

Don & Kelly Morrison Testimony 11-17-20
HB 406

When we were presented with our Honor and Remember Flag, we received a framed certificate. (I will read the certificate) Just like the American Flag symbolizes hardiness, valor, purity, innocence, vigilance, perseverance, and justice; the Honor and Remember Flag colors have their own representations. (I will read color symbolizations)

Passing HB 406 will give Gold Star families the opportunity to fly the flag under the American flag in hopes of opening conversations about how our family member fought and died for the freedoms of the American Flag.
