

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am testifying in favor of SB 311 today as an Ohio resident so very concerned about courses of action being taken under the current emergency powers and the horrific effects it is having on us.

This bill restores the balance of power to where it should be, between the three COEQUAL branches of government and RE-OPENS Ohio.

Our businesses, our economy, our social and emotional well-being and the future of our community, our adult lives, and especially our children is on the line.

Individuals nor Ohio as a whole can thrive under the continued oppressive orders of our over-reaching Governor.

Please stand up and protect our personal liberties and the future of our state by voting YES on SB 311!

Thank you
Danielle Thoma
