A BILL

To amend section 3333.31 of the Revised Code to 1
grant residency status for in-state tuition 2
purposes at state institutions of higher 3
education to all military service members who 4
are on active duty and to their spouses and 5
dependents. 6

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3333.31 of the Revised Code be 7
amended to read as follows: 8

Sec. 3333.31. (A) For state subsidy and tuition surcharge 9
purposes, status as a resident of Ohio shall be defined by the 10
chancellor of higher education by rule promulgated pursuant to 11
Chapter 119. of the Revised Code. No adjudication as to the 12
status of any person under such rule, however, shall be required 13
to be made pursuant to Chapter 119. of the Revised Code. The 14
term "resident" for these purposes shall not be equated with the 15
definition of that term as it is employed elsewhere under the 16
laws of this state and other states, and shall not carry with it 17

any of the legal connotations appurtenant thereto. Rather, 18
except as provided in divisions (B), (C), (D), and ~~(E)~~-(F) of 19
this section, for such purposes, the rule promulgated under this 20
section shall have the objective of excluding from treatment as 21
residents those who are present in the state primarily for the 22
purpose of attending a state-supported or state-assisted 23
institution of higher education, and may prescribe presumptive 24
rules, rebuttable or conclusive, as to such purpose based upon 25
the source or sources of support of the student, residence prior 26
to first enrollment, evidence of intention to remain in the 27
state after completion of studies, or such other factors as the 28
chancellor deems relevant. 29

(B) The rules of the chancellor for determining student 30
residency shall grant residency status to a veteran and to the 31
veteran's spouse and any dependent of the veteran, if both of 32
the following conditions are met: 33

(1) The veteran either: 34

(a) Served one or more years on active military duty and 35
was honorably discharged or received a medical discharge that 36
was related to the military service; 37

(b) Was killed while serving on active military duty or 38
has been declared to be missing in action or a prisoner of war. 39

(2) If the veteran seeks residency status for tuition 40
surcharge purposes, the veteran has established domicile in this 41
state as of the first day of a term of enrollment in an 42
institution of higher education. If the spouse or a dependent of 43
the veteran seeks residency status for tuition surcharge 44
purposes, the veteran and the spouse or dependent seeking 45
residency status have established domicile in this state as of 46

the first day of a term of enrollment in an institution of higher education, except that if the veteran was killed while serving on active military duty, has been declared to be missing in action or a prisoner of war, or is deceased after discharge, only the spouse or dependent seeking residency status shall be required to have established domicile in accordance with this division.

(C) The rules of the chancellor for determining student residency shall grant residency status to both of the following:

(1) A veteran who is the recipient of federal veterans' benefits under the "All-Volunteer Force Educational Assistance Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans Educational Assistance Program," 38 U.S.C. 3301 et seq., or any successor program, if the veteran meets all of the following criteria:

(a) The veteran served at least ninety days on active duty.

(b) The veteran enrolls in a state institution of higher education, as defined in section 3345.011 of the Revised Code.

(c) The veteran lives in the state as of the first day of a term of enrollment in the state institution of higher education.

(2) A person who is the recipient of the federal Marine Gunnery Sergeant John David Fry scholarship or transferred federal veterans' benefits under any of the programs described in division (C)(1) of this section, if the person meets both of the following criteria:

(a) The person enrolls in a state institution of higher education.

(b) The person lives in the state as of the first day of a term of enrollment in the state institution of higher education. 76
77

In order to qualify under division (C) (2) of this section, the veteran's period of active duty must have been at least ninety days. 78

80

(D) The rules of the chancellor for determining student residency shall grant residency status to a service member who is on active duty and to the service member's spouse and any dependent of the service member while the service member is on active duty. In order to qualify under division (D) of this section, the rules shall not require the service member or the service member's spouse or dependent to establish domicile in this state as of the first day of a term of enrollment in an institution of higher education. 81

in this state or, if the parent or spouse is not the lessee or 107
owner of the residence in which the parent or spouse has 108
established domicile, a letter from the owner of the residence 109
certifying that the parent or spouse resides at that residence. 110

Residency officers may also evaluate, in accordance with 111
the chancellor's rule, requests for immediate residency status 112
from dependent students whose parents are not living and whose 113
domicile follows that of a legal guardian who has accepted full- 114
time employment and established domicile in the state for 115
reasons other than gaining the benefit of favorable tuition 116
rates. 117

~~(E)~~ (F) (1) The rules of the chancellor for determining 118
student residency shall grant residency status to a person who, 119
while a resident of this state for state subsidy and tuition 120
surcharge purposes, graduated from a high school in this state 121
or completed the final year of instruction at home as authorized 122
under section 3321.04 of the Revised Code, if the person enrolls 123
in an institution of higher education and establishes domicile 124
in this state, regardless of the student's residence prior to 125
that enrollment. 126
