**Sec. 3301.0711.** (A) The department of education shall: 23

required by divisions (A) (1) and (B) (1) of section 3301.0710 of 25  
the Revised Code to be administered by city, local, exempted 26  
village, and joint vocational school districts, except that each 27  
district shall score any assessment administered pursuant to 28

shall include the data verification code of the student to whom 30  
the assessment will be administered, as assigned pursuant to 31  
division (D) (2) of section 3301.0714 of the Revised Code. In 32  
furnishing the practice versions of Ohio graduation tests 33  
prescribed by division (D) of section 3301.0710 of the Revised 34  
Code, the department shall make the tests available on its web 35  
site for reproduction by districts. In awarding contracts for 36  
grading assessments, the department shall give preference to 37  
Ohio-based entities employing Ohio residents. 38

(2) Adopt rules for the ethical use of assessments and 39  
prescribing the manner in which the assessments prescribed by 40  
section 3301.0710 of the Revised Code shall be administered to 41  
students. 42

(B) Except as provided in divisions (C) and (J) of this 43  
section, the board of education of each city, local, and 44  
exempted village school district shall, in accordance with rules 45  
adopted under division (A) of this section: 46

(1) Administer the English language arts assessments 47  
prescribed under division (A) (1) (a) of section 3301.0710 of the 48

(8) Except as provided in division (B) (9) of this section,	71
administer any assessment prescribed under division (B) (1) of	72
section 3301.0710 of the Revised Code as follows:	73
(a) At least once annually to all tenth grade students and	74
at least twice annually to all students in eleventh or twelfth	75
grade who have not yet attained the score on that assessment	76

designated under that division; 77

(b) To any person who has successfully completed the 78  
curriculum in any high school or the individualized education 79  
program developed for the person by any high school pursuant to 80  
section 3323.08 of the Revised Code but has not received a high 81  
school diploma and who requests to take such assessment, at any 82  
time such assessment is administered in the district. 83

(9) In lieu of the board of education of any city, local, 84  
or exempted village school district in which the student is also 85  
enrolled, the board of a joint vocational school district shall 86  
administer any assessment prescribed under division (B)(1) of 87  
section 3301.0710 of the Revised Code at least twice annually to 88  
any student enrolled in the joint vocational school district who 89  
has not yet attained the score on that assessment designated 90  
under that division. A board of a joint vocational school 91  
district may also administer such an assessment to any student 92  
described in division (B)(8)(b) of this section. 93

(10) If the district has a three-year average graduation 94  
rate of not more than seventy-five per cent, administer each 95  
assessment prescribed by division (D) of section 3301.0710 of 96  
the Revised Code in September to all ninth grade students who 97  
entered ninth grade prior to July 1, 2014. 98

Except as provided in section 3313.614 of the Revised Code 99  
for administration of an assessment to a person who has 100  
fulfilled the curriculum requirement for a high school diploma 101  
but has not passed one or more of the required assessments, the 102  
assessments prescribed under division (B)(1) of section 103  
3301.0710 of the Revised Code shall not be administered after 104  
the date specified in the rules adopted by the state board of 105  
education under division (D)(1) of section 3301.0712 of the 106

Revised Code.	107
(11) (a) Except as provided in division (B) (11) (b) of this	108
section, administer the assessments prescribed by division (B)	109
(2) of section 3301.0710 and section 3301.0712 of the Revised	110
Code in accordance with the timeline and plan for implementation	111
of those assessments prescribed by rule of the state board	112
adopted under division (D) (1) of section 3301.0712 of the	113
Revised Code;	114
(b) A student who has presented evidence to the district	115
or school of having satisfied the condition prescribed by	116
division (A) (1) of section 3313.618 of the Revised Code to	117
qualify for a high school diploma prior to the date of the	118
administration of the assessment prescribed under division (B)	119
(1) of section 3301.0712 of the Revised Code shall not be	120
required to take that assessment. However, no board shall	121
prohibit a student who is not required to take such assessment	122
from taking the assessment.	123
(C) (1) (a) In the case of a student receiving special	124
education services under Chapter 3323. of the Revised Code, the	125
individualized education program developed for the student under	126
that chapter shall specify the manner in which the student will	127
participate in the assessments administered under this section,	128
except that a student with significant cognitive disabilities to	129
whom an alternate assessment is administered in accordance with	130
division (C) (1) of this section and a student determined to have	131
a disability that includes an intellectual disability as	132
outlined in guidance issued by the department shall not be	133
required to take the assessment prescribed under division (B) (1)	134
of section 3301.0712 of the Revised Code. The individualized	135
education program may excuse the student from taking any	136

particular assessment required to be administered under this 137  
section if it instead specifies an alternate assessment method 138  
approved by the department of education as conforming to 139  
requirements of federal law for receipt of federal funds for 140  
disadvantaged pupils. To the extent possible, the individualized 141  
education program shall not excuse the student from taking an 142  
assessment unless no reasonable accommodation can be made to 143  
enable the student to take the assessment. No board shall 144  
prohibit a student who is not required to take an assessment 145  
under division (C) (1) of this section from taking the 146  
assessment. 147

(b) Any alternate assessment approved by the department 148  
for a student under this division shall produce measurable 149  
results comparable to those produced by the assessment it 150  
replaces in order to allow for the student's results to be 151  
included in the data compiled for a school district or building 152  
under section 3302.03 of the Revised Code. 153

(c) (i) Any student enrolled in a chartered nonpublic 154  
school who has been identified, based on an evaluation conducted 155  
in accordance with section 3323.03 of the Revised Code or 156  
section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 157  
29 U.S.C.A. 794, as amended, as a child with a disability shall 158  
be excused from taking any particular assessment required to be 159  
administered under this section if a plan developed for the 160  
student pursuant to rules adopted by the state board excuses the 161  
student from taking that assessment. 162

(ii) A student with significant cognitive disabilities to 163  
whom an alternate assessment is administered in accordance with 164  
division (C) (1) of this section and a student determined to have 165  
a disability that includes an intellectual disability as 166

outlined in guidance issued by the department shall not be 167  
required to take the assessment prescribed under division (B) (1) 168  
of section 3301.0712 of the Revised Code. 169

(iii) In the case of any student so excused from taking an 170  
assessment under division (C) (1) (c) of this section, the 171  
chartered nonpublic school shall not prohibit the student from 172  
taking the assessment. 173

(2) A district board may, for medical reasons or other 174  
good cause, excuse a student from taking an assessment 175  
administered under this section on the date scheduled, but that 176  
assessment shall be administered to the excused student not 177  
later than nine days following the scheduled date. The district 178  
board shall annually report the number of students who have not 179  
taken one or more of the assessments required by this section to 180  
the state board not later than the thirtieth day of June. 181

(3) As used in this division, "limited English proficient 182  
student" has the same meaning as in 20 U.S.C. 7801. 183

No school district board shall excuse any limited English 184  
proficient student from taking any particular assessment 185  
required to be administered under this section, except as 186  
follows: 187

(a) Any limited English proficient student who has been 188  
enrolled in United States schools for less than two years and 189  
for whom no appropriate accommodations are available based on 190  
guidance issued by the department shall not be required to take 191  
the assessment prescribed under division (B) (1) of section 192  
3301.0712 of the Revised Code. 193

(b) Any limited English proficient student who has been 194  
enrolled in United States schools for less than one full school 195

year shall not be required to take any reading, writing, or English language arts assessment.

However, no board shall prohibit a limited English proficient student who is not required to take an assessment under division (C) (3) of this section from taking the assessment. A board may permit any limited English proficient student to take an assessment required to be administered under this section with appropriate accommodations, as determined by the department. For each limited English proficient student, each school district shall annually assess that student's progress in learning English, in accordance with procedures approved by the department.

(4) (a) The governing authority of a chartered nonpublic school may excuse a limited English proficient student from taking any assessment administered under this section.

(b) No governing authority shall require a limited English proficient student who has been enrolled in United States schools for less than two years and for whom no appropriate accommodations are available based on guidance issued by the department to take the assessment prescribed under division (B) (1) of section 3301.0712 of the Revised Code.

(c) No governing authority shall prohibit a limited English proficient student from taking an assessment from which the student was excused under division (C) (4) of this section.

(D) (1) In the school year next succeeding the school year in which the assessments prescribed by division (A) (1) or (B) (1) of section 3301.0710 of the Revised Code or former division (A) (1), (A) (2), or (B) of section 3301.0710 of the Revised Code as it existed prior to September 11, 2001, are administered to any

student, the board of education of any school district in which 225  
the student is enrolled in that year shall provide to the 226  
student intervention services commensurate with the student's 227  
performance, including any intensive intervention required under 228  
section 3313.608 of the Revised Code, in any skill in which the 229  
student failed to demonstrate at least a score at the proficient 230  
level on the assessment. 231

(2) Following any administration of the assessments 232  
prescribed by division (D) of section 3301.0710 of the Revised 233  
Code to ninth grade students, each school district that has a 234  
three-year average graduation rate of not more than seventy-five 235  
per cent shall determine for each high school in the district 236  
whether the school shall be required to provide intervention 237  
services to any students who took the assessments. In 238  
determining which high schools shall provide intervention 239  
services based on the resources available, the district shall 240  
consider each school's graduation rate and scores on the 241  
practice assessments. The district also shall consider the 242  
scores received by ninth grade students on the English language 243  
arts and mathematics assessments prescribed under division (A) 244  
(1)(f) of section 3301.0710 of the Revised Code in the eighth 245  
grade in determining which high schools shall provide 246  
intervention services. 247

Each high school selected to provide intervention services 248  
under this division shall provide intervention services to any 249  
student whose results indicate that the student is failing to 250  
make satisfactory progress toward being able to attain scores at 251  
the proficient level on the Ohio graduation tests. Intervention 252  
services shall be provided in any skill in which a student 253  
demonstrates unsatisfactory progress and shall be commensurate 254  
with the student's performance. Schools shall provide the 255

intervention services prior to the end of the school year, 256  
during the summer following the ninth grade, in the next 257  
succeeding school year, or at any combination of those times. 258

(E) Except as provided in section 3313.608 of the Revised 259  
Code and division (N) of this section, no school district board 260  
of education shall utilize any student's failure to attain a 261  
specified score on an assessment administered under this section 262  
as a factor in any decision to deny the student promotion to a 263  
higher grade level. However, a district board may choose not to 264  
promote to the next grade level any student who does not take an 265  
assessment administered under this section or make up an 266  
assessment as provided by division (C) (2) of this section and 267  
who is not exempt from the requirement to take the assessment 268  
under division (C) (3) of this section. 269

(F) No person shall be charged a fee for taking any 270  
assessment administered under this section. 271

(G) (1) Each school district board shall designate one 272  
location for the collection of assessments administered in the 273  
spring under division (B) (1) of this section and those 274  
administered under divisions (B) (2) to (7) of this section. Each 275  
district board shall submit the assessments to the entity with 276  
which the department contracts for the scoring of the 277  
assessments as follows: 278

(a) If the district's total enrollment in grades 279  
kindergarten through twelve during the first full school week of 280  
October was less than two thousand five hundred, not later than 281  
the Friday after all of the assessments have been administered; 282

(b) If the district's total enrollment in grades 283  
kindergarten through twelve during the first full school week of 284

October was two thousand five hundred or more, but less than 285  
seven thousand, not later than the Monday after all of the 286  
assessments have been administered; 287

(c) If the district's total enrollment in grades 288  
kindergarten through twelve during the first full school week of 289  
October was seven thousand or more, not later than the Tuesday 290  
after all of the assessments have been administered. 291

However, any assessment that a student takes during the 292  
make-up period described in division (C) (2) of this section 293  
shall be submitted not later than the Friday following the day 294  
the student takes the assessment. 295

(2) The department or an entity with which the department 296  
contracts for the scoring of the assessment shall send to each 297  
school district board a list of the individual scores of all 298  
persons taking a state achievement assessment as follows: 299

(a) Except as provided in division (G) (2) (b) or (c) of 300  
this section, within forty-five days after the administration of 301  
the assessments prescribed by sections 3301.0710 and 3301.0712 302  
of the Revised Code, but in no case shall the scores be returned 303  
later than the thirtieth day of June following the 304  
administration; 305

(b) In the case of the third-grade English language arts 306  
assessment, within forty-five days after the administration of 307  
that assessment, but in no case shall the scores be returned 308  
later than the fifteenth day of June following the 309  
administration; 310

(c) In the case of the writing component of an assessment 311  
or end-of-course examination in the area of English language 312  
arts, except for the third-grade English language arts 313

assessment, the results may be sent after forty-five days of the 314  
administration of the writing component, but in no case shall 315  
the scores be returned later than the thirtieth day of June 316  
following the administration. 317

(3) For assessments administered under this section by a 318  
joint vocational school district, the department or entity shall 319  
also send to each city, local, or exempted village school 320  
district a list of the individual scores of any students of such 321  
city, local, or exempted village school district who are 322  
attending school in the joint vocational school district. 323

(H) Individual scores on any assessments administered 324  
under this section shall be released by a district board only in 325  
accordance with section 3319.321 of the Revised Code and the 326  
rules adopted under division (A) of this section. No district 327  
board or its employees shall utilize individual or aggregate 328  
results in any manner that conflicts with rules for the ethical 329  
use of assessments adopted pursuant to division (A) of this 330  
section. 331

(I) Except as provided in division (G) of this section, 332  
the department or an entity with which the department contracts 333  
for the scoring of the assessment shall not release any 334  
individual scores on any assessment administered under this 335  
section. The state board shall adopt rules to ensure the 336  
protection of student confidentiality at all times. The rules 337  
may require the use of the data verification codes assigned to 338  
students pursuant to division (D)(2) of section 3301.0714 of the 339  
Revised Code to protect the confidentiality of student scores. 340

(J) Notwithstanding division (D) of section 3311.52 of the 341  
Revised Code, this section does not apply to the board of 342  
education of any cooperative education school district except as 343

provided under rules adopted pursuant to this division. 344

(1) In accordance with rules that the state board shall 345  
adopt, the board of education of any city, exempted village, or 346  
local school district with territory in a cooperative education 347  
school district established pursuant to divisions (A) to (C) of 348  
section 3311.52 of the Revised Code may enter into an agreement 349  
with the board of education of the cooperative education school 350  
district for administering any assessment prescribed under this 351  
section to students of the city, exempted village, or local 352  
school district who are attending school in the cooperative 353  
education school district. 354

(2) In accordance with rules that the state board shall 355  
adopt, the board of education of any city, exempted village, or 356  
local school district with territory in a cooperative education 357  
school district established pursuant to section 3311.521 of the 358  
Revised Code shall enter into an agreement with the cooperative 359  
district that provides for the administration of any assessment 360  
prescribed under this section to both of the following: 361

(a) Students who are attending school in the cooperative 362  
district and who, if the cooperative district were not 363  
established, would be entitled to attend school in the city, 364  
local, or exempted village school district pursuant to section 365  
3313.64 or 3313.65 of the Revised Code; 366

(b) Persons described in division (B) (8) (b) of this 367  
section. 368

Any assessment of students pursuant to such an agreement 369  
shall be in lieu of any assessment of such students or persons 370  
pursuant to this section. 371

(K) (1) Except as otherwise provided in division (K) (1) or 372

(2) of this section, each chartered nonpublic school for which 373  
at least sixty-five per cent of its total enrollment is made up 374  
of students who are participating in state scholarship programs 375  
shall administer the elementary assessments prescribed by 376  
section 3301.0710 of the Revised Code. In accordance with 377  
procedures and deadlines prescribed by the department, the 378  
parent or guardian of a student enrolled in the school who is 379  
not participating in a state scholarship program may submit 380  
notice to the chief administrative officer of the school that 381  
the parent or guardian does not wish to have the student take 382  
the elementary assessments prescribed for the student's grade 383  
level under division (A) of section 3301.0710 of the Revised 384  
Code. If a parent or guardian submits an opt-out notice, the 385  
school shall not administer the assessments to that student. 386  
This option does not apply to any assessment required for a high 387  
school diploma under section 3313.612 of the Revised Code. 388

(2) A chartered nonpublic school may submit to the 389  
superintendent of public instruction a request for a waiver from 390  
administering the elementary assessments prescribed by division 391  
(A) of section 3301.0710 of the Revised Code. The state 392  
superintendent shall approve or disapprove a request for a 393  
waiver submitted under division (K) (2) of this section. No 394  
waiver shall be approved for any school year prior to the 2015- 395  
2016 school year. 396

To be eligible to submit a request for a waiver, a 397  
chartered nonpublic school shall meet the following conditions: 398

(a) At least ninety-five per cent of the students enrolled 399  
in the school are children with disabilities, as defined under 400  
section 3323.01 of the Revised Code, or have received a 401  
diagnosis by a school district or from a physician, including a 402

neuropsychiatrist or psychiatrist, or a psychologist who is 403

dyscalculia, attention deficit hyperactivity disorder, or 406  
Asperger's syndrome. 407

(b) The school has solely served a student population 408  
described in division (K) (1) (a) of this section for at least ten 409  
years. 410

(c) The school provides to the department at least five 411  
years of records of internal testing conducted by the school 412  
that affords the department data required for accountability 413  
purposes, including diagnostic assessments and nationally 414  
standardized norm-referenced achievement assessments that 415  
measure reading and math skills. 416

(3) Any chartered nonpublic school that is not subject to 417  
division (K) (1) of this section may participate in the 418  
assessment program by administering any of the assessments 419  
prescribed by division (A) of section 3301.0710 of the Revised 420  
Code. The chief administrator of the school shall specify which 421  
assessments the school will administer. Such specification shall 422  
be made in writing to the superintendent of public instruction 423  
prior to the first day of August of any school year in which 424  
assessments are administered and shall include a pledge that the 425  
nonpublic school will administer the specified assessments in 426  
the same manner as public schools are required to do under this 427  
section and rules adopted by the department. 428

(4) The department of education shall furnish the 429  
assessments prescribed by section 3301.0710 of the Revised Code 430  
to each chartered nonpublic school that is subject to division 431  
(K) (1) of this section or participates under division (K) (3) of 432

this section. 433

(L) If a chartered nonpublic school is educating students 434  
in grades nine through twelve, the following shall apply: 435

(1) For a student who is enrolled in a chartered nonpublic 436  
school that is accredited through the independent schools 437  
association of the central states and who is attending the 438  
school under a state scholarship program, the student shall 439  
either take all of the assessments prescribed by division (B) of 440  
section 3301.0712 of the Revised Code or take an alternative 441  
assessment approved by the department under section 3313.619 of 442  
the Revised Code. However, a student who is excused from taking 443  
an assessment under division (C) of this section or has 444  
presented evidence to the chartered nonpublic school of having 445  
satisfied the condition prescribed by division (A)(1) of section 446  
3313.618 of the Revised Code to qualify for a high school 447  
diploma prior to the date of the administration of the 448  
assessment prescribed under division (B)(1) of section 3301.0712 449  
of the Revised Code shall not be required to take that 450  
assessment. No governing authority of a chartered nonpublic 451  
school shall prohibit a student who is not required to take such 452  
assessment from taking the assessment. 453

(2) For a student who is enrolled in a chartered nonpublic 454  
school that is accredited through the independent schools 455  
association of the central states, and who is not attending the 456  
school under a state scholarship program, the student shall not 457  
be required to take any assessment prescribed under section 458  
3301.0712 or 3313.619 of the Revised Code. 459

(3) (a) Except as provided in division (L)(3)(b) of this 460  
section, for a student who is enrolled in a chartered nonpublic 461  
school that is not accredited through the independent schools 462

association of the central states, regardless of whether the 463  
student is attending or is not attending the school under a 464  
state scholarship program, the student shall do one of the 465  
following: 466

(i) Take all of the assessments prescribed by division (B) 467  
of section 3301.0712 of the Revised Code; 468

(ii) Take only the assessment prescribed by division (B) 469  
(1) of section 3301.0712 of the Revised Code, provided that the 470  
student's school publishes the results of that assessment for 471  
each graduating class. The published results of that assessment 472  
shall include the overall composite scores, mean scores, twenty- 473  
fifth percentile scores, and seventy-fifth percentile scores for 474  
each subject area of the assessment. 475

(iii) Take an alternative assessment approved by the 476  
department under section 3313.619 of the Revised Code. 477

(b) A student who is excused from taking an assessment 478  
under division (C) of this section or has presented evidence to 479  
the chartered nonpublic school of having satisfied the condition 480  
prescribed by division (A) (1) of section 3313.618 of the Revised 481  
Code to qualify for a high school diploma prior to the date of 482  
the administration of the assessment prescribed under division 483  
(B) (1) of section 3301.0712 of the Revised Code shall not be 484  
required to take that assessment. No governing authority of a 485  
chartered nonpublic school shall prohibit a student who is not 486  
required to take such assessment from taking the assessment. 487

(M) (1) The superintendent of the state school for the 488  
blind and the superintendent of the state school for the deaf 489  
shall administer the assessments described by sections 3301.0710 490  
and 3301.0712 of the Revised Code. Each superintendent shall 491

administer the assessments in the same manner as district boards 492  
are required to do under this section and rules adopted by the 493  
department of education and in conformity with division (C) (1) 494  
(a) of this section. 495

(2) The department of education shall furnish the 496  
assessments described by sections 3301.0710 and 3301.0712 of the 497  
Revised Code to each superintendent. 498

(N) Notwithstanding division (E) of this section, a school 499  
district may use a student's failure to attain a score in at 500  
least the proficient range on the mathematics assessment 501  
described by division (A) (1) (a) of section 3301.0710 of the 502  
Revised Code or on an assessment described by division (A) (1) 503  
(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised 504  
Code as a factor in retaining that student in the current grade 505  
level. 506

(O) (1) In the manner specified in divisions (O) (3), (4), 507  
and (6) of this section, the assessments required by division 508  
(A) (1) of section 3301.0710 of the Revised Code shall become 509  
public records pursuant to section 149.43 of the Revised Code on 510  
the thirty-first day of July following the school year that the 511  
assessments were administered. 512

(2) The department may field test proposed questions with 513  
samples of students to determine the validity, reliability, or 514  
appropriateness of questions for possible inclusion in a future 515  
year's assessment. The department also may use anchor questions 516  
on assessments to ensure that different versions of the same 517  
assessment are of comparable difficulty. 518

Field test questions and anchor questions shall not be 519  
considered in computing scores for individual students. Field 520

test questions and anchor questions may be included as part of 521  
the administration of any assessment required by division (A) (1) 522  
or (B) of section 3301.0710 and division (B) of section 523  
3301.0712 of the Revised Code. 524

(3) Any field test question or anchor question 525  
administered under division (O) (2) of this section shall not be 526  
a public record. Such field test questions and anchor questions 527  
shall be redacted from any assessments which are released as a 528  
public record pursuant to division (O) (1) of this section. 529

(4) This division applies to the assessments prescribed by 530  
division (A) of section 3301.0710 of the Revised Code. 531

(a) The first administration of each assessment, as 532  
specified in former section 3301.0712 of the Revised Code, shall 533  
be a public record. 534

(b) For subsequent administrations of each assessment 535  
prior to the 2011-2012 school year, not less than forty per cent 536  
of the questions on the assessment that are used to compute a 537  
student's score shall be a public record. The department shall 538  
determine which questions will be needed for reuse on a future 539  
assessment and those questions shall not be public records and 540  
shall be redacted from the assessment prior to its release as a 541  
public record. However, for each redacted question, the 542  
department shall inform each city, local, and exempted village 543  
school district of the statewide academic standard adopted by 544  
the state board under section 3301.079 of the Revised Code and 545  
the corresponding benchmark to which the question relates. The 546  
preceding sentence does not apply to field test questions that 547  
are redacted under division (O) (3) of this section. 548

(c) The administrations of each assessment in the 2011- 549

2012, 2012-2013, and 2013-2014 school years shall not be a public record.	550 551

(a) Forty per cent of the questions and preferred answers on the assessments on the thirty-first day of July following the administration of the assessment;	561 562 563
(b) Twenty per cent of the questions and preferred answers on the assessment on the thirty-first day of July one year after the administration of the assessment;	564 565 566
(c) The remaining forty per cent of the questions and preferred answers on the assessment on the thirty-first day of July two years after the administration of the assessment.	567 568 569
The entire content of an assessment shall become a public record within three years of its administration.	570 571
The department shall make the questions that become a public record under this division readily accessible to the public on the department's web site. Questions on the spring administration of each assessment shall be released on an annual basis, in accordance with this division.	572 573 574 575 576

(2) Administrative costs for each school building in the 756  
school district. The guidelines shall require the cost units 757  
under this division (C) (2) to be designed so that each of them 758

supervising or coordinating the delivery of the instructional 786  
services category. 787

(4) Support or extracurricular services costs for each 788  
category of service directly provided to students and required 789  
by guidelines adopted pursuant to division (B) (1) (b) of this 790  
section. The guidelines shall require the cost units under 791  
division (C) (4) of this section to be designed so that each of 792  
them may be compiled and reported in terms of average 793  
expenditure per pupil receiving the service in the school 794  
district as a whole and average expenditure per pupil receiving 795  
the service in each building in the school district and in terms 796  
of a total cost for each category of service and, as a breakdown 797  
of the total cost, a cost for each of the following components: 798

involved in administering or aiding the delivery of each 813  
services category. 814

(D) (1) The guidelines adopted under this section shall 815  
require school districts to collect information about individual 816  
students, staff members, or both in connection with any data 817  
required by division (B) or (C) of this section or other 818  
reporting requirements established in the Revised Code. The 819  
guidelines may also require school districts to report 820  
information about individual staff members in connection with 821  
any data required by division (B) or (C) of this section or 822  
other reporting requirements established in the Revised Code. 823

social security numbers of individual students. The guidelines 825  
shall prohibit the reporting under this section of a student's 826  
name, address, and social security number to the state board of 827  
education or the department of education. The guidelines shall 828  
also prohibit the reporting under this section of any personally 829  
identifiable information about any student, except for the 830  
purpose of assigning the data verification code required by 831  
division (D) (2) of this section, to any other person unless such 832  
person is employed by the school district or the information 833  
technology center operated under section 3301.075 of the Revised 834  
Code and is authorized by the district or technology center to 835  
have access to such information or is employed by an entity with 836  
which the department contracts for the scoring or the 837  
development of state assessments. The guidelines may require 838  
school districts to provide the social security numbers of 839  
individual staff members and the county of residence for a 840  
student. Nothing in this section prohibits the state board of 841  
education or department of education from providing a student's 842

county of residence to the department of taxation to facilitate 843  
the distribution of tax revenue. 844

(2) (a) The guidelines shall provide for each school 845  
district or community school to assign a data verification code 846  
that is unique on a statewide basis over time to each student 847

utilizing such code. The guidelines shall also provide for 850  
assigning data verification codes to all students enrolled in 851  
districts or community schools on the effective date of the 852  
guidelines established under this section. The assignment of 853  
data verification codes for other entities, as described in 854  
division (D) (2) (c) of this section, the use of those codes, and 855

the department through the information technology centers 860  
utilizing the code. The entities described in division (D) (2) (c) 861  
of this section shall report individual student data to the 862

shall the state board or the department have access to 866  
information that would enable any data verification code to be 867  
matched to personally identifiable student data. 868

(b) Each school district and community school shall ensure 869  
that the data verification code is included in the student's 870  
records reported to any subsequent school district, community 871  
school, or state institution of higher education, as defined in 872

section 3345.011 of the Revised Code, in which the student 873

those services. 884

(E) The guidelines adopted under this section may require 885  
school districts to collect and report data, information, or 886  
reports other than that described in divisions (A), (B), and (C) 887  
of this section for the purpose of complying with other 888  
reporting requirements established in the Revised Code. The 889  
other data, information, or reports may be maintained in the 890  
education management information system but are not required to 891  
be compiled as part of the profile formats required under 892  
division (G) of this section or the annual statewide report 893  
required under division (H) of this section. 894

1991, the board of education of each school district shall 896  
annually collect and report to the state board, in accordance 897

school district pursuant to division (D) of this section. The 904  
state board shall design formats for profiling each school 905  
district as a whole and each school building within each 906  
district and shall compile the data in accordance with these 907  
formats. These profile formats shall: 908

division (G) of this section. Copies of the report shall be sent 919

each school district and the general public that includes the 923  
profiles of each of the school buildings in that school district 924  
developed pursuant to division (G) of this section. Copies of 925  
the report shall be sent to the superintendent of the district 926  
and to each member of the district board of education. 927

(3) Copies of the reports received from the state board 928  
under divisions (H) (1) and (2) of this section shall be made 929  
available to the general public at each school district's 930  
offices. Each district board of education shall make copies of 931

each report available to any person upon request and payment of 932  
a reasonable fee for the cost of reproducing the report. The 933  
board shall annually publish in a newspaper of general 934  
circulation in the school district, at least twice during the 935  
two weeks prior to the week in which the reports will first be 936  
available, a notice containing the address where the reports are 937  
available and the date on which the reports will be available. 938

(I) Any data that is collected or maintained pursuant to 939  
this section and that identifies an individual pupil is not a 940  
public record for the purposes of section 149.43 of the Revised 941  
Code. 942

(J) As used in this section: 943

(1) "School district" means any city, local, exempted 944  
village, or joint vocational school district and, in accordance 945  
with section 3314.17 of the Revised Code, any community school. 946  
As used in division (L) of this section, "school district" also 947

of the Revised Code. 955

(K) Any person who removes data from the information 956  
system established under this section for the purpose of 957  
releasing it to any person not entitled under law to have access 958  
to such information is subject to section 2913.42 of the Revised 959  
Code prohibiting tampering with data. 960

(L) (1) In accordance with division (L) (2) of this section 961  
and the rules adopted under division (L) (10) of this section, 962  
the department of education may sanction any school district 963  
that reports incomplete or inaccurate data, reports data that 964  
does not conform to data requirements and descriptions published 965  
by the department, fails to report data in a timely manner, or 966  
otherwise does not make a good faith effort to report data as 967  
required by this section. 968

(2) If the department decides to sanction a school 969  
district under this division, the department shall take the 970  
following sequential actions: 971

(a) Notify the district in writing that the department has 972  
determined that data has not been reported as required under 973  
this section and require the district to review its data 974  
submission and submit corrected data by a deadline established 975  
by the department. The department also may require the district 976  
to develop a corrective action plan, which shall include 977  
provisions for the district to provide mandatory staff training 978  
on data reporting procedures. 979

(b) Withhold up to ten per cent of the total amount of 980  
state funds due to the district for the current fiscal year and, 981  
if not previously required under division (L) (2) (a) of this 982  
section, require the district to develop a corrective action 983  
plan in accordance with that division; 984

(c) Withhold an additional amount of up to twenty per cent 985  
of the total amount of state funds due to the district for the 986  
current fiscal year; 987

(d) Direct department staff or an outside entity to 988  
investigate the district's data reporting practices and make 989

recommendations for subsequent actions. The recommendations may	990
include one or more of the following actions:	991
(i) Arrange for an audit of the district's data reporting	992
practices by department staff or an outside entity;	993

accordance with division (N) of this section;	1003
(vii) If the district is issued a report card under	1004
section 3302.03 of the Revised Code, indicate on the report card	1005
that the district has been sanctioned for failing to report data	1006
as required by this section;	1007
(viii) If the district is issued a report card under	1008
section 3302.03 of the Revised Code and incomplete or inaccurate	1009
data submitted by the district likely caused the district to	1010
receive a higher performance rating than it deserved under that	1011
section, issue a revised report card for the district;	1012
(ix) Any other action designed to correct the district's	1013
data reporting problems.	1014
(3) Any time the department takes an action against a	1015
school district under division (L) (2) of this section, the	1016

department shall make a report of the circumstances that 1017  
prompted the action. The department shall send a copy of the 1018  
report to the district superintendent or chief administrator and 1019  
maintain a copy of the report in its files. 1020

(4) If any action taken under division (L)(2) of this 1021  
section resolves a school district's data reporting problems to 1022  
the department's satisfaction, the department shall not take any 1023  
further actions described by that division. If the department 1024  
withheld funds from the district under that division, the 1025  
department may release those funds to the district, except that 1026  
if the department withheld funding under division (L)(2)(c) of 1027  
this section, the department shall not release the funds 1028  
withheld under division (L)(2)(b) of this section and, if the 1029  
department withheld funding under division (L)(2)(d) of this 1030  
section, the department shall not release the funds withheld 1031  
under division (L)(2)(b) or (c) of this section. 1032

(5) Notwithstanding anything in this section to the 1033  
contrary, the department may use its own staff or an outside 1034  
entity to conduct an audit of a school district's data reporting 1035  
practices any time the department has reason to believe the 1036  
district has not made a good faith effort to report data as 1037  
required by this section. If any audit conducted by an outside 1038  
entity under division (L)(2)(d)(i) or (5) of this section 1039  
confirms that a district has not made a good faith effort to 1040  
report data as required by this section, the district shall 1041  
reimburse the department for the full cost of the audit. The 1042  
department may withhold state funds due to the district for this 1043  
purpose. 1044

(6) Prior to issuing a revised report card for a school 1045  
district under division (L)(2)(d)(viii) of this section, the 1046

department may hold a hearing to provide the district with an 1047  
opportunity to demonstrate that it made a good faith effort to 1048  
report data as required by this section. The hearing shall be 1049  
conducted by a referee appointed by the department. Based on the 1050  
information provided in the hearing, the referee shall recommend 1051  
whether the department should issue a revised report card for 1052  
the district. If the referee affirms the department's contention 1053  
that the district did not make a good faith effort to report 1054  
data as required by this section, the district shall bear the 1055  
full cost of conducting the hearing and of issuing any revised 1056  
report card. 1057

(7) If the department determines that any inaccurate data 1058  
reported under this section caused a school district to receive 1059  
excess state funds in any fiscal year, the district shall 1060  
reimburse the department an amount equal to the excess funds, in 1061  
accordance with a payment schedule determined by the department. 1062  
The department may withhold state funds due to the district for 1063  
this purpose. 1064

(8) Any school district that has funds withheld under 1065  
division (L)(2) of this section may appeal the withholding in 1066  
accordance with Chapter 119. of the Revised Code. 1067

(9) In all cases of a disagreement between the department 1068  
and a school district regarding the appropriateness of an action 1069  
taken under division (L)(2) of this section, the burden of proof 1070  
shall be on the district to demonstrate that it made a good 1071  
faith effort to report data as required by this section. 1072

(10) The state board of education shall adopt rules under 1073  
Chapter 119. of the Revised Code to implement division (L) of 1074  
this section. 1075

(M) No information technology center or school district shall acquire, change, or update its student administration software package to manage and report data required to be reported to the department unless it converts to a student software package that is certified by the department.

(N) The state board of education, in accordance with sections 3319.31 and 3319.311 of the Revised Code, may suspend or revoke a license as defined under division (A) of section 3319.31 of the Revised Code that has been issued to any school district employee found to have willfully reported erroneous, inaccurate, or incomplete data to the education management information system.

(O) No person shall release or maintain any information about any student in violation of this section. Whoever violates this division is guilty of a misdemeanor of the fourth degree.

(P) The department shall disaggregate the data collected under division (B)(1)(n) of this section according to the race and socioeconomic status of the students assessed.

(Q) If the department cannot compile any of the information required by division (H) of section 3302.03 of the Revised Code based upon the data collected under this section, the department shall develop a plan and a reasonable timeline for the collection of any data necessary to comply with that division.

~~section~~ October 15, 2015, that contains provisions relinquishing 1351  
one or more of the rights or responsibilities listed in division 1352  
(C) of section 4117.08 of the Revised Code, those provisions are 1353  
not enforceable and the chief executive officer and the district 1354  
board shall resume holding those rights or responsibilities as 1355  
if the district board had not relinquished them in that 1356  
agreement until such time as both the academic distress 1357  
commission ceases to exist and the district board agrees to 1358  
relinquish those rights or responsibilities in a new collective 1359  
bargaining agreement. For purposes of this section, "collective 1360  
bargaining agreement" shall include any labor contract or 1361

October 15, 2015, and those provisions are deemed to be part of 1376  
that agreement regardless of whether the district satisfied the 1377  
conditions prescribed in division (A) of this section at the 1378  
time the district entered into that agreement. If the district 1379  
board relinquished one or more of the rights or responsibilities 1380  
listed in division (C) of section 4117.08 of the Revised Code in 1381

holding those rights or responsibilities pursuant to division 1384  
(K) of former section 3302.10 of the Revised Code, as it existed 1385  
prior to that date, the district board shall continue to hold 1386  
those rights or responsibilities until such time as both the new 1387  
academic distress commission appointed under this section ceases 1388

commission. 1400

(2) The chief executive officer may implement innovative 1401

any moneys appropriated by the general assembly for the purposes 1413  
of division (G) (2) of this section in the fund. The chief 1414  
executive officer shall have sole authority to disburse moneys 1415  
from the fund until the district is no longer subject to this 1416  
section. All disbursements shall support the improvement plan 1417  
approved under division (E) (2) of this section. 1418

~~(3) If the district is not a school district in which the 1419

such insurance benefit reductions are also applicable generally 1441  
to other employees of the district. 1442

~~(5)~~ (4) The chief executive officer shall represent the 1443  
district board during any negotiations to modify, renew, or 1444

(H) If the report card for the district has been issued 1447  
under section 3302.03 of the Revised Code for the first school 1448

district does not meet the qualification in division (N)(1) of 1450  
this section, the following shall apply: 1451

(1) The chief executive officer may reconstitute any 1452  
school operated by the district. The chief executive officer 1453  
shall present to the academic distress commission a plan that 1454  
lists each school designated for reconstitution and explains how 1455  
the chief executive officer plans to reconstitute the school. 1456

The chief executive officer may take any of the following 1457  
actions to reconstitute a school: 1458

(a) Change the mission of the school or the focus of its 1459  
curriculum; 1460

and mathematics school under Chapter 3326. of the Revised Code; 1471

(f) Permanently close the school. 1472

If the chief executive officer plans to reconstitute a 1473  
school under division (H) (1) (e) or (f) of this section, the 1474

year. Upon approval of the plan by the commission, the chief 1477  
executive officer shall reconstitute the school as outlined in 1478  
the plan. 1479

(2) Notwithstanding any provision to the contrary in 1480  
Chapter 4117. of the Revised Code, the chief executive officer, 1481  
in consultation with the chairperson of the academic distress 1482  
commission, may reopen any collective bargaining agreement 1483  
entered into, modified, renewed, or extended on or after ~~the~~ 1484

~~effective date of this section October 15, 2015,~~ for the purpose 1485

bargaining agreement under division (H) (2) of this section as 1496  
necessary to reconstitute a school under division (H) (1) of this 1497  
section. 1498

(I) If the report card for the district has been issued 1499  
under section 3302.03 of the Revised Code for the second school 1500

this section, the following shall apply: 1503

(1) The chief executive officer may exercise any of the 1504  
powers authorized under division (H) of this section. 1505

(2) Notwithstanding any provision to the contrary in 1506

division is not subject to bargaining under Chapter 4117. of the 1515  
Revised Code; however, the chief executive officer shall have 1516  
the discretion to engage in effects bargaining on the way any 1517

school under division (H) (1) of this section. 1522

(J) If the report card for the district has been issued 1523

in the district access to a high-quality education by 1565  
encouraging high-quality schools to enroll those students. 1566

(N) (1) When a district subject to this section receives an 1567

grade higher than "F" under division (C)(3) of section 3302.03 1573

of the Revised Code for two consecutive school years after the 1574  
transition period begins. The overall grade of "C" or higher 1575  
that qualifies the district to begin the transition period shall 1576  
not count as one of the two consecutive school years. During the 1577  
transition period, the conditions described in divisions (F) to 1578  
(L) of this section for the school year prior to the school year 1579  
in which the transition period begins shall continue to apply 1580  
and the chief executive officer shall work closely with the 1581  
district board and district superintendent to increase their 1582  
ability to resume control of the district and sustain the 1583  
district's academic improvement over time. Upon completion of 1584  
the transition period, the chief executive officer shall 1585  
relinquish all operational, managerial, and instructional 1586  
control of the district to the district board and district 1587  
superintendent and the academic distress commission shall cease 1588  
to exist. 1589

(2) If the district receives an overall grade of "F" under 1590

of the district's schools under this section, the academic 1602  
distress commission shall cease to exist and the chief executive 1603  
officer shall cease to exercise any powers with respect to the 1604

section. 1610

(Q) The chief executive officer, the members of the 1611  
academic distress commission, the state superintendent, and any 1612

calculated under division (H) of this section. The calculations 3444  
under divisions (G) and (H) of this section shall separately 3445  
display the levy loss for each levy eligible for reimbursement. 3446

(K) Not later than September 1, 2001, the tax commissioner 3447
