(5) "Materially and substantially disrupts" means when a 50
person, with the intent to, or with knowledge of doing so, 51

if it occurs in a campus space reserved for exclusive use or 116
control of a particular group. 117

description also shall include the nature of each barrier or 148
incident and the disciplinary action, if any, taken against 149
members of the campus community determined to be responsible for 150
the barriers or incidents; 151

Code may bring a civil action against the state, a state 180
institution of higher education, and its employees acting in 181
their official capacities. In the action, the aggrieved may seek 182
and obtain appropriate relief, including injunctive relief, 183
compensatory damages, reasonable attorney's fees, and court 184

action against the state, a state institution of higher 196
education, or an employee acting in their official capacity for 197
a violation of section 3345.0212 or 3345.0213 of the Revised 198
Code shall be brought within one year after the cause of action 199
has occurred. A court may allow an action described in this 200
