

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am an Ohio citizen who is extremely concerned about the continued overreach of the current administration and the effects of that overreach on our businesses, our economy, and perhaps most importantly, our children. Thus, I am testifying in favor of SB311 today.

I am flabbergasted at the continued tyrannical mandates coming from the executive branch in this state, and I urge you to pass SB311 so as to return the balance of power among the three COEQUAL branches of the Ohio government. The health and well-being of ALL Ohio citizens depends on the expedient and veto-proof passage of this bill. Please, help the citizens who elected you to office. You are our voice. Thank you.

Sincerely,  
Jennifer Burr
