

Robert Jones' Testimony

May 8, 2019

*Dear House Federalism Committee, I would like to enter my testimony in favor of House Bill 178 into the official record.*

*My name is Robert Jones I live in Jamestown ,Ohio*

*Here is my testimony: I am asking you to support the Constitutional Carry Bill HB178. I believe every law abiding citizen has the Constitutional right to be able to defend them self. We live in a very dangerous world today. Law enforcement does a great job but sometimes they just cannot be everywhere. So that is why it is important for this to pass. I will not be able to attend in person but, would like to have my testimony entered into the official record.*

*Chairman Becker, Vice Chairman Stoltzfus, Ranking Member Miller and members of the House Federalism Committee, thank you for this opportunity to testify on this wonderful legislation, House Bill 178.*

*Thank You for letting me speak about this very important bill.*

*Robert Jones*
