of the unreclaimed land so requires, establishing vegetative cover 23711  
or substantially reducing or eliminating erosion, sedimentation, 23712  
landslides, pollution, accumulation or discharge of acid water, 23713  
flooding, or damage to adjacent property. The owner may have other 23714  
improvements made concurrently with the reclamation work, but 23715  
shall not spend any part of the grant for such other improvements. 23716  
No grant shall exceed seventy-five per cent of the total amount, 23717  
as determined by the chief, of what constitutes reasonable and 23718

necessary expenses actually incurred for the reclamation measures 23719  
listed in this section. 23720

The chief shall enter into a contract for funding with each 23721  
applicant awarded a grant in order to ensure that the ~~moneys~~ money 23722  
granted are used for the purposes of this section and that the 23723  
reclamation work is properly done. The final payment under a grant 23724  
may not be made until the chief inspects and approves the 23725  
completed reclamation work. 23726

**Sec. 1513.32.** For the purpose of promoting local or regional 23727  
economic or community development, the chief of the division of 23728  
mineral resources management, with the approval of the director of 23729  
natural resources, may enter into a written agreement, which may 23730  
be in the form of a contract, with a political subdivision, 23731  
community improvement corporation incorporated under Chapter 1724. 23732  
of the Revised Code, or other nonprofit corporation incorporated 23733  
under Chapter 1702. of the Revised Code that owns any unreclaimed 23734  
land affected by mining before April 10, 1972, or pursuant to a 23735  
license issued before April 10, 1972, under which the state or its 23736  
agents may enter upon the land to reclaim it at state expense with 23737  
~~moneys~~ money from the ~~unreclaimed lands~~ mining regulation and 23738  
safety fund created by section 1513.30 of the Revised Code for the 23739  
purpose of commercial or industrial site development if the land 23740  
is owned by a political subdivision or corporation or the 23741  
development of recreational facilities if the land is owned by a 23742  
political subdivision. The agreement may include provisions 23743  
pertaining to liability for damages and any other provisions 23744  
necessary or desirable to achieve the purposes of this section. 23745

For the purpose of selecting lands to be reclaimed for 23746  
commercial, industrial, or, if the lands are owned by a political 23747  
subdivision, recreational site development, the chief shall 23748  
consult with the owners of unreclaimed lands and with local 23749

officials, civic and professional organizations, and interested 23750  
individuals and shall consider the feasibility, cost, and public 23751  
benefits of reclaiming particular lands and the availability of 23752  
federal or other assistance for the reclamation. The chief shall 23753  
select for reclamation under this section only lands that lie 23754  
within the boundaries of a project area approved by the chief. 23755

Before entering into the agreement, the chief shall prepare 23756  
or approve a detailed plan with topographic maps indicating the 23757  
reclamation improvements to be made, an itemized estimate of the 23758  
project's cost, a description of the project's benefits, and such 23759  
other information as the chief considers appropriate. The plan 23760  
shall include only reclamation work that is necessary to render 23761  
the unreclaimed land suitable for commercial, industrial, or, if 23762  
the land is owned by a political subdivision, recreational site 23763  
development and will substantially reduce or eliminate the damage, 23764  
if any, to adjacent property that is or may be caused by the 23765  
condition of the unreclaimed land. The plan may include 23766  
improvements recommended by the owner, but may not include any 23767  
improvements that the chief finds are not necessary to prepare the 23768  
unreclaimed land for commercial, industrial, or, if the land is 23769  
owned by a political subdivision, recreational site development, 23770  
or if the condition of the unreclaimed land so requires, are not 23771  
necessary to establish vegetative cover or substantially reduce or 23772  
eliminate erosion, sedimentation, landslides, pollution, 23773  
accumulation or discharge of acid water, flooding, or damage to 23774  
adjacent property. 23775

With the approval of the director and upon entering into an 23776  
agreement with the owner, the chief may carry out the plan of 23777  
reclamation or any part thereof with the employees or equipment of 23778  
the department, or the chief may carry out the plan or any part 23779  
thereof by contracting therefor in accordance with the procedures 23780  
prescribed in section 1513.27 of the Revised Code. The chief shall 23781

keep an itemized record of the state's expense in carrying out the plan. 23782  
23783

Expenditure of not more than twenty per cent of the ~~moneys~~ 23784  
money credited to the ~~unreclaimed lands~~ mining regulation and 23785  
safety fund during the preceding fiscal year may be approved by 23786  
the chief during a fiscal year for conducting reclamation projects 23787  
under this section and for making grants under section 1513.31 of 23788  
the Revised Code, provided that such expenditures are primarily 23789  
for the pollution abatement purposes of section 1513.30 of the 23790  
Revised Code. 23791

**Sec. 1513.33.** The amount of any grant to a community 23792  
improvement corporation or nonprofit corporation made under 23793  
section 1513.31 of the Revised Code or the state's expenses 23794  
incurred in reclaiming unreclaimed land owned by a community 23795  
improvement corporation or nonprofit corporation under section 23796  
1513.32 of the Revised Code shall constitute a loan by the state 23797  
to the corporation. Entry into a grant contract under section 23798  
1513.31 of the Revised Code or into a reclamation agreement under 23799  
section 1513.32 of the Revised Code by the chief of the division 23800  
of mineral resources management constitutes the designation of the 23801  
community improvement corporation or nonprofit corporation as the 23802  
state's agent for the commercial or industrial development of the 23803  
land named in the contract or agreement. 23804

Each grant contract under section 1513.31 of the Revised Code 23805  
or reclamation agreement under section 1513.32 of the Revised Code 23806  
shall include terms for repayment of the grant or reimbursement of 23807  
the state for its reclamation expenses, which shall require 23808  
repayment of the loan in full upon the first sale, lease, or 23809  
rental of the land reclaimed under the contract or agreement if 23810  
the entire parcel of reclaimed land is sold, leased, or rented. If 23811  
the corporation establishes a business enterprise on the entire 23812

parcel of reclaimed land, the contract shall require repayment of 23813  
the loan in full upon the commencement of operation of the 23814  
business enterprise. If the reclaimed land is sold, leased, or 23815  
rented in portions or the corporation establishes a business 23816  
enterprise on any portion of the reclaimed land, the contract or 23817  
agreement shall require repayment of that portion of the loan that 23818  
corresponds to the portion of the reclaimed land sold, leased, or 23819  
rented upon the first sale, lease, or rental of that portion, or 23820  
upon commencement of operation of the business enterprise on that 23821  
portion, by the corporation in the proportion that the acreage of 23822  
the reclaimed land sold, leased, rented, or used in business by 23823  
the corporation bears to the total acreage of land reclaimed under 23824  
the contract or agreement. 23825

To secure repayment of the ~~moneys~~ money granted under section 23826  
1513.31 of the Revised Code or of the state's reclamation expenses 23827  
under section 1513.32 of the Revised Code to or on behalf of a 23828  
community improvement corporation or nonprofit corporation, the 23829  
state shall have a lien on the land owned by the corporation that 23830  
is land reclaimed under section 1513.31 or 1513.32 of the Revised 23831  
Code equal to the amount of the grant made under section 1513.31 23832  
of the Revised Code or to the state's expenses incurred in 23833  
reclaiming the land under section 1513.32 of the Revised Code. 23834  
Within thirty days after the final grant payment is made under 23835  
section 1513.31 of the Revised Code or after the completion of the 23836  
reclamation work under section 1513.32 of the Revised Code, the 23837  
chief shall cause to be recorded in the office of the county 23838  
recorder of the county in which the reclaimed land is located a 23839  
statement that shall contain an itemized accounting of the grant 23840  
paid under section 1513.31 of the Revised Code or an itemized 23841  
record of the state's expenses incurred in reclaiming the land 23842  
under section 1513.32 of the Revised Code. The statement shall 23843  
constitute a notice of lien and operate as of the date of delivery 23844  
as a lien on the land reclaimed in the amount of the grant ~~moneys~~ 23845

money paid out or the reclamation expenses incurred by the state 23846  
and shall have priority as a lien second only to the lien of real 23847  
property taxes imposed upon the land. The notice of lien and the 23848  
lien shall not be valid as against any mortgagee, pledgee, 23849  
purchaser, or judgment creditor whose rights have attached prior 23850  
to the date of filing of the statement by the chief or to any 23851  
prior or subsequent lien for real property taxes imposed pursuant 23852  
to section 5719.04 of the Revised Code. 23853

The county recorder shall record and index the chief's 23854  
statement, under the name of the state and the corporation, in the 23855  
official records maintained by the county recorder's office. The 23856  
county recorder shall impose no charge for the recording or 23857  
indexing of the statement. If the land is registered, the county 23858  
recorder shall make a notation and enter a memorial of the lien 23859  
upon the page of the register in which the last certificate of 23860  
title to the land is registered, stating the name of the claimant, 23861  
amount claimed, volume and page of the record where recorded, and 23862  
exact time the memorial was entered. 23863

The lien shall continue in force so long as any portion of 23864  
the amount granted under section 1513.31 of the Revised Code or 23865  
the state's reclamation expenses incurred under section 1513.32 of 23866  
the Revised Code remains unpaid. Upon repayment in full of those 23867  
~~moneys~~ money or expenses, the chief promptly shall issue a 23868  
certificate of release of the lien. Upon presentation of the 23869  
certificate of release, the county recorder of the county where 23870  
the lien is recorded shall record the lien as having been 23871  
discharged. 23872

A lien imposed under this section shall be foreclosed upon 23873  
the substantial failure of a corporation to repay any portion of 23874  
the amount granted under section 1513.31 of the Revised Code or 23875  
the state's reclamation expenses incurred under section 1513.32 of 23876  
the Revised Code in accordance with the terms of the grant 23877

contract or reclamation agreement. Before foreclosing any lien 23878  
under this section, the chief shall make a written demand upon the 23879  
corporation to comply with the repayment terms of the contract or 23880  
agreement. If the corporation does not pay the amount due within 23881  
sixty days, the chief shall refer the matter to the attorney 23882  
general, who shall institute a civil action to foreclose the lien 23883  
of the state. 23884

All ~~moneys~~ money collected from loan repayments and lien 23885  
foreclosures under this section shall be credited to the 23886  
~~unreclaimed lands~~ mining regulation and safety fund created by 23887  
section 1513.30 of the Revised Code. 23888

**Sec. 1513.37.** (A) There is hereby created in the state 23889  
treasury the abandoned mine reclamation fund, which shall be 23890  
administered by the chief of the division of mineral resources 23891  
management. The fund shall consist of grants from the secretary of 23892  
the interior from the federal abandoned mine reclamation fund 23893  
established by Title IV of the "Surface Mining Control and 23894  
Reclamation Act of 1977," 91 Stat. 445, 30 U.S.C.A. 1201, 23895  
regulations adopted under it, and amendments to the act and 23896  
regulations. Expenditures from the abandoned mine reclamation fund 23897  
shall be made by the chief for the following purposes: 23898

(1) Reclamation and restoration of land and water resources 23899  
adversely affected by past coal mining, including, but not limited 23900  
to, reclamation and restoration of abandoned strip mine areas, 23901  
abandoned coal processing areas, and abandoned coal refuse 23902  
disposal areas; sealing and filling of abandoned deep mine entries 23903  
and voids; planting of land adversely affected by past coal 23904  
mining; prevention of erosion and sedimentation; prevention, 23905  
abatement, treatment, and control of water pollution created by 23906  
coal mine drainage, including restoration of streambeds and 23907  
construction and operation of water treatment plants; prevention, 23908

abatement, and control of burning coal refuse disposal areas and	23909
burning coal in situ; and prevention, abatement, and control of	23910
coal mine subsidence;	23911
(2) Acquisition and filling of voids and sealing of tunnels,	23912
shafts, and entryways of noncoal lands;	23913
(3) Acquisition of land as provided for in this section;	23914
(4) Administrative expenses incurred in accomplishing the	23915
purposes of this section;	23916
(5) All other necessary expenses to accomplish the purposes	23917
of this section.	23918
(B) Expenditures of <del>moneys</del> <u>money</u> from the fund on land and	23919
water eligible pursuant to division (C) of this section shall	23920
reflect the following priorities in the order stated:	23921
(1) The protection of public health, safety, general welfare,	23922
and property from extreme danger of adverse effects of coal mining	23923
practices;	23924
(2) The protection of public health, safety, and general	23925
welfare from adverse effects of coal mining practices;	23926
(3) The restoration of land and water resources and the	23927
environment previously degraded by adverse effects of coal mining	23928
practices, including measures for the conservation and development	23929
of soil and water (excluding channelization), woodland, fish and	23930
wildlife, recreation resources, and agricultural productivity;	23931
(4) Research and demonstration projects relating to the	23932
development of coal mining reclamation and water quality control	23933
program methods and techniques;	23934

enhancement of public facilities such as utilities, roads,	23936
recreation facilities, and conservation facilities adversely	23937
affected by coal mining practices;	23938

(6) The development of publicly owned land adversely affected 23939  
by coal mining practices, including land acquired as provided in 23940  
this section for recreation and historic purposes, conservation 23941  
and reclamation purposes, and open space benefits. 23942

(C)(1) Lands and water eligible for reclamation or drainage 23943  
abatement expenditures under this section are those that were 23944  
mined for coal or were affected by such mining, wastebanks, coal 23945  
processing, or other coal mining processes and that meet one of 23946  
the following criteria: 23947

(a) Are lands that were abandoned or left in an inadequate 23948  
reclamation status prior to August 3, 1977, and for which there is 23949  
no continuing reclamation responsibility under state or federal 23950  
laws; 23951

(b) Are lands for which the chief finds that surface coal 23952  
mining operations occurred at any time between August 4, 1977, and 23953  
August 16, 1982, and that any ~~moneys~~ money for reclamation or 23954  
abatement that are available pursuant to a bond, performance 23955  
security, or other form of financial guarantee or from any other 23956  
source are not sufficient to provide for adequate reclamation or 23957  
abatement at the site; 23958

(c) Are lands for which the chief finds that surface coal 23959  
mining operations occurred at any time between August 4, 1977, and 23960  
November 5, 1990, that the surety of the mining operator became 23961  
insolvent during that time, and that, as of November 5, 1990, any 23962  
~~moneys~~ money immediately available from proceedings relating to 23963  
that insolvency or from any financial guarantee or other source 23964  
are not sufficient to provide for adequate reclamation or 23965  
abatement at the site. 23966

(2) In determining which sites to reclaim pursuant to 23967  
divisions (C)(1)(b) and (c) of this section, the chief shall 23968  
follow the priorities stated in divisions (B)(1) and (2) of this 23969

section and shall ensure that priority is given to those sites 23970  
that are in the immediate vicinity of a residential area or that 23971  
have an adverse economic impact on a local community. 23972

(3) Surface coal mining operations on lands eligible for 23973  
remining shall not affect the eligibility of those lands for 23974  
reclamation and restoration under this section after the release 23975  
of the bond, performance security, or other form of financial 23976  
guarantee for any such operation as provided under division (F) of 23977  
section 1513.16 of the Revised Code. If the bond, performance 23978  
security, or other form of financial guarantee for a surface coal 23979  
mining operation on lands eligible for remining is forfeited, 23980  
~~moneys~~ money available under this section may be used if the 23981  
amount of the bond, performance security, or other form of 23982  
financial guarantee is not sufficient to provide for adequate 23983  
reclamation or abatement, except that if conditions warrant, the 23984  
chief immediately shall exercise the authority granted under 23985  
division (L) of this section. 23986

(D) The chief may submit to the secretary of the interior a 23987  
state reclamation plan and annual projects to carry out the 23988  
purposes of this section. 23989

(1) The reclamation plan generally shall identify the areas 23990  
to be reclaimed, the purposes for which the reclamation is 23991  
proposed, the relationship of the lands to be reclaimed and the 23992  
proposed reclamation to surrounding areas, the specific criteria 23993  
for ranking and identifying projects to be funded, and the legal 23994  
authority and programmatic capability to perform the work in 23995  
accordance with this section. 23996

(2) On an annual basis, the chief may submit to the secretary 23997  
an application for support of the abandoned mine reclamation fund 23998  
and implementation of specific reclamation projects. The annual 23999  
requests shall include such information as may be requested by the 24000  
secretary. 24001

(3) The costs for each proposed project under this section shall include actual construction costs, actual operation and maintenance costs of permanent facilities, planning and engineering costs, construction inspection costs, and other necessary administrative expenses.

(4) The chief may submit annual and other reports required by the secretary when funds are provided by the secretary under Title IV of the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 445, 30 U.S.C.A. 1201, regulations adopted under it, and amendments to the act and regulations.

(E)(1) There is hereby created in the state treasury the acid mine drainage abatement and treatment fund, which shall be administered by the chief. The fund shall consist of grants from the secretary of the interior from the federal abandoned mine reclamation fund pursuant to section 402(g)(6) of Title IV of the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 445, 30 U.S.C.A. 1201. All investment earnings of the fund shall be credited to the fund.

(2) The chief shall make expenditures from the fund, in consultation with the United States department of agriculture, soil conservation service, to implement acid mine drainage abatement and treatment plans approved by the secretary. The plans shall provide for the comprehensive abatement of the causes and treatment of the effects of acid mine drainage within qualified hydrologic units affected by coal mining practices and shall include at least all of the following:

(a) An identification of the qualified hydrologic unit. As used in division (E) of this section, "qualified hydrologic unit" means a hydrologic unit that meets all of the following criteria:

(i) The water quality in the unit has been significantly affected by acid mine drainage from coal mining practices in a

manner that has an adverse impact on biological resources.	24033
(ii) The unit contains lands and waters that meet the eligibility requirements established under division (C) of this section and any of the priorities established in divisions (B)(1) to (3) of this section.	24034 24035 24036 24037
(iii) The unit contains lands and waters that are proposed to be the subject of expenditures from the reclamation forfeiture fund created in section 1513.18 of the Revised Code or the <del>unreclaimed lands</del> <u>mining regulation and safety</u> fund created in section 1513.30 of the Revised Code.	24038 24039 24040 24041 24042
(b) The extent to which acid mine drainage is affecting the water quality and biological resources within the hydrologic unit;	24043 24044
(c) An identification of the sources of acid mine drainage within the hydrologic unit;	24045 24046
(d) An identification of individual projects and the measures proposed to be undertaken to abate and treat the causes or effects of acid mine drainage within the hydrologic unit;	24047 24048 24049
(e) The cost of undertaking the proposed abatement and treatment measures;	24050 24051
(f) An identification of existing and proposed sources of funding for those measures;	24052 24053
(g) An analysis of the cost-effectiveness and environmental benefits of abatement and treatment measures.	24054 24055
(3) The chief may make grants of <del>moneys</del> <u>money</u> from the acid mine drainage abatement and treatment fund to watershed groups for conducting projects to accomplish the purposes of this section. A grant may be made in an amount equal to not more than fifty per cent of each of the following:	24056 24057 24058 24059 24060
(a) Reasonable and necessary expenses for the collection and analysis of data sufficient to do either or both of the following:	24061 24062

(i) Identify a watershed as a qualified hydrologic unit; 24063

(ii) Monitor the quality of water in a qualified hydrologic 24064  
unit before, during, and at any time after completion of the 24065  
project by the watershed group. 24066

(b) Engineering design costs and construction costs involved 24067  
in the project, provided that the project is conducted in a 24068  
qualified hydrologic unit and the chief considers the project to 24069  
be a priority. 24070

A watershed group that wishes to obtain a grant under 24071  
division (E)(3) of this section shall submit an application to the 24072  
chief on forms provided by the division of mineral resources 24073  
management, together with detailed estimates and timetables for 24074  
accomplishing the stated goals of the project and any other 24075  
information that the chief requires. 24076

For the purposes of establishing priorities for awarding 24077  
grants under division (E)(3) of this section, the chief shall 24078  
consider each project's feasibility, cost-effectiveness, and 24079  
environmental benefit, together with the availability of matching 24080  
funding, including in-kind services, for the project. 24081

The chief shall enter into a contract for funding with each 24082  
applicant awarded a grant to ensure that the ~~moneys~~ money granted 24083  
are used for the purposes of this section and that the work that 24084  
the project involves is done properly. The contract is not subject 24085  
to division (B) of section 127.16 of the Revised Code. The final 24086  
payment of grant ~~moneys~~ money shall not be made until the chief 24087  
inspects and approves the completed project. 24088

The chief shall require each applicant awarded a grant under 24089  
this section who conducts a project involving construction work to 24090  
pay workers at the greater of their regular rate of pay, as 24091  
established by contract, agreement, or prior custom or practice, 24092  
or the average wage rate paid in this state for the same or 24093

similar work performed in the same or a similar locality by 24094  
private companies doing similar work on similar projects. 24095

As used in division (E)(3) of this section, "watershed group" 24096  
means a charitable organization as defined in section 1716.01 of 24097  
the Revised Code that has been established for the purpose of 24098  
conducting reclamation of land and waters adversely affected by 24099  
coal mining practices and specifically for conducting acid mine 24100  
drainage abatement. 24101

(F)(1) If the chief makes a finding of fact that land or 24102  
water resources have been adversely affected by past coal mining 24103  
practices; the adverse effects are at a stage where, in the public 24104  
interest, action to restore, reclaim, abate, control, or prevent 24105  
the adverse effects should be taken; the owners of the land or 24106  
water resources where entry must be made to restore, reclaim, 24107  
abate, control, or prevent the adverse effects of past coal mining 24108  
practices are not known or are not readily available; or the 24109  
owners will not give permission for the state, political 24110  
subdivisions, or their agents, employees, or contractors to enter 24111  
upon the property to restore, reclaim, abate, control, or prevent 24112  
the adverse effects of past coal mining practices; then, upon 24113  
giving notice by mail to the owners, if known, or, if not known, 24114  
by posting notice upon the premises and advertising once in a 24115  
newspaper of general circulation in the municipal corporation or 24116  
county in which the land lies, the chief or the chief's agents, 24117  
employees, or contractors may enter upon the property adversely 24118  
affected by past coal mining practices and any other property to 24119  
have access to the property to do all things necessary or 24120  
expedient to restore, reclaim, abate, control, or prevent the 24121  
adverse effects. The entry shall be construed as an exercise of 24122  
the police power for the protection of the public health, safety, 24123  
and general welfare and shall not be construed as an act of 24124  
condemnation of property nor of trespass on it. The ~~moneys~~ money 24125

expended for the work and the benefits accruing to any such 24126  
premises so entered upon shall be chargeable against the land and 24127  
shall mitigate or offset any claim in or any action brought by any 24128  
owner of any interest in the premises for any alleged damages by 24129  
virtue of the entry, but this provision is not intended to create 24130  
new rights of action or eliminate existing immunities. 24131

(2) The chief or the chief's authorized representatives may 24132  
enter upon any property for the purpose of conducting studies or 24133  
exploratory work to determine the existence of adverse effects of 24134  
past coal mining practices and to determine the feasibility of 24135  
restoration, reclamation, abatement, control, or prevention of 24136  
such adverse effects. The entry shall be construed as an exercise 24137  
of the police power for the protection of the public health, 24138  
safety, and general welfare and shall not be construed as an act 24139  
of condemnation of property nor trespass on it. 24140

(3) The chief may acquire any land by purchase, donation, or 24141  
condemnation that is adversely affected by past coal mining 24142  
practices if the chief determines that acquisition of the land is 24143  
necessary to successful reclamation and that all of the following 24144  
apply: 24145

(a) The acquired land, after restoration, reclamation, 24146  
abatement, control, or prevention of the adverse effects of past 24147  
coal mining practices, will serve recreation and historic 24148  
purposes, serve conservation and reclamation purposes, or provide 24149  
open space benefits. 24150

(b) Permanent facilities such as a treatment plant or a 24151  
relocated stream channel will be constructed on the land for the 24152  
restoration, reclamation, abatement, control, or prevention of the 24153  
adverse effects of past coal mining practices. 24154

(c) Acquisition of coal refuse disposal sites and all coal 24155  
refuse thereon will serve the purposes of this section or public 24156

ownership is desirable to meet emergency situations and prevent 24157  
recurrences of the adverse effects of past coal mining practices. 24158

(4)(a) Title to all lands acquired pursuant to this section 24159  
shall be in the name of the state. The price paid for land 24160  
acquired under this section shall reflect the market value of the 24161  
land as adversely affected by past coal mining practices. 24162

(b) The chief may receive grants on a matching basis from the 24163  
secretary of the interior for the purpose of carrying out this 24164  
section. 24165

(5)(a) Where land acquired pursuant to this section is 24166  
considered to be suitable for industrial, commercial, residential, 24167  
or recreational development, the chief may sell the land by public 24168  
sale under a system of competitive bidding at not less than fair 24169  
market value and under other requirements imposed by rule to 24170  
ensure that the lands are put to proper use consistent with local 24171  
and state land use plans, if any, as determined by the chief. 24172

(b) The chief, when requested, and after appropriate public 24173  
notice, shall hold a public meeting in the county, counties, or 24174  
other appropriate political subdivisions of the state in which 24175  
lands acquired pursuant to this section are located. The meetings 24176  
shall be held at a time that shall afford local citizens and 24177  
governments the maximum opportunity to participate in the decision 24178  
concerning the use or disposition of the lands after restoration, 24179  
reclamation, abatement, control, or prevention of the adverse 24180  
effects of past coal mining practices. 24181

(6) In addition to the authority to acquire land under 24182  
division (F)(3) of this section, the chief may use money in the 24183  
fund to acquire land by purchase, donation, or condemnation, and 24184  
to reclaim and transfer acquired land to a political subdivision, 24185  
or to any person, if the chief determines that it is an integral 24186  
and necessary element of an economically feasible plan for the 24187

construction or rehabilitation of housing for persons disabled as 24188  
the result of employment in the mines or work incidental to that 24189  
employment, persons displaced by acquisition of land pursuant to 24190  
this section, persons dislocated as the result of adverse effects 24191  
of coal mining practices that constitute an emergency as provided 24192  
in the "Surface Mining Control and Reclamation Act of 1977," 91 24193  
Stat. 466, 30 U.S.C.A. 1240, or amendments to it, or persons 24194  
dislocated as the result of natural disasters or catastrophic 24195  
failures from any cause. Such activities shall be accomplished 24196  
under such terms and conditions as the chief requires, which may 24197  
include transfers of land with or without monetary consideration, 24198  
except that to the extent that the consideration is below the fair 24199  
market value of the land transferred, no portion of the difference 24200  
between the fair market value and the consideration shall accrue 24201  
as a profit to those persons. No part of the funds provided under 24202  
this section may be used to pay the actual construction costs of 24203  
housing. The chief may carry out the purposes of division (F)(6) 24204  
of this section directly or by making grants and commitments for 24205  
grants and may advance money under such terms and conditions as 24206  
the chief may require to any agency or instrumentality of the 24207  
state or any public body or nonprofit organization designated by 24208  
the chief. 24209

(G)(1) Within six months after the completion of projects to 24210  
restore, reclaim, abate, control, or prevent adverse effects of 24211  
past coal mining practices on privately owned land, the chief 24212  
shall itemize the ~~moneys~~ money so expended and may file a 24213  
statement of the expenditures in the office of the county recorder 24214  
of the county in which the land lies, together with a notarized 24215  
appraisal by an independent appraiser of the value of the land 24216  
before the restoration, reclamation, abatement, control, or 24217  
prevention of adverse effects of past coal mining practices if the 24218  
~~moneys~~ money so expended result in a significant increase in 24219  
property value. The statement shall constitute a lien upon the 24220

land as of the date of the expenditures of the ~~moneys~~ money and 24221  
shall have priority as a lien second only to the lien of real 24222  
property taxes imposed upon the land. The lien shall not exceed 24223  
the amount determined by the appraisal to be the increase in the 24224  
fair market value of the land as a result of the restoration, 24225  
reclamation, abatement, control, or prevention of the adverse 24226  
effects of past coal mining practices. No lien shall be filed 24227  
under division (G) of this section against the property of any 24228  
person who owned the surface prior to May 2, 1977, and did not 24229  
consent to, participate in, or exercise control over the mining 24230  
operation that necessitated the reclamation performed. 24231

(2) The landowner may petition, within sixty days after the 24232  
filing of the lien, to determine the increase in the fair market 24233  
value of the land as a result of the restoration, reclamation, 24234  
abatement, control, or prevention of the adverse effects of past 24235  
coal mining practices. The amount reported to be the increase in 24236  
value of the premises shall constitute the amount of the lien and 24237  
shall be recorded with the statement provided in this section. Any 24238  
party aggrieved by the decision may appeal as provided by state 24239  
law. 24240

(3) The lien provided in division (G) of this section shall 24241  
be recorded and indexed, under the name of the state and the 24242  
landowner, in the official records in the office of the county 24243  
recorder of the county in which the land lies. The county recorder 24244  
shall impose no charge for the recording or indexing of the lien. 24245  
If the land is registered, the county recorder shall make a 24246  
notation and enter a memorial of the lien upon the page of the 24247  
register in which the last certificate of title to the land is 24248  
registered, stating the name of the claimant, amount claimed, 24249  
volume and page of the record where recorded, and exact time the 24250  
memorial was entered. 24251

(4) The lien shall continue in force so long as any portion 24252

of the amount of the lien remains unpaid. If the lien remains 24253  
unpaid at the time of conveyance of the land on which the lien was 24254  
placed, the conveyance may be set aside. Upon repayment in full of 24255  
the ~~moneys~~ money expended under this section, the chief promptly 24256  
shall issue a certificate of release of the lien. Upon 24257  
presentation of the certificate of release, the county recorder of 24258  
the county in which the lien is recorded shall record the lien as 24259  
having been discharged. 24260

(5) A lien imposed under this section shall be foreclosed 24261  
upon the substantial failure of a landowner to pay any portion of 24262  
the amount of the lien. Before foreclosing any lien under this 24263  
section, the chief shall make a written demand upon the landowner 24264  
for payment. If the landowner does not pay the amount due within 24265  
sixty days, the chief shall refer the matter to the attorney 24266  
general, who shall institute a civil action to foreclose the lien. 24267

(H)(1) The chief may fill voids, seal abandoned tunnels, 24268  
shafts, and entryways, and reclaim surface impacts of underground 24269  
or strip mines that the chief determines could endanger life and 24270  
property, constitute a hazard to the public health and safety, or 24271  
degrade the environment. 24272

(2) In those instances where mine waste piles are being 24273  
reworked for conservation purposes, the incremental costs of 24274  
disposing of the wastes from those operations by filling voids and 24275  
sealing tunnels may be eligible for funding, provided that the 24276  
disposal of these wastes meets the purposes of this section. 24277

(3) The chief may acquire by purchase, donation, easement, or 24278  
otherwise such interest in land as the chief determines necessary 24279  
to carry out division (H) of this section. 24280

(I) The chief shall report annually to the secretary of the 24281  
interior on operations under the fund and include recommendations 24282  
as to its future uses. 24283

(J)(1) The chief may engage in any work and do all things 24284  
necessary or expedient, including the adoption of rules, to 24285  
implement and administer this section. 24286

(2) The chief may engage in cooperative projects under this 24287  
section with any agency of the United States, any other state, or 24288  
their governmental agencies or with any state university or 24289  
college as defined in section 3345.27 of the Revised Code. The 24290  
cooperative projects are not subject to division (B) of section 24291  
127.16 of the Revised Code. 24292

(3) The chief may request the attorney general to initiate in 24293  
any court of competent jurisdiction an action in equity for an 24294  
injunction to restrain any interference with the exercise of the 24295  
right to enter or to conduct any work provided in this section, 24296  
which remedy is in addition to any other remedy available under 24297  
this section. 24298

(4) The chief may construct or operate a plant or plants for 24299  
the control and treatment of water pollution resulting from mine 24300  
drainage. The extent of this control and treatment may be 24301  
dependent upon the ultimate use of the water. Division (J)(4) of 24302  
this section does not repeal or supersede any portion of the 24303  
"Federal Water Pollution Control Act," 70 Stat. 498 (1965), 33 24304  
U.S.C.A. 1151, as amended, and no control or treatment under 24305  
division (J)(4) of this section, in any way, shall be less than 24306  
that required by that act. The construction of a plant or plants 24307  
may include major interceptors and other facilities appurtenant to 24308  
the plant. 24309

(5) The chief may transfer money from the abandoned mine 24310  
reclamation fund and the acid mine drainage abatement and 24311  
treatment fund to other appropriate state agencies or to state 24312  
universities or colleges in order to carry out the reclamation 24313  
activities authorized by this section. 24314

(K) The chief may contract for any part of work to be performed under this section, with or without advertising for bids, if the chief determines that a condition exists that could reasonably be expected to cause substantial physical harm to persons, property, or the environment and to which persons or improvements on real property are currently exposed.

The chief shall require every contractor performing reclamation work under this section to pay its workers at the greater of their regular rate of pay, as established by contract, agreement, or prior custom or practice, or the average wage rate paid in this state for the same or similar work as determined by the chief under section 1513.02 of the Revised Code.

(L)(1) The chief may contract for the emergency restoration, reclamation, abatement, control, or prevention of adverse effects of mining practices on eligible lands if the chief determines that an emergency exists constituting a danger to the public health, safety, or welfare and that no other person or agency will act expeditiously to restore, reclaim, abate, control, or prevent those adverse effects. The chief may enter into a contract for emergency work under division (L) of this section without advertising for bids. Any such contract or any purchase of materials for emergency work under division (L) of this section is not subject to division (B) of section 127.16 of the Revised Code.

(2) The chief or the chief's agents, employees, or contractors may enter on any land where such an emergency exists, and on other land in order to have access to that land, in order to restore, reclaim, abate, control, or prevent the adverse effects of mining practices and to do all things necessary or expedient to protect the public health, safety, or welfare. Such an entry shall be construed as an exercise of the police power and shall not be construed as an act of condemnation of property or of trespass. The ~~moneys~~ money expended for the work and the benefits

accruing to any premises so entered upon shall be chargeable 24347  
against the land and shall mitigate or offset any claim in or any 24348  
action brought by any owner of any interest in the premises for 24349  
any alleged damages by virtue of the entry. This provision is not 24350  
intended to create new rights of action or eliminate existing 24351  
immunities. 24352

**Sec. 1514.03.** Within thirty days after each anniversary date 24353  
of issuance of a surface or in-stream mining permit, the operator 24354  
shall file with the chief of the division of mineral resources 24355  
management an annual report, on a form prescribed and furnished by 24356  
the chief, that, for the period covered by the report, shall state 24357  
the amount of and identify the types of minerals and coal, if any 24358  
coal, produced and shall state the number of acres affected and 24359  
the number of acres estimated to be affected during the next year 24360  
of operation. An annual report is not required to be filed if a 24361  
final report is filed in lieu thereof. 24362

Each annual report for a surface mining operation shall 24363  
include a progress map indicating the location of areas of land 24364  
affected during the period of the report and the location of the 24365  
area of land estimated to be affected during the next year. The 24366  
map shall be prepared in accordance with division (A)(11) or (12) 24367  
of section 1514.02 of the Revised Code, as appropriate, except 24368  
that a map prepared in accordance with division (A)(12) of that 24369  
section may be certified by the operator or authorized agent of 24370  
the operator in lieu of certification by a professional engineer 24371  
or surveyor registered under Chapter 4733. of the Revised Code. 24372  
However, the chief may require that an annual progress map or a 24373  
final map be prepared by a registered professional engineer or 24374  
registered surveyor if the chief has reason to believe that the 24375  
operator exceeded the boundaries of the permit area or, if the 24376  
operator filed the map required under division (A)(11) of section 24377  
1514.02 of the Revised Code, that the operator extracted ten 24378

thousand tons or more of minerals during the period covered by the report. 24379  
24380

Each annual report for an in-stream mining operation shall 24381  
include a statement of the total tonnage removed by in-stream 24382  
mining for each month and of the surface acreage and depth of 24383  
material removed by in-stream mining and shall include a map that 24384  
identifies the area affected by the in-stream mining if the 24385  
in-stream mining for the year addressed by the report occurred 24386  
beyond the area identified in the most recent approved map, 24387  
soundings that depict the cross-sectional views of the channel 24388  
bottom of the watercourse if the soundings depict a 24389  
cross-sectional view of the channel bottom that is different from 24390  
the most recent approved map, and water elevations for the 24391  
watercourse if water elevations are different from those indicated 24392  
on the most recent approved map. 24393

Each annual report shall be accompanied by a filing fee in 24394  
the amount of five hundred dollars, except in the case of an 24395  
annual report filed by a small operator or an in-stream mining 24396  
operator. A small operator, which is a surface mine operator who 24397  
intends to extract fewer than ten thousand tons of minerals and no 24398  
coal during the next year of operation under the permit, or an 24399  
in-stream mining operator shall include a filing fee in the amount 24400  
of two hundred fifty dollars with each annual report. The annual 24401  
report of any operator also shall be accompanied by an acreage fee 24402  
in the amount of seventy-five dollars multiplied by the number of 24403  
acres estimated in the report to be affected during the next year 24404  
of operation under the permit. The acreage fee shall be adjusted 24405  
by subtracting a credit of seventy-five dollars per excess acre 24406  
paid for the preceding year if the acreage paid for the preceding 24407  
year exceeds the acreage actually affected or by adding an 24408  
additional amount of seventy-five dollars per excess acre affected 24409  
if the acreage actually affected exceeds the acreage paid for the 24410

preceding year. 24411

With each annual report the operator shall file a performance 24412  
bond in the amount, unless otherwise provided by rule, of five 24413  
hundred dollars multiplied by the number of acres estimated to be 24414  
affected during the next year of operation under the permit for 24415  
which no performance bond previously was filed. Unless otherwise 24416  
provided by rule, the bond shall be adjusted by subtracting a 24417  
credit of five hundred dollars per excess acre for which bond was 24418  
filed for the preceding year if the acreage for which the bond was 24419  
filed for the preceding year exceeds the acreage actually 24420  
affected, or by adding an amount of five hundred dollars per 24421  
excess acre affected if the acreage actually affected exceeds the 24422  
acreage for which bond was filed for the preceding year. 24423

Within thirty days after the expiration of the surface or 24424  
in-stream mining permit, or completion or abandonment of the 24425  
operation, whichever occurs earlier, the operator shall submit a 24426  
final report containing the same information required in an annual 24427  
report, but covering the time from the last annual report to the 24428  
expiration of the permit, or completion or abandonment of the 24429  
operation, whichever occurs earlier. 24430

Each final report shall include a map indicating the location 24431  
of the area of land affected during the period of the report and 24432  
the location of the total area of land affected under the permit. 24433  
The map shall be prepared in accordance with division (A)(11) or 24434  
(12) of section 1514.02 of the Revised Code, as appropriate. 24435

In the case of a final report for an in-stream mining 24436  
operation, the map also shall include the information required 24437  
under division (A)(18) of section 1514.02 of the Revised Code, as 24438  
applicable. 24439

If the final report and certified map, as verified by the 24440  
chief, show that the number of acres affected under the permit is 24441

larger than the number of acres for which the operator has paid an  
acreage fee or filed a performance bond, upon notification by the  
chief, the operator shall pay an additional acreage fee in the  
amount of seventy-five dollars multiplied by the difference  
between the number of acres affected under the permit and the  
number of acres for which the operator has paid an acreage fee and  
shall file an additional performance bond in the amount, unless  
otherwise provided by rule, of five hundred dollars multiplied by  
the difference between the number of acres affected under the  
permit and the number of acres for which the operator has filed  
bond.

If the final report and certified map, as verified by the  
chief, show that the number of acres affected under the permit is  
smaller than the number of acres for which the operator has filed  
a performance bond, the chief shall order release of the excess  
bond. However, the chief shall retain a performance bond in a  
minimum amount of ten thousand dollars irrespective of the number  
of acres affected under the permit. The release of the excess bond  
shall be in an amount, unless otherwise provided by rule, equal to  
five hundred dollars multiplied by the difference between the  
number of acres affected under the permit and the number of acres  
for which the operator has filed bond.

The fees collected pursuant to this section and section  
1514.02 of the Revised Code shall be deposited with the treasurer  
of state to the credit of the ~~surface~~ mining regulation and safety  
fund created under section ~~1514.06~~ 1513.30 of the Revised Code.

If upon inspection the chief finds that any filing fee,  
acreage fee, performance bond, or part thereof is not paid when  
due or is paid on the basis of false or substantially inaccurate  
reports, the chief may request the attorney general to recover the  
unpaid amounts that are due the state, and the attorney general  
shall commence appropriate legal proceedings to recover the unpaid

amounts. 24474

**Sec. 1514.051.** (A) If an operator or a partner or officer of 24475  
the operator forfeits a performance bond, the division of mineral 24476  
resources management shall have a priority lien in front of all 24477  
other interested creditors against the assets of that operator for 24478  
the amount that is needed to perform any reclamation that is 24479  
required as a result of the operator's mining activities. The 24480  
chief of the division of mineral resources management shall file a 24481  
statement in the office of the county recorder of each county in 24482  
which the mined land lies of the estimated costs to reclaim the 24483  
land. Estimated costs shall include direct and indirect costs of 24484  
the development, design, construction, management, and 24485  
administration of the reclamation. The statement shall constitute 24486  
a lien on the assets of the operator as of the date of the filing. 24487  
The lien shall continue in force so long as any portion of the 24488  
lien remains unpaid or until the chief issues a certificate of 24489  
release of the lien. If the chief issues a certificate of release 24490  
of the lien, the chief shall file a certificate of release in the 24491  
office of each applicable county recorder. 24492

(B) The chief promptly shall issue a certificate of release 24493  
under any of the following circumstances: 24494

(1) Upon the repayment in full of the money that is necessary 24495  
to complete the reclamation; 24496

(2) Upon the transfer of an existing permit that includes the 24497  
areas of the surface mine for which reclamation was not completed 24498  
from the operator that forfeited the performance bond to a new 24499  
operator; 24500

(3) Any other circumstance that the chief determines to be in 24501  
the best interests of the state. 24502

(C) The chief may modify the amount of a lien under this 24503

section. If the chief modifies a lien, the chief shall file a 24504  
statement in the office of the county recorder of each applicable 24505  
county of the new amount of the lien. 24506

(D) The chief may authorize a closing agent to hold a 24507  
certificate of release in escrow for a period not to exceed one 24508  
hundred eighty days for the purpose of facilitating the transfer 24509  
of unreclaimed mine land. 24510

(E) All money from the collection of liens under this section 24511  
shall be deposited in the state treasury to the credit of the 24512  
~~surface mining regulation and safety~~ fund created in section 24513  
~~1514.06 1513.30~~ of the Revised Code. 24514

**Sec. 1514.06.** (A) ~~There is hereby created in the state~~ 24515  
~~treasury the surface mining fund consisting of all~~ All money that 24516  
becomes the property of the state pursuant to sections 1514.05 and 24517  
1514.051 of the Revised Code, money ~~credited to the fund~~ collected 24518  
under divisions (C)(1) and (2) of section 1514.071, and other 24519  
money specified in section 1514.11 of the Revised Code shall be 24520  
credited to the mining regulation and safety fund created in 24521  
section 1513.30 of the Revised Code. ~~All investment earnings of~~ 24522  
~~the fund shall be credited to the fund. Expenditures from the fund~~ 24523  
~~shall be made by the~~ The chief of the division of mineral 24524  
resources management may expend such money for the purpose of 24525  
reclaiming areas of land affected by surface or in-stream mining 24526  
under a permit issued under this chapter that the operator has 24527  
failed to reclaim. ~~Provided that the chief maintains a balance in~~ 24528  
~~the fund that is sufficient to achieve that purpose and, in doing~~ 24529  
~~so, considers the timeliness of reclamation activity, the chief~~ 24530  
~~may use the fund for other purposes specified in section 1514.11~~ 24531  
~~of the Revised Code.~~ 24532

(B) Expenditures of ~~moneys~~ money from the fund for the 24533  
purposes specified in division (A) of this section, except as 24534

otherwise provided by this section, shall be made pursuant to 24535  
contracts entered into by the chief with persons who agree to 24536  
furnish all of the materials, equipment, work, and labor, as 24537  
specified and provided in the contracts, for the prices stipulated 24538  
therein. With the approval of the director of natural resources, 24539  
the chief may reclaim the land in the same manner as the chief 24540  
required of the operator who failed to reclaim the land. Each 24541  
contract awarded by the chief shall be awarded to the lowest 24542  
responsive and responsible bidder, in accordance with section 24543  
9.312 of the Revised Code, after sealed bids are received, opened, 24544  
and published at the time and place fixed by the chief. The chief 24545  
shall publish notice of the time and place at which bids will be 24546  
received, opened, and published, at least once at least ten days 24547  
before the date of the opening of the bids, in a newspaper of 24548  
general circulation in the county in which the area of land to be 24549  
reclaimed under the contract is located. If, after so advertising 24550  
for bids, no bids are received by the chief at the time and place 24551  
fixed for receiving them, the chief may advertise again for bids, 24552  
or, if the chief considers the public interest will be best 24553  
served, the chief may enter into a contract for the reclamation of 24554  
the area of land without further advertisement for bids. The chief 24555  
may reject any or all bids received and again publish notice of 24556  
the time and place at which bids for contracts will be received, 24557  
opened, and published. 24558

(C) With the approval of the director, the chief, without 24559  
advertising for bids, may enter into a contract with the 24560  
landowner, a surface or in-stream mine operator or coal mine 24561  
operator mining under a current, valid permit issued under this 24562  
chapter or Chapter 1513. of the Revised Code, or a contractor 24563  
hired by a surety to complete reclamation, to carry out 24564  
reclamation on land affected by surface or in-stream mining 24565  
operations that an operator has failed to reclaim. 24566

(D) With the approval of the director, the chief may carry out all or part of the reclamation work on land affected by surface or in-stream mining operations that the operator has failed to reclaim using the employees and equipment of any division of the department of natural resources.

(E) The chief shall require every contractor performing reclamation work under this section to pay workers at the greater of their regular rate of pay, as established by contract, agreement, or prior custom or practice, or the average wage rate paid in this state for the same or similar work, as determined by the chief under section 1513.02 of the Revised Code.

(F) Each contract entered into by the chief under this section shall provide only for the reclamation of land affected by the surface or in-stream mining operation or operations of one operator and not reclaimed by the operator as required by this chapter. If there is money in the fund derived from the performance bond deposited with the chief by one operator to ensure the reclamation of two or more areas of land affected by the surface or in-stream mining operation or operations of one operator and not reclaimed by the operator as required by this chapter, the chief may award a single contract for the reclamation of all such areas of land.

(G) The cost of the reclamation work done under this section on each area of land affected by surface or in-stream mining operations that an operator has failed to reclaim shall be paid out of the money in the fund derived from the performance bond that was deposited with the chief to ensure the reclamation of that area of land. ~~If the amount of money is not sufficient to pay the cost of doing all of the reclamation work on the area of land that the operator should have done, but failed to do, the chief may expend from the reclamation forfeiture fund created in section 1513.18 of the Revised Code or the surface mining fund created in~~

~~this section the amount of money needed to complete reclamation to~~ 24599  
~~the standards required by this chapter. The operator is liable for~~ 24600  
~~that expense in addition to any other liabilities imposed by law.~~ 24601  
At the request of the chief, the attorney general shall bring an 24602  
action against the operator for the amount of the expenditures 24603  
from ~~either~~ the mining regulation and safety fund. ~~Moneys~~ Money so 24604  
recovered shall be deposited in the state treasury to the credit 24605  
of ~~the~~ that fund ~~from which the expenditures were made.~~ 24606

~~(H) If any part of the money in the surface mining fund~~ 24607  
~~remains in the fund after the chief has caused the area of land to~~ 24608  
~~be reclaimed and has paid all the reclamation costs and expenses,~~ 24609  
~~or if any money remains because the area of land has been~~ 24610  
~~repermitted under this chapter or reclaimed by a person other than~~ 24611  
~~the chief, the chief may expend the remaining money to complete~~ 24612  
~~other reclamation work performed under this section. The chief~~ 24613  
~~shall prepare an annual report that summarizes the money credited~~ 24614  
~~to the fund and expenditures made from the fund and post the~~ 24615  
~~report on the division of mineral resources management's web site.~~ 24616

**Sec. 1514.071.** (A) In addition to any other penalties 24617  
established under this chapter, the chief of the division of 24618  
mineral resources management may assess a civil penalty against 24619  
any person who fails to comply with an order issued by the chief 24620  
under section 1514.07 of the Revised Code by the date specified in 24621  
the order or as subsequently extended by the chief. 24622

(B) Civil penalties assessed under this section shall not 24623  
exceed one thousand dollars for each occurrence of noncompliance 24624  
with an order. Each day of continuing noncompliance, up to a 24625  
maximum of thirty days, may be deemed a separate occurrence for 24626  
purposes of penalty assessments. In determining the amount of the 24627  
assessment, the chief shall consider the seriousness of the 24628  
noncompliance, the effect of the noncompliance, and the operator's 24629

history of noncompliance. 24630

(C) Upon issuance of a notice of noncompliance with an order, 24631  
the chief shall inform the person to whom the notice of 24632  
noncompliance is issued of the amount of any civil penalty to be 24633  
assessed and provide an opportunity for an adjudicatory hearing 24634  
with the reclamation commission pursuant to section 1514.09 of the 24635  
Revised Code. The person charged with the penalty shall have 24636  
thirty days from receipt of the assessment to pay the penalty in 24637  
full or, if the person wishes to contest the amount of the 24638  
penalty, file a petition for review of the assessment with the 24639  
commission pursuant to section 1514.09 of the Revised Code and 24640  
forward the amount of the penalty to the secretary of the 24641  
commission as required by this division. Failure to forward the 24642  
money to the secretary within thirty days after the chief informs 24643  
the person of the amount of the penalty shall result in a waiver 24644  
of all legal rights to contest the amount of the penalty. 24645

If, after a hearing, the commission affirms or modifies the 24646  
amount of the penalty, the person charged with the penalty shall 24647  
have thirty days after receipt of the written decision to file an 24648  
appeal from the commission's order in accordance with section 24649  
1514.09 of the Revised Code. 24650

At the time that the petition for review of the assessment is 24651  
filed with the secretary, the person shall forward the amount of 24652  
the penalty to the secretary for placement in the reclamation 24653  
penalty fund created in division (F)(3) of section 1513.02 of the 24654  
Revised Code. Pursuant to administrative or judicial review of the 24655  
penalty, the secretary shall do either of the following: 24656

(1) If it is determined that the amount of the penalty should 24657  
be reduced, within thirty days, remit the appropriate amount of 24658  
the penalty to the person, with interest, and forward any balance 24659  
of the penalty, with interest, to the chief for deposit in the 24660  
~~surface~~ surface mining regulation and safety fund created in section 24661

~~1514.06~~ 1513.30 of the Revised Code for reclamation of abandoned surface or in-stream mining operations in the state; 24662  
24663

(2) If the penalty was not reduced, forward the entire penalty, with interest, to the chief for deposit in the ~~surface~~ mining regulation and safety fund for reclamation of abandoned surface or in-stream mining operations in the state. 24664  
24665  
24666  
24667

(D) Civil penalties owed under this section may be recovered in a civil action brought by the attorney general upon the request of the chief. 24668  
24669  
24670

**Sec. 1514.10.** No person shall: 24671

(A)(1) Engage in surface mining without a permit; 24672

(2) Engage in in-stream mining or conduct an in-stream mining operation without an in-stream mining permit issued by the chief of the division of mineral resources management. A person who, on March 15, 2002, holds a valid permit to conduct in-stream mining that is issued under section 10 of the "Rivers and Harbors Appropriation Act of 1899," 30 Stat. 1151, 33 U.S.C. 403, as amended, shall not be required to obtain an in-stream mining permit from the chief under this chapter until the existing permit expires. 24673

**Sec. 1514.11.** In addition to the purposes otherwise 24764  
authorized ~~in section 1514.06 of the Revised Code~~ by law, the 24765  
chief of the division of mineral resources management may use 24766  
~~moneys~~ money in the ~~surface~~ mining regulation and safety fund 24767  
created under ~~that~~ section 1513.30 of the Revised Code for the 24768  
administration and enforcement of this chapter, for the 24769  
reclamation of land affected by surface or in-stream mining under 24770  
a permit issued under this chapter that the operator failed to 24771  
reclaim and for which the performance bond filed by the operator 24772  
is insufficient to complete the reclamation, and for the 24773  
reclamation of land affected by surface or in-stream mining that 24774  
was abandoned and left unreclaimed and for which no permit was 24775  
issued or bond filed under this chapter. Also, the chief may use 24776  
the portion of the ~~surface~~ mining regulation and safety fund that 24777  
consists of ~~moneys~~ money collected from the severance taxes levied 24778  
under section 5749.02 of the Revised Code for mine safety and 24779  
first aid training. For purposes of reclamation under this 24780  
section, the chief shall expend ~~moneys~~ money in the fund in 24781  
accordance with the procedures and requirements established in 24782  
section 1514.06 of the Revised Code and may enter into contracts 24783  
and perform work in accordance with that section. 24784

Fees collected under sections 1514.02 and 1514.03 of the Revised Code, ~~one half of the moneys and money~~ collected from the severance taxes levied under ~~divisions (A)(3) and (4) of section 5749.02 of the Revised Code, and all of the moneys collected from the severance tax levied under division (A)(7) of section 5749.02 of the Revised Code~~ shall be credited to the fund in accordance with those sections. Notwithstanding any section of the Revised Code relating to the distribution or crediting of fines for violations of the Revised Code, all fines imposed under section 1514.99 of the Revised Code shall be credited to the fund.

**Sec. 1514.41.** (A) If a surface mining operation is not inspected by the mine safety and health administration in the United States department of labor, the chief of the division of mineral resources management annually shall conduct a minimum of two inspections of the operation.

(B) If a surface mining operation is identified through a safety performance evaluation ~~conducted under section 1514.45 of the Revised Code and rules as having lost time accidents in an amount greater than the national average~~ three or more violations per day during an inspection conducted by the mine safety and health administration in the United States department of labor, the chief shall conduct a minimum of two inspections of the operation for one year following the identification. However, the chief, in consultation with a statewide organization representing the industrial minerals surface mining organization, may adopt rules, in accordance with Chapter 119. of the Revised Code, establishing exceptions to the safety inspection requirement under this division.

(C) If a fatality of a miner occurs at a surface mining operation as a result of an unsafe condition or a practice at the operation, the chief shall conduct a minimum of one inspection

every three months at the operation for two years following the 24816  
fatality. 24817

(D) If a life-threatening injury of a miner occurs at a 24818  
surface mining operation as a result of an unsafe condition or a 24819  
practice at the operation, the chief shall conduct a minimum of 24820  
one inspection every three months at the operation for one year 24821  
following the injury. 24822

**Sec. 1514.46.** If the operator of a surface mining operation 24823  
requests the division of mineral resources management to conduct 24824  
mine safety training, the chief of the division of mineral 24825  
resources management shall conduct mine safety training for the 24826  
employees of that operator. For persons who are not employed by a 24827  
holder of a surface mining permit issued under this chapter and 24828  
who seek the training, the chief may charge a fee in an amount 24829  
established in rules for conducting it. The safety training shall 24830  
be conducted in accordance with rules and shall emphasize the 24831  
standards adopted in rules and include any other content that the 24832  
chief determines is beneficial. Any fees collected under this 24833  
section shall be deposited in the state treasury to the credit of 24834  
the ~~surface~~ mining regulation and safety fund created in section 24835  
~~1514.06~~ 1513.30 of the Revised Code. 24836

**Sec. 1521.06.** (A) No dam may be constructed for the purpose 24837  
of storing, conserving, or retarding water, or for any other 24838  
purpose, nor shall any levee be constructed for the purpose of 24839  
diverting or retaining flood water, unless the person or 24840  
governmental agency desiring the construction has a construction 24841  
permit for the dam or levee issued by the chief of the division of 24842  
water resources. 24843

A construction permit is not required under this section for: 24844

(1) A dam that is or will be less than ten feet in height and 24845

that has or will have a storage capacity of not more than fifty 24846  
acre-feet at the elevation of the top of the dam, as determined by 24847  
the chief. For the purposes of this section, the height of a dam 24848  
shall be measured from the natural stream bed or lowest ground 24849  
elevation at the downstream or outside limit of the dam to the 24850  
elevation of the top of the dam. 24851

(2) A dam, regardless of height, that has or will have a 24852  
storage capacity of not more than fifteen acre-feet at the 24853  
elevation of the top of the dam, as determined by the chief; 24854

(3) A dam, regardless of storage capacity, that is or will be 24855  
six feet or less in height, as determined by the chief; 24856

(4) A dam or levee that belongs to a class exempted by the 24857  
chief; 24858

(5) The repair, maintenance, improvement, alteration, or 24859  
removal of a dam or levee that is subject to section 1521.062 of 24860  
the Revised Code, unless the construction constitutes an 24861  
enlargement or reconstruction of the structure as determined by 24862  
the chief; 24863

(6) A dam or impoundment constructed under Chapter 1513. of 24864  
the Revised Code. 24865

(B) Before a construction permit may be issued, three copies 24866  
of the plans and specifications, including a detailed cost 24867  
estimate, for the proposed construction, prepared by a registered 24868  
professional engineer, together with ~~the~~ any filing fee specified 24869  
by rules adopted by the chief in accordance with division (I) of 24870  
this section and the bond or other security required by section 24871  
1521.061 of the Revised Code, shall be filed with the chief. The 24872  
detailed estimate of the cost shall include all costs associated 24873  
with the construction of the dam or levee, including supervision 24874  
and inspection of the construction by a registered professional 24875  
engineer. ~~The filing fee shall be based on the detailed cost~~ 24876

~~estimate for the proposed construction as filed with and approved 24877  
by the chief, and shall be determined by the following schedule 24878  
unless otherwise provided by rules adopted under this section: 24879~~

~~(1) For the first one hundred thousand dollars of estimated 24880  
cost, a fee of four per cent; 24881~~

~~(2) For the next four hundred thousand dollars of estimated 24882  
cost, a fee of three per cent; 24883~~

~~(3) For the next five hundred thousand dollars of estimated 24884  
cost, a fee of two per cent; 24885~~

~~(4) For all costs in excess of one million dollars, a fee of 24886  
one half of one per cent. 24887~~

~~In no case shall the filing fee be less than one thousand 24888  
dollars or more than one hundred thousand dollars. If the actual 24889  
cost exceeds the estimated cost by more than fifteen per cent, an 24890  
additional filing fee shall be required equal to the fee 24891  
determined by the preceding schedule less the original filing fee. 24892  
All fees collected pursuant to this section, and all fines 24893  
collected pursuant to section 1521.99 of the Revised Code, shall 24894  
be deposited in the state treasury to the credit of the dam safety 24895  
fund, which is hereby created. Expenditures from the fund shall be 24896  
made by the chief for the purpose of administering this section 24897  
and sections 1521.061 and 1521.062 of the Revised Code. 24898~~

~~(C) The chief shall, within thirty days from the date of the 24899  
receipt of the application, fee, and bond or other security, issue 24900  
or deny a construction permit for the construction or may issue a 24901  
construction permit conditioned upon the making of such changes in 24902  
the plans and specifications for the construction as the chief 24903  
considers advisable if the chief determines that the construction 24904  
of the proposed dam or levee, in accordance with the plans and 24905  
specifications filed, would endanger life, health, or property. 24906~~

~~(D) The chief may deny a construction permit after finding 24907~~

that a dam or levee built in accordance with the plans and 24908  
specifications would endanger life, health, or property, because 24909  
of improper or inadequate design, or for such other reasons as the 24910  
chief may determine. 24911

In the event the chief denies a permit for the construction 24912  
of the dam or levee, or issues a permit conditioned upon a making 24913  
of changes in the plans or specifications for the construction, 24914  
the chief shall state the reasons therefor and so notify, in 24915  
writing, the person or governmental agency making the application 24916  
for a permit. If the permit is denied, the chief shall return the 24917  
bond or other security to the person or governmental agency making 24918  
application for the permit. 24919

The decision of the chief conditioning or denying a 24920  
construction permit is subject to appeal as provided in Chapter 24921  
119. of the Revised Code. A dam or levee built substantially at 24922  
variance from the plans and specifications upon which a 24923  
construction permit was issued is in violation of this section. 24924  
The chief may at any time inspect any dam or levee, or site upon 24925  
which any dam or levee is to be constructed, in order to determine 24926  
whether it complies with this section. 24927

(E) A registered professional engineer shall inspect the 24928  
construction for which the permit was issued during all phases of 24929  
construction and shall furnish to the chief such regular reports 24930  
of the engineer's inspections as the chief may require. When the 24931  
chief finds that construction has been fully completed in 24932  
accordance with the terms of the permit and the plans and 24933  
specifications approved by the chief, the chief shall approve the 24934  
construction. When one year has elapsed after approval of the 24935  
completed construction, and the chief finds that within this 24936  
period no fact has become apparent to indicate that the 24937  
construction was not performed in accordance with the terms of the 24938  
permit and the plans and specifications approved by the chief, or 24939

that the construction as performed would endanger life, health, or property, the chief shall release the bond or other security. No bond or other security shall be released until one year after final approval by the chief, unless the dam or levee has been modified so that it will not retain water and has been approved as nonhazardous after determination by the chief that the dam or levee as modified will not endanger life, health, or property.

(F) When inspections required by this section are not being performed, the chief shall notify the person or governmental agency to which the permit has been issued that inspections are not being performed by the registered professional engineer and that the chief will inspect the remainder of the construction. Thereafter, the chief shall inspect the construction and the cost of inspection shall be charged against the owner. Failure of the registered professional engineer to submit required inspection reports shall be deemed notice that the engineer's inspections are not being performed.

(G) The chief may order construction to cease on any dam or levee that is being built in violation of this section, and may prohibit the retention of water behind any dam or levee that has been built in violation of this section. The attorney general, upon written request of the chief, may bring an action for an injunction against any person who violates this section or to enforce an order or prohibition of the chief made pursuant to this section.

(H) The chief may adopt rules in accordance with Chapter 119. of the Revised Code, for the design and construction of dams and levees for which a construction permit is required by this section or for which periodic inspection is required by section 1521.062 of the Revised Code, ~~for establishing a filing fee schedule in lieu of the schedule established under division (B) of this section,~~ for deposit and forfeiture of bonds and other securities

required by section 1521.061 of the Revised Code, for the periodic 24972  
inspection, operation, repair, improvement, alteration, or removal 24973  
of all dams and levees, as specified in section 1521.062 of the 24974  
Revised Code, and for establishing classes of dams or levees that 24975  
are exempt from the requirements of this section and section 24976  
1521.062 of the Revised Code as being of a size, purpose, or 24977  
situation that does not present a substantial hazard to life, 24978  
health, or property. The chief may, by rule, limit the period 24979  
during which a construction permit issued under this section is 24980  
valid. The rules may allow for the extension of the period during 24981  
which a permit is valid upon written request, provided that the 24982  
written request includes a revised construction cost estimate, and 24983  
may require the payment of an additional filing fee for the 24984  
requested extension. If a construction permit expires without an 24985  
extension before construction is completed, the person or agency 24986  
shall apply for a new permit, and shall not continue construction 24987  
until the new permit is issued. 24988

(I) The chief shall adopt rules in accordance with Chapter 24989  
119. of the Revised Code establishing a filing fee schedule for 24990  
purposes of division (B) of this section. 24991

**Sec. 1521.063.** (A) Except for the federal government, the 24992  
owner of a dam, that is classified as a class I, class II, or 24993  
class III dam under rules adopted under section 1521.06 of the 24994  
Revised Code and subject to section 1521.062 of the Revised Code 24995  
shall pay an annual fee, ~~based upon the height of the dam, the~~ 24996  
~~linear foot length of the dam, and the per acre foot of volume of~~ 24997  
~~water impounded by the dam~~ in accordance with the annual fee 24998  
schedule established in rules adopted under division (B) of this 24999  
section. The fee shall be paid to the division of water resources 25000  
on or before the thirtieth day of June of each year. ~~The annual~~ 25001  
~~fee shall be as follows until otherwise provided by rules adopted~~ 25002  
~~under this section.~~ 25003

~~(1) For any dam classified as a class I dam under rules adopted by the chief of the division of water resources under section 1521.06 of the Revised Code, three hundred dollars plus ten dollars per foot of height of dam, five cents per foot of length of the dam and five cents per acre foot of water impounded by the dam;~~

~~(2) For any dam classified as a class II dam under those rules, ninety dollars plus six dollars per foot of height of dam, five cents per foot of length of the dam and five cents per acre foot of water impounded by the dam;~~

~~(3) For any dam classified as a class III dam under those rules, ninety dollars plus four dollars per foot of height of the dam, five cents per foot of length of the dam, and five cents per acre foot of volume of water impounded by the dam.~~

~~For purposes of this section, the height of a dam is the vertical height, to the nearest foot, as determined by the division under section 1521.062 of the Revised Code.~~

All fees collected under this section shall be deposited in the dam safety fund created in section 1521.06 of the Revised Code. Any owner who fails to pay any annual fee required by this section within sixty days after the due date shall be assessed a penalty of ten per cent of the annual fee plus interest at the rate of one-half per cent per month from the due date until the date of payment.

There is hereby created the compliant dam discount program to be administered by the chief of the division of water resources. Under the program, the chief may reduce the amount of the annual fee that an owner of a dam is required to pay in accordance with rules adopted by the chief under division ~~(A)(1), (2), or (3)~~ (B) of this section if the owner is in compliance with section 1521.062 of the Revised Code and has developed an emergency action

plan pursuant to standards established in rules adopted under this 25035  
section. The chief shall not discount an annual fee by more than 25036  
twenty-five per cent of the total annual fee that is due. In 25037  
addition, the chief shall not discount the annual fee that is due 25038  
from the owner of a dam who has been assessed a penalty under this 25039  
section. 25040

(B)(1) The chief shall, in accordance with Chapter 119. of 25041  
the Revised Code and subject to the prior approval of the director 25042  
of natural resources, adopt, and may amend or rescind, rules for 25043  
the collection of fees and the administration, implementation, and 25044  
enforcement of this section ~~and~~. 25045

(2) The chief shall, in accordance with Chapter 119. of the 25046  
Revised Code, adopt rules for the establishment of an annual fee 25047  
schedule in lieu of the schedule established in division (A) for 25048  
purposes of this section. 25049

(3) The annual fee schedule must be based on the height of 25050  
the dam, the linear foot length of the dam, and the per-acre foot 25051  
of volume of water impounded by the dam. For purposes of this 25052  
section, the height of a dam is the vertical height, to the 25053  
nearest foot, as determined by the division under section 1521.062 25054  
of the Revised Code. 25055

(C)(1) No person, political subdivision, or state 25056  
governmental agency shall violate or fail to comply with this 25057  
section or any rule or order adopted or issued under it. 25058

(2) The attorney general, upon written request of the chief, 25059  
may commence an action against any such violator. Any action under 25060  
division (C)(2) of this section is a civil action. 25061

(D) As used in this section, "political subdivision" includes 25062  
townships, municipal corporations, counties, school districts, 25063  
municipal universities, park districts, sanitary districts, and 25064  
conservancy districts and subdivisions thereof. 25065

EMT-basic, EMT-I, mine medical responder, or paramedic. Each 26250  
member of a rescue crew shall devote the time specified by the 26251  
chief each month for training purposes and shall be available at 26252  
all times to assist in rescue work at explosions, mine fires, and 26253  
other emergencies. 26254

A captain of mine rescue crews shall receive for service as 26255  
captain the sum of twenty-four dollars per month, and each member 26256  
shall receive the sum of twenty dollars per month, all payable on 26257  
requisition approved by the chief. When engaged in rescue work at 26258  
explosions, mine fires, or other emergencies away from their 26259  
station, the members of the rescue crews and captains of the same 26260  
shall be paid the sum of six dollars per hour for work on the 26261  
surface, which includes the time consumed by those members in 26262  
traveling to and from the scene of the emergency when the scene is 26263  
away from the station of the members, and the sum of seven dollars 26264  
per hour for all work underground at the emergency, and in 26265  
addition thereto, the necessary living expenses of the members 26266  
when the emergency is away from their home station, all payable on 26267  
requisition approved by the chief. 26268

Each member of a mine rescue crew shall undergo an annual 26269  
medical examination. The chief may designate to perform an 26270  
examination any individual authorized by the Revised Code to do 26271  
so, including a physician assistant, a clinical nurse specialist, 26272  
a certified nurse practitioner, or a certified nurse-midwife. In 26273  
designating the individual to perform a medical examination, the 26274  
chief shall choose one near the station of the member of the 26275  
rescue crews. The examiner shall report the examination results to 26276  
the chief and if, in the opinion of the chief, the report 26277  
indicates that the member is physically unfit for further 26278  
services, the chief shall relieve the member from further duty. 26279  
The fee charged by the examiner for the examination shall be paid 26280  
in the same manner as fees are paid to doctors employed by the 26281

industrial commission for special medical examinations. 26282

The chief may remove any member of a rescue crew for any 26283  
reason. Such crews shall be subject to the orders of the chief, 26284  
the superintendent, and the deputy mine inspectors when engaged in 26285  
actual mine rescue work. Mine rescue crews shall, in case of death 26286  
or injury when engaged in rescue work, wherever the same may 26287

death benefits, from the workers' compensation fund, in the same 26289  
manner as other employees of the state. 26290

(C) In addition to the training of rescue crews, each 26291  
assistant superintendent of rescue stations, with the approval of 26292  
the superintendent, shall provide for and conduct safety, first 26293  
aid, and rescue classes at any mine or for any group of miners who 26294  
make application for the conducting of such classes. The chief may 26295  
assess a fee for safety and first aid classes for the purpose of 26296  
covering the costs associated with providing those classes. The 26297  
chief shall establish a fee schedule for safety and first aid 26298  
classes by rule adopted in accordance with Chapter 119. of the 26299  
Revised Code. Fees collected under this section shall be deposited 26300  
in the ~~surface~~ mining regulation and safety fund created in 26301  
section ~~1514.06~~ 1513.30 of the Revised Code. 26302

The superintendent shall prescribe and provide for a uniform 26303  
schedule of conducting such safety and rescue classes as will 26304  
provide a competent knowledge of modern safety and rescue methods 26305  
in, at, and about mines. 26306

(D) No member of a mine rescue crew who performs mine rescue 26307  
at an underground coal mine and no operator of a mine whose 26308  
employee participates as a member of such a mine rescue crew is 26309  
liable in any civil action that arises under the laws of this 26310  
state for damage or injury caused in the performance of rescue 26311  
work at an underground coal mine. However, a member of such a mine 26312  
rescue crew may be liable if the member acted with malicious 26313

purpose, in bad faith, or in a wanton or reckless manner. 26314

This division does not eliminate, limit, or reduce any 26315  
immunity from civil liability that is conferred on a member of 26316  
such a mine rescue crew or an operator by any other provision of 26317  
the Revised Code or by case law. 26318

1711.54 of the Revised Code is on file with the department. 26409

(3) The director shall issue with each permit a decal 26410

owner of the amusement ride shall affix the decal on the ride at a 26412  
location where the decal is easily visible to the patrons of the 26413  
ride. A copy of the permit shall be kept on file at the same 26414  
address as the location of the amusement ride identified on the 26415  
permit, and shall be made available for inspection, upon 26416

director may adopt by reference, in whole or in part, the national 26433  
fire code or the national electrical code (NEC) prepared by the 26434  
national fire protection association, the standards of the 26435  
American society for testing and materials (ASTM) or the American 26436

scientific authorities. Insofar as is practicable and consistent 26439  
with sections 1711.50 to 1711.57 of the Revised Code, rules 26440  
adopted under this division shall be consistent with the rules of 26441  
other states. The department shall cause sections 1711.50 to 26442

(C) With respect to an application for a permit for an 26448  
amusement ride, an owner may apply to the director for a waiver or 26449  
modification of any rule adopted under division (B) of this 26450  
section if there are practical difficulties or unnecessary 26451  
hardships for the amusement ride to comply with the rules. Any 26452  
application shall set forth the reasons for the request. The 26453  
director, with the approval of the advisory council on amusement 26454  
ride safety, may waive or modify the application of a rule to any 26455  
amusement ride if the public safety is secure. Any authorization 26456  
by the director under this division shall be in writing and shall 26457  
set forth the conditions under which the waiver or modification is 26458  
authorized, and the department shall retain separate records of 26459  
all proceedings under this division. 26460

(D)(1) The director shall employ and provide for training of 26461  
a chief inspector and additional inspectors and employees as may 26462  
be necessary to administer and enforce sections 1711.50 to 1711.57 26463  
of the Revised Code. The director may appoint or contract with 26464  
other persons to perform inspections of amusement rides, provided 26465  
that the persons meet the qualifications for inspectors 26466  
established by rules adopted under division (B) of this section 26467  
and are not owners, or employees of owners, of any amusement ride 26468  
subject to inspection under sections 1711.50 to 1711.57 of the 26469

Revised Code. No person shall inspect an amusement ride who, 26470  
within six months prior to the date of inspection, was an employee 26471  
of the owner of the ride. 26472

(2) Before the director contracts with other persons to 26473  
inspect amusement rides, the director shall seek the advice of the 26474  
advisory council on amusement ride safety on whether to contract 26475  
with those persons. The advice shall not be binding upon the 26476  
director. After having received the advice of the council, the 26477  
director may proceed to contract with inspectors in accordance 26478  
with the procedures specified in division (E)(2) of section 26479  
1711.11 of the Revised Code. 26480

(3) With the advice and consent of the advisory council on 26481  
amusement ride safety, the director may employ a special 26482  
consultant to conduct an independent investigation of an amusement 26483  
ride accident. This consultant need not be in the civil service of 26484  
the state, but shall have qualifications to conduct the 26485  
investigation acceptable to the council. 26486

(E)(1) Except as otherwise provided in division (E)(1) of 26487  
this section, the department shall charge the following amusement 26488  
ride fees: 26489

Permit	\$	150	26490

The director shall adopt rules in accordance with Chapter 26505  
119. of the Revised Code establishing an annual fee that is less 26506  
than one hundred five dollars for an inspection and reinspection 26507  
of an inflatable ride. In adopting the rules, the director shall 26508  
ensure that the fee reasonably reflects the costs of inspection 26509  
and reinspection of an inflatable ride. If the director issues a 26510  
permit for an inflatable ride for a time period of less than one 26511  
year, the director shall charge a prorated fee for the permit 26512  
equal to one-twelfth of the annual permit fee multiplied by the 26513  
number of full months for which the permit is issued. 26514

The fees for an expedited inspection, failure to cancel a 26515  
scheduled inspection, and failure to have an amusement ride ready 26516  
for inspection do not apply to go karts. 26517

As used in division (E)(1) of this section, "expedited 26518  
inspection" means an inspection of an amusement ride by the 26519  
department not later than ten days after the owner of the 26520  
amusement ride files an application for a permit under this 26521  
section. 26522

(2) All fees and fines collected by the department under 26523  
sections 1711.50 to 1711.57 of the Revised Code shall be deposited 26524  
in the state treasury to the credit of the amusement ride 26525  
inspection fund, which is hereby created, and shall be used only 26526  
for the purpose of administering and enforcing sections 1711.11 26527  
and 1711.50 to 1711.57 of the Revised Code. 26528

(3) The owner of an amusement ride shall be required to pay a 26529  
reinspection fee only if the reinspection was conducted at the 26530  
owner's request under division (F) of this section, if the 26531  
reinspection is required by division (F) of this section because 26532

of an accident, or if the reinspection is required by division (F) 26533  
of section 1711.55 of the Revised Code. If a reinspection is 26534  
conducted at the request of the chief officer of a fair, festival, 26535  
or event where the ride is operating, the reinspection fee shall 26536  
be charged to the fair, festival, or event. 26537

(4) The rules adopted under division (B) of this section 26538  
shall define "roller coaster," "aerial lifts," "go karts," and 26539  
"other rides" for purposes of determining the fees under division 26540  
(E) of this section. The rules shall define "other rides" to 26541  
include go kart tracks. 26542

(F) A reinspection of an amusement ride shall take place if 26543  
an accident occurs, if the owner of the ride or the chief officer 26544  
of the fair, festival, or event where the ride is operating 26545  
requests a reinspection, or if the reinspection is required by 26546  
division (F) of section 1711.55 of the Revised Code. 26547

(G) As a supplement to its annual inspection of a temporary 26548  
amusement ride, the department may inspect the ride during each 26549  
scheduled event, as listed in the schedule of events provided to 26550  
the department by the owner pursuant to division (C) of section 26551  
1711.55 of the Revised Code, at which the ride is operated in this 26552  
state. These supplemental inspections are in addition to any other 26553  
inspection or reinspection of the ride as may be required under 26554  
sections 1711.50 to 1711.57 of the Revised Code, and the owner of 26555  
the temporary amusement ride is not required to pay an inspection 26556  
or reinspection fee for this supplemental inspection. Nothing in 26557  
this division shall be construed to prohibit the owner of a 26558  
temporary amusement ride having a valid permit to operate in this 26559  
state from operating the ride at a scheduled event before the 26560  
department conducts a supplemental inspection. 26561

(H) The department may annually conduct a midseason 26562  
operational inspection of every amusement ride upon which it 26563  
conducts an annual inspection pursuant to division (A) of this 26564

section. The midseason operational inspection is in addition to 26565  
any other inspection or reinspection of the amusement ride as may 26566  
be required pursuant to sections 1711.50 to 1711.57 of the Revised 26567  
Code. The owner of an amusement ride shall submit to the 26568  
department, at the time determined by the department, the 26569  
midseason operational inspection fee specified in division (E) of 26570  
this section. The director, in accordance with Chapter 119. of the 26571  
Revised Code, shall adopt rules specifying the time period during 26572  
which the department will conduct midseason operational 26573  
inspections. 26574

**Sec. 1721.01.** A company or association incorporated for 26575  
cemetery purposes may appropriate or otherwise acquire, and may 26576  
hold, not more than six hundred forty acres of land at any one 26577  
location, which shall be exempt from execution, and from being 26578  
appropriated for any public purpose, except as otherwise provided 26579  
in this section, ~~and from taxation, if held exclusively for~~ 26580  
~~cemetery or burial purposes, and with no view to profit.~~ A company 26581  
or association of that nature may own land at multiple locations, 26582

municipal corporation in which such lands are located, by the 26593  
board of county commissioners of the county in which such lands 26594  
are located, or by the director of transportation under the same 26595  
conditions and in the same manner as any private property; and, if 26596

any burial occurs within the area specifically designated in the 26597  
written notice, the appropriating agency shall have the same 26598  
powers with respect to such burial as are given to a board of 26599  
township trustees by section 517.21 of the Revised Code and shall 26600  
pay any costs resulting from the exercise of these powers. This 26601  
section shall not be construed as authorizing an appropriating 26602  
agency to exercise the powers specified by section 517.21 of the 26603  
Revised Code in any part of a cemetery other than the area 26604  
specifically designated in the written notice. 26605

The appropriating agency shall serve upon the officers or 26606

whenever in its opinion any portion of such lands is unsuitable 26615  
for burial purposes, may sell and convey by deed in fee simple, in 26616  
such manner, and upon such terms, as are provided by resolution of 26617  
such board, any such portion of said lands, and apply the proceeds 26618  
thereof to the general purposes of the company or association; but 26619  
on such sale being made, the lands so sold shall be returned by 26620  
the board to the auditor of the proper county and placed by that 26621  
auditor upon the grand tax list and duplicate of real and public 26622  
utility property for taxation. 26623

Such company or association may also take, set aside, or hold 26624  
any personal property received by it from any source for cemetery 26625

student enrolled in the school maintaining a student branch who is 26737  
not otherwise qualified for membership in the credit union 26738  
maintaining the student branch is qualified to be a member of that 26739

(4) The student's membership in the student branch expires 26741  
upon the student's graduation from secondary school. 26742

(5) The student branch is for the express use of students and 26743  
may not be used by faculty, staff, or lineal ancestors or 26744  
descendents of students. 26745

(6) Faculty, staff, or lineal ancestors or descendents of 26746  
students are not eligible for membership in the credit union 26747  
maintaining the student branch unless otherwise qualified by this 26748  
section to be members. 26749

(7) The superintendent may adopt rules appropriate to the 26750

formation and operation of student branches. 26751

(D) A credit union may guarantee the signature of a member in 26752  
connection with a transaction involving tangible or intangible 26753  
property in which a member has or seeks to acquire an interest. 26754

**Sec. 1733.24.** (A) A credit union is authorized to receive 26755  
funds for deposit in share accounts, share draft accounts, and 26756  
share certificates from its members, from other credit unions, and 26757  
from an officer, employee, or agent of the federal, state, or 26758  
local governments, or political subdivisions of the state, in 26759  
accordance with such terms, rates, and conditions as may be 26760

(B) The shares and share accounts of the credit union may be 26766

among classes, considering costs and advantages of each class to 26770  
the members of the credit union, including without limitation 26771  
special services rendered, length of ownership, minimum 26772  
investment, conditions of repurchase, and other appropriate 26773  
standards or combinations thereof. In the event the articles of 26774  
incorporation of the credit union indicate the authorized number 26775  
of shares to be unlimited, the designation of classification of 26776  
shares and share accounts of the credit union may be effected by 26777  
the board of directors, subject to the approval of the 26778  
superintendent, and does not require amendment of the articles of 26779  
incorporation. All shares of the credit union shall have a par 26780  
value per share as set by the board of directors. Redemptions and 26781

liquidating dividends shall be prorated to each member on the 26782  
basis of the price paid the credit union for such share, 26783  
irrespective of the class of such shares. 26784

(C)(1) Each credit union shall have one class of shares 26785  
designated as "membership share." The membership shares, or if a 26786  
credit union has but one class of shares, then all of the shares 26787  
of the credit union, shall have a par value as set by the board of 26788  
directors. 26789

(2) Two or more persons that are eligible for membership that 26790  
have jointly subscribed for one or more shares under a joint 26791  
account each may be admitted to membership. 26792

(D) A credit union need not issue certificates for any or all 26793  
of its classes of shares but irrespective of whether certificates 26794  
are issued, a registry of shares must be kept, including all of 26795  
the transactions of the credit union pertaining to such shares. 26796

(E) A credit union is authorized to maintain share draft 26797  
accounts in accordance with rules prescribed by the 26798  
superintendent. The credit union may pay dividends on share draft 26799  
accounts, may pay dividends at different rates on different types 26800  
of share draft accounts, and may permit the owners of such share 26801  
draft accounts to make withdrawals by negotiable or transferable 26802  
instruments or other orders for the purpose of making transfers to 26803  
third parties. 26804

(F) Unless otherwise provided by written agreement of the 26805  
parties, the rights, responsibilities, and liabilities attaching 26806  
to a share draft withdrawn from, transferred to, or otherwise 26807  
handled by a credit union are defined in and governed by Chapters 26808  
1303. and 1304. of the Revised Code, as if the credit union were a 26809  
bank. 26810

(G) Unless otherwise provided in the articles or regulations, 26811  
a member may designate any person or persons to own or hold 26812

shares, or share accounts with the member in joint tenancy with 26813  
right of survivorship and not as tenants in common. 26814

(H) Shares or share accounts may be issued in the name of a 26815  
custodian under the Ohio transfers to minors act, a member in 26816  
trust for a beneficiary, a fiduciary or custodian in trust for a 26817  
member beneficiary, or a fiduciary or custodian in trust upon the 26818  
death of a member. Redemption of such shares or payment of such 26819  
share accounts to a member, to the extent of the payment, 26820  
discharges the liability of the credit union to the member and the 26821  
beneficiary, and the credit union shall be under no obligation to 26822  
see to the application of the payment. Unless prior to the death 26823  
of a member, the member has notified the credit union in writing 26824  
in a form approved by the credit union of a different beneficiary 26825  
to receive the proceeds of such shares or share accounts, then the 26826  
proceeds shall be paid to the beneficiary or to the beneficiary's 26827  
parent or legal representative. Any payment made pursuant to 26828  
written instructions of the member or pursuant to the provisions 26829  
herein contained shall be a valid and sufficient release and 26830  
discharge of the credit union in connection with any such share or 26831  
share accounts. 26832

(I)(1) Except as otherwise provided in the articles or 26833  
regulations, and subject to the provisions thereof, a minor may 26834  
purchase shares, share accounts, or other depository instruments, 26835  
and except for qualification as a voting member, the credit union 26836  
may deal with the minor with respect to shares, share accounts, or 26837  
other depository instruments owned by the minor as if the minor 26838  
were a person of legal age. 26839

(2) If shares, share accounts, or other depository 26840  
instruments are issued in the name of a minor, redemption of any 26841  
part or all of the shares or withdrawal of funds by payment to the 26842  
minor of the shares or funds and any declared dividends or 26843  
interest releases the credit union from all obligation to the 26844

minor as to the shares reduced or funds withdrawn.	26845
(J) The regulations may require advance written notice of a member's intention to withdraw the member's shares. Such advance notice shall not exceed sixty days.	26846 26847 26848

this section by filing a petition with the court:	27885
(a) Any person on behalf of that person;	27886
(b) Any parent or adult family or household member on behalf	27887

(2) The petition shall contain or state all of the following:	27892
(a) An allegation that the respondent engaged in a violation	27893
of section 2903.11, 2903.12, 2903.13, 2903.21, 2903.211, 2903.22,	27894

section requests an ex parte order, the court shall hold an ex 27919  
parte hearing as soon as possible after the petition is filed, but 27920  
not later than the next day after the court is in session after 27921

parte hearing, may enter any temporary orders, with or without 27923  
bond, that the court finds necessary for the safety and protection 27924  
of the person to be protected by the order. Immediate and present 27925

constitutes good cause for purposes of this section. Immediate and 27927  
present danger includes, but is not limited to, situations in 27928

court shall schedule a full hearing for a date that is within ten 27940

court days after the ex parte hearing. The court shall give the respondent notice of, and an opportunity to be heard at, the full hearing. The court also shall give notice of the full hearing to the parent, guardian, or legal custodian of the respondent. The court shall hold the full hearing on the date scheduled under this division unless the court grants a continuance of the hearing in accordance with this division. Under any of the following circumstances or for any of the following reasons, the court may grant a continuance of the full hearing to a reasonable time determined by the court:

(i) Prior to the date scheduled for the full hearing under this division, the respondent has not been served with the petition filed pursuant to this section and notice of the full hearing.

(ii) The parties consent to the continuance.

(iii) The continuance is needed to allow a party to obtain counsel.

(iv) The continuance is needed for other good cause.

(b) An ex parte order issued under this section does not expire because of a failure to serve notice of the full hearing upon the respondent before the date set for the full hearing under division (D)(2)(a) of this section or because the court grants a continuance under that division.

(3) If a person who files a petition pursuant to this section does not request an ex parte order, or if a person requests an ex parte order but the court does not issue an ex parte order after an ex parte hearing, the court shall proceed as in a normal civil action and grant a full hearing on the matter.

(E)(1)(a) After an ex parte or full hearing, the court may issue any protection order, with or without bond, that contains terms designed to ensure the safety and protection of the person

to be protected by the protection order. The court may include 27972  
within a protection order issued under this section a term 27973  
requiring that the respondent not remove, damage, hide, harm, or 27974  
dispose of any companion animal owned or possessed by the person 27975  
to be protected by the order, and may include within the order a 27976  
term authorizing the person to be protected by the order to remove 27977  
a companion animal owned by the person to be protected by the 27978  
order from the possession of the respondent. 27979

(b) After a full hearing, if the court considering a petition 27980  
that includes an allegation of the type described in division 27981  
(C)(2)(b) of this section or the court, upon its own motion, finds 27982  
upon clear and convincing evidence that the petitioner reasonably 27983  
believed that the respondent's conduct at any time preceding the 27984  
filing of the petition endangered the health, welfare, or safety 27985  
of the person to be protected and that the respondent presents a 27986  
continuing danger to the person to be protected and if division 27987  
(N) of this section does not prohibit the issuance of an order 27988  
that the respondent be electronically monitored, the court may 27989  
order that the respondent be electronically monitored for a period 27990  
of time and under the terms and conditions that the court 27991  
determines are appropriate. Electronic monitoring shall be in 27992  
addition to any other relief granted to the petitioner. 27993

(2)(a) Any protection order issued pursuant to this section 27994  
shall be valid until a date certain but not later than the date 27995  
the respondent attains nineteen years of age. 27996

(b) Any protection order issued pursuant to this section may 27997  
be renewed in the same manner as the original order was issued. 27998

(3) A court may not issue a protection order that requires a 27999  
petitioner to do or to refrain from doing an act that the court 28000  
may require a respondent to do or to refrain from doing under 28001  
division (E)(1) of this section unless all of the following apply: 28002

(a) The respondent files a separate petition for a protection order in accordance with this section. 28003  
28004

(b) The petitioner is served with notice of the respondent's petition at least forty-eight hours before the court holds a hearing with respect to the respondent's petition, or the petitioner waives the right to receive this notice. 28005  
28006  
28007  
28008

(c) If the petitioner has requested an ex parte order pursuant to division (D) of this section, the court does not delay any hearing required by that division beyond the time specified in that division in order to consolidate the hearing with a hearing on the petition filed by the respondent. 28009  
28010  
28011  
28012  
28013

(d) After a full hearing at which the respondent presents evidence in support of the request for a protection order and the petitioner is afforded an opportunity to defend against that evidence, the court determines that the petitioner has committed a violation of section 2903.11, 2903.12, 2903.13, 2903.21, 2903.211, 2903.22, or 2911.211 of the Revised Code, a sexually oriented offense, or a violation of any municipal ordinance that is substantially equivalent to any of those offenses against the person to be protected by the protection order issued pursuant to division (E)(3) of this section, or has violated a protection order issued pursuant to this section or section 2903.213 of the Revised Code relative to the person to be protected by the protection order issued pursuant to division (E)(3) of this section. 28014  
28015  
28016  
28017  
28018  
28019  
28020  
28021  
28022  
28023  
28024  
28025  
28026  
28027

(4) No protection order issued pursuant to this section shall in any manner affect title to any real property. 28028  
28029

(5)(a) A protection order issued under this section shall clearly state that the person to be protected by the order cannot waive or nullify by invitation or consent any requirement in the order. 28030  
28031  
28032  
28033

(b) Division (E)(5)(a) of this section does not limit any 28034  
discretion of a court to determine that a respondent alleged to 28035  
have violated section 2919.27 of the Revised Code, violated a 28036  
municipal ordinance substantially equivalent to that section, or 28037  
committed contempt of court, which allegation is based on an 28038  
alleged violation of a protection order issued under this section, 28039  
did not commit the violation or was not in contempt of court. 28040

(6) Any protection order issued pursuant to this section 28041  
shall include a provision that the court will automatically seal 28042  
all of the records of the proceeding in which the order is issued 28043  
on the date the respondent attains the age of nineteen years 28044  
unless the petitioner provides the court with evidence that the 28045  
respondent has not complied with all of the terms of the 28046  
protection order. The protection order shall specify the date when 28047  
the respondent attains the age of nineteen years. 28048

(F)(1) The court shall cause the delivery of a copy of any 28049  
protection order that is issued under this section to the 28050  
petitioner, to the respondent, and to all law enforcement agencies 28051  
that have jurisdiction to enforce the order. The court shall 28052  
direct that a copy of the order be delivered to the respondent and 28053  
the parent, guardian, or legal custodian of the respondent on the 28054  
same day that the order is entered. 28055

(2) Upon the issuance of a protection order under this 28056  
section, the court shall provide the parties to the order with the 28057  
following notice orally or by form: 28058

"NOTICE 28059

As a result of this order, it may be unlawful for you to 28060  
possess or purchase a firearm, including a rifle, pistol, or 28061  
revolver, or ammunition pursuant to federal law under 18 U.S.C. 28062  
922(g)(8). If you have any questions whether this law makes it 28063  
illegal for you to possess or purchase a firearm or ammunition, 28064  
you should consult an attorney." 28065

(3) All law enforcement agencies shall establish and maintain an index for the protection orders delivered to the agencies pursuant to division (F)(1) of this section. With respect to each order delivered, each agency shall note on the index the date and time that it received the order.

(4) Regardless of whether the petitioner has registered the protection order in the county in which the officer's agency has jurisdiction pursuant to division (M) of this section, any officer of a law enforcement agency shall enforce a protection order issued pursuant to this section by any court in this state in accordance with the provisions of the order, including removing the respondent from the premises, if appropriate.

(G)(1) Any proceeding under this section shall be conducted in accordance with the Rules of Civil Procedure, except that a protection order may be obtained under this section with or without bond. An order issued under this section, other than an ex parte order, that grants a protection order, or that refuses to grant a protection order, is a final, appealable order. The remedies and procedures provided in this section are in addition to, and not in lieu of, any other available civil or criminal remedies or any other available remedies under Chapter 2151. or 2152. of the Revised Code.

(2) If as provided in division (G)(1) of this section an order issued under this section, other than an ex parte order, refuses to grant a protection order, the court, on its own motion, shall order that the ex parte order issued under this section and all of the records pertaining to that ex parte order be expunged after either of the following occurs:

(a) The period of the notice of appeal from the order that refuses to grant a protection order has expired.

(b) The order that refuses to grant the protection order is

appealed and an appellate court to which the last appeal of that 28097  
order is taken affirms the order. 28098

(H) The filing of proceedings under this section does not 28099  
excuse a person from filing any report or giving any notice 28100  
required by section 2151.421 of the Revised Code or by any other 28101  
law. 28102

(I) Any law enforcement agency that investigates an alleged 28103  
violation of section 2903.11, 2903.12, 2903.13, 2903.21, 2903.211, 28104  
2903.22, or 2911.211 of the Revised Code, an alleged commission of 28105  
a sexually oriented offense, or an alleged violation of a 28106  
municipal ordinance that is substantially equivalent to any of 28107  
those offenses shall provide information to the victim and the 28108  
family or household members of the victim regarding the relief 28109  
available under this section. 28110

(J)(1) Subject to division (J)(2) of this section and 28111  
regardless of whether a protection order is issued or a consent 28112  
agreement is approved by a court of another county or by a court 28113  
of another state, no court or unit of state or local government 28114  
shall charge the petitioner any fee, cost, deposit, or money in 28115  
connection with the filing of a petition pursuant to this section, 28116  
in connection with the filing, issuance, registration, 28117  
modification, enforcement, dismissal, withdrawal, or service of a 28118  
protection order, consent agreement, or witness subpoena or for 28119  
obtaining a certified copy of a protection order or consent 28120  
agreement. 28121

(2) Regardless of whether a protection order is issued or a 28122  
consent agreement is approved pursuant to this section, the court 28123  
may assess costs against the respondent in connection with the 28124  
filing, issuance, registration, modification, enforcement, 28125  
dismissal, withdrawal, or service of a protection order, consent 28126  
agreement, or witness subpoena or for obtaining a certified copy 28127  
of a protection order or consent agreement. 28128

(K)(1) A person who violates a protection order issued under	28129
this section is subject to the following sanctions:	28130
(a) A delinquent child proceeding or a criminal prosecution	28131
for a violation of section 2919.27 of the Revised Code, if the	28132
violation of the protection order constitutes a violation of that	28133
section;	28134
(b) Punishment for contempt of court.	28135
(2) The punishment of a person for contempt of court for	28136
violation of a protection order issued under this section does not	28137
bar criminal prosecution of the person or a delinquent child	28138
proceeding concerning the person for a violation of section	28139
2919.27 of the Revised Code. However, a person punished for	28140
contempt of court is entitled to credit for the punishment imposed	28141
upon conviction of or adjudication as a delinquent child for a	28142
violation of that section, and a person convicted of or	28143
adjudicated a delinquent child for a violation of that section	28144
shall not subsequently be punished for contempt of court arising	28145
out of the same activity.	28146
(L) In all stages of a proceeding under this section, a	28147
petitioner may be accompanied by a victim advocate.	28148
(M)(1) A petitioner who obtains a protection order under this	28149
section may provide notice of the issuance or approval of the	28150
order to the judicial and law enforcement officials in any county	28151
other than the county in which the order is issued by registering	28152
that order in the other county pursuant to division (M)(2) of this	28153
section and filing a copy of the registered order with a law	28154
enforcement agency in the other county in accordance with that	28155
division. A person who obtains a protection order issued by a	28156
court of another state may provide notice of the issuance of the	28157
order to the judicial and law enforcement officials in any county	28158
of this state by registering the order in that county pursuant to	28159

section 2919.272 of the Revised Code and filing a copy of the 28160  
registered order with a law enforcement agency in that county. 28161

(2) A petitioner may register a protection order issued 28162  
pursuant to this section in a county other than the county in 28163  
which the court that issued the order is located in the following 28164  
manner: 28165

(a) The petitioner shall obtain a certified copy of the order 28166  
from the clerk of the court that issued the order and present that 28167  
certified copy to the clerk of the court of common pleas or the 28168  
clerk of a municipal court or county court in the county in which 28169  
the order is to be registered. 28170

(b) Upon accepting the certified copy of the order for 28171  
registration, the clerk of the court of common pleas, municipal 28172  
court, or county court shall place an endorsement of registration 28173  
on the order and give the petitioner a copy of the order that 28174  
bears that proof of registration. 28175

(3) The clerk of each court of common pleas, municipal court, 28176  
or county court shall maintain a registry of certified copies of 28177  
protection orders that have been issued by courts in other 28178  
counties pursuant to this section and that have been registered 28179  
with the clerk. 28180

(N) If the court orders electronic monitoring of the 28181  
respondent under this section, the court shall direct the 28182  
sheriff's office or any other appropriate law enforcement agency 28183  
to install the electronic monitoring device and to monitor the 28184  
respondent. Unless the court determines that the respondent is 28185  
indigent, the court shall order the respondent to pay the cost of 28186  
the installation and monitoring of the electronic monitoring 28187  
device. If the court determines that the respondent is indigent 28188  
and subject to the maximum amount allowable to be paid in any year 28189  
from the fund and the rules promulgated by the attorney general 28190

under section 2903.214 of the Revised Code, the cost of the 28191  
installation and monitoring of the electronic monitoring device 28192  
may be paid out of funds from the reparations fund created 28193  
pursuant to section 2743.191 of the Revised Code. The total amount 28194  
paid from the reparations fund created pursuant to section 28195  
2743.191 of the Revised Code for electronic monitoring under this 28196

one of the child's parents within a reasonable time or should not 28263  
be placed with either parent and determines in accordance with 28264  
division (D)(1) of section 2151.414 of the Revised Code that the 28265

section 2151.03 of the Revised Code, or who is the parent, 28298  
guardian, or custodian of a child who is adjudicated a dependent 28299  
child and order any person not to have contact with the child or 28300  
the child's siblings. 28301

(B)(1) When making a determination on whether to place a 28302  
child in a planned permanent living arrangement pursuant to 28303  
division (A)(5)(b) or (c) of this section, the court shall 28304  
consider all relevant information that has been presented to the 28305  
court, including information gathered from the child, the child's 28306  
guardian ad litem, and the public children services agency or 28307  
private child placing agency. 28308

arrangement pursuant to division (A)(5)(b) or (c) of this section 28310  
shall be placed in an independent living setting or in a family 28311  
setting in which the caregiver has been provided by the agency 28312  
that has custody of the child with a notice that addresses the 28313  
following: 28314

(C) No order for permanent custody or temporary custody of a child or the placement of a child in a planned permanent living arrangement shall be made pursuant to this section unless the complaint alleging the abuse, neglect, or dependency contains a prayer requesting permanent custody, temporary custody, or the placement of the child in a planned permanent living arrangement as desired, the summons served on the parents of the child contains as is appropriate a full explanation that the granting of an order for permanent custody permanently divests them of their parental rights, a full explanation that an adjudication that the child is an abused, neglected, or dependent child may result in an order of temporary custody that will cause the removal of the child from their legal custody until the court terminates the order of temporary custody or permanently divests the parents of their parental rights, or a full explanation that the granting of an order for a planned permanent living arrangement will result in

the removal of the child from their legal custody if any of the 28347  
conditions listed in divisions (A)(5)(a) to (c) of this section 28348  
are found to exist, and the summons served on the parents contains 28349  
a full explanation of their right to be represented by counsel and 28350  
to have counsel appointed pursuant to Chapter 120. of the Revised 28351  
Code if they are indigent. 28352

If after making disposition as authorized by division (A)(2) 28353

of the child, the court may grant permanent custody of the child 28355  
to the movant in accordance with section 2151.414 of the Revised 28356  
Code. 28357

(D) If the court issues an order for protective supervision 28358  
pursuant to division (A)(1) of this section, the court may place 28359  
any reasonable restrictions upon the child, the child's parents, 28360  
guardian, or custodian, or any other person, including, but not 28361  
limited to, any of the following: 28362

(1) Order a party, within forty-eight hours after the 28363

for a specified period of time; 28365

(2) Order a party, a parent of the child, or a physical 28366  
custodian of the child to prevent any particular person from 28367  
having contact with the child; 28368

(3) Issue an order restraining or otherwise controlling the 28369  
conduct of any person which conduct would not be in the best 28370  
interest of the child. 28371

(E) As part of its dispositional order, the court shall 28372  
journalize a case plan for the child. The journalized case plan 28373  
shall not be changed except as provided in section 2151.412 of the 28374  
Revised Code. 28375

(F)(1) The court shall retain jurisdiction over any child for 28376  
whom the court issues an order of disposition pursuant to division 28377

(A) of this section or pursuant to section 2151.414 or 2151.415 of the Revised Code until the child attains the age of eighteen years if the child is not mentally retarded, developmentally disabled, or physically impaired, the child attains the age of twenty-one years if the child is mentally retarded, developmentally disabled, or physically impaired, or the child is adopted and a final decree of adoption is issued, except that the court may retain jurisdiction over the child and continue any order of disposition under division (A) of this section or under section 2151.414 or 2151.415 of the Revised Code for a specified period of time to enable the child to graduate from high school or vocational school. The court shall retain jurisdiction over a person who meets the requirements described in division (A)(1) of section 5101.1411 of the Revised Code and who is subject to a voluntary participation agreement that is in effect. The court shall make an entry continuing its jurisdiction under this division in the journal.

(2) Any public children services agency, any private child placing agency, the department of job and family services, or any party, other than any parent whose parental rights with respect to the child have been terminated pursuant to an order issued under division (A)(4) of this section, by filing a motion with the court, may at any time request the court to modify or terminate any order of disposition issued pursuant to division (A) of this section or section 2151.414 or 2151.415 of the Revised Code. The court shall hold a hearing upon the motion as if the hearing were the original dispositional hearing and shall give all parties to the action and the guardian ad litem notice of the hearing pursuant to the Juvenile Rules. If applicable, the court shall comply with section 2151.42 of the Revised Code.

(G) Any temporary custody order issued pursuant to division (A) of this section shall terminate one year after the earlier of

the date on which the complaint in the case was filed or the child 28410  
was first placed into shelter care, except that, upon the filing 28411  
of a motion pursuant to section 2151.415 of the Revised Code, the 28412  
temporary custody order shall continue and not terminate until the 28413  
court issues a dispositional order under that section. In 28414  
resolving the motion, the court shall not order an existing 28415  
temporary custody order to continue beyond two years after the 28416  
date on which the complaint was filed or the child was first 28417  
placed into shelter care, whichever date is earlier, regardless of 28418  
whether any extensions have been previously ordered pursuant to 28419  
division (D) of section 2151.415 of the Revised Code. 28420

(H)(1) No later than one year after the earlier of the date 28421  
the complaint in the case was filed or the child was first placed 28422  
in shelter care, a party may ask the court to extend an order for 28423  
protective supervision for six months or to terminate the order. A 28424  
party requesting extension or termination of the order shall file 28425  
a written request for the extension or termination with the court 28426  
and give notice of the proposed extension or termination in 28427  
writing before the end of the day after the day of filing it to 28428  
all parties and the child's guardian ad litem. If a public 28429  
children services agency or private child placing agency requests 28430  
termination of the order, the agency shall file a written status 28431  
report setting out the facts supporting termination of the order 28432  
at the time it files the request with the court. If no party 28433  
requests extension or termination of the order, the court shall 28434  
notify the parties that the court will extend the order for six 28435  
months or terminate it and that it may do so without a hearing 28436  
unless one of the parties requests a hearing. All parties and the 28437  
guardian ad litem shall have seven days from the date a notice is 28438  
sent pursuant to this division to object to and request a hearing 28439  
on the proposed extension or termination. 28440

(a) If it receives a timely request for a hearing, the court 28441

shall schedule a hearing to be held no later than thirty days 28442  
after the request is received by the court. The court shall give 28443  
notice of the date, time, and location of the hearing to all 28444  
parties and the guardian ad litem. At the hearing, the court shall 28445  
determine whether extension or termination of the order is in the 28446  
child's best interest. If termination is in the child's best 28447  
interest, the court shall terminate the order. If extension is in 28448  
the child's best interest, the court shall extend the order for 28449  
six months. 28450

(b) If it does not receive a timely request for a hearing, 28451  
the court may extend the order for six months or terminate it 28452  
without a hearing and shall journalize the order of extension or 28453  
termination not later than fourteen days after receiving the 28454  
request for extension or termination or after the date the court 28455  
notifies the parties that it will extend or terminate the order. 28456  
If the court does not extend or terminate the order, it shall 28457  
schedule a hearing to be held no later than thirty days after the 28458  
expiration of the applicable fourteen-day time period and give 28459  
notice of the date, time, and location of the hearing to all 28460  
parties and the child's guardian ad litem. At the hearing, the 28461  
court shall determine whether extension or termination of the 28462  
order is in the child's best interest. If termination is in the 28463  
child's best interest, the court shall terminate the order. If 28464  
extension is in the child's best interest, the court shall issue 28465  
an order extending the order for protective supervision six 28466  
months. 28467

(2) If the court grants an extension of the order for 28468  
protective supervision pursuant to division (H)(1) of this 28469  
section, a party may, prior to termination of the extension, file 28470  
with the court a request for an additional extension of six months 28471  
or for termination of the order. The court and the parties shall 28472  
comply with division (H)(1) of this section with respect to 28473

extending or terminating the order.	28474
(3) If a court grants an extension pursuant to division	28475
(H)(2) of this section, the court shall terminate the order for	28476
protective supervision at the end of the extension.	28477
(I) The court shall not issue a dispositional order pursuant	28478
to division (A) of this section that removes a child from the	28479
child's home unless the court complies with section 2151.419 of	28480
the Revised Code and includes in the dispositional order the	28481
findings of fact required by that section.	28482
(J) If a motion or application for an order described in	28483
division (A)(6) of this section is made, the court shall not issue	28484
the order unless, prior to the issuance of the order, it provides	28485
to the person all of the following:	28486
(1) Notice and a copy of the motion or application;	28487
(2) The grounds for the motion or application;	28488
(3) An opportunity to present evidence and witnesses at a	28489
hearing regarding the motion or application;	28490
(4) An opportunity to be represented by counsel at the	28491
hearing.	28492
(K) The jurisdiction of the court shall terminate one year	28493
after the date of the award or, if the court takes any further	28494
action in the matter subsequent to the award, the date of the	28495
latest further action subsequent to the award, if the court awards	28496
legal custody of a child to either of the following:	28497
(1) A legal custodian who, at the time of the award of legal	28498
custody, resides in a county of this state other than the county	28499
in which the court is located;	28500
(2) A legal custodian who resides in the county in which the	28501
court is located at the time of the award of legal custody, but	28502
moves to a different county of this state prior to one year after	28503

the date of the award or, if the court takes any further action in 28504  
the matter subsequent to the award, one year after the date of the 28505  
latest further action subsequent to the award. 28506

The court in the county in which the legal custodian resides 28507  
then shall have jurisdiction in the matter. 28508

**Sec. 2151.417.** (A) Any court that issues a dispositional 28509  
order pursuant to section 2151.353, 2151.414, or 2151.415 of the 28510  
Revised Code may review at any time the child's placement or 28511  
custody arrangement, the case plan prepared for the child pursuant 28512  
to section 2151.412 of the Revised Code, the actions of the public 28513  
children services agency or private child placing agency in 28514  
implementing that case plan, the child's permanency plan if the 28515  
child's permanency plan has been approved, and any other aspects 28516  
of the child's placement or custody arrangement. In conducting the 28517  
review, the court shall determine the appropriateness of any 28518  
agency actions, the safety and appropriateness of continuing the 28519  
child's placement or custody arrangement, and whether any changes 28520  
should be made with respect to the child's permanency plan or 28521  
placement or custody arrangement or with respect to the actions of 28522  
the agency under the child's placement or custody arrangement. 28523  
Based upon the evidence presented at a hearing held after notice 28524  
to all parties and the guardian ad litem of the child, the court 28525  
may require the agency, the parents, guardian, or custodian of the 28526  
child, and the physical custodians of the child to take any 28527  
reasonable action that the court determines is necessary and in 28528  
the best interest of the child or to discontinue any action that 28529  
it determines is not in the best interest of the child. 28530

(B) If a court issues a dispositional order pursuant to 28531  
section 2151.353, 2151.414, or 2151.415 of the Revised Code, the 28532  
court has continuing jurisdiction over the child as set forth in 28533  
division (F)(1) of section 2151.353 of the Revised Code. The court 28534

may amend a dispositional order in accordance with division (F)(2) 28535  
of section 2151.353 of the Revised Code at any time upon its own 28536  
motion or upon the motion of any interested party. The court shall 28537  
comply with section 2151.42 of the Revised Code in amending any 28538  
dispositional order pursuant to this division. 28539

(C)(1) Any court that issues a dispositional order pursuant 28540  
to section 2151.353, 2151.414, or 2151.415 of the Revised Code 28541  
shall hold a review hearing one year after the earlier of the date 28542  
on which the complaint in the case was filed or the child was 28543  
first placed into shelter care to review the case plan prepared 28544  
pursuant to section 2151.412 of the Revised Code and the child's 28545  
placement or custody arrangement, to approve or review the 28546  
permanency plan for the child, and to make changes to the case 28547  
plan and placement or custody arrangement consistent with the 28548  
permanency plan. The court shall schedule the review hearing at 28549  
the time that it holds the dispositional hearing pursuant to 28550  
section 2151.35 of the Revised Code. 28551

(2) The court shall hold a similar review hearing no later 28552  
than every twelve months after the initial review hearing until 28553  
the child is adopted, returned to the parents, or the court 28554  
otherwise terminates the child's placement or custody arrangement, 28555  
except that the dispositional hearing held pursuant to section 28556  
2151.415 of the Revised Code shall take the place of the first 28557  
review hearing to be held under this section. The court shall 28558  
schedule each subsequent review hearing at the conclusion of the 28559  
review hearing immediately preceding the review hearing to be 28560  
scheduled. 28561

(3) The court is not required to continue holding review 28562  
hearings under divisions (C)(1) and (2) of this section regarding 28563  
a child subject to an order of legal custody under section 28564

	28573
	28574
(D) If, within fourteen days after a written summary of an administrative review is filed with the court pursuant to section 2151.416 of the Revised Code, the court does not approve the proposed change to the case plan filed pursuant to division (E) of section 2151.416 of the Revised Code or a party or the guardian ad litem requests a review hearing pursuant to division (E) of that section, the court shall hold a review hearing in the same manner that it holds review hearings pursuant to division (C) of this section, except that if a review hearing is required by this division and if a hearing is to be held pursuant to division (C) of this section or section 2151.415 of the Revised Code, the hearing held pursuant to division (C) of this section or section 2151.415 of the Revised Code shall take the place of the review hearing required by this division.	28575

Code and shall hold it no later than thirty days after making that 28602  
determination. 28603

(F) The court shall give notice of the review hearings held 28604  
pursuant to this section to every interested party, including, but 28605  
not limited to, the appropriate agency employees who are 28606  
responsible for the child's care and planning, the child's 28607  
parents, any person who had guardianship or legal custody of the 28608  
child prior to the custody order, the child's guardian ad litem, 28609  
and the child. The court shall summon every interested party to 28610  
appear at the review hearing and give them an opportunity to 28611  
testify and to present other evidence with respect to the child's 28612  
custody arrangement, including, but not limited to, the following: 28613  
the case plan for the child; the permanency plan, if one exists; 28614  
the actions taken by the child's custodian; the need for a change 28615  
in the child's custodian or caseworker; and the need for any 28616  
specific action to be taken with respect to the child. The court 28617  
shall require any interested party to testify or present other 28618  
evidence when necessary to a proper determination of the issues 28619  
presented at the review hearing. In any review hearing that 28620  
pertains to a permanency plan for a child who will not be returned 28621  
to the parent, the court shall consider in-state and out-of-state 28622  
placement options and the court shall determine whether the 28623  
in-state or the out-of-state placement continues to be appropriate 28624  
and in the best interests of the child. In any review hearing that 28625  
pertains to a permanency plan for a child, the court or a citizens 28626  
board appointed by the court pursuant to division (H) of this 28627  
section shall consult with the child, in an age-appropriate 28628  
manner, regarding the proposed permanency plan for the child. 28629

(G) After the review hearing, the court shall take the 28630

following actions based upon the evidence presented: 28631

(1) If an administrative review has been conducted, determine 28632  
whether the conclusions of the review are supported by a 28633  
preponderance of the evidence and approve or modify the case plan 28634  
based upon that evidence; 28635

(2) If the hearing was held under division (C) or (E) of this 28636  
section, approve a permanency plan for the child that specifies 28637  
whether and, if applicable, when the child will be safely returned 28638  
home or placed for adoption, for legal custody, or in a planned 28639  
permanent living arrangement. A permanency plan approved after a 28640  
hearing under division (E) of this section shall not include any 28641  
provision requiring the child to be returned to the child's home. 28642

(3) If the child is in temporary custody, do all of the 28643  
following: 28644

(a) Determine whether the child can and should be returned 28645  
home with or without an order for protective supervision; 28646

(b) If the child can and should be returned home with or 28647  
without an order for protective supervision, terminate the order 28648  
for temporary custody; 28649

(c) If the child cannot or should not be returned home with 28650  
an order for protective supervision, determine whether the agency 28651  
currently with custody of the child should retain custody or 28652  
whether another public children services agency, private child 28653  
placing agency, or an individual should be given custody of the 28654  
child. 28655

The court shall comply with section 2151.42 of the Revised 28656  
Code in taking any action under this division. 28657

(4) If the child is in permanent custody, determine what 28658  
actions are required by the custodial agency and of any other 28659  
organizations or persons in order to facilitate an adoption of the 28660

child and make any appropriate orders with respect to the custody 28661  
arrangement or conditions of the child, including, but not limited 28662  
to, a transfer of permanent custody to another public children 28663  
services agency or private child placing agency; 28664

(5) Journalize the terms of the updated case plan for the 28665  
child. 28666

(H) The court may appoint a referee or a citizens review 28667  
board to conduct the review hearings that the court is required by 28668  
this section to conduct, subject to the review and approval by the 28669  
court of any determinations made by the referee or citizens review 28670  
board. If the court appoints a citizens review board to conduct 28671  
the review hearings, the board shall consist of one member 28672  
representing the general public and four members who are trained 28673  
or experienced in the care or placement of children and have 28674  
training or experience in the fields of medicine, psychology, 28675  
social work, education, or any related field. Of the initial 28676  
appointments to the board, two shall be for a term of one year, 28677  
two shall be for a term of two years, and one shall be for a term 28678  
of three years, with all the terms ending one year after the date 28679  
on which the appointment was made. Thereafter, all terms of the 28680  
board members shall be for three years and shall end on the same 28681  
day of the same month of the year as did the term that they 28682  
succeed. Any member appointed to fill a vacancy occurring prior to 28683  
the expiration of the term for which the member's predecessor was 28684  
appointed shall hold office for the remainder of the term. 28685

(I) A copy of the court's determination following any review 28686  
hearing held pursuant to this section shall be sent to the 28687  
custodial agency, the guardian ad litem of the child who is the 28688  
subject of the review hearing, and, if that child is not the 28689  
subject of a permanent commitment hearing, the parents of the 28690  
child. 28691

(J) If the hearing held under this section takes the place of 28692

an administrative review that otherwise would have been held under 28693  
section 2151.416 of the Revised Code, the court at the hearing 28694  
held under this section shall do all of the following in addition 28695  
to any other requirements of this section: 28696

(1) Determine the continued necessity for and the safety and 28697  
appropriateness of the child's placement; 28698

(2) Determine the extent of compliance with the child's case 28699  
plan; 28700

(3) Determine the extent of progress that has been made 28701  
toward alleviating or mitigating the causes necessitating the 28702  
child's placement in foster care; 28703

(4) Project a likely date by which the child may be safely 28704  
returned home or placed for adoption or legal custody. 28705

(K)(1) Whenever the court is required to approve a permanency 28706  
plan under this section or section 2151.415 of the Revised Code, 28707  
the public children services agency or private child placing 28708  
agency that filed the complaint in the case, has custody of the 28709  
child, or will be given custody of the child shall develop a 28710  
permanency plan for the child. The agency must file the plan with 28711  
the court prior to the hearing under this section or section 28712  
2151.415 of the Revised Code. 28713

(2) The permanency plan developed by the agency must specify 28714  
whether and, if applicable, when the child will be safely returned 28715  
home or placed for adoption or legal custody. If the agency 28716  
determines that there is a compelling reason why returning the 28717  
child home or placing the child for adoption or legal custody is 28718  
not in the best interest of the child, the plan shall provide that 28719  
the child will be placed in a planned permanent living 28720  
arrangement. A permanency plan developed as a result of a 28721  
determination made under division (A)(2) of section 2151.419 of 28722  
the Revised Code may not include any provision requiring the child 28723

to be returned home. 28724

(3)(a) Whenever a court is required under this section or 28725  
section 2151.415 or 2151.419 of the Revised Code to conduct a 28726  
review hearing to approve a permanency plan, the court shall 28727  
determine whether the agency required to develop the plan has made 28728  
reasonable efforts to finalize it. If the court determines the 28729  
agency has not made reasonable efforts to finalize the plan, the 28730  
court shall issue an order finalizing a permanency plan requiring 28731  
the agency to use reasonable efforts to do the following: 28732

(i) Place the child in a timely manner into a permanent 28733  
placement; 28734

(ii) Complete whatever steps are necessary to finalize the 28735  
permanent placement of the child. 28736

(b) In making reasonable efforts as required in division 28737  
(K)(3)(a) of this section, the agency shall consider the child's 28738  
health and safety as the paramount concern. 28739

**Sec. 2151.43.** In cases against an adult under sections 28740  
2151.01 to 2151.54 of the Revised Code, any person may file an 28741  
affidavit with the clerk of the juvenile court setting forth 28742  
briefly, in plain and ordinary language, the charges against the 28743  
accused who shall be tried thereon. When the child is a recipient 28744  
of aid pursuant to Chapter 5107. ~~or 5115.~~ of the Revised Code, the 28745  
county department of job and family services shall file charges 28746  
against any person who fails to provide support to a child in 28747  
violation of section 2919.21 of the Revised Code, unless the 28748  
department files charges under section 3113.06 of the Revised 28749  
Code, or unless charges of nonsupport are filed by a relative or 28750  
guardian of the child, or unless action to enforce support is 28751  
brought under Chapter 3115. of the Revised Code. 28752

In such prosecution an indictment by the grand jury or 28753

information by the prosecuting attorney shall not be required. The 28754  
clerk shall issue a warrant for the arrest of the accused, who, 28755  
when arrested, shall be taken before the juvenile judge and tried 28756  
according to such sections. 28757

The affidavit may be amended at any time before or during the 28758  
trial. 28759

The judge may bind such adult over to the grand jury, where 28760  
the act complained of constitutes a felony. 28761

**Sec. 2151.49.** In every case of conviction under sections 28762  
2151.01 to 2151.54 of the Revised Code, where imprisonment is 28763

sentence, before or during commitment, upon such condition as the 28765  
juvenile judge imposes. In the case of conviction for nonsupport 28766  
of a child who is receiving aid under Chapter 5107. ~~or 5115.~~ of 28767  
the Revised Code, if the juvenile judge suspends sentence on 28768  
condition that the person make payments for support, the payment 28769  
shall be made to the county department of job and family services 28770  
rather than to the child or custodian of the child. 28771

The court, in accordance with sections 3119.29 to 3119.56 of 28772  
the Revised Code, shall include in each support order made under 28773  
this section the requirement that one or both of the parents 28774  
provide for the health care needs of the child to the satisfaction 28775  
of the court. 28776

may seek relief under that section or under this section, 29482  
provided, however, that if the allegedly aggrieved person files a 29483  
complaint under either section, that person may not seek relief 29484  
that pertains to the same request for records in a complaint filed 29485  
under the other section. 29486

(2) If the allegedly aggrieved person files a complaint under 29487  
this section and the court of claims determines that the complaint 29488  
constitutes a case of first impression that involves an issue of 29489  
substantial public interest, the court shall dismiss the complaint 29490  
without prejudice and direct the allegedly aggrieved person to 29491  
commence a mandamus action in the court of appeals with 29492

(2) Upon receipt of a complaint filed under division (D)(1) of this section, the clerk of the court of claims shall assign a case number for the action and a special master to examine the complaint. Notwithstanding any provision to the contrary in this section, upon the recommendation of the special master, the court of claims on its own motion may dismiss the complaint at any time. The allegedly aggrieved person may voluntarily dismiss the complaint filed by that person under division (D)(1) of this section.

(E)(1) Upon service of a complaint under division (D)(1) of this section, except as otherwise provided in this division, the special master assigned by the clerk under division (D)(2) of this section immediately shall refer the case to mediation services that the court of claims makes available to persons. If, in the interest of justice considering the circumstances of the case or

the parties, the special master determines that the case should 29527  
not be referred to mediation, the special master shall notify the 29528  
court that the case was not referred to mediation, and the case 29529  
shall proceed in accordance with division (F) of this section. If 29530  
the case is referred to mediation, any further proceedings under 29531  
division (F) of this section shall be stayed until the conclusion 29532  
of the mediation. Any mediation proceedings under this division 29533  
may be conducted by teleconference, telephone, or other electronic 29534  
means. If an agreement is reached during mediation, the court 29535  
shall dismiss the complaint. If an agreement is not reached, the 29536  
special master shall notify the court that the case was not 29537  
resolved and that the mediation has been terminated. 29538

(2) Within ten business days after the termination of the 29539  
mediation or the notification to the court that the case was not 29540  
referred to mediation under division (E)(1) of this section, the 29541  
public office or person responsible for public records shall file 29542  
a response, and if applicable, a motion to dismiss the complaint, 29543  
with the clerk of the court of claims and transmit copies of the 29544  
pleadings to the allegedly aggrieved party. No further motions or 29545  
pleadings shall be accepted by the clerk of the court of claims or 29546  
by the special master assigned by the clerk under division (D)(2) 29547  
of this section unless the special master directs in writing that 29548  
a further motion or pleading be filed. 29549

(3) All of the following apply prior to the submission of the 29550  
special master's report and recommendation to the court of claims 29551  
under division (F)(1) of this section: 29552

(a) The special master shall not permit any discovery. 29553

(b) The parties may attach supporting affidavits to their 29554  
respective pleadings. 29555

(c) The special master may require either or both of the 29556  
parties to submit additional information or documentation 29557

supported by affidavits. 29558

(F)(1) Not later than seven business days after receiving the 29559  
response, or motion to dismiss the complaint, if applicable, of 29560  
the public office or person responsible for public records, the 29561  
special master shall submit to the court of claims a report and 29562  
recommendation based on the ordinary application of statutory law 29563  
and case law as they existed at the time of the filing of the 29564  
complaint. For good cause shown, the special master may extend the 29565  
seven-day period for the submission of the report and 29566  
recommendation to the court of claims under this division by an 29567  
additional seven business days. 29568

(2) Upon submission of the special master's report and 29569  
recommendation to the court of claims under division (F)(1) of 29570  
this section, the clerk shall send copies of the report and 29571  
recommendation to each party by certified mail, return receipt 29572  
requested, not later than three business days after the report and 29573  
recommendation is filed. Either party may object to the report and 29574  
recommendation within seven business days after receiving the 29575  
report and recommendation by filing a written objection with the 29576  
clerk and sending a copy to the other party by certified mail, 29577  
return receipt requested. Any objection to the report and 29578  
recommendation shall be specific and state with particularity all 29579  
grounds for the objection. If neither party timely objects, the 29580  
court of claims shall promptly issue a final order adopting the 29581  
report and recommendation, unless it determines that there is an 29582  
error of law or other defect evident on the face of the report and 29583  
recommendation. If either party timely objects, the other party 29584  
may file with the clerk a response within seven business days 29585  
after receiving the objection and send a copy of the response to 29586  
the objecting party by certified mail, return receipt requested. 29587  
The court, within seven business days after the response to the 29588  
objection is filed, shall issue a final order that adopts, 29589

modifies, or rejects the report and recommendation. 29590

(3) If the court of claims determines that the public office 29591  
or person responsible for the public records denied the aggrieved 29592  
person access to the public records in violation of division (B) 29593  
of section 149.43 of the Revised Code and if no appeal from the 29594  
court's final order is taken under division (G) of this section, 29595  
both of the following apply: 29596

(a) The public office or the person responsible for the 29597  
public records shall permit the aggrieved person to inspect or 29598  
receive copies of the public records that the court requires to be 29599  
disclosed in its order. 29600

(b) The aggrieved person shall be entitled to recover from 29601  
the public office or person responsible for the public records the 29602  
amount of the filing fee of twenty-five dollars and any other 29603  
costs associated with the action that are incurred by the 29604  
aggrieved person, but shall not be entitled to recover attorney's 29605  
fees, except that division (G)(2) of this section applies if an 29606  
appeal is taken under division (G)(1) of this section. 29607

(G)(1) Any appeal from a final order of the court of claims 29608  
under this section or from an order of the court of claims 29609  
dismissing the complaint as provided in division (D)(2) of this 29610  
section shall be taken to the court of appeals of the appellate 29611  
district where the principal place of business of the public 29612  
office from which the public record is requested is located. 29613  
However, no appeal may be taken from a final order of the court of 29614  
claims that adopts the special master's report and recommendation 29615  
unless a timely objection to that report and recommendation was 29616  
filed under division (F)(2) of this section. If the court of 29617  
claims materially modifies the special master's report and 29618  
recommendation, either party may take an appeal to the court of 29619  
appeals of the appellate district of the principal place of 29620  
business where that public office is located but the appeal shall 29621

be limited to the issue in the report and recommendation that is 29622  
materially modified by the court of claims. In order to facilitate 29623  
the expeditious resolution of disputes over alleged denials of 29624  
access to public records in violation of division (B) of section 29625  
149.43 of the Revised Code, the appeal shall be given such 29626  
precedence over other pending matters as will ensure that the 29627  
court will reach a decision promptly. 29628

(2) If a court of appeals in any appeal taken under division 29629  
(G)(1) of this section by the public office or person responsible 29630  
for the public records determines that the public office or person 29631  
denied the aggrieved person access to the public records in 29632  
violation of division (B) of section 149.43 of the Revised Code 29633  
and obviously filed the appeal with the intent to either delay 29634  
compliance with the court of claims' order from which the appeal 29635  
is taken for no reasonable cause or unduly harass the aggrieved 29636  
person, the court of appeals may award reasonable attorney's fees 29637  
to the aggrieved person in accordance with division (C) of section 29638  
149.43 of the Revised Code. No discovery may be conducted on the 29639  
issue of the public office or person responsible for the public 29640  
records filing the appeal with the alleged intent to either delay 29641  
compliance with the court of claims' order for no reasonable cause 29642  
or unduly harass the aggrieved person. This division shall not be 29643  
construed as creating a presumption that the public office or the 29644  
person responsible for the public records filed the appeal with 29645  
the intent to either delay compliance with the court of claims' 29646  
order for no reasonable cause or unduly harass the aggrieved 29647  
person. 29648

(H) The powers of the court of claims prescribed in section 29649  
2743.05 of the Revised Code apply to the proceedings in that court 29650  
under this section. 29651

(I)(1) All filing fees collected by a clerk of the court of 29652  
common pleas under division (D)(1) of this section shall be paid 29653

to the county treasurer for deposit into the county general 29654  
revenue fund. All such money collected during a month shall be 29655  
transmitted on or before the twentieth day of the following month 29656  
by the clerk of the court of common pleas to the county treasurer. 29657

(2) All filing fees collected by the clerk of the court of 29658  
claims under division (D)(1) of this section shall be ~~kept~~ 29659  
deposited into the state treasury to the credit of the public 29660  
records fund, which is hereby created. Money credited to the fund 29661  
shall be used by the court of claims to assist in paying for its 29662  
costs to implement this section. All investment earnings of the 29663  
fund shall be credited to the fund. Not later than the first day 29664  
of February of each year, the clerk of the court of claims shall 29665  
prepare a report accessible to the public that details the fees 29666  
collected during the preceding calendar year by the clerk of the 29667  
court of claims and the clerks of the courts of common pleas under 29668  
this section. 29669

(J) Nothing in this section shall be construed to limit the 29670  
authority of the auditor of state under division (G) of section 29671  
109.43 of the Revised Code. 29672

**Sec. 2903.213.** (A) Except when the complaint involves a 29673  
person who is a family or household member as defined in section 29674  
2919.25 of the Revised Code, upon the filing of a complaint that 29675  
alleges a violation of section 2903.11, 2903.12, 2903.13, 2903.21, 29676  
2903.211, 2903.22, or 2911.211 of the Revised Code, a violation of 29677  
a municipal ordinance substantially similar to section 2903.13, 29678  
2903.21, 2903.211, 2903.22, or 2911.211 of the Revised Code, or 29679  
the commission of a sexually oriented offense, the complainant, 29680  
the alleged victim, or a family or household member of an alleged 29681  
victim may file a motion that requests the issuance of a 29682  
protection order as a pretrial condition of release of the alleged 29683  
offender, in addition to any bail set under Criminal Rule 46. The 29684

motion shall be filed with the clerk of the court that has 29685  
jurisdiction of the case at any time after the filing of the 29686  
complaint. If the complaint involves a person who is a family or 29687  
household member, the complainant, the alleged victim, or the 29688  
family or household member may file a motion for a temporary 29689  
protection order pursuant to section 2919.26 of the Revised Code. 29690

(B) A motion for a protection order under this section shall 29691  
be prepared on a form that is provided by the clerk of the court, 29692  
and the form shall be substantially as follows: 29693

(C)(1) As soon as possible after the filing of a motion that 29728  
requests the issuance of a protection order under this section, 29729  
but not later than the next day that the court is in session after 29730  
the filing of the motion, the court shall conduct a hearing to 29731  
determine whether to issue the order. The person who requested the 29732  
order shall appear before the court and provide the court with the 29733  
information that it requests concerning the basis of the motion. 29734  
If the court finds that the safety and protection of the 29735  
complainant or the alleged victim may be impaired by the continued 29736  
presence of the alleged offender, the court may issue a protection 29737  
order under this section, as a pretrial condition of release, that 29738  
contains terms designed to ensure the safety and protection of the 29739  
complainant or the alleged victim, including a requirement that 29740  
the alleged offender refrain from entering the residence, school, 29741  
business, or place of employment of the complainant or the alleged 29742  
victim. The court may include within a protection order issued 29743  
under this section a term requiring that the alleged offender not 29744  
remove, damage, hide, harm, or dispose of any companion animal 29745  
owned or possessed by the complainant or the alleged victim, and 29746

may include within the order a term authorizing the complainant or the alleged victim to remove a companion animal owned by the complainant or the alleged victim from the possession of the alleged offender.

(2)(a) If the court issues a protection order under this section that includes a requirement that the alleged offender refrain from entering the residence, school, business, or place of employment of the complainant or the alleged victim, the order shall clearly state that the order cannot be waived or nullified by an invitation to the alleged offender from the complainant, the alleged victim, or a family or household member to enter the residence, school, business, or place of employment or by the alleged offender's entry into one of those places otherwise upon the consent of the complainant, the alleged victim, or a family or household member.

(b) Division (C)(2)(a) of this section does not limit any discretion of a court to determine that an alleged offender charged with a violation of section 2919.27 of the Revised Code, with a violation of a municipal ordinance substantially equivalent to that section, or with contempt of court, which charge is based on an alleged violation of a protection order issued under this section, did not commit the violation or was not in contempt of court.

(D)(1) Except when the complaint involves a person who is a family or household member as defined in section 2919.25 of the Revised Code, upon the filing of a complaint that alleges a violation specified in division (A) of this section, the court, upon its own motion, may issue a protection order under this section as a pretrial condition of release of the alleged offender if it finds that the safety and protection of the complainant or the alleged victim may be impaired by the continued presence of the alleged offender.

(2)(a) If the court issues a protection order under this section as an ex parte order, it shall conduct, as soon as possible after the issuance of the order but not later than the next day that the court is in session after its issuance, a hearing to determine whether the order should remain in effect, be modified, or be revoked. The hearing shall be conducted under the standards set forth in division (C) of this section.

(b) If at a hearing conducted under division (D)(2)(a) of this section the court determines that the ex parte order that the court issued should be revoked, the court, on its own motion, shall order that the ex parte order that is revoked and all of the records pertaining to that ex parte order be expunged.

(3) If a municipal court or a county court issues a protection order under this section and if, subsequent to the issuance of the order, the alleged offender who is the subject of the order is bound over to the court of common pleas for prosecution of a felony arising out of the same activities as those that were the basis of the complaint upon which the order is based, notwithstanding the fact that the order was issued by a municipal court or county court, the order shall remain in effect, as though it were an order of the court of common pleas, while the charges against the alleged offender are pending in the court of common pleas, for the period of time described in division (E)(2) of this section, and the court of common pleas has exclusive jurisdiction to modify the order issued by the municipal court or county court. This division applies when the alleged offender is bound over to the court of common pleas as a result of the person waiving a preliminary hearing on the felony charge, as a result of the municipal court or county court having determined at a preliminary hearing that there is probable cause to believe that the felony has been committed and that the alleged offender committed it, as a result of the alleged offender having been

indicted for the felony, or in any other manner. 29811

(E) A protection order that is issued as a pretrial condition 29812  
of release under this section: 29813

(1) Is in addition to, but shall not be construed as a part 29814  
of, any bail set under Criminal Rule 46; 29815

(2) Is effective only until the disposition, by the court 29816  
that issued the order or, in the circumstances described in 29817  
division (D)(3) of this section, by the court of common pleas to 29818  
which the alleged offender is bound over for prosecution, of the 29819  
criminal proceeding arising out of the complaint upon which the 29820  
order is based or until the issuance under section 2903.214 of the 29821  
Revised Code of a protection order arising out of the same 29822  
activities as those that were the basis of the complaint filed 29823  
under this section; 29824

(3) Shall not be construed as a finding that the alleged 29825  
offender committed the alleged offense and shall not be introduced 29826  
as evidence of the commission of the offense at the trial of the 29827  
alleged offender on the complaint upon which the order is based. 29828

(F) A person who meets the criteria for bail under Criminal 29829  
Rule 46 and who, if required to do so pursuant to that rule, 29830  
executes or posts bond or deposits cash or securities as bail, 29831  
shall not be held in custody pending a hearing before the court on 29832  
a motion requesting a protection order under this section. 29833

(G)(1) A copy of a protection order that is issued under this 29834  
section shall be issued by the court to the complainant, to the 29835  
alleged victim, to the person who requested the order, to the 29836  
defendant, and to all law enforcement agencies that have 29837  
jurisdiction to enforce the order. The court shall direct that a 29838  
copy of the order be delivered to the defendant on the same day 29839  
that the order is entered. If a municipal court or a county court 29840  
issues a protection order under this section and if, subsequent to 29841

the issuance of the order, the defendant who is the subject of the 29842  
order is bound over to the court of common pleas for prosecution 29843  
as described in division (D)(3) of this section, the municipal 29844  
court or county court shall direct that a copy of the order be 29845  
delivered to the court of common pleas to which the defendant is 29846  
bound over. 29847

(2) All law enforcement agencies shall establish and maintain 29848  
an index for the protection orders delivered to the agencies 29849  
pursuant to division (G)(1) of this section. With respect to each 29850  
order delivered, each agency shall note on the index the date and 29851  
time of the agency's receipt of the order. 29852

(3) Regardless of whether the petitioner has registered the 29853  
protection order in the county in which the officer's agency has 29854  
jurisdiction, any officer of a law enforcement agency shall 29855  
enforce a protection order issued pursuant to this section in 29856  
accordance with the provisions of the order. 29857

(H) Upon a violation of a protection order issued pursuant to 29858  
this section, the court may issue another protection order under 29859  
this section, as a pretrial condition of release, that modifies 29860  
the terms of the order that was violated. 29861

(I)(1) Subject to division (I)(2) of this section and 29862  
regardless of whether a protection order is issued or a consent 29863  
agreement is approved by a court of another county or by a court 29864  
of another state, no court or unit of state or local government 29865  
shall charge the movant any fee, cost, deposit, or money in 29866  
connection with the filing of a motion pursuant to this section, 29867  
in connection with the filing, issuance, registration, 29868  
modification, enforcement, dismissal, withdrawal, or service of a 29869  
protection order, consent agreement, or witness subpoena or for 29870  
obtaining certified copies of a protection order or consent 29871  
agreement. 29872

(2) Regardless of whether a protection order is issued or a consent agreement is approved pursuant to this section, if the defendant is convicted the court may assess costs against the defendant in connection with the filing, issuance, registration, modification, enforcement, dismissal, withdrawal, or service of a protection order, consent agreement, or witness subpoena or for obtaining a certified copy of a protection order or consent agreement.

(8) "Expunge" has the same meaning as in section 2903.213 of 29904  
the Revised Code. 29905

(B) The court has jurisdiction over all proceedings under 29906  
this section. 29907

(C) A person may seek relief under this section for the 29908  
person, or any parent or adult household member may seek relief 29909  
under this section on behalf of any other family or household 29910  
member, by filing a petition with the court. The petition shall 29911  
contain or state all of the following: 29912

(1) An allegation that the respondent is eighteen years of 29913  
age or older and engaged in a violation of section 2903.211 of the 29914  
Revised Code against the person to be protected by the protection 29915  
order or committed a sexually oriented offense against the person 29916  
to be protected by the protection order, including a description 29917  
of the nature and extent of the violation; 29918

(2) If the petitioner seeks relief in the form of electronic 29919  
monitoring of the respondent, an allegation that at any time 29920  
preceding the filing of the petition the respondent engaged in 29921  
conduct that would cause a reasonable person to believe that the 29922  
health, welfare, or safety of the person to be protected was at 29923  
risk, a description of the nature and extent of that conduct, and 29924  
an allegation that the respondent presents a continuing danger to 29925  
the person to be protected; 29926

(3) A request for relief under this section. 29927

(D)(1) If a person who files a petition pursuant to this 29928  
section requests an ex parte order, the court shall hold an ex 29929  
parte hearing as soon as possible after the petition is filed, but 29930  
not later than the next day that the court is in session after the 29931  
petition is filed. The court, for good cause shown at the ex parte 29932

hearing, may enter any temporary orders, with or without bond, 29933  
that the court finds necessary for the safety and protection of 29934  
the person to be protected by the order. Immediate and present 29935  
danger to the person to be protected by the protection order 29936  
constitutes good cause for purposes of this section. Immediate and 29937  
present danger includes, but is not limited to, situations in 29938  
which the respondent has threatened the person to be protected by 29939  
the protection order with bodily harm or in which the respondent 29940  
previously has been convicted of or pleaded guilty to a violation 29941  
of section 2903.211 of the Revised Code or a sexually oriented 29942  
offense against the person to be protected by the protection 29943  
order. 29944

(2)(a) If the court, after an ex parte hearing, issues a 29945  
protection order described in division (E) of this section, the 29946  
court shall schedule a full hearing for a date that is within ten 29947  
court days after the ex parte hearing. The court shall give the 29948  
respondent notice of, and an opportunity to be heard at, the full 29949  
hearing. The court shall hold the full hearing on the date 29950  
scheduled under this division unless the court grants a 29951  
continuance of the hearing in accordance with this division. Under 29952  
any of the following circumstances or for any of the following 29953  
reasons, the court may grant a continuance of the full hearing to 29954  
a reasonable time determined by the court: 29955

(i) Prior to the date scheduled for the full hearing under 29956  
this division, the respondent has not been served with the 29957  
petition filed pursuant to this section and notice of the full 29958  
hearing. 29959

(ii) The parties consent to the continuance. 29960

(iii) The continuance is needed to allow a party to obtain 29961  
counsel. 29962

(iv) The continuance is needed for other good cause. 29963

(b) An ex parte order issued under this section does not 29964  
expire because of a failure to serve notice of the full hearing 29965  
upon the respondent before the date set for the full hearing under 29966  
division (D)(2)(a) of this section or because the court grants a 29967  
continuance under that division. 29968

(3) If a person who files a petition pursuant to this section 29969  
does not request an ex parte order, or if a person requests an ex 29970  
parte order but the court does not issue an ex parte order after 29971  
an ex parte hearing, the court shall proceed as in a normal civil 29972  
action and grant a full hearing on the matter. 29973

(E)(1)(a) After an ex parte or full hearing, the court may 29974  
issue any protection order, with or without bond, that contains 29975  
terms designed to ensure the safety and protection of the person 29976  
to be protected by the protection order, including, but not 29977  
limited to, a requirement that the respondent refrain from 29978  
entering the residence, school, business, or place of employment 29979  
of the petitioner or family or household member. If the court 29980  
includes a requirement that the respondent refrain from entering 29981  
the residence, school, business, or place of employment of the 29982  
petitioner or family or household member in the order, it also 29983  
shall include in the order provisions of the type described in 29984  
division (E)(5) of this section. The court may include within a 29985  
protection order issued under this section a term requiring that 29986  
the respondent not remove, damage, hide, harm, or dispose of any 29987  
companion animal owned or possessed by the person to be protected 29988  
by the order, and may include within the order a term authorizing 29989  
the person to be protected by the order to remove a companion 29990  
animal owned by the person to be protected by the order from the 29991  
possession of the respondent. 29992

(b) After a full hearing, if the court considering a petition 29993  
that includes an allegation of the type described in division 29994  
(C)(2) of this section, or the court upon its own motion, finds 29995

upon clear and convincing evidence that the petitioner reasonably 29996  
believed that the respondent's conduct at any time preceding the 29997  
filing of the petition endangered the health, welfare, or safety 29998  
of the person to be protected and that the respondent presents a 29999  
continuing danger to the person to be protected, the court may 30000  
order that the respondent be electronically monitored for a period 30001  
of time and under the terms and conditions that the court 30002  
determines are appropriate. Electronic monitoring shall be in 30003  
addition to any other relief granted to the petitioner. 30004

(2)(a) Any protection order issued pursuant to this section 30005  
shall be valid until a date certain but not later than five years 30006  
from the date of its issuance. 30007

(b) Any protection order issued pursuant to this section may 30008  
be renewed in the same manner as the original order was issued. 30009

(3) A court may not issue a protection order that requires a 30010  
petitioner to do or to refrain from doing an act that the court 30011  
may require a respondent to do or to refrain from doing under 30012  
division (E)(1) of this section unless all of the following apply: 30013

(a) The respondent files a separate petition for a protection 30014  
order in accordance with this section. 30015

(b) The petitioner is served with notice of the respondent's 30016  
petition at least forty-eight hours before the court holds a 30017  
hearing with respect to the respondent's petition, or the 30018  
petitioner waives the right to receive this notice. 30019

(c) If the petitioner has requested an ex parte order 30020  
pursuant to division (D) of this section, the court does not delay 30021  
any hearing required by that division beyond the time specified in 30022  
that division in order to consolidate the hearing with a hearing 30023  
on the petition filed by the respondent. 30024

(d) After a full hearing at which the respondent presents 30025  
evidence in support of the request for a protection order and the 30026

petitioner is afforded an opportunity to defend against that 30027  
evidence, the court determines that the petitioner has committed a 30028  
violation of section 2903.211 of the Revised Code against the 30029  
person to be protected by the protection order issued pursuant to 30030  
division (E)(3) of this section, has committed a sexually oriented 30031  
offense against the person to be protected by the protection order 30032  
issued pursuant to division (E)(3) of this section, or has 30033  
violated a protection order issued pursuant to section 2903.213 of 30034  
the Revised Code relative to the person to be protected by the 30035  
protection order issued pursuant to division (E)(3) of this 30036  
section. 30037

(4) No protection order issued pursuant to this section shall 30038  
in any manner affect title to any real property. 30039

(5)(a) If the court issues a protection order under this 30040  
section that includes a requirement that the alleged offender 30041  
refrain from entering the residence, school, business, or place of 30042  
employment of the petitioner or a family or household member, the 30043  
order shall clearly state that the order cannot be waived or 30044  
nullified by an invitation to the alleged offender from the 30045  
complainant to enter the residence, school, business, or place of 30046  
employment or by the alleged offender's entry into one of those 30047  
places otherwise upon the consent of the petitioner or family or 30048  
household member. 30049

(b) Division (E)(5)(a) of this section does not limit any 30050  
discretion of a court to determine that an alleged offender 30051  
charged with a violation of section 2919.27 of the Revised Code, 30052  
with a violation of a municipal ordinance substantially equivalent 30053  
to that section, or with contempt of court, which charge is based 30054  
on an alleged violation of a protection order issued under this 30055  
section, did not commit the violation or was not in contempt of 30056  
court. 30057

(F)(1) The court shall cause the delivery of a copy of any 30058

protection order that is issued under this section to the 30059  
petitioner, to the respondent, and to all law enforcement agencies 30060  
that have jurisdiction to enforce the order. The court shall 30061  
direct that a copy of the order be delivered to the respondent on 30062  
the same day that the order is entered. 30063

(2) Upon the issuance of a protection order under this 30064  
section, the court shall provide the parties to the order with the 30065  
following notice orally or by form: 30066

"NOTICE 30067

As a result of this order, it may be unlawful for you to 30068  
possess or purchase a firearm, including a rifle, pistol, or 30069  
revolver, or ammunition pursuant to federal law under 18 U.S.C. 30070  
922(g)(8). If you have any questions whether this law makes it 30071  
illegal for you to possess or purchase a firearm or ammunition, 30072  
you should consult an attorney." 30073

(3) All law enforcement agencies shall establish and maintain 30074  
an index for the protection orders delivered to the agencies 30075  
pursuant to division (F)(1) of this section. With respect to each 30076  
order delivered, each agency shall note on the index the date and 30077  
time that it received the order. 30078

(4) Regardless of whether the petitioner has registered the 30079  
protection order in the county in which the officer's agency has 30080  
jurisdiction pursuant to division (M) of this section, any officer 30081  
of a law enforcement agency shall enforce a protection order 30082  
issued pursuant to this section by any court in this state in 30083  
accordance with the provisions of the order, including removing 30084  
the respondent from the premises, if appropriate. 30085

(G)(1) Any proceeding under this section shall be conducted 30086  
in accordance with the Rules of Civil Procedure, except that a 30087  
protection order may be obtained under this section with or 30088  
without bond. An order issued under this section, other than an ex 30089

parte order, that grants a protection order, or that refuses to 30090  
grant a protection order, is a final, appealable order. The 30091  
remedies and procedures provided in this section are in addition 30092  
to, and not in lieu of, any other available civil or criminal 30093  
remedies. 30094

(2) If as provided in division (G)(1) of this section an 30095  
order issued under this section, other than an ex parte order, 30096  
refuses to grant a protection order, the court, on its own motion, 30097  
shall order that the ex parte order issued under this section and 30098  
all of the records pertaining to that ex parte order be expunged 30099  
after either of the following occurs: 30100

(a) The period of the notice of appeal from the order that 30101  
refuses to grant a protection order has expired. 30102

(b) The order that refuses to grant the protection order is 30103  
appealed and an appellate court to which the last appeal of that 30104  
order is taken affirms the order. 30105

(H) The filing of proceedings under this section does not 30106  
excuse a person from filing any report or giving any notice 30107  
required by section 2151.421 of the Revised Code or by any other 30108  
law. 30109

(I) Any law enforcement agency that investigates an alleged 30110  
violation of section 2903.211 of the Revised Code or an alleged 30111  
commission of a sexually oriented offense shall provide 30112  
information to the victim and the family or household members of 30113  
the victim regarding the relief available under this section and 30114  
section 2903.213 of the Revised Code. 30115

(J)(1) Subject to division (J)(2) of this section and 30116  
regardless of whether a protection order is issued or a consent 30117  
agreement is approved by a court of another county or by a court 30118  
of another state, no court or unit of state or local government 30119  
shall charge the petitioner any fee, cost, deposit, or money in 30120

connection with the filing of a petition pursuant to this section, 30121  
in connection with the filing, issuance, registration, 30122  
modification, enforcement, dismissal, withdrawal, or service of a 30123  
protection order, consent agreement, or witness subpoena or for 30124  
obtaining a certified copy of a protection order or consent 30125  
agreement. 30126

(2) Regardless of whether a protection order is issued or a 30127  
consent agreement is approved pursuant to this section, the court 30128  
may assess costs against the respondent in connection with the 30129  
filing, issuance, registration, modification, enforcement, 30130  
dismissal, withdrawal, or service of a protection order, consent 30131  
agreement, or witness subpoena or for obtaining a certified copy 30132  
of a protection order or consent agreement. 30133

(K)(1) A person who violates a protection order issued under 30134  
this section is subject to the following sanctions: 30135

(a) Criminal prosecution for a violation of section 2919.27 30136  
of the Revised Code, if the violation of the protection order 30137  
constitutes a violation of that section; 30138

(b) Punishment for contempt of court. 30139

(2) The punishment of a person for contempt of court for 30140  
violation of a protection order issued under this section does not 30141  
bar criminal prosecution of the person for a violation of section 30142  
2919.27 of the Revised Code. However, a person punished for 30143  
contempt of court is entitled to credit for the punishment imposed 30144  
upon conviction of a violation of that section, and a person 30145  
convicted of a violation of that section shall not subsequently be 30146  
punished for contempt of court arising out of the same activity. 30147

(L) In all stages of a proceeding under this section, a 30148  
petitioner may be accompanied by a victim advocate. 30149

(M)(1) A petitioner who obtains a protection order under this 30150  
section or a protection order under section 2903.213 of the 30151

Revised Code may provide notice of the issuance or approval of the order to the judicial and law enforcement officials in any county other than the county in which the order is issued by registering that order in the other county pursuant to division (M)(2) of this section and filing a copy of the registered order with a law enforcement agency in the other county in accordance with that division. A person who obtains a protection order issued by a court of another state may provide notice of the issuance of the order to the judicial and law enforcement officials in any county of this state by registering the order in that county pursuant to section 2919.272 of the Revised Code and filing a copy of the registered order with a law enforcement agency in that county.

(2) A petitioner may register a protection order issued pursuant to this section or section 2903.213 of the Revised Code in a county other than the county in which the court that issued the order is located in the following manner:

(a) The petitioner shall obtain a certified copy of the order from the clerk of the court that issued the order and present that certified copy to the clerk of the court of common pleas or the clerk of a municipal court or county court in the county in which the order is to be registered.

(b) Upon accepting the certified copy of the order for registration, the clerk of the court of common pleas, municipal court, or county court shall place an endorsement of registration on the order and give the petitioner a copy of the order that bears that proof of registration.

(3) The clerk of each court of common pleas, municipal court, or county court shall maintain a registry of certified copies of protection orders that have been issued by courts in other counties pursuant to this section or section 2903.213 of the Revised Code and that have been registered with the clerk.

(N)(1) If the court orders electronic monitoring of the respondent under this section, the court shall direct the sheriff's office or any other appropriate law enforcement agency to install the electronic monitoring device and to monitor the respondent. Unless the court determines that the respondent is indigent, the court shall order the respondent to pay the cost of the installation and monitoring of the electronic monitoring device. If the court determines that the respondent is indigent and subject to the maximum amount allowable to be paid in any year from the fund and the rules promulgated by the attorney general under division (N)(2) of this section, the cost of the installation and monitoring of the electronic monitoring device may be paid out of funds from the reparations fund created pursuant to section 2743.191 of the Revised Code. The total amount of costs for the installation and monitoring of electronic monitoring devices paid pursuant to this division and sections 2151.34 and 2919.27 of the Revised Code from the reparations fund shall not exceed three hundred thousand dollars per year.

(2) The attorney general may promulgate rules pursuant to section 111.15 of the Revised Code to govern payments made from the reparations fund pursuant to this division and sections 2151.34 and 2919.27 of the Revised Code. The rules may include reasonable limits on the total cost paid pursuant to this division and sections 2151.34 and 2919.27 of the Revised Code per respondent, the amount of the three hundred thousand dollars allocated to each county, and how invoices may be submitted by a county, court, or other entity.

(C)(1) As soon as possible after the filing of a motion that	30289
requests the issuance of a temporary protection order, but not	30290
later than twenty-four hours after the filing of the motion, the	30291
court shall conduct a hearing to determine whether to issue the	30292
order. The person who requested the order shall appear before the	30293
court and provide the court with the information that it requests	30294
concerning the basis of the motion. If the person who requested	30295
the order is unable to appear and if the court finds that the	30296
failure to appear is because of the person's hospitalization or	30297
medical condition resulting from the offense alleged in the	30298
complaint, another person who is able to provide the court with	30299
the information it requests may appear in lieu of the person who	30300
requested the order. If the court finds that the safety and	30301
protection of the complainant, alleged victim, or any other family	30302
or household member of the alleged victim may be impaired by the	30303
continued presence of the alleged offender, the court may issue a	30304
temporary protection order, as a pretrial condition of release,	30305
that contains terms designed to ensure the safety and protection	30306
of the complainant, alleged victim, or the family or household	30307
member, including a requirement that the alleged offender refrain	30308
from entering the residence, school, business, or place of	30309

employment of the complainant, alleged victim, or the family or 30310  
household member. The court may include within a protection order 30311  
issued under this section a term requiring that the alleged 30312  
offender not remove, damage, hide, harm, or dispose of any 30313  
companion animal owned or possessed by the complainant, alleged 30314  
victim, or any other family or household member of the alleged 30315  
victim, and may include within the order a term authorizing the 30316  
complainant, alleged victim, or other family or household member 30317  
of the alleged victim to remove a companion animal owned by the 30318  
complainant, alleged victim, or other family or household member 30319  
from the possession of the alleged offender. 30320

(2)(a) If the court issues a temporary protection order that 30321  
includes a requirement that the alleged offender refrain from 30322  
entering the residence, school, business, or place of employment 30323  
of the complainant, the alleged victim, or the family or household 30324  
member, the order shall state clearly that the order cannot be 30325  
waived or nullified by an invitation to the alleged offender from 30326  
the complainant, alleged victim, or family or household member to 30327  
enter the residence, school, business, or place of employment or 30328  
by the alleged offender's entry into one of those places otherwise 30329  
upon the consent of the complainant, alleged victim, or family or 30330  
household member. 30331

(b) Division (C)(2)(a) of this section does not limit any 30332  
discretion of a court to determine that an alleged offender 30333  
charged with a violation of section 2919.27 of the Revised Code, 30334  
with a violation of a municipal ordinance substantially equivalent 30335  
to that section, or with contempt of court, which charge is based 30336  
on an alleged violation of a temporary protection order issued 30337  
under this section, did not commit the violation or was not in 30338  
contempt of court. 30339

(D)(1) Upon the filing of a complaint that alleges a 30340  
violation of section 2909.06, 2909.07, 2911.12, or 2911.211 of the 30341

Revised Code if the alleged victim of the violation was a family 30342  
or household member at the time of the violation, a violation of a 30343  
municipal ordinance that is substantially similar to any of those 30344  
sections if the alleged victim of the violation was a family or 30345  
household member at the time of the violation, any offense of 30346  
violence if the alleged victim of the offense was a family or 30347  
household member at the time of the commission of the offense, or 30348  
any sexually oriented offense if the alleged victim of the offense 30349  
was a family or household member at the time of the commission of 30350  
the offense, the court, upon its own motion, may issue a temporary 30351  
protection order as a pretrial condition of release if it finds 30352  
that the safety and protection of the complainant, alleged victim, 30353  
or other family or household member of the alleged offender may be 30354  
impaired by the continued presence of the alleged offender. 30355

(2)(a) If the court issues a temporary protection order under 30356  
this section as an ex parte order, it shall conduct, as soon as 30357  
possible after the issuance of the order, a hearing in the 30358  
presence of the alleged offender not later than the next day on 30359  
which the court is scheduled to conduct business after the day on 30360  
which the alleged offender was arrested or at the time of the 30361  
appearance of the alleged offender pursuant to summons to 30362  
determine whether the order should remain in effect, be modified, 30363  
or be revoked. The hearing shall be conducted under the standards 30364  
set forth in division (C) of this section. 30365

(b) If at a hearing conducted under division (D)(2)(a) of 30366  
this section the court determines that the ex parte order that the 30367  
court issued should be revoked, the court, on its own motion, 30368  
shall order that the ex parte order that is revoked and all of the 30369  
records pertaining to that ex parte order be expunged. 30370

(3) An order issued under this section shall contain only 30371  
those terms authorized in orders issued under division (C) of this 30372  
section. 30373

(4) If a municipal court or a county court issues a temporary protection order under this section and if, subsequent to the issuance of the order, the alleged offender who is the subject of the order is bound over to the court of common pleas for prosecution of a felony arising out of the same activities as those that were the basis of the complaint upon which the order is based, notwithstanding the fact that the order was issued by a municipal court or county court, the order shall remain in effect, as though it were an order of the court of common pleas, while the charges against the alleged offender are pending in the court of common pleas, for the period of time described in division (E)(2) of this section, and the court of common pleas has exclusive jurisdiction to modify the order issued by the municipal court or county court. This division applies when the alleged offender is bound over to the court of common pleas as a result of the person waiving a preliminary hearing on the felony charge, as a result of the municipal court or county court having determined at a preliminary hearing that there is probable cause to believe that the felony has been committed and that the alleged offender committed it, as a result of the alleged offender having been indicted for the felony, or in any other manner.

(E) A temporary protection order that is issued as a pretrial condition of release under this section:

(1) Is in addition to, but shall not be construed as a part of, any bail set under Criminal Rule 46;

(2) Is effective only until the occurrence of either of the following:

(a) The disposition, by the court that issued the order or, in the circumstances described in division (D)(4) of this section, by the court of common pleas to which the alleged offender is bound over for prosecution, of the criminal proceeding arising out of the complaint upon which the order is based;

(b) The issuance of a protection order or the approval of a consent agreement, arising out of the same activities as those that were the basis of the complaint upon which the order is based, under section 3113.31 of the Revised Code.

(3) Shall not be construed as a finding that the alleged offender committed the alleged offense, and shall not be introduced as evidence of the commission of the offense at the trial of the alleged offender on the complaint upon which the order is based.

(F) A person who meets the criteria for bail under Criminal Rule 46 and who, if required to do so pursuant to that rule, executes or posts bond or deposits cash or securities as bail, shall not be held in custody pending a hearing before the court on a motion requesting a temporary protection order.

(G)(1) A copy of any temporary protection order that is issued under this section shall be issued by the court to the complainant, to the alleged victim, to the person who requested the order, to the defendant, and to all law enforcement agencies that have jurisdiction to enforce the order. The court shall direct that a copy of the order be delivered to the defendant on the same day that the order is entered. If a municipal court or a county court issues a temporary protection order under this section and if, subsequent to the issuance of the order, the defendant who is the subject of the order is bound over to the court of common pleas for prosecution as described in division (D)(4) of this section, the municipal court or county court shall direct that a copy of the order be delivered to the court of common pleas to which the defendant is bound over.

(2) Upon the issuance of a protection order under this section, the court shall provide the parties to the order with the following notice orally or by form:

"NOTICE 30437

As a result of this protection order, it may be unlawful for 30438  
you to possess or purchase a firearm, including a rifle, pistol, 30439  
or revolver, or ammunition pursuant to federal law under 18 U.S.C. 30440  
922(g)(8). If you have any questions whether this law makes it 30441  
illegal for you to possess or purchase a firearm or ammunition, 30442  
you should consult an attorney." 30443

(3) All law enforcement agencies shall establish and maintain 30444  
an index for the temporary protection orders delivered to the 30445  
agencies pursuant to division (G)(1) of this section. With respect 30446  
to each order delivered, each agency shall note on the index, the 30447  
date and time of the receipt of the order by the agency. 30448

(4) A complainant, alleged victim, or other person who 30449  
obtains a temporary protection order under this section may 30450  
provide notice of the issuance of the temporary protection order 30451  
to the judicial and law enforcement officials in any county other 30452  
than the county in which the order is issued by registering that 30453  
order in the other county in accordance with division (N) of 30454  
section 3113.31 of the Revised Code and filing a copy of the 30455  
registered protection order with a law enforcement agency in the 30456  
other county in accordance with that division. 30457

(5) Any officer of a law enforcement agency shall enforce a 30458  
temporary protection order issued by any court in this state in 30459  
accordance with the provisions of the order, including removing 30460  
the defendant from the premises, regardless of whether the order 30461  
is registered in the county in which the officer's agency has 30462  
jurisdiction as authorized by division (G)(4) of this section. 30463

(H) Upon a violation of a temporary protection order, the 30464  
court may issue another temporary protection order, as a pretrial 30465  
condition of release, that modifies the terms of the order that 30466  
was violated. 30467

(I)(1) As used in divisions (I)(1) and (2) of this section, 30468

committed a violation, offense of violence, or sexually oriented 30470

(2) If a complaint is filed that alleges that a person 30472  
committed a violation, offense of violence, or sexually oriented 30473  
offense of the type described in division (A) of this section, the 30474  
court may not issue a temporary protection order under this 30475  
section that requires the complainant, the alleged victim, or 30476  
another family or household member of the defendant to do or 30477  
refrain from doing an act that the court may require the defendant 30478  
to do or refrain from doing under a temporary protection order 30479

refrain from doing the act committed a violation or offense of 30484  
violence of the type described in division (A) of this section. 30485

(b) The court determines that both the complainant, alleged 30486

be required under the order to do or refrain from doing the act 30488  
and the defendant acted primarily as aggressors, that neither the 30489

of this section as applied in relation to the separate complaint 30494  
filed by the defendant, that it should issue the order to require 30495  
the complainant, alleged victim, or other family or household 30496  
member in question to do or refrain from doing the act. 30497

(J)(1) Subject to division (J)(2) of this section and 30498  
regardless of whether a protection order is issued or a consent 30499

agreement is approved by a court of another county or a court of 30500  
another state, no court or unit of state or local government shall 30501

order, consent agreement, or witness subpoena or for obtaining a 30506  
certified copy of a protection order or consent agreement. 30507

consent agreement is approved pursuant to this section, if the 30509  
defendant is convicted the court may assess costs against the 30510
