

Ray Pickett, Jr.'s Testimony

May 1, 2019 Hearing

I am unable to attend this hearing but make no mistake I believe in the second amendment with all of my heart and I believe that each and every person has a right to protect ourselves and to be able to have a conceal and carry permit I don't believe nobody has a right to tell me I cannot protect my family so I just want you to know that is how I feel with all of my heart and God bless the United States of America and our wonderful president Donald Trump
