

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am testifying in favor of SB 311 today as an Ohio resident deeply concerned about courses of action being taken under the current emergency powers and the dire effects it is having on all of us.

This bill restores the balance of power to where it should be, between the three COEQUAL branches of government and RE-OPENS Ohio.

Our founding fathers designed our government to be by the people and for the people. They founded this country so everyone would have a voice.

The government is the servant of the people, not the other way around. The voices of Ohioans are being ignored and our public leaders who have sworn to serve the public and our interests are doing anything but.

Our businesses, our economy, our social and emotional well-being and the future of our children is on the line. Our state cannot thrive under the continued oppressive orders of our over-reaching Governor.

Ohio is falling apart.

Please stand up and protect our personal liberties and the future of our state by voting YES on SB 311!

Thank you,
R. Robinson
