

Michael Taylor's Testimony

May 8, 2019

Dear House Federalism Committee,

I would like to enter my testimony in favor of House BBill 178 into the official record.

Here is my testimony:

I believe this bill would lower the crime rate because the criminals would know that there are more citizens protecting themselves. I also,am of the understanding that Ohio's 2nd Amendment allows citizens to protect and defend themselves.

Chairman Becker, Vice Chairman Stoltzfus, Ranking Member Miller, and members of the House Federalism Committee, thank you for this opportunity to testify on this wonderful legislation, House Bill 178.

Thank you for your time,

Michael Taylor
