felony the court is not required to impose a prison term, a 31036

of one or more community control sanctions authorized pursuant to 31039  
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 31040

sanction or combination of community control sanctions under 31054  
section 2929.16 or 2929.17 of the Revised Code, but the offender 31055  
shall serve all of the prison terms so imposed prior to serving 31056  
the community control sanction. 31057

The duration of all community control sanctions imposed upon 31058  
an offender under this division shall not exceed five years. If 31059  
the offender absconds or otherwise leaves the jurisdiction of the 31060  
court in which the offender resides without obtaining permission 31061  
from the court or the offender's probation officer to leave the 31062  
jurisdiction of the court, or if the offender is confined in any 31063  
institution for the commission of any offense while under a 31064  
community control sanction, the period of the community control 31065  
sanction ceases to run until the offender is brought before the 31066  
court for its further action. If the court sentences the offender 31067  
to one or more nonresidential sanctions under section 2929.17 of 31068

nonresidential sanctions that, during the period of the sanctions, 31070  
the offender must abide by the law and must not leave the state 31071  
without the permission of the court or the offender's probation 31072  
officer. The court may impose any other conditions of release 31073  
under a community control sanction that the court considers 31074  
appropriate, including, but not limited to, requiring that the 31075  
offender not ingest or be injected with a drug of abuse and submit 31076  
to random drug testing as provided in division (D) of this section 31077

to determine whether the offender ingested or was injected with a 31078  
drug of abuse and requiring that the results of the drug test 31079  
indicate that the offender did not ingest or was not injected with 31080  
a drug of abuse. 31081

(2)(a) If a court sentences an offender to any community 31082  
control sanction or combination of community control sanctions 31083  
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 31084  
Revised Code, the court shall place the offender under the general 31085  
control and supervision of a department of probation in the county 31086  
that serves the court for purposes of reporting to the court a 31087  
violation of any condition of the sanctions, any condition of 31088  
release under a community control sanction imposed by the court, a 31089  
violation of law, or the departure of the offender from this state 31090  
without the permission of the court or the offender's probation 31091  
officer. Alternatively, if the offender resides in another county 31092  
and a county department of probation has been established in that 31093  
county or that county is served by a multicounty probation 31094  
department established under section 2301.27 of the Revised Code, 31095  
the court may request the court of common pleas of that county to 31096  
receive the offender into the general control and supervision of 31097  
that county or multicounty department of probation for purposes of 31098  
reporting to the court a violation of any condition of the 31099  
sanctions, any condition of release under a community control 31100  
sanction imposed by the court, a violation of law, or the 31101  
departure of the offender from this state without the permission 31102  
of the court or the offender's probation officer, subject to the 31103  
jurisdiction of the trial judge over and with respect to the 31104  
person of the offender, and to the rules governing that department 31105  
of probation. 31106

If there is no department of probation in the county that 31107  
serves the court, the court shall place the offender, regardless 31108  
of the offender's county of residence, under the general control 31109

and supervision of the adult parole authority for purposes of 31110  
reporting to the court a violation of any of the sanctions, any 31111  
condition of release under a community control sanction imposed by 31112  
the court, a violation of law, or the departure of the offender 31113  
from this state without the permission of the court or the 31114  
offender's probation officer. 31115

(b) If the court imposing sentence upon an offender sentences 31116  
the offender to any community control sanction or combination of 31117  
community control sanctions authorized pursuant to section 31118  
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 31119  
offender violates any condition of the sanctions, any condition of 31120  
release under a community control sanction imposed by the court, 31121  
violates any law, or departs the state without the permission of 31122  
the court or the offender's probation officer, the public or 31123  
private person or entity that operates or administers the sanction 31124  
or the program or activity that comprises the sanction shall 31125  
report the violation or departure directly to the sentencing 31126  
court, or shall report the violation or departure to the county or 31127  
multicounty department of probation with general control and 31128  
supervision over the offender under division (A)(2)(a) of this 31129  
section or the officer of that department who supervises the 31130  
offender, or, if there is no such department with general control 31131  
and supervision over the offender under that division, to the 31132  
adult parole authority. If the public or private person or entity 31133  
that operates or administers the sanction or the program or 31134  
activity that comprises the sanction reports the violation or 31135  
departure to the county or multicounty department of probation or 31136  
the adult parole authority, the department's or authority's 31137  
officers may treat the offender as if the offender were on 31138  
probation and in violation of the probation, and shall report the 31139  
violation of the condition of the sanction, any condition of 31140  
release under a community control sanction imposed by the court, 31141  
the violation of law, or the departure from the state without the 31142

required permission to the sentencing court. 31143

(3) If an offender who is eligible for community control 31144  
sanctions under this section admits to being drug addicted or the 31145  
court has reason to believe that the offender is drug addicted, 31146  
and if the offense for which the offender is being sentenced was 31147  
related to the addiction, the court may require that the offender 31148  
be assessed by a properly credentialed professional within a 31149  
specified period of time and shall require the professional to 31150  
file a written assessment of the offender with the court. If a 31151  
court imposes treatment and recovery support services as a 31152  
community control sanction, the court shall direct the level and 31153  
type of treatment and recovery support services after 31154  
consideration of the written assessment, if available at the time 31155  
of sentencing, and recommendations of the professional and other 31156  
treatment and recovery support services providers. 31157

(4) If an assessment completed pursuant to division (A)(3) of 31158  
this section indicates that the offender is addicted to drugs or 31159  
alcohol, the court may include in any community control sanction 31160  
imposed for a violation of section 2925.02, 2925.03, 2925.04, 31161  
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 31162  
2925.37 of the Revised Code a requirement that the offender 31163  
participate in alcohol and drug addiction services and recovery 31164  
supports certified under section 5119.36 of the Revised Code or 31165  
offered by a properly credentialed community addiction services 31166  
provider. 31167

(B)(1) If the conditions of a community control sanction are 31168  
violated or if the offender violates a law or leaves the state 31169  
without the permission of the court or the offender's probation 31170  
officer, the sentencing court may impose upon the violator one or 31171  
more of the following penalties: 31172

(a) A longer time under the same sanction if the total time 31173  
under the sanctions does not exceed the five-year limit specified 31174

in division (A) of this section; 31175

(b) A more restrictive sanction under section 2929.16,  
2929.17, or 2929.18 of the Revised Code; 31176  
31177

(c) A prison term on the offender pursuant to section 2929.14 31178  
of the Revised Code and division (B)(3) of this section, provided 31179  
that a prison term imposed under this division is subject to the 31180  
following limitations, as applicable: 31181

(i) If the prison term is imposed for any technical violation 31182  
of the conditions of a community control sanction imposed for a 31183  
felony of the fifth degree or for any violation of law committed 31184  
while under a community control sanction imposed for such a felony 31185  
that consists of a new criminal offense and that is not a felony, 31186  
the prison term shall not exceed ninety days. 31187

(ii) If the prison term is imposed for any technical 31188  
violation of the conditions of a community control sanction 31189  
imposed for a felony of the fourth degree that is not an offense 31190  
of violence and is not a sexually oriented offense or for any 31191

sanction imposed for such a felony that consists of a new criminal 31193  
offense and that is not a felony, the prison term shall not exceed 31194  
one hundred eighty days. 31195

(2) If an offender was acting pursuant to division (B)(2)(b) 31196

the conditions of a community control sanction based on a minor 31198  
drug possession offense, as defined in section 2925.11 of the 31199  
Revised Code, the sentencing court may consider the offender's 31200  
conduct in seeking or obtaining medical assistance for another in 31201  
good faith or for self or may consider the offender being the 31202  
subject of another person seeking or obtaining medical assistance 31203  
in accordance with that division as a mitigating factor before 31204  
imposing any of the penalties described in division (B)(1) of this 31205

section. 31206

(3) The prison term, if any, imposed upon a violator pursuant 31207  
to ~~this~~ division (B)(1) of this section shall be within the range 31208  
of prison terms available for the offense for which the sanction 31209

specified in the notice provided to the offender at the sentencing 31211  
hearing pursuant to division (B)(2) of section 2929.19 of the 31212  
Revised Code. The court may reduce the longer period of time that 31213  
the offender is required to spend under the longer sanction, the 31214  
more restrictive sanction, or a prison term imposed pursuant to 31215  
~~this~~ division (B)(1) of this section by the time the offender 31216  
successfully spent under the sanction that was initially imposed. 31217

(C) If an offender, for a significant period of time, 31218  
fulfills the conditions of a sanction imposed pursuant to section 31219  
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 31220  
manner, the court may reduce the period of time under the sanction 31221  
or impose a less restrictive sanction, but the court shall not 31222  
permit the offender to violate any law or permit the offender to 31223  
leave the state without the permission of the court or the 31224  
offender's probation officer. 31225

(D)(1) If a court under division (A)(1) of this section 31226  
imposes a condition of release under a community control sanction 31227  
that requires the offender to submit to random drug testing, the 31228  
department of probation or the adult parole authority that has 31229  
general control and supervision of the offender under division 31230  
(A)(2)(a) of this section may cause the offender to submit to 31231  
random drug testing performed by a laboratory or entity that has 31232  
entered into a contract with any of the governmental entities or 31233  
officers authorized to enter into a contract with that laboratory 31234  
or entity under section 341.26, 753.33, or 5120.63 of the Revised 31235  
Code. 31236

(2) If no laboratory or entity described in division (D)(1) 31237

of this section has entered into a contract as specified in that 31238  
division, the department of probation or the adult parole 31239  
authority that has general control and supervision of the offender 31240  
under division (A)(2)(a) of this section shall cause the offender 31241  
to submit to random drug testing performed by a reputable public 31242

shall perform the random drug tests under division (D)(1) of this 31247  
section in accordance with the applicable standards that are 31248  
included in the terms of that contract. A public laboratory shall 31249  
perform the random drug tests under division (D)(2) of this 31250  
section in accordance with the standards set forth in the policies 31251  
and procedures established by the department of rehabilitation and 31252  
correction pursuant to section 5120.63 of the Revised Code. An 31253  
offender who is required under division (A)(1) of this section to 31254  
submit to random drug testing as a condition of release under a 31255  
community control sanction and whose test results indicate that 31256  
the offender ingested or was injected with a drug of abuse shall 31257  
pay the fee for the drug test if the department of probation or 31258  
the adult parole authority that has general control and 31259  
supervision of the offender requires payment of a fee. A 31260  
laboratory or entity that performs the random drug testing on an 31261  
offender under division (D)(1) or (2) of this section shall 31262  
transmit the results of the drug test to the appropriate 31263  
department of probation or the adult parole authority that has 31264  
general control and supervision of the offender under division 31265  
(A)(2)(a) of this section. 31266

(B) On the motion of an eligible offender or upon its own 31316  
motion, the sentencing court may reduce the eligible offender's 31317  
aggregated nonmandatory prison term or terms through a judicial 31318  
release under this section. 31319

(C) An eligible offender may file a motion for judicial 31320  
release with the sentencing court within the following applicable 31321  
periods: 31322

(1) If the aggregated nonmandatory prison term or terms is 31323

(D) Upon receipt of a timely motion for judicial release filed by an eligible offender under division (C) of this section or upon the sentencing court's own motion made within the appropriate time specified in that division, the court may deny the motion without a hearing or schedule a hearing on the motion. The court shall not grant the motion without a hearing. If a court denies a motion without a hearing, the court later may consider

judicial release for that eligible offender on a subsequent motion 31362  
filed by that eligible offender unless the court denies the motion 31363  
with prejudice. If a court denies a motion with prejudice, the 31364  
court may later consider judicial release on its own motion. If a 31365  
court denies a motion after a hearing, the court shall not 31366  
consider a subsequent motion for that eligible offender. The court 31367  
shall hold only one hearing for any eligible offender. 31368

court shall enter a ruling on the motion within ten days after the 31373  
hearing. If the court denies the motion without a hearing, the 31374  
court shall enter its ruling on the motion within sixty days after 31375  
the motion is filed. 31376

(E) If a court schedules a hearing under division (D) of this 31377  
section, the court shall notify the eligible offender and the head 31378  
of the state correctional institution in which the eligible 31379  
offender is confined prior to the hearing. The head of the state 31380  
correctional institution immediately shall notify the appropriate 31381  
person at the department of rehabilitation and correction of the 31382  
hearing, and the department within twenty-four hours after receipt 31383  
of the notice, shall post on the database it maintains pursuant to 31384  
section 5120.66 of the Revised Code the offender's name and all of 31385  
the information specified in division (A)(1)(c)(i) of that 31386  
section. If the court schedules a hearing for judicial release, 31387  
the court promptly shall give notice of the hearing to the 31388  
prosecuting attorney of the county in which the eligible offender 31389  
was indicted. Upon receipt of the notice from the court, the 31390  
prosecuting attorney shall do whichever of the following is 31391  
applicable: 31392

(1) Subject to division (E)(2) of this section, notify the 31393

victim of the offense or the victim's representative pursuant to 31394  
division (B) of section 2930.16 of the Revised Code; 31395

(2) If the offense was an offense of violence that is a 31396  
felony of the first, second, or third degree, except as otherwise 31397  
provided in this division, notify the victim or the victim's 31398  
representative of the hearing regardless of whether the victim or 31399  
victim's representative has requested the notification. The notice 31400  
of the hearing shall not be given under this division to a victim 31401  
or victim's representative if the victim or victim's 31402  
representative has requested pursuant to division (B)(2) of 31403  
section 2930.03 of the Revised Code that the victim or the 31404  
victim's representative not be provided the notice. If notice is 31405  
to be provided to a victim or victim's representative under this 31406  
division, the prosecuting attorney may give the notice by any 31407  
reasonable means, including regular mail, telephone, and 31408  
electronic mail, in accordance with division (D)(1) of section 31409  
2930.16 of the Revised Code. If the notice is based on an offense 31410  
committed prior to March 22, 2013, the notice also shall include 31411  
the opt-out information described in division (D)(1) of section 31412  
2930.16 of the Revised Code. The prosecuting attorney, in 31413  
accordance with division (D)(2) of section 2930.16 of the Revised 31414  
Code, shall keep a record of all attempts to provide the notice, 31415  
and of all notices provided, under this division. Division (E)(2) 31416  
of this section, and the notice-related provisions of division (K) 31417  
of this section, division (D)(1) of section 2930.16, division (H) 31418  
of section 2967.12, division (E)(1)(b) of section 2967.19, 31419  
division (A)(3)(b) of section 2967.26, division (D)(1) of section 31420  
2967.28, and division (A)(2) of section 5149.101 of the Revised 31421  
Code enacted in the act in which division (E)(2) of this section 31422  
was enacted, shall be known as "Roberta's Law." 31423

(F) Upon an offender's successful completion of 31424  
rehabilitative activities, the head of the state correctional 31425

institution may notify the sentencing court of the successful 31426  
completion of the activities. 31427

(G) Prior to the date of the hearing on a motion for judicial 31428  
release under this section, the head of the state correctional 31429  
institution in which the eligible offender is confined shall send 31430  
to the court an institutional summary report on the eligible 31431  
offender's conduct in the institution and in any institution from 31432  
which the eligible offender may have been transferred. Upon the 31433  
request of the prosecuting attorney of the county in which the 31434  
eligible offender was indicted or of any law enforcement agency, 31435  
the head of the state correctional institution, at the same time 31436  
the person sends the institutional summary report to the court, 31437  
also shall send a copy of the report to the requesting prosecuting 31438  
attorney and law enforcement agencies. The institutional summary 31439  
report shall cover the eligible offender's participation in 31440  
school, vocational training, work, treatment, and other 31441  
rehabilitative activities and any disciplinary action taken 31442  
against the eligible offender. The report shall be made part of 31443  
the record of the hearing. A presentence investigation report is 31444  
not required for judicial release. 31445

(H) If the court grants a hearing on a motion for judicial 31446  
release under this section, the eligible offender shall attend the 31447  
hearing if ordered to do so by the court. Upon receipt of a copy 31448  
of the journal entry containing the order, the head of the state 31449  
correctional institution in which the eligible offender is 31450  
incarcerated shall deliver the eligible offender to the sheriff of 31451  
the county in which the hearing is to be held. The sheriff shall 31452  
convey the eligible offender to and from the hearing. 31453

(I) At the hearing on a motion for judicial release under 31454  
this section, the court shall afford the eligible offender and the 31455  
eligible offender's attorney an opportunity to present written 31456  
and, if present, oral information relevant to the motion. The 31457

court shall afford a similar opportunity to the prosecuting attorney, the victim or the victim's representative, and any other person the court determines is likely to present additional relevant information. The court shall consider any statement of a victim made pursuant to section 2930.14 or 2930.17 of the Revised Code, any victim impact statement prepared pursuant to section 2947.051 of the Revised Code, and any report made under division (G) of this section. The court may consider any written statement of any person submitted to the court pursuant to division (L) of this section. After ruling on the motion, the court shall notify the victim of the ruling in accordance with sections 2930.03 and 2930.16 of the Revised Code.

(J)(1) A court shall not grant a judicial release under this section to an eligible offender who is imprisoned for a felony of the first or second degree, or to an eligible offender who committed an offense under Chapter 2925. or 3719. of the Revised Code and for whom there was a presumption under section 2929.13 of the Revised Code in favor of a prison term, unless the court, with reference to factors under section 2929.12 of the Revised Code, finds both of the following:

(a) That a sanction other than a prison term would adequately punish the offender and protect the public from future criminal violations by the eligible offender because the applicable factors indicating a lesser likelihood of recidivism outweigh the applicable factors indicating a greater likelihood of recidivism;

(b) That a sanction other than a prison term would not demean the seriousness of the offense because factors indicating that the eligible offender's conduct in committing the offense was less serious than conduct normally constituting the offense outweigh factors indicating that the eligible offender's conduct was more serious than conduct normally constituting the offense.

(2) A court that grants a judicial release to an eligible

offender under division (J)(1) of this section shall specify on 31490  
the record both findings required in that division and also shall 31491  
list all the factors described in that division that were 31492  
presented at the hearing. 31493

(K) If the court grants a motion for judicial release under 31494  
this section, the court shall order the release of the eligible 31495  
offender, shall place the eligible offender under an appropriate 31496  
community control sanction, under appropriate conditions, and 31497  
under the supervision of the department of probation serving the 31498  
court and shall reserve the right to reimpose the sentence that it 31499  
reduced if the offender violates the sanction. If the court 31500  
reimposes the reduced sentence, it may do so either concurrently 31501  
with, or consecutive to, any new sentence imposed upon the 31502  
eligible offender as a result of the violation that is a new 31503  
offense. Except as provided in division (R)(2) of this section, 31504  
the period of community control shall be no longer than five 31505  
years. The court, in its discretion, may reduce the period of 31506  
community control by the amount of time the eligible offender 31507  
spent in jail or prison for the offense and in prison. If the 31508  
court made any findings pursuant to division (J)(1) of this 31509  
section, the court shall serve a copy of the findings upon counsel 31510  
for the parties within fifteen days after the date on which the 31511  
court grants the motion for judicial release. 31512

If the court grants a motion for judicial release, the court 31513  
shall notify the appropriate person at the department of 31514  
rehabilitation and correction, and the department shall post 31515  
notice of the release on the database it maintains pursuant to 31516  
section 5120.66 of the Revised Code. The court also shall notify 31517  
the prosecuting attorney of the county in which the eligible 31518  
offender was indicted that the motion has been granted. Unless the 31519  
victim or the victim's representative has requested pursuant to 31520  
division (B)(2) of section 2930.03 of the Revised Code that the 31521

victim or victim's representative not be provided the notice, the 31522  
prosecuting attorney shall notify the victim or the victim's 31523  
representative of the judicial release in any manner, and in 31524  
accordance with the same procedures, pursuant to which the 31525  
prosecuting attorney is authorized to provide notice of the 31526  
hearing pursuant to division (E)(2) of this section. If the notice 31527  
is based on an offense committed prior to March 22, 2013, the 31528  
notice to the victim or victim's representative also shall include 31529  
the opt-out information described in division (D)(1) of section 31530  
2930.16 of the Revised Code. 31531

(L) In addition to and independent of the right of a victim 31532  
to make a statement pursuant to section 2930.14, 2930.17, or 31533  
2946.051 of the Revised Code and any right of a person to present 31534  
written information or make a statement pursuant to division (I) 31535  
of this section, any person may submit to the court, at any time 31536  
prior to the hearing on the offender's motion for judicial 31537  
release, a written statement concerning the effects of the 31538  
offender's crime or crimes, the circumstances surrounding the 31539  
crime or crimes, the manner in which the crime or crimes were 31540  
perpetrated, and the person's opinion as to whether the offender 31541  
should be released. 31542

(M) The changes to this section that are made on September 31543  
30, 2011, apply to any judicial release decision made on or after 31544  
September 30, 2011, for any eligible offender. 31545

(N) Notwithstanding the eligibility requirements specified in 31546  
division (A) of this section and the filing time frames specified 31547  
in division (C) of this section and notwithstanding the findings 31548  
required under division (J) of this section, the sentencing court, 31549  
upon the court's own motion and after considering whether the 31550  
release of the offender into society would create undue risk to 31551  
public safety, may grant a judicial release to an offender who is 31552  
not serving a life sentence at any time during the offender's 31553

imposed sentence when the director of rehabilitation and 31554  
correction certifies to the sentencing court through the chief 31555  
medical officer for the department of rehabilitation and 31556  
correction that the offender is in imminent danger of death, is 31557  
medically incapacitated, or is suffering from a terminal illness. 31558

(O) The director of rehabilitation and correction shall not 31559  
certify any offender under division (N) of this section who is 31560  
serving a death sentence. 31561

(P) A motion made by the court under division (N) of this 31562  
section is subject to the notice, hearing, and other procedural 31563  
requirements specified in divisions (D), (E), (G), (H), (I), (K), 31564  
and (L) of this section, except for the following: 31565

(1) The court may waive the offender's appearance at any 31566  
hearing scheduled by the court if the offender's condition makes 31567  
it impossible for the offender to participate meaningfully in the 31568  
proceeding. 31569

(2) The court may grant the motion without a hearing, 31570  
provided that the prosecuting attorney and victim or victim's 31571  
representative to whom notice of the hearing was provided under 31572  
division (E) of this section indicate that they do not wish to 31573  
participate in the hearing or present information relevant to the 31574  
motion. 31575

(Q) The court may request health care records from the 31576  
department of rehabilitation and correction to verify the 31577  
certification made under division (N) of this section. 31578

(R)(1) If the court grants judicial release under division 31579  
(N) of this section, the court shall do all of the following: 31580

(a) Order the release of the offender; 31581

(b) Place the offender under an appropriate community control 31582  
sanction, under appropriate conditions; 31583

(c) Place the offender under the supervision of the 31584  
department of probation serving the court or under the supervision 31585  
of the adult parole authority. 31586

(2) The court, in its discretion, may revoke the judicial 31587  
release if the offender violates the community control sanction 31588  
described in division (R)(1) of this section. The period of that 31589  
community control is not subject to the five-year limitation 31590  
described in division (K) of this section and shall not expire 31591  
earlier than the date on which all of the offender's mandatory 31592  
prison terms expire. 31593

(S) If the health of an offender who is released under 31594  
division (N) of this section improves so that the offender is no 31595  
longer terminally ill, medically incapacitated, or in imminent 31596  
danger of death, the court shall, upon the court's own motion, 31597  
revoke the judicial release. The court shall not grant the motion 31598  
without a hearing unless the offender waives a hearing. If a 31599  
hearing is held, the court shall afford the offender and the 31600  
offender's attorney an opportunity to present written and, if the 31601  
offender or the offender's attorney is present, oral information 31602  
relevant to the motion. The court shall afford a similar 31603  
opportunity to the prosecuting attorney, the victim or the 31604  
victim's representative, and any other person the court determines 31605  
is likely to present additional relevant information. A court that 31606  
grants a motion under this division shall specify its findings on 31607  
the record. 31608

**Sec. 2929.34.** (A) A person who is convicted of or pleads 31609  
guilty to aggravated murder, murder, or an offense punishable by 31610  
life imprisonment and who is sentenced to a term of life 31611  
imprisonment or a prison term pursuant to that conviction shall 31612  
serve that term in an institution under the control of the 31613  
department of rehabilitation and correction. 31614

certificate of qualification for employment. 32011

employment with the employer or licensure for the employer because 32039  
of a mandatory civil impact, the agency shall give the person 32040  
individualized consideration, notwithstanding the mandatory civil 32041

the employment, or that the employer is unfit for the license or 32046  
certification, in question. 32047

(E) A certificate of qualification for employment does not 32048  
grant the individual to whom the certificate was issued relief 32049  
from the mandatory civil impacts identified in division (A)(1) of 32050  
section 2961.01 or division (B) of section 2961.02 of the Revised 32051

certificate at the time of the alleged negligence. 32098

(3) If an employer hires an individual who has been issued a 32099  
certificate of qualification for employment under this section, if 32100  
the individual, after being hired, subsequently demonstrates 32101  
dangerousness or is convicted of or pleads guilty to a felony, and 32102  
if the employer retains the individual as an employee after the 32103

the Revised Code, an eligible offender may apply to the sentencing 32179

court if convicted in this state, or to a court of common pleas if 32180

record of the case that pertains to the charge. Except as provided 32191  
in section 2953.61 of the Revised Code, the application may be 32192  
filed at any time after the expiration of one year from the date 32193

eligible offender pursuant to division (A)(1) of this section and 32225

initially shall determine whether it is not in the public interest 32232  
for the two or three convictions to be counted as one conviction. 32233  
If the court determines that it is not in the public interest for 32234  
the two or three convictions to be counted as one conviction, the 32235  
court shall determine that the applicant is not an eligible 32236  
offender; if the court does not make that determination, the court 32237

(2) If the court determines, after complying with division 32252  
(C)(1) of this section, that the applicant is an eligible offender 32253  
or the subject of a bail forfeiture, that no criminal proceeding 32254  
is pending against the applicant, ~~and~~ that the interests of the 32255  
applicant in having the records pertaining to the applicant's 32256

upon conviction of a subsequent offense, the sealed record of 32272  
prior conviction or bail forfeiture may be considered by the court 32273  
in determining the sentence or other appropriate disposition, 32274  
including the relief provided for in sections 2953.31 to 2953.33 32275

of the Revised Code. 32276

(3) An applicant may request the sealing of the records of 32277  
more than one case in a single application under this section. 32278  
Upon the filing of an application under this section, the 32279  
applicant, unless indigent, shall pay a fee of fifty dollars, 32280  
regardless of the number of records the application requests to 32281  
have sealed. The court shall pay thirty dollars of the fee into 32282  
the state treasury. It shall pay twenty dollars of the fee into 32283  
the county general revenue fund if the sealed conviction or bail 32284

revenue fund of the municipal corporation involved if the sealed 32286  
conviction or bail forfeiture was pursuant to a municipal 32287  
ordinance. 32288

(4) If the court orders the official records pertaining to 32289  
the case sealed, the court shall do one of the following: 32290

(a) If the applicant was fingerprinted at the time of arrest 32291  
or under section 109.60 of the Revised Code and the record of the 32292  
applicant's fingerprints was provided to the court under division 32293  
(B) of this section, forward a copy of the sealing order and the 32294  
record of the applicant's fingerprints to the bureau of criminal 32295  
identification and investigation. 32296

(b) If the applicant was not fingerprinted at the time of 32297  
arrest or under section 109.60 of the Revised Code, or the record 32298  
of the applicant's fingerprints was not provided to the court 32299  
under division (B) of this section, but fingerprinting was 32300  
required for the offense, order the applicant to appear before a 32301  
sheriff to have the applicant's fingerprints taken according to 32302  
the fingerprint system of identification on the forms furnished by 32303  
the superintendent of the bureau of criminal identification and 32304

under section 109.381 of the Revised Code apply to the records 32323  
that are subject to the order. 32324

(c) If the applicant does not opt out under division 32325  
(C)(5)(b) of this section, the applicant shall pay to the clerk of 32326  
court the fee provided in the contract between the attorney 32327  
general and the qualified third party under division (D)(2)(b) of 32328

of a law enforcement agency, for the purposes set forth in, and in 32375  
the manner provided in, section 2953.321 of the Revised Code; 32376

(8) By the bureau of criminal identification and 32377  
investigation or any authorized employee of the bureau for the 32378  
purpose of providing information to a board or person pursuant to 32379  
division (F) or (G) of section 109.57 of the Revised Code; 32380

(9) By the bureau of criminal identification and 32381

Revised Code is to be awarded; 32385

(10) By the bureau of criminal identification and 32386  
investigation or any authorized employee of the bureau for the 32387  
purpose of conducting a criminal records check of an individual 32388  
pursuant to division (B) of section 109.572 of the Revised Code 32389  
that was requested pursuant to any of the sections identified in 32390  
division (B)(1) of that section; 32391

(11) By the bureau of criminal identification and 32392  
investigation, an authorized employee of the bureau, a sheriff, or 32393  
an authorized employee of a sheriff in connection with a criminal 32394  
records check described in section 311.41 of the Revised Code; 32395

(12) By the attorney general or an authorized employee of the 32396  
attorney general or a court for purposes of determining a person's 32397

(13) By a court, the registrar of motor vehicles, a 32399  
prosecuting attorney or the prosecuting attorney's assistants, or 32400

a law enforcement officer for the purpose of assessing points 32401  
against a person under section 4510.036 of the Revised Code or for 32402  
taking action with regard to points assessed. 32403

When the nature and character of the offense with which a 32404  
person is to be charged would be affected by the information, it 32405  
may be used for the purpose of charging the person with an 32406  
offense. 32407

(E) In any criminal proceeding, proof of any otherwise 32408  
admissible prior conviction may be introduced and proved, 32409  
notwithstanding the fact that for any such prior conviction an 32410  
order of sealing previously was issued pursuant to sections 32411  
2953.31 to 2953.36 of the Revised Code. 32412

(F) The person or governmental agency, office, or department 32413  
that maintains sealed records pertaining to convictions or bail 32414  
forfeitures that have been sealed pursuant to this section may 32415  
maintain a manual or computerized index to the sealed records. The 32416  
index shall contain only the name of, and alphanumeric identifiers 32417  
that relate to, the persons who are the subject of the sealed 32418  
records, the word "sealed," and the name of the person, agency, 32419  
office, or department that has custody of the sealed records, and 32420  
shall not contain the name of the crime committed. The index shall 32421  
be made available by the person who has custody of the sealed 32422  
records only for the purposes set forth in divisions (C), (D), and 32423  
(E) of this section. 32424

(G) Notwithstanding any provision of this section or section 32425  
2953.33 of the Revised Code that requires otherwise, a board of 32426  
education of a city, local, exempted village, or joint vocational 32427  
school district that maintains records of an individual who has 32428  
been permanently excluded under sections 3301.121 and 3313.662 of 32429  
the Revised Code is permitted to maintain records regarding a 32430  
conviction that was used as the basis for the individual's 32431  
permanent exclusion, regardless of a court order to seal the 32432

record. An order issued under this section to seal the record of a conviction does not revoke the adjudication order of the superintendent of public instruction to permanently exclude the individual who is the subject of the sealing order. An order issued under this section to seal the record of a conviction of an individual may be presented to a district superintendent as evidence to support the contention that the superintendent should recommend that the permanent exclusion of the individual who is the subject of the sealing order be revoked. Except as otherwise authorized by this division and sections 3301.121 and 3313.662 of the Revised Code, any school employee in possession of or having access to the sealed conviction records of an individual that were the basis of a permanent exclusion of the individual is subject to section 2953.35 of the Revised Code.

(H) For purposes of sections 2953.31 to 2953.36 of the Revised Code, DNA records collected in the DNA database and fingerprints filed for record by the superintendent of the bureau of criminal identification and investigation shall not be sealed unless the superintendent receives a certified copy of a final court order establishing that the offender's conviction has been overturned. For purposes of this section, a court order is not "final" if time remains for an appeal or application for discretionary review with respect to the order.

(I) The sealing of a record under this section does not affect the assessment of points under section 4510.036 of the Revised Code and does not erase points assessed against a person as a result of the sealed record.

**Sec. 2953.37.** (A) As used in this section:

(1) "Expunge" means to destroy, delete, and erase a record as appropriate for the record's physical or electronic form or characteristic so that the record is permanently irretrievable.

(2) "Official records" has the same meaning as in section 2953.51 of the Revised Code. 32464  
32465

(3) "Prosecutor" has the same meaning as in section 2953.31 of the Revised Code. 32466  
32467

(4) "Record of conviction" means the record related to a conviction of or plea of guilty to an offense. 32468  
32469

(B) Any person who is convicted of, was convicted of, pleads guilty to, or has pleaded guilty to a violation of division (B), (C), or (E) of section 2923.16 of the Revised Code as the division existed prior to September 30, 2011, and who is authorized by division (H)(2)(a) of that section to file an application under this section for the expungement of the conviction record may apply to the sentencing court for the expungement of the record of conviction. The person may file the application at any time on or after September 30, 2011. The application shall do all of the following: 32470  
32471  
32472  
32473  
32474  
32475  
32476  
32477  
32478  
32479

(1) Identify the applicant, the offense for which the expungement is sought, the date of the conviction of or plea of guilty to that offense, and the court in which the conviction occurred or the plea of guilty was entered; 32480  
32481  
32482  
32483

(2) Include evidence that the offense was a violation of division (B), (C), or (E) of section 2923.16 of the Revised Code as the division existed prior to September 30, 2011, and that the applicant is authorized by division (H)(2)(a) of that section to file an application under this section; 32484  
32485  
32486  
32487  
32488

(3) Include a request for expungement of the record of conviction of that offense under this section. 32489  
32490

(C) Upon the filing of an application under division (B) of this section and the payment of the fee described in division (D)(3) of this section if applicable, the court shall set a date for a hearing and shall notify the prosecutor for the case of the 32491  
32492  
32493  
32494

hearing on the application. The prosecutor may object to the 32495  
granting of the application by filing an objection with the court 32496  
prior to the date set for the hearing. The prosecutor shall 32497  
specify in the objection the reasons for believing a denial of the 32498  
application is justified. The court shall direct its regular 32499  
probation officer, a state probation officer, or the department of 32500  
probation of the county in which the applicant resides to make 32501  
inquiries and written reports as the court requires concerning the 32502  
applicant. The court shall hold the hearing scheduled under this 32503  
division. 32504

(D)(1) At the hearing held under division (C) of this 32505  
section, the court shall do each of the following: 32506

(a) Determine whether the applicant has been convicted of or 32507  
pleaded guilty to a violation of division (E) of section 2923.16 32508  
of the Revised Code as the division existed prior to September 30, 32509  
2011, and whether the conduct that was the basis of the violation 32510  
no longer would be a violation of that division on or after 32511  
September 30, 2011; 32512

(b) Determine whether the applicant has been convicted of or 32513  
pleaded guilty to a violation of division (B) or (C) of section 32514  
2923.16 of the Revised Code as the division existed prior to 32515  
September 30, 2011, and whether the conduct that was the basis of 32516  
the violation no longer would be a violation of that division on 32517  
or after September 30, 2011, due to the application of division 32518  
(F)(5) of that section as it exists on and after September 30, 32519  
2011; 32520

(c) If the prosecutor has filed an objection in accordance 32521  
with division (C) of this section, consider the reasons against 32522  
granting the application specified by the prosecutor in the 32523  
objection; 32524

(d) Weigh the interests of the applicant in having the 32525

records pertaining to the applicant's conviction or guilty plea 32526  
expunged against the legitimate needs, if any, of the government 32527  
to maintain those records. 32528

(2)(a) The court may order the expungement of all official 32529  
records pertaining to the case and the deletion of all index 32530  
references to the case and, if it does order the expungement, 32531  
shall send notice of the order to each public office or agency 32532  
that the court has reason to believe may have an official record 32533  
pertaining to the case if the court, after complying with division 32534  
(D)(1) of this section, determines both of the following: 32535

(i) That the applicant has been convicted of or pleaded 32536  
guilty to a violation of division (E) of section 2923.16 of the 32537  
Revised Code as it existed prior to September 30, 2011, and the 32538  
conduct that was the basis of the violation no longer would be a 32539  
violation of that division on or after September 30, 2011, or that 32540  
the applicant has been convicted of or pleaded guilty to a 32541  
violation of division (B) or (C) of section 2923.16 of the Revised 32542  
Code as the division existed prior to September 30, 2011, and the 32543  
conduct that was the basis of the violation no longer would be a 32544  
violation of that division on or after September 30, 2011, due to 32545  
the application of division (F)(5) of that section as it exists on 32546  
and after September 30, 2011; 32547

(ii) That the interests of the applicant in having the 32548  
records pertaining to the applicant's conviction or guilty plea 32549  
expunged are not outweighed by any legitimate needs of the 32550  
government to maintain those records. 32551

(b) The proceedings in the case that is the subject of an 32552  
order issued under division (D)(2)(a) of this section shall be 32553  
considered not to have occurred and the conviction or guilty plea 32554  
of the person who is the subject of the proceedings shall be 32555  
expunged. The record of the conviction shall not be used for any 32556  
purpose, including, but not limited to, a criminal records check 32557

under section 109.572 of the Revised Code or a determination under 32558  
section 2923.125 or 2923.1212 of the Revised Code of eligibility 32559  
for a concealed handgun license. The applicant may, and the court 32560  
shall, reply that no record exists with respect to the applicant 32561  
upon any inquiry into the matter. 32562

(3) Upon the filing of an application under this section, the 32563  
applicant, unless indigent, shall pay a fee of fifty dollars. The 32564  
court shall pay thirty dollars of the fee into the state treasury 32565  
and shall pay twenty dollars of the fee into the county general 32566  
revenue fund. 32567

(4) At the time an applicant files an application under 32568  
division (B) of this section, the following shall apply: 32569

(a) The clerk of court shall notify the applicant in writing 32570  
that the court will send notice of any order under division 32571  
(D)(2)(a) of this section to the qualified third party selected by 32572  
the attorney general under section 109.38 of the Revised Code and 32573  
shall inform the applicant of the procedures under section 109.381 32574  
of the Revised Code. 32575

(b) The applicant shall then notify the clerk if the 32576  
applicant wishes to opt out of receiving the benefits of having 32577  
the court send notice of its order under division (D)(2)(a) of 32578  
this section to the qualified third party and having the 32579  
procedures under section 109.381 of the Revised Code apply to the 32580  
records that are subject to the order. 32581

(c) If the applicant does not opt out under division 32582  
(D)(4)(b) of this section, the applicant shall pay to the clerk of 32583  
court the fee provided in the contract between the attorney 32584  
general and the qualified third party under division (D)(2)(b) of 32585  
section 109.38 of the Revised Code. 32586

(5)(a) Upon issuance of an order under division (D)(2)(a) of 32587  
this section, and unless the applicant opts out under division 32588

(D)(4)(b) of this section, the clerk shall remit the fee paid by the applicant under division (D)(4)(c) of this section to the qualified third party. The court shall send notice of the order under division (D)(2)(a) of this section to the qualified third party. 32589  
32590  
32591  
32592  
32593

(b) If the applicant's application under division (B) of this section is denied for any reason or if the applicant informs the clerk of court in writing, before the issuance of the order under division (D)(2)(a) of this section, that the applicant wishes to opt out of having the court send notice of its order under division (D)(2)(a) of this section to the qualified third party, the clerk shall remit the fee paid by the applicant under division (D)(4)(c) of this section that is intended for the qualified third party back to the applicant. 32594

32608

32610

(4) "Victim of human trafficking" means a person who is or was a victim of a violation of section 2905.32 of the Revised Code, regardless of whether anyone has been convicted of a violation of that section or of any other section for victimizing the person. 32611

32613  
32614  
32615

(B) Any person who is or was convicted of a violation of section 2907.24, 2907.241, or 2907.25 of the Revised Code may apply to the sentencing court for the expungement of the record of 32616  
32617  
32618

(1) Identify the applicant, the offense for which the expungement is sought, the date of the conviction of that offense, and the court in which the conviction occurred;

(2) Describe the evidence and provide copies of any documentation showing that the person is entitled to relief under this section;

(3) Include a request for expungement of the record of conviction of that offense under this section.

(C) The court may deny an application made under division (B) of this section if it finds that the application fails to assert grounds on which relief may be granted.

(D) If the court does not deny an application under division (C) of this section, it shall set a date for a hearing and shall notify the prosecutor for the case from which the record of conviction resulted of the hearing on the application. The prosecutor may object to the granting of the application by filing an objection with the court prior to the date set for the hearing. (2) Determine whether the applicant has demonstrated by a 32651  
preponderance of the evidence that the applicant's participation 32652  
in the offense was a result of having been a victim of human 32653  
trafficking. 32654

(F) If after a hearing the court finds that the applicant has 32655  
demonstrated by a preponderance of the evidence that the 32656  
applicant's participation in the offense that is the subject of 32657  
the application was the result of the applicant having been a 32658  
victim of human trafficking, the court shall grant the application 32659  
and order that the record of conviction be expunged. 32660

(G)(1) The court shall send notice of the order of 32661  
expungement to each public office or agency that the court has 32662

(b) That the interests of the applicant in having the records 32668  
pertaining to the applicant's conviction expunged are not 32669  
outweighed by any legitimate needs of the government to maintain 32670  
those records. 32671

(2) The proceedings in the case that is the subject of an 32672  
order issued under division (F) of this section shall be 32673  
considered not to have occurred and the conviction of the person 32674  
who is the subject of the proceedings shall be expunged. The 32675  
record of the conviction shall not be used for any purpose, 32676  
including, but not limited to, a criminal records check under 32677  
section 109.572 of the Revised Code. The applicant may, and the 32678

The court shall send notice of the order under division (F) of this section to the qualified third party.

(2) If the applicant's application under division (B) of this

section is denied for any reason or if the applicant informs the clerk of court in writing, before the issuance of the order under division (F) of this section, that the applicant wishes to opt out of having the court send notice of its order under division (F) of this section to the qualified third party, the clerk shall remit the fee paid by the applicant under division (I)(3) of this section that is intended for the qualified third party back to the applicant.

(iii) If the applicant does not opt out under division (A)(2)(a)(ii) of this section, the applicant shall pay to the clerk of court the fee provided in the contract between the attorney general and the qualified third party under division (D)(2)(b) of section 109.38 of the Revised Code. 32743

32745  
32746  
32747

(b) Upon the issuance of an order under division (B)(4) of section 2953.52 of the Revised Code, and unless the applicant opts out under division (A)(2)(a)(ii) of this section, the clerk shall remit the fee paid by the applicant under division (A)(2)(a)(iii) of this section to the qualified third party. The court shall send notice of the order under division (B)(4) of section 2953.52 of the Revised Code to the qualified third party. 32748  
32749  
32750  
32751  
32752  
32753

32758  
32759  
32760  
32761  
32762  
32763

32768

(C) An order to seal official records issued pursuant to section 2953.52 of the Revised Code applies to every public office or agency that has a record of the case that is the subject of the order, regardless of whether it receives notice of the hearing on the application for the order to seal the official records or receives a copy of the order to seal the official records pursuant 32769

household to avoid further domestic violence. 33204

(C) A person may seek relief under this section on the 33205  
person's own behalf, or any parent or adult household member may 33206

household member, by filing a petition with the court. The 33208  
petition shall contain or state: 33209

(3) A request for relief under this section. 33216

(D)(1) If a person who files a petition pursuant to this 33217  
section requests an ex parte order, the court shall hold an ex 33218

court, for good cause shown at the ex parte hearing, may enter any 33220  
temporary orders, with or without bond, including, but not limited 33221  
to, an order described in division (E)(1)(a), (b), or (c) of this 33222  
section, that the court finds necessary to protect the family or 33223  
household member from domestic violence. Immediate and present 33224  
danger of domestic violence to the family or household member 33225  
constitutes good cause for purposes of this section. Immediate and 33226  
present danger includes, but is not limited to, situations in 33227  
which the respondent has threatened the family or household member 33228  
with bodily harm, in which the respondent has threatened the 33229  
family or household member with a sexually oriented offense, or in 33230  
which the respondent previously has been convicted of, pleaded 33231  
guilty to, or been adjudicated a delinquent child for an offense 33232  
that constitutes domestic violence against the family or household 33233  
member. 33234

(2)(a) If the court, after an ex parte hearing, issues an order described in division (E)(1)(b) or (c) of this section, the court shall schedule a full hearing for a date that is within seven court days after the ex parte hearing. If any other type of protection order that is authorized under division (E) of this section is issued by the court after an ex parte hearing, the court shall schedule a full hearing for a date that is within ten court days after the ex parte hearing. The court shall give the respondent notice of, and an opportunity to be heard at, the full hearing. The court shall hold the full hearing on the date scheduled under this division unless the court grants a continuance of the hearing in accordance with this division. Under any of the following circumstances or for any of the following reasons, the court may grant a continuance of the full hearing to a reasonable time determined by the court:

(i) Prior to the date scheduled for the full hearing under this division, the respondent has not been served with the petition filed pursuant to this section and notice of the full hearing.

(ii) The parties consent to the continuance.

(iii) The continuance is needed to allow a party to obtain counsel.

(iv) The continuance is needed for other good cause.

(b) An ex parte order issued under this section does not expire because of a failure to serve notice of the full hearing upon the respondent before the date set for the full hearing under division (D)(2)(a) of this section or because the court grants a continuance under that division.

(3) If a person who files a petition pursuant to this section does not request an ex parte order, or if a person requests an ex parte order but the court does not issue an ex parte order after

an ex parte hearing, the court shall proceed as in a normal civil 33266  
action and grant a full hearing on the matter. 33267

(E)(1) After an ex parte or full hearing, the court may grant 33268  
any protection order, with or without bond, or approve any consent 33269  
agreement to bring about a cessation of domestic violence against 33270  
the family or household members. The order or agreement may: 33271

committing sexually oriented offenses against the family or 33273  
household members; 33274

(b) Grant possession of the residence or household to the 33275  
petitioner or other family or household member, to the exclusion 33276  
of the respondent, by evicting the respondent, when the residence 33277  
or household is owned or leased solely by the petitioner or other 33278  
family or household member, or by ordering the respondent to 33279  
vacate the premises, when the residence or household is jointly 33280  
owned or leased by the respondent, and the petitioner or other 33281  
family or household member; 33282

(c) When the respondent has a duty to support the petitioner 33283  
or other family or household member living in the residence or 33284  
household and the respondent is the sole owner or lessee of the 33285  
residence or household, grant possession of the residence or 33286  
household to the petitioner or other family or household member, 33287  
to the exclusion of the respondent, by ordering the respondent to 33288  
vacate the premises, or, in the case of a consent agreement, allow 33289  
the respondent to provide suitable, alternative housing; 33290

(d) Temporarily allocate parental rights and responsibilities 33291  
for the care of, or establish temporary parenting time rights with 33292  
regard to, minor children, if no other court has determined, or is 33293  
determining, the allocation of parental rights and 33294  
responsibilities for the minor children or parenting time rights; 33295

(e) Require the respondent to maintain support, if the 33296

respondent customarily provides for or contributes to the support 33297  
of the family or household member, or if the respondent has a duty 33298  
to support the petitioner or family or household member; 33299

(f) Require the respondent, petitioner, victim of domestic 33300  
violence, or any combination of those persons, to seek counseling; 33301

(g) Require the respondent to refrain from entering the 33302  
residence, school, business, or place of employment of the 33303  
petitioner or family or household member; 33304

(h) Grant other relief that the court considers equitable and 33305  
fair, including, but not limited to, ordering the respondent to 33306  
permit the use of a motor vehicle by the petitioner or other 33307  
family or household member and the apportionment of household and 33308  
family personal property; 33309

(i) Require that the respondent not remove, damage, hide, 33310  
harm, or dispose of any companion animal owned or possessed by the 33311  
petitioner; 33312

(j) Authorize the petitioner to remove a companion animal 33313  
owned by the petitioner from the possession of the respondent; 33314

(k) Require a wireless service transfer in accordance with 33315  
sections 3113.45 to 3113.459 of the Revised Code. 33316

(2) If a protection order has been issued pursuant to this 33317  
section in a prior action involving the respondent and the 33318  
petitioner or one or more of the family or household members or 33319  
victims, the court may include in a protection order that it 33320  
issues a prohibition against the respondent returning to the 33321  
residence or household. If it includes a prohibition against the 33322  
respondent returning to the residence or household in the order, 33323  
it also shall include in the order provisions of the type 33324  
described in division (E)(7) of this section. This division does 33325  
not preclude the court from including in a protection order or 33326  
consent agreement, in circumstances other than those described in 33327

this division, a requirement that the respondent be evicted from 33328  
or vacate the residence or household or refrain from entering the 33329  
residence, school, business, or place of employment of the 33330  
petitioner or a family or household member, and, if the court 33331  
includes any requirement of that type in an order or agreement, 33332  
the court also shall include in the order provisions of the type 33333  
described in division (E)(7) of this section. 33334

(3)(a) Any protection order issued or consent agreement 33335  
approved under this section shall be valid until a date certain, 33336  
but not later than five years from the date of its issuance or 33337  
approval, or not later than the date a respondent who is less than 33338  
eighteen years of age attains nineteen years of age, unless 33339  
modified or terminated as provided in division (E)(8) of this 33340  
section. 33341

(b) Subject to the limitation on the duration of an order or 33342  
agreement set forth in division (E)(3)(a) of this section, any 33343  
order under division (E)(1)(d) of this section shall terminate on 33344  
the date that a court in an action for divorce, dissolution of 33345  
marriage, or legal separation brought by the petitioner or 33346  
respondent issues an order allocating parental rights and 33347  
responsibilities for the care of children or on the date that a 33348  
juvenile court in an action brought by the petitioner or 33349  
respondent issues an order awarding legal custody of minor 33350  
children. Subject to the limitation on the duration of an order or 33351  
agreement set forth in division (E)(3)(a) of this section, any 33352  
order under division (E)(1)(e) of this section shall terminate on 33353  
the date that a court in an action for divorce, dissolution of 33354  
marriage, or legal separation brought by the petitioner or 33355  
respondent issues a support order or on the date that a juvenile 33356  
court in an action brought by the petitioner or respondent issues 33357  
a support order. 33358

(c) Any protection order issued or consent agreement approved 33359

pursuant to this section may be renewed in the same manner as the 33360  
original order or agreement was issued or approved. 33361

(4) A court may not issue a protection order that requires a 33362  
petitioner to do or to refrain from doing an act that the court 33363  
may require a respondent to do or to refrain from doing under 33364  
division (E)(1)(a), (b), (c), (d), (e), (g), or (h) of this 33365  
section unless all of the following apply: 33366

(a) The respondent files a separate petition for a protection 33367  
order in accordance with this section. 33368

(b) The petitioner is served notice of the respondent's 33369  
petition at least forty-eight hours before the court holds a 33370  
hearing with respect to the respondent's petition, or the 33371  
petitioner waives the right to receive this notice. 33372

(c) If the petitioner has requested an ex parte order 33373  
pursuant to division (D) of this section, the court does not delay 33374  
any hearing required by that division beyond the time specified in 33375  
that division in order to consolidate the hearing with a hearing 33376  
on the petition filed by the respondent. 33377

(d) After a full hearing at which the respondent presents 33378  
evidence in support of the request for a protection order and the 33379  
petitioner is afforded an opportunity to defend against that 33380  
evidence, the court determines that the petitioner has committed 33381  
an act of domestic violence or has violated a temporary protection 33382  
order issued pursuant to section 2919.26 of the Revised Code, that 33383  
both the petitioner and the respondent acted primarily as 33384  
aggressors, and that neither the petitioner nor the respondent 33385  
acted primarily in self-defense. 33386

(5) No protection order issued or consent agreement approved 33387  
under this section shall in any manner affect title to any real 33388  
property. 33389

(6)(a) If a petitioner, or the child of a petitioner, who 33390

obtains a protection order or consent agreement pursuant to 33391  
division (E)(1) of this section or a temporary protection order 33392  
pursuant to section 2919.26 of the Revised Code and is the subject 33393  
of a parenting time order issued pursuant to section 3109.051 or 33394  
3109.12 of the Revised Code or a visitation or companionship order 33395  
issued pursuant to section 3109.051, 3109.11, or 3109.12 of the 33396  
Revised Code or division (E)(1)(d) of this section granting 33397  
parenting time rights to the respondent, the court may require the 33398  
public children services agency of the county in which the court 33399  
is located to provide supervision of the respondent's exercise of 33400  
parenting time or visitation or companionship rights with respect 33401  
to the child for a period not to exceed nine months, if the court 33402  
makes the following findings of fact: 33403

(i) The child is in danger from the respondent; 33404

(ii) No other person or agency is available to provide the 33405  
supervision. 33406

(b) A court that requires an agency to provide supervision 33407  
pursuant to division (E)(6)(a) of this section shall order the 33408  
respondent to reimburse the agency for the cost of providing the 33409  
supervision, if it determines that the respondent has sufficient 33410  
income or resources to pay that cost. 33411

(7)(a) If a protection order issued or consent agreement 33412  
approved under this section includes a requirement that the 33413  
respondent be evicted from or vacate the residence or household or 33414  
refrain from entering the residence, school, business, or place of 33415  
employment of the petitioner or a family or household member, the 33416  
order or agreement shall state clearly that the order or agreement 33417  
cannot be waived or nullified by an invitation to the respondent 33418  
from the petitioner or other family or household member to enter 33419  
the residence, school, business, or place of employment or by the 33420  
respondent's entry into one of those places otherwise upon the 33421  
consent of the petitioner or other family or household member. 33422

(b) Division (E)(7)(a) of this section does not limit any 33423  
discretion of a court to determine that a respondent charged with 33424  
a violation of section 2919.27 of the Revised Code, with a 33425  
violation of a municipal ordinance substantially equivalent to 33426  
that section, or with contempt of court, which charge is based on 33427  
an alleged violation of a protection order issued or consent 33428  
agreement approved under this section, did not commit the 33429  
violation or was not in contempt of court. 33430

(8)(a) The court may modify or terminate as provided in 33431  
division (E)(8) of this section a protection order or consent 33432  
agreement that was issued after a full hearing under this section. 33433  
The court that issued the protection order or approved the consent 33434  
agreement shall hear a motion for modification or termination of 33435  
the protection order or consent agreement pursuant to division 33436  
(E)(8) of this section. 33437

(b) Either the petitioner or the respondent of the original 33438  
protection order or consent agreement may bring a motion for 33439  
modification or termination of a protection order or consent 33440  
agreement that was issued or approved after a full hearing. The 33441  
court shall require notice of the motion to be made as provided by 33442  
the Rules of Civil Procedure. If the petitioner for the original 33443  
protection order or consent agreement has requested that the 33444  
petitioner's address be kept confidential, the court shall not 33445  
disclose the address to the respondent of the original protection 33446  
order or consent agreement or any other person, except as 33447  
otherwise required by law. The moving party has the burden of 33448  
proof to show, by a preponderance of the evidence, that 33449  
modification or termination of the protection order or consent 33450  
agreement is appropriate because either the protection order or 33451  
consent agreement is no longer needed or because the terms of the 33452  
original protection order or consent agreement are no longer 33453  
appropriate. 33454

(c) In considering whether to modify or terminate a protection order or consent agreement issued or approved under this section, the court shall consider all relevant factors, including, but not limited to, the following:	33455 33456 33457 33458
(i) Whether the petitioner consents to modification or termination of the protection order or consent agreement;	33459 33460
(ii) Whether the petitioner fears the respondent;	33461
(iii) The current nature of the relationship between the petitioner and the respondent;	33462 33463
(iv) The circumstances of the petitioner and respondent, including the relative proximity of the petitioner's and respondent's workplaces and residences and whether the petitioner and respondent have minor children together;	33464 33465 33466 33467
(v) Whether the respondent has complied with the terms and conditions of the original protection order or consent agreement;	33468 33469
(vi) Whether the respondent has a continuing involvement with illegal drugs or alcohol;	33470 33471
(vii) Whether the respondent has been convicted of, pleaded guilty to, or been adjudicated a delinquent child for an offense of violence since the issuance of the protection order or approval of the consent agreement;	33472 33473 33474 33475
(viii) Whether any other protection orders, consent agreements, restraining orders, or no contact orders have been issued against the respondent pursuant to this section, section 2919.26 of the Revised Code, any other provision of state law, or the law of any other state;	33476 33477 33478 33479 33480
(ix) Whether the respondent has participated in any domestic violence treatment, intervention program, or other counseling addressing domestic violence and whether the respondent has completed the treatment, program, or counseling;	33481 33482 33483 33484

(x) The time that has elapsed since the protection order was issued or since the consent agreement was approved;	33485 33486
(xi) The age and health of the respondent;	33487
(xii) When the last incident of abuse, threat of harm, or commission of a sexually oriented offense occurred or other relevant information concerning the safety and protection of the petitioner or other protected parties.	33488 33489 33490 33491
(d) If a protection order or consent agreement is modified or terminated as provided in division (E)(8) of this section, the court shall issue copies of the modified or terminated order or agreement as provided in division (F) of this section. A petitioner may also provide notice of the modification or termination to the judicial and law enforcement officials in any county other than the county in which the order or agreement is modified or terminated as provided in division (N) of this section.	33492 33493 33494 33495 33496 33497 33498 33499 33500
(e) If the respondent moves for modification or termination of a protection order or consent agreement pursuant to this section and the court denies the motion, the court may assess costs against the respondent for the filing of the motion.	33501 33502 33503 33504
(9) Any protection order issued or any consent agreement approved pursuant to this section shall include a provision that the court will automatically seal all of the records of the proceeding in which the order is issued or agreement approved on the date the respondent attains the age of nineteen years unless the petitioner provides the court with evidence that the respondent has not complied with all of the terms of the protection order or consent agreement. The protection order or consent agreement shall specify the date when the respondent attains the age of nineteen years.	33505 33506 33507 33508 33509 33510 33511 33512 33513 33514
(F)(1) A copy of any protection order, or consent agreement,	33515

that is issued, approved, modified, or terminated under this 33516  
section shall be issued by the court to the petitioner, to the 33517  
respondent, and to all law enforcement agencies that have 33518  
jurisdiction to enforce the order or agreement. The court shall 33519  
direct that a copy of an order be delivered to the respondent on 33520  
the same day that the order is entered. 33521

(2) Upon the issuance of a protection order or the approval 33522  
of a consent agreement under this section, the court shall provide 33523  
the parties to the order or agreement with the following notice 33524  
orally or by form: 33525

"NOTICE 33526

As a result of this order or consent agreement, it may be 33527  
unlawful for you to possess or purchase a firearm, including a 33528  
rifle, pistol, or revolver, or ammunition pursuant to federal law 33529  
under 18 U.S.C. 922(g)(8). If you have any questions whether this 33530  
law makes it illegal for you to possess or purchase a firearm or 33531  
ammunition, you should consult an attorney." 33532

(3) All law enforcement agencies shall establish and maintain 33533  
an index for the protection orders and the approved consent 33534  
agreements delivered to the agencies pursuant to division (F)(1) 33535  
of this section. With respect to each order and consent agreement 33536  
delivered, each agency shall note on the index the date and time 33537  
that it received the order or consent agreement. 33538

(4) Regardless of whether the petitioner has registered the 33539  
order or agreement in the county in which the officer's agency has 33540  
jurisdiction pursuant to division (N) of this section, any officer 33541  
of a law enforcement agency shall enforce a protection order 33542  
issued or consent agreement approved by any court in this state in 33543  
accordance with the provisions of the order or agreement, 33544  
including removing the respondent from the premises, if 33545  
appropriate. 33546

(G)(1) Any proceeding under this section shall be conducted 33547  
in accordance with the Rules of Civil Procedure, except that an 33548  
order under this section may be obtained with or without bond. An 33549  
order issued under this section, other than an ex parte order, 33550  
that grants a protection order or approves a consent agreement, 33551  
that refuses to grant a protection order or approve a consent 33552  
agreement that modifies or terminates a protection order or 33553  
consent agreement, or that refuses to modify or terminate a 33554  
protection order or consent agreement, is a final, appealable 33555  
order. The remedies and procedures provided in this section are in 33556  
addition to, and not in lieu of, any other available civil or 33557  
criminal remedies. 33558

(2) If as provided in division (G)(1) of this section an 33559  
order issued under this section, other than an ex parte order, 33560  
refuses to grant a protection order, the court, on its own motion, 33561  
shall order that the ex parte order issued under this section and 33562  
all of the records pertaining to that ex parte order be expunged 33563  
after either of the following occurs: 33564

(a) The period of the notice of appeal from the order that 33565  
refuses to grant a protection order has expired. 33566

(b) The order that refuses to grant the protection order is 33567  
appealed and an appellate court to which the last appeal of that 33568  
order is taken affirms the order. 33569

(H) The filing of proceedings under this section does not 33570  
excuse a person from filing any report or giving any notice 33571  
required by section 2151.421 of the Revised Code or by any other 33572  
law. When a petition under this section alleges domestic violence 33573  
against minor children, the court shall report the fact, or cause 33574  
reports to be made, to a county, township, or municipal peace 33575  
officer under section 2151.421 of the Revised Code. 33576

(I) Any law enforcement agency that investigates a domestic 33577

dispute shall provide information to the family or household 33578  
members involved regarding the relief available under this section 33579  
and section 2919.26 of the Revised Code. 33580

(J)(1) Subject to divisions (E)(8)(e) and (J)(2) of this 33581  
section and regardless of whether a protection order is issued or 33582  
a consent agreement is approved by a court of another county or a 33583  
court of another state, no court or unit of state or local 33584  
government shall charge the petitioner any fee, cost, deposit, or 33585  
money in connection with the filing of a petition pursuant to this 33586  
section or in connection with the filing, issuance, registration, 33587  
modification, enforcement, dismissal, withdrawal, or service of a 33588  
protection order, consent agreement, or witness subpoena or for 33589  
obtaining a certified copy of a protection order or consent 33590  
agreement. 33591

(2) Regardless of whether a protection order is issued or a 33592  
consent agreement is approved pursuant to this section, the court 33593  
may assess costs against the respondent in connection with the 33594  
filing, issuance, registration, modification, enforcement, 33595  
dismissal, withdrawal, or service of a protection order, consent 33596  
agreement, or witness subpoena or for obtaining a certified copy 33597  
of a protection order or consent agreement. 33598

(K)(1) The court shall comply with Chapters 3119., 3121., 33599  
3123., and 3125. of the Revised Code when it makes or modifies an 33600  
order for child support under this section. 33601

(2) If any person required to pay child support under an 33602  
order made under this section on or after April 15, 1985, or 33603  
modified under this section on or after December 31, 1986, is 33604  
found in contempt of court for failure to make support payments 33605  
under the order, the court that makes the finding, in addition to 33606  
any other penalty or remedy imposed, shall assess all court costs 33607  
arising out of the contempt proceeding against the person and 33608  
require the person to pay any reasonable attorney's fees of any 33609

adverse party, as determined by the court, that arose in relation 33610  
to the act of contempt. 33611

(L)(1) A person who violates a protection order issued or a 33612  
consent agreement approved under this section is subject to the 33613  
following sanctions: 33614

(a) Criminal prosecution or a delinquent child proceeding for 33615  
a violation of section 2919.27 of the Revised Code, if the 33616  
violation of the protection order or consent agreement constitutes 33617  
a violation of that section; 33618

(b) Punishment for contempt of court. 33619

(2) The punishment of a person for contempt of court for 33620  
violation of a protection order issued or a consent agreement 33621  
approved under this section does not bar criminal prosecution of 33622  
the person or a delinquent child proceeding concerning the person 33623  
for a violation of section 2919.27 of the Revised Code. However, a 33624  
person punished for contempt of court is entitled to credit for 33625  
the punishment imposed upon conviction of or adjudication as a 33626  
delinquent child for a violation of that section, and a person 33627  
convicted of or adjudicated a delinquent child for a violation of 33628  
that section shall not subsequently be punished for contempt of 33629  
court arising out of the same activity. 33630

(M) In all stages of a proceeding under this section, a 33631  
petitioner may be accompanied by a victim advocate. 33632

(N)(1) A petitioner who obtains a protection order or consent 33633  
agreement under this section or a temporary protection order under 33634  
section 2919.26 of the Revised Code may provide notice of the 33635  
issuance or approval of the order or agreement to the judicial and 33636  
law enforcement officials in any county other than the county in 33637  
which the order is issued or the agreement is approved by 33638  
registering that order or agreement in the other county pursuant 33639  
to division (N)(2) of this section and filing a copy of the 33640

registered order or registered agreement with a law enforcement 33641  
agency in the other county in accordance with that division. A 33642  
person who obtains a protection order issued by a court of another 33643  
state may provide notice of the issuance of the order to the 33644  
judicial and law enforcement officials in any county of this state 33645  
by registering the order in that county pursuant to section 33646  
2919.272 of the Revised Code and filing a copy of the registered 33647  
order with a law enforcement agency in that county. 33648

(2) A petitioner may register a temporary protection order, 33649  
protection order, or consent agreement in a county other than the 33650  
county in which the court that issued the order or approved the 33651  
agreement is located in the following manner: 33652

(a) The petitioner shall obtain a certified copy of the order 33653  
or agreement from the clerk of the court that issued the order or 33654  
approved the agreement and present that certified copy to the 33655  
clerk of the court of common pleas or the clerk of a municipal 33656  
court or county court in the county in which the order or 33657  
agreement is to be registered. 33658

(b) Upon accepting the certified copy of the order or 33659  
agreement for registration, the clerk of the court of common 33660  
pleas, municipal court, or county court shall place an endorsement 33661  
of registration on the order or agreement and give the petitioner 33662  
a copy of the order or agreement that bears that proof of 33663  
registration. 33664

(3) The clerk of each court of common pleas, the clerk of 33665  
each municipal court, and the clerk of each county court shall 33666  
maintain a registry of certified copies of temporary protection 33667  
orders, protection orders, or consent agreements that have been 33668  
issued or approved by courts in other counties and that have been 33669  
registered with the clerk. 33670

(0) Nothing in this section prohibits the domestic relations 33671

division of a court of common pleas in counties that have a 33672  
domestic relations division or a court of common pleas in counties 33673  
that do not have a domestic relations division from designating a 33674  
minor child as a protected party on a protection order or consent 33675  
agreement. 33676

**Sec. 3119.05.** When a court computes the amount of child 33677  
support required to be paid under a court child support order or a 33678  
child support enforcement agency computes the amount of child 33679  
support to be paid pursuant to an administrative child support 33680  
order, all of the following apply: 33681

(A) The parents' current and past income and personal 33682  
earnings shall be verified by electronic means or with suitable 33683  
documents, including, but not limited to, paystubs, employer 33684  
statements, receipts and expense vouchers related to 33685  
self-generated income, tax returns, and all supporting 33686  
documentation and schedules for the tax returns. 33687

(B) The amount of any pre-existing child support obligation 33688  
of a parent under a child support order and the amount of any 33689  
court-ordered spousal support actually paid shall be deducted from 33690  
the gross income of that parent to the extent that payment under 33691  
the child support order or that payment of the court-ordered 33692  
spousal support is verified by supporting documentation. 33693

(C) If other minor children who were born to the parent and a 33694  
person other than the other parent who is involved in the 33695  
immediate child support determination live with the parent, the 33696  
court or agency shall deduct an amount from that parent's gross 33697  
income that equals the number of such minor children times the 33698  
federal income tax exemption for such children less child support 33699  
received for them for the year, not exceeding the federal income 33700  
tax exemption. 33701

(D) When the court or agency calculates the gross income of a 33702

parent, it shall include the lesser of the following as income 33703  
from overtime and bonuses: 33704

(1) The yearly average of all overtime, commissions, and 33705  
bonuses received during the three years immediately prior to the 33706  
time when the person's child support obligation is being computed; 33707

(2) The total overtime, commissions, and bonuses received 33708  
during the year immediately prior to the time when the person's 33709  
child support obligation is being computed. 33710

(E) When the court or agency calculates the gross income of a 33711  
parent, it shall not include any income earned by the spouse of 33712  
that parent. 33713

(F) The court shall issue a separate order for extraordinary 33714  
medical or dental expenses, including, but not limited to, 33715  
orthodontia, psychological, appropriate private education, and 33716  
other expenses, and may consider the expenses in adjusting a child 33717  
support order. 33718

(G) When a court or agency calculates the amount of child 33719  
support to be paid pursuant to a court child support order or an 33720  
administrative child support order, if the combined gross income 33721  
of both parents is an amount that is between two amounts set forth 33722  
in the first column of the schedule, the court or agency may use 33723  
the basic child support obligation that corresponds to the higher 33724  
of the two amounts in the first column of the schedule, use the 33725  
basic child support obligation that corresponds to the lower of 33726  
the two amounts in the first column of the schedule, or calculate 33727  
a basic child support obligation that is between those two amounts 33728  
and corresponds proportionally to the parents' actual combined 33729  
gross income. 33730

(H) When the court or agency calculates gross income, the 33731  
court or agency, when appropriate, may average income over a 33732  
reasonable period of years. 33733

(I) Unless it would be unjust or inappropriate and therefore 33734  
not in the best interests of the child, a court or agency shall 33735  
not determine a parent to be voluntarily unemployed or 33736  
underemployed and shall not impute income to that parent if either 33737  
of the following conditions exist: 33738

(1) The parent is receiving recurring monetary income from 33739  
means-tested public assistance benefits, including cash assistance 33740  
payments under the Ohio works first program established under 33741  
Chapter 5107. of the Revised Code, ~~financial assistance under the~~ 33742  
~~disability financial assistance program established under Chapter~~ 33743  
~~5115. of the Revised Code,~~ supplemental security income, or 33744  
means-tested veterans' benefits; 33745

(2) The parent is incarcerated or institutionalized for a 33746  
period of twelve months or more with no other available assets, 33747  
unless the parent is incarcerated for an offense relating to the 33748  
abuse or neglect of a child who is the subject of the support 33749  
order or an offense under Title XXIX of the Revised Code when the 33750  
obligee or a child who is the subject of the support order is a 33751  
victim of the offense. 33752

(J) When a court or agency requires a parent to pay an amount 33753  
for that parent's failure to support a child for a period of time 33754  
prior to the date the court modifies or issues a court child 33755  
support order or an agency modifies or issues an administrative 33756  
child support order for the current support of the child, the 33757  
court or agency shall calculate that amount using the basic child 33758  
support schedule, worksheets, and child support laws in effect, 33759  
and the incomes of the parents as they existed, for that prior 33760  
period of time. 33761

(K) A court or agency may disregard a parent's additional 33762  
income from overtime or additional employment when the court or 33763  
agency finds that the additional income was generated primarily to 33764  
support a new or additional family member or members, or under 33765

other appropriate circumstances. 33766

(L) If both parents involved in the immediate child support 33767  
determination have a prior order for support relative to a minor 33768  
child or children born to both parents, the court or agency shall 33769  
collect information about the existing order or orders and 33770  
consider those together with the current calculation for support 33771  
to ensure that the total of all orders for all children of the 33772  
parties does not exceed the amount that would have been ordered if 33773  
all children were addressed in a single judicial or administrative 33774  
proceeding. 33775

**Sec. 3121.03.** If a court or child support enforcement agency 33776  
that issued or modified a support order, or the agency 33777  
administering the support order, is required by the Revised Code 33778  
to issue one or more withholding or deduction notices described in 33779  
this section or other orders described in this section, the court 33780  
or agency shall issue one or more of the following types of 33781  
notices or orders, as appropriate, for payment of the support and 33782  
also, if required by the Revised Code or the court, to pay any 33783  
arrearages: 33784

(A)(1) If the court or the child support enforcement agency 33785  
determines that the obligor is receiving income from a payor, the 33786  
court or agency shall require the payor to do all of the 33787  
following: 33788

(a) Withhold from the obligor's income a specified amount for 33789  
support in satisfaction of the support order and begin the 33790  
withholding no later than fourteen business days following the 33791  
date the notice is mailed or transmitted to the payor under 33792  
section 3121.035, 3123.021, or 3123.06 of the Revised Code and 33793  
division (A)(2) of this section or, if the payor is an employer, 33794  
no later than the first pay period that occurs after fourteen 33795  
business days following the date the notice is mailed or 33796

transmitted; 33797

(b) Send the amount withheld to the office of child support 33798  
in the department of job and family services pursuant to section 33799  
3121.43 of the Revised Code immediately but not later than seven 33800  
business days after the date the obligor is paid; 33801

(c) Continue the withholding at intervals specified in the 33802  
notice until further notice from the court or child support 33803  
enforcement agency. 33804

To the extent possible, the amount specified to be withheld 33805  
shall satisfy the amount ordered for support in the support order 33806  
plus any arrearages owed by the obligor under any prior support 33807  
order that pertained to the same child or spouse, notwithstanding 33808  
any applicable limitations of sections 2329.66, 2329.70, 2716.02, 33809  
2716.041, and 2716.05 of the Revised Code. However, in no case 33810  
shall the sum of the amount to be withheld and any fee withheld by 33811  
the payor as a charge for its services exceed the maximum amount 33812  
permitted under section 303(b) of the "Consumer Credit Protection 33813  
Act," 15 U.S.C. 1673(b). 33814

(2) A court or agency that imposes an income withholding 33815  
requirement shall, within the applicable time specified in section 33816  
3119.80, 3119.81, 3121.035, 3123.021, or 3123.06 of the Revised 33817  
Code, send to the obligor's payor by regular mail or via secure 33818  
federally managed data transmission interface a notice that 33819  
contains all of the information applicable to withholding notices 33820  
set forth in section 3121.037 of the Revised Code. The notice is 33821  
final and is enforceable by the court. 33822

(B)(1) If the court or child support enforcement agency 33823  
determines that the obligor has funds that are not exempt under 33824  
the laws of this state or the United States from execution, 33825  
attachment, or other legal process and are on deposit in an 33826  
account in a financial institution under the jurisdiction of the 33827

court that issued the court support order, or in the case of an administrative child support order, under the jurisdiction of the common pleas court of the county in which the agency that issued or is administering the order is located, the court or agency may require any financial institution in which the obligor's funds are on deposit to do all of the following:

(a) Deduct from the obligor's account a specified amount for support in satisfaction of the support order and begin the deduction no later than fourteen business days following the date the notice was mailed or transmitted to the financial institution under section 3121.035 or 3123.06 of the Revised Code and division (B)(2) of this section;

(b) Send the amount deducted to the office of child support in the department of job and family services pursuant to section 3121.43 of the Revised Code immediately but not later than seven business days after the date the latest deduction was made;

(c) Provide the date on which the amount was deducted;

(d) Continue the deduction at intervals specified in the notice until further notice from the court or child support enforcement agency.

To the extent possible, the amount to be deducted shall satisfy the amount ordered for support in the support order plus any arrearages that may be owed by the obligor under any prior support order that pertained to the same child or spouse, notwithstanding the limitations of sections 2329.66, 2329.70, and 2716.13 of the Revised Code.

(2) A court or agency that imposes a deduction requirement shall, within the applicable period of time specified in section 3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send to the financial institution by regular mail or via secure federally managed data transmission interface a notice that

contains all of the information applicable to deduction notices 33859  
set forth in section 3121.037 of the Revised Code. The notice is 33860  
final and is enforceable by the court. 33861

(C) With respect to any court support order it issues, a 33862  
court may issue an order requiring the obligor to enter into a 33863  
cash bond with the court. The court shall issue the order as part 33864  
of the court support order or, if the court support order has 33865  
previously been issued, as a separate order. The cash bond shall 33866  
be in a sum fixed by the court at not less than five hundred nor 33867  
more than ten thousand dollars, conditioned that the obligor will 33868  
make payment as previously ordered and will pay any arrearages 33869  
under any prior court support order that pertained to the same 33870  
child or spouse. 33871

The order, along with an additional order requiring the 33872  
obligor to immediately notify the child support enforcement 33873  
agency, in writing, if the obligor begins to receive income from a 33874  
payor, shall be attached to and served on the obligor at the same 33875  
time as service of the court support order or, if the court 33876  
support order has previously been issued, as soon as possible 33877  
after the issuance of the order under this section. The additional 33878  
order requiring notice by the obligor shall state all of the 33879  
following: 33880

(1) That when the obligor begins to receive income from a 33881  
payor the obligor may request that the court cancel its bond order 33882  
and instead issue a notice requiring the withholding of an amount 33883  
from income for support in accordance with this section; 33884

(2) That when the obligor begins to receive income from a 33885  
payor the court will proceed to collect on the bond if the court 33886  
determines that payments due under the court support order have 33887  
not been made and that the amount that has not been paid is at 33888  
least equal to the support owed for one month under the court 33889  
support order and will issue a notice requiring the withholding of 33890

an amount from income for support in accordance with this section. 33891  
The notice required of the obligor shall include a description of 33892  
the nature of any new employment, the name and business address of 33893  
any new employer, and any other information reasonably required by 33894  
the court. 33895

The court shall not order an obligor to post a cash bond 33896  
under this section unless the court determines that the obligor 33897  
has the ability to do so. 33898

A child support enforcement agency may not issue a cash bond 33899  
order. If a child support enforcement agency is required to issue 33900  
a withholding or deduction notice under this section with respect 33901  
to a court support order but the agency determines that no 33902  
withholding or deduction notice would be appropriate, the agency 33903  
may request that the court issue a cash bond order under this 33904  
section, and upon the request, the court may issue the order. 33905

(D)(1) If the obligor under a court support order is 33906  
unemployed, has no income, and does not have an account at any 33907  
financial institution, or on request of a child support 33908  
enforcement agency under division (D)(1) or (2) of this section, 33909  
the court shall issue an order requiring the obligor, if able to 33910  
engage in employment, to seek employment or participate in a work 33911  
activity to which a recipient of assistance under Title IV-A of 33912  
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 33913  
as amended, may be assigned as specified in section 407(d) of the 33914  
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 33915  
shall include in the order requirements that the obligor register 33916  
with the OhioMeansJobs web site and to notify the child support 33917  
enforcement agency on obtaining employment, obtaining any income, 33918  
or obtaining ownership of any asset with a value of five hundred 33919  
dollars or more. The court may issue the order regardless of 33920  
whether the obligee to whom the obligor owes support is a 33921  
recipient of assistance under Title IV-A of the "Social Security 33922

Act." The court shall issue the order as part of a court support 33923  
order or, if a court support order has previously been issued, as 33924  
a separate order. If a child support enforcement agency is 33925  
required to issue a withholding or deduction notice under this 33926  
section with respect to a court support order but determines that 33927  
no withholding or deduction notice would be appropriate, the 33928  
agency may request that the court issue a court order under 33929  
division (D)(1) of this section, and, on the request, the court 33930  
may issue the order. 33931

(2) If the obligor under an administrative child support 33932  
order is unemployed, has no income, and does not have an account 33933  
at any financial institution, the agency shall issue an 33934  
administrative order requiring the obligor, if able to engage in 33935  
employment, to seek employment or participate in a work activity 33936  
to which a recipient of assistance under Title IV-A of the "Social 33937  
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 33938  
may be assigned as specified in section 407(d) of the "Social 33939  
Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall 33940  
include in the order requirements that the obligor register with 33941

met an achievement assessment requirement of one state is 34034  
recognized as having met the similar requirement of the other 34035  
state for purposes of receiving a high school diploma. For 34036  
purposes of this section and sections 3301.0711 and 3313.61 of the 34037  
Revised Code, any student enrolled in any public high school in 34038  
this state who has met an achievement assessment requirement 34039

division, the superintendent shall designate the dates in such a 34049  
way as to allow a reasonable length of time between the 34050  
administration of assessments prescribed under this section and 34051  
any administration of the national assessment of educational 34052  
progress given to students in the same grade level pursuant to 34053  
section 3301.27 of the Revised Code or federal law. 34054

for the purpose of making recommendations to the state board 34059  
regarding the state board's designation of scores on the 34060  
assessments described by this section shall inform the state board 34061  
of the probable percentage of students who would score in each of 34062  
the ranges established under division (A)(2) of this section on 34063  
the assessments if the committee's recommendations are adopted by 34064  
the state board. To the extent possible, these percentages shall 34065  
be disaggregated by gender, major racial and ethnic groups, 34066  
limited English proficient students, economically disadvantaged 34067  
students, students with disabilities, and migrant students. 34068

the assessment will be administered, as assigned pursuant to 34077

section 3301.0710 of the Revised Code shall be administered to 34087  
students. 34088

(B) Except as provided in divisions (C) and (J) of this 34089  
section, the board of education of each city, local, and exempted 34090

that division. A board of a joint vocational school district may	34136
also administer such an assessment to any student described in	34137
division (B)(8)(b) of this section.	34138
(10) If the district has a three-year average graduation rate	34139

of not more than seventy-five per cent, administer each assessment 34140  
prescribed by division (D) of section 3301.0710 of the Revised 34141  
Code in September to all ninth grade students who entered ninth 34142

Except as provided in section 3313.614 of the Revised Code 34144  
for administration of an assessment to a person who has fulfilled 34145  
the curriculum requirement for a high school diploma but has not 34146  
passed one or more of the required assessments, the assessments 34147  
prescribed under division (B)(1) of section 3301.0710 of the 34148

the rules adopted by the state board of education under division 34150

(11)(a) Except as provided in division (B)(11)(b) of this 34152  
section, administer the assessments prescribed by division (B)(2) 34153  
of section 3301.0710 and section 3301.0712 of the Revised Code in 34154

However, no board shall prohibit a student who is not required to 34164  
take such assessment from taking the assessment. 34165

(C)(1)(a) In the case of a student receiving special 34166

that chapter shall specify the manner in which the student will 34169

except that a student with significant cognitive disabilities to 34171

whom an alternate assessment is administered in accordance with 34172

disability that includes an intellectual disability as outlined in 34174  
guidance issued by the department shall not be required to take 34175  
the assessment prescribed under division (B)(1) of section 34176  
3301.0712 of the Revised Code. The individualized education 34177  
program may excuse the student from taking any particular 34178  
assessment required to be administered under this section if it 34179  
instead specifies an alternate assessment method approved by the 34180  
department of education as conforming to requirements of federal 34181  
law for receipt of federal funds for disadvantaged pupils. To the 34182  
extent possible, the individualized education program shall not 34183  
excuse the student from taking an assessment unless no reasonable 34184  
accommodation can be made to enable the student to take the 34185  
assessment. No board shall prohibit a student who is not required 34186  
to take an assessment under division (C)(1) of this section from 34187  
taking the assessment. 34188

(b) Any alternate assessment approved by the department for a 34189  
student under this division shall produce measurable results 34190  
comparable to those produced by the assessment it replaces in 34191  
order to allow for the student's results to be included in the 34192  
data compiled for a school district or building under section 34193  
3302.03 of the Revised Code. 34194

(c)(i) Any student enrolled in a chartered nonpublic school 34195  
who has been identified, based on an evaluation conducted in 34196

794, as amended, as a child with a disability shall be excused 34199  
from taking any particular assessment required to be administered 34200  
under this section if a plan developed for the student pursuant to 34201  
rules adopted by the state board excuses the student from taking 34202  
that assessment. 34203

(ii) A student with significant cognitive disabilities to whom an alternate assessment is administered in accordance with division (C)(1) of this section and a student determined to have a disability that includes an intellectual disability as outlined in guidance issued by the department shall not be required to take the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code.

(iii) In the case of any student so excused from taking an assessment under division (C)(1)(c) of this section, the chartered nonpublic school shall not prohibit the student from taking the assessment.

(2) A district board may, for medical reasons or other good cause, excuse a student from taking an assessment administered under this section on the date scheduled, but that assessment shall be administered to the excused student not later than nine days following the scheduled date. The district board shall annually report the number of students who have not taken one or more of the assessments required by this section to the state board not later than the thirtieth day of June.

(3) As used in this division, "limited English proficient student" has the same meaning as in 20 U.S.C. 7801.

No school district board shall excuse any limited English proficient student from taking any particular assessment required to be administered under this section, except as follows:

(a) Any limited English proficient student who has been enrolled in United States schools for less than two years and for whom no appropriate accommodations are available based on guidance issued by the department shall not be required to take the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code.

(b) Any limited English proficient student who has been

enrolled in United States schools for less than one full school 34235  
year shall not be required to take any reading, writing, or 34236  
English language arts assessment. 34237

However, no board shall prohibit a limited English proficient 34238  
student who is not required to take an assessment under division 34239  
(C)(3) of this section from taking the assessment. A board may 34240  
permit any limited English proficient student to take an 34241  
assessment required to be administered under this section with 34242  
appropriate accommodations, as determined by the department. For 34243  
each limited English proficient student, each school district 34244  
shall annually assess that student's progress in learning English, 34245  
in accordance with procedures approved by the department. 34246

(4)(a) The governing authority of a chartered nonpublic 34247  
school may excuse a limited English proficient student from taking 34248  
any assessment administered under this section. 34249

(b) No governing authority shall require a limited English 34250  
proficient student who has been enrolled in United States schools 34251  
for less than two years and for whom no appropriate accommodations 34252  
are available based on guidance issued by the department to take 34253  
the assessment prescribed under division (B)(1) of section 34254  
3301.0712 of the Revised Code. 34255

(c) No governing authority shall prohibit a limited English 34256  
proficient student from taking an assessment from which the 34257  
student was excused under division (C)(4) of this section. 34258

(D)(1) In the school year next succeeding the school year in 34259  
which the assessments prescribed by division (A)(1) or (B)(1) of 34260  
section 3301.0710 of the Revised Code or former division (A)(1), 34261  
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 34262  
existed prior to September 11, 2001, are administered to any 34263  
student, the board of education of any school district in which 34264  
the student is enrolled in that year shall provide to the student 34265

intervention services commensurate with the student's performance, 34266  
including any intensive intervention required under section 34267  
3313.608 of the Revised Code, in any skill in which the student 34268  
failed to demonstrate at least a score at the proficient level on 34269  
the assessment. 34270

(2) Following any administration of the assessments 34271  
prescribed by division (D) of section 3301.0710 of the Revised 34272  
Code to ninth grade students, each school district that has a 34273  
three-year average graduation rate of not more than seventy-five 34274  
per cent shall determine for each high school in the district 34275  
whether the school shall be required to provide intervention 34276  
services to any students who took the assessments. In determining 34277  
which high schools shall provide intervention services based on 34278  
the resources available, the district shall consider each school's 34279  
graduation rate and scores on the practice assessments. The 34280  
district also shall consider the scores received by ninth grade 34281  
students on the English language arts and mathematics assessments 34282  
prescribed under division (A)(1)(f) of section 3301.0710 of the 34283  
Revised Code in the eighth grade in determining which high schools 34284  
shall provide intervention services. 34285

Each high school selected to provide intervention services 34286  
under this division shall provide intervention services to any 34287  
student whose results indicate that the student is failing to make 34288  
satisfactory progress toward being able to attain scores at the 34289  
proficient level on the Ohio graduation tests. Intervention 34290  
services shall be provided in any skill in which a student 34291  
demonstrates unsatisfactory progress and shall be commensurate 34292  
with the student's performance. Schools shall provide the 34293  
intervention services prior to the end of the school year, during 34294  
the summer following the ninth grade, in the next succeeding 34295  
school year, or at any combination of those times. 34296

(E) Except as provided in section 3313.608 of the Revised 34297

Code and division (N) of this section, no school district board of education shall utilize any student's failure to attain a specified score on an assessment administered under this section as a factor in any decision to deny the student promotion to a higher grade level. However, a district board may choose not to promote to the next grade level any student who does not take an assessment administered under this section or make up an assessment as provided by division (C)(2) of this section and who is not exempt from the requirement to take the assessment under division (C)(3) of this section.

(F) No person shall be charged a fee for taking any assessment administered under this section.

(G)(1) Each school district board shall designate one location for the collection of assessments administered in the spring under division (B)(1) of this section and those administered under divisions (B)(2) to (7) of this section. Each district board shall submit the assessments to the entity with which the department contracts for the scoring of the assessments as follows:

(a) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was less than two thousand five hundred, not later than the Friday after all of the assessments have been administered;

(b) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was two thousand five hundred or more, but less than seven thousand, not later than the Monday after all of the assessments have been administered;

(c) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was seven thousand or more, not later than the Tuesday after all of

the assessments have been administered. 34329

However, any assessment that a student takes during the 34330  
make-up period described in division (C)(2) of this section shall 34331  
be submitted not later than the Friday following the day the 34332  
student takes the assessment. 34333

(2) The department or an entity with which the department 34334  
contracts for the scoring of the assessment shall send to each 34335  
school district board a list of the individual scores of all 34336  
persons taking a state achievement assessment as follows: 34337

(a) Except as provided in division (G)(2)(b) or (c) of this 34338  
section, within forty-five days after the administration of the 34339  
assessments prescribed by sections 3301.0710 and 3301.0712 of the 34340  
Revised Code, but in no case shall the scores be returned later 34341  
than the thirtieth day of June following the administration; 34342

(b) In the case of the third-grade English language arts 34343  
assessment, within forty-five days after the administration of 34344  
that assessment, but in no case shall the scores be returned later 34345  
than the fifteenth day of June following the administration; 34346

(c) In the case of the writing component of an assessment or 34347  
end-of-course examination in the area of English language arts, 34348  
except for the third-grade English language arts assessment, the 34349  
results may be sent after forty-five days of the administration of 34350  
the writing component, but in no case shall the scores be returned 34351  
later than the thirtieth day of June following the administration. 34352

(3) For assessments administered under this section by a 34353  
joint vocational school district, the department or entity shall 34354  
also send to each city, local, or exempted village school district 34355  
a list of the individual scores of any students of such city, 34356

(4) A school district, other public school, or chartered 34359

The department of education shall furnish, free of charge, all such assessments regardless of the format selected by the district or school.

(H) Individual scores on any assessments administered under this section shall be released by a district board only in accordance with section 3319.321 of the Revised Code and the rules adopted under division (A) of this section. No district board or its employees shall utilize individual or aggregate results in any manner that conflicts with rules for the ethical use of assessments adopted pursuant to division (A) of this section.

(I) Except as provided in division (G) of this section, the department or an entity with which the department contracts for the scoring of the assessment shall not release any individual scores on any assessment administered under this section. The state board shall adopt rules to ensure the protection of student confidentiality at all times. The rules may require the use of the data verification codes assigned to students pursuant to division (D)(2) of section 3301.0714 of the Revised Code to protect the confidentiality of student scores.

(J) Notwithstanding division (D) of section 3311.52 of the Revised Code, this section does not apply to the board of education of any cooperative education school district except as provided under rules adopted pursuant to this division.

(1) In accordance with rules that the state board shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education

school district established pursuant to divisions (A) to (C) of 34391  
section 3311.52 of the Revised Code may enter into an agreement 34392  
with the board of education of the cooperative education school 34393  
district for administering any assessment prescribed under this 34394  
section to students of the city, exempted village, or local school 34395  
district who are attending school in the cooperative education 34396

(2) In accordance with rules that the state board shall 34398  
adopt, the board of education of any city, exempted village, or 34399  
local school district with territory in a cooperative education 34400  
school district established pursuant to section 3311.521 of the 34401  
Revised Code shall enter into an agreement with the cooperative 34402  
district that provides for the administration of any assessment 34403  
prescribed under this section to both of the following: 34404

(a) Students who are attending school in the cooperative 34405  
district and who, if the cooperative district were not 34406  
established, would be entitled to attend school in the city, 34407  
local, or exempted village school district pursuant to section 34408  
3313.64 or 3313.65 of the Revised Code; 34409

(b) Persons described in division (B)(8)(b) of this section. 34410

Any assessment of students pursuant to such an agreement 34411  
shall be in lieu of any assessment of such students or persons 34412  
pursuant to this section. 34413

(K)(1) Except as otherwise provided in division (K)(1) or (2) 34414  
of this section, each chartered nonpublic school for which at 34415  
least sixty-five per cent of its total enrollment is made up of 34416  
students who are participating in state scholarship programs shall 34417  
administer the elementary assessments prescribed by section 34418  
3301.0710 of the Revised Code. In accordance with procedures and 34419  
deadlines prescribed by the department, the parent or guardian of 34420  
a student enrolled in the school who is not participating in a 34421

state scholarship program may submit notice to the chief 34422  
administrative officer of the school that the parent or guardian 34423  
does not wish to have the student take the elementary assessments 34424  
prescribed for the student's grade level under division (A) of 34425  
section 3301.0710 of the Revised Code. If a parent or guardian 34426  
submits an opt-out notice, the school shall not administer the 34427  
assessments to that student. This option does not apply to any 34428  
assessment required for a high school diploma under section 34429  
3313.612 of the Revised Code. 34430

(2) A chartered nonpublic school may submit to the 34431  
superintendent of public instruction a request for a waiver from 34432  
administering the elementary assessments prescribed by division 34433  
(A) of section 3301.0710 of the Revised Code. The state 34434  
superintendent shall approve or disapprove a request for a waiver 34435  
submitted under division (K)(2) of this section. No waiver shall 34436  
be approved for any school year prior to the 2015-2016 school 34437

To be eligible to submit a request for a waiver, a chartered 34439  
nonpublic school shall meet the following conditions: 34440

the school are children with disabilities, as defined under 34442  
section 3323.01 of the Revised Code, or have received a diagnosis 34443  
by a school district or from a physician, including a 34444  
neuropsychiatrist or psychiatrist, or a psychologist who is 34445  
authorized to practice in this or another state as having a 34446

dyscalculia, attention deficit hyperactivity disorder, or 34448  
Asperger's syndrome. 34449

(b) The school has solely served a student population 34450  
described in division (K)(1)(a) of this section for at least ten 34451  
years. 34452

(c) The school provides to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including diagnostic assessments and nationally standardized norm-referenced achievement assessments that measure reading and math skills.

(3) Any chartered nonpublic school that is not subject to division (K)(1) of this section may participate in the assessment program by administering any of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The chief administrator of the school shall specify which assessments the school will administer. Such specification shall be made in writing to the superintendent of public instruction prior to the first day of August of any school year in which assessments are administered and shall include a pledge that the nonpublic school will administer the specified assessments in the same manner as public schools are required to do under this section and rules adopted by the department.

(4) The department of education shall furnish the assessments prescribed by section 3301.0710 of the Revised Code to each chartered nonpublic school that is subject to division (K)(1) of this section or participates under division (K)(3) of this section.

(L) If a chartered nonpublic school is educating students in grades nine through twelve, the following shall apply:

approved by the department under section 3313.619 of the Revised Code. However, a student who is excused from taking an assessment under division (C) of this section or has presented evidence to the chartered nonpublic school of having satisfied the condition prescribed by division (A)(1) of section 3313.618 of the Revised Code to qualify for a high school diploma prior to the date of the administration of the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code shall not be required to take that assessment. No governing authority of a chartered nonpublic school shall prohibit a student who is not required to take such assessment from taking the assessment.

(2) ~~For~~ Except as provided in division (L)(4) of this section, for a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states, and who is not attending the school under a state scholarship program, the student shall not be required to take any assessment prescribed under section 3301.0712 or 3313.619 of the Revised Code.

(3)(a) Except as provided in ~~division~~ divisions (L)(3)(b) and (4) of this section, for a student who is enrolled in a chartered nonpublic school that is not accredited through the independent schools association of the central states, regardless of whether the student is attending or is not attending the school under a state scholarship program, the student shall do one of the following:

(i) Take all of the assessments prescribed by division (B) of section 3301.0712 of the Revised Code;

(ii) Take only the assessment prescribed by division (B)(1) of section 3301.0712 of the Revised Code, provided that the student's school publishes the results of that assessment for each graduating class. The published results of that assessment shall include the overall composite scores, mean scores, twenty-fifth

percentile scores, and seventy-fifth percentile scores for each 34517  
subject area of the assessment. 34518

(iii) Take an alternative assessment approved by the 34519  
department under section 3313.619 of the Revised Code. 34520

(b) A student who is excused from taking an assessment under 34521  
division (C) of this section or has presented evidence to the 34522  
chartered nonpublic school of having satisfied the condition 34523  
prescribed by division (A)(1) of section 3313.618 of the Revised 34524  
Code to qualify for a high school diploma prior to the date of the 34525  
administration of the assessment prescribed under division (B)(1) 34526  
of section 3301.0712 of the Revised Code shall not be required to 34527  
take that assessment. No governing authority of a chartered 34528  
nonpublic school shall prohibit a student who is not required to 34529  
take such assessment from taking the assessment. 34530

(4) For a student who is enrolled in any chartered nonpublic 34531  
school in which at least seventy-five per cent of the enrolled 34532  
students are children with disabilities receiving special 34533  
education and related services in accordance with Chapter 3323. of 34534  
the Revised Code, the student shall not be required to take any 34535  
assessment prescribed under section 3301.0712 or 3313.619 of the 34536  
Revised Code, provided the student's school submits an alternate 34537  
assessment plan to the department of education, receives approval 34538  
from the department to implement the plan, and implements the 34539  
plan. 34540

Division (L)(4) of this section applies to any student 34541  
attending such school regardless of whether the student receives 34542  
special education and related services and regardless of whether 34543  
the student is attending the school under a state scholarship 34544  
program. The school shall make available to the department any 34545  
applicable internal student data on testing that can be used for 34546  
state accountability purposes. 34547

(M)(1) The superintendent of the state school for the blind 34548  
and the superintendent of the state school for the deaf shall 34549  
administer the assessments described by sections 3301.0710 and 34550  
3301.0712 of the Revised Code. Each superintendent shall 34551  
administer the assessments in the same manner as district boards 34552  
are required to do under this section and rules adopted by the 34553  
department of education and in conformity with division (C)(1)(a) 34554  
of this section. 34555

(2) The department of education shall furnish the assessments 34556  
described by sections 3301.0710 and 3301.0712 of the Revised Code 34557  
to each superintendent. 34558

(N) Notwithstanding division (E) of this section, a school 34559  
district may use a student's failure to attain a score in at least 34560  
the proficient range on the mathematics assessment described by 34561  
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 34562  
an assessment described by division (A)(1)(b), (c), (d), (e), or 34563  
(f) of section 3301.0710 of the Revised Code as a factor in 34564  
retaining that student in the current grade level. 34565

(O)(1) In the manner specified in divisions (O)(3), (4), ~~and~~ 34566  
(6), and (7) of this section, the assessments required by division 34567  
(A)(1) of section 3301.0710 of the Revised Code shall become 34568  
public records pursuant to section 149.43 of the Revised Code on 34569  
the thirty-first day of July following the school year that the 34570  
assessments were administered. 34571

(2) The department may field test proposed questions with 34572  
samples of students to determine the validity, reliability, or 34573  
appropriateness of questions for possible inclusion in a future 34574  
year's assessment. The department also may use anchor questions on 34575  
assessments to ensure that different versions of the same 34576  
assessment are of comparable difficulty. 34577

Field test questions and anchor questions shall not be 34578

considered in computing scores for individual students. Field test questions and anchor questions may be included as part of the administration of any assessment required by division (A)(1) or (B) of section 3301.0710 and division (B) of section 3301.0712 of the Revised Code.

(3) Any field test question or anchor question administered under division (O)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any assessments which are released as a public record pursuant to division (O)(1) of this section.

(4) This division applies to the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each assessment, as specified in former section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each assessment prior to the 2011-2012 school year, not less than forty per cent of the questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public

record. 34610

(5) Each assessment prescribed by division (B)(1) of section 34611  
3301.0710 of the Revised Code shall not be a public record. 34612

(6) ~~Beginning with the spring administration for~~ (a) Except 34613  
as provided in division (O)(6)(b) of this section, for the 34614  
administrations in the 2014-2015, 2015-2016, and 2016-2017 school 34615  
year years, questions on the assessments prescribed under division 34616  
(A) of section 3301.0710 and division (B)(2) of section 3301.0712 34617  
of the Revised Code and the corresponding preferred answers that 34618  
are used to compute a student's score shall become a public record 34619  
as follows: 34620

~~(a)(i)~~ (i) Forty per cent of the questions and preferred answers 34621  
on the assessments on the thirty-first day of July following the 34622  
administration of the assessment; 34623

~~(b)(ii)~~ (ii) Twenty per cent of the questions and preferred 34624  
answers on the assessment on the thirty-first day of July one year 34625  
after the administration of the assessment; 34626

~~(c)(iii)~~ (iii) The remaining forty per cent of the questions and 34627  
preferred answers on the assessment on the thirty-first day of 34628  
July two years after the administration of the assessment. 34629

The entire content of an assessment shall become a public 34630  
record within three years of its administration. 34631

The department shall make the questions that become a public 34632  
record under this division readily accessible to the public on the 34633  
department's web site. Questions on the spring administration of 34634  
each assessment shall be released on an annual basis, in 34635  
accordance with this division. 34636

(b) No questions and corresponding preferred answers shall 34637  
become a public record under division (O)(6) of this section after 34638  
July 31, 2017. 34639

(7) Division (O)(7) of this section applies to the 34640  
assessments prescribed by division (A) of section 3301.0710 and 34641  
division (B)(2) of section 3301.0712 of the Revised Code. 34642

Beginning with the assessments administered in the spring of 34643  
the 2017-2018 school year, not less than forty per cent of the 34644  
questions on each assessment that are used to compute a student's 34645  
score shall be a public record. The department shall determine 34646  
which questions will be needed for reuse on a future assessment 34647  
and those questions shall not be public records and shall be 34648  
redacted from the assessment prior to its release as a public 34649  
record. However, for each redacted question, the department shall 34650  
inform each city, local, and exempted village school district of 34651  
the corresponding statewide academic standard adopted by the state 34652  
board under section 3301.079 of the Revised Code and the 34653  
corresponding benchmark to which the question relates. The 34654  
department is not required to provide corresponding standards and 34655  
benchmarks to field test questions that are redacted under 34656  
division (O)(3) of this section. 34657

(P) As used in this section: 34658

(1) "Three-year average" means the average of the most recent 34659  
consecutive three school years of data. 34660

(2) "Dropout" means a student who withdraws from school 34661  
before completing course requirements for graduation and who is 34662  
not enrolled in an education program approved by the state board 34663

years earlier. Students who transfer into the district are added 34668  
to the calculation. Students who transfer out of the district for 34669  
reasons other than dropout are subtracted from the calculation. If 34670

a student who was a dropout in any previous year returns to the 34671  
same school district, that student shall be entered into the 34672  
calculation as if the student had entered ninth grade four years 34673  
before the graduation year of the graduating class that the 34674  
student joins. 34675

(4) "State scholarship programs" means the educational choice 34676  
scholarship pilot program established under sections 3310.01 to 34677  
3310.17 of the Revised Code, the autism scholarship program 34678  
established under section 3310.41 of the Revised Code, the Jon 34679  
Peterson special needs scholarship program established under 34680  
sections 3310.51 to 3310.64 of the Revised Code, and the pilot 34681

Chapter 3326., or a college-preparatory boarding school 34686  
established under Chapter 3328. of the Revised Code. 34687

**Sec. 3301.0712.** (A) The state board of education, the 34688  
superintendent of public instruction, and the chancellor of higher 34689  
education shall develop a system of college and work ready 34690  
assessments as described in division (B) of this section to assess 34691  
whether each student upon graduating from high school is ready to 34692  
enter college or the workforce. Beginning with students who enter 34693  
the ninth grade for the first time on or after July 1, 2014, the 34694  
system shall replace the Ohio graduation tests prescribed in 34695  
division (B)(1) of section 3301.0710 of the Revised Code as a 34696  
measure of student academic performance and one determinant of 34697  
eligibility for a high school diploma in the manner prescribed by 34698  
rule of the state board adopted under division (D) of this 34699  
section. 34700

(B) The college and work ready assessment system shall 34701

and career readiness and are used for college admission. The 34704  
assessments shall be selected jointly by the state superintendent 34705  
and the chancellor, and one of which shall be selected by each 34706  
school district or school to administer to its students. The 34707  
assessments prescribed under division (B)(1) of this section shall 34708  
be administered to all eleventh-grade students in the spring of 34709  
the school year. 34710

(2) Seven end-of-course examinations, one in each of the 34711  
areas of English language arts I, English language arts II, 34712  
science, Algebra I, geometry, American history, and American 34713  
government. The end-of-course examinations shall be selected 34714  
jointly by the state superintendent and the chancellor in 34715  
consultation with faculty in the appropriate subject areas at 34716  
institutions of higher education of the university system of Ohio. 34717  
Advanced placement examinations and international baccalaureate 34718  
examinations, as prescribed under section 3313.6013 of the Revised 34719  
Code, in the areas of science, American history, and American 34720  
government may be used as end-of-course examinations in accordance 34721  
with division (B)(4)(a)(i) of this section. Final course grades 34722

used in lieu of end-of-course examinations in accordance with 34726  
division (B)(4)(a)(ii) of this section. 34727

(3)(a) Not later than July 1, 2013, each school district 34728  
board of education shall adopt interim end-of-course examinations 34729  
that comply with the requirements of divisions (B)(3)(b)(i) and 34730  
(ii) of this section to assess mastery of American history and 34731  
American government standards adopted under division (A)(1)(b) of 34732  
section 3301.079 of the Revised Code and the topics required under 34733

division (M) of section 3313.603 of the Revised Code. Each high 34734  
school of the district shall use the interim examinations until 34735  
the state superintendent and chancellor select end-of-course 34736  
examinations in American history and American government under 34737  
division (B)(2) of this section. 34738

(b) Not later than July 1, 2014, the state superintendent and 34739  
the chancellor shall select the end-of-course examinations in 34740  
American history and American government. 34741

(i) The end-of-course examinations in American history and 34742  
American government shall require demonstration of mastery of the 34743  
American history and American government content for social 34744  
studies standards adopted under division (A)(1)(b) of section 34745

division (M) of section 3313.603 of the Revised Code. 34747

(ii) At least twenty per cent of the end-of-course 34748  
examination in American government shall address the topics on 34749  
American history and American government described in division (M) 34750  
of section 3313.603 of the Revised Code. 34751

(4)(a) Notwithstanding anything to the contrary in this 34752  
section, beginning with the 2014-2015 school year, both of the 34753  
following shall apply: 34754

(i) If a student is enrolled in an appropriate advanced 34755  
placement or international baccalaureate course, that student 34756  
shall take the advanced placement or international baccalaureate 34757  
examination in lieu of the science, American history, or American 34758  
government end-of-course examinations prescribed under division 34759  
(B)(2) of this section. The state board shall specify the score 34760  
levels for each advanced placement examination and international 34761  
baccalaureate examination for purposes of calculating the minimum 34762  
cumulative performance score that demonstrates the level of 34763  
academic achievement necessary to earn a high school diploma. 34764

(ii) If a student is enrolled in an appropriate course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, that student shall not be required to take the science, American history, or American government end-of-course examination, whichever is applicable, prescribed under division (B)(2) of this section. Instead, that student's final course grade shall be used in lieu of the applicable end-of-course examination prescribed under that section. The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades that demonstrate the level of academic achievement necessary to earn a high school diploma.

Division (B)(4)(a)(ii) of this section shall apply only to courses for which students receive transcribed credit, as defined in ~~division (U)~~ of section 3365.01 of the Revised Code. It shall not apply to remedial or developmental courses.

(b) No student shall take a substitute examination or examination prescribed under division (B)(4)(a) of this section in place of the end-of-course examinations in English language arts I, English language arts II, Algebra I, or geometry prescribed under division (B)(2) of this section.

(c) The state board shall consider additional assessments that may be used, beginning with the 2016-2017 school year, as substitute examinations in lieu of the end-of-course examinations prescribed under division (B)(2) of this section.

(5) The state board shall do all of the following:

(a) Determine and designate at least five ranges of scores on each of the end-of-course examinations prescribed under division (B)(2) of this section, and substitute examinations prescribed under division (B)(4) of this section. Each range of scores shall be considered to demonstrate a level of achievement so that any

student attaining a score within such range has achieved one of	34796
the following:	34797
(i) An advanced level of skill;	34798
(ii) An accelerated level of skill;	34799

end-of-course examinations or substitute examinations;	34805
(c) Determine the minimum cumulative performance score that	34806
demonstrates the level of academic achievement necessary to earn a	34807
high school diploma;	34808
(d) Develop a table of corresponding score equivalents for	34809
the end-of-course examinations and substitute examinations in	34810
order to calculate student performance consistently across the	34811
different examinations.	34812
A score of two on an advanced placement examination or a	34813
score of two or three on an international baccalaureate	34814
examination shall be considered equivalent to a proficient level	34815
of skill as specified under division (B)(5)(a)(iii) of this	34816
section.	34817
(6)(a) A student who meets both of the following conditions	34818
shall not be required to take an end-of-course examination:	34819

prior to July 1, 2015.	34824

Receipt of credit for the course described in division 34825  
(B)(6)(a)(i) of this section shall satisfy the requirement to take 34826  
the end-of-course examination. A student exempted under division 34827  
(B)(6)(a) of this section may take the applicable end-of-course 34828  
examination at a later date. 34829

(b) For purposes of determining whether a student who is 34830  
exempt from taking an end-of-course examination under division 34831  
(B)(6)(a) of this section has attained the cumulative score 34832  
prescribed by division (B)(5)(c) of this section, such student 34833  
shall select either of the following: 34834

(i) The student is considered to have attained a proficient 34835

exempt; 34837

(ii) The student's final course grade shall be used in lieu 34838  
of a score on the end-of-course examination from which the student 34839  
is exempt. 34840

The state superintendent, in consultation with the 34841  
chancellor, shall adopt guidelines for purposes of calculating the 34842  
corresponding final course grades and the minimum cumulative 34843  
performance score that demonstrates the level of academic 34844  
achievement necessary to earn a high school diploma. 34845

(7)(a) Notwithstanding anything to the contrary in this 34846  
section, the state board may replace the algebra I end-of-course 34847  
examination prescribed under division (B)(2) of this section with 34848  
an algebra II end-of-course examination, beginning with the 34849  
2016-2017 school year for students who enter ninth grade on or 34850  
after July 1, 2016. 34851

(b) If the state board replaces the algebra I end-of-course 34852  
examination with an algebra II end-of-course examination as 34853  
authorized under division (B)(7)(a) of this section, both of the 34854  
following shall apply: 34855

(i) A student who is enrolled in an advanced placement or international baccalaureate course in algebra II shall take the advanced placement or international baccalaureate examination in lieu of the algebra II end-of-course examination.

(ii) A student who is enrolled in an algebra II course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, shall not be required to take the algebra II end-of-course examination. examination in science for students who entered the ninth grade 34887  
for the first time on or after July 1, 2014, but prior to July 1, 34888  
2015, and who have not met the requirement prescribed by section 34889  
3313.618 of the Revised Code by July 1, 2019, due to a student's 34890  
failure to satisfy division (A)(2) of section 3313.618 of the 34891  
Revised Code. 34892

(9) Neither the state board nor the department of education 34893  
shall develop or administer an end-of-course examination in the 34894  
area of world history. 34895

(C) The state board shall convene a group of national 34896

guidance, and recommendations for the alignment of standards and 34898  
model curricula to the assessments and in the design of the 34899  
end-of-course examinations prescribed by this section. 34900

(D) Upon completion of the development of the assessment 34901  
system, the state board shall adopt rules prescribing all of the 34902

adoption of a resolution directing the department to file the 34927  
rules prescribed by division (D) of this section in final form 34928  
under section 119.04 of the Revised Code, the superintendent of 34929

exempt a school district from administering the assessments 34952  
prescribed in division (B) of this section to that student. 34953

in division (D)(2)(b)(ii) of this section, at no time shall the 35221  
state board or the department have access to information that 35222  
would enable any data verification code to be matched to 35223  
personally identifiable student data. 35224

community schools under division (C) of section 3314.08 of the 35226

would enable any data verification code to be matched to 35228  
personally identifiable student data. 35229

~~(b)~~(c) Each school district and community school shall ensure 35230  
that the data verification code is included in the student's 35231

section 3345.011 of the Revised Code, in which the student 35234

(E) The guidelines adopted under this section may require 35245  
school districts to collect and report data, information, or 35246  
reports other than that described in divisions (A), (B), and (C) 35247  
of this section for the purpose of complying with other reporting 35248  
requirements established in the Revised Code. The other data, 35249

as part of the profile formats required under division (G) of this 35252  
section or the annual statewide report required under division (H) 35253  
of this section. 35254

(F) Beginning with the school year that begins July 1, 1991, 35255

to the general public at each school district's offices. Each 35289  
district board of education shall make copies of each report 35290  
available to any person upon request and payment of a reasonable 35291  
fee for the cost of reproducing the report. The board shall 35292  
annually publish in a newspaper of general circulation in the 35293  
school district, at least twice during the two weeks prior to the 35294

sequential actions: 35329

(a) Notify the district in writing that the department has 35330  
determined that data has not been reported as required under this 35331  
section and require the district to review its data submission and 35332

The department also may require the district to develop a 35334

require the district to develop a corrective action plan in 35341  
accordance with that division; 35342

(c) Withhold an additional amount of up to twenty per cent of 35343  
the total amount of state funds due to the district for the 35344  
current fiscal year; 35345

(d) Direct department staff or an outside entity to 35346

(vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the district has been sanctioned for failing to report data as required by this section;	35362 35363 35364 35365
(viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data submitted by the district likely caused the district to receive a higher performance rating than it deserved under that section, issue a revised report card for the district;	35366 35367 35368 35369 35370
(ix) Any other action designed to correct the district's data reporting problems.	35371 35372

shall not release the funds withheld under division (L)(2)(b) or 35389  
(c) of this section. 35390

(5) Notwithstanding anything in this section to the contrary, 35391  
the department may use its own staff or an outside entity to 35392  
conduct an audit of a school district's data reporting practices 35393  
any time the department has reason to believe the district has not 35394  
made a good faith effort to report data as required by this 35395  
section. If any audit conducted by an outside entity under 35396  
division (L)(2)(d)(i) or (5) of this section confirms that a 35397  
district has not made a good faith effort to report data as 35398  
required by this section, the district shall reimburse the 35399  
department for the full cost of the audit. The department may 35400  
withhold state funds due to the district for this purpose. 35401

(6) Prior to issuing a revised report card for a school 35402  
district under division (L)(2)(d)(viii) of this section, the 35403  
department may hold a hearing to provide the district with an 35404  
opportunity to demonstrate that it made a good faith effort to 35405  
report data as required by this section. The hearing shall be 35406  
conducted by a referee appointed by the department. Based on the 35407  
information provided in the hearing, the referee shall recommend 35408  
whether the department should issue a revised report card for the 35409  
district. If the referee affirms the department's contention that 35410  
the district did not make a good faith effort to report data as 35411  
required by this section, the district shall bear the full cost of 35412  
conducting the hearing and of issuing any revised report card. 35413

(7) If the department determines that any inaccurate data 35414  
reported under this section caused a school district to receive 35415  
excess state funds in any fiscal year, the district shall 35416  
reimburse the department an amount equal to the excess funds, in 35417  
accordance with a payment schedule determined by the department. 35418

The department may withhold state funds due to the district for 35419  
this purpose. 35420

(8) Any school district that has funds withheld under 35421  
division (L)(2) of this section may appeal the withholding in 35422  
accordance with Chapter 119. of the Revised Code. 35423

(9) In all cases of a disagreement between the department and 35424  
a school district regarding the appropriateness of an action taken 35425  
under division (L)(2) of this section, the burden of proof shall 35426  
be on the district to demonstrate that it made a good faith effort 35427  
to report data as required by this section. 35428

(10) The state board of education shall adopt rules under 35429  
Chapter 119. of the Revised Code to implement division (L) of this 35430  
section. 35431

(M) No information technology center or school district shall 35432  
acquire, change, or update its student administration software 35433  
package to manage and report data required to be reported to the 35434  
department unless it converts to a student software package that 35435  
is certified by the department. 35436

(N) The state board of education, in accordance with sections 35437  
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 35438  
license as defined under division (A) of section 3319.31 of the 35439  
Revised Code that has been issued to any school district employee 35440  
found to have willfully reported erroneous, inaccurate, or 35441  
incomplete data to the education management information system. 35442

(O) No person shall release or maintain any information about 35443  
any student in violation of this section. Whoever violates this 35444  
division is guilty of a misdemeanor of the fourth degree. 35445

(P) The department shall disaggregate the data collected 35446  
under division (B)(1)(n) of this section according to the race and 35447  
socioeconomic status of the students assessed. 35448

(Q) If the department cannot compile any of the information 35449  
required by division (H) of section 3302.03 of the Revised Code 35450  
based upon the data collected under this section, the department 35451  
shall develop a plan and a reasonable timeline for the collection 35452  
of any data necessary to comply with that division. 35453

**Sec. 3301.0715.** (A) Except as required under division (B)(1) 35454  
of section 3313.608 or as specified in division (D)(3) of section 35455  
3301.079 of the Revised Code, the board of education of each city, 35456  
local, and exempted village school district shall administer each 35457  
applicable diagnostic assessment developed and provided to the 35458  
district in accordance with section 3301.079 of the Revised Code 35459  
to the following: 35460

(1) Any student who transfers into the district or to a 35461  
different school within the district if each applicable diagnostic 35462  
assessment was not administered by the district or school the 35463  
student previously attended in the current school year, within 35464  
thirty days after the date of transfer. If the district or school 35465  
into which the student transfers cannot determine whether the 35466  
student has taken any applicable diagnostic assessment in the 35467  
current school year, the district or school may administer the 35468  
diagnostic assessment to the student. However, if a student 35469  
transfers into the district prior to the administration of the 35470  
diagnostic assessments to all students under division (B) of this 35471  
section, the district may administer the diagnostic assessments to 35472  
that student on the date or dates determined under that division. 35473

district shall administer the kindergarten readiness assessment 35480  
provided by the department of education. In no case shall the 35481  
results of the readiness assessment be used to prohibit a student 35482  
from enrolling in kindergarten. 35483

(3) Each student enrolled in first, second, or third grade. 35484

Division (A) of this section does not apply to students with 35485  
significant cognitive disabilities, as defined by the department 35486

(B) Each district board shall administer each diagnostic 35488  
assessment when the board deems appropriate, provided the 35489  
administration complies with section 3313.608 of the Revised Code. 35490  
However, the board shall administer any diagnostic assessment at 35491  
least once annually to all students in the appropriate grade 35492  
level. A district board may administer any diagnostic assessment 35493  
in the fall and spring of a school year to measure the amount of 35494  
academic growth attributable to the instruction received by 35495  
students during that school year. 35496

(C) Any district that received a grade of "A" or "B" for the 35497  
performance index score under division (A)(1)(b), (B)(1)(b), or 35498  
(C)(1)(b) of section 3302.03 of the Revised Code or for the 35499  
value-added progress dimension under division (A)(1)(e), 35500

assessments from those adopted under division (D) of section 35503  
3301.079 of the Revised Code in order to satisfy the requirements 35504  
of division (A)(3) of this section. 35505

(D) Each district board shall utilize and score any 35506  
diagnostic assessment administered under division (A) of this 35507  
section in accordance with rules established by the department. 35508  
After the administration of any diagnostic assessment, each 35509  
district shall provide a student's completed diagnostic 35510

assessment, the results of such assessment, and any other 35511  
accompanying documents used during the administration of the 35512  
assessment to the parent of that student, and shall include all 35513  
such documents and information in any plan developed for the 35514  
student under division (C) of section 3313.608 of the Revised 35515  
Code. Each district shall submit to the department, in the manner 35516  
the department prescribes, the results of the diagnostic 35517  
assessments administered under this section, regardless of the 35518  
type of assessment used under section 3313.608 of the Revised 35519  
Code. The department may issue reports with respect to the data 35520  
collected. The department may report school and district level 35521  
kindergarten diagnostic assessment data and use diagnostic 35522  
assessment data to calculate the measure prescribed by divisions 35523  
(B)(1)(g) and (C)(1)(g) of section 3302.03 of the Revised Code. 35524

(E) Each district board shall provide intervention services 35525  
to students whose diagnostic assessments show that they are 35526  
failing to make satisfactory progress toward attaining the 35527  
academic standards for their grade level. 35528

(F) Beginning in the 2018-2019 school year, any chartered 35529  
nonpublic school may elect to administer the kindergarten 35530  
readiness assessment to all kindergarten students enrolled in the 35531  
school. If the school so elects, the chief administrator of the 35532  
school shall notify the superintendent of public instruction not 35533  
later than the thirty-first day of March prior to any school year 35534  
in which the school will administer the assessment. The department 35535  
shall furnish the assessment to the school at no cost to the 35536  
school. In administering the assessment, the school shall do all 35537  
of the following: 35538

(1) Enter into a written agreement with the department 35539  
specifying that the school will share each participating student's 35540  
assessment data with the department and, that for the purpose of 35541  
reporting the data to the department, each participating student 35542

will be assigned a data verification code as described in division 35543  
(D)(2) of section 3301.0714 of the Revised Code; 35544

(2) Require the assessment to be administered by a teacher 35545  
certified under section 3301.071 of the Revised Code who either 35546  
has completed training on administering the kindergarten readiness 35547  
assessment provided by the department or has been trained by 35548  
another person who has completed such training; 35549

(3) Administer the assessment in the same manner as school 35550  
districts are required to do under this section and the rules 35551  
established under division (D) of this section. 35552

**Sec. 3301.16.** Pursuant to standards prescribed by the state 35553  
board of education as provided in division (D) of section 3301.07 35554  
of the Revised Code, the state board shall classify and charter 35555  
school districts and individual schools within each district 35556  
except that no charter shall be granted to a nonpublic school 35557  
unless the school complies with divisions (K)(1) and (L) of 35558  
section 3301.0711, as applicable, and ~~section~~ sections 3301.164 35559  
and 3313.612 of the Revised Code. 35560

district created under section 3311.26 or 3311.38 of the Revised 35562  
Code, the state board shall require the party proposing creation 35563  
of the district to submit to the board a map, certified by the 35564  
county auditor of the county in which the proposed new district is 35565  
located, showing the boundaries of the proposed new district. In 35566  
the case of a proposed new district located in more than one 35567  
county, the map shall be certified by the county auditor of each 35568  
county in which the proposed district is located. 35569

The state board shall revoke the charter of any school 35570  
district or school which fails to meet the standards for 35571  
elementary and high schools as prescribed by the board. The state 35572

(d) The four- and five-year adjusted cohort graduation rates;

(e) The overall score under the value-added progress dimension, or another measure of student academic progress if adopted by the state board, of a school district or building, for which the department shall use up to three years of value-added data as available.

In adopting benchmarks for assigning letter grades for overall score on value-added progress dimension under division (C)(1)(e) of this section, the state board shall prohibit the assigning of a grade of "A" for that measure unless the district's or building's grade assigned for value-added progress dimension for all subgroups under division (C)(1)(f) of this section is a "B" or higher.

For the metric prescribed by division (C)(1)(e) of this section, the state board may adopt a student academic progress measure to be used instead of the value-added progress dimension. If the state board adopts such a measure, it also shall prescribe a method for assigning letter grades for the new measure that is comparable to the method prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score of a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324.

of the Revised Code, students with disabilities, and students 36007  
whose performance places them in the lowest quintile for 36008  
achievement on a statewide basis, as determined by a method 36009  
prescribed by the state board. Each subgroup shall be a separate 36010  
graded measure. 36011

The state board may adopt student academic progress measures 36012  
to be used instead of the value-added progress dimension. If the 36013  
state board adopts such measures, it also shall prescribe a method 36014  
for assigning letter grades for the new measures that is 36015  
comparable to the method prescribed in division (A)(1)(e) of this 36016  
section. 36017

(g) Whether a school district or building is making progress 36018  
in improving literacy in grades kindergarten through three, as 36019  
determined using a method prescribed by the state board. The state 36020  
board shall adopt rules to prescribe benchmarks and standards for 36021  
assigning grades to a district or building for purposes of 36022  
division (C)(1)(g) of this section. The state board shall 36023  
designate for a "C" grade a value that is not lower than the 36024  
statewide average value for this measure. No grade shall be issued 36025  
under division (C)(1)(g) of this section for a district or 36026  
building in which less than five per cent of students have scored 36027  
below grade level on the kindergarten diagnostic assessment under 36028  
division (B)(1) of section 3313.608 of the Revised Code. 36029

(h) For a high mobility school district or building, an 36030  
additional value-added progress dimension score. For this measure, 36031  
the department shall use value-added data from the most recent 36032  
school year available and shall use assessment scores for only 36033  
those students to whom the district or building has administered 36034  
the assessments prescribed by section 3301.0710 of the Revised 36035  
Code for each of the two most recent consecutive school years. 36036

As used in this division, "high mobility school district or 36037  
building" means a school district or building where at least 36038

twenty-five per cent of its total enrollment is made up of 36039  
students who have attended that school district or building for 36040  
less than one year. 36041

(2) In addition to the graded measures in division (C)(1) of 36042  
this section, the department shall include on a school district's 36043  
or building's report card all of the following without an assigned 36044  
letter grade: 36045

(a) The percentage of students enrolled in a district or 36046  
building who have taken a national standardized test used for 36047  
college admission determinations and the percentage of those 36048  
students who are determined to be remediation-free in accordance 36049  
with the standards adopted under division (F) of section 3345.061 36050  
of the Revised Code; 36051

(b) The percentage of students enrolled in a district or 36052  
building participating in advanced placement classes and the 36053  
percentage of those students who received a score of three or 36054  
better on advanced placement examinations; 36055

(c) The percentage of a district's or building's students who 36056  
have earned at least three college credits through advanced 36057  
standing programs, such as the college credit plus program under 36058  
Chapter 3365. of the Revised Code and state-approved 36059  
career-technical courses offered through dual enrollment or 36060  
statewide articulation, that appear on a student's college 36061  
transcript issued by the institution of higher education from 36062  
which the student earned the college credit. The credits earned 36063  
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 36064  
section shall not include any that are remedial or developmental 36065  
and shall include those that count toward the curriculum 36066  
requirements established for completion of a degree. 36067

(d) The percentage of the district's or building's students 36068  
who receive an honor's diploma under division (B) of section 36069

3313.61 of the Revised Code;	36070
(e) The percentage of the district's or building's students who receive industry-recognized credentials <u>as approved under</u> <u>section 3313.6113 of the Revised Code</u> ;	36071 36072 36073
(f) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations;	36074 36075 36076 36077
(g) The results of the college and career-ready assessments administered under division (B)(1) of section 3301.0712 of the Revised Code.	36078 36079 36080
(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2017-2018 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) of this section into the following components:	36081 36082 36083 36084 36085 36086
(a) Gap closing, which shall include the performance measure in division (C)(1)(a) of this section;	36087 36088
(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;	36089 36090
(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (f) of this section;	36091 36092
(d) Graduation, which shall include the performance measure in division (C)(1)(d) of this section;	36093 36094
(e) Kindergarten through third-grade literacy, which shall include the performance measure in division (C)(1)(g) of this section;	36095 36096 36097
(f) Prepared for success, which shall include the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of	36098 36099

this section. The state board shall develop a method to determine 36100  
a grade for the component in division (C)(3)(f) of this section 36101  
using the performance measures in divisions (C)(2)(a), (b), (c), 36102  
(d), (e), and (f) of this section. When available, the state board 36103  
may incorporate the performance measure under division (C)(2)(g) 36104  
of this section into the component under division (C)(3)(f) of 36105  
this section. When determining the overall grade for the prepared 36106  
for success component prescribed by division (C)(3)(f) of this 36107  
section, no individual student shall be counted in more than one 36108  
performance measure. However, if a student qualifies for more than 36109  
one performance measure in the component, the state board may, in 36110  
its method to determine a grade for the component, specify an 36111  
additional weight for such a student that is not greater than or 36112  
equal to 1.0. In determining the overall score under division 36113  
(C)(3)(f) of this section, the state board shall ensure that the 36114  
pool of students included in the performance measures aggregated 36115  
under that division are all of the students included in the four- 36116  
and five-year adjusted graduation cohort. 36117

In the rules adopted under division (C)(3) of this section, 36118  
the state board shall adopt a method for determining a grade for 36119  
each component in divisions (C)(3)(a) to (f) of this section. The 36120  
state board also shall establish a method to assign an overall 36121  
grade of "A," "B," "C," "D," or "F" using the grades assigned for 36122  
each component. The method the state board adopts for assigning an 36123  
overall grade shall give equal weight to the components in 36124  
divisions (C)(3)(b) and (c) of this section. 36125

At least forty-five days prior to the state board's adoption 36126  
of rules to prescribe the methods for calculating the overall 36127  
grade for the report card, as required by this division, the 36128  
department shall conduct a public presentation before the standing 36129  
committees of the house of representatives and the senate that 36130  
consider education legislation describing the format for the 36131

report card, weights that will be assigned to the components of 36132  
the overall grade, and the method for calculating the overall 36133  
grade. 36134

(D) On or after ~~than~~ July 1, 2015, the state board may 36135  
develop a measure of student academic progress for high school 36136  
students using only data from assessments in English language arts 36137  
and mathematics. If the state board develops this measure, each 36138  
school district and applicable school building shall be assigned a 36139  
separate letter grade for ~~if it~~ not sooner than the 2017-2018 36140  
school year. The district's or building's grade for that measure 36141  
shall not be included in determining the district's or building's 36142  
overall letter grade. 36143

(E) The letter grades assigned to a school district or 36144  
building under this section shall be as follows: 36145

(1) "A" for a district or school making excellent progress; 36146

(2) "B" for a district or school making above average 36147  
progress; 36148

(3) "C" for a district or school making average progress; 36149

(4) "D" for a district or school making below average 36150  
progress; 36151

(5) "F" for a district or school failing to meet minimum 36152  
progress. 36153

(F) When reporting data on student achievement and progress, 36154  
the department shall disaggregate that data according to the 36155  
following categories: 36156

(1) Performance of students by grade-level; 36157

(2) Performance of students by race and ethnic group; 36158

(3) Performance of students by gender; 36159

(4) Performance of students grouped by those who have been 36160

enrolled in a district or school for three or more years;	36161
(5) Performance of students grouped by those who have been	36162
enrolled in a district or school for more than one year and less	36163
than three years;	36164
(6) Performance of students grouped by those who have been	36165
enrolled in a district or school for one year or less;	36166
(7) Performance of students grouped by those who are	36167
economically disadvantaged;	36168
(8) Performance of students grouped by those who are enrolled	36169
in a conversion community school established under Chapter 3314.	36170
of the Revised Code;	36171
(9) Performance of students grouped by those who are	36172
classified as limited English proficient;	36173
(10) Performance of students grouped by those who have	36174
disabilities;	36175
(11) Performance of students grouped by those who are	36176
classified as migrants;	36177
(12) Performance of students grouped by those who are	36178
identified as gifted in superior cognitive ability and the	36179
specific academic ability fields of reading and math pursuant to	36180
Chapter 3324. of the Revised Code. In disaggregating specific	36181
academic ability fields for gifted students, the department shall	36182
use data for those students with specific academic ability in math	36183
and reading. If any other academic field is assessed, the	36184
department shall also include data for students with specific	36185
academic ability in that field as well.	36186
(13) Performance of students grouped by those who perform in	36187
the lowest quintile for achievement on a statewide basis, as	36188
determined by a method prescribed by the state board.	36189
The department may disaggregate data on student performance	36190

according to other categories that the department determines are 36191  
appropriate. To the extent possible, the department shall 36192  
disaggregate data on student performance according to any 36193  
combinations of two or more of the categories listed in divisions 36194  
(F)(1) to (13) of this section that it deems relevant. 36195

In reporting data pursuant to division (F) of this section, 36196  
the department shall not include in the report cards any data 36197  
statistical in nature that is statistically unreliable or that 36198  
could result in the identification of individual students. For 36199  
this purpose, the department shall not report student performance 36200  
data for any group identified in division (F) of this section that 36201  
contains less than ten students. If the department does not report 36202  
student performance data for a group because it contains less than 36203  
ten students, the department shall indicate on the report card 36204  
that is why data was not reported. 36205

(G) The department may include with the report cards any 36206  
additional education and fiscal performance data it deems 36207  
valuable. 36208

(H) The department shall include on each report card a list 36209  
of additional information collected by the department that is 36210  
available regarding the district or building for which the report 36211  
card is issued. When available, such additional information shall 36212  
include student mobility data disaggregated by race and 36213  
socioeconomic status, college enrollment data, and the reports 36214  
prepared under section 3302.031 of the Revised Code. 36215

The department shall maintain a site on the world wide web. 36216  
The report card shall include the address of the site and shall 36217  
specify that such additional information is available to the 36218  
public at that site. The department shall also provide a copy of 36219  
each item on the list to the superintendent of each school 36220  
district. The district superintendent shall provide a copy of any 36221  
item on the list to anyone who requests it. 36222

(I)(1)(a) Except as provided in division (I)(1)(b) of this section, for any district that sponsors a conversion community school under Chapter 3314. of the Revised Code, the department shall combine data regarding the academic performance of students enrolled in the community school with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the report card issued for the district under this section or section 3302.033 of the Revised Code.

(b) The department shall not combine data from any conversion community school that a district sponsors if a majority of the students enrolled in the conversion community school are enrolled in a dropout prevention and recovery program that is operated by the school, as described in division (A)(4)(a) of section 3314.35 of the Revised Code. The department shall include as an addendum to the district's report card the ratings and performance measures that are required under section 3314.017 of the Revised Code for any community school to which division (I)(1)(b) of this section applies. This addendum shall include, at a minimum, the data specified in divisions (C)(1)(a), (C)(2), and (C)(3) of section 3314.017 of the Revised Code.

(2) Any district that leases a building to a community school located in the district or that enters into an agreement with a community school located in the district whereby the district and the school endorse each other's programs may elect to have data regarding the academic performance of students enrolled in the community school combined with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the district report card. Any district that so elects shall annually file a copy of the lease or agreement with the department.

(3) Any municipal school district, as defined in section

3311.71 of the Revised Code, that sponsors a community school 36255  
located within the district's territory, or that enters into an 36256  
agreement with a community school located within the district's 36257  
territory whereby the district and the community school endorse 36258  
each other's programs, may exercise either or both of the 36259  
following elections: 36260

(a) To have data regarding the academic performance of 36261  
students enrolled in that community school combined with 36262  
comparable data from the schools of the district for the purpose 36263  
of determining the performance of the district as a whole on the 36264  
district's report card; 36265

(b) To have the number of students attending that community 36266  
school noted separately on the district's report card. 36267

The election authorized under division (I)(3)(a) of this 36268  
section is subject to approval by the governing authority of the 36269  
community school. 36270

Any municipal school district that exercises an election to 36271  
combine or include data under division (I)(3) of this section, by 36272  
the first day of October of each year, shall file with the 36273  
department documentation indicating eligibility for that election, 36274  
as required by the department. 36275

(J) The department shall include on each report card the 36276  
percentage of teachers in the district or building who are highly 36277  
qualified, as defined by the No Child Left Behind Act of 2001, and 36278  
a comparison of that percentage with the percentages of such 36279  
teachers in similar districts and buildings. 36280

(K)(1) In calculating English language arts, mathematics, 36281  
~~social studies~~, or science assessment passage rates used to 36282  
determine school district or building performance under this 36283  
section, the department shall include all students taking an 36284  
assessment with accommodation or to whom an alternate assessment 36285

is administered pursuant to division (C)(1) or (3) of section 3301.0711 of the Revised Code. 36286  
36287

(2) In calculating performance index scores, rates of achievement on the performance indicators established by the state board under section 3302.02 of the Revised Code, and annual measurable objectives for determining adequate yearly progress for school districts and buildings under this section, the department shall do all of the following: 36288  
36289  
36290  
36291  
36292  
36293

(a) Include for each district or building only those students who are included in the ADM certified for the first full school week of October and are continuously enrolled in the district or building through the time of the spring administration of any assessment prescribed by division (A)(1) or (B)(1) of section 3301.0710 or division (B) of section 3301.0712 of the Revised Code that is administered to the student's grade level; 36294  
36295  
36296  
36297  
36298  
36299  
36300

(b) Include cumulative totals from both the fall and spring administrations of the third grade English language arts achievement assessment; 36301  
36302  
36303

(c) Except as required by the No Child Left Behind Act of 2001, exclude for each district or building any limited English proficient student who has been enrolled in United States schools for less than one full school year. 36304  
36305  
36306  
36307

(L) Beginning with the 2015-2016 school year and at least once every three years thereafter, the state board of education shall review and may adjust the benchmarks for assigning letter grades to the performance measures and components prescribed under divisions (C)(3) and (D) of this section. 36308  
36309  
36310  
36311  
36312

**Sec. 3302.151.** (A) Notwithstanding anything to the contrary in the Revised Code, a school district that qualifies under division (D) of this section shall be exempt from all of the 36313  
36314  
36315

following: 36316

(1) The teacher qualification requirements under the 36317  
third-grade reading guarantee, as prescribed under divisions 36318  
(B)(3)(c) and (H) of section 3313.608 of the Revised Code. This 36319  
exemption does not relieve a teacher from holding a valid Ohio 36320  
license in a subject area and grade level determined appropriate 36321  
by the board of education of that district. 36322

~~(2) The mentoring component of the Ohio teacher residency 36323  
program established under division (A)(1) of section 3319.223 of 36324  
the Revised Code, so long as the district utilizes a local 36325  
approach to train and support new teachers;~~ 36326

~~(3) Any provision of the Revised Code or rule or standard of 36327  
the state board of education prescribing a minimum or maximum 36328  
class size;~~ 36329

~~(4)(3) Any provision of the Revised Code or rule or standard 36330  
of the state board requiring teachers to be licensed specifically 36331  
in the grade level in which they are teaching, except unless 36332  
otherwise prescribed by federal law. This exemption does not apply 36333  
to special education teachers. Nor does this exemption relieve a 36334  
teacher from holding a valid Ohio license in the subject area in 36335  
which that teacher is teaching and at least some grade level 36336  
determined appropriate by the district board. 36337~~

(B)(1) Notwithstanding anything to the contrary in the 36338  
Revised Code, including sections 3319.30 and 3319.36 of the 36339  
Revised Code, the superintendent of a school district that 36340  
qualifies under division (D) of this section may employ an 36341  
individual who is not licensed as required by sections 3319.22 to 36342  
3319.30 of the Revised Code, but who is otherwise qualified based 36343  
on experience, to teach classes in the district, so long as the 36344  
board of education of the school district approves the 36345  
individual's employment and provides mentoring and professional 36346

development opportunities to that individual, as determined 36347  
necessary by the board. 36348

(2) As a condition of employment under this section, an 36349  
individual shall be subject to a criminal records check as 36350  
prescribed by section 3319.391 of the Revised Code. In the manner 36351  
prescribed by the department of education, the individual shall 36352  
submit the criminal records check to the department and shall 36353  
register with the department during the period in which the 36354  
individual is employed by the district. The department shall use 36355  
the information submitted to enroll the individual in the retained 36356  
applicant fingerprint database, established under section 109.5721 36357  
of the Revised Code, in the same manner as any teacher licensed 36358  
under sections 3319.22 to 3319.31 of the Revised Code. 36359

(3) An individual employed pursuant to this division is 36360  
subject to Chapter 3307. of the Revised Code. 36361

If the department receives notification of the arrest or 36362  
conviction of an individual employed under division (B) of this 36363  
section, the department shall promptly notify the employing 36364  
district and may take any action authorized under sections 3319.31 36365  
and 3319.311 of the Revised Code that it considers appropriate. No 36366  
district shall employ any individual under division (B) of this 36367  
section if the district learns that the individual has plead 36368  
guilty to, has been found guilty by a jury or court of, or has 36369  
been convicted of any of the offenses listed in division (C) of 36370  
section 3319.31 of the Revised Code. 36371

(C) Notwithstanding anything to the contrary in the Revised 36372  
Code, noncompliance with any of the requirements listed in 36373  
divisions (A) or (B) of this section shall not disqualify a school 36374  
district that qualifies under division (D) of this section from 36375  
receiving funds under Chapter 3317. of the Revised Code. 36376

(D) In order for a city, local, or exempted village school 36377

district to qualify for the exemptions described in this section, 36378  
the school district shall meet all of the following benchmarks on 36379  
the most recent report card issued for that district under section 36380  
3302.03 of the Revised Code: 36381

(1) The district received at least eighty-five per cent of 36382  
the total possible points for the performance index score 36383  
calculated under division (C)(1)(b) of that section; 36384

(2) The district received a grade of an "A" for performance 36385  
indicators met under division (C)(1)(c) of that section; 36386

(3) The district has a four-year adjusted cohort graduation 36387  
rate of at least ninety-three per cent and a five-year adjusted 36388  
cohort graduation rate of at least ninety-five per cent, as 36389  
calculated under division (C)(1)(d) of that section. 36390

(E) A school district that meets the requirements prescribed 36391

increase if the board's actuary, in its annual actuarial valuation 36896  
required by section 3309.21 of the Revised Code, or in other 36897

evaluations conducted under that section, determines that an 36898

school employees retirement board vests a right in such person, so 36907  
long as the person remains the recipient of any of the funds 36908  
established by section 3309.60 of the Revised Code, to receive 36909

prescribed by the department, and notifies the school district in 36976  
which the child is entitled to attend school that the eligible 36977

Code, unless the student is excused from taking that assessment 36995  
under federal law or the student's individualized education 36996  
program or the student is enrolled in a chartered nonpublic school 36997  
that meets the conditions specified in division (K)(2) or (L)(4) 36998  
of section 3301.0711 of the Revised Code. 36999

Each registered private provider that is not subject to 37000  
division (K)(1) of section 3301.0711 of the Revised Code and 37001  
enrolls a student who is awarded a scholarship shall administer 37002  
each assessment prescribed by section 3301.0710, 3301.0712, or 37003

**Sec. 3311.06.** (A) As used in this section: 37018

(1) "Annexation" and "annexed" mean annexation for municipal 37019  
purposes under sections 709.02 to 709.37 of the Revised Code. 37020

(2) "Annexed territory" means territory that has been annexed 37021  
for municipal purposes to a city served by an urban school 37022  
district, but on September 24, 1986, has not been transferred to 37023  
the urban school district. 37024

(3) "Urban school district" means a city school district with 37025  
an average daily membership for the 1985-1986 school year in 37026  
excess of twenty thousand that is the school district of a city 37027  
that contains annexed territory. 37028

(4) "Annexation agreement" means an agreement entered into 37029  
under division (F) of this section that has been approved by the 37030  
state board of education or an agreement entered into prior to 37031  
September 24, 1986, that meets the requirements of division (F) of 37032  
this section and has been filed with the state board. 37033

(B) The territory included within the boundaries of a city, 37034  
local, exempted village, or joint vocational school district shall 37035  
be contiguous except where a natural island forms an integral part 37036  
of the district, where the state board of education authorizes a 37037  
noncontiguous school district, as provided in division (E)(1) of 37038  
this section, or where a local school district is created pursuant 37039  
to section 3311.26 of the Revised Code from one or more local 37040  
school districts, one of which has entered into an agreement under 37041  
section 3313.42 of the Revised Code. 37042

(C)(1) When all of the territory of a school district is 37043  
annexed to a city or village, such territory thereby becomes a 37044  
part of the city school district or the school district of which 37045  
the village is a part, and the legal title to school property in 37046  
such territory for school purposes shall be vested in the board of 37047  
education of the city school district or the school district of 37048  
which the village is a part. 37049

(2) When the territory so annexed to a city or village 37050  
comprises part but not all of the territory of a school district, 37051

the said territory becomes part of the city school district or the school district of which the village is a part only upon approval by the state board of education, unless the district in which the territory is located is a party to an annexation agreement with the city school district.

Any urban school district that has not entered into an annexation agreement with any other school district whose territory would be affected by any transfer under this division and that desires to negotiate the terms of transfer with any such district shall conduct any negotiations under division (F) of this section as part of entering into an annexation agreement with such a district.

Any school district, except an urban school district, desiring state board approval of a transfer under this division shall make a good faith effort to negotiate the terms of transfer with any other school district whose territory would be affected by the transfer. Before the state board may approve any transfer of territory to a school district, except an urban school district, under this section, it must receive the following:

(a) A resolution requesting approval of the transfer, passed by at least one of the school districts whose territory would be affected by the transfer;

(b) Evidence determined to be sufficient by the state board to show that good faith negotiations have taken place or that the district requesting the transfer has made a good faith effort to hold such negotiations;

(D) The state board of education shall adopt rules governing negotiations held by any school district except an urban school

district pursuant to division (C)(2) of this section. The rules 37083  
shall encourage the realization of the following goals: 37084

(1) A discussion by the negotiating districts of the present 37085  
and future educational needs of the pupils in each district; 37086

(2) The educational, financial, and territorial stability of 37087  
each district affected by the transfer; 37088

(3) The assurance of appropriate educational programs, 37089  
services, and opportunities for all the pupils in each 37090  
participating district, and adequate planning for the facilities 37091  
needed to provide these programs, services, and opportunities. 37092

Districts involved in negotiations under such rules may agree 37093  
to share revenues from the property included in the territory to 37094  
be transferred, establish cooperative programs between the 37095  
participating districts, and establish mechanisms for the 37096  
settlement of any future boundary disputes. 37097

(E)(1) If territory annexed after September 24, 1986, is part 37098  
of a school district that is a party to an annexation agreement 37099  
with the urban school district serving the annexing city, the 37100  
transfer of such territory shall be governed by the agreement. If 37101  
the agreement does not specify how the territory is to be dealt 37102  
with, the boards of education of the district in which the 37103  
territory is located and the urban school district shall negotiate 37104  
with regard to the transfer of the territory which shall be 37105  
transferred to the urban school district unless, not later than 37106  
ninety days after the effective date of municipal annexation, the 37107  
boards of education of both districts, by resolution adopted by a 37108  
majority of the members of each board, agree that the territory 37109  
will not be transferred and so inform the state board of 37110  
education. 37111

If territory is transferred under this division the transfer 37112  
shall take effect on the first day of July occurring not sooner 37113

than ninety-one days after the effective date of the municipal 37114  
annexation. Territory transferred under this division need not be 37115  
contiguous to the district to which it is transferred. 37116

(2) Territory annexed prior to September 24, 1986, by a city 37117  
served by an urban school district shall not be subject to 37118  
transfer under this section if the district in which the territory 37119  
is located is a party to an annexation agreement or becomes a 37120  
party to such an agreement not later than ninety days after 37121  
September 24, 1986. If the district does not become a party to an 37122  
annexation agreement within the ninety-day period, transfer of 37123  
territory shall be governed by division (C)(2) of this section. If 37124  
the district subsequently becomes a party to an agreement, 37125  
territory annexed prior to September 24, 1986, other than 37126  
territory annexed under division (C)(2) of this section prior to 37127  
the effective date of the agreement, shall not be subject to 37128  
transfer under this section. 37129

(F) An urban school district may enter into a comprehensive 37130  
agreement with one or more school districts under which transfers 37131  
of territory annexed by the city served by the urban school 37132  
district after September 24, 1986, shall be governed by the 37133  
agreement. Such agreement must provide for the establishment of a 37134  
cooperative education program under section 3313.842 of the 37135  
Revised Code in which all the parties to the agreement are 37136  
participants and must be approved by resolution of the majority of 37137  
the members of each of the boards of education of the school 37138  
districts that are parties to it. An agreement may provide for 37139  
interdistrict payments based on local revenue growth resulting 37140  
from development in any territory annexed by the city served by 37141  
the urban school district. 37142

An agreement entered into under this division may be altered, 37143  
modified, or terminated only by agreement, by resolution approved 37144  
by the majority of the members of each board of education, of all 37145

school districts that are parties to the agreement, except that 37146  
with regard to any provision that affects only the urban school 37147  
district and one of the other districts that is a party, that 37148  
district and the urban district may modify or alter the agreement 37149  
by resolution approved by the majority of the members of the board 37150  
of that district and the urban district. Alterations, 37151  
modifications, terminations, and extensions of an agreement 37152  
entered into under this division do not require approval of the 37153  
state board of education, but shall be filed with the board after 37154  
approval and execution by the parties. 37155

If an agreement provides for interdistrict payments, each 37156  
party to the agreement, except any school district specifically 37157  
exempted by the agreement, shall agree to make an annual payment 37158  
to the urban school district with respect to any of its territory 37159  
that is annexed territory in an amount not to exceed the amount 37160  
certified for that year under former section 3317.029 of the 37161  
Revised Code as that section existed prior to July 1, 1998; except 37162  
that such limitation of annual payments to amounts certified under 37163  
former section 3317.029 of the Revised Code does not apply to 37164  
agreements or extensions of agreements entered into on or after 37165  
June 1, 1992, unless such limitation is expressly agreed to by the 37166  
parties. The agreement may provide that all or any part of the 37167  
payment shall be waived if the urban school district receives its 37168  
payment with respect to such annexed territory under former 37169  
section 3317.029 of the Revised Code and that all or any part of 37170  
such payment may be waived if the urban school district does not 37171  
receive its payment with respect to such annexed territory under 37172  
such section. 37173

With respect to territory that is transferred to the urban 37174  
school district after September 24, 1986, the agreement may 37175  
provide for annual payments by the urban school district to the 37176  
school district whose territory is transferred to the urban school 37177

district subsequent to annexation by the city served by the urban 37178  
school district. 37179

(G) In the event territory is transferred from one school 37180  
district to another under this section, an equitable division of 37181  
the funds and indebtedness between the districts involved shall be 37182  
made under the supervision of the state board of education and 37183  
that board's decision shall be final. Such division shall not 37184  
include funds payable to or received by a school district under 37185  
Chapter 3317. of the Revised Code or payable to or received by a 37186  
school district from the United States or any department or agency 37187  
thereof. In the event such transferred territory includes real 37188  
property owned by a school district, the state board of education, 37189  
as part of such division of funds and indebtedness, shall 37190  
determine the true value in money of such real property and all 37191  
buildings or other improvements thereon. The board of education of 37192  
the school district receiving such territory shall forthwith pay 37193  
to the board of education of the school district losing such 37194  
territory such true value in money of such real property, 37195  
buildings, and improvements less such percentage of the true value 37196  
in money of each school building located on such real property as 37197  
is represented by the ratio of the total enrollment in day classes 37198  
of the pupils residing in the territory transferred enrolled at 37199  
such school building in the school year in which such annexation 37200  
proceedings were commenced to the total enrollment in day classes 37201  
of all pupils residing in the school district losing such 37202  
territory enrolled at such school building in such school year. 37203  
The school district receiving such payment shall place the 37204  
proceeds thereof in its sinking fund or bond retirement fund. 37205

(H) The state board of education, before approving such 37206  
transfer of territory, shall determine that such payment has been 37207  
made and shall apportion to the acquiring school district such 37208  
percentage of the indebtedness of the school district losing the 37209

territory as is represented by the ratio that the assessed 37210  
valuation of the territory transferred bears to the total assessed 37211  
valuation of the entire school district losing the territory as of 37212  
the effective date of the transfer, provided that in ascertaining 37213  
the indebtedness of the school district losing the territory the 37214  
state board of education shall disregard such percentage of the 37215  
par value of the outstanding and unpaid bonds and notes of said 37216  
school district issued for construction or improvement of the 37217  
school building or buildings for which payment was made by the 37218  
acquiring district as is equal to the percentage by which the true 37219  
value in money of such building or buildings was reduced in fixing 37220  
the amount of said payment. 37221

(I) No transfer of school district territory or division of 37222  
funds and indebtedness incident thereto, pursuant to the 37223  
annexation of territory to a city or village shall be completed in 37224  
any other manner than that prescribed by this section regardless 37225  
of the date of the commencement of such annexation proceedings, 37226  
and this section applies to all proceedings for such transfers and 37227  
divisions of funds and indebtedness pending or commenced on or 37228  
after October 2, 1959. 37229

(J) Notwithstanding anything to the contrary in the Revised 37230  
Code, including section 3311.24 of the Revised Code, and any 37231  
annexation agreement or any other agreement, beginning on the 37232  
effective date of this amendment until October 1, 2021, no school 37233  
district that is a party to an annexation agreement shall transfer 37234  
territory that is or will be used for nonresidential purposes to 37235  
another school district that is a party to the annexation 37236  
agreement without the approval of the boards of education of each 37237  
of the school districts after the effective date of this 37238  
amendment, unless the school district territory of one of those 37239  
boards of education overlaps with a new community authority 37240  
created prior to January 1, 1993, under Chapter 349. of the 37241

Revised Code. 37242

Sec. 3311.27. The board of education of a surviving school 37243  
district, as that term is defined in section 5748.10 of the 37244  
Revised Code, shall notify the tax commissioner as and in the 37245  
manner required by that section. 37246

**Sec. 3311.751.** Notwithstanding division (F) of section 37247  
5705.10 of the Revised Code, if a municipal school district board 37248  
of education sells real property that it owns in its corporate 37249  
capacity, moneys received from the sale may be paid into the 37250  
general fund of the district, as long as all of the following 37251  
conditions are satisfied: 37252

(A) The district has owned the real property for at least ten 37253  
years. 37254

(B) The real property and any improvements to that real 37255  
property were not acquired with the proceeds of public 37256  
obligations, as defined in section 133.01 of the Revised Code, of 37257  
the district that are outstanding at the time of the sale. 37258

(C) The deposit of those moneys in that manner is not 37259  
prohibited by any agreements the district board has entered into 37260  
with the Ohio ~~school~~ facilities construction commission. 37261

**Sec. 3311.86.** (A) As used in this section: 37262

(1) "Alliance" means a municipal school district 37263  
transformation alliance established as a nonprofit corporation. 37264

(2) "Alliance municipal school district" means a municipal 37265  
school district for which an alliance has been created under this 37266  
section. 37267

(3) "Partnering community school" means a community school 37268  
established under Chapter 3314. of the Revised Code that is 37269

located within the territory of a municipal school district and 37270  
that either is sponsored by the district or is a party to an 37271  
agreement with the district whereby the district and the community 37272  
school endorse each other's programs. 37273

(4) "Transformation alliance education plan" means a plan 37274  
prepared by the mayor, and confirmed by the alliance, to transform 37275  
public education in the alliance municipal school district to a 37276  
system of municipal school district schools and partnering 37277  
community schools that will be held to the highest standards of 37278  
school performance and student achievement. 37279

(B) If one or more partnering community schools are located 37280  
in a municipal school district, the mayor may initiate proceedings 37281  
to establish a municipal school district transformation alliance 37282  
as a nonprofit corporation under Chapter 1702. of the Revised 37283  
Code. The mayor shall have sole authority to appoint the directors 37284  
of any alliance created under this section. The directors of the 37285  
alliance shall include representatives of all of the following: 37286

(1) The municipal school district; 37287

(2) Partnering community schools; 37288

(3) Members of the community at large, including parents and 37289  
educators; 37290

(4) The business community, including business leaders and 37291  
foundation leaders. 37292

No one group listed in divisions (B)(1) to (4) of this 37293  
section shall comprise a majority of the directors. The mayor 37294  
shall be an ex officio director, and serve as the chairperson of 37295  
the board of directors, of any alliance created under this 37296  
section. If the proceedings are initiated, the mayor shall 37297  
identify the directors in the articles of incorporation filed 37298  
under section 1702.04 of the Revised Code. 37299

(C)(1) A majority of the members of the board of directors of the alliance shall constitute a quorum of the board. Any formal action taken by the board of directors shall take place at a meeting of the board and shall require the concurrence of a majority of the members of the board. Meetings of the board of directors shall be public meetings open to the public at all times, except that the board and its committees and subcommittees may hold an executive session, as if it were a public body with public employees, for any of the purposes for which an executive session of a public body is permitted under division (G) of section 121.22 of the Revised Code, notwithstanding that the alliance is not a public body as defined in that section, and its employees are not public employees as provided in division (F) of this section. The board of directors shall establish reasonable methods whereby any person may determine the time and place of all of the board's public meetings and by which any person, upon request, may obtain reasonable advance notification of the board's public meetings. Provisions for that advance notification may include, but are not limited to, mailing notices to all subscribers on a mailing list or mailing notices in self-addressed, stamped envelopes provided by the person.

(2) All records of the alliance shall be organized and maintained by the alliance and also filed with the department of education. The alliance and the department shall make those records available to the public as though those records were public records for purposes of Chapter 149. of the Revised Code. The department shall promptly notify the alliance upon the department's receipt of any requests for records relating to the alliance pursuant to section 149.43 of the Revised Code.

(3) The board of directors of the alliance shall establish a conflicts of interest policy and shall adopt that policy, and any amendments to the policy, at a meeting of the board held in

accordance with this section. 37332

(D)(1) If an alliance is created under this section, the 37333  
alliance shall do all of the following: 37334

(a) Report annually on the performance of all municipal 37335  
school district schools and all community schools established 37336  
under Chapter 3314. of the Revised Code and located in the 37337  
district, using the criteria adopted under division (B) of section 37338  
3311.87 of the Revised Code; 37339

(b) Confirm and monitor implementation of the transformation 37340  
alliance education plan; 37341

(c) Suggest national education models for and provide input 37342  
in the development of new municipal school district schools and 37343  
partnering community schools. 37344

(2) If an alliance is created under this section, the 37345  
department of education may request alliance comment, or the 37346  
alliance independently may offer comment to the department, on the 37347  
granting, renewal, or extension of an agreement with a sponsor of 37348  
community schools under section 3314.015 of the Revised Code when 37349  
the sponsor has existing agreements with a community school 37350  
located in an alliance municipal school district. If the alliance 37351  
makes comments, those comments shall be considered by the 37352  
department prior to making its decision whether to grant, renew, 37353  
or extend the agreement. 37354

For purposes of division (D)(2) of this section, comments by 37355  
the alliance shall be based on the criteria established under 37356  
division (A) of section 3311.87 of the Revised Code. 37357

(E) Divisions (E)(1) to (3) of this section apply to each 37358  
community school sponsor that is subject to approval by the 37359  
department under section 3314.015 of the Revised Code whose 37360  
approval under that section is granted, renewed, or extended on or 37361  
after October 1, 2012. Divisions (E)(1) to (3) of this section do 37362

not apply to a sponsor that has been approved by the department 37363  
prior to that date, until the sponsor's approval is renewed, 37364  
granted anew, or extended on or after that date. 37365

(1) Before a sponsor to which this section applies may 37366  
sponsor new community schools in an alliance municipal school 37367  
district, the sponsor shall request recommendation from the 37368  
alliance to sponsor community schools in the district. 37369

(2) The alliance shall review the sponsor's request and shall 37370  
make a recommendation to the department based on the standards for 37371  
sponsors developed under division (A)(2) of section 3311.87 of the 37372  
Revised Code. 37373

(3) The department shall use the standards developed under 37374  
division (A)(2) of section 3311.87 of the Revised Code, in 37375  
addition to any other requirements of the Revised Code, to review 37376  
a sponsor's request and make a final determination, on 37377  
recommendation of the alliance, of whether the sponsor may sponsor 37378  
new community schools in the alliance municipal school district. 37379

No sponsor shall be required to receive authorization to 37380  
sponsor new community schools under division (E)(3) of this 37381  
section more than one time. 37382

(F) Directors, officers, and employees of an alliance are not 37383  
public employees or public officials, are not subject to Chapters 37384  
124., 145., and 4117. of the Revised Code, and are not "public 37385  
officials" or "public servants" as defined in section 2921.01 of 37386  
the Revised Code. Membership on the board of directors of an 37387  
alliance does not constitute the holding of an incompatible public 37388  
office or employment in violation of any statutory or common law 37389  
prohibition against the simultaneous holding of more than one 37390  
public office or employment. Members of the board of directors of 37391  
an alliance are not disqualified from holding any public office by 37392  
reason of that membership, and do not forfeit by reason of that 37393

membership the public office or employment held when appointed to 37394  
the board, notwithstanding any contrary disqualification or 37395  
forfeiture requirement under the Revised Code or the common law of 37396  
this state. 37397

~~(G) The authority to establish an alliance under this section 37398  
expires on January 1, 2018. Any alliance established under this 37399  
section is terminated, and any related authority granted to the 37400  
alliance under this section expires on that date. 37401~~

**Sec. 3313.372.** (A) As used in this section, "energy 37402  
conservation measure" means an installation or modification of an 37403  
installation in, or remodeling of, a building, to reduce energy 37404  
consumption. It includes: 37405

(1) Insulation of the building structure and systems within 37406  
the building; 37407

(2) Storm windows and doors, multiglazed windows and doors, 37408  
heat absorbing or heat reflective glazed and coated window and 37409  
door systems, additional glazing, reductions in glass area, and 37410  
other window and door system modifications that reduce energy 37411  
consumption; 37412

(3) Automatic energy control systems; 37413

(4) Heating, ventilating, or air conditioning system 37414  
modifications or replacements; 37415

(5) Caulking and weatherstripping; 37416

(6) Replacement or modification of lighting fixtures to 37417  
increase the energy efficiency of the system without increasing 37418  
the overall illumination of a facility, unless such increase in 37419  
illumination is necessary to conform to the applicable state or 37420  
local building code for the proposed lighting system; 37421

(7) Energy recovery systems; 37422

(8) Cogeneration systems that produce steam or forms of energy such as heat, as well as electricity, for use primarily within a building or complex of buildings;

(9) Any other modification, installation, or remodeling approved by the Ohio ~~school~~ facilities construction commission as an energy conservation measure.

(B) A board of education of a city, exempted village, local, or joint vocational school district may enter into an installment payment contract for the purchase and installation of energy conservation measures. The provisions of such installment payment contracts dealing with interest charges and financing terms shall not be subject to the competitive bidding requirements of section 3313.46 of the Revised Code, and shall be on the following terms:

(1) Not less than one-fifteenth of the costs thereof shall be paid within two years from the date of purchase.

(2) The remaining balance of the costs thereof shall be paid within fifteen years from the date of purchase.

The provisions of any installment payment contract entered into pursuant to this section shall provide that all payments, except payments for repairs and obligations on termination of the contract prior to its expiration, shall not exceed the calculated energy, water, or waste water cost savings, avoided operating costs, and avoided capital costs attributable to the one or more measures over a defined period of time. Those payments shall be made only to the extent that the savings described in this division actually occur. The energy services company shall warrant and guarantee that the energy conservation measures shall realize guaranteed savings and shall be responsible to pay an amount equal to any savings shortfall.

An installment payment contract entered into by a board of education under this section shall require the board to contract

in accordance with division (A) of section 3313.46 of the Revised Code for the installation, modification, or remodeling of energy conservation measures unless division (A) of section 3313.46 of the Revised Code does not apply pursuant to division (B)(3) of that section, in which case the contract shall be awarded through a competitive selection process pursuant to rules adopted by the ~~school~~ facilities construction commission.

An installment payment contract entered into by a board of education under this section may include services for measurement and verification of energy savings associated with the guarantee. The annual cost of measurement and verification services shall not exceed ten per cent of the guaranteed savings in any year of the installment payment contract.

(C) If a board of education determines that a surety bond is necessary to secure energy, water, or waste water cost savings guaranteed in a contract entered into by the board of education under this section, the energy services company shall provide a surety bond that satisfies all of the following requirements:

(1) The penal sum of the surety bond for the first guarantee year shall equal the amount of savings included in the annual guaranteed savings amount that is measured and calculated in accordance with the measurement and verification plan included in the contract, but may not include guaranteed savings that are not measured or that are stipulated in the contract. The annual guaranteed savings amount shall include only the savings guaranteed in the contract for the one-year term that begins on the first day of the first savings guarantee year and may not include amounts from subsequent years.

(2) The surety bond shall have a term of not more than one year unless renewed. At the option of the board of education, the surety bond may be renewed for one or two additional terms, each term not to exceed one year. The surety bond may not be renewed or

extended so that it is in effect for more than three consecutive 37486  
years. 37487

In the event of a renewal, the penal sum of the surety bond 37488  
for each renewed year shall be revised so that the penal sum 37489  
equals the annual guaranteed savings amount for such renewal year 37490  
that is measured and calculated in accordance with the measurement 37491  
and verification plan included in the contract, but may not 37492  
include guaranteed savings that are not measured or that are 37493  
stipulated in the contract. Regardless of the number of renewals 37494  
of the bond, the aggregate liability under each renewed bond may 37495  
not exceed the penal sum stated in the renewal certificate for the 37496  
applicable renewal year. 37497

(3) The surety bond for the first year shall be issued within 37498  
thirty days of the commencement of the first savings guarantee 37499  
year under the contract. 37500

In the event of renewal, the surety shall deliver to the 37501  
board of education a renewal certificate reflecting the revised 37502  
penal sum within thirty days of the board of education's request. 37503  
The board of education shall deliver the request for renewal not 37504  
less than thirty days prior to the expiration date of the surety 37505  
bond then in existence. A surety bond furnished pursuant to 37506  
section 153.54 of the Revised Code shall not secure obligations 37507  
related to energy, water, or waste water cost savings as 37508  
referenced in division (C) of this section. 37509

(D) The board may issue the notes of the school district 37510  
signed by the president and the treasurer of the board and 37511  
specifying the terms of the purchase and securing the deferred 37512  
payments provided in this section, payable at the times provided 37513  
and bearing interest at a rate not exceeding the rate determined 37514  
as provided in section 9.95 of the Revised Code. The notes may 37515  
contain an option for prepayment and shall not be subject to 37516  
Chapter 133. of the Revised Code. In the resolution authorizing 37517

the notes, the board may provide, without the vote of the electors 37518  
of the district, for annually levying and collecting taxes in 37519  
amounts sufficient to pay the interest on and retire the notes, 37520  
except that the total net indebtedness of the district without a 37521  
vote of the electors incurred under this and all other sections of 37522  
the Revised Code, except section 3318.052 of the Revised Code, 37523  
shall not exceed one per cent of the district's tax valuation. 37524  
Revenues derived from local taxes or otherwise, for the purpose of 37525  
conserving energy or for defraying the current operating expenses 37526  
of the district, may be applied to the payment of interest and the 37527  
retirement of such notes. The notes may be sold at private sale or 37528  
given to the energy services company under the installment payment 37529  
contract authorized by division (B) of this section. 37530

(E) Debt incurred under this section shall not be included in 37531  
the calculation of the net indebtedness of a school district under 37532  
section 133.06 of the Revised Code. 37533

(F) No school district board shall enter into an installment 37534  
payment contract under division (B) of this section unless it 37535  
first obtains a report of the costs of the energy conservation 37536  
measures and the savings thereof as described under division 37537  
(G)(1) of section 133.06 of the Revised Code as a requirement for 37538  
issuing energy securities, makes a finding that the amount spent 37539  
on such measures is not likely to exceed the amount of money it 37540  
would save in energy costs and resultant operational and 37541  
maintenance costs as described in that division, except that that 37542  
finding shall cover the ensuing fifteen years, and the ~~school~~ 37543  
facilities construction commission determines that the district 37544  
board's findings are reasonable and approves the contract as 37545  
described in that division. 37546

The district board shall monitor the savings and maintain a 37547  
report of those savings, which shall be submitted to the 37548  
commission in the same manner as required by division (G) of 37549

section 133.06 of the Revised Code in the case of energy securities. 37550  
37551

(7) Social studies, two units. 38040

Each school shall integrate the study of economics and 38041  
financial literacy, as expressed in the social studies academic 38042  
content standards adopted by the state board of education under 38043  
division (A)(1) of section 3301.079 of the Revised Code and the 38044  
academic content standards for financial literacy and 38045  
entrepreneurship adopted under division (A)(2) of that section, 38046  
into one or more existing social studies credits required under 38047  
division (C)(7) of this section, or into the content of another 38048  
class, so that every high school student receives instruction in 38049  
those concepts. In developing the curriculum required by this 38050  
paragraph, schools shall use available public-private partnerships 38051  
and resources and materials that exist in business, industry, and 38052  
through the centers for economics education at institutions of 38053  
higher education in the state. 38054

Beginning with students who enter ninth grade for the first 38055  
time on or after July 1, 2017, the two units of instruction 38056  
prescribed by division (C)(7) of this section shall include at 38057  
least one-half unit of instruction in the study of world history 38058  
and civilizations. 38059

by the congress of the United States under title 10 of the United 38064  
States Code, or English language arts, mathematics, science, or 38065  
social studies courses not otherwise required under division (C) 38066  
of this section. 38067

Ohioans must be prepared to apply increased knowledge and 38068  
skills in the workplace and to adapt their knowledge and skills 38069

quickly to meet the rapidly changing conditions of the 38070  
twenty-first century. National studies indicate that all high 38071  
school graduates need the same academic foundation, regardless of 38072  
the opportunities they pursue after graduation. The goal of Ohio's 38073  
system of elementary and secondary education is to prepare all 38074  
students for and seamlessly connect all students to success in 38075  
life beyond high school graduation, regardless of whether the next 38076  
step is entering the workforce, beginning an apprenticeship, 38077  
engaging in post-secondary training, serving in the military, or 38078  
pursuing a college degree. 38079

The requirements for graduation prescribed in division (C) of 38080  
this section are the standard expectation for all students 38081  
entering ninth grade for the first time at a public or chartered 38082  
nonpublic high school on or after July 1, 2010. A student may 38083  
satisfy this expectation through a variety of methods, including, 38084  
but not limited to, integrated, applied, career-technical, and 38085  
traditional coursework. 38086

Whereas teacher quality is essential for student success when 38087  
completing the requirements for graduation, the general assembly 38088  
shall appropriate funds for strategic initiatives designed to 38089  
strengthen schools' capacities to hire and retain highly qualified 38090  
teachers in the subject areas required by the curriculum. Such 38091  
initiatives are expected to require an investment of \$120,000,000 38092  
over five years. 38093

Stronger coordination between high schools and institutions 38094  
of higher education is necessary to prepare students for more 38095  
challenging academic endeavors and to lessen the need for academic 38096  
remediation in college, thereby reducing the costs of higher 38097  
education for Ohio's students, families, and the state. The state 38098  
board and the chancellor of higher education shall develop 38099  
policies to ensure that only in rare instances will students who 38100  
complete the requirements for graduation prescribed in division 38101

(C) of this section require academic remediation after high school. 38102  
38103

School districts, community schools, and chartered nonpublic schools shall integrate technology into learning experiences across the curriculum in order to maximize efficiency, enhance learning, and prepare students for success in the technology-driven twenty-first century. Districts and schools shall use distance and web-based course delivery as a method of providing or augmenting all instruction required under this division, including laboratory experience in science. Districts and schools shall utilize technology access and electronic learning opportunities provided by the broadcast educational media commission, chancellor, the Ohio learning network, education technology centers, public television stations, and other public and private providers. 38104

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2016, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the requirements for graduation prescribed in division (C) of this section if all of the following conditions are satisfied: 38117  
38118  
38119  
38120  
38121  
38122  
38123

(1) During the student's third year of attending high school, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework. 38124  
38125  
38126  
38127  
38128  
38129  
38130  
38131  
38132

(2) The student and parent, guardian, or custodian fulfill 38133

any procedural requirements the school stipulates to ensure the 38134  
student's and parent's, guardian's, or custodian's informed 38135  
consent and to facilitate orderly filing of statements under 38136  
division (D)(1) of this section. Annually, each district or school 38137  
shall notify the department of the number of students who choose 38138  
to qualify for graduation under division (D) of this section and 38139  
the number of students who complete the student's success plan and 38140  
graduate from high school. 38141

(3) The student and the student's parent, guardian, or 38142  
custodian and a representative of the student's high school 38143  
jointly develop a student success plan for the student in the 38144  
manner described in division (C)(1) of section 3313.6020 of the 38145  
Revised Code that specifies the student matriculating to a 38146  
two-year degree program, acquiring a business and 38147  
industry-recognized credential, or entering an apprenticeship. 38148

(4) The student's high school provides counseling and support 38149  
for the student related to the plan developed under division 38150  
(D)(3) of this section during the remainder of the student's high 38151  
school experience. 38152

(5)(a) Except as provided in division (D)(5)(b) of this 38153  
section, the student successfully completes, at a minimum, the 38154  
curriculum prescribed in division (B) of this section. 38155

(b) Beginning with students who enter ninth grade for the 38156  
first time on or after July 1, 2014, a student shall be required 38157  
to complete successfully, at the minimum, the curriculum 38158  
prescribed in division (B) of this section, except as follows: 38159

(i) Mathematics, four units, one unit which shall be one of 38160  
the following: 38161

(I) Probability and statistics; 38162

(II) Computer programming; 38163

(III) Applied mathematics or quantitative reasoning;	38164
(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.	38165 38166 38167
(ii) Elective units, five units;	38168
(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.	38169 38170 38171 38172
The department, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2016. The department shall submit its findings and any recommendations not later than December 1, 2015, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.	38173 38174 38175 38176 38177 38178 38179 38180 38181 38182 38183 38184
(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:	38185 38186 38187 38188 38189 38190 38191
(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;	38192 38193
(2) An exception to the district's or school's minimum high	38194

school curriculum that is comparable to the exception provided in 38195  
division (D) of this section but with additional requirements, 38196  
which may include a requirement that the student successfully 38197  
complete more than the minimum curriculum prescribed in division 38198  
(B) of this section; 38199

(3) That no exception comparable to that provided in division 38200  
(D) of this section is available. 38201

(F) A student enrolled in a dropout prevention and recovery 38202  
program, which program has received a waiver from the department, 38203  
may qualify for graduation from high school by successfully 38204  
completing a competency-based instructional program administered 38205  
by the dropout prevention and recovery program in lieu of 38206  
completing the requirements for graduation prescribed in division 38207  
(C) of this section. The department shall grant a waiver to a 38208  
dropout prevention and recovery program, within sixty days after 38209  
the program applies for the waiver, if the program meets all of 38210  
the following conditions: 38211

(1) The program serves only students not younger than sixteen 38212  
years of age and not older than twenty-one years of age. 38213

(2) The program enrolls students who, at the time of their 38214  
initial enrollment, either, or both, are at least one grade level 38215  
behind their cohort age groups or experience crises that 38216  
significantly interfere with their academic progress such that 38217  
they are prevented from continuing their traditional programs. 38218

(3) The program requires students to attain at least the 38219  
applicable score designated for each of the assessments prescribed 38220  
under division (B)(1) of section 3301.0710 of the Revised Code or, 38221  
to the extent prescribed by rule of the state board under division 38222  
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 38223  
of that section. 38224

(4) The program develops a student success plan for the 38225

student in the manner described in division (C)(1) of section 38226  
3313.6020 of the Revised Code that specifies the student's 38227  
matriculating to a two-year degree program, acquiring a business 38228  
and industry-recognized credential, or entering an apprenticeship. 38229

(5) The program provides counseling and support for the 38230  
student related to the plan developed under division (F)(4) of 38231  
this section during the remainder of the student's high school 38232  
experience. 38233

(6) The program requires the student and the student's 38234  
parent, guardian, or custodian to sign and file, in accordance 38235  
with procedural requirements stipulated by the program, a written 38236  
statement asserting the parent's, guardian's, or custodian's 38237  
consent to the student's graduating without completing the 38238  
requirements for graduation prescribed in division (C) of this 38239  
section and acknowledging that one consequence of not completing 38240  
those requirements is ineligibility to enroll in most state 38241  
universities in Ohio without further coursework. 38242

(7) Prior to receiving the waiver, the program has submitted 38243  
to the department an instructional plan that demonstrates how the 38244  
academic content standards adopted by the state board under 38245  
section 3301.079 of the Revised Code will be taught and assessed. 38246

(8) Prior to receiving the waiver, the program has submitted 38247  
to the department a policy on career advising that satisfies the 38248  
requirements of section 3313.6020 of the Revised Code, with an 38249  
emphasis on how every student will receive career advising. 38250

(9) Prior to receiving the waiver, the program has submitted 38251  
to the department a written agreement outlining the future 38252  
cooperation between the program and any combination of local job 38253  
training, postsecondary education, nonprofit, and health and 38254  
social service organizations to provide services for students in 38255  
the program and their families. 38256

Divisions (F)(8) and (9) of this section apply only to 38257  
waivers granted on or after July 1, 2015. 38258

If the department does not act either to grant the waiver or 38259  
to reject the program application for the waiver within sixty days 38260  
as required under this section, the waiver shall be considered to 38261  
be granted. 38262

(G) Every high school may permit students below the ninth 38263  
grade to take advanced work. If a high school so permits, it shall 38264  
award high school credit for successful completion of the advanced 38265  
work and shall count such advanced work toward the graduation 38266  
requirements of division (B) or (C) of this section if the 38267  
advanced work was both: 38268

(1) Taught by a person who possesses a license or certificate 38269  
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 38270  
Code that is valid for teaching high school; 38271

(2) Designated by the board of education of the city, local, 38272  
or exempted village school district, the board of the cooperative 38273  
education school district, or the governing authority of the 38274  
chartered nonpublic school as meeting the high school curriculum 38275  
requirements. 38276

Each high school shall record on the student's high school 38277  
transcript all high school credit awarded under division (G) of 38278  
this section. In addition, if the student completed a seventh- or 38279  
eighth-grade fine arts course described in division (K) of this 38280  
section and the course qualified for high school credit under that 38281  
division, the high school shall record that course on the 38282  
student's high school transcript. 38283

(H) The department shall make its individual academic career 38284  
plan available through its Ohio career information system web site 38285  
for districts and schools to use as a tool for communicating with 38286  
and providing guidance to students and families in selecting high 38287

school courses. 38288

(I) A school district or chartered nonpublic school may 38289  
integrate academic content in a subject area for which the state 38290  
board has adopted standards under section 3301.079 of the Revised 38291  
Code into a course in a different subject area, including a 38292  
career-technical education course, in accordance with guidance for 38293  
integrated coursework developed by the department. Upon successful 38294  
completion of an integrated course, a student may receive credit 38295  
for both subject areas that were integrated into the course. Units 38296  
earned in English language arts, mathematics, science, and social 38297  
studies that are for subject area content delivered through 38298  
integrated academic and career-technical instruction are eligible 38299  
to meet the graduation requirements of division (B) or (C) of this 38300  
section. 38301

For purposes of meeting graduation requirements, if an 38302  
end-of-course examination has been prescribed under section 38303  
3301.0712 of the Revised Code for the subject area delivered 38304  
through integrated instruction, the school district or school may 38305  
administer the related subject area examinations upon the 38306  
student's completion of the integrated course. 38307

Nothing in division (I) of this section shall be construed to 38308  
excuse any school district, chartered nonpublic school, or student 38309  
from any requirement in the Revised Code related to curriculum, 38310  
assessments, or the awarding of a high school diploma. 38311

(J)(1) The state board, in consultation with the chancellor, 38312  
shall adopt a statewide plan implementing methods for students to 38313  
earn units of high school credit based on a demonstration of 38314  
subject area competency, instead of or in combination with 38315  
completing hours of classroom instruction. The state board shall 38316  
adopt the plan not later than March 31, 2009, and commence phasing 38317  
in the plan during the 2009-2010 school year. The plan shall 38318  
include a standard method for recording demonstrated proficiency 38319

on high school transcripts. Each school district and community 38320  
school shall comply with the state board's plan adopted under this 38321  
division and award units of high school credit in accordance with 38322  
the plan. The state board may adopt existing methods for earning 38323  
high school credit based on a demonstration of subject area 38324  
competency as necessary prior to the 2009-2010 school year. 38325

(2) Not later than December 31, 2015, the state board shall 38326  
update the statewide plan adopted pursuant to division (J)(1) of 38327  
this section to also include methods for students enrolled in 38328  
seventh and eighth grade to meet curriculum requirements based on 38329  
a demonstration of subject area competency, instead of or in 38330  
combination with completing hours of classroom instruction. 38331  
Beginning with the 2017-2018 school year, each school district and 38332  
community school also shall comply with the updated plan adopted 38333  
pursuant to this division and permit students enrolled in seventh 38334  
and eighth grade to meet curriculum requirements based on subject 38335  
area competency in accordance with the plan. 38336

(3) Not later than December 31, 2017, the department shall 38337  
develop a framework for school districts and community schools to 38338  
use in granting units of high school credit to students who 38339  
demonstrate subject area competency through work-based learning 38340  
experiences, internships, or cooperative education. Beginning with 38341  
the 2018-2019 school year, each district and community school 38342  
shall comply with the framework. Each district and community 38343  
school also shall review any policy it has adopted regarding the 38344  
demonstration of subject area competency to identify ways to 38345  
incorporate work-based learning experiences, internships, and 38346  
cooperative education into the policy in order to increase student 38347  
engagement and opportunities to earn units of high school credit. 38348

(K) This division does not apply to students who qualify for 38349  
graduation from high school under division (D) or (F) of this 38350  
section, or to students pursuing a career-technical instructional 38351

track as determined by the school district board of education or 38352  
the chartered nonpublic school's governing authority. 38353  
Nevertheless, the general assembly encourages such students to 38354  
consider enrolling in a fine arts course as an elective. 38355

Beginning with students who enter ninth grade for the first 38356  
time on or after July 1, 2010, each student enrolled in a public 38357  
or chartered nonpublic high school shall complete two semesters or 38358  
the equivalent of fine arts to graduate from high school. The 38359  
coursework may be completed in any of grades seven to twelve. Each 38360  
student who completes a fine arts course in grade seven or eight 38361  
may elect to count that course toward the five units of electives 38362  
required for graduation under division (C)(8) of this section, if 38363  
the course satisfied the requirements of division (G) of this 38364  
section. In that case, the high school shall award the student 38365  
high school credit for the course and count the course toward the 38366  
five units required under division (C)(8) of this section. If the 38367  
course in grade seven or eight did not satisfy the requirements of 38368  
division (G) of this section, the high school shall not award the 38369  
student high school credit for the course but shall count the 38370  
course toward the two semesters or the equivalent of fine arts 38371  
required by this division. 38372

(L) Notwithstanding anything to the contrary in this section, 38373  
the board of education of each school district and the governing 38374  
authority of each chartered nonpublic school may adopt a policy to 38375  
excuse from the high school physical education requirement each 38376  
student who, during high school, has participated in 38377  
interscholastic athletics, marching band, or cheerleading for at 38378  
least two full seasons or in the junior reserve officer training 38379  
corps for at least two full school years. If the board or 38380  
authority adopts such a policy, the board or authority shall not 38381  
require the student to complete any physical education course as a 38382  
condition to graduate. However, the student shall be required to 38383

complete one-half unit, consisting of at least sixty hours of 38384  
instruction, in another course of study. In the case of a student 38385  
who has participated in the junior reserve officer training corps 38386  
for at least two full school years, credit received for that 38387  
participation may be used to satisfy the requirement to complete 38388  
one-half unit in another course of study. 38389

(M) It is important that high school students learn and 38390  
understand United States history and the governments of both the 38391  
United States and the state of Ohio. Therefore, beginning with 38392  
students who enter ninth grade for the first time on or after July 38393  
1, 2012, the study of American history and American government 38394

division shall not be denied due to a delay in the school 39113  
district's receipt of any records required under section 3313.672 39114  
of the Revised Code or any other records required for enrollment. 39115

which the child's grandparent resides and the board of education 39141  
of the school district in which the child's parent resides enter 39142  
into a written agreement specifying that good cause exists for 39143  
such attendance, describing the nature of this good cause, and 39144  
consenting to such attendance. 39145

In lieu of a consent form signed by a parent, a board of 39146  
education may request the grandparent of a child attending school 39147  
in the district in which the grandparent resides pursuant to 39148  
division (F)(11) of this section to complete any consent form 39149  
required by the district, including any authorization required by 39150  
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 39151

Code. Upon request, the grandparent shall complete any consent 39152  
form required by the district. A school district shall not incur 39153  
any liability solely because of its receipt of a consent form from 39154  
a grandparent in lieu of a parent. 39155

Division (F)(11) of this section does not create, and shall 39156  
not be construed as creating, a new cause of action or substantive 39157  
legal right against a school district, a member of a board of 39158  
education, or an employee of a school district. This section does 39159  
not affect, and shall not be construed as affecting, any 39160

member, or employee. 39163

(12) A child under the age of twenty-two years is entitled to 39164  
attend school in a school district other than the district in 39165  
which the child is entitled to attend school under division (B), 39166  
(C), or (E) of this section provided that, prior to such 39167  
attendance in any school year, both of the following occur: 39168

(a) The superintendent of the district in which the child is 39169  
entitled to attend school under division (B), (C), or (E) of this 39170  
section contacts the superintendent of another district for 39171  
purposes of this division; 39172

(b) The superintendents of both districts enter into a 39173  
written agreement that consents to the attendance and specifies 39174  
that the purpose of such attendance is to protect the student's 39175  
physical or mental well-being or to deal with other extenuating 39176  
circumstances deemed appropriate by the superintendents. 39177

While an agreement is in effect under this division for a 39178  
student who is not receiving special education under Chapter 3323. 39179  
of the Revised Code and notwithstanding Chapter 3327. of the 39180  
Revised Code, the board of education of neither school district 39181  
involved in the agreement is required to provide transportation 39182

for the student to and from the school where the student attends. 39183

A student attending a school of a district pursuant to this 39184  
division shall be allowed to participate in all student 39185  
activities, including interscholastic athletics, at the school 39186  
where the student is attending on the same basis as any student 39187  
who has always attended the schools of that district while of 39188  
compulsory school age. 39189

(13) All school districts shall comply with the 39190  
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 39191

and exempted village school district shall comply with the 39193  
requirements of that act governing the provision of a free, 39194  
appropriate public education, including public preschool, to each 39195  
homeless child. 39196

When a child loses permanent housing and becomes a homeless 39197  
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 39198  
such a homeless person changes temporary living arrangements, the 39199  
child's parent or guardian shall have the option of enrolling the 39200  
child in either of the following: 39201

(a) The child's school of origin, as defined in 42 U.S.C.A. 39202  
11432(g)(3)(C); 39203

(b) The school that is operated by the school district in 39204  
which the shelter where the child currently resides is located and 39205  
that serves the geographic area in which the shelter is located. 39206

(14) A child under the age of twenty-two years who resides 39207  
with a person other than the child's parent is entitled to attend 39208  
school in the school district in which that person resides if both 39209  
of the following apply: 39210

(a) That person has been appointed, through a military power 39211  
of attorney executed under section 574(a) of the "National Defense 39212  
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 39213

U.S.C. 1044b, or through a comparable document necessary to 39214  
complete a family care plan, as the parent's agent for the care, 39215  
custody, and control of the child while the parent is on active 39216  
duty as a member of the national guard or a reserve unit of the 39217  
armed forces of the United States or because the parent is a 39218  
member of the armed forces of the United States and is on a duty 39219  
assignment away from the parent's residence. 39220

(b) The military power of attorney or comparable document 39221  
includes at least the authority to enroll the child in school. 39222

The entitlement to attend school in the district in which the 39223  
parent's agent under the military power of attorney or comparable 39224  
document resides applies until the end of the school year in which 39225  
the military power of attorney or comparable document expires. 39226

(G) A board of education, after approving admission, may 39227  
waive tuition for students who will temporarily reside in the 39228  
district and who are either of the following: 39229

(1) Residents or domiciliaries of a foreign nation who 39230

program operated by a student exchange organization. 39234

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 39235  
3327.04, and 3327.06 of the Revised Code, a child may attend 39236  
school or participate in a special education program in a school 39237  
district other than in the district where the child is entitled to 39238  
attend school under division (B) of this section. 39239

(I)(1) Notwithstanding anything to the contrary in this 39240  
section or section 3313.65 of the Revised Code, a child under 39241  
twenty-two years of age may attend school in the school district 39242  
in which the child, at the end of the first full week of October 39243  
of the school year, was entitled to attend school as otherwise 39244

provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under 39277  
division (I)(1) of this section shall be entitled to 39278  
transportation services pursuant to an agreement between the 39279  
district and the district in which the child or child's parent has 39280  
relocated unless the districts have not entered into such 39281  
agreement, in which case the child shall be entitled to 39282  
transportation services in the same manner as a pupil attending 39283  
school in the district under interdistrict open enrollment as 39284  
described in division (H) of section 3313.981 of the Revised Code, 39285  
regardless of whether the district has adopted an open enrollment 39286  
policy as described in division (B)(1)(b) or (c) of section 39287  
3313.98 of the Revised Code. 39288

(J) This division does not apply to a child receiving special 39289  
education. 39290

A school district required to pay tuition pursuant to 39291  
division (C)(2) or (3) of this section or section 3313.65 of the 39292  
Revised Code shall have an amount deducted under division (C) of 39293  
section 3317.023 of the Revised Code equal to its own tuition rate 39294  
for the same period of attendance. A school district entitled to 39295  
receive tuition pursuant to division (C)(2) or (3) of this section 39296  
or section 3313.65 of the Revised Code shall have an amount 39297  
credited under division (C) of section 3317.023 of the Revised 39298  
Code equal to its own tuition rate for the same period of 39299  
attendance. If the tuition rate credited to the district of 39300  
attendance exceeds the rate deducted from the district required to 39301  
pay tuition, the department of education shall pay the district of 39302  
attendance the difference from amounts deducted from all 39303  
districts' payments under division (C) of section 3317.023 of the 39304  
Revised Code but not credited to other school districts under such 39305  
division and from appropriations made for such purpose. The 39306  
treasurer of each school district shall, by the fifteenth day of 39307  
January and July, furnish the superintendent of public instruction 39308

a report of the names of each child who attended the district's schools under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code during the preceding six calendar months, the duration of the attendance of those children, the school district responsible for tuition on behalf of the child, and any other information that the superintendent requires.

Upon receipt of the report the superintendent, pursuant to division (C) of section 3317.023 of the Revised Code, shall deduct each district's tuition obligations under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code and pay to the district of attendance that amount plus any amount required to be paid by the state.

(K) In the event of a disagreement, the superintendent of public instruction shall determine the school district in which the parent resides.

(L) Nothing in this section requires or authorizes, or shall be construed to require or authorize, the admission to a public school in this state of a pupil who has been permanently excluded from public school attendance by the superintendent of public instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code.

(M) In accordance with division (B)(1) of this section, a child whose parent is a member of the national guard or a reserve unit of the armed forces of the United States and is called to active duty, or a child whose parent is a member of the armed forces of the United States and is ordered to a temporary duty assignment outside of the district, may continue to attend school in the district in which the child's parent lived before being called to active duty or ordered to a temporary duty assignment outside of the district, as long as the child's parent continues to be a resident of that district, and regardless of where the child lives as a result of the parent's active duty status or

temporary duty assignment. However, the district is not 39341  
responsible for providing transportation for the child if the 39342  
child lives outside of the district as a result of the parent's 39343  
active duty status or temporary duty assignment. 39344

**Sec. 3313.6410.** This section applies to any school that is 39345  
operated by a school district and in which the enrolled students 39346  
work primarily on assignments in nonclassroom-based learning 39347  
opportunities provided via an internet- or other computer-based 39348  
instructional method. 39349

(A) Any school to which this section applies shall withdraw 39350  
from the school any student who, for two consecutive school years 39351  
of enrollment in the school, has failed to participate in the 39352  
spring administration of any assessment prescribed under section 39353  
3301.0710 or 3301.0712 of the Revised Code for the student's grade 39354  
level and was not excused from the assessment pursuant to division 39355  
(C)(1) or (3) of section 3301.0711 of the Revised Code, regardless 39356  
of whether a waiver was granted for the student under division (E) 39357  
of section 3317.03 of the Revised Code. The school shall report 39358  
any such student's data verification code, as assigned pursuant to 39359  
section 3301.0714 of the Revised Code, to the department of 39360  
education to be added to the list maintained by the department 39361  
under section 3314.26 of the Revised Code. 39362

(B) No school to which this section applies shall receive any 39363  
state funds under Chapter 3317. of the Revised Code for any 39364  
enrolled student whose data verification code appears on the list 39365  
maintained by the department under section 3314.26 of the Revised 39366  
Code. Notwithstanding any provision of the Revised Code to the 39367  
contrary, the parent of any such student shall pay tuition to the 39368  
school district that operates the school in an amount equal to the 39369  
state funds the district otherwise would receive for that student, 39370  
as determined by the department. A school to which this section 39371

applies may withdraw any student for whom the parent does not pay 39372  
tuition as required by this division. 39373

licensed health professionals, or who have completed a drug 39397  
administration training program conducted by a licensed health 39398  
professional and considered appropriate by the board, may 39399  
administer to a student a drug prescribed for the student. Except 39400  
as otherwise provided by federal law, the board's policy may 39401

provide that certain drugs or types of drugs shall not be 39402  
administered or that no employee shall use certain procedures, 39403  
such as injection, to administer a drug to a student. 39404

(C) No drug prescribed for a student shall be administered 39405

by the prescriber to the board or a person designated by the board 39429  
if any of the information provided by the prescriber pursuant to 39430

division (C)(2) of this section changes. 39431

(4) The person authorized by the board to administer the drug 39432

required by division (C)(1) and the statements required by 39442  
divisions (C)(2) and (3) of this section and shall ensure that by 39443  
the next school day following the receipt of any such statement a 39444

adopted under this section either by name or by position, 39463

(G) A policy adopted by a board of education pursuant to this 39465  
section may be changed, modified, or revised by action of the 39466  
board. 39467

(H) Nothing in this section shall be construed to require a 39468  
person employed by a board of education to administer a drug to a 39469  
student unless the board's policy adopted in compliance with this 39470  
section establishes such a requirement. A board shall not require 39471  
an employee to administer a drug to a student if the employee 39472  
objects, on the basis of religious convictions, to administering 39473  
the drug. 39474

Nothing in this section affects the application of section 39475

the Revised Code to the administration of emergency care or 39477  
treatment to a student. 39478

Nothing in this section affects the ability of a public or 39479  
nonpublic school to participate in a school-based fluoride mouth 39480  
rinse program established by the director of health pursuant to 39481  
section 3701.136 of the Revised Code. Nothing in this section 39482  
affects the ability of a person who is employed by, or who 39483  
volunteers for, a school that participates in such a program to 39484  
administer fluoride mouth rinse to a student in accordance with 39485  
section 3701.136 of the Revised Code and any rules adopted by the 39486  
director under that section. 39487

(I) Nothing in this section shall be construed to require a 39488  
school district to obtain written authorization or instructions 39489  
from a health care provider to apply nonprescription topical 39490  
ointments designed to prevent sunburn. Furthermore, nothing in 39491  
this section shall be construed to prohibit a student to possess 39492

and self-apply nonprescription topical ointment designed to 39493  
prevent sunburn while on school property or at a school-sponsored 39494  
event without written authorization or instructions from a 39495  
healthcare provider. The policy adopted by a school district 39496  
pursuant to this section shall not require written authorization 39497  
from a health care provider, but may require parental 39498  
authorization, for the possession or application of such 39499  
sunscreen. A designated person employed by the board of education 39500  
of a school district shall apply sunscreen to a student in 39501  
accordance with the school district's policy upon request. 39502

Code. 39508

(B)(1) The board of education of each school district may 39509  
require the placement of an automated external defibrillator in 39510

2018, pursuant to section 3313.6023 of the Revised Code, all 39512  
persons employed by a school district shall receive training in 39513  
the use of an automated external defibrillator in accordance with 39514  
that section, except for substitutes, adult education instructors 39515  
who are scheduled to work the full-time equivalent of less than 39516  
one hundred twenty days per school year, or persons who are 39517

(2) The administrative authority of each chartered nonpublic 39521  
school may require the placement of an automated external 39522  
defibrillator in each school under the control of the authority. 39523

If an authority requires the placement of an automated external 39524  
defibrillator as provided in this section, the authority also 39525  
shall require that a sufficient number of the staff persons 39526  
assigned to each school under the control of the authority 39527  
successfully complete an appropriate training course in the use of 39528  
an automated external defibrillator as described in section 39529  
3701.85 of the Revised Code. 39530

(C) In regard to the use of an automated external 39531  
defibrillator that is placed in a school as specified in this 39532  
section, and except in the case of willful or wanton misconduct or 39533  
when there is no good faith attempt to activate an emergency 39534  
medical services system in accordance with section 3701.85 of the 39535  
Revised Code, no person shall be held liable in civil damages for 39536  
injury, death, or loss to person or property, or held criminally 39537  
liable, for performing automated external defibrillation in good 39538  
faith, regardless of whether the person has obtained appropriate 39539  
training on how to perform automated external defibrillation or 39540  
successfully completed a course in cardiopulmonary resuscitation. 39541

(D) The board of education of each school district and the 39561  
governing board of each educational service center shall adopt a 39562  
policy providing for the enforcement of division (B) of this 39563  
section and establishing disciplinary measures for a violation of 39564

test results, and any sectarian or other organizational 39992  
affiliations. 39993

(E)(1) Only for the purpose of administering the pilot 39994  
project scholarship program, the department may request from any 39995  
of the following entities the data verification code assigned 39996  
under division (D)(2) of section 3301.0714 of the Revised Code to 39997  
any student who is seeking a scholarship under the program: 39998

(a) The school district in which the student is entitled to 39999  
attend school under section 3313.64 or 3313.65 of the Revised 40000

(2) Upon a request by the department under division (E)(1) of 40006  
this section for the data verification code of a student seeking a 40007  
scholarship or a request by the student's parent for that code, 40008  
the school district or community school shall submit that code to 40009  
the department or parent in the manner specified by the 40010  
department. If the student has not been assigned a code, because 40011  
the student will be entering kindergarten during the school year 40012

for which the scholarship is sought, the district shall assign a 40013  
code to that student and submit the code to the department or 40014  
parent by a date specified by the department. If the district does 40015  
not assign a code to the student by the specified date, the 40016  
department shall assign a code to the student. 40017

The department annually shall submit to each school district 40018  
the name and data verification code of each student residing in 40019  
the district who is entering kindergarten, who has been awarded a 40020  
scholarship under the program, and for whom the department has 40021  
assigned a code under this division. 40022

(3) The department shall not release any data verification 40023  
code that it receives under division (E) of this section to any 40024  
person except as provided by law. 40025

(F) Any document relative to the pilot project scholarship 40026  
program that the department holds in its files that contains both 40027  
a student's name or other personally identifiable information and 40028  
the student's data verification code shall not be a public record 40029  
under section 149.43 of the Revised Code. 40030

(G)(1) The department annually shall compile the scores 40031  
attained by scholarship students enrolled in registered private 40032  
schools on the assessments administered to the students pursuant 40033  
to division (A)(11) of section 3313.976 of the Revised Code. The 40034  
scores shall be aggregated as follows: 40035

(a) By school district, which shall include all scholarship 40036  
students residing in the pilot project school district who are 40037  
enrolled in a registered private school and were required to take 40038  
an assessment pursuant to division (A)(11) of section 3313.976 of 40039  
the Revised Code; 40040

(b) By registered private school, which shall include all 40041  
scholarship students enrolled in that school who were required to 40042  
take an assessment pursuant to division (A)(11) of section 40043

3313.976 of the Revised Code.	40044
(2) The department shall disaggregate the student performance data described in division (G)(1) of this section according to the following categories:	40045
(a) Grade level;	40046
(b) Race and ethnicity;	40047
(c) Gender;	40048
(d) Students who have participated in the scholarship program for three or more years;	40049
(e) Students who have participated in the scholarship program for more than one year and less than three years;	40050
(f) Students who have participated in the scholarship program for one year or less;	40051
(g) Economically disadvantaged students.	40052
(3) The department shall post the student performance data required under divisions (G)(1) and (2) of this section on its web site and shall include that data in the information about the scholarship program provided to students under division (A) of this section. In reporting student performance data under this division, the department shall not include any data that is statistically unreliable or that could result in the identification of individual students. For this purpose, the department shall not report performance data for any group that contains less than ten students.	40053
(4) The department shall provide the parent of each scholarship student enrolled in a registered private school with information comparing the student's performance on the assessments administered pursuant to division (A)(11) of section 3313.976 of the Revised Code with the average performance of similar students enrolled in the building operated by the pilot project school	40054

**Sec. 3314.016.** This section applies to any entity that 40078  
sponsors a community school, regardless of whether section 40079  
3314.021 or 3314.027 of the Revised Code exempts the entity from 40080  
the requirement to be approved for sponsorship under divisions 40081  
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 40082  
office of Ohio school sponsorship established under section 40083  
3314.029 of the Revised Code shall be rated under division (B) of 40084  
this section, but divisions (A) and (C) of this section do not 40085  
apply to the office. 40086

(A) An entity that sponsors a community school shall be 40087  
permitted to enter into contracts under section 3314.03 of the 40088  
Revised Code to sponsor additional community schools only if the 40089  
entity meets all of the following criteria: 40090

(1) The entity is in compliance with all provisions of this 40091  
chapter requiring sponsors of community schools to report data or 40092  
information to the department of education. 40093

(2) The entity is not rated as "ineffective" under division 40094  
(B)(6) of this section. 40095

(3) Except as set forth in sections 3314.021 and 3314.027 of 40096  
the Revised Code, the entity has received approval from and 40097  
entered into an agreement with the department of education 40098  
pursuant to section 3314.015 of the Revised Code. 40099

(B)(1) Beginning with the 2015-2016 school year, the 40100  
department shall develop and implement an evaluation system that 40101  
annually rates and assigns an overall rating to each entity that 40102  
sponsors a community school. That evaluation system shall be 40103

developed and posted on the department's web site by the fifteenth 40104  
day of July of each school year. Any changes to the evaluation 40105  
system after that date shall take effect the following year. The 40106  
evaluation system shall be based on the following components: 40107

(a) Academic performance of students enrolled in community 40108  
schools sponsored by the same entity. The academic performance 40109  
component shall be derived from the performance measures 40110  
prescribed for the state report cards under section 3302.03 or 40111  
3314.017 of the Revised Code, and shall be based on the 40112  
performance of the schools for the school year for which the 40113  
evaluation is conducted. In addition to the academic performance 40114  
for a specific school year, the academic performance component 40115  
shall also include year-to-year changes in the overall sponsor 40116  
portfolio. For a community school for which no graded performance 40117  
measures are applicable or available, the department shall use 40118  
nonreport card performance measures specified in the contract 40119  
between the community school and the sponsor under division (A)(4) 40120  
of section 3314.03 of the Revised Code. 40121

If the department uses a component prescribed under division 40122  
(C)(3) of section 3302.03 of the Revised Code to calculate the 40123  
academic performance component specified under division (B)(1)(a) 40124  
of this section, the department shall weight the progress 40125  
component specified under division (C)(3)(c) of section 3302.03 of 40126  
the Revised Code at sixty per cent of the total score for the 40127  
academic performance component under this section. 40128

(b) Adherence by a sponsor to the quality practices 40129  
prescribed by the department under division (B)(3) of this 40130  
section. For a sponsor that was rated "effective" or "exemplary" 40131  
on its most recent rating, the department may evaluate that 40132  
sponsor's adherence to quality practices once over a period of 40133  
three years. If the department elects to evaluate a sponsor once 40134  
over a period of three years, the most recent rating for a 40135

sponsor's adherence to quality practices shall be used when 40136  
determining an annual overall rating conducted under this section. 40137

(c) Compliance with all applicable laws and administrative 40138  
rules by an entity that sponsors a community school. 40139

(2) In calculating an academic performance component, the 40140  
department shall exclude all community schools that have been in 40141  
operation for not more than two full school years and all 40142  
community schools described in division (A)(4)(b) of section 40143  
3314.35 of the Revised Code. However, the academic performance of 40144  
the community schools described in division (A)(4)(b) of section 40145  
3314.35 of the Revised Code shall be reported, but shall not be 40146  
used as a factor when determining a sponsoring entity's rating 40147  
under this section. 40148

(3) The department, in consultation with entities that 40149  
sponsor community schools, shall prescribe quality practices for 40150  
community school sponsors and develop an instrument to measure 40151  
adherence to those quality practices. The quality practices shall 40152  
be based on standards developed by the national association of 40153  
charter school authorizers or any other nationally organized 40154  
community school organization. 40155

(4)(a) The department may permit peer review of a sponsor's 40156  
adherence to the quality practices prescribed under division 40157  
(B)(3) of this section. Peer reviewers shall be limited to 40158  
individuals employed by sponsors rated "effective" or "exemplary" 40159  
on the most recent ratings conducted under this section. 40160

(b) The department shall require individuals participating in 40161  
peer review under division (B)(4)(a) of this section to complete 40162  
training approved or established by the department. 40163

(c) The department may enter into an agreement with another 40164  
entity to provide training to individuals conducting peer review 40165  
of sponsors. Prior to entering into an agreement with an entity, 40166

the department shall review and approve of the entity's training program. 40167  
40168

(5) Not later than July 1, 2013, the state board of education shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B)(1)(c) of this section. 40169  
40170  
40171  
40172  
40173

(6) The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component is weighted equally. A separate rating shall be given by the department for each component of the evaluation system. 40174  
40175  
40176  
40177  
40178  
40179

The department shall publish the ratings between the first day of October and the fifteenth day of ~~October~~ November. 40180  
40181

Prior to the publication of the final ratings, the department shall designate and provide notice of a period of at least ten business days during which each sponsor may review the information used by the department to determine the sponsor's rating on the components prescribed by divisions (B)(1)(b) and (c) of this section. If the sponsor believes there is an error in the department's evaluation, the sponsor may request adjustments to the rating of either of those components based on documentation previously submitted as part of an evaluation. The sponsor shall provide to the department any necessary evidence or information to support the requested adjustments. The department shall review the evidence and information, determine whether an adjustment is valid, and promptly notify the sponsor of its determination and reasons. If any adjustments to the data could result in a change to the rating on the applicable component or to the overall rating, the department shall recalculate the ratings prior to publication. 40182

40198

The department shall provide training on an annual basis 40199  
regarding the evaluation system prescribed under this section. The 40200  
training shall, at a minimum, describe methodology, timelines, and 40201  
data required for the evaluation system. The first training 40202  
session shall occur not later than ~~thirty days after the effective~~ 40203  
~~date of this section~~ March 2, 2016. Beginning in 2018, the 40204  
training shall be made available to each entity that sponsors a 40205  
community school by the fifteenth day of July of each year and 40206  
shall include guidance on any changes made to the evaluation 40207  
system. 40208

If the department uses a points system to determine component 40209  
ratings and overall ratings under this section, the department 40210  
shall not assign an automatic overall rating to an entity based 40211  
solely on the entity receiving an equivalent score of zero points 40212  
on one or more of the individual components prescribed in division 40213  
(B)(1)(b) or (c) of this section. An overall rating shall be the 40214  
cumulative score of the individual components prescribed under 40215  
this section unless the entity receives a score of zero on the 40216  
academic performance component prescribed in division (B)(1)(a) of 40217  
this section. 40218

(7)(a) Entities with an overall rating of "exemplary" for at 40219  
least two consecutive years may take advantage of the following 40220  
incentives: 40221

(i) Renewal of the written agreement with the department, not 40222  
to exceed ten years, provided that the entity consents to 40223  
continued evaluation of adherence to quality practices as 40224  
described in division (B)(1)(b) of this section; 40225

(ii) The ability to extend the term of the contract between 40226  
the sponsoring entity and the community school beyond the term 40227  
described in the written agreement with the department; 40228

(iii) An exemption from the preliminary agreement and 40229

contract adoption and execution deadline requirements prescribed 40230  
in division (D) of section 3314.02 of the Revised Code; 40231

(iv) An exemption from the automatic contract expiration 40232  
requirement, should a new community school fail to open by the 40233  
thirtieth day of September of the calendar year in which the 40234  
community school contract is executed; 40235

(v) No limit on the number of community schools the entity 40236  
may sponsor; 40237

(vi) No territorial restrictions on sponsorship. 40238

An entity may continue to sponsor any community schools with 40239  
which it entered into agreements under division (B)(7)(a)(v) or 40240  
(vi) of this section while rated "exemplary," notwithstanding the 40241  
fact that the entity later receives a lower overall rating. 40242

(b)(i) Entities that receive an overall rating of 40243  
"ineffective" shall be prohibited from sponsoring any new or 40244  
additional community schools during the time in which the sponsor 40245  
is rated as "ineffective" and shall be subject to a quality 40246  
improvement plan based on correcting the deficiencies that led to 40247  
the "ineffective" rating, with timelines and benchmarks that have 40248  
been established by the department. 40249

(ii) Entities that receive an overall rating of "ineffective" 40250  
on their three most recent ratings shall have all sponsorship 40251  
authority revoked. Within thirty days after receiving its third 40252  
rating of "ineffective," the entity may appeal the revocation of 40253  
its sponsorship authority to the superintendent of public 40254  
instruction, who shall appoint an independent hearing officer to 40255  
conduct a hearing in accordance with Chapter 119. of the Revised 40256  
Code. The hearing shall be conducted within thirty days after 40257  
receipt of the notice of appeal. Within forty-five days after the 40258  
hearing is completed, the state board of education shall determine 40259  
whether the revocation is appropriate based on the hearing 40260

conducted by the independent hearing officer, and if determined 40261  
appropriate, the revocation shall be confirmed. 40262

(c) Entities that receive an overall rating of "poor" shall 40263  
have all sponsorship authority revoked. Within thirty days after 40264  
receiving a rating of "poor," the entity may appeal the revocation 40265  
of its sponsorship authority to the superintendent of public 40266  
instruction, who shall appoint an independent hearing officer to 40267  
conduct a hearing in accordance with Chapter 119. of the Revised 40268  
Code. The hearing shall be conducted within thirty days after 40269  
receipt of the notice of appeal. Within forty-five days after the 40270  
hearing is completed, the state board of education shall determine 40271  
whether the revocation is appropriate based on the hearing 40272  
conducted by the independent hearing officer, and if determined 40273  
appropriate, the revocation shall be confirmed. 40274

(d) Notwithstanding division (F)(3) of section 3314.02 of the 40275  
Revised Code and the agreement entered into with the department 40276  
under section 3314.015 of the Revised Code, an entity that is an 40277  
educational service center that receives an overall rating of 40278  
"effective" or higher may sponsor a community school regardless of 40279  
whether it is located in a county within the service territory of 40280  
the service center or in a contiguous county. 40281

(8) For the 2014-2015 school year and each school year 40282  
thereafter, student academic performance prescribed under division 40283  
(B)(1)(a) of this section shall include student academic 40284  
performance data from community schools that primarily serve 40285  
students enrolled in a dropout prevention and recovery program. 40286

(C) If the governing authority of a community school enters 40287  
into a contract with a sponsor prior to the date on which the 40288  
sponsor is prohibited from sponsoring additional schools under 40289  
division (A) of this section and the school has not opened for 40290  
operation as of that date, that contract shall be void and the 40291  
school shall not open until the governing authority secures a new 40292

sponsor by entering into a contract with the new sponsor under 40293  
section 3314.03 of the Revised Code. However, the department's 40294  
office of Ohio school sponsorship, established under section 40295  
3314.029 of the Revised Code, may assume the sponsorship of the 40296  
school until the earlier of the expiration of two school years or 40297  
until a new sponsor is secured by the school's governing 40298  
authority. A community school sponsored by the department under 40299  
this division shall not be included when calculating the maximum 40300  
number of directly authorized community schools permitted under 40301  
division (A)(3) of section 3314.029 of the Revised Code. 40302

(D) When an entity's authority to sponsor schools is revoked 40303  
pursuant to division (B)(7)(b) or (c) of this section, the office 40304  
of Ohio school sponsorship shall assume sponsorship of any schools 40305  
with which the original sponsor has contracted for the remainder 40306  
of that school year. The office may continue sponsoring those 40307  
schools until the earlier of: 40308

(1) The expiration of two school years from the time that 40309  
sponsorship is revoked; 40310

(2) When a new sponsor is secured by the governing authority 40311  
pursuant to division (C)(1) of section 3314.02 of the Revised 40312  
Code. 40313

Any community school sponsored under this division shall not 40314  
be counted for purposes of directly authorized community schools 40315  
under division (A)(3) of section 3314.029 of the Revised Code. 40316

**Sec. 3314.03.** A copy of every contract entered into under 40317  
this section shall be filed with the superintendent of public 40318  
instruction. The department of education shall make available on 40319  
its web site a copy of every approved, executed contract filed 40320  
with the superintendent under this section. 40321

(A) Each contract entered into between a sponsor and the 40322

governing authority of a community school shall specify the 40323  
following: 40324

(1) That the school shall be established as either of the 40325  
following: 40326

school's mission, the characteristics of the students the school 40332  
is expected to attract, the ages and grades of students, and the 40333  
focus of the curriculum; 40334

(3) The academic goals to be achieved and the method of 40335  
measurement that will be used to determine progress toward those 40336  
goals, which shall include the statewide achievement assessments; 40337

(4) Performance standards, including but not limited to all 40338  
applicable report card measures set forth in section 3302.03 or 40339  
3314.017 of the Revised Code, by which the success of the school 40340  
will be evaluated by the sponsor; 40341

(5) The admission standards of section 3314.06 of the Revised 40342  
Code and, if applicable, section 3314.061 of the Revised Code; 40343

(6)(a) Dismissal procedures; 40344

(b) A requirement that the governing authority adopt an 40345  
attendance policy that includes a procedure for automatically 40346  
withdrawing a student from the school if the student without a 40347  
legitimate excuse fails to participate in one hundred five 40348  
consecutive hours of the learning opportunities offered to the 40349  
student. 40350

(7) The ways by which the school will achieve racial and 40351  
ethnic balance reflective of the community it serves; 40352

(8) Requirements for financial audits by the auditor of state. school. 40383

(c) The school will be nonsectarian in its programs, 40384

(D) A board of education sponsoring a community school may utilize local funds to make enhancement grants to the school or

may agree, either as part of the contract or separately, to 40935  
provide any specific services to the community school at no cost 40936  
to the school. 40937

(E) A community school may not levy taxes or issue bonds 40938  
secured by tax revenues. 40939

(F) No community school shall charge tuition for the 40940  
enrollment of any student who is a resident of this state. A 40941  
community school may charge tuition for the enrollment of any 40942  
student who is not a resident of this state. 40943

(G)(1)(a) A community school may borrow money to pay any 40944  
necessary and actual expenses of the school in anticipation of the 40945  
receipt of any portion of the payments to be received by the 40946  
school pursuant to division (C) of this section. The school may 40947

(b) A school may also borrow money for a term not to exceed 40951

(2) Except for any amount guaranteed under section 3318.50 of 40953  
the Revised Code, the state is not liable for debt incurred by the 40954  
governing authority of a community school. 40955

(H) The department of education shall adjust the amounts 40956  
subtracted and paid under division (C) of this section to reflect 40957  
any enrollment of students in community schools for less than the 40958  
equivalent of a full school year. The state board of education 40959  
within ninety days after April 8, 2003, shall adopt in accordance 40960  
with Chapter 119. of the Revised Code rules governing the payments 40961

in a school year and adjustments and reductions made in subsequent 40963  
periodic payments to community schools and corresponding 40964  
deductions from school district accounts as provided under 40965

division (C) of this section. For purposes of this section: 40966

(1) A student shall be considered enrolled in the community 40967  
school for any portion of the school year the student is 40968  
participating at a college under Chapter 3365. of the Revised 40969  
Code. 40970

(2) A student shall be considered to be enrolled in a 40971  
community school for the period of time beginning on the later of 40972  
the date on which the school both has received documentation of 40973  
the student's enrollment from a parent and the student has 40974  
commenced participation in learning opportunities as defined in 40975  
the contract with the sponsor, or thirty days prior to the date on 40976  
which the student is entered into the education management 40977  
information system established under section 3301.0714 of the 40978  
Revised Code. For purposes of applying this division and divisions 40979  
(H)(3) and (4) of this section to a community school student, 40980  
"learning opportunities" shall be defined in the contract, which 40981  
shall describe both classroom-based and non-classroom-based 40982  
learning opportunities and shall be in compliance with criteria 40983  
and documentation requirements for student participation which 40984  
shall be established by the department. Any student's instruction 40985  
time in non-classroom-based learning opportunities shall be 40986  
certified by an employee of the community school. A student's 40987  
enrollment shall be considered to cease on the date on which any 40988  
of the following occur: 40989

(a) The community school receives documentation from a parent 40990  
terminating enrollment of the student. 40991

(b) The community school is provided documentation of a 40992  
student's enrollment in another public or private school. 40993

(c) The community school ceases to offer learning 40994  
opportunities to the student pursuant to the terms of the contract 40995  
with the sponsor or the operation of any provision of this 40996

chapter. 40997

Except as otherwise specified in this paragraph, beginning in 40998  
the 2011-2012 school year, any student who completed the prior 40999  
school year in an internet- or computer-based community school 41000  
shall be considered to be enrolled in the same school in the 41001  
subsequent school year until the student's enrollment has ceased 41002  
as specified in division (H)(2) of this section. The department 41003  
shall continue subtracting and paying amounts for the student 41004  
under division (C) of this section without interruption at the 41005  
start of the subsequent school year. However, if the student 41006  
without a legitimate excuse fails to participate in the first one 41007  
hundred five consecutive hours of learning opportunities offered 41008  
to the student in that subsequent school year, the student shall 41009  
be considered not to have re-enrolled in the school for that 41010  
school year and the department shall recalculate the payments to 41011  
the school for that school year to account for the fact that the 41012  
student is not enrolled. 41013

(3) The department shall determine each community school 41014  
student's percentage of full-time equivalency based on the 41015  
percentage of learning opportunities offered by the community 41016  
school to that student, reported either as number of hours or 41017  
number of days, is of the total learning opportunities offered by 41018  
the community school to a student who attends for the school's 41019  
entire school year. However, no internet- or computer-based 41020  
community school shall be credited for any time a student spends 41021  
participating in learning opportunities beyond ten hours within 41022  
any period of twenty-four consecutive hours. Whether it reports 41023  
hours or days of learning opportunities, each community school 41024  
shall offer not less than nine hundred twenty hours of learning 41025  
opportunities during the school year. 41026

(4) With respect to the calculation of full-time equivalency 41027  
under division (H)(3) of this section, the department shall waive 41028

the number of hours or days of learning opportunities not offered 41029  
to a student because the community school was closed during the 41030  
school year due to disease epidemic, hazardous weather conditions, 41031  
law enforcement emergencies, inoperability of school buses or 41032  
other equipment necessary to the school's operation, damage to a 41033  
school building, or other temporary circumstances due to utility 41034  
failure rendering the school building unfit for school use, so 41035  
long as the school was actually open for instruction with students 41036  
in attendance during that school year for not less than the 41037  
minimum number of hours required by this chapter. The department 41038  
shall treat the school as if it were open for instruction with 41039  
students in attendance during the hours or days waived under this 41040  
division. 41041

(I) The department of education shall reduce the amounts paid 41042  
under this section to reflect payments made to colleges under 41043  
section 3365.07 of the Revised Code. 41044

(J)(1) No student shall be considered enrolled in any 41045  
internet- or computer-based community school or, if applicable to 41046  
the student, in any community school that is required to provide 41047  
the student with a computer pursuant to division (C) of section 41048  
3314.22 of the Revised Code, unless both of the following 41049  
conditions are satisfied: 41050

(a) The student possesses or has been provided with all 41051  
required hardware and software materials and all such materials 41052  
are operational so that the student is capable of fully 41053  
participating in the learning opportunities specified in the 41054  
contract between the school and the school's sponsor as required 41055  
by division (A)(23) of section 3314.03 of the Revised Code; 41056

(b) The school is in compliance with division (A) of section 41057  
3314.22 of the Revised Code, relative to such student. 41058

(2) In accordance with policies adopted jointly by the 41059

superintendent of public instruction and the auditor of state, the 41060  
department shall reduce the amounts otherwise payable under 41061  
division (C) of this section to any community school that includes 41062  
in its program the provision of computer hardware and software 41063  
materials to any student, if such hardware and software materials 41064  
have not been delivered, installed, and activated for each such 41065  
student in a timely manner or other educational materials or 41066  
services have not been provided according to the contract between 41067  
the individual community school and its sponsor. 41068

The superintendent of public instruction and the auditor of 41069  
state shall jointly establish a method for auditing any community 41070  
school to which this division pertains to ensure compliance with 41071  
this section. 41072

The superintendent, auditor of state, and the governor shall 41073  
jointly make recommendations to the general assembly for 41074  
legislative changes that may be required to assure fiscal and 41075  
academic accountability for such schools. 41076

(K)(1) If the department determines that a review of a 41077  
community school's enrollment is necessary, such review shall be 41078  
completed and written notice of the findings shall be provided to 41079  
the governing authority of the community school and its sponsor 41080  
within ninety days of the end of the community school's fiscal 41081  
year, unless extended for a period not to exceed thirty additional 41082  
days for one of the following reasons: 41083

(a) The department and the community school mutually agree to 41084  
the extension. 41085

(b) Delays in data submission caused by either a community 41086  
school or its sponsor. 41087

(2) If the review results in a finding that additional 41088  
funding is owed to the school, such payment shall be made within 41089  
thirty days of the written notice. If the review results in a 41090

finding that the community school owes moneys to the state, the 41091  
following procedure shall apply: 41092

(a) Within ten business days of the receipt of the notice of 41093  
findings, the community school may appeal the department's 41094  
determination to the state board of education or its designee. 41095

(b) The board or its designee shall conduct an informal 41096  
hearing on the matter within thirty days of receipt of such an 41097  
appeal and shall issue a decision within fifteen days of the 41098  
conclusion of the hearing. 41099

(c) If the board has enlisted a designee to conduct the 41100  
hearing, the designee shall certify its decision to the board. The 41101  
board may accept the decision of the designee or may reject the 41102  
decision of the designee and issue its own decision on the matter. 41103

(d) Any decision made by the board under this division is 41104  
final. 41105

(3) If it is decided that the community school owes moneys to 41106  
the state, the department shall deduct such amount from the 41107  
school's future payments in accordance with guidelines issued by 41108  
the superintendent of public instruction. 41109

(L) The department shall not subtract from a school 41110  
district's state aid account and shall not pay to a community 41111  
school under division (C) of this section any amount for any of 41112  
the following: 41113

(1) Any student who has graduated from the twelfth grade of a 41114  
public or nonpublic high school; 41115

(2) Any student who is not a resident of the state; 41116

(3) Any student who was enrolled in the community school 41117  
during the previous school year when assessments were administered 41118  
under section 3301.0711 of the Revised Code but did not take one 41119  
or more of the assessments required by that section and was not 41120

excused pursuant to division (C)(1) or (3) of that section, unless 41121  
the superintendent of public instruction grants the student a 41122  
waiver from the requirement to take the assessment and a parent is 41123  
not paying tuition for the student pursuant to section 3314.26 of 41124  
the Revised Code. The superintendent may grant a waiver only for 41125  
good cause in accordance with rules adopted by the state board of 41126  
education. 41127

(4) Any student who has attained the age of twenty-two years, 41128  
except for veterans of the armed services whose attendance was 41129  
interrupted before completing the recognized twelve-year course of 41130  
the public schools by reason of induction or enlistment in the 41131  
armed forces and who apply for enrollment in a community school 41132  
not later than four years after termination of war or their 41133  
honorable discharge. If, however, any such veteran elects to 41134  
enroll in special courses organized for veterans for whom tuition 41135  
is paid under federal law, or otherwise, the department shall not 41136  
subtract from a school district's state aid account and shall not 41137  
pay to a community school under division (C) of this section any 41138  
amount for that veteran. 41139

**Sec. 3314.26.** (A) Each internet- or computer-based community 41140  
school shall withdraw from the school any student who, for two 41141  
consecutive school years of enrollment in the school, has failed 41142

provide that list to each internet- or computer-based community 41154

computer-based community school may withdraw any student for whom 41166  
the parent does not pay tuition as required by this division. 41167

41186

(C) The resolution adopted by the governing authority shall not be effective unless approved by the school's sponsor. Following approval of the resolution by the sponsor, and by the fifteenth day of March prior to the school year in which it will take effect, the governing authority shall file the resolution with the department of education. The division of the schools shall be effective on the first day of July succeeding the date the resolution is filed with the department. 41187  
41188  
41189  
41190  
41191  
41192  
41193  
41194

(D) All of the following shall apply to each new school created as a result of the resolution authorized by this section and to the school that is divided as a result of the resolution: 41195

41205

(5) Notwithstanding anything to the contrary in division (B)(2) of section 3314.016 of the Revised Code, each school shall be included in the calculation of the academic performance component for purposes of rating the schools' sponsor under the evaluation system prescribed by that section. 41206  
41207  
41208  
41209  
41210

For purposes of the report cards and other reporting requirements under this chapter, the department shall assign the school that serves the highest grades the same internal retrieval number previously used by the school that is divided under this section. The department shall assign a new internal retrieval number to each other school resulting from the division. 41214

**Sec. 3316.20.** (A)(1) The school district solvency assistance fund is hereby created in the state treasury, to consist of such amounts designated for the purposes of the fund by the general assembly. The fund shall be used to provide assistance and grants to school districts to enable them to remain solvent and to pay unforeseeable expenses of a temporary or emergency nature that they are unable to pay from existing resources. 41230  
41231  
41232  
41233  
41234  
41235  
41236

(2) There is hereby created within the fund an account known as the school district shared resource account, which shall consist of money appropriated to it by the general assembly. The money in the account shall be used solely for solvency assistance to school districts that have been declared under division (B) of section 3316.03 of the Revised Code to be in a state of fiscal emergency. 41237  
41238  
41239  
41240  
41241  
41242  
41243

(3) There is hereby created within the fund an account known 41244  
as the catastrophic expenditures account, which shall consist of 41245  
money appropriated to the account by the general assembly plus all 41246  
investment earnings of the fund. Money in the account shall be 41247  
used solely for the following: 41248

(a) Solvency assistance to school districts that have been 41249  
declared under division (B) of section 3316.03 of the Revised Code 41250  
to be in a state of fiscal emergency, in the event that all money 41251  
in the shared resource account is utilized for solvency 41252  
assistance; 41253

(b) Grants to school districts under division (C) of this 41254  
section. 41255

(B) Solvency assistance payments under division (A)(2) or 41256  
(3)(a) of this section shall be made from the fund by the 41257  
superintendent of public instruction in accordance with rules 41258  
adopted by the director of budget and management, after consulting 41259  
with the superintendent, specifying approval criteria and 41260  
procedures necessary for administering the fund. 41261

The fund shall be reimbursed for any solvency assistance 41262  
amounts paid under division (A)(2) or (3)(a) of this section not 41263  
later than the end of the second fiscal year following the fiscal 41264  
year in which the solvency assistance payment was made, except 41265  
that, upon the approval of the director of budget and management 41266  
and the superintendent of public instruction, the fund may be 41267  
reimbursed in another fiscal year designated by the director and 41268  
superintendent that is not later than the end of the tenth fiscal 41269  
year following the fiscal year in which the solvency assistance 41270  
payment was made. If not made directly by the school district, 41271  
such reimbursement shall be made by the director of budget and 41272  
management from the amounts the school district would otherwise 41273  
receive pursuant to Chapter 3317. of the Revised Code, or from any 41274  
other funds appropriated for the district by the general assembly. 41275

Reimbursements shall be credited to the respective account from 41276  
which the solvency assistance paid to the district was deducted. 41277

(C) The superintendent of public instruction may make 41278  
recommendations, and the controlling board may grant money from 41279  
the catastrophic expenditures account to any school district that 41280  
suffers an unforeseen catastrophic event that severely depletes 41281  
the district's financial resources. The superintendent shall make 41282  
recommendations for the grants in accordance with rules adopted by 41283  
the director of budget and management, after consulting with the 41284  
superintendent. A school district shall not be required to repay 41285  
any grant awarded to the district under this division, unless the 41286  
district receives money from this state or a third party, 41287  
including an agency of the government of the United States, 41288  
specifically for the purpose of compensating the district for 41289  
revenue lost or expenses incurred as a result of the unforeseen 41290  
catastrophic event. If a school district receives a grant from the 41291  
catastrophic expenditures account on the basis of the same 41292  
circumstances for which an adjustment or recomputation is 41293  
authorized under section 3317.025, ~~3317.026, 3317.027,~~ 3317.028, 41294  
3317.0210, or 3317.0211 of the Revised Code, the department of 41295  
education shall reduce the adjustment or recomputation by an 41296  
amount not to exceed the total amount of the grant, and an amount 41297  
equal to the reduction shall be transferred, from the funding 41298  
source from which the adjustment or recomputation would be paid, 41299  
to the catastrophic expenditures account. Any adjustment or 41300  
recomputation under such sections that is in excess of the total 41301  
amount of the grant shall be paid to the school district. 41302

**Sec. 3317.01.** As used in this section, "school district," 41303  
unless otherwise specified, means any city, local, exempted 41304  
village, joint vocational, or cooperative education school 41305

This chapter shall be administered by the state board of education. The superintendent of public instruction shall calculate the amounts payable to each school district and shall certify the amounts payable to each eligible district to the treasurer of the district as provided by this chapter. As soon as possible after such amounts are calculated, the superintendent shall certify to the treasurer of each school district the district's adjusted charge-off increase, as defined in section 5705.211 of the Revised Code. Certification of moneys pursuant to this section shall include the amounts payable to each school building, at a frequency determined by the superintendent, for each subgroup of students, as defined in section 3317.40 of the Revised Code, receiving services, provided for by state funding, from the district or school. No moneys shall be distributed pursuant to this chapter without the approval of the controlling board.

The state board of education shall, in accordance with appropriations made by the general assembly, meet the financial obligations of this chapter.

Moneys distributed to school districts pursuant to this chapter shall be calculated based on the annual enrollment calculated from the three reports required under sections 3317.03 and 3317.036 of the Revised Code and paid on a fiscal year basis, beginning with the first day of July and extending through the thirtieth day of June. In any given fiscal year, prior to school districts submitting the first report required under section 3317.03 of the Revised Code, enrollment for the districts shall be calculated based on the third report submitted by the districts for the previous fiscal year. The moneys appropriated for each fiscal year shall be distributed periodically to each school district unless otherwise provided for. The state board, in June of each year, shall submit to the controlling board the state

board's year-end distributions pursuant to this chapter. 41339

Except as otherwise provided, payments under this chapter 41340  
shall be made only to those school districts in which: 41341

(A) The school district, except for any educational service 41342  
center and any joint vocational or cooperative education school 41343  
district, levies for current operating expenses at least twenty 41344  
mills. Levies for joint vocational or cooperative education school 41345  
districts or county school financing districts, limited to or to 41346  
the extent apportioned to current expenses, shall be included in 41347  
this qualification requirement. School district income tax levies 41348  
under Chapter 5748. of the Revised Code, limited to or to the 41349  
extent apportioned to current operating expenses, shall be 41350  
included in this qualification requirement to the extent 41351  
determined by the tax commissioner under division ~~(D)~~(C) of 41352  
section 3317.021 of the Revised Code. 41353

(B) The school year next preceding the fiscal year for which 41354  
such payments are authorized meets the requirement of section 41355  
3313.48 of the Revised Code, with regard to the minimum number of 41356  
hours school must be open for instruction with pupils in 41357  
attendance, for individualized parent-teacher conference and 41358  
reporting periods, and for professional meetings of teachers. 41359

A school district shall not be considered to have failed to 41360  
comply with this division because schools were open for 41361  
instruction but either twelfth grade students were excused from 41362  
attendance for up to the equivalent of three school days or only a 41363  
portion of the kindergarten students were in attendance for up to 41364  
the equivalent of three school days in order to allow for the 41365  
gradual orientation to school of such students. 41366

A board of education or governing board of an educational 41367  
service center which has not conformed with other law and the 41368  
rules pursuant thereto, shall not participate in the distribution 41369

of funds authorized by this chapter, except for good and 41370  
sufficient reason established to the satisfaction of the state 41371  
board of education and the state controlling board. 41372

All funds allocated to school districts under this chapter, 41373  
except those specifically allocated for other purposes, shall be 41374  
used to pay current operating expenses only. 41375

**Sec. 3317.017.** The department of education shall compute a 41445  
school district's state share index as follows: 41446

(A) Calculate the district's valuation index, which equals 41447  
the following quotient: 41448

(The district's three-year average valuation / the district's 41449  
total ADM) / (the statewide three-year average valuation for 41450  
school districts with a total ADM greater than zero / the 41451  
statewide total ADM) 41452

(B)(1) Calculate the district's median income index, which 41453  
equals the following quotient: 41454

(The district's median Ohio adjusted gross income / the 41455  
median of the median Ohio adjusted gross income of all districts 41456  
statewide with a total ADM greater than zero) 41457

(2) Calculate the district's income index, which equals the 41458  
following sum: 41459

(The district's median income index X 0.5) + {[(the three-year average federal adjusted gross income of the school district's residents / the district's formula ADM for fiscal year 2017) / (the three-year average federal adjusted gross income of all districts statewide with a formula ADM for fiscal year 2017 greater than zero / the statewide formula ADM for fiscal year 2017)] X 0.5}

(C) Determine the district's wealth index as follows: 41467

(1) If the district's income index is less than the district's valuation index and the district's median income index is less than or equal to 1.5, then the district's wealth index shall be equal to [( 0.4 X the district's income index) + ( 0.6 X the district's valuation index)].

(2) If the district's income index does not meet both of the conditions described in division (C)(1) of this section, then the district's wealth index shall be equal to the district's valuation index.

(D) Determine the district's state share index as follows: 41477

(1) If the district's wealth index is less than or equal to 0.35, then the district's state share index shall be equal to 0.90.

(2) If the district's wealth index is greater than 0.35 but less than or equal to 0.90, then the district's state share index shall be equal to {0.40 X [(0.90 - the district's wealth index) / 0.55]} + 0.50.

(3) If the district's wealth index is greater than 0.90 but less than 1.8, then the district's state share index shall be equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} + 0.05.

(4) If the district's wealth index is greater than or equal to 1.8, then the district's state share index shall be equal to

0.05. 41491

(E)(1) For each school district for which the tax-exempt 41492  
value of the district, as certified under division (A)(4) of 41493  
section 3317.021 of the Revised Code, equals or exceeds thirty per 41494  
cent of the potential value of the district, the department shall 41495  
calculate the difference between the district's tax-exempt value 41496  
and thirty per cent of the district's potential value. For this 41497  
purpose, the "potential value" of a school district is the 41498  
three-year average valuation of the district plus the tax-exempt 41499  
value of the district. 41500

(2) For each school district to which division (E)(1) of this 41501  
section applies, the department shall adjust the district's 41502  
three-year average valuation used in the calculation under 41503  
division (A) of this section by subtracting from it the amount 41504  
calculated under division (E)(1) of this section. The department 41505  
shall not, however, make any adjustments to the statewide 41506  
three-year average valuation used in the calculation under 41507  
division (A) of this section. 41508

(F)(1) Except as provided in division (F)(3) of this section, 41509  
for purposes of division (F) of this section, for fiscal year 2018 41510  
or 2019, an "eligible school district" is a school district that 41511  
satisfies all of the following for that fiscal year: 41512

(a) The total taxable value of public utility personal 41513  
property in the district is at least ten per cent of the 41514  
district's total taxable value for the tax year immediately 41515  
preceding the most recent tax year for which data is available. 41516

(b) The total taxable value of public utility personal 41517  
property in the district for the most recent tax year for which 41518  
data is available is at least ten per cent less than the total 41519  
taxable value of public utility property in the district for the 41520  
tax year immediately preceding the most recent tax year for which 41521

data is available. 41522

(c) The total taxable value of power plants in the district 41523  
for the most recent tax year for which data is available is at 41524  
least ten per cent less than the total taxable value of power 41525  
plants in the district for the tax year immediately preceding the 41526  
most recent tax year for which data is available. 41527

(2) Notwithstanding divisions (A) to (E) of this section, the 41528  
department shall compute each eligible school district's state 41529  
share index as follows: 41530

(a) Calculate the district's valuation index in accordance 41531  
with division (A) of this section, except that, if the district's 41532  
total taxable value for the most recent tax year for which data is 41533

its total number of miles driven for school bus service in the 42319  
previous fiscal year. 42320

amount calculated under division (A) of this section is less than 42382  
the amount determined under division (B) of this section) 42383

this section X the district's formula ADM X ~~(2.75, for fiscal year~~ 42387

acquire new classroom facilities and may include an assessment of 43126  
the district's need for building additions or for the 43127  
reconstruction of existent buildings in lieu of constructing or 43128  
acquiring replacement buildings. 43129

(C)(1) Except as provided in division (C)(2) of this section, 43130  
on-site visits performed on or after May 20, 1997, shall be 43131  
performed in the order specified in this division. The first round 43132  
of on-site visits first succeeding the effective date of this 43133  
amendment, May 20, 1997, shall be limited to the school districts 43134  
in the first through fifth percentiles, excluding districts that 43135  
are ineligible for funding under this chapter pursuant to section 43136  
3318.04 of the Revised Code. The second round of on-site visits 43137  
shall be limited to the school districts in the first through 43138  
tenth percentiles, excluding districts that are ineligible for 43139  
funding under this chapter pursuant to section 3318.04 of the 43140  
Revised Code. Each succeeding round of on-site visits shall be 43141  
limited to the percentiles included in the immediately preceding 43142  
round of on-site visits plus the next five percentiles. Except for 43143  
the first round of on-site visits, no round of on-site visits 43144  
shall commence unless eighty per cent of the districts for which 43145  
on-site visits were performed during the immediately preceding 43146  
round, have had projects approved under section 3318.04 of the 43147  
Revised Code. 43148

(2) Notwithstanding division (C)(1) of this section, the 43149  
commission may perform on-site visits for school districts in the 43150  
next highest percentile to the percentiles included in the current 43151  
round of on-site visits, and then to succeeding percentiles one at 43152  
a time, not to exceed the twenty-fifth percentile, if all of the 43153

following apply: 43154

(a) Less than eighty per cent of the districts for which 43155  
on-site visits were performed in the current round, and in any 43156  
percentiles for which on-site visits were performed in addition to 43157  
the current round pursuant to this division, have had projects 43158  
approved under section 3318.04 of the Revised Code; 43159

(b) There are funds appropriated for the purpose of sections 43160  
3318.01 to 3318.20 of the Revised Code that are not reserved and 43161  
encumbered for projects pursuant to section 3318.04 of the Revised 43162  
Code; 43163

(c) The commission makes a finding that such available funds 43164  
would be more thoroughly utilized if on-site visits were extended 43165  
to the next highest percentile. 43166

(D) Notwithstanding divisions (B) and (C) of this section, in 43167  
any fiscal year, the commission may limit the number of districts 43168  
for which it conducts on-site visits based upon its projections of 43169  
the moneys available and moneys necessary to undertake projects 43170  
under sections 3318.01 to 3318.20 of the Revised Code for that 43171  
year. 43172

**Sec. 3318.021.** Notwithstanding section 3318.02 of the Revised 43173  
Code, the Ohio ~~school~~ facilities construction commission may 43174  
conduct on-site visits to any school district whose district board 43175  
adopts a resolution certifying to the commission the board's 43176  
intent to participate in the school building assistance expedited 43177  
local partnership program under section 3318.36 of the Revised 43178  
Code. 43179

**Sec. 3318.022.** Notwithstanding anything to the contrary in 43180  
section 3318.02 of the Revised Code, within two years following 43181  
the request of the school district, the Ohio ~~school~~ facilities 43182  
construction commission shall assess the current conditions of the 43183

classroom facilities needs of any school district that is not yet 43184  
eligible for state assistance under Chapter 3318. of the Revised 43185  
Code and that requests such an assessment. The assessment made 43186  
under this section shall not include a final agreement between the 43187  
school district and the commission as to the basic project cost of 43188  
the school district's classroom facilities needs. The commission 43189  
shall not consider any request for an assessment under this 43190  
section that is submitted sooner than ~~the effective date of this~~ 43191  
~~section~~ September 14, 2000. 43192

**Sec. 3318.024.** In the first year of a capital biennium, any 43193  
funds appropriated to the Ohio ~~school~~ facilities construction 43194  
commission for classroom facilities projects under this chapter in 43195  
the previous capital biennium that were not spent or encumbered, 43196  
or for which an encumbrance has been canceled under section 43197  
3318.05 of the Revised Code, shall be used by the commission only 43198  
for projects under sections 3318.01 to 3318.20 of the Revised 43199  
Code, subject to appropriation by the general assembly. 43200

In the second year of a capital biennium, any funds 43201  
appropriated to the Ohio ~~school~~ facilities construction commission 43202  
for classroom facilities projects under this chapter that were not 43203  
spent or encumbered in the first year of the biennium and which 43204  
are in excess of an amount equal to half of the appropriations for 43205  
the capital biennium, or for which an encumbrance has been 43206  
canceled under section 3318.05 of the Revised Code, shall be used 43207  
by the commission only for projects under sections 3318.01 to 43208  
3318.20, 3318.351, 3318.364, 3318.37, 3318.371, 3318.38, and 43209  
3318.40 to 3318.46 of the Revised Code, subject to appropriation 43210  
by the general assembly. 43211

**Sec. 3318.03.** (A) Before conducting an on-site evaluation of 43212  
a school district under section 3318.02 of the Revised Code, at 43213  
the request of the district board of education, the Ohio ~~school~~ 43214

facilities construction commission shall examine any classroom 43215  
facilities needs assessment that has been conducted by the 43216  
district and any master plan developed for meeting the facility 43217  
needs of the district. 43218

(B) Upon conducting the on-site evaluation under section 43219  
3318.02 of the Revised Code, the Ohio ~~school~~ facilities 43220  
construction commission shall make a determination of all of the 43221  
following: 43222

(1) The needs of the school district for additional classroom 43223  
facilities; 43224

(2) The number of classroom facilities to be included in a 43225  
project and the basic project cost of constructing, acquiring, 43226  
reconstructing, or making additions to each such facility; 43227

(3) The amount of such cost that the school district can 43228  
supply from available funds, by the issuance of bonds previously 43229  
authorized by the electors of the school district the proceeds of 43230  
which can lawfully be used for the project and by the issuance of 43231  
bonds under section 3318.05 of the Revised Code; 43232

(4) The remaining amount of such cost that shall be supplied 43233  
by the state; 43234

(5) The amount of the state's portion to be encumbered in 43235  
accordance with section 3318.11 of the Revised Code in the current 43236  
and subsequent fiscal years from funds appropriated for purposes 43237  
of sections 3318.01 to 3318.20 of the Revised Code. 43238

(C) The commission shall make a determination in favor of 43239  
constructing, acquiring, reconstructing, or making additions to a 43240  
classroom facility only upon evidence that the proposed project 43241  
conforms to sound educational practice, that it is in keeping with 43242  
the orderly process of school district reorganization and 43243  
consolidation, and that the actual or projected enrollment in each 43244  
classroom facility proposed to be included in the project is at 43245

least three hundred fifty pupils. Exceptions shall be authorized 43246  
only in those districts where topography, sparsity of population, 43247  
and other factors make larger schools impracticable. 43248

If the school district board determines that an existing 43249  
facility has historical value or for other good cause determines 43250  
that an existing facility should be renovated in lieu of acquiring 43251  
a comparable facility by new construction, the commission may 43252  
approve the expenditure of project funds for the renovation of 43253  
that facility up to but not exceeding one hundred per cent of the 43254  
estimated cost of acquiring a comparable facility by new 43255  
construction, as long as the commission determines that the 43256  
facility when renovated can be operationally efficient, will be 43257  
adequate for the future needs of the district, and will comply 43258  
with the other provisions of this division. 43259

(D) Sections 125.81 and 153.04 of the Revised Code shall not 43260  
apply to classroom facilities constructed under either sections 43261  
3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised 43262  
Code. 43263

**Sec. 3318.031.** (A) The Ohio ~~school~~ facilities construction 43264  
commission shall consider student and staff safety and health when 43265  
reviewing design plans for classroom facility construction 43266  
projects proposed under this chapter. After consulting with 43267  
appropriate education, health, and law enforcement personnel, the 43268  
commission may require as a condition of project approval under 43269  
either section 3318.03 or division (B)(1) of section 3318.41 of 43270  
the Revised Code such changes in the design plans as the 43271  
commission believes will advance or improve student and staff 43272  
safety and health in the proposed classroom facility. 43273

To carry out its duties under this division, the commission 43274  
shall review and, if necessary, amend any construction and design 43275  
standards used in its project approval process, including 43276

standards for location and number of exits, standards for lead safety in classroom facilities constructed before 1978 in which services are provided to children under six years of age, and location of restrooms, with a focus on advancing student and staff safety and health.

(B) When reviewing design standards for classroom facility construction projects proposed under this chapter, the commission shall also consider the extent to which the design standards support the following:

(1) Trends in educational delivery methods, including digital access and blended learning;

(2) Provision of sufficient space for training new teachers and promotion of collaboration among teaching candidates, experienced teachers, and teacher educators;

(3) Provision of adequate space for teacher planning and collaboration;

(4) Provision of adequate space for parent involvement activities;

(5) Provision of sufficient space for innovative partnerships between schools and health and social service agencies.

**Sec. 3318.032.** (A) Except as otherwise provided in divisions (C) and (D) of this section, the portion of the basic project cost supplied by the school district shall be the greater of:

(1) The required percentage of the basic project costs;

(2)(a) For all districts except a district that opts to divide its entire classroom facilities needs into segments to be completed separately as authorized by section 3318.034 of the Revised Code, an amount necessary to raise the school district's net bonded indebtedness, as of the date the controlling board approved the project, to within five thousand dollars of the

required level of indebtedness; 43307

(b) For a district that opts to divide its entire classroom 43308  
facilities needs into segments to be completed separately as 43309  
authorized by section 3318.034 of the Revised Code, an amount 43310  
necessary to raise the school district's net bonded indebtedness, 43311  
as of the date the controlling board approved the project, to 43312  
within five thousand dollars of the following: 43313

The required level of indebtedness X (the basic 43314  
project cost of the segment as approved 43315  
by the controlling board / the estimated basic 43316  
project cost of the district's entire classroom facilities 43317  
needs as determined jointly by the staff of the Ohio 43318  
~~school~~ facilities construction commission and the district) 43319

(B) The amount of the district's share determined under this 43320  
section shall be calculated only as of the date the controlling 43321  
board approved the project, and that amount applies throughout the 43322  
thirteen-month period permitted under section 3318.05 of the 43323  
Revised Code for the district's electors to approve the 43324  
propositions described in that section. If the amount reserved and 43325  
encumbered for a project is released because the electors do not 43326  
approve those propositions within that period, and the school 43327  
district later receives the controlling board's approval for the 43328  
project, subject to a new project scope and estimated costs under 43329  
section 3318.054 of the Revised Code, the district's portion shall 43330  
be recalculated in accordance with this section as of the date of 43331  
the controlling board's subsequent approval. 43332

(C) At no time shall a school district's portion of the basic 43333  
project cost be greater than ninety-five per cent of the total 43334  
basic project cost. 43335

(D) If the controlling board approves a project under 43336  
sections 3318.01 to 3318.20 of the Revised Code for a school 43337  
district that previously received assistance under those sections 43338

or section 3318.37 of the Revised Code within the twenty-year 43339  
period prior to the date on which the controlling board approves 43340  
the new project, the district's portion of the basic project cost 43341  
for the new project shall be the lesser of the following: 43342

(1) The portion calculated under division (A) of this 43343  
section; 43344

(2) The greater of the following: 43345

(a) The required percentage of the basic project costs for 43346  
the new project; 43347

(b) The percentage of the basic project cost paid by the 43348  
district for the previous project. 43349

**Sec. 3318.033.** (A) As used in this section: 43350

(1) "Formula ADM" has the same meaning as in section 3317.02 43351  
of the Revised Code. 43352

(2) "Open enrollment net gain" has the same meaning as in 43353  
section 3318.011 of the Revised Code. 43354

(B) This section applies to each school district that meets 43355  
the following criteria: 43356

(1) The Ohio ~~school~~ facilities construction commission 43357  
certified its conditional approval of the district's project under 43358  
sections 3318.01 to 3318.20 of the Revised Code after July 1, 43359  
2006, and prior to September 29, 2007, and the project had not 43360  
been completed as of September 29, 2007. 43361

(2) Within one year after the date of the commission's 43362  
certification of its conditional approval, the district's electors 43363  
approved a bond issue to pay the district's portion of the basic 43364  
project cost or the district board of education complied with 43365  
section 3318.052 of the Revised Code. 43366

(3) In the fiscal year prior to the fiscal year in which the 43367

district's project was conditionally approved, the district had an 43368  
open enrollment net gain that was ten per cent or more of its 43369  
formula ADM. 43370

(C) For each school district to which this section applies, 43371  
the department of education shall recalculate the district's 43372  
percentile ranking under section 3318.011 of the Revised Code for 43373  
the fiscal year prior to the fiscal year in which the district's 43374  
project was conditionally approved and shall report the 43375  
recalculated percentile ranking to the commission. For this 43376  
purpose, the department shall recalculate every school district's 43377  
percentile ranking for that fiscal year using the district's 43378  
"valuation per pupil" as that term is defined in section 3318.011 43379  
of the Revised Code on and after September 29, 2007. 43380

(D) For each school district to which this section applies, 43381  
the commission shall use the recalculated percentile ranking 43382  
reported under division (C) of this section to determine the 43383  
district's portion of the basic project cost under section 43384  
3318.032 of the Revised Code. The commission shall not use the 43385  
recalculated percentile ranking for any other purpose, and the 43386  
recalculated ranking shall not affect any other district's portion 43387  
of the basic project cost under section 3318.032 of the Revised 43388  
Code or any district's eligibility for assistance under sections 43389  
3318.01 to 3318.20 of the Revised Code. The commission shall 43390  
revise the agreement entered into under section 3318.08 of the 43391  
Revised Code to reflect the district's new portion of the basic 43392  
project cost as determined under this division. 43393

**Sec. 3318.034.** (A) This section applies to both of the 43394  
following: 43395

(1) Any school district that has not executed an agreement 43396  
for a project under sections 3318.01 to 3318.20 of the Revised 43397  
Code prior to June 24, 2008; 43398

(2) Any school district that is eligible for additional 43399  
assistance under sections 3318.01 to 3318.20 of the Revised Code 43400  
pursuant to division (B)(2) of section 3318.04 of the Revised 43401  
Code. 43402

Notwithstanding any provision of this chapter to the 43403  
contrary, with the approval of the Ohio ~~school~~ facilities 43404  
construction commission, any school district to which this section 43405  
applies may opt to divide the district's entire classroom 43406  
facilities needs, as those needs are jointly determined by the 43407  
staff of the commission and the school district, into discrete 43408  
segments and shall comply with all of the provisions of those 43409  
sections unless otherwise provided in this section. 43410

(B) Except as provided in division (C) of this section, each 43411  
segment shall comply with both of the following: 43412

(1) The segment shall consist of the new construction of one 43413  
or more entire buildings, a stand-alone segment of a building that 43414  
serves grades kindergarten through twelve, or the complete 43415  
renovation of one or more entire existing buildings, with any 43416  
necessary additions to that building. 43417

(2) The segment shall not include any construction of or 43418  
renovation or repair to any building that does not complete the 43419  
needs of the district with respect to that particular building at 43420  
the time the segment is completed. 43421

(C) A district described in division (A)(2) of this section 43422  
that has not received the additional assistance authorized under 43423  
division (B)(2) of section 3318.04 of the Revised Code may 43424  
undertake a segment, with commission approval, for the purpose of 43425  
renovating or replacing work performed on a facility under the 43426  
district's prior project. The commission may approve that segment 43427  
if the commission determines that the renovation or replacement is 43428  
necessary to protect the facility. The basic project cost of the 43429

segment shall be allocated between the state and the district in 43430  
accordance with section 3318.032 of the Revised Code. However, the 43431  
requirements of division (B) of this section shall not apply to a 43432  
segment undertaken under this division. 43433

(D) The commission shall conditionally approve and seek 43434  
controlling board approval in accordance with division (A) of 43435  
section 3318.04 of the Revised Code of each segment. 43436

(E)(1) When undertaking a segment under this section, a 43437  
school district may elect to prorate its full maintenance amount 43438  
by setting aside for maintenance the amount calculated under 43439  
division (E)(2) of this section to maintain the classroom 43440  
facilities acquired under the segment, if the district will use 43441  
one or more of the alternative methods authorized in sections 43442  
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 43443  
the entire amount calculated under that division. If the district 43444  
so elects, the commission and the district shall include in the 43445  
agreement entered into under section 3318.08 of the Revised Code a 43446  
statement specifying that the district will use the amount 43447  
calculated under that division only to maintain the classroom 43448  
facilities acquired under the segment. 43449

(2) The commission shall calculate the amount for a school 43450  
district to maintain the classroom facilities acquired under a 43451  
segment as follows: 43452

The full maintenance amount X (the school district's portion 43453  
of the basic project cost for the segment / the school district's 43454  
portion of the basic project cost for the district's entire 43455  
classroom facilities needs, as determined jointly by the staff of 43456  
the commission and the district) 43457

(3) A school district may elect to prorate its full 43458  
maintenance amount for any number of segments, provided the 43459  
district will use one or more of the alternative methods 43460

authorized in sections 3318.051, 3318.052, and 3318.084 of the 43461  
Revised Code to generate the entire amount calculated under 43462  
division (E)(2) of this section to maintain the classroom 43463  
facilities acquired under each segment for which it so elects. If 43464  
the district cannot use one or more of those alternative methods 43465  
to generate the entire amount calculated under that division, the 43466  
district shall levy the tax described in division (B) of section 43467  
3318.05 of the Revised Code or an extension of that tax under 43468  
section 3318.061 of the Revised Code in an amount necessary to 43469  
generate the remainder of its full maintenance amount. The 43470  
commission shall calculate the remainder of the district's full 43471  
maintenance amount as follows: 43472

The full maintenance amount - the sum of the amounts 43473  
calculated for the district under division (E)(2) of this section 43474  
for each prior segment of the district's project 43475

(4) In no case shall the sum of the amounts calculated for a 43476  
school district's maintenance of classroom facilities under 43477  
divisions (E)(2) and (3) of this section exceed the amount that 43478  
would have been required for maintenance if the district had 43479  
elected to undertake its project in its entirety instead of 43480  
segmenting the project under this section. 43481

(5) If a school district commenced a segment under this 43482  
section prior to September 10, 2012, but has not completed that 43483  
segment, and has not levied the tax described in division (B) of 43484  
section 3318.05 of the Revised Code or an extension of that tax 43485  
under section 3318.061 of the Revised Code, the district may 43486  
request approval from the commission to prorate its full 43487  
maintenance amount in accordance with divisions (E)(1) to (4) of 43488  
this section. If the commission approves the request, the 43489  
commission and the district shall amend the agreement entered into 43490  
under section 3318.08 of the Revised Code to reflect the change. 43491

(F) If a school district levies the tax described in division 43492

(B) of section 3318.05 of the Revised Code or an extension of that 43493  
tax under section 3318.061 of the Revised Code, the tax shall run 43494  
for twenty-three years from the date the segment for which the tax 43495  
is initially levied is undertaken. The maintenance levy 43496  
requirement, as defined in section 3318.18 of the Revised Code, 43497  
does not apply to a segment undertaken under division (C) of this 43498  
section. 43499

(G) As used in this section, "full maintenance amount" means 43500  
the amount of total revenue that a school district likely would 43501  
generate by one-half mill of the tax described in division (B) of 43502  
section 3318.05 of the Revised Code over the entire 43503  
twenty-three-year period required under that section, as 43504  
determined by the commission in consultation with the department 43505  
of taxation. 43506

**Sec. 3318.035.** (A) This section applies only if there is a 43507  
change in the assessment rates on gas pipelines imposed under 43508  
state law. 43509

(B) If at any time division (A) of this section applies and 43510  
if the change in assessment rates described in that division 43511  
affects a school district's valuation as determined under division 43512  
(P) of section 3318.01 of the Revised Code by greater than ten per 43513  
cent and if the Ohio ~~school~~ facilities construction commission had 43514  
determined the state and school district portion of the basic 43515  
project cost of such a district's project under section 3318.36 or 43516  
3318.37 of the Revised Code prior to that change in valuation, the 43517  
commission shall adjust the state and school district portions of 43518  
the basic project cost of the school district's project using the 43519  
valuation altered by the change in assessment rates described in 43520  
division (A) of this section. 43521

**Sec. 3318.036.** (A) For purposes of this section: 43522

(1) "Eligible school district" is a city, local, or exempted village school district that satisfies both of the following conditions: 43523  
43524  
43525

(a) The district resulted from one of the following that became effective between July 1, 2013, and June 30, 2018: 43526  
43527

(i) A transfer of all of the territory of one school district to another school district in accordance with section 3311.22, 3311.231, 3311.24, or 3311.38 of the Revised Code; 43528  
43529  
43530

(ii) The merger of two or more districts in accordance with section 3311.25 of the Revised Code; 43531  
43532

(iii) The creation of a new local school district from all of one or more local school districts in accordance with section 3311.26 of the Revised Code; 43533  
43534  
43535

(iv) The consolidation of two or more school districts under section 3311.37 of the Revised Code. 43536  
43537

(b) The district has demonstrated to the Ohio ~~school~~ facilities construction commission an efficient use of facility space, including a reduction in the number of buildings used by students and administrative staff. 43538  
43539  
43540  
43541

(2) "Basic project cost" and "required percentage of the basic project cost" have the same meanings as in section 3318.01 of the Revised Code. 43542  
43543  
43544

(B) Notwithstanding anything to the contrary in this chapter: 43545

(1) If the commission determines that a district is an eligible school district, the commission shall give that district first priority for funding for a project under sections 3318.01 to 3318.20 of the Revised Code as such funds become available, regardless of the district's percentile rank under section 3318.011 of the Revised Code. If the district results from a transfer, merger, consolidation, or creation of a new local 43546  
43547  
43548  
43549  
43550  
43551  
43552

district that takes effect prior to ~~the effective date of this~~ 43553  
~~section April 6, 2017~~, the district's portion of the basic project 43554  
cost shall be the required percentage of the basic project cost 43555  
based on the percentile ranking of the district that was 43556  
transferred, merged, consolidated, or existed prior to the 43557  
creation of the new district that has the lowest three-year 43558  
average adjusted valuation per pupil, as calculated under section 43559  
3318.011 of the Revised Code, on the date that the transfer, 43560  
merger, consolidation, or creation of the new district became 43561  
effective. 43562

(2) If an eligible school district is given priority under 43563  
division (B)(1) of this section, the commission may reduce that 43564  
district's portion of the basic project cost by twenty-five 43565  
percentage points from the portion determined under section 43566  
3318.032 of the Revised Code or, if the district results from a 43567  
transfer, merger, consolidation, or creation of a new local 43568  
district that takes effect prior to ~~the effective date of this~~ 43569  
~~section April 6, 2017~~, from the portion determined under division 43570  
(B)(1) of this section. At no time, however, shall that district's 43571  
portion of the basic project cost be less than five per cent. 43572

(3) If an eligible school district is given priority under 43573  
division (B)(1) of this section, the commission may reduce that 43574  
district's portion of the basic project cost by ten percentage 43575  
points from the portion determined under section 3318.032 of the 43576  
Revised Code or, if the district results from a transfer, merger, 43577  
consolidation, or creation of a new local district that takes 43578  
effect prior to ~~the effective date of this section April 6, 2017~~, 43579  
from the portion determined under division (B)(1) of this section, 43580  
if the district's project satisfies the following conditions: 43581

(a) The project involves construction of a building on land 43582  
owned by a state institution of higher education, as that term is 43583  
defined in section 3345.011 of the Revised Code, and the 43584

commission approves the project. 43585

(b) The district and the state institution of higher 43586  
education enter into a written agreement regarding the continued 43587  
use of the institution's land by the district, and the commission 43588  
approves the agreement. 43589

(c) On the date that the district and the state institution 43590  
of higher education enter into the written agreement described in 43591  
division (B)(3)(b) of this section, the state institution of 43592  
higher education is participating in the college credit plus 43593  
program established under Chapter 3365. of the Revised Code. 43594

At no time, however, shall that district's portion of the 43595  
basic project cost be less than five per cent. 43596

The reduction of the district's portion of the basic project 43597  
cost described in division (B)(3) of this section may be in 43598  
addition to a reduction of the district's portion of the basic 43599  
project cost under division (B)(2) of this section. 43600

(C) Except as provided in division (B) of this section, a 43601  
district's project undertaken pursuant to this section shall be 43602  
subject to all other requirements in sections 3318.01 to 3318.20 43603  
of the Revised Code. 43604

Sec. 3318.037. (A) For purposes of this section, an "eligible 43605  
school district" is a school district that satisfies all of the 43606  
following conditions: 43607

(1) The district executed an agreement for a project under 43608  
sections 3318.01 to 3318.20 of the Revised Code that was segmented 43609  
under section 3318.034 of the Revised Code. 43610

(2) The district has undertaken one or more segments of that 43611  
project and has applied to the Ohio facilities construction 43612  
commission for funding for a subsequent segment of the project. 43613

(3) Since the original project agreement described in 43614

division (A)(1) of this section was executed, the district has 43615  
experienced a decrease in its adjusted valuation per pupil, as 43616  
determined annually under section 3318.011 of the Revised Code, 43617  
such that, as of the date the district submits its application for 43618  
a subsequent segment of the project as described in division 43619  
(A)(2) of this section, the district's annual percentile ranking 43620  
under that section is lower than its percentile ranking on the 43621  
date the district executed the original agreement for the project. 43622

(B) Notwithstanding anything to the contrary in this chapter 43623  
or in any rule of the commission, an eligible school district's 43624  
portion of the cost for a subsequent segment of its project shall 43625  
be the "required percentage of the basic project costs" based on 43626  
the district's current percentile ranking for the fiscal year for 43627  
which the district seeks funding for the segment. 43628

Upon determining the respective state and district portions 43629  
of the basic project cost for the segment pursuant to this 43630  
section, the commission and the district shall amend the project 43631  
agreement to stipulate those portions, and the commission shall 43632  
encumber funds for the segment in accordance with section 3318.11 43633  
of the Revised Code. 43634

(C) Nothing in this section shall affect the respective state 43635  
and district portions of the basic project cost of segments of a 43636  
district's project undertaken prior to the district's application 43637  
for funding for a subsequent segment of the project under this 43638  
section. 43639

**Sec. 3318.04.** (A) If the Ohio ~~school~~ facilities construction 43640  
commission makes a determination under section 3318.03 of the 43641  
Revised Code in favor of constructing, acquiring, reconstructing, 43642  
or making additions to a classroom facility, the project shall be 43643  
conditionally approved. Such conditional approval shall be 43644  
submitted to the controlling board for approval thereof. The 43645

controlling board shall forthwith approve or reject the 43646  
commission's determination, conditional approval, the amount of 43647  
the state's portion of the basic project cost, and, the amount of 43648  
the state's portion to be encumbered in the current fiscal year. 43649  
In the event of approval thereof by the controlling board, the 43650  
commission shall certify such conditional approval to the school 43651  
district board and shall encumber from the total funds 43652  
appropriated for the purpose of sections 3318.01 to 3318.20 of the 43653  
Revised Code the amount approved under this section to be 43654  
encumbered in the current fiscal year. 43655

The basic project cost for a project approved under this 43656  
section shall not exceed the cost that would otherwise have to be 43657  
incurred if the classroom facilities to be constructed, acquired, 43658  
or reconstructed, or the additions to be made to classroom 43659  
facilities, under such project meet, but do not exceed, the 43660  
specifications for plans and materials for classroom facilities 43661  
adopted by the commission. 43662

(B)(1) No school district shall have a project conditionally 43663  
approved pursuant to this section if the school district has 43664  
already received any assistance for a project funded under any 43665  
version of sections 3318.01 to 3318.20 of the Revised Code, and 43666  
the prior project was one for which the electors of such district 43667  
approved a levy within the last twenty years pursuant to any 43668  
version of section 3318.06 of the Revised Code for purposes of 43669  
qualifying for the funding of that project, unless the district 43670  
demonstrates to the satisfaction of the commission that the 43671  
district has experienced since approval of its prior project an 43672  
exceptional increase in enrollment significantly above the 43673  
district's design capacity under that prior project as determined 43674  
by rule of the commission. 43675

(2) Notwithstanding division (B)(1) of this section, any 43676  
school district that received assistance under sections 3318.01 to 43677

3318.20 of the Revised Code, as those sections existed prior to 43678  
May 20, 1997, may receive additional assistance under those 43679  
sections, as they exist on and after May 20, 1997, prior to the 43680  
expiration of the period of time required under division (B)(1) of 43681  
this section, if the percentile in which the school district is 43682  
located, as determined under section 3318.011 of the Revised Code, 43683  
is eligible for assistance as prescribed in section 3318.02 of the 43684  
Revised Code. 43685

The commission may provide assistance under sections 3318.01 43686  
to 3318.20 of the Revised Code pursuant to this division to no 43687  
more than five school districts per fiscal year until all eligible 43688  
school districts have received the additional assistance 43689  
authorized under this division. The commission shall establish 43690  
application procedures, deadlines, and priorities for funding 43691  
projects under this division. 43692

The commission at its discretion may waive current design 43693  
specifications it has adopted for projects under sections 3318.01 43694  
to 3318.20 of the Revised Code when assessing an application for 43695  
additional assistance under this division for the renovation of 43696  
classroom facilities constructed or renovated under a school 43697  
district's previous project. If the commission finds that a school 43698  
district's existing classroom facilities are adequate to meet all 43699  
of the school district's needs, the commission may determine that 43700  
no additional state assistance be awarded to a school district 43701  
under this division. 43702

In order for a school district to be eligible to receive any 43703  
additional assistance under this division, the school district 43704  
electors shall extend the school district's existing levy 43705  
dedicated for maintenance of classroom facilities under Chapter 43706  
3318. of the Revised Code, pursuant to section 3318.061 of the 43707  
Revised Code or shall provide equivalent alternative maintenance 43708  
funds as specified in division (A)(2) of section 3318.06 of the 43709

Revised Code. 43710

(3) Notwithstanding division (B)(1) of this section, any 43711  
school district that has received assistance under sections 43712  
3318.01 to 3318.20 of the Revised Code after May 20, 1997, may 43713  
receive additional assistance if the commission decides in favor 43714  
of providing such assistance pursuant to section 3318.042 of the 43715  
Revised Code. 43716

(4) Notwithstanding division (B)(1) of this section, any 43717  
school district that has opted to divide its entire classroom 43718  
facilities needs into segments to be completed separately, as 43719  
authorized by section 3318.034 of the Revised Code, and that has 43720  
received assistance under sections 3318.01 to 3318.20 of the 43721  
Revised Code for one of those segments may receive assistance 43722  
under those sections for a subsequent segment. Assistance for any 43723  
subsequent segment shall not include any additional work on a 43724  
building included in a prior segment unless the district 43725  
demonstrates to the satisfaction of the commission that the 43726  
district has experienced since the completion of the prior segment 43727  
an exceptional increase in enrollment in the grade levels housed 43728  
in that building. 43729

**Sec. 3318.041.** A school district ranked in the first through 43730  
twenty-fifth percentiles may adopt and certify to the Ohio ~~school~~ 43731  
facilities construction commission a resolution specifying a 43732  
proposed project that meets the requirements of this chapter and 43733  
the needs of the district, as confirmed through an on-site visit 43734  
pursuant to section 3318.02 of the Revised Code. The commission 43735  
shall consider such projects for conditional approval pursuant to 43736  
section 3318.03 and shall encumber funds pursuant to section 43737  
3318.04 of the Revised Code in the order in which such resolutions 43738  
are received. 43739

**Sec. 3318.042.** (A) The board of education of any school 43740  
district that is receiving assistance under sections 3318.01 to 43741  
3318.20 of the Revised Code after May 20, 1997, or under sections 43742  
3318.40 to 3318.45 of the Revised Code, and whose project is still 43743  
under construction, may request that the Ohio ~~school~~ facilities 43744  
construction commission examine whether the circumstances 43745  
prescribed in either division (B)(1) or (2) of this section exist 43746  
in the school district. If the commission so finds, the commission 43747  
shall review the school district's original assessment and 43748  
approved project and consider providing additional assistance to 43749  
the school district to correct the prescribed conditions found to 43750  
exist in the district. Additional assistance under this section 43751  
shall be limited to additions to one or more buildings, remodeling 43752  
of one or more buildings, or changes to the infrastructure of one 43753  
or more buildings. 43754

(B) Consideration of additional assistance to a school 43755  
district under this section is warranted in either of the 43756  
following circumstances: 43757

(1) Additional work is needed to correct an oversight or 43758  
deficiency not identified or included in the district's initial 43759  
assessment. 43760

(2) Other conditions exist that, in the opinion of the 43761  
commission, warrant additions or remodeling of the project 43762  
facilities or changes to infrastructure associated with the 43763  
district's project that were not identified in the initial 43764  
assessment and plan. 43765

(C) If the commission decides in favor of providing 43766  
additional assistance to any school district under this section, 43767  
the school district shall be responsible for paying for its 43768  
portion of the cost of the additions, remodeling, or 43769  
infrastructure changes pursuant to section 3318.083 of the Revised 43770

Code. If, after making a financial evaluation of the school 43771  
district, the commission determines that the school district is 43772  
unable without undue hardship, according to the guidelines adopted 43773  
by the commission, to fund the school district portion of the 43774  
increase, then the state and the school district shall enter into 43775  
an agreement whereby the state shall pay the portion of the cost 43776  
increase attributable to the school district which is determined 43777  
to be in excess of any local resources available to the district 43778  
and the district shall thereafter reimburse the state. The 43779  
commission shall establish the district's schedule for reimbursing 43780  
the state, which shall not extend beyond ten years. The commission 43781  
may lengthen the reimbursement schedule of a school district that 43782  
has entered into an agreement under this section prior to ~~the~~ 43783  
~~effective date of this amendment~~ September 26, 2003, as long as 43784  
the total term of that schedule does not extend beyond ten years. 43785  
Debt incurred under this section shall not be included in the 43786  
calculation of the net indebtedness of the school district under 43787  
section 133.06 of the Revised Code. 43788

**Sec. 3318.05.** The conditional approval of the Ohio ~~school~~ 43789  
facilities construction commission for a project shall lapse and 43790  
the amount reserved and encumbered for such project shall be 43791  
released unless the school district board accepts such conditional 43792  
approval within one hundred twenty days following the date of 43793  
certification of the conditional approval to the school district 43794  
board and the electors of the school district vote favorably on 43795  
both of the propositions described in divisions (A) and (B) of 43796  
this section within thirteen months of the date of such 43797  
certification, except that a school district described in division 43798  
(C) of this section does not need to submit the proposition 43799  
described in division (B) of this section. The propositions 43800  
described in divisions (A) and (B) of this section shall be 43801  
combined in a single proposal. If the district board or the 43802

district's electors fail to meet such requirements and the amount 43803  
reserved and encumbered for the district's project is released, 43804  
the district shall be given first priority for project funding as 43805  
such funds become available, subject to section 3318.054 of the 43806  
Revised Code. 43807

(A) On the question of issuing bonds of the school district 43808  
board, for the school district's portion of the basic project 43809  
cost, in an amount equal to the school district's portion of the 43810  
basic project cost less the amount of the proceeds of any 43811  
securities authorized or to be authorized under division (J) of 43812  
section 133.06 of the Revised Code and dedicated by the school 43813  
district board to payment of the district's portion of the basic 43814  
project cost; and 43815

(B) On the question of levying a tax the proceeds of which 43816  
shall be used to pay the cost of maintaining the classroom 43817  
facilities included in the project. Such tax shall be at the rate 43818  
of not less than one-half mill for each dollar of valuation for a 43819  
period of twenty-three years, subject to any extension approved 43820  
under section 3318.061 of the Revised Code. 43821

(C) If a school district has in place a tax levied under 43822  
section 5705.21 of the Revised Code for general permanent 43823  
improvements for a continuing period of time and the proceeds of 43824  
such tax can be used for maintenance, or if a district agrees to 43825  
the transfers described in section 3318.051 of the Revised Code, 43826  
the school district need not levy the additional tax required 43827  
under division (B) of this section, provided the school district 43828  
board includes in the agreement entered into under section 3318.08 43829  
of the Revised Code provisions either: 43830

(1) Earmarking an amount from the proceeds of that permanent 43831  
improvement tax for maintenance of classroom facilities equivalent 43832  
to the amount of the additional tax and for the equivalent number 43833  
of years otherwise required under this section; 43834

(2) Requiring the transfer of money in accordance with 43835  
section 3318.051 of the Revised Code. 43836

The district board subsequently may rescind the agreement to 43837  
make the transfers under section 3318.051 of the Revised Code only 43838  
so long as the electors of the district have approved, in 43839  
accordance with section 3318.063 of the Revised Code, the levy of 43840  
a tax for the maintenance of the classroom facilities acquired 43841  
under the district's project and that levy continues to be 43842  
collected as approved by the electors. 43843

(D) Proceeds of the tax to be used for maintenance of the 43844  
classroom facilities under either division (B) or (C)(1) of this 43845  
section, and transfers of money in accordance with section 43846  
3318.051 of the Revised Code shall be deposited into a separate 43847  
fund established by the school district for such purpose. 43848

**Sec. 3318.051.** (A) Any city, exempted village, or local 43849  
school district that commences a project under sections 3318.01 to 43850  
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 43851  
after September 5, 2006, need not levy the tax otherwise required 43852  
under division (B) of section 3318.05 of the Revised Code, if the 43853  
district board of education adopts a resolution petitioning the 43854  
Ohio ~~school~~ facilities construction commission to approve the 43855  
transfer of money in accordance with this section and the 43856  
commission approves that transfer. If so approved, the commission 43857  
and the district board shall enter into an agreement under which 43858  
the board, in each of twenty-three consecutive years beginning in 43859  
the year in which the board and the commission enter into the 43860  
project agreement under section 3318.08 of the Revised Code, shall 43861  
transfer into the maintenance fund required by division (D) of 43862  
section 3318.05 of the Revised Code not less than an amount equal 43863  
to one-half mill for each dollar of the district's valuation 43864  
unless and until the agreement to make those transfers is 43865

rescinded by the district board pursuant to division (F) of this section. 43866  
43867

(B) On the first day of July each year, or on an alternative date prescribed by the commission, the district treasurer shall certify to the commission and the auditor of state that the amount required for the year has been transferred. and financing costs related to the securities as they become due. 43991  
No property tax levied under section 5705.21 or 5705.218 of the 43992

Revised Code and no school district income tax levied under 43993  
Chapter 5748. of the Revised Code that is pledged, or that the 43994

section applies until the proceeds of the tax securities issued 44009  
under this section that are dedicated for the payment of the 44010  
district portion of the basic project cost of its classroom 44011  
facilities project are first deposited into the district's project 44012

**Sec. 3318.054.** (A) If conditional approval of a city, 44014  
exempted village, or local school district's project lapses as 44015  
provided in section 3318.05 of the Revised Code, or if conditional 44016  
approval of a joint vocational school district's project lapses as 44017  
provided in division (D) of section 3318.41 of the Revised Code, 44018  
because the district's electors have not approved the ballot 44019  
measures necessary to generate the district's portion of the basic 44020  
project cost, and if the district board desires to seek a new 44021  
conditional approval of the project, the district board shall 44022  
request that the Ohio ~~school~~ facilities construction commission 44023  
set the scope, basic project cost, and school district portion of 44024

the basic project cost prior to resubmitting the ballot measures 44025  
to the electors. To do so, the commission shall use the district's 44026  
current assessed tax valuation and the district's percentile for 44027  
the prior fiscal year. For a district that has entered into an 44028  
agreement under section 3318.36 of the Revised Code and desires to 44029  
proceed with a project under sections 3318.01 to 3318.20 of the 44030  
Revised Code, the district's portion of the basic project cost 44031  
shall be the percentage specified in that agreement. The project 44032  
scope and basic costs established under this division shall be 44033  
valid for thirteen months from the date the commission approves 44034  
them. 44035

(B) Upon the commission's approval under division (A) of this 44036  
section, the district board may submit the ballot measures to the 44037  
district's electors for approval of the project based on the new 44038  
project scope and estimated costs. Upon electoral approval of 44039  
those measures, the district shall be given first priority for 44040  
project funding as such funds become available. 44041

(C) When the commission determines that funds are available 44042  
for the district's project, the commission shall do all of the 44043  
following: 44044

(1) Determine the school district portion of the basic 44045  
project cost under section 3318.032 of the Revised Code, in the 44046  
case of a city, exempted village, or local school district, or 44047  
under section 3318.42 of the Revised Code, in the case of a joint 44048  
vocational school district; 44049

(2) Conditionally approve the project and submit it to the 44050  
controlling board for approval pursuant to section 3318.04 of the 44051  
Revised Code; 44052

(3) Encumber funds for the project under section 3318.11 of 44053  
the Revised Code; 44054

(4) Enter into an agreement with the district board under 44055  
section 3318.08 of the Revised Code. 44056

**Sec. 3318.06.** (A) After receipt of the conditional approval 44057  
of the Ohio ~~school~~ facilities construction commission, the school 44058  
district board by a majority of all of its members shall, if it 44059  
desires to proceed with the project, declare all of the following 44060  
by resolution: 44061

(1) That by issuing bonds in an amount equal to the school 44062  
district's portion of the basic project cost the district is 44063  
unable to provide adequate classroom facilities without assistance 44064  
from the state; 44065

(2) Unless the school district board has resolved to transfer 44066  
money in accordance with section 3318.051 of the Revised Code or 44067  
to apply the proceeds of a property tax or the proceeds of an 44068  
income tax, or a combination of proceeds from such taxes, as 44069  
authorized under section 3318.052 of the Revised Code, that to 44070  
qualify for such state assistance it is necessary to do either of 44071  
the following: 44072

(b) Earmark for maintenance of classroom facilities from the 44076  
proceeds of an existing permanent improvement tax levied under 44077  
section 5705.21 of the Revised Code, if such tax can be used for 44078  
maintenance, an amount equivalent to the amount of the additional 44079  
tax otherwise required under this section and sections 3318.05 and 44080  
3318.08 of the Revised Code. 44081

(3) That the question of any tax levy specified in a 44082  
resolution described in division (A)(2)(a) of this section, if 44083  
required, shall be submitted to the electors of the school 44084

district at the next general or primary election, if there be a 44085  
general or primary election not less than ninety and not more than 44086  
one hundred ten days after the day of the adoption of such 44087  
resolution or, if not, at a special election to be held at a time 44088  
specified in the resolution which shall be not less than ninety 44089  
days after the day of the adoption of the resolution and which 44090  
shall be in accordance with the requirements of section 3501.01 of 44091  
the Revised Code. 44092

Such resolution shall also state that the question of issuing 44093  
bonds of the board shall be combined in a single proposal with the 44094  
question of such tax levy. More than one election under this 44095  
section may be held in any one calendar year. Such resolution 44096  
shall specify both of the following: 44097

(a) That the rate which it is necessary to levy shall be at 44098

twenty-three years; 44101

(b) That the proceeds of the tax shall be used to pay the 44102  
cost of maintaining the classroom facilities included in the 44103  
project. 44104

(B) A copy of a resolution adopted under division (A) of this 44105  
section shall after its passage and not less than ninety days 44106  
prior to the date set therein for the election be certified to the 44107  
county board of elections. 44108

The resolution of the school district board, in addition to 44109  
meeting other applicable requirements of section 133.18 of the 44110  
Revised Code, shall state that the amount of bonds to be issued 44111  
will be an amount equal to the school district's portion of the 44112  
basic project cost, and state the maximum maturity of the bonds 44113  
which may be any number of years not exceeding the term calculated 44114  
under section 133.20 of the Revised Code as determined by the 44115

board. In estimating the amount of bonds to be issued, the board 44116  
shall take into consideration the amount of moneys then in the 44117  
bond retirement fund and the amount of moneys to be collected for 44118  
and disbursed from the bond retirement fund during the remainder 44119  
of the year in which the resolution of necessity is adopted. 44120

If the bonds are to be issued in more than one series, the 44121  
resolution may state, in addition to the information required to 44122  
be stated under division (B)(3) of section 133.18 of the Revised 44123  
Code, the number of series, which shall not exceed five, the 44124  
principal amount of each series, and the approximate date each 44125  
series will be issued, and may provide that no series, or any 44126  
portion thereof, may be issued before such date. Upon such a 44127  
resolution being certified to the county auditor as required by 44128  
division (C) of section 133.18 of the Revised Code, the county 44129  
auditor, in calculating, advising, and confirming the estimated 44130  
average annual property tax levy under that division, shall also 44131  
calculate, advise, and confirm by certification the estimated 44132  
average property tax levy for each series of bonds to be issued. 44133

Notice of the election shall include the fact that the tax 44134  
levy shall be at the rate of not less than one-half mill for each 44135  
one dollar of valuation for a period of twenty-three years, and 44136  
that the proceeds of the tax shall be used to pay the cost of 44137  
maintaining the classroom facilities included in the project. 44138

If the bonds are to be issued in more than one series, the 44139  
board of education, when filing copies of the resolution with the 44140  
board of elections as required by division (D) of section 133.18 44141  
of the Revised Code, may direct the board of elections to include 44142  
in the notice of election the principal amount and approximate 44143  
date of each series, the maximum number of years over which the 44144  
principal of each series may be paid, the estimated additional 44145  
average property tax levy for each series, and the first calendar 44146  
year in which the tax is expected to be due for each series, in 44147

addition to the information required to be stated in the notice 44148  
under divisions (E)(3)(a) to (e) of section 133.18 of the Revised 44149  
Code. 44150

(C)(1) Except as otherwise provided in division (C)(2) of 44151

the terms of the agreement. 44255

section 3318.06 of the Revised Code is in effect, may adopt a 44261  
resolution by vote of a majority of its members to extend the term 44262  
of that tax beyond the expiration of that tax as originally 44263

in the resolution a proposal to extend the term of that tax at the 44265

any time before such an agreement is entered into and before the 44272  
tax levied pursuant to section 3318.06 of the Revised Code 44273

expires. If the resolution is combined with a resolution to issue 44274  
bonds to pay the school district's portion of the basic project 44275  
cost, it shall conform with the requirements of divisions (A)(1), 44276  
(2), and (3) of section 3318.06 of the Revised Code, except that 44277  
the resolution also shall state that the tax levy proposed in the 44278  
resolution is an extension of an existing tax levied under that 44279  
section. A resolution proposing an extension adopted under this 44280  
section does not take effect until it is approved by a majority of 44281  
electors voting in favor of the resolution at a general, primary, 44282  
or special election as provided in this section. 44283

A tax levy extended under this section is subject to the same 44284  
terms and limitations to which the original tax levied under 44285  
section 3318.06 of the Revised Code is subject under that section, 44286  
except the term of the extension shall be as specified in this 44287  
section. 44288

The school district board shall certify a copy of the 44289  
resolution adopted under this section to the proper county board 44290  
of elections not later than ninety days before the date set in the 44291

**Sec. 3318.07.** The board of elections shall certify the result 44313

of the election to the tax commissioner, to the auditor of the 44314

county or counties in which the school district is located, to the 44315

**Sec. 3318.08.** Except in the case of a joint vocational school 44323

district that receives assistance under sections 3318.40 to 44324

3318.45 of the Revised Code, if the requisite favorable vote on 44325

the election is obtained, or if the school district board has 44326

resolved to apply the proceeds of a property tax levy or the 44327

under section 3318.052 of the Revised Code, shall enter into a 44332

written agreement with the school district board for the 44333

construction and sale of the project. In the case of a joint 44334

vocational school district that receives assistance under sections 44335

3318.40 to 3318.45 of the Revised Code, if the school district 44336  
board of education and the school district electors have satisfied 44337  
the conditions prescribed in division (D)(1) of section 3318.41 of 44338  
the Revised Code, the commission shall enter into an agreement 44339  
with the school district board for the construction and sale of 44340  
the project. In either case, the agreement shall include, but need 44341  
not be limited to, the following provisions: 44342

(A) The sale and issuance of bonds or notes in anticipation 44343  
thereof, as soon as practicable after the execution of the 44344  
agreement, in an amount equal to the school district's portion of 44345  
the basic project cost, including any securities authorized under 44346  
division (J) of section 133.06 of the Revised Code and dedicated 44347  
by the school district board to payment of the district's portion 44348  
of the basic project cost of the project; provided, that if at 44349  
that time the county treasurer of each county in which the school 44350  
district is located has not commenced the collection of taxes on 44351  
the general duplicate of real and public utility property for the 44352  
year in which the controlling board approved the project, the 44353  
school district board shall authorize the issuance of a first 44354  
installment of bond anticipation notes in an amount specified by 44355  
the agreement, which amount shall not exceed an amount necessary 44356  
to raise the net bonded indebtedness of the school district as of 44357  
the date of the controlling board's approval to within five 44358  
thousand dollars of the required level of indebtedness for the 44359  
preceding year. In the event that a first installment of bond 44360  
anticipation notes is issued, the school district board shall, as 44361  
soon as practicable after the county treasurer of each county in 44362  
which the school district is located has commenced the collection 44363  
of taxes on the general duplicate of real and public utility 44364  
property for the year in which the controlling board approved the 44365  
project, authorize the issuance of a second and final installment 44366  
of bond anticipation notes or a first and final issue of bonds. 44367

bond anticipation notes or the value of the first and final issue 44369  
of bonds shall be equal to the school district's portion of the 44370  
basic project cost. The proceeds of any such bonds shall be used 44371  
first to retire any bond anticipation notes. Otherwise, the 44372  
proceeds of such bonds and of any bond anticipation notes, except 44373  
the premium and accrued interest thereon, shall be deposited in 44374  
the school district's project construction fund. In determining 44375

retirement fund only to the extent of the moneys therein on the 44379

board approved the project. Should there be a decrease in the tax 44381  
valuation of the school district so that the amount of 44382  
indebtedness that can be incurred on the tax duplicates for the 44383  
year in which the controlling board approved the project is less 44384  
than the amount of the first installment of bond anticipation 44385  
notes, there shall be paid from the school district's project 44386  
construction fund to the school district's bond retirement fund to 44387  
be applied against such notes an amount sufficient to cause the 44388

day of the year following the year in which the controlling board 44390  
approved the project, to be within five thousand dollars of the 44391  
required level of indebtedness for the year in which the 44392  
controlling board approved the project. The maximum amount of 44393  
indebtedness to be incurred by any school district board as its 44394  
share of the cost of the project is either an amount that will 44395  
cause its net bonded indebtedness, as of the first day of the year 44396  
following the year in which the controlling board approved the 44397  
project, to be within five thousand dollars of the required level 44398  
of indebtedness, or an amount equal to the required percentage of 44399  
the basic project costs, whichever is greater. All bonds and bond 44400

anticipation notes shall be issued in accordance with Chapter 133. 44401  
of the Revised Code, and notes may be renewed as provided in 44402  
section 133.22 of the Revised Code. 44403

of the bonds or notes, except premium, accrued interest, and 44406  
interest included in the amount of the issue, to the school 44407  
district's project construction fund; 44408

accordance with section 3318.051 of the Revised Code, a 44438

any obligations issued for the project under section 3318.26 of 44463  
the Revised Code are no longer outstanding; 44464

determination of whether a site is appropriate for construction 44530  
purposes. 44531

(T) A provision stipulating that, unless otherwise authorized 44532  
by the commission, any contingency reserve portion of the 44533

the tax has increased to the extent it will not be necessary to 44558  
impose such tax for twenty-three years in order to generate an 44559  
amount equal to the amount of the project cost supplied by the 44560  
state, it may request the county auditor to determine the amount 44561  
remaining to be paid and the estimated rate of taxation required 44562  
each year to pay such remainder in equal installments over the 44563  
maximum number of remaining years the tax may be in effect. The 44564  
auditor shall make such determination upon request and certify the 44565  
results thereof to the board of education. 44566

Upon receipt of the auditor's determination, the board of 44567  
education may request the Ohio ~~school~~ facilities construction 44568  
commission to enter into a supplemental agreement under which the 44569

equal to the quotient obtained by dividing the amount remaining to 44571  
be paid by the maximum number of remaining years the tax may be in 44572  
effect. If such an agreement is entered into, the commission shall 44573  
certify a copy thereof to the county auditor and the tax 44574  
authorized by section 3318.06 of the Revised Code thereafter shall 44575  
be levied at the rate required to make the annual payments 44576  
required by the supplemental agreement rather than the rate 44577  
required by such section. 44578

**Sec. 3318.082.** The board of education of any school district 44579  
imposing a tax for the purpose of paying the state pursuant to 44580  
section 3318.06 of the Revised Code prior to the effective date of 44581  
the amendments to that section by Amended Substitute House Bill 44582  
No. 748 of the 121st ~~General Assembly~~ general assembly, may enter 44583  
into a supplemental agreement with the Ohio ~~school~~ facilities 44584  
construction commission under which the proceeds of such tax shall 44585  
be distributed in accordance with the requirements of section 44586  
3318.06 of the Revised Code, as amended by Amended Substitute 44587  
House Bill No. 748 of the 121st general assembly. 44588

**Sec. 3318.083.** If, after the Ohio ~~school~~ facilities 44589  
construction commission and a school district enter into a written 44590  
agreement under section 3318.08 of the Revised Code for the 44591  
construction of a classroom facilities project, the commission 44592  
approves an increase in the basic project cost above the amount 44593  
budgeted plus any interest earned and available in the project 44594  
construction fund, the state and the school district shall share 44595  
the increased cost in proportion to their respective contributions 44596  
to the district's project construction fund. 44597

**Sec. 3318.084.** (A) Notwithstanding anything to the contrary 44598  
in Chapter 3318. of the Revised Code, a school district board may 44599  
apply any local donated contribution toward any of the following: 44600

(1) The district's portion of the basic project cost of a 44601  
project under either sections 3318.01 to 3318.20 or sections 44602  
3318.40 to 3318.45 of the Revised Code to reduce the amount of 44603  
bonds the district otherwise must issue in order to receive state 44604  
assistance under those sections; 44605

(2) If the school district is not a joint vocational school 44606  
district proceeding under sections 3318.40 to 3318.45 of the 44607  
Revised Code, an offset of all or part of a district's obligation 44608  
to levy the tax described in division (B) of section 3318.05 of 44609  
the Revised Code, which shall be applied only in the manner 44610  
prescribed in division (B) of this section; 44611

(3) If the school district is a joint vocational school 44612  
district proceeding under sections 3318.40 to 3318.45 of the 44613  
Revised Code, all or part of the amount the school district is 44614  
obligated to set aside for maintenance of the classroom facilities 44615  
acquired under that project pursuant to section 3318.43 of the 44616  
Revised Code. 44617

(B) No school district board shall apply any local donated 44618

contribution under division (A)(2) of this section unless the Ohio 44619  
~~school~~ facilities construction commission first approves that 44620  
application. 44621

Upon the request of the school district board to apply local 44622  
donated contribution under division (A)(2) of this section, the 44623  
commission in consultation with the department of taxation shall 44624  
determine the amount of total revenue that likely would be 44625  
generated by one-half mill of the tax described in division (B) of 44626  
section 3318.05 of the Revised Code over the entire 44627  
twenty-three-year period required under that section and shall 44628  
deduct from that amount any amount of local donated contribution 44629  
that the board has committed to apply under division (A)(2) of 44630  
this section. The commission then shall determine in consultation 44631  
with the department of taxation the rate of tax over twenty-three 44632  
years necessary to generate the amount of a one-half mill tax not 44633  
offset by the local donated contribution. Notwithstanding anything 44634  
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 44635  
Revised Code, the rate determined by the commission shall be the 44636  
rate for which the district board shall seek elector approval 44637  
under those sections to meet its obligation under division (B) of 44638  
section 3318.05 of the Revised Code. In the case of a complete 44639  
offset of the district's obligation under division (B) of section 44640  
3318.05 of the Revised Code, the district shall not be required to 44641  
levy the tax otherwise required under that section. At the end of 44642  
the twenty-three-year period of the tax required under division 44643  
(B) of section 3318.05 of the Revised Code, whether or not the tax 44644  
is actually levied, the commission in consultation of the 44645  
department of taxation shall recalculate the amount that would 44646  
have been generated by the tax if it had been levied at one-half 44647  
mill. If the total amount actually generated over that period from 44648  
both the tax that was actually levied and any local donated 44649  
contribution applied under division (A)(2) of this section is less 44650  
than the amount that would have been raised by a one-half mill 44651

tax, the district shall pay any difference. If the total amount 44652  
actually raised in such manner is greater than the amount that 44653  
would have been raised by a one-half mill tax the difference shall 44654  
be zero and no payments shall be made by either the district or 44655  
the commission. 44656

(C) As used in this section, "local donated contribution" 44657  
means any of the following: 44658

(1) Any moneys irrevocably donated or granted to a school 44659  
district board by a source other than the state which the board 44660  
has the authority to apply to the school district's project under 44661  
sections 3318.01 to 3318.20 of the Revised Code and which the 44662  
board has pledged for that purpose by resolution adopted by a 44663  
majority of its members; 44664

(2) Any irrevocable letter of credit issued on behalf of a 44665  
school district which the school district board has encumbered for 44666  
payment of the school district's share of its project under 44667  
sections 3318.01 to 3318.20 of the Revised Code that has been 44668  
approved by the commission in consultation with the department of 44669  
education; 44670

(3) Any cash a school district has on hand that the school 44671  
district board has encumbered for payment of the school district's 44672  
share of its project under sections 3318.01 to 3318.20 of the 44673  
Revised Code that has been approved by the commission in 44674  
consultation with the department of education, including the 44675  
following: 44676

(a) Any year-end operating fund balances that can be spent 44677  
for classroom facilities; 44678

(b) Any cash resulting from a lease-purchase agreement that 44679  
the school district board has entered into under section 3313.375 44680  
of the Revised Code, provided that the agreement and the related 44681  
financing documents contain provisions protecting the state's 44682

superior interest in the project. 44683

(4) Any moneys spent by a source other than the school 44684  
district or the state for construction or renovation of specific 44685  
classroom facilities that have been approved by the commission as 44686  
part of the basic project cost of the district's project. The 44687  
school district, the commission, and the entity providing the 44688  
local donated contribution under division (C)(4) of this section 44689  
shall enter into an agreement identifying the classroom facilities 44690  
to be acquired by the expenditures made by that entity. The 44691  
agreement shall include, but not be limited to, stipulations that 44692  
require an audit by the commission of such expenditures made on 44693  
behalf of the district and that specify the maximum amount of 44694  
credit to be allowed for those expenditures. Upon completion of 44695  
the construction or renovation, the commission shall determine the 44696  
actual amount that the commission will credit, at the request of 44697  
the district board, toward the district's portion of the basic 44698  
project cost, any project cost overruns, or the basic project cost 44699  
of future segments if the project has been divided into segments 44700  
under section 3318.38 of the Revised Code. The actual amount of 44701  
the credit shall not exceed the lesser of the amount specified in 44702  
the agreement or the actual cost of the construction or 44703  
renovation. 44704

(D) No state moneys shall be released for a project to which 44705  
this section applies until: 44706

(1) Any local donated contribution authorized under division 44707  
(A)(1) of this section is first deposited into the school 44708  
district's project construction fund. 44709

(2) The school district board and the commission have 44710  
included a stipulation in their agreement entered into under 44711  
section 3318.08 of the Revised Code under which the board will 44712  
deposit into a fund approved by the commission according to a 44713  
schedule that does not extend beyond the anticipated completion 44714

date of the project the total amount of any local donated 44715  
contribution authorized under division (A)(2) or (3) of this 44716  
section and dedicated by the board for that purpose. 44717

However, if any local donated contribution as described in 44718  
division (C)(4) of this section has been approved under this 44719  
section, the state moneys may be released even if the entity 44720  
providing that local donated contribution has not spent the moneys 44721  
so dedicated as long as the agreement required under that section 44722  
has been executed. 44723

**Sec. 3318.086.** The construction budget for any project under 44724  
sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the 44725  
Revised Code shall contain a contingency reserve in an amount 44726  
prescribed by the Ohio ~~school~~ facilities construction commission, 44727  
which unless otherwise authorized by the commission, shall be used 44728  
only to pay costs resulting from unforeseen job conditions, to 44729  
comply with rulings regarding building and other codes, to pay 44730  
costs related to design clarifications or corrections to contract 44731  
documents, and to pay the costs of settlements or judgments 44732  
related to the project. 44733

**Sec. 3318.091.** (A) Promptly after the written agreement 44734  
between the school district board and the Ohio ~~school~~ facilities 44735  
construction commission has been entered into, the school district 44736  
board shall proceed with the issuance of its bonds or notes in 44737  
anticipation thereof pursuant to the provision of such agreement 44738  
required by division (A) of section 3318.08 of the Revised Code 44739  
and the deposit of the proceeds thereof in the school district's 44740  
project construction fund pursuant to the provision of such 44741  
agreement required by division (B) of section 3318.08 of the 44742  
Revised Code, and the school district board, with the approval of 44743  
the commission shall employ a qualified professional person or 44744  
firm to prepare preliminary plans, working drawings, 44745

specifications, estimates of cost, and such data as the school 44746  
district board and the commission consider necessary for the 44747  
project. When the preliminary plans and preliminary estimates of 44748  
cost have been prepared, and approved by the school district 44749  
board, they shall be submitted to the commission for approval, 44750  
modification, or rejection. The commission shall ensure that the 44751  
plans and materials proposed for use in the project comply with 44752  
specifications for plans and materials that shall be established 44753  
by the commission. When such preliminary plans and preliminary 44754  
estimates of cost and any modifications thereof have been approved 44755  
by the commission and the school district board, the school 44756  
district board shall cause such qualified professional person or 44757  
firm to prepare the working drawings, specifications, and 44758  
estimates of cost. 44759

(B) Whenever project plans submitted to the commission for 44760  
approval under division (A) of this section propose to locate a 44761  
facility on a state route or United States highway or within one 44762  
mile of a state route or United States highway, the commission 44763  
shall send a copy of the plans to the director of transportation. 44764  
The director of transportation shall review the plans to determine 44765  
the feasibility of the proposed ingress and egress to the 44766  
facility, the traffic circulation pattern on roadways around the 44767  
facility, and any improvements that would be necessary to conform 44768  
the roadways to provisions of the manual adopted by the department 44769  
of transportation pursuant to section 4511.09 of the Revised Code 44770  
or state or federal law. The director of transportation shall 44771  
provide a written summary of the director's findings to the 44772  
commission in a timely manner. The commission shall consider the 44773  
findings in deciding whether to approve the plans. 44774

**Sec. 3318.10.** When such working drawings, specifications, and 44775  
estimates of cost have been approved by the school district board 44776  
and the Ohio ~~school~~ facilities construction commission, the 44777

treasurer of the school district board shall advertise for 44778  
construction bids in accordance with section 3313.46 of the 44779  
Revised Code. Such notices shall state that plans and 44780  
specifications for the project are on file in the office of the 44781  
commission and such other place as may be designated in such 44782  
notice, and the time and place when and where bids therefor will 44783  
be received. 44784

The form of proposal to be submitted by bidders shall be 44785  
supplied by the commission. Bidders may be permitted to bid upon 44786  
all the branches of work and materials to be furnished and 44787  
supplied, upon any branch thereof, or upon all or any thereof. 44788

When the construction bids for all branches of work and 44789  
materials have been tabulated, the commission shall cause to be 44790  
prepared a revised estimate of the basic project cost based upon 44791  
the lowest responsible bids received. If such revised estimate 44792  
exceeds the estimated basic project cost as approved by the 44793  
controlling board pursuant to section 3318.04 or division (B)(1) 44794  
of section 3318.41 of the Revised Code, no contracts may be 44795  
entered into pursuant to this section unless such revised estimate 44796  
is approved by the commission and by the controlling board. When 44797  
such revised estimate has been prepared, and after such approvals 44798  
are given, if necessary, and if the school district board has 44799  
caused to be transferred to the project construction fund the 44800  
proceeds from the sale of the first or first and final installment 44801  
of its bonds or bond anticipation notes pursuant to the provision 44802  
of the written agreement required by division (B) of section 44803  
3318.08 of the Revised Code, and when the director of budget and 44804  
management has certified that there is a balance in the 44805  
appropriation, not otherwise obligated to pay precedent 44806  
obligations, pursuant to which the state's share of such revised 44807  
estimate is required to be paid, the contract for all branches of 44808  
work and materials to be furnished and supplied, or for any branch 44809

thereof as determined by the school district board, shall be 44810  
awarded by the school district board to the lowest responsible 44811  
bidder subject to the approval of the commission. Such award shall 44812  
be made within sixty days after the date on which the bids are 44813  
opened, and the successful bidder shall enter into a contract 44814  
within ten days after the successful bidder is notified of the 44815  
award of the contract. 44816

Subject to the approval of the commission, the school 44817  
district board may reject all bids and readvertise. Any contract 44818  
made under this section shall be made in the name of the state and 44819  
executed on its behalf by the president and treasurer of the 44820  
school district board. 44821

The provisions of sections 9.312 and 3313.46 of the Revised 44822  
Code, which are applicable to construction contracts of boards of 44823  
education, shall apply to construction contracts for the project. 44824

The remedies afforded to any subcontractor, materials 44825  
supplier, laborer, mechanic, or persons furnishing material or 44826  
machinery for the project under sections 1311.26 to 1311.32 of the 44827  
Revised Code, shall apply to contracts entered into under this 44828  
section and the itemized statement required by section 1311.26 of 44829  
the Revised Code shall be filed with the school district board. 44830

Notwithstanding any other requirement of this section, a 44831  
school district, with the approval of the commission, may utilize 44832  
any otherwise lawful alternative construction delivery method for 44833  
the construction of the project. 44834

**Sec. 3318.11.** For any project undertaken with financial 44835  
assistance from the state under this chapter, the amount of state 44836  
appropriations to be encumbered for the project in each fiscal 44837  
year shall be determined by the Ohio ~~school~~ facilities 44838  
construction commission based on the project's estimated 44839  
construction schedule for that year. In each fiscal year 44840

subsequent to the first year in which state appropriations are 44841  
encumbered for the project, the project has priority for state 44842  
funds over projects for which initial state funding is sought. 44843

**Sec. 3318.112.** (A) As used in this section, "solar\_ready" 44844  
means capable of accommodating the eventual installation of roof 44845  
top, solar photovoltaic energy equipment. 44846

(B) The Ohio ~~school~~ facilities construction commission shall 44847  
adopt rules prescribing standards for solar\_ready equipment in 44848  
school buildings under their jurisdiction. The rules shall 44849  
include, but not be limited to, standards regarding roof space 44850  
limitations, shading and obstruction, building orientation, roof 44851  
loading capacity, and electric systems. 44852

(C) A school district may seek, and the commission may grant 44853  
for good cause shown, a waiver from part or all of the standards 44854  
prescribed under division (B) of this section. 44855

**Sec. 3318.12.** (A) The Ohio ~~school~~ facilities construction 44856  
commission shall cause to be transferred to the school district's 44857  
project construction fund the necessary amounts from amounts 44858  
appropriated by the general assembly and set aside for such 44859  
purpose, from time to time as may be necessary to pay obligations 44860  
chargeable to such fund when due. All investment earnings of a 44861  
school district's project construction fund shall be credited to 44862  
the fund. 44863

(B)(1) The treasurer of the school district board shall 44864  
disburse funds from the school district's project construction 44865  
fund, including investment earnings credited to the fund, only 44866  
upon the approval of the commission or the commission's designated 44867  
representative. The commission or the commission's designated 44868  
representative shall issue vouchers against such fund, in such 44869  
amounts, and at such times as required by the contracts for 44870

construction of the project. 44871

(2) Notwithstanding anything to the contrary in division 44872  
(B)(1) of this section, the school district board may, by a duly 44873  
adopted resolution, choose to use all or part of the investment 44874  
earnings of the district's project construction fund that are 44875  
attributable to the district's contribution to the fund to pay the 44876  
cost of classroom facilities or portions or components of 44877  
classroom facilities that are not included in the district's basic 44878  
project cost but that are related to the district's project. If 44879  
the district board adopts a resolution in favor of using those 44880  
investment earnings as authorized under division (B)(2) of this 44881  
section, the treasurer shall disburse the amount as designated and 44882  
directed by the board. However, if the district board chooses to 44883  
use any part of the investment earnings for classroom facilities 44884  
or portions or components of classroom facilities that are not 44885  
included in the basic project cost, as authorized under division 44886  
(B)(2) of this section, and, subsequently, the cost of the project 44887  
exceeds the amount in the project construction fund, the district 44888  
board shall restore to the project construction fund the full 44889  
amount of the investment earnings used under division (B)(2) of 44890  
this section before any additional state moneys shall be released 44891  
for the project. 44892

(C) After a certificate of completion has been issued for a 44893  
project under section 3318.48 of the Revised Code: 44894

(1) At the discretion of the school district board, any 44895  
investment earnings remaining in the project construction fund 44896  
that are attributable to the school district's contribution to the 44897  
fund shall be: 44898

(a) Retained in the project construction fund for future 44899  
projects; 44900

(b) Transferred to the district's maintenance fund required 44901

by division (B) of section 3318.05 or section 3318.43 of the Revised Code, and the money so transferred shall be used solely for maintaining the classroom facilities included in the project;

(c) Transferred to the district's permanent improvement fund.

(2) Any investment earnings remaining in the project construction fund that are attributable to the state's contribution to the fund shall be transferred to the commission for expenditure pursuant to sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code.

(3) Any other surplus remaining in the school district's project construction fund shall be transferred to the commission and the school district board in proportion to their respective contributions to the fund. The commission shall use the money transferred to it under this division for expenditure pursuant to sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code.

(D) Pursuant to appropriations of the general assembly, any moneys transferred to the commission under division (C)(2) or (3) of this section from a project construction fund for a project under sections 3318.40 to 3318.45 of the Revised Code may be used for future expenditures for projects under sections 3318.40 to 3318.45 of the Revised Code, notwithstanding the two per cent annual limit specified in division (B) of section 3318.40 of the Revised Code.

**Sec. 3318.121.** As used in this section, "big-eight school district" has the same meaning as in section 3314.02 of the Revised Code.

Notwithstanding any provision to the contrary in section 3318.12 or Chapter 5705. of the Revised Code, a big-eight school district receiving assistance for a project under this chapter,

that has opted with the approval of the Ohio ~~school~~ facilities 44932  
construction commission to divide the project into discrete 44933  
segments to be completed sequentially, or otherwise, may, with the 44934  
approval of the commission or the commission's designated 44935  
representative, and pursuant to a resolution adopted by the school 44936  
district board, transfer to a special construction fund investment 44937  
earnings credited to the project construction fund that are 44938  
attributable to the district's contribution to that fund, if the 44939  
school district board and the commission, or its designated 44940  
representative, determine that the unspent amount of the 44941  
district's contribution to the project construction fund, 44942  
including any investment earnings on that contribution that are 44943  
not to be transferred to the special construction fund, together 44944  
with the principal amount of any additional securities authorized 44945  
by the voters of the district to be issued to pay the local share 44946  
of the basic project cost of the entire project that have not yet 44947  
been issued by the district, are projected at the time of the 44948  
transfer to be not less than one hundred ten per cent of the 44949  
amount required to provide for the entire remaining local share of 44950  
the basic project cost because of reductions in the scope and 44951  
estimated cost of the project that have been incorporated in the 44952  
district's approved master facilities plan. The money in that 44953  
special construction fund, including investment earnings 44954  
attributable to money in that fund, shall be used by the district 44955  
solely to pay costs of classroom facilities (A) in later segments 44956  
of the project that are consistent with the specifications for 44957  
plans and materials for classroom facilities adopted by the 44958  
commission and those specifications used by the district for 44959  
classroom facilities included in one or more prior segments, but 44960  
which would cause the cost of the facilities in one or more later 44961  
segments to be in excess of the approved budgeted basic project 44962  
cost for the segment to be shared by the state and the district in 44963  
proportion to the state's and the school district's respective 44964

shares of the basic project cost as determined under section 44965  
3318.032 of the Revised Code, or (B) that were included in the 44966  
master facilities plan prior to the reduction in scope. All 44967  
investment earnings on a district's special construction fund 44968  
shall be credited to the fund. After the entire project has been 44969  
completed, any investment earnings remaining in the special 44970  
construction fund shall be transferred to the district's 44971  
maintenance fund required by division (B) of section 3318.05 of 44972  
the Revised Code, and used solely for maintaining the classroom 44973  
facilities included in the project. 44974

**Sec. 3318.13.** Notwithstanding any provision of sections 44975  
5705.27 to 5705.50 of the Revised Code, the tax to be levied on 44976  
all taxable property within a school district for the purpose of 44977  
paying the cost of maintaining the classroom facilities included 44978  
in the project under the agreement provided in section 3318.08 of 44979  
the Revised Code or the supplemental agreement provided in section 44980  
3318.081 of the Revised Code shall be included in the budget of 44981  
the school district for each year upon the certification to the 44982  
county budget commission or commissions of the county or counties 44983  
in which said school district is located, by the Ohio ~~school~~ 44984  
facilities construction commission of the balance due the state 44985  
under said agreement or supplemental agreement. Such certification 44986  
shall be made on or before the fifteenth day of July in each year. 44987  
Thereafter, the respective county budget commissions shall treat 44988  
such certification as an additional item on the tax budget for the 44989  
school district as to which such certification has been made and 44990

(3) "Statewide average valuation per pupil" means the total 45027  
of the valuations of all school districts divided by the total of 45028  
the formula ADMs of all school districts as most recently 45029

annual computation is made under division (C) of this section. 45031

(4) "Maintenance levy requirement" means the tax required to 45032  
be levied pursuant to division (C)(2)(a) of section 3318.08 and 45033

(B) On or before July 1, 2006, the department of education 45044  
shall compute the statewide average valuation per pupil and the 45045  
valuation per pupil of each school district, and provide them to 45046  
the Ohio ~~school~~ facilities construction commission. On or before 45047  
the first day of July each year beginning in 2007, the department 45048  
of education shall compute the statewide average valuation per 45049  
pupil and the valuation per pupil of each school district that has 45050  
not already entered into a project agreement, and provide the 45051  
results of those computations to the commission. 45052

(C)(1) At the time the Ohio ~~school~~ facilities construction 45053

shall multiply the difference between those amounts by one-half 45060  
mill times the formula ADM of the district as most recently 45061  
reported to the department of education for October under division 45062  
(A) of section 3317.03 of the Revised Code. The commission shall 45063

along with the date on which the maintenance levy requirement 45065  
terminates as provided in the project agreement between the school 45066  
district board and the commission. 45067

project agreement after July 1, 1997, but before July 1, 2006, the 45069  
commission shall make the computation described in division (C)(1) 45070  
of this section on the basis of the district's valuation per pupil 45071  
and the statewide average valuation per pupil computed as of 45072  
September 1, 2006, and the district's formula ADM reported for 45073  
October 2005. 45074

(3) The amount computed for a school district under division 45075  
(C)(1) or (2) of this section shall not change for the period 45076  
during which payments are made to the district under division (D) 45077  
of this section. 45078

(4) A computation need not be made under division (C)(1) or 45079  
(2) of this section for a school district that certified a 45080  
resolution to the commission under division (D)(3) of section 45081  
3318.36 of the Revised Code until the district becomes eligible 45082  
for state assistance as provided in that division. 45083

(D) In the fourth quarter of each fiscal year, for each 45084  
school district for which a computation has been made under 45085  
division (C) of this section, the department of education shall 45086  
pay the amount computed to each such school district. Payments 45087  
shall be made to a school district each year until and including 45088

the tax year in which the district's maintenance levy requirement 45089  
terminates. Payments shall be paid from the half-mill equalization 45090  
fund, subject to appropriation by the general assembly. However, 45091  
the department shall make no payments under this section to any 45092

of the Revised Code. 45094

(E) Payments made to a school district under this section 45095  
shall be credited to the district's classroom facilities 45096

maintaining facilities constructed or renovated under the project 45098  
agreement. 45099

(F) There is hereby created in the state treasury the 45100  
half-mill equalization fund. The fund shall receive transfers 45101  
pursuant to section 5727.85 of the Revised Code. The fund shall be 45102  
used first to make annual payments under division (D) of this 45103  
section. If a balance remains in the fund after such payments are 45104  
made in full for a year, the Ohio ~~school~~ facilities construction 45105  
commission may request the controlling board to transfer a 45106  
reasonable amount from such remaining balance to the public school 45107  
building fund created under section 3318.15 of the Revised Code 45108  
for the purposes of this chapter. 45109

All investment earnings arising from investment of money in 45110  
the half-mill equalization fund shall be credited to the fund. 45111

**Sec. 3318.22.** (A) The general assembly finds that many school 45112  
districts are prevented by their size, tax base, or other 45113  
conditions from performing their essential functions as agencies 45114  
of state government to provide adequate classroom facilities and 45115  
issuing securities under Chapter 133. of the Revised Code at 45116  
favorable interest rates or charges. Accordingly, the Ohio ~~school~~ 45117  
facilities construction commission is invested with the powers and 45118  
duties provided in sections 3318.21 to 3318.29 of the Revised Code 45119

in order to provide deserved assistance and materially contribute 45120  
to the educational revitalization of such school districts and 45121  
result in improving the education and welfare of all the people of 45122  
the state. 45123

(B) Sections 3318.21 to 3318.29 of the Revised Code do not 45124  
authorize the commission or the issuing authority to incur bonded 45125  
indebtedness of the state or any political subdivision of the 45126  
state, or to obligate or pledge moneys raised by taxation for the 45127  
payment of any bonds or notes issued pursuant to sections 3318.21 45128  
to 3318.29 of the Revised Code. 45129

**Sec. 3318.25.** There is hereby created in the state treasury 45130  
the school building program assistance fund. The fund shall 45131  
consist of the proceeds of obligations issued for the purposes of 45132  
such fund pursuant to section 3318.26 of the Revised Code that are 45133  
payable from moneys in the lottery profits education fund created 45134  
in section 3770.06 of the Revised Code or pursuant to section 45135  
151.03 of the Revised Code. All investment earnings of the fund 45136  
shall be credited to the fund. Moneys in the fund shall be used as 45137  
directed by the Ohio ~~school~~ facilities construction commission for 45138  
the cost to the state of constructing classroom facilities under 45139  
Chapter 3318. of the Revised Code as prescribed by the general 45140  
assembly. 45141

**Sec. 3318.26.** (A) The provisions of this section apply only 45142  
to obligations issued by the issuing authority prior to December 45143  
1, 1999. 45144

(B) Subject to the limitations provided in section 3318.29 of 45145  
the Revised Code, the issuing authority, upon the certification by 45146  
the Ohio ~~school~~ facilities construction commission to the issuing 45147  
authority of the amount of moneys or additional moneys needed in 45148  
the school building program assistance fund for the purposes of 45149

sections 3318.01 to 3318.20 and sections 3318.40 to 3318.45 of the Revised Code, or needed for capitalized interest, for funding reserves, and for paying costs and expenses incurred in connection with the issuance, carrying, securing, paying, redeeming, or retirement of the obligations or any obligations refunded thereby, including payment of costs and expenses relating to letters of credit, lines of credit, insurance, put agreements, standby purchase agreements, indexing, marketing, remarketing and administrative arrangements, interest swap or hedging agreements, and any other credit enhancement, liquidity, remarketing, renewal, or refunding arrangements, all of which are authorized by this section, shall issue obligations of the state under this section in the required amount. The proceeds of such obligations, except for obligations issued to provide moneys for the school building program assistance fund shall be deposited by the treasurer of state in special funds, including reserve funds, as provided in the bond proceedings. The issuing authority may appoint trustees, paying agents, and transfer agents and may retain the services of financial advisors and accounting experts and retain or contract for the services of marketing, remarketing, indexing, and administrative agents, other consultants, and independent contractors, including printing services, as are necessary in the issuing authority's judgment to carry out this section. The costs of such services are payable from the school building program assistance fund or any special fund determined by the issuing authority.

(C) The holders or owners of such obligations shall have no right to have moneys raised by taxation obligated or pledged, and moneys raised by taxation shall not be obligated or pledged, for the payment of bond service charges. Such holders or owners shall have no rights to payment of bond service charges from any money or property received by the commission, treasurer of state, or the state, or from any other use of the proceeds of the sale of the

obligations, and no such moneys may be used for the payment of 45183  
bond service charges, except for accrued interest, capitalized 45184  
interest, and reserves funded from proceeds received upon the sale 45185  
of the obligations and except as otherwise expressly provided in 45186  
the applicable bond proceedings pursuant to written directions by 45187  
the treasurer of state. The right of such holders and owners to 45188  
payment of bond service charges shall be limited to all or that 45189  
portion of the pledged receipts and those special funds pledged 45190  
thereto pursuant to the bond proceedings in accordance with this 45191  
section, and each such obligation shall bear on its face a 45192  
statement to that effect. 45193

(D) Obligations shall be authorized by resolution or order of 45194  
the issuing authority and the bond proceedings shall provide for 45195  
the purpose thereof and the principal amount or amounts, and shall 45196  
provide for or authorize the manner or agency for determining the 45197  
principal maturity or maturities, not exceeding the limits 45198  
specified in section 3318.29 of the Revised Code, the interest 45199  
rate or rates or the maximum interest rate, the date of the 45200  
obligations and the dates of payment of interest thereon, their 45201  
denomination, and the establishment within or without the state of 45202  
a place or places of payment of bond service charges. Sections 45203  
9.98 to 9.983 of the Revised Code are applicable to obligations 45204  
issued under this section, subject to any applicable limitation 45205  
under section 3318.29 of the Revised Code. The purpose of such 45206  
obligations may be stated in the bond proceedings in terms 45207  
describing the general purpose or purposes to be served. The bond 45208  
proceedings shall also provide, subject to the provisions of any 45209  
other applicable bond proceedings, for the pledge of all, or such 45210  
part as the issuing authority may determine, of the pledged 45211  
receipts and the applicable special fund or funds to the payment 45212  
of bond service charges, which pledges may be made either prior or 45213  
subordinate to other expenses, claims, or payments, and may be 45214  
made to secure the obligations on a parity with obligations 45215

theretofore or thereafter issued, if and to the extent provided in 45216  
the bond proceedings. The pledged receipts and special funds so 45217  
pledged and thereafter received by the state are immediately 45218  
subject to the lien of such pledge without any physical delivery 45219  
thereof or further act, and the lien of any such pledges is valid 45220  
and binding against all parties having claims of any kind against 45221  
the state or any governmental agency of the state, irrespective of 45222  
whether such parties have notice thereof, and shall create a 45223  
perfected security interest for all purposes of Chapter 1309. of 45224  
the Revised Code, without the necessity for separation or delivery 45225  
of funds or for the filing or recording of the bond proceedings by 45226  
which such pledge is created or any certificate, statement or 45227  
other document with respect thereto; and the pledge of such 45228  
pledged receipts and special funds is effective and the money 45229  
therefrom and thereof may be applied to the purposes for which 45230  
pledged without necessity for any act of appropriation, except as 45231  
required by section 3770.06 of the Revised Code. Every pledge, and 45232  
every covenant and agreement made with respect thereto, made in 45233  
the bond proceedings may therein be extended to the benefit of the 45234  
owners and holders of obligations authorized by this section, and 45235  
to any trustee therefor, for the further security of the payment 45236  
of the bond service charges. 45237

(E) The bond proceedings may contain additional provisions as 45238  
to: 45239

(1) The redemption of obligations prior to maturity at the 45240  
option of the issuing authority at such price or prices and under 45241  
such terms and conditions as are provided in the bond proceedings; 45242

(2) Other terms of the obligations; 45243

(3) Limitations on the issuance of additional obligations; 45244

(4) The terms of any trust agreement or indenture securing 45245  
the obligations or under which the same may be issued; 45246

(5) The deposit, investment and application of special funds, 45247  
and the safeguarding of moneys on hand or on deposit, without 45248  
regard to Chapter 131., 133., or 135. of the Revised Code, but 45249  
subject to any special provisions of sections 3318.21 to 3318.29 45250  
of the Revised Code, with respect to particular funds or moneys, 45251  
provided that any bank or trust company that acts as depository of 45252  
any moneys in the special funds may furnish such indemnifying 45253  
bonds or may pledge such securities as required by the issuing 45254  
authority; 45255

(6) Any or every provision of the bond proceedings being 45256  
binding upon such officer, board, commission, authority, agency, 45257  
department, or other person or body as may from time to time have 45258  
the authority under law to take such actions as may be necessary 45259  
to perform all or any part of the duty required by such provision; 45260

(7) Any provision that may be made in a trust agreement or 45261  
indenture; 45262

(8) The lease or sublease of any interest of the school 45263  
district or the state in one or more projects as defined in 45264  
division (C) of section 3318.01 of the Revised Code, or in one or 45265  
more permanent improvements, to or from the issuing authority, as 45266  
provided in one or more lease or sublease agreements between the 45267  
school or the state and the issuing authority; 45268

(9) Any other or additional agreements with the holders of 45269  
the obligations, or the trustee therefor, relating to the 45270  
obligations or the security therefor. 45271

(F) The obligations may have the great seal of the state or a 45272  
facsimile thereof affixed thereto or printed thereon. The 45273  
obligations and any coupons pertaining to obligations shall be 45274  
signed or bear the facsimile signature of the issuing authority. 45275  
Any obligations or coupons may be executed by the person who, on 45276  
the date of execution, is the proper issuing authority although on 45277

the date of such bonds or coupons such person was not the issuing 45278  
authority. In case the issuing authority whose signature or a 45279  
facsimile of whose signature appears on any such obligation or 45280  
coupon ceases to be the issuing authority before delivery thereof, 45281  
such signature or facsimile is nevertheless valid and sufficient 45282  
for all purposes as if the issuing authority had remained the 45283  
issuing authority until such delivery; and in case the seal to be 45284  
affixed to obligations has been changed after a facsimile of the 45285  
seal has been imprinted on such obligations, such facsimile seal 45286  
shall continue to be sufficient as to such obligations and 45287  
obligations issued in substitution or exchange therefor. 45288

(G) All obligations are negotiable instruments and securities 45289  
under Chapter 1308. of the Revised Code, subject to the provisions 45290  
of the bond proceedings as to registration. The obligations may be 45291  
issued in coupon or in registered form, or both, as the issuing 45292  
authority determines. Provision may be made for the registration 45293  
of any obligations with coupons attached thereto as to principal 45294  
alone or as to both principal and interest, their exchange for 45295  
obligations so registered, and for the conversion or reconversion 45296  
into obligations with coupons attached thereto of any obligations 45297  
registered as to both principal and interest, and for reasonable 45298  
charges for such registration, exchange, conversion, and 45299  
reconversion. 45300

(H) Obligations may be sold at public sale or at private 45301  
sale, as determined in the bond proceedings. 45302

(I) Pending preparation of definitive obligations, the 45303  
issuing authority may issue interim receipts or certificates which 45304  
shall be exchanged for such definitive obligations. 45305

(J) In the discretion of the issuing authority, obligations 45306  
may be secured additionally by a trust agreement or indenture 45307  
between the issuing authority and a corporate trustee which may be 45308  
any trust company or bank having a place of business within the 45309

state. Any such agreement or indenture may contain the resolution 45310  
or order authorizing the issuance of the obligations, any 45311  
provisions that may be contained in any bond proceedings, and 45312  
other provisions that are customary or appropriate in an agreement 45313  
or indenture of such type, including, but not limited to: 45314

(1) Maintenance of each pledge, trust agreement, indenture, 45315  
or other instrument comprising part of the bond proceedings until 45316

obligations secured thereby, or provision therefor has been made; 45318

(2) In the event of default in any payments required to be 45319  
made by the bond proceedings, or any other agreement of the 45320  
issuing authority made as a part of the contract under which the 45321  
obligations were issued, enforcement of such payments or agreement 45322  
by mandamus, the appointment of a receiver, suit in equity, action 45323  
at law, or any combination of the foregoing; 45324

(3) The rights and remedies of the holders of obligations and 45325  
of the trustee, and provisions for protecting and enforcing them, 45326  
including limitations on rights of individual holders of 45327  
obligations; 45328

(4) The replacement of any obligations that become mutilated 45329  
or are destroyed, lost, or stolen; 45330

(5) Such other provisions as the trustee and the issuing 45331  
authority agree upon, including limitations, conditions, or 45332  
qualifications relating to any of the foregoing. 45333

(K) Any holder of obligations or a trustee under the bond 45334  
proceedings, except to the extent that the holder's or trustee's 45335  
rights are restricted by the bond proceedings, may by any suitable 45336  
form of legal proceedings, protect and enforce any rights under 45337  
the laws of this state or granted by such bond proceedings. Such 45338  
rights include the right to compel the performance of all duties 45339  
of the issuing authority, the commission, or the director of 45340

budget and management required by sections 3318.21 to 3318.29 of 45341  
the Revised Code or the bond proceedings; to enjoin unlawful 45342  
activities; and in the event of default with respect to the 45343  
payment of any bond service charges on any obligations or in the 45344  
performance of any covenant or agreement on the part of the 45345  
issuing authority, the commission, or the director of budget and 45346  
management in the bond proceedings, to apply to a court having 45347  
jurisdiction of the cause to appoint a receiver to receive and 45348  
administer the pledged receipts and special funds, other than 45349  
those in the custody of the treasurer of state or the commission, 45350  
which are pledged to the payment of the bond service charges on 45351  
such obligations or which are the subject of the covenant or 45352  
agreement, with full power to pay, and to provide for payment of 45353  
bond service charges on, such obligations, and with such powers, 45354  
subject to the direction of the court, as are accorded receivers 45355  
in general equity cases, excluding any power to pledge additional 45356  
revenues or receipts or other income or moneys of the issuing 45357  
authority or the state or governmental agencies of the state to 45358  
the payment of such principal and interest and excluding the power 45359  
to take possession of, mortgage, or cause the sale or otherwise 45360  
dispose of any permanent improvement. 45361

Each duty of the issuing authority and the issuing 45362  
authority's officers and employees, and of each governmental 45363  
agency and its officers, members, or employees, undertaken 45364  
pursuant to the bond proceedings or any agreement or loan made 45365  
under authority of sections 3318.21 to 3318.29 of the Revised 45366  
Code, and in every agreement by or with the issuing authority, is 45367  
hereby established as a duty of the issuing authority, and of each 45368  
such officer, member, or employee having authority to perform such 45369  
duty, specifically enjoined by the law resulting from an office, 45370  
trust, or station within the meaning of section 2731.01 of the 45371  
Revised Code. 45372

The person who is at the time the issuing authority, or the 45373  
issuing authority's officers or employees, are not liable in their 45374  
personal capacities on any obligations issued by the issuing 45375  
authority or any agreements of or with the issuing authority. 45376

adopted pursuant thereto by any governmental agency of the state 45389  
with respect to investments by them, and also are acceptable as 45390  
security for the deposit of public moneys. 45391

(M) Unless otherwise provided in any applicable bond 45392  
proceedings, moneys to the credit of or in the special funds 45393  
established by or pursuant to this section may be invested by or 45394  
on behalf of the issuing authority only in notes, bonds, or other 45395  
obligations of the United States, or of any agency or 45396  
instrumentality of the United States, obligations guaranteed as to 45397  
principal and interest by the United States, obligations of this 45398  
state or any political subdivision of this state, and certificates 45399  
of deposit of any national bank located in this state and any 45400  
bank, as defined in section 1101.01 of the Revised Code, subject 45401  
to inspection by the superintendent of financial institutions. If 45402  
the law or the instrument creating a trust pursuant to division 45403  
(J) of this section expressly permits investment in direct 45404

obligations of the United States or an agency of the United 45405  
States, unless expressly prohibited by the instrument, such moneys 45406  
also may be invested in no front end load money market mutual 45407  
funds consisting exclusively of obligations of the United States 45408  
or an agency of the United States and in repurchase agreements, 45409  
including those issued by the fiduciary itself, secured by 45410  
obligations of the United States or an agency of the United 45411  
States; and in collective investment funds established in 45412  
accordance with section 1111.14 of the Revised Code and consisting 45413  
exclusively of any such securities, notwithstanding division 45414  
(B)(1)(c) of that section. The income from such investments shall 45415  
be credited to such funds as the issuing authority determines, and 45416  
such investments may be sold at such times as the issuing 45417  
authority determines or authorizes. 45418

(N) Provision may be made in the applicable bond proceedings 45419  
for the establishment of separate accounts in the bond service 45420  
fund and for the application of such accounts only to the 45421  
specified bond service charges on obligations pertinent to such 45422  
accounts and bond service fund and for other accounts therein 45423  
within the general purposes of such fund. Unless otherwise 45424  
provided in any applicable bond proceedings, moneys to the credit 45425  
of or in the several special funds established pursuant to this 45426  
section shall be disbursed on the order of the treasurer of state, 45427  
provided that no such order is required for the payment from the 45428  
bond service fund when due of bond service charges on obligations. 45429

(O) The issuing authority may pledge all, or such portion as 45430  
the issuing authority determines, of the pledged receipts to the 45431  
payment of bond service charges on obligations issued under this 45432  
section, and for the establishment and maintenance of any 45433  
reserves, as provided in the bond proceedings, and make other 45434  
provisions therein with respect to pledged receipts as authorized 45435  
by this chapter, which provisions shall be controlling 45436

notwithstanding any other provisions of law pertaining thereto. 45437

(P) The issuing authority may covenant in the bond 45438  
proceedings, and any such covenants shall be controlling 45439  
notwithstanding any other provision of law, that the state and 45440  
applicable officers and governmental agencies of the state, 45441  
including the general assembly, so long as any obligations are 45442  
outstanding, shall: 45443

(1) Maintain statutory authority for and cause to be operated 45444  
the state lottery, including the transfers to and from the lottery 45445  
profits education fund created in section 3770.06 of the Revised 45446  
Code so that the pledged receipts shall be sufficient in amount to 45447  
meet bond service charges, and the establishment and maintenance 45448  
of any reserves and other requirements provided for in the bond 45449  
proceedings; 45450

(2) Take or permit no action, by statute or otherwise, that 45451  
would impair the exclusion from gross income for federal income 45452  
tax purposes of the interest on any obligations designated by the 45453  
bond proceeding as tax-exempt obligations. 45454

(Q) There is hereby created the school building program bond 45455  
service fund, which shall be in the custody of the treasurer of 45456  
state but shall be separate and apart from and not a part of the 45457  
state treasury. All moneys received by or on account of the 45458  
issuing authority or state agencies and required by the applicable 45459  
bond proceedings, consistent with this section, to be deposited, 45460  
transferred, or credited to the school building program bond 45461  
service fund, and all other moneys transferred or allocated to or 45462  
received for the purposes of the fund, shall be deposited and 45463  
credited to such fund and to any separate accounts therein, 45464  
subject to applicable provisions of the bond proceedings, but 45465  
without necessity for any act of appropriation, except as required 45466  
by section 3770.06 of the Revised Code. During the period 45467  
beginning with the date of the first issuance of obligations and 45468

continuing during such time as any such obligations are 45469  
outstanding, and so long as moneys in the school building program 45470  
bond service fund are insufficient to pay all bond service charges 45471  
on such obligations becoming due in each year, a sufficient amount 45472  
of the moneys from the lottery profits education fund included in 45473  
pledged receipts, subject to appropriation for such purpose as 45474  
provided in section 3770.06 of the Revised Code, are committed and 45475  
shall be paid to the school building program bond service fund in 45476  
each year for the purpose of paying the bond service charges 45477  
becoming due in that year. The school building program bond 45478  
service fund is a trust fund and is hereby pledged to the payment 45479  
of bond service charges solely on obligations issued to provide 45480  
moneys for the school building program assistance fund to the 45481  
extent provided in the applicable bond proceedings, and payment 45482  
thereof from such fund shall be made or provided for by the 45483  
treasurer of state in accordance with such bond proceedings 45484  
without necessity for any act of appropriation except as required 45485  
by section 3770.06 of the Revised Code. 45486

(R) The obligations, the transfer thereof, and the income 45487  
therefrom, including any profit made on the sale thereof, at all 45488  
times shall be free from taxation within the state. 45489

**Sec. 3318.311.** ~~Not later than six months after September 14,~~ 45490  
~~2000, the~~ The Ohio school facilities construction commission shall 45491  
establish design specifications for classroom facilities that are 45492  
appropriate for joint vocational education programs. The 45493  
specifications shall provide standards for appropriate pupil 45494  
instruction space but shall not include standards for any 45495  
vocational education furnishings or equipment that is not 45496  
comparable to, or the vocational education equivalent of, the 45497  
furnishings or equipment for which assistance is available to 45498  
other school districts under sections 3318.01 to 3318.20 of the 45499  
Revised Code. 45500

Beginning September 1, 2003, from time to time the commission 45501  
may amend the specifications as determined necessary by the 45502  
commission; however, any project under sections 3318.40 to 3318.45 45503  
of the Revised Code approved by the commission prior to the most 45504  
recent amendment to the specifications shall not be subject to the 45505  
provisions of such amendment. 45506

**Sec. 3318.351.** (A) As used in this section: 45507

(1) "Classroom facilities" has the same meaning as in section 45508  
3318.01 of the Revised Code. 45509

(2) "Emergency project" means reconstruction or renovation of 45510  
or repair to any classroom facilities made necessary because of 45511  
damage due to an act of God. 45512

(3) "Eligible school district" means any school district in 45513  
the first through one-hundredth percentiles as determined under 45514  
section 3318.011 of the Revised Code. 45515

(B)(1) There is hereby established the school building 45516  
emergency assistance program, under which the Ohio ~~school~~ 45517  
facilities construction commission shall distribute grants to 45518  
eligible school districts from moneys specifically appropriated by 45519  
the general assembly for the purposes of this section to assist in 45520  
emergency projects. Any assistance under this section shall be 45521  
used to pay the cost of only the portion of an emergency project 45522  
that is not covered by insurance or other public or private 45523  
emergency assistance received by or payable to the school 45524  
district. Any damage to classroom facilities caused by age of the 45525  
facilities or by lack of timely maintenance to the facilities 45526  
shall not constitute damage that is subject to assistance under 45527  
this section. 45528

(2) The commission shall establish procedures and deadlines 45529  
for eligible school districts to follow in applying for assistance 45530

under this section. The commission shall consider such 45531  
applications on a case-by-case basis taking into account the 45532  
amount of moneys available under this section. 45533

(3) Every effort shall be made to conform an emergency 45534  
project to design specifications adopted by the commission, 45535  
including minimum capacity requirements adopted under section 45536  
3318.03 of the Revised Code, unless in the judgment of the 45537  
commission it is not possible to conform the project to such 45538  
specifications. 45539

**Sec. 3318.36.** (A)(1) As used in this section: 45540

(a) "Ohio ~~school~~ facilities construction commission," 45541  
"classroom facilities," "school district," "school district 45542  
board," "net bonded indebtedness," "required percentage of the 45543  
basic project costs," "basic project cost," "valuation," and 45544  
"percentile" have the same meanings as in section 3318.01 of the 45545  
Revised Code. 45546

(b) "Required level of indebtedness" means five per cent of 45547  
the school district's valuation for the year preceding the year in 45548  
which the commission and school district enter into an agreement 45549  
under division (B) of this section, plus [two one-hundredths of 45550  
one per cent multiplied by (the percentile in which the district 45551  
ranks minus one)]. 45552

(c) "Local resources" means any moneys generated in any 45553  
manner permitted for a school district board to raise the school 45554  
district portion of a project undertaken with assistance under 45555  
sections 3318.01 to 3318.20 of the Revised Code. 45556

(2) For purposes of determining the required level of 45557  
indebtedness, the required percentage of the basic project costs 45558  
under division (C)(1) of this section, and priority for assistance 45559  
under sections 3318.01 to 3318.20 of the Revised Code, the 45560

percentile ranking of a school district with which the commission 45561  
has entered into an agreement under this section between the first 45562  
day of July and the thirty-first day of August in each fiscal year 45563  
is the percentile ranking calculated for that district for the 45564  
immediately preceding fiscal year, and the percentile ranking of a 45565  
school district with which the commission has entered into such 45566  
agreement between the first day of September and the thirtieth day 45567  
of June in each fiscal year is the percentile ranking calculated 45568  
for that district for the current fiscal year. 45569

(B)(1) There is hereby established the school building 45570  
assistance expedited local partnership program. Under the program, 45571  
the Ohio ~~school~~ facilities construction commission may enter into 45572  
an agreement with the board of any school district under which the 45573  
board may proceed with the new construction or major repairs of a 45574  
part of the district's classroom facilities needs, as determined 45575  
under sections 3318.01 to 3318.20 of the Revised Code, through the 45576  
expenditure of local resources prior to the school district's 45577  
eligibility for state assistance under those sections, and may 45578  
apply that expenditure toward meeting the school district's 45579  
portion of the basic project cost of the total of the district's 45580  
classroom facilities needs, as recalculated under division (E) of 45581  
this section, when the district becomes eligible for state 45582  
assistance under sections 3318.01 to 3318.20 or section 3318.364 45583  
of the Revised Code. Any school district that is reasonably 45584  
expected to receive assistance under sections 3318.01 to 3318.20 45585  
of the Revised Code within two fiscal years from the date the 45586  
school district adopts its resolution under division (B) of this 45587  
section shall not be eligible to participate in the program 45588  
established under this section. 45589

(2) To participate in the program, a school district board 45590  
shall first adopt a resolution certifying to the commission the 45591  
board's intent to participate in the program. 45592

The resolution shall specify the approximate date that the board intends to seek elector approval of any bond or tax measures or to apply other local resources to use to pay the cost of classroom facilities to be constructed under this section. The resolution may specify the application of local resources or elector-approved bond or tax measures after the resolution is adopted by the board, and in such case the board may proceed with a discrete portion of its project under this section as soon as the commission and the controlling board have approved the basic project cost of the district's classroom facilities needs as specified in division (D) of this section. The board shall submit its resolution to the commission not later than ten days after the date the resolution is adopted by the board.

The commission shall not consider any resolution that is submitted pursuant to division (B)(2) of this section, as amended by this amendment, sooner than September 14, 2000.

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code or priority for assistance under section 3318.364 of the Revised Code, the commission shall use the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this section.

(4) Any project under this section shall comply with section 3318.03 of the Revised Code and with any specifications for plans and materials for classroom facilities adopted by the commission under section 3318.04 of the Revised Code.

(5) If a school district that enters into an agreement under this section has not begun a project applying local resources as provided for under that agreement at the time the district is notified by the commission that it is eligible to receive state

assistance under sections 3318.01 to 3318.20 of the Revised Code, 45625  
all assessment and agreement documents entered into under this 45626  
section are void. 45627

(6) Only construction of or repairs to classroom facilities 45628  
that have been approved by the commission and have been therefore 45629  
included as part of a district's basic project cost qualify for 45630  
application of local resources under this section. 45631

(C) Based on the results of on-site visits and assessment, 45632  
the commission shall determine the basic project cost of the 45633  
school district's classroom facilities needs. The commission shall 45634  
determine the school district's portion of such basic project 45635  
cost, which shall be the greater of: 45636

(1) The required percentage of the basic project costs, 45637  
determined based on the school district's percentile ranking; 45638

(2) An amount necessary to raise the school district's net 45639  
bonded indebtedness, as of the fiscal year the commission and the 45640  
school district enter into the agreement under division (B) of 45641  
this section, to within five thousand dollars of the required 45642  
level of indebtedness. 45643

(D)(1) When the commission determines the basic project cost 45644  
of the classroom facilities needs of a school district and the 45645  
school district's portion of that basic project cost under 45646  
division (C) of this section, the project shall be conditionally 45647  
approved. Such conditional approval shall be submitted to the 45648  
controlling board for approval thereof. The controlling board 45649  
shall forthwith approve or reject the commission's determination, 45650  
conditional approval, and the amount of the state's portion of the 45651  
basic project cost; however, no state funds shall be encumbered 45652  
under this section. Upon approval by the controlling board, the 45653  
school district board may identify a discrete part of its 45654  
classroom facilities needs, which shall include only new 45655

construction of or additions or major repairs to a particular 45656  
building, to address with local resources. Upon identifying a part 45657  
of the school district's basic project cost to address with local 45658  
resources, the school district board may allocate any available 45659  
school district moneys to pay the cost of that identified part, 45660  
including the proceeds of an issuance of bonds if approved by the 45661  
electors of the school district. 45662

All local resources utilized under this division shall first 45663  
be deposited in the project construction account required under 45664  
section 3318.08 of the Revised Code. 45665

(2) Unless the school district board exercises its option 45666  
under division (D)(3) of this section, for a school district to 45667  
qualify for participation in the program authorized under this 45668  
section, one of the following conditions shall be satisfied: 45669

(a) The electors of the school district by a majority vote 45670  
shall approve the levy of taxes outside the ten-mill limitation 45671  
for a period of twenty-three years at the rate of not less than 45672  
one-half mill for each dollar of valuation to be used to pay the 45673  
cost of maintaining the classroom facilities included in the basic 45674  
project cost as determined by the commission. The form of the 45675  
ballot to be used to submit the question whether to approve the 45676  
tax required under this division to the electors of the school 45677  
district shall be the form for an additional levy of taxes 45678  
prescribed in section 3318.361 of the Revised Code, which may be 45679  
combined in a single ballot question with the questions prescribed 45680  
under section 5705.218 of the Revised Code. 45681

(b) As authorized under division (C) of section 3318.05 of 45682  
the Revised Code, the school district board shall earmark from the 45683  
proceeds of a permanent improvement tax levied under section 45684  
5705.21 of the Revised Code, an amount equivalent to the 45685  
additional tax otherwise required under division (D)(2)(a) of this 45686  
section for the maintenance of the classroom facilities included 45687

in the basic project cost as determined by the commission. 45688

(c) As authorized under section 3318.051 of the Revised Code, 45689  
the school district board shall, if approved by the commission, 45690  
annually transfer into the maintenance fund required under section 45691  
3318.05 of the Revised Code the amount prescribed in section 45692  
3318.051 of the Revised Code in lieu of the tax otherwise required 45693  
under division (D)(2)(a) of this section for the maintenance of 45694  
the classroom facilities included in the basic project cost as 45695  
determined by the commission. 45696

(d) If the school district board has rescinded the agreement 45697  
to make transfers under section 3318.051 of the Revised Code, as 45698  
provided under division (F) of that section, the electors of the 45699  
school district, in accordance with section 3318.063 of the 45700  
Revised Code, first shall approve the levy of taxes outside the 45701  
ten-mill limitation for the period specified in that section at a 45702  
rate of not less than one-half mill for each dollar of valuation. 45703

(e) The school district board shall apply the proceeds of a 45704  
tax to leverage bonds as authorized under section 3318.052 of the 45705  
Revised Code or dedicate a local donated contribution in the 45706  
manner described in division (B) of section 3318.084 of the 45707  
Revised Code in an amount equivalent to the additional tax 45708  
otherwise required under division (D)(2)(a) of this section for 45709  
the maintenance of the classroom facilities included in the basic 45710  
project cost as determined by the commission. 45711

(3) A school district board may opt to delay taking any of 45712  
the actions described in division (D)(2) of this section until the 45713  
school district becomes eligible for state assistance under 45714  
sections 3318.01 to 3318.20 of the Revised Code. In order to 45715  
exercise this option, the board shall certify to the commission a 45716  
resolution indicating the board's intent to do so prior to 45717  
entering into an agreement under division (B) of this section. 45718

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified in division (B) of section 3318.05 of the Revised Code.

(E)(1) If the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code based on its percentile ranking under division (B)(3) of this section or is offered assistance under section 3318.364 of the Revised Code, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. The commission shall then recalculate the school district's portion of the new basic project cost, which shall be the percentage of the original basic project cost assigned to the school district as its portion under division

(C) of this section. The commission shall deduct the expenditure 45750  
of school district moneys made under division (D)(1) of this 45751  
section from the school district's portion of the basic project 45752  
cost as recalculated under this division. If the amount of school 45753  
district resources applied by the school district board to the 45754  
school district's portion of the basic project cost under this 45755  
section is less than the total amount of such portion as 45756  
recalculated under this division, the school district board by a 45757  
majority vote of all of its members shall, if it desires to seek 45758  
state assistance under sections 3318.01 to 3318.20 of the Revised 45759  
Code, adopt a resolution as specified in section 3318.06 of the 45760  
Revised Code to submit to the electors of the school district the 45761  
question of approval of a bond issue in order to pay any 45762  
additional amount of school district portion required for state 45763  
assistance. Any tax levy approved under division (D) of this 45764  
section satisfies the requirements to levy the additional tax 45765  
under section 3318.06 of the Revised Code. 45766

(2) If the amount of school district resources applied by the 45767  
school district board to the school district's portion of the 45768  
basic project cost under this section is more than the total 45769  
amount of such portion as recalculated under this division, within 45770  
one year after the school district's portion is recalculated under 45771  
division (E)(1) of this section the commission may grant to the 45772  
school district the difference between the two calculated 45773  
portions, but at no time shall the commission expend any state 45774  
funds on a project in an amount greater than the state's portion 45775  
of the basic project cost as recalculated under this division. 45776

Any reimbursement under this division shall be only for local 45777  
resources the school district has applied toward construction cost 45778  
expenditures for the classroom facilities approved by the 45779  
commission, which shall not include any financing costs associated 45780  
with that construction. 45781

The school district board shall use any moneys reimbursed to 45782  
the district under this division to pay off any debt service the 45783  
district owes for classroom facilities constructed under its 45784  
project under this section before such moneys are applied to any 45785  
other purpose. However, the district board first may deposit 45786  
moneys reimbursed under this division into the district's general 45787  
fund or a permanent improvement fund to replace local resources 45788  
the district withdrew from those funds, as long as, and to the 45789  
extent that, those local resources were used by the district for 45790  
constructing classroom facilities included in the district's basic 45791  
project cost. 45792

**Sec. 3318.362.** This section applies only to a school district 45793  
that participates in the school building assistance expedited 45794  
local partnership program under section 3318.36 of the Revised 45795  
Code. 45796

A school district board that enters into an agreement with 45797  
the Ohio ~~school~~ facilities construction commission under division 45798  
(B) of section 3318.36 of the Revised Code may propose for 45799  
issuance any bonds necessary for its participation in the program 45800  
under section 3318.36 of the Revised Code for any number of years 45801  
not exceeding the term calculated pursuant to section 133.20 of 45802  
the Revised Code. Any moneys received from the state under 45803  
division (E)(2) of section 3318.36 of the Revised Code shall be 45804  
applied, as agreed in writing by the school district board and the 45805  
commission, to pay debt service on outstanding bonds or bond 45806  
anticipation notes issued by the school district board for its 45807  
participation in the expedited local partnership program, 45808  
including by placing those moneys in an applicable escrow fund 45809  
under division (D) of section 133.34 of the Revised Code. 45810

**Sec. 3318.363.** (A) This section applies beginning in fiscal 45811  
year 2003 and only to a school district participating in the 45812

school building assistance expedited local partnership program 45813  
under section 3318.36 of the Revised Code. 45814

(B) If there is a decrease in the tax valuation of a school 45815  
district to which this section applies by ten per cent or greater 45816  
from one tax year to the next due to a decrease in the assessment 45817  
rate of the taxable property of an electric company that owns 45818  
property in the district, as provided for in section 5727.111 of 45819  
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 45820  
General Assembly, the Ohio ~~school~~ facilities construction 45821  
commission shall calculate or recalculate the state and school 45822  
district portions of the basic project cost of the school 45823  
district's project by determining the percentile rank in which the 45824  
district would be located if such ranking were made using the 45825  
adjusted valuation per pupil calculated under division (C) of this 45826  
section rather than the three-year average adjusted valuation per 45827  
pupil, calculated under division (B) of section 3318.011 of the 45828  
Revised Code. For such district, the required percentage of the 45829  
basic project cost used to determine the state and school district 45830  
shares of that cost under division (C) of section 3318.36 of the 45831  
Revised Code shall be based on the percentile rank as calculated 45832  
under this section rather than as otherwise provided in division 45833  
(C)(1) of section 3318.36 of the Revised Code. If the commission 45834  
has determined the state and school district portion of the basic 45835  
project cost of such a district's project under section 3318.36 of 45836  
the Revised Code prior to that decrease in tax valuation, the 45837  
commission shall adjust the state and school district shares of 45838  
the basic project cost of such project in accordance with this 45839  
section. 45840

(C)(1) As used in divisions (C) and (D) of this section, 45841  
"total taxable value" and "formula ADM" have the same meanings as 45842  
in section 3317.02 of the Revised Code, and "income factor" has 45843  
the same meaning as in section 3318.011 of the Revised Code. 45844

(2) The adjusted valuation per pupil for a school district to which this section applies shall be calculated using the following formula:

(The district's total taxable value for the tax year preceding the calendar year in which the current fiscal year begins / the district's formula ADM for the previous fiscal year) - [\$30,000 x (1 - the district's income factor)].

(D) At the request of the Ohio ~~school~~ facilities construction commission, the department of education shall report a district's total taxable value for the tax year preceding the calendar year in which the current fiscal year begins for any district to which this section applies as that information has been certified to the department by the tax commissioner pursuant to section 3317.021 of the Revised Code.

**Sec. 3318.364.** In any fiscal year, the Ohio ~~school~~ facilities construction commission may, at its discretion, provide assistance under sections 3318.01 to 3318.20 of the Revised Code to a school district that has entered into an expedited local partnership agreement under section 3318.36 of the Revised Code before the district is otherwise eligible for that assistance based on its percentile rank, if the commission determines all of the following:

(A) The district has made an expenditure of local resources under its expedited local partnership agreement on a discrete part of its district-wide project.

(B) The district is ready to complete its district-wide project or a segment of the project, in accordance with section 3318.034 of the Revised Code.

(C) The district is in compliance with division (D)(2) of section 3318.36 of the Revised Code.

(D) Sufficient state funds have been appropriated for 45875  
classroom facilities projects for the fiscal year to pay the state 45876  
share of the district's project or segment after paying the state 45877  
share of projects for all of the following: 45878

(1) Districts that previously had their conditional approval 45879  
lapse pursuant to section 3318.05 of the Revised Code; 45880

(2) Districts eligible for assistance under division (B)(2) 45881  
of section 3318.04 of the Revised Code; 45882

(3) Districts participating in the exceptional needs school 45883  
facilities assistance program under section 3318.37 or 3318.371 of 45884  
the Revised Code; 45885

(4) Districts participating in the accelerated urban school 45886  
building assistance program under section 3318.38 of the Revised 45887  
Code. 45888

Assistance under this section shall be offered to eligible 45889  
districts in the order of their percentile rankings at the time 45890  
they entered into their expedited local partnership agreements, 45891  
from lowest to highest percentile. In the event that more than one 45892  
district has the same percentile ranking, those districts shall be 45893  
offered assistance in the order of the date they entered into 45894  
their expedited local partnership agreements, from earliest to 45895  
latest date. 45896

As used in this section, "local resources" and "percentile" 45897  
have the same meanings as in section 3318.36 of the Revised Code. 45898

**Sec. 3318.37.** (A)(1) As used in this section: 45899

(a) "Full maintenance amount" has the same meaning as in 45900  
section 3318.034 of the Revised Code. 45901

(b) A "school district with an exceptional need for immediate 45902  
classroom facilities assistance" means a school district with an 45903  
exceptional need for new facilities in order to protect the health 45904

and safety of all or a portion of its students. 45905

(2) No school district that participates in the school 45906  
building assistance expedited local partnership program under 45907  
section 3318.36 of the Revised Code shall receive assistance under 45908  
the program established under this section unless the following 45909  
conditions are satisfied: 45910

(a) The district board adopted a resolution certifying its 45911  
intent to participate in the school building assistance expedited 45912  
local partnership program under section 3318.36 of the Revised 45913  
Code prior to September 14, 2000. 45914

(b) The district was selected by the Ohio ~~school~~ facilities 45915  
construction commission for participation in the school building 45916  
assistance expedited local partnership program under section 45917  
3318.36 of the Revised Code in the manner prescribed by the 45918  
commission under that section as it existed prior to September 14, 45919  
2000. 45920

(B)(1) There is hereby established the exceptional needs 45921  
school facilities assistance program. Under the program, the Ohio 45922  
~~school~~ facilities construction commission may set aside from the 45923  
moneys annually appropriated to it for classroom facilities 45924  
assistance projects up to twenty-five per cent for assistance to 45925  
school districts with exceptional needs for immediate classroom 45926  
facilities assistance. 45927

(2)(a) After consulting with education and construction 45928  
experts, the commission shall adopt guidelines for identifying 45929  
school districts with an exceptional need for immediate classroom 45930  
facilities assistance. 45931

(b) The guidelines shall include application forms and 45932  
instructions for school districts to use in applying for 45933  
assistance under this section. 45934

(3) The commission shall evaluate the classroom facilities, 45935

and the need for replacement classroom facilities from the 45936  
applications received under this section. The commission, 45937  
utilizing the guidelines adopted under division (B)(2)(a) of this 45938  
section, shall prioritize the school districts to be assessed. 45939

Notwithstanding section 3318.02 of the Revised Code, the 45940  
commission may conduct on-site evaluation of the school districts 45941  
prioritized under this section and approve and award funds until 45942  
such time as all funds set aside under division (B)(1) of this 45943  
section have been encumbered. However, the commission need not 45944  
conduct the evaluation of facilities if the commission determines 45945  
that a district's assessment conducted under section 3318.36 of 45946  
the Revised Code is sufficient for purposes of this section. 45947

(4) Notwithstanding division (A) of section 3318.05 of the 45948  
Revised Code, the school district's portion of the basic project 45949  
cost under this section shall be the "required percentage of the 45950  
basic project costs," as defined in division (K) of section 45951  
3318.01 of the Revised Code. 45952

(5) Except as otherwise specified in this section, any 45953  
project undertaken with assistance under this section shall comply 45954  
with all provisions of sections 3318.01 to 3318.20 of the Revised 45955  
Code. A school district may receive assistance under sections 45956  
3318.01 to 3318.20 of the Revised Code for the remainder of the 45957  
district's classroom facilities needs as assessed under this 45958  
section when the district is eligible for such assistance pursuant 45959  
to section 3318.02 of the Revised Code, but any classroom facility 45960  
constructed with assistance under this section shall not be 45961  
included in a district's project at that time unless the 45962  
commission determines the district has experienced the increased 45963  
enrollment specified in division (B)(1) of section 3318.04 of the 45964  
Revised Code. 45965

(C) No school district shall receive assistance under this 45966  
section for a classroom facility that has been included in the 45967

discrete part of the district's classroom facilities needs 45968  
identified and addressed in the district's project pursuant to an 45969  
agreement entered into under section 3318.36 of the Revised Code, 45970  
unless the district's entire classroom facilities plan consists of 45971  
only a single building designed to house grades kindergarten 45972  
through twelve. 45973

(D)(1) When undertaking a project under this section, a 45974  
school district may elect to prorate its full maintenance amount 45975  
by setting aside for maintenance the amount calculated under 45976  
division (D)(2) of this section to maintain the classroom 45977  
facilities acquired under the project, if the district will use 45978  
one or more of the alternative methods authorized in sections 45979  
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 45980  
the entire amount calculated under that division. If the district 45981  
so elects, the commission and the district shall include in the 45982  
agreement entered into under section 3318.08 of the Revised Code a 45983  
statement specifying that the district will use the amount 45984  
calculated under that division only to maintain the classroom 45985  
facilities acquired under the project under this section. 45986

(2) The commission shall calculate the amount for a school 45987  
district to maintain the classroom facilities acquired under a 45988  
project under this section as follows: 45989

The full maintenance amount X (the school district's portion 45990  
of the basic project cost under this section / the school 45991  
district's portion of the basic project cost for the district's 45992  
entire classroom facilities needs, as determined jointly by the 45993  
staff of the commission and the district) 45994

(3) A school district may elect to prorate its full 45995  
maintenance amount for any number of projects under this section, 45996  
provided the district will use one or more of the alternative 45997  
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 45998  
the Revised Code to generate the entire amount calculated under 45999

division (D)(2) of this section to maintain the classroom 46000  
facilities acquired under each project for which it so elects. If 46001  
the district cannot use one or more of those alternative methods 46002  
to generate the entire amount calculated under that division, the 46003  
district shall levy the tax described in division (B) of section 46004  
3318.05 of the Revised Code or an extension of that tax under 46005  
section 3318.061 of the Revised Code in an amount necessary to 46006  
generate the remainder of its full maintenance amount. The 46007  
commission shall calculate the remainder of the district's full 46008  
maintenance amount as follows: 46009

The full maintenance amount - the sum of the amounts 46010  
calculated for the district under division (D)(2) of this section 46011  
for each of the district's prior projects under this section 46012

(4) In no case shall the sum of the amounts calculated for a 46013  
school district's maintenance of classroom facilities under 46014  
divisions (D)(2) and (3) of this section exceed the amount that 46015  
would have been required for maintenance if the district had 46016  
elected to meet its entire classroom facilities needs with a 46017  
project under sections 3318.01 to 3318.20 of the Revised Code and 46018  
had not undertaken one or more projects under this section. 46019

(5) If a school district commenced a project under this 46020  
section prior to ~~the effective date of this amendment~~ September 46021  
10, 2012, but has not completed that project, and has not levied 46022  
the tax described in division (B) of section 3318.05 of the 46023  
Revised Code or an extension of that tax under section 3318.061 of 46024  
the Revised Code, the district may request approval from the 46025  
commission to prorate its full maintenance amount in accordance 46026  
with divisions (D)(1) to (4) of this section. If the commission 46027  
approves the request, the commission and the district shall amend 46028  
the agreement entered into under section 3318.08 of the Revised 46029  
Code to reflect the change. 46030

**Sec. 3318.371.** The Ohio ~~school~~ facilities construction 46031  
commission may provide assistance under the exceptional needs 46032  
school facilities program established by section 3318.37 of the 46033  
Revised Code to any school district for the purpose of the 46034  
relocation or replacement of classroom facilities required as a 46035  
result of any contamination of air, soil, or water that impacts 46036  
the occupants of the facility. 46037

The commission shall make a determination in accordance with 46038  
guidelines adopted by the commission regarding eligibility and 46039  
funding for projects under this section. The commission may 46040  
contract with an independent environmental consultant to conduct a 46041  
study to assist the commission in making the determination. 46042

If the federal government or other public or private entity 46043  
provides funds for restitution of costs incurred by the state or 46044  
school district in the relocation or replacement of the classroom 46045  
facilities, the school district shall use such funds in excess of 46046  
the school district's share to refund the state for the state's 46047  
contribution to the environmental contamination portion of the 46048  
project. The school district may apply an amount of such 46049  
restitution funds up to an amount equal to the school district's 46050  
portion of the project, as defined by the commission, toward 46051  
paying its portion of that project to reduce the amount of bonds 46052  
the school district otherwise must issue to receive state 46053  
assistance under sections 3318.01 to 3318.20 of the Revised Code. 46054

**Sec. 3318.38.** (A) As used in this section, "big-eight school 46055  
district" has the same meaning as in section 3314.02 of the 46056  
Revised Code. 46057

(B) There is hereby established the accelerated urban school 46058  
building assistance program. Under the program, notwithstanding 46059  
section 3318.02 of the Revised Code, any big-eight school district 46060

that has not been approved to receive assistance under sections 46061  
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may 46062  
beginning on that date apply for approval of and be approved for 46063  
such assistance. Except as otherwise provided in this section, any 46064  
project approved and undertaken pursuant to this section shall 46065  
comply with all provisions of sections 3318.01 to 3318.20 of the 46066  
Revised Code. 46067

The Ohio ~~school~~ facilities construction commission shall 46068  
provide assistance to any big-eight school district eligible for 46069  
assistance under this section in the following manner: 46070

(1) Notwithstanding section 3318.02 of the Revised Code: 46071

(a) Not later than June 30, 2002, the commission shall 46072  
conduct an on-site visit and shall assess the classroom facilities 46073  
needs of each big-eight school district eligible for assistance 46074  
under this section; 46075

(b) Beginning July 1, 2002, any big-eight school district 46076  
eligible for assistance under this section may apply to the 46077  
commission for conditional approval of its project as determined 46078  
by the assessment conducted under division (B)(1)(a) of this 46079  
section. The commission may conditionally approve that project and 46080  
submit it to the controlling board for approval pursuant to 46081  
section 3318.04 of the Revised Code. 46082

(2) If the controlling board approves the project of a 46083  
big-eight school district eligible for assistance under this 46084  
section, the commission and the school district shall enter into 46085  
an agreement as prescribed in section 3318.08 of the Revised Code. 46086  
Any agreement executed pursuant to this division shall include any 46087  
applicable segmentation provisions as approved by the commission 46088  
under division (B)(3) of this section. 46089

(3) Notwithstanding any provision to the contrary in sections 46090  
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 46091

school district eligible for assistance under this section may 46092  
with the approval of the commission opt to divide the project as 46093  
approved under division (B)(1)(b) of this section into discrete 46094  
segments to be completed sequentially. Any project divided into 46095  
segments shall comply with all other provisions of sections 46096  
3318.05, 3318.06, and 3318.08 of the Revised Code except as 46097  
otherwise specified in this division. 46098

If a project is divided into segments under this division: 46099

(a) The school district need raise only the amount equal to 46100  
its proportionate share, as determined under section 3318.032 of 46101  
the Revised Code, of each segment at any one time and may seek 46102  
voter approval of each segment separately; 46103

(b) The state's proportionate share, as determined under 46104  
section 3318.032 of the Revised Code, of only the segment which 46105  
has been approved by the school district electors or for which the 46106  
district has applied a local donated contribution under section 46107  
3318.084 of the Revised Code shall be encumbered in accordance 46108  
with section 3318.11 of the Revised Code. Encumbrance of 46109  
additional amounts to cover the state's proportionate share of 46110  
later segments shall be approved separately as they are approved 46111  
by the school district electors or as the district applies a local 46112  
donated contribution to the segments under section 3318.084 of the 46113  
Revised Code. 46114

(c) The school district's maintenance levy requirement, as 46115  
defined in section 3318.18 of the Revised Code, shall run for 46116  
twenty-three years from the date the first segment is undertaken. 46117

(C) In accordance with division (R) of section 3318.08 of the 46118  
Revised Code, the state funds reserved and encumbered and the 46119  
funds provided by the school district to pay the basic project 46120  
cost of any segment of the project under this section, or of the 46121  
entire project if it is not divided into segments, shall be spent 46122

on the construction and acquisition of the project simultaneously 46123  
in proportion to the state's and the school district's respective 46124  
shares of that basic project cost as determined under section 46125  
3318.032 of the Revised Code. 46126

Sec. 3318.39. (A) The 1:1 school facilities option program is 46127  
hereby established. Under the program, the Ohio facilities 46128  
construction commission shall provide state funds to assist 46129  
eligible school districts in constructing, acquiring, 46130  
reconstructing, or making additions or repairs to any feature of a 46131  
classroom facility that meets the design standards of the 46132  
commission in lieu of that district participating in the classroom 46133  
facilities assistance program under sections 3318.01 to 3318.20 of 46134  
the Revised Code, in the case of a city, exempted village, or 46135  
local school district, or sections 3318.40 to 3318.45 of the 46136  
Revised Code, in the case of a joint vocational school district. 46137

For purposes of this program, an eligible school district is 46138  
either of the following: 46139

(1) A city, exempted village, or local school district that 46140  
has not entered into an agreement for any program under this 46141  
chapter, except for emergency assistance under section 3318.351 of 46142  
the Revised Code, prior to the effective date of this section. A 46143  
district that received partial assistance prior to May 20, 1997, 46144  
and can qualify for assistance under division (B)(2) of section 46145  
3318.04 of the Revised Code shall not be eligible for assistance 46146  
under this section. 46147

(2) A joint vocational school district that has not entered 46148  
into an agreement for any program under this chapter prior to the 46149  
effective date of this section. 46150

An eligible school district may avail itself of the option 46151  
provided under this section only at the time it becomes eligible 46152  
for assistance under the classroom facilities assistance program 46153

in accordance with the annual percentile ranking of districts 46154  
under section 3318.011 or 3318.42 of the Revised Code. 46155

(B)(1) The commission, at the request of a school district 46156  
that meets the criteria set forth in division (A) of this section, 46157  
shall assess the current conditions of the classroom facilities of 46158  
that school district. Based on the results of the assessment, the 46159  
commission shall determine the scope of the entire project, the 46160  
basic project cost of the school district's classroom facilities 46161  
needs, and the state's portion of the total project if the school 46162  
district were to receive assistance under sections 3318.01 to 46163  
3318.20 of the Revised Code, in the case of a city, exempted 46164  
village, or local school district, or sections 3318.40 to 3318.45 46165  
of the Revised Code, in the case of a joint vocational school 46166  
district. 46167

(2) A district that opts to receive assistance under this 46168  
section shall be eligible to receive state funds in the amount of 46169  
up to the greater of one million dollars or ten per cent of the 46170  
state's share of the total project cost determined under division 46171  
(B)(1) of this section. However, a district may choose to receive 46172  
less than the maximum amount of state funds for which it is 46173  
eligible under this division. 46174

(3) A district that opts to receive assistance under this 46175  
section shall match the amount of state funds it receives on a 46176  
one-to-one basis. A district may generate the school district 46177  
funds for its match using any lawful manner. 46178

(C) The commission shall adopt guidelines and procedures for 46179  
the administration of the program. The guidelines shall include 46180  
the following: 46181

(1) A requirement that, in order to participate in the 46182  
program, the district's board of education must approve 46183  
participation by an affirmative vote of not less than four-fifths 46184

of the board's full membership; 46185

(2) The application process for districts; 46186

(3) A requirement that, in order to participate in the 46187  
program, the district shall provide a share that is at least equal 46188  
to the amount of the state assistance provided under this section. 46189

(D) If a district participates in the program established 46190  
under this section, that district shall not have another project 46191  
under sections 3318.01 to 3318.20 of the Revised Code, in the case 46192  
of a city, exempted village, or local school district, or sections 46193  
3318.40 to 3318.45 of the Revised Code, in the case of a joint 46194  
vocational school district, conditionally approved until the 46195  
expiration of twenty years after the date the district enters into 46196  
an agreement with the commission for assistance under this 46197  
section. 46198

**Sec. 3318.40.** (A)(1) Sections 3318.40 to 3318.45 of the 46199  
Revised Code apply only to joint vocational school districts. 46200

(2) As used in sections 3318.40 to 3318.45 of the Revised 46201  
Code: 46202

(a) "Ohio ~~school~~ facilities construction commission," 46203  
"classroom facilities," "project," and "basic project cost" have 46204  
the same meanings as in section 3318.01 of the Revised Code. 46205

(b) "Acquisition of classroom facilities" means constructing, 46206  
reconstructing, repairing, or making additions to classroom 46207  
facilities. 46208

(B) There is hereby established the vocational school 46209  
facilities assistance program. Under the program, the Ohio ~~school~~ 46210  
facilities construction commission shall provide assistance to 46211  
joint vocational school districts for the acquisition of classroom 46212  
facilities suitable to the vocational education programs of the 46213  
districts in accordance with sections 3318.40 to 3318.45 of the 46214

Revised Code. For purposes of the program, beginning July 1, 2003, 46215  
the commission annually may set aside up to two per cent of the 46216  
aggregate amount appropriated to it for classroom facilities 46217  
assistance projects in the public school building fund, 46218  
established under section 3318.15 of the Revised Code, and the 46219  
school building program assistance fund, established under section 46220  
3318.25 of the Revised Code. 46221

(C) The commission shall not provide assistance for any 46222  
distinct part of a project under sections 3318.40 to 3318.45 of 46223  
the Revised Code that when completed will be used exclusively for 46224  
an adult education program or exclusively for operation of a 46225  
driver training school for instruction leading to the issuance of 46226  
a commercial driver's license under Chapter 4506. of the Revised 46227  
Code, except for life safety items and basic building components 46228  
necessary for complete and continuous construction or renovation 46229  
of a classroom facility as determined by the commission. 46230

(D) The commission shall not provide assistance under 46231  
sections 3318.40 to 3318.45 of the Revised Code to acquire 46232  
classroom facilities for vocational educational instruction at a 46233  
location under the control of a school district that is a member 46234  
of a joint vocational school district. Any assistance to acquire 46235  
classroom facilities for vocational educational instruction at 46236  
such location shall be provided to the school district that is a 46237  
member of the joint vocational school district through other 46238  
provisions of this chapter when that member school district is 46239  
eligible for assistance under those provisions. 46240

(E) By September 1, 2003, the commission shall assess the 46241  
classroom facilities needs of at least five joint vocational 46242  
school districts, according to the order of priority prescribed in 46243  
division (B) of section 3318.42 of the Revised Code, and based on 46244  
the results of those assessments shall determine the extent to 46245  
which amendments to the specifications adopted under section 46246

3318.311 of the Revised Code are warranted. The commission, 46247  
thereafter, may amend the specifications as provided in that 46248  
section. 46249

(F) After the commission has conducted the assessments 46250  
prescribed in division (E) of this section, the commission shall 46251  
establish, by rule adopted in accordance with section 111.15 of 46252  
the Revised Code, guidelines for the commission to use in deciding 46253  
whether to waive compliance with the design specifications adopted 46254  
under section 3318.311 of the Revised Code when determining the 46255  
number of facilities and the basic project cost of projects as 46256  
prescribed in division (A)(1)(a) of section 3318.41 of the Revised 46257  
Code. The guidelines shall address the following situations: 46258

(1) Under what circumstances, if any, particular classroom 46259  
facilities are adequate to meet the needs of the school district 46260  
even though the facilities do not comply with the specifications 46261  
adopted under section 3318.311 of the Revised Code; 46262

(2) Under what circumstances, if any, particular classroom 46263  
facilities will be renovated or repaired rather than replaced by 46264  
construction of new facilities. 46265

**Sec. 3318.41.** (A)(1) The Ohio ~~school~~ facilities construction 46266  
commission annually shall assess the classroom facilities needs of 46267  
the number of joint vocational school districts that the 46268  
commission reasonably expects to be able to provide assistance to 46269  
in a fiscal year, based on the amount set aside for that fiscal 46270  
year under division (B) of section 3318.40 of the Revised Code and 46271  
the order of priority prescribed in division (B) of section 46272  
3318.42 of the Revised Code, except that in fiscal year 2004 the 46273  
commission shall conduct at least the five assessments prescribed 46274  
in division (E) of section 3318.40 of the Revised Code. 46275

Upon conducting an assessment of the classroom facilities 46276  
needs of a school district, the commission shall make a 46277

determination of all of the following: 46278

(a) The number of classroom facilities to be included in a 46279  
project and the basic project cost of acquiring the classroom 46280  
facilities included in the project. The number of facilities and 46281  
basic project cost shall be determined in accordance with the 46282  
specifications adopted under section 3318.311 of the Revised Code 46283  
except to the extent that compliance with such specifications is 46284  
waived by the commission pursuant to the rule of the commission 46285  
adopted under division (F) of section 3318.40 of the Revised Code. 46286

(b) The school district's portion of the basic project cost 46287  
as determined under division (C) of section 3318.42 of the Revised 46288  
Code; 46289

(c) The remaining portion of the basic project cost that 46290  
shall be supplied by the state; 46291

(d) The amount of the state's portion of the basic project 46292  
cost to be encumbered in accordance with section 3318.11 of the 46293  
Revised Code in the current and subsequent fiscal years from funds 46294  
set aside under division (B) of section 3318.40 of the Revised 46295  
Code. 46296

(2) Divisions (A), (C), and (D) of section 3318.03 of the 46297  
Revised Code apply to any project under sections 3318.40 to 46298  
3318.45 of the Revised Code. 46299

(B)(1) If the commission makes a determination under division 46300  
(A) of this section in favor of the acquisition of classroom 46301  
facilities for a project under sections 3318.40 to 3318.45 of the 46302  
Revised Code, such project shall be conditionally approved. Such 46303  
conditional approval shall be submitted to the controlling board 46304  
for approval. The controlling board shall immediately approve or 46305  
reject the commission's determination, conditional approval, the 46306  
amount of the state's portion of the basic project cost, and the 46307  
amount of the state's portion of the basic project cost to be 46308

encumbered in the current fiscal year. In the event of approval by the controlling board, the commission shall certify the conditional approval to the joint vocational school district board of education and shall encumber the approved funds for the current fiscal year.

(2) No school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code shall have another such project conditionally approved until the expiration of twenty years after the school district's prior project was conditionally approved, unless the school district board demonstrates to the satisfaction of the commission that the school district has experienced since conditional approval of its prior project an exceptional increase in enrollment or program requirements significantly above the school district's design capacity under that prior project as determined by rule of the commission. Any rule adopted by the commission to implement this division shall be tailored to address the classroom facilities needs of joint vocational school districts.

(C) In addition to generating the amount of the school district's portion of the basic project cost as determined under division (C) of section 3318.42 of the Revised Code, in order for a school district to receive assistance under sections 3318.40 to 3318.45 of the Revised Code, the school district board shall set aside school district moneys for the maintenance of the classroom facilities included in the school district's project in the amount and manner prescribed in section 3318.43 of the Revised Code.

(D)(1) The conditional approval for a project certified under division (B)(1) of this section shall lapse and the amount reserved and encumbered for such project shall be released unless both of the following conditions are satisfied:

(a) Within one hundred twenty days following the date of certification of the conditional approval to the joint vocational

school district board, the school district board accepts the 46341  
conditional approval and certifies to the commission the school 46342  
district board's plan to generate the school district's portion of 46343  
the basic project cost, as determined under division (C) of 46344  
section 3318.42 of the Revised Code, and to set aside moneys for 46345  
maintenance of the classroom facilities acquired under the 46346  
project, as prescribed in section 3318.43 of the Revised Code. 46347

(b) Within thirteen months following the date of 46348  
certification of the conditional approval to the school district 46349  
board, the electors of the school district vote favorably on any 46350  
ballot measures proposed by the school district board to generate 46351  
the school district's portion of the basic project cost. 46352

(2) If the school district board or electors fail to satisfy 46353  
the conditions prescribed in division (D)(1) of this section and 46354  
the amount reserved and encumbered for the school district's 46355  
project is released, the school district shall be given first 46356  
priority over other joint vocational school districts for project 46357  
funding under sections 3318.40 to 3318.45 of the Revised Code as 46358  
such funds become available, subject to section 3318.054 of the 46359  
Revised Code. 46360

(E) If the conditions prescribed in division (D)(1) of this 46361  
section are satisfied, the commission and the school district 46362  
board shall enter into an agreement as prescribed in section 46363  
3318.08 of the Revised Code and shall proceed with the development 46364  
of plans, cost estimates, designs, drawings, and specifications as 46365  
prescribed in section 3318.091 of the Revised Code. 46366

(F) Costs in excess of those approved by the commission under 46367  
section 3318.091 of the Revised Code shall be payable only as 46368  
provided in sections 3318.042 and 3318.083 of the Revised Code. 46369

(G) Advertisement for bids and the award of contracts for 46370  
construction of any project under sections 3318.40 to 3318.45 of 46371

the Revised Code shall be conducted in accordance with section 46372  
3318.10 of the Revised Code. 46373

(H) In accordance with division (R) of section 3318.08 of the 46374  
Revised Code, the state funds reserved and encumbered and the 46375  
funds provided by the school district to pay the basic project 46376  
cost of a project under sections 3318.40 to 3318.45 of the Revised 46377  
Code shall be spent simultaneously in proportion to the state's 46378  
and the school district's respective portions of that basic 46379  
project cost. 46380

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 46381  
Code apply to projects under sections 3318.40 to 3318.45 of the 46382  
Revised Code. 46383

**Sec. 3318.42.** (A) Not later than the sixty-first day after 46384  
March 14, 2003, and subsequently not later than the sixty-first 46385  
day after the first day of each ensuing fiscal year, the 46386  
department of education shall do all of the following: 46387

(1) Calculate the valuation per pupil of each joint 46388  
vocational school district according to the following formula: 46389

The school district's average taxable value divided by the 46390  
school district's formula ADM calculated under section 46391  
3317.03 of the Revised Code for the previous fiscal year. 46392

For purposes of this calculation: 46393

(a) "Average taxable value" means the average of the amounts 46394  
certified for a school district in the second, third, and fourth 46395  
preceding tax years under divisions (A)(1) and (2) of section 46396  
3317.021 of the Revised Code. 46397

(b) "Formula ADM" has the same meaning as defined in section 46398  
3317.02 of the Revised Code. 46399

(2) Calculate for each school district the three-year average 46400  
of the valuations per pupil calculated for the school district for 46401

the current and two preceding fiscal years; 46402

(3) Rank all joint vocational school districts in order from 46403  
the school district with the lowest three-year average valuation 46404  
per pupil to the school district with the highest three-year 46405  
average valuation per pupil; 46406

(4) Divide the ranking under division (A)(3) of this section 46407  
into percentiles with the first percentile containing the one per 46408  
cent of school districts having the lowest three-year average 46409  
valuations per pupil and the one-hundredth percentile containing 46410  
the one per cent of school districts having the highest three-year 46411  
average valuations per pupil; 46412

(5) Certify the information described in divisions (A)(1) to 46413  
(4) of this section to the Ohio ~~school~~ facilities construction 46414  
commission. 46415

(B) The commission annually shall select school districts for 46416  
assistance under sections 3318.40 to 3318.45 of the Revised Code 46417  
in the order of the school districts' three-year average 46418  
valuations per pupil such that the school district with the lowest 46419  
three-year average valuation per pupil shall be given the highest 46420  
priority for assistance. 46421

(C) Each joint vocational school district's portion of the 46422  
basic project cost of the school district's project under sections 46423  
3318.40 to 3318.45 of the Revised Code shall be one per cent times 46424  
the percentile in which the district ranks, except that no school 46425  
district's portion shall be less than twenty-five per cent or 46426  
greater than ninety-five per cent of the basic project cost. 46427

Sec. 3318.421. A project under this section shall proceed in 46428  
the manner prescribed in sections 3318.40 to 3318.45 of the 46429  
Revised Code except as otherwise specified by this section. 46430

In addition to any joint vocational school districts selected 46431

in accordance with section 3318.40 of the Revised Code, the Ohio facilities construction commission may select one joint vocational school district in fiscal year 2018 and one joint vocational school district in fiscal year 2019 for assistance to do one or both of the following:

(A) Construct a new complete classroom facility as a replacement for one or more of the facilities currently operated by the district;

(B) Renovate the district's existing facilities.

The selection shall be made through a competitive process that allows any joint vocational school district in this state to apply for assistance under this section.

The commission shall select for assistance under this section a district that has a compelling need for new construction and that demonstrates to the satisfaction of the commission that the project is necessary for the district to meet the workforce deficiency or demand in the local community or a local industry. The commission may consult with other state agencies, public entities, nonprofit organizations, private corporations, or the JobsOhio nonprofit corporation formed under section 187.01 of the Revised Code in making its determination.

Except as provided in this section, the district's portion of the basic project cost shall be determined in accordance with division (C) of section 3318.42 of the Revised Code. If the district's portion of the basic project cost is greater than fifty per cent, the Ohio facilities construction commission shall decrease the district's portion so that it is equal to fifty per cent. At no time, however, shall the state share of the basic project cost exceed \$26,000,000.

Notwithstanding anything to the contrary in section 3318.40 of the Revised Code, the commission may set aside from funds

appropriated to it for classroom facilities assistance projects 46463  
under this chapter an amount each fiscal year adequate for this 46464  
section. 46465

**Sec. 3318.43.** Each year for twenty-three successive years 46466  
after the commencement of a joint vocational school district's 46467  
project under sections 3318.40 to 3318.45 of the Revised Code, the 46468  
board of education of that school district shall deposit into a 46469  
separate maintenance account or into the school district's capital 46470  
and maintenance fund established under section 3315.18 of the 46471  
Revised Code, school district moneys dedicated to maintenance of 46472  
the classroom facilities acquired under sections 3318.40 to 46473  
3318.45 of the Revised Code in an amount equal to one and one-half 46474  
of one per cent of the current insurance value of the classroom 46475  
facilities acquired under the project, which value shall be 46476  
subject to the approval of the Ohio ~~school~~ facilities construction 46477  
commission. 46478

**Sec. 3318.46.** By rule adopted in accordance with section 46479  
111.15 of the Revised Code, the Ohio ~~school~~ facilities 46480  
construction commission shall establish a program whereby the 46481  
board of education of any joint vocational school district may 46482  
enter into an agreement with the commission under which the board 46483  
may proceed with the new construction or major repairs of a part 46484  
of the school district's classroom facilities needs, as determined 46485  
under sections 3318.40 to 3318.45 of the Revised Code, through the 46486  
expenditure of local resources prior to the school district's 46487  
eligibility for state assistance under sections 3318.40 to 3318.45 46488  
of the Revised Code. The program shall be structured in a manner 46489  
similar to the program established under section 3318.36 of the 46490  
Revised Code. The program shall be operational on July 1, 2004. 46491

**Sec. 3318.48.** (A) When all of the following have occurred, a 46492

project undertaken by a school district pursuant to this chapter 46493  
shall be considered complete and the Ohio ~~school~~ facilities 46494  
construction commission shall issue a certificate of completion to 46495  
the district board of education: 46496

(1) All facilities to be constructed under the project, as 46497  
specified in the project agreement entered into under section 46498  
3318.08 of the Revised Code, have been completed and the board has 46499  
received a permanent certificate of occupancy for each of those 46500  
facilities. 46501

(2) The commission has issued certificates of contract 46502  
completion on all prime construction contracts entered into by the 46503  
board under section 3318.10 of the Revised Code. 46504

(3) The commission has completed a final accounting of the 46505  
district's project construction fund and has determined that all 46506  
payments from the fund were made in compliance with all policies 46507  
of the commission. 46508

(4) Any litigation concerning the project has been finally 46509  
resolved with no chance of appeal. 46510

(5) All construction management services typically provided 46511  
by the commission to school districts have been delivered and the 46512  
commission has canceled any remaining encumbrance of funds for 46513  
those services. 46514

(B) The commission may issue a certificate of completion to a 46515  
district board prior to all of the conditions described in 46516  
division (A) of this section being satisfied, if the commission 46517  
determines that the circumstances preventing the conditions from 46518  
being satisfied are so minor in nature that the project should be 46519  
considered complete. When issuing a certificate of completion 46520  
under this division, the commission may specify any of the 46521  
following: 46522

(1) Any construction or work that has yet to be completed and 46523  
the manner in which the board shall oversee its completion, which 46524  
may include procedures for reporting progress to the commission 46525  
and for accounting of expenditures; 46526

(2) Terms and conditions for the resolution of any pending 46527  
litigation; 46528

(3) Any remaining responsibilities of the construction 46529  
manager regarding the project. 46530

(C) The commission may issue a certificate of completion to a 46531  
district board that does not voluntarily participate in the 46532  
process of closing out the district's project, if the construction 46533  
manager for the project verifies that all facilities to be 46534  
constructed under the project, as specified in the project 46535  
agreement entered into under section 3318.08 of the Revised Code, 46536  
have been completed and the commission determines that those 46537  
facilities have been occupied for at least one year. In that case, 46538  
all funds due to the commission under division (C) of section 46539  
3318.12 of the Revised Code shall be returned to the commission 46540  
not later than thirty days after receipt of the certificate of 46541  
completion. If the funds due to the commission have not been 46542  
returned within sixty days after receipt of the certificate of 46543  
completion, the auditor of state shall issue a finding for 46544  
recovery against the school district and shall request legal 46545  
action under section 117.42 of the Revised Code. 46546

(D) Upon issuance of a certificate of completion under this 46547  
section, the commission's ownership of and interest in the 46548  
project, as specified in division (F) of section 3318.08 of the 46549  
Revised Code, shall cease. This cessation shall not alter or 46550  
otherwise affect the state's or commission's interest in the 46551  
project or any limitations on the use of the project as specified 46552  
in the project agreement pursuant to divisions (G), (M), and (N) 46553  
of that section or as specified in section 3318.16 of the Revised 46554

Code. 46555

**Sec. 3318.49.** (A) The corrective action program is hereby 46556  
established to provide funding for the correction of work, in 46557  
connection with a project funded under sections 3318.01 to 3318.20 46558  
or sections 3318.40 to 3318.45 of the Revised Code, that is found 46559  
after occupancy of the facility to be defective or to have been 46560  
omitted. 46561

(B) The Ohio ~~school~~ facilities construction commission may 46562  
provide funding under this section only if the school district 46563

perform effectively the duties authorized under an educational 46904  
aide permit or educational paraprofessional license. 46905

(B)(1) Any application for a permit or license, or a renewal 46906  
or duplicate of a permit or license, under this section shall be 46907

Revised Code and for which a teaching license, issued pursuant to 46927  
sections 3319.22 to 3319.30 of the Revised Code is not required. 46928

a teacher. 46965

(D) Educational assistants employed by a board of education 46966

shall not serve as educational assistants without first obtaining 46975  
an appropriate educational aide permit or educational 46976

render nor be required to render services inconsistent with the 46980  
type of services authorized by the permit or license held. No 46981  
person shall receive compensation from a board of education for 46982  
services rendered as an educational assistant in violation of this 46983  
provision. 46984

Nonteaching employees whose functions are solely 46985

secretarial-clerical and who do not perform any other duties as 46986  
educational assistants, even though they assist a teacher and work 46987  
under the direction of a teacher shall not be required to hold a 46988  
permit or license issued pursuant to this section. Students 46989  
preparing to become licensed teachers or educational assistants 46990  
shall not be required to hold an educational aide permit or 46991  
paraprofessional license for such periods of time as such students 46992  
are assigned, as part of their training program, to work with a 46993  
teacher in a school district. Such students shall not be 46994  
compensated for such services. 46995

Following the determination of the assignment and general job 46996  
description of an educational assistant and subject to supervision 46997  
by the teacher's immediate administrative officer, a teacher to 46998  
whom an educational assistant is assigned shall make all final 46999  
determinations of the duties to be assigned to such assistant. 47000  
Teachers shall not be required to hold a license designated for 47001  
being a supervisor or administrator in order to perform the 47002  
necessary supervision of educational assistants. 47003

(E) No person who is, or who has been employed as an 47004  
educational assistant shall divulge, except to the teacher to whom 47005  
assigned, or the administrator of the school in the absence of the 47006  
teacher to whom assigned, or when required to testify in a court 47007  
or proceedings, any personal information concerning any pupil in 47008  
the school district which was obtained or obtainable by the 47009  
educational assistant while so employed. Violation of this 47010  
provision is grounds for disciplinary action or dismissal, or 47011  
both. 47012

(F) Notwithstanding anything to the contrary in this section, 47013  
the superintendent of a school district may allow an employee who 47014  
does not hold a permit or license issued under this section to 47015  
work as a substitute for an educational assistant who is absent on 47016  
account of illness or on a leave of absence, or to fill a 47017

temporary position created by an emergency, provided that the 47018  
superintendent believes the employee's application materials 47019  
indicate that the employee is qualified to obtain a permit or 47020  
license under this section. 47021

An employee shall begin work as a substitute under this 47022  
division not earlier than on the date on which the employee files 47023  
an application with the state board for a permit or license under 47024  
this section. An employee shall cease working as a substitute 47025  
under this division on the earliest of the following: 47026

(1) The date on which the employee files a valid permit or 47027  
license issued under this section with the superintendent; 47028

(2) The date on which the employee is denied a permit or 47029  
license under this section; 47030

(3) Sixty days following the date on which the employee began 47031  
work as a substitute under this division. 47032

The superintendent shall ensure that an employee assigned to 47033  
work as a substitute under division (F) of this section has 47034  
undergone a criminal records check in accordance with section 47035  
3319.391 of the Revised Code. 47036

**Sec. 3319.111.** Notwithstanding section 3319.09 of the Revised 47037  
Code, this section applies to any person who is employed under a 47038  
teacher license issued under this chapter, or under a professional 47039  
or permanent teacher's certificate issued under former section 47040  
3319.222 of the Revised Code, and who spends at least fifty per 47041  
cent of the time employed providing student instruction. However, 47042  
this section does not apply to any person who is employed as a 47043  
substitute teacher or as an instructor of adult education. 47044

(A) Not later than July 1, 2013, the board of education of 47046  
each school district, in consultation with teachers employed by 47047

the board, shall adopt a standards-based teacher evaluation policy 47048  
that conforms with the framework for evaluation of teachers 47049  
developed under section 3319.112 of the Revised Code. The policy 47050  
shall become operative at the expiration of any collective 47051  
bargaining agreement covering teachers employed by the board that 47052  
is in effect on September 29, 2011, and shall be included in any 47053  
renewal or extension of such an agreement. 47054

(B) When using measures of student academic growth as a 47055  
component of a teacher's evaluation, those measures shall include 47056  
the value-added progress dimension prescribed by section 3302.021 47057  
of the Revised Code or an alternative student academic progress 47058  
measure if adopted under division (C)(1)(e) of section 3302.03 of 47059  
the Revised Code. For teachers of grade levels and subjects for 47060  
which the value-added progress dimension or alternative student 47061  
academic progress measure is not applicable, the board shall 47062  
administer assessments on the list developed under division (B)(2) 47063  
of section 3319.112 of the Revised Code. 47064

(C)(1) The board shall conduct an evaluation of each teacher 47065  
employed by the board at least once each school year, except as 47066  
provided in division (C)(2) of this section. The evaluation shall 47067  
be completed by the first day of May and the teacher shall receive 47068  
a written report of the results of the evaluation by the tenth day 47069  
of May. 47070

(2)(a) The board may evaluate each teacher who received a 47071  
rating of accomplished on the teacher's most recent evaluation 47072  
conducted under this section once every three school years, so 47073  
long as the teacher's student academic growth measure, for the 47074  
most recent school year for which data is available, is average or 47075  
higher, as determined by the department of education. 47076

(b) The board may evaluate each teacher who received a rating 47077  
of skilled on the teacher's most recent evaluation conducted under 47078  
this section once every two years, so long as the teacher's 47079

student academic growth measure, for the most recent school year 47080  
for which data is available, is average or higher, as determined 47081  
by the department of education. 47082

(c) For each teacher who is evaluated pursuant to division 47083  
(C)(2) of this section, the evaluation shall be completed by the 47084  
first day of May of the applicable school year, and the teacher 47085  
shall receive a written report of the results of the evaluation by 47086  
the tenth day of May of that school year. 47087

(d) Beginning with the 2014-2015 school year, the board may 47088  
elect not to conduct an evaluation of a teacher who meets one of 47089  
the following requirements: 47090

(i) The teacher was on leave from the school district for 47091  
fifty per cent or more of the school year, as calculated by the 47092  
board. 47093

(ii) The teacher has submitted notice of retirement and that 47094  
notice has been accepted by the board not later than the first day 47095  
of December of the school year in which the evaluation is 47096  
otherwise scheduled to be conducted. 47097

~~(e) Beginning with the 2017-2018 school year, the board may 47098  
elect not to conduct an evaluation of a teacher who is 47099  
participating in the teacher residency program established under 47100  
section 3319.223 of the Revised Code for the year during which 47101  
that teacher takes, for the first time, at least half of the 47102  
performance-based assessment prescribed by the state board of 47103  
education for resident educators. 47104~~

(3) In any year that a teacher is not formally evaluated 47105  
pursuant to division (C) of this section as a result of receiving 47106  
a rating of accomplished or skilled on the teacher's most recent 47107  
evaluation, an individual qualified to evaluate a teacher under 47108  
division (D) of this section shall conduct at least one 47109  
observation of the teacher and hold at least one conference with 47110

the teacher. 47111

(D) Each evaluation conducted pursuant to this section shall 47112  
be conducted by one or more of the following persons who hold a 47113  
credential established by the department of education for being an 47114  
evaluator: 47115

(1) A person who is under contract with the board pursuant to 47116  
section 3319.01 or 3319.02 of the Revised Code and holds a license 47117  
designated for being a superintendent, assistant superintendent, 47118  
or principal issued under section 3319.22 of the Revised Code; 47119

(2) A person who is under contract with the board pursuant to 47120  
section 3319.02 of the Revised Code and holds a license designated 47121  
for being a vocational director, administrative specialist, or 47122  
supervisor in any educational area issued under section 3319.22 of 47123  
the Revised Code; 47124

(3) A person designated to conduct evaluations under an 47125  
agreement entered into by the board, including an agreement 47126  
providing for peer review entered into by the board and 47127  
representatives of teachers employed by the board; 47128

(4) A person who is employed by an entity contracted by the 47129  
board to conduct evaluations and who holds a license designated 47130  
for being a superintendent, assistant superintendent, principal, 47131  
vocational director, administrative specialist, or supervisor in 47132  
any educational area issued under section 3319.22 of the Revised 47133  
Code or is qualified to conduct evaluations. 47134

(E) Notwithstanding division (A)(3) of section 3319.112 of 47135  
the Revised Code: 47136

(1) The board shall require at least three formal 47137  
observations of each teacher who is under consideration for 47138  
nonrenewal and with whom the board has entered into a limited 47139  
contract or an extended limited contract under section 3319.11 of 47140  
the Revised Code. 47141

(2) The board may elect, by adoption of a resolution, to 47142  
require only one formal observation of a teacher who received a 47143  
rating of accomplished on the teacher's most recent evaluation 47144  
conducted under this section, provided the teacher completes a 47145  
project that has been approved by the board to demonstrate the 47146  
teacher's continued growth and practice at the accomplished level. 47147

(F) The board shall include in its evaluation policy 47148  
procedures for using the evaluation results for retention and 47149  
promotion decisions and for removal of poorly performing teachers. 47150  
Seniority shall not be the basis for a decision to retain a 47151  
teacher, except when making a decision between teachers who have 47152  
comparable evaluations. 47153

(G) For purposes of section 3333.0411 of the Revised Code, 47154  
the board annually shall report to the department of education the 47155  
number of teachers for whom an evaluation was conducted under this 47156  
section and the number of teachers assigned each rating prescribed 47157  
under division (B)(1) of section 3319.112 of the Revised Code, 47158  
aggregated by the teacher preparation programs from which and the 47159  
years in which the teachers graduated. The department shall 47160  
establish guidelines for reporting the information required by 47161  
this division. The guidelines shall not permit or require that the 47162  
name of, or any other personally identifiable information about, 47163  
any teacher be reported under this division. 47164

(H) Notwithstanding any provision to the contrary in Chapter 47165  
4117. of the Revised Code, the requirements of this section 47166  
prevail over any conflicting provisions of a collective bargaining 47167  
agreement entered into on or after September 24, 2012. 47168

**Sec. 3319.22.** (A)(1) The state board of education shall issue 47169

(3) An applicant for a senior professional educator license 47210

Code. 47221

(4) An applicant for a lead professional educator license 47222

board for professional teaching standards or meet the criteria for 47235

3319.61 of the Revised Code. 47242

(D) If the state board requires any examinations for educator 47243

of such examinations received by the department to the chancellor 47245  
of higher education, in the manner and to the extent permitted by 47246  
state and federal law. 47247

(E) Any rules the state board of education adopts, amends, or 47248  
rescinds for educator licenses under this section, division (D) of 47249  
section 3301.07 of the Revised Code, or any other law shall be 47250  
adopted, amended, or rescinded under Chapter 119. of the Revised 47251  
Code except as follows: 47252

(1) Notwithstanding division (E) of section 119.03 and 47253  
division (A)(1) of section 119.04 of the Revised Code, in the case 47254  
of the adoption of any rule or the amendment or rescission of any 47255  
rule that necessitates institutions' offering preparation programs 47256  
for educators and other school personnel that are approved by the 47257  
chancellor of higher education under section 3333.048 of the 47258  
Revised Code to revise the curriculum of those programs, the 47259  
effective date shall not be as prescribed in division (E) of 47260  
section 119.03 and division (A)(1) of section 119.04 of the 47261  
Revised Code. Instead, the effective date of such rules, or the 47262  
amendment or rescission of such rules, shall be the date 47263

prescribed by section 3333.048 of the Revised Code. 47264

(2) Notwithstanding the authority to adopt, amend, or rescind 47265  
emergency rules in division (G) of section 119.03 of the Revised 47266  
Code, this authority shall not apply to the state board of 47267  
education with regard to rules for educator licenses. 47268

(F)(1) The rules adopted under this section establishing 47269  
standards requiring additional coursework for the renewal of any 47270  
educator license shall require a school district and a chartered 47271  
nonpublic school to establish local professional development 47272  
committees. In a nonpublic school, the chief administrative 47273  
officer shall establish the committees in any manner acceptable to 47274  
such officer. The committees established under this division shall 47275  
determine whether coursework that a district or chartered 47276  
nonpublic school teacher proposes to complete meets the 47277  
requirement of the rules. The department of education shall 47278  
provide technical assistance and support to committees as the 47279  
committees incorporate the professional development standards 47280  
adopted by the state board of education pursuant to section 47281  
3319.61 of the Revised Code into their review of coursework that 47282  
is appropriate for license renewal. The rules shall establish a 47283  
procedure by which a teacher may appeal the decision of a local 47284  
professional development committee. 47285

(2) In any school district in which there is no exclusive 47286  
representative established under Chapter 4117. of the Revised 47287  
Code, the professional development committees shall be established 47288  
as described in division (F)(2) of this section. 47289

Not later than the effective date of the rules adopted under 47290  
this section, the board of education of each school district shall 47291  
establish the structure for one or more local professional 47292  
development committees to be operated by such school district. The 47293  
committee structure so established by a district board shall 47294  
remain in effect unless within thirty days prior to an anniversary 47295

of the date upon which the current committee structure was 47296  
established, the board provides notice to all affected district 47297  
employees that the committee structure is to be modified. 47298  
Professional development committees may have a district-level or 47299  
building-level scope of operations, and may be established with 47300  
regard to particular grade or age levels for which an educator 47301  
license is designated. 47302

Each professional development committee shall consist of at 47303  
least three classroom teachers employed by the district, one 47304  
principal employed by the district, and one other employee of the 47305  
district appointed by the district superintendent. For committees 47306  
with a building-level scope, the teacher and principal members 47307  
shall be assigned to that building, and the teacher members shall 47308  
be elected by majority vote of the classroom teachers assigned to 47309  
that building. For committees with a district-level scope, the 47310  
teacher members shall be elected by majority vote of the classroom 47311  
teachers of the district, and the principal member shall be 47312  
elected by a majority vote of the principals of the district, 47313  
unless there are two or fewer principals employed by the district, 47314  
in which case the one or two principals employed shall serve on 47315  
the committee. If a committee has a particular grade or age level 47316  
scope, the teacher members shall be licensed to teach such grade 47317  
or age levels, and shall be elected by majority vote of the 47318  
classroom teachers holding such a license and the principal shall 47319  
be elected by all principals serving in buildings where any such 47320  
teachers serve. The district superintendent shall appoint a 47321  
replacement to fill any vacancy that occurs on a professional 47322  
development committee, except in the case of vacancies among the 47323  
elected classroom teacher members, which shall be filled by vote 47324  
of the remaining members of the committee so selected. 47325

Terms of office on professional development committees shall 47326  
be prescribed by the district board establishing the committees. 47327

The conduct of elections for members of professional development committees shall be prescribed by the district board establishing the committees. A professional development committee may include additional members, except that the majority of members on each such committee shall be classroom teachers employed by the district. Any member appointed to fill a vacancy occurring prior to the expiration date of the term for which a predecessor was appointed shall hold office as a member for the remainder of that term.

The initial meeting of any professional development committee, upon election and appointment of all committee members, shall be called by a member designated by the district superintendent. At this initial meeting, the committee shall select a chairperson and such other officers the committee deems necessary, and shall adopt rules for the conduct of its meetings. Thereafter, the committee shall meet at the call of the chairperson or upon the filing of a petition with the district superintendent signed by a majority of the committee members calling for the committee to meet.

(3) In the case of a school district in which an exclusive representative has been established pursuant to Chapter 4117. of the Revised Code, professional development committees shall be established in accordance with any collective bargaining agreement in effect in the district that includes provisions for such committees.

If the collective bargaining agreement does not specify a different method for the selection of teacher members of the committees, the exclusive representative of the district's teachers shall select the teacher members.

If the collective bargaining agreement does not specify a different structure for the committees, the board of education of the school district shall establish the structure, including the

number of committees and the number of teacher and administrative 47360  
members on each committee; the specific administrative members to 47361  
be part of each committee; whether the scope of the committees 47362  
will be district levels, building levels, or by type of grade or 47363  
age levels for which educator licenses are designated; the lengths 47364  
of terms for members; the manner of filling vacancies on the 47365  
committees; and the frequency and time and place of meetings. 47366  
However, in all cases, except as provided in division (F)(4) of 47367  
this section, there shall be a majority of teacher members of any 47368  
professional development committee, there shall be at least five 47369  
total members of any professional development committee, and the 47370  
exclusive representative shall designate replacement members in 47371  
the case of vacancies among teacher members, unless the collective 47372  
bargaining agreement specifies a different method of selecting 47373  
such replacements. 47374

(4) Whenever an administrator's coursework plan is being 47375  
discussed or voted upon, the local professional development 47376  
committee shall, at the request of one of its administrative 47377  
members, cause a majority of the committee to consist of 47378  
administrative members by reducing the number of teacher members 47379  
voting on the plan. 47380

(G)(1) The department of education, educational service 47381  
centers, county boards of developmental disabilities, regional 47382  
professional development centers, special education regional 47383  
resource centers, college and university departments of education, 47384  
head start programs, and the Ohio education computer network may 47385  
establish local professional development committees to determine 47386  
whether the coursework proposed by their employees who are 47387  
licensed or certificated under this section or section 3319.222 of 47388  
the Revised Code, or under the former version of either section as 47389  
it existed prior to October 16, 2009, meet the requirements of the 47390  
rules adopted under this section. They may establish local 47391

professional development committees on their own or in 47392  
collaboration with a school district or other agency having 47393  
authority to establish them. 47394

Local professional development committees established by 47395  
county boards of developmental disabilities shall be structured in 47396  
a manner comparable to the structures prescribed for school 47397  
districts in divisions (F)(2) and (3) of this section, as shall 47398

be in addition to the other standards and qualifications 47974  
prescribed in division (B)(4) of section 3319.22 of the Revised 47975

and processes developed under division (F)(6) of this section. 47997

(G) The educator standards board shall submit recommendations 47998

recommendations, whether revised or not, to the state board not 48012  
later than two weeks prior to the state board's regular meeting 48013  
that next succeeds the meeting at which the state board requested 48014  
reconsideration of the initial recommendations. The state board of 48015  
education shall review the recommendations as resubmitted by the 48016  
educator standards board at the state board's regular meeting that 48017  
next succeeds the meeting at which the state board requested 48018  
reconsideration of the initial recommendations and may adopt the 48019  
standards as resubmitted or, if the resubmitted standards have not 48020  
addressed the state board's concerns, the state board may modify 48021  
the standards prior to adopting them. The final responsibility to 48022  
determine whether to adopt standards as described in division (A) 48023

provision of the Code of Federal Regulations implementing that 48056  
requirement, in the manner and at all the times specified for such 48057  
notice in federal law or regulation. 48058

(C) In addition to the requirement prescribed by division (B) 48059  
of this section, each time a child's school district completes an 48060  
evaluation for a child with a disability or undertakes the 48061  
development, review, or revision of the child's IEP, the district 48062  
shall notify the child's parent, by letter or electronic means, 48063  
about both the autism scholarship program, under section 3310.41 48064  
of the Revised Code, and the Jon Peterson special needs 48065  
scholarship program, under sections 3310.51 to 3310.64 of the 48066  
Revised Code. The notice shall include the following statement: 48067

that child exceeds the sum of the amount received by the educating 48084  
district for that child under division (A) of section 3317.08 of 48085  
the Revised Code and the amount received by the district from the 48086

If the district providing the services chooses to charge excess costs, the district may report the amount calculated under this division to the department.

(C) If a district providing special education for a child reports an amount for the excess cost of those services, as authorized and calculated under division (A) or (B) of this section, the department shall pay that amount of excess cost to the district providing the services and shall deduct that amount from the child's district of residence in accordance with division (K) of section 3317.023 of the Revised Code.

(D) If a district providing special education to a child to whom division (C)(4) of section 3313.64 of the Revised Code applies chooses to receive a tuition payment for that child under that division, that district shall not receive any payments under this section.

(2) The needs-based financial aid grant shall be paid to the 48808  
eligible student through the institution in which the student is 48809

more than one grant on the basis of less than full-time 48830

(2) Subject to divisions (D)(1), (3), ~~and~~ (4), and (5) of 48835  
this section, the amount of a grant awarded to a student under 48836  
this section shall equal the student's remaining state cost of 48837  
attendance after the student's Pell grant and expected family 48838  
contribution are applied to the instructional and general charges 48839  
for the undergraduate or comprehensive transition and 48840  
postsecondary program. However, for students enrolled in a state 48841  
university or college as defined in section 3345.12 of the Revised 48842  
Code or a university branch, the chancellor may provide that the 48843  
grant amount shall equal the student's remaining instructional and 48844

those charges, but, in no case, shall the grant amount for such a 48847  
student exceed any maximum that the chancellor may set by rule. 48848

by the chancellor as provided in division (A) of this section. The 48853  
maximum grant for a fourth quarter shall be one-third of the 48854  
maximum amount so prescribed. The maximum grant for a third 48855

higher education and is eligible for an education and training 48858  
voucher through the Ohio education and training voucher program 48859

that receives federal funding under the John H. Chafee foster care independence program, 42 U.S.C. 677, the amount of a grant awarded under this section may exceed the total state cost of attendance to additionally cover housing costs.

(5) For a student who is receiving federal veterans' benefits under the "All-Volunteer Force Educational Assistance Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans Educational Assistance Program," 38 U.S.C. 3301 et seq., or any successor program, the amount of a grant awarded under this section shall be applied toward the total state cost of attendance and the student's housing costs and living expenses. of this section or the secretary determines due to mitigating 48891  
circumstances that the institution may continue to participate in 48892  
federal financial aid programs. The chancellor shall adopt rules 48893  
requiring any such appellant to provide information to the 48894  
chancellor regarding an appeal. 48895

(b) Any student who has previously received a grant pursuant 48896  
to any provision of this section, including prior to the section's 48897  
amendment by H.B. 1 of the 128th general assembly, effective July 48898  
17, 2009, and who meets all other eligibility requirements of this 48899  
section. 48900

(3) The chancellor shall adopt rules for the notification of 48901  
all institutions whose students will be ineligible to participate 48902  
in the grant program pursuant to division (F)(1) of this section. 48903

(4) A student's attendance at any institution whose students 48904  
are ineligible for grants due to division (F)(1) of this section 48905  
shall not affect that student's eligibility to receive a grant 48906  
when enrolled in another institution. 48907

(G) Institutions of higher education that enroll students 48908  
receiving needs-based financial aid grants under this section 48909  
shall report to the chancellor all students who have received such 48910  
needs-based financial aid grants but are no longer eligible for 48911  
all or part of those grants and shall refund any moneys due the 48912

student was no longer eligible to receive all or part of the 48915  
student's grant. There shall be an interest charge of one per cent 48916  
per month on all moneys due and payable after such thirty-day 48917  
period. The chancellor shall immediately notify the office of 48918  
budget and management and the legislative service commission of 48919

(1) "For-profit private college" means a career college in this state that holds a certificate of registration from the chancellor of higher education under Chapter 3332. of the Revised Code or a private institution exempt from regulation under Chapter 3332. of the Revised Code as prescribed in section 3333.046 of the Revised Code.

(2) "State institution of higher education" has the same meaning as in section 3345.011 of the Revised Code.

Where applicable, the policies and procedures in the strategy plan shall build upon the articulation agreement and transfer initiative course equivalency system required by section 3333.16 of the Revised Code.

(C) The chancellor shall convene the necessary stakeholders to assist in the preparation of the strategy plan. No adjudication as to the status of any person under such rule, however, shall be required to be made pursuant to Chapter 119. of the Revised Code. The term "resident" for these purposes shall not be equated with the definition of that term as it is employed elsewhere under the laws

of this state and other states, and shall not carry with it any of 48953  
the legal connotations appurtenant thereto. Rather, except as 48954  
provided in divisions (B), (C), and (E) of this section, for such 48955  
purposes, the rule promulgated under this section shall have the 48956  
objective of excluding from treatment as residents those who are 48957  
present in the state primarily for the purpose of attending a 48958  
state-supported or state-assisted institution of higher education, 48959  
and may prescribe presumptive rules, rebuttable or conclusive, as 48960  
to such purpose based upon the source or sources of support of the 48961  
student, residence prior to first enrollment, evidence of 48962  
intention to remain in the state after completion of studies, or 48963  
such other factors as the chancellor deems relevant. 48964

following conditions are met: 48968

(1) The veteran either: 48969

state as of the first day of a term of enrollment in an 48977  
institution of higher education. If the spouse or a dependent of 48978  
the veteran seeks residency status for tuition surcharge purposes, 48979  
the veteran and the spouse or dependent seeking residency status 48980  
have established domicile in this state as of the first day of a 48981  
term of enrollment in an institution of higher education, except 48982  
that if the veteran was killed while serving on active military 48983

duty, has been declared to be missing in action or a prisoner of 48984  
war, or is deceased after discharge, only the spouse or dependent 48985  
seeking residency status shall be required to have established 48986  
domicile in accordance with this division. 48987

(C) The rules of the chancellor for determining student 48988  
residency shall grant residency status to both of the following: 48989

benefits under the "All-Volunteer Force Educational Assistance 48991  
Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans 48992  
Educational Assistance Program," 38 U.S.C. 3301 et seq., or any 48993

criteria: 48995

(a) The veteran served at least ninety days on active duty. 48996

(b) The veteran enrolls in a state institution of higher 48997

university for the benefit of the firm, corporation, or other 49423  
association in which such interest is held or does not otherwise 49424

**Sec. 3345.35.** Not later than ~~January 1, 2016~~ December 31, 49437

2017, and by the first day of ~~January~~ September of every fifth 49438  
year thereafter, the board of trustees of each state institution 49439  
of higher education, as defined in section 3345.011 of the Revised 49440  
Code, shall evaluate all courses and programs the institution 49441  
offers based on enrollment and ~~student performance in each course~~ 49442  
~~or program~~ duplication of its courses and programs with those of 49443  
other state institutions of higher education within a geographic 49444  
region, as determined by the chancellor of higher education. For 49445  
courses and programs with low enrollment, as defined by the 49446  
chancellor ~~of higher education~~, the board of trustees shall 49447  
provide a summary of recommended actions, including consideration 49448  
of collaboration with other state institutions of higher 49449  
education. For duplicative programs, as defined by the chancellor, 49450  
the board of trustees shall evaluate the benefits of collaboration 49451  
with other institutions of higher education, ~~based on geographic~~ 49452  
~~region,~~ to deliver the course program. 49453

Each board of trustees shall submit its findings under this 49454  
section to the chancellor not later than thirty days after the 49455  
completion of the evaluations or as part of submitting the annual 49456  
efficiency report required pursuant to section 3333.95 of the 49457  
Revised Code. For the findings required to be submitted by 49458  
December 31, 2017, a board of trustees may submit the additional 49459  
information required under this section as amended by this act, as 49460  
an addendum to the findings the board submitted prior to January 49461  
1, 2016, under former law. 49462

**Sec. 3345.45.** (A) On or before January 1, 1994, the 49463  
chancellor of higher education jointly with all state 49464  
universities, as defined in section 3345.011 of the Revised Code, 49465  
shall develop standards for instructional workloads for full-time 49466  
and part-time faculty in keeping with the universities' missions 49467  
and with special emphasis on the undergraduate learning 49468

experience. The standards shall contain clear guidelines for 49469  
institutions to determine a range of acceptable undergraduate 49470  
teaching by faculty. 49471

(B) On or before June 30, 1994, the board of trustees of each 49472  
state university shall take formal action to adopt a faculty 49473  
workload policy consistent with the standards developed under this 49474  
section. Notwithstanding section 4117.08 of the Revised Code, the 49475  
policies adopted under this section are not appropriate subjects 49476  
for collective bargaining. Notwithstanding division (A) of section 49477  
4117.10 of the Revised Code, any policy adopted under this section 49478  
by a board of trustees prevails over any conflicting provisions of 49479  
any collective bargaining agreement between an employees 49480  
organization and that board of trustees. 49481

(C)(1) The board of trustees of each state university shall 49482  
review the university's policy on faculty tenure and update that 49483  
policy to promote excellence in instruction, research, service, or 49484  
commercialization, or any combination thereof. 49485

(2) Beginning on July 1, 2018, as a condition for a state 49486  
university to receive any state funds for research that are 49487  
allocated to the department of higher education under the 49488  
appropriation line items referred to as either "research incentive 49489  
third frontier fund" or "research incentive third frontier-tax," 49490  
the chancellor shall require the university to include multiple 49491  
pathways for faculty tenure, one of which may be a 49492  
commercialization pathway, in its policy. 49493

**Sec. 3345.48.** (A) As used in this section: 49494

(1) "Cohort" means a group of students who will complete 49495  
their bachelor's degree requirements and graduate from a state 49496  
university at the same time. A cohort may include transfer 49497  
students and other selected undergraduate student academic 49498  
programs as determined by the board of trustees of a state 49499

university. 49500

(2) "Eligible student" means an undergraduate student who: 49501

(a) Is enrolled full-time in a bachelor's degree program at a 49502  
state university; 49503

(b) Is a resident of this state, as defined by the chancellor 49504  
of higher education under section 3333.31 of the Revised Code. 49505

(3) "State university" has the same meaning as in section 49506  
3345.011 of the Revised Code. 49507

(B) The board of trustees of a state university may establish 49508  
an undergraduate tuition guarantee program that allows eligible 49509  
students in the same cohort to pay a fixed rate for general and 49510  
instructional fees for four years. A board of trustees may include 49511  
room and board and any additional fees in the program. 49512

If the board of trustees chooses to establish such a program, 49513  
the board shall adopt rules for the program that include, but are 49514  
not limited to, all of the following: 49515

(1) The number of credit hours required to earn an 49516  
undergraduate degree in each major; 49517

(2) A guarantee that the general and instructional fees for 49518  
each student in the cohort shall remain constant for four years so 49519  
long as the student complies with the requirements of the program, 49520  
except that, notwithstanding any law to the contrary, the board 49521  
may increase the guaranteed amount by up to ~~six~~ eight per cent 49522  
above what has been charged in the previous academic year one time 49523  
for the first cohort enrolled under the tuition guarantee program. 49524  
If the board of trustees determines that economic conditions or 49525  
other circumstances require an increase for the first cohort of 49526  
above ~~six~~ eight per cent, the board shall submit a request to 49527  
increase the amount by a specified percentage to the chancellor. 49528  
The chancellor, based on information the chancellor requires from 49529

the board of trustees, shall approve or disapprove such a request. 49530  
Thereafter, the board of trustees may increase the guaranteed 49531  
amount by up to the sum of the following above what has been 49532  
charged in the previous academic year one time per subsequent 49533  
cohort: 49534

consumer price index prepared by the bureau of labor statistics of 49536  
the United States department of labor (all urban consumers, all 49537  
items), for the previous sixty-month period; and 49538

(b) The percentage amount the general assembly restrains 49539  
increases on in-state undergraduate instructional and general fees 49540  
for the applicable fiscal year. If the general assembly does not 49541  
enact a limit on the increase of in-state undergraduate 49542  
instructional and general fees, then no limit shall apply under 49543  
this division for the cohort that first enrolls in any academic 49544  
year for which the general assembly does not prescribe a limit. 49545

If, beginning with the academic year that starts four years 49546  
after September 29, 2013, the board of trustees determines that 49547  
the general and instructional fees charged under the tuition 49548  
guarantee have fallen significantly lower than those of other 49549  
state universities, the board of trustees may submit a request to 49550  
increase the amount charged to a cohort by a specified percentage 49551  
to the chancellor, who shall approve or disapprove such a request. 49552

(3) A benchmark by which the board sets annual increases in 49553  
general and instructional fees. This benchmark and any subsequent 49554  
change to the benchmark shall be subject to approval of the 49555  
chancellor. 49556

(4) Eligibility requirements for students to participate in 49557  
the program; 49558

(5) Student rights and privileges under the program; 49559

(6) Consequences to the university for students unable to 49560

complete a degree program within four years, as follows: 49561

(a) For a student who could not complete the program in four 49562  
years due to a lack of available classes or space in classes 49563  
provided by the university, the university shall provide the 49564  
necessary course or courses for completion to the student free of 49565  
charge. 49566

(b) For a student who could not complete the program in four 49567  
years due to military service or other circumstances beyond a 49568  
student's control, as determined by the board of trustees, the 49569  
university shall provide the necessary course or courses for 49570  
completion to the student at the student's initial cohort rate. 49571

(c) For a student who did not complete the program in four 49572  
years for any other reason, as determined by the board of 49573  
trustees, the university shall provide the necessary course or 49574  
courses for completion to the student at a rate determined through 49575  
a method established by the board under division (B)(7) of this 49576  
section. 49577

(7) Guidelines for adjusting a student's annual charges if 49578

of this section be published or posted in the university handbook, 49582  
course catalog, and web site. 49583

(C) If a board of trustees implements a program under this 49584  
section, the board shall submit the rules adopted under division 49585  
(B) of this section to the chancellor for approval before 49586  
beginning implementation of the program. 49587

The chancellor shall not unreasonably withhold approval of a 49588  
program if the program conforms in principle with the parameters 49589  
and guidelines of this section. 49590

(D) A board of trustees of a state university may establish 49591  
an undergraduate tuition guarantee program for nonresident 49592  
students. 49593

(E) Within five years after September 29, 2013, the 49594  
chancellor shall publish on the chancellor's web site a report 49595  
that includes all of the following: 49596

(1) The state universities that have adopted an undergraduate 49597  
tuition guarantee program under this section; 49598

program established under this section; 49600

(3) Comparative data, including general and instructional 49601  
fees, room and board, graduation rates, and retention rates, from 49602  
all state universities. 49603

(F) Except as provided in this section, no other limitation 49604  
on the increase of in-state undergraduate instructional and 49605  
general fees shall apply to a state university that has 49606  
established an undergraduate tuition guarantee program under this 49607

of higher education" has the same meaning as in section 3345.011 49610  
of the Revised Code. 49611

(B) A state institution of higher education may establish a 49612  
program under which an employee of the institution may donate that 49613  
employee's accrued but unused paid leave to another employee of 49614  
the institution who has no accrued but unused paid leave and who 49615  
has a critical need for it because of circumstances such as a 49616  
serious illness or the serious illness of a member of the 49617  
employee's immediate family. If a state institution of higher 49618  
education establishes a leave donation program under this section, 49619  
the institution shall adopt rules in accordance with Chapter 119. 49620

of the Revised Code to provide for the administration of the 49621

**Sec. 3506.01.** As used in this chapter and Chapters 3501.,  
3503., 3505., 3509., 3511., 3513., 3515., 3517., 3519., 3521.,  
3523., and 3599. of the Revised Code:

tabulating equipment.

(B) "Ballot" means the official election presentation of  
offices and candidates, including write-in candidates, and of  
questions and issues, and the means by which votes are recorded.

(C) "Automatic tabulating equipment" means a machine or  
electronic device, or interconnected or interrelated machines or  
electronic devices, that will automatically examine and count  
votes recorded on ballots. Automatic tabulating equipment may  
allow for the voter's selections to be indicated by marks made on  
a paper record by an electronic marking device.

(D) "Central counting station" means a location, or one of a  
number of locations, designated by the board of elections for the  
automatic examining, sorting, or counting of ballots.

(E) "Voting machines" means mechanical or electronic  
equipment for the direct recording and tabulation of votes.

(F) "Direct recording electronic voting machine" means a  
voting machine that records votes by means of a ballot display  
provided with mechanical or electro-optical components that can be  
actuated by the voter, that processes the data by means of a  
computer program, and that records voting data and ballot images  
in internal or external memory components. A "direct recording

electronic voting machine" produces a tabulation of the voting 51342  
data stored in a removable memory component and in printed copy. 51343  
"Direct recording electronic voting machine" does not include a 51344  
voting machine that captures votes by means of a ballot display 51345  
but that transfers those votes onto an optical scan ballot or 51346  
other paper record for tabulation. 51347

(G) "Help America Vote Act of 2002" means the "Help America 51348  
Vote Act of 2002," Pub. L. No. 107-252, 116 Stat. 1666. 51349

(H) "Voter verified paper audit trail" means a physical paper 51350

voter shall be permitted to visually or audibly inspect the 51353  
contents of the physical paper printout. The physical paper 51354  
printout shall be securely retained at the polling place until the 51355  
close of the polls on the day of the election; the secretary of 51356  
state shall adopt rules under Chapter 119. of the Revised Code 51357  
specifying the manner of storing the physical paper printout at 51358  
the polling place. After the physical paper printout is produced, 51359  
but before the voter's ballot is recorded, the voter shall have an 51360  
opportunity to accept or reject the contents of the printout as 51361  
matching the voter's ballot choices. If a voter rejects the 51362  
contents of the physical paper printout, the system that produces 51363  
the voter verified paper audit trail shall invalidate the printout 51364  
and permit the voter to recast the voter's ballot. On and after 51365  
the first federal election that occurs after January 1, 2006, 51366  
unless required sooner by the Help America Vote Act of 2002, any 51367  
system that produces a voter verified paper audit trail shall be 51368  
accessible to disabled voters, including visually impaired voters, 51369  
in the same manner as the direct recording electronic voting 51370  
machine that produces it. 51371

**Sec. 3506.06.** No marking device shall be approved by the 51372

board of voting machine examiners or certified by the secretary of 51373  
state, or be purchased, rented, or otherwise acquired, or used, 51374  
unless it fulfills the following requirements: 51375

whom any other elector has voted or is voting, except an elector 51378  
who is assisting a voter as prescribed by section 3505.24 of the 51379  
Revised Code. 51380

(B) It shall permit each elector to vote at any election for 51381  
all persons and offices for whom and for which the elector is 51382  
lawfully entitled to vote, whether or not the name of any such 51383  
person appears on a ballot as a candidate; to vote for as many 51384  
persons for an office as the elector is entitled to vote for; and 51385  
to vote for or against any question upon which the elector is 51386  
entitled to vote. 51387

(C) It shall permit each elector to write in the names of 51388  
persons for whom the elector desires to vote, whose names do not 51389

quality in a neat and workerlike manner, and in form that shall 51396  
make it safely transportable. 51397

the method of operating it and may expeditiously cast the voter's 51399  
vote for all candidates of the voter's choice. 51400

(G) It shall not provide to a voter any type of receipt or 51401  
voter confirmation that the voter legally may retain after leaving 51402  
the polling place. 51403

**Sec. 3506.07.** No automatic tabulating equipment shall be 51404  
approved by the board of voting machine examiners or certified by 51405  
the secretary of state, or be purchased, rented, or otherwise 51406  
acquired, or used, unless it has been or is capable of being 51407  
manufactured for use and distribution beyond a prototype and can 51408  
be set by election officials, to examine ballots and to count 51409  
votes accurately for each candidate, question, and issue, 51410  
excluding any ballots ~~punched or~~ marked contrary to the 51411  
instructions printed on such ballots, provided that such equipment 51412  
shall not be required to count write-in votes or the votes on any 51413  
ballots that have been voted other than at the regular polling 51414  
place on election day. 51415

**Sec. 3701.243.** (A) Except as provided in this section or 51588  
section 3701.248 of the Revised Code, no person or agency of state 51589  
or local government that acquires the information while providing 51590  
any health care service or while in the employ of a health care 51591  
facility or health care provider shall disclose or compel another 51592  
to disclose any of the following: 51593

(1) The identity of any individual on whom an HIV test is 51594  
performed; 51595

(2) The results of an HIV test in a form that identifies the 51596  
individual tested; 51597

(3) The identity of any individual diagnosed as having AIDS 51598  
or an AIDS-related condition. 51599

(B)(1) Except as provided in divisions (B)(2), (C), (D), and 51600  
(F) of this section, the results of an HIV test or the identity of 51601  
an individual on whom an HIV test is performed or who is diagnosed 51602  
as having AIDS or an AIDS-related condition may be disclosed only 51603  
to the following: 51604

(a) The individual who was tested or the individual's legal 51605  
guardian, and the individual's spouse or any sexual partner; 51606

(b) A person to whom disclosure is authorized by a written 51607  
release, executed by the individual tested or by the individual's 51608

(e) A health care facility or provider that procures, 51615

(f) Health care facility staff committees or accreditation or oversight review organizations conducting program monitoring, program evaluation, or service reviews;

(2) The results of an HIV test or a diagnosis of AIDS or an AIDS-related condition may be disclosed to a health care provider, or an authorized agent or employee of a health care facility or a health care provider, if the provider, agent, or employee has a medical need to know the information and is participating in the diagnosis, care, or treatment of the individual on whom the test was performed or who has been diagnosed as having AIDS or an AIDS-related condition.

This division does not impose a standard of disclosure different from the standard for disclosure of all other specific information about a patient to health care providers and facilities. Disclosure may not be requested or made solely for the

purpose of identifying an individual who has a positive HIV test 51647  
result or has been diagnosed as having AIDS or an AIDS-related 51648  
condition in order to refuse to treat the individual. Referral of 51649  
an individual to another health care provider or facility based on 51650  
reasonable professional judgment does not constitute refusal to 51651  
treat the individual. 51652

(3) Not later than ninety days after November 1, 1989, each 51653  
health care facility in this state shall establish a protocol to 51654

facility in making disclosures authorized by division (B)(2) of 51656  
this section. A person employed by or affiliated with a health 51657  
care facility who determines in accordance with the protocol 51658  
established by the facility that a disclosure is authorized by 51659  
division (B)(2) of this section is immune from liability to any 51660  
person in a civil action for damages for injury, death, or loss to 51661  
person or property resulting from the disclosure. 51662

(C)(1) Any person or government agency may seek access to or 51663  
authority to disclose the HIV test records of an individual in 51664  
accordance with the following provisions: 51665

(a) The person or government agency shall bring an action in 51666  
a court of common pleas requesting disclosure of or authority to 51667  
disclose the results of an HIV test of a specific individual, who 51668  
shall be identified in the complaint by a pseudonym but whose name 51669  
shall be communicated to the court confidentially, pursuant to a 51670  
court order restricting the use of the name. The court shall 51671  
provide the individual with notice and an opportunity to 51672  
participate in the proceedings if the individual is not named as a 51673  
party. Proceedings shall be conducted in chambers unless the 51674  
individual agrees to a hearing in open court. 51675

(b) The court may issue an order granting the plaintiff 51676  
access to or authority to disclose the test results only if the 51677  
court finds by clear and convincing evidence that the plaintiff 51678

has demonstrated a compelling need for disclosure of the 51679  
information that cannot be accommodated by other means. In 51680  
assessing compelling need, the court shall weigh the need for 51681  
disclosure against the privacy right of the individual tested and 51682  
against any disservice to the public interest that might result 51683  
from the disclosure, such as discrimination against the individual 51684  
or the deterrence of others from being tested. 51685

(c) If the court issues an order, it shall guard against 51686  
unauthorized disclosure by specifying the persons who may have 51687  
access to the information, the purposes for which the information 51688  
shall be used, and prohibitions against future disclosure. 51689

(2) A person or government agency that considers it necessary 51690  
to disclose the results of an HIV test of a specific individual in 51691  
an action in which it is a party may seek authority for the 51692  
disclosure by filing an in camera motion with the court in which 51693  
the action is being heard. In hearing the motion, the court shall 51694  
employ procedures for confidentiality similar to those specified 51695  
in division (C)(1) of this section. The court shall grant the 51696  
motion only if it finds by clear and convincing evidence that a 51697  
compelling need for the disclosure has been demonstrated. 51698

(3) Except for an order issued in a criminal prosecution or 51699  
an order under division (C)(1) or (2) of this section granting 51700  
disclosure of the result of an HIV test of a specific individual, 51701  
a court shall not compel a blood bank, hospital blood center, or 51702  
blood collection facility to disclose the result of HIV tests 51703  
performed on the blood of voluntary donors in a way that reveals 51704  
the identity of any donor. 51705

(4) In a civil action in which the plaintiff seeks to recover 51706  
damages from an individual defendant based on an allegation that 51707  
the plaintiff contracted the HIV virus as a result of actions of 51708  
the defendant, the prohibitions against disclosure in this section 51709  
do not bar discovery of the results of any HIV test given to the 51710

defendant or any diagnosis that the defendant suffers from AIDS or 51711  
an AIDS-related condition. 51712

(D) The results of an HIV test or the identity of an 51713  
individual on whom an HIV test is performed or who is diagnosed as 51714  
having AIDS or an AIDS-related condition may be disclosed to a 51715  
federal, state, or local government agency, or the official 51716  
representative of such an agency, for purposes of the medicaid 51717  
program, the medicare program, or any other public assistance 51718  
program. 51719

(E) Any disclosure pursuant to this section shall be in 51720  
writing and accompanied by a written statement that includes the 51721  
following or substantially similar language: "This information has 51722  
been disclosed to you from confidential records protected from 51723  
disclosure by state law. You shall make no further disclosure of 51724  
this information without the specific, written, and informed 51725  
release of the individual to whom it pertains, or as otherwise 51726  
permitted by state law. A general authorization for the release of 51727  
medical or other information is not sufficient for the purpose of 51728  
the release of HIV test results or diagnoses." 51729

(F) An individual who knows that the individual has received 51730  
a positive result on an HIV test or has been diagnosed as having 51731  
AIDS or an AIDS-related condition shall disclose this information 51732  
to any other person with whom the individual intends to make 51733  
common use of a hypodermic needle or engage in sexual conduct as 51734  
defined in section 2907.01 of the Revised Code. An individual's 51735  
compliance with this division does not prohibit a prosecution of 51736  
the individual for a violation of division (B) of section 2903.11 51737  
of the Revised Code. 51738

(G) Nothing in this section prohibits the introduction of 51739  
evidence concerning an HIV test of a specific individual in a 51740  
criminal proceeding. 51741

**Sec. 3701.601.** There is hereby created in the state treasury 51742  
the breast and cervical cancer project income tax contribution 51743  
fund, which shall consist of money contributed to it under section 51744  
5747.113 of the Revised Code and of contributions made directly to 51745  
it. Any person may contribute directly to the fund in addition to 51746  
or independently of the income tax refund contribution system 51747  
established in section 5747.113 of the Revised Code. 51748

services to uninsured and under-insured women who meet the 51757  
eligibility requirements specified in that section. The breast and 51758  
cervical cancer project, through its regional agencies, shall 51759  
~~first~~ use the contributed funds to pay for services provided 51760  
directly by personnel of local departments of health, federally 51761  
qualified health centers as defined by section 3701.047 of the 51762  
Revised Code, or other community health centers. ~~If contributed~~ 51763  
~~funds remain after a regional agency pays for all screening,~~ 51764  
~~diagnostic, and outreach services provided by local departments of~~ 51765  
~~health, federally qualified health centers, or other community~~ 51766  
~~health centers, the regional agency may use contributed funds to~~ 51767  
~~pay for services provided by other providers.~~ 51768

**Sec. 3701.611.** (A) Not later than six months after ~~the~~ 51769  
~~effective date of this section~~ April 6, 2017, the department of 51770  
health and the department of developmental disabilities shall 51771

operating in this state. The system shall comply with all 51774  
regulations governing the part C early intervention program for 51775  
infants and toddlers with disabilities that are promulgated under 51776  
the "Individuals with Disabilities Education Act of 1997," 20 51777  
U.S.C. 1400, as amended. Through a competitive bidding process, 51778  
the department of health and department of developmental 51779  
disabilities may select one or more persons or government entities 51780  
to operate the system. 51781

(B) If the department of health and department of 51782  
developmental disabilities choose to select one or more system 51783  
operators as described in division (A) of this section, a contract 51784  
with any system operator shall require that the system do both of 51785  
the following: 51786

(1) Serve as a single point of entry for access, assessment, 51787  
and referral of families to appropriate home visiting services and 51788  
part C early intervention services based on each family's location 51789  
of residence; 51790

(2) Use a standardized form or other mechanism to assess for 51791  
each family member's risk factors and social determinants of 51792  
health, as well as ensure that the family is referred to the 51793  
appropriate home visiting or part C early intervention program or 51794  
service. 51795

(C) The standardized form or other mechanism described in 51796  
division (B)(2) of this section shall be agreed to by the home 51797  
visiting consortium created under section 3701.612 of the Revised 51798  
Code and the early intervention services advisory council created 51799  
under section 5123.0422 of the Revised Code. 51800

~~If the Ohio home visiting consortium created under section~~ 51801  
~~3701.612 of the Revised Code has recommended a standardized form~~ 51802  
~~or other mechanism for this purpose, the contract may require the~~ 51803

the authority has been changed after a facsimile has been 53211  
imprinted on such bonds or notes, such facsimile seal will 53212  
continue to be sufficient for all purposes. 53213

individuals for whom the home provides accommodations as one group 54826  
unless one of the following is the case: 54827

(1) The home is a home for the aging, in which case all the 54828  
individuals in the part or unit licensed as a nursing home shall 54829  
be considered as one group, and all the individuals in the part or 54830  
unit licensed as a rest home shall be considered as another group. 54831

(2) The home is both a nursing home and a residential 54832  
facility. In that case, all the individuals in the part or unit 54833  
licensed as a nursing home shall be considered as one group, and 54834

services from the home, in which case the individuals in the 54841  
separate and discrete part or unit shall not be considered in 54842  
determining the number of residents in the home if the separate 54843  
and discrete part or unit is in compliance with the Ohio basic 54844  
building code established by the board of building standards under 54845  
Chapters 3781. and 3791. of the Revised Code and the home permits 54846  
the director, on request, to inspect the separate and discrete 54847  
part or unit and speak with the individuals residing there, if 54848  
they consent, to determine whether the separate and discrete part 54849  
or unit meets the requirements of this division. 54850

statement on the basis of the inspection or investigation, shall 54868  
be used solely to determine the home's compliance with this 54869  
chapter or another chapter of the Revised Code in any action or 54870

**Sec. 3734.02.** (A) The director of environmental protection, 55534  
in accordance with Chapter 119. of the Revised Code, shall adopt 55535  
and may amend, suspend, or rescind rules having uniform 55536  
application throughout the state governing solid waste facilities 55537  
and the inspections of and issuance of permits and licenses for 55538  
all solid waste facilities in order to ensure that the facilities 55539  
will be located, maintained, and operated, and will undergo 55540  
closure and post-closure care, in a sanitary manner so as not to 55541

create a nuisance, cause or contribute to water pollution, create 55542  
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 55543  
257.3-8, as amended. The rules may include, without limitation, 55544  
financial assurance requirements for closure and post-closure care 55545  
and corrective action and requirements for taking corrective 55546  
action in the event of the surface or subsurface discharge or 55547  
migration of explosive gases or leachate from a solid waste 55548  
facility, or of ground water contamination resulting from the 55549  
transfer or disposal of solid wastes at a facility, beyond the 55550  
boundaries of any area within a facility that is operating or is 55551  
undergoing closure or post-closure care where solid wastes were 55552  
disposed of or are being disposed of. The rules shall not concern 55553  
or relate to personnel policies, salaries, wages, fringe benefits, 55554  
or other conditions of employment of employees of persons owning 55555  
or operating solid waste facilities. The director, in accordance 55556  
with Chapter 119. of the Revised Code, shall adopt and may amend, 55557  
suspend, or rescind rules governing the issuance, modification, 55558  
revocation, suspension, or denial of variances from the director's 55559  
solid waste rules, including, without limitation, rules adopted 55560  
under this chapter governing the management of scrap tires. 55561

Variances shall be issued, modified, revoked, suspended, or 55562  
rescinded in accordance with this division, rules adopted under 55563  
it, and Chapter 3745. of the Revised Code. The director may order 55564  
the person to whom a variance is issued to take such action within 55565  
such time as the director may determine to be appropriate and 55566  
reasonable to prevent the creation of a nuisance or a hazard to 55567  
the public health or safety or the environment. Applications for 55568  
variances shall contain such detail plans, specifications, and 55569  
information regarding objectives, procedures, controls, and other 55570  
pertinent data as the director may require. The director shall 55571  
grant a variance only if the applicant demonstrates to the 55572  
director's satisfaction that construction and operation of the 55573  
solid waste facility in the manner allowed by the variance and any 55574

terms or conditions imposed as part of the variance will not 55575  
create a nuisance or a hazard to the public health or safety or 55576  
the environment. In granting any variance, the director shall 55577  
state the specific provision or provisions whose terms are to be 55578  
varied and also shall state specific terms or conditions imposed 55579  
upon the applicant in place of the provision or provisions. 55580

The director may hold a public hearing on an application for 55581  
a variance or renewal of a variance at a location in the county 55582  
where the operations that are the subject of the application for 55583  
the variance are conducted. The director shall give not less than 55584  
twenty days' notice of the hearing to the applicant by certified 55585  
mail or by another type of mail accompanied by a receipt and shall 55586  
publish at least one notice of the hearing in a newspaper with 55587  
general circulation in the county where the hearing is to be held. 55588  
The director shall make available for public inspection at the 55589  
principal office of the environmental protection agency a current 55590  
list of pending applications for variances and a current schedule 55591  
of pending variance hearings. The director shall make a complete 55592  
stenographic record of testimony and other evidence submitted at 55593  
the hearing. 55594

Within ten days after the hearing, the director shall make a 55595  
written determination to issue, renew, or deny the variance and 55596  
shall enter the determination and the basis for it into the record 55597  
of the hearing. The director shall issue, renew, or deny an 55598  
application for a variance or renewal of a variance within six 55599  
months of the date upon which the director receives a complete 55600  
application with all pertinent information and data required. No 55601  
variance shall be issued, revoked, modified, or denied until the 55602  
director has considered the relative interests of the applicant, 55603  
other persons and property affected by the variance, and the 55604  
general public. Any variance granted under this division shall be 55605  
for a period specified by the director and may be renewed from 55606

time to time on such terms and for such periods as the director 55607  
determines to be appropriate. No application shall be denied and 55608  
no variance shall be revoked or modified without a written order 55609  
stating the findings upon which the denial, revocation, or 55610  
modification is based. A copy of the order shall be sent to the 55611  
applicant or variance holder by certified mail or by another type 55612  
of mail accompanied by a receipt. 55613

(B) The director shall prescribe and furnish the forms 55614  
necessary to administer and enforce this chapter. The director may 55615  
cooperate with and enter into agreements with other state, local, 55616  
or federal agencies to carry out the purposes of this chapter. The 55617  
director may exercise all incidental powers necessary to carry out 55618  
the purposes of this chapter. 55619

waste facility or infectious waste treatment facility, or modify 55622  
an existing solid waste facility or infectious waste treatment 55623  
facility, without submitting an application for a permit with 55624  
accompanying detail plans, specifications, and information 55625  
regarding the facility and method of operation and receiving a 55626  
permit issued by the director, except that no permit shall be 55627  
required under this division to install or operate a solid waste 55628  
facility for sewage sludge treatment or disposal when the 55629  
treatment or disposal is authorized by a current permit issued 55630  
under Chapter 3704. or 6111. of the Revised Code. 55631

No person shall continue to operate a solid waste facility 55632  
for which the director ~~has denied a permit for which an~~ 55633  
~~application was required under division (A)(3) of section 3734.05~~ 55634  
~~of the Revised Code, or for which the director has disapproved~~ 55635  
plans and specifications required to be filed by an order issued 55636  
under division (A)(~~5~~)(3) of ~~that~~ section 3734.05 of the Revised 55637  
Code, after the date prescribed for commencement of closure of the 55638

facility in the order issued under division (A)~~(6)~~(4) of that 55639  
section 3734.05 ~~of the Revised Code~~ denying the permit application 55640  
or approval. 55641

On and after the effective date of the rules adopted under 55642  
division (A) of this section and division (D) of section 3734.12 55643  
of the Revised Code governing solid waste transfer facilities, no 55644  
person shall establish a new, or modify an existing, solid waste 55645  
transfer facility without first submitting an application for a 55646  
permit with accompanying engineering detail plans, specifications, 55647  
and information regarding the facility and its method of operation 55648  
to the director and receiving a permit issued by the director. 55649

No person shall establish a new compost facility or continue 55650  
to operate an existing compost facility that accepts exclusively 55651  
source separated yard wastes without submitting a completed 55652  
registration for the facility to the director in accordance with 55653  
rules adopted under divisions (A) and (N)(3) of this section. 55654

This division does not apply to a generator of infectious 55655

scrap tires, prior to their collection for disposal; to the 55681  
storage of one hundred or fewer scrap tires unless they are stored 55682  
in such a manner that, in the judgment of the director or the 55683  
board of health of the health district in which the scrap tires 55684

of the facility. 55697

(b) "Off-site facility" means a facility that stores, treats, 55698

(c) "Satellite facility" means any of the following: 55702

A hazardous waste disposal facility that disposes of 55770  
hazardous waste by deep well injection and that pays the annual 55771  
permit fee established in section 6111.046 of the Revised Code is 55772  
not subject to the permit fee established in this division for 55773

multiple units of the same method of storage, treatment, or 55780

The director, by rules adopted in accordance with Chapters 55794

119. and 3745. of the Revised Code, shall prescribe procedures for 55795  
collecting the annual permit fee established by this division and 55796

division. 55798

(3) The prohibition against establishing or operating a 55799  
hazardous waste facility without a hazardous waste facility 55800  
installation and operation permit does not apply to either of the 55801  
following: 55802

(a) A facility that is operating in accordance with a permit 55803  
renewal issued under division (H) of section 3734.05 of the 55804  
Revised Code, a revision issued under division (I) of that section 55805  
as it existed prior to August 20, 1996, or a modification issued 55806  
by the director under division (I) of that section on and after 55807  
August 20, 1996; 55808

(b) Except as provided in division (J) of section 3734.05 of 55809  
the Revised Code, a facility that will operate or is operating in 55810  
accordance with a permit by rule, or that is not subject to permit 55811  
requirements, under rules adopted by the director. In accordance 55812  
with Chapter 119. of the Revised Code, the director shall adopt, 55813  
and subsequently may amend, suspend, or rescind, rules for the 55814  
purposes of division (E)(3)(b) of this section. Any rules so 55815  
adopted shall be consistent with and equivalent to regulations 55816  
pertaining to interim status adopted under the "Resource 55817  
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 55818  
6921, as amended, except as otherwise provided in this chapter. 55819

If a modification is requested or proposed for a facility 55820  
described in division (E)(3)(a) or (b) of this section, division 55821  
(I)(7) of section 3734.05 of the Revised Code applies. 55822

(F) No person shall store, treat, or dispose of hazardous 55823  
waste identified or listed under this chapter and rules adopted 55824  
under it, regardless of whether generated on or off the premises 55825

where the waste is stored, treated, or disposed of, or transport 55826  
or cause to be transported any hazardous waste identified or 55827  
listed under this chapter and rules adopted under it to any other 55828  
premises, except at or to any of the following: 55829

(1) A hazardous waste facility operating under a permit 55830  
issued in accordance with this chapter; 55831

(2) A facility in another state operating under a license or 55832  
permit issued in accordance with the "Resource Conservation and 55833  
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 55834  
amended; 55835

(3) A facility in another nation operating in accordance with 55836  
the laws of that nation; 55837

(4) A facility holding a permit issued pursuant to Title I of 55838  
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 55839  
Stat. 1052, 33 U.S.C.A. 1401, as amended; 55840

(5) A hazardous waste facility as described in division 55841  
(E)(3)(a) or (b) of this section. 55842

(G) The director, by order, may exempt any person generating, 55843  
collecting, storing, treating, disposing of, or transporting solid 55844  
wastes, infectious wastes, or hazardous waste, or processing solid 55845  
wastes that consist of scrap tires, in such quantities or under 55846  
such circumstances that, in the determination of the director, are 55847  
unlikely to adversely affect the public health or safety or the 55848  
environment from any requirement to obtain a registration 55849  
certificate, permit, or license or comply with the manifest system 55850  
or other requirements of this chapter. Such an exemption shall be 55851  
consistent with and equivalent to any regulations adopted by the 55852  
administrator of the United States environmental protection agency 55853  
under the "Resource Conservation and Recovery Act of 1976," 90 55854  
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 55855  
provided in this chapter. 55856

(H) No person shall engage in filling, grading, excavating, building, drilling, or mining on land where a hazardous waste facility, or a solid waste facility, was operated without prior authorization from the director, who shall establish the procedure for granting such authorization by rules adopted in accordance with Chapter 119. of the Revised Code.

A public utility that has main or distribution lines above or below the land surface located on an easement or right-of-way across land where a solid waste facility was operated may engage in any such activity within the easement or right-of-way without prior authorization from the director for purposes of performing emergency repair or emergency replacement of its lines; of the poles, towers, foundations, or other structures supporting or sustaining any such lines; or of the appurtenances to those structures, necessary to restore or maintain existing public utility service. A public utility may enter upon any such easement or right-of-way without prior authorization from the director for purposes of performing necessary or routine maintenance of those portions of its existing lines; of the existing poles, towers, foundations, or other structures sustaining or supporting its lines; or of the appurtenances to any such supporting or sustaining structure, located on or above the land surface on any such easement or right-of-way. Within twenty-four hours after commencing any such emergency repair, replacement, or maintenance work, the public utility shall notify the director or the director's authorized representative of those activities and shall provide such information regarding those activities as the director or the director's representative may request. Upon completion of the emergency repair, replacement, or maintenance activities, the public utility shall restore any land of the solid waste facility disturbed by those activities to the condition existing prior to the commencement of those activities.

(I) No owner or operator of a hazardous waste facility, in 55889  
the operation of the facility, shall cause, permit, or allow the 55890  
emission therefrom of any particulate matter, dust, fumes, gas, 55891  
mist, smoke, vapor, or odorous substance that, in the opinion of 55892  
the director, unreasonably interferes with the comfortable 55893  
enjoyment of life or property by persons living or working in the 55894  
vicinity of the facility, or that is injurious to public health. 55895  
Any such action is hereby declared to be a public nuisance. 55896

(J) Notwithstanding any other provision of this chapter, in 55897  
the event the director finds an imminent and substantial danger to 55898  
public health or safety or the environment that creates an 55899  
emergency situation requiring the immediate treatment, storage, or 55900  
disposal of hazardous waste, the director may issue a temporary 55901  
emergency permit to allow the treatment, storage, or disposal of 55902  
the hazardous waste at a facility that is not otherwise authorized 55903  
by a hazardous waste facility installation and operation permit to 55904  
treat, store, or dispose of the waste. The emergency permit shall 55905  
not exceed ninety days in duration and shall not be renewed. The 55906  
director shall adopt, and may amend, suspend, or rescind, rules in 55907  
accordance with Chapter 119. of the Revised Code governing the 55908  
issuance, modification, revocation, and denial of emergency 55909  
permits. 55910

(K) Except for infectious wastes generated by a person who 55911  
produces fewer than fifty pounds of infectious wastes at a 55912  
premises during any one month, no owner or operator of a sanitary 55913  
landfill shall knowingly accept for disposal, or dispose of, any 55914  
infectious wastes that have not been treated to render them 55915  
noninfectious. 55916

(L) The director, in accordance with Chapter 119. of the 55917  
Revised Code, shall adopt, and may amend, suspend, or rescind, 55918  
rules having uniform application throughout the state establishing 55919  
a training and certification program that shall be required for 55920

employees of boards of health who are responsible for enforcing 55921  
the solid waste and infectious waste provisions of this chapter 55922  
and rules adopted under them and for persons who are responsible 55923  
for the operation of solid waste facilities or infectious waste 55924  
treatment facilities. The rules shall provide all of the 55925  
following, without limitation: 55926

(1) The program shall be administered by the director and 55927  
shall consist of a course on new solid waste and infectious waste 55928  
technologies, enforcement procedures, and rules; 55929

(2) The course shall be offered on an annual basis; 55930

(3) Those persons who are required to take the course under 55931  
division (L) of this section shall do so triennially; 55932

(4) Persons who successfully complete the course shall be 55933  
certified by the director; 55934

(5) Certification shall be required for all employees of 55935  
boards of health who are responsible for enforcing the solid waste 55936  
or infectious waste provisions of this chapter and rules adopted 55937  
under them and for all persons who are responsible for the 55938  
operation of solid waste facilities or infectious waste treatment 55939  
facilities; 55940

(6)(a) All employees of a board of health who, on the 55941  
effective date of the rules adopted under this division, are 55942  
responsible for enforcing the solid waste or infectious waste 55943  
provisions of this chapter and the rules adopted under them shall 55944  
complete the course and be certified by the director not later 55945  
than January 1, 1995; 55946

(b) All employees of a board of health who, after the 55947  
effective date of the rules adopted under division (L) of this 55948  
section, become responsible for enforcing the solid waste or 55949  
infectious waste provisions of this chapter and rules adopted 55950  
under them and who do not hold a current and valid certification 55951

from the director at that time shall complete the course and be 55952  
certified by the director within two years after becoming 55953  
responsible for performing those activities. 55954

No person shall fail to obtain the certification required 55955  
under this division. 55956

(M) The director shall not issue a permit under section 55957  
3734.05 of the Revised Code to establish a solid waste facility, 55958  
or to modify a solid waste facility operating on December 21, 55959  
1988, in a manner that expands the disposal capacity or geographic 55960  
area covered by the facility, that is or is to be located within 55961  
the boundaries of a state park established or dedicated under 55962  
Chapter 1546. of the Revised Code, a state park purchase area 55963  
established under section 1546.06 of the Revised Code, any unit of 55964  
the national park system, or any property that lies within the 55965  
boundaries of a national park or recreation area, but that has not 55966  
been acquired or is not administered by the secretary of the 55967  
United States department of the interior, located in this state, 55968  
or any candidate area located in this state and identified for 55969  
potential inclusion in the national park system in the edition of 55970  
the "national park system plan" submitted under paragraph (b) of 55971  
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 55972  
U.S.C.A. 1a-5, as amended, current at the time of filing of the 55973  
application for the permit, unless the facility or proposed 55974  
facility is or is to be used exclusively for the disposal of solid 55975  
wastes generated within the park or recreation area and the 55976  
director determines that the facility or proposed facility will 55977  
not degrade any of the natural or cultural resources of the park 55978  
or recreation area. The director shall not issue a variance under 55979  
division (A) of this section and rules adopted under it, or issue 55980  
an exemption order under division (G) of this section, that would 55981  
authorize any such establishment or expansion of a solid waste 55982  
facility within the boundaries of any such park or recreation 55983

area, state park purchase area, or candidate area, other than a 55984  
solid waste facility exclusively for the disposal of solid wastes 55985  
generated within the park or recreation area when the director 55986  
determines that the facility will not degrade any of the natural 55987  
or cultural resources of the park or recreation area. 55988

(N)(1) The rules adopted under division (A) of this section, 55989  
other than those governing variances, do not apply to scrap tire 55990  
collection, storage, monocell, monofill, and recovery facilities. 55991  
Those facilities are subject to and governed by rules adopted 55992  
under sections 3734.70 to 3734.73 of the Revised Code, as 55993  
applicable. 55994

(2) Division (C) of this section does not apply to scrap tire 55995  
collection, storage, monocell, monofill, and recovery facilities. 55996  
The establishment and modification of those facilities are subject 55997  
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 55998  
Code, as applicable. 55999

(3) The director may adopt, amend, suspend, or rescind rules 56000  
under division (A) of this section creating an alternative system 56001  
for authorizing the establishment, operation, or modification of a 56002  
solid waste compost facility in lieu of the requirement that a 56003  
person seeking to establish, operate, or modify a solid waste 56004  
compost facility apply for and receive a permit under division (C) 56005  
of this section and section 3734.05 of the Revised Code and a 56006  
license under division (A)(1) of that section. The rules may 56007  
include requirements governing, without limitation, the 56008  
classification of solid waste compost facilities, the submittal of 56009  
operating records for solid waste compost facilities, and the 56010  
creation of a registration or notification system in lieu of the 56011  
issuance of permits and licenses for solid waste compost 56012  
facilities. The rules shall specify the applicability of divisions 56013  
(A)(1), and (2)(a), ~~(3), and (4)~~ of section 3734.05 of the Revised 56014  
Code to a solid waste compost facility. 56015

(O)(1) As used in this division, "secondary aluminum waste" 56016  
means waste material or byproducts, when disposed of, containing 56017  
aluminum generated from secondary aluminum smelting operations and 56018  
consisting of dross, salt cake, baghouse dust associated with 56019  
aluminum recycling furnace operations, or dry-milled wastes. 56020

(2) The owner or operator of a sanitary landfill shall not 56021  
dispose of municipal solid waste that has been commingled with 56022  
secondary aluminum waste. 56023

(3) The owner or operator of a sanitary landfill may dispose 56024  
of secondary aluminum waste, but only in a monocell or monofill 56025  
that has been permitted for that purpose in accordance with this 56026  
chapter and rules adopted under it. 56027

(P)(1) As used in divisions (P) and (Q) of this section: 56028

(a) "Natural background" means two picocuries per gram or the 56029  
actual number of picocuries per gram as measured at an individual 56030  
solid waste facility, subject to verification by the director of 56031  
health. 56032

(b) "Drilling operation" includes a production operation as 56033  
defined in section 1509.01 of the Revised Code. 56034

(2) The owner or operator of a solid waste facility shall not 56035  
accept for transfer or disposal technologically enhanced naturally 56036  
occurring radioactive material if that material contains or is 56037  
contaminated with radium-226, radium-228, or any combination of 56038  
radium-226 and radium-228 at concentrations equal to or greater 56039  
than five picocuries per gram above natural background. 56040

(3) The owner or operator of a solid waste facility may 56041  
receive and process for purposes other than transfer or disposal 56042  
technologically enhanced naturally occurring radioactive material 56043  
that contains or is contaminated with radium-226, radium-228, or 56044  
any combination of radium-226 and radium-228 at concentrations 56045  
equal to or greater than five picocuries per gram above natural 56046

background, provided that the owner or operator has obtained and 56047  
maintains all other necessary authorizations, including any 56048  
authorization required by rules adopted by the director of health 56049  
under section 3748.04 of the Revised Code. 56050

(4) The director of environmental protection may adopt rules 56051  
in accordance with Chapter 119. of the Revised Code governing the 56052  
receipt, acceptance, processing, handling, management, and 56053  
disposal by solid waste facilities of material that contains or is 56054  
contaminated with radioactive material, including, without 56055  
limitation, technologically enhanced naturally occurring 56056  
radioactive material that contains or is contaminated with 56057  
radium-226, radium-228, or any combination of radium-226 and 56058  
radium-228 at concentrations less than five picocuries per gram 56059  
above natural background. Rules adopted by the director may 56060  
include at a minimum both of the following: 56061

(a) Requirements in accordance with which the owner or 56062  
operator of a solid waste facility must monitor leachate and 56063  
ground water for radium-226, radium-228, and other radionuclides; 56064

(b) Requirements in accordance with which the owner or 56065  
operator of a solid waste facility must develop procedures to 56066  
ensure that technologically enhanced naturally occurring 56067  
radioactive material accepted at the facility neither contains nor 56068  
is contaminated with radium-226, radium-228, or any combination of 56069  
radium-226 and radium-228 at concentrations equal to or greater 56070  
than five picocuries per gram above natural background. 56071

(Q) Notwithstanding any other provision of this section, the 56072  
owner or operator of a solid waste facility shall not receive, 56073  
accept, process, handle, manage, or dispose of technologically 56074  
enhanced naturally occurring radioactive material associated with 56075  
drilling operations without first obtaining representative 56076  
analytical results to determine compliance with divisions (P)(2) 56077  
and (3) of this section and rules adopted under it. 56078

Sec. 3734.041. (A) The owner or operator holding a license 56079  
issued under division (A) of section 3734.05 of the Revised Code 56080  
for a sanitary landfill that is so situated that a residence or 56081  
other occupied structure off the premises of the landfill is 56082  
located within one thousand feet horizontal distance from the 56083  
exterior boundary of the landfill, and the owner or operator of 56084  
any closed landfill that is so situated and for which a license 56085  
was issued under division (A) of section 3734.05 of the Revised 56086  
Code, or the subsequent owner, lessee, or other person who has 56087  
control of the land on which the closed landfill is located, 56088  
shall, within sixty days after the effective date of the rules 56089  
adopted under division (F) of this section, submit an explosive 56090  
gas monitoring plan for the landfill or closed landfill to the 56091  
director of environmental protection for approval for compliance 56092  
with those rules. After approval of the plan, the owner ~~or,~~ 56093  
~~operator of the landfill, or, in the instance of a closed~~ 56094  
~~landfill, the owner or operator of the closed landfill, or the,~~ 56095  
subsequent owner, lessee, or other person ~~who has control of the~~ 56096  
~~land on which the closed landfill is located~~ shall conduct 56097  
monitoring of explosive gas levels at the landfill or closed 56098  
landfill, and submit written reports of the results of the 56099  
monitoring to the director and the board of health of the health 56100  
district in which the landfill is located in accordance with the 56101  
approved plan and the schedule for implementation contained in the 56102  
approved plan. 56103

No person shall violate or fail to perform a duty imposed by 56104  
a plan approved under this section. 56105

(B) Division (A) of this section does not apply to a sanitary 56106  
landfill or closed sanitary landfill that exclusively disposes, or 56107  
disposed, of solid wastes generated on the premises where the 56108  
landfill or closed landfill is located; to a sanitary landfill or 56109  
closed sanitary landfill that exclusively disposes, or disposed, 56110

of solid wastes generated on one or more premises owned by the 56111  
person who owns the landfill or closed landfill; or to a sanitary 56112  
landfill or closed sanitary landfill owned or operated by a person 56113  
other than the generator of the wastes that exclusively disposes, 56114  
or disposed, of nonputrescible solid wastes or nonputrescible 56115  
wastes generated by a single generator at one or more premises 56116  
owned by the generator. 56117

(C) ~~When~~ As used in this division and division (D) of this 56118  
section, "responsible party" includes the owner or operator of a 56119  
solid waste disposal facility; any current or former owner of a 56120  
closed solid waste disposal facility; any person who was 56121  
responsible for the operations of a closed solid waste disposal 56122  
facility; any lessee or other person who has control of the 56123  
property on which a closed solid waste disposal facility is 56124  
located; a receiver appointed pursuant to Chapter 2735. of the 56125  
Revised Code with respect to a solid waste disposal facility or 56126  
closed solid waste disposal facility; and a trustee in bankruptcy. 56127

Notwithstanding division (B) of this section, if the director 56128  
determines that, due to the types of wastes disposed of, the 56129  
engineering design, the hydrogeological setting, the period of 56130  
time since the commencement of operation, ~~and~~ the proximity of 56131  
residential or other occupied structures located off the premises 56132  
of ~~the landfill~~ a solid waste disposal facility to the exterior 56133  
boundaries, ~~of~~ or information related to concentrations of 56134  
explosive gas at or surrounding a sanitary landfill licensed under 56135  
~~division (A) of section 3734.05 of the Revised Code~~ facility or 56136  
closed ~~sanitary landfill for which a license was issued under that~~ 56137  
~~division~~ facility, the potential exists for the formation and 56138  
subsurface migration of explosive gases in such quantities and 56139  
under such conditions as to ~~endanger~~ threaten human health or 56140  
safety or the environment, the director ~~shall~~ may issue to the 56141  
~~owner or operator of the sanitary landfill, or, in the instance of~~ 56142

~~a closed sanitary landfill, the owner or operator of the sanitary landfill, or the subsequent owner, lessee, or other person who has control of the property on which the closed landfill is located, any responsible party~~ an order directing ~~such owner~~ the responsible party to prepare, ~~obtain approval of, and implement an~~ and submit a new or revised explosive gas monitoring and reporting plan, ~~in accordance with division (A) of~~ that complies with division (A) of this section and provides for the adequate evaluation of explosive gas generation at and migration from the solid waste disposal facility or closed solid waste disposal facility. A plan so submitted shall be approved in accordance with division (A) of this section. After approval of the plan, the responsible party shall conduct monitoring of explosive gas levels at the facility or closed facility and submit written reports of the results of the monitoring in accordance with the plan approved under this section. For the purposes of this division and division (D) of this section, explosive gases shall be considered to ~~endanger~~ threaten human health or safety or the environment if concentrations of methane generated by ~~the landfill~~ a facility in landfill occupied structures, ~~excluding gas control or recovery system components,~~ exceed twenty-five per cent of the lower explosive limit or if concentrations of methane generated by the ~~landfill~~ facility at the ~~landfill~~ facility boundary exceed the lower explosive limit. As used in this division, "lower explosive limit" means the lowest per cent by volume of methane that will produce a flame in air at twenty-five degrees centigrade and atmospheric pressure.

(D) If a report submitted pursuant to a plan approved under division (A) of this section indicates that the formation of explosive gases at, and migration of explosive gases from, a ~~sanitary landfill~~ solid waste disposal facility or closed ~~sanitary landfill~~ solid waste disposal facility threatens human health or safety or the environment, the director or his authorized

representative ~~shall promptly~~ may conduct an evaluation of the 56176  
levels of explosive gases on the premises of the landfill facility 56177  
and in occupied structures located in proximity to the boundaries 56178  
of the landfill facility to determine whether the formation of 56179  
explosive gases at, and migration of those gases from, the 56180  
landfill facility or closed landfill facility constitutes such a 56181  
threat. In addition, the director or the director's authorized 56182  
representative, on their own initiative, may conduct an evaluation 56183  
in accordance with division (G) of this section. Based upon the 56184  
findings of ~~the an~~ an evaluation, ~~or of an evaluation conducted by~~ 56185  
~~the director, or his authorized representative, on his own~~ 56186  
initiative, the director ~~shall~~ may issue an order under division 56187  
(A) or (B) of section 3734.13 of the Revised Code, as the director 56188  
considers necessary or appropriate, directing ~~the owner or~~ 56189  
~~operator of the landfill, or, in the instance of a closed~~ 56190  
~~landfill, the owner or operator of the landfill, or the subsequent~~ 56191  
~~owner, lessee, or other person who has control of the land on~~ 56192  
~~which the closed landfill is located,~~ any responsible party to 56193  
perform such measures as the director considers necessary or 56194  
appropriate, to abate or minimize the formation of explosive gases 56195  
or their migration off the premises of the landfill facility, to 56196  
abate or remedy any conditions caused by the formation and 56197  
migration of such gases that ~~endanger~~ threaten human health or 56198  
safety or the environment and to take such actions as the director 56199  
finds necessary or appropriate to prevent recurrence of the 56200  
migration of explosive gases or decrease their concentration to 56201  
levels set forth in division (C) of this section. 56202

After the issuance of an order under this division, the 56203  
director shall inspect the ~~landfill at least once each week, or~~ 56204  
facility at such ~~other~~ intervals as the director or ~~his~~ an 56205  
authorized representative of the director considers necessary or 56206  
appropriate, to ascertain compliance with the order until such 56207  
time as the director determines that full compliance with those 56208

terms and conditions has been achieved. 56209

If a report submitted pursuant to a plan approved under 56210  
division (A) of this section indicates that the formation of 56211  
explosive gases at, and migration of explosive gases from, a 56212  
~~landfill~~ solid waste disposal facility that is subject to an order 56213  
issued under division (D) of this section has recurred in such 56214  
quantities or under such conditions as to threaten human health or 56215  
safety or the environment, or if the director determines from an 56216  
inspection of any such ~~landfill~~ facility that the ~~owner or~~ 56217  
~~operator of the landfill, or, in the instance of a closed~~ 56218  
~~landfill, the owner or operator of the landfill, or the subsequent~~ 56219  
~~owner, lessee, or other person who has control of the land on~~ 56220  
~~which the closed landfill is located,~~ responsible party has 56221  
violated or is violating a term or condition of the order or that 56222  
measures in addition to those prescribed by the order are 56223  
necessary or appropriate under the circumstances, the director 56224  
shall take such actions under division (A), (B), or (C) of section 56225  
3734.13 of the Revised Code as ~~he~~ the director considers necessary 56226  
or appropriate to protect human health or safety or the 56227  
environment. 56228

(E) The director shall conduct random inspections of licensed 56229  
and closed sanitary landfills for explosive gas levels and to 56230  
monitor the accuracy of the reports submitted pursuant to plans 56231  
approved under division (A) of this section. 56232

(F) The director shall adopt rules under Chapter 119. of the 56233  
Revised Code prescribing standards for conducting the explosive 56234  
gas monitoring required by division (A) of this section including, 56235  
without limitation, standards governing the numbers, locations, 56236  
and design and construction of monitoring wells; quality control 56237  
procedures to be followed by persons conducting those evaluations 56238  
to ensure the accuracy of the monitoring; the frequency for 56239  
sampling the monitoring wells, which shall be at least quarterly, 56240

except as otherwise provided in this division; and the frequency 56241  
of reporting monitoring results to the director and board of 56242  
health. The rules shall require that, in the instance of closed 56243  
sanitary landfills, explosive gas monitoring be conducted for the 56244  
period of twenty years after closure or for such other period as 56245  
the director considers necessary or appropriate. Such explosive 56246  
gas monitoring shall be conducted quarterly during each of the 56247  
five years immediately following closure of the landfills and 56248  
semiannually thereafter. If such semiannual sampling shows that 56249  
the methane limits set in division (C) of this section are 56250  
exceeded, sampling may be resumed at a frequency determined by the 56251  
director. 56252

(G) The director or the director's authorized representative 56253  
may enter upon a solid waste disposal facility or a closed solid 56254  
waste disposal facility to conduct an evaluation of the 56255  
concentration of explosive gas generated at or migrating from the 56256  
facility. The owner or operator of a solid waste disposal facility 56257  
or closed solid waste disposal facility shall allow the director 56258  
or representative to conduct such an evaluation of the facility, 56259  
any structures within the boundary of the facility, and any 56260  
occupied structures in close proximity to the boundary of the 56261  
facility that are owned or controlled by the owner or operator. 56262

(H) The remedy provided by division (D) of this section is 56263  
cumulative and concurrent with any other remedy provided in this 56264  
chapter or Chapter 3704. of the Revised Code, and the existence or 56265  
exercise of one remedy does not prevent the exercise of any other. 56266

**Sec. 3734.05.** (A)(1) Except as provided in divisions (A)~~(4)~~, 56267  
~~(8)~~, (6) and ~~(9)~~, (7) of this section, no person shall operate or 56268  
maintain a solid waste facility without a license issued under 56269  
this division by the board of health of the health district in 56270  
which the facility is located or by the director of environmental 56271

protection when the health district in which the facility is 56272  
located is not on the approved list under section 3734.08 of the 56273  
Revised Code. 56274

During the month of December, but before the first day of 56275  
January of the next year, every person proposing to continue to 56276  
operate an existing solid waste facility shall procure a license 56277  
under this division to operate the facility for that year from the 56278  
board of health of the health district in which the facility is 56279  
located or, if the health district is not on the approved list 56280  
under section 3734.08 of the Revised Code, from the director. The 56281  
application for such a license shall be submitted to the board of 56282  
health or to the director, as appropriate, on or before the last 56283  
day of September of the year preceding that for which the license 56284  
is sought. In addition to the application fee prescribed in 56285  
division (A)(2) of this section, a person who submits an 56286  
application after that date shall pay an additional ten per cent 56287  
of the amount of the application fee for each week that the 56288  
application is late. Late payment fees accompanying an application 56289  
submitted to the board of health shall be credited to the special 56290  
fund of the health district created in division (B) of section 56291  
3734.06 of the Revised Code, and late payment fees accompanying an 56292  
application submitted to the director shall be credited to the 56293  
general revenue fund. A person who has received a license, upon 56294  
sale or disposition of a solid waste facility, and upon consent of 56295  
the board of health and the director, may have the license 56296  
transferred to another person. The board of health or the director 56297  
may include such terms and conditions in a license or revision to 56298  
a license as are appropriate to ensure compliance with this 56299  
chapter and rules adopted under it. The terms and conditions may 56300  
establish the authorized maximum daily waste receipts for the 56301  
facility. Limitations on maximum daily waste receipts shall be 56302  
specified in cubic yards of volume for the purpose of regulating 56303  
the design, construction, and operation of solid waste facilities. 56304

Terms and conditions included in a license or revision to a 56305  
license by a board of health shall be consistent with, and pertain 56306  
only to the subjects addressed in, the rules adopted under 56307  
division (A) of section 3734.02 and division (D) of section 56308  
3734.12 of the Revised Code. 56309

(2)(a) Except as provided in divisions (A)(2)(b), ~~(8)(6)~~, and 56310  
~~(9)(7)~~ of this section, each person proposing to open a new solid 56311  
waste facility or to modify an existing solid waste facility shall 56312  
submit an application for a permit with accompanying detail plans 56313  
and specifications to the environmental protection agency for 56314  
required approval under the rules adopted by the director pursuant 56315  
to division (A) of section 3734.02 of the Revised Code and 56316  
applicable rules adopted under division (D) of section 3734.12 of 56317  
the Revised Code at least two hundred seventy days before proposed 56318  
operation of the facility and shall concurrently make application 56319  
for the issuance of a license under division (A)(1) of this 56320  
section with the board of health of the health district in which 56321  
the proposed facility is to be located. 56322

(b) On and after the effective date of the rules adopted 56323  
under division (A) of section 3734.02 of the Revised Code and 56324  
division (D) of section 3734.12 of the Revised Code governing 56325  
solid waste transfer facilities, each person proposing to open a 56326  
new solid waste transfer facility or to modify an existing solid 56327  
waste transfer facility shall submit an application for a permit 56328  
with accompanying engineering detail plans, specifications, and 56329  
information regarding the facility and its method of operation to 56330  
the environmental protection agency for required approval under 56331  
those rules at least two hundred seventy days before commencing 56332  
proposed operation of the facility and concurrently shall make 56333  
application for the issuance of a license under division (A)(1) of 56334  
this section with the board of health of the health district in 56335  
which the facility is located or proposed. 56336

(c) Each application for a permit under division (A)(2)(a) or (b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (A)(1) or (2) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special fund of the health district created in division (B) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (A)(1), (2), (3), (4), or (5) of section 3734.06 of the Revised Code.

(d) As used in divisions (A)(2)(d), (e), and (f) of this section, "modify" means any of the following:

(i) Any increase of more than ten per cent in the total capacity of a solid waste facility;

(ii) Any expansion of the limits of solid waste placement at a solid waste facility;

(iii) Any increase in the depth of excavation at a solid waste facility;

(iv) Any change in the technique of waste receipt or type of waste received at a solid waste facility that may endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised Code.

Not later than forty-five days after submitting an

application under division (A)(2)(a) or (b) of this section for a 56368  
permit to open a new or modify an existing solid waste facility, 56369  
the applicant, in conjunction with an officer or employee of the 56370  
environmental protection agency, shall hold a public meeting on 56371  
the application within the county in which the new or modified 56372  
solid waste facility is or is proposed to be located or within a 56373  
contiguous county. Not less than thirty days before holding the 56374  
public meeting on the application, the applicant shall publish 56375  
notice of the meeting in each newspaper of general circulation 56376  
that is published in the county in which the facility is or is 56377  
proposed to be located. If no newspaper of general circulation is 56378  
published in the county, the applicant shall publish the notice in 56379  
a newspaper of general circulation in the county. The notice shall 56380  
contain the date, time, and location of the public meeting and a 56381  
general description of the proposed new or modified facility. Not 56382  
later than five days after publishing the notice, the applicant 56383  
shall send by certified mail a copy of the notice and the date the 56384  
notice was published to the director and the legislative authority 56385  
of each municipal corporation, township, and county, and to the 56386  
chief executive officer of each municipal corporation, in which 56387  
the facility is or is proposed to be located. At the public 56388  
meeting, the applicant shall provide information and describe the 56389  
application and respond to comments or questions concerning the 56390  
application, and the officer or employee of the agency shall 56391  
describe the permit application process. At the public meeting, 56392  
any person may submit written or oral comments on or objections to 56393  
the application. Not more than thirty days after the public 56394  
meeting, the applicant shall provide the director with a copy of a 56395  
transcript of the full meeting, copies of any exhibits, displays, 56396  
or other materials presented by the applicant at the meeting, and 56397  
the original copy of any written comments submitted at the 56398  
meeting. 56399

(e) Except as provided in division (A)(2)(f) of this section, 56400

prior to taking an action, other than a proposed or final denial, 56401  
upon an application submitted under division (A)(2)(a) of this 56402  
section for a permit to open a new or modify an existing solid 56403  
waste facility, the director shall hold a public information 56404  
session and a public hearing on the application within the county 56405  
in which the new or modified solid waste facility is or is 56406  
proposed to be located or within a contiguous county. If the 56407  
application is for a permit to open a new solid waste facility, 56408  
the director shall hold the hearing not less than fourteen days 56409  
after the information session. If the application is for a permit 56410  
to modify an existing solid waste facility, the director may hold 56411  
both the information session and the hearing on the same day 56412  
unless any individual affected by the application requests in 56413  
writing that the information session and the hearing not be held 56414  
on the same day, in which case the director shall hold the hearing 56415  
not less than fourteen days after the information session. The 56416  
director shall publish notice of the public information session or 56417  
public hearing not less than thirty days before holding the 56418  
information session or hearing, as applicable. The notice shall be 56419  
published in each newspaper of general circulation that is 56420  
published in the county in which the facility is or is proposed to 56421  
be located. If no newspaper of general circulation is published in 56422  
the county, the director shall publish the notice in a newspaper 56423  
of general circulation in the county. The notice shall contain the 56424  
date, time, and location of the information session or hearing, as 56425  
applicable, and a general description of the proposed new or 56426  
modified facility. At the public information session, an officer 56427  
or employee of the environmental protection agency shall describe 56428  
the status of the permit application and be available to respond 56429  
to comments or questions concerning the application. At the public 56430  
hearing, any person may submit written or oral comments on or 56431  
objections to the approval of the application. The applicant, or a 56432  
representative of the applicant who has knowledge of the location, 56433

construction, and operation of the facility, shall attend the 56434  
information session and public hearing to respond to comments or 56435  
questions concerning the facility directed to the applicant or 56436  
representative by the officer or employee of the environmental 56437  
protection agency presiding at the information session and 56438  
hearing. 56439

(f) The solid waste management policy committee of a county 56440  
or joint solid waste management district may adopt a resolution 56441  
requesting expeditious consideration of a specific application 56442  
submitted under division (A)(2)(a) of this section for a permit to 56443  
modify an existing solid waste facility within the district. The 56444  
resolution shall make the finding that expedited consideration of 56445  
the application without the public information session and public 56446  
hearing under division (A)(2)(e) of this section is in the public 56447  
interest and will not endanger human health, as determined by the 56448  
director by rules adopted in accordance with Chapter 119. of the 56449  
Revised Code. Upon receiving such a resolution, the director, at 56450  
the director's discretion, may issue a final action upon the 56451  
application without holding a public information session or public 56452  
hearing pursuant to division (A)(2)(e) of this section. 56453

~~(3) Except as provided in division (A)(10) of this section, 56454  
and unless the owner or operator of any solid waste facility, 56455  
other than a solid waste transfer facility or a compost facility 56456  
that accepts exclusively source separated yard wastes, that 56457  
commenced operation on or before July 1, 1968, has obtained an 56458  
exemption from the requirements of division (A)(3) of this section 56459  
in accordance with division (G) of section 3734.02 of the Revised 56460  
Code, the owner or operator shall submit to the director an 56461  
application for a permit with accompanying engineering detail 56462  
plans, specifications, and information regarding the facility and 56463

of the following requirements that: 56531

(a) That the owner or operator submit a plan for closure and 56532

county or joint solid waste management district in which the 56542  
facility is located to dispose of or transfer the solid waste 56543

district sufficient solid waste management facility capacity to 56549

commencement of closure will not endanger ground water or any 56552  
property surrounding the facility, allow methane gas migration to 56553

damage. 56555

If an emergency need for disposal capacity that may affect 56556  
public health and safety exists as a result of closure of a 56557  
facility under division (A)~~(6)~~(4) of this section, the director 56558

to ensure that a solid waste facility constructed at the proposed 56567  
location will not cause a nuisance, cause or contribute to water 56568  
pollution, or endanger public health or safety, the director may 56569  
issue a permit for the facility with such terms and conditions as 56570  
the director finds necessary to protect public health and safety 56571

registered under division (C) of section 3734.02 of the Revised 56578  
Code or, unless otherwise provided in rules adopted under division 56579  
(N)(3) of section 3734.02 of the Revised Code, to a solid waste 56580  
compost facility if the director has adopted rules establishing an 56581  
alternative system for authorizing the establishment, operation, 56582  
or modification of a solid waste compost facility under that 56583  
division. 56584

~~(9)~~(7) Divisions (A)(1) to ~~(7)~~(5) of this section do not 56585  
apply to scrap tire collection, storage, monocell, monofill, and 56586  
recovery facilities. The approval of plans and specifications, as 56587  
applicable, and the issuance of registration certificates, 56588  
permits, and licenses for those facilities are subject to sections 56589  
3734.75 to 3734.78 of the Revised Code, as applicable, and section 56590  
3734.81 of the Revised Code. 56591

~~(10) Divisions (A)(3) and (4) of this section do not apply to a solid waste incinerator that was placed into operation on or before October 12, 1994, and that is not authorized to accept and treat infectious wastes pursuant to division (B) of this section.~~

(B)(1) No person shall operate or maintain an infectious waste treatment facility without a license issued by the board of health of the health district in which the facility is located or by the director when the health district in which the facility is located is not on the approved list under section 3734.08 of the Revised Code.

(2)(a) During the month of December, but before the first day of January of the next year, every person proposing to continue to operate an existing infectious waste treatment facility shall procure a license to operate the facility for that year from the board of health of the health district in which the facility is located or, if the health district is not on the approved list under section 3734.08 of the Revised Code, from the director. The application for such a license shall be submitted to the board of health or to the director, as appropriate, on or before the last day of September of the year preceding that for which the license is sought. In addition to the application fee prescribed in division (B)(2)(c) of this section, a person who submits an application after that date shall pay an additional ten per cent of the amount of the application fee for each week that the application is late. Late payment fees accompanying an application submitted to the board of health shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code, and late payment fees accompanying an application submitted to the director shall be credited to the general revenue fund. A person who has received a license, upon sale or disposition of an infectious waste treatment facility and upon consent of the board of health and the director,

may have the license transferred to another person. The board of 56624  
health or the director may include such terms and conditions in a 56625  
license or revision to a license as are appropriate to ensure 56626  
compliance with the infectious waste provisions of this chapter 56627  
and rules adopted under them. 56628

(b) Each person proposing to open a new infectious waste 56629  
treatment facility or to modify an existing infectious waste 56630  
treatment facility shall submit an application for a permit with 56631  
accompanying detail plans and specifications to the environmental 56632  
protection agency for required approval under the rules adopted by 56633  
the director pursuant to section 3734.021 of the Revised Code two 56634  
hundred seventy days before proposed operation of the facility and 56635  
concurrently shall make application for a license with the board 56636  
of health of the health district in which the facility is or is 56637  
proposed to be located. Not later than ninety days after receiving 56638  
a complete application under division (B)(2)(b) of this section 56639  
for a permit to open a new infectious waste treatment facility or 56640  
modify an existing infectious waste treatment facility to expand 56641  
its treatment capacity, or receiving a complete application under 56642  
division (A)(2)(a) of this section for a permit to open a new 56643  
solid waste incineration facility, or modify an existing solid 56644  
waste incineration facility to also treat infectious wastes or to 56645  
increase its infectious waste treatment capacity, that pertains to 56646  
a facility for which a notation authorizing infectious waste 56647  
treatment is included or proposed to be included in the solid 56648  
waste incineration facility's license pursuant to division (B)(3) 56649  
of this section, the director shall hold a public hearing on the 56650  
application within the county in which the new or modified 56651  
infectious waste or solid waste facility is or is proposed to be 56652  
located or within a contiguous county. Not less than thirty days 56653  
before holding the public hearing on the application, the director 56654  
shall publish notice of the hearing in each newspaper that has 56655  
general circulation and that is published in the county in which 56656

the facility is or is proposed to be located. If there is no newspaper that has general circulation and that is published in the county, the director shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public hearing and a general description of the proposed new or modified facility. At the public hearing, any person may submit written or oral comments on or objections to the approval or disapproval of the application. The applicant, or a representative of the applicant who has knowledge of the location, construction, and operation of the facility, shall attend the public hearing to respond to comments or questions concerning the facility directed to the applicant or representative by the officer or employee of the environmental protection agency presiding at the hearing.

(c) Each application for a permit under division (B)(2)(b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (B)(2)(a) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (C) of section 3734.06 of the Revised Code.

(d) The director may issue an order in accordance with 56689  
Chapter 3745. of the Revised Code to the owner or operator of an 56690  
infectious waste treatment facility requiring the person to submit 56691  
to the director updated engineering detail plans, specifications, 56692  
and information regarding the facility and its method of operation 56693  
for approval under rules adopted under section 3734.021 of the 56694  
Revised Code if, in the director's judgment, conditions at the 56695  
facility constitute a substantial threat to public health or 56696  
safety or are causing or contributing to or threatening to cause 56697  
or contribute to air or water pollution or soil contamination. Any 56698  
person who receives such an order shall submit the updated 56699  
engineering detail plans, specifications, and information to the 56700  
director within one hundred eighty days after the effective date 56701  
of the order. 56702

(e) The director shall act on any updated engineering plans, 56703  
specifications, and information submitted under division (B)(2)(d) 56704  
of this section within one hundred eighty days after receiving 56705  
them. If the director disapproves any such updated engineering 56706  
plans, specifications, and information, the director shall include 56707  
in the order disapproving the plans the requirement that the owner 56708  
or operator cease accepting infectious wastes for treatment at the 56709  
facility. 56710

(3) Division (B) of this section does not apply to a 56711  
generator of infectious wastes that meets any of the following 56712  
conditions: 56713

(a) Treats, by methods, techniques, and practices established 56714  
by rules adopted under division (B)(2)(a) of section 3734.021 of 56715  
the Revised Code, any of the following wastes: 56716

(i) Infectious wastes that are generated on any premises that 56717  
are owned or operated by the generator; 56718

(ii) Infectious wastes that are generated by a generator who 56719

has staff privileges at a hospital as defined in section 3727.01 56720  
of the Revised Code; 56721

(iii) Infectious wastes that are generated in providing care 56722  
to a patient by an emergency medical services organization as 56723  
defined in section 4765.01 of the Revised Code. 56724

(b) Holds a license or renewal of a license to operate a 56725  
crematory facility issued under Chapter 4717. and a permit issued 56726  
under Chapter 3704. of the Revised Code; 56727

(c) Treats or disposes of dead animals or parts thereof, or 56728  
the blood of animals, and is subject to any of the following: 56729

(i) Inspection under the "Federal Meat Inspection Act," 81 56730  
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 56731

(ii) Chapter 918. of the Revised Code; 56732

(iii) Chapter 953. of the Revised Code. 56733

Nothing in division (B) of this section requires a facility 56734  
that holds a license issued under division (A) of this section as 56735  
a solid waste facility and that also treats infectious wastes by 56736  
the same method, technique, or process to obtain a license under 56737  
division (B) of this section as an infectious waste treatment 56738  
facility. However, the solid waste facility license for the 56739  
facility shall include the notation that the facility also treats 56740  
infectious wastes. 56741

The director shall not issue a permit to open a new solid 56742  
waste incineration facility unless the proposed facility complies 56743  
with the requirements for the location of new infectious waste 56744  
incineration facilities established in rules adopted under 56745  
division (B)(2)(b) of section 3734.021 of the Revised Code. 56746

(C) Except for a facility or activity described in division 56747  
(E)(3) of section 3734.02 of the Revised Code, a person who 56748  
proposes to establish or operate a hazardous waste facility shall 56749

submit a complete application for a hazardous waste facility 56750  
installation and operation permit and accompanying detail plans, 56751  
specifications, and such information as the director may require 56752  
to the environmental protection agency at least one hundred eighty 56753  
days before the proposed beginning of operation of the facility. 56754  
The applicant shall notify by certified mail the legislative 56755  
authority of each municipal corporation, township, and county in 56756  
which the facility is proposed to be located of the submission of 56757  
the application within ten days after the submission or at such 56758  
earlier time as the director may establish by rule. If the 56759  
application is for a proposed new hazardous waste disposal or 56760  
thermal treatment facility, the applicant also shall give actual 56761  
notice of the general design and purpose of the facility to the 56762  
legislative authority of each municipal corporation, township, and 56763  
county in which the facility is proposed to be located at least 56764  
ninety days before the permit application is submitted to the 56765  
environmental protection agency. 56766

In accordance with rules adopted under section 3734.12 of the 56767  
Revised Code, prior to the submission of a complete application 56768  
for a hazardous waste facility installation and operation permit, 56769  
the applicant shall hold at least one meeting in the township or 56770  
municipal corporation in which the facility is proposed to be 56771  
located, whichever is geographically closer to the proposed 56772  
location of the facility. The meeting shall be open to the public 56773  
and shall be held to inform the community of the proposed 56774  
hazardous waste management activities and to solicit questions 56775  
from the community concerning the activities. 56776

(D)(1) Except as provided in section 3734.123 of the Revised 56777  
Code, upon receipt of a complete application for a hazardous waste 56778  
facility installation and operation permit under division (C) of 56779  
this section, the director shall consider the application and 56780  
accompanying information to determine whether the application 56781

complies with agency rules and the requirements of division (D)(2) 56782  
of this section. After making a determination, the director shall 56783  
issue either a draft permit or a notice of intent to deny the 56784  
permit. The director, in accordance with rules adopted under 56785  
section 3734.12 of the Revised Code or with rules adopted to 56786  
implement Chapter 3745. of the Revised Code, shall provide public 56787  
notice of the application and the draft permit or the notice of 56788  
intent to deny the permit, provide an opportunity for public 56789  
comments, and, if significant interest is shown, schedule a public 56790  
meeting in the county in which the facility is proposed to be 56791  
located and give public notice of the date, time, and location of 56792  
the public meeting in a newspaper of general circulation in that 56793  
county. 56794

(2) The director shall not approve an application for a 56795  
hazardous waste facility installation and operation permit or an 56796  
application for a modification under division (I)(3) of this 56797  
section unless the director finds and determines as follows: 56798

(a) The nature and volume of the waste to be treated, stored, 56799  
or disposed of at the facility; 56800

(b) That the facility complies with the director's hazardous 56801  
waste standards adopted pursuant to section 3734.12 of the Revised 56802  
Code; 56803

(c) That the facility represents the minimum adverse 56804  
environmental impact, considering the state of available 56805  
technology and the nature and economics of various alternatives, 56806  
and other pertinent considerations; 56807

(d) That the facility represents the minimum risk of all of 56808  
the following: 56809

(i) Fires or explosions from treatment, storage, or disposal 56810  
methods; 56811

(ii) Release of hazardous waste during transportation of 56812

hazardous waste to or from the facility; 56813

(iii) Adverse impact on the public health and safety. 56814

(e) That the facility will comply with this chapter and 56815  
Chapters 3704. and 6111. of the Revised Code and all rules and 56816  
standards adopted under them; 56817

(f) That if the owner of the facility, the operator of the 56818  
facility, or any other person in a position with the facility from 56819  
which the person may influence the installation and operation of 56820  
the facility has been involved in any prior activity involving 56821  
transportation, treatment, storage, or disposal of hazardous 56822  
waste, that person has a history of compliance with this chapter 56823  
and Chapters 3704. and 6111. of the Revised Code and all rules and 56824  
standards adopted under them, the "Resource Conservation and 56825  
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 56826  
amended, and all regulations adopted under it, and similar laws 56827  
and rules of other states if any such prior operation was located 56828  
in another state that demonstrates sufficient reliability, 56829  
expertise, and competency to operate a hazardous waste facility 56830  
under the applicable provisions of this chapter and Chapters 3704. 56831  
and 6111. of the Revised Code, the applicable rules and standards 56832  
adopted under them, and terms and conditions of a hazardous waste 56833  
facility installation and operation permit, given the potential 56834  
for harm to the public health and safety and the environment that 56835  
could result from the irresponsible operation of the facility. For 56836  
off-site facilities, as defined in section 3734.41 of the Revised 56837  
Code, the director may use the investigative reports of the 56838  
attorney general prepared pursuant to section 3734.42 of the 56839  
Revised Code as a basis for making a finding and determination 56840  
under division (D)(2)(f) of this section. 56841

(g) That the active areas within a new hazardous waste 56842  
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 56843  
(e), as amended, or organic waste that is toxic and is listed 56844

under 40 C.F.R. 261, as amended, is being stored, treated, or 56845  
disposed of and where the aggregate of the storage design capacity 56846  
and the disposal design capacity of all hazardous waste in those 56847  
areas is greater than two hundred fifty thousand gallons, are not 56848  
located or operated within any of the following: 56849

(i) Two thousand feet of any residence, school, hospital, 56850  
jail, or prison; 56851

(ii) Any naturally occurring wetland; 56852

(iii) Any flood hazard area if the applicant cannot show that 56853  
the facility will be designed, constructed, operated, and 56854  
maintained to prevent washout by a one-hundred-year flood. 56855

Division (D)(2)(g) of this section does not apply to the 56856  
facility of any applicant who demonstrates to the director that 56857  
the limitations specified in that division are not necessary 56858  
because of the nature or volume of the waste and the manner of 56859  
management applied, the facility will impose no substantial danger 56860  
to the health and safety of persons occupying the structures 56861  
listed in division (D)(2)(g)(i) of this section, and the facility 56862  
is to be located or operated in an area where the proposed 56863  
hazardous waste activities will not be incompatible with existing 56864  
land uses in the area. 56865

(h) That the facility will not be located within the 56866  
boundaries of a state park established or dedicated under Chapter 56867  
1546. of the Revised Code, a state park purchase area established 56868  
under section 1546.06 of the Revised Code, any unit of the 56869  
national park system, or any property that lies within the 56870  
boundaries of a national park or recreation area, but that has not 56871  
been acquired or is not administered by the secretary of the 56872  
United States department of the interior, located in this state, 56873  
or any candidate area located in this state identified for 56874  
potential inclusion in the national park system in the edition of 56875

the "national park system plan" submitted under paragraph (b) of 56876  
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 56877  
U.S.C.A. 1a-5, as amended, current at the time of filing of the 56878  
application for the permit, unless the facility will be used 56879  
exclusively for the storage of hazardous waste generated within 56880  
the park or recreation area in conjunction with the operation of 56881  
the park or recreation area. Division (D)(2)(h) of this section 56882  
does not apply to the facility of any applicant for modification 56883  
of a permit unless the modification application proposes to 56884  
increase the land area included in the facility or to increase the 56885  
quantity of hazardous waste that will be treated, stored, or 56886  
disposed of at the facility. 56887

(3) Not later than one hundred eighty days after the end of 56888  
the public comment period, the director, without prior hearing, 56889  
shall issue or deny the permit in accordance with Chapter 3745. of 56890  
the Revised Code. If the director approves an application for a 56891  
hazardous waste facility installation and operation permit, the 56892  
director shall issue the permit, upon such terms and conditions as 56893  
the director finds are necessary to ensure the construction and 56894  
operation of the hazardous waste facility in accordance with the 56895  
standards of this section. 56896

(E) No political subdivision of this state shall require any 56897  
additional zoning or other approval, consent, permit, certificate, 56898  
or condition for the construction or operation of a hazardous 56899  
waste facility authorized by a hazardous waste facility 56900  
installation and operation permit issued pursuant to this chapter, 56901  
nor shall any political subdivision adopt or enforce any law, 56902  
ordinance, or rule that in any way alters, impairs, or limits the 56903  
authority granted in the permit. 56904

(F) The director may issue a single hazardous waste facility 56905  
installation and operation permit to a person who operates two or 56906  
more adjoining facilities where hazardous waste is stored, 56907

treated, or disposed of if the application includes detail plans, 56908  
specifications, and information on all facilities. For the 56909  
purposes of this section, "adjoining" means sharing a common 56910  
boundary, separated only by a public road, or in such proximity 56911  
that the director determines that the issuance of a single permit 56912  
will not create a hazard to the public health or safety or the 56913  
environment. 56914

(G) No person shall falsify or fail to keep or submit any 56915  
plans, specifications, data, reports, records, manifests, or other 56916  
information required to be kept or submitted to the director by 56917  
this chapter or the rules adopted under it. 56918

(H)(1) Each person who holds an installation and operation 56919  
permit issued under this section and who wishes to obtain a permit 56920  
renewal shall submit a completed application for an installation 56921  
and operation permit renewal and any necessary accompanying 56922  
general plans, detail plans, specifications, and such information 56923  
as the director may require to the director no later than one 56924  
hundred eighty days prior to the expiration date of the existing 56925  
permit or upon a later date prior to the expiration of the 56926  
existing permit if the permittee can demonstrate good cause for 56927  
the late submittal. The director shall consider the application 56928  
and accompanying information, inspection reports of the facility, 56929  
results of performance tests, a report regarding the facility's 56930  
compliance or noncompliance with the terms and conditions of its 56931  
permit and rules adopted by the director under this chapter, and 56932  
such other information as is relevant to the operation of the 56933  
facility and shall issue a draft renewal permit or a notice of 56934  
intent to deny the renewal permit. The director, in accordance 56935  
with rules adopted under this section or with rules adopted to 56936  
implement Chapter 3745. of the Revised Code, shall give public 56937  
notice of the application and draft renewal permit or notice of 56938  
intent to deny the renewal permit, provide for the opportunity for 56939

public comments within a specified time period, schedule a public meeting in the county in which the facility is located if significant interest is shown, and give public notice of the public meeting.

(2) Within sixty days after the public meeting or close of the public comment period, the director, without prior hearing, shall issue or deny the renewal permit in accordance with Chapter 3745. of the Revised Code. The director shall not issue a renewal permit unless the director determines that the facility under the existing permit has a history of compliance with this chapter, rules adopted under it, the existing permit, or orders entered to enforce such requirements that demonstrates sufficient reliability, expertise, and competency to operate the facility henceforth under this chapter, rules adopted under it, and the renewal permit. If the director approves an application for a renewal permit, the director shall issue the permit subject to the payment of the annual permit fee required under division (E) of section 3734.02 of the Revised Code and upon such terms and conditions as the director finds are reasonable to ensure that continued operation, maintenance, closure, and post-closure care of the hazardous waste facility are in accordance with the rules adopted under section 3734.12 of the Revised Code.

(3) An installation and operation permit renewal application submitted to the director that also contains or would constitute an application for a modification shall be acted upon by the director in accordance with division (I) of this section in the same manner as an application for a modification. In approving or disapproving the renewal portion of a permit renewal application containing an application for a modification, the director shall apply the criteria established under division (H)(2) of this section.

(4) An application for renewal or modification of a permit

that does not contain an application for a modification as 56972  
described in divisions (I)(3)(a) to (d) of this section shall not 56973  
be subject to division (D)(2) of this section. 56974

(I)(1) As used in this section, "modification" means a change 56975  
or alteration to a hazardous waste facility or its operations that 56976  
is inconsistent with or not authorized by its existing permit or 56977  
authorization to operate. Modifications shall be classified as 56978  
Class 1, 2, or 3 modifications in accordance with rules adopted 56979  
under division (K) of this section. Modifications classified as 56980  
Class 3 modifications, in accordance with rules adopted under that 56981  
division, shall be further classified by the director as either 56982  
Class 3 modifications that are to be approved or disapproved by 56983  
the director under divisions (I)(3)(a) to (d) of this section or 56984  
as Class 3 modifications that are to be approved or disapproved by 56985  
the director under division (I)(5) of this section. Not later than 56986  
thirty days after receiving a request for a modification under 56987  
division (I)(4) of this section that is not listed in Appendix I 56988  
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 56989  
section, the director shall classify the modification and shall 56990  
notify the owner or operator of the facility requesting the 56991

alterations, additions, deletions, or activities that are 57007  
inconsistent with or not authorized by the existing permit; 57008

(b) New information or data justify permit conditions in 57009

permit; 57016

(d) The permittee proposes to transfer the permit to another 57017  
person. 57018

waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 57062  
previously authorized to treat, store, or dispose of those types 57063  
of wastes by the facility's permit unless the requested authority 57064  
is limited to wastes that no longer exhibit characteristics 57065  
meeting the criteria for listing or characterization as reactive 57066

or explosive wastes, or for listing as acute hazardous waste, but 57067

the information provided by an applicant, permittee, or 57536

exceed fees that are charged to any other person who is charged 57544  
fees for purposes of the database established under that section 57545  
and who is not an officer, director, partner, or key employee of 57546  
an applicant, permittee, or prospective owner under this section. 57547

(F)(1) Every ~~three~~ five years, the attorney general shall 57548  
request from the federal bureau of investigation any information 57549  
regarding a criminal conviction with respect to each officer, 57550  
director, partner, or key employee of an applicant, permittee, or 57551

necessary for purposes of this division, including, as necessary, 57553  
requesting the submission of any necessary documents authorizing 57554  
the release of information. 57555

(2) Every ~~three~~ five years, an applicant, permittee, or 57556  
prospective owner shall submit an affidavit listing all of the 57557  
following regarding a business concern required to be listed in 57558

determined to be liable or was the subject of injunctive relief or 57566  
another type of civil relief in connection with any violation of 57567  
any federal or state environmental protection laws, rules, or 57568  
regulations during the previous ~~three-year~~ five-year period; 57569

(c) Any criminal conviction for a violation of any federal or 57570  
state environmental protection laws, rules, or regulations that 57571

(G) With respect to an applicant, permittee, or prospective 57574

environmental protection of any crime ascertained under division 57576  
(E) or (F) of this section that is a disqualifying crime under 57577  
section 3734.44 of the Revised Code. The attorney general shall 57578  
provide the notification not later than thirty days after the 57579  
crime was ascertained. 57580

(H) The failure to provide information under this section may 57581  
constitute the basis for the revocation of a permit or license, 57582  
the denial of a permit or license application, the denial of a 57583  
renewal of a permit or license, or the disapproval of a change in 57584  
ownership as described in division (I) of this section. Prior to a 57585  
denial, revocation, or disapproval, the director shall notify the 57586  
applicant, permittee, or prospective owner of the director's 57587  
intention to do so. The director shall give the applicant, 57588  
permittee, or prospective owner fourteen days from the date of the 57589  
notice to explain why the information was not provided. The 57590  
director shall consider the explanation when determining whether 57591  
to revoke the permit or license, deny the permit or license 57592  
application or renewal, or disapprove the change in ownership. 57593

Nothing in this section affects the rights of the director or 57594  
the attorney general granted under sections 3734.40 to 3734.47 of 57595  
the Revised Code to request information from a person at any other 57596  
time. 57597

(I)(1) Whenever there is a change in ownership of any 57598  
operating off-site solid waste facility, any operating off-site 57599  
infectious waste facility, or any operating off-site hazardous 57600  
waste facility, the prospective owner shall file a disclosure 57601  
statement with the attorney general and the director at least one 57602  
hundred eighty days prior to the proposed change in ownership. In 57603

addition, whenever there is a change in ownership of any operating 57604  
on-site solid waste facility, any operating on-site infectious 57605  
waste facility, or any operating on-site hazardous waste facility 57606  
and the prospective owner intends to operate the facility as an 57607  
off-site facility by accepting wastes other than wastes generated 57608  
by the facility owner, the prospective owner shall file a 57609  
disclosure statement with the attorney general and the director. 57610  
The prospective owner shall file the disclosure statement at least 57611  
one hundred eighty days prior to the proposed change in ownership. 57612

Upon receipt of the disclosure statement, the attorney 57613  
general shall prepare an investigative report and transmit it to 57614  
the director. The director shall review the disclosure statement 57615  
and investigative report to determine whether the statement or 57616  
report contains information that if submitted with a permit 57617  
application would require a denial of the permit pursuant to 57618  
section 3734.44 of the Revised Code. If the director determines 57619  
that the statement or report contains such information, the 57620  
director shall disapprove the change in ownership. 57621

(2) If the parties to a change in ownership decide to proceed 57622  
with the change prior to the action of the director on the 57623  
disclosure statement and investigative report, the parties shall 57624  
include in all contracts or other documents reflecting the change 57625  
in ownership language expressly making the change in ownership 57626  
subject to the approval of the director and expressly negating the 57627  
change if it is disapproved by the director pursuant to division 57628  
(I)(1) of this section. 57629

(3) As used in this section, "change in ownership" includes a 57630  
change of the individuals or entities who own a solid waste 57631  
facility, infectious waste facility, or hazardous waste facility. 57632  
"Change in ownership" does not include a legal change in a 57633  
business concern's name when its ownership otherwise remains the 57634  
same. "Change in ownership" also does not include a personal name 57635

change of officers, directors, partners, or key employees 57636  
contained in a disclosure statement. 57637

fund created in section 3734.18 of the Revised Code and seventy 57643  
cents of the proceeds of which shall be deposited in the state 57644

section 3734.061 of the Revised Code. 57650

(3) An additional two dollars and eighty-five cents per ton 57651  
through June 30, ~~2018~~ 2020, the proceeds of which shall be 57652

protection fund created in section 3745.015 of the Revised Code; 57654

(4) An additional twenty-five cents per ton through June 30, 57655  
~~2018~~ 2020, the proceeds of which shall be deposited in the state 57656  
treasury to the credit of the soil and water conservation district 57657  
assistance fund created in section 940.15 of the Revised Code. 57658

In the case of solid wastes that are taken to a solid waste 57659  
transfer facility located in this state prior to being transported 57660  
for disposal at a solid waste disposal facility located in this 57661  
state or outside of this state, the fees levied under this 57662  
division shall be collected by the owner or operator of the 57663  
transfer facility as a trustee for the state. The amount of fees 57664  
required to be collected under this division at such a transfer 57665

facility shall equal the total tonnage of solid wastes received at 57666  
the facility multiplied by the fees levied under this division. In 57667  
the case of solid wastes that are not taken to a solid waste 57668  
transfer facility located in this state prior to being transported 57669  
to a solid waste disposal facility, the fees shall be collected by 57670  
the owner or operator of the solid waste disposal facility as a 57671  
trustee for the state. The amount of fees required to be collected 57672  
under this division at such a disposal facility shall equal the 57673  
total tonnage of solid wastes received at the facility that was 57674  
not previously taken to a solid waste transfer facility located in 57675  
this state multiplied by the fees levied under this division. Fees 57676  
levied under this division do not apply to materials separated 57677  
from a mixed waste stream for recycling by a generator or 57678  
materials removed from the solid waste stream through recycling, 57679  
as "recycling" is defined in rules adopted under section 3734.02 57680  
of the Revised Code. 57681

The owner or operator of a solid waste transfer facility or 57682  
disposal facility, as applicable, shall prepare and file with the 57683  
director of environmental protection each month a return 57684  
indicating the total tonnage of solid wastes received at the 57685  
facility during that month and the total amount of the fees 57686  
required to be collected under this division during that month. In 57687  
addition, the owner or operator of a solid waste disposal facility 57688  
shall indicate on the return the total tonnage of solid wastes 57689  
received from transfer facilities located in this state during 57690  
that month for which the fees were required to be collected by the 57691  
transfer facilities. The monthly returns shall be filed on a form 57692  
prescribed by the director. Not later than thirty days after the 57693  
last day of the month to which a return applies, the owner or 57694  
operator shall mail to the director the return for that month 57695  
together with the fees required to be collected under this 57696  
division during that month as indicated on the return or may 57697  
submit the return and fees electronically in a manner approved by 57698

the director. If the return is filed and the amount of the fees 57699  
due is paid in a timely manner as required in this division, the 57700  
owner or operator may retain a discount of three-fourths of one 57701  
per cent of the total amount of the fees that are required to be 57702  
paid as indicated on the return. 57703

The owner or operator may request an extension of not more 57704  
than thirty days for filing the return and remitting the fees, 57705  
provided that the owner or operator has submitted such a request 57706  
in writing to the director together with a detailed description of 57707  
why the extension is requested, the director has received the 57708  
request not later than the day on which the return is required to 57709  
be filed, and the director has approved the request. If the fees 57710  
are not remitted within thirty days after the last day of the 57711  
month to which the return applies or are not remitted by the last 57712  
day of an extension approved by the director, the owner or 57713  
operator shall not retain the three-fourths of one per cent 57714  
discount and shall pay an additional ten per cent of the amount of 57715  
the fees for each month that they are late. For purposes of 57716  
calculating the late fee, the first month in which fees are late 57717  
begins on the first day after the deadline has passed for timely 57718  
submitting the return and fees, and one additional month shall be 57719  
counted every thirty days thereafter. 57720

The owner or operator of a solid waste facility may request a 57721  
refund or credit of fees levied under this division and remitted 57722  
to the director that have not been paid to the owner or operator. 57723  
Such a request shall be made only if the fees have not been 57724  
collected by the owner or operator, have become a debt that has 57725  
become worthless or uncollectable for a period of six months or 57726  
more, and may be claimed as a deduction, including a deduction 57727  
claimed if the owner or operator keeps accounts on an accrual 57728  
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 57729  
U.S.C. 166, as amended, and regulations adopted under it. Prior to 57730

making a request for a refund or credit, an owner or operator 57731  
shall make reasonable efforts to collect the applicable fees. A 57732  
request for a refund or credit shall not include any costs 57733  
resulting from those efforts to collect unpaid fees. 57734

A request for a refund or credit of fees shall be made in 57735  
writing, on a form prescribed by the director, and shall be 57736  
supported by evidence that may be required in rules adopted by the 57737  
director under this chapter. After reviewing the request, and if 57738  
the request and evidence submitted with the request indicate that 57739  
a refund or credit is warranted, the director shall grant a refund 57740  
to the owner or operator or shall permit a credit to be taken by 57741  
the owner or operator on a subsequent monthly return submitted by 57742  
the owner or operator. The amount of a refund or credit shall not 57743  
exceed an amount that is equal to ninety days' worth of fees owed 57744  
to an owner or operator by a particular debtor of the owner or 57745  
operator. A refund or credit shall not be granted by the director 57746  
to an owner or operator more than once in any twelve-month period 57747  
for fees owed to the owner or operator by a particular debtor. 57748

If, after receiving a refund or credit from the director, an 57749  
owner or operator receives payment of all or part of the fees, the 57750  
owner or operator shall remit the fees with the next monthly 57751  
return submitted to the director together with a written 57752  
explanation of the reason for the submittal. 57753

For purposes of computing the fees levied under this division 57754  
or division (B) of this section, any solid waste transfer or 57755  
disposal facility that does not use scales as a means of 57756  
determining gate receipts shall use a conversion factor of three 57757  
cubic yards per ton of solid waste or one cubic yard per ton for 57758  
baled waste, as applicable. 57759

The fees levied under this division and divisions (B) and (C) 57760  
of this section are in addition to all other applicable fees and 57761  
taxes and shall be paid by the customer or a political subdivision 57762

to the owner or operator of a solid waste transfer or disposal 57763  
facility. In the alternative, the fees shall be paid by a customer 57764  
or political subdivision to a transporter of waste who 57765  
subsequently transfers the fees to the owner or operator of such a 57766  
facility. The fees shall be paid notwithstanding the existence of 57767  
any provision in a contract that the customer or a political 57768  
subdivision may have with the owner or operator or with a 57769  
transporter of waste to the facility that would not require or 57770  
allow such payment regardless of whether the contract was entered 57771  
prior to or after October 16, 2009. For those purposes, "customer" 57772  
means a person who contracts with, or utilizes the solid waste 57773  
services of, the owner or operator of a solid waste transfer or 57774  
disposal facility or a transporter of solid waste to such a 57775  
facility. 57776

(B) For the purposes specified in division (G) of this 57777  
section, the solid waste management policy committee of a county 57778  
or joint solid waste management district may levy fees upon the 57779  
following activities: 57780

(1) The disposal at a solid waste disposal facility located 57781  
in the district of solid wastes generated within the district; 57782

(2) The disposal at a solid waste disposal facility within 57783  
the district of solid wastes generated outside the boundaries of 57784  
the district, but inside this state; 57785

(3) The disposal at a solid waste disposal facility within 57786  
the district of solid wastes generated outside the boundaries of 57787  
this state. 57788

The solid waste management plan of the county or joint 57789  
district approved under section 3734.521 or 3734.55 of the Revised 57790  
Code and any amendments to it, or the resolution adopted under 57791  
this division, as appropriate, shall establish the rates of the 57792  
fees levied under divisions (B)(1), (2), and (3) of this section, 57793

if any, and shall specify whether the fees are levied on the basis 57794  
of tons or cubic yards as the unit of measurement. A solid waste 57795  
management district that levies fees under this division on the 57796  
basis of cubic yards shall do so in accordance with division (A) 57797  
of this section. 57798

The fee levied under division (B)(1) of this section shall be 57799  
not less than one dollar per ton nor more than two dollars per 57800  
ton, the fee levied under division (B)(2) of this section shall be 57801  
not less than two dollars per ton nor more than four dollars per 57802  
ton, and the fee levied under division (B)(3) of this section 57803  
shall be not more than the fee levied under division (B)(1) of 57804  
this section. 57805

Prior to the approval of the solid waste management plan of a 57806  
district under section 3734.55 of the Revised Code, the solid 57807  
waste management policy committee of a district may levy fees 57808  
under this division by adopting a resolution establishing the 57809  
proposed amount of the fees. Upon adopting the resolution, the 57810  
committee shall deliver a copy of the resolution to the board of 57811  
county commissioners of each county forming the district and to 57812  
the legislative authority of each municipal corporation and 57813  
township under the jurisdiction of the district and shall prepare 57814  
and publish the resolution and a notice of the time and location 57815  
where a public hearing on the fees will be held. Upon adopting the 57816  
resolution, the committee shall deliver written notice of the 57817  
adoption of the resolution; of the amount of the proposed fees; 57818  
and of the date, time, and location of the public hearing to the 57819  
director and to the fifty industrial, commercial, or institutional 57820  
generators of solid wastes within the district that generate the 57821  
largest quantities of solid wastes, as determined by the 57822  
committee, and to their local trade associations. The committee 57823  
shall make good faith efforts to identify those generators within 57824  
the district and their local trade associations, but the 57825

nonprovision of notice under this division to a particular 57826  
generator or local trade association does not invalidate the 57827  
proceedings under this division. The publication shall occur at 57828  
least thirty days before the hearing. After the hearing, the 57829  
committee may make such revisions to the proposed fees as it 57830  
considers appropriate and thereafter, by resolution, shall adopt 57831  
the revised fee schedule. Upon adopting the revised fee schedule, 57832  
the committee shall deliver a copy of the resolution doing so to 57833  
the board of county commissioners of each county forming the 57834  
district and to the legislative authority of each municipal 57835  
corporation and township under the jurisdiction of the district. 57836  
Within sixty days after the delivery of a copy of the resolution 57837  
adopting the proposed revised fees by the policy committee, each 57838  
such board and legislative authority, by ordinance or resolution, 57839  
shall approve or disapprove the revised fees and deliver a copy of 57840  
the ordinance or resolution to the committee. If any such board or 57841  
legislative authority fails to adopt and deliver to the policy 57842  
committee an ordinance or resolution approving or disapproving the 57843  
revised fees within sixty days after the policy committee 57844  
delivered its resolution adopting the proposed revised fees, it 57845  
shall be conclusively presumed that the board or legislative 57846  
authority has approved the proposed revised fees. The committee 57847  
shall determine if the resolution has been ratified in the same 57848  
manner in which it determines if a draft solid waste management 57849  
plan has been ratified under division (B) of section 3734.55 of 57850  
the Revised Code. 57851

The committee may amend the schedule of fees levied pursuant 57852  
to a resolution adopted and ratified under this division by 57853  
adopting a resolution establishing the proposed amount of the 57854  
amended fees. The committee may repeal the fees levied pursuant to 57855  
such a resolution by adopting a resolution proposing to repeal 57856  
them. Upon adopting such a resolution, the committee shall proceed 57857  
to obtain ratification of the resolution in accordance with this 57858

division. 57859

Not later than fourteen days after declaring the new fees to 57860  
be ratified or the fees to be repealed under this division, the 57861  
committee shall notify by certified mail the owner or operator of 57862  
each solid waste disposal facility that is required to collect the 57863  
fees of the ratification and the amount of the fees or of the 57864  
repeal of the fees. Collection of any fees shall commence or 57865  
collection of repealed fees shall cease on the first day of the 57866  
second month following the month in which notification is sent to 57867  
the owner or operator. 57868

Fees levied under this division also may be established, 57869  
amended, or repealed by a solid waste management policy committee 57870  
through the adoption of a new district solid waste management 57871  
plan, the adoption of an amended plan, or the amendment of the 57872  
plan or amended plan in accordance with sections 3734.55 and 57873  
3734.56 of the Revised Code or the adoption or amendment of a 57874  
district plan in connection with a change in district composition 57875  
under section 3734.521 of the Revised Code. 57876

Not later than fourteen days after the director issues an 57877  
order approving a district's solid waste management plan, amended 57878  
plan, or amendment to a plan or amended plan that establishes, 57879  
amends, or repeals a schedule of fees levied by the district, the 57880  
committee shall notify by certified mail the owner or operator of 57881  
each solid waste disposal facility that is required to collect the 57882  
fees of the approval of the plan or amended plan, or the amendment 57883  
to the plan, as appropriate, and the amount of the fees, if any. 57884  
In the case of an initial or amended plan approved under section 57885  
3734.521 of the Revised Code in connection with a change in 57886  
district composition, other than one involving the withdrawal of a 57887  
county from a joint district, the committee, within fourteen days 57888  
after the change takes effect pursuant to division (G) of that 57889  
section, shall notify by certified mail the owner or operator of 57890

each solid waste disposal facility that is required to collect the 57891  
fees that the change has taken effect and of the amount of the 57892  
fees, if any. Collection of any fees shall commence or collection 57893  
of repealed fees shall cease on the first day of the second month 57894  
following the month in which notification is sent to the owner or 57895  
operator. 57896

If, in the case of a change in district composition involving 57897  
the withdrawal of a county from a joint district, the director 57898  
completes the actions required under division (G)(1) or (3) of 57899  
section 3734.521 of the Revised Code, as appropriate, forty-five 57900  
days or more before the beginning of a calendar year, the policy 57901  
committee of each of the districts resulting from the change that 57902  
obtained the director's approval of an initial or amended plan in 57903  
connection with the change, within fourteen days after the 57904  
director's completion of the required actions, shall notify by 57905  
certified mail the owner or operator of each solid waste disposal 57906  
facility that is required to collect the district's fees that the 57907  
change is to take effect on the first day of January immediately 57908  
following the issuance of the notice and of the amount of the fees 57909  
or amended fees levied under divisions (B)(1) to (3) of this 57910  
section pursuant to the district's initial or amended plan as so 57911  
approved or, if appropriate, the repeal of the district's fees by 57912  
that initial or amended plan. Collection of any fees set forth in 57913  
such a plan or amended plan shall commence on the first day of 57914  
January immediately following the issuance of the notice. If such 57915  
an initial or amended plan repeals a schedule of fees, collection 57916  
of the fees shall cease on that first day of January. 57917

If, in the case of a change in district composition involving 57918  
the withdrawal of a county from a joint district, the director 57919  
completes the actions required under division (G)(1) or (3) of 57920  
section 3734.521 of the Revised Code, as appropriate, less than 57921  
forty-five days before the beginning of a calendar year, the 57922

director, on behalf of each of the districts resulting from the 57923  
change that obtained the director's approval of an initial or 57924  
amended plan in connection with the change proceedings, shall 57925  
notify by certified mail the owner or operator of each solid waste 57926  
disposal facility that is required to collect the district's fees 57927  
that the change is to take effect on the first day of January 57928  
immediately following the mailing of the notice and of the amount 57929  
of the fees or amended fees levied under divisions (B)(1) to (3) 57930  
of this section pursuant to the district's initial or amended plan 57931  
as so approved or, if appropriate, the repeal of the district's 57932  
fees by that initial or amended plan. Collection of any fees set 57933  
forth in such a plan or amended plan shall commence on the first 57934  
day of the second month following the month in which notification 57935  
is sent to the owner or operator. If such an initial or amended 57936  
plan repeals a schedule of fees, collection of the fees shall 57937  
cease on the first day of the second month following the month in 57938  
which notification is sent to the owner or operator. 57939

If the schedule of fees that a solid waste management 57940  
district is levying under divisions (B)(1) to (3) of this section 57941  
is amended or repealed, the fees in effect immediately prior to 57942  
the amendment or repeal shall continue to be collected until 57943  
collection of the amended fees commences or collection of the 57944  
repealed fees ceases, as applicable, as specified in this 57945  
division. In the case of a change in district composition, money 57946  
so received from the collection of the fees of the former 57947  
districts shall be divided among the resulting districts in 57948  
accordance with division (B) of section 343.012 of the Revised 57949  
Code and the agreements entered into under division (B) of section 57950  
343.01 of the Revised Code to establish the former and resulting 57951  
districts and any amendments to those agreements. 57952

For the purposes of the provisions of division (B) of this 57953  
section establishing the times when newly established or amended 57954

fees levied by a district are required to commence and the 57955  
collection of fees that have been amended or repealed is required 57956  
to cease, "fees" or "schedule of fees" includes, in addition to 57957  
fees levied under divisions (B)(1) to (3) of this section, those 57958  
levied under section 3734.573 or 3734.574 of the Revised Code. 57959

(C) For the purposes of defraying the added costs to a 57960  
municipal corporation or township of maintaining roads and other 57961  
public facilities and of providing emergency and other public 57962  
services, and compensating a municipal corporation or township for 57963  
reductions in real property tax revenues due to reductions in real 57964  
property valuations resulting from the location and operation of a 57965  
solid waste disposal facility within the municipal corporation or 57966  
township, a municipal corporation or township in which such a 57967  
solid waste disposal facility is located may levy a fee of not 57968  
more than twenty-five cents per ton on the disposal of solid 57969  
wastes at a solid waste disposal facility located within the 57970  
boundaries of the municipal corporation or township regardless of 57971  
where the wastes were generated. 57972

The legislative authority of a municipal corporation or 57973  
township may levy fees under this division by enacting an 57974  
ordinance or adopting a resolution establishing the amount of the 57975  
fees. Upon so doing the legislative authority shall mail a 57976  
certified copy of the ordinance or resolution to the board of 57977  
county commissioners or directors of the county or joint solid 57978  
waste management district in which the municipal corporation or 57979  
township is located or, if a regional solid waste management 57980  
authority has been formed under section 343.011 of the Revised 57981  
Code, to the board of trustees of that regional authority, the 57982  
owner or operator of each solid waste disposal facility in the 57983  
municipal corporation or township that is required to collect the 57984  
fee by the ordinance or resolution, and the director of 57985  
environmental protection. Although the fees levied under this 57986

division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the combustion of primarily coal, regardless of whether the disposal facility is located on the premises where the wastes are generated;

(c) Are asbestos or asbestos-containing materials or products disposed of at a construction and demolition debris facility that is licensed under Chapter 3714. of the Revised Code or at a solid waste facility that is licensed under this chapter.

(2) Except as provided in section 3734.571 of the Revised Code, any fees levied under division (B)(1) of this section apply to solid wastes originating outside the boundaries of a county or

joint district that are covered by an agreement for the joint use 58018  
of solid waste facilities entered into under section 343.02 of the 58019  
Revised Code by the board of county commissioners or board of 58020  
directors of the county or joint district where the wastes are 58021  
generated and disposed of. 58022

(3) When solid wastes, other than solid wastes that consist 58023  
of scrap tires, are burned in a disposal facility that is an 58024  
incinerator or energy recovery facility, the fees levied under 58025  
divisions (A), (B), and (C) of this section shall be levied upon 58026  
the disposal of the fly ash and bottom ash remaining after burning 58027  
of the solid wastes and shall be collected by the owner or 58028  
operator of the sanitary landfill where the ash is disposed of. 58029

(4) When solid wastes are delivered to a solid waste transfer 58030  
facility, the fees levied under divisions (B) and (C) of this 58031  
section shall be levied upon the disposal of solid wastes 58032  
transported off the premises of the transfer facility for disposal 58033  
and shall be collected by the owner or operator of the solid waste 58034  
disposal facility where the wastes are disposed of. 58035

(5) The fees levied under divisions (A), (B), and (C) of this 58036  
section do not apply to sewage sludge that is generated by a waste 58037  
water treatment facility holding a national pollutant discharge 58038  
elimination system permit and that is disposed of through 58039  
incineration, land application, or composting or at another 58040  
resource recovery or disposal facility that is not a landfill. 58041

(6) The fees levied under divisions (A), (B), and (C) of this 58042  
section do not apply to solid wastes delivered to a solid waste 58043  
composting facility for processing. When any unprocessed solid 58044  
waste or compost product is transported off the premises of a 58045  
composting facility and disposed of at a landfill, the fees levied 58046  
under divisions (A), (B), and (C) of this section shall be 58047  
collected by the owner or operator of the landfill where the 58048  
unprocessed waste or compost product is disposed of. 58049

(7) When solid wastes that consist of scrap tires are 58050  
processed at a scrap tire recovery facility, the fees levied under 58051  
divisions (A), (B), and (C) of this section shall be levied upon 58052  
the disposal of the fly ash and bottom ash or other solid wastes 58053  
remaining after the processing of the scrap tires and shall be 58054  
collected by the owner or operator of the solid waste disposal 58055  
facility where the ash or other solid wastes are disposed of. 58056

(8) The director of environmental protection may issue an 58057  
order exempting from the fees levied under this section solid 58058  
wastes, including, but not limited to, scrap tires, that are 58059  
generated, transferred, or disposed of as a result of a contract 58060  
providing for the expenditure of public funds entered into by the 58061  
administrator or regional administrator of the United States 58062  
environmental protection agency, the director of environmental 58063  
protection, or the director of administrative services on behalf 58064  
of the director of environmental protection for the purpose of 58065  
remediating conditions at a hazardous waste facility, solid waste 58066  
facility, or other location at which the administrator or regional 58067  
administrator or the director of environmental protection has 58068  
reason to believe that there is a substantial threat to public 58069  
health or safety or the environment or that the conditions are 58070  
causing or contributing to air or water pollution or soil 58071  
contamination. An order issued by the director of environmental 58072  
protection under division (D)(8) of this section shall include a 58073  
determination that the amount of the fees not received by a solid 58074  
waste management district as a result of the order will not 58075  
adversely impact the implementation and financing of the 58076  
district's approved solid waste management plan and any approved 58077  
amendments to the plan. Such an order is a final action of the 58078  
director of environmental protection. 58079

(E) The fees levied under divisions (B) and (C) of this 58080  
section shall be collected by the owner or operator of the solid 58081

waste disposal facility where the wastes are disposed of as a trustee for the county or joint district and municipal corporation or township where the wastes are disposed of. Moneys from the fees levied under division (B) of this section shall be forwarded to the board of county commissioners or board of directors of the district in accordance with rules adopted under division (H) of this section. Moneys from the fees levied under division (C) of this section shall be forwarded to the treasurer or such other officer of the municipal corporation as, by virtue of the charter, has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

(F) Moneys received by the treasurer or other officer of the municipal corporation under division (E) of this section shall be paid into the general fund of the municipal corporation. Moneys received by the fiscal officer of the township under that division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the township fiscal officer, as appropriate, shall maintain separate records of the moneys received from the fees levied under division (C) of this section.

(G) Moneys received by the board of county commissioners or board of directors under division (E) of this section or section 3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code shall be paid to the county treasurer, or other official acting in a similar capacity under a county charter, in a county district or to the county treasurer or other official designated by the board of directors in a joint district and kept in a separate and distinct fund to the credit of the district. If a regional solid waste management authority has been formed under section 343.011 of the Revised Code, moneys received by the board of trustees of that regional authority under division (E) of this section shall be kept by the board in a separate and distinct fund to the credit

of the district. Moneys in the special fund of the county or joint 58114  
district arising from the fees levied under division (B) of this 58115  
section and the fee levied under division (A) of section 3734.573 58116  
of the Revised Code shall be expended by the board of county 58117  
commissioners or directors of the district in accordance with the 58118  
district's solid waste management plan or amended plan approved 58119  
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 58120  
exclusively for the following purposes: 58121

(1) Preparation of the solid waste management plan of the 58122  
district under section 3734.54 of the Revised Code, monitoring 58123  
implementation of the plan, and conducting the periodic review and 58124  
amendment of the plan required by section 3734.56 of the Revised 58125  
Code by the solid waste management policy committee; 58126

(2) Implementation of the approved solid waste management 58127  
plan or amended plan of the district, including, without 58128  
limitation, the development and implementation of solid waste 58129  
recycling or reduction programs; 58130

(3) Providing financial assistance to boards of health within 58131  
the district, if solid waste facilities are located within the 58132  
district, for enforcement of this chapter and rules, orders, and 58133  
terms and conditions of permits, licenses, and variances adopted 58134  
or issued under it, other than the hazardous waste provisions of 58135  
this chapter and rules adopted and orders and terms and conditions 58136  
of permits issued under those provisions; 58137

(4) Providing financial assistance to each county within the 58138  
district to defray the added costs of maintaining roads and other 58139  
public facilities and of providing emergency and other public 58140  
services resulting from the location and operation of a solid 58141  
waste facility within the county under the district's approved 58142  
solid waste management plan or amended plan; 58143

(5) Pursuant to contracts entered into with boards of health 58144

within the district, if solid waste facilities contained in the 58145  
district's approved plan or amended plan are located within the 58146  
district, for paying the costs incurred by those boards of health 58147  
for collecting and analyzing samples from public or private water 58148  
wells on lands adjacent to those facilities; 58149

(6) Developing and implementing a program for the inspection 58150  
of solid wastes generated outside the boundaries of this state 58151  
that are disposed of at solid waste facilities included in the 58152  
district's approved solid waste management plan or amended plan; 58153

(7) Providing financial assistance to boards of health within 58154  
the district for the enforcement of section 3734.03 of the Revised 58155  
Code or to local law enforcement agencies having jurisdiction 58156  
within the district for enforcing anti-littering laws and 58157  
ordinances; 58158

(8) Providing financial assistance to boards of health of 58159  
health districts within the district that are on the approved list 58160  
under section 3734.08 of the Revised Code to defray the costs to 58161  
the health districts for the participation of their employees 58162  
responsible for enforcement of the solid waste provisions of this 58163  
chapter and rules adopted and orders and terms and conditions of 58164  
permits, licenses, and variances issued under those provisions in 58165  
the training and certification program as required by rules 58166  
adopted under division (L) of section 3734.02 of the Revised Code; 58167

(9) Providing financial assistance to individual municipal 58168  
corporations and townships within the district to defray their 58169  
added costs of maintaining roads and other public facilities and 58170  
of providing emergency and other public services resulting from 58171  
the location and operation within their boundaries of a 58172  
composting, energy or resource recovery, incineration, or 58173

of section 3735.65 of the Revised Code. The findings resulting 58560  
from the survey shall be incorporated in the resolution describing 58561  
the boundaries of an area. The legislative authority may stipulate 58562  
in the resolution that only new structures or remodeling 58563

some combination thereof, and otherwise satisfying the 58565  
requirements of section 3735.67 of the Revised Code are eligible 58566

does not include such a stipulation, all new structures and 58568  
remodeling satisfying the requirements of section 3735.67 of the 58569  
Revised Code are eligible for exemption from taxation regardless 58570

stipulation, the classification of the structures or remodeling 58572  
eligible for exemption in the area shall at all times be 58573  
consistent with zoning restrictions applicable to the area. For 58574  
the purposes of sections 3735.65 to 3735.70 of the Revised Code, 58575  
whether a structure or remodeling composed of multiple units is 58576  
classified as commercial or residential shall be determined by 58577  
resolution or ordinance of the legislative authority or, in the 58578  
absence of such a determination, by the classification of the use 58579  
of the structure or remodeling under the applicable zoning 58580  
regulations. 58581

If construction or remodeling classified as residential is 58582  
eligible for exemption from taxation, the resolution shall specify 58583  
a percentage, not to exceed one hundred per cent, of the assessed 58584  
valuation of such property to be exempted. The percentage 58585  
specified shall apply to all residential construction or 58586  
remodeling for which exemption is granted. 58587

The resolution adopted pursuant to this section shall be 58588  
published in a newspaper of general circulation in the municipal 58589  
corporation, if the resolution is adopted by the legislative 58590  
authority of a municipal corporation, or in a newspaper of general 58591  
circulation in the county, if the resolution is adopted by the 58592  
legislative authority of the county, once a week for two 58593

this section shall designate a housing officer. In addition, each 58597  
such legislative authority, not later than ~~fifteen~~ sixty days 58598

of development services for the director to confirm the findings 58600  
described in the resolution. The petition shall be accompanied by 58601  
a copy of the resolution and by a map of the community 58602  
reinvestment area in sufficient detail to denote the specific 58603  
boundaries of the area and to indicate zoning restrictions 58604  
applicable to the area. The director shall determine whether the 58605  
findings contained in the resolution are valid, and whether the 58606  
classification of structures or remodeling eligible for exemption 58607  
under the resolution is consistent with zoning restrictions 58608  
applicable to the area as indicated on the map. Within thirty days 58609  
of receiving the petition, the director shall forward the 58610  
director's determination to the legislative authority. The 58611  
legislative authority or housing officer shall not grant any 58612  
exemption from taxation under section 3735.67 of the Revised Code 58613

until the director forwards the director's determination to the 58614  
legislative authority. The director shall assign to each community 58615  
reinvestment area a unique designation by which the area shall be 58616  
identified for purposes of sections 3735.65 to 3735.70 of the 58617  
Revised Code. 58618

If zoning restrictions in any part of a community 58619  
reinvestment area are changed at any time after the legislative 58620  
authority petitions the director under this section, the 58621  
legislative authority shall notify the director and shall submit a 58622  
map of the area indicating the new zoning restrictions in the 58623

calendar year 2001 based upon the total actual emissions from the 59475  
generating unit during calendar year 2000 and shall continue to be 59476

and obtain a Title V permit under section 3704.036 of the Revised 59494  
Code shall pay a single fee based upon the sum of the actual 59495  
annual emissions from the facility of the regulated pollutants 59496

particulate matter, sulfur dioxide, nitrogen oxides, organic  
compounds, and lead in accordance with the following schedule:

install or permits to operate have been issued for the air  
contaminant sources at the facility that include terms and  
conditions that lower the facility's potential to emit air  
contaminants below the major source thresholds established in

rules adopted under section 3704.036 of the Revised Code. 59529

(b) Beginning January 1, 2000, through June 30, ~~2018~~ 2020, 59530

regulated pollutants during the preceding calendar year. For the 59559  
purpose of division (D) of this section, emissions of air 59560

contaminants may be calculated using engineering calculations, 59561  
emission factors, material balance calculations, or performance 59562  
testing procedures, as authorized by the director. The director, 59563  
by rule, may require persons who are required to pay the fees 59564  
assessed under division (D) of this section to pay those fees 59565  
biennially rather than annually. 59566

(E)(1) Consistent with the need to cover the reasonable costs 59567  
of the Title V permit program, the director annually shall 59568  
increase the fees prescribed in division (B) of this section by 59569  
the percentage, if any, by which the consumer price index for the 59570  
most recent calendar year ending before the beginning of a year 59571  
exceeds the consumer price index for calendar year 1989. Upon 59572  
calculating an increase in fees authorized by division (E)(1) of 59573  
this section, the director shall compile revised fee schedules for 59574  
the purposes of division (B) of this section and shall make the 59575  
revised schedules available to persons required to pay the fees 59576

the consumer price index for all urban consumers published by the 59580  
United States department of labor as of the close of the 59581  
twelve-month period ending on the thirty-first day of August of 59582  
that year. 59583

(b) If the 1989 consumer price index is revised, the director 59584  
shall use the revision of the consumer price index that is most 59585  
consistent with that for calendar year 1989. 59586

accumulated is less than six hundred thousand dollars, the 60552  
director, after review of the fee structure and consultation with 60553  
affected persons, may issue an order increasing the amount of the 60554  
fees levied under division (Y) of this section so that the 60555
