BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That the versions of sections 340.03 and 8
340.041 of the Revised Code scheduled to take effect on July 1, 9
2017, be amended to read as follows: 10

Sec. 340.03. (A) Subject to rules issued by the director 11
of mental health and addiction services after consultation with 12
relevant constituencies as required by division (A) (10) of 13
section 5119.21 of the Revised Code, each board of alcohol, drug 14
addiction, and mental health services shall: 15

(1) Serve as the community addiction and mental health 16

planning agency for the county or counties under its 17
jurisdiction, and in so doing it shall: 18

(a) Evaluate the need for facility services, addiction 19
services, mental health services, and recovery supports; 20

(b) In cooperation with other local and regional planning 21
and funding bodies and with relevant ethnic organizations, 22
evaluate strengths and challenges and set priorities for 23
addiction services, mental health services, and recovery 24
supports. A board shall include treatment and prevention 25
services when setting priorities for addiction services and 26
mental health services. When a board sets priorities for 27
addiction services, the board shall consult with the county 28
commissioners of the counties in the board's service district 29
regarding the services described in section 340.15 of the 30
Revised Code and shall give priority to those services, except 31
that those services shall not have a priority over services 32
provided to pregnant women under programs developed in relation 33
to the mandate established in section 5119.17 of the Revised 34
Code. 35

(c) In accordance with guidelines issued by the director 36
of mental health and addiction services under division (F) of 37
section 5119.22 of the Revised Code, annually develop and submit 38
to the department of mental health and addiction services a 39
community addiction and mental health plan that addresses both 40
of the following: 41

(i) The needs of all residents of the district currently 42
receiving inpatient services in state-operated hospitals, the 43
needs of other populations as required by state or federal law 44
or programs, and the needs of all children subject to a 45
determination made pursuant to section 121.38 of the Revised 46

Code; 47

(ii) The department's priorities for facility services, 48
addiction services, mental health services, and recovery 49
supports during the period for which the plan will be in effect. 50
The department shall inform all of the boards of the 51
department's priorities in a timely manner that enables the 52
boards to know the department's priorities before the boards 53
develop and submit the plans. 54

In alcohol, drug addiction, and mental health service 55
districts that have separate alcohol and drug addiction services 56
and community mental health boards, the alcohol and drug 57
addiction services board shall submit a community addiction plan 58
and the community mental health board shall submit a community 59
mental health plan. Each board shall consult with its 60
counterpart in developing its plan and address the interaction 61
between the local addiction and mental health systems and 62
populations with regard to needs and priorities in developing 63
its plan. 64

The department shall approve or disapprove the plan, in 65
whole or in part, in accordance with division (G) of section 66
5119.22 of the Revised Code. Eligibility for state and federal 67
funding shall be contingent upon an approved plan or relevant 68
part of a plan. 69

If a board determines that it is necessary to amend an 70
approved plan, the board shall submit a proposed amendment to 71
the director. The director shall approve or disapprove all or 72
part of the amendment in accordance with division (H) of section 73
5119.22 of the Revised Code. 74

The board shall operate in accordance with the plan 75

approved by the department. 76

(d) Promote, arrange, and implement working agreements 77
with social agencies, both public and private, and with judicial 78
agencies. 79

(2) Investigate, or request another agency to investigate, 80
any complaint alleging abuse or neglect of any person receiving 81
addiction services, mental health services, or recovery supports 82
from a community addiction services provider or community mental 83
health services provider or alleging abuse or neglect of a 84
resident receiving addiction services or with mental illness or 85
severe mental disability residing in a residential facility 86
licensed under section 5119.34 of the Revised Code. If the 87
investigation substantiates the charge of abuse or neglect, the 88
board shall take whatever action it determines is necessary to 89
correct the situation, including notification of the appropriate 90
authorities. Upon request, the board shall provide information 91
about such investigations to the department. 92

(3) For the purpose of section 5119.36 of the Revised 93
Code, cooperate with the director of mental health and addiction 94
services in visiting and evaluating whether the certifiable 95
services and supports of a community addiction services provider 96
or community mental health services provider satisfy the 97
certification standards established by rules adopted under that 98
section; 99

(4) In accordance with criteria established under division 100
(D) of section 5119.22 of the Revised Code, conduct program 101
audits that review and evaluate the quality, effectiveness, and 102
efficiency of addiction services, mental health services, and 103
recovery supports provided by community addiction services 104
providers and community mental health services providers under 105

contract with the board and submit the board's findings and 106
recommendations to the department of mental health and addiction 107
services; 108

(5) In accordance with section 5119.34 of the Revised 109
Code, review an application for a residential facility license 110
and provide to the department of mental health and addiction 111
services any information about the applicant or facility that 112
the board would like the department to consider in reviewing the 113
application; 114

(6) Audit, in accordance with rules adopted by the auditor 115
of state pursuant to section 117.20 of the Revised Code, at 116
least annually all programs, addiction services, mental health 117
services, and recovery supports provided under contract with the 118
board. In so doing, the board may contract for or employ the 119
services of private auditors. A copy of the fiscal audit report 120
shall be provided to the director of mental health and addiction 121
services, the auditor of state, and the county auditor of each 122
county in the board's district. 123

(7) Recruit and promote local financial support for 124
addiction services, mental health services, and recovery 125
supports from private and public sources; 126

(8) In accordance with guidelines issued by the department 127
as necessary to comply with state and federal laws pertaining to 128
financial assistance, approve fee schedules and related charges 129
or adopt a unit cost schedule or other methods of payment for 130
addiction services, mental health services, and recovery 131
supports provided by community addiction services providers and 132
community mental health services providers that have contracted 133
with the board under section 340.036 of the Revised Code; 134

(9) Submit to the director and the county commissioners of 135
the county or counties served by the board, and make available 136
to the public, an annual report of the addiction services, 137
mental health services, and recovery supports under the 138
jurisdiction of the board, including a fiscal accounting; 139

(10) Establish a method for evaluating referrals for 140
court-ordered treatment and affidavits filed pursuant to section 141
5122.11 of the Revised Code in order to assist the probate 142
division of the court of common pleas in determining whether 143
there is probable cause that a respondent is subject to court- 144
ordered treatment and whether alternatives to hospitalization 145
are available and appropriate; 146

(11) Designate the treatment services, provider, facility, 147
or other placement for each person involuntarily committed to 148
the board pursuant to Chapter 5122. of the Revised Code. The 149
board shall provide the least restrictive and most appropriate 150
alternative that is available for any person involuntarily 151
committed to it and shall assure that the list of addiction 152
services, mental health services, and recovery supports 153
submitted and approved in accordance with division (B) of 154
section 340.08 of the Revised Code are available to severely 155
mentally disabled persons residing within its service district. 156
The board shall establish the procedure for authorizing payment 157

authorization in appropriate circumstances. In accordance with 159
section 340.037 of the Revised Code, the board may provide 160

rented, owned, or leased by the board or a community addiction 167
services provider or community mental health services provider 168

health services provider. This division does not apply to 173
residential facilities licensed pursuant to section 5119.34 of 174
the Revised Code. 175

(13) Establish a mechanism for obtaining advice and 176
involvement of persons receiving addiction services, mental 177
health services, or recovery supports on matters pertaining to 178
services and supports in the alcohol, drug addiction, and mental 179
health service district; 180

(14) Perform the duties required by rules adopted under 181
section 5119.22 of the Revised Code regarding referrals by the 182

health services shall establish such rules, operating 192
