A BILL

To amend section 3313.978 of the Revised Code to 1
increase the maximum amount that may be awarded 2
to students under the Pilot Project (Cleveland) 3
Scholarship Program. 4

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3313.978 of the Revised Code be 5
amended to read as follows: 6

Sec. 3313.978. (A) Annually by the first day of November, 7
the superintendent of public instruction shall notify the pilot 8
project school district of the number of initial scholarships 9
that the state superintendent will be awarding in each of grades 10
kindergarten through twelve. 11

The state superintendent shall provide information about 12
the scholarship program to all students residing in the 13
district, shall accept applications from any such students until 14
such date as shall be established by the state superintendent as 15
a deadline for applications, and shall establish criteria for 16
the selection of students to receive scholarships from among all 17
those applying prior to the deadline, which criteria shall give 18

preference to students from low-income families. The state 19
superintendent shall notify students of their selection prior to 20
the fifteenth day of January. 21

(1) A student receiving a pilot project scholarship may 22
utilize it at an alternative public school by notifying the 23
district superintendent, at any time before the beginning of the 24
school year, of the name of the public school in an adjacent 25
school district to which the student has been accepted pursuant 26
to section 3327.06 of the Revised Code. 27

(2) A student may decide to utilize a pilot project 28
scholarship at a registered private school in the district if 29
all of the following conditions are met: 30

(a) By the fifteenth day of February of the preceding 31
school year, or at any time prior to the start of the school 32
year, the parent makes an application on behalf of the student 33
to a registered private school. 34

(b) The registered private school notifies the parent and 35
the state superintendent as follows that the student has been 36
admitted: 37

(i) By the fifteenth day of March of the preceding school 38
year if the student filed an application by the fifteenth day of 39
February and was admitted by the school pursuant to division (A) 40
of section 3313.977 of the Revised Code; 41

(ii) Within one week of the decision to admit the student 42
if the student is admitted pursuant to division (C) of section 43
3313.977 of the Revised Code. 44

(c) The student actually enrolls in the registered private 45
school to which the student was first admitted or in another 46
registered private school in the district or in a public school 47

in an adjacent school district. 48

(B) The state superintendent shall also award in any 49
school year tutorial assistance grants to a number of students 50
equal to the number of students who receive scholarships under 51
division (A) of this section. Tutorial assistance grants shall 52
be awarded solely to students who are enrolled in the public 53
schools of the district in a grade level covered by the pilot 54
project. Tutorial assistance grants may be used solely to obtain 55
tutorial assistance from a provider approved pursuant to 56
division (D) of section 3313.976 of the Revised Code. 57

All students wishing to obtain tutorial assistance grants 58
shall make application to the state superintendent by the first 59
day of the school year in which the assistance will be used. The 60
state superintendent shall award assistance grants in accordance 61
with criteria the superintendent shall establish. 62

(C) (1) In the case of basic scholarships for students in 63
grades kindergarten through ~~eight~~ twelve, the scholarship amount 64
shall not exceed the lesser of the net tuition charges of the 65
alternative school the scholarship recipient attends or ~~four~~ 66
seven thousand ~~six hundred fifty~~ dollars. 67

~~In the case of basic scholarships for students in grades~~ 68
~~nine through twelve, the scholarship amount shall not exceed the~~ 69
~~lesser of the net tuition charges of the alternative school the~~ 70
~~scholarship recipient attends or six thousand dollars.~~ 71

The net tuition and fees charged to a student shall be the 72
tuition amount specified by the alternative school minus all 73
other financial aid, discounts, and adjustments received for the 74
student. In cases where discounts are offered for multiple 75
students from the same family, and not all students in the same 76

family are scholarship recipients, the net tuition amount 77
attributable to the scholarship recipient shall be the lowest 78
net tuition to which the family is entitled. 79

(2) The state superintendent shall provide for an increase 80
in the basic scholarship amount in the case of any student who 81
is a mainstreamed student with a disability and shall further 82
increase such amount in the case of any separately educated 83
student with a disability. Such increases shall take into 84
account the instruction, related services, and transportation 85
costs of educating such students. 86

(3) In the case of tutorial assistance grants, the grant 87
amount shall not exceed the lesser of the provider's actual 88
charges for such assistance or: 89

(a) Before fiscal year 2007, a percentage established by 90
the state superintendent, not to exceed twenty per cent, of the 91
amount of the pilot project school district's average basic 92
scholarship amount; 93

(b) In fiscal year 2007 and thereafter, four hundred 94
dollars. 95

(D) (1) Annually by the first day of November, the state 96
superintendent shall estimate the maximum per-pupil scholarship 97
amounts for the ensuing school year. The state superintendent 98
shall make this estimate available to the general public at the 99
offices of the district board of education together with the 100
forms required by division (D) (2) of this section. 101

(2) Annually by the fifteenth day of January, the chief 102
administrator of each registered private school located in the 103
pilot project district and the principal of each public school 104
in such district shall complete a parental information form and 105

forward it to the president of the board of education. The 106
parental information form shall be prescribed by the department 107
of education and shall provide information about the grade 108
levels offered, the numbers of students, tuition amounts, 109
achievement test results, and any sectarian or other 110
organizational affiliations. 111

(E) (1) Only for the purpose of administering the pilot 112
project scholarship program, the department may request from any 113
of the following entities the data verification code assigned 114
under division (D) (2) of section 3301.0714 of the Revised Code 115
to any student who is seeking a scholarship under the program: 116

(a) The school district in which the student is entitled 117
to attend school under section 3313.64 or 3313.65 of the Revised 118
Code; 119

(b) If applicable, the community school in which the 120
student is enrolled; 121

(c) The independent contractor engaged to create and 122
maintain data verification codes. 123

(2) Upon a request by the department under division (E) (1) 124
of this section for the data verification code of a student 125
seeking a scholarship or a request by the student's parent for 126
that code, the school district or community school shall submit 127
that code to the department or parent in the manner specified by 128
the department. If the student has not been assigned a code, 129
because the student will be entering kindergarten during the 130
school year for which the scholarship is sought, the district 131
shall assign a code to that student and submit the code to the 132
department or parent by a date specified by the department. If 133
the district does not assign a code to the student by the 134

specified date, the department shall assign a code to the 135
student. 136

The department annually shall submit to each school 137
district the name and data verification code of each student 138
residing in the district who is entering kindergarten, who has 139
been awarded a scholarship under the program, and for whom the 140
department has assigned a code under this division. 141

(3) The department shall not release any data verification 142
code that it receives under division (E) of this section to any 143
person except as provided by law. 144

(F) Any document relative to the pilot project scholarship 145
program that the department holds in its files that contains 146
both a student's name or other personally identifiable 147
information and the student's data verification code shall not 148
be a public record under section 149.43 of the Revised Code. 149

(G) (1) The department annually shall compile the scores 150
attained by scholarship students enrolled in registered private 151
schools on the assessments administered to the students pursuant 152
to division (A) (11) of section 3313.976 of the Revised Code. The 153
scores shall be aggregated as follows: 154

(a) By school district, which shall include all 155
scholarship students residing in the pilot project school 156
district who are enrolled in a registered private school and 157
were required to take an assessment pursuant to division (A) (11) 158
of section 3313.976 of the Revised Code; 159

(b) By registered private school, which shall include all 160
scholarship students enrolled in that school who were required 161
to take an assessment pursuant to division (A) (11) of section 162
3313.976 of the Revised Code. 163

(2) The department shall disaggregate the student	164
performance data described in division (G) (1) of this section	165
according to the following categories:	166
(a) Grade level;	167
(b) Race and ethnicity;	168
(c) Gender;	169
(d) Students who have participated in the scholarship	170
program for three or more years;	171
(e) Students who have participated in the scholarship	172
program for more than one year and less than three years;	173
(f) Students who have participated in the scholarship	174
program for one year or less;	175
(g) Economically disadvantaged students.	176
(3) The department shall post the student performance data	177
required under divisions (G) (1) and (2) of this section on its	178
web site and shall include that data in the information about	179
the scholarship program provided to students under division (A)	180
of this section. In reporting student performance data under	181
this division, the department shall not include any data that is	182
statistically unreliable or that could result in the	183
identification of individual students. For this purpose, the	184
department shall not report performance data for any group that	185
contains less than ten students.	186
(4) The department shall provide the parent of each	187
scholarship student enrolled in a registered private school with	188
information comparing the student's performance on the	189
assessments administered pursuant to division (A) (11) of section	190
3313.976 of the Revised Code with the average performance of	191

similar students enrolled in the building operated by the pilot 192
project school district that the scholarship student would 193
otherwise attend. In calculating the performance of similar 194
students, the department shall consider age, grade, race and 195
ethnicity, gender, and socioeconomic status. 196

Section 2. That existing section 3313.978 of the Revised 197
Code is hereby repealed. 198
