

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

Thank you for allowing me proponent testimony for SB311. I am testifying in favor of SB311 today as an Ohio resident and am deeply concerned about decisions and courses of action that have been taken under the current emergency powers. It has and will continue to cause dire effects on the citizens of Ohio. SB311 allows balance to be restored between the three Co-Equal branches of government and to fully reopen Ohio. Ohio businesses, our economy, our social and emotional well-being, and the future of our children are all on the line. We cannot thrive under the continued oppressive and excessive orders of our over-reaching Governor. Please stand up and protect our God-given rights and liberties and the future of our state by voting YES on SB311!

Thank you,
Kelly DiCarro
