The board shall make such reasonable rules as it determines necessary pursuant to Chapter 119. of the Revised Code.

(B) A concurrence of a majority of the members of the board shall be required to do any of the following:

(1) Grant, refuse, suspend, place on probationary status, revoke, refuse to renew, or refuse to reinstate a license or censure a license holder or take any other action authorized under section 4715.30 of the Revised Code;

(2) Seek an injunction under section 4715.05 of the Revised Code;

(3) Enter into a consent agreement with a license holder;

(4) If the board develops and implements the quality intervention program under section 4715.031 of the Revised Code, refer a license holder to the program;

(5) Terminate an investigation conducted under division (D) of this section;

(6) Dismiss any complaint filed with the board.

(C)(1) The board shall adopt rules in accordance with Chapter 119. of the Revised Code to do both of the following:

(a) Establish standards for the safe practice of dentistry and dental hygiene by qualified practitioners and shall, through its policies and activities, promote such practice;

(b) Establish universal blood and body fluid precautions that shall be used by each person licensed under this chapter who performs exposure prone invasive procedures.

(2) The rules adopted under division (C)(1)(b) of this section shall define and establish requirements for universal blood and body fluid precautions that include the following:

(a) Appropriate use of hand washing;

(b) Disinfection and sterilization of equipment;

(c) Handling and disposal of needles and other sharp instruments;

(d) Wearing and disposal of gloves and other protective garments and devices.

(D) The board shall administer and enforce the provisions of this chapter. The board shall, in accordance with sections 4715.032 to 4715.035 of the Revised Code, investigate evidence which appears to show that any person has violated any provision of this chapter. Any person may report to the board under oath any information such person may have appearing to show a violation of any provision of this chapter. In the absence of bad faith, any person who reports such information or who testifies before the board in any disciplinary proceeding conducted pursuant to Chapter 119. of the Revised Code is not liable for civil damages as a result of making the report or providing testimony. If after investigation and reviewing the recommendation of the supervisory investigative panel issued pursuant to section 4715.034 of the Revised Code the board determines that there are reasonable grounds to believe that a violation of this chapter has occurred, the board shall, except as provided in this chapter, conduct disciplinary proceedings pursuant to Chapter 119. of the Revised Code, seek an injunction under section 4715.05 of the Revised Code, enter into a consent agreement with a license holder, or provide for a license holder to participate in the quality intervention program established under section 4715.031 of the Revised Code if the board develops and implements that program.

For the purpose of any disciplinary proceeding or any investigation conducted under this division, the board may administer oaths, order the taking of depositions, issue subpoenas in accordance with section 4715.033 of the Revised Code, compel the attendance and testimony of persons at depositions, and compel the production of books, accounts, papers, documents, or other tangible things. The hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code. Notwithstanding section 121.22 of the Revised Code and except as provided in section 4715.036 of the Revised Code, proceedings of the board relative to the investigation of a complaint or the determination whether there are reasonable grounds to believe that a violation of this chapter has occurred are confidential and are not subject to discovery in any civil action.

(E)(1) The board shall examine or cause to be examined eligible applicants to practice dental hygiene. The board may distinguish by rule different classes of qualified personnel according to skill levels and require all or only certain of these classes of qualified personnel to be examined and certified by the board.

(2) The board shall administer a written jurisprudence examination to each applicant for a license to practice dentistry. The examination shall cover only the statutes and administrative rules governing the practice of dentistry in this state.

(F) In accordance with Chapter 119. of the Revised Code, the board shall adopt, and may amend or rescind, rules establishing the eligibility criteria, the application and permit renewal procedures, and safety standards applicable to a dentist licensed under this chapter who applies for a permit to employ or use conscious ~~intravenous~~ sedation. These rules shall include all of the following:

(1) The eligibility requirements and application procedures for an eligible dentist to obtain a conscious ~~intravenous~~ sedation permit;

(2) The minimum educational and clinical training standards required of applicants, which shall include satisfactory completion of an advanced cardiac life support course;

(3) The facility equipment and inspection requirements;

- (4) Safety standards;
- (5) Requirements for reporting adverse occurrences.

(G) In accordance with Chapter 119. of the Revised Code, the board shall adopt rules establishing eligibility criteria, application and permit renewal procedures, and safety standards applicable to a dentist licensed under this chapter who applies for a general anesthesia permit.

Sec. 4715.09. (A) No person shall practice dentistry without a current license from the state dental board. No person shall practice dentistry while the person's license is under suspension by the state dental board.

(B) No dentist shall use the services of any person not licensed to practice dentistry in this state, or the services of any partnership, corporation, or association, to construct, alter, repair, or duplicate any denture, plate, bridge, splint, or orthodontic or prosthetic appliance, without first furnishing the unlicensed person, partnership, corporation, or association with a written work authorization on forms prescribed by the state dental board.

The unlicensed person, partnership, corporation, or association shall retain the original work authorization, and the dentist shall retain a duplicate copy of the work authorization, for two years from its date. Work authorizations required by this section shall be open for inspection during the two-year period by the state dental board, its authorized agent, or the prosecuting attorney of a county or the director of law of a municipal corporation wherein the work authorizations are located.

(C) If the person, partnership, association, or corporation receiving a written authorization from a licensed dentist engages another person, firm, or corporation, referred to in this division as "subcontractor," to perform some of the services relative to the work authorization, ~~he or it~~ the person shall furnish a written sub-work authorization with respect thereto on forms prescribed by the state dental board.

The subcontractor shall retain the sub-work authorization and the issuer thereof shall retain a duplicate copy, attached to the work authorization received from the licensed dentist, for inspection by the state dental board or its duly authorized agents, for a period of two years in both cases.

(D) No unlicensed person, partnership, association, or corporation shall perform any service described in division (B) of this section without a written work authorization from a licensed dentist. Provided, that if a written work authorization is demanded from a licensed dentist who fails or refuses to furnish it for any reason, the unlicensed person, partnership, association, or corporation shall not, in such event, be subject to the enforcement provisions of section 4715.05 or the penal provisions of section 4715.99 of the Revised Code.

(E) No dentist shall employ or use conscious ~~intravenous~~ sedation unless the dentist possesses a valid permit issued by the state dental board authorizing ~~him~~ the dentist to do so.

(F) No dentist shall employ or use general anesthesia unless the dentist possesses a valid permit issued by the state dental board authorizing the dentist to do so.

Sec. 4715.10. (A) As used in this section, "accredited dental college" means a dental college accredited by the commission on dental accreditation or a dental college that has educational standards recognized by the commission on dental accreditation and is approved by the state dental board.

(B) Each person who desires to practice dentistry in this state shall file a written application for a license with the secretary of the state dental board. The application shall be on a form

prescribed by the board and verified by oath. Each applicant shall furnish satisfactory proof to the board that the applicant has met the requirements of divisions (C) and (D) of this section, and if the applicant is a graduate of an unaccredited dental college located outside the United States, division (E) of this section.

(C) To be granted a license to practice dentistry, an applicant must meet all of the following requirements:

- (1) Be at least eighteen years of age;
- (2) Be of good moral character;
- (3) Be a graduate of an accredited dental college or of a dental college located outside the United States who meets the standards adopted under section 4715.11 of the Revised Code;
- (4) Have passed parts I and II of the examination given by the national board of dental examiners;
- (5) Have passed a written jurisprudence examination administered by the state dental board under division (E)(2) of section 4715.03 of the Revised Code;
- (6) Pay the fee required by division (A)(1) of section 4715.13 of the Revised Code.

(D) To be granted a license to practice dentistry, an applicant must meet any one of the following requirements:

(1) Have taken an examination administered by any of the following regional testing agencies and received ~~on each component of the examination a passing score as specified in division (A) of section 4715.11 of the Revised Code~~ on the examination as determined by the administering agency: the central regional dental testing service, inc., northeast regional board of dental examiners, inc., the commission on dental competency assessments, the southern regional dental testing agency, inc., the council of interstate testing agencies, inc., or the western regional examining board;

(2) Have taken an examination administered by the state dental board and received a passing score as established by the board;

(3) Possess a license in good standing from another state and have actively engaged in the legal and reputable practice of dentistry in another state or in the armed forces of the United States, the United States public health service, or the United States department of veterans' affairs for five years immediately preceding application;

(4) Have completed a dental residency program accredited or approved by the commission on dental accreditation and administered by an accredited dental college or hospital.

(E) To be granted a license to practice dentistry, a graduate of an unaccredited dental college located outside the United States must meet both of the following requirements:

(1) Have taken a basic science and laboratory examination consistent with rules adopted under section 4715.11 of the Revised Code and received a passing score as established by the board;

(2) Have had sufficient clinical training in an accredited institution to reasonably assure a level of competency equal to that of graduates of accredited dental colleges, as determined by the board.

Sec. 4715.11. In the state dental board's implementation of section 4715.10 of the Revised Code, all of the following apply:

(A) ~~For purposes of division (D)(1) of section 4715.10 of the Revised Code, a passing score on a component of an examination administered by a regional testing agency is the score established~~

~~by the agency as a passing score for the component or, if the agency has not established a passing score for the component, the score established by the board as a passing score for the component. The board shall adopt rules establishing passing scores for examination components as necessary to implement this division.~~

~~(B)~~ The board shall adopt rules establishing standards that must be met by graduates of unaccredited dental colleges located outside the United States. The standards must reasonably assure that the graduates have received a level of education and training equal to that provided by accredited dental colleges.

~~(C)~~ ~~(B)~~ The board shall adopt rules governing the basic sciences and laboratory examination required by division (E)(1) of section 4715.10 of the Revised Code.

Sec. 4715.13. (A) Applicants for licenses to practice dentistry or for a general anesthesia permit or a conscious ~~intravenous~~-sedation permit shall pay to the secretary of the state dental board the following fees:

(1) For license to practice dentistry, two hundred sixty-seven dollars if issued in an odd-numbered year or four hundred fifty-four dollars if issued in an even-numbered year;

(2) For duplicate license, to be granted upon proof of loss of the original, twenty dollars;

(3) For a general anesthesia permit, one hundred twenty-seven dollars;

(4) For a conscious ~~intravenous~~-sedation permit, one hundred twenty-seven dollars.

(B) Forty dollars of each fee collected under division (A)(1) of this section for a license issued in an even-numbered year and twenty dollars of each fee collected under division (A)(1) of this section in an odd-numbered year shall be paid to the dentist loan repayment fund established under section 3702.95 of the Revised Code.

(C) In the case of a person who applies for a license to practice dentistry by taking an examination administered by the state dental board, both of the following apply:

(1) The fee in division (A)(1) of this section may be refunded to an applicant who is unavoidably prevented from attending the examination, or the applicant may be examined at the next regular or special meeting of the board without an additional fee.

(2) An applicant who fails the first examination may be re-examined at the next regular or special meeting of the board without an additional fee.

Sec. 4715.22. (A)(1) This section applies only when a licensed dental hygienist is not practicing ~~under a~~ in accordance with either of the following:

~~(a) A permit issued pursuant to section 4715.363 of the Revised Code authorizing practice under the oral health access supervision of a dentist;~~

~~(b) Section 4715.431 of the Revised Code.~~

(2) As used in this section, "health care facility" means either of the following:

(a) A hospital registered under section 3701.07 of the Revised Code;

(b) A "home" as defined in section 3721.01 of the Revised Code.

(B) A licensed dental hygienist shall practice under the supervision, order, control, and full responsibility of a dentist licensed under this chapter. A dental hygienist may practice in a dental office, public or private school, health care facility, dispensary, or public institution. Except as provided in divisions (C) to (E) of this section, a dental hygienist may not provide dental hygiene services to a patient when the supervising dentist is not physically present at the location where the

dental hygienist is practicing.

(C) A dental hygienist may provide, for not more than fifteen consecutive business days, dental hygiene services to a patient when the supervising dentist is not physically present at the location where the services are provided if all of the following requirements are met:

(1) The dental hygienist has at least one year and a minimum of one thousand five hundred hours of experience in the practice of dental hygiene.

(2) The dental hygienist has successfully completed a course approved by the state dental board in the identification and prevention of potential medical emergencies.

~~(3) The dental hygienist complies with written protocols the supervising dentist establishes for emergencies.~~

~~(4) The dental hygienist does not perform, while the supervising dentist is absent from the location, procedures while the patient is anesthetized, definitive root planing, definitive subgingival curettage, or other procedures identified in rules the state dental board adopts.~~

~~(5)~~(4) The supervising dentist has evaluated the dental hygienist's skills.

~~(6)~~(5) The supervising dentist examined the patient not more than one year prior to the date the dental hygienist provides the dental hygiene services to the patient.

~~(7)~~(6) The dental hygienist complies with written protocols or written standing orders that the supervising dentist establishes, including those established for emergencies.

~~(8)~~(7) The supervising dentist completed and evaluated a medical and dental history of the patient not more than one year prior to the date the dental hygienist provides dental hygiene services to the patient and, except when the dental hygiene services are provided in a health care facility, the supervising dentist determines that the patient is in a medically stable condition.

~~(9)~~(8) If the dental hygiene services are provided in a health care facility, a doctor of medicine and surgery or osteopathic medicine and surgery who holds a current certificate issued under Chapter 4731. of the Revised Code or a registered nurse licensed under Chapter 4723. of the Revised Code is present in the health care facility when the services are provided.

~~(10)~~(9) In advance of the appointment for dental hygiene services, the patient is notified that the supervising dentist will be absent from the location and that the dental hygienist cannot diagnose the patient's dental health care status.

~~(11)~~(10) The dental hygienist is employed by, or under contract with, one of the following:

(a) The supervising dentist;

(b) A dentist licensed under this chapter who is one of the following:

(i) The employer of the supervising dentist;

(ii) A shareholder in a professional association formed under Chapter 1785. of the Revised Code of which the supervising dentist is a shareholder;

(iii) A member or manager of a limited liability company formed under Chapter 1705. of the Revised Code of which the supervising dentist is a member or manager;

(iv) A shareholder in a corporation formed under division (B) of section 1701.03 of the Revised Code of which the supervising dentist is a shareholder;

(v) A partner or employee of a partnership or a limited liability partnership formed under Chapter 1775. or 1776. of the Revised Code of which the supervising dentist is a partner or employee.

(c) A government entity that employs the dental hygienist to provide dental hygiene services in a public school or in connection with other programs the government entity administers.

(D) A dental hygienist may provide dental hygiene services to a patient when the supervising dentist is not physically present at the location where the services are provided if the services are provided as part of a dental hygiene program that is approved by the state dental board and all of the following requirements are met:

(1) The program is operated through a school district board of education or the governing board of an educational service center; the board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code; a national, state, district, or local dental association; or any other public or private entity recognized by the state dental board.

(2) The supervising dentist is employed by or a volunteer for, and the patients are referred by, the entity through which the program is operated.

(3)(a) Except as provided in division (D)(3)(b) of this section, the services are performed after examination and diagnosis by the dentist and in accordance with the dentist's written treatment plan.

(b) The requirement in division (D)(3)(a) of this section does not apply when the only ~~service~~ services to be provided by the dental hygienist ~~is~~ are the placement of pit and fissure sealants and the application of fluoride varnish.

(E) A dental hygienist may ~~apply fluoride varnish, apply desensitizing agents, and discuss general nonmedical nutrition information for the purpose of maintaining good oral health~~ do any of the following when the supervising dentist is not physically present at the location where the services are provided, regardless of whether the dentist has examined the patient, if the dental hygienist is employed by, or under contract with, the supervising dentist or another person or government entity specified in division (C)~~(H)~~(10)(b) or (c) of this section:

- (1) Apply fluoride varnish;
- (2) Apply desensitizing agents, excluding silver diamine fluoride;
- (3) Apply disclosing solutions;
- (4) Apply pit and fissure sealants;
- (5) Recement temporary crowns or recement crowns with temporary cement;
- (6) Conduct caries susceptibility testing;
- (7) Provide instruction on oral hygiene home care, including the use of toothbrushes and dental floss;
- (8) Discuss general nonmedical nutrition information for the purpose of maintaining good oral health.

As used in ~~this division (E)(8) of this section~~, "general nonmedical nutrition information" means information on the following: principles of good nutrition and food preparation, food to be included in the normal daily diet, the essential nutrients needed by the body, recommended amounts of the essential nutrients, the actions of nutrients on the body, the effects of deficiencies or excesses of nutrients, or food and supplements that are good sources of essential nutrients.

(F) No person shall do either of the following:

- (1) Practice dental hygiene in a manner that is separate or otherwise independent from the

dental practice of a supervising dentist;

(2) Establish or maintain an office or practice that is primarily devoted to the provision of dental hygiene services.

(G) The state dental board shall adopt rules under division (C) of section 4715.03 of the Revised Code identifying procedures a dental hygienist may not perform when practicing in the absence of the supervising dentist pursuant to division (C) or (D) of this section. ~~The board shall not identify recementation of temporary crowns or recementation of crowns with temporary cement as such procedures.~~

Sec. 4715.23. The practice of a dental hygienist shall consist of those prophylactic, preventive, and other procedures that licensed dentists are authorized by this chapter and rules of the dental board to assign only to licensed dental hygienists or to qualified personnel under section 4715.39 of the Revised Code.

~~Licensed dentists~~ A licensed dentist may assign to ~~a dental hygienists~~ hygienist intraoral tasks that do not require the professional competence or skill of the licensed dentist and that are authorized by board rule. Such performance of intraoral tasks by ~~a dental hygienists~~ hygienist shall be under supervision and full responsibility of the licensed dentist, and at no time shall more than four dental hygienists be practicing clinical hygiene under the supervision of the same dentist. The foregoing shall not be construed as authorizing the assignment of diagnosis, treatment planning and prescription (including prescriptions for drugs and medicaments or authorizations for restorative, prosthodontic, or orthodontic appliances); or, except when done in conjunction with the removal of calcareous deposits, dental cement, or accretions on the crowns and roots of teeth, surgical procedures on hard and soft tissues within the oral cavity or any other intraoral procedure that contributes to or results in an irremediable alteration of the oral anatomy; or the making of final impressions from which casts are made to construct any dental restoration.

A licensed dentist may assign to a dental hygienist the application of silver diamine flouride if the dentist has examined the patient and diagnosed the need for such treatment and the dental hygienist has completed a course approved in accordance with rules adopted under division (B) of section 4715.436 of the Revised Code.

The state dental board shall issue rules defining the procedures that may be performed by licensed dental hygienists engaged in school health activities or employed by public agencies.

Sec. 4715.36. As used in this section and sections 4715.361 to 4715.374 of the Revised Code:

- (4) A residential facility licensed under section 5123.19 of the Revised Code;
- (5) A public school, as defined in section 3701.93 of the Revised Code, located in an area designated as a dental health resource shortage area pursuant to section 3702.87 of the Revised Code;
- (6) A nonpublic school, as defined in section 3701.93 of the Revised Code, located in an area designated as a dental health resource shortage area pursuant to section 3702.87 of the Revised Code;
- (7) A federally qualified health center or federally qualified health center look-alike, as defined in section 3701.047 of the Revised Code;
- (8) A shelter for victims of domestic violence, as defined in section 3113.33 of the Revised Code;
- (9) A facility operated by the department of youth services under Chapter 5139. of the Revised Code;
- (10) A foster home, as defined in section 5103.02 of the Revised Code;
- (11) A nonprofit clinic, as defined in section 3715.87 of the Revised Code;
- (12) The residence of one or more individuals receiving services provided by a home health agency, as defined in section 3701.881 of the Revised Code;
- (13) A dispensary;
- (14) A health care facility, such as a clinic or hospital, of the United States department of veterans affairs;
- (15) The residence of one or more individuals enrolled in a home and community-based services medicaid waiver component, as defined in section 5166.01 of the Revised Code;
- (16) A facility operated by the board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code;
- (17) A women, infants, and children clinic;
- (18) A mobile dental unit located at any location listed in divisions (G)(1) to (17) of this section;
- (19) Any other location, as specified by the state dental board in rules adopted under section 4715.372 of the Revised Code, that is in an area designated as a dental health resource shortage area pursuant to section 3702.87 of the Revised Code and provides health care services to individuals who are medicaid recipients and to indigent and uninsured persons, as defined in section 2305.234 of the Revised Code.

Sec. 4715.365. (A) A dentist who holds a current, valid oral health access supervision permit

issued under section 4715.362 of the Revised Code may authorize a dental hygienist who holds a current, valid permit issued under section 4715.363 of the Revised Code to perform dental hygiene services at a facility when no dentist is physically present if all of the following conditions are met:

(1) The authorizing dentist's authorization is in writing and includes, at a minimum, all of the following:

- (a) The authorizing dentist's name and permit number;
- (b) The dental hygienist's name and permit number;
- (c) The patient's name;
- (d) The name and address of the location where the dental hygiene services are to be provided;
- (e) The date of authorization;
- (f) A statement, signed by the dental hygienist, that the hygienist agrees to comply with section 4715.366 of the Revised Code.

(2) The authorizing dentist has personally evaluated the dental hygienist's skills prior to authorizing the dental hygienist to provide the dental hygiene services.

(3) Prior to authorizing the dental hygienist to perform the dental hygiene services, the patient's medical and dental history is made available to the authorizing dentist and the authorizing dentist reviews and evaluates the history and determines that the patient may safely receive dental hygiene services.

(4) Immediately prior to the provision of dental hygiene services, the patient or patient's representative verifies, by the signature or mark of the patient or representative, that no medically significant changes to the patient's medical or dental history have occurred since the authorizing dentist most recently reviewed and evaluated the history and determined that the patient could safely receive dental hygiene services. The signature or mark may be provided through reasonable accommodation, including the use of assistive technology or augmentative devices.

(5) Prior to receiving dental hygiene services, the patient and the operator of the facility where the dental hygiene services are to be provided are notified that no dentist will be present at the location and that the dental hygienist is prohibited from doing either of the following:

- (a) Diagnosing the patient's oral health care status;
- (b) Providing dental hygiene services to the same patient on a subsequent occasion until the patient has received a clinical evaluation performed by a dentist, except in instances described in division (D)(2) of this section.

(6) The dental hygienist is employed by, or under contract with, one of the following:

- (a) The authorizing dentist;
- (b) A dentist who is any of the following:
 - (i) The authorizing dentist's employer;
 - (ii) A shareholder in a professional association, formed under Chapter 1785. of the Revised Code, of which the authorizing dentist is a shareholder;
 - (iii) A member or manager of a limited liability company, formed under Chapter 1705. of the Revised Code, of which the authorizing dentist is a member or manager;
 - (iv) A shareholder in a corporation, formed under division (B) of section 1701.03 of the Revised Code, of which the authorizing dentist is a shareholder;

(v) A partner or employee of a partnership, formed under Chapter 1775. of the Revised Code, of which the authorizing dentist is a partner or employee;

(vi) A partner or employee of a limited liability partnership, formed under Chapter 1775. of the Revised Code, of which the authorizing dentist is a partner or employee.

(c) A government entity that employs the dental hygienist to provide dental hygiene services;

(d) An entity that employs the authorizing dentist so long as the dentist's practice is not in violation of section 4715.18 of the Revised Code.

(7) If the patient to whom the services are to be provided previously received dental hygiene services under this section, there is written evidence that the patient received a clinical evaluation after the most recent provision of those services.

(B) No dentist shall authorize a dental hygienist to perform, and no dental hygienist shall perform, dental hygiene services on a patient under this section unless all of the conditions in division (A) of this section are met.

(C) If a patient or patient's representative indicates, under division (A)(4) of this section, that a medically significant change has occurred in the patient's medical or dental history since the authorizing dentist's most recent review and evaluation of the medical and dental history required by division (A)(3) of this section, no dental hygiene services shall be provided under this section until the authorizing dentist completes another review and evaluation of the patient's medical and dental history. The authorizing dentist may complete the subsequent review and evaluation of the patient's medical and dental history by telephone, facsimile, electronic mail, video, or any other means of electronic communication.

(D)(1) Except as provided in division (D)(2) of this section, no dentist shall authorize a dental hygienist to provide, and no dental hygienist shall provide, dental hygiene services under this section to the same patient on a subsequent occasion until the patient has received a clinical evaluation performed by a dentist.

(2) Division (D)(1) of this section does not apply if the patient requires multiple visits to complete one or more procedures that could not be completed during the visit in which dental hygiene services were commenced. If the patient requires multiple visits to complete the one or more procedures that could not be completed during the visit in which dental hygiene services were commenced, the one or more procedures shall be completed not later than eight weeks after the visit in which the dental hygiene services were commenced.

(E) No authorizing dentist shall authorize a dental hygienist to diagnose a patient's oral health care status. No dental hygienist practicing under a permit issued under section 4715.363 of the Revised Code to practice under the oral health access supervision of a dentist shall diagnose a patient's oral health care status.

Sec. 4715.39. (A) The state dental board may define the duties that may be performed by dental assistants and other individuals designated by the board as qualified personnel. If defined, the duties shall be defined in rules adopted in accordance with Chapter 119. of the Revised Code. The rules may include training and practice standards for dental assistants and other qualified personnel. The standards may include examination and issuance of a certificate. If the board issues a certificate, the recipient shall display the certificate in a conspicuous location in any office in which the recipient is employed to perform the duties authorized by the certificate.

(B) A dental assistant may polish the clinical crowns of teeth if all of the following requirements are met:

(1) The dental assistant's polishing activities are limited to the use of a rubber cup attached to a slow-speed rotary dental hand piece to remove soft deposits that build up over time on the crowns of teeth.

(2) The polishing is performed only after a dentist has evaluated the patient and any calculus detected on the teeth to be polished has been removed by a dentist or dental hygienist.

(3) The dentist supervising the assistant supervises not more than two dental assistants engaging in polishing activities at any given time.

(4) The dental assistant is certified by the dental assisting national board or the Ohio commission on dental assistant certification.

(5) The dental assistant receives a certificate from the board authorizing the assistant to engage in the polishing activities. The board shall issue the certificate if the individual has successfully completed training in the polishing of clinical crowns through a program accredited by the American dental association commission on dental accreditation or equivalent training approved by the board. The training shall include courses in basic dental anatomy and infection control, followed by a course in coronal polishing that includes didactic, preclinical, and clinical training; any other training required by the board; and a skills assessment that includes successful completion of standardized testing. The board shall adopt rules pursuant to division (A) of this section establishing standards for approval of this training.

(C) A dental assistant may apply pit and fissure sealants if all of the following requirements are met:

(1) A dentist evaluates the patient and designates the teeth and surfaces that will benefit from the application of sealant on the day the application is to be performed.

(2) The dental assistant is certified by the dental assisting national board or the Ohio commission on dental assistant certification.

(3) The dental assistant has successfully completed a course in the application of sealants consisting of at least two hours of didactic instruction and six hours of clinical instruction through a program provided by an institution accredited by the American dental association commission on dental accreditation or a program provided by a sponsor of continuing education approved by the board.

(4) The dentist supervising the assistant has observed the assistant successfully apply at least six sealants.

(5) Except as provided in division (D) or (E) of this section, the dentist supervising the assistant checks and approves the application of all sealants placed by the assistant before the patient leaves the location where the sealant application procedure is performed.

(D)(1) A dental assistant who is certified by the dental assisting national board or the Ohio commission on dental assistant certification may provide, for not more than fifteen consecutive business days, all of the following services to a patient when the supervising dentist is not physically present at the location where the services are provided if the conditions specified in division (D)(2) of this section have been satisfied:

(a) Recementation of temporary crowns or recementation of crowns with temporary cement;

- (b) Application of fluoride varnish;
- (c) Application of disclosing solutions;
- (d) Application of desensitizing agents, excluding silver diamine fluoride;
- (e) Caries susceptibility testing;
- (f) Instruction on oral hygiene home care, including the use of toothbrushes and dental floss.

(2) The conditions that must be satisfied before a dental assistant may provide the services specified in division (D)(1) of this section are all of the following:

(a) The dental assistant has at least ~~two years~~ one year and a minimum of ~~three~~ one thousand five hundred hours of experience practicing as a dental assistant.

(b) The dental assistant has successfully completed a course approved by the state dental board in the identification and prevention of potential medical emergencies.

(c) The supervising dentist has evaluated the dental assistant's skills.

~~(d) The supervising dentist examined the patient not more than one year prior to the date that the dental assistant provides the services to the patient.~~

~~(e) The supervising dentist has established written protocols or written standing orders for the dental assistant to follow during and in the absence of an emergency.~~

~~(f)~~ (e) The supervising dentist completed and evaluated a medical and dental history of the patient not more than one year prior to the date that the dental assistant provides services to the patient, and the supervising dentist determines that the patient is in a medically stable condition.

~~(g)~~ (f) The patient is notified, in advance of the appointment for services, that the supervising dentist will be absent from the location and that the dental assistant cannot diagnose the patient's dental health care status.

~~(h)~~ (g) The dental assistant is employed by, or under contract with, the supervising dentist, a dentist licensed under this chapter who meets one of the criteria specified in division (C)~~(4)~~(10)(b) of section 4715.22 of the Revised Code, or a government entity that employs the dental assistant to provide services in a public school or in connection with other programs the government entity administers.

(3) A dental assistant who is certified by the dental assisting national board or the Ohio commission on dental assistant certification may apply, for not more than fifteen business days, pit and fissure sealants when the supervising dentist is not physically present at the location where the sealants are to be applied if the dental assistant meets the requirements in divisions (C)(3) and (4) of this section and all of the conditions specified in division (D)(2) of this section have been satisfied.

(E) A dental assistant who is certified by the dental assisting national board or the Ohio commission on dental assistant certification may apply pit and fissure sealants prior to a dentist examining the patient and rendering a diagnosis, and when a dentist is not physically present at the location where the service is provided, if all of the following are the case:

(1) The dental assistant meets the requirements in divisions (C)(3) and (4) of this section.

~~(2) All of the~~ The conditions specified in ~~division~~ divisions (D)(2)(a), (b), (c), (d), (f), and (g) of this section have been satisfied.

(3) The dental assistant is providing the service as part of a program operated through any of the following: a school district board of education or the governing board of an educational service center; the board of health of a city or general health district or the authority having the duties of a

board of health under section 3709.05 of the Revised Code; a national, state, district, or local dental association; or any other public or private entity recognized by the state dental board.

(4) A supervising dentist for the program described in division (E)(3) of this section meets both of the following conditions:

(a) Is employed by or a volunteer for, and the patients are referred by, the entity through which the program is operated;

(b) Is available for consultation by telephone, videoconferencing, or other means of electronic communication.

(5) The application of pit and fissure sealants is limited to erupted permanent posterior teeth without suspicion of dentinal cavitation.

(6) If the patient is a minor, a parent, guardian, or other person responsible for the patient has been notified that a dentist will not be present at the location and that the dental assistant is not trained to diagnose or treat other serious dental concerns that could exist.

(F) Subject to this section and the applicable rules of the board, licensed dentists may assign to dental assistants and other qualified personnel dental procedures that do not require the professional competence or skill of the licensed dentist, a dental hygienist, or an expanded function dental auxiliary as this section or the board by rule authorizes dental assistants and other qualified personnel to perform. Except as provided in division (D) or (E) of this section, the performance of dental procedures by dental assistants and other qualified personnel shall be under direct supervision and full responsibility of the licensed dentist.

(G) Nothing in this section shall be construed by rule of the state dental board or otherwise to do the following:

(1) Authorize dental assistants or other qualified personnel to engage in the practice of dental hygiene as defined by sections 4715.22 and 4715.23 of the Revised Code or to perform the duties of a dental hygienist, including the removal of calcarious deposits, dental cement, or accretions on the crowns and roots of teeth other than as authorized pursuant to this section;

(2) Authorize dental assistants or other qualified personnel to engage in the practice of an expanded function dental auxiliary as specified in section 4715.64 of the Revised Code or to perform the duties of an expanded function dental auxiliary other than as authorized pursuant to this section.

(3) Authorize the assignment of any of the following:

(a) Diagnosis;

(b) Treatment planning and prescription, including prescription for drugs and medicaments or authorization for restorative, prosthodontic, or orthodontic appliances;

(c) Surgical procedures on hard or soft tissue of the oral cavity, or any other intraoral procedure that contributes to or results in an irremediable alteration of the oral anatomy;

(d) The making of final impressions from which casts are made to construct any dental restoration.

(H) No dentist shall assign any dental assistant or other individual acting in the capacity of qualified personnel to perform any dental procedure that the assistant or other individual is not authorized by this section or by board rule to perform. No dental assistant or other individual acting in the capacity of qualified personnel shall perform any dental procedure other than in accordance with this section and any applicable board rule or any dental procedure that the assistant or other

individual is not authorized by this section or by board rule to perform.

Sec. 4715.43. (A) As used in this section and in sections 4715.431 to 4715.437 of the Revised Code:

(1) "Authorizing dentist" means the holder of a current, valid teledentistry permit issued under this section who authorizes a dental hygienist or expanded function dental auxiliary to perform services under section 4715.431 of the Revised Code.

(2) "Dental hygiene services" means the prophylactic, preventive, and other procedures that dentists are authorized by this chapter and rules of the state dental board to assign to dental hygienists, except for procedures while a patient is anesthetized, definitive root planing, definitive subgingival curettage, the administration of local anesthesia, and the procedures specified in rules adopted by the board as described in division (C)(3) of section 4715.22 of the Revised Code.

(3) "Interim therapeutic restoration" means a direct provisional restoration placed to stabilize a tooth until a licensed dentist can assess the need for further treatment. "Interim therapeutic restoration" includes the removal of debris, other than carious or noncarious tooth structure, from the carious lesion using air or water irrigation.

(4) "Synchronous, real-time communication" means a live, two-way interaction between a patient and a dentist conducted through audiovisual technology.

(5) "Teledentistry" means the delivery of dental services through the use of synchronous, real-time communication and the delivery of services of a dental hygienist or expanded function dental auxiliary pursuant to a dentist's authorization.

(B) A dentist who desires to provide dental services through teledentistry shall apply to the state dental board for a teledentistry permit. The application must be made under oath on a form prescribed by the board and be accompanied by a twenty-dollar application fee. To be eligible for the permit, the dentist must meet the requirements established by the board in rules adopted under section 4715.436 of the Revised Code.

The state dental board shall issue a teledentistry permit to a dentist who is in good standing with the board and satisfies all of the requirements of this section.

Sec. 4715.431. (A) If all of the conditions in division (B) of this section are met, an authorizing dentist may do either of the following under a teledentistry permit without examining a patient in person:

(1) Authorize a dental hygienist or expanded function dental auxiliary to perform services as set forth in division (E) or (F) of this section, as applicable, at a location where no dentist is physically present;

(2) Prescribe a drug that is not a controlled substance for a patient who is at a location where no dentist is physically present.

(B) The conditions that must be met under division (A) of this section are the following:

(1) The authorizing dentist must prepare a written authorization that includes all of the following:

(a) The authorizing dentist's name and permit number;

(b) The name of the dental hygienist or expanded function dental auxiliary;

(c) The patient's name;

(d) The name and address of the location where the services are to be provided;

- (e) The date of the authorization;
- (f) A statement signed by the dental hygienist or expanded function dental auxiliary agreeing to comply with the written protocols or written standing orders the authorizing dentist establishes, including those for dealing with emergencies;
- (g) Any other information the dentist considers appropriate.
- (2) Before any dental services are provided all of the following must occur:
 - (a) The patient is notified that an authorizing dentist will perform a clinical evaluation through teledentistry.
 - (b) The patient is given an explanation of alternatives to, and the capabilities and limitations of, teledentistry.
 - (c)(i) Subject to division (B)(2)(c)(ii) of this section, the patient consents to the provision of services through teledentistry and the consent is documented in the patient's record.
 - (ii) If the services to be provided are the placement of interim therapeutic restorations or the application of silver diamine fluoride, the requirements for informed consent in rules adopted under division (C) of section 4715.436 of the Revised Code have been met.
 - (3) The authorizing dentist establishes the patient's identity and physical location through synchronous, real-time communication.
 - (4) The authorizing dentist provides dental services through teledentistry only as is appropriate for the patient and in accordance with appropriate standards of care.
 - (5) The authorizing dentist establishes a diagnosis and treatment plan and documents it in the patient's record.
 - (6) The authorizing dentist specifies the services the dental hygienist or expanded function dental auxiliary is authorized to provide to the patient.
 - (7) The dental hygienist or expanded function dental auxiliary is employed by, or under contract with, one of the following:
 - (a) The authorizing dentist;
 - (b) A dentist who is any of the following:
 - (i) The authorizing dentist's employer;
 - (ii) A shareholder in a professional association formed under Chapter 1785. of the Revised Code of which the authorizing dentist is a shareholder;
 - (iii) A member or manager of a limited liability company formed under Chapter 1705. of the Revised Code of which the authorizing dentist is a member or manager;
 - (iv) A shareholder in a corporation formed under division (B) of section 1701.03 of the Revised Code of which the authorizing dentist is a shareholder;
 - (v) A partner or employee of a partnership, formed under Chapter 1775. of the Revised Code, of which the authorizing dentist is a partner or employee;
 - (vi) A partner or employee of a limited liability partnership, formed under Chapter 1775. of the Revised Code, of which the authorizing dentist is a partner or employee.
 - (C) A dentist retains responsibility for ensuring the safety and quality of services provided to patients through teledentistry. Services delivered through teledentistry must be consistent with in-person services. Persons involved with providing services through teledentistry must abide by laws addressing the privacy and security of the patient's dental and medical information.

(D) An authorizing dentist may not have more than a total of three dental hygienists and expanded dental function auxiliaries working under the dentist's authorization pursuant to this section at any time.

(E)(1) If authorized to do so by an authorizing dentist in accordance with this section, a dental hygienist may provide dental hygiene services at a location where no dentist is physically present if all of the following requirements are met:

(a) The dental hygienist has at least one year and a minimum of one thousand five hundred hours of experience in the practice of dental hygiene.

(b) The dental hygienist has completed a course described in division (C)(2) of section 4715.22 of the Revised Code on the identification and prevention of potential medical emergencies.

(c) The authorizing dentist has evaluated the dental hygienist's skills.

(d) The dental hygienist complies with written protocols or written standing orders established by the authorizing dentist, including written protocols established for emergencies.

(2) If authorized to do so by an authorizing dentist in accordance with this section, a dental hygienist may place interim therapeutic restorations when a dentist is not physically present at the location where the dental hygienist is practicing if the requirements of division (E)(1) of this section are met and the dental hygienist has successfully completed a state dental board-approved course in the proper placement of interim therapeutic restorations.

(3) If authorized to do so by an authorizing dentist in accordance with this section, a dental hygienist may apply silver diamine fluoride when a dentist is not physically present at the location where the dental hygienist is practicing if the requirements of division (E)(1) of this section are met and the dental hygienist has successfully completed a state dental board-approved course in the application of silver diamine fluoride.

(F)(1) If authorized to do so by an authorizing dentist in accordance with this section, an expanded function dental auxiliary may provide the services listed in divisions (A)(2) to (10) of section 4715.64 of the Revised Code, and any additional procedures authorized pursuant to division (A)(11) of that section, when a dentist is not physically present at the location where the expanded function dental auxiliary is practicing if all of the following requirements are met:

(a) The expanded function dental auxiliary has at least one year and a minimum of one thousand five hundred hours of experience practicing as an expanded function dental auxiliary.

(b) The expanded function dental auxiliary has completed a course described in division (C)(2) of section 4715.64 of the Revised Code on the identification and prevention of potential medical emergencies.

(c) The authorizing dentist has evaluated the expanded function dental auxiliary's skills.

(d) The expanded function dental auxiliary complies with written protocols or written standing orders established by the authorizing dentist, including written protocols for emergencies.

(2) If authorized to do so by an authorizing dentist in accordance with this section, an expanded function dental auxiliary who meets the requirements of division (F)(1) of this section and has successfully completed a state dental board-approved course in the proper placement of interim therapeutic restorations may place interim therapeutic restorations when a dentist is not physically present at the location where the expanded function dental auxiliary is practicing.

(3) If authorized to do so by an authorizing dentist in accordance with this section, an

expanded function dental auxiliary who meets the requirements of division (F)(1) of this section and has successfully completed a state dental board-approved course in the application of silver diamine fluoride may apply silver diamine fluoride when a dentist is not physically present at the location where the expanded function dental auxiliary is practicing.

(4) If authorized to do so by an authorizing dentist in accordance with this section, an expanded function dental auxiliary who meets the requirements of division (F)(1) of this section and holds a current, valid dental x-ray machine operator certificate issued by the board pursuant to section 4715.53 of the Revised Code may perform, for the purpose of contributing to the provision of dental care to a dental patient, standard, diagnostic radiologic procedures when a dentist is not physically present at the location where the expanded function dental auxiliary is practicing.

Sec. 4715.432. A teledentistry permit issued under section 4715.43 of the Revised Code expires on the thirty-first day of December of the first odd-numbered year occurring after the permit's issuance. A dentist who desires to renew a permit shall apply, under oath, to the state dental board on a form prescribed by the board and pay a renewal fee of twenty dollars.

The board shall renew a teledentistry permit for a two-year period if the dentist is in good standing with the board and meets all of the following conditions:

(A) Submits a complete application;

(B) Pays the renewal fee;

(C) Verifies with the board the locations where dental hygienists and expanded function dental auxiliaries have provided services pursuant to the dentist's authorization since the teledentistry permit was most recently issued or renewed.

Sec. 4715.433. The state dental board may, in accordance with Chapter 119. of the Revised Code, suspend or revoke a permit issued under section 4715.43 of the Revised Code if the permit holder fails to comply with sections 4715.431 to 4715.437 of the Revised Code, including any rules adopted by the board under section 4715.346 of the Revised Code.

Sec. 4715.434. At the request of the state dental board, an authorizing dentist, or a dental hygienist or expanded function dental auxiliary who has been authorized to perform services in accordance with section 4715.431 of the Revised Code, shall make available to the board a list of all locations where the dental hygienist or expanded function dental auxiliary provided services, the locations where the hygienist or auxiliary is expected to provide services in the future, or both, as specified in the board's request.

Sec. 4715.435. (A) No person shall provide services under section 4715.431 of the Revised Code unless one of the following applies:

(1) The person is a dentist who holds a current, valid teledentistry permit issued under section 4715.43 of the Revised Code.

(2) The person is providing services in accordance with section 4715.431 of the Revised Code and is either a dental hygienist or an expanded function dental auxiliary.

(B) No person shall authorize a dental hygienist or expanded function dental auxiliary to provide services under section 4715.431 of the Revised Code unless the person is a dentist who holds a current, valid teledentistry permit issued under section 4715.43 of the Revised Code and the dental hygienist or expanded function dental hygienist will provide the services in accordance with division (E) or (F) of section 4715.431 of the Revised Code, as appropriate.

(C) No authorizing dentist shall authorize a dental hygienist or expanded function dental auxiliary to diagnose a patient's oral health care status.

No dental hygienist or expanded function dental auxiliary shall diagnose a patient's oral health care status as part of services provided under section 4715.431 of the Revised Code.

Sec. 4715.436. The state dental board shall adopt rules in accordance with Chapter 119. of the Revised Code as it considers necessary to implement sections 4715.43 to 4715.435 of the Revised Code. The rules shall include all of the following:

(A) Requirements that must be met for issuance of a teledentistry permit under section 4715.43 of the Revised Code;

(B) Approval of courses on the proper placement of interim therapeutic restorations and the application of silver diamine fluoride, as authorized under section 4715.431 of the Revised Code.

(C) Requirements for obtaining informed consent for the placement of interim therapeutic restorations or the application of silver diamine fluoride when the patient is not examined in person by a dentist and the services are provided under a teledentistry permit, as described in section 4715.431 of the Revised Code.

The rules may specify procedures a dental hygienist is not permitted to perform when practicing in the absence of the authorizing dentist pursuant to section 4715.431 of the Revised Code.

Sec. 4715.437. Nothing in sections 4715.43 to 4715.436 of the Revised Code authorizes any activity prohibited by division (F) of section 4715.22 of the Revised Code, prohibited or not authorized by section 4715.23 of the Revised Code, or prohibited by this chapter or a rule adopted by the state dental board under this chapter.

Sec. 4715.56. (A) Except as provided in division (B) of this section, a dental x-ray machine operator may perform radiologic procedures only if a dentist is providing direct supervision. Direct supervision does not require the dentist to observe each radiologic procedure performed by the operator, but does require that the dentist be present at the location where the operator is performing radiologic procedures for purposes of consulting with and directing the operator while performing the procedures.

(B) A dental x-ray machine operator may perform radiologic procedures for a patient when the supervising dentist is not physically present at the location where the radiologic procedures are performed if either of the following applies:

(1) The supervising dentist examined the patient not more than one year prior to the date the dental x-ray machine operator performs the radiologic procedures and the supervising dentist has ordered the radiologic procedures.

(2) The radiologic procedures are performed in accordance with section 4715.431 of the Revised Code.

Sec. 4715.64. (A) Subject to divisions (B), (C), and (D) of this section and section 4715.431 of the Revised Code, the practice of an expanded function dental auxiliary shall consist of the following:

(1) Procedures involved in the placement of restorative materials limited to amalgam restorative materials and nonmetallic restorative materials, including direct-bonded restorative materials;

(2) Application of pit and fissure sealants;

- (3) Recementation of temporary crowns or recementation of crowns with temporary cement;
- (4) Application of topical fluoride;
- (5) Application of fluoride varnish;
- (6) Application of disclosing solutions;
- (7) ~~Application~~ Except as provided in division (A)(10) of this section, application of desensitizing agents;
- (8) Caries susceptibility testing;
- (9) Instruction on oral hygiene home care, including the use of toothbrushes and dental floss;
- (10) Application of silver diamine fluoride, but only when the expanded function dental auxiliary's supervising dentist has examined the patient and diagnosed the need for such treatment and the expanded function dental auxiliary has completed a course approved in accordance with rules adopted under division (B) of section 4715.436 of the Revised Code;

(11) Any additional procedures authorized by the state dental board in rules adopted under section 4715.66 of the Revised Code.

(B) An expanded function dental auxiliary shall perform the services specified in divisions (A)(1) and (11) of this section only under the supervision, order, control, and full responsibility of a dentist licensed under this chapter. At no time shall more than two expanded function dental auxiliaries be practicing as expanded function dental auxiliaries under the supervision of the same dentist. Except as provided in divisions (C) and (D) of this section and section 4715.431 of the Revised Code, an expanded function dental auxiliary shall not practice as an expanded function dental auxiliary when the supervising dentist is not physically present at the location where the expanded function dental auxiliary is practicing.

(C) An expanded function dental auxiliary may perform, for not more than fifteen consecutive business days, ~~the services specified in divisions (A)(2) to (10) of this section~~ application of pit and fissure sealants when the supervising dentist is not physically present at the location where the expanded function dental auxiliary is practicing if all of the following conditions have been satisfied:

(1) The expanded function dental auxiliary has at least ~~two years~~ one year and a minimum of ~~three~~ one thousand five hundred hours of experience practicing as an expanded function dental auxiliary or dental assistant.

(2) The expanded function dental auxiliary has successfully completed a course approved by the board in the identification and prevention of potential medical emergencies.

(3) The supervising dentist has evaluated the expanded function dental auxiliary's skills.

(4) ~~The supervising dentist examined the patient not more than one year prior to the date that the expanded function dental auxiliary provides services to the patient.~~

(5) ~~The supervising dentist has established written protocols or written standing orders for the expanded function dental auxiliary to follow during and in the absence of an emergency.~~

(6) ~~(5)~~ The supervising dentist completed and evaluated a medical and dental history of the patient not more than one year prior to the date that the expanded function dental auxiliary provides services to the patient, and the supervising dentist determines that the patient is in a medically stable condition.

(7) ~~(6)~~ In advance of the appointment for services, the patient is notified that the supervising

dentist will be absent from the location and that the expanded function dental auxiliary cannot diagnose the patient's dental health care status.

~~(8)-(7)~~ The expanded function dental auxiliary is employed by, or under contract with, the supervising dentist, a dentist licensed under this chapter who meets one of the criteria specified in division (C)~~(11)~~(10)(b) of section 4715.22 of the Revised Code, or a government entity that employs the expanded function dental auxiliary to provide services in a public school or in connection with other programs the government entity administers.

(D) An expanded function dental auxiliary may apply pit and fissure sealants prior to a dentist examining the patient and rendering a diagnosis, and when a dentist is not physically present at the location where the service is provided, if all of the following are the case:

(1) ~~All of the~~ The conditions specified in ~~division~~ divisions (C)(1), (2), (3), (4), (6), and (7) of this section have been satisfied.

(2) The expanded function dental auxiliary is providing the service as part of a program operated through any of the following: a school district board of education or the governing board of an educational service center; the board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code; a national, state, district, or local dental association; or any other public or private entity recognized by the state dental board.

(3) A supervising dentist for the program described in division (D)(2) of this section meets both of the following conditions:

(a) Is employed by or a volunteer for, and the patients are referred by, the entity through which the program is operated;

(b) Is available for consultation by telephone, videoconferencing, or other means of electronic communication.

(4) The application of pit and fissure sealants is limited to erupted permanent posterior teeth without suspicion of cavitation.

(5) If the patient is a minor, a parent, guardian, or other person responsible for the patient has been notified that a dentist will not be present at the location and that the expanded function dental auxiliary is not trained to diagnose or treat other serious dental concerns that could exist.

(E) An expanded function dental auxiliary may perform the services specified in divisions (A)(3) to (9) of this section when the supervising dentist is not physically present at the location where the services are provided, regardless of whether the dentist has examined the patient, if the expanded function dental auxiliary is employed by, or under contract with, the supervising dentist, a dentist licensed under this chapter who meets one of the criteria specified in division (C)(10)(b) of section 4715.22 of the Revised Code, or a government entity that employs the expanded function dental auxiliary to provide services in a public school or in connection with other programs the government entity administers.

(F) Nothing in this section shall be construed by rule of the board or otherwise to authorize an expanded function dental auxiliary to engage in the practice of dental hygiene as defined by sections 4715.22 and 4715.23 of the Revised Code.

Sec. 4730.05. (A) There is hereby created the physician assistant policy committee of the state medical board. The president of the board shall appoint the members of the committee. The

committee shall consist of the seven members specified in divisions (A)(1) to (3) of this section. When the committee is developing or revising policy and procedures for physician-delegated prescriptive authority for physician assistants, the committee shall include the ~~two~~ additional members ~~members~~ member specified in division (A)(4) of this section.

(1) Three members of the committee shall be physicians. Of the physician members, one shall be a member of the state medical board, one shall be appointed from a list of five physicians recommended by the Ohio state medical association, and one shall be appointed from a list of five physicians recommended by the Ohio osteopathic association. At all times, the physician membership of the committee shall include at least one physician who is a supervising physician of a physician assistant, preferably with at least two years' experience as a supervising physician.

(2) Three members shall be physician assistants appointed from a list of five individuals recommended by the Ohio association of physician assistants.

(3) One member, who is not affiliated with any health care profession, shall be appointed to represent the interests of consumers.

(4) ~~The two~~ One ~~additional members~~ member, appointed to serve only when the committee is developing or revising policy and procedures for physician-delegated prescriptive authority for physician assistants, shall be ~~pharmacists~~ a pharmacist. ~~Of these members, one~~ The member shall be appointed from a list of five clinical pharmacists recommended by the Ohio pharmacists association ~~and one shall be or~~ appointed from the pharmacist members of the state board of pharmacy, preferably from among the members who are clinical pharmacists.

The pharmacist ~~members~~ member shall have voting privileges only for purposes of developing or revising policy and procedures for physician-delegated prescriptive authority for physician assistants. Presence of the pharmacist ~~members~~ member shall not be required for the transaction of any other business.

(B) Terms of office shall be for two years, with each term ending on the same day of the same month as did the term that it succeeds. Each member shall hold office from the date of being appointed until the end of the term for which the member was appointed. Members may be reappointed, except that a member may not be appointed to serve more than three consecutive terms. As vacancies occur, a successor shall be appointed who has the qualifications the vacancy requires. A member appointed to fill a vacancy occurring prior to the expiration of the term for which a predecessor was appointed shall hold office as a member for the remainder of that term. A member shall continue in office subsequent to the expiration date of the member's term until a successor takes office or until a period of sixty days has elapsed, whichever occurs first.

(C) Each member of the committee shall receive the member's necessary and actual expenses incurred in the performance of official duties as a member.

(D) The committee members specified in divisions (A)(1) to (3) of this section by a majority vote shall elect a chairperson from among those members. The members may elect a new chairperson at any time.

(E) The state medical board may appoint assistants, clerical staff, or other employees as necessary for the committee to perform its duties adequately.

(F) The committee shall meet ~~at least four times a year and at such other times as may be~~ necessary to carry out its responsibilities.

(G) The board may permit meetings of the physician assistant policy committee to include the use of interactive videoconferencing, teleconferencing, or both if all of the following requirements are met:

- (1) The meeting location is open and accessible to the public.
- (2) Each committee member is permitted to choose whether the member attends in person or through the use of the meeting's videoconferencing or teleconferencing;
- (3) Any meeting related materials available before the meeting are sent to each committee member by electronic mail, facsimile, or United States mail, or are hand delivered.
- (4) If interactive videoconferencing is used, there is a clear video and audio connection that enables all participants at the meeting location to see and hear each committee member.
- (5) If teleconferencing is used, there is a clear audio connection that enables all participants at the meeting location to hear each committee member.
- (6) A roll call vote is recorded for each vote taken.
- (7) The meeting minutes specify for each member whether the member attended by videoconference, teleconference, or in person.

Sec. 4730.06. (A) The physician assistant policy committee of the state medical board shall review, and shall submit to the board recommendations concerning, all of the following:

- (1) Requirements for issuing a license to practice as a physician assistant, including the educational requirements that must be met to receive the license;
- (2) Existing and proposed rules pertaining to the practice of physician assistants, the supervisory relationship between physician assistants and supervising physicians, and the administration and enforcement of this chapter;
- (3) In accordance with section 4730.38 of the Revised Code, physician-delegated prescriptive authority for physician assistants ~~and proposed changes to the physician assistant formulary the board adopts pursuant to division (A)(1) of section 4730.39 of the Revised Code;~~
- (4) Application procedures and forms for a license to practice as a physician assistant;
- (5) Fees required by this chapter for issuance and renewal of a license to practice as a physician assistant;
- (6) Any issue the board asks the committee to consider.

(B) In addition to the matters that are required to be reviewed under division (A) of this section, the committee may review, and may submit to the board recommendations concerning quality assurance activities to be performed by a supervising physician and physician assistant under a quality assurance system established pursuant to division (F) of section 4730.21 of the Revised Code.

(C) The board shall take into consideration all recommendations submitted by the committee. Not later than ninety days after receiving a recommendation from the committee, the board shall approve or disapprove the recommendation and notify the committee of its decision. If a recommendation is disapproved, the board shall inform the committee of its reasons for making that decision. The committee may resubmit the recommendation after addressing the concerns expressed by the board and modifying the disapproved recommendation accordingly. Not later than ninety days after receiving a resubmitted recommendation, the board shall approve or disapprove the recommendation. There is no limit on the number of times the committee may resubmit a

recommendation for consideration by the board.

(D)(1) Except as provided in division (D)(2) of this section, the board may not take action regarding a matter that is subject to the committee's review under division (A) or (B) of this section unless the committee has made a recommendation to the board concerning the matter.

(2) If the board submits to the committee a request for a recommendation regarding a matter that is subject to the committee's review under division (A) or (B) of this section, and the committee does not provide a recommendation before the sixty-first day after the request is submitted, the board may take action regarding the matter without a recommendation.

Sec. 4730.11. (A) To be eligible to receive a license to practice as a physician assistant, all of the following apply to an applicant:

(1) The applicant shall be at least eighteen years of age.

(2) The applicant shall be of good moral character.

(3) The applicant shall hold current certification by the national commission on certification of physician assistants or a successor organization that is recognized by the state medical board.

(4) The applicant shall meet either of the following requirements:

(a) The educational requirements specified in division (B)(1) or (2) of this section;

(b) The educational or other applicable requirements specified in division (C)(1), (2), or (3) of this section.

(B) For purposes of division (A)(4)(a) of this section, an applicant shall meet either of the following educational requirements:

(1) The applicant shall hold a master's or higher degree obtained from a program accredited by the accreditation review commission on education for the physician assistant or a predecessor or successor organization recognized by the board.

(2) The applicant shall hold both of the following degrees:

(a) A degree other than a master's or higher degree obtained from a program accredited by the accreditation review commission on education for the physician assistant or a predecessor or successor organization recognized by the board;

(b) A master's or higher degree in a course of study with clinical relevance to the practice of physician assistants and obtained from a program accredited by a regional or specialized and professional accrediting agency recognized by the council for higher education accreditation.

(C) For purposes of division (A)(4)(b) of this section, an applicant shall present evidence satisfactory to the board of meeting one of the following requirements in lieu of meeting the educational requirements specified in division (B)(1) or (2) of this section:

(1) The applicant shall hold a current, valid license or other form of authority to practice as a physician assistant issued by another jurisdiction and either have been in active practice in any jurisdiction throughout the ~~three-year~~ two-year period immediately preceding the date of application or have met one or more of the following requirements as specified by the board:

(a) Passed an oral or written examination or assessment, or both types of examination or assessment, that determined the applicant's present fitness to resume practice;

(b) Obtained additional training and passed an examination or assessment on completion of the training;

(c) Agreed to limitations on the applicant's extent, scope, or type of practice.

(2) The applicant shall hold a degree obtained as a result of being enrolled on January 1, 2008, in a program in this state that was accredited by the accreditation review commission on education for the physician assistant but did not grant a master's or higher degree to individuals enrolled in the program on that date, and completing the program on or before December 31, 2009.

(3) The applicant shall hold a degree obtained from a program accredited by the accreditation review commission on education for the physician assistant and meet either of the following experience requirements:

(a) ~~Have~~ Either have experience practicing as a physician assistant for at least ~~three two~~ consecutive years immediately preceding the date of application while on active duty, with evidence of service under honorable conditions, in any of the armed forces of the United States or the national guard of any state, including any experience attained while practicing as a physician assistant at a health care facility or clinic operated by the United States department of veterans affairs or have met one or more of the following requirements as specified by the board:

(i) Passed an oral or written examination or assessment, or both types of examination or assessment, that determined the applicant's present fitness to resume practice;

(ii) Obtained additional training and passed an examination or assessment on completion of the training;

(iii) Agreed to limitations on the applicant's extent, scope, or type of practice;

(b) ~~Have~~ Either have experience practicing as a physician assistant for at least ~~three two~~ consecutive years immediately preceding the date of application while on active duty in the United States public health service commissioned corps or have met one or more of the following requirements as specified by the board:

(i) Passed an oral or written examination or assessment, or both types of examination or assessment, that determined the applicant's present fitness to resume practice;

(ii) Obtained additional training and passed an examination or assessment on completion of the training;

(iii) Agreed to limitations on the applicant's extent, scope, or type of practice.

~~(D) Unless the applicant had prescriptive authority while practicing as a physician assistant in another jurisdiction, in the military, or in the public health service, the license issued to an applicant who does not hold a master's or higher degree described in division (B) of this section does not authorize the holder to exercise physician-delegated prescriptive authority and the state medical board shall not issue a prescriber number.~~

~~(E)(1)~~ This section does not require an individual to obtain a master's or higher degree as a condition of retaining or renewing a license to practice as a physician assistant if the individual received the license without holding a master's or higher degree as provided in either of the following:

~~(a)~~ (1) Before the educational requirements specified in division (B)(1) or (2) of this section became effective January 1, 2008;

~~(b)~~ (2) By meeting the educational or other applicable requirements specified in division (C) (1), (2), or (3) of this section.

~~(2) A license described in division (E)(1) of this section authorizes the license holder to exercise physician-delegated prescriptive authority if, on October 15, 2015, the license holder held a~~

~~valid certificate to prescribe issued under former section 4730.44 of the Revised Code, as it existed immediately prior to October 15, 2015.~~

~~(3) On application of an individual who received a license without having first obtained a master's or higher degree and is not authorized under division (E)(2) of this section to exercise physician-delegated prescriptive authority, the board shall grant the individual the authority to exercise physician-delegated prescriptive authority if the individual meets either of the following requirements:~~

~~(a) The individual provides evidence satisfactory to the board of having obtained a master's or higher degree from either of the following:~~

~~(i) A program accredited by the accreditation review commission on education for the physician assistant or a predecessor or successor organization recognized by the board;~~

~~(ii) A program accredited by a regional or specialized and professional accrediting agency recognized by the council for higher education accreditation, if the degree is in a course of study with clinical relevance to the practice of physician assistants.~~

~~(b) The individual meets the requirements specified in division (C)(1) or (3) of this section and had prescriptive authority while practicing as a physician assistant in another jurisdiction, in any of the armed forces of the United States or the national guard of any state, or in the United States public health service commissioned corps.~~

Sec. 4730.15. (A) A license issued by the state medical board under section 4730.12 of the Revised Code authorizes the license holder to exercise physician-delegated prescriptive authority if the holder meets either of the following requirements:

(1) Holds a master's or higher degree described in division (B) of section 4730.11 of the Revised Code;

(2) Had prescriptive authority while practicing as a physician assistant in another jurisdiction, in any of the armed forces of the United States or the national guard of any state, or in the United States public health service commissioned corps.

(B) A license described in division (D) of section 4730.11 of the Revised Code authorizes the license holder to exercise physician-delegated prescriptive authority if, on October 15, 2015, the license holder held a valid certificate to prescribe issued under former section 4730.44 of the Revised Code, as it existed immediately prior to that date.

(C) On application of an individual who holds a license issued under this chapter but is not authorized to exercise physician-delegated prescriptive authority, the board shall grant the authority to exercise physician-delegated prescriptive authority if the individual meets either of the following requirements:

(1) The individual provides evidence satisfactory to the board of having obtained a master's or higher degree from either of the following:

(a) A program accredited by the accreditation review commission on education for the physician assistant or a predecessor or successor organization recognized by the board;

(b) A program accredited by a regional or specialized and professional accrediting agency recognized by the council for higher education accreditation, if the degree is in a course of study with clinical relevance to the practice of physician assistants.

(2) The individual meets the requirements specified in division (C)(1) or (3) of section

4730.11 of the Revised Code and had prescriptive authority while practicing as a physician assistant in another jurisdiction, in any of the armed forces of the United States or the national guard of any state, or in the United States public health service commissioned corps.

(D) The board shall issue a prescriber number to each physician assistant licensed under this chapter who is authorized to exercise physician-delegated prescriptive authority.

Sec. 4730.203. (A) Acting pursuant to a supervision agreement, a physician assistant may delegate performance of a task to implement a patient's plan of care or, if the conditions in division (C) of this section are met, may delegate administration of a drug. Subject to division (D) of section 4730.03 of the Revised Code, delegation may be to any person. The physician assistant must be physically present at the location where the task is performed or the drug administered.

(B) Prior to delegating a task or administration of a drug, a physician assistant shall determine that the task or drug is appropriate for the patient and the person to whom the delegation is to be made may safely perform the task or administer the drug.

(C) A physician assistant may delegate administration of a drug only if all of the following conditions are met:

(1) The physician assistant has been granted physician-delegated prescriptive authority and is authorized to prescribe the drug.

~~(2) The drug is included in the formulary established under division (A) of section 4730.39 of the Revised Code.~~

~~(3) The drug is not a controlled substance.~~

~~(4) (3) The drug will not be administered intravenously.~~

~~(5) (4) The drug will not be administered in a hospital inpatient care unit, as defined in section 3727.50 of the Revised Code; a hospital emergency department; a freestanding emergency department; or an ambulatory surgical facility licensed under section 3702.30 of the Revised Code.~~

(D) A person not otherwise authorized to administer a drug or perform a specific task may do so in accordance with a physician assistant's delegation under this section.

Sec. 4730.21. (A) The supervising physician of a physician assistant exercises supervision, control, and direction of the physician assistant. A physician assistant may practice in any setting within which the supervising physician has supervision, control, and direction of the physician assistant.

In supervising a physician assistant, all of the following apply:

(1) The supervising physician shall be continuously available for direct communication with the physician assistant by either of the following means:

(a) Being physically present at the location where the physician assistant is practicing;

(b) Being readily available to the physician assistant through some means of telecommunication and being in a location that is a distance from the location where the physician assistant is practicing that reasonably allows the physician to assure proper care of patients.

(2) The supervising physician shall personally and actively review the physician assistant's professional activities.

(3) The supervising physician shall ensure that the quality assurance system established pursuant to division (F) of this section is implemented and maintained.

(4) The supervising physician shall regularly perform any other reviews of the physician

assistant that the supervising physician considers necessary.

(B) A physician may enter into supervision agreements with any number of physician assistants, but the physician may not supervise more than ~~three~~five physician assistants at any one time. A physician assistant may enter into supervision agreements with any number of supervising physicians.

(C) A supervising physician may authorize a physician assistant to perform a service only if the physician is satisfied that the physician assistant is capable of competently performing the service. A supervising physician shall not authorize a physician assistant to perform any service that is beyond the physician's or the physician assistant's normal course of practice and expertise.

(D) In the case of a health care facility with an emergency department, if the supervising physician routinely practices in the facility's emergency department, the supervising physician shall provide on-site supervision of the physician assistant when the physician assistant practices in the emergency department. If the supervising physician does not routinely practice in the facility's emergency department, the supervising physician may, on occasion, send the physician assistant to the facility's emergency department to assess and manage a patient. In supervising the physician assistant's assessment and management of the patient, the supervising physician shall determine the appropriate level of supervision in compliance with the requirements of divisions (A) to (C) of this section, except that the supervising physician must be available to go to the emergency department to personally evaluate the patient and, at the request of an emergency department physician, the supervising physician shall go to the emergency department to personally evaluate the patient.

(E) Each time a physician assistant writes a medical order, including prescriptions written in the exercise of physician-delegated prescriptive authority, the physician assistant shall sign the form on which the order is written and record on the form the time and date that the order is written.

(F)(1) The supervising physician of a physician assistant shall establish a quality assurance system to be used in supervising the physician assistant. All or part of the system may be applied to other physician assistants who are supervised by the supervising physician. The system shall be developed in consultation with each physician assistant to be supervised by the physician.

(2) In establishing the quality assurance system, the supervising physician shall describe a process to be used for all of the following:

(a) Routine review by the physician of selected patient record entries made by the physician assistant and selected medical orders issued by the physician assistant;

(b) Discussion of complex cases;

(c) Discussion of new medical developments relevant to the practice of the physician and physician assistant;

(d) Performance of any quality assurance activities required in rules adopted by state medical board pursuant to any recommendations made by the physician assistant policy committee under section 4730.06 of the Revised Code;

(e) Performance of any other quality assurance activities that the supervising physician considers to be appropriate.

(3) The supervising physician and physician assistant shall keep records of their quality assurance activities. On request, the records shall be made available to the board.

Sec. 4730.38. (A) ~~Except as provided in division (B) of this section, the~~The physician

assistant policy committee of the state medical board shall, at such times the committee determines to be necessary, submit to the board recommendations regarding physician-delegated prescriptive authority for physician assistants. The committee's recommendations shall address both of the following:

(1) Policy and procedures regarding physician-delegated prescriptive authority;

(2) Any issue the committee considers necessary to assist the board in fulfilling its duty to adopt rules governing physician-delegated prescriptive authority.

~~(B) Not less than every six months, the committee shall review the physician assistant formulary the board adopts pursuant to division (A)(1) of section 4730.39 of the Revised Code and, to the extent it determines to be necessary, submit recommendations proposing changes to the formulary.~~

~~(C) Recommendations submitted under this section are subject to the procedures and time frames specified in division (C) of section 4730.06 of the Revised Code.~~

~~Sec. 4730.39. (A) The state medical board shall do all of the following:~~

~~(1) Adopt a formulary listing the drugs and therapeutic devices by class and specific generic nomenclature that a physician may include in the physician-delegated prescriptive authority granted to a physician assistant who holds a valid prescriber number issued by the state medical board;~~

~~(2) Adopt adopt rules governing physician-delegated prescriptive authority for physician assistants;~~

~~(3) Establish standards and procedures for delegation under division (A) of section 4730.203 of the Revised Code of the authority to administer drugs. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.~~

~~(B) The board's rules governing physician-delegated prescriptive authority adopted pursuant to division (A)(2) of this section shall be adopted in accordance with Chapter 119. of the Revised Code and shall establish all of the following:~~

~~(1) Requirements regarding the pharmacology courses that a physician assistant is required to complete;~~

~~(2) A specific prohibition against prescribing any drug or device to perform or induce an abortion;~~

~~(3) Standards and procedures to be followed by a physician assistant in personally furnishing samples of drugs or complete or partial supplies of drugs to patients under section 4730.43 of the Revised Code;~~

~~(4) Any other requirements the board considers necessary to implement the provisions of this chapter regarding physician-delegated prescriptive authority.~~

~~(C)(1) After considering recommendations submitted by the physician assistant policy committee pursuant to sections 4730.06 and 4730.38 of the Revised Code, the board shall review either or both of the following, as appropriate according to the submitted recommendations:~~

~~(a) The formulary the board adopts under division (A)(1) of this section;~~

~~(b) The rules the board adopts under division (A)(2) of this section regarding physician-delegated prescriptive authority.~~

~~(2) Based on its review, the board shall make any necessary modifications to the formulary or rules.~~

Sec. 4730.41. (A) A physician assistant who holds a valid prescriber number issued by the state medical board is authorized to prescribe and personally furnish drugs and therapeutic devices in the exercise of physician-delegated prescriptive authority.

(B) In exercising physician-delegated prescriptive authority, a physician assistant is subject to all of the following:

(1) The physician assistant shall exercise physician-delegated prescriptive authority only to the extent that the physician supervising the physician assistant has granted that authority.

(2) The physician assistant shall comply with all conditions placed on the physician-delegated prescriptive authority, as specified by the supervising physician who is supervising the physician assistant in the exercise of physician-delegated prescriptive authority.

(3) If the physician assistant possesses physician-delegated prescriptive authority for controlled substances, the physician assistant shall register with the federal drug enforcement administration.

(4) If the physician assistant possesses physician-delegated prescriptive authority for schedule II controlled substances, the physician assistant shall comply with section 4730.411 of the Revised Code.

(5) If the physician assistant possesses physician-delegated prescriptive authority to prescribe for a minor an opioid analgesic, as those terms are defined in sections 3719.061 and 3719.01 of the Revised Code, respectively, the physician assistant shall comply with section 3719.061 of the Revised Code.

(6) The physician assistant shall comply with the requirements of section 4730.44 of the Revised Code.

(C) A physician assistant shall not prescribe any drug in violation of state or federal law.

Sec. 4730.42. (A) In granting physician-delegated prescriptive authority to a particular physician assistant who holds a valid prescriber number issued by the state medical board, the supervising physician is subject to all of the following:

~~(1) The supervising physician shall not grant physician-delegated prescriptive authority for any drug or therapeutic device that is not listed on the physician assistant formulary adopted under section 4730.39 of the Revised Code as a drug or therapeutic device that may be included in the physician-delegated prescriptive authority granted to a physician assistant.~~

~~(2) The supervising physician shall not grant physician-delegated prescriptive authority for any drug or device that may be used to perform or induce an abortion.~~

~~(3)~~(2) The supervising physician shall not grant physician-delegated prescriptive authority in a manner that exceeds the supervising physician's prescriptive authority, including the physician's authority to treat chronic pain with controlled substances and products containing tramadol as described in section 4731.052 of the Revised Code.

~~(4)~~(3) The supervising physician shall supervise the physician assistant in accordance with both of the following:

(a) The supervision requirements specified in section 4730.21 of the Revised Code;

(b) The supervision agreement entered into with the physician assistant under section 4730.19 of the Revised Code, including, if applicable, the policies of the health care facility in which the physician and physician assistant are practicing.

(B)(1) The supervising physician of a physician assistant may place conditions on the physician-delegated prescriptive authority granted to the physician assistant. If conditions are placed on that authority, the supervising physician shall maintain a written record of the conditions and make the record available to the state medical board on request.

(2) The conditions that a supervising physician may place on the physician-delegated prescriptive authority granted to a physician assistant include the following:

(a) Identification by class and specific generic nomenclature of drugs and therapeutic devices that the physician chooses not to permit the physician assistant to prescribe;

(b) Limitations on the dosage units or refills that the physician assistant is authorized to prescribe;

(c) Specification of circumstances under which the physician assistant is required to refer patients to the supervising physician or another physician when exercising physician-delegated prescriptive authority;

(d) Responsibilities to be fulfilled by the physician in supervising the physician assistant that are not otherwise specified in the supervision agreement or otherwise required by this chapter.

Sec. 4730.43. (A) A physician assistant who holds a valid prescriber number issued by the state medical board and has been granted physician-delegated prescriptive authority may personally furnish to a patient samples of drugs and therapeutic devices ~~that are included in the physician assistant's physician-delegated prescriptive authority~~, subject to all of the following:

(1) The amount of the sample furnished shall not exceed a seventy-two-hour supply, except when the minimum available quantity of the sample is packaged in an amount that is greater than a seventy-two-hour supply, in which case the physician assistant may furnish the sample in the package amount.

(2) No charge may be imposed for the sample or for furnishing it.

(3) Samples of controlled substances may not be personally furnished.

(B) A physician assistant who holds a valid prescriber number issued by the state medical board and has been granted physician-delegated prescriptive authority may personally furnish to a patient a complete or partial supply of the drugs and therapeutic devices that are included in the physician assistant's physician-delegated prescriptive authority, subject to all of the following:

(1) The physician assistant shall personally furnish only antibiotics, antifungals, scabicides, contraceptives, prenatal vitamins, antihypertensives, drugs and devices used in the treatment of diabetes, drugs and devices used in the treatment of asthma, and drugs used in the treatment of dyslipidemia.

(2) The physician assistant shall not furnish the drugs and devices in locations other than a health department operated by the board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code, a federally funded comprehensive primary care clinic, or a nonprofit health care clinic or program.

(3) The physician assistant shall comply with all standards and procedures for personally furnishing supplies of drugs and devices, as established in rules adopted under section 4730.39 of the Revised Code.

Sec. 4730.44. (A) As used in this section:

(1) "Military" means the armed forces of the United States or the national guard of any state,

including any health care facility or clinic operated by the United States department of veterans affairs.

(2) "Public health service" means the United States public health service commissioned corps.

(B) During the first five hundred hours of a physician assistant's exercise of physician-delegated prescriptive authority, the physician assistant shall exercise that authority only under the on-site supervision of a supervising physician. This requirement is met by a physician assistant practicing in the military or the public health service if the supervision is provided by a person licensed, or otherwise authorized, by any jurisdiction to practice medicine and surgery or osteopathic medicine and surgery.

~~(B)-(C)~~ A physician assistant shall be excused from the requirement established in division (A)-(B) of this section if prior either of the following is the case:

(1) Prior to application under section 4730.10 of the Revised Code, the physician assistant held a prescriber number, or the equivalent, from another jurisdiction and practiced with prescriptive authority in that jurisdiction for not less than one thousand hours.

(2) Prior to application under section 4730.10 of the Revised Code, the physician assistant practiced with prescriptive authority in the military or public health service for not less than one thousand hours.

~~(C)-(D)~~ A record of a physician assistant's completion of the hours required by division (A)-(B) of this section or issuance of a prescriber number or equivalent by another jurisdiction, or practice in the military or public health service shall be kept in the records maintained by a supervising physician of the physician assistant. The record shall be made available for inspection by the board.

Sec. 5164.951. As used in this section, "teledentistry" has the same meaning as in section 4715.43 of the Revised Code.

The department of medicaid shall establish standards for medicaid payments for services provided through teledentistry. The standards shall provide coverage for services to the same extent that those services would be covered by the medicaid program if the services were provided without the use of teledentistry.

SECTION 2. That existing sections 1739.05, 2925.01, 4715.03, 4715.09, 4715.10, 4715.11, 4715.13, 4715.22, 4715.23, 4715.36, 4715.365, 4715.39, 4715.56, 4715.64, 4730.05, 4730.06, 4730.11, 4730.203, 4730.21, 4730.38, 4730.39, 4730.41, 4730.42, 4730.43, and 4730.44 and section 4730.40 of the Revised Code are hereby repealed.

SECTION 3. The enactment by this act of section 4715.435 of the Revised Code takes effect six months after the effective date of this section.

SECTION 4. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the following sections, presented in this act as composites of the sections as

amended by the acts indicated, are the resulting versions of the sections in effect prior to the effective date of the sections as presented in this act:

Section 1739.05 of the Revised Code as amended by both Sub. H.B. 463 and Sub. S.B. 319 of the 131st General Assembly.

Section 2925.01 of the Revised Code as amended by both Am. Sub. H.B. 49 and Am. Sub. S.B. 1 of the 132nd General Assembly.

Section 4730.41 of the Revised Code as amended by S.B. 110 of the 131st General Assembly and H.B. 394 and S.B. 276 both of the 130th General Assembly.
