

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly and the members of the state and local Government Committee:

I am testifying in favor of SB311 today as a Ohio resident deeply concerned about courses of action being taken under the current emergency powers and the dire effects it is having on all of us.

This Bill restores the balance of power to where it should be between the COEQUAL branch of government and re-opens Ohio.

Our business, our economy our social and emotional well being and the future of our children is on the line.

Our state cannot thrive under the continued oppressive orders of our overreacting Governor.

Please stand up and protect our personal liberties and the future of our state by voting YES on SB301

Thank you-

Stephanie Perrine
