

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am testifying in favor of SB 311 today as an Ohio resident deeply concerned about courses of action being taken under the current emergency powers and the dire effects it is having on all of us. It is exhausting dealing with too many restrictions on individuals such as myself who cannot breathe well, normally, let alone forcing a mask on us. I also have just witnessed another business going under due to these Covid19 restrictions! Enough is enough!

This bill restores the balance of power to where it should be, between the three COEQUAL branches of government and RE-OPENS Ohio.

Our businesses, our economy, our social and emotional well-being and the future of our children is on the line. Our state cannot thrive under the continued oppressive orders of our over-reaching Governor. Please stand up and protect our personal liberties and the future of our state by voting YES on SB 311!

Thank you,  
Mrs Roxie Fiste
