enacted to read as follows: 12

**Sec. 3318.39.** (A) The 1:1 school facilities option program 13  
is hereby established. Under the program, the Ohio facilities 14

construction commission shall provide state funds to assist 15  
eligible school districts in constructing, acquiring, 16  
reconstructing, or making additions or repairs to any feature of 17  
a classroom facility that meets the design standards of the 18  
commission in lieu of that district participating in the 19  
classroom facilities assistance program under sections 3318.01 20  
to 3318.20 of the Revised Code, in the case of a city, exempted 21  
village, or local school district, or sections 3318.40 to 22  
3318.45 of the Revised Code, in the case of a joint vocational 23  
school district. 24

For purposes of this program, an eligible school district 25  
is either of the following: 26

that has not entered into an agreement for any program under 28  
this chapter, except for emergency assistance under section 29

for assistance under the classroom facilities assistance program 40  
in accordance with the annual percentile ranking of districts 41  
under section 3318.011 or 3318.42 of the Revised Code. 42

(B) (1) The commission, at the request of a school district 43

that meets the criteria set forth in division (A) of this 44  
section, shall assess the current conditions of the classroom 45  
facilities of that school district. Based on the results of the 46  
assessment, the commission shall determine the scope of the 47  
entire project, the basic project cost of the school district's 48  
classroom facilities needs, and the state's portion of the total 49  
project if the school district were to receive assistance under 50  
sections 3318.01 to 3318.20 of the Revised Code, in the case of 51  
a city, exempted village, or local school district, or sections 52  
3318.40 to 3318.45 of the Revised Code, in the case of a joint 53

section shall be eligible to receive state funds in the amount 56  
of up to the greater of one million dollars or ten per cent of 57  
the state's share of the total project cost determined under 58  
division (B) (1) of this section. However, a district may choose 59  
to receive less than the maximum amount of state funds for which 60  
it is eligible under this division. 61

(3) A district that opts to receive assistance under this 62  
section shall match the amount of state funds it receives on a 63  
one-to-one basis. A district may generate the school district 64  
funds for its match using any lawful manner. 65

(C) The commission shall adopt guidelines and procedures 66  
for the administration of the program. The guidelines shall 67  
include the following: 68
