Please provide a brief statement on your position: I think that it is improper to employ retired judges when so many newly minted lawyers and other lawyers are available. I am also opposed to Mr. Cupp and what he supports. For example he supported the grab of my real estate in Penobscot County Maine, specifically the camp at Russell point about 6 miles west of Millinocket , Maine. You can witness this action by consutlitng the actions of the Ohio Supreme Court of 1 October, 2008. Mr. Cupp joined all the remaining judges all republicans in seizing my real estate and giving it to Elisabeth Ramsey, my mother's 'natural daughter' no genetic connection.. There is however there is a connection to a previous position of the Ohio Supreme Court in "A Life Well Lived" written by Paul E. Pfeifer on or about 24 May, 2000. In this opinion Pfeifer and the OSC celebrate activities by Butler probate judge Randy Rogers and state lawyers, Millikin and Fitton. These lawyers were university lawyers for more than a century by

2006 according to then Ohio AG Jim Petro. The OSC and Paul Pfeifer used this to dog whistle the ButlerCo. Proate and Randy Rogers that it would be fine to grab my mom's stuff and conducted a forked attack on me by grabbing mom's books litigating for her Russian art and attacking my real estate at Russell Point. Clear and convincing evidence shows the plot between these courts regarding my mom's property. Consider the transcript of the Butler Co. probate consisting of a monologue by Randy Rogers advising Millikin Fitton to sue me with a declaratory judgment action. Rogers repeated this 4 times and thus became an attorney for Millikin Fitton and the Ohio AG. These were the same lawyers praised openly by the OSC in "A life well lived" Thus for 8 long years the OSC had been openly signaling Randy Rogers that it would be fine to attack Catherine's stuff ,even though there was no provision in her will for this attack. Dave Yosts's office has called me to admit that i was being prosecuted by their office during 2005-2010 by Millikin Fitton, their paid lawyers. Randy Rogers was well aware that i was frightened of lossing my job, so he employed university disciplinary lawyers. It's all over butler co. and it's in the Court of Claims of Ohio too. I've had conversations with Michael Gmoser, the Butler Co. prosecutor about the theft. I had reason to contact the Superior Court of Spokane County and their lawyer noted the same horror. Nothing proposed by Robert Cupp should be move forward. Mom was an U.S. Army veteran who sailed in a darkened trans Atlantic convoy from NYC to Glasgow in April ,1944. We cannot maintain Catherine's grave because of this f
